<b>Total Federal Drug Budget<sup>8</sup> .....</b>	<b>\$28,812.56</b>	<b>\$29,419.75</b>	<b>\$29,929.15</b>

<sup>1</sup> Due to statutory changes included in the FY 2017 National Defense Authorization Act that consolidated the Department of Defense's (DOD) security sector assistance authorities, funding for building foreign partner counter-drug enforcement capacities is now included in DOD's Defense Security Cooperation Agency's budget request.

<sup>2</sup> FY 2019 HHS funding levels include \$1 billion in new funding to combat the opioid epidemic as part of the Budget proposal to repeal and replace Obamacare.

<sup>3</sup> The estimates for the Centers for Medicare & Medicaid Services reflect Medicaid and Medicare benefit outlays for substance abuse treatment; they do not reflect budget authority. The estimates were developed by the CMS Office of the Actuary.

<sup>4</sup> Includes budget authority and funding through evaluation set-aside authorized by Section 241 of the Public Health Service (PHS) Act.

<sup>5</sup> The FY 2019 funding level for SAMHSA includes \$100 million for the Drug-Free Communities (DFC) program. For FY 2017 and FY 2018, DFC is included under the Office of National Drug Control Policy heading.

<sup>6</sup> The FY 2019 funding level for DEA includes \$254 million for the High Intensity Drug Trafficking Areas (HIDTA) program. For FY 2017 and FY 2018, HIDTA is included under the Office of National Drug Control Policy heading.

<sup>7</sup> Funding for FY 2018 is a mechanical calculation that does not reflect decisions on funding priorities.

<sup>8</sup> Detail may not sum to total due to rounding.
