Applicants shall state in writing the names of all radio stations, television stations, systems, or news-gathering organizations by which they are employed and what other occupation or employment they may have, if any. Applicants shall further declare that they are not engaged in the prosecution of claims or the promotion of legislation pending before Congress, the Departments, or the independent agencies, and that they will not become so employed without resigning from the galleries. They shall further declare that they are not employed in any legislative or executive department or independent agency of the Government, or by any foreign government or representative thereof; that they are not engaged in any lobbying activities; that they

Holders of visitors' cards who may be allowed temporary admission to the galleries must conform to all the restrictions of this paragraph.

2. It shall be prerequisite to membership that the radio station, television station, system, or news-gathering agency which the applicant represents shall certify in writing to the Radio and Television Correspondents' Galleries that the applicant conforms to the foregoing regulations.

3. The applications required by the above rule shall be authenticated in a manner that shall be satisfactory to the Executive Committee of the Radio and Television Correspondents' Galleries who shall see that the occupation of the galleries is confined to bona fide news gatherers and/or reporters of reputable standing in their business who represent radio stations, television stations, systems, or news-gathering agencies engaged primarily in serving radio stations, television stations, or systems. It shall be the duty of the Executive Committee of the Radio and Television Correspondents' Galleries to report, at its discretion, violation of the privileges of the galleries to the Speaker or to the Senate Committee on Rules and Administration, and pending action thereon, the offending individual may be suspended.

4. Persons engaged in other occupations, whose chief attention is not given to—or more than one-half of their earned income is not derived from—the gathering or reporting of news for radio stations, television stations, systems, or news-gathering agencies primarily serving radio stations or systems, shall not be entitled to admission to the Radio and Television Galleries. The Radio and Television Correspondents' List in the Congressional Directory shall be a list only of persons whose chief attention is given to or more than one-half of their earned income is derived from the gathering and reporting of news for radio stations, television stations, and systems engaged in the daily dissemination of news, and of representatives of news-gathering agencies engaged in the daily service of news to such radio stations, television stations, or systems.

5. Members of the families of correspondents are not entitled to the privileges of the galleries.

6. The Radio and Television Galleries shall be under the control of the Executive Committee of the Radio and Television Correspondents' Galleries, subject to the approval and supervision of the Speaker of the House of Representatives and the Senate Committee on Rules and Administration.
