U.S. GOVERNMENT PRINTING OFFICE

THE WHITE HOUSE,  
*Washington, July 18, 2006.*

Hon. J. DENNIS HASTERT,  
*Speaker of the House of Representatives,*  
*Washington, DC.*

DEAR MR. SPEAKER: I ask the Congress to consider the enclosed FY 2007 Budget amendments for the Department of Health and Human Services to enhance the preparedness and response capabilities of the agency based primarily on the findings of the Federal Response to Hurricane Katrina: Lessons Learned report of February 2006. The total discretionary budget authority in my FY 2007 Budget would not be increased by these requests.

The details of this proposal are set forth in the enclosed letter from the Director of the Office of Management and Budget.

Sincerely,

GEORGE W. BUSH.

[Estimate No. 9, 109th Congr., 2d Sess.]

EXECUTIVE OFFICE OF THE PRESIDENT,  
OFFICE OF MANAGEMENT AND BUDGET,  
*Washington, DC, July 17, 2006.*

The PRESIDENT,  
*The White House.*

Submitted for your consideration are FY 2007 Budget amendments for the Department of Health and Human Services. These amendments propose an increase in funding for the Office of Public Health and Emergency Preparedness, the Office of the National Coordinator for Health Information Technology, and the Commissioned Corps to strengthen the Department's preparedness and response capabilities, based on the findings of the Federal Response to Hurricane Katrina: Lessons Learned report of February 2006. The proposal also includes funding to strengthen the management of the bioterrorism countermeasure acquisition program.

This request would be fully offset by proposed reductions to accounts within the agency. Overall, the total discretionary budget authority proposed in your Budget would not be increased by these amendments.

I have reviewed these proposals and am satisfied that they are necessary at this time. Therefore, I join the Secretary of Health and Human Services in recommending that you transmit this request to the Congress.

Sincerely,

ROB PORTMAN.

Enclosures.
