Hon. MIKE JOHNSON,
Speaker of the House of Representatives,
Washington, DC.

DEAR MR. SPEAKER: On January 20, 2025, I issued Proclamation 10886, declaring a national emergency at the southern border by reason of an attack on America's sovereignty through invasion by foreign criminal gangs and aliens. My declaration invoked 10 U.S.C. 12302 and authorized the Secretaries of the military departments, subject to direction by the Secretary of Defense, to support the Federal Government's response to the emergency at the southern border by recalling members of the Ready Reserve.

I have sent to the *Federal Register* for publication the enclosed notice stating that I invoke 10 U.S.C. 12302 and extend the authorization in Proclamation 10886 to the Secretary of Homeland Security with respect to members of the United States Coast Guard.

Support of the United States Coast Guard is critical to ensuring the sovereignty and territorial integrity of the United States and safeguarding our maritime borders and approaches.

Sincerely,

DONALD J. TRUMP.
