Supplemental Report
Report Pursuant to Section 1014(c) of Public Law 93-344

This report updates Deferral No. D95-1A, which was transmitted to Congress on December 13, 1994.

This revision increases by \$18,808,000 the previous deferral of \$1,227,248,360 in the Economic support fund, resulting in a total deferral of \$1,246,056,360. This increase results from combining the International Fund for Ireland with the Economic Support Fund. The two funds were combined into a single budget account in the FY 1996 Budget because of their programmatic similarity.

JUSTIFICATION: The President is authorized by the Foreign Assistance Act of 1961, as amended, to furnish assistance to countries and organizations, on such terms and conditions as he may determine, in order to promote economic or political stability. Section 531(b) of the Act makes the Secretary of State, in cooperation with the Administrator of the Agency for International Development, responsible for policy decisions and justifications for economic support programs, including whether there will be an economic support program for a country and the amount of the program for each country.

Funds are deferred pending the development of country-specific plans that assure that aid is provided in an efficient manner and are reserved for unanticipated program needs. This action is taken pursuant to the Antideficiency Act (31 U.S.C. 1512).
