*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared in Executive Order 13694 of April 1, 2015, and with respect to which additional steps were taken in Executive Order 13757 of December 28, 2016, Executive Order 13984 of January 19, 2021, Executive Order 14110 of October 30, 2023 (revoked by Executive Order 14148 of January 20, 2025), Executive Order 14144 of January 16, 2025, and Executive Order 14306 of June 6, 2025, is to continue in effect beyond April 1, 2026.

Significant malicious cyber-enabled activities originating from, or directed by persons located, in whole or in substantial part, outside the United States continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13694 with respect to significant malicious cyber-enabled activities.

DONALD J. TRUMP.

THE WHITE HOUSE, *March 24, 2026.*

## NOTICE

### CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO SIGNIFICANT MALICIOUS CYBER-ENABLED ACTIVITIES

On April 1, 2015, by Executive Order 13694, the President declared a national emergency pursuant to the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) to deal with the unusual and extraordinary threat to the national security, foreign policy, and economy of the United States constituted by the increasing prevalence and severity of malicious cyber-enabled activities originating from, or directed by persons located, in whole or in substantial part, outside the United States. The President issued Executive Order 13757 of December 28, 2016, Executive Order 13984 of January 19, 2021, Executive Order 14110 of October 30, 2023 (in relevant part), Executive Order 14144 of January 16, 2025 (in relevant part), and Executive Order 14306 of June 6, 2025, to take additional steps to address the national emergency declared in Executive Order 13694. Executive Order 14148 of January 20, 2025 (in relevant part), revoked Executive Order 14110.

These significant malicious cyber-enabled activities continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. For this reason, the national emergency declared in Executive Order 13694, and with respect to which additional steps were taken in Executive Order 13757, Executive Order 13984, Executive Order 14110 (revoked by Executive Order 14148), Executive Order 14144, and Executive Order 14306, must continue in effect beyond April 1, 2026. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing for 1 year the national emergency declared in Executive Order 13694.

This notice shall be published in the *Federal Register* and transmitted to the Congress.

DONALD J. TRUMP.

THE WHITE HOUSE, *March 24, 2026.*
