LETTER OF TRANSMITTAL

THE WHITE HOUSE, *March 13, 2008*

To the Senate of the United States:

I transmit herewith, for Senate advice and consent to ratification, the Protocol Amending the Convention Between the United States of America and Canada with Respect to Taxes on Income and on Capital done at Washington on September 26, 1980, as Amended by the Protocols done on June 14, 1983, March 28, 1984, March 17, 1995, and July 29, 1997, signed on September 21, 2007, at Chelsea (the “proposed Protocol”). The proposed Protocol would amend the existing income tax Convention between the United States and Canada that was concluded in 1980, as amended by prior protocols (the “existing Treaty”). Also transmitted for the information of the Senate is the report of the Department of State with respect to the proposed Protocol.

The proposed Protocol would eliminate withholding taxes on cross-border interest payments. In addition, the proposed Protocol would coordinate the tax treatment of contributions to, and other benefits of, pension funds for cross-border workers. The proposed Protocol also includes provisions related to the taxation of permanent establishments, so-called dual-resident corporations, income derived through certain entities that are considered fiscally transparent, and former U.S. citizens and long-term residents. The proposed Protocol further strengthens the existing Treaty’s provisions that prevent the Treaty’s inappropriate use by third-country residents. The proposed Protocol also provides for mandatory resolution of certain cases before the competent authorities.

I recommend that the Senate give early and favorable consideration to the proposed Protocol and give its advice and consent to ratification.

GEORGE W. BUSH

LETTER OF SUBMITTAL

DEPARTMENT OF STATE,
Washington, DC February 29, 2008.

The PRESIDENT:
The White House.

THE PRESIDENT: I have the honor to submit to you, with a view to its transmission to the Senate for advice and consent to ratification, the Protocol Amending the Convention Between the United States of America and Canada with Respect to Taxes on Income and on Capital Done at Washington on 26 September 1980, as Amended by the Protocols Done on 14 June 1983, 28 March 1984, 17 March 1995, and 29 July 1997, signed on September 21, 2007, at Chelsea (the "proposed Protocol") and related exchanges of notes. The proposed Protocol would amend the existing income tax Convention between the United States and Canada which was concluded in 1980, as amended by prior protocols (the "existing Treaty").

The proposed Protocol would eliminate withholding taxes on cross-border interest payments. In addition, the proposed Protocol would coordinate the tax treatment of contributions to, and other benefits of, pension funds for cross-border workers. The proposed Protocol also includes provisions related to the taxation of permanent establishments, so-called dual-resident corporations, income derived through certain entities that are considered fiscally transparent, and former U.S. citizens and long-term residents. The proposed Protocol further strengthens the existing Treaty's provisions that prevent the treaty's inappropriate use by third-country residents. The proposed Protocol also provides for mandatory resolution of certain cases before the competent authorities.

The exchanges of notes confirm certain understandings with respect to application of the Protocol.

The proposed Protocol was concluded in recognition of the importance of the United States' economic relations with Canada. The Department of the Treasury and the Department of State cooperated in the negotiation of the proposed Protocol. The Protocol and the related exchanges of notes have the full approval of both Departments.

Respectfully submitted.

CONDOLEEZZA RICE.

Enclosure: Key Provisions of the U.S.-Canada Protocol.

KEY PROVISIONS OF THE U.S.-CANADA PROTOCOL

The attached Protocol with Canada (the "proposed Protocol") is the fifth protocol to the income tax Convention signed in 1980 and

amended by prior protocols in 1983, 1984, 1995, and 1997 (“existing Treaty”). It was negotiated to address specific issues that have arisen in our tax treaty relations and changes in each country’s domestic law and tax treaty policy, and to further reduce barriers to cross-border investment between our two countries. The exchanges of notes confirm certain understandings with respect to application of the Protocol. The proposed Protocol would incorporate provisions that are generally consistent with the U.S. Model tax treaty. However, there are several provisions of the proposed Protocol that deviate from the U.S. Model tax treaty to reflect the close economic and political relationship the United States shares with Canada.

One of the most important aspects of the proposed Protocol relates to the taxation of cross-border interest payments. The proposed Protocol provides for the elimination of withholding taxes on cross-border interest payments. This provision would be effective for interest paid to unrelated parties on the first day of January of the year in which the proposed Protocol enters into force, and it would be phased in for interest paid to related persons over a three-year period. Eliminating withholding taxes on cross-border interest payments is consistent with an overall view that investment income should be taxed by the country of residence, not the country of source.

The proposed Protocol also addresses the issue of so-called “dual-resident corporations.” In addition to revising a provision of the existing Treaty relating to the residence of such companies, the proposed Protocol generally provides that the competent authorities of the United States and Canada shall endeavor to reach agreement on the treatment of such companies for purposes of the treaty.

The proposed Protocol also contains a provision that assures that a U.S. person generally may obtain the benefits of the treaty when that person derives income through an entity that is considered by the United States to be fiscally transparent (i.e., able to pass through the tax consequences of its activities to its owners) unless the entity is a Canadian entity and is not treated by Canada as fiscally transparent.

The existing Treaty generally follows the standard rules for taxation by the source country of the business profits of a resident of the other country. The source country’s right to tax such profits is generally limited to cases in which the profits are attributable to a permanent establishment located in that country. The proposed Protocol would add two provisions related to the taxation of permanent establishments. First, the proposed Protocol, consistent with the U.S. Model tax treaty, contains provisions that recognize the “authorized OECD approach” to attributing profits to a permanent establishment. Second, the proposed Protocol includes a special rule for certain permanent services not otherwise considered to be provided through a permanent establishment.

Further, the proposed Protocol would update the existing Treaty to reflect current U.S. treaty policy with respect to several items, including (i) reduced withholding taxes on dividends paid from a real estate investment trust, (ii) the U.S. taxation of former citizens and long-term residents, and (iii) the coordination of the tax treatment of contributions to and accretions of income to pension funds for cross-border workers. The proposed Protocol also would update

the existing Treaty's provisions preventing so-called treaty shopping, which is the inappropriate use of a tax treaty by third-country residents.

The proposed Protocol would update the provisions of the existing Treaty with respect to the mutual agreement procedure by incorporating mandatory resolution of certain cases that the competent authorities of the United States and Canada are unable to resolve within a specified period of time.

The Parties shall notify each other in writing, through diplomatic channels, when their respective applicable procedures for ratification have been satisfied. The proposed Protocol will enter into force upon the date of the later of the notifications or January 1, 2008, whichever is later. It will generally have effect, with respect to taxes withheld at source, for amounts paid or credited on or after the first day of the second month that begins after the date the proposed Protocol enters into force. With respect to other taxes, it will generally have effect for taxable years that begin after the calendar year in which the proposed Protocol enters into force. Certain provisions will be phased in or have a delayed effective date, and certain provisions will apply retroactively, consistent with prior Treasury Department public statements regarding specific issues.

**PROTOCOL
AMENDING THE CONVENTION BETWEEN
THE UNITED STATES OF AMERICA AND CANADA
WITH RESPECT TO TAXES ON INCOME AND ON CAPITAL
DONE AT WASHINGTON ON 26 SEPTEMBER 1980
AS AMENDED BY THE PROTOCOLS DONE ON 14 JUNE 1983,

The United States of America and Canada, hereinafter referred to as the "Contracting States",

DESIRING to conclude a Protocol amending the Convention between the United States of America and Canada with Respect to Taxes on Income and on Capital done at Washington on 26 September 1980, as amended by the Protocols done on 14 June 1983, 28 March 1984, 17 March 1995 and 29 July 1997 (hereinafter referred to as the "Convention"),

HAVE AGREED as follows:

Article 1

Paragraph 1 of Article III (General Definitions) of the Convention shall be amended by deleting the word "and" at the end of subparagraph (i), by replacing the period at the end of subparagraph (j) with "; and", and by adding the following subparagraph:

- (k) The term "national" of a Contracting State means:
 - (i) Any individual possessing the citizenship or nationality of that State; and
 - (ii) Any legal person, partnership or association deriving its status as such from the laws in force in that State.

Article 2

1. Paragraph 3 of Article IV (Residence) of the Convention shall be deleted and replaced by the following:

- 3. Where by reason of the provisions of paragraph 1, a company is a resident of both Contracting States, then
 - (a) If it is created under the laws in force in a Contracting State, but not under the laws in force in the other Contracting State, it shall be deemed to be a resident only of the first-mentioned State; and
 - (b) In any other case, the competent authorities of the Contracting States shall endeavor to settle the question of residency by mutual agreement and determine the mode of application of this Convention to the company. In the absence of such agreement, the company shall not be considered a resident of either Contracting State for purposes of claiming any benefits under this Convention.

2. Article IV (Residence) of the Convention shall be amended by adding the following after paragraph 5:

6. An amount of income, profit or gain shall be considered to be derived by a person who is a resident of a Contracting State where:

(a) The person is considered under the taxation law of that State to have derived the amount through an entity (other than an entity that is a resident of the other Contracting State); and

(b) By reason of the entity being treated as fiscally transparent under the laws of the first-mentioned State, the treatment of the amount under the taxation law of that State is the same as its treatment would be if that amount had been derived directly by that person.

7. An amount of income, profit or gain shall be considered not to be paid to or derived by a person who is a resident of a Contracting State where:

(a) The person is considered under the taxation law of the other Contracting State to have derived the amount through an entity that is not a resident of the first-mentioned State, but by reason of the entity not being treated as fiscally transparent under the laws of that State, the treatment of the amount under the taxation law of that State is not the same as its treatment would be if that amount had been derived directly by that person; or

(b) The person is considered under the taxation law of the other Contracting State to have received the amount from an entity that is a resident of that other State, but by reason of the entity being treated as fiscally transparent under the laws of the first-mentioned State, the treatment of the amount under the taxation law of that State is not the same as its treatment would be if that entity were not treated as fiscally transparent under the laws of that State.

Article 3

1. The first sentence of paragraph 6 of Article V (Permanent Establishment) of the Convention shall be amended by deleting the word "and" preceding the first reference to paragraph 5, inserting a comma, and adding the words "and 9," following that reference to paragraph 5.
2. Paragraph 9 of Article V (Permanent Establishment) of the Convention shall be deleted and replaced by the following two paragraphs:
 9. Subject to paragraph 3, where an enterprise of a Contracting State provides services in the other Contracting State, if that enterprise is found not to have a permanent establishment in that other State by virtue of the preceding paragraphs of this Article, that enterprise shall be deemed to provide those services through a permanent establishment in that other State if and only if:
 - (a) Those services are performed in that other State by an individual who is present in that other State for a period or periods aggregating 183 days or more in any twelve-month period, and, during that period or periods, more than 50 percent of the gross active business revenues of the enterprise consists of income derived from the services performed in that other State by that individual; or
 - (b) The services are provided in that other State for an aggregate of 183 days or more in any twelve-month period with respect to the same or connected project for customers who are either residents of that other State or who maintain a permanent establishment in that other State and the services are provided in respect of that permanent establishment.
 10. For the purposes of this Convention, the provisions of this Article shall be applied in determining whether any person has a permanent establishment in any State.

Article 4

Paragraph 2 of Article VII (Business Profits) of the Convention shall be deleted and replaced by the following:

2. Subject to the provisions of paragraph 3, where a resident of a Contracting State carries on, or has carried on, business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the business profits which it might be expected to make if it were a distinct and separate person engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the resident and with any other person related to the resident (within the meaning of paragraph 2 of Article IX (Related Persons)).

Article 5

1. Subparagraph 2(a) of Article X (Dividends) of the Convention shall be deleted and replaced by the following:

- (a) 5 percent of the gross amount of the dividends if the beneficial owner is a company which owns at least 10 percent of the voting stock of the company paying the dividends (for this purpose, a company that is a resident of a Contracting State shall be considered to own the voting stock owned by an entity that is considered fiscally transparent under the laws of that State and that is not a resident of the Contracting State of which the company paying the dividends is a resident, in proportion to the company's ownership interest in that entity);

2. Paragraph 3 of Article X (Dividends) of the Convention shall be deleted and replaced by the following:

3. For the purposes of this Article, the term "dividends" means income from shares or other rights, not being debt-claims, participating in profits, as well as income that is subjected to the same taxation treatment as income from shares under the laws of the State of which the payer is a resident.

3. Paragraph 4 of Article X (Dividends) of the Convention shall be deleted and replaced by the following:

4. The provisions of paragraph 2 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on, or has carried on, business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, and the holding in respect of which the dividends are paid is effectively connected to such permanent establishment. In such case, the provisions of Article VII (Business Profits) shall apply.

4. Paragraph 5 of Article X (Dividends) of the Convention shall be amended by deleting the words "or a fixed base" following the words "effectively connected with a permanent establishment".

5. Subparagraph 7(c) of Article X (Dividends) of the Convention shall be deleted and replaced by the following:

(c) Subparagraph 2(a) shall not apply to dividends paid by a resident of the United States that is a Real Estate Investment Trust (REIT), and subparagraph 2(b) shall apply only if:

(i) The beneficial owner of the dividends is an individual holding an interest of not more than 10 percent in the REIT;

(ii) The dividends are paid with respect to a class of stock that is publicly traded and the beneficial owner of the dividends is a person holding an interest of not more than 5 percent in any class of the REIT's stock; or

(iii) The beneficial owner of the dividends is a person holding an interest of not more than 10 percent in the REIT and the REIT is diversified.

Otherwise, the rate of tax applicable under the domestic law of the United States shall apply. Where an estate or testamentary trust acquired its interest in a REIT as a consequence of an individual's death, for purposes of this subparagraph the estate or trust shall for the five-year period following the death be deemed with respect to that interest to be an individual.

Article 6

Article XI (Interest) of the Convention shall be deleted and replaced by the following:

Article XI

Interest

1. Interest arising in a Contracting State and beneficially owned by a resident of the other Contracting State may be taxed only in that other State.
2. The term "interest" as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage, and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures, including premiums or prizes attaching to such securities, bonds or debentures, as well as income assimilated to income from money lent by the taxation laws of the Contracting State in which the income arises. However, the term "interest" does not include income dealt with in Article X (Dividends).
3. The provisions of paragraph 1 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on, or has carried on, business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, and the debt-claim in respect of which

the interest is paid is effectively connected with such permanent establishment. In such case the provisions of Article VII (Business Profits) shall apply.

4. For the purposes of this Article, interest shall be deemed to arise in a Contracting State when the payer is that State itself, or a political subdivision, local authority or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a State other than that of which he is a resident a permanent establishment in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment, then such interest shall be deemed to arise in the State in which the permanent establishment is situated and not in the State of which the payer is a resident.

5. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Convention.

6. Notwithstanding the provisions of paragraph 1:

(a) Interest arising in the United States that is contingent interest of a type that does not qualify as portfolio interest under United States law may be taxed by the United States but, if the beneficial owner of the interest is a resident of Canada, the gross amount of the interest may be taxed at a rate not exceeding the rate prescribed in subparagraph (b) of paragraph 2 of Article X (Dividends);

(b) Interest arising in Canada that is determined with reference to receipts, sales, income, profits or other cash flow of the debtor or a related person, to any change in the value of any property of the debtor

or a related person or to any dividend, partnership distribution or similar payment made by the debtor to a related person may be taxed by Canada, and according to the laws of Canada, but if the beneficial owner is a resident of the United States, the gross amount of the interest may be taxed at a rate not exceeding the rate prescribed in subparagraph (b) of paragraph 2 of Article X (Dividends); and

(c) Interest that is an excess inclusion with respect to a residual interest in a real estate mortgage investment conduit may be taxed by each State in accordance with its domestic law.

7. Where a resident of a Contracting State pays interest to a person other than a resident of the other Contracting State, that other State may not impose any tax on such interest except insofar as it arises in that other State or insofar as the debt-claim in respect of which the interest is paid is effectively connected with a permanent establishment situated in that other State.

Article 7

1. Paragraph 5 of Article XII (Royalties) of the Convention shall be deleted and replaced by the following:

5. The provisions of paragraphs 2 and 3 shall not apply if the beneficial owner of the royalties, being a resident of a Contracting State, carries on, or has carried on, business in the other Contracting State in which the royalties arise, through a permanent establishment situated therein, and the right or property in respect of which the royalties are paid is effectively connected to such permanent establishment. In such case the provisions of Article VII (Business Profits) shall apply.

2. Subparagraph 6(a) of Article XII (Royalties) of the Convention shall be deleted and replaced by the following:

(a) Royalties shall be deemed to arise in a Contracting State when the payer is a resident of that State. Where, however, the person paying the royalties, whether he is a resident of a Contracting State or not, has in a State a permanent establishment in connection with which the obligation to pay the royalties was incurred, and such royalties are borne by such permanent establishment, then such royalties shall be deemed to arise in the State in which the permanent establishment is situated and not in any other State of which the payer is a resident; and

3. Paragraph 8 of Article XII (Royalties) of the Convention shall be amended by deleting the words "or a fixed base" following the words "effectively connected with a permanent establishment".

Article 8

1. Paragraph 2 of Article XIII (Gains) of the Convention shall be deleted and replaced by the following:

2. Gains from the alienation of personal property forming part of the business property of a permanent establishment which a resident of a Contracting State has or had (within the twelve-month period preceding the date of alienation) in the other Contracting State, including such gains from the alienation of such a permanent establishment, may be taxed in that other State.

2. Paragraph 5 of Article XIII (Gains) of the Convention shall be deleted and replaced by the following:

5. The provisions of paragraph 4 shall not affect the right of a Contracting State to levy, according to its domestic law, a tax on gains from the alienation of any property derived by an individual who is a resident of the other Contracting State if:

- (a) The individual was a resident of the first-mentioned State:
 - (i) For at least 120 months during any period of 20 consecutive years preceding the alienation of the property; and
 - (ii) At any time during the 10 years immediately preceding the alienation of the property; and
- (b) The property (or property for which such property was substituted in an alienation the gain on which was not recognized for the purposes of taxation in the first-mentioned State):
 - (i) Was owned by the individual at the time the individual ceased to be a resident of the first-mentioned State; and
 - (ii) Was not a property that the individual was treated as having alienated by reason of ceasing to be a resident of the first-mentioned State and becoming a resident of the other Contracting State.

3. Paragraph 7 of Article XIII (Gains) of the Convention shall be deleted and replaced by the following:

7. Where at any time an individual is treated for the purposes of taxation by a Contracting State as having alienated a property and is taxed in that State by reason thereof, the individual may elect to be treated for the purposes of taxation in the other Contracting State, in the year that includes that time and all subsequent years, as if the individual had, immediately before that time, sold and repurchased the property for an amount equal to its fair market value at that time.

4. Subparagraph 9(c) of Article XIII (Gains) of the Convention shall be amended by deleting the words "or pertained to a fixed base" following the words "permanent establishment".

Article 9

Article XIV (Independent Personal Services) of the Convention shall be deleted and the succeeding Articles shall not be renumbered.

Article 10

1. The title of Article XV (Dependent Personal Services) of the Convention shall be deleted and replaced by "Income from Employment".
2. Paragraphs 1 and 2 of renamed Article XV (Income from Employment) of the Convention shall be deleted and replaced by the following:
 1. Subject to the provisions of Articles XVIII (Pensions and Annuities) and XIX (Government Service), salaries, wages and other remuneration derived by a resident of a Contracting State in respect of an employment shall be taxable only in that State unless the employment is exercised in the other Contracting State. If the employment is so exercised, such remuneration as is derived therefrom may be taxed in that other State.
 2. Notwithstanding the provisions of paragraph 1, remuneration derived by a resident of a Contracting State in respect of an employment exercised in the other Contracting State shall be taxable only in the first-mentioned State if:
 - (a) Such remuneration does not exceed ten thousand dollars (\$10,000) in the currency of that other State; or
 - (b) The recipient is present in that other State for a period or periods not exceeding in the aggregate 183 days in any twelve-month period commencing or ending in the fiscal year concerned, and the remuneration is not paid by, or on behalf of, a person who is a resident of that other State and is not borne by a permanent establishment in that other State.

Article 11

1. Paragraph 1 of Article XVI (Artistes and Athletes) shall be amended by deleting the words "XIV (Independent Personal Services)" following the words "Notwithstanding the provisions of Articles" and replacing them with the words "VII (Business Profits)" and by deleting the words "XV (Dependent Personal Services)" and replacing them with the words "XV (Income from Employment)".
2. Paragraph 2 of Article XVI (Artistes and Athletes) shall be amended by deleting the words "XIV (Independent Personal Services)" following the words "notwithstanding the provisions of Articles VII (Business Profits)," and by deleting the words "XV (Dependent Personal Services)" and replacing them with the words "XV (Income from Employment)".
3. Paragraph 4 of Article XVI (Artistes and Athletes) shall be amended by deleting the words "XIV (Independent Personal Services)" following the words "Notwithstanding the provisions of Articles" and replacing them with the words "VII (Business Profits)" and by deleting the words "(Dependent Personal Services)" in both places they appear in the paragraph and replacing them with the words "(Income from Employment)".

Article 12

Article XVII (Withholding of Taxes in Respect of Personal Services) of the Convention shall be deleted and the succeeding Articles shall not be renumbered.

Article 13

1. Paragraphs 3 and 4 of Article XVIII (Pensions and Annuities) of the Convention shall be deleted and replaced by the following:
 3. For the purposes of this Convention:

(a) The term "pensions" includes any payment under a superannuation, pension or other retirement arrangement, Armed Forces retirement pay, war veterans pensions and allowances and amounts paid under a sickness, accident or disability plan, but does not include payments under an income-averaging annuity contract or, except for the purposes of Article XIX (Government Service), any benefit referred to in paragraph 5; and

(b) The term "pensions" also includes a Roth IRA, within the meaning of section 408A of the Internal Revenue Code, or a plan or arrangement created pursuant to legislation enacted by a Contracting State after September 21, 2007 that the competent authorities have agreed is similar thereto. Notwithstanding the provisions of the preceding sentence, from such time that contributions have been made to the Roth IRA or similar plan or arrangement, by or for the benefit of a resident of the other Contracting State (other than rollover contributions from a Roth IRA or similar plan or arrangement described in the previous sentence that is a pension within the meaning of this subparagraph), to the extent of accretions from such time, such Roth IRA or similar plan or arrangement shall cease to be considered a pension for purposes of the provisions of this Article.

4. For the purposes of this Convention:

(a) The term "annuity" means a stated sum paid periodically at stated times during life or during a specified number of years, under an obligation to make the payments in return for adequate and full consideration (other than services rendered), but does not include a payment that is not a periodic payment or any annuity the cost of which was deductible for the purposes of taxation in the Contracting State in which it was acquired; and

(b) An annuity or other amount paid in respect of a life insurance or annuity contract (including a withdrawal in respect of the cash value thereof) shall be deemed to arise in a Contracting State if the person paying the annuity or other amount (in this subparagraph referred to as the "payer") is a resident of that State. However, if the payer, whether a resident of a Contracting State or not, has in a State other than that of which the payer is a resident a permanent establishment in connection with which the obligation giving rise to the annuity or other amount was incurred, and the annuity or other amount is borne by the permanent establishment, then the annuity or other amount shall be deemed to arise in the State in which the permanent establishment is situated and not in the State of which the payer is a resident.

2. Paragraph 7 of Article XVIII (Pensions and Annuities) of the Convention shall be deleted and replaced by the following:

7. A natural person who is a citizen or resident of a Contracting State and a beneficiary of a trust, company, organization or other arrangement that is a resident of the other Contracting State, generally exempt from income taxation in that other State and operated exclusively to provide pension or employee benefits may elect to defer taxation in the first-mentioned State, subject to rules established by the competent authority of that State, with respect to any income accrued in the plan but not distributed by the plan, until such time as and to the extent that a distribution is made from the plan or any plan substituted therefor.

3. Article XVIII (Pensions and Annuities) of the Convention shall be amended by adding the following paragraphs:

8. Contributions made to, or benefits accrued under, a qualifying retirement plan in a Contracting State by or on behalf of an individual shall be deductible or excludible in computing the individual's taxable income in the other Contracting State, and contributions made to the plan by the individual's

employer shall be allowed as a deduction in computing the employer's profits in that other State, where:

- (a) The individual performs services as an employee in that other State the remuneration from which is taxable in that other State;
- (b) The individual was participating in the plan (or another similar plan for which this plan was substituted) immediately before the individual began performing the services in that other State;
- (c) The individual was not a resident of that other State immediately before the individual began performing the services in that other State;
- (d) The individual has performed services in that other State for the same employer (or a related employer) for no more than 60 of the 120 months preceding the individual's current taxation year;
- (e) The contributions and benefits are attributable to the services performed by the individual in that other State, and are made or accrued during the period in which the individual performs those services; and
- (f) With respect to contributions and benefits that are attributable to services performed during a period in the individual's current taxation year, no contributions in respect of the period are made by or on behalf of the individual to, and no services performed in that other State during the period are otherwise taken into account for purposes of determining the individual's entitlement to benefits under, any plan that would be a qualifying retirement plan in that other State if paragraph 15 of this Article were read without reference to subparagraphs (b) and (c) of that paragraph.

This paragraph shall apply only to the extent that the contributions or benefits would qualify for tax relief in the first-mentioned State if the individual was a resident of and performed the services in that State.

9. For the purposes of United States taxation, the benefits granted under paragraph 8 to a citizen of the United States shall not exceed the benefits that would be allowed by the United States to its residents for contributions to, or benefits otherwise accrued under, a generally corresponding pension or retirement plan established in and recognized for tax purposes by the United States.

10. Contributions made to, or benefits accrued under, a qualifying retirement plan in a Contracting State by or on behalf of an individual who is a resident of the other Contracting State shall be deductible or excludible in computing the individual's taxable income in that other State, where:

- (a) The individual performs services as an employee in the first-mentioned state the remuneration from which is taxable in that State and is borne by an employer who is a resident of that State or by a permanent establishment which the employer has in that State; and
- (b) The contributions and benefits are attributable to those services and are made or accrued during the period in which the individual performs those services.

This paragraph shall apply only to the extent that the contributions or benefits qualify for tax relief in the first-mentioned State.

11. For the purposes of Canadian taxation, the amount of contributions otherwise allowed as a deduction under paragraph 10 to an individual for a taxation year shall not exceed the individual's deduction limit under the law of Canada for the year for contributions to registered retirement savings plans remaining after taking into account the amount of contributions to registered retirement savings plans deducted by the individual under the law of Canada for the year. The amount deducted by an individual under paragraph 10 for a taxation year shall be taken into account in computing the individual's deduction

limit under the law of Canada for subsequent taxation years for contributions to registered retirement savings plans.

12. For the purposes of United States taxation, the benefits granted under paragraph 10 shall not exceed the benefits that would be allowed by the United States to its residents for contributions to, or benefits otherwise accrued under, a generally corresponding pension or retirement plan established in and recognized for tax purposes by the United States. Note No. JLAB-0111

SEP 21 2007

Excellency,

I have the honor to refer to the Protocol (the "Protocol") done today between Canada and the United States of America amending the Convention with Respect to Taxes on Income and on Capital done at Washington on 26 September 1980, as amended by the Protocols done on 14 June 1983, 28 March 1984, 17 March 1995, and 29 July 1997 (the "Convention"), and to propose on behalf of the Government of Canada the following:

In respect of any case where the competent authorities have endeavored but are unable to reach a complete agreement under Article XXVI (Mutual Agreement Procedure) of the Convention regarding the application of one or more of the following Articles of the Convention: IV (Residence) (but only insofar as it relates to the residence of a natural person), V (Permanent Establishment), VII (Business Profits), IX (Related Persons), and XII (Royalties) (but only (i) insofar as Article XII might apply in transactions involving related persons to whom Article IX might apply, or (ii) to an allocation of amounts between royalties that are taxable under paragraph 2 thereof and royalties that are exempt under paragraph 3 thereof), binding arbitration shall be used to determine such application, unless the competent authorities agree that the particular case is not suitable for determination by arbitration. In addition, the competent authorities may, on an ad hoc basis, agree that binding arbitration shall be used in respect of any other matter to which Article XXVI applies. If an arbitration proceeding (the "Proceeding") under paragraph 6 of Article XXVI commences, the following rules and procedures shall apply:

1. The Proceeding shall be conducted in the manner prescribed by, and subject to the requirements of, paragraphs 6 and 7 of Article XXVI and these rules and procedures, as modified or supplemented by any other rules and procedures agreed upon by the competent authorities pursuant to paragraph 17 below.
2. The determination reached by an arbitration board in the Proceeding shall be limited to a determination regarding the amount of income, expense or tax reportable to the Contracting States.
3. Notwithstanding the initiation of the Proceeding, the competent authorities may reach a mutual agreement to resolve a case and terminate the Proceeding. Correspondingly, a concerned person may withdraw a request for the competent authorities to engage in the Mutual Agreement Procedure (and thereby terminate the Proceeding) at any time.
4. The requirements of subparagraph 7(d) of Article XXVI shall be met when the competent authorities have each received from each concerned person a notarized statement agreeing that the concerned person and each person acting on the concerned person's behalf, shall not disclose to any other person any information

Canada

received during the course of the Proceeding from either Contracting State or the arbitration board, other than the determination of the Proceeding. A concerned person that has the legal authority to bind any other concerned person(s) on this matter may do so in a comprehensive notarized statement.

5. Each Contracting State shall have 60 days from the date on which the Proceeding begins to send a written communication to the other Contracting State appointing one member of the arbitration board. Within 60 days of the date on which the second such communication is sent, the two members appointed by the Contracting States shall appoint a third member, who shall serve as chair of the board. If either Contracting State fails to appoint a member, or if the members appointed by the Contracting States fail to agree upon the third member in the manner prescribed by this paragraph, a Contracting State shall ask the highest ranking member of the Secretariat at the Centre for Tax Policy and Administration of the Organisation for Economic Co-operation and Development (OECD) who is not a citizen of either Contracting State, to appoint the remaining member(s) by written notice to both Contracting States within 60 days of the date of such failure. The competent authorities shall develop a non-exclusive list of individuals with familiarity in international tax matters who may potentially serve as the chair of the board.
6. The arbitration board may adopt any procedures necessary for the conduct of its business, provided that the procedures are not inconsistent with any provision of Article XXVI or this note.
7. Each of the Contracting States shall be permitted to submit, within 60 days of the appointment of the chair of the arbitration board, a proposed resolution describing the proposed disposition of the specific monetary amounts of income, expense or taxation at issue in the case, and a supporting position paper, for consideration by the arbitration board. Copies of the proposed resolution and supporting position paper shall be provided by the board to the other Contracting State on the date on which the later of the submissions is submitted to the board. In the event that only one Contracting State submits a proposed resolution within the allotted time, then that proposed resolution shall be deemed to be the determination of the board in that case and the Proceeding shall be terminated. Each of the Contracting States may, if it so desires, submit a reply submission to the board within 120 days of the appointment of its chair, to address any points raised by the proposed resolution or position paper submitted by the other Contracting State. Additional information may be submitted to the arbitration board only at its request, and copies of the board's request and the Contracting State's response shall be provided to the other Contracting State on the date on which the request or the response is submitted. Except for logistical matters such as those identified in paragraphs 12, 14 and 15 below, all communications from the Contracting States to the arbitration board, and vice versa, shall take place only through written communications between the designated competent authorities and the chair of the board.

8. The arbitration board shall deliver a determination in writing to the Contracting States within six months of the appointment of its chair. The board shall adopt as its determination one of the proposed resolutions submitted by the Contracting States.
9. In making its determination, the arbitration board shall apply, as necessary: (1) the provisions of the Convention as amended; (2) any agreed commentaries or explanations of the Contracting States concerning the Convention as amended; (3) the laws of the Contracting States to the extent they are not inconsistent with each other; and (4) any OECD Commentary, Guidelines or Reports regarding relevant analogous portions of the OECD Model Tax Convention.
10. The determination of the arbitration board in a particular case shall be binding on the Contracting States. The determination of the board shall not state a rationale. It shall have no precedential value.
11. As provided in subparagraph 7(e) of Article XXVI, the determination of an arbitration board shall constitute a resolution by mutual agreement under this Article. Each concerned person must, within 30 days of receiving the determination of the board from the competent authority to which the case was first presented, advise that competent authority whether that concerned person accepts the determination of the board. If any concerned person fails to so advise the relevant competent authority within this time frame, the determination of the board shall be considered not to have been accepted in that case. Where the determination of the board is not accepted, the case may not subsequently be the subject of a Proceeding.
12. Any meeting(s) of the arbitration board shall be in facilities provided by the Contracting State whose competent authority initiated the mutual agreement proceedings in the case.
13. The treatment of any associated interest or penalties shall be determined by applicable domestic law of the Contracting State(s) concerned.
14. No information relating to the Proceeding (including the board's determination) may be disclosed by the members of the arbitration board or their staffs or by either competent authority, except as permitted by the Convention and the domestic laws of the Contracting States. In addition, all material prepared in the course of, or relating to, the Proceeding shall be considered to be information exchanged between the Contracting States. The Contracting States shall ensure that all members of the arbitration board and their staffs sign and send to each Contracting State notarized statements, prior to their acting in the arbitration proceeding, in which they agree to abide by and be subject to the confidentiality and nondisclosure provisions of Articles XXVI and XXVII of the Convention and the applicable domestic laws of the Contracting States. In the event those provisions conflict, the most restrictive condition shall apply.
15. The fees and expenses of members of the arbitration board shall be set in accordance with the International Centre for Settlement of Investment Disputes (ICSID) Schedule of Fees for arbitrators, as in effect on the date on which the

arbitration proceedings begin, and shall be borne equally by the Contracting States. Any fees for language translation shall also be borne equally by the Contracting States. Meeting facilities, related resources, financial management, other logistical support, and general administrative coordination of the Proceeding shall be provided, at its own cost, by the Contracting State whose competent authority initiated the mutual agreement proceedings in the case. Any other costs shall be borne by the Contracting State that incurs them.

16. For purposes of paragraphs 6 and 7 of Article XXVI and this note, each competent authority shall confirm in writing to the other competent authority and to the concerned person(s) the date of its receipt of the information necessary to undertake substantive consideration for a mutual agreement. Such information shall be:
- a) in the United States, the information required to be submitted to the U.S. competent authority under Revenue Procedure 2006-54, section 4.05 (or any applicable analogous provisions) and, for cases initially submitted as a request for an Advance Pricing Agreement, the information required to be submitted to the Internal Revenue Service under Revenue Procedure 2006-9, section 4 (or any applicable analogous provisions), and
 - b) in Canada, the information required to be submitted to Canadian competent authority under Information Circular 71-17 (or any applicable successor publication).

However, this information shall not be considered received until both competent authorities have received copies of all materials submitted to either Contracting State by the concerned person(s) in connection with the mutual agreement procedure.

17. The competent authorities of the Contracting States may modify or supplement the above rules and procedures as necessary to more effectively implement the intent of paragraph 6 of Article XXVI to eliminate double taxation.

If the above proposal is acceptable to your Government, I further propose that this Note, which is authentic in English and in French, and your reply Note reflecting such acceptance shall constitute an agreement between our two Governments which shall enter into force on the date of entry into force of the Protocol and shall be annexed to the Convention as Annex A thereto and shall therefore be an integral part of the Convention.

Please accept, Excellency, the assurance of my highest consideration.

No. 1015
Excellency,

I have the honor to acknowledge receipt of your Note No. JLAB-0111 dated September 21, 2007, which states in its entirety as follows:

Excellency,

I have the honor to refer to the Protocol (the "Protocol") done today between Canada and the United States of America amending the Convention with Respect to Taxes on Income and on Capital done at Washington on 26 September 1980, as amended by the Protocols done on 14 June 1983, 28 March 1984, 17 March 1995, and 29 July 1997 (the "Convention"), and to propose on behalf of the Government of Canada the following:

In respect of any case where the competent authorities have endeavored but are unable to reach a complete agreement under Article XXVI (Mutual Agreement Procedure) of the Convention regarding the application of one or more of the following Articles of the Convention: IV (Residence) (but only insofar as it relates to the residence of a natural person), V (Permanent Establishment), VII (Business Profits), IX (Related Persons), and XII (Royalties) (but only (i) insofar as Article XII might apply in transactions involving related persons to whom Article IX might apply, or (ii) to an allocation of amounts between royalties that are taxable under paragraph 2 thereof and royalties that are exempt under paragraph 3 thereof), binding arbitration shall be used to determine such application, unless the competent authorities agree that the particular case is not suitable for determination by arbitration. In addition, the competent authorities may, on an ad hoc basis, agree that binding arbitration shall be used in respect of any other matter to which Article XXVI applies. If an arbitration proceeding (the

DIPLOMATIC NOTE

“Proceeding”) under paragraph 6 of Article XXVI commences, the following rules and procedures shall apply:

1. The Proceeding shall be conducted in the manner prescribed by, and subject to the requirements of, paragraphs 6 and 7 of Article XXVI and these rules and procedures, as modified or supplemented by any other rules and procedures agreed upon by the competent authorities pursuant to paragraph 17 below.
2. The determination reached by an arbitration board in the Proceeding shall be limited to a determination regarding the amount of income, expense or tax reportable to the Contracting States.
3. Notwithstanding the initiation of the Proceeding, the competent authorities may reach a mutual agreement to resolve a case and terminate the Proceeding. Correspondingly, a concerned person may withdraw a request for the competent authorities to engage in the Mutual Agreement Procedure (and thereby terminate the Proceeding) at any time.
4. The requirements of subparagraph 7(d) of Article XXVI shall be met when the competent authorities have each received from each concerned person a notarized statement agreeing that the concerned person and each person acting on the concerned person’s behalf, shall not disclose to any other person any information received during the course of the Proceeding from either Contracting State or the arbitration board, other than the determination of the Proceeding. A concerned person that has the legal authority to bind any other concerned person(s) on this matter may do so in a comprehensive notarized statement.
5. Each Contracting State shall have 60 days from the date on which the Proceeding begins to send a written communication to the other Contracting State appointing one member of the arbitration board. Within 60 days of the date on which the second such communication is sent, the two members appointed by the Contracting States shall appoint a third member, who shall serve as chair of the

board. If either Contracting State fails to appoint a member, or if the members appointed by the Contracting States fail to agree upon the third member in the manner prescribed by this paragraph, a Contracting State shall ask the highest ranking member of the Secretariat at the Centre for Tax Policy and Administration of the Organisation for Economic Co-operation and Development (OECD) who is not a citizen of either Contracting State, to appoint the remaining member(s) by written notice to both Contracting States within 60 days of the date of such failure. The competent authorities shall develop a non-exclusive list of individuals with familiarity in international tax matters who may potentially serve as the chair of the board.

6. The arbitration board may adopt any procedures necessary for the conduct of its business, provided that the procedures are not inconsistent with any provision of Article XXVI or this note.

7. Each of the Contracting States shall be permitted to submit, within 60 days of the appointment of the chair of the arbitration board, a proposed resolution describing the proposed disposition of the specific monetary amounts of income, expense or taxation at issue in the case, and a supporting position paper, for consideration by the arbitration board. Copies of the proposed resolution and supporting position paper shall be provided by the board to the other Contracting State on the date on which the later of the submissions is submitted to the board. In the event that only one Contracting State submits a proposed resolution within the allotted time, then that proposed resolution shall be deemed to be the determination of the board in that case and the Proceeding shall be terminated. Each of the Contracting States may, if it so desires, submit a reply submission to the board within 120 days of the appointment of its chair, to address any points raised by the proposed resolution or position paper submitted by the other Contracting State. Additional information may be submitted to the arbitration board only at its request, and copies of the board's request and the Contracting

State's response shall be provided to the other Contracting State on the date on which the request or the response is submitted. Except for logistical matters such as those identified in paragraphs 12, 14 and 15 below, all communications from the Contracting States to the arbitration board, and vice versa, shall take place only through written communications between the designated competent authorities and the chair of the board.

8. The arbitration board shall deliver a determination in writing to the Contracting States within six months of the appointment of its chair. The board shall adopt as its determination one of the proposed resolutions submitted by the Contracting States.

9. In making its determination, the arbitration board shall apply, as necessary: (1) the provisions of the Convention as amended; (2) any agreed commentaries or explanations of the Contracting States concerning the Convention as amended; (3) the laws of the Contracting States to the extent they are not inconsistent with each other; and (4) any OECD Commentary, Guidelines or Reports regarding relevant analogous portions of the OECD Model Tax Convention.

10. The determination of the arbitration board in a particular case shall be binding on the Contracting States. The determination of the board shall not state a rationale. It shall have no precedential value.

11. As provided in subparagraph 7(e) of Article XXVI, the determination of an arbitration board shall constitute a resolution by mutual agreement under this Article. Each concerned person must, within 30 days of receiving the determination of the board from the competent authority to which the case was first presented, advise that competent authority whether that concerned person accepts the determination of the board. If any concerned person fails to so advise the relevant competent authority within this time frame, the determination of the board shall be considered not to have been accepted in that case. Where the

determination of the board is not accepted, the case may not subsequently be the subject of a Proceeding.

12. Any meeting(s) of the arbitration board shall be in facilities provided by the Contracting State whose competent authority initiated the mutual agreement proceedings in the case.

13. The treatment of any associated interest or penalties shall be determined by applicable domestic law of the Contracting State(s) concerned.

14. No information relating to the Proceeding (including the board's determination) may be disclosed by the members of the arbitration board or their staffs or by either competent authority, except as permitted by the Convention and the domestic laws of the Contracting States. In addition, all material prepared in the course of, or relating to, the Proceeding shall be considered to be information exchanged between the Contracting States. The Contracting States shall ensure that all members of the arbitration board and their staffs sign and send to each Contracting State notarized statements, prior to their acting in the arbitration proceeding, in which they agree to abide by and be subject to the confidentiality and nondisclosure provisions of Articles XXVI and XXVII of the Convention and the applicable domestic laws of the Contracting States. In the event those provisions conflict, the most restrictive condition shall apply.

15. The fees and expenses of members of the arbitration board shall be set in accordance with the International Centre for Settlement of Investment Disputes (ICSID) Schedule of Fees for arbitrators, as in effect on the date on which the arbitration proceedings begin, and shall be borne equally by the Contracting States. Any fees for language translation shall also be borne equally by the Contracting States. Meeting facilities, related resources, financial management, other logistical support, and general administrative coordination of the Proceeding shall be provided, at its own cost, by the Contracting State whose competent

authority initiated the mutual agreement proceedings in the case. Any other costs shall be borne by the Contracting State that incurs them.

16. For purposes of paragraphs 6 and 7 of Article XXVI and this note, each competent authority shall confirm in writing to the other competent authority and to the concerned person(s) the date of its receipt of the information necessary to undertake substantive consideration for a mutual agreement. Such information shall be:

a) in the United States, the information required to be submitted to the U.S. competent authority under Revenue Procedure 2006-54, section 4.05 (or any applicable analogous provisions) and, for cases initially submitted as a request for an Advance Pricing Agreement, the information required to be submitted to the Internal Revenue Service under Revenue Procedure 2006-9, section 4 (or any applicable analogous provisions), and

b) in Canada, the information required to be submitted to Canadian competent authority under Information Circular 71-17 (or any applicable successor publication).

However, this information shall not be considered received until both competent authorities have received copies of all materials submitted to either Contracting State by the concerned person(s) in connection with the mutual agreement procedure.

17. The competent authorities of the Contracting States may modify or supplement the above rules and procedures as necessary to more effectively implement the intent of paragraph 6 of Article XXVI to eliminate double taxation.

If the above proposal is acceptable to your Government, I further propose that this Note, which is authentic in English and in French, and your reply Note reflecting such acceptance shall constitute an agreement between our two Governments which shall enter into force on the date of entry into force of the

Protocol and shall be annexed to the Convention as Annex A thereto and shall therefore be an integral part of the Convention.

Please accept, Excellency, the assurance of my highest consideration.

I am pleased to inform you that the Government of the United States of America accepts the proposal set forth in your Note. The Government of the United States of America further agrees that your Note, which is authentic in English and in French, together with this reply, shall constitute an Agreement between the United States of America and Canada, which shall enter into force on the date of entry into force of the Protocol amending the Convention between the United States of America and Canada with Respect to Taxes on Income and on Capital done at Washington on 26 September 1980, as amended by the Protocols done on 14 June 1983, 28 March 1984, 17 March 1995, and 29 July 1997 (the "Convention"), and shall be annexed to the Convention as Annex A thereto, and shall therefore be an integral part of the Convention.

Accept, Excellency, the renewed assurances of my highest consideration.

Note No. JLAB-0112

Excellency,

SEP 27 2007

I have the honor to refer to the Protocol (the "Protocol") done today between Canada and the United States of America amending the Convention with Respect to Taxes on Income and on Capital done at Washington on 26 September 1980, as amended by the Protocols done on 14 June 1983, 28 March 1984, 17 March 1995, and 29 July 1997 (the "Convention").

In the course of the negotiations leading to the conclusion of the Protocol done today, the negotiators developed and agreed upon a common understanding and interpretation of certain provisions of the Convention. These understandings and interpretations are intended to give guidance both to the taxpayers and to the tax authorities of our two countries in interpreting various provisions contained in the Convention.

I, therefore, have the further honor to propose on behalf of the Government of Canada the following understandings and interpretations:

1. *Meaning of undefined terms*

For purposes of paragraph 2 of Article III (General Definitions) of the Convention, it is understood that, as regards the application at any time of the Convention, and any protocols thereto by a Contracting State, any term not defined therein shall, unless the context otherwise requires or the competent authorities otherwise agree to a common meaning pursuant to Article XXVI (Mutual Agreement Procedure), have the meaning which it has at that time under the law of that State for the purposes of the taxes to which the Convention, and any protocols thereto apply, any meaning under the applicable tax laws of that State prevailing over a meaning given to the term under other laws of that State.

2. *Meaning of connected projects*

For the purposes of applying subparagraph (b) of paragraph 9 of Article V (Permanent Establishment) of the Convention, it is understood that projects shall be considered to be connected if they constitute a coherent whole, commercially and geographically.

3. *Definition of the term "dividends"*

It is understood that distributions from Canadian income trusts and royalty trusts that are treated as dividends under the taxation laws of Canada shall be considered dividends for the purposes of Article X (Dividends) of the Convention.

Canada

4. *Deletion of Article XIV (Independent Personal Services)*

It is understood that the deletion of Article XIV (Independent Personal Services) of the Convention confirms the negotiators' shared understanding that no practical distinction can be made between a "fixed base" and a "permanent establishment", and that independent personal services of a resident of a Contracting State, to the extent that such resident is found to have a permanent establishment in the other Contracting State with respect to those services, shall be subject to the provisions of Article VII (Business Profits).

5. *Former permanent establishments and fixed bases*

It is understood that the modifications of paragraph 2 of Article VII (Business Profits), paragraph 4 of Article X (Dividends), paragraph 3 of Article XI (Interest) and paragraph 5 of Article XII (Royalties) of the Convention to refer to business having formerly been carried on through a permanent establishment confirm the negotiators' shared understanding of the meaning of the existing provisions, and thus are clarifying only.

6. *Stock options*

For purposes of applying Article XV (Income from Employment) and Article XXIV (Elimination of Double Taxation) of the Convention to income of an individual in connection with the exercise or other disposal (including a deemed exercise or disposal) of an option that was granted to the individual as an employee of a corporation or mutual fund trust to acquire shares or units ("securities") of the employer (which is considered, for the purposes of this Note, to include any related entity) in respect of services rendered or to be rendered by such individual, or in connection with the disposal (including a deemed disposal) of a security acquired under such an option, the following principles shall apply:

(a) Subject to subparagraph 6(b) of this Note, the individual shall be deemed to have derived, in respect of employment exercised in a Contracting State, the same proportion of such income that the number of days in the period that begins on the day the option was granted, and that ends on the day the option was exercised or disposed of, on which the individual's principal place of employment for the employer was situated in that Contracting State is of the total number of days in the period on which the individual was employed by the employer; and

(b) Notwithstanding subparagraph 6(a) of this Note, if the competent authorities of both Contracting States agree that the terms of the option were such that the grant of the option will be appropriately treated as transfer of ownership of the securities (e.g., because the options were in-the-money or not subject to a substantial vesting period), then they may agree to attribute income accordingly.

7. *Taxes imposed by reason of death*

It is understood that,

(a) Where a share or option in respect of a share is property situated in the United States for the purposes of Article XXIX B (Taxes Imposed by Reason of

Death) of the Convention, any employment income in respect of the share or option shall be, for the purpose of clause 6(a)(ii) of that Article, income from property situated in the United States;

(b) Where property situated in the United States for the purposes of Article XXIX B (Taxes Imposed by Reason of Death) of the Convention is held by an entity that is a resident of Canada and that is described in subparagraph 1(b) of Article IV (Residence) of the Convention, any income out of or under the entity in respect of the property shall be, for the purpose of subparagraph 6(a)(ii) of Article XXIX B (Taxes Imposed by Reason of Death), income from property situated in the United States; and

(c) Where a tax is imposed in Canada by reason of death in respect of an entity that is a resident of Canada and that is described in subparagraph 1(b) of Article IV (Residence) of the Convention, that tax shall be, for the purpose of paragraph 7 of Article XXIX B (Taxes Imposed by Reason of Death) of the Convention, imposed in respect of property situated in Canada.

8. *Royalties – information in connection with franchise agreement*

It is understood that the reference in subparagraph 3(c) of Article XII (Royalties) of the Convention to information provided in connection with a franchise agreement shall generally refer only to information that governs or otherwise deals with the operation (whether by the payer or by another person) of the franchise, and not to other information concerning industrial, commercial or scientific experience that is held for resale or license.

9. *With reference to Article VII (Business Profits)*

It is understood that the business profits to be attributed to a permanent establishment shall include only the profits derived from the assets used, risks assumed and activities performed by the permanent establishment. The principles of the OECD Transfer Pricing Guidelines shall apply for purposes of determining the profits attributable to a permanent establishment, taking into account the different economic and legal circumstances of a single entity. Accordingly, any of the methods described therein as acceptable methods for determining an arm's length result may be used to determine the income of a permanent establishment so long as those methods are applied in accordance with the Guidelines. In particular, in determining the amount of attributable profits, the permanent establishment shall be treated as having the same amount of capital that it would need to support its activities if it were a distinct and separate enterprise engaged in the same or similar activities. With respect to financial institutions other than insurance companies, a Contracting State may determine the amount of capital to be attributed to a permanent establishment by allocating the institution's total equity between its various offices on the basis of the proportion of the financial institution's risk-weighted assets attributable to each of them. In the case of an insurance company, there shall be attributed to a permanent establishment not only premiums earned through the permanent establishment, but that portion of the insurance company's overall investment income from reserves and surplus that supports the risks assumed by the permanent establishment.

10. Qualifying retirement plans

For purposes of paragraph 15 of Article XVIII (Pensions and Annuities) of the Convention, it is understood that

(a) In the case of Canada, the term “qualifying retirement plan” shall include the following and any identical or substantially similar plan that is established pursuant to legislation introduced after the date of signature of the Protocol: registered pension plans under section 147.1 of the Income Tax Act, registered retirement savings plans under section 146 that are part of a group arrangement described in subsection 204.2(1.32), deferred profit sharing plans under section 147, and any registered retirement savings plan under section 146 or registered retirement income fund under section 146.3 that is funded exclusively by rollover contributions from one or more of the preceding plans; and

(b) In the case of the United States, the term “qualifying retirement plan” shall include the following and any identical or substantially similar plan that is established pursuant to legislation introduced after the date of signature of the Protocol: qualified plans under section 401(a) of the Internal Revenue Code (including section 401(k) arrangements), individual retirement plans that are part of a simplified employee pension plan that satisfies section 408(k), section 408(p) simple retirement accounts, section 403(a) qualified annuity plans, section 403(b) plans, section 457(g) trusts providing benefits under section 457(b) plans, the Thrift Savings Fund (section 7701(j)), and any individual retirement account under section 408(a) that is funded exclusively by rollover contributions from one or more of the preceding plans.

11. Former long-term residents

The term “long-term resident” shall mean any individual who is a lawful permanent resident of the United States in eight or more taxable years during the preceding 15 taxable years. In determining whether the threshold in the preceding sentence is met, there shall not count any year in which the individual is treated as a resident of Canada under the Convention, or as a resident of any country other than the United States under the provisions of any other U.S. tax treaty, and, in either case, the individual does not waive the benefits of such treaty applicable to residents of the other country.

12. Special source rules relating to former citizens and long-term residents

For purposes of subparagraph 2 (b) of Article XXIX (Miscellaneous Rules) of the Convention, “income deemed under the domestic law of the United States to arise from such sources” shall consist of gains from the sale or exchange of stock of a U.S. company or debt obligations of a U.S. person, the United States, a State, or a political subdivision thereof, or the District of Columbia, gains from property (other than stock or debt obligations) located in the United States, and, in certain cases, income or gain derived from the sale of stock of a non-U.S. company or a disposition of property contributed to such non-U.S. company where such company would be a controlled foreign corporation with respect to the person if such person had continued to be a U.S. person. In addition, an individual who exchanges property that gives rise or would give rise to U.S.-source income for property that gives rise to foreign-source income shall be treated as if he or

she had sold the property that would give rise to U.S. source income for its fair market value, and any consequent gain shall be deemed to be income from sources within the United States.

13. Exchange of Information

It is understood that the standards and practices described in Article XXVII (Exchange of Information) of the Convention are to be in no respect less effective than those described in the Model Agreement on Exchange of Information on Tax Matters developed by the OECD Global Forum Working Group on Effective Exchange of Information.

14. Limitation on Benefits

The United States and Canada are part of the same regional free trade area and, as a result, the Convention reflects the fact that publicly traded companies resident in one country may be traded on a stock exchange of the other country. Nevertheless, the Contracting States agree that in making future amendments to the Convention, they shall consult on possible modifications to subparagraph 2(c) of Article XXIX A (Limitation on Benefits) of the Convention (including, modifications necessary to discourage corporate inversion transactions).

If the above proposal is acceptable to your Government, I further propose that this Note, which is authentic in English and in French, and your reply Note reflecting such acceptance shall constitute an agreement between our two Governments which shall enter into force on the date of entry into force of the Protocol and shall be annexed to the Convention as Annex B thereto and shall therefore be an integral part of the Convention.

Please accept, Excellency, the assurance of my highest consideration.

Excellency,

I have the honor to acknowledge receipt of your Note No. JLAB-0112 dated September 21, 2007, which states in its entirety as follows:

These understandings and interpretations are intended to give guidance both to the taxpayers and to the tax authorities of our two countries in interpreting various provisions contained in the Convention.

1. Meaning of undefined terms

For purposes of paragraph 2 of Article III (General Definitions) of the Convention, it is understood that, as regards the application at any time of the Convention, and any protocols thereto by a Contracting State, any term not defined therein shall, unless the context otherwise requires or the competent

authorities otherwise agree to a common meaning pursuant to Article XXVI (Mutual Agreement Procedure), have the meaning which it has at that time under the law of that State for the purposes of the taxes to which the Convention, and any protocols thereto apply, any meaning under the applicable tax laws of that State prevailing over a meaning given to the term under other laws of that State.

It is understood that distributions from Canadian income trusts and royalty trusts that are treated as dividends under the taxation laws of Canada shall be considered dividends for the purposes of Article X (Dividends) of the Convention.

5. *Former permanent establishments and fixed bases*

It is understood that the modifications of paragraph 2 of Article VII (Business Profits), paragraph 4 of Article X (Dividends), paragraph 3 of Article XI (Interest) and paragraph 5 of Article XII (Royalties) of the Convention to refer to business having formerly been carried on through a permanent establishment confirm the

negotiators' shared understanding of the meaning of the existing provisions, and thus are clarifying only.

6. *Stock options*

For purposes of applying Article XV (Income from Employment) and Article XXIV (Elimination of Double Taxation) of the Convention to income of an individual in connection with the exercise or other disposal (including a deemed exercise or disposal) of an option that was granted to the individual as an employee of a corporation or mutual fund trust to acquire shares or units ("securities") of the employer (which is considered, for the purposes of this Note, to include any related entity) in respect of services rendered or to be rendered by such individual, or in connection with the disposal (including a deemed disposal) of a security acquired under such an option, the following principles shall apply:

(b) Notwithstanding subparagraph 6(a) of this Note, if the competent authorities of both Contracting States agree that the terms of the option were such that the grant of the option will be appropriately treated as transfer of ownership of the securities (e.g., because the options were in-the-money or not subject to a substantial vesting period), then they may agree to attribute income accordingly.

7. *Taxes imposed by reason of death*

It is understood that,

(a) Where a share or option in respect of a share is property situated in the United States for the purposes of Article XXIX B (Taxes Imposed by Reason of Death) of the Convention, any employment income in respect of the share or option shall be, for the purpose of clause 6(a)(ii) of that Article, income from property situated in the United States;

(b) Where property situated in the United States for the purposes of Article XXIX B (Taxes Imposed by Reason of Death) of the Convention is held by an entity that is a resident of Canada and that is described in subparagraph 1(b) of Article IV (Residence) of the Convention, any income out of or under the entity in respect of the property shall be, for the purpose of subparagraph 6(a)(ii) of Article XXIX B (Taxes Imposed by Reason of Death), income from property situated in the United States; and

(c) Where a tax is imposed in Canada by reason of death in respect of an entity that is a resident of Canada and that is described in subparagraph 1(b) of Article IV (Residence) of the Convention, that tax shall be, for the purpose of paragraph 7 of Article XXIX B (Taxes Imposed by Reason of Death) of the Convention, imposed in respect of property situated in Canada.

8. Royalties – information in connection with franchise agreement

It is understood that the reference in subparagraph 3(c) of Article XII (Royalties) of the Convention to information provided in connection with a franchise agreement shall generally refer only to information that governs or otherwise deals with the operation (whether by the payer or by another person) of the franchise, and not to other information concerning industrial, commercial or scientific experience that is held for resale or license.

9. With reference to Article VII (Business Profits)

It is understood that the business profits to be attributed to a permanent establishment shall include only the profits derived from the assets used, risks assumed and activities performed by the permanent establishment. The principles

of the OECD Transfer Pricing Guidelines shall apply for purposes of determining the profits attributable to a permanent establishment, taking into account the different economic and legal circumstances of a single entity. Accordingly, any of the methods described therein as acceptable methods for determining an arm's length result may be used to determine the income of a permanent establishment so long as those methods are applied in accordance with the Guidelines. In particular, in determining the amount of attributable profits, the permanent establishment shall be treated as having the same amount of capital that it would need to support its activities if it were a distinct and separate enterprise engaged in the same or similar activities. With respect to financial institutions other than insurance companies, a Contracting State may determine the amount of capital to be attributed to a permanent establishment by allocating the institution's total equity between its various offices on the basis of the proportion of the financial institution's risk-weighted assets attributable to each of them. In the case of an insurance company, there shall be attributed to a permanent establishment not only premiums earned through the permanent establishment, but that portion of the insurance company's overall investment income from reserves and surplus that supports the risks assumed by the permanent establishment.

10. Qualifying retirement plans

For purposes of paragraph 15 of Article XVIII (Pensions and Annuities) of the Convention, it is understood that

(a) In the case of Canada, the term "qualifying retirement plan" shall include the following and any identical or substantially similar plan that is established pursuant to legislation introduced after the date of signature of the Protocol: registered pension plans under section 147.1 of the Income Tax Act, registered retirement savings plans under section 146 that are part of a group arrangement described in subsection 204.2(1.32), deferred profit sharing plans under section 147, and any registered retirement savings plan under section 146 or

registered retirement income fund under section 146.3 that is funded exclusively by rollover contributions from one or more of the preceding plans; and

(b) In the case of the United States, the term “qualifying retirement plan” shall include the following and any identical or substantially similar plan that is established pursuant to legislation introduced after the date of signature of the Protocol: qualified plans under section 401(a) of the Internal Revenue Code (including section 401(k) arrangements), individual retirement plans that are part of a simplified employee pension plan that satisfies section 408(k), section 408(p) simple retirement accounts, section 403(a) qualified annuity plans, section 403(b) plans, section 457(g) trusts providing benefits under section 457(b) plans, the Thrift Savings Fund (section 7701(j)), and any individual retirement account under section 408(a) that is funded exclusively by rollover contributions from one or more of the preceding plans.

11. Former long-term residents

The term “long-term resident” shall mean any individual who is a lawful permanent resident of the United States in eight or more taxable years during the preceding 15 taxable years. In determining whether the threshold in the preceding sentence is met, there shall not count any year in which the individual is treated as a resident of Canada under the Convention, or as a resident of any country other than the United States under the provisions of any other U.S. tax treaty, and, in either case, the individual does not waive the benefits of such treaty applicable to residents of the other country.

12. Special source rules relating to former citizens and long-term residents

For purposes of subparagraph 2 (b) of Article XXIX (Miscellaneous Rules) of the Convention, “income deemed under the domestic law of the United States to arise from such sources” shall consist of gains from the sale or exchange of stock of a U.S. company or debt obligations of a U.S. person, the United States, a State, or a political subdivision thereof, or the District of Columbia, gains from property

(other than stock or debt obligations) located in the United States, and, in certain cases, income or gain derived from the sale of stock of a non-U.S. company or a disposition of property contributed to such non-U.S. company where such company would be a controlled foreign corporation with respect to the person if such person had continued to be a U.S. person. In addition, an individual who exchanges property that gives rise or would give rise to U.S.-source income for property that gives rise to foreign-source income shall be treated as if he or she had sold the property that would give rise to U.S. source income for its fair market value, and any consequent gain shall be deemed to be income from sources within the United States.

13. Exchange of Information

It is understood that the standards and practices described in Article XXVII (Exchange of Information) of the Convention are to be in no respect less effective than those described in the Model Agreement on Exchange of Information on Tax Matters developed by the OECD Global Forum Working Group on Effective Exchange of Information.

14. Limitation on Benefits

The United States and Canada are part of the same regional free trade area and, as a result, the Convention reflects the fact that publicly traded companies resident in one country may be traded on a stock exchange of the other country.

Nevertheless, the Contracting States agree that in making future amendments to the Convention, they shall consult on possible modifications to subparagraph 2(c) of Article XXIX A (Limitation on Benefits) of the Convention (including, modifications necessary to discourage corporate inversion transactions).

If the above proposal is acceptable to your Government, I further propose that this Note, which is authentic in English and in French, and your reply Note reflecting such acceptance shall constitute an agreement between our two

Governments which shall enter into force on the date of entry into force of the Protocol and shall be annexed to the Convention as Annex B thereto, and shall therefore be an integral part of the Convention.

Please accept, Excellency, the assurance of my highest consideration.

I am pleased to inform you that the Government of the United States of America accepts the proposal set forth in your Note. The Government of the United States of America further agrees that your Note, which is authentic in English and in French, together with this reply, shall constitute an Agreement between the United States of America and Canada, which shall enter into force on the date of entry into force of the Protocol amending the Convention between the United States of America and Canada with Respect to Taxes on Income and on Capital done at Washington on 26 September 1980, as amended by the Protocols done on 14 June 1983, 28 March 1984, 17 March 1995, and 29 July 1997 (the "Convention"), and shall be annexed to the Convention as Annex B thereto, and shall therefore be an integral part of the Convention.

Accept, Excellency, the renewed assurances of my highest consideration.
