

§ 107.2

paragraph (a)(1) or (a)(2) of this section; and

(4) Each person who files an application or makes entries into any record or report that is kept, made, or used to show compliance under this part, or to exercise any privileges under this part.

(b) For purposes of this part—

(1) *Airport operator* means a person who operates an airport regularly serving scheduled passenger operations of a certificate holder or a foreign air carrier required to have a security program by §108.5(a) or §129.25 of this chapter;

(2) *Air Operations Area* means a portion of an airport designed and used for landing, taking off, or surface maneuvering of airplanes;

(3) *Escort* means to accompany or supervise an individual who does not have unescorted access authority to areas restricted for security purposes, as identified in the airport security program, in a manner sufficient to take action should the individual engage in activities other than those for which the escorted access is granted. The responsive actions can be taken by the escort or other authorized individual.

(4) *Exclusive area* means that part of an air operations area for which an air carrier has agreed in writing with the airport operator to exercise exclusive security responsibility under an approved security program or a security program used in accordance with §129.25;

(5) *Law enforcement officer* means an individual who meets the requirements of §107.17; and

(6) *Sterile area* means an area to which access is controlled by the inspection of persons and property in accordance with an approved security program or a security program used in accordance with §129.25.

§ 107.3 Security program.

(a) No airport operator may operate an airport subject to this part unless it adopts and carries out a security program that—

(1) Provides for the safety of persons and property traveling in air transportation and intrastate air transportation against acts of criminal violence and aircraft piracy;

(2) Is in writing and signed by the airport operator or any person to whom the airport operator has delegated authority in this matter;

(3) Includes the items listed in paragraph (b), (f), or (g) of this section, as appropriate; and

(4) Has been approved by the Director of Civil Aviation Security.

(b) For each airport subject to this part regularly serving scheduled passenger operations conducted in airplanes having a passenger seating configuration (as defined in §108.3 of this section of this chapter) of more than 60 seats, the security program required by paragraph (a) of this section must include at least the following:

(1) A description of each air operations area, including its dimensions, boundaries, and pertinent features.

(2) A description of each area on or adjacent to, the airport which affects the security of any air operations area.

(3) A description of each exclusive area, including its dimensions, boundaries, and pertinent features, and the terms of the agreement establishing the area.

(4) The procedures, and a description of the facilities and equipment, used to perform the control functions specified in §107.13(a) by the airport operator and by each air carrier having security responsibility over an exclusive area.

(5) The procedures each air carrier having security responsibility over an exclusive area will use to notify the airport operator when the procedures, facilities, and equipment it uses are not adequate to perform the control functions described in §107.13(a).

(6) A description of the alternate security procedures, if any, that the airport operator intends to use in emergencies and other unusual conditions.

(7) A description of the law enforcement support necessary to comply with §107.15.

(8) A description of the training program for law enforcement officers required by §107.17.

(9) A description of the system for maintaining the records described in §107.23.

(c) The airport operator may comply with paragraph (b), (f), or (g) of this section by including in the security program as an appendix any document which contains the information required by paragraph (b), (f), or (g) of this section.

(d) Each airport operator shall maintain at least one complete copy of its approved security program at its principal operations office, and shall make it available for inspection upon the request of any Civil Aviation Security Special Agent.

(e) Each airport operator shall—

(1) Restrict the distribution, disclosure, and availability of sensitive security information, as defined in part 191 of this chapter, to persons with a need-to-know; and

(2) Refer requests for security sensitive information by other persons to the Assistant Administrator for Civil Aviation Security.

(f) For each airport subject to this part regularly serving scheduled passenger operations conducted in airplanes having a passenger seating configuration (as defined in §10.3 of this chapter) of more than 30 but less than 61 seats, the security program required by paragraph (a) of this section must include at least the following:

(1) A description of the law enforcement support necessary to comply with §107.15(b), and the procedures which the airport operator has arranged to be used by the certificate holder or for-

eign air carrier to summon that support.

(2) A description of the training program for law enforcement officers required by §107.17.

(3) A description of the system for maintaining the records described in §107.23.

(g) For each airport subject to this part where the certificate holder or foreign air carrier is required to conduct passenger screening under a security program required by §108.5(a) (2) or (3) or §129.25(b) (2) or (3) of this chapter, or conducts screening under a security program being carried out pursuant to §108.5(b), as appropriate, the security program required by paragraph (a) of this section must include at least the following:

(1) A description of the law enforcement support necessary to comply with §107.15.

(2) A description of the training program for law enforcement officers required by §107.17.

(3) A description of the system for maintaining the records described in §107.23.

§ 107.5 Approval of security program.

(a) Unless a shorter period is allowed by the Director of Civil Aviation Security, each airport operator seeking initial approval of a security program for an airport subject to this part shall submit the proposed program to the Director of Civil Aviation Security at least 90 days before any scheduled passenger operations are expected to begin by any certificate holder or permit holder to whom §121.538 or §129.25 of this chapter applies.

(b) Within 30 days after receipt of a proposed security program, the Director of Civil Aviation Security either approves the program or gives the airport operator written notice to modify the program to make it conform to the applicable requirements of this part.

(c) After receipt of a notice to modify, the airport operator may either submit a modified security program or petition the Administrator to reconsider the notice to modify. A petition
