COMMUNICATION

FROM

THE PRESIDENT OF THE UNITED STATES

TRANSMITTING

HIS REQUESTS FOR FY 2003 BUDGET AMENDMENTS FOR THE DEPARTMENTS OF COMMERCE, DEFENSE, LABOR, TRANSPORTATION, AND THE TREASURY; THE ENVIRONMENTAL PROTECTION AGENCY; AND THE FEDERAL EMERGENCY MANAGEMENT AGENCY

MARCH 18, 2002.—Referred to the Committee on Appropriations and ordered to be printed

U.S. GOVERNMENT PRINTING OFFICE

THE WHITE HOUSE,
Washington, March 14, 2002.

Hon. J. DENNIS HASTERT,
Speaker of the House of Representatives,
Washington, DC.

DEAR MR. SPEAKER: I ask the Congress to consider the enclosed requests for FY 2003 budget amendments for the Departments of Commerce, Defense, Labor, Transportation, and the Treasury; the Environmental Protection Agency; and the Federal Emergency Management Agency. The discretionary budget authority proposed in my FY 2003 Budget would not be increased by these requests. However, the total budgetary resources available to the Department of Transportation would increase by \$596 million.

This transmittal also contains FY 2003 budget amendments for the Legislative Branch. As a matter of comity, appropriations requests of the Legislative Branch are transmitted without change. These additional amendments would increase discretionary resources for the Legislative Branch by \$40.4 million.

The details of these requests are set forth in the enclosed letter from the Director of the Office of Management and Budget. I concur with his comments and observations.

Sincerely,

GEORGE W. BUSH.

Enclosure.

[Estimate No. 3, 107th Cong., 2d Sess.]

EXECUTIVE OFFICE OF THE PRESIDENT,
OFFICE OF MANAGEMENT AND BUDGET,
Washington, DC, March 14, 2002.

The PRESIDENT,
The White House.

Submitted for your consideration are requests for FY 2003 technical budget amendments for the Departments of Commerce, Defense, Labor, Transportation, and the Treasury; the Environmental Protection Agency; and the Federal Emergency Management Agency (FEMA). The discretionary budget authority proposed in your FY 2003 Budget would not be increased by these amendments. However, the total budgetary resources available to the Department of Transportation would increase by \$596 million.

As described below and in more detail in the enclosures, the amendments include the following:

Department of Transportation

- An increase in the obligation limitation of the Federal Highway Administration at \$596 million. A mathematical error in the calculation of the amount of highway-related receipts credited to the highway account at the time the budget was prepared resulted in an incorrect level of highway funding in the budget.

FEMA

- Language clarifying that the Department of Justice's Office of Domestic Preparedness is proposed to be transferred entirely to FEMA and merged into the new First Responder initiative.

Other FY 2003 Amendments

Several other technical amendments to your FY 2003 Budget are included in this transmittal for the Departments of Commerce, Defense, Labor, and the Treasury, as well as the Environmental Protection Agency.

I have carefully reviewed these proposals and am satisfied that they are necessary at this time. Therefore, I join the heads of the affected Departments and agencies in recommending that you transmit the proposals to Congress.

Legislative Branch

Also included in this transmittal are amendments to your FY 2003 Budget for the Legislative Branch. As required by law and in a spirit of comity, appropriations requests of the Legislative Branch are submitted without change.

These amendments for the Legislative Branch would add discretionary resources to your FY 2003 Budget by \$40.4 million.

Sincerely,

MITCHELL E. DANIELS, Jr., *Director*.
