MESSAGE

FROM

THE PRESIDENT OF THE UNITED STATES

TRANSMITTING

A SIX MONTH PERIODIC REPORT ON THE NATIONAL EMERGENCY
WITH RESPECT TO THE WESTERN BALKANS THAT WAS DE-
CLARED IN EXECUTIVE ORDER 13219 OF JUNE 26, 2001, PURSU-
ANT TO 50 U.S.C. 1641(c) AND 50 U.S.C. 1703(c)

FEBRUARY 4, 2003.—Message and accompanying papers referred to the
Committee on International Relations and ordered to be printed

U.S. GOVERNMENT PRINTING OFFICE

To the Congress of the United States:

As required by section 401(c) of the National Emergencies Act, 50 U.S.C. 1641(c), and section 204(c) of the International Emergency Economic Powers Act, 50 U.S.C. 1703(c), I transmit herewith a 6-month report prepared by my Administration on the national emergency with respect to the Western Balkans that was declared in Executive Order 13219 of June 26, 2001.

GEORGE W. BUSH.

THE WHITE HOUSE, *January 29, 2003.*

PERIODIC REPORT ON THE NATIONAL EMERGENCY WITH RESPECT TO
THE WESTERN BALKANS

This report to the Congress addresses developments over the course of the past 6 months concerning the national emergency with respect to the Western Balkans that was declared in Executive Order 13219 of June 26, 2001, in response to the threats to peace and international stabilization efforts in the Western Balkans resulting from the actions of persons engaged in, or assisting, sponsoring, or supporting, (i) extremist violence in the former Yugoslav Republic of Macedonia, and elsewhere in the Western Balkans region, or (ii) acts obstructing implementation of the Dayton Accords in Bosnia or United Nations Security Council Resolution 1244 of June 10, 1999, in Kosovo. This report is submitted pursuant to section 204(c) of the International Emergency Economic Powers Act, 50 U.S.C. 1703(c), and section 401(c) of the National Emergencies Act, 50 U.S.C. 1641(c).

1. On May 30, 2002, the Department of the Treasury's Office of Foreign Assets Control ("OFAC") issued the Western Balkans Transactions Regulations (the "Regulations"), 31 C.F.R. Part 588 (67 Fed. Reg. 37671, May 30, 2002), as an interim final rule to implement Executive Order 13219. No public comments were received by the closing date of July 29, 2002.

2. In the 6-month period since June 27, 2002, OFAC designated three individuals meeting the criteria for blocking under Executive Order 13219. During this period, OFAC has issued no specific licenses authorizing transactions otherwise prohibited by the Regulations, and has neither assessed nor collected any civil monetary penalty for a violation of the Regulations. OFAC continues to administer the Western Balkans sanctions and to disseminate details of this program to the financial, securities, and international trade communities by both electronic and conventional media.

3. The expenses incurred by the Federal Government in the 6-month period from June 27 to December 26, 2002, that are directly attributable to the exercise of powers and authorities conferred by the declaration of a national emergency with respect to the Western Balkans, are estimated at approximately \$90,000, most of which represent wage and salary costs for Federal personnel. Personnel costs were largely centered in the Department of the Treasury (particularly in the Office of Foreign Assets Control, the Office of the Under Secretary for Enforcement, and the Office of the General Counsel) and the Department of the State.

4. The situation in the Western Balkans continues to present an extraordinary and unusual threat to the national security and foreign policy of the United States. I shall continue to exercise the powers at my disposal to deal with this unusual and extraordinary threat and will report periodically to the Congress on significant developments as required by law.

Background

On June 26, 2001, the President, invoking the authority, *inter alia*, of the International Emergency Economic Powers Act (50 U.S.C. 1701-1706) ("IEEPA"), issued Executive Order 13219 (66 FR 34777, June 29, 2001), effective at 12:01 a.m. eastern daylight time on June 27, 2001. The order declared a national emergency with respect to "the actions of persons engaged in, or assisting, sponsoring, or supporting, (i) extremist violence in the former Yugoslav Republic of Macedonia, southern Serbia, the Federal Republic of Yugoslavia, and elsewhere in the Western Balkans region, or (ii) acts obstructing implementation of the Dayton Accords in Bosnia or United Nations Security Council Resolution 1244 of June 10, 1999, in Kosovo, threaten the peace in or diminish the security and stability of those areas and the wider region, undermine the authority, efforts, and objectives of the United Nations, the North Atlantic Treaty Organization (NATO), and other international organizations and entities present in those areas and the wider region, and endanger the safety of persons participating in or providing support to the activities of those organizations and entities, including United States military forces and Government officials."

Section 1 of the order blocks, with certain exceptions, all property and interests in property of (1) persons listed in the Annex to the order and (2) persons designated by the Secretary of the Treasury, pursuant to criteria set forth in the order. Section 1 of the order further states that the blocking of property and interests in property includes, but is not limited to, the prohibition of the making or receiving by a United States person of any contribution or provision of funds, goods or services to or for the benefit of a person designated in or pursuant to the order.

Section 2 of the order prohibits any transaction by a United States person or within the United States that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in the order, as well as any conspiracy formed to violate such prohibitions.

Section 4 of the order authorizes the Secretary of the Treasury, in consultation with the Secretary of State, to take such actions, including the promulgation of rules and regulations, as may be necessary to carry out the purposes of the order. In furtherance of those purposes, the Department of the Treasury's Office of Foreign Assets Control ("OFAC"), acting under authority delegated by the Secretary of the Treasury, is promulgating the Western Balkans Regulations, 31 CFR Part 588 (the "Regulations").

Subpart B of the Regulations sets forth the prohibitions contained in sections 1 and 2 of the order. See: §§ 588.201, 588.204. Appendix A to 31 CFR chapter V has previously been amended to incorporate the names of persons set forth in the Annex to the order. Persons identified in the Annex to the order or designated by or under the authority of the Secretary of the Treasury pursuant to the order are referred to throughout the Regulations as "persons whose property or interests in property are blocked pursuant to § 588.201(a)." Their names are or will be published on OFAC's website, announced in the Federal Register and incorporated on an ongoing basis into appendix A to 31 CFR chapter V, which lists persons subject to various sanctions programs administered by OFAC.

Sections 588.202 and 588.203 of subpart B detail the effect of transfers of blocked property in violation of the Regulations and the required holding of blocked property in interest-bearing blocked accounts. Section 588.205 of subpart B provides that all expenses incident to the maintenance of blocked physical property shall be the responsibility of the owners and

operators of such property, and that such expenses shall not be met from blocked funds. The section further provides that blocked property may, in the discretion of the Director of OFAC, be sold or liquidated and the net proceeds placed in a blocked interest-bearing account in the name of the owner of the property.

Section 588.206 of subpart B details transactions that are exempt from the prohibitions of part 588. These exemptions derive from the exemptions set out in sections 203(b)(1), (3) and (4) of IEPPA (50 U.S.C. 1702(b)(1), (3), and (4)) and relate to personal communications, the importation and exportation of information or informational materials, and travel. The President determined in sec. 1(b) of the order that donations of the type specified in sec. 203(b)(2) of IEPPA (50 U.S.C. 1702(b)(2)), i.e., donations of articles such as food, clothing and medicine intended to be used to relieve human suffering, would seriously impair the President's ability to deal with the declared national emergency. Accordingly, the donation of such articles is not exempted from the scope of these Regulations and is prohibited, unless authorized by OFAC.

Subpart C of part 588 defines key terms used throughout the Regulations and subpart D sets forth interpretive sections regarding the general prohibitions contained in subpart B. Transactions otherwise prohibited under part 588 but found to be consistent with U.S. policy may be authorized by one of the general licenses contained in subpart E or by a specific license issued pursuant to the procedures described in subpart D of part 501 of 31 CFR chapter V.

Subpart F of part 588 refers to subpart C of part 501 for applicable recordkeeping and reporting requirements. Subpart G describes the civil and criminal penalties applicable to violations of the Regulations, as well as the procedures governing the potential imposition of a civil monetary penalty.

Subpart H of part 588 refers to subpart D of part 501 for applicable provisions relating to administrative procedures. Subpart I of the Regulations sets forth a Paperwork Reduction Act notice.

Request for Comments; Procedural Requirements

Because the Regulations involve a foreign affairs function, the provisions of Executive Order 12866 and the Administrative Procedure Act (5 U.S.C. 553) (the "APA") requiring notice of proposed rulemaking, opportunity for public participation, and delay in

effective date are inapplicable. However, because of the importance of the issues addressed in these regulations, this rule is being issued in interim form and comments will be considered in the development of final regulations. Accordingly, the Department encourages interested persons who wish to comment to do so at the earliest possible time to permit the fullest consideration of their views. Comments may address the impact of the Regulations on the submitter's activities, whether of a commercial, non-commercial or humanitarian nature, as well as changes that would improve the clarity and organization of the Regulations.

The period for submission of comments will close July 29, 2002. The Department will consider all comments received before the close of the comment period in developing final regulations. Comments received after the end of the comment period will be considered if possible, but their consideration cannot be assured. The Department will not accept public comments accompanied by a request that a part or all of the submission be treated confidentially because of its business proprietary nature or for any other reason. The Department will return such submission to the originator without considering them in the development of final regulations. In the interest of accuracy and completeness, the Department requires comments in written form.

All public comments on these Regulations will be a matter of public record. Copies of the public record concerning these Regulations will be made available not sooner than August 28, 2002 and will be obtainable from OFAC's website (<http://www.treas.gov/ofac>). If that service is unavailable, written requests for copies may be sent to: Office of Foreign Assets Control, U.S. Department of the Treasury, 1500 Pennsylvania Ave., NW., Washington, DC 20220, Attn: Chief, Records Division.

Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601-612) does not apply.

Paperwork Reduction Act

The collections of information related to the Regulations are contained in 31 CFR part 501 (the "Reporting and Procedures Regulations"). Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information have been previously approved by the Office of Management and Budget under control number 1505-0164. An agency may not conduct or

sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

Subpart A—Relation of This Part to Other Laws and Regulations

§ 588.101 Relation of this part to other laws and regulations.

This part is separate from, and independent of, the other parts of this chapter, with the exception of part 501 of this chapter, the recordkeeping and reporting requirements and license application and other procedures of which apply to this part. Actions taken pursuant to part 501 of this chapter with respect to the prohibitions contained in this part are considered actions taken pursuant to this part. Differing foreign policy and national security circumstances may result in differing interpretations of similar language among the parts of this chapter. No license or authorization contained in or issued pursuant to those other parts authorizes any transaction prohibited by this part. No license or authorization contained in or issued pursuant to any other provision of law or regulation authorizes any transaction prohibited by this part. No license or authorization contained in or issued pursuant to this part relieves the involved parties from complying with any other applicable laws or regulations.

Subpart B—Prohibitions

§ 588.201 Prohibited transactions involving blocked property.

(a) Except as authorized by regulations, orders, directives, rulings, instructions, licenses or otherwise, and notwithstanding any contracts entered into or any license or permit granted prior to the effective date, property or interests in property of the following persons that are in the United States, that hereafter come within the United States, or that are or hereafter come within the possession or control of U.S. persons, including their overseas branches, are blocked and may not be transferred, paid, exported, withdrawn or otherwise dealt in:

(1) Any person listed in the Annex to Executive Order 13219 of June 26, 2001 (3 CFR, 2001 Comp., p. 778); and

(2) Any person designated by the Secretary of the Treasury, in consultation with the Secretary of State, because they are found:

(i) To have committed, or to pose a significant risk of committing, acts of violence that have the purpose or effect of threatening the peace in or diminishing the stability or security of any area or state in the Western Balkans region, undermining the authority, efforts, or objectives of international organizations or entities present in the region, or endangering the safety of persons participating in or providing support to the activities of those international organizations or entities; or

(ii) To have actively obstructed, or to pose a significant risk of actively obstructing, implementation of the Dayton Accords in Bosnia or United Nations Security Council Resolution 1244 of June 10, 1999, in Kosovo; or

(iii) Materially to assist in, sponsor, or provide financial support for, or goods or services in support of, such acts of violence and obstructionism; or

(iv) To be owned or controlled by, or acting or purporting to act directly or indirectly for or on behalf of, any person designated in the Annex to Executive Order 13219 or any person otherwise designated by the Secretary of the Treasury pursuant to this section.

Note to paragraph (a) of § 588.201: The names of persons whose property or interests in property are blocked pursuant to paragraph (a) of this section will be published on OFAC's website, announced in the Federal Register and incorporated on an ongoing basis with the identifier [BALKANS] into appendix A to 31 CFR chapter V. Section 591.807 of this chapter V sets forth the procedures to be followed by persons seeking administrative reconsideration of their designation pursuant to paragraph (a)(2) of

this section or who wish to assert that the circumstances resulting in designation no longer apply. Similarly, when a transaction results in the blocking of funds at a financial institution pursuant to this section and a party to the transaction believes the funds to have been blocked due to mistaken identity, that party may seek to have such funds unblocked pursuant to the administrative procedures set forth in § 501.606 of this chapter.

(b) The blocking of property and interests in property pursuant to paragraph (a) of this section includes, but is not limited to, the prohibition of the making or receiving by a United States person of any contribution or provision of funds, goods or services to or for the benefit of a person whose property or interests in property are blocked pursuant to paragraph (a) of this section.

(c) Unless otherwise authorized by this part or by a specific license expressly referring to this section, any dealing in any security (or evidence thereof) held within the possession or control of a U.S. person and either registered or inscribed in the name of or known to be held for the benefit of any person whose property or interests in property are blocked pursuant to paragraph (a) of this section is prohibited. This prohibition includes but is not limited to the transfer (including the transfer on the books of any issuer or agent thereof), disposition, transportation, importation, exportation, or withdrawal of any such security or the endorsement or guaranty of signatures on any such security. This prohibition applies irrespective of the fact that at any time (whether prior to, on, or subsequent to the effective date) the registered or inscribed owner of any such security may have or might appear to have assigned, transferred, or otherwise disposed of the security.

§ 588.202 Effect of transfers violating the provisions of this part.

(a) Any transfer after the effective date that is in violation of any provision of this part or of any regulation, order, directive, ruling, instruction, or license issued pursuant to this part, and that involves any property or interest in property blocked pursuant to § 588.201(a), is null and void and shall not be the basis for the assertion or recognition of any interest in or right, remedy, power, or privilege with respect to such property or property interests.

(b) No transfer before the effective date shall be the basis for the assertion or recognition of any right, remedy, power, or privilege with respect to, or any interest in, any property or interest in property blocked pursuant to

§ 588.201(a), unless the person with whom such property is held or maintained, prior to that date, had written notice of the transfer or by any written evidence had recognized such transfer.

(c) Unless otherwise provided, an appropriate license or other authorization issued by or pursuant to the direction or authorization of the Director of the Office of Foreign Assets Control before, during, or after a transfer shall validate such transfer or make it enforceable to the same extent that it would be valid or enforceable but for the provisions of the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*), this part, and any regulation, order, directive, ruling, instruction, or license issued pursuant to this part.

(d) Transfers of property that otherwise would be null and void or unenforceable by virtue of the provisions of this section shall not be deemed to be null and void or unenforceable as to any person with whom such property was held or maintained (and as to such person only) in cases in which such person is able to establish to the satisfaction of the Director of the Office of Foreign Assets Control each of the following:

(1) Such transfer did not represent a willful violation of the provisions of this part by the person with whom such property was held or maintained;

(2) The person with whom such property was held or maintained did not have reasonable cause to know or suspect, in view of all the facts and circumstances known or available to such person, that such transfer required a license or authorization issued pursuant to this part and was not so licensed or authorized, or, if a license or authorization did purport to cover the transfer, that such license or authorization had been obtained by misrepresentation of a third party or withholding of material facts or was otherwise fraudulently obtained; and

(3) The person with whom such property was held or maintained filed with the Office of Foreign Assets Control a report setting forth in full the circumstances relating to such transfer promptly upon discovery that:

(i) Such transfer was in violation of the provisions of this part or any regulation, ruling, instruction, license, or other direction or authorization issued pursuant to this part;

(ii) Such transfer was not licensed or authorized by the Director of the Office of Foreign Assets Control; or

(iii) If a license did purport to cover the transfer, such license had been obtained by misrepresentation of a third

party or withholding of material facts or was otherwise fraudulently obtained.

Note to paragraph (d) of § 588.202: The filing of a report in accordance with the provisions of paragraph (d)(3) of this section shall not be deemed evidence that the terms of paragraphs (d)(1) and (d)(2) of this section have been satisfied.

(e) Unless licensed pursuant to this part, any attachment, judgment, decree, lien, execution, garnishment, or other judicial process is null and void with respect to any property in which on or since the effective date there existed an interest of a person whose property or interests in property are blocked pursuant to § 588.201(a).

§ 588.203 Holding of funds in interest-bearing accounts; investment and reinvestment.

(a) Except as provided in paragraph (c) or (d) of this section, or as otherwise directed by the Office of Foreign Assets Control, any U.S. person holding funds, such as currency, bank deposits, or liquidated financial obligations subject to § 588.201(a) shall hold or place such funds in a blocked interest-bearing account located in the United States.

(b)(1) For purposes of this section, the term blocked *interest-bearing account* means a blocked account:

(i) In a federally-insured U.S. bank, thrift institution, or credit union, provided the funds are earning interest at rates that are commercially reasonable; or

(ii) With a broker or dealer registered with the Securities and Exchange Commission under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*), provided the funds are invested in a money market fund or in U.S. Treasury bills.

(2) For purposes of this section, a rate is commercially reasonable if it is the rate currently offered to other depositors on deposits or instruments of comparable size and maturity.

(3) Funds held or placed in a blocked account pursuant to this paragraph (b) may not be invested in instruments the maturity of which exceeds 180 days. If interest is credited to a separate blocked account or subaccount, the name of the account party on each account must be the same.

(c) Blocked funds held in instruments the maturity of which exceeds 180 days at the time the funds become subject to § 588.201(a) may continue to be held until maturity in the original instrument, provided any interest, earnings, or other proceeds derived therefrom are paid into a blocked interest-bearing account in accordance with paragraph (b) or (d) of this section.

(d) Blocked funds held in accounts or instruments outside the United States at the time the funds become subject to § 588.201(a) may continue to be held in the same type of accounts or instruments, provided the funds earn interest at rates that are commercially reasonable.

(e) This section does not create an affirmative obligation for the holder of blocked tangible property, such as chattels or real estate, or of other blocked property, such as debt or equity securities, to sell or liquidate such property at the time the property becomes subject to § 588.201(a). However, the Office of Foreign Assets Control may issue licenses permitting or directing such sales in appropriate cases.

(f) Funds subject to this section may not be held, invested, or reinvested in a manner that provides immediate financial or economic benefit or access to any person whose property or interests in property are blocked pursuant to § 588.201(a), nor may their holder cooperate in or facilitate the pledging or other attempted use as collateral of blocked funds or other assets.

§ 588.204 Evasions; attempts; conspiracies.

(a) Except as otherwise authorized, and notwithstanding any contract entered into or any license or permit granted prior to the effective date, any transaction by any U.S. person or within the United States on or after the effective date that evades or avoids, has the purpose of evading or avoiding, or attempts to violate any of the prohibitions set forth in this part is prohibited.

(b) Except as otherwise authorized, and notwithstanding any contract entered into or any license or permit granted prior to the effective date, any conspiracy formed for the purpose of engaging in a transaction prohibited by this part is prohibited.

Unless otherwise specifically provided, any amendment, modification, or revocation of any provision in or appendix to this part or chapter or of any order, regulation, ruling, instruction, or license issued by or under the direction of the Director of the Office of Foreign Assets Control does not affect any act done or omitted, or any civil or criminal suit or proceeding commenced or pending prior to such amendment, modification, or revocation. All penalties, forfeitures, and liabilities under any such order, regulation, ruling, instruction, or license continue and may be enforced as if such amendment, modification, or revocation had not been made.

§ 588.403 Termination and acquisition of an interest in blocked property.

(a) Whenever a transaction licensed or authorized by or pursuant to this part results in the transfer of property (including any property interest) away from a person, such property shall no longer be deemed to be property

blocked pursuant to § 588.201(a), unless there exists in the property another interest that is blocked pursuant to § 588.201(a) or any other part of this chapter, the transfer of which has not been effected pursuant to license or other authorization.

(b) Unless otherwise specifically provided in a license or authorization issued pursuant to this part, if property (including any property interest) is transferred or attempted to be transferred to a person whose property or interests in property are blocked pursuant to § 588.201(a), such property shall be deemed to be property in which that person has an interest and therefore blocked.

(b) An incidental transaction, not explicitly authorized within the terms of the license, involving a debit to a blocked account or a transfer of blocked property.

(2) With respect to property interests subject to § 588.201.

(b) *Example:* U.S. persons may not, except as authorized by or pursuant to this part, provide legal, accounting, financial, brokering, freight forwarding, transportation, public relations, or other services to a person whose property or interests in property are blocked pursuant to § 588.201(a).

Note to § 588.405: See §§ 588.507 and 588.508, respectively, on licensing policy with regard to the provision of certain legal or medical services.

§ 588.406 Offshore transactions.

The prohibitions in § 588.201 on transactions involving blocked property apply to transactions by any U.S. person in a location outside the United States

with respect to property that the U.S. person knows, or has reason to know, is held in the name of a person whose property or interests in property are blocked pursuant to § 588.201(a) or in which the U.S. person knows, or has reason to know, a person whose property or interests in property are blocked pursuant to § 588.201(a) has had an interest since the effective date.

§ 588.408 Charitable contributions.

Unless otherwise specifically authorized by the Office of Foreign Assets Control by or pursuant to this part, no charitable contribution or donation of funds, goods, services, or technology may be made to or for the benefit of a person whose property or interests in property are blocked pursuant to § 588.201(a). For purposes of this part, a contribution or donation is made to or for the benefit of a person whose property or interests in property are blocked pursuant to § 588.201(a) if made to or in the name of such a person; if made to or in the name of an entity or individual acting for or on behalf of, or owned or controlled by, such a person; or if made in an attempt to violate, to evade or to avoid the bar on the provision of contributions or donations to such a person.

Subpart E—Licenses, Authorizations and Statements of Licensing Policy

§ 588.501 General and specific licensing procedures.

For provisions relating to licensing procedures, see part 501, subpart D, of

this chapter. Licensing actions taken pursuant to part 501 of this chapter with respect to the prohibitions contained in this part are considered actions taken pursuant to this part.

§ 588.502 Effect of license or authorization.

(a) No license or other authorization contained in this part, or otherwise issued by or under the direction of the Director of the Office of Foreign Assets Control, authorizes or validates any transaction effected prior to the issuance of the license, unless specifically provided in such license or authorization.

(b) No regulation, ruling, instruction, or license authorizes any transaction prohibited under this part unless the regulation, ruling, instruction or license is issued by the Office of Foreign Assets Control and specifically refers to this part. No regulation, ruling, instruction, or license referring to this part shall be deemed to authorize any transaction prohibited by any provision of this chapter unless the regulation, ruling, instruction, or license specifically refers to such provision.

(c) Any regulation, ruling, instruction, or license authorizing any transaction otherwise prohibited under this part has the effect of removing a prohibition contained in this part from the transaction, but only to the extent specifically stated by its terms. Unless the regulation, ruling, instruction, or license otherwise specifies, such an authorization does not create any right, duty, obligation, claim, or interest in, or with respect to, any property which would not otherwise exist under ordinary principles of law.

§ 588.503 Exclusion from licenses.

The Director of the Office of Foreign Assets Control reserves the right to exclude any person, property, or transaction from the operation of any license or from the privileges conferred by any license. The Director of the Office of Foreign Assets Control also reserves the right to restrict the applicability of any license to particular persons, property, transactions, or classes thereof. Such actions are binding upon all persons receiving actual or constructive notice of the exclusions or restrictions.

§ 588.504 Payments and transfers to blocked accounts in U.S. financial institutions.

Any payment of funds or transfer of credit in which a person whose property or interests in property are blocked pursuant to § 588.201(a) has any interest, that comes within the possession or control of a U.S. financial

institution, must be blocked in an account on the books of that financial institution. A transfer of funds or credit by a U.S. financial institution between blocked accounts in its branches or offices is authorized, provided that no transfer is made from an account within the United States to an account held outside the United States, and further provided that a transfer from a blocked account may only be made to another blocked account held in the same name.

Note to § 588.504. Please refer to § 501.603 of this chapter for mandatory reporting requirements regarding financial transfers. See also § 588.203 concerning the obligation to hold blocked funds in interest-bearing accounts.

§ 588.505 Entries in certain accounts for normal service charges authorized.

(a) A U.S. financial institution is authorized to debit any blocked account held at that financial institution in payment or reimbursement for normal service charges owed it by the owner of that blocked account.

(b) As used in this section, the term normal service charge shall include changes in payment or reimbursement for interest due; cable, telegraph, internet, or telephone charges; postage costs; custody fees; small adjustment charges to correct bookkeeping errors; and, but not by way of limitation, minimum balances charges, notary and protest fees, and charges for reference books, photocopies, credit reports, transcripts of statements, registered mail, insurance, stationery and supplies, and other similar items.

§ 588.506 Investment and reinvestment of certain funds.

Subject to the requirements of § 588.203, U.S. financial institutions are authorized to invest and reinvest assets blocked pursuant to § 588.201, subject to the following conditions:

(a) The assets representing such investments and reinvestments are credited to a blocked account or subaccount which is held in the same name at the same U.S. financial institution, or within the possession or control of a U.S. person, but funds shall not be transferred outside the United States for this purpose;

(b) The proceeds of such investments and reinvestments shall not be credited to a blocked account or subaccount under any name or designation that differs from the name or designation of the specific blocked account or subaccount in which such funds or securities were held; and

(c) No immediate financial or economic benefit accrues (e.g., through pledging or other use) to persons whose

property or interests in property are blocked pursuant to § 588.201(a).

§ 588.507 Provision of certain legal services authorized.

(a) The provision of the following legal services to or on behalf of persons whose property or interests in property are blocked pursuant to § 588.201(a) is authorized, provided that all receipts of payment of professional fees and reimbursement of incurred expenses must be specifically licensed:

(1) Provision of legal advice and counseling on the requirements of and compliance with the laws of any jurisdiction within the United States, provided that such advice and counseling are not provided to facilitate transactions in violation of this part;

(2) Representation of persons when named as defendants in or otherwise made parties to domestic U.S. legal, arbitration, or administrative proceedings;

(3) Initiation and conduct of domestic U.S. legal, arbitration, or administrative proceedings in defense of property interests subject to U.S. jurisdiction;

(4) Representation of persons before any federal or state agency with respect to the imposition, administration, or enforcement of U.S. sanctions against such persons; and

(5) Provision of legal services in any other context in which prevailing U.S. law requires access to legal counsel at public expense.

(b) The provision of any other legal services to persons whose property or interests in property are blocked pursuant to § 588.201(a), not otherwise authorized in this part, requires the issuance of a specific license.

(c) Entry into a settlement agreement affecting property or interests in property or the enforcement of any lien, judgment, arbitral award, decree, or other order through execution, garnishment, or other judicial process purporting to transfer or otherwise alter or affect property or interests in property blocked pursuant to § 588.201(a) is prohibited unless specifically licensed in accordance with § 588.202(e).

§ 588.508 Authorization of emergency medical services.

The provision of nonscheduled emergency medical services in the United States to persons whose property or interests in property are blocked pursuant to § 588.201(a) is authorized, provided that all receipt of payment for such services must be specifically licensed.

Subpart F—Reports

§ 588.601 Records and reports.

For provisions relating to required records and reports, see part 501, subpart C, of this chapter. Recordkeeping and reporting requirements imposed by part 501 of this chapter with respect to the prohibitions contained in this part are considered requirements arising pursuant to this part.

Subpart G—Penalties

§ 588.701 Penalties.

(a) Attention is directed to section 206 of the International Emergency Economic Powers Act (the "Act") (50 U.S.C. 1705), which is applicable to violations of the provisions of any license, ruling, regulation, order, direction, or instruction issued by or pursuant to the direction or authorization of the Secretary of the Treasury pursuant to this part or otherwise under the Act. Section 206 of the Act, as adjusted by the Federal Civil Penalties Inflation Adjustment Act of 1990 (Public Law 101-410, as amended, 28 U.S.C. 2461 note), provides that:

(1) A civil penalty not to exceed \$11,000 per violation may be imposed on any person who violates or attempts to violate any license, order, or regulation issued under the Act;

(2) Whoever willfully violates or willfully attempts to violate any license, order, or regulation issued under the Act, upon conviction, shall be fined not more than \$50,000, and if a natural person, may also be imprisoned for not more than 10 years; and any officer, director, or agent of any corporation who knowingly participates in such violation may be punished by a like fine, imprisonment, or both.

(b) The criminal penalties provided in the Act are subject to increase pursuant to 18 U.S.C. 3571.

(c) Attention is also directed to 18 U.S.C. 1001, which provides that whoever, in any matter within the jurisdiction of the executive, legislative, or judicial branch of the Government of the United States, knowingly and willfully falsifies, conceals, or covers up by any trick, scheme, or device, a material fact, or makes any materially false, fictitious, or fraudulent statement or representation, or makes or uses any false writing or document knowing the same to contain any materially false, fictitious, or fraudulent statement or entry shall be fined under title 18, United States Code, or imprisoned not more than five years, or both.

(d) Violations of this part may also be subject to relevant provisions of other applicable laws.

§ 588.702 Prepenalty notice.

(a) *When required.* If the Director of the Office of Foreign Assets Control has reasonable cause to believe that there has occurred a violation of any provision of this part or a violation of the provisions of any license, ruling, regulation, order, direction, or instruction issued by or pursuant to the direction or authorization of the Secretary of the Treasury pursuant to this part or otherwise under the International Emergency Economic Powers Act, and the Director determines that further proceedings are warranted, the Director shall notify the alleged violator of the agency's intent to impose a monetary penalty by issuing a prepenalty notice. The prepenalty notice shall be in writing. The prepenalty notice may be issued whether or not another agency has taken any action with respect to the matter.

(b) *Contents of notice—(1) Facts of violation.* The prepenalty notice shall describe the violation, specify the laws and regulations allegedly violated, and state the amount of the proposed monetary penalty.

(2) *Right to respond.* The prepenalty notice also shall inform the respondent of the respondent's right to make a written presentation within the applicable 30 day period set forth in § 588.703 as to why a monetary penalty should not be imposed or why, if imposed, the monetary penalty should be in a lesser amount than proposed.

(c) *Informal settlement prior to issuance of prepenalty notice.* At any time prior to the issuance of a prepenalty notice, an alleged violator may request in writing that, for a period not to exceed sixty (60) days, the agency withhold issuance of the prepenalty notice for the exclusive purpose of effecting settlement of the agency's potential civil monetary penalty claims. In the event the Director grants the request, under terms and conditions within his discretion, the Office of Foreign Assets Control will agree to withhold issuance of the prepenalty notice for a period not to exceed 60 days and will enter into settlement negotiations of the potential civil monetary penalty claim.

§ 588.703 Response to prepenalty notice; informal settlement.

(a) *Deadline for response.* The respondent may submit a response to the prepenalty notice within the applicable 30-day period set forth in this paragraph. The Director may grant,

at his discretion, an extension of time in which to submit a response to the prepenalty notice. The failure to submit a response within the applicable time period set forth in this paragraph (a) shall be deemed to be a waiver of the right to respond.

(1) *Computation of time for response.* A response to the prepenalty notice must be postmarked or date-stamped by the U.S. Postal Service (or foreign postal service, if mailed abroad) or courier service provider (if transmitted to OFAC by courier) on or before the 30th day after the postmark date on the envelope in which the prepenalty notice was mailed. If the respondent refused delivery or otherwise avoided receipt of the prepenalty notice, a response must be postmarked or date-stamped on or before the 30th day after the date on the stamped postal receipt maintained at the Office of Foreign Assets Control. If the prepenalty notice was personally delivered to the respondent by a non-U.S. Postal Service agent authorized by the Director, a response must be postmarked or date-stamped on or before the 30th day after the date of delivery.

(2) *Extensions of time for response.* If a due date falls on a Federal holiday or weekend, that due date is extended to include the following business day. Any other extensions of time will be granted, at the Director's discretion, only upon the respondent's specific request to the Office of Foreign Assets Control.

(b) *Form and method of response.* The response must be submitted in writing and may be handwritten or typed. The response need not be in any particular form. A copy of the written response may be sent by facsimile, but the original also must be sent to the Office of Foreign Assets Control Civil Penalties Division by mail or courier and must be postmarked or date-stamped, in accordance with paragraph (a) of this section.

(c) *Contents of response.* A written response must contain information sufficient to indicate that it is in response to the prepenalty notice.

(1) A written response must include the respondent's full name, address, telephone number, and facsimile number, if available, or those of the representative of the respondent.

(2) A written response should either admit or deny each specific violation alleged in the prepenalty notice and also state if the respondent has no knowledge of a particular violation. If the written response fails to address any specific violation alleged in the prepenalty notice, that alleged violation shall be deemed to be admitted.

(3) A written response should include any information in defense, evidence in support of an asserted defense, or other factors that the respondent requests the Office of Foreign Assets Control to consider. Any defense or explanation previously made to the Office of Foreign Assets Control or any other agency must be repeated in the written response. Any defense not raised in the written response will be considered waived. The written response also should set forth the reasons why the respondent believes the penalty should not be imposed or why, if imposed, it should be in a lesser amount than proposed.

(d) *Default.* If the respondent elects not to submit a written response within the time limit set forth in paragraph (a) of this section, the Office of Foreign Assets Control will conclude that the respondent has decided not to respond to the prepenalty notice. The agency generally will then issue a written prepenalty notice imposing the penalty proposed in the prepenalty notice.

(e) *Informal settlement.* In addition to or as an alternative to a written response to a prepenalty notice, the respondent or respondent's representative may contact the Office of Foreign Assets Control as advised in the prepenalty notice to propose the settlement of allegations contained in the prepenalty notice and related matters. However, the requirements set forth in paragraph (f) of this section as to oral communication by the representative must first be fulfilled.

In the event of settlement at the prepenalty stage, the claim proposed in the prepenalty notice will be withdrawn, the respondent will not be required to take a written position on allegations contained in the prepenalty notice, and the Office of Foreign Assets Control will make no final determination as to whether a violation occurred. The amount accepted in settlement of allegations in a prepenalty notice may vary from the civil penalty that might finally be imposed in the event of a formal determination of violation. In the event no settlement is reached, the time limit specified in paragraph (a) of this section for written response to the prepenalty notice will remain in effect unless additional time is granted by the Office of Foreign Assets Control.

(f) *Representation.* A representative of the respondent may act on behalf of the respondent, but any oral communication with the Office of Foreign Assets Control prior to a written submission regarding the specific allegations contained in the prepenalty notice must be preceded by a written letter of representation, unless the

prepenalty notice was served upon the respondent in care of the representative.

§ 588.704 Penalty imposition or withdrawal.

(a) *No violation.* If, after considering any response to the prepenalty notice and any relevant facts, the Director of the Office of Foreign Assets Control determines that there was no violation by the respondent named in the prepenalty notice, the Director shall notify the respondent in writing of that determination and of the cancellation of the proposed monetary penalty.

(b) *Violation.* (1) If, after considering any written response to the prepenalty notice, or default in the submission of a written response, and any relevant facts, the Director of the Office of Foreign Assets Control determines that there was a violation by the respondent named in the prepenalty notice, the Director is authorized to issue a written penalty notice to the respondent of the determination of the violation and the imposition of the monetary penalty.

(2) The penalty notice shall inform the respondent that payment or arrangement for installment payment of the assessed penalty must be made within 30 days of the date of mailing of the penalty notice by the Office of Foreign Assets Control.

(3) The penalty notice shall inform the respondent of the requirement to furnish the respondent's taxpayer identification number pursuant to 31 U.S.C. 7701 and that such number will be used for purposes of collecting and reporting on any delinquent penalty amount.

(4) The issuance of the penalty notice finding a violation and imposing a monetary penalty shall constitute final agency action. The respondent has the right to seek judicial review of that final agency action in federal district court.

§ 588.705 Administrative collection; referral to United States Department of Justice.

In the event that the respondent does not pay the penalty imposed pursuant to this part or make payment arrangements acceptable to the Director of the Office of Foreign Assets Control within 30 days of the date of mailing of the penalty notice, the matter may be referred for administrative collection measures by the Department of the Treasury or to the United States Department of Justice for appropriate action to recover the penalty in a civil suit in a federal district court.

Subpart H—Procedures

§ 588.801 Procedures.
