To the Congress of the United States:

Pursuant to the authority vested in me by section 902(b)(2) of the Foreign Relations Authorization Act, Fiscal Years 1990 and 1991 (Public Law 101–246) (the "Act"), and as President of the United States, I hereby report to the Congress that it is in the national interest of the United States to terminate the suspensions under section 902(a)(3) of the Act with respect to the issuance of permanent munitions export licenses for exports to the People's Republic of China insofar as such restrictions pertain to the LightScanner® 32 System used for gene mutation genotyping for individualized cancer treatment.
