### Subpart 101-18.1 Acquisition by Lease

SOURCE: 58 FR 40592, July 29, 1993, unless otherwise noted.

### § 101-18.100 Basic policy.

(a) GSA will lease privately owned land and building space only when needs cannot be satisfactorily met in Government-controlled space and:

(1) Leasing proves to be more advantageous than the construction of a new

or alteration of an existing Federal building;

(2) New construction or alteration is not warranted because requirements in the community are insufficient or indefinite in scope or duration; or

(3) Completion of a new building within a reasonable time cannot be ensured.

(b) Available space in buildings under the custody and control of the United States Postal Service (USPS) will be given priority consideration in fulfilling Federal agency space needs.

(c) Acquisition of space by lease will be on the basis most favorable to the Government, with due consideration to maintenance and operational efficiency, and only at charges consistent with prevailing scales for comparable facilities in the community.

(d) Acquisition of space by lease will be by negotiation except where the sealed bid procedure is required by 41 U.S.C. 253(a). Except as otherwise provided in 41 U.S.C. 253, full and open competition will be obtained among suitable available locations meeting minimum Government requirements.

(e) When acquiring space by lease, the provisions of § 101-17.205 regarding determination of the location of Federal facilities shall be strictly adhered to.

(f) When acquiring space by lease, the provisions of section 110(a) of the National Historic Preservation Act of 1966 (16 U.S.C. 470), as amended, regarding the use of historic properties shall be strictly adhered to.

### § 101-18.101 Acquisition by GSA.

(a) GSA will perform all functions of leasing building space, and land incidental thereto, for Federal agencies except as provided in this subpart.

(b) Officials or employees of agencies for which GSA will acquire leased space shall at no time, before or after a space request is submitted to GSA or after a lease agreement is made, directly or indirectly contact lessors, offerors, or potential offerors for the purpose of making oral or written representation or commitments or agreements with respect to the terms of occupancy of particular space, tenant improvements, alterations and repairs, or payment for overtime services, unless

authorized by the Director of the Real Estate Division in the responsible GSA regional office or facility support center.

**§ 101-18.102 Acquisition by other agencies.**

(a) Acquisitions of leased space by agencies possessing independent statutory authority to acquire such space are not subject to GSA approval or authority.

(b) Upon request, GSA will perform, on a reimbursable basis, all functions of leasing building space, and land incidental thereto, for Federal agencies possessing independent leasing authority.

(c) GSA reserves the right to accept or reject reimbursable leasing service requests on a case-by-case basis.

**§ 101-18.103 Agency cooperation.**

The heads of executive agencies shall:

(a) Cooperate with and assist the Administrator of General Services in carrying out his responsibilities respecting office buildings and space;

(b) Take measures to give GSA early notice of new or changing space requirements;

(c) Seek to economize their requirements for space; and

(d) Continuously review their needs for space in and near the District of Columbia, taking into account the feasibility of decentralizing services or activities which can be carried on elsewhere without excessive costs or significant loss of efficiency.

**§ 101-18.104 Delegation of leasing authority.**

(a) Agencies are authorized to perform for themselves all functions with respect to the acquisition of leased space in buildings and land incidental thereto when the following conditions are met:

(1) The space may be leased for no rental, or for a nominal consideration of \$1.00 per annum, and shall be limited to terms not to exceed one (1) year;

(2) Authority has been requested by an executive agency and a specific delegation has been granted by the Administrator of General Services;

(3) A categorical delegation has been granted by the Administrator of General Services for space to accommodate particular types of agency activities, such as military recruiting offices or space for certain county level agricultural activities. A listing of categorical delegations is found at § 101-18.104-2; or

(4) The required space is found by the Administrator of General Services to be wholly or predominantly utilized for the special purposes of the agency to occupy such space and is not generally suitable for use by other agencies. Prior approval of GSA shall be obtained before an agency initiates a leasing action involving 2,500 or more square feet of such special purpose space. The request for approval and a Standard Form 81 shall be filed with the GSA regional office having jurisdiction in the area of the proposed leasing action as shown in § 101-17.4801. GSA's approval shall be based upon a finding that there is no vacant Government-owned or leased space available that will meet the agency's requirements.

A listing of agency special purpose space delegations is found at § 101-18.104-3.

(b) The Departments of Agriculture, Commerce, and Defense may lease their own building space, and land incidental to its use, and provide for its operation, maintenance, and custody when the space is situated outside an urban center. Such leases shall be for terms not to exceed five (5) years. A list of urban centers follows.

The list in paragraph (b) does not supersede or alter in any way leasing areas which are attached to such specific delegations. Agencies may continue to exercise the leasing authority granted in specific delegations in the manner and to the extent provided in those delegations.

**§ 101-18.104-1 Limitations on the use of delegated authority.**

(a) The authority granted in and pursuant to this subpart shall be exercised in accordance with the requirements and limitations of the Federal Property and Administrative Services Act of 1949, as amended; the Budget Enforcement Act of 1990 and OMB Bulletin 91-02, Part B; Federal Property Management Regulations, subchapter D, those authorities listed in § 101-18.001; and other applicable laws and regulations, including the General Services Administration Acquisition Regulation (GSAR), the Competition in Contracting Act (CICA), and other OMB requirements.

(b) Pursuant to GSA's long-term authority contained in section 210(h)(1) of the Federal Property and Administrative Services Act of 1949, as amended, (40 U.S.C. 490(h)(1)), agencies delegated the authorities outlined herein may enter into leases for the term specified. In those cases where agency special purposes space delegations include the authority to acquire unimproved land, the land may be leased only on a fiscal year basis.

(c) In accordance with section 7(a) of the Public Buildings Act of 1959, as amended (40 U.S.C. 606), agencies must submit a prospectus to the Administrator of General Services for leases involving a net annual rental in excess of \$1.6 million excluding services and utilities.

NOTE: The thresholds for prospectuses are indexed, and change each year.

(d) Agencies having a need for other than temporary parking accommodations in the urban centers listed in § 101-18.102, for Government-owned motor vehicles not regularly house by GSA, shall ascertain the availability of Government-owned or-controlled parking from GSA in accordance with the procedures outlined in § 101-17.202-2 prior to instituting procurement action to acquire parking facilities or services.

(b) Consideration of low- and moderate-income nondiscriminatory housing for employees and the need for development and redevelopment of areas for socioeconomic improvement will apply to the acquisition of space by lease where:

(1) 100 or more low- or moderate-income employees are expected to be employed in the space to be leased; and

(2) The proposed leasing action involves residential relocation of a majority of the existing low- and moderate-income work force, a significant increase in their transportation or parking costs, travel time that exceeds 45 minutes to the new location, or a 20 percent increase in travel time if travel time to the present facility already exceeds an average of 45 minutes; or

(3) GSA requests Department of Housing and Urban Development (HUD) review in lease actions of special importance not covered by paragraphs (b) (1) and (2) of this section.

(c) HUD, as the agency responsible for providing information concerning the availability of nondiscriminatory low- and moderate-income housing in areas where Federal facilities are to be located, shall be consulted when such information is required.

(d) Other socioeconomic considerations described in § 101-19.101 are also applicable to lease acquisitions.
