The Honorable Barack H. Obama  
President of the United States  
1600 Pennsylvania Avenue, NW  
Washington, DC 20500  

Dear Mr. President:  

On behalf of the residents of the District of Columbia, I am pleased to submit to you the District of Columbia Fiscal Year 2016 Budget and Financial Plan entitled *Pathways to the Middle Class*, which includes the Fiscal Year 2016 Budget Request Act of 2015. This is the District of Columbia’s twentieth consecutive balanced budget, one that will help improve the lives of District residents in all eight wards.  

Our goal is to ensure that all residents – whether they have lived here for five minutes or five generations – share in the District’s prosperity and that we continue building on our successes in education, public safety, economic development, affordable housing, and infrastructure improvements. With these goals in mind, the budget includes the following strategic enhancements:  

- $1.3 billion to modernize our elementary, middle, and high school facilities over the next six years;  
- $138.3 million in capital funds over six years for recreation centers, parks, and pools;  
- $100 million in new funding for affordable housing initiatives within the Housing Production Trust Fund;  
- $80.8 million for Fire and Emergency Medical Services equipment investments;  
- $40 million in capital funds to create new family shelter options throughout the District to replace DC General;  
- $27.7 million for increased enrollment in our public schools;  
- $23 million to begin funding the city’s strategic path to end homelessness;  
- $7 million to expand the Kids Ride Free program to Metrorail;  
- $3.4 million to continue the expansion of our Summer Youth Employment Program to include 22–24 year olds;  
- $2.9 million to hire 48 new civilian positions within the Metropolitan Police Department, allowing more sworn officers to move from the desk to the street; and  

• $2.7 million to increase the number of body-worn cameras for Metropolitan Police Department patrol officers.

As you know, the District of Columbia faces challenges to the implementation of our budget because of difficulties in Congress regarding the passage of annual Federal appropriations bills and some members’ attempts to impose riders on those bills to limit Home Rule in the District of Columbia. All District residents appreciate your support of the District controlling our local dollars to ensure the uninterrupted ability for us to spend those funds, whether or not Congress passes its budget in a timely fashion. Thank you for including language in your budget supporting our autonomy by requesting that Congress act to remove the District of Columbia from the appropriations process with respect to the District’s local funds. The District of Columbia raises over 70 percent of its budget in local funds and it is an affront to democracy that we were not, until now, allowed to utilize those funds without affirmative Congressional action.

We also want to extend our sincere appreciation for your continued support of legislative autonomy for the District of Columbia in your Fiscal Year 2016 budget submission, a goal we will work hard to achieve during my tenure. The District of Columbia is home to more than 650,000 residents who lack the basic right of representative governance. I pledge to work with you, the leadership of both the House of Representatives and Senate, and our allies to achieve the autonomy the District deserves.

This is the first time we have passed a budget under the provisions of our Budget Autonomy Act. Unlike previous Budget Request Acts, this year’s Act has been reviewed and voted on twice by our Council. This is still a transition year, though, because when we started our budget planning, an injunction prohibited us from implementing our Budget Autonomy Act. As a result, we prepared only one District budget this year, titled the 2016 Budget Request Act of 2015, and it contains both the federal and local portions of our budget. The injunction was later vacated, however, allowing us to implement the Budget Autonomy Act. We recognize the continued need for an appropriation of the federal payment portions of our budget but believe that the provisions relating to the local portion of our budget will go into effect without a separate appropriation following a 30 legislative-day period of passive Congressional review.

I look forward to prompt and favorable consideration of the District of Columbia’s Fiscal Year 2016 Budget and Financial Plan.

Most Respectfully,
