

§ 668.21 Treatment of Federal Perkins Loan, FSEOG, and Federal Pell Grant program funds if the recipient withdraws, drops out, or is expelled before his or her first day of class.

(a)(1) If a student officially withdraws, drops out, or is expelled before his or her first day of class of a payment period, all funds paid to the student for that payment period for institutional or noninstitutional costs under the Federal Pell Grant, FSEOG, and Federal Perkins Loan programs are an overpayment.

(2) The institution shall return that overpayment to the respective title IV, HEA programs in the amount that the student received from each program.

(b) For purposes of this section, the Secretary considers that a student drops out before his or her first day of class of a payment period if the institution is unable to document the student's attendance at any class during the payment period.

[52 FR 45727, Dec. 1, 1987, as amended at 63 FR 40624, July 29, 1998]

§ 668.22 Treatment of title IV funds when a student withdraws.

(a) *General.* (1) When a recipient of title IV grant or loan assistance withdraws from an institution during a payment period or period of enrollment in which the recipient began attendance, the institution must determine the amount of title IV grant or loan assistance (not including Federal Work-Study or the non-Federal share of FSEOG awards if an institution meets its FSEOG matching share by the individual recipient method or the aggregate method) that the student earned as of the student's withdrawal date in accordance with paragraph (e) of this section.

(2) If the total amount of title IV grant or loan assistance, or both, that the student earned as calculated under paragraph (e)(1) of this section is less than the amount of title IV grant or loan assistance that was disbursed to the student or on behalf of the student in the case of a PLUS loan, as of the date of the institution's determination that the student withdrew—

(i) The difference between these amounts must be returned to the title IV programs in accordance with paragraphs (g) and (h) of this section in the order specified in paragraph (i) of this section; and

(ii) No additional disbursements may be made to the student for the payment period or period of enrollment.

(3) If the total amount of title IV grant or loan assistance, or both, that the student earned as calculated under paragraph (e)(1) of this section is greater than the total amount of title IV grant or loan assistance, or both, that was disbursed to the student or on behalf of the student in the case of a PLUS loan, as of the date of the institution's determination that the student withdrew, the difference between these amounts must be treated as a post-withdrawal disbursement in accordance with paragraph (a)(4) of this section and § 668.164(g)(2).

(4)(i)(A) If outstanding charges exist on the student's account, the institution may credit the student's account in accordance with § 668.164(d)(1), (d)(2), and (d)(3) with all or a portion of the post-withdrawal disbursement described in paragraph (a)(3) of this section, up to the amount of the outstanding charges.

(B) If Direct Loan, FFEL, or Federal Perkins Loan Program funds are used to credit the student's account, the institution must notify the student, or parent in the case of a PLUS loan, and provide an opportunity for the borrower to cancel all or a portion of the loan, in accordance with § 668.165(a)(2), (a)(3), (a)(4), and (a)(5).

(ii)(A) The institution must offer any amount of a post-withdrawal disbursement that is not credited to the student's account in accordance with paragraph (a)(4)(i) of this section to the student, or the parent in the case of a PLUS loan, within 30 days of the date of the institution's determination that the student withdrew, as defined in paragraph (1)(3) of this section, by providing a written notification to the student, or parent in the case of PLUS loan funds. The written notification must—

(1) Identify the type and amount of the title IV funds that make up the post-withdrawal disbursement that is

not credited to the student's account in accordance with paragraph (a)(4)(i) of this section;

(2) Explain that the student or parent may accept or decline some or all of the post-withdrawal disbursement that is not credited to the student's account in accordance with paragraph (a)(4)(i) of this section; and

(3) Advise the student or parent that no post-withdrawal disbursement will be made to the student or parent if the student or parent does not respond within 14 days of the date that the institution sent the notification, unless the institution chooses to make a post-withdrawal disbursement in accordance with paragraph (a)(4)(ii)(D) of this section.

(B) If the student or parent submits a timely response that instructs the institution to make all or a portion of the post-withdrawal disbursement, the institution must disburse the funds in the manner specified by the student or parent within 90 days of the date of the institution's determination that the student withdrew, as defined in paragraph (l)(3) of this section.

(C) If the student or parent does not respond to the institution's notice, no portion of the post-withdrawal disbursement that is not credited to the student's account in accordance with paragraph (a)(4)(i) of this section may be disbursed.

(D) If a student or parent submits a late response to the institution's notice, the institution may make the post-withdrawal disbursement as instructed by the student or parent or decline to do so.

(E) If a student or parent submits a late response to the institution and the institution does not choose to make the post-withdrawal disbursement in accordance with paragraph (a)(4)(ii)(D) of this section, the institution must inform the student or parent electronically or in writing concerning the outcome of the post-withdrawal disbursement request.

(iii) A post-withdrawal disbursement must be made from available grant funds before available loan funds.

(b) *Withdrawal date for a student who withdraws from an institution that is required to take attendance.* (1) For purposes of this section, for a student who

ceases attendance at an institution that is required to take attendance, including a student who does not return from an approved leave of absence, as defined in paragraph (d) of this section, or a student who takes a leave of absence that does not meet the requirements of paragraph (d) of this section, the student's withdrawal date is the last date of academic attendance as determined by the institution from its attendance records.

(2) An institution must document a student's withdrawal date determined in accordance with paragraph (b)(1) of this section and maintain the documentation as of the date of the institution's determination that the student withdrew, as defined in paragraph (l)(3) of this section.

(3)(i) An institution is "required to take attendance" if the institution is required to take attendance for some or all of its students by an entity outside of the institution (such as the institution's accrediting agency or state agency).

(ii) If an outside entity requires an institution to take attendance for only some students, the institution must use its attendance records to determine a withdrawal date in accordance with paragraph (b)(1) of this section for those students.

(c) *Withdrawal date for a student who withdraws from an institution that is not required to take attendance.* (1) For purposes of this section, for a student who ceases attendance at an institution that is not required to take attendance, the student's withdrawal date is—

(i) The date, as determined by the institution, that the student began the withdrawal process prescribed by the institution;

(ii) The date, as determined by the institution, that the student otherwise provided official notification to the institution, in writing or orally, of his or her intent to withdraw;

(iii) If the student ceases attendance without providing official notification to the institution of his or her withdrawal in accordance with paragraph (c)(1)(i) or (c)(1)(ii) of this section, the mid-point of the payment period (or period of enrollment, if applicable);

(iv) If the institution determines that a student did not begin the institution's withdrawal process or otherwise provide official notification (including notice from an individual acting on the student's behalf) to the institution of his or her intent to withdraw because of illness, accident, grievous personal loss, or other such circumstances beyond the student's control, the date that the institution determines is related to that circumstance;

(v) If a student does not return from an approved leave of absence as defined in paragraph (d) of this section, the date that the institution determines the student began the leave of absence; or

(vi) If a student takes a leave of absence that does not meet the requirements of paragraph (d) of this section, the date that the student began the leave of absence.

(2)(i)(A) An institution may allow a student to rescind his or her official notification to withdraw under paragraph (c)(1)(i) or (ii) of this section by filing a written statement that he or she is continuing to participate in academically-related activities and intends to complete the payment period or period of enrollment.

(B) If the student subsequently ceases to attend the institution prior to the end of the payment period or period of enrollment, the student's rescission is negated and the withdrawal date is the student's original date under paragraph (c)(1)(i) or (ii) of this section, unless a later date is determined under paragraph (c)(3) of this section.

(ii) If a student both begins the withdrawal process prescribed by the institution and otherwise provides official notification of his or her intent to withdraw in accordance with paragraphs (c)(1)(i) and (c)(1)(ii) of this section respectively, the student's withdrawal date is the earlier date unless a later date is determined under paragraph (c)(3) of this section.

(3)(i) Notwithstanding paragraphs (c)(1) and (2) of this section, an institution that is not required to take attendance may use as the student's withdrawal date a student's last date of attendance at an academically-related activity provided that the insti-

tution documents that the activity is academically related and documents the student's attendance at the activity.

(ii) An "academically-related activity" includes, but is not limited to, an exam, a tutorial, computer-assisted instruction, academic counseling, academic advisement, turning in a class assignment or attending a study group that is assigned by the institution.

(4) An institution must document a student's withdrawal date determined in accordance with paragraphs (c)(1), (2), and (3) of this section and maintain the documentation as of the date of the institution's determination that the student withdrew, as defined in paragraph (1)(3) of this section.

(5)(i) "Official notification to the institution" is a notice of intent to withdraw that a student provides to an office designated by the institution.

(ii) An institution must designate one or more offices at the institution that a student may readily contact to provide official notification of withdrawal.

(d) *Approved leave of absence.* (1) For purposes of this section (and, for a title IV, HEA program loan borrower, for purposes of terminating the student's in-school status), an institution does not have to treat a leave of absence as a withdrawal if it is an approved leave of absence. A leave of absence is an approved leave of absence if—

(i) The institution has a formal policy regarding leaves of absence;

(ii) The student followed the institution's policy in requesting the leave of absence;

(iii) The institution determines that there is a reasonable expectation that the student will return to the school;

(iv) The institution approved the student's request in accordance with the institution's policy;

(v) The leave of absence does not involve additional charges by the institution;

(vi) It is the only leave of absence granted to the student in a 12-month period, except as provided for in paragraph (d)(2) of this section;

(vii) The leave of absence does not exceed 180 days in any 12-month period;

(viii) Upon the student's return from the leave of absence, the student is permitted to complete the coursework he or she began prior to the leave of absence; and

(ix) If the student is a title IV, HEA program loan recipient, the institution explains to the student, prior to granting the leave of absence, the effects that the student's failure to return from a leave of absence may have on the student's loan repayment terms, including the exhaustion of some or all of the student's grace period.

(2) Notwithstanding paragraph (d)(1)(vi) of this section, provided that the total number of days of all leaves of absence does not exceed 180 days in any 12-month period, an institution may treat—

(i) One leave of absence subsequent to a leave of absence that is granted in accordance with (d)(1)(vi) of this section as an approved leave of absence if the subsequent leave of absence does not exceed 30 days and the institution determines that the subsequent leave of absence is necessary due to unforeseen circumstances; and

(ii) Subsequent leaves of absence as approved leaves of absence if the institution documents that the leaves of absence are granted for jury duty, military reasons, or circumstances covered under the Family and Medical Leave Act of 1993.

(3) If a student does not resume attendance at the institution on or before the end of a leave of absence that meets the requirements of this section, the institution must treat the student as a withdrawal in accordance with the requirements of this section.

(4) For purposes of this paragraph—

(i) The number of days in a leave of absence are counted beginning with the first day of the student's initial leave of absence in a 12-month period.

(ii) A "12-month period" begins on the first day of the student's initial leave of absence.

(iii) An institution's leave of absence policy is a "formal policy" if the policy—

(A) Is in writing and publicized to students; and

(B) Requires students to provide a written, signed, and dated request for a leave of absence prior to the leave of

absence. However, if unforeseen circumstances prevent a student from providing a prior written request, the institution may grant the student's request for a leave of absence, if the institution documents its decision and collects the written request at a later date.

(e) *Calculation of the amount of title IV assistance earned by the student.* (1) *General.* The amount of title IV grant or loan assistance that is earned by the student is calculated by—

(i) Determining the percentage of title IV grant or loan assistance that has been earned by the student, as described in paragraph (e)(2) of this section; and

(ii) Applying this percentage to the total amount of title IV grant or loan assistance that was disbursed (and that could have been disbursed, as defined in paragraph (1)(1) of this section) to the student, or on the student's behalf, for the payment period or period of enrollment as of the student's withdrawal date.

(2) *Percentage earned.* The percentage of title IV grant or loan assistance that has been earned by the student is—

(i) Equal to the percentage of the payment period or period of enrollment that the student completed (as determined in accordance with paragraph (f) of this section) as of the student's withdrawal date, if this date occurs on or before completion of 60 percent of the—

(A) Payment period or period of enrollment for a program that is measured in credit hours; or

(B) Clock hours scheduled to be completed for the payment period or period of enrollment for a program that is measured in clock hours; or

(ii) 100 percent, if the student's withdrawal date occurs after completion of 60 percent of the—

(A) Payment period or period of enrollment for a program that is measured in credit hours; or

(B) Clock hours scheduled to be completed for the payment period or period of enrollment for a program measured in clock hours.

(3) *Percentage unearned.* The percentage of title IV grant or loan assistance that has not been earned by the student is calculated by determining the

complement of the percentage of title IV grant or loan assistance earned by the student as described in paragraph (e)(2) of this section.

(4) *Total amount of unearned title IV assistance to be returned.* The unearned amount of title IV assistance to be returned is calculated by subtracting the amount of title IV assistance earned by the student as calculated under paragraph (e)(1) of this section from the amount of title IV aid that was disbursed to the student as of the date of the institution's determination that the student withdrew.

(5) *Use of payment period or period of enrollment.* (i) The treatment of title IV grant or loan funds if a student withdraws must be determined on a payment period basis for a student who attended a standard term-based (semester, trimester, or quarter) educational program.

(ii)(A) The treatment of title IV grant or loan funds if a student withdraws may be determined on either a payment period basis or a period of enrollment basis for a student who attended a non-term based educational program or a nonstandard term-based educational program.

(B) An institution must consistently use either a payment period or period of enrollment for all purposes of this section for each of the following categories of students who withdraw from the same non-term based or nonstandard term-based educational program:

(1) Students who have attended an educational program at the institution from the beginning of the payment period or period of enrollment.

(2) Students who re-enter the institution during a payment period or period of enrollment.

(3) Students who transfer into the institution during a payment period or period of enrollment.

(f) *Percentage of payment period or period of enrollment completed.* (1) For purposes of paragraph (e)(2)(i) of this section, the percentage of the payment period or period of enrollment completed is determined—

(i) In the case of a program that is measured in credit hours, by dividing the total number of calendar days in the payment period or period of enroll-

ment into the number of calendar days completed in that period as of the student's withdrawal date; and

(ii) In the case of a program that is measured in clock hours, by dividing the total number of clock hours in the payment period or period of enrollment into the number of clock hours—

(A) Completed by the student in that period as of the student's withdrawal date; or

(B) Scheduled to be completed as of the student's withdrawal date, if the clock hours completed in the period are not less than 70 percent of the hours that were scheduled to be completed by the student as of the student's withdrawal date.

(2)(i) The total number of calendar days in a payment period or period of enrollment includes all days within the period, except that scheduled breaks of at least five consecutive days are excluded from the total number of calendar days in a payment period or period of enrollment and the number of calendar days completed in that period.

(ii) The total number of calendar days in a payment period or period of enrollment does not include days in which the student was on an approved leave of absence.

(g) *Return of unearned aid, responsibility of the institution.* (1) The institution must return, in the order specified in paragraph (i) of this section, the lesser of—

(i) The total amount of unearned title IV assistance to be returned as calculated under paragraph (e)(4) of this section; or

(ii) An amount equal to the total institutional charges incurred by the student for the payment period or period of enrollment multiplied by the percentage of title IV grant or loan assistance that has not been earned by the student, as described in paragraph (e)(3) of this section.

(2) For purposes of this section, "institutional charges" are tuition, fees, room and board (if the student contracts with the institution for the room and board) and other educationally-related expenses assessed by the institution.

(3) If, for a non-term program an institution chooses to calculate the treatment of title IV assistance on a

payment period basis, but the institution charges for a period that is longer than the payment period, "total institutional charges incurred by the student for the payment period" is the greater of—

(i) The prorated amount of institutional charges for the longer period; or

(ii) The amount of title IV assistance retained for institutional charges as of the student's withdrawal date.

(h) *Return of unearned aid, responsibility of the student.* (1) After the institution has allocated the unearned funds for which it is responsible in accordance with paragraph (g) of this section, the student must return assistance for which the student is responsible in the order specified in paragraph (i) of this section.

(2) The amount of assistance that the student is responsible for returning is calculated by subtracting the amount of unearned aid that the institution is required to return under paragraph (g) of this section from the total amount of unearned title IV assistance to be returned under paragraph (e)(4) of this section.

(3) The student (or parent in the case of funds due to a PLUS Loan) must return or repay, as appropriate, the amount determined under paragraph (h)(1) of this section to—

(i) Any title IV loan program in accordance with the terms of the loan; and

(ii) Any title IV grant program as an overpayment of the grant; however, a student is not required to return 50 percent of the grant assistance that is the responsibility of the student to repay under this section.

(4)(i) A student who owes an overpayment under this section remains eligible for title IV, HEA program funds through and beyond the earlier of 45 days from the date the institution sends a notification to the student of the overpayment, or 45 days from the date the institution was required to notify the student of the overpayment if, during those 45 days the student—

(A) Repays the overpayment in full to the institution;

(B) Enters into a repayment agreement with the institution in accordance with repayment arrangements satisfactory to the institution; or

(C) Signs a repayment agreement with the Secretary, which will include terms that permit a student to repay the overpayment while maintaining his or her eligibility for title IV, HEA program funds.

(ii) Within 30 days of the date of the institution's determination that the student withdrew, an institution must send a notice to any student who owes a title IV, HEA grant overpayment as a result of the student's withdrawal from the institution in order to recover the overpayment in accordance with paragraph (h)(4)(i) of this section.

(iii) If an institution chooses to enter into a repayment agreement in accordance with paragraph (h)(4)(i)(B) of this section with a student who owes an overpayment of title IV, HEA grant funds, it must—

(A) Provide the student with terms that permit the student to repay the overpayment while maintaining his or her eligibility for title IV, HEA program funds; and

(B) Require repayment of the full amount of the overpayment within two years of the date of the institution's determination that the student withdrew.

(iv) An institution must refer to the Secretary, in accordance with procedures required by the Secretary, an overpayment of title IV, HEA grant funds owed by a student as a result of the student's withdrawal from the institution if—

(A) The student does not repay the overpayment in full to the institution, or enter a repayment agreement with the institution or the Secretary in accordance with paragraph (h)(4)(i) of this section within the earlier of 45 days from the date the institution sends a notification to the student of the overpayment, or 45 days from the date the institution was required to notify the student of the overpayment;

(B) At any time the student fails to meet the terms of the repayment agreement with the institution entered into in accordance with paragraph (h)(4)(i)(B) of this section; or

(C) The student chooses to enter into a repayment agreement with the Secretary.

§ 668.22

34 CFR Ch. VI (7-1-00 Edition)

(v) A student who owes an overpayment is ineligible for title IV, HEA program funds—

(A) If the student does not meet the requirements in paragraph (h)(4)(i) of this section, on the day following the 45-day period in that paragraph; or

(B) As of the date the student fails to meet the terms of the repayment agreement with the institution or the Secretary entered into in accordance with paragraph (h)(4)(i) of this section.

(vi) A student who is ineligible under paragraph (h)(4)(v) of this section regains eligibility if the student and the Secretary enter into a repayment agreement.

(i) *Order of return of title IV funds.* (1) *Loans.* Unearned funds returned by the institution or the student, as appropriate, in accordance with paragraph (g) or (h) of this section respectively, must be credited to outstanding balances on title IV loans made to the student or on behalf of the student for the payment period or period of enrollment for which a return of funds is required. Those funds must be credited to outstanding balances for the payment period or period of enrollment for which a return of funds is required in the following order:

(i) Unsubsidized Federal Stafford loans.

(ii) Subsidized Federal Stafford loans.

(iii) Unsubsidized Federal Direct Stafford loans.

(iv) Subsidized Federal Direct Stafford loans.

(v) Federal Perkins loans.

(vi) Federal PLUS loans received on behalf of the student.

(vii) Federal Direct PLUS received on behalf of the student.

(2) *Remaining funds.* If unearned funds remain to be returned after repayment of all outstanding loan amounts, the remaining excess must be credited to any amount awarded for the payment period or period of enrollment for which a return of funds is required in the following order:

(i) Federal Pell Grants.

(ii) Federal SEOG Program aid.

(iii) Other grant or loan assistance authorized by title IV of the HEA.

(j) *Timeframe for the return of title IV funds.* (1) An institution must return

the amount of title IV funds for which it is responsible under paragraph (g) of this section as soon as possible but no later than 30 days after the date of the institution's determination that the student withdrew as defined in paragraph (l)(3) of this section.

(2) An institution must determine the withdrawal date for a student who withdraws without providing notification to the institution no later than 30 days after the end of the earlier of the—

(i) Payment period or period of enrollment, as appropriate, in accordance with paragraph (e)(5) of this section;

(ii) Academic year in which the student withdrew; or

(iii) Educational program from which the student withdrew.

(k) *Consumer information.* An institution must provide students with information about the requirements of this section in accordance with § 668.43.

(l) *Definitions.* For purposes of this section—

(1) Title IV grant or loan funds that “could have been disbursed” are determined in accordance with the late disbursement provisions in § 668.164(g).

(2) A “period of enrollment” is the academic period established by the institution for which institutional charges are generally assessed (i.e. length of the student's program or academic year).

(3) The “date of the institution's determination that the student withdrew” is—

(i) For a student who provides notification to the institution of his or her withdrawal, the student's withdrawal date as determined under paragraph (c) of this section or the date of notification of withdrawal, whichever is later;

(ii) For a student who did not provide notification of his or her withdrawal to the institution, the date that the institution becomes aware that the student ceased attendance;

(iii) For a student who does not return from an approved leave of absence, the earlier of the date of the end of the leave of absence or the date the student notifies the institution that he or she will not be returning to the institution; or

this section, the date the institution becomes aware that the student did not, or will not, complete the payment period or period of enrollment.

(v) For a student who takes a leave of absence that is not approved in accordance with paragraph (d) of this section, the date that the student begins the leave of absence.

(4) A "recipient of title IV grant or loan assistance" is a student for whom the requirements of §668.164(g)(2) have been met.
