SENATE RESOLUTION 59

In the Senate of the United States,

January 17 (legislative day, January 5), 1995.

Resolved, That a collection of the rules of the committees of the Senate, together with related materials, be printed as a Senate document, and that there be printed 600 additional copies of such document for the use of the Committee on Rules and Administration.

Attest:

SHEILA BURKE,
Secretary.

PREFACE

In accordance with recent practice, the Committee on Rules and Administration reported, and the Senate agreed to, Senate Resolution 59 of the 104th Congress, which provides “[t]hat a collection of the rules of the committees of the Senate, together with related materials, be printed as a Senate document....” This document, prepared pursuant to Senate Resolution 59, supersedes Senate Document No. 103–3, which reprinted committee rules for the 103d Congress.

The Rules Committee’s practice of publishing a compendium of committee rules furthers the objective reflected in Rule XXVI(2) of the Standing Rules of the Senate of providing greater access to the rules of Senate committees. Rule XXVI(2) requires each Senate committee to adopt rules to govern its procedures. Under Rule XXVI(2), committee rules may not be inconsistent with the Rules of the Senate, and must be published in the Congressional Record not later than March 1 of the first year of each Congress.

This publication requirement implements a proposal by Senator Javits, which was enacted as part of the Legislative Reorganization Act of 1970, for “giving notice to all the world as to our procedures and notifying any witness who is subpoenaed or otherwise called as to his rights.” 116 Cong. Rec. 34948 (1970). In describing the purpose of the requirement, Senator Javits stated that “[t]he public should know what the rules are of any committee which subpoenas any member of the public, with which any member of the public desires to deal, or how he goes about his relations with that committee.” *Id.* at 34950.

In section I, at pages 1–184, the provision of the standing rule or the resolution that establishes the jurisdiction or authority of each standing, special, and select committee of the Senate is reprinted, together with the committee’s rules. Persons using this compendium should be aware that committees may amend their rules during the course of a Congress. Under Standing Rule XXVI(2), “[a]ny amendment to the rules of a committee shall not take effect until the amendment is published in the Congressional Record.”

Subcommittees may also have their own supplemental rules. In this compendium, the rules of the Permanent Subcommittee on Investigations of the Committee on Governmental Affairs are reprinted at pages 116–120. It is advisable for persons having business with subcommittees to check whether they have adopted supplemental rules of procedure.

While most of the authority of committees may be found in the Senate standing rules or resolutions establishing committees, some committees have significant authority that derives from other sources that are not reprinted in this volume. For example, the Committee on Rules and Administration has authority to issue reg-

ulations or take actions under diverse statutes, rules, and resolutions regarding such matters as (1) payments for official telecommunication, travel, and, generally, contingent expenses (2 U.S.C. §§ 58(a), 58(e); *id.* § 68); (2) utilization of the franking privilege (39 U.S.C. §§ 3210(d)(5), 3216(e)(2); 3220(b)); (3) assignment of space in the Senate office buildings (40 U.S.C. §§ 20174b-1, 174d); and (4) regulation of the Senate Wing of the Capitol, including the public and press galleries (Standing Rule XXXIII).

Similarly, in addition to Senate Resolution 338 of the 88th Congress, as amended, the Select Committee on Ethics draws authority from various statutes, rules, and other resolutions. For example, the Ethics Committee has authority to administer within the Senate provisions on the receipt of foreign and other gifts to Members, officers, and employees (5 U.S.C. §§ 7342, 7353), and provisions on financial disclosure (*e.g.*, *id.* App. 6—Ethics in Government Act of 1978, title I).

Section II, at pages 185–205, sets forth statutes or concurrent resolutions creating joint committees. The statutory material that is reprinted here for several of the joint committees, such as for the Joint Committee on the Library and the Joint Committee on Printing, does not cover the full authority of those committees, which is set forth in various sections of the United States Code.

Section III, at pages 207–228, includes statutory material on the establishment and authority of several Senate or congressional entities, other than committees, whose membership consists exclusively of either senators or members drawn from both Houses. In recent years the Congress has created entities denominated as commissions, boards, or groups to manage or superintend various congressional functions. Section III does not canvass the entire universe of congressional entities. For example, other boards, whose statutory authority is not reprinted here, consist not of members but of officers of the Congress, such as the Capitol Police Board and the Capitol Guide Board. In addition, from time to time the Congress may create special entities, by statute or otherwise, to study and report on different issues.

Section IV, at pages 229–262, reprints statutes, resolutions, and standing rules of the Senate that are applicable to committee procedures and authorities. In addition to Standing Rules XXVI and XXVII on committee procedures and staff, these additional materials include provisions on oaths to witnesses, the payment of witness expenses, the criminal and civil enforcement of Senate subpoenas, immunity for witnesses, the crimes of perjury, false statement, and obstruction of congressional proceedings, obtaining tax return information, the preservation and disclosure of Senate records, and the authorization of testimony.

Sections V and VI compile additional significant authorities governing Senate procedures. Section V, at pages 263–302, includes materials relating to the fair employment practices procedures applicable to the Senate under the Government Employee Rights Act of 1991, Pub. L. No. 102–166, 105 Stat. 1088. The provisions of the 1991 Act applicable to Senate employment have been repealed by the Congressional Accountability Act of 1995, Pub. L. No. 104–1, 109 Stat. 3, *codified at* 2 U.S.C. § 1301, *et seq.* which, among other things, created fair employment practices procedures applicable

throughout the Congress. However, because the initial substantive provisions of the 1995 Act do not take effect until January 23, 1996, under a savings provision in the 1995 Act, 2 U.S.C. § 1435(a), the provisions of the 1991 Act will continue in effect for claims arising prior to January 23, 1996. The relevant sections of the Government Employee Rights Act, the rules of the Office of Senate Fair Employment Practices, which govern the initiation of procedures as well as the conduct of all proceedings through adjudicatory hearings before hearing boards, and the rules of the Ethics Committee, which govern the Committee's review of hearing board decisions, are reprinted in section V.

Section VI, at pages 303–310, contains authorities relating to the consideration of tort claims against Members, officers, and employees of the Senate acting within the scope of their employment. Under the Federal Tort Claims Act, the United States is liable for money damages caused by the negligent or wrongful acts or omissions of federal officials and employees acting within the scope of the employment, including those in the legislative branch. Pursuant to the provisions of the FTCA set forth in section VI, whenever tort claims are brought against Members, officers or employees of the Senate, the Senate works with the Department of Justice to seek, where appropriate, to substitute the United States as the defendant. The FTCA also provides for the administrative adjustment of tort claims and requires that this remedy be pursued before a civil action against the United States for money damages caused by the negligence of an employee of the federal government may be initiated. In the Senate, the administrative process is governed by Senate Resolution 492, 97th Congress, the text of which is included in section VI. Senate Resolution 492 provides that administrative tort claims against Members, officers, and employees of the Senate may be considered and settled by the Sergeant at Arms, with the approval of the Committee on Rules and Administration, subject to the requirements of the FTCA.

The Committee on Rules and Administration hopes that this publication will be helpful in informing persons having business with Senate and joint committees about committee authority and procedures.

TED STEVENS, *Chairman*.

SPECIAL COMMITTEE ON AGING

Jurisdiction and Authority

*S. Res. 4, § 104, 95th Cong., 1st Sess. (1977)*¹

(a)(1) There is established a Special Committee on Aging (hereafter in this section referred to as the "special committee") which shall consist of nineteen Members. The Members and chairman of the special committee shall be appointed in the same manner and at the same time as the Members and chairman of a standing committee of the Senate. After the date on which the majority and minority Members of the special committee are initially appointed on or after the effective date of title I of the Committee System Reorganization Amendments of 1977, each time a vacancy occurs in the Membership of the special committee, the number of Members of the special committee shall be reduced by one until the number of Members of the special committee consists of nine Senators.

(2) For purposes of paragraph 1 of rule XXV; paragraphs 1, 7(a)(1)–(2), 9, and 10(a) of rule XXVI; and paragraphs 1(a)–(d), and 2 (a) and (d) of rule XXVII of the Standing Rules of the Senate; and for purposes of section 202 (i) and (j) of the Legislative Reorganization Act of 1946, the special committee shall be treated as a standing committee of the Senate.

(b)(1) It shall be the duty of the special committee to conduct a continuing study of any and all matters pertaining to problems and opportunities of older people, including, but not limited to, problems and opportunities of maintaining health, of assuring adequate income, of finding employment, of engaging in productive and rewarding activity, of securing proper housing, and, when necessary, of obtaining care or assistance. No proposed legislation shall be referred to such committee, and such committee shall not have power to report by bill, or otherwise have legislative jurisdiction.

(2) The special committee shall, from time to time (but not less often than once each year), report to the Senate the results of the study conducted pursuant to paragraph (1), together with such recommendation as it considers appropriate.

(c)(1) For the purposes of this section, the special committee is authorized, in its discretion, (A) to make investigations into any matter within its jurisdiction, (B) to make expenditures from the contingent fund of the Senate, (C) to employ personnel, (D) to hold hearings, (E) to sit and act at any time or place during the sessions, recesses, and adjourned periods of the Senate, (F) to require, by subpoena or otherwise, the attendance of witnesses and the production of correspondence, books, papers, and documents, (G) to

¹ As amended by S. Res. 78, 95th Cong., 1st Sess. (1977), S. Res. 376, 95th Cong., 2d Sess. (1978), S. Res. 274, 96th Cong., 1st Sess. (1979), S. Res. 389, 96th Cong., 2d Sess. (1980).

take depositions and other testimony, (H) to procure the service of individual consultants or organizations thereof (as authorized by section 202(i) of the Legislative Reorganization Act of 1946, as amended) and (I) with the prior consent of the Government department or agency concerned and the Committee on Rules and Administration, to use on a reimbursable basis the services of personnel of any such department or agency.

(2) The chairman of the special committee or any Member thereof may administer oaths to witnesses.

(3) Subpoenas authorized by the special committee may be issued over the signature of the chairman, or any Member of the special committee designated by the chairman, and may be served by any person designated by the chairman or the Member signing the subpoena.

(d) All records and papers of the temporary Special Committee on Aging established by Senate Resolution 33, Eighty-seventh Congress, are transferred to the special committee.

Rules of Procedure

141 Cong. Rec. S3293 (daily ed. Feb. 28, 1995)

I. CONVENING OF MEETINGS AND HEARINGS

1. MEETINGS. The Committee shall meet to conduct Committee business at the call of the Chairman.

2. SPECIAL MEETINGS. The Members of the Committee may call additional meetings as provided in Senate Rule XXVI (3).

3. NOTICE AND AGENDA:

(a) HEARINGS. The Committee shall make public announcement of the date, place, and subject matter of any hearing at least one week before its commencement.

(b) MEETINGS. The Chairman shall give the Members written notice of any Committee meeting, accompanied by an agenda enumerating the items of business to be considered, at least 5 days in advance of such meeting.

(c) SHORTENED NOTICE. A hearing or meeting may be called on not less than 24 hours notice if the Chairman, with the concurrence of the Ranking Minority Member, determines that there is good cause to begin the hearing or meeting on shortened notice. An agenda will be furnished prior to such a meeting.

4. PRESIDING OFFICER. The Chairman shall preside when present. If the Chairman is not present at any meeting or hearing, the Ranking Majority Member present shall preside. Any Member of the Committee may preside over the conduct of a hearing.

II. CLOSED SESSIONS AND CONFIDENTIAL MATERIALS

1. PROCEDURE. All meetings and hearings shall be open to the public unless closed. To close a meeting or hearing or portion thereof, a motion shall be made and seconded to go into closed discussion of whether the meeting or hearing will concern the matters enumerated in Rule II.3. Immediately after such discussion, the

meeting or hearing may be closed by a vote in open session of a majority of the Members of the Committee present.

2. WITNESS REQUEST. Any witness called for a hearing may submit a written request to the Chairman no later than twenty-four hours in advance for his examination to be in closed or open session. The Chairman shall inform the Committee of any such request.

3. CLOSED SESSION SUBJECTS. A meeting or hearing or portion thereof may be closed if the matters to be discussed concern: (1) national security; (2) Committee staff personnel or internal staff management or procedure; (3) matters tending to reflect adversely on the character or reputation or to invade the privacy of the individuals; (4) Committee investigations; (5) other matters enumerated in Senate Rule XXVI (5)(b).

4. CONFIDENTIAL MATTER. No record made of a closed session, or material declared confidential by a majority of the Committee, or report of the proceedings of a closed session, shall be made public, in whole or in part or by way of summary, unless specifically authorized by the Chairman and Ranking Minority Member.

5. BROADCASTING:

(a) CONTROL. Any meeting or hearing open to the public may be covered by television, radio, or still photography. Such coverage must be conducted in an orderly and unobtrusive manner, and the Chairman may for good cause terminate such coverage in whole or in part, or take such other action to control it as the circumstances may warrant.

(b) REQUEST. A witness may request of the Chairman, on grounds of distraction, harassment, personal safety, or physical discomfort, that during his testimony cameras, media microphones, and lights shall not be directed at him.

III. QUORUMS AND VOTING

1. REPORTING. A majority shall constitute a quorum for reporting a resolution, recommendation or report to the Senate.

2. COMMITTEE BUSINESS. A third shall constitute a quorum for the conduct of Committee business, other than a final vote on reporting, providing a minority Member is present. One Member shall constitute a quorum for the receipt of evidence, the swearing of witnesses, and the taking of testimony at hearings.

3. POLLING:

(a) SUBJECTS. The Committee may poll (1) internal Committee matters including those concerning the Committee's staff, records, and budget; (2) other Committee business which has been designated for polling at a meeting.

(b) PROCEDURE. The Chairman shall circulate polling sheets to each Member specifying the matter being polled and the time limit for completion of the poll. If any Member so requests in advance of the meeting, the matter shall be held for meeting rather than being polled. The clerk shall keep a record of polls; if the Chairman determines that the polled matter is one of the areas enumerated in Rule II.3, the record of the poll shall be confidential. Any Member may move at the Committee meeting following a poll for a vote on the polled decision.

IV. INVESTIGATIONS

1. **AUTHORIZATION FOR INVESTIGATIONS.** All investigations shall be conducted on a bipartisan basis by Committee staff. Investigations may be initiated by the Committee staff upon the approval of the Chairman and the Ranking Minority Member. Staff shall keep the Committee fully informed of the progress of continuing investigations, except where the Chairman and the Ranking Minority Member agree that there exists temporary cause for more limited knowledge.

2. **SUBPOENAS.** Subpoenas for the attendance of witnesses or the production of memoranda, documents, records, or any other materials shall be issued by the Chairman, or by any other Member of the Committee designated by him. Prior to the issuance of each subpoena, the Ranking Minority Member, and any other Member so requesting, shall be notified regarding the identity of the person to whom the subpoena will be issued and the nature of the information sought, and its relationship to the investigation.

3. **INVESTIGATIVE REPORTS.** All reports containing findings or recommendations stemming from Committee investigations shall be printed only with the approval of a majority of the Members of the Committee.

V. HEARINGS

1. **NOTICE.** Witnesses called before the Committee shall be given, absent extraordinary circumstances, at least forty-eight hours' notice, and all witnesses called shall be furnished with a copy of these rules upon request.

2. **OATH.** All witnesses who testify to matters of fact shall be sworn unless the Committee waives the oath. The Chairman, or any Member, may request and administer the oath.

3. **STATEMENT.** Any witness desiring to make an introductory statement shall file 50 copies of such statement with the Chairman or clerk of the Committee 24 hours in advance of his appearance, unless the Chairman and Ranking Minority Member determine that there is good cause for a witness's failure to do so. A witness shall be allowed no more than ten minutes to orally summarize his prepared statement.

4. **COUNSEL:**

(a) A witness's counsel shall be permitted to be present during his testimony at any public or closed hearing or depositions or staff interview to advise such witness of his rights, provided, however, that in the case of any witness who is an officer or employee of the government, or of a corporation or association, the Chairman may rule that representation by counsel from the government, corporation, or association creates a conflict of interest, and that the witness shall be represented by personal counsel not from the government, corporation, or association.

(b) A witness who is unable for economic reasons to obtain counsel may inform the Committee at least 48 hours prior to the witness's appearance, and it will endeavor to obtain volunteer counsel for the witness. Such counsel shall be subject solely to the control of the witness and not the Committee. Failure

to obtain counsel will not excuse the witness from appearing and testifying.

5. **TRANSCRIPT.** An accurate electronic or stenographic record shall be kept of the testimony of all witnesses in executive and public hearings. Any witness shall be afforded, upon request, the right to review that portion of such record, and for this purpose, a copy of a witness's testimony in public or closed session shall be provided to the witness. Upon inspecting his transcript, within a time limit set by the committee clerk, a witness may request changes in testimony to correct errors of transcription, grammatical errors, and obvious errors of fact; the Chairman or a staff officer designated by him shall rule on such request.

6. **IMPUGNED PERSONS.** Any person who believes that evidence presented, or comment made by a Member or staff, at a public hearing or at a closed hearing concerning which there have been public reports, tends to impugn his character or adversely affect his reputation may:

(a) file a sworn statement of facts relevant to the evidence or comment, which shall be placed in the hearing record;

(b) request the opportunity to appear personally before the Committee to testify in his own behalf; and

(c) submit questions in writing which he requests be used for the cross-examination of other witnesses called by the Committee. The Chairman shall inform the Committee of such requests for appearance or cross-examination. If the Committee so decides, the requested questions, or paraphrased versions or portions of them, shall be put to the other witness by a Member or by staff.

7. **MINORITY WITNESSES.** Whenever any hearing is conducted by the Committee, the minority on the Committee shall be entitled, upon request made by a majority of the minority Members to the Chairman, to call witnesses selected by the minority to testify or produce documents with respect to the measure or matter under consideration during at least one day of the hearing. Such request must be made before the completion of the hearing or, if subpoenas are required to call the minority witnesses, no later than three days before the completion of the hearing.

8. **CONDUCT OF WITNESSES, COUNSEL AND MEMBERS OF THE AUDIENCE.** If, during public or executive sessions, a witness, his counsel, or any spectator conducts himself in such a manner as to prevent, impede, disrupt, obstruct, or interfere with the orderly administration of such hearing the Chairman or presiding Member of the Committee present during such hearing may request the Sergeant at Arms of the Senate, his representative or any law enforcement official to eject said person from the hearing room.

VI. DEPOSITIONS AND COMMISSIONS

1. **NOTICE.** Notices for the taking of depositions in an investigation authorized by the Committee shall be authorized and issued by the Chairman or by a staff officer designated by him. Such notices shall specify a time and place for examination, and the name of the staff officer or officers who will take the deposition. Unless otherwise specified, the deposition shall be in private. The Commit-

tee shall not initiate procedures leading to criminal or civil enforcement proceedings for a witness's failure to appear unless the deposition notice was accompanied by a Committee subpoena.

3. PROCEDURE. Witnesses shall be examined upon oath administered by an individual authorized by local law to administer oaths. Questions shall be propounded orally by Committee staff. Objections by the witnesses as to the form of questions shall be noted by the record. If a witness objects to a question and refuses to testify on the basis of relevance or privilege, the Committee staff may proceed with the deposition, or may at that time or at a subsequent time, seek a ruling by telephone or otherwise on the objection from a Member of the Committee. If the Member overrules the objection, he may refer the matter to the Committee or he may order and direct the witness to answer the question, but the Committee shall not initiate the procedures leading to civil or criminal enforcement unless the witness refuses to testify after he has been ordered and directed to answer by a Member of the Committee.

4. FILING. The Committee staff shall see that the testimony is transcribed or electronically recorded. If it is transcribed, the witness shall be furnished with a copy for review. If the witness fails to return a signed copy, the staff shall note on the transcript the date a copy was provided and the failure to return it. The individual administering the oath shall certify on the transcript that the witness was duly sworn in his presence, the transcriber shall certify that the transcript is a true record to the testimony, and the transcript shall then be filed with the Committee clerk. Committee staff may stipulate with the witness to changes in this procedure; deviations from the procedure which do not substantially impair the reliability of the record shall not relieve the witness from his obligation to testify truthfully.

5. COMMISSIONS. The Committee may authorize the staff, by issuance of commissions, to fill in prepared subpoenas, conduct field hearings, inspect locations, facilities, or systems of records, or otherwise act on behalf of the Committee. Commissions shall be accompanied by instructions from the Committee regulating their use.

(b) Vacancies in the Membership of the Select Committee shall not affect the authority of the remaining Members to execute the functions of the committee, and shall be filled in the same manner as original appointments thereto are made.

(c)(1) A majority of the Members of the Select Committee shall constitute a quorum for the transaction of business involving complaints and allegations of misconduct, including the consideration of matters involving sworn complaints, unsworn allegations or information, resultant preliminary inquiries, initial reviews, investigations, hearings, recommendations or reports and matters relating to Senate Resolution 400, agreed to May 19, 1976.

For purposes of this subparagraph, a Member of the Select Committee and an officer of the Senate shall be deemed to supervise any officer or employee consistent with the provision of paragraph [12] of rule XXXVII of the Standing Rules of the Senate.

(2) A Member of the Select Committee may, at his discretion, disqualify himself from participating in any initial review or investigation pending before the Select Committee and the determinations and recommendations of the Select Committee with respect thereto. Notice of such disqualification shall be given in writing to the President of the Senate.

(3) Whenever any Member of the Select Committee is ineligible under paragraph (1) to participate in any initial review or investigation or disqualifies himself under paragraph (2) from participating in any initial review or investigation, another Member of the Senate shall, subject to the provisions of subsection (d), be appointed to serve as a Member of the Select Committee solely for purposes of such initial review or investigation and the determinations and recommendations of the Select Committee with respect thereto. Any Member of the Senate appointed for such purposes shall be of the same party as the Member who is ineligible or disqualifies himself.³

Sec. 2. (a) It shall be the duty of the Select Committee to—

(1) receive complaints and investigate allegations of improper conduct which may reflect upon the Senate, violations of law, violations of the Senate Code of Official Conduct⁴ and violations of rules and regulations of the Senate, relating to the conduct of individuals in the performance of their duties as Members of the Senate, or as officers or employees of the Senate, and to make appropriate findings of fact and conclusions with respect thereto;

(2) recommend to the Senate by report or resolution by a majority vote of the full committee disciplinary action (including, but not limited to, in the case of a Member: censure, expulsion, or recommendation to the appropriate party conference regarding such Member's seniority or positions of responsibility; and, in the case of an officer or employee: suspension or dismissal)⁵ to be taken with respect to such violations which the Select Committee shall determine, after according to the individuals concerned due notice and opportunity for hearing, to have occurred;

² Subsection c was amended by S. Res. 78, 97th Cong., 1st Sess. (1981).

³ Subsection d (1)–(3) was added by S. Res. 110, § 203, 95th Cong., 1st Sess. (1977).

⁴ Reference to Senate Code of Official Conduct was added by S. Res. 110, § 201, 95th Cong., 1st Sess. (1977).

⁵ Material in parentheses was added by S. Res. 110, § 205, 95th Cong., 1st Sess. (1977).

(3) recommend to the Senate, by report or resolution, such additional rules or regulations as the Select Committee shall determine to be necessary or desirable to insure proper standards of conduct by Members of the Senate, and by officers or employees of the Senate, in the performance of their duties and the discharge of their responsibilities; and

(4) report violations by a majority vote of the full committee of any law to the proper Federal and State authorities.

(b)(1) Each sworn complaint filed with the Select Committee shall be in writing, shall be in such form as the Select Committee may prescribe by regulation, and shall be under oath.

(2) For purposes of this section, "sworn complaint" means a statement of facts within the personal knowledge of the complainant alleging a violation of law, the Senate Code of Official Conduct, or any other rule or regulation of the Senate relating to the conduct of individuals in the performance of their duties as Members, officers, or employees of the Senate.

(3) Any person who knowingly and willfully swears falsely to a sworn complaint does so under penalty of perjury, and the Select Committee may refer any such case to the Attorney General for prosecution.

(4) For the purposes of this section, "investigation" is a proceeding undertaken by the Select Committee after a finding, on the basis of an initial review, that there is substantial credible evidence which provides substantial cause for the Select Committee to conclude that a violation within the jurisdiction of the Select Committee has occurred.

(c)(1) No investigation of conduct of a Member or officer of the Senate, and no report, resolution, or recommendation relating thereto, may be made unless approved by the affirmative recorded vote of not less than four Members of the Select Committee.

(2) No other resolution, report, recommendation, interpretative ruling, or advisory opinion may be made without an affirmative vote of a majority of the Members of the Select Committee voting.

(d)(1) When the Select Committee receives a sworn complaint against a Member or officer of the Senate, it shall promptly conduct an initial review of that complaint. The initial review shall be of duration and scope necessary to determine whether there is substantial credible evidence which provides substantial cause for the Select Committee to conclude that a violation within the jurisdiction of the Select Committee has occurred.

(2) If as a result of an initial review under paragraph (1), the Select Committee determines by a recorded vote that there is not such substantial credible evidence, the Select Committee shall report such determination to the complainant and to the party charged together with an explanation of the basis of such determination.

(3) If as a result of an initial review under paragraph (1), the Select Committee determines that a violation is inadvertent, technical or otherwise of a de minimis nature, the Select Committee may attempt to correct or prevent such a violation by informal methods.

(4) If as a result of an initial review under paragraph (1), the Select Committee determines that there is such substantial credible evidence but that the violation, if proven, is neither of a de minimis

nature nor sufficiently serious to justify any of the penalties expressly referred to in subsection (a)(2), the Select Committee may propose a remedy it deems appropriate. If the matter is thereby resolved, a summary of the Select Committee's conclusions and the remedy proposed shall be filed as a public record with the Secretary of the Senate and a notice of such filing shall be printed in the Congressional Record.

(5) If as the result of an initial review under paragraph (1), the Select Committee determines that there is such substantial credible evidence, the Select Committee shall promptly conduct an investigation if (A) the violation, if proven, would be sufficiently serious, in the judgment of the Select Committee, to warrant imposition of one or more of the penalties expressly referred to in subsection (a)(2), or (B) the violation, if proven, is less serious, but was not resolved pursuant to paragraph (4) above. Upon the conclusion of such investigation, the Select Committee shall report to the Senate, as soon as practicable, the results of such investigation together with its recommendations (if any) pursuant to subsection (a)(2).

(6) Upon the conclusion of any other investigation respecting the conduct of a Member or officer undertaken by the Select Committee, the Select Committee shall report to the Senate, as soon as practicable, the results of such investigation together with its recommendations (if any) pursuant to subsection (a)(2).

(e) When the Select Committee receives a sworn complaint against an employee of the Senate, it shall consider the complaint according to procedures it deems appropriate. If the Select Committee determines that the complaint is without substantial merit, it shall notify the complainant and the accused of its determination, together with an explanation of the basis of such determination.

(f) The Select Committee may, in its discretion, employ hearing examiners to hear testimony and make findings of fact and/or recommendations to the Select Committee concerning the disposition of complaints.

(g) Notwithstanding any other provision of this section, no initial review or investigation shall be made of any alleged violation of any law, the Senate Code of Official Conduct, rule, or regulation which was not in effect at the time the alleged violation occurred. No provisions of the Senate Code of Official Conduct shall apply to or require disclosure of any act, relationship, or transaction which occurred prior to the effective date of the applicable provision of the Code. The Select Committee may conduct an initial review or investigation of any alleged violation of a rule or law which was in effect prior to the enactment of the Senate Code of Official Conduct if the alleged violation occurred while such rule or law was in effect and the violation was not a matter resolved on the merits by the predecessor Select Committee.

(h) The Select Committee shall adopt written rules setting forth procedures to be used in conducting investigations of complaints.⁶

(i) The Select Committee from time to time shall transmit to the Senate its recommendation as to any legislative measures which it

⁶ Subsections b through h were added by S. Res. 110, § 202, 95th Cong., 1st Sess. (1977).

(b)(1) The Select Committee is authorized to retain and compensate counsel not employed by the Senate (or by any department or agency of the executive branch of the Government) whenever the Select Committee determines that the retention of outside counsel is necessary or appropriate for any action regarding any complaint or allegation, which, in the determination of the Select Committee is more appropriately conducted by counsel not employed by the Government of the United States as a regular employee.

(2) Any investigation conducted under section 2 shall be conducted by outside counsel as authorized in paragraph (1), unless the Select Committee determines not to use outside counsel.⁹

(c) With the prior consent of the department or agency concerned, the Select Committee may (1) utilize the services, information and facilities of any such department or agency of the Government, and (2) employ on a reimbursable basis or otherwise the services of such personnel of any such department or agency as it deems advisable. With the consent of any other committee of the Senate, or any subcommittee thereof, the Select Committee may utilize the facilities and the services of the staff of such other committee or subcommittee whenever the chairman of the Select Committee determines that such action is necessary and appropriate.

(d) Subpoenas may be issued (1) by the Select Committee or (2) by the chairman and vice chairman, acting jointly. Any such subpoena shall be signed by the chairman or the vice chairman and may be served by any person designated by such chairman or vice chairman. ¹⁰Subsection d was amended by S. Res. 312, 95th Cong., 1st Sess. (1977).

(2) The Select Committee is authorized to issue interpretative rulings explaining and clarifying the application of any law, the Code of Official Conduct, or any rule or regulation of the Senate within its jurisdiction.

(3) The Select Committee shall render an advisory opinion, in writing within a reasonable time, in response to a written request by a Member or officer of the Senate or a candidate for nomination for election, or election to the Senate, concerning the application of any law, the Senate Code of Official Conduct, or any rule or regulation of the Senate within its jurisdiction to a specific factual situation pertinent to the conduct or proposed conduct of the person seeking the advisory opinion.

(4) The Select Committee may in its discretion render an advisory opinion in writing within a reasonable time in response to a written request by any employee of the Senate concerning the application of any law, the Senate Code of Official Conduct, or any rule or regulation of the Senate within its jurisdiction to a specific factual situation pertinent to the conduct or proposed conduct of the person seeking the advisory opinion.

(6) Any advisory opinion rendered by the Select Committee under paragraphs (3) and (4) may be relied upon by (A) any person involved in the specific transaction or activity with respect to which such advisory opinion is rendered: Provided, however, that the request for such advisory opinion included a complete and accurate statement of the specific factual situation; and, (B) any person involved in any specific transaction or activity which is indistinguishable in all its material aspects from the transaction or activity with respect to which such advisory opinion is rendered.

(7) Any advisory opinion issued in response to a request under paragraph (3) or (4) shall be printed in the Congressional Record with appropriate deletions to assure the privacy of the individual concerned. The Select Committee shall, to the extent practicable, before rendering an advisory opinion, provide any interested party with an opportunity to transmit written comments to the Select Committee with respect to the request for such advisory opinion. The advisory opinions issued by the Select Committee shall be compiled, indexed, reproduced, and made available on a periodic basis.¹¹

(8) A brief description of a waiver granted under paragraph 2(c) of rule XXXIV or paragraph 1 of rule XXXV of the Standing Rules of the Senate shall be made available upon request in the Select Committee office with appropriate deletions to assure the privacy of the individual concerned.

(2) Special meetings may be held at the call of the Chairman or Vice Chairman if at least forty-eight hours notice is furnished to all Members. If all Members agree, a special meeting may be held on less than forty-eight hours notice.

(3)(A) If any Member of the Committee desires that a special meeting of the Committee be called, the Member may file in the office of the Committee a written request to the Chairman or Vice Chairman for that special meeting.

(B) Immediately upon the filing of the request the Clerk of the Committee shall notify the Chairman and Vice Chairman of the filing of the request. If, within three calendar days after

the filing of the request, the Chairman or the Vice Chairman does not call the requested special meeting, to be held within seven calendar days after the filing of the request, any three of the Members of the Committee may file their written notice in the office of the Committee that a special meeting of the Committee will be held at a specified date and hour; such special meeting may not occur until forty-eight hours after the notice is filed. The Clerk shall immediately notify all Members of the Committee of the date and hour of the special meeting. The Committee shall meet at the specified date and hour.

During the transaction of routine business any Member of the Select Committee constituting the quorum shall have the right to postpone further discussion of a pending matter until such time as a majority of the Members of the Select Committee are present.

(3) Except for an adjudicatory hearing under Rule 6 and any deposition taken outside the presence of a Member under Rule 7, one Member shall constitute a quorum for hearing testimony, provided that all Members have been given notice of the hearing and the Chairman has designated a Member of the majority Party and the Vice Chairman has designated a Member of the minority Party to be in attendance, either of whom in the absence of the other may constitute the quorum.

(e) ORDER OF BUSINESS: Questions as to the order of business and the procedure of the Committee shall in the first instance be decided by the Chairman and Vice Chairman, subject to reversal by a vote by a majority of the Committee.

(f) HEARINGS ANNOUNCEMENTS: The Committee shall make public announcement of the date, place and subject matter of any hearing to be conducted by it at least one week before the commencement of that hearing, and shall publish such announcement in the Congressional Record. If the Committee determines that there is good cause to commence a hearing at an earlier date, such notice will be given at the earliest possible time.

(g) OPEN AND CLOSED COMMITTEE MEETINGS: Meetings of the Committee shall be open to the public or closed to the public (executive session), as determined under the provisions of paragraphs

(See Rule 6 on Procedures for Conducting Hearings.)

(i) SECRECY OF EXECUTIVE TESTIMONY AND ACTION AND OF COMPLAINT PROCEEDINGS:

(1) All testimony and action taken in executive session shall be kept secret and shall not be released outside the Committee to any individual or group, whether governmental or private, without the approval of a majority of the Committee.

(2) All testimony and action relating to a sworn complaint shall be kept secret and shall not be released by the Committee to any individual or group, whether governmental or private, except the respondent, without the approval of a majority of the Committee, until such time as a report to the Senate is required under Senate Resolution 338, 88th Congress, as amended, or unless otherwise permitted under these Rules. (See Rule 9 on Procedures for Handling Committee Sensitive and Classified Materials.)

(j) RELEASE OF REPORTS TO PUBLIC: No information pertaining to, or copies of any Committee report, study, or other document which purports to express the view, findings, conclusions or recommendations of the Committee in connection with any of its activities or proceedings may be released to any individual or group whether governmental or private, without the authorization of the Committee. If either the Chairman or the Vice Chairman concludes from the report that it appears that the Member may be ineligible, the Member shall be notified in writing of the nature of the particular proceeding and the reason that it appears that the Member may be ineligible to participate in it. If the Member agrees that he or she is ineligible, the Member shall so notify the Chairman or Vice Chairman. If the Member believes that he or she is not ineligible, he or she may explain the reasons to the Chairman and Vice Chairman, and if they both agree that the Member is not ineligible, the Member shall continue to serve. But if either the Chairman or Vice Chairman continues to believe that the Member is ineligible, while the Member believes that he or she is not ineligible, the matter shall be promptly referred to the Committee. The Member shall present his or her arguments to the Committee in executive session. Any contested questions concerning a Member's eligibility shall be decided by a majority vote of the Committee, meeting in executive session, with the Member in question not participating.

(4) The President of the Senate shall be given written notice of the ineligibility or disqualification of any Member from any initial review, investigation, or other proceeding requiring the appointment of another Member in accordance with subparagraph (k)(5).

(5) Whenever a Member of the Committee is ineligible to participate in or disqualifies himself from participating in any initial review, investigation, or other substantial Committee proceeding, another Member of the Senate who is of the same party shall be appointed by the Senate in accordance with the provisions of paragraph 1 of Rule XXIV of the Standing Rules of the Senate, to serve as a Member of the Committee solely for the purposes of that proceeding.

(I) RECORDED VOTES: Any Member may require a recorded vote on any matter.

(m) PROXIES; RECORDING VOTES OF ABSENT MEMBERS:

(1) Proxy voting shall not be allowed when the question before the Committee is the initiation or continuation of an initial review or an investigation, or the issuance of a report or recommendation related thereto concerning a Member or officer of the Senate. In any such case an absent Member's vote may be announced solely for the purpose of recording the Member's position and such announced votes shall not be counted for or against the motion.

(2) On matters other than matters listed in paragraph (m)(1) above, the Committee may order that the record be held open for the vote of absentees or recorded proxy votes if the absent Committee Member has been informed of the matter on which the vote occurs and has affirmatively requested the Chairman or Vice Chairman in writing that he be so recorded.

(3) All proxies shall be in writing, and shall be delivered to the Chairman or Vice Chairman to be recorded.

(4) Proxies shall not be considered for the purpose of establishing a quorum.

(o) COMMITTEE USE OF SERVICES OR EMPLOYEES OF OTHER AGENCIES AND DEPARTMENTS: With the prior consent of the department or agency involved, the Committee may (1) utilize the services, information, or facilities of any such department or agency of the Government, and (2) employ on a reimbursable basis or otherwise the services of such personnel of any such department or agency as it deems advisable. With the consent of any other committee of the Senate, or any subcommittee, the Committee may utilize the facilities and the services of the staff of such other committee or subcommittee whenever the Chairman and Vice Chairman of the Committee, acting jointly, determine that such action is necessary and appropriate.

RULE 2: PROCEDURES FOR SWORN COMPLAINTS

(a) SWORN COMPLAINTS: Any person may file a sworn complaint with the Committee, alleging that any Senator, or officer, or employee of the Senate has violated a law, the Senate Code of Official Conduct, or any rule or regulation of the Senate relating to the con-

duct of any individual in the performance of his or her duty as a Member, officer, or employee of the Senate, or has engaged in improper conduct which may reflect upon the Senate.

(b) FORM AND CONTENT OF COMPLAINTS: A complaint filed under paragraph (a) shall be in writing and under oath, and shall set forth in simple, concise and direct statements:

(1) The name and legal address of the party filing the complaint (hereinafter, the complainant);

(2) The name and position or title of each Member, officer, or employee of the Senate who is specifically alleged to have engaged in the improper conduct or committed the violation (hereinafter, the respondent);

(3) The nature of the alleged improper conduct or violation, including, if possible, the specific provision of the Senate Code of Official Conduct or other law, rule, or regulation alleged to have been violated.

(4)(A) A statement of the facts within the personal knowledge of the complainant that are alleged to constitute the improper conduct or violation.

(B) The term "personal knowledge" is not intended to and does not limit the complainant's statement to situations that he or she personally witnessed or to activities in which the complainant was a participant.

(C) Where allegations in the sworn complaint are made upon the information and belief of the complainant, the complaint shall so state, and shall set forth the basis for such information and belief.

(5) The complainant must swear that all of the information contained in the complaint either (a) is true, or (b) was obtained under circumstances such that the complainant has sufficient personal knowledge of the source of the information reasonably to believe that it is true. The complainant may so swear either by oath or by solemn affirmation before a notary public or other authorized official.

(6) All documents in the possession of the complainant relevant to or in support of his or her allegations may be appended to the complaint.

(c) PROCESSING OF SWORN COMPLAINTS:

(1) When the Committee receives a sworn complaint against a Member, officer or employee of the Senate, it shall determine by majority vote whether the complaint is in substantial compliance with paragraph (b) of this rule.

(2) If it is determined by the Committee that a sworn complaint does not substantially comply with the requirements of paragraph (b), the complaint shall be returned promptly to the complainant, with a statement explaining how the complaint fails to comply and a copy of the rules for filing sworn complaints. The complainant may resubmit the complaint in the proper form. If the complaint is not revised so that it substantially complies with the stated requirements, the Committee may in its discretion process the complaint in accordance with Rule 3.

(3) A sworn complaint against any Member, officer, or employee of the Senate that is determined by the Committee to

be in substantial compliance shall be transmitted to the respondent within five days of that determination. The transmittal notice shall include the date upon which the complaint, was received, a statement that the complaint conforms to the applicable rules, a statement that the Committee will immediately begin an initial review of the complaint, and a statement inviting the respondent to provide any information relevant to the complaint to the Committee. A copy of the Rules of the Committee shall be supplied with the notice.

RULE 3: PROCEDURES ON RECEIPT OF ALLEGATIONS OTHER THAN A SWORN COMPLAINT; PRELIMINARY INQUIRY

(a) UNSWORN ALLEGATIONS OR INFORMATION: Any Member or staff Member of the Committee shall report to the Committee, and any other person may report to the Committee, any credible information available to him or her that indicates that any named or unnamed Member, officer or employee of the Senate may have—

- (1) violated the Senate Code of Official Conduct;
- (2) violated a law;
- (3) violated any rule or regulation of the Senate relating to the conduct of individuals in the performance of their duties as Members, officers, or employees of the Senate; or
- (4) engaged in improper conduct which may reflect upon the Senate. Such allegations or information may be reported to the Chairman, the Vice Chairman, a Committee Member, or a Committee staff Member.

(b) SOURCES OF UNSWORN ALLEGATIONS OR INFORMATION: The information to be reported to the Committee under paragraph (a), may be obtained from a variety of sources, including but not limited to the following:

- (1) sworn complaints that do not satisfy all of the requirements of Rule 2;
- (2) anonymous or informal complaints, whether or not satisfying the requirements of Rule 2;
- (3) information developed during a study or inquiry by the Committee or other committees or subcommittees of the Senate, including information obtained in connection with legislative or general oversight hearings;
- (4) information reported by the news media; or
- (5) information obtained from any individual, agency or department of the executive branch of the Federal Government.

(c) PRELIMINARY INQUIRY:

(1) When information is presented to the Committee pursuant to paragraph (a), it shall immediately be transmitted to the Chairman and the Vice Chairman, for one of the following actions:

(A) The Chairman and Vice Chairman, acting jointly, may conduct or may direct the Committee staff to conduct, a preliminary inquiry.

(B) The Chairman and Vice Chairman, acting jointly, may present the allegations or information received directly to the Committee for it to determine whether an initial review should be undertaken. (See paragraph (d).)

(2) A preliminary inquiry may include any inquiries, interviews, sworn statements, depositions, and subpoenas that the Chairman and Vice Chairman deem appropriate to obtain information upon which to make any determination provided for by this Rule.

(3) At the conclusion of a preliminary inquiry, the Chairman and Vice Chairman shall receive a full report of its findings. The Chairman and Vice Chairman, acting jointly, shall then determine what further action, if any, is appropriate in the particular case, including any of the following:

(A) No further action is appropriate, because the alleged improper conduct or violation is clearly not within the jurisdiction of the Committee;

(B) No further action is appropriate, because there is no reason to believe that the alleged improper conduct or violation may have occurred; or

(C) The unsworn allegations or information, and a report on the preliminary inquiry, should be referred to the Committee, to determine whether an initial review should be undertaken. (See paragraph (d).)

(4) If the Chairman and the Vice Chairman are unable to agree on a determination at the conclusion of a preliminary inquiry, then they shall refer the allegations or information to the Committee, with a report on the preliminary inquiry, for the Committee to determine whether an initial review should be undertaken. (See paragraph (d).)

(5) A preliminary inquiry shall be completed within sixty days after the unsworn allegations or information were received by the Chairman and Vice Chairman. The sixty day period may be extended for a specified period by the Chairman and Vice Chairman, acting jointly. A preliminary inquiry is completed when the Chairman and the Vice Chairman have made the determination required by subparagraphs (3) and (4) of this paragraph.

(d) DETERMINATION WHETHER TO CONDUCT AN INITIAL REVIEW: When information or allegations are presented to the Committee by the Chairman and the Vice Chairman, the Committee shall determine whether an initial review should be undertaken.

(1) An initial review shall be undertaken when—

(A) there is reason to believe on the basis of the information before the Committee that the possible improper conduct or violation may be within the jurisdiction of the Committee; and

(B) there is reason to believe on the basis of the information before the Committee that the improper conduct or violation may have occurred.

(2) The determination whether to undertake an initial review shall be made by recorded vote within thirty days following the Committee's receipt of the unsworn allegations or information from the Chairman or Vice Chairman, or at the first meeting of the Committee thereafter if none occurs within thirty days, unless this time is extended for a specified period by the Committee.

(3) The Committee may determine that an initial review is not warranted because (a) there is no reason to believe on the basis of the information before the Committee that the improper conduct or violation may have occurred, or (b) the improper conduct or violation, even if proven, is not within the jurisdiction of the Committee.

(A) If the Committee determines that an initial review is not warranted, it shall promptly notify the complainant, if any, and any known respondent.

(B) If there is a complainant, he or she may also be invited to submit additional information, and notified of the procedures for filing a sworn complaint. If the complainant later provides additional information, not in the form of a sworn complaint, it shall be handled as a new allegation in accordance with the procedures of Rule 3. If he or she submits a sworn complaint, it shall be handled in accordance with Rule 2.

(4)(A) The Committee may determine that there is reason to believe on the basis of the information before it that the improper conduct or violation may have occurred and may be within the jurisdiction of the Committee, and that an initial review must therefore be conducted.

(B) If the Committee determines that an initial review will be conducted, it shall promptly notify the complainant, if any, and the respondent, if any.

(C) The notice required under subparagraph (B) shall include a general statement of the information or allegations before the Committee and a statement that the Committee will immediately begin an initial review of the complaint. A copy of the Rules of the Committee shall be supplied with the notice.

(5) If a Member of the Committee believes that the preliminary inquiry has provided sufficient information for the Committee to determine whether there is substantial credible evidence which provides substantial cause for the Committee to conclude that a violation within the jurisdiction of the Committee has occurred, the Member may move that the Committee dispense with the initial review and move directly to the determinations described in Rule 4(f). The Committee may adopt such a motion by majority vote of the full Committee.

RULE 4: PROCEDURES FOR CONDUCTING AN INITIAL REVIEW

(a) BASIS FOR INITIAL REVIEW: The Committee shall promptly commence an initial review whenever it has received either (1) a sworn complaint that the Committee has determined is in substantial compliance with the requirements of Rule 2, or (2) unsworn allegations or information that have caused the Committee to determine in accordance with Rule 3 that an initial review must be conducted.

(b) SCOPE OF INITIAL REVIEW:

(1) The initial review shall be of such duration and scope as may be necessary to determine whether there is substantial credible evidence which provides substantial cause for the

Committee to conclude that a violation within the jurisdiction of the Committee has occurred.

(2) An initial review may include any inquiries, interviews, sworn statements, depositions, and subpoenas that the Committee deems appropriate to obtain information upon which to make any determination provided for by this Rule.

(c) OPPORTUNITY FOR RESPONSE: An initial review may include an opportunity for any known respondent or his designated representative, to present either a written or oral statement, or to respond orally to questions from the Committee. Such an oral statement or answers shall be transcribed and signed by the person providing the statement or answers.

(d) STATUS REPORTS: The Committee staff or outside counsel shall periodically report to the Committee in the form and according to the schedule prescribed by the Committee. The reports shall be confidential.

(e) FINAL REPORT: When the initial review is completed, the staff or outside counsel shall make a confidential report to the Committee on findings and recommendations.

(f) COMMITTEE ACTION: As soon as practicable following submission of the report on the initial review, the Committee shall determine by a recorded vote whether there is substantial credible evidence which provides substantial cause for the Committee to conclude that a violation within the jurisdiction of the Committee has occurred. The Committee may make any of the following determinations:

(1) The Committee may determine that there is not such substantial credible evidence. In this case, the Committee shall report its determination to the complainant, if any, and to the respondent, together with an explanation of the basis for the determination. The explanation may be as detailed as the Committee desires, but it is not required to include a complete discussion of the evidence collected in the initial review.

(2) The Committee may determine that there is such substantial credible evidence, but that the alleged violation is inadvertent, technical, or otherwise of a de minimis nature. In this case, the Committee may attempt to correct or to prevent such violation by informal methods. The Committee's final determination in this matter shall be reported to the complainant, if any, and to the respondent, if any.

(3) The Committee may determine that there is such substantial credible evidence, but that the alleged violation, if proven, although not of a de minimis nature, would not be sufficiently serious to justify the severe disciplinary actions specified in Senate Resolution 338, 88th Congress, as amended (i.e., for a Member, censure, expulsion, or recommendation to the appropriate party conference regarding the Member's seniority or positions of responsibility; or for an officer or employee, suspension or dismissal). In this case, the Committee, by the recorded affirmative vote of at least four Members, may propose a remedy that it deems appropriate. If the respondent agrees to the proposed remedy, a summary of the Committee's conclusions and the remedy proposed and agreed to shall be filed as

a public record with the Secretary of the Senate and a notice of the filing shall be printed in the Congressional Record.

(4) The Committee may determine, by recorded affirmative vote of at least four Members, that there is such substantial credible evidence, and also either:

(A) that the violation, if proved, would be sufficiently serious to warrant imposition of one of the severe disciplinary actions listed in paragraph (3); or

(B) that the violation, if proven, is less serious, but was not resolved pursuant to the procedure in paragraph (3). In either case, the Committee shall order that an investigation promptly be conducted in accordance with Rule 5.

RULE 5: PROCEDURES FOR CONDUCTING AN INVESTIGATION

(a) DEFINITION OF INVESTIGATION: An "investigation" is a proceeding undertaken by the Committee, by recorded affirmative vote of at least four Members, after a finding on the basis of an initial review that there is substantial credible evidence which provides substantial cause for the Committee to conclude that a violation within its jurisdiction has occurred.

(b) SCOPE OF INVESTIGATION: When the Committee decides to conduct an investigation, it shall be of such duration and scope as is necessary for the Committee to determine whether a violation within its jurisdiction has occurred. In the course of the investigation, designated outside counsel, or if the Committee determines not to use outside counsel, the Committee or its staff, may conduct inquiries or interviews, take sworn statements, use compulsory process as described in Rule 7, or take any other actions that the Committee deems appropriate to secure the evidence necessary to make this determination.

(c) NOTICE TO RESPONDENT: The Committee shall give written notice to any known respondent who is the subject of an investigation. The notice shall be sent to the respondent no later than five working days after the Committee has voted to conduct an investigation. The notice shall include a statement of the nature of the possible violation, and a description of the evidence indicating that a possible violation occurred. The Committee shall offer the respondent an opportunity to present a statement or to respond to questions from Members of the Committee, the Committee staff, or outside counsel.

(d) RIGHT TO A HEARING: The Committee shall accord a respondent an opportunity for a hearing before it recommends disciplinary action against that respondent to the Senate.

(e) PROGRESS REPORTS TO COMMITTEE: The Committee staff or outside counsel shall periodically report to the Committee concerning the progress of the investigation. Such reports shall be delivered to the Committee in the form and according to the schedule prescribed by the Committee, and shall be confidential.

(f) REPORT OF INVESTIGATION:

(1) Upon completion of an investigation, including any hearings held pursuant to Rule 6, the outside counsel or the staff shall submit a confidential written report to the Committee, which shall detail the factual findings of the investigation and

which may recommend disciplinary action, if appropriate. Findings of fact of the investigation shall be detailed in this report whether or not disciplinary action is recommended.

(2) The Committee shall consider the report of the staff or outside counsel promptly following its submission. The Committee shall prepare and submit a report to the Senate, including a recommendation to the Senate concerning disciplinary action, if appropriate. A report shall be issued, stating in detail the Committee's findings of fact, whether or not disciplinary action is recommended. The report shall also explain fully the reasons underlying the Committee's recommendation concerning disciplinary action, if any. No recommendation or resolution of the Committee concerning the investigation of a Member, officer or employee of the Senate may be approved except by the affirmative recorded vote of not less than four Members of the Committee.

(3) Promptly, after the conclusion of the investigation, the Committee's report and recommendation shall be forwarded to the Secretary of the Senate, and a copy shall be provided to the complainant and the respondent. The full report and recommendation shall be printed and made public, unless the Committee determines by majority vote that it should remain confidential.

RULE 6: PROCEDURES FOR HEARINGS

(a) **RIGHT TO HEARING:** The Committee may hold a public or executive hearing in any inquiry, initial review, investigation, or other proceeding. The Committee shall accord a respondent an opportunity for a hearing before it recommends disciplinary action against that respondent to the Senate. (See Rule 5(d).)

(b) **NON-PUBLIC HEARINGS:** The Committee may at any time during a hearing determine in accordance with paragraph 5(b) of Rule XXVI of the Standing Rules of the Senate whether to receive the testimony of specific witnesses in executive session. If a witness desires to express a preference for testifying in public or in executive session, he or she shall so notify the Committee at least five days before he or she is scheduled to testify.

(c) **ADJUDICATORY HEARINGS:** The Committee may, by majority vote, designate any public or executive hearing as an adjudicatory hearing; and, any hearing which is concerned with possible disciplinary action against a respondent or respondents designated by the Committee shall be an adjudicatory hearing. In any adjudicatory hearing, the procedures described in paragraph (j) shall apply.

(d) **SUBPOENA POWER:** The Committee may require, by subpoena or otherwise, the attendance and testimony of such witnesses and the production of such correspondence, books, papers, documents or other articles as it deems advisable. (See Rule 7.)

(e) **NOTICE OF HEARINGS:** The Committee shall make public an announcement of the date, place, and subject matter of any hearing to be conducted by it, in accordance with Rule 1(f).

(f) **PRESIDING OFFICER:** The Chairman shall preside over the hearings, or in his absence the Vice Chairman. If the Vice Chairman is also absent, a Committee Member designated by the Chair-

man shall preside. If an oath or affirmation is required, it shall be administered to a witness by the Presiding Officer, or in his absence, by any Committee Member.

(g) WITNESSES:

(1) A subpoena or other request to testify shall be served on a witness sufficiently in advance of his or her scheduled appearance to allow the witness a reasonable period of time, as determined by the Committee, to prepare for the hearing and to employ counsel if desired.

(2) The Committee may, by majority vote, rule that no Member of the Committee or staff or outside counsel shall make public the name of any witness subpoenaed by the Committee before the date of that witness' scheduled appearance, except as specifically authorized by the Chairman and Vice Chairman, acting jointly.

(3) Any witness desiring to read a prepared or written statement in executive or public hearings shall file a copy of such statement with the Committee at least two working days in advance of the hearing at which the statement is to be presented. The Chairman and Vice Chairman shall determine whether such statements may be read or placed in the record of the hearing.

(4) Insofar as practicable, each witness shall be permitted to present a brief oral opening statement, if he or she desires to do so.

(h) RIGHT TO TESTIFY: Any person whose name is mentioned or who is specifically identified or otherwise referred to in testimony or in statements made by a Committee Member, staff Member or outside counsel, or any witness, and who reasonably believes that the statement tends to adversely affect his or her reputation may—

(1) Request to appear personally before the Committee to testify in his or her own behalf; or

(2) File a sworn statement of facts relevant to the testimony or other evidence or statement of which he or she complained. Such request and such statement shall be submitted to the Committee for its consideration and action.

(i) CONDUCT OF WITNESSES AND OTHER ATTENDEES: The Presiding Officer may punish any breaches of order and decorum by censure and exclusion from the hearings. The Committee, by majority vote, may recommend to the Senate that the offender be cited for contempt of Congress.

(j) ADJUDICATORY HEARING PROCEDURES:

(1) NOTICE OF HEARINGS: A copy of the public announcement of an adjudicatory hearing, required by paragraph (e), shall be furnished together with a copy of these Rules to all witnesses at the time that they are subpoenaed or otherwise summoned to testify.

(2) PREPARATION FOR ADJUDICATORY HEARINGS:

(A) At least five working days prior to the commencement of an adjudicatory hearing, the Committee shall provide the following information and documents to the respondent, if any:

(i) a list of proposed witnesses to be called at the hearing;

(ii) copies of all documents expected to be introduced as exhibits at the hearing; and

(iii) a brief statement as to the nature of the testimony expected to be given by each witness to be called at the hearing.

(B) At least two working days prior to the commencement of an adjudicatory hearing, the respondent, if any, shall provide the information and documents described in divisions (i), (ii) and (iii) of subparagraph (A) to the Committee.

(C) At the discretion of the Committee, the information and documents to be exchanged under this paragraph shall be subject to an appropriate agreement limiting access and disclosure.

(D) If a respondent refuses to provide the information and documents to the Committee (see (A) and (B) of this subparagraph), or if a respondent or other individual violates an agreement limiting access and disclosure, the Committee, by majority vote, may recommend to the Senate that the offender be cited for contempt of Congress.

(3) SWEARING OF WITNESSES: All witnesses who testify at adjudicatory hearings shall be sworn unless the Presiding Officer, for good cause, decides that a witness does not have to be sworn.

(4) RIGHT TO COUNSEL: Any witness at an adjudicatory hearing may be accompanied by counsel of his or her own choosing, who shall be permitted to advise the witness of his or her legal rights during the testimony.

(5) RIGHT TO CROSS-EXAMINE AND CALL WITNESSES:

(A) In adjudicatory hearings, any respondent who is the subject of an investigation, and any other person who obtains the permission of the Committee, may personally or through counsel cross-examine witnesses called by the Committee and may call witnesses in his or her own behalf.

(B) A respondent may apply to the Committee for the issuance of subpoenas for the appearance of witnesses or the production of documents on his or her behalf. An application shall be approved upon a concise showing by the respondent that the proposed testimony or evidence is relevant and appropriate, as determined by the Chairman and Vice Chairman.

(C) With respect to witnesses called by a respondent, or other individual given permission by the Committee, each such witness shall first be examined by the party who called the witness or by that party's counsel.

(D) At least one working day before a witness' scheduled appearance, a witness or a witness' counsel may submit to the Committee written questions proposed to be asked of that witness. If the Committee determines that it is necessary, such questions may be asked by any Member of the Committee, or by any Committee staff Member if directed by a Committee Member. The witness or witness' counsel may also submit additional sworn testimony for the record

within twenty-four hours after the last day that the witness has testified. The insertion of such testimony in that day's record is subject to the approval of the Chairman and Vice Chairman acting jointly within five days after the testimony is received.

(6) ADMISSIBILITY OF EVIDENCE:

(A) The object of the hearing shall be to ascertain the truth. Any evidence that may be relevant and probative shall be admissible unless privileged under the Federal Rules of Evidence. Rules of evidence shall not be applied strictly, but the Presiding Officer shall exclude irrelevant or unduly repetitious testimony. Objections going only to the weight that should be given evidence will not justify its exclusion.

(B) The Presiding Officer shall rule upon any question of the admissibility of testimony or other evidence presented to the Committee. Such rulings shall be final unless reversed or modified by a majority vote of the Committee before the recess of that day's hearings.

(C) Notwithstanding paragraphs (A) and (B), in any matter before the Committee involving allegations of sexual discrimination, including sexual harassment, or sexual misconduct, by a Member, officer, or employee within the jurisdiction of the Committee, the Committee shall be guided by the standards and procedures of Rule 412 of the Federal Rules of Evidence, except that the Committee may admit evidence subject to the provisions of this paragraph only upon a determination of a majority of the Members of the full Committee that the interests of justice require that such evidence be admitted.

(7) SUPPLEMENTARY HEARING PROCEDURES: The Committee may adopt any additional special hearing procedures that it deems necessary or appropriate to a particular adjudicatory hearing. Copies of such supplementary procedures shall be furnished to witnesses and respondents, and shall be made available upon request to any Member of the public.

(k) TRANSCRIPTS:

(1) An accurate stenographic or recorded transcript shall be made of all public and executive hearings. Any Member of the Committee, Committee staff Member, outside counsel retained by the Committee, or witness may examine a copy of the transcript retained by the Committee of his or her own remarks and may suggest to the official reporter any typographical or transcription errors. If the reporter declines to make the requested corrections, the Member, staff Member, outside counsel or witness may request a ruling by the Chairman and Vice Chairman, acting jointly. Any Member or witness shall return the transcript with suggested corrections to the Committee offices within five working days after receipt of the transcript, or as soon thereafter as is practicable. If the testimony was given in executive session, the Member or witness may only inspect the transcript at a location determined by the Chairman and Vice Chairman, acting jointly. Any questions arising with re-

spect to the processing and correction of transcripts shall be decided by the Chairman and Vice Chairman, acting jointly.

(2) Except for the record of a hearing which is closed to the public, each transcript shall be printed as soon as is practicable after receipt of the corrected version. The Chairman and Vice Chairman, acting jointly, may order the transcript of a hearing to be printed without the corrections of a Member or witness if they determine that such Member or witness has been afforded a reasonable time to correct such transcript and such transcript has not been returned within such time.

(3) The Committee shall furnish each witness, at no cost, one transcript copy of that witness' testimony given at a public hearing. If the testimony was given in executive session, then a transcript copy shall be provided upon request, subject to appropriate conditions and restrictions prescribed by the Chairman and Vice Chairman. If any individual violates such conditions and restrictions, the Committee may recommend by majority vote that he or she be cited for contempt of Congress.

RULE 7: SUBPOENAS AND DEPOSITIONS

(a) SUBPOENAS:

(1) AUTHORIZATION FOR ISSUANCE: Subpoenas for the attendance and testimony of witnesses at depositions or hearings, and subpoenas for the production of documents and tangible things at depositions, hearings, or other times and places designated therein, may be authorized for issuance by either (A) a majority vote of the Committee, or (B) the Chairman and Vice Chairman, acting jointly, at any time before a preliminary inquiry, for the purpose of obtaining information to evaluate unsworn allegations or information, or at any time during a preliminary inquiry, initial review, investigation, or other proceeding.

(2) SIGNATURE AND SERVICE: All subpoenas shall be signed by the Chairman or the Vice Chairman and may be served by any person eighteen years of age or older, who is designated by the Chairman or Vice Chairman. Each subpoena shall be served with a copy of the Rules of the Committee and a brief statement of the purpose of the Committee's proceeding.

(3) WITHDRAWAL OF SUBPOENA: The Committee, by majority vote, may withdraw any subpoena authorized for issuance by it or authorized for issuance by the Chairman and Vice Chairman, acting jointly. Depositions may be taken at any time before a preliminary inquiry, for the purpose of obtaining information to evaluate unsworn allegations or information, or at any time during a preliminary inquiry, initial review, investigation, or other proceeding. Deposition notices shall specify a time and place for examination. Unless otherwise specified, the deposition shall be in private, and the testimony taken and documents produced shall be deemed for the purpose of these rules to have been received in a closed or executive session of the Committee. The Committee shall not initiate procedures leading to criminal or civil enforcement proceedings for a witness's failure to appear, or to testify, or to produce documents, unless the deposition notice was accompanied by a subpoena authorized for issuance by the Committee, or the Chairman and Vice Chairman, acting jointly.

(3) **COUNSEL AT DEPOSITIONS:** Witnesses may be accompanied at a deposition by counsel to advise them of their rights.

(4) **DEPOSITION PROCEDURE:** Witnesses at depositions shall be examined upon oath administered by an individual authorized by law to administer oaths, or administered by any Member of the Committee if one is present. Questions may be propounded by any person or persons who are authorized to take depositions for the Committee. If a witness objects to a question and refuses to testify, or refuses to produce a document, any Member of the Committee who is present may rule on the objection and, if the objection is overruled, direct the witness to answer the question or produce the document. If no Member of the Committee is present, the individual who has been designated by the Chairman and Vice Chairman, acting jointly, to take the deposition may proceed with the deposition, or may, at that time or at a subsequent time, seek a ruling by telephone or otherwise on the objection from the Chairman or Vice Chairman of the Committee, who may refer the matter to the Committee or rule on the objection. If the Chairman or Vice Chairman, or the Committee upon referral, overrules the objection, the Chairman, Vice Chairman, or the Committee as the case may be, may direct the witness to answer the question or produce the document. The Committee shall not initiate procedures leading to civil or criminal enforcement unless the witness refuses to testify or produce documents after having been directed to do so.

(5) **FILING OF DEPOSITIONS:** Deposition testimony shall be transcribed or electronically recorded. If the deposition is transcribed, the individual administering the oath shall certify on the transcript that the witness was duly sworn in his or her presence and the transcriber shall certify that the transcript is a true record of the testimony. The transcript with these certifications shall be filed with the chief clerk of the Committee,

and the witness shall be furnished with access to a copy at the Committee's offices for review. Upon inspecting the transcript, within a time limit set by the Chairman and Vice Chairman, acting jointly, a witness may request in writing changes in the transcript to correct errors in transcription. The witness may also bring to the attention of the Committee errors of fact in the witness's testimony by submitting a sworn statement about those facts with a request that it be attached to the transcript. The Chairman and Vice Chairman, acting jointly, may rule on the witness's request, and the changes or attachments allowed shall be certified by the Committee's chief clerk. If the witness fails to make any request under this paragraph within the time limit set, this fact shall be noted by the Committee's chief clerk. Any person authorized by the Committee may stipulate with the witness to changes in this procedure.

RULE 8: VIOLATIONS OF LAW; PERJURY; LEGISLATIVE RECOMMENDATIONS; AND APPLICABLE RULES AND STANDARDS OF CONDUCT

(c) **LEGISLATIVE RECOMMENDATIONS:** The Committee shall recommend to the Senate by report or resolution such additional rules, regulations, or other legislative measures as it determines to be necessary or desirable to ensure proper standards of conduct by Members, officers, or employees of the Senate. The Committee may conduct such inquiries as it deems necessary to prepare such a report or resolution, including the holding of hearings in public or executive session and the use of subpoenas to compel the attendance of witnesses or the production of materials. The Committee may make legislative recommendations as a result of its findings in an initial review, investigation, or other proceeding.

(d) **APPLICABLE RULES AND STANDARDS OF CONDUCT:**

(1) No initial review or investigation shall be made of an alleged violation of any law, rule, regulation, or provision of the Senate Code of Official Conduct which was not in effect at the time the alleged violation occurred. No provision of the Senate Code of Official Conduct shall apply to, or require disclosure of any act, relationship, or transaction which occurred prior to the effective date of the applicable provision of the Code.

(2) The Committee may conduct an initial review or investigation of an alleged violation of a rule or law which was in effect prior to the enactment of the Senate Code of Official Conduct if the alleged violation occurred while such rule or law was in effect and the violation was not a matter resolved on the merits by the predecessor Committee.

RULE 12. ANNOUNCEMENT OF HEARINGS.—The committee shall undertake consistent with the provisions of paragraph 4(a) of Rule XXVI of the Standing Rules of the Senate (relating to public notice of committee hearings) to issue public announcements of hearings it intends to hold at least one week prior to the commencement of such hearings.

RULE 13. WITNESSES AT HEARINGS.—(a) Each witness who is scheduled to testify at any hearing must submit his written testimony to the staff director not later than noon of the business day immediately before the last business day preceding the day on which he is scheduled to appear. Such written testimony shall be accompanied by a brief summary of the principal points covered in the written testimony. Having submitted his written testimony, the witness shall be allowed not more than ten minutes for oral presentation of his statement.

(b) Witnesses may not read their entire written testimony, but must confine their oral presentation to a summarization of their arguments.

(c) Witnesses shall observe proper standards of dignity, decorum and propriety while presenting their views to the committee. Any witness who violates this rule shall be dismissed, and his testimony (both oral and written) shall not appear in the record of the hearing.

(d) In scheduling witnesses for hearings, the staff shall attempt to schedule witnesses so as to attain a balance of views early in the hearings. Every member of the committee may designate witnesses who will appear before the committee to testify. To the extent that a witness designated by a member cannot be scheduled to testify during the time set aside for the hearing, a special time will be set aside for that witness to testify if the member designating that witness is available at that time to chair the hearing.

RULE 14. AUDIENCES.—Persons admitted into the audience for open hearings of the committee shall conduct themselves with the dignity, decorum, courtesy and propriety traditionally observed by the Senate. Demonstrations of approval or disapproval of any statement or act by any member or witness are not allowed. Persons creating confusion or distractions or otherwise disrupting the orderly proceeding of the hearing shall be expelled from the hearing.

RULE 15. BROADCASTING OF HEARINGS.—(a) Broadcasting of open hearings by television or radio coverage shall be allowed upon approval by the chairman of a request filed with the staff director not later than noon of the day before the day on which such coverage is desired.

(b) If such approval is granted, broadcasting coverage of the hearing shall be conducted unobtrusively and in accordance with

the standards of dignity, propriety, courtesy and decorum traditionally observed by the Senate.

(c) Equipment necessary for coverage by television and radio media shall not be installed in, or removed from, the hearing room while the committee is in session.

(d) Additional lighting may be installed in the hearing room by the media in order to raise the ambient lighting level to the lowest level necessary to provide adequate television coverage of the hearing at the then current state of the art of television coverage.

(e) The additional lighting authorized by subsection (d) of this rule shall not be directed into the eyes of any members of the committee or of any witness, and at the request of any such member or witness, offending lighting shall be extinguished.

(f) No witness shall be required to be photographed at any hearing or to give testimony while the broadcasting (or coverage) of that hearing is being conducted. At the request of any such witness who does not wish to be subjected to radio or television coverage, all equipment used for coverage shall be turned off.

RULE 16. SUBCOMMITTEES.—(a) The chairman, subject to the approval of the committee, shall appoint legislative subcommittees. All legislation shall be kept on the full committee calendar unless a majority of the members present and voting agree to refer specific legislation to an appropriate subcommittee.

(b) The chairman may limit the period during which House-passed legislation referred to a subcommittee under paragraph (a) will remain in that subcommittee. At the end of that period, the legislation will be restored to the full committee calendar. The period referred to in the preceding sentences should be 6 weeks, but may be extended in the event that adjournment or a long recess is imminent.

(c) All decisions of the chairman are subject to approval or modification by a majority vote of the committee.

(d) The full committee may at any time by majority vote of those members present discharge a subcommittee from further consideration of a specific piece of legislation.

(e) Because the Senate is constitutionally prohibited from passing revenue legislation originating in the Senate, subcommittees may mark up legislation originating in the Senate and referred to them under Rule 16(a) to develop specific proposals for full committee consideration but may not report such legislation to the full committee. The preceding sentence does not apply to nonrevenue legislation originating in the Senate.

(f) The chairman and ranking minority members shall serve as nonvoting *ex officio* members of the subcommittees on which they do not serve as voting members.

(g) Any member of the committee may attend hearings held by any subcommittee and question witnesses testifying before that subcommittee.

(h) Subcommittee meeting times shall be coordinated by the staff director to insure that—

(1) no subcommittee meeting will be held when the committee is in executive session, except by unanimous consent;

(2) no more than one subcommittee will meet when the full committee is holding hearings; and

(3) not more than two subcommittees will meet at the same time.

Notwithstanding paragraphs (2) and (3), a subcommittee may meet when the full committee is holding hearings and two subcommittees may meet at the same time only upon the approval of the chairman and the ranking minority member of the committee and subcommittees involved.

(i) All nominations shall be considered by the full committee.

(j) The chairman will attempt to schedule reasonably frequent meetings of the full committee to permit consideration of legislation reported favorably to the committee by the subcommittees.

RULE 17. TRANSCRIPTS OF COMMITTEE MEETINGS.—An accurate record shall be kept of all markups of the committee, whether they be open or closed to the public. This record, marked as “uncorrected,” shall be available for inspection by members of the Senate, or members of the committee together with their staffs, at any time. This record shall not be published or made public in any way except:

(a) By majority vote of the committee after all members of the committee have had a reasonable opportunity to correct their remarks for grammatical errors or to accurately reflect statements made.

(b) Any member may release his own remarks made in any markup of the committee provided that every member or witness whose remarks are contained in the released portion is given a reasonable opportunity before release to correct their remarks.

Notwithstanding the above, in the case of the record of an executive session of the committee that is closed to the public pursuant to Rule XXVI of the Standing Rules of the Senate, the record shall not be published or made public in any way except by majority vote of the committee after all members of the committee have had a reasonable opportunity to correct their remarks for grammatical errors or to accurately reflect statements made.

RULE 18. AMENDMENT OF RULES.—The foregoing rules may be added to, modified, amended or suspended at any time.

COMMITTEE ON FOREIGN RELATIONS

141 Cong. Rec. S2261 (daily ed. Feb. 7, 1995)

RULE 1—JURISDICTION

(a) SUBSTANTIVE.—In accordance with Senate Rule XXV.1(j), the jurisdiction of the Committee shall extend to all proposed legislation, messages, petitions, memorials, and other matters relating to the following subjects:

1. Acquisition of land and buildings for embassies and legations in foreign countries.
2. Boundaries of United States.
3. Diplomatic service.
4. Foreign economic, military, technical, and humanitarian assistance.
5. Foreign loans.

7. International aspects of nuclear energy, including nuclear transfer policy.
8. International conferences and congresses.
9. International law as it relates to foreign policy.
10. International Monetary Fund and other international organizations established primarily for international monetary purposes (except that, at the request of the Committee on Banking, Housing, and Urban Affairs, any proposed legislation relating to such subjects reported by the Committee on Foreign Relations shall be referred to the Committee on Banking, Housing, and Urban Affairs).
11. Intervention abroad and declarations of war.
12. Measures to foster commercial intercourse with foreign nations and to safeguard American business interests abroad.
13. National security and international aspects of trusteeships of the United States.
14. Ocean and international environmental and scientific affairs as they relate to foreign policy.
15. Protection of United States citizens abroad and expatriation.
16. Relations of the United States with foreign nations generally.
17. Treaties and executive agreements, except reciprocal trade agreements.

¹The Committee on Foreign Relations sets forth its jurisdiction under Senate Rule XXV.1(j) in Rule 1(a).

18. United Nations and its affiliated organizations.

19. World Bank group, the regional development banks, and other international organizations established primarily for development assistance purposes.

The Committee is also mandated by Senate Rule XXV.1(j) to study and review, on a comprehensive basis, matters relating to the national security policy, foreign policy, and international economic policy as it relates to foreign policy of the United States, and matters relating to food, hunger, and nutrition in foreign countries, and report thereon from time to time.

(b) OVERSIGHT.—The Committee also has a responsibility under Senate Rule XXVI.8, which provides that “. . . each standing Committee . . . shall review and study, on a continuing basis the application, administration, and execution of those laws, or parts of laws, the subject matter of which is within the jurisdiction of that Committee.”

(c) “ADVICE AND CONSENT” CLAUSES.—The Committee has a special responsibility to assist the Senate in its constitutional function of providing “advice and consent” to all treaties entered into by the United States and all nominations to the principal executive branch positions in the field of foreign policy and diplomacy.

RULE 2—SUBCOMMITTEES

(a) CREATION.—Unless otherwise authorized by law or Senate resolution, subcommittees shall be created by majority vote of the Committee and shall deal with such legislation and oversight of programs and policies as the Committee directs. Legislative measures or other matters may be referred to a subcommittee for consideration in the discretion of the Chairman or by vote of a majority of the Committee. If the principal subject matter of a measure or matter to be referred falls within the jurisdiction of more than one subcommittee, the Chairman or the Committee may refer the matter to two or more subcommittees for joint consideration.

(b) ASSIGNMENTS.—Assignments of members to subcommittees shall be made in an equitable fashion. No member of the Committee may receive assignment to a second subcommittee until, in order of seniority, all members of the Committee have chosen assignments to one subcommittee, and no member shall receive assignments to a third subcommittee until, in order of seniority, all members have chosen assignments to two subcommittees.

No member of the Committee may serve on more than four subcommittees at any one time.

The Chairman and Ranking Minority Member of the Committee shall be ex officio members, without vote, of each subcommittee.

(c) MEETINGS.—Except when funds have been specifically made available by the Senate for a subcommittee purpose, no subcommittee of the Committee on Foreign Relations shall hold hearings involving expenses without prior approval of the Chairman of the full Committee or by decision of the full Committee. Meetings of subcommittees shall be scheduled after consultation with the Chairman of the Committee with a view toward avoiding conflicts with meetings of other subcommittees insofar as possible. Meetings of

subcommittees shall not be scheduled to conflict with meetings of the full Committee.

The proceedings of each subcommittee shall be governed by the rules of the full Committee, subject to such authorizations or limitations as the Committee may from time to time prescribe.

RULE 3—MEETINGS

(a) **REGULAR MEETING DAY.**—The regular meeting day of the Committee on Foreign Relations for the transaction of Committee business shall be on Tuesday of each week, unless otherwise directed by the Chairman.

(b) **ADDITIONAL MEETINGS.**—Additional meetings and hearings of the Committee may be called by the Chairman as he may deem necessary. If at least three members of the Committee desire that a special meeting of the Committee be called by the Chairman, those members may file in the offices of the Committee their written request to the Chairman for that special meeting. Immediately upon filing of the request, the Chief Clerk of the Committee shall notify the Chairman of the filing of the request. If, within three calendar days after the filing of the request, the Chairman does not call the requested special meeting, to be held within seven calendar days after the filing of the request, a majority of the members of the Committee may file in the offices of the Committee their written notice that a special meeting of the Committee will be held, specifying the date and hour of that special meeting. The Committee shall meet on that date and hour. Immediately upon the filing of the notice, the Clerk shall notify all members of the Committee that such special meeting will be held and inform them of its date and hour.

(c) **MINORITY REQUEST.**—Whenever any hearing is conducted by the Committee or a subcommittee upon any measure or matter, the minority on the Committee shall be entitled, upon request made by a majority of the minority members to the Chairman before the completion of such hearing, to call witnesses selected by the minority to testify with respect to the measure or matter during at least one day of hearing thereon.

(d) **PUBLIC ANNOUNCEMENT.**—The Committee, or any subcommittee thereof, shall make public announcement of the date, place, time and subject matter of any hearing to be conducted on any measure or matter at least one week in advance of such hearings, unless the Chairman of the Committee, or subcommittee, determines that there is good cause to begin such hearing at an earlier date.

(e) **PROCEDURE.**—Insofar as possible, proceedings of the Committee will be conducted without resort to the formalities of parliamentary procedure and with due regard for the views of all members. Issues of procedure which may arise from time to time shall be resolved by decision of the Chairman, in consultation with the Ranking Minority Member. The Chairman, in consultation with the Ranking Minority Member, may also propose special procedures to govern the consideration of particular matters by the Committee.

(f) **CLOSED SESSIONS.**—Each meeting of the Committee on Foreign Relations, or any subcommittee thereof, including meetings to

conduct hearings, shall be open to the public, except that a meeting or series of meetings by the Committee or a subcommittee on the same subject for a period of no more than fourteen calendar days may be closed to the public on a motion made and seconded to go into closed session to discuss only whether the matters enumerated in paragraphs (1) through (6) would require the meeting to be closed followed immediately by a record vote in open session by a majority of the members of the Committee or subcommittee when it is determined that the matters to be discussed or the testimony to be taken at such meeting or meetings—

(1) will disclose matters necessary to be kept secret in the interests of national defense or the confidential conduct of the foreign relations of the United States;

(2) will relate solely to matters of Committee staff personnel or internal staff management or procedure;

(3) will tend to charge an individual with crime or misconduct; to disgrace or injure the professional standing of an individual, or otherwise to expose an individual to public contempt or obloquy, or will represent a clearly unwarranted invasion of the privacy of an individual;

(4) will disclose the identity of any informer or law enforcement agent or will disclose any information relating to the investigation or prosecution of a criminal offense that is required to be kept secret in the interests of effective law enforcement;

(5) will disclose information relating to the trade secrets or financial or commercial information pertaining specifically to a given person if—

(A) an Act of Congress requires the information to be kept confidential by Government officers and employees; or

(B) the information has been obtained by the Government on a confidential basis, other than through an application by such person for a specific Government financial or other benefit, and is required to be kept secret in order to prevent undue injury to the competitive position of such person, or

(6) may divulge matters required to be kept confidential under other provisions of law or Government regulations.

A closed meeting may be opened by a majority vote of the Committee.

(g) **STAFF ATTENDANCE.**—A member of the Committee may have one member of his or her personal staff, for whom that member assumes personal responsibility, accompany and be seated nearby at Committee meetings.

Each member of the Committee may designate members of his or her personal staff, who hold a Top Secret security clearance, for the purpose of their eligibility to attend closed sessions of the Committee, subject to the same conditions set forth for Committee staff under Rules 12, 13, and 14.

In addition, the Majority Leader and the Minority Leader of the Senate, if they are not otherwise members of the Committee, may designate one member of their staff with a Top Secret security clearance to attend closed sessions of the Committee, subject to the same conditions set forth for Committee staff under Rules 12, 13

and 14. Staff of other Senators who are not members of the Committee may not attend closed sessions of the Committee.

Attendance of Committee staff at meetings shall be limited to those designated by the Staff Director or the Minority Staff Director.

The Committee, by majority vote, or the Chairman, with the concurrence of the Ranking Minority Member, may limit staff attendance at specified meetings.

RULE 4—QUORUMS

(a) TESTIMONY.—For the purpose of taking sworn or unsworn testimony at any duly scheduled meeting a quorum of the Committee and each subcommittee thereof shall consist of one member.

(b) BUSINESS.—A quorum for the transaction of Committee or subcommittee business, other than for reporting a measure or recommendation to the Senate or the taking of testimony, shall consist of one-third of the members of the Committee or subcommittee, including at least one member from each party.

(c) REPORTING.—A majority of the membership of the Committee shall constitute a quorum for reporting any measure or recommendation to the Senate. No measure or recommendation shall be ordered reported from the Committee unless a majority of the Committee members are physically present. The vote of the Committee to report a measure or matter shall require the concurrence of a majority of those members who are physically present at the time the vote is taken.

RULE 5—PROXIES

Proxies must be in writing with the signature of the absent member. Subject to the requirements of Rule 4 for the physical presence of a quorum to report a matter, proxy voting shall be allowed on all measures and matters before the Committee. However, proxies shall not be voted on a measure or matter except when the absent member has been informed of the matter on which he is being recorded and has affirmatively requested that he be so recorded.

RULE 6—WITNESSES

(a) GENERAL.—The Committee on Foreign Relations will consider requests to testify on any matter or measure pending before the Committee.

(b) PRESENTATION.—If the Chairman so determines, the oral presentation of witnesses shall be limited to 10 minutes. However, written statements of reasonable length may be submitted by witnesses and other interested persons who are unable to testify in person.

(c) FILING OF STATEMENTS.—A witness appearing before the Committee, or any subcommittee thereof, shall file a written statement of his proposed testimony at least 48 hours prior to his appearance, unless this requirement is waived by the Chairman and the Ranking Minority Member following their determination that there is good cause for failure to file such a statement.

(d) **EXPENSES.**—Only the Chairman may authorize expenditures of funds for the expenses of witnesses appearing before the Committee or its subcommittees.

(e) **REQUESTS.**—Any witness called for a hearing may submit a written request to the Chairman no later than 24 hours in advance for his testimony to be in closed or open session, or for any other unusual procedure. The Chairman shall determine whether to grant any such request and shall notify the Committee Members of the request and of his decision.

RULE 7—SUBPOENAS

(a) **AUTHORIZATION.**—The Chairman or any other member of the Committee, when authorized by a majority vote of the Committee at a meeting or by proxies, shall have authority to subpoena the attendance of witnesses or the production of memoranda, documents, records, or any other materials. When the Committee authorizes a subpoena, it may be issued upon the signature of the Chairman or any other member designated by the Committee.

(b) **RETURN.**—A subpoena, or a request to an agency, for documents may be issued whose return shall occur at a time and place other than that of a scheduled Committee meeting. A return on such a subpoena or request which is incomplete or accompanied by an objection constitutes good cause for a hearing on shortened notice. Upon such a return, the Chairman or any other member designated by him may convene a hearing by giving 2 hours notice by telephone to all other members. One member shall constitute a quorum for such a hearing. The sole purpose of such a hearing shall be to elucidate further information about the return and to rule on the objection.

(c) **DEPOSITIONS.**—At the direction of the Committee, staff is authorized to take depositions from witnesses.

RULE 8—REPORTS

(a) **FILING.**—When the Committee has ordered a measure or recommendation reported, the report thereon shall be filed in the Senate at the earliest practicable time.

(b) **SUPPLEMENTAL, MINORITY AND ADDITIONAL VIEWS.**—A member of the Committee who gives notice of his intentions to file supplemental, minority, or additional views at the time of final Committee approval of a measure or matter, shall be entitled to not less than 3 calendar days in which to file such views, in writing, with the Chief Clerk of the Committee, with the 3 days to begin at 11:00 p.m. on the same day that the Committee has ordered a measure or matter reported. Such views shall then be included in the Committee report and printed in the same volume, as a part thereof, and their inclusion shall be noted on the cover of the report. In the absence of timely notice, the Committee report may be filed and printed immediately without such views.

(c) **ROLLCALL VOTES.**—The results of all rollcall votes taken in any meeting of the Committee on any measure, or amendment thereto, shall be announced in the Committee report. The announcement shall include a tabulation of the votes cast in favor

and votes cast in opposition to each such measure and amendment by each member of the Committee.

RULE 9—TREATIES

(a) The Committee is the only committee of the Senate with jurisdiction to review and report to the Senate on treaties submitted by the President for Senate advice and consent. Because the House of Representatives has no role in the approval of treaties, the Committee is therefore the only congressional committee with responsibility for treaties.

(b) Once submitted by the President for advice and consent, each treaty is referred to the Committee and remains on its calendar from Congress to Congress until the Committee takes action to report it to the Senate or recommend its return to the President, or until the Committee is discharged of the treaty by the Senate.

(c) In accordance with Senate Rule XXX.2, treaties which have been reported to the Senate but not acted on before the end of a Congress “shall be resumed at the commencement of the next Congress as if no proceedings had previously been had thereon.”

(d) Insofar as possible, the Committee should conduct a public hearing on each treaty as soon as possible after its submission by the President. Except in extraordinary circumstances, treaties reported to the Senate shall be accompanied by a written report.

RULE 10—NOMINATIONS

(a) **WAITING REQUIREMENT.**—Unless otherwise directed by the Chairman and the Ranking Minority Member, the Committee on Foreign Relations shall not consider any nomination until 6 calendar days after it has been formally submitted to the Senate.

(b) **PUBLIC CONSIDERATION.**—Nominees for any post who are invited to appear before the Committee shall be heard in public session, unless a majority of the Committee decrees otherwise.

(c) **REQUIRED DATA.**—No nomination shall be reported to the Senate unless (1) the nominee has been accorded a security clearance on the basis of a thorough investigation by executive branch agencies; (2) in appropriate cases, the nominee has filed a confidential statement and financial disclosure report with the Committee; (3) the Committee has been assured that the nominee does not have any interests which could conflict with the interests of the government in the exercise of the nominee's proposed responsibilities; (4) for persons nominated to be chief of mission, ambassador-at-large, or minister, the Committee has received a complete list of any contributions made by the nominee or members of his immediate family to any Federal election campaign during the year of his or her nomination and for the 4 preceding years; and (5) for persons nominated to be chiefs of mission, a report on the demonstrated competence of that nominee to perform the duties of the position to which he or she has been nominated.

RULE 11—TRAVEL

(a) **FOREIGN TRAVEL.**—No member of the Committee on Foreign Relations or its staff shall travel abroad on Committee business unless specifically authorized by the Chairman, who is required by

law to approve vouchers and report expenditures of foreign currencies, and the Ranking Minority Member. Requests for authorization of such travel shall state the purpose and, when completed, a full substantive and financial report shall be filed with the Committee within 30 days. This report shall be furnished to all members of the Committee and shall not be otherwise disseminated without the express authorization of the Committee. Except in extraordinary circumstances, staff travel shall not be approved unless the reporting requirements have been fulfilled for all prior trips. Except for travel that is strictly personal, travel funded by non-U.S. Government sources is subject to the same approval and substantive reporting requirements as U.S. Government-funded travel. In addition, members and staff are reminded of Senate Rule XXXV.4 requiring a determination by the Senate Ethics Committee in the case of foreign-sponsored travel.

Any proposed travel by Committee staff for a subcommittee purpose must be approved by the subcommittee chairman and Ranking Minority Member prior to submission of the request to the Chairman and Ranking Minority Member of the full Committee.

When the Chairman and the Ranking Minority Member approve the foreign travel of a member of the staff of the Committee not accompanying a member of the Committee, all members of the Committee shall be advised, prior to the commencement of such travel of its extent, nature, and purpose.

(b) DOMESTIC TRAVEL.—All official travel in the United States by the Committee staff shall be approved in advance by the Staff Director, or in the case of minority staff, by the Minority Staff Director.

(c) PERSONAL STAFF.—As a general rule, no more than one member of the personal staff of a member of the Committee may travel with that member with the approval of the Chairman and the Ranking Minority Member of the Committee. During such travel, the personal staff member shall be considered to be an employee of the Committee.

RULE 12—TRANSCRIPTS

(a) GENERAL.—The Committee on Foreign Relations shall keep verbatim transcripts of all Committee and subcommittee meetings and such transcripts shall remain in the custody of the Committee, unless a majority of the Committee decides otherwise. Transcripts of public hearings by the Committee shall be published unless the Chairman, with the concurrence of the Ranking Minority Member, determines otherwise.

(b) CLASSIFIED OR RESTRICTED TRANSCRIPTS.—

(1) The Chief Clerk of the Committee shall have responsibility for the maintenance and security of classified or restricted transcripts.

(2) A record shall be maintained of each use of classified or restricted transcripts.

(3) Classified or restricted transcripts shall be kept in locked combination safes in the Committee offices except when in active use by authorized persons for a period not to exceed 2 weeks. Extensions of this period may be granted as necessary

by the Chief Clerk. They must never be left unattended and shall be returned to the Chief Clerk promptly when no longer needed.

(4) Except as provided in paragraph 7 below, transcripts classified secret or higher may not leave the Committee offices except for the purpose of declassification.

(5) Classified transcripts other than those classified secret or higher may leave the Committee offices in the possession of authorized persons with the approval of the Chairman. Delivery and return shall be made only by authorized persons. Such transcripts may not leave Washington, DC, unless adequate assurances for their security are made to the Chairman.

(6) Extreme care shall be exercised to avoid taking notes or quotes from classified transcripts. Their contents may not be divulged to any unauthorized person.

(7) Subject to any additional restrictions imposed by the Chairman with the concurrence of the Ranking Minority Member, only the following persons are authorized to have access to classified or restricted transcripts:

(i) Members and staff of the Committee in the Committee rooms;

(ii) Designated personal representatives of members of the Committee, and of the Majority and Minority Leaders, with appropriate security clearances, in the Committee's Capitol office;

(iii) Senators not members of the Committee, by permission of the Chairman in the Committee rooms; and

(iv) Members of the executive departments involved in the meeting, in the Committee's Capitol office, or, with the permission of the Chairman, in the offices of the officials who took part in the meeting, but in either case, only for a specified and limited period of time, and only after reliable assurances against further reproduction or dissemination have been given.

(8) Any restrictions imposed upon access to a meeting of the Committee shall also apply to the transcript of such meeting, except by special permission of the Chairman and notice to the other members of the Committee. Each transcript of a closed session of the Committee shall include on its cover a description of the restrictions imposed upon access, as well as any applicable restrictions upon photocopying, note-taking or other dissemination.

(9) In addition to restrictions resulting from the inclusion of any classified information in the transcript of a Committee meeting, members and staff shall not discuss with anyone the proceedings of the Committee in closed session or reveal information conveyed or discussed in such a session unless that person would have been permitted to attend the session itself, or unless such communication is specifically authorized by the Chairman, the Ranking Minority Member, or in the case of staff, by the Staff Director or Minority Staff Director. A record shall be kept of all such authorizations.

(c) DECLASSIFICATION.—

(1) All restricted transcripts and classified Committee reports shall be declassified on a date 12 years after their origination unless the Committee by majority vote decides against such declassification, and provided that the executive departments involved and all former Committee members who participated directly in the sessions or reports concerned have been consulted in advance and given a reasonable opportunity to raise objections to such declassification.

(2) Any transcript or classified Committee report, or any portion thereof, may be declassified fewer than 12 years after their origination if:

(i) the Chairman originates such action or receives a written request for such action, and notifies the other members of the Committee; and

(ii) the Chairman, Ranking Minority Member, and each member or former member who participated directly in such meeting or report give their approval, except that the Committee by majority vote may overrule any objections thereby raised to early declassification; and

(iii) the executive departments and all former Committee members are consulted in advance and have a reasonable opportunity to object to early declassification.

RULE 13—CLASSIFIED MATERIAL

(a) All classified material received or originated by the Committee shall be logged in at the Committee's offices in the Dirksen Senate Office Building, and except for material classified as "Top Secret" shall be filed in the Dirksen Senate Building offices for Committee use and safekeeping.

(b) Each such piece of classified material received or originated shall be card indexed and serially numbered, and where requiring onward distribution shall be distributed by means of an attached indexed form approved by the Chairman. If such material is to be distributed outside the Committee offices, it shall, in addition to the attached form, be accompanied also by an approved signature sheet to show onward receipt.

(c) Distribution of classified material among offices shall be by Committee members or authorized staff only. All classified material sent to members' offices, and that distributed within the working offices of the Committee, shall be returned to the offices designated by the Chief Clerk. No classified material is to be removed from the offices of the members or of the Committee without permission of the Chairman. Such classified material will be afforded safe handling and safe storage at all times.

(d) Material classified "Top Secret," after being indexed and numbered shall be sent to the Committee's Capitol office for use by the members and authorized staff in that office only or in such other secure Committee offices as may be authorized by the Chairman or Staff Director.

(e) In general, members and staff undertake to confine their access to classified information on the basis of a "need to know" such information related to their Committee responsibilities.

(f) The Staff Director is authorized to make such administrative regulations as may be necessary to carry out the provisions of these regulations.

RULE 14—STAFF

(a) RESPONSIBILITIES.—

(1) The staff works for the Committee as a whole, under the general supervision of the Chairman of the Committee, and the immediate direction of the Staff Director; provided, however, that such part of the staff as is designated Minority Staff, shall be under the general supervision of the Ranking Minority Member and under the immediate direction of the Minority Staff Director.

(2) Any member of the Committee should feel free to call upon the staff at any time for assistance in connection with Committee business. Members of the Senate not members of the Committee who call upon the staff for assistance from time to time should be given assistance subject to the overriding responsibility of the staff to the Committee.

(3) The staff's primary responsibility is with respect to bills, resolutions, treaties, and nominations.

In addition to carrying out assignments from the Committee and its individual members, the staff has a responsibility to originate suggestions for Committee or subcommittee consideration. The staff also has a responsibility to make suggestions to individual members regarding matters of special interest to such members.

(4) It is part of the staff's duty to keep itself as well informed as possible in regard to developments affecting foreign relations and in regard to the administration of foreign programs of the United States. Significant trends or developments which might otherwise escape notice should be called to the attention of the Committee, or of individual Senators with particular interests.

(5) The staff shall pay due regard to the constitutional separation of powers between the Senate and the executive branch. It therefore has a responsibility to help the Committee bring to bear an independent, objective judgment of proposals by the executive branch and when appropriate to originate sound proposals of its own. At the same time, the staff shall avoid impinging upon the day-to-day conduct of foreign affairs.

(6) In those instances when Committee action requires the expression of minority views, the staff shall assist the minority as fully as the majority to the end that all points of view may be fully considered by members of the Committee and of the Senate. The staff shall bear in mind that under our constitutional system it is the responsibility of the elected members of the Senate to determine legislative issues in the light of as full and fair a presentation of the facts as the staff may be able to obtain.

(b) RESTRICTIONS.—

(1) The staff shall regard its relationship to the Committee as a privileged one, in the nature of the relationship of a lawyer to

a client. In order to protect this relationship and the mutual confidence which must prevail if the Committee-staff relationship is to be a satisfactory and fruitful one, the following criteria shall apply:

(i) Members of the staff shall not be identified with any special interest group in the field of foreign relations or allow their names to be used by any such group;

(ii) Members of the staff shall not accept public speaking engagements or write for publication in the field of foreign relations without specific advance permission from the Staff Director, or, in the case of minority staff, from the Minority Staff Director. In the case of the Staff Director and the Minority Staff Director, such advance permission shall be obtained from the Chairman or the Ranking Minority Member, as appropriate. In any event, such public statements should avoid the expression of personal views and should not contain predictions of future, or interpretations of past, Committee action; and

(iii) Staff shall not discuss their private conversations with members of the Committee without specific advance permission from the Senator or Senators concerned.

(2) The staff shall not discuss with anyone the proceedings of the Committee in closed session or reveal information conveyed or discussed in such a session unless that person would have been permitted to attend the session itself, or unless such communication is specifically authorized by the Staff Director or Minority Staff Director. Unauthorized disclosure of information from a closed session or of classified information shall be cause for immediate dismissal and may, in the case of some kinds of information, be grounds for criminal prosecution.

RULE 15—STATUS AND AMENDMENT OF RULES

Rules of Procedure of the Full Committee

141 Cong. Rec. S3295 (daily ed. Feb. 28, 1995)

RULE 1. MEETINGS AND MEETING PROCEDURES OTHER THAN HEARINGS.

A. MEETING DATES. The Committee shall hold its regular meetings on the first Thursday of each month, when the Congress is in session, or at such other times as the chairman shall determine. Additional meetings may be called by the chairman as he deems necessary to expedite Committee business. (Rule XXVI, Sec. 3, Standing Rules of the Senate.)

B. CALLING SPECIAL COMMITTEE MEETINGS. If at least three members of the Committee desire the chairman to call a special meeting, they may file in the offices of the Committee a written request therefor, addressed to the chairman. Immediately thereafter, the clerk of the Committee shall notify the chairman of such request. If, within three calendar days after the filing of such request, the chairman fails to call the requested special meeting, which is to be held within seven calendar days after the filing of such request, a majority of the Committee members may file in the offices of the Committee their written notice that a special Committee meeting will be held, specifying the date and hour thereof, and the Committee shall meet on that date and hour. Immediately upon the filing of such notice, the Committee clerk shall notify all Committee members that such special meeting will be held and inform them of its date and hour. (Rule XXVI, Sec. 3, Standing Rules of the Senate.)

C. MEETING NOTICES AND AGENDA. Written notices of Committee meetings, accompanied by an agenda, enumerating the items of business to be considered, shall be sent to all Committee members at least three days in advance of such meetings, excluding Saturdays, Sundays, and legal holidays in which the Senate is not in session. In the event that unforeseen requirements or Committee business prevent a three-day notice of either the meeting or agenda,

the Committee staff shall communicate such notice and agenda, or any revisions to the agenda, as soon as practicable by telephone or otherwise to members or appropriate staff assistants in their offices.

D. OPEN BUSINESS MEETINGS. Meetings for the transaction of Committee or Subcommittee business shall be conducted in open session, except that a meeting or series of meetings on the same subject for a period of no more than fourteen calendar days may be closed to the public on a motion made and seconded to go into closed session to discuss only whether the matters enumerated in clauses (1) through (6) below would require the meeting to be closed, followed immediately by a record vote in open session by a majority of the Committee or Subcommittee members when it is determined that the matters to be discussed or the testimony to be taken at such meeting or meetings—

(1) will disclose matters necessary to be kept secret in the interests of national defense or the confidential conduct of foreign relations of the United States;

(2) will relate solely to matters of Committee or Subcommittee staff personnel or internal staff management or procedure;

(3) will tend to charge an individual with crime or misconduct, to disgrace or injure the professional standing of an individual, or otherwise expose an individual to public contempt or obloquy or will represent a clearly unwarranted invasion of the privacy of an individual;

(4) will disclose the identity of an informer or law enforcement agent or will disclose any information relating to the investigation or prosecution of a criminal offense that is required to be kept secret in the interests of effective law enforcement;

(5) will disclose information relating to the trade secrets or financial or commercial information pertaining specifically to a given person if—

(A) an Act of Congress requires the information to be kept confidential by Government officers and employees; or

(B) the information has been obtained by the Government on a confidential basis, other than through an application by such person for a specific Government or financial or other benefit, and is required to be kept secret in order to prevent undue injury to the competitive position of such person; or

(6) may divulge matters required to be kept confidential under other provisions of law or Government regulations. (Rule XXVI, Sec. 5(b), Standing Rules of the Senate.)

Notwithstanding the foregoing, whenever disorder arises during a Committee or Subcommittee meeting that is open to the public, or any demonstration of approval or disapproval is indulged in by any person in attendance at any such meeting, it shall be the duty of the chairman to enforce order on his own initiative and without any point of order being made by a member of the Committee or Subcommittee; *provided, further*, that when the chairman finds it necessary to maintain order, he shall have the power to clear the room, and the Committee or Subcommittee may act in closed session for so long as there is doubt of the assurance of order. (Rule XXVI, Sec. 5(d), Standing Rules of the Senate.)

E. **PRIOR NOTICE OF FIRST DEGREE AMENDMENTS.** It shall not be in order for the Committee, or a Subcommittee thereof, to consider any amendment in the first degree proposed to any measure under consideration by the Committee or Subcommittee unless a written copy of such amendment has been delivered to each member of the Committee or Subcommittee, as the case may be, and to the office of the Committee or Subcommittee, at least 24 hours before the meeting of the Committee or Subcommittee at which the amendment is to be proposed. This subsection may be waived by a majority of the members present. This subsection shall apply only when at least 72 hours written notice of a session to mark-up a measure is provided to the Committee or Subcommittee.

F. **MEETING TRANSCRIPT.** The Committee or Subcommittee shall prepare and keep a complete transcript or electronic recording adequate to fully record the proceeding of each meeting whether or not such meeting or any part thereof is closed to the public, unless a majority of the Committee or Subcommittee members vote to forgo such a record. (Rule XXVI, Sec. 5(e), Standing Rules of the Senate.)

RULE 2. QUORUMS

A. **REPORTING MEASURES AND MATTERS.** A majority of the members of the Committee shall constitute a quorum for reporting to the Senate any measures, matters or recommendations. (Rule XXVI, Sec. 7(a)(1), Standing Rules of the Senate.)

B. **TRANSACTION OF ROUTINE BUSINESS.** Five members of the Committee shall constitute a quorum for the transaction of routine business, provided that one member of the minority is present.

For the purpose of this paragraph, the term "routine business" includes the convening of a meeting and the consideration of any business of the Committee other than reporting to the Senate any measures, matters or recommendations. (Rule XXVI, Sec. 7(a)(1), Standing Rules of the Senate.)

C. **TAKING TESTIMONY.** One member of the Committee shall constitute a quorum for taking sworn or unsworn testimony. (Rule XXVI, Sec. 7(a)(2) and 7(c)(2), Standing Rules of the Senate.)

D. **SUBCOMMITTEE QUORUMS.** Subject to the provisions of sections 7(a)(1) and (2) of Rule XXVI of the Standing Rules of the Senate, the Subcommittees of this Committee are authorized to establish their own quorums for the transaction of business and the taking of sworn testimony.

E. **PROXIES PROHIBITED IN ESTABLISHMENT OF QUORUM.** Proxies shall not be considered for the establishment of a quorum.

RULE 3. VOTING

A. **QUORUM REQUIRED.** Subject to the provisions of subsection (E), no vote may be taken by the Committee, or any Subcommittee thereof, on any measure or matter unless a quorum, as prescribed in the preceding section, is actually present.

B. **REPORTING MEASURES AND MATTERS.** No measure, matter or recommendation shall be reported from the Committee unless a majority of the Committee members are actually present, and the vote of the Committee to report a measure or matter shall require the concurrence of a majority of those members who are actually

present at the time the vote is taken. (Rule XXVI, Sec. 7(a)(1) and (3), Standing Rules of the Senate.)

C. PROXY VOTING. Proxy voting shall be allowed on all measures and matters before the Committee, or any Subcommittees thereof, except that, when the Committee, or any Subcommittee thereof, is voting to report a measure or matter, proxy votes shall be allowed solely for the purposes of recording a member's position on the pending question. Proxy voting shall be allowed only if the absent Committee or Subcommittee member has been informed of the matter on which he is being recorded and has affirmatively requested that he be so recorded. All proxies shall be filed with the chief clerk of the Committee or Subcommittee thereof, as the case may be. All proxies shall be in writing and shall contain sufficient reference to the pending matter as is necessary to identify it and to inform the Committee or Subcommittee as to how the member establishes his vote to be recorded thereon. (Rule XXVI, Sec. 7(a)(3) and 7(c)(1), Standing Rules of the Senate.)

D. ANNOUNCEMENT OF VOTE. (1) Whenever the Committee by roll call vote reports any measure or matter, the report of the Committee upon such a measure or matter shall include a tabulation of the votes cast in favor of and the votes cast in opposition to such measure or matter by each member of the Committee. (Rule XXVI, Sec. 7(c), Standing Rules of the Senate.)

(2) Whenever the Committee by roll call vote acts upon any measure or amendment thereto, other than reporting a measure or matter, the results thereof shall be announced in the Committee report on that measure unless previously announced by the Committee, and such announcement shall include a tabulation of the votes cast in favor of and the votes cast in opposition to each such measure and amendment thereto by each member of the Committee who was present at the meeting. (Rule XXVI, Sec. 7(b), Standing Rules of the Senate.)

(3) In any case in which a roll call vote is announced, the tabulation of votes shall state separately the proxy vote recorded in favor of and in opposition to that measure, amendment thereto, or matter. (Rule XXVI, Sec. 7(b) and (c), Standing Rules of the Senate.)

E. POLLING. (1) The Committee, or any Subcommittee thereof, may poll (a) internal Committee or Subcommittee matters including the Committee's or Subcommittee's staff, records and budget; (b) steps in an investigation, including issuance of subpoenas, applications for immunity orders, and requests for documents from agencies; and (c) other Committee or Subcommittee business other than a vote on reporting to the Senate any measures, matters or recommendations or a vote on closing a meeting or hearing to the public.

(2) Only the chairman, or a Committee member or staff officer designated by him, may undertake any poll of the members of the Committee. If any member requests, any matter to be polled shall be held for meeting rather than being polled. The chief clerk of the Committee may keep a record of polls; if a majority of the members of the Committee determine that the polled matter is in one of the areas enumerated in subsection (D) of Rule 1, the record of the poll shall be confidential. Any Committee member may move at the Committee meeting following the poll for a vote on the polled deci-

sion, such motion and vote to be subject to the provisions of subsection (D) of Rule 1, where applicable.

RULE 4. CHAIRMANSHIP OF MEETINGS AND HEARINGS

The chairman shall preside at all Committee meetings and hearings except that he shall designate a temporary chairman to act in his place if he is unable to be present at a scheduled meeting or hearing. If the chairman (or his designee) is absent ten minutes after the scheduled time set for a meeting or hearing, the ranking majority member present shall preside until the chairman's arrival. If there is no member of the majority present, the ranking minority member present, with the prior approval of the chairman, may open and conduct the meeting or hearing until such time as a member of the majority arrives.

RULE 5. HEARINGS AND HEARINGS PROCEDURES

A. ANNOUNCEMENT OF HEARINGS. The Committee, or any Subcommittee thereof, shall make public announcement of the date, time, and subject matter of any hearing to be conducted on any measure or matter at least one week in advance of such hearing, unless the Committee, or Subcommittee, determines that there is good cause to begin such hearing at an earlier date. (Rule XXVI, Sec. 4(a), Standing Rules of the Senate).

B. OPEN HEARINGS. Each hearing conducted by the Committee, or any Subcommittee thereof, shall be open to the public, except that a hearing or series of hearings on the same subject for a period of no more than fourteen calendar days may be closed to the public on a motion made and seconded to go into closed session to discuss only whether the matters enumerated in clauses (1) through (6) below would require the hearing to be closed, followed immediately by a record vote in open session by a majority of the Committee or Subcommittee members when it is determined that the matters to be discussed or the testimony to be taken at such hearing or hearings—

(1) will disclose matters necessary to be kept secret in the interests of national defense or the confidential conduct of foreign relations of the United States;

(2) will relate solely to matters of Committee or Subcommittee staff personnel or internal staff management or procedure;

(3) will tend to charge an individual with crime or misconduct, to disgrace or injure the professional standing of an individual, or otherwise expose an individual to public contempt or obloquy or will represent a clearly unwarranted invasion of the privacy of an individual;

(4) will disclose the identity of an informer or law enforcement agent or will disclose any information relating to the investigation or prosecution of a criminal offense that is required to be kept secret in the interests of effective law enforcement;

(5) will disclose information relating to the trade secrets of financial or commercial information pertaining specifically to a given person if—

(A) an Act of Congress requires the information to be kept confidential by Government officers and employees; or

(B) the information has been obtained by the Government on a confidential basis, other than through an application by such person for a specific Government financial or other benefit, and is required to be kept secret in order to prevent undue injury to the competitive position of such person; or

(6) may divulge matters required to be kept confidential under other provisions of law or Government regulations. (Rule XXVI, Sec. 5(b), Standing Rules of the Senate.)

Notwithstanding the foregoing, whenever disorder arises during a Committee or Subcommittee meeting that is open to the public, or any demonstration of approval or disapproval is indulged in by any person in attendance at any such meeting, it shall be the duty of the chairman to enforce order on his own initiative and without any point of order being made by a member of the Committee or Subcommittee: *provided, further*, that when the chairman finds it necessary to maintain order, he shall have the power to clear the room, and the Committee or Subcommittee may act in closed session for so long as there is doubt of the assurance of order. (Rule XXVI, Sec. 5(d), Standing Rules of the Senate.)

C. FULL COMMITTEE SUBPOENAS. The chairman, with the approval of the ranking minority member of the Committee, is authorized to subpoena the attendance of witnesses or the production of memoranda, documents, records, or any other materials at a hearing or deposition, provided that the chairman may subpoena attendance or production without the approval of the ranking minority member where the chairman or a staff officer designated by him has not received notification from the ranking minority member or a staff officer designated by him of disapproval of the subpoena within 72 hours, excluding Saturdays and Sundays, of being notified of the subpoena. If a subpoena is disapproved by the ranking minority member as provided in this subsection, the subpoena may be authorized by vote of the members of the Committee. When the Committee or chairman authorizes subpoenas, subpoenas may be issued upon the signature of the chairman or any other member of the Committee designated by the chairman.

D. WITNESS COUNSEL. Counsel retained by any witness and accompanying such witness shall be permitted to be present during the testimony of such witness at any public or executive hearing or deposition to advise such witness while he or she is testifying of his or her legal rights: *provided, however*, that in the case of any witness who is an officer or employee of the government, or of a corporation or association, the Committee chairman may rule that representation by counsel from the government, corporation, or association or by counsel representing other witnesses, creates a conflict of interest, and that the witness shall be represented during interrogation by staff or during testimony before the Committee by personal counsel not from the government, corporation, or association or by personal counsel not representing other witnesses. This subsection shall not be construed to excuse a witness from testifying in the event his counsel is ejected for conducting himself in such manner so as to prevent, impede, disrupt, obstruct or interfere with the orderly administration of the hearings; nor shall this subsection be construed as authorizing counsel to coach the witness or

answer for the witness. The failure of any witness to secure counsel shall not excuse such witness from complying with a subpoena or deposition notice.

E. WITNESS TRANSCRIPTS. An accurate electronic or stenographic record shall be kept of the testimony of all witnesses in executive and public hearings. The record of his or her testimony whether in public or executive session shall be made available for inspection by the witness or his or her counsel under Committee supervision; a copy of any testimony given in public session or that part of the testimony given by the witness in executive session and subsequently quoted or made part of the record in a public session shall be provided to any witness at his or her expense if he or she so requests. Upon inspecting his or her transcript, within a time limit set by the chief clerk of the Committee, a witness may request changes in the transcript to correct errors of transcription and grammatical errors; the chairman or a staff officer designated by him shall rule on such requests.

F. IMPUGNED PERSONS. Any person whose name is mentioned or is specifically identified, and who believes that evidence presented, or comment made by a member of the Committee or staff officer, at a public hearing or at a closed hearing concerning which there have been public reports, tends to impugn his or her character or adversely affect his or her reputation may:

(a) file a sworn statement of facts relevant to the evidence or comment, which statement shall be considered for placement in the hearing record by the Committee;

(b) request the opportunity to appear personally before the Committee to testify in his or her own behalf, which request shall be considered by the Committee; and

(c) submit questions in writing which he or she requests be used for the cross-examination of other witnesses called by the Committee, which questions shall be considered for use by the Committee.

G. RADIO, TELEVISION, AND PHOTOGRAPHY. The Committee, or any Subcommittee thereof, may permit the proceedings of hearings which are open to the public to be photographed and broadcast by radio, television or both, subject to such conditions as the Committee, or Subcommittee, may impose. (Rule XXVI, Sec. 5(c), Standing Rules of the Senate.)

H. ADVANCE STATEMENTS OF WITNESSES. A witness appearing before the Committee, or any Subcommittee thereof, shall provide 100 copies of a written statement and an executive summary or synopsis of his proposed testimony at least 48 hours prior to his appearance. This requirement may be waived by the chairman and the ranking minority member following their determination that there is good cause for failure of compliance. (Rule XXVI, Sec. 4(b), Standing Rules of the Senate.)

I. MINORITY WITNESSES. In any hearings conducted by the Committee, or any Subcommittee thereof, the minority members of the Committee or Subcommittee shall be entitled, upon request to the chairman by a majority of the minority members, to call witnesses of their selection during at least one day of such hearings. (Rule XXVI, Sec. 4(d), Standing Rules of the Senate.)

J. FULL COMMITTEE DEPOSITIONS. Depositions may be taken prior to or after a hearing as provided in this subsection.

(1) Notices for the taking of depositions shall be authorized and issued by the chairman, with the approval of the ranking minority member of the Committee, provided that the chairman may initiate depositions without the approval of the ranking minority member where the chairman or a staff officer designated by him has not received notification from the ranking minority member or a staff officer designated by him of disapproval of the deposition within 72 hours, excluding Saturdays and Sundays, of being notified of the deposition notice. If a deposition notice is disapproved by the ranking minority member as provided in this subsection, the deposition notice may be authorized by a vote of the members of the Committee. Committee deposition notices shall specify a time and place for examination, and the name of the Committee member or members or staff officer or officers who will take the deposition. Unless otherwise specified, the deposition shall be in private. The Committee shall not initiate procedures leading to criminal or civil enforcement proceedings for a witness' failure to appear or produce unless the deposition notice was accompanied by a Committee subpoena.

(2) Witnesses may be accompanied at a deposition by counsel to advise them of their legal rights, subject to the provisions of Rule 5D.

(3) Oaths at depositions may be administered by an individual authorized by local law to administer oaths. Questions shall be propounded orally by Committee member or members or staff. If a witness objects to a question and refuses to testify, the objection shall be noted for the record and the Committee member or members or staff may proceed with the remainder of the deposition.

(4) The Committee shall see that the testimony is transcribed or electronically recorded (which may include audio or audio/video recordings). If it is transcribed, the transcript shall be made available for inspection by the witness or his or her counsel under Committee supervision. The witness shall sign a copy of the transcript and may request changes to it, which shall be handled in accordance with the procedure set forth in subsection (E). If the witness fails to sign a copy, the staff shall note that fact on the transcript. The individual administering the oath shall certify on the transcript that the witness was duly sworn in his presence, the transcriber shall certify that the transcript is a true record of the testimony, and the transcript shall then be filed with the chief clerk of the Committee. The chairman or a staff officer designated by him may stipulate with the witness to changes in the procedure; deviations from this procedure which do not substantially impair the reliability of the record shall not relieve the witness from his or her obligation to testify truthfully.

RULE 6. COMMITTEE REPORTING PROCEDURES

A. **TIMELY FILING.** When the Committee has ordered a measure or matter reported, following final action the report thereon shall be filed in the Senate at the earliest practicable time. (Rule XXVI, Sec. 10(b), Standing Rules of the Senate.)

B. **SUPPLEMENTAL, MINORITY, AND ADDITIONAL VIEWS.** A member of the Committee who gives notice of his intention to file supplemental, minority or additional views at the time of final Committee approval of a measure or matter, shall be entitled to not less than three calendar days in which to file such views, in writing, with the chief clerk of the Committee. Such views shall then be included in the Committee report and printed in the same volume, as a part thereof, and their inclusion shall be noted on the cover of the report. In the absence of timely notice, the Committee report may be filed and printed immediately without such views. (Rule XXVI, Sec. 10(c), Standing Rules of the Senate.)

C. **NOTICE BY SUBCOMMITTEE CHAIRMEN.** The chairman of each Subcommittee shall notify the chairman in writing whenever any measure has been ordered reported by such Subcommittee and is ready for consideration by the full Committee.

D. **DRAFT REPORTS OF SUBCOMMITTEES.** All draft reports prepared by Subcommittees of this Committee on any measure or matter referred to it by the chairman, shall be in the form, style, and arrangement required to conform to the applicable provisions of the Standing Rules of the Senate, and shall be in accordance with the established practices followed by the Committee. Upon completion of such draft reports, copies thereof shall be filed with the chief clerk of the Committee at the earliest practicable time.

E. **IMPACT STATEMENTS IN REPORTS.** All Committee reports, accompanying a bill or joint resolution of a public character reported by the Committee, shall contain (1) an estimate, made by the Committee, of the costs which would be incurred in carrying out the legislation for the then current fiscal year and for each of the next five years thereafter (or for the authorized duration of the proposed legislation, if less than five years); (2) a comparison of such cost estimates with any made by a Federal agency; or (3) in lieu of such estimate or comparison, or both, a statement of the reasons for failure by the Committee to comply with these requirements as impracticable, in the event of inability to comply therewith. (Rule XXVI, Sec. 11(a), Standing Rules of the Senate.)

Each such report shall also contain an evaluation, made by the Committee, of the regulatory impact which would be incurred in carrying out the bill or joint resolution. The evaluation shall include (a) an estimate of the numbers of individuals and businesses who would be regulated and a determination of the groups and classes of such individuals and businesses, (b) a determination of the economic impact of such regulation on the individuals, consumers, and businesses affected, (c) a determination of the impact on the personal privacy of the individuals affected, and (d) a determination of the amount of paperwork that will result from the regulations to be promulgated pursuant to the bill or joint resolution, which determination may include, but need not be limited to, estimates of the amount of time and financial costs required of affected

parties, showing whether the effects of the bill or joint resolution could be substantial, as well as reasonable estimates of the record-keeping requirements that may be associated with the bill or joint resolution. Or, in lieu of the foregoing evaluation, the report shall include a statement of the reasons for failure by the Committee to comply with these requirements as impracticable, in the event of inability to comply therewith. (Rule XXVI, Sec. 11(b), Standing Rules of the Senate.)

RULE 7. SUBCOMMITTEES AND SUBCOMMITTEE PROCEDURES

A. REGULARLY ESTABLISHED SUBCOMMITTEES. The Committee shall have three regularly established Subcommittees. The Subcommittees are as follows: Permanent Subcommittee on Investigations; Regulation and Government Information; General Services, Federalism, and the District of Columbia; Oversight of Government Management and the District of Columbia.

B. AD HOC SUBCOMMITTEES. Following consultation with the ranking minority member, the chairman shall, from time to time, establish such ad hoc Subcommittees as he deems necessary to expedite Committee business.

C. SUBCOMMITTEE MEMBERSHIP. Following consultation with the majority members, and the ranking minority member of the Committee, the chairman shall announce selections for membership on the Subcommittees referred to in paragraphs A and B, above.

D. SUBCOMMITTEE MEETINGS AND HEARINGS. Each Subcommittee of this Committee is authorized to establish meeting dates and adopt rules not inconsistent with the rules of the Committee except as provided in Rule 7(E).

E. SUBCOMMITTEE SUBPOENAS. Each Subcommittee is authorized to adopt rules concerning subpoenas which need not be consistent with the rules of the Committee; *provided, however*, that in the event the Subcommittee authorizes the issuance of a subpoena pursuant to its own rules, a written notice of intent to issue the subpoena shall be provided to the chairman and ranking minority member of the Committee, or staff officers designated by them, by the Subcommittee chairman or a staff officer designated by him immediately upon such authorization, and no subpoena shall be issued for at least 48 hours, excluding Saturdays and Sundays, from delivery to the appropriate offices, unless the chairman and ranking minority member waive the 48 hour waiting period or unless the Subcommittee chairman certifies in writing to the chairman and ranking minority member that, in his opinion, it is necessary to issue a subpoena immediately.

F. SUBCOMMITTEE BUDGETS. Each Subcommittee of this Committee, which requires authorization for the expenditure of funds for the conduct of inquiries and investigations, shall file with the chief clerk of the Committee, not later than January 10 of the first year of each new Congress, its request for funds for the two (2) 12-month periods beginning on March 1, and extending through and including the last day of February of the two following years, which years comprise that Congress. Each such request shall be submitted on the budget form prescribed by the Committee on Rules and Administration, and shall be accompanied by a written justification

addressed to the chairman of the Committee, which shall include (1) a statement of the Subcommittee's area of activities, (2) its accomplishments during the preceding Congress detailed year by year, and (3) a table showing a comparison between (a) the funds authorized for expenditure during the preceding Congress detailed year by year, (b) the funds actually expended during that Congress detailed year by year, (c) the amount requested for each year of the Congress, and (d) the number of professional and clerical staff members and consultants employed by the Subcommittee during the preceding Congress detailed year by year and the number of such personnel requested for each year of the Congress. The chairman may request additional reports from the Subcommittees regarding their activities and budgets at any time. (Rule XXVI, Sec. 9, Standing Rules of the Senate.)

RULE 8. CONFIRMATION STANDARDS AND PROCEDURES

A. STANDARDS. In considering a nomination, the Committee shall inquire into the nominee's experience, qualifications, suitability, and integrity to serve in the position to which he or she has been nominated. The Committee shall recommend confirmation, upon finding that the nominee has the necessary integrity and is affirmatively qualified by reason of training, education, or experience to carry out the functions of the office to which he or she was nominated.

B. INFORMATION CONCERNING THE NOMINEE. Each nominee shall submit the following information to the Committee:

- (1) A detailed biographical resume which contains information relating to education, employment, and achievements;
- (2) Financial information, including a financial statement which lists assets and liabilities of the nominee and tax returns for the 3 years preceding the time of his or her nomination, and copies of other relevant documents requested by the Committee, such as a proposed blind trust agreement, necessary for the Committee's consideration; and,
- (3) Copies of other relevant documents the Committee may request, such as responses to questions concerning the policies and programs the nominee intends to pursue upon taking office.

At the request of the chairman or the ranking minority member, a nominee shall be required to submit a certified financial statement compiled by an independent auditor.

Information received pursuant to this subsection shall be made available for public inspection: *provided, however,* that tax returns shall, after review by persons designated in subsection (C) of this rule, be placed under seal to ensure confidentiality.

C. PROCEDURES FOR COMMITTEE INQUIRY. The Committee shall conduct an inquiry into the experience, qualifications, suitability, and integrity of nominees, and shall give particular attention to the following matters:

- (1) A review of the biographical information provided by the nominee, including, but not limited to, any professional activities related to the duties of the office to which he or she is nominated;

(2) A review of the financial information provided by the nominee, including tax returns for the three years preceding the time of his or her nomination;

(3) A review of any actions, taken or proposed by the nominee, to remedy conflicts of interest; and

(4) A review of any personal or legal matter which may bear upon the nominee's qualifications for the office to which he or she is nominated.

For the purpose of assisting the Committee in the conduct of this inquiry, a majority investigator or investigators shall be designated by the chairman and a minority investigator or investigators shall be designated by the ranking minority member. The chairman, ranking minority member, other members of the Committee and designated investigators shall have access to all investigative reports on nominees prepared by any Federal agency, except that only the chairman, the ranking minority member, or other members of the Committee, upon request, shall have access to the report of the Federal Bureau of Investigation. The Committee may request the assistance of the General Accounting Office and any other such expert opinion as may be necessary in conducting its review of information provided by nominees.

D. REPORT ON THE NOMINEE. After a review of all information pertinent to the nomination, a confidential report on the nominee shall be made by the designated investigators to the chairman and the ranking minority member and, upon request, to any other member of the Committee. The report shall summarize the steps taken by the Committee during its investigation of the nominee and identify any unresolved or questionable matters that have been raised during the course of the inquiry.

E. HEARINGS. The Committee shall conduct a public hearing during which the nominee shall be called to testify under oath on all matters relating to his or her suitability for office, including the policies and programs which he or she will pursue while in that position. No hearing shall be held until at least 72 hours after the following events have occurred: the nominee has responded to pre-hearing questions submitted by the Committee; and the report required by subsection (D) has been made to the chairman and ranking minority member, and is available to other members of the Committee, upon request.

F. ACTION ON CONFIRMATION. A mark-up on a nomination shall not occur on the same day that the hearing on the nominee is held. In order to assist the Committee in reaching a recommendation on confirmation, the staff may make an oral presentation to the Committee at the mark-up, factually summarizing the nominee's background and the steps taken during the pre-hearing inquiry.

G. APPLICATION. The procedures contained in subsections (C), (D), (E), and (F) of this rule shall apply to persons nominated by the President to positions requiring their full-time service. At the discretion of the chairman and ranking minority member, those procedures may apply to persons nominated by the President to serve on a part-time advisory basis.

RULE 9. PERSONNEL ACTIONS AFFECTING COMMITTEE STAFF

In accordance with Rule XLII of the Standing Rules of the Senate and the Congressional Accountability Act of 1995 (P.L. 104-1), all personnel actions affecting the staff of the Committee shall be made free from any discrimination based on race, color, religion, sex, national origin, age, handicap or disability.

Rules of Procedure of the Permanent Subcommittee on Investigations

1. No public hearing connected with an investigation may be held without the approval of either the chairman and the ranking minority member or the approval of a majority of the members of the Subcommittee. In all cases, notification to all members of the intent to hold hearings must be given at least 7 days in advance to the date of the hearing. The ranking minority member should be kept fully apprised of preliminary inquiries, investigations, and hearings. Preliminary inquiries may be initiated by the Subcommittee majority staff upon the approval of the chairman and notice of such approval to the ranking minority member or the minority counsel. Preliminary inquiries may be undertaken by the minority staff upon the approval of the ranking minority member and notice of such approval to the chairman or chief counsel. Investigations may be undertaken upon the approval of the chairman of the Subcommittee and the ranking minority member with notice of such approval to all members.

No public hearing shall be held if the minority members unanimously object, unless the full Committee on Governmental Affairs by a majority vote approves of such public hearing.

Senate Rule 25(5)(b) will govern all closed sessions convened by the Subcommittee.

2. Subpoenas for witnesses, as well as documents and records, may be authorized and issued by the chairman, or any other member of the Subcommittee designated by him, with notice to the ranking minority member. A written notice of intent to issue a subpoena shall be provided to the chairman and ranking minority member of the Committee, or staff officers designated by them, by the Subcommittee chairman or a staff officer designated by him, immediately upon such authorization, and no subpoena shall issue for at least 48 hours, excluding Saturdays and Sundays, from delivery to the appropriate offices, unless the chairman and ranking minority member waive the 48-hour waiting period or unless the Subcommittee chairman certifies in writing to the chairman and ranking minority member that, in his opinion, it is necessary to issue a subpoena immediately.

3. The chairman shall have the authority to call meetings of the Subcommittee. This authority may be delegated by the chairman to any other member of the Subcommittee when necessary.

4. If at least three members of the Subcommittee desire the chairman to call a special meeting, they may file in the office of the Subcommittee, a written request therefor, addressed to the chairman. Immediately thereafter, the clerk of the Subcommittee shall notify the chairman of such request. If, within 3 calendar days after the filing of such request, the chairman fails to call the re-

requested special meeting, which is to be held within 7 calendar days after the filing of such request, a majority of the Subcommittee members may file in the office of the Subcommittee their written notice that a special Subcommittee meeting will be held, specifying the date and hour thereof, and the Subcommittee shall meet on that date and hour. Immediately upon the filing of such notice, the Subcommittee clerk shall notify all Subcommittee members that such special meeting will be held and inform them of its date and hour. If the chairman is not present at any regular, additional or special meeting, the ranking majority member present shall preside.

5. For public or executive sessions, one member of the Subcommittee shall constitute a quorum for the administering of oaths and the taking of testimony in any given case or subject matter.

Five (5) members of the Subcommittee shall constitute a quorum for the transaction of Subcommittee business other than the administering of oaths and the taking of testimony.

6. All witnesses at public or executive hearings who testify to matters of fact shall be sworn.

7. If, during public or executive sessions, a witness, his counsel, or any spectator conducts himself in such a manner as to prevent, impede, disrupt, obstruct, or interfere with the orderly administration of such hearing, the chairman or presiding member of the Subcommittee present during such hearing may request the Sergeant at Arms of the Senate, his representative or any law enforcement official to eject said person from the hearing room.

8. Counsel retained by any witness and accompanying such witness shall be permitted to be present during the testimony of such witness at any public or executive hearing, and to advise such witness while he is testifying, of his legal rights, Provided, however, that in the case of any witness who is an officer or employee of the government, or of a corporation or association, the Subcommittee chairman may rule that representation by counsel from the government, corporation, or association, or by counsel representing other witnesses, creates a conflict of interest, and that the witness may only be represented during interrogation by staff or during testimony before the Subcommittee by personal counsel not from the government, corporation, or association, or by personal counsel not representing other witnesses. This rule shall not be construed to excuse a witness from testifying in the event his counsel is ejected for conducting himself in such a manner so as to prevent, impede, disrupt, obstruct, or interfere with the orderly administration of the hearings; nor shall this rule be construed as authorizing counsel to coach the witness or answer for the witness. The failure of any witness to secure counsel shall not excuse such witness from complying with a subpoena or deposition notice.

9. Depositions.

9.1 Notice. Notices for the taking of depositions in an investigation authorized by the Subcommittee shall be authorized and issued by the chairman. The chairman of the full Committee and the ranking minority member of the Subcommittee shall be kept fully apprised of the authorization for the taking of depositions. Such notices shall specify a time and place of examination, and the name of the Subcommittee member or members or staff officer or officers

who will take the deposition. The deposition shall be in private. The Subcommittee shall not initiate procedures leading to criminal or civil enforcement proceedings for a witness' failure to appear unless the deposition notice was accompanied by a Subcommittee subpoena.

9.2 Counsel. Witnesses may be accompanied at a deposition by counsel to advise them of their legal rights, subject to the provisions of Rule 8.

9.3 Procedure. Witnesses shall be examined upon oath administered by an individual authorized by local law to administer oaths. Questions shall be propounded orally by Subcommittee members or staff. Objections by the witness as to the form of questions shall be noted for the record. If a witness objects to a question and refuses to testify on the basis of relevance or privilege, the Subcommittee members or staff may proceed with the deposition, or may, at that time or at a subsequent time, seek a ruling by telephone or otherwise on the objection from the chairman or such Subcommittee member as designated by him. If the chairman or designated member overrules the objection, he may refer the matter to the Subcommittee or he may order and direct the witness to answer the question, but the Subcommittee shall not initiate procedures leading to civil or criminal enforcement unless the witness refuses to testify after he has been ordered and directed to answer by a member of the Subcommittee.

9.4 Filing. The Subcommittee staff shall see that the testimony is transcribed or electronically recorded. If it is transcribed, the witness shall be furnished with a copy for review pursuant to the provisions of Rule 12. The individual administering the oath shall certify on the transcript that the witness was duly sworn in his presence, the transcriber shall certify that the transcript is a true record of the testimony, and the transcript shall then be filed with the Subcommittee clerk. Subcommittee staff may stipulate with the witness to changes in this procedure; deviations from this procedure which do not substantially impair the reliability of the record shall not relieve the witness from his obligation to testify truthfully.

10. Any witness desiring to read a prepared or written statement in executive or public hearings shall file a copy of such statement with the chief counsel or chairman of the Subcommittee 48 hours in advance of the hearings at which the statement is to be presented unless the chairman and the ranking minority member waive this requirement. The Subcommittee shall determine whether such statement may be read or placed in the record of the hearing.

11. A witness may request, on grounds of distraction, harassment, personal safety, or physical discomfort, that during the testimony, television, motion picture, and other cameras and lights shall not be directed at him. Such requests shall be ruled on by the Subcommittee members present at the hearing.

12. An accurate stenographic record shall be kept of the testimony of all witnesses in executive and public hearings. The record of his own testimony whether in public or executive session shall be made available for inspection by witness or his counsel under Subcommittee supervision; a copy of any testimony given in public

session or that part of the testimony given by the witness in executive session and subsequently quoted or made part of the record in a public session shall be made available to any witness at his expense if he so requests.

13. Interrogation of witnesses at Subcommittee hearings shall be conducted on behalf of the Subcommittee by members and authorized Subcommittee staff personnel only.

14. Any person who is the subject of an investigation in public hearings may submit to the chairman of the Subcommittee questions in writing for the cross-examination of other witnesses called by the Subcommittee. With the consent of a majority of the members of the Subcommittee present and voting, these questions, or paraphrased versions of them, shall be put to the witness by the chairman, by a member of the Subcommittee or by counsel of the Subcommittee.

15. Any person whose name is mentioned or who is specifically identified, and who believes that testimony or other evidence presented at a public hearing, or comment made by a Subcommittee member or counsel, tends to defame him or otherwise adversely affect his reputation, may (a) request to appear personally before the Subcommittee to testify in his own behalf, or, in the alternative, (b) file a sworn statement of facts relevant to the testimony or other evidence or comment complained of. Such request and such statement shall be submitted to the Subcommittee for its consideration and action.

If a person requests to appear personally before the Subcommittee pursuant to alternative (a) referred to herein, said request shall be considered untimely if it is not received by the chairman of the Subcommittee or its counsel in writing on or before thirty (30) days subsequent to the day on which said person's name was mentioned or otherwise specifically identified during a public hearing held before the Subcommittee, unless the chairman and the ranking minority member waive this requirement.

If a person requests the filing of his sworn statement pursuant to alternative (b) referred to herein, the Subcommittee may condition the filing of said sworn statement upon said person agreeing to appear personally before the Subcommittee and to testify concerning the matters contained in his sworn statement, as well as any other matters related to the subject of the investigation before the Subcommittee.

16. All testimony taken in executive session shall be kept secret and will not be released for public information without the approval of a majority of the Subcommittee.

17. No Subcommittee report shall be released to the public unless approved by a majority of the Subcommittee and after no less than 10 days' notice and opportunity for comment by the members of the Subcommittee unless the need for such notice and opportunity to comment has been waived in writing by a majority of the minority members.

18. The ranking minority member may select for appointment to the Subcommittee staff a chief counsel for the minority and such other professional staff members and clerical assistants as he deems advisable. The total compensation allocated to such minority staff members shall not be less than one-third the total amount al-

located for all Subcommittee staff salaries during any given year. The minority staff members shall work under the direction and supervision of the ranking minority member. The chief counsel for the minority shall be kept fully informed as to preliminary inquiries, investigations, and hearings, and shall have access to all material in the files of the Subcommittee.

19. When it is determined by the chairman and ranking minority member, or by a majority of the Subcommittee, that there is reasonable cause to believe that a violation of law may have occurred, the chairman and ranking minority member by letter, or the Subcommittee by resolution, are authorized to report such violation to the proper State, local and/or Federal authorities. Such letter or report may recite the basis for the determination of reasonable cause. This rule is not authority for release of documents or testimony.

(d) Nothing in this resolution shall be construed as amending, limiting, or otherwise changing the authority of any standing committee of the Senate to obtain full and prompt access to the product of the intelligence activities of any department or agency of the Government relevant to a matter otherwise within the jurisdiction of such committee.

SEC. 4. (a) The select committee, for the purpose of accountability to the Senate, shall make regular and periodic reports to the Senate on the nature and extent of the intelligence activities of the various departments and agencies of the United States. Such committee shall promptly call to the attention of the Senate or to any other appropriate committee or committees of the Senate any matters requiring the attention of the Senate or such other committee or committees. In making such report, the select committee shall proceed in a manner consistent with section 8(c)(2) to protect national security.

(b) The select committee shall obtain an annual report from the Director of the Central Intelligence Agency, the Secretary of Defense, the Secretary of State, and the Director of the Federal Bureau of Investigation. Such reports shall review the intelligence activities of the agency or department concerned and the intelligence activities of foreign countries directed at the United States or its interest. An unclassified version of each report may be made available to the public at the discretion of the select committee. Nothing

herein shall be construed as requiring the public disclosure in such reports of the names of individuals engaged in intelligence activities for the United States or the divulging of intelligence methods employed or the sources of information on which such reports are based or the amounts of funds authorized to be appropriated for intelligence activities.

(c) On or before March 15 of each year, the select committee shall submit to the Committee on the Budget of the Senate the views and estimates described in section 301(c) of the Congressional Budget Act of 1974 regarding matters within the jurisdiction of the select committee.

SEC. 5. (a) For the purposes of this resolution, the select committee is authorized in its discretion (1) to make investigations into any matter within its jurisdiction, (2) to make expenditures from the contingent fund of the Senate, (3) to employ personnel, (4) to hold hearings, (5) to sit and act at any time or place during the sessions, recesses, and adjourned periods of the Senate, (6) to require, by subpoena or otherwise, the attendance of witnesses and the production of correspondence, books, papers, and documents, (7) to take depositions and other testimony, (8) to procure the service of individual consultants or organizations thereof, in accordance with the provisions of section 202(i) of the Legislative Reorganization Act of 1946, and (9) with the prior consent of the Government department or agency concerned and the Committee on Rules and Administration, to use on a reimbursable basis the services of personnel of any such department or agency.

(b) The chairman of the select committee or any Member thereof may administer oaths to witnesses.

(c) Subpoenas authorized by the select committee may be issued over the signature of the chairman, the vice chairman or any Member of the select committee designated by the chairman, and may be served by any person designated by the chairman or any Member signing the subpoenas.

SEC. 6. No employee of the select committee or any person engaged by contract or otherwise to perform services for or at the request of such committee shall be given access to any classified information by such committee unless such employee or person has (1) agreed in writing and under oath to be bound by the rules of the Senate (including the jurisdiction of the [Select Committee on Ethics]) and of such committee as to the security of such information during and after the period of his employment or contractual agreement with such committee; and (2) received an appropriate security clearance as determined by such committee in consultation with the Director of Central Intelligence. The type of security clearance to be required in the case of any such employee or person shall, within the determination of such committee in consultation with the Director of Central Intelligence, be commensurate with the sensitivity of the classified information to which such employee or person will be given access by such committee.

SEC. 7. The select committee shall formulate and carry out such rules and procedures as it deems necessary to prevent the disclosure, without the consent of the person or persons concerned, of information in the possession of such committee which unduly infringes upon the privacy or which violates the constitutional rights

of such person or persons. Nothing herein shall be construed to prevent such committee from publicly disclosing any such information in any case in which such committee determines the national interest in the disclosure of such information clearly outweighs any infringement on the privacy of any person or persons.

SEC. 8. (a) The select committee may, subject to the provisions of this section, disclose publicly any information in the possession of such committee after a determination by such committee that the public interest would be served by such disclosure. Whenever committee action is required to disclose any information under this section, the committee shall meet to vote on the matter within five days after any Member of the committee requests such a vote. No Member of the select committee shall disclose any information, the disclosure of which requires a committee vote, prior to a vote by the committee on the question of the disclosure of such information or after such vote except in accordance with this section.

(b)(1) In any case in which the select committee votes to disclose publicly any information which has been classified under established security procedures, which has been submitted to it by the executive branch, and which the executive branch requests be kept secret, such committee shall notify the President of such vote.

(2) The select committee may disclose publicly such information after the expiration of a five-day period following the day on which notice of such vote is transmitted to the President, unless, prior to the expiration of such five-day period, the President, personally in writing, notifies the committee that he objects to the disclosure of such information, provides his reasons therefor, and certifies that the threat to the national interest of the United States posed by such disclosure is of such gravity that it outweighs any public interest in the disclosure.

(3) If the President, personally in writing, notifies the select committee of his objections to the disclosure of such information as provided in paragraph (2), such committee may, by majority vote, refer the question of the disclosure of such information to the Senate for consideration. The committee shall not publicly disclose such information without leave of the Senate.

(4) Whenever the select committee votes to refer the question of disclosure of any information to the Senate under paragraph (3), the chairman shall not later than the first day on which the Senate is in session following the day on which the vote occurs, report the matter to the Senate for its consideration.

(5) One hour after the Senate convenes on the fourth day on which the Senate is in session following the day on which any such matter is reported to the Senate, or at such earlier time as the majority leader and the minority leader of the Senate jointly agree upon in accordance with [paragraph 5 of rule XVII of the Standing Rules of the Senate], the Senate shall go into closed session and the matter shall be the pending business. In considering the matter in closed session the Senate may—

(A) approve the public disclosure of all or any portion of the information in question, in which case the committee shall publicly disclose the information ordered to be disclosed,

(B) disapprove the public disclosure of all or any portion of the information in question, in which case the committee shall

not publicly disclose the information ordered not to be disclosed, or

(C) refer all or any portion of the matter back to the committee, in which case the committee shall make the final determination with respect to the public disclosure of the information in question.

Upon conclusion of the consideration of such matter in closed session, which may not extend beyond the close of the ninth day on which the Senate is in session following the day on which such matter was reported to the Senate, or the close of the fifth day following the day agreed upon jointly by the majority and minority leaders in accordance with [paragraph 5 of rule XVII of the Standing Rules of the Senate] (whichever the case may be), the Senate shall immediately vote on the disposition of such matter in open session, without debate, and without divulging the information with respect to which the vote is being taken. The Senate shall vote to dispose of such matter by one or more of the means specified in clauses (A), (B), and (C) of the second sentence of this paragraph. Any vote of the Senate to disclose any information pursuant to this paragraph shall be subject to the right of a Member of the Senate to move for reconsideration of the vote within the time and pursuant to the procedures specified in rule XIII of the Standing Rules of the Senate, and the disclosure of such information shall be made consistent with that right.

(c)(1) No information in the possession of the select committee relating to the lawful intelligence activities of any department or agency of the United States which has been classified under established security procedures and which the select committee, pursuant to subsection (a) or (b) of this section, has determined should not be disclosed shall be made available to any person by a Member, officer, or employee of the Senate except in a closed session of the Senate or as provided in paragraph (2).

(2) The select committee may, under such regulations as the committee shall prescribe to protect the confidentiality of such information, make any information described in paragraph (1) available to any other committee or any other Member of the Senate. Whenever the select committee makes such information available, the committee shall keep a written record showing, in the case of any particular information, which committee or which Members of the Senate received such information. No Member of the Senate who, and no committee which, receives any information under this subsection, shall disclose such information except in a closed session of the Senate.

(d) It shall be the duty of the [Select Committee on Ethics] to investigate any unauthorized disclosure of intelligence information by a Member, officer or employee of the Senate in violation of subsection (c) and to report to the Senate concerning any allegation which it finds to be substantiated.

(e) Upon the request of any person who is subject to any such investigation, the [Select Committee on Ethics] shall release to such individual at the conclusion of its investigation a summary of its investigation together with its findings. If, at the conclusion of its investigation, the [Select Committee on Ethics] determines that there has been a significant breach of confidentiality or unauthor-

ized disclosure by a Member, officer, or employee of the Senate, it shall report its findings to the Senate and recommend appropriate action such as censure, removal from committee Membership, or expulsion from the Senate, in the case of a Member, or removal from office or employment or punishment for contempt, in the case of an officer or employee.

SEC. 9. The select committee is authorized to permit any personal representative of the President, designated by the President to serve as a liaison to such committee, to attend any closed meeting of such committee.

SEC. 10. Upon expiration of the Select Committee on Governmental Operations With Respect to Intelligence Activities, established by Senate Resolution 21, Ninety-fourth Congress, all records, files, documents, and other materials in the possession, custody, or control of such committee, under appropriate conditions established by it, shall be transferred to the select committee.

SEC. 11. (a) It is the sense of the Senate that the head of each department and agency of the United States should keep the select committee fully and currently informed with respect to intelligence activities, including any significant anticipated activities, which are the responsibility of or engaged in by such department or agency: *Provided*, That this does not constitute a condition precedent to the implementation of any such anticipated intelligence activity.

(b) It is the sense of the Senate that the head of any department or agency of the United States involved in any intelligence activities should furnish any information or document in the possession, custody, or control of the department or agency, or person paid by such department or agency, whenever requested by the select committee with respect to any matter within such committee's jurisdiction.

(c) It is the sense of the Senate that each department and agency of the United States should report immediately upon discovery to the select committee any and all intelligence activities which constitute violations of the constitutional rights of any person, violations of law, or violations of Executive orders, Presidential directives, or departmental or agency rules or regulations; each department and agency should further report to such committee what actions have been taken or are expected to be taken by the departments or agencies with respect to such violations.

SEC. 12. Subject to the Standing Rules of the Senate, no funds shall be appropriated for any fiscal year beginning after September 30, 1976, with the exception of a continuing bill or resolution, or amendment thereto, or conference report thereon, to, or for use of, any department or agency of the United States to carry out any of the following activities, unless such funds shall have been previously authorized by a bill or joint resolution passed by the Senate during the same or preceding fiscal year to carry out such activity for such fiscal year:

- (4) The intelligence activities of other agencies and subdivisions of the Department of Defense.

(5) The intelligence activities of the Department of State.

(6) The intelligence activities of the Federal Bureau of Investigation, including all activities of the Intelligence Division.

SEC. 13. (a) The select committee shall make a study with respect to the following matters, taking into consideration with respect to each such matter, all relevant aspects of the effectiveness of planning, gathering, use, security, and dissemination of intelligence:

(1) the quality of the analytical capabilities of United States foreign intelligence agencies and means for integrating more closely analytical intelligence and policy formulation;

(2) the extent and nature of the authority of the departments and agencies of the executive branch to engage in intelligence activities and the desirability of developing charters for each intelligence agency or department;

(3) the organization of intelligence activities in the executive branch to maximize the effectiveness of the conduct, oversight, and accountability of intelligence activities; to reduce duplication or overlap; and to improve the morale of the personnel of the foreign intelligence agencies;

(4) the conduct of covert and clandestine activities and the procedures by which Congress is informed of such activities;

(5) the desirability of changing any law, Senate rule or procedure, or any Executive order, rule, or regulation to improve the protection of intelligence secrets and provide from disclosure of information for which there is no compelling reason for secrecy;

(6) the desirability of establishing a standing committee of the Senate on intelligence activities;

(7) the desirability of establishing a joint committee of the Senate and the House of Representatives on intelligence activities in lieu of having separate committees in each House of Congress, or of establishing procedures under which separate committees on intelligence activities of the two Houses of Congress would receive joint briefings from the intelligence agencies and coordinate their policies with respect to the safeguarding of sensitive intelligence information;

(8) the authorization of funds for the intelligence activities of the Government and whether disclosure of any of the amounts of such funds is in the public interest; and

(9) the development of a uniform set of definitions for terms to be used in policies or guidelines which may be adopted by the executive or legislative branches to govern, clarify, and strengthen the operation of intelligence activities.

(b) The select committee may, in its discretion, omit from the special study required by this section any matter it determines has been adequately studied by the Select Committee To Study Governmental Operations With Respect to Intelligence Activities, established by Senate Resolution 21, Ninety-fourth Congress.

(c) The select committee shall report the results of the study provided for by this section to the Senate, together with any recommendations for legislative or other actions it deems appropriate, no later than July 1, 1977, and from time to time thereafter as it deems appropriate.

8.4 COUNSEL FOR THE WITNESS.—(a) Any witness may be accompanied by counsel. A witness who is unable to obtain counsel may inform the Committee of such fact. If the witness informs the Committee of this fact at least 24 hours prior to his or her appearance before the Committee, the Committee shall then endeavor to obtain voluntary counsel for the witness. Failure to obtain such counsel will not excuse the witness from appearing and testifying.

(b) Counsel shall conduct themselves in an ethical and professional manner. Failure to do so shall, upon a finding to that effect by a majority of the members present, subject such counsel to disciplinary action which may include warning, censure, removal, or a recommendation of contempt proceedings.

(c) There shall be no direct or cross-examination by counsel. However, counsel may submit in writing any question he wishes propounded to his client or to any other witness and may, at the conclusion of his client's testimony, suggest the presentation of other evidence or the calling of other witnesses. 8.7 INSPECTION AND CORRECTION.—All witnesses testifying before the Committee shall be given a reasonable opportunity to inspect, in the office of the Committee, the transcript of their testimony to determine whether such testimony was correctly transcribed. The witness may be accompanied by counsel. Any corrections the wit-

ness desires to make in the transcript shall be submitted in writing to the Committee within five days from the date when the transcript was made available to the witness. Corrections shall be limited to grammar and minor editing, and may not be made to change the substance of the testimony. Any questions arising with respect to such corrections shall be decided by the Chairman. Upon request, those parts of testimony given by a witness in executive session which are subsequently quoted or made part of a public record shall be made available to that witness at his or her expense.

8.8 REQUESTS TO TESTIFY.—The Committee will consider requests to testify on any matter or measure pending before the Committee. A person who believes that testimony or other evidence presented at a public hearing, or any comment made by a Committee member or a member of the Committee staff may tend to affect adversely his or her reputation, may request to appear personally before the Committee to testify on his or her own behalf, or may file a sworn statement of facts relevant to the testimony, evidence, or comment, or may submit to the Chairman proposed questions in writing for the cross-examination of other witnesses. The Committee shall take such action as it deems appropriate.

8.9 CONTEMPT PROCEDURES.—No recommendation that a person be cited for contempt of Congress shall be forwarded to the Senate unless and until the Committee has, upon notice to all its members, met and considered the alleged contempt, afforded the person an opportunity to state in writing or in person why he or she should not be held in contempt, and agreed, by majority vote of the Committee to forward such recommendation to the Senate.

8.10 RELEASE OF NAME OF WITNESS.—Unless authorized by the Chairman, the name of any witness scheduled to be heard by the Committee shall not be released prior to, or after, his or her appearance before the Committee.

9.1 Committee staff offices shall operate under strict precautions. At least one security guard shall be on duty at all times by the entrance to control entry. Before entering the office all persons shall identify themselves.

9.2 Sensitive or classified documents and material shall be segregated in a secure storage area. They may be examined only at secure reading facilities. Copying, duplicating, or removal from the Committee offices of such documents and other materials is prohibited except as is necessary for use in, or preparation for, interviews or Committee meetings, including the taking of testimony, and in conformity with Section 10.3 hereof. All documents or materials removed from the Committee offices for such authorized purposes must be returned to the Committee's secure storage area for overnight storage.

9.3 Each member of the Committee shall at all times have access to all papers and other material received from any source. The Staff Director shall be responsible for the maintenance, under appropriate security procedures, of a registry which will number and

identify all classified papers and other classified materials in the possession of the Committee, and such registry shall be available to any member of the Committee.

9.4 Whenever the Select Committee on Intelligence makes classified material available to any other Committee of the Senate or to any member of the Senate not a member of the Committee, such material shall be accompanied by a verbal or written notice to the recipient advising of their responsibility to protect such materials pursuant to section 8 of S. Res. 400 of the 94th Congress. The Clerk of the Committee shall ensure that such notice is provided and shall maintain a written record identifying the particular information transmitted and the Committee or members of the Senate receiving such information.

9.5 Access to classified information supplied to the Committee shall be limited to those Committee staff members with appropriate security clearance and a need-to-know, as determined by the Committee, and, under the Committee's direction, the Staff Director and minority Staff Director.

9.6 No member of the Committee or of the Committee staff shall disclose, in whole or in part or by way of summary, to any person not a member of the Committee or the Committee staff for any purpose or in connection with any proceeding, judicial or otherwise, any testimony given before the Committee in executive session including the name of any witness who appeared or was called to appear before the Committee in executive session, or the contents of any papers or materials or other information received by the Committee except as authorized herein, or otherwise as authorized by the Committee in accordance with Section 8 of S. Res. 400 of the 94th Congress and the provisions of these rules, or in the event of the termination of the Committee, in such a manner as may be determined by the Senate. For purposes of this paragraph, members and staff of the Committee may disclose classified information in the possession of the Committee only to persons with appropriate security clearances who have a need to know such information for an official governmental purpose related to the work of the Committee. Information discussed in executive sessions of the Committee and information contained in papers and materials which are not classified but which are controlled by the Committee may be disclosed only to persons outside the Committee who have a need to know such information for an official governmental purpose related to the work of the Committee and only if such disclosure has been authorized by the Chairman and Vice Chairman of the Committee, or by the Staff Director and minority Staff Director, acting on their behalf. Failure to abide by this provision shall constitute grounds for referral to the Select Committee on Ethics pursuant to Section 8 of S. Res. 400.

9.7 Before the Committee makes any decision regarding the disposition of any testimony, papers, or other materials presented to it, the Committee members shall have a reasonable opportunity to examine all pertinent testimony, papers, and other materials that have been obtained by the members of the Committee or the Committee staff.

9.8 Attendance of persons outside the Committee at closed meetings of the Committee shall be kept at a minimum and shall be

limited to persons with appropriate security clearance and a need-to-know the information under consideration for the execution of their official duties. Notes taken at such meeting by any person in attendance shall be returned to the secure storage area in the Committee's offices at the conclusion of such meetings, and may be made available to the department, agency, office, committee or entity concerned only in accordance with the security procedures of the Committee.

RULE 10. STAFF

10.1. For purposes of these rules, Committee staff includes employees of the Committee, consultants to the Committee, or any other person engaged by contract or otherwise to perform services for or at the request of the Committee. To the maximum extent practicable, the Committee shall rely on its full-time employees to perform all staff functions. No individual may be retained as staff of the Committee or to perform services for the Committee unless that individual holds appropriate security clearances.

10.2. The appointment of Committee staff shall be confirmed by a majority vote of the Committee. After confirmation, the Chairman shall certify Committee staff appointments to the Financial Clerk of the Senate in writing. No Committee staff shall be given access to any classified information or regular access to the Committee offices, until such Committee staff has received an appropriate security clearance as described in Section 6 of Senate Resolution 400 of the 94th Congress.

10.3. The Committee staff works for the Committee as a whole, under the general supervision of the Chairman and Vice Chairman of the Committee. The duties of Committee staff shall be performed, and Committee staff personnel affairs and day-to-day operations, including security and control of classified documents and material, shall be administered under the direct supervision and control of the Staff Director. The Minority Staff Director and the Minority Counsel shall be kept fully informed regarding all matters and shall have access to all material in the files of the Committee.

10.4. The Committee staff shall assist the minority as fully as the majority in the expression of minority views, including assistance in the preparation and filing of additional, separate and minority views, to the end that all points of view may be fully considered by the Committee and the Senate.

10.5. The members of the Committee staff shall not discuss either the substance or procedure of the work of the Committee with any person not a member of the Committee or the Committee staff for any purpose or in connection with any proceeding, judicial or otherwise, either during their tenure as a member of the Committee staff or at any time thereafter except as directed by the Committee in accordance with Section 8 of S. Res. 400 of the 94th Congress and the provisions of these rules, or in the event of the termination of the Committee, in such a manner as may be determined by the Senate.

10.6. No member of the Committee staff shall be employed by the Committee unless and until such a member of the Committee staff agrees in writing, as a condition of employment to abide by the con-

ditions of the nondisclosure agreement promulgated by the Senate Select Committee on Intelligence, pursuant to Section 6 of S. Res. 400 of the 94th Congress, 2d Session, and to abide by the Committee's code of conduct.

10.7. No member of the Committee staff shall be employed by the Committee unless and until such a member of the Committee staff agrees in writing, as a condition of employment, to notify the Committee or in the event of the Committee's termination the Senate of any request for his or her testimony, either during his or her tenure as a member of the Committee staff or at any time thereafter with respect to information which came into his or her possession by virtue of his or her position as a member of the Committee staff. Such information shall not be disclosed in response to such requests except as directed by the Committee in accordance with Section 8 of S. Res. 400 of the 94th Congress and the provisions of these rules, or in the event of the termination of the Committee, in such manner as may be determined by the Senate.

10.8. The Committee shall immediately consider action to be taken in the case of any member of the Committee staff who fails to conform to any of these Rules. Such disciplinary action may include, but shall not be limited to, immediate dismissal from the Committee staff.

The spirit of this requirement is to assure adequate notice to the public and other Members of the Senate as to the time and subject matter of proposed hearings. In the spirit of section 133A(a) and

in order to assure that Members of the committee are themselves fully informed and involved in the development of hearings:

2. Seven days prior to public notice of each committee or subcommittee hearing, committee or subcommittee should provide written notice to each Member of the committee of the time, place, and specific subject matter of such hearing, accompanied by a list of those witnesses who have been or are proposed to be invited to appear.

3. The committee and its subcommittee should, to the maximum feasible extent, enforce the provisions of rule 9 of the committee rules as it relates to the submission of written statements of witnesses twenty-four hours in advance of a hearing. When statements are received in advance of a hearing, the committee or subcommittee (as appropriate) should distribute copies of such statements to each of its Members.

Seven days prior to the proposed date for an executive session for the purpose of marking up bills the committee or subcommittee (as appropriate) should provide written notice to each of its Members as to the time, place, and specific subject matter of such sessions, including an agenda listing each bill or other matters to be considered and including:

4. Insofar as practical, prior to the scheduled date for an executive session for the purpose of marking up bills, the committee or a subcommittee (as appropriate) should provide each Member with

a copy of the printed record or a summary of any hearings conducted by the committee or a subcommittee with respect to each bill, joint resolution, or other legislative matter to be considered at such executive session.

of each meeting. In the event such meeting is canceled, the Committee shall immediately notify such designated office.

(f) Written notice of a Committee meeting, accompanied by an agenda enumerating the items of business to be considered, shall be sent to all Committee members at least 72 hours (not counting Saturdays, Sundays, and Federal holidays) in advance of each meeting. (g) Subject to the second sentence of this paragraph, it shall not be in order for the Committee to consider any amendment in the first degree proposed to any measure under consideration by the Committee unless a written copy of such amendment has been delivered to each member of the Committee at least 24 hours before the meeting at which the amendment is to be proposed. Committee action on a nomination, including hearings or a meeting to consider a motion to recommend confirmation, shall not be initiated until at least five days after the nominee submits the form required by this rule unless the Chairman, with the concurrence of the Ranking Minority Member, waives this waiting period.

IX. NAMING OF DEPARTMENT OF VETERANS AFFAIRS FACILITIES

THE TECHNOLOGY ASSESSMENT BOARD

TITLE 2, UNITED STATES CODE—THE CONGRESS

§ 471. Congressional findings and declaration of purpose

The Congress hereby finds and declares that:

(a) As technology continues to change and expand rapidly, its applications are—

- (1) large and growing in scale; and
- (2) increasingly extensive, pervasive, and critical in their impact, beneficial and adverse, on the natural and social environment.

(c) The Congress further finds that:

(1) the Federal agencies presently responsible directly to the Congress are not designed to provide the legislative branch with adequate and timely information, independently developed, relating to the potential impact of technological applications, and

(2) the present mechanisms of the Congress do not and are not designed to provide the legislative branch with such information.

(d) Accordingly, it is necessary for the Congress to —

COMMITTEE PROCEDURE

1.¹ Each standing committee, including any subcommittee of any such committee, is authorized to hold such hearings, to sit and act at such times and places during the sessions, recesses, and adjourned periods of the Senate, to require by subpoena or otherwise the attendance of such witnesses and the production of such correspondence, books, papers, and documents, to take such testimony and to make such expenditures out of the contingent fund of the Senate as may be authorized by resolutions of the Senate. Each such committee may make investigations into any matter within its jurisdiction, may report such hearings as may be had by it, and may employ stenographic assistance at a cost not exceeding the amount prescribed by the Committee on Rules and Administration.² The expenses of the committee shall be paid from the contingent fund of the Senate upon vouchers approved by the chairman.

2.³ Each committee⁴ shall adopt rules (not inconsistent with the Rules of the Senate) governing the procedure of such committee. The rules of each committee shall be published in the Congressional Record not later than March 1 of the first year of each Congress, except that if any such committee is established on or after February 1 of a year, the rules of that committee during the year of establishment shall be published in the Congressional Record not later than sixty days after such establishment. Any amendment to the rules of a committee shall not take effect until the amendment is published in the Congressional Record.

3. Each standing committee (except the Committee on Appropriations) shall fix regular weekly, biweekly, or monthly meeting days for the transaction of business before the committee and additional meetings may be called by the chairman as he may deem necessary. If at least three members of any such committee desire that a special meeting of the committee be called by the chairman, those members may file in the offices of the committee their written request to the chairman for that special meeting. Immediately upon the filing of the request, the clerk of the committee shall notify the chairman of the filing of the request. If, within three calendar days after the filing of the request, the chairman does not call the re-

¹ As amended, S. Res. 281, 96-2, Mar. 11, 1980 (effective Feb. 28, 1981).

² Pursuant to section 68c of title 2, United States Code, the Committee on Rules and Administration issues "Regulations Governing Rates Payable to Commercial Reporting Firms for Reporting Committee Hearings in the Senate." Copies of the regulations currently in effect may be obtained from the Committee.

⁴ The term "each committee" when used in these rules includes standing, select, and special committees unless otherwise specified.

requested special meeting, to be held within seven calendar days after the filing of the request, a majority of the members of the committee may file in the offices of the committee their written notice that a special meeting of the committee will be held, specifying the date and hour of that special meeting. The committee shall meet on that date and hour. Immediately upon the filing of the notice, the clerk of the committee shall notify all members of the committee that such special meeting will be held and inform them of its date and hour. If the chairman of any such committee is not present at any regular, additional, or special meeting of the committee, the ranking member of the majority party on the committee who is present shall preside at that meeting.

4. (a) Each committee (except the Committee on Appropriations and the Committee on the Budget) shall make public announcement of the date, place, and subject matter of any hearing to be conducted by the committee on any measure or matter at least one week before the commencement of that hearing unless the committee determines that there is good cause to begin such hearing at an earlier date.

(b) Each committee (except the Committee on Appropriations) shall require each witness who is to appear before the committee in any hearing to file with the clerk of the committee, at least one day before the date of the appearance of that witness, a written statement of his proposed testimony unless the committee chairman and the ranking minority member determine that there is good cause for noncompliance. If so requested by any committee, the staff of the committee shall prepare for the use of the members of the committee before each day of hearing before the committee a digest of the statements which have been so filed by witnesses who are to appear before the committee on that day.

(c) After the conclusion of each day of hearing, if so requested by any committee, the staff shall prepare for the use of the Members of the committee a summary of the testimony given before the committee on that day. After approval by the chairman and the ranking minority member of the committee, each such summary may be printed as a part of the committee hearings if such hearings are ordered by the committee to be printed.

(d) Whenever any hearing is conducted by a committee (except the Committee on Appropriations) upon any measure or matter, the minority on the committee shall be entitled, upon request made by a majority of the minority members to the chairman before the completion of such hearing, to call witnesses selected by the minority to testify with respect to the measure or matter during at least one day of hearing thereon.

5. (a) Notwithstanding any other provision of the rules, when the Senate is in session, no committee of the Senate or any subcommittee thereof may meet, without special leave, after the conclusion of the first two hours after the meeting of the Senate commenced and in no case after two o'clock postmeridian unless consent therefor has been obtained from the majority leader and the minority leader (or in the event of the absence of either of such leaders, from his designee). The prohibition contained in the preceding sentence shall not apply to the Committee on Appropriations or the Committee on the Budget. The majority leader or his designee shall an-

nounce to the Senate whenever consent has been given under this subparagraph and shall state the time and place of such meeting. The right to make such announcement of consent shall have the same priority as the filing of a cloture motion.

(b) Each meeting of a committee, or any subcommittee thereof, including meetings to conduct hearings, shall be open to the public, except that a meeting or series of meetings by a committee or a subcommittee thereof on the same subject for a period of no more than fourteen calendar days may be closed to the public on a motion made and seconded to go into closed session to discuss only whether the matters enumerated in clauses (1) through (6) would require the meeting to be closed, followed immediately by a record vote in open session by a majority of the Members of committee or subcommittee when it is determined that the matters to be discussed or the testimony to be taken at such meeting or meetings—

(1) will disclose matters necessary to be kept secret in the interests of national defense or the confidential conduct of the foreign relations of the United States;

(2) will relate solely to matters of committee staff personnel or internal staff management or procedure;

(3) will tend to charge an individual with crime or misconduct, to disgrace or injure the professional standing of an individual, or otherwise to expose an individual to public contempt or obloquy, or will represent a clearly unwarranted invasion of the privacy of an individual;

(4) will disclose the identity of any informer or law enforcement agent or will disclose any information relating to the investigation or prosecution of a criminal offense that is required to be kept secret in the interests of effective law enforcement;

(5) will disclose information relating to the trade secrets of financial or commercial information pertaining specifically to a given person if—

(A) an Act of Congress requires the information to be kept confidential by Government officers and employees; or

(B) the information has been obtained by the Government on a confidential basis, other than through an application by such person for a specific Government financial or other benefit, and is required to be kept secret in order to prevent undue injury to the competitive position of such person; or

(6) may divulge matters required to be kept confidential under other provisions of law or Government regulations.

(c) Whenever any hearing conducted by any such committee or subcommittee is open to the public, that hearing may be broadcast by radio or television, or both, under such rules as the committee or subcommittee may adopt.

(d) Whenever disorder arises during a committee meeting that is open to the public, or any demonstration of approval or disapproval is indulged in by any person in attendance at any such meeting, it shall be the duty of the Chair to enforce order on his own initiative and without any point of order being made by a Senator. When the Chair finds it necessary to maintain order, he shall have the power to clear the room, and the committee may act in closed session for so long as there is doubt of the assurance of order.

(e) Each committee shall prepare and keep a complete transcript or electronic recording adequate to fully record the proceeding of each meeting or conference whether or not such meeting or any part thereof is closed under this paragraph, unless a majority of its members vote to forgo such a record.

6. Morning meetings of committees and subcommittees thereof shall be scheduled for one or both of the periods prescribed in this paragraph. The first period shall end at eleven o'clock ante-meridian. The second period shall begin at eleven o'clock ante-meridian and end at two o'clock postmeridian.

7. (a)(1) Except as provided in this paragraph, each committee, and each subcommittee thereof is authorized to fix the number of its members (but not less than one-third of its entire membership) who shall constitute a quorum thereof for the transaction of such business as may be considered by said committee, except that no measure or matter or recommendation shall be reported from any committee unless a majority of the committee were physically present.

(2) Each such committee, or subcommittee, is authorized to fix a lesser number than one-third of its entire membership who shall constitute a quorum thereof for the purpose of taking sworn testimony.

(3) The vote of any committee to report a measure or matter shall require the concurrence of a majority of the members of the committee who are present. No vote of any member of any committee to report a measure or matter may be cast by proxy if rules adopted by such committee forbid the casting of votes for that purpose by proxy; however, proxies may not be voted when the absent committee member has not been informed of the matter on which he is being recorded and has not affirmatively requested that he be so recorded. Action by any committee in reporting any measure or matter in accordance with the requirements of this subparagraph shall constitute the ratification by the committee of all action theretofore taken by the committee with respect to that measure or matter, including votes taken upon the measure or matter or any amendment thereto, and no point of order shall lie with respect to that measure or matter on the ground that such previous action with respect thereto by such committee was not taken in compliance with such requirements.

(b) Each committee (except the Committee on Appropriations) shall keep a complete record of all committee action. Such record shall include a record of the votes on any question on which a record vote is demanded. The results of rollcall votes taken in any meeting of any committee upon any measure, or any amendment thereto, shall be announced in the committee report on that measure unless previously announced by the committee, and such announcement shall include a tabulation of the votes cast in favor of and the votes cast in opposition to each such measure and amendment by each member of the committee who was present at that meeting.

(c) Whenever any committee by rollcall vote reports any measure or matter, the report of the committee upon such measure or matter shall include a tabulation of the votes cast by each member of the committee in favor of and in opposition to such measure or

matter. Nothing contained in this subparagraph shall abrogate the power of any committee to adopt rules—

(1) providing for proxy voting on all matters other than the reporting of a measure or matter, or

(2) providing in accordance with subparagraph (a) for a lesser number as a quorum for any action other than the reporting of a measure or matter.

8. (a) In order to assist the Senate in—

(1) its analysis, appraisal, and evaluation of the application, administration, and execution of the laws enacted by the Congress, and

(2) its formulation, consideration, and enactment of such modifications of or changes in those laws, and of such additional legislation, as may be necessary or appropriate,

each standing committee (except the Committees on Appropriations and the Budget), shall review and study, on a continuing basis the application, administration, and execution of those laws, or parts of laws, the subject matter of which is within the legislative jurisdiction of that committee. Such committees may carry out the required analysis, appraisal, and evaluation themselves, or by contract, or may require a Government agency to do so and furnish a report thereon to the Senate. Such committees may rely on such techniques as pilot testing, analysis of costs in comparison with benefits, or provision for evaluation after a defined period of time.

(b) In each odd-numbered year, each such committee shall submit, not later than March 31, to the Senate, a report on the activities of that committee under this paragraph during the Congress ending at noon on January 3 of such year.

9.⁵ (a) Except as provided in subparagraph (b), each committee shall report one authorization resolution each year authorizing the committee to make expenditures out of the contingent fund of the Senate to defray its expenses, including the compensation of members of its staff and agency contributions related to such compensation, during the period beginning on March 1 of such year and ending on the last day of February of the following year. Such annual authorization resolution shall be reported not later than January 31 of each year, except that, whenever the designation of members of standing committees of the Senate occurs during the first session of a Congress at a date later than January 20, such resolution may be reported at any time within thirty days after the date on which the designation of such members is completed. After the annual authorization resolution of a committee for a year has been agreed to, such committee may procure authorization to make additional expenditures out of the contingent fund of the Senate during that year only by reporting a supplemental authorization resolution. sought at the time of the submission by such committee of its annual authorization resolution for that year.

(b) In lieu of the procedure provided in subparagraph (a), the Committee on Rules and Administration may—

(1) direct each committee to report an authorization resolution for a two year budget period beginning on March 1 of the first session of a Congress; and

(2) report one authorization resolution containing more than one committee authorization for a one year or two year budget period.

10. (a) All committee hearings, records, data, charts, and files shall be kept separate and distinct from the congressional office records of the member serving as chairman of the committee; and such records shall be the property of the Senate and all members of the committee and the Senate shall have access to such records. Each committee is authorized to have printed and bound such testimony and other data presented at hearings held by the committee.

(b) It shall be the duty of the chairman of each committee to report or cause to be reported promptly to the Senate any measure approved by his committee and to take or cause to be taken necessary steps to bring the matter to a vote. In any event, the report of any committee upon a measure which has been approved by the committee shall be filed within seven calendar days (exclusive of days on which the Senate is not in session) after the day on which there has been filed with the clerk of the committee a written and signed request of a majority of the committee for the reporting of that measure. Upon the filing of any such request, the clerk of the committee shall transmit immediately to the chairman of the committee notice of the filing of that request. This subparagraph does not apply to the Committee on Appropriations.

(c) If at the time of approval of a measure or matter by any committee (except for the Committee on Appropriations), any Member of the committee gives notice of intention to file supplemental, minority, or additional views, that member shall be entitled to not less than three calendar days in which to file such views, in writing, with the clerk of the committee. All such views so filed by one or more members of the committee shall be included within, and shall be a part of, the report filed by the committee with respect to that measure or matter. The report of the committee upon that measure or matter shall be printed in a single volume which—

(1) shall include all supplemental, minority, or additional views which have been submitted by the time of the filing of the report, and

(2) shall bear upon its cover a recital that supplemental, minority, or additional views are included as part of the report.

This subparagraph does not preclude—

(A) the immediate filing and printing of a committee report unless timely request for the opportunity to file supplemental, minority, or additional views has been made as provided by this subparagraph; or

(B) the filing by any such committee of any supplemental report upon any measure or matter which may be required for

the correction of any technical error in a previous report made by that committee upon that measure or matter.

11. (a) The report accompanying each bill or joint resolution of a public character reported by any committee (except the Committee on Appropriations and the Committee on the Budget) shall contain—

(1) an estimate, made by such committee, of the costs which would be incurred in carrying out such bill or joint resolution in the fiscal year in which it is reported and in each of the five fiscal years following such fiscal year (or for the authorized duration of any program authorized by such bill or joint resolution, if less than five years), except that, in the case of measures affecting the revenues, such reports shall require only an estimate of the gain or loss in revenues for a one-year period; and

(2) a comparison of the estimate of costs described in subparagraph (1) made by such committee with any estimate of costs made by any Federal agency; or

(3) in lieu of such estimate or comparison, or both, a statement of the reasons why compliance by the committee with the requirements of subparagraph (1) or (2), or both, is impracticable.

(b) Each such report (except those by the Committee on Appropriations) shall also contain—

(1) an evaluation, made by such committee, of the regulatory impact which would be incurred in carrying out the bill or joint resolution. The evaluation shall include (A) an estimate of the numbers of individuals and businesses who would be regulated and a determination of the groups and classes of such individuals and businesses, (B) a determination of the economic impact of such regulation on the individuals, consumers, and businesses affected, (C) a determination of the impact on the personal privacy of the individuals affected, and (D) a determination of the amount of additional paperwork that will result from the regulations to be promulgated pursuant to the bill or joint resolution, which determination may include, but need not be limited to, estimates of the amount of time and financial costs required of affected parties, showing whether the effects of the bill or joint resolution could be substantial, as well as reasonable estimates of the recordkeeping requirements that may be associated with the bill or joint resolution; or

(2) in lieu of such evaluation, a statement of the reasons why compliance by the committee with the requirements of clause (1) is impracticable.

(c) It shall not be in order for the Senate to consider any such bill or joint resolution if the report of the committee on such bill or joint resolution does not comply with the provisions of subparagraphs (a) and (b) on the objection of any Senator.

12. Whenever a committee reports a bill or a joint resolution repealing or amending any statute or part thereof it shall make a report thereon and shall include in such report or in an accompanying document (to be prepared by the staff of such committee) (a) the text of the statute or part thereof which is proposed to be repealed; and (b) a comparative print of that part of the bill or joint

resolution making the amendment and of the statute or part thereof proposed to be amended, showing by stricken-through type and italics, parallel columns, or other appropriate typographical devices the omissions and insertions which would be made by the bill or joint resolution if enacted in the form recommended by the committee. This paragraph shall not apply to any such report in which it is stated that, in the opinion of the committee, it is necessary to dispense with the requirements of this subsection to expedite the business of the Senate.

13. (a) Each committee (except the Committee on Appropriations) which has legislative jurisdiction shall, in its consideration of all bills and joint resolutions of a public character within its jurisdiction, endeavor to insure that—

(1) all continuing programs of the Federal Government and of the government of the District of Columbia, within the jurisdiction of such committee or joint committee, are designed; and

(2) all continuing activities of Federal agencies, within the jurisdiction of such committee or joint committee, are carried on;

so that, to the extent consistent with the nature, requirements, and objectives of those programs and activities, appropriations therefor will be made annually.

(b) Each committee (except the Committee on Appropriations) shall with respect to any continuing program within its jurisdiction for which appropriations are not made annually, review such program, from time to time, in order to ascertain whether such program could be modified so that appropriations therefor would be made annually.

RULE XXVII OF THE STANDING RULES OF THE SENATE

1.¹ Staff members appointed to assist minority members of committees pursuant to authority of a resolution described in paragraph 9 of rule XXVI or other Senate resolution shall be accorded equitable treatment with respect to the fixing of salary rates, the assignment of facilities, and the accessibility of committee records.

2. The minority shall receive fair consideration in the appointment of staff personnel pursuant to authority of a resolution described in paragraph 9 of rule XXVI.

The committee shall thereafter adjust its budget to comply with such resolution. Such adjustment shall be equitably made over a four-year period, commencing July 1, 1977, with not less than one-half being made in two years. Upon request by a majority of the minority members of any committee by resolution, proportionate space, equipment, and facilities shall be provided for such minority staff.

4. No committee shall appoint to its staff any experts or other personnel detailed or assigned from any department or agency of the Government, except with the written permission of the Committee on Rules and Administration.

² The procedures created by the Government Employee Rights Act also apply to allegations of violations of sections 101–105 of the Family and Medical Leave Act of 1993, section 501 of which extends coverage of those sections to Senate employees. *See 2 U.S.C. § 60m.*

The Director shall submit an annual budget request for the Office to the Committee on Appropriations.

(4) Appointment of Director

The first Director shall be appointed and begin service within 90 days after November 21, 1991, and thereafter the Director shall be appointed and begin service within 30 days after the beginning of the session of the Congress immediately following the termination of a Director's term of service or within 60 days after a vacancy occurs in the position.³

The Director may—

(1) refer the employee to the Architect or to the Capitol Police Board, as appropriate, for a period generally up to 90 days, unless the Director determines a longer period is appropriate for resolution of the employee's complaint through the internal procedures of the Architect or the Capitol Police Board; or

(2) allow the employee to proceed under Rules 4 and 5 or 6 without recourse to the internal procedures of the Architect or the Capitol Police Board.

Unless the Director determines that referral would not be appropriate, the Office will generally refer cases to the Architect of the Capitol or to the Capitol Police Board.

When an employee raises in the internal procedures of the Architect or of the Capitol Police Board an allegation of discrimination and when there has been no referral by the Director, any final decision pursuant to the procedures of the Architect of the Capitol or of the Capitol Police Board should include notice to the employee of his or her right to initiate the procedures under these rules within 180 days after the alleged violation occurred.

(e) NOTICE IN FINAL DECISIONS WHEN THERE HAS BEEN A REFERRAL BY THE DIRECTOR. When the Director has referred a case to the Architect or to the Capitol Police Board for resolution, the Architect or the Capitol Police Board should include notice to the employee of his or her right to resume the procedures under these rules within 20 days after service on the employee of the final decision and shall transmit a copy of the final decision, settlement agreement, or other final disposition of the case to the Director.

With the consent of both parties, the Director may ask the mediator(s) to continue to work with the parties after the mediation period.

6.6 CONFIDENTIALITY. Except as necessary to consult with counsel or other designated representative, the parties to the mediation, the mediator(s), and the Office shall not disclose in whole or in part or by way of summary any information or records obtained during mediation. This Rule shall not preclude the mediator from consulting with the Office nor preclude the Director from reporting statistical information to the Senate that does not reveal the identity of employees or employing offices involved in mediation. All parties to the action will be advised of the importance of confidentiality in this process.

RULE 7. FORMAL COMPLAINTS

7.1 WHO MAY FILE. An employee who has made a timely request for counseling under Rule 4.2 and has completed the counseling and mediation procedures under Rules 5 and 6, may file a formal complaint with the Office.

(c) If an employee fails to prosecute an action, the hearing board may dismiss the action with prejudice. A dismissal by a hearing board under this Rule is subject to Committee review under Rule 14.2. If no timely request for review is filed with the Office, the dismissal is a final decision of the Office under Rule 14.4(a) and subject to judicial review as described in Rule 15.

9.2 DISMISSAL BY THE EMPLOYEE. An employee may dismiss his or her own complaint by filing a notice of dismissal with the Director for transmittal to the hearing board, and by serving it on the head of the employing office or designee at any time. A dismissal under this paragraph shall preclude a subsequent initiation of procedures under Rule 4 for consideration of an allegation or allega-

RULE 10. MOTIONS, BRIEFS, AND RESPONSES

The request shall include the proposed time for responding, or if a deposition, the proposed time and place of taking the deposition. At the prehearing conference, the hearing board shall consider the requests for discovery from each party, and, if appropriate, shall order whatever discovery is necessary. Discovery shall be completed within a time set by the hearing board after due consideration of the particular case, including the need to conduct the hearing within 30 to 90 days after the filing of the complaint. When required, subpoenas for discovery may be sought from the hearing board.

RULE 12. SUBPOENAS

12.1 AUTHORITY AND ISSUANCE. Upon request of an employee or the head of an employing office, a hearing board may authorize a presiding hearing officer to issue subpoenas for the attendance of witnesses at proceedings of the hearing board and for the production of correspondence, books, papers, documents, and other records.

12.2 SERVICE. Subpoenas may be served by any individual over the age of 18 who is not a party in the proceeding in relation to which the subpoena is issued. Criminal or civil enforcement proceedings for a witness's failure to testify or to produce records shall not be initiated unless a duly authorized subpoena was served upon the witness.

12.3 OBJECTIONS. If a witness objects to testifying or producing records in response to a subpoena issued by the presiding hearing officer, the witness shall file a statement of any objection to the subpoena with the Office within 5 days after the date of service of the subpoena. Any response must be filed within 5 days after the date of service of the statement of objection. The hearing board shall rule on the objection within 10 days after the deadline for filing a response. If the hearing board overrules the objection it may order the witness to respond or may refer the matter under Rule 12.4.

12.4 REFERRAL TO THE COMMITTEE. After the hearing board has ruled on an objection, at the request of a witness, a party, or on its own initiative, the hearing board may refer the objection to the Committee for a ruling.

13.1 PREHEARING CONFERENCE. Within 7 days of the receipt of a complaint, the Director shall serve on the employee and the employing office written notice setting forth the time, date, and place of the prehearing conference with the hearing board, at which the hearing schedule will be established. The prehearing conference may also be used by the hearing board to consider the simplification of the issues and such other matters as may aid in the disposition of the proceeding by the hearing board. The hearing board shall issue an order which recites the action taken at the conference and the agreements made by the parties as to any of the matters considered and which limits the issues to those not disposed of by admissions or agreements of parties, and such order when entered controls the subsequent course of the proceeding, unless modified to prevent manifest injustice.

13.2 SCHEDULING A HEARING. Hearings shall be scheduled so that they may be conducted no later than 30 days after the filing of the complaint, except that the Director may, for good cause, extend up to an additional 60 days the time for conducting a hearing. An employee or an employing office may file with the hearing board a motion for such postponement of the hearing date. The hearing board in its discretion may disapprove any request for postponement of the hearing date or it may refer the request to the Director with a recommendation that good cause exists for postponement of the hearing date. The Director shall approve or disapprove the hearing board's recommendation within 2 working days of its receipt.

13.3 AUTHORITY OF HEARING BOARDS. Hearing boards shall conduct fair and impartial hearings and take all necessary action under the Act and these rules to avoid delay in the disposition of all proceedings. They shall have all powers necessary to that end unless otherwise limited by law, including, but not limited to, the authority to:

13.4 CONDUCT OF HEARINGS. Hearings shall be closed to non-participants, as determined by the hearing board, except that the Office may not be precluded from observing hearings. Hearings shall be conducted on the record and, to the greatest extent practicable, in accordance with the procedures set forth in 5 U.S.C. §§ 554–57. The rules of evidence will not be strictly followed unless otherwise specified by the hearing board, but irrelevant or repetitious evidence shall be excluded. For matters not covered by these rules, the hearing board may look to the Federal Rules of Civil Procedure, the Federal Rules of Evidence, or other sources of Federal law for guidance.

13.5 TRANSCRIPTS. An accurate electronic or stenographic record of the hearing shall be kept. The Office shall be responsible for the cost of transcription of the hearing. At the conclusion of the hearing, each party shall be provided with a copy of the transcript. Transcripts are confidential documents and the parties or the Office shall not disclose the transcript in whole or in part, except in furtherance of the adjudicatory process.

13.6 FAILURE TO COMPLY WITH AN ORDER. When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within a party's control, a request for admission, and/or production of a witness, the hearing board may:

- (a) draw an adverse inference against the non-complying party on the issue related to the information sought;
- (b) prohibit the party failing to comply with the order from introducing documentary evidence or testimony concerning the information sought; or
- (c) strike any part of the pleading or other submission of the party failing to comply with the request.

13.7 FAILURE TO TIMELY FILE. The hearing board may refuse to consider any motion or other document that is not filed in a timely fashion in compliance with these Rules.

13.8 CONFIDENTIALITY. Except as may be provided in the rules of the Committee and as provided in Rule 14.7, the hearings and deliberations of hearing boards shall be confidential. This Rule shall not preclude the Office from observing the hearing nor preclude the hearing board from consulting with the Office nor preclude the Director from reporting statistical information to the Senate that does not reveal the identity of employees or employing offices involved in the hearing. All parties to the action will be advised of the importance of confidentiality in this process.

RULE 14. HEARING BOARD DECISIONS, REQUESTS FOR COMMITTEE REVIEW, AND FINAL DECISIONS

As expeditiously as possible, but not later than 45 days after the conclusion of a hearing conducted under Rule 13, the hearing board shall issue a written decision and transmit it to the Director for transmittal to the employee and to the head of the employing office. The decision shall state the issues raised by the complaint, describe the evidence raised in the record, and contain a determination as to whether a violation has occurred. If a hearing board determines that discrimination has occurred, it shall order such remedies as would be appropriate if awarded under section 706 (g) and (k) of the Civil Rights Act of 1964 (42 U.S.C. 2000e-5(g) and (k)), and may also order the award of such compensatory damages as would be appropriate if awarded under section 1977 and 1977A(a) and (b)(2) of the Revised Statutes (42 U.S.C. 1981 and 1981A(a) and (b)(2)). Except as otherwise provided in Rule 14.7, decisions of the [hearing] board are confidential.

14.2 REQUESTS FOR COMMITTEE REVIEW. Not later than 10 days after receipt of the decision of a hearing board, including a decision following remand from the Committee, an employee or employing office may file with the Office a request that the Committee review the decision. A Request For Review must be received in the Office not later than the 10th day after the date of service of the decision [a postmark on the 10th day will not satisfy this timeliness requirement]. The Director, for good cause, may file a request for review by the Committee of a hearing board decision not later than 5 days after the time has expired for the employee and employing office to file a request for review to the Committee. The Office shall transmit to the Committee any request for review and shall serve a copy on the party or parties not seeking review.

14.3 REMAND TO THE HEARING BOARD. When the Committee remands a decision to a hearing board for the purpose of supplementing the record or for further consideration, the hearing

board may schedule a hearing. If a hearing is required, the hearing shall be conducted within 30 days. While the period for conducting a remand hearing may be extended up to 60 additional days using the process in Rule 13.2, such extensions are not favored.

14.4 FINAL DECISIONS OF THE OFFICE.

(a) **NO REQUEST FOR COMMITTEE REVIEW FILED.** When no timely request for Committee review is filed with the Office under Rule 14.2, the decision of the hearing board shall be entered in the Office records as a final decision.

(b) **REQUEST FOR REVIEW FILED.** When a timely request for Committee review is filed with the Office, following review by the Committee, the Office shall enter a final decision as follows:

(2) **COMMITTEE DETERMINATION NOT TO REVIEW.** When the Committee transmits to the Office a written determination not to review a decision of a hearing board for which review has been requested, the Office shall enter the hearing board decision in the Office records as a final decision.

(3) **NO COMMITTEE ACTION.** When a majority of the Committee does not vote to reverse or remand the decision of the hearing board within the time prescribed in section 308 (d)(2)(A) of the Act, the Office shall enter the decision of the hearing board in the Office records as a final decision.

14.5 NOTICE OF A FINAL DECISION. When a decision of a hearing board or of the Committee is entered in the Office records as a final decision, the Director shall notify the parties of the right to judicial review under section 309 of the Act.

14.6 FINAL DECISIONS REQUIRING PAYMENT OF MONEY. Any final decision requiring the payment of money shall be transmitted by the Office to the Committee on Rules and Administration for appropriate action under the Act. In the event that judicial review of such a final decision is sought by a party, the Office will keep the Committee on Rules and Administration advised of the status of the case.

14.7 PUBLIC RECORDS. The following final decisions that have been entered in the Office records shall be available to the public:

14.8 REPORT OF COMPLIANCE WITH FINAL DECISIONS. When a final decision of the Office orders relief for an employee, the employing office shall report the details of its compliance with the order to the

Director as soon as full relief has been provided. Complaints regarding non-compliance may be submitted to the Committee.

Any such agreement shall be signed by both parties and shall identify the matters that are being resolved. If a settlement agreement is reached following the filing of a complaint under Rule 7, the agreement must be approved by the Director. A settlement that includes the payment of money will in most cases require Senate authorization and the parties should consult with the Office for guidance.⁵

RULE 17. COSTS AND ATTORNEY'S FEES

No. 102-166, 105 Stat. 1088, to review hearing board decisions in employment discrimination cases filed with the Office of Senate Fair Employment Practices (the Office) under the Act, and by section 307(f) (2) and (3) of the Act to receive referrals for rulings on testimonial objections arising in connection with such cases, and to recommend to the Senate civil or criminal enforcement of hearing board subpoenas.

RULE 2. TIME

2.1 COMPUTATION OF TIME.

(a) **COUNTING DAYS.** A day means calendar day. In computing the time for taking any action required or permitted under these rules to be taken within a specified time, the first day counted shall be the day after the event from which the time period begins to run and the last day counted is the last day for taking the action. When the last day falls on a Saturday, Sunday, or federal government holiday or any other day, other than a Saturday or a Sunday, when the Office is closed, the last day for taking the action shall be the next day that is not a Saturday, Sunday, or federal government holiday or a day when the Office is closed. Where a prescribed time period is less than seven days, then Saturdays, Sundays, and federal government holidays shall be excluded from the computation of the time period. Federal government holiday means New Year's Day, Birthday of Martin Luther King, Jr., Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, Christmas Day, or any other day appointed as a holiday by the President or Congress of the United States.

(b) **ADDED DAYS FOR MAIL.** Whenever a party or the Office has the right or is required to do some act within a prescribed period after the date of service of a notice or other paper and the notice or other paper is served upon the party by mail through the United States Postal Service, 3 days shall be added to the prescribed pe-

riod. This additional 3 days does not apply to the request for Committee review under Rule 3.

2.2 SERVICE AND FILING. Except as otherwise provided in Rule 3.1, a document required under these rules to be submitted to or filed with the Committee or the Office, or served on a party or the Office within a specified time shall be deemed timely submitted, filed, or served if it is received by the Committee, the Office or the party, or if mailed, it is postmarked, on or before the last day of the applicable time period.

2.3 EXTENSION OF TIME. Upon written request of the Office or a party, the Committee may extend the time for taking action under these rules, except that the Committee may not extend the time for taking any action for which the Act specifies a time limit.

2.4 WHERE TO FILE. Documents required to be filed with the Committee shall be filed at the offices of the Senate Select Committee on Ethics, Hart Senate Office Building, Room 220, Washington, D.C. 20510. Documents required to be filed with or served on the Office shall be filed or served at the Office of Senate Fair Employment Practices, Hart Senate Office Building, Suite 103, Washington, D.C. 20510.

RULE 3. REQUESTS FOR COMMITTEE REVIEW OF HEARING BOARD DECISION

3.1 REQUIREMENTS FOR FILING A REQUEST FOR REVIEW.

(a) WHO MAY REQUEST REVIEW OF A HEARING BOARD DECISION. An employee or the head of an employing office with respect to whom a hearing board decision was issued is a party entitled to request Committee review of that decision. The Office may also request review of a decision.

(b) REQUEST BY A PARTY. Not later than 10 days after receipt of a decision of a hearing board, including any decision following a remand of the case as provided in Rule 4.2(c), a party may file with the Office a request that the Committee review the decision. A request for review shall specify the party requesting review, and shall designate the decision, or part thereof, for which review is requested. A request for review must be received in the Office not later than the 10th day after the date of receipt of the hearing board decision [a postmark on the 10th day will not satisfy this timeliness requirement]. Within 24 hours after receipt of a request for review, the Office shall transmit a copy of such request to the Committee and serve a copy on any other party.

(c) REQUEST BY THE OFFICE. The Office, at the discretion of its Director, on its own initiative and for good cause, may file with the Committee a request for review of a hearing board decision, including any decision following a remand of the case as provided in Rule 4.2(c), not later than 5 days after the time for the parties to file a request for review with the Office has expired. A request for review shall specify that the Office is requesting review, shall designate the decision, or part thereof, for which review is requested, and shall specify the circumstances which the Office asserts constitute good cause for the request. A request for review by the Office must be received in the Committee's office not later than the 5th day after the time for the parties to file a request for review

with the Office has expired [a postmark on the 5th day will not satisfy this timeliness requirement]. Within 24 hours after filing a request for review with the Committee, the Office shall serve a copy of such request on all parties.

3.2 TRANSMITTAL OF RECORD. As soon as possible, and in no event later than 10 days after receipt by the Office of a request for review or the Office's filing of a request for review with the Committee, the Office shall transmit to the Committee the full and complete record of the hearing board connected with the decision for which review has been requested. The Chief Clerk of the Committee shall promptly serve notice of the Committee's receipt of the record on all parties.

RULE 4. PROCEDURES UPON RECEIPT OF A REQUEST FOR REVIEW OF A HEARING BOARD DECISION

4.1 BRIEFS AND ARGUMENTS.

(a) PETITIONER BRIEF. A party who filed a request for review, or the Office if it requested review, may file a brief in support of its position. The brief shall be filed with the Committee and a copy served on any other party and the Office, if it requested review, within 10 days of the filing of the request for review with the Office, or the Committee if the Office requested review.

(b) RESPONDENT BRIEF. A party may file a brief in response to a petitioner's brief. Such respondent brief shall be filed with the Committee and a copy served on any other party and the Office, if the Office filed a request for review, within 15 days after service of the petitioner brief. If no petitioner brief is filed, such respondent brief shall be filed within 20 days of filing of the request for review. The Office may file a respondent brief only if it [filed] a request for review.

(c) REPLY BRIEF. Any reply brief shall be filed with the Committee and served on all parties and the Office if it requested review, within 5 days after service of the respondent brief to which it replies. No one may file a reply brief who did not file a petitioner brief.

(d) ALTERNATIVE BRIEFING SCHEDULE. With notice to all parties and the Office, if it requested review, the Committee may specify a different briefing schedule than that prescribed by subsections 4.1 (a), (b) and (c).

(e) ADDITIONAL BRIEFS. At its discretion, the Committee may direct or permit additional written briefs.

(f) REQUIREMENTS FOR BRIEFS. Briefs shall be on 8½ inch by 11 inch paper, one side only, and 15 copies shall be provided. No brief shall exceed 50 typewritten double spaced pages, excluding any table of contents, list of authorities, or attached copies of statutes, rules, or regulations. Footnotes shall not be used excessively to evade this limitation. All references to evidence or information in the record must be accompanied by notations indicating the page or pages where such evidence or information appears in the record.

(g) ORAL ARGUMENT. At the request of a party or the Office, the Committee may permit oral argument in exceptional circumstances. A request for oral argument must specify the circumstances which are asserted to be exceptional.

4.2 REMAND.

(a) **ONLY ONE REMAND.** There are two kinds of remand. The Committee may remand the record respecting a decision, or it may remand the case respecting a decision, but in no event can there be more than one remand with respect to a decision of a hearing board. If the Committee remands the record respecting a decision, there can be no further remand of any kind with respect to such decision. If the Committee remands the case respecting a decision, there can be no remand of any kind with respect to a hearing board decision issued following remand. A Committee decision remanding to the hearing board shall contain a written statement of the reasons for the Committee decision.

(b) **REMAND OF THE RECORD.** Within the time for a decision under subsection 308(d) of the Act, the Committee may remand the record of a decision to the hearing board for the purpose of supplementing the record. After the hearing board has supplemented the record as directed by the Committee, the hearing board shall transmit the record to the Office, and the Office shall immediately notify the parties of the hearing board's action and transmit the supplemented record to the Committee. The Committee retains jurisdiction over a request for review during remand of the record, and no new request for review is needed for further Committee consideration under section 308 of the Act. A record shall be deemed remanded to the hearing board until the day the Committee receives the supplemented record from the Office, and the Committee shall transmit a written final decision to the Office not later than 60 calendar days during which the Senate is in session after receipt of the record as supplemented on remand. The Committee may extend the 60 day period for 15 days during which the Senate is in session.

(c) **REMAND OF THE CASE.** Within the time for a decision under subsection 308(d) of the Act, the Committee may remand the case to the hearing board for the purpose of further consideration. After further consideration, the hearing board shall issue a new written decision with respect to the matter as provided in section 307 of the Act. If the Committee remands the case to the hearing board, the Committee does not retain jurisdiction, and a new request for review, filed in accordance with Rule 3, will be necessary if a party or the Office seeks review of a decision issued following remand.

4.3 FINAL WRITTEN DECISION. All final decisions shall include a statement of the reasons for the Committee's decision, together with dissenting views of Committee members, if any, and shall be transmitted to the Office not later than 60 calendar days during which the Senate is in session after filing of a request for review. The period for transmission to the Office of a final decision may be extended by the Committee for 15 calendar days during which the Senate is in session. A final written decision of the Committee with respect to a request for review may affirm, modify, or reverse the hearing board decision in whole or in part. The Committee may decide not to grant a request for review of a hearing board decision. The Committee will serve a copy of any final decision on all parties.

RULE 5. HEARING BOARD REFERRAL OF TESTIMONIAL OBJECTIONS

5.1 PROCEDURE FOR RULING ON TESTIMONIAL OBJECTIONS. If any witness to a hearing board proceeding appearing by subpoena objects to a question and refuses to testify, or refuses to produce a document, a hearing board may refer the objection to the Committee for a ruling. Such referrals may be made by telephone or otherwise to the Chairman or Vice Chairman of the Committee who may rule on the objection or refer the matter to the Committee for decision. If the Chairman or Vice Chairman, or the Committee upon referral, overrules the objection, the Chairman or Vice Chairman, or the Committee as the case may be, may direct the witness to answer the question or produce the document. The Committee, or the Chairman or Vice Chairman, shall rule on objections as expeditiously as possible.

5.2 ENFORCEMENT. The Committee may make recommendations to the Senate, including recommendations for criminal or civil enforcement, with respect to the failure or refusal of any person to appear or produce documents in obedience to a subpoena or order of a hearing board, or for the failure or refusal of any person to answer questions during his or her appearance as a witness in a proceeding under section 307 of the Act. The Office shall be deemed a Senate committee for purposes of section 1365 of Title 28 of the United States Code.

RULE 6. MEETINGS AND VOTING

6.1 QUORUM, PROXIES, RECORDED VOTES. A majority of the members of the Committee shall constitute a quorum for purposes of issuing a decision under section 308 of the Act, and for purposes of hearing oral argument if such argument is permitted. Proxy votes shall not be considered for the purpose of establishing a quorum, nor for purposes of decisions under section 308 (c) and (d) of the Act. Decisions of the Committee under section 308 (c) or (d) of the Act shall be by recorded vote.

6.2 MEETINGS. Meetings to consider matters before the Committee pursuant to the Act may be held at the call of the Chairman or Vice Chairman, if at least 48 hours notice is furnished to all Members. If all Members agree, a meeting may be held on less than 48 hours notice.

RULE 7. CONFIDENTIALITY OF PROCEEDINGS

CONFIDENTIALITY. The final written decision of the Committee shall be made public if the decision is in favor of a Senate employee who filed a complaint or if the decision reverses a decision of the hearing board which had been in favor of the employee. The Select Committee may decide to release any other decision at its discretion. All testimony, records, or documents received by the Committee in the course of any review under these rules shall otherwise be deemed "Committee Sensitive Information" and subject to the "Non-Disclosure Policy and Agreement" as prescribed in Rule 9 of the Committee's Supplemental Rules of Procedure.

RULE 8. AUTHORITY TO DISCIPLINE

OFFICIAL MISCONDUCT. None of the provisions of the Act or these rules limit the authority of the Committee under S. Res. 338, 88th Cong., 2d Sess. (1964), as amended, to otherwise review, investigate, and report to the Senate with respect to violations of the Senate Code of Official Conduct, or any other rule or regulation of the Senate relating to the conduct of individuals in the performance of their duties as members, officers, or employees of the Senate.

The failure of an agency to make final disposition of a claim within six months after it is filed shall, at the option of the claimant any time thereafter, be deemed a final denial of the claim for purposes of this section. (June 25, 1948, ch. 646, 62 Stat. 983; May 24, 1949, ch. 139, § 126, 63 Stat. 107; July 18, 1966, Pub. L. 89-506, § 2, 80 Stat. 306.)

(June 25, 1948, ch. 646, 62 Stat. 984.)

§ 2679. Exclusiveness of remedy

* * * * *

(b)(1) The remedy against the United States provided by sections 1346(b) and 2672 of this title for injury or loss of property, or personal injury or death arising or resulting from the negligent or wrongful act or omission of any employee of the Government while acting within the scope of his office or employment is exclusive of

any other civil action or proceeding for money damages by reason of the same subject matter against the employee whose act or omission gave rise to the claim or against the estate of such employee. Any other civil action or proceeding for money damages arising out of or relating to the same subject matter against the employee or the employee's estate is precluded without regard to when the act or omission occurred.

(2) Paragraph (1) does not extend or apply to a civil action against an employee of the Government—

(A) which is brought for a violation of the Constitution of the United States, or

(B) which is brought for a violation of a statute of the United States under which such action against an individual is otherwise authorized.

(c) The Attorney General shall defend any civil action or proceeding brought in any court against any employee of the Government or his estate for any such damage or injury. The employee against whom such civil action or proceeding is brought shall deliver within such time after date of service or knowledge of service as determined by the Attorney General, all process served upon him or an attested true copy thereof to his immediate superior or to whomsoever was designated by the head of his department to receive such papers and such person shall promptly furnish copies of the pleadings and process therein to the United States attorney for the district embracing the place wherein the proceeding is brought, to the Attorney General, and to the head of his employing Federal agency.

(d)(1) Upon certification by the Attorney General that the defendant employee was acting within the scope of his office or employment at the time of the incident out of which the claim arose, any civil action or proceeding commenced upon such claim in a United States district court shall be deemed an action against the United States under the provisions of this title and all references thereto, and the United States shall be substituted as the party defendant.

(2) Upon certification by the Attorney General that the defendant employee was acting within the scope of his office or employment at the time of the incident out of which the claim arose, any civil action or proceeding commenced upon such claim in a State court shall be removed without bond at any time before trial by the Attorney General to the district court of the United States for the district and division embracing the place in which the action or proceeding is pending. Such action or proceeding shall be deemed to be an action or proceeding brought against the United States under the provisions of this title and all references thereto, and the United States shall be substituted as the party defendant. This certification of the Attorney General shall conclusively establish scope of office or employment for purposes of removal.

(3) In the event that the Attorney General has refused to certify scope of office or employment under this section, the employee may at any time before trial petition the court to find and certify that the employee was acting within the scope of his office or employment. Upon such certification by the court, such action or proceeding shall be deemed to be an action or proceeding brought against the United States under the provisions of this title and all references thereto, and the United States shall be substituted as the

party defendant. A copy of the petition shall be served upon the United States in accordance with the provisions of Rule 4(d)(4) of the Federal Rules of Civil Procedure. In the event the petition is filed in a civil action or proceeding pending in a State court, the action or proceeding may be removed without bond by the Attorney General to the district court of the United States for the district and division embracing the place in which it is pending. If, in considering the petition, the district court determines that the employee was not acting within the scope of his office or employment, the action or proceeding shall be remanded to the State court.

§ 2680. Exceptions

The provisions of this chapter and section 1346(b) of this title shall not apply to—

(a) Any claim based upon an act or omission of an employee of the Government, exercising due care, in the execution of a statute or regulation, whether or not such statute or regulation be valid, or based upon the exercise or performance or the failure to exercise or perform a discretionary function or duty on the part of a federal agency or an employee of the Government, whether or not the discretion involved be abused.
