VETO OF H.R. 2099

MESSAGE

FROM

THE PRESIDENT OF THE UNITED STATES

TRANSMITTING

HIS VETO OF H.R. 2099, A BILL MAKING APPROPRIATIONS FOR THE DEPARTMENTS OF VETERANS AFFAIRS AND HOUSING AND URBAN DEVELOPMENT, AND FOR SUNDRY INDEPENDENT AGENCIES, BOARDS, COMMISSIONS, CORPORATIONS, AND OFFICES FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 1996, AND FOR OTHER PURPOSES

DECEMBER 18 (legislative day, DECEMBER 15), 1995.—Message and accompanying bill referred to the Committee on Appropriations and ordered to be printed
To the House of Representatives:

I am returning herewith without my approval H.R. 2099, the “Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1996.”

H.R. 2099 would threaten public health and the environment, end programs that are helping communities help themselves, close the door on college for thousands of young people, and leave veterans seeking medical care with fewer treatment options.

The bill includes no funds for the highly successful National Service program. If such funding were eliminated, the bill would cost nearly 50,000 young Americans the opportunity to help their community, through AmeriCorps, to address vital local needs such as health care, crime prevention, and education while earning a monetary award to help them pursue additional education or training. I will not sign any version of this appropriations bill that does not restore funds for this vital program.

This bill includes a 22 percent cut in requested funding for the Environmental Protection Agency (EPA), including a 25 percent cut in enforcement that would cripple EPA efforts to enforce laws against polluters. Particularly objectionable are the bill’s 25 percent cut in Superfund, which would continue to expose hundreds of thousands of citizens to dangerous chemicals and cuts, which would hamper efforts to train workers in hazardous waste cleanup.

In addition to severe funding cuts for EPA, the bill also includes legislative riders that were tacked onto the bill without any hearings or adequate public input, including one that would prevent EPA from exercising its authority under the Clean Water Act to prevent wetlands losses.

I am concerned about the bill’s $762 million reduction to my request for funds that would go directly to States and needy cities for clean water and drinking water needs, such as assistance to clean up Boston Harbor. I also object to cuts the Congress has made in environmental technology, the climate change action plan, and other environmental programs.

The bill would reduce funding for the Council for Environmental Quality by more than half. Such a reduction would severely hamper the Council’s ability to provide me with advice on environmental policy and carry out its responsibilities under the National Environmental Policy Act.

The bill provides no new funding for the Community Development Financial Institutions program, an important initiative for bringing credit and growth to communities long left behind.

While the bill provides spending authority for several important initiatives of the Department of Housing and Urban Development (HUD), including Community Development Block Grants, homeless assistance and the sale of HUD-owned properties, it lacks funding for others. For example, the bill provides no funds to support eco-
nomic development initiatives; it has insufficient funds for incremental rental vouchers; and it cuts nearly in half my request for tearing down the most severely distressed housing projects. Also, the bill contains harmful riders that would transfer HUD’s Fair Housing activities to the Justice Department and eliminate Federal preferences in the section 8, tenant-based program.

The bill provides less than I requested for the medical care of this Nation’s veterans. It includes significant restrictions on funding for the Secretary of Veterans Affairs that appear designed to impede him from carrying out his duties as an advocate for veterans. Further, the bill does not provide necessary funding for VA hospital construction.

For these reasons and others my Administration has conveyed to the Congress in earlier communications, I cannot accept this bill. This bill does not reflect the values that Americans hold dear. I urge the Congress to send me an appropriations bill for these important priorities that truly serves the American people.

William J. Clinton.

otherwise applicable restrictions under this Act regarding rents, income eligibility, and other areas of public housing management with respect to a portion or all of those public housing units, to the extent necessary to preserve the viability of those units while maintaining the low-income character of the units, to the maximum extent practicable.”.

FHA MULTIFAMILY DEMONSTRATION AUTHORITY

Sec. 213. (a) On and after October 1, 1995, and before October 1, 1997, the Secretary of Housing and Urban Development shall initiate a demonstration program with respect to multifamily projects whose owners agree to participate and whose mortgages are insured under the National Housing Act and that are assisted under section 8 of the United States Housing Act of 1937 and whose present section 8 rents are, in the aggregate, in excess of the fair market rent of the locality in which the project is located. These programs shall be designed to test the feasibility and desirability of the goal of ensuring, to the maximum extent practicable, that the debt service and operating expenses, including adequate reserves, attributable to such multifamily projects can be supported with or without mortgage insurance under the National Housing Act and with or without above-market rents and utilizing project-based assistance or, with the consent of the property owner, tenant-based assistance, while taking into account the need for assistance of low- and very low-income families in such projects. In carrying out this demonstration, the Secretary may use arrangements with third parties, under which the Secretary may provide for the assumption by the third parties (by delegation, contract, or otherwise) of some or all of the functions, obligations, and benefits of the Secretary.

(1) GOALS.—The Secretary of Housing and Urban Development shall carry out the demonstration programs under this section in a manner that—

(A) will protect the financial interests of the Federal Government;

(B) will result in significant discretionary cost savings through debt restructuring and subsidy reduction; and

(C) will, in the least costly fashion, address the goals of—
(i) maintaining existing housing stock in a decent, safe, and sanitary condition;
(ii) minimizing the involuntary displacement of tenants;
(iii) restructuring the mortgages of such projects in a manner that is consistent with local housing market conditions;
(iv) supporting fair housing strategies;
(v) minimizing any adverse income tax impact on property owners; and
(vi) minimizing any adverse impact on residential neighborhoods.

In determining the manner in which a mortgage is to be restructured or the subsidy reduced, the Secretary may balance competing goals relating to individual projects in a manner that will further the purposes of this section.

(2) Demonstration Approaches.—In carrying out the demonstration programs, subject to the appropriation in subsection (f), the Secretary may use one or more of the following approaches:

(A) Joint venture arrangements with third parties, under which the Secretary may provide for the assumption by the third parties (by delegation, contract, or otherwise) of some or all of the functions, obligations, and benefits of the Secretary.

(B) Subsidization of the debt service of the project to a level that can be paid by an owner receiving an unsubsidized market rent.

(C) Renewal of existing project-based assistance contracts where the Secretary shall approve proposed initial rent levels that do not exceed the greater of 120 percent of fair market rents or comparable market rents for the relevant metropolitan market area or at rent levels under a budget-based approach.

(D) Nonrenewal of expiring existing project-based assistance contracts and providing tenant-based assistance to previously assisted households.

(b) For purposes of carrying out demonstration programs under subsection (a)—

(1) the Secretary may manage and dispose of multifamily properties owned by the Secretary as of October 1, 1995 and multifamily mortgages held by the Secretary as of October 1, 1995 for properties assisted under section 8 with rents above 110 percent of fair market rents without regard to any other provision of law; and

(2) the Secretary may delegate to one or more entities the authority to carry out some or all of the functions and responsibilities of the Secretary in connection with the foreclosure of mortgages held by the Secretary under the National Housing Act.

(c) For purposes of carrying out demonstration programs under subsection (a), subject to such third party consents (if any) as are necessary including but not limited to (i) consent by the Government National Mortgage Association where it owns a mortgage insured by the Secretary; (ii) consent by an issuer under the mortgage-backed securities program of the Association, subject to the responsibilities of the issuer to its security holders and the Associa-
tion under such program; and (iii) parties to any contractual agreement which the Secretary proposes to modify or discontinue, and subject to the appropriation in subsection (c), the Secretary or one or more third parties designated by the Secretary may take the following actions:

(1) Notwithstanding any other provision of law, and subject to the agreement of the project owner, the Secretary or third party may remove, relinquish, extinguish, modify, or agree to the removal of any mortgage, regulatory agreement, project-based assistance contract, use agreement, or restriction that had been imposed or required by the Secretary, including restrictions on distributions of income which the Secretary or third party determines would interfere with the ability of the project to operate without above market rents. The Secretary or third party may require an owner of a property assisted under the section 8 new construction/substantial rehabilitation program to apply any accumulated residual receipts toward effecting the purposes of this section.

(2) Notwithstanding any other provision of law, the Secretary of Housing and Urban Development may enter into contracts to purchase reinsurance, or enter into participations or otherwise transfer economic interest in contracts of insurance or in the premiums paid, or due to be paid, on such insurance to third parties, on such terms and conditions as the Secretary may determine.

(3) The Secretary may offer project-based assistance with rents at or below fair market rents for the locality in which the project is located and may negotiate such other terms as are acceptable to the Secretary and the project owner.

(4) The Secretary may offer to pay all or a portion of the project’s debt service, including payments monthly from the appropriate Insurance Fund, for the full remaining term of the insured mortgage.

(5) Notwithstanding any other provision of law, the Secretary may forgive and cancel any FHA-insured mortgage debt that a demonstration program property cannot carry at market rents while bearing full operating costs.

(6) For demonstration program properties that cannot carry full operating costs (excluding debt service) at market rents, the Secretary may approve project-based rents sufficient to carry such full operating costs and may offer to pay the full debt service in the manner provided in paragraph (4).

(d) Community and Tenant Input.—In carrying out this section, the Secretary shall develop procedures to provide appropriate and timely notice to officials of the unit of general local government affected, the community in which the project is situated, and the tenants of the project.

(e) Limitation on Demonstration Authority.—The Secretary may carry out demonstration programs under this section with respect to mortgages not to exceed 15,000 units. The demonstration authorized under this section shall not be expanded until the reports required under subsection (g) are submitted to the Congress.

(f) Appropriation.—For the cost of modifying loans held or guaranteed by the Federal Housing Administration, as authorized by this subsection (a)(2) and subsection (c), $30,000,000, to remain available until September 30, 1997: Provided, That such costs shall
be as defined in section 502 of the Congressional Budget Act of 1974, as amended.

(g) REPORT TO CONGRESS. — The Secretary shall submit to the Congress every six months after the date of enactment of this Act a report describing and assessing the programs carried out under the demonstrations. The Secretary shall also submit a final report to the Congress not later than six months after the end of the demonstrations. The reports shall include findings and recommendations for any legislative action appropriate. The reports shall also include a description of the status of each multifamily housing project selected for the demonstrations under this section. The final report may include—

1. the size of the projects;
2. the geographic locations of the projects, by State and region;
3. the physical and financial condition of the projects;
4. the occupancy profile of the projects, including the income, family size, race, and ethnic origin of current tenants, and the rents paid by such tenants;
