§2.1 Purpose, scope, and applicability.

(a) This regulation establishes and sets forth the basic policy for the General Accounting Office (GAO) personnel system. Personnel management is a primary responsibility of all who plan, direct, or supervise the work of employees. The objective of personnel management is to contribute to the effective accomplishment of GAO's mission through proper acquisition, development, fair treatment, motivation, compensation and productive utilization of employees.

(b) Nothing in this regulation prohibits or restricts any lawful effort to achieve equal employment opportunity through affirmative action.

§2.3 GAO Personnel Appeals Board.

The General Accounting Office Personnel Appeals Board is established by 31 U.S.C. 751. This board will promulgate regulations providing for employee appeals and establishing its operating procedures.

[47 FR 56979, Dec. 22, 1982]

§2.4 Merit system principles.

(a) Merit personnel systems are based on the principle that an organization is best served by motivated, competent, honest and productive workers. In a merit system, employees are hired,

promoted, rewarded, and retained on the basis of individual ability and fitness for employment without regard to race, color, sex, religion, age, or national origin. Central to this principle is the protection of employees from discrimination, improper political influence and personal favoritism.

(b) Equal employment opportunity is an integral part of every merit system. Affirmative action plans, designed to provide a work force reflective of the Nation's diversity, must assure that both in operation and results the merit system reflects equal opportunity at every step of the personnel process.

(c) GAO personnel systems shall embody the following merit system principles:

(1) Recruitment should be from qualified individuals from appropriate sources in an endeavor to achieve a work force from all segments of society, and selection and advancement should be determined solely on the basis of relative ability, knowledge, and skills, after fair and open competition which assures that all receive equal opportunity.

(2) All employees and applicants for employment should receive fair and equitable treatment in all aspects of personnel management without regard to political affiliation, race, color, religion, national origin, sex, marital status, age, or handicapping condition, and with proper regard for their privacy and constitutional rights.

(3) Equal pay should be provided for work of substantially equal value, with appropriate consideration of both national and local rates paid by employers in the private sector, and appropriate incentives and recognition should be provided for excellence in performance.

(4) All employees should maintain high standards of integrity, conduct, and concern for the public interest.

(5) The work force should be used efficiently and effectively.

(6) Employees should be retained on the basis of the adequacy of their performance, inadequate performance should be corrected, and employees should be separated who cannot or will

§2.5

4 CFR Ch. I (1–1–00 Edition)

not improve their performance to meet required standards.

(7) Employees should be provided effective education and training in cases in which such education and training would result in better organizational and individual performance.

(8) Employees should be protected against arbitrary action, personal favoritism, or coercion from partisan political purposes and prohibited from using their official authority or influence for the purpose of interfering with or affecting the results of an election or a nomination for election.

(9) Employees should be protected against reprisal for the lawful disclosure of information which the employee reasonably believes evidences: a violation of any law, rule or regulation; or mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety.

§2.5 Prohibited personnel practices.

Any GAO employee who has authority to take, direct others to take, recommend, or approve any personnel action, shall not, with respect to such authority engage in the following prohibited personnel practices.

(a) *Discrimination.* GAO employees shall not discriminate for or against any employee or applicant for employment—

(1) On the basis of race, color, religion, sex, or national origin, as prohibited under section 717 of the Civil Rights Act of 1964 (42 U.S.C. 2000 e–16);

(2) On the basis of age, as prohibited under section 12 and 15 of the Age Discrimination in Employment Act of 1967 (29 U.S.C. 631, 633a);

(3) On the basis of sex, as prohibited under section 6(d) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(d));

(4) On the basis of handicapping condition, as prohibited under section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791); or

(5) On the basis of marital status or political affiliation, as prohibited under any law, rule, or regulation.

(b) *Recommendations or statements.* GAO employees shall not solicit or consider any recommendation or statement, oral or written, with respect to any individual who requests or is under

consideration for any personnel action unless such recommendation or statement is based on the personal knowledge or records of the person furnishing it and consists of—

(1) An evaluation of the work performance, ability, aptitude, or general qualifications of such individual, or

(2) An evaluation of the character, loyalty, or suitability of such individual.

(c) *Political activity.* GAO employees shall not coerce the political activity of any person (including the providing of any political contribution or service), or take any action against any employee or applicant for employment as a reprisal for the refusal of any person to engage in such political activity.

(d) *Compete for employment.* GAO employees shall not deceive or willfully obstruct any person with respect to such person's right to compete for employment.

(e) *Influencing competition.* GAO employees shall not influence any person to withdraw from competition for any position for the purpose of improving or injuring the prospects of any other person for employment.

(f) *Preference or advantage.* GAO employees shall not grant any preference or advantage not authorized by law, rule, or regulation to any employee or applicant for employment (including defining the scope or manner of competition or the requirements for any position) for the purpose of improving or injuring the prospects of any particular person for employment.

(g) *Relatives.* GAO employees who are serving as public officials (as defined in section 3110(a)(2) of title 5, United States Code) shall not appoint, employ, promote, advance, or advocate for appointment, employment, promotion, or advancement, in or to a GAO position any individual who is a relative (as defined in section 3110(a)(3) of title 5, U.S. Code) of such employee.

(h) *Reprisals.* GAO employees shall not take or fail to take a personnel action with respect to any employee or applicant for employment as a reprisal for—

(2) A disclosure to the General Counsel of the GAO Personnel Appeals Board of information which the employee or applicant reasonably believes evidences—

(i) A violation of any law, rule, or regulation, or

(ii) Mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety.

(i) *Reprisals for appeals.* GAO employees shall not take or fail to take any personnel action against any employee or applicant for employment as a reprisal for the exercise of any appeal right granted by any law, rule, or regulation.

(j) *Discrimination for conduct.* GAO employees shall not discriminate for or against any employee or applicant for employment on the basis of conduct which does not adversely affect the performance of the employee or applicant or the performance of others; except that nothing in this paragraph shall prohibit an agency from taking into account in determining suitability or fitness any conviction of the employee or applicant for any crime under the laws of any State, or the District of Columbia, or of the United States.

(k) *Other personnel actions.* GAO employees shall not take or fail to take any other personnel action if the taking of or failure to take such action violates any law, rule or regulation implementing, or directly concerning, the merit system principles described in §2.4.

(l) *Information to the Congress.* Nothing in this section shall be construed to authorize the withholding of informa-

tion from the Congress or the taking of any personnel action against an employee who discloses information to the Congress.

§2.6 Veterans' preference.

(a) GAO will provide preference, for any individual who would be a preference eligible in the executive branch, in a manner and to an extent consistent with preference eligibles in the executive branch.

(b) Appeals from preference decisions will be heard by the GAO Personnel Appeals Board.

(b) Each performance appraisal system shall provide for—

(1) Establishing performance standards which will, to the maximum extent feasible, permit the accurate evaluation of job performance on the basis of job-related criteria (which may include the extent of courtesy demonstrated to the public) for each GAO employee.

(2) As soon as practicable, but not later than October 1, 1981, with respect to initial appraisal periods, and thereafter at the beginning of each following appraisal period, communicating to reach GAO employee the performance standards and the critical elements of the employee's position.

(a) *Employee entitlement.* A GAO employee whose reduction in grade/pay level or removal is proposed under this section is entitled to—

(b) *Decisions to retain, reduce in grade/pay level or remove.* The decision to retain, reduce in grade or remove a GAO employee—

(1) Shall be made within 30 days after the date of expiration of the notice period, and

(2) In the case of reduction in grade/pay level or removal, may be based only on those instances of unacceptable performance by the employee—

(i) Which occurred during the 1-year period ending on the date of the notice of the proposed action.

(ii) For which the notice and other requirements of this section are complied with.

(c) *Performance improvement.* If because of performance improvement by the employee during the notice period, the employee is not reduced in grade/pay level or removed, and the employee's performance continues to be acceptable for 1 year from the date of advance written notice, any records shall be retained only as prescribed by other recordkeeping requirements, such as grievances, adverse action appeals, or

§5.2 Grade and pay retention.

(a) *Change of positions.* Any GAO employee who is placed in a lower grade position as a result of a reduction-in-force may be entitled to the retained grade of the higher position he or she previously held. The employee receives this entitlement (which is for a period of 2 years) if he or she has served for at least 52 consecutive weeks in one or more positions at a grade or grades higher than the new position. The 2-year period begins on the date of placement to the lower grade position.

(b) *Reclassification.* Any GAO employee who is in a position which is reduced in grade is entitled to have the grade of such position before reduction be treated as the retained grade of such employee for the 2-year period beginning on the date of reduction in grade. However, this section shall not apply to any reduction in the grade of a position which had not been classified at

the higher grade for a continuous period of at least 1 year immediately before such reduction.

(2) Basic pay at a rate equal to the employee's allowable former rate of basic pay, plus 50 percent of the amount of each increase in the maximum rate of basic pay payable for the employee's position immediately after such reduction in pay if such allowable former rate exceeds such maximum rate for such grade.

(f) *"Allowable former rate of basic pay."* This means the lower of—

(1) The rate of basic pay payable to the employee immediately before the reduction in pay; or

(2) 150 percent of the maximum rate of basic pay payable for the grade of the employee's position immediately after such reduction in pay.

(g) *Termination of retained pay.* The pay retention provisions in §5.2(e) shall cease to apply to a GAO employee who—

(1) Has a break in service of 1 work-day or more.

(2) Is entitled by operation of §§5.1, 5.2, and 5.3 to a rate of basic pay which is equal to or higher than, or declines a reasonable offer of a position the rate of basic pay for which is equal to or higher than, the rate to which the employee is entitled under §5.2(e); or

(3) Is demoted for personal cause or at the employee's request.

(h) *Remedial actions.* Under regulations prescribed by the Comptroller General, Personnel shall—

(1) Obtain and make available to employees receiving benefits under this section, information on vacancies in other Federal agencies.

(3) Establish a program under which employees receiving benefits under this section are given priority in the consideration for or placement in positions which are equal to their retained grade or pay.

(i) *Appeals.* In the case of the termination of any benefits to a GAO employee under this section on the grounds that such employee declined a reasonable offer of a position the grade or pay of which was equal to or greater than their retained grade or pay, after administrative remedies have been exhausted, such termination may be appealed to the GAO Personnel Appeals Board under procedures prescribed by the Board.

§5.3 Merit pay.

The Comptroller General may promulgate regulations establishing a merit pay system for such employees of the General Accounting Office as the Comptroller General considers appropriate. The merit pay system shall be

§ 11.1 Right to representation before the General Accounting Office.

Each person having a claim or other rights assertable in the General Accounting Office may pursue such claim or right individually or through an attorney or other representative.

§ 11.2 Practice by attorneys.

Any person who is a member in good standing of the bar of the Supreme Court of the United States or of the highest court of any State, territory, or the District of Columbia, and is not under any order of any court suspending, enjoining, restraining, disbar-

When an attorney acting in a representative capacity appears in person or signs a document submitted to the General Accounting Office in connection with a matter other than one involving a payment to be made by the United States, his personal appearance or signature shall constitute a representation that he is authorized and qualified to represent the particular party in whose behalf he acts. §21.0 Definitions.

(a) *Interested party* means an actual or prospective bidder or offeror whose direct economic interest would be affected by the award of a contract or by the failure to award a contract.

(b) *Intervenor* means an awardee if the award has been made or, if no award has been made, all bidders or offerors who appear to have a substantial prospect of receiving an award if the protest is denied.

(c) *Federal agency* means any executive department or independent establishment in the executive branch, including any wholly owned government corporation, and any establishment in the legislative or judicial branch, except the Senate, the House of Representatives, and the Architect of the Capitol and any activities under his direction.

(d) *Contracting agency* means a Federal agency which has awarded or proposes to award a contract under a protested procurement.

(e) *Days* are calendar days. In computing any period of time described in

Subchapter V, Chapter 35 of Title 31, United States Code, including those described in this part, the day from which the period begins to run is not counted, and when the last day of the period is a Saturday, Sunday, or Federal holiday, the period extends to the next day that is not a Saturday, Sunday, or Federal holiday. Similarly, when the General Accounting Office (GAO), or another Federal agency where a submission is due, is closed for all or part of the last day, the period extends to the next day on which the agency is open.

(f) *Adverse agency action* is any action or inaction by a contracting agency which is prejudicial to the position taken in a protest filed with the agency, including a decision on the merits of a protest; the opening of bids or receipt of proposals, the award of a contract, or the rejection of a bid despite a pending protest; or contracting agency acquiescence in continued and substantial contract performance.

(g) A document is *filed* on a particular day when it is received by GAO by 5:30 p.m., eastern time, on that day. A document may be filed by hand delivery, mail, or commercial carrier; parties wishing to file a document by facsimile transmission or other electronic means must ensure that the necessary equipment is operational at GAO's Procurement Law Control Group.

§21.1 Filing a protest.

(a) An interested party may protest a solicitation or other request by a Federal agency for offers for a contract for the procurement of property or services; the cancellation of such a solicitation or other request; an award or proposed award of such a contract; and a termination of such a contract, if the protest alleges that the termination was based on improprieties in the award of the contract.

(b) Protests must be in writing and addressed as follows: General Counsel, General Accounting Office, 441 G Street, NW., Washington, DC 20548, Attention: Procurement Law Control Group.

(c) A protest filed with GAO shall:

General Accounting Office

§21.2

(1) Include the name, address, and telephone and facsimile numbers of the protester,

(2) Be signed by the protester or its representative,

(3) Identify the contracting agency and the solicitation and/or contract number,

(4) Set forth a detailed statement of the legal and factual grounds of protest including copies of relevant documents,

(5) Set forth all information establishing that the protester is an interested party for the purpose of filing a protest,

(6) Set forth all information establishing the timeliness of the protest,

(7) Specifically request a ruling by the Comptroller General of the United States, and

(8) State the form of relief requested.

(d) In addition, a protest filed with GAO may:

(1) Request a protective order,

(2) Request specific documents, explaining the relevancy of the documents to the protest grounds, and

(3) Request a hearing, explaining the reasons that a hearing is needed to resolve the protest.

(e) The protester shall furnish a complete copy of the protest, including all attachments, to the individual or location designated by the contracting agency in the solicitation for receipt of protests, or if there is no designation, to the contracting officer. The designated individual or location (or, if applicable, the contracting officer) must receive a complete copy of the protest and all attachments not later than 1 day after the protest is filed with GAO. The protest document must indicate that a complete copy of the protest and all attachments are being furnished within 1 day to the appropriate individual or location.

(f) No formal briefs or other technical forms of pleading or motion are required. Protest submissions should be concise and logically arranged, and should clearly state legally sufficient grounds of protest. Protests of different procurements should be separately filed.

(g) Unless precluded by law, GAO will not withhold material submitted by a protester from any party outside the

government. If the protester believes that the protest contains information which should be withheld, a statement advising of this fact must be on the front page of the submission. This information must be identified wherever it appears, and the protester must file a redacted copy of the protest which omits the information with GAO and the agency within 1 day after the filing of its protest with GAO.

(h) Parties who intend to file documents containing classified information should notify GAO in advance to obtain advice regarding procedures for filing and handling the information.

(i) A protest may be dismissed for failure to comply with any of the requirements of this section, except for the items in paragraph (d) of this section. In addition, a protest shall not be dismissed for failure to comply with paragraph (e) of this section where the contracting officer has actual knowledge of the basis of protest, or the agency, in the preparation of its report, was not prejudiced by the protester's noncompliance.

§21.2 Time for filing.

(a)(1) Protests based upon alleged improprieties in a solicitation which are apparent prior to bid opening or the time set for receipt of initial proposals shall be filed prior to bid opening or the time set for receipt of initial proposals. In procurements where proposals are requested, alleged improprieties which do not exist in the initial solicitation but which are subsequently incorporated into the solicitation must be protested not later than the next closing time for receipt of proposals following the incorporation.

(2) Protests other than those covered by paragraph (a)(1) of this section shall be filed not later than 10 days after the basis of protest is known or should have been known (whichever is earlier), with the exception of protests challenging a procurement conducted on the basis of competitive proposals under which a debriefing is requested and, when requested, is required. In such cases, with respect to any protest basis which is known or should have been known either before or as a result of the debriefing, the initial protest shall not be filed before the debriefing

§21.3

4 CFR Ch. I (1–1–00 Edition)

date offered to the protester, but shall be filed not later than 10 days after the date on which the debriefing is held.

(3) If a timely agency-level protest was previously filed, any subsequent protest to GAO filed within 10 days of actual or constructive knowledge of initial adverse agency action will be considered, provided the agency-level protest was filed in accordance with paragraphs (a)(1) and (a)(2) of this section, unless the contracting agency imposes a more stringent time for filing, in which case the agency's time for filing will control. In cases where an alleged impropriety in a solicitation is timely protested to a contracting agency, any subsequent protest to GAO will be considered timely if filed within the 10-day period provided by this paragraph, even if filed after bid opening or the closing time for receipt of proposals.

(b) Protests untimely on their face may be dismissed. A protester shall include in its protest all information establishing the timeliness of the protest; a protester will not be permitted to introduce for the first time in a request for reconsideration information necessary to establish that the protest was timely.

(c) GAO, for good cause shown, or where it determines that a protest raises issues significant to the procurement system, may consider an untimely protest.

§21.3 Notice of protest, submission of agency report, and time for filing of comments on report.

(a) GAO shall notify the contracting agency by telephone within 1 day after the filing of a protest, and, unless the protest is dismissed under this part, shall promptly send a written confirmation to the contracting agency and an acknowledgment to the protester. The contracting agency shall immediately give notice of the protest to the contractor if award has been made or, if no award has been made, to all bidders or offerors who appear to have a reasonable prospect of receiving an award. The contracting agency shall furnish copies of the protest submissions to those parties, except where disclosure of the information is prohibited by law, with instructions to com-

municate further directly with GAO. All parties shall furnish copies of all protest communications to the contracting agency and to other participating parties. All protest communications shall be sent by means reasonably calculated to effect expeditious delivery.

(b) A contracting agency or intervenor which believes that the protest or specific protest allegations should be dismissed before submission of an agency report should file a request for dismissal as soon as practicable.

(c) The contracting agency shall file a report on the protest with GAO within 30 days after the telephone notice of the protest from GAO. The report provided to the parties need not contain documents which the agency has previously furnished or otherwise made available to the parties in response to the protest. At least 5 days prior to the filing of the report, in cases in which the protester has filed a request for specific documents, the agency shall provide to all parties and GAO a list of those documents, or portions of documents, which the agency has released to the protester or intends to produce in its report, and of the documents which the agency intends to withhold from the protester and the reasons for the proposed withholding. Any objection to the scope of the agency's proposed disclosure or nondisclosure of documents must be filed with GAO and the other parties within 2 days of receipt of this list.

(d) The report shall include the contracting officer's statement of the relevant facts, including a best estimate of the contract value, a memorandum of law, and a list and a copy of all relevant documents, or portions of documents, not previously produced, including, as appropriate: the protest; the bid or proposal submitted by the protester; the bid or proposal of the firm which is being considered for award, or whose bid or proposal is being protested; all evaluation documents; the solicitation, including the specifications; the abstract of bids or offers; and any other relevant documents. In appropriate

General Accounting Office

§21.4

cases, the contracting agency may request that the protester produce relevant documents, or portions of documents, that are not in the agency's possession.

(e) Subject to any protective order issued in the protest pursuant to §21.4, the contracting agency shall simultaneously furnish a copy of the report to the protester and any intervenors. The copy of the report filed with GAO shall list the parties who have been furnished copies of the report. Where a protester does not have counsel admitted to a protective order and documents are withheld from the protester in accordance with this part, the agency shall provide documents adequate to inform the protester of the basis of the agency's position.

(f) The contracting agency may request an extension of time for the submission of the list of documents to be provided by the agency pursuant to §21.3(c) or for the submission of the agency report. Extensions will be granted on a case-by-case basis.

(g) The protester may request additional documents after receipt of the agency report when their existence or relevance first becomes evident. Except when authorized by GAO, any request for additional documents must be filed with GAO and the contracting agency not later than 2 days after their existence or relevance is known or should have been known, whichever is earlier. The contracting agency shall provide the requested documents, or portions of documents, and a list to GAO and the other parties within 2 days or explain why it is not required to produce the documents.

(h) Upon the request of a party, GAO will decide whether the contracting agency must provide any withheld documents, or portions of documents, and whether this should be done under a protective order. When withheld documents are provided, the protester's comments on the agency report shall be filed within the original comment filing period unless GAO determines that an extension is appropriate.

(i) Comments on the agency report shall be filed with GAO within 10 days after receipt of the report, with a copy provided to the contracting agency and other participating parties. The protest

shall be dismissed unless the protester files comments or a written statement requesting that the case be decided on the existing record, or requests an extension of time within the 10-day period. Unless otherwise advised by the protester, GAO will assume the protester received the agency report by the due date specified in the acknowledgment of protest furnished by GAO. Upon a showing that the specific circumstances of a protest require a period longer than 10 days for the submission of comments, GAO will set a new date for the submission of comments. Extensions will be granted on a case-by-case basis.

(j) GAO may request or permit the submission of additional statements by the parties and by other parties not participating in the protest as may be necessary for the fair resolution of the protest. The agency and other parties shall not submit any additional statements unless the statements are specifically requested by GAO or submitted after permission has been granted by GAO.

§21.4 Protective orders.

(a) At the request of a party or on its own initiative, GAO may issue a protective order controlling the treatment of protected information. Such information may include proprietary, confidential, or source-selection-sensitive material, as well as other information the release of which could result in a competitive advantage to one or more firms. The protective order shall establish procedures for application for access to protected information, identification and safeguarding of that information, and submission of redacted copies of documents omitting protected information. Because a protective order serves to facilitate the pursuit of a protest by a protester through counsel, it is the responsibility of protester's counsel to request that a protective order be issued and to submit timely applications for admission under that order.

(b) If no protective order has been issued, the agency may withhold from the parties those portions of its report which would ordinarily be subject to a protective order. GAO will review in

§21.5

4 CFR Ch. I (1–1–00 Edition)

camera all information not released to the parties.

(c) After a protective order has been issued, counsel or consultants retained by counsel appearing on behalf of a party may apply for admission under the order by submitting an application to GAO, with copies furnished simultaneously to all parties. The application shall establish that the applicant is not involved in competitive decision-making for any firm that could gain a competitive advantage from access to the protected information and that there will be no significant risk of inadvertent disclosure of protected information. Objections to an applicant's admission shall be raised within 2 days after receipt of the application, although GAO may consider objections raised after that time.

(d) Any violation of the terms of a protective order may result in the imposition of such sanctions as GAO deems appropriate, including referral to appropriate bar associations or other disciplinary bodies and restricting the individual's practice before GAO.

§21.5 Protest issues not for consideration.

GAO shall summarily dismiss a protest or specific protest allegations that do not state a valid basis for protest, are untimely (unless considered pursuant to §21.2(c)), or are not properly before GAO. A protest or specific protest allegations may be dismissed any time sufficient information is obtained by GAO warranting dismissal. Where an entire protest is dismissed, no agency report shall be filed; where specific protest allegations are dismissed, an agency report shall be filed on the remaining allegations. Among the protest bases which shall be dismissed are the following:

(a) *Contract administration.* The administration of an existing contract is within the discretion of the contracting agency. Disputes between a contractor and the agency are resolved pursuant to the disputes clause of the contract and the Contract Disputes Act of 1978. 41 U.S.C. 601–613.

(b) *Small Business Administration issues.* (1) *Small business size standards and standard industrial classification.*

Challenges of established size standards or the size status of particular firms, and challenges of the selected standard industrial classification may be reviewed solely by the Small Business Administration. 15 U.S.C. 637(b)(6).

(2) *Small Business Certificate of Competency Program.* Any referral made to the Small Business Administration pursuant to sec. 8(b)(7) of the Small Business Act, or any issuance of, or refusal to issue, a certificate of competency under that section will not be reviewed by GAO absent a showing of possible bad faith on the part of government officials or a failure to consider vital information bearing on the firm's responsibility. 15 U.S.C. 637(b)(7).

(3) *Procurements under sec. 8(a) of the Small Business Act.* Under that section, since contracts are entered into with the Small Business Administration at the contracting officer's discretion and on such terms as are agreed upon by the procuring agency and the Small Business Administration, the decision to place or not to place a procurement under the 8(a) program is not subject to review absent a showing of possible bad faith on the part of government officials or that regulations may have been violated. 15 U.S.C. 637(a).

(c) *Affirmative determination of responsibility by the contracting officer.* Because the determination that a bidder or offeror is capable of performing a contract is based in large measure on subjective judgments which generally are not readily susceptible of reasoned review, an affirmative determination of responsibility will not be reviewed absent a showing of possible bad faith on the part of government officials or that definitive responsibility criteria in the solicitation were not met.

(d) *Procurement integrity.* For any Federal procurement, GAO will not review an alleged violation of subsections (a), (b), (c), or (d) of sec. 27 of the Office of Federal Procurement Policy Act, 41 U.S.C. 423, as amended by sec. 4304 of the National Defense Authorization Act for Fiscal Year 1996, Public Law 104–106, 110 Stat. 186, February 10, 1996, where the protester failed to report the information it believed constituted evidence of the offense to the Federal agency responsible

General Accounting Office

§21.8

for the procurement within 14 days after the protester first discovered the possible violation. The provision in paragraph (d) of §21.5 will apply not later than January 1, 1997.

(e) Protests not filed either in GAO or the contracting agency within the time limits set forth in §21.2.

(f) Protests which lack a detailed statement of the legal and factual grounds of protest as required by §21.1(c)(4), or which fail to clearly state legally sufficient grounds of protest as required by §21.1(f).

(g) *Procurements by agencies other than Federal agencies as defined by sec. 3 of the Federal Property and Administrative Services Act of 1949, 40 U.S.C. 472.* Protests of procurements or proposed procurements by agencies such as the U.S. Postal Service, the Federal Deposit Insurance Corporation, and non-appropriated fund activities are beyond GAO's bid protest jurisdiction as established in 31 U.S.C. 3551-3556.

(h) *Subcontract protests.* GAO will not consider a protest of the award or proposed award of a subcontract except where the agency awarding the prime contract has requested in writing that subcontract protests be decided pursuant to §21.13.

§21.6 Withholding of award and suspension of contract performance.

Where a protest is filed with GAO, the contracting agency may be required to withhold award and to suspend contract performance. The requirements for the withholding of award and the suspension of contract performance are set forth in 31 U.S.C. 3553 (c) and (d).

§21.7 Hearings.

(a) At the request of a party or on its own initiative, GAO may conduct a hearing in connection with a protest. The request shall set forth the reasons why a hearing is needed to resolve the protest.

(b) Prior to the hearing, GAO may hold a pre-hearing conference to discuss and resolve matters such as the procedures to be followed, the issues to be considered, and the witnesses who will testify.

(c) Hearings generally will be conducted as soon as practicable after re-

ceipt by the parties of the agency report and relevant documents. Although hearings ordinarily will be conducted at GAO in Washington, DC, hearings may, at the discretion of GAO, be conducted at other locations, or by telephone.

(d) All parties participating in the protest shall be invited to attend the hearing. Others may be permitted to attend as observers and may participate as allowed by GAO's hearing official. In order to prevent the improper disclosure of protected information at the hearing, GAO's hearing official may restrict attendance during all or part of the proceeding.

(e) Hearings shall normally be recorded and/or transcribed. If a recording and/or transcript is made, any party may obtain copies at its own expense.

(f) If a witness whose attendance has been requested by GAO fails to attend the hearing or fails to answer a relevant question, GAO may draw an inference unfavorable to the party for whom the witness would have testified.

(g) If a hearing is held, no separate comments on the agency report should be submitted unless specifically requested by GAO. Each party shall file with GAO, within 5 days after the hearing was held or as specified by GAO, a single document expressing any comments on both the hearing and agency report, with copies furnished to the other parties. By the due date, if the protester has not filed comments or a written statement requesting that the case be decided on the existing record, GAO shall dismiss the protest.

(h) In post-hearing comments, the parties should reference all testimony and admissions in the hearing record that they consider relevant, providing specific citations to the testimony and admissions referenced.

§21.8 Remedies.

(a) If GAO determines that a solicitation, cancellation of a solicitation, termination of a contract, proposed award, or award does not comply with statute or regulation, it shall recommend that the contracting agency implement any combination of the following remedies:

§21.9

4 CFR Ch. I (1–1–00 Edition)

(1) Refrain from exercising options under the contract;

(2) Terminate the contract;

(3) Recompete the contract;

(4) Issue a new solicitation;

(5) Award a contract consistent with statute and regulation; or

(6) Such other recommendation(s) as GAO determines necessary to promote compliance.

(b) In determining the appropriate recommendation(s), GAO shall, except as specified in paragraph (c) of this section, consider all circumstances surrounding the procurement or proposed procurement including the seriousness of the procurement deficiency, the degree of prejudice to other parties or to the integrity of the competitive procurement system, the good faith of the parties, the extent of performance, the cost to the government, the urgency of the procurement, and the impact of the recommendation(s) on the contracting agency's mission.

(c) If the head of the procuring activity determines that performance of the contract notwithstanding a pending protest is in the government's best interest, GAO shall make its recommendation(s) under paragraph (a) of this section without regard to any cost or disruption from terminating, recompeting, or reawarding the contract.

(d) If GAO determines that a solicitation, proposed award, or award does not comply with statute or regulation, it may recommend that the contracting agency pay the protester the costs of:

(1) Filing and pursuing the protest, including attorneys' fees and consultant and expert witness fees; and

(2) Bid and proposal preparation.

(e) If the contracting agency decides to take corrective action in response to a protest, GAO may recommend that the agency pay the protester the costs of filing and pursuing the protest, including attorneys' fees and consultant and expert witness fees. The protester shall file any request that GAO recommend that costs be paid within 15 days after being advised that the contracting agency has decided to take corrective action. The protester shall furnish a copy of its request to the contracting agency, which may file a response within 15 days after receipt of

the request, with a copy furnished to the protester.

(f)(1) If GAO recommends that the contracting agency pay the protester the costs of filing and pursuing the protest and/or of bid or proposal preparation, the protester and the agency shall attempt to reach agreement on the amount of costs. The protester shall file its claim for costs, detailing and certifying the time expended and costs incurred, with the contracting agency within 60 days after receipt of GAO's recommendation that the agency pay the protester its costs. Failure to file the claim within that time may result in forfeiture of the protester's right to recover its costs.

(2) The contracting agency shall issue a decision on the claim for costs as soon as practicable after the claim is filed. If the protester and the contracting agency cannot reach agreement within a reasonable time, GAO may, upon request of the protester, recommend the amount of costs the agency should pay in accordance with 31 U.S.C. 3554(c). In such cases, GAO may also recommend that the contracting agency pay the protester the costs of pursuing the claim for costs before GAO.

(3) The contracting agency shall notify GAO within 60 days after GAO recommends the amount of costs the agency should pay the protester of the action taken by the agency in response to the recommendation.

§21.9 Time for decision by GAO.

(a) GAO shall issue a decision on a protest within 100 days after it is filed.

(b) In protests where GAO uses the express option procedures in §21.10, GAO shall issue a decision on a protest within 65 days after it is filed.

(c) GAO, to the maximum extent practicable, shall resolve a timely supplemental protest adding one or more new grounds to an existing protest, or a timely amended protest, within the time limit established in paragraph (a) of this section for decision on the initial protest. If a supplemental or an amended protest cannot be resolved within that time limit, GAO may resolve the supplemental or amended protest using the express option procedures in §21.10.

General Accounting Office

§21.13

§21.10 Express options, flexible alternative procedures, accelerated schedules, summary decisions, and status and other conferences.

(a) At the request of a party or on its own initiative, GAO may decide a protest using an express option.

(b) The express option will be adopted at the discretion of GAO and only in those cases suitable for resolution within 65 days.

(c) Requests for the express option shall be in writing and received in GAO not later than 5 days after the protest or supplemental/amended protest is filed. GAO will promptly notify the parties whether the case will be handled using the express option.

(d) When the express option is used, the following schedule applies instead of those deadlines in §21.3 and §21.7:

(1) The contracting agency shall file a complete report with GAO and the parties within 20 days after it receives notice from GAO that the express option will be used.

(2) Comments on the agency report shall be filed with GAO and the other parties within 5 days after receipt of the report.

(3) If a hearing is held, no separate comments on the agency report under paragraph (d)(2) of this section should be submitted unless specifically requested by GAO. Consolidated comments on the agency report and hearing shall be filed within 5 days after the hearing was held or as specified by GAO.

(4) Where circumstances demonstrate that a case is no longer suitable for resolution using the express option, GAO shall establish a new schedule for submissions by the parties.

(e) GAO may use flexible alternative procedures to promptly and fairly resolve a protest, including establishing an accelerated schedule and/or issuing a summary decision.

(f) GAO may conduct status and other conferences by telephone or in person with all parties participating in a protest to promote the expeditious development and resolution of the protest.

§21.11 Effect of judicial proceedings.

(a) A protester must immediately advise GAO of any court proceeding

which involves the subject matter of a pending protest and must file with GAO copies of all relevant court documents.

(b) GAO will dismiss any protest where the matter involved is the subject of litigation before a court of competent jurisdiction, or where the matter involved has been decided on the merits by a court of competent jurisdiction. GAO may, at the request of a court, issue an advisory opinion on a bid protest issue that is before the court. In these cases, unless a different schedule is established, the times provided in this part for filing the agency report (§21.3(c)), filing comments on the report (§21.3(i)), holding a hearing and filing comments (§21.7), and issuing a decision (§21.9) shall apply.

§21.12 Distribution of decisions.

(a) Unless it contains protected information, a copy of a decision shall be provided to the protester, any intervenors, the head of the contracting activity responsible for the protested procurement, and the senior procurement executive of each Federal agency involved; a copy shall also be made available to the public. A copy of a decision containing protected information shall be provided only to the contracting agency and to individuals admitted to any protective order issued in the protest. A public version omitting the protected information shall be prepared wherever possible.

(b) Decisions are available from GAO by electronic means.

§21.13 Nonstatutory protests.

(a) GAO will consider protests concerning awards of subcontracts by or for a Federal agency, sales by a Federal agency, or procurements by agencies of the government other than Federal agencies as defined in §21.0(c) if the agency involved has agreed in writing to have protests decided by GAO.

(b) The provisions of this part shall apply to nonstatutory protests except for the provision of §21.8(d) pertaining to recommendations for the payment of costs. The provision for the withholding of award and the suspension of contract performance, 31 U.S.C. 3553(c) and (d), also does not apply to nonstatutory protests.

§21.14

§21.14 Request for reconsideration.

(a) The protester, any intervenor, and any Federal agency involved in the protest may request reconsideration of a bid protest decision. GAO will not consider a request for reconsideration that does not contain a detailed statement of the factual and legal grounds upon which reversal or modification is deemed warranted, specifying any errors of law made or information not previously considered.

(b) A request for reconsideration of a bid protest decision shall be filed, with copies to the parties who participated in the protest, not later than 10 days after the basis for reconsideration is known or should have been known, whichever is earlier.

(c) GAO will summarily dismiss any request for reconsideration that fails to state a valid basis for reconsideration or is untimely. The filing of a request for reconsideration does not require the withholding of award and the suspension of contract performance under 31 U.S.C. 3553 (c) and (d).

§25.1 Applicability and governing laws.

These rules and regulations, and the laws of the United States and the District of Columbia, apply to the General Accounting Office (GAO) Building and its grounds, 441 G Street NW., in the District of Columbia, and to all persons while in the building or while entering or leaving it.

§25.2 Inspection.

Packages, briefcases, and other containers as well as vehicles and their contents are subject to inspection while in or when being brought into, or when being removed from the GAO Building. A full search of a person may accompany an arrest or apprehension.

§25.3 Admission to the GAO building.

A person may be admitted to the GAO Building after presentation of personal identification to conduct lawful business with GAO, its employees, or other tenants of the GAO Building and for any other purposes authorized by the Comptroller General or his designee. During normal working hours, the GAO Building shall be open to the public unless specific circumstances require it to be closed to the public to ensure the orderly conduct of government business. Outside of normal working hours, the GAO Building shall be closed to the public unless the Comptroller General or his designee has approved the after-normal-working-hours use of the Building or portions thereof. When the Building, or a portion thereof, is closed to the public, admission will be restricted to authorized persons who shall register upon entry and exit, and shall, when requested, display government or other identifying credentials to the guards, security staff, or other authorized individuals. Failure to comply with such a request is a violation of these regulations.

§25.4 Preservation of property.

The improper disposal of rubbish in the GAO Building or on its grounds, the willful destruction of or damage to the GAO Building or to its grounds or fixtures, the theft of property, the creation of any hazard to persons or things in the GAO Building or on its grounds, the throwing of articles of

any kind from or at the GAO Building, or the climbing on any part of the GAO Building, is prohibited.

§ 25.5 Conformity with signs and directions.

Persons in the GAO Building or on its grounds shall at all times comply with official signs of a prohibitory, regulatory, or directory nature and with the direction of the guards, security staff, or other authorized individuals.

§ 25.6 Disturbances.

Loitering, disorderly conduct, or other conduct in the GAO Building or on its grounds which creates loud or unusual noise or a nuisance; which unreasonably obstructs the usual use of entrances, foyers, lobbies, corridors, offices, elevators, escalators, stairways, or parking areas; which otherwise impedes or disrupts the performance of official duties by government employees; or which prevents the general public from obtaining the administrative services provided in the GAO Building in a timely manner, is prohibited.

§ 25.7 Gambling.

Participating in games for money or other personal property or operating gambling devices, conducting a lottery or pool, or selling or purchasing numbers tickets in the GAO Building or on its grounds is prohibited. This prohibition shall not apply to the vending or exchange of chances by licensed blind operators of vending facilities for any lottery set forth in a law of the District of Columbia and conducted by the District of Columbia and authorized by section 2(a)(5) of the Randolph-Sheppard Act (20 U.S.C. 107, *et seq.*).

§ 25.8 Alcoholic beverages and narcotics.

Operating a motor vehicle while in the GAO Building, its grounds or on its entry ramps by a person under the influence of alcoholic beverages, narcotic drugs, hallucinogens, marijuana, barbiturates, or amphetamines is prohibited. It is prohibited for anyone to enter or be in the GAO Building or to be on its grounds while under the influence of, or using, possessing, selling or distributing any narcotic drug, hallucinogen, marijuana, barbiturate,

or amphetamine. This prohibition shall not apply in cases where the drug is being used as prescribed for a patient by a licensed physician. It is prohibited for anyone to enter the GAO Building or its grounds, or be on the premises while under the influence of alcoholic beverages. The use of alcoholic beverages in the GAO Building is prohibited except when specifically authorized by the Comptroller General or his designee for a particular event. The Comptroller General or his designee shall be advised of such events and shall inform the guards and other security staff of the time and precise locations of these events.

§ 25.9 Soliciting, vending, and debt collection.

Soliciting alms, commercial or political soliciting, and vending of all kinds, displaying or distributing commercial advertising, or collecting private debts in the GAO Building is prohibited. This rule does not apply to:

(a) National or local drives for funds for welfare, health, or other purposes as authorized by the "Manual on Fund Raising Within the Federal Service," issued by the U.S. Office of Personnel Management;

(b) Concessions or personal notices posted by employees on authorized bulletin boards;

(c) Solicitation of labor organization membership or dues authorized by occupant agencies under the Civil Service Reform Act of 1978 (Pub. L. 95-454) or the General Accounting Office Personnel Act of 1980, Public Law 96-191 (31 U.S.C. sec. 732(e));

(d) Occupants of space leased for commercial purposes, or made available for cultural, educational, or recreational use under section 1 of Public Law 100-545, October 28, 1988, 102 Stat. 2727, 2728 (31 U.S.C. 782).

§ 25.10 Posting and distributing materials.

Posting or affixing materials, such as pamphlets, handbills or flyers, on bulletin boards or elsewhere in the GAO Building or on its grounds is prohibited, except as authorized by these

rules and regulations or when such displays are conducted as part of authorized government activities. Distribution of materials, such as pamphlets, handbills or flyers is prohibited, unless conducted as part of authorized government activities. Any person or organization proposing to post or distribute materials in any part of the GAO Building or on its grounds shall first obtain a permit from the Comptroller General or his designee and shall conduct the posting or distribution in accordance with the guidelines provided by the Comptroller General or his designee. Failure to comply with those guidelines is a violation of these regulations.

§ 25.11 Photographs for news, advertising, or commercial purposes.

Photographs may be taken in the GAO Building only with the approval or authorization of the Comptroller General or his designee.

§ 25.12 Dogs and other animals.

Dogs and other animals, except seeing eye dogs or other guide dogs, shall not be brought into the GAO Building or on its grounds for other than official purposes.

§ 25.13 Vehicular and pedestrian traffic.

(a) Drivers of all vehicles entering, leaving or while on GAO property or in the GAO Building shall drive in a careful and safe manner at all times and shall comply with all posted traffic signs and with the signals and directions of the guards, security staff, or other authorized individuals;

(b) The blocking of entrances, driveways, walks, loading platforms or fire hydrants on GAO property is prohibited; and

(c) Except in emergencies, parking on GAO property or in the GAO Building is not allowed without a permit. Parking in unauthorized locations or in locations reserved for other persons, or parking contrary to the direction of posted signs or instructions of guards is prohibited. Vehicles parked in violation of posted restrictions or warning signs shall be subject to removal at the owners' risk and expense.

4 CFR Ch. I (1–1–00 Edition)

(d) The Comptroller General or his designee may supplement this paragraph from time to time by issuing and posting such specific traffic directives as may be required. When issued and posted, such directives shall have the same force and effect as if made a part hereof. Proof that a motor vehicle was parked in violation of these regulations or directives may be taken as prima facie evidence that the registered owner was responsible for the violation.

§ 25.14 Weapons and explosives.

No person while entering or in the GAO Building or on its grounds shall carry or possess firearms, other dangerous or deadly weapons, explosives or items intended to be used to fabricate an explosive or incendiary device, either openly or concealed, except for official purposes.

§ 25.15 Nondiscrimination.

There shall be no discrimination by segregation or otherwise against any person or persons because of race, creed, sex, color, or national origin in furnishing or by refusing to furnish the use of any facility of a public nature, including all services, privileges, accommodations and activities provided in the GAO Building.

§ 25.16 Penalties.

Whoever shall be found guilty of violating any rule or regulation governing the GAO Building is subject to a fine of not more than \$500, or imprisonment for not more than 6 months, or both. Nothing in these rules and regulations shall be construed to abrogate any other Federal laws applicable to the GAO Building.

(b) The purpose of the rules in this part is to establish the procedures to be followed:

(1) By the GAO, in its dealings with the Board;

(2) By employees of the GAO or applicants for employment with the GAO, or by groups or organizations claiming to be affected adversely by the operations of the GAO personnel system;

(3) By employees or organizations petitioning for protection of rights or extension of benefits granted to them under Subchapters III and IV of Chapter 7 of Title 31, U.S.C.; and

General Accounting Office

§ 28.2

(4) By the Board, in carrying out its responsibilities under Subchapters III and IV of Chapter 7 of Title 31, U.S.C.

(c) The scope of the Board's operations encompasses the investigation and, where necessary, adjudication of cases arising under 31 U.S.C. 753. In addition, the Board has authority for oversight of the equal employment opportunity program at GAO. This includes the review of policies and evaluation of operations as they relate to EEO objectives and, where necessary, the ordering of corrective action for violation of or inconsistencies with equal employment opportunity laws.

(d) In considering any procedural matter not specifically addressed in these rules, the Board will be guided, but not bound, by the Federal Rules of Civil Procedure.

§ 28.2 Jurisdiction.

(a) The Board has jurisdiction to hear and decide the following actions brought by the General Counsel:

(1) Proceedings in which the General Counsel seeks to stay a personnel action based upon an alleged prohibited personnel practice that has occurred or is about to occur;

(2) Proceedings in which the General Counsel seeks corrective action for an alleged prohibited personnel practice; and

(3) Proceedings in which the General Counsel seeks discipline for a GAO employee who has allegedly committed a prohibited personnel practice or who has engaged in prohibited political activity.

(b) The Board has jurisdiction to hear any action brought by any person or group of persons in the following subject areas:

(1) An officer or employee appeal involving a removal, suspension for more than 14 days, reduction in grade or pay, or furlough of not more than 30 days;

(2) A prohibited personnel practice under 31 U.S.C. 732(b)(2);

(3) A decision of an appropriate unit of employees for collective bargaining;

(4) An election or certification of a collective bargaining representative;

(5) A matter appealable to the Board under the labor-management relations program under 31 U.S.C. 732(e), includ-

ing an unfair labor practice under 31 U.S.C. 732(e)(1);

(6) An action involving discrimination prohibited under 31 U.S.C. 732(f)(1); and

(7) An issue about GAO personnel which the Comptroller General by regulation decides the Board shall resolve.

(c) *Special jurisdictional rules where matters are covered by a negotiated grievance procedure.* If a GAO employee is covered by a collective bargaining agreement containing a negotiated grievance procedure that permits the employee to grieve matters that would otherwise be appealable to the Board, the following special rules apply:

(1) Matters involving discrimination, performance-based reduction in grade or removal, or adverse action. If the negotiated grievance procedure permits the employee to grieve matters involving prohibited discrimination (as defined in § 28.95), performance-based reduction in grade or removal (as described in 5 U.S.C. 4303) or an adverse action (as described in 5 U.S.C. 7512), then the employee may elect to raise the matter either under the negotiated grievance procedure or under the Board's procedures, but not both. The employee will be deemed to have elected the Board's procedures if the employee files a timely charge with the Board's General Counsel or files a timely written EEO complaint with GAO before filing a timely written grievance.

(2) Other matters. If the negotiated grievance procedure permits the employee to grieve any matters which would otherwise be appealable to the Board, other than those listed in paragraph (c)(1) of this section, then those matters may only be raised under the negotiated grievance procedure and not before the Board.

(3) Board review of final decisions from the negotiated grievance procedure involving discrimination. If an employee elects to pursue a matter involving prohibited discrimination (as defined in § 28.95) through the negotiated grievance procedure, the employee may ask the Board to review the final decision of the negotiated grievance procedure as it relates to the issue of discrimination. A petition seeking such review shall be filed with

§ 28.3

4 CFR Ch. I (1–1–00 Edition)

the Clerk of the Board within 20 days of receipt of the final decision of the negotiated grievance procedure. The Board will not review any final decisions of the negotiated grievance procedure other than those where prohibited discrimination was raised as an issue in the grievance.

HEARING PROCEDURES FOR CASES BEFORE THE BOARD—GENERAL

§ 28.15 Scope and policy.

The rules in this subpart apply to actions brought by any person, except as otherwise provided in § 28.17 (concerning internal appeals of Board employees). These rules also apply to actions brought by the General Counsel, except as otherwise provided in subpart G (concerning corrective action, disciplinary and stay proceedings). It is the policy of the Board that these rules shall be applied in a manner which expedites the processing of each case, but with due regard to the rights of all parties.

§ 28.16 Revocation, amendment or waiver of rules.

(a) The Board may revoke or amend these regulations by publishing proposed changes within GAO and providing for a comment period of not less than 30 days. Following the comment period, any changes to the rules are final once they are published in the FEDERAL REGISTER. Notice of publication in the FEDERAL REGISTER must be published throughout GAO.

(b) An administrative judge or the Board may waive a Board regulation in an individual case for good cause shown if application of the regulation is not required by statute.

§ 28.17 Internal appeals of Board employees.

(a) The provisions of the GAO Personnel Act, its implementing regulations, and the Board's procedural rules apply in the same manner to employees of the Board as they do to other GAO employees, with the following exceptions.

(1) The General Counsel serves at the pleasure of the Chair. The General Counsel may not bring any complaint or charge concerning his or her own employment except to allege that he or she has been the victim of prohibited discrimination or a prohibited per-

sonnel practice as defined in 31 U.S.C. 732 (b)(2) or (f)(1).

(2) When an employee of the Board believes that he or she has been denied his or her right to equal employment opportunity, the employee shall consult either with the Solicitor or with the General Counsel and seek advice on filing an EEO complaint. If the matter cannot be resolved within 10 days, the Solicitor or General Counsel shall notify the employee of his or her right to file an EEO complaint. The employee shall have 20 days from service of this notice to file an EEO complaint with the General Counsel. Upon receipt of an EEO complaint, the General Counsel shall arrange for processing in accordance with paragraph (b) of this section. If the EEO allegations involve challenge to a RIF-based separation, the employee may choose to expedite the procedures by filing a charge directly with the Board.

(3) When an employee of the Board wishes to raise any other issue that would be subject to the Board's jurisdiction, the employee shall file a charge with the General Counsel and the General Counsel shall arrange for processing in accordance with paragraph (b) of this section. If the challenged action is a RIF-based separation from employment, the employee may choose to expedite the procedures by filing a charge directly with the Board.

(b) The responsibilities and functions of the Board's General Counsel will be assumed by an attorney who is not a current or former employee of the Board or the GAO. The services of that attorney, who shall be knowledgeable in federal personnel matters, will be paid for by the Board. The attorney will be selected by an impartial body as described below.

(1) If agreed to by the Special Counsel of the Merit Systems Protection Board (MSPB) (or the EEOC, as appropriate), that body will appoint and detail a person from among its attorneys to perform the functions of the General Counsel.

(2) If the MSPB Special Counsel (or the EEOC) does not agree to such a procedure, an appointment of an attorney will be sought from the Federal Mediation and Conciliation Service (FMCS).

§ 28.18

4 CFR Ch. I (1–1–00 Edition)

(3) In any event, whoever is so appointed shall possess all of the powers and authority possessed by the General Counsel in employee appeal cases.

(c) The adjudication responsibilities and functions of the Board will be assumed by a person who is not a current or former employee of the Board or the GAO. The services of that person, who shall be knowledgeable in federal personnel matters, will be paid for by the Board. The person will be selected by an impartial body as described below.

(1) If agreed to by the MSPB (or the EEOC, as appropriate), that body will appoint and detail one of its administrative law judges (ALJ) or administrative judges (AJ) to perform the Board's adjudicative functions.

(2) If the MSPB (or the EEOC) does not agree to such a procedure, an appointment of an arbitrator will be sought from the FMCS.

(3) In any event, whoever is so appointed shall possess all of the powers and authority possessed by the Board in employee appeals cases. The decision of the administrative law judge, administrative judge or arbitrator shall be a final decision of the Board, in the same manner as if rendered by the Board under § 28.86(e). The procedure for judicial review of the decision shall be the same as that described in § 28.90.

(d) Any employee of the Board (other than the General Counsel) who believes that he or she is aggrieved by any personnel matter that is not reviewable by the Board under 31 U.S.C. 753(a) may file a grievance as follows:

(1) *Informal Step.* The employee must discuss the complained of incident with his or her supervisor as soon as possible after the complained of incident.

(2) *Step 1.* If the supervisor is unable to resolve the matter informally to the satisfaction of the employee, then the employee may file a formal grievance with the supervisor. The formal grievance must be filed by the employee with the supervisor within 20 days after the complained of incident. The supervisor must respond to the employee in writing within 10 days.

(3) *Step 2.* (i) If the employee is not satisfied with the supervisor's response, the employee has 10 days in which to appeal to the Chair. In this

appeal, the employee must forward to the Chair the formal grievance, the supervisor's response and a brief statement from the employee explaining why the supervisor's response is not satisfactory.

(ii) The Chair or another member designated by the Chair, shall meet with the employee and discuss the matter of concern within 10 days after service of the step 2 appeal. The Chair or designee shall issue a written resolution of the grievance.

(4) *Step 3.* Within 10 days after service of the Chair's resolution or within 60 days after initiating step 2, whichever occurs first, the employee may request that the full Board review the grievance. The decision of the full Board is the final decision in the matter.

(f) *Non-EEO class actions.* One or more persons may file a petition for review as representatives of a class in any matter within the Board's jurisdiction. For the purpose of determining whether it is appropriate to treat an appeal as a class action, the administrative judge will be guided, but not controlled, by the applicable provisions of

the Federal Rules of Civil Procedure. See § 28.97 for EEO class actions.

The notice of appeal, together with a supporting brief, shall be filed within 15 days of service of the denial of the motion. WITNESSES

§ 28.25 Representation.

(a) All parties to an appeal may be represented in any matter relating to the appeal. The parties shall designate their representatives, if any, in the petition for review or responsive pleading. Any subsequent changes in representation shall also be in writing, and submitted to the administrative judge and served upon the other parties. Once a party has designated a representative, all documents required by the Board's regulations to be served upon the party shall instead be served upon the representative.

(b) A party may choose any representative so long as the person is willing and available to serve. However, the other party or parties may challenge the representative on the grounds of conflict of interest or conflict of position. This challenge must be made by motion to the administrative judge within 10 days of service of the notice of designation, and shall be ruled upon by the administrative judge prior to any further proceeding in the case. These procedures apply equally to original and subsequent designations of representatives. In the event the selected representative is disqualified, the party affected shall be given a reasonable time to obtain another representative.

(c) The administrative judge, on his or her own motion, may disqualify a party's representative on the grounds described in paragraph (b) of this section.

§ 28.26

§ 28.26 Witness fees.

The costs involved in the appearance of witnesses in any Board proceeding shall be allocated as follows:

(a) Persons employed by the GAO shall, upon request by the administrative judge to GAO, be made available to participate in the hearing and shall be in official duty status for this purpose and shall not receive witness fees. Payment of travel and per diem expenses shall be governed by applicable laws and regulations.

(b) Employees of other federal agencies called to testify at a Board hearing shall, at the request of the administrative judge and with the approval of the employing agency, be in official duty status during any period of absence from their normal duties caused by their testimony, and shall not receive witness fees. Payment of travel and per diem expenses shall be governed by applicable laws and regulations. A party planning to call an employee of another federal agency as a witness shall promptly notify the administrative judge of the need to submit to the federal agency a request that the employee be granted official duty status. In the event that the employing agency refuses the request to release the employee-witness in an official duty status, the employee-witness may be paid a witness fee in accordance with paragraph (c) of this section.

(c) Witnesses who are not covered by paragraphs (a) or (b) of this section are entitled to the same witness fees as those paid to subpoenaed witnesses under 28 U.S.C. 1821. The fees shall be paid, in the first instance, by the party requesting the appearance of the witness, subject to a subsequent decision otherwise in accordance with § 28.89, concerning the award of attorneys fees and costs. Such fees shall be tendered to the witness at the time the subpoena is served, or, when the witness appears voluntarily, at the time of appearance. A federal agency or corporation is not required to tender witness fees in advance. Payment of travel and per diem expenses shall be governed by applicable law and regulation.

(d) When the General Counsel is the petitioner or is representing the petitioner, the General Counsel shall pay the witness fees and arrange for the

4 CFR Ch. I (1–1–00 Edition)

travel and per diem expenses that are required by paragraph (c) of this section.

§ 28.27 Intervenors.

(a) Intervenors are persons who are allowed to participate in a proceeding because the proceeding, or its outcome, may affect their rights or duties.

(b) Any person may, by motion to the administrative judge, request permission to intervene. The motion shall state the reasons why the person should be permitted to intervene. A person alleged to have committed a prohibited personnel practice under 5 U.S.C. 2302(b) may request permission to intervene under this section.

(c) A motion for permission to intervene will be granted where a determination is made by the administrative judge or the Board that the requestor will be affected directly by the outcome of the proceeding. Denial of a motion for intervention may be appealed to the Board. Such an appeal shall be filed within 10 days of service of the denial of the motion to intervene.

(d) Intervenors who are granted permission to intervene will be considered full parties to the hearing and will have the same rights and duties as a party with two exceptions:

(1) Intervenors will not have an independent right to a hearing.

(2) Intervenors may participate in Board proceedings only on the issues affecting them, as determined by the administrative judge or Board.

§ 28.28 Substitution.

(a) If a petitioner dies or is otherwise unable to pursue the appeal, the action may be completed upon substitution of a proper party.

(b) A motion for substitution shall be filed by the proper party within 90 days after the death of the petitioner or other disabling event.

§ 28.29 Consolidation or joinder.

(a) *Explanation.* (1) Consolidation may occur where two or more parties have cases which should be united because they contain identical or similar issues or in such other circumstances as justice requires.

General Accounting Office

§ 28.42

(2) Joinder may occur where one person has two or more appeals pending and they are united for consideration. For example, a single appellant who has one appeal pending challenging a 30-day suspension and another appeal pending challenging a subsequent dismissal might have the cases joined.

(b) *Action by administrative judge.* An administrative judge may consolidate or join cases on his or her own initiative or on the motion of a party if to do so would expedite processing of the cases and not adversely affect the interests of the parties.

DISCOVERY

§ 28.40 Statement of purpose.

Proceedings before the Board shall be conducted as expeditiously as possible with due regard to the rights of the parties. Discovery is designed to enable a party to obtain relevant information needed for presentation of the party's case. These regulations are intended to provide a simple method of discovery. They will be interpreted and applied so as to avoid delay and to facilitate adjudication of the case. The parties are expected to initiate and complete needed discovery with a minimum of Board intervention.

§ 28.41 Explanation, scope and methods.

(a) *Explanation.* Discovery is the process apart from the hearing whereby a party may obtain relevant information from another person, including a party, which has not otherwise been provided. Relevant information includes information which appears reasonably calculated to lead to the discovery of admissible evidence. This information is obtained for the purpose of assisting the parties in developing, preparing, and presenting their cases. The Federal Rules of Civil Procedure may be used as a general guide for discovery practices in proceedings before the Board, except as to matters specifically covered by these regulations. The Federal Rules of Civil Procedure shall be interpreted as instructive rather than controlling.

(b) *Scope.* Any person may be examined pursuant to paragraph (c) of this section regarding any nonprivileged

matter which is relevant to the issue under appeal, including the existence, description, nature, custody, condition and location of documents or other tangible things, and the identity and location of persons having knowledge of relevant facts. The information sought must appear reasonably calculated to lead to the discovery of admissible evidence.

(c) *Methods.* Discovery may be obtained by one or more of the methods provided under the Federal Rules of Civil Procedure, including written interrogatories, depositions, production of documents or things for inspection or copying, and requests for admission addressed to parties.

§ 28.42 Discovery procedures and protective orders.

(a) *Discovery from a party.* A party seeking discovery from another party shall initiate the process by serving a request for discovery on the other party. For purposes of discovery under these regulations, a party includes an intervenor.

(1) Each request for discovery shall state the time limit for responding, as prescribed in paragraph (d) of this section.

(2) In the case of a request for deposition of a party, reasonable notice in writing shall be given to every party to the action. The notice shall:

(i) Specify the time and place of the taking of the deposition; and

(ii) Be served on the person to be deposed.

(3) When a request for discovery is directed to an officer or employee of GAO, the agency shall make the officer or employee available on official time for the purpose of responding to the request and shall assist the officer or employee as necessary in providing relevant information that is available to the agency.

(b) *Discovery from a nonparty.* Parties are encouraged to attempt to obtain voluntary discovery from nonparties whenever possible. A party seeking discovery from a nonparty may initiate the process by serving a request for discovery on that nonparty and on all other parties to the proceeding. When a party is unable to obtain voluntary cooperation, the party may request that

the administrative judge issue a subpoena by following the procedures set forth in § 28.46.

(c) *Responses to discovery requests.* (1) A party shall answer a discovery request within the time provided by paragraph (d)(2) of this section either by furnishing to the requesting party the information or testimony requested or agreeing to make deponents available to testify within a reasonable time, or by stating an objection to the particular request and the reasons for objection, or by requesting a protective order.

(2) Upon failure or refusal of a party to respond in full to a discovery request, the requesting party may file with the administrative judge a motion to compel discovery. The time limits applicable to a motion to compel are set forth in paragraph (d)(4) of this section. A copy of the motion shall be served on the other parties. The motion shall be accompanied by:

(i) A copy of the original request served on the party from whom discovery was sought and a statement showing the relevancy and materiality of the information sought; and

(ii) A copy of the objections to discovery or, where appropriate, a verified statement that no response has been received.

(3) The party from whom discovery was sought shall respond to the motion to compel within the time limits set forth in paragraph (d)(4) of this section.

(d) *Time limits.* (1) Requests for discovery shall be served within 30 days after the service list is served by the Board on all parties.

(2) A party or nonparty shall respond to a discovery request within 20 days after service of the request on the party or nonparty. Any discovery requests following the initial request shall be served within 10 days of the date of service of the prior response, unless otherwise directed. Deposition witnesses shall give their testimony at the time and place stated in the notice of deposition-taking or in the subpoena, unless the parties agree otherwise.

(3) In responding to a discovery request, a party or nonparty shall respond as fully as possible, except to the extent that the party or nonparty ob-

jects to the discovery or requests a protective order. Any objection or request for a protective order shall be filed within the time limits set forth in paragraph (d)(2) of this section. Any objection shall be addressed to the party requesting discovery and shall state the particular grounds for the objection. Any request for a protective order shall state the grounds for the protective order and shall be served on the administrative judge and any other parties to the action. The administrative judge shall rule on the request for a protective order.

(4) Motions for an order compelling discovery shall be filed with the administrative judge within 10 days of the service of objections or within 10 days of the expiration of the time limits for response when no response or an alleged inadequate response is received. Opposition to a motion to compel must be filed with the administrative judge within 10 days of the date of service of the motion.

(5) Discovery shall be completed by the time designated by the administrative judge, but no later than 65 days after the filing of the appeal. A later date may be set by the administrative judge after due consideration of the particular situation including the dates set for hearing and closing of the case record.

§ 28.43 Compelling discovery.

(a) *Motion for an order compelling discovery.* Motions for orders compelling discovery shall be submitted to the administrative judge as set forth at § 28.42(c)(2) and (d)(4) above.

(b) *Content of order.* Any order issued may include, where appropriate:

(1) Provision for notice to the person to be deposed as to the time and place of such deposition.

(2) Such conditions or limitations concerning the conduct or scope of the proceedings or the subject matter as may be necessary to prevent undue delay or to protect any party or deponent from undue expense, embarrassment or oppression.

(3) Limitations upon the time for conducting depositions, answering written interrogatories, or producing documentary evidence.

General Accounting Office

§ 28.49

(4) Other restrictions upon the discovery process as determined by the administrative judge.

(c) Failure to comply with an order compelling discovery may subject the noncomplying party to sanctions under § 28.24.

§ 28.44 Taking of depositions.

Depositions may be taken before any person not interested in the outcome of the proceedings who is authorized by law to administer oaths.

§ 28.45 Admission of facts and genuineness of documents.

(a) Any party may be served with requests for the admission of the genuineness of any relevant documents identified within the request or the truth of any relevant matters of fact or application of law to the facts as set forth in the request.

(b) Within the time period prescribed by § 28.42(d)(2), the party on whom the request is served must submit to the requesting party:

(1) A sworn statement specifically denying, admitting, or expressing a lack of knowledge after making reasonable inquiry regarding the specific matters on which an admission is requested; and/or

(2) An objection to the request for an admission, in whole or in part, on the grounds that the matters contained therein are privileged, irrelevant, or otherwise improper.

(c) Upon a failure or refusal of a party to respond to a request for admissions within the prescribed time period, the request shall be deemed admitted.

SUBPOENAS

§ 28.46 Motion for subpoena.

(a) *Authority to issue subpoenas.* Any member of the Board may issue subpoenas requiring the attendance and testimony of witnesses and the production of documentary or other evidence from any place in the United States or any territory or possession thereof, the Commonwealth of Puerto Rico, or the District of Columbia. Any member of the Board may order the taking of depositions or order responses to written interrogatories.

(b) *Motion.* A motion for the issuance of a subpoena requiring the attendance and testimony of witnesses or the production of documents or other evidence under § 28.46(a) shall be submitted to the administrative judge at least 15 days in advance of the date scheduled for the commencement of the hearing. If the subpoena is sought as part of the discovery process, the motion shall be submitted to the administrative judge at least 15 days in advance of the date set for the attendance of the witness at a deposition or the production of documents.

(c) *Forms and showing.* Motions for subpoenas shall be submitted in writing to the administrative judge and shall specify with particularity the books, papers, or testimony desired and shall be supported by a showing of general relevance and reasonable scope and a statement of the facts expected to be proven thereby.

(d) *Rulings.* Where the administrative judge is not a Board member, the motion shall be referred with a recommendation for decision to a Board member. The Board member shall promptly rule on the request. Where the administrative judge is a Board member, he or she shall rule directly on the request.

§ 28.47 Motion to quash.

Any person against whom a subpoena is directed may file a motion to quash or limit the subpoena setting forth the reasons why the subpoena should not be complied with or why it should be limited in scope. This motion shall be filed with the administrative judge within 20 days after service of the subpoena.

§ 28.48 Service.

Service of a subpoena may be made by a United States Marshal or Deputy Marshal or by any person who is over 18 years of age and not a party to the proceeding.

§ 28.49 Return of service.

When service of a subpoena is effected by a person other than a United States Marshal or Deputy Marshal, that person shall certify on the return of service that service was made either:

(a) In person,

§ 28.50

(b) By registered or certified mail, or
(c) By delivery to a responsible person (named) at the residence or place of business (as appropriate) of the person to be served.

§ 28.50 Enforcement.

If a person has been served with a Board subpoena but fails or refuses to comply with its terms, the party seeking compliance may file a written motion for enforcement with the administrative judge or make an oral motion for enforcement while on record at a hearing. The party shall present the return of service and, except where the witness was required to appear before the administrative judge, shall submit affidavit evidence of the failure or refusal to obey the subpoena. The Board may then request the appropriate United States district court to enforce the subpoena.

HEARINGS

§ 28.55 Scheduling the hearing.

The notice of initial hearing shall fix the date, time and place of hearing. GAO, upon request of the administrative judge, shall provide appropriate hearing space. Motions for postponement by either party shall be made in writing, shall set forth the reasons for the request and shall be granted only upon a showing of good cause. When the parties agree on postponement, motions may be made orally and shall be granted only upon a showing of good cause.

§ 28.56 Hearing procedures, conduct and copies of exhibits.

(a) The Board may designate one or more administrative judges to conduct hearings on appropriate matters.

(b) The hearing will be conducted as an administrative proceeding and, ordinarily, the rules of evidence will not be strictly followed.

(c) Parties will be expected to present their cases in a concise manner limiting the testimony of witnesses and submission of documents to relevant matters.

(d) Any party to a hearing offering exhibits into the record shall submit the original of each such exhibit to the court reporter, two copies to the ad-

4 CFR Ch. I (1–1–00 Edition)

ministrative judge, plus one copy for each opposing party that is separately represented.

(e) Each party to a proceeding shall be responsible for bringing the proper number of copies of an exhibit to the hearing.

(f) Multipage exhibits shall be paginated in the lower right hand corner and the first page shall indicate the total number of pages in the exhibit.

(g) No later than the commencement of the hearing, each party shall submit to the administrative judge, to the court reporter, and to the opposing party: (1) A typed list of the witnesses expected to be called to testify; and (2) a typed list of the acronyms (with definitions) expected to be used by the witnesses.

§ 28.57 Public hearings.

(a) Hearings shall be open to the public. However, the administrative judge at his or her discretion, may order a hearing or any part thereof closed, where to do so would be in the best interests of the petitioner, a witness, the public, or other affected persons. Any order closing the hearing shall set forth the reasons for the administrative judge's decision. Any objections thereto shall be made a part of the record.

(b) Regardless of whether a hearing is open or closed, the GAO technical representative, who is not expected to testify, the GAO representative, the petitioner and the petitioner's representative each has a right to be present at the hearing.

§ 28.58 Transcript.

(a) *Preparation.* A verbatim record made under supervision of the administrative judge shall be kept of every hearing and shall be the sole official record of the proceeding. Upon request, a copy of a transcript of the hearing shall be made available to each party. Additional copies of the transcript shall be made available to a party upon payment of costs. Exceptions to the payment requirement may be granted for good cause shown. A motion for an exception shall be made in writing and accompanied by an affidavit setting forth the reasons for the request and shall be granted upon a showing of

General Accounting Office

§ 28.62

good cause. Requests for copies of transcripts shall be directed to the Clerk of the Board. The Clerk of the Board may, by agreement with the person making the request, make arrangements with the official hearing reporter for required services to be charged to the requester.

(b) *Corrections.* Corrections to the official transcript will be permitted. Motions for correction must be submitted within 30 days of service of the transcript upon the party. Corrections of the official transcript will be permitted only when errors of substance are involved and only upon approval of the administrative judge. The administrative judge may make changes at any time with notice to the parties.

§ 28.59 Official record.

The transcript of testimony and the exhibits, together with all papers and motions filed in the proceedings, shall constitute the exclusive and official record.

§ 28.60 Briefs.

(a) *Length.* Principal briefs shall not exceed 60 pages and reply briefs 30 pages, exclusive of tables and pages limited only to quotations of statutes, rules, and the like. Motions to file extended briefs shall be granted only for good cause shown. Briefs in excess of 10 pages shall include an index and a table of authorities.

(b) *Format.* Every brief must be easily readable. Pages must be 8½ x 11 inches with margins at least one inch on all sides. Typewritten briefs must have double spacing between each line of text, except for quoted texts which may be single spaced.

(c) *Number of copies.* An original and 3 copies of each brief shall be filed with the administrative judge and one copy served on each party separately represented. When an action is before the full Board, an original and seven copies of each brief must be filed with the Board and one copy served on each party separately represented.

§ 28.61 Burden and degree of proof.

(a) In appealable actions, as defined by 5 U.S.C. 7701(a), agency action must be sustained by the Board if:

(1) It is a performance-based action and is supported by substantial evidence; or

(2) It is brought under any other provision of law, rule, or regulation as defined by 5 U.S.C. 7701(a) and is supported by a preponderance of evidence.

(b) Notwithstanding paragraph (a) of this section, the agency's decision may not be sustained if the petitioner:

(1) Shows harmful error in the application of the agency's procedures in arriving at such decision;

(2) Shows that the decision was based on any prohibited personnel practice described in 4 CFR 2.5; or

(3) Shows that the decision was not in accordance with law.

(c) In any other action within the Board's jurisdiction, the petitioner shall have the responsibility of presenting the evidence in support of the action and shall have the burden of proving the allegations of the appeal by a preponderance of the evidence.

(d) *Definitions.* For purposes of this section, the following definitions shall apply:

Harmful error means error by the agency in the application of its procedures which, in the absence or cure of the error, might have caused the agency to reach a conclusion different than the one reached. The burden is upon the petitioner to show that, based upon the record as a whole, the error was harmful, i.e., caused substantial harm or prejudice to his or her rights.

Preponderance of the evidence means that degree of relevant evidence which a reasonable person, considering the record as a whole, would accept as sufficient to support a conclusion that the matter asserted is more likely to be true than not true.

Substantial evidence means that degree of relevant evidence which a reasonable person, considering the record as a whole, might accept as adequate to support a conclusion, even though other reasonable persons might disagree. This is a lower standard of proof than preponderance of the evidence.

§ 28.62 Closing the record.

(a) When there is a hearing, the record shall be closed at the conclusion of the hearing. However, when the administrative judge allows the parties

§ 28.65

to submit argument, briefs or documents previously identified for introduction into evidence, the record shall be left open for such time as the administrative judge grants for that purpose.

(b) Once the record is closed, no additional evidence or argument shall be accepted into the record except upon a showing that new and material evidence has become available which was not available despite due diligence prior to the closing of the record. However, the administrative judge shall make part of the record any motions for attorney fees, any supporting documentation, and determinations thereon, and any approved correction to the transcript.

EVIDENCE

§ 28.65 Service of documents.

Any document submitted with regard to any pleading, motion, or brief shall be served upon all parties to the proceeding.

§ 28.66 Admissibility.

Evidence or testimony may be excluded from consideration by the administrative judge if it is irrelevant, immaterial, or unduly repetitious.

§ 28.67 Production of statements.

After an individual has given evidence in a proceeding, any party may request a copy of any prior signed statement made by that individual which is relevant to the evidence given. If the party refuses to furnish the statement, the administrative judge may draw an adverse inference from the failure to produce or may exclude the relevant evidence given by the individual from consideration.

§ 28.68 Stipulations.

The parties may stipulate as to any matter of fact. Such a stipulation will satisfy a party's burden of proving the fact alleged.

§ 28.69 Judicial notice.

The administrative judge on his or her own motion or on motion of a party, may take judicial notice of a fact which is not subject to reasonable dispute because it is either: (a) A mat-

4 CFR Ch. I (1–1–00 Edition)

ter of common knowledge; or (b) capable of accurate and ready determination by resort to sources whose accuracy cannot reasonably be questioned. Judicial notice taken of any fact satisfies a party's burden of proving the fact noticed.

INTERLOCUTORY APPEALS

§ 28.80 Explanation.

An interlocutory appeal is an appeal to the Board of a ruling made by an administrative judge during the course of a proceeding. This appeal may be permitted by the administrative judge if he or she determines that the issue presented is of such importance to the proceeding that it requires the Board's immediate attention. The Board makes a decision on the issue and the administrative judge acts in accordance with that decision.

§ 28.81 Procedures and criteria for certification.

(a) Interlocutory review by the Board of a ruling by the administrative judge during the course of the proceeding is disfavored and will be permitted only in circumstances where:

(1) The ruling involves an important question of law or policy about which there is substantial ground for difference of opinion; and

(2) An immediate review of the ruling by the Board will materially advance the completion of the proceeding, or denial will cause undue harm to a party or the public.

(b) The administrative judge may, on motion of a party or on his or her own motion, certify an interlocutory ruling to the Board for its immediate consideration. Any such certification shall explain the basis on which the administrative judge concluded that the standards for interlocutory review have been met. If the Board nevertheless determines that the certification does not meet those standards it may decline to accept the certification.

(c) A motion for certification to the Board of an interlocutory ruling by the administrative judge shall be filed within 10 days after service of the ruling upon the parties. The motion shall include arguments in support of both the certification and the determination

General Accounting Office

§ 28.86

to be made by the Board. Responses, if any, shall be filed within 10 days after service of the motion.

(d) The grant or denial of a motion for certification of an interlocutory ruling shall not be appealable. The administrative judge shall promptly bring a denial of such a motion, and the reasons therefor, to the attention of the Board. If, upon its consideration of the motion and the underlying record, the Board believes that interlocutory review is warranted, it may grant the motion *sua sponte*.

(e) Upon its acceptance of a ruling of the administrative judge for interlocutory review, the Board shall issue an order setting forth the procedures that will be followed in the conduct of that review.

(f) Unless otherwise directed by the Board, the stay of any proceedings during the pendency of either a motion for certification or an interlocutory review itself shall be within the discretion of the administrative judge.

(g) The denial of a motion for certification does not affect the right of the parties to challenge interlocutory rulings in the course of the review by the Board of initial or recommended decisions.

BOARD DECISIONS, ATTORNEY'S FEES AND JUDICIAL REVIEW

§ 28.86 Board procedures; recommended decisions.

(a) *Non-member recommended decisions.* Where an administrative judge who is not a Board member issues a decision, the administrative judge shall transmit to the parties and to the Board a recommended decision.

(b) Exceptions to the recommended decision shall be filed within 30 days from service of the decision. Exceptions may be filed by hand delivery or by mail. Please note that the address to be used differs for the two kinds of filing.

(1) *Filing by hand delivery:* Exceptions may be filed by hand delivery at the office of the Board, Suite 560, Union Center Plaza II, 820 First Street NE., Washington, DC.

(2) *Filing by mail:* Exceptions may be filed by mail addressed to the Personnel Appeals Board, Suite 560, Union

Center Plaza II, 441 G Street, NW., Washington DC 20548. When filed by mail, the postmark shall be the exclusive date of filing.

The party filing the exceptions shall serve the Board with an original and 7 copies and shall serve one copy of the exceptions on each of the other parties. The exceptions shall include all supporting material and shall set forth objections to the recommended decision, with references to applicable laws or regulations, and with specific reference to the record. The responding party shall have 30 days from service of the exceptions to file any reply. Additional responsive pleadings may be filed only with the approval of the Board.

(c) Regardless of whether exceptions to a recommended decision are filed with the Board, the Board shall review the recommended decision. In reviewing the recommended decision, the Board shall review the record as though it were making the initial decision. The Board may adopt, reverse, remand, modify or vacate the recommended decision, in whole or in part. Where no party files exceptions to a recommended decision and the Board is considering any action other than adopting the recommended decision in whole as the final decision, the Board shall provide the parties an opportunity to address the issues it is considering. Where appropriate, the Board shall issue a final decision and order a date for compliance. In reviewing any recommended decision, the Board may:

(1) Issue a single decision which decides the case;

(2) Hear oral arguments;

(3) Require the filing of briefs;

(4) Remand the proceedings to the administrative judge to take further testimony or evidence or make further findings or conclusions; or

(5) Take any other action necessary for final disposition of the case.

(d) The Board shall reject a recommended decision, in whole or in part, on the basis of its own motion or on the basis of exceptions filed by the parties, when the Board finds that:

(1) New and material evidence is available that, despite due diligence, was not available when the record was closed;

§ 28.87

4 CFR Ch. I (1–1–00 Edition)

(2) The recommended decision is based on an erroneous interpretation of statute or regulation;

(3) The recommended decision is arbitrary, capricious or an abuse of discretion, or otherwise not consistent with law;

(4) The recommended decision is not made consistent with required procedures and results in harmful error; or

(5) The recommended decision is unsupported by evidence required by the requisite burden of proof as set forth at § 28.61.

(e) The decision of the Board shall be final and subject to judicial review pursuant to § 28.90.

[58 FR 61992, Nov. 23, 1993, as amended at 61 FR 36810, July 15, 1996]

§ 28.87 Board procedures; initial decisions.

(a) When a case is heard in the first instance by a single Board member, or a panel of members, an initial decision shall be issued by that member or panel and served upon the parties.

(b) An aggrieved party may seek review or reconsideration of the initial decision in the following manner:

(1) Within 15 days of the service of the initial decision, such a party may seek review by the full Board by filing and serving a notice of appeal to the Board.

(2) Within 10 days of the service of the initial decision, such a party may file and serve a request for reconsideration with the administrative judge or panel rendering that decision. Filing of the request for reconsideration shall toll the commencement of the 15 day period for filing a notice of appeal with the full Board, pending disposition of the request for reconsideration by the administrative judge or panel. The administrative judge or panel shall determine if a response is required, and if so, will fix by order the time for the filing of the response. A motion for reconsideration will not be granted without providing an opportunity for response.

(c) Within 25 days following the filing of a notice of appeal to the full Board, the appellant shall file and serve a supporting brief. That brief shall identify with particularity those findings or conclusions in the initial decision that are challenged and shall refer specifi-

cally to the portions of the record and the provisions of statutes or regulations that assertedly support each assignment of error. Within 25 days following the service of the appellant's brief, the appellee may file and serve a responsive brief. Within 10 days following the service of the appellee's responsive brief, the appellant may file and serve a reply brief.

(d) In the absence of a timely appeal, the initial decision shall become the final decision of the Board 30 days following its issuance or the date of the administrative judge's or panel's disposition of a request for reconsideration (whichever comes later) unless, prior to the expiration of the 30 day period, the parties are notified in writing that the full Board intends to review the initial decision in whole or in part on its own motion. Such review sua sponte will normally be conducted only if a majority of the Board concludes that one or more issues of law addressed in the initial decision are of such importance as to warrant consideration by the full Board notwithstanding the absence of appeal. Issues so qualifying shall be identified in the Board's notice and the parties shall be provided an opportunity to brief them prior to the Board's decision.

(e) Oral argument on an appeal or in connection with a sua sponte review shall be held in the discretion of the Board. Any party may request that the Board exercise its discretion in that regard.

(f) Upon appeal or following its review sua sponte, the Board may affirm, reverse, modify or vacate the initial decision in whole or in part. If deemed warranted, the Board may remand the proceeding to the single member or panel for further action, including the reopening of the record for the taking of additional evidence. Unless the full Board expressly retains jurisdiction, the single member or panel shall render, on completion of the remand, a supplemental initial decision which shall be subject to appellate review in the same manner and to the same extent as provided for initial decisions in paragraphs (b), (d) and (g) of this section. If the Board does expressly retain jurisdiction at the time of remand, the single member or panel shall instead

General Accounting Office

§ 28.90

render a report to the Board on the remanded matters. Upon receipt of the report, the Board shall determine whether the views of the parties on the content of the report should be obtained in writing and, where necessary, shall fix by order the time for the submission of those views. A decision of the full Board disposing of the proceeding without a remand or, where the Board has expressly retained jurisdiction, following completion of the remand shall be the final decision of the Board and subject to judicial review.

(g) In conducting its examination of the initial decision, the Board may review the record as though it were making the initial decision itself. As a general matter, however, the Board will not overturn a finding of fact contained in the initial decision unless that finding is unsupported by substantial evidence in the record viewed as a whole. In determining whether some action other than affirmance of the initial decision is required, the Board will also consider whether:

(1) New and material evidence is available that, despite due diligence, was not available when the record was closed;

(2) The initial decision is based on an erroneous interpretation of statute or regulation;

(3) The initial decision is arbitrary, capricious or an abuse of discretion, or otherwise not consistent with law;

(4) The initial decision is not made consistent with required procedures and results in harmful error.

(h) Initial decisions that become final without review by the full Board shall not be binding precedent in any other case.

§ 28.88 Board procedures; enforcement.

(a) A person required to take any action under the terms of a Board decision or order shall carry out its terms promptly, and shall, within 30 days after the decision or order becomes final, provide the Board and all parties to the proceeding with a compliance report specifying:

(1) The manner in which compliance with the provisions of the decision or order has been accomplished;

(2) The reasons why compliance with any provisions of the Board's order has not been fully accomplished; and

(3) The steps being taken to ensure full compliance.

(b) When the Board does not receive a notice of compliance in accordance with paragraph (a) of this section, the Solicitor shall make inquiries to determine the status of the compliance report. When the Solicitor establishes that a complete compliance report is not forthcoming, the Solicitor shall report the failure to file a complete compliance report to the Board.

(c) Any person and/or the General Counsel may petition the Board for enforcement of a final decision of the Board. The petition shall specifically set forth the reasons why the petitioner believes there is non-compliance.

(d) Upon receipt of a non-compliance report from its Solicitor or of a petition for enforcement of a final decision, the Board may issue a notice to any person to show cause why there was non-compliance. Following a show cause proceeding, the Board may seek judicial enforcement of its decision or order.

§ 28.89 Attorney's fees and costs.

Within 20 days after service of a final decision by the Board, or within 20 days after the date on which an initial decision becomes final pursuant to § 28.87(d), the petitioner, if he or she is the prevailing party, may submit to the administrative judge who heard the case initially a request for the award of reasonable attorney fees and costs. GAO may file a response within 20 days after service of the request. Motions for attorney fees shall be filed in accordance with § 28.21 of these regulations. Rulings on attorney's fees and costs shall be consistent with the standards set forth at 5 U.S.C. 7701(g). The decision of the administrative judge concerning attorney's fees and costs shall be subject to review and shall become final according to the provisions of §§ 28.86–28.87.

§ 28.90 Board procedures; judicial review.

(a) A final decision by the Board under 31 U.S.C. 753(a) (1), (2), (3), (6), (7)

§ 28.91

4 CFR Ch. I (1–1–00 Edition)

or (9) may be appealed to the United States Court of Appeals for the Federal Circuit within 30 days after the petitioner receives notice of the Board's decision.

(b) The Board may designate the Solicitor, the General Counsel or any other qualified individual to represent it in any judicial proceeding involving a Board decision or the interpretation of a Board rule or of the GAO Personnel Act.

Subpart C—Oversight Procedures

§ 28.91 General.

Pursuant to section 732(f) of Title 31, U.S.C., the Board is authorized to conduct oversight of GAO employment regulations, procedures and practices as they relate to laws prohibiting discrimination in employment on the basis of race, color, religion, national origin, political affiliation, age, sex, marital status, or disability.

§ 28.92 Oversight of GAO EEO program.

(a) When requested by the Board in the exercise of its oversight responsibility, GAO shall provide:

(1) Such plans, procedures and regulations as GAO may develop in order to eliminate and prevent employment discrimination on the bases enumerated in § 28.95;

(2) Reports regarding its efforts to publicize to its employees the procedures to be followed for receiving advice and for filing complaints regarding the enforcement of laws prohibiting discrimination in employment;

(3) Quarterly statistical reports of pre-complaint counseling and of pending complaints, in a manner prescribed by the Board;

(4) An annual report on its equal employment opportunity affirmative action program and its Federal Equal Employment Opportunity Recruitment Program; and

(5) Any other information regarding equal employment opportunity within the GAO that may be required by the Board, in the time frame and format established by the Board after con-

sultation with the Comptroller General or his or her designee.

(b) The Board shall review and evaluate the regulations, procedures and practices of the GAO, including the information filed with it in accordance with paragraph (a) above, and shall:

(1) Require the GAO to make any changes the Board determines are needed due to violations of or inconsistencies with Subchapters III and IV of Chapter 7 of Title 31, U.S.C. or equal employment opportunity laws, and

(2) Report to the Congress on the overall progress being made in effectuating the purposes of Subchapters III and IV of Chapter 7 of Title 31, U.S.C.

Subpart D—Special Procedures; Equal Employment Opportunity (EEO) Cases

§ 28.95 Purpose and scope.

The procedures in this subpart relate to charges filed against any GAO policies or specific actions which are alleged to involve prohibited discrimination. Prohibited discrimination is defined as any action in violation of:

(a) Section 717 of the Civil Rights Act of 1964 (42 U.S.C. 2000e-16), prohibiting discrimination based on race, color, religion, sex or national origin;

(b) Sections 12 and 15 of the Age Discrimination in Employment Act of 1967 (29 U.S.C. 631, 633a) prohibiting discrimination on account of age;

(c) Section 6(d) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(d), prohibiting discrimination in wages on the basis of sex;

(d) Sections 501 and 505 of the Rehabilitation Act of 1973 (29 U.S.C. 791, 794a) prohibiting discrimination on the basis of disability; or

(e) Any other law prohibiting discrimination in Federal employment on the basis of race, color, religion, age, sex, national origin or disability. 31 U.S.C. 732(f)(2).

§ 28.96 Applicability of general procedures.

Except where a different procedure is provided for in this subpart, the procedures to be followed by all parties in cases arising under this subpart shall be the general procedures as prescribed in subpart B of this part.

General Accounting Office

§ 28.98

§ 28.97 Class actions in EEO cases.

(a) Prior to invoking the Board's procedures in a case alleging prohibited discrimination on behalf of a class of GAO employees or applicants for employment, a complaint must first be filed with GAO in accordance with GAO Order 2713.2.

(b) A petition for review of GAO's disposition of any EEO class complaint may be submitted to the Board at the following times:

(1) Within 20 days of receipt of a GAO determination rejecting or canceling the class complaint;

(2) Within 20 days of receipt of a GAO determination accepting the class action, but with modifications that are not satisfactory to the agent of the class;

(3) When a period of more than 180 days has elapsed since the formal class complaint was filed and the GAO has not issued a final decision; or

(4) Within 20 days of receipt of a final GAO decision resolving the complaint if that decision, in whole or in part, has not satisfied the agent for the class.

(c) In class actions in EEO cases, no charge shall be filed or investigated by the General Counsel prior to filing a petition for review with the Board. However, the General Counsel may request permission to intervene with regard to any issue in which the General Counsel finds a significant public interest with respect to the preservation of the merit system.

(d) The parties shall not have a right to a hearing on a petition for review in class actions under this section. Upon a showing of good cause as to why an evidentiary hearing is necessary, the Board may order such a hearing. Alternatively, the Board may, after a review of the administrative record and on its own motion, order a hearing for the purpose of gathering additional evidence. If no hearing is ordered, the Board's decision shall be based upon a review of the administrative record developed in the GAO class complaint process.

(e) Standards. For the purpose of determining whether it is appropriate to treat an appeal as a class action, the administrative judge will be guided, but not controlled, by the applicable

provisions of the Federal Rules of Civil Procedure.

§ 28.98 Individual charges in EEO cases.

(a) Except as provided in paragraph (c) of this section, a charge alleging prohibited discrimination (as defined in § 28.95) shall not be filed with the Board's General Counsel unless the charging party has first filed a complaint of discrimination with GAO in accordance with GAO Order 2713.2.

(b) A charge relating to GAO's disposition of any individual EEO complaint may be filed with the Board's General Counsel at the following times:

(1) Within 30 days from the receipt by the charging party of a GAO decision rejecting the complaint in whole or part;

(2) Whenever a period of more than 120 days has elapsed since the complaint was filed, and the GAO has not issued a final decision; or

(3) Within 30 days from the receipt by the charging party of a final GAO decision concerning the complaint of discrimination.

(c) *Special rules for adverse and performance based actions.* Where an employee is affected by a removal, suspension for more than 14 days, reduction in grade or pay, or furlough of not more than 30 days (whether due to disciplinary, performance-based or other reasons), and the employee wishes to allege that such action was due in whole or part to prohibited discrimination (as defined in § 28.95), the employee may elect to do either (but not both) of the following:

(1) File a charge directly with the Board's General Counsel within 30 days of the effective date of the personnel action and raise the issue of discrimination in the course of the proceedings before the Board; or

(2) File a complaint of discrimination with the GAO pursuant to GAO Order 2713.2. If the employee elects to file a complaint of discrimination with GAO, he or she may still seek Board review of the matter by filing a charge with the Board's General Counsel at the times authorized in paragraph (b) of this section. Where a complaint of discrimination filed with GAO relates to non-EEO issues that are within the

§ 28.99

Board's jurisdiction in addition to EEO-related allegations, the subsequent charge filed with the Board's General Counsel under paragraph (b) of this section shall be considered a timely appeal of the non-EEO issues. An employee will be deemed to have elected the EEO complaint process if the employee files a timely written complaint of discrimination with GAO before filing a charge with the Board's General Counsel. Consultation with an EEO counselor, without filing a written complaint of discrimination, does not constitute an election of the EEO complaint process.

(d) *Special rules for RIF based actions.* An individual alleging discrimination issues in connection with a RIF-based separation may follow the procedures outlined above in paragraph (c) of this section for adverse and performance based actions, or may choose instead a third option. In accordance with the provisions of § 28.13, such an individual may appeal that action by filing directly with the PAB, thus bypassing both the Civil Rights Office and the PAB's Office of General Counsel.

(e)(1) The charging party shall file the charge with the General Counsel in accordance with § 28.11. The General Counsel shall investigate the charge in accordance with § 28.12.

(2) A charging party challenging a RIF action by filing directly with the PAB shall follow the procedures prescribed in § 28.13 and § 28.18.

[58 FR 61992, Nov. 23, 1993, as amended at 59 FR 59106, Nov. 16, 1994; 61 FR 36811, July 15, 1996]

§ 28.99 Petitions for review to the Board in EEO cases.

(a) The provisions of §§ 28.18 through 28.90, inclusive, shall govern the Board's procedures in processing petitions filed under this subpart.

(b) Remedial action provided in Board orders in these cases may include:

(1) Provision for offers of employment, re-employment or promotion, with or without back pay, when the Board decides such action is required to make whole the individual found to have been discriminated against.

4 CFR Ch. I (1–1–00 Edition)

(2) Notification to all GAO employees of the action ordered to be taken to expunge the effect of the discrimination;

(3) Correction of GAO personnel records, as necessary, to reflect the purpose of the Board order; and,

(4) Any other action the Board believes proper to correct the effect of the discrimination found to have occurred.

§ 28.100 [Reserved]

§ 28.101 Termination of Board proceedings when suit is filed in Federal District Court.

Any proceeding before the Board shall be terminated when an employee or applicant who is alleging violation of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000e–16, the Rehabilitation Act, 29 U.S.C. 791, or the Age Discrimination in Employment Act, 29 U.S.C. 633a, files suit in Federal District Court.

[59 FR 59106, Nov. 16, 1994]

Subpart E—Special Procedures; Representation Proceedings

§ 28.110 Purpose.

The procedures in this subpart relate to the Board's duty under 31 U.S.C. 753(a) (4) and (5) to determine appropriate units of GAO employees for collective bargaining, to conduct elections in order to determine whether the employees in any such units wish to select a labor organization to represent them in collective bargaining, and, thereafter, to certify labor organizations so selected as the designated exclusive bargaining representative. They are referred to in these regulations as "representation proceedings".

§ 28.111 Scope.

The Board shall consider, decide and order corrective action (as appropriate) in cases arising from the determination of appropriate units of employment for collective bargaining and cases arising from elections and certifications of collective bargaining representatives. Board decisions in these matters will be made with due regard for relevant provisions of GAO Orders and with the objective of insuring that the GAO labor relations program is consistent

General Accounting Office

§ 28.113

with Chapter 71 of Title 5, United States Code, which prescribes the standards for the labor relations program in the executive branch.

§ 28.112 Who may file petitions.

(a) Representation petitions may be filed by:

(1) A labor organization which wishes to be designated as the exclusive representative for collective bargaining by the GAO employees in an appropriate unit, or by a labor organization which desires to replace another currently having that status;

(2) An employee or a group of employees (or an individual on his, her or their behalf) desiring a new election to determine whether a labor organization has ceased to represent a majority of employees in a unit;

(3) The GAO if it has a good faith reason to doubt the continued desire of a group of its employees to be represented by a labor organization which is currently the exclusive representative of the employees in an appropriate unit;

(4) The GAO or a labor organization currently recognized as an exclusive representative desiring the Board to clarify an earlier unit determination or certification;

(5) Any person seeking clarification of, or an amendment to, a certification then in effect or any other matter relating to representation.

(b) Notwithstanding the provisions of paragraph (a) of this section, no petition may be filed which seeks representation rights for employees in a unit—

(1) Where an election has been held within the previous 12 calendar months and in such election a majority of the employees voting chose a labor organization for certification as the unit's exclusive representative, or

(2) Where an existing collective bargaining agreement having a term of three years or less is in effect, unless the petition for exclusive recognition is filed not more than 105 days and not less than 60 days before the expiration of the collective bargaining agreement, or

(3) Where an existing collective bargaining agreement having a term of more than three years is in effect, unless the petition for recognition is filed

not more than 105 days and not less than 60 days before the third anniversary or any subsequent anniversary of the collective bargaining agreement.

§ 28.113 Contents of representation petitions.

(a) The contents of representation petitions filed under § 28.112(a)(1) (by a labor organization seeking to be designated as or replace an exclusive bargaining representative) shall consist of:

(1) A detailed identification of the unit of employees to which the petition applies, and their geographical location within the GAO, the classifications of employees to be included and excluded, and the number of employees involved;

(2) Names, addresses and officers of any other labor organizations known by the petitioner to be interested in representing employees covered by the petition, including a labor organization which is party to a current collective bargaining agreement covering any employees in the unit;

(3) Name, address, affiliation, if any, and telephone number of the petitioning organization;

(4) A copy of the constitution and by-laws of the organization, a roster of the organization's officers and representatives, and a statement of the organization's objectives, together with a statement that these documents have also been supplied to the GAO;

(5) A declaration by the signer of the petition, under penalties of the Criminal Code (18 U.S.C. 1101), that the petition's contents are true and correct, to the best of his or her knowledge and belief;

(6) The signature of the representative of the petitioner, including title and telephone number; and

(7) Membership cards, dues records, or signed statements by employees indicating their desire to be represented by the labor organization, or similar evidence acceptable to the Board, showing that at least 30 percent of the employees in the proposed unit wish to be represented by the petitioner.

(b) The contents of petitions filed under § 28.112(a)(2) (by an employee or group of employees seeking an election to determine if a labor organization

§ 28.114

4 CFR Ch. I (1–1–00 Edition)

still represents a majority of employees in a unit) shall conform to those provided for in paragraph (a) of this section, except that the information required by paragraphs (a)(4) and (a)(7) of this section need not be supplied. Additionally, a petition under § 28.112(a)(2) shall include evidence satisfactory to the Board that at least 30 percent of the employees in the unit no longer wish to be represented by the labor organization currently having bargaining rights.

(c) The contents of petitions filed under § 28.112(a)(3) (by GAO raising good faith doubts about the continued desire of a group of its employees to be represented by a labor organization) shall conform to those provided in petitions under paragraph (a) of this section except that the information required by paragraphs (a)(4) and (a)(7) of this section need not be supplied. Additionally, such a petition shall include a detailed statement giving the objective considerations which support the GAO's good faith reason for doubting the labor organization's continued status as the exclusive representative.

(d) The contents of petitions filed under § 28.112(a)(4) (by GAO or a labor organization seeking clarification of a certification) shall include the information required under paragraph (a) of this section, with the exception of the information required by paragraphs (a)(4) and (a)(7) of this section. Also, instead of the information required in paragraph (a)(1) of this section, the petition shall identify the existing unit and the date the organization was recognized by the GAO or certified as the exclusive representative, and shall explain the changes desired in the unit and the reasons therefor.

(e) Petitions under § 28.112(a)(5) (by any person seeking clarification or amendment of a certification, or raising any other representation matter) shall be filed on forms to be supplied by the Board upon request.

§ 28.114 Pre-investigation proceedings.

(a) Upon the filing of a valid petition, the General Counsel may request GAO to notify employees as to the existence of the petition by posting a notice for at least 10 days in locations appropriately selected to reach all employ-

ees in the unit covered by the petition. The notice shall include a request that the Board's General Counsel be notified of the existence of any other interested parties.

(b) GAO shall supply the General Counsel with any information in its possession concerning other potentially interested labor organizations, copies of relevant correspondence, and copies of existing or recently expired agreements covering any employees in the unit. The GAO shall also provide a list of employees it believes should be included in the unit together with their classifications and the names and classifications of those employees it proposes to exclude from the unit.

(c) All interested parties shall meet as soon as possible after the expiration of the 10-day posting period and shall attempt to resolve any issues in controversy.

(d) A labor organization may become an intervenor in any representation proceeding by submitting to the General Counsel, within the 10-day period, evidence that it represents at least 10 percent of the employees in the proposed unit or that it is the exclusive representative of the employees involved. Denial of a request to intervene may be appealed to the Board. Such an appeal must be filed within 10 days of service of the General Counsel's determination.

§ 28.115 Processing petitions.

(a) Upon the expiration of the 10-day posting period, and after the General Counsel considers an appropriate period has elapsed for consultation among the parties to resolve or identify issues, the General Counsel shall prepare a report to the Board which may recommend:

(1) Approval of any agreement entered into by the parties during their consultations including an agreement on the appropriate units, on the withdrawal of the petition, or on a joint request to conduct an election to determine which labor organization, if any, the employees select to be their exclusive bargaining representative;

(2) Dismissal of the petition as being without merit; or

General Accounting Office

§ 28.120

(3) Issuance of a notice of hearing for the purpose of disposing of the remaining issues raised in the petition.

(b) The General Counsel's report shall be supplied to all interested parties, and, unless all parties agree to a shorter period, they shall have 15 days during which to file any response with the Board.

(c) The Board, as expeditiously as feasible after the expiration of the period specified in paragraph (b) of this section, but no later than 30 days thereafter, shall either approve the report and order appropriate steps to carry out its recommendations, or remand it to the General Counsel with further instructions.

(d) Where a hearing is ordered, an administrative judge shall be designated by the Board. The report of the administrative judge shall include Findings of Fact and Recommendations.

(e) After receiving the report from the administrative judge, and after providing the parties with an opportunity for comment, the Board shall issue a Decision and Order determining the appropriate unit, directing an election, dismissing the petition or making some other appropriate disposition of the matter.

(f) Final Decisions and Orders issued by the Board based on hearings held in accordance with paragraphs (d) and (e) of this section shall not be considered final decisions subject to appeal before the Circuit Courts of Appeal.

§ 28.116 Conduct of elections.

(a) The Board shall supervise any election it orders to be conducted, but may delegate ministerial functions relating to an election to any qualified independent organization; to members of the Board's full-time staff; or to temporary employees hired for this purpose.

(b) Appropriate notices setting forth details of the election shall be posted by GAO as directed by the Board.

(c) The Board shall, through its agents chosen to conduct the election:

(1) Provide the opportunity for all qualified voters to indicate their choices in secrecy;

(2) Offer qualified voters the opportunity to vote for any labor organiza-

tion on the ballot, or to reject all labor organizations;

(3) Permit all parties to observe all aspects of the election procedure other than any which would interfere with the secrecy of the ballot;

(4) Provide for all parties to challenge the eligibility of any voters, and to impound the ballots of such voters, subject to later determination of eligibility should the number of challenges potentially affect the results;

(5) Certify to all parties the results of the election.

(d) Upon receiving a report of the results of the election, the Board shall:

(1) If necessary rule on the challenges and adjust the results accordingly;

(2) Formally announce the results and, where appropriate, designate a labor organization as the exclusive collective bargaining agent, or withdraw such a designation;

(3) Order a runoff or an additional election, if the Board deems it appropriate, where the results of the original election are inconclusive because no choice on the ballot has secured a majority of the valid votes cast. Not more than one additional and one runoff election may be held.

(i) *Runoff election.* The Board may order a runoff election where one or more of the labor organizations on the ballot has received the vote of at least 30 percent of the employees eligible to vote, but none has gained a majority of the votes cast. The runoff election will be between the two choices receiving the largest and the second largest number of votes in the original election.

(ii) *Additional election.* The Board may order an additional election where there is a tie vote between all of the choices on the ballot or where a runoff election is not feasible because there is a tie between the choices receiving the second most votes in the original election. The additional election will include all the choices that appeared on the original ballot.

Subpart F—Special Procedures; Unfair Labor Practices

§ 28.120 Authority of the Board.

(a) The procedures in this subpart relate in part to the Board's function, under 31 U.S.C. 753(a)(6), to "consider

§ 28.121

and order corrective or disciplinary action in a case arising from * * * a matter appealable to the Board under the labor-management relations program under (31 U.S.C. 732(e)(2)) including a labor practice prohibited under (31 U.S.C. 732(e)(1)).”

(b) The system so established by the Comptroller General is required to provide that each employee of the GAO has the right to form, join or assist, or not form, join or assist an employee organization, freely and without penalty or reprisal, and for a labor-management relations program consistent with Chapter 71 of Title 5, U.S.C. (31 U.S.C. 732(e)).

§ 28.121 Unfair labor practices; Board procedures.

(a) Unfair labor practices are defined at GAO Order 2711.1. An allegation that a provision of GAO Order 2711.1 is inconsistent with Chapter 71 of Title 5, United States Code, and thereby denies to an employee or labor organization rights comparable to those granted by Chapter 71 of Title 5, United States Code, may also be raised under the unfair labor practice procedure.

(b) An allegation that unfair labor practices have been committed shall be subject to the procedures appearing in subpart B of this part for the filing of charges, investigation by the General Counsel, and the Board's disposition, except as set forth in paragraphs (c) and (d) of this section.

(c) Except as provided in paragraph (d) of this section, no petition for review may be filed based on any alleged unfair labor practice which occurred more than 6 months before the filing of an unfair labor practice charge with the charged party, as provided in paragraph 14b of GAO Order 2711.1, or more than 9 months before the filing of a charge with the General Counsel.

(d) If the Board determines that the charging party was prevented from filing the charge during the 6-month period referred to in paragraph (c) of this section by reason of:

(1) Any failure of the charged party to perform a duty owed to the charging party; or

(2) Any concealment which prevented discovery of the alleged unfair labor practice during the 6-month period; the

4 CFR Ch. I (1–1–00 Edition)

charge will be considered timely filed, provided it was filed with the charged party during the 6-month period beginning on the day of the discovery of the alleged unfair labor practice by the charging party.

§ 28.122 Negotiability issues; compelling need.

Where the GAO and an exclusive bargaining representative disagree on whether a matter is subject to negotiation as part of the requirement to bargain in good faith, the matter shall be appealable to the Board under the following procedures:

(a) When, in connection with negotiations, a proposal is declared nonnegotiable, the party submitting the proposal shall, prior to the close of negotiations, submit to the other party a Request for Formal Negotiability Determination reciting the proposal in question. The party declaring the proposal nonnegotiable shall, within ten (10) days, deliver to the other party a Formal Negotiability Determination stating the basis for the Determination.

(b) A Formal Negotiability Determination may be appealed to the Board within 20 days of its service by filing a Petition for Review with the Board. A complete statement of argument from the petitioner should accompany the Petition for Review.

(c) The Board shall serve the Respondent with a copy of the Petition for Review and accompanying argument. Respondent shall reply to the Petition for Review within 20 days of its service upon respondent.

(d) One or more members of the Board shall review the arguments, hold a hearing if the administrative judge deems it necessary, and issue a decision.

(e) The decision shall become final in accordance with §§ 28.86–28.87.

§ 28.123 Standards of conduct for labor organizations.

(a) The GAO shall only accord recognition to labor organizations that are free from corrupt influences and from influences opposed to basic democratic principles. An organization is not required to prove it is free from

General Accounting Office

§ 28.124

such influence if it is subject to governing requirements calling for the maintenance of:

- (1) Democratic procedures;
- (2) Freedom from totalitarian influence;
- (3) Independence on the part of its agents and officers from any business or financial interests which represent conflicts of interest or potential conflicts of interest; and

- (4) Fiscal integrity, including provision for the dissemination of regular financial reports to its members.

(b) A labor organization which has or seeks recognition as a representative of employees under this chapter shall file financial and other reports with the Board and comply with trusteeship and election standards.

(c) A labor organization which has or seeks recognition under these Rules shall adhere to principles enunciated in the Regulations issued by the Assistant Secretary of Labor for Labor/Management Relations regarding standards of conduct for labor organizations in the public sector. Complaints of violations of this section shall be filed with the Board. In any matter arising under this section, the Board may require a labor organization to cease and desist from violations of this section and require it to take such actions as it considers appropriate to carry out the policies of this section.

(d) This chapter does not authorize participation in the management of a labor organization or acting as a representative of a labor organization by a management official, a supervisor, or a confidential employee, or by any employee if the participation or activity would result in a conflict or apparent conflict of interest or would otherwise be incompatible with law or with the official duties of the employee.

(e) In the case of any labor organization which by omission or commission has willfully and intentionally called or participated in a strike, work stoppage or slowdown, or picketed in a manner which interfered with the operations of a government agency, or has condoned such activity, the Board shall, upon an appropriate finding it has made of such a violation—

- (1) Revoke the recognition status of the labor organization; or

- (2) Take any other appropriate disciplinary action.

(f) The General Counsel may charge a labor organization with violations of this section. The Board shall conduct proceedings with regard to such charge and may require a labor organization to take such actions as it deems necessary to carry out the policies of this section.

§ 28.124 Review of arbitration awards.

(a) *Filing an exception.* (1) Either party to arbitration, conducted pursuant to a grievance procedure under a collective bargaining agreement, may file with the Board an exception to the arbitrator's award rendered pursuant to the arbitration.

(2) The time limit for filing an exception to an arbitration award is 30 days from the service of the award on the filing party.

(3) An opposition to the exception may be filed by a party within 30 days after the service of the exception.

(4) A copy of the exception and any opposition shall be served on the other party.

(b) *Content of exception.* An exception must be a dated, self-contained document which sets forth in full:

§ 28.130

(ii) The award relates to a removal, suspension for more than 14 days, reduction in grade, reduction in pay, or furlough of 30 days or less covered under 5 U.S.C. 7512; or

(iii) the exception is based on a GAO rule which was not introduced into the record submitted to the arbitrator.

(d) *Board decision.* The Board shall issue its decision and order taking such action and making such recommendations concerning the award as it considers necessary, consistent with applicable laws, rules, or regulations.

Subpart G—Corrective Action, Disciplinary and Stay Proceedings

§ 28.130 General authority.

The procedures in this subpart relate to the Board's functions "to consider, decide and order corrective or disciplinary action (as appropriate) in cases arising" from any area within the Board's jurisdiction.

§ 28.131 Corrective action proceedings.

(a) When information comes to the attention of the General Counsel suggesting that a prohibited personnel practice may have occurred, exists or is to be taken, the General Counsel shall investigate the matter to the extent necessary to determine whether there are reasonable grounds to believe that a prohibited personnel practice has occurred, exists or is to be taken.

(b) If the General Counsel terminates any investigation under this section which is not also the subject of a charge, the General Counsel shall prepare and transmit to any person on whose allegation the investigation was initiated, a written statement notifying the person of the termination of the investigation and the reasons therefore.

(c) If the General Counsel determines that there are reasonable grounds to believe that a prohibited personnel practice has occurred, exists or is to be taken which requires corrective action and which is not also the subject of a charge, the General Counsel shall report the determination together with any findings or recommendations to the GAO.

(d) If, after a reasonable period, GAO has not taken the corrective action

recommended, the General Counsel may file a petition for review with the Board. Such petition for review shall be processed in accordance with §§ 28.19 through 28.25.

§ 28.132 Disciplinary proceedings.

(a) If the General Counsel determines after any investigation under 31 U.S.C. 752(b) that disciplinary action should be initiated against an employee, the General Counsel shall prepare a written complaint against the employee containing his or her determination, together with a statement of the supporting facts, and present the complaint and the statement to the employee and the Board in accordance with paragraphs (b) and (c) of this section.

(b) In the case of an employee in a confidential, policy making, policy-determining, or policy-advocating position appointed by the President, by and with the advice and consent of the Senate, the complaint and statement referred to in paragraph (a) of this section, with any response by the employee, shall be presented to the Congress for appropriate action in lieu of being presented under paragraph (d) of this section.

(c) Any employee against whom a complaint has been presented to the Board under paragraph (a) of this section is entitled to:

(1) A reasonable time to answer orally and in writing and to furnish affidavits and other documentary evidence in support of the answer;

(2) Be represented by an attorney or other representative;

(3) A hearing before the Board or a member designated by the Board;

(4) Have a transcript kept of any hearing under paragraph (c)(3) of this section; and

General Accounting Office

§ 28.133

(e) There may be no administrative appeal from an order of the Board under paragraph (d) of this section. An employee subject to a final decision ordering disciplinary action under this section may obtain judicial review of the order in the U.S. Court of Appeals for the Federal Circuit in accordance with 31 U.S.C. 755.

§ 28.133 Stay proceedings.

(a) The General counsel may request the issuance of an ex parte stay, not to exceed 30 days in duration, of any proposed personnel action that, in the General Counsel's judgment, may constitute a prohibited personnel practice. Any such request shall be in writing and shall specify, among other things, the nature of the action to be stayed and the basis for the General Counsel's belief that a prohibited personnel practice may be involved. The General Counsel shall serve a copy of the request on the GAO. Within three business days of its filing, the request shall be granted by the Board member designated by the Board Chair to entertain it unless, in the opinion of that member, the request either fails to satisfy the requirements of this paragraph or, on its face, conclusively establishes the absence of a prohibited personnel practice.

(b) The General Counsel may request either a further temporary stay or a permanent stay of the proposed personnel action. Such a request shall be filed and served so as to be received by the Board and the agency no less than 10 days before the expiration of any ex parte stay issued under paragraph (a) of this section. The agency's response to the request shall be filed and served so as to be received by the Board and the General Counsel no less than three days before the expiration of the ex parte stay issued under paragraph (a) of this section.

(c) A stay request under paragraph (b) of this section will be considered and decided by the Board member who issued the ex parte stay under paragraph (a) of this section, unless the Board Chair determines that it should be considered and decided by the Board en banc.

(d) Upon initial consideration of a stay request under paragraph (b) of this section, the Board or the designated member thereof may:

(1) grant or deny the requested stay, in whole or in part, on the basis of the written submissions of the respective parties without additional briefing, oral argument, or the receipt of any documentary evidence or testimony;

(2) require further briefing of the issues presented by the request and/or call for oral argument; or

(3) conduct a hearing at which documentary evidence and testimony is received. If necessary, the ex parte stay issued under paragraph (a) of this section may be extended sua sponte for a period not to exceed 30 days to enable the Board or the designated member thereof a reasonable opportunity to decide the matter.

(e) In acting upon a stay request under paragraph (b) of this section, the Board or the designated member thereof shall consider and balance such established equitable factors as:

(1) The likelihood that the personnel action sought to be stayed involves a prohibited personnel practice; and

(2) The nature and extent of the injury that the employee and the agency likely will suffer if the requested stay is or is not issued. If a further temporary stay is granted based on a claim that the General Counsel requires additional time to conclude an investigation of the employee's complaint, the duration of that further stay shall not exceed the amount of time necessary to complete the investigation in the exercise of a high degree of diligence.

(f) Any order issued by a member of the Board granting or denying, in whole or in part, a stay request under paragraph (b) shall be subject to review by the Board en banc on the filing and service of a notice of appeal, accompanied by a supporting brief, within 10 days of the service of that order. Responsive briefs shall be filed and served within 10 days of service of the appeal.

(g) A motion to vacate a stay order may be filed at any time. A stay order issued by the Board en banc may not be vacated by a single Board member.

Subpart H—Appeals by Members of the Senior Executive Service

§ 28.140 Personnel actions involving SES members.

Members of the GAO Senior Executive Service (SES) may appeal adverse actions relating to misconduct, malfeasance or similar action to the Board in accordance with Subpart B of this part. Members of the GAO SES who allege that they have been subjected to a personnel action that constitutes a prohibited personnel practice or prohibited discrimination may appeal to the Board in accordance with subpart B or subpart D of this part respectively.

§ 28.141 Performance based actions.

A career appointee removed from SES to a GAO position outside the SES for less than fully successful executive performance shall, upon notice of such removal, be entitled, upon request, to an informal hearing before a member of the Board designated by the Chair of the Board.

(a) At the informal hearing, the career appointee and/or a representative and the agency may appear and present documentary evidence and argument.

(b) The Board member will determine which, if any, witnesses will be allowed to testify. As a general rule, no cross-examination of witnesses will be allowed. The Board member will have discretion to allow cross-examination of witnesses in exceptional circumstances.

(c) The informal hearing shall not give the career appointee the right to initiate an action with the Board under another provision of these rules, nor need the removal action be delayed as a result of the granting of such hearing.

Subpart I—Ex Parte Communications

§ 28.145 Policy.

It is the policy of the Board to regulate strictly ex parte communications between members of the Board and their decision-making personnel and any interested party to a proceeding before the Board.

§ 28.146 Explanation and definitions.

(a) Ex parte communications are oral or written communications between decision-making personnel of the Board and an interested party to a proceeding without providing the other parties to the proceeding a chance to participate. Not all ex parte communications are prohibited, however, only those which involve the merits of the case or those which violate other rules requiring submissions to be in writing. Accordingly, interested parties may make inquiries about such matters as the status of a case, when it will be heard, and the method for transmitting evidence to the Board. Such communications should be directed to the Clerk of the Board. Parties may not inquire about such matters as what defense they should use or whether their evidence is adequate, make a submission orally which is required to be in writing, or otherwise inquire as to the merits of a pending case.

(b) In this subpart—

(1) “Interested party” includes:

(i) Any party, including the General Counsel of the Board, or representative of a party involved in a proceeding before the Board;

(ii) Any person desiring to intervene in any proceeding before the Board; or

(iii) Any other person who might be affected by the outcome of a proceeding before the Board.

(2) “Decision-making personnel” means the Board, a panel of Board members, a Board member, an administrative judge, and/or an employee of the Board, who reasonably can be expected to participate in the decision-making process of the Board.

§ 28.147 Prohibited communications.

Ex parte communications concerning the merits of any matter before the Board for adjudication, or which would otherwise violate rules requiring written submissions, are prohibited from the time the interested party involved has knowledge that the matter may be considered by the Board until the Board has rendered a final decision on the case.

§ 28.148 Reporting of communications.

Any communication made in violation of this section shall be made part

General Accounting Office

of the record in the proceeding and an opportunity for rebuttal allowed. If the communication was oral, a memorandum stating the substance of the discussion shall be placed in the record.

§ 28.149 Sanctions.

The following sanctions shall be available for violations of this Subpart:

(a) The Board, a panel of Board members, a Board member or an administrative judge, as necessary, may, in the interest of justice, require the offending party to show cause why his or her claim, interest, motion or petition should not be dismissed, denied or otherwise adversely affected.

(b) The Board, a panel of Board members, a Board member or an administrative judge, as necessary, may invoke such sanctions against any offending party as may be appropriate under the circumstances.

Subpart J—Statement of Policy or Guidance

§ 28.155 Statement of policy or guidance.

Upon petition by any person, or on its own motion, the Board may issue statements of policy or guidance. In determining whether to issue such a statement, the criteria to be considered by the Board will include, but not be limited to, the following:

(a) Whether the question presented can more appropriately be resolved by other means;

(b) Where other means are available, whether a Board statement would prevent the proliferation of cases;

(c) Whether the resolution of the question presented would have general applicability;

(d) Whether the question currently confronts the parties as part of their employee-management relationship;

(e) Whether the question is presented jointly by the parties involved; and

(f) Whether the issuance by the Board of a statement of policy or guidance would promote the purposes of the General Accounting Office Personnel Act.

Employees of the Architect of the Capitol shall be on official time during the time that they are responding to any requests from the General Counsel.

(c) Following the investigation, the General Counsel shall provide the charging party with a Right to Appeal Letter. Accompanying this letter will be a statement of the General Counsel advising the charging party of the results of the investigation. This statement of the General Counsel is not subject to discovery and may not be introduced into evidence before the Board.

(d) If, following the investigation, the General Counsel determines that there are not reasonable grounds to believe that the charging party has been subjected to unlawful discrimination or retaliation as described in § 29.3, then the General Counsel shall not represent the charging party. If the General Counsel determines that there are reasonable grounds to believe that the charging party has been subjected to such discrimination or retaliation, then the General Counsel shall represent the charging party, unless the charging party elects not to be represented by the General Counsel. Any charging party may represent him- or herself or obtain other representation.

(e) When the charging party elects to be represented by the General Counsel, the General Counsel is to direct the representation in the charging party's case. The charging party may also retain a private representative in such cases. § 33.4 Notifying employees; agency responsibility.

Each agency of the Government affected will bring to the attention of its civilian employees the provisions of the act relative to their right to designate a beneficiary or beneficiaries to receive the amounts due and the disposition to be made of unpaid amounts where no beneficiary or beneficiaries have been designated.

[22 FR 10891, Dec. 28, 1957]

§ 33.5 Designation of beneficiary.

(a) *Designation Form.* SF 1152, Designation of Beneficiary, Unpaid Compensation of Deceased Civilian Employee, is prescribed for use by employees in designating a beneficiary and in changing or revoking a previous designation. However, in the absence of the prescribed form, any designation, change, or cancellation of beneficiary witnessed and filed in accordance with the general requirements of this part shall be acceptable. Each agency subject to the provisions of the act will furnish the employee SF 1152 upon request therefor.

(b) *Who may be designated.* An employee may designate any person or persons as beneficiary. The term “person or persons” as used in this part includes a legal entity or the estate of the deceased employee.

If an amount should become due from the agency from which the employee was separated, it will be the responsibility of such agency to ascertain, prior to payment, if the employee was reemployed and executed a designation of beneficiary in connection with such employment, and to pay the compensation to any person or persons so designated. A new designation of beneficiary is not required as to an employee whose agency or site function, records, equipment, and personnel are absorbed by another agency.

(e) *Change or revocation of a designation.* A designation of beneficiary previously made may be changed or revoked as of a later date by the execution and filing of another SF 1152 by the employee, as directed in paragraph (c) of this section. § 52.1 Scope of part.

§ 52.2 Use of American flag vessels and certificated air carriers.

(a) *Transportation of passengers.* Section 901 of the Merchant Marine Act of 1936, 46 U.S.C. 1241, requires the use of American flag vessels for travel on official business; and section 5 of the International Air Transportation Fair Competitive Practices Act of 1974, 49 U.S.C. 1517, requires the use of air carriers certificated under section 401 of the Federal Aviation Act of 1958 (American flag) for Government-financed passenger transportation (including but not limited to Government dependents, consultants, grantees, contractors and subcontractors), when such carriers are available. Compliance with section 901 and section 5 is required whether the transportation expenses are paid by the United States or reimbursed to the traveler.

(b) *Transportation of personal effects and freight.* Section 901 of the Merchant Marine Act of 1936, 46 U.S.C. 1241, requires the use of American flag vessels by officers and employees of the United States for the transportation of their personal effects, when such vessels are available, and section 5 of the International Air Transportation Fair Competitive Practices Act of 1974, 49 U.S.C. 1517, requires the use of air carriers certificated under section 401 of the Federal Aviation Act of 1958 (American flag) for any Government-financed movement of freight by air when such air carriers are available.

(c) *Disallowance of expenditures.* The Comptroller General will disallow any expenditures for commercial non-American-flag air or foreign-flag ocean passenger transportation, or for foreign-flag ocean transportation of personal effects or non-American-flag air transportation of freight, unless there is attached to the payment voucher a certificate or memorandum adequately

explaining why American-flag service was unavailable signed by the traveler or other responsible official of the agency authorizing the travel or transportation who has knowledge of the facts concerning such usage.

(d) *Required documentation.* Each voucher for reimbursement of expenses for travel in whole or in part via a non-American-flag air or foreign flag ocean carrier, and each bill for payment of transportation services furnished in whole or in part by a non-American-flag air or foreign flag ocean carrier will be supported by the following documentation:

(1) *Required certificate.* The certificate or memorandum required under this part should be substantially as follows:

I certify that it (is) (was) necessary for _____ (name of traveler or agency) to use _____ (foreign-flag vessel(s)) _____ or noncertificated¹ air carrier(s) _____ flight identification No(s). or to transport (personal effects) (freight) between _____ and _____ en route from _____ to _____ on _____ (date) for the following reasons:

Date _____
Signature of traveler or authorizing officer _____
Title or position _____
Organization _____

(2) *Documentation for passenger and freight transportation by American-flag direct air carriers.* All bills submitted by American-flag direct air carriers for payment for commercial foreign air passenger or freight transportation must contain either: (i) A certification by the carrier that no non-American-flag air carriers were used in the carriage of the passenger or freight or (ii) copies of documents required to be retained by the carrier under 14 CFR part 249 that would indicate which portion of the through movement was performed by American-flag and non-American-flag air carriers, together with the certificate required in para-

graph (d)(1) of this section covering such usage.

(3) *Documentation by indirect air carriers.* All bills submitted by indirect air carriers as defined in 14 CFR 296.1 and 297.1 for the payment of transportation charges for the movement of freight by air must be supported by a copy of the air waybill and manifest required to be executed by 14 CFR 296.70 and 297.51.

(e) *Responsibility of carrier to secure certificate.* The certificate or memorandum required under paragraph (d)(1) of this section must be obtained by the ocean or air carrier or freight forwarder and submitted as support in billing charges for transportation services.

(f) *Responsibility of accountable officers.* Certifying officers and military disbursing officers have the responsibility in the first instance of determining the accuracy and acceptability of the certification or memorandum and other documentation required in paragraph (d) of this section which must be attached to bills involving transportation by non-American-flag air carriers and foreign-flag vessels prior to the certification of such bills. When there is doubt as to the acceptability of the certification, accountable officers or the head of the agency involved may request an advance decision by addressing a submission to the Comptroller General of the United States, U.S. General Accounting Office, Washington, DC 20548.

(g) *Responsibility of General Services Administration.* In auditing vouchers for payment of transportation charges to carriers and forwarders, the General Services Administration will ascertain that payments involving the use of a non-American-flag vessel or air carrier are supported by the required certificate or memorandum and documentation required in paragraph (d) of this section justifying such use. When there is doubt as to the accuracy or acceptability of any justification, the matter will be referred to the Comptroller General for decision.

§ 53.1 Definitions.

(a) *Claim* means any bill or demand, including submission of voucher or supplemental bill, for payment of charges for transportation and related services by a carrier or forwarder entitled under 49 U.S.C. 66 to payment for such services prior to audit by the General Services Administration.

(2) Disallowance of a claim, or supplemental bill, for charges for transportation and related services, either in whole or in part;

(3) Any other action that entails finality of administrative consideration.

§ 53.2 Actions reviewable by Comptroller General.

Actions taken by the General Services Administration on a claim by a carrier or freight forwarder entitled under 49 U.S.C. 66 to be paid for transportation services prior to audit that have dispositive effect and constitute a settlement action as defined in § 53.1 will be reviewed by the Comptroller General, provided request for review of such action is made within six months (not including time of war) from the date such action is taken or within the

periods of limitation specified in 49 U.S.C. 66(a), whichever is later.

§ 53.3 Requests for review.

Requests for review of settlement actions by the General Services Administration should be addressed to the Comptroller General of the United States, U.S. General Accounting Office, Washington, D.C. 20548. Each request for review should state why the action taken is believed erroneous and specify any factual, technical, or legal basis relied on.

The regulations in this part are issued jointly by the Comptroller General of the United States and the Secretary of the Treasury under the provisions of 49 U.S.C. 66(c) which authorizes payment of charges for transportation services to carriers or forwarders in advance of the completion of services

§ 56.2

4 CFR Ch. I (1–1–00 Edition)

without regard to 31 U.S.C. 3324: *Provided*, The carrier or forwarder has issued the usual ticket, receipt, bill of lading or equivalent document covering the service involved. § 56.2 Payment prior to Government confirmation of satisfactory performance.

Where a carrier or forwarder has issued the usual ticket, receipt, bill of lading or equivalent document, and subject to limitations prescribed by the Administrator, General Services Administration, or his designee, administrative procedures may provide for payment of bills for charges for transportation services furnished for the account of the United States prior to Government confirmation of the satisfactory completion of such services except those bills presented by:

(a) An assignee bank or financial institution under the authority of 31 U.S.C. 3727 and 41 U.S.C. 15;

(b) Payees who are in bankruptcy proceedings or are subject to the control of a receiver, trustee, or other similar representative;

(c) Payees who consistently fail to refund overcharges without assertion of substantial defenses or other valid reasons when notified by the General Services Administration or any other interested Government agency;

(d) Payees who without good cause fail to make timely disposition or settlement of loss or damage or other claims asserted by agencies of the United States;

(e) Payees owing substantial sums of money to the United States concerning

which no adequate arrangements for settlement have been made;

(f) Payees in such bad financial condition as to justify a determination that the Government's best interests require consideration of special payment rules for their account;

(g) Payees who do business with the United States infrequently and who previously have not been administratively approved for payment upon presentation of bills;

(h) Any other person or business organization determined administratively for valid reasons to be ineligible for payment unless after review of the facts and in the absence of objection by the U.S. General Accounting Office it is determined administratively that the best interests of the United States will not be jeopardized by such payment.

§ 56.3 Bonding requirements.

Whenever the head of an agency of the United States or his designee determines in any particular case that a bond (or other form of guarantee or assurance) of an acceptable surety is essential for the account of any particular carrier or forwarder in order to protect the interests of the United States where payments are to be made prior to Government confirmation of the satisfactory completion of transportation services a bond may be required and held by the agency making such requirement. The bond shall be for such amount as in the discretion of the responsible Government officers is necessary for the protection of the Government's best interests but shall not exceed \$10,000 unless the head of the agency or his designee certifies that a bond for a higher amount is justified in the circumstances.

SUBCHAPTER E—STANDARDIZED FISCAL PROCEDURES

PART 75—CERTIFICATES AND APPROVALS OF BASIC VOUCHERS AND INVOICES

AUTHORITY: 31 U.S.C. 711 and 3511.

§ 75.1 Contractors' and vendors' certificates.

(a) The General Accounting Office no longer requires that a certificate as to correctness and nonpayment be executed on the bills and invoices of contractors and vendors, with the exception that carriers, or other corporations, agencies, or persons furnishing transportation and accessorial services to the Government must continue to execute the certificates as provided in chapter 101 of 41 CFR part 41. Pending the eventual elimination of the contractors' and vendors' certificates from all other standard voucher forms, the

certificates on such other forms need no longer be executed. However, the elimination of this requirement does not dispense with the necessity for the specific certification of facts required by certain contracts.

(b) The omission of the certificate from bills or invoices submitted for payment to Government agencies does not in any manner lessen the responsibility of contractors and vendors in complying with all statutory requirements applicable to transactions with the Government, nor will it be construed as mitigating their liability for asserting false, fictitious, or fraudulent claims against the United States, penalties for which are set forth in 18 U.S.C. 287.

PART 81—PUBLIC AVAILABILITY OF GENERAL ACCOUNTING OFFICE RECORDS

Sec.

81.1 Purpose and scope of part.

81.2 Administration.

81.3 Definitions.

81.4 Requests for identifiable records.

81.5 Records originating outside GAO, or records involving work in progress.

81.6 Records which may be exempt from disclosure.

81.7 Fees and charges.

81.8 Public reading facility.

AUTHORITY: 31 U.S.C. 711.

SOURCE: 49 FR 38527, Oct. 1, 1984, unless otherwise noted.

§81.1 Purpose and scope of part.

This part implements the policy of the U.S. General Accounting Office (GAO) with respect to the public availability of GAO records. While GAO is not subject to the Freedom of Information Act (5 U.S.C. 552), GAO's disclosure policy follows the spirit of the act consistent with its duties and functions and responsibility to the Congress. Application of this act to GAO is not to be inferred from the provisions of these regulations.

§81.2 Administration.

The administration of this part is the duty and responsibility of the Director, Office of Policy (OP), U.S. General Accounting Office, 441 G Street, NW., Washington, D.C. 20548, and to that end the Director shall promulgate such supplemental rules or regulations as may be necessary.

§81.3 Definitions.

As used in this part:

(a) *Identifiable* means a reasonably specific description of a particular record sought, such as the date of the record, subject matter, agency or person involved, etc., which will permit location or retrieval of the record.

(b) *Records* includes all books, papers, manuals, maps, photographs, reports, and other documentary materials, regardless of physical form or characteristics under the control of GAO in pur-

suance of law or in connection with the transaction of public business. In the context of a request for a record or records, the term "records" refers only to a record in being and under the control of GAO. It does not include the compiling or procuring of a record. Nor does it include library or museum material made or acquired and preserved solely for reference or exhibition purposes, or extra copies of documents preserved only for convenience of reference. It is intended that GAO publications are not within the purview of this order. GAO published reports and decisions or listing of reports should be obtained from the U.S. General Accounting Office, Information Handling and Support Facility (IHSF), P.O. Box 6015, Gaithersburg, Md. 20877, phone (202) 275-6241.

(c) *Records available to the public* means records which may be examined or copied or of which copies may be obtained, in accordance with this part, by the public or representatives of the press regardless of interest and without specific justification.

(d) *Disclose or disclosure* means making available for examination or copying, or furnishing a copy.

(e) *Person* includes an individual, partnership, corporation, association, or public or private organization other than a Federal agency.

§81.4 Requests for identifiable records.

(a) A request to inspect or obtain a copy of an identifiable record of GAO must be submitted in writing to the Director, OP (see §81.2), who will promptly acknowledge and record the request.

(b) The Director, OP, or other GAO organizational unit will promptly honor the request if no valid objection exists to the propriety of such action and the requester is willing and able to pay the prescribed fees for making the record available for inspection or copying or being provided with a copy.

(c) In the event of an objection or doubt as to the propriety of providing the requester with a copy of the record

General Accounting Office

§81.6

sought, every effort will be made to resolve such problems as quickly as possible, including consultation with appropriate GAO elements. If it is determined that the record should be withheld, the Director, OP, shall inform the requester in writing that the request has been denied; shall identify the material withheld; and shall explain the basis for the denial.

(d) A person whose request is denied shall be informed that further consideration of his/her request may be obtained by a letter to the Comptroller General of the United States setting forth the basis for the belief that the denial of the request was unwarranted.

§81.5 Records originating outside GAO, or records involving work in progress.

(a) It is the policy of GAO not to provide records from its files that originate in another agency or nonfederal organization to persons who may not be entitled to obtain the records from the originator. In such instances, requesters will be referred to the person or organization that originated the records.

(b) In order to avoid disruption of work in progress, and in the interests of fairness to those who might be adversely affected by the release of information which has not been fully reviewed to assure its accuracy and completeness, it is the policy of GAO not to provide records which are part of ongoing reviews or other current projects. In response to such requests, GAO will inform the requester of the estimated completion date of the review or project so that the requester may then ask for the records. At that time, the records may be released unless exempt from disclosure under §81.6.

§81.6 Records which may be exempt from disclosure.

The public disclosure of GAO records contemplated by this part does not apply to records, or parts thereof, within any of the categories listed below. Unless precluded by law, the Director, OP, may nevertheless release records within these categories.

(a) Congressional correspondence and other papers relating to work performed in response to a congressional

request (unless authorized by the congressional requester), and congressional contact memoranda.

(b) Records specifically required by an Executive Order to be kept secret in the interest of national defense or foreign policy. An example of this category is a record classified under Executive Order 12356, National Security Information.

(c) Records related solely to the internal personnel rules and practices of an agency. This category includes, in addition to internal matters of personnel administration, internal rules and practices which cannot be disclosed without prejudice to the effective performance of an agency function. Examples within the purview of this exemption are guidelines, and procedures for auditors, investigators, or examiners.

(d) Records specifically exempted from disclosure by statute provided that such statute (1) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or (2) establishes particular criteria for withholding or refers to particular types of matters to be withheld.

(e) Records containing trade secrets and commercial or financial information obtained from a person and privileged or confidential. This exemption may include, but is not limited to, business sales statistics, inventories, customer lists, scientific or manufacturing processes or development information.

(f) Personnel and medical files and similar files the disclosure of which could constitute a clearly unwarranted invasion of personal privacy. This exemption excludes from disclosure all personnel and medical files, and all private or personal information contained in other files, which, if disclosed to the public, would amount to a clearly unwarranted invasion of the privacy of any person. An example of such other files within the exemption would be files compiled to evaluate candidates for security clearance.

(g) Records and information compiled for law enforcement purposes.

(h) Records having information contained in or related to examination, operation, or condition reports prepared

§81.7

4 CFR Ch. I (1–1–00 Edition)

by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions.

(i) Records containing geological and geophysical information and data (including maps) concerning wells.

(j) Inter-agency or intra-agency memoranda, letters or other materials that are part of the deliberative process. For example, this exemption includes internal communications such as GAO or other agency draft reports, and those portions of internal drafts, memoranda and workpapers containing opinions, recommendations, advice or evaluative remarks of GAO employees. This exemption seeks to avoid the inhibiting of internal communications, and the premature disclosure of documents which would be detrimental to an agency function.

(k) Records in addition to those described in paragraph (j) of this section containing information customarily subject to protection as privileged in a court or other proceedings, such as information protected by the doctor-patient, attorney-work product, or lawyer-client privilege.

(l) Unsolicited records containing information submitted by any person to GAO in confidence and records which GAO has obligated itself not to disclose. An example of records covered by this exemption would be information obtained by the GAO Fraud Referral and Investigations Group (GAO Hotline).

§81.7 Fees and charges.

(a) No fee or charge will be made for:

(1) Records provided under provisions of this part when the direct search and reproduction costs are less than \$25.

(2) Records requested which are not found or which are determined to be exempt under provisions of this part.

(3) Staff-hours spent in resolving any legal or policy questions pertaining to the request.

(4) Copies of records including those certified as true copies, that are furnished for official use to any officer or employee of the federal government.

(5) When necessary or desirable to the performance of a function of GAO, copies of pertinent records furnished to

a party having a direct and immediate interest in a matter pending before the Office.

(b) When costs are \$25 or more, the fees and charges described below, will be assessed for the direct costs of search and reproduction of records available to the public under this part.

(1) The reproduction charge per page shall be 20 cents.

(2) Certification of authenticity shall be \$10 for each certificate.

(3) Search for records by office personnel.

(i) Clerical personnel—\$10 an hour.

(ii) Professional personnel—\$20 an hour.

(4) Other direct costs related to the request may be charged for such items as computer searches.

(c) GAO shall notify the requester and may require an advance deposit where the anticipated fees will exceed \$50.

(d) Fees and charges shall be paid by check or money order payable to the U.S. General Accounting Office.

(e) Fees established by this section may be waived or reduced upon a determination by the Director, OP, that disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. Persons seeking such waiver or reduction of fees may be required to submit a statement setting forth the intended purpose for which the records are requested or otherwise indicate how disclosure will primarily benefit the public and, in appropriate cases, explain why the volume of records requested is necessary. Determinations pursuant to this paragraph are solely within the discretion of GAO.

§ 83.1 Purpose and scope of part.

This part describes the policy and prescribes the procedures of the U.S. General Accounting Office (GAO) with respect to maintaining and protecting the privacy of GAO personnel records. While GAO is not subject to the Privacy Act (Act) (5 U.S.C. 552a), GAO's policy is to conduct its activities in a manner that is consistent with the spirit of the Act and its duties, functions, and responsibilities to the Congress. Application of the Privacy Act to GAO is not to be inferred from the provisions of these regulations. These regulations are designed to safeguard individuals against invasions of personal privacy by requiring GAO, except as otherwise provided by law, to—

(a) Protect privacy interests of individuals by imposing requirements of accuracy, relevance, and confidentiality for the maintenance and disclosure of personnel records;

(b) Inform individuals of the existence of systems of personnel records maintained by GAO containing personal information; and

§ 83.2

4 CFR Ch. I (1–1–00 Edition)

(c) Inform individuals of the right to see and challenge the contents of personnel records containing information about them.

This part applies to all systems of personnel records (as defined in § 83.3(g)) for which GAO is responsible.

§ 83.2 Administration.

The administration of this part is the duty and responsibility of the Director, Personnel, U.S. General Accounting Office, 441 G Street NW., Washington, D.C. 20548. To this end, the Director, Personnel, in consultation with the Office of the General Counsel, is authorized to issue such supplemental regulations or procedural directives as may be necessary and appropriate.

(a) The Director, Personnel, shall have general responsibility and authority for implementing this part, including—

(1) Approving all systems of personnel records to be maintained by GAO (whether physically located in GAO's Office of Personnel or elsewhere), including the contents and uses of such systems, accounting methods, and security methods; and

(2) Responding to an individual's request to gain access to or amend his or her own personnel records.

(b) The Director, Personnel, may delegate within GAO any of his functions under this part.

(a) To those officers and employees of GAO who have a need for the record in the performance of their duties; or

(b) Required under regulations implementing the public availability of GAO records published at part 81 of this chapter, or authorized under § 83.5; or

(c) For a routine use as defined in § 83.3(f); or

§ 83.5 Specific disclosure of information.

(a) This section governs responses to a member of the public, prospective employers, and law enforcement officials, for access to information covered by this part. It does not limit in any way other disclosures of information pursuant to other provisions of this part.

(b) The following information about most present and former GAO employees is available to the public:

- (1) Name;
- (2) Present and past position titles;
- (3) Present and past grades;
- (4) Present and past salaries; and
- (5) Present and past duty stations (which include room numbers, shop

designations, or other identifying information regarding buildings or places of employment.

(c) Disclosure of the above information will not be made where the information requested is a list of present or past position titles, grades, salaries, and/or duty stations of Government employees which, as determined by the Director, Personnel, is:

(1) Selected in such a way as to constitute a clearly unwarranted invasion of personal privacy because the nature of the request calls for a response that would reveal more about the employees on whom information is sought than the five enumerated items; or

(2) Would otherwise be protected from mandatory disclosure under an exemption of part 81 of this title concerning the public availability of GAO records.

(d) In addition to the information that may be made available under paragraph (a) of this section, GAO may make available the following information to a prospective employer of a GAO employee or former GAO employee:

- (1) Tenure of employment;
- (2) Civil service status;
- (3) Length of service in GAO and the Government; and
- (4) When separated, the date and reason for separation shown on the required standard form.

(e) In addition to the information to be made available under paragraph (a) of this section, the home address of an employee shall be made available to a police or court official on receipt of a proper request stating that an indictment has been returned against the employee or that complaint, information, accusation, or other writ involving nonsupport or a criminal offense has been filed against the employee and the employee's address is needed for service of a summons, warrant, subpoena, or other legal process.

(f) Except as provided in paragraphs (a) through (e) of this section, and except as provided in this part, information required to be included in an Official Personnel Folder is not available to the public and is protected from disclosure by § 81.6(f) of this chapter.

§ 83.6

4 CFR Ch. I (1–1–00 Edition)

(g) *Personnel Appeal Files.* (Those records maintained by the General Accounting Office Personnel Appeals Board of petitions or appeals filed with the Board by GAO employees, former employees, or applicants for employment. Such records do not include any of the investigative files or reports of the Personnel Appeals Board General Counsel. See 4 CFR 28.18(c)). GAO, upon receipt of a request which identifies the individual from whose file the information is sought, shall disclose the following information from a Personnel Appeal File to a member of the public, except when the disclosure would constitute a clearly unwarranted invasion of personal privacy:

(1) Confirmation of the name of the individual from whose file the information is sought and the names of the other parties concerned;

(2) The status of the case;

(3) The decision on the case;

(4) The nature of the action appealed; and

(5) With the consent of the parties concerned, other reasonably identified information from the file.

(h) *Leave records.* The annual and sick leave record of an employee, or information from these records, is not to be made available to the public by GAO or other Government agency.

(i) *Examinations and related subjects.* Information concerning the results of examinations will be released only to the individual concerned, and to those parties explicitly designated in writing by the individual. The names of applicants for GAO positions or eligibles on GAO or civil service registers, certificates, employment lists, or other lists of eligibles, or their ratings or relative standings are not information available to the public.

(j) *Investigations.* (1) Upon written request, GAO will disclose to the parties concerned any report of personnel investigation under its control, or an extract of the report, to the extent the report is involved in a processed before GAO. For the purpose of this paragraph, the “parties concerned” means the Government employee involved in the proceeding, his or her representative designated in writing, and the representative of GAO involved in the proceeding. Where GAO obtains reports of

personnel investigations or information from such reports from other government agencies on condition that it not release such data, GAO will refer parties requesting such information to the originating agency where their request will be processed.

(2) GAO will not make a report of investigation or information from a report under its control available to the public or to witnesses, except as otherwise required under GAO regulations implementing the public availability of records published at part 81 of this chapter.

§ 83.6 Accounting of certain disclosures.

(a) With respect to each system of personnel records, GAO shall, except for disclosures made under §§ 83.4(a) and 83.4(b), keep an accurate accounting of—

(1) The date, nature, and purpose of disclosure of a record to any person; and

(2) The name and address of the person, agency, or organization to whom the disclosure is made.

(b) Such accounting shall be retained for at least 3 years or the life of the record, whichever is longer, after the disclosure for which the accounting is made.

(c) Except for disclosures made under § 83.4(e), the accounting shall be available upon written request to the individual named in the record.

§ 83.7 GAO policy and requirements.

(a) GAO shall maintain in its personnel records only such information about an individual as is relevant and necessary to accomplish an authorized official purpose. Authority to maintain personnel records does not constitute authority to maintain information in the record merely because a need for it may develop in the future. Both Government-wide and internal agency personnel records shall contain only information concerning an individual that is relevant and necessary to accomplish GAO’s personnel management objectives as required by statute, GAO internal directive, or formal agreements between GAO and other Federal agencies.

General Accounting Office

§ 83.7

(b) GAO shall make every reasonable effort to collect information about an individual directly from that individual when the information may result in adverse determinations about the individual's rights, benefits, and privileges under Federal programs. Factors to be considered in determining whether to collect the data from the individual concerned or a third party are:

(1) The nature of the information is such that it can only be obtained from another party;

(2) The cost of collecting the information directly from the individual is unreasonable when compared with the cost of collecting it from another party;

(3) There is virtually no risk that information collected from other parties, if inaccurate, could result in a determination adverse to the individual concerned;

(4) The information supplied by an individual must be verified by another party; or

(5) Provisions are made, to the greatest extent practical, to verify information collected from another party with the individual concerned.

(c) GAO shall inform each individual whom it asks to supply information for a personnel record, on the form which it uses to collect the information or on a separate form that can be retained by the individual, of—

(1) The authority for the solicitation of the information and whether disclosure of such information is mandatory or voluntary;

(2) The principal purpose or purposes for which the information is intended to be used;

(3) The routine uses which may be made of the information, as published pursuant to paragraph (d)(4) of this section; and

(4) The effects, if any, of not providing all or any part of the requested information;

(d) Subject to the provisions of paragraph (i) of this section, GAO shall publish in the FEDERAL REGISTER, upon establishment or revision, a notice of the existence and character of its systems of personnel records. Such notice shall include—

(1) The name and location(s) of each system of personnel records;

(2) The categories of individuals about whom records are maintained in each such system;

(3) The categories of records maintained in each system of personnel records;

(4) Each routine use of the records contained in each system of personnel records, including the categories of users and the purpose(s) of such use;

(5) The policies and practices of GAO regarding storage, retrievability, access controls, retention, and disposal of the records;

(6) The title and business address of the GAO official who is responsible for maintaining each system of personnel records;

(7) GAO procedures whereby an individual can ascertain whether a system of personnel records contains a record pertaining to the individual;

(8) Procedures whereby an individual can request access to any record pertaining to him contained in any system of personnel records, and how the individual may contest its content; and

(9) The categories of sources of records in each system of personnel records.

(e) GAO shall maintain all records which it uses in making any determination about any individual with such accuracy, relevancy, timeliness, and completeness as is reasonably necessary to assure fairness to the individual in the determination;

(f) GAO shall, prior to disseminating any record about an individual to any person other than a Federal agency, make all reasonable efforts to reassure that such records are accurate, complete, timely, and relevant for GAO's purposes;

(g) GAO shall make reasonable efforts to serve notice on an individual or his authorized representative when any personnel record on such individual is being made available to any person under compulsory legal process as soon as practicable after service of the subpoena or other legal process;

(h) GAO shall establish rules of conduct for persons involved in the design, development, operation, or maintenance of any system of personnel records or files or in maintaining any

record, and to instruct each person with respect to such rules and requirements of this part, including any other rules and procedures adopted pursuant to this part;

(i)(1) GAO shall establish and maintain appropriate administrative, technical and physical safeguards to ensure the security and confidentiality of personnel records. At a minimum, these controls shall require that all persons whose official duties require access to and use of personnel records be responsible and accountable for safeguarding those records and for ensuring that the records are secured whenever they are not in use or under the direct control of authorized persons. Generally, personnel records should be held, processed, or stored only where facilities and conditions are adequate to prevent unauthorized access;

(2) Except for access by the data subject, only employees whose official duties require and authorize access shall be allowed to handle and use personnel records, in whatever form or media the records might appear. To the extent feasible, entry into personnel record storage areas shall be similarly limited. Documentation of the removal of records from storage areas must be kept so that adequate control procedures can be established to assure that removed records are returned intact on a timely basis and properly controlled during such period of removal.

(3) In addition to following the above security requirements, managers of automated personnel records shall establish and maintain administrative, technical, physical, and security safeguards for data about individuals in automated records, including input and output documents, reports, punched cards, magnetic tapes, disks, and on-line computer storage. As a minimum, the safeguards must be sufficient to:

- (i) Prevent careless, accidental, or unintentional disclosure, modification, or destruction of identifiable personal data;
- (ii) Minimize the risk of improper access, modification, or destruction of identifiable personnel data;
- (iii) Prevent casual entry by persons who have no official reason for access to such data;

(iv) Minimize the risk of unauthorized disclosure where use is made of identifiable personal data in testing of computer programs;

(v) Control the flow of data into, through, and from computer operations;

(vi) Adequately protect identifiable data from environmental hazards and unnecessary exposure; and

(vii) Assure adequate internal audit procedures to comply with these procedures.

(4) The disposal of identifiable personal data in automated files is to be accomplished in such a manner as to make the data unobtainable to unauthorized personnel. Unneeded personal data stored on reusable media, such as magnetic tapes and disks, must be erased prior to release of the media for reuse.

(j) At least 30 days prior to publication of information under paragraph (d)(4) of this section, GAO shall publish in the FEDERAL REGISTER notice of any new use or intended use of the information in the system, and provide an opportunity for interested persons to submit written data, views, or arguments to GAO.

§ 83.8 Standards of conduct.

(a) GAO employees whose official duties involve the maintenance and handling of personnel records shall not disclose information from any personnel record unless disclosure is part of their official duties or required by statute, regulation, or internal procedure.

(b) Any GAO employee who makes an unauthorized disclosure of personnel records or a disclosure of information derived from such records, knowing that such disclosure is unauthorized, or otherwise knowingly violates these regulations, shall be subject to appropriate disciplinary action. GAO employees are prohibited from using personnel information not available to the public, obtained through official duties, for commercial solicitation or sale, or for personal gain. Any employee who knowingly violates this prohibition shall be subject to appropriate disciplinary action.

General Accounting Office

§83.11

§83.9 Social Security number.

(a) GAO may not require individuals to disclose their Social Security Number (SSN) unless disclosure would be required—

(1) Under Federal statute; or

(2) Under any statute, executive order, or regulation that authorizes any Federal, State, or local agency maintaining a system of records that was in existence and operating prior to January 1, 1975, to request the SSN as a necessary means of verifying the identity of an individual.

(b) Individuals asked to voluntarily provide their SSN shall suffer no penalty or denial of benefits for refusing to provide it.

(c) When GAO requests an individual to disclose his or her SSN, it shall inform that individual whether that disclosure is mandatory or voluntary, by what statutory or other authority such number is solicited, and what uses will be made of it.

§83.10 First Amendment rights.

Personnel records or entries thereon describing how individuals exercise rights guaranteed by the First Amendment to the United States Constitution are prohibited, unless expressly authorized by statute or by the individual concerned, or unless pertinent to and within the scope of an authorized law enforcement activity. These rights include, but are not limited to, free exercise of religious and political beliefs, freedom of speech and the press, and freedom to assemble and to petition the Government.

§83.11 Official Personnel Folder.

(a) GAO shall establish and maintain an Official Personnel Folder for each of its employees, except as provided in the GAO/U.S. OPM/GSA Memorandum of Understanding (see subsection (b)). Except as provided for in Federal Personnel Manual (FPM) Supplement 293-31 there will be only one Official Personnel Folder maintained for each employee.

(b) *GAO/U.S. OPM/GSA Memorandum of Understanding*. The Memorandum of Understanding agreed to by the U.S. General Accounting Office, the U.S. Office of Personnel Management (U.S. OPM), and the National Archives and

Records Service of the General Services Administration (GSA), Appendix I, constitutes the official and sole agreement concerning the continuity and coordination of the Official Personnel Folder.

(c) GAO policy is to assure continuity and coordination of the Official Personnel Folder when a person, for whom an Official Personnel Folder has been established, separates from GAO, or transfers to or from GAO from or to a Federal agency subject to regulations of the U.S. OPM relating to Official Personnel Folders. GAO will maximize the pooling of information between itself and those Federal agencies subject to U.S. OPM rules and regulations concerning the Official Personnel Folder so that a GAO employee may transfer to and from other Federal agencies with one complete and informative Official Personnel Folder.

(d) *Ownership of Official Personnel Folder*. (1) The Official Personnel Folders of individuals whose employment with GAO terminated prior to October 1, 1980, are the records of U.S. OPM and are under the jurisdiction and control of U.S. OPM.

(2) The Official Personnel Folders of current GAO employees whose GAO employment began on or after October 1, 1980, and who have had no previous employment by an executive branch agency of the Federal government shall be under the jurisdiction and control of, and are the records of GAO. GAO shall retain jurisdiction over such records even when they are transferred to an executive branch agency.

(3) The Official Personnel Folders of current GAO employees who were employed prior to October 1, 1980, by either GAO or an executive branch agency shall be under the control of GAO, but those records established prior to October 1, 1980, by GAO, and all records established as a result of employment by an executive branch agency shall remain under the jurisdiction of, and be part of the records of, U.S. OPM.

(4) GAO will maintain those Official Personnel Folders containing records of employment by an executive branch Federal agency, or by GAO prior to October 1, 1980, in compliance with regulations of the U.S. OPM in accordance with the procedures contained in the

§ 83.12

4 CFR Ch. I (1–1–00 Edition)

Memorandum of Understanding and the provisions of regulations of U.S. OPM contained in 5 CFR parts 293, 294, and 297, as well as the provisions of FPM Chapters 293, 294, and 297.

(e) *Maintenance and content of Folder.* GAO shall maintain in the Official Personnel Folder the reports of selection and other personnel actions named in section 2951 of title 5, United States Code. The Folder shall also contain permanent records affecting the employee's status and service as required by U.S. OPM instructions and as designated in FPM Supplement 293–31.

(f) *Use of existing Folders upon transfer or reemployment.* In accordance with paragraph (a) of this section, GAO shall request the transfer of the Official Personnel Folder for a person who was previously employed with a Federal agency that maintains such a Folder. The Folder so obtained shall be used in lieu of establishing a new Official Personnel Folder.

(1) When a person for whom an Official Personnel Folder has been established transfers from GAO to another Federal agency that maintains the Folder, GAO shall, on request, transfer the Folder to the new employing agency.

(2) Before transferring the Official Personnel Folder, GAO shall—

(i) Remove those records of a temporary nature filed on the left side of the Folder; and

(ii) Ensure that all permanent documents of the Folder are complete, correct, and present in the Folder in accordance with FPM Supplement 293–31.

(g) *Disposition of Folders of former Federal employees.* (1) Folders containing the personnel records of individuals separated from employment with GAO will be retained by GAO for 30 days after separation, and may be retained for an additional 60 days. Thereafter, the Folder shall be transferred to the same location and in the same manner as Official Personnel Folders of persons separated from Federal agencies which are subject to U.S. OPM regulations in accordance with the Memorandum of Understanding.

(2) GAO shall remove temporary records from the Folder before it is transferred in accordance with guidelines applicable to Federal agencies

which are subject to U.S. OPM regulations.

(3) If a former GAO employee is reappointed in the Federal service, the employee's Folder shall, upon request, be transferred to the new employing agency.

(h) *Access requests and amendments to the Official Personnel Folder.* Requests for access to, disclosure from, correction of, or amendments to documents contained in the Official Personnel Folder will be made in accordance with the Memorandum of Understanding.

§ 83.12 Procedures for individual access to records.

(a) Upon written request by any individual outside of GAO or upon written or oral request by any officer or employee of GAO to gain access to his or her record or to any information pertaining to the individual which is contained in a system of personnel records, and not otherwise exempted, GAO shall permit the individual and upon the individual's request a person of his or her own choosing to accompany him or her, to review the record and have a copy made of all or any portion thereof in a form comprehensible to him or her, except that GAO may require the individual to furnish a written statement authorizing discussion of that individual's record in the accompanying person's presence. When access to the records has been granted by a system manager or designee:

(1) Inspection in person may be made in the office designated in the system notice during the hours specified by GAO.

(2) Upon the determination of the designated GAO official, records may be transferred to a GAO office more convenient to the data subject to review.

(3) Generally, GAO will not furnish certified copies of records. Where certified copies of records are to be furnished, they may be mailed at the request of the data subject or, as determined by GAO, only after payment of any fee levied in accordance with § 83.17 is received.

(4) In no event shall original records be made available for review by the individual except in the presence of a system manager or designee.

General Accounting Office

§83.13

(b) The general identifying information items that the designated GAO official may ask to be furnished before a specific inquiry is granted include:

(1) Full name, signature, and home address;

(2) Picture identification card;

(3) The current or last place and dates of Federal employment, if appropriate; and

(4) Social security number (for those systems of records retrieved by this identifier).

(c) A request or inquiry from someone other than the individual to whom the information pertains shall contain such documents or copies of documents that establish the relationship or authorize access as follows:

(1) When the requester is the parent or legal guardian of a data subject who is a minor, the requester shall identify the relationship with the data subject and furnish a certified or authenticated (e.g. notarized) copy of any document establishing parentage or appointment as legal guardian.

(2) Where the requester is the legal guardian of a data subject who has been declared incompetent by the courts, the requester shall identify the relationship with the data subject and furnish a certified or authenticated copy of the court's appointment of guardianship.

(3) Where the requester is a representative of the data subject, the requester shall identify the relationship with the data subject or the data subject's parent or legal guardian, and furnish documentation designating the representative as having the authority to act on behalf of the data subject.

(d) When the requester appears in person and cannot be identified by sight and signature, proof of identity is required as follows:

(1) When a request is from the data subject, the means of proof, in order of preference, are:

(i) A document bearing the individual's photograph and signature (for example, driver's license, passport, or military or civilian identification card); or

(ii) Two documents bearing the individual's signature (for example, Medicare card, unemployment insurance book, employer identification card,

major credit card, professional, draft, or union membership card).

(2) When a request is made by the parent, legal guardian, or authorized representative of the data subject, the means of identifying the requester and his or her authority for acting on behalf of the data subject shall be as prescribed in paragraph (c) of this section. In addition, the requester shall establish the identity of the data subject by requiring the identifying information in paragraph (b) of this section.

(e) When a written inquiry or request is received from the data subject, or from the data subject's parent, legal guardian, or authorized representative, it should be signed and—

(1) For an inquiry, contain sufficient identifying information about the data subject to permit searching of the record system(s) and to permit response; and

(2) For an access request—

(i) From the data subject, contain sufficient information to locate the record and establish that the requester and the data subject are the same (e.g. matching signatures); or

(ii) From the data subject's parent, legal guardian, or authorized representative, contain sufficient information to locate the record, match identity with the data subject, and such documentation of association or authorization as is prescribed in paragraphs (c) and (d) of this section.

(f) The signed request from the data subject, or from the data subject's parent, legal guardian, or authorized representative specified in paragraph (c) of this section shall be sufficient proof of identity of the requester, unless for good cause, the system manager or designee determines that there is a need to require some notarized or certified evidence of the identity of the requester.

§83.13 Inquiries.

(a) General inquiries to request assistance in identifying which system of records may contain a record about an individual may be made in person or by mail to the Director, Personnel.

(b) An inquiry that requests GAO to determine if it has, in a given system of personnel records, a record about the

§ 83.14

inquirer, should be addressed to the official identified in the FEDERAL REGISTER notice for that system. Inquirers should specify the name of the system of personnel records, if known, as published in the FEDERAL REGISTER. Such inquiries should contain the identifying data prescribed in § 83.12 before a search can be made of that particular system of records.

§ 83.14 Denial of access requests.

(a) If an access request is denied, the official denying the request shall give the requester the following information:

- (1) The official's name, position title, and business mailing address;
- (2) The date of the denial;
- (3) The reasons for the denial, including citation of appropriate sections of this or any other applicable part; and
- (4) The individual's opportunities for further administrative consideration, including the name, position title, and address of the GAO official (see paragraph (c) of this section) responsible for such further review.

(b) Denial of a request for access to records will be made only by the official GAO designee and only upon a determination that:

- (1) The record is subject to an exemption under § 83.21 when the system manager has elected to invoke the exemption; or
- (2) The record is information compiled in reasonable anticipation of a civil action or proceeding; or
- (3) The data subject or authorized representative of the data subject refuses to abide by procedures for gaining access to records.

(c) A request for administrative review of a denial shall be made to the Assistant Comptroller General for Human Resources, U.S. General Accounting Office, 441 G Street, NW, Washington, D.C. 20548. The Assistant Comptroller General shall acknowledge receipt of a request for administrative review of a denial of access within 10 working days after receipt of the request. If it is not possible to reach a decision within an additional 10 working days, the requester shall be informed of the approximate date (within 30 working days) when such a decision may be expected.

4 CFR Ch. I (1-1-00 Edition)

(d) In reaching a decision, the Assistant Comptroller General will review the criteria prescribed in this section which were cited as the basis for denying access, and may seek additional information as deemed necessary.

§ 83.15 Request for amendment of record.

(a) Individuals may request the amendment of their records in writing or in person by contacting the system manager or designee indicated in the notice of systems of records published by GAO in the FEDERAL REGISTER. Time limits will be measured from receipt at the proper office.

(b) A request for amendment should include the following:

- (1) The precise identification of the records sought to be amended, deleted, or added.
- (2) A statement of the reasons for the request, with all available documents and material that substantiate the request.

(c) GAO shall permit an individual to request amendment of a record pertaining to the individual. Not later than 10 working days after the date of receipt of such request, the designated GAO official shall acknowledge in writing such request and, promptly, either—

- (1) Make any correction of any portion thereof which the individual believes is not accurate, relevant, timely, or complete; or
- (2) Inform the individual of the refusal to amend the record in accordance with his or her request, the reason for the refusal, and the name and business address of the GAO official responsible for the refusal.

(3) The GAO official shall permit an individual who disagrees with the refusal by the designated GAO official to amend his or her record to request review of such refusal. A request for administrative review of a denial shall be made in accordance with § 83.16.

(4) In any disclosure containing information about which the individual has filed a statement of disagreement, occurring after the filing of the statement under § 83.16(d), GAO shall clearly note any portion of the record which is disputed and provide copies of a concise statement of the reasons for not

making the amendments requested, to persons or other agencies to whom the disputed record has been disclosed.

(5) Nothing in this section shall allow an individual access to any information compiled in reasonable anticipation of a civil action or proceeding.

(d) If necessary, the official authorized to rule on a request for amendment may seek additional information pertinent to the request to assure that a fair, equitable, and accurate decision is reached.

(e) The following criteria will be considered by the system manager or designee in reviewing initial requests for amendment of records:

(1) The sufficiency of the evidence submitted by the data subject;

(2) The factual accuracy of the information submitted and the information in the record;

(3) The relevancy, necessity, timeliness, and completeness of the information in light of the purpose for which it was collected;

(4) The degree of possibility that denial of the request could result in unfair determinations adverse to the data subject;

(5) The character of record sought to be amended;

(6) The propriety and feasibility of complying with specific means of amendment requested by the data subject; and

(7) The possible involvement of the record in a judicial or quasi-judicial process.

§83.16 Administrative review of request for amendment of record.

(a) A request for administrative review of GAO's denial to amend a record in GAO's system of personnel records shall be addressed to the Assistant Comptroller General for Human Resources, U.S. General Accounting Office, 441 G Street, NW, Washington, D.C. 20548. The Assistant Comptroller General shall acknowledge receipt of a request for administrative review of a denial of amendment within 10 working days.

(b) If a decision cannot be made within an additional 10-day period, a letter will be sent within that time explaining the delay and furnishing an expected date for the decision. A decision

on the request must be made within 30 working days after receipt of the request. Only for good cause shown, and at the discretion of the Assistant Comptroller General for Human Resources can this time limit be extended. Any extension requires written notification to the requester explaining the reason for the extension and furnishing a new expected date for the decision. Generally, such extension shall be for no more than an additional 30 working days.

(c) When a request for administrative review of an amendment denial is submitted, the individual must provide a copy of the original request for amendment, a copy of the initial denial, and a statement of the specific reasons why the initial denial is believed to be in error.

(d) An individual requesting an amendment of a record has the burden of supplying information in support of the propriety and necessity of the amendment request. The decision on the request will then be rendered based on a review of the data submitted. The GAO official is not required to gather supporting evidence for the individual and will have the right to verify the evidence which the individual submits.

(e) Amendment of a record will be denied upon a determination by the system manager or designee that:

(1) The record is subject to an exemption from the provisions of this part, allowing amendment of records;

(2) The information submitted by the data subject is not accurate, relevant, or of sufficient probative value;

(3) The amendment would violate a statute or regulation;

(4) The individual refuses to provide information which is necessary to process the request to amend the record; or

(5) The record for which amendment is requested is a record presented in a judicial or quasi-judicial proceeding, or maintained in anticipation of being used in a judicial or quasi-judicial proceeding, when such record is or will become available to the individual under that proceeding.

(f) If, after review, the Assistant Comptroller General for Human Resources also refuses to amend the record in accordance with the request, the individual will be permitted to file

§ 83.17

with the system manager or designee of the system of records concerned a concise statement setting forth the reasons for his or her disagreement. Any such statement of disagreement will be treated in accordance with paragraph (c)(4) of § 83.15.

§ 83.17 Fees.

(a) Generally, GAO's policy is to provide the first copy of any record or portion thereof, furnished as a result of this part, at no cost to the data subject or authorized representative. However, in cases where GAO deems it appropriate (for example, where the record is voluminous), the system manager or designee in his or her discretion may charge a fee when the cost for copying the record (at a rate of 20 cents per page) would be in excess of ten dollars (\$10).

(b) There shall be no fees charged or collected from a data subject for the following:

- (1) Search for or retrieval of the data subject's records;
- (2) Review of the records;
- (3) Making a copy of a record when it is a necessary part of the process of making the record available for review;
- (4) Copying at the initiative of GAO without a request from the individual;
- (5) Transportation of the record; and
- (6) Making a copy of an amended record to provide the individual with evidence of the amendment.

(c) Certification of authenticity shall be \$10 for each certificate, which fee may be waived in the discretion of the system manager or designee.

§ 83.18 Rights of legal guardians.

For the purposes of this part, the parent of any minor, or the legal guardian of any individual who has been declared to be incompetent due to physical or mental incapacity or age by a court of competent jurisdiction, may act on behalf of the individual.

§ 83.19 Government contractors.

When GAO provides by a contract for the operation by or on behalf of GAO of a system of personnel records to accomplish a function of GAO, GAO shall, consistent with its authority, cause the requirements of this part to be applied to such system. Any such con-

tractor and any employee of such contractor, if such contract is agreed to on or after the effective date of this section, shall be considered, for the purposes of this part, to be an employee of GAO. Contractor employees will be required to observe the confidentiality requirements of this part. Violations of this part by contractor employees may be a sufficient ground for contract termination.

§ 83.20 Mailing lists.

An individual's name and address may not be sold or rented by GAO unless such action is specifically authorized by law. This provision shall not be construed to require the withholding of names and addresses otherwise permitted to be made public.

§ 83.21 Exemptions.

(a) All personnel records are exempted from §§ 83.6(c), 83.12, 83.13, 83.14, and 83.15, relating to making an accounting of disclosures available to the data subject or his authorized representative and access to and amendment of the records and other sections relating to procedural requirements of the above-cited sections if the record is:

(1) Specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and is in fact classified pursuant to such Executive order. *See* 31 U.S.C. 716(e)(1) and 718(b)(3) concerning the applicability of these requirements to GAO.

(2) Investigatory material compiled for law enforcement purposes: *Provided, however,* That if any individual is denied any right, privilege, or benefit that he would otherwise be entitled to by Federal law, or for which he would otherwise be eligible, as a result of the maintenance of such material, such material shall be provided to such individual, except to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to the effective date of this section, under an express or implied promise that the identity of the source would be held in confidence;

(3) Maintained in connection with providing protection services to the President of the United States or other individuals pursuant to section 3056 of Title 18, United States Code;

(4) Required by statute to be maintained and used solely as statistical records;

(5) Investigatory material compiled solely for the purposes of determining suitability, eligibility, or qualifications for Federal civilian employment, military service, Federal contracts, or access to classified information, but only to the extent that the disclosure of such material would reveal the identity of the source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to the effective date of this section, under an express or implied promise that the identity of the source would be held in confidence (see §83.5(j)(1) for the procedure to be used to obtain investigative data originated by other Government agencies);

(6) Testing or examination material used solely to determine individual qualifications for appointment or promotion in the Federal service the disclosure of which would compromise the objectivity or fairness of the testing or examination process; or

(7) Evaluation material used to determine potential for promotion in the armed services, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to the effective date of this section, under an express or implied promise that the

identity of the source would be held in confidence.

§91.4 Authority to waive.

(a) The Comptroller General of the United States, or his designee, may grant waiver in whole or in part of a claim of the United States in any amount arising out of an erroneous payment of pay or allowances made to employees on or after July 1, 1960, and to members on or after October 2, 1972, or an erroneous payment of travel,

transportation or relocation expenses or allowances made on or after December 28, 1985, to an employee or member, when all of the requirements for waiver are met. Claims referred to the Attorney General for litigation will not be considered for waiver by the Comptroller General of the United States without first having obtained the agreement of the Attorney General.

(b) The Director of the Administrative Office of the United States Courts may grant waiver in whole or in part of a claim of the United States in an amount aggregating not more than \$10,000 arising out of an erroneous payment of pay or allowances or an erroneous payment of travel, transportation or relocation expenses or allowances to an officer or employee of the Administrative Office of the United States Courts, the Federal Judicial Center, or any of the courts listed in §91.2(a)(6). This authority applies with respect to any claim arising before November 19, 1988, that was pending on that date and to any claim which arose on or after that date.

(c) The head of an agency or the Secretary concerned, or his designee—

(1) May grant waiver in whole or in part of a claim of the United States in an amount aggregating not more than \$1500, when all the requirements for waiver are met, except that the Director of the Administrative Office of the United States Courts may grant waiver in whole or in part of a claim in an amount aggregating not more than \$10,000;

(2) May deny waiver of a claim in any amount, provided that the employee, member, or other person from whom collection is sought must be advised of the right to appeal the denial to the General Accounting Office pursuant to the procedures set forth in part 92 of this subchapter; and

(3) May not grant waiver of any claim that is the subject of an exception made by the Comptroller General in the account of any accountable officer, or that has been referred to the General Accounting Office or to the Attorney General.

(d) The Government's claim against an employee or member for repayment

§91.5

of an advance of funds for travel or relocation expenses may be considered for waiver if—

(1) The advance was made to cover expenses erroneously authorized;

(3) The employee or member is indebted to the Government for repayment of all or part of the amounts advanced after the advance is applied against any legitimate expenses incurred by the employee or member.

[56 FR 49583, Sept. 30, 1991, as amended at 56 FR 67467, Dec. 31, 1991]

§91.5 Conditions for waiver.

(a) Three-year application period.

(1) An application for waiver must be received in the General Accounting Office or in the agency or department which made the erroneous payment within 3 years immediately following the date on which the erroneous payment was discovered, or in the case of certain applications received prior to July 25, 1977, as provided in 5 U.S.C. 5584(b).

(2) The employee, member, or other person from whom collection is sought shall be promptly notified of the discovery of an erroneous payment. In determining the date of discovery of an erroneous payment, all doubts are to be resolved in favor of the applicant.

(b) Waiver may be granted only when collection would be against equity and good conscience and not in the best interests of the United States. Generally, these criteria will be met by a finding that the erroneous payment occurred through administrative error and that there is no indication of fraud, misrepresentation, fault, or lack of good faith on the part of the employee, member, or other person having an interest in obtaining a waiver of the claim. Generally, waiver is precluded when an employee, member, or other person having an interest in obtaining waiver receives a significant unexplained increase in pay or allowances, or otherwise knows, or reasonably should know, that an erroneous payment has occurred, and fails to make inquiries or bring the matter to the attention of the appropriate officials. Waiver under this standard must nec-

essarily depend upon the facts existing in the particular case. The facts upon which waiver is based should be recorded in detail and made a part of the written record in accordance with the provisions of part 92 of this subchapter.

§91.6 Effect of waiver.

(a) In the audit and settlement of the accounts of any accountable officer or official, full credit shall be given for any amounts with respect to which collection by the United States is waived.

(b) An erroneous payment, the collection of which is waived pursuant to this subchapter, is deemed a valid payment for all purposes.

§ 92.4 Action by the agency or department.

Upon completion of the report, the agency or department,

(a) Shall grant or deny waiver if authorized by § 91.4 (b) or (c) of this subchapter, or refer the matter to the General Accounting Office in accordance with § 92.2(c), and;

(b) Shall provide the applicant written notice as to whether the application for waiver has been granted, denied, or referred to the General Accounting Office, provided the person can reasonably be located. However, no refund shall be paid where the employee, member, or other person from whom collection is sought cannot reasonably be located within 2 years after the effective date of the waiver. Refunds shall be charged to the account into which the agency deposited the collection.

(b) When no refund is made to an otherwise eligible person, the written record should include information as to the attempts made to locate that person and other pertinent information.

§ 92.7 Written record.

(a) The report of the agency or department, any written comments submitted by the employee, member or other person from whom collection is sought, an account of the waiver action taken and the reasons therefor, and other pertinent information such as the action taken to refund amounts repaid shall constitute the written record in each case.
