Note: Budget figures prior to 1933 are based on the “Administrative Budget” concepts rather than the “Unified Budget” concepts.

Note: GDP, percentages of GDP, deflators and constant dollar amounts for years prior to 1960 are OMB estimates based on detailed historical GDP series for which revised data are not yet available from the Bureau of Economic Analysis. For additional details, see the Special Note on GDP and Constant Dollar Amounts in the Introduction to the FY2001 Historical Tables.
