The Smithsonian Institution is an independent trust instrumentality created in accordance with the terms of the will of James Smithson of England who in 1826 bequeathed his property to the United States of America "to found at Washington under the name of the Smithsonian Institution an establishment for the increase and diffusion of knowledge among men." Congress pledged the faith of the United States to carry out the trust in 1836 (Act of July 1, 1836, C. 252, 5 Stat. 64), and established the Institution in its present form in 1846 (August 10, 1846, C. 178, 9 Stat. 102), entrusting the management of the institution to its independent Board of Regents.

RULES GOVERNING PRESS GALLERIES

1. Administration of the press galleries shall be vested in a Standing Committee of Correspondents elected by accredited members of the galleries. The Committee shall consist of five persons elected to serve for terms of two years. Provided, however, that at the election in January 1951, the three candidates receiving the highest number of votes shall serve for two years and the remaining two for one year. Thereafter, three members shall be elected in odd-numbered years and two in even-numbered years. Elections shall be held in January. The Committee shall elect its own chairman and secretary. Vacancies on the Committee shall be filled by special election to be called by the Standing Committee.

2. Persons desiring admission to the press galleries of Congress shall make application in accordance with Rule 34 of the House of Representatives, subject to the direction and control of the Speaker and Rule 33 of the Senate, which rules shall be interpreted and administered by the Standing Committee of Correspondents, subject to the review and approval by the Senate Committee on Rules and Administration.

3. The Standing Committee of Correspondents shall limit membership in the press galleries to bona fide correspondents of repute in their profession, under such rules as the Standing Committee of Correspondents shall prescribe.

4. Provided, however, that the Standing Committee of Correspondents shall admit to the galleries no person who does not establish to the satisfaction of the Standing Committee all of the following:

(a) That his or her principal income is obtained from news correspondence intended for publication in newspapers entitled to second-class mailing privileges.

(b) That he or she is not engaged in paid publicity or promotion work or in prosecuting any claim before Congress or before any department of the government, and will not become so engaged while a member of the galleries.

(c) That he or she is not engaged in any lobbying activity and will not become so engaged while a member of the galleries.

5. Members of the families of correspondents are not entitled to the privileges of the galleries.

6. The Standing Committee of Correspondents shall propose no change or changes in these rules except upon petition in writing signed by not less than 100 accredited members of the galleries.

NEWT GINGRICH,
Speaker of the House of Representatives.

The above rules have been approved by the Committee on Rules and Administration.

RULES GOVERNING GALLERY

1. (a) Administration of the Press Photographers' Gallery is vested in a Standing Committee of Press Photographers consisting of six persons elected by accredited members of the Gallery. The Committee shall be composed of one member each from Associated Press Photos, magazine media, and local newspapers and three at-large members. At large members may be, but need not be, selected from a media otherwise represented on the Committee.

(b) The term of office of a member of the Committee elected as the Associated Press Photos member, the local newspapers member and one of the at large members shall expire on the day of the election held in the first odd-numbered year following the year in which the member was elected, and the term of office of a member of the Committee elected as the magazine media member and the remaining two at large members shall expire on the day of the election held in the first even-numbered year following the year in which the member was elected. Whenever two at large seats are up for election the two candidates with the highest number of votes in that category shall be elected. A member elected to fill a vacancy occurring prior to the expiration of a term shall serve for only the unexpired portion of such term.

(c) Elections shall be held as early as practicable in each year, and in no case later than March 31. A vacancy in the membership of the Committee occurring prior to the expiration of a term shall be filled by a special election called for that purpose by the Committee.

(d) The Standing Committee of the Press Photographers' Gallery shall propose no change or changes in these rules except upon petition in writing signed by not less than 25 accredited members of the gallery.

2. Persons desiring admission to the Press Photographers' Gallery of the Senate shall make application in accordance with Rule 33 of the Senate, which rule shall be interpreted and administered by the Standing Committee of Press Photographers subject to the review and approval of the Senate Committee on Rules and Administration.

3. The Standing Committee of Press photographers shall limit membership in the photographers' gallery to bona fide news photographers of repute in their profession and Heads of Photographic Bureaus under such rules as the Standing Committee of Press Photographers shall prescribe.

4. Provided, however, that the Standing Committee of Press Photographers shall admit to the gallery no person who does not establish to the satisfaction of the Committee all of the following:

(a) That any member is not engaged in paid publicity or promotion work or in prosecuting any claim before Congress or before any department of the Government, and will not become so engaged while a member of the gallery.

(b) That he or she is not engaged in any lobbying activity and will not become so engaged while a member of the gallery.

The above rules have been approved by the Committee on Rules and Administration.

NEWT, GINGRICH,
Speaker, House of Representatives

JOHN WARNER,
Chairman, Senate Committee on Rules and Administration.

RULES GOVERNING RADIO AND TELEVISION CORRESPONDENTS' GALLERIES

1. Persons desiring admission to the Radio and Television Galleries of Congress shall make application to the Speaker, as required by Rule 34 of the House of Representatives, as amended, and to the Committee on Rules and Administration of the Senate, as required by Rule 33, as amended, for the regulation of Senate wing of the Capitol. Applicants shall state in writing the names of all radio stations, television stations, systems, or news-gathering organizations by which they are employed and what other occupation or employment they may have, if any. Applicants shall further declare that they are not engaged in the prosecution of claims or the promotion of legislation pending before Congress, the Departments, or the independent agencies, and that they will not become so employed without resigning from the galleries. They shall further declare that they are not employed in any legislative or executive department or independent agency of the Government, or by any foreign government or representative thereof; that they are not engaged in any lobbying activities; that they do not and will not, directly or indirectly, furnish special information to any organization, individual, or group of individuals for the influencing of prices on any commodity or stock exchange; that they will not do so during the time they retain membership in the galleries. Holders of visitors' cards who may be allowed temporary admission to the galleries must conform to all the restrictions of this paragraph.

2. It shall be prerequisite to membership that the radio station, television station, system, or news-gathering agency which the applicant represents shall certify in writing to the Radio and Television Correspondents' Galleries that the applicant conforms to the foregoing regulations.

3. The applications required by the above rule shall be authenticated in a manner that shall be satisfactory to the Executive Committee of the Radio and Television Correspondents' Galleries who shall see that the occupation of the galleries is confined to bona fide news gatherers and/or reporters of reputable standing in their business who represent radio stations, television stations, systems, or news-gathering agencies engaged primarily in serving radio stations, television stations, or systems. It shall be the duty of the Executive Committee of the Radio and Television Correspondents' Galleries to report, at its discretion, violation of the privileges of the galleries to the Speaker or to the Senate Committee on Rules and Administration, and pending action thereon, the offending individual may be suspended.

4. Persons engaged in other occupations, whose chief attention is not given to—or more than one-half of their earned income is not derived from—the gathering or reporting of news for radio stations, television stations, systems, or news-gathering agencies primarily serving radio stations or systems, shall not be entitled to admission to the Radio and Television Galleries. The Radio and Television Correspondents' List in the Congressional Directory shall be a list only of persons whose chief attention is given to or more than one-half of their earned income is derived from the gathering and reporting of news for radio stations, television stations, and systems engaged in the daily dissemination of news, and of representatives of news-gathering agencies engaged in the daily service of news to such radio stations, television stations, or systems.

5. Members of the families of correspondents are not entitled to the privileges of the galleries.

RULES GOVERNING PERIODICAL PRESS GALLERIES

1. Persons eligible for admission to the Periodical Press Galleries must be bona fide resident correspondents of reputable standing, giving their chief attention to the gathering and reporting of news. They shall state in writing the names of their employers and their additional sources of earned income; and they shall declare that, while a member of the Galleries, they will not act as an agent in the prosecution of claims, and will not become engaged or assist, directly or indirectly, in any lobbying, promotion, advertising, or publicity activity intended to influence legislation or any other action of the Congress, nor any matter before any independent agency, or any department or other instrumentality of the Executive Branch; and that they will not act as an agent for, or be employed by the Federal, or any State, local or foreign government or representatives thereof; and that they will not, directly or indirectly, furnish special or “insider” information intended to influence prices or for the purpose of trading on any commodity or stock exchange; and that they will not become employed, directly or indirectly, by any stock exchange, board of trade or other organization or member thereof, or brokerage house or broker engaged in the buying and selling of any security or commodity. Applications shall be submitted to the Executive Committee of the Periodical Correspondents’ Association and shall be authenticated in a manner satisfactory to the Executive Committee.

2. Applicants must be employed by periodicals that regularly publish a substantial volume of news material of either general, economic, industrial, technical, cultural or trade character. The periodical must require such Washington coverage on a continuing basis and must be owned and operated independently of any government, industry, institution, association, or lobbying organization. Applicants must also be employed by a periodical that is published for profit and is supported chiefly by advertising or by subscription, or by a periodical meeting the conditions in this paragraph but published by a nonprofit organization that, first, operates independently of any government, industry, or institution and, second, does not engage, directly or indirectly, in any lobbying or other activity intended to influence any matter before Congress or before any independent agency or any department or other instrumentality of the Executive Branch. House organs are not eligible.

3. Members of the families of correspondents are not entitled to the privileges of the Galleries.

4. The Executive Committee may issue temporary credentials permitting the privileges of the Galleries to individuals who meet the rules of eligibility but who may be on short term assignment or temporarily resident in Washington.

5. Under the authority of Rule 34 of the House of Representatives and of Rule 33 of the Senate, the Periodical Galleries shall be under the control of the Executive Committee, subject to the approval and supervision of the Speaker of the House of Representatives and the Senate Committee on Rules and Administration. It shall be the duty of the Executive Committee, at its discretion, to report violations of the privileges of the Galleries to the Speaker or the Senate Committee on Rules and Administration, and pending action thereon, the offending correspondent may be suspended. The Committee shall be elected at the start of each Congress by members of the Periodical Correspondents' Association, and shall consist of seven members with no more than one member from any one publishing organization. The Committee shall elect its own officers, and a majority of the Committee may fill vacancies on the Committee. The list in the Congressional Directory shall be a list only of members of the Periodical Correspondents' Association.

NEWT GINGRICH,
Speaker, House of Representatives.

JOHN WARNER,
Chairman, Senate Committee on Rules and Administration.
