To cite the regulations in this volume use title, part and section number. Thus, 5 CFR 715.201 *refers to title 5, part 715, section 201.*

Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.....as of January 1
Title 17 through Title 27.....as of April 1
Title 28 through Title 41.....as of July 1
Title 42 through Title 50.....as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, January 1, 1997), consult the ''List of CFR Sections Affected (LSA),'' which is issued monthly, and the ''Cumulative List of Parts Affected,'' which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96–511) requires Federal agencies to display an OMB control number with their information collection request.

Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949–1963, 1964–1972, or 1973–1985, published in seven separate volumes. For the period beginning January 1, 1986, a ''List of CFR Sections Affected'' is published at the end of each CFR volume.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I), and Acts Requiring Publication in the Federal Register (Table II). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of ''Title 3—The President'' is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the ''Contents'' entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

AUTHORITY: 5 U.S.C. 7201; 42 U.S.C. 2000e, unless otherwise noted.

SOURCE: 44 FR 22031, Apr. 13, 1979, unless otherwise noted.

Subpart A—Principal Statutory Requirements

§ 720.101 Federal Equal Opportunity Recruitment Program.

This section incorporates the statutory requirements for establishing and conducting an equal opportunity recruitment program consistent with law within the Federal civil service. The policy in 5 U.S.C. 7201(b) reads as follows: ''It is the policy of the United States to insure equal employment opportunities for employees without discrimination because of race, color, religion, sex, or national origin. The President shall use his existing authority to carry out this policy.'' 5 U.S.C. 7201(c) requires under regulations prescribed by the Office of Personnel Management:

''(1) That each Executive agency conduct a continuing program for the recruitment of members of minorities for positions in the agency to carry out the [anti-discrimination] policy set forth in subsection (b) in a manner designed to eliminate underrepresentation of minorities in the various categories of civil service employment within the Federal service, with special efforts directed at recruiting in minority communities, in educational institutions, and from other sources from which minorities can be recruited; and

''(2) That the Office conduct a continuing program of—

''(A) Assistance to agencies in carrying out programs under paragraph (1) of this subsection; and

''(B) Evaluation and oversight of such recruitment programs to determine their effectiveness in eliminating such minority underrepresentation.''

This section and all implementing guidance shall be interpreted consistent with title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000c *et seq.*

[44 FR 22031, Apr. 13, 1979, as amended at 48 FR 193, Jan. 4, 1983]

Subpart B—Federal Equal Opportunity Recruitment Program

§ 720.201 Regulatory requirements.

This subpart contains the regulations of the Office of Personnel Management which implement the above provisions of title 5, United States Code, and are prescribed by the Office under authority of 5 U.S.C. 7201.

§ 720.202 Definitions.

For the purposes of this subpart:

(a) *Underrepresentation* means a situation in which the number of women or members of a minority group within a category of civil service employment constitutes a lower percentage of the total number of employees within the employment category than the percentage women or the minority constitutes within the civilian labor force of the United States, in accordance with § 720.205 (c) and (d).

(b) *Category of civil service employment* means such groupings of Federal jobs by grades and/or occupations as the Office of Personnel Management deems appropriate within the General Schedule and the prevailing wage systems.

(c) *Minority* refers only to those groups classified as ''minority'' for the purpose of data collection by the Office of Personnel Management and the Equal Employment Opportunity Commission in furtherance of Federal equal employment opportunity policies. The term, ''women,'' includes nonminority as well as minority women.

(d) *Civilian labor force* (CLF) includes all persons 16 years of age and over, except those in the armed forces, who are employed or who are unemployed and seeking work. CLF data are defined by the Bureau of the Census and the Bureau of Labor Statistics and are reported in the most recent decennial or mid-decade census, or current population survey, under title 13 of the United States Code or any other reliable statistical study.

(e) *Recruitment* means the total process by which the Federal Government and the Federal agencies locate, identify and assist in the employment of qualified applicants from underrepresented groups for job openings in categories of employment where underrepresentation has been determined. It includes both innovative internal and external recruitment actions. It is also intended to cover processes designed to prepare qualifiable applicants (those who have the potential but do not presently meet valid qualification requirements) for such job openings through programs of training, work experience or both.

(f) *Applicant pool* means all types of listings from which selections may be

made, including (but not limited to) promotion lists, competitive certificates and inventories of eligibles, applicant supply files, and lists of eligibles for certain noncompetitive appointments.

§ 720.203 Responsibilities of the Office of Personnel Management.

(a) The Office of Personnel Management will provide appropriate data to assist Federal agencies in making determinations of underrepresentation. The process for making such determinations is described in sections II and III (c) of the ''Guidelines for the Development of a Federal Recruitment Program to Implement 5 U.S.C. 7201, as amended'' (See appendix to this part). The Office will develop and publish more specific criteria for statistical measurements to be used by individual agencies, and will develop further guidance on—

(1) Agency employment statistics and civilian labor force statistics to be used in making determinations of underrepresentation, on a national, regional or other geographic basis as appropriate;

(2) Groupings of grades and/or other occupational categories to be used in implementing agency programs;

(3) Occupational categories and job series for which expanded external recruitment efforts are most appropriate, and those for which expanded and innovative internal recruitment is appropriate; and

(4) Other factors which may be considered by the agency, in consultation with Office of Personnel Management, to make determinations of underrepresentation and to develop recruitment programs focused on specific occupational categories.

(b) The Office will assist agencies in carrying out their programs by—

(1) Identifying major recruitment sources of women and members of minority groups and providing guidance on internal and external recruitment activities directed toward the solution of specific underrepresentation problem;

(2) Supplementing agency recruitment efforts, utilizing existing networks for dissemination of job information, and involving the participation of minority group and women's organizations where practicable;

(3) Examining existing Federal personnel procedures to identify those which (i) may serve as impediments to innovative internal and external recruitment and (ii) are within the administrative control of the Office or the Federal agencies;

(4) Determining whether applicant pools used in filling jobs in a category of employment where underrepresentation exists include sufficient candidates from any underrepresentated groups, except where the agency controls such pools (see § 720.204(c));

(5) Providing such other support, as the Office deems appropriate.

(c) The Office will monitor and, in conjunction with the personnel management evaluation program of the Office, evaluate agency programs to determine their effectiveness in eliminating underrrepresentation.

(d) The Office will work with agencies to develop effective mechanisms for providing information on Federal job opportunities targeted to reach candidates from underrepresented groups.

(e) The Office will conduct a continuing program of guidance and instruction to supplement these regulations.

(f) The Office will coordinate further activities to implement equal opportunity recruitment programs under this subpart with the Equal Employment Opportunity Commission consistent with law, Executive Order 12067, and Reorganization Plan No. 1 of 1978.

§ 720.204 Agency programs.

(a) Each Executive agency having positions in the pay systems covered by this program must conduct a continuing program for the recruitment of minorities and women for positions in the agency and its components to carry out the policy of the United States to insure equal employment opportunities without discrimination because of race, color, religion, sex or national origin. The head of each agency must specifically assign responsibility for program implementation to an appropriate agency official. All agency officials

who have responsibility for the program will be evaluated on their effectiveness in carrying it out as part of their periodic performance appraisals.

(b) Programs established under this subpart must be designed to cover recruitment for all positions in pay plans covered by this program including part-time and temporary positions.

(c) Where an agency or the Office of Personnel Management has determined that an applicant pool does not adequately provide for consideration of candidates from any underrepresented group, the agency or agency component must take one or more of the following actions:

(1) Expand or otherwise redirect their recruitment activities in ways designed to increase the number of candidates from underrepresented groups in that applicant pool;

(2) Use selection methods involving other applicant pools which include sufficient numbers of members of underrepresented groups;

(3) Notify the office responsible for administering that applicant pool, and request its reopening of application receipt in support of expanded recruitment activities or certifying from equivalent registers existing in other geographic areas; and/or

(4) Take such other action consistent with law which will contribute to the elimination of underrepresentation in the category of employment involved.

(d) Agencies must notify and seek advice and assistance from the Office of Personnel Management in cases where their equal opportunity recruitment programs are not making measurable progress in eliminating identified underrepresentation in the agency work force.

§ 720.205 Agency plans.

(a) Each agency must have an up-to-date equal opportunity recruitment program plan covering recruitment for positions at various organizational levels and geographic locations within the agency. Such plans must be available for review in appropriate offices of the agency and must be submitted to the Office of Personnel Management on request. In accordance with agreement reached between the Office and the Equal Employment Opportunity Commission, such plans must be incorporated in the agency's equal employment opportunity plans required under section 717 of the Civil Rights Act of 1964, as amended, pursuant to regulations and instructions of the Commission, provided they are separable parts of those plans for purposes of review by and submission to the Office of Personnel Management. Agency organizational and geographical components which are required to develop and submit Equal Employment Opportunity plans, under instructions issued by the Equal Employment Opportunity Commission, must also have up-to-date special recruitment program plans. On a determination by the Office of Personnel Management, in consultation with EEOC, that additional component plans are needed to implement an agency's program effectively, the Office will instruct the agency to develop additional plans. Agencies must comply with such instructions.

(b) Agency plans must include annual specific determinations of underrepresentation for each group and must be accompanied by quantifiable indices by which progress toward eliminating underrepresentation can be measured.

(c) Where an agency or agency component is located in a geographical area where the percentage of underrepresented groups in the area civilian labor force is higher than their percentage in the national labor force, the agency or component must base its plans on the higher level of representation in the relevant civilian labor force.

(d) Where an agency or agency component is located in a geographical area where participation of a particular underrepresented group is significantly lower than its participation in the national labor force, the agency or component may, in consultation with the Office of Personnel Management, use the lower percentage in determining underrepresentation. An agency may not use a figure lower than the relevant regional or nationwide labor force percentage where recruitment on a regional or nationwide basis is feasible for particular categories of employment. Factors such as size of the agency or unit, nature of jobs and their wage or pay scale may be considered in

focusing recruitment for various job categories.

(e) In addition to the underrepresentation determinations described in paragraphs (b), (c) and (d) of this section, agency plans must, at a minimum, include:

(1) An assessment of grades or job categories and numbers of jobs in such categories expected to be filled in the current year, and on a longer term basis (based on anticipated turnover, expansion, hiring limits and other relevant factors) identification of those occupational categories and positions suitable for external recruitment, and description of special targeted recruitment programs for such jobs and positions;

(2) A similar assessment for job categories and positions likely to be filled by recruitment from within the agency and/or the Federal civil service system and a description of recruitment programs developed to increase minority and female candidates from internal sources for such positions;

(3) A further assessment of internal availability of candidates from underrepresentated groups for higher job progressions by identifying job-related skills, knowledges and abilities which may be obtained at lower levels in the same or similar occupational series, or through other experience;

(4) A description of methods the agency intends to use to locate and develop minority and female candidates for each category of underrepresentation and an indication of how such methods differ from and expand upon the recruitment activities of the agency prior to establishment of the special recruitment program or the last revision to the agency's plans;

(5) A description of specific, special efforts planned by the agency (or agency component) to recruit in communities, educational institutions, and other likely sources of qualified minority and female candidates;

(6) A description of efforts which will be undertaken by the agency to identify jobs which can be redesigned so as to improve opportunities for minorities and women, including jobs requiring bilingual or bicultural capabilities or not requiring English fluency.

(7) A list of priorities for special recruitment program activities based on agency identification of:

(i) Immediate and longer range job openings for each occupational/grade-level grouping for which underrepresentation has been determined;

(ii) Hiring authorities which may be used to fill such jobs;

(iii) The possible impact of its actions on underrepresentation.

(8) Identification of training and job development programs the agency will use to provide skills, knowledge and abilities to qualify increased numbers of minorities and women for occupational series and grade levels where they are significantly underrepresented.

(9) Identification of problems for which the assistance of the Office of Personnel Management is needed and will be requested.

(f) Equal opportunity recruitment program plans must be consistent with agency Upward Mobility program plans and should be developed with full consideration of the agency's overall recruiting and staffing planning objectives.

(g) All plans required under this subpart must be developed not later than October 1, 1979.

[44 FR 22031, Apr. 13, 1979, as amended at 44 FR 33046, June 8, 1979]

§ 720.206 Selection guidelines.

This subpart sets forth requirements for a recruitment program, not a selection program. Nevertheless, agencies are advised that all selection processes including job qualifications, personnel procedures and criteria must be consistent with the Uniform Guidelines on Employee Selection Procedures (43 FR 38290; August 25, 1978).

§ 720.207 Reports.

(a) Not later than November 1 of each year, agencies must submit an annual report on their equal opportunity recruitment program to the Office of Personnel Management, in a form prescribed by the Office. The Office may require submission of any additional reports it considers necessary in carrying out its responsibilities under this subpart.

(b) The Office will report to Congress on the implementation and operation of the program on a Governmentwide basis not later than January 31 of each year, as required by law. Such reports will include assessments of agencies progress, or lack of progress, in meeting the objectives of the program.

§ 720.301 Purpose and authority.

This subpart sets forth requirements for agency disabled veteran affirmative action programs (DVAAPs) designed to promote Federal employment and advancement opportunities for qualified disabled veterans. The regulations in this subpart are prescribed pursuant to responsibilities assigned to the Office of Personnel Management (OPM) under section 403 of the Vietnam Era Veterans Readjustment Assistance Act of 1974, as amended (38 U.S.C. 2014), and section 307 of the Civil Service Reform Act of 1978 (5 U.S.C. 3112).

§ 720.302 Definition.

As used in this subpart, the terms *veteran* and *disabled veteran* have the meanings given to these terms in title 38 of the United States Code.

§ 720.303 Agency programs.

(a) *Continuing Programs.* Each Department, agency, and instrumentality in the executive branch, including the U.S. Postal Service and the Postal Rate Commission, shall conduct a continuing affirmative program for the recruitment, hiring, placement, and advancement of disabled veterans.

(b) *Program Responsibility.* The head of each agency shall assign overall program responsibility to an appropriate agency official. The official so designated shall be at a high enough level to ensure effective program administration and the devotion of adequate resources to the program.

(c) *Problem Analysis.*

(1) Annually, OPM will provide appropriate data on the employment of disabled veterans to each agency participating in the Central Personnel Data File (CPDF). These data will be taken from CPDF. For DVAAP purposes, CPDF data are considered to be the offical record of the status of disabled veteran employment within each participating agency. Each participating agency is responsible for assuring that such records are timely, accurate, and complete.

(2) CPDF data must be analyzed by participating agencies to identify problem areas and deficiencies in the employment and advancement of disabled veterans. (OPM will establish with each agency not participating in CPDF, the nature and extent of data to be used in identifying problems and deficiencies.) Based on this analysis, agencies shall develop methods to improve the recruitment, hiring, placement, and advancement of disabled veterans, or revise or redirect existing methods, as necessary. These methods must then be translated into action items.

§ 720.304 Agency plan.

(a) *Plan Development.* As part of the affirmative action plan it prepares pursuant to section 501(b) of the Rehabilitation Act of 1973 (29 U.S.C. 791 (b)) (''Section 501(b) Plan''), each Department, agency, or instrumentality in the executive branch must have an up-to-date affirmative action plan for the employment and advancement of disabled veterans.

(1) Each agency must review its plan on an annual basis, together with its accomplishments for the previous fiscal year, updated employment data, and any changes in agency mission or structure, and update the plan as necessary. Agency operating components and field installations required to develop separate plans under paragraph (b) of this section, below, must perform the same type of annual review and update of their plans.

(2) Plans shall cover a time period of not less than one year and may cover a longer period if concurrent with the agency's Section 501(b) Plan. Each plan must specify the period of time it covers.

(3) Initial plans for fiscal year 1983 required under this subpart must be developed by January 30, 1983 and must be in effect on that day.

(b) *Plan Coverage.*

(1) Each agency must have an agencywide plan covering all of its operating components and field installations. Agencywide plans shall include instructions assigning specific responsibilities on affirmative actions to be taken by the agency's various operating components and field installations to promote the employment and advancement of disabled veterans. OPM must be informed when headquarters offices require plans at the field or installation level.

(2) Agency operating components and field installations must have a copy of the plan covering them, and must implement their responsibilities under it. OPM may require operating components and field installations to develop separate plans in accordance with program guidance and/or instructions.

(c) *Plan Submission*. Affirmative action plans developed under this section shall be submitted to OPM upon request. The Office of Personnel Management will review a selection of agency plans each fiscal year.

(d) *Plan Certification*. Each agency must certify to OPM by December 1 of each year that it has an up-to-date plan as required by this section. This certification must indicate the date the agency's most recent plan was effective or was last amended.

(e) *Plan Content*. Disabled veteran affirmative action plans shall, at a minimum, contain:

(1) A statement of the agency's policy with regard to the employment and advancement of disabled veterans, especially those who are 30 percent or more disabled.

(2) The name and title of the official assigned overall responsibility for development and implementation of the action plan.

(3) An assessment of the current status of disabled veteran employment within the agency, with emphasis on those veterans who are 30 percent or more disabled.

(4) A description of recruiting methods which will be used to seek out disabled veteran applicants, including special steps to be taken to recruit veterans who are 30 percent or more disabled.

(5) A description of how the agency will provide or improve internal advancement opportunities for disabled veterans.

(6) A description of how the agency will inform its operating components and field installations, on a regular basis, of their responsibilities for employing and advancing disabled veterans.

(7) A description of how the agency will monitor, review, and evaluate its planned efforts, including implementation at operating component and field installation levels during the period covered by the plan.

§ 720.305 Agency accomplishment reports.

(a) Not later than December 1 of each year, agencies must submit an annual accomplishment report on their disabled veterans affirmative action program to the Office of Personnel Management, covering the previous fiscal year.

(b) Agency annual accomplishment reports must describe:

(1) Methods used to recruit and employ disabled veterans, especially those who are 30 percent or more disabled.

(2) Methods used to provide or improve internal advancement opportunities for disabled veterans.

(3) A description of how the activities of major operating components and field installations were monitored, reviewed, and evaluated.

(4) An explanation of the agency's progress in implementing its affirmative action plan during the fiscal year. Where progress has not been shown, the report will cite reasons for the lack of progress, along with specific plans for overcoming cited obstacles to progress.

§ 720.306 Responsibilities of The Office of Personnel Management

(a) *Program Review*. OPM will monitor agency program implementation through review of agency plans, direct agency contact, review of employment data, and through other appropriate means. As it deems appropriate, OPM

will conduct onsite evaluations of program effectiveness, both at agency headquarters and at field installations or operating components.

(b) *Technical Assistance.* The Office of Personnel Management will provide technical assistance, guidance, instructions, data, and other information as appropriate to supplement and support agency programs for disabled veterans, through the Federal Personnel Manual (FPM).

(c) *Semiannual Reports.* As provided by 38 U.S.C. 2014(d), OPM will, on at least a semiannual basis, publish reports on Government-wide progress in implementing affirmative action programs for disabled veterans.

(d) *Report to Congress.* As required by 38 U.S.C. 2014(e), OPM will report to Congress each year on the implementation and progress of the program. These reports will include specific assessments of agency progress or lack of progress in meeting the objectives of the program.

§ 720.307 Interagency report clearance.

The reports contained in this regulation have been cleared in accordance with FPMR 101–11.11 and assigned interagency report control number 0305–OPM–AN.

Subparts D–I—[Reserved]

Subpart J—Equal Opportunity Without Regard to Politics or Marital Status

§ 720.901 Equal opportunity without regard to politics or marital status.

(a) *In appointments and position changes.* In determining the merit and fitness of a person for competitive appointment or appointment by noncompetitive action to a position in the competitive service, an appointing officer shall not discriminate on the basis of the person's political affiliations, except when required by statute, or on the basis of marital status

(b) *In adverse actions and termination of probationers.* An agency may not take an adverse action against an employee covered by part 752 of this chapter, not effect the termination of a probationer under part 315 of this chapter, (1) for political reasons, except when required by statute, or (2) because of marital status.

Appendix to Part 720—Guidelines for the Development of a Federal Recruitment Program to Implement 5 U.S.C. Section 7201, as Amended [1]

I. *Background Information.* A. In 1964 the Congress adopted a basic anti-discrimination policy for Federal employment, stating:

It is the policy of the United States to insure equal employment opportunities for employees without discrimination because of race, color, religion, sex or national origin. [5 U.S.C. 7151][2]

In 1978, Congress reaffirmed and amended this policy as part of the Civil Service Reform Act of 1978 [Sec. 310 of Pub. L. 95–454], requiring immediate development of a recruitment program designed to eliminate underrepresentation of minority groups in specific Federal job categories. Section 310 directs the Equal Employment Opportunity Commission:

1. To establish Guidelines proposed to be used for a program designed to eliminate such underrepresentation;

2. To make, in consultation with OPM, initial determinations of underrepresentation which are proposed to be used in this program; and

3. To transmit the determinations made under (2) above to the Executive Agencies, the Office of Personnel Management and the Congress, within 60 days of enactment.

The Office of Personnel Management (OPM)[3] is directed by this amendment:

1. To issue regulations to implement a program under EEOC Guidelines within 180 days after enactment, which shall provide that Executive agencies conduct continuing recruitment programs to carry out the anti-discrimination policy in a manner designed

Section 7151 was further amended by section 310 of the Civil Service Reform Act of 1978. This Act also redesignated section 7151 as section 7201, effective January 11, 1979. (Sec. 703(a)(1) of the Act.)

to eliminate underrepresentation in identified categories of civil service;

2. To provide continuing assistance to Federal agencies in carrying out such programs;

3. To conduct a continuing program of evaluation and oversight to determine the effectiveness of such programs;

4. To establish occupational, professional and other groupings within which appropriate recruitment will occur, based upon the determinations of underrepresentation pursuant to these Guidelines; and

5. To report annually to the Congress on this program, not later than January 31 of each year.

Congress further directed that the recruitment program must be administered consistent with provisions of Reorganization Plan No. 1 of 1978.[4]

B. In framing these Guidelines and making its initial determinations of underrepresentation, the Equal Employment Opportunity Commission (Commission) is acting pursuant to its obligations and authority under 5 U.S.C. 7201, as amended; Section 717 of title VII of the Civil Rights Act of 1964, as amended; Reorganization Plan No. 1 of 1978 (issued pursuant to 5 U.S.C. 901 et seq.) and Executive Order 12067, issued under this Plan (43 FR 28967, June 30, 1978). This Commission must develop and/or ensure the development of uniform, coherent and effective standards for administration and enforcement of all Federal anti-discrimination and equal employment opportunity laws, policies and programs, and to ensure the elimination of duplication and inconsistency in such programs.

C. A review of the legislative history of Federal equal employment opportunity policy provides further guidance on the scope and nature of determinations and guidelines to be issued for this program.

The basic policy statement on Federal equal employment policy enacted by the Congress in 1964 (5 U.S.C. 7151, redesignated as section 7201) gave the President authority for implementation. Executive Order 11246 (1966), expanded and superseded by Executive Order 11478 (1969) with respect to Federal employment, required Federal agencies to develop affirmative action programs designed to eliminate discrimination and assure equal employment opportunity.

In 1972, Congress found that serious discrimination persisted in Federal employment. It found that minorities and women were significantly absent at higher levels in Federal employment, and severely underrepresented in some Federal agencies and in some geographic areas where they constituted significant proportions of the population. After a detailed review of Federal employment practices and statistics, the Congress concluded that:

The disproportionate distribution of minorities and women throughout the Federal bureaucracy and their exclusion from higher level policy-making and supervisory positions indicates the government's failure to pursue its policy of equal employment opportunity.[5]

Congress found that this exclusion resulted from overt and ''systemic'' discriminatory practices.

These findings, among others, led Congress to extend title VII coverage to Federal employment in Section 717 of the Equal Employment Opportunity Act of 1972.

The Civil Service Reform Act of 1978 clearly states, for the first time, that ''it is the policy of the United States * * * to provide * * * a Federal workforce reflective of the Nation's diversity * * *''[6] The Act establishes in law as the first merit principle that recruitment should be designed to achieve a Federal workforce from ''all segments of society.'' Among the personnel practices prohibited by the Act is discrimination prohibited under title VII of the Civil Rights Act of 1964, as amended.[7] Therefore, the Civil Service Reform Act and its directive for a special recruitment program clearly unite requirements for basic Federal personnel policy with requirements for Federal equal employment policy.

It is clear from the legislative history of Federal equal employment policy that the legal standards of title VII must be applied to Federal employment. Thus, guidelines for a recruitment program designed to eliminate underrepresentation in Federal agency employment must be developed consistent with the framework of affirmative action programs.

D. Guided by the review of the legislative history, and the responsibilities and authorities cited in I(B) of this appendix, the Commission is issuing these Guidelines to provide a framework for development of recruitment program regulations by OPM. The Commission may later provide more detailed guidance, through consultation with OPM, designed to achieve an overall Federal equal employment program which is consistent with, and which effectively implements title VII requirements.

II. *Initial Determinations of Underrepresentation.* A. Pursuant to Section 7201, underrepresentation exists when the percentages of minority and female Federal employees in

specific grades are less than their percentages in the civilian labor force. ''Minority'' refers only to those groups classified as ''minority'' for the purpose of data collection by the Commission and OPM in furtherance of Federal equal employment opportunity policies. The civilian labor force includes all persons 16 years of age and over except the armed forces, who are employed or seeking employment. Such a determination of underrepresentation is designated in these Guidelines as ''below the Section 7201 level''.

B. The Commission has examined existing data on Federal employment and the civilian labor force and has made initial determinations of underrepresentation of groups by race, national origin and sex in specific grades of the major Federal pay systems, under the legal authorities cited in I(B), of this appendix.

C. The Table which follows shows the grades at which the percentage of each group in the Federal workforce falls below its percentage in the civilian labor force. The table covers four major Federal pay systems which account for more than 95 percent of Federal employees, excluding the Postal Service.[8]

Information on grades below 7201 level based on Office of Personnel Management data from *Equal Employment Opportunity Statistics,* November 20, 1977 (publication in process).

D. The initial determinations of underrepresentation were based upon average 1977 labor force data from the Current Population Survey published by the Bureau of Labor Statistics *(Employment and Earnings,* January 1978), and 1977 Federal workforce statistics from *Equal Employment Opportunity Statistics* (publication in process).

The labor force figures are published annually; the Federal employment statistics semiannually. These measures, and any modifications agreed upon by the Commission and OPM, will be updated annually.

Regional and area Federal employment statistics are available from the Office of Personnel Management. The latest reliable local labor force data by race, national origin, and sex is from the 1970 Census. The Commission and OPM will consult on appropriate labor force measures to be used for local analyses.

E. These initial determinations are based upon a preliminary analysis of the data, and may be further refined by the Commission, in consultation with OPM, to include geographic and occupational underrepresentation. It is further recognized that for the purpose of developing regulations, the OPM, in consultation with the Commission, will undertake more specific analyses of data use and applicability necessary to develop programs for the Federal agencies pursuant to Section 7201(a)(2)(C). The OPM may establish criteria for grouping agencies, for treating

[8] The initial determinations are based on data for only those agencies covered by the Civil Service Reform Act of 1978. The Commission will make subsequent determinations on other agencies covered by title VII, e.g. the U.S. Postal Service, TVA, Central Intelligence Agency, Federal Reserve Board.

agency components separately and for grouping grades and pay systems. In addition, OPM may study other available data sources and use other techniques to assure statistically significant findings of underrepresentation. Based upon these studies, OPM may make recommendations to the Commission for future determinations of underrepresentation.

III. *Procedures for Developing Recruitment Programs.* A. The program developed and implemented by OPM under Section 7201 should be designed to result in applicant pools with sufficient qualified members of underrepresented groups. Where the supply of such groups initially appears to be low for specific occupational, professional and other groupings, the program should be designed so that recruitment efforts stimulate interest of underrepresented groups in those occupations where there are realistic projections of Federal employment opportunities.

B. In establishing groupings for determining underrepresentation, OPM should utilize broad occupational categories to the extent possible.

C. The Commission recognizes that OPM's regulations should allow flexibility in development and design of each Federal agency's recruitment program. However, all statistical comparisons must be computed in a manner consistent with the method utilized in II C of this appendix.

The Commission recommends that each agency program meet several minimum requirements. The program should be based on a determination of underrepresentation in the agency's total workforce, in appropriate geographic components; by grade; by broad occupational, professional and other groupings in comparison to the national civilian labor force, according to the criteria developed by OPM under these guidelines.

Where an agency or major component thereof (such as Headquarters and Regional Offices) is located in a geographic area where the percentage of underrepresented groups in the area civilian labor force is *higher* than their percentage in the national labor force, the agency or appropriate component should conduct its recruitment program for that component on the basis of the higher level of representation in the relevant civilian labor force.

Where an agency or major component thereof is located in a geographic area where participation of a particular underrepresented group in the area labor force is significantly *lower* than their participation in the national labor force, such agency or component may, in consultation with OPM, utilize the lower applicable civilian labor force percentage in determining underrepresentation for the component. In no event, however, may the agency utilize a figure lower than the regional or nationwide Section 7201 level for positions where recruitment on a regional or nationwide basis is feasible. Factors such as size of the agency or unit, nature of jobs and their wage or pay scale may be considered to set goals and to justify a recruitment program focused on various job categories.

IV. *Scope of Actions Covered by This Program.* A. ''Recruitment'' under this program is defined as the total process by which the Federal Government and the Federal agencies locate, identify and assist in the employment of qualified or qualifiable applicants from underrepresented groups for job openings in grades and in occupational categories where underrepresentation has been determined. This process should include innovative internal, as well as targeted external, recruitment actions.

B. Prior to developing regulations, the Office should review data on personnel actions and other information, to identify those job categories for which internal recruitment and external recruitment is most appropriate and feasible, and to provide guidance to the Federal agencies for targeting their recruitment programs, based on this information. OPM should advise all agencies that all job qualifications, personnel procedures and criteria must be consistent with the *Uniform Guidelines on Employee Selection Procedures* (43 FR 38290 August 25, 1978) OPM should consider the following in providing guidance to agencies:

1. *External Recruitment Programs.* a. Such programs should focus on grade levels and/or job categories where underrepresentation has been identified and where external recruitment realistically will result in hiring opportunities.

Recruitment programs also should include a review of job functions to determine those jobs that may be better performed by persons who are bicultural and who have bilingual capabilities, and those jobs that can be performed by persons not fluent in English.

b. Where eligibility lists are used for filling jobs, it is recommended that the regulations require, an analysis by race, national origin and sex, to determine whether the list contains sufficient candidates from groups underrepresented in those jobs. OPM should require that where the list does not have such representation, expanded recruitment procedures be designed to assure that members of underrepresented groups qualified to perform the job(s) are included in the pool of applicants from which the selecting official makes the selection. Such expanded recruitment procedures may include additional external recruitment or various actions (such as described in 2. below) to reach members of these groups within the Federal workforce who are qualified or qualifiable for these jobs.

2. *Internal Recruitment Programs.* a. Internal recruitment programs should be designed by agencies to identify currently qualified or

qualifiable persons for job categories and series where underrepresentation prevails, according to the national determinations and the determinations made by each agency under these guidelines.

b. Further, OPM should work with Federal agencies to develop effective mechanisms for providing information on Federal job opportunities, targeted to reach Federal employees from underrepresented groups in all agencies in order to broaden the applicant pool.

V. *Consistency with Reorganization Plan No. 1 of 1978.* A. The Office shall develop regulations and implement this program in consultation with the Commission and with other affected agencies in such manner that their recruitment programs may be incorporated as a consistent and effective element of the agencies' national and regional equal employment opportunity plans. Each agency is required to implement such plans under the direction and guidance of the Commission in accordance with Section 717 of title VII of the Civil Rights Act of 1964, as amended, and Executive Order 12067.

B. Procedures shall be established by OPM and the Commission to assure appropriate consultation in development of the regulations.

C. Pursuant to Reorganization Plan No. 1 and to Executive Order 12067 issued thereunder, the Commission will establish procedures to provide appropriate consultation and review of the program on a continuing basis, to maximize its effectiveness and eliminate any duplication, conflict or inconsistency in requirements for equal opportunity programs in the Federal agencies.

D. In preparing its annual report to the Congress pursuant to the Act, OPM should do so in consultation with the Commission.

§§ 723.104—723.109 [Reserved]

§ 723.110 Self-evaluation.

(a) The agency shall, by September 6, 1989, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this regulation and, to the extent modification of any such policies and practices is required, the agency shall proceed to make the necessary modifications.

(b) The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, for at least three years following completion of the self-evaluation, maintain on file and make available for public inspection:

(1) A description of areas examined and any problems identified; and

(2) A description of any modifications made.

§ 723.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this regulation and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§§ 723.112—723.129 [Reserved]

§ 723.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this regulation.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this regulation.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 723.131—723.139 [Reserved]

§ 723.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subject to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§ 723.141—723.148 [Reserved]

§ 723.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in § 723.150, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 723.150 Program accessibility: Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant

historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 723.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) *Methods*—(1) *General.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) *Historic preservation programs.* In meeting the requirements of § 723.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of § 723.150(a) (2) or (3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by November 7, 1988, except that where structural changes in facilities are undertaken, such changes shall be made by September 6, 1991, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by March 6, 1989, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 723.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 723.152—723.159 [Reserved]

§ 723.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 723.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 723.161—723.169 [Reserved]

§ 723.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity

Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Assistant Director for Personnel and EEO shall be responsible for coordinating implementation of this section. Complaints may be sent to the Assistant Director for Personnel and EEO, Office of Personnel Management, Room 1479, 1900 E St., NW., Washington, DC 20415.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §723.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

SOURCE: 56 FR 18650, Apr. 23, 1991, unless otherwise noted.

Subpart A—Scope

§ 731.101 Purpose.

The purpose of this part is to establish criteria and procedures for making determinations of suitability for employment in positions in the competitive service and for career appointments in the Senior Executive Service (hereinafter in this part, ''competitive service'') pursuant to 5 U.S.C. 3301 and E.O. 10577. Section 3301 of title 5, United States Code, directs consideration of ''age, health, character, knowledge, and ability for the employment sought.'' E.O. 10577 directs OPM to examine ''suitability'' for competitive Federal employment. This part concerns only determinations of ''suitability'' based on an individual's character or conduct that may impact the efficiency of the service by jeopardizing an agency's accomplishment of its duties or responsibilities, or by interfering with or preventing effective service in the position applied for or employed in, and determinations that there is a statutory or regulatory bar to employment. Determinations made under this part are distinct from determinations of eligibility for assignment to, or retention in, sensitive national security positions made under E.O. 10450 or similar authorities.

§ 731.102 Implementation.

(a) An investigation conducted for the purpose of determining suitability under this part may not be used for any other purpose except as provided in a Privacy Act system of records notice published by the agency conducting the investigation.

(b) Policies, procedures, criteria, and guidance for the implementation of this part shall be set forth in issuances of the Federal Personnel Manual System or other appropriate instruments. Agencies exercising authority under this part by delegation from OPM shall conform to such policies, procedures, criteria, and guidance.

§ 731.103 Delegation to agencies.

(a) *Direct Hires.* The head of each agency is delegated authority for adjudicating suitability under this part for applicants filing directly with the agency outside a civil service register.

(b) OPM may in its discretion delegate to the heads of agencies authority for adjudicating suitability in other cases involving applicants and eligibles for, and appointees to, competitive service positions in the agency.

(c) Paragraphs (a) and (b) of this section notwithstanding, OPM may exercise its jurisdiction under this part in any case when deemed necessary.

(d) Any applicant, eligible, or appointee who is found unsuitable by any agency having delegated authority from OPM under this part for any reason named in § 731.202 may appeal to the Merit Systems Protection Board under the Board's regulations.

Subpart B—Suitability Determinations

§ 731.201 Standard.

Subject to subpart C of this part, OPM may deny an applicant examination, deny an eligible appointment, and direct an agency to remove an appointee or employee when OPM determines the action will promote the efficiency of the service.

§ 731.202 Criteria.

(a) *General.* In determining whether its action will promote the efficiency of the service, OPM or an agency to which OPM has delegated authority under § 731.103 of this chapter, shall make its determination on the basis of:

(1) Whether the conduct of the individual may reasonably be expected to interfere with, or prevent, efficient service in the position applied for or employed in; or

(2) Whether the conduct of the individual may reasonably be expected to interfere with, or prevent, effective accomplishment by the employing agency of its duties or responsibilities; or

(3) Whether a statutory or regulatory bar prevents the lawful employment of the individual in the position in question.

(b) *Specific factors.* When making a determination under paragraph (a) of this section, any of the following reasons may be considered a basis for finding an individual unsuitable:

(1) Misconduct or negligence in prior employment which would have a bearing on efficient service in the position in question, or would interfere with or prevent effective accomplishment by the employing agency of its duties and responsibilities;

(2) Criminal or dishonest conduct related to the duties to be assigned to the applicant or appointee, or to that person's service in the position or the service of other employees;

(3) Intentional false statement or deception or fraud in examination or appointment;

(4) Refusal to furnish testimony as required by §5.4 of this chapter;

(5) Alcohol abuse of a nature and duration which suggests that the applicant or appointee would be prevented from performing the duties of the position in question, or would constitute a direct threat to the property or safety of others;

(6) Illegal use of narcotics, drugs, or other controlled substances, without evidence of substantial rehabilitation;

(7) Knowing and willful engagement in acts or activities designed to overthrow the U.S. Government by force;

(8) Any statutory or regulatory bar which prevents the lawful employment of the person involved in the position in question.

(c) *Additional considerations.* In making a determination under paragraphs (a) and (b) of this section, OPM and agencies shall consider the following additional factors to the extent that they deem these factors pertinent to the individual case:

(1) The kind of position for which the person is applying or in which the person is employed, including the degree of public trust or risk in the position;

(2) The nature and seriousness of the conduct;

(3) The circumstances surrounding the conduct;

(4) The recency of the conduct;

(5) The age of the person involved at the time of the conduct;

(6) Contributing societal conditions;

(7) The absence or presence of rehabilitation or efforts toward rehabilitation.

Subpart C—Suitability Rating Actions

§ 731.301 Jurisdiction.

(a) *Appointments subject to investigation.* (1) In order to establish an appointee's suitability for employment in the competitive service, every appointment to a position in the competitive service is subject to investigation by OPM, except:

(i) Promotion;

(ii) Demotion;

(iii) Reassignment;

(iv) Conversion from career-conditional to career tenure;

(v) Appointment, or conversion to an appointment, made by an agency of an employee of that agency who has been serving continuously with that agency for at least one year in one or more positions under an appointment subject to investigation; and

(vi) Transfer, provided the one-year, subject-to-investigation period applied to the previous appointment has expired.

(2) Appointments are subject to investigation to continue OPM's jurisdiction to investigate the suitability of an applicant after appointment and to authorize OPM to require removal when it finds the appointee is unsuitable for Federal employment. The subject-to-investigation condition may not be construed as requiring an employee to serve a new probationary or trial period or as extending the probationary or trial period of an employee.

(b) *Duration of condition.* The subject-to-investigation condition expires automatically at the end of one year after the effective date of appointment, except in a case involving intentional false statement or deception or fraud in examination or appointment, or refusal to furnish testimony.

§ 731.302 Risk designation and investigative requirements.

(a) *Risk designation.* Agency heads shall designate every competitive service position within the agency at either a High, Moderate, or Low risk level as determined by the position's potential for adverse impact to the efficiency of the service.

(b) *Investigative requirements.* Persons receiving an appointment made subject

to investigation shall undergo a background investigation, the scope and coverage of which shall be determined by OPM in accordance with the level of risk determined by the agency.

(c) *Suitability reinvestigations.* (1) Every incumbent of a competitive service position:

(i) Designated High Risk under paragraph (a) of this section, or

(ii) That is a law enforcement or public safety position designated Moderate Risk under paragraph (a) of this section, shall be subject to a periodic reinvestigation of a scope established by OPM 5 years after placement, and at least once each succeeding 5 years.

(2) Periodic reinvestigations required by paragraph (c)(1) of this section may be adjudicated by the employing agency according to the procedures in this part, if applicable.

§ 731.303 Actions by OPM and other agencies.

(a) For a period of one year after the effective date of an appointment subject to investigation under § 731.301, OPM may instruct an agency to remove an appointee when it finds that the appointee is unsuitable for any of the reasons cited in § 731.202.

(b) Thereafter, OPM may require the removal of an employee on the basis of either intentional false statement or deception or fraud in examination or appointment; or refusal to furnish testimony; or statutory or regulatory bar.

(c) An action to remove an appointee or employee taken pursuant to an instruction by OPM is not an action under part 752, or §§ 315.804 through 315.806 of part 315, of this chapter.

(d) When OPM instructs an agency to remove an appointee or employee under this part it shall notify the agency and the appointee or employee of its decision in writing.

(e) Before OPM, or any agency having delegated authority from OPM under this part, shall take a final suitability action against an applicant, eligible, appointee, or employee under this part, the person against whom the action is proposed shall be given notice of the proposed action (including the availability for review, upon request, of the materials relied upon), an opportunity to answer, notice of the final decision on the action, and notice of rights of appeal, if any, all in accordance with this part.

§ 731.304 Debarment.

(a) When OPM finds a person unsuitable for any reason named in § 731.202, OPM, in its discretion, may deny that person examination for and appointment to a competitive position for a period of not more than 3 years from the date of determination of unsuitability.

(b) On expiration of a period of debarment, a person who has been debarred may not be appointed to any position in the competitive service until OPM has redetermined that person's suitability for appointment.

Subpart D—Suitability Actions

§ 731.401 Scope.

(a) *Coverage.* This subpart sets forth the procedures to be followed when OPM, acting under authority of this part, proposes to take or to instruct an agency to take, a final suitability ineligibility action, including removal, against an applicant or eligible for appointment in, or an appointee or employee in, the competitive service. This subpart does not apply to an action taken by an agency to which OPM has delegated authority under § 731.103.

(b) *Definition.* In this subpart, *days* means calendar days.

§ 731.402 Notice of proposed action.

(a) OPM shall notify the applicant, eligible, appointee, or employee (hereinafter, the ''respondent'') in writing of the proposed action and of the charges against the respondent. The notice shall state the reasons, specifically and in detail, for the proposed action. The notice shall also state that the respondent has the right to answer this notice in writing. If the respondent is an employee the notice shall further state that the employee may also make an oral answer, as specified in § 731.403(a). The notice shall further inform the respondent of the time limits for answer as well as the address to which such answer should be made.

(b) OPM shall send a copy of this notice to the agency, if any, that is involved. The notice shall be served upon

the respondent by being mailed to the respondent's last known residence or duty station no less than 30 days prior to the effective date of the proposed adverse action. If the respondent is employed in the competitive service on the date the notice is served, the respondent shall be entitled to be retained in pay status during the notice period.

§ 731.403 Answer.

(a) *Respondent's answer.* A respondent may answer the charges in writing and furnish affidavits in support of the response. A respondent who is an employee may answer orally. The respondent may be represented by a representative of the respondent's choice, and such representative shall be designated in writing to OPM. To be timely, a written answer shall be made to OPM no more than 30 days after the date of the notice of proposed action. In the event that an employee requests to make an oral answer, OPM shall determine the time and place thereof. OPM shall consider any answer that the respondent makes in reaching a decision.

(b) *Agency's answer.* In actions proposed by OPM under 5 CFR 5.3, the agency may also answer the notice of proposed action. The time limit for filing an answer is 30 days from the date of the notice. OPM shall consider any answer that the agency makes in reaching a decision.

§ 731.404 Decision.

OPM shall notify the respondent and the agency of the decision. The decision shall be in writing, be dated, and inform the respondent of the reasons for the decision. Removal of appointees or employees will be effective 30 days following the date of the decision. The respondent shall also be informed that an adverse decision can be appealed in accordance with subpart E of this part.

Subpart E—Appeal to the Merit Systems Protection Board

§ 731.501 Appeal to the Merit Systems Protection Board.

(a) An individual who has been found unsuitable for employment may appeal the decision to the Merit Systems Protection Board (the Board). An employee or appointee who appeals a removal directed by OPM shall notify the employing agency of the appeal at the time it is filed.

(b) Appeal Procedures. The procedures for filing an appeal with the Board are found at part 1201 of Title 5, Code of Federal Regulations.

(c) Pay Status Pending Appeal. When an employee or appointee whom OPM has determined to be unsuitable files an appeal to the Board, the employing agency may either suspend the employee or appointee on the day following the date on which the removal was to have been effected pending adjudication of the appeal, or retain the employee or appointee in an active duty status for the period, in which event the agency shall so notify the employee or appointee. Part 752 of this chapter does not apply to the suspension.

[59 FR 47527, Sept. 16, 1994]

Subpart F—Reemployment Eligibility

§ 731.601 Reemployment eligibility of certain former Federal employees.

(a) *Request for suitability determination.* When an employee has been removed by an agency on charges (other than security or loyalty) or has resigned on learning the agency planned to prefer charges, or while charges were pending, the former employee may request OPM to determine his or her suitability for further employment in the competitive service. OPM shall consider the request only if the former employee:

(1) Has completed any required probationary period;

(2) Has basic eligibility for reinstatement; and

(3) Includes a sworn statement with the request which sets forth fully and in detail the facts surrounding the removal or resignation.

(b) *Action by OPM.* (1) OPM, after appropriate consideration, including any investigation OPM deems necessary, shall inform the former employee of his or her current suitability for employment in the competitive service.

(2) If the former employee is found unsuitable and has had an opportunity to comment on the reasons for this finding, or has furnished comments to OPM, then OPM may cancel his or her reinstatement eligibility if that eligibility was obtained through fraud. In addition, OPM may prescribe a period of debarment from the competitive service not to exceed 3 years from the date of determination of unsuitability.

Subpart G—Savings Provision

§ 731.701 Savings provision.

No provision of these regulations shall be applied in such a way as to affect any administrative proceeding pending at the effective date of such provision. An administrative proceeding is deemed to be pending from the date of the ''notice of proposed action'' described in § 731.303 of this part.

Subpart A—Scope

§ 732.101 Purpose.

This part sets forth certain requirements and procedures which each agency shall observe for determining national security positions pursuant to Executive Order 10450—Security Requirements for Government Employment (April 27, 1953), 18 FR 2489, 3 CFR 1949–1953 Comp., p. 936, as amended.

§ 732.102 Definition and applicability.

(a) For purposes of this part, the term ''national security position'' includes: (1) Those positions that involve activities of the Government that are concerned with the protection of the nation from foreign aggression or espionage, including development of defense plans or policies, intelligence or counterintelligence activities, and related activities concerned with the preservation of the military strength of the United States; and (2) positions that require regular use of, or access to, classified information. Procedures and guidance provided in FPM chapter 732 and related issuances apply.

(b) The requirements of this part apply to competitive service positions, and to Senior Executive Service positions filled by career appointment, within the Executive Branch, and agencies may apply them to excepted service positions within the Executive Branch.

Subpart B—Designation and Investigative Requirements

§ 732.201 Sensitivity level designations and investigative requirements.

(a) For purposes of this part, the head of each agency shall designate, or cause to be designated, any position within the department or agency the occupant of which could bring about, by virtue of the nature of the position, a material adverse effect on the national security as a sensitive position at one of three sensitivity levels: Special-Sensitive, Critical-Sensitive, or Noncritical-Sensitive.

(b) Investigative requirements for each sensitivity level are provided in FPM chapter 732.

§ 732.202 Waivers and exceptions to investigative requirements.

(a) *Waivers*—(1) *General.* A waiver of the preappointment investigative requirement contained in section 3(b) of Executive Order 10450 for employment in a sensitive national security position may be made only for a limited period: (i) In case of emergency if the head of the department or agency concerned finds that such action is necessary in the national interest; and (ii) when such finding is made a part of the records of the department or agency.

(2) *Specific waiver requirements.* (i) The preappointment investigative requirement may not be waived for appointment to positions designated Special-Sensitive under this part.

(ii) For positions designated Critical-Sensitive under this part, the records of the department or agency required by § 732.202(a)(1) of this part shall show what decision was made on obtaining prewaiver checks, as follows: (A) The nature of the emergency precluded obtaining prewaiver checks; or (B) checks were initiated but not all responses were received within 5 days; or (C) checks made and favorably completed are listed.

(iii) The waiver restriction is optional for positions designated Noncritical-Sensitive under this part.

(iv) When waiver is authorized, the required investigation must be initiated within 14 days of placement of the individual in the position.

(b) *Exceptions to investigative requirements.* (1) Pursuant to section 3(a) of E.O. 10450, the following positions are exempt from the investigative requirements of E.O. 10450, providing that the employing agency conducts such checks as it deems appropriate to insure that the employment or retention of individuals in these positions is clearly consistent with the interests of the national security:

(i) Positions that are intermittent, seasonal, per diem, or temporary, not to exceed an aggregate of 180 days in either a single continuous appointment or series of appointments; or

(ii) Positions filled by aliens employed outside the United States.

(2) Other positions that OPM, in its discretion, deems appropriate may be made exempt based on a written request to OPM by the agency head in whose department or agency the positions are located.

§ 732.203 Periodic reinvestigation requirements.

The incumbent of each position designated Special-Sensitive or Critical-Sensitive under this part shall be subject to periodic reinvestigation of a scope prescribed by OPM 5 years after placement, and at least once each succeeding 5 years. The employing agency will use the results of such periodic reinvestigation to determine whether the continued employment of the individual in a sensitive position is clearly consistent with the interests of the national security.

Subpart C—Due Process and Reporting

§ 732.301 Due process.

When an agency makes an adjudicative decision under this part based on an OPM investigation, or when an agency, as a result of information in an OPM investigation, changes a tentative favorable placement or clearance decision to an unfavorable decision, the agency must:

(a) Insure that the records used in making the decision are accurate, relevant, timely, and complete to the extent reasonably necessary to assure fairness to the individual in any determination.

(b) Comply with all applicable administrative due process requirements, as provided by law, rule, or regulation.

(c) At a minimum, provide the individual concerned:

(1) Notice of the specific reason(s) for the decision; and

(3) Notice of appeal rights, if any.

(d) Consider all available information in reaching its final decision.

(e) Keep any record of the agency action required by OPM as published in the Federal Personnel Manual and related issuances.

§ 732.302 Reporting to OPM.

(a) In accordance with section 9(a) of E.O. 10450, each agency conducting an

investigation under E.O. 10450 is required to notify OPM when the investigation is initiated.

(b) In accordance with section 14(c) of E.O. 10450, agencies shall report to OPM the action taken with respect to individuals investigated pursuant to E.O. 10450 as soon as possible and in no event later than 90 days after receipt of the final report of investigation.

(a) *Request.* A former employee who was terminated, or who resigned while charges were pending, from a department or agency of the Government under a statute or executive order authorizing termination in the interest of national security or on grounds relating to loyalty, and authorizing OPM to determine the eligibility for employment in another department or agency of the Government, may request OPM in writing to determine whether the individual is eligible for employment in another department or agency of the Government.

(b) *Action by OPM.* (1) OPM shall determine, and will notify the former employee, after appropriate consideration of the case, including such investigation as it considers necessary, whether the individual may be employed in another department or agency of the Government.

(2) If a former Federal employee found ineligible under this section has had an opportunity to comment on the reasons for the action, or has furnished them to OPM or to the former employing agency, OPM may cancel the reinstatement eligibility if the eligibility resulted from the last Federal employment and was obtained through fraud, and OPM may prescribe a period of debarment not to exceed 3 years.

Subpart E—Special Provisions for Certain Presidential Appointees and Employees Paid from the Appropriation for the Executive Office of the President

§ 734.501 Permitted and prohibited activities.

Except as otherwise specified in this part 734, employees who are appointed by the President by and with the advice and consent of the Senate are subject to the provisions of subparts B and C of this part.

§ 734.502 Participation in political activity while on duty, in uniform, in any room or building occupied in the discharge of official duties, or using a Federal vehicle.

(a) This section applies to an employee:

(1) The duties and responsibilities of whose position continue outside normal duty hours and while away from the normal duty post; and

(2) Who is—

(i) An employee paid from an appropriation for the Executive Office of President; or

(ii) An employee appointed by the President by and with the advice and consent of the Senate whose position is located within the United States, who determines policies to be pursued by the United States in relations with foreign powers or in the nationwide administration of Federal laws;

(b) For the purposes of this subpart, normal duty hours and normal duty post will be determined by the head of each agency or instrumentality of the United States or District of Columbia Government.

(c) An employee described in paragraph (a) of this section may participate, subject to any restrictions that may be imposed in accordance with § 734.104, in political activities:

(1) While he or she is on duty;

(2) While he or she is wearing a uniform, badge, or insignia that identifies the agency or instrumentality of the United States Government or the position of the employee;

(3) While he or she is in any room or building occupied in the discharge of

official duties by an individual employed or holding office in the Government of the United States or any agency or instrumentality thereof; or

(4) While using a Government-owned or leased vehicle or while using a privately-owned vehicle in the discharge of official duties.

(d) An employee, to whom subpart E of this part does not apply, who is not on duty may participate in political activities in rooms of the White House or the Residence of the Vice President which are part of the Residence area or which are not regularly used solely in the discharge of official duties.

Example 1: An Inspector General is appointed under the Inspector General Act of 1978, as amended. According to section 3(c) of that Act, he or she does not qualify as an employee who determines policies to be pursued by the United States in the nationwide administration of Federal laws. therefore, he or she may not participate in political activities while on duty, while wearing a uniform, badge, or insignia that identifies his or her office or position, while in any room or building occupied in the discharge of official duties, or while using a Government-owned or leased vehicle or while using a privately-owned vehicle in the discharge of official duties.

Example 2: An employee who is covered by this subpart and wears a uniform as an incident of her office may wear the uniform while she is giving a speech at a political fundraiser.

Example 3: The head of an executive department may hold a partisan political meeting or host a reception which is not a fundraiser in his conference room during normal business hours.

Example 4: An employee accompanies the Secretary of Transportation to a political party convention as part of the Secretary's security or administrative detail. The employee is considered to be on duty while protecting or performing official duties for the Secretary regardless of the nature of the function that the Secretary is attending.

Example 5: An American Ambassador overseas obtains authorization from the Department of State to depart post in order to take a vacation away from post. During the period she is authorized to be on vacation away from post, she is not considered to be on duty for the purpose of the Hatch Act Reform Amendments and may engage in any political activity permitted under the Hatch Act Reform Amendments of 1993.

[59 FR 48769, Sept. 23, 1994, as amended at 61 FR 35102, July 5, 1996]

§ 734.503 Allocation and reimbursement of costs associated with political activities.

(a) The costs associated with the political activities described in § 733.502(c) of this chapter may not be paid for by money derived from the Treasury of the United States. Costs associated with a political activity are deemed not to be paid for by money derived from the Treasury of the United States if the Treasury is reimbursed for the costs within a reasonable period of time.

(b) For the purposes of this section, costs associated with a political activity do not include any costs that the Government would have or have incurred regardless of whether the activity was political. Examples of such costs are:

(1) The compensation of the employee described in § 734.502(a);

(2) The value of any office or other real property owned or leased by the Government;

(3) The compensation and expenses of any Government employee that is required in the performance of his or her duties to accompany or assist the person engaging in the political activity; and

(4) The cost of special security arrangements for the person engaging in the political activity, including special transportation vehicles or methods.

(c) (1) An employee covered under this subpart must apportion the costs of mixed travel based on the time spent on political activities and the time spent performing official duties. Prorating the cost of travel involves determining the ''total activity time'' which is the amount of time actually spent by the employee in meetings, receptions, rallies, and similar activities. Time spent in actual travel, private study, or rest and recreation is not included in the computation of the ''total activity time''. The proration of the cost then is determined based on how the ''total activity time'' was spent. The formula is as follows:

Time spent in official meetings, receptions, etc. + Time spent in political meetings, receptions, rallies = Total activity time

Time spent in official activity ÷ Total activity time = Percentage of trip that is official

Time spent in political activity ÷ Total activity time = Percentage of trip that is political

The percentage figure that represents the political portion of the trip is then multiplied by the amount that would be reimbursed to the Government if all of the travel was political. The product of that calculation represents the amount to be paid by the political entity or organization.

(2) The allocation method must be applied to all of the relevant costs of mixed travel.

(3) Expenses that are associated specifically with a political activity and not with any official activity must be treated as political, and expenses associated specifically with an official activity and not with any political activity must be treated as official.

(4) In allocating the costs of travel other than air travel, the allocation formula should be applied to any Government maximum for that type of expenditure.

(5) The determination of the proper amount of allocation must be based on the facts and circumstances involved.

(6) In the event that a minor, clearly incidental percentage of the activity of a mixed trip is devoted to either official or political activity, *e.g.* less than 3%, the entire trip should be treated as if it was wholly of the type represented by the substantial figure. The balance should be treated as *de minimis* and need not be reimbursed as political or charged as official.

(d) For any cost of a political activity of an employee that is required to be reported to the Federal Election Commission under the Federal Election Campaign Act (FECA) or the Presidential Election Campaign Fund Act (PECFA), the employee shall use the same method of allocation as used under the FECA or PECFA and regulations thereunder in lieu of the allocation method in paragraph (c) of this section.

Example 1: The Secretary, an employee described by section 7324(b)(2) of title 5 of the United States Code, holds a catered political activity (other than a fundraiser) in her office. Her security detail attends the reception as part of their duty to provide security for her. The Secretary will not be in violation of the Hatch Act Reform Amendments if the costs of her office, her compensation, and her security detail are not reimbursed to the Treasury. A violation of the Hatch Act Amendments occurs if Government funds, including reception or discretionary funds, are used to cater the political activity, unless the Treasury is reimbursed for the cost of the catering within a reasonable time.

Example 2: There should be no allocation between official and political funds for a sound system rented for a single event.

Example 3: If on a mixed trip a Government employee is only entitled to $26 per diem for food on a wholly official trip and the trip is 50% political and 50% official, the Government share would be 50% of $26, not 50% of the actual amount spent.

Example 4: The President is transported by special motorcade to and from the site of the political event. The expense of the motorcade is for special security arrangements. Thus, it would not be a violation of the Hatch Act Reform Amendments if the costs of the security arrangements, including the cost of the motorcade, are not reimbursed to the Treasury.

§ 734.504 Contributions to political action committees through voluntary payroll allotments prohibited.

An employee described in § 734.502(a) may not financially contribute to a political action committee through a voluntary allotment made under § 550.311(b) of this title.

[61 FR 35102, July 5, 1996]

(a) An agency may take an adverse action, including a performance-based adverse action, under this subpart only such cause as will promote the efficiency of the service.

(b) An agency may not take an adverse action against an employee on the basis of any reason prohibited by 5 U.S.C. 2302.

[45 FR 46778, July 11, 1980, as amended at 53 FR 21623, June 9, 1988]

§ 752.404 Procedures.

(a) *Statutory entitlements.* An employee against whom action is proposed under this subpart is entitled to the procedures provided in 5 U.S.C. 7513(b).

(b) *Notice of proposed action.* (1) The notice of proposal shall inform the employee of his or her right to review the material which is relied on to support the reasons for action given in the notice. The agency may not use material that cannot be disclosed to the employee of his or her representative or designated physician under § 297.204(c) of this chapter to support the reasons in the notice.

(2) When some but not all employees in a given competitive level are being furloughed, the notice of proposal shall state the basis for selecting a particular employee for furlough, as well as the reasons for the furlough.

(3) Under ordinary circumstances, an employee whose removal or suspension, including indefinite suspension, has been proposed shall remain in a duty status in his or her regular position during the advance notice period. In those rare circumstances where the agency determines that the employee's continued presence in the workplace during the notice period may pose a threat to the employee or others, result in loss of or damage to Government property, or otherwise jeopardize legitimate Government interests, the

agency may elect one or a combination of the following alternatives:

(i) Assigning the employee to duties where he or she is no longer a threat to safety, the agency mission, or to Government property;

(ii) Allowing the employee to take leave, or carrying him or her in an appropriate leave status (annual, sick, leave without pay, or absence without leave) if the employee has absented himself or herself from the worksite without requesting leave;

(iii) Curtailing the notice period when the agency can invoke the provisions of § 752.404(d)(1) of this part, the ''crime provision.'' This provision may be invoked even in the absence of judicial action if the agency has reasonable cause to believe that the employee has committed a crime for which a sentence of imprisonment may be imposed; or

(iv) Placing the employee in a paid, nonduty status for such time as is necessary to effect the action.

(c) *Employee's answer.* (1) The agency shall give the employee a reasonable amount of official time to review the material relied on to support its proposal and to prepare an answer and to secure affidavits, if he or she is otherwise in an active duty status.

(2) The agency shall designate an official to hear the employee's oral answer who has authority either to make or recommend a final decision on the proposed adverse action. The right to answer orally in person does not include the right to a formal hearing with examination of witnesses unless the agency provides one in its regulations in accordance with paragraph (g) of this section.

(3) If the employee wishes the agency to consider any medical condition which may contribute to a conduct, performance, or leave problem, the employee shall be given a reasonable time to furnish medical documentation (as defined in § 339.102 of this chapter) of the condition. Whenever possible, the employee shall supply such documentation within the time limits allowed for an answer. After its review of the medical documentation supplied by the employee, the agency may, if authorized, require a medical examination under the criteria of § 339.301(a)(3) and the procedures of § 339.302 of this chapter, or otherwise, at its option, offer a medical examination in accordance with the criteria of § 339.301(d) and procedures of § 339.302 of this chapter. If the employee has the requisite years of service under the Civil Service Retirement System or the Federal Employees Retirement System, the agency shall provide information concerning disability retirement. The agency shall be aware of the affirmative obligations of the provisions of 29 CFR 1613.704, which require reasonable accommodation of a qualified employee who is handicapped.

(d) *Exceptions.* (1) Section 7513(b) of title 5 of the United States Code authorizes an exception to the 30 days' advance written notice when the agency has reasonable cause to believe that the employee has committed a crime for which a sentence of imprisonment may be imposed and is proposing a removal or suspension (including indefinite suspension). The agency may require the employee to furnish any answer to the proposed action, and affidavits and other documentary evidence in support of the answer, within such time as would be reasonable, but not less than 7 days. When the circumstances require that the employee be kept away from the worksite, the agency may place him or her in a nonduty status with pay for such time as is necessary to effect the action.

(2) The advance written notice and opportunity to answer are not necessary for furlough without pay due to unforeseeable circumstances, such as sudden breakdowns in equipment, acts of God, or sudden emergencies requiring immediate curtailment of activities.

(e) *Representation.* Section 7513(b)(3) of title 5 of the United States Code provides that an employee covered by this part is entitled to be represented by an attorney or other representative. An agency may disallow as an employee's representative an individual whose activities as representative would cause a conflict of interest or position, or an employee of the agency whose release from his or official position would give rise to unreasonable costs or whose priority work assignments preclude his or her release.

(f) *Agency decision.* In arriving at its decision, the agency shall not consider any reasons for action other than those specified in the notice of proposed action. It shall consider any answer of the employee and/or his or her representative made to a designated official and any medical documentation furnished under paragraph (c) of this section. The agency shall deliver the notice of decision to the employee at or before the time the action will be effective, and advise the employee of appeal rights.

(g) *Hearing.* Under 5 U.S.C. 7513(c), the agency may in its regulations provide a hearing in place of or in addition to the opportunity for written and oral answer.

(h) *Applications for disability retirement.* Section 831.501(d) of this chapter provides that an employee's application for disability retirement shall not preclude or delay any other appropriate personnel action. Section 831.1203 of this chapter sets forth the basis under which an agency shall file an application for disability retirement on behalf of an employee.

(b) *Grievance rights.* As provided at 5 U.S.C. 7121(e)(1), if a matter covered by this subpart falls within the coverage of an applicable negotiated grievance procedure, and employee may elect to file a grievance under that procedure or appeal to the Merit Systems Protection Board under 5 U.S.C. 7701, but not both. 5 U.S.C. 7114(a)(5) and 7121(b)(3), and the terms of an applicable collective bargaining agreement, govern representation for employees in an exclusive bargaining unit who grieve a matter under this subpart through the negotiated grievance procedure.

advance notice period. In those rare circumstances when the agency determines that the appointee's continued presence in the work place during the notice period may pose a threat to the appointee or others, result in loss of or damage to Government property, or otherwise jeopardize legitimate Government interests, the agency shall consider whether any of the following alternatives is feasible:

(i) Assigning the appointee to duties where he or she is no longer a threat to safety, the agency mission, or Government property;

(ii) Placing the appointee on leave with his or her consent;

(iii) Carrying the appointee on appropriate leave (annual or sick leave, leave without pay, or absence without leave) if he or she is voluntarily absent for reasons not originating with the agency; or

(iv) Curtailing the notice period when the agency can invoke the provisions of paragraph (d) of this section (the ''crime provision'').

(4) If none of the alternatives in paragraph (b)(3) of this section, is available, agencies may consider placing the appointee in a paid, nonduty status during all or part of the advance notice period.

(c) *Appointee's answer.* (1) The agency shall give the appointee a reasonable amount of official time to review the material relied on to support its proposed action, to prepare an answer orally and in writing, and to secure affidavits, if the appointee is in an active duty status.

(2) The agency shall designate an official to hear the appointee's oral answer who has authority either to make or to recommend a final decision on the proposed adverse action.

(3) The right to answer orally in person does not include the right to a formal hearing with examination of witnesses unless the agency provides for a formal hearing in its regulations in accordance with paragraph (g) of this section.

(4) If the appointee wishes the agency to consider any medical condition that may have affected the basis for the adverse action, the appointee shall be given reasonable time to furnish medical documentation of the condition. The same procedures that are applicable in §752.404(c)(3) of this chapter are also applicable for an appointee in the Senior Executive Service.

(d) *Exception.* Section 7543(b)(1) of title 5 of the United States Code authorizes an exception to the 30 days' advance written notice when the crime provision is invoked. This provision may be invoked even in the absence of judicial action if the agency has reasonable cause to believe that the appointee has committed a crime for which a sentence of imprisonment may be imposed. The agency may require the appointee to furnish any answer to the proposed action, and affidavits and other documentary evidence to support the answer, within such time as under the circumstances would be reasonable, but not less than 7 days. When the circumstances require immediate action, the agency may place the appointee in a nonduty status with pay for such time as is necessary to effect the action.

(e) *Representation.* (1) Under 5 U.S.C. 7543(b)(3), an appointee covered by this subpart is entitled to be represented by an attorney or other representative.

(2) An agency may disallow as an appointee's representative—

(i) An individual whose activities as a representative would cause a conflict of interest or position;

(ii) An employee of the agency whose release from his or her official position would give rise to unreasonable costs; or

(iii) An employee of the agency whose priority work assignments preclude the employee's release.

(f) *Agency decision.* In arriving at its written decision, the agency may consider only the reasons specified in the notice of proposed action. The agency shall consider any reply of the appointee or the appointee's representative made to a designated official and any medical documentation furnished under paragraph (c) of this section. The agency shall deliver the notice of decision to the appointee at or before the time the action will be effective. The notice of decision shall inform the appointee of his or her appeal rights.

(g) *Hearing.* Under 5 U.S.C. 7543(c), the agency may, in its regulations, provide a hearing in place of or in addition

to the opportunity for written and oral reply.

§ 752.605 Appeal rights.

(a) Under 5 U.S.C. 7543(d), a career appointee against whom an action is taken under this subpart is entitled to appeal to the Merit Systems Protection Board.

(b) A limited term or limited emergency appointee who is covered under § 752.601(c)(2) also may appeal an action taken under this subpart to the Merit Systems Protection Board.

§ 752.606 Agency records.

The agency shall maintain copies of the adverse action record items specified in 5 U.S.C. 7543(e) and furnish them upon request as required by that subsection.

Subpart A—General

§ 772.101 Basic authority.

This part establishes a mechanism for agencies to provide interim relief to employees and applicants for employment who prevail in an initial decision issued by the Merit Systems Protection Board (MSPB) as required by the *Whistleblower Protection Act of 1989,* Pub. § 772.102 Interim personnel actions.

When an employee or applicant for employment appeals an action to MSPB and the appeal results in an initial decision by an MSPB administrative judge granting interim relief under 5 U.S.C. 7701(b)(2)(A) and a petition for review of the initial decision is filed (or will be filed) with the full Board under 5 U.S.C. 7701(e)(1)(A), the agency shall provide the relief ordered in the initial decision by taking an interim personnel action subject to the following terms:

(3) When the applicant for employment or employee requests or reaches agreement with the agency that the interim relief ordered in the initial decision be cancelled;

(c) Interim relief shall entitle the applicant for employment or employee to the same compensation and benefits he or she would receive if the relief effected had not been on an interim basis except as provided in paragraph (f) of this section;

(d) An interim personnel action shall not be taken if the MSPB administrative judge, pursuant to 5 U.S.C. 7701(b)(2)(A)(i), determines that granting interim relief is not appropriate;

(e) An interim personnel action under this part shall not entitle the applicant for employment or employee to an award of back pay or attorney fees.

§ 831.105 Computation of interest.

(a) The computation of interest is on the basis of 30 days to the month. Interest is computed for the actual calendar time involved in each case, but whenever applicable the rule of average applies.

(b) Interest is allowed on current deductions and deposits at the rate of 4 percent per year to December 31, 1947, and 3 percent per year thereafter, compounded annually, to December 31, 1956. After December 31, 1956, except as provided below, interest is allowed at the rate of 3 percent per year, compounded annually, to date of final separation or transfer to a position that is not covered by the retirement system. After December 31, 1956, interest is not allowed:

(1) When an employee has one year or less of covered service,

(2) For any fractional part of a month in the total service, or

(3) For more than five years' civilian service.

(c) Interest at the rate of 3 percent per year through December 31, 1984, and, thereafter, at the yearly rate determined by the Secretary of Treasury, compounded annually, is allowed on voluntary contributions during periods of employment and, after the employee or Member has completed at least 5 years' civilian service, during periods of separation until the beginning date of annuity or death, whichever is earlier. For refund purposes, however, interest on voluntary contributions terminates on the date of the employee's or Member's final separation or on the date of the employee's or Member's last transfer to a position in which he or she is not subject to subchapter III of chapter 83 of title 5, United States Code

(d) For noncontributory service performed before October 1, 1982, and for redeposits of refunds paid on an application received by either the individual's employing agency or OPM before October 1, 1982, interest at the rate of 4 percent per year to December 31, 1947, and at the rate of 3 percent per year thereafter, compounded annually, is charged. Interest is charged on the outstanding balance of a deposit from the midpoint of each service period for which deposit is involved; interest is charged on the outstanding balance of a refund from the date the refund was paid. Interest is charged to the date of deposit or commencing date of annuity, whichever is earlier, except that interest is not charged for any period of separation from the service which began before October 1, 1956.

(e) For noncontributory service performed on or after October 1, 1982, and for redeposits of refunds paid on an application received by the individual's employing agency or OPM on or after October 1, 1982, interest is charged at the rate of 3 percent per year through December 31, 1984, and, thereafter, at the yearly rate determined by the Secretary of Treasury, compounded annually. Interest is charged on the outstanding balance of a deposit from the midpoint of each service period for which deposit is involved; interest is charged on the outstanding balance of a refund from the date the refund was paid. Interest is charged to the date of deposit.

(f) No interest is charged on a deposit for military service if that deposit is made before October 1, 1984, or within 2 years of the date that an individual first becomes an employee or Member under the civil service retirement system, whichever is later. When interest is charged on a deposit for military service, it is charged on the outstanding balance at the rate of 3 percent per year, compounded annually, from October 1, 1984, or 2 years from the date the individual first becomes an employee or Member, whichever is later, through December 31, 1984, and thereafter at the yearly rate determined by the Secretary of the Treasury.

(g) For calendar year 1985 and for each subsequent calendar year, OPM will publish a notice in the FEDERAL REGISTER to notify the public of the interest rate that will be in effect during that calendar year.

(h) Interest under §§ 831.631, 831.632, 831.682, and 831.684 is compounded annually and accrued monthly.

(1) The initial interest on each monthly difference between the reduced annuity rate and the annuity rate actually paid equals the amount of the monthly difference times the difference between (i) 1.06 raised to the power whose numerator is the number of months between the date when the monthly difference in annuity rates occurred and the date when the initial interest is computed and whose denominator is 12; and (ii) 1.

(2) The total initial interest due is the sum of all of the initial interest on each monthly difference computed in accordance with paragraph (h)(1) of this section.

(3) Additional interest on any uncollected balance will be compounded annually and accrued monthly. The additional interest due each month equals the remaining balance due times the difference between (i) 1.06 raised to the 1/12th power; and (ii) 1.

(i)(1) When an individual's civilian service involves several deposit and/or redeposit periods, OPM will normally use the following order of precedence in applying each installment payment against the full amount due:

(i) Redeposits of refunds paid on applications received by the individual's employing agency or OPM on or after October 1, 1982;

(ii) Redeposits of refunds paid on applications received by the individual's employing agency or OPM before October 1, 1982;

(iii) Deposits for noncontributory civilian service performed on or after October 1, 1982; and

(iv) Deposits for noncontributory service performed before October 1, 1982.

(2) If an individual specifically requests a different order of precedence, that request will be honored.

(j) Interest under §831.662 is compounded annually and accrued monthly.

(1) The initial interest on each monthly difference between the reduced annuity rate and the annuity rate actually paid equals the amount of the monthly difference times the difference between—

(i) The sum of one plus the interest rate set under §831.105(g) raised to the power whose numerator is the number of months between the date when the monthly difference in annuity rates occurred and the date when the initial interest is computed and whose denominator is 12; and

(ii) 1.

(2) The total initial interest due is the sum of all of the initial interest on each monthly difference computed in accordance with paragraph (j)(1) of this section.

§ 831.109 Initial decision and reconsideration.

(a) *Who may file.* Except as noted in paragraph (b) of this section any individual or agency whose rights or interests under the Civil Service Retirement System are affected by an initial decision of the Office of Personnel Management (OPM) may request OPM to review its initial decision.

(b) *Actions covered elsewhere.* (1) A request for reconsideration of termination of annuity payments under 5 U.S.C. 8311–22 shall be made in accordance with the procedures set out in subpart K of this part.

(2) A request for reconsideration of a decision to collect a debt will be made in accordance with § 831.1304(b).

(c) *Initial decision.* A decision shall be considered an initial decision when rendered by OPM in writing and stating the right to reconsideration. However, a decision initially rendered at the highest level of review available within OPM will not be subject to reconsideration, but will give an appeal right direct to the Merit Systems Protection Board (MSPB).

(d) *Reconsideration.* A request for reconsideration must be in writing, must include the individual's name, address,

date of birth and claim number, if applicable, and must state the basis for the request.

(e) *Time limits on reconsideration.* (1) A request for reconsideration must be received by OPM within 30 calendar days from the date of the original decision.

(2) The representative of the Associate Director for Compensation responsible for reconsiderations may extend the time limit for filing when the individual shows that he/she was not notified of the time limit and was not otherwise aware of it, or that he/she was prevented by circumstances beyond his/her control from making the request within the time limit.

(f) *Final decision.* After reconsideration, the Associate Director's representative shall issue a final decision which shall be in writing, shall fully set forth the findings and conclusions of the reconsideration, and shall contain notice of the right to request an appeal provided in § 831.110. § 831.110 Appeals.

Appeals to MSPB. Except as noted in this paragraph, an individual or agency whose rights or interests under the Civil Service Retirement System (Subchapter III of chapter 83, title 5, United States Code) are affected by a final decision of the representative of the Associate Director for Compensation, Office of Personnel Management, may request the Merit Systems Protection Board to review such decision in accord with procedures prescribed by the Board. Decisions of OPM and the Associate Director for Compensation made in accord with the procedures referenced in § 831.109(b)(1) are made under subchapter II of chapter 83, title 5, United States Code. § 831.111 Employee deductions and agency contributions.

(a) *Agency share.* When an agency fails to withhold some or all of an employee deduction under 5 U.S.C. 8334(a) for any pay period, the agency is still responsible for submitting the correct agency contribution to OPM. The agency must submit as the agency share, a payment equal to the amount that would have been submitted if the error had not been made (or a payment equal to the difference between the amount already submitted as the agency share and the amount that should have been submitted). The payment should be submitted to OPM in the manner currently prescribed for the transmission of withholdings and contributions as soon as possible, but not later than provided by standards established by OPM in the Federal Personnel Manual.

(b) *Employee share.* (1) If, through administrative error, an agency did not withhold any of the employee deductions required by 5 U.S.C. 8334(a) for any pay period, the employee may, at his or her option—

(i) Request the agency that employed him or her when the error was made to correct his or her records and arrange to pay any resulting overpayment of pay to the agency (unless it is waived by the agency); or

(ii) Pay the deposit plus any applicable interest (under certain conditions, the deposit may be made at any time until the final adjudication of his or her application for retirement) directly to OPM by submitting SF 2803; or

(iii) Have the period of service treated like the nondeduction service described in § 831.303.

(2) When the agency withholds part of the required employee deductions for any pay period, the balance must be submitted to OPM in the manner currently prescribed for the transmission of withholdings and contributions as soon as possible, but not later than provided by standards established by OPM in the Federal Personnel Manual. The agency must correct its error. The employee does not have the option to pay a deposit directly to OPM when partial deductions have been withheld.

(3) If the agency waives the employee's repayment of the salary overpayment that resulted from the administrative error, the agency must also submit (in addition to the agency contribution) the employee's share of the unpaid contributions to OPM in the manner currently prescribed for the transmission of withholdings and contributions.

[53 FR 35295, Sept. 13, 1988]

§ 831.112 Definitions of employee.

(a) *Determinations involving an employee's ability to make a deposit or redeposit.* A person may make a deposit or redeposit under section 8334 of title 5, United States Code, if he or she is an ''employee.'' For purposes of this paragraph, an *employee* is—

(1) A person currently employed in a position subject to the civil service retirement law; or

(2) A former employee (whose annuity has not been finally adjudicated) who retains civil service retirement annuity rights based on a separation from a position in which retirement deductions were properly withheld and remain (or have been redeposited in whole or in part) in the Civil Service Retirement and Disability Fund.

(b) *Determinations involving the payment of survivor benefits at an employee's or former employee's death.* To determine entitlement to survivor benefits, OPM establishes whether the deceased individual was an ''employee'' or a ''retiree'' on the date of death. If the decedent was an ''employee'' on the date of death, survivor benefits are paid as though the individual died in service. If the decedent was a ''retiree'' on the date of death, survivor benefits are only paid as provided in the individual's election, provided it was properly made. However, if a former employee was eligible only for a deferred annuity at age 62, survivor benefits are only paid if the individual was a ''retiree'' on the date of death. For purposes of this paragraph—

(1) *Employee* is a person—

(i) Who had not been separated from service prior to his or her death, even if he or she had applied for retirement (for example, an applicant for disability annuity) and the application had been approved; or

(ii) Whose death occurs before the commencing date of annuity, even though separation has occurred.

(2) *Retiree* or *annuitant* is a person—

(i) Who has been separated from service and met all the requirements to receive an annuity including having filed an application for the annuity prior to his or her death; and

(ii) Whose death occurs on or after the commencing date of annuity.

(c) *Determinations involving the requirement of spousal consent for elections of alternative annuity and survivor annuity benefits.* Spousal consent is required as specified in §§ 831.614 and 831.2203(c), if the employee/annuitant is married on the commencing date of annuity, regardless of whether that date is before or after the date of separation from service.

(2) *Exception.* A former Federal employee being appointed by the Authority on or after October 26, 1996, no more than 3 days (not counting District of Columbia holidays) after separation from Federal employment cannot elect to be deemed a Federal employee for CSRS purposes unless the election was made before separation from Federal employment.

(b) *Opportunity to elect FERS.* An individual who elects CSRS under paragraph (a) of this section after a break of more than 3 days between Federal service and employment with the Authority may elect FERS in accordance with 5 CFR 846.201(b)(ii).

(c) *Procedure for making an election.* The Authority or the agency providing administrative support services to the Authority (Administrative Support Agency) must establish a procedure for notifying employees of their election rights and for accepting elections.

(d) *Time limit for making an election.* (1) An election under paragraph (a)(1) of this section must be made within 30 days after the employee receives the notice under paragraph (c) of this section.

(2) The Authority or its Administrative Support Agency will waive the time limit under paragraph (d)(1) of this section upon a showing that—

(i) The employee was not advised of the time limit and was not otherwise aware of it; or

(ii) Circumstances beyond the control of the employee prevented him or her from making a timely election and the employee thereafter acted with due diligence in making the election.

(e) *Effect of an election.* (1) An election under paragraph (a) of this section is effective on the commencing date of the employee's service with the Authority.

(2) An individual who makes an election under paragraph (a) of this section is ineligible, during the period of employment covered by that election, to participate in any retirement system for employees of the government of the District of Columbia.

(f) *Irrevocability.* An election under paragraph (a) of this section becomes irrevocable when received by the Authority or its Administrative Support Agency.

(g) *Employee deductions.* The Authority or its Administrative Support Agency must withhold, from the pay of an employee of the District of Columbia Financial Responsibility and Assistance Authority who has elected to be deemed a Federal employee for CSRS purposes, an amount equal to the percentage withheld from Federal employees' pay for periods of service covered by CSRS and, in accordance with procedures established by OPM, pay into the Civil Service Retirement and Disability Fund the amounts deducted from an employee's pay.

(h) *Employer contributions.* The District of Columbia Financial Responsibility and Assistance Authority must, in accordance with procedures established by OPM, pay into the Civil Service Retirement and Disability Fund amounts equal to any agency contributions required under CSRS.

Subpart C—Credit for Service

§ 831.301 Military service.

(a) *Service of an individual who first became an employee or Member under the civil service retirement system before October 1, 1982.* A period of honorable active service after December 31, 1956, in the Army, Navy, Marine Corps, Air Force, or Coast Guard of the United States, or, after June 30, 1960, in the Regular Corps or Reserve Corps of the Public Health Service, or, after June 30, 1961, as a commissioned officer of the National Oceanic and Atmospheric Administration (formerly Coast and Geodetic Survey and Environmental Science Services Administration), performed before the date of separation on which civil service annuity entitlement is based shall be included in the computation of the annuity provided—

(1) The employee or Member has completed 5 years' (18 months' for survivors of employees or Members who die in service) civilian service;

(2) The employee or Member is not receiving military retired pay awarded for reasons other than (i) service-connected disability incurred in combat with an enemy of the United States, (ii) service-connected disability caused by an instrumentality of war and incurred in line of duty during a period of war (as that term is used in chapter 11 of title 38, United States Code), or (iii) under chapter 67 of title 10, United States Code; and

(3)(i) The employee, Member, or survivor is not entitled, or upon application would not be entitled, to monthly old-age or survivors benefits under § 202 of the Social Security Act (41 U.S.C. 402) based on the individual's wages or self-employment income, or

(ii) For an employee, Member, or survivor who is entitled, or upon application would be entitled, to monthly old-age or survivors benefits under § 202 of the Social Security Act (41 U.S.C. 402) based on the individual's wages or self-employment income, the employee, Member, or survivor has completed a deposit in accordance with subpart U of this part, for each full period of such military service performed after December 1956.

If a deposit has not been completed, periods of military service performed after December 31, 1956 (other than periods of military service covered by military leave with pay from a civilian position), are excluded from credit from and after the first day of the month in which the individual (or survivor) becomes entitled, or upon proper application would be entitled, to Social Security benefits under § 202. Military service performed prior to January 1957 is included in the computation of the annuity regardless of whether a deposit is made for service after December 31, 1956.

(b) *Service of an individual who first becomes an employee or Member under the civil service retirement system on or after October 1, 1982.* A period of honorable active service after December 31, 1956, in the Army, Navy, Marine Corps, Air Force, or Coast Guard of the United States, or, after June 30, 1960, in the Regular Corps or Reserve Corps of the Public Health Service, or, after June 30, 1961, as a commissioned officer of the National Oceanic and Atmospheric Administration (formerly Coast and Geodetic Survey and Environmental Science Services Administration), performed before the date of separation on which civil service annuity entitlement is based shall be included in the computation of the annuity provided—

(1) The employee or Member has completed 5 years' (18 months' for survivors of employees or Members who die in service) civilian service;

(2) The employee or Member is not receiving military retired pay awarded for reasons other than (i) service-connected disability incurred in combat with an enemy of the United States, (ii) service-connected disability caused by an instrumentality of war and incurred in line of duty during a period of war (as that term is used in chapter 11 of title 38, United States Code), or (iii) under chapter 67 of title 10, United States Code; and

(3) The employee, Member, or survivor had completed a deposit in an amount equal to 7 percent of his or her basic pay under section 204 of title 37, United States Code, (plus interest, if any) for each full period of such military service performed after December 1956. Military service performed prior to January 1957 is included in the computation of the annuity regardless of whether a deposit is made for service after December 31. 1956.

(c) *Military retirees and recipients of Veterans Administration benefits.* An employee or Member applying for annuity, who otherwise meets all conditions for receiving credit for military service, but who is in receipt of retired or retainer pay which bars credit for military service, may elect to waive the retired or retainer pay and have the military service added to civilian service for annuity computation purposes. An applicant for disability retirement, who is receiving a Veterans Administration pension or compensation in lieu of military retired or retainer pay, may elect to waive the retired or retainer pay and renounce the Veterans Administration pension or compensation and have the military service added to civilian service for annuity computation purposes.

(d) *Widow(er)s and former spouses entitled to annuity based on the service of employees or Members who die in service*—(1)

Military service is included unless the widow(er) or former spouse elects otherwise. Effective April 25, 1987, unless a widow(er) or former spouse of an employee or Member who dies—on or after that date—before being separated from service files a written election to the contrary, his or her annuity will include credit for periods of military service (subject to the provisions of paragraphs (a) and (b) of this section) that would ordinarily be excluded from the computation of the employee's or Member's annuity under 5 U.S.C. 8332(c)(2).

(2) *Reduction by the amount of survivor benefits payable based on the military service.* (i) In paragraph (d)(2)(ii) of this section, ''survivor benefits under a retirement system for members of the uniformed services'' means survivor benefits before any offsets for benefits payable from another Federal benefit system except for those payable under title II of the Social Security Act. The amount of the survivor benefit to be deducted will be the amount payable to the current or former spouse and attributable to the decedent's retired or retainer pay for the period of military service to be included in the CSRS survivor annuity. However, the survivor benefit will never be reduced below the amount payable based on the civilian service alone.

(ii) OPM will obtain information on the amount of any monthly survivor benefits payable to each applicant for CSRS current or former spouse annuity. OPM will reduce the CSRS survivor annuity by the monthly military survivor benefit on its commencing date. OPM will not make a subsequent adjustment unless it is necessary to increase or decrease the CSRS survivor benefit because of a change in the amount of military survivor benefits attributable to the period of service or a change in the period of military service to be included in the CSRS annuity when the survivor annnuitant becomes eligible for benefits under title II of the Social Security Act.

(3) *Widow(er)s or former spouses of employees or Members who die on or after April 25, 1987—election not to be included.* OPM will accept a written election from a widow(er) or former spouse who does not wish to be covered by §831.301(d) provided it is postmarked within the period ending 30 calendar days after the date of the first regular monthly annuity payment.

(4) *Widow(er)s or former spouses of employees or Members who die before April 25, 1987—application to OPM for credit.* Widow(er)s or former spouses of employees or Members who died before April 25, 1987, must apply to OPM in writing to have credit for military service included in the survivor annuity computation. If the survivor annuity is increased by including credit for the military service, the increase will be effective on the first of the month following the 60th calendar day after the date the written application for inclusion of the military service is received in OPM.

§ 831.302 Unused sick leave.

(a) For annuity computation purposes, the service of an employee who retires on immediate annuity or dies leaving a survivor entitled to annuity is increased by the days of unused sick leave to his credit under a formal leave system.

(b) An immediate annuity is one which begins to accrue not later than 1 month after the employee is separated.

(c) A formal leave system is one which is provided by law or regulation or operates under written rules specifying a group or class of employees to which it applies and the rate at which sick leave is earned.

(d) In general, 8 hours of unused sick leave increases total services by 1 day. In cases where more or less than 8 hours of sick leave would be charged for a day's absence, total service is increased by the number of days in the period between the date of separation and the date that the unused sick leave would have expired had the employee used it (except that holidays falling within the period are treated as work days, and no additional leave credit is earned for that period).

(e) If an employee's tour of duty changes from part time to full time or full time to part time within 180 days

before retirement, the credit for unused sick leave is computed as though no change had occurred.

[34 FR 17617, Oct. 31, 1969]

§ 831.303 Civilian service.

(a) *Periods of civilian service performed before October 1, 1982, for which retirement deductions have not been taken.* Periods of creditable civilian service performed by an employee or Member after July 31, 1920, but before October 1, 1982, for which retirement deductions have not been taken shall be included in determining length of service to compute annuity under subchapter III of chapter 83 of title 5, United States Code; however, if the employee, Member, or survivor does not elect either to complete the deposit describes by section 8334(c) of title 5, United States Code, or to eliminate the service from annuity computation, his or her annuity is reduced by 10 percent of the amount which should have been deposited (plus interest) for the period of noncontributory service.

(b) *Periods of service for which refunded deductions have not been redeposited, and periods of civilian service performed on or after October 1, 1982, for which retirement deductions have not been taken.* Except as provided in paragraph (c) of this section, a period of service for which refunded deductions have not been redeposited, and a period of creditable civilian service performed by an employee or Member on or after October 1, 1982, for which retirement deductions have not been taken, shall be included in determining length of service to compute the annuity under subchapter III of chapter 83 of title 5, United States Code, only if—

(1) The employee or Member subsequently becomes eligible for an annuity payable under subchapter III of chapter 83 of title 5, United States Code; and

(2) The employee, Member, or survivor makes a deposit (or redeposit) for the full period of service. If more than one distinct period of service is covered by a single refund, the periods of service covered by that refund are considered to be single full periods of service. However, in all other instances, a distinct period of nondeduction civilian service (i.e., a period of nondeduction service that is not interrupted by a break in service of more than three days) and a distinct period of redeposit civilian service (i.e., a period of redeposit service that is not interrupted by a break in service of more than three days) are considered as separate full periods of service, even when they are immediately consecutive. A period of nondeduction service which begins before October 1, 1982, and ends on or after that date is also considered two full periods of service: one ending on September 30, 1982, and the other beginning on October 1, 1982.

(c)(1) An employee or Member who has not completed payment of a redeposit for refunded deductions based on a period of service that ended before October 1, 1990, will receive credit for that service in computing the nondisability annuity for which the individual is eligible under subchapter III of chapter 83 of title 5, United States Code, provided the nondisability annuity commences after December 1, 1990.

(2) The beginning monthly rate of annuity payable to a retiree whose annuity includes service credited in accordance with paragraph (c)(1) of this section will be reduced by an amount equal to the redeposit owed, or unpaid balance thereof, divided by the present value factor for the retiree's attained age (in full years) at the time of retirement. The reduced monthly rate will then be rounded down to the next lower dollar amount and becomes the rate of annuity payable.

(3) For the purpose of paragraph (b)(2) of this section, the terms ''present value factor'' and ''time of retirement'' have the same meaning as in § 831.2202.

§ 831.304 Service with the Cadet Nurse Corps during World War II.

(a) *Definitions and special usages.* In this section—

(1) *Basic pay* is computed at the rate of $15 per month for the first 9 months of study; $20 per month for the 10th through the 21st month of study; and $30 per month for any month in excess of 21.

(2) *Cadet Nurse Corps service* means any student or graduate nurse training,

in a non-Federal institution, as a participant in a plan approved under section 2 of the Act of June 15, 1943 (57 Stat. 153).

(3) *CSRS* means the Civil Service Retirement System.

(b) *Conditions for creditability*. As provided by Pub. L. 99–638, an individual who performed service with the Cadet Nurse Corps is entitled to credit under CSRS if—

(1) The service as a participant in the Corps totaled 2 years or more;

(2) The individual submits an application for service credit to OPM no later than January 10, 1988;

(3) The individual is employed by the Federal Government in a position subject to CSRS at the time he or she applies to OPM for service credit; and

(4) The individual makes a deposit for the service before separating from the Federal Government for retirement purposes. Contrary to the policy ''deeming'' the deposit to be made for alternative annuity computation purposes, these deposits must be physically in the possession of the individual's employing agency before his or her separation for retirement purposes.

(c) *Processing the application for service credit.* Upon receiving an application requesting credit for service with the Cadet Nurse Corps, OPM will determine whether all conditions for creditability have been met, compute the deposit (including any interest) as specified by sections 8334(e) (2) and (3) of title 5, United States Code, based upon the appropriate percentage of basic pay that would have been deducted from the individual's pay at the time the service was performed, and advise the agency and the employee of the total amount of the deposit due.

(d) *Agency collection and submission of deposit.* (1) The individual's employing agency must establish a deposit account showing the total amount due and a payment schedule (unless deposit is made in one lump sum), and record the date and amount of each payment.

(2) lf the individual cannot make payment in one lump sum, the employing agency must accept installment payments (by allotments or otherwise). However, the employing agency is not required to accept individual checks in amounts less than $50.

(3) If the employee dies before completing the deposit, the surviving spouse may elect to complete the payment to the employing agency in one lump sum; however, the surviving spouse will not be able to initiate an application for such service credit.

(4) Payments received by the employing agency must be remitted to OPM immediately for deposit to the Civil Service Retirement and Disability Fund.

(5) Once the employee's deposit has been paid in full or closed out, the employing agency must submit the documentation pertaining to the deposit to OPM in accordance with published instructions.

§ 831.305 Service with a nonappropriated fund instrumentality after June 18, 1952, but before January 1, 1966.

(a) *Definitions and special usages.* In this section—

(1) *Service in a nonappropriated fund instrumentality* is any service performed by an employee that involved conducting arts and crafts, drama, music, library, service (i.e., recreation) club, youth activities, sports or recreation programs (including any outdoor recreation programs) for personnel of the armed forces. Service is not creditable if it was performed in programs other than those specifically named in this subsection.

(2) *Certification by the head of a nonappropriated fund instrumentality* can also be certification by the National Personnel Records Center or by an official of another Federal agency having possession of records that will verify an individual's service.

(3) *CSRS* means the Civil Service Retirement System.

(b) *Conditions for creditability*. Pursuant to Pub. L. 99–638 and provided the same period of service has not been used to obtain annuity payable from a nonappropriated fund retirement plan, an individual who performed service in a nonappropriated fund instrumentality is entitled to credit under CSRS if—

(1) The service was performed after June 18, 1952, but before January 1, 1966; and

(2) The individual was employed in a position subject to CSRS on November 9, 1986.

(c) *Deposit for service is not necessary.* It is not necessary for an individual to make a deposit for service performed with a nonappropriated fund instrumentality to receive credit for such service. However, if the individual does not elect to make a deposit, his or her annuity is reduced by 10 percent of the amount that should have been deposited for the period of service (including any interest) as specified by sections 8334(e) (2) and (3) of title 5, United States Code. When an employee elects an alternative annuity and also elects to make the deposit, OPM will deem the deposit to be made for purposes of conputing the alternative annuity.

[52 FR 43048, Nov. 9, 1987]

§ 831.306 Service as a National Guard technician before January 1, 1969.

(a) *Definitions.* In this section—(1) *Service as a National Guard technician* is service performed under section 709 of title 32, United States Code (or under a prior corresponding provision of law) before January 1, 1969.

(2) *CSRS* means the Civil Service Retirement System.

(b) *Conditions for crediting service to CSRS employees after November 5, 1990.* An employee subject to CSRS retirement deductions whose only service as a National Guard technician was performed prior to January 1, 1969, is entitled to credit under CSRS if—

(1) The individual submits to OPM an application for service credit in a form prescribed by OPM;

(2) The individual is employed by the Federal Government in a position subject to CSRS retirement deductions after November 5, 1990; and

(3) The individual completes the deposit for the service through normal service credit channels before final adjudication of his or her application for retirement or has the deposit deemed made when he or she elects the alternative form of annuity.

(c) *Processing the CSRS employee's application for service credit.* (1) If an employee described in paragraph (b) of this section makes an application for service credit, OPM will determine whether all conditions for creditability have been met, compute the deposit and send the employee notice of the payment required and the procedures for submitting the payments to OPM.

(2) The deposit will be computed based on—

(i) The appropriate percentage of basic pay that would have been deducted from the individual's pay at the time the service was performed; and

(ii) Interest at the rate of 3 percent per year computed as specified by section 8334(e)(2) of title 5, United States Code, until the date the deposit is paid.

(d) *Conditions for crediting service to CSRS annuitants and former Federal employees who separated after December 31, 1968, and before November 6, 1990*—(1) *Former Federal employees.* Former Federal employees who were subject to CSRS retirement deductions and separated after December 31, 1968, but before November 6, 1990, with title to a deferred annuity, may make a deposit for pre-1969 National Guard technician service provided they—

(i) Submit a written service credit application for the pre-1969 National Guard technician service to OPM before November 6, 1991; and

(ii) Complete a deposit for the additional service in a lump sum or in installment payments of $50 or more. Payments must be completed before their retirement claim is finally adjudicated, unless the deposit is deemed made when they elect an alternative form of annuity.

(2) *Annuitants and survivors.* Individuals who were entitled to receive an immediate annuity (or survivor annuity benefits) as of November 6, 1990, may make a deposit for pre-1969 National Guard technician service provided they—

(i) Submit a written application for service credit to OPM before November 6, 1991; and

(ii) Complete a deposit for the additional service in a lump sum or in equal monthly annuity installments to be completed within 24 months of the date of the complete written application.

(3) To determine the commencing date of the deposit installment payment period for annuitants and survivors, the ''date of application'' will be considered to be the first day of the

second month beginning after OPM receives a complete written application from the individual.

(4) To be a complete application, the individual's written request for pre-1969 National Guard technician service credit must also include a certification of the dates of employment and the rates of pay received by the individual during the employment period. The individual may obtain certification of his or her service from the Adjutant General of the State in which the service was performed.

(e) *Processing annuitants', survivors' or former employees' applications for service credit*—(1) *OPM determines creditable service.* OPM will determine whether all conditions for crediting the additional service have been met, compute the amount of the deposit, and notify the individual.

(2) *Computing the deposit.* The deposit will be computed based on—

(i) The appropriate percentage of basic pay that would have been deducted from the individual's pay at the time the service was performed; and

(ii) Interest at the rate of 3 percent per year as specified by section 8334(e)(2) of title 5, United States Code, to—

(A) The midpoint of the 24-month installment period or if paid in a lump sum, the date payment is made if the individual is an annuitant or survivor; or

(B) The date the deposit is paid or the commencing date of annuity, whichever comes first, if the individual is a former employee.

(3) *Individuals who are annuitants or survivors as of November 6, 1990.* (i) OPM will notify annuitants and survivors of the amount of the deposit and give them a proposed installment schedule for paying the deposit from monthly annuity payments. The proposed installment payments will consist of equal monthly payments that will not exceed a period 24 months from the date a complete written application is received by OPM.

(ii) The annuitant or survivor may allow the installments to be deducted from his or her annuity as proposed or make payment in a lump sum within 30 days from the date of the notice.

(iii) Increased annuity payments will begin to accrue the first day of the month after OPM receives a complete written application.

(iv) If an annuitant dies before completing the deposit installment payments, the remaining installments will be deducted as established for the annuitant, from benefits payable to the survivor annuitant (but not if the only survivor benefit is payable to a child or children of the deceased), if any. If no survivor annuity is payable, OPM may collect the balance of the deposit from any lump-sum benefits payable or the decedent's estate, if any.

(4) *Former employees who separated after December 31, 1968, but before November 6, 1990.* A former employee with title to a deferred annuity that commences after November 6, 1990, will be billed for the amount of the deposit due and informed of the procedures for sending payments to OPM. If payment is to be made in installments, each payment must be at least $50 and the total deposit due must be completed before final adjudication of the retirement claim, unless the deposit is deemed made when he or she elects an alternative form of annuity.

§ 831.307 Contract service.

Contract service with the United States will only be included in the computation of, or used to establish title to, an annuity under subchapter III of chapter 83 of title 5, United States Code, if—

(a) The employing agency exercised an explicit statutory authority to appoint an individual into the civil service by contract; or

(b) The head of the agency which was party to the contract, based on a timely-filed application, in accordance with section 110 of Public Law 100–238, and the regulations promulgated by OPM pursuant to that statute, certifies that the agency intended that an individual be considered as having been appointed to a position in which (s)he would have been subject to subchapter III of chapter 83 of title 5, United States Code,

and deposit has been paid in accordance with OPM's regulations.

Subpart D—Voluntary Contributions

SOURCE: 56 FR 43863, Sept. 5, 1991, unless otherwise noted.

§ 831.401 Purpose and scope.

This subpart describes the procedures that employees and Members must follow in making voluntary contributions under the Civil Service Retirement System (CSRS). This subpart also describes the procedures that the Office of Personnel Management (OPM) will follow in accepting voluntary contributions, crediting interest on voluntary contribution accounts, and paying benefits based on voluntary contributions.

§ 831.402 Definitions.

In this subpart:

Applicant for retirement means a person who is currently eligible to retire under CSRS on an immediate or deferred annuity, and who has filed an application to retire that has not been finally adjudicated.

Balance means the amount of voluntary contributions deposited and not previously withdrawn, plus earned interest on those voluntary contributions, less any amount paid as additional annuities (including any amount paid as survivor annuity) based on the voluntary contributions.

CSRS means the Civil Service Retirement System as described in subchapter III of chapter 83 of title 5, United States Code.

Eligible individual means a person eligible to make voluntary contributions under § 831.403.

Voluntary contributions means contributions to the Civil Service Retirement and Disability Fund under section 8343 of title 5, United States Code.

§ 831.403 Eligibility to make voluntary contributions.

(a) Voluntary contributions may be made only by—

(1) Employees or Members currently subject to CSRS, and

(2) Applicants for retirement.

(b) Voluntary contributions may not be accepted from an employee, Member, or applicant for retirement who—

(1) Has not deposited amounts covering all creditable civilian service performed by him or her; or

(2) Has previously received a refund of voluntary contributions and who has not been reemployed subject to CSRS after a separation of more than 3 calendar days.

(c) An employee or Member covered by the Federal Employees Retirement System (FERS), including an employee or Member who elected to transfer or was automatically placed in FERS, may not open a voluntary contributions account or make additional contributions to an existing voluntary contribution account.

§ 831.404 Procedure for making voluntary contributions.

(a) To make voluntary contributions to the Civil Service Retirement and Disability Fund, an eligible individual must first apply on a form prescribed by OPM. OPM will establish a voluntary contribution account for each eligible individual who elects to make voluntary contributions and notify the individual that a voluntary contribution account has been established. An eligible individual may not make voluntary contributions until notified by OPM that an account has been so established.

(b) After receiving notice from OPM under paragraph (a) of this section, an eligible individual may forward voluntary contributions to the Office of Personnel Management, at the address designated for that purpose. Voluntary contributions must be in the amount of $25 or multiples thereof, by money order, draft, or check payable to OPM.

(c) The total voluntary contributions made by an employee or Member may not exceed, as of the date any contribution is received, 10 percent of the aggregate basic pay received by the eligible individual.

(1) Employees are responsible for not exceeding the 10 percent limit.

(2) When the employee retires or withdraws the voluntary contributions, OPM will check to determine whether the 10 percent limit has been exceeded.

(3) If the total of voluntary contributions received from the employee exceeds the 10 percent limit, OPM will refund without interest any amount that exceeds the 10 percent limit.

§ 831.405 Interest on voluntary contributions.

(a) Interest on voluntary contributions is computed under § 831.105.

(b) Voluntary contributions begin to earn interest on the date deposited by OPM.

(c) Except as provided in paragraph (d) of this section, voluntary contributions stop earning interest on the earliest of—

(1) The date when OPM authorizes payment to the individual of the balance as a withdrawal (831.406);

(2) The date when the employee or Member separates or transfers to a position not subject to CSRS or FERS; or

(3) The date when the employee transfers to a retirement system other than CSRS or FERS.

(d) If an employee separates with entitlement to a deferred annuity and either dies without withdrawing his or her voluntary contributions or uses his or her voluntary contributions to purchase additional annuity, voluntary contributions stop earning interest on the earlier of—

(1) The date the former employee or Member dies; or

(2) The commencing date of the former employee's or Member's deferred annuity.

§ 831.406 Withdrawal of voluntary contributions.

(a) Before receiving additional annuity payments based on the voluntary contributions, a person who has made voluntary contributions may withdraw the balance while still an employee or Member, or after separation.

(b) A person entitled to payment of lump-sum benefits under the CSRS order for precedence set forth in section 8342(c) of title 5, United States Code, is entitled to payment of the balance, if any, on the death of—

(1) An employee or Member;

(2) A separated employee or Member who has not retired;

(3) A retiree, unless a survivor benefit is payable based on an election under § 831.407; or

(4) A person receiving a survivor annuity based on voluntary contributions.

§ 831.407 Purchase of additional annuity.

(a) At the time of retirement CSRS (or under FERS, if transferred from CSRS), a person may use the balance of a voluntary contribution account to purchase one of the following types of additional annuity:

(1) Annuity without survivor benefit; or

(2) Reduced annuity payable during the life of the employee or Member with one-half of the reduced annuity to be payable after his or her death to a person, named at time of retirement, during the life of the named person.

(b) Any natural person may be designated as survivor under paragraph (a)(2) of this section.

(c) If the applicant for retirement elects an annuity without survivor benefit, each $100 credited to his or her voluntary contribution account, including interest, purchases an additional annuity at the rate of $7 per year, plus 20 cents for each full year, if any, he or she is over age 55 at date of retirement.

(d) If the applicant for retirement elects an annuity with survivor benefit, each $100 credited to his or her voluntary contribution account, including interest, purchases an additional annuity at the rate of $7 per year, plus 20 cents for each full year, if any, he or she is over age 55 at date of retirement, multiplied by the following percentage:

(1) Ninety percent of such amount if the named person is the same age or older than the applicant for retirement, or is less than 5 years younger than the applicant for retirement;

(2) Eighty-five percent if the named person is 5 but less than 10 years younger;

(3) Eighty percent if the named person is 10 but less than 15 years younger;

(4) Seventy-five percent if the named person is 15 but less than 20 years younger;

(5) Seventy percent if the named person is 20 but less than 25 years younger;

(6) Sixty-five percent if the named person is 25 but less than 30 years younger; and

(7) Sixty percent if the named person is 30 or more years younger.

Subpart E—Eligibility for Retirement

§ 831.501 Time for filing applications.

Employees or Members who are eligible for retirement must file a retirement application with their agency. Former employees or Members who are eligible for retirement must file a retirement application with OPM. The application should not be filed more than 60 days before becoming eligible for benefits. If the application is for disability retirement, the applicant and the employing agency should refer to subpart L of this part.

[58 FR 49179, Sept. 22, 1993]

§ 831.502 Automatic separation; exemption.

(a) When an employee meets the requirements for age retirement on any day within a month, he is subject to automatic separation at the end of that month. The department or agency shall notify the employee of the automatic separation at least 60 days in advance of the separation. If the department or agency fails through error to give timely notice, the employee may not be separated without his consent until the end of the month in which the notice expires.

(b)(1) The head of the agency, when in his or her judgment the public interest so requires, may exempt a law enforcement officer or firefighter from automatic separation until that employee becomes 60 years of age.

(2) The Secretary of Transportation and the Secretary of Defense, under such regulations as each may prescribe, may exempt an air traffic controller having exceptional skills and experience as a controller from automatic separation until that controller becomes 61 years of age.

(c) When a department or agency lacks authority and wishes to secure an exemption from automatic separation for one of its employees other than a Presidential appointee, beyond the age(s) provided by statute, i.e., age 60 for a law enforcement officer or firefighter, age 61 for an air traffic controller, and age 62 for an employee of the Alaska Railroad in Alaska or an employee who is a citizen of the United States employed on the Isthmus of Panama by the Panama Canal Commission, the department or agency head shall submit a recommendation to that effect to OPM.

(1) The recommendation shall contain:

(i) A statement that the employee is willing to remain in service;

(ii) A statement of facts tending to establish that his/her retention would be in the public interest;

(iii) The period for which the exemption is desired, which period may not exceed 1 year; and,

(iv) The reasons why the simpler method of retiring the employee and immediately reemploying him or her is not being used.

(2) The recommendation shall be accompanied by a medical certificate showing the physical fitness of the employee to perform his or her work.

(d) OPM may approve an exemption only before the automatic separation date applicable to the employee. For this reason, the department or agency shall forward the recommendation to OPM at least 30 days before this separation date.

§ 831.503 Retirement based on involuntary separation.

(a) *General.* An employee who would otherwise be eligible for retirement based on involuntary separation from the service is not entitled to an annuity under section 8336(d)(1) of title 5, United States Code, if the employee has declined a reasonable offer of another position.

(b) *Criteria for reasonable offer.* For the purposes of determining entitlement to annuity based on such involuntary separation, the offer of a position must meet all of the following conditions to be considered a reasonable offer:

(1) The offer must be made in writing;

(2) The employee must meet established qualification requirements; and

(3) The offered position must be—

(i) In the employee's agency, including an agency to which the employee with his or her function is transferred in a transfer of functions between agencies;

(ii) Within the employee's commuting area as defined in § 831.1202 of this part, unless geographic mobility is a condition of the employee's employment;

(iii) Of the same tenure and work schedule; and

(iv) Not lower than the equivalent of two grades or pay levels below the employee's current grade or pay level, without consideration of the employee's eligibility to retain his or her current grade or pay under part 536 of this chapter or other authority. In movements between pay schedules or pay systems, the representative rate of the grade or pay level that is two grades below that of the current position shall be compared with the representative rate of the grade or pay level of the offered position. For this purpose, ''representative rate'' has the meaning given that term in § 536.102 of this chapter.

§ 831.603 Definitions.

As used in this subpart—

CSRS means subchapter III of chapter 83 of title 5, United States Code.

Current spouse means a living person who is married to the employee, Member, or retiree at the time of the employee's, Member's, or retiree's death.

Current spouse annuity means a recurring benefit under CSRS that is payable (after the employee's, Member's, or retiree's death) to a current spouse who meets the requirements of § 831.642.

Deposit means a deposit required by the Civil Service Retirement Spouse Equity Act of 1984, Pub. L. 98–615, 98 Stat. 3195. *Deposit*, as used in this subpart does not include a service credit

deposit or redeposit under sections 8334(c) or (d) of title 5, United States Code.

First regular monthly payment means the first annuity check payable on a recurring basis (other than an estimated payment or an adjustment check) after OPM has initially adjudicated the regular rate of annuity payable under CSRS and has paid the annuity accrued since the time of retirement. The ''first regular monthly payment'' is generally preceded by estimated payments before the claim can be adjudicated and by an adjustment check (including the difference between the estimated rate and the initially adjudicated rate).

Former spouse means a living person who was married for at least 9 months to an employee, Member, or retiree who performed at least 18 months of creditable service in a position covered by CSRS and whose marriage to the employee was terminated prior to the death of the employee, Member, or retiree. Except in §§ 831.682 and 831.683, *former spouse* includes only persons who were married to an employee or Member on or after May 7, 1985, or who were the spouse of a retiree who retired on or after May 7, 1985, regardless of the date of termination of the marriage.

Former spouse annuity means a recurring benefit under CSRS that is payable to a former spouse after the employee's, Member's, or retiree's death.

Fully reduced annuity means the recurring payments under CSRS received by a retiree who has elected the maximum allowable reduction in annuity to provide a current spouse annuity and/or a former spouse annuity or annuities.

Insurable interest annuity means the recurring payments under CSRS to a retiree who has elected a reduction in annuity to provide a survivor annuity to a person with an insurable interest in the retiree.

Marriage means a marriage recognized in law or equity under the whole law of the jurisdiction with the most significant interest in the marital status of the employee, Member, or retiree unless the law of that jurisdiction is contrary to the public policy of the United States. If a jurisdiction would recognize more than one marriage in law or equity, the Office of Personnel Management (OPM) will recognize only one marriage, but will defer to the local courts to determine which marriage should be recognized.

Member means a Member of Congress.

Net annuity means the net annuity as defined in § 838.103 of this chapter.

Partially reduced annuity means the recurring payments under CSRS to a retiree who has elected less than the maximum allowable reduction in annuity to provide a current spouse annuity or a former spouse annuity.

Present value factor means the amount of money (earning interest at an assumed rate) required at the time of retirement to fund an annuity that starts out at the rate of $1 a month and is payable in monthly installments for the annuitant's lifetime based on mortality rates for non-disability annuitants under the Civil Service Retirement System; and increases each year at an assumed rate of inflation. Interest, mortality, and inflation rates used in computing the present value are those used by the Board of Actuaries of the Civil Service Retirement System for valuation of the System, based on dynamic assumptions. The present value factors are unisex factors obtained by averaging six distinct present value factors, weighted by the total dollar value of annuities typically paid to new retirees at each age.

Qualifying court order means a court order that awards a former spouse annuity and that satisfies the requirements of section 8341(h) of title 5, United States Code, for awarding a former spouse annuity.

Retiree means a former employee or Member who is receiving recurring payments under CSRS based on service by the employee or Member. ''Retiree,'' as used in this subpart, does not include a current spouse, former spouse, child, or person with an insurable interest receiving a survivor annuity.

Self-only annuity means the recurring unreduced payments under CSRS to a retiree with no survivor annuity to anyone.

Time of retirement means the effective commencing date for a retired employee's or Member's annuity.

[50 FR 20070, May 13, 1985, as amended at 51 FR 31931, Sept. 8, 1986; 57 FR 33597–33598, July 29, 1992; 58 FR 52880, Oct. 13, 1993]

ELECTIONS AT THE TIME OF RETIREMENT

§ 831.611 Election at time of retirement of fully reduced annuity to provide a current spouse annuity.

(a) A married employee or Member retiring under CSRS will receive a fully reduced annuity to provide a current spouse annuity unless—

(1) The employee or Member, with the consent of the current spouse, elects a self-only annuity, a partially reduced annuity, or a fully reduced annuity to provide a former spouse annuity, in accordance with § 831.612(b) or § 831.614; or

(2) The employee or Member elects a self-only annuity, a partially reduced annuity or a fully reduced annuity to provide a former spouse annuity, and current spousal consent is waived in accordance with § 831.608.

(b) Qualifying court orders that award former spouse annuities prevent payment of current spouse annuities to the extent necessary to comply with the court order and § 831.614.

(c) The maximum rate of a current spouse annuity is 55 percent of the rate of the retiring employee's or Member's self-only annuity if the employee or Member is retiring based on a separation from a position under CSRS on or after October 11, 1962. The maximum rate of a current spouse annuity is 50 percent of the rate of the retiring employee's or Member's self-only annuity if the employee or Member is retiring based on a separation from a position covered under CSRS between September 30, 1956, and October 11, 1962.

(d)(1) The amount of the reduction to provide a current spouse annuity equals 2½ percent of the first $3600 of the designated survivor base plus 10 percent of the portion of the designated survivor base which exceeds $3600, if—

(i) The employee's or Member's separation on which the retirement is based was on or after October 11, 1962; or

(ii) The reduction is to provide a current spouse annuity (under § 831.631) for a spouse acquired after retirement.

(2) The amount of the reduction to provide a current spouse annuity under this section for former employees or Members whose retirement is based on separations before October 11, 1962, equals 2½ percent of the first $2400 of the designated survivor base plus 10 percent of the portion of the designated survivor base which exceeds $2400.

§ 831.612 Election at time of retirement of a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity.

(a) An unmarried employee or Member retiring under CSRS may elect a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity or annuities.

(b) A married employee or Member retiring under CSRS may elect a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity or annuities instead of a fully reduced annuity to provide a current spouse annuity, if the current spouse consents to the election in accordance with § 831.614 or spousal consent is waived in accordance with § 831.618.

(c) An election under paragraph (a) or (b) of this section is void to the extent that it—

(1) Conflicts with a qualifying court order; or

(2) Would cause the total of current spouse annuities and former spouse annuities payable based on the employee's or Member's service to exceed 55 percent (or 50 percent if based on a separation before October 11, 1962) of the self-only annuity to which the employee or Member would be entitled.

(d) Any reduction in an annuity to provide a former spouse annuity will terminate on the first day of the

month after the former spouse remarries before age 55 or dies, or the former spouse's eligibility for a former spouse annuity terminates under the terms of a qualifying court order, unless—

(1) The retiree elects, within 2 years after the former spouse's death or remarriage, to continue the reduction to provide or increase a former spouse annuity for another former spouse, or to provide or increase a current spouse annuity; or

(2) A qualifying court order requires the retiree to provide another former spouse annuity.

(e) The maximum rate of a former spouse annuity under this section or §831.632 is 55 percent of the rate of the retiring employee's or Member's self-only annuity if the employee or Member is retiring based on a separation from a position under CSRS on or after October 11, 1962. The maximum rate of a former spouse annuity under this section or §831.632 is 50 percent of the rate of the retiring employee's or Member's self-only annuity if the employee or Member is retiring based on a separation from a position covered under CSRS between September 30, 1956, and October 11, 1962.

(f)(1) The amount of the reduction to provide one or more former spouse annuities or a combination of a current spouse annuity and one or more former spouse annuities under this section equals 2½ percent of the first $3600 of the total designated survivor base plus 10 percent of the portion of the total designated survivor base which exceeds $3600, if—

(i) The employee's or Member's separation on which the retirement is based was on or after October 11, 1962; or

(ii) The reduction is to provide a former spouse annuity (under §831.632) for a former spouse from whom the employee or Member was divorced after retirement.

(2) The amount of the reduction to provide one or more former spouse annuities or a combination of a current spouse annuity and one or more former spouse annuities under this section for employees or Members whose retirement is based on separations before October 11, 1962, equals 2½ percent of the first $2400 of the total designated survivor base plus 10 percent of the portion of the total designated survivor base which exceeds $2400.

§831.613 Election of insurable interest annuity.

(a) At the time of retirement, an employee or Member in good health, who is applying for a non-disability annuity, may elect an insurable interest annuity. Spousal consent is not required, but an election under this section does not exempt a married employee or Member from the provisions of §831.611(a).

(b) An insurable interest annuity may be elected by an employee or Member electing a fully reduced annuity or a partially reduced annuity to provide a current spouse annuity or a former spouse annuity or annuities.

(c)(1) In the case of a married employee or Member, an election under this section may not be made on behalf of a current spouse unless that current spouse has consented to an election not to provide a current spouse annuity in accordance with §831.611(a)(1).

(2) A consent (to an election not to provide a current spouse annuity in accordance with §831.611(a)(1)) required by paragraph (c)(1) of this section to be eligible to be the beneficiary of an insurable interest annuity is cancelled if—

(i) The retiree fails to qualify to receive the insurable interest annuity; or

(ii) The retiree changes his or her election to receive an insurable interest annuity under §831.621; or

(iii) The retiree elects a fully or partially reduced annuity to provide a current spouse annuity under §831.685.

(3) An election of a partially reduced annuity under §831.622(b) or §831.685 to provide a current spouse annuity for a current spouse who is the beneficiary of an insurable interest annuity is void unless the spouse consents to the election.

(4) If a retiree who had elected an insurable interest annuity to benefit a current spouse elects a fully reduced

annuity to provide a current spouse annuity (or, with the consent of the current spouse, a partially reduced annuity to provide a current spouse annuity) under § 831.622(b) or § 831.685, the election of the insurable interest annuity is cancelled.

(5)(i) A retiring employee or Member may not elect a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity and an insurable interest annuity to benefit the same former spouse.

(ii) If a retiring employee or Member who is required by court order to provide a former spouse annuity elects an insurable interest annuity to benefit the former spouse with the court-ordered entitlement—

(A) If the benefit based on the election is greater than or equal to the benefit based on the court order, the election of the insurable interest annuity will satisfy the requirements of the court order as long as the insurable interest annuity continues.

(B) If the benefit based on the election is less than the benefit based on the court order, the election of the insurable interest annuity is void.

(iii) An election under § 831.632 of a fully reduced annuity or a partially reduced annuity to benefit a former spouse by a retiree who elected and continues to receive an insurable interest annuity to benefit that former spouse is void.

(d) To elect an insurable interest annuity, an employee or Member must indicate the intention to make the election on the application for retirement; submit evidence to demonstrate that he or she is in good health; and arrange and pay for the medical examination that shows that he or she is in good health. A report of the medical examination, signed and dated by a licensed physician, must be furnished to OPM on such forms and at such time and place as OPM may prescribe through the Federal Personnel Manual system or other issuances.

(e) An insurable interest annuity may be elected to provide a survivor benefit only for a person who has an insurable interest in the retiring employee or Member.

(1) An insurable interest is presumed to exist with—

(i) The current spouse;

(ii) A blood or adopted relative closer than first cousins;

(iii) A former spouse;

(iv) A person to whom the employee or Member is engaged to be married;

(v) A person with whom the employee or Member is living in a relationship which would constitute a common-law marriage in jurisdictions recognizing common-law marriages.

(2) When an insurable interest in not presumed, the employee or Member must submit affidavits from one or more persons with personal knowledge of the named beneficiary's insurable interest in the employee or Member. The affidavits must set forth the relationship, if any, between the named beneficiary and the employee or Member, the extent to which the named beneficiary is dependent on the employee or Member, and the reasons why the named beneficiary might reasonably expect to derive financial benefit from the continued life of the employee or Member.

(3) The employee or Member may be required to submit documentary evidence to establish the named beneficiary's date of birth.

(f) After receipt of all required evidence to support an election of an insurable interest annuity, OPM will notify the employee or Member of initial monthly annuity rates with and without the election of an insurable interest annuity and the initial rate payable to the named beneficiary. No election of an insurable interest annuity is effective unless the employee or Member confirms the election in writing, dies, or becomes incompetent no later than 60 days after the date of the notice described in this paragraph.

(g) (1) When an employee or Member elects both an insurable interest annuity and a fully reduced annuity or a partially reduced annuity to provide a current spouse annuity and/or a former spouse annuity or annuities, each reduction is computed based on the self-only annuity computation. The combined reduction may exceed the maximum 40 percent reduction in the retired employee's or Member's annuity permitted under section 8339(k)(1) of title 5, United States Code, applicable to insurable interest annuities.

(2) The rate of annuity paid to the beneficiary of an insurable interest election, when the employee or Member also elected a fully reduced annuity or a partially reduced annuity, equals 55 (or 50 percent if based on a separation before October 11, 1962) percent of the rate of annuity after the insurable interest reduction. The additional reduction to provide a current spouse annuity or a former spouse annuity is not considered in determining the rate of annuity paid to the beneficiary of the insurable interest election.

(h)(1) Except as provided in §831.612(d), if a retiree who is receiving a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity has also elected an insurable interest annuity to benefit a current spouse and if the eligible former spouse remarries before age 55, dies, or loses eligibility under the terms of the court order, and no other former spouse is entitled to a survivor annuity based on an election made in accordance with §831.632 or a qualifying court order, the retiree may elect, within 2 years after the former spouse's remarriage, death, or loss of eligibility under the terms of the court order, to convert the insurable interest annuity to a fully reduced annuity to provide a current spouse annuity, effective on the first day of the month following the event causing the former spouse to lose eligibility.

(2) An election under paragraph (h)(1) of this section cancels any consent not to receive a current spouse annuity required by paragraph (c) of this section for the current spouse to be eligible for an annuity under this section.

(3) When a former spouse receiving an annuity under section 8341(h) of title 5, United States Code, loses eligibility to that annuity, a beneficiary of an insurable interest annuity who was the current spouse at both the time of the retiree's retirement and death may, within 2 years after the former spouse's death, remarriage, or loss of eligibility under the terms of the court order, elect to receive a current spouse annuity instead of the annuity he or she had been receiving. The election is effective on the first day of the month following the event causing the former spouse to lose eligibility.

(i) Upon the death of the current spouse, a retiree whose annuity is reduced to provide both a current spouse annuity and an insurable interest benefit for a former spouse is not permitted to convert the insurable interest annuity to a reduced annuity to provide a former spouse annuity.

(j) An employee or Member may name only one natural person as the named beneficiary of an insurable interest annuity. OPM will not accept the designation of contingent beneficiaries and such a designation is void.

(k)(1) An election under this section is prospectively voided by an election of a reduced annuity to provide a current spouse annuity under §831.631 that would benefit the same person.

(2)(i) If the spouse is not the beneficiary of the election under this section, a retiree may prospectively void an election under this section at the time the retiree elects a reduced annuity to provide a current spouse annuity under §831.631.

(ii) A retiree's election to void an election under paragraph (k)(2)(i) of this section must be filed at the same time as the election under §831.631.

(3) An annuity reduction under this section terminates on the first day of the month after the beneficiary of the insurable interest annuity dies.

§831.614 Election of a self-only annuity or partially reduced annuity by married employees and Members.

(a) A married employee may not elect a self-only annuity or a partially reduced annuity to provide a current spouse annuity without the consent of the current spouse or a waiver of spousal consent by OPM in accordance with §831.618.

(b) Evidence of spousal consent or a request for waiver of spousal consent must be filed on a form prescribed by OPM.

(c) The form will require that a notary public or other official authorized to administer oaths certify that the current spouse presented identification, gave consent, signed or marked

the form, and acknowledged that the consent was given freely in the notary's or official's presence.

(d) The form described in paragraph (c) of this section may be executed before a notary public, an official authorized by the law of the jurisdiction where executed to administer oaths, or an OPM employee designated for that purpose by the Associate Director.

(2) (i) Affidavits by the employee or Member and two other persons, at least one of whom is not related to the employee or Member, attesting to the inability to locate the current spouse and stating the efforts made to locate the spouse; and

(ii) Documentary corroboration such as tax returns filed separately or newspaper stories about the spouse's disappearance.

(b) The spousal consent requirement will be waived based on exceptional circumstances if the employee or Member presents a judicial determination finding that—

(1) The case before the court involves a Federal employee who is in the process of retiring from Federal employment and the spouse of that employee;

(2) The nonemployee spouse has been given notice and an opportunity to be heard concerning this order;

(3) The court has considered sections 8339(j)(1) of title 5, United States Code, and this section as they relate to waiver of the spousal consent requirement for a married Federal employee to elect an annuity without a reduction to provide a survivor benefit to a spouse at retirement; and

(4) The court finds that exceptional circumstances exist justifying waiver of the nonemployee spouse's consent.

CHANGES OF SURVIVOR ELECTIONS

§ 831.621 Changes of election before final adjudication.

An employee or Member may name a new survivor or change his election of type of annuity if, not later than 30 days after the date of the first regular monthly payment, the named survivor dies or the employee or Member files with OPM a new written election. All required evidence of spousal consent or

justification for waiver of spousal consent, if applicable, must accompany any new written election under this section.

[50 FR 20070, May 13, 1985. Redesignated at 58 FR 52882, Oct. 13, 1993]

§ 831.622 Changes of election after final adjudication.

(a) Except as provided in section 8339 (j) or (k) of title 5, United States Code, or §§ 831.682, 831.684, 831.685, or paragraph (b) of this section, an employee or Member may not revoke or change the election or name another survivor later than 30 days after the date of the first regular monthly payment.

(b)(1) Except as provided in § 831.613 and paragraphs (b)(2) and (b)(3) of this section, a retiree who was married at the time of retirement and has elected a self-only annuity, or a partially reduced annuity to provide a current spouse annuity, or a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity, or an insurable interest annuity may elect, no later than 18 months after the time of retirement, an annuity reduction or an increased annuity reduction to provide a current spouse annuity.

(2) A current spouse annuity based on an election under paragraph (b)(1) of this section cannot be paid if it will, when combined with any former spouse annuity or annuities that are required by court order, exceed the maximum survivor annuity permitted under § 831.641.

(3) To make an election under paragraph (b)(1) of this section, the retiree must pay, in full, a deposit determined under § 831.662, plus interest, at the rate provided under § 831.105(g), no later than 18 months after the time of retirement.

(4) If a retiree makes an election under paragraph (b)(1) of this section and is prevented from paying the deposit within the 18-month time limit because OPM did not send him or her a notice of the amount of the deposit at least 30 days before the time limit expires, the time limit for making the deposit will be extended to 30 days after OPM sends the notice of the amount of the deposit.

(5) An election under paragraph (b)(1) of this section, cancels any spousal consent under § 831.611 to the extent of the election.

(6) An election under paragraph (b)(1) of this section is void unless it is filed with OPM before the retiree dies.

(7) If a retiree who had elected a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity or former spouse annuities makes an election under paragraph (b)(1) of this section which would cause the combined current spouse annuity and former spouse annuity (or annuities) to exceed the maximum allowed under § 831.641, the former spouse annuity (or annuities) must be reduced to not exceed the maximum allowable under § 831.641.

[51 FR 31932, Sept. 8, 1986, as amended at 58 FR 52881, Oct. 13, 1993. Redesignated at 58 FR 52882, Oct. 13, 1993]

POST-RETIREMENT ELECTIONS

§ 831.631 Post-retirement election of fully reduced annuity or partially reduced annuity to provide a current spouse annuity.

(a) Except as provided in paragraph (c) of this section, in cases of retirees who retired before May 7, 1985, and married after retirement but before February 27, 1986:

(1) A retiree who was unmarried at the time of retirement may elect, within 1 year after a post-retirement marriage, a fully reduced annuity or a partially reduced annuity to provide a current spouse annuity.

(2) A retiree who was married and elected a fully reduced annuity or a partially reduced annuity at the time of retirement may elect, within 1 year after a postretirement marriage, to provide a current spouse annuity. If a retiree elects a fully reduced annuity or a partially reduced annuity under this paragraph, the election must equal the election made at the time of retirement.

(3) The reduction under paragraphs (a)(1) or (a)(2) of this section commences on the first day of the month beginning 1 year after the date of the post-retirement marriage.

(b) Except as provided in paragraph (c) of this section, in cases involving retirees who retired on or after May 7,

1985, or married on or after February 27, 1986—

(1) A retiree who was unmarried at the time of retirement may elect, within 2 years after a post-retirement marriage, a fully reduced annuity or a partially reduced annuity to provide a current spouse annuity.

(2) A retiree who was married at the time of retirement may elect, within 2 years after a post-retirement marriage—

(i) A fully reduced annuity or a partially reduced annuity to provide a current spouse annuity if—

(A) The retiree was awarded a fully reduced annuity under § 831.611 at the time of retirement; or

(B) The election at the time of retirement was made with a waiver of spousal consent in accordance with § 831.618; or

(C) The marriage at the time of retirement was to a person other than the spouse who would receive a current spouse annuity based on the post-retirement election; or

(ii) A partially reduced annuity to provide a current spouse annuity no greater than the current spouse annuity elected for the current spouse at retirement if—

(A) The retiree elected a partially reduced annuity under § 831.614 at the time of retirement;

(B) The election at the time of retirement was made with spousal consent in accordance with § 831.614; and

(C) The marriage at the time of retirement was to the same person who would receive a current spouse annuity based on the post-retirement election.

(3)(i) Except as provided in paragraph (b)(3)(ii) or (b)(4) of this section, a retiree making an election under this section must deposit an amount equal to the difference between the amount of annuity actually paid to the retiree and the amount of annuity that would have been paid if the reduction elected under paragraphs (b)(1) or (b)(2) of this section had been in effect continuously since the time of retirement, plus 6 percent annual interest, computed under § 831.105, from the date when each difference occurred.

(ii) An election under this section may be made without deposit, if that election prospectively voids an election of an insurable interest annuity.

(4)(i) An election under this section is irrevocable when received by OPM.

(ii) An election under this section is effective when the marriage duration requirements of § 831.642 are satisfied.

(iii) If an election under paragraph (b)(1) or (b)(2) of this section does not become effective, no deposit under paragraph (b)(3) of this section is required.

(iv) If payment of the deposit under paragraph (b)(3) of this section is not required because the election never became effective and if some or all of the deposit has been paid, the amount paid will be returned to the retiree, or, if the retiree has died, to the person who would be entitled to any lump-sum benefits under the order of precedence in section 8342 of title 5, United States Code.

(5) Any reduction in an annuity to provide a current spouse annuity will terminate effective on the first day of the month after the marriage to the current spouse ends, unless—

(i) The retiree elects, within 2 years after a divorce terminates the marriage, to continue the reduction to provide for a former spouse annuity; or

(ii) A qualifying court order requires the retiree to provide a former spouse annuity.

(c)(1) Qualifying court orders prevent payment of current spouse annuities to the extent necessary to comply with the court order and § 831.641.

(2) If an election under this section causes the total of all current and former spouse annuities provided by a qualifying court order or elected under § 831.612, § 831.632, or this section to exceed the maximum survivor annuity permitted under § 831.641, OPM will accept the election but will pay the portion in excess of the maximum only when permitted by § 831.641(c).

(d) The amount of the reduction to provide a current spouse annuity under this section equals 2½ percent of the first $3600 of the designated survivor base plus 10 percent of the portion of

the designated survivor base which exceeds $3600.

[55 FR 9101, Mar. 12, 1990, as amended at 56 FR 16263, Apr. 22, 1991; 58 FR 52881, Oct. 13, 1993. Redesignated at 58 FR 52882, Oct. 13, 1993]

§ 831.632 Post-retirement election of fully reduced annuity or partially reduced annuity to provide a former spouse annuity.

(a)(1) Except as provided in paragraphs (b) and (c) of this section, when the marriage of a retiree who retired on or after May 7, 1985, terminates after retirement, he or she may elect in writing a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity. Such an election must be filed with OPM within 2 years after the retiree's marriage to the former spouse terminates.

(2) Except as provided in paragraphs (b) and (c) of this section, a retiree who retired before May 7, 1985, and whose marriage was terminated on or after May 7, 1985, may elect in writing a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity if the retiree while married to the former spouse had elected, prior to May 7, 1985, a reduced annuity to provide a current spouse annuity for that spouse. Such an election must be filed with OPM within 2 years after the retiree's marriage to the former spouse terminates.

(3) Except as provided in paragraphs (b) and (c) of this section, a retiree who retired on or after May 7, 1985, and before February 27, 1986, and whose marriage terminated before May 7, 1985, may elect in writing a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity. Such an election must be made no later than February 27, 1988.

(b)(1) Qualifying court orders prevent payment of former spouse annuities to the extent necessary to comply with the court order and § 831.641.

(2) A retiree who elects a fully or partially reduced annuity to provide a former spouse annuity may not elect to provide a former spouse annuity in an amount that either—

(i) Is smaller than the amount required by a qualifying court order; or

(ii) Would cause the sum of all current and former spouse annuities based on a retiree's elections under §§ 831.611, 831.612, 831.631 and this section to exceed 55 percent of the rate of the retiree's self-only annuity if the retiree's retirement was based on a separation from a position under CSRS on or after October 11, 1962, or 50 percent of the rate of the retiree's self-only annuity if the retiree's retirement was based on a separation from a position under CSRS before October 11, 1962.

(3) An election under this section is void—

(i) In the case of a married retiree, if the current spouse does not consent to the election on a form as described in § 831.614(c) and spousal consent is not waived by OPM in accordance with § 831.618; or

(ii) To the extent that it provides a former spouse annuity for the spouse who was married to the retiree at the time of retirement in an amount that is inconsistent with any joint designation or waiver made at the time of retirement under § 831.611 (a)(1) or (a)(2); or

(iii) In the case of an election under paragraph (a)(2) of this section, to the extent that it provides a former spouse annuity that exceeds the proportion of the retiree's annuity to which the former spouse would have been entitled as a current spouse annuity as of May 7, 1985.

(c) An election under this section is not permitted unless the retiree agrees to deposit the amount equal to the difference between the amount of annuity actually paid to the retiree and the amount of annuity that would have been paid if the reduction elected under paragraph (a) of this section had been in effect continuously since the time of retirement, plus 6 percent annual interest, computed under § 831.105, from the date when each difference occurred.

(d) Any reduction in an annuity to provide a former spouse annuity will terminate on the first day of the month after the former spouse remarries before age 55 or dies, or the former spouse's eligibility for a former spouse annuity terminates under the terms of a qualifying court order, unless—

(1) The retiree elects, within 2 years after the event causing the former spouse to lose eligibility, to continue the reduction to provide or increase a former spouse annuity for another former spouse, or to provide or increase a current spouse annuity; or

(2) A qualifying court order requires the retiree to provide another former spouse annuity.

(e)(1) The amount of the reduction to provide one or more former spouse annuities or a combination of a current spouse annuity and one or more former spouse annuities under this section equals 2½ percent of the first $3600 of the total designated survivor base plus 10 percent of the portion of the total designated survivor base which exceeds $3600, if—

(i) The employee's or Member's separation on which the retirement is based was on or after October 11, 1962; or

(ii) The reduction is to provide a former spouse annuity (under § 831.632) for a former spouse whom the employee or Member married after retirement.

(2) The amount of the reduction to provide one or more former spouse annuities or a combination of a current spouse annuity and one or more former spouse annuities under this section for employees or Members whose retirement is based on separations before October 11, 1962, equals 2½ percent of the first $2400 of the total designated survivor base plus 10 percent of the portion of the total designated survivor base which exceeds $2400.

ELIGIBILITY

§ 831.641 Division of a survivor annuity.

(a) Except as provided in §§ 831.682 and 831.683, the maximum combined total of all current and former spouse annuities (not including any benefits based on an election of an insurable interest annuity) payable based on the service of a former employee or Member equals 55 percent (or 50 percent if based on a separation before October 11, 1962) of the rate of the self-only annuity that otherwise would have been paid to the employee, Member, or retiree.

(b) By using the elections available under this subpart or to comply with a court order under subpart Q, a survivor annuity may be divided into a combination of former spouse annuities and a current spouse annuity so long as the aggregate total of current and former spouse annuities does not exceed the maximum limitation in paragraph (a) of this section.

(c) Upon termination of former spouse annuity payments because of death or remarriage of the former spouse, or by operation of a court order, the current spouse will be entitled to a current spouse annuity or an increased current spouse annuity if—

(1) The employee or Member died while employed in a position covered under CSRS; or

(2) The current spouse was married to the employee or Member continuously from the time of retirement and did not consent to an election not to provide a current spouse annuity; or

(3) The current spouse married a retiree after retirement and the retiree elected, under § 831.631, to provide a current spouse annuity for that spouse in the event that the former spouse annuity payments terminate.

[50 FR 20070, May 13, 1985, as amended at 51 FR 31933, Sept. 8, 1986; 58 FR 52881, Oct. 13, 1993. Redesignated at 58 FR 52282, Oct. 13, 1993]

§ 831.642 Marriage duration requirements.

(a) The surviving spouse of a retiree who retired on or after May 7, 1985, or of a retiree who retired before May 7, 1985, but married that surviving spouse on or after November 8, 1984, or of an employee or Member who dies while serving in a position covered by CSRS on or after May 7, 1985, or of an employee or Member who died while serving in a position covered by CSRS before May 7, 1985, but married that surviving spouse on or after November 8, 1984, can qualify for a current spouse annuity only if—

(1) The surviving spouse and the employee, Member, or retiree had been

married for at least 9 months, as explained in paragraph (b) of this section; or

(2) A child was born of the marriage, as explained in paragraph (c) of this section; or

(3) The death of the employee, Member, or retiree was accidental as explained in paragraph (d) of this section.

(b) For satisfying the 9-month marriage requirement of paragraph (a)(1) of this section, the aggregate time of all marriages between the spouse applying for a current spouse annuity and the employee, Member, or retiree is included.

(c) For satisfying the child-born-of-the-marriage requirement of paragraph (a)(2) of this section, any child, including a posthumous child, born to the spouse and the employee, Member, or retiree is included. This includes a child born out of wedlock or of a prior marriage between the same parties.

(d)(1) A death is accidental if it results from homicide or from bodily injuries incurred solely through violent, external, and accidental means. The term ''accidental'' does not include a death—

(i) Caused wholly or partially, directly or indirectly, by disease or bodily or mental infirmity, or by medical or surgical treatment or diagnosis thereof; or

(ii) Caused wholly or partially, directly, or indirectly, by ptomaine, by bacterial infection, except only septic infection of and through a visible wound sustained solely through violent, external, and accidental means; or

(iii) Caused wholly or partially, directly or indirectly, by hernia, no matter how or when sustained; or

(iv) Caused by or the result of intentional self-destruction or intentionally self-inflicted injury, while sane or insane; or

(v) Caused by or as a result of the self-administration or illegal or illegally obtained drugs.

(2) A State judicial or administrative adjudication of the cause of death for criminal or insurance purposes is conclusive evidence of whether a death is accidental.

(3) A death certificate showing the cause of death as accident or homicide is *prima facie* evidence that the death was accidental.

(b) A former spouse claiming eligibility for an annuity based on § 831.683 may file an application at any time between November 8, 1984 and May 7, 1989. Within this period, the date that the first correspondence indicating a desire to file a claim is received by OPM will be treated as the application date for meeting timeliness deadlines and determining the commencing date of the survivor annuity under § 831.683 if the former spouse is eligible on that date.

§ 831.644 Remarriage.

(a)(1) If a recipient of a current spouse annuity remarried before November 8, 1984, the current spouse annuity terminates on the last day of the month before the recipient remarried before attaining age 60.

(2) If a recipient of a current spouse annuity remarries on or after November 8, 1984, a current spouse annuity terminates on the last day of the month before the recipient remarries before attaining age 55.

(b) A former spouse annuity or eligibility for a future former spouse annuity terminates on the last day of the month before the month in which the former spouse remarries before attaining age 55.

(c) If a current spouse annuity is terminated because of remarriage of the recipient, the annuity is reinstated on the day of the termination of the remarriage by death, annulment, or divorce if—

(1) The surviving spouse elects to receive this annuity instead of a survivor

benefit to which he or she may be entitled, under CSRS or another retirement system for Government employees, by reason of the remarriage; and

(2) Any lump sum paid on termination of the annuity is repaid (in a single payment or by withholding payment of the annuity until the amount of the lump sum has accrued).

(d) (1) If present or future entitlement to a former spouse annuity is terminated because of remarriage before age 55, the entitlement will not be reinstated upon termination of the remarriage by death or divorce.

(2) If present or future entitlement to a former spouse annuity is terminated because of remarriage before age 55, the entitlement will not be reinstated upon annulment of the remarriage unless—

(i) The decree of annulment states that the marriage is without legal effect retroactively from the marriage's inception; and

(ii) The former spouse's entitlement is based on section 4(b)(1)(B) or section (4)(b)(4) of Pub. L. 98–615.

(3) If a retiree who is receiving a reduced annuity to provide a former spouse annuity and who has remarried that former spouse (before the former spouse attained age 55) dies, the retiree will be deemed to have elected to continue the reduction to provide a current spouse annuity unless the retiree requests (or has requested) in writing that OPM terminate the reduction.

(a) A current spouse annuity cannot be reinstated under § 831.644 unless—

(1) The surviving spouse elects to receive the reinstated current spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under CSRS, or any other retirement system for Government employees, by reason of the remarriage; and

(2) Any lump sum paid on termination of the annuity is returned to the Civil Service Retirement and Disability Fund.

(b) A current spouse is entitled to a current spouse annuity based on an election under § 831.631 only upon electing this current spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under CSRS, or any other retirement system for Government employees.

(c) A former spouse who marries a retiree is entitled to a former spouse annuity based on an election by that retiree under § 831.632, or § 831.682, or a qualifying court order terminating that marriage to that retiree only upon electing this former spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under CSRS, or any other retirement system for Government employees.

PAYMENT OF SURVIVOR ANNUITIES

§ 831.651 Commencing and terminating dates of survivor annuities.

(a) Except as provided in paragraph (b) of this section, current spouse annuities, former spouse annuities, children's survivor annuities, and survivor annuities for beneficiaries of insurable interest annuities under CSRS begin to accrue on the day after death of the employee, Member, or retiree.

(b)(1) A current spouse annuity begins to accrue—

(i) Upon attainment of age 50 when, under section 12 of the Civil Service Retirement Act Amendments of February 29, 1948, the annuity is deferred until age 50; or

(ii) Upon OPM's receipt of a claim for an annuity authorized for unremarried widows and widowers by section 2 of the Civil Service Retirement Act

Amendments of June 25, 1958, 72 Stat. 218.

(2) A former spouse annuity begins to accrue—

(i) For annuities under §831.683, on the later of the day after date of death of the retiree or the first day of the second month after the date the application for annuity is received in OPM; or

(ii) For annuities when a former spouse annuity is authorized by court order under section 8341(h) of title 5, United States Code, on the later of the day after the date of death of the employee, Member, or retiree or the first day of the second month after the court order awarding the former spouse annuity and the supporting documentation required by §838.721 or §838.1005 of this chapter are received in OPM.

(c) A survivor annuity terminates at the end of the month preceding death or any other terminating event.

(d) A current spouse annuity terminated for reasons other than death may be restored under conditions defined in sections 8341(e)(2) and 8341(g) of title 5, United States Code.

(e) A survivor annuity accrues on a daily basis, one-thirtieth of the monthly rate constituting the daily rate. An annuity does not accrue for the 31st day of any month, except in the initial month if the survivor's (of a deceased employee) annuity commences on the 31st day. For accrual purposes, the last day of a 28-day month constitutes 3 days and the last day of a 29-day month constitutes 2 days.

(f) Initial cost-of-living increases on current and former spouse annuities, and annuities to beneficiaries of insurable interest annuities are prorated under section 8340(c) of title 5, United States Code.

(a) *Applicability of this section.* This section applies to all retirees who are required to pay deposits under §831.631 or §831.632 and have not paid any portion of the deposit prior to October 1, 1993, or from annuity accruing before that date.

(b) *Other methods of payment not available.* Retirees described in paragraph (a) of this section must have a permanent annuity reduction computed under paragraph (d) of this section.

(c) *Commencing date of the reduction.* A reduction under this section commences on the same date as the annuity reduction under §831.631 or §831.632.

(d) *Computing the amount of the reduction.* The annuity reduction under this section is equal to the lesser of—

(1) The amount of the deposit under §831.631 or §831.632 divided by the present value factor for the retiree's

age on the commencing date of the reduction under paragraph (c) of this section (plus any previous reduction(s) in the retiree's annuity required under this section § 831.664); or

(2) Twenty-five percent of the rate of the retiree's self-only annuity on the commencing date of the reduction under paragraph (c) of this section.

(e) *Termination of the reduction.* (1) The reduction under this section terminates on the date that the retiree dies.

(2) If payment of a retiree's annuity is suspended or terminated and later reinstated, or if a new annuity becomes payable, OPM will increase the amount of the original reduction computed under paragraph (d) of this section by any cost-of-living adjustments under section 8340 of title 5, United States Code, occurring between the commencing date of the original reduction and the commencing date of the reinstated or new annuity (but the adjusted reduction may not exceed 25 percent of the rate of the reinstated or new self-only annuity).

§ 831.664 Post-retirement survivor election deposits that were partially paid before October 1, 1993.

(a) *Applicability of this section.* This section applies to all retirees who are required to pay deposits under § 831.631, § 831.632, § 831.682, or § 831.684 and have paid some portion (but not all) of the deposit prior to October 1, 1993, or from annuity accruing before that date.

(b) *Other methods of payment not available.* Retirees described in paragraph (a) of this section must have a permanent annuity reduction computed under paragraph (d) of this section.

(c) *Commencing date of the reduction.* A reduction under this section commences on October 1, 1993.

(d) *Computing the amount of the reduction.* The annuity reduction under this section is equal to the lesser of—

(1) The amount of the principal balance remaining to be paid on October 1, 1993, divided by the present value factor for the retiree's age on October 1, 1993; or

(2) Twenty-five percent of the rate of the retiree's self-only annuity on October 1, 1993.

(e) *Termination of the reduction.* (1) The reduction under this section terminates on the date that the retiree dies.

(2) If payment of a retiree's annuity is suspended or terminated and later reinstated, or if a new annuity becomes payable, OPM will increase the amount of the original reduction computed under paragraph (d) of this section by any cost-of-living adjustments under section 8340 of title 5, United States Code, occurring between the commencing date of the original reduction and the commencing date of the reinstated or new annuity (but the adjustment reduction may not exceed 25 percent of the rate of the reinstated or new self-only annuity).

§ 831.665 Payment of deposits under § 831.631, § 831.632, § 831.682, or § 831.684 under pre-October 1, 1993, law or when the retiree has died prior to October 1, 1993.

(a) If a retiree fails to make a deposit required under § 831.682 or § 831.684 within 60 days after the date of the notice required by § 831.682(e) or § 831.684(c), the deposit will be collected by offset from his or her annuity in installments equal to 25 percent of the retiree's net annuity (as defined in § 838.103 of this chapter).

(b) If a retiree fails to make a deposit required by § 831.631 or § 831.632 within 2 years after the date of the post-retirement marriage or divorce, the deposit will be collected by offset from his or her annuity in installments equal to 25 percent of the retiree's net annuity (as defined in § 838.103 of this chapter).

(c) If a retiree dies before a deposit required under §§ 831.631, 831.632, 831.682, or 831.684 is fully made, the deposit will be collected from the survivor annuity (for which the election required the deposit) before any payments of the survivor annuity are made.

CHILDREN'S ANNUITIES

§ 831.671 Proof of eligibility for a child's annuity.

(a) *Proof of paternity.* (1) A judicial determination of parentage conclusively establishes the paternity of a child.

(2) Except as provided in paragraph (a)(1) of this section, a child born to the wife of a married person is presumed to be the child of the wife's husband. This presumption may be rebutted only by clear and convincing evidence that the husband is not the father of the child.

(3) When paternity is not established under paragraph (a)(1) or (a)(2) of this section, paternity is determined by a preponderance of the credible evidence as defined in § 1201.56(c)(2) of this title.

(b) *Proof of adoption.* (1) An adopted child is—

(i) A child adopted by the employee or retiree before the death of the employee or retiree; or

(ii) A child who lived with the employee or retiree and for whom a petition for adoption was filed by the employee or retiree and who is adopted by the current spouse of the employee or retiree after the death of the employee or retiree.

(2) The only acceptable evidence to prove status as an adopted child under paragraph (b)(1)(i) of this section is a copy of the judicial decree of adoption.

(3) The only acceptable evidence to prove status as an adopted child under paragraph (b)(1)(ii) of this section is copies of—

(i) The petition for adoption filed by the employee or retiree (clearly showing the date filed); and

(ii) The judicial decree of adoption.

(c) *Dependency.* To be eligible for survivor annuity benefits, a child must have been dependent on the employee or retiree at the time of the employee's or retiree's death.

(d) *Proof of dependency.* (1) A child is presumed to have been dependent on the deceased employee or retiree if he or she is—

(i) A legitimate child; or

(ii) An adopted child; or

(iii) A stepchild or recognized natural child who lived with the employee or retiree in a regular parent-child relationship at the time of the employee's or retiree's death; or

(iv) A recognized natural child for whom a judicial determination of support was obtained; or

(v) A recognized natural child to whose support the employee or retiree made regular and substantial contributions.

(2) The following are examples of proofs of regular and substantial support. More than one of the following proofs may be required to show support of a child who did not live with the employee or retiree in a regular parent-child relationship and for whom a judicial determination of support was not obtained.

(i) Evidence of eligibility as a dependent child for benefits under other State or Federal programs;

(ii) Proof of inclusion of the child as a dependent on the decedent's income tax returns for the years immediately before the employee's or retiree's death;

(iii) Cancelled checks, money orders, or receipts for periodic payments received from the employee or retiree for or on behalf of the child;

(iv) Evidence of goods or services that shows regular contributions of considerable value;

(v) Proof of coverage of the child as a family member under the employee's or retiree's Federal Employees Health Benefits enrollment; and

(vi) Other proof of a similar nature that OPM may find to be sufficient to demonstrate support or parentage.

(3) Survivor benefits may be denied—

(i) If evidence shows that the deceased employee or retiree did not recognize the claimant as his or her own despite a willingness to support the child; or

(ii) If evidence casts doubt upon the parentage of the claimant, despite the deceased employee's or retiree's recognition and support of the child.

§ 831.672 Annuity for a child age 18 to 22 during full-time school attendance.

(a) *General requirements for an annuity.* (1) For a child age 18 to 22 to be eligible to receive an annuity as a full-time student, the child must also meet all other requirements applicable to qualify for an annuity by a child who has not attained age 18.

(2) In addition to the requirements of paragraph (a)(1) of this section, OPM must receive certification, in a form prescribed by OPM, that the child is regularly pursuing a full-time course of study in an accredited institution.

(b) *Full-time course of study.* (1) Generally, a full-time course of study is a noncorrespondence course which, if successfully completed, will lead to completion of the education within the period generally accepted as minimum for completion, by a full-time day student, of the academic or training program concerned.

(2) A certification by an accredited institution that the student's workload is sufficient to constitute a full-time course of study for the program in which the student is enrolled is prima facie evidence that the student is pursuing a full-time course of study.

(c) *Certification of school attendance.* (1) OPM may periodically request the recipient of a child's annuity payments to furnish certification of school attendance. The certification must be completed in the form prescribed by OPM.

(2) If OPM requests the recipient of a child's annuity payments to provide a self-certification of school attendance, the recipient must complete and sign the certification form.

(3) If OPM requests the recipient of a child's annuity payments to provide a certification by the school, the certification must be signed by an official who is either in charge of the school or in charge of the school's records. OPM will not accept certification forms signed by instructors, counselors, aides, roommates, or others not in charge of the school or the records.

(i) If the educational institution is above the high school level, the certification must be signed by the president or chancellor, vice president or vice chancellor, dean or assistant dean, registrar or administrator, assistant registrar or assistant administrator, or the equivalent.

(ii) If the educational institution is at the high school level, the certification must be signed by the superintendent of schools, assistant superintendent of schools, principal, vice principal, assistant principal, or the equivalent.

(iii) If the educational institution is a technical or trade school, the certification must be signed by the president, vice president, director, assistant director, or the equivalent.

(4) OPM will accept a facsimile signature of a school official only if it is accompanied by a raised seal of the institution or other evidence clearly demonstrating the authenticity of the certification and making unauthorized use of the signature stamp unlikely.

(d) *Continuation of annuity during interim breaks.* A child's annuity continues during interim breaks between school years if the following conditions are satisfied:

(1) The student must have been a full-time student at the end of the school term immediately before the break.

(2) The break between the end of the last term of full-time attendance and the return to full-time attendance must not exceed 5 months. (See § 831.107, concerning calculation of this time period.)

(3) The recipient of a child's annuity payments must show that the student has a bona fide intent to return to school as a full-time student immediately after the break. The full-time certification for the prior term and the certification (in a form prescribed by OPM) by the recipient of a child's annuity payments that the student intends to return to school (immediately after the break) as a full-time student constitute prima facie evidence of a bona fide intent to return to school.

(e) *Benefits after age 22.* (1) A student's eligibility for a child's annuity terminates based on reaching age 22 on—

(i) June 30 of the calendar year of the child's 22nd birthday if the child's birthday is before July 1; or

(ii) The last day of the month before the child's 22nd birthday if the child's

birthday occurs after June 30 but before September 1 of the calendar year; or

(iii) June 30 of the year after the one in which the child attains age 22 if the child's birthday is after August 31 of the calendar year.

(2)(i) An otherwise eligible child who becomes a full-time student after his or her 22nd birthday but before the date the annuity terminates under paragraph (e)(1) of this section is eligible for annuity while he or she is a full-time student until the termination date under paragraph (e)(1) of this section.

(ii) An otherwise eligible child who is a full-time student, and whose parent dies after the child's 22nd birthday but before the date the annuity terminates under paragraph (e)(1) of this section, is eligible for annuity while he or she is a full-time student after the death of the parent until the termination date under paragraph (e)(1) of this section.

§ 831.673 Rates of child annuities.

(a) (1) The rate of annuity payable to a child survivor whose annuity commenced before February 27, 1986, is computed in accordance with the law in effect on the date when the annuity began to accrue, unless the rate of annuity is recomputed under paragraph (e) of this section on or after February 27, 1986.

(2) The rate of annuity payable to a child survivor whose annuity commenced on or after February 27, 1986, or was recomputed under paragraph (e) of this section on or after February 27, 1986, is computed under paragraph (b), (c), or (d) of this section.

(b) Except as provided in paragraph (a) of this section, the rate of annuity of a child survivor is computed under section 8341(e)(2) (i) through (iii) of title 5, United States Code, with adjustments in accordance with section 8340 of title 5, United States Code, when the deceased employee, Member or annuitant was never married to a natural or adoptive parent of that surviving child of the former employee or Member.

(c) Except as provided in paragraphs (a) and (b) of this section, the rate of annuity payable to a child survivor is computed under section 8341(e)(2) (A) through (C) of title 5, United States Code, with adjustments in accordance with section 8340 of title 5, United States Code, whenever a deceased employee, Member, or retiree is survived by a natural or adoptive parent of that surviving child of the employee, Member, or retiree.

(d) Except as provided in paragraph (a) of this section, the rate of annuity payable to a child survivor is computed under section 8341(e)(2) (i) through (iii) of title 5, United States Code, with adjustments in accordance with section 8340 of title 5, United States Code, when the deceased employee, Member, or retiree is not survived by a natural or adoptive parent of that surviving child of the former employee or Member.

(e) On the death of a natural or adoptive parent or termination of the annuity of a child, the annuity of any other child or children is recomputed and paid as though the parent or child had not survived the former employee or Member.

Regulations Pertaining to Noncodified Statutes

§ 831.681 Annual notice required by Public Law 95-317.

At least once every 12 consecutive months, OPM will send a notice to all retirees to inform them about the survivor annuity elections available to them, under sections 8339(j), 8339(k)(2), and 8339(o) of title 5, United States Code.

[56 FR 16263, Apr. 22, 1991, as amended at 58 FR 43493, Aug. 17, 1993. Redesignated at 58 FR 52882, Oct. 13, 1993]

§ 831.682 Election by a retiree who retired before May 7, 1985, to provide a former spouse annuity.

(a) A retiree who retired before May 7, 1985, including a retiree receiving a fully reduced annuity to provide a current spouse annuity, may elect a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity.

(b) The election should be made by letter addressed to OPM. The election must—

(1) Be in writing; and

(2) Agree to pay any deposit due under paragraph (c) of this section; and

(3) Be signed by the retiree; and

(4) Be filed with OPM before September 8, 1987.

(c)(1)(i) If a retiree who is receiving an insurable interest annuity elects a fully reduced annuity or a partially reduced annuity under this section to benefit the same person, the insurable interest annuity terminates. A retiree who is receiving an insurable interest annuity at the time that an annuity is elected under this section does not owe any further deposit.

(ii) If a retiree who had been receiving an insurable interest annuity, which was terminated to elect a reduced annuity to provide a current spouse annuity for a spouse acquired after retirement, elects to provide a former spouse annuity for a former spouse who was the beneficiary of the insurable interest annuity, the retiree must deposit an amount equal to the sum of the monthly differences between the self-only annuity and a fully reduced annuity or partially reduced annuity (with the same base as elected to provide the former spouse annuity) from the date the insurable interest annuity terminated, plus 6 percent annual interest, computed under § 831.105, from the date to which each monthly difference is attributable.

(2) A retiree who elects a fully reduced annuity or a partialy reduced annuity under this section, to provide a former spouse annuity for a former spouse for whom the retiree had elected (during the marriage to that former spouse) a reduced annuity to provide a current spouse annuity, must deposit an amount equal to the sum of the monthly differences between the self-only annuity and the amount of annuity that would have been in effect had a fully reduced annuity or partially reduced annuity (with the same base as elected to provide the former spouse annuity) been in effect continuously since the time of retirement, plus 6 percent annual interest, computed under § 831.105, from the date to which each monthly difference is attributable, except that the retiree will not be charged for any period during which the survivor reduction was in effect for that former spouse.

(3) A retiree who elects a fully reduced annuity or a partially reduced annuity under this section, and is not covered under paragraph (c)(1) or (c)(2) of this section, must deposit an amount equal to the sum of the monthly difference between the self-only annuity and a fully reduced annuity or a partial!y reduced annuity (with the same base as elected to provide the former spouse annuity) since the time of retirement, plus 6 percent annual interest, computed under § 831.105, from the date to which each monthly difference is attributable.

(d) If a retiree who is receiving a fully reduced annuity or a partially reduced annuity to provide a current spouse annuity elects a fully reduced annuity or a partially reduced annuity under this section to provide a former spouse annuity, the annuity will be reduced separately to provide for the current and former spouse annuities. Each separate reduction will be computed based on the self-only annuity, and the separate reductions are cumulative.

(e)(1) In response to a retiree's inquiry about providing a former spouse annuity under this section, OPM will send an application form. The application form will include a notice to retirees that filing the application constitutes an official election which cannot be revoked after 30 days after the annuity check in which the annuity reduction first appears.

(2) If the retiree returns the application electing a fully reduced annuity or a partially reduced annuity under this section, OPM will notify the retiree of—

(i) The rate of the fully reduced annuity or partially reduced annuity; and

(ii) The rate of the potential former spouse annuity; and

(iii) The amount of the deposit, including interest, that is due as of the date that the annuity reduction is scheduled to begin; and

(iv) The amount and duration of installment payments if no deposit is made.

(3) The notice under paragraph (e)(2) of this section will advise the retiree

that the deposit will be collected in installments under § 831.665, unless lump-sum payment is made within 60 days from the date of the notice.

(4) OPM will reduce the annuity and begin collection of the deposit in installments effective with the first check payable more than 60 days after the date on the notice required under paragraph (e)(2) of this section.

(f)(1) A retiree who made an election under this section prior to September 9, 1986 may modify that election by designating a lesser portion of the retiree's annuity be used as the base for the annuity reduction and the former spouse annuity.

(2) Any modification under paragraph (f)(1) of this section must be in writing and received in OPM no later than the date provided for applications in paragraph (b)(4) of this section.

(g) The annuity reduction resulting in a fully reduced annuity or partially reduced annuity to provide a former spouse annuity under this section terminates on the first day of the month after the former spouse remarries before age 55 or dies.

(h) A former spouse is eligible to receive only one survivor annuity based on the service of one employee or Member.

(i) If a former spouse is entitled to a former spouse annuity based on an election under this section, but absent that election would have been entitled to a former spouse annuity under § 831.683 (i.e., filed a timely application as well as meeting all other requirements), the amount of the former spouse annuity payable will equal 55 percent of the annuity of the retiree on whose service the survivor annuity is based.

[50 FR 20070, May 13, 1985, as amended at 51 FR 31934, Sept. 8, 1986; 55 FR 9102, Mar. 12, 1990; 56 FR 16263, Apr. 22, 1991; 58 FR 52881, Oct. 13, 1993. Redesignated at 58 FR 52882, Oct. 13, 1993]

§ 831.683 Annuities for former spouses of employees or Members retired before May 7, 1985.

(a)(1) The former spouse of a retiree who retired before May 7, 1985 (or of an employee or Member who died before May 7, 1985, was employed in a position covered by CSRS at the time of death, and was eligible to retire at the time of death), is entitled, after the death of the retiree, employee, or Member, to a survivor annuity equal to 55 percent of the self-only annuity of the retiree on whose service the survivor annuity is based if the former spouse, at the time of application, meets all of the following requirements:

(i) The former spouse's marriage to the retiree, employee, or Member was dissolved after September 14, 1978, and before May 8, 1987. The date of dissolution of a marriage is the date when the marriage between the former spouse and the retiree, employee, or Member ended under the law of the jurisdiction that terminated the marriage, rather than the date when restrictions on remarriage ended. The date of entry of the decree terminating the marriage will be rebuttably presumed to be the date when the marriage was dissolved.

(ii) The former spouse was married to the retiree, employee, or Member for at least 10 years of the retiree's, employee's, or Member's creditable service. Creditability of service is determined in accordance with section 8332 of title 5, United States Code, and subpart C of this part.

(iii) The former spouse has not remarried before reaching age 55.

(iv) The former spouse applies to OPM for a survivor annuity, in accordance with paragraph (b) of this section and § 831.643(b), before May 8, 1989.

(v) The former spouse is at least 50 years old on May 7, 1987, and when filing the application.

(2) A former spouse who is not eligible for an annuity under paragraph (a)(1) of this section and who is the former spouse of a retiree who retired before May 7, 1985 (or of an employee or Member who died before May 7, 1985, was employed in a position covered by CSRS at the time of death, and was eligible to retire at the time of death), is entitled, after the death of the retiree, employee, or Member, to a survivor annuity equal to 55 percent of the self-only annuity of the retiree on whose service the survivor annuity is based if the former spouse, at the time of application, meets all of the following requirements:

(i) The former spouse was married to the retiree, employee, or Member for at

least 10 years of the retiree's, employee's, or Member's creditable service. Creditability of service is determined in accordance with section 8332 of title 5, United States Code, and subpart C of this part.

(ii) The former spouse has not remarried after September 14, 1978, before reaching age 55.

(iii) The former spouse applies to OPM for a survivor annuity, in accordance with paragraph (b) of this section and § 831.643(b), before May 8, 1989.

(iv) The former spouse is at least 50 years old on May 7, 1987, and when filing the application.

(v) No current spouse, other former spouse, or insurable interest designee is receiving or has been designated to receive a survivor annuity based on the service of the employee, Member, or retiree.

(3) If two or more eligible former spouses of a retiree, employee, or Member apply for annuities under paragraph (a)(2) of this section based on the service of the same retiree, employee, or Member, and neither meets the requirements of paragraph (a)(1) of this section, the former spouse whose application OPM receives first is entitled to the annuity.

(b)(1) Application must be filed on the form prescribed for that purpose by OPM. The application form will require the former spouse to certify under the penalty provided by section 1001 of title 18, United States Code, that he or she meets the requirements listed in paragraph (a) of this section.

(2) In addition to the application form required in paragraph (b)(1) of this section, the former spouse must submit proof of his or her age and the date when the marriage to the retiree commenced, and a certified copy of the divorce decree terminating the marriage to the retiree.

(3)(i) Former spouses applying for benefits under this section must meet the requirements of paragraph (a) of this section at the time of application.

(ii) An annuity under this section terminates on the last day of the month before the former spouse remarries before age 55 or dies, except that a remarriage before September 15, 1978, does not cause termination of a former spouse annuity under this section. A former spouse who is receiving a former spouse annuity under this section must notify OPM within 30 days after he or she remarries before age 55.

(c) Survivor annuities payable under this section commence on the later of the day after the date of death of the retiree or the first day of the second month after the application is filed under § 831.643(b).

(d) Cost-of-living adjustments under section 8340 of title 5, United States Code, are applicable to annuities payable under this section.

(e) If a former spouse is eligible for a former spouse annuity under this section and another current spouse annuity or former spouse annuity (under the Civil Service Retirement System or the Federal Employees Retirement System) resulting from the death of the same retiree, the annuity under this section will be paid instead of the other current spouse annuity or former spouse annuity.

§ 831.684 Second chance elections to provide survivor benefits.

(a) A married retiree who retired before May 7, 1985, and is not currently receiving a fully or partially reduced annuity to provide a current spouse annuity may elect a fully or partially reduced annuity to provide a current spouse annuity for a spouse acquired after retirement if the following conditions are met:

(1) (i) The retiree was married at the time of retirement and did not elect a survivor annuity at that time; or

(ii) The retiree failed to elect a fully or partially reduced annuity within 1 year after a post-retirement marriage that occurred before November 8, 1984, and the retiree attempted to elect a fully or partially reduced annuity after the time limit expired and that request was disallowed as untimely.

(2) The retiree applies for a fully or partially reduced annuity under this section before November 9, 1985.

(3) The retiree agrees to pay the amount due under paragraph (d) of this section.

(b) Applications must be filed on the form prescribed by OPM, except filing the form is excused when the retiree dies before filing the required form if:

(1) The retiree made a written request, after November 8, 1984, to elect a fully or partially reduced annuity under this section, and

(2) The retiree was denied the opportunity to file the required form because the retiree, without fault, did not receive the form in sufficient time for the retiree to be reasonably expected to complete the form before death.

(c)(1) In response to a retiree's inquiry about providing a current spouse annuity under this section, OPM will send an application form. This application will include instructions to assist the retiree in estimating the amount of reduction in the annuity to provide the current spouse annuity and the amount of the required deposit. The application form will include a notice to retirees that filing the application constitutes an official election which cannot be revoked after 30 days after the annuity check in which the annuity reduction first appears.

(2) If the retiree returns the application electing a fully or partially reduced annuity under this section, OPM will notify the retiree of—

(i) The rate of the fully reduced annuity; and

(ii) The rate of the potential current spouse annuity; and

(iii) The amount of the deposit, including interest, that is due as of the date that the annuity reduction is scheduled to begin; and

(iv) The amount and duration of installment payments if no deposit is made.

(3) The notice under paragraph (c)(2) of this section will advise the retiree that the deposit will be collected in installments under §831.665, unless lump-sum payment is made within 60 days from the date of this notice.

(4) OPM will reduce the annuity and begin collection of the deposit in installments effective with the first check payable more than 60 days after the date on the notice required under paragraph (c)(2) of this section.

(d) The retiree must state on the application form whether the application is made under paragraph (a)(1)(i) of this section or paragraph (a)(1)(ii) of this section. If the application is made under paragraph (a)(1)(ii) of this section, the retiree must prove that he or she had attempted to elect a fully reduced annuity and that OPM rejected that application because it was filed too late. The proof must consist of a copy of OPM's letter rejecting the previous election as untimely filed or an affidavit swearing or affirming that he or she made an untimely application which OPM rejected. The affidavit is sufficient documentation to provide proof of the retiree's attempt to elect a reduced annuity, unless the record contains convincing evidence to rebut the certification.

(e) A retiree who elects to provide a current spouse annuity under this section must agree to pay a deposit equal to the difference between the amount of annuity actually paid to the retiree and the amount of annuity that would have been paid if a fully reduced annuity were being paid continuously since the time of retirement, plus 6 percent annual interest, computed under §831.105, from the date when each difference occurred.

(f) The rate of a survivor annuity under this section will be computed under the laws in effect at the time of the retiree's separation from the Federal service.

§831.685 Changes in elections to provide a current spouse annuity by a retiree who retired before May 28, 1986.

(a) Except as provided in §831.613 and paragraphs (b) and (c) of this section, a retiree who retired before May 28, 1986, was married at the time of retirement, and at the time of retirement did not elect a fully reduced annuity to provide a current spouse annuity may elect a fully reduced annuity or a greater partially reduced annuity to provide a current spouse annuity.

(b)(1) An election under paragraph (a) of this section may be made only by a retiree who is married to the same spouse to whom the retiree was married at the time of retirement.

(2) A current spouse annuity based on an election under paragraph (a) of this section cannot be paid if it will, when combined with any former spouse annuity or annuities that are required by court order, exceed the maximum survivor annuity permitted under § 831.641.

(3)(i) Except as provided in paragraph (b)(4) of this section, to make an election under paragraph (a) of this section, the retiree must pay the deposit computed under § 831.662, in full, no later than November 28, 1987.

(ii) Except as provided in paragraph (b)(4) of this section, failure to pay the deposit, in full, before November 29, 1987, voids an election made under paragraph (a) of this section.

(4) If a retiree makes an election under paragraph (a) of this section and is prevented from paying the deposit within the 18-month time limit because OPM did not send him or her a notice of the amount of the deposit at least 30 days before the time limit expires, the time limit for making the deposit will be extended to 30 days after OPM sends the notice of the amount of the deposit.

(5) For a retiree whose annuity commenced on or after May 7, 1985, an election under paragraph (a) of this section cancels any spouse consent under § 831.611 to the extent of the election.

(c) If a retiree who had elected a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity makes an election under paragraph (a) of this section that would cause the combined current spouse annuity and former spouse annuity (or annuities) to exceed the maximum allowed under § 831.641, the former spouse annuity (or annuities) must be reduced to conform with that allowed under § 831.641.

(d) An election under paragraph (a) of this section is void unless it is filed with OPM before the retiree dies.

Subpart G—Computation of Annuities

§ 831.701 Effective dates of annuities.

(a) Except as provided in paragraphs (b) and (c) of this section, an annuity of an employee or Member commences on the first day of the month after—

(1) Separation from the service; or

(2) Pay ceases and the service and age requirements for title to annuity are met, if earlier than the date of separation.

(b) An annuity of—

(1) An employee involuntarily separated from service (except by removal for cause on charges of misconduct or delinquency) and eligible for an immediate annuity based on that involuntary separation;

(2) An employee or Member retiring due to a disability; and

(3) An employee or Member retiring after serving three days or less in the month of retirement—shall commence on the day after separation from the service or the day after pay ceases and the service and age or disability requirements for title to annuity are met.

(c) An annuity granted under section 8338, title 5, United States Code, commences on the appropriate birthday of the employee or Member.

(d) Survivor annuities commence as provided in § 831.651.

(e) Except as provided in § 831.502, annuity terminates on the date of death or on the date of any other terminating event in each case when OPM terminates the annuity.

(f) Annuity accrues on a daily basis, one-thirtieth of the monthly rate constituting the daily rate. Annuity does not accrue for the thirty-first day of any month, except in the initial month if the employee's annuity commences on the 31st of a 31-day month. For accrual purposes, the last day of a 28-day month constitutes 3 days and the last day of a 29-day month constitutes 2 days.

[48 FR 38786, Aug. 26, 1983, as amended at 51 FR 31936, Sept. 8, 1986; 58 FR 52881, Oct. 13, 1993]

§ 831.702 Adjustment of annuities.

(a)(1) An annuity which includes creditable National Guard technician service performed prior to January 1, 1969, shall be reduced by the portion of any benefits under any State retirement system to which an annuitant is entitled (or on proper application would be entitled) for any month in which the annuitant is eligible for State benefits based on the same pre-1969, service.

(2) Any cost-of-living increases in the State benefit shall require a corresponding deduction in the civil service annuity.

(3) Any cost-of-living increase to a civil service annuity shall apply to the gross annuity before deduction for benefits under any State retirement system.

(b) In the adjudication of claims arising under subchapter III of chapter 83 of title 5, United States Code, OPM shall take appropriate action to obtain the data that it considers necessary to assure the proper annuity deduction. Upon request by OPM, an annuitant shall promptly submit this data.

[48 FR 38786, Aug. 26, 1983]

§ 831.703 Computation of annuities for part-time service.

(a) *Purpose.* The computational method in this section shall be used to determine the annuity for an employee who has part-time service on or after April 7, 1986.

(b) *Definitions.* In this section—

Full-time service means any actual service in which the employee is schedule to work the number of hours and days required by the administrative workweek for his or her grade or class (normally 40 hours).

Intermittent service means any actual service performed with no prescheduled regular tour of duty.

Part-time service means any actual service performed on a less than full-time basis, by an individual whose appointment describes a regularly scheduled tour of duty, and any period of time credited as non pay status time under 5 U.S.C. 8332(f), which follows a period of part-time service without any intervening period of actual service other than part-time service. This definition is not limited to part-time career employment because it includes part-time temporary employment as well.

Post-April 6, 1986 average pay means the largest annual rate resulting from averaging, over any period of 3 consecutive years of creditable service, the annual rate of basic pay that would be payable for full-time service by an employee during that period, with each rate weighted by the time it was in effect, except that for periods of service before April 7, 1986, the actual rate of basic pay based on the employee's established tour of duty, if different, is used in the computation. The rates of pay included in the computation for intermittent service or temporary service performed on a full-time basis are the actual rates of basic pay during those periods of creditable service.

Pre-April 7, 1986, average pay means the largest annual rate resulting from averaging, over any period of 3 consecutive years of creditable service, an employee's actual rates of basic pay during that period, with each rate weighted by the time it was in effect.

Proration factor means a fraction expressed as a percentage rounded to the nearest percent. The numerator is the sum of the number of hours the employee actually worked during part-time service, and the denominator is the sum of the number of hours that a full-time employee would be schedule to work during the same period of service included in the numerator. If an employee has creditable service in addition to part-time service (full-time service, intermittent service, or temporary service performed on a full-time basis), such service must be included in the numerator and denominator of the fraction. In general, this is done by including the number of days of such intermittent service, multiplied by 8, and the number of weeks of such temporary service or full-time service, multiplied by 40 in both the numerator and the denominator. The additional credit for unused sick leave under 5 U.S.C. 8339(m) is not included in the fraction.

Temporary service means service under an appointment limited to one year or less, exclusive of intermittent service.

(c) *Pre-April 7, 1986, basic annuity.* The partial annuity for pre-April 7, 1986, service is computed in acordance with 5 U.S.C. 8339 using the pre-April 7, 1986, average pay and length of service (increased by the unused sick leave credit at time of retirement) prior to April 7, 1986.

(d) *Post-April 6, 1986, basic annuity.* The partial annuity for post-April 6, 1986, service is computed in accordance with 5 U.S.C. 8339 using the post-April 6, 1986, average pay and length of service after April 6, 1986. This amount is then multiplied by the proration factor.

(e) *Combined basic annuity.* The combined basic annuity is equal to the sum of the partial annuity amounts computed under paragraphs (c) and (d). This amount is the yearly rate of annuity (on which the monthly rate is based) before reductions for retirement before age 55; pre-October 1, 1982, nondeduction service and survivor benefits; or the reduction for an alternative annuity under section 204 of Pub. L 99–335.

(f) *Limitations.* The use of the post-April 6, 1986, average pay is limited to the purposes stated in this section. It may not be used as the basis for computing:

(1) The 80-percent limit on annuity under 5 U.S.C. 8339(f);

(2) The minimum annuity amount under 5 U.S.C. 8339(e) (concerning air traffic controller annuity) or 5 U.S.C. 8339(g) (concerning disability annuity); or

(3) A supplemental annuity under 5 U.S.C. 8344(a).

[52 FR 22434, June 12, 1987]

§ 831.704 Annuities including credit for service with a nonappropriated fund instrumentality.

An annuity that includes credit for service with a nonappropriated fund instrumentality performed after December 31, 1965, based on an election under subpart D of part 847 of this chapter is computed under part 847 of this chapter.

Subpart H—[Reserved]

Subpart I—Law Enforcement Officers and Firefighters

SOURCE: 58 FR 64367, Dec. 7, 1993, unless otherwise noted.

§ 831.901 Applicability and purpose.

(a) This subpart contains regulations of the Office of Personnel Management (OPM) to supplement 5 U.S.C. 8336(c), which establishes special retirement eligibility for law enforcement officers and firefighters employed under the Civil Service Retirement System; 5 U.S.C. 8331(3) (C) and (D), pertaining to basic pay; 5 U.S.C. 8334(a) (1) and (c), pertaining to deductions, contributions, and deposits; 5 U.S.C. 8335(b), pertaining to mandatory retirement; and 5 U.S.C. 8339(d), pertaining to computation of annuity.

(b) The regulations in this subpart are issued pursuant to the authority given to OPM in 5 U.S.C. 8347 to prescribe regulations to carry out subchapter III of chapter 83 of title 5 of the United States Code, and in 5 U.S.C. 1104 to delegate authority for personnel management to the heads of agencies.

§ 831.902 Definitions.

In this subpart—

Agency head means, for the executive branch agencies, the head of an executive agency as defined in 5 U.S.C. 105; for the legislative branch, the Secretary of the Senate, the Clerk of the House of Representatives, or the head of any other legislative branch agency; for the judicial branch the Director of the Administrative Office of the U.S. Courts; for the Postal Service, the Postmaster General; and for any other independent establishment that is an entity of the Federal Government, the head of the establishment. For purposes of this subpart, *agency head* is also deemed to include the designated representative of the head of an executive department as defined in 5 U.S.C. 101, except that the designated representative must be a department headquarters-level official who reports directly to the executive department head, or to the deputy department

head, and who is the sole such representative for the entire department.

Detention duties means duties that require frequent direct contact in the detention, direction, supervision, inspection, training, employment, care, transportation, or rehabilitation of individuals suspected or convicted of offenses against the criminal laws of the United States or the District of Columbia or offenses against the punitive articles of the Uniform Code of Military Justice (10 U.S.C. chapter 47). (See 5 U.S.C. 8331(20).)

Firefighter means an employee, whose duties are *primarily* to perform work directly connected with the control and extinguishment of fires or the maintenance and use of firefighting apparatus and equipment. Also included in this definition is an employee engaged in this activity who is transferred to a supervisory or administrative position. (See 5 U.S.C. 8331(21).) An employee whose primary duties are the performance of routine fire prevention inspection is excluded from this definition.

Frequent direct contact means personal, immediate, and regularly-assigned contact with detainees while performing detention duties, which is repeated and continual over a typical work cycle.

Law enforcement officer means an employee, the duties of whose position are *primarily* the investigation, apprehension, or detention of individuals suspected or convicted of offenses against the criminal laws of the United States, including an employee engaged in this activity who is transferred to a supervisory or administrative position. (See 5 U.S.C. 8331(20).) The definition does not include an employee whose primary duties involve maintaining law and order, protecting life and property, guarding against or inspecting for violations of law, or investigating persons other than persons who are suspected or convicted of offenses against the criminal laws of the United States.

Primary duties are those duties of a position that—

(1) (i) Are paramount in influence or weight; that is, constitute the basic reasons for the existence of the position;

(ii) Occupy a substantial portion of the individual's working time over a typical work cycle; and

(iii) Are assigned on a regular and recurring basis.

(2) Duties that are of an emergency, incidental, or temporary nature cannot be considered ''primary'' even if they meet the substantial portion of time criterion. In general, if an employee spends an average of at least 50 percent of his or her time performing a duty or group of duties, they are his or her primary duties.

Primary position means a position whose primary duties are:

(1) To perform work directly connected with controlling and extinguishing fires or maintaining and using firefighter apparatus and equipment; or

(2) Investigation, apprehension, or detention of individuals suspected or convicted of offenses against the criminal laws of the United States.

Secondary position means a position that:

(1) Is clearly in the law enforcement or firefighting field;

(2) Is in an organization having a law enforcement or firefighting mission; and

(3) Is either—

(i) Supervisory; i.e., a position whose primary duties are as a first-level supervisor of law enforcement officers or firefighters in primary positions; or

(ii) Administrative; i.e., an executive, managerial, technical, semiprofessional, or professional position for which experience in a primary law enforcement or firefighting position, or equivalent experience outside the Federal government, is a prerequisite.

[58 FR 64367, Dec. 7, 1993, as amended at 60 FR 3339, Jan. 17, 1995]

§ 831.903 Conditions for coverage in primary positions.

(a) An employee's service in a position that has been determined by the employing agency head to be a primary law enforcement officer or firefighter position is covered under the provisions of 5 U.S.C. 8336(c).

(b) An employee who is not in a primary position, nor covered while in a secondary position, and who is detailed or temporarily promoted to a primary

position is not covered under the provisions of 5 U.S.C. 8336(C)

§ 831.904 Conditions for coverage in secondary positions.

(a) An employee's service in a position that has been determined by the employing agency head to be a secondary law enforcement officer or firefighter position is covered under the provisions of 5 U.S.C. 8336(c) if all of the following criteria are met:

(1) The employee is transferred directly (i.e., without a break in service exceeding 3 days) from a primary position to a secondary position; and

(2) If applicable, the employee has been continuously employed in secondary positions since transferring from a primary position without a break in service exceeding 3 days, except that a break in employment in secondary positions which begins with an involuntary separation (not for cause), within the meaning of 8336(d)(1) of title 5, United States Code, is not considered in determining whether the service in secondary positions is continuous for this purpose.

(b) This requirement for continuous employment in a secondary position applies only to voluntary breaks in service beginning after January 19, 1988.

(c) An employee who is not in a primary position, nor covered while in a secondary position, and who is detailed or temporarily promoted to a secondary position is not covered under the provisions of 5 U.S.C. 8336(c).

(d) The service of an employee who is in a position on January 19, 1988, that has been approved as a secondary position under this subpart will continue to be covered under the provisions of 5 U.S.C. 8336(c) as long as the employee remains in that position without a voluntary break in service, and coverage is not revoked by OPM under § 831.911, or by the agency head.

§ 831.905 Evidence.

(a) An agency head's determination that a position is a primary position must be based solely on the official position description of the position in question, and any other official description of duties and qualifications. The official documentation for the position must establish that it satisfies the requirements defined in § 831.902.

(b) A determination under § 831.904 must be based on the official position description and any other evidence deemed appropriate by the agency head for making the determination.

§ 831.906 Requests from individuals.

(a) An employee who requests credit for service under 5 U.S.C. 8336(c) bears the burden of proof with respect to that service, and must provide the employing agency with all pertinent information regarding duties performed, including—

(1) For law enforcement officers, a list of the provisions of Federal criminal law the incumbent is responsible for enforcing and arrests made; and

(2) For firefighters, number of fires fought, names of fires fought, dates of fires, and position occupied while on firefighting duty.

(b) An employee who is currently serving in a position that has not been approved as a primary or secondary position, but who believes that his or her service is creditable as service in a primary or secondary position may request the agency head to determine whether or not the employee's service should be credited and, if it qualifies, whether it should be a primary or secondary position.

(c) A current or former employee (or the survivor of a former employee) who believes that a period of past service in an unapproved position qualifies as service in a primary or secondary position and meets the conditions for credit must follow the procedure in paragraph (b) of this section. Except as provided in paragraph (d) of this section, the request must be made to the agency where the claimed service was performed.

(d) For a current or former employee seeking credit under 5 U.S.C. 8336(c) for service performed at an agency that is no longer in existence, and for which there is no successor agency, OPM will accept, directly from the current or former employee (or the survivor of a former employee), a request for a determination as to whether a period of past service qualifies as service in a primary or secondary position and meets the conditions for credit.

(e) Coverage in a position or credit for past service will not be granted for a period greater than 1 year prior to the date that the request from an individual is received under paragraphs (b), (c), or (d) of this section by the employing agency, the agency where past service was performed, or OPM.

(f) An agency head, in the case of a request filed under paragraph (b) or (c) of this section, or OPM, in the case of request filed under paragraph (d) of this section, may extend the time limit for filing when, in the judgment of such agency head or OPM, the individual shows that he or she was prevented by circumstances beyond his or her control from making the request within the time limit.

§ 831.907 Withholdings and contributions.

(a) During the service covered under the conditions established by § 831.903 and § 831.904, the employing agency will deduct and withhold from the employee's base pay the amount required under 5 U.S.C. 8334(a) for such positions and submit that amount, together with agency contributions required by 5 U.S.C. 8334(a), to OPM in accordance with payroll office instructions issued by OPM.

(b) If the correct withholdings and/or Government contributions are not submitted to OPM for any reason whatsoever, including cases in which it is finally determined that past service of a current or former employee was subject to the higher deduction and Government contribution rates, the employing agency must correct the error by submitting the correct amounts (including both employee and agency shares) to OPM as soon as possible. Even if the agency waives collection of the overpayment of pay under any waiver authority that may be available for this purpose, such as 5 U.S.C. 5584, or otherwise fails to collect the debt, the correct amount must still be submitted to OPM without delay as soon as possible.

(c) Upon proper application from an employee, former employee or eligible survivor of a former employee, an employing agency or former employing agency will pay a refund of erroneous additional withholdings for service that is found not to have been covered service. If an individual has paid to OPM a deposit or redeposit, including the additional amount required for covered service, and the deposit or redeposit is later determined to be erroneous because the service was not covered service, OPM will pay the refund, upon proper application, to the individual, without interest.

(d) The additional employee withholding and agency contribution for covered or creditable service properly made as required under 5 U.S.C. 8334(a)(1) or deposited under 5 U.S.C. 8334(c) are not separately refundable, even in the event that the employee or his or her survivor does not qualify for a special annuity computation under 5 U.S.C. 8339(d).

(e) While an employee who does not hold a primary or secondary position is detailed or temporarily promoted to a primary or secondary position, the additional withholdings and agency contributions will not be made. While an employee who does hold a primary or secondary position is detailed or temporarily promoted to a position which is not a primary or secondary position, the additional withholdings and agency contributions will continue to be made.

[58 FR 64367, Dec. 7, 1993, as amended at 60 FR 3339, Jan. 17, 1995]

§ 831.908 Mandatory separation.

(a) The mandatory separation provisions of 5 U.S.C. 8335(b) apply to all law enforcement officers and firefighters in primary and secondary positions. A mandatory separation under section 8335(b) is not an adverse action under part 752 of this chapter or a removal action under part 359 of this chapter. Section 831.503 provides the procedures for requesting an exemption from mandatory separation.

(b) In the event an employee is separated mandatorily under 5 U.S.C. 8335(b), or is separated for optional retirement under 5 U.S.C. 8336(c), and OPM finds that all or part of the minimum service required for entitlement to immediate annuity was in a position which did not meet the requirements of a primary or secondary position and the conditions set forth in this subpart, such separation will be considered erroneous.

§831.909 Reemployment.

An employee who has been mandatorily separated under 5 U.S.C. 8335(b) is not barred from reemployment in any position except a primary position after age 60. Service by a reemployed annuitant is not covered by the provisions of 5 U.S.C. 8336(c).

§831.910 Review of decisions.

The following decisions may be appealed to the Merit Systems Protection Board under procedures prescribed by the Board:

(a) The final decision of an agency or OPM issued to an employee, former employee, or survivor as the result of a request for determination filed under §831.906; and

(b) The final decision of an agency that a break in service referred to in §831.904(a)(2) did not begin with an involuntary separation within the meaning of 5 U.S.C. §8336(d)(1).

[60 FR 3339, Jan. 17, 1995]

§831.911 Oversight of coverage determinations.

(a) Upon deciding that a position is a law enforcement officer or firefighter position, each agency head must notify OPM (Attention: Associate Director for Retirement and Insurance) stating the title of each position, the number of incumbents, and whether the position is primary or secondary. The Director of OPM retains the authority to revoke an agency head's determination that a position is a primary or secondary position, or that an individual's service in any other position is creditable under 5 U.S.C. 8336(c).

(b) Each agency must establish a file containing each coverage determination made by an agency head under §831.903 and §831.904, and all background material used in making the determination.

(c) Upon request by OPM, the agency will make available the entire coverage determination file for OPM to audit to ensure compliance with the provisions of this subpart.

(d) Upon request by OPM, an agency must submit to OPM a list of all covered positions and any other pertinent information requested.

(e) A coverage determination issued by OPM or its predecessor, the Civil Service Commission, will not be reopened by an employing agency, unless the agency head determines that new and material evidence is available that, despite due diligence, was not available before the decision was issued.

Subpart J—CSRS Offset

SOURCE: 57 FR 38743, Aug. 27, 1992, unless otherwise noted.

§831.1001 Purpose.

This subpart sets forth the provisions concerning employees and Members who are simultaneously covered by the Old Age, Survivors, and Disability Insurance (OASDI) tax and the Civil Service Retirement System (CSRS). Except as provided under this subpart, these employees and Members are treated the same as other covered employees and Members under the CSRS.

§831.1002 Definitions.

Contribution and benefit base means the contribution and benefit base in effect with respect to the tax year involved, as determined under section 230 of the Social Security Act (42 U.S.C. 430).

CSRS means the Civil Service Retirement System established under subchapter III of chapter 83 of title 5, United States Code.

Employee means an employee subject to CSRS.

Federal service means service covered under CSRS and subject to the OASDI tax by operation of section 101 of Public Law 98–21 (42 U.S.C. 410(a)). *Federal service* does not include—

(1) Service performed before January 1, 1984;

(2) Service subject to the OASDI tax only (that is, no simultaneous CSRS deductions), except in the case of an employee or Member who elected not to have any CSRS deductions withheld from salary pursuant to section 208(a)(1)(A) of Public Law 98–168, 97 Stat. 1111, or section 2206(b) of Public Law 98–369, 98 Stat. 1059, (relating to certain senior officials; and

(3) Service subject to the full rate of CSRS deductions (7, 7½, or 8 percent) and the OASDI tax, pursuant to an election under section 208(a)(1)(B) of Public Law 98–168, 97 Stat. 1111, except in the case of an employee or Member who elects to become subject to this subpart under section 301(b) of Public Law 99–335, 100 Stat. 599.

Federal wages means basic pay, as defined under 5 U.S.C. 8331(4), of an employee or Member performing Federal service.

Member means a Member of Congress as defined by 5 U.S.C. 8331(2).

OASDI tax means, with respect to Federal wages, the Old Age, Survivors, and Disability Insurance tax imposed under section 3101(a) of the Internal Revenue Code of 1986 (31 U.S.C. 3101(a)).

§ 831.1003 Deductions from pay.

(a) Except as otherwise provided in this section, the employing agency, the Secretary of the Senate, or the Clerk of the House of Representatives must withhold 7 percent of an employee's Federal wages to cover both the OASDI tax and the CSRS deduction. The difference between the OASDI tax and the full amount withheld under this paragraph is the CSRS deduction.

(b) For a Congressional employee as defined by 5 U.S.C. 2107 and a law enforcement officer or firefighter as defined by 5 U.S.C. 8331, the appropriate percentage under paragraph (a) of this section is 7½ percent.

(c) For a Member, a judge of the United States Court of Military Appeals, a United States magistrate, and a bankruptcy judge as defined by 5 U.S.C. 8331(22), the appropriate percentage under paragraph (a) of this section is 8 percent.

(d) For any amount of Federal wages paid after reaching the contribution and benefit base calculated including all wages, but before reaching the contribution and benefit base calculated using only Federal wages, the amount withheld under this section is the difference between 7, 7½, or 8 percent, as appropriate, and the OASDI tax rate, even though the Federal wages in question are not subject to the OASDI tax.

(e) For any amount of Federal wages paid after reaching the contribution and benefit base calculated on the basis of Federal wages only, the full percentage required under paragraph (a), (b), or (c) of this section (7, 7½, or 8 percent) must be withheld from Federal wages.

§ 831.1004 Agency contributions.

The employing agency, the Secretary of the Senate, and the Clerk of the House of Representatives must submit to OPM, in accordance with instructions issued by OPM, a contribution to the CSRS equal to the amount required to be contributed for the employee or Member under 5 U.S.C. 8334(a)(1) as if the employee or Member were not subject to the OASDI tax.

§ 831.1005 Offset from nondisability annuity.

(a) OPM will reduce the annuity of an individual who has performed Federal service, if the individual is entitled, or on proper application would be entitled, to old-age benefits under title II of the Social Security Act.

(b) The reduction required under paragraph (a) of this section is effective on the 1st day of the month during which the employee—

(1) Is entitled to an annuity under CSRS; and

(2) Is entitled, or on proper application would be entitled, to old-age benefits under title II of the Social Security Act.

(c) Subject to paragraphs (d) and (e) of this section, the amount of the reduction required under paragraph (a) of this section is the lesser of—

(1) The difference between—

(i) The Social Security old-age benefit for the month referred to in paragraph (b) of this section; and

(ii) The old-age benefit that would be payable to the individual for the month referred to in paragraph (b) of this section, excluding all wages from Federal service, and assuming the annuitant was fully insured (as defined by section 215(a) of the Social Security Act (42 U.S.C. 414(a)); or

(2) The product of—

(i) The old-age benefit to which the individual is entitled or would, on proper application, be entitled; and

(ii) A fraction—

(A) The numerator of which is the annuitant's total Federal service,

rounded to the nearest whole number of years not exceeding 40 years; and

(B) The denominator of which is 40.

(d) Cost-of-living adjustments under 5 U.S.C. 8340 occurring after the effective date of the reduction required under paragraph (a) of this section will be based on only the annuity remaining after reduction under this subpart.

(e) The amounts for paragraphs (c)(1)(i), (c)(1)(ii), and (c)(2)(i) of this section are computed without regard to subsections (b) through (l) of section 203 of the Social Security Act (42 U.S.C. 403) (relating to reductions in Social Security benefits), and without applying the provisions of the second sentence of section 215(a)(7)(B)(i) or section 214(d)(5)(ii) of the Social Security Act (42 U.S.C. 415(a)(7)(B)(i) or 415(d)(5)(ii) (relating to part of the computation of the Social Security windfall elimination provisions).

(f) OPM will accept the determination of the Social Security Administration, submitted in a form prescribed by OPM, concerning entitlement to Social Security benefits and the date thereof.

§831.1006 Offset from disability or survivor annuity.

(a) OPM will reduce the disability annuity (an annuity under 5 U.S.C. 8337) of an individual who performed Federal service, if the individual is (or would on proper application be) entitled to disability payments under section 223 of the Social Security Act (42 U.S.C. 423).

(b)(1) Before an application for disability retirement under 5 U.S.C. 8337 can be finally approved in the case of an employee who has Federal service, the applicant must provide OPM with—

(i) Satisfactory evidence that the applicant has filed an application for disability insurance benefits under section 223 of the Social Security Act; or

(ii) An official statement from the Social Security Administration that the individual is not insured for disability insurance benefits as defined in section 223(c)(1) of the Social Security Act.

(2) A disability retirement application under 5 U.S.C. 8337 will be dismissed when OPM is notified by the Social Security Administration that the application referred to in paragraph (b)(1)(i) of this section has been withdrawn unless the evidence described in paragraph (b)(1)(ii) of this section has been provided.

(c) OPM will reduce a survivor annuity (an annuity under 5 U.S.C. 8341) based on the service of an individual who performed Federal service, if the survivor annuitant is entitled, or on proper application would be entitled, to survivor benefits under section 202 (d), (e), or (f) (relating to children's, widow's, and widowers' benefits, respectively) of the Social Security Act (42 U.S.C. 202 (d), (e), or (f)).

(d) The reduction required under paragraphs (a) and (c) of this section begins (or is reinstated) on the 1st day of the month during which the disability or survivor annuitant—

(1) Is entitled to disability or survivor annuity under CSRS; and

(2) Is entitled, or on proper application would be entitled, to disability or survivor benefits under the Social Security Act provisions mentioned in paragraphs (a) and (c) of this section, respectively.

(e) The reduction under paragraphs (a) and (c) of this section will be computed and adjusted in a manner consistent with the provisions of §831.1005(c) through (e).

(f) A reduction under paragraph (a) or (c) of this section stops on the date entitlement to the disability or survivor benefits under title II of the Social Security Act terminates. In the case of a disability or survivor annuitant who has not made proper application for the Social Security benefit, the reduction under paragraph (a) or (c) of this section stops on the date entitlement to such disability or survivor benefits would otherwise terminate. If a Social Security benefit is reduced under any provision of the Social Security Act, even if reduced to zero, entitlement to that benefit is not considered to have terminated.

(g) OPM will accept the determination or certification of the Social Security Administration, submitted in a form prescribed by OPM, concerning entitlement to Social Security disability or survivor benefits and the beginning and ending dates thereof.

(h) If a disability annuitant who is not entitled to disability benefits

under title II of the Social Security Act subsequently becomes entitled to old-age benefits under the Social Security Act, a reduction under §831.1005 will begin on the 1st day of the month during which the annuitant becomes entitled, or on proper application would be entitled, to Social Security old-age insurance benefits.

Subpart K—Prohibition on Payments of Annuities

§831.1101 Scope.

This subpart prescribes the procedures to be followed in determining whether payment of an annuity under subchapter III of chapter 83 of title 5, United States Code, is prohibited by subchapter II of that chapter.

§831.1102 Definitions.

As used in this subpart, ''annuitant'' means an individual who, on the basis of his service, or as a survivor annuitant, has met all the requirements of subchapter III of chapter 83 of title 5, United States Code, for title to an annuity and has filed claim therefor.

§831.1104 Notice.

When the Associate Director determines that subchapter II of chapter 83 of title 5, United States Code, appears to prohibit payment of annuity, he shall notify the annuitant in writing of his intention to withhold payment of the annuity. The notice shall set forth the reasons for this determination. The notice may be served by registered or certified mail and shall inform the annuitant that he is entitled to submit an answer and request a hearing.

[34 FR 17618, Oct. 31, 1969]

§831.1105 Answer; request for hearing.

(a) The annuitant has 30 calendar days from the day he receives the notice within which to submit an answer and to request a hearing. The Associate Director may extend this time limit for good cause shown. If the annuitant answers, he shall specifically admit, deny, or explain each fact alleged in the notice, unless he states that he is without knowledge. If a hearing is desired, the annuitant must file a specific request therefor with or as a part of his answer.

(b) An annuitant who fails to answer or to request a hearing within the time permitted under paragraph (a) of this section is considered to have waived his right to answer or to a hearing. If an annuitant neither answers nor requests a hearing within the time permitted, or answers but fails to request a hearing, the Associate Director shall decide the case on the basis of the administrative record, including the notice and any documents, affidavits, or other relevant evidence. The decision of the Associate Director shall (1) be served on the annuitant or his counsel by certified or registered mail; (2) include a statement of findings and conclusions with the reasons therefor; and (3) become the final decision of OPM unless the case is appealed or reviewed pursuant to §831.1111.

[34 FR 17618, Oct. 31, 1969]

§831.1106 Hearing.

(a) OPM's hearing examiner shall preside at any hearing held pursuant to this subpart, unless OPM designates another presiding officer. The presiding officer shall fix the time and place of the hearing after giving due consideration to the convenience of the annuitant. The hearing is open to the public unless otherwise ordered by OPM or the presiding officer.

(b) The hearing shall be recorded by an official reporter designated by OPM. OPM shall furnish to the annuitant, without charge, a copy of the transcript of the hearing.

§831.1107 Powers of presiding officers.

The presiding officer may:

(a) Administer oaths and affirmations;

(b) Rule upon offers of proof and receive relevant evidence;

(c) Fix the time and place of hearing;

(d) Regulate the course of the hearing;

(e) Exclude any person from the hearing for contumacious conduct or misbehavior that obstructs the hearing;

(f) Hold conferences for simplification of the issues, or for any other purpose;

(g) Dispose of procedural requests or similar matters;

(h) Authorize the filing of briefs and set the time for filing;

(i) Make initial decisions; and

(j) Take any other action in the course of the proceeding consistent with the purposes of this subpart.

§831.1108 Witnesses.

(a) Witnesses shall testify under oath or affirmation and shall be subject to cross-examination.

(b) Each party is responsible for securing the attendance of his witnesses. OPM has no power of subpena in these cases.

§831.1109 Evidence.

(a) Rules of evidence are not strictly applied, but the presiding officer shall exclude irrelevant or unduly repetitious evidence.

(b) Each exhibit of a documentary character shall be submitted to the presiding officer, duly marked, and made a part of the record. An exhibit does not become evidence unless received in evidence by the presiding officer.

§831.1110 Initial decision.

(a) Upon completion of a hearing pursuant to §831.1106, the presiding officer shall make and file an initial decision, a copy of which shall be served on each party or counsel by certified or registered mail.

(b) The initial decision shall include a statement of findings and conclusions, with the reasons therefor, and shall be based upon a consideration of the entire record.

(c) The initial decision shall become the final decision of OPM unless the case is appealed or reviewed pursuant to §831.1111.

§831.1111 Appeal and review.

(a) An appeal from an initial decision, or a decision of the Associate Director under §831.1105(b), may be made to OPM, with service on the other party, within 30 calendar days from the date of the decision. An appeal shall be in writing and shall state plainly and concisely the grounds for the appeal, with a specific reference to the record when issues of fact are raised. The other party may file an opposition to the appeal within 15 days after service on him. On notice to the parties, OPM may extend the time limits prescribed in this paragraph.

(b) Within 30 calendar days from the date of an initial decision or a decision of the Associate Director, OPM, on its own motion, may direct that the record be certified to it for review.

[34 FR 17618, Oct. 31, 1969]

§831.1112 Final decision.

(a) On appeal from or review of an initial decision or a decision of the Associate Director, OPM shall decide the case on the record. The record shall include the notice, answer, transcript of testimony and exhibits, briefs, the initial decision or the decision of the Associate Director, the papers filed in connection with the appeal and opposition to the appeal and all other papers, requests and exceptions filed in the proceeding.

(b) OPM may adopt, modify, or set aside the findings, conclusions, or order of the presiding officer or the Associate Director.

(c) The final decision of OPM shall be in writing and include a statement of findings and conclusions, the reasons or basis therefor, and an appropriate order, and shall be served on the parties.

Subpart L—Disability Retirement

SOURCE: 58 FR 49179, Sept. 22, 1993, unless otherwise noted.

§831.1201 Introduction.

This subpart sets out the requirements an employee must meet to qualify for disability retirement, how an employee applies for disability retirement, how an agency applies for disability retirement for an employee, when a disability annuity ends, an individual's retirement rights after the disability annuity ends, and the effect of reemployment in the Federal service on a disability annuitant.

§831.1202 Definitions.

As used in this subpart—

Accommodation means an adjustment made to an employee's job or work environment that enables the employee to perform the duties of the position. Reasonable accommodation may include modifying the worksite; adjusting the work schedule; restructuring the job; obtaining or modifying equipment or devices; providing interpreters, readers, or personal assistants; and reassigning or retraining the employee.

Basic pay means the pay an employee receives that is subject to civil service retirement deductions. The definition is the same as the definition of ''basic pay'' under 5 U.S.C. 8331(3).

Commuting area means the geographic area that usually constitutes one area for employment purposes. It includes a population center (or two or more neighboring ones) and the surrounding localities in which people live and can reasonably be expected to travel back and forth daily from home to work in their usual employment.

Disabled and *disability* mean unable or inability, because of disease or injury, to render useful and efficient service in the employee's current position, or in a vacant position in the same agency at the same grade or pay level for which the individual is qualified for reassignment.

Examination and *reexamination* mean an evaluation of evidentiary material related to the question of disability. Unless OPM exercises its choice of a physician, the cost of providing medical documentation rests with the employee or disability annuitant, who must provide any information OPM needs to make an evaluation.

Medical condition means a health impairment resulting from a disease or injury, including a psychiatric disease. This is the same definition of ''medical condition'' as in § 339.104 of this chapter.

Medical documentation and *documentation of a medical condition* mean a statement from a licensed physician or other appropriate practitioner that provides information OPM considers necessary to determine an individual's entitlement to benefits under this subpart. Such a statement must meet the criteria set forth in § 339.104 of this chapter.

Permanent position means an appointment without time limitation.

Physician and *practitioner* have the same meanings given in § 339.104 of this chapter.

Qualified for reassignment means able to meet the minimum requirements for the grade and series of the vacant position in question.

Same grade or pay level means, in regard to a vacant position within the same pay system as the employee currently occupies, the same grade and an equivalent amount of basic pay. A position under a different pay system or schedule is at the ''same pay level'' if the representative rate, as defined in § 532.401 of this chapter, equals the representative rate of the employee's current position.

Useful and efficient service means (1) acceptable performance of the critical or essential elements of the position; and (2) satisfactory conduct and attendance.

Vacant position means an unoccupied position of the same grade or pay level and tenure for which the employee is qualified for reassignment that is located in the same commuting area and is serviced by the same appointing authority of the employing agency. The vacant position must be full time, unless the employee's current position is less than full time, in which case the vacant position must have a work schedule of no less time than that of the current position. In the case of an employee of the United States Postal Service, a vacant position does not include a position in a different craft or a position to which reassignment would be inconsistent with the terms of a collective bargaining agreement covering the employee.

§ 831.1203 Basic requirements for disability retirement.

(a) Except as provided in paragraph (b) of this section, the following conditions must be met for an individual to be eligible for disability retirement:

(1) The individual must have completed at least 5 years of civilian service that is creditable under the Civil Service Retirement System.

(2) The individual must, while employed in a position subject to the Civil

Service Retirement System, have become disabled because of a medical condition, resulting in a service deficiency in performance, conduct, or attendance, or if there is no actual service deficiency, the disabling medical condition must be incompatible with either useful and efficient service or retention in the position.

(3) The disabling medical condition must be expected to continue for at least 1 year from the date the application for disability retirement is filed.

(4) The employing agency must be unable to accommodate the disabling medical condition in the position held or in an existing vacant position.

(5) An application for disability retirement must be filed with the Office of Personnel Management (OPM) before the employee separates from service, or within 1 year thereafter. This time limit can be waived only in certain instances explained in §831.1204.

(b) A National Guard technician who is retiring under the special provisions of 5 U.S.C. 8337(h) is not required to meet the conditions given in paragraphs (a) (2), (3), and (4) of this section. Instead, the individual must be disabled for membership in the National Guard or for the military grade required to hold his or her position and meet the other eligibility requirements under 5 U.S.C. 8337(h)(2).

§831.1204 Filing disability retirement applications: General.

(a) An employee or Member who is retiring on account of disability must file an application for annuity with OPM before separation from the service or within 1 year thereafter. OPM may waive this time limit if the employee or Member was mentally incompetent on the date of separation or within 1 year thereafter; in this case the individual or his or her representative may file the application with OPM within 1 year after the date the individual regains competency or a court appoints a fiduciary, whichever is earlier.

(b) An application for annuity which is on an inappropriate form, or on an appropriate form inadequately or incompletely executed, and which is received by OPM within 1 year of separation may be accepted as an informal claim for purposes of meeting the timeliness requirement.

(c) An employee's application for disability retirement will not preclude or delay any other appropriate personnel action by the employing agency. However, an agency may properly consider the existence of a pending disability retirement application when deciding whether and when to take other personnel actions.

§831.1205 Agency-filed disability retirement applications.

(a) *Basis for filing an application for an employee.* An agency must file an application for disability retirement of an employee who has 5 years of civilian Federal service when all of the following conditions are met:

(1) The agency has issued a decision to remove the employee;

(2) The agency concludes, after its review of medical documentation, that the cause for unacceptable performance, attendance, or conduct is disease or injury;

(3) The employee is institutionalized, or the agency concludes , based on a review of medical and other information, that the employee is incapable of making a decision to file an application for disability retirement;

(4) The employee has no personal representative or guardian; and

(5) The employee has no immediate family member who is willing to file an application on his or her behalf.

(b) *Agency procedures.* (1) When an agency issues a decision to remove an employee and not all of the conditions described in paragraph (a) of this section have been satisfied, but the removal is based on reasons apparently caused by a medical condition, the agency must advise the employee in writing of his or her possible eligibility for disability retirement.

(2) If the agency is filing a disability retirement application on the employee's behalf, the agency must inform the employee in writing at the same time it informs the employee of its removal decision, or at any time before the separation is effected, that—

(i) The agency is submitting a disability retirement application on the employee's behalf to OPM;

(ii) The employee may review any medical information in accordance with the criteria in §294.106(d) of this chapter; and

(iii) The action does not affect the employee's right to submit a voluntary application for retirement under this part.

(3) When an agency submits an application for disability retirement to OPM on behalf of an employee, it must provide OPM with copies of the decision to remove, the medical documentation, and any other documents needed to show that the cause for removal is due to a medical condition. Following separation, the agency must provide OPM with a copy of the documentation of the separation.

(c) *OPM procedures.* (1) OPM will not act on any application for disability retirement filed by an agency on behalf on an employee until it receives the appropriate documentation of the separation. When OPM receives a complete application for disability retirement under this section, it will notify the former employee that it has received the application, and that he or she may submit medical documentation. OPM will determine entitlement to disability benefits under §831.1206.

(2) OPM will cancel any disability retirement when a final decision of an administrative authority or court reverses the removal action and orders the reinstatement of an employee to the agency rolls.

§831.1206 Evidence supporting entitlement to disability benefits.

(a) *Evidence to support disability retirement application.* (1) Before OPM determines whether an individual meets the basic requirements for disability retirement under §831.1203, an applicant for disability retirement or the employing agency must submit to OPM the following forms included in Standard Form 2824, ''Documentation in Support of Disability Retirement Application:''

(i) Standard Form 2824A—''Applicant's Statement;''

(ii) Standard Form 2824B—''Supervisor's Statement;''

(iii) Standard Form 2824D—''Agency Certification or Reassignment and Accommodation Efforts;'' and

(iv) Standard Form 2824E—''Disability Retirement Application Checklist.''

(2) Standard Form 2824C—''Physician's Statement'' and the supporting medical documentation may be submitted directly to OPM.

(3) The applicant, or the employing agency, must also obtain and submit additional documentation as may be required by OPM to determine entitlement to the disability retirement benefit.

(4) Refusal by the applicant, physician, or employing agency to submit the documentation OPM has determined is necessary to decide eligibility for disability retirement is grounds for disallowance of the application.

(b) *OPM procedures for processing a disability retirement application.* (1) OPM will review the documentation submitted under paragraph (a) of this section in support of an application for disability retirement to determine whether the applicant has met the conditions stated in §831.1203 of this part. OPM will issue its decision in writing to the applicant and to the employing agency. The decision will include a statement of the findings and conclusions, and an explanation of the right to request consideration under §831.109 of this part.

(2) OPM may rescind a decision to allow an application for disability retirement at any time if there is an indication of error in the original decision, such as fraud or misstatement of fact, or if additional medical documentation is needed. The written notification will include a statement of the findings and conclusions, and an explanation of the right to request reconsideration under §831.109 of this part.

(c) *Medical examination.* OPM may offer the applicant a medical examination when it determines that additional medical evidence is necessary to make a decision on an application. The medical evaluation will be conducted by a medical officer of the United States or a qualified physician or board of physicians designated by OPM. The applicant's refusal to submit to an examination is grounds for disallowance of the application.

(d) *Responsibility for providing evidence.* It is the responsibility of the applicant to obtain and submit documentation that is sufficient for OPM to

determine whether there is a service deficiency, caused by disease or injury, of sufficient degree to preclude useful and efficient service, or a medical condition that warrants restriction from the critical task or duties of the position held. It is also the responsibility of the disability annuitant to obtain and submit evidence OPM requires to show continuing entitlement to disability benefits.

§831.1207 Withdrawal of disability retirement applications.

(a) OPM will honor, without question, an applicant's request to withdraw an employee-filed disability retirement application if it receives the withdrawal request before the employing agency has separated the current employee, or, if the employee has already separated from the service, the withdrawal request is received before the official notice of approval has been issued by OPM. Similarly, OPM will honor, without question, an agency's request to withdraw an agency-filed disability retirement application if it receives the withdrawal request before the employee has separated from the service. Once the request to withdraw the application is accepted, an applicant must reapply to receive any further consideration.

(b) Withdrawal of a disability retirement application does not ensure the individual's continued employment. It is the employing agency's responsibility to determine whether it is appropriate to continue to employ the individual.

(c) OPM considers voluntary acceptance of a permanent position in which the employee has civil service retirement coverage, including a position at a lower grade or pay level, to be a withdrawal of the employee's disability retirement application. The employing agency must notify OPM immediately when an applicant for disability retirement accepts a position of this type.

(d) OPM also considers a disability retirement application to be withdrawn when the agency reports to OPM that it has reassigned an applicant or an employee has refused a reassignment to a vacant position, or the agency reports to OPM that it has successfully accommodated the medical condition in the employee's current position. Placement consideration is limited only by agency authority and can occur after OPM's allowance of the application up to the date of separation for disability retirement. The employing agency must notify OPM immediately if any of these events occur.

(e) After OPM allows a disability retirement application and the employee is separated, the application cannot be withdrawn. However, an individual entitled to a disability annuity may decline to accept all or any part of the annuity under the waiver provisions of 5 U.S.C. 8345(d) or request to be found medically recovered under §831.1208(e) of this part.

§831.1208 Termination of disability annuity because of recovery.

(a) Each annuitant receiving disability annuity from the Fund shall be examined under the direction of OPM at the end of 1 year from the date of disability retirement and annually thereafter until the annuitant becomes 60 years of age unless the disability is found by OPM to be permanent in character. OPM may order a medical or other examination at any time to determine the facts relative to the nature and degree of disability of the annuitant. Failure to submit to reexamination shall result in suspension of annuity.

(b) A disability annuitant may request medical reevaluation under the provisions of this section at any time. OPM will reevaluate the medical condition of disability annuitants age 60 or over only on their own request.

(c) Recovery based on medical documentation. When an examination or reevaluation shows that a disability annuitant has medically recovered from the disability, OPM will terminate the annuity effective on the first day of the month beginning 1 year after the date of the medical examination showing recovery.

(d) Recovery based on reemployment by the Federal Government. Reemployment by an agency at any time before age 60 is evidence of recovery if the reemployment is in a permanent position at the same or higher grade or pay level as the position from which the

disability annuitant retired. The permanent position must be full-time unless the position the disability annuitant occupied immediately before retirement was less than full-time, in which case the permanent position must have a work schedule of no less time than that of the position from which the disability annuitant retired. In this instance, OPM needs no medical documentation to find the annuitant recovered. Disability annuity payments will terminate effective on the first day of the month following the month in which the recovery finding is made under this paragraph.

(e) Recovery based on a voluntary request. OPM will honor a written and signed statement of medical recovery voluntarily filed by a disability annuitant when the medical documentation on file does not demonstrate that the annuitant is mentally incompetent. OPM needs no other documentation to find the annuitant recovered. Disability annuity payments will terminate effective on the first day of the month beginning 1 year after the date of the statement. A disability annuitant can withdraw the statement only if the withdrawal is received by OPM before annuity payments terminate.

(f) When an agency reemploys a recovered disability annuitant at any grade or rate of pay within the 1-year period pending termination of the disability retirement benefit under paragraph (c), (d), or (e) of this section, OPM will terminate the annuity effective on the date of reemployment.

§ 831.1209 Termination of disability annuity because of restoration to earning capacity.

(a) *Restoration to earning capacity*. If a disability annuitant is under age 60 on December 31 of any calendar year and his or her income from wages or self-employment or both during that calendar year equal at least 80 percent of the current rate of basic pay of the position occupied immediately before retirement, the annuitant's earning capacity is considered to be restored. The disability annuity will terminate on the June 30 after the end of the calendar year in which earning capacity is restored. When an agency reemploys a restored disability annuitant at any grade or rate of pay within the 180-day waiting period pending termination of the disability retirement benefit, OPM will terminate the annuity effective on the date of reemployment.

(b) *Current rate of basic pay for the position occupied immediately before retirement.* (1) A disability annuitant's income for a calendar year is compared to the gross annual rate of basic pay in effect on December 31 of that year for the position occupied immediately before retirement. The income for most disability annuitants is based on the rate for the grade and step which reflects the total amount of basic pay (both the grade and step and any additional basic pay) in effect on the date of separation from the agency for disability retirement. Additional basic pay is included subject to the premium pay restrictions of 5 U.S.C. 5545 (c)(1) and (c)(2). A higher grade and step will be established if it results from using either the date of application for disability retirement or the date of reasonable accommodation, as adjusted by any increases in basic pay that would have been effected between each respective date and the date of final separation. Use of these two alternative pay setting methods is subject to paragraph (b)(1) (i) and (ii) of this section. The highest grade and step established as a result of setting pay under the normal method and the two alternative methods is designated as the rate of basic pay for the position occupied immediately before retirement and applies only to restoration to earning capacity decisions. In cases involving use of either of the two alternative pay setting methods, the determination of the rate of basic pay for the position occupied immediately before retirement is made by the employing agency at the time the disability retirement is allowed. OPM must review the rate so determined to establish whether the correct rate has been established, and will inform the employee of the proper rate at the time the disability annuity is awarded. This rate of basic pay becomes the basis for all future earning capacity determinations.

(i) The ''date of application for disability retirement'' is the date the application is signed by the authorized

official of the employing agency immediately before forwarding the application to OPM.

(ii) The ''date of reasonable accommodation'' is the date of the employing agency's notice of reasonable accommodation to an employee's medical condition (as a result of its review of medical documentation) which results in a reduction in the rate of basic pay. The use of the date of reasonable accommodation to establish the rate of basic pay for the position held at retirement is subject to the following conditions:

(A) The date of the employing agency's notice to provide accommodation is no more than 1 year before the date the disability retirement application is signed by the authorized official in the employing agency immediately before forwarding it to OPM; and

(B) A complete record of the date of the personnel decision, the medical documentation substantiating the existence of the medical condition, and the justification for the accommodation is established in writing and included at the time the agency submits the application for disability retirement. OPM will review the record to determine whether the medical documentation demonstrates that the medical condition existed at the time of the accommodation and warranted the accommodation made.

(2) In the case of an annuitant whose basic pay rate on the date determined under paragraph (b)(1) of this section did not match a specific grade and step in a pay schedule:

(i) For those retiring from a merit pay position, a position for which a special pay rate is authorized (except as provided in paragraph (b)(2)(ii) of this section), or any other position in which the rate of basic pay is not equal to a grade and step in a pay schedule, the grade and step will be established for this purpose at the lowest step in the pay schedule grade that is equal to or greater than the actual rate of basic pay payable. This rule will not be applied when the rate exceeds that of the schedule applicable to the organization from which the individual retired, when there is no existing apposite schedule with grades and steps, or in other organizations which are excluded from coverage of schedules with grades and steps, as in the case of pay systems using pay bands.

(ii) For those retiring with a retained rate of basic pay or from a position for which a special pay rate is in effect but whose rate of basic pay exceeds the highest rate payable in the pay schedule grade applicable to the position held, the grade and step is established for this purpose in the grade in the schedule that is closest to the grade of the position held and within which the amount of the retained pay falls. The step is established for this purpose at the lowest step in that grade which equals or exceeds the actual rate of pay payable.

(iii) When the pay system under which an annuitant retired has been either modified or eliminated since the individual retired, the individual will be treated as if he or she had been employed at their retirement grade and step at the time of the system change, and will be deemed to have been placed under the new system using whatever rules would have been applicable at that time. This will only apply when a pay system has been abolished or modified, and not when the grade and step of a position has been modified subsequent to retirement by reclassification or other action, in which case the grade and step in effect at the time of retirement will control.

(iv) If using the above rules it is not possible to set a grade and step for computing the current rate of pay, then if possible the current rate of pay will be set using the relative position in the range of pay applicable to the position from which the individual retired. For example, if at the time of retirement the rate of pay was $75,000 in a range from $70,000 to $90,000, for all future determinations, the current rate of pay would be 25% up the new pay range from the bottom. If the new range was $96,000 to $120,000, then the new current rate of pay would be $102,000 ($96,000 plus 0.25 times $24,000 ($120,000 minus $96,000)).

(v) In those cases, such as of some former Congressional staff employees and others whose pay is not set under a formal system, where none of the above guidelines will yield a current rate of pay, OPM will ascertain the

current rate of pay after consultation with the former employing organization, or successor organization.

(3) For annuitants retiring from the United States Postal Service, only cost-of-living allowances subject to civil service retirement deductions are included in determining the current rate of basic pay of the position held at retirement.

(c) *Income.* Earning capacity for the purposes of this section is demonstrated by an annuitant's ability to earn post-retirement income in a calendar year through personal work efforts or services. The total amount of income from all sources is used to determine earning capacity. This includes income received as gross wages from one or more employers, net earnings from one or more self-employment endeavors, and deferred income that is earned in a calendar year. In determining an annuitant's income for a calendar year, the following considerations apply:

(1) There are two sources of income: wages and self-employment income. All income which is subject to Federal employment taxes (i.e., social security or Medicare taxes) or self-employment taxes constitutes earned income. In addition, any other income as described in this section also constitutes earned income. The determination of whether a disability annuitant earns wages as an employee of an organization or earns income as a self-employed person is based on the usual common law rules applicable in determining the existence of an employer-employee relationship. Whether the relationship exists under the usual common law rules will be determined by OPM after the examination of the particular facts of each case.

(2) Income earned from one source is not offset by losses from another source. Income earned as wages is not reduced by a net loss from self-employment. The net income from each self-employment endeavor is calculated separately, and the income earned as net earnings from one self-employment endeavor is not reduced by a net loss from another self-employment endeavor. The net incomes from each separate self-employment endeavor are added together to determine the total amount of income from self-employment for a calendar year.

(3) Only income earned from personal work efforts or services is considered in determining earning capacity. All forms of non-work-related unearned income are excluded. Paragraph (f) of this section includes a representative list of the types of unearned income that are not considered.

(4) Income earned in a calendar year may only be reduced by certain self-employment business expenses, as provided in paragraph (e) of this section; job-connected expenses incurred because of the disabling condition, as provided in paragraph (g) of this section; and the return from investment allowance, as provided in paragraph (h) of this section. Once earned, income cannot be reduced by any other means. Thus, income cannot be lowered by such means as leave buy-back provisions, conversion of wages for paid time to leave without pay or a similar non-paid status, reductions in wages attributable to cash shortages or product losses, etc.

(5) For determining annual income from wages or self-employment or both, income is earned in the calendar year the annuitant actually renders the personal work effort or service and either actually or constructively receives the remuneration, except as provided under paragraph (c)(7) of this section. For this purpose, income paid on a regular basis (i.e., on a weekly, biweekly, monthly or similar pay period basis) will be deemed earned in the year in which payment is made in the regular course of business.

(6) Deferred income is included as income in the calendar year in which it is constructively received. Income is constructively received when it is credited, set apart, or otherwise made available so that the annuitant may draw upon it at any time, or could draw upon it during the calendar year if the annuitant had given notice of the intent to do so. Deferred income includes all earnings, whether in the form of cash or property or applied to provide a benefit for the employee, which are subject to the disability annuitant's designation or assignment. Usually, the earnings are set aside by a salary-reduction agreement, a deferred

compensation arrangement, or the designation of specific earnings amounts towards the purchase of non-taxable employee fringe benefits. Thus, any earnings for which the individual has the opportunity to adjust the amount of income received in a calendar year by controlling the remuneration of voluntarily giving up the right to control the remuneration, regardless of whether a written instrument exists, are income for earning capacity purposes.

(7) The Internal Revenue Code provides exceptions to the general rule on constructive receipt for certain deferred compensation plans which, by their design, defer receipt of income for Federal employment tax purposes as of the later of when services are performed or when there is no substantial risk of forfeiture of the rights to such amount. Even though these special deferred compensation plans defer the constructive receipt of the income for tax purposes to future years beyond the year in which the income is actually earned, the income reflects earning capacity. Therefore, employer contributions and employee payments to these special deferred compensation plans are considered income in the calendar year in which the services are performed, even though the Internal Revenue Code may exclude these contributions and payments from income for tax purposes.

(d) *Wages.* For purposes of earning capacity determinations, the term ''wages'' means the gross amount of all remuneration for services performed by an employee for his or her employer, unless specifically excluded herein, before any deductions or withholdings.

(1) The name by which the remuneration for services is designated is immaterial. Remuneration includes but is not limited to one-time or recurring—

(i) Base salary or pay; tips; commissions; professional fees; honoraria; bonuses and gift certificates of any type; golden parachute payments; payments for any non-work periods, such as vacation, holiday, or sick pay; pay advances; overtime pay; severance pay; dismissal pay; termination pay; and back pay;

(ii) Deferred income, within the meaning of paragraphs (c) (6) and (7) of this section, or other employer contributions or payments in an arrangement in which the employee has the opportunity (whether exercised or not) to adjust income by recovering the contributions or payments during the calendar year in which earned, for general discretionary income purposes;

(iii) Non-cash wages or payment of in-kind benefits, such as shares of stock in the business, real or personal property, stock in trade, inventory items, goods, lodging, food, and clothing. The valuation for all non-cash wages or other in-kind benefits is determined in a manner consistent with the fair value standards that appear in the Social Security Administration's regulations at 20 CFR 404.1041(d).

(2) Any amount offset or deducted under 5 U.S.C. 8344 is treated as wages if the annuity continues while the annuitant is reemployed by the Federal Government.

(3) As a general rule, remuneration as wages does not include any contribution, payment, benefits furnished, or service provided by an employer in any of the following areas:

(i) The general retirement system established by the employer for its employees, usually either a qualified pension, profit-sharing, stock bonus plan, or a qualified annuity contract plan;

(ii) Medical or hospitalization health benefit plans;

(iii) Life insurance plans;

(iv) Sickness or accident disability pay beyond 6 months of illness, or workers' compensation payments;

(v) The value of meals and lodgings provided at the convenience of the employer;

(vi) Moving expenses;

(vii) Educational assistance programs;

(viii) Dependent care assistance programs;

(ix) Scholarships and fellowship grants;

(x) De minimis fringe benefits, such as items of merchandise given by the employer at holidays which are not readily convertible into cash and courtesy discounts on company products offered not as remuneration for services performed but as a means of promoting good will;

(xi) Qualified group legal services plans;

(xii) Uniforms and tools supplied by the employer, including employer-provided allowances for such items, for the exclusive use by the employee on the job; and

(xiii) Amounts that an employer pays the individual specifically, either as advances or reimbursements, for traveling or other ordinary and necessary expenses incurred, or reasonably expected to be incurred in the employer's business.

(4) However, there are two exceptions to this general rule:

(i) When it is provided under circumstances in which either a salary reduction or deferral agreement is used (whether evidenced by a written instrument or otherwise); or

(ii) When the employee had the opportunity (whether exercised or not) to elect to receive the cash value, whether in the form of money or personal or real property, of the employer-provided amount or service.

(e) *Self-employment income.* (1) Self-employment income is the remuneration that is received as an independent contractor, either as

(i) A sole proprietor of a business or farm;

(ii) A professional in one's own practice; or

(iii) A member of a partnership or corporation, as these terms are defined by the Internal Revenue Code, and regardless of whether the business entity is operated for profit.

(2) The term ''net earnings'' from self-employment in a business enterprise means the gross revenue to the business endeavor from all sources before any other deductions or withholdings, minus

(i) Allowable business expenses, as provided in paragraph (e)(3) of this section;

(ii) Any job-connected disability expenses, as provided in paragraph (g) of this section; and

(iii) Any return from investment allowance, as provided in paragraph (h) of this section.

(3) Certain expenses of a self-employed business entity may be offset from the gross revenue from all sources of that self-employed business in determining the amount of net earnings for a particular calendar year. Expenses which may be deducted are only those items and costs which are permitted by the Internal Revenue Code for income tax purposes as ordinary and necessary to the operation of the business. However, expenses incurred on behalf of the disability annuitant may not be deducted, regardless of whether they are permitted by the Internal Revenue Code. These expenses that are incurred but cannot be deducted include the costs for wages paid to the individual, interest earnings, guaranteed payments, dividends, employee benefits, pension plans, and salary reduction or deferral plans. Also, self-employed disability annuitants may not deduct the costs of other withdrawals or expenses which are not used solely for business purposes. Examples of items that cannot be deducted if used at all for personal use by the self-employed disability annuitant include personal property items, such as automobiles and boats; real property, such as vacation property or residences; and memberships, dues, or fees for professional associations or public or private organizations or clubs.

(4) Fees paid to an annuitant as a director of a corporation are a part of net earnings from self-employment.

(f) *Income not included.* Other types of income not considered in determining earning capacity include—

(1) Investment income, such as interest or dividends from savings accounts, stocks, personal loans or home mortgages held, unless the disability annuitant receives the return from capital investment in the course of his or her trade or business;

(2) Capital gains from sales of real or personal property that the disability annuitant owns, unless received in the course of his or her trade or business:

(3) Rents or royalties, unless received in the course of his or her trade or business;

(4) Distributions from pension plans, annuity plans, Individual Retirement Accounts (IRA's), Simplified Employee Benefit-IRA's (SEP–IRA's), Keogh Accounts, employee stock ownership plans, profit sharing plans, or deferred income payments that are received by the annuitant in any year after the calendar year in which the funds were contributed to the plan;

(5) Income earned before the commencing date of civil service retirement annuity payments;

(6) Scholarships or fellowships;

(7) Proceeds from life insurance, inheritances, estates, trusts, endowments, gifts, prizes, awards, gambling or lottery winnings, and amounts received in court actions whether by verdict or settlement, unless received in the course of their trade or business;

(8) Unemployment compensation under State or Federal law, supplemental unemployment benefits, or workers' compensation:

(9) Alimony, child support, or separate maintenance payments received;

(10) Pay for jury duty; and

(11) Entitlement payments from other Federal agencies, such as benefits from the Social Security Administration or the Veterans Administration, Railroad Retirement System retirement pay, or military retirement pay.

(g) *Job-connected expenses incurred because of the disabling condition may be deducted from income.* (1) Job-connected expenses deductible from income for purposes of determining earning capacity are those expenses that are primarily for and essential to the annuitant's occupation or business and are directly connected with or result from the disability for which the disability annuity was allowed.

(2) The determination of whether a job-connected expense may be deducted from income is governed by the following considerations:

(i) The expense must be directly attributable to the disability and must be one which would not have been incurred in the absence of the annuitant working in his or her business or occupation. Expenses incurred for the preservation of the annuitant's health, alleviation of his or her physical or mental discomfort, or other expenses of an employed person cannot be deducted.

(ii) The disability must be of such severity that it requires the annuitant to use special means of transportation, services, or equipment to perform the duties of the occupation or business. Examples of such disabilities include blindness, paraplegia, multiple sclerosis, and cerebral hemorrhage. Claims involving transportation or equipment may be deducted only in the amount normally allowed for business expenses or as depreciation by the Internal Revenue Service for Federal income tax purposes.

(iii) Claims involving services performed by a family member or other individual directly employed by the annuitant may be deducted only if a true employer-employee relationship exists between the annuitant and the employed individual, and the amount claimed as an expense does not exceed the local market rate of payment to individuals who provide similar services. It is the responsibility of the annuitant to provide evidence demonstrating that an employer-employee relationship exists, and what the local market rate is for such services. For the purpose of this paragraph, to establish that a true employer-employee relationship exists, the annuitant must provide evidence that all statutorily mandated employment requirements are met, including (but not limited to) income tax withholdings, FICA tax deductions and payments, and unemployment insurance. If the annuitant fails to provide evidence of the local market rate for such services, payments may be deducted only if the amount claimed does not exceed the Federal minimum hourly rate in effect on December 31 of the calendar year in which claimed. Absent evidence that it is customary and regular practice in the local labor market to work more hours per week, payment may not be deducted for services provided by an individual in excess of 40 hours a week.

(3) A job-connected expense can be deducted only in the calendar year in which paid.

(4) Claims for items used for both personal and job-related purposes may be deducted only by the prorated amount attributable to the job-related use.

(5) A job-connected expense may not be deducted from income from self-employment if the expense has already been deducted as a business expense.

(6) It is the responsibility of the annuitant claiming job-connected expense to provide adequate documentation to substantiate the amount claimed. Adequate documentation will

generally include the following information:

(i) Written recommendation of a physician, vocational rehabilitation specialist, occupational health resource specialist, or other similar professional specialist that the retiree should use the transportation, services, or equipment;

(ii) A description of the item and an explanation of its use by the annuitant in the performance of his or her occupation or business;

(iii) A copy of the receipt of purchase, bill of sale, or leasing agreement for the item claimed with the date, duration of the agreement, and agreed upon price clearly specified;

(iv) A complete supporting explanation of how the amount claimed for the job-connected expense has been calculated; and

(v) An explanation of the circumstances and calculation of the prorated cost of the item if used for both personal and business use.

(h) *Return from investment allowance.* A disability annuitant may reduce the net earnings from a self-employed business endeavor (adjusted for any interest paid on borrowed capital) by 6 percent of his or her capital investment in that business, owned or borrowed. The capital investment's value is its fair-market value as of December 31 of the year for which the income is being reported.

(i) *Requirement to report income.* All disability annuitants who, on December 31 of any calendar year, are under age 60 must report to OPM their income from wages or self-employment or both for that calendar year. Each year as early as possible, OPM will send a form to annuitants to use in reporting their income from the previous calendar year. The form specifies the date by which OPM must receive the report. OPM will determine entitlement to continued annuity on the basis of the report. If an annuitant fails to submit the report, OPM may stop annuity payments until it receives the report.

§ 831.1210 Annuity rights after a disability annuity terminates.

(a) An individual is entitled to an immediate annuity when the disability annuity stops because of recovery or restoration to earning capacity if the individual is not reemployed in a position subject to civil service retirement coverage and—

(1) Is at least age 50 when the disability annuity stops and had 20 or more years of service at the time of retirement for disability; or

(2) Had 25 or more years of service at the time of retirement for disability regardless of age.

(b) An individual whose annuity stops because of recovery or restoration to earning capacity and who is not eligible for an immediate annuity under paragraph (a) of this section, is eligible for a deferred annuity upon reaching age 62.

(c) The disability annuity of an individual whose annuity stopped because of recovery or restoration to earning capacity may be reinstated under §831.1212 of this part.

§ 831.1211 Reinstatement of disability annuity.

(a) When a disability annuity stops, the individual must again prove that he or she meets the eligibility requirements in order to have the annuity reinstated.

(b) When a recovered disability annuitant under age 62 whose annuity was terminated because he or she was found recovered on the basis of medical evidence (§831.1208(b)), is not reemployed in a position subject to civil service retirement coverage, and, based on the results of a current medical examination, OPM finds that the individual's medical condition has worsened since the finding of recovery and that the original disability on which retirement was based has recurred, OPM will reinstate the disability annuity. The right to the reinstated annuity begins with the date of the medical examination showing that the disability recurred.

(c) OPM will reinstate the disability annuity of a recovered disability annuitant under age 62 whose annuity was terminated because he or she was found recovered on the basis of Federal reemployment (§831.1208(c)) when—

(1) The results of a current medical examination show that the disabling medical condition that was the basis of

the disability retirement continues to exist; and

(2) Within 1 year after the date of reemployment, this medical condition has again caused the individual to be unable to provide useful and efficient service, and the employee has been—

(i) Separated and not reemployed in a position subject to civil service retirement coverage; or

(ii) Placed in a position that results in a reduction in grade or pay below the grade from which the individual retired, or in a change to a non-permanent position. The right to the reinstated annuity begins with the date of the medical examination showing that the disabling medical condition continues to exist, but not earlier than the first day after separation, or the effective date of the placement in the position which results in a reduction in grade or pay or change to a non-permanent position.

(d) When a recovered disability annuitant under age 62 whose annuity was terminated because he or she was found recovered on the basis of a voluntary request (§831.1208(e)), is not reemployed in a position subject to civil service retirement coverage, and, based on the results of a current medical examination, OPM finds that the disability has recurred, OPM will reinstate the disability annuity. The right to the reinstated annuity begins with the date of the medical examination showing that the disability recurred, but not earlier than 1 year before the date the request for reinstatement is received by OPM.

(e) When a disability annuitant whose earning capacity has been restored but who is not reemployed in a position in which he or she is subject to civil service retirement coverage, and who (except in the case of a National Guard technician whose annuity was awarded under 5 U.S.C. 8337(h)), has not recovered from the disability for which retired, loses his or her earning capacity, as determined by OPM, before reaching age 62, OPM will reinstate the disability annuity. The reinstated annuity is payable from January 1 of the year following the calendar year in which earning capacity was lost. Earning capacity is lost if, during any calendar year, the individual's income from wages or self-employment or both is less than 80 percent of the current rate of basic pay of the position held at retirement.

(f) A reinstated annuity is the same type as the original annuity and is paid at the rate of annuity to which the annuitant was entitled on the date his or her disability annuity was last discontinued.

(g) Reinstatement of the disability annuity ends the right to any other annuity based on the same service, unless the annuitant makes a written election to receive the other annuity instead of the disability annuity.

(h) When OPM reinstates an employee's disability annuity, the agency must offset the employee's pay by the amount of annuity allocable to the period of employment, unless the annuitant is exempted from this requirement under the provisions of 5 U.S.C. 8344(i). The offset begins on the date of OPM's determination of eligibility for reinstatement. OPM must reduce any retroactive payment of annuity for a period of employment with an agency before that date by the amount of pay earned during that period.

(i) When an individual's annuity is terminated upon reemployment (subject to subchapter III of chapter 83, title 5, United States Code), OPM must determine the individual's future annuity rights under the law in effect at the date of his or her subsequent separation. If, upon separation from such reemployment, the individual does not meet the eligibility requirements under subchapter III of chapter 83, title 5, United States Code, for title to annuity based on such separation, OPM will resume payment of the terminated annuity at the rate last payable, unless payment is otherwise barred.

§831.1212 Administrative review of OPM decisions.

The right to administrative review of an initial decision of OPM is set forth in §831.109 of this part. The right to appeal a final decision of OPM to the Merit Systems Protection Board is set forth in §831.110 of this part.

Subpart M—Collection of Debts

SOURCE: 50 FR 34664, Aug. 27, 1985, unless otherwise noted.

§ 831.1301 Purpose.

This subpart prescribes procedures to be followed by the Office of Personnel Management (OPM) , which are consistent with the Federal Claims Collection Standards (FCCS) (Chapter II of title 4, Code of Federal Regulations), in the collection of debts owed to the Civil Service Retirement and Disability Fund.

§ 831.1302 Scope.

This subpart covers the collection of debts due the Civil Service Retirement and Disability Fund, with the exception of the collection of court-imposed judgments, amounts referred to the Department of Justice because of fraud, and amounts collected from back pay awards in accordance with § 550.805(e)(2) of this chapter.

§ 831.1303 Definitions.

In this subpart—

Additional charges means interest, penalties, and/or administrative costs owed on a debt.

Annuitant means a retired employee or Member of Congress, spouse, widower, or child receiving recurring benefits under the provisions of subchapter III, chapter 83, of title 5, United States Code.

Compromise is an adjustment of the total amount of the debt to be collected based upon the considerations established by the FCCS (4 CFR part 103).

Consumer reporting agency has the same meaning provided in 31 U.S.C. 3701(a)(3).

Debt means a payment of benefits to an individual in the absence of entitlement or in excess of the amount to which an individual is properly entitled.

Delinquent has the same meaning provided in 4 CFR 101.2(b).

FCCS means the Federal Claims Collection Standards (Chapter II of title 4, Code of Federal Regulations).

Offset means to withhold the amount of a debt, or a portion of that amount, from one or more payments due the debtor. Offset also means the amount withheld in this manner.

Reconsideration means the process of reexamining an individual's liability for a debt based on—

(1) Proper application of law and regulation; and

(2) Correctness of the mathematical computation.

Repayment schedule means the amount of each payment and number of payments to be made to liquidate the debt as determined by OPM.

Retirement fund means the Civil Service Retirement and Disability Fund.

Voluntary repayment agreement means an alternative to offset that is agreed to by OPM and includes a repayment schedule.

Waiver is a decision not to recover a debt under authority of 5 U.S.C. 8346(b).

§ 831.1304 Processing.

(a) *Notice.* Except as provided in § 831.1305, OPM will, before starting collection, tell the debtor in writing—

(1) The reason for and the amount of the debt;

(2) The date on which the full payment is due;

(3) OPM's policy on interest, penalties, and administrative charges;

(4) If payment in full would create financial hardship to the debtor and offset is available, the types of payment(s) to be offset, the repayment schedule, the right to request an adjustment in the repayment schedule and the right to request a voluntary repayment agreement in lieu of offset;

(5) The individual's right to inspect and/or receive a copy of the Government's records relating to the debt;

(6) The method and time period (30 calendar days) for requesting reconsideration, waiver, and/or compromise and, in the case of offset, an adjustment to the repayment schedule;

(7) The standards used by OPM for determining entitlement to waiver and compromise;

(8) The right to a hearing by the Merit Systems Protection Board on a waiver request (if OPM's waiver decision finds the individual liable) in accordance with paragraph (c)(2) of this section; and

(9) The fact that a timely filing of a request for reconsideration, waiver

and/or compromise, or a later timely appeal of a waiver denial to the Merit Systems Protection Board, will stop collection proceedings, unless (i) failure to take the offset would substantially prejudice the Government's ability to collect the debt; and (ii) the time before the payment is to be made does not reasonably permit the completion of these procedures.

(b) *Requests for reconsideration, waiver, and/or compromise.* (1) If a request for reconsideration, waiver and/or compromise is returned to us by mail, it must be postmarked within 30 calendar days of the date of the notice detailed in paragraph (a) of this section. If a request for reconsideration, waiver, and/or compromise is hand delivered, it must be received within 30 calendar days of the date of the notice detailed in paragraph (a) of this section. OPM may extend the 30 day time limit for filing when individuals can prove that they: (i) Were not notified of the time limit and were not otherwise aware of it; or (ii) were prevented by circumstances beyond their control from making the request within the time limit.

(2) When a request for reconsideration, waiver, and/or compromise covered by this paragarph is properly filed before the death of the debtor, it will be processed to completion unless the relief sought is nullified by the debtor's death.

(3) Individuals requesting reconsideration, waiver, and/or compromise will be given a full opportunity to present any pertinent information and documentation supporting their position.

(4) An individual's request for waiver will be evaluated on the basis of the standards set forth in subpart N of this part. An individual's request for compromise will be evaluated on the basis of standards set forth in the FCCS (4 CFR part 103).

(c) *Reconsideration, waiver, and/or compromise decisions.* (1) OPM's decision will be based upon the individual's written submissions, evidence of record, and other pertinent available information.

(2) After consideration of all pertinent information, a written decision will be issued. The decision will state the extent of the individual's liability, and, for waiver and compromise requests, whether the debt will be waived or compromised. If the individual is determined to be liable for all or a portion of the debt, the decision will reaffirm or modify the conditions for the collection previously proposed under paragraph (a) of this section. The decision will state the individual's right to appeal to the Merit Systems Protection Board as provided by §1201.3 of this title, and, in the case of a denial of waiver, that a timely appeal will stop collection of the debt.

§831.1305 Collection of debts.

(a) *Means of collection.* Collection of a debt may be made by means of offset under §831.1306, or under any statutory provision providing for offset of money due the debtor from the Federal Government, or by referral to the Justice Department for litigation, as provided in §831.1306. Referral may also be made to a collection agency under the provisions of the FCCS.

(b) *Additional charges.* Interest, penalties, and administrative costs will be assessed on the debt in accordance with standards established in the FCCS at 4 CFR 102.13. Additional charges will be waived when required by the FCCS. In addition, such charges may be waived when OPM determines—

(1) Collection would be against equity and good conscience under the standards prescribed in §§831.1403 through 831.1405 of this part; or

(2) Waiver would be in the best interest of the United States.

(c) *Collection in installments.* Whenever feasible, debts will be collected in one lump sum. However, when the debtor is financially unable to pay in one lump sum of fails to respond to a demand for full payment and off-set is available, installment payments may be effected. The amount of the installment payments will be set in accordance with the criteria in 4 CFR 102.11.

(d) *Commencement of collection.* (1) Except as provided in paragraph (d)(2) of this section, collection will begin after the time limits for requesting further rights stated in §831.1304(a)(6) expire or OPM has issued decisions on all timely requests for those rights and the Merit Systems Protection Board has acted on any timely appeal of a waiver denial,

unless: (i) Failure to make an offset would substantially prejudice the Government's ability to collect the debt; and (ii) the time before the payment is to be made does not reasonably permit the completion of the proceedings in § 831.1304 or litigation. When offset begins without completion of the administrative review process, these procedures will be completed promptly, and amounts recovered by offset but later found not owed will be refunded promptly.

(2) The procedures identified in § 831.1304 will not be applied when the debt is caused by (i) a retroactive adjustment in the periodic rate of annuity or any deduction taken from annuity when the adjustment is a result of the annuitant's election of different entitlements under law, if the adjustment is made within 120 days of the effective date of the election; or (ii) interim, estimated payments made before the formal determination of entitlement to annuity, if the amount is recouped from the total annuity payable on the first day of the month following the last advance payment or the date the formal determination is made, whichever is later.

§ 831.1306 Collection by administrative offset.

(a) *Offset from retirement payments.* A debt may be collected in whole or in part from lump-sum retirement payment or recurring annuity payments.

(b) *Offset from other payments*—(1) *Administrative offset.* (i) A debt may be offset from other payments due the debtor or from other agencies in accordance with 4 CFR 102.3, except that offset from back pay awarded under the provisions of 5 U.S.C. 5596 (and 5 CFR 550.801 *et seq.*) will be made in accordance with § 550.805(e)(2) of this chapter.

(ii) In determining whether to collect claims by means of administrative offset after the expiration of the six year limitation provided in 5 U.S.C. 2415, the Director or his designee will determine the cost effectiveness of leaving a claim unresolved for more than 6 years. This decision will be based on such factors as the amount of the debt; the cost of collection; and the likelihood of recovering the debt.

(2) *Salary offset.* When the debtor is an employee, or a member of the Armed Forces or a reserve component of the Armed Forces, OPM may effect collection action by offset of the debtor's pay in accordance with 5 U.S.C. 5514 and 5 CFR 550.1101 *et seq.* Due process described in § 831.1304 will apply. The questions of fact and liability, and entitlements to waiver or compromise determined through that process are deemed correct and will not be amended under salary offset procedures. When the debtor did not receive a hearing on the amount of the offset under § 831.1304 and requests such hearing, one will be conducted in accordance with subpart K of part 550 of this chapter.

§ 831.1307 Use of consumer reporting agencies.

(a) *Notice.* If a debtor's response to the notice described in § 831.1304(a) does not result in payment in full, payment by offset, or payment in accordance with a voluntary repayment agreement or other repayment schedule acceptable to OPM, and the debtor's rights under § 831.1304 have been exhausted, OPM may report the debtor to a consumer reporting agency. In addition, a debtor's failure to make subsequent payments in accordance with a repayment schedule may result in a report to a consumer reporting agency. Before making a report to a consumer reporting agency, OPM will notify the debtor in writing that—

(1) The payment is overdue;

(2) OPM intends, after 60 days, to make a report as described in paragraph (b) of this section to a consumer reporting agency;

(3) The debtor's right to dispute the liability has been exhausted under § 831.1304; and

(4) The debtor may suspend OPM action on referral by paying the debt in one lump sum or making payments current under a repayment schedule.

(b) *Report.* When a debtor's response to the notice described in paragraph (a) of this section fails to comply with paragraph (a)(4) of this section and 60 days have elapsed since the notice was mailed, OPM may report to a consumer reporting agency that an individual is responsible for an unpaid debt and provide the following information:

(1) The individual's name, address, taxpayer identification number, and any other information necessary to establish the identity of the individual;

(2) The amount, status, and history of the debt; and

(3) The fact that the debt arose in connection with the administration of the Civil Service Retirement System.

(c) *Subsequent reports.* OPM will update its report to the consumer reporting agency whenever it has knowledge of events that substantially change the status or the amount of the liability.

§831.1308 Referral to a collection agency.

(a) OPM may refer certain debts to commercial collection agencies under the following conditions:

(1) All processing required by §831.1304 has been completed before the debt is released.

(2) A contract for collection services has been negotiated.

(3) OPM retains the responsibility for resolving disputes, compromising claims, referring the debt for litigation, or suspending or terminating collection action.

§831.1309 Referral for litigation.

From time to time and in a manner consistent with the General Accounting Office's and the Justice Department's instructions, OPM will refer certain overpayments to the Justice Department for litigation. Referral for litigation will suspend processing under this subpart.

Subpart N—Standards for Waiver of Overpayments

SOURCE: 45 FR 23635, Apr. 8, 1980, unless otherwise noted.

§831.1401 Conditions for waiver.

Recovery of an overpayment from the Civil Service Retirement and Disability Fund may be waived pursuant to section 8346(b), of title 5, United States Code, when the annuitant (a) is without fault and (b) recovery would be against equity and good conscience. Where it has been determined that the recipient of an overpayment is ineligible for waiver, the individual is nevertheless entitled to an adjustment in the recovery schedule if he/she shows that it would cause him/her financial hardship to make payment at the rate scheduled.

§831.1402 Fault.

A recipient of an overpayment is without fault if he/she performed no act of commission or omission which resulted in the overpayment. The fact that the Office of Personnel Management may have been at fault in initiating an overpayment will not necessarily relieve the individual from liability.

(a) *Considerations.* Pertinent considerations in finding fault are—

(1) Whether payment resulted from the individual's incorrect but not necessarily fraudulent statement, which he/she should have known to be incorrect;

(2) Whether payment resulted from the individual's failure to disclose material facts in his/her possession which he/she should have known to be material; or

(3) Whether he/she accepted a payment which he/she knew or should have known to be erroneous.

(b) *Mitigation factors.* The individual's age, physical and mental condition or the nature of the information supplied to him/her by OPM or a Federal agency may mitigate against finding fault if one or more contributed to his/her submission of an incorrect statement, a statement which did not disclose material facts in his/her possession, or his/her acceptance of an erroneous overpayment.

§831.1403 Equity and good conscience.

(a) *Defined.* Recovery is against equity and good conscience when—

(1) It would cause financial hardship to the person from whom it is sought;

(2) The recipient of the overpayment can show (regardless of his or her financial circumstances) that due to the notice that such payment would be made or because of the incorrect payment either he/she has relinquished a valuable right or changed positions for the worse; or

(3) Recovery could be unconscionable under the circumstances.

§ 831.1404 Financial hardship.

Financial hardship may be deemed to exist in—but not limited to—those situations where the annuitant from whom collection is sought needs substantially all of his/her current income and liquid assets to meet current ordinary and necessary living expenses and liabilities.

(a) *Considerations.* Some pertinent considerations in determining whether recovery would cause financial hardship are as follows:

(1) The individual's financial ability to pay *at the time collection is scheduled to be made.*

(2) Income to other family member(s), if such member's ordinary and necessary living expenses are included in expenses reported by the annuitant.

(b) *Exemptions.* Assets exempt from execution under State law should not be considered in determining an individual's ability to repay the indebtedness, rather primary emphasis shall be placed upon the annuitant's liquid assets and current income in making such determinations.

§ 831.1405 Ordinary and necessary living expenses.

An individual's ordinary and necessary living expenses include rent, mortgage payments, utilities, maintenance, food, clothing, insurance (life, health and accident), taxes, installment payments, medical expenses, support expenses when the annuitant is legally responsible, and other miscellaneous expenses which the individual can establish as being ordinary and necessary.

§ 831.1406 Waiver precluded.

(a) *When not granted.* Waiver of an overpayment cannot be granted when—

(1) The overpayment was obtained by fraud; or

(2) The overpayment was made to an estate.

§ 831.1407 Burdens of proof.

(a) *Burden of OPM.* The Associate Director for Compensation must establish by the preponderance of the evidence that an overpayment occurred.

(b) *Burden of annuitant.* The recipient of an overpayment must establish by substantial evidence that he/she is eligible for waiver or an adjustment.

(c) *Allotter* means the annuitant from whose annuity payments an allotment is deducted.

(iii) Consist primarily of Federal employees and/or annuitants, and

(iv) Existed as of December 23, 1975.

(b) OPM, in its sole discretion, may approve the individual organizations which may receive allotments only after the organization has collected, in accordance with procedures prescribed by OPM, a minimum of two thousand (2,000) allotment authorizations from civil service annuitants.

(c) OPM shall permit an annuitant to make an allotment to an organization only when:

(1) The organization has been approved as an allottee by OPM, and

(2) The organization has agreed in writing to solicit and process allotments in accordance with requirements prescribed by OPM.

§831.1521 Limitations.

(a) The amount of any allotment may not be less than one dollar ($1) and, in the absence of compelling circumstances, shall be in whole dollars.

(b) The total amount of any allotment(s) may not exceed the net monthly annuity due the allotter.

(c) An annuitant may make only one allotment payable to the same allottee at the same time and may make no more than a total of two allotments.

(d) Payment of an allotment shall be discontinued when the allotter's annuity payments are terminated or suspended by OPM.

(e) Allotments shall be disbursed on one of the regularly designated paydays of the allotter in accordance with OPM's agreement with the allottee.

(f) Allotters shall agree that OPM shall be held harmless for any authorized allotment request made by an allottee in accordance with the allottee's agreement with OPM.

(g) Allotters shall agree that disputes regarding any authorized allotment shall be a matter between the allotter and the allottee.

(h) The total number of allottees shall be limited to twenty (20), with first preference given to those organizations participating in the Federal Employees Health Benefits Program. Thereafter, preference shall be based on the date of application and the number of annuitants who have completed allotment authorizations.

(i) OPM, in its discretion, shall recover from the allottee, the incremental costs of making allotments.

(j) OPM, in its sole discretion, may terminate an allottee's participation in the allotment program described by this subpart at any time in accordance with its agreement with the allottee.

Subparts P–Q—[Reserved]

Subpart R—Agency Requests to OPM for Recovery of a Debt from the Civil Service Retirement and Disability Fund

SOURCE: 51 FR 45443, Dec. 19, 1986, unless otherwise noted.

§831.1801 Purpose.

This subpart prescribes the procedures to be followed by a Federal agency when it requests the Office of Personnel Management (OPM) to recover a debt owed to the United States by administrative offset against money due and payable to the debtor from the Civil Service Retirement and Disability Fund (the Fund). This subpart also prescribes the procedures that OPM must follow to make these administrative offsets.

§831.1802 Scope.

This subpart applies to agencies, employees, and Members, as defined by §831.1803.

§831.1803 Definitions.

For purposes of this subpart, terms are defined as follows—

Act means the Federal Claims Collection Act of 1966 as amended by the Debt Collection Act of 1982 and implemented by 4 CFR 101.1 *et seq.*, the Federal Claims Collection Standards (FCCS).

Administrative offset means withholding money payable from the Fund to satisfy a debt to the United States under 31 U.S.C. 3716.

Agency means (a) an Executive agency as defined in section 105 of title 5, United States Code, including the U.S. Postal Service and the U.S. Postal Rate Commission; (b) a military department, as defined in section 102 of title 5, United States Code; (c) an agency or court in the judicial branch, including a court as defined in section 610 of title 28, United States Code, the District Court for the Northern Mariana Islands, and the Judicial Panel on Multidistrict Litigation; (d) an agency of the legislative branch, including the

U.S. Senate and the U.S. House of Representatives; and (e) other independent establishments that are entities of the Federal Government.

Annuitant has the same meaning as in section 8331(9) of title 5, United States Code.

Annuity means the monthly benefit payable to an annuitant or survivor annuitant.

Compromise has the same meaning as in 4 CFR part 103.

Consent means the debtor has agreed in writing to administrative offset after receiving notice of all rights under 31 U.S.C. 3716 and this subpart.

Creditor agency means the agency to which the debt is owed.

Debt means an amount owed to the United States on account of loans insured or guaranteed by the United States, and other amounts due the United States from fees, duties, leases, rents, royalties, services, sales of real or personal property, overpayments, fines, penalties, damages, interests, taxes, forfeitures, etc.

Debt claim means an agency request for recovery of a debt in a form approved by OPM.

Debtor means a person who owes a debt, including an employee, former employee, Member, former Member, or the survivor of one of these individuals.

Employee has the same meaning as in section 8331(1) of title 5, United States Code, and includes reemployed annuitants and employees of the U.S. Postal Service.

Fraud claim means any debt designated by the Attorney General (or designee) as involving an indication of fraud, the presentation of a false claim, or misrepresentation on the part of the debtor or any other party having an interest in the claim.

Fund means the Civil Service Retirement and Disability Fund established under 5 U.S.C. 8348.

Lump-sum credit has the same meaning as in section 8331(8) of title 5, United States Code.

Member has the same meaning as in section 8331(2) of title 5, United States Code.

Net annuity means annuity after excluding amounts requried by law to be deducted. For example, Federal income tax is excluded up to the maximum amount that the individual is entitled to for all dependents. Other examples of exclusions are group health insurance premiums (including amounts deducted for Medicare) and group life insurance premiums.

Paying agency means the agency that employs the debtor and authorizes the disbursement of his or her current pay account.

Refund means the payment of a lump-sum credit to an individual who meets all requirements for payment and files application for it.

§ 831.1804 Conditions for requesting an offset.

An agency may request that money payable from the Fund be offset to recover any valid debt due the United States when all of the following conditions are met:

(a) The debtor failed to pay all of the debt on demand, or the creditor agency has collected as much as possible from payments due the debtor from the paying agency; and

(b) The creditor agency sends a debt claim to OPM (under § 831.1805(b) (1), (2), (3), or (4), as appropriate) after doing one of the following:

(1) Obtaining a court judgment for the amount of the debt;

(2) Following the procedures required by 31 U.S.C. 3716 and 4 CFR 102.4;

(3) Following the procedures required by 5 U.S.C. 5514 and § 550.1107 of this title; or

(4) Following the procedures agreed upon by the creditor agency and OPM, if it is excepted by § 831.1805(b)(4) from the completion of procedures prescribed by § 831.1805(b)(3).

§ 831.1805 Creditor agency processing for non-fraud claims.

(a) *Where to submit the debt claim, judgment or notice of debt*—(1) *Creditor agencies that are not the debtor's paying agency.* (i) If the creditor agency knows that the debtor is employed by the Federal Government, it should send the debt claim to the debtor's paying agency for collection.

(ii) If some of the debt is unpaid after the debtor separates from the paying agency, the creditor agency should send the debt claim to OPM as described in paragraph (b) of this section.

(2) *Creditor agencies that are the debtor's paying agency.* Ordinarily, debts owed the paying agency should be offset under 31 U.S.C. 3716 from any final payments (salary, accrued annual leave, etc.) due the debtor. If a balance is due after offsetting the final payments or the debt is discovered after the debtor has been paid, the paying agency may send the debt claim to OPM as described in paragraph (b) of this section.

(b) *Procedures for submitting a debt claim, judgment or notice of debt to OPM*—(1) *Debt claims for which the agency has a court judgment.* If the creditor agency has a court judgment against the debtor specifying the amount of the debt to be recovered, the agency should send the debt claim and two certified copies of the judgment to OPM.

(2) *Debt claims previously processed under 5 U.S.C. 5514.* If the creditor agency previously processed the debt claim under section 5514, it should—

(i) Notify the debtor that the claim is being sent to OPM to complete collection from the Fund; and

(ii) Send the debt claim (on SF 2805) to OPM with two copies of the paying agency's certification of the amount collected and one copy of the notice to the debtor that the claim was sent to OPM.

(3) *Debt claims not processed under 5 U.S.C. 5514, reduced to court judgment, or excepted by paragraph (b)(4) of this section.* (i) If the debt claim was not processed under §5514, reduced to court judgment or excepted by paragraph (b)(4) of this section, the creditor agency must—

(A) Comply with the procedures required by 4 CFR 102.4—issuing written notice to the debtor of the nature and amount of the debt, the agency's intention to collect by offset, the opportunity to inspect and copy agency records pertaining to the debt, the opportunity to obtain review within the agency of the determination of indebtedness, and the opportunity to enter into a written agreement with the agency to repay the debt; and

(B) Complete the appropriate debt claim.

(ii) If the debtor does not respond to the creditor agency's notice within the allotted time and there is no reason to believe that he or she did not receive the notice, the creditor agency may submit the debt claim to OPM after certifying that notice was issued and the debtor failed to reply.

(iii) If the debtor responds to the notice by requesting a review (or hearing if one is available), the review (or hearing) must be completed before the creditor agency submits the debt claim.

(iv) If the debtor receives the notice and responds by consenting to the collection, the creditor agency must send a copy of the debtor's consent along with the debt claim.

(4) *Debt claims excepted from procedures described in paragraph (b)(3) of this section.* Creditor agencies follow specific procedures approved by OPM, rather than those described in paragraph (b)(3) of this section, for the collection of—

(i) Debts due because of the individual's failure to pay health benefits premiums while he or she was in nonpay status or while his or her salary was not sufficient to cover the cost of premiums;

(ii) Unpaid Federal taxes to be collected by Internal Revenue Service levy;

(iii) Premiums due because of the annuitant's election of Part B, Medicare coverage (retroactive collection limited to 6 months of premiums); or

(iv) Overpaid military retired pay an annuitant elects in writing to have withheld from his or her annuity.

(5) *General certification requirements for debt claims.* Creditor agencies submitting debt claims must certify—

(i) That the debt is owed to the United States;

(ii) The amount and reason for the debt and whether additional interest accrues;

(iii) The date the Government's right to collect the debt first accrued;

(iv) The agency has complied with the applicable statutes, regulations, and OPM procedures;

(v) That if a competent administrative or judicial authority issues an order directing OPM to pay a debtor an amount previously paid to the agency (regardless of the reasons behind the order), the agency will reimburse OPM or pay the debtor directly within 15 days of the date of the order (NOTE:

OPM may, at its discretion, decline to collect other debt claims sent by an agency that does not abide by this certification.);

(vi) If the collection will be in installments, the amount or percentage of net annuity in each installment; and,

(vii) If the debtor does not (in writing) consent to the offset, or does not (in writing) acknowledge receipt of the required notices and procedures, or the creditor agency does not document a judgment offset or a previous salary offset, the action(s) taken to comply with 4 CFR 102.3, including any required hearing or review, and the date(s) the action(s) was taken.

(6) *Notice of debt.* When a creditor agency cannot send a complete debt claim, it should notify OPM of the existence of the debt so the lump-sum will not be paid before the debt claim arrives.

(i) The notice to OPM must include a statement that the debt is owed to the United States, the date the debt first accrued, and the basis for and amount of the debt, if known. If the amount of the debt is not known, the agency must establish the amount and notify OPM in writing as soon as possible after submitting the notice.

(ii) The creditor agency may either notify OPM by making a notation in column 8 [Remarks] under ''Fiscal Record'' on the Standard Form 2806 (Individual Retirement Record), if the SF 2806 is in its possession, or if not, by submitting a separate document identifying the debtor by name, giving his or her date of birth, social security number, and date of separation, if known.

(c) *Time limits for sending records and debt claims to OPM*—(1) *Time limits for submitting debt claims.* Unless there is an application for refund pending, there is no specific time for submitting a debt claim or notice of debt to OPM. Generally, however, agencies must file a debt claim before the statute of limitations expires (4 CFR 102.4(c)) or before a refund is paid. Time limits are imposed (see §831.1806(a)) when the debtor is eligible for a refund and OPM receives his or her application requesting payment. In the latter situation, creditor agencies must file a complete debt claim within 120 days (or 180 days if the agency requests an extension of time before the refund is paid) of the date OPM requests a complete debt claim.

(2) *Time limit for submitting retirement records to OPM.* A paying agency must send an individual's SF 2806 to OPM no later than 60 days after the separation, termination, or entrance on duty in a position in which the employee is not covered by the Civil Service Retirement System.

§ 831.1806 OPM processing for nonfraud claims.

(a) *Refunds—incomplete debt claims.* (1) If a creditor agency sends OPM a notice of debt or an incomplete debt claim against a refund OPM is processing for payment, OPM will withhold the amount of the debt but will not make any payment to the creditor agency. OPM will notify the creditor agency that the procedures in this subpart and 4 CFR 102.4 must be completed; and a debt claim must be completed and returned to OPM within 120 days of the date of OPM's notice to the creditor agency. Upon request, OPM will grant the creditor agency one extension of up to 60 days if the request for extension is received before the lump-sum payment has been made. The extension will commence on the day after the 120-day period expires so that the total time OPM holds payment of the refund will not exceed 180 days.

(2) During the period allotted the creditor agency for sending OPM a complete debt claim, OPM will handle the debtor's application for refund under section 8342(a) of title 5, United States Code, in one of two ways:

(i) If the amount of the debt is known, OPM will notify the debtor of the debt claim against his or her lump-sum credit, withhold the amount of the debt, and pay the balance to the debtor, if any.

(ii) If the amount of the debt is not known, OPM will not pay any amount to the debtor until the creditor agency certifies the amount of the debt, submits a complete debt claim, or the time limit for submission of the debt claim expires, whichever comes first.

(b) *Refunds—complete debt claims*—(1) *If OPM receives an application from the*

debtor prior to or at the same time as the agency's debt claim. (i) If a refund has been paid, we will notify the creditor agency there are no funds available for offset. Except in the case of debts due because of the employee's failure to pay health benefits premiums while he or she is in nonpay status or while his or her salary was not sufficient to cover the cost of premiums, creditor agencies should refer to the instructions in the FCCS for other measures to recover the outstanding debt; however, OPM will retain the SF 2805 on file in the event the debtor is once again employed in a position subject to retirement deductions.

(ii) If a refund is payable, and the creditor agency submits a complete debt claim in accordance with § 831.1805(b) (1), (2), (3), or (4), the debt will be collected from the refund and any balance paid to the debtor. OPM will send the debtor a copy of the debt claim, judgment, consent, or other document, and notify him or her that the creditor agency was paid.

(2) *If OPM has not received an application from the debtor when the agency's debt claim is received.* If a debtor has not filed application for a refund, OPM will retain the debt claim for future recovery. OPM will make the collection whenever an application is received, provided the creditor agency *initiated* the administrative offset before the statute of limitations expired. (See 4 CFR 102.3(b)(3) and 102.4(c).) OPM will notify the creditor agency that it does not have an application from the debtor so that the agency may take other action to recover the debt. (Note: If the recovery action is successful, the creditor agency must notify OPM so it can void the debt claim).

(3) *Future recovery.* (i) If OPM receives an application for refund within 1 year of the date the agency's debt claim was received *and* the creditor agency does not indicate that interest is accruing on the debt, the debt will be processed as stated in paragraph (b)(1)(ii) of this section.

(ii) If OPM receives an application for refund within 1 year of the date the agency's debt claim was received and the creditor agency indicates that interest accrues on the debt, when necessary, OPM will contact the creditor agency to confirm that the debt is outstanding and request submission in writing, of the total additional accrued interest. OPM will not make interest computations for creditor agencies.

(iii) When OPM receives an application for refund more than 1 year after the creditor agency's debt claim was received, whether interest accrues or not, OPM will contact the creditor agency to see if the debt is still outstanding and, when necessary, request an update of the interest charges. If the debt is still due, the creditor agency must give the debtor an opportunity to establish that his or her changed financial circumstances, if any, would make the offset unjust. (See 4 CFR 102.4(c).) If the creditor agency determines that offset as requested in the debt claim would be unjust because of the debtor's changed financial circumstances, the agency should permit the debtor to offer a satisfactory repayment plan in lieu of offset. If the agency decides to pursue the offset, it must submit to OPM the requested information and any new instructions within 60 days of the date of OPM's request or the claim may be voided and the balance paid to the individual.

(c) *Annuities—incomplete debt claims.* If a creditor agency sends OPM notice of a debt or an incomplete debt claim against a debtor who is receiving an annuity, OPM will not offset the annuity. OPM will notify the creditor agency that the procedures in this subpart and 4 CFR 102.4 must be completed; and a debt claim must be completed and sent to OPM. No time limit will be given for the submission of a debt claim against an annuity; however, a complete debt claim must be received within 10 years of the date the Government's right to collect first accrued (4 CFR 102.3(b)(3)).

(d) *Annuities—complete debt claims*—(1) *General*—(i) *Notice.* When OPM receives a complete debt claim and an application for annuity, OPM will offset the annuity, pay the creditor agency, and mail the debtor a copy of the debt claim along with notice of the payment to the creditor agency.

(ii) *Beginning deductions.* If OPM has already established the debtor's annuity payment, deductions will begin

with the next available annuity payment. If OPM is in the process of establishing the annuity payments, deductions will not be taken from advance annuity payments, but will begin with the annuity payable on the first day of the month following the last advance payment.

(iii) *Updating accrued interest.* Once OPM has completed a collection, if there are additional accrued interest charges, the creditor agency must contact OPM regarding any additional amount due within 90 days of the date of the final payment.

(2) *Claims held for future recovery.* (i) If OPM receives an application for annuity within 1 year of the date the agency's debt claim was received, the debt will be processed as stated in paragraph (d)(1) of this section.

(ii) If OPM receives an application for annuity more than 1 year after the agency's debt claim was submitted, OPM will contact the creditor agency to see if the debt is still outstanding. If the debt is still due, the creditor agency should permit the debtor to offer a satisfactory repayment plan in lieu of offset if the debtor establishes that his or her changed financial circumstances would make the offset unjust. (See 4 CFR 102.4(c).) If the agency decides to pursue the offset, it must submit the requested information and any new instructions about the collection to OPM.

(3) *Limitations on OPM review.* In no case will OPM review—

(1) The merits of a creditor agency's decision with regard to reconsideration, compromise, or waiver; or

(2) The creditor agency's decision that a hearing was not required in any particular proceeding.

§ 831.1807 Installment withholdings.

(a) When possible, OPM will collect a creditor agency's full claim in one payment from the debtor's refund or annuity.

(b) If collection must be made from an annuity and the debt is large, the creditor agency must generally accept payment in installments. The responsibility for establishing and notifying the debtor of the amount of the installments belongs to the creditor agency (see § 831.1805(b)(5)). However, OPM will not make an installment deduction for more than 50 percent of net annuity, unless a higher percentage is needed to satisfy a judgment against a debtor within 3 years or the annuitant has consented to the higher amount in writing. All correspondence concerning installment deductions received by OPM will be referred to the creditor agency for consideration.

§ 831.1808 Special processing for fraud claims.

When an agency sends a claim indicating fraud, presentation of a false claim, misrepresentation by the debtor or any other party interested in the claim, or any claim based in whole or part on conduct violating the antitrust laws, to the Department of Justice (Justice) for possible treatment as a fraud claim (4 CFR 101.3), the following special procedures apply.

(a) *Agency processing.* If the debtor is separated or separates while Justice is reviewing the claim, the paying agency must send the SF 2806 to OPM, as required by § 831.1805(c)(2). The agency where the claim arose must send OPM notice that a claim is pending with Justice. (See § 831.1805(b)(6) for instructions on giving OPM a notice of debt.)

(b) *Department of Justice processing.* (1) The Attorney General or a designee will decide whether a debt claim sent in by an agency will be reserved for collection by Justice as a fraud claim. Upon receiving a possible fraud claim to be collected by offset from the Fund, the Attorney General or a designee must notify OPM. The notice to OPM must contain the following:

(i) The name, date of birth, and social security number of the debtor;

(ii) The amount of the possible fraud claim, if known;

(iii) The basis of the possible fraud claim; and

(iv) A statement that the claim is being considered as a possible fraud claim, the collection of which is reserved to Justice.

(2) When there is a pending refund application, the Attorney General or designee must file a complaint seeking a judgment on the claim and send a copy of the complaint to OPM; or as provided in 4 CFR 101.3, refer the claim to the agency where the claim arose and

submit a copy of the referral to OPM within 180 days of the date of either notice from the agency that a claim is pending with Justice (paragraph (a) of this section) or notice from Justice that it has received a possible fraud claim (paragraph (b)(1) of this section) whichever is earlier. When the claim is referred to the agency where it arose, the agency must begin administrative collection action under 4 CFR 102.4 and send a complete debt claim to OPM as required in §831.1805.

(c) *OPM processing against refunds.* (1) Upon receipt of a notice under paragraph (a) or (b)(1) of this section, whichever is earlier, OPM will withhold the amount of the debt claim, if known; notify the debtor that the amount of the debt will be withheld from the refund for at least 180 days from the date of the notice that initiated OPM processing; and pay the balance to the debtor. If the amount of the debt claim is not known, OPM will notify the debtor that a debt claim may be offset against his or her refund and that OPM will not pay any amount until either the amount of the debt claim is established, or the time limit for filing a complaint in court or submitting the debt claim expires, whichever comes first.

(2) If the Attorney General files a complaint and notifies OPM within the applicable 180-day period, OPM will continue to withhold payment of the lump-sum credit until there is a final judgment.

(3) If the Attorney General refers the claim to the agency where the claim arose (creditor agency) and notifies OPM within the applicable 180-day period, OPM will notify the creditor agency that the procedures in this subpart and 4 CFR 102.4 must be completed; and a debt claim must be sent to OPM within 120 days of the date of OPM's notice to the creditor agency. At the request of the creditor agency, one extension of time of not more than 60 days will be granted, as provided by §831.1806(a).

(4) If OPM is not notified that a complaint has been filed or that the claim has been referred to the creditor agency within the applicable 180-day period, OPM will pay the balance of the refund to the debtor.

(d) *OPM processing against annuities.* If the debtor has filed an annuity claim, OPM will not take action against the annuity. OPM will continue to pay the annuity unless and until there is a final judgment for the United States or submission of a complete debt claim.

(e) *OPM collection and payment of the debt.* (1) If the United States obtains a judgment against the debtor for the amount of the debt or the creditor agency submits a complete debt claim, OPM will collect and pay the debt to the creditor agency as provided in §§831.1806 and 831.1807.

(2) If the suit or the administrative proceeding results in a judgment for the debtor without establishing a debt to the United States, OPM will pay the balance of the refund to the debtor upon receipt of a certified copy of the judgment or administrative decision.

Subpart S—State Income Tax Withholding

SOURCE: 47 FR 50679, Nov. 9, 1982, unless otherwise noted.

§831.1901 Definitions.

For the purpose of this subpart:

Agreement means the Federal-State agreement contained in this subpart.

Annuitant means an employee or Member retired, or a spouse, widow, or widower receiving survivor benefits, under the provisions of subchapter III, chapter 83 of title 5, United States Code.

Effective date means, with respect to a request or revocation, that the request or revocation will be reflected in payments authorized after that date, and before the next request or revocation is implemented.

Fund means the Civil Service Retirement and Disability Fund as established and described in section 8348 of title 5, United States Code.

Income tax and *State income tax* mean any form of tax for which, under a State statute, (a) collection is provided, either in imposing on employers generally the duty of withholding sums from the compensation of employees and making returns of such sums to the State or by granting to employers generally the authority to withhold

sums from the compensation of employees, if any employee voluntarily elects to make such sums withheld; and (b) the duty to withhold generally is imposed, or the authority to withhold generally is granted, with respect to the compensation of employees who are residents of the State.

Net recurring payment means the amount of annuity or survivor benefits (not recurring interim payments made while a claim is pending adjudication) payable to the annuitant on a monthly basis less the amounts currently being deducted for health benefits, Medicare, life insurance, Federal income tax, overpayment of annuity, indebtedness to the Government, voluntary allotments, waivers, or being paid to a third party or a court officer in compliance with a court order or decree.

Net withholding means the amount of State income tax deductions withheld during the previous calendar quarter as a result of requests which designated the State as payee, less similar deductions taken from prior payments which were cancelled in the previous calendar quarter. *Proper State official* means a State officer authorized to bind the State contractually in matters relating to tax administration.

Received means, in respect to the magnetic tape containing requests and revocations, received at the special mailing address established by OPM for income tax requests, or, for those items not so received, received at the OPM data processing center charged with processing requests.

Request means, in regard to a request for tax withholding, a change in the amount withheld, or revocation of a prior request, a written submission from an annuitant in a format acceptable to the State which provides the annuitant's name, Civil Service Retirement Claim number, Social Security identification number, address, the amount to be withheld and the State to which payment is to be made, which is signed by the annuitant or, in the case of incompetence, his or her representative payee.

State means a State, the District of Columbia, or any territory or possession of the United States.

§ 831.1902 Federal-State agreements.

OPM will enter into an agreement with any State within 120 days of an application for agreement from the proper State official. The terms of the standard agreement will be §§ 831.1903 through 831.1906 of this subpart. OPM and the State may agree to additional terms and provisions, insofar as those additional terms and provisions do not contradict or otherwise limit the terms of the standard agreement.

§ 831.1903 OPM responsibilities.

OPM will, in performance of this agreement:

(a) Process the magnetic tape containing State tax transactions against the annuity roll once a month at the time monthly recurring payments are prepared for the United States Treasury Department. Errors that are identified will not be processed into the file, and will be identified and returned to the State for resolution via the monthly error report. Collections of State income tax will continue in effect until the State requesting the initial action supplies either a valid revocation or change. The magnetic tape must be received 35 days prior to the date of the check in which the transactions are to be effective. For example, withholding transactions for the July 1 check must be received 5 days prior to June 1. If the magnetic tape submitted by the State cannot be read, OPM will notify the State of this fact, and if a satisfactory replacement can be supplied in time for monthly processing, it will be processed.

(b) Deduct from the regular, recurring annuity payments of an annuitant the amount he or she has so requested to be withheld, provided that:

(1) The amount of the request is an even dollar amount, not less than Five Dollars nor more than the net recurring amount. The State may set any even dollar amount above Five Dollars as a minimum withholding amount.

(2) The annuitant has not designated more than one other State for withholding purposes within the calendar year. The State can set any limit on the number of changes an annuitant may make in the amount to be withheld.

(c) Retain the amounts withheld in the Fund until payment is due.

(d) Pay the net withholding to the State on the last day of the first month following each calendar quarter.

(e) Make the following reports:

(1) A monthly report which will include all the State tax withholdings, cancellations and adjustments for the month, and also each request OPM was not able to process, with an explanation, in coded format, of the reason for rejection.

(2) A quarterly report which will include State, State address, quarterly withholdings, quarterly cancellations and adjustments, quarterly net withholdings and year-to-date amounts. Where cancelled or adjusted payments were made in a previous year, OPM shall append a listing of the cancelled or adjusted payments which shows the date and amount of each cancelled or adjusted tax withholding, and the name and Social Security identification number of the annuitant from whom it was withheld. If either party terminates the agreement and the amount of cancelled or adjusted deductions exceeds the amount withheld for the final quarter, then the quarterly report shall show the amount to be refunded to OPM and the address to which payment should be made.

(3) An annual summary report which contains the name, Social Security identification number, and total amount withheld from non-cancelled payments during the previous calendar year, for each annuitant who requested tax withholding payable to the State. In the event the annuitant had State income tax withholding in effect for more than one State in that calendar year, the report will show only the amount withheld for the State receiving the report.

(4) An annual report to each annuitant for whom State income taxes were withheld giving the amount of withholding paid to the State during the calendar year.

§831.1904 State responsibilities.

The State will, in performance of this agreement:

(a) Accept requests and revocations from annuitants who have designated that State income tax deductions will go to the State.

(b) Convert these requests on a monthly basis to a machine-readable magnetic tape using specifications received from OPM, and forward that tape to OPM for processing.

(c) Inform annuitants whose tax requests are rejected by OPM that the request was so rejected and of the reason why it was so rejected.

(d) Recognize that, to the extent not prohibited by State laws, records maintained by the State relating to this program are considered jointly maintained by OPM and are subject to the Privacy Act of 1974 (5 U.S.C. 552a). Accordingly, the States will maintain such records in accordance with that statute and OPM's implementing regulations at 5 CFR part 297.

(e) Respond to requests of annuitants for information and advice in regard to State income tax withholding.

(f) Credit the amounts withheld from civil service annuities to the State tax liability of the respective annuitants, and, subject to applicable provisions of State law to the contrary, refund any balance over and above that liability to the annuitant, unless he or she should request otherwise.

(g) Surrender all tax withholding requests to OPM when this agreement is terminated or when the documents are not otherwise needed for this State tax withholding program.

(h) Allow OPM, the Comptroller General or any of their duly authorized representatives access to, and the right to examine, all records, books, papers or documents related to the processing of requests for State income tax withholding from civil service annuities.

§831.1905 Additional provisions.

These additional provisions are also binding on the State and OPM:

(a) A request or revocation is effective when processed by OPM. OPM will process each request by the first day of the second month following the month in which it is received, but incurs no liability or indebtedness by its failure to do so.

(b) Any amount deducted from an annuity payment and paid to the State as a result of a request is deemed properly

paid, unless the annuity payment itself is cancelled.

(c) OPM will provide the State with the information necessary to properly process a request for State income tax withholding.

(d) If the State is paid withholding which is contrary to the terms of the annuitant's request, the State is liable to the annuitant for the amount improperly withheld, and subject to account verification from OPM, agrees to pay that amount to the annuitant on demand.

(e) In the case of a disputed amount in any of the reports described and authorized by this agreement, the Associate Director for Compensation of OPM will issue an accounting. If the State finds this accounting unacceptable, it may then and only then pursue such remedies as are otherwise available.

(f) If a State receives an overpayment of monies properly belonging to the Fund, OPM will offset the overpayment from a future payment due the State. If there are no further payments due the State, OPM will inform the State in writing of the amount due. Within 60 days of the date of receipt of that communication the State will make payment of the amount due.

§ 831.1906 Agreement modification and termination.

This agreement may be modified or terminated in the following manner:

(a) Either party may suggest a modification of non-regulatory provisions of the agreement in writing to the other party. The other party must accept or reject the modification within 60 calendar days of the date of the suggestion.

(b) The agreement may be terminated by either party on 60 calendar days written notice.

(c) OPM may modify this agreement unilaterally through the rule making process described in sections 553, 1103, 1105 of title 5, United States Code.

§ 831.1907 Authority to use the Federal Personnel Manual System.

OPM may provide such further rules, procedural instructions, and operational guidance as may be necessary and proper under this subpart and not inconsistent therewith, in the Federal Personnel Manual System.

§831.2003 Eligibility for lump-sum payment upon death or retirement.

(a) If there is no survivor who is entitled to monthly survivor annuity benefits on the death of a former employee, Member, annuitant, or survivor annuitant, the total lump-sum credit to the former employee's or Member's credit in the Retirement Fund is payable, except as provided in section 3716 of title 31, United States Code, on administrative offset for government claims, to the person(s) entitled in the normal order of precedence described in section 8342(c) of title 5, United States Code. (b) If an annuity is payable, the former employee, Member or the person entitled in the order of precedence described in section 8342(c) of title 5, United States Code, may be paid, except as provided in section 3716 of title 31, United States Code, administrative offset for government claims, lump-sum payment of—

(2) Completed deposits for nondeduction civilian service performed on and after October 1, 1982, unless the service covered by the deposit is not creditable under the retirement system; or

(3) Completed deposits for post-1956 military services, unless the service covered by the deposit is not creditable under the retirement system.

Payments of the partial or completed deposits mentioned in this paragraph are subject to 31 U.S.C. 3716 (administrative offset for government claims).

(d) A former employee or Member who is eligible for a nondisability annuity may not be paid a lump-sum payment of a partial redeposit for refunded deductions relating to a period of service that ended before October 1, 1990.

§ 831.2007 Notification of current and/or former spouse before payment of lump sum.

(a) Payment of the lump-sum credit based on a refund application filed on or after May 7, 1985, may be made only if any current spouse and any former spouse (from whom the employee or Member was divorced after May 6, 1985) are notified of the former employee's or Member's application.

(b)(1) Notification of the former spouse will not be required if the marriage to the former spouse was of less than 9 months duration or if the employee has not completed a total of 18 months of creditable service covered under the retirement system.

(2) The current mailing address of the current or former spouse. OPM will attempt to notify (by certified mail—return receipt requested) the current or former spouse at the address provided by the employee or Member. Except as provided in paragraph (e) of this section, the lump-sum credit will not be paid until at least 20 days after OPM receives the signed return receipt.

(e) If an OPM notice sent under paragraph (d)(2) of this section is returned and OPM has no reason to believe that the current or former spouse does not live at the address to which the notice was sent, OPM will re-mail the notice by first class mail and wait at least 20 days after the notice has been re-mailed before paying the refund.

§831.2010 Transfers between retirement systems.

Transfers of employees' contributions between the Civil Service Retirement and Disability Fund and other retirement systems for Federal or District of Columbia employees when made in accordance with Federal statute for the purpose of transferring retirement service credit to the other retirement system are not subject to the notice requirements or court order provisions of this subpart.

[51 FR 31937, Sept. 8, 1986]

§831.2011 Effect of part 772 of this chapter on CSRS lump-sum payments.

(a) An interim appointment under §772.102 of this chapter does not affect the lump-sum payment of retirement contributions made to a separated employee unless it becomes effective within 31 days of the employee's separation from the service. An interim appointment effective within 31 days of the employee's separation makes the employee ineligible for the lump-sum payment. Payments made in error will be collected under subpart M of part 831 of this chapter.

(b) When an employee's separation is cancelled after the MSPB initial decision becomes final, when the Board issues a final order cancelling the employee's separation, or when the agency and the employee agree to cancel the separation, the agency must notify OPM and request the amount of the erroneous lump-sum payment.

(c) At the time the employee's separation is cancelled, the agency must deduct the amount of the lump-sum payment from any back pay to which the employee is entitled as required by 5 CFR 550.805(e).

(d) Amounts recovered from back pay will not be subject to waiver consideration under 5 U.S.C. 8346(b). If there is no back pay or the back pay is insufficient to recover the erroneous payment, the employee may request that OPM waive the recovery of the uncollected portion of the overpayment. If waiver is not granted, the employee must repay the erroneous payment.

Sufficient evidence of basic pay for service exists when the employee, Member, or survivor eligible to make a deposit for service provides copies of all official military pay documents, as identified in Federal Personnel Manual instructions published by OPM, which show the exact basic pay he or she received for a full period of service. Notwithstanding the provisions of paragraph (a)(2) of this section, a separated employee who, through administrative error, did not make or complete the deposit prior to his or her separation must complete the deposit in a lump sum within the time limit set by OPM when it rules that an administrative error has been made.

(2) If the employee or Member cannot make payment in a lump sum, the agency, the Clerk of the House of Representatives, or the Secretary of the Senate shall accept installment payments (by allotments or otherwise). However, agencies, the Clerk of the House of Representatives, and the Secretary of the Senate will not be required to accept individual checks in amounts of less than $50.

(3) If the employee or Member dies, the employing agency, the Clerk of the House of Representatives or the Secretary of the Senate shall advise the survivor of the right to make or complete a deposit. If the survivor decides to make or complete the payment, the agency, the Clerk of the House of Representatives, or the Secretary of the Senate shall collect the amount due in one lump sum.

(4) Payments received by the employing agency, the Clerk of the House of Representatives, or the Secretary of the Senate shall be remitted immediately to OPM for deposit to the Fund.

(5) Once the employee's, Member's, or survivor's deposit has been paid in full or closed out, the employing agency, the Clerk of the House of Representatives, or the Secretary of the Senate shall submit documentation pertaining to the deposit to OPM, in accordance with instructions published in the Federal Personnel Manual.

(6) Deposits must be made for full periods of service.

(b) Deposits made to OPM.

(1) Deposits made to OPM shall be made in a lump sum prior to final adjudication of the application for retirement or survivor benefits.

(2) Deposits must be made for full periods of service.

Subpart V—Alternative Forms of Annuities

SOURCE: 51 FR 42989, Nov. 28, 1986, unless otherwise noted.

§831.2201 Purpose.

This subpart explains the benefits available to employees and Members who elect an alternative form of annuity under section 8343a of title 5, United States Code.

§831.2202 Definitions.

In this subpart—

Alternative form of annuity means the benefit elected under §831.2204.

Current spouse annuity has the same meaning as in §831.603.

Date of final adjudication means the date 30 days after the date of the first regular monthly payment as defined in §831.603.

Former spouse annuity has the same meaning as in §831.603.

Lump-sum credit has the same meaning as in 5 U.S.C. 8331(8).

Present value factor represents the amount of money (earning interest at an assumed rate) required at the time of retirement to fund an annuity that:

(a) Starts out at the rate of $1 a month and is payable in monthly installments for the annuitant's lifetime based on mortality rates for non-disability annuitants under the Civil Service Retirement System; and (b) increases each year at an assumed rate of inflation. Interest, mortality, and inflation rates used in computing the present value are those used by the Board of Actuaries of the Civil Service Retirement System for valuation of the System, based on dynamic assumptions. The present value factors are unisex factors obtained by averaging sex-distinct present value factors, weighted by the total dollar value of annuities typically paid to new retirees at each age.

Time of retirement has the same meaning as in § 831.603.

[51 FR 42989, Nov. 28, 1986, as amended at 54 FR 10136, Mar. 10, 1989]

§ 831.2203 Eligibility.

(a) Except as provided in paragraphs (b), (c), and (h) of this section, an employee or Member whose annuity entitlement commences after June 5, 1986, under any provision of subchapter III of chapter 83 of title 5, United States Code (other than section 8337 of that title), may elect an alternative form of annuity instead of any other benefits under the subchapter.

(b) An employee or Member who, at the time of retirement has a former spouse who is entitled to a portion of the employee's or Member's retirement benefits or a former spouse annuity under a court order acceptable for processing as defined by § 838.103 of this chapter or under a qualifying court order as defined in § 838.1003 of this chapter may not elect an alternative form of annuity.

(c) An employee or Member who is married at the time of retirement may not elect an alternative form of annuity unless the employee's or Member's spouse specifically consents to the election before the date of final adjudication. OPM may waive spousal consent only under the conditions prescribed by § 831.618.

(d) The election of an alternative form of annuity and evidence of spousal consent must be filed on a form prescribed by OPM. The form will require that a notary public or other official authorized to administer oaths certify that the current spouse presented identification, gave consent to the specific election as executed by the retiree, signed or marked the form, and acknowledged that the consent was given freely in the notary's or official's presence.

(e) An election of the alternative form of annuity must be in writing and received by OPM on or before the date of final adjudication. After the date of final adjudication, an election of the alternative form of annuity is irrevocable.

(f) Except as provided in paragraph (g), an annuitant who dies before the date of final adjudication is deemed to have made an affirmative election under paragraph (a) with a fully reduced annuity to provide a current spouse annuity, regardless of any election completed under § 831.614, and the lump-sum credit will be paid in accordance with the order of precedence established under 5 U.S.C. 8342(c).

(g) If an annuitant described in paragraph (f) has completed an election under § 831.611(a) or (b)—

(1) The lump-sum credit will be paid in accordance with the order of precedence established under 5 U.S.C. 8342(c); and

(2) The election under § 831.611(a) or (b) will be honored.

(h)(1)(i) An individual whose annuity commences after December 1, 1990, and before October 1, 1994, may elect an alternative form of annuity only if that individual is—

(A) An employee or Member who meets the conditions and fulfills the requirements described in § 831.2207(c) (2) and (3); or

(B) An employee who is separated involuntarily other than for cause on charges of misconduct or delinquency;

(ii) An individual whose annuity commences on or after October 1, 1994, may elect an alternative form of annuity only if that individual is an employee or Member who meets the conditions and fulfills the requirements described in § 831.2207(c) (2) and (3).

(2) For the purpose of paragraph (h)(1)(i)(B) of this section, the term ''employee'' does not include—

(i) Members of Congress;

(ii) Individuals in positions in the Executive Schedule under sections 5312 through 5317 of title 5, United States Code;

(iii) Presidential appointees under section 105(a)(1), 106(a)(1), or 107 (a)(1) or (b)(1) of title 3, United States Code, if the maximum basic pay for such positions is at or above the rate for Executive Schedule, level V;

(iv) Noncareer appointees in the Senior Executive Service or noncareer members of the Senior Foreign Service; and

(v) Any individual in a position that is excepted from the competitive service because of its confidential, policy-determining, policy-making, or policy-advocating character.

(3) Notwithstanding paragraph (h)(1) of this section, an employee whose annuity commences after December 1, 1990, and before December 2, 1991, may elect an alternative form of annuity if that individual—

(i)(A) Was ordered to active military duty (other than for training) before December 1, 1990, in connection with Operation Desert Shield; or

(B) Is an employee of the Department of Defense who is certified by the Secretary of Defense to have performed, after November 30, 1990, duties essential to support Operation Desert Shield, and the certification is submitted to OPM in a form prescribed by OPM; and

(ii) Would have been eligible, as of November 30, 1990, to elect an alternative form of annuity under paragraph (a) of this section.

[51 FR 42989, Nov. 28, 1986, as amended at 53 FR 11634, Apr. 8, 1988; 56 FR 6551, Feb. 19, 1991; 57 FR 33598, July 29, 1992; 58 FR 52882, Oct. 13, 1993; 60 FR 54586, 54587, Oct. 25, 1995]

§831.2204 Alternative forms of annuities available.

(a) An employee or Member who is eligible to make an election under §831.2203 may elect to receive his or her lump-sum credit plus an annuity computed in accordance with section 8339 of title 5, United States Code, for which they qualify (including any reduction for survivor benefits) and reduced under §831.2205.

(b) A retired employee or Member who elected an alternative form of annuity is subject to all provisions of subchapter III of chapter 83 of title 5, United States Code, as would otherwise apply to a retired employee or Member who did not elect an alternative form of annuity, except that an individual who elected an alternative form of annuity is not eligible to apply for disability annuity under section 8337 of such subchapter.

[51 FR 42989, Nov. 28, 1986, as amended at 53 FR 11634, Apr. 8, 1988; 54 FR 10136, Mar. 10, 1989]

§831.2205 Computation of alternative form of annuity.

(a) To compute the beginning rate of annuity payable to a retiree who elects an alternative form of annuity, OPM will first compute the monthly rate of annuity otherwise payable under subchapter III of chapter 83 of title 5, United States Code, including all reductions provided under the subchapter other than those in §8343a. That monthly rate is then reduced by an amount equal to the retiree's lump-sum credit divided by the present value factor for the retiree's attained age (in full years) at the time of retirement. The reduced monthly rate is then rounded to the next lowest dollar and becomes the rate of annuity payable.

(b) OPM will publish a notice in the FEDERAL REGISTER announcing any proposed ajustments in present value factors at least 30 days before the effective date of the adjustments.

§831.2206 Election to pay deposit or redeposit for civilian service.

(a) If an employee or Member who elects an alternative form of annuity owes a deposit or redeposit for civilian service, and elects to pay that deposit or redeposit before the date of final adjudication, OPM will compute the annuity as if the deposit or redeposit had been made and will deem that deposit or redeposit to be included in the lump-sum credit for the purpose of computing the reduction in annuity under §831.2205.

(b) The amount of a deposit or redeposit deemed paid under paragraph (a) of this section will include any interest owed by the employee or Member under 5 U.S.C. 8334.

(c) For the purpose of paragraph (a) of this section, ''redeposit'' does not include a redeposit owed for service for which credit is allowed pursuant to § 831.303(c)(1).

[54 FR 10136, Mar. 10, 1989, as amended at 56 FR 43865, Sept. 5, 1991]

§ 831.2207 Partial deferred payment of the lump-sum credit if annuity commences after January 3, 1988, and before October 1, 1989.

(a) Except as provided in paragraph (c) of this section, if the annuity of an employee or Member commences after January 3, 1988, and before October 1, 1989, the lump-sum credit payable under § 831.2204 is payable to the individual, or his or her survivors, according to the following schedule:

(1) Sixty percent of the lump-sum credit is payable at the time of retirement, and

(2) Forty percent is payable, with interest determined under section 8334(e)(3) of title 5, United States Code, one year after the time of retirement.

(b) If an employee or Member whose annuity commences after January 3, 1988, and before October 1, 1989, dies before the date of final adjudication, that individual is subject to § 831.2203 (f) or (g), but the lump-sum credit will be paid in accordance with the schedule in paragraph (a) of this section.

(c) An annuitant is exempt from the deferred payment schedule under paragraph (a) of this section if the individual—

(1) Separates involuntarily, other than for cause on charges of delinquency or misconduct, or

(2) Has, at the time of retirement, a life-threatening affliction or other critical medical condition.

(3)(i) For the purpose of this section, *life-threatening affliction or other critical medical condition* means a medical condition so severe as to reasonably limit an individual's probable life expectancy to less than 2 years.

(ii) The existence of one of the following medical conditions is *prima facie* evidence of a life threatening affliction or other critical medical condition:

(A) Metastatic and/or inoperable neoplasms.

(B) Aortic stenosis (severe).

(C) Class IV cardiac disease with congestive heart failure.

(D) Respiratory failure.

(E) Cor pulmonale with respiratory failure.

(S) Amyotrophic lateral sclerosis (rapidly progressive).

(T) Hemiplegia with life threatening complications.

(U) Quadriplegia with life threatening complications.

(iii) Evidence of the existence of a life-threatening affliction or other critical medical condition must be certified by a physician and sent to OPM on or before the date the annuitant elects to receive an alternative form of annuity. For the purpose of this section, ''physician'' has the same meaning given that term in § 339.102 of this chapter.

(iv) If a medical condition other than those listed in paragraph (c)(3)(ii) of this section is claimed as a basis for exemption from the deferred payment schedule, OPM will review the physician's certification to determine whether the cited condition is life-threatening or critical.

(v) The cost of providing medical documentation under this paragraph rests with the employee or Member, unless OPM exercises its choice of physician.

[53 FR 11634, Apr. 8, 1988, as amended at 60 FR 54586, Oct. 25, 1995]

§831.2208 Partial deferred payment of the lump-sum credit if annuity commences after December 2, 1989, and before October 1, 1995.

(a) Except as provided in paragraph (c) of this section, if the annuity of a retiree commences after December 2, 1989, and before October 1, 1994, the lump-sum credit payable under §831.2204 is payable to the individual, or his or her survivors, according to the following schedule:

(1) Fifty percent of the lump-sum credit is payable at the time of retirement, and

(2) Fifty percent is payable, with interest determined under section 8334(e)(3) of title 5, United States Code, 1 year after the time of retirement, except if the payment date of the amount specified in paragraph (a)(1) of this section was after December 4, 1989, payment with interest will be made in the calendar year following the calendar year in which the payment specified in paragraph (a)(1) of this section was made.

(b) If a retiree whose annuity commences after December 2, 1989, and before October 1, 1994, and who is otherwise entitled to a computation under this subpart, dies before the date of final adjudication, that individual is subject to §831.2203 (f) or (g), but the lump-sum credit will be paid in accordance with the schedule in paragraph (a) of this section.

(c)(1) A retiree is exempt from the deferred payment schedule under paragraph (a) of this section if the individual meets the conditions, and fulfills the requirements, described in §831.2207(c).

(2)(i) A retiree who is exempt from the deferred payment schedule may waive that exemption by notifying OPM, in writing, on or before the date he or she elects to receive the alternative form of annuity.

(ii) Paragraph (c)(2)(i) of this section does not apply to an individual whose annuity commences after December 1, 1990, if that individual's eligibility to elect an alternative form of annuity is pursuant to §831.2203(h)(1)(i)(A).

[56 FR 6551, Feb. 19, 1991, as amended at 56 FR 43865, Sept. 5, 1991; 60 FR 54587, Oct. 25, 1995]

§831.2209 Redetermined annuity after reemployment.

(a) For purposes of this section, ''lump-sum credit'' does not include—

(1) The amount by which the lump-sum credit attributable to service performed before the annuitant's first retirement was reduced by annuity payments that were not reimbursed by the employing agency under section 8344(a) of title 5, United States Code, or

(2) Any part of the lump-sum credit attributable to service performed before the annuitant's first retirement that has already been paid to the annuitant pursuant to an election or an alternative form of annuity.

(b) An annuitant who meets the requirements for a redetermined annuity under subpart H, and who meets all requirements of §831.2203, may elect an alternative form of annuity.

(c) To compute the beginning rate of the redetermined annuity payable to an annuitant who elects an alternative form of annuity, OPM will first compute the monthly rate payable under subchapter III of chapter 83 of title 5, United States Code, including all reductions provided under the subchapter other than those in section 8343a. That monthly rate is then reduced by the sum of—

(1)(i) Any reduction that was computed under §831.2205 at the time of the annuitant's prior retirement, increased by—

(ii) All cost-of-living adjustments under section 8340 of title 5, United States Code that applied to the annuitant before the commencing date of the redetermined annuity, and

(d) The beginning rate of a redetermined annuity payable to an annuitant who does not elect, or is not eligible to elect, an alternative form of annuity

will be reduced in accordance with paragraph (c)(1) of this section.

Subparts A–E—[Reserved]

Subpart F—Collection of Debts by Federal Tax Refund Offset

§ 835.601 Purpose.

This subpart establishes procedures for OPM to refer past-due legally enforceable debts to the Internal Revenue Service (IRS) for offset against the income tax refunds of persons owing debts to OPM. It specifies the agency procedures and the rights of the debtor applicable to claims referred under the Federal Tax Refund Offset Program for the collection of debts owed to OPM.

§ 835.602 Past-due legally enforceable debt.

A past-due legally enforceable debt for referral to the IRS is a debt that—

(a) Resulted from—

(1) Erroneous payments made under the Civil Service Retirement or the Federal Employees' Retirement Systems; or

(2) Unpaid health or life insurance premiums due under the Federal Employees' Health Benefits or Federal Employees' Group Life Insurance Programs; or

(3) Any other statute administered by OPM;

(b) Is an obligation of a debtor who is a natural person;

(c) Except in the case of a judgment debt, has been delinquent at least 3 months but not more than 10 years at the time the offset is made;

(d) Is at least $25.00;

(e) With respect to which the individual's rights described in 5 CFR 831.1301 through 831.1309 have been exhausted;

(f) With respect to which either:

(1) OPM's records do not contain evidence that the person owing the debt (or his or her spouse) has filed for bankruptcy under title 11 of the United States Code; or

(2) OPM can clearly establish at the time of the referral that the automatic stay under 11 U.S.C. 362 has been lifted or is no longer in effect with respect to the person owing the debt or his or her spouse, and the debt was not discharged in the bankruptcy proceeding;

(g) Cannot currently be collected under the salary offset provisions of 5 U.S.C. 5514(a)(1);

(h) Is not eligible for administrative offset under 31 U.S.C. 3716(a) because of 31 U.S.C. 3716(c)(2), or cannot currently be collected as an administrative offset by OPM under 31 U.S.C. 3716(a) against amounts payable to the debtor by OPM; and

(i) Has been disclosed by OPM to a consumer reporting agency as authorized by 31 U.S.C. 3711(f), unless the consumer reporting agency would be prohibited from reporting information concerning the debt by reason of 15 U.S.C. 1681c, or unless the amount of the debt does not exceed $100.

§ 835.603 Notification of intent to collect.

(a) *Notification before submission to the IRS.* A request for reduction of an IRS income tax refund will be made only after OPM makes a determination that an amount is owed and past-due and gives or makes a reasonable attempt to give the debtor 60 days written notice of the intent to collect by IRS tax refund offset.

(b) *Contents of notice.* OPM's notice of intention to collect by IRS tax refund offset (Notice of Intent) will state:

(1) The amount of the debt;

(2) That unless the debt is repaid within 60 days from the date of OPM's Notice of Intent, OPM intends to collect the debt by requesting the IRS to reduce any amounts payable to the debtor as a Federal income tax refund by an amount equal to the amount of the debt and all accumulated interest and other charges;

(3) A mailing address for forwarding any written correspondence and a contract name and a telephone number for any questions; and

(4) That the debtor may present evidence to OPM that all or part of the debt is not past due or legally enforceable by—

(i) Sending a written request for a review of the evidence to the address provided in the notice;

(ii) Stating in the request the amount disputed and the reasons why the debtor believes that the debt is not past-due or is not legally enforceable;

(iii) Including in the request any documents that the debtor wishes to be considered or stating that the additional information will be submitted within the remainder of the 60-day period.

§ 835.604 Reasonable attempt to notify.

In order to constitute a reasonable attempt to notify the debtor, OPM must have used a mailing address for the debtor obtained from the IRS pursuant to 26 U.S.C. 6103(m)(2) within a period of 1 year preceding the attempt to notify the debtor, unless OPM received clear and concise notification from the debtor that notices from the agency are to be sent to an address different from the address obtained from IRS. Clear and concise notice means that the debtor has provided the agency with written notification, including the debtor's name and identifying number (as defined in 26 CFR 301.6109–1), and the debtor's intent to have the agency notices sent to the new address.

§ 835.605 OPM action as a result of consideration of evidence submitted as a result of the notice of intent.

(a) *Consideration of evidence.* If, as a result of the Notice of Intent, OPM receives notice that the debtor will submit additional evidence or receives additional evidence from the debtor within the prescribed time period, any notice to the IRS will be stayed until OPM can—

(1) Consider the evidence presented by the debtor; and

(2) Determine whether or not all or a portion of the debt is still past due and legally enforceable; and

(3) Notify the debtor of its determination.

(b) *Notification to the debtor.* Following review of the evidence, OPM will issue a written decision notifying the debtor whether OPM has sustained, amended, or canceled its determination that the debt is past-due and legally enforceable. The notice will advise the debtor of any further action to be taken and explain the supporting rationale for the decision.

(c) *OPM action on the debt.* (1) OPM will notify the debtor of its intent to refer the debt to the IRS for offset against the debtor's Federal income tax refund, if it sustains its decision that the debt is past-due and legally enforceable. OPM will also notify the debtor whether the amount of the debt remains the same or is modified.

(2) OPM will not refer the debt to the IRS for offset against the debtor's Federal income tax refund, if it reverses its decision that the debt is past-due and legally enforceable.

§ 835.606 Change in notification to Internal Revenue Service.

(a) Except as noted in paragraph (b) of this section, after OPM sends IRS notification of an individual's liability for a debt, OPM will promptly notify IRS of any change in the notification, if OPM—

(1) Determines that an error has been made with respect to the information contained in the notification;

(2) Receives a payment or credits a payment to the account of the debtor named in the notification that reduces the amount of the debt referred to the IRS for offset; or

(3) Receives notification that the individual owing the debt has filed for bankruptcy under title 11 of the United States Code or has been adjudicated bankrupt and the debt has been discharged.

(b) OPM will not notify the IRS to increase the amount of a debt owed by a debtor named in OPM's original notification to the IRS.

(c) If the amount of a debt is reduced after referral by OPM and offset by the IRS, OPM will refund to the debtor any excess amount and will promptly notify the IRS of any refund made by OPM.

§ 835.607 Administrative charges.

All administrative charges incurred in connection with the referral of the debts to the IRS will be assessed on the debt and thus increase the amount of the offset.

§ 837.103 Notice.

(a) *To OPM.* On or before the date a reemployed annuitant is appointed, the appointing agency must notify OPM in writing of the appointment, and provide OPM with the following information—

(1) The annuitant's name, date of birth, social security number (if applicable), and retirement claim number;

(2) A description of the kind of appointment;

(3) Whether the amount of annuity allocable to the period of reemployment is, or will be, withheld from the reemployed annuitant's pay, in accordance with § 837.303 of this part; and

(4) When the appointment is an interim appointment under § 772.102 of this chapter, an explicit statement that the appointment is required by the Whistleblower Protection Act of 1989.

(b) *To annuitant.* The agency should advise the annuitant in writing, generally, of the effect reemployment has on annuitant status and/or the continued receipt of annuity, the possible, future retirement benefits that may be payable to an annuitant on the basis of reemployment, and, for CSRS annuitants, whether the annuitant may elect to have retirement deductions withheld from his or her basic pay.

(c) *Obligation of annuitant to provide information.* Before appointment, and as a condition of reemployment, the annuitant must provide the employing agency with the following information—

(1) Whether the annuitant is then in receipt of annuity;

Subpart B—Annuitant and Employee Status

§ 837.201 Annuitant status.

Unless his or her annuity is terminated under the provisions of § 837.202 or § 837.403 of this part, an annuitant continues to be an annuitant throughout the period of reemployment, whether or not he or she continues to receive annuity payments during the period of reemployment.

§ 837.202 Annuities that terminate on reemployment.

(a) *FERS annuitants.* (1) The annuity of a FERS annuitant who is a disability annuitant whom OPM has found recovered or restored to earning capacity prior to reemployment terminates on reemployment.

(2) The annuity of a FERS annuitant who is a former military reserve technician awarded a disability retirement annuity under 5 U.S.C. 8456, in addition to being subject to paragraph (a)(1) of this section, shall terminate on the date the annuitant declines an offer of employment with a department or agency, where the employment is in the same commuting area and of the same grade as, or a level equivalent to, the position from which the annuitant retired.

(b) *CSRS annuitants.* (1) The annuity of a CSRS annuitant terminates on reemployment if—

(i) The annuitant is a disability annuitant whom OPM has found recovered or restored to earning capacity prior to reemployment, or whose disability annuity was awarded under the provisions of 5 U.S.C. 8337(h) because the annuitant was a National Guard Technician who was medically disqualified for continued membership in the National Guard;

(ii) The annuitant is not a retired Member and the annuity is based on an involuntary separation (other than a separation that was mandated by statute based on the annuitant's age and length of service, or a separation for cause on charges of misconduct or delinquency) where the reemployment would, if the individual were not an annuitant, be covered by CSRS;

(iii) The annuitant is not a retired Member and is appointed by the President to a position that would, if the individual were not an annuitant, be covered by CSRS; or

(iv) The annuitant is not a retired Member and is elected as a Member.

(2) A disability annuity awarded a former National Guard Technician under the provisions of 5 U.S.C. 8337(h) shall terminate on the date the annuitant declines an offer of employment with a department or agency, where the employment is in the same commuting area and of the same grade as, or a level equivalent to, the position from which the annuitant retired.

§ 837.203 Annuities that are suspended during reemployment.

(a) *All annuitants.* Payment of annuity is suspended when—

(1) The annuitant is appointed as a justice or judge of the United States, as defined by section 451 of title 28, United States Code; or

(2) The annuitant receives an interim appointment under § 772.102 of this chapter.

(b) *CSRS annuitants only.* Payment of annuity is suspended when the annuitant is a retired Member and becomes employed in an elective position, or is appointed to a position that is not intermittent or without pay.

Subpart C—Coverage and Contributions

§ 837.301 Coverage.

(a) *When annuity terminates on, or is suspended during, reemployment.* Retirement coverage under either CSRS or FERS is governed by subpart B of part 831 or subpart A of part 842 of this chapter, as is appropriate.

(b) *When annuity continues.* (1) Unless a reemployed FERS annuitant's employment is on an intermittent basis, as an employee subject to another retirement system, or as President, deductions for the Fund shall be made under 5 U.S.C. 8422(a).

(2) A CSRS annuitant is not subject to deductions, unless he or she is serving in an other-than-intermittent status (except as President), is not covered by another retirement system, and elects to have retirement deductions made from his or her pay. Generally, deductions are made no later

than the beginning of the first pay period immediately following the date the reemployed annuitant files the election with the employing agency. When the annuitant elects to have deductions made, he or she may not change the election during continuous service with that agency.

(3) The amount of basic pay prior to offset of annuity under § 837.303 of this part is used in computing the amount of deductions. The rate of retirement deductions is that which attaches to the position under the provisions of sections 8334(a), 8334(k), or 8422(a) of title 5, United States Code, as is applicable.

§ 837.302 Agency contributions.

(a) *FERS annuitants.* An agency that reemploys a FERS annuitant subject to retirement deductions under § 837.301(b)(1) of this part shall make contributions, as specified in 5 U.S.C. 8423, to the Fund, based on the reemployed annuitant's pay prior to offset of annuity under the provisions of § 837.303 of this part.

(b) *CSRS annuitants.* An agency that reemploys a CSRS annuitant is required to make an agency contribution when—

(1) The annuity is suspended or terminated under the provisions of subpart B of this part; and

(2) The appointment is subject to CSRS deductions under the provisions of subpart B of part 831 of this chapter.

§ 837.303 Annuity offset.

(a) *Applicability.* When the right to receive annuity continues during reemployment (even though actual receipt of annuity may have been waived under 5 U.S.C. 8345(d) or 8465(a)), the pay of the reemployed annuitant shall be offset by the amount of annuity allocable to the period of reemployment, except that—

(1) No amount shall be offset from pay in accordance with this section for a period for which the annuitant has elected to receive FEC benefits in lieu of annuity; and

(2) No amount shall be offset from a lump-sum payment of annual leave, made on or after termination of the reemployment period.

(b) *Payment.* The employing agency shall pay to the Fund the full amount required to be offset from a reemployed annuitant's salary under this section in accordance with instructions issued by OPM. Payment in full to the Fund is not contingent on actual offset from the reemployed annuitant's salary.

(c) *Computation.* To compute the amount of the annuity offset for any particular pay period, divide the amount of annuity for the calendar days included in the pay period by the number of hours that would constitute a full-time tour of duty for that pay period, then multiply the result by the number of hours actually paid for the pay period, not to exceed the number of hours that constitutes a full-time tour of duty.

§ 837.304 Agency liability for payments.

(a) The agency will remit funds properly withheld from the pay of a reemployed annuitant in accordance with this subpart to OPM in the manner prescribed for the transmission of withholdings and contributions as soon as possible, but not later than provided by standards established by OPM in the Federal Personnel Manual.

(b) When the employing agency fails to withhold from the pay of the reemployed annuitant some or all of the amounts required to be withheld from that pay by this subpart, the employee has received an overpayment of pay. The employing agency must collect the overpayment of pay (unless it is waived under 5 U.S.C. 5584 or some other applicable statute) and remit the proper funds to OPM in the manner prescribed for the transmission of withholdings and contributions as soon as possible, but not later than provided by standards established by OPM in the Federal Personnel Manual.

(c) If the employing agency waives the annuitant's repayment of the salary overpayment, it must submit—on behalf of the reemployed annuitant—an amount equal to the correct deduction from pay (or the balance due in the case of a partial deduction) to OPM in the manner prescribed for the transmission of withholdings and contributions as soon as possible, but not later than provided by standards established

by OPM in the Federal Personnel Manual.

§ 837.305 Lump-sum credit not reduced.

When annuity continues during the period of reemployment, and the reemployment is subject to annuity offset under the provisions of § 837.303 of this subpart, or any similar provision of law or regulation, the amount of an annuitant's lump-sum credit to the Fund shall not be reduced by the amount of annuity allocable to the period of reemployment.

§ 837.306 Refund of lump-sum credit.

An annuitant serving as a justice or judge of the United States, as defined by section 451 of title 28, United States Code, may apply for and receive payment of the annuitant's lumpsum credit, less the amount of annuity or other benefits previously paid on that account. Receipt of a refund under this section will irrevocably terminate the right to annuity, and the annuitant status, of the recipient, based on any prior separations from employment covered by CSRS or FERS.

Subpart D—Reemployment of Disability Annuitants

§ 837.401 Generally.

A disability annuitant may be reemployed in any position for which he or she is qualified.

§ 837.402 Special notice.

(a) *To annuitant.* In addition to the advice described in paragraph 837.103(b) of this part, the agency should generally also advise a disability annuitant, in writing, prior to reemployment, that—

(1) Reemployment on a permanent basis in a position equivalent in grade and pay to the position from which the annuitant retired may constitute the basis for an OPM finding of recovery from disability;

(2) Reemployment subject to medical and physical qualification standards equivalent to those of the position from which the annuitant retired may constitute the basis for an OPM finding of recovery from disability;

(3) The pay of the position in which the annuitant is reemployed, prior to the offset of annuity, or the pay of an interim appointment under § 772.102 of this chapter, as may be applicable, will be included as earnings in determining whether the disability annuity will be terminated due to restoration to earning capacity;

(4) Receipt of, or continued entitlement to receive, full or partial FEC benefits during reemployment, when those benefits are based on the same injury or medical condition that is the basis for OPM's award of disability retirement, is conclusive evidence (unless there is contravening medical evidence) that the annuitant has not recovered from the disability; and

(5) A disability annuitant age 60 or over cannot be found by OPM to be restored to earning capacity, and can only be found recovered at the annuitant's request.

(b) *To OPM.* On reemployment of a disability annuitant, the employing agency shall, in addition to the notice required by § 837.103(a) of this part, notify OPM in writing of—

(1) The physical and medical requirements of the position (providing a copy of the employee's position description);

(2) The position's grade level and/or rate of pay;

(3) Whether the employment is full-time, part-time, or intermittent;

(4) Whether, to the best of the agency's knowledge, the reemployed annuitant is receiving, or entitled to receive, FEC benefits; and

(5) Whether any medical evidence was used in making the employment decision, and if so, provide OPM with a copy of the medical information.

§ 837.403 Termination of annuity during reemployment.

(a) *Agency action.* When a reemployed disability annuitant is found recovered from disability or restored to earning capacity by OPM, OPM shall terminate the annuity as of the date of the finding, and the employing agency shall cease reducing pay by the amount of annuity allocable to the period of reemployment effective that same date.

If the appointment is subject to retirement deductions, retirement deductions will begin or continue, as the case may be.

(b) *Subsequent benefits*—(1) *CSRS.* If, on separation from a period of reemployment during which the disability annuity was terminated because of recovery or restoration to earning capacity, the former disability annuitant is entitled to either an immediate or deferred annuity based on the most recent separation, any right to an annuity based on a prior separation is permanently extinguished. If no such right to immediate or deferred annuity accrues based on this most recent separation, however, any right to immediate or deferred annuity will be determined on the basis of the next prior separation.

(2) *FERS.* If a disability annuity is terminated during a period of reemployment because of recovery or restoration to earning capacity, any right to an annuity based on a prior separation is permanently extinguished, except as otherwise provided by § 844.405(b)(2) of this chapter.

§ 837.404 Reinstatement of annuity during a period of employment not subject to CSRS or FERS.

When OPM reinstates the disability annuity of an individual employed in a position not subject to CSRS or FERS, the employing agency shall withhold retirement deductions and offset pay subject to the provisions of subpart C of this part, as of the date of OPM's administrative determination of reinstatement. OPM shall offset from any retroactive payment of annuity for a period that is also a period of employment an amount equal to the amount of annuity, or the pay for the period of employment, whichever is the lesser.

Subpart E—Retirement Benefits on Separation

§ 837.501 Refund of retirement deductions.

A reemployed annuitant who separates from reemployment without title to either a supplemental annuity or a redetermined annuity under this subpart is entitled to have any retirement deductions withheld from pay during the period of reemployment refunded without interest.

§ 837.502 Reinstatement of annuity.

(a) *When appropriate.* (1) When an annuity was terminated because of reemployment under the provisions of § 837.202 of this part, or any similar provision of statute or regulation in effect prior to the promulgation of this part, the annuity that was terminated will be reinstated effective the date immediately following the date the reemployed annuitant separated from reemployment, if—

(i) The reemployed annuitant's right to annuity has not been terminated under any other provision of regulation or statute; and

(ii) The reemployed annuitant is not entitled to either an immediate or deferred CSRS or FERS annuity based on the separation from reemployment.

(2) When an annuity was suspended because of reemployment under the provisions of § 837.203 of this part, the annuity that was suspended will be reinstated effective the date immediately following the date the reemployed annuitant separated from reemployment.

(b) *Amount of reinstated annuity.* The amount of an annuity reinstated under the provisions of paragraph (a)(2) of this section will be the amount of the annuity at the effective date of termination, adjusted by such adjustments as would have occurred had the annuity remained payable during the period of reemployment.

§ 837.503 Supplemental annuity.

(a) *Title requirements.* A reemployed annuitant is entitled, on separation, or conversion to intermittent service, to a supplemental annuity if—

(1) The annuitant performed—

(i) At least 1 year of actual, continuous, full-time service;

(ii) Actual, continuous part-time service equivalent to 1 year of actual full-time service; or

(iii) A combination of part-time and full-time actual, continuous service that is equivalent to 1 year of actual full-time service; and

(2)(i) The annuity is not terminated or suspended on reemployment; and

(ii) The pay during reemployment was subject to offset by the amount of

annuity allocable to the period of reemployment; *or*

(iii) The reemployed annuitant separates from an interim appointment made under the provisions of § 772.102 of this chapter.

(b) *Computation of supplemental annuity*—(1) *CSRS.* (i) That portion of a supplemental annuity that is based on the total years and full months of creditable reemployment service performed while covered under CSRS, is computed under the provisions of 5 U.S.C. 8339(a), (b), (d), (e), (h), (i), (n) and (q). Unused sick leave to the reemployed annuitant's credit immediately prior to separation from reemployed annuitant service will be credited under the rules prescribed in § 831.302 of this chapter, and 5 U.S.C. 8339(m), not to exceed the amount of unused sick leave available immediately before the effective date of an election of FERS coverage, and not including any unused sick leave included in the computation of an annuity or supplemental annuity the annuitant is receiving at the time of separation from the most recent period of reemployment.

(ii) A supplemental annuity computed in whole or in part under the provisions of this paragraph, using CSRS-Offset service, is subject to reduction under subpart G of this part.

(2) *FERS.* That portion of a supplemental annuity that is based on the total years and full months of creditable reemployment service performed on and after the effective date of FERS coverage is computed under the provisions of 5 U.S.C. 8415 (a) through (f).

(3) *Average pay.* The average pay used in the computation of a supplemental annuity is the average basic pay for the entire period of actual continuous reemployment service, excluding intermittent service.

(4) *Survivor reduction.* If the reemployed annuitant's annuity, at the time he or she applies for supplemental annuity, is reduced to provide a survivor benefit for a spouse, (or, for FERS annuitants only, a former spouse), the supplemental annuity will be reduced by 10 percent, and the survivor annuities increased, if the annuitant was retired under CSRS, by 55 percent of the supplemental annuity, and if the annuitant was retired under FERS, by 50 percent of the supplemental annuity, unless the reemployed annuitant notifies OPM at the time of application that he or she does not wish to have such reductions and increases effected.

(c) *Creditable service.* (1) All actual reemployment service performed after the date of retirement on a full-time or part-time basis may be credited in the computation of a supplemental annuity provided—

(i) When the reemployment service was performed on or after October 1, 1982, retirement deductions were withheld or, for CSRS annuitants, a deposit has been paid under the provisions of 5 U.S.C. 8334;

(ii) The reemployment service was not performed subject to another retirement system, except when the deductions under the other retirement system have been refunded and a deposit paid to OPM, where the law so permits, or benefits under the other retirement system have been waived in favor of CSRS or FERS benefits; and

(iii) The reemployment service has not been used in the computation of another supplemental or redetermined annuity.

(2) A period of reemployment service during which annuitant status continues and annuity is paid, and which is excluded from the normal annuity offset from pay by special statutory provision, cannot be credited in the computation of a supplemental annuity or any subsequent annuity entitlement.

(d) *Commencing date.* (1) Except as provided in clause (2) of this subparagraph, the supplemental annuity commences on the earlier of the first day of the month following—

(i) The day the annuitant is separated from reemployment; or

(ii) The day the annuitant is converted to an intermittent status.

(2) The supplemental annuity of a FERS annuitant, and the supplemental annuity of a CSRS reemployed annuitant who has not elected FERS coverage and who was—

(i) Involuntarily separated from the reemployment service (except by removal for cause on charges of misconduct or delinquency);

(ii) Involuntarily converted to an intermittent status, or;

(iii) Separated from reemployment service, or converted to intermittent status, after serving 3 days or less in the month of such separation or conversion—shall commence on the earlier of the day after separation from reemployment service, the effective date of conversion to intermittent status, or the day after the date pay ceases.

§ 837.504 Redetermined annuity.

(a) *Title requirements.* (1) A reemployed annuitant is entitled, on separation, or conversion to intermittent service, to a redetermined annuity if—

(i) The annuitant performed—

(A) At least 5 years of actual, continuous, full-time service;

(B) Actual, continuous part-time service equivalent to 5 years of actual full-time service, or;

(C) A combination of part-time and full-time actual, continuous service that is equivalent to 5 years of actual full-time service.

(ii)(A) The annuity was not terminated or suspended during reemployment; and

(B) The pay during reemployment was subject to offset by the amount of annuity allocable to the period of reemployment; *or*

(C) The reemployed annuitant separated from an interim appointment made under the provisions of § 772.102 of this chapter.

(iii) Retirement deductions are withheld, or a deposit is paid, for the entire period of continuous reemployment service immediately preceding the most recent separation from reemployment service; and

(iv) The reemployed annuitant elects the redetermined annuity in lieu of his or her prior annuity and the supplemental annuity that would be payable under § 837.503 of this subpart.

(2) An employee whose annuity was terminated under the provisions of § 837.202(b)(1)(iii) of this part, and who has not elected FERS coverage, is entitled to a redetermined annuity on separation.

(b) *Computation.* (1) A redetermined annuity is computed using all the reemployed annuitant's creditable service, under the provisions of law in effect governing the payment of CSRS and/or FERS annuities, as may be applicable, at the time of separation from reemployment service, or conversion to intermittent status.

(2) The amount of the redetermined annuity of an individual whose previous annuity was terminated under the provisions of § 837.202(b)(1)(iii) of this part will at least equal the amount of the terminated annuity plus any increases under section 8340 of title 5, United States Code, occurring after the termination of the previous annuity and before the commencement of the redetermined annuity, adjusted by any annuity increase or reduction resulting from additional or different elections made by the reemployed annuitant.

(c) *Commencing date.* The commencing date of the redetermined annuity is the same as the law and/or regulations would provide in the case of a retiring employee.

§ 837.505 Cost-of-living adjustments on Member annuities.

(a) *Applying cost-of-living adjustments to recomputed Member annuities under CSRS.* A member annuity benefit that is recomputed under section 8344(d)(1) of title 5, United States Code, which applies to certain former Members who become employed in an appointive position subject to CSRS, will include the cost-of-living adjustments under section 8340 of title 5, United States Code, that are effective after the commencing date of the benefit computed under section 8344(d)(1).

(b) *Limitations on cost-of-living adjustments on recomputed Member annuities under CSRS.* For purposes of determining limitations on cost-of-living adjustments under section 8340(g) of title 5, United States Code, the final (or average) salary of a Member whose benefit has been recomputed under section 8344(d)(1) of title 5, United States Code, which applies to certain former Members who become employed in an appointive position subject to CSRS, will be increased by adjustments in the rates of the General Schedule under subpart I of chapter 53 of title 5, United States Code, that are effective after the commencing date of the benefit computed under section 8344(d)(1).

Subpart F—Death Benefits

§837.601 Generally.

Except as otherwise provided by this subpart, when an annuitant who is reemployed under circumstances that provide for continuation of annuitant status during reemployment dies, death benefits are payable under CSRS or FERS as if the individual died as an annuitant, and not as employee.

§837.602 Lump-sum payment of retirement deductions.

If an annuitant reemployed subject to the provisions of this part dies while so reemployed, and the annuitant would not have been entitled to a supplemental annuity, had the separation been for reasons other than death, or if there is no supplemental spousal survivor annuity payable (including a survivor annuity payable to a former spouse, if the annuitant retired under FERS) the amount of retirement deductions withheld during the period of reemployment will be paid in a lump sum to the person entitled under the provisions of 5 U.S.C. 8342(c) or 8424(d), as appropriate.

§837.603 Increased survivor benefits.

(a) *Supplemental survivor annuity.* (1) If an annuitant reemployed subject to the provisions of this part dies while so reemployed, and the annuitant would have been entitled to a supplemental annuity, had the separation been for reasons other than death, and there is a spousal survivor annuity payable (including a survivor annuity payable to a former spouse, if the annuitant retired under FERS) the amount of the spousal survivor annuity will, if any necessary deposit for service credit is made, be increased by 55 percent of the supplemental annuity, if the reemployed annuitant was retired under CSRS, or 50 percent of the supplemental annuity, if the reemployed annuitant was retired under FERS.

(2) Supplemental survivor annuity benefits payable under this paragraph, computed in whole or in part under the provisions of §837.503(b)(1)(i) of this part, using CSRS-Offset service, are subject to reduction under subpart G of this part.

(b) *Redetermined survivor annuity.* If an annuitant reemployed subject to the provisions of this part dies while so reemployed, and the annuitant would have been entitled to elect a redetermined annuity, had the separation been for reasons other than death, and if there is a spousal survivor annuity payable (including a survivor annuity payable to a former spouse, if the annuitant retired under FERS), a person entitled to a spousal survivor annuity may elect to have his or her survivor annuity computed as if the annuitant had elected a redetermined annuity, provided any necessary deposit for service credit is made.

Subpart G—CSRS Offset

§837.701 Offset from supplemental annuity.

(a) OPM will reduce the supplemental annuity of an individual who has performed CSRS-Offset service, if the individual is entitled, or on proper application would be entitled, to old-age benefits under title II of the Social Security Act.

(b) The reduction required under paragraph (a) of this section is effective on the first day of the month during which the reemployed annuitant—

(1) Is entitled to a supplemental annuity under this part; and

(2) Is entitled, or on proper application would be entitled, to old-age benefits under title II of the Social Security Act.

(c) Subject to paragraphs (d) and (e) of this section, the amount of the reduction required under paragraph (a) of this section is the lesser of—

(1) The difference between—

(i) The social security old-age benefit for the month referred to in paragraph (b) of this section; and

(ii) The old-age benefit that would be payable to the individual for the month referred to in paragraph (b) of this section, excluding all CSRS-Offset wages as a reemployed annuitant, and assuming the annuitant was fully insured (as defined by section 214(a) of the Social Security Act); or

(2) The product of—

(i) The old-age benefit to which the individual is entitled or would, on proper application, be entitled; and

(ii) A fraction—

(A) The numerator of which is the annuitant's total CSRS-Offset service as a reemployed annuitant, rounded to the nearest whole number of years not exceeding 40 years; and

(B) The denominator of which is 40.

(d) Cost-of-living adjustments under 5 U.S.C. 8340 occurring after the effective date of the reduction required under paragraph (a) of this section will be based on only the supplemental annuity remaining after reduction under this subpart.

(e) The amounts for paragraphs (c)(1)(i), (c)(1)(ii), and (c)(2)(i) of this section are computed without regard to subsections (b) through (1) of section 203 of the Social Security Act (relating to reductions in social security benefits), and without applying the provisions of the second sentence of section 215(a)(7)(B)(i) or section 215(d)(5)(ii) of the Social Security Act (relating to part of the computation of the social security windfall elimination provisions).

(f) OPM will accept the determination of the Social Security Administration, submitted in a form prescribed by OPM, concerning entitlement to social security benefits and the beginning and ending dates thereof.

§ 837.702 Offset from supplemental survivor annuity.

(a) OPM will reduce a supplemental survivor annuity (an annuity under 5 U.S.C. 8341) based on the service of an individual who performed CSRS-Offset service, if the survivor annuitant is entitled, or on proper application would be entitled, to survivor benefits under section 202(d), (e), or (f) (relating to children's, widows', and widowers' benefits, respectively) of the Social Security Act.

(b) The reduction required under paragraph (a) of this section begins (or is reinstated) on the first day of the month during which the survivor annuitant—

(1) Is entitled to a disability or survivor annuity under CSRS; and

(2) Is entitled, or on proper application would be entitled, to survivor benefits under the Social Security Act provisions mentioned in paragraphs (a) and (c) of this section, respectively.

(c) The reduction under paragraphs (a) of this section will be computed and adjusted in a manner consistent with the provisions of § 837.701 (c) through (e) of this part.

(d) A reduction under paragraph (a) of this section stops on the date entitlement to the disability or survivor benefits under title II of the Social Security Act terminates. In the case of a survivor annuitant who has not made proper application for the social security benefit, the reduction under paragraph (a) of this section stops on the date entitlement to such survivor benefits would otherwise terminate. If a social security benefit is reduced under any provision of the Social Security Act, even if reduced to zero, entitlement to that benefit is not considered to have terminated.

(e) OPM will accept the determination or certification of the Social Security Administration, submitted in a form prescribed by OPM, concerning entitlement to social security survivor benefits and the beginning and ending dates thereof.

Subpart H—Alternative Entitlements and Canceled Retirements

§ 837.801 Unperfected entitlement to CSRS benefits based on a prior separation.

(a) An employee who meets the age and service requirements for title to a non-disability annuity under CSRS on the basis of a prior separation, but did not apply for that annuity before a subsequent separation from service to which a different annuity entitlement attaches, may elect, on application, to receive either—

(1) The annuity based on the later separation; or

(2) The annuity based on the prior separation, with payment of annuity suspended during the period(s) of employment subsequent to the commencing date of annuity, and such benefits as would be payable had the subsequent period(s) of employment been performed under the provisions of this part.

(b) When an individual who has applied for a deferred annuity under CSRS is reemployed under CSRS before the commencing date of that annuity, the application is deemed to have not been made.

§ 837.802 Benefits under another retirement system for Federal employees based on the most recent separation.

(a) *Generally.* An annuitant who has performed reemployment service after the commencing date of annuity under the provisions of another retirement system, and who is entitled to an annuity benefit from the other retirement system during a period in which he or she is also entitled to an annuity benefit under CSRS or FERS, may receive both benefits simultaneously, or for the same period, except that the annuitant may not receive both benefits simultaneously, or for the same period, if—

(1) The provisions of law or regulation governing the other retirement system do not permit the annuitant to receive both benefits simultaneously, or for the same period of time; or

(2) Entitlement to the annuity from the other retirement system is based on service credited in the computation of the CSRS or FERS annuity, or service credited in the computation of the annuity from the other retirement system was used in the computation of the CSRS or FERS annuity.

(b) *Election of alternative benefits.* (1) Where simultaneous receipt of, or entitlement to, both annuities is barred under the provisions of paragraph (a)(1) of this section, the annuitant must elect to receive either the annuity under the other retirement system, or the CSRS annuity.

(2) Where the annuitant, under the provisions of paragraph (b)(1) of this section, elects to receive annuity from the other retirement system in lieu of the CSRS or FERS annuity, the CSRS or FERS annuity terminates as of the commencing date of the other annuity, and any overpayment of CSRS annuity will be offset from the other annuity and paid to OPM.

(c) *Recomputation.* Where simultaneous receipt of annuities from more than one retirement system is barred by paragraph (a)(2), but not by paragraph (a)(1), of this section, the CSRS or FERS annuity may be recomputed to exclude credit for service credited in determining entitlement to, or the amount of, the annuity from the other retirement system, effective as of the commencing date of the annuity from the other retirement system for Federal employees, and the recomputed CSRS or FERS annuity may be paid simultaneous with, or for the same period as, the annuity from the other retirement system for Federal employees.

(d) *Forfeiture.* Where an annuitant's coverage as an employee under another retirement system, whether by election or by operation of law or regulation, results in forfeiture of annuity rights under CSRS or FERS, the CSRS or FERS annuity will terminate as of the effective date of coverage.

(e) *Survivors.* The rules detailed in this section in regard to dual entitlement to annuity benefits under CSRS or FERS and another retirement system also apply to dual entitlement to survivor benefits under CSRS or FERS and another retirement system, unless the particular circumstance is otherwise governed by specific provision of statute or regulation.

(f) *Agency responsibilities.* The agency responsible for administering another retirement system must—

(1) Promptly notify OPM of an election of coverage under that retirement system by a reemployed CSRS or FERS annuitant, or the coverage of a reemployed CSRS annuitant under that retirement system by election or operation of law or regulation, when such coverage affects the annuitant's entitlement to CSRS annuity;

(2) Promptly notify OPM when a reemployed annuitant separates with entitlement to an annuity under the other retirement system that cannot, under the provisions of paragraph (a) of

this section, be paid simultaneous with, or during the same period as, the CSRS annuity; and

(3) Reimburse OPM for overpayments of annuity resulting from a failure to comply with paragraphs (b) (1) and (2) of this section.

§ 837.803 Cancellation of retirement by judicial or administrative authority.

(a) *Cancellation of retirement action.* A separation from employment on which an application for retirement is based may only be canceled by the former employing agency in response to a direct and final order of a judicial or administrative body charged with the responsibility of reviewing the legality of the separation, and authorized to make such order, or by agreement between the annuitant and the former employing agency in resolution of a grievance, complaint, dispute, appeal or other action, involving an allegedly erroneous separation, before such authority.

(b) *Agency notification to OPM.* Upon receiving a final order requiring cancellation of the annuitant's separation or after the annuitant and the agency agree to cancel the separation, the employing agency must notify OPM and request the amount of the erroneous payment to be recovered under §550.805(e) of this chapter from any back pay adjustment to which the employee may be entitled.

(c) *Collection of erroneously paid retirement benefits.* (1) If OPM determines that an overpayment of annuity or lump-sum credit has occurred and the employee is entitled to receive back pay because of the canceled separation, the overpaid retirement benefits must be deducted to the extent they can be recovered from the back pay adjustment as required by §550,805(e) of this chapter.

(2) Amounts recovered from back pay will not be subject to waiver consideration under the provisions of 5 U.S.C. 8346(b) or 8470(b). If there is no back pay or the back pay is insufficient to recover the entire payment, the employee may request that OPM waive the uncollected portion of the overpayment. If waiver is not granted, the employee must repay the erroneous payment.

§ 837.804 Finality of elections under this subpart.

Except as otherwise provided by this subpart, an election of coverage under, or annuity from, another retirement system, in lieu of CSRS or FERS coverage or annuity, or the election between simultaneous entitlements under CSRS or FERS, is final and conclusive for the period of simultaneous entitlement to coverage or annuity.

Subpart A—Court Orders Generally

ORGANIZATION AND STRUCTURE OF REGULATIONS ON COURT ORDERS

§ 838.101 Purpose and scope.

(a)(1) This part regulates the Office of Personnel Management's handling of

court orders affecting the Civil Service Retirement System (CSRS) or the Federal Employees Retirement System (FERS), both of which are administered by the Office of Personnel Management (OPM). Generally, OPM must comply with court orders, decrees, or court-approved property settlement agreements in connection with divorces, annulments of marriage, or legal separations of employees, Members, or retirees that award a portion of the former employee's or Member's retirement benefits or a survivor annuity to a former spouse.

(2) In executing court orders under this part, OPM must honor the clear instructions of the court. Instructions must be specific and unambiguous. OPM will not supply missing provisions, interpret ambiguous language, or clarify the court's intent by researching individual State laws. In carrying out the court's instructions, OPM performs purely ministerial actions in accordance with these regulations. Disagreement between the parties concerning the validity or the provisions of any court order must be resolved by the court.

(b) This part prescribes—

(1) The requirements that a court order must meet to be acceptable for processing under this part;

(2) The procedures that a former spouse or child abuse creditor must follow when applying for benefits based on a court order under sections 8341(h), 8345(j), 8445 or 8467 of title 5, United States Code;

(3) The procedures that OPM will follow in honoring court orders and in making payments to the former spouse or child abuse creditor; and

(4) The effect of certain words and phrases commonly used in court orders affecting retirement benefits.

(c)(1) Subparts A through I of this part apply only to court orders received by OPM on or after January 1, 1993.

(2) Subpart J of this part applies only to court orders received by OPM before January 1, 1993.

(3) Subpart K of this part applies only to court orders received by OPM on or after October 14, 1994.

(d) This part has no application to the Thrift Savings Plan described in subchapter III of chapter 84 of title 5, United States Code.

In this part (except subpart J)—

Child abuse creditor means an individual who applies for benefits under CSRS or FERS based on a child abuse judgment enforcement order.

Child abuse judgment enforcement order means a court or administrative order requiring OPM to pay a portion of an employee annuity or a refund of employee contributions to a child abuse creditor as a means of collection of a ''judgment rendered for physically, sexually, or emotionally abusing a child'' as defined in sections 8345(j)(3)(B) and 8467(c)(2) of title 5, United States Code.

Employee means an employee or Member covered by CSRS or FERS.

Employee annuity means the recurring payments under CSRS or FERS made to a retiree. *Employee annuity* does not include payments of accrued and unpaid annuity after the death of a retiree under section 8342(g) or section 8424(h) of title 5, United States Code.

Self-only annuity means the recurring payments to a retiree who has elected not to provide a survivor annuity to anyone. Unless the court order expressly provides otherwise, self-only annuity also includes any lump-sum payments made to the retiree under section 8343a or section 8420a of title 5, United States Code.

Self-only annuity means the recurring unreduced payments under CSRS or FERS to a retiree with no survivor annuity payable to anyone.

Separated employee means a former employee or Member who has separated from a position in the Federal Government covered by CSRS and FERS under subpart B of part 831 of this chapter or subpart A of part 842 of this chapter, respectively, and is not currently employed in such a position, and who is not a retiree.

(2) When two or more court orders relate to the same former spouse, separated spouse, or child abuse creditor the one issued last will be honored.

(b)(1) Except as provided in paragraph (c) of this section, for court orders affecting refunds of employee contributions, in the event that OPM receives two or more court orders acceptable for processing—

(i) When the court orders affect two or more former spouses—

(B) The court orders will be honored in the order in which they were issued until the contributions have been exhausted.

(2) In no event will the amount paid out exceed the amount of the refund of employee contributions.

(c) With respect to issues relating to the validity of a court order or to the amount of payment—

(1) If the employee, separated employee, retiree, or other person adversely affected by the court order and former spouse submit conflicting court orders from the same jurisdiction, OPM will consider only the latest court order; or

(i) If one of the court orders is from the jurisdiction shown as the employee's, separated employee's, or retiree's address in OPM's records, OPM will consider only the court order issued by that jurisdiction; or

(ii) If none of the court orders is from the jurisdiction shown as the employee's, separated employee's, or retiree's address in OPM's records, OPM will consider only the latest court order.

[57 FR 33574, July 29, 1992, as amended at 59 FR 66638, Dec. 28, 1994]

§ 838.135 Settlements.

(a) OPM must comply with the terms of a properly filed court order acceptable for processing even if the retiree and the former spouse agree that they want OPM to pay an amount different from the amount specified in the court order. Information about OPM's processing of amended court orders is contained in §§ 838.225 and 838.806.

(b)(1) OPM will not honor a request from the former spouse that an amount less than the amount provided in the court order be withheld from an employee annuity or a refund of employee contributions.

(b)(1) Issues concerning the validity of these regulations are appealable to the Merit Systems Protection Board. Such an appeal must be filed in accordance with the procedures established by the Board and may not be filed before OPM has issued its final decision, including a notice of the right to appeal, on the validity of the regulation. Such an appeal is limited to the issue of the validity of the regulation.

(2) Any claim that a provision of these regulations is invalid, must be presented to the Merit Systems Protection Board before the validity of the regulation may be reviewed in the Federal courts.

Subpart B—Procedures for Processing Court Orders Affecting Employee Annuities

REGULATORY STRUCTURE

§ 838.201 Purpose and scope.

(a) This subpart regulates the procedures that the Office of Personnel Management will follow upon the receipt of claims arising out of State court orders directed at employee annuities under CSRS or FERS. OPM must comply with qualifying court orders, decrees, or court-approved property settlements in connection with divorces, annulments of marriages, or legal separations of employees or retirees that award a portion of an employee annuity to a former spouse.

(b) This subpart prescribes—

(1) The circumstances that must occur before employee annuities are available to satisfy a court order acceptable for processing; and

(2) The procedures that a former spouse must follow when applying for a portion of an employee annuity based on a court order under section 8345(j) or section 8467 of title 5, United States Code.

(c)(1) Subpart C of this part contains the rules that a court order must satisfy to be a court order acceptable for processing to affect an employee annuity.

(2) Subpart F of this part contains definitions that OPM uses to determine the effect on employee annuity of a court order acceptable for processing.

AVAILABILITY OF FUNDS

§ 838.211 Amounts subject to court orders.

(a)(1) Employee annuities are subject to court orders acceptable for processing only if all of the conditions necessary for payment of the employee annuity to the former employee have been met, including, but not limited to—

(i) Separation from a position in the Federal service covered by CSRS or FERS under subpart B of part 831 of this chapter or subpart A of part 842 of this chapter, respectively;

(ii) Application for payment of the employee annuity by the former employee; and

(iii) The former employee's immediate entitlement to an employee annuity.

(2) Money held by an employing agency or OPM that may be payable at some future date is not available for payment under court orders directed at employee annuities.

(3) OPM cannot pay a former spouse a portion of an employee annuity before the employee annuity begins to accrue.

(b) Payment to a former spouse under a court order may not exceed the net annuity.

(c) Waivers of employee annuity payments under the terms of section 8345(d) or section 8465(a) of title 5, United States Code, exclude the waived portion of the annuity from availability for payment under a court order if such waivers are postmarked or received before the date that OPM receives a court order acceptable for processing.

APPLICATION AND PROCESSING PROCEDURES

§ 838.221 Application requirements.

(a) A former spouse (personally or through a representative) must apply in writing to be eligible for a court-awarded portion of an employee annuity. No special form is required.

(b) The application letter must be accompanied by—

(1) A certified copy of the court order acceptable for processing that is directed at employee annuity;

(2) A certification from the former spouse or the former spouse's representative that the court order is currently in force and has not been amended, superseded, or set aside;

(3) Information sufficient for OPM to identify the employee or retiree, such as his or her full name, CSRS or FERS

claim number, date of birth, and social security number;

(4) The current mailing address of the former spouse; and

(5) If the employee has not retired under CSRS or FERS or died, the mailing address of the employee.

(c)(1) When court-ordered payments are subject to termination (under the terms of the court order) if the former spouse remarries, no payment will be made until the former spouse submits to OPM a statement in the form prescribed by OPM certifying—

(i) That a remarriage has not occurred;

(ii) That the former spouse will notify OPM within 15 calendar days of the occurrence of any remarriage; and

(iii) That the former spouse will be personally liable for any overpayment to him or her resulting from a remarriage.

(2) OPM may subsequently require periodic recertification of the statements required under paragraph (c)(1) of this section.

§ 838.222 OPM action on receipt of a court order acceptable for processing.

(a) If OPM receives a court order acceptable for processing that is directed at an employee annuity that is in pay status, OPM will inform—

(1) The former spouse—

(i) That the court order is acceptable for processing;

(ii) Of the date on which OPM received the court order, the date on which the former spouse's benefit begins to accrue, and if known, the date on which OPM commences payment under the order;

(iii) Of the amount of the former spouse's monthly benefit and the formula OPM used to compute the monthly benefit; and

(iv) That, if he or she disagrees with the amount of the monthly benefits, he or she must obtain, and submit to OPM, an amended court order clarifying the amount; and

(2) The retiree—

(i) That the former spouse has applied for benefits under this subpart;

(ii) That the court order is acceptable for processing and that OPM must comply with the court order;

(iii) Of the date on which OPM received the court order, the date on which the former spouse's benefit begins or accrue, and if known, the date on which OPM commences payment under the court order;

(iv) Of the amount of the former spouse's monthly benefit and the formula OPM used to compute the monthly benefit;

(v) That, if he or she contests the validity of the court order, he or she must obtain, and submit to OPM, a court order invalidating the court order submitted by the former spouse; and

(vi) That, if he or she disagrees with the amount of the former spouse's monthly benefits, he or she must obtain, and submit to OPM, an amended court order clarifying the amount.

(b) If OPM receives a court order acceptable for processing that is directed at an employee annuity but the employee has died, or if a retiree dies after payments from an employee to a former spouse have begun, OPM will inform the former spouse that the employee or retiree has died and that OPM can only honor court orders dividing employee annuities during the lifetime of the retiree.

(c) If OPM receives a court order acceptable for processing that is directed at an employee annuity that is not in pay status, OPM will inform—

(1) The former spouse—

(i) That the court order is acceptable for processing;

(ii) That benefits cannot begin to accrue until the employee retires;

(iii) To the extent possible, the formula that OPM will use to compute the former spouse's monthly benefit; and

(iv) That, if he or she disagrees with the formula, he or she must obtain, and submit to OPM, an amended court order clarifying the amount; and

(2) The employee, separated employee, or retiree—

(i) That the former spouse has applied for benefits under this subpart;

(ii) That the court order is acceptable for processing and that OPM must comply with the court order;

(iii) To the extent possible, the formula that OPM will use to compute the former spouse's monthly benefit;

(iv) That, if he or she contests the validity of the court order, he or she must obtain, and submit to OPM, a court order invalidating the court order submitted by the former spouse; and

(v) That, if he or she disagrees with the amount of the former spouse's monthly benefits, he or she must obtain, and submit to OPM, an amended court order clarifying the amount.

(d) The failure of OPM to provide, or of the employee, separated employee, or retiree or the former spouse to receive, the information specified in this section prior to the commencing date of a reduction or accrual does not affect—

(1) The validity of payment under the court order; or

(2) The commencing date of the reduction in the employee annuity or the commencing date of the accrual of former spouse benefits as determined under § 838.231.

§ 838.223 OPM action on receipt of a court order not acceptable for processing.

If OPM receives an application from a former spouse not based on a court order acceptable for processing, OPM will inform the former spouse that OPM cannot approve the application and provide the specific reason(s) for disapproving the application. Examples of reasons for disapproving an application include that the court order does not meet the definition of court order in § 838.103 or does not meet one or more of the requirements of subpart C of this part.

§ 838.224 Contesting the validity of court orders.

(a) An employee, separated employee, or retiree who alleges that a court order is invalid must prove the invalidity of the court order by submitting a court order that—

(1) Declares the court order submitted by the former spouse is invalid; or

(2) Sets aside the court order submitted by the former spouse.

(b) OPM must honor a court order acceptable for processing that appears to be valid and that the former spouse has certified is currently in force and has not been amended, superseded, or set aside, until OPM receives a court order described in paragraph (a) of this section or a court order amending or superseding the court order submitted by the former spouse.

§ 838.225 Processing amended court orders.

(a) If the employee, separated employee, retiree, or former spouse submits an amended court order pertaining to payment of a portion of the employee annuity, OPM will process the amended court order prospectively only, effective against employee annuity accruing beginning the first day of the second month after OPM receives the amended court order.

(b) A court order is not effective to adjust payments prior to the first day of the second month after OPM receives the court order unless—

(1) The court order—

(i) Expressly directs OPM to adjust for payment made under the prior court order; and

(ii) Determines the total amount of the adjustment or the length of time over which OPM will make the adjustment; and

(iii) Provides a specific monthly amount of the adjustment or a formula to compute the amount of the monthly adjustment; and

(2) Annuity continues to be available from which to make the adjustment.

PAYMENT PROCEDURES

§ 838.231 Commencing date of payments.

(a) A court order acceptable for processing is effective against employee annuity accruing beginning the first day of the second month after OPM receives the court order.

(b)(1) OPM will not begin payments to the former spouse until OPM receives all the documentation required by § 838.221 (b) and (c).

(2) If payments are delayed under paragraph (b)(1) of this section, after OPM receives all required documentation, it will authorize payment of the annuity that has accrued since the date determined under paragraph (a) of this section but the payment of which was delayed under paragraph (b)(1) of this section.

§838.232 Suspension of payments.

(a) Payments from employee annuities under this part will be discontinued whenever the employee annuity payments are suspended or terminated. If employee annuity payments to the retiree are restored, payments to the former spouse will also resume subject to the terms of any court order acceptable for processing in effect at that time.

(b) Paragraph (a) of this section will not be applied to permit a retiree to deprive a former spouse of payment by causing suspension of payment of employee annuity.

§838.233 Termination of payments.

A former spouse portion of an employee annuity stops accruing at the earliest of—

(a) The date on which the terms of the court order require termination;

(b)(1) The last day of the first month before OPM receives a court order invalidating, vacating, or setting aside the court order submitted by the former spouse if OPM receives the latest court order no later than 20 days before the end of the month; or

(2) The last day of the month in which OPM receives a court order invalidating, vacating, or setting aside the court order submitted by the former spouse if OPM receives the latest court order than 20 days before the end of the month; or

(c) The last day of the first month after OPM receives an amended court order;

(d) The last day of the first month before the death of the retiree; or

(e) Except as provided in §838.237, the date on which the former spouse dies.

§838.234 Collection of arrearages.

Specific instructions are required before OPM may pay any arrearage. Except as provided in §838.225(b), OPM will not increase a former spouse's share of employee annuity to satisfy an arrearage due the former spouse. However, under §838.225, OPM will prospectively honor the terms of an amended court order that either increases or decreases the court order's entitlement.

§838.235 Payment of lump-sum awards.

If a court order acceptable for processing awards a former spouse a lump-sum amount from the employee annuity and does not state the monthly rate at which OPM should pay the lump-sum, OPM will pay the former spouse equal monthly installments at 50 percent of the gross annuity (subject to the limitations under §838.211) at the time of retirement or the date of the order, whichever comes later, until the lump-sum amount is paid.

§838.236 Court orders barring payment of annuities.

(a) State courts lack authority to prevent OPM from paying employee annuities as required by section 8345(a) or section 8463 of title 5, United States Code. OPM will not honor court orders directing that OPM delay or otherwise not pay employee annuities at the time or in the amount required by statute.

(b) Except as otherwise provided in this subpart, OPM will honor court orders acceptable for processing that direct OPM to pay the employee annuity to the court, an officer of the court acting as a fiduciary, or a State or local government agency during the pendency of a divorce or legal separation proceeding.

§838.237 Death of the former spouse.

(a) Unless the court order acceptable for processing expressly provides otherwise, the former spouse's share of an employee annuity terminates on the last day of the month before the death of the former spouse, and the former spouse's share of employee annuity reverts to the retiree.

(b) Except as otherwise provided in this subpart, OPM will honor a court order acceptable for processing or an amended court order acceptable for processing that directs OPM to pay, after the death of the former spouse, the former spouse's share of the employee annuity to—

(1) The court;

(2) An officer of the court acting as fiduciary;

(3) The estate of the former spouse; or

(4) One or more of the retiree's children as defined in section 8342(c) or section 8424(d) of title 5, United States Code.

[57 FR 33574, July 29, 1992, as amended at 58 FR 43493, Aug. 17, 1993]

PROCEDURES FOR COMPUTING THE AMOUNT PAYABLE

§ 838.241 Cost-of-living adjustments.

Unless otherwise provided in the court order, when the terms of the court order or § 838.621 provide for cost-of-living adjustments on the former spouse's payment from employee annuity, the cost-of-living adjustment will be effected at the same time and at the same percentage rate as the cost-of-living adjustment in the employee annuity.

§ 838.242 Computing lengths of service.

(a)(1) The smallest unit of time that OPM will calculate in computing a formula in a court order is a month, even where the court order directs OPM to make a more precise calculation.

(2) If the court order states a formula using a specified simple or decimal fraction other than twelfth parts of a year, OPM will use the specified number to perform simple mathematical computations.

(b) Unused sick leave is counted as ''creditable service'' on the date of separation for an immediate CSRS annuity; it is not apportioned over the time when earned. Unused sick leave is not countable as ''creditable service'' in a FERS annuity (except in a CSRS component for an employee who transferred to FERS) or in a deferred CSRS annuity.

§ 838.243 Minimum amount of awards.

OPM will treat any court order that awards a former spouse a portion of an employee annuity equal to less than $12 per year as awarding the former spouse $1 per month.

Subpart C—Requirements for Court Orders Affecting Employee Annuities

§ 838.301 Purpose and scope.

This subpart regulates the requirements that a court order directed at employee annuity must meet to be a court order acceptable for processing.

§ 838.302 Language not acceptable for processing.

(a) *Qualifying Domestic Relations Orders.* (1) Any court order labeled as a ''qualified domestic relations order'' or issued on a form for ERISA qualified domestic relations orders is not a court order acceptable for processing unless the court order expressly states that the provisions of the court order concerning CSRS or FERS benefits are governed by this part.

(2) When a court order is required by paragraph (a)(1) of this section to state that the provisions of a court order concerning CSRS or FERS benefits are governed by this part the court order must expressly—

(i) Refer to part 838 of title 5, Code of Federal Regulations, and

(ii) State that the provisions of the court order concerning CSRS or FERS benefits are drafted in accordance with the terminology used in this part.

(3) Although any language satisfying the requirements of paragraph (a)(2) of this section is sufficient to prevent a court order from being unacceptable under paragraph (a)(1) of this section, OPM recommends the use of the language provided in ¶001 in appendix A to subpart F of this part to state that the provisions of the court order concerning CSRS or FERS benefits are governed by this part.

(4) A court order directed at employee annuity that contains the language described in paragraph (a)(2) of this section must also satisfy all other requirements of this subpart to be a court order acceptable for processing.

(b) *Benefits for the lifetime of the former spouse.* Any court order directed at employee annuity that expressly

provides that the former spouse's portion of the employee annuity may continue after the death of the employee or retiree, such as a court order providing that the former spouse's portion of the employee annuity will continue for the lifetime of the former spouse, is not a court order acceptable for processing.

§ 838.303 Expressly dividing employee annuity.

(a) A court order directed at employee annuity is not a court order acceptable for processing unless it expressly divides the employee annuity as provided in paragraph (b) of this section.

(b) To expressly divide employee annuity as required by paragraph (a) of this section the court order must—

(1) Identify the retirement system using terms that are sufficient to identify the retirement system as explained in § 838.611; and

(2) Expressly state that the former spouse is entitled to a portion of the employee annuity using terms that are sufficient to identify the employee annuity as explained in § 838.612.

§ 838.304 Providing for payment to the former spouse.

(a) A court order directed at employee annuity is not a court order acceptable for processing unless it provides for OPM to pay the former spouse a portion of an employee annuity as provided in paragraph (b) of this section.

(b) To provide for OPM to pay the former spouse a portion of an employee annuity as required by paragraph (a) of this section the court order must—

(1) Expressly direct OPM to pay the former spouse directly;

(2) Direct the retiree to arrange or to execute forms for OPM to pay the former spouse directly; or

(3) Be silent concerning who is to pay the portion of the employee annuity awarded to the former spouse.

(c) Except when the court order directed at employee annuity contains a provision described in paragraph (b)(2) of this section, a court order directed at employee annuity that instructs the retiree to pay a portion of the employee annuity to the former spouse is not a court order acceptable for processing.

(d) Although paragraphs (b)(2) and (b)(3) of this section provide acceptable methods for satisfying the requirement that a court order directed at employee annuity provide for OPM to pay the former spouse, OPM strongly recommends that any court order directed at employee annuity expressly direct OPM to pay the former spouse directly.

§ 838.305 OPM computation of formulas.

(a) A court order directed at employee annuity is not a court order acceptable for processing unless the court order provides sufficient instructions and information that OPM can compute the amount of the former spouse's monthly benefit using only the express language of the court order, subparts A, B, and F of this part, and information from normal OPM files.

(b)(1) To provide sufficient instructions and information for OPM to compute the amount of the former spouse's share of the employee annuity as required by paragraph (a) of this section the court order must state the former spouse's share as—

(i) A fixed amount;

(ii) A percentage or a fraction of the employee annuity; or

(iii) A formula that does not contain any variables whose values are not readily ascertainable from the face of the court order directed at employee annuity or normal OPM files.

(2) Normal OPM files include information about—

(i) The dates of employment for all periods of creditable civilian and military service;

(ii) The rate of basic pay for all periods of creditable civilian service;

(iii) The annual rates of basic pay for each grade and step under the General Schedule since 1920;

(iv) The amount of premiums for basic and optional life insurance under the Federal Employees Group Life Insurance Program;

(v) The amount of the Government and the employee shares of premiums for any health insurance plan under the Federal Employees Health Benefits Program;

(vi) The standard Federal income tax withholding tables;

(vii) The amount of cost-of-living adjustments under section 8340 or section 8462 of title 5, United States Code, and the amount of the percentage change in the national index on which the adjustment is based;

(viii) The amount of pay adjustments to the General Schedule under section 5303 (or section 5305 prior to November 5, 1990) of title 5, United States Code, and the amount of the percentage change in the national index on which the adjustment is based;

(ix) The provision of law under which a retiree has retired; and

(x) Whether a retiree has elected to provide survivor benefits for a current spouse, former spouse, or a person with an insurable interest.

(c)(1) A court order directed at employee annuity is not a court order acceptable for processing if OPM would have to examine a State statute or court decision (on a different case) to understand, establish, or evaluate the formula for computing the former spouse's share of the employee annuity.

(2) A court order directed at employee annuity is not a court order acceptable for processing if it awards the former spouse a ''community property'' fraction, share, or percentage of the employee annuity and does not provide a formula by which OPM can compute the amount of the former spouse's share of the employee annuity from the face of the court order or from normal OPM files.

(d) A court order directed at employee annuity is not a court order acceptable for processing if the court order awards a portion of the ''present value'' of an annuity unless the amount of the ''present value'' is stated in the court order.

(e) A court order directed at employee annuity is not a court order acceptable for processing if the court order directs OPM to determine a rate of employee annuity that would require OPM to determine a salary or average salary, other than a salary or average salary actually used in computing the employee annuity, as of a date prior to the date of the employee's separation and to adjust that salary for use in computing the former spouse share unless the adjustment is by—

(1) A fixed amount or fixed annual amounts that are stated in the order;

(2) The rate of cost-of-living or salary adjustments as those terms are described in § 838.622;

(3) The percentage change in pay that the employee actually received excluding changes in grade and/or step; or

(4) The percentage change in either of the national indices used to compute cost-of-living or salary adjustments as those terms are described in § 838.622.

§ 838.306 Specifying type of annuity for application of formula, percentage or fraction.

(a) A court order directed at employee annuity that states the former spouse's share of employee annuity as a formula, percentage, or fraction is not a court order acceptable for processing unless OPM can determine the type of annuity on which to apply the formula, percentage, or fraction.

(b) The standard types of annuity to which OPM can apply the formula, percentage, or fraction are net annuity, gross annuity, or self-only annuity, which are defined in § 838.103. Unless the court order otherwise directs, OPM will apply the formula, percentage, or fraction to gross annuity. Section 838.625 contains information on other methods of describing these types of annuity.

Subpart D—Procedures for Processing Court Orders Affecting Refunds of Employee Contributions

REGULATORY STRUCTURE

§ 838.401 Purpose and scope.

(a) This subpart regulates the procedures that the Office of Personnel Management will follow upon the receipt of claims arising out of State court orders that affect refunds of employee contributions under CSRS or FERS. OPM must comply with court orders, decrees, or court-approved property settlements in connection with divorces, annulments of marriages, or legal separations of employees or retirees that—

(1) Award a portion of a refund of employee contributions to a former spouse; or

(2) If the requirements of §§838.431 and 838.505 are met, bar payment of a refund of employee contributions.

(b) This subpart prescribes—

(1) The circumstances that must occur before refunds of employee contributions are available to satisfy a court order acceptable for processing; and

(2) The procedures that a former spouse must follow when applying for a portion of a refund of employee contributions based on a court order under section 8345(j) or section 8467 of title 5, United States Code.

(c)(1) Subpart E of this part contains the rules that a court order directed at a refund of employee contributions must satisfy to be a court order acceptable for processing.

(2) Subpart F of this part contains definitions that OPM uses to determine the effect on a refund of employee contributions of a court order acceptable for processing.

AVAILABILITY OF FUNDS

§838.411 Amounts subject to court orders.

(a)(1) Refunds of employee contributions are subject to court orders acceptable for processing only if all of the conditions necessary for payment of the refund of employee contributions to the separated employee have been met, including, but not limited to—

(i) Separation from a covered position in the Federal service;

(ii) Application for payment of the refund of employee contributions by the separated employee; and

(iii) Immediate entitlement to a refund of employee contributions.

(2) Money held by an employing agency or OPM that may be payable at some future date is not available for payment under court orders directed at refunds of employee contributions.

(b) Payment under a court order may not exceed the amount of the refund of employee contributions.

APPLICATION AND PROCESSING PROCEDURES

§838.421 Application requirements.

(a) A former spouse (personally or through a representative) must apply in writing to be eligible for a court-awarded portion of a refund of employee contributions. No special form is required.

(b) The application letter must be accompanied by—

(1) A certified copy of the court order acceptable for processing that is directed at a refund of employee contributions.

(2) A certification from the former spouse or the former spouse's representative that the court order is currently in force and has not been amended, superseded, or set aside;

(3) Information sufficient for OPM to identify the employee or separated employee, such as his or her full name, date of birth, and social security number;

(4) The current mailing address of the former spouse; and

(5) If the employee or separated employee has not applied for a refund of employee contributions, the current mailing address of the employee or separated employee.

§838.422 Timeliness of application.

(a) Except as provided in §838.431 and paragraph (b) of this section, a court order acceptable for processing that is directed at a refund of employee contributions is not effective unless OPM receives the documentation required by §838.421 not later than—

(1) The last day of the second month before payment of the refund; or

(2) Twenty days after OPM receives the Statement required by §831.2007(c) or §843.208(b) of this chapter if the former spouse has indicated on that Statement that such a court order exists.

(b) If OPM receives a copy of a court order acceptable for processing that is directed at a refund of employee contributions but not all of the documentation required by §838.421, OPM will notify the former spouse that OPM must receive the missing items within 15 days after the date of the notice or

OPM cannot comply with the court order.

[57 FR 33574, July 29, 1992, as amended at 58 FR 43493, Aug. 17, 1993]

§ 838.423 OPM action on receipt of a court order acceptable for processing.

(a) If OPM receives a court order acceptable for processing that is directed at a refund of employee contributions, OPM will inform—

(1) The former spouse—

(i) That the court order is acceptable for processing;

(ii) Of the date on which OPM received the court order;

(iii) Whether OPM has a record of unrefunded employee contributions on the employee;

(iv) That the former spouse's share of the refund of employee contributions cannot be paid unless the employee separates from the Federal service and applies for a refund of employee contributions;

(v) To the extent possible, the formula that OPM will use to compute the former spouse's share of a refund of employee contributions; and

(vi) That, if the former spouse disagrees with the formula, the former spouse must obtain, and submit to OPM, an amended court order clarifying the amount; and

(2) The employee or separated employee—

(i) That the former spouse has applied for benefits under this subpart;

(ii) That the court order is acceptable for processing and that OPM must comply with the court order;

(iii) Of the date on which OPM received the court order;

(iv) That the former spouse's share of the refund of employee contributions cannot be paid unless the employee separates from the Federal service and applies for a refund of employee contributions;

(v) To the extent possible, the formula that OPM will use to compute the former spouse's share of the refund of employee contributions;

(vi) That, if he or she contests the validity of the court order, he or she must obtain, and submit to OPM, a court order invalidating the court order submitted by the former spouse; and

(vii) That, if he or she disagrees with the formula, he or she must obtain, and submit to OPM, an amended court order clarifying the amount.

(b) The failure of OPM to provide, or of the employee or separated employee or the former spouse to receive, the information specified in this section does not affect the validity of payment under the court order.

§ 838.424 OPM action on receipt of a court order not acceptable for processing.

If OPM receives an application from a former spouse not based on a court order acceptable for processing, OPM will inform the former spouse that OPM cannot approve the application and provide the specific reason(s) for disapproving the application. Examples of reasons for disapproving an application include that the order does not meet the definition of court order in § 838.103 or does not meet one or more of the requirements of subpart E of this part.

§ 838.425 Contesting the validity of court orders.

(a) An employee or separated employee who alleges that a court order is invalid must prove the invalidity of the court order by submitting a court order that—

(1) Declares invalid the court order submitted by the former spouse; or

(2) Sets aside the court order submitted by the former spouse.

(b) OPM must honor a court order acceptable for processing that appears to be valid and that the former spouse has certified is currently in force and has not been amended, superseded, or set aside, until the employee or separated employee submits a court order described in paragraph (a) of this section or a court order amending or superseding the court order submitted by the former spouse.

PAYMENT PROCEDURES

§ 838.431 Correcting failures to provide required spousal notification.

The interests of a former spouse with a court order acceptable for processing that is directed at a refund of employee

contributions who does not receive notice of an application for refund of employee contributions because the employee or separated employee submits fraudulent proof of notification or fraudulent proof that the former spouse's whereabouts are unknown are protected if, and only if—

(a) The former spouse files a court order acceptable for processing that affects or bars the refund of employee contributions with OPM no later than the last day of the second month before the payment of the refund; or

(b) The former spouse submits proof that—

(1) The evidence submitted by the employee was fraudulent; and

(2) Absent the fraud, the former spouse would have been able to submit the necessary documentation required by § 838.421 within the time limit prescribed in § 838.422.

§ 838.432 Court orders barring payment of refunds.

A court order, notice, summons, or other document that attempts to restrain OPM from paying a refund of employee contributions is not effective unless it meets all the requirements of § 838.505 or part 581 of this chapter.

PROCEDURES FOR COMPUTING THE AMOUNT PAYABLE

§ 838.441 Computing lengths of service.

(a) The smallest unit of time that OPM will calculate in computing a formula in a court order is a month, even where the court order directs OPM to make a more precise calculation.

(b) If the court order states a formula using a specified simple or decimal fraction other than twelfth parts of a year, OPM will use the specified number to perform simple mathematical computations.

Subpart E—Requirements for Court Orders Affecting Refunds of Employee Contributions

§ 838.501 Purpose and scope.

This subpart regulates the requirements that a court order directed at or barring a refund of employee contributions must meet to be a court order acceptable for processing.

(a) A court order is directed at a refund of employee contributions if it awards a former spouse a portion of a refund of employee contributions.

(b) A court order bars a refund of employee contributions if it prohibits payment of a refund of employee contributions to preserve a former spouse's court-awarded entitlement to a portion of an employee annuity or to a former spouse survivor annuity.

§ 838.502 Expressly dividing a refund of employee contributions.

(a) A court order directed at a refund of employee contributions is not a court order acceptable for processing unless it expressly awards a former spouse a portion of a refund of employee contributions as provided in paragraph (b) of this section.

(b) To expressly award a former spouse a portion of a refund of employee contributions as required by paragraph (a) of this section, the court order must—

(1) Identify the retirement system using terms that are sufficient to identify the retirement system as explained in § 838.611; and

(2) Expressly state that the former spouse is entitled to a portion of a refund of employee contributions using terms that are sufficient to identify the refund of employee contributions as explained in § 838.612.

§ 838.503 Providing for payment to the former spouse.

(a) A court order directed at a refund of employee contributions is not a court order acceptable for processing unless it provides for OPM to pay a portion of a refund of employee contributions to the former spouse as provided in paragraph (b) of this section.

(b) To provide for OPM to pay a portion of a refund of employee contributions to the former spouse as required by paragraph (a) of this section, the court order must—

(1) Expressly direct OPM to pay the former spouse directly;

(2) Direct the employee or separated employee to arrange or to execute forms for OPM to pay the former spouse directly; or

(3) Be silent concerning who is to pay the portion of the refund of employee

contributions awarded to the former spouse.

(c) Although paragraphs (b)(2) and (b)(3) of this section provide acceptable methods for satisfying the requirement that the court order provide for OPM to pay the former spouse, OPM strongly recommends that the court order expressly direct OPM to pay the former spouse directly.

§ 838.504 OPM computation of formulas.

(a) A court order directed at a refund of employee contributions is not a court order acceptable for processing unless the court order provides sufficient instructions and information so that OPM can compute the amount of the former spouse's share of the refund of employee contributions using only the express language of the court order, subparts A, D, and F of this part, and information from normal OPM files.

(b) To provide sufficient instructions and information that OPM can compute the amount of the former spouse's share of the refund of employee contributions as required by paragraph (a) of this section requires that the court order state the former spouse's share as—

(1) A fixed amount;

(2) A percentage or a fraction of the refund of employee contributions; or

(3) A formula that does not contain any variables whose values are not readily ascertainable from the face of the court order or normal OPM files.

(c) A court order directed at a refund of employee contributions is not a court order acceptable for processing if OPM would have to examine a State statute or court decision (on a different case) to understand, establish, or evaluate the formula for computing the former spouse's share of the refund of employee contributions.

§ 838.505 Barring payment of refunds.

A court order barring payment of a refund of employee contributions is not a court order acceptable for processing unless—

(a) It expressly directs OPM not to pay a refund of employee contributions;

(b) It awards, or a prior court order acceptable for processing has awarded, the former spouse a former spouse survivor annuity or a portion of the employee annuity; and

(c) Payment of the refund of employee contributions would prevent payment to the former spouse under the court order described in paragraph (b) of this section.

Subpart F—Terminology Used in Court Orders Affecting Employee Annuities or Refunds of Employee Contributions

REGULATORY STRUCTURE

§ 838.601 Purpose and scope.

(a) This subpart regulates the meaning of terms necessary to award benefits in a court order directed at an employee annuity or a refund of employee contributions. OPM applies the meanings to determine whether a court order directed at an employee annuity or a refund of employee contributions is a court order acceptable for processing and to establish the amount of the former spouse's share of an employee annuity or a refund of employee contributions.

(b)(1) This subpart establishes a uniform meaning to be used for terms and phrases frequently used in awarding a former spouse a portion of an employee annuity or a refund of employee contributions.

(2) This subpart informs the legal community about the definitions to apply terms used in drafting court orders so that the resulting court orders contain the proper language to accomplish the aims of the court.

(c)(1) To assist attorneys and courts in preparing court orders that OPM can honor in the manner that the court intends, appendix A of this subpart contains model language to accomplish many of the more common objectives associated with the award of a former spouse's share of an employee annuity or a refund of employee contributions.

(2) By using the language in appendix A of this subpart, the court, attorneys, and parties will know that the court order will be acceptable for processing

and that OPM will treat the terminology used in the court order in the manner stated in the appendix.

IDENTIFICATION OF BENEFITS

§ 838.611 Identifying the retirement system.

(a) To satisfy the requirements of § 838.303(b)(1) or § 838.502(b)(1), a court order must contain language identifying the retirement system to be affected. For example, ''CSRS,'' ''FERS,'' ''OPM,'' or ''Federal Government'' benefits, or benefits payable ''based on service with the U.S. Department of Agriculture,'' etc., are sufficient identification of the retirement system.

(b) Except as provided in paragraphs (b)(1) and (b)(2) of this section, language referring to benefits under another retirement system, such as military retired pay, Foreign Service retirement benefits or Central Intelligence Agency retirement benefits, does not satisfy the requirements of § 838.303(b)(1) or § 838.502(b)(1).

(1) A court order that mistakenly labels CSRS benefits as FERS benefits and vice versa satisfies the requirements of §§ 838.303(b)(1) and 838.502(b)(1).

(2) Unless the court order expressly provides otherwise, for employees transferring to FERS, court orders directed at CSRS benefits apply to the entire FERS basic benefit, including the CSRS component, if any. Such a court order satisfies the requirements of §§ 838.303(b)(1) and 838.502(b)(1).

(c) A court order affecting military retired pay, even when military retired pay has been waived for inclusion in CSRS annuities, does not award a former spouse a portion of an employee annuity or a refund of employee contributions under CSRS or FERS. Such a court order does not satisfy the requirements of § 838.303(b)(1) or § 838.502(b)(1).

§ 838.612 Distinguishing between annuities and contributions.

(a) A court order using ''annuities,'' ''pensions,'' ''retirement benefits,'' or similar terms satisfies the requirements of §§ 838.303(b)(2) and 838.502(b)(2) and may be used to divide an employee annuity and a refund of employee contributions.

(b)(1) A court order using ''contributions,'' ''deductions,'' ''deposits,'' ''retirement accounts,'' ''retirement fund,'' or similar terms satisfies the requirements of § 838.502(b)(2) and may be used only to divide the amount of contributions that the employee has paid into the Civil Service Retirement and Disability Fund.

(2) Unless the court order specifically states otherwise, when an employee annuity is payable, a court order using the terms specified in paragraph (b)(1) of this section satisfies the requirements of § 838.303(b)(2) and awards the former spouse a benefit to be paid in equal monthly installments at 50 percent of the gross annuity at the time of retirement or the date of the court order, whichever comes later, until the specific dollar amount is reached.

COMPUTATION OF BENEFITS

§ 838.621 Prorata share.

(a) *Prorata share* means one-half of the fraction whose numerator is the number of months of Federal civilian and military service that the employee performed during the marriage and whose denominator is the total number of months of Federal civilian and military service performed by the employee.

(b) A court order that awards a former spouse a prorata share of an employee annuity or a refund of employee contributions by using the term ''prorata share'' and identifying the date when the marriage began satisfies the requirements of §§ 838.305 and 838.504 and awards the former spouse a prorata share as defined in paragraph (a) of this section.

(c) A court order that awards a portion of an employee annuity as of a specified date before the employee's retirement awards the former spouse a prorata share as defined in paragraph (a) of this section.

(d) A court order that awards a portion of the ''value'' of an annuity as of a specific date before retirement, without specifying what ''value'' is, awards the former spouse a prorata share as defined in paragraph (a) of this section.

§ 838.622 Cost-of-living and salary adjustments.

(a)(1) A court order that awards adjustments to a former spouse's portion of an employee annuity stated in terms such as ''cost-of-living adjustments'' or ''COLA's'' occurring after the date of the decree but before the date of retirement provides increases equal to the adjustments described in or effected under section 8340 or section 8462 of title 5, United States Code.

(2) A court order that awards adjustments to a former spouse's portion of an employee annuity stated in terms such as ''salary adjustments'' or ''pay adjustments'' occurring after the date of the decree provides increases equal to the adjustments described in or effected under section 5303 of title 5, United States Code until the date of retirement.

(b)(1) Unless the court order directly and unequivocally orders otherwise, a court order that awards a former spouse a portion of an employee annuity either on a percentage basis or by use of a fraction or formula provides that the former spouse's share of the employee annuity will be adjusted to maintain the same percentage or fraction whenever the employee annuity changes as a result of—

(i) Salary adjustments occurring after the date of the decree and before the employee retires; and

(ii) Cost-of-living adjustments occurring after the date of the decree and after the date of the employee's retirement.

(2) A court order that awards a former spouse a specific dollar amount from the employee annuity prevents the former spouse from benefiting from salary and cost-of-living adjustments after the date of the decree, unless the court expressly orders their inclusion.

(c)(1)(i) Except as provided in paragraph (b) of this section, a court order that contains a general instruction to calculate the former spouse's share effective at the time of divorce or separation entitles the former spouse to the benefit of salary adjustments occurring after the specified date to the same extent as the employee.

(ii) To prevent the application of salary adjustments after the date of the divorce or separation, the court order must either state the exact dollar amount of the award to the former spouse or specifically instruct OPM not to apply salary adjustments after the specified date in computing the former spouse's share of the employee annuity.

(2)(i) Except as provided in paragraph (b) of this section, a court order that requires OPM to compute a benefit as of a specified date before the employee's retirement, and specifically instructs OPM not to apply salary adjustments after the specified date in computing the former spouse's share of an employee annuity provides that the former spouse is entitled to the application of cost-of-living adjustments after the date of the employee's retirement in the manner described in § 838.241.

(ii) To award cost-of-living adjustments between a specified date and the employee's retirement, the court order must specifically instruct OPM to adjust the former spouse's share of the employee annuity by any cost-of-living adjustments occurring between the specified date and the date of the employee's retirement.

(iii) To prevent the application of cost-of-living adjustments that occur after the employee annuity begins to accrue to the former spouse's share of the employee annuity, the decree must either state the exact dollar amount of the award to the former spouse or specifically instruct OPM not to apply cost-of-living adjustments occurring after the date of the employee's retirement.

§ 838.623 Computing lengths of service.

(a) Sections 838.242 and 838.441 contain information on how OPM calculates lengths of service.

(b) Unless the court order otherwise expressly directs—

(1) For the purpose of describing a period of time to be excluded from any element of a computation, the term ''military service'' means military service as defined in section 8331(13) of title 5, United States Code, and does not include civilian service with the Department of Defense or the Coast Guard; and

(2) For the purpose of describing a period of time to be included in any element of a computation, the term ''military service'' means all periods of military and civilian service performed with the Department of Defense or the Coast Guard.

(c)(1) When a court order contains a formula for dividing employee annuity that requires a computation of service worked as of a date prior to separation and using terms such as ''years of service,'' ''total service,'' ''service performed,'' or similar terms, the time attributable to unused sick leave will not be included.

(2) When a court order contains a formula for dividing employee annuity that requires a computation of ''creditable service'' (or some other phrase using ''credit'' or its equivalent) as of a date prior to retirement, unused sick leave will be included in the computation (involving a CSRS employee annuity or the CSRS component of a FERS employee annuity) as follows:

(i) If the amount of unused sick leave is specified, the court order awards a portion of the employee annuity equal to the monthly employee annuity at retirement times a fraction, the numerator of which is the number of months of ''creditable service'' as of the date specified plus the number of months of unused sick leave specified (which sum is rounded to eliminate partial months) and whose denominator is the months of ''creditable service'' used in the retirement computation.

(ii) If the amount of unused sick leave is not specified, the court order awards a portion of the employee annuity equal to the monthly rate at the time of retirement times a fraction, the numerator of which is the number of months of ''creditable service'' as of the date specified (no sick leave included) and whose denominator is the number of months of ''creditable service'' used in the retirement computation (sick leave included).

(d)(1) General language such as ''benefits earned as an employee with the U.S. Postal Service * * *'' provides only that CSRS retirement benefits are subject to division and does not limit the period of service included in the computation (i.e., service performed with other Government agencies will be included).

(2) To limit the computation of benefits to a particular period of employment, the court order must—

(i) Use language expressly limiting the period of service to be included in the computation (e.g., ''only U.S. Postal Service'' or ''exclusive of any service other than U.S. Postal Service employment''); or

(ii) Specify the number of months to be included in the computation; or

(iii) Describe specifically the period of service to be included in the computation (e.g., ''only service performed during the period Petitioner and Defendant were married'' or ''benefits based on service performed through the date of divorce'').

§ 838.624 Distinguishing between formulas and fixed amounts.

(a) A court order that contains both a formula or percentage instruction and a dollar amount is deemed to include the dollar amount only as the court's estimate of the initial amount of payment. The formula or percentage instruction controls.

(b) A court order that awards a portion of the ''present value'' of an employee annuity and specifically states the amount of either the ''present value'' of the employee annuity or of the award is deemed to give the former spouse ''a specific dollar amount'' that is payable from a monthly employee annuity and will be paid as a lump-sum award in accordance with § 838.235.

§ 838.625 Types of annuity.

(a) Terms that are synonymous with net annuity are—

(1) Disposable annuity; and

(2) Retirement check.

(b) Terms that are synonymous with self-only annuity are—

(1) Life rate annuity;

(2) Unreduced annuity; and

(3) Annuity without survivor benefit.

(c) All court orders that do not specify net annuity or self-only annuity apply to gross annuity.

MODEL PARAGRAPHS

APPENDIX A TO SUBPART F OF PART 838—RECOMMENDED LANGUAGE FOR COURT ORDERS DIVIDING EMPLOYEE ANNUITIES

This appendix provides recommended language for use in court orders attempting to divide employee annuity. A court order directed at employee annuity should include five elements:

- Identification of the benefits;
- Instructions that OPM pay the former spouse;
- A method for computing the amount of the former spouse's benefit;
- Identification of the type of annuity to which to apply a fraction, percentage or formula; and
- Instructions on what OPM should do if the employee leaves Federal service before retirement and applies for a refund of employee contributions.

The court order may also include instructions for disposition of the former spouse's share if the former spouse dies before the employee. By using the model language, courts will know that the court order will have the effect described in this appendix.

The model language in this appendix does not award a benefit that is payable after the death of the employee. A separate, distinct award of a former spouse survivor annuity is necessary to award a former spouse a benefit that is payable after the death of the employee. Appendix A to subpart I of this part contains model language for awarding survivor annuities and contains some examples that award both a portion of an employee annuity and a survivor annuity.

The model language uses the terms ''[former spouse]'' to identify the spouse who is receiving a former spouse's portion of an employee annuity and ''[employee]'' to identify the Federal employee whose employment was covered by the Civil Service Retirement System or the Federal Employees Retirement System. Obviously, in drafting an actual court order the appropriate terms, such as ''Petitioner'' and ''Respondent,'' or the names of the parties should replace ''[former spouse]'' and ''[employee].''

Similarly, the models are drafted for employees covered by the Civil Service Retirement System. The name of the retirement system should be changed for employees covered by the Federal Employees Retirement System.

¶001 Language required in Qualified Domestic Relations Orders.

Using the following paragraph will expressly state that the provisions of the court order concerning CSRS or FERS benefits are governed by this part. A court order directed at employee annuity (or awarding a survivor annuity) that is labelled a ''Qualified Domestic Relations Order'' or is issued on an ERISA form will not be automatically rendered unacceptable under §838.302(a) or §838.803(a) if the court order contains the following paragraph.

''The court has considered the requirements and standard terminology provided in part 838 of Title 5, Code of Federal Regulations. The terminology used in the provisions of this order that concern benefits under the Civil Service Retirement System are governed by the standard conventions established in that part.''

100 Series—Identification of the benefits and instructions that OPM pay the former spouse.

¶ 101 Identifying retirement benefits and directing OPM to pay the former spouse.

Using the following paragraph will expressly divide employee annuity to satisfy the requirements of §838.303 and direct OPM to pay the former spouse a share of an employee annuity to satisfy the requirements of §838.304.

''[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Insert language for computing the former spouse's share from 200 series of this appendix.] The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse].''

¶ 102–110 [Reserved].

¶ 111 Protecting a former spouse entitled to military retired pay.

Using the following paragraph will protect the former spouse interest in military retired pay in the event that the employee waives the military retired pay to allow crediting the military service under CSRS or FERS. The paragraph should be used only if the former spouse is awarded a portion of the military retired pay. ''If [Employee] waives military retired pay to credit military service under the Civil Service Retirement System, [insert language for computing the former spouse's share from 200 series of this appendix]. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse].''

200 Series—Computing the amount of the former spouse's benefits.

Paragraphs 201 through 204 contain model language for the most common types of wards that court orders make to former spouses. Subsequent paragraphs in the 200 series contain model language for less common, more complex awards.

Awards other than fixed amounts require that the court order specify the type of annuity (''gross,'' ''net,'' or self-only) on which the award is computed. The types of annuity are defined in §838.103. Variations on type of annuity are covered by the 300 series of this appendix.

¶ 201 Award of a fixed monthly amount.

Using the following paragraph will award the former spouse a fixed monthly amount. OPM will not apply COLA's to a fixed monthly amount unless the court order expressly directs that OPM and COLA's using the language in ¶231 of this appendix or similar language.

''[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Former spouse] is entitled to $[insert a number] per month from [employee]'s civil service retirement benefits. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse].''

¶ 202 Award of a percentage.

Using the following paragraph will award the former spouse a stated percentage of the employee annuity. Unless the court order expressly directly that OPM not add COLA's to the former spouse's share of the employee annuity, OPM will add COLA's to keep the former spouse's share at the stated percentage. Paragraph 232 of this appendix provides language for excluding COLA's.

''[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Former spouse] is entitled to [insert a number] percent of [employee]'s [insert ''gross,'' ''net,'' or ''self-only''] monthly annuity under the Civil Service Retirement System. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse].''

¶ 203 Award of a fraction.

Using the following paragraph will award the former spouse a stated fraction of the employee annuity. Unless the court order expressly directly that OPM not add COLA's to the former spouse's share of the employee annuity, OPM will add COLA's to keep the former spouse's share at the stated percentage. Paragraph 232 of this appendix provides language for excluding COLA's.

''[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Former spouse] is entitled to [insert fraction] ths of [employee]'s [insert ''gross,'' ''net,'' or ''self-only''] monthly annuity under the Civil Service Retirement System. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse].''

¶ 204 Award of a prorata share.

Using the following paragraph will award the former spouse a prorata share of the employee annuity. Prorata share is defined in §838.621. To award a prorata share the court order must state the date of the marriage. Unless the court order specifies a different ending date, the marriage ends for computation purposes on the date that the court order is filed with the court clerk. Unless the court order expressly directs that OPM not add COLA's to the former spouse's share of the employee annuity, OPM will add COLA's to keep the former spouse's share at the stated percentage. Paragraph 232 of this appendix provides language for excluding COLA's.

''[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Former spouse] is entitled to a prorata share of [employee]'s [insert 'gross,' 'net,' or self-only] monthly annuity under the Civil Service Retirement System. The marriage began on [insert date]. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse].''

¶ 205–210 [Reserved].

¶ 211 Award based on a stated formula.

Using the following paragraphs will award the former spouse a share of the employee annuity based on a formula stated in the court order. The formula must be stated in the court order (including a court-approved property settlement agreement). The formula may not be incorporated by reference to a statutory provision or a court decision in another case. If the court order uses a formula, the court order must include any data that is necessary for OPM to apply the formula unless the necessary data is contained in normal OPM files.

''[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Former spouse] is entitled to a share of [employee]'s [insert 'gross,' 'net,' or self-only] monthly annuity under the Civil Service Retirement System to be computed as follows: [Insert formula for computing the former spouse's share.]''

''The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse].''

¶ 212–230

¶ 231 Awarding COLA's on fixed monthly amounts.

Using the following paragraph will award COLA's in addition to a fixed monthly amount to the former spouse. The model awards COLA's at the same rate applied to the employee annuity.

''[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Former spouse] is entitled to $[insert a number] per month from [employee]'s civil service retirement benefits. When COLA's are applied to [employee]'s retirement benefits, the same COLA applies to [former spouse]'s share. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse].''

¶ 232 Excluding COLA's on awards other than fixed monthly amounts.

Using the following paragraph will prevent application of COLA's to a former spouse's share of an employee annuity in cases where the former spouse has been awarded a percentage, fraction or prorata share of the employee annuity, rather than a fixed dollar amount.

''[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Insert language for computing the former spouse's share from ¶202, ¶203, ¶204, or ¶211 of this appendix.] The United States Office of Personnel Management is directed to determine the amount of [former spouse]'s share on the date [insert 'when [employee] retires' if the employee has not retired, or 'of this order' if the employee is already retired] and not to apply COLA's to that amount. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse].''

300 Series—Type of annuity.

Awards of employee annuity to a former spouse (other than awards of fixed dollar amounts) must specify whether OPM will use the ''gross,'' ''net,'' or self-only annuity as defined in §838.103 in determining the amount of the former spouse's entitlement. The court order may contain a formula that has the effect of creating other types of annuity, but the court order may only do this by providing a formula that starts from ''gross,'' ''net,'' or self-only annuity as defined in §838.103.

¶ 301 Awards based on benefits actually paid.

The court order may include a formula that effectively uses the court's definition of net annuity rather than the one provided by §838.103. For example, using the following paragraph will award the former spouse a prorata share of the employee annuity reduced only by the amount deducted as premiums for basic life insurance under the Federal Employee Group Life Insurance Program.

''[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Former spouse] is entitled to a prorata share of [employee]'s monthly annuity under the Civil Service Retirement System, where monthly annuity means the self-only annuity less the amount deducted as premiums for basic life insurance under the Federal Employee Group Life Insurance Program. The marriage began on [insert date]. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse].''

¶ 302–310 [Reserved].

¶ 311 Awards of earned annuity in cases where the actual annuity is based on disability.

Using the following paragraph will award a former spouse a prorata share of what the employee annuity would have been based on only the employee's actual service in cases where the actual employee annuity is based on disability. The paragraph also allows the court order to provide for the former spouse's share to begin when the employee reaches a stated age, using age 62 as an example. As with all other formulas the court order must specify whether the computation applies to ''gross,'' ''net,'' or self-only annuity. OPM will apply COLA's that occurred after the date of the disability retirement to the former spouse's share. The following paragraph should be used only for disability retirees under CSRS. Under FERS, section 8452 of title 5, United States Code, provides a formula for recomputation of disability annuities at age 62 to approximate an earned annuity. Therefore to award a portion of the ''earned'' benefit under FERS add the introductory phrase, ''Starting when [employee] reaches age 62,'' to the paragraph describing how to compute the amount.

''[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United State's Government. Starting when [employee] reaches age 62, [former spouse] is entitled to a prorata share of [employee]'s [insert ''gross,'' ''net,'' or self-only] monthly annuity under the Civil Service Retirement System, where monthly annuity means the amount of [employee]'s monthly annuity computed as though [employee] had retired on an immediate, nondisability annuity on the commencing date of [employee]'s annuity based on disability. In computing the amount of the immediate annuity, the United States Office of Personnel Management will deem [employee] to have been age 62 at the time that [employee] retired on disability. The marriage began on [insert date]. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse].''

400 Series—Refunds of employee contributions.

Court orders that award a former spouse a portion of a future employee annuity of an employee who is not then eligible to retire should include an additional paragraph containing instructions that tell OPM what to do if the employee separates before becoming eligible to retire and requests a refund of employee contributions. The court order may award the former spouse a portion of the refund of employee contributions or bar payment of the refund of employee contributions.

¶ 401 Barring payment of a refund of employee contributions.

Using the following paragraph will bar payment of the refund of employee contributions if payment of the refund of employee contributions would extinguish the former spouse's entitlement to a portion of the employee annuity. ''The United States Office of Personnel Management is directed not to pay [employee] a refund of employee contributions.''

¶ 402 Dividing a refund of employee contributions.

Using the following paragraph will allow the refund of employee contributions to be paid but will award a prorata share of the refund of employee contributions to the former spouse. The sentence on the beginning date of the marriage is unnecessary if the beginning is stated elsewhere in the order. The award of a prorata share is used only as an example; the court order could provide another fraction, percentage, or formula, or a fixed amount. Note that a refund of employee contributions voids the employee's rights to an employee annuity and the former spouse's right to any portion of that annuity.

''If [employee] becomes eligible and applies for a refund of employee contributions, [former spouse] is entitled to a prorata share of the refund of employee contributions. The marriage began on [insert date]. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse].''

500 Series—Death of the former spouse.

¶ 501 Full annuity restored to the retiree.

No special provision is necessary to restore the entire annuity to the retiree upon the death of the former spouse. Unless the court order expressly provides otherwise, OPM will pay the former spouse's share to the retiree after the death of the former spouse.

¶ 502 Former spouse share paid to children.

Using the following paragraph will award the former spouse's share of an employee annuity to the children, including any adopted children, of the employee and former spouse.

''If [former spouse] dies before [employee], the United States Office of Personnel Management is directed to pay [former spouse]'s share of [employee]'s civil service retirement benefits to surviving children of the marriage including any adopted children, in equal shares. Upon the deaths of any child, that child's share will be distributed among the other surviving children.''

The language may be modified to terminate the payments to the children when they reach a stated age. A court order that includes such a provision for termination must include sufficient information (such as the children's dates of birth) to permit OPM to

determine when the children's interest terminate. OPM will not consider evidence outside the court order (and normal OPM files) to establish the children's dates of birth.

¶ 503 Former spouse share paid to the court.

Using the following paragraph will provide for payment of the former spouse's share of an employee annuity to the court after the death of the former spouse. This would allow a court officer to administer the funds. ''If [former spouse] dies before [employee], the United States Office of Personnel Management is directed to pay [former spouse]'s share of [employee]'s civil service retirement benefits to this court at the following address: ''[Insert address where checks should be sent. The address may be up to six lines and should include sufficient information for court officials to credit the correct account.]''

Subpart G—Procedures for Processing Court Orders Awarding Former Spouse Survivor Annuities

REGULATORY STRUCTURE

(b) This subpart prescribes—

(1) The commencing and terminating dates of former spouse survivor annuities based on court orders acceptable for processing; and

(2) The procedures that a former spouse must follow when applying for a former spouse survivor annuity based on a court order under section 8341(h) or section 8445 of title 5, United States Code.

(c)(1) Subpart H of this part contains the rules that a court order must satisfy to be a court order acceptable for processing to award a former spouse survivor annuity.

(2) Subpart I of this part contains definitions that OPM uses to determine the effect of a court order in connection with a former spouse survivor annuity.

LIMITATIONS ON SURVIVOR ANNUITIES

§ 838.711 Maximum former spouse survivor annuity.

(a) Under CSRS, payments under a court order may not exceed the amount provided in § 831.641 of this chapter.

[57 FR 33574, July 29, 1992, as amended at 58 FR 52882, Oct. 13, 1993]

APPLICATION AND PROCESSING PROCEDURES

§ 838.721 Application requirements.

(a)(1) A former spouse (personally or through a representative) must apply in writing to be eligible for a former spouse survivor annuity based on a court order acceptable for processing. No special form is required to give OPM notice of the court order.

(2) OPM may require an additional application after the death of the employee, separated employee, or retiree. This additional application will be on a form prescribed by OPM.

(b)(1) The application letter under paragraph (a)(1) of this section must be accompanied by—

(i) A certified copy of the court order;

(ii) A certification from the former spouse or the former spouse's representative that the court order is currently in force and has not been amended, superseded, or set aside;

(iii) Information sufficient for OPM to identify the employee or retiree, such as his or her full name, CSRS or FERS claim number, date of birth, and social security number;

(iv) The current mailing address of the former spouse;

(v) If the employee has not retired or died, the mailing address of the employee; and

(vi) A statement in the form prescribed by OPM certifying—

(A) That the former spouse has not remarried before age 55;

(B) That the former spouse will notify OPM within 15 calendar days of the occurrence of any remarriage before age 55; and

(C) That the former spouse will be personally liable for any overpayment to him or her resulting from a remarriage before age 55.

(2) OPM may subsequently require recertification of the statements required by this paragraph.

§838.722 OPM action on receipt of a court order acceptable for processing.

(a) If OPM receives a court order acceptable for processing that awards a former spouse survivor annuity based on the service of a living retiree, OPM will inform—

(1) The former spouse—

(i) That the court order is acceptable for processing;

(ii) Of the date on which OPM received the court order; and

(iii) Of the present amount of the monthly former spouse survivor annuity if the retiree were to die immediately and the formula OPM used to compute the monthly benefit; and

(2) The retiree—

(i) That the former spouse has applied for benefits under this subpart;

(ii) That the court order is acceptable for processing and that OPM must comply with the court order;

(iii) Of the date on which OPM received the court order;

(iv) Of the amount and commencing date of the reduction in the retiree's annuity;

(v) Of the present amount of the monthly former spouse survivor annuity if the retiree were to die immediately and the formula OPM used to compute the amount of the former spouse survivor annuity; and

(vi) That, if he or she contests the validity of the court order, he or she must obtain, and submit to OPM, a court order invalidating the court order submitted by the former spouse.

(b) If OPM receives a court order acceptable for processing that awards a former spouse survivor annuity, but the employee, separated employee, or retiree has died, OPM will inform—

(1) The former spouse—

(i) That the court order is acceptable for processing;

(ii) Of the date on which OPM received the court order, the date on which the former spouse's benefit will begin to accrue, and if known the date on which OPM will commence payment under the court order; and

(iii) Of the amount on the monthly former spouse survivor annuity and the formula OPM used to compute the former spouse survivor annuity.

(2) Anyone whom OPM knows will be adversely affected by the court order—

(i) That the former spouse has applied for benefits under this subpart;

(ii) That the court order is acceptable for processing and that OPM must comply with the court order;

(iii) Of the date on which OPM received the court order;

(iv) How the court order may adversely affect him or her; and

(v) That, if he or she contests the validity of the court order, he or she must obtain, and submit to OPM, a court order invalidating the court order submitted by the former spouse.

(c) If OPM receives a court order acceptable for processing that awards a former spouse survivor annuity and the employee or separated employee has not retired or died, OPM will attempt to inform—

(1) The former spouse—

(i) That the court order is acceptable for processing;

(ii) To the extent possible, the formula that OPM will use to compute the former spouse survivor annuity (including the FERS basic employee death benefit as defined in §843.102 of this chapter, if applicable); and

(iii) That, if he or she disagrees with the formula, he or she must obtain, and submit to OPM, an amended court order clarifying the amount before the employee or separated employee retires or dies; and

(2) The employee or separated employee—

(i) That the former spouse has applied for benefits under this subpart;

(ii) That the court order is acceptable for processing and the OPM must comply with the court order;

(iii) To the extent possible, the formula that OPM will use to compute the former spouse survivor annuity (including the FERS basic employee death benefit as defined in §843.102 of this chapter, if applicable); and

(iv) That, if he or she—

(A) Contests the validity of the court order, he or she must obtain, and submit to OPM, a court order invalidating the court order submitted by the former spouse; or

(B) Disagrees with the formula, he or she must obtain, and submit to OPM, an amended court order clarifying the amount before he or she retires or dies.

(d) The failure of OPM to provide, or of the employee, separated employee, or retiree, the former spouse, or anyone else to receive, the information specified in this section does not affect—

(1) The validity of payment under the court order; or

(2) The commencing date of the reduction in the employee annuity or the commencing date of the former spouse's entitlement as determined under §838.731.

[57 FR 33574, July 29, 1992, as amended at 58 FR 43493, Aug. 17, 1993]

§838.723 OPM action on receipt of a court order not acceptable for processing.

If OPM receives an application from a former spouse not based on a court order acceptable for processing, OPM will inform the former spouse that OPM cannot approve the application and provide the specific reason(s) for disapproving the application. Examples of reasons for disapproving an application include that the order does not meet the definition of court order in §838.103 or does not meet one or more of the requirements of subpart H of this part.

§838.724 Contesting the validity of court orders.

(a) An employee, retiree or person adversely affected by a court order who alleges that a court order is invalid must prove the invalidity of the court order by submitting to OPM a court order that—

(1) Declares invalid the court order submitted by the former spouse; or

(2) Sets aside the court order submitted by the former spouse.

(b) OPM must honor a court order acceptable for processing that appears to be valid and that the former spouse has certified is currently in force and has not been amended, superseded, or set aside, until the employee, separated employee, retiree, or person adversely affected by the court order submits to OPM a court order described in paragraph (a) of this section or, if issued before the retirement or death of the employee or separated employee, a court order acceptable for processing amending or superseding the court order submitted by the former spouse.

§838.725 Effect on employee and retiree election rights.

(a) A court order acceptable for processing that awards a former spouse survivor annuity does not affect a retiring employee's or retiree's rights and obligations to make survivor elections under subpart F of part 831 of this chapter or subpart F of part 842 of this chapter.

(b) A court order acceptable for processing that awards a former spouse survivor annuity requires OPM to pay a former spouse survivor annuity and prevents OPM from paying an elected survivor benefit to a widow or widower or another former spouse if the election is inconsistent with the court order.

PAYMENT PROCEDURES

§838.731 Commencing date of payments.

(a) A former spouse survivor annuity based on a court order acceptable for processing begins to accrue in accordance with the terms of the court order but no earlier than the later of—

(1) The first day after the date of death of the employee, separated employee, or retiree; or

(2) The first day of the second month after OPM receives a copy of the court order acceptable for processing.

(b) OPM will not authorize payment of the former spouse survivor annuity until it receives an application and supporting documentation required under §838.721.

§ 838.732 Termination of entitlement.

(a) A former spouse survivor annuity (other than the FERS basic employee death benefit as defined in § 843.102 of this chapter) or the right to a future former spouse survivor annuity based on a court order acceptable for processing terminates in accordance with the terms of the court order but no later than the last day of the month before the former spouse remarries before age 55 or dies.

(b) If the employee dies before the former spouse remarries before age 55 or dies, the former spouse's entitlement to the FERS basic employee death benefit as defined in § 843.102 of this chapter based on a court order acceptable for processing terminates in accordance with the terms of the court order.

[57 FR 33574, July 29, 1992, as amended at 58 FR 43493, Aug. 17, 1993]

§ 838.733 Rights of current and other former spouses after termination of a former spouse's entitlement.

(a) If a former spouse of a retiree loses entitlement to a former spouse survivor annuity based on a court order acceptable for processing while the retiree is living and—

(1) If court orders acceptable for processing award former spouse survivor annuities to other former spouses, OPM will continue the reduction to comply with court orders in the order specified in § 838.135;

(2) If paragraph (a)(1) of this section does not obligate the entire entitlement lost by he former spouse, OPM will continue the reduction to provide a current spouse survivor annuity or a former spouse survivor annuity based on a timely-filed election under § 831.611, § 831.612, § 831.631, § 831.632, § 842.603, § 842.604, § 842.611, or § 842.612 of this chapter; or

(3) If paragraphs (a)(1) and (a)(2) of this section do not obligate the entire entitlement lost by the former spouse, the retiree (except a retiree under CSRS who retired before May 7, 1985 and who remarried before February 27, 1986) may elect within 2 years after the former spouse loses entitlement to continue the reduction to provide a survivor annuity for a spouse acquired after retirement.

(b)(1) If a former spouse of an employee or retiree loses entitlement to a former spouse survivor annuity based on a court order acceptable for processing after the death of the employee or retiree and—

(i) If court orders acceptable for processing award former spouse survivor annuities to other former spouses, OPM will pay the next entitled former spouse in the order specified in § 838.135; or

(ii) If paragraph (b)(1) of this section does not obligate the entire entitlement lost by the former spouse, OPM will pay the balance to a current spouse of the deceased—

(A) Retiree who had elected a reduced annuity to provide a current spouse annuity (as defined in § 831.603 or § 842.602); or

(B) Employee.

(2) Except as provided in § 838.734—

(i) The former spouse survivor annuity based on paragraph (b)(1)(i) of this section begins to accrue in accordance with the terms of the court order but no earlier than the later of—

(A) The first day of the month in which the former spouse with the earlier-issued court order loses entitlement; or

(B) The first day of the second month after OPM receives a copy of the court order acceptable for processing; or

(ii) The current spouse annuity under paragraph (b)(1) (ii) of this section begins to accrue on the first day of the month in which the former spouse loses entitlement.

(c) OPM will not authorize payment of the former spouse survivor annuity until it receives an application and supporting documentation required under § 838.721.

[57 FR 33574, July 29, 1992, as amended at 58 FR 52882, Oct. 13, 1993]

§ 838.734 Payment of lump-sum awards by survivor annuity.

OPM will not honor court orders awarding lump-sum payments (other than the FERS basic employee death benefit as defined in § 843.102 of this chapter) to a former spouse upon the death of an employee or retiree.

[57 FR 33574, July 29, 1992, as amended at 58 FR 43493, Aug. 17, 1993]

§ 838.735 Cost-of-living adjustments.

(a) OPM applies cost-of-living adjustments to all former spouse survivor annuities in pay status at the time of the adjustment and in the amount provided by Federal statute.

(b) OPM will not honor provisions of a court order that alters the time or amount of cost-of-living adjustments or that attempts to prevent OPM from applying cost-of-living adjustments to a former spouse survivor annuity in pay status.

Subpart H—Requirements for Court Orders Awarding Former Spouse Survivor Annuities

§ 838.801 Purpose and scope.

This subpart regulates the requirements that a court order awarding a former spouse survivor annuity must meet to be a court order acceptable for processing.

§ 838.802 CSRS limitations.

(a) A court order awarding a former spouse survivor annuity under CSRS is not a court order acceptable for processing unless the marriage terminated on or after May 7, 1985.

(b) In the case of a retiree who retired under CSRS before May 7, 1985, a court order awarding a former spouse survivor annuity under CSRS is not a court order acceptable for processing unless the retiree was receiving a reduced annuity to provide a survivor annuity to benefit that spouse on May 7, 1985.

§ 838.803 Language not acceptable for processing.

(a) *Qualifying Domestic Relations Orders.* (1) Any court order labeled as a ''qualified domestic relations order'' or issued on a form for ERISA qualified domestic relations orders is not a court order acceptable for processing unless the court order expressly states that the provisions of the court order concerning CSRS or FERS benefits are governed by this part.

(2) When a court order is required by paragraph (a)(1) of this section to state that the provisions of a court order concerning CSRS or FERS benefits are governed by this part the court order must—

(i) Expressly refer to part 838 of itle 5, Code of Federal Regulations, and

(ii) Expressly state that the provisions of the court order concerning CSRS or FERS benefits are drafted in accordance with the terminology used in this part.

(3) Although any language satisfying the requirement of paragraph (a) (2) of this section is sufficient to prevent a court order from being unacceptable under paragraph (a)(1) of this section, OPM recommends the use of the language provided in ¶001 in appendix A to subpart F of this part to state that the provisions of the court order concerning CSRS or FERS benefits are governed by this part.

(4) A court order directed at employee annuity that contains the language described in paragraph (a)(2) of this section must also satisfy all other requirements of this subpart to be a court order acceptable for processing.

(b) *Employee annuity cannot continue after the death of the retiree.* Any court order that provides that the former spouse's portion of the employee annuity shall continue after the death of the employee or retiree, by using language such as ''will continue to receive benefits after the death of'' the employee, that the former spouse ''will continue to receive benefits for his (or her) lifetime,'' or ''that benefits will continue after the death of'' the employee, but does not use terms such as ''survivor annuity,'' ''death benefits,'' ''former spouse annuity,'' or similar terms is not a court order acceptable for processing.

§ 838.804 Court orders must expressly award a former spouse survivor annuity or expressly direct an employee or retiree to elect to provide a former spouse survivor annuity.

(a) A court order awarding a former spouse survivor annuity is not a court order acceptable for processing unless it expressly awards a former spouse survivor annuity or expressly directs an employee or retiree to elect to provide a former spouse survivor annuity as described in paragraph (b) of this section.

(b) To expressly award a former spouse survivor annuity or expressly

direct an employee or retiree to elect to provide a former spouse survivor annuity as required by paragraph (a) of this section the court order must—

(1) Identify the retirement system using terms that are sufficient to identify the retirement system as explained in § 838.911; and

(2) (i) Expressly state that the former spouse is entitled to a former spouse survivor annuity using terms that are sufficient to identify the survivor annuity as explained in § 838.912; or

(ii) Expressly direct the retiree to elect to provide a former spouse survivor annuity using terms that are sufficient to identify the survivor annuity as explained in § 838.912.

§ 838.805 OPM computation of formulas in computing the designated base.

(a) A court order awarding a former spouse survivor annuity is not a court order acceptable for processing unless the court order provides sufficient instructions and information so that OPM can determine the amount of the former spouse's monthly benefit using only the express language of the court order, subparts A, G and I of this part, and information from normal OPM files.

(b) To provide sufficient instructions and information for OPM to compute the amount of a former spouse survivor annuity as required by paragraph (a) of this section, if the court order uses a formula to determine the former spouse survivor annuity, it must not use any variables whose values are not readily ascertainable from the face of the court order or normal OPM files.

(c) A court order awarding a former spouse survivor annuity is not a court order acceptable for processing if OPM would have to examine a State statute or court decision (on a different case) to understand, establish, or evaluate the formula for computing the former spouse survivor annuity.

§ 838.806 Amended court orders.

(a) A court order awarding a former spouse survivor annuity is not a court order acceptable for processing if it is issued after the date of retirement or death of the employee and modifies or replaces the first order dividing the marital property of the employee or retiree and the former spouse.

(b) For purposes of awarding, increasing, reducing, or eliminating a former spouse survivor annuity, or explaining, interpreting, or clarifying a court order that awards, increases, reduces or eliminates a former spouse survivor annuity, the court order must be—

(1) Issued on a day prior to the date of retirement or date of death of the employee; or

(2) The first order dividing the marital property of the retiree and the former spouse.

(c) A court order that awards a former spouse survivor annuity and that is issued after the first order dividing the marital property of the retiree and the former spouse has been vacated, set aside, or otherwise declared invalid is not a court order acceptable for processing if—

(1) It is issued after the date of retirement or death of the retiree;

(2) It changes any provision concerning a former spouse survivor annuity in the court order that was vacated, set aside or otherwise declared invalid; and

(3)(i) The court order is effective prior to the date when it is issued; or

(ii) The retiree and former spouse do not compensate the Civil Service Retirement and Disability Fund for any uncollected annuity reduction due as a result of the court order vacating, setting aside, or otherwise invalidating the first order terminating the marital relationship between the retiree and the former spouse.

(d) In this section, ''date of retirement'' means the later of—

(1) The date that the employee files an application for retirement; or

(2) The effective commencing date for the employee's annuity.

(e) In this section, ''issued'' means actually filed with the clerk of the court, and does not mean the effective date of a retroactive court order that is effective prior to the date when actually filed with the clerk of the court (e.g., a court order issued nunc pro tunc).

(f)(1) In this section, the ''first order dividing the marital property of the retiree and the former spouse'' means—

(i) The original written order that first ends (or first documents an oral

order ending) the marriage if the court divides any marital property (or approves a property settlement agreement that divides any marital property) in that order, or in any order issued before that order); or

(ii) The original written order issued after the marriage has been terminated in which the court first divides any marital property (or first approves a property settlement agreement that divides any marital property) if no marital property has been divided prior to the issuance of that order.

(2) The first order dividing marital property does not include—

(i) Any court order that amends, explains, clarifies, or interprets the original written order regardless of the effective date of the court order making the amendment, explanation, clarification, or interpretation; or

(ii) Any court order issued under reserved jurisdiction or any other court order issued subsequent to the original written order that divide any marital property regardless of the effective date of the court order.

[57 FR 33574, July 29, 1992, as amended at 58 FR 3202, Jan. 8, 1993]

§ 838.807 Cost must be paid by annuity reduction.

(a) A court order awarding a former spouse survivor annuity is not a court order acceptable for processing unless it permits OPM to collect the annuity reduction required by section 8339(j)(4) or section 8419 of title 5, United States Code, from annuity paid by OPM. OPM will not honor a court order that provides for the retiree or former spouse to pay OPM the amount of the annuity reduction by any other means.

(b) The amount of the annuity reduction required by section 8339(j)(4) or section 8419 of title 5, United States Code, may be paid—

(1) By reduction of the former spouse's entitlement under a court order acceptable for processing that is directed at employee annuity; or

(2) By reduction of the employee annuity.

(c) Unless the court order otherwise directs, OPM will collect the annuity reduction required by section 8339(j)(4) or section 8419 of title, 5, United States Code, from the employee annuity.

Subpart I—Terminology Used in Court Orders Awarding Former Spouse Survivor Annuities

REGULATORY STRUCTURE

§ 838.901 Purpose and scope.

(a) This subpart regulates the meaning of terms necessary to award a former spouse survivor annuity in a court order, and for OPM to determine whether a court order awarding a former spouse survivor annuity is a court order acceptable for processing and the amount of the former spouse survivor annuity.

(b)(1) This subpart establishes a uniform meaning to be used for terms and phrases frequently used in awarding a former spouse survivor annuity.

(2) This subpart informs the legal community about the definition to be applied to terms used in court orders, to permit the resulting orders to be more carefully drafted, using the proper language to accomplish the aims of the court.

(c)(1) To assist attorneys and courts in preparing court orders that OPM can honor in the manner that the court intends, appendix A of this subpart contains model language to accomplish many of the more common objectives associated with the award of a former spouse survivor annuity.

(2) By using the language in appendix A of this subpart, the court, attorneys, and parties will know that the court order will be acceptable for processing and that OPM will treat the terminology used in the court order in the manner stated in the appendix.

IDENTIFICATION OF BENEFITS

§ 838.911 Identifying the retirement system.

(a) To satisfy the requirements of § 838.804(b)(1), a court order must contain language identifying the retirement system affected. For example, ''CSRS,'' ''FERS,'' ''OPM,'' or ''Federal Government'' survivor benefits, or ''survivor benefits payable based on service with the U.S. Department of Agriculture,'' etc., are sufficient identification of the retirement system.

(b) Except as provided in paragraphs (b)(1) and (b)(2) of this section, language referring to benefits under another retirement system, such as military retired pay, Foreign Service retirement benefits and Central Intelligence Agency retirement benefits, does not satisfy the requirements of § 838.804(b)(1).

(1) A court order that mistakenly labels CSRS benefits as FERS benefits and vice versa satisfies the requirements of § 838.804(b)(1).

(2) Unless the court order expressly provides otherwise, for employees transferring to FERS, court orders directed at CSRS benefits apply to this entire FERS basic benefit, including the CSRS component, if any. Such a court order satisfies the requirements of § 838.804(b)(1).

(c) A court order affecting military retired pay, even when military retired pay has been waived for inclusion in CSRS annuities, does not award a former spouse survivor annuity under CSRS or FERS. Such a court order does not satisfy the requirements of § 838.804(b)(1).

(d) A court order that requires an employee or retiree to maintain survivor benefits covering the former spouse satisfies the requirements of § 838.804(b)(1), if the former spouse was covered by a CSRS or FERS survivor annuity or the FERS basic employee death benefit as defined in § 843.102 of this chapter at the time of the divorce.

[57 FR 33574, July 29, 1992, as amended at 58 FR 43493, Aug. 17, 1993]

§ 838.912 Specifying an award of a former spouse survivor annuity.

(a) To satisfy the requirements of § 838.804(b)(2), a court order must specify that it is awarding a former spouse survivor annuity. The court order must contain language such as ''survivor annuity,'' ''death benefits,'' ''former spouse survivor annuity under 5 U.S.C. 8341(h)(1),'' etc.

(b)(1) A court order that provides that the former spouse is to ''continue as'' or ''be named as'' the beneficiary of CSRS survivor benefits or similar language satisfies the requirements of § 838.804(b)(2).

(2) A court order that requires an employee or retiree to maintain survivor benefits covering the former spouse satisfies the requirements of § 838.804(b)(2), if the former spouse was covered by a CSRS or FERS survivor annuity or the FERS basic employee death benefit as defined in § 843.102 of this chapter at the time of the divorce.

(c) Two types of potential survivor annuities may be provided by retiring employees to cover former spouses. Under CSRS, section 8341(h) of title 5, United States Code, provides for ''former spouse survivor annuities'' and section 8339(k) of title 5, United States Code, provides for ''insurable interest annuities.'' These are distinct benefits, each with its own advantages. The corresponding FERS provisions are sections 8445 and 8444, respectively.

(1) OPM will enforce court orders to provide section 8341(h) or section 8445 annuities. These annuities are less expensive and have fewer restrictions than insurable interest annuities but the former spouse's interest will automatically terminate upon remarriage before age 55. To provide a section 8341(h) or section 8445 annuity, the court order must use terms such as ''former spouse survivor annuity,'' ''section 8341(h) annuity,'' or ''survivor annuity.''

(2) OPM cannot enforce court orders to provide ''insurable interest annuities'' under section 8339(k) or section 8444. These annuities may only be elected at the time of retirement by a retiring employee who is not retiring under the disability provision of the law and who is in good health. The retirees may also elect to cancel the insurable interest annuity to provide a survivor annuity for a spouse acquired after retirement. The parties might seek to provide this type of annuity interest if the nonemployee spouse expects to remarry before age 55, if the employee expects to remarry a younger second spouse before retirement or if another former spouse has already been awarded a section 8341(h) annuity. However, the court will have to provide its own remedy if the employee is not eligible for or does not make the election. OPM cannot enforce the court order. Language including the words ''insurable interest'' or referring to section 8339(k) or section 8444 does not

satisfy the requirements of § 838.804(b)(2).

(3) In court orders which contain internal contradictions about the type of annuity, such as ''insurable interest annuity under section 8341(h),'' the section reference will control.

[57 FR 33574, July 29, 1992, as amended at 58 FR 43493, Aug. 17, 1993]

COMPUTATION OF BENEFIT

§ 838.921 Determining the amount of a former spouse survivor annuity.

(a) A court order that contains no provision stating the amount of the former spouse survivor annuity provides the maximum former spouse survivor annuity permitted under § 831.641 or § 842.613 of this chapter and satisfies the requirements of § 838.805.

(b)(1) A court order that provides that ''a former spouse will keep'' or ''an employee or retiree will maintain'' the survivor annuity to which he or she was entitled at the time of the divorce satisfies the requirements of § 838.805 and provides a former spouse survivor annuity in the same proportion to the maximum survivor annuity under § 831.641 or § 842.613 of this chapter as the former spouse had at the time of divorce. For example, a former spouse of an employee would be entitled to a maximum survivor benefit; a former spouse of a retiree (who was married to the retiree at retirement and continuously until the divorce resulting in the court order) would be entitled to the survivor benefit elected at retirement.

(2) If, at the time of divorce, the employee covered by FERS had at least 18 months of civilian service creditable under FERS but less than 10 years of service creditable under FERS, a former spouse with a court order described in paragraph (b)(1) or paragraph (b)(2) of this section may be entitled to the basic employee death benefit as defined in § 843.102 of this chapter, but is not entitled to any other former spouse survivor annuity based on the court order.

(c)(1) A court order that awards a former spouse survivor annuity of less than $12 per year satisfies the requirements of § 838.805 and provides an initial rate of $1 per month plus all cost-of-living increases occurring after the later of—

(i) The date of the court order; or

(ii) The date when the employee retires.

(2) The reduction in the employee annuity will be computed as though the court order provided a former spouse survivor annuity of $1 per month.

(d)(1) A court order that awards a former spouse survivor annuity while authorizing the employee or retiree to elect a lesser former spouse survivor annuity upon the employee's or retiree's remarriage satisfies the requirements of § 838.805, and provides the former spouse survivor annuity at the rate initially provided in the court order but does not allow the employee or retiree to elect a lesser benefit for the former spouse.

(2) To provide full survivor annuity benefits to a former spouse while authorizing the employee or retiree to elect a lesser former spouse survivor annuity benefit in order to provide survivor annuity benefits for a subsequent spouse, the court order must provide for a reduction in the former spouse survivor annuity upon the employee's or retiree's election of survivor annuity benefits for a subsequent spouse.

(3) A reduction in the amount of survivor benefits provided to the former spouse does not satisfy the requirements of § 838.805 if it is contingent upon the employee's or annuitant's remarriage rather than his or her election of survivor annuity benefits for a subsequent spouse.

[57 FR 33574, July 29, 1992, as amended at 58 FR 43493, Aug. 17, 1993; 58 FR 52882, Oct. 13, 1993]

§ 838.922 Prorata share defined.

(a) *Prorata share* means the fraction of the maximum survivor annuity allowable under § 831.641 or § 842.613 of this chapter whose numerator is the number of months of Federal civilian and military service that the employee performed during the marriage and whose denominator is the total number of months of Federal civilian and military service performed by the employee.

(b) A court order that awards a former spouse a ''prorata share'' of a survivor annuity by using that term

and identifying the date when the marriage began satisfies the requirements of § 838.805 and awards the former spouse a former spouse survivor annuity equal to the prorata share as defined in paragraph (a) of this section.

(c) A court order that awards a portion of a survivor annuity, as of a specified date before the employee's retirement, awards the former spouse a former spouse survivor annuity equal to the prorata share as defined in paragraph (a) of this section.

(d) A court order that awards a portion of the ''value'' of a survivor annuity as of a specific date before retirement, without specifying what ''value'' is, awards the former spouse a former spouse survivor annuity equal to a prorata share as defined in paragraph (a) of this section.

[57 FR 33574, July 29, 1992, as amended at 58 FR 52882, Oct. 13, 1993]

§ 838.923 Cost-of-living adjustment before the death of a retiree.

A court order that awards a former spouse survivor annuity is deemed to order OPM to add to the survivor annuity rate cost-of-living adjustments that occur before the death of a retiree (in the same manner as these adjustments are applied to the survivor rate generally) unless the court order contains an instruction expressly directing OPM not to add these adjustments to the survivor annuity rate. (See § 838.735 for information concerning cost-of-living adjustments after the death of an employee or retiree.)

MISCELLANEOUS PROVISIONS

§ 838.931 Court orders that provide temporary awards of former spouse survivor annuities.

A provision in a court order that temporarily awards a former spouse survivor annuity satisfies the requirements of § 838.804(b)(2), but the temporary award becomes permanent on the date on which OPM is barred from honoring a modification of the court order (the date of retirement or death, or, in the case of a post-retirement divorce, the date of the initial court order), as provided in sections 8341(h)(4) and 8445(d) of title 5, United States Code.

[57 FR 33574, July 29, 1992, as amended at 58 FR 43493, Aug. 17, 1993]

§ 838.932 Court orders that permit the former spouse to elect to receive a former spouse survivor annuity.

(a) Except as provided in paragraph (b) of this section, a court order that gives the former spouse the right to elect a former spouse survivor annuity satisfies the requirements of § 838.804(b)(2) and provides a former spouse survivor annuity in the amount otherwise provided by the court order.

(b) A former spouse who has been awarded a former spouse survivor annuity by a court order that gives the former spouse the right to elect a former spouse survivor annuity may irrevocably elect not to be eligible for a former spouse survivor annuity based on the court order.

(c) The former spouse may make the election under paragraph (b) of this section at any time after the issuance of the court order. An election under paragraph (b) of this section—

(1) Must be in writing and in the form prescribed by OPM;

(2) Is effective on the first day of the month following the month in which OPM received the election; and

(3) Is irrevocable once it has become effective.

(d) The reduction in an employee annuity based on a court order that gives the former spouse the right to elect a former spouse survivor annuity terminates on the last day of the month in which OPM receives the former spouse's election under paragraph (b) of this section.

[57 FR 33574, July 29, 1992, as amended at 58 FR 43493, Aug. 17, 1993]

§ 838.933 Payment of the cost of a former spouse survivor annuity.

(a) A court order that unequivocally awards a former spouse survivor annuity and directs the former spouse to pay for that benefit satisfies the requirements of § 838.805, and—

(1) If the former spouse has also been awarded a portion of the employee annuity then the cost of the survivor benefit will be deducted from the former spouse's share of the employee annuity

(if sufficient to cover the total cost—there will be no partial withholding); otherwise,

(2) The reduction will be taken from the employee annuity and collection from the former spouse will be a private matter between the parties.

(b) a court order that conditions the award of a former spouse survivor annuity on the former spouse's payment of the cost of the benefit satisfies the requirements of §838.805 only if a court order acceptable for processing also awards the former spouse a portion of the employee annuity sufficient to cover the cost.

MODEL PARAGRAPHS

APPENDIX A TO SUBPART I OF PART 838—RECOMMENDED LANGUAGE FOR COURT ORDERS AWARDING FORMER SPOUSE SURVIVOR ANNUITIES

This appendix provides recommended language for use in court orders awarding former spouse survivor annuities. A former spouse survivor annuity is not a continuation of a former spouse's share of an employee annuity after the death of the employee. A former spouse's entitlement to a portion of an employee annuity cannot continue after the death of the employee. A court order that attempts to extend the former spouse's entitlement to a portion of an employee annuity past the death of the employee is not effective. The model language in this appendix does not award benefits payable to the former spouse during the lifetime of the employee. A separate, distinct award of a portion of the employee annuity is necessary to award a former spouse a benefit during the lifetime of the employee. Appendix A to subpart F of this part contains model language for a portion of an employee annuity.

Attorneys should exercise great care in preparing provisions concerning former spouse survivor annuities because sections 8341(h)(4) and 8445(d) of title 5, United States Code, prohibit OPM from accepting modifications after the retirement or death of the employee. (See §838.806 concerning unacceptable modifications.) A court order awarding a former spouse survivor annuity should include four elements:

- Identification of the retirement system;
- Explicit award of the former spouse survivor annuity.
- Method for computing the amount of the former spouse's benefit; and
- Instructions on what OPM should do if the employee leaves Federal service before retirement and applies for a refund of employee contributions.

By using the model language, courts will know that the court order will have the effect described in this appendix.

The model language uses the terms ''[former spouse]'' to identify the spouse who is receiving a former spouse survivor annuity and ''[employee]'' to identify the Federal employee whose employment was covered by the Civil Service Retirement System or the Federal Employees Retirement System. Obviously, in drafting an actual court order the appropriate terms, such as ''Petitioner'' and ''Respondent,'' or the names of the parties should replace ''[former spouse]'' and ''[employee].''

Similarly, except when the provision applies only to the basic employee death benefit (defined in §843.103 of this chapter) that is available only under the Federal Employees Retirement System, the models are drafted for employees covered by the Civil Service Retirement System (5 U.S.C. 8331 *et seq.*). The name of the retirement system should be changed for employees covered by the Federal Employees Retirement System (5 U.S.C. chapter 84.).

Statutory references used in the models are to CSRS provisions (such as section 8341(h) of title 5, United States Code). When appropriate, the corresponding FERS provision (such as section 8445 of title 5, United States Code) should be used.

700 Series—Computing the amount of the former spouse's benefit.

Paragraphs 701 through 704 contain model language for awards of former spouse survivor annuities in amounts that do not require specification of the base on which the former spouse's share will be computed. Situations in which the computational base need not be specified include amounts defined by law or regulation. For example, the maximum former spouse survivor annuity is fixed by statute generally at 55 percent of the employee annuity under CSRS and 50 percent of the employee annuity under FERS.

Paragraphs 711 and 712 contain model language for awards of former spouse survivor annuities that use the employee annuity as the base on which the portion awarded will be computed (that is, on which percentage, fraction or formula will be applied). Paragraphs 721 and 722 contain model language for awards of former spouse survivor annuities that use the maximum possible survivor annuity as the base on which the portion awarded will be computed (that is, on which percentage, fraction or formula will be applied). Using the maximum possible survivor annuity as the base will generally award 55 percent under CSRS and 50 percent under FERS of the amount that using the employee annuity as the base would produce.

Paragraphs 750 and higher contain model language to implement the most common other types of awards.

Each model paragraph includes a reference to the statutory provision under CSRS that authorizes OPM to honor court orders awarding former spouse survivor annuities. The FERS statutory provision that corresponds to section 8341(h) (mentioned in the first sentence of each example) is section 8445.

¶ 701 Award of the maximum survivor annuity.

Using the following paragraph will award the maximum possible former spouse survivor annuity. Under CSRS, the maximum possible survivor annuity is 55 percent of the employee annuity unless the surviving spouse or former spouse was married to the retiree at retirement and agreed to a lesser amount at that time. Under FERS, the maximum possible survivor annuity is 50 percent of the employee annuity unless the surviving spouse or former spouse was married to the retiree at retirement and agreed to a lesser amount at that time.

''Under section 8341(h)(1) of title 5, United States Code, [former spouse] is awarded the maximum possible former spouse survivor annuity under the Civil Service Retirement System.''

¶ 702 Award that continues the pre-divorce survivor annuity benefits.

Using the following paragraph will award a former spouse survivor annuity equal to the amount that the former spouse would have received if the marriage were never terminated by divorce.

''Under section 8341(h)(1) of title 5, United States Code, [former spouse] is awarded a former spouse survivor annuity under the Civil Service Retirement System in the same amount to which [former spouse] would have been entitled if the divorce had not occurred.''

¶ 703 Award of a prorata share.

Using the following paragraph will award the former spouse a prorata share of the maximum possible survivor annuity. Prorata share is defined in §838.922. To award a prorata share the court order must state the date of the marriage. Unless the court order specifies a different ending date, the marriage ends for computation purposes on the date that the court order is filed with the court clerk.

''Under section 8341(h)(1) of title 5, United States Code, [former spouse] is awarded a former spouse survivor annunity under the Civil Service Retirement System. The amount of the former spouse survivor annunity will be equal to a prorate share. The marriage began on [insert date].''

¶ 704 Award of a fixed monthly amount.

Using the following paragraph will award a former spouse survivor annunity that will start at the amount stated in the order when the employee or retiree dies, unless the stated amount exceeds the maximum possible former spouse survivor annunity. If the amount stated in the order exceeds the maximum possible former spouse survivor annunity, the court order will be treated as awarding the maximum. After payment of the former spouse survivor annuity has began, COLA's will be applied in accordance with §838.735. If the final sentence of this model paragraph is omitted, OPM will add COLA's occurring after the date of the employee's retirement or the date of issuance of the court order, whichever is later.

''Under section 8341(h)(1) of title 5, United States Code, [former spouse] is awarded a former spouse survivor annunity under the Civil Service Retirement System. The amount of the former spouse survivor annunity will be equal to $[insert a number] per month. The Office of Personnel Management is ordered not to increase this amount by COLA's occurring before death of [employee or retiree].''

¶ 705–710 [Reserved].

¶ 711 Award of a percentage or fraction of the employee annunity.

Using the following paragraph will award a former spouse survivor annunity equal to the stated percentage or fraction of the employee annunity. The stated percentage or fraction may not exceed 55 percent under CSRS or 50 percent under FERS.

''Under section 8341(h)(1) of title 5, United States Code, [former spouse] is awarded a former spouse survivor annunity under the Civil Service Retirement System. The amount of the former spouse survivor annunity will be equal to [insert a percentage or fraction] percent of the [employee]'s employee annunity.''

¶ 712 Award based on a stated formula as a share of employee annuity.

Using the following paragraphs will award a former spouse survivor annuity in an amount to be determined by applying a stated formula to employee annuity. The amount of the former spouse survivor annuity may not exceed 55 percent of the employee annuity under CSRS or 50 percent under FERS. The formula must be stated in the court order (including a court-approved property settlement agreement). The formula may not be incorporated by reference to a statutory provision or a court decision in another case. If the court order uses a formula, the court order must include any data that is necessary for OPM to evaluate the formula unless the necessary data is contained in normal OPM files.

''Under section 8341(h)(1) of title 5, United States Code, [former spouse] is awarded a former spouse survivor annuity under the Civil Service Retirement System. The amount of the former spouse survivor annuity will be the portion of the [employee]'s employee annuity computed as follows:

''[Insert formula.]''

¶ 713–720 [Reserved].

¶ 721 Award of a percentage or fraction of the maximum survivor annuity.

Using the following paragraph will award a former spouse survivor annuity equal to the stated percentage or fraction of the maximum possible survivor annuity. The stated percentage or fraction may not exceed 100 percent.

''Under section 8341(h)(1) of title 5, United States Code, [former spouse] is awarded a former spouse survivor annuity under the Civil Service Retirement System. The amount of the former spouse survivor annuity will be equal to [insert a percentage or fraction] of the maximum possible survivor annuity.

¶ 722 Award based on a stated formula as a share of maximum survivor annuity.

Using the following paragraphs will award a former spouse survivor annuity based on a stated formula to be applied to the maximum possible survivor annuity. The formula must be stated in the court order (including a court-approved property settlement agreement). The formula may not be incorporated by reference to a statutory provision or a court decision in another case. If the court order uses a formula, the court order must include any data that is necessary for OPM to evaluate the formula unless the necessary data is contained in normal OPM files.

''Under section 8341(h)(1) of title 5, United States Code, [former spouse] is awarded a former spouse survivor annuity under the Civil Service Retirement System. The amount of the former spouse survivor annuity will be the portion of the maximum possible survivor annuity computed as follows:

''[Insert formula.]''

¶ 723–750 [Reserved].

¶ 751 Changing amount of former spouse survivor annuity based on remarriage before retirement.

Using the following paragraph will award the maximum possible former spouse survivor annuity unless the employee remarries before retirement. Upon the employee's remarriage before retirement the amount of the former spouse survivor annuity changes to a prorata share. The maximum possible and prorata share are used as examples only; other amounts may be substituted. Similar language is not acceptable for remarriages after retirement.

''Under section 8341(h)(1) of title 5, United States Code, [former spouse] is awarded the maximum possible former spouse survivor annuity under the Civil Service Retirement System unless [employee] remarries before retirement. If [employee] remarries before retirement, under section 8341(h)(1) of title 5, United States Code, [former spouse] is awarded a former spouse survivor annuity under the Civil Service Retirement System. The amount of the former spouse survivor annuity will be equal to a prorata share. The marriage to [former spouse] began on [insert data].''

¶ 752 Changing amount of former spouse survivor annuity based on remarriage after retirement.

Using the following paragraph will award the maximum possible former spouse survivor annuity unless the employee remarries after retirement and elects to provide a survivor annuity for the spouse acquired after retirement. Upon the employee's remarriage after retirement and election to provide a survivor annuity for the spouse acquired after retirement, the amount of the former spouse survivor annuity changes to a prorata share. The maximum possible and prorata share are used as examples only; other amounts maybe substituted. The change in the amount of the former spouse survivor annuity must be triggered by the election,

which is a part of normal OPM files, rather than the remarriage, which is not documented in normal OPM files.

''Under section 8341(h)(1) of title 5, United States Code, [former spouse] is awarded the maximum possible former spouse survivor annuity under the Civil Service Retirement System unless [employee] elects to provide a survivor annuity for a new spouse acquired after retirement. If [employee] elects to provide a survivor annuity to a new spouse acquired after retirement, under section 8341(h)(1) of title 5, United States Code, [former spouse] is awarded a former spouse survivor annuity under the Civil Service Retirement System. The amount of the former spouse survivor annuity will be equal to a prorata share. The marriage to [former spouse] began on [insert data].''

800 Series—Paying the cost of a former spouse survivor annuity.

A court order awarding a former spouse survivor annuity requires that the employee annuity be reduced. The reduction lowers the gross employee annuity. The costs associated with providing the former spouse survivor annuity must be paid by annuity reduction. Under §838.807, if the former spouse is awarded a portion of the employee annuity sufficient to pay the cost associated with providing the survivor annuity, the former spouse's share maybe reduced to pay the cost.

¶ 801 Costs to be paid from the employee annuity.

No special provision on payment of the costs associated with providing the former spouse survivor annuity is necessary if the court intends the cost to be taken from the employee annuity.

¶ 802 Costs to be paid from former spouse's share of the employee annuity.

Using the following paragraph will award the former spouse a prorata share of the employee annuity and a prorata share of the maximum possible survivor annuity and provide that the cost associated with the survivor annuity be deducted from the former spouse's share of the employee annuity. Prorata share and self-only annuity are used as examples only; another amount or type of annuity may be substituted.

''[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Former spouse] is entitled to a prorata share of [employee]'s self-only monthly annuity under the Civil Service Retirement System. [Former spouse]'s share of [employee]'s employee annuity will be reduced by the amount of the costs associated with providing the former spouse survivor annuity awarded in the next paragraph. The marriage began on [insert date]. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse].''

''Under section 8341(h)(1) of title 5, United States Code, [former spouse] is awarded a former spouse survivor annuity under the Civil Service Retirement System. The amount of the former spouse survivor annuity will be equal to a prorata share.

900 Series—Refunds of employee contributions.

Court orders that award a former spouse survivor annuity based on the service of an employee who is not then eligible to retire should include an additional paragraph containing instructions that tell OPM what to do if the employee requests a refund of employee contributions before becoming eligible to retire. The court order may award the former spouse a portion of the refund of employee contributions or bar payment of the refund of employee contributions.

¶ 901 Barring payment of a refund of employee contributions.

Using the following paragraph will bar payment of the refund of employee contributions if payment of the refund of employee contributions would extinguish the former spouse's entitlement to a former spouse survivor annuity. ''The United States Office of Personnel Management is directed not to pay [employee] a refund of employee contributions.''

¶ 902 Dividing a refund of employee contributions.

Using the following paragraph will allow the refund of employee contributions to be paid but will award a prorata share of the refund of employee contributions to the former spouse. The award of a prorata share is used only an example; the court order could provide another fraction, percentage, or formula, or a fixed amount. A refund of employee contributions voids the employee's rights to an employee annuity unless the employee is reemployed under the retirement system. Payment of the refund of employee contributions will also extinguish the former spouse's right to a court-ordered portion of an employee annuity or a former spouse survivor annuity unless the employee is reemployed and reestablishes title to annuity benefits.

''If [employee] becomes eligible and applies for a refund of employee contributions, [former spouse] is entitled to a prorata share of the refund of employee contributions. The marriage began on [insert date]. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse.]''

Court order means any judgment or property settlement issued by or approved by any court of any State, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Northern Mariana Islands, or the Virgin Islands, and any Indian court in connection with, or incident to, the divorce, annulment of marriage, or legal separation of a Federal employee or retiree.

CSRS means subchapter III of chapter 83 of title 5, United States Code.

Employee retirement benefits means employees' and Members' annuities and refunds of retirement contributions but does not include survivor annuities or lump-sum payments made pursuant to section 8342 (c) through (f) of title 5, United States Code.

Former spouse means (1) in connection with a court order affecting employee retirement benefits, a living person whose marriage to an employee, Member, or retiree has been subject to a divorce, annulment, or legal separation resulting in a court order; or (2) in connection with a court order awarding a former spouse annuity, a living person who was married for at least 9 months to an employee, Member, or retiree who performed at least 18 months of creditable service in a position covered by CSRS and whose marriage to the employee was terminated prior to the death of the employee, Member, or retiree.

Former spouse annuity means a former spouse annuity as defined in § 831.603 of this chapter.

Gross annuity means the amount of a self-only annuity less only applicable survivor reduction, but before any other deduction.

Net annuity means the amount of annuity payable after deducting from the gross annuity any amounts that are (1) owed by the retiree to the United States, (2) deducted for health benefits premiums pursuant to section 8906 of title 5, United States Code, and §§ 891.401 and 891.402 of this title, (3) deducted for life insurance premiums pursuant to section 8714a(d) of title 5, United States Code, (4) deducted for Medicare premiums, or (5) properly withheld for Federal income tax purposes, if amounts withheld are not greater than they would be if the individual claimed all dependents to which he or she was entitled.

Qualifying court order means a court order that meets the requirements of § 838.1004.

Retiree means a former employee or Member who is receiving recurring payments under CSRS based on service

by the employee or Member. *Retiree,* as used in the subpart, does not include a current spouse, former spouse, child or person with an insurable interest.

§838.1004 Qualifying court orders.

(a) A former spouse is entitled to a portion of an employee's retirement benefits only to the extent that the divison of retirement benefits is expressly provided for by the court order. The court order must divide employee retirement benefits, award a payment from employee retirement benefits, or award a former spouse annuity.

(b) The court order must state the former spouse's share as a fixed amount, a percentage or a fraction of the annuity, or by a formula that does not contain any variables whose value is not readily ascertainable from the face of the order or normal OPM files.

(c)(1) For purposes of payments from employee retirement benefits, OPM will review court orders as a whole to determine whether the language of the order shows an intent by the court that the former spouse should receive a portion of the employee's retirement benefits directly from the United States.

(i) Orders that direct or imply that OPM is to make payment of a portion of employee retirement benefits, or are neutral about the source of payment, will be honored unless the retiree can demonstrate that the order is invalid in accordance with §838.1009.

(ii) Orders that specifically direct the retiree to pay a portion of employee retirement benefits to a former spouse (and do not contain language to show the court intends payment from the Civil Service Retirement System) will be honored unless the retiree objects to direct payment by OPM within the 30-day notice period prescribed in §838.1008, but will not be honored even if the retiree raises only a general objection to payment by OPM within that 30-day notice period.

(2) For purposes of awarding a former spouse annuity, the court order must either state the former spouse's entitlement to a survivor annuity or direct an employee, Member, or retiree to provide a former spouse annuity.

(d) For purposes of affecting or awarding a former spouse annuity, a court order is not a qualifying court order whenever—

(1) The marriage was terminated before May 7, 1985; or

(2)(i) The marriage was terminated on or after May 7, 1985; and

(ii) The employee or Member retired under CSRS before May 7, 1985; and

(iii)(A) The employee or Member had elected not to provide a current spouse annuity for that spouse at the time of retirement; or,

(B) In the case of a post-retirement marriage, the annuitant had not elected to provide a survivor annuity for that spouse before May 7, 1985.

(e)(1) For purposes of awarding, increasing, reducing, or eliminating a former spouse survivor annuity, or explaining, interpreting, or clarifying a court order that awards, increases, reduces or eliminates a former spouse annuity, the court order must be—

(i) Issued on a day prior to the date of retirement or date of death of the employee; or

(ii) The first order dividing the marital property of the retiree and the former spouse.

(2) In paragraph (e)(1) of this section, ''date of retirement'' means the later of—

(i) The date that the employee files an application for retirement; or

(ii) The effective commencing date for the employee's annuity.

(3) In paragraphs (e)(1) and (e)(4) of this section ''issued'' means actually filed with the clerk of the court, and does not mean the effective date of a retroactive court order that is effective prior to the date when actually filed with the clerk of the court (e.g., a court order issued nunc pro tunc).

(4)(i) In paragraph (e)(1)(ii) of this section, the ''first order dividing the marital property of the retiree and the former spouse'' means—

(A) The original written order that first ends (or first documents an oral order ending) the marriage if the court

divides any marital property (or approves a property settlement agreement that divides any marital property) in that order, or in any order issued before that order; or

(B) The original written order issued after the marriage has been terminated in which the court first divides any marital property (or first approves a property settlement agreement that divides any marital property) if no marital property has been divided prior to the issuance of that order.

(ii) The first order dividing marital property does not include—

(A) Any court order that amends, explains, clarifies, or interprets the original written order regardless of the effective date of the court order making the amendment, explanation, clarification, or interpretation; or

(B) Any court order issued under reserved jurisdiction or any other court orders issued subsequent to the original written order that divide any marital property regardless of the effective date of the court order.

[50 FR 20077, May 13, 1985, as amended at 51 FR 31936, Sept. 8, 1986; 52 FR 3210, Feb. 3, 1987; 53 FR 48896, Dec. 5, 1988; 53 FR 49638, Dec. 8, 1988. Redesignated and amended at 57 FR 33596–33597, July 29, 1992]

§ 838.1005 Applications by former spouse.

(a) A former spouse (personally or through a representative) must apply in writing to be eligible for benefits under this subpart. No special form is required.

(b) The application letter must be accompanied by—

(1) A certified copy of the court order granting benefits under CSRS; and

(2) A statement that the court order has not been amended, superseded, or set aside; and

(3) Identifying information concerning the employee, Member, or retiree such as his or her full name, claim number, date of birth, and social security number, if available; and

(4) The mailing address of the former spouse.

(c) When payments are subject to termination upon remarriage, no payment shall be made until the former spouse submits to the Associate Director a statement on the form prescribed by OPM certifying—

(1) That a remarriage has not occurred; and

(2) That the former spouse will notify the Associate Director within 15 calendar days of the occurrence of any remarriage; and

(3) That the former spouse will be personally liable for any overpayment to him or her resulting from a remarriage. The Associate Director may subsequently require recertification of these statements.

§ 838.1006 Amounts payable.

(a) Money held by an executive agency or OPM that may be payable at some future date is not available for payment under court orders unless all of the conditions necessary for payment of the money to the former employee or Member have been met, including, but not limited to—

(1) Separation from a covered position in the Federal service; and

(2) Application for payment of the money by the former employee or Member; and

(3) The former employee's or Member's immediate entitlement to payment of the money subject to the order.

(b) Waivers of employee or Member annuity payments under the terms of section 8345(d) of title 5, United States Code, exclude the waived portion of the annuity from availability for payment under a court order if such waivers are postmarked before the expiration of the 30-day notice period provided by § 838.1008.

(c) Payment under a court order may not exceed—

(1) In cases involving employee or Member annuities, the net annuity.

(2) In cases involving lump-sum payments (refunds), the amount of the lump-sum credit.

(3) In cases involving former spouse annuities, the amount provided in § 831.641 of this chapter.

(d) In cases in which court orders award former spouse annuities—

(1) Except as provided in paragraph (d)(2) of this section, former spouse annuities based on qualifying court orders will commence and terminate in accordance with the court order.

(2) A court order will not be honored to the extent it would require an annuity to commence prior to the day after the employee, Member, or retiree dies, or the first day of the second month beginning after the date on which OPM receives written notice of the court order together with the additional information required by §838.1005. Further, a court order will not be honored to the extent it requires an annuity to be terminated contrary to section 8341(h)(3)(B) of title 5, United States Code.

(3) A court order will not be honored to the extent is is inconsistent with any joint designation or waiver previously executed under §831.614 of this chapter with respect to the former spouse involved.

[50 FR 20077, May 13, 1985, as amended at 51 FR 31936, Sept. 8, 1986. Redesignated and amended at 57 FR 33596–33598, July 29, 1992; 58 FR 52882, Oct. 13, 1993]

§838.1007 Preliminary review.

(a)(1) Upon receipt of a court order and documentation required by §838.1005 affecting the future civil service retirement benefits of an employee or Member who is living and has not applied for benefits under CSRS, the Associate Director will notify the former spouse that OPM has received the court order and documentation. The court order and documentation will be filed for further review when the employee or Member dies or funds become available under §838.1006.

(2) When OPM has received a court order and documentation required by §838.1005 affecting an employee or Member who retires, dies, or applies for a lump-sum benefit, the Associate Director will determine whether the court order is a qualifying court order under §838.1004.

(3) Upon receipt of a court order and necessary documentation required by §838.1005 affecting employee retirement benefits that are available under §838.1006 or awarding a former spouse annuity to a former spouse of an employee who retired under CSRS or died, the Associate Director will determine whether the court order is a qualifying court order under §838.1004.

(b) Upon preliminary determination that the court order is qualifying, the Associate Director will give the notifications required by §838.1008.

(c) Upon preliminary determination that the court order is not qualifying, the former spouse will be notified of the basis for the determination and the right to reconsideration under §831.109 of this chapter.

[50 FR 20077, May 13, 1985. Redesignated and amended at 57 FR 33596–33598, July 29, 1992]

§838.1008 Notifications.

(a) In a case in which the court order affects employee retirement benefits:

(1) The Associate Director will notify the employee, Member, or retiree that a court order has been received that appears to require that a portion of his or her retirement benefits be paid to a former spouse and provide the employee, Member, or retiree with a copy of the court order. The notice will inform the former employee or Member—

(i) That OPM intends to honor the court order; and

(ii) Of the effect that the court order will have on the former employee or Member's retirement benefits; and

(iii) That no payments will be made to the former spouse for a period of 30 days from the notice date to enable the former employee or Member to contest the court order.

(2) The Associate Director will notify the former spouse—

(i) That OPM intends to honor the court order; and

(ii) Of the amount that the former spouse is entitled to receive under the court order, and in cases that award a portion of the benefits on a percentage basis or by a formula, how the amount was computed; and

(iii) That payment is being delayed for a period of 30 days to give the former employee or Member an opportunity to contest the court order.

(b) In a case in which the court order awards a former spouse annuity—

(1) The Associate Director will notify the retiree, if living, or, if the employee, Member, or retiree is dead, his or her surviving spouse, or the person entitled to the lump-sum death benefit under section 8342 of title 5, United States Code, if possible, that a court order has been received that requires

the payment of a former spouse annuity. The notice will include a copy of the court order. The notice will state—

(i) That OPM intends to honor the court order; and

(ii) The effect it will have on the potential retirement benefit of the person receiving the notice; and

(iii) That any objection to honoring the court order must be filed within 30 days from the notice date.

(2) The former spouse will be notified—

(i) That OPM intends to honor the court order; and

(ii) Of the amount of survivor annuity that he or she will be entitled to receive and how the amount was computed; and

(iii) That anyone adversely affected has a period of 30 days in which to contest the court order.

(c) In a case in which the court order affects employee retirement benefits and awards a former spouse annuity all of the notices under paragraphs (a) and (b) of this section will be provided.

§ 838.1009 Decisions.

(a)(1) When the individual does not respond within the 30-day notice period provided for by §838.1008, the court order will be honored in accordance with the notification.

(2) When a timely response to the notification is received, the Associate Director will consider the response. The former spouse's claim will be denied and the former spouse will be notified of the right to request reconsideration under §831.109 of this chapter whenever is is shown that—

(i) The court order is not a qualifying court order; or

(ii) The court order is inconsistent with a contemporaneous or subsequent court order.

(b) If any person who may lose benefits if OPM honors the court order objects to payment based on the validity of the court order and the record contains reasonable support for the objection, he or she will be granted 30 days to initiate legal action to determine the validity of the objection. If funds are available under §838.1006 and evidence is submitted that legal action had been started before the 30 days have expired, money will continue to be withheld, but no payment will be made to the former spouse pending judicial determination of the validity of the court order.

[50 FR 20077, May 13, 1985. Redesignated and amended at 57 FR 33596–33598, July 29, 1992]

§ 838.1010 Court orders or decrees preventing payment of lump sums.

(a) Payment of the lump-sum credit to a former employee or Member will be subject to the terms of any court order or decree issued with respect to any former spouse or to any current spouse from whom the employee or Member was legally separated, if—

(1) The court order or decree expressly relates to any portion of the lump-sum credit involved; and

(2) Payment of the lump-sum credit would extinguish entitlement of the current or former spouse to a survivor annuity under section 8341(h) of title 5, United States Code, or to any portion of an annuity under section 8345(j) of title 5, United States Code.

(b) For paragraph (a) of this section to have effect, OPM must be in receipt of the court order or decree before authorizing payment of the refund.

(c)(1) In the event that OPM receives two or more court orders or decrees—

(i) When there are two former spouses, the court orders or decrees will be honored in the order in which they were issued until the lump-sum has been exhausted.

(ii) When there are two or more court orders or decrees relating to the same former spouse, the one issued last will be honored first.

(2) In no event will the amount paid out exceed the amount of the lump-sum credit.

(d) OPM is not liable for any payment made from money due from or payable by OPM to any individual pursuant to a court order or decree regular on its face, if such payment is made in accordance with this subpart.

(e) Except as provided in paragraph (f) of this section, a court order or decree directed at a refund of retirement contributions is not effective unless the court order or decree and supporting documentation required by §838.1005 are received by OPM not later than—

(1) The last day of the second month before payment of the refund; or

(2) Twenty days after OPM receives the Statement required by §831.2007(c) of this chapter if the former spouse has indicated on that Statement that such an order exists.

(f) The interests of a former spouse with a court order or decree who does not receive notice of a refund application because the former employee or Member submits fraudulent proof of notification or fraudulent proof that the former spouse's whereabouts are unknown are protected if, and only if—

(1) The former spouse files the court order or decree with OPM no later than the last day of the second month before the payment of the refund; or

(2) The former spouse submits proof that—

(i) The evidence submitted by the employee was fraudulent; and

(ii) Absent the fraud, the former spouse would have been able to submit the necessary documentation required by §838.1005 within the time limit prescribed in paragraph (e) of this section.

(g) Court orders, notices, summons, or other documents that attempt to restrain OPM from paying refunds of retirement contributions are not effective unless they meet all the requirements of—

(1) Paragraph (a) of this section, including the requirement that the court order or decree, or a prior court order or decree, has awarded the former spouse a former spouse annuity as defined in §831.603 of this chapter or a portion of the employee's or Member's future annuity benefit; or

(2) Part 581 of this chapter.

[50 FR 20081, May 13, 1985, as amended at 51 FR 31937, Sept. 8, 1986; 55 FR 9106, Mar. 12, 1990. Redesignated and amended at 57 FR 33596–33598, July 29, 1992]

§838.1011 Effective dates.

(a)(1) The provisions of this subpart apply to any employee retirement benefits regardless of the date of issuance of the court order or the date when the employee or Member retires.

(2) The Associate Director will not increase the amount apportioned from current retirement benefits to satisfy an arrearage due the former spouse unless the court order states the amount of the arrearage and directs that it be paid from the employee retirement benefit. However, the Associate Director will honor the terms of a new or revised court order that either increases or decreases the former spouse's entitlement. These changes will be prospective only.

(3) Benefits payable to a former spouse from a retiree's annuity begin to accrue no earlier than the beginning of the month after receipt of a qualifying court order and the documentation required by §838.1005, and terminate no later than the last day of the month before the death of the retiree.

(b)(1) The provisions of this subpart concerning former spouse annuities apply only with respect to a former spouse of an employee, Member, or retiree who retires or dies while employed in a position covered by CSRS on or after May 7, 1985, or a former spouse whose marriage to an employee, Member, or retiree is terminated on or after May 7, 1985, regardless of the date the employee separates from a position covered by CSRS.

(2) The survivor annuity for a former spouse commences and terminates in accordance with the court order. However, a court order will not be honored to the extent it would require an annuity to commence before—

(i) The day after the employee, Member, or retiree dies; or

(ii) The first day of the second month beginning after OPM receives the court order, together with such additional information required by §838.1005, whichever is later. Further, a court order will not be honored to the extent it requires an annuity to be terminated contrary to section 8341(h)(3)(B) of title 5, United States Code.

[50 FR 20077, May 13, 1985, as amended at 51 FR 31936, Sept. 8, 1986. Redesignated and amended at 57 FR 33596–33597, July 29, 1992]

§838.1012 Death of the former spouse.

(a) Unless the qualifying court order expressly provides otherwise, the former spouse's share of employee retirement benefits terminates on the last day of the month before the death of the former spouse, and the former spouse's share of employee retirement benefits reverts to the retiree.

(b) Except as otherwise provided in this subpart, OPM will honor a qualifying court order or an amended qualifying court order that directs OPM to pay, after the death of the former spouse, the former spouse's share of the employee annuity to—

(1) The court;

(2) An officer of the court acting as a fiduciary;

(3) The estate of the former spouse; or

(4) One or more of the retiree's children as defined in section 8342(c) or section 8424(d) of title 5, United States Code.

[57 FR 33597, July 29, 1992, as amended at 58 FR 43493, Aug. 17, 1993]

§ 838.1013 Limitations.

(a) Employee retirement benefits are subject to apportionment by court order only while the former employee or Member is living. Payment of apportioned amounts will be made only to the former spouse and/or the children of the former employee or Member. Payment will not be made to any of the following:

(1) The heirs or legatees of the former spouse; or

(2) The creditors of the former employee or Member, or the former spouse; or

(3) Other assignees of the former employee or Member, or the former spouse.

(b) The amount of payment under this subpart will not be less than one dollar and, in the absence of compelling circumstances, will be in whole dollars.

(c) In honoring and complying with a court order, the Associate Director will not disrupt the scheduled method of accruing retirement benefits or the normal timing for making such payment, despite the existence of a special schedule of accrual or payment of amounts due the former spouse.

(d) Payments from employee retirement benefits under this subpart will be discontinued whenever the retiree's annuity payments are suspended or terminated. If annuity payments to the retiree are restored, payment to the former spouse will also resume.

(e) Since the former spouse is entitled to payments from employee retirement benefits only while the former employee or Member is living, the former spouse is personally liable for any payments from employee retirement benefits received after the death of the retiree.

§ 838.1014 Guidelines on interpreting court orders.

As circumstances require, OPM will publish in the FEDERAL REGISTER a notice of the guidelines it uses in interpreting court orders. Upon publication of the notice in the FEDERAL REGISTER of such guidelines, they will become an appendix to this subpart.

§ 838.1015 Liability.

OPM is not liable for any payment made from employee retirement benefits pursuant to a court order if such payment is made in accordance with the provisions of this subpart.

§ 838.1016 Receipt of multiple court orders.

In the event that OPM receives two or more qualifying court orders—

(a) When there are two or more former spouses, the court orders will be honored in the order in which they were issued to the maximum extent possible under §§ 831.641 of this chapter and 838.1006.

(b) Where there are two or more court orders relating to the same former spouse, the one issued last will be honored.

[50 FR 20077, May 13, 1985. Redesignated and amended at 57 FR 33596–33598, July 29, 1992; 58 FR 52882, Oct. 13, 1993]

§ 838.1017 Cost-of-living adjustments.

In cases where the court order apportions a percentage of the employee retirement benefit, the Associate Director will initially determine the amount of proper payment. That amount will be increased by future cost-of-living increases unless the court directs otherwise.

§ 838.1018 Settlements.

The former spouse may request that an amount be withheld from the retirement benefits that is less than the amount stipulated in the court order. This lower amount will be deemed a complete fulfillment of the obligation

of OPM for the period in which the request is in effect.

APPENDIX A TO SUBPART J OF PART 838—GUIDELINES FOR INTERPRETING STATE COURT ORDERS DIVIDING CIVIL SERVICE RETIREMENT BENEFITS

UNITED STATES OF AMERICA

OFFICE OF PERSONNEL MANAGEMENT

RETIREMENT AND INSURANCE GROUP

GUIDELINES FOR INTERPRETING STATE COURT ORDERS DIVIDING CIVIL SERVICE RETIREMENT BENEFITS

These guidelines explain the interpretation that the Office of Personnel Management (OPM) will place on terms and phrases frequently used in dividing benefits. These guidelines are intended not only for the use of OPM, but also for the legal community as a whole, with the hope that by informing attorneys, in advance, about the manner in which OPM will interpret terms written into court orders, the resulting orders will be more carefully drafted, using the proper language to accomplish the aims of the court.

A substantial number of State court orders are drafted under the mistaken belief that the Employee Retirement Income Security Act (ERISA) (29 U.S.C. 1001 *et seq.*) applies to CSRS benefits. Sections 1003(b)(1) and 1051 of title 29, United States Code, exempt CSRS from ERISA, because CSRS is a ''governmental plan'' as defined in section 1001(23) of title 29, United States Code. Accordingly, OPM does not honor ERISA Qualifying Domestic Relations Orders (QDRO's) except to the extent that the law governing CSRS expressly authorizes compliance with State court orders. OPM will honor the orders to the extent permitted by CSRS. However, many provisions of ERISA QDRO's are not authorized under CSRS. Most significantly, a court cannot require that payments to the former spouse begin before the employee actually retires (i.e., begins to receive benefits) and, unless the order expressly provides that the former spouse is entitled to a survivor annuity, the payments to the former spouse cannot continue after the employee dies.

I. Computations generally

A. Adjustments affecting court-awarded benefits. 1. Orders that award adjustments to a former spouse stated in terms such as ''cost-of-living adjustments'' or ''COLAs'' occurring after the date of the decree but before the date of retirement will be interpreted to award increases equal to the adjustments described in or effected under section 8340 of title 5, United States Code.

2. Orders that award adjustments to a former spouse stated in terms such as ''salary adjustments'' or ''pay adjustments'' occurring after the date of the decree will be interpreted to award increases equal to the adjustments described in or effected under section 5303 of title 5, United States Code until the date of retirement.

3. Unless otherwise specified in the order, adjustments described in section 8340 of title 5, United States Code will be applied after the date of retirement.

B. Application of COLAs. 1. Unless the court directly and unequivocally orders otherwise, decrees that divide annuities either on a percentage basis or by use of a formula will be interpreted to entitle the former spouse to salary adjustments occurring after the date of the decree and cost-of-living adjustments occurring after the date of the decree or occurring after the date of the employee's retirement, whichever comes later.

2. On the other hand, decrees that award a former spouse a specific dollar amount from the annuity will be interpreted as excluding salary and cost-of-living adjustments after the date of the decree, unless the court expressly orders their inclusion.

3. Orders that contain a general instruction to calculate the former spouse's share effective at the time of divorce or separation will not be interpreted to prevent the inclusion of salary adjustments occurring after the specified date. To prevent the application of salary adjustments after the date of the divorce or separation, the decree must either state the exact dollar amount of the award to the former spouse or specifically state that salary adjustments after the specified date are to be disregarded in computing the former spouse's share.

4. Orders that require OPM to compute a benefit as of a specified date, and specifically state that salary adjustments after the specified date are to be disregarded in computing the former spouse's share will not be interpreted to prevent the application of COLAs *after* the date of the Federal employee's retirement. To award COLAs between the specified date and the Federal employee's retirement, the order must specifically state that the former spouse will receive the benefit of any COLAs occurring between the specified date and the date of the Federal employee's retirement. To prevent the application of COLAs after the retirement date, the decree must either state the exact dollar amount of the award to the former spouse or specifically state that the former spouse will not receive the benefit of COLAs occurring after the date of the Federal employee's retirement.

C. Present value. 1. Orders that award a portion of the ''present value'' of an annuity will not be honored unless the amount of the ''present value'' is stated in the order. (See 5 CFR 838.1004(b).)

2. Orders that award a portion of the ''present value'' of an annuity stated in the order will be interpreted as awarding ''a specific dollar amount.'' Unless the court specifically states otherwise, such an award payable from a monthly annuity benefit will be paid in equal installments at 50 percent of the monthly annuity rate at the time of retirement or the date of the order, whichever comes later, until the specific dollar amount is reached.

3. Orders that award a portion of the ''value'' of an annuity as of a specific date before retirement, without specifying what ''value'' is, will be interpreted as awarding a portion of the annuity equal to the monthly annuity rate at the time of retirement times a fraction, the numerator of which is the number of months of ''creditable service'' or service worked as of the date specified and the denominator of which is the total number of months as of the time of retirement of ''creditable service'' or service worked, whichever term is used in the court order. (See III. C. of these Guidelines.)

4. Orders that contain general language awarding a specified portion of a Federal employee's ''retirement benefits'' as of a specified date before retirement, but do not specify whether OPM should use ''creditable service'' or ''service worked'' as of the date specified to complete the computation, will be interpreted to award a portion of the annuity equal to the monthly annuity rate at the time of retirement times a fraction, the numerator of which is the number of months of service worked as of the date specified and the denominator of which is the number of months of ''creditable service'' as of the time of retirement.

D. Annuity as of a date before retirement. Orders that award a portion of an employee's annuity as of a specified date *before* the employee's retirement will be interpreted as awarding a portion of the annuity equal to the monthly annuity rate at the time of retirement times a fraction, the numerator of which is the number of months of ''creditable service'' or service worked as of the date specified and the denominator of which is the number of months of ''creditable service'' or service worked used in the retirement computation.

E. Formulas or percentage instructions. Orders that contain both a formula or percentage instruction and a dollar amount will be interpreted as including the dollar amount only as the court's estimate of the initial amount of payment. The formula or percentage instruction will control.

F. Computation limited to a particular period of employment. In order to limit the computation of benefits to a particular period of employment, the court order must use language expressly limiting the period of service to be included in the computation. General language such as ''benefits accrued as a result of employment with the U.S. Postal Service * * *'' will be interpreted to mean only that CSRS retirement benefits are subject to division (see V.A. of appendix A to subpart J of part 838). Such language will not be interpreted to limit the period of service included in the computation (i.e., service performed with other Government agencies will be included). To limit the period of service, the court order should specify the number of months to be included in the computation or should describe specifically the period of service to be included in the computation (e.g., ''only U.S. Postal Service'' or ''exclusive of any service other than U.S. Postal Service employment'' or ''only service performed during the period Petitioner and Defendant were married'' or ''benefits based on service performed through the date of divorce,'' etc.).

G. Amounts less than $12 per year. Orders awarding a former spouse less than $12 per year are qualifying court orders. Such orders will be interpreted as an award of $1 per month.

II. Types of annuity

A. Gross annuity will be interpreted as the amount of the annuity payable after any applicable survivor reduction but before any other deduction.

B. 1. To divide an annuity before any applicable survivor reduction, the decree must contain language to the effect that the division is to be made on the self-only annuity, the life-rate annuity, or the annuity unreduced for survivor benefit, or equivalent language. A division of ''gross annuity'' will not accomplish this purpose.

2. To divide an annuity before the social security offset under section 8349 of title 5, United States Code, the order must expressly state that the division is to occur before the social security offset. The term ''unreduced annuity'' will mean annuity after the social security offset.

C. Net annuity or disposable annuity will be interpreted to mean net annuity as defined in §838.1003.

D. Orders that fail to state the type of annuity that they are dividing will be interpreted as dividing gross annuity (defined above).

E. Orders dividing a ''retirement check'' will be interpreted as dividing net annuity (as defined in §838.1003).

III. Calculating time

A. The smallest unit of time that will be used in computing a formula in a decree is a month.

1. This policy is based on section 8332 of title 5, United States Code, that allows credit for service for years or twelfth parts thereof. Requests to calculate smaller units of time will not be honored.

2. Time calculations by the Office of Personnel Management will be no more precise than years and twelfth parts, even where the court order directs OPM to make a more precise calculation. However, if the court order states a formula using a specified simple or decimal fraction other than twelfth parts, OPM will use the specified number to perform simple mathematical computations. For example, the share of a former spouse awarded a portion of the annuity equal to ½ of the fraction whose numerator is 12.863 years and whose denominator is the total service on which the annuity is based would be computed by taking ½ of the quotient obtained by dividing 12.863 by the total service measured *in years and twelfth parts.*

B. The term ''military service'' will generally be interpreted to include only periods of service within the definition of military service contained in section 8331(13) of title 5, United States Code, i.e., active duty military service. Civilian service with military organizations will not be included as ''military service,'' except where the exclusion of such civilian service would be manifestly contrary to the intent of the court order.

C. 1. Unused sick leave is counted as ''creditable service'' on the date of separation for immediate retirement; it is not apportioned over the time when earned.

2. When an order contains a formula for dividing annuity that requires a computation of service worked as of a date prior to separation and using terms such as ''years of service,'' ''total service,'' or similar terms, the time attributable to unused sick leave will not be included.

3. When an order contains a formula for dividing annuity that requires a computation of ''creditable service'' (or some other phrase using ''credit'' or its equivalent) as of a date prior to retirement, unused sick leave will be included in the computation as follows—

(i) If the amount of unused sick leave is specified, the order will be interpreted to award a portion of the annuity equal to the monthly annuity at retirement times a fraction, the numerator of which is the number of months of ''creditable service'' as of the date specified plus the number of months of unused sick leave specified and whose denominator is the months of ''creditable service'' used in the retirement computation.

(ii) If the amount of unused sick leave is not specified, the order will be interpreted to award a portion of the annuity equal to the monthly rate at the time of retirement times a fraction, the numerator of which is the number of months of ''creditable service'' as of the date specified (no sick leave included) and whose denominator is the number of months of ''creditable service'' used in the retirement computation.

IV. Distinguishing Between Divisions of Annuity and Refunds of Contributions

A. Orders that are unclear about whether they are dividing an annuity or a refund of contributions will be interpreted as dividing an annuity.

B. Orders using ''annuities,'' ''pensions,'' ''retirement benefits,'' or similar terms will be interpreted as dividing an annuity and whatever other employee benefits become payable, such as refunds. Orders using ''contributions,'' ''deductions,'' ''deposits,'' ''retirement accounts,'' ''retirement fund,'' or similar terms will be interpreted as dividing the amount of contributions the employee has paid into the Civil Service Retirement Fund. Unless the court order specifically states otherwise, when an annuity is payable, such orders will be paid in equal monthly installments at 50 percent of the monthly annuity at the time of retirement or the date of the order, whichever comes later, until the specific dollar amount is reached.

V. Identifying Benefits Affected

A. Orders that do not specify what pension or retirement benefits are to be divided will not be interpreted as dividing CSRS benefits. Terms such as ''CSRS,'' ''United States,'' ''OPM,'' ''Federal Government'' benefits, ''Postal Service retirement benefits,'' ''retirement benefits payable based on service with the U.S. Department of Agriculture,'' or similar terms will be considered sufficient to identify civil service retirement benefits for division.

B. Except as provided below, orders directed at other retirement systems will not be interpreted as affecting CSRS benefits.

1. Orders that mistakenly label CSRS benefits as Federal Employees Retirement System (FERS) benefits, will be interpreted as dividing CSRS benefits and *vice versa*.

2. Unless the order expressly provides otherwise, for employees transferring to FERS, orders directed at CSRS benefits will be interpreted as applying to the entire FERS basic benefit, including the CSRS component, if any.

C. Orders directed at other Federal retirement systems such as military retired pay, Foreign Service retirement benefits and Central Intelligence Agency retirement benefits will not be interpreted as dividing CSRS benefits.

D. Orders dividing military retired pay, even when military retired pay has been waived for inclusion in CSRS annuities, will not be interpreted as dividing CSRS benefits. (Such orders cannot be qualifying orders under section 838.1004(b), because the amount cannot be computed from the face of the order or from normal OPM files.)

VI. State Law not Specified in Court Orders

A. 1. Except as provided in Guideline VI.A.2., OPM will not research, interpret, or apply State law regarding community or marital property rights or divisions.

2. OPM will not divide disability retirement benefits when such a division would be contrary to State law unless the order expressly directs division of ''disability'' benefits.

B. Orders that do not specify the ''community property'' fraction or percentage of the former spouse's share will not be considered qualifying because the amount of the benefit cannot be computed from the face of the order or from normal OPM files (5 CFR 838.1004(b)).

APPENDIX B TO SUBPART J OF PART 838—GUIDELINES FOR INTERPRETING STATE COURT ORDERS AWARDING SURVIVOR ANNUITY BENEFITS TO FORMER SPOUSES

UNITED STATES OF AMERICA

OFFICE OF PERSONNEL MANAGEMENT

RETIREMENT AND INSURANCE GROUP

GUIDELINES FOR INTERPRETING STATE COURT ORDERS AWARDING SURVIVOR ANNUITY BENEFITS TO FORMER SPOUSES

These guidelines explain the interpretation that the Office of Personnel Management (OPM) will place on terms and phrases frequently used in awarding survivor benefits. These guidelines are intended not only for the use of OPM, but also for the legal community as a whole, with the hope that by informing attorneys, in advance, about the manner in which OPM will interpret terms written into court orders, the resulting orders will be more carefully drafted, using the proper language to accomplish the aims of the court.

I. Insurable Interest Annuities

Two types of potential survivor annuities may be provided by retiring employees to cover former spouses. Section 8341(h) of title 5, United States Code, provides for ''former spouse annuities.'' Section 8339(k) of title 5, United States Code, provides for ''insurable interest annuities.'' These are distinct benefits, each with its own advantages.

A. OPM will enforce State court orders to provide section 8341(h) annuities. These annuities are less expensive and have fewer restrictions than insurable interest annuities but the former spouse's interest will automatically terminate upon remarriage before age 55. To provide a section 8341(h) annuity, the order must use terms such as ''former spouse annuity,'' ''section 8341(h) annuity,'' or ''survivor annuity.''

B. OPM will not enforce State court orders to provide ''insurable interest annuities'' under section 8339(k). These annuities may only be elected at the time of retirement by a retiring employee who is not retiring under the disability provision of the law and who is in good health. The retiree may also elect to cancel the insurable interest annuity to provide a survivor annuity for a spouse acquired after retirement. The parties might seek to provide this type of annuity interest if the non-employee spouse expects to remarry before age 55, if the employee expects to remarry a younger second spouse before retirement, or if another former spouse has already been awarded a section 8341(h) annuity. However, the State court will have to provide its own remedy if the employee is not eligible for or does not make the election. OPM will not enforce the order. Language including the words ''insurable interest'' or referring to section 8339(k) will be interpreted as providing for this type of survivor benefit.

C. In orders which contain internal contradictions about the type of annuity, such as ''insurable interest annuity under section 8341(h),'' the section reference will control.

II. Orders Directed at Other Retirement Systems

A. Except as provided in paragraphs A1 and A2, orders directed at other retirement systems will not be interpreted as affecting Civil Service Retirement System (CSRS) benefits.

1. Orders that mistakenly label CSRS benefits as Federal Employee's Retirement System (FERS) benefits, will be interpreted as affecting CSRS benefits and *vice versa*.

2. Unless the order expressly provides otherwise, for employees transferring to FERS, orders directed at CSRS benefits will be interpreted as applying to the entire FERS basic benefit, including the CSRS component, if any.

B. Orders directed at other Federal retirement systems such as military retired pay, Foreign Service retirement benefits and Central Intelligence Agency retirement benefits will not be interpreted as awarding a former spouse annuity under CSRS. Thus, orders should contain language identifying the retirement system from which survivor benefits are being awarded. For example, orders should contain terms such as ''CSRS,'' ''OPM,'' ''Federal Government employee survivor benefits,'' or ''survivor benefits payable based on service with the U. S. Department of Agriculture,'' etc.

C. Orders affecting military retired pay, even when military retired pay has been waived for inclusion in CSRS annuities, will not be interpreted as awarding a former spouse annuity under CSRS.

III. Specificity Required To Award a Former Spouse Annuity.

A. Orders must contain language identifying the benefits affected. For example, ''CSRS,'' ''OPM,'' or ''Federal Government'' survivor benefits, or ''survivor benefits payable based on service with the U.S. Department of Agriculture,'' etc., will be considered sufficient identification.

B. 1. Except as provided paragraphs B2 through B4, orders must specify the benefit being awarded. Orders must contain language such as ''survivor annuity,'' ''death benefits,'' ''former spouse annuity under 5 U.S.C. 8341(h)(1),'' etc.

2. Orders that provide that the former spouse is to ''continue as'' or ''be named as'' the ''designated beneficiary'' of CSRS benefits will be interpreted to award a former spouse annuity.

3. Orders that provide that the former spouse will ''continue to receive benefits after the death of'' the employee or ''that benefits will continue after the death of'' the employee, but do not use terms such as ''survivor annuity,'' ''death benefits,'' ''former spouse annuity,'' or similar terms will not be interpreted to award a former spouse annuity.

4. Orders that give the former spouse the right to elect a former spouse annuity will be interpreted to award a former spouse annuity. The former spouse does not have an election opportunity. OPM will not accept an election by the former spouse to eliminate the court-awarded former spouse annuity.

C. 1. Orders that unequivocally award survivor annuity and direct the former spouse to pay for that benefit are qualifying court orders. If the former spouse has also been awarded a portion of the retiree's benefits then the cost of the survivor benefit will be deducted from the former spouse's portion of the annuity (if sufficient to cover the total cost—there will be no partial withholding). Otherwise, the reduction will be taken from the retiree's annuity and collection from the former spouse will be a private matter between the parties.

2. Orders that condition the award of survivor annuity on the former spouse's payment of the cost of the benefit are qualifying only if there is also an award of retirement benefits sufficient to cover the cost. Absent a sufficient award of employee retirement benefits to pay the cost of survivor benefits, the order is not qualifying.

D. Orders providing that former spouses will keep the survivor annuity to which they were entitled at the time of the divorce will be interpreted to award a former spouse annuity in the same amount as they had at the time of divorce.

E. Orders that fail to state the amount of the former spouse annuity will be interpreted as providing the maximum former spouse annuity.

F. Orders awarding a former spouse annuity of less than $12 per year are qualifying court orders. Such orders will be interpreted to provide an initial rate of $1 per month plus all cost-of-living increases occurring after the date of the order. The reduction in the retiree's annuity will be computed as though the order provided a former spouse annuity of $1 per month.

G. Orders that provide *full* survivor annuity benefits to a former spouse with the contingency that the employee or annuitant may elect a *lesser* benefit for the former spouse upon his or her remarriage will be interpreted to provide only a full survivor annuity benefit to the former spouse. In order to provide full survivor annuity benefits to a former spouse with the contingency that the employee or annuitant may provide a lesser survivor annuity benefit to the former spouse in order to provide survivor annuity benefits for a subsequent spouse, the order should allow a reduction in the former spouse benefit contingent upon the employee's or annuitant's *election* of survivor annuity benefits for a subsequent spouse. A reduction in the amount of survivor benefits provided to the former spouse will not be permitted if it is contingent upon the employee's or annuitant's *remarriage* rather than his or her *election* of survivor annuity benefits for a subsequent spouse. (See 5 CFR 838.1004(b).)

SOURCE: 59 FR 66637, Dec. 28, 1994, unless otherwise noted.

REGULATORY STRUCTURE

§838.1101 Purpose and scope.

(a) This subpart regulates the procedures that the Office of Personnel Management will follow upon the receipt of claims arising out of child abuse judgment enforcement orders.

(b) This subpart prescribes—

(1) The circumstances that must occur before employee annuities or refunds of employee contributions are available to satisfy a child abuse judgment enforcement order; and

(2) The procedures that a child abuse creditor must follow when applying for

a portion of an employee annuity or refund of employee contributions based on a child abuse judgment enforcement order.

AVAILABILITY OF FUNDS

§ 838.1111 Amounts subject to child abuse judgment enforcement orders.

(a)(1) Employee annuities and refunds of employee contributions are subject to child abuse enforcement orders only if all of the conditions necessary for payment of the employee annuity or refund of employee contributions to the former employee have been met, including, but not limited to—

(i) Separation from the Federal service;

(ii) Application for payment of the employee annuity or refund of employee contributions by the former employee; and

(iii) Immediate entitlement to an employee annuity or refund of employee contributions.

(2) Money held by an employing agency or OPM that may be payable at some future date is not available for payment under child abuse judgment enforcement orders.

(3) OPM cannot pay a child abuse creditor a portion of an employee annuity before the employee annuity begins to accrue.

(b) Waivers of employee annuity payments under the terms of section 8345(d) or section 8465(a) of title 5, United States Code, exclude the waived portion of the annuity from availability for payment under a child abuse judgment enforcement order if such waivers are postmarked or received before the date that OPM receives the child abuse judgment enforcement order.

APPLICATION, PROCESSING, AND PAYMENT PROCEDURES AND DOCUMENTATION REQUIREMENTS

§ 838.1121 Procedures and requirements.

(a) Except as otherwise expressly provided in this part, the procedures and requirements applicable to legal process under part 581 of this chapter apply to OPM's administration of child abuse judgment enforcement orders.

(b)(1) OPM will accept for processing any legal process under part 581 of this chapter that appears valid on its face.

(2)(i) After OPM has determined that a child abuse judgment enforcement order is valid on its face, OPM will not entertain any complaint concerning the validity of the order. Such complaints must be presented to authorities having jurisdiction to review the validity of the legal process.

(ii) OPM will not delay compliance with a child abuse judgment enforcement order based on any complaint concerning the validity of the order unless instructed to do so by an appropriate authority under the law of the jurisdiction issuing the legal process, the office of the United States Attorney for the jurisdiction issuing the legal process, or the U.S. Department of Justice.

(c)(1) The address for service of a child abuse judgment enforcement order is provided in appendix A to subpart A of this part.

(2)(i) OPM considers service of legal process by mailing or delivery of the child abuse judgment enforcement order to the designated address appropriate service notwithstanding more formal requirements imposed on creditors under State law.

(ii) OPM will execute forms required under a State procedure to waive any right to more formal procedures for service of legal process than specified in paragraph (c)(2)(i) of this section.

§ 841.305 Decisions subject to reconsideration.

(a) A OPM decision under FERS is subject to reconsideration by OPM, whenever the decision is in writing and states the right to reconsideration.

(b) OPM will reconsider a decision subject to reconsideration under § 841.306. A decision subject to reconsideration is not subject to appeal under § 841.308.

§ 841.306 Reconsideration.

(a) *Who may file.* Except as noted in paragraph (b) of this section, any individual whose rights or interests under FERS are affected by an OPM decision (under § 841.305) stating the right to request reconsideration may request OPM to review its initial decision.

(2) The Associate Director's representative responsible for reconsiderations may extend the time limit for filing when the requestor shows that he or she was not notified of the time limit and was not otherwise aware of it, or that he or she was prevented by circumstances beyond his or her control from making the request within the time limit.

(e) *Final decision.* After any applicable reconsideration, the Associate Director's representative will issue a final decision that must be in writing, must fully set forth the findings and conclusions of the reconsideration, and must contain notice of the right to request an appeal provided in § 841.308. Copies of the final decision must be sent to the individual, to any competing claimants and, where applicable, to the agency.

§ 841.307 Final decisions without reconsideration.

OPM may issue a final decision providing the opportunity to appeal under § 841.308 rather than an opportunity to request reconsideration under § 841.306. Such a decision must be in writing and state the right to appeal under § 841.308.

§ 841.308 Appeals to MSPB.

Except as noted in this paragraph, an individual whose rights or interests under FERS are affected by a final decision of OPM may request MSPB to review the decision in accord with procedures prescibed by MSPB. Decisions made in accord with the procedures referenced in § 841.306(b)(1) are made under subchapter II of chapter 83, title 5, United States Code. Copies of the final decision will be sent to all competing claimants.

(c)(1) When OPM receives applications from competing claimants before any payments are made based on the service of the employee or Member, OPM will begin payments to the claimant(s) found entitled in the decision issued under paragraph (b) of this section.

(2) When OPM does not receive an application from a competing claimant(s) until after another person has begun to receive payments based on the service of the employee or Member, the payments will continue until a decision is issued under paragraph (b) of this section. When a decision is issued under paragraph (b) of this section, OPM will—

(i) If OPM affirms its earlier decision, continue payments to the claimant(s) OPM originally determined to be entitled; or

(ii) If OPM reverses its earlier decision, suspend payment to the claimant(s) OPM originally determined to be entitled and immediately begin payment to the claimant(s) OPM determines to be entitled in its decision under paragraph (b) of this section. OPM will not take action to collect the overpayment until the time limit for filing an appeal has expired or the MSPB has issued a final decision on a timely appeal, whichever comes later.

(a) The Office of Personnel Management (OPM) will consider the factors listed below in determining normal cost percentages. To the extent data are available for the factor by specific category of employees, such data will be used. To the extent category specific data are not available, the most relevant available data will be used.

(1) Distributions of new entrants by age, sex, and service;

§841.405 Economic assumptions.

The determinations of the normal cost percentage will be based on the economic assumptions determined by the Board. When an agency's case is based in whole or in part on the pattern of merit salary increases specific to the agency or to a category of employees within the agency, the Board may require modification of the economic assumptions concerning salary and wage growth to take into account the combined effect of merit and general wage and salary increases.

§841.406 Determination of normal cost percentages.

(a) OPM will determine the Government-wide normal cost percentage for each category of employees. These normal cost percentages will be used by all agencies that have not been granted a single agency rate under §841.412.

(b) Each normal cost percentage will be rounded to the nearest one-tenth of a percent.

§841.407 Notice of normal cost percentage determinations.

(a) No later than 5 years after the publication of a current notice of normal cost percentages, OPM will publish in the FEDERAL REGISTER a notice that will contain updated normal cost percentages.

(b) The notice of normal cost percentage will include a statement of—

(1) The Government-wide normal cost percentage and any single agency rates for each category of employees;

(2) The effective date of any changes made by the notice;

(3) The address for obtaining information on the data and assumptions used in computing the normal cost percentages;

(4) The time limit for submission of appeals under §841.409; and

(5) The address for filing an appeal under §841.409.

§841.408 Effective date of normal cost percentages.

(a) Except as provided in paragraph (b) of this section and in §841.412, normal cost percentages stated in a notice of normal cost percentages under §841.407 will be effective at the beginning of the first full pay period of the first fiscal year that commences at least 3 months after the date of publication of the notice.

(b) The initial normal cost percentages will be effective at the beginning of the first pay period on or after January 1, 1987.

[51 FR 47187, Dec. 31, 1986, as amended at 58 FR 43493, Aug. 17, 1993]

§841.409 Agency appeal right.

(a)(1) An agency with at least 1,000 employees in the general category of employees or 500 employees in any of the special categories may appeal to the Board the normal cost percentage for that category as applied to that agency.

(2) The Secretary of the Treasury or the Postmaster General may request the Board to reconsider a determination of the amount of any supplemental liability due from the Treasury of the United States or the United States Postal Service, respectively.

(b) No appeal will be considered by the Board unless the agency files, no later than 6 months after the date of publication of the notice of normal cost percentages under §841.407, a petition for appeal that meets *all* the requirements of §841.410.

(c) No request for reconsideration will be considered by the Board unless the Secretary of the Treasury or the Postmaster General files, no later than 6 months after the date of receipt of the notice of supplemental liability, a request for reconsideration supported by an actuarial report similar to the report described in § 841.410(c).

[52 FR 25196, July 6, 1987]

§ 841.410 Contents of petition for appeal.

(a) To file an appeal, an agency head must, before expiration of the time limit, file with OPM—

(1) A letter of appeal;

(2) An actuarial report; and

(3) A certificate of eligibility (described in paragraph (d) of this section).

(b)(1) The letter of appeal must be in writing and signed by the agency head. Delegation of signatory authority is not permitted.

(2) The letter of appeal may contain any argument the agency wishes to make or may simply submit the actuarial report for consideration.

(c) The actuarial report must contain a detailed actuarial analysis of the normal cost of FERS benefits as applied to the employees of that agency in the category of employees for which the agency is appealing the use of the Government-wide rate. The actuarial report must—

(1) Be signed by an actuary;

(2) Use the economic assumptions under §841.405; and

(3) Specifically address and consider each of the demographic factors listed in § 841.404. The appealing agency is responsible for developing data relating to the first nine demographic factors as they relate to the category of agency employees for which the appeal is being filed. Government-wide demographic factors (available from OPM) will be presumed to be sufficient and reliable for factors 10 through 13 unless the appealing agency is able to demonstrate, through sufficient and reliable data relating to its employees or former employees, the use of alternative factors is appropriate. The fourteenth factor, administrative expenses, will be supplied by OPM.

(d) The certificate of eligibility is a letter from the agency's director of personnel certifying that the agency has the requisite 1,000 or 500 in the category of employees under consideration.

§ 841.411 Appeals procedure.

(a) A Government-wide normal cost percentage is presumed to apply to all agencies. Any agency appealing application of a Government-wide normal cost percentage to any category of employees in its workforce must demonstrate to the satisfaction of the Board that the normal cost percentage for that category of employees in that agency is significantly different from the Government-wide normal cost percentage.

(b) While an agency has an appeal pending, the Government-wide normal cost percentage continues to apply to that agency.

(c) The Board cannot consider an appeal unless all the documents required for a petition for appeal under §841.410(a) are filed before expiration of the time limit for an appeal.

(d) The Board cannot sustain an appeal unless the Board finds that—

(1) The data used in the agency's actuarial analysis are sufficient and reliable (As a general rule, at least 5 years of data pertaining to any group of employees must be analyzed before the results are considered sufficient and reliable.);

(2) The assumptions used in the agency's actuarial analysis are justified;

(3) When all relevant factors are considered together, there is a demonstrated difference between the normal cost for the group at issue in the appeal and the normal cost for the same group calculated on a Government-wide basis; and

(4) The difference between the Government-wide normal cost percentage and the single agency rate would be at least 10 percent of the normal cost being appealed.

§ 841.412 Rates determined by appeal.

(a) If the Board finds that a different normal cost is warranted based on an agency appeal, it will establish a single agency rate for the category of employees in that agency.

(b) The single agency rate will be effective at the beginning of the first pay period beginning 30 days after the date of the Board's decision.

(c) A single agency rate may be higher or lower than the Government-wide rate and will remain in force for not less than 3 years.

(d) After a single agency rate has been in force for at least 3 years, OPM may—

(1) Require, no more often than annually, that the agency justify continuation of the rate; and/or

(2) When it publishes a notice of normal cost percentages under § 841.407, terminate the single agency rate.

§ 841.413 Determinations of amount due from each agency.

(a) For each pay period, each agency will determine the total amount of basic pay paid to employees in each category of employees.

(b) For each category of employees, the amount due from each agency for a pay period is the product of—

(1) The total amount of basic pay of employees in that category of employees in that agency; and

(2) The normal cost percentage.

Subpart E—Employee Deductions and Government Contributions

SOURCE: 52 FR 2057, Jan. 16, 1987, unless otherwise noted.

§ 841.501 Purpose.

This subpart contains regulations concerning deductions from employees' pay and government contributions for FERS coverage.

§ 841.502 Definitions.

In this subpart—

Employee means employee as defined in § 842.102 of this chapter or Member as defined in section 8401(20) of title 5, United States Code.

Employee deduction means the portion of the normal cost of FERS coverage which is deducted from an employee's basic pay.

FERS means chapter 84 of title 5, United States Code.

Fund means the Civil Service Retirement and Disability Fund.

Normal cost percentage or *Normal cost* means the entryage normal cost of the provisions of FERS which relate to the Fund, computed by the Office in accordance with generally accepted actuarial practice and standards (using dynamic assumptions) and expressed as a level percentage of aggregate basic pay. Normal cost percentage or normal cost include both agency and employee contributions.

Social security means old age, survivors and disability insurance under section 3101(a) of the Internal Revenue Code of 1954.

§ 841.503 Amounts of employee deductions.

(a) Except as provided in paragraph (b) of this section, the rate of employee

deductions from basic pay for FERS coverage is seven percent of basic pay minus the percent of tax which is (or would be) in effect for the payment, for the employee cost of social security.

(b) The rate of employee deductions from basic pay for FERS coverage for a Member, law enforcement officer, firefighter, air traffic controller, Congressional employee, or employee under section 302 of the Central Intelligence Agency Act of 1964 for Certain Employees is seven and one-half percent of basic pay, minus the percent of tax which is (or would be) in effect for the payment, for the employee cost of social security.

(c) Employee deductions will be at the rate in paragraph (a) or (b) of this section as if social security deductions were being made even if social security deductions have ceased because of the amount of earnings during the year, or are not made for any other reason.

[52 FR 2057, Jan. 16, 1987, as amended at 52 FR 25197, July 6, 1987]

§ 841.504 Agency responsibilities.

(a) Each employing agency is required to contribute the total amount of the normal cost percentage for each category of its employees, determined under § 841.413 of this part, to the Fund.

(b) Each employing agency must withhold the appropriate amount of employee deductions from the basic pay paid each covered employee for each pay period. No employee deduction is due if an employee receives no basic pay for a pay period.

(c) An employing agency must record the appropriate amount of employee deductions on an individual retirement record maintained for each employee in the manner prescribed by OPM.

(d) When an employee separates, transfers to another agency or to a position serviced by another payroll office, or transfers to a postion in which he or she is not covered by FERS, the agency must close the employee's individual retirement record and forward it to OPM within the time standards prescribed by OPM.

(e) An agency must maintain payroll systems and records in such manner as to permit accurate and timely reporting to OPM, in the manner prescribed by OPM.

(f) An agency must report the employee deduction and agency contribution amounts for each pay period in the manner prescribed by OPM.

(g) An agency must make such other reports of the normal cost, employee deductions and Government contributions amounts as are prescribed and in the manner prescribed by OPM.

(h) An agency must remit in full the total amount of normal cost (which includes both employee deductions and Government contributions), so that payment is received by the Fund on the day of payment to the employee of the basic pay from which the employee deductions were made.

(i) Upon the death of an employee whose tour of duty is less than full time, the employing agency must certify to OPM—

(1) The number of hours that the employee was entitled to basic pay (whether in a duty or paid-leave status) in the 52-week work year immediately preceding the end of the last pay period in which the employee was in a pay status; and

(2) If the employee's tour of duty was part time (regularly scheduled), the number of hours of work in the employee's tour of duty.

[52 FR 2057, Jan. 16, 1987, and 52 FR 25196, July 6, 1987, as amended at 53 FR 16535, May 10, 1988]

§ 841.505 Correction of error.

(a) When it is determined that an agency has paid less than the correct total amount of the normal cost for any or all of its current or past employees, for any reason whatsoever, including but not limited to, coverage decisions, correction of the percentage applicable or of the amount of basic pay, or additional payment of basic pay, the agency must pay the total additional amount payable under 5 U.S.C. 8423 and subpart D of the this part to the Fund.

(b) The agency withholds the appropriate employee deduction from any payment of additional basic pay which is part of, or the result of, the corrective action.

(c) The payment to the Fund described in paragraph (a) of this section shall be made as soon as possible, but not later than provided by standards

established by OPM, regardless of whether or when the portion which should have been deducted from employee basic pay is recovered by the agency.

(d) Any portion of the payment to the Fund described in paragraph (a) of this section which should have been deducted, but was not, from employee basic pay constitutes an overpayment of pay, subject to collection by the agency from the employee, unless waived under applicable authority such as 5 U.S.C. 5584.

(e) Corrections and the related agency payments and employee deductions will be reported to OPM in the manner prescribed by OPM.

§ 841.506 Effect of part 772 of this chapter on FERS payments.

(a) *Agency notification to OPM.* (1) When it is determined that a FERS employee is to be given interim relief under 5 U.S.C. 7701(b)(2)(A), the employing agency must notify OPM of the effective date of the interim appointment under § 772.102 of this chapter. The notice must specify that the appointment is required by the *Whistleblower Protection Act of 1989.*

(2) When the MSPB initial decision cancelling the employee's separation becomes final, when the Board issues a final order cancelling the retiree's separation, or when the agency agrees to cancel the separation, the employing agency must notify OPM of the date the interim appointment ends and request the amount of the erroneous payment to be recovered under § 550.805(e) of this chapter from any back pay adjustment to which the employee may be entitled.

(b) *Employee deductions and normal cost percentage.* For the duration of the appointment, the agency will withhold the appropriate employee deduction and contribute the total amount of the normal cost percentage for the employee as prescribed by OPM. If and when a separation action is cancelled, the agency must make the corrections specified under § 841.507 of this subpart.

[57 FR 3714, Jan. 31, 1992, as amended at 58 FR 48273, Sept. 15, 1993]

§ 841.507 Correction of unjustified or unwarranted personnel action.

(a) When an ''appropriate authority'' determines that there has been an ''unjustified or unwarranted personnel action'' as these terms are defined in subpart H of part 550 of this title, the employing agency will pay the Fund the amount of the normal cost percentage of the basic pay included in back pay. The normal cost percentage owed the Fund is computed on the amount of gross basic pay without regard to deductions described in § 550.805(e) of this chapter for other amounts earned or erroneous payments received.

(b) The agency will withhold the appropriate employee deductions from the amount of basic pay included in gross back pay giving due regard to deductions described in § 550.805(e) of this chapter.

(c) The payment to the Fund described in paragraph (a) of this section shall be made within the time period established by OPM standards.

(d)(1) Any FERS benefits—lump-sum payments or annuity benefits—paid based on a separation that is later cancelled are considered erroneous payments that must be repaid to OPM. Agencies must deduct such payments from any back pay adjustment to which the employee may be entitled as required by 5 CFR 550.805(e).

(2) Amounts recovered from back pay will not be subject to waiver consideration under 5 U.S.C. 8470(b). If there is no back pay, or the back pay is insufficient to recover the entire erroneous payment, the employee may request that OPM waive recovery of the uncollected portion of the overpayment. If waiver is not granted, the employee must repay the erroneous payment.

Subpart F—Computation of Interest

SOURCE: 52 FR 12132, Apr. 15, 1987, unless otherwise noted.

§ 841.601 Purpose.

This subpart regulates the computation of interest under the Federal Employees Retirement System (FERS).

§ 841.602 Definitions.

Contributions or *deductions* means the amounts deducted from an employee's pay or deposited as the employee's share of the cost of FERS.

Individual Retirement Record means the record of individual retirement deductions required by § 841.504.

Last year of service means the calendar year in which deductions stop on the Individual Retirement Record under consideration.

Unexpended balance means the unrefunded amount consisting of—

(a) Retirement deductions made from the basic pay of an employee under subpart E of part 841 of this chapter;

(b) Amounts deposited by an employee for periods of service (including military service) for which—

(1) No retirement deductions were made; or

(2) Deductions were refunded to the employee; and

(c) Interest compounded annually on the deductions and deposits at a rate which, for any calendar year, will be equal to the overall average yield to the Civil Service Retirement Fund during the preceding fiscal year from all obligations purchased by the Secretary of the Treasury during that fiscal year under section 8348(c), (d), and (e) of title 5, United States Code, as determined by the Secretary of the Treasury. Interest on deductions and deposits does not include interest—

(1) If the service covered by the deductions totals 1 year or less; or

(2) For a fractional part of a month in the total service.

Year of the computation means the calendar year when the unexpended balance is being computed.

§ 841.603 Rate of interest.

For calendar year 1985 and for each subsequent calendar year, OPM will publish a notice in the FEDERAL REGISTER to notify the public of the interest rate that will be in effect during that calendar year.

§ 841.604 Interest on service credit deposits.

(a) Interest on civilian service credit deposits is computed under § 842.305 of this chapter.

(b) Interest on military service credit deposits is computed under § 842.307 of this chapter.

[52 FR 12132, Apr. 15, 1987, as amended at 57 FR 32155, July 21, 1992]

§ 841.605 Interest included in the unexpended balance.

(a) Interest on each Individual Retirement Record is computed separately.

(b) For determining the amount of interest in the unexpended balance when none of the employee deductions have been returned (e.g., employee refunds or at the time of retirement), the amount of interest in the unexpended balance equals the sum of the amounts of interest applicable to each calendar year's deductions. The amount of interest on each calendar year's deductions equals the sum of—

(1) For the calendar year in which the deductions were taken—

(i) Except during the last year of service, the amount of the employee's deductions for that calendar year times the rate of interest set under § 841.603 for that calendar year times the fraction whose numerator is the number of full months when deductions were withheld and whose denominator is 24;

(ii) During the last year of service, the amount of the employee's deductions for that year times the rate of interest set under § 841.603 for that year times the fraction—

(A) Whose numerator equals the sum of—

(1) One half times the number of months (fractional months rounded up) of that year during which the employee was employed;

(2) One for each full month of that year after the employee's service terminated; and

(B) Whose denominator is 12.

(2) For each calendar year after the year when the deductions were withheld but before the calendar year of the computation, the amount of the employee's deductions plus interest for prior years, times the rate of interest set under § 841.603 for that year; and

(3) For the year of the computation—

(i) If it is not the same calendar year that the deductions were withheld, the amount of the employee's deductions plus interest for prior years, times the rate of interest set under § 841.603 for that year times the fraction whose numerator is the number of full months that have been completed in the year of the computation and whose denominator is 12; or

(ii) If it is the same calendar year that the deductions were withheld, the amount of the employee's deductions for that year times the rate of interest set under § 841.603 for that year times the fraction—

(A) Whose numerator equals the sum of—

(1) One half times the number of months (fractional months rounded up) of that year during which the employee was employed;

(2) One for each full month of that year after the employee's service terminated; and

(B) Whose denominator is 12.

(c)(1) For adding interest to the unexpended balance after retirement, the unexpended balance including interest computed under paragraph (b) of this section is computed as of the time of retirement.

(2) Each month after retirement, the unexpended balance is reduced by the amount of annuity paid and interest is added to the remaining portion at the rate computed as follows:

(i) Add one to the interest rate under § 841.603 for the current year.

(ii) Raise the sum produced under paragraph (c)(2)(i) of this section to the 1/12 power.

(iii) Subtract one from the result of paragraph (c)(2)(ii) of this section to produce the interest rate for the month.

(d)(1) Interest on payments of the unexpended balance will be paid for the month unless the payment has been authorized before the 5th workday before the end of the month (excluding the 31st day of 31-day months).

(2) For the purposes of paragraph (d)(1) of this section, payment is authorized when the person with authority to approve the claim approves payment.

§ 841.606 Interest on survivor reduction deposits.

Interest on deposits under subpart F of part 842 of this chapter is compounded annually and accrued monthly.

(a) The initial interest on each monthly difference between the reduced annuity rate and the annuity rate actually paid equals the amount of the monthly difference times the difference between—

(1) One and six tenths raised to the power whose numerator is the number of months between the date when the monthly difference in annuity rates occurred and the date when the initial interest is computed and whose denominator is 12; and

(2) One.

(b) The total initial interest due is the sum of all of the initial interest on each monthly difference computed in accordance with paragraph (a) of this section.

(c) Additional interest on any uncollected balance will be compounded annually and accrued monthly. The additional interest due each month equals the remaining balance due times the difference between—

(1) One and six tenths raised to the 1/12 power; and

(2) One.

§ 841.607 Interest on overpayment debts.

Interest on overpayment debts is computed under § 845.205(b).

Subpart G—Cost-of-Living Adjustments

SOURCE: 55 FR 14229, Apr. 17, 1990, unless otherwise noted.

§ 841.701 Purpose and scope.

(a) The purpose of this subpart is to regulate computation of cost-of-living adjustments (COLA's) for basic benefits

under the Federal Employees Retirement System (FERS).

(b) This subpart provides the methodology for—

(1) Computing COLA's on each type of FERS basic benefit subject to COLA's; and

(2) Computing COLA's on annuities partially computed under FERS and partially computed under the Civil Service Retirement System (CSRS).

(c) COLA's on children's annuities are not covered by this subpart because COLA's on children's annuities are computed under CSRS rules.

§ 841.702 Definitions.

In this subpart—

Annuity supplement means the benefit under subpart E of part 842 of this chapter. An *annuity supplement* is only payable to retirees.

Basic annuity means the benefits computed under subpart D of part 842 of this chapter and payable to retirees.

Basic employee death benefit means the basic employee death benefit as defined in § 843.102 of this chapter.

Beneficiary of insurable interest annuity means a person receiving a recurring benefit under FERS that is payable (after the employee's, Members, or retiree's death) to a person designated to receive such an annuity under § 842.605 of this chapter.

COLA means a cost-of-living adjustment.

Combined CSRS/FERS annuity means the recurring benefit with a CSRS component and a FERS component. A ''combined CSRS/FERS annuity'' is only payable to a retiree who as an employee elected to transfer to FERS under part 846 of this chapter, who at the time of transfer had at least 5 years of service creditable under CSRS (excluding service that was subject to both social security and partial CSRS deductions), and who was covered by FERS for at least 1 month.

CSRS means the Civil Service Retirement System as described in subchapter III of chapter 83 of title 5, United States Code.

CSRS component means the portion of a combined CSRS/FERS annuity that is computed under CSRS rules.

Current spouse annuity means a current spouse annuity as defined in § 842.602 of this chapter.

Disability retiree means a retiree who retired under part 844 of this chapter.

Effective date means the date annuities increased by a COLA begin to accrue at the higher rate.

FERS means the Federal Employees Retirement System as defined in chapter 84 of title 5, United States Code.

FERS component means the portion of a combined CSRS/FERS annuity computed under FERS rules.

Former spouse annuity means a former spouse annuity as defined in § 842.602 of this chapter.

Initial monthly rate means the monthly annuity rate that a retiree (other than a disability retiree) is entitled to receive at the time of retirement (as defined in § 842.602 of this chapter).

Percentage change means the percent change in the price index as defined in section 8462(a)(2) of title 5, United States Code.

Retiree means a retiree as defined in § 842.602 of this chapter.

Survivor means a person receiving a current spouse annuity or a former spouse annuity, or the beneficiary of an insurable interest annuity. As used in this subpart, ''survivor'' does not include a child annuitant.

Survivor supplement means the recurring benefit payable to a survivor under § 843.308 of this chapter.

§ 841.703 Increases on basic annuities and survivor annuities.

(a) Except as provided in §§ 841.704, 841.706, and 841.707, and paragraph (e) of this section, COLA's on basic annuities and survivor annuities are the greater of—

(1) One dollar per month; or

(2)(i) If the percentage change is less than 2 percent, the percentage change;

(ii) If the percentage change is at least 2 percent and not greater than 3 percent, 2 percent; and

(iii) If the percentage change exceeds 3 percent, 1 percentage point less than the percentage change.

(b) After survivor annuities commence, they are subject to COLA's computed under paragraph (a) of this section, even if they are based on a

basic employee annuity that includes a CSRS component.

(c) COLA's apply to basic annuities (not to annuity supplements), survivor annuities, and survivor supplements.

(d) COLA's do not apply for annuitants who are under age 62 as of the effective date, except—

(1) Survivors;

(2) Disability retirees (other than disability retirees whose benefits is based on 60% of high-3 average salary);

(3) Retirees who retired under § 842.208 of this chapter (the special provisions for law enforcement officers and firefighters);

(4) Retirees who retired under § 842.207 of this chapter (the special provision for air traffic controllers);

(5) Retirees who retired under § 842.210 of this chapter (the special provision for military reserve technicians who ceased satisfying the requirements of their position) due to a disability.

(e)(1) Except as provided in paragraph (e)(2) of this section, COLA's are not payable to disability retirees during the first year.

(2) COLA's are payable to disability retirees during the first year if the annuity rate payable is the retiree's earned benefit or the annuity is redetermined because the retiree has reached age 62.

(3) After the first year, both the disability benefit and the social security offset (it any) are increased by COLA's. Disability retirees' earned benefits also increase with COLA's, even when earned benefits are not paid. After application of the COLA, the greater of the increased 40 percent benefit offset by social security or the increased earned benefit is paid until the annuity is redetermined at age 62. After age 62, the redetermined annuity is paid.

(f) COLA's are payable to retirees and survivors whose annuities commence before the effective date.

§ 841.704 Proration of COLA's.

(a) The full amounts of COLA's are payable on annuities having a commencing date more than 11 months before the effective date.

(b)(1) Prorated portions of COLA's are payable of annuities having a commencing date within 11 months before the effective date.

(2) Proration is based on the number of months (with any portion of a month counting as a month) between the annuity commencing date and the effective date.

(3) For survivors of deceased retirees, proration is determined by the date the annuity was first payable to the deceased retiree.

(4) Proration applied to the assume social security disability insurance benefit is based on the commencing date of the disability annuity, not the beginning of the social security disability benefit.

§ 841.705 Increases on basic employee death benefits.

(a) COLA's on the basic employee death benefit increase the $15,000 component by the percentage change.

(b) Recipients of the basic employee death benefit are entitled to COLA's if the employee or Member died on or after the effective date.

§ 841.706 Increases on combined CSRS/FERS annuities.

(a) COLA's on combined CSRS/FERS annuities are computed by increasing the CSRS component by the percentage change and the FERS component by the amount of COLA's under § 841.703(a).

(b) The initial monthly rate is computed by—

(1) Applying CSRS rules to CSRS service to obtain the annual rate of the self-only annuity (as defined in § 831.603 of this chapter) based on the CSRS service; then

(2) Applying FERS rules to FERS service to obtain the annual rate of annuity determined under §§ 842.403, 842.405, 842.406, or 842.407 of this chapter based on the FERS service; then

(3) Making any applicable FERS reductions for age and/or survivor benefits to the amounts computed under paragraphs (b)(1) and (b)(2) of this section; then

(4) Dividing the sum of the reduced amounts computed under paragraph (b)(3) of this section by 12; then

(5) Dropping any cents.

(c) The initial monthly CSRS component is computed by—

(1) Applying CSRS rules to CSRS service to obtain the annual rate of the

self-only annuity (as defined in § 831.603 of this chapter) based on the CSRS service; then

(2) Making any applicable FERS reductions for age and/or survivor benefits; then

(3) Dividing the annual amount by 12; then

(4) Dropping any cents.

(d) The initial monthly FERS component is computed by subtracting the initial monthly CSRS component from the initial monthly rate.

(e) A retiree who was covered under FERS for at least one month has a FERS component. If the amount of the FERS component as computed under paragraph (d) of this section is zero (because the CSRS component is equal to the monthly rate, leaving no balance for the FERS component), the FERS component is $1 per month. The retiree is due a full dollar increase on the FERS component with the next COLA. An employee with less than a month of FERS service has no FERS component and is not due any FERS COLA's.

(f) COLA's are determined by applying the appropriate increase to each component and rounding to the next lower dollar (each component must increase by at least one dollar if a COLA applies to each component) before adding them together for the new monthly amount payable.

§ 841.707 COLA's affecting computation of survivor supplements.

For purposes of computing the assumed CSRS annuity under § 843.308 of this chapter, the assumed CSRS annuity includes COLA's computed under CSRS rules.

§ 841.708 Special provisions affecting retired military reserve technicians.

(a) Military reserve technicians who retire as a result of a medical disability are excepted from the bar against COLA increases for retirees under age 62.

(b) Military reserve technicians have retired as a result of a medical disability if they retire under—

(1) Section 8451(a)(1)(B) of title 5, United States Code (allowing retirement by military reserve technicians who are medically disabled for their positions); or

(2) Section 8456 of title 5, United States Code (allowing retirement by military reserve technicians who are not disabled for their positions and who are not eligible under the special military technician discontinued service provisions (section 8414(c)) but who are medically disqualified for military service or the rank required to hold their positions).

(c)(1) Military reserve technicians have not retired as a result of a medical disability if they retire under section 8414(c) of title 5, United States Code (allowing retirement by military reserve technicians who may not be disabled for their positions, but are medically or nonmedically disqualified for military service or the rank required to hold the position, and who are at least age 50 with 25 years of service), unless they provide OPM official documentation showing that their disqualification was for medical reasons.

(2) When OPM receives no information about the reason for the disqualification of a military reserve technician retiring under section 8414(c) of title 5, United States Code, OPM will process the case assuming that the disqualification was for nonmedical reasons. OPM will inform these retirees that they will not receive COLA's until they reach age 62 unless they provide an official certification from the military showing that their disqualification was for medical reasons.

Subpart H—Waiver of Benefits

SOURCE: 52 FR 2058, Jan. 16, 1987, unless otherwise noted.

§ 841.801 Purpose.

This subpart regulates the statutory provision on waiver of annuity benefits under the Federal Employees' Retirement System.

§ 841.802 Definitions.

As used in this subpart—

Annuitant means a person receiving or who is entitled and has made application to receive retirement or survivor benefits under subchapter II, IV, or V of chapter 84 of title 5, United States Code.

Annuity means the gross monthly annuity rate payable before any authorized deductions (such as those for health benefits and life insurance premiums).

Qualifying court order means a court order acceptable for processing as defined in §838.103 of this chapter or a qualifying court order as defined in §838.1003 of this chapter.

Waiver means an annuitant's written request to forfeit a specified amount of annuity as described in this subpart.

[52 FR 2058, Jan. 16, 1987, as amended at 57 FR 33598, July 29, 1992]

§841.803 Waiver of annuity.

(a) An annuitant may decline to accept all or any part of the amount of his or her annuity by a waiver signed and filed with the Office of Personnel Management (OPM).

(b) A waiver is effective the first day of the month following the month in which it is received in OPM, unless a later effective date is specified by the annuitant.

(c) A waiver remains in effect until revoked or changed by the annuitant in writing, except as provided in paragraph (f) of this section. The effective date of a revocation or change will be the first day of the month following the month in which the request to revoke or change is received in OPM, unless a later date is specified by the annuitant.

(d) The amount of annuity that is waived is forfeited during the period the waiver is in effect and cannot be recovered.

(e) An annuity which has a waiver in effect will not be increased by cost-of-living adjustments (COLA) authorized under 5 U.S.C. 8462. Upon cancellation of a waiver, the rate of annuity will be increased by any COLA authorized during the period a waiver was in effect.

(f) Upon the death of an annuitant with a waiver in effect, any survivor annuity payable will be authorized at the full rate of annuity as though the waiver had not been in effect, unless the survivor annuitant executes a waiver.

§841.804 Waivers and court orders.

The effect of a qualifying court order on a waiver is controlled by §838.111(c) of this chapter.

Fund means the Civil Service Retirement and Disability Fund as established and described in section 8348 of title 5, United States Code.

Income tax and *State income tax* mean any form of tax for which, under a State statute, (a) collection is provided, either in imposing on employers generally the duty of withholding sums from the compensation of employees and making returns of such sums to the State or by granting to employers generally the authority to withhold sums from the compensation of employees, if any employee voluntarily elects to have such sums withheld; and (b) the duty to withhold generally is imposed, or the authority to withhold generally is granted, with respect to the compensation of employees who are residents of the State.

Net recurring payment means the amount of annuity or survivors benefits (not recurring interim payments made while a claim is pending adjudication) payable to the annuitant on a monthly basis less the amounts currently being deducted for health benefits, Medicare, life insurance, Federal income tax, overpayment of annuity, indebtedness to the Government, voluntary allotments, waivers, or being paid to a third party or a court officer in compliance with a court order or decree.

Net withholding means the amount of State income tax deductions withheld during the previous calendar quarter as a result of requests which designated the State as payee, less similar deductions taken from prior payments which are cancelled in the previous calendar quarter.

Proper State Official means a State officer authorized to bind the State contractually in matters relating to tax administration.

Received means, in respect to the magnetic tape containing requests and revocations, received at the special mailing address established by OPM for income tax requests, or, for those items not so received, received at the OPM data processing center charged with processing requests.

Requests means, in regard to a request for tax withholdings, a change in the amount withheld, or revocation of a prior request, a written submission from an annuitant in a format acceptable to the State which provides the annuitant's name, FERS claim number, Social Security identification number, address, the amount to be withheld and the State to which payment is to be made, which is signed by the annuitant or, in the case of incompetence, his or her representative payee.

State means a State, the District of Columbia, or any territory or possession of the United States.

§ 841.1003 Federal-State agreements.

OPM will enter into an agreement with any State within 120 days of an application for agreement from the proper State official. The terms of the standard agreement will be §§ 841.1004 through 841.1007 of this subpart. OPM and the State may agree to additional terms and provisions, insofar as those additional terms and provisions do not contradict or otherwise limit the terms of the standard agreement.

§ 841.1004 OPM responsibilities.

OPM will, in performance of this agreement:

(a) Process the magnetic tape containing State tax transactions against the annuity roll once a month at the time monthly recurring payments are prepared for the United States Treasury Department. Errors that are identified will not be processed into the file, and will be identified and returned to the State for resolution via the monthly error report. Collections of State income tax will continue in effect until the State requesting the initial action supplies either a valid revocation or change. The magnetic tape must be received 35 days prior to the date of the check in which the transactions are to be effective. For example, withholding transactions for the July 1 check must be received 5 days prior to June 1. If the magnetic tape submitted by the State cannot be read, OPM will notify the State of this fact, and if a satisfactory replacement can be supplied in time for monthly processing, it will be processed.

(b) Deduct from the regular, recurring annuity payments of an annuitant the amount he or she has so requested to be withheld, provided that:

(1) The amount of the request is an even dollar amount, not less than Five Dollars nor more than the net recurring amount. The State may set any even dollar amount above Five Dollars as a minimum withholding amount.

(2) The annuitant has not designated more than one other State for withholding purposes within the calendar year. The State can set any limit on the number of changes an annuitant may make in the amount to be withheld.

(c) Retain the amounts withheld in the Fund until payment is due.

(d) Pay the net withholding to the State on the last day of the first month following each calendar quarter.

(e) Make the following reports:

(1) A monthly report which will include all the State tax withholdings,

cancellations and adjustments for the month, and also each request OPM was not able to process, with an explanation, in coded format, of the reason for rejection.

(2) A quarterly report which will include State, State address, quarterly withholdings, quarterly cancellations and adjustments, quarterly net withholdings and year-to-date amounts. Where cancelled or adjusted payments were made in a previous year, OPM shall append a listing of the cancelled or adjusted payments which shows the date and amount of each cancelled or adjusted tax withholding, and the name and Social Security identification number of the annuitant from whom it was withheld. If either party terminates the agreement and the amount of cancelled or adjusted deductions exceeds the amount withheld for the final quarter, then the quarterly report shall show the amount to be refunded to OPM and the address to which payment should be made.

(3) An annual summary report which contains the name, Social Security identification number, and total amount withheld from non-cancelled payments during the previous calendar year, for each annuitant who requested tax withholding payable to the State. In the event the annuitant had State income tax withholding in effect for more than one State in that calendar year, the report will show only the amount withheld for the State receiving the report.

(4) An annual report to each annuitant for whom State income taxes were withheld giving the amount of withholding paid to the State during the calendar year.

§841.1005 State responsibilities.

The State will, in performance of this agreement:

(a) Accept requests and revocations from annuitants who have designated that State income tax deductions will go to the State.

(b) Convert these requests on a monthly basis to a machine-readable magnetic tape using specifications received from OPM, and forward that tape to OPM for processing.

(c) Inform annuitants whose tax requests are rejected by OPM that the request was so rejected and of the reason why it was so rejected.

(d) Recognize that, to the extent not prohibited by State laws, records maintained by the State relating to this program are considered jointly maintained by OPM and are subject to the Privacy Act of 1974 (5 U.S.C. 552a). Accordingly, the States will maintain such records in accordance with that statute and OPM's implementing regulations at 5 CFR part 297.

(e) Respond to requests of annuitants for information and advice in regard to State income tax withholding.

(f) Credit the amounts withheld from FERS annuities to the State tax liability of the respective annuitants, and, subject to applicable provisions of State law to the contrary, refund any balance over and above that liability to the annuitant, unless he or she should request otherwise.

(g) Surrender all tax withholding requests to OPM when this agreement is terminated or when the documents are not otherwise needed for this State tax withholding program.

(h) Allow OPM, the Comptroller General or any of their duly authorized representatives access to, and the right to examine, all records, books, papers or documents related to the processing of requests for State income tax withholding from FERS annuities.

§841.1006 Additional provisions.

These additional provisions are also binding on the State and OPM:

(a) A request or revocation is effective when processed by OPM. OPM will process each request by the first day of the second month following the month in which it is received, but incurs no liability or indebtedness by its failure to do so.

(b) Any amount deducted from an annuity payment and paid to the State as a result of a request is deemed properly paid, unless the annuity payment itself is cancelled.

(c) OPM will provide the State with the information necessary to properly process a request for State income tax withholding.

(d) If the State is paid withholding which is contrary to the terms of the annuitant's request, the State is liable

to the annuitant for the amount improperly withheld, and subject to account verification from OPM, agrees to pay that amount to the annuitant on demand.

(e) In the case of a dispute amount in any of the reports described and authorized by this agreement, the Associate Director will issue an accounting. If the State finds this accounting unacceptable, it may then and only then pursue such remedies as are otherwise available.

(f) If a State received an overpayment of monies properly belonging to the Fund, OPM will offset the overpayment from a future payment due the State. If there are no further payments due the State, OPM will inform the State in writing of the amount due. Within 60 days of the date of receipt of that communication that State will make payment of the amount due.

§ 841.1007 Agreement modification and termination.

This agreement may be modified or terminated in the following manner:

(a) Either party may suggest a modification of non-regulatory provisions of the agreement in writing to the other party. The other party must accept or reject the modification within 60 calendar days of the date of the suggestion.

(b) The agreement may be terminated by either party on 60 calendar days written notice.

(c) OPM may modify this agreement unilaterally through the rule making process described in sections 553, 1103, and 1105 of title 5, United States Code.

§ 841.1008 Authority to use the Federal Personnel Manual System.

OPM may provide such further rules, procedural instructions, and operational guidance as may be necessary and proper under this subpart and not inconsistent therewith, in the Federal Personnel Manual System.

(i) Submit a written application for the pre-1969 National Guard technician service to OPM before November 6, 1991; and

§ 842.305 Deposits for civilian service.

(a) *Eligibility—current and former employees or Members.* An employee or Member subject to FERS and a former employee or Member who is entitled to an annuity may make a deposit for civilian service described under paragraphs (a)(2) and (a)(3) of § 842.304 upon application to OPM in a form prescribed by OPM. A deposit for civilian service cannot be made later than 30 days after the first regular monthly payment as defined in § 842.602.

(b) *Eligibility—survivors.* If an employee or Member was, at the time of death, eligible to make a deposit, the employee's survivor may make the deposit for civilian service. A deposit under this paragraph cannot be made after adjudication of the survivor's application for benefits becomes final, which is 30 days after the date of OPM's notice to the survivor of the annuity rates with and without making the deposit.

(c) *Distinct period of service.* A deposit is not considered to have been made for any distinct period of service unless the total amount due for the period is paid in full. A distinct period of civilian service for this purpose is a period of civilian service that is not interrupted by a break in service of more than 3 days.

(d) *Amount of deposits.* The amount of a deposit for a period of service under § 842.304(a)(2) equals 1.3 percent of the basic pay for the service, plus interest. The amount of a deposit for a period of service under § 842.304(a)(3) equals the amount that would have been deducted from pay under 5 U.S.C. 8422(a) had the employee been subject to FERS during the service, plus interest.

(e) *Interest.* (1) Interest is charged at the rate of 4 percent a year through December 31, 1947; 3 percent a year beginning January 1, 1948, through December 31, 1984; and thereafter at a rate as determined by the Secretary of the Treasury for each calendar year that

equals the overall average yield to the Civil Service Retirement and Disability Fund (the Fund) during the preceding fiscal year from all obligations purchased by the Secretary during such fiscal year under 5 U.S.C. 8348 (c), (d), and (e).

(2) The computation of interest is on the basis of 30 days to the month. Interest is computed for the actual calendar time involved in each case; but, whenever applicable, the rule of average applies.

(3) Interest is computed from the midpoint of each service period included in the computation. The interest accrues annually on the outstanding portion, and is compounded annually, until the portion is deposited. Interest is not charged after the commencing date of annuity or for a period of separation from the service that began before October 1, 1956.

(f) *Forms of deposit.* Deposits may be made in a single lump sum or in installments not smaller than $50 each.

(g) *Cadet Nurse Corps.* (1) Upon receiving an application for service credit with the Cadet Nurse Corps, OPM will determine whether all the conditions for creditability (§ 842.304(b)) have been met; compute the deposit, including interest; and advise the employing agency and the employee of the total amount of the deposit due. The rate of basic pay for this purpose is deemed to be $15 per month for the first 9 months of study; $20 per month for the 10th through the 21st months of study; and $30 per month for any month in excess of 21 months. Interest is computed in accordance with paragraph (e) of this section.

(2) The employing agency must establish a deposit account showing the total amount due and a payment schedule (unless deposit is made in one lump sum) to record the date and amount of each payment.

(3) If the individual cannot make payment in one lump sum, the employing agency must accept installment payments (by allotments or otherwise). The employing agency, however, is not required to accept individual checks in amounts less than $50.

(4) Payments received by the employing agency must be remitted to OPM immediately for deposit to the Civil Service Retirement and Disability Fund.

(5) Once the employee's deposit has been paid in full or closed out, the employing agency must submit the documentation pertaining to the deposit to OPM in accordance with instructions issued by OPM.

(h) *Processing applications for pre-1969 National Guard technician service credit for employees subject to FERS retirement deductions after November 5, 1990*—(1) *OPM determines creditable service.* OPM will determine whether all conditions for crediting the additional service have been met, compute the deposit, and notify the employee of the amount of and the procedures for submitting the deposit payments to OPM to obtain credit for the service.

(2) *Computing the deposit.* (i) For individuals who will not have a CSRS component, the deposit will be computed based on—

(A) One and three tenths percent of basic pay at the time the service was performed; and

(B) Interest at the rate of 3 percent per year computed as specified by section 8334(e)(2) of title 5, United States Code, until the date the deposit is paid.

(ii) For individuals who will have a CSRS component, the deposit will be computed as specified in 5 CFR 831.306(c).

(i) *Processing applications for pre-1969 National Guard technician service credit for annuitants (and survivors) and for former employees who separated after December 31, 1968, and before November 6, 1990*—(1) *OPM determines creditable service.* OPM will determine whether all conditions for crediting the additional service have been met, compute the amount of the deposit, and notify the individual.

(2) *Computing the deposit for annuitants and survivors.* (i) For individuals who do not have a CSRS component, the deposit will be computed based on—

(A) One and three tenths percent of basic pay at the time the service was performed; and

(B) Interest at the rate of 3 percent per year as specified by section 8334(e)(2) of title 5, United States Code,

to the midpoint of the 24-month installment period, or if paid in a lump sum, the date the deposit is paid.

(ii) For individuals who will have a CSRS component, the deposit will be computed as specified in 5 CFR 831.306(e)(2)(i) and (ii)(A).

(iii)(A) OPM will notify annuitants and survivors of the amount of the deposit and give them a proposed installment schedule for paying the deposit from monthly annuity payments. The proposed installment payments will consist of equal monthly payments that will not exceed a period 24 months from the date a complete written application is received by OPM.

(B) The annuitant or survivor may allow the deposit installments to be deducted from his or her annuity as proposed or make payment in a lump sum within 30 days from the date of the notice.

(C) Increased annuity payments will begin to accrue the first day of the month after OPM receives the complete written application.

(iv) If an annuitant dies before completing the deposit installment payments, the remaining installments will be deducted as established for the annuitant from benefits payable to the survivor annuitant (but not if the only survivor benefit is payable to a child or children of the deceased), if any. If no survivor annuity is payable, OPM may collect the balance of the deposit from any lump sum benefits payable or from the decedent's estate, if any.

(3) *Computing the deposit for former Federal employees separated after December 31, 1968 but before November 6, 1990.* For former employees with title to a deferred annuity that commences after November 6, 1990, the deposit will be computed as provided in paragraph (i)(2) above, except that interest will be computed through the commencing date of annuity or the date the deposit is paid, whichever comes first.

[52 FR 18193, May 14, 1987, as amended at 56 FR 55597, Oct. 29, 1991; 56 FR 65419, Dec. 17, 1991]

§ 842.306 Military service.

(a) Except as provided in paragraph (b), and unless otherwise provided under title III of the Federal Employees' Retirement System Act of 1986, an employee's or Member's military service is creditable if it was performed—

(1) Before January 1, 1957; or

(2) After December 31, 1956, subject to payment, before separation from service, of the deposit required by § 842.307.

(b) Credit for a period of military service is not allowed if the employee or Member is receiving military retired pay for such period awarded for reasons other than—

(1) Service-connected disability incurred in combat with an enemy of the United States;

(2) Service-connected disability caused by an instrumentality of war and incurred in the line of duty during a period of war (within the meaning of chapter 11 of title 38, United States Code); or

(3) Retirement under chapter 67 of title 10, United States Code.

(c) When adjudicating annuity claims, OPM will accept determinations made by the agency that authorized military retired pay concerning—

(1) The effective date of a waiver of military retired pay;

(2) Whether an individual's military retired pay was awarded for any of the reasons mentioned under paragraph (b) of this section; and

(3) Whether a period of military service forms the basis for military retired pay.

(d)(1) Except as provided in paragraphs (d)(2) and (d)(3) of this section, the computation of a survivor's annuity includes credit for any military service allowable under paragraph (a) of this section.

(2) If the separated employee (as defined in § 843.102 of this chapter) was awarded military retired pay, died after the date of separation from civilian service, and did not waive military retired pay effective before the date of death, military service upon which the military retired pay was based is not creditable.

(3) If the survivor of a deceased employee who had been awarded military retired pay files, in a form prescribed by OPM, an election not to have a period of military service included in the computation of survivor benefits, that period of military service is not included in the computation of survivor benefits.

§ 842.307 Deposits for military service.

(a) *Eligibility to make a deposit.* (1) An employee or Member subject to FERS may make a deposit for any distinct period of military service by filing an application in a form prescribed by OPM.

(2) An application to make a deposit is filed with the appropriate office in the employing agency, or, for Members and Congressional employees, with the Secretary of the Senate, or the Clerk of the House of Representatives, as appropriate.

(3) An employee's or Member's deposit for military service must be completed before separation from service. If a deceased employee or Member was, at the time of death, eligible to make a deposit, the employee's or Member's survivor may make the deposit in one lump sum to the former employing agency, the Secretary of the Senate or the Clerk of the House of Representatives, before OPM completes adjudication of the survivor annuity application. A person who was eligible to make a deposit for military service but failed to complete the deposit within the time limits provided in this paragraph, may complete the deposit in a lump sum within the time limit set by OPM when it rules that an administrative error has been made.

(b) *Amount of deposit.* (1) The amount of a deposit for military service equals 3 percent of the basic pay for the service under 37 U.S.C. 207, or an estimate of the basic pay (see paragraph (c)(1)(iii) of this section), plus interest, unless interest is not required under paragraph (b)(4) of this section.

(2) Interest is charged at a rate as determined by the Secretary of the Treasury for each calendar year that equals the overall average yield to the Fund during the preceding fiscal year from all obligations purchased by the Secretary during such fiscal year under 5 U.S.C. 8348(c), (d), and (e).

(3) The computation of interest is on the basis of 30 days to the month. Interest is computed for the actual calendar time involved in each case; but whenever applicable, the rule of average applies.

(4) Interest is computed from the mid-point of each full period of service included in the computation. The interest accrues annual on the outstanding portion beginning on the second anniversary of the employee's or Member's beginning date of coverage under FERS, and is compounded annually, until the portion is deposited. Interest is charged to the date of deposit. No interest will be charged if the deposit is completed before the end of the year after interest begins. For example, if an employee becomes subject to FERS on March 1, 1988, interest begins to accrue on March 1, 1990; however, no interest would be included in the deposit due if the deposit is completed by February 28, 1991.

(c) *Processing deposit applications and payments.* (1) The agency, Clerk of the House of Representatives, or Secretary of the Senate will have the employee or Member—

(i) Complete an application to make deposit;

(ii) Provided a copy of his or her DD Form 214 or its equivalent to verify the period(s) of service; and

(iii) Provide copies of all official military pay documents, as identified in instructions issued by OPM, which show the exact basic pay he or she received for full period of service; or, if such evidence is not available, obtain a statement of estimated earnings from the appropriate branch of the military service and submit the statement.

(2) Upon receipt of the application, the DD Form 214, and either the evidence of exact basic pay or the statement of estimated earnings, the agency, Clerk of the House of Representatives, or Secretary of the Senate will establish a deposit account showing—

(i) The total amount due, including interest, if any;

(ii) A payment schedule (unless deposit is made in a lump sum); and

(iii) The date and amount of each payment.

(3) Deposits may be made in a single lump sum or in installments. The agency, Clerk of the House of Representatives, and Secretary of the Senate are not required to accept installment payments in amounts less than $50.

(4) Payments received by the employing agency, the Clerk of the House of Representatives, or the Secretary of the Senate will be remitted to OPM for deposit to the Fund in accordance with

payroll office instructions issued by OPM.

(d) *Distinct periods of service.* A deposit is not considered to have been made for any distinct period of service unless the total amount due for the period is paid in full. A ''distinct period'' for this purpose is the total years, months, and days from the date of entry on active duty (or from January 1, 1957, if later) to the date of final discharge for enlisted military personnel, or to the date of final release from active duty for officers and reservists. A ''distinct period'' also includes consecutive periods of service where there is no break in service, but does not include any lost time.

§ 842.308 Refunds of deductions and service credit deposits made before becoming subject to FERS.

(a) An employee or Member who, while currently employed, is eligible under 5 U.S.C. 8342(a) for a refund of deductions or deposits (relating to civilian service performed before becoming subject to FERS and totaling less than 5 years, not counting service after 1983 that was covered simultaneously by both CSRS and social security) that were previously made for a period of service performed before becoming subject to FERS is eligible for a refund, upon proper application in a form prescribed by OPM. The amount of this refund is the difference between—

(1) The amount of deductions and deposits to his or her credit for such service, plus any interest computed in accordance with 5 U.S.C. 8331(8): and

(c) An employee or Member, who, before becoming subject to FERS, made a deposit for military service is eligible upon proper application in a form prescribed by OPM, while currently employed, for a refund of the amount deposited, excluding interest, to the extent that this amount exceeds the amount of the deposit required for such service under § 842.307.

(d) A former employee or Member who, before becoming subject to FERS, made a deposit for military service is eligible for a refund, upon proper application in a form prescribed by OPM. The former employee or Member may irrevocably elect to receive either—

(2) The full amount deposited and remaining to the individual's credit. If the full amount of the deposit is elected, no future deposit for the service may be made.

(e) If the current employing agency holds all necessary records pertaining to the amounts in question under paragraph (a) or (c) of this section, the current employing agency will pay the refund in accordance with OPM instructions. Otherwise, OPM will pay the refund.

§ 842.309 Contract service.

Contract service with the United States will only be included in the computation of, or used to establish title to, an annuity under chapter 84 of title 5, United States Code, if—

(a) The employing agency exercised an explicit statutory authority to appoint an individual into the civil service by contract; or

Subpart D—Computations

SOURCE: 52 FR 4475, Feb. 11, 1987, unless otherwise noted.

§ 842.401 Purpose.

This subpart regulates the basic annuity computation under the Federal Employees Retirement System (FERS).

§ 842.402 Definitions.

In this subpart—

Full-time service means any actual service in which the employee is scheduled to work the number of hours and days required by the administrative workweek for his or her grade or class (normally 40 hours).

Part-time service means any actual service performed on a less than full-time basis, by an individual whose appointment describes a regularly scheduled tour of duty, and any period of time credited as nonpay status time under 5 U.S.C 8411(d), that follows a period of part-time service without any intervening period of actual service other than part-time service.

Proration factor means a fraction expressed as a percentage rounded to the nearest percent. The numerator is the sum of the number of hours the employee actually worked during part-time service; and the denominator is the sum of the number of hours that a full-time employee would be scheduled to work during the same period of service included in the numerator. If an employee has creditable service in addition to part-time service, such service must be included in the numerator and denominator of the fraction.

Total service means the full years and twelfth parts thereof of an employee's or Member's service creditable under subpart C of this part, excluding any fractional part of a month.

[52 FR 4475, Feb. 11, 1987, as amended at 52 FR 22436, June 12, 1987; 58 FR 43493, Aug. 17, 1993]

§ 842.403 Compution of basic annuity.

(a) Except as provided in paragraph (b) of this section and §§ 842.405 and 842.406, the annuity of an employee or Member is 1 percent of average pay multiplied by total service.

(b) The annuity of an employee is 1.1 percent of average pay multiplied by total service, provided the individual—

(1) Has completed 20 years of service; and

(2) At the time of separation on which entitlement to an annuity is based—

(i) Is at least age 62; and

(ii) Is not a Member, Congressional employee, military reserve technician, law enforcement officer, firefighter, or air traffic controller.

§ 842.404 Reductions in basic annuity.

The annuity of an employee or Member retiring under § 842.204(a)(1) or § 842.212(b) is reduced by five-twelfths of 1 percent for each full month by which the commencing date of annuity precedes the 62nd birthday of the employee or Member, unless the individual—

(a) Has completed 30 years of service; or

(b)(1) Has completed 20 years of service; and

(2) Is at least age 60 on the commencing date of annuity; or

(c) Has completed 20 years of service as—

(1) An air traffic controller, except one separated by removal for cause on charges of misconduct or delinquency;

(2) A firefighter and/or law enforcement officer, except one separated by removal for cause on charges of misconduct of delinquency; or

(3) A Member, except one separated by resignation or expulsion.

§ 842.405 Air traffic controllers, firefighters, and law enforcement officers.

The annuity of an air traffic controller retiring under § 842.207 or a law enforcement officer or firefighter retiring under § 842.208 is—

(a) One and seven-tenths percent of average pay multiplied by 20 years; plus

(b) One percent of average pay multiplied by the years of service exceeding 20 years.

§ 842.406 Members of Congress and Congressional employees.

The annuity of an employee or Member who has had at least 5 years of service as a congressional employee, Member, or any combination thereof totaling 5 years is—

(a) One and seven-tenths percent of average pay multiplied by the total number of years of service as a Member and/or congressional employee not exceeding 20 years: plus

(b) One percent of average pay multiplied by the years of service other than that of a Member and/or congressional employee.

§ 842.407 Proration of annuity for part-time service.

The annuity of an employee whose service includes part-time service is computed in accordance with § 842.403, using the average pay based on the annual rate of basic pay for full-time service. This amount is then multiplied by the proration factor. The result is the annual rate of annuity before reductions for retirement before age 62, survivor benefits, or the reduction for an alternative form of annuity required by § 842.706.

[52 FR 4479, Feb. 11, 1987, as amended at 56 FR 173, Jan. 3, 1991]

§ 842.504 Amount of annuity supplement.

(a) Subject to paragraph (b) of this section, an annuity supplement is an amount equal to the old-age insurance benefit payable under title II of the Social Security Act, multiplied by a fraction—

(1) The numerator of which is the annuitant's total service creditable under FERS, excluding military service not performed during an absence of leave without pay from civilian service, rounded to the nearest whole number of years not exceeding 40 years; and

(2) The denominator of which is 40.

(b)(1) The benefit referred to in paragraph (a) of this section is computed—

(i) As if the annuitant were age 62 and fully insured on January 1 of the year the annuity supplement commences;

(ii) Without regard to the Social Security earnings test (section 203 of the Social Security Act);

(iii) Without regard to the Social Security windfall elimination provisions (sections 215(a)(7) and 215(d)(5) of the Social Security Act); and

(iv) Using the actuarial reduction (section 202(q) of the Social Security Act) prescribed in the following table:

1941	23 1/3
1942	24 1/6
1943–54	25
1955	25 5/6
1956	26 2/3
1957	27 1/2
1958	28 1/3
1959	29 1/6
1960 and later	30

(2) In computing the primary insurance amount—

(i) The number of elapsed years used to compute the number of benefit computation years does not include the years beginning with the year in which the annuity supplement commences;

(ii) For an employee or Member who retires under §§ 842.205, 842.206, 842.209, or 842.211 before reaching the minimum retirement age, wages in calendar years beginning after the date of separation on which the retirement is based, are deemed to be zero.

(iii) Only basic pay for full calendar years of service creditable under FERS is taken into account in computing the retiree's wages for a benefit computation year;

(iv) For a benefit computation year after age 21 during which the retiree did not perform a full calendar year of service creditable under FERS the retiree's wages are deemed to equal the product of—

(A) The amount in appendix B of subpart C of part 843 corresponding to that year, multiplied by

(B) A fraction—

(*1*) The numerator of which is the retiree's basic pay for his or her first full year of service creditable under FERS; and

(*2*) The denominator of which is the amount in appendix B of subpart C of part 843, corresponding to the retiree's first full year of service creditable under FERS.

§ 842.505 Reduction in annuity supplement because of excess earnings.

(a)(1) Except as provided in paragraphs (a)(2) and (b) of this section, the annuity supplement payable under § 842.504 is reduced by excess earnings in the test year, divided by twelve.

(2) Any annuity supplement payable during the year in which an individual loses entitlement to the annuity supplement by reason of § 842.503(c) is reduced by excess earnings in the test year divided by the number of months for which the annuity supplement is payable.

(b) Any reduction in the annuity supplement during a month because of excess earnings may not exceed the amount of annuity supplement payable during that month.

(c) Earnings and estimated earnings for each test year will be furnished by retirees in a form prescribed by OPM.

(d) Failure to furnish earnings and estimated earnings in the form or at the times prescribed by OPM is cause to suspend payment of the supplement until the annuitant establishes to the satisfaction of OPM that he/she continues to be eligible for the supplement.

(e) The reductions described in paragraphs (a) and (b) of this section are not subject to the due process procedures described in 5 U.S.C. 8461(e).

Subpart F—Survivor Elections

SOURCE: 52 FR 2061, Jan. 16, 1987, unless otherwise noted.

§ 842.601 Purpose.

This subpart explains the survivor annuity elections available under FERS for retirees, and retiring employees and Members, and the actions that they must take to provide these survivor annuities.

§ 842.602 Definitions.

In this subpart—

Current spouse means a living person who is married to the employee, Member, or retiree at the time of the employee's, Member's, or retiree's death.

Current spouse annuity means a recurring benefit under FERS that is payable (after the employee's, Member's or retiree's death) to a current spouse who meets the requirements of § 843.303 of this chapter.

Deposit means a deposit required to provide a survivor benefit. *Deposit,* as used in this subpart, does not include a service credit deposit or redeposit.

FERS means chapter 84 of title 5, United States Code.

First regular monthly payment means the first annuity check payable on a recurring basis (other than an estimated payment or an adjustment check) after OPM has initially adjudicated the regular rate of annuity payable under FERS and has paid the annuity accrued since the time of retirement. The *first regular monthly payment* is generally preceded by estimated payments before the claim can be adjudicated and by an adjustment check (including the difference between the estimated rate and the initially adjudicated rate).

Former spouse means a living person who was married for at least 9 months to an employee, Member, or retiree who performed at least 18 months of creditable service under FERS. The ''former spouse's'' marriage to the employee must have been terminated prior to the death of the employee, Member, or retiree.

Former spouse annuity means a recurring benefit under FERS that is payable to a former spouse after the employee's, Member's, or retiree's death.

Fully reduced annuity means the recurring payments under FERS received by a retiree who has elected the maximum reduction in his or her annuity to provide a current spouse annuity and/or a former spouse annuity or annuities.

Insurable interest rate means the recurring payments under FERS to a retireee who has elected a reduction in annuity to provide a survivor annuity to a person with an insurable interest in the retiree.

Marriage has the same meaning as in § 843.102 of this chapter.

Member means a Member of Congress.

Net annuity means the net annuity as defined in § 838.103 of this chapter.

One-half reduced annuity means the recurring payments under FERS received by a retiree who has elected one-half of the full reduction in his or

her annuity to provide a partial current spouse annuity or a partial former spouse annuity or annuities.

Present value factor means the amount of money (earning interest at an assumed rate) required at the time of retirement to fund an annuity that starts out at the rate of $1 a month and is payable in monthly installments for the annuitant's lifetime based on mortality rates for non-disability annuitants under the Civil Service Retirement System; and increases each year at an assumed rate of inflation. Interest, mortality, and inflation rates used in computing the present value are those used by the Board of Actuaries of the Civil Service Retirement System for valuation of the System, based on dynamic assumptions. The present value factors are unisex factors obtained by averaging six distinct present value factors, weighted by the total dollar value of annuities typically paid to new retirees at each age.

Qualifying court order means a court order that awards a former spouse annuity and that satisfies the requirements of section 8445 of title 5, United States Code, for awarding a former spouse annuity.

Retiree means a former employee or Member who is receiving recurring payments under FERS based on service by the employee or Member. ''Retiree,'' as used in this subpart, does not include a current spouse, former spouse, child, or person with an insurable interest receiving a survivor annuity.

Self-only annuity means the recurring unreduced payments under FERS to a retiree with no survivor annuity payable to anyone.

Time of retirement means the effective commencing date for retired employee's or Member's annuity. An employee or Member is unmarried at the time of retirement for all purposes under this subpart only if the employee or Member was unmarried on the date that the annuity begins to accrue.

[52 FR 2061, Jan. 16, 1987, as amended at 56 FR 65419, Dec. 17, 1991; 57 FR 33598, July 29, 1992; 57 FR 54678, Nov. 20, 1992; 58 FR 52883, Oct. 13, 1993]

§ 842.603 Election at time of retirement of a fully reduced annuity to provide a current spouse annuity.

(a) A married employee or Member retiring under FERS will receive a fully reduced annuity to provide a current spouse annuity unless—

(1) The employee or Member, with the consent of the current spouse, elects a self-only annuity, a one-half reduced annuity to provide a current spouse annuity, or a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity, in accordance with § 842.604 or § 842.606; or

(2) The employee or Member elects a self-only annuity or a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity, and current spousal consent is waived in accordance with § 842.607.

(b) Qualifying court orders that award former spouse annuities prevent payment of current spouse annuities to the extent necessary to comply with the court order and § 842.613.

(c) The amount of the reduction to provide a current spouse annuity under this section is 10 percent of the retiree's annuity.

[52 FR 2061, Jan. 16, 1987, as amended at 57 FR 54678, Nov. 20, 1992]

§ 842.604 Election at time of retirement of a fully reduced annuity or a one–half reduced annuity to provide a former spouse annuity.

(a) An unmarried employee or Member retiring under FERS may elect a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity or annuities.

(b) A married employee or Member retiring under FERS may elect a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity or annuities instead of a fully reduced annuity to provide a current spouse annuity, if the current spouse consents to the election in accordance with § 842.606 or spousal consent is waived in accordance with § 842.607.

(c) An election under paragraph (a) or (b) of this section is void to the extent that it—

(1) Conflicts with a qualifying court order; or

(2) Would cause the total of current spouse annuities and former spouse annuities payable based on the employee's or Member's service to exceed the maximum amount of survivor annuity that the employee or Member is entitled to provide under § 842.613.

(d) Any reduction in an annuity to provide a former spouse annuity will terminate on the first day of the month after the former spouse remarries before age 55 or dies, or the former spouse's eligibility for a former spouse annuity terminates under the terms of a qualifying court order, unless—

(1) The retiree elects, within 2 years after the former spouse's death or remarriage, to continue the reduction to provide a former spouse annuity for another former spouse, or to provide a current spouse annuity; or

(2) A qualifying court order requires the retiree to provide another former spouse annuity.

(e) Except as provided in § 842.614, the amount of the reduction to provide a former spouse annuity equals—

(1) Ten percent of the employee's or Member's annuity if the employee or Member elects a fully reduced annuity; or

(2) Five percent of the employee's or Member's annuity if the employee or Member elects a one-half reduced annuity.

[52 FR 2061, Jan. 16, 1987, as amended at 57 FR 54678, Nov. 20, 1992]

§ 842.605 Election of insurable interest rate.

(a) At the time of retirement, an employee or Member in good health and who is applying for a non-disability annuity may elect an insurable interest rate. An election under this section does not exempt a married employee or Member from the provisions of § 842.603(a).

(b) An insurable interest rate may be elected by an employee or Member electing a fully reduced annuity or a one-half reduced annuity to provide a current spouse annuity or a former spouse annuity or annuities.

(c)(1) In the case of a married employee or Member, an election under this section may not be made on behalf of a current spouse unless that current spouse has consented to an election not to provide a current spouse annuity in accordance with § 842.603(a)(1).

(2) A consent (to an election not to provide a current spouse annuity in accordance with § 842.603(a)(1)) required by paragraph (c)(1) of this section to be eligible to be the beneficiary of an insurable interest rate is cancelled if—

(i) The retiree fails to qualify to receive the insurable interest rate; or

(ii) The retiree changes his or her election to receive an insurable interest rate under § 842.608; or

(iii) The retiree elects a fully reduced annuity to provide a current spouse annuity under § 842.610.

(3) An election of a one-half reduced annuity under § 842.610(b) to provide a current spouse annuity for a current spouse who is the beneficiary of an insurable interest rate is void unless the spouse consents to the election.

(4) If a retiree who had elected an insurable interest rate to benefit a current spouse elects a fully reduced annuity to provide a current spouse annuity (or with the consent of the spouse, a one-half reduced annuity to provide a current spouse annuity) under § 842.610(b), the election of the insurable interest rate is cancelled.

(5)(i) A retiring employee or Member may not elect a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity and an insurable interest rate to benefit the same former spouse.

(ii) If a retiring employee or Member who is required by court order to provide a former spouse annuity elects an insurable interest rate to benefit the former spouse with the court-ordered entitlement—

(A) If the benefit based on the election is greater than or equal to the benefit based on the court order, the election of the insurable interest rate will satisfy the requirements of the court order as long as the insurable interest rate continues.

(B) If the benefit based on the election is less than the benefit based on the court order, the election of the insurable interest rate is void.

(iii) An election under § 842.611 of a fully reduced annuity or a one-half reduced annuity to benefit a former spouse by a retiree who elected and

continues to receive an insurable interest rate to benefit that former spouse is void.

(d) To elect an insurable interest rate, an employee or Member must indicate the intention to make the election on the application for retirement and must submit a certificate of good health in a form prescribed by OPM.

(e) An insurable interest rate may be elected to provide a survivor benefit only for a person who has an insurable interest in the retiring employee or Member.

(1) An insurable interest is presumed to exist with—

(i) The current spouse;

(ii) A blood or adopted relative closer than first cousins;

(iii) A former spouse;

(iv) A person to whom the employee or Member is engaged to be married;

(v) A person with whom the employee or Member is living in a relationship that would constitute a common-law marriage in jurisdictions recognizing common-law marriages.

(2) When an insurable interest is not presumed, the employee or Member must submit affidavits from one or more persons with personal knowledge of the named beneficiary's having an insurable interest in the employee or Member. The affidavits must set forth the relationship, if any, between the named beneficiary and the employee or Member, the extent to which the named beneficiary is dependent on the employee or Member, and the reasons why the named beneficiary might reasonably expect to derive financial benefit from the continued life of the employee or Member.

(3) The employee or Member may be required to submit documentary evidence to establish the named beneficiary's date of birth.

(f) OPM will notify the employee or Member of initial monthly annuity rates with and without the election of an insurable interest rate and the initial rate payable to the named beneficiary. No election of an insurable interest rate is effective unless the employee or Member confirms the election in writing or dies no later than 60 days after the date of the notice described in this paragraph.

(g)(1) When an employee or Member elects both an insurable interest rate, and a fully reduced annuity or a one-half reduced annuity, the combined reduction may exceed the maximum 40 percent reduction in the retired employee's or Member's annuity permitted under section 8420 of title 5, United States Code, applicable to insurable interest annuities.

(2) The additional reduction to provide a current spouse annuity or a former spouse annuity is not considered in determining the rate of annuity payable to a beneficiary of an insurable interest election.

(h)(1) Except as provided in § 842.604(d), if a retiree who is receiving a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity has also elected an insurable interest rate to benefit a current spouse and if the eligible former spouse remarries before age 55, dies, or loses eligibility under the terms of the court order, and no other former spouse is entitled to a survivor annuity based on an election made in accordance with § 842.611 or a qualifying court order, the retiree may elect, within 2 years after the former spouse's remarriage, death, or loss of eligibility under the terms of the court order, to convert the insurable interest rate to a fully reduced annuity to provide a current spouse annuity, effective on the first day of the month following the event causing the former spouse to lose eligibility.

(2) An election under paragraph (h)(1) of this section cancels any consent not to receive a current spouse annuity required by paragraph (c) of this section for the current spouse to be eligible for an annuity under this section.

(3) When a former spouse receiving an annuity under section 8445 of title 5, United States Code, loses eligibility to that annuity, a beneficiary of an insurable interest rate who was the current spouse at both the time of the retiree's retirement and death may, within 2 years after the former spouse's death, remarriage, or loss of eligibility under the terms of the court order, elect to receive a current spouse annuity instead of the annuity he or she had been receiving.

The election is effective on the first day of the month following the event causing the former spouse to lose eligibility.

(i) Upon the death of the current spouse, a retiree whose annuity is reduced to provide both a current spouse annuity and an insurable interest benefit for a former spouse is not permitted to convert the insurable interest rate to a reduced annuity to provide a former spouse annuity.

(j) An employee or Member may name only one natural person as the named beneficiary of an insurable interest rate. OPM will not accept the designation of contingent beneficiaries and such a designation is void.

(k)(1) An election under this section is prospectively voided by an election of a fully reduced annuity to provide a current spouse annuity under § 842.612 that would benefit the same person.

(2)(i) If the current spouse is not the beneficiary of the election under this section, a retiree may prospectively void an election under this section at the time the retiree elects a reduced annuity to provide a current spouse annuity under § 842.612.

(ii) A retiree's election to void an election under paragraph (k)(2)(i) of this section must be filed at the same time as the election under § 842.612.

(3) An annuity reduction under this section terminates on the first day of the month after the beneficiary of the insurable interest rate dies.

§ 842.606 Election of a self-only annuity or a one–half reduced annuity by married employees and Members.

(a) A married employee may not elect a self-only annuity or a one-half reduced annuity to provide a current spouse annuity without the consent of the current spouse or a waiver of spousal consent by OPM in accordance with § 842.607.

(b) Evidence of spousal consent or a request for waiver of spousal consent must be filed on a form prescribed by OPM.

(c) The spousal consent form will require that a notary public or other official authorized to administer oaths certify that the current spouse presented identification, gave consent, signed or marked the form, and acknowledged that the consent was given freely in the notary's or official's presence.

(d) The form described in paragraph (c) of this section may be executed before a notary public, an official authorized by the law of the jurisdiction where executed to administer oaths, or an OPM employee designated for that purpose by the Associate Director.

(e) A request for waiver of the spousal consent requirement must be by letter and fully state the basis for the request.

(f) The amount of the reduction in the retiree's annuity for a one-half reduced annuity to provide a current spouse annuity is 5 percent of the retiree's annuity.

[52 FR 2061, Jan. 16, 1987, as amended at 57 FR 54679, Nov. 20, 1992]

§ 842.607 Waiver of spousal consent requirement.

(a) The spousal consent requirement will be waived upon a showing that the spouse's whereabouts cannot be determined. A request for waiver on this basis must be accompanied by—

(1) A judicial determination that the spouse's whereabouts cannot be determined; or

(2)(i) Affidavits by the employee or Member and two other persons, at least one of whom is not related to the employee or Member, attesting to the inability to locate the current spouse and stating the efforts made to locate the spouse; and

(ii) Documentary corroboration such as tax returns filed separately or newspaper stories about the spouse's disappearance.

(b) The spousal consent requirement will be waived based on exceptional circumstances if the employee or Member presents a judicial determination finding that—

(1) The case before the court involves a Federal employee who is in the process of retiring from Federal employment and the spouse of that employee;

(2) The nonemployee spouse has been given notice and an opportunity to be heard concerning this order;

(3) The court has considered sections 8416(a) of title 5, United States Code, and this section as they relate to waiver of the spousal consent requirement for a married Federal employee to elect an annuity without a reduction to provide a survivor benefit to a spouse at retirement; and

(4) The court finds that exceptional circumstances exist justifying waiver of the nonemployee spouse's consent.

§842.608 Changes of election before final adjudication.

An employee or Member may name a new survivor or change his or her election of type of annuity if, not later than 30 days after the date of the first regular monthly payment, the named survivor dies or the employee or Member files with OPM a new written election. All required evidence of spousal consent or justification for waiver of spousal consent, if applicable, must accompany any new written election under this section.

[56 FR 65419, Dec. 17, 1991]

§842.609 [Reserved]

§842.610 Changes of election after final adjudication.

(a) Except as provided in §842.611, §842.612, or paragraph (b) of this section, an employee or Member may not revoke or change the election or name another survivor later than 30 days after the date of the first regular monthly payment.

(b)(1) Except as provided in §842.605 and paragraphs (b)(2) and (b)(3) of this section, a retiree who was married at the time of retirement and has elected a self-only annuity, a one-half reduced annuity to provide a current spouse annuity, a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity, or an insurable interest rate may elect, no later than 18 months after the time of retirement, an annuity reduction or an increased annuity reduction to provide a current spouse annuity.

(2) A current spouse annuity based on an election under paragraph (b)(1) of this section cannot be paid if it will, when combined with any former spouse annuity or annuities that are required by court order, exceed the maximum survivor annuity permitted under §842.613.

(3) To make an election under paragraph (b)(1) of this section, the retiree must pay, in full no later than 18 months after the time of retirement, a deposit equal to the sum of the monthly differences between the annuity paid to the retiree and the annuity that would have been paid if the additional annuity reduction elected under paragraph (b)(1) of this section had been in effect since the time of retirement, plus—

(i) If the election under paragraph (b)(1) of this section changes the annuity from a self only annuity to a fully reduced annuity, 24.5 percent of the retiree's annual annuity, plus 6 percent interest on both; or

(ii) If the election under paragraph (b)(1) of this section changes the annuity from a self only annuity to a one-half reduced annuity or from a one-half reduced annuity to a fully reduced annuity, 12.25 percent of the retiree's annual annuity, plus 6 percent interest on both.

(4) If a retiree makes an election under paragraph (b)(1) of this section and is prevented from paying the deposit within the 18-month time limit because OPM did not send him or her a notice of the amount of the deposit at least 30 days before the time limit expires, the time limit for making the deposit will be extended 30 days after OPM sends the notice of the amount of the deposit.

(5) An election under paragraph (b)(1) of this section cancels any spousal consent under §842.603.

(6) An election under paragraph (b)(1) of this section is void unless filed with OPM before the retiree dies.

(7) If a retiree who had elected a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity (or annuities) makes an election under paragraph (b)(1) of this section which would cause the combined current spouse annuity and former spouse annuity (or annuities) to exceed the maximum allowed under §842.613, the former spouse annuity (or annuities)

must be reduced to not exceed the maximum allowable under § 842.613.

[52 FR 2061, Jan. 16, 1987, as amended at 56 FR 65419, Dec. 17, 1991; 57 FR 54680, Nov. 20, 1992]

§ 842.611 Post-retirement election of a fully reduced annuity or one–half reduced annuity to provide a former spouse annuity.

(a) Except as provided in paragraphs (b) and (c) of this section, when a retiree's marriage terminates after retirement, the retiree may elect in writing a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity. Such an election must be filed with OPM within 2 years after the retiree's marriage to the former spouse terminates.

(b)(1) Qualifying court orders prevent payment of former spouse annuities to the extent necessary to comply with the court order and § 842.613.

(2) A retiree who elects a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity may not elect to provide a former spouse annuity in an amount that either—

(i) Is smaller than the amount required by a qualifying court order; or

(ii) Would cause the sum of all current and former spouse annuities based on a retiree's elections under §§ 842.603, 842.604, 842.612 and this section to exceed the maximum allowed under § 842.613.

(3) An election under this section is void—

(i) In the case of a married retiree, if the current spouse does not consent to the election on a form as described in § 842.606(c) and spousal consent is not waived by OPM in accordance with § 842.607; or

(ii) To the extent that it provides a former spouse annuity for the spouse who was married to the retiree at the time of retirement in an amount that is inconsistent with any joint designation or waiver made at the time of retirement under § 842.603(a)(1) or (a)(2).

(c) An election under this section is not permitted unless the retiree agrees to deposit the amount equal to the difference between the amount of annuity actually paid to the retiree and the amount of annuity that would have been paid if the reduction elected under paragraph (a) of this section had been in effect continuously since the time of retirement, plus 6 percent annual interest (computed under § 841.107 of this chapter) from the date when each difference occurred.

(d) Any reduction in an annuity to provide a former spouse annuity will terminate on the first day of the month after the former spouse remarries before age 55 or dies, or the former spouse's eligibility for a former spouse annuity terminates under the terms of a qualifying court order, unless—

(1) The retiree elects, within 2 years after the event causing the former spouse to lose eligibility, to continue the reduction to provide or increase a former spouse annuity for another former spouse, or to provide or increase a current spouse annuity; or

(2) A qualifying court order requires the retiree to provide another former spouse annuity.

(e) The amount of the reduction to provide one or more former spouse annuities or a combination of a current spouse annuity and one or more former spouse annuities under this section equals—

(1) Ten percent of the employee's or Member's annuity if the employee or Member elects a fully reduced annuity; or

(2) Five percent of the employee's or Member's annuity if the employee or Member elects a one-half reduced annuity.

[52 FR 2061, Jan. 16, 1987, as amended at 57 FR 54680, Nov. 20, 1992]

§ 842.612 Post-retirement election of a fully reduced annuity or one-half reduced annuity to provide a current spouse annuity.

(a) Except as provided in paragraph (c) of this section, a retiree who was unmarried at the time of retirement may elect, within 2 years after a post-retirement marriage, a fully reduced annuity or a one-half reduced annuity to provide a current spouse annuity.

(b) Except as provided in paragraph (c) of this section, a retiree who was married at the time of retirement may elect, within 2 years after a post-retirement marriage—

(1) A fully reduced annuity or a one-half reduced annuity to provide a current spouse annuity if—

(i) The retiree was awarded a fully reduced annuity under §842.603 at the time of retirement; or

(ii) The election at the time of retirement was made with a waiver of spousal consent in accordance with §842.607; or

(iii) The marriage at the time of retirement was to a person other than the spouse who would receive a current spouse annuity based on the post-retirement election; or

(2) A one-half reduced annuity to provide a current spouse annuity if—

(i) The retiree elected a one-half reduced annuity under §842.606 at the time of retirement;

(ii) The election at the time of retirement was made with spousal consent in accordance with §842.606; and

(iii) The marriage at the time of retirement was to the same person who would receive a current spouse annuity based on the post-retirement election.

(c)(1) Qualifying court orders prevent payment of current spouse annuities to the extent necessary to comply with the court order and §842.613.

(2) If an election under this section causes the total of all current and former spouse annuities provided by a qualifying court order or elected under §842.604, §842.611, or this section to exceed the maximum survivor annuity permitted under §842.613, OPM will accept the election but will pay the portion in excess of the maximum only when permitted by §842.613(c).

(d)(1) Except as provided in paragraph (d)(2) or (e)(3) of this section, a retiree making an election under this section must deposit an amount equal to the difference between the amount of annuity actually paid to the retiree and the amount of annuity that would have been paid if the reduction elected under paragraphs (a) or (b) of this section had been in effect continuously since the time of retirement, plus 6 percent annual interest, computed under §841.606 of this chapter, from the date when each difference occurred.

(2) An election under this section may be made without deposit, if that election prospectively voids an election of an insurable interest annuity.

(e)(1) An election under this section is irrevocable when received by OPM.

(2) An election under this section is effective when the marriage duration requirements of §843.303 of this chapter are satisfied.

(3) If an election under paragraph (a) or (b) of this section does not become effective, no deposit under paragraph (d) of this section is required.

(4) If payment of the deposit under paragraph (d) of this section is not required because the election never became effective and if some or all of the deposit has been paid, the amount paid will be returned to the retiree, or, if the retiree has died, to the person who would be entitled to any lump-sum benefits under the order of precedence in section 8424 of title 5, United States Code.

(f) Any reduction in an annuity to provide a current spouse annuity will terminate effective on the first day of the month after the marriage to the current spouse ends, unless—

(1) The retiree elects, within 2 years after a divorce terminates the marriage, to continue the reduction to provide for a former spouse annuity; or

(2) A qualifying court order requires the retiree to provide a former spouse annuity.

(g) The amount of the reduction to provide a current spouse annuity under this section equals—

(1) Ten percent of the employee's or Member's annuity if the employee or Member elects a fully reduced annuity; or

(2) Five percent of the employee's or Member's annuity if the employee or Member elects a one-half reduced annuity.

(h) If a retiree who is receiving a reduced annuity to provide a former spouse annuity and who has remarried that former spouse (before the former spouse attained age 55) dies, the retiree will be deemed to have elected to continue the reduction to provide a current spouse annuity unless the retiree requests (or has requested) in writing that OPM terminate the reduction.

[57 FR 54680, Nov. 20, 1992, as amended at 60 FR 14202, Mar. 16, 1995]

§ 842.613 Division of a survivor annuity.

(a) The maximum combined total of all current and former spouse annuities (not including any benefits based on an election of an insurable interest rate) payable based on the service of a former employee or Member equals 50 percent of the rate of the self-only annuity that otherwise would have been paid to the employee, Member, or retiree.

(b) By using the elections available under this subpart or to comply with a court order under subpart I of part 841 of this chapter, a survivor annuity may be divided into a combination of former spouse annuities and a current spouse annuity so long as the aggregate total of the current and former spouse annuities does not exceed the maximum limitation in paragraph (a) of this section.

(c) Upon termination of former spouse annuity payments because of death or remarriage of the former spouse, or by operation of a court order, the current spouse will be entitled to a current spouse annuity or an increased current spouse annuity if—

(1) The employee or Member died while employed in a position covered under FERS; or

(2) The current spouse was married to the employee or Member continuously from the time of retirement and did not consent to an election not to provide a current spouse annuity; or

(3) The current spouse married a retiree after retirement and the retiree elected, under § 842.612, to provide a current spouse annuity for that spouse in the event that the former spouse annuity payments terminate.

§ 842.614 Computation of partial annuity reduction.

If a court order or the death of a current or former spouse results in providing less than the maximum permitted survivor reduction under § 842.613, the reduction in the employee's annuity will be 10 percent of the amount of the employee's annuity on which the survivor benefits will be computed (called the ''base'').

§ 842.615 Deposits required.

(a) The deposits required to elect reduced annuities under §§ 842.610, 842.611, and 842.612 are not annuity overpayments and their collection is not subject to waiver.

(b) *Actuarial reduction in annuity of retirees who make post-retirement elections to provide a current spouse annuity or a former spouse annuity.* (1) The annuity reduction required by paragraph (b)(2) of this section applies to all retirees who are required to pay deposits under § 842.611 or § 842.612 and have not paid any portion of the deposit prior to October 1, 1993, or from annuity accruing before that date.

(2) Retirees described in paragraph (b)(1) of this section must have a permanent annuity reduction computed under paragraph (b)(4) of this section.

(3) A reduction under paragraph (b)(2) of this section commences on the same date as the annuity reduction under § 842.611 or § 842.612.

(4) The annuity reduction under paragraph (b)(2) of this section is equal to the lesser of—

(i) The amount of the deposit under § 842.611 or § 842.612 divided by the present value factor for the retiree's age on the commencing date of the reduction under paragraph (b)(3) of this section (plus any previous reduction(s) in the retiree's annuity required under paragraph (b)(2) or (c)(2) of this section); or

(ii) Twenty-five percent of the rate of the retiree's self-only annuity on the commencing date of the reduction (under paragraph (b)(3) of this section).

(5)(i) The reduction under paragraph (b)(2) or paragraph (c)(2) of this section terminates on the date that the retiree dies.

(ii) If payment of a retiree's annuity is suspended or terminated and later reinstated, or if a new annuity becomes payable, OPM will increase the amount of the original reduction computed under paragraph (b)(4) or paragraph (c)(4) of this section by any cost-of-living adjustments under section 8462 of title 5, United States Code, occurring between the commencing date of the original reduction and the commencing date of the reinstated or new annuity (but the adjusted reduction may not

exceed 25 percent of the rate of the reinstated or new self-only annuity).

(c) *Post-retirement survivor election deposits that were partially paid before October 1, 1993.* (1) The annuity reduction required by paragraph (c)(2) of this section applies to all retirees who are required to pay deposits under §842.611 or §842.612 and have paid any portion (but not all) of the deposit prior to October 1, 1993, or from annuity accruing before that date.

(2) Retirees described in paragraph (c)(1) of this section must have a permanent annuity reduction computed under paragraph (c)(4) of this section.

(3) A reduction under paragraph (c)(2) of this section commences on October 1, 1993.

(4) The annuity reduction under paragraph (c)(2) of this section is equal to the lesser of—

(i) The amount of the principal balance remaining to be paid on October 1, 1993, divided by the present value factor for the retiree's age on October 1, 1993; or

(ii) Twenty-five percent of the rate of the retiree's self-only annuity on October 1, 1993.

(5)(i) The reduction under paragraph (c)(2) of this section terminates on the date that the retiree dies.

(ii) If payment of a retiree's annuity is suspended or terminated and later reinstated, or if a new annuity becomes payable, OPM will increase the amount of the original reduction computed under paragraph (b)(4) or paragraph (c)(4) of this section by any cost-of-living adjustments under section 8462 of title 5, United States Code, occurring between the commencing date of the original reduction and the commencing date of the reinstated or new annuity (but the adjusted reduction may not exceed 25 percent of the rate of the reinstated or new self-only annuity).

(d) For retirees who die before October 1, 1993, any unpaid portion of the deposit required under §842.611 or §842.612 will be collected from the survivor annuity (for which the election required the deposit) before OPM pays any survivor annuity.

Subpart G—Alternative Forms of Annuities

SOURCE: 52 FR 2067, Jan. 16, 1987, unless otherwise noted.

§842.701 Purpose.

This subpart explains the benefits available to employees and Members who elect alternative forms of annuity under section 8420a of title 5, United States Code.

§842.702 Definitions.

In this subpart—

Alternative form of annuity means the benefit elected under §842.705.

Current spouse annuity has the same meaning as in §842.602.

Date of final adjudication means the date 30 days after the date of the first regular monthly payment as defined in §831.603.

Former spouse annuity has the same meaning as in §842.602.

Present value factor represents the amount of money (earning interest at an assumed rate) required at the time of retirement to fund an annuity that (a) starts out at the rate of $1 a month and is payable in monthly installments for the annuitant's lifetime based on mortality rates for non-disability annuitants; and (b) increases each year at an assumed rate of inflation. Interest, mortality, and inflation rates used in computing the present value are those used by the Board of Actuaries for valuation of the System, based on dynamic assumptions. The present value factors are unisex factors obtained by averaging sex-distinct present value factors, weighted by the total dollar value of annuities typically paid to new retirees at each age.

Time of retirement has the same meaning as in §842.602.

[52 FR 2067, Jan. 16, 1987, as amended at 53 FR 11635, Apr. 8, 1988]

§842.703 Eligibility.

(a) Except as provided in paragraphs (b), (c), and (d) of this section, an employee or Member who retires under any provision of subchapter II of chapter 84 of title 5, United States Code, may elect an alternative form of annuity instead of any other benefits under the subchapter.

(b) An employee or Member who, at the time of retirement has a former spouse who is entitled to a portion of the employee's or Member's retirement benefits or a former spouse annuity under a court order acceptable for processing as defined by § 838.103 of this chapter or a qualifying court order as defined in § 838.1003 of this chapter may not elect an alternative form of annuity.

(c) An employee or Member who is married at the time of retirement may not elect an alternative form of annuity unless the employee's or Member's spouse specifically consents to the election. OPM may waive spousal consent only under the conditions prescribed by § 842.607.

(d)(1)(i) An individual whose annuity commences after December 1, 1990, and before October 1, 1994, may elect an alternative form of annuity only if that individual is—

(A) An employee or Member who meets the conditions and fulfills the requirements described in § 842.707(c) (2) and (3); or

(B) An employee who is separated involuntarily other than for cause on charges of misconduct or delinquency;

(ii) An individual whose annuity commences on or after October 1, 1994, may elect an alternative form of annuity only if that individual is an employee or Member who meets the conditions and fulfills the requirements described in § 842.707(c) (2) and (3).

(2) For the purpose of paragraph (d)(1)(i)(B) of this section, the term ''employee'' does not include—

(i) Members of Congress;

(ii) Individuals in positions in the Executive Schedule under sections 5312 through 5317 of title 5, United States Code;

(iii) Presidential appointees under section 105(a)(1), 106(a)(1), or 107 (a)(1) or (b)(1) of title 3, United States Code, if the maximum basic pay for such positions is at or above the rate for Executive Schedule, level V;

(iv) Noncareer appointees in the Senior Executive Service or noncareer members of the Senior Foreign Service; and

(v) Any individual in a position that is excepted from the competitive service because of its confidential, policy-determining, policy-making, or policy-advocating character.

(3) Notwithstanding paragraph (d)(1) of this section, an employee whose annuity commences after December 1, 1990, and before December 2, 1991, may elect an alternative form of annuity if that individual—

(i)(A) Was ordered to active military duty (other than for training) before December 1, 1990, in connection with Operation Desert Shield; or

(B) Is an employee of the Department of Defense who is certified by the Secretary of Defense to have performed, after November 30, 1990, duties essential to support Operation Desert Shield, and the certification is submitted to OPM in a form prescribed by OPM; and

(ii) Would have been eligible, as of November 30, 1990, to elect an alternative form of annuity under paragraph (a) of this section.

[52 FR 2067, Jan. 16, 1987, as amended at 56 FR 6551, Feb. 19, 1991; 56 FR 43866, Sept. 5, 1991; 57 FR 33598, July 29, 1992; 60 FR 54587, Oct. 25, 1995]

§ 842.704 Election requirements.

(a) The election of an alternative form of annuity and evidence of spousal consent must be filed on a form prescribed by OPM within the time limit prescribed in paragraph (b)(2) of this section. The form will require that a notary public or other official authorized to administer oaths certify that the current spouse presented identification, gave consent to the specific election as executed by the retiree, signed or marked the form, and acknowledged that the consent was given freely in the notary's or official's presence.

(b) An election of the alternative form of annuity must be in writing and received by OPM on or before the date of final adjudication. After the date of final adjudication, an election of the alternative form of annuity is irrevocable.

(c) Except as provided in paragraph (d), an annuitant who dies before the time limit prescribed in paragraph (b)(2) of this section is deemed to have made an affirmative election under § 842.703(a) with a reduced annuity to

provide a current spouse annuity, regardless of any election completed under § 842.606, and the lump-sum credit will be paid in accordance with the order of precedence described in section 8424 of title 5, United States Code.

(d) If an annuitant described in paragraph (c) has completed an election under § 842.604 (a) or (b)—

(1) The lump-sum credit will be paid in accordance with the order of precedence described in section 8424 of title 5, United States Code; and

(2) The election under § 842.604 (a) or (b) will be honored.

[53 FR 11635, Apr. 8, 1988, as amended at 56 FR 6552, Feb. 19, 1991; 60 FR 54587, Oct. 25, 1995]

§ 842.705 Alternative forms of annuities available.

(a) An employee or Member who is eligible to make an election under § 842.703 may elect to receive his or her lump-sum credit, excluding interest, plus an annuity computed in accordance with sections 8415 and 8421 of title 5, United States Code, for which they qualify (including any reduction for survivor benefits) and reduced under § 842.706.

(b) A retired employee or Member who elected an alternative form of annuity is subject to all provisions of subchapters II and IV of chapter 84 of title 5, United States Code, as would otherwise apply to a retired employee or Member who did not elect an alternative form of annuity. An individual who has elected an alternative form of annuity is not eligible to apply for disability annuity under subchapter V of such chapter.

[52 FR 2067, Jan. 16, 1987, as amended at 53 FR 11635, Apr. 8, 1988]

§ 842.706 Computation of alternative form of annuity.

(a) To compute the beginning rate of annuity payable to a retiree who elects an alternative form of annuity, OPM will first compute the monthly rate of annuity (and annuity supplement, if any), otherwise payable under subchapter II of chapter 84 of title 5, United States Code, including all reductions provided under the subchapter other than those in section 8420a of that title. That monthly rate is then reduced by an amount equal to the retiree's lump-sum credit, excluding interest, divided by the applicable present value factor for the retiree's attained age (in full years) at the time of retirement. The reduced monthly rate is then rounded to the next lowest dollar and becomes the rate of annuity payable.

(b) OPM will publish a notice in the FEDERAL REGISTER announcing any proposed adjustments in present value factors at least 30 days before the effective date of the adjustments.

§ 842.707 Partial deferred payment of the lump-sum credit if annuity commences after January 3, 1988, and before October 1, 1989.

(a) Except as provided in paragraph (c) of this section, if the annuity of an employee or Member commences after January 3, 1988, and before October 1, 1989, the lump-sum credit payable under § 842.705 is payable to the individual, or his or her survivors, according to the following schedule:

(1) Sixty percent of the lump-sum credit is payable at the time of retirement, and

(2) Forty percent is payable, with interest determined under section 8334(e)(3) of title 5, United States Code, one year after the time of retirement.

(b) If an employee or Member whose annuity commences after January 3, 1988, and before October 1, 1989, dies before the time limit prescribed in § 842.704(b)(2), that individual is subject to § 842.704 (c) or (d), but the lump-sum credit will be paid in accordance with the schedule in paragraph (a) of this section.

(c) An annuitant is exempt from the deferred payment schedule under paragraph (a) of this section if the individual—

(1) Separates involuntarily, other than for cause on charges of delinquency or misconduct, or

(2) Has, at the time of retirement, a life-threatening affliction or other critical medical condition.

(3)(i) For the purpose of this section, *life-threatening affliction or other critical medical condition* means a medical condition so severe as to reasonably limit an individual's probable life expectancy to less than 2 years.

(ii) The existence of one of the following medical conditions is *prima facie* evidence of a life-threatening affliction or other critical medical condition:

(iii) Evidence of the existence of a life-threatening affliction or other critical medical condition must be certified by a physician and sent to OPM on or before the date the annuitant elects to receive an alternative form of annuity. For the purpose of this section, ''physician'' has the same meaning given that term in § 339.102 of this chapter.

(iv) If a medical condition other than those listed in paragraph (c)(3)(ii) of this section is claimed as a basis for exemption from the deferred payment schedule, OPM will review the physician's certification to determine whether the cited condition is life-threatening or critical.

(v) The cost of providing medical documentation under this paragraph rests with the employee or Member, unless OPM exercises its choice of physician.

§ 842.708 Partial deferred payment of the lump-sum credit if annuity commences after December 2, 1989, and before October 1, 1995.

(a) Except as provided in paragraph (c) of this section, if the annuity of a retiree commences after December 2, 1989, and before October 1, 1994, the lump-sum credit payable under § 842.705 is payable to the individual, or his or her survivors, according to the following schedule:

(1) Fifty percent of the lump-sum credit is payable at the time of retirement, and

(c)(1) A retiree is exempt from the deferred payment schedule under paragraph (a) of this section if the individual meets the conditions, and fulfills the requirements, described in § 842.707(c).

(2)(i) A retiree who is exempt from the deferred payment schedule may waive that exemption by notifying OPM, in writing, on or before the date he or she elects to receive the alternative form of annuity.

(ii) Paragraph (c)(2)(i) of this section does not apply to an individual whose annuity commences after December 1, 1990, if that individual's eligibility to elect an alternative form of annuity is pursuant to § 842.703(d)(1)(i)(A).

Subpart H—Law Enforcement Officers, Firefighters, and Air Traffic Controllers

SOURCE: 52 FR 2069, Jan. 16, 1987, unless otherwise noted.

§ 842.801 Applicability and purpose.

(a) This subpart contains regulations of the Office of Personnel Management (OPM) to supplement—

(1) 5 U.S.C. 8412 (d) and (e), which establish special retirement eligibility for law enforcement officers, firefighters, and air traffic controllers employed under the Federal Employees Retirement System (FERS);

(2) 5 U.S.C. 8422(a)(2)(B), pertaining to deductions;

(3) 5 U.S.C. 8423(a), pertaining to Government contributions; and

(4) 5 U.S.C. 8425, pertaining to mandatory retirement.

(b) The regulations in this subpart are issued pursuant to the authority given to OPM in 5 U.S.C. 8461(g) to prescribe regulations to carry out the provisions of chapter 84 of title 5 of the United States Code, and in 5 U.S.C. 1104 to delegate authority for personnel management to the heads of agencies.

[52 FR 2069, Jan. 16, 1987, as amended at 57 FR 32689, July 23, 1992]

§ 842.802 Definitions.

In this subpart—

Agency head means, for the executive branch agencies, the head of an executive agency as defined in 5 U.S.C. § 105; for the legislative branch, the Secretary of the Senate, the Clerk of the House of Representatives, or the head of any other legislative branch agency; for the judicial branch, the Director of the Administrative Office of the U.S. Courts; for the Postal Service, the Postmaster General; and for any other independent establishment that is an entity of the Federal Government, the head of the establishment. For purposes of this subpart, *agency head* is also deemed to include the designated representative of the head of an executive department as defined in 5 U.S.C. § 101, except that, for provisions dealing with law enforcement officers and firefighters, the designated representative must be a department headquarters-level official who reports directly to the executive department head, or to the deputy department head, and who is the sole such representative for the entire department.

Air traffic controller means a civilian employee of the Department of Transportation or the Department of Defense in an air traffic control facility or flight service station facility who is actively engaged in the separation and control of air traffic or in providing preflight, inflight, or airport advisory service to aircraft operators, as provided in 5 U.S.C. 2109. Also included in this definition is an employee who is the first-level supervisor of any air traffic controller as described above.

Detention duties means duties that require frequent direct contact in the detention, direction, supervision, inspection, training, employment, care, transportation, or rehabilitation of individuals suspected or convicted of offenses against the criminal laws of the United States or the District of Columbia or offenses against the punitive articles of the Uniform Code of Military Justice (chapter 47 of title 10, United States Code). (See 5 U.S.C. 8401(17).)

Employee means an employee as defined by 5 U.S.C. 8401(11).

Firefighter means an employee occupying a rigorous position, whose primary duties are to perform work directly connected with the control and extinguishment of fires, as provided in 5 U.S.C. 8401(14). Also included in this definition is an employee occupying a rigorous firefighter position who moves to a supervisory or administrative position and meets the conditions of § 842.803(b).

First-level supervisors are employees classified as supervisors who have direct and regular contact with the employees they supervise. First-level supervisors do *not* have subordinate supervisors. A first-level supervisor may occupy a rigorous position or a secondary position if the appropriate definition is met.

Frequent direct contact means personal, immediate, and regularly-assigned contact with detainees while performing detention duties, which is repeated and continual over a typical work cycle.

Law enforcement officer means an employee occupying a rigorous position, whose primary duties are the investigation, apprehension, or detention of individuals suspected or convicted of offenses against the criminal laws of the United States, or the protection of officials of the United States against threats to personal safety, as provided in 5 U.S.C. 8401(17). Also included in this definition is an employee occupying a rigorous law enforcement officer position who moves to a supervisory or administrative position and meets the conditions of §842.803(b). *Law enforcement officer* also includes, as required by 5 U.S.C. 8401(17)(B), an employee of the Department of the Interior or the Department of the Treasury who occupies a position that, but for enactment of chapter 84 of title 5, United States Code, would be subject to the District of Columbia Police and Firefighters' Retirement System, as determined by the Secretary of the Interior or the Secretary of the Treasury, as appropriate. Except as provided above, the definition does not include an employee whose primary duties involve maintaining order, protecting life and property, guarding against or inspecting for violations of law, or investigating persons other than those who are suspected or convicted of offenses against the criminal laws of the United States.

Primary duties means those duties of a position that—

(a) Are paramount in influence or weight; that is, constitute the basic reasons for the existence of the position;

(b) Occupy a substantial portion of the individual's working time over a typical work cycle; and

(c) Are assigned on a regular and recurring basis.

Duties that are of an emergency, incidental, or temporary nature cannot be considered ''primary'' even if they meet the substantial portion of time criterion. In general, if an employee spends an average of at least 50 percent of his or her time performing a duty or group of duties, they are his or her primary duties.

Rigorous position means a position the duties of which are so rigorous that employment opportunities should, as soon as reasonably possible, be limited (through establishment of a maximum entry age and physical qualifications) to young and physically vigorous individuals whose primary duties are—

(a) To perform work directly connected with controlling and extinguishing fires; or

(b) Investigating, apprehending, or detaining individuals suspected or convicted of offenses against the criminal laws of the United States or protecting the personal safety of United States officials.

The condition in this definition that employment opportunities be limited does not apply with respect to an employee who moves directly (i.e., without a break in service exceeding 3 days) from one rigorous law enforcement officer position to another or from one rigorous firefighter position to another. *Rigorous position* is also deemed to include a position held by a law enforcement officer as identified in 5 U.S.C. 8401(17)(B) (related to certain employees in the Departments of the Interior and the Treasury).

Secondary position means a position that—

(a) Is clearly in the law enforcement or firefighting field;

(b) Is in an organization having a law enforcement or firefighting mission; and

(c) Is either—

(1) Supervisory; that is, a position whose primary duties are as a first-level supervisor or law enforcement officers or firefighters in rigorous positions; or

(2) Administrative; that is, an executive, managerial, technical, semiprofessional, or professional position for which experience in a rigorous law enforcement or firefighting position, or equivalent experience outside the Federal Government, is a mandatory prerequisite.

[52 FR 2069, Jan. 16, 1987, as amended at 57 FR 32689–32690, July 23, 1992; 60 FR 3339, Jan. 17, 1995]

§ 842.803 Conditions for coverage.

(a) *Rigorous positions.* (1) An employee's service in a position that has been determined by the employing agency head to be a rigorous law enforcement officer or firefighter position is covered under the provisions of 5 U.S.C. 8412(d).

(2) An employee who is not in a rigorous position, nor covered while in a secondary position, and who is detailed or temporarily promoted to a rigorous position is not covered under the provisions of 5 U.S.C. 8412(d).

(3) A first-level supervisor position may be determined to be a rigorous position if it satisfies the conditions set forth in § 842.802.

(b) *Secondary positions.* (1) An employee's service in a position that has been determined by the employing agency head to be a secondary law enforcement officer or firefighter position is covered under the provisions of 5 U.S.C. 8412(d), if all of the following criteria are met:

(i) The employee, while covered under the provisions of 5 U.S.C 8412(d), moves directly (that is, without a break in service exceeding 3 days) from a rigorous position to a secondary position;

(ii) The employee has completed 3 years of service in a rigorous position, including any such service during which no FERS deductions were withheld; and

(iii) The employee has been continuously employed in a secondary position or positions since moving from a rigorous position without a break in service exceeding 3 days, except that a break in employment in secondary positions that begins with an involuntary separation (not for cause), within the meaning of 5 U.S.C. 8414(b)(1)(A), is not considered in determining whether the service in secondary positions is continuous for this purpose.

(2) An employee who is not a rigorous position, nor covered while in a secondary position, and who is detailed or temporarily promoted to a secondary position is not covered under the provisions of 5 U.S.C. 8412(d).

(c) *Air traffic controller.* An employee's service in a position that has been determined to be an air traffic controller position by the employing agency head is covered under the provisions of 5 U.S.C. 8412(e).

(d) Except as specifically provided in this subpart, an agency head's authority under this section cannot be delegated.

[52 FR 2069, Jan. 16, 1987, as amended at 57 FR 32690, July 23, 1992]

§ 842.804 Evidence.

(a) An agency head's determination under § 842.803(a) (finding that a position is a rigorous position) must be based solely on the official position description of the position in question and any other official description of duties and qualifications. The official documentation for the position should, as soon as is reasonably possible, establish that the primary duties of the position are so rigorous that the agency does not allow individuals to enter the position if they are over a certain age or if they fail to meet certain physical qualifications (that is, physical requirements and/or medical standards), as determined by the employing agency head based on the personnel management needs of the agency for the positions in question.

(b) A determination under §§ 842.803 (b) or (c) must be based on the official position description and any other evidence deemed appropriate by the agency head for making the determination.

(c) If an employee is in a position not subject to the one-half percent higher withholding rate of 5 U.S.C. 8422(a)(2)(B), and the employee does not, within 6 months after entering the position or after any significant change in the position, formally and in writing seek a determination from the employing agency that his position is properly covered by the higher withholding rate, the agency head's determination that the service was not so covered at the time of the service is presumed to be correct. This presumption may be rebutted by a preponderance of the evidence that the employee was unaware of his or her status or was prevented by cause beyond his or her control from requesting that the official status be changed at the time the service was performed.

[52 FR 2069, Jan. 16, 1987, as amended at 57 FR 32690, July 23, 1992]

§ 842.805 Withholding and contributions.

(a) During service covered under the conditions established by § 842.803 (a), (b), or (c), the employing agency will deduct and withhold from the employee's base pay the amounts required under 5 U.S.C. 8422(a)(2)(B) and submit that amount to OPM in accordance with payroll office instructions issued by OPM.

(b) During service described in paragraph (a) of this section, the employing agency must submit to OPM the Government contributions required under 5 U.S.C. 8423(a)(1)(B) in accordance with payroll office instructions issued by OPM.

(c) If the correct withholdings and/or Government contributions are not timely submitted to OPM for any reason whatsover, including cases in which it is finally determined that past service of a current or former employee was subject to the higher deduction and Government contribution rates, the employing agency must correct the error by submitting the correct amounts (including both employee and agency shares) to OPM as soon as possible. Even if the agency waives collection of the overpayment of pay under any waiver authority that may be available for this purpose, such as 5 U.S.C. 5584, or otherwise fails to collect the debt, the correct amount must still be submitted to OPM as soon as possible.

(d) Upon proper application from an employee, former employee or eligible survivor of a former employee, an employing agency or former employing agency will pay a refund or erroneous additional withholdings for service that is found not to have been covered service. If an individual has paid to OPM a deposit or redeposit, including the additional amount required for covered service, and the deposit is later determined to be erroneous because the service was not covered service, OPM will pay the refund, upon proper application, to the individual, without interest.

(e) The additional employee withholding and agency contributions for covered service properly made are not separately refundable, even in the event that the employee or his or her survivor does not qualify for a special annuity computation under 5 U.S.C. 8415(d).

(f) While an employee who does not hold a rigorous, secondary, or air traffic controller position is detailed or temporarily promoted to such a position, the additional withholdings and agency contributions will not be made.

(g) While an employee who holds a rigorous, secondary, or air traffic controller position is detailed or temporarily promoted to a position that is not a rigorous, secondary, or air traffic controller position, the additional withholdings and agency contributions will continue to be made.

[52 FR 2069, Jan. 16, 1987, as amended at 57 FR 32690, July 23, 1992; 60 FR 3340, Jan. 17, 1995]

§ 842.806 Mandatory separation.

(a) The mandatory separation provisions of 5 U.S.C. 8425 apply to all law enforcement officers, firefighters, and air traffic controllers including those in secondary positions and supervisory air traffic controller positions. A mandatory separation under 5 U.S.C. 8425 is not an adverse action under part 752 of this chapter or a removal action under part 359 of this chapter.

(b) Exemptions from mandatory separation are subject to the conditions set forth under 5 U.S.C. 8425. An exemption may be granted at the sole discretion of the head of the employing agency or by the President in accordance with 5 U.S.C. 8425(c).

(c) In the event that an employee is separated mandatorily under 5 U.S.C. 8425, or is separated for optional retirement under 5 U.S.C. 8412 (d) or (e), and OPM finds that all or part of the minimum service required for entitlement to immediate annuity was in a position that did not meet the requirements of a primary or secondary position and the conditions set forth in this subpart or, if applicable, in part 831 of this chapter, such separation will be considered erroneous.

§ 842.807 Review of decisions.

(a) The final decision of an agency denying an individual's request for approval of a position as a rigorous, secondary, or air traffic controller position made under § 842.804(c) may be appealed to the Merit Systems Protection Board under procedures prescribed by the Board.

(b) The final decision of an agency denying an individual coverage while serving in an approved secondary position because of failure to meet the conditions in § 842.803(b) may be appealed to the Merit Systems Protection Board under procedures prescribed by the Board.

[57 FR 32690, July 23, 1992]

§ 842.808 Oversight of coverage determinations.

(a) Upon deciding that a position is a law enforcement officer or firefighter position, each agency head must notify OPM (Attention: Associate Director for Retirement and Insurance) stating the title of each position, the number of incumbents, whether the position is rigorous or secondary, and, if the position is rigorous, the established maximum entry age (or if no maximum entry age has yet been established, the date by which it will be established). The Director of OPM retains the authority to overrule an agency head's determination that a position is a rigorous or secondary position, except such a determination under 5 U.S.C. 8401(17)(B) (concerning certain employees in the Departments of the Interior and the Treasury) or under 5 U.S.C. 8401(17)(D) (concerning certain positions primarily involved in detention activities).

(b) Each agency must establish a file containing all coverage determinations made by an agency head under § 842.803, and all background material used in making the determination.

(c) Upon request by OPM, the agency will make available the entire coverage determination file for OPM to audit to ensure compliance with the provisions of this subpart.

(d) Upon request by OPM, an agency must submit to OPM a list of all covered positions and any other pertinent information requested. For rigorous positions, the list must show the specific entry age requirement and physical qualification requirements for each position.

[52 FR 2069, Jan. 16, 1987, as amended at 57 FR 32691, July 23, 1992]

§ 842.809 Transitional provisions.

(a) Any service as an air traffic controller, within the meaning of this term under 5 U.S.C. 2109 as in effect on or after January 1, 1987—even if performed before that date—is included in determining an employee's length of air traffic controller service under 5 U.S.C. 8412(e) for the purposes of retirement eligibility and for mandatory separation under 5 U.S.C. 8425(a) as long as the annuity is based on a separation from service occurring after 1986.

(b) Any service as a law enforcement officer or firefighter, within the meaning of these terms under 5 U.S.C. 8331 (20) and (21), that was performed before the date on which an employee becomes subject to chapter 84 of title 5, United States Code, is included in determining the employee's length of law enforcement officer and firefighter service under 5 U.S.C. 8412(d) for the purposes of retirement eligibility and mandatory separation under 5 U.S.C. 8425(b). Service performed as a law enforcement officer or firefighter within the meaning of 5 U.S.C. 8331, other than service in a supervisory or administrative position, is considered to be service in a rigorous position for the purpose of the 3-year requirement of § 842.803(b)(1)(ii). The FERS definitions of firefighter under 5 U.S.C. 8401(14) and law enforcement officer under 5 U.S.C. 8401(17) are not applicable to service performed—

(1) Before 1987; or

(2) After 1986 and before an employee first becomes subject to chapter 84 (that is, subject to FERS deductions), unless that service was neither subject to CSRS deductions nor creditable in a CSRS component as described in § 846.304(b).

(c)(1) An individual who—

(i) Is covered as a law enforcement officer or firefighter under 5 U.S.C. 8336(c) in a supervisory or administrative position, having already met the transfer requirement of subpart I of part 831 of this chapter; and

(ii) Elects under section 301 of Pub. L. 99–335 to become subject to chapter 84 of such title and begins service in a secondary position with no break in service is considered to have met the transfer and 3-year requirements of §§ 842.803(b)(1)(i) and (ii) for coverage in a secondary position upon the effective date of the election.

(2) An individual who—

(i) Is covered as a law enforcement officer or firefighter under 5 U.S.C. 8336(c) in a supervisory or administrative position, having already met the transfer requirement of subpart I of part 831 of this chapter; and

(ii) Automatically becomes subject to chapter 84 of title 5 of the United States Code (not by election under section 301 of Pub. L. 99–335) serving in a secondary position is considered to have met the 3-year requirement of § 842.803(b)(1)(ii) for coverage in a secondary position. The employee is not covered as a law enforcement officer or firefighter in a secondary position if he or she had a break in coverage as a law enforcement officer or firefighter (within the meaning of 5 U.S.C. 8331) exceeding 3 days immediately before becoming subject to chapter 84 of title 5 of United States Code. However, a break in coverage in supervisory or administrative positions occurring before the individual becomes subject to such chapter 84 that began with an involuntary separation (not for cause), within the meaning of 5 U.S.C. 8414(b)(1)(A), is not considered to be a break in service for this purpose.

(d) (1) The CSRS definitions of law enforcement officer under 5 U.S.C. 8331(20) and firefighter under 5 U.S.C. 8331(21) are applicable to service performed before an employee became subject to chapter 84 if the service was—

(i) Subject to CSRS deductions at the time it was performed (including service that becomes creditable under FERS annuity computation rules);

(ii) Performed before 1987 and not subject to retirement deductions; or

(iii) Performed after 1986 and not subject to retirement deductions but is creditable in a CSRS component as described in § 846.304(b).

(2) The determination of whether any service meets the CSRS definitions of law enforcement officer under 5 U.S.C. 8331 (20) or firefighter under 5 U.S.C. 8331(21) must be made in accordance with the provisions of subpart I of part 831 of this chapter.

Accrued benefit means the accrued, unpaid annuity payable after the death of a retiree.

Adult child means a child who has attained age 18.

Basic annuity means the recurring payments (after the death of an employee, separated employee, or retiree) made to a current or former spouse of a deceased retiree, employee, or separated employee under subsection (a), (b)(1)(B), or (c)(2) of section 8442 of title 5, United States Code.

Basic child's annuity rate means the total amount that all surviving children of an employee or retiree would receive under CSRS.

Basic employee death benefit means the payment to the current spouse of a deceased employee equal to $15,000 (indexed under section 8462 of title 5, United States Code), plus one-half of the employee's final salary (or average salary, if higher).

Child means a child as defined in section 8441(4) of title 5, United States Code.

Compensationer means a person receiving recurring benefits under chapter 81 of title 5, United States Code.

CSRS means subchapter III of chapter 83 of title 5, United States Code.

Current spouse means a living person who is married to the employee, separated employee, or retiree at the time of the employee's, separated employee's or retiree's death. *Current spouse* includes a spouse who is legally separated but not divorced from the employee, separated employee, or retiree.

Current spouse annuity means the basic annuity (and supplementary annuity, if any) payable to a current spouse.

Duly appointed representative of the deceased employee's, separated employee's, retiree's, survivor's or Member's estate means an individual named in an order of a court having jurisdiction over the estate of the deceased which grants the individual the authority to receive, or the right to possess, the property of the deceased; and also means, where the law of the domicile of the deceased has provided for the administration of estates through alternative procedures which dispense with the need for a court order, an individual who demonstrates that he or she is entitled to

receive, or possess, the property of the deceased under the terms of those alternative procedures.

Employee means an employee as defined in section 8401(11) of title 5, United States Code, and a Member as defined in section 8401(20) of title 5, United States Code. ''Employee'' includes a person who has applied for retirement under FERS but had not been separated from the service prior to his or her death, even if the person's retirement would have been retroactively effective upon separation.

FERS means chapter 84 of title 5, United States Code.

Final annual rate of basic pay means the basic pay that an employee or Member would receive in a year at the current rate of pay. A pay rate other than an annual salary is converted to an annual rate by multiplying the prescribed rate by the number of pay units in a 52-week work year.

(a) The annual pay of a part-time (regularly scheduled) employee is the product of the employee's final hourly rate of pay and the higher of—

(1) The number of hours that the employee was entitled to basic pay whether in a duty or paid leave status (not to exceed 2000 for Postal employees or 2080 for non-postal employees) in the 52-week work year immediately preceding the end of the last pay period in which the employee was in a pay status; or

(2) The number of hours in the employee's regularly scheduled tour of duty in a 52-week work year.

(b) The annual pay of an intermittent (not regularly scheduled) employee is the product of the employee's final hourly rate of pay and the number of hours that the employee was entitled to basic pay whether in a duty or paid leave status (not to exceed 2000 for Postal employees or 2080 for non-Postal employees) in the 52-week work year immediately preceding the end of the last pay period in which the employee was in a pay status.

(c) If the part-time or intermittent employee's current appointment began less than 52 weeks prior to the end of the last pay period in which the employee was in a pay status, the number of hours that the employee was entitled to basic pay is computed by multiplying the number of hours that the employee was paid basic pay by a fraction whose numerator is 52 and whose denominator is the number of weeks between the date of appointment and the end of the last pay period in which the employee was in a pay status.

(d) The annual pay for customs officers is the sum of the employee's general schedule pay, locality pay, and the lesser of—

(1) Two times the employee's final hourly rate of pay times the number of hours for which the employee was paid two times salary as compensation for overtime inspectional service under section 5(a) of the Act of February 11, 1911 (19 U.S.C. 261 and 267) plus three times the employee's final hourly rate of pay times the number of hours for which the employee was paid three times salary as compensation for overtime inspectional service under section 5(a) in the 52-week work year immediately preceding the end of the last pay period in which the employee was in pay status; or

(2) $12,500.

Former spouse means a living person who was married for at least 9 months to an employee, separated employee, or retiree who performed at least 18 months of service creditable under FERS and whose marriage to the employee, separated employee, or retiree was terminated before the death of the employee, separated employee, or retiree.

Former spouse annuity means the basic annuity (and supplementary annuity, if any) payable to a former spouse.

Insurable interest beneficiary means a person designated to receive a survivor annuity under § 842.605 of this chapter.

Insurable interest reduction means the reduction in a retiree's annuity because the retiree elected to provide a survivor annuity to an insurable interest beneficiary.

Marriage means a marriage recognized in law or equity under the whole law of the jurisdiction with the most significant interest in the marital status of the employee, Member, or retiree. If a jurisdiction would recognize more than one marriage in law or equity, the Office of Personnel Management (OPM) will recognize only one marriage but will defer to the local

courts to determine which marriage should be recognized.

Minimum retirement age means the minimum retirement age as defined in § 842.202 of this chapter.[1]

Year of birth:	Minimum retirement age
Before 1948	55 years.
1948	55 years and 2 months.

1952	55 years and 10 months.
1953–1964	56 years.
1965	56 years and 2 months.
1966	56 years and 4 months.
1967	56 years and 6 months.
1968	56 years and 8 months.
1969	56 years and 10 months.
1970 and after	57 years.

Qualifying court order means a court order that awards a former spouse annuity and that satisfies the requirements of section 8445 of title 5, United States Code, for awarding a former spouse annuity.

Retiree means a former employee or Member who is receiving recurring payments under FERS based on service by the employee or Member. *Retiree,* as used in this subpart, does not include a current spouse, former spouse, child, or person with an insurable interest receiving a survivor annuity. *Retiree* for purposes of determining a person's status at the time of death means that the person had been separated from the service and had met all the requirements to receive an annuity including having filed an application for the annuity prior to his or her death.

Separated employee means a former employee who has been separated from the service but who has not met all the requirements for retirement under FERS or who has not filed an application for retirement under FERS.

Step-child means a child who is the issue of a current or former spouse of the employee or retiree but is not the issue of the employee or retiree. A child is not a step-child unless the relationship between the employee or retiree and the child's parent is a marriage.

Supplementary annuity means the recurring payment under section 8442(f) of title 5, United States Code.

Unexpended balance means the unrefunded amount consisting of—

(a) Retirement deductions made from the basic pay of an employee under subpart E of part 841 of this chapter;

(b) Amount deposited by an employee for periods of service (including military service) for which—

(1) No retirement deductions were made; or

(2) Deductions were refunded to the employee; and

(c) Interest compounded annually on the deductions and deposits at a rate which, for any calendar year, will be equal to the overall average yield to the Civil Service Retirement Fund during the preceding fiscal year from all obligations purchased by the Secretary of the Treasury during that fiscal year under section 8348 (c), (d), and (e) of title 5, United States Code, as determined by the Secretary of the Treasury. Interest on deductions and deposits does not include interest—

(1) If the service covered by the contributions totals 1 year or less; or

(2) For a fractional part of a month in the total service.

§ 843.103 Application required.

(a) No person is entitled to benefits under this part unless an application on behalf of that person is filed with OPM no later than 30 years after the death of the employee, separated employee, or retiree on whose service the benefit is based.

(b) Applications for benefits under this part must be filed on the form provided by OPM for that purpose.

Subpart B—One-time Payments

§ 843.201 Purpose.

This subpart explains the requirements under FERS—

(a) For payment of employee contributions to the Civil Service Retirement Fund—

[1] The definition of minimum retirement age which will be codified at 5 CFR 842.202 reads:

Minimum retirement age means an age based on an individual's year of birth, as follows:

(1) As a refund of contribution, to separated employees; or

(2) As a death benefit, to survivors of employees, separated employees, and retirees; and

(b) For payment of any accrued, but unpaid, annuity to survivors of retirees.

§ 843.202 Eligibility for payment of the unexpended balance to a separated employee.

(a) Except as provided in §§ 843.208 and 843.209 or in section 3716 of title 31, United States Code, on administrative offset for Government claims, a separated employee who has been separated from a covered position for at least 31 days and who is ineligible for an annuity commencing within 31 days after the date of filing an application for refund is eligible for a payment of the unexpended balance.

(b) Periods of service for which employee contributions have been refunded are not creditable service in determining whether the employee has sufficient service to have title to an annuity or for any other purpose.

§ 843.203 Eligibility for a one-time payment upon death of an employee, separated employee, or retiree if no one is eligible for an annuity.

(a) If there is no survivor who is entitled to monthly survivor annuity benefits on the death of an employee, separated employee, retiree, or survivor annuitant, the unexpended balance is payable, except as provided in section 3716 of title 31, United States Code, on administrative offset for Government claims, to the person(s) entitled in the normal order of precedence described in section 8424 of title 5, United States Code.

(b) If a deceased employee, separated employee, retiree or Member provided in a valid designation of beneficiary that the lump sum proceeds shall be payable to the deceased's estate, or to the Executor, Administrator, or other representative of the deceased's estate, or if the proceeds would otherwise be properly payable to the duly appointed representative of the deceased's estate under the order of precedence specified in 5 U.S.C. 8424(d), payment of the proceeds to the duly appointed representative of the deceased's estate will bar recovery by any other person.

[52 FR 2074, Jan. 16, 1987, as amended at 57 FR 29784, July 7, 1992]

§ 843.204 Eligibility for a one-time payment upon death of an employee, separated employee, or retiree if someone is eligible for an annuity.

(a) Except as provided in section 3716 of title 31, United States Code, on administrative offset for Government claims, even if an annuity is payable, the person entitled in the order of precedence described in section 8424 of title 5, United States Code, may be paid—

(1) Partial deposits for civilian service performed on and after October 1, 1982; and

(2) Partial deposits for post-1956 military service; and

(3) The accrued benefit.

(b) Except as provided in subpart G of part 842 of this chapter or § 843.311, when someone is eligible for an annuity, the person entitled in the order of precedence may not be paid—

(1) Partial or completed deposits for nondeduction civilian service performed before October 1, 1982, unless the service covered by the deposit is not creditable under FERS; or

(2) Completed deposits for nondeduction civilian service performed on and after October 1, 1982, unless the service covered by the deposit is not creditable under or FERS; or

(3) Completed deposits for post-1956 military service, unless the service covered by the deposit is not creditable under FERS.

(c) Payments of the partial or completed deposits mentioned in paragraph (b) of this section are subject to section 3716 of title 31, United States Code (administrative offset for Governmental claims).

§ 843.205 Designation of beneficiary—form and execution.

(a) A designation of beneficiary must be in writing, signed and witnessed, and received in the employing office (or in OPM, in the case of a retiree, or a compensationer, or a separated employee) before the death of the designator.

(b) A change or cancellation of beneficiary in a last will or testament, or in

any other document not witnessed and filed as required by this section, will not have any force or effect.

(c) A witness to a designation of beneficiary is ineligible to receive payment as a beneficiary.

(d) Any person, firm, corporation, or legal entity may be named as beneficiary.

(e) A change of beneficiary may be made at any time and without the knowledge or consent of the previous beneficiary. This right cannot be waived or restricted.

(f) A designation of beneficiary is automatically cancelled whenever a separated employee is paid the unexpended balance.

(g)(1) If the shares designated equal less than 100 percent, the undesignated portion will be paid according to the order of precedence provided in section 8424 of title 5, United States Code.

(2) If the shares designated exceed 100 percent, each designee's share will be in proportion to the share originally designated. Each share is computed by multiplying the percentage designated for that designee by a fraction whose numerator is 100 and whose denominator is the total number of percent designated.

§ 843.206 Designation of beneficiary—proof of receipt.

(a) Upon receipt of a designation of beneficiary, the agency (or OPM) will mark the designation to show the date of receipt.

(b) The date of receipt of designation of beneficiary is presumed to be the date marked by the agency (or OPM).

§ 843.207 Agent of next of kin.

When a deceased employee or retiree has not named a beneficiary and one of the next of kin entitled makes a claim for the accrued benefit, other next of kin entitled to share in the unexpended balance or accrued benefit may designate the one who made the claim to act as their agent to receive their distributive shares.

§ 843.208 Notification of current and/or former spouse before payment of unexpended balance to a separated employee.

(a) Payment to an employee of the unexpended balance may be made only if current and former spouses are notified of the former employee's application.

(b) Proof of notification will consist of a signed and witnessed statement by the current and/or former spouse on a form provided by OPM acknowledging that he or she has been informed of the former employee's application for the unexpended balance and the consequences of the refund on the current or former spouse's possible annuity entitlement. This statement must be presented to the employing agency or OPM when filing the application for the unexpended balance.

(c) If the current and/or former spouse refuses to acknowledge the notification or the employee is otherwise unable to obtain the acknowledgment, the employee must submit—

(1) Affidavits signed by two individuals who witnessed the employee's attempt to personally notify the current or former spouse. The witnesses must attest that they were in the presence of the employee and the current or former spouse and that the employee's purpose should have been clear to the current or former spouse; or

(2) The current mailing address of the current or former spouse. OPM will attempt to notify (by certified mail—return receipt requested) the current or former spouse at the address provided by the employee. The unexpended balance will not be paid until OPM receives the signed return receipt.

§ 843.209 Waiver of notification requirement.

The current and/or former spouse notification requirement will be waived upon a showing that the current and/or former spouse's whereabouts cannot be determined. A request for waiver on this basis must be accompanied by—

(a) A judicial or administrative determination that the current and/or

former spouse's whereabouts cannot be determined; or

(b) Affidavits by the former employee and two other persons, at least one of whom is not related to the former employee, attesting to the inability to locate the current and/or former spouse and stating the efforts made to locate the current and/or former spouse.

§ 843.210 Transfers between retirement systems.

Transfers of employees' contributions between the Civil Service Retirement Fund and other retirement systems for Federal or District of Columbia employees when made in accordance with Federal statute for the purpose of transferring retirement service credit to the other retirement system are not subject to the notice requirements of this subpart.

§ 843.211 Determining when children prevent payment of the unexpended balance.

Someone entitled to an annuity for purposes of §§ 843.203 and 843.204 includes a child, even if the amount of the child's annuity is zero because the amount of the social security child survivor benefits exceeds the child survivor benefits payable under CSRS, unless—

(a) The child's annuity entitlement has terminated under § 843.408(b); or

(b) The child is—

(1) A disabled child under § 843.407,

(2) At least age 23, and

(3) Entitled to social security child survivor benefits in an amount that equals or exceeds the amount of the child survivor benefits payable under CSRS.

[52 FR 23014, June 17, 1987]

§ 843.212 Lump-sum payments which include contributions made to a retirement system for employees of a nonappropriated fund instrumentality.

A lump-sum payment will include employee contributions and interest as provided under subpart G of part 847 of this chapter.

Subpart C—Current and Former Spouse Benefits

§ 843.301 Purpose.

This subpart explains the survivor benefits payable under FERS to current and former spouses based on the death or retirees, employees, and separated employees.

§ 843.302 Time for filing applications for death benefits.

A current or former spouse of a deceased retiree, employee, or separated employee may file an application for benefits under this subpart, personally or through a representative, at any time within 30 years after the death of the retiree, employee, or separated employee.

§ 843.303 Marriage duration requirements.

(a) The current spouse of a retiree, an employee, or a separated employee can qualify for a current spouse annuity or the basic employee death benefit only if—

(1) The current spouse and the retiree, employee, or separated employee had been married for at least 9 months, as explained in paragraph (b) of this section; or

(2) A child was born of the marriage, as explained in paragraph (c) of this section; or

(3) The death of the retiree, employee, or separated employee was accidental as explained in paragraph (d) of this section.

(b) For satisfying the 9-month marriage requirement of paragraph (a)(1) of this section, the aggregate time of all marriages between the spouse applying for a current spouse annuity and the retiree, employee, or separated employee is included.

(c) For satisfying the child-born-of-the-marriage requirement of paragraph (a)(2) of this section, any child, including a posthumous child, born to the spouse and the retiree, employee, or separated employee is included. This includes a child born out of wedlock if the parents later married or of a prior marriage between the same parties.

(d)(1) A death is accidental if it results from homicide or from bodily injuries incurred solely through violent,

external, and accidental means. The term ''accidental'' does not include a death caused by or the result of intentional self-destruction or intentionally self-inflicted injury, while sane or insane.

(2) A State judicial or administrative adjudication of the cause of death for criminal or insurance purposes is conclusive evidence of whether a death is accidental.

(3) A death certificate showing the cause of death as accident or homicide is *prima facie* evidence that the death was accidental.

[52 FR 2074, Jan. 16, 1987, as amended at 52 FR 23014, June 17, 1987]

§ 843.304 Commencing and terminating dates of survivor annuities.

(a) A current or former spouse annuity under this subpart commences on the day after the death of the person on whose service the annuity is based.

(b) A current or former spouse annuity under this subpart terminates on the last day of the month before the current or former spouse remarries before age 55 or dies.

(c) A current spouse annuity under this subpart terminated for reasons other than death may be restored under § 843.305.

(d) A survivor annuity accrues on a daily basis, one-thirtieth of the monthly rate constituting the daily rate. An annuity does not accrue for the 31st day of any month, except in the initial month if the survivor's (of a deceased employee) annuity commences on the 31st day. For accrual purposes, the last day of a 28-day month constitutes 3 days and the last day of a 29-day month constitutes 2 days.

§ 843.305 Reinstatement.

(a) If a current spouse annuity is terminated because of a remarriage of the recipient, the annuity is reinstated on the day of the termination of the remarriage by death, annulment, or divorce if—

(1) The surviving spouse elects to receive this annuity instead of another survivor benefit to which he or she may be entitled (under FERS or another retirement system for Government employees) by reason of the remarriage; and

(2) Any lump sum paid on termination of the annuity is repaid (in a single payment or by withholding payment of the annuity until the amount of the lump sum has accrued).

(b) If present or future entitlement to a former spouse annuity terminates because of remarriage of the recipient or potential recipient, the entitlement is permanently extinguished. An annulment of the remarriage does not reinstate the entitlement.

§ 843.306 Basic benefits on death of a non-disability retiree.

(a) Except as provided in §§ 843.307 and 843.312, and paragraph (b) of this section, if an annuitant dies and is survived by a current spouse, the current spouse is entitled to a current spouse annuity equal to 50 percent of an annuity computed under subpart D of part 842 of this chapter, with respect to the retiree, unless—

(1) The right to a current spouse annuity was waived under § 842.603 of this chapter (and no election was subsequently made under § 842.610 of this chapter nullifying the waiver); or

(2) In the case of a marriage after retirement, the retiree did not file an election under § 842.612 of this chapter.

(b) A current spouse who married the retiree after retirement is entitled to an annuity under paragraph (a) of this section only upon electing this annuity instead of any other survivor benefit to which such spouse may be entitled under this subpart, subpart B of this part, or under another retirement system for Government employees.

[52 FR 2074, Jan. 16, 1987, as amended at 52 FR 23014, June 17, 1987]

§ 843.307 Basic benefits on death of a disability retiree.

(a) Except as provided in § 843.312, the widow or widower of a retiree who retired based on disability under part 844 of this chapter is entitled to a current spouse annuity based on the service of the disability annuitant computed under paragraph (b) of this section.

(b)(1) In the case of a current spouse entitled to an annuity based on the service of a disability annuitant who died after attaining age 62, the amount of the current spouse annuity is one-half of the amount of the annuity to

which such disability annuitant was entitled as computed under part 844 of this chapter (including any appropriate reduction under §844.302(b)(2) or (c)(2) of this chapter, and any adjustments under section 8462 of title 5, United States Code) as of the day before the date of the disability annuitant's death.

(2) In the case of a current spouse entitled to an annuity based on the service of a disability annuitant who dies before age 62, the amount of the current spouse annuity equals 50 percent of the amount to which the disability annuitant would have been entitled under §844.303 of this chapter, if the disability annuitant had attained age 62 on the day before his or her death. However, in determining the amount under §844.303(a) of this chapter, creditable service includes the period of time between the date of death and the date of the 62nd anniversary of the birth of the annuitant, but average pay is adjusted (under section 8462 of title 5, United States Code) only through date of death.

[52 FR 2074, Jan. 16, 1987, as amended at 52 FR 23014, June 17, 1987]

§843.308 Supplementary benefits on death of a retiree.

(a) Except as provided in §843.312 and paragraph (d) of this section, a current spouse of a deceased retiree who is entitled to a current spouse annuity based on the retiree's service is also entitled to a supplementary annuity.

(b) The amount of the supplementary annuity under this section equals the lesser of—

(1) The amount by which the survivor's assumed CSRS annuity exceeds the annuity payable to the current spouse under §843.306 or §843.307; or

(2) The amount equal to the widow's or widower's insurance benefits that would be payable to him or her under title II of the Social Security Act (without regard to section 202(f)(2) of the Act) based on the wages and self-employment income of the deceased annuitant, except that for purposes of this calculation—

(i) The social security earnings test (section 203 of the Act) does not apply; and

(ii) The benefit is computed—

(A) As of the date on which the retiree dies; and

(B) As if the survivor had attained age 60 and made application for those benefits under subsection (e) or (f) of section 202 of the Act; and

(iii) In computing the primary insurance amount—

(A) For years of service under FERS, only the retiree's basic pay is considered to be wages; and

(B) For each year after age 21 for which the retiree did not work under FERS, the retiree's wages are deemed to equal the amount in appendix B of this subpart corresponding to that year multiplied by the retiree's basic pay for his or her first full year of employment under FERS divided by the amount in appendix B of this subpart corresponding to his or her first full year of employment under FERS.

(c)(1) The supplementary annuity terminates at the beginning of the month in which the survivor first satisfies the minimum age requirement under section 202(e)(1)(B)(i) or 202(f)(1)(B)(i) of the Social Security Act.

(2) The supplementary annuity is not payable to a survivor—

(i) Who would not be entitled to benefits under section 202 (e) or (f) of the Social Security Act based on the wages and self-employment income of the deceased annuitant (determined, as of the date of the annuitant's death, as if the survivor had attained age 60 and made appropriate application for benefits, but without regard to any restriction relating to remarriage); or

(ii) For any calendar month in which the survivor is entitled (or would, on proper application, be entitled) to benefits under section 202(g) of the Social Security Act (relating to mother's and father's insurance benefits), or under section 202 (e) or (f) of the Act by reason of having become disabled, based on the wages and self-employment income of the deceased annuitant.

(d) For purposes of this section—

(1) ''Assumed CSRS annuity,'' as used in the case of a survivor, means the amount of the annuity to which such survivor would be entitled under CSRS based on the service of the deceased annuitant, which is determined—

(i) As of the day after the date of the annuitant's death;

(ii) As if the survivor had made appropriate application therefor; and

(iii) As if the service of the deceased annuitant were creditable under CSRS.

(2) ''Basic pay'' means ''basic pay'' as defined in section 8401 of title 5, United States Code.

(e) An amount payable under this section will be adjusted under section 8462 of title 5, United States Code, and will be treated in the same way as an amount payable under §843.306 or §843.307.

§843.309 Basic employee death benefit.

(a) Except as provided in §843.312, if an employee or Member dies after completing at least 18 months of civilian service creditable under subpart C of part 842 of this chapter and is survived by a current spouse who meets the requirements of §843.303, the current spouse is entitled to the basic employee death benefit equal to the sum of—

(1) Fifty percent of the final annual rate of basic pay (or of the average pay, if higher) of the employee; and

(2) Fifteen thousand dollars as adjusted under section 8462 of title 5, United States Code.

(b) The current spouse may elect to receive the basic employee death benefit in one of the following forms—

(1) A one-time payment; or

(2)(i) For deaths occurring before October 1, 1987, 36 equal monthly installments of 3.05642 percent of the amount of the basic employee death benefit.

(ii) For deaths occurring on or after October 1, 1987, 36 equal monthly installments of 3.06921 percent of the amount of the basic employee death benefit.

(c)(1)(i) A current spouse who has elected to receive the basic employee death benefit in 36 installments under paragraph (b)(2) of this section may elect to receive the remaining portion of the basic employee death benefit in one payment.

(ii) The election to receive the remaining portion of the basic employee death benefit in one payment must be in writing and signed by the current spouse.

(iii) The election to receive the remaining portion of the basic employee death benefit in one payment is irrevocable when OPM authorizes the payment.

(2) Upon the death of a current spouse who was receiving the basic employee death benefit in 36 installments under paragraph (b)(2) of this section, the remaining portion of the basic employee death benefit will be paid as one payment to the estate of the current spouse.

(3) As used in this section, ''remaining portion of the basic employee death benefit'' means the amount of the basic employee death benefit computed under paragraph (a) of this section that has not been paid. The amount is the remaining principal computed based on an amortization schedule with the initial principal equal to the amount computed under paragraph (a) of this section and the interest rate based on the applicable factor under paragraph (b)(2) of this section.

§843.310 Annuity based on death of an employee.

Except as provided in §843.312, if an employee dies after completing at least 10 years of service, a current spouse is entitled to an annuity equal to 50 percent of the annuity computed under subpart D of part 842 of this chapter (without reduction for age), with respect to the employee. The annuity is in addition to the benefit described in §843.309.

[52 FR 2074, Jan. 16, 1987, as amended at 52 FR 23014, June 17, 1987]

§843.311 Annuity based on death of a separated employee.

(a) Except as provided in §843.312, if a separated employee who has completed at least 10 years of service dies after having separated from the service with title to a deferred annuity under §842.212 of this chapter, but before having established a valid claim for an annuity, and is survived by a current spouse to whom he or she was married on the date of separation, the current spouse may elect to receive—

(1) An annuity under paragraph (b) of this section; or

(2) The unexpended balance, if the current spouse is the individual who would be entitled to the unexpended balance.

(b) Except as provided in § 843.312 and paragraph (c) of this section, the current spouse annuity under this section equals 50 percent of an annuity computed under subpart D of part 842 of this chapter, for the separated employee. If the separated employee died before having attained the minimum retirement age, the computation is made as if the separated employee had attained the minimum retirement age.

(c)(1) The current spouse annuity commences on the day after the separated employee would have attained—

(i) Age 62 if the separated employee had less than 20 years of creditable service,

(ii) Age 60 if the employee had at least 20 years of creditable service but less than 30 years of creditable service; or

(iii) The minimum retirement age if the employee had at least 30 years of creditable service.

(2)(i) The current spouse may elect to receive an adjusted annuity beginning on the day after the death of the separated employee.

(ii) The rate of the adjusted annuity equals the annuity computed under paragraph (b) of this section multiplied by the factor in appendix A of this subpart for the age of the retiree as of the birthday before the retiree's death.

[52 FR 2074, Jan. 16, 1987, as amended at 52 FR 23014, June 17, 1987; 57 FR 54681, Nov. 20, 1992]

§ 843.312 Payment to former spouses.

(a) Any benefit (or a portion of any benefit) payable to a current spouse under this subpart is payable to a former spouse instead if the former spouse is entitled to that benefit under the terms of a qualifying court order or an election under subpart F of part 842 of this chapter.

(b) A current spouse annuity may not exceed the difference between—

(1) The amount of the annuity that would otherwise be payable to the current spouse under this subpart; and

(2) The amount of the annuity payable to any former spouse of the deceased employee, retiree, or separated employee based on an election made under subpart F of part 842 of this chapter or a qualifying court order.

(c) The basic employee death benefit paid to a current spouse may not exceed the difference between—

(1) The amount that would otherwise be payable to the current spouse under § 843.310; and

(2) The portion of the basic employee death benefit payable to a former spouse based on a qualifying court order.

§ 843.313 Elections between survivor annuities.

(a) A current spouse annuity cannot be reinstated under § 843.305 unless—

(1) The surviving spouse elects to receive the reinstated current spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under FERS, or any other retirement system for Government employees, by reason of the remarriage; and

(2) Any lump sum paid on termination of the annuity is returned to the Civil Service Retirement and Disability Fund.

(b) A current spouse is entitled to a current spouse annuity based on an election under § 842.612 only upon electing this current spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under FERS, or any other retirement system for Government employees.

(c) A former spouse who marries a retiree is entitled to a former spouse annuity based on an election by that retiree under § 842.611, or a qualifying court order terminating that marriage to that retiree only upon electing this former spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under FERS, or any other retirement system for Government employees.

(d) As used in this section, ''any other retirement system for Government employees'' does not include Survivor Benefit Payments from a military retirement system or social security benefits.

§843.314 Amount of survivor annuity where service includes credit for service with a nonappropriated fund instrumentality.

The survivor annuity in the case of an employee or survivor whose service includes service with a nonappropriated fund instrumentality made creditable by an election under subpart D of part 847 of this chapter is computed under part 847 of this chapter.

Subpart D—Child Annuities

§ 843.401 Purpose.

This subpart explains the survivor benefits payable under FERS to children based on the deaths of employees and retirees.

§ 843.402 Eligibility requirements.

A surviving child of an employee or retiree who dies after completing 18 months of civilian service creditable under FERS is entitled to an annuity under this subpart.

§ 843.403 Proof of parentage.

(a) A judicial determination of parentage conclusively establishes the paternity of a child.

(b) Except as provided in paragraph (a) of this section, a child born to the wife of a married person is presumed to be the child of the wife's husband. This presumption may be rebutted only by clear and convincing evidence that the husband is not the father of the child.

(c) When paternity is not established under paragraph (a) or (b) of this section, paternity is determined by a preponderance of the credible evidence as defined in §1201.56(c)(2) of this title.

§ 843.404 Proof of adoption.

(a) An adopted child is—

(1) A child adopted by the employee or retiree before the death of the employee or retiree; or

(2) A child who lived with the employee or retiree and for whom a petition for adoption was filed by the employee or retiree and who is adopted by the current spouse of the employee or retiree after the death of the employee or retiree.

(b) The only acceptable evidence to prove status as an adopted child under paragraph (a)(1) of this section is a copy of the judicial decree of adoption.

(c) The only acceptable evidence to prove status as an adopted child under paragraph (a)(2) of this section is copies of—

(1) The petition for adoption (clearly showing the date filed); and

(2) The judicial decree of adoption.

§ 843.405 Dependency.

To be eligible for survivor annuity benefits, a child must have been dependent on the employee or retiree at the time of the employee's or retiree's death.

§ 843.406 Proof of dependency.

(a) A child is considered to have been dependent on the deceased employee or retiree if he or she is—

(1) A legitimate child; or

(2) An adopted child; or

(3) A stepchild or recognized natural child who lived with the employee or retiree in a regular parent-child relationship at the time of the emplyee's or retirees death; or

(4) A recognized natural child for whom a judicial determination of support was obtained; or

(5) A recognized natural child to whose support the employee or retiree made regular and substantial contributons.

(b) The following are examples of proofs of regular and substantial support. More than one of the following proofs may be required to show support

of a natural child who did not live with the employee or retiree in a regular parent-child relationship and for whom a judicial determination of support was not obtained.

(1) Evidence of eligibility as a dependent child for benefits under other State or Federal programs;

(2) Proof of inclusion of the child as a dependent on the decedent's income tax returns for the years immediately before the employee's or retiree's death;

(3) Cancelled checks, money orders, or receipts for periodic payments received from the employee or retiree for or on behalf of the child;

(4) Evidence of goods or services that show regular contributions of considerable value;

(5) Proof of coverage of the child as a family member under the employee's or retiree's Federal Employees Health Benefits enrollment; and

(6) Other proof of a similar nature that OPM may find to be sufficient to demonstrate support or parentage.

(c) Survivor benefits may be denied—

(1) If evidence shows that the deceased employee or retiree did not recognize the claimant as his or her own despite a willingness to support the child; or

(2) If evidence casts doubt upon the parentage of the claimant, despite the deceased employee's or retiree's recognition and support of the child.

§843.407 Disabilities.

A child is eligible for continued annuity because the child is incapable of self-support if the Social Security Administration finds that the child is eligible for continued social security child's benefits because the child is incapable of self-support.

§843.408 Commencing and terminating dates of child annuities.

(a) An annuity under this subpart—

(1) Commences on the day after the retiree or employee dies;

(2) Commences or resumes on the first day of the month in which the child later becomes or again becomes a student as described by §843.313, if any lump sum paid is returned to the Civil Service Retirement Fund; or

(3) Commences or resumes on the first day of the month in which the child later becomes or again becomes incapable of self-support because of a mental or physical disability incurred before age 18 (or a later recurrence of such disability), if any lump sum is returned to the Fund.

(b) An annuity under this subpart terminates on the last day of the month before the child—

(1) Becomes 18 years of age unless he or she is a student as described in §843.410 or is incapable of self-support;

(2) Becomes capable of self-support after becoming 18 years of age unless he or she is a student as described in §843.410;

(3) Becomes 22 years of age if he or she is a student as described in §843.410 and—

(i) Capable of self-support; or

(ii) Incapable of self-support because of a mental or physical disability incurred after age 18;

(4) Ceases to be such a student as described in §843.410 after becoming 18 years of age unless he or she is incapable of self-support; or

(5) Dies or marries.

(c) A survivor annuity accrues on a daily basis, one-thirtieth of the monthly rate constituting the daily rate. An annuity does not accrue for the 31st day of any month, except in the initial month if the survivor's (of a deceased employee) annuity commences on the 31st day. For accrual purposes, the last day of a 28-day month constitutes 3 days and the last day of a 29-day month constitutes 2 days.

§843.409 Rates of annuities.

(a) For each month, the amount of annuity payable to each surviving child under this subpart is—

(1) The difference between the basic child's annuity rate for that month and the total amount of child's insurance benefits under title II of the Social Security Act payable for that month to all children of the employee or retiree based on the total earnings (including any non-Federal wages or self employment subject to FICA taxes) of the employee or retiree;

(2) Divided by the total number of children entitled to annuity based on the service of that employee or retiree.

(b) On the death of the current spouse or the former spouse or termination of the annuity of a child, the annuity of any other child or children is recomputed and paid as though the spouse, former spouse, or child had not survived the former employee or Member.

§ 843.410 Annuity for a child age 18 to 22 during full-time school attendance.

(a) *General requirements for an annuity.* (1) For a child age 18 to 22 to be eligible to receive an annuity as a full-time student, the child must also meet all other requirements applicable to qualify for an annuity by a child who has not attained age 18.

(2) In addition to the requirements of paragraph (a)(1) of this section, OPM must receive certification, in a form prescribed by OPM, that the child is regularly pursuing a full-time course of study in an accredited institution.

(b) *Full-time course of study.* (1) Generally, a full-time course of study is a noncorrespondence course which, if successfully completed, will lead to completion of the education within the period generally accepted as minimum for completion, by a full-time day student, of the academic or training program concerned.

(2) A certification by an accredited institution that the student's workload is sufficient to constitute a full-time course of study for the program in which the student is enrolled is prima facie evidence that the student is pursuing a full-time course of study.

(c) *Certification of school attendance.* (1) OPM may periodically request the recipient of a child's annuity payments to furnish certification of school attendance. The certification must be completed in the form prescribed by OPM.

(2) If OPM requests the recipient of a child's annuity payments to provide a self-certification of school attendance, the recipient must complete and sign the certification form.

(3) If OPM requests the recipient of a child's annuity payments to provide a certification by the school, the certification must be signed by an official who is either in charge of the school or in charge of the school's records. OPM will not accept certification forms signed by instructors, counselors, aides, roommates, or others not in charge of the school or the records.

(i) If the educational institution is above the high school level, the certification must be signed by the president or chancellor, vice president or vice chancellor, dean or assistant dean, registrar or administrator, assistant registrar or assistant administrator, or the equivalent.

(ii) If the educational institution is at the high school level, the certification must be signed by the superintendent of schools, assistant superintendent of schools, principal, vice principal, assistant principal, or the equivalent.

(iii) If the educational institution is a technical or trade school, the certification must be signed by the president, vice president, director, assistant director, or the equivalent.

(4) OPM will accept a facsimile signature of a school official only if it is accompanied by a raised seal of the institution or other evidence clearly demonstrating the authenticity of the certification and making unauthorized use of the signature stamp unlikely.

(d) *Continuation of annuity during interim breaks.* A child's annuity continues during interim breaks between school years if the following conditions are satisfied:

(1) The student must have been a full-time student at the end of the school term immediately before the break.

(2) The break between the end of the last term of full-time attendance and the return to full-time attendance must not exceed 5 months. (See § 841.109 of this chapter, concerning calculation of this time period.)

(3) The recipient of a child's annuity payments must show that the student has a bona fide intent to return to school as a full-time student immediately after the break. The full-time certification for the period term and the certification (in a form prescribed by OPM) by the recipient of a child's annuity payments that the student intends to return to school (immediately after the break) as a full-time student constitute prima facie evidence of a bona fide intent to return to school.

(e) *Benefits after age 22.* (1) A student's eligibility for a child's annuity terminates based on reaching age 22 on—

(i) June 30 of the calendar year of the child's 22nd birthday if the child's birthday is before July 1; or

(ii) The last day of the month before the child's 22nd birthday if the child's birthday occurs after June 30 but before September 1 of the calendar year; or

(iii) June 30 of the year after the one in which the child attains age 22 if the child's birthday is after August 31 of the calendar year.

(2)(i) An otherwise eligible child who becomes a full-time student after his or her 22nd birthday but before the date the annuity terminates under paragraph (e)(1) of this section is eligible for annuity while he or she is a full-time student until the termination date under paragraph (e)(1) of this section.

(ii) An otherwise eligible child who is a full-time student, and whose parent dies after the child's 22nd birthday but before the date the annuity terminates under paragraph (e)(1) of this section, is eligible for annuity while he or she is a full-time student after the death of the parent until the termination date under paragraph (e)(1) of this section.

[58 FR 32052, June 8, 1993]

§ 843.411 Direct payments to children.

For purposes of section 8466(c) of title 5, United States Code, persons who have attained age 18 are considered adults, regardless of the age of majority in the jurisdiction in which they reside.

Subpart E—Insurable Interest Annuities

§ 843.501 Purpose.

This subpart explains the benefit payable under FERS to an insurable interest beneficiary based on the death of a retiree who elected to take an annuity reduction to provide such benefits.

§ 843.502 Eligibility.

An insurable interest beneficiary is eligible for an annuity under this subpart upon the death of a retiree if the retiree had elected (under § 842.606 of this chapter) to receive an insurable interest rate with the insurable interest beneficiary as his or her survivor.

§ 843.503 Commencing and terminating dates.

(a) An annuity under this subpart commences on the day after the retiree dies.

(b) An annuity under this subpart terminates on the last day of the month before the insurable interest beneficiary dies.

(c) A survivor annuity accrues on a daily basis, one-thirtieth of the monthly rate constituing the daily rate. An annuity does not accrue for the 31st day of any month, except in the initial month if the survivor's (of a deceased employee) annuity commences on the 31st day. For accrual purposes, the last day of a 28-day month constitutes 3 days and the last day of a 29-day month constitutes 2 days.

§ 843.504 Rate of annuity.

The amount of an annuity under this subpart is 55 percent of the retiree's annuity after the insurable interest reduction.

Subpart A—General Provisions

§ 844.101 Purpose.

This part establishes the requirements under the Federal Employees' Retirement System (FERS) for eligibility to receive a disability annuity, application procedures for disability annuities, rules for computing a disability annuity, and the conditions and procedures under which a disability annuity is terminated and reinstated.

§ 844.102 Definitions.

In this part:

Accommodation means a reasonable adjustment made to an employee's job or work environment that enables the employee to perform the duties of the position. Accommodation may include modifying the worksite; adjusting the work schedule; restructuring the job; obtaining or modifying equipment or devices; providing interpreters, readers, or personal assistants; and retraining the employee.

Basic pay means the pay an employee receives that is subject to deductions under FERS.

Commuting area has the meaning given the term ''local commuting area'' in § 351.203 of this chapter.

Disabled and *disability* means unable or inability, because of disease or injury, to render useful and efficient service in the employee's current position.

FERS means the Federal Employees' Retirement System established under chapter 84 of title 5, United States Code.

Medical condition means a health impairment resulting from a disease or injury, including a psychiatric disease. This is the same definition of ''medical condition'' that is found in § 339.104 of this chapter.

Medical documentation means a statement from a licensed physician, which may be supplemented by a statement from another appropriate practitioner, that provides information OPM considers necessary to determine an individual's entitlement to benefits under this part. Such a statement must meet the criteria set forth in § 339.104 of this chapter.

Military reserve technician has the same meaning given this term in 5 U.S.C. 8401(30).

OPM means the Office of Personnel Management.

Permanent position means an appointment without time limitation.

Physician and *practitioner* have the same meaning given these terms in § 339.104 of this chapter.

Qualified for reassignment means able to meet the minimum requirements for the grade and series of the vacant position in question.

Same grade or pay level means, in regard to a vacant position within the same pay as the position the employee currently occupies, the same grade and an equivalent amount of basic pay. A position under a different pay system or schedule is at the same pay level if the representative rate, as defined in § 532.401 of this chapter, equals the representative rate of the employee's current position.

Useful and efficient service means acceptable performance of the critical or essential elements of the position; and satisfactory conduct and attendance.

Vacant position means an unoccupied position of the same grade or pay level and tenure for which the employee is qualified for reassignment that is located in the same commuting area and, except in the case of a military reserve technician, is serviced by the same appointing authority of the employing

agency. The vacant position must be full time, unless the employee's current position is less than full time, in which case the vacant position must have a work schedule of no less time than that of the current position. In the case of an employee of the United States Postal Service, a vacant position does not include a position in a different craft or a position to which reassignment would be inconsistent with the terms of a collective bargaining agreement covering the employee.

§844.103 Eligibility.

(a) Except as provided in paragraph (c) of this section, an individual must meet the following requirements in order to receive a disability annuity:

(1) The individual must have completed at least 18 months of civilian service that is creditable under FERS, as defined in §842.304 of this chapter;

(2) The individual must, while employed in a position subject to FERS, have become disabled because of a medical condition, resulting in a deficiency in performance, conduct, or attendance, or if there is no such deficiency, the disabling medical condition must be incompatible with either useful and efficient service or retention in the position;

(3) The disabing medical condition must be expected to continue for at least 1 year from the date the application for disability retirement is filed;

(4) Accommodation of the disabling medical condition in the position held must be unreasonable; and

(5) The individual must not have declined an offer of reassignment to a vacant position.

(b) The employing agency must consider a disability applicant for reassignment to any vacant position. The agency must certify to the Office of Personnel Management (OPM) either that there is no vacant position or that, although it made no offer of reassignment, it considered the individual for a vacant position. If an agency offers a reassignment and the individual declines the offer, the individual may appeal the agency's determination that the individual is not disabled for the position in question to the Merit Systems Protection Board under 5 U.S.C. 7701.

(c)(1) Paragraphs (a)(2) through (a)(4) of this section do not apply to a military reserve technician who retires under 5 U.S.C. 8456.

(2) An individual who separates from employment as a military reserve technician under circumstances set forth in 5 U.S.C. 8456(a)(1) after reaching age 50 and completing 25 years of service is not entitled to a disability annuity under this part, but is entitled to an annuity under §842.210 of this chapter.

(3) A former military reserve technician is not entitled to an annuity under 5 U.S.C. 8456 based on service as a technician if the technician is subsequently appointed to another position in the Federal Government.

§844.104 Administrative review of OPM decisions.

Any individual whose rights or interests under FERS are affected by an initial decision of OPM may request OPM to review its decision under §841.306.

§844.105 Relationship to workers' compensation.

(a) Except as provided in paragraph (b) of this section, an individual who is eligible for both an annuity under part 842 or 844 of this chapter and compensation for injury or disability under subchapter I of chapter 81 of title 5, United States Code (other than a scheduled award under 5 U.S.C. 8107(c)), covering the same period of time must elect to receive either the annuity or compensation.

(b) Notwithstanding the provisions of paragraph (a) of this section, an individual may concurrently receive an annuity based on the individual's service under part 842 or 844 of this chapter and a benefit under subchapter I of chapter 81 of title 5, United States Code, on account of the death of another individual. An individual may also receive an annuity under part 843 of this chapter and compensation for injury or disability to himself or herself under such subchapter I covering the same period of time.

(c) An individual who elects to receive compensation payments under paragraph (a) of this section and who has not received a refund of contributions under §843.202 retains the right to elect to receive an annuity under part

842 or 844, as the case may be, in the event that the individual's compensation payments cease or are reduced.

§ 844.106 Disability annuities which include credit for service with a nonappropriated fund instrumentality.

A disability annuity that includes credit for service with a nonappropriated fund instrumentality performed after December 31, 1965, based on an election under subpart D of part 847 of this chapter is computed under part 847 of this chapter.

[61 FR 41721, Aug. 9, 1996]

Subpart B—Applications for Disability Retirement

§ 844.201 General requirements.

(a)(1) An application for disability retirement must be filed, on a form prescribed by the Office of Personnel Management (OPM), with the employing agency before the employee or Member separates from service or with OPM within 1 year thereafter. A separated employee who submits an application to the former employing agency, rather than with OPM, will meet the filing deadline only if OPM receives the application from the agency within 1 year after the separation.

(2) OPM may waive the 1-year time limit if the employee or Member was mentally incompetent on the date of separation or within 1 year thereafter, in which case OPM must receive the application from the individual or his or her representative within 1 year after the date the individual regains competency or a court appoints a fiduciary, whichever is earlier.

(b)(1) Before payment of a disability annuity under this part can be authorized, the applicant must provide OPM with:

(i) Satisfactory evidence that the applicant has filed an application for disability insurance benefits under section 223 of the Social Security Act; or

(ii) An official statement from the Social Security Administration that the individual is not insured for disability insurance benefits as defined in section 223(c)(1) of the Social Security Act.

(2) A disability retirement application under this part will be dismissed when OPM is notified by the Social Security Administration that the application referred to in paragraph (b)(1)(i) of this section has been withdrawn. All rights to an annuity under this part terminate upon withdrawal of an application for social security disability benefits.

(c) An application for disability retirement will not preclude or delay any other appropriate personnel action by the employing agency.

§ 844.202 Agency-filed disability retirement applications.

(a) *Basis for filing an application for an employee.* An agency must file an application for disability retirement of an employee who has 18 months of Federal civilian service when all of the following conditions are met:

(1) The agency has issued a decision to remove the employee;

(2) The agency concludes, after its review of medical documentation, that the cause for unacceptable performance, attendance, or conduct is disease or injury;

(3) The employee is institutionalized, or the agency concludes, based on a review of medical and other information, that the employee is incapable of making a decision to file an application for disability retirement;

(4) The employee has no personal representative or guardian; and

(5) The employee has no immediate family member who is willing to file an application on his or her behalf.

(b) *Agency procedures.* (1) When an agency issues a decision to remove an employee and not all of the conditions described in paragraph (a) of this section have been satisfied, but the removal is based on reasons apparently caused by a medical condition, the agency must advise the employee in writing of his or her possible eligibility for disability retirement and of the time limit for filing an application.

(2) If all of the conditions described in paragraph (a) of this section have been met, the agency must inform the employee in writing at the same time it informs the employee of its removal decision, or at any time before the separation is effected, that:

(i) The agency is submitting a disability retirement application on the employee's behalf to OPM;

(ii) The employee may review any medical information in accordance with § 294.106(d) of this chapter; and

(iii) The action does not affect the employee's right to submit a voluntary application for disability retirement or any other retirement benefit to which the employee is entitled under FERS.

(3) When an agency submits an application for disability retirement to OPM on behalf of an employee, it must provide OPM with copies of the decision to remove the employee, the medical documentation, and any other documents needed to show that the cause for removal results from a medical condition. Following separation, the agency must provide OPM with a copy of the documentation of the separation.

(c) *OPM procedures.* (1) OPM will not act on any application for disability retirement filed by an agency on behalf of an employee until it receives the appropriate documentation of the separation. When OPM receives a complete application for disability retirement under this section, it will notify the former employee that it has received the application and that he or she may submit medical documentation. OPM will determine entitlement to disability benefits under § 844.203.

(2) OPM will cancel any disability retirement when a final decision of an administrative authority or court reverses the removal action and orders the reinstatement of an employee to the agency rolls.

§ 844.203 Supporting documentation.

(a) An individual or agency filing an application for disability retirement is responsible for providing OPM with the evidence described in § 844.201(b)(1), as well as whatever documentation OPM requires in order to determine whether the individual meets the eligibility requirements set forth in § 844.103. The documentation must be provided in a form prescribed by OPM. Failure to sumbit the documentation required is grounds for dismissing the application. It is also the responsibility of the disability annuitant to obtain and submit evidence OPM requires to show continuing entitlement to disability benefits. Unless OPM orders an examination by a physician of its choice under paragraph (b) of this section, the cost of providing medical documentation rests with the applicant or disability annuitant.

(b) OPM may offer the applicant a medical examination when it determines that an independent evaluation of medical evidence is needed in order to make a decision regarding an application for a disability annuity or a disability annuitant's entitlement to continuing benefits. The medical examination will be conducted by a medical officer of the United States or a qualified physician or board of physicians designated by OPM. The applicant's refusal to submit to an examination is grounds for dismissal of the application or termination of payments to an annuitant.

(c)(1) OPM will review the documentation submitted under paragraph (a) of this section to determine whether the individual has met the eligibility requirements set forth in § 844.103. OPM will issue its decision in writing to the individual and to the employing agency. The decision will include a statement of OPM's findings and conclusions and an explanation of the applicant's right to request reconsideration or MSPB review under § 844.104.

(2) OPM may rescind a decision to allow an application for disability retirement at any time if OPM determines that the original decision was erroneous due to fraud, misstatement of fact, or upon the acquisition of additional medical or other documentation. OPM will provide the individual and the employing agency with written notification of the rescission, including a statement of OPM's findings and conclusions and an explanation of the individual's right to request reconsideration or MSPB review under § 844.104.

(d) Subject to 5 U.S.C. 552a, any supporting documentation provided to OPM under this section may be shared with the Social Security Administration and the Office of Workers' Compensation Programs of the U.S. Department of Labor.

Subpart C—Computation of Disability Annuity

§ 844.301 Commencing date of disability annuity.

A disability annuity under this part commences on the day after the employee separates or the day after pay ceases and the employee meets the requirements for title to an annuity.

§ 844.302 Computation of disability annuity before age 62.

(a) For the purposes of this subpart, the ''adjusted social security disability benefit'' is the benefit to which an annuitant is entitled under section 223 of the Social Security Act:

(1) For the month in which the annuity under this part commences, or is reinstated under § 844.405, or, if later, the first month for which the annuitant is entitled to both an annuity under this part and a social security disability benefit;

(2) Including, where appropriate, a reduction under section 224 of the Social Security Act, based on the amount of the disability annuity under this subpart without regard to paragraphs (b)(2) and (c)(2) of this section; and

(3) Adjusted by each cost-of-living increase effective under 5 U.S.C. 8462(b) beginning with the later of the month after the 12-month period referred to in paragraph (b)(1) of this section, or the first month for which the annuitant is entitled to both an annuity under this part and a social security disability benefit.

(b)(1) Except as otherwise provided in this part, the annuity payable under this subpart until the end of the 12th month beginning after the annuity commences (or is reinstated under § 844.405) is equal to 60 percent of the annuitant's average pay.

(2) For months for which the annuitant is also entitled to a social security disability benefit, the amount computed under paragraph (b)(1) of this section is reduced by 100 percent of the annuitant's adjusted social security disability benefit.

(c)(1) Except as otherwise provided in this part, the annuity under this subpart after the period described in paragraph (b)(1) of this section is equal to 40 percent of the annuitant's average pay.

(2) For months after the period described in paragraph (b)(1) of this section for which the annuitant is also entitled to a social security disability benefit, the amount computed under paragraph (c)(1) of this section is reduced by 60 percent of the annuitant's adjusted social security disability benefit.

(d) For months in which an annuity is reduced under paragraph (b) or (c) of this section, any reduction for survivor benefits is made after the reduction for social security benefits.

§ 844.303 Minimum disability annuity.

Notwithstanding any other provision of this part, an annuity payable under this part cannot be less than the amount of an annuity computed under 5 U.S.C. 8415 (excluding subsection (f) of that section) based on the annuitant's service.

§ 844.304 Computation of disability annuity for those otherwise eligible to retire.

(a) An individual retiring under this part is not entitled to elect to receive an alternative form of annuity under 5 U.S.C. 8420a, even if the individual meets the requirements for retirement under another part and would be entitled to elect an alternative form of annuity in connection therewith.

(b) Notwithstanding any other provision of this part, an annuity payable under this part will be computed under 5 U.S.C. 8415 if it commences or is reinstated under § 844.405 (b) or (c) of this part on or after:

(1) The annuitant has satisfied the age and service requirements for retirement under 5 U.S.C. 8412 (a) through (f); or

(2) The annuitant has reached age 62.

§ 844.305 Redetermination of disability annuity at age 62.

Effective on and after the annuitant's 62nd birthday, the rate of annuity payable to a disability annuitant will be the amount of an annuity computed with respect to the annuitant under 5 U.S.C. 8415 (including subsection (g) of that section), including

credit for all periods before the annuitant's 62nd birthday during which he or she was entitled to an annuity under this part. The average pay used in computing the annuity under 5 U.S.C. 8415 is adjusted by all cost-of-living increases effective under 5 U.S.C. 8462(b) during the period the annuitant was receiving the disability annuity under this part.

Subpart D—Termination and Reinstatement of Disability Annuity

§ 844.401 Recovery from disability.

(a) Each annuitant receiving disability annuity from the Fund shall be examined under the direction of OPM at the end of one year from the date of disability retirement and annually thereafter until the annuitant becomes 60 years of age unless the disability is found by OPM to be permanent in character. OPM may order a medical or other examination at any time to determine the facts relative to the nature and degree of disability of the annuitant. Failure to submit to reexamination shall result in suspension of annuity.

(b) A disability annuitant may request medical reevaluation under the provisions of this section at any time. OPM may reevaluate the medical condition of disability annuitants age 60 or over only on their own request.

(c) *Recovery based on medical or other documentation.* When OPM determines on the basis of medical documentation or other evidence that a disability annuitant has recovered from the disability, OPM will terminate the annuity effective on the first day of the month beginning 1 year after the date of the medical documentation or other evidence showing recovery. If an agency reemploys a disability annuitant who has been found recovered at any grade or rate of pay within the 1-year period pending termination of the disability annuity under this paragraph, OPM will terminate the annuity effective on the date of reemployment.

(d) *Recovery based on reemployment by the Federal Government.* Reemployment by an agency at any time before age 60 is evidence of recovery if the reemployment is under an appointment not limited to a year or less, at the same or higher grade or pay level as the position from which the disability annuitant retired. The new position must be full-time unless the position the disability annuitant occupied immediately before retirement was less than full-time, in which case the new position must have a work schedule of no less time than that of the position from which the disability annuitant retired. In this instance, OPM needs no medical documentation to find the annuitant recovered. Disability annuity payments will terminate effective on the first day of the month following the month in which the recovery finding is made under this paragraph.

§ 844.402 Restoration of earning capacity.

(a) *Earning capacity determinations.* If a disability annuitant is under age 60 on December 31 of any calendar year and his or her income from wages or self-employment or both during that calendar year equals at least 80 percent of the current rate of basic pay of the position occupied immediately before retirement, the annuitant's earning capacity is considered to be restored. The disability annuity will terminate on the June 30 after the end of the calendar year in which earning capacity is restored.

(b) *Current rate of basic pay for the position occupied immediately before retirement.* (1) A disability annuitant's income for a calendar year is compared to the gross annual rate of basic pay in effect on December 31 of that year for the position occupied immediately before retirement. The income limitation for most disability annuitants is based on the rate for the grade and step that reflects the total amount of basic pay (both the grade and step and any additional basic pay) in effect on the date of separation from the agency for disability retirement. Additional basic pay is included subject to the premium pay restrictions of 5 U.S.C. 5545 (c)(1) and (c)(2).

(2) In the case of an annuitant whose basic pay rate on the date determined under paragraph (b)(1) of this section did not match a specific grade and step in the pay schedule:

(i) For those retiring from a Senior Executive Service position, a merit pay

position, a position for which a special pay rate is authorized (except as provided in paragraph (b)(2)(ii) of this section), or any other position in which the rate of basic pay is not equal to a grade and step in a pay schedule, the grade and step will be established for this purpose at the lowest step in the pay schedule grade that is equal to or greater than the actual rate of basic pay payable.

(ii) For those retiring with a retained rate of basic pay or from a position for which a special pay rate is in effect but whose rate of basic pay exceeds the highest rate payable in the pay schedule grade applicable to the position held, the grade is established for this purpose at the highest grade in the schedule that is closest to the grade of the position held and within which the amount of the retained pay falls. The step is established for this purpose at the lowest step in that grade that equals or exceeds the actual rate of pay payable.

(3) For annuitants retiring from the United States Postal Service, only cost-of-living allowances subject to FERS deductions are included in determining the current rate of basic pay of the position held at retirement.

(c) *Income.* (1) Earning capacity for the purposes of this section is demonstrated by an annuitant's ability to earn post-retirement income in exchange for personal services or a work product, or as a profit from one or more businesses wholly or partly owned by the disability annuitant and in the management of which the annuitant has an active role. Income for the purposes of this section is not necessarily the same as income for the purposes of the Internal Revenue Code.

(2) Income earned from one source is not offset by losses from another source. Income earned as wages is not reduced by a net loss from self-employment. The net income from each self-employment endeavor is calculated separately, and the income earned as net earnings from one self-employment endeavor is not reduced by a net loss from another self-employment endeavor. Thus, a net loss from one endeavor is considered to be a net income of zero, and the net incomes from each separate self-employment endeavor are added together to determine the total amount of income from self-employment for a calendar year.

(3) Income is counted in the calendar year in which it is earned, even though receipt may be deferred.

(d) *Requirement to report income.* All disability annuitants who, on December 31 of any calendar year, are under age 60 must report to OPM their income from wages or self-employment or both for that calendar year. Each year as early as possible, OPM will send a form to annuitants to use in reporting their income from the previous calendar year. The form specifies the date by which OPM must receive the report. OPM will determine entitlement to continued annuity on the basis of the report. If an annuitant fails to submit the report, OPM may stop annuity payments until it receives the report.

§ 844.403 Annuity rights after a disability annuity terminates.

(a) When a disability annuity is terminated because of recovery or restoration of earning capacity and the individual is not employed in the Government, the individual is entitled to an annuity:

(1) Under 5 U.S.C. 8414(b) if the individual:

(i) Is at least age 50 when the disability annuity ceases and had 20 or more years of service at the time of retiring for disability; or

(ii) Has 25 or more years of service at the time of retiring for disability, regardless of age; or

(2) Under 5 U.S.C. 8412(g) if the individual is at least the minimum retirement age applicable under 5 U.S.C. 8412(h) when the disability annuity ceases and had 10 or more years of service at the time of retiring for disability.

(b) When a disability annuitant whose annuity was terminated because of Federal reemployment is separated and meets the age and service requirements for immediate retirement under 5 U.S.C. 8412 or 8414, the individual is entitled to an annuity computed under 5 U.S.C. 8415.

[55 FR 6598, Feb. 26, 1990. Redesignated at 58 FR 48273, Sept. 15, 1993]

§844.404 Reinstatement of disability annuity.

(a) When a disability annuity stops, the individual must again prove that he or she meets the eligibility requirements in order to have the annuity reinstated.

(b) *Reinstatement of annuity terminated based on recovery.* (1) When a recovered disability annuitant under age 62 whose annuity was terminated because he or she was found recovered on the basis of medical evidence (§844.401) is not reemployed in a position subject to FERS, and, based on the results of a current medical examination, OPM finds that the disability has recurred, OPM will reinstate the disability annuity as provided in paragraph (d) of this section. The right to the reinstated annuity begins on the date of the medical documentation showing that the disability has recurred, or if the medical documentation clearly shows that the disability recurred on an earlier date, the annuity will be reinstated on that earlier date.

(2) Except in the case of an individual receiving an annuity under §844.404(b), OPM will, as provided in paragraph (d) of this section, reinstate the disability annuity of a former annuitant whose annuity was terminated because he or she was found recovered on the basis of Federal reemployment when:

(i) The results of a current medical examination show that the individual's medical condition has worsened since the finding of recovery and that the original disability on which retirement was based has recurred; and

(ii) As a result, he or she has been:

(A) Separated and not reemployed in a position subject to FERS; or

(B) Placed in a position that results in a reduction in grade or pay below that from which the individual retired, or in a change to a temporary or intermittent appointment. The right to the reinstated annuity begins on the date the reemployment ends or the effective date of the placement in the position that results in a reduction in grade or pay or change in appointment.

(c) *Reinstatement of annuity terminated because earning capacity was restored.* (1) OPM will reinstate the disability annuity as provided in paragraph (d) of this section when a disability annuitant whose annuity was terminated under §844.402(a):

(i) Is not reemployed in a position subject to FERS;

(ii) Has not recovered from the disability for which the individual retired (except in the case of a military reserve technician whose annuity was awarded under 5 U.S.C. 8456); and

(iii) Again loses earning capacity, as determined by OPM.

(2) The reinstated annuity is payable from January 1 of the year following the calendar year in which earning capacity was lost. Earning capacity is lost if, during any calendar year, the individual's income from wages or self-employment or both is less than 80 percent of the current rate of basic pay of the position held at retirement.

(d) Except as provided in §§844.303 and 844.304, a disability annuity reinstated under the preceding paragraphs of this section is paid at the rate provided under §844.302(b) until the end of the 12th month beginning after the annuity is reinstated. Thereafter, the rate determined under §844.302(c) is payable until age 62.

(e) Notwithstanding the preceding paragraphs, an annuity may not be reinstated under this section if the individual is receiving an annuity under part 842 of this chapter.

A payment by OPM to a debtor because of an OPM error or the failure of the creditor agency to properly and/or timely submit a debt claim under subpart D of this part, does not erase the debt or affect the validity of the claim by the creditor agency.

§ 845.105 Termination and suspension of collection actions.

Subpart B—Collection of Overpayment Debts

§ 845.201 Purpose.

This subpart prescribes procedures to be followed by the Office of Personnel Management (OPM), which are consistent with the Federal Claims Collection Standards (FCCS) (Chapter II of title 4, Code of Federal Regulations), in the collection of debts owed to the Fund.

(9) The fact that a timely filing of a request for reconsideration, waiver and/or compromise, or a later timely appeal of a reconsideration or waiver denial to the Merit Systems Protection Board, will stop collection proceedings, unless (i) failure to take the offset would substantially prejudice the Government's ability to collect the debt; and (ii) the time before the payment is to be made does not reasonably permit the completion of these procedures.

(b) *Requests for reconsideration, waiver, and/or compromise.* (1) If a request for reconsideration, waiver, and/or compromise is returned to OPM by mail, it must be postmarked within 30 calendar days of the date of the notice detailed in paragraph (a) of this section. If a request for reconsideration, waiver, and/or compromise is hand delivered, it must be received within 30 calendar days of the date of the notice detailed in paragraph (a) of this section. OPM may extend the 30-day time limit for filing when individuals can prove that they—

(i) Were not notified of the time limit and were not otherwise aware of it; or

(ii) Were prevented by circumstances beyond their control from making the request within the time limit.

(2) When a request for reconsideration, waiver, and/or compromise covered by this paragraph is properly filed before the death of the debtor, it will

be processed to completion unless the relief sought is nullified by the debtor's death.

(3) Individuals requesting reconsideration, waiver, and/or compromise will be given a full opportunity to present any pertinent information and documentation supporting their position.

(4) An individual's request for waiver will be evaluated on the basis of the standards set forth in subpart C of this part. An individual's request for compromise will be evaluated on the basis of standards set forth in the FCCS (4 CFR part 103).

(c) *Reconsideration, waiver, and/or compromise decisions.* (1) OPM's decision will be based upon the individual's written submissions, evidence of record, and other pertinent available information.

(2) After consideration of all pertinent information, OPM will issue a written decision. The decision will state the extent of the individual's liability, and, for waiver and compromise requests, whether the debt will be waived or compromised. If the individual is determined to be liable for all or a portion of the debt, the decision will reaffirm or modify the conditions for the collection previously proposed under paragraph (a) of this section. The decision will state the individual's right to appeal to the Merit Systems Protection Board as provided by § 1201.3 of this title, and, in the case of a denial of waiver or reconsideration request that a timely appeal will stop collection of the debt.

§ 845.205 Collection of debts.

(a) *Means of collection.* Collection of a debt may be made by means of offset under § 845.206, or under any statutory provision providing for offset of money due the debtor from the Federal Government, or by referral to the Justice Department for litigation, as provided in § 845.206. Referral may also be made to a collection agency under the provisions of the FCCS.

(b) *Additional charges.* Interest, penalties, and administrative costs will be assessed on the debt in accordance with standards established in the FCCS at 4 CFR 102.13. Additional charges will be waived when required by the FCCS. In addition, such charges may be waived when OPM determines—

(1) Collection would be against equity and good conscience under the standards prescribed in §§ 845.303 through 845.305; or

(2) Waiver would be in the best interest of the United States.

(c) *Collection in installments.* (1) Whenever feasible, debts will be collected in one lump sum.

(2) However, installments payments may be effected when—

(i) The debtor establishes that he or she is financially unable to pay in one lump sum; or

(ii)(A) The benefit payable is insufficient to make collection in one lump sum;

(B) The debtor fails to respond to a demand for full payment; and

(C) Offset is available.

(3) The amount of the installment payments will be set in accordance with the criteria in 4 CFR 102.11.

(d) *Commencement of collection.* (1) Except as provided in paragraph (d)(2) of this section, collection will begin after the time limits for requesting further rights stated in § 845.204(a)(6) expire or OPM has issued decisions on all timely requests for those rights and the Merit Systems Protection Board has acted on any timely appeal of a waiver denial, unless failure to make an offset would substantially prejudice the Government's ability to collect the debt; and the time before the payment is to be made does not reasonably permit the completion of the proceedings in § 845.204 or litigation. When offset begins without completion of the administrative review process, these procedures will be completed promptly, and amounts recovered by offset but later found not owed will be refunded promptly.

(2) The procedures identified in § 845.204 will not be applied when the debt is caused by a retroactive adjustment in the periodic rate of annuity or any deduction taken from annuity when the adjustment is a result of the annuitant's election of different entitlements under law, if the adjustment is made within 120 days of the effective date of the election; or interim estimated payments made before the formal determination of entitlement to

annuity, if the amount is recouped from the total annuity payable on the first day of the month following the last advance payment or the date the formal determination is made, whichever is later.

§845.206 Collection by administrative offset.

(a) *Offset from retirement payments.* A debt may be collected in whole or in part from any lump-sum retirement payment or recurring annuity payments.

(b) *Offset from other payments*—(1) *Administrative offset.* (i) A debt may be offset from other payments due the debtor from other agencies in accordance with 4 CFR 102.3 except that offset from back pay awarded under the provisions of 5 U.S.C. 5596 (and 5 CFR 550.801 *et seq.*) will be made in accordance with §550.805(e)(2) of this chapter.

(ii) In determining whether to collect claims by means of administrative offset after the expiration of the 6-year limitation provided in 5 U.S.C. 2415, the Director or his or her designee will determine the cost effectiveness of leaving a claim unresolved for more than 6 years. This decision will be based on such factors as the amount of the debt, the cost of collection, and the likelihood of recovering the debt.

(2) *Salary offset.* When the debtor is an employee, or a member of the Armed Forces, OPM may effect collection action by offset of the debtor's pay in accordance with 5 U.S.C. 5514 and 5 CFR 550.1101 *et seq.* Due process described in §845.204 will apply. The questions of fact and liability, and entitlements to waiver or compromise determined through that process are deemed correct and will not be amended under salary offset procedures. When the debtor did not receive a hearing on the amount of the offset under §845.204 and requests such a hearing, one will be conducted in accordance with subpart K of part 550 of this chapter.

§845.207 Use of consumer reporting agencies.

(a) *Notice.* If a debtor's response to the notice described in §845.204(a) does not result in payment in full, payment by offset, or payment in accordance with a voluntary repayment agreement or other repayment schedule acceptable to OPM, and the debtor's rights under §845.204 have been exhausted, OPM may report the debtor to a consumer reporting agency. In addition, a debtor's failure to make subsequent payments in accordance with a repayment schedule may result in a report to a consumer reporting agency. Before making a report to a consumer reporting agency, OPM will notify the debtor in writing that—

(1) The payment is overdue;

(2) OPM intends, after 60 days, to make a report as described in paragraph (b) of this section to a consumer reporting agency;

(3) The debtor's right to dispute the liability has been exhausted under §845.204; and

(4) The debtor may suspend OPM action on referral by paying the debt in one lump sum or making payments current under a repayment schedule.

(b) *Report.* When a debtor's response to the notice described in paragraph (a) of this section fails to comply with paragraph (a)(4) of this section or the debtor does not respond, and 60 days have elapsed since the notice was mailed, OPM may report to a consumer reporting agency that an individual is responsible for an unpaid debt and provide the following information:

(1) The individual's name, address, taxpayer identification number, and any other information necessary to establish the identity of the individual;

(2) The amount, status, and history of the debt; and

(3) The fact that the debt arose in connection with the administration of FERS or CSRS.

(c) *Subsequent reports.* OPM will update its report to the consumer reporting agency whenever it has knowledge of events that substantially change the status or the amount of the liability.

§845.208 Referral to a collection agency.

(a) OPM retains the responsibility for resolving disputes, compromising claims, referring the debt for litigation, or suspending or terminating collection action.

(b) OPM may refer certain debts to commercial collection agencies under the following conditions:

(1) All processing required by § 845.204 has been completed before the debt is released; and

(2) A contract for collection services has been negotiated.

§ 845.209 Referral for litigation.

From time to time and in a manner consistent with the General Accounting Office's and the Justice Department's instructions, OPM will refer certain overpayments to the Justice Department for litigation. Referral for litigation will suspend processing under this subpart.

Subpart C—Standards for Waiver of Overpayments

§ 845.301 Conditions for waiver.

Recovery of an overpayment from the Fund may be waived pursuant to section 8470(b), of title 5, United States Code, when (a) the annuitant is without fault and (b) recovery would be against equity and good conscience. When it has been determined that the recipient of an overpayment is ineligible for waiver, the individual is nevertheless entitled to an adjustment in the recovery schedule if he or she shows that it would cause him or her financial hardship to make payment at the rate scheduled.

§ 845.302 Fault.

A recipient of an overpayment is without fault if he or she performed no act of commission or omission that resulted in the overpayment. The fact that the Office of Personnel Management (OPM) or another agency may have been at fault in initiating an overpayment will not necessarily relieve the individual from liability.

(a) *Considerations.* Pertinent considerations in finding fault are—

(1) Whether payment resulted from the individual's incorrect but not necessarily fraudulent statement, which he or she should have known to be incorrect;

(2) Whether payment resulted from the individual's failure to disclose material facts in his or her possession, which he or she should have known to be material; or

(3) Whether he or she accepted a payment that he or she knew or should have known to be erroneous.

(b) *Mitigation factors.* The individual's age, physical and mental condition or the nature of the information supplied to him or her by OPM or a Federal agency may mitigate against finding fault if one or more of these factors contributed to his or her submission of an incorrect statement, a statement that did not disclose material facts in his or her possession, or his or her acceptance of an erroneous overpayment.

§ 845.303 Equity and good conscience.

Recovery is against equity and good conscience when—

(a) It would cause financial hardship to the person from whom it is sought;

(b) The recipient of the overpayment can show (regardless of his or her financial circumstances) that due to the notice that such payment would be made or because of the incorrect payment he or she either has relinquished a valuable right or has changed positions for the worse; or

(c) Recovery would be unconscionable under the circumstances.

§ 845.304 Financial hardship.

Financial hardship may be deemed to exist in, but not limited to, those situations when the annuitant from whom collection is sought needs substantially all of his or her current income and liquid assets to meet current ordinary and necessary living expenses and liabilities.

(a) *Considerations.* Some pertinent considerations in determining whether recovery would cause financial hardship are as follows:

(1) The individual's financial ability to pay at the time collection is scheduled to be made.

(2) Income to other family member(s), if such member's ordinary and necessary living expenses are included in expenses reported by the annuitant.

(b) *Exemptions.* Assets exempt from execution under State law should not be considered in determining an individual's ability to repay the indebtedness. Rather primary emphasis will be placed upon the annuitant's liquid assets and current income in making such determinations.

§ 845.305 Ordinary and necessary living expenses.

An individual's ordinary and necessary living expenses include rent, mortgage payments, utilities, maintenance, transportation, food, clothing, insurance (life, health, and accident), taxes, installment payments, medical expenses, support expenses for which the annuitant is legally responsible, and other miscellaneous expenses that the individual can establish as being ordinary and necessary.

§ 845.306 Waiver precluded.

Waiver of an overpayment cannot be granted when—

(a) The overpayment was obtained by fraud; or

(b) The overpayment was made to an estate.

§ 845.307 Burdens of proof.

(a) *Burden of OPM.* The Associate Director must establish by the preponderance of the evidence that an overpayment occurred.

(b) *Burden of annuitant.* The recipient of an overpayment must establish by substantial evidence that he or she is eligible for waiver or an adjustment.

Subpart D—Agency Requests to OPM for Recovery of a Debt From the Civil Service Retirement Fund

§ 845.401 Purpose.

This subpart prescribes the procedures to be followed by a Federal agency when it requests the Office of Personnel Management (OPM) to recover a debt owed to the United States by administrative offset against money due and payable to the debtor from the Fund. This subpart also prescribes the procedures that OPM must follow to make these administrative offsets.

§ 845.402 Scope.

This subpart applies to agencies and debtors, as defined by § 845.403.

§ 845.403 Definitions.

In this subpart—

Consent means the debtor has agreed in writing to administrative offset after receiving notice of all rights under 31 U.S.C. 3716 and this subpart.

Creditor agency means the agency to which the debt is owed.

Debt means an amount owed to the United States on account of loans insured or guaranteed by the United States, and other amounts due the United States from fees, duties, leases, rents, royalties, services, sales of real or personal property, overpayments, fines, penalties, damages, interest, taxes, forfeitures, etc.

Debt claim means an agency request for recovery of a debt in a form approved by OPM.

Debtor means a person who owes a debt, including an employee, former employee, Member, former Member, or the survivor of one of these individuals.

Employee has the same meaning as in section 8401(11) of title 5, United States

Code, and includes reemployed annuitants and employees of the U.S. Postal Service.

Fraud claim means any debt designated by the Attorney General (or designee) as involving an indication of fraud, the presentation of a false claim, or misrepresentation on the part of the debtor or any other party having an interest in the claim.

Individual Retirement Record means the record of retirement contributions that must be maintained under § 841.504 of this chapter.

Paying agency means the agency that employs the debtor and authorizes the disbursement of his or her current pay account.

Refund means the payment of a lump-sum credit to an individual who meets all requirements for payment and files application for it.

§ 845.404 Conditions for requesting an offset.

An agency may request that money payable from the Fund be offset to recover any valid debt due the United States when all of the following conditions are met:

(a) The debtor failed to pay all of the debt on demand, or the creditor agency has collected as much as possible from payments due the debtor from the paying agency; and

(b) The creditor agency sends a debt claim to OPM (under § 845.405(b) (1), (2), (3) or (4), as appropriate) after doing one of the following:

(1) Obtaining a court judgment for the amount of the debt;

(2) Following the procedures required by 31 U.S.C. 3716 and 4 CFR 102.4;

(3) Following the procedures required by 5 U.S.C. 5514 and subpart K of part 550 of this chapter; or

(4) Following the procedures agreed upon by the creditor agency and OPM, if it is excepted by § 845.405(b)(4) from the completion of procedures prescribed by § 845.405(b)(3).

§ 845.405 Creditor agency processing for non-fraud claims.

(a) *Where to submit the debt claim, judgment or notice of debt*—(1) *Creditor agencies that are not the debtor's paying agency.* (i) If the creditor agency knows that the debtor is employed by the Federal Government, it should send the debt claim to the debtor's paying agency for collection.

(ii) If some of the debt is unpaid after the debtor separates from the paying agency, the creditor agency should send the debt claim to OPM as described in paragraph (b) of this section.

(2) *Creditor agencies that are the debtor's paying agency.* Ordinarily, debts owed the paying agency should be offset under 31 U.S.C. 3716 from any final payments (salary, accrued annual leave, etc.) due the debtor. If a balance is due after offsetting the final payments or the debt is discovered after the debtor has been paid, the paying agency may send the debt claim to OPM as described in paragraph (b) of this section.

(b) *Procedures for submitting debt claim, judgment or notice of debt to OPM*—(1) *Debt claims for which the agency has a court judgment.* If the creditor agency has a court judgment against the debtor specifying the amount of the debt to be recovered, the agency should send the debt claim and two certified copies of the judgment to OPM.

(2) *Debt claims previously processed under 5 U.S.C. 5514.* If the creditor agency previously processed the debt claim under 5 U.S.C. 5514, it should—

(i) Notify the debtor that the claim is being sent to OPM to complete collection from the Fund; and

(ii) Send the debt claim to OPM with two copies of the paying agency's certification of the amount collected and one copy of the notice to the debtor that the claim was sent to OPM.

(3) *Debt claims not processed under 5 U.S.C. 5514, reduced to court judgment, or excepted by paragraph (b)(4) of this section.* (i) If the debt claim was not processed under 5 U.S.C. 5514, reduced to court judgment or excepted by paragraph (b)(4) of this section, the creditor agency must—

(A) Comply with the procedures required by 4 CFR 102.4 by issuing written notice to the debtor of the nature and amount of the debt, the agency's intention to collect by offset, the opportunity to obtain review within the agency of the determination of indebtedness, and the opportunity to enter into a written agreement with the agency to repay the debt; and

(B) Complete the appropriate debt claim.

(ii) If the debtor does not respond to the creditor agency's notice within the allotted time and there is no reason to believe that he or she did not receive the notice, the creditor agency may submit the debt claim to OPM after certifying that notice was issued and the debtor failed to reply.

(iii) If the debtor responds to the notice by requesting a review (or hearing if one is available), the review (or hearing) must be completed before the creditor agency submits the debt claim.

(iv) If the debtor receives the notice and responds by consenting to the collection, the creditor agency must send (to OPM) a copy of the debtor's consent along with the debt claim.

(4) *Debt claims excepted from procedures described in paragraph (b)(3) of this section.* Creditor agencies must follow specific procedures approved by OPM, rather than those described in paragraph (b)(3) of this section, for the collection of—

(i) Debts due because of the individual's failure to pay health benefits premiums while he or she was in nonpay status or while his or her salary was not sufficient to cover the cost of premiums;

(ii) Unpaid Federal taxes to be collected by Internal Revenue Service levy;

(iii) Premiums due because of the annuitant's election of Part B, Medicare coverage (retroactive collection limited to 6 months of premiums); or

(iv) Overpaid military retired pay an annuitant elects in writing to have withheld from his or her annuity.

(5) *General certification requirements for debt claims.* Creditor agencies submitting debt claims must certify—

(i) That the debt is owed to the United States;

(ii) The amount and reason for the debt and whether additional interest accrues;

(iii) The date the Government's right to collect the debt first accrued;

(iv) That the agency has complied with the applicable statutes, regulations, and OPM procedures;

(v) That if a competent administrative or judicial authority issues an order directing OPM to pay a debtor an amount previously paid to the agency (regardless of the reasons behind the order), the agency will reimburse OPM or pay the debtor directly within 15 days of the date of the order.

NOTE: OPM may, at its discretion, decline to collect other debt claims sent by an agency that does not abide by this certification.

(vi) If the collection will be in installments, the amount or percentage of net annuity in each installment; and

(vii) If the debtor does not (in writing) consent to the offset, or does not (in writing) acknowledge receipt of the required notices and procedures, or the creditor agency does not document a judgment offset or a previous salary offset, identify the action(s) taken to comply with 4 CFR 102.3, including any required hearing or review, and give the date(s) the action(s) was taken.

(6) *Notice of debt.* When a creditor agency cannot send a complete debt claim, it should notify OPM of the existence of the debt so that the lump-sum will not be paid before the debt claim arrives.

(i) The notice to OPM must include a statement that the debt is owed to the United States, the date the debt first accrued, and the basis for and amount of the debt, if known. If the amount of the debt is not known, the agency must establish the amount and notify OPM in writing as soon as possible after submitting the notice.

(ii) The creditor agency may either notify OPM by making a notation in column 8 [Remarks] under ''Fiscal Record'' on the Individual Retirement Record, if the Individual Retirement Record is in its possession, or if not, by submitting a separate document identifying the debtor by name, giving his or her date of birth, social security number, and date of separation, if known.

(c) *Time limits for sending records and debt claims to OPM*—(1) *Time limits for submitting debt claims.* Unless there is an application for refund pending, there is no specific time for submitting a debt claim or notice of debt to OPM. Generally, however, agencies must file a debt claim before the statute of limitations expires (4 CFR 102.4(c)) or before a refund is paid. Time limits are imposed (see § 845.406(a)) when the debtor is eligible for a refund and OPM receives his or her application requesting payment. In this situation, creditor agencies must file a complete debt claim within 120 days (or 180 days if the agency requests an extension of time before the refund is paid) of the date OPM requests a complete debt claim.

(2) *Time limit for submitting retirement records to OPM.* A paying agency must send the Individual Retirement Record to OPM no later than 60 days after the separation, termination, or entrance on duty in a position in which the employee is not covered by FERS.

§ 845.406 OPM processing for nonfraud claims.

(a) *Refunds—incomplete debt claims.* (1) If a creditor agency sends OPM a notice of debt claim against a refund OPM is processing for payment, OPM will withhold the amount of the debt but will not make any payment to the creditor agency. OPM will notify the creditor agency that the procedures in this subpart and 4 CFR 102.4 must be completed; and a debt claim must be completed and returned to OPM within 120 days of the date of OPM's notice to the creditor agency. Upon request, OPM will grant the creditor agency one extension of up to 60 days if the request for extension is received before the lump-sum payment has been made. The extension will commence on the day after the 120-day period expires so that the total time OPM holds payment of the refund will not exceed 180 days.

(2) During the period allotted the creditor agency for sending OPM a complete debt claim, OPM will handle the debtor's application for refund under section 8424 of title 5, United States Code, in one of two ways:

(i) If the amount of the debt is known, OPM will notify the debtor of the debt claim against his or her lump-sum credit, withhold the amount of the debt, and pay the balance to the debtor, if any.

(ii) If the amount of the debt is not known, OPM will not pay any amount to the debtor until the creditor agency certifies the amount of the debt, submits a complete debt claim, or the time limit for submission of the debt claim expires, whichever comes first.

(b) *Refunds—complete debt claims*—(1) *OPM receives an application from the debtor prior to or at the same time as the agency's debt claim.* (i) If a refund has been paid, OPM will notify the creditor agency there are no funds available for offset. Except in the case of debts due because of the employee's failure to pay health benefits premiums while he or she is in nonpay status or while his or her salary was not sufficient to cover the cost of premiums, creditor agencies should refer to the instructions in the FCCS for other measures to recover the outstanding debt; however, OPM will retain the debt claim on file in the event the debtor is once again employed in a position subject to retirement deductions.

(ii) If a refund is payable and the creditor agency submits a complete debt claim in accordance with § 845.405(b) (1), (2), (3), or (4), the debt will be collected from the refund and any balance paid to the debtor. OPM will send the debtor a copy of the debt claim, judgment, consent, or other document, and notify him or her that the creditor agency was paid.

(2) *If OPM has not received an application from the debtor when the agency's debt claim is received.* If a debtor has not filed application for a refund, OPM will retain the debt claim for future recovery. OPM will make the collection whenever an application is received, provided the creditor agency initiated the administrative offset before the statute of limitations expired. (See 4 CFR 102.3(b)(3) and 102.4(c).) OPM will notify the creditor agency that it does not have an application from the debtor so that the agency may take other action to recover the debt.

NOTE: If the recovery action is successful, the creditor agency must notify OPM so it can void the debt claim.

(3) *Future recovery.* (i) If OPM receives an application for refund within

1 year of the date the agency's debt claim was received and the creditor agency does not indicate that interest is accruing on the debt, the debt will be processed as stated in paragraph (b)(1)(ii) of this section.

(ii) If OPM receives an application for refund within 1 year of the date the agency's debt claim was received and the creditor agency indicates that interest accrues on the debt, when necessary, OPM will contact the creditor agency to confirm that the debt is outstanding and request submission in writing, of the total additional accrued interest. OPM will not make interest computations for creditor agencies.

(iii) When OPM receives an application for refund more than 1 year after the creditor agency's debt claim was received, whether interest accrues or not, OPM will contact the creditor agency to see if the debt is still outstanding and, when necessary, request an update of the interest charges. If the debt is still due, the creditor agency must give the debtor an opportunity to establish that his or her changed financial circumstances, if any, would make the offset unjust. (See 4 CFR 102.4(c).) If the creditor agency determines that offset as requested in the debt claim would be unjust because of the debtor's changed financial circumstances, the agency should permit the debtor to offer a satisfactory repayment plan in lieu of offset. If the agency decides to pursue the offset, it must submit to OPM the requested information and any new instructions within 60 days of the date of OPM's request or the claim may be voided and the balance paid to the individual.

(c) *Annuities—incomplete debt claims.* (1) If a creditor agency sends OPM notice of a debt or an incomplete debt claim against a debtor who is receiving an annuity, OPM will not offset the annuity. OPM will notify the creditor agency that—

(i) The procedures in this subpart and 4 CFR 102.4 must be completed; and

(ii) A debt claim must be completed and sent to OPM.

(2) No time limit will be given for the submission of a debt claim against an annuity; however, a debt claim must be received within 10 years of the date the Government's right to collect first accrued (4 CFR 102.3(b)(3)).

(d) *Annuities—complete debt claims*—(1) *General*—(i) *Notice.* When OPM receives a complete debt claim and an application for annuity, OPM will offset the annuity, pay the creditor agency, and mail the debtor a copy of the debt claim along with notice of the payment to the creditor agency.

(ii) *Beginning deductions.* If OPM already established the debtor's annuity payment, deductions will begin with the next available annuity payment. If OPM is in the process of establishing the annuity payments, deductions will not be taken from advance annuity payments, but will begin with the annuity payable on the first day of the month following the last advance payment.

(iii) *Updating accrued interest.* Once OPM has completed a collection, if there are additional accrued interest charges, the creditor agency must contact OPM regarding any additional amount due within 90 days of the date of the final payment.

(2) *Claims held for future recovery.* (i) If OPM receives an application for annuity within 1 year of the date the agency's debt claim was received, the debt will be processed as stated in paragraph (c)(1) of this section.

(ii) If OPM receives an application for annuity more than 1 year after the agency's debt claim was submitted, OPM will contact the creditor agency to see if the debt is still outstanding. If the debt is still due, the creditor agency should permit the debtor to offer a satisfactory repayment plan in lieu of offset if the debtor establishes that his or her changed financial circumstances would make the offset unjust. (See 4 CFR 102.4(c).) If the agency decides to pursue the offset, it must submit the requested information and any new instructions about the collection to OPM.

(e) *Limitations on OPM review.* In no case will OPM review—

(1) The merits of a creditor agency's decision regarding reconsideration, compromise, or waiver; or

(2) The creditor agency's decision that a hearing was not required in any particular proceeding.

§ 845.407 Installment withholdings.

(a) When possible, OPM will collect a creditor agency's full claim in one payment from the debtor's refund or annuity.

(b) If collection must be made from an annuity and the debt is large, the creditor must generally accept payment in installments. The responsibility for establishing and notifying the debtor of the amount of the installments belongs to the creditor agency (see § 845.405(b)(5)). However, OPM will not make an installment deduction for more than 50 percent of net annuity, unless a higher percentage is needed to satisfy a judgment against a debtor within 3 years or the annuitant has consented to the higher amount in writing. All correspondence concerning installment deductions received by OPM will be referred to the creditor agency for consideration.

§ 845.408 Special processing for fraud claims.

When an agency sends a claim indicating fraud, presentation of a false claim, misrepresentation by the debtor or any other party interested in the claim, or any claim based in whole or part on conduct violating the antitrust laws, to the Department of Justice (Justice) for possible treatment as a fraud claim (4 CFR 101.3), the following special procedures apply.

(a) *Agency processing.* If the debtor is separated or separates while Justice is reviewing the claim, the paying agency must send the Individual Retirement Record to OPM, as required by § 845.405(c)(2). The agency where the claim arose must send OPM notice that a claim is pending with Justice. (See § 845.405(b)(6) for instructions on giving OPM a notice of debt.)

(b) *Department of Justice processing.* (1) The Attorney General or a designee will decide whether a debt claim sent in by an agency will be reserved for collection by Justice as a fraud claim. Upon receiving a possible fraud claim to be collected by offset from the Fund, the Attorney General or a designee must notify OPM. The notice to OPM must contain the following:

(i) The name, date of birth, and social security number of the debtor;

(ii) The amount of the possible fraud claim, if known;

(iii) The basis of the possible fraud claim; and

(iv) A statement that the claim is being considered as a possible fraud claim, the collection of which is reserved to Justice.

(2) When there is a pending refund application, the Attorney General or designee must file a complaint seeking a judgment on the claim and send a copy of the complaint to OPM; or as provided in 4 CFR 101.3, refer the claim to the agency where the claim arose and submit a copy of the referral to OPM within 180 days of the date of either notice from the agency that a claim is pending with Justice (paragraph (a) of this section) or notice from Justice that it has received a possible fraud claim (paragraph (b)(1) of this section) whichever is earlier. When the claim is referred to the agency where it arose, the agency must begin administrative collection action under 4 CFR 102.4 and send a complete debt claim to OPM as required in § 845.405.

(c) *OPM processing against refunds.* (1) Upon receipt of a notice under paragraph (a) or (b)(1) of this section, whichever is earlier, OPM will withhold the amount of the debt claim, if known; notify the debtor that the amount of the debt will be withheld from the refund for at least 180 days from the date of the notice that initiated OPM processing; and pay the balance to the debtor. If the amount of the debt claim is not known, OPM will notify the debtor that a debt claim may be offset against his or her refund and that OPM will not pay any amount until either the amount of the debt claim is established, or the time limit for filing a complaint in court or submitting the debt claim expires, whichever comes first.

(2) If the Attorney General files a complaint and notifies OPM within the applicable 180-day period, OPM will continue to withhold payment of the lump-sum credit until there is a final judgment.

(3) If the Attorney General refers the claim to the agency where the claim arose (creditor agency) and notifies OPM within the applicable 180-day period, OPM will notify the creditor

agency that (i) the procedures in this subpart and 4 CFR 102.4 must be completed; and (ii) a debt claim must be sent to OPM within 120 days of the date of OPM's notice to the creditor agency. At the request of the creditor agency, one extension of time of not more than 60 days will be granted, as provided by §845.406(a).

(4) If OPM is not notified that a complaint has been filed or that the claim has been referred to the creditor agency within the applicable 180-day period, OPM will pay the balance of the refund to the debtor.

(d) *OPM processing against annuities.* If the debtor has filed an annuity claim, OPM will not take action against the annuity. OPM will continue to pay the annuity unless and until there is a final judgment for the United States or submission of a complete debt claim.

(e) *OPM collection and payment of the debt.* (1) If the United States obtains a judgment against the debtor for the amount of the debt or the creditor agency submits a complete debt claim, OPM will collect and pay the debt to the creditor agency as provided in §§845.406 and 845.407.

(2) If the suit or the administrative proceeding results in a judgment for the debtor without establishing a debt to the United States, OPM will pay the balance of the refund to the debtor upon receipt of a certified copy of the judgment or administrative decision.

§ 846.201 Elections to become subject to FERS.

(a) *Employees and Members subject to CSRS on June 30, 1987.* An individual who, on June 30, 1987, is employed in the Federal service or is a Member and who is covered by CSRS may elect to become subject to FERS. An election under this paragraph may not be made before July 1, 1987, or after December 31, 1987.

(b)(1) *Separated employees who are reemployed.* A former employee who, after June 30, 1987, becomes reemployed and subject to CSRS may elect, during the 6-month period beginning on the date he or she becomes subject to CSRS, to become subject to FERS, except that an employee serving under an interim appointment under the authority of § 772.102 of this chapter is not eligible to elect to become subject to FERS.

(2) *Separated employees who are employed with the District of Columbia Financial Management and Assistance Authority (Authority).* A former employee who becomes employed with the Authority and subject to CSRS may elect, during the 6-month period beginning on the date he or she becomes subject to CSRS, to become subject to FERS, except that an employee serving under an interim appointment under the authority of § 772.102 of this chapter is not eligible to elect to become subject to FERS.

(c) *Employees and Members not subject to CSRS.* (1) An employee or Member who is excluded from FERS coverage on January 1, 1987, by § 842.104 (d) or (f) of this chapter and who, on December 31, 1986, is not subject to CSRS may elect to become subject to FERS. An election under this paragraph (c)(1) may not be made before July 1, 1987, or after December 31, 1987.

(2) An employee who, on June 30, 1987, is not covered by CSRS, but later becomes so covered, may elect to become subject to FERS. An election under this paragraph (c)(2) must be made during the 6-month period beginning on the date he or she becomes subject to CSRS.

(3) An employee who would be subject to CSRS except for the exclusions in § 831.201 of this chapter, but is not excluded from FERS by 5 U.S.C. 8401 nor by § 842.105 of this chapter, is deemed eligible to make an election of FERS coverage under this section. An election under this paragraph (c)(3) must be made during the period beginning July 1, 1987, and ending December 31, 1987, or, if later, during the 6-month period beginning on the date the employment described in this paragraph (c)(3) begins.

(d) *Exceptions.* (1) An individual who is an employee of the government of the District of Columbia may not elect to become subject to FERS.

(3) An employee or reemployed annuitant whose appointment is excluded from FERS coverage by law or regulation may not become subject to FERS by reason of an election under this section except as specified in paragraph (c) of this section or as otherwise provided by law.

(4) An election under this section may not be made by an individual who

is ineligible for social security coverage.

(e) *Effective date.* An election made under this section is effective with the first pay period beginning after the date the election is properly filed with the employing office.

(f) *Irrevocability.* An election made under this section is irrevocable.

[52 FR 19235, May 21, 1987, as amended at 57 FR 3714, Jan. 31, 1992; 61 FR 58459, Nov. 15, 1996]

§846.202 Condition for making an election.

(a) An election under §846.102 of this part may not become effective unless the election is made with the written consent of any former spouse(s) entitled to benefits under subpart F of part 831 of this chapter or part 838 of this chapter. As provided in section 301(d)(2)(A) of the FERS Act of 1986, this section applies only if OPM has been duly notified concerning any qualifying court order and has received the documentation required in §838.211, §838.721, or §838.1005 of this chapter. This section does not apply with respect to a former spouse who has ceased to be so entitled because of remarrying before age 55.

(b) OPM may waive the requirement of paragraph (a) of this section upon a showing that the former spouse's whereabouts cannot be determined. A request for waiver on this basis must be accompanied by—

(1) A judicial or administrative determination that the former spouse's whereabouts cannot be determined; or

(2)(i) Affidavits by the employee or Member and two other persons, at least one of whom is not related to the employee or Member, attesting to the inability to locate the former spouse and stating the efforts made to locate the spouse; and

(ii) Documentary corroboration such as newspaper reports about the former spouse's disappearance.

(c) OPM may waive the requirement of paragraph (a) of this section based on exceptional circumstances if the employee or Member presents a judicial determination regarding the former spouse that would warrant waiver of the consent requirement based on exceptional circumstances.

(d)(1) OPM shall, upon application of an individual, grant an extension for such individual to make an election under §846.201 of this part, if the individual—

(i) Files an application for the extension with OPM before the end of the period during which the individual would otherwise be eligible to make the election; and

(ii) Demonstrates to OPM's satisfaction that the extension is needed to secure the modification of a decree of divorce or annulment (or court ordered or court-approved property settlement incident to any such decree) on file at OPM in order to satisfy the consent requirement under paragraph (a) of this section.

(2) The application for extension is deemed to be filed with OPM on the date it is received in the employing office.

(3) An extension granted under this paragraph expires 6 months after the date it was granted. OPM may grant one further extension upon application by the individual seeking to make an election of FERS coverage.

(e) An electing individual who has a former spouse who may be entitled to benefits as described in paragraph (a) of this section must submit with the election either—

(1) The consent of the former spouse in a form prescribed by OPM,

(2) A request for an extension as described in paragraph (f) of this section,

(3) A request for a waiver of the consent requirement and the documentation to support the request as described in paragraph (d) or (e) of this section, or

(4) A request for a determination as to whether a qualifying court order as described in paragraph (a) of this section is on file with OPM.

(f) The request for waiver or extension described in paragraphs (b), (c), and (d) of this section must be in a form prescribed by OPM. The employing office must forward the request to OPM promptly.

(g) If OPM does not have a copy of a qualifying court order in its possession, OPM's notice to the agency that it has no qualifying court order is deemed to complete the individual's election of FERS, which becomes effective with

the first pay period after the employing office receives OPM's notification.

(h) If OPM has a copy of a qualifying court order, OPM will notify both the individual and the employing agency of its determination regarding a request for extension.

(i) If OPM has a copy of a qualifying court order in its possession and grants a waiver of the requirement of paragraph (a) of this section, OPM will notify both the individual and the employing office of its decision. OPM's notice to the employing office is deemed to complete the individual's election, which becomes effective with the first pay period after the employing office receives OPM's notice that the waiver is granted.

[52 FR 19235, May 21, 1987, as amended at 57 FR 33599, July 29, 1992]

§ 846.203 Agency responsibilities.

(a) Employing offices must distribute the election forms provided by OPM to each eligible individual, including all individuals in a nonduty status.

(b) An employing office must obtain documentation of the individual's receipt of the election form specified in paragraph (a) of this section and retain the documentation permanently in the individual's official personnel folder (or the equivalent). Acceptable documentation includes—

(1) A statement of receipt signed by the individual, or

(2) A signed postal return receipt showing that the election form was received at the individual's address.

§ 846.204 Belated elections and correction of administrative errors.

(a) *Belated elections.* On determination by an employing office that the FERS transfer handbook issued by OPM was not available to an individual in a timely manner or an individual was unable, for cause beyond his or her control, to elect FERS coverage within the prescribed time limit, the employing office may, within 6 months after the expiration of the individual's opportunity to elect FERS coverage under §846.201, accept the individual's election of FERS coverage.

(b)(1) *Correction of administrative errors related to election.* During the 6-month period after the expiration of an individual's opportunity to elect FERS coverage under §846.201, the employing office may make prospective corrections of administrative errors regarding an individual's opportunity to elect FERS coverage, including failure to provide the election form specified in §846.203(a) to an individual.

(2)(i) For an employee, separated employee, or retiree whose employing agency erroneously determined that the individual was covered by FERS during the period under §846.201 when the individual was eligible to elect FERS, and the employing agency should have placed the individual in CSRS, CSRS Offset, or Social Security only, under conditions that would have included an opportunity to elect FERS coverage, the employee, separated employee, or retiree is deemed to have elected FERS coverage and the individual will remain covered by FERS, unless the individual declines under paragraph (b)(2)(ii) of this section to be covered by FERS.

(ii)(A) The employing agency must provide written notice to each individual who is deemed to have elected FERS under paragraph (b)(2)(i) of this section that the individual may, within 60 days after receiving the notice, decline to be deemed to have transferred to FERS.

(B) If the individual dies during the election period established by paragraphs (b)(2)(ii) (A) and (C) of this section, the right of election under paragraph (b)(2)(i) of this section may be exercised by any person who would be entitled to receive a current spouse survivor annuity or a former spouse survivor annuity under CSRS (or CSRS Offset), if any, if the error had not occurred (the election by any one such current or former spouse not to have the election of FERS coverage deemed is controlling); otherwise, by the individual or individuals entitled to receive the lump-sum credit under CSRS (or CSRS Offset) if the error had not occurred (the election by any individual entitled to a share of the lump-sum credit not to have the election of FERS coverage deemed is controlling). The time limit for making an election under this paragraph is 60 days after the date of the agency's notice to the

individual (survivor) of the election right.

(C) The agency may waive the 60-day time limit under paragraphs (b)(2)(ii)(A) and (B) of this section if the individual (if living, otherwise the appropriate survivor) exercised due diligence in making the election but was prevented by circumstances beyond his or her control from making the election within the time limit. An agency decision not to waive the time limit under this paragraph must include notice to the individual of the individual's right to request OPM to reconsider the denial of the waiver of the time limit. OPM's reconsideration decision on denial of a waiver of the time limit will notify the individual of the right to appeal to the Merit Systems Protection Board under chapter II of this title.

(iii) The employing agency must document the individual's records to reflect his or her decision concerning retirement coverage.

(c) *OPM's reconsideration.* An agency decision concerning an individual's opportunity to elect FERS coverage or the effective date of an election of FERS coverage is subject to reconsideration by OPM under § 846.205.

(d) *Correction of other administrative errors.* Failure to begin employee deductions and Government contributions on the effective date of coverage must be corrected in accordance with § 841.505 of this chapter.

[52 FR 19235, May 21, 1987, as amended at 58 FR 47822, Sept. 13, 1993]

§ 846.205 Reconsideration and appeal rights.

(a) *Who may file.* An individual may request OPM to reconsider a decision of an employing office affecting his or her election of coverage under FERS. A request for reconsideration of a decision by OPM regarding extension of the time limit or a waiver under § 846.202 or refunds under § 846.401 must be made in accordance with § 841.305 of this chapter.

(b) *Reconsideration.* A request for reconsideration of an agency decision must be filed within the time limit given in paragraph (c) of this section. A request for reconsideration must be made in writing and must include the claimant's name, address, date of birth, and the reason for the request.

(c) *Time limit.* A request for reconsideration of an agency decision must be filed within 30 calendar days from the date of the agency's decision stating the right to reconsideration. OPM may extend the time limit on filing when a person shows that he or she was not notified of the time limit and was not otherwise aware of it, or that he or she was prevented by circumstances beyond his or her control from making the request within the time limit.

(d) *OPM's decision.* After reconsideration, OPM issues its final decision in writing, setting forth its findings and conclusions.

(e) *Appeals to MSPB.* A person whose rights or interests under this part are affected by OPM's decision under paragraph (d) of this section may request the Merit Systems Protection Board (MSPB) to review such decision in accord with procedures prescribed by MSPB.

§ 847.206 Time limit for making an election.

(a) Except as provided in paragraph (b) of this section, the time limit for making the election is 30 days after the qualifying move.

The employing agency must provide notice to all eligible employees of the opportunity to elect to continue retirement coverage under subpart D of this part. Failure to provide notice to the employee is justification for waiving the time limit under §847.304.

§847.303 Election forms.

(a) Eligible employees may make an election under subpart D of this part on a form prescribed by OPM and filed with the employing agency.

(b) For elections of retirement coverage under subpart D of this part, the election form will require that the employee obtain a certification from his or her previous retirement system showing dates of service, amounts transferable from the previous retirement system to the elected retirement system under subpart E of this part, and that the employee became vested in the retirement system. §847.305 Basic records.

(a) Agencies must establish and maintain retirement accounts for employees subject to CSRS or FERS in the manner prescribed by OPM.

(b) The individual retirement record (Standard Form 2806 for CSRS, or Standard Form 3100 for FERS) is the basic record for action on all claims for annuity or refund, and those pertaining to deceased employees and annuitants.

(b) A qualifying move occurring after December 31, 1965, and before August 10, 1996, which would allow an employee the opportunity to elect to continue retirement coverage under a NAFI retirement system retroactive to the date of the qualifying move must meet all the following criteria:

(1)(i) For moves occurring before February 10, 1996, the employee must not have had a prior opportunity to elect to continue CSRS, FERS, or NAFI retirement coverage under § 847.202(c) or (d);

(5) The employee must, since moving to the FERS position, have been continuously covered by FERS, disregarding any break in service of not more than 3 days.

(c) A move from a NAFI to CSRS, including CSRS/SS as defined under § 846.102 of this chapter followed by an election of FERS coverage under § 846.201 of this chapter, is not a qualifying move for an election of retirement coverage under § 847.431 (pertaining to elections of NAFI service credit for FERS service) and § 847.441 (pertaining to elections of NAFI retirement coverage).

(d) A qualifying move under paragraphs (a) and (b) of this section is considered to occur on the date the individual entered into the new position, not at the time of separation from the prior position.

Subpart E—Transfers of Contributions Under the Retroactive Provisions

§ 847.501 Purpose and scope.

This subpart regulates transferring retirement contributions and crediting those contributions to offset the employee costs in connection with elections section 1043(c)(2) of the National Defense Authorization Act for Fiscal Year 1996.

§ 847.502 Transfers to the CSR Fund.

For elections of CSRS or FERS coverage under § 847.411 or FERS coverage and service credit under § 847.421, the amount under § 847.504 will be transferred to the Fund using the procedures established under § 847.506.

§ 847.503 Transfers from the CSR Fund.

For elections of NAFI retirement system coverage under § 847.441, the amount under § 847.504 will be transferred from the Fund using the procedures established under § 847.506.

§ 847.504 Amount of transfer.

(a) All transfers must include employee contributions with interest, if not previously refunded, and Government contributions for civilian service which becomes creditable under the elected retirement system due to an election under §§ 847.411, 847.421, and 846.441.

(b) If the employee has withdrawn his or her contributions to the retirement system, the amount required by paragraph (a) of this section, less the amount refunded, will be transferred.

§ 847.505 When transfer occurs.

(a) OPM, the Department of Defense, and the U.S. Coast Guard will transfer the amount specified in § 847.504 as soon as practicable after receipt of an election of retirement coverage under subpart D of this part.

(b) The transfer of contributions may not be delayed until the employee retires or separates from service.

§ 847.506 Procedures for transfer.

OPM, the Department of Defense, and the U.S. Coast Guard will jointly determine the procedure for transfer of contributions.

§ 847.507 Earnings after transfer.

Amounts transferred to the Fund under § 847.502 that are used to determine the deficiency under § 847.604 accrue interest at the rate prescribed under § 841.603 of this chapter from the date of receipt in OPM through the date determined under § 847.603 (pertaining to the date of calculation of any deficiency).

Subpart F—Additional Employee Costs Under the Retroactive Provisions

§ 847.601 Purpose and scope.

(a) The purpose of this subpart is to establish the methodology that OPM will use to determine—

(1) The cost of an employee's election under § 847.411 or § 847.421; and

(2) The amount by which annuity payments may be affected as a result of the election.

(b) This subpart applies only to CSRS and FERS benefits. The Departments of Defense, and the U.S. Coast Guard will issue regulations providing methodologies for NAFI's under their jurisdictions.

§ 847.602 Present value factors.

(a) OPM publishes the following tables (available at personnel and payroll offices):

(1) One table of present value factors for all CSRS annuities;

(2) One table of present value factors for FERS annuities that do not receive cost-of-living adjustments before the retiree attains age 62; and

(3) One table of present value factors for FERS annuities that receives cost-of-living adjustments before the retiree attains age 62.

(b)(1) Each present value factor will equal the amount of money (earning interest at an assumed rate) required at the date of computation to fund an annuity that starts out at the rate of $1 a month and is payable in monthly

installments for the annuitant's lifetime based on mortality rates for annuitants paid from the Fund; and increases each year, assuming a certain rate of inflation.

(2) Interest, mortality, and inflation rates used in computing the present value are those used by the Board of Actuaries of the Civil Service Retirement System for valuation of CSRS and FERS, based on dynamic assumptions.

(3) The present value factors are unisex factors obtained by averaging distinct present value factors, which take into account mortality for retirees and survivors under CSRS and FERS.

(c)(1) When OPM publishes in the FEDERAL REGISTER notice of normal cost percentages under § 841.407 of this chapter, it will also publish the CSRS and FERS tables of present value factors for use for this part.

(2) The present value factors will be based on the assumptions used to compute the normal cost percentages.

(3) Changes in the tables of present value factors will be effective on the first day of the month in which the changes in the normal cost percentages become effective.

§ 847.603 Date of present value and deficiency determinations.

(a) For determining the deficiency under § 847.604, OPM will determine, under §§ 847.605 through 847.607, the present values of future retirement benefits (with and without credit for the NAFI service) as of the first date on which inclusion of credit for the NAFI service will affect the rate of annuity payable.

(b) Appendix A to this subpart contains a table in which the left column is a list of events for which inclusion of credit for the NAFI service will affect the rate of annuity payable and the right column indicates the date on which the deficiency will be determined.

§ 847.604 Methodology for determining deficiency.

(a) When an event listed in the left column of the table in Appendix A to this subpart occurs, OPM will compute the deficiency, as follows:

(1) As of the date of computation under § 847.603, OPM will determine—

(i) The present value of the annuity including credit for the NAFI service under § 847.605;

(ii) The present value of the annuity without credit for the NAFI service under § 847.606 or § 847.607, as applicable; and

(iii) The amount credited to the employee from a transfer to the Fund under subpart E of this part including earnings under § 847.507.

(2) OPM will add the amount determined under paragraphs (a)(1)(ii) and (iii) of this section and subtract that sum from the amount determined under paragraph (a)(1)(i) of this section.

(b) If the amount determined under paragraph (a)(2) of this section is greater than zero, the deficiency is equal to that amount.

(c) If no event listed in the left column of the table in Appendix A to this subpart occurs—that is, the additional service credit does not cause an increase in an employee annuity or a survivor annuity actually paid—or, if the amount determined under paragraph (a)(2) of this section is less than or equal to zero, the deficiency equals zero.

§ 847.605 Methodology for determining the present value of annuity with service credit.

(a) OPM will determine the present value of the annuity including service credit for NAFI service under paragraph (b) or (c) of this section.

(b) In cases in which the annuity is payable to a retiree, the present value under paragraph (a) of this section equals the monthly annuity rate including credit for the NAFI service as of the date of computation under § 847.603 times the present value factor for the retiree's age on that date.

(c) In cases in which the annuity is payable to a survivor, the present value under paragraph (a) of this section equals the monthly annuity rate including credit for the NAFI service as of the date of computation under § 847.603 times the present value factor for the survivor's age on that date.

§847.606 Methodology for determining the present value of annuity without service credit—credit not needed for title.

(a) If credit for the NAFI service is not necessary to provide title to an annuity payable on the date of computation under §847.603, OPM will determine the present value of the annuity without credit for the NAFI service under paragraph (b) or (c) of this section.

(b) In cases in which the annuity is payable to a retiree, the present value under paragraph (a) of this section equals the monthly annuity rate without credit for the NAFI service as of the date of computation under §847.603 times the present value factor for the retiree's age on that date.

(c) In cases in which the annuity is payable to a survivor, the present value under paragraph (a) of this section equals the monthly annuity rate including credit for the NAFI service as of the date of computation under §847.603 times the present value factor for the survivor's age on that date.

§847.607 Methodology for determining the present value of annuity without service credit—credit needed for title.

(a) If credit for the NAFI service is necessary to provide title to an annuity payable on the date of computation under §847.603, OPM will determine the present value of the annuity without credit for the NAFI service under paragraph (b) or (c) of this section.

(b)(1) In cases in which the annuity is payable to a retiree, the present value under paragraph (a) of this section equals the present value of the deferred annuity without credit for the NAFI service as of the deferred annuity date discounted for interest to that date determined under §847.603.

(2) The present value of the deferred annuity without credit for the NAFI service as of the deferred annuity date equals the retiree's monthly annuity rate without credit for the NAFI service as of the deferred annuity date times the present value factor for the retiree's age on that date.

(3) The present value under paragraph (b)(2) of this section is discounted for interest by dividing that amount by a factor equal to the value of exponential function in which—

(i) The base is one plus the assumed interest rate under §841.405 of this chapter on the date determined under §847.603, and

(ii) The exponent is one-twelfth of the number of months between the date determined under §847.603 and the deferred annuity date.

(c) In cases in which the annuity is payable to a survivor, the present value under paragraph (a) of this section equals zero, that is, no survivor annuity would ever become payable without credit for the NAFI service.

§847.608 Reduction in annuity due to deficiency.

Any annuity payable in the case of an employee who has made an election under subpart D of this part will include credit for the NAFI service. The monthly annuity rate on the date determined under §847.603 will be permanently reduced by an amount equal to the amount of any deficiency divided by the present value factor for the annuitant's age on that date.

APPENDIX A TO SUBPART F OF PART 847—LIST OF EVENTS FOR WHICH INCLUSION OF NAFI SERVICE MAY AFFECT THE RATE OF ANNUITY PAYABLE

Type of event	Date deficiency will be determined
CSRS or FERS nondisability retirement.	Commencing date of annuity.
CSRS disability retirement	Commencing date of annuity.[1]
FERS disability retirement	First day of month following 62nd birthday.[2]
CSRS death in service	Commencing date of survivor annuity.[3]
FERS death in service	Commencing date of survivor annuity.
FERS death of disability annuitant prior to age 62.	Commencing date of survivor annuity.
FERS death of separated employee.	Commencing date of survivor annuity.
CSRS or FERS redetermination of annuity.	Commencing date of redetermined annuity benefit.

[1] Disability annuity with and without credit for NAFI service must be computed. If annuity payable under each computation is identical due to guaranteed minimum annuity, then deficiency is zero.

[2] Generally, the date the deficiency is determined will be the disability retiree's 62nd birthday. However, if an annuity benefit based on the retiree's actual years of service and salary becomes payable prior to age 62, the deficiency is computed at that time.

[3] Deficiency amount could be zero if survivor is eligible for the guaranteed minimum annuity amount under both computations.

Subpart G—Computation of Benefits Under the Retroactive Provisions

§ 847.701 Purpose and scope.

This subpart establishes the methodology that OPM will use to determine benefit payable in connection with an election made under subpart D of this part.

§ 847.702 Lump-sum payments and refunds.

(a) Employee contributions with interest which are transferred to the Fund under subpart E of this part are included in any lump-sum credit or unexpended balance payable to the employee or the employee's survivors under subpart T of part 831 of this chapter or under part 843 of this chapter.

(b) Government contributions which are transferred to the Fund under subpart E of this part are not included in any lump-sum credit or unexpended balance and are not payable to the employee or the employee's survivors.

§ 847.703 Reductions in annuity.

The CSRS or FERS basic annuity of an employee or survivor who has elected retirement coverage under subpart D of this part is reduced in the following order—

(a) For age, if applicable, as provided under sections 8339(h) and 8415(f) of title 5, United States Code.

(b) For noncontributory service performed before October 1, 1982, if applicable, as provided under 5 U.S.C.A. 8339(i), note.

(c) For deficiency, as determined under subpart F of this part.

(d) To provide a survivor annuity to a spouse or former spouse, if applicable, as provided under sections 8339(j)(4) and 8419(a) of title 5, United States Code.

(e) Any other reductions which may apply.

§ 847.704 Maximum survivor annuity election.

The amount of the employee's benefit after reduction for any deficiency under § 847.608 is—

(a) For CSRS, the maximum amount that may be designated as the survivor base under section 8339 (j) or (k) to title 5, United States Code;

(b) For FERS, the employee annuity (for survivor benefit purposes) under sections 8416 through 8420 of title 5, United States Code.

§ 847.705 Cost-of-living adjustments.

Cost-of-living adjustments are applied to the rate payable to the retiree or survivor, including the reduction for any deficiency described in § 847.608.

(b) *Initial employing office decision.* An employing office's decision is considered an initial decision as used in paragraph (a) of this section when rendered by the employing office in writing and stating the right to an independent level of review (reconsideration) by the appropriate agency or retirement system. However, an initial decision rendered at the highest level of review available within OPM is not subject to reconsideration.

(c) *Reconsideration.* (1) A request for reconsideration must be made in writing, must include the claimant's name, address, date of birth, Social Security number, reason(s) for the request, and, if applicable, retirement claim number.

(1) All United States Courts of Appeals;

(2) All United States District Courts;

(3) The Court of International Trade;

(4) The Claims Court; and

(5) The District Courts in Guam, the Northern Mariana Islands, and the Virgin Islands.

Immediate annuity means (1) an annuity that begins to accrue no later than one month after the date the insurance would otherwise stop and (2) an annuity under §842.204(a)(1) of this chapter for which the commencing date has been postponed under §842.204(c) of this chapter.

Judge means an individual appointed as a Federal justice or judge under Article I or Article III of the Constitution. Administrative law judges, bankruptcy judges, and magistrates are not judges for purposes of assignment of FEGLI coverage.

OPM means the Office of Personnel Management.

OWCP means the Office of Workers' Compensation Programs, U.S. Department of Labor, which administers subchapter I of chapter 81 of title 5, United States Code.

Person means an individual, corporation, or a trustee.

Reconsideration means the final level of administrative review of an employing office's initial decision to determine if the employing office correctly applied the law and regulations.

Service means civilian service which is creditable under subchapter III of chapter 83 or chapter 84 of title 5, United States Code, including service under a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard for an individual who elected to remain subject to a retirement system established for employees described in section 2105(c) of title 5.

Underdeduction means a failure to withhold the required amount of life insurance deductions from an individual's pay, annuity, or compensation. This definition includes both nondeductions (when none of the required amount was withheld) and partial deductions (when only part of the required amount was withheld). Withholdings are not required while an individual is in a nonpay status; therefore, the nonpayment of premiums in this instance does not result in an underdeduction.

(1) An employee serving under an appointment limited to 1 year or less, except: (i) An employee so appointed for full-time employment or part-time employment with a regular tour of duty without break in service or after a separation of 3 days or less, following service in which he/she was insured, (ii) an acting postmaster, (iii) a Presidential appointee appointed to fill an, unexpired term; and (iv) an appointee whose appointment meets the definition of provisional appointment set out in §§ 316.401 and 316.403 of this chapter.

(3) An intermittent employee—a non-full-time employee without a regularly scheduled tour of duty, except when the employee enters into such a status without break in service or after a separation of three days or less, following service in a position in which he/she was insured and to which he/she is expected to return.

(4) An employee whose pay on an annual basis is $12 a year or less.

(5) A beneficiary or patient employee in a government hospital or home.

[49 FR 3034, Jan. 25, 1984, as amended at 52 FR 38220, Oct. 15, 1987; 56 FR 10143, Mar. 11, 1991; 57 FR 3715, Jan. 31, 1992]

§ 870.203 Effective dates of insurance coverage.

(a)(1) Following an appointment or transfer to a position in which an employee is not excluded from coverage, the employee is insured on the day he/she actually enters on duty in pay status, unless he/she files a waiver of basic insurance coverage before the end of his/her first pay period with the employing office, or a previously filed waiver remains uncanceled.

(2) An employee who moves from a position in which he/she is insured to another position in which he/she is not excluded from coverage is insured on the effective date of the change, unless the employee files a waiver of basic insurance coverage with the new employing office before the end of his/her first pay period in the new position.

(b) An employee who returns to pay and duty status after a period of more than 12 months of nonpay status is insured at the time he/she actually enters on duty in pay status, unless the employee files a waiver of basic coverage before the end of the first pay period with the employing office, or had previously filed such a waiver which remains uncanceled.

(c) In the case of an employee serving in cooperation with a non-Federal agency and who is paid in whole or in part from non-Federal funds, insurance may not take effect until the date set by OPM for coverage to begin. This date is to be part of an agreement between OPM and the non-Federal agency providing (1) that the required withholdings and contributions will be made from federally controlled funds and timely deposited into the Employees' Life Insurance Fund, or (2) that the cooperating non-Federal agency will, by written agreement with the Federal agency, make the required withholdings and contributions from non-Federal funds and will transmit the total of these amounts to the Federal agency for timely deposit into the Employees' Life Insurance Fund.

(d) An open enrollment election of basic life insurance filed during the period from March 29 through April 30, 1993, is effective on the first day of the first day period beginning on or after May 30, 1993, which immediately follows a pay period during which the employee was in a pay and duty status for at least 32 hours. A part-time employee will need to have been in a pay and duty status for one-half of the regularly-scheduled tour of duty indicated on his or her current Standard Form 50 for newly-elected coverage to become effective. An employee who has no regularly-scheduled tour of duty or who is employed on an intermittent basis will have to have been in a pay and duty status for one-half of the hours customarily worked before newly-elected coverage can become effective. For the purpose of this subsection, employing offices can determine the number of hours customarily worked by averaging the number of hours worked in the calendar year quarter ending March 31, 1993.

(e) An open enrollment election of basic life insurance filed during the period from May 22, 1995, through July 21, 1995, is effective on the 1st day of the first pay period beginning on or after the date the employing office received the enrollment form. There is no requirement to be in a pay and duty status for the enrollment to be effective.

[49 FR 3034, Jan. 25, 1984, as amended at 50 FR 26688, June 28, 1985; 58 FR 11954, Mar. 2, 1993; 60 FR 31372, June 15, 1995]

§ 870.204 Waiver and cancellation of waiver of insurance coverage.

(a) An insured person may cancel his/her basic insurance at any time by filing a waiver of basic insurance coverage. An employee files with the employing office. An annuitant files with OPM or other office that administers

his/her retirement system. If still employed, a compensationer files with the employing office, and, if not still employed, with OWCP. The waiver shall be effective and the insurance shall cease at the end of the pay period in which the waiver is properly filed.

(b) An employee who has filed a waiver of basic insurance coverage may cancel the waiver and become insured if:

(1) At least 1 year has elapsed since the effective date of such waiver; and

(2) He/she furnishes satisfactory evidence of insurability.

(c) An employee who has complied with paragraph (b) of this section is insured when he/she actually enters on duty in pay status in a position in which he/she is not excluded from insurance by law or regulation, following the approval of his/her Request for Insurance by the Office of Federal Employees' Group Life Insurance established by the insurance company. The approval is revoked automatically and the employee is not insured unless he/she enters on duty in pay status within 31 days following the date of the approval.

(d) Waivers of basic insurance coverage filed on or before February 28, 1981, are automatically canceled effective on the first day an employee whose waiver is so canceled actually enters on duty in a pay status on or after April 1, 1981. Basic insurance coverage automatically attaches on the date of the cancellation unless the employee files a waiver of basic insurance with the employing office before the end of the pay period during which the cancellation became effective.

(e) Notwithstanding paragraphs (b), (c), and (d) of this section, the waiver of basic insurance coverage of an employee who is or becomes an employee of the United States Postal Service on or after July 20, 1974, in a position in which he/she is not excluded from insurance coverage is automatically canceled and he/she is insured for basic insurance on the first day he/she actually enters on duty in a pay status on or after July 24, 1974.

(f)(1) A previous waiver is automatically canceled at time of reinstatement on or after April 1, 1981, if an employee has been separated from service for at least 180 days. If no new waiver is filed, basic insurance coverage automatically attaches on the date the employee actually enters on duty in a pay status in a position wherein he/she is not excluded from insurance by law or regulations.

(2) An employee who returned to Federal service between April 1, 1981, and December 8, 1983, after a 180-day break in service may elect basic insurance coverage upon application to his or her employing office before March 7, 1984.

(g)(1) An open enrollment period will be held from March 29 through April 30, 1993, during which time employees otherwise eligible for coverage may cancel their existing waivers of coverage by affirmatively electing to be insured on a form designated by OPM.

(2) An employing office may make a determination, within 6 months after the March 29 through April 30, 1993 open enrollment period, that an employee was unable, for cause beyond his or her control, to cancel his or her then existing waiver of coverage by affirmatively electing to be insured during the 1993 open enrollment period. The employee shall be permitted to submit an affirmative election of coverage within 31 days after he or she is advised of that determination. Basic life insurance coverage in that case is retroactive to the first pay period beginning on or after May 30, 1993, which immediately follows a pay period during which the employee was in a pay and duty status for a sufficient length of time, as specified in § 870.203(d), to acquire coverage. Failure on the part of the employee to file an election within the 31 days prescribed in this paragraph shall be deemed a waiver of all coverage.

(h)(1) An Open Season will be held from May 22, 1995, through July 21, 1995, during which time employees otherwise eligible for coverage may cancel their existing waivers of coverage by affirmatively electing to be insured on a form designated by OPM.

(2) An employing office may make a determination, within 6 months after the May 22, 1995, through July 21, 1995, Open Season, that an employee was unable, for cause beyond his/her control, to cancel his/her then existing waiver of coverage by affirmatively electing

to be insured during the 1995 Open Season. The employee will be permitted to submit an affirmative election of coverage within 31 days after he/she is advised of that determination. Basic life insurance coverage in that case is retroactive to the 1st day of the first pay period beginning on or after July 21, 1995.

[49 FR 3034, Jan. 25, 1984, as amended at 50 FR 26688, June 28, 1985; 51 FR 21497, June 13, 1986; 58 FR 11954, Mar. 2, 1993; 60 FR 31372, June 15, 1995]

Subpart C—Amount of Insurance

§ 870.301 Basic insurance amount (BIA).

(a) An employee's basic insurance amount (BIA) is the greater of (1) his/her annual rate of basic pay, rounded to the next higher multiple of $1,000, plus $2,000, or (2) $10,000. However, in no event may the BIA be more than the annual rate of pay for positions at Level II of the Executive Schedule under section 5313 of title 5, U.S.C., rounded to the next higher thousand, plus $2,000. The BIA of an individual who is entitled to continue basic life insurance coverage as an annuitant or compensationer is the BIA in effect at the time the insurance to which he/she is entitled as an employee would stop under § 870.501.

(b) Effective on the first day of the first pay period beginning on or after October 1, 1981, the amount of an employee's basic life insurance coverage is equal to his/her BIA multiplied by the appropriate factor determined on the basis of the age of the insured individual, as follows:

Age	Factor
35 or under	2.0
36	1.9
37	1.8
38	1.7
39	1.6
40	1.5
41	1.4
42	1.3
43	1.2
44	1.1
45 or over	1.0

(c) The post-election BIA of an employee who elected a partial Living Benefit is the BIA as of the date OFEGLI received the completed Living Benefit application reduced by the percentage which the partial lump-sum payment represents of the pre-election BIA multiplied by the age factor as stated in § 870.301(b)(rounded up or down to the nearest multiple of $1,000 or, if midway between multiples, to the next higher multiple of $1,000). The post-election BIA will not change after the effective date of the partial Living Benefit election. For purposes of computing the payment of benefits upon the death of the insured individual who elected a partial Living Benefit, the BIA will be multiplied by the age factor in effect as of the date OFEGLI received the completed Living Benefit application.

[49 FR 3034, Jan. 25, 1984, as amended at 60 FR 31373, June 15, 1995]

§ 870.302 Annual rates of pay.

(a) An insured employee's annual pay is his/her annual rate of basic pay as fixed by law or regulation, except that annual pay for this purpose shall include—

(1) Standby duty premium pay under 5 U.S.C. 5545(c)(1);

(2) For a law enforcement officer as defined in §§ 831.902 or 842.802, administratively uncontrollable overtime pay under 5 U.S.C. 5545(c)(2); and

(3) Availability pay under 5 U.S.C. 5545a.

(b) A pay rate of other than annual salary is converted to an annual rate by multiplying the prescribed rate by the number of pay units in a 52-week work year.

(c) The annual pay for a part-time employee is his/her basic pay applicable to his/her tour of duty in a 52-week work year.

(d) The annual pay for an employee who legally and concurrently serves in more than one position, other than as a part-time flexible schedule employee in the Postal Service, is the sum of the annual basic pay fixed by law or regulation for each position.

[49 FR 3034, Jan. 25, 1984, as amended at 59 FR 66154, Dec. 23, 1994]

Subpart D—Withholdings and Contributions

§ 870.401 Withholdings and contributions.

(a) During each pay period in which an insured employee is in pay status for any part of the period, $0.165 for each $1,000 of the employee's BIA shall be withheld from the biweekly pay of the employee. The amount withheld from the pay of an employee who is paid on other than a biweekly basis is determined at a proportionate rate, adjusted to the nearest one-tenth of one cent.

(b) The amount withheld from the pay of an insured employee whose annual pay is paid during a period shorter than 52 workweeks is the sum obtained by converting the biweekly rate of $0.165 for each $1,000 of the employee's BIA to an annual rate and prorating the annual rate over the number of installments of pay regularly paid during the year.

(c) The amount withheld from the pay of an insured employee whose BIA changes during a pay period is based on the last BIA in force during the pay period.

(d) For each period in which an employee is insured there shall be contributed from the respective appropriation or fund which is used for the payment of his/her pay (or, in the case of an elected official, from such appropriation or fund as may be available for payment of other pay of the same office or establishment) an amount equal to one-half the amount withheld from the employee's pay.

(e) Notwithstanding the preceding paragraphs of this section, the United States Postal Service contributes the full cost of basic insurance, that is, the sum of the amounts otherwise to be withheld and contributed under paragraphs (a), (b), (c), and (d) of this section, for each period in which an employee of the United States Postal Service is insured.

(f)(1) Except as provided under paragraph (g) of this section, an insured person who elects continued basic life insurance coverage during receipt of annuity or compensation payments as provided under §870.601(c)(2) or §870.701(c)(2) (maximum reduction of 75 percent after age 65) shall have withheld from his/her payments basic life insurance withholdings at the monthly rate (for annuitants) of $0.3575 for each $1,000 of the BIA or at the weekly rate (for compensationers) of $0.0825 for each $1,000 of the BIA.

(2) An insured person who elects continued basic life insurance coverage during receipt of annuity or compensation payments as provided under §§870.601(c)(3) or 870.701(c)(3) (maximum reduction of 50 percent after age 65) shall have withheld from his/her payments basic life insurance withholdings at the monthly rate (for annuitants) of $0.52 for each $1,000 of the BIA or at the weekly rate (for compensationers) of $0.12 for each $1,000 of the BIA.

(3) An insured person who elects continued basic life insurance coverage during receipt of annuity or compensation payments as provided under §§870.601(c)(4) or 870.701(c)(4) (no reductions) shall have withheld from his/her payments basic life insurance withholdings at the monthly rate (for annuitants) of $1.69 for each $1,000 of the BIA or at the weekly rate (for compensationers) of $0.39 for each $1,000 of the BIA.

(g)(1) Basic life insurance withholdings required under paragraph (f)(1) of this section shall not be made for any month after the calendar month in which the individual becomes 65 years of age and shall not apply for an individual who retires or commences compensation payments before January 1, 1990. For purposes of this paragraph, an individual who separates from service after meeting the requirements for an immediate annuity under 5 U.S.C. 8412(g) is deemed to retire on the day before the annuity commences.

(2) Withholdings are not required for the period between the end of the pay period in which an individual separates from service and the beginning of the annuity or compensation payments, if later.

(h) When an agency withholds less than or none of the proper amount of basic life insurance deductions from an individual's pay, annuity, or compensation, the agency must submit an amount equal to the sum of the uncollected deductions and any applicable agency contributions required under

section 8708 of title 5, United States Code, to OPM for deposit to the Employee's Life Insurance Fund.

(i) The deposit to OPM as described in paragraph (h) of this section must be made as soon as possible but no later than 60 calendar days after the date the employing office determines the amount of the underdeduction that has occurred, regardless of whether or when the underdeduction is recovered by the agency. A subsequent agency determination whether to waive collection of an overpayment of pay caused by failure to properly withhold life insurance deductions shall be made in accordance with 5 U.S.C. 5584 as implemented by 4 CFR chapter I, subchapter G, unless the agency involved is excluded from application of 5 U.S.C. 5584, in which case any applicable authority to waive the collection may be used.

(j) *Direct premium payments under 5 U.S.C. chapter 84.* (1) If the annuity received under 5 U.S.C. chapter 84 (Federal Employees' Retirement System), excluding subchapter III of chapter 84 (Thrift Savings Plan), is too low to cover the basic life insurance premium, the retirement system will notify the annuitant of the opportunity to pay the annuitant's share of the premium directly to the retirement system.

(2) The retirement system shall establish a method for accepting direct payment for basic life insurance premiums from annuitants retiring under 5 U.S.C. chapter 84 whose annuities are too low to cover their premiums. The retirement system will provide the annuitant with a premium payment schedule and statement of the requirements for continued enrollment. The annuitant must continue to make direct payment of the premium even if the annuity increases to the extent that it covers the premium.

(3) The annuitant must remit to the retirement system his or her share of the premium for basic life insurance for every pay period during which the coverage continues, exclusive of the 31-day temporary extension of coverage for conversion provided in §870.501. Payment must be made after the pay period in which the individual is covered in accordance with a schedule established by the retirement system. If the retirement system does not receive payment by the date due, the retirement system will notify the annuitant by certified mail return receipt requested that continuation of coverage rests upon payment being made within 15 days after receipt of the notice. The basic insurance coverage of an annuitant who fails to remit payment within the specified time frame will be terminated. An individual whose coverage is terminated because of nonpayment of premium may not re-elect or reinstate coverage, except as provided in paragraph (j)(4).

(4) If the individual was prevented by circumstances beyond his or her control from making payment within 15 days after receipt of the notice, he or she may request reinstatement of coverage by writing to the retirement system. Such a request must be filed within 30 calendar days from the date of termination and must be accompanied by verification that the individual was prevented by circumstances beyond his or her control from paying within the time limit. The retirement system will determine if the individual is eligible for reinstatement of coverage; and, when the determination is affirmative, the individual's coverage may be reinstated retroactively to the date of termination. If the determination is negative, the individual may request a review of the decision from OPM.

(5) Termination of enrollment for failure to pay premiums within the time frame established in accordance with subparagraph (j)(3) of this section is retroactive to the end of the last pay period for which payment has been timely received.

(6) The retirement system will submit all direct premium payments along with its regular life insurance premiums to OPM in accordance with procedures established by that Office.

§ 870.402 Withholdings and contributions following a Living Benefits election.

(a) The basic insurance withholding for an insured individual who has elected a total payment of basic insurance for a Living Benefit will cease the end of the pay period in which the election of Living Benefits is effective.

(b) The amount withheld for basic insurance from the pay of an insured employee who has elected a partial Living Benefit will be based on the amount of BIA remaining after the partial Living Benefit election is effective.

(c) The amount withheld for basic insurance from the annuity of an annuitant who elected a partial Living Benefit as an employee will be based on the amount of BIA remaining after the partial Living Benefit election is effective.

(d) The amount withheld for basic insurance from the compensation of a compensationer who elected a partial Living Benefit as an employee will be based on the amount of BIA remaining after the partial Living Benefit election is effective.

[60 FR 31373, June 15, 1995]

Subpart E—Termination and Conversion

§ 870.501 Termination and conversion of insurance coverage.

(a) Except as provided in §§ 870.601 and 870.701, the basic insurance of an insured employee stops on the date of his/her separation from the service, subject to a 31-day extension of basic life insurance coverage, or on the effective date of a full Living Benefits election.

(b) The basic insurance of an employee who separates from service upon meeting the requirements for an immediate annuity under § 842.204(a)(1) of this chapter and who postpones receipt of annuity as provided by § 842.204(c) of this chapter, stops on the date of separation from the service, subject to a 31-day extension of basic life insurance coverage.

(c) The basic insurance of an insured employee who moves without a break in service to a position in which he/she is excluded from basic insurance stops on his/her last day on the roll in the former position, subject to a 31-day extension of basic life insurance coverage.

(d) Except as provided in paragraph (e) of this section and in §§ 870.601 and 870.701, the basic insurance of an insured employee continues without cost to the employee while he/she is in nonpay status for up to 12 months, at which time it stops, subject to a 31-day extension of basic life insurance coverage. The 12 months' nonpay status may be continuous or broken by periods of less than 4 consecutive months in pay status. If an employee has at least 4 consecutive months in pay status after a period of nonpay status, he/she is entitled to begin the 12 months' continuation of basic insurance anew. If after a return to duty he/she is not entitled to any further continuation of basic insurance in nonpay status because he/she has not had 4 consecutive months of pay status since exhausting his/her 12 months' continuation in nonpay status, his/her basic insurance stops the last day of his/her last pay period in pay status. For the purposes of this paragraph, 4 consecutive months in pay status means any 4-month period during which the employee is in pay status for at least part of each pay period. For the purpose of this paragraph, an individual who is entitled to benefits under part 353 of this chapter is considered to be an employee in nonpay status.

(e)(1) After termination of group coverage for any reason other than voluntary cancellation, an employee may, upon application and without medical examination, convert all or any part of his/her basic life insurance to an individual policy. The rates of the individual policy are the rates applicable to the employee's attained age and class of risk. An employee is eligible to convert the policy only if he/she does not return, within 3 calendar days from the terminating event, to a position allowing coverage under the group plan.

(2) The employing agency must notify the employee of the loss of group coverage and the right to convert to an individual policy either prior to or immediately following the event causing the loss of coverage.

(3) The employee's request for conversion information must be submitted

to the Office of Federal Employees' Group Life Insurance and postmarked within 31 days following the date of the terminating event or within 31 days of the date the employee received notice of loss of the group coverage and right to convert, whichever is later.

(4) When an agency fails to provide the notification described in paragraph (d)(2) of this section, or the employee fails for other reasons beyond his/her control to request conversion as described in paragraph (d)(3) of this section, he/she may request conversion to an individual policy by writing to the Office of Federal Employees' Group Life Insurance. Such a request must be filed within six months after an employee becomes eligible to convert basic life insurance. The employee must show that he/she was not notified of the loss of coverage and the right to convert, and was not otherwise aware of it, or that he/she was unable, for cause beyond his/her control, to convert the basic life insurance. The Office of Federal Employees' Group Life Insurance will determine if the employee is eligible to convert, and when the determination is affirmative, the employee may convert within 31 days of that determination.

(5) When an employee converts his/her basic life insurance coverage anytime after the group coverage has ended, the individual plan coverage is retroactive to the day following the day the group coverage ended. The employee must pay the premiums due for the retroactive period.

(6) An employee who fails to exercise his/her right to convert to an individual policy within 31 days after receiving notice of the right to convert or within 31 days of the terminating event, whichever is later, is deemed as having declined coverage unless OFEGLI determines the failure was for cause beyond his/her control as described in paragraph (d)(4) of this section.

(f) The 31-day extension coverage provided under this subpart cannot be extended beyond 31 days, nor is it contingent upon timely issuance of notice of the right of conversion to an individual policy.

Subpart F—Annuitants

§ 870.601 Eligibility for life insurance.

(a) The basic life insurance of an insured individual who is separated from service is continued or reinstated if he/she:

(1) Is entitled to retirement on an immediate annuity under a retirement system for civilian employees, including the retirement system of a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard.

(2) Has been enrolled for basic life insurance for the five years of service immediately preceding the commencing date of annuity payments or for the full period(s) of service during which he/she was entitled to be insured.

(3) Has met all requirements for an immediate annuity (including filing of application where necessary), whether or not final administrative action has been taken; and

(4) Has not exercised his/her right to convert to an individual life insurance policy under §870.501(d). If, after an individual has exercised the conversion right, it is determined that he/she is eligible to continue the group coverage as an annuitant and the group enrollment is reinstated in accordance with this subpart, the conversion policy shall be voided and the premiums already paid on such policy shall be refunded to the insured. If an individual whose basic life insurance coverage terminated as provided by §870.501(b) has exercised the conversion right, and his or her terminated group coverage resumes as provided by §870.604, the conversion policy must be terminated and the premiums paid for coverage under the conversion policy after the date coverage resumed must be refunded to the insured.

(b) An individual who meets the requirements under paragraphs (a) or (g)

of this section for continuation or reinstatement of life insurance shall execute a written election on a form furnished by OPM at the time entitlement to continuation or reinstatement of the insured arises. To be considered valid, the election form must be received in OPM before final adjudication of the individual's application for annuity or supplemental annuity. In the absence of a valid election, OPM shall deem the insured to have filed a valid election under paragraph (c)(2) of this section.

(c) An individual who makes an election under paragraph (b) of this section must select one of the following options, except that those individuals who have elected a partial Living Benefit must select the option under paragraphs (c)(1) or (c)(4) of this section:

(1) Termination of the insurance, in which case the individual's insurance shall stop upon conversion to an individual policy as provided under § 870.501, or, if the individual does not convert to an individual policy, at the end of the month in which OPM receives the election;

(2) Continuation or reinstatement of life insurance coverage with a maximum reduction of 75 percent during retirement, and with premiums withheld from annuity, except as provided under § 870.401(g)(1) of this chapter. The amount of basic life insurance in force shall reduce by two percent a month effective at the beginning of the second month after the date the insurance would otherwise have stopped or the date of the insured's 65th birthday, whichever is later, until the maximum is reached;

(3) Continuation or reinstatement of life insurance coverage with a maximum reduction of 50 percent during retirement, and with continuous premiums withheld from annuity. The amount of basic life insurance in force shall reduce by one percent a month effective at the beginning of the second month after the date of insurance would otherwise have stopped or the date of the insured's 65th birthday, whichever is later, until the maximum is reached;

(4) Continuation or reinstatement of basic life insurance coverage with no reduction after age 65, and with continuous premiums withheld from annuity. An insured individual may cancel an election under paragraphs (c)(3) or (c)(4) of this section at any time, except for those individuals who have elected a partial Living Benefit as an employee. An insured individual who has elected a partial Living Benefit may only cancel an election under paragraph (c)(4) of this section if he/she is electing to terminate the insurance under paragraph (c)(1) of this section.

(d) If the insured's annuity is terminated under any applicable law or regulation, his/her basic life insurance as an annuitant stops on the date of termination of annuity.

(e)(1) If an insured annuitant is appointed to a position in which he/she is not excluded from insurance by law or regulation, the amount of his/her basic life insurance as an annuitant, and any annuity withholdings applicable thereto, are suspended on the day preceding the first day in a pay status under the appointment unless he/she waives all insurance coverage. The benefit payable upon the death of a reemployed annuitant who has basic insurance in force as an employee shall not be less than the benefit which would have been payable had the person not been reemployed.

(2) Except as provided in paragraph (g) of this section, the basic insurance acquired as an employee stops, with no 31-day extension of coverage or right of conversion, on the date reemployment terminates and any suspended basic life insurance, and any annuity withholdings applicable thereto, are reinstated on the day following termination of the reemployment.

(f) Basic life insurance acquired during reemployment may be continued after termination of the reemployment if:

(1) The annuitant qualifies for a supplemental annuity or acquires a new retirement right,

(2) He/she has had basic insurance as an employee for at least five years of service immediately preceding separation from reemployment or for the full period(s) during which such coverage was available to him/her, whichever is less, and

(3) He/she does not convert to nongroup insurance when his/her basic

insurance as an employee would otherwise terminate.

If the basic life insurance acquired during reemployment is so continued, any suspended basic life insurance stops with no 31-day extension of coverage or right to convert.

(g) Judges retiring under 28 U.S.C. 371 (a) and (b), 28 U.S.C. 372(a), and 26 U.S.C. 7447 are considered employees under the Federal Employees' Group Life Insurance law. Insurance for these judges continues without interruption or diminution upon retirement.

(a) The amount of an annuitant's basic life insurance is his/her BIA at the date insurance would otherwise have stopped because of his/her separation from service or completion of 12 months of nonpay status, less the reductions, if any, applicable under § 870.601(c). For the purpose of the payment of benefits upon the death of an insured annuitant under age 45, effective October 1, 1981, the BIA shall be multiplied by the age factor under § 870.301(b) corresponding to the insured's age on the date of death, provided that his/her basic insurance as an employee terminated on or after October 10, 1980.

(b) The post-election BIA of an annuitant who elected a partial Living Benefit as an employee is the BIA as of the date OFEGLI received the completed Living Benefit application reduced by the percentage which the partial lumpsum payment represents of the preelection BIA multiplied by the age factor as stated in § 870.301(b) (rounded up or down to the nearest multiple of $1,000 or, if midway between multiples, to the next higher multiple of $1,000). For the purpose of computing the payment of benefits upon the death of an insured annuitant who elected a partial Living Benefit as an employee, the BIA will be multiplied by the age factor in effect as of the date OFEGLI received the completed Living Benefit application.

Any annuity withholdings applicable thereto are also reinstated on the first day of the month after the date OPM receives the election form.

(c) The amount of basic life insurance reinstated under paragraph (a) of this section is the amount that would have been in force had the individual's annuity not been terminated.

To be considered valid, the election form must be received in OPM before OPM has finally approved an individual's request to continue life insurance as a compensationer. In the absence of a valid election, OPM shall deem the insured to have filed a valid election under paragraph (c)(2) of this section.

(c) An individual who makes an election under paragraph (b) of this section must select one of the following options, except that those individuals who have elected a partial Living Benefit must select the option under paragraphs (c)(1) or (c)(4) of this section:

(4) Continuation or reinstatement of basic life insurance coverage with no reduction after age 65, and with continuous premiums withheld from compensation. An insured individual may cancel an election under paragraphs (c)(3) or (c)(4) of this section at any time, except for those individuals who have elected a partial Living Benefit as an employee. An insured individual who has elected a partial Living Benefit may only cancel an election under paragraph (c)(4) of this section if he/she is electing to terminate the insurance under paragraph (c)(1) of this section.

(d) Basic life insurance which is continued as provided under this section during receipt of compensation shall stop with no 31-day extension of coverage and no right of conversion, upon termination of compensation under subchapter I of chapter 81 of title 5, United States Code, or upon a finding by the Department of Labor that the insured is able to return to duty.

(e) Judges retiring under 28 U.S.C. 371 (a) and (b), 28 U.S.C. 372(a), and 26 U.S.C. 7447 are considered employees under the Federal Employees' Group Life Insurance law. For the purpose of the payment of benefits upon the death of an insured individual under age 45, effective October 1, 1981, the BIA shall be mulitplied by the age factor under § 870.301(b) corresponding to the insured's age on the date of death, provided that his/her basic insurance as an employee terminated on or after October 10, 1980.

(b) The post-election BIA of a compensationer who elected a partial Living Benefit as an employee is the BIA as of the date OFEGLI received the completed Living Benefit application reduced by the percentage which the partial lump-sum payment represents of the pre-election BIA multiplied by the age factor as stated in § 870.301(b) (rounded up or down to the nearest multiple of $1,000 or, if midway between multiples, to the next higher multiple of $1,000). Subpart I—Order of Precedence and Designation of Beneficiary

§ 870.901 Order of precedence.

(a) *Definitions.* For the purposes of this part, the following terms are defined as follows:

(1) *Child* means a legitimate child, an adopted child, or a recognized natural child but does not include a stillborn child, a stepchild, or a foster child. An individual who has attained age 18 is considered to be an adult. However, if the age of majority in the jurisdiction in which that individual is domiciled is set at a lower age, he or she is considered to be an adult upon attaining the age designated in that jurisdiction. An adopted child does not inherit under the order of precedence specified in 5 U.S.C. 8705, other than as a designated beneficiary, from his/her natural parents but inherits from and through his or her adoptive parents. However, a child who is adopted by the spouse of his or her natural parent does inherit from that natural parent.

(2)(i) A *recognized natural child,* with respect to paternity, is one for whom the father meets one of the following:

(A) Has acknowledged paternity in writing;

(B) Has been judicially ordered to provide support;

(C) Has, before his death, been judicially decreed to be the father;

(D) Has been established as the father by a certified copy of the public record of birth or church record of baptism if the insured was the informant and so

named himself as the father of the child; or

(E) Has established paternity on public records, such as school or social welfare agencies, which show that with his knowledge the insured was named as the father of the child.

(ii) Secondary evidence to support the alleged paternity, such as evidence of eligibility as a recognized natural child under other State or Federal programs or proof of inclusion of the child as a recognized natural child on the insured's income tax returns, may also be considered in the determination process.

(3) *Parent* means the mother or father of a legitimate child or an adopted child. The term *parent* includes the mother of a recognized natural child and the father of a recognized natural child but only if the recognized natural child meets the definition provided in paragraph (a)(2) of this section. An individual can not inherit from a child who has been adopted by someone else. However, an individual whose spouse adopted his or her child can inherit from that child.

(4) *Duly appointed representative of the insured's estate* means an individual named in an order of a court having jurisdiction over the estate of the insured which grants the individual the authority to receive, or the right to possess, the property of the insured; and also means, where the law of the domicile of the insured has provided for the administration of estates through alternative procedures which dispense with the need for a court order, an individual who demonstrates that he or she is entitled to receive, or possess, the property of the insured under the terms of those alternative procedures.

(b) If an insured provided in a valid designation of beneficiary that the proceeds of the insurance shall be payable to the insured's estate, or to the Executor, Administrator, or other representative of the insured's estate, or if the proceeds would otherwise be properly payable to the duly appointed representative of the insured's estate under the order of precedence specified in 5 U.S.C. 8705(a), payment of the proceeds to the duly appointed representative of the insured's estate will bar recovery by any other person.

[52 FR 46343, Dec. 7, 1987, as amended at 57 FR 29784, July 7, 1992]

§ 870.902 Designation of beneficiary.

(a) A designation of beneficiary shall be in writing, signed, and witnessed by two people, and received in the employing office (or in OPM, in the case of: (1) An annuitant or (2) a compensationer whose basic life insurance is continued) before the death of the insured.

(b) A change or cancellation of beneficiary in a last will or testament, or in any other document not witnessed and filed as required by this part, shall not have any force or effect.

(c) A witness to a designation of beneficiary is ineligible to receive payment as a beneficiary.

(d) Any person, firm, corporation, or legal entity (except an agency of the Federal or District of Columbia governments) may be named as beneficiary.

(e) A change of beneficiary may be made at any time and without the knowledge or consent of the previous beneficiary. This right cannot be waived or restricted.

(f) A designation of beneficiary is automatically canceled 31 days after the employee stops being insured.

(g) If an insured person provides in a valid designation of beneficiary that a designated beneficiary shall be entitled to the proceeds of the insurance only if the beneficiary survives him/her for a period of time (not more than 30 days) as specified by the designator, no right to the insurance shall vest as to such beneficiary during that period. In the event such beneficiary does not survive the specified period, payment of the proceeds of the insurance will be made as if the beneficiary had predeceased the insured.

Subpart K—FEGLI Living Benefits

SOURCE: 60 FR 31374, June 15, 1995, unless otherwise noted.

§870.1101 Purpose.

This subpart sets forth the circumstances under which employees may enroll in basic insurance during the 1995 Open Season and terminally ill individuals enrolled in basic insurance may elect to receive a payment of their basic insurance as a Living Benefit on or after July 25, 1995.

§870.1102 Definitions.

In this subpart—

Effective date of Living Benefits election means the date on which the Living Benefits payment is cashed or deposited.

Terminally ill means the individual has a medical prognosis of a life expectancy of 9 months or less.

§870.1103 Open season.

(a) An Open Season will be held from May 22, 1995, through July 21, 1995, during which time an employee who has waived or cancelled basic insurance and is not excluded from eligibility by law or under §870.202 of subpart B, may enroll in basic insurance only. Optional insurance may not be elected or increased during this Open Season. Employees who have been on Leave Without Pay for 12 or more months, compensationers who have been on Leave Without Pay for 12 or more months, and annuitants, may not participate in this Open Season.

(b) The effective date of basic insurance elected during this Open Season is

§ 870.1104 Living benefits.

(a) An individual who is covered by basic insurance and who is certified as terminally ill, as defined in § 870.1102, may elect to receive a lump-sum payment of basic insurance on or after July 25, 1995. Only the insured individual may make a Living Benefits election.

(2) A compensationer or an annuitant may only elect to receive a lump-sum payment of the total amount of basic insurance.

L. 103–409. The post-election BIA will not change after the effective date of the partial Living Benefit election. Only the basic benefits remaining will be payable at death.

(d)(1) If the employee receives the total amount of basic insurance as a Living Benefit, accidental death and dismemberment coverage will terminate as of the effective date of election.

(2) If the employee receives a partial payment of basic insurance as a Living Benefit, accidental death and dismemberment coverage will be reduced to equal the post-election BIA.

(e) Once an election of Living Benefits has become effective, the election may not be revoked and no further election of Living Benefits may be made.

(f) If an individual has assigned his/her insurance, he/she may not elect a Living Benefit and if an individual has elected a Living Benefit, he/she may not assign his/her insurance.

§ 870.1105 Actuarial reduction.

The amount of basic insurance elected as a Living Benefit will be reduced in order to produce a basic insurance benefit that is actuarially equivalent, to the extent practicable, to the basic insurance benefit of those who do not elect to receive a Living Benefit. The actuarial reduction will be based on assumptions of the amount of interest lost to the Fund because of the early payment and the time difference between when the Living Benefit payment is made and when the death benefits would have been paid in the absence of a Living Benefits election.

§ 870.1106 Withholdings and contributions for basic insurance.

(a) Withholdings and contributions for basic insurance for those individuals who receive a lump-sum payment of their total basic insurance as a Living Benefit will terminate at the end of the pay period in which the Living Benefit election is effective.

(b) Withholdings and contributions for basic insurance for those employees who receive a lump-sum payment of a partial amount of their basic insurance as a Living Benefit will be reduced in proportion to the amount of benefit elected and will be based on the post-election BIA in effect at the end of the pay period in which the Living Benefit election is effective.

§ 870.1107 Application procedures.

(a) The insured individual must request information on Living Benefits and an application form directly from OFEGLI.

(b) The insured individual must complete the first part of the application (General Information) and have his/her physician complete the second part of the application (Physician's Statement). The insured then submits the completed application directly to OFEGLI.

(c)(1) OFEGLI will review the application and the certification by the physician of the nature of the illness and that the insured is terminally ill, with a life expectancy of 9 months or less.

(2) If additional information is needed, OFEGLI will contact the insured or the insured's physician.

(3) Under certain circumstances, OFEGLI may require a medical examination prior to making an approval decision. In these cases, OFEGLI will

be financially responsible for the cost of the medical examination.

(d)(1) If the application is approved, OFEGLI will send the insured a check for the Living Benefit payment and an explanation of benefits. In addition, once the payment has been cashed or deposited, OFEGLI will send explanations of benefits to the insured's employing office and payroll office so that they will change basic insurance withholdings and contributions in accordance with § 870.1106.

(2) If the application is not approved, OFEGLI will notify the insured individual and the employing office. The decision will not be subject to administrative review. However, the insured individual may reapply at a later date if future circumstances warrant.

Subpart A—Administration and General Provisions

§ 871.101 Actions on the policy.

Optional life and accidental death and dismemberment benefits (referred to in this part as ''standard optional insurance'') shall be payable in accordance with an amendment to the policy purchased by OPM from the Metropolitan Life Insurance Co., 1 Madison Avenue, New York, N.Y. 10010, pursuant to section 8709 of title 5, United States Code, to provide group insurance coverage (referred to in this part as ''basic insurance''). Actions at law or in equity to recover on the policy, in which there is not alleged any breach of any obligations undertaken by the United States, shall be brought against the insurance company.

§ 871.102 Payment of benefits; designations of beneficiary.

Standard optional insurance in force on a person at the date of his/her death shall be paid, on receipt of a valid claim, in the same order of precedence and under the same conditions as are applicable to basic insurance. A designation of beneficiary for basic insurance is also a designation of beneficiary for standard optional insurance unless the insured person specifies otherwise in his/her designation.

§ 871.103 Correction of errors; initial decision and reconsideration.

The rules and procedures under §§ 870.102 and 870.103 are applicable in this part, subject to the provisions of § 871.401(g).

§ 871.104 Definitions.

The terms defined under § 870.104 of this chapter have the same meanings in this part.

Subpart B—Coverage

§ 871.201 Eligibility.

(a) Each employee who is insured for basic insurance and for whom an uncanceled declination of standard optional insurance is not in effect is eligible to elect the standard optional insurance, if his/her periodic pay, after all other deductions, is sufficient to cover its full cost.

(b) An employee of the District of Columbia Financial Responsibility and Management Assistance Authority (the Authority) who makes an election under the Technical Corrections to Financial Responsibility and Management Assistance Act (section 153 of Public Law 104–134, 110 Stat. 1321) to be considered a Federal employee for life insurance and other benefit purposes is subject to this part. If the employee is eligible to make an election under § 871.202, such election must be made within 31 days after the later of either the date employment with the Authority begins or the date the Authority receives his or her election to be considered a Federal employee. Employees of the Authority who are former Federal employees are subject to the provisions of § 871.205 and § 871.604.

[49 FR 3039, Jan. 25, 1984, as amended at 61 FR 58459, Nov. 15, 1996]

§ 871.202 Election or declination.

(a) Except as otherwise provided in paragraph (b) this section, each employee shall, on the form entitled Life Insurance Election, elect or decline the standard optional insurance within 31 days after becoming eligible, unless during earlier employment he/she filed an election or declination which remains in effect.

(b) On a determination by an employing office, within six months after an employee becomes eligible, that he/she was unable, for cause beyond his/her control, to elect the standard optional insurance within the prescribed time limit, the employee shall elect or decline the standard optional insurance within 31 days after he/she is advised of that determination. Standard optional insurance in that case is retroactive to the first day of the first pay period beginning after the date the person became eligible, or after April 1, 1981, whichever is later, and the person shall pay the full cost of the insurance from that date for the time that he/she is in pay status or retired or in receipt of compensation and under age 65.

(c) A person who does not file with his/her employing office an election of standard optional insurance on the Life Insurance Election form does not have the standard optional insurance.

§ 871.203 Effective date of insurance.

(a) The effective date of an election of standard optional insurance is the first day an employee actually enters on duty in a pay status on or after the day the election is received in his/her employing office.

(b) An election of standard optional insurance remains in effect until canceled as provided in § 871.204. For an employee whose standard optional insurance has stopped for a reason other than a declination or waiver, standard optional insurance is reinstated on the first day he/she actually enters on duty in a pay status in a position in which he/she again becomes eligible.

(c) An open enrollment election of standard optional insurance filed during the period from March 29 through April 30, 1993, is effective on the first day of the first pay period beginning on or after May 30, 1993, which immediately follows a pay period during which the employee was in a pay and duty status for at least 32 hours. A part-time employee will need to have been in a pay and duty status for one-half of the regularly scheduled tour of duty indicated on his or her current Standard Form 50 for newly-elected coverage to become effective. An employee who has no regularly-scheduled tour of duty or who is employed on an intermittent basis will have to have been in a pay and duty status for one-half of the hours customarily worked before newly-elected coverage can become effective. For the purpose of this

subsection, employing offices can determine the number of hours customarily worked by averaging the number of hours worked in the calendar year quarter ending March 31, 1993.

[49 FR 3039, Jan. 25, 1984, as amended at 50 FR 26689, June 28, 1985; 58 FR 11954, Mar. 2, 1993]

§ 871.204 Declination.

(a) An insured person may cancel his/her standard optional insurance at any time by filing a declination of standard optional insurance or a waiver of basic insurance coverage. An employee files with the employing office. An annuitant files with OPM or other office that administers his/her retirement system. If still employed, a compensationer files with the employing office, and, if not still employed, with OWCP.

(b) A cancellation of standard optional insurance becomes effective and standard optional insurance stops at the end of the pay period in which the declination or waiver is properly filed.

(c) A declination of standard optional insurance remains in effect until is canceled as provided in § 871.205.

(d) For the purpose of having standard optional insurance as an employee, an election of insurance under this part filed on or before February 28, 1981, is deemed to have been canceled effective at the end of the pay period which includes March 31, 1981, unless the employee does not actually enter on duty in pay status during the first pay period which begins on or after April 1, 1981, in which case the election is deemed to have been canceled on the first day after the end of the pay period that the employee actually enters on duty in pay status. In order to retain or obtain standard optional insurance as an employee after the date of such declination an employee must affirmatively elect the coverage by filing the Life Insurance Election form with his/her employing office, subject to the provisions of § 871.204 Declination.

§ 871.205 Cancellation of declination.

(a) An employee who has declined the standard optional insurance may elect it if:

(1) At least 1 year has elapsed since the effective date of his/her last declination or waiver; and

(2) He/she furnishes satisfactory evidence of insurability.

(b) The effective date of an election under paragraph (a) of this section is the first day the employee actually enters on duty in pay status, on or after the day his/her employing office receives the election following approval of his/her Request for Insurance by the Office of Federal Employees' Group Life Insurance established by the insurance company. The approval is revoked automatically and the standard optional insurance does not become effective if the employee fails to submit his/her election or meet the pay and duty status requirement within 31 days following the date of the approval.

(c) Notwithstanding paragraphs (a) and (b) of this section, the declination of standard optional insurance coverage by an employee who is or becomes a member of the Postal Career Executive Service on or after June 2, 1979, is automatically and permanently canceled. He/she is insured for standard optional insurance on the first day he/she enters on duty in a pay status on or after June 2, 1979.

(d) Declinations of standard optional insurance filed on or before February 28, 1981, are automatically canceled effective on the first day an employee whose declination is so canceled actually enters on duty in pay status on or after April 1, 1981. The standard optional insurance is effective on the date of cancellation of the declination, provided that the employee has filed an affirmative election of standard optional insurance on the form entitled Life Insurance Election during the open enrollment period from March 1, 1981 through March 31, 1981. An employee whose pre-March 1981 declination is so canceled and who does not file the form with his/her employing office during the period from March 1, 1981 through March 31, 1981, shall be deemed to have declined standard optional insurance on March 31, 1981. However, an employee who fails to file the form during that period due to cause beyond his/her control shall be allowed to enroll belatedly under the conditions prescribed under § 871.202(b).

(e) An annuitant or compensationer is not eligible to cancel a declination under this section.

(f)(1) A previous declination is automatically canceled at time of reinstatement on or after April 1, 1981, if an employee has been separated from service for at least 180 days. If no new declination is filed, standard optional insurance coverage is effective on the date the employee actually enters on duty in a pay status in a position wherein he/she is not excluded from insurance by law or regulation, provided that the employee has filed an affirmative election of standard optional insurance on the form entitled Life Insurance Election. An employee whose declination is so canceled and who does not file the form with his/her employing office within 31 days after reinstatement shall be deemed to have declined standard optional insurance, except that an employee who fails to file the form during that period due to cause beyond his/her control shall be allowed to enroll belatedly under the conditions prescribed under §871.202(b).

(2) An employee who returned to Federal service between April 1, 1981, and December 8, 1983, after a 180-day break in service may elect standard optional insurance upon application to his or her employing office before March 7, 1984.

(g)(1) An open enrollment period will be held from March 29 through April 30, 1993, during which time employees otherwise eligible for coverage may cancel their existing declinations of coverage by affirmatively electing to be insured on a form designated by OPM.

(2) An employing office may make a determination, within 6 months after the March 29 through April 30, 1993 open enrollment period, that an employee was unable, for cause beyond his or her control, to cancel his or her then existing declination of coverage by affirmatively electing to be insured during the 1993 open enrollment period. The employee shall be permitted to submit an affirmative election of coverage within 31 days after he or she is advised of that determination. Standard optional insurance coverage in that case is retroactive to the first pay period beginning on or after May 30, 1993, which immediately follows a pay period during which the employee was in a pay and duty status for a sufficient length of time, as specified in §871.203(c) to acquire coverage. Failure on the part of the employee to file an election within the 31 days prescribed in this paragraph shall be deemed a declination of standard optional insurance.

[49 FR 3039, Jan. 25, 1984, as amended at 50 FR 26689, June 28, 1985; 51 FR 21497, June 13, 1986; 58 FR 11954, Mar. 2, 1993]

Subpart C—Amount of Insurance

§871.301 Amount of employee's insurance.

The amount of an employee's standard optional insurance is $10,000, except that an employee whose annual rate of pay (as defined in §870.302 of this chapter) exceeds the sum of (a) the annual rate of basic pay payable for positions at level II of the Executive Schedule under section 5313 of title 5, United States Code, plus (b) $10,000, may elect standard optional insurance in an amount which, when added to his/her basic insurance amount, does not exceed his/her annual rate of pay, rounded, if not an even thousand, to the next higher $1,000.

Subpart D—Withholdings

§871.401 Withholdings.

(a) During any period in any part of which an insured employee is in a pay status the employing agency shall withhold the full cost of his/her standard optional insurance from his/her pay.

(b)(1) Subject to the provisions of §871.604, the full cost of standard optional insurance shall be withheld from the annuity of an annuitant or from the compensation of a compensationer, except that there is no withholding for an annuitant or compensationer for coverage after the end of the calendar month in which he/she becomes 65 years of age.

(2) Withholdings are not required for the period between the end of the pay period in which an individual separates from service and the beginning of the annuity or compensation payments, if later.

(c) The biweekly full cost per $10,000 of standard optional insurance until determined by OPM on the basis of experience to be otherwise, is—

For persons under age 35	$0.40
For persons ages 35 through 39	0.50
For persons ages 40 through 44	0.70
For persons ages 45 through 49	1.10
For persons ages 50 through 54	1.80
For persons ages 55 through 59	3.00
For persons age 60 or over	7.00

The amount withheld from pay, annuity, or compensation paid on other than a biweekly period shall be determined at a proportionate rate, adjusted to the nearest cent.

(d) For the purposes of this section, a person is deemed to attain 35, 40, 45, 50, 55, or 60 years of age on the first day of his/her pay period beginning on or after January 1 of the year following the one in which his/her corresponding birthday occurs.

(e) The amount withheld from the pay of an insured person whose annual pay is paid during a period shorter than 52 workweeks is the sum obtained by converting the biweekly rate for his/her age group to an annual rate and prorating the annual rate over the number of installments of pay regularly paid during the year.

(f) Notwithstanding the preceding paragraphs of this section, the United States Postal Service contributes the full cost of standard optional insurance, that is, the amount otherwise to be withheld under the preceding paragraphs of this section, for each period in which a member of the Postal Career Executive Service is insured.

(g) When an agency withholds less than or none of the proper cost of optional life insurance from an individual's pay, annuity, or compensation, the agency must submit an amount equal to the uncollected deductions required under section 8714a of title 5, United States Code, to OPM for deposit to the Employees' Life Insurance Fund.

(h) The deposit to OPM as described in paragraph (g) of this section must be made as soon as possible but no later than 60 calendar days after the date the employing office determines the amount of the underdeduction that has occurred, regardless of whether or when the underdeduction is recovered by the agency. A subsequent agency determination whether to waive collection of an overpayment of pay shall be made in accordance with 5 U.S.C. 5584 as implemented by 4 CFR chapter I, subchapter G, unless the agency involved is excluded from application of 5 U.S.C. 5584, in which case any applicable authority to waive the collection may be used.

(i) *Direct premium payments under 5 U.S.C. chapter 84.* (1) If the annuity received under 5 U.S.C. chapter 84 (Federal Employees' Retirement System), excluding subchapter III of chapter 84 (Thrift Savings Plan), is too low to cover the standard optional insurance premium, the retirement system will notify the annuitant of the opportunity to pay the premium directly to the retirement system.

(2) The retirement system shall establish a method for accepting direct payment for standard optional premiums from annuitants retiring under 5 U.S.C. chapter 84 whose annuities are too low to cover their premiums. The retirement system will provide the annuitant with a premium payment schedule and statement of the requirements for continued enrollment. The annuitant must continue to make direct payment of the premium even if the annuity increases to the extent that it covers the premium.

(3) The annuitant must remit to the retirement system the premium for standard optional insurance for every pay period during which the coverage continues, exclusive of the 31-day temporary extension of coverage for conversion provided in §871.501. Payment must be made after the pay period in which the individual is covered in accordance with a schedule established by the retirement system. If the retirement system does not receive payment by the date due, the retirement system will notify the annuitant by certified mail return receipt requested that continuation of coverage rests upon payment being made within 15 days after receipt of the notice. The standard optional insurance coverage of an annuitant who fails to remit payment within the specified time frame will be terminated. An individual whose coverage is terminated because of nonpayment of premium may not re-elect or reinstate coverage, except as provided in paragraph (i)(4).

(4) If the individual was prevented by circumstances beyond his or her control from making payment within 15 days after receipt of the notice, he or she may request reinstatement of coverage by writing to the retirement system. Such a request must be filed within 30 calendar days from the date of termination and must be accompanied by verification that the individual was prevented by circumstances beyond his or her control from paying within the time limit. The retirement system will determine if the individual is eligible for reinstatement of coverage; and, when the determination is affirmative, the individual's coverage may be reinstated retroactively to the date of termination. If the determination is negative, the individual may request a review of the decision from OPM.

(5) Termination of enrollment for failure to pay premiums within the time frame established in accordance with subparagraph (i)(3) of this section is retroactive to the end of the last pay period for which payment has been timely received.

(6) The retirement system will submit all direct premium payments along with its regular life insurance premiums to OPM in accordance with procedures established by that Office.

[49 FR 3039, Jan. 24, 1984, as amended at 49 FR 19287, May 7, 1984; 51 FR 25849, July 17, 1986; 51 FR 43337, Dec. 2, 1986; 52 FR 3398, Feb. 4, 1987; 52 FR 39494, Oct. 22, 1987, and 53 FR 32368, Aug. 25, 1988; 58 FR 11954, Mar. 2, 1993]

Subpart E—Termination and Conversion

§ 871.501 Termination and conversion of insurance.

(a) The standard optional insurance of an insured person stops when his/her basic insurance stops as provided in § 870.501 of this chapter, subject to a 31-day extension of standard optional life insurance coverage, except when the basic insurance stops due to a full Living Benefits election, in which case the standard optional insurance will continue unless voluntarily cancelled by the insured.

(b) If, because of a declination or waiver, an insured person has not had the standard optional insurance during either:

(1) The full period(s) of service during which it was available to him/her; or

(2) The five years of service immediately preceding the date on which that coverage stops (for annuitants) or the date of entitlement to compensation (for compensationers), the standard optional insurance stops, subject to a 31-day extension of standard optional life insurance coverage, on the date that his/her basic life insurance is continued or reinstated under the provisions of § 870.601 (during retirement) or § 870.701 (during receipt of compensation) of this chapter.

(c) If, at the time of an individual's election under § 870.601(b) or § 870.701(b) of this chapter (for basic life insurance during receipt of annuity or compensation), he/she elects no basic life insurance (as provided under §§ 870.601(c)(1) or 870.701(c)(1) of this chapter), the standard optional insurance stops at the end of the month in which the election is received in OPM, subject to a 31-day extension of coverage.

(d) Except as provided in § 871.401(i), the standard optional insurance of an insured person who remains in a pay status stops, subject to a 31-day extension of coverage, at the end of the pay period in which it is determined that his/her periodic pay, compensation, or annuity after all other deductions, is insufficient to cover the full cost of the standard optional insurance.

(e)(1) After termination of group coverage for any reason other than voluntary cancellation, an employee may, upon application and without medical examination, convert all or any part of his/her standard optional insurance to an individual policy. The rates of the individual policy are the rates applicable to the employee's attained age and class of risk. An employee is eligible to convert the policy only if he/she does not return, within 3 calendar days from the terminating event, to a position allowing coverage under the group plan.

(2) The employing agency must notify the employee of the loss of coverage and the right to convert to an individual policy either prior to or immediately following the event causing the loss of coverage.

(3) The employee's request for conversion information must be submitted to the Office of Federal Employees'

Group Life Insurance and postmarked within 31 days following the date of the terminating event or within 31 days of the date the employee received notice of loss of the group coverage and right to convert, whichever is later.

(4) When an agency fails to provide the notification described in paragraph (e)(2) of this section, or the employee fails for other reasons beyond his/her control to request conversion as described in paragraph (e)(3) of this section, he/she may request conversion of an individual policy by writing to the Office of Federal Employees' Group Life Insurance. Such a request must be filed within six months after an employee becomes eligible to convert the standard optional insurance. That employee must show that he/she was not notified of the loss of coverage and the right to convert, and was not otherwise aware of it, or that he/she was unable, for cause beyond his/her control, to convert the standard optional insurance. The Office of Federal Employees' Group Life Insurance will determine if the employee is eligible to convert, and when the determination is affirmative, the employee may convert within 31 days of that determination.

(5) When an employee converts his/her standard optional insurance anytime after the group coverage has ended, the individual plan coverage is retroactive to the day following the day the group coverage ended. The employee must pay the premiums due for the retroactive period.

(6) An employee who fails to exercise his/her right to convert to an individual policy within 31 days after receiving notice of the right to convert or within 31 days of the terminating event, which-ever is later, is deemed as having declined coverage unless OFEGLI determines the failure was for cause beyond his/her control as described in paragraph (e)(4) of this section.

(f) The 31-day extension of coverage provided under this subpart cannot be extended beyond 31 days, nor is it contingent upon timely issuance of notice of the right of conversion to an individual policy.

[49 FR 3039, Jan. 25, 1984, as amended at 50 FR 7904, Feb. 27, 1985; 53 FR 32368, Aug. 25, 1988; 60 FR 31375, June 15, 1995]

Subpart F—Annuitants and Compensationers

§ 871.601 Amount of insurance.

(a) The amount of standard optional life insurance continued during receipt of annuity or compensation reduces by 2 percent a month, effective at the beginning of the second calendar month after the date the insurance would otherwise have stopped or the insured's 65th birthday, whichever is later, until a maximum reduction of 75 percent is achieved.

(b) Judges retiring under 28 U.S.C. 371(a) and (b), 28 U.S.C. 372(a), and 26 U.S.C. 7447 are considered employees under the Federal Employees' Group Life Insurance law. Insurance for these judges continues without interruption or diminution upon retirement. The amount of standard optional insurance for a judge who elects to receive compensation in lieu of annuity will be computed in accordance with paragraph (a) of this section.

[51 FR 39363, Oct. 28, 1986]

§ 871.602 Termination of annuity or compensation.

If the annuity or compensation paid to an insured person is terminated or if the Department of Labor finds that an insured person receiving compensation is able to return to duty, standard optional life insurance held as an annuitant or compensationer stops, with no 31-day extension of coverage or right of conversion, on the date of that termination or finding.

§ 871.603 Waiver or suspension of annuity or compensation.

(a) Except as provided in paragraph (b) of this section, when annuity or compensation is waived or suspended, standard optional life insurance continues. When payment of the annuity or compensation is resumed, the paying official shall withhold the full cost of the insurance for the period of waiver or suspension during which the person is under age 65.

(b) If suspension of annuity or compensation is because of reemployment, the reemploying office shall withhold the full cost of the insurance during each pay period of reemployment.

§ 871.604 Reemployed annuitants.

(a)(1) An annuitant appointed to a position in which he/she is not excluded from basic insurance by law or regulation is eligible for standard optional insurance as an employee, unless he/she has on file an uncanceled waiver of basic insurance or declination of standard optional insurance. If he/she has standard optional life insurance as an annuitant, that insurance (and any applicable annuity withholdings) is suspended on the day preceding his/her first day in a pay status under the appointment and, unless he/she files a declination of standard optional insurance (or waiver of basic insurance), he/she acquires standard optional insurance as an employee.

(2) Except as provided in paragraph (b) of this section, the standard optional insurance acquired as an employee stops, with no 31-day extension or right of conversion, on the date reemployment terminates and the amount of suspended standard optional life insurance which remains in force after applicable monthly reductions after age 65 (and corresponding annuity withholdings, if any) is reinstated on the day following termination of the reemployment.

(b) Standard optional life insurance acquired during reemployment may be continued after termination of the reemployment if the annuitant:

(1) Qualifies for a supplemental annuity or acquires a new retirement right,

(2) Continues his/her basic life insurance under paragraph (c)(2), (c)(3), or (c)(4) of § 870.601 of this chapter, and

(3) Has had standard optional insurance in force for the five years of service immediately preceding separation from reemployment or for the full period(s) of service during which it was available to him/her, whichever is less.

If the standard optional life insurance acquired during reemployment is so continued, any suspended standard optional life insurance stops with no 31-day extension of coverage or right of conversion.

§ 871.605 Restored disability annuitants.

(a) An annuitant whose disability annuity is terminated because of restoration to earning capacity or recovery from disability and whose disability annuity is restored under section 8337(e) of title 5, United States Code, after December 31, 1983, may elect to resume the standard optional insurance held immediately before his or her disability annuity was terminated if: (1) He or she has also made an election under § 870.603 of this chapter; and (2) The election is received by OPM within 60 days after OPM mails the notice of insurance eligibility and election form.

(b) The standard optional insurance of an annuitant who meets the requirements of paragraph (a) of this section is effective on the first day of the month after the date OPM receives the election form. Any annuity withholding applicable thereto are also reinstated on the first day of the month after the date OPM receives the election form.

(c) The amount of standard optional insurance reinstated under paragraph (a) of this section is the amount that would have been in force had the individual's annuity not been terminated.

§ 871.606 MRA-plus-10 annuitants.

That standard optional life insurance of an individual whose coverage terminated under § 871.501(a), and who meets the requirements for continuing standard optional insurance after retirement under § 871.501(b), resumes on the commencing date of annuity or on the date the application for annuity is received by OPM, whichever is later.

Subpart A—Administration and General Provisions

§ 872.101 Actions on the policy.

Optional life insurance (referred to in this part as ''additional optional insurance'') shall be payable in accordance with an amendment to the policy purchased by OPM from the Metropolitan Life Insurance Co., 1 Madison Avenue, New York, N.Y. 10010, pursuant to section 8709 of title 5, U.S.C., to provide group insurance coverage (referred to in this part as ''basic insurance''). Actions at law or in equity to recover on the policy, in which there is not alleged any breach of any obligations undertaken by the United States, shall be brought against the insurance company.

§ 872.102 Payment of benefits; designations of beneficiary.

Additional optional insurance in force on a person at the date of his/her death shall be paid, on receipt of a valid claim, in the same order of precedence and under the same conditions as are applicable to basic insurance. A designation of beneficiary for basic insurance is also a designation of beneficiary for additional optional insurance unless the insured person specifes otherwise in his/her designation.

§ 872.103 Correction of errors; initial decision and reconsideration.

The rules and procedures under §§ 870.102 and 870.103 are applicable in this part, subject to the provisions of § 872.401(g).

Subpart B—Coverage

§ 872.201 Eligibility.

(a) Each employee who is insured for basic insurance and for whom an uncanceled declination of additional optional insurance is not in effect is eligible to elect the additional optional

insurance, if his/her periodic pay, after all other deductions, is sufficient to cover its full cost.

(b) An employee of the District of Columbia Financial Responsibility and Management Assistance Authority (the Authority) who makes an election under the Technical Corrections to Financial Responsibility and Management Assistance Act (section 153 of Pub. L. 104–134, 110 Stat. 1321) to be considered a Federal employee for life insurance and other benefit purposes is subject to this part. If the employee is eligible to make an election under §872.202, such election must be made within 41 days after the later of either the date employment with the Authority begins or the date the Authority receives his or her election to be considered a Federal employee. Employees of the Authority who are former Federal employees are subject to the provisions of §872.205 and §872.604.

[49 FR 3042, Jan. 25, 1984, as amended at 61 FR 58460, Nov. 15, 1996]

§872.202 Election or declination.

(a) Except as otherwise provided in paragraph (b) of this section, each employee shall, on the form entitled Life Insurance Election, elect or decline the additional optional insurance within 31 days after becoming eligible, unless during earlier employment he/she filed an election or declination which remains in effect. The 31-day time limit begins to run on the first day after February 28, 1981, on which an individual meets the definition of an employee.

(b) On a determination by an employing office, within six months after an employee becomes eligible, that he/she was unable, for cause beyond his/her control to elect the additional optional insurance within the prescribed time limit, the employee shall elect or decline the additional optional insurance within 31 days after he/she is advised of the determination. Additional optional insurance in that case is retroactive to the first day of the first pay period beginning after the date the person became eligible, or after April 1, 1981, whichever is later, and the person shall pay the full cost of the insurance from that date for the time that he/she is in a pay status or retired or in receipt of compensation and under age 65.

(c) A person who does not file with his/her employing office an election of additional optional insurance on the Life Insurance Election form does not have the additional optional insurance.

§872.203 Effective date of insurance.

(a) The effective date of an election of additional optional insurance is the first day on or after April 1, 1981, that an employee actually enters on duty in a pay status on or after the day the election is received in his/her employing office.

(b) An election of additional optional insurance remains in effect until canceled as provided in §872.204. For an employee whose additional optional insurance has stopped for a reason other than a declination or waiver, additional optional insurance is reinstated on the first day he/she actually enters on duty in a pay status in a position in which he/she again becomes eligible.

(c) An open enrollment election of additional optional insurance filed during the period from March 29 through April 30, 1993, is effective on the first day of the first pay period beginning on or after May 30, 1993, which immediately follows a pay period during which the employee was in a pay and duty status for at least 32 hours. A part-time employee will need to have been in a pay and duty status for one-half of the regularly-scheduled tour of duty indicated on his or her current Standard Form 50 for newly-elected coverage to become effective. An employee who has no regularly-scheduled tour of duty or who is employed on an intermittent basis will have to have been in a pay and duty status for one-half of the hours customarily worked before newly-elected coverage can become effective. For the purpose of this subsection, employing offices can determine the number of hours customarily worked by averaging the number of hours worked in the calendar year quarter ending March 30, 1993.

[49 FR 3042, Jan. 25, 1984, as amended at 50 FR 26689, June 28, 1985; 58 FR 11954, Mar. 2, 1993]

§ 872.204 Declination.

(a) An insured person may cancel entirely or reduce the number of multiples of his/her additional optional insurance at any time by filing a declination or request to reduce the number of multiples of additional optional insurance or a waiver of basic insurance coverage. An employee files with the employing office. An annuitant files with OPM or other office that administers his/her retirement system. If still employed, a compensationer files with the employing office, and, if not still employed, with OWCP.

(b) A cancellation of additional optional insurance becomes effective and additional optional insurance stops at the end of the pay period in which the declination or waiver is properly filed. A reduction in the number of an employee's additional optional insurance multiples is effective at the end of the pay period in which the Life Insurance Election form is received in his/her employing office. A reduction in the number of a retired employee's or compensationer's additional optional insurance multiples is effective at the end of the pay period in which the request to reduce coverage is properly filed.

(c) A declination or reduction in multiples of additional optional insurance remains in effect until it is canceled as provided in § 872.205.

§ 872.205 Cancellation of declination.

(a)(1) An employee who has declined the additional optional insurance may elect it if:

(i) At least 1 year has elapsed since the effective date of his/her declination or waiver; and

(ii) He/she furnishes satisfactory evidence of insurability.

(2) An employee who has declined additional optional insurance may elect it upon his/her marriage or divorce, or upon a spouse's death, or upon the acquisition of an unmarried dependent child within the meaning of section 8701(d) of title 5, United States Code, and subpart G of part 873 of this chapter. In order to be valid, the election must be filed with the employing office on the Life Insurance Election form no more than 60 days following the date of the event which permits the election. This 60-day time limit may be extended if the individual is not serving in a covered position on the date of the event, or if the individual separates from covered service prior to completion of the 60-day time limit. This extension of the time limit may not exceed the 31-day time limit for electing insurance following employment in a covered position. The number of multiples which an employee may obtain upon marriage, divorce, death of a spouse or acquisition of unmarried dependent children is limited to the following:

(i) For marriage, the number of additional family members (spouse and/or dependent children) associated with the marriage;

(ii) For acquisition of children, the number of additional children acquired;

(iii) For divorce or death of a spouse, the total number of dependent children of the enrollee.

(3) An employee who has in force additional optional insurance of at least one but fewer than five multiples of annual pay may increase the number of multiples if:

(i) At least 1 year has elapsed since the effective date of his/her last election of fewer than five multiples (including a reduction in the number of multiples); and

(ii) He/she furnishes satisfactory evidence of insurability. The requirement that at least 1 year elapse since the effective date of the last election does not apply when an employee elected fewer than five multiples because of the limitation on the number of multiples which may be elected under paragraph (a)(2) or (a)(4) of this section.

(4) An employee who has in force additional optional insurance of at least one but fewer than five multiples of annual pay may elect to increase the number of multiples upon his/her marriage or divorce, or upon a spouse's death, or upon the acquisition of an unmarried dependent child within the meaning of section 8701(d) of title 5, United States Code, and subpart G of part 873 of this chapter. To be valid, the election to increase the number of multiples must be filed with the employing office on the Life Insurance

Election form no more than 60 days following the date of the event which permits the increase. This 60-day time limit may be extended if the individual is not serving in a covered position on the date of the event, or if the individual separates from covered service prior to completion of the 60-day time limit. This extension of the time limit may not exceed the 31-day time limit for electing insurance following employment in a covered position. The number of multiples which an employee may obtain upon marriage, divorce, death of a spouse or acquisition of unmarried dependent children is limited to the following:

(i) For marriage, the number of additional family members (spouse and/or dependent children) associated with the marriage;

(ii) For acquisition of children, the number of additional children acquired;

(iii) For divorce or death of a spouse, the total number of dependent children of the enrollee.

(5)(i) A previous declination is automatically canceled at time of reinstatement on or after April 1, 1981, if an employee has been separated from service for at least 180 days. If no new declination is filed, additional optional insurance coverage is effective on the date the employee actually enters on duty in a pay status in a position wherein he/she is not excluded from insurance by law or regulation, provided that the employee has filed an affirmative election of additional optional insurance on the Life Insurance Election form. An employee whose declination is so canceled and who does not file the form with his/her employing office within 31 days after reinstatement shall be deemed to have declined additional optional insurance, except that an employee who fails to file the form during that period due to cause beyond his/her control shall be allowed to enroll belatedly under the conditions prescribed under §872.202(b).

(ii) An employee who returned to Federal service between April 1, 1981, and December 8, 1983, after a 180-day break in service may elect additional optional insurance upon application to his or her employing office before March 7, 1984.

(b)(1) The effective date of the additional optional insurance or of an increased number of multiples of additional optional insurance elected under paragraph (a)(1) or (a)(3) of this section is the first day the employee actually enters on duty in a pay status, on or after the day his/her election is received in his/her employing office following the approval of his/her Request for Insurance by the Office of Federal Employees' Group Life Insurance established by the insurance company. This approval is revoked automatically and the additional optional insurance does not become effective if the employee fails to submit his/her election or meet the pay and duty status requirement within 31 days following the date of the approval.

(2) The effective date of an election under paragraph (a)(2) or (a)(4) of this section is the first day the employee actually enters on duty in pay status, on or after the day his/her election is received in the employing office and the basic insurance is in force.

(c) An annuitant or compensationer is not eligible to cancel a declination under this section, nor to increase multiples of additional optional insurance.

(d)(1) An open enrollment period will be held from March 29 through April 30, 1993, during which time employees otherwise eligible for coverage may cancel their existing declinations of coverage by affirmatively electing to be insured on a form designated by OPM.

(2) An employing office may make a determination, within 6 months after the March 19 through April 30, 1993 open enrollment period, that an employee was unable, for cause beyond his or her control, to cancel his or her then existing declination of coverage by affirmatively electing to be insured during the 1993 open enrollment period. The employee shall be permitted to submit an affirmative election of coverage within 31 days after he or she is advised of that determination. Additional optional insurance coverage in that case is retroactive to the first pay period beginning on or after May 30, 1993, which immediately follows a pay period during which the employee was in a pay and duty status for a sufficient length of time, as specified in §872.203(c) to acquire coverage. Failure

on the part of the employee to file within the 31 days prescribed in this paragraph shall be deemed a declination of additional optional insurance.

Subpart C—Amount of Insurance

§ 872.301 Amount of employee's insurance.

An eligible employee may elect additional optional insurance of 1, 2, 3, 4, or 5 multiples of his/her annual pay. For this purpose, each multiple is equal to the lowest multiple of $1,000 which is not less than the current rate of the employee's annual pay as determined under § 870.302 of this chapter. A multiple shall not exceed the annual rate of basic pay payable for positions at level II of the Executive Schedule under section 5313 of title 5, United States Code, rounded to the next higher multiple of $1,000.

Subpart D—Withholdings

§ 872.401 Withholdings.

(a) During any period in any part of which an insured employee is in a pay status, the employing agency shall withhold the full cost of additional optional insurance from his/her pay.

(b)(1) Subject to the provisions of § 872.604, the full cost of additional optional insurance shall be withheld from the annuity of an annuitant or from the compensation of a compensationer, except that there is no withholding for an annuitant or compensationer for coverage after the end of the calendar month in which he/she becomes 65 years of age.

(2) Withholdings are not required for the period between the end of the pay period in which an individual separates from service and the beginning of the annuity or compensation payments, if later.

(c) The biweekly full cost per $1,000 of additional optional insurance in force, until determined by OPM on the basis of experience to be otherwise, is—

For persons under age 35 ..... $0.04
For persons ages 35 through 39 ..... 0.05
For persons ages 40 through 44 ..... 0.07
For persons ages 45 through 49 ..... 0.11
For persons ages 50 through 54 ..... 0.18
For persons ages 55 through 59 ..... 0.30
For persons age 60 or over 0.70

The amount withheld from pay, annuity, or compensation paid on other than a biweekly period shall be determined at a proportionate rate, adjusted to the nearest one-tenth of one cent.

(d) For the purposes of this section, a person is deemed to attain 35, 40, 45, 50, 55, or 60 years of age on the first day of his/her pay period beginning on or after January 1 of the year following the one in which his/her corresponding birthday occurs.

(e) The amount withheld from the pay of an insured person whose annual pay is paid during a period shorter than 52 workweeks is the sum obtained by converting the biweekly rate for his/her age group to an annual rate and prorating the annual rate over the number of installments of pay regularly paid during the year.

(f) The amount withheld from the pay of an insured employee whose amount of insurance changes during a pay period is based on the last amount of insurance in force during the pay period.

(g) When an agency withholds less than or none of the proper cost of additional optional life insurance from an individual's pay, annuity, or compensation, the agency must submit an amount equal to the uncollected deductions required under section 8714b of title 5, United States Code, to OPM for deposit to the Employees' Life Insurance Fund.

(h) The deposit to OPM as described in paragraph (g) of this section must be made as soon as possible but no later than 60 calendar days after the date the employing office determines the amount of the underdeduction that has occurred, regardless of whether or when the underdeduction is recovered by the agency. A subsequent agency determination whether to waive collection of an overpayment of pay caused by failure to properly withhold life insurance deductions shall be made in accordance with 5 U.S.C. 5584 as implemented by 4 CFR chapter I, subchapter G, unless the agency involved is excluded from application of 5 U.S.C.

5584, in which case any applicable authority to waive the collection may be used.

(i) *Direct premium payments under 5 U.S.C. chapter 84.*

(1) If the annuity received under 5 U.S.C. chapter 84 (Federal Employees' Retirement System), excluding subchapter III of chapter 84 (Thrift Savings Plan), is too low to cover the additional optional insurance premium, the retirement system will notify the annuitant of the opportunity to pay the premium directly to the retirement system.

(2) The retirement system shall establish a method for accepting direct payment for additional optional insurance premiums from annuitants retiring under 5 U.S.C. chapter 84 whose annuities are too low to cover their premiums. The retirement system will provide the annuitant with a premium payment schedule and statement of the requirements for continued enrollment. The annuitant must continue to make direct payment of the premium even if the annuity increases to the extent that it covers the premium.

(3) The annuitant must remit to the retirement system the premium for additional optional insurance for every pay period during which the coverage continues, exclusive of the 31-day temporary extension of coverage for conversion provided in §872.501. Payment must be made after the pay period in which the individual is covered in accordance with a schedule established by the retirement system. If the retirement system does not receive payment by the date due, the retirement system will notify the annuitant by certified mail return receipt requested that continuation of coverage rests upon payment being made within 15 days after receipt of the notice. The additional optional insurance coverage of an annuitant who fails to remit payment within the specified time frame will be terminated. An individual whose coverage is terminated because of nonpayment of premium may not re-elect or reinstate coverage, except as provided in paragraph (i)(4).

(4) If the individual was prevented by circumstances beyond his or her control from making payment within 15 days after receipt of the notice, he or she may request reinstatement of coverage by writing to the retirement system. Such a request must be filed within 30 calendar days from the date of termination and must be accompanied by verification that the individual was prevented by circumstances beyond his or her control from paying within the time limit. The retirement system will determine if the individual is eligible for reinstatement of coverage; and, when the determination is affirmative, the individual's coverage may be reinstated retroactively to the date of termination. If the determination is negative, the individual may request a review of the decision from OPM.

(5) Termination of enrollment for failure to pay premiums within the time frame established in accordance with subparagraph (i)(3) of this section is retroactive to the end of the last pay period for which payment has been timely received.

(6) The retirement system will submit all direct premium payments along with its regular life insurance premiums to OPM in accordance with procedures established by that Office.

Subpart E—Termination and Conversion

§872.501 Termination and conversion of insurance.

(a) The additional optional insurance of an insured person stops when his/her basic insurance stops as provided in §870.501 of this chapter, subject to a 31-day extension of additional optional insurance coverage, except when the basic insurance stops due to a full Living Benefits election, in which case the additional optional insurance will continue unless voluntarily cancelled by the insured.

(b) If, because of a declination or waiver, an insured employee has not had additional optional insurance during either:

(1) The full period(s) of service during which it was available to him/her; or

(2) The five years of service immediately preceding the date on which

that coverage stops (for annuitants) or the date of entitlement to compensation (for compensationers), the additional optional insurance stops, subject to a 31-day extension of additional optional insurance coverage, on the date that his/her basic life insurance is continued or reinstated under the provisions of § 870.601 (during retirement) or § 870.701 (during receipt of compensation) of this chapter.

(c) If, at the time of an individual's election under §§ 870.601(b) or 870.701(b) of this chapter (for basic life insurance during receipt of annuity or compensation), he/she elects no basic life insurance (as provided under §§ 870.601(c)(1) or 870.701(c)(1) of this chapter), the additional optional insurance stops at the end of the month in which the election is received in OPM, subject to a 31-day extension of coverage.

(d) Except as provided in § 872.401(i), the additional optional insurance of an insured person who remains in a pay status stops, subject to a 31-day extension of coverage, at the end of the pay period in which it is determined that his/her periodic pay, compensation, or annuity after all other deductions, is insufficient to cover the full cost of the additional optional insurance.

(e)(1) After termination of group coverage for any reason other than voluntary cancellation, an employee may, upon application and without medical examination, convert all or any part of his/her additional optional insurance to an individual policy. The rates of the individual policy are the rates applicable to the employee's attained age and class of risk. An employee is eligible to convert the policy only if he/she does not return, within 3 calendar days from the terminating event, to a position allowing coverage under the group plan.

(2) The employing agency must notify the employee of the loss of group coverage and the right to convert to an individual policy either prior to or immediately following the event causing the loss of coverage.

(3) The employee's request for conversion information must be submitted to the Office of Federal Employees' Group Life Insurance and postmarked within 31 days following the date of the terminating event or within 31 days of the date the employee received notice of loss of group coverage and right to convert, whichever is later.

(4) When an agency fails to provide the notification described in paragraph (e)(2) of this section, or the employee fails for other reasons beyond his/her control to request conversion as described in paragraph (e)(3) of this section, he/she may request conversion to an individual policy by writing to the Office of Federal Employees' Group Life Insurance. Such a request must be filed within six months after an employee becomes eligible to convert the additional optional insurance. The employee must show that he/she was not notified of the loss of coverage and the right to convert, and was not otherwise aware of it, or that he/she was unable, for cause beyond his/her control, to convert the additional optional insurance. The Office of Federal Employee's Group Life Insurance will determine if the employee is eligible to convert, and when the determination is affirmative, the employee may convert within 31 days of that determination.

(5) When an employee converts his/her additional optional insurance anytime after the group coverage has ended, the individual plan coverage is retroactive to the day following the day the group coverage ended. The employee must pay the premiums due for the retroactive period.

(6) An employee who fails to exercise his/her right to convert to an individual policy within 31 days after receiving notice of the right to convert or within 31 days of the terminating event, whichever is later, is deemed as having declined coverage unless OFEGLI determines the failure was for cause beyond his/her control as described in paragraph (e)(4) of this section.

(f) The 31-day extension of coverage provided under this subpart cannot be extended beyond 31 days, nor is it contingent upon timely issuance of notice of the right of conversion to an individual policy.

[49 FR 3042, Jan. 25, 1984, as amended at 50 FR 7904, Feb. 27, 1985; 53 FR 32368, Aug. 25, 1988; 60 FR 31375, June 15, 1995]

Subpart F—Annuitants and Compensationers

§ 872.601 Amount of insurance.

(a) Each multiple of additional optional insurance continued during receipt of annuity or compensation reduces by two percent a month effective at the beginning of the second calendar month after (1) the date the insurance would otherwise have stopped, or (2) the insured's 65th birthday, whichever is later. At 12:00 PM on the day preceding the 50th reduction the insurance stops, with no extension of coverage or right of conversion.

(b) The number of multiples of additional optional insurance which may be continued during receipt of annuity or compensation is the smallest number of multiples in force during the applicable period of service required for continuation of the additional optional insurance during receipt of annuity or compensation payments.

(c) Judges retiring under 28 U.S.C. 371(a) and (b), 28 U.S.C. 372(a), and 26 U.S.C. 7447 are considered employees under the Federal Employees' Group Life Insurance law. Insurance for these judges continues without interruption or diminution upon retirement. The amount of additional optional insurance for a judge who elects to receive compensation in lieu of annuity will be computed in accordance with paragraph (a) of this section.

[49 FR 3042, Jan. 25, 1984, as amended at 51 FR 39363, Oct. 28, 1986]

§ 872.602 Termination of annuity or compensation.

If the annuity or compensation paid to an insured person is terminated or if the Department of Labor finds that an insured person receiving compensation is able to return to duty, additional optional insurance held as an annuitant or compensationer stops, with no 31-day extension of coverage or right of conversion, on the date of that termination or finding.

§ 872.603 Waiver or suspension of annuity or compensation.

(a) Except as provided in paragraph (b) of this section, when annuity or compensation is waived or suspended, additional optional insurance continues. When payment of the annuity or compensation is resumed, the paying office shall withhold the full cost of the insurance for the period of waiver or suspension during which the person is under age 65.

(b) If suspension of annuity or compensation is because of reemployment, the reemploying office shall withhold the full cost of the insurance during each pay period of reemployment.

§ 872.604 Reemployed annuitants.

(a)(1) An annuitant appointed to a position in which he/she is not excluded from basic insurance by law or regulation is eligible for additional optional insurance as an employee, unless he/she has on file an uncanceled waiver of basic insurance or declination of additional optional insurance. If he/she has additional optional insurance as an annuitant, that insurance (and any applicable annuity withholdings) continues as if the individual were not reemployed, unless (i) the person files with his/her employing office within 31 days following the date of reemployment an election of additional optional insurance on the Life Insurance Election form, in which case the additional optional insurance (and corresponding annuity withholdings) as an annuitant is suspended effective on the date that the additional optional insurance as an employee becomes effective, or (ii) the person files a waiver of basic insurance.

(2) Except as provided in paragraph (b) of this section, the additional optional insurance acquired as an employee stops, with no 31-day extension or right of conversion, on the date reemployment terminates and any suspended additional optional insurance which remains in force after applicable monthly reductions after age 65 (and corresponding annuity withholdings, if any) is reinstated on the day following termination of the reemployment.

(b) Additional optional insurance acquired during reemployment may be continued after termination of the reemployment if the annuitant:

(1) Qualifies for a supplemental annuity or acquires a new retirement right,

(2) Continues his/her basic insurance under paragraphs (c)(2), (c)(3), or (c)(4) of § 870.601 of this chapter, and

(3) Has had additional optional insurance in force for the 5 years of service immediately preceding separation from reemployment or for the full period(s) of service during which it was available to him/her, whichever is less.

If the additional optional insurance acquired during reemployment is so continued, any suspended additional optional insurance stops with no 31-day extension of coverage or right of conversion.

§ 872.605 Restored disability annuitants.

(a) An annuitant whose disability annuity is terminated because of restoration to earning capacity or recovery from disability and whose disability annuity is restored under section 8337(e) of title 5, United States Code, after December 31, 1983, may elect to resume additional optional insurance held immediately before his or her disability annuity was terminated if: (1) He or she made an election under § 870.603 of this chapter and (2) the election is received by OPM within 60 days after OPM mails the notice of insurance eligibility and election form.

(b) The additional optional insurance of an annuitant who meets the requirements of paragraph (a) of this section is effective on the first day of the month after the date OPM receives the election form. Any annuity withholdings applicable thereto are also reinstated on the first day of the month after the date OPM receives the election form.

(c) The amount of additional optional insurance reinstated under paragraph (a) of this section is the amount that would have been in force had the individual's annuity not been terminated.

The additional optional life insurance of an individual whose coverage terminated under § 872.501(a), and who meets the requirements for continuing additional optional insurance after retirement under § 872.501(b), resumes on the commencing date of annuity or on the date the application for annuity is received by OPM, whichever is later.

Subpart B—Coverage

§ 873.201 Eligibility

(a) Each employee who is insured for basic insurance and for whom uncanceled declination of family optional insurance is not in effect is eligible to elect the family optional insurance, if his/her periodic pay, after all other deductions, is sufficient to cover its full cost.

(b) An employee of the District of Columbia Financial Responsibility and Management Assistance Authority (the Authority) who makes an election under the Technical Corrections to Financial Responsibility and Management Assistance Act (section 153 of Public Law 104–134, 110 Stat. 1321) to be considered a Federal employee for life insurance and other benefit purposes is subject to this part. If the employee is eligible to make an election under § 873.202, such election must be made within 31 days after the later of either the date employment with the Authority begins or the date the Authority receives his or her election to be considered a Federal employee. Employees of the Authority who are former Federal employees are subject to the provisions of § 873.205 and § 873.604.

[49 FR 3045, Jan. 25, 1984, as amended at 61 FR 58460, Nov. 15, 1996]

§ 873.202 Election or declination.

(a) Except as otherwise provided in paragraph (b) of this section, each employee shall, on the form entitled Life Insurance Election, elect or decline the family optional insurance within 31 days after becoming eligible, unless

during earlier employment he/she filed an election or declination which remains in effect. The 31-day time limit begins to run on the first day after February 28, 1981, on which an individual meets the definition of an employee.

(b) On a determination by an employing office, within six months after an employee becomes eligible, that he/she was unable, for cause beyond his/her control to elect or decline the family optional insurance within the prescribed time limit, the employee shall elect or decline the family optional insurance within 31 days after he/she is advised of that determination. Family optional insurance in that case is retroactive to the first day of the first pay period beginning after the date the person became eligible, or after April 1, 1981, whichever is later, and the person shall pay the full cost of the insurance from that date for the time that he/she is in a pay status or retired or in receipt of compensation and under age 65.

(c) A person who does not file with his/her employing office an election of family optional insurance on the Life Insurance Election form does not have the family optional insurance.

§873.203 Effective date of insurance.

(a) The effective date of an election of family optional insurance is the first day on or after April 1, 1981, that an employee actually enters on duty in a pay status on or after the day the election is received in his/her employing office.

(b) An election of family optional insurance remains in effect until canceled as provided in §873.204. For an employee whose family optional insurance has stopped for a reason other than a declination or waiver, family optional insurance is reinstated on the first day he/she actually enters on duty in a pay status in a position in which he/she again becomes eligible.

(c) An open enrollment election of family optional insurance filed during the period from March 29 through April 30, 1993, is effective on the first day of the first pay period beginning on or after May 30, 1993, which immediately follows a pay period during which the employee was in a pay and duty status for at least 32 hours. A part-time employee will need to have been in a pay and duty status for one-half of the regularly-scheduled tour of duty indicated on his or her current Standard Form 50 for newly-elected coverage to become effective. An employee who has no regularly-scheduled tour of duty or who is employed on an intermittent basis will have to have been in a pay and duty status for one-half of the hours customarily worked before newly-elected coverage can become effective. For the purpose of this subsection, employing offices can determine the number of hours customarily worked by averaging the number of hours worked in the calendar year quarter ending March 30, 1993.

[49 FR 3045, Jan. 25, 1984, as amended at 50 FR 26689, June 28, 1985; 58 FR 11954, Mar. 2, 1993]

§873.204 Declination.

(a) An insured person may cancel his/her family optional insurance at any time by filing a declination of family optional insurance or a waiver of basic insurance coverage. An employee files with the employing office. An annuitant files with OPM or other office which administers his/her retirement system. If still employed, a compensationer files with the employing office, and, if not still employed, with OWCP.

(b) A cancellation of family optional insurance becomes effective and family optional insurance stops at the end of the pay period in which the declination of waiver is properly filed, except that at the request of the employee or annuitant and upon proof satisfactory to the employing office that there was no family member eligible for coverage, the effective date of the cancellation may be made retroactive to the end of the pay period in which there ceased to be eligible family members.

(c) A declination of family optional insurance remains in effect until it is canceled as provided in §873.205.

[49 FR 3045, Jan. 25, 1984, as amended at 51 FR 36796, Oct. 16, 1986]

§873.205 Cancellation of declination.

(a) An employee who has declined the family optional insurance may elect it upon his or her marriage or divorce, or

upon the acquisition of an unmarried dependent child, or upon a spouse's death, if the enrollee has any dependent children. In order to be valid, the election must be filed with the employing office on the Life Insurance Election form no later than 60 days following the date of the event which permits the election. This 60-day time limit may be extended if the individual is not serving in a covered position on the date of the event, if the invididual separates from covered service prior to completion of the 60-day time limit, or if the event occurs during the period following a waiver of basic insurance when he/she is not eligible to cancel the waiver. This extension of the time may not exceed the 31-day time limit for electing insurance following employment in a covered position, or the 31-day period following the first day on which the individual becomes eligible to cancel a waiver of basic insurance.

(b) The effective date of an election under paragraph (a) of this section is the day the employing office receives the election and basic insurance is in force.

(c) An annuitant or compensationer is not eligible to make the election provided in paragraph (a) of this section.

(d)(1) A previous declination or waiver is automatically canceled at time or reinstatement on or after April 1, 1981, if an employee has been separated from service for at least 180 days. If no new declination is filed, family optional insurance coverage is effective on the date the employee actually enters on duty in a pay status in a position wherein he/she is not excluded from insurance by law or regulation, provided that the employee has filed an affirmative election of family optional insurance on the Life Insurance Election form. An employee whose declination is so canceled and who does not file the form with his/her employing office within 31 days after reinstatement shall be deemed to have declined family optional insurance, except that an employee who fails to file the form during that period due to cause beyond his/her control shall be allowed to enroll belatedly under the conditions prescribed under §873.202(b).

(2) An employee who returned to Federal service between April 1, 1981, and December 8, 1983, after a 180-day break in service may elect family optional insurance upon application to his or her employing office before March 7, 1984.

(e)(1) An open enrollment period will be held from March 29 through April 30, 1993, during which time employees otherwise eligible for coverage may cancel their existing declinations of coverage by affirmatively electing to be insured on a form designated by OPM.

(2) An employing office may make a determination, within 6 months after the March 29 through April 30, 1993 open enrollment period, that an employee was unable, for cause beyond his or her control, to cancel his or her then existing declination of coverage by affirmatively electing to be insured during the 1993 open enrollment period. The employee shall be permitted to submit an affirmative election of coverage within 31 days after he or she is advised of that determination. Family optional insurance coverage in that case is retroactive to the first pay period beginning on or after May 30, 1993, which immediately follows a pay period during which the employee was in a pay and duty status for a sufficient length of time, as specified in §873.203(c) to acquire coverage. Failure on the part of the employee to file an election within the 31 days prescribed in this paragraph shall be deemed a declination of family optional insurance.

[49 FR 3045, Jan. 25, 1984, as amended at 50 FR 26689, June 28, 1985; 54 FR 13666, Apr. 5, 1989, and 54 FR 37093, Sept. 7, 1989; 58 FR 11954, Mar. 2, 1993; 58 FR 45415, Aug. 30, 1993]

Subpart C—Amount of Insurance

§873.301 Amount of employee's insurance.

The amount of family optional insurance is $5,000 payable upon the death of a spouse and $2,500 payable upon the death of a child.

Subpart D—Withholdings

§873.401 Withholdings.

(a) During any period in any part of which an insured employee is in a pay status, the employing agency shall

withhold the full cost of family optional insurance from his/her pay.

(b)(1) Subject to the provisions of § 873.604, the full cost of family optional insurance shall be withheld from the annuity of an annuitant or from the compensation of a compensationer, except that there is no withholding for an annuitant or compensationer for coverage after the end of the calendar month in which he/she becomes 65 years of age.

(2) Withholdings are not required for the period between the end of the pay period in which an individual separates from service and the beginning of the annuity or compensation payments, if later.

(c) The biweekly cost of family optional insurance applicable to employees, annuitants, and compensationers (not family members), until determined by OPM on the basis of experience to be otherwise, is—

For persons under age 35	$0.30
For persons ages 35 through 39	0.31
For persons ages 40 through 44	0.52
For persons ages 45 through 49	0.70
For persons ages 50 through 54	1.00
For persons ages 55 through 59	1.50
For persons age 60 or over	2.60

The amount withheld from pay, annuity, or compensation paid on other than a biweekly period shall be determined at a proportionate rate, adjusted to the nearest cent.

(d) For the purposes of this section, a person is deemed to attain 35, 40, 45, 50, 55, or 60 years on the first day of his/her pay period beginning on or after January 1 of the year following the one in which his/her corresponding birthday occurs.

(e) When an agency withholds less than or none of the proper cost of family optional life insurance from an individual's pay, annuity, or compensation, the agency must submit an amount equal to the uncollected deductions required under section 8714c of title 5, United States Code, to OPM for deposit in the Employee's Life Insurance Fund.

(f) A deposit to OPM as described in paragraph (e) of this section must be made as soon as possible but no later than 60 calendar days after the date the employing office determines the amount of the underdeduction that has occurred, regardless of whether or when the underdeduction is recovered by the agency. A subsequent agency determination whether to waive collection of an overpayment of pay caused by failure to properly withhold life insurance deductions shall be made in accordance with 5 U.S.C. 5584 as implemented by 4 CFR chapter I, subchapter G, unless the agency involved is excluded from application of 5 U.S.C. 5584, in which case any applicable authority to waive the collection may be used.

(g) *Direct premium payments under 5 U.S.C. chapter 84.* (1) If the annuity received under 5 U.S.C. chapter 84 (Federal Employees' Retirement System), excluding subchapter III of chapter 84 (Thrift Savings Plan), is too low to cover the family optional insurance premium, the retirement system will notify the annuitant of the opportunity to pay the premium directly to the retirement system.

(2) The retirement system shall establish a method for accepting direct payment for family optional insurance premiums from annuitants retiring under 5 U.S.C. chapter 84 whose annuities are too low to cover their premiums. The retirement system will provide the annuitant with a premium payment schedule and statment of the requirements for continued enrollment. The annuitant must continue to make direct payment of the premium even if the annuity increases to the extent that it covers the premium.

(3) The annuitant must remit to the retirement system the premium for family optional insurance for every pay period during which the coverage continues, exclusive of the 31-day temporary extension of coverage for conversion provided in § 873.501. Payment must be made after the pay period in which the individual is covered in accodance with a schedule established by the retirement system. If the retirement system does not receive payment by the date due, the retirement system will notify the annuitant by certified mail return receipt requested that continuation of coverage rests upon payment being made within 15 days after receipt of the notice. The family optional coverage of an annuitant who

fails to remit payment within the specified time frame will be terminated. An individual whose coverage is terminated because of nonpayment of premium may not re-elect or reinstate coverage; except as provided in paragraph (g)(4).

(4) If the individual was prevented by circumstances beyond his or her control from making payment within 15 days after receipt of the notice, he or she may request reinstatement of coverage by writing to the retirement system. Such a request must be filed within 30 calendar days from the date of termination and must be accompanied by verification that the individual was prevented by circumstances beyond his or her control from paying within the time limit. The retirement system will determine if the individual is eligible for reinstatement of coverage; and, when the determination is affirmative, the individual's coverage may be reinstated retroactively to the date of termination. If the determination is negative, the individual may request a review of the decision from OPM.

(5) Termination of enrollment for failure to pay premiums within the time frame established in accordance with subparagaph (g)(3) of this section is retroactive to the end of the last pay period for which payment has been timely received.

(6) The retirement system will submit all direct premium payments along with its regular life insurance premiums to OPM in accordance with procedures established by that office.

Subpart E—Termination and Conversion

§ 873.501 Termination and conversion of insurance.

(a) The family optional insurance of an insured person stops when his/her basic insurance stops as provided in § 870.501 of this chapter, subject to a 31-day extension of family optional insurance coverage, except when the basic insurance stops due to a full Living Benefits election, in which case the family optional insurance will continue unless voluntarily cancelled by the insured.

(b) If, because of a declination or waiver, an insured employee has not had the family optional insurance during either:

(1) The full period(s) of service during which it was available to him/her; or

(2) For the five years of service immediately preceding the date on which that coverage stops (for annuitants) or the date of entitlement to compensation (for compensationers), the family optional insurance stops, subject to a 31-day extension of family optional insurance coverage, on the date that his/her basic life insurance is continued or reinstated under the provisions of §870.601 (during retirement) or §870.701 (during receipt of compensation) of this chapter. For this purpose, family optional insurance will not be deemed available to an employee during periods when the employee had no family members.

(c) If, at the time of an individual's election under §§ 870.601(b) or 870.701(b) of this chapter (for basic life insurance during receipt of annuity or compensation), he/she elects no basic life insurance (as provided under §§ 870.601(c)(1) or 870.701(c)(1) of this chapter), the family optional insurance stops at the end of the month in which the election is received in OPM, subject to a 31-day extension of coverage.

(d) Except as provided in § 873.401(g), the family optional insurance of an insured person who remains in a pay status stops, subject to a 31-day extension of coverage, at the end of the pay period in which it is determined that his/her periodic pay, compensation, or annuity after all other deductions, is insufficient to cover the full cost of the family optional insurance.

(e)(1) After termination of group coverage for any reason other than voluntary cancellation, an employee may, upon application and without medical examination, convert all or any part of his/her family optional insurance to an individual policy. The rates of the individual policy are the rates applicable to the employee's attained age and class of risk. An employee is eligible to convert the policy only if he/she does not return, within 3 calendar days from

the terminating event, to a position allowing coverage under the group plan.

(2) The employing agency must notify the employee of the loss of group coverage and the right to convert to an individual policy either prior to or immediately following the event causing the loss of coverage.

(3) The employee's request for conversion information must be submitted to the Office of Federal Employees' Group Life Insurance and postmarked within 31 days following the date of the terminating event or within 31 days of the date the employee received notice of loss of group coverage and right to convert, whichever is later.

(4) When an agency fails to provide the notification described in paragraph (e)(2) of this section, or the employee fails for other reasons beyond his/her control to request conversion as described in paragraph (e)(3) of this section, he/she may request conversion to an individual policy by writing to the Office of Federal Employees' Group Life Insurance. Such a request must be filed within six months after an employee becomes eligible to convert the family optional insurance. The employee must show that he/she was not notified of the loss of coverage and the right to convert, and was not otherwise aware of it, or that he/she was unable, for cause beyond his/her control, to convert the family optional insurance. The Office of Federal Employees' Group Life Insurance will determine if the employee is eligible to convert, and when the determination is affirmative, the employee may convert within 31 days of that determination.

(5) When an employee converts his/her family optional insurance anytime after the group coverage has ended, the individual plan coverage is retroactive to the day following the day the group coverage ended. The employee must pay the premiums due for the retroactive period.

(6) An employee who fails to exercise his/her right to convert to an individual policy within 31 days after receiving notice of the right to convert or within 31 days of the terminating event, whichever is later, is deemed as having declined coverage unless OFEGLI determines the failure was for cause beyond his/her control as described in paragraph (e)(4) of this section.

(f)(1) Following the death of an insured employee, annuitant or compensationer, or following the termination of group coverage of an employee for any reason other than voluntary cancellation, family members as defined by 5 U.S.C. 8701(d) may, upon application and without medical examination, convert their family optional insurance coverage to an individual policy. The rates of the individual policy are the rates applicable to the family member's attained age and class of risk. A family member is eligible to convert the policy only if the employee does not return, within 3 calendar days from the terminating event, to a position allowing coverage under the group plan.

(2) The employing agency must notify the employee of the loss of group coverage and the right to convert to an individual policy either prior to or immediately following the event (except in the event of death) causing the loss of coverage. A family member can not convert to an individual policy if the employee or former employee exercises his/her right of conversion under paragraph (e)(1) of this section. In the event of death, the employing office (for employees), the office which administers a retirement system for Federal employees (for annuitants), or the Office of Workers' Compensation Programs (for compensationers) will furnish the decedent's family members with a notice of loss of group coverage and the right to convert to an individual policy.

(3) The family member's request for conversion information must be submitted to the Office of Federal Employees' Group Life Insurance and postmarked within 31 days following the date of the terminating event or within 31 days of the date the family member received notice of the loss of group coverage and right to convert, whichever is later.

(4) When the employing office (for employees), the Office which administers the retirement system for Federal employees (for annuitants), or the Office of Workers' Compensation Programs (for compensationers) fails to provide the notification described in paragraph (f)(2) of this section, or the

family member fails for other reasons beyond his/her control to request conversion as described in paragraph (f)(3) of this section, he/she may request conversion to an individual policy by writing to the Office of Federal Employee's Group Life Insurance. Such a request must be filed within six months after a family member becomes eligible to convert the family optional life insurance. The family member must show that he/she was not notified of the loss of coverage and the right to convert, and was not otherwise aware of it, or that he/she was unable, for cause beyond his/her control, to convert the family optional insurance coverage. The Office of Federal Employees' Group Life Insurance will determine if the family member is eligible to convert, and when the determination is affirmative, the family member may convert within 31 days of that determination.

(5) When a family member converts his/her coverage anytime after the group coverage has ended, the individual plan coverage is retroactive to the day following the day the group coverage ended. The family member must pay the premiums due for the retroactive period.

(6) A family member who fails to exercise his/her right to convert to an individual policy within 31 days after receiving notice of the right to convert or within 31 days of the terminating event, whichever is later, is deemed as having declined coverage unless OFEGLI determines the failure was for cause beyond his/her control as described in paragraph (f)(4) of this section.

(g) The 31-day extension of coverage provided under this subpart cannot be extended beyond 31 days, nor is it contingent upon timely issuance of notice of the right of conversion to an individual policy.

(h) The amount of an individual policy as provided under paragraphs (e) or (f) of this section shall not be less than $1,000.

Subpart F—Annuitants and Compensationers

§ 873.601 Amount of insurance.

(a) The amount of family optional insurance (on each family member) continued during receipt of annuity or compensation reduces by two percent a month effective at the beginning of the second calendar month after (1) the date the insurance would otherwise have stopped, or (2) the annuitant's or compensationer's 65th birthday, whichever is later. At 12:00 PM on the day preceding the 50th reduction the insurance stops, with no extension of coverage or right of conversion.

(b) Judges retiring under 28 U.S.C. 371 (a) and (b), 28 U.S.C. 372(a), and 26 U.S.C. 7447 are considered employees under the Federal Employees' Group Life Insurance law. Insurance for these judges continues without interruption or diminution upon retirement. The amount of family optional insurance for a judge who elects to receive compensation in lieu of annuity will be computed in accordance with paragraph (a) of this section.

[49 FR 3045, Jan. 25, 1984, as amended at 56 FR 55052, Oct. 24, 1991]

§ 873.602 Termination of annuity or compensation.

If the annuity or compensation paid to an insured person is terminated, or if the Department of Labor finds that an insured person receiving compensation is able to return to duty, family optional insurance held as an annuitant or compensationer stops, with no 31-day extension of coverage or right of conversion, on the date of that termination or finding.

§ 873.603 Waiver or suspension of annuity or compensation.

(a) Except as provided in paragraph (b) of this section, when annuity or compensation is waived or suspended, family optional insurance continues. When payment of either annuity or compensation is resumed, the paying office shall withhold the full cost of the insurance for the period of waiver or suspension during which the person is under age 65.

(b) If suspension of annuity or compensation is because of reemployment, the reemploying office shall withhold the full cost of the insurance during each pay period of reemployment.

§ 873.604 Reemployed annuitants.

(a)(1) An annuitant appointed to a position in which he/she is not excluded from basic insurance coverage by law or regulation is eligible for family optional insurance as an employee. If he/she has family optional insurance as a retired employee, that insurance (and any corresponding withholdings) is suspended on the day preceding his/her first day in a pay status under the appointment and, unless he/she files with his/her employing office a declination of family optional insurance (or a waiver of basic insurance), he/she acquires family optional insurance as an employee.

(2) Except as provided in paragraph (b) of this section, the family optional insurance acquired as an employee stops, with no 31-day extension or right of conversion, on the date reemployment terminates and any suspended family optional insurance which may remain in force following reductions after age 65 (and corresponding annuity withholdings, if any) is reinstated on the day following termination of the reemployment.

(b) Family optional insurance acquired during reemployment may be continued after termination of the reemployment if the retired employee:

(1) Qualifies for a supplemental annuity or acquires a new retirement right,

(2) Continues his/her basic insurance under paragraph (c)(2), (c)(3) or (c)(4) of § 870.601 of this chapter, and

(3) Has had family optional insurance in force for the 5 years of service immediately preceding separation from reemployment or for the full period(s) of service during which it was available to him/her, whichever is less.

If the family optional insurance acquired during reemployment is so continued, any suspended family optional insurance stops with no 31-day extension of coverage or right of conversion.

§ 873.605 Restored disability annuitants.

(a) An annuitant whose disability annuity is terminated because of restoration to earning capacity or recovery from disability and whose disability annuity is restored under section 8337(e) of title 5, United States Code, after December 31, 1983, may elect to resume family optional insurance held immediately before his or her disability annuity was terminated if:

(1) He or she has made an election under § 870.603 of this chapter; and

(2) The election is received by OPM within 60 days after OPM mails a notice of insurance eligibility and election form.

(b) The family optional insurance of an annuitant who meets the requirements of paragraph (a) of this section is effective on the first day of the month after the date OPM receives the election form. Any annuity withholdings applicable thereto are also reinstated on the first day of the month after OPM receives the election form.

(c) The amount of family optional insurance reinstated under paragraph (a) of this section is the amount that would have been in force had the individual's annuity not been terminated.

[50 FR 42006, Oct. 17, 1985, and 51 FR 15744, Apr. 28, 1986]

§ 873.606 MRA-plus-10 annuitants.

The family optional life insurance of an individual whose coverage terminated under § 873.501(a), and who meets the requirements for continuing family optional insurance after retirement under § 873.501(b), resumes on the commencing date of annuity or on the date the application for annuity is received by OPM, whichever is later.

Subpart G—Definition of Family Member

§ 873.701 Definition of family member.

For the purposes of this part, the terms *spouse* and *child* shall mean a spouse and unmarried dependent child within the meaning of these terms under the definition of ''family member'' under 5 U.S.C. 8701(d).

§ 873.702 Proof of dependency.

(a) A child is considered to be dependent on a employee or former employee if he/she is:

(1) A legitimate child,

(2) An adopted child,

(3) A stepchild or recognized natural child who lived with the employee or former employee in a regular parent-child relationship,

(4) A recognized natural child for whom a judicial determination of support has been obtained, or

(5) A recognized natural child to whose support the employee or former employee makes regular and substantial contribution.

(b) For the purposes of a claim under this part, an otherwise eligible child must have been dependent on the employee or former employee at the time of the child's death in order to qualify as a family member.

(c) The following are examples of proof of regular and substantial support. More than one of the following proofs may be required to show support.

(1) Evidence of eligibility as a dependent child for benefits under State or Federal programs,

(2) Proof of inclusion of the child as a dependent on the employee's or former employee's income tax returns,

(3) Canceled checks, money orders, or receipts for periodic payments from the employee or former employee for or on behalf of the child.

(4) Evidence of goods or services which show regular and substantial contributions,

(5) Any other evidence which the Office of Federal Employees' Group Life Insurance shall find to be sufficient proof of support or of paternity or maternity.

(d) The Office of Federal Employees' Group Life Insurance may deny an individual coverage as a dependent child, if:

(1) Evidence shows that the employee or former employee did not recognize the child as his/her own despite a willingness to support the child, or

(2) Evidence calls the child's paternity or maternity into doubt, despite the employee's or former employee's recognition and support of the child.

(e) For the purposes of an employee's election of family optional insurance upon the acquisition of a child, as provided in § 873.205, the employing agency shall base any requisite determination of dependency on the criteria expressed in paragraphs (a), (c), and (d) of this section.

§ 873.703 Child incapable of self-support.

(a) Upon receipt of a claim for family optional insurance in the event of death of a child over the age of 21 years, the Office of Federal Employees' Group Life Insurance shall determine, on the basis of such evidence as it deems necessary, whether the deceased child was incapable of self-support because of a mental or physical disability which existed before the child became 22 years of age.

(b) In the event of an employee's election of family optional insurance under § 873.205, where the opportunity to elect is based solely on the acquisition of a child over age 21, the employee shall submit to the employing office at the time of filing the election, a certificate of the physician that the child is incapable of self-support because of a physical or mental disability which existed before the child became 22 years of age, and which can be expected to continue for more than one year. The certificate shall include a statement of the name of the child, the nature of his/her disability, the period of time it has existed, and its probable future course and duration. The certificate shall be signed by the physician and show his/her office address.

Subpart A—Definitions of Terms

§874.101 Definitions.

The terms defined under §870.104 of this chapter have the same meanings in this part.

Subpart B—Coverage

§874.201 Assignments permitted.

(a) An insured individual may irrevocably assign ownership of life insurance coverage to one or more individuals, corporations, or trustees. An insured individual may assign ownership of basic life insurance, standard optional life insurance, and additional optional life insurance coverage, but may not assign ownership of family optional insurance or accidental dismemberment coverage. If an insured individual owns more than one assignable type of insurance, he or she must assign all the assignable insurance. An insured individual cannot assign only a portion of assignable insurance.

(b) An insured individual may not name contingent assignees in case the primary assignee dies before the insured individual.

(c) If the insurance is assigned to two or more individuals, corporations, or trustees, the insured individual must specify percentage shares, rather than dollar amounts or types of insurance, to go to each assignee.

(d) Once assigned, the value of the insurance increases or decreases according to any automatic increase or decrease in the value of the coverage as provided for in parts 870, 871, and 872 of this chapter.

(e) An insured individual who has elected a Living Benefit under subpart K of part 870 of this chapter may not assign his or her insurance coverage and an insured individual who has assigned his or her insurance coverage may not elect a Living Benefit.

(f) [reserved]

(g) An insured individual who has elected a Living Benefit may not assign his/her insurance and an insured individual who has assigned his/her insurance may not elect a Living Benefit. [60 FR 51884, Oct. 4, 1995 as amended at 60 FR 31375, June 15,1995]

§874.202 Rights of the assignee.

(a) An insured individual who assigns ownership of insurance continues to be the insured individual, but the assignee assumes the rights of an insured individual, except as provided in §874.203 of this part.

(b) The assignee assumes all rights to waive or decline insurance under this chapter according to the provisions of §§870.204, 871.204, and 872.204 of this chapter. When the insurance is assigned to two or more individuals, corporations, or trustees, all assignees must agree to waive or decline the insurance. A waiver of the basic insurance in accordance with the provisions of §870.204 of this chapter terminates all insurance under this chapter and terminates the assignment under this part.

(c) The assignee may not elect a Living Benefit under subpart K of part 870 of this chapter.

(d) The right of the assignee to designate beneficiaries is set forth in subpart F of this part.

(e) The rights of the assignee when the insured individual retires or becomes a compensationer are set forth in subpart G of this part.

§ 874.203 Rights of the insured individual after assignment.

(a) The right to increase insurance coverage remains with the insured individual and does not transfer to the assignee. If the insured individual who has made an assignment later elects increased insurance under § 871.205 or § 872.205 of this chapter, or during an open enrollment period, the increased insurance is considered covered by the existing assignment.

(b) The rights of an insured individual who assigns his or her life insurance and later retires are set forth in subpart G of this part.

Subpart C—Assignment Procedures

§ 874.301 Making an assignment.

To assign insurance, the insured individual must complete and submit to the employing office a signed and witnessed assignment form (RI 76–10) indicating the intent to irrevocably assign all assignable incidents of ownership in the insurance.

§ 874.302 Effective date of the assignment.

An assignment under this part is effective on the date the employing office receives the properly completed, signed, and witnessed assignment form.

§ 874.303 Notification of current address.

Each assignee is responsible for keeping the insured individual's employing office advised of his or her current address.

§ 874.304 Reconsideration.

An insured individual or an assignee may request the employing agency to reconsider an employing office's initial determination denying an entitlement related to assignments. The rules and procedures under §§ 870.102 and 870.103 are applicable to this part, subject to the withholdings and contributions under § 874.402 of this part.

Subpart D—Amount of Insurance and Withholdings and Contributions

§ 874.401 Amount of insurance.

The amount of insurance is based on the insured individual's basic pay as specified in subpart C of parts 870, 871, and 872 of this chapter.

§ 874.402 Withholdings and contributions.

(a) Subject to the provisions of subpart D of parts 870, 871, and 872 of this chapter, premium payments for assigned insurance are withheld from the pay, annuity, or compensation of the covered individual.

(b) Assignees of insured individuals who are retired under the Federal Employees Retirement System and whose annuities are too low to cover the life insurance premiums may make the direct premium payments described in §§ 870.401(j), 871.401(i), and 872.401(i) of this chapter if the annuitant declines to make direct payment. In such cases, the retirement system must notify the assignees. In the case of multiple assignees, each assignee who chooses to make direct payment is responsible for the percentage of the total premium representing his or her portion of the insurance.

(c) When the amount of insurance continued under § 874.701(d) is not an even multiple of $1,000, withholding is based on the amount of insurance rounded to the next lower thousand.

Subpart E—Termination and Conversion

§ 874.501 Termination.

(a) Assigned insurance terminates under the conditions stated in subpart E of parts 870, 871, and 872 of this chapter.

(b) The assignment terminates 31 days after the insurance terminates, unless the covered individual is reemployed in or returns to a position in which he or she is entitled to coverage under this chapter before the expiration of the 31-day period following termination of insurance.

§874.502 Eligibility to convert.

(a) When an insured individual's insurance terminates under the conditions set forth in subpart E of parts 870, 871, and 872 of this chapter, an assignee has the right to convert all or a portion of his or her group life insurance to an individual policy on the insured individual. The conditions specified in subpart E of those parts apply to assignees who elect to convert.

(b) When insurance is assigned to more than one assignee, each assignee has the right to convert all or part of his or her share of the insurance. Except as provided in §874.701 of this part, any assignee who does not convert loses all interest in the insurance.

(c) When multiple assignees convert the assigned insurance to individual policies on the insured individual in accordance with this subpart, the maximum amount of insurance each assignee can convert is determined by the assignee's share of total insurance under this chapter. If such amount is not a multiple of $1,000, it is rounded up to the next thousand dollars.

§874.503 Rates for converted insurance.

Rates for converted life insurance are based on the insured individual's age and class of risk at the time the conversion policy is issued.

§874.504 Notification of conversion rights.

The employing office must notify each assignee of his or her conversion right at the time the assigned group insurance terminates.

Subpart F—Designations of Beneficiary

§874.601 Designations and changes of beneficiary.

(a) An assignment automatically cancels an insured individual's prior designation of beneficiary.

(b) Each assignee may designate a beneficiary or beneficiaries to receive insurance proceeds upon the death of the insured individual. An assignee may designate himself or herself as the primary beneficiary and name some other person(s) as contingent beneficiary(ies) to receive insurance benefits in the event that the assignee predeceases the insured individual.

(c) Assigned insurance is paid to an assignee's estate if the assignee predeceases the insured individual and—

(1) The assignee did not reassign the insurance,

(2) The assignee did not designate a beneficiary, or

(3) The assignee's designated beneficiary predeceased the insured individual.

(d) The provisions of §870.902 of this chapter apply to designations of beneficiary filed by assignees.

Subpart G—Annuitants and Compensationers

§874.701 Annuitants and compensationers.

(a) If an insured individual assigns basic insurance coverage under this chapter and later becomes eligible to continue such coverage while receiving annuity or workers' compensation as provided under §870.601(a) or §870.701(a) of this chapter, the insured individual may, at the time he or she becomes eligible to continue such insurance as an annuitant or compensationer, elect increased lifetime basic insurance coverage as provided in §870.601(c) (3) and (4) or §870.701(c) (3) and (4) of this chapter.

(b) After the insured individual has made an election as described in paragraph (a) of this section, the assignee (or, in cases of multiple assignees, all of the assignees acting together) may, at any time, elect to cancel the annuitant's or compensationer's election of increased lifetime basic insurance as provided in §870.601(c) or §870.701(c) of this chapter.

(c) When multiple assignees have been named and, at the time the insured individual becomes eligible for continued coverage as an annuitant under §§870.601, 871.501, and/or 872.501 of this chapter, some assignees choose to convert their portions and others choose to have their portions of insurance continued during the insured individual's retirement, the amount of each type of continued insurance is the total percentage of the shares of the

assignees who choose to continue the coverage.

(d) When multiple assignees have been named and, at the time the insured individual becomes eligible for continued coverage as a compensationer under §§ 870.701, 871.501, and/or 872.501 of this chapter, some assignees choose to convert their portions of the insurance and others choose to have their portions continued while the insured individual is receiving compensation, the amount of each type of continued insurance is determined by the total percentage of the shares of the assignees who choose to continue the coverage.

§ 874.702 Reemployed annuitants.

(a) The right of a reemployed annuitant to elect additional optional coverage as an employee rather than as an annuitant under § 872.604 remains with the insured individual and does not transfer to the assignee.

(b) When an annuitant who has assigned his or her insurance is reemployed in a position in which he or she is entitled to life insurance coverage, the coverage he or she acquires as a reemployed annuitant is subject to the existing assignment.

(8) For a former spouse of an employee who separated from service after qualifying for an immediate annuity under 5 U.S.C. 8412(g), whose marriage dissolves after the employee separated from service but before the date the separated employee's annuity commences, and who is entitled to continued coverage under subpart H of this part, *employing office* is the office that has the authority to approve payment of annuity for the annuitant or former spouse concerned.

Enrollee means the individual in whose name the enrollment is carried. The term includes employees, annuitants, former employees, former spouses, or children who are enrolled after completing a valid registration form under the provisions of §§ 890.301, 890.601(c), 890.803, or 890.1103 or have continued an enrollment as an annuitant or survivor annuitant under 5 U.S.C. 8905(b) or § 890.303(c).

Foster child means a child who:

(1) Lives with an employee, former employee, or annuitant or with a child enrolled under § 890.1103(a)(2) in a regular parent-child relationship and

(2) Is expected to be raised to adulthood by the enrollee.

Immediate annuity means an annuity which begins to accrue not later than 1 month after the date enrollment under a health benefits plan would cease for an employee or member of family if he were not entitled to continue enrollment as an annuitant. Notwithstanding the foregoing, an annuity which commences on the birth of the posthumous child of an employee or annuitant is an immediate annuity. For an individual who separates from service upon meeting the requirements for an annuity under § 842.204(a)(1) of this chapter, *immediate annuity* includes an annuity for

which the commencing date is postponed under § 842.204(c).

Letter of credit is defined in 48 CFR 1602.170–9.

Option means a level of benefits. It does not include distinctions as to whether the members of the family are covered.

OWCP means the Office of Workers' Compensation Programs, U.S. Department of Labor, which administers subchapter I of chapter 81 of title 5, United States Code.

Pay period means the biweekly pay period established pursuant to section 5504 of title 5, United States Code, for the employees to whom that section applies and the regular pay period for employees not covered by that section. *Pay period,* as it relates to a former spouse or annuitant who is not actively receiving an annuity, including surviving spouses receiving a basic employee death benefit, and enrollees temporarily continuing coverage under subpart K of this part, means any regular pay period for employees of the agency to which jurisdiction and responsibility for health benefits actions for the enrollee have been delegated as provided under the definition of ''employing office'' in this section. *Pay period* for annuitants in active receipt of annuity means the period for which a single installment of annuity is customarily paid.

Reconsideration means the final level of administrative review of an employing office's initial decision to determine if the employing office correctly applied the law and regulations.

Register means to file with the employing office a properly completed health benefits registration form, either electing to be enrolled in a health benefits plan or electing not to be enrolled. Retirement systems may accept alternative methods, such as telephone requests, in substitution of a properly completed health benefits registration form. Alternative methods must transmit to the health benefits plans the information they require before accepting an enrollment. In addition, for enrollments and cancellations to be valid, the signature of the requesting individual must be on the request, or on a form from the retirement system to the requesting individual giving notice of the enrollment or cancellation. For changes of enrollment, the signature of the requesting individual is not required but the retirement system must promptly give to the requesting individual written notice of the change of enrollment. *Register to enroll* means to register an election to be enrolled. *Enrolled* means a valid registration form has been accepted by the employing office, or an alternative method has been accepted by the retirement system, and the enrollment in a health benefits plan approved by OPM under this part has not been terminated or cancelled.

Regular tour of duty means a work schedule, prescribed in advance to continue indefinitely or for at least 6 months, of a certain number of hours or other time units in a day, week, biweekly pay period, month, or year.

Underdeduction means a failure to withhold the required amount of health benefits contributions from an individual's pay, annuity, or compensation. This definition includes both nondeductions (when none of the required amounts was withheld) and partial deductions (when only part of the required amount was withheld). Though FEHB contributions are required to cover a period of nonpay status, the nonpayment of contributions during such period does not result in an underdeduction.

(b) Whenever, in this part, a period of time is stated as a number of days or a number of days from an event, the period is computed in calendar days, excluding the day of the event. Whenever, in this part, a period of time is defined by beginning and ending dates, the period includes the beginning and ending dates.

§ 890.102 Coverage.

(a) Each employee, other than those excluded by paragraph (c) of this section, is eligible to be enrolled in a health benefits plan at the time and under the conditions prescribed in this part.

(b) An employee who serves in cooperation with non-Federal agencies and is paid in whole or in part from non-Federal funds may register to be enrolled within the period prescribed by OPM for the group of which the employee is a member following approval by OPM of arrangements providing that (1) the required withholdings and contributions will be made from Federally-controlled funds and timely deposited into the Employees Health Benefits Fund, or (2) the cooperating non-Federal agency will, by written agreement with the Federal agency, make the required withholdings and contributions from non-Federal funds and transmit them for timely deposit into the Employees Health Benefits Fund.

(c) The following employees are not eligible:

(1) An employee (other than an acting postmaster, a Presidential appointee appointed to fill an unexpired term, and an appointee whose appointment meets the definition of provisional appointment set out in §§ 316.401 and 316.403 of this chapter) who is serving under an appointment limited to 1 year or less and who has not completed 1 year of current continuous employment, excluding any break in service of 5 days or less.

(2) An employee who is expected to work less than 6 months in each year, except for an employee who is employed under an OPM approved career-related work-study program under Schedule B of at least 1 year's duration and who is expected to be in a pay status for at least one-third of the total period of time from the date of the first appointment to the completion of the work-study program.

(3) An intermittent employee—a non-full-time employee without a prearranged regular tour of duty.

(4) An employee whose pay on an annual basis is $350 a year or less.

(5) A beneficiary or patient employee in a Government hospital or home.

(6) An employee paid on a contract or fee basis, except an employee who is a citizen of the United States who is appointed by a contract between the employee and the Federal employing authority which requires his personal service and is paid on the basis of units of time.

(7) An employee paid on a piecework basis, except one whose work schedule provides for full-time service or part-time service with a regular tour of duty.

(8) An individual first employed by the government of the District of Columbia on or after October 1, 1987. However, this exclusion does not apply to employees of St. Elizabeths Hospital who accept offers of employment with the District of Columbia government without a break in service, as provided in section 6 of Pub. L. 98–621.

(d) Paragraph (c) of this section does not deny coverage to:

(1) An employee appointed to perform ''part-time career employment,'' as defined in section 3401(2) of title 5, United States Code, and 5 CFR part 340, subpart B; or

(2) An employee serving under an interim appointment established under § 772.102 of this chapter.

(e) The Office of Personnel Management makes the final determination of the applicability of this section to specific employees or groups of employees.

(f) An employee of the District of Columbia Financial Responsibility and Management Assistance Authority (the Authority) who makes an election under the Technical Corrections to Financial Responsibility and Management Assistance Act (section 153 of Pub. L. 104–134, 110 Stat. 1321) to be considered a Federal employee for health benefits and other benefit purposes is subject to this part. If the employee is eligible to make an election to enroll under § 890.301, such election must be made within 60 days after the later of either the date the employment with the Authority begins or the date the Authority receives his or her election to be considered a Federal employee. Employees of the Authority who are former Federal employees are subject to the provisions of § 890.303(a), except that a former Federal employee employed by the Authority before October 26, 1996, and within 3 days following the termination of the Federal employment may make an election to enroll under § 890.301(c). Annuitants who have continued their coverage under this part as annuitants are not eligible

to enroll under this paragraph. An election to enroll under this part is effective under the provisions of § 890.306(a) unless the employee requests the Authority to make the enrollment effective on the first day of the first pay period following the date the employee entered on duty in a pay status with the Authority.

(a) The employing office may make prospective corrections of administrative errors as to enrollment at any time. The employing office may make retroactive corrections of administrative errors that occur after December 31, 1994.

(b) OPM may order correction of an administrative error upon a showing satisfactory to OPM that it would be against equity and good conscience not to do so.

(c) OPM may order the termination of an enrollment in any comprehensive medical plan described in section 8903(4) of title 5, United States Code, and permit the individual to enroll in another health benefits plan for purposes of this part, upon a showing satisfactory to OPM that the furnishing of adequate medical care is jeopardized by a seriously impaired relationship between a patient and the comprehensive medical plan's affiliated health care providers.

(d) Retroactive corrections are subject to withholdings and contributions under the provisions of § 890.502.

§ 890.104 Initial decision and reconsideration on enrollment.

(a) *Who may file.* Except as provided under § 890.1112, an individual may request an agency or retirement system to reconsider an initial decision of its employing office denying coverage or change of enrollment.

(b) *Initial employing office decision.* An employing office's decision is considered an initial decision as used in paragraph (a) of this section when rendered by the employing office in writing and stating the right to an independent level of review (reconsideration) by the agency or retirement system. However, an initial decision rendered at the highest level of review available within OPM is not subject to reconsideration.

(c) *Reconsideration.* (1) A request for reconsideration must be made in writing, must include the claimant's name, address, date of birth, Social Security number, name of carrier, reason(s) for the request, and, if applicable, retirement claim number.

(2) The reconsideration review must be an independent review designated at or above the level at which the initial decision was rendered.

(d) *Time limit.* A request for reconsideration of an initial decision must be filed within 30 calendar days from the date of the written decision stating the right to a reconsideration. The time limit on filing may be extended when the individual shows that he or she was not notified of the time limit and was not otherwise aware of it, or that he or she was prevented by circumstances beyond his or her control from making the request within the time limit. An agency or retirement system decision in response to a request for reconsideration of an employing office's decision is a final decision as described in paragraph (e) of this section.

(e) *Final decision.* After reconsideration, the agency or retirement system must issue a final decision, which must be in writing and must fully set forth the findings and conclusions.

[59 FR 66437, Dec. 27, 1994]

§ 890.105 Filing claims for payment or service.

(a) *General.* (1) Each health benefits carrier resolves claims filed under the plan. All health benefits claims must be submitted initially to the carrier of the covered individual's health benefits plan. If the carrier denies a claim (or a portion of a claim), the covered individual may ask the carrier to reconsider its denial. If the carrier affirms its denial or fails to respond as required by paragraph (c) of this section,

the covered individual may ask OPM to review the claim. A covered individual must exhaust both the carrier and OPM review processes specified in this section before seeking judicial review of the denied claim.

(2) This section applies to covered individuals and to other individuals or entities who are acting on the behalf of a covered individual and who have the covered individual's specific written consent to pursue payment of the disputed claim.

(b) *Time limits for reconsidering a claim.* (1) The covered individual has 6 months from the date of the notice to the covered individual that a claim (or a portion of a claim) was denied by the carrier in which to submit a written request for reconsideration to the carrier. The time limit for requesting reconsideration may be extended when the covered individual shows that he or she was prevented by circumstances beyond his or her control from making the request within the time limit.

(2) The carrier has 30 days after the date of receipt of a timely-filed request for reconsideration to:

(i) Affirm the denial in writing to the covered individual;

(ii) Pay the bill or provide the service; or

(iii) Request from the covered individual or provider additional information needed to make a decision on the claim. The carrier must simultaneously notify the covered individual of the information requested if it requests additional information from a provider. The carrier has 30 days after the date the information is received to affirm the denial in writing to the covered individual or pay the bill or provide the service. The carrier must make its decision based on the evidence it has if the covered individual or provider does not respond within 60 days after the date of the carrier's notice requesting additional information. The carrier must then send written notice to the covered individual of its decision on the claim. The covered individual may request OPM review as provided in paragraph (b)(3) of this section if the carrier fails to act within the time limit set forth in this paragraph (b)(2)(iii).

(3) The covered individual may write to OPM and request that OPM review the carrier's decision if the carrier either affirms its denial of a claim or fails to respond to a covered individual's written request for reconsideration within the time limit set forth in paragraph (b)(2) of this section. The covered individual must submit the request for OPM review within the time limit specified in paragraph (e)(1) of this section.

(4) The carrier may extend the time limit for a covered individual's submission of additional information to the carrier when the covered individual shows he or she was not notified of the time limit or was prevented by circumstances beyond his or her control from submitting the additional information.

(c) *Information required to process requests for reconsideration.* (1) The covered individual must put the request to the carrier to reconsider a claim in writing and give the reasons, in terms of applicable brochure provisions, that the denied claim should have been approved.

(2) If the carrier needs additional information from the covered individual to make a decision, it must:

(i) Specifically identify the information needed;

(ii) State the reason the information is required to make a decision on the claim;

(iii) Specify the time limit (60 days after the date of the carrier's request) for submitting the information; and

(iv) State the consequences of failure to respond within the time limit specified, as set out in paragraph (b)(2) of this section.

(d) *Carrier determinations.* The carrier must provide written notice to the covered individual of its determination. If the carrier affirms the initial denial, the notice must inform the covered individual of:

(1) The specific and detailed reasons for the denial;

(2) The covered individual's right to request a review by OPM; and

(3) The requirement that requests for OPM review must be received within 90 days after the date of the carrier's denial notice and include a copy of the denial notice as well as documents to

support the covered individual's position.

(e) *OPM review.* (1) If the covered individual seeks further review of the denied claim, the covered individual must make a request to OPM to review the carrier's decision. Such a request to OPM must be made:

(i) Within 90 days after the date of the carrier's notice to the covered individual that the denial was affirmed;

(ii) If the carrier fails to respond to the covered individual as provided in paragraph (b)(2) of this section, within 120 days after the date of the covered individual's timely request for reconsideration by the carrier; or

(iii) Within 120 days after the date the carrier requests additional information from the covered individual, or the date the covered individual is notified that the carrier is requesting additional information from a provider. OPM may extend the time limit for a covered individual's request for OPM review when the covered individual shows he or she was not notified of the time limit or was prevented by circumstances beyond his or her control from submitting the request for OPM review within the time limit.

(2) In reviewing a claim denied by the carrier, OPM may:

(i) Request that the covered individual submit additional information;

(ii) Obtain an advisory opinion from an independent physician;

(iii) Obtain any other information as may in its judgment be required to make a determination; or

(iv) Make its decision based solely on the information the covered individual provided with his or her request for review.

(3) When OPM requests information from the carrier, the carrier must release the information within 30 days after the date of OPM's written request unless a different time limit is specified by OPM in its request.

(4) Within 90 days after receipt of the request for review, OPM will either:

(i) Give a written notice of its decision to the covered individual and the carrier; or

(ii) Notify the individual of the status of the review. If OPM does not receive requested evidence within 15 days after expiration of the applicable time limit in paragraph (e)(3) of this section, OPM may make its decision based solely on information available to it at that time and give a written notice of its decision to the covered individual and to the carrier.

(5) OPM, upon its own motion, may reopen its review if it receives evidence that was unavailable at the time of its original decision.

§890.106 Delegation of authority for resolving certain contract disputes.

For the purpose of making findings of fact and to the extent that conclusions of law may be required under any proceeding conducted in accordance with the provisions of the disputes clause included in health benefits contracts, OPM delegates this function to the Armed Services Board of Contract Appeals.

§890.107 Court review.

(a) A suit to compel enrollment under §890.102 must be brought against the employing office that made the enrollment decision.

(b) A suit to review the legality of OPM's regulations under this part must be brought against the Office of Personnel Management.

(c) Federal Employees Health Benefits (FEHB) carriers resolve FEHB claims under authority of Federal statute (5 U.S.C. chapter 89). A covered individual may seek judicial review of OPM's final action on the denial of a health benefits claim. A legal action to review final action by OPM involving such denial of health benefits must be brought against OPM and not against the carrier or carrier's subcontractors. The recovery in such a suit shall be limited to a court order directing OPM to require the carrier to pay the amount of benefits in dispute.

(d) An action under paragraph (c) of this section to recover on a claim for health benefits:

(1) May not be brought prior to exhaustion of the administrative remedies provided in §890.105;

(2) May not be brought later than December 31 of the 3rd year after the year in which the care or service was provided; and

(3) Will be limited to the record that was before OPM when it rendered its decision affirming the carrier's denial of benefits.

[61 FR 15179, Apr. 5, 1996]

§ 890.108 Waiver of requirements for continued coverage during retirement.

(a) OPM may waive the eligibility requirements under 5 U.S.C. 8905(b) for health benefits coverage as an annuitant in the case of an individual who fails to satisfy such requirements if OPM, in its sole discretion, determines that, because of exceptional circumstances, it would be against equity and good conscience not to allow such individual to be enrolled as an annuitant in a health benefits plan under this part.

(b) OPM may grant a waiver as described in paragraph (a) of this section to an annuitant in rare and unusual circumstances if the annuitant shows by the preponderance of the evidence that—

(1) There is evidence demonstrating that the individual intended to be covered as an annuitant;

(2) The circumstance(s) that prevented the completion of the requirements of 5 U.S.C. 8905(b) was (were) essentially outside the individual's control; and

(3) The individual exercised due diligence in protecting the right to coverage as an annuitant.

(c) OPM will not grant a waiver solely because—

(1) An individual's retirement is based on disability or an involuntary separation; or

(2) An individual was misadvised (or not advised) by his or her employing office regarding the requirements for continuation of health benefits coverage into retirement.

[52 FR 3, Jan. 2, 1987]

§ 890.109 Exclusion of certain periods of eligibility when determining continued coverage during retirement.

(a) Except as provided in paragraph (b) of this section, periods during which temporary employees are eligible under 5 U.S.C. 8906a to receive health benefits by enrolling and paying the full subscription charge, but are not eligible to participate in a retirement system, are not considered when determining eligibility for continued coverage during retirement. For the purpose of continuing coverage during retirement, an employee is considered to have enrolled at his or her first opportunity if the employee registered to be enrolled when he or she received a permanent appointment entitling him or her to participate in a retirement system and to receive the Government contribution toward the health benefits premium payments.

(b) A temporary employee eligible under 5 U.S.C. 8906a may continue enrollment as a compensationer if he or she has been enrolled or covered as a family member under another enrollment under this part for:

(1) The 5 years of service immediately preceding the commencement of his or her monthly compensation; or

(2) During all periods of service since his or her first opportunity to enroll, if less than 5 years. For the purpose of this paragraph, an employee is considered to have enrolled at his or her first opportunity if the employee registered to be enrolled when he or she first became eligible under 5 U.S.C. 8906a.

[58 FR 47824, Sept. 13, 1993]

Subpart B—Health Benefits Plans

§ 890.201 Minimum standards for health benefits plans.

(a) To qualify for approval by OPM, a health benefits plan shall meet the following standards. Once approved, a health benefits plan shall continue to meet the minimum standards. Failure on the part of the carrier's plan to meet the standards is cause for OPM's withdrawal of approval of the plan in accordance with 5 CFR 890.204. A health benefits plan shall:

(1) Comply with chapter 89 of title 5, United States Code, and this part, as amended from time to time.

(2) Accept the enrollment, in accordance with this part, and without regard to age, race, sex, health status, or hazardous nature of employment, of each eligible employee, annuitant, former spouse, former employee, or child, except that a plan that is sponsored or underwritten by an employee organization may not accept the enrollment of a person who is not a member of the organization, but it may not limit membership in the organization on account of the prohibited factors (age, race, sex, health status, or hazardous nature of employment). The carrier may terminate the enrollment of an enrollee other than a survivor annuitant, a former spouse continuing coverage under §890.803, or person continuing coverage under §890.1103(a) (2) or (3), in a health benefits plan sponsored or underwritten by an employee organization on account of termination of membership in the organization. A carrier that wants to terminate the enrollment of an enrollee under this paragraph may do so by notifying the employing office in writing, with a copy of the notice to the enrollee. The termination is effective at the end of the pay period in which the employing office receives the notice. A comprehensive medical plan need not enroll an employee, annuitant, former employee, former spouse, or child residing outside the geographic areas specified by the plan.

(3) Provide health benefits for each enrollee and covered family member wherever they may be.

(4) Provide for conversion to a contract for health benefits regularly offered by the carrier, or an appropriate affiliate, for group conversion purposes, which must be guaranteed renewable, subject to such amendments as apply to all contracts of this class, except that it may be canceled for fraud, overinsurance, or nonpayment of periodic charges. A carrier must permit conversion within the time allowed by the temporary extension of coverage provided under §890.401 for each enrollee and covered family member entitled to convert. When an employing office gives an enrollee written notice of his or her privilege of conversion, the carrier must permit conversion at any time before 31 days after the date of notice or 91 days after the enrollment is terminated, whichever is earlier. Belated conversion opportunities as provided in §890.401(c) must also be permitted by the carrier. When OPM requests an extension of time for conversion because of delayed determination of ineligibility for immediate annuity, the carrier must permit conversion until the date specified by OPM in its request for extension. On conversion, the contract becomes effective as of the day following the last day of the temporary extension, and the enrollee or covered family member, as the case may be, must pay the entire cost thereof directly to the carrier. The nongroup contract may not deny or delay any benefit covered by the contract for a person converting from a plan approved under this part except to the extent that benefits are continued under the health benefits plan from which he or she converts.

(5) Provide that each enrollee receive an identification card or cards or other evidence of enrollment.

(6) Provide a standard rate structure which contains, for each option, one standard individual rate, and one standard family rate.

(7) Maintain statistical records regarding the plan, separately from those of any other activities conducted or benefits offered by the carrier sponsoring or underwriting the plan.

(8) Provide for a special reserve for the plan. The carrier shall account for amounts retained by it as reserves for the plan separately from reserves maintained by it for other plans. The carrier shall invest the special reserve and income derived from the investment of the special reserve shall be credited to the special reserve. If the contract is terminated or approval of the plan is withdrawn, the carrier shall return the special reserve to the Employees Health Benefits Fund. However, in the case of a comprehensive medical plan, the carrier, without regard to the foregoing provisions of this paragraph, shall follow such financial procedures as are mutually agreed on by the carrier and OPM.

(9) Provide for continued enrollment to the end of the current pay period, or termination date, if earlier, of each enrollee enrolled at the effective date of termination of a contract. The carrier is entitled to subscription charges for this continued enrollment.

(10) Provide that any covered expenses incurred from January 1 to the effective date of an open season change count toward the losing carrier's prior year deductible. If the prior year deductible or family limit on deductibles of the losing carrier had previously been met, the enrolled individual (and eligible family members) shall be eligible for reimbursement by the losing carrier for covered expenses incurred during the current year. Reimbursement of covered expenses shall apply only to covered expenses incurred from January 1 to the effective date of the open season change. This section shall not apply to any other permissible changes made during a contract year.

(11) Except where OPM determines otherwise, have 300 or more employees and annuitants, exclusive of family members, enrolled in the plan at some time during the preceding two contract terms.

(b) To be qualified to be approved by OPM and, once approved, to continue to be approved, a health benefits plan shall not:

(1) Deny a covered person a benefit provided by the plan for a service performed on or after the effective date of coverage solely because of a preexisting physical or mental condition.

(2) Require a waiting period for any covered person for benefits which it provides.

(3) Have more than two options.

(4) Have an initiation, service, enrollment, or other fee or charge in addition to the rate charged for the plan, except that a comprehensive medical plan may impose an additional charge to be paid directly by the enrollee for certain medical supplies and services, if the supplies and services on which additional charges are imposed are clearly set forth in advance and are applicable to all enrollees. This subparagraph does not apply to charges for membership in employee organizations sponsoring or underwriting plans.

(5) Paragraphs (b)(1) and (2) of this section do not preclude a plan offering benefits for dentistry or cosmetic surgery, or both, limited to conditions arising after the effective date of coverage.

(c) The Director or his or her designee will determine whether to propose withdrawal of approval of the plan and hold a hearing based on the seriousness of the carrier's actions and its proposed method to effect corrective action.

§ 890.203 Application for approval of, and proposal of amendments to, health benefit plans.

(a) *New plan applications.* (1) The Director of OPM shall consider applications to participate in the FEHB Program from comprehensive medical plans (CMP's) at his or her discretion. CMP's are automatically invited to submit applications annually to participate in the FEHB Program unless otherwise notified by OPM. If the Director should determine that it is not beneficial to the enrollees and the Program to consider applications for a specific contract year, OPM will publish a notice with a 60 day comment period in the FEDERAL REGISTER no less than 7 months prior to the date applications would be due for the specific contract year for which applications will not be accepted.

(2) When applications are considered, CMP's should apply for approval by writing to the Office of Personnel Management, Washington, DC 20415. Application letters must be accompanied by any descriptive material, financial data, or other documentation required by OPM. Plans must submit the letter and attachments in the OPM-specified format by January 31, or another date

specified by OPM, of the year preceding the contract year for which applications are being accepted. Plans must submit evidence demonstrating they meet all requirements for approval by March 31 of the year preceding the contract year for which applications are being accepted. Plans that miss either deadline cannot be considered for participation in the next contract year. All newly approved plans must submit benefit and rate proposals to OPM by May 31 of the year preceding the contract year for which applications are being accepted in order to be considered for participation in that contract year. OPM may make counter-proposals at any time.

(3) OPM may approve such comprehensive medical plans as, in the judgment of OPM, may be in the best interest of enrollees in the Program. In addition to specific requirements set forth in 5 U.S.C. chapter 89, in chapter 1 and other relevant portions of title 48 of the Code of Federal Regulations, and in other sections of this part, to be approved, an applicant plan must actually be delivering medical care at the time of application; must be in compliance with applicable State licensing and operating requirements; must not be a Federal, State, local, or territorial governmental entity; and must not be debarred, suspended, or ineligible to participate in Government contracting or subcontracting for any reason, including fraudulent health care practices in other Federal health care programs.

(4) Applications must identify those individuals who have the legal authority and responsibility to enter into and guarantee contracts. The applications will be reviewed for evidence of substantial compliance with the following standards:

(i) *Health plan management:* Stable management with experience pertinent to the prepaid health care provider industry; sufficient operating experience to enable OPM to realistically evaluate the plan's past and expected future performance;

(ii) *Marketing:* A rate of enrollment that ensures equalization of income and expenses within projected timeframes and sufficient subscriber income to operate within budget thereafter; enrollment dispersed among groups such that there is not a concentration of enrollment with one or a few groups so that the loss of one or more contracts by the carrier would not jeopardize its financial viability; feasible projections of future enrollment and employer distribution, as well as the potential enrollment area for maketing purposes;

(iii) *Health care delivery system:* A health care delivery system providing reasonable access to and choice of quality primary and specialty medical care throughout the service area; specifically, in the individual practice setting, contractual arrangements for the services of a significant number of primary care and speciality physicians in the service area; and in the group practice setting, compliance with 5 U.S.C. 8903(4)(A) preferably demonstrated by full-time providers specializing in internal medicine, family practice, pediatrics, and obstetrics/gynecology; and

(iv) *Financial condition:* Establishment of firm budget projections and demonstrated success in meeting or exceeding those projections on a regular basis; evidence of the ability to sustain operation in the future and to meet obligations under the contract OPM might enter into with the plan; clearly specified committed funding to see the plan to an expected break-even point including a sufficient amount for unexpected contingencies; adequate current and projected funding, such as estimated premium income or commitment from a financially sound and acceptable parent organization or a mature stable entity outside the plan; insolvency protection, such as stop-loss reinsurance services and agreements with all plan providers that they will hold members harmless if, for any reason, the plan is unable to pay its providers.

(5) A comprehensive medical plan that has been certified either as a qualified Health Maintenance Organization (HMO) or as a qualified Competitive Medical Plan by the Department of Health and Human Services (HHS) at the time of application to OPM, and whose qualification status is not under investigation by HHS, will need to submit only an abbreviated application to OPM. The extent of the

data and documentation to be submitted by a plan so qualified by HHS, as well as by a non-qualified plan, for a particular review cycle may be obtained by writing directly to the Office of Insurance Programs, Retirement and Insurance Service, Office of Personnel Management, Washington, DC 20415.

(b) *Participating plans.* Changes in rates and benefits for approved health benefits plans shall be considered at the discretion of the Director of OPM. If the Director of OPM determines that it is beneficial to enrollees and the Federal Employees Health Benefits Program to invite health plan benefit and/or rate changes for a given contract period, a ''call letter'' shall be issued to the carrier approximately 9 months prior to the expiration of the current contract period. Any proposal for change shall be in writing, specifically describe the change proposed, and be signed by an authorized official of the carrier. OPM will review any requested proposal for change and will notify the carrier of its decision to accept or reject the change. OPM may make a counter proposal or at any time propose changes on its own motion. Benefits changes and rate proposals, when requested by OPM, shall be submitted not less than 7 months before the expiration of the then current contract period, unless the Director of OPM determines that a later date is acceptable. The negotiation period shall begin approximately 7 months before the expiration of the current contract period, and OPM shall seek to complete all benefit and rate negotiations no later than 4 months preceding the contract period to which they will apply. If OPM and the carrier do not reach agreement by this date, either party may give written notice of nonrenewal in accordance with § 890.205 of this part.

§ 890.204 Withdrawal of approval of health benefits plans or carriers.

(a) The Director may withdraw approval of a health benefits plan or carrier if the standards at § 890.201 of this part and 48 CFR subpart 1609.70 are not met. Such action carries with it the right to a hearing as provided in paragraph (a)(2) of this section.

(1) Before withdrawing approval, the Director or his or her representative shall notify the carrier of the plan, by certified mail, that OPM intends to withdraw approval of the health benefits plan and/or carrier. The notice shall set forth the reasons why approval is to be withdrawn. The carrier is entitled to reply in writing within 15 calendar days after its receipt of the notice, stating the reasons why approval should not be withdrawn.

(2) On receipt of the reply, or in the absence of a timely reply, the Director or representative shall set a date, time, and place for a hearing. The carrier shall be notified by certified mail at least 15 calendar days in advance of the hearing. The hearing officer shall be the Director, or a representative designated by the Director, who shall not otherwise have been a party to the initial administrative decision to issue a letter of intent to withdraw the plan's or carrier's approval. The hearing officer shall conduct the hearing unless it is waived in writing by the carrier. The carrier is entitled to appear by representative and present oral or documentary evidence, including rebuttal evidence, in opposition to the proposed action.

(i) A transcribed record shall be kept of the hearing and shall be the exclusive record of the proceeding.

(ii) After the hearing is held, or after OPM's receipt of the carrier's written waiver of the hearing, the Director shall make a decision on the record, taking into consideration any recommendation submitted by the hearing officer, and send it to the carrier by certified mail. A decision of the Director shall be considered a final decision for the purposes of this section. The Director, or his or her representative, may set a future effective date for withdrawal of approval.

(3) The Director, or his or her representative, may give written notice of non-renewal of the contract of a carrier whose plan does not meet the minimum enrollee requirement in § 890.201(a)(11). However, the Director

may defer withdrawing approval of a plan not meeting the requirement in § 890.201(a)(11) of this part when, in the judgment of OPM, the carrier shows good cause. The Director or representative may authorize a plan with fewer than 300 employees or annuitants to remain in the FEHB Program when he or she determines, in his or her discretion, that it is in the best interest of the Program (e.g., when the plan is the only plan available to enrollees in a rural area).

(b) During a current contract term, the Director, in his or her discretion, may reinstate approval of a plan or carrier under this section on a finding that the reasons for withdrawing approval no longer exist.

[55 FR 9109, Mar. 12, 1990, as amended at 57 FR 14324, Apr. 20, 1992]

§ 890.205 Nonrenewal of contracts of health benefits plans.

(a) Either OPM or the carrier may terminate a contract by giving a written notice of nonrenewal which includes an indication of the reason for the intended action.

(b) Where termination by notice of intent not to renew is made by OPM, the carrier contesting that notice may request that OPM review the proposed decision. Such review shall be conducted by the Director or a representative designated by the Director, who shall not otherwise have been a party to the initial decision to issue a notice of intent not to renew. A request for such review, which may include a request that a representative of the carrier appear personally before OPM, shall be in writing. That request must be received within 10 calendar days of the carrier's receipt of the notice of intent not to renew. Such request shall include a detailed statement as to why the carrier disagrees with OPM's notice of nonrenewal and shall be accompanied by appropriate supporting documentation. Where a carrier has requested review under this section, the final decision by OPM not to renew a health benefits contract shall be communicated to the carrier in writing not more than 30 days after OPM's receipt of the carrier's request for review, unless a later date is mutually agreed upon.

(c) In the absence of a timely request for review as set forth in paragraph (b) of this section, OPM's notice of intent not to renew will become final without further notification.

Subpart C—Registration and Enrollment

§ 890.301 Opportunities to register to enroll and change enrollment.

(a) *Initial registration.* Except as otherwise provided in this part, each employee who becomes eligible shall register within 31 days after becoming eligible.

(b) *Belated registration.* When an employing office determines that (1) an employee was unable, for cause beyond his or her control, to register to be enrolled or (2) an enrollee was unable, for cause beyond his or her control, to change enrollment within the time limits prescribed by this section, that office must accept his or her registration within 31 days after it advises him or her of that determination.

(c) *Reregistration.* An employee whose enrollment was terminated under § 890.304(a)(1)(v), or because he/she had a break in service of more than 3 days, shall register within 31 days after his/her return to pay status.

(d) *Open season.* (1) An open season will be held from the Monday of the second full workweek in November through the Monday of the second full workweek in December in any year—

(i) That precedes a year during which the rates or benefits of any health benefits plan in the Program will change; or

(ii) That precedes a year during which a newly-approved plan will begin participation in the Program; or

(iii) At the end of which an existing health benefits plan will cease to participate in the Program.

(2) The Director of the Office of Personnel Management may modify the dates specified in this paragraph or announce additional open seasons. Announcements of open seasons will be made by OPM in Federal Personnel Manual (FPM) Bulletins.

(3) During open season—

(i) An eligible unenrolled employee may register to be enrolled.

(ii) An enrollee may change to another plan, another option, or from self alone to self and family, or may make any combination of these changes.

(iii) An annuitant or a former spouse, as defined in 5 U.S.C. 8901(10), who canceled enrollment under this part for the purpose of enrolling in a prepaid health plan under sections 1833 or 1876 of the Social Security Act may register to reenroll.

(e) *Change in family status.* (1) Other than a former spouse who is continuing coverage under subpart H or subpart K of this part or a remarried survivor annuitant, an enrollee may register to change enrollment from self alone to self and family, or from one plan or option to another, or both; and an employee, if not registered to be enrolled, may register to be enrolled at any time during the period beginning 31 days before a change in marital status and ending 60 days after the change in marital status. Other than a former spouse who is continuing coverage under subpart H or subpart K of this part or a remarried survivor annuitant, an enrollee may change enrollment from self alone to self and family within 60 days after any other change in family status.

(2) A former spouse who is continuing coverage under subpart H or subpart K of this part may register to change enrollment from self alone to self and family, or from one plan or option to another, or both, within 60 days after the birth or acquisition of a child who meets the requirements to be a covered family member under §890.804(a) or §890.1106(a)(2) of this part.

(f) *Change to self alone.* (1) An enrollee may register at any time to change enrollment from self and family to self alone.

(2) Other than a former spouse, an employee or annuitant who is covered by the enrollment of another under this part may elect self alone coverage within 31 days after a change in the covering enrollment has been filed under authority of this paragraph.

(3) In order for an employee annuitant to be eligible to elect self only coverage under authority of this paragraph, he or she must meet the statutory requirements of having retired on an immediate annuity and having been covered by a plan under this part (including enrollment in his or her own right) since his or her first opportunity to enroll or for the 5 years immediately preceding his or her retirement, whichever is shorter.

(g) *Loss of coverage under Federal programs.* (1) An employee who is not enrolled, but is covered by another federally-sponsored health benefits program, and whose coverage or enrollment terminates under the other federally-sponsored program, may register to be enrolled:

(i) Within 31 days after termination of coverage for a reason other than death; or

(ii) Within 60 days after termination of coverage because of death of the enrollee.

(2) An employee, or former spouse who has established eligibility for health benefits under §890.803 of this part and who is not enrolled but is covered by the enrollment of another under this part, may register to be enrolled: (i) within 31 days after termination of coverage for a reason other than death of the enrollee or cancellation, and (ii) within 60 days after termination of coverage because of the enrollee's death.

(3) An employee annuitant who was covered by the enrollment of another under this part and had been covered (including enrollment in his own right) under this part since his first opportunity or for the 5 years immediately preceding his retirement, whichever is shorter, may register to enroll within 31 days after the termination of the covering enrollment, other than by cancellation.

(4) An employee, annuitant, or former spouse who has established eligibility for health benefits under §890.803 of this part, who is not enrolled but is covered by the enrollment of another enrollee under this part, may register to be enrolled in the same plan and option within 31 days after cancellation of the other's enrollment. If the individual is not eligible to enroll in the plan from which coverage is lost, he or she may enroll in the same option of any available plan. In order for an employee annuitant to be eligible to

enroll under authority of this paragraph, he or she must meet the statutory requirements of having retired on an immediate annuity and having been covered by a plan under this part (including enrollment in his or her own right) since his or her first opportunity to enroll or for the 5 years immediately preceding his or her retirement, whichever is shorter.

(5) A former employee, former spouse, or a child whose continued coverage under subpart K of this part terminates because of the provisions of § 890.1110(a)(3) of this part (termination due to other coverage under this part) may reenroll in the same plan and option within 31 days after the other coverage under this part ends, but not later than the expiration of the period described in § 890.1107. If the individual is not eligible to enroll in the plan from which coverage was lost under § 890.1110(a)(3), he or she may enroll in the same option of any available plan. Coverage does not extend beyond the expiration of the period described in § 890.1107 of this part.

(6) An employee annuitant who had been covered under this part since his or her first opportunity to enroll or for the 5 years immediately preceding the commencing date of his or her annuity or monthly compensation, whichever is shorter, a survivor annuitant who had been enrolled or was otherwise eligible to enroll for coverage under this part, or a former spouse who had been enrolled for coverage under this part who cancels enrollment for the purpose of enrolling in a prepaid health plan under sections 1833 or 1876 of the Social Security Act and is subsequently disenrolled from the prepaid health plan, may register to reenroll in any available plan or option. Voluntary disenrollment from a prepaid health plan must be made in conjunction with reenrollment during the next available open season to assure continuing, uninterrupted health plan coverage. Involuntary disenrollment provides an opportunity to immediately reenroll under this part at any time beginning 31 days before and ending 31 days after the disenrollment.

(h) *Move from area served by comprehensive medical plan.* An enrollee in a comprehensive plan who moves outside the service area, or, if already living outside the service area, moves further from the service area, may register to change enrollment upon presenting written notification to the employing office of the change of address in connection with pay or annuity functions (including tax withholding forms W–4 and W–4P and the Thrift Saving Plan). Similarly, if an enrollee's family member(s) move(s) out of the service area, or moves further from the service area, the enrollee may register to change enrollment upon presenting satisfactory evidence of the move to the employing office.

(i) *Termination by employee organization plan.* An enrollee in a health benefits plan sponsored or underwritten by an employee organization whose membership in the employee organization is terminated may register to enroll in another plan under the following conditions:

(1) Health benefits enrollment is terminated by the plan; and,

(2) Registration to enroll in another plan is submitted within 31 days after termination of enrollment in the employee organization plan. The enrollee may not change enrollment from self alone to self and family under this paragraph.

(j) *Transfer to or from overseas post of duty.* An employee who is transferred from a post of duty within the several States or the District of Columbia to a post of duty outside the several States and the District of Columbia, or the reverse, may register to be enrolled or to change his enrollment with respect to whether his family is covered, or the health benefits plan or option in which he is enrolled, or both, within the period beginning 31 days before the date he leaves the old post of duty and ending 31 days after he arrives at the new post of duty. An annuitant who is eligible to continue health benefits may register to change enrollment with respect to whether his family is covered, or the health benefits plan or option in which enrolled, or both, within 60 days after retirement or the death of the employee on whose service title to annuity is based, if the employee is stationed at a post of duty outside the

several States and the District of Columbia at the time of his retirement or death, as the case may be.

(k) *Termination of plan in which enrolled.* (1) If a plan is discontinued in whole or in part, each enrollee whose enrollment is thereby terminated may enroll in another plan. If the discontinuance is at the end of a contract period that is immediately preceded by an open season, the time for enrollment is the open season, unless OPM establishes a different time for enrollment. If the discontinuance is at a time other than the end of the contract year, OPM must establish a time and an effective date for enrollment. Except as provided in paragraphs (k)(2) and (k)(3) of this section, enrollees who fail to change enrollment within the time set are considered to have cancelled the plan in which enrolled.

(2) If one option of a plan is discontinued, enrollees who do not change plans are considered to be enrolled in the remaining option of the plan.

(3) Annuitants enrolled in a discontinued plan with a single option who do not change plans are deemed to have elected to be enrolled in the Standard Option of the Service Benefit plan. Annuitants enrolled in a discontinued plan with two options are deemed to have elected the corresponding option of the Service Benefit Plan, unless they are enrolled in a high option and their annuity is insufficient to pay the withholding for the high option of the Service Benefit Plan. If their annuity is insufficient to pay the withholding for the high option, they are deemed to have elected enrollment in the Standard Option of the Service Benefit Plan. The exemptions from debt collection procedures that are provided under 5 CFR 831.1305(d)(2) and 5 CFR 845.205(d)(2) apply to elections under this paragraph.

(l) *Loss of coverage under parent's non-Federal plan.* An employee who is not registered to be enrolled may register to be enrolled within 31 days after he/she loses coverage under his/her parent's non-Federal health plan for a reason other than death and within 60 days after loss of coverage because of the parent's death.

(m) *On return from a uniformed service.* An employee who enters on duty in a uniformed service for a period of time not limited to 30 days or less may register to be enrolled or to change his enrollment within 31 days after he is restored to a civilian position pursuant to part 353 of this chapter or other similar authority; and an annuitant who enters on duty in a uniformed service for a period of time not limited to 30 days or less may register to change his enrollment within 31 days after he is separated from the uniformed service.

(n) *On becoming eligible for coverage under title XVIII of the Social Security Act.* An enrollee may register, at any time beginning on the 30th day before he or she is eligible for coverage under title XVIII of the Social Security Act (Medicare), to change enrollment to any option of any available plan under this part. A change of enrollment under this paragraph may be made only once.

(o) *Change in employment status.* If an employee or annuitant is entitled to provide coverage for another by a self-and-family enrollment, but both are enrolled for self alone, he may change his enrollment to self and family within 31 days after the other enrollment is terminated by a change in employment status which results in loss of eligibility.

(p) *Sole survivor.* When an employee or annuitant enrolled for self and family dies, leaving a survivor annuitant who is entitled to continue the enrollment in a health benefits plan, and it is apparent from available records that the survivor annuitant is the sole survivor entitled to continue enrollment in the health benefits plan, the office of the retirement system which is acting as employing office shall change the enrollment from self and family to self alone, effective on the commencing date of annuity for the survivor annuitant. On request of the survivor annuitant made within 31 days after the first installment of annuity is paid, the office of the retirement system which is acting as employing office shall rescind the action retroactive to the effective date of the action, with corresponding adjustment in withholdings and contributions.

(q) *Annuity insufficient to pay withholdings.* (1) If the annuity of an

annuitant is insufficient to pay the withholdings for the plan in which the annuitant is enrolled, the retirement system will provide information to the annuitant regarding the available plans and notify him or her in writing of the opportunity to either: register to be enrolled in any plan in which the enrollee's share of the premium is not in excess of the annuity; or make payment of the premium directly to the retirement system in accordance with § 890.502(f). If the annuitant is enrolled in the high option of a plan that has two options, and does not elect a plan at a cost to him or her not in excess of the annuity or does not elect to pay premiums directly, he or she is deemed to have selected enrollment in the standard option of the same plan unless the annuity is insufficient to pay the withholdings for the standard option.

(2) An annuitant whose enrollment was terminated on account of such annuitant's annuity being insufficient to cover the enrollee's share of the premium may apply to be reinstated in any available plan or option.

(3) An annuitant who can show evidence that he or she previously changed to a lower cost option, plan, or to a self-only enrollment prior to May 29, 1990, because the annuity was insufficient to cover the withholdings for the plan in which he or she was enrolled, may apply to change his or her enrollment to any available plan or option in which the enrollee's share of the total premium exceeds his or her monthly annuity.

(r) *Registration by proxy.* In the discretion of the employing office, a representative of an enrollee or individual eligible to enroll under this part, having written authorization to do so, may register for the individual.

(s) *Survivor annuity restored.* A surviving spouse who was covered by a health benefits enrollment under this part immediately before his or her survivor annuity was terminated because of remarriage, and whose survivor annuity is later restored, may register to enroll in a health benefits plan under this part within 60 days after the mailing by OPM of a notice of eligibility and registration forms.

(t) *Loss of medicaid coverage.* An employee who is not enrolled, but is covered by medicaid (State program of medical assistance for the needy), may register to be enrolled within 31 days after termination of medicaid; and an employee who is enrolled for self only may change to a self and family enrollment within 31 days after an eligible family member loses coverage under medicaid.

(u) *Child's coverage ends.* An enrollee may register to change enrollment from self alone to self and family within 31 days after an eligible child loses coverage under another enrollment under this part.

(v) *Change to part-time career employment.* An enrolled employee who moves, without a break in service or after a separation of 3 days or less, to ''part-time career employment'' as defined in section 3401(2) of title 5, United States Code, and 5 CFR part 340, subpart B, may change to any other plan or option. This change in enrollment may be made within 31 days after the change to ''part-time career employment.''

(w) *Election between survivor annuities.* A surviving spouse, irrespective of whether his or her survivor annuity continued or was terminated upon remarriage, who was covered by a health benefits enrollment under this part immediately before his or her remarriage, may elect to continue a health benefits enrollment under this part acquired by virtue of the remarriage or to enroll in his or her own right in the plan under which he or she was previously covered under this part within 60 days after the termination of the remarriage and entitlement to a survivor annuity.

(x) *Change to position out of commuting area.* (1) An employee who moves out of the commuting area to accept another position and who loses coverage under a spouse's non-Federal enrollment because the non-Federally employed spouse terminates his or her enrollment to accompany the Federal employee, may register to enroll within the period beginning 31 days before the date the Federal employee leaves employment in the old commuting area and ending 180 days after entry on duty at the place of employment in the new commuting area.

(2) An employee who moves out of the commuting area to accept another position and whose spouse loses non-Federal coverage when he or she terminates non-Federal employment to accompany the Federal employee, may change enrollment from self only to self and family within the period beginning 31 days before the date the Federal employee leaves employment in the old commuting area and ending 180 days after entry on duty at the place of employment in the new commuting area.

(y) *Loss of coverage under spouse's non-Federal plan*—(1) An employee whose spouse involuntarily loses his or her non-Federal health insurance coverage, or coverage for his or her dependents, may register to enroll within the period beginning 31 days before and ending 31 days after the spouse's or dependent's loss of coverage. An employee whose children lose coverage under the other parent's non-Federal health plan because the other parent involuntarily loses coverage for his or her dependents, may register to enroll within the period beginning 31 days before and ending 31 days after the children's loss of coverage.

(2) An employee or annuitant whose spouse involuntarily loses his or her non-Federal health insurance coverage, or coverage for his or her dependents, may change enrollment from self only to self and family within the period beginning 31 days before and ending 31 days after the spouse's or dependent's loss of coverage. An employee or annuitant whose children lose coverage under the other parent's non-Federal health plan because the other parent involuntarily loses coverage for his or her dependents, may change enrollment from self only to self and family within the period beginning 31 days before and ending 31 days after the children's loss of coverage.

(z) *Disability annuity restored.* A disability annuitant who was enrolled in a health benefits plan under this part immediately before his or her disability annuity was terminated because of restoration to earning capacity or recovery from disability, and whose disability annuity is restored under section 8337(e) of title 5, United States Code, after December 31, 1983, may register to enroll in a health benefits plan under this part within 60 days after OPM mails a notice of insurance eligibility and registration form.

(aa) *Termination of remarriage of ''lump sum'' survivors in receipt of basic employee death benefits.* A surviving spouse who received a basic employee death benefit under 5 U.S.C. 8442(b)(1)(A) and who was covered by a health benefits enrollment under this part immediately before remarriage prior to age 55 may register to enroll in a health benefits plan under this part upon termination of the remarriage. The survivor must provide OPM with a certified copy of the notice of death or the court order terminating the marriage. Registration must be made within 60 days after OPM mails the registration form to the surviving spouse.

(bb) *Change from a temporary appointment under 5 U.S.C. 8906a to another type of covered appointment.* A temporary employee who is eligible to enroll according to provisions of 5 U.S.C. 8906a, which require payment of the full premium with no Government contribution, and who subsequently changes to an appointment that entitles the employee to receive the Government contribution toward the premium, may enroll or change to any other plan or option within 31 days after changing to the appointment that allows the Government contribution.

(cc) *Reenrollment upon application for postponed MRA-plus-10 annuity.* A former employee who meets the requirements for an immediate annuity under 5 U.S.C. 8412(g) and for continuation of coverage under 5 U.S.C. 8905(b) at the time of the separation and whose enrollment is terminated under § 890.304(a)(2) may register to enroll in a health benefits plan under this part within 60 days after OPM mails the former employee a notice of eligibility and the appropriate registration form. If such former employee dies before the end of the 60-day election period in the preceding sentence, a survivor who is entitled to a survivor annuity may register to enroll in a health benefits plan under this part within 60 days after OPM mails the survivor a notice of eligibility and the appropriate registration form.

(dd) *Separating employees.* An employee may change enrollment from self only to self and family during the pay period in which the employee's coverage terminates due to separation if the employee or the employee's spouse is pregnant. The employee must supply medical documentation of the pregnancy.

(ee) *Salary of temporary employee insufficient to pay withholdings.* If the salary of a temporary employee eligible under 5 U.S.C. 8906a is not sufficient to pay the withholdings for the plan in which the employee is enrolled, the employing office shall notify the employee of the plans available at a cost not in excess of the employee's salary. The employee may register to be enrolled in another plan whose cost is no greater than his or her salary within 31 days after receiving such notification from the employing office.

§ 890.302 Coverage of family members.

(a)(1) An enrollment for self and family includes all family members who are eligible to be covered by the enrollment. Except as provided in paragraphs (a) (2), (3), and (4) of this section, no employee, former employee, annuitant, child, or former spouse may enroll or be covered as a family member if he or she is covered under another person's self and family enrollment in the FEHB Program.

(2) *Dual enrollment—spouse.* (i) To protect the interests of the children, an employee or annuitant may enroll in his or her own right in a self and family enrollment even though his or her spouse also has a self and family enrollment. Generally, such dual enrollments are permitted only where two employees or annuitants are married, each with children from prior marriages who do not live with them, or are legally separated, with each spouse retaining custody of his or her own children by a prior marriage. To ensure that no person receives benefits under more than one enrollment, each enrollee must tell the insurance carrier which family members are covered under his or her enrollment. These individuals are not covered under the other enrollment.

(ii) To protect the interests of legally separated Federal employees, annuitants and their children, a legally separated employee or annuitant may enroll in his or her own right in a self only or self and family enrollment even though his or her spouse also has a self and family enrollment. To ensure that no person receives benefits under more than one enrollment, each enrollee must tell the insurance carrier which family members are covered under his or her enrollment. These individuals are not covered under the other enrollment.

(3) *Dual enrollment—child.* (i) When natural parents are divorced or legally separated and children are included as family members under the enrollment of both natural parents or of a natural parent and a step-parent, the children are entitled to receive benefits under only one enrollment. Each enrollee must notify his or her insurance carrier of the name(s) of the child(ren) to be covered under his or her enrollment that are not named under the other enrollment.

(ii) When an employee who is under age 22 and covered under a parent's self and family enrollment becomes the parent of a child, the employee may elect to enroll for self and family coverage. Because the employee is entitled to receive benefits under only one enrollment, each enrollee must notify his or her insurance carrier of the names of the persons to be covered under his or her enrollment that are not named under the other enrollment.

(4) *Dual enrollment—spouse and child.* Where a situation such as that in paragraph (a)(2) of this section occurs (that is, two employees or annuitants are married, but each has children from prior marriages who do not live with them) and there are also children who are the issue of the marriage, an employee or annuitant may enroll in his or her own right in a self and family enrollment even though his or her spouse also has a self and family enrollment. Because no person is entitled to receive benefits under more than one enrollment, each enrollee must notify his or her insurance carrier of the

names of the family members to be covered under his or her enrollment that are not covered under the other enrollment.

(b) *Proof of dependency.* (1) A child is considered to be dependent on an enrolled employee or annuitant or a former employee or child enrolled under § 890.1103 of this part if he or she is:

(i) A legitimate child;

(ii) An adopted child;

(iii) A stepchild, foster child, or recognized natural child who lives with the enrollee in a regular parent-child relationship.

(iv) A recognized natural child for whom a judicial determination of support has been obtained; or

(v) A recognized natural child to whose support the enrollee makes regular and substantial contributions.

(2) The following are examples of proof of regular and substantial support. More than one of the following proofs may be required to show support of a recognized natural child who does not live with the enrollee in a regular parent-child relationship and for whom a judicial determination of support has not been obtained.

(i) Evidence of eligibility as a dependent child for benefits under other State or Federal programs;

(ii) Proof of inclusion of the child as a dependent on the enrollee's income tax returns;

(iii) Canceled checks, money orders, or receipts for periodic payments from the enrollee for or on behalf of the child.

(iv) Evidence of goods or services which show regular and substantial contributions of considerable value;

(v) Any other evidence which OPM shall find to be sufficient proof of support or of paternity or maternity.

(c) *Exceptions.* Coverage as a family member may be denied:

(1) If evidence shows that the enrollee did not recognize the child as his or her own, despite a willingness to support the child, or

(2) If evidence calls the child's paternity or maternity into doubt, despite the enrollee's recognition and support of the child.

(d) *Child incapable of self-support.* When an individual enrolls for a family that includes a child who has become 22 years of age and is incapable of self-support, the employing office must require such enrollee to submit a physician's certificate verifying the child's disability. The certificate must—

(1) State that the child is incapable of self-support because of a physical or mental disability that existed before the child became 22 years of age and that can be expected to continue for more than 1 year;

(2) Include a statement of the name of the child, the nature of the disability, the period of time it has existed, and its probable future course and duration; and,

(3) Be signed by the physician and show the physician's office address. The employing office must require the enrollee to submit the certificate on or before the date the child becomes 22 years of age. However, the employing office may accept otherwise satisfactory evidence of incapacity that is not timely filed.

(e) *Renewal of certificates of incapacity.* The employing office must require an enrollee who has submitted a certificate of incapacity to renew that certificate on the expiration of the minimum period of disability certified.

(f) *Determination of incapacity.* The employing office shall make determinations of incapacity.

(g) *Meaning of unmarried.* A child who has never married or whose marriage has been annulled, or a child who is divorced or widowed is considered to be unmarried.

§ 890.303 Continuation of enrollment.

(a) *On transfer or retirement.* (1) Except as otherwise provided by this part, the registration of an employee or annuitant eligible to continue enrollment continues without change when he or she moves from one employing office to another, without a break in service of more than 3 days, whether the personnel action is designated as a transfer or not.

(2) In order for an employee to continue an enrollment as an annuitant, he or she must meet the participation requirements set forth at 8905(b) of title 5, United States Code, for continuing an enrollment as an annuitant as of the commencing date of his or her annuity or monthly compensation.

(3) For the purpose of this part, an employee is considered to have enrolled at his or her first opportunity if the employee registered to be enrolled during the first of the periods set forth in §890.301 in which he or she was eligible to register or was covered at that time by the enrollment of another employee or annuitant, or registered to be enrolled effective not later than December 31, 1964.

(4) Enrollment or eligibility for enrollment under subparts H or K of this part of an individual who is not an employee eligible for coverage under other provisions of this part is not considered in determining whether a retiring employee has met the participation requirements of §8905(b) of title 5, U.S. Code. Coverage under subparts H or K of this part of an individual who is an employee eligible for coverage under other provisions of this part may be considered in determining whether a retiring employee has met the participation requirements.

(b) *Change of enrolled employees to certain excluded positions.* Employees and annuitants enrolled under this part who move, without a break in service or after a separation of 3 days or less, to an employment in which they are excluded by §890.102(c), continue to be enrolled so long as they are employed, unless excluded by paragraphs (c) (4), (5), (6), (7), or (8) of §890.102.

(c) *On death.* The enrollment of a deceased employee or annuitant who is enrolled for self and family (as opposed to self only) is transferred automatically to his or her eligible survivor annuitants. The enrollment is considered to be that of (1) the survivor annuitant from whose annuity all or the greatest portion of the withholding for health benefits is made or (2) the surviving spouse entitled to a basic employee death benefit. The enrollment covers members of the family of the deceased employee or annuitant. In those instances in which the annuity is split among surviving family members, multiple enrollments are allowed. A remarried spouse is not a member of the family of the deceased employee or annuitant unless annuity under section 8341 or 8442 of title 5, United States Code, continues after remarriage.

(d)(1) *Survivor annuitants.* If an employee who is entitled to health benefits coverage as a survivor annuitant elects to enroll or to continue to be enrolled under his eligibility as an employee, and is thereafter separated without entitlement to continued enrollment based on his own service, he is entitled to reinstatement of his employee-acquired enrollment on application to his retirement office. Reinstatement is effective immediately after termination of his employee-acquired enrollment if the application is received by the retirement office within 60 days of separation; otherwise reinstatement is effective on the first day of the first pay period after receipt of the application. The retirement office shall withhold from the annuity that the former employee receives as a survivor annuitant, the amounts necessary to pay his share of the cost of the enrollment.

(2) *Employee becomes a survivor annuitant.* (i) If an employee who is entitled to health benefits coverage as a survivor annuitant elects to enroll or to continue to be enrolled under his or her eligibility as an employee, and is thereafter separated without entitlement to continued enrollment based on his or her own service, the employee is entitled to reinstatement of the enrollment as a survivor anuitant on application to the retirement office. Reinstatement as a survivor annuitant is effective on the day after the termination date of the employee-acquired enrollment if the application is received by the retirement office within 60 days of separation; otherwise, reinstatement is effective on the first day of the first pay period after receipt of the application. The retirement office shall withhold from the annuity that the former employee receives as a survivor annuitant the amounts necessary to pay the health benefits premium.

(ii) If the surviving spouse of a deceased employee or annuitant is enrolled as an employee with a self and

family enrollment (or, if both the decedent and the surviving spouse were enrolled in a self only enrollment) at the time the surviving spouse becomes a survivor annuitant and the surviving spouse is thereafter separated without entitlement to continued enrollment as a retiree, the surviving spouse is entitled to enroll as a survivor annuitant. The change from coverage as an employee to coverage as a survivor annuitant must be made with 30 days of separation from service.

(iii) Except for an employee who meets the definition of former spouse under 5 U.S.C. 8901(10) based on an individual's deferred annunity under 5 U.S.C. 8341(h) or 8445(f), the employee survivor of an annuitant receiving deferred retirement benefits is not eligible for FEHB Program enrollment as a survivor annuitant and therefore may not enroll as a survivor annuitant based on coverage obtained as an employee.

(3) *Insurance interest survivor annuity.* A current spouse who is an insurable interest beneficiary under § 831.606(b) or § 842.605(b) of this title is eligible to continue health benefits enrollment as an insurable interest survivor annuitant so long as he or she was covered as a family member at the time of the annuitant's death. This entitlement applies even if the spouse is eligible for continued enrollment as a survivor annuitant under another section of 5 CFR parts 831 or 843. To prevent dual coverage, the spouse must be covered under only one health benefits enrollment under this part.

(e) *In nonpay status.* (1) Except as otherwise provided by law, the enrollment of an employee continues while he/she is in nonpay status for up to 365 days. The 365 days' nonpay status may be continuous or broken by periods of less than 4 consecutive months in pay status. If an employee has at least 4 consecutive months in pay status after a period of nonpay status he/she is entitled to begin the 365 days' continuation of enrollment anew. For the purposes of this paragraph, 4 consecutive months in pay status means any 4-month period during which the employee is in pay status for at least part of each pay period.

(2) However, in the case of an employee who is employed under an OPM approved career-related work-study program under Schedule B of at least one year's duration and who is expected to be in a pay status during not less than one-third of the total period of time from the date of the first appointment to the completion of the work-study program, his/her enrollment continues while he/she is in nonpay status so long as he/she is participating in the work-study program.

(f) [Reserved]

(g) *Former spouse entitled to coverage as employee or member of family.* An individual entitled to health benefits as a former spouse who also has or becomes entitled to health benefits coverage as a Federal employee or as a family member under another enrollment under this part may defer or suspend coverage as a former spouse and continue his or her coverage as an employee or family member. The former spouse must have established entitlement to the health benefits coverage under § 890.803 of this part and filed all required documents with the employing office responsible for maintaining the former spouse enrollment within the time limits specified in § 890.805 of this part. The employing office shall note in the former spouse's file that the former spouse health benefits enrollment is being deferred or suspended until coverage as a Federal employee or as a family member ends. Upon loss of coverage as a Federal employee or as a family member, the individual is entitled to enroll or resume the enrollment as a former spouse, provided he or she remains eligible as such. A former spouse who enrolls because he or she lost coverage under another enrollment under this part for a reason other than cancellation must meet the requirements of § 890.301(g)(2). A former spouse who enrolls because he or she lost coverage under another enrollment under this part as a result of cancellation of the covering enrollment must meet the requirements of § 890.301(g)(4).

(h) *Temporary continuation of coverage.* Certain former employees who lose coverage because of a separation from Federal service, certain children who lose coverage because they cease to meet the requirements for coverage

as children, and certain former spouses who lose coverage because their marriage to the enrollee ends and who are not eligible for coverage under subpart H of this part may elect temporary continuation of coverage under the provisions of subpart K of this part.

(i) Service in the uniformed services. The enrollment of an individual who separates to enter the uniformed services under conditions that entitle him or her to benefits under part 353 of this chapter may continue for the 18-month period beginning on the date that the absence to serve in the uniformed services begins, provided that the individual continues to be entitled to benefits under part 353 of this chapter. The enrollment of an employee who enters on military furlough or is placed in nonpay status to serve in the uniformed services may continue for the 18-month period beginning on the date that the absence to serve in the uniformed services begins, provided that the employee continues to be entitled to benefits under part 353 of this chapter. An employee in nonpay status is entitled to continued coverage under paragraph (e) of this section if the employee's entitlement to benefits under part 353 of this chapter ends before the expiration of 365 days in nonpay status. The enrollment of an employee who is on military furlough or in nonpay status in order to serve in the uniformed services on October 13, 1994, may continue for the 18-month period beginning on the date that the absence to serve in the uniformed services began, provided that the employee continues to be entitled to continued coverage under part 353 of this chapter. If the enrollment of such an employee had terminated due to the expiration of 365 days in nonpay status, it may be reinstated for the remainder of the 18-month period beginning on the date that the absence to serve in the uniformed services began, provided that the employee continues to be entitled to continued coverage under part 353 of this chapter.

§ 890.304 Termination of enrollment.

(a) *Employees.* (1) An employee's enrollment terminates, subject to the temporary extension of coverage for conversion, at midnight of the earliest of the following dates:

(i) The last day of the pay period in which he/she is separated from the service other than by retirement under conditions entitling him/her to continue his/her enrollment.

(ii) The last day of the pay period in which he or she separates after meeting the requirements for an immediate annuity under §842.204(a)(1) of this chapter, but postpones receipt of annuity as provided by §842.204(c).

(iii) The last day of the pay period in which his employment status changes so that he is excluded from enrollment.

(iv) The last day of the pay period in which he dies, unless he leaves a member of the family entitled to continue enrollment as a survivor annuitant.

(v) The last day of the pay period which includes the day on which the continuation of enrollment under §890.303(e) expires, or, if he/she is not entitled to any further continuation because he/she has not had 4 consecutive months of pay status since exhausting his/her 365 days' continuation of coverage in nonpay status, the last day of his/her last pay period in pay status.

(vi) The day he or she is separated, furloughed, or placed on leave of absence to serve in the uniformed services under conditions entitling him or her to benefits under part 353 of this chapter for the purpose of performing duty not limited to 30 days or less, provided the employee elects, in writing to have the enrollment so terminated.

(vii) For an employee who separates to serve in the uniformed services under conditions entitling him or her to benefits under part 353 of this chapter for the purpose of performing duty not limited to 30 days or less, the date that is 18 months after the date that the absence to serve in the uniformed services began or the date entitlement to benefits under part 353 of this chapter ends, whichever is earlier, unless the enrollment is terminated under paragraph (a)(1)(vi) of this section.

(viii) For an employee who is furloughed or placed on leave of absence

under conditions entitling him or her to benefits under part 353 of this chapter, the date that is 18 months after the date that the absence to serve in the uniformed services began or the date entitlement to benefits under part 353 of this chapter ends, whichever is earlier, but not earlier than the date the enrollment would otherwise terminate under paragraph (a)(1)(v) of this section.

(2) If the pay of a temporary employee eligible under 5 U.S.C. 8906a is insufficient to pay the withholdings for the plan in which the employee is enrolled, and the employee does not, or cannot, elect a plan under §890.301(ee) at a cost to him or her not in excess of the pay, the employing office must terminate the employee's enrollment effective as of the end of the last period for which withholding was made. Each temporary employee whose enrollment is so terminated is entitled to a 31-day extension of coverage for conversion.

(b) *Annuitants.* (1) If the annuity of an annuitant is insufficient to pay the withholdings for the plan in which the annuitant is enrolled, the annuitant may elect one of the two opportunities offered under §890.301(q) of this part (electing a plan with a withholding not in excess of the annuity; or, paying premiums directly to the retirement system in accordance with §890.502(f) of this part). The retirement system will send two notices to the annuitant, including one by certified mail return receipt requested. Continuation of coverage rests upon electing direct payment or new coverage within 15 days (45 days for annuitants residing overseas) after receipt of the final notice. Except as provided in paragraph (b)(3) of this section, the enrollment of an individual who fails to make an election within the specified time frame will be terminated. An annuitant whose enrollment is terminated because of failure to make an election may not reenroll or reinstate coverage, except as provided in paragraph (b)(2) of this section. Each annuitant whose enrollment is so terminated is entitled to a 31-day extension of coverage for conversion.

(2) If the individual was prevented by circumstances beyond his or her control from making an election within the time limit after receipt of the final notice, he or she may request reinstatement of coverage by writing to the retirement system. The retirement system will determine if the individual is eligible for reinstatement of coverage; and, when the determination is affirmative, the individual's coverage may be reinstated retroactively to the date of termination or prospectively. If the determination is negative, the individual may request reconsideration of the decision from OPM.

(3) If the annuitant does not make an election under paragraph (b)(1) of this section and is enrolled in the high option of a plan that has two options, the annuitant is deemed to have elected enrollment in the standard option of the same plan unless the annuity is insufficient to pay the withholdings for the standard option.

(4) An annuitant's enrollment terminates, subject to the temporary extension of coverage for conversion, at midnight of the last day of the pay period in which he dies, unless he leaves a member of the family entitled to continue enrollment as a survivor annuitant, or, if his enrollment is not terminated by death, at midnight of the earliest of the following dates:

(i) The last day of the last pay period for which he is entitled to annuity, unless he is eligible for continued enrollment as an employee in which case his enrollment continues without change.

(ii) The last day of the pay period in which his title to compensation under subchapter I of chapter 81 of title 5, United States Code, terminates, or in which he is held by the Secretary of Labor to be able to return to duty, unless he is eligible for continued enrollment as an employee or as an annuitant under a retirement system for civilian employees in which case his enrollment continues without change.

(iii) The day he enters on active duty in a uniformed service for the purpose of performing duty not limited to 30 days or less, provided the annuitant elects, in writing, to terminate the enrollment.

(iv) The last day of the month preceding the month in which a survivor annuitant in receipt of basic employee death benefits under 5 U.S.C. 8442(b)(1)(A) remarries before attaining age 55.

(c) *Coverage of family members.* The coverage of a family member of an enrollee terminates, subject to the temporary extension of coverage for conversion, at midnight of the earlier of the following dates:

(1) The day on which he or she ceases to be a family member;

(2) The day the enrollee ceases to be enrolled, unless the family member is entitled, as a survivor annuitant, to continued enrollment, or is entitled to continued coverage under the enrollment of another.

(d) *Cancellation.* Except as provided in § 890.807(d) of this part, an enrollee may register to cancel his or her enrollment at any time by filing with the employing office a properly completed health benefits registration form. The cancellation becomes effective on the last day of the pay period in which the health benefits registration form canceling the enrollment is received by the employing office, except that the cancellation of an enrollee having a monthly or 4-weekly pay period becomes effective at the end of the pay period in which the health benefits registration form is received if the form is received not less than 15 days before the end of the pay period. If an annuitant submits documentation that the cancellation is for the purpose of enrolling in a prepaid health plan under sections 1833 or 1876 of the Social Security Act, the cancellation becomes effective on the day before the enrollment under the prepaid health plan takes effect. Such documentation must be submitted to the employing office within the period beginning 31 days before and ending 31 days after the prepaid health plan enrollment takes effect. The enrollee and covered family members are not entitled to the temporary extension of coverage for conversion or to convert to an individual contract for health benefits.

(e) *Temporary continuation of coverage.* Employees and family members are entitled to temporary continuation of coverage only as provided under subpart K of this part.

§ 890.305 Reinstatement of enrollment after military service.

(a) The enrollment of an employee or annuitant whose enrollment was terminated under § 890.304(a)(1)(vi), (vii) or (viii) or § 890.304(b)(4)(iii) is automatically reinstated on the day the employee is restored to a civilian position under the provisions of part 353 of this chapter or on the day the annuitant is separated from the uniformed services, as the case may be.

(b) An employee whose employing office terminates his or her enrollment because his or her order to enter on duty in a uniformed service is for a period longer than 30 days, and who retires on an immediate annuity from his or her Federal civilian position while on such duty, may reinstate his or her enrollment by asking to do so within 60 days after retirement. In the absence of such a request, the retirement system automatically reinstates the enrollment on the day the person separates from the uniformed service. For the retirement system to reinstate the enrollment, the individual must have been covered under this part since his or her first opportunity or for the 5 years of civilian service (excluding the period of uniformed service) immediately preceding the civilian retirement, whichever is shorter.

[43 FR 52460, Nov. 13, 1978, as amended at 59 FR 60296, Nov. 23, 1994; 60 FR 45658, Sept. 1, 1995]

§ 890.306 Effective dates.

(a) *Generally.* Except as set forth in the following paragraphs, the effective date of an enrollment or change of enrollment is the 1st day of the 1st pay

period that begins after the health benefits registration form is received by the employing office and that follows a pay period during any part of which the employee or annuitant is in pay or annuity status.

(b) *Survivor annuity restored.* The effective date of an enrollment under § 890.301(s) of this part is either (1) the 1st day of the month after the date the retirement system receives the health benefits registration form; or (2) the date of restoration of the survivor annuity or October 1, 1976, whichever is later.

(c) *Change to self alone.* The effective date of a change of enrollment under § 890.301(f) is the first day of the first pay period after the health benefits registration form is received by the employing office, except that at the request of the employee or annuitant and upon a showing satisfactory to the employing office that there was no family member eligible for coverage by the family enrollment, the change may be made effective as of the first day of the pay period following the one in which there were no family members.

(d) *Annuitant required to change enrollment.* The effective date of an annuitant's change to a lower cost enrollment under § 890.301(q) is immediately upon termination of his or her prior enrollment.

(e)(1) The effective date of a change in enrollment under § 890.301(d)(1) is the first day of the first pay period which begins in January of the next following year, except that a change in enrollment for the open season ending May 28, 1982, is effective on the first day of the first pay period which begins on or after July 1, 1982.

(2) The effective date of a new enrollment under § 890.301(d)(1) is the first day of the first pay period which begins in the next following year and which follows a pay period during any part of which the employee is in a pay status, except that the effective date of a new enrollment for the open season ending May 28, 1982, is the first day of the first pay period which begins on or after July 1, 1982, and which follows a pay period during any part of which the employee is in pay status.

(f) *Birth or addition of a child.* The effective date of a change in enrollment under § 890.301(e) made in conjunction with the birth of a child, or the addition of a child as a new family member in some other manner, is the first day of the pay period in which the child is born or becomes an eligible family member.

(g) *Belated open season registrations.* When a belatedly filed open season enrollment registration or enrollment change is accepted by the employing office under § 890.301(b), it takes effect on the date required by § 890.306(e).

(h) *Restoration of disability annuity.* The effective date of an enrollment under § 890.301(z) is the first day of the month after the date OPM receives the registration form.

(i) *Restoration of health benefits for survivors in receipt of basic employee death benefits following termination of remarriage.* The effective date of an enrollment under § 890.301(aa) is the first day of the month after the date of receipt by OPM of the registration form and the notice of death or court order terminating the remarriage.

(j) *Reenrollment upon application for postponed MRA-plus-10 annuity.* The effective date of a reenrollment under § 890.301(bb) is the first day of the month following the month in which OPM receives the registration form or on the commencing date of annuity, whichever is later. The effective date of a survivor's enrollment under § 890.301(bb) is the first day of the month following the month in which OPM receives the registration form.

(k) *Annuitant's enrollment reinstated or changed under § 890.301(q).* (1) The effective date of the reinstatement of enrollment of an annuitant whose enrollment was terminated, or the change of enrollment of an annuitant who changed to a lower cost option, plan, or to a self-only enrollment because his or her annuity was insufficient to cover the enrollee's share of the total premium of his or her plan of choice, and who elects to pay premiums directly to the retirement system in accordance with § 890.502(f) of this part is either: (i) The 1st day of the 1st pay period that begins after the health benefits registration form is received by the retirement system; or, (ii) the later of the date the enrollment was terminated or changed, or May 29, 1990.

(2) Retroactive reinstatement or change of enrollment is contingent upon payment of appropriate contributions retroactive to the effective date of the reinstatement or the change of enrollment. For the purpose of this paragraph, a previous cancellation of enrollment because of insufficient annuity to cover the full amount of the withholdings is deemed to be a termination of enrollment.

(l) *Move from area served by comprehensive medical plan.* The effective date of an enrollment under § 890.301(h) is the first day of the pay period that begins after the health benefits registration form is received by the employing office.

(m) *Separating employees.* The effective date of a change in enrollment under § 890.301(dd) is the first day of the pay period in which the health benefits registration form is received by the employing office.

(n) *Reenrollment of annuitant.* The effective date of an annuitant's reenrollment under § 890.301(g)(6) is, for an involuntary disenrollment from a prepaid health plan under sections 1833 or 1876 of the Social Security Act, the date shown on the documentation from the plan. For a voluntary disenrollment, the effective date of reenrollment is the first day of the first pay period which begins in January of the next following year.

(o) *Temporary employee required to change enrollment.* The effective date of a temporary employee's change to a lower cost enrollment under § 890.301(ee) is immediately upon termination of his or her prior enrollment.

EDITORIAL NOTE: For FEDERAL REGISTER citations affecting § 890.306, see the List of Sections Affected in the Finding Aids section of this volume.

§ 890.307 Waiver or suspension of annuity or compensation.

(a) Except as provided in paragraphs (b) and (f) of this section, when annuity or compensation is entirely waived or suspended, the annuitant's enrollment continues for not more than 3 months (not more than 12 weeks for annuitants whose compensation under subchapter I of chapter 81 of title 5, United States Code, is paid each 4 weeks). If the waiver or suspension continues beyond this period, the employing office will notify the annuitant in writing that the employing office will terminate the enrollment effective at the end of the period, subject to the temporary extension of coverage for conversion, unless the annuitant elects to make payment of the premium directly to the employing office during the period of waiver. If the annuitant elects to have the enrollment terminated, the employing office automatically reinstates the enrollment on a prospective basis when the annuitant again receives payment of annuity or compensation. The employing office will make the withholding for the period of waiver or suspension during which enrollment was continued (i.e., 3 months or less).

(b) If the annuitant elects to pay premiums directly, he or she must send to the employing office his or her share of the subscription charge for the enrollment for every pay period during which the enrollment continues, exclusive of the 31-day temporary extension of coverage for conversion provided in § 890.401. The annuitant must pay after each pay period he or she is covered in accordance with a schedule established by the employing office. If the employing office does not receive payment by the date due, the employing office must notify the annuitant in writing that continuation of coverage depends upon payment being made within 15 days (45 days for annuitants residing overseas) after receipt of the notice. If no further payments are made, the employing office terminates the enrollment 60 days after the date of the notice (90 days for annuitants residing overseas). The employing office automatically reinstates enrollment on a prospective basis when payment of annuity or compensation resumes.

(c) If the annuitant is prevented by circumstances beyond his or her control from paying within 15 days after receipt of the notice, he or she may request reinstatement of coverage by writing to the employing office. The annuitant must file the request within 30 calendar days from the date of termination, and must include supporting documentation. The employing office will determine if the annuitant is eligible for reinstatement of coverage; and,

when the determination is affirmative, reinstate the coverage of the annuitant retroactive to the date of termination. If the determination is negative, the annuitant may request a review of the decision as provided in § 890.104.

(d) Termination of enrollment for failure to pay premiums within the time frame established in accordance with paragraph (b) of this section is retroactive to the end of the last pay period for which the employing office timely received payment.

(e) The employing office will submit all direct premium payments along with its regular health benefits premiums to OPM in accordance with procedures established by OPM.

(f) If suspension of annuity or compensation is because of reemployment, the reemploying office must make the withholding currently and enrollment continues during reemployment.

Subpart D—Temporary Extension of Coverage and Conversion

§ 890.401 Temporary extension of coverage and conversion.

(a) *Thirty-one day extension and conversion.* (1) An enrollee whose enrollment is terminated other than by cancellation of the enrollment or discontinuance of the plan, in whole or part, and a covered family member whose coverage is terminated other than by cancellation of the enrollment or discontinuance of the plan, in whole or in part, is entitled to a 31-day extension of coverage for self alone or self and family, as the case may be, without contributions by the enrollee or the Government, during which period he or she is entitled to exercise the right of conversion provided for by this part. The 31-day extension of coverage and the right of conversion for any person ends on the effective date of a new enrollment under this part covering the person.

(2) Termination of an enrollment under this subpart for failure to pay premiums is considered a cancellation of the enrollment for the purposes of this section.

(b) *Continuation of benefits.* (1) Any person who has been granted a 31-day extension of coverage in accordance with paragraph (a) of this section and who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension is entitled to continuation of the benefits of the plan during the continuance of the confinement but not beyond the 60th day after the end of the temporary extension.

(2) Except when a plan is discontinued in whole or in part or the Associate Director for Retirement and Insurance orders an enrollment change, a person whose enrollment has been changed from one plan to another, or from one option of a plan to the other option of that plan, and who is confined to a hospital or other institution for care or treatment on the last day of enrollment under the prior plan or option, is entitled to continuation of the benefits of the prior plan or option during the continuance of the confinement. Continuation of benefits shall not extend beyond the 91st day after the last day of enrollment in the prior plan or option. The plan or option to which enrollment has been changed shall not pay benefits with respect to that person while he or she is entitled to any inpatient benefits under the prior plan or option. The gaining plan or option shall begin coverage according to the limits of its FEHB Program contract on the day after the day all inpatient benefits have been exhausted under the prior plan or option or the 92nd day after the last day of enrollment in the prior plan or option, whichever is earlier. For the purposes of this paragraph, ''exhausted'' means paid or provided to the maximum benefit available under the contract.

(3) *Exception.* The limit on the number of confinement days allowed to be covered under the continuation of benefits specified by paragraph (b)(2) of this subpart does not apply to confinements in a hospital or other institution when the charges and benefit payments for the services provided are covered by the limit specified in subpart I of this part. In these cases, the benefits continue until the end of the confinement.

(c)(1) The employing agency must notify the enrollee of the termination of the enrollment and of the right to convert to an individual policy within 60

days after the date the enrollment terminates.

(2) The individual whose enrollment terminates must request conversion information from the losing carrier within 31 days of the date of the agency notice of the termination of the enrollment and of the right to convert.

(3) When an agency fails to provide the notification required in paragraph (c)(1) of this section within 60 days of the date the enrollment terminates, or the individual fails for other reasons beyond his or her control to request conversion as required in paragraph (c)(2) of this section, he or she may request conversion to an individual policy by writing directly to the carrier. Such a request must be filed within 6 months after the individual became eligible to convert his or her group coverage and must be accompanied by verification of termination of the enrollment; e.g., an SF 50, showing the individual's separation from the service. In addition, the individual must show that he or she was not notified of the termination of the enrollment and of the right to convert, and was not otherwise aware of it, or that he or she was unable, for cause beyond his or her control, to convert. The carrier will determine if the individual is eligible to convert; and when the determination is affirmative, the individual may convert within 31 days of the determination. If the determination by the carrier is negative, the individual may request a review of the carrier's determination from OPM.

(4) When an individual converts his or her coverage anytime after the group coverage has ended, the individual plan coverage is retroactive to the day following the day the temporary extension of group coverage ended. The individual must pay the premiums due for the retroactive period.

(5) An individual who fails to exercise his or her rights to convert to an individual policy within 31 days after receiving notice of the right to convert from the carrier is deemed to have declined the right to convert unless the carrier, or, upon review, OPM determines the failure was for cause beyond his or her control.

Subpart E—Contributions and Withholdings

§ 890.501 Government contributions.

(a) The Government contribution for all plans, except those for which another contribution is set by paragraph (b) of this section, for each enrolled employee who is paid biweekly, is the amount provided in section 8906 of title 5, United States Code, plus 4 percent of that amount.

(b) The biweekly Government contribution for each employee or annuitant enrolled in a plan whose total enrollment charge is less than twice the appropriate contribution listed in paragraph (a) of this section is 50 percent of the enrollment charge.

(c) The Government contribution for annuitants and for employees who are not paid biweekly is a percentage of that fixed by paragraphs (a) and (b) of this section proportionate to the length of the pay period, rounding fractions of a cent to the nearest cent.

(d) The Government contribution for employees whose annual pay is paid during a period shorter than 52 workweeks is determined on an annual basis and prorated over the number of installments of pay regularly paid during the year.

(e) Except as provided in paragraphs (f) and (g) of this section, the employing office must make a contribution for an employee for each pay period during which the enrollment continues.

(f) Temporary employees enrolled under 5 U.S.C. 8906a must pay the full subscription charge including the Government contribution. Employees with provisional appointments under § 316.403 are not considered to be enrolled under 5 U.S.C. 8906a for the purpose of this paragraph.

(g) The Government contribution for an employee who enters the uniformed

services and whose enrollment continues under §890.303(i) ceases after 365 days in nonpay status.

§ 890.502 Employee withholdings and contributions.

(a) *Employee and annuitant withholdings and contributions.* (1) Except as provided in paragraphs (a)(2) and (g) of this section, an employee or annuitant is responsible for payment of the employee or annuitant share of the cost of enrollment for every pay period during which the enrollment continues. An employee or annuitant incurs an indebtedness due the United States in the amount of the proper employee or annuitant withholding required for each pay period that health benefits withholdings or direct premium payments are not made but during which the enrollment continues.

(2) An individual is not required to pay withholdings for the period between the end of the pay period in which he or she separates from service and the commencing date of an immediate annuity, if later.

(3) Temporary employees who are eligible to enroll under 5 U.S.C. 8906a must pay the full subscription charges including both the employee share and the Government contribution. Employees with provisional appointments under §316.403 are not considered eligible for coverage under 5 U.S.C. 8906a for the purpose of this paragraph (a)(3).

(4) The employing office must determine the withholding for employees whose annual pay is paid during a period shorter than 52 workweeks on an annual basis and prorate the withholding over the number of installments of pay regularly paid during the year.

(5) The employing office must make the withholding required from enrolled survivor annuitants in the following order. First, withhold from the annuity of a surviving spouse, if any. If that annuity is less than the withholding required, the employing office must make the withholding to the extent necessary from the annuity of the children, if any, in the following order. First, withhold from the annuity of the youngest child, and if necessary, then from the annuity of the next older child, in succession, until the withholding is satisfied.

(6) Surviving spouses in receipt of a basic employee death benefit under 5 U.S.C. 8442(b)(1)(A) and annuitants whose health benefits premiums exceed the amount of their annuities may pay their portion of the health benefits premium directly to the retirement system acting as their employing office in accordance with procedures set out in paragraph (d) of this section.

(b) *Procedures when employee enters LWOP status or pay is insufficient to cover premium.* As soon as the employing office is aware of an employee whose premium payments cannot be made because the employee will be entering or has entered leave without pay status, (or any other type of nonpay status, except periods of nonpay resulting from a lapse of appropriations), or the employee's pay is insufficient to cover the premiums, the employing office must inform the employee of the available health benefits options.

(1) The employing office must provide the employee written notice of the options and consequences as described in paragraphs (b)(2) (i) and (ii) of this section. If the employing office cannot give the notice required by this paragraph (b)(1) to the employee directly, it must send the notice by first class mail. A notice that is mailed is deemed to be received 5 days after the date of the notice.

(2) The employee must elect in writing either to continue health benefits coverage or terminate it. The employee may continue his or her health benefits coverage by choosing one of the options listed in this paragraph (b)(2) and returning the signed form to the employing office within 31 days from the day he or she receives the notice (45 days for an employee residing overseas). When an employee mails the signed form, the date of the postmark is deemed to be the date the notice is returned to the employing office. If an employee elects to continue coverage, he or she must elect in writing either to—

(i) Agree to pay the premium directly to the agency on a current basis. The employee must agree that if he or she

does not pay the premiums, upon returning to employment or upon pay becoming sufficient to cover the premiums, the employing office will deduct, in addition to the current pay period's premiums, an amount equal to the premiums for a pay period during which the employee was in LWOP status. The employing office will continue using this method to deduct the accrued unpaid premiums from salary until the debt is recovered in full. The employee must also agree that if he or she does not return to work or the employing office cannot recover the debt in full from salary, the employing office may recover the debt from whatever other sources it normally has available for recovery of a debt to the United States, or

(ii) Agree upon returning to employment or upon pay becoming sufficient to cover the premiums, the employing office will deduct, in addition to the current pay period's premiums, an amount equal to the premiums for a pay period during which the employee was in LWOP status. The employing office will continue using this method to deduct the accrued unpaid premiums from salary until the debt is recovered in full. The employee must also agree that if he or she does not return to work or the employing office cannot recover the debt in full from salary, the employing office may recover the debt from whatever other sources it normally has available for recovery of a debt to the United States.

(3) Except as provided under paragraph (b)(4) of this section, if the employee does not return the signed form within 31 days after the day he or she receives the notice (45 days for employees residing overseas) the employing office terminates the enrollment according to paragraph (b)(5) of this section. The employing office must give the employee written notification of the termination.

(4) If the employee is prevented by circumstances beyond his or her control from returning a signed form to the employing office within the time frame under paragraph (b)(2) of this section, he or she may request reinstatement of coverage by writing to the employing office. The employee must describe the circumstances that prevented timely notice and file the request within 30 calendar days from the date the employing office gives the employee notification of the termination. The employing office determines if the employee is eligible for reinstatement of coverage. If the determination is affirmative, the employing office reinstates the coverage of the employee retroactive to the date of termination. If the determination is negative, the employee may request a review of the decision from the employing agency as provided under § 890.104.

(5) Terminations of enrollment under paragraphs (b)(2) and (3) of this section are retroactive to the end of the last pay period in which the premium was withheld from pay. The employee and covered family members, if any, are entitled to the temporary extension of coverage for conversion and may convert to an individual contract for health benefits. An employee whose coverage is terminated may enroll upon his or her return to duty in a pay status in a position in which the employee is eligible for coverage under this part.

(c) *Procedures when an agency underwithholds.* (1) An agency that withholds less than the proper health benefits contributions from an individual's pay, annuity, or compensation must submit an amount equal to the sum of the uncollected contributions and any applicable agency contributions required under section 8906 of title 5, United States Code, to OPM for deposit in the Employees Health Benefits Fund.

(2) The agency must make the deposit to OPM described in paragraph (c)(1) of this section as soon as possible, but no later than 60 calendar days after the date the employing office determines the amount of the underdeduction that has occurred, regardless of whether or when the agency recovers the underdeduction. A subsequent agency determination whether to waive collection of the overpayment of pay caused by failure to properly withhold employee health benefits contributions shall be made in accordance with 5 U.S.C. 5584 as implemented by 4 CFR chapter I, subchapter G, unless the agency involved is excluded from application of 5 U.S.C. 5584, in which

case any applicable authority to waive the collection may be used.

(d) *Direct premium payments for annuitants.* (1) If an annuity, excluding an annuity under Subchapter III of Chapter 84 (Thrift Savings Plan), is too low to cover the health benefits premium due or if a surviving spouse receives a basic employee death benefit, the retirement system must provide information to the annuitant or surviving spouse regarding the available plans and notify him or her in writing of the opportunity to either: enroll in any plan in which the enrollee's share of the premium is not in excess of the annuity; or make payment of the premium directly to the retirement system.

(2) The retirement system must establish a method for accepting direct payment for health benefits premiums from surviving spouses who have received or are currently receiving basic employee death benefits as well as from annuitants whose annuities are too low to cover their health premiums. The annuitant or surviving spouse must continue to make direct payment of the health benefits premium even if the annuity increases to the extent that it covers the premium.

(3) The annuitant or surviving spouse must pay to the retirement system his or her share of the premium for the enrollment for every pay period during which the enrollment continues, exclusive of the 31-day temporary extension of coverage for conversion provided in § 890.401. The annuitant or surviving spouse must pay after each pay period in which he or she is covered in accordance with a schedule established by the retirement system. If the retirement system does not receive payment by the date due, the retirement system must notify the annuitant or surviving spouse in writing that continuation of coverage depends upon payment being made within 15 days (45 days for annuitants or surviving spouses residing overseas) after receipt of the notice. If no subsequent payments are made, the retirement system terminates the enrollment 60 days (90 days for annuitants or surviving spouses residing overseas) after the date of the notice. An annuitant or surviving spouse whose enrollment terminates because of nonpayment of premium may not reenroll or reinstate coverage, except as provided in paragraph (d)(4) of this section.

(4) If the annuitant or surviving spouse is prevented by circumstances beyond his or her control from paying within 15 days after receipt of the notice, he or she may request reinstatement of coverage by writing to the retirement system. The annuitant or surviving spouse must describe the circumstances that prevented timely notice and file the request within 30 calendar days from the date of termination. The retirement system determines whether the surviving spouse or annuitant is eligible for reinstatement of coverage. If the determination is affirmative, the retirement system reinstates the coverage of the surviving spouse or annuitant retroactive to the date of termination. If the determination is negative, the surviving spouse or annuitant may request a review of the decision from the retirement system as provided under § 890.104.

(5) Termination of enrollment for failure to pay premiums within the time frame established in accordance with paragraph (d)(3) of this section is retroactive to the end of the last pay period for which payment has been timely received.

(6) The retirement system will submit all direct premium payments along with its regular health benefits premiums to OPM in accordance with procedures established by that office.

(e) *Direct payment of premiums during periods of LWOP status in excess of 365 days.*

(1) An employee who is granted leave without pay under subpart L of part 630 of this chapter which exceeds the 365 of continued coverage under section 890.303(e) must pay the employee contributions directly to the employing office on a current basis.

(2) Payment must be made after the pay period in which the employee is covered in accordance with a schedule established by the employing office. If the employing office does not receive the payment by the date due, the employing office must notify the employee in writing that continuation of coverage depends upon payment being

made within 15 days (45 days for employees residing overseas) after receipt of the notice. If no subsequent payments are made, the employing office terminates the enrollment 60 days (90 days for enrollees residing overseas) after the date of the notice.

(3) If the enrollee was prevented by circumstances beyond his or her control from making payment within the timeframe specified in paragraph (e)(2) of this section he or she may request reinstatement of the coverage by writing to the employing office. The employee must file the request within 30 calendar days from the date of termination and must include supporting documentation.

(4) The employing office determines whether the employee is eligible for reinstatement of coverage. If the determination is affirmative, the employing office reinstates the coverage of the employee retroactive to the date of termination. If the determination is negative, the employee may request a review of the decision from the employing agency as provided under § 890.104.

(5) An employee whose coverage is terminated under paragraph (e)(2) of this section may register to enroll upon his or her return to duty in a pay status in a position in which the employee is eligible for coverage under this part.

(f) *Uniformed services.* (1) except as provided in paragraph (g)(2) of this section, an employee whose coverage continues under section 890.303(i) is responsible for payment of the employee share of the cost of enrollment for every pay period for which the enrollment continues for the first 365 days of continued coverage as set forth under paragraph (b) of this section. For coverage that continues after 365 days in nonpay status, the employee must pay, on a current basis, the full subscription charge, including both the employee and Government shares, plus an additional 2 percent of the full subscription charge.

(2) Payment of the employee's share of the cost of enrollment is waived for the first 365 days of continued coverage in the case of an employee whose coverage continues under § 890.303(e) following furlough or placement on leave of absence under the provisions of part 353 of this chapter or under § 890.303(i) if the employee was ordered to active duty before September 1, 1995 under section 672, 673b, 674, 675, or 688 of title 10, United States Code, in support of Operation Desert Storm.

EFFECTIVE DATE NOTE: At 61 FR 54454, Dec. 5, 1996, § 890.502 was amended by revising paragraph (e), effective Jan. 6, 1997. For the convenience of the user, the superseded text is set forth as follows:

§ 890.502 Employee witholdings and contributions.

* * * * *

(e) *Direct payment of premiums during periods of LWOP status in excess of 365 days.* (1) An employee who is granted leave without pay under subpart L of part 630 of this chapter which exceeds the 365 days of continued coverage under § 890.303(e) must pay the employee contributions directly to the employing office on a current basis.

(2) Payment must be made after the pay period in which the employee is covered in accordance with a schedule established by the employing office. If the employing office does not receive the payment by the date due, the employing office must notify the employee in writing that continuation of coverage depends upon payment being made within 15 days (45 days for employees residing overseas) after receipt of the notice. If no subsequent payments are made, the employing office terminates the enrollment 60 days (90 days for enrollees residing overseas) after the date of the notice.

(3) If the employee was prevented by circumstances beyond his or her control from making payment within the time frame specified in paragraph (e)(2) of this section, he or she may request reinstatement of the coverage by writing to the employing office. The employee must describe the circumstances that prevented timely notice and file the request within 30 calendar days from the date of termination.

(4) The employing office determines whether the employee is eligible for reinstatement of coverage. If the determination is affirmative, the employing office reinstates the coverage of the employee retroactive to the date

of termination. If the determination is negative, the employee may request a review of the decision from the employing agency as provided under § 890.104.

(5) An employee whose coverage is terminated under paragraph (e)(2) of this section may enroll upon his or her return to duty in a pay status in a position in which the employee is eligible for coverage under this part.

§ 890.503 Reserves.

(a) The enrollment charge consists of the rate approved by OPM for payment to the plan for each enrollee, plus 4 percent, of which one part is for an administrative reserve and 3 parts are for a contingency reserve for the plan.

(b) The administrative reserve is credited with the one one-hundred-and-fourth of the enrollment charge set aside for the administrative reserve. The administrative reserve is available for payment of administrative expenses of OPM incurred under this part, and for such other purposes as may be authorized by law.

(c)(1) *Contingency reserve.* The contingency reserve for each plan is credited with—

(i) The three one-hundred-and-fourths of the enrollment charge set aside for the contingency reserve from the enrollment charges for employees and annuitants enrolled for that plan;

(ii) Amounts transferred in accordance with law from other contingency reserves and the administrative reserve;

(iii) Income from investment of the reserve;

(iv) Its proportionate share of the income from investment of the administrative reserve; and

(v) Any return of reserves of the plan.

(2) *Contingency reserve minimum balance.* The preferred minimum balance for the contingency reserve for community-rated plans is 1 month's subscription charges at the average recurring monthly rate paid from the Employees Health Benefits Fund for the plan during the most recent contract period. The preferred minimum balance for the contingency reserve for experience-rated plans is 1½ times an amount equal to the sum of an average month's paid claims plus an average month's administrative expenses and retentions, as determined under paragraph (c)(3) of this section. Amounts in excess of the preferred minimum balance for a contingency reserve account may be used with respect to the plan from which the reserve derives: To defray increases in future rates; to increase plan benefits, or to reduce contributions of eligible subscribers and the Government under the program through devices such as temporary suspension of, or reduction in, required contributions or a refund of contributions to eligible subscribers and the Government.

(3) *OPM/carrier reserve transfers.* The target level for total reserves of an experience-rated plan is 3½ times an amount equal to the sum of an average month's paid claims plus an average month's administrative expenses and retentions. Reserves include funds set aside for incurred-but-unpaid benefit claims and the ''special'' reserve representing the cumulative difference between income to the plan (subscription income plus interest on investments) and plan expenses (benefit costs plus administrative expenses and retentions). Included as carrier reserves is the balance in the letter of credit (LOC) account maintained by OPM for the plan. For the purposes of this section, an average month's paid claims is one-sixth of the total claims paid during the last 6 months of the most recent contract period, and an average month's administrative expenses and retentions is one-twelfth of the administrative expenses and retentions for the most recent contract period.

(i) When, as of the end of a contract period, the total of all the reserves for an experience-rated plan is less than the target level described in the first four sentences of paragraph (c)(3) of this section, the carrier is entitled to payment from the contingency reserve. Such contingency reserve payment shall equal the lesser of: An amount equal to the difference between the target level for the plan's reserves and the total of the reserves for the plan, or an amount equal to the excess, if any, of the contingency reserve over the preferred minimum balance. OMP must authorize this payment promptly after accepting the accounting statement for the contract period. The contingency

reserve payment so authorized will be made available to the carrier's LOC account.

(ii) When, as of the end of a contract period, the total of all reserves of an experience-rated plan amounts to more than the plan's target level, the excess over the plan's target level must be credited to the contingency reserve maintained by OPM for the plan. OPM will withdraw the excess amount from the plan's LOC account, based on reporting in the annual accounting statement for the year, no sooner than May 1, of the following year. If the accounting statement is not filed by the time limit specified in the plan's contract with OPM, OPM will estimate the amount of the excess reserves and may withdraw that amount from the plan's LOC account, or begin the process of offsetting that amount from subscription payments, no sooner than May 1. The amount withdrawn from the plan's LOC account, or offset from subscription payments, will be credited to that plan's contingency reserve.

(4) OPM may, by agreement with the carrier, approve community rating for a comprehensive plan. If the contingency reserve of the carrier of a community-rated plan exceeds the preferred minimum balance, as described in paragraph (c)(2) of this section, the carrier may request OPM to pay to the plan a portion of the reserve not greater than the excess of the contingency reserve over the preferred minimum balance. The carrier shall state the reason for the request. OPM will decide whether to allow the request in whole or in part and will advise the plan of its decision.

(5) *Special contingency reserve transfers.* In addition to those amounts, if any, paid under paragraphs (c)(2) through (c)(4) of this section, OPM may authorize such other payments from the contingency reserve as in the judgment of OPM may be in the best interest of employees and annuitants enrolled in the program. A carrier for a plan may apply to OPM at any time for a payment from the contingency reserve when the carrier has good cause, such as unexpected claims experience and variations from expected community rates. In the administration of this part, OPM will accord a high priority to deciding whether to allow requests under this paragraph in whole or in part and will promptly advise the carrier of its decision. Amounts paid from the contingency reserve under paragraphs (c)(2) through (5) of this section shall be reported as subscription income in the year in which paid. By agreement with the carrier and where good cause exists, OPM may accept payment from carrier reserves for credit to the contingency reserve in an amount and under conditions other than those specified in paragraph (c) of this section. For carriers funded by LOC, the returned amount will be withdrawn from the plan's LOC account.

Subpart G—Benefits in Medically Underserved Areas

§ 890.701 Definitions.

For purposes of this subpart—

Health benefits plan means the Government-wide Service Benefit Plan, the Government-wide Indemnity Benefit Plan, or an employee organization plan, as described under 5 U.S.C. 8903(1), (2), and (3), respectively.

Medically underserved area includes any of the 50 States of the United States where the Office of Personnel Management determines that 25 percent or more of the residents are located in primary medical care manpower shortage areas designated pursuant to section 332 of the Public Health Service Act (42 U.S.C. 254e).

OPM makes its annual determination by comparing the latest Department of Health and Human Services state-by-state population counts on primary medical care manpower shortage areas with U.S. Census figures on state resident population. The determination will be made prior to the annual FEHB open season and will be for the next calendar year. OPM will announce the results of this determination before each open season in a public notice in the FEDERAL REGISTER.

§890.804 Coverage.

(a) *Type of enrollment.* A former spouse who meets the requirements of §890.803 may elect coverage for self alone or for self and family. A family enrollment covers only the former spouse and any unmarried dependent natural or adopted child of both the former spouse and the employee, former employee or employee annuitant, provided such child is not otherwise covered by a health plan under this part. An unmarried dependent child must be under age 22 or incapable of self-support because of a mental or physical disability existing before age 22. No person may be covered by two enrollments.

(b) *Proof of dependency.* (1) A child is considered to be dependent on the former spouse or the employee, former employee, or employee annuitant if he or she is—

(i) A legitimate child;

(ii) An adopted child;

(iii) A recognized natural child who lives with the former spouse or the employee, former employee, or employee

annuitant in a regular parent-child relationship.

(iv) A recognized natural child for whom a judicial determination of support has been obtained; or

(v) A recognized natural child to whose support the former spouse, or the employee, former employee, or employee annuitant makes regular and substantial contributions in accordance with § 890.302(b)(2).

(c) *Exclusions from coverage.* Coverage as a family member may be denied—

(1) If evidence shows that the former spouse, employee, former employee, or annuitant did not recognize the child as his or her own, despite a willingness to support the child; or

(2) If evidence calls the child's paternity or maternity into doubt, despite the former spouse's employee's, former employee's, or employee annuitant's recognition and support of the child.

(d) *Child incapable of self-support.* When a former spouse enrolls for a family enrollment which includes a child who has become 22 years of age and is incapable of self-support, the employing office shall determine such child's eligibility in accordance with § 890.302(d), (e), and (f).

(e) *Meaning of unmarried child.* A child, under age 22 or incapable of self-support, who has never married or whose marriage has been annulled, or a child who is divorced or widowed is considered to be unmarried.

§ 890.805 Application time limitations.

(a) Except for former spouses meeting the requirements in § 890.803(a)(3)(iv) and (v) of this part, former spouses must apply for health benefits coverage—

(1) Within 60 days after dissolution of the marriage to the Federal employee; or

(2) Within 60 days after the date of OPM's notice of eligibility to enroll based on entitlement to one of the following:

(i) A former spouse annuity elected under 5 U.S.C. 8339(j)(3), 5 U.S.C. 8417(b), or 5 CFR 831.682;

(ii) A former spouse annuity under § 831.683;

(iii) A former spouse insurable interest annuity under 5 U.S.C. 8339(k)(1) or 8420(a);

(iv) A former spouse annuity under 5 U.S.C. 8341(h) or 8445(f);

(v) An appointment under 5 U.S.C. 8345(j) or 8467; or

(3) Within 60 days after the date of the notice of eligibility to enroll based on entitlement to a former spouse annuity under another retirement system for Government employees.

(b) Former spouses who meet the requirements in § 890.803(a)(3)(iv) of this part must apply for health benefits coverage by April 1, 1987. Where circumstances warrant, the former spouse may request that the filing date be waived. The authority of the Director of Central Intelligence to direct OPM to waive the filing date has been delegated to CIA's Office of Personnel. Requests for waiver should be addressed to the Office of Personnel, Retirement Division, Central Intelligence Agency, Washington, DC 20505. OPM will waive the April 1, 1987, filing date upon notification to do so from the Director of Central Intelligence.

(c) Former spouses who meet the requirements in § 890.803(a)(3)(v) of this part must apply for health benefits coverage by October 7, 1988. Where circumstances warrant, the former spouse may request the Secretary of State to waive the filing date. The authority of the Secretary of State to waive the filing date has been delegated to the Department of State's Retirement Division. Requests for waiver should be addressed to the Department of State, Retirement Division, Washington, DC 20520. OPM will accept the waiver upon notification to do so from the Department of State.

[51 FR 15748, Apr. 28, 1986, as amended at 53 FR 45071, Nov. 8, 1988; 57 FR 21192, May 19, 1992; 58 FR 52882, Oct. 13, 1993]

§ 890.806 Effective dates of coverage

(a) *Generally.* The effective date of enrollment or change of enrollment is the first day of the first pay period after the date the employing office receives the properly completed Standard Form 2809 or an appropriate substitute (i.e., a signed statement with sufficient information to execute enrollment) and satisfactory proof of eligibility.

(b) *Reenrollment.* The effective date of a reenrollment under § 890.301(g)(6) is,

for an involuntary disenrollment from a prepaid health plan under sections 1833 or 1876 of the Social Security Act, the date shown on the documentation from the plan. For a voluntary disenrollment, the effective date of reenrollment is the first day of the first pay period which begins in January of the next following year.

(c) *Change required because of insufficient annuity.* When a former spouse changes to a lower cost enrollment as provided by § 890.301(q), the change is effective immediately upon loss of coverage under the prior enrollment.

[51 FR 15748, Apr. 28, 1986, as amended at 52 FR 39497, Oct. 22, 1987; 53 FR 32368, Aug. 25, 1988; 56 FR 25997, June 6, 1991; 57 FR 21192, May 19, 1992; 57 FR 48162, Oct. 22, 1992]

§ 890.807 Termination of enrollment.

(a)(1) Except for former spouses meeting the requirements in § 890.803(a)(3) (iv) and (v) of this part, a former spouse's enrollment terminates, subject to the temporary extension of coverage for conversion, at midnight of the last day of the pay period in which the earliest of the following events occurs:

(i) Court order ceases to provide entitlement to survivor annuity or portion of retirement annuity under a retirement system for Government employees.

(ii) Former spouse remarries before age 55.

(iii) Former spouse dies.

(iv) Employee or annuitant on whose service the benefits are based dies and no survivor annuity is payable.

(v) Separated employee on whose service the benefits are based dies before the requirements for deferred annuity have been met.

(vi) Employee on whose service benefits are based leaves Federal service before establishing title to an immediate annuity or a deferred annuity.

(vii) Refund of retirement money is paid to the separated employee on whose service the health benefits are based.

(2) OPM may authorize a longer time frame for the temporary extension of coverage for conversion than the 31 days provided in § 890.401(a) if in OPM's judgment the former spouse could not have known that (1) the employee on whose service benefits are based left Federal service before establishing title to an immediate or deferred annuity; or (2) the separated employee on whose service the benefits are based died before the requirements for deferred annuity had been met. In such cases, the right of conversion may be exercised up to 31 days after the employing office's notice of termination. The former spouse must pay the full premium (employee's and Government's share) during the extended period, exclusive of the 31–day period following the notice.

(3) Termination of enrollment for failure to pay premiums within the time frame established in accordance with § 890.808(d)(1) is retroactive to the end of the last pay period for which payment has been timely received.

(4) A former spouse whose enrollment is terminated under this paragraph may not reenroll.

(b) The enrollment of a former spouse who meets the requirements in § 890.803(a)(3) (iv) or (v) of this part terminates, subject to the temporary extension of coverage for conversion, at midnight of the last day of the pay period in which the earliest of the following events occurs:

(1) Former spouse remarries before age 55.

(2) Former spouse dies.

(c) *Failure to make an election under § 890.808(e).* (1) If the annuity of a former spouse is insufficient to pay the full health benefits premium due for the plan in which the former spouse is enrolled, the former spouse may elect one of the two opportunities offered under § 890.808(e) of this part (electing a plan with a full premium not in excess of the annuity; or, paying premiums directly to the retirement system in accordance with § 890.808(d) of this part). The retirement system will send two notices to the former spouse, including one by certified mail return receipt requested. Continuation of coverage rests upon electing direct payment or new coverage within 15 days (45 days for former spouses residing overseas) after receipt of the final notice. Except as provided in paragraph (c)(3) of this section, the enrollment of an individual who fails to make an election within

the specified time frame will be terminated. A former spouse whose enrollment is terminated because of failure to make an election may not reenroll or reinstate coverage, except as provided in paragraph (c)(2) of this section. Each former spouse whose enrollment is so terminated is entitled to a 31-day extension of coverage for conversion.

(2) If the individual was prevented by circumstances beyond his or her control from making an election within the time limit after receipt of the final notice, he or she may request reinstatement of coverage by writing to the retirement system. The retirement system will determine if the individual is eligible for reinstatement of coverage; and, when the determination is affirmative, the individual's coverage may be reinstated retroactively to the date of termination or prospectively. If the determination is negative, the individual may request reconsideration of the decision from OPM.

(3) If the former spouse does not make an election under paragraph (c)(1) of this section and is enrolled in the high option of a plan that has two options, the former spouse is deemed to have elected enrollment in the standard option of the same plan unless the annuity is insufficent to pay the full withholdings for the standard option.

(d) *Coverage of members of the family.* The coverage of a member of the family of a former spouse terminates, subject to the temporary extension of coverage for conversion, at midnight of the earlier of the following dates:

(1) The day on which the individual ceases to be an eligible family member.

(2) The day the former spouse ceases to be enrolled, unless the family member is entitled as a survivor annuitant to contined enrollment or is entitled to continued coverage under the enrollment of another.

(e) *Cancellation.* A former spouse may cancel enrollment at any time by filing with the employing office a properly completed health benefits form. If a former spouse cancels enrollment, the cancellation becames effective on the last day of the pay period after the pay period in which the health benefits form cancelling the enrollment is received by the employing office. If a former spouse submits documentation that the cancellation is for the purpose of enrolling in a prepaid health plan under sections 1833 or 1876 of the Social Security Act, the cancellation becomes effective on the day before the coverage under the prepaid health plan takes effect. Such documentation must be submitted to the employing office within the period beginning 31 days before and ending 31 days after the prepaid health plan enrollment takes effect. The former spouse and family members, if any, are not entitled to the temporary extension of coverage for conversion or to convert to an individual contract for health benefits. Except for former spouses who provide documentation that they are canceling for the purpose of enrolling in a prepaid health plan under sections 1833 or 1876 of the Social Security Act, a former spouse who cancels his or her enrollment may not later reenroll. The former spouse and family members, if any, are not entitled to the temporary extension of coverage for conversion or to convert to an individual contract for health benefits. A former spouse who cancels his or her enrollment may not later reenroll.

[51 FR 15748, Apr. 28, 1986, as amended at 52 FR 39497, Oct. 22, 1987, and 53 FR 32368, Aug. 25, 1988; 53 FR 45071, Nov. 8, 1988; 56 FR 25997, June 6, 1991; 57 FR 48162, Oct. 22, 1992]

§ 890.808 Employing office responsibilities.

(a) *Application for benefits.* The former spouse's application for health benefits may be in the form of a Standard Form 2809, letter, or written statement to the employing office. Former spouses applying for benefits under § 890.803(a)(3)(iv) of this part must also include with their application a request for waiver of the application time limitation in accordance with § 890.805(b) of this part. Former spouses applying for benefits under § 890.803(a)(3)(v) of this part must also include with their application a request for waiver of the application time limitation in accordance with § 890.805(c) of this part.

(b) *Administration of the enrollment process.* (1) The employing office will set up a method for accepting applications for enrollment informing the

former spouse what documents to submit and where to submit them for an eligibility determination, and collecting premium payments. The method will include procedures for verifying the eligibility requirements under § 890.803(a) (1) and (2) of this part. The employing office must obtain OPM, Foreign Service Retirement and Disability System (FSRDS), or CIA Retirement and Disability System (CIARDS) documentation that the former spouse meets the additional requirement under § 890.803(a)(3) (i), (ii), (iii), (iv), or (v) of this part. A request for the retirement system's determination whether a court order is a qualifying court order for health benefits enrollment under this subpart must be accompanied by the documentation specified in § 838.221, § 838.721, or § 838.1005 of this chapter.

(2) The employing office will send the former spouse notice, in writing, of its decision. When an employing office informs a former spouse of his or her eligibility to enroll, it will identify the documents on which it based its decision and will include a premium payment schedule and statement of the requirements for continued enrollment under § 890.803. If the former spouse does not qualify for health benefits coverage, the employing office must give the former spouse a reconsideration right under § 890.104. Reconsideration requests from former spouses applying for benefits under § 890.803(a)(3)(iv) of this part must be directed to the Office of Personnel, Retirement Division, Central Intelligence Agency, Washington, DC 20505. Reconsideration requests from former spouses applying for benefits under § 890.803(a)(3)(v) of this part must be directed to the Department of State, Retirement Division, Washington, DC 20520.

(3) The agency employing office will maintain a health benefits file for the former spouse as a file separate from the personnel records of the employee or former employee. The retirement system acting as employing office for the former spouse may file the former spouse health benefits records in with the annuitant's retirement records.

(4) The former spouse will be required to certify that he or she meets the requirements listed in § 890.803 and that he or she will notify the employing office within 31 days of an event that results in failure to meet one or more of the requirements.

(c) *Qualifying court order.* Subject to a 31-day extension period for conversion, the duration of health benefits coverage will coincide with any period specified in the qualifying court order providing for an annuity. A court order not meeting the requirements under part 838 of this chapter will not be used to establish or continue entitlement to a former spouse's health benefits coverage.

(d) *Premium payments.* (1) The former spouse must remit to the employing office the full subscription charge for the enrollment for every pay period during which the enrollment continues, exclusive of the 31-day temporary extension of coverage for conversion provided in §§ 890.401 and 890.807(a)(2). Payment must be made after the pay period in which the former spouse is covered in accordance with a schedule established by the employing office (see definition of *pay period* under § 890.101(a)). If the employing office does not receive payment by the due date the employing office must notify the former spouse in writing that continuation of coverage depends upon payment being made within 15 days (45 days for enrollees residing overseas) after receipt of the notice. If no subsequent payments are made, the employing office terminates the enrollment 60 days (90 days for enrollees residing overseas) after the date of the notice. Termination for nonpayment of premium is considered a voluntary cancellation under § 890.807(d). A former spouse whose enrollment is terminated because of nonpayment of premium may not reenroll or reinstate coverage except as provided in paragraph (d)(2) of this section.

(2) If the individual was prevented by circumstances beyond his or her control from making payment within 15 days after receipt of the notice, he or she may request reinstatement of coverage by writing to the employing office. Such a request must be filed within 30 calendar days from the date of termination and must be accompanied by verification that the individual was prevented by circumstances beyond his

or her control from paying within the time limit. The employing office will determine if the individual is eligible for reinstatement of coverage; and, when the determination is affirmative, the individual's coverage may be reinstated retroactively to the date of termination. If the determination is negative, the individual may request a review of the decision from the employing agency as provided under § 890.104.

(3) The employing office will submit all premium payments collected from former spouses along with its regular health benefits payments to OPM in accordance with procedures established by that Office.

(e) *Withholding from annuity.* The retirement system acting as employing office for a former spouse will establish a method for withholding the full subscription charge from the former spouse's annuity check. When the annuity is insufficient to cover the full amount of health benefits premium due, the retirement system will provide information to the former spouse regarding the available plans and notify him or her in writing of the opportunity to either: register to be enrolled in any plan with a full premium not in excess of the annuity; or make payment of the premium directly to the retirement system in accordance with § 890.808(d). If the former spouse is enrolled in the high option of a plan that has two options, and does not elect a plan at a cost to him or her not in excess of the annuity or does not elect to pay premiums directly, he or she is deemed to have elected enrollment in the standard option of the same plan unless the annuity is insufficient to pay the full withholdings for the standard option.

Subpart J—Debarments, Civil Monetary Penalties and Assessments Imposed Against Providers

SOURCE: 54 FR 43940, Oct. 30, 1989, unless otherwise noted.

§ 890.1001 [Reserved]

§ 890.1002 Definitions.

(a) For the purposes of this subpart, the terms *convicted* and *provider* have the meanings set forth in section 8902a of title 5, United States Code.

(b) *Debarment* means that services or supplies furnished by a specific provider will no longer be reimbursed by the various carriers or health plans under title 5, United States Code, or this part.

(c) *Sanction* means any of the three penalties provided by section 8902a of title 5, United States Code, for the offenses cited therein. The three penalties are debarment, civil monetary penalties of not more than $10,000 for any item or service involved, and assessments of not more than twice the amount claimed for each such item or service.

§ 890.1003 Standards for OPM determinations of excessive charges, overprescribing, and services or supplies of a poor quality in connection with claims presented under this chapter.

(a) *Basis for sanctions.* Section 8902a(c) of title 5, United States Code, provides OPM the authority to impose sanctions against health care providers for cited offenses against the FEHB Program.

(b) *Standards.* (1) In making a determination that a provider has charged for health care services or supplies in an amount substantially in excess of such provider's customary charges for such services or supplies, OPM may rely, in part, upon a statistical sampling of previous claims and requests for payment filed by that provider and obtained either from FEHB carrier

files, other Government programs, private sector insurance sources or from the provider's own records. OPM shall take into consideration whether such charges deemed to be excessive are justified by unusual circumstances or medical complications requiring additional time, effort, or expense in localities in which it is acceptable medical practice to make an extra charge in such case.

(2) In making a determination that a provider has charged for health care services or supplies which are substantially in excess of the needs of the insured or which are of a quality that fails to meet professionally recognized standards for such services or supplies, OPM may rely, in part, upon reports, including sanction reports, from the following sources:

(i) The Professional Standards Review Organization or the Peer Review Organization for the area served by the provider;

(ii) State or local licensing or certification authorities;

(iii) Peer review committees of health plan carriers;

(iv) State or local professional societies; or

(v) Other sources deemed appropriate by OPM.

§890.1004 Standards for determining either the period of debarment or the amount of civil monetary penalties or assessments.

(a) In determining either the period of debarment or the amount of any civil monetary penalty or assessment, OPM shall take into account the specifics of section 8902a(e) of title 5, United States Code; i.e., the nature of any claims involved and the circumstances under which they were presented; the degree of culpability, history of prior offenses or improper conduct of the provider involved, and such other matters as justice may require.

(b) The following standards will be used when taking into account the factors listed in paragraph (a) of this section:

(1) *Criminal convictions.* The nature of the offense, the severity and magnitude of the crime, the extent of the provider's involvement and the provider's previous record, if any, will be of paramount importance in determining the period of debarment under 8902a(b) of title 5, United States Code.

(2) *Nature and circumstances of claims.* It shall be considered a mitigating circumstance if all the items or services subject to a determination under 8902a(c) of title 5, United States Code, included in the action brought under this part were of the same type and occurred within a short period of time, or were few in number and the total amount claimed was less than $1,000. It shall be considered an aggravating circumstance if such items or services were of several types, occurred over a lengthy period of time, were numerous (or the nature and circumstances indicate a pattern of claims for such items or services), or the amount claimed for such items or services was substantial.

(3) *Degree of culpability*. It shall be considered a mitigating circumstance if the claim was the result of an unintentional and unrecognized error in the process the provider followed in presenting claims, and corrective steps were taken promptly after the error was discovered. It shall be considered an aggravating circumstance if, for example, the provider knew or should have known he or she had previously been suspended from participation and such suspension was still in effect.

(4) *Prior offenses.* It shall be considered an aggravating circumstance if at any time prior to the presentation of the claim at issue in the debarment deliberations the provider was held liable for criminal, civil, or administrative sanctions in connection with the program covered by this part or any other public or private program of reimbursement for medical services.

(5) If there are substantial or several mitigating circumstances, OPM shall set any period of debarment at a minimum period of at least two years. If there are substantial or several mitigating circumstances, OPM shall set the aggregate amount of any civil monetary penalty and assessment at an amount equivalent to at least 25% of the maximums allowed by 8902a(c) of title 5, United States Code. However, unless there are extraordinary mitigating circumstances, the aggregate amount of the civil monetary penalty and assessment must be at least double

the estimated amount of damages sustained by the FEHB Program as a result of the claim(s) in question.

(6) If there are substantial or several aggravating circumstances, OPM shall set a period of debarment at a minimum period of at least 4 years. If there are substantial or several aggravating circumstances, OPM shall set the aggregate amount of any civil monetary penalty and assessment at an amount equivalent to at least 75% of the maximum allowed by 8902a(c) of title 5, United States Code.

§ 890.1005 Effective dates and notices.

(a) If OPM proposes to invoke any sanctions under section 8902a (b) or (c) of title 5, United States Code, OPM will send written notice of its intent, including the reasons for the proposed sanction(s), the proposed duration of the debarment, if any, and the proposed amount of any civil monetary penalty or assessment to the provider and advise the provider of the right to a reconsideration within OPM.

(b) Within 30 days of the date of the notice, the provider may submit:

(1) Documentary evidence and written argument against the proposed sanction; or

(2) A written request to present evidence or argument orally to an OPM official.

(c) For good cause shown by the provider, OPM may extend the 30-day period.

(d) If, after the provider has exhausted the reconsideration rights within OPM or failed to exercise his or her right to reconsideration within OPM, OPM decides to invoke any sanctions, it will send written notice of its decision to the provider at least 30 days before the proposed effective date of the sanction(s). The written notice will set forth:

(1) The basis for the sanction;

(2) The duration of the debarment, if any, and the factors used in determining the duration;

(3) The requirements and procedures for reinstatement, if applicable;

(4) The amount of the civil monetary penalty or assessment, if any, and how such penalty and/or assessment was determined;

(5) The right to a hearing.

(e) If the right to a hearing is waived, OPM will implement the effective date of the sanction(s) as provided in the notice required by paragraph (d) of this section. If the right to a hearing is exhausted and OPM is upheld by the hearing officer, OPM shall set the date of the sanction(s) to become effective within 31 days of the final decision of the hearing officer.

§ 890.1006 Payment of claims for service or supplies furnished by debarred providers.

Health plans may not deny claims for services or supplies based on debarment of the provider under this subpart if the claimant did not know or could not reasonably be expected to have known of the debarment. In any such instance, the carrier involved must take appropriate measures to ensure that the individual is informed of the debarment and the minimum period of time remaining under the terms of the debarment.

Subpart K—Temporary Continuation of Coverage

SOURCE: 54 FR 52339, Dec. 21, 1989, unless otherwise noted.

§ 890.1101 Purpose.

This subpart identifies the individuals who may temporarily continue coverage after the coverage would otherwise terminate under this part and sets forth the circumstances of their enrollment.

§ 890.1102 Definitions.

In this subpart—

Gross misconduct means a flagrant and extreme transgression of law or established rule of action for which an employee is separated and concerning which a judicial or administrative finding of gross misconduct has been made.

Qualifying event means any of the following events that qualify an individual for temporary continuation of coverage under subpart K of this part:

(1) A separation from Government service.

(2) A divorce or annulment.

(3) A change in circumstances that causes an individual to become ineligible to be considered an unmarried dependent child under this part.

§890.1103 Eligibility.

(a) Except as provided by paragraph (b) of this section, individuals described by this section are eligible to elect temporary continuation of coverage under this subpart. Eligible individuals are as follows:

(1) Former employees whose coverage ends because of a separation from Federal service under any circumstances except an involuntary separation for gross misconduct.

(2) Individuals whose coverage as children under the family enrollment of an employee, former employee, or annuitant ends because they cease meeting the requirements for being considered unmarried dependent children. For the purpose of this section, children who are enrolled under this part as survivors of deceased employees or annuitants are considered to be children under a family enrollment of an employee or annuitant at the time of the qualifying event.

(3) Former spouses of employees, of former employees having continued family coverage under this subpart, or of annuitants, if the former spouse would be eligible for continued coverage under subpart H of this part except for failure to meet the requirement of §890.803(a) (1) or (3) of this part or the documentation requirements of §890.806(a) of this part, including former spouses who lose eligibility under subpart H within 36 months after termination of the marriage because they ceased meeting the requirement of §890.803(a) (1) or (3) of this part.

(b) An individual who is otherwise eligible for benefits under this part (excluding the temporary extension of coverage and conversion privilege set forth in subpart D of this part) is not entitled to continued coverage under this subpart.

§890.1104 Notification by agency.

(a) In the case of a former employee who is eligible to elect temporary continuation of coverage under §890.1103(a)(1), the employing office must notify the former employee concerning his or her rights under this subpart no later than 30 days after the end of the temporary extension of coverage provided under §890.401.

(b)(1) In the case of a child who is eligible to elect temporary continuation of coverage under §890.1103(a)(2), the enrollee may, within 60 days after the qualifying event, provide written notice to the employing office of the child's change in status and requesting information about temporary continuation of coverage. The written notice must include the child's name and address and the date of the terminating event.

(2) If the notice described in paragraph (b)(1) is received by the employing office within 60 days after the date on which the child ceased meeting the requirements for being considered an unmarried dependent child, the employing office must notify the child of his or her rights under this subpart within 14 days after receiving the notice.

(3) This paragraph does not preclude the employing office from notifying the child of his or her rights based on oral or written notification by the child, another family member, or any other source that the child no longer meets the requirements for being considered an unmarried dependent child.

(c)(1) In the case of a former spouse who is eligible to elect temporary continuation of coverage under §890.1103(a)(3), the employee or the former spouse may, within 60 days after the termination of the marriage or the loss of coverage under subpart H of this part, notify the employing office of the terminating event and request information about temporary continuation of coverage. The notice must include the name and address of the former spouse and the date of the terminating event.

(2) The employing office must notify the former spouse of his or her rights under this subpart within 14 days after receiving the notice described in paragraph (c)(1) of this section.

(d) If the employing office cannot give the notice required by this section to the employee, child, or former spouse directly, it must send the notice by first class mail. A notice that is

mailed is deemed to be received 5 days after the date of the notice.

[54 FR 52339, Dec. 21, 1989, as amended at 57 FR 21192, May 19, 1992]

§ 890.1105 Elections.

(a) The election of temporary continuation of coverage may be in the form of a Standard Form 2809, letter, or written statement to the employing office.

(b) A former employee's election under this subpart must be submitted to the employing office within 60 days after the later of—

(1) The date of separation; or

(2) The date the former employee received the notice from the agency.

(c) A child's election under this subpart must be submitted to the employing agency within 60 days after the later of—

(1) The date of the qualifying event; or

(2) If the employee notified the employing agency within the 60-day time period specified under § 890.1104(b)(1) of this part, the date the child received the notice from the employing agency. If the employee did not notify the employing agency within the specified time period, the child's opportunity to elect continued coverage ends 60 days after the qualifying event.

(d) A former spouse's election must be received by the employing office within 60 days after the later of—

(1) The date of the qualifying event; or

(2) The date coverage under subpart H of this part was lost because of remarriage or loss of qualifying court order, if the loss of coverage under subpart H occurred before the expiration of the 36-month period specified in § 890.1107(c) of this part; or

(3) If the employee or former spouse notified the agency of the termination of the marriage within the time period specified in § 890.1104(c)(1), the date the former spouse received the notice from the agency described in § 890.1104(c)(2). If neither the employee nor the former spouse notified the agency within the specified time period, the former spouse's opportunity to elect continued coverage ends 60 days after the qualifying event.

(e) If an individual who is eligible for temporary continuation of coverage under this section is unable to file an election on his or her own behalf because of a mental or physical disability, an election may be filed by a court-appointed guardian.

(f) Except as provided in paragraphs (c)(2) and (d)(3), when an employing office determines that an eligible individual was unable, for cause beyond his or her control, to register to be enrolled within the time limits prescribed by this section, that office must accept the registration within 31 days after it advises him or her of that determination.

§ 890.1106 Coverage.

(a) *Type of enrollment.* An individual who enrolls under this subpart may elect coverage for self alone or self and family.

(1) For an enrollee who is eligible for continued coverage under § 890.1103(a)(1) or (2), a covered family member is an individual whose relationship to the enrollee meets the requirements of 5 U.S.C. 8901(5) and who meets any applicable requirements of 5 CFR 890.302 of this part.

(2) For a former spouse who is eligible for continued coverage under § 890.1103(3) of this part, a covered family member is an individual who meets the requirements of § 890.804 of this part.

(b) *Plans and options.* An individual who elects to continue coverage under this subpart may enroll in a plan or option different from the plan or option covering the individual at the time of the qualifying event.

§ 890.1107 Length of temporary continuation of coverage.

(a) In the case of a former employee who is eligible for continued coverage under § 890.1103(a)(1), the temporary continuation of coverage ends on the date that is 18 months after the date of separation, unless it is terminated earlier under the provisions of § 890.1110.

(b)(1) Except as provided in paragraph (b)(2) of this section, in the case of individuals who are eligible for continued coverage under § 890.1103(a)(2) of this part, the temporary continuation of coverage ends on the date that is 36

months after the date the individual first ceases to meet the requirements for being considered an unmarried dependent child, unless it is terminated earlier under the provisions of §890.1110.

(2) The temporary continuation of coverage ends on the date that is 36 months after the date of the separation from service on which the former employee's continuation of coverage is based, unless it is terminated earlier under the provisions of §890.1110, in the case of individuals who—

(i) Are eligible for continued coverage under §890.1103(a)(2); and

(ii) As of the day before ceasing to meet the requirements for being considered unmarried dependent children, were covered family members of a former employee receiving continued coverage under this subpart; and

(iii) Cease meeting the requirements for being considered unmarried dependent children before the end of the 18-month period specified in paragraph (a) of this section.

(c)(1) Except as provided in paragraph (c)(2) of this section, in the case of former spouses who are eligible for continued coverage under §890.1103(a)(3), the temporary continuation of coverage ends on the date that is 36 months after the former spouse ceased meeting the requirements for coverage as a family member, unless it is terminated earlier under the provisions of §890.1110.

(2) The temporary continuation of coverage ends on the date that is 36 months after the date of the separation from service on which the former employee's continuation of coverage is based, unless it is terminated earlier under the provisions of §890.1110, in the case of a former spouse—

(i) Who is eligible for continued coverage under §890.1103(a)(3); and

(ii) Whose marriage to the former employee terminates after the former employee's separation but before the expiration of the 18-month period specified in paragraph (a) of this section.

§890.1108 Effective date of coverage.

(a) Except as provided in paragraph (b) of this section, the effective date of coverage is the day after other coverage under this part expires, including temporary extension of coverage under §890.401 of this part. If an individual registers for temporary continuation of coverage before the expiration of the election period under §890.1105, but after the temporary extension of coverage expires, coverage is restored retroactively, with appropriate contributions and claims, to the same extent and effect as though no break in coverage occurred.

(b) In the case of a former spouse, the effective date of coverage is the later of—

(1) The date determined under paragraph (a) of this section; or

(2) The date of the divorce or annulment.

[55 FR 22891, June 5, 1990]

§890.1109 Premium payments.

(a) Except as provided in paragraph (b) of this section, the enrollee must pay the full enrollment charge as determined under §890.503(a), including both the Government contributions and employee withholdings, plus the administrative charge described under §890.1113, for every pay period during which the enrollment continues, exclusive of the 31-day temporary extension of coverage for conversion provided under §890.401 of this part.

(b) If the enrollee is not covered under this subpart for the full pay period, he or she pays the premium charge for only the days actually covered. The daily premium rate is an amount equal to the monthly rate (including the administrative charge) multiplied by 12 and divided by 365.

(c) The enrollee must make the payment after the pay period during which he or she is covered in accordance with a schedule established by the employing office. If the employing office does not receive the payment by the date due, the employing office must notify the enrollee in writing that continuation of coverage depends upon payment being made within 15 days (45 days for enrollees residing overseas) after receipt of the notice. If no subsequent payments are made, the employing office terminates the enrollment 60 days (90 days for enrollees residing overseas) after the date of the notice. An enrollee whose coverage terminates

because of nonpayment may not reenroll or reinstate coverage except as provided under paragraph (d) of this section.

(d)(1) If the enrollee was prevented by circumstances beyond his or her control from making payment within the timeframe specified in paragraph (c) of this section, he or she may request reinstatement of coverage by writing to the employing office. The request must be filed within 30 calendar days from the date of termination and must be accompanied by verification that the enrollee was prevented by circumstances beyond his or her control from paying within the time limit.

(2) The employing office determines whether the individual is eligible for reinstatement of coverage. If the determination is affirmative, coverage is reinstated retroactively to the date of termination. If the determination is negative, the individual may request a review of the decision from the employing agency as provided under § 890.104.

[54 FR 52339, Dec. 21, 1989, as amended at 59 FR 67607, Dec. 30, 1994; 61 FR 37810, July 22, 1996]

§ 890.1110 Termination of enrollment or coverage.

(a) *General.* An enrollment under this subpart terminates at midnight of the earlier of the following dates:

(1) The date the temporary continuation of coverage expires as set forth in § 890.1107, subject to the temporary extension of coverage for conversion.

(2) The last day of the pay period in which the enrollee dies.

(3) The day before the effective date of coverage under another provision of this part.

(4) The date provided under paragraphs (b) or (c) of this section.

(b) *Failure to pay premiums.* Termination of enrollment for failure to pay premiums within the timeframe established under § 890.1109 of this part is retroactive to the end of the last pay period for which payment was timely received. The enrollee and covered family members, if any, are not entitled to the temporary extension of coverage for conversion or to convert to an individual contract for health benefits.

(c) *Cancellation.* An enrollee may cancel his or her enrollment as provided under § 890.304(d) of this part.

(d) *Family member coverage.* The coverage of a family member terminates under the conditions set forth in § 890.304(c). Covered family members of former employees and former spouses are entitled to temporary continuation of coverage only as set forth under § 890.1103.

§ 890.1111 Employing office responsibilities.

(a) *Providing information to employees.* Employing offices are responsible for providing employees who are eligible to enroll under this part with literature developed by OPM that sets forth their rights under this subpart. This literature must be distributed to employees prior to each open season occurring under § 890.301.

(b) *Administration of the enrollment process.* The employing office must establish procedures for notifying the former employee, child, or former spouse about his or her eligibility to enroll, including what documents are needed to determine eligibility, and for accepting enrollment registrations.

(c) *Collecting premiums.* (1) Collection of the contributions is the responsibility of the employing office of the employee or annuitant at the time of the qualifying event.

(2) The employing office must submit all premium payments collected from enrollees along with its regular health benefits payments to OPM in accordance with procedures established by that Office.

(d) *Health benefits file.* The employing office must maintain a health benefits file for the enrollee as a file separate from the personnel records of the employee or former employee. This file may be destroyed 2 years after the end of the calendar year during which the 18- or 36-month period described in § 890.1107 (a) or (b)(1) expires.

§890.1112 Denial of continuation of coverage due to involuntary separation for gross misconduct.

(a) *Notice of denial.* (1) When an employing office determines that the offense for which an employee is being removed constitutes gross misconduct for the purpose of this subpart, the employing office must notify the employee in writing of its intention to deny temporary continuation of coverage. The notice must set forth the reason for the denial and give the employee a reasonable amount of time to respond. The notice must be made no later than the date of separation.

(2) If the employee is being removed under the authority of part 752 of this chapter (or other law, Executive Order, or regulation that prescribes procedures for removing employees because of misconduct), the notification requirement of paragraph (a)(1) of this section may be combined with the notification requirement of such authority.

(b) *Employee's response.* (1) The employee must be allowed a reasonable time for response, but not less than 7 days. The employee may respond orally or in writing and is entitled to be represented by an attorney or other representative.

(2) The agency must designate an official to hear the employee's oral answer who has the authority either to make or recommend a final decision on the denial. The right to answer orally does not include the right to a formal hearing with examination of witnesses.

(c) *Final decision.* If the employee responds to the notice of denial, the employing office must issue a final decision in writing that fully sets forth its findings and conclusions. The agency's decision is not subject to reconsideration by OPM.

(d) *Resignation in lieu of involuntary separation.* If an employee resigns after receiving the employing office's notification of intent to separate the employee involuntarily but before the scheduled separation date, his or her separation is considered involuntary for the purpose of this subpart.

§890.1113 The administrative charge.

(a) OPM has determined that the administrative charge as provided under 5 U.S.C. 8905a(d)(1)(A)(ii) is 2 percent of the enrollment charge described in §890.503(a).

(b) It is OPM's responsibility to establish procedures for receiving the administrative payment into the Employees Health Benefits Fund and for making this amount available to the employing office.

SOURCE: 55 FR 50537, Dec. 7, 1990, unless otherwise noted.

§890.1201 Purpose.

This subpart sets forth the circumstances under which individuals are covered under this part in accordance with the provisions of section 599C of Public Law 101–513.

§890.1202 Definitions.

In this subpart—

Covered family members as it applies to individuals covered under this subpart has the same meaning as set forth in §890.101(a). For eligible survivors of individuals enrolled under this subpart, a family enrollment covers only the survivor or former spouse and unmarried dependent natural or adopted child of both the survivor or former spouse and hostage.

Hostage and *hostage status* have the meaning set forth in section 599C of Public Law 101–513.

Pay period for individuals enrolled under this subpart means the pay period established by the U.S. Department of State for paying individuals covered under Public Law 101–513.

Period of eligibility means the period beginning on the effective date set forth in §890.1204 of this subpart and ending 60 months after hostage status ended for hostages in Lebanon and 12 months after hostage status ended for hostages in Iraq and Kuwait.

[55 FR 50537, Dec. 7, 1990, as amended at 57 FR 43132, Sept. 18, 1992]

§ 890.1203 Coverage.

(a) An individual is covered under this subpart when the U.S. Department of State determines that the individual is eligible for coverage under section 599C of Public Law 101–513.

(b) An individual who is covered under this subpart is covered under the Standard Option of the Service Benefit Plan. The individual has a self and family enrollment unless the U.S. Department of State determines that the individual is unmarried and has no dependent children. Unmarried individuals who have no eligible dependent children have a self only enrollment.

(c) Individuals covered under this subpart are deemed ineligible for enrollment in any FEHB plan or option other than the Standard Option of the Service Benefit Plan.

(d) Eligible surviving family members of an individual covered under this subpart whose hostage status ended because of death or who dies during the 60 months or 12 months following the end of hostage status are eligible to continue enrollment under this part. The enrollment terminates no later than 60 months or 12 months after hostage status ended.

(e) An individual covered by this subpart is not considered an employee for the purpose of this part.

(f) Eligibility for coverage under this subpart shall be subject to the availability of funds under section 599C(e) of Public Law 101–513.

[55 FR 50537, Dec. 7, 1990, as amended at 57 FR 43132, Sept. 18, 1992]

§ 890.1204 Effective date of coverage.

Unless the U.S. Department of State determines that a later date is appropriate, coverage under § 890.1203(b) is effective on August 2, 1990, for hostages in Iraq and Kuwait and on the later of the date hostage status began or June 1, 1982, for hostages in Lebanon.

[57 FR 43132, Sept. 18, 1992]

§ 890.1205 Change in type of enrollment.

(a) Individuals covered under this subpart or eligible survivors enrolled under this subpart may change from self only to self and family coverage if they acquire an eligible family member. The change may be made at the written request of the enrollee at any time after the family member is acquired. A change in enrollment under this paragraph becomes effective on the 1st day of the pay period after the pay period during which the request is received by the U.S. Department of State, except that a change based on the birth or addition of a child as a new family member is effective on the 1st day of the pay period during which the child is born or otherwise becomes a new family member.

(b) Individuals covered under this subpart or eligible survivors enrolled under this subpart may change from a self and family enrollment to a self only when the last eligible family member (other than the enrollee) ceases to be a family member. The change may be made at the written request of the enrollee at any time after the last family member is lost and it becomes effective on the 1st day of the pay period after the pay period during which the request is received by the U.S. Department of State.

(c) A family member may file a request to change the type of enrollment on behalf of a hostage during the period of hostage status or on behalf of an eligible former hostage who cannot file the election on his or her own behalf because of a mental or physical disability.

§ 890.1206 Cancellation of coverage.

(a) An individual who is covered under § 890.1203(b) may cancel his or her enrollment at any time by written request. The cancellation is effective on the 1st day of the pay period after the pay period in which it is received by the U.S. Department of State.

(b) An individual who cancels his or her coverage under this section cannot reacquire coverage unless the U.S. Department of State determines that it would be against equity and good conscience not to allow the individual to be enrolled.

(c) A cancellation of coverage must be made by the enrolled individual and cannot be made by a representative acting on the individual's behalf.

§890.1207 Termination of coverage.

(a) Coverage of an individual under §890.1203(b) terminates 60 months or 12 months after hostage status ended unless the individual cancels the coverage earlier.

(b) Enrollees and family members are eligible for temporary extension of coverage for conversion as set forth in subpart D of this part unless the covering enrollment is terminated by cancellation.

[55 FR 50537, Dec. 7, 1990, as amended at 57 FR 43132, Sept. 18, 1992]

§890.1208 Premiums.

(a) Government and employee contributions (premiums) required under §§890.501 and 890.502 of this part are paid from the appropriation provided under section 599C(e) of Public Law 101–513.

(b) If the individual is not covered under this subpart for the full pay period, premiums are paid only for the days he or she is actually covered. The daily premium rate is an amount equal to the monthly premium rate multiplied by 12 and divided by 365.

(c) The payments required by this section may be accepted by OPM from the State Department appropriation in advance if necessary to fund the 12-month period of coverage beginning on the earlier of:

(1) The day after sanctions or hostilities end; or

(2) The day after the individual's period of hostage status ends.

(d) OPM will place any funds received under paragraph (c) of this section in an account established for this purpose. OPM will make the disbursements specified under 48 CFR subpart 1632.170 from this account when the appropriate pay period occurs.

[55 FR 50537, Dec. 7, 1990, as amended at 57 FR 14325, Apr. 20, 1992]

§890.1209 Responsibilities of the U.S. Department of State.

(a) The U.S. Department of State functions as the ''employing office'' for individuals covered under this subpart.

(b) The U.S. Department of State must determine the eligibility of individuals who qualify under Public Law 101–513 for coverage under this part. This determination includes the determination as to whether the individual is barred from coverage under chapter 89 of title 5 U.S. Code by reason of other health insurance coverage as provided in section 599C of Public Law 101–513.

(c) The U.S. Department of State must determine whether eligible individuals are married or single for the purpose of coverage under a self only or a self and family enrollment as set forth in §890.1203(b). If the marital status of the individual cannot be determined, the U.S. Department of State must enroll the individual for self and family coverage.

§890.1210 Reconsideration and appeal rights.

(a) Under procedures set forth by the U.S. Department of State, an individual may request the U.S. Department of State to reconsider an initial decision it has made denying coverage or a change in the type of enrollment under this subpart.

(b) Neither the initial decision nor the reconsideration decision of the U.S. Department of State is subject to reconsideration by OPM.

For the purpose of this paragraph, an employee is considered to have retired before his/her first pay period beginning after June 30, 1960, if his/her annuity began to accrue before his/her first pay period after June 30, 1960, or if he/she was eligible under paragraph (d) of this section until the date his/her annuity began to accrue.

[33 FR 12516, Sept. 4 1968, as amended at 43 FR 35018, Aug. 8, 1978]

§ 891.104 Responsibilities of retirement offices.

(a) The Office of Worker's Compensation Program is responsible only for retired employees who are receiving compensation from the Office and is responsible even though the retired employee has retired under another retirement office from which he/she is not currently receiving annuity. If the retired employee is currently receiving annuity from another retirement office, that retirement office, rather than the Office of Worker's Compensation Program, will have the responsibilities imposed on retirement offices by this part for that retired employee.

(b) Retirement offices are responsible, in accordance with regulations and instructions issued by OPM, for withholding from the annuity or compensation of each retired employee within the jurisdiction of the retirement office who elects to subscribe to the uniform plan his/her share of the cost, for forwarding the amount withheld to the Retired Federal Employees Health Benefits Fund, and for reporting to OPM amounts required for Government contribution for these retired employees.

(c) Retirement offices are responsible, in accordance with regulations and instructions issued by OPM, for reporting to OPM amounts required for Government contributions to retired employees within the jurisdiction of the retirement office who have elected to receive a Government contribution toward the cost of a private health benefits plan, and for paying the Government contributions to these retired employees.

(d) Retirement offices are responsible for advising retired employees within the jurisdiction of the retirement office of the rights and obligations of retired employees under this part.

(e) When one or more of the family members is a child 19 years of age or older who is incapable of self-support because of mental or physical disability which existed before the child became 19 years of age, the appropriate retirement office shall obtain the necessary evidence and make a determination of incapacity.

(f) Retirement offices are responsible, in accordance with regulations and instructions issued by OPM, for verifying continuing eligibility of retired employees to receive Government contributions.

§ 891.105 Correction of errors.

OPM may order correction of administrative errors at any time upon a showing satisfactory to OPM that it would be against equity and good conscience not to do so.

[45 FR 23637, Apr. 8, 1980]

§ 891.106 Reconsideration.

(a) *Who may file.* A retired employee may request OPM to reconsider its initial decision that he/she is not eligible to make an election or to receive a Government contribution under the part or that he/she may not enroll another individual as a family member.

(b) *Initial OPM decision.* An OPM decision shall be considered an initial decision as used in § 891.106(a) of this part, when rendered by OPM in writing and stating the right to reconsideration. However, a decision initially rendered at the highest level of review available within OPM will not be subject to reconsideration.

(c) *Reconsideration.* A request for reconsideration must be made in writing, must include the claimant's name, address, date of birth, claim number, if appropriate, and reasons for the request.

(d) *Time limit.* A request for reconsideration of an initial OPM decision must be filed within 30 calendar days from the date of OPM's initial decision. OPM may extend the time limit on filing when the individual shows that he/she was not notified of the time limit and was not otherwise aware of it, or that he/she was prevented by circumstances beyond his/her control from making the request within the time limit.

(e) *Final decision.* After reconsideration, OPM shall issue a final decision which shall be in writing and shall fully set forth the findings and conclusions of OPM.

[45 FR 23637, Apr. 8, 1980]

Subpart B—Election and Change of Election

§ 891.201 Election.

(a) The original period for election by each eligible retired employee was during the months of March and April 1961. Failure to elect when eligible to do so is deemed an election not to participate in the program unless the failure is determined by the retirement office to be for cause beyond the control of the retired employee. In any case in which annuity or compensation is being paid to a payee in behalf of a retired employee, the payee shall make the election for the retired employee.

(b) (1) A retired employee may elect to participate in the program for self alone or for self and family.

(2) Survivors, if actually or constructively living in the same household, have only one right of election among them. The election shall be made by the payee. The fact that one payee is receiving annuity or compensation for all members of the family is prima facie evidence that they are living in the same household. The existence of more than one payee is prima facie evidence that each payee and the survivors in whose behalf the payee is receiving annuity or compensation constitute a separate household, and each payee may elect for the survivors in whose behalf he is receiving annuity or compensation, but where a family is receiving annuity or compensation through more than one payee, one payee, with the consent of the other payees, may elect for the whole family.

(3) A retired employee may not be covered under more than one election.

(4) A retired employee who is entitled to more than one annuity or to compensation and annuity is entitled to only one election.

(c) Each retired employee who elects to receive a Government contribution toward the cost of a private health benefits plan shall file with his election a certificate of the carrier, on the form prescribed by OPM for the purpose, that he is a subscriber to a health benefits plan. OPM, or the appropriate retirement office, at any time may require that a retired employee renew the certificate, or may take such other action as it considers desirable to verify the continuing eligibility of the retired employee to receive a Government contribution. The appropriate retirement office may suspend the Government contribution when there is a reasonable doubt of the retired employee's continuing eligibility to receive the Government contribution.

(d) In the discretion of the retirement office, a representative of the retired employee having a written authorization to do so may elect for him.

(e) A person who was not eligible, during the months of March and April 1961, to elect to subscribe to the uniform plan or to receive a Government contribution toward the cost of a private health benefits plan, may apply to the appropriate retirement office when he becomes eligible. If the retirement office determines that he is eligible, it shall notify the retired employee that he is eligible to make an election in accordance with paragraphs (a) to (d) of this section within 60 days of the date of the notice. If the retirement office determines that a retired employee was unable, for cause beyond his control, to make an election within the time limits prescribed by this section, it shall notify the retired employee that he is eligible to make an election in accordance with paragraphs (a) to (d) of this section within 60 days of the date of the notice. Elections made under this paragraph are effective, for a retired employee receiving annuity and a survivor receiving compensation, on the first day of the third month following the month in which the retirement office receives the election. Withholdings and contributions are effective for months beginning on and after the first day of the second month following the month in which the retirement office receives the election. For any other retired employee receiving compensation, changes of election made under this paragraph are effective on the first day of the third 4-week period following the 4-week period in which the Bureau of Employees' Compensation receives the election, and withholdings and contributions are effective beginning with the second 4-week period following receipt of the election. This paragraph does not apply to retired employees who have been, at any time, covered by the election of another under this part.

(f) Retired employees and survivors who, on January 1, 1973, were enrolled for either basic coverage only or major medical coverage only of the Uniform Plan are, effective January 1, 1973, automatically enrolled in basic plus major medical coverage of the Uniform Plan.

[33 FR 12516, Sept. 4, 1968, as amended at 37 FR 20845, Dec. 20, 1972]

§ 891.202 Change of election.

(a) When used in this section, ''month'' includes the 4-week period for which a retired employee (other than a survivor) receives compensation.

(b) A retired employee shall change his election in accordance with the following table:

TABLE OF REQUIRED CHANGES

Event requiring change	Type of election to which requirement applies	Change required	Effective date of change
(1) Loss of member of family by death or otherwise, leaving only one person covered by the election.	Election for self and family for uniform or private health benefits plan.	Change to self alone	First day of month following the event requiring change. Changes in withholdings and contributions are effective for annuity or compensation accruing for the month in which the event requiring change occurs.
(2) Termination of subscription to a private health benefits plan for all persons covered by the election but the retired employee making the election [1].	Election for self and family for private health benefits plan.	.....do	Do.
(3) Termination of subscription to a private health benefits plan for all persons covered by the election [1].	Election for self alone or for self and family for private health benefits plan.	Change to not participating (optional change may be made in accordance with paragraph (c) of this section).	Do.

[1] If the termination is immediately succeeded by a similar subscription in another private health benefits plan a change of election is not required, but the retired employee shall file a certificate of the new carrier that he is a subscriber. A form for the certificate may be obtained from the retirement office.

(c) An annuitant may change his or her election in accordance with the following table by notifying his or her retirement system at any time:

TABLE OF OPTIONAL CHANGES

Change permitted	Type of election from which changing	Effective date of change
(1) Change to not participating	Election for self alone or self and family for uniform or private health benefits plan.	First day of month specified in notice to retirement system, or first day of month following receipt of notice by retirement system, whichever is later. (2) Change to self alone in same plan.	Election for self and family for uniform plan or private health benefits plan.	Do.
(3) Change to private health benefits plan for self alone or self and family.	Election for self alone or self and family for uniform plan.	Do.
(4) Change to self and family in same plan.	Election for self alone for uniform or private health benefits plan.	First day of fourth month following the month in which notice is received by retirement system. Changes in withholdings and contributions are effective for annuity or compensation accruing for the third month following month in which notice is received by the retirement system.
(5) Change to self alone or self and family for uniform plan or private health benefits plan.	Election not to participate	Do.

[33 FR 12516, Sept. 4, 1968, as amended at 43 FR 35018, Aug. 8, 1978]

Subpart C—Suspension and Termination

§ 891.301 Suspension and termination.

(a) When used in this section, ''month'' includes the 4-week period for which a retired employee (other than a survivor) receives compensation.

(b) When compensation is entirely suspended or annuity is entirely waived or suspended, Government contributions are suspended. If the election is to subscribe to the uniform plan, and the annuity or compensation is suspended, or the annuity is waived

to the extent that the retired employee's share of the cost cannot be withheld, withholdings and Government contributions are suspended, but the subscription continues.

(c) If the waiver or suspension covers 3 months or less, Government contributions and withholdings for the period of waiver or suspension shall be made when annuity payment is resumed. If the waiver or suspension covers more than 3 months, the retired employee's election is terminated effective at the end of the third month of waiver or suspension. A terminated election is renewed when annuity or compensation payment is resumed. When a terminated election is renewed pursuant to this paragraph, withholdings and Government contributions shall be made for the first 3 months of the waiver or suspension. Withholdings and Government contributions shall be made for annuity or compensation accruing after the election is renewed.

(d) If title of a retired employee to annuity or compensation is terminated, his eligibility under this part is terminated.

(e) If the eligibility of a retired employee is terminated and other members of the same family continue to be eligible under this part, the election of the former retired employee continues for the remainder of the family unless and until changed in accordance with § 891.202.

Subpart D—Contributions and Withholdings

§ 891.401 Government contributions.

(a) *For retired employees and survivors receiving an annuity.*

(1) Each month, an amount equal to the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) for such month shall be paid by the Office of Personnel Management, through the appropriate retirement office, to each retired employee or survivor who:

(i) Is in receipt of annuity for such month;

(ii) Is eligible for coverage under this part; and

(B) Supplementary medical insurance under Medicare.

(2) Each month, an amount equal to the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) for such month shall be contributed, by the Office of Personnel Management, for each retired employee or survivor who is in receipt of annuity and who has elected to enroll for self-only in the uniform plan.

(3) Each month, an amount equal to twice the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) for such month shall be paid by the Office of Personnel Management, through the appropriate retirement office, for each retired employee or survivor who:

(i) Is in receipt of an annuity for such month;

(ii) Is eligible for coverage under this part; and

(iii) Elects to receive a Government contribution toward the cost of coverage for self and family under:

(A) A private plan or plans; or

(4) Each month, an amount equal to twice the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) for such month shall be contributed, by the Office of Personnel Management, for each retired employee or survivor who is in receipt of annuity and who has elected to enroll for self and family in the uniform plan.

(b) *For retired employees and survivors receiving compensation.*

(1) For each retired employee or survivor who is in receipt of compensation and who meets the requirements of paragraph (a)(1) of this section, other than the requirement of being in receipt of an annuity, the Office of Personnel Management shall contribute,

through the Office of Workers' Compensation Programs, an amount equal to 93⅓ percent of the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) rounded to the nearest cent, counting one-half cent and over as a whole cent, for each 4-week period in which payment of such compensation is made.

(2) For each retired employee or survivor who is in receipt of compensation and who has elected to enroll for self-only in the uniform plan, the Office of Personnel Management shall contribute, during each 4-week period in which payment of such compensation is made, an amount equal to 93⅓ percent of the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) rounded to the nearest cent, counting one-half cent and over as a whole cent.

(3) For each retired employee or survivor who is in receipt of compensation and who meets the requirements of paragraph (a)(3) of this section, other than the requirement of being in receipt of an annuity, the Office of Personnel Management shall contribute, through the Office of Workers' Compensation Programs, an amount equal to 186⅔ percent of the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) rounded to the nearest cent, counting one-half cent and over as a whole cent, for each 4-week period in which payment of such compensation is made.

(4) For each retired employee or survivor who is receiving compensation and has elected to enroll for self and family in the uniform plan, the Office of Personnel Management shall contribute, during each 4-week period in which payment of such compensation is made, an amount equal to 186⅔ percent of the current monthly premium paid by an individual for supplementary insurance under title XVIII of the Social Security Act (Medicare) rounded to the nearest cent, counting one-half cent and over as a whole cent.

(5) If the current monthly rate for supplementary medical insurance under Medicare changes to a new rate within a 4-week period in which compensation is paid, the amount to be contributed for that 4-week period will be a prorated amount determined by:

(i) Multiplying the number of days in the 4-week pay period occurring at the former monthly rate (the rate in effect at the beginning of the pay period) by the former rate for a 4-week pay period;

(ii) Multiplying the number of days in the 4-week pay period occurring at the new rate (the rate in effect at the end of the 4-week pay period) by the new 4-week rate;

(iii) Adding the products of paragraphs (b)(5) (i) and (ii) of this section; and

(iv) Dividing the sum by 28 and rounding to the nearest cent, counting one-half cent and over as a whole cent.

(c) So that the Government contribution provided under this section is paid or contributed in advance, it shall be included in the payment of annuity or compensation for the month or pay period immediately preceding the month or pay period for which the Government contribution is due.

(d) An election to subscribe to the uniform plan constitutes an agreement by the retired employee or survivor that the retirement office may withhold from his or her annuity or compensation his or her share of the cost of the plan, as provided by this part.

(e) The Government shall contribute to the Retired Federal Employees Health Benefits Fund two percent of the total Government contribution authorized by this section for payment of expenses incurred by the Office of Personnel Management in administering this part.

§ 891.402 Withholdings.

The appropriate retirement office shall withhold from the annuity or compensation of each of its retired employees who has elected to subscribe to the uniform plan so much as is necessary to pay his share of the cost of his subscription. § 900.401 Purpose.

The purpose of this subpart is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereafter referred to as title VI) to the end that a person in the United States shall not, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under a program or activity receiving Federal financial assistance from OPM.

§ 900.402 Application of this subpart.

(a) This subpart applies to each program for which Federal financial assistance is authorized under a law administered by OPM, including the federally assisted programs listed in appendix A to this subpart. It also applies to money paid, property transferred, or other Federal financial assistance extended under a program after the effective date of this subpart pursuant to an application approved before that effective date. This subpart does not apply to:

(1) Federal financial assistance by way of insurance or guaranty contracts;

(2) Money paid, property transferred, or other assistance extended under a program before the effective date of this subpart, except when the assistance was subject to the title VI regulations of an agency whose responsibilities are now exercised by OPM;

(3) Assistance to any individual who is the ultimate beneficiary under a program; or

(4) Employment practices, under a program, of an employer, employment agency, or labor organization, except to the extent described in § 900.404(c).

The fact that a program is not listed in appendix A to this subpart does not mean, if title VI is otherwise applicable, that the program is not covered. Other programs under statutes now in force or hereinafter enacted may be added to appendix A to this subpart.

(b) In a program receiving Federal financial assistance in the form, or for the acquisition, of real property or an interest in real property, to the extent that rights to space on, over, or under that property are included as part of the program receiving that assistance, the nondiscrimination requirement of this subpart extends to a facility located wholly or in part in that space.

§ 900.403 Definitions.

Unless the context requires otherwise, in this subpart:

(a) *Applicant* means a person who submits an application, request, or plan required to be approved by OPM, or by a primary recipient, as a condition to eligibility for Federal financial assistance, and *application* means that application, request, or plan.

(b) *Facility* includes all or any part of structures, equipment, or other real or personal property or interests therein, and the provision of facilities includes the construction, expansion, renovation, remodeling, alteration, or acquisition of facilities.

(c) *Federal financial assistance* includes:

(1) Grants and loans of Federal funds;

(2) The grant or donation of Federal property and interests in property;

(3) The detail of Federal personnel;

(4) The sale and lease of, and the permission to use (on other than a casual or transient basis), Federal property or any interest in the property without consideration or at a nominal consideration, or at a consideration which is reduced for the purpose of assisting the recipient, or in recognition of the public interest to be served by the sale or lease to the recipient; and

(5) A Federal agreement, arrangement, or other contract which has as one of its purposes the provision of assistance.

(d) *Primary recipient* means a recipient that is authorized or required to

extend Federal financial assistance to another recipient for the purpose of carrying out a program.

(e) *Program* includes a program, project, or activity for the provision of services, financial aid, or other benefits to individuals (including education or training or other services whether provided through employees of the recipient of Federal financial assistance or provided by others through contracts or other arrangements with the recipient, and including work opportunities), or for the provision of facilities for furnishing services, financial aid, or other benefits to individuals. The services, financial aid, or other benefits provided under a program receiving Federal financial assistance are deemed to include a service, financial aid, or other benefits provided with the aid of Federal financial assistance or with the aid of any non-Federal funds, property, or other resources required to be expended or made available for the program to meet the matching requirements or other conditions which must be met in order to receive the Federal financial assistance, and to include services, financial aid, or other benefits provided in or through a facility provided with the aid of Federal financial assistance or non-Federal resources.

(f) *Recipient* may mean any State, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, or any political subdivision thereof, or instrumentality thereof, any public or private agency, institution, or organization, or other entity, or any individual in any State, the District of Columbia, the Commonwealth of Puerto Rico, or territory or possession of the United States, to whom Federal financial assistance is extended, directly or through another recipient, for any program, including any successor, assignee, or transferee thereof, but the term does not include any ultimate beneficiary under a program.

(g) *Director* means the Director of the Office of Personnel Management, or any person to whom he has delegated his authority in the matter concerned.

§ 900.404 Discrimination prohibited.

(a) *General.* A person in the United States shall not, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or obe otherwise subjected to discrimination under, a program to which this subpart applies.

(b) *Specific discriminatory actions prohibited.* (1) A recipient under a program to which this subpart applies may not, directly or through contractual or other arrangements, on the ground of race, color, or national origin—

(i) Deny a person a service, financial aid, or other benefit provided under the program;

(ii) Provide a service, financial aid, or other benefit to a person which is different, or is provided in a different manner, from that provided to others under the program;

(iii) Subject a person to segregation or separate treatment in any matter related to his receipt of a service, financial aid, or other benefit under the program;

(iv) Restrict a person in any way in the enjoyment of an advantage or privilege enjoyed by others receiving a service, financial aid, or other benefit under the program;

(v) Treat a person differently from others in determining whether he satisfies an admission, enrollment, quota, eligibility, membership, or other requirement or condition which persons must meet in order to be provided a service, financial aid, or other benefit provided under the program; or

(vi) Deny a person an opportunity to participate in the program through the provision of services or otherwise or afford him an opportunity to do so which is different from that afforded others under the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under a program or the class of persons to whom, or the situations in which, the services, financial aid, other benefits, or facilities will be provided under a program, or the class of persons to be afforded an opportunity to participate in a program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the

effect of subjecting persons to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program with respect to individuals of a particular race, color, or national origin.

(3) As used in this section, the services, financial aid, or other benefits provided under a program receiving Federal financial assistance include a service, financial aid, or other benefit provided in or through a facility provided with the aid of Federal financial assistance.

(4) The enumeration of specific forms of prohibited discrimination in this paragraph does not limit the generality of the prohibition in paragraph (a) of this section.

(5) Examples demonstrating the application of the provisions of this section to certain programs receiving Federal financial assistance from OPM are contained in appendix C of this subpart.

(6) (i) In administering a program regarding which the recipient had previously discriminated against persons on the ground of race, color, or national origin, the recipient shall take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of prior discrimination a recipient in administering a program shall take affirmative action as required by OPM to overcome the effect of conditions which resulted in limiting participation by persons of a particular race, color, or national origin.

(iii) Any affirmative action under this paragraph shall be consistent with the principles stated in the Intergovernmental Personnel Act of 1970, 84 Stat. 1909.

(c) *Employment practices.* (1) When a primary objective of a program of Federal financial assistance to which this subpart applies is to provide employment, a recipient or other party subject to this subpart shall not, directly or through contractual or other arrangements, subject a person to discrimination on the ground of race, color, or national origin in its employment practices under the program (including recruitment or recruitment advertising, hiring, firing, upgrading, promotion, demotion, transfer, layoff, termination, rates of pay, or other forms of compensation or benefits, selection for training or apprenticeship, use of facilities, and treatment of employees). A recipient shall take affirmative action to insure that applicants are employed, and employees are treated during employment, without regard to race, color, or national origin. The requirements applicable to construction employment under a program are those specified in or pursuant to Part III of Executive Order 11246 or any Executive order which supersedes it.

(2) Federal financial assistance to programs under laws funded or administered by OPM which have as a primary objective the providing of employment include those set forth in appendix B to this subpart.

(3) In regard to Federal financial assistance which does not have providing employment as a primary objective, the provisions of paragraph (c)(1) of this section apply to the employment practices of the recipient if discrimination on the ground of race, color, or national origin in the employment practices tends, on the ground of race, color, or national origin, to exclude persons from participation in, to deny them the benefits of, or to subject them to discrimination under, the program receiving Federal financial assistance. The provisions of paragraph (c)(1) of this section apply to the extent necessary to assure equality of opportunity to and nondiscriminatory treatment of beneficiaries.

(d) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under, a program to which this subpart applies, on the ground of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishments of the objectives of title VI or this subpart.

§ 900.405 Assurances required.

(a) *General.* (1) An application for Federal financial assistance to carry out a program to which this subpart

applies, except a program to which paragraph (d) of this section applies, and every application for Federal financial assistance to provide a facility shall, as a condition to its approval and the extension of Federal financial assistance pursuant to the application, contain or be accompanied by, assurances that the program will be conducted or the facility operated in compliance with the requirements imposed by or pursuant to this subpart. Every program of Federal financial assistance shall require the submission of these assurances. In the case where the Federal financial assistance is to provide or is in the form of personal property, or real property or interest therein or structures thereon, the assurances shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In other cases, the assurances obligate the recipient for the period during which the Federal financial assistance is extended to the program. In the case where the assistance is sought for the construction of a facility or part of a facility, the assurances shall extend to the entire facility and to the facilities operated in connection therewith. OPM shall specify the form of the foregoing assurances for each program, and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants in the program. The assurances shall include provisions which give the United States the right to seek judicial enforcement.

(2) When Federal financial assistance is provided in the form of a transfer of real property, structures, or improvements thereon, or interest therein, from the Federal Government, the instrument effecting or recording the transfer shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. When no transfer of property or interest therein from the Federal Government is involved, but property is acquired or improved under a program of Federal financial assistance, the recipient shall agree to include a covenant in any subsequent transfer of the property. When the property is obtained from the Federal Government, the covenant may also include a condition coupled with a right to be reserved by OPM to revert title to the property in the event of a breach of the covenant where, in the discretion of OPM, such a condition and right of reverter is appropriate to the program under which the real property is obtained and to the nature of the grant and the grantee. In the event a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on property for the purposes for which the property was transferred, OPM may agree, on request of the transferee and if necessary to accomplish the financing, and on conditions as he deems appropriate, to subordinate a right of reversion to the lien of a mortgage or other encumbrance.

(b) *Assurances from government agencies.* In the case of an application from a department, agency, or office of a State or local government for Federal financial assistance for a specified purpose, the assurance required by this section shall extend to any other department, agency, or office of the same governmental unit if the policies of the other department, agency, or office will substantially affect the project for which Federal financial assistance is requested. That requirement may be waived by the responsible OPM official if the applicant establishes, to the satisfaction of the responsible OPM official, that the practices in other agencies or parts or programs of the governmental unit will in no way affect (1) its practices in the program for which Federal financial assistance is sought, or (2) the beneficiaries of or participants in or persons affected by the program, or (3) full compliance with this subpart as respects the program.

(c) *Assurance from academic and other institutions.* (1) In the case of an application for Federal financial assistance by an academic institution, the assurance required by this section extends to admission practices and to all other practices relating to the treatment of students.

(2) The assurance required by an academic institution, detention or correctional facility, or any other institution or facility, relating to the institution's practices with respect to admission or other treatment of individuals as students, patients, wards, inmates, persons subject to control, or clients of the institution or facility or to the opportunity to participate in the provision of services, disposition, treatment, or benefits to these individuals, is applicable to the entire institution or facility unless the applicant establishes, to the satisfaction of the responsible OPM official, that the practices in designated parts or programs of the institution or facility will in no way affect its practices in the program of the institution or facility for which Federal financial assistance is sought, or the beneficiaries of or participants in the program. If the assistance sought is for the construction of a facility or part of a facility, the assurance shall extend to the entire facility and to facilities operated in connection therewith.

(d) *Continuing State programs.* Every application by a State or a State agency to carry out a program involving continuing Federal financial assistance to which this subpart applies (including the programs listed in appendix A to this subpart) shall as a condition to its approval and the extension of Federal financial assistance pursuant to the application (1) contain or be accompanied by a statement that the program is (or, in the case of a new program, will be) conducted in compliance with the requirements imposed by or pursuant to this subpart, and (2) provide or be accompanied by provision for methods of administration for the program as are found by OPM to give reasonable guarantee that the applicant and all recipients of Federal financial assistance under the program will comply with the requirements imposed by or pursuant to this subpart.

§ 900.406 Compliance information.

(a) *Cooperation and assistance.* OPM, to the fullest extent practicable, shall seek the cooperation of recipients in obtaining compliance with this subpart and shall provide assistance and guidance to recipients to help them comply voluntarily with this subpart.

(b) *Compliance reports.* Each recipient shall keep records and submit to OPM timely, complete, and accurate compliance reports at the times, and in the form and containing the information OPM may determine necessary to enable it to ascertain whether the recipient has complied or is complying with this subpart. In the case of a program under which a primary recipient extends Federal financial assistance to other recipients, the other recipients shall also submit compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this subpart.

(c) *Access to sources of information.* Each recipient shall permit access by OPM during normal business hours to its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this subpart. When information required of a recipient is in the exclusive possession of another agency, institution, or person and this agency, institution, or person fails or refuses to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons the information regarding the provisions of this subpart and its applicability to the program under which the recipient received Federal financial assistance, and make this information available to them in the manner, as OPM finds necessary, to apprise the persons of the protections against discrimination assured them by title VI and this subpart.

§ 900.407 Conduct of investigations.

(a) *Periodic compliance reviews.* OPM may from time to time review the practices of recipients to determine

whether they are complying with this subpart.

(b) *Complaints.* Any person who believes himself or any specific class of persons to be subjected to discrimination prohibited by this subpart may by himself or by a representative file with the Director, Office of Personnel Management a written complaint. A complaint shall be filed not later than 90 days after the date of the alleged discrimination, unless the time for filing is extended by OPM.

(c) *Investigations.* OPM will make a prompt investigation whenever a compliance review, report, complaint, or other information indicates a possible failure to comply with this subpart. The investigation will include, when appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this subpart occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this subpart.

(d) *Resolution of matters.* (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this subpart, OPM will so inform the recipient and the matter will be resolved by voluntary means whenever possible. If it has been determined that the matter cannot be resolved by voluntary means, action will be taken as provided for in § 900.408.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section, OPM will so inform, in writing, the recipient and the complainant, if any.

(e) *Intimidatory or retaliatory acts prohibited.* A recipient or other person shall not intimidate, threaten, coerce, or discriminate against an individual for the purpose of interfering with a right or privilege secured by section 601 of title VI or this subpart, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this subpart. The identity of complainants shall be kept confidential; except to the extent necessary to carry out the purposes of this subpart, including the conduct of an investigation, hearing, or judicial proceeding arising thereunder.

§ 900.408 Procedure for effecting compliance.

(a) *General.* (1) If there appears to be a failure or threatened failure to comply with this subpart, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this subpart may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by other means authorized by law.

(2) Other means may include, but are not limited to, (i) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce the rights of the United States under a law of the United States (including other titles of the Civil Rights Act of 1964), or an assurance or other contractual undertaking, and (ii) an applicable proceeding under State or local law.

(b) *Noncompliance with § 900.405.* If an applicant fails or refuses to furnish an assurance required under § 900.405 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. OPM shall not be required to provide assistance in that case during the pendency of the administrative proceedings under this paragraph. Subject, however, to § 900.412, OPM shall continue assistance during the pendency of the proceedings where the assistance is due and payable pursuant to an application approved prior to the effective date of this subpart.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.* An order suspending, terminating, or refusing to grant or to continue Federal financial assistance shall not become effective until—

(1) OPM has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by informal voluntary means;

(2) There has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this subpart;

(3) The action has been approved by the Office of Personnel Management pursuant to § 900.410(e); and

(4) The expiration of 30 days after the Director, Office of Personnel Management has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for the action.

An action to suspend or terminate or refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which the noncompliance has been so found.

(d) *Other means authorized by law.* An action to effect compliance with title VI by other means authorized by law shall not be taken by OPM until—

(1) OPM has determined that compliance cannot be secured by voluntary means;

(2) The recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance; and

(3) The expiration of at least 10 days from the mailing of a notice to the recipient or person. During this period of at least 10 days, additional efforts shall be made to persuade the recipient or other person to comply with the regulation and to take corrective action as may be appropriate.

§ 900.409 Hearings.

(a) *Opportunity for hearing.* When an opportunity for a hearing is required by § 900.408(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of notice within which the applicant or recipient may request of OPM that the matter be scheduled for hearing or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated time and place. The time and place so fixed shall be reasonable and subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set is deemed to be a waiver of the right to a hearing under section 602 of title VI and § 900.408(c) and consent to the making of a decision on the basis of the information as is available.

(b) *Time and place of hearing.* Hearings shall be held at the offices of OPM in Washington, DC, at a time fixed by OPM unless it determines that the convenience of the applicant or recipient or of OPM requires that another place be selected. Hearings shall be held before the Director of Office of Personnel Management, or at his/her discretion, before a hearing examiner appointed in accordance with section 3105 of title 5, United States Code, or detailed under section 3344 of title 5, United States Code.

(c) *Right to counsel.* In all proceedings under this section, the applicant or recipient and OPM have the right to be represented by counsel.

(d) *Procedures, evidence, and record.* (1) The hearing, decision, and an administrative review thereof shall be conducted in conformity with sections 554 through 557 of title 5, United States Code, and in accordance with the rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both OPM and the applicant or recipient are entitled to introduce relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence do not apply to hearings conducted pursuant

to this subpart, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where determined reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. Documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. Decisions shall be based on the hearing record and written findings shall be made.

(e) *Consolidated or joint hearings.* In cases in which the same or related facts are asserted to constitute noncompliance with this subpart with respect to two or more programs to which this subpart applies, or noncompliance with this subpart and the regulations of one or more other Federal departments or agencies issued under title VI, OPM may, by agreement with the other departments or agencies, when applicable, provide for the conduct of consolidated or joint hearings, and for the application to these hearings of rules or procedures not inconsistent with this subpart. Final decisions in these cases, insofar as this regulation is concerned, shall be made in accordance with § 900.410.

§ 900.410 Decisions and notices.

(a) *Procedure on decisions by hearing examiner.* If the hearing is held by a hearing examiner, the hearing examiner shall either make an initial decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the Director of Office of Personnel Management, for a final decision, and a copy of the initial decision or certification shall be mailed to the applicant or recipient. When the initial decision is made by the hearing examiner, the applicant or recipient may, within 30 days after the mailing of a notice of initial decision, file with the Director of Office of Personnel Management his exceptions to the initial decision, with his reasons therefore. In the absence of exceptions, the Director, Office of Personnel Management may, on his/her own motion, within 45 days after the initial decision, serve on the applicant or recipient a notice that he/she will review the decision. On the filing of the exceptions or of notice of review, the Director, Office of Personnel Management shall review the initial decision and issue his/her own decision thereon including the reasons therefor. In the absence of either exceptions or a notice of review the initial decision, subject to paragraph (e) of this section, shall constitute the final decision of OPM.

(b) *Decisions on record or review by the Office of Personnel Management.* When a record is certified to the Office of Personnel Management for decision or the Office of Personnel Management reviews the decision of a hearing examiner pursuant to paragraph (a) of this section, or when the Office of Personnel Management conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file with it briefs or other written statements of the recipient's contentions, and a written copy of the final decision of the Office of Personnel Management will be sent to the applicant or recipient and to the complainant, if any.

(c) *Decisions on record where a hearing is waived.* When a hearing is waived pursuant to § 900.409, a decision shall be made by the Office of Personnel Management on the record and a written copy of the decision shall be sent to the applicant or recipient, and to the complainant, if any.

(d) *Rulings required.* Each decision of a hearing examiner or the Office of Personnel Management shall set forth a ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this subpart with which it is found that the applicant or recipient has failed to comply.

(e) *Approval by OPM.* A final decision by an official of OPM other than by the Director, which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under this subpart or title VI, shall promptly be

transmitted to the Director, Office of Personnel Management, who may approve the decision, vacate it, or remit or mitigate a sanction imposed.

(f) *Content of orders.* The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, under the program involved, and may contain the terms, conditions, and other provisions as are consistent with and will effectuate the purposes of title VI and this subpart, including provisions designed to assure that Federal financial assistance will not thereafter be extended under the programs to the applicant or recipient determined by the decision to be in default in its performance of an assurance given by it under this subpart, or to have otherwise failed to comply with this subpart, unless and until it corrects its noncompliance and satisfies OPM that it will fully comply with this subpart.

(g) *Post termination proceedings.* (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of the order for eligibility, or if it brings itself into compliance with this subpart and provides reasonable assurance that it will fully comply with this subpart.

(2) An applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request the Director, Office of Personnel Management to restore fully its eligibility to receive Federal financial assistance. A request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If the Director, Office of Personnel Management determines that those requirements have been satisfied, he/she shall restore the eligibility.

(3) If OPM denies a request, the applicant or recipient may submit a request for hearing in writing, specifying why it believes OPM is in error. The applicant or recipient shall be given an expeditious hearing, with a decision on the record in accordance with the rules or procedures issued by OPM. The applicant or recipient shall be restored to eligibility if it proves at the hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section remain in effect.

§ 900.411 Judicial review.

Action taken pursuant to section 602 of title VI is subject to judicial review as provided in section 603 of title VI.

§ 900.412 Effect on other regulations, forms, and instructions.

(a) *Effect on other regulations.* Regulations, orders, or like directions issued before the effective date of this subpart by OPM which impose requirements designed to prohibit discrimination against individuals on the ground of race, color, or national origin under a program to which this subpart applies, and which authorizes the suspension or termination of or refusal to grant or to continue Federal financial assistance to an applicant for or recipient of assistance under a program for failure to comply with the requirements, are superseded to the extent that discrimination is prohibited by this subpart, except that nothing in this subpart relieves a person of an obligation assumed or imposed under a superseded regulation, order, instruction, or like direction, before the effective date of this subpart. This subpart does not supersede any of the following (including future amendments thereof): (1) Executive Order 11246 (3 CFR, 1965 Supp.) and regulations issued thereunder or (2) any other orders, regulations, or instructions, insofar as these orders, regulations, or instructions prohibit discrimination on the ground of race, color, or national origin in a program or situation to which this subpart is inapplicable, or prohibit discrimination on any other ground.

(b) *Forms and instructions.* OPM shall issue and promptly make available to all interested persons forms and detailed instructions and procedures for effectuating this subpart as applied to programs to which this subpart applies, and for which it is responsible.

(c) *Supervision and coordination.* The Director, Office of Personnel Management may from time to time assign to officials of OPM, or to officials of other departments or agencies of the Government with the consent of the departments or agencies, responsibilities in connection with the effectuation of the purposes of title VI and this subpart (other than responsibilities for final decision as provided in §900.410), including the achievement of effective coordination and maximum uniformity within OPM and within the executive branch in the application of title VI and this subpart to similar programs and in similar situations. An action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this paragraph shall have the same effect as though the action had been taken by OPM.

Subpart E—[Reserved]

Subpart F—Standards for a Merit System of Personnel Administration

AUTHORITY: 42 U.S.C. 4728, 4763; E.O. 11589, 3 CFR part 557 (1971–1975 Compilation).

SOURCE: 48 FR 9210, Mar. 4, 1983, unless otherwise noted.

§900.601 Purpose.

(a) The purpose of these regulations is to implement provisions of title II of the Intergovernmental Personnel Act of 1970, as amended, relating to Federally required merit personnel systems in State and local agencies, in a manner that recognizes fully the rights, powers, and responsibilities of State and local governments and encourages innovation and allows for diversity among State and local governments in the design, execution, and management of their systems of personnel administration, as provided by that Act.

(b) Certain Federal grant programs require, as a condition of eligibility, that State and local agencies that receive grants establish merit personnel systems for their personnel engaged in administration of the grant-aided program. These merit personnel systems are in some cases required by specific Federal grant statutes and in other cases are required by regulations of the Federal grantor agencies. Title II of the Act gives the U.S. Office of Personnel Management authority to prescribe standards for these Federally required merit personnel systems.

§900.602 Applicability.

(a) Sections 900.603–604 apply to those State and local governments that are required to operate merit personnel systems as a condition of eligibility for Federal assistance or participation in an intergovernmental program. Merit personnel systems are required for State and local personnel engaged in the administration of assistance and

other intergovernmental programs, irrespective of the source of funds for their salaries, where Federal laws or regulations require the establishment and maintenance of such systems. A reasonable number of positions, however, may be exempted from merit personnel system coverage.

(b) Section 900.605 applies to Federal agencies that operate Federal assistance or intergovernmental programs.

§ 900.603 Standards for a merit system of personnel administration.

The quality of public service can be improved by the development of systems of personnel administration consistent with such merit principles as—

(a) Recruiting, selecting, and advancing employees on the basis of their relative ability, knowledge, and skills, including open consideration of qualified applicants for initial appointment.

(b) Providing equitable and adequate compensation.

(c) Training employees, as needed, to assure high quality performance.

(d) Retaining employees on the basis of the adequacy of their performance, correcting inadequate performance, and separating employees whose inadequate performance cannot be corrected.

(e) Assuring fair treatment of applicants and employees in all aspects of personnel administration without regard to political affiliation, race, color, national origin, sex, religious creed, age or handicap and with proper regard for their privacy and constitutional rights as citizens. This ''fair treatment'' principle includes compliance with the Federal equal employment opportunity and nondiscrimination laws.

(f) Assuring that employees are protected against coercion for partisan political purposes and are prohibited from using their official authority for the purpose of interfering with or affecting the result of an election or a nomination for office.

§ 900.604 Compliance.

(a) *Certification by Chief Executives.* (1) Certification of agreement by a chief executive of a State or local jurisdiction to maintain a system of personnel administration in conformance with these Standards satisfies any applicable Federal merit personnel requirements of the Federal assistance or other programs to which personnel standards on a merit basis are applicable.

(2) Chief executives will maintain these certifications and make them available to the Office of Personnel Management.

(3) In the absence of certification by the chief executive, compliance with the Standards may be certified by the heads of those State and local agencies that are required to have merit personnel systems as a condition of Federal assistance or other intergovernmental programs.

(b) *Resolution of Compliance Issues.* (1) Chief executives of State and local jurisdictions operating covered programs are responsible for supervising compliance by personnel systems in their jurisdictions with the Standards. They shall resolve all questions regarding compliance by personnel systems in their jurisdictions with the Standards. Findings and supporting documentation with regard to specific compliance issues shall be maintained by the chief executive, or a personal designee, and shall be forwarded, on request, to the Office of Personnel Management.

(2) The merit principles apply to systems of personnel administration. The Intergovernmental Personnel Act does not authorize OPM to exercise any authority, direction or control over the selection, assignment, advancement, retention, compensation, or other personnel action with respect to any individual State or local employee.

(3) if a chief executive is unable to resolve a compliance issue to the satisfaction of the Office of Personnel Management, the Office will assist the chief executive in resolving the issue. The Office of Personnel Management, as authorized by section 208 of the Intergovernmental Personnel Act, will determine whether personnel systems are in compliance with the Standards and will advise Federal agencies regarding application of the Standards and recommend actions to carry out

the purpose of the Act. Questions regarding interpretation of the Standards will be referred to the Office of Personnel Management.

[48 FR 9210, Mar. 4, 1983; 48 FR 10801, Mar. 15, 1983]

§ 900.605 Establishing a merit requirement.

Federal agencies may adopt regulations that require the establishment of a merit personnel system as a condition for receiving Federal assistance or otherwise participating in an intergovernmental program only with the prior approval of the Office of Personnel Management. All existing regulations will be submitted to the Office of Personnel Management for review.

§ 900.606 Publication of procedures to implement merit requirements.

Procedures to implement these merit requirements will be specified in the Federal Personnel Manual System and other relevant publications of the Office of Personnel Management.

(b) (1) A recipient, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

(3) A recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration:

(i) That have the effect of subjecting qualified handicapped persons to discrimination on the basis of handicap,

(ii) That have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the recipient's program with respect to handicapped persons, or

(iii) That perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same State.

(b) A recipient shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not necessarily require a recipient to make each of its existing facilities or every part of an existing facility accessible to and usable by handicapped persons. Where structural changes are necessary to make programs or activities in existing facilities accessible, such changes shall be made as soon as practicable, but in no event later than three years after the effective date of the regulation.

(c) A recipient may comply with the requirements of paragraph (b) of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, alteration of facilities or any other methods that result in making its program or activity accessible to handicapped persons. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section.

(d) New facilities shall be designed and constructed to be readily accessible to and usable by handicapped persons. Alterations to existing facilities shall, to the maximum extent feasible, be designed and constructed to be readily accessible to and usable by handicapped persons.

(e) In the event that structural changes to facilities are necessary to meet the requirements of this section, a recipient shall develop within 12 months of the effective date of this subpart a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons.

(f)(1) Effective as of August 23, 1990. Design, construction, or alteration of buildings in conformance with sections 3–8 of the Uniform Federal Accessibility Standards (UFAS) (appendix A to 41 CFR subpart 101–19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their

intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

(a) *General.* (1) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under a program or activity that receives or benefits from Federal financial assistance from OPM.

(2) A recipient shall make all decisions concerning employment under any program or activity to which this subpart applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(3) The prohibition against discrimination in employment applies to the following activities:

(i) Recruitment, advertising, and the processing of applications for employment;

(ii) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;

(viii) Employer sponsored activities, including social or recreational programs; and

(ix) Any other term, condition, or privilege of employment.

(4) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by this subpart. The relationships referred to in this paragraph include relationships with employment and referral agencies, with labor unions, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeship programs.

(b) *Reasonable accommodation.* (1) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee under any program or activity receiving Federal financial assistance from OPM unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program.

(2) Reasonable accommodation may include, but shall not be limited to, making facilities readily accessible to and usable by handicapped persons, acquisition or modification of equipment or devices, appropriate adjustment or modification of examinations, the provision of readers and interpreters, job restructuring and providing part-time or modified work schedules and other similar actions.

(3) In determining pursuant to paragraph (b)(1) of this section whether an accommodation would impose an undue hardship on the operation of the recipient in question, factors to be considered by OPM include:

(i) The overall size of the recipient's program with respect to the number of employees, number and type of facilities and size of budget;

(ii) The type of operation, including the composition and structure of the work force; and

(iii) The nature and the cost of the accommodation.

(c) *Employment criteria.* (1) A recipient involved in activities receiving Federal financial assistance may not make use

of any employment test or other selection criterion that screens out or tends to screen out handicapped persons or any class of handicapped persons in any program or activity that receives Federal financial assistance unless the test score or other selection criterion, as used by the recipient, is shown to be job-related for the position in question and alternative job-related tests or criteria that do not screen out as many handicapped persons are not shown by the Office of Personnel Management's Personnel Research and Development Center to be available.

(2) A recipient shall select and administer tests concerning employment so as to ensure that, when administered under any program or activity that receives Federal financial assistance from OPM, to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's or employee's ability to perform the duties of the type of position in question rather than reflecting the applicant's or employee's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

(d) *Preemployment inquiries.* (1) Except as provided in paragraph (d)(2) of this section, a recipient, when considering an applicant for employment under any program or activity receiving Federal financial assistance from OPM, may not conduct a preemployment medical examination and may not make preemployment inquiry of an applicant as to whether the applicant is a handicapped person or as to the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant's ability to perform job-related functions.

(2) Nothing in this section shall prohibit an organization from conditioning an offer of employment under any program or activity receiving Federal financial assistance from OPM on the results of a medical examination conducted prior to the employee's entrance on duty: *Provided,* That (i) All entering employees are subjected to such an examination regardless of handicap or when a preemployment medical questionnaire used for positions which do not routinely require medical examination indicates a condition for which further examination is required because of the job-related nature of the condition; and

(ii) The results of such an examination are used in accordance with the requirements of this subpart.

§ 900.707 Certification required.

(a) *General.* Each application to OPM for financial assistance, as a condition to its approval and the extension of financial assistance, shall contain or be accompanied by, a certification from the applicant in a form prescribed by OPM that the program will be conducted in compliance with the requirements of this subpart. The assurance shall obligate the recipient for the period during which the financial assistance is extended to the program.

(b) *Certification from subgrantees.* A certification shall be required of all subgrantees receiving financial assistance from OPM to the effect that all programs or parts thereof carried out by subgrantees shall be in compliance with the requirements of this subpart. The recipient shall be responsible for securing the certification from subgrantees.

§ 900.708 Self-evaluation.

(a) Each recipient shall, within one year of the receipt of financial assistance, conduct or have conducted an evaluation of its compliance with this subpart with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. Each such recipient shall evaluate its current policies and practices and their effects, and modify any that do not meet the requirements of this part. Each such recipient shall permit the Office of Personnel Management, during normal business hours, to examine its self-evaluation along with its books, records, accounts, facilities and other sources of information as may be useful to determine whether there has been compliance with this subpart. Self-evaluation required under other Federal programs may be accepted by OPM if the information pertaining to activities receiving financial assistance from OPM is included and the

records are available to OPM representatives.

(b) Each recipient shall modify, after consultation with interested persons and organizations, including handicapped persons, any policies and practices that do not meet the requirements of this subpart; and

(c) Each recipient shall take, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, appropriate remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices.

§ 900.709 Notice and consultation.

(a) Programs and activities receiving OPM financial support shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, that it does not discriminate on the basis of handicap in violation of Section 504 and this subpart.

(b) As appropriate, a recipient shall consult with interested persons, including handicapped persons or organizations representing handicapped persons, in achieving compliance with this subpart.

§ 900.710 Procedure for effecting compliance.

When the Office of Personnel Management determines that a recipient has failed or threatens to fail to comply with this subpart and the noncompliance or threatened noncompliance cannot be corrected by informal means, OPM may suspend or terminate or refuse to grant or continue financial assistance as provided in § 900.408 of title 5 of the Code of Federal Regulations.

§930.102 Definitions.

Identification card means the United States Government Motor Vehicle Operator's Identification Card, Optional Form 346, or an agency-issued identification card that names the types of Government-owned or -leased vehicles the holder is authorized to operate.

Identification document means an official identification form issued by an agency that properly identifies the individual as a Federal employee of the agency.

Motor vehicle means a vehicle designed and operated principally for highway transportation of property or passengers, but does not include a vehicle (a) designed or used for military field training, combat, or tactical purposes; (b) used principally within the confines of a regularly established military post, camp, or depot; or (c) regularly used by an agency in the performance of investigative, law enforcement, or intelligence duties if the head of the agency determines that exclusive control of the vehicle is essential to the effective performance of those duties.

Operator means an employee who is regularly required to operate Government-owned or -leased motor vehicles and is occupying a position officially classified as motor vehicle operator.

Road test means OPM's Test No. 544 or similar road tests developed by Federal agencies to evaluate the competency of prospective operators.

State license means a valid driver's license that would be required for the operation of similar vehicles for other than official Government business by the States, District of Columbia, Puerto Rico, or territory or possession of the United States in which the employee is domiciled or principally employed.

§930.103 Coverage.

This subpart governs agencies in authorizing their employees to operate Government-owned or -leased motor vehicles for official purposes within the States of the Union, the District of Columbia, Puerto Rico, and the territories or possessions of the United States and establishes minimum procedures to ensure the safe and efficient operation of such vehicles.

§930.104 Objectives.

This subpart requires that agencies (a) establish an efficient and effective system to identify those Federal employees who are qualified and authorized to operate Government-owned or -leased motor vehicles while on official Government business; and (b) periodically review the competence and physical qualifications of these Federal employees to operate such vehicles safely.

§930.105 Minimum requirements for competitive and excepted service positions.

(2) Possess a valid State license;

(3) Except as provided in §930.107, pass a road test; and

§930.106 Details in the competitive service.

An agency may detail an employee to an operator position in the competitive service for 30 days or less when the employee possesses a State license. For details exceeding 30 days, the employee must meet all the requirements of §930.105 and any applicable OPM and agency regulations governing such details.

[60 FR 3067, Jan. 13, 1995]

§ 930.107 Waiver of road test.

Under the following conditions, OPM or an agency head or his or her designated representative may waive the road test:

(a) OPM waives the road test requirement for operators of vehicles of one ton load capacity or less who possess a current driver's license from one of the 50 States, District of Columbia, or Puerto Rico, where the employee is domiciled or principally employed, except for operators of buses and vehicles used for: (1) Transportation of dangerous materials; (2) law enforcement; or (3) emergency services.

(b) OPM waives the road test for operators, and agencies may waive the road test for incidental operators of any class of vehicle, who possess a current driver's license for the specific type of vehicle to be operated from one of the 50 States, District of Columbia, or Puerto Rico, where the employee is domiciled or principally employed.

(c) An agency head may waive the road test for operators and incidental operators not covered by paragraphs (a) and (b) of this section, but only when in his or her opinion it is impractical to apply it, and then only for an employee whose competence as a driver has been established by his or her past driving record.

(5 U.S.C. 1104; Pub. L. 95–454, sec. 3(5))

§ 930.108 Periodic medical evaluation.

At least once every 4 years, each agency will ensure that employees who operate Government-owned or leased vehicles are medically able to do so without undue risk to themselves or others. When there is a question about an employee's ability to operate a motor vehicle safely, the employee may be referred for a medical examination in accordance with the provisions of part 339 of this chapter.

[60 FR 3067, Jan. 13, 1995]

(a) At least once every 4 years, each agency will review each employee's authorization to operate Government-owned or -leased motor vehicles.

[50 FR 34669, Aug. 27, 1985, as amended at 60 FR 3067, Jan. 13, 1995]

§ 930.110 Identification of authorized operators and incidental operators.

Agencies must have procedures to identify employees who are authorized to operate Government-owned or -leased motor vehicles. Such procedures must provide for adequate control of access to vehicles and assure that the other requirements of this subpart and the Federal Personnel Manual are met.

§ 930.111 State license in possession.

(e) The employee's State license is suspended. However, the agency may continue the employee in his or her position for operation of Government-owned or -leased motor vehicles on other than public highways for not to exceed 45 days from the date of suspension of the State license.

§ 930.114 Reports required.

An agency will submit to OPM, on request (a) a copy of agency orders and directives issued in compliance with this subpart; and (b) such other reports as OPM may require for adequate administration and evaluation of the motor vehicle operator program.

§ 930.115 Requests for waiver of requirements.

AUTHORITY: 5 U.S.C. 1104(a)(2), 1305, 3105, 3323(b), 3344, 4301(2)(D), 5372, 7521.

SOURCE 52 FR 34203, Sept. 10, 1987, unless otherwise noted.

GENERAL PROVISIONS

§ 930.201 Coverage.

(a) This subpart applies to people appointed under 5 U.S.C. 3105 for proceedings required to be conducted in accordance with 5 U.S.C. 556 and 557, and to administrative law judge positions.

Each employing agency's share of reimbursement shall be based on its relative number of administrative law judges as of March 31 of the preceding fiscal year. OPM will work with employing agencies to review the examination program for effectiveness and efficiency and identify needed improvements, consistent with statutory requirements. Subsequently, OPM will annually compute the cost of the examination program and notify each agency of its share, along with a full accounting of the costs, and payment procedures.

[52 FR 34203, Sept. 10, 1987, as amended at 61 FR 39267, July 29, 1996]

§ 930.202 Definitions.

In this subpart—

(a) *Agency* has the same meaning as given in 5 U.S.C. 551.

(b) *Detail* means the temporary assignment of an employee from one position to another position without change in civil service or pay status. The assignment to an administrative law judge of a case of the level of difficulty that would ordinarily be assigned to an administrative law judge of a different grade does not of itself constitute a detail within the meaning of this subpart.

(c) *Administrative law judge position* means a position in which any portion of the duties includes those which require the appointment of an administrative law judge under 5 U.S.C. 3105.

(d) *Promotion* means a change from a lower to a higher level position.

(e) *Reinstatement* means reemployment authorized on the basis of the appointee's absolute status as administrative law judge after an earlier separation from an administrative law judge position.

(f) *Removal* means discharge of an administrative law judge from the position of administrative law judge or involuntary reassignment, demotion, or promotion to a position other than that of administrative law judge.

[52 FR 34203, Sept. 10, 1987, as amended at 56 FR 6209, Feb. 14, 1991]

§ 930.203 Examination.

(a) *Periodic open competition.* Applicants for entrance into the competitive service as administrative law judges will be examined periodically in open competition as announced by OPM. Applications received by OPM during such periods of open competition will be reviewed as a group.

(b) *Minimum qualifications.* All applicants must demonstrate in their written applications and supporting materials that they meet the qualifying experience requirements in OPM Examination Announcement No. 318.

(c) *Supplemental qualifications.* Applicants who meet minimum qualification requirements will be assigned a score on the supplemental qualifications statement described in the examination announcement.

(d) *Participation in examination procedures.* Applicants who meet minimum qualification requirements and are assigned a score on the supplemental qualifications statement become eligible to compete for a final rating through participating in three additional examination procedures described in the examination announcement:

(1) A written demonstration;

(2) A panel interview; and

(3) A personal reference inquiry.

(e) *Final rating.* Applicants who complete the examination procedures described in paragraphs (c) and (d) of this section will be assigned a final numerical rating based on a weighted sum of the scores for each of the four parts, transmuted to a scale of 0 to 100, with 70 required to pass. For applicants entitled thereto, the final passing score will be augmented by 5 or 10 veteran preference points.

(f) *Preparation of certificates.* As agencies request certificates of applicants from registers to consider in filling vacant administrative law judge positions in various geographic areas, all applicants who are eligible and available for those positions will be ranked to identify the best qualified applicants to be certified. Eligible applicants who have completed the final rating process will be ranked on the basis of assigned final ratings, augmented by veteran preference points if applicable. At least three eligible applicants will be certified to the employing agency for consideration for each vacancy.

(g) *Appeal of rating.* Applicants who obtain an ineligible rating or applicants who are dissatisfied with their final rating may appeal the rating to the Administrative Law Judge Rating Appeals Panel, Office of Personnel Management, Washington, DC 20415, within 30 days after the date of final action by the Office of Administrative Law Judges or such later time as may be allowed by the Panel.

[56 FR 6209, Feb. 14, 1991]

§ 930.203a Appointment.

(a) *Prior approval.* An agency may make an appointment to an administrative law judge position only with the prior approval of OPM, except when it makes its selection from a certificate of eligibles furnished by OPM. When requesting OPM approval of an appointment to an administrative law judge position or the issuance of a certificate of eligibles, the requesting agency must demonstrate that its hearing workload requires the appointment of an additional administrative law judge(s) to get necessary work done. An appointment is subject to investigation in accordance with §§ 731.201 through 731.303 of this chapter and subject to security clearance by the agency.

(b) *Probationary and career-conditional periods.* The requirement of a probationary and career-conditional period before absolute appointment does not apply to an appointment to an administrative law judge position.

(c) *Appointment of incumbents of newly classified administrative law judge positions.* An agency may appoint as an administrative law judge an employee who is serving in a position which is classified as an administrative law judge position on the basis of legislation, Executive order, or decision of a court, if—

(1) The employee has a competitive status or was serving in an excepted position under a permanent appointment;

(2) The employee was serving in the position on the date of the legislation, Executive order, or decision of the

court, on which the classification of the position is based;

(3) OPM receives a recommendation for the employee's appointment from the agency concerned not later than 6 months after classification of the position on the basis of the legislation, Executive order, or decision of the court; and

(4) OPM finds that the employee meets the current examination requirements for the position under OPM Examination Announcement No. 318. In an emergency situation, when the needs of an agency require it, OPM may authorize the conditional appointment of an employee to an administrative law judge position pending final decision on the employee's eligibility for absolute appointment under this paragraph.

(d) *Appointment of legislative and judicial employees.* An agency may appoint a former employee of the legislative or judicial branch to an administrative law judge position if OPM finds that the employee meets current examination requirements under OPM Examination Announcement No. 318 and is otherwise eligible under the provisions of 5 U.S.C. 3304(c).

(e) *Appointment of incumbents of non-administrative law judge positions.* Except as provided in paragraphs (c) and (d) of this section, an agency may not appoint an employee who is serving in a position other than an administrative law judge position to an administrative law judge position other than by selection from a certificate of eligibles furnished by OPM from the open competitive register.

§ 930.203b Title of administrative law judge.

The title ''administrative law judge'' is the official class title for an administrative law judge position. Each agency will use only this official class title for personnel, budget, and fiscal purposes.

§ 930.204 Promotion.

(a) When OPM places an occupied administrative law judge position at a higher level, OPM will direct the promotion of the incumbent administrative law judge. The promotion will be effective on the date named by OPM.

(b) When OPM places one of an agency's administrative law judge positions at a higher level on the basis of the position's managerial and administrative nature, an agency may promote one of its administrative law judges to such a position, provided the selection and/or promotion is in accordance with regular civil service procedures.

[56 FR 6209, Feb. 14, 1991]

§ 930.205 Reassignment.

An agency may reassign an administrative law judge who is serving under absolute appointment from one administrative law judge position to another administrative law judge position at the same grade in the same agency, with the prior approval of OPM on a noncompetitive basis, provided the assignment is for bona fide management reasons and in accordance with regular civil service procedures and merit system principles.

§ 930.206 Transfer.

(a) An agency may transfer an administrative law judge from another agency with the prior approval of OPM on a noncompetitive basis in accordance with regular civil service procedures, provided the administrative law judge meets all current examination requirements for appointment as an administrative law judge under OPM Examination Announcement No. 318.

(b) An agency may not transfer a person from one administrative law judge position to another administrative law judge position under paragraph (a) of this section sooner than 1 year after the person's last appointment, unless the gaining and losing agencies agree to the transfer.

[56 FR 6209, Feb. 14, 1991]

§ 930.207 Reinstatement.

An agency may reinstate former administrative law judges who have served with absolute status under 5 U.S.C. 3105 only after they have established their eligibility in accordance with all current examination requirements of OPM Examination Announcement No. 318. Reinstatement is subject to investigation by, and the prior approval of, OPM.

[56 FR 6209, Feb. 14, 1991]

§ 930.208 Restoration.

Parts 352 and 353 of this chapter governing reemployment rights and restoration to duty after military service or recovery from compensable injury, also apply to reemployment and restoration to administrative law judge positions.

§ 930.209 Detail and assignment to other duties.

(a) An agency may not detail an employee who is not an administrative law judge to an administrative law judge position.

(b) An agency may assign an administrative law judge (by detail or otherwise) to perform duties that are not the duties of an administrative law judge without prior approval of OPM only when—

(1) The other duties are not inconsistent with the duties and responsibilities of an administrative law judge;

(2) The assignment is to last no longer than 120 days; and

(3) The administrative law judge has not had an aggregate of more than 120 days of those assignments or details within the preceding 12 months.

(c) On a showing by an agency that it is in the public interest to do so, OPM may authorize a waiver of paragraphs (b) (2) and (3) of this section.

(d) An agency may detail an administrative law judge from one administrative law judge position to another in the same agency, without the prior approval of OPM, provided the detail is in accordance with regular civil service procedures.

§ 930.210 Pay.

(a) OPM will place each administrative law judge position in one of the three grades or levels of basic pay, AL–3, AL–2 or AL–1, of the Administrative Law Pay System established for such positions under 5 U.S.C. 5372 in accordance with the regulations and procedures in this section. AL–3 will have six rates of basic pay, A, B, C, D, E, and F, ranging respectively in 5 percent intervals from 65 percent of level IV of the Executive Schedule (EX–IV) to 90 percent of EX–IV. AL–2 will have one rate of basic pay equal to 95 percent of EX–IV. AL–1 will have one rate of basic pay equal to 100 percent of EX–IV.

(b) An agency may not grant a monetary and honorary award under 5 U.S.C. 4503 for superior accomplishment by an administrative law judge in the performance of adjudicatory functions.

(c) AL–3 is the basic pay level for administrative law judge positions filled through competitive examination under OPM Examination Announcement No. 318, as provided in section 930.203 of this part.

(d) Subject to the approval of OPM, agencies may establish administrative law judge positions at pay levels AL–2 and AL–1. Administrative law judge positions may be placed at such levels when they involve significant administrative and managerial responsibilities.

(e) Judges must serve at least 1 year in each AL level, in an equivalent or higher level in positions in the Federal service, before advancing to the next higher level and may advance only one level at a time.

(f) Except as provided in paragraph (g) of this section, upon appointment to an administrative law judge position placed in AL–3, an administrative law judge shall be paid at the minimum rate A of AL–3, and shall be automatically advanced successively to rates B, C, and D of that level upon completion of 52 weeks of service in the next lower rate, and to rates E and F of that level upon completion of 104 weeks of service in the next lower rate. Time in a nonpay status is generally creditable service in the computation of a waiting period only in so far as it does not exceed 2 weeks per year for each 52 weeks of service. However, time in a nonpay status is also fully creditable if absence is due to military service, as defined in 5 U.S.C. 8331(13), or due to receipt of injury compensation under chapter 81 of title 5, United States Code.

(g) Upon appointment to a position at AL–3, an administrative law judge will be paid at the minimum rate A, unless the administrative law judge is eligible for a higher rate B, C, D, E, or F because of prior service or superior qualifications, as follows—

(1) An agency may offer an administrative law judge applicant with prior Federal service a higher than minimum rate, without obtaining the prior approval of OPM in order to pay the

rate that is next above the applicant's highest previous Federal rate of pay, up to the maximum rate F.

(2) An agency may offer an administrative law judge applicant with superior qualifications a higher than minimum rate if it first obtains approval from OPM to offer such a higher rate to an applicant who is within reach on a certificate of eligible administrative law judge applicants in order to pay that rate of pay that is next above the applicant's existing pay or earnings up to the maximum rate F. ''Superior qualifications'' for applicants includes having legal practice before the hiring agency, having practice in another forum with legal issues of concern to the hiring agency, or having an outstanding reputation among others in the field. OPM will approve such payment of higher than minimum rates for applicants with superior qualifications only when it is clearly necessary to meet the needs of the Government.

(h) Subject to the approval of OPM, and on the appropriate recommendation of the employing agency, an agency may on a one-time basis, advance an administrative law judge in a position at AL–3 with added administrative and managerial duties and responsibilities one rate beyond that allowed under current pay rates for AL–3, up to the maximum Rate F.

(i) Upon appointment to an administrative law judge position placed at AL–2 or AL–1, administrative law judges will be paid at the established rates for those levels.

(j) In making initial pay adjustments for administrative law judges from positions paid under the General Schedule to positions paid under the new pay system established under 5 U.S.C. 5372, the rate of basic pay for any such judge shall, upon conversion to the new pay system, be at least equal to the rate that was payable to that individual immediately before such conversion.

(k) Except as provided in paragraph (l) of this section, on the first day of the first applicable pay period beginning on or after February 10, 1991, administrative law judges will be converted from the General Schedule to AL–3, 2, and 1 as follows:

General schedule	AL
GS–15, Steps 1–2–3–4	AL–3, Rate A.
GS–15, Steps 5–6	AL–3, Rate B.
GS–15, Steps 7–8–9	AL–3, Rate C.
GS–15, Step 10	AL–3, Rate D.
GS–16, Steps 1–2–3	AL–3, Rate C.
GS–16, Steps 4–5–6	AL–3, Rate D.
GS–16, Steps 7–8	AL–3, Rate E.
GS–16, Step 9	AL–3, Rate F.
GS–17, Steps 1–5	AL–2.
GS–18	AL–1.

(l) In making the initial conversion from the General Schedule pay rates to the new AL pay system for administrative law judges, effective on the first day of the first applicable pay period beginning on or after February 10, 1991, those GS–15 and GS–16 administrative law judges receiving the 8 percent interim geographic adjustments authorized by Schedule 9 of Executive Order 12736 of December 12, 1990, will convert as follows:

General schedule	AL
GS–15, Steps 1–2	AL–3, Rate A.
GS–15, Steps 3–4–5	AL–3, Rate B.
GS–15, Steps 6–7	AL–3, Rate C.
GS–15, Steps 8–9–10	AL–3, Rate D.
GS–16, Steps 1–2	AL–3, Rate C.
GS–16, Steps 3–4	AL–3, Rate D.
GS–16, Steps 5–6–7	AL–3, Rate E.
GS–16, Steps 8–9	AL–3, Rate F.

(m) Agencies must document all pay changes made in accordance with this section by completing a Standard Form 50, or equivalent, in the usual manner and forwarding an extra copy directly to the Office of Administrative Law Judges, Career Entry Group, U.S. Office of Personnel Management, 1900 E Street, NW., Washington, DC 20415.

[56 FR 6210, Feb. 14, 1991, as amended at 57 FR 1369, Jan. 14, 1992]

§ 930.211 Performance rating.

An agency shall not rate the performance of an administrative law judge.

§ 930.212 Rotation of administrative law judges.

Insofar as practicable, an agency shall assign its administrative law judges in rotation to cases.

§ 930.213 Use of administrative law judges on detail from other agencies.

(a) An agency that is occasionally or temporarily insufficiently staffed with administrative law judges may ask OPM to provide for the temporary use by the agency of the services of an administrative law judge of another agency. The agency request should—

(1) Identify and describe briefly the nature of the case(s) to be heard (including parties and representatives when available);

(2) Specify the legal authority under which the use of an administrative law judge is required; and

(3) Demonstrate that the agency has no administrative law judge available to hear the case(s).

(b) OPM, with the consent of the agency in which an administrative law judge is employed, will select the administrative law judge to be used, and will name the date or period for which the administrative law judge is to be made available for detail to the agency in need of his or her services.

(c) Such details generally will be reimbursable by the agency requesting the detail.

§ 930.214 Actions against administrative law judges.

(a) *Procedures.* An agency may remove, suspend, reduce in grade, reduce in pay, or furlough for 30 days or less, an administrative law judge only for good cause, established and determined by the Merit Systems Protection Board on the record and after opportunity for a hearing before the Board as provided in 5 U.S.C. 7521 and §§ 1201.131 through 1201.136 of this title. Procedures for adverse actions by agencies under part 752 of this chapter are not applicable to actions against administrative law judges.

(b) *Status during removal proceedings.* In exceptional cases when there are circumstances by reason of which the retention of an administrative law judge in his or her position, pending adjudication of the existence of good cause for his or her removal, would be detrimental to the interests of the Government, the agency may either:

(1) Assign the administrative law judge to duties not inconsistent with his or her normal duties in which these conditions would not exist;

(2) Place the administrative law judge on leave with his or her consent;

(3) Carry the administrative law judge on appropriate leave (annual or sick leave, leave without pay, or absence without leave) if he or she is voluntarily absent for reasons not originating with the agency; or

(4) If none of the alternatives in paragraphs (b) (1), (2) and (3) of this section is available, agencies may consider placing the administrative law judge in a paid, non-duty or administrative leave status.

(c) *Exceptions from procedures.* The procedures in this subpart governing the removal, suspension, reduction in grade, reduction in pay, or furlough of 30 days or less of administrative law judges do not apply in making dismissals or taking other actions requested by OPM under §§ 5.2 and 5.3 of this chapter; nor to dismissals or other actions made by agencies in the interest of national security under 5 U.S.C. 7532; nor to reduction-in-force action taken by agencies under 5 U.S.C. 3502; nor any action initiated by the Special Counsel of the Merit Systems Protection Board under 5 U.S.C. 1206.

§ 930.215 Reduction in force.

(a) *Retention preference regulations.* Except as modified by this section, the reduction-in-force regulations in part 351 of this chapter apply to reductions in force of administrative law judges.

(b) *Determination of retention standing.* In determining retention standing in a reduction in force, each agency will classify its administrative law judges in groups and subgroups according to tenure of employment, veteran preference, and service date in the manner prescribed in part 351 of this chapter. However, as administrative law judges are not given performance ratings, the provisions in part 351 of this chapter referring to the effect of performance ratings on retention standing are not applicable to administrative law judges.

(c) *Placement Assistance.* (1) Administrative law judges who are reached by an agency reduction in force and who are notified they are to be separated

are eligible for placement assistance under—

(i) Agency reemployment priority lists established and maintained by agencies under subpart J of part 351 of this chapter for all agency tenure group I career employees displaced in a reduction in force;

(ii) Agency and OPM priority placement programs under subpart C of part 330 of this chapter for all agency tenure group I, career employees displaced in a reduction in force.

(2) On request of administrative law judges who are reached by an agency in a reduction in force and who are notified they are to be separated, furloughed for more than 30 days, or demoted, OPM will place their names on OPM's priority referral list for administrative law judges displaced in a reduction in force for the grade or level in which they last served and for all lower grades or levels.

(3) An administrative law judge may file a request under paragraph (c)(2) of this section, for placement on the OPM priority referral list, at any time after the receipt of the specific reduction-in-force notice, but not later than 90 days after the date of separation, furlough for more than 30 days, or demotion. Placement assistance through the OPM priority referral list continues for 2 years from either the effective date of the reduction-in-force action, or the date assistance is requested if a timely request is made. Eligibility of the displaced administrative law judge for the OPM priority referral list is terminated earlier upon the administrative law judge's written request, acceptance of a non-temporary, full-time administrative law judge position, or declination of more than one offer of full-time employment as an administrative law judge at or above the grade level held when reached for reduction in force at geographic locations previously indicated as acceptable.

(4) The displaced administrative law judge will file with the request for priority referral by OPM a Standard Form 171, Application for Federal Employment, and a copy of the reduction-in-force notice. Also, the displaced administrative law judge may ask OPM to limit consideration for vacant positions at any grade level for which qualified to specific geographic areas.

(5) When there is no administrative law judge on the agency's reemployment priority list, but there is an administrative law judge who has been placed on the OPM priority referral list (paragraph (c)(2) of this section), the agency may fill a vacant administrative law judge position only by selection from the OPM priority referral list, unless it obtains the prior approval of OPM for filling the vacant position under §930.203a (a), (c), (d) and (e); §930.204; §930.205, §930.206; or §930.207 of this subpart. OPM will grant such approval only under the extraordinary circumstance that the candidate(s) not on the OPM priority referral list possesses experience and qualifications superior to the displaced administrative law judge(s) on the list.

(6) Referral, certification, and selection of administrative law judges from OPM's priority referral list are made without regard to selective certification or special qualification procedures which may have been applied in the original appointment in accordance with OPM Examination Announcement No. 318.

§930.216 Temporary reemployment: senior administrative law judges.

(a)(1) Subject to the requirements and limitations of this section, the following annuitants, as defined by 5 U.S.C. 8331, who are receiving an annuity from the Civil Service Retirement and Disability Fund may be temporarily reemployed as administrative law judges by an agency that has temporary, irregular workload requirements for conducting proceedings in accordance with 5 U.S.C. 556 and 557:

(i) Annuitants who have served with absolute status as administrative law judges under 5 U.S.C. 3105; and

(ii) Annuitants who have met current examination requirements set forth in OPM Examination Announcement 318 (including the requirement to maintain a current license to practice law under the laws of a state, the District of Columbia, the Commonwealth of Puerto Rico, or any territorial court established under the Constitution).

(2) These retired administrative law judges who are so reemployed will be known as senior administrative law judges.

(b) Retired administrative law judges who meet the requirements of paragraph (a) of this section and who are available for temporary reemployment must notify OPM in writing of their availability, giving their full names, addresses, telephone numbers, names of the agencies where they served as administrative law judges, and jurisdictions in which they are currently licensed to practice law. OPM will maintain a master list of such retired administrative law judges for use in responding to agency requests for such administrative law judges.

(c) An agency that wishes to temporarily reemploy administrative law judges must submit a written request to OPM. The request will—

(1) Identify the statutory authority under which the administrative law judge is expected to conduct proceedings;

(2) Demonstrate that the agency is occasionally or temporarily understaffed;

(3) Specify the tour of duty, location, period of time, or particular case(s), for the requested reemployment; and

(4) Describe any special qualifications desired in the retired administrative law judge that it wishes to reemploy, such as experience in a particular field, agency, or substantive area of law.

(d) OPM will approve agency requests for temporary reemployment of retired administrative law judges for a specified period or periods provided—

(1) The requesting agency fully justifies the need for an administrative law judge for formal proceedings and demonstrates that it is occasionally or temporarily understaffed; and

(2) No other administrative law judge with the appropriate qualifications is available through OPM under § 930.213 of this subpart to perform the occasional or temporary work for which reemployment is requested.

(e) Upon approval of an agency request to reemploy a retired administrative law judge, OPM will select from its master list of retired administrative law judges, in rotation to the extent practicable, those retired judges who it determines meet agency requirements. OPM will then provide a list of such individuals to the requesting agency and the agency must then select from that list a retired administrative law judge for reemployment.

(f) Reemployment of retired administrative law judges is subject to investigation of suitability in accordance with §§ 731.201 through 731.303 of this chapter. It is also subject to conflict of interest and security investigation requirements by the appointing agency.

(g) Reemployment as senior administrative law judges will be for either a specified period not to exceed 1 year; or such periods as may be necessary for the reemployed administrative law judge to conduct and complete the hearing of one or more specified cases and issue decisions therein. Upon agency request, OPM may either reduce or extend such period of reemployment, as necessary, to coincide with changing staffing requirements, but not to exceed 1 year.

(h) An agency may assign its senior administrative law judges to either (1) hear one or more specific cases; or (2) hear, in normal rotation to the extent practicable, a number of cases on its docket and issue decisions therein.

(i) Hours of duty, administrative support services, and travel reimbursement for senior administrative law judges will be determined by the employing agency in accordance with the same rules and procedures that are generally applicable to employees.

(j) A senior administrative law judge serves subject to the same limitations on performance appraisal and reduction in pay or removal as any other administrative law judge employed under this subpart and 5 U.S.C. 3105. An agency will not rate the performance of a senior administrative law judge. Reduction-in-pay or removal actions may not be taken against senior administrative law judges during the period of reemployment, except for good cause established and determined by the Merit Systems Protection Board after opportunity for a hearing on the record before the Board as provided in 5 U.S.C. 7521 and §§ 1201.131 through 1201.136 of this title.

(k) A senior administrative law judge will be paid by the employing agency the current rate of pay for the level at which the duties to be performed have been placed and at the lowest rate of the level that is nearest (when rounded up) to the highest previous grade and step, or level and rate, attained as an administrative law judge before retirement. An amount equal to the annuity allocable to the period of actual employment will be deducted from his or her pay and deposited in the Treasury of the United States to the credit of the Civil Service Retirement and Disability Fund.

Subpart C—Employees Responsible for the Management or Use of Federal Computer Systems

AUTHORITY: 40 U.S.C. 759 note.

SOURCE: 56 FR 63403, Dec. 4, 1991, unless otherwise noted.

§ 930.301 Definitions.

(a) The amount and type of training different groups of employees will receive will be distinguished by the following knowledge levels identified in the Computer Security Training Guidelines developed by the National Institute of Standards and Technology:

(1) *Awareness level training* creates the sensitivity to the threats and vulnerabilities and the recognition of the need to protect data, information, and the means of processing them;

(2) *Policy level training* provides the ability to understand computer security principles so that executives can make informed policy decisions about their computer and information security programs;

(3) *Implementation level training* provides the ability to recognize and assess the threats and vulnerabilities to automated information resources so that the responsible managers can set security requirements which implement agency security policies; and

(4) *Performance level training* provides the employees with the skill to design, execute, or evaluate agency computer security procedures and practices. The objective of this training is that employees will be able to apply security concepts while performing the tasks that relate to their particular positions. It may require education in basic principles and training in state-of-the-art applications.

(b) Training audiences are groups of employees with similar training needs. Consistent with the Computer Security Training Guidelines, they are defined as follows:

(1) *Executives* are those senior managers who are responsible for setting agency computer security policy, assigning responsibility for implementing the policy, determining acceptable levels of risk, and providing the resources and support for the computer security program.

(2) *Program and Functional Managers* are those managers and supervisors who have a program or functional responsibility (not in the area of computer security) within the agency. They have primary responsibility for the security of their data. This means that they designate the sensitivity and criticality of data and processes, assess the risks to those data, and identify security requirements to the supporting data processing organization, physical facilities personnel, and users of their data. Functional managers are responsible for assuring the adequacy of all contingency plans relating to the safety and continuing availability of their data.

(3) *Information Resources Managers (IRM), Security, and Audit Personnel* are all involved with the daily management of the agency's information resources, including the accuracy, availability, and safety of these resources. Each agency assigns responsibility somewhat differently, but as a group these persons issue procedures, guidelines, and standards to implement the agency's policy for information security, and to monitor its effectiveness and efficiency. They provide technical assistance to users, functional managers, and to the data processing organization in such areas as risk assessment and available security products and technologies. They review and evaluate the functional and program groups' performance in information security.

(4) *Automated Data Processing (ADP) Management, Operations, and Programming Staff* are all involved with the daily management and operations of the automated data processing services. They provide for the protection of the data in their custody and identify to the data owners what those security measures are. This group includes such diverse positions as computer operators, schedulers, tape librarians, data base administrators, and systems and applications programmers. They provide the technical expertise for implementing security-related controls within the automated environment. They have primary responsibility for all aspects of contingency planning.

(5) *End Users* are any employees who have access to an agency computer system that processes sensitive information. This is the largest and most heterogenous group of employees. It consists of everyone from the executive who has a personal computer with sensitive information to data entry clerks.

(c) The training guidelines developed by the National Institute of Standards and Technology identify five subject areas. They are:

(1) *Computer security basics* is the introduction to the basic concepts behind computer security practices and the importance of the need to protect the information from vulnerabilities to known threats;

(2) *Security planning and management* is concerned with risk analysis, the determination of security requirements, security training, and internal agency organization to carry out the computer security function;

(3) *Computer security policies and procedures* looks at Governmentwide and agency-specific security practices in the areas of physical, personnel software, communications, data, and administrative security;

(4) *Contingency planning* covers the concepts of all aspects of contingency planning, including emergency response plans, backup plans and recovery plans. It identifies the roles and responsibilities of all the players involved; and

(5) *Systems life cycle management* discusses how security is addressed during each phase of a system's life cycle (e.g. system design, development, test and evaluation, implementation, and maintenance). It addresses procurement, certification, and accreditation.

(d) The statute defines the term *sensitive information* as any information, the loss, misuse, or unauthorized access to or modification of which could adversely affect the national interest or the conduct of Federal programs, or the privacy to which individuals are entitled under section 552a of title 5, United States Code (the Privacy Act), but which has not been specifically authorized under criteria established by an Executive order or an Act of Congress to be kept secret in the interest of national defense or foreign policy.

§ 930.302 Training requirement.

The head of each agency shall identify employees responsible for the management or use of computer systems that process sensitive information and provide the following training (consult ''Computer Security Training Guidelines,'' NIST Special Publication 500–172[1], for more detailed information) to each of these groups:

(a) Executives shall receive awareness training in computer security basics, computer security policy and procedures, contingency planning, and systems life cycle management; and policy level training in security planning and management.

(b) Program and functional managers shall receive awareness training in computer security basics; implementation level training in security planning and management, and computer security policy and procedures; and performance level training in contingency planning and systems life cycle management.

(c) IRM, security, and audit personnel shall receive awareness training in computer security basics; and performance level training in security planning and management, computer security policies and procedures, contingency planning, and systems life cycle management.

(d) ADP management and operations personnel shall receive awareness training in computer security basics;

[1] Copies may be ordered from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402–9325.

and performance level training in security planning and management, computer security policies and procedures, contingency planning, and systems life cycle management.

(e) End users shall receive awareness training in computer security basics, security planning and management, and systems life cycle management; and performance level training in computer security policies and procedures, and contingency planning.

§ 930.303 Initial training.

The head of each agency shall provide the training outlined in § 930.302 of this subpart to all such new employees within 60 days of their appointment.

§ 930.304 Continuing training.

The head of each agency shall provide training whenever there is a significant change in the agency information security environment or procedures or when an employee enters a new position which deals with sensitive information.

§ 930.305 Refresher training.

Computer security refresher training shall be given as frequently as determined necessary by the agency based on the sensitivity of the information that the employee uses or processes.

Overseas Area means the Department of Defense (DoD) Overseas Campaign which includes all areas other than those included in the domestic area.

Principal Combined Fund Organization or *PCFO* means the federated group or combination of groups, or a charitable organization selected by the LFCC to administer the local campaign under the direction and control of the LFCC and the Director.

§ 950.102 Scope of the Combined Federal Campaign.

(a) The CFC is the only authorized solicitation of employees in the Federal workplace on behalf of charitable organizations. A campaign may be conducted during a 6 week period, as determined by the LFCC, from September 1 through December 15 at every Federal agency in the campaign community in accordance with these regulations. Except as provided in this section, no other solicitation on behalf of charitable organizations may be conducted in the Federal workplace. Upon written request, the Director may grant permission for solicitations of Federal employees, outside the CFC, in support of victims in cases of emergencies and disasters. Emergencies and disasters are defined as any hurricane, tornado storm, flood, high water, wind-driven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, drought, fire, explosion, or other catastrophe in any part of the world. No such permission will be granted for such solicitations during the period September 1 through December 15.

(b) These regulations do not apply to the collection of gifts-in-kind, such as food, clothing and toys, or to the solicitation of Federal employees outside of the Federal workplace as defined by the applicable Agency Head consistent with General Services Administration regulations and any other applicable laws or regulations.

(c) The Director exercises general supervision over all operations of the CFC, and takes all necessary steps to ensure the achievement of campaign objectives. Any disputes relating to the interpretation or implementation of this part may be submitted to the Director for resolution. The decisions of the Director are final for administrative purposes.

(d) Heads of departments or agencies may establish policies and procedures applicable to solicitations conducted by organizations composed of civilian employees or members of the uniformed services among their own members for organizational support or for the benefit of welfare funds for their members. Such solicitations are not subject to these regulations, and therefore do not require permission of the Director.

§ 950.103 Establishing a local campaign.

(a) The Director establishes and maintains the official list of local campaigns and the geographical area each covers. There is no prerequisite regarding the Federal employee population needed to establish or maintain a CFC. However, rather than establishing or maintaining small campaigns, OPM encourages mergers and expansions of campaigns to promote efficiency and economy.

(b) The Director establishes an LFCC to govern the conduct of the local CFC. The LFCC will, whenever possible, be comprised of members of local Federal inter-agency organizations, such as Federal Executive Boards, Federal Executive Associations, Federal Business Associations or, in the absence of such organizations, self-organized associations of local Federal officials. These groups will include local Federal agency heads or their representatives. It may also include representatives of employee unions and other employee groups. Rotation of the LFCC Chair position among the LFCC members is encouraged. For continuity, each LFCC should appoint a Vice Chair who would be expected to serve at the conclusion of the Chair's term.

(c) The agency head at each Federal installation within a campaign area shall:

(1) Become familiar with all CFC regulations,

(2) Cooperate with the representatives of the LFCC and PCFO in organizing and conducting the campaign,

(3) Initiate official campaigns within their offices or installations and provide support for the campaign, and

(4) Assure the campaign is conducted in accordance with these regulations.

(d) Once a campaign has been established, agency heads may not discontinue solicitation of Federal employees within their organization without the written approval of the Director.

(e) Any change in the geographical boundaries of local campaigns may be made only upon the express written permission of the Director.

(f) Each year the LFCC must establish the 6 week time period to solicit employees. Each campaign should not be conducted for more than a 6 week period. However, in unusual circumstances the LFCC may extend the campaign as local conditions require. The solicitation may not begin before September 1 and in no event will it extend beyond December 15 of each year.

(g) Current Federal civilian and active duty military employees may be solicited for contributions using payroll deduction, checks, money orders or cash. Contractor personnel, credit union employees and other persons employed on Federal premises, as well as retired Federal employees, may make single contributions to the CFC through check or money order. These non-Federal employees may not be solicited, but are to be provided the opportunity to participate in the CFC.

(h) A Federal employee whose official duty station is outside the geographic boundaries of an established CFC may not be solicited in that CFC. A Federal employee may participate in a particular CFC only if that employee's official duty station is located within the geographic boundaries of that CFC.

§ 950.104 Local Federal Coordinating Committee responsibilities.

(a) All members of the LFCC should develop an understanding of campaign regulations and procedures. The LFCC

is the central point of information regarding the CFC among Federal employees.

(b) The responsibilities of the LFCC include, but are not limited to, the following:

(1) Maintaining minutes of LFCC meetings and responding promptly to any request for information from the Director.

(2) Naming a campaign chairperson and notifying the Director when the chairperson changes.

(3) Determining the eligibility of local organizations that apply to participate in the local campaign. This is the exclusive responsibility of the LFCC and may not be delegated to the PCFO.

(4) Ensuring that the list of charities determined by the Director to be nationally eligible to participate in all local campaigns is reproduced in the local brochure in accordance with OPM instructions.

(5) Ensuring that the local brochure and pledge card are produced in accordance with these regulations and instructions from the Director.

(6) Encouraging local Federal agencies to appoint loaned executives to assist in the campaign. Federal agency heads are encouraged to grant administrative leave to all loaned executives appointed to assist in the conduct of the CFC. Federal loaned executives are prohibited from working on non-CFC fundraising activities during duty hours.

(7) Establishing a network of employee keyworkers and volunteers and participating in interagency briefing sessions and kick-off meetings.

(8) Ensuring that, to the extent reasonably possible, every employee is given the opportunity to participate in the CFC, and ensuring employee designations are honored.

(9) Ensuring that the PCFO includes in keyworker training instructions to encourage employees to designate the charitable organizations they wish to receive their donations and specific information on how general designation monies are distributed.

(10) Ensuring that contributions are distributed in accordance with the method described in these regulations.

(11) Ensuring that no employee is coerced in any way to participate in the campaign.

(12) Bringing allegations of coercion to the attention of the Director and the employee's agency and providing a mechanism to review employee complaints of undue pressure and coercion in Federal fundraising. Federal agencies shall provide procedures and assign responsibility for the investigation of such complaints. Personnel offices shall be responsible for informing employees of the proper channels for pursuing such complaints.

(13) Notifying the Director of any significant problems or controversies concerning the campaign that the LFCC cannot resolve by applying these regulations. The LFCC must abide by the Director's decisions on all matters concerning the campaign.

(14) Ensuring the PCFO does not use the services of consulting firms, advertising firms or similar business organizations to perform the policy-making or decisionmaking functions in the CFC. A PCFO may, however, contract with entities or individuals such as banks, accountants, lawyers, and other vendors of goods and/or services to assist in accomplishing its administrative tasks.

(15) Ensuring that the activities and functions required of the PCFO are kept separate from any non-CFC operations of the organization. The LFCC must verify that the PCFO keeps and maintains CFC financial records and interest bearing bank accounts separate from the PCFO's non-CFC financial records and bank accounts.

(16) Monitoring the work of the PCFO, and inspecting closely the annual audit required of the PCFO pursuant to §950.105(d)(9) for compliance with these regulations.

(17) Authorizing to the PCFO reimbursement of only those campaign expenses that are legitimate CFC costs and are adequately documented. Total reimbursable expenses may not exceed the approved campaign budget by more than 10 percent.

(c) The LFCC must annually solicit applications for the PCFO via public notice no later than February 1 of each calendar year. The PCFO application period must be open a minimum of 14

calendar days. Cost incurred in providing the public notice should be added to the PCFO budget for the current campaign year as an administrative cost. The LFCC shall select a PCFO to act as its fiscal agent and campaign coordinator on the basis of presentations made to the local committee as described in § 950.105. The LFCC shall consider the efficiency and effectiveness of the campaign as the primary factors in selecting a PCFO.

§ 950.105 Principal Combined Fund Organization (PCFO) responsibilities.

(a) Only federations, charitable organizations or combinations thereof may serve as the PCFO.

(b) the primary goal of the PCFO is to conduct an effective and efficient campaign in a fair and even-handed manner aimed at collecting the greatest amount of charitable contributions possible. Therefore, PCFO's should afford federated groups and agencies with representatives in the local campaign area adequate opportunity to offer suggestions relating to the operation of the campaign, printed campaign material, and training. If requested in writing to either the LFCC or PCFO, federated groups and agencies must be given the opportunity to attend all campaign meetings, kick-off events, and training sessions. The PCFO must provide representatives of federated groups, agencies and the general public the opportunity to review at the PCFO office all reports, budgets, audits, training materials, and other records pertaining to the CFC.

(c) Any federation, charitable organization or combinations thereof wishing to be selected for the PCFO must submit a timely application in accordance with the deadline set by the LFCC, that includes:

(1) A written campaign plan sufficient in detail to allow the LFCC to determine if the applicant could administer an efficient and effective CFC. The campaign plan must include a CFC budget that details all estimated costs required to operate the CFC. The budget may not be based on the percentage of funds raised in the local campaign.

(2) A statement signed by the applicant's local director or equivalent pledging to:

(i) administer the CFC fairly and equitably,

(ii) conduct campaign operations, such as training, kick-off and other events, and fiscal operations, such as banking, auditing, reporting and distribution separate from the applicant's non-CFC operations, and

(iii) abide by the directions, decisions, and supervision of the LFCC and/or Director.

(3) A statement signed by the applicant's local director or equivalent acknowledging the applicant is subject to the provisions of § 950.403 and § 950.603.

(d) The specific responsibilities of the PCFO include but are not limited to:

(1) Honoring employee designations.

(2) Helping to ensure no employee is coerced in any way regarding participation in the campaign and that allegations of coercion are brought to the attention of the appropriate Federal officials.

(3) Training agency loaned executives, coordinators, and keyworkers in the methods of non-coercive solicitation. This training must be completely separate from training given for other types of charitable campaign drives. Additionally, keyworkers should be trained to check to ensure the pledge card is legible on each copy, verify arithmetical calculations, and ensure the block on the pledge card concerning the release of the employee's name and address is completed fully.

(4) Ensuring that no employee is questioned in any way as to his or her designation or its amount except by keyworkers, loaned executives, or other non-supervisory Federal personnel.

(5) Preparing pledge cards and brochures that are consistent with these regulations and instructions by the Director.

(6) Honoring the request of employees who indicate on the pledge card that their names not be released to the organization(s) that they designate.

(7) Maintaining a detailed schedule of its actual CFC administrative expenses with, to the extent possible, itemized receipts for the expenses. The expense schedule must be in a format that can

be reconciled to the PCFO's budget submitted in accordance with paragraph (c)(1) of this section.

(8) Keeping and maintaining CFC financial records and interest-bearing bank accounts separate from the PCFO's internal organizational financial records and bank accounts. Interest earned on all CFC accounts must be distributed in the same manner as undesignated funds pursuant to §950.501. All financial records and bank accounts must be kept in accordance with generally accepted accounting principles.

(9) Submitting to the LFCC an audit of collections and disbursements for each campaign managed no later than June 15 of the year in which the last disbursement is made. For example, for the 1994 CFC the audit of the 1994 campaign must be submitted to the LFCC no later than June 15, 1996. The audit must be performed by an independent certified public accountant in accordance with generally accepted auditing standards and OPM guidance.

(10) Absorbing the cost of any reprinting of campaign materials due to its noncompliance with these regulations, embezzlement, or loss of funds. A PCFO must also absorb campaign costs exceeding 10 percent of the approved budget.

(11) Designing and implementing CFC awards programs which are accessible to all employees and which reflect the Government's commitment to non-coercion. Awards to Federal agencies or employees by individual federations or organizations for CFC accomplishments is prohibited.

(12) Producing any documents or information requested by the LFCC and/or the Director within 10 calendar days of the receipt of that request.

(13) Responding in a timely and appropriate manner to reasonable inquiries from participating organizations.

(e) A federated group(s) or charitable organization may be barred from serving as PCFO for 1 year if determined by the Director to have violated these regulations. A federated group(s) or charitable organization serving as PCFO will be notified of the Director's intent to bar and have an opportunity to submit written comments prior to its becoming effective. The Director's decision as to debarment shall be communicated in writing to the LFCC and PCFO, and the LFCC shall not consider an application from such group(s) or organization to serve as the PCFO during terms of debarment.

§950.106 PCFO expense recovery.

(a) The PCFO shall recover from the gross receipts of the campaign its expenses, approved by the LFCC, reflecting the actual costs of administering the local campaign. The amount recovered for campaign expenses shall not exceed 10 percent of the estimated budget submitted pursuant to §950.105(c)(1) unless approved by the Director.

(b) The PCFO may only recover campaign expenses from receipts collected for that campaign year. Expenses incurred preparing for and conducting the CFC cannot be recovered from receipts collected in the previous year's campaign. The PCFO may absorb the costs associated with conducting the campaign from its own funds and be reimbursed, or obtain a commercial loan to pay for costs associated with conducting the campaign. If the commercial loan option is used, the amount of a reasonable rate of interest is an allowable campaign expense, subject to the approval of the LFCC when the PCFO budget is submitted.

(c) The campaign expenses will be shared proportionately by all the recipient organizations reflecting their percentage share of gross campaign receipts.

§950.107 Lack of a qualified PCFO.

There is no authority in statute or regulation for an LFCC or any Federal official or employee to assume the duties and responsibilities of the PCFO. In the event that there is no qualified PCFO, the LFCC Chairman will promptly inform the Director in writing. The Director will assist the LFCC in merging the campaign with an adjacent campaign that has a qualified PCFO or identifying an eligible organization to function as the campaign's PCFO. If the LFCC's of the adjacent campaigns elect not to merge and a qualified PCFO cannot be found, the

local CFC will be canceled. No workplace solicitation of any Federal employee in the campaign area is authorized and payroll allotments cannot be accepted and honored during the duration of the cancellation of the CFC.

§ 950.108 Preventing coercive activity.

True voluntary giving is fundamental to Federal fundraising activities. Actions that do not allow free choices or create the appearance employees do not have a free choice to give or not to give, or to publicize their gifts or to keep them confidential, are contrary to Federal fundraising policy. Activities contrary to the non-coercive intent of Federal fundraising policy are not permitted in campaigns. They include, but are not limited to:

(a) Solicitation of employees by their supervisor or by any individual in their supervisory chain of command. This does not prohibit the head of an agency to perform the usual activities associated with the campaign kick-off and to demonstrate his or her support of the CFC in employee newsletters or other routine communications with the Federal employees.

(b) Supervisory inquiries about whether an employee chose to participate or not to participate or the amount of an employee's donation. Supervisors may be given nothing more than summary information about the major units that they supervise.

(c) Setting of 100 percent participation goals.

(d) Establishing personal dollar goals and quotas.

(e) Developing and using lists of non-contributors.

(f) Providing and using contributor lists for purposes other than the routine collection and forwarding of contributions and allotments, and as allowed under § 950.601.

(g) Using as a factor in a supervisor's performance appraisal the results of the solicitation in the supervisor's unit or organization.

§ 950.109 Avoidance of conflict of interest.

Any Federal employee who serves on the LFCC, on the eligibility committee, or as a Federal agency fundraising program coordinator, must not participate in any decisions where, because of membership on the board or other affiliation with a charitable organization, there could be or appear to be a conflict of interest under any statute, regulation, Executive order, or applicable agency standards of conduct. Under no circumstances may an LFCC member affiliated with an organization applying for inclusion on the local list, participate in the eligibility determinations.

§ 950.110 Prohibited discrimination.

Discrimination for or against any individual or group on account of race, color, religion, sex, national origin, age, handicap, or political affiliation is prohibited in all aspects of the management and the execution of the CFC. Nothing herein denies eligibility to any organization, which is otherwise eligible under this part to participate in the CFC, merely because such organization is organized by, on behalf of, or to serve persons of a particular race, color, religion, sex, national origin, age, or handicap.

Subpart B—Eligibility Provisions

§ 950.201 National list eligibility.

(a) The Director shall annually:

(1) Determine the timetable and other procedures regarding application for inclusion on the national list,

(2) Determine which organizations among those that apply qualify to be part of the national list and then provide the national list of qualified organizations to all local campaigns.

(b) The national list shall be reproduced in all local brochures in accordance with these regulations. The list will include each organization's national list number code. These number codes must be faithfully reproduced in the local brochures.

(c) An organization on the national list may elect to be removed from the national list and have its local affiliate or subunit listed on the local list of organizations in its stead. For the local affiliate or subunit to be listed in lieu of the organization on the national list, the following procedures must be followed:

(1) The organization must send a letter to the local affiliate or subunit in

that particular CFC waiving its listing on the national list so that its eligible local affiliate or subunit on the local list of organizations will appear as that organization's sole listing in the CFC brochure.

(2) The local affiliate or subunit will include in its application to the LFCC a copy of the letter authorizing the removal of the organization from the national list as well as all the required materials for completing a local organization application.

(3) Upon finding the local organization eligible, the waiver letter from the organization on the national list authorizes the LFCC to delete that organization from the national list.

§ 950.202 National list eligibility requirements.

All organizations seeking national list eligibility must:

(a) Certify that it provides or conducts real services, benefits, assistance, or program activities, in 15 or more different states or a foreign country over the 3 year period immediately preceding the start of the year involved. This requirement cannot be met on the sole basis of services provided through an ''800'' telephone number or by sending materials via the U.S. Postal Service or a combination thereof. A schedule listing those states (minimum 15) or the foreign countries (minimum 1) where the program activities have been provided and a detailed description of the activities in each state or foreign country must be included with the application. While it is not expected that an organization maintain an office in each state or foreign country, a clear showing must be made of the actual services, benefits, assistance or activities provided in each state or foreign country.

(b) Certify that it is recognized by the Internal Revenue Service as tax-exempt under 26 U.S.C. 501(c)(3) and to which contributions are tax-deductible pursuant to 26 U.S.C. 170. A copy of the letter from the Internal Revenue Service granting tax-exempt status under the Internal Revenue Code, 26 U.S.C. 501(c)(3), must be included with the application.

(c) Certify that the organization has no expenses connected with lobbying and attempts to influence voting or legislation at the local, State, or Federal level or alternatively, that those expenses would classify the organization as a tax-exempt organization under 26 U.S.C. 501(h).

§ 950.203 Public accountability standards.

(a) To insure organizations wishing to solicit donations from Federal employees in the workplace are portraying accurately their programs and benefits, several standards and certifications must be met annually by each organization seeking national list eligibility. Each organization wishing to participate must:

(1) Certify that the organization is a human health and welfare organization providing services, benefits, or assistance to, or conducting activities affecting, human health and welfare. The organization's application must provide documentation describing the human health and welfare benefits provided by the organization within the previous year.

(2) Certify that it accounts for its funds in accordance with generally accepted accounting principles and that an audit of the organization's fiscal operations is completed annually by an independent certified public accountant in accordance with generally accepted auditing standards. Such audit must show expenses by function. A copy of the organization's most recent annual audit must be included with the application. The audit must cover the fiscal year ending not more than 18 months prior to the January of the campaign year to which the organization is applying. For example, the audit included in the 1994 application must cover the fiscal period ending on or after June 30, 1992.

(3) Provide a completed copy of the organization's IRS Form 990, including signature, with the application regardless of whether or not the IRS requires the organization to file this form. IRS Forms 990EZ, 990PF, and comparable forms are not acceptable substitutes. However, smaller organizations that file the Form 990EZ may submit the 990EZ with pages 1 and 2 of the Form 990 attached. The IRS Form 990 and audit must cover the same fiscal period

and, if revenue and expenses on the two documents differ, these amounts must be reconciled in an accompanying signed statement by the certified public accountant who completed the audit.

(4) Provide a computation of the organization's percentage of total support and revenue spent on administrative and fundraising. This percentage shall be computed from information on the IRS Form 990, submitted pursuant to § 950.203(a)(3), by adding the amount spent on ''management and general'' (line 14) to ''fundraising'' (line 15) and then dividing the sum by ''total revenue'' (line 12).

(i) If an organization's administrative and fundraising expenses exceed 25 percent of its total support and revenue, it must certify that its actual expenses for administration and fundraising are reasonable under all the circumstances presented. It must provide an explanation with its application and also include a formal plan to reduce these expenses below 25 percent.

(ii) The Director may reject any application from an organization with fundraising and administrative expenses in excess of 25 percent of total support and revenue, unless the organization demonstrates to the satisfaction of the Director that its actual expenses for those purposes and its plan to reduce them are reasonable under the circumstances.

(5) Certify that the organization is directed by an active and responsible governing body whose members have no material conflict of interest and, a majority of which serve without compensation.

(6) Certify that the organization's fundraising practices prohibit the sale or lease of its CFC contributor lists.

(7) Certify that its publicity and promotional activities are based upon its actual program and operations, are truthful and non-deceptive, and make no exaggerated or misleading claims.

(8) Certify that contributions are effectively used for the announced purposes of the charitable organization.

(9) Certify under which governmental entity the charitable organization is chartered, incorporated or organized (congressionally chartered or the state in which it is registered).

(10) Certify that the organization has received no more than 80 percent of its total support and revenues from government sources as computed by dividing line 1c by line 12 from the IRS Form 990 submitted pursuant to § 950.203(a)(3).

(11) Certify that the organization prepares and makes available to the public upon request an annual report that includes a full description of the organization's activities and supporting services and identifies its directors and chief administrative personnel. A copy of the organization's annual report must be included with the application. The annual report must cover the fiscal year ending not more than 18 months prior to January of the campaign year to which the organization is applying. A more frequently published document, such as a quarterly newsletter, may be used to meet this requirement provided that such document is available to the general public upon request and describes the organization's activities and supporting services and identifies its directors and chief administrative personnel.

(12) Provide a statement that the certifying official is authorized by the organization to certify and affirm all statements required for inclusion on the national list.

(13) Provide a statement in 25 words or less describing the program activities of the charitable organization. The 25-word statement need not include the organization's name. In addition, organizations must provide a telephone number, dedicated solely for the organization's use, through which the donors may receive further information about the organization. Except as provided in § 950.401(k), this information will be included in the campaign brochure along with the organization's administrative and fundraising percentage computed pursuant to § 950.203(a)(3).

(b) The Director shall review these applications for accuracy, completeness, and compliance with these regulations. Failure to supply any of this information may be judged a failure to comply with the requirements of public accountability, and the charitable organization may be ruled ineligible for inclusion on the national list.

(c) The Director may request such additional information as the Director deems necessary to complete these reviews. An organization that fails to comply with such requests within 10 calendar days from receipt of the request may be judged ineligible.

(d) The required certifications and documentation must have been completed and submitted prior to the application filing deadline. Applications received that are incomplete may not be perfected during the appeal process described in § 950.205.

(e) The Director may waive any of these standards and certifications upon a showing of extenuating circumstances.

[60 FR 57890, Nov. 24, 1995, as amended at 61 FR 4585, Feb. 7, 1996]

(5) Have a policy and practice of nondiscrimination on the basis of race, color, religion, sex or national origin applicable to persons served by the organization.

(6) Prepare an annual report which includes a full description of the organization's activities and accomplishments. These reports must be made available to the public upon request.

(e) Local eligibility determinations. Within 15 business days after the closing date of the application period, the LFCC shall communicate its eligibility decisions via facsimile or U.S. Postal Service. Denial of the application by the LFCC must be sent via U.S. Postal Service certified or registered mail with a return receipt. Approvals may be sent via U.S. Postal Service regular first class mail or facsimile. LFCC's may authorize PCFO's to release eligibility determinations to applicant organizations via telephone. This has no effect on the deadline for LFCC's to receive local appeals. Applicants denied eligibility may appeal in accordance with § 950.205.

(f) No LFCC may print the campaign brochure while there are appeals of eligibility decisions from their campaign pending with the Director. LFCC's are obligated to check with OPM 21 calendar days after the mailing of the local appeal decision as to whether the Director is on notice of a pending timely appeal.

§ 950.205 Appeals.

(a) Organizations who apply and are denied eligibility for inclusion on the national list will be notified of the Director's decision by registered or certified mail of the U.S. Postal Service. Organizations may appeal the Director's decision by submitting a written request to reconsider the denial to the Director. This request must be received within 10 business days from the date of receipt of the Director's decision to deny eligibility and shall be limited to those facts justifying the reversal of the original decision. Requests for reconsideration may not be used to supplement applications that had missing or outdated documents, and any such documents submitted with the request for reconsideration will not be considered.

(b) Applicants denied listing in the local brochure must first appeal in writing to the LFCC to reconsider its original decision. Such an appeal must be received by the LFCC within 7 business days from the date of receipt of the initial LFCC decision or 14 calendar days from the date the decision was mailed, whichever is earlier. The LFCC must consider all timely appeals and notify the appealing organization within a reasonable time period. Denial of the appeal by the LFCC must be sent via U.S. Postal Service certified or registered mail with a return receipt. Approval of local appeals may be sent via U.S. Postal Service regular first class mail or facsimile.

(c) A local applicant which is unsuccessful in its appeal to the LFCC may appeal to the Director. All appeals must:

(2) Be received by the Director within 10 business days of the date of receipt of the letter from the LFCC denying eligibility on appeal;

(3) Include a statement explaining the reason(s) why eligibility should be granted;

(4) Include a copy of the letter from the LFCC disapproving the original application, a copy of the organization's appeal to the LFCC, and a copy of the letter from the LFCC denying the appeal.

(d) If an organization fails to file a timely application or a timely appeal

of an adverse eligibility determination in accordance with these regulations, such application or appeal to the Director will be dismissed as untimely.

(e) Appeals to the Director may not be used to supplement original applications that had missing or outdated documents. Any such supplemental documents will not be considered. Such appeals shall be limited to those facts justifying the reversal of the original decision.

(f) The Director's decision is final for administrative purposes.

Subpart C—Federations

§ 950.301 National federations eligibility.

(a) The Director may recognize national federations that conform to the requirements and are eligible to receive designations. The Director may from time to time place a moratorium on the recognition of national federations.

(b) By applying for inclusion in the CFC, federations consent to allow the Director complete access to it and its members' CFC books and records and to respond to requests for information by the Director.

(c) An organization may apply to the Director for inclusion as a national federation to participate in the CFC if the applicant has, as members of its proposed federation, 15 or more charitable organizations that meet the eligibility criteria of § 950.202 and § 950.203. The initial year an organization applies for federation status, it must submit the applications of all its proposed member organizations in addition to the federation application. Federations must reestablish eligibility each year, however, the applications of its member organizations need not accompany the annual federation application once an organization has obtained federation status, unless requested by the Director.

(d) After an organization has been granted federation status, it may certify that its member organizations meet all eligibility criteria of § 950.202 and § 950.203 to be included on the national list. Federation status in a prior campaign is not a guarantee of federation status in a subsequent campaign. Failure to meet minimum federation eligibility requirements shall not be deemed to be a decertification subject to a hearing on the record.

(e) An applicant for national federation status must annually certify and/or demonstrate:

(1) That all member organizations seeking participation in the CFC are qualified for inclusion on the national list. Applicants must provide a complete list of those member organizations it certified.

(2) That its financial records, practices and procedures conform to generally accepted accounting principles and that it is annually audited by an independent certified public accountant in accordance with generally accepted auditing standards. A copy of the audit must be included with the application. The audit must verify that the federation is honoring designations made to each member organization. The audit requirement is waived for newly created federations operating for less than a year.

(3) That it does not employ in its CFC operations the services of private consultants, consulting firms, advertising agencies or similar business organizations to perform its policy-making or decision-making functions in the CFC. It may, however, contract with entities or individuals such as banks, accountants, lawyers, and other vendors of goods and/or services to assist in accomplishing its administrative tasks.

(f) The Director will notify a federation if it is determined that the federation does not meet the eligibility requirements of this section. A federation may appeal an adverse eligibility decision in accordance with § 950.205.

(g) The Director may waive any eligibility criteria for federation status if it is determined that such a waiver will be in the best interest of the CFC.

(h) Two organizations—American Red Cross and United Service Organization—are exempt from the 15-member requirement of § 950.301(c).

§ 950.302 Responsibilities of national federations.

(a) National federations must ensure that only those member organizations

that comply with all eligibility requirements included in these regulations are certified for participation in the CFC.

(b) The Director may elect to review, accept or reject the certifications of the eligibility of the members of the national federations. If the Director requests information supporting a certification of national eligibility, that information shall be furnished promptly. Failure to furnish such information within 10 business days of the receipt of the request constitutes grounds for the denial of national eligibility of that member.

(c) The Director may elect to decertify for up to one campaign year a federation which makes a false certification, subject to the requirement that any federation that the Director proposes to decertify shall be offered the opportunity to have a hearing on the record on the proposed decertification, followed by a written decision stating the grounds for the decertification. False certifications are presumed to be deliberate. This presumption may be overcome by evidence presented at the hearing.

(d) The failure of a national federation to respond in a timely fashion to a request by the Director for required information or cooperation in an investigation or a settlement of disbursements may be grounds for decertification, provided that a decision to decertify is preceded by a hearing on the record and communicated in writing.

(e) Each federation, as fiscal agent for its member organizations, must ensure that Federal employee designations are honored in that each member organization receives its proportionate share of receipts based on the results of each individual campaign.

§ 950.303 Local federations eligibility.

(a) LFCC's must approve local federations that conform to the requirements.

(b) By applying for inclusion in the CFC, federations consent to allow the LFCC and Director complete access to it and its members' CFC books and records and to respond to requests for information by the LFCC and the Director.

(c) An organization may apply to the LFCC for inclusion as a local federation if the applicant has as members of its proposed federation, 15 or more charitable organizations that meet the eligibility criteria of § 950.202, § 950.203, and § 950.204. The initial year an organization applies for federation status, it must submit to the LFCC applications of all its proposed member organizations in addition to the federation application. Federations must re-establish eligibility each year, however, the applications of its member organizations need not accompany the annual federation application once an organization has obtained federation status.

(d) After an organization has been granted federation status, it may certify that its member organizations meet all eligibility criteria of §§ 950.202, 950.203, and 950.204 to be included on the Local List. While deference should be given to federation certifications, the LFCC, during the review process, may request independent evidence of individual member organization's eligibility. Federation status in a prior campaign is not a guarantee of federation status in a subsequent campaign. Failure to meet minimum federation eligibility requirements shall not be deemed to be a decertification subject to a hearing on the record.

(e) An applicant for local federation status must certify and/or demonstrate:

(1) That all member organizations seeking participation in the CFC are qualified for inclusion on the Local List and provide a complete list of those member organizations it certified.

(2) That its financial records, practices and procedures conform to generally accepted accounting principles and is annually audited by an independent certified public accountant in accordance with generally accepted auditing standards. A copy of the annual audit must be included with the application. The audit must verify that the federation is honoring designations made to each member organization. The audit requirement is waived for newly created federations operating for less than a year.

(3) That is does not employ, in its CFC operations, the services of private

consultants, consulting firms, advertising agencies or similar business organizations to perform the policy-making or decision-making functions in the CFC. It may, however, contract with entities or individuals such as banks, accountants, lawyers, and other vendors of goods and/or services to assist in accomplishing its administrative tasks.

(f) The LFCC will notify a federation if it is determined that the federation does not meet the eligibility requirements of this section. A federation may appeal an adverse eligibility decision in accordance with § 950.205.

(g) The Director may waive any eligibility criteria for federation status if it is determined that such a waiver will be in the best interest of the CFC.

§ 950.304 Responsibilities of local federations.

(a) Local federations must ensure that only those member organizations that comply with all eligibility requirements included in these regulations are certified for participation in the CFC.

(b) If the LFCC requests information supporting a certification of local eligibility, that information shall be furnished promptly. Failure to furnish such information within 10 business days of the receipt of the request constitutes grounds for the denial of local eligibility.

(c) The Director, upon recommendation by the LFCC, may elect to decertify a federation which makes a false certification for up to one campaign year, subject to the requirement that any federation that the Director proposes to decertify shall be offered the opportunity to have a hearing on the record on the proposed decertification, followed by a written decision stating the grounds for the decertification. False certifications are presumed to be deliberate. The presumption may be overcome by evidence presented at the hearing.

(d) The failure of a local federation to respond in a timely fashion to a request by the Director or the LFCC for required information or cooperation in an investigation may be grounds for decertification, provided that a decision to decertify is preceded by a hearing on the record and communicated in writing.

(e) Each federation, as fiscal agent for its member organizations, must ensure that Federal employee designations are honored in that each member organization receives its proportionate share of receipts based on the results of each individual campaign.

Subpart D—Campaign Materials

§ 950.401 Campaign and publicity materials.

(a) The specific campaign and publicity materials, such as the official brochure, will be developed locally, except as specified in these regulations. All materials must be reviewed by the LFCC for compliance with these regulations and will be printed and supplied by the PCFO. All publicity materials must have the approval of the LFCC before being used. Federations must notify the PCFO in writing of their desire to participate in the development of campaign and publicity materials. The PCFO must respond in a timely manner to a federation's request to participate in the development of campaign and publicity materials. Federations must also respond in a timely fashion in the development of campaign and publicity materials.

(b) During the CFC solicitation period, participating CFC organizations may distribute bona fide educational materials describing its services or programs. The organization must be granted permission by the Federal agency installation head, or designee to distribute the material. CFC Coordinators, Keyworkers or members of the LFCC, are not authorized to grant permission for the distribution of such materials. If one organization is granted permission to distribute educational materials, then the Federal agency installation head must allow any other requesting CFC organization to distribute educational materials.

(c) Organizations and federations are encouraged to publicize their activities outside Federal facilities and to broadcast messages aimed at Federal employees in an attempt to solicit their contributions through the media and other outlets.

(d) Agency Heads are further authorized to permit the distribution by organizations of promotional pamphlets to Federal personnel in public areas of Federal workplaces in connection with the CFC, provided that the manner of distribution accords equal treatment to all charitable organizations furnishing such pamphlet for local use, and further provided that no such distribution shall utilize Federal personnel on official duty or interfere with Federal government activities. LFCC members and other campaign personnel are to be particularly aware of the prohibition of assisting any charitable organization or federated group in distributing any type of literature, especially during the campaign period. Nothing in this section shall be construed to require an LFCC to distribute or arrange for the distribution of any material other than the Campaign brochure and the pledge card.

(e) The Campaign brochure and pledge card is the official CFC information package and shall be made available to all potential contributors. All CFC brochures must inform employees of their right to make a choice to contribute or not to contribute; to designate or not to designate; and to give a confidential gift in a sealed envelope.

(f) Campaign materials must constitute a simple and attractive package that has fundraising appeal and essential working information. The package should focus on the CFC without undue use of charitable organization symbols and logos or other distractions that compete for the donor's attention. Extraneous instructions concerning the routing of forms, tallying of contributor's receipt, and similar reports, which are primarily for keyworkers must be avoided.

(g) The following applies specifically to the campaign brochure:

(1) OPM will include in the annual distribution of the National List explicit instructions for the printing of the brochure and language to be printed verbatim in the introductory pages. The general information provided will include:

(i) a description of the CFC arrangement and explanation of the payroll deduction privilege.

(ii) a statement that the donor may only designate charitable organizations or federations that are listed in the brochure and that write-ins are prohibited.

(iii) instructions as to how an employee may obtain more specific information about the programs and the finances of the organizations participating in the campaign.

(iv) a description of employees' rights to pursue complaints of undue pressure or coercion in Federal fundraising activities.

(2) Following the introductory pages, the organization list will consist of three parts—the national, the international, and the local. The order of these three parts will be annually rotated in accordance with OPM instructions. In 1996 the Local part will be first followed by the National and finally the International. The national and international lists will consist of faithful reproductions of the lists of national and international organizations, including federations, provided by OPM. The third part, the local list, is determined by the LFCC. The order of listing of the federated and unaffiliated organizations within the three separate parts will be determined by random drawing. The order of organizations within each federation will be determined by the federation. The order within the national and local unaffiliated groups will be alphabetical. Absent specific instructions from OPM to the contrary, each participating organization and federated group listing must include a description, not to exceed 25 words, of their services and programs, plus a telephone number for the Federal donor to request further information about the group's services, benefits, and administrative expenses. Each listing will include a statement of the percentage of the organization's total receipts and revenues that are used for administration and fundraising. Neither the percentage of administrative and fundraising expenses, nor the telephone number count toward the 25-word statement.

(3) Each national federation and charitable organization will be assigned a code number by OPM. Local federations and local charitable organizations will be assigned code numbers

by the LFCC. At the beginning of each federated group's listing will be the federation's name, code number, 25-word statement, percentage of administrative and fundraising expenses, and telephone number. The sections of the brochure where the unaffiliated agencies are listed will begin with the titles National Unaffiliated Organizations, International Unaffiliated Organizations and Local Unaffiliated Organizations respectively.

(h) Omission of an eligible charitable organization from the brochure may require that all brochures be reprinted and redistributed. Such omissions must be reported to OPM immediately upon discovery. The Director or LFCC may direct that the cost of such reprinting and redistribution be borne by the PCFO or charged to CFC administrative expenses.

(i) Dual listing. Listing of a national organization, as well as its local affiliate organization, is permitted. However, a national organization may waive its listing in the national section of the brochure in favor of its eligible local affiliate. The local affiliate must include in its application the written waiver from its national organization.

(j) Multiple listing. Each national or local organization must individually meet all of the eligibility criteria and submit independent documentation as required in §950.202, §950.203 or §950.204. Once an organization is deemed eligible, it is entitled to only one listing in the CFC brochure, regardless of the number of federations to which that organization belongs.

(k) The LFCC may omit the 25-word program description from the CFC brochure if, in the immediately preceding campaign year, contributions received in the local CFC totalled less than $100,000.

§950.402 Pledge card.

(a) The Director will make available each campaign year at least one model pledge card which shall be reproduced at the local level.

(b) Campaigns may incorporate additional giving levels to the Director's authorized pledge card. Campaigns may also include their award recognition program. No further modifications to the pledge card are permitted unless approved in advance by the Director.

(c) An employee may not make a designation to an organization not listed in the brochure. In addition, an employee may not make a CFC contribution to an organization listed in the brochure of a campaign covering a geographic location different from the campaign where the employee works. Designations made to organizations not listed in the brochure are not invalid, but will be treated as undesignated funds and distributed accordingly.

(d) In the event the PCFO receives a pledge card that has designations that add up to less than the total amount pledged, the PCFO must honor the total amount pledged and treat the excess amount as undesignated funds. In the event that a PCFO receives a pledge card that has a total amount pledged that is less than the sum of the individual designations, the PCFO must honor the designations by assigning a proportionate share of the total gift to each organization designated. For example, if an employee indicates a total gift of $100 in the upper portion of the pledge card, but designates $25 each to five organizations in the lower part of the pledge card, the PCFO must adjust each organization's designation to $20.

§950.403 Penalties.

A PCFO's failure to comply with these regulations may result in either disqualification from future service as PCFO, disqualification as a participating federation, or both penalties. These penalties may only be imposed after a hearing on the record and communication of the Director's decision in writing.

Subpart E—Undesignated Funds

§950.501 Applicability.

(a) All undesignated funds shall be distributed to all of the organizations in the CFC brochure in the same proportion that they received designations in the campaign.

(b) The distribution of undesignated funds described in §950.501(a) applies to all domestic area campaigns. It does

not apply to the DOD Overseas Campaign.

(c) The Director may alter the distribution of undesignated funds as local campaign circumstances may require or to enforce the distribution method described herein.

Subpart F—Miscellaneous Provisions

§ 950.601 Release of contributor names.

(a) The pledge card, designed pursuant to § 950.402, must allow an employee to indicate if the employee does not wish his or her name and home address forwarded to the charitable organization or organizations designated. A PCFO's failure to honor an employee's wish may result in the decertification of the PCFO.

(b) The pledge card will direct an employee to provide his or her complete home address on the pledge card should he or she wish his or her name and home address released to organizations receiving their donations.

(c) It is the responsibility of the PCFO to forward the names and addresses of employees who have indicated that they wish their names be forwarded, to the recipient organization directly, if the organization is unaffiliated, and to the organization's federation if the organization is a member of a federation. The PCFO may not make any other use of these employees' names and addresses.

(d) Organizations must cooperate fully with OPM investigations into the care and appropriate use of these lists. Should an organization ignore or fail to respond to OPM's requests for cooperation or hamper an investigation, the Director may propose that the organization be suspended or expelled from the CFC. The Director will consider any response in issuing a decision.

§ 950.602 Solicitation methods.

(a) Employee solicitations shall be conducted during duty hours using methods that permit true voluntary giving and shall reserve to the individual the option of disclosing any gift or keeping it confidential. Campaign kick-offs, victory events, awards, and other non-solicitation events to build support for the CFC are encouraged.

(b) Special CFC fundraising events, such as, raffles, lotteries, auctions, bake sales, carnivals, athletic events, or other activities not specifically provided for in these regulations are permitted during the 6-week campaign period if approved by the appropriate agency head or government official, consistent with agency ethics regulations.

(c) In all approved special fundraising events the donor must have the option of designating to a specific participating organization or federation or be advised that the donation will be counted as an undesignated contribution and distributed according to these regulations.

§ 950.603 Sanctions.

(a) Sanctions not specifically provided for elsewhere in these regulations, may be imposed on an organization, federation or PCFO for violating any provisions, other applicable provisions of law, or any directive or instruction from the Director. The Director will determine the appropriate sanction, up to and including permanent expulsion from the CFC. In determining the appropriate sanction, the Director will consider all elements such as previous violations, harm to Federal employee confidence in the CFC, and any other relevant factors. The Director shall provide written notification to the organization, federation or PCFO regarding the alleged violation and the intent to impose a sanction. Prior to implementation of sanctions under this section, the organization, federation or PCFO shall be provided an opportunity to address in writing why the sanction should not be imposed. This submission must be received within 10 calendar days from the date of receipt of the Director's notification letter.

(b) At the Director's discretion, PCFO's and Federations may be directed to suspend distribution of current and future CFC donations from Federal employees to recipient organizations. Federations and PCFO's shall

immediately place suspended contributions in an interest bearing account until directed to do otherwise.

§ 950.604 Records retention.

Federations, PCFO's and other participants in the CFC shall retain documents pertinent to the campaign for at least three campaign years. Documents requested by OPM must be made available within 10 business days of the request.

Subpart G—DoD Overseas Campaign

§ 950.701 DoD overseas campaign.

(a) A Combined Federal Campaign is authorized for all Department of Defense (DoD) activities in the overseas areas during a 6-week period in the fall. Organizations that may participate in the Overseas Campaign will consist of organizations determined nationally eligible by OPM.

(b) The DoD must select an organization or combination of organizations to serve as PCFO as it deems in the best interests of the overseas campaign.

(c) Federal civilian agencies with overseas personnel may elect to have these employees participate in the DoD campaign or in the National Capital Area campaign.

(d) The overseas campaign brochure shall not include the All International Organizations Designation Option-IIII.

(e) Family support and youth activities established in overseas locations may be supported from CFC funds.

(f) Undesignated funds contributed in the Overseas Campaign equal to up to 6 percent of the gross campaign contributions will be allocated to the Overseas family support and youth activities. No other funds may be used for this purpose. If the undesignated funds exceed 6 percent of the gross campaign contributions, this excess shall be distributed to all other organizations in the same proportions as designations.

(g) Overseas family support and youth activities shall not be charged any share of campaign costs. All other organizations participating in the Overseas Area CFC will be charged for campaign costs in the same proportion that they received gross campaign receipts, net of that amount of receipts set aside for family support and youth activities.

(h) The overseas campaign brochure must explain the allocation policy utilized by each of the military services to allocate funds received from the Overseas campaign to their overseas family support and youth activities.

Subpart H—CFC Timetable

§ 950.801 Campaign schedule.

(a) The Combined Federal Campaign will be conducted according to the following timetable.

(1) During one 30-calendar day period between January and March, as determined by the Director, OPM will accept applications from organizations seeking to be listed on the national list.

(2) Within 35 calendar days of the closing of the receipt of applications, the Director will issue notices to each national applicant organization of the results of the Director's review.

(3) Local Federal Coordinating Committees must select a PCFO no later than March 15.

(4) The Director will issue a national eligibility list to all local campaigns by June 30.

(5) Local Federal Coordinating Committees must accept applications from organizations seeking local eligibility for 30 calendar days as determined by the LFCC, and must issue notice of its eligibility decisions within 15 business days of the closing date for receipt of applications.

(b) The Director will annually issue a timetable for accepting and processing national applications.

Subpart I—Payroll Withholding

§ 950.901 Payroll allotment.

The policies and procedures in this section are authorized for payroll withholding operations in accordance with the Office of Personnel Management Pay Administration regulations in part 550 of this Title.

(a) Applicability. Voluntary payroll allotments will be authorized by all Federal departments and agencies for payment of charitable contributions to local CFC organizations.

(b) Allotters. The allotment privilege will be made available to Federal personnel as follows:

(1) Employees whose net pay regularly is sufficient to cover the allotment are eligible. An employee serving under an appointment limited to 1 year or less may make an allotment to a CFC when an appropriate official of the employing Federal agency determines that the employee will continue employment for a period to justify an allotment. This includes military reservists, National Guard, and other part-time and intermittent employees who are regularly employed.

(2) Members of the Uniformed Services are eligible, excluding those on only short-term assignment (less than 3 months).

(c) Authorization. Allotments will be totally voluntary and will be based upon contributor's individual authorization.

(1) The CFC Pledge Card, in conformance with §950.402, is the only form for authorization of the CFC payroll allotment and may be printed or purchased from a central source by each PCFO. The pledge cards and official brochure will be distributed to employees when charitable contributions are solicited.

(2) The original copy of each pledge card (payroll allotment authorization) should be transmitted to the contributor's servicing payroll office as promptly as possible, preferably by December 15. However, if pledge cards are received after that date they should be accepted and processed by the payroll office.

(d) Duration. Authorization of allotments will be in the form of a term allotment. Term authorizations will be in effect for 1 full year—26, 24, or 12 pay periods depending on the allotter's pay schedule—starting with the first pay period beginning in January and ending with the last pay period that begins in December. Three months of employment is considered the minimum amount of time that is reasonable for establishing an allotment.

(e) Amount. Allotters will make a single allotment that is apportioned into equal amounts for deductions each pay period during the year.

(1) The minimum amount of the allotment will be determined by the LFCC but will not be less than $1 per payday, with no restriction on the size of the increment above that minimum.

(2) No change of amount will be authorized for term allotments.

(3) No deduction will be made for any period in which the allotter's net pay, after all legal and previously authorized deductions, is insufficient to cover the CFC allotment. No adjustment will be made in subsequent periods to make up for missed deductions.

(f) Remittance. One check will be sent by the payroll office each pay period, in the gross amount of deductions on the basis of current authorizations, to the Central Receipt and Accounting Point (CRP) at each local CFC location for which the payroll office has received allotment authorizations. The Director will provide a list of the authorized CRP's to Federal payroll offices.

(1) The check will be accompanied by a statement identifying the agency, the dates of the pay period, and the total number of employee deductions.

(2) There will be no listing of allotters included or of allotter discontinuances.

(g) Discontinuance. Term allotments will be discontinued automatically on expiration of the 1 year withholding period, or on the death, retirement, or separation of the allotter from the Federal service, whichever is earlier.

(1) An allotter may revoke a term authorization at any time by requesting it in writing from the payroll office. Discontinuance will be effective the first pay period beginning after receipt of the written revocation in the payroll office.

(2) A discontinued allotment will not be reinstated.

(h) Transfer. When an allotter moves to another organizational unit served by a different payroll office in the same CFC location, whether in the same office or a different Department or agency, his or her allotment authorization should be transferred to the new payroll office.

(i) Accounting. Federal payroll offices will oversee the establishment of

individual allotment accounts, the deductions each pay period, and the reconciliation of employee accounts in accordance with agency and General Accounting Office requirements. The payroll office will accept responsibility for the accuracy of remittances, as supported by current allotment authorizations, and internal accounting and auditing requirements.

(1) The PCFO shall notify the federated groups, national agencies, and local agencies as soon as practicable after the completion of the campaign, but in no case later than February 15, of the amounts, if any, designated to them and their member agencies and of the amounts of the undesignated funds, if any, allocated to them.

(2) The PCFO is responsible for the accuracy of disbursements it transmits to recipients. It shall transmit at least monthly for campaigns of $500,000 or more or quarterly if less than that amount, minus only the approved proportionate share for administrative cost reimbursement and the PCFO fee set forth in §950.106(d). It shall remit the contributions to each organization or to the federated group, if any, of which the organization is a member. For campaigns with gross receipts in excess of $500,000, the PCFO will distribute all CFC receipts beginning April 1, and monthly thereafter. For campaigns with gross receipts of $500,000 or less, the PCFO will distribute all CFC receipts beginning June 1, and quarterly thereafter. At the close of each disbursement period, the PCFO's CFC account shall have a balance of zero.

(3) The PCFO may make one-time disbursements to organizations receiving minimal donations from Federal employees. The LFCC must determine and authorize the amount of these one-time disbursements. The PCFO may deduct the proportionate amount of each organization's share of the campaign's administrative costs and the average of the previous 3 years pledge loss from the one-time disbursement. This is the only approved application of adjusting for pledge loss.

(4) Federated and national charitable organizations, or their designated agents, will accept responsibility for:

(i) The accuracy of distribution amount the charitable organizations of remittances from the PCFO; and

(ii) Arrangements for an independent audit conducted by a certified public accountant agreed upon by the participating charitable organizations.

(a) *By-Laws.* A Federal Executive Board shall adopt by-laws or other rules for its internal governance, subject to the approval of the Director. Such by-laws and other rules may reflect the particular needs, resources, and customs of each Federal Executive Board, provided that they are not inconsistent with the provisions of this part or with the directives of the President or the Director. To the extent that such by-laws and other rules conflict with these provisions or the directives of the President or the Director, such by-laws and other rules shall be null and void.

(b) *Chairman.* Each Federal Executive Board shall have a Chairman, who shall be elected by the members from among their number, and who shall serve for a term of office not to exceed one year.

(c) *Staff.* As they deem necessary and proper, members shall, from time to time, designate personnel from their respective organizations to serve as the staff, or otherwise to participate in the activities, of the Federal Executive Board. Other personnel may be engaged, by appointment, contract, or otherwise, only with the approval of the Director.

(d) Unless otherwise expressly provided by law, by directive of the President or the Director, or by the by-laws of the Federal Executive Board, every committee, subcommittee council, and other sub-unit of the Federal Executive Board, and every affiliation of the Federal Executive Board with external organizations, shall expire upon expiration of the term of office of the Chairman. Such a committee, subcommittee, council, other sub-unit, or affiliation may be reestablished or renewed

by affirmative action of the Federal Executive Board.

(e) *Board Actions.* Actions of a Federal Executive Board shall be taken only with the approval of a majority of the members thereof. This authority may not be delegated. All activities of a Federal Executive Board shall conform to applicable laws and shall reflect prudent uses of official time and funds.

§ 960.106 OPM leadership.

(a) *Role of the Director.* The Director is responsible to the President for the organizational and programmatic activities of the Federal Executive Boards. The Director shall direct and oversee the operations of Federal Executive Boards consistent with law and with the directives of the President. He may, from time to time, consult with, and require the advice of, the Chairman, members, and staff of the Federal Executive Boards.

(b) *Role of the Director's Regional Representatives.* The Chairman of each Federal Executive Board shall report to the Director through the Director's Regional Representative, an official of the Office of Personnel Management. The Director's Regional Representatives shall oversee the activities of, and periodically visit and meet with, the Federal Executive Boards.

(c) *Communications.* The Office of Personnel Management shall maintain channels of communication from the Director through the Director's Regional Representatives to the Chairmen of the Federal Executive Boards, and between and among the Federal Executive Boards through the Director and the Director's Regional Representatives. Any Executive agency may use these channels to communicate with the Director and with the Federal Executive Boards. Chairmen of Federal Executive Boards may communicate with the Director on recommendations for action at the national level, on significant management problems that cannot be addressed at the local level, and on other matters of interest to the Executive Branch.

(d) *Reports.* Each Federal Executive Board shall transmit to the Director, over the signature of its Chairman, an annual work plan and an annual report to the Director on the significant programs and activities of the Federal Executive Board in each fiscal year. Each work plan shall set forth the proposed general agenda for the succeeding fiscal year. The work plan shall be subject to the approval of the Director. Each annual report shall describe and evaluate the preceding fiscal year's activities. The work plan for Fiscal Year 1985 shall be submitted on or before July 1, 1984, and the annual report for Fiscal Year 1984 shall be submitted on or before January 1, 1985. Subsequent annual reports shall be submitted on or before January 1 and subsequent annual work plans shall be submitted on or before July 1 in every year thereafter. In addition, members of Federal Executive Boards shall keep the headquarters of their respective Executive agencies informed of their activities by timely reports through appropriate agency channels.

(e) *Conferences.* The Director may, from time to time, convene regional and national conferences of Chairmen and other representatives of Federal Executive Boards.

§ 960.107 Authorized activities.

(a) Each Federal Executive Board shall serve as an instrument of outreach for the national headquarters of the Executive Branch to Executive Branch activities in the metropolitan area. Each Federal Executive Board shall consider common management and program problems and develop cooperative arrangements that will promote the general objectives of the Government and of the several Executive agencies in the metropolitan area. Efforts of members, alternates, and staff in those areas shall be made with the guidance and approval of the Director; within the range of the delegated authority and discretion they hold; within the resources available; and consistent with the missions of the Executive agencies involved.

(b) Each Federal Executive Board shall: (1) Provide a forum for the exchange of information between Washington and the field and among field elements in the metropolitan area about programs and management methods and problems; (2) develop

local coordinated approaches to the development and operation of programs that have common characteristics; (3) communicate management initiatives and other concerns from Washington to the field to achieve better mutual understanding and support; and (4) refer problems that cannot be solved locally to the national level.

(c) Subject to the guidance of the Director, the Federal Executive Boards shall be responsible for:

(1) Presidential initiatives on management reforms; personnel initiatives of the Office of Personnel Management; programs led by the Office of Management and Budget, such as Reform '88 and the President's Council on Integrity and Efficiency; and facilities planning led by the General Services Administration;

(2) The local Combined Federal Campaign, under the direction of the Director;

(3) The sharing of technical knowledge and resources in finance, internal auditing, personnel management, automated data processing applications, interagency use of computer installations, and similar commonly beneficial activities;

(4) The pooling of resources to provide, as efficiently as possible, and at the least possible cost to the taxpayers, common services such as employee first-aid, cardiopulmonary resuscitation (''CPR''), CPR training, preventative health programs, assistance to the aging, blood donor programs, and savings bond drives;

(5) Encouragement of employee initiative and better performance through special recognition and other incentive programs, and provision of assistance in the implementation and upgrading of performance management systems;

(6) Emergency operations, such as under hazardous weather conditions; responding to blood donation needs; and communicating related leave policies;

(7) Recognition of the service of American Veterans and dissemination of information relating to programs and benefits available for veterans in the Federal service; and

(8) Such other programs, projects, and operations as may be set forth in the annual work plan approved by the Director.

(d) The Office of Personnel Management shall advise Federal Executive Boards on activities in the areas of performance appraisal and incentives, interagency training programs, the educational development of Government employees, improvement of labor-management relations, equal employment opportunity, the Federal Women's Program, the Federal Equal Opportunity Recruitment Program, the Hispanic Employment Program, the Veterans Employment Program, and selective placement programs for handicapped individuals.

(e) The Director may, from time to time, direct one or more of the Federal Executive Boards to address such specific programs or undertake such cooperative activities as he may deem necessary or proper.

§ 960.108 Additional rules and directives.

The Director may, from time to time, issue further rules and guidance for, and directives to, the Federal Executive Boards through the Federal Personnel Manual System and other appropriate instruments.

SOURCE: 58 FR 28759, May 17, 1993, unless otherwise noted.

Subpart A—General

§ 970.100 Purpose.

(a) Executive Order (E.O.) 12549 provides that, to the extent permitted by law, Executive departments and agencies shall participate in a governmentwide system for nonprocurement debarment and suspension. A person who is debarred or suspended shall be excluded from Federal financial and nonfinancial assistance and benefits under Federal programs and activities. Debarment or suspension of a participant in a program by one agency shall have governmentwide effect.

(b) These regulations implement section 3 of E.O. 12549 and the guidelines promulgated by the Office of Management and Budget under section 6 of the E.O. by:

(1) Prescribing the programs and activities that are covered by the governmentwide system;

(2) Prescribing the governmentwide criteria and governmentwide minimum due process procedures that each agency shall use;

(3) Providing for the listing of debarred and suspended participants, participants declared ineligible (see definition of ''ineligible'' in §970.105), and participants who have voluntarily excluded themselves from participation in covered transactions;

(4) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion; and

(5) Offering such other guidance as necessary for the effective implementation and administration of the governmentwide system.

(c) These regulations also implement Executive Order 12689 (3 CFR, 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Public Law 103–355, sec. 2455, 108 Stat. 3327) by—

(1) Providing for the inclusion in the *List of Parties Excluded from Federal Procurement and Nonprocurement Programs* all persons proposed for debarment, debarred or suspended under the Federal Acquisition Regulation, 48 CFR part 9, subpart 9.4; persons against which governmentwide exclusions have been entered under this part; and persons determined to be ineligible; and

(2) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion.

(d) Although these regulations cover the listing of ineligible participants and the effect of such listing, they do not prescribe policies and procedures governing declarations of ineligibility.

[58 FR 28759, May 17, 1993, as amended at 60 FR 33041, 33043, June 26, 1995]

§ 970.110 Coverage.

(a) These regulations apply to all persons who have participated, are currently participating, or may reasonably be expected to participate in transactions under Federal nonprocurement programs. For purposes of these regulations such transactions will be referred to as ''covered transactions.''

(1) *Covered transactions.* For purposes of these regulations, a covered transaction is a primary covered transaction or a lower tier covered transaction. Covered transactions at any tier need not involve the transfer of Federal funds.

(i) *Primary covered transaction.* Except as noted in paragraph (a)(2) of this section, a primary covered transaction is any nonprocurement transaction between an agency and a person, regardless of type, including: grants, cooperative agreements, scholarships, fellowships, contracts of assistance, loans, loan guarantees, subsidies, insurance, payments for specified use, donation agreements and any other nonprocurement transactions between a Federal agency and a person. Primary covered transactions also include those transactions specially designated by the U.S. Department of Housing and Urban Development in such agency's regulations governing debarment and suspension.

(ii) *Lower tier covered transaction.* A lower tier covered transaction is:

(A) Any transaction between a participant and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction.

(B) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $25,000) under a primary covered transaction.

(C) Any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount, under which that person will have a critical influence on or substantive control over that covered transaction. Such persons are:

(*1*) Principal investigators.

(*2*) Providers of federally-required audit services.

(2) *Exceptions.* The following transactions are not covered:

(i) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(ii) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, entities consisting wholly or partially of foreign governments or foreign governmental entities;

(iii) Benefits to an individual as a personal entitlement without regard to the individual's present responsibility (but benefits received in an individual's business capacity are not excepted);

(iv) Federal employment;

(v) Transactions pursuant to national or agency-recognized emergencies or disasters;

(vi) Incidental benefits derived from ordinary governmental operations; and

(vii) Other transactions where the application of these regulations would be prohibited by law.

(b) *Relationship to other sections.* This section describes the types of transactions to which a debarment or suspension under the regulations will apply. Subpart B, Effect of Action, §970.200, Debarment or suspension, sets forth the consequences of a debarment or suspension. Those consequences would obtain only with respect to participants and principals in the covered transactions and activities described in §970.110(a). Sections 970.325, ''Scope of Debarment,'' and 970.420, ''Scope of suspension,'' govern the extent to which a specific participant or organizational elements of a participant would be automatically included within a debarment or suspension action, and the conditions under which affiliates or persons associated with a participant may also be brought within the scope of the action.

(c) *Relationship to Federal procurement activities.* In accordance with E.O. 12689 and section 2455 of Public Law 103–355, any debarment, suspension, proposed debarment or other governmentwide exclusion initiated under the Federal Acquisition Regulation (FAR) on or after August 25, 1995 shall be recognized by and effective for Executive Branch agencies and participants as an exclusion under this regulation. Similarly, any debarment, suspension or other governmentwide exclusion initiated under this regulation on or after August 25, 1995 shall be recognized by and effective for those agencies as a debarment or suspension under the FAR.

[58 FR 28759, May 17, 1993, as amended at 60 FR 33041, 33043, June 26, 1995]

§970.115 Policy.

(a) In order to protect the public interest, it is the policy of the Federal Government to conduct business only with responsible persons. Debarment and suspension are discretionary actions that, taken in accordance with Executive Order 12549 and these regulations, are appropriate means to implement this policy.

(b) Debarment and suspension are serious actions which shall be used only in the public interest and for the Federal Government's protection and not for purposes of punishment. Agencies may impose debarment or suspension for the causes and in accordance with the procedures set forth in these regulations.

(c) When more than one agency has an interest in the proposed debarment

or suspension of a person, consideration shall be given to designating one agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their debarment or suspension actions.

Subpart B—Effect of Action

§ 970.200 Debarment or suspension.

(a) *Primary covered transactions.* Except to the extent prohibited by law, persons who are debarred or suspended shall be excluded from primary covered transactions as either participants or principals throughout the Executive Branch of the Federal Government for the period of their debarment, suspension, or the period they are proposed for debarment under 48 CFR part 9, subpart 9.4. Accordingly, no agency shall enter into primary covered transactions with such excluded persons during such period, except as permitted pursuant to § 970.215.

(b) *Lower tier covered transactions.* Except to the extent prohibited by law, persons who have been proposed for debarment under 48 CFR part 9, subpart 9.4, debarred or suspended shall be excluded from participating as either participants or principals in all lower tier covered transactions (see § 970.110(a)(1)(ii)) for the period of their exclusion.

(c) *Exceptions.* Debarment or suspension does not affect a person's eligibility for—

(1) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(2) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities;

(3) Benefits to an individual as a personal entitlement without regard to the individual's present responsibility (but benefits received in an individual's business capacity are not excepted);

(4) Federal employment;

(5) Transactions pursuant to national or agency-recognized emergencies or disasters;

(6) Incidental benefits derived from ordinary governmental operations; and

(7) Other transactions where the application of these regulations would be prohibited by law.

[60 FR 33041, 33043, June 26, 1995]

§ 970.205 Ineligible persons.

Persons who are ineligible, as defined in § 970.105 are excluded in accordance with the applicable statutory, executive order, or regulatory authority.

§ 970.210 Voluntary exclusion.

Persons who accept voluntary exclusions under § 970.315 are excluded in accordance with the terms of their settlements. The Office of Personnel Management shall, and participants may, contact the original action agency to ascertain the extent of the exclusion.

§ 970.215 Exception provision.

The Office of Personnel Management may grant an exception permitting a debarred, suspended, or voluntarily excluded person, or a person proposed for debarment under 48 CFR part 9, subpart 9.4, to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating the reason(s) for deviating from the Presidential policy established by Executive Order 12549 and § 970.200. However, in accordance with the President's stated intention in the Executive Order, exceptions shall be granted only infrequently. Exceptions shall be reported in accordance with § 970.505(a).

[60 FR 33041, 33043, June 26, 1995]

§ 970.220 Continuation of covered transactions.

(a) Notwithstanding the debarment, suspension, proposed debarment under 48 CFR part 9, subpart 9.4, determination of ineligibility, or voluntary exclusion of any person by an agency, agencies and participants may continue covered transactions in existence at the time the person was debarred, suspended, proposed for debarment

under 48 CFR part 9, subpart 9.4, declared ineligible, or voluntarily excluded. A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.

(b) Agencies and participants shall not renew or extend covered transactions (other than no-cost time extensions) with any person who is debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible or voluntary excluded, except as provided in §970.215.

[60 FR 33041, 33043, June 26, 1995]

§970.225 Failure to adhere to restrictions.

(a) Except as permitted under §970.215 or §970.220, a participant shall not knowingly do business under a covered transaction with a person who is—

(1) Debarred or suspended;

(2) Proposed for debarment under 48 CFR part 9, subpart 9.4; or

(3) Ineligible for or voluntarily excluded from the covered transaction.

(b) Violation of the restriction under paragraph (a) of this section may result in disallowance of costs, annulment or termination of award, issuance of a stop work order, debarment or suspension, or other remedies as appropriate.

(c) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction (See appendix B of these regulations), unless it knows that the certification is erroneous. An agency has the burden of proof that a participant did knowingly do business with a person that filed an erroneous certification.

[60 FR 33041, 33043, June 26, 1995]

Subpart C—Debarment

§970.300 General.

The debarring official may debar a person for any of the causes in §970.305 using procedures established in §§970.310 through 970.314. The existence of a cause for debarment, however, does not necessarily require that the person be debarred; the seriousness of the person's acts or omissions and any mitigating factors shall be considered in making any debarment decision.

§970.305 Causes for debarment.

Debarment may be imposed in accordance with the provisions of §§970.300 through 970.314 for:

(a) Conviction of or civil judgment for:

(1) Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction;

(2) Violation of Federal or State antitrust statutes, including those proscribing price fixing between competitors, allocation of customers between competitors, and bid rigging;

(3) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, making false claims, or obstruction of justice; or

(4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of a person.

(b) Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as:

(1) A willful failure to perform in accordance with the terms of one or more public agreements or transactions;

(2) A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions; or

(3) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction.

(c) Any of the following causes:

(1) A nonprocurement debarment by any Federal agency taken before May 17, 1993, the effective date of these regulations, or a procurement debarment by any Federal agency taken pursuant to 48 CFR subpart 9.4;

(2) Knowingly doing business with a debarred, suspended, ineligible, or voluntarily excluded person, in connection

with a covered transaction, except as permitted in § 970.215 or § 970.220;

(3) Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overpayments, but not including sums owed the Federal Government under the Internal Revenue Code) owed to any Federal agency or instrumentality, provided the debt is uncontested by the debtor or, if contested, provided that the debtor's legal and administrative remedies have been exhausted; or

(4) Violation of a material provision of a voluntary exclusion agreement entered into under § 970.315 or of any settlement of a debarment or suspension action.

(d) Any other cause of so serious or compelling a nature that it affects the present responsibility of a person.

§ 970.310 Procedures.

The Office of Personnel Management shall process debarment actions as informally as practicable, consistent with the principles of fundamental fairness, using the procedures in §§ 970.311 through 970.314.

§ 970.311 Investigation and referral.

Information concerning the existence of a cause for debarment from any source shall be promptly reported, investigated, and referred, when appropriate, to the debarring official for consideration. After consideration, the debarring official may issue a notice of proposed debarment.

§ 970.312 Notice of proposed debarment.

A debarment proceeding shall be initiated by notice to the respondent advising:

(a) That debarment is being considered;

(b) Of the reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;

(c) Of the cause(s) relied upon under § 970.305 for proposing debarment;

(d) Of the provisions of §§ 970.311 through 970.314 and any other Office of Personnel Management procedures, if applicable, governing debarment decisionmaking; and

(e) Of the potential effect of a debarment.

§ 970.313 Opportunity to contest proposed debarment.

(a) *Submission in opposition.* Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.

(b) *Additional proceedings as to disputed material facts.* (1) In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent's submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.

(2) A transcribed record of any additional proceedings shall be made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

§ 970.314 Debarring official's decision.

(a) *No additional proceedings necessary.* In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the debarring official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the debarring official extends this period for good cause.

(b) *Additional proceedings necessary.* (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The debarring official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The debarring official may refer disputed material facts to another official for findings of fact. The debarring

official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.

(3) The debarring official's decision shall be made after the conclusion of the proceedings with respect to disputed facts.

(c)(1) *Standard of proof.* In any debarment action, the cause for debarment must be established by a preponderance of the evidence. Where the proposed debarment is based upon a conviction or civil judgment, the standard shall be deemed to have been met.

(2) *Burden of proof.* The burden of proof is on the agency proposing debarment.

(d) *Notice of debarring official's decision* (1) If the debarring official decides to impose debarment, the respondent shall be given prompt notice:

(i) Referring to the notice of proposed debarment;

(ii) Specifying the reasons for debarment;

(iii) Stating the period of debarment, including effective dates; and

(iv) Advising that the debarment is effective for covered transactions throughout the executive branch of the Federal Government unless an agency head or an authorized designee makes the determination referred to in § 970.215.

(2) If the debarring official decides not to impose debarment, the respondent shall be given prompt notice of that decision. A decision not to impose debarment shall be without prejudice to a subsequent imposition of debarment by any other agency.

§ 970.315 Settlement and voluntary exclusion.

(a) When in the best interest of the Government, the Office of Personnel Management may, at any time, settle a debarment or suspension action.

(b) If a participant and the agency agree to a voluntary exclusion of the participant, such voluntary exclusion shall be entered on the Nonprocurement List (see subpart E of this part).

§ 970.320 Period of debarment.

(a) Debarment shall be for a period commensurate with the seriousness of the cause(s). Generally, a debarment should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed. If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest. However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment action was based. If debarment of an additional period is determined to be necessary, the procedures of §§ 970.311 through 970.314 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by documentation. The debarring official may grant such a request for reasons including, but not limited to:

(1) Newly discovered material evidence;

(2) Reversal of the conviction or civil judgment upon which the debarment was based;

(3) Bona fide change in ownership or management;

(4) Elimination of other causes for which the debarment was imposed; or

(5) Other reasons the debarring official deems appropriate.

§ 970.325 Scope of debarment.

(a) *Scope in general.* (1) Debarment of a person under these regulations constitutes debarment of all its divisions and other organizational elements from all covered transactions, unless the debarment decision is limited by its terms to one or more specifically identified individuals, divisions or other organizational elements or to specific types of transactions.

(2) The debarment action may include any affiliate of the participant that is specifically named and given notice of the proposed debarment and an opportunity to respond (see §§ 970.311 through 970.314).

(b) *Imputing conduct.* For purposes of determining the scope of debarment, conduct may be imputed as follows:

(1) *Conduct imputed to participant.* The fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a participant may be imputed to the participant when the conduct occurred in connection with the individual's performance of duties for or on behalf of the participant, or with the participant's knowledge, approval, or acquiescence. The participant's acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(2) *Conduct imputed to individuals associated with participant.* The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant's conduct.

(3) *Conduct of one participant imputed to other participants in a joint venture.* The fraudulent, criminal, or other seriously improper conduct of one participant in a joint venture, grant pursuant to a joint application, or similar arrangement may be imputed to other participants if the conduct occurred for or on behalf of the joint venture, grant pursuant to a joint application, or similar arrangement may be imputed to other participants if the conduct occurred for or on behalf of the joint venture, grant pursuant to a joint application, or similar arrangement or with the knowledge, approval, or acquiescence of these participants. Acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

Subpart D—Suspension

§ 970.400 General.

(a) The suspending official may suspend a person for any of the causes in § 970.405 using procedures established in §§ 970.410 through 970.413.

(b) Suspension is a serious action to be imposed only when:

(1) There exists adequate evidence of one or more of the causes set out in § 970.405, and

(2) Immediate action is necessary to protect the public interest.

(c) In assessing the adequacy of the evidence, the agency should consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.

§ 970.405 Causes for suspension.

(a) Suspension may be imposed in accordance with the provisions of §§ 970.400 through 970.413 upon adequate evidence:

(1) To suspect the commission of an offense listed in § 970.305(a); or

(2) That a cause for debarment under § 970.305 may exist.

(b) Indictment shall constitute adequate evidence for purposes of suspension actions.

§ 970.410 Procedures.

(a) *Investigation and referral.* Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.

(b) *Decision making process.* The Office of Personnel Management shall process suspension actions as informally as practicable, consistent with the principles of fundamental fairness, using the procedures in §§ 970.411 through 970.413.

§ 970.411 Notice of suspension.

When a respondent is suspended, notice shall immediately be given:

(a) That suspension has been imposed;

(b) That the suspension is based on an indictment, conviction, or other adequate evidence that the respondent has committed irregularities seriously reflecting on the propriety of further Federal Government dealings with the respondent;

(c) Describing any such irregularities in terms sufficient to put the respondent on notice without disclosing the Federal Government's evidence:

(d) Of the cause(s) relied upon under §970.405 for imposing suspension;

(e) That the suspension is for a temporary period pending the completion of an investigation or ensuring legal, debarment, or Program Fraud Civil Remedies Act proceedings;

(f) Of the provisions of §§970.411 through 970.413 and any other Office of Personnel Management procedures, if applicable, governing suspension decisionmaking; and

(g) Of the effect of the suspension.

§970.412 Opportunity to contest suspension.

(a) *Suspension in opposition.* Within 30 days after receipt of the notice of suspension, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the suspension.

(b) *Additional proceedings as to disputed material facts.* (1) If the suspending official finds that the respondents submission in opposition raises a genuine dispute over facts material to the suspension, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents, unless:

(i) The action is based on an indictment, conviction or civil judgment, or

(ii) A determination is made, on the basis of Department of Justice advice, that the substantial interests of the Federal Government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced.

(2) A transcribed record of any additional proceedings shall be prepared and made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirements for a transcript.

§970.413 Suspending official's decision.

The suspending official may modify or terminate the suspension (for example, see §970.320(c) for reasons for reducing the period or scope of debarment) or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any other agency or debarment by any agency. The decision shall be rendered in accordance with the following provisions:

(a) *No additional proceedings necessary.* In actions based on an indictment, conviction or civil judgment, in which there is no genuine dispute over material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

(b) *Additional proceedings necessary.* (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary or capricious or clearly erroneous.

(c) *Notice of suspending official's decision.* Prompt written notice of the suspending official's decision shall be sent to the respondent.

§970.415 Period of suspension.

(a) Suspension shall be for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings, unless terminated sooner by the suspending official or as provided in paragraph (b) of this section.

(b) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an Assistant Attorney General or United States Attorney requests its extension in writing, in which case, it may be extended for an additional six months. In no event may a suspension extend beyond 18 months, unless such proceedings have been initiated within that period.

(c) The suspending official shall notify the Department of Justice of an impending termination of a suspension, at least 30 days before the 12-month period expires, to give that Department an opportunity to request an extension.

§ 970.420 Scope of suspension.

The scope of a suspension is the same as the scope of a debarment (see § 970.325), except that the procedures of §§ 970.410 through 970.413 shall be used in imposing a suspension.

Subpart E—Responsibilities of GSA, Agency and Participants

§ 970.500 GSA responsibilities.

(a) In accordance with the OMB guidelines, GSA shall compile, maintain, and distribute a list of all persons who have been debarred, suspended, or voluntarily excluded by agencies under Executive Order 12549 and these regulations, and those who have been determined to be ineligible.

(b) At a minimum this list shall indicate:

(1) The names and addresses of all debarred, suspended, ineligible, and voluntarily excluded persons, in alphabetical order, with cross-references when more than one name is involved in a single action;

(2) The type of action;

(3) The cause for the action;

(4) The scope of the action;

(5) Any termination date for each listing; and

(6) The agency and name and telephone number of the agency point of contact for the action.

§ 970.505 Office of Personnel Management responsibilities.

(a) The agency shall provide GSA with current information concerning debarments, suspensions, determinations of ineligibility, and voluntary exclusions it has taken.

(b) Unless an alternative schedule is agreed to by GSA, the agency shall advise GSA of the information set forth in § 970.500(b) within five working days after taking such actions.

(c) The agency shall direct inquiries concerning listed persons to the agency that took the action.

(d) Agency officials shall check the Nonprocurement List before entering covered transactions to determine whether a participant in a primary transaction is debarred, suspended, ineligible, or voluntarily excluded (202–501–0688)

(e) Agency officials shall check the Nonprocurement List before approving principals or lower tier participants where agency approval of the principal or lower tier participant is required under the terms of the transaction, to determine whether such principals or participants are debarred, suspended, ineligible, or voluntarily excluded.

§ 970.510 Participants' responsibilities.

(a) *Certification by participants in primary covered transactions.* Each participant shall submit the certification in appendix A to this part for it and its principals at the time the participant submits its proposal in connection with a primary covered transaction, except that States need only complete such certification as to their principals. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, each participant may, but is not required to, check the Nonprocurement List for its principals (202–501–0688). Adverse information on the certification will not necessarily result in denial of participation. However, the certification, and any additional information pertaining to the certification submitted by the participant, shall be considered in the administration of covered transactions.

(b) *Certification by participants in lower tier covered transactions.* (1) Each participant shall require participants

in lower tier covered transactions to include the certification in appendix B to this part for it and its principals in any proposal submitted in connection with such lower tier covered transactions.

(2) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction by any Federal Agency, unless it knows that the certification is erroneous. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, a participant may, but is not required to, check the Nonprocurement List for its principals and for participants (202–501–0688).

(c) *Changed circumstances regarding certification.* A participant shall provide immediate written notice to the Office of Personnel Management if at any time the participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. Participants in lower tier covered transactions shall provide the same updated notice to the participant to which it submitted its proposals.

APPENDIX A TO PART 970—CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS—PRIMARY COVERED TRANSACTIONS

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms *covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded,* as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled ''Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction,'' provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good

faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions

(a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency;

(c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and

(d) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

(2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

4. The terms *covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal,* and *voluntarily excluded,* as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. 6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled ''Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction,'' without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. 990.104 Accredited representatives of service organizations.
990.105 Designation of service organizations as representatives.
990.106 General provisions.

AUTHORITY: 5 U.S.C. 1302, 3315, 7512, 7701.

SOURCE: 33 FR 12523, Sept. 4, 1968, unless otherwise noted.

Subpart A—Claims and Appeals of Veterans; Recognition of Representatives

§ 990.101 Appearance.

A preference eligible who has filed with OPM a claim or an appeal under section 3502, 3503, or 7701 of title 5, United States Code, may appear in a proceeding in connection therewith either personally or by a representative. The representative may be a person designated by the preference eligible, that person being referred to in this part as agent; or a service organization designated by the preference eligible and approved by OPM.

§ 990.102 Agents.

A competent person of good moral character and of good repute who is a citizen of the United States, or who has declared his intention to become a citizen of the United States, may be designated as an agent. A person (other than a Member of Congress) claiming to act as an agent shall submit a written statement from the preference eligible (OPM Form 307) authorizing him to represent the preference eligible in his claim or appeal. A written statement is not required of a Member of Congress claiming to act as an agent to represent a preference eligible in his claim or appeal.

§ 990.103 Recognition of service organizations.

A service organization approved by OPM may be recognized in the presentation of claims or appeals under section 3502, 3503, or 7701 of title 5, United States Code, when the proper officers thereof make application for recognition, and as a part of the application agree and certify that neither the organization nor its representatives will charge claimants or appellants a fee or compensation for their services, except expenses actually incurred with the

consent of the claimant. In requesting recognition, the following information shall be supplied:

(a) Statement outlining the purpose of the organization and need thereof, and manner in which the preference eligible will be benefited by the recognition.

(b) Names, titles, and addresses of officers.

(c) Number of posts or chapters, and States in which located.

(d) Names, titles, and addresses of full-time paid employees who are qualified to act as accredited representatives.

(e) Copy of constitution or charter and bylaws of the organization.

§ 990.104 Accredited representatives of service organizations.

(a) Each recognized service organization shall file with OPM, on the prescribed form (OPM Form 306), the name of any officer whom it desires to be recognized as its accredited representative and OPM office or offices to which recognition is to be extended in the presentation of claims or appeals. In proposing a candidate for recognition as a representative, the organization, through its appropriate officer, shall certify to the following:

(1) That the candidate is a citizen of the United States, of good character and reputation, is qualified by training or experience to assist in the presentation of claims, and is a member or employee of the organization.

(2) That he is not employed in any civil or military department or agency of the United States, and is not a retired member of the Regular Army, Navy, Air Force, Marine Corps, Coast Guard, or Public Health Service.

(3) Whether the candidate is a preference eligible and, if so, that he was honorably discharged from active service.

(b) A single application (OPM Form 306) shall be filed with the central office of OPM for recognition before (1) the central office only, (2) two or more regional offices, or (3) the central office and one or more regional offices. Application shall be filed with the regional office where the candidate is to serve when recognition before only one regional office is requested. Application Form 306 shall be retained by the approving office of OPM.

(c) The central office or regional director, as the case may be, is responsible for determining the qualifications of a candidate of a service organization for recognition. Normally, the candidate of a service organization will be approved. However, if there is doubt as to the qualifications or suitability of a candidate, appropriate investigation may be made to resolve the doubts. If it is determined that the candidate is qualified, duplicate copies of a letter of notice to that effect shall be issued to the veterans organization concerned, with an Identification Card (OPM Form 308) in the candidate's name signed by the appropriate official in the central office or the regional director. One copy of the letter of approval shall be retained by the organization and the other forwarded to the candidate with the Identification Card 308 countersigned by the appropriate officer of the organization. When approval is made by the central office, a copy of the letter of approval shall be sent to each regional office before which recognition of the candidate is approved. When approval is made by a regional office, a copy of the letter of approval shall be sent to the central office of OPM. Each regional office shall maintain a record of all accredited representatives approved for recognition before that regional office. The central office shall maintain a record of all accredited representatives approved by all regional directors and the central office. If the regional director's determination is adverse, or the case is one of doubtful aspect, the entire matter may be referred to OPM's central office, at the regional director's option, where it will be handled in the same manner as a request for recognition ordinarily handled by the central office.

(d) Recognition may be canceled at the request of the organization. The central office or regional director may cancel or suspend a recognition for cause. When a regional director cancels or suspends a recognition, a report of the facts shall be made to the central office. Notice of cancellation or suspension shall be supplied in the same manner as a notice of recognition.

(e) Nominations for accredited representatives of national service organizations are acceptable only if approved by the certifying officer, national headquarters, of the organization.

(f) Letters of recognition issued by the central office to national and field officers of recognized organizations constitute authorization for their recognition in claims or appeals in any regional office within their respective assignments. Letters of recognition issued by a regional director constitute authorization for the accredited representatives to present claims or appeals in any regional office within their respective assignments.

(g) When a representative has been recognized, a card shall be prepared in the office which approves the recognition, showing his name, address, organization, and date of recognition. Copies of this card shall be filed in the central office of OPM, and in the regional office by which he is recognized or in which he is authorized to act.

§ 990.105 Designation of service organizations as representatives.

(a) Before a service organization may be recognized in an individual claim or appeal, there shall be filed a designation duly executed by the claimant or appellant, specifically conferring on the organization the authority to represent him in the presentation of his claim or appeal, and to receive information in connection therewith. This designation shall be on the form prescribed by OPM (OPM Form 307) and shall be presented to the office concerned, to be filed in connection with the claim or appeal. The designation shall be signed by the claimant or appellant.

(b) On receipt and approval of the designation, the service organization named therein shall be recognized as the sole agency for the presentation of the claim or appeal covered thereby, and no other organization shall be recognized in the presentation of that claim or appeal. The designation made by the claimant may be revoked by him at any time and a subsequent designation made, naming another organization. A subsequently executed designation constitutes a revocation of any existing designation. A designation may also be revoked by the organization named therein.

§ 990.106 General provisions.

(a) Nothing in this subpart permits the unauthorized practice of law in any place or the giving of any service except the authorized participation in agency proceedings by agents or accredited representatives who have been approved by OPM.

(b) This subpart does not apply to adjudications of charges of political activity on the part of officers or employees in the competitive service, or of officers or employees of a State or local government, nor to adjudications of the existence of good cause for the removal of hearing examiners appointed under section 3105 of title 5 United States Code.
