

phrase “imported by and bottled (packed), (filled) in the United States for” (or a similar appropriate phrase); or,

(iv) In the case of imported distilled spirits bottled after importation by the person responsible for the importation, the words “imported and bottled (packed), (filled) by”, “imported and bottled (packed), (filled) exclusively by”, or a similar appropriate phrase, and immediately thereafter the name of such person and the address of the place where bottled or the address of such person’s principal place of business.

(c) *Post office address.* The “place” stated shall be the post office address, except that the street address may be omitted. No additional places or addresses shall be stated for the same person, firm or corporation, unless (1) such person or retailer is actively engaged in the conduct of an additional bona fide and actual alcoholic beverage business at such additional place or address, and (2) the label also contains in direct conjunction therewith, appropriate descriptive material indicating the function occurring at such additional place or address.

(d) *State of distillation.* Except in the case of “light whisky”, “blended light whisky”, “blended whisky”, “a blend of straight whiskies”, or “spirit whisky”, the State of distillation shall be shown on the label of any whisky produced in the United States if the whisky is not distilled in the State given in the address on the brand label. The appropriate ATF officer may, however, require the State of distillation to be shown on the label or he may permit such other labeling as may be necessary to negate any misleading or deceptive impression which might be created as to the actual State of distillation. In the case of “light whisky”, as defined in § 5.22(b)(3), the State of distillation shall not appear in any manner on any label, when the appropriate ATF officer finds such State is associated by consumers with an American type whisky, except as a part of a name and address as set forth in paragraph (a) of this section.

(e) *Country of origin.* On labels of imported distilled spirits there shall be stated the country of origin in substan-

tially the following form “Product of _____”, the blank to be filled in with the name of the country of origin.

(f) *Trade names.* The trade name of any permittee appearing on any label must be identical to the trade name listed on the permittee’s basic permit.

§ 5.37 Alcohol content.

(a) *Statements—(1) Mandatory statement.* The alcohol content for distilled spirits shall be stated in percent-alcohol-by-volume. Products such as “Rock and Rye, or similar products containing a significant amount of solid material shall state the alcohol content at the time of bottling as follows: “Bottled at _____ percent-alcohol-by-volume.”

(2) *Optional statement.* In addition, the label may also state the alcohol content in degrees of proof if this information appears in direct conjunction (i.e. with no intervening material) with the statement expressed in percent-alcohol-by-volume. If both forms of alcohol content are shown, the optional statement in degrees of proof shall be placed in parentheses, in brackets, or otherwise distinguished from the mandatory statement in percent-alcohol-by-volume to emphasize the fact that both expressions of alcohol content mean the same thing.

(b) *Tolerances.* The following tolerances shall be allowed (without affecting the labeled statement of alcohol content) for losses of alcohol content occurring during bottling:

(1) Not to exceed 0.25 percent alcohol by volume for spirits containing solids in excess of 600 mg per 100 ml; or

(2) Not to exceed 0.25 percent alcohol by volume for any spirits product bottled in 50 or 100 ml size bottles; or

(3) Not to exceed 0.15 percent alcohol by volume for all other spirits.
