The Overseas Contingency Operations (OCO) funding requested for Diplomatic Programs (DP) will address the extraordinary costs associated with deploying, securing and supplying the Department's civilian presence in Iraq, Afghanistan, Pakistan, other High Threat Posts, and transition operations and public diplomacy related to defeating ISIS. The request for Iraq supports the normalization of the diplomatic presence in Baghdad and the provinces, including the full-year costs for security and logistical support. The embassy and consulates play a vital role in building relationships with the Iraqi people, managing ongoing programs and mitigating potential conflict. The requests for Afghanistan and Pakistan support implementation of a comprehensive diplomatic and development strategy to defeat Al Qaida and support the Afghan people. DP funding for Afghanistan and Pakistan enables a civilian presence, including diplomats, development specialists, and civilian expertise from across the U.S. Government, along with critical security and logistical support.
