§ 540.3 Proof of financial responsibility, when required.

No person in the United States may arrange, offer, advertise or provide passage on a vessel unless a Certificate (Performance) has been issued to or covers such person.

§ 540.4 Procedure for establishing financial responsibility.

(a) In order to comply with section 3 of Public Law 89-777 (80 Stat. 1357, 1358) enacted November 6, 1966, there must be filed an application on Form FMC-131 for a Certificate of Financial Responsibility for Indemnification of Passengers for Nonperformance of Transportation. (b) An application for a Certificate (Performance) shall be filed in duplicate with the Secretary, Federal Maritime Commission, by the vessel owner or charterer at least 60 days in advance of the arranging, offering, advertising, or providing of any water transportation or tickets in connection therewith except that any person other than the owner or charterer who arranges, offers, advertises, or provides passage on a vessel may apply for a Certificate (Performance). § 540.5 Insurance, guaranties, escrow accounts, and self-insurance.

Except as provided in § 540.9(j), the amount of coverage required under this section and § 540.6(b) shall be in an amount determined by the Commission to be no less than 110 percent of the unearned passenger revenue of the applicant on the date within the 2 fiscal years immediately prior to the filing of the application which reflects the greatest amount of unearned passenger revenue, unless the applicant qualifies for consideration under § 540.5(e). The Commission, for good cause shown, may consider a time period other than the previous 2-fiscal-year requirement in this section or other methods acceptable to the Commission to determine the amount of coverage required. Evidence of adequate financial responsibility for the purposes of this subpart may be established by one or a combination (including § 540.6 Surety Bonds) of the following methods:

(a) Filing with the Commission evidence of insurance, issued by an insurer, providing coverage for indemnification of passengers in the event of

§ 540.5

46 CFR Ch. IV (10-1-01 Edition)

the nonperformance of water transportation.

(1) Termination or cancellation of the evidence of insurance, whether by the assured or by the insurer, and whether for nonpayment of premiums, calls or assessments or for other cause, shall not be effected: (i) Until notice in writing has been given to the assured or to the insurer and to the Secretary of the Commission at its office, in Washington, DC 20573, by certified mail, and (ii) until after 30 days expire from the date notice is actually received by the Commission, or until after the Commission revokes the Certificate (Performance), whichever occurs first. Notice of termination or cancellation to the assured or insurer shall be simultaneous to such notice given to the Commission. The insurer shall remain liable for claims covered by said evidence of insurance arising by virtue of an event which had occurred prior to the effective date of said termination or cancellation. No such termination or cancellation shall become effective while a voyage is in progress.

(2) The insolvency or bankruptcy of the assured shall not constitute a defense to the insurer as to claims included in said evidence of insurance and in the event of said insolvency or bankruptcy, the insurer agrees to pay any unsatisfied final judgments obtained on such claims.

(3) No insurance shall be acceptable under these rules which restricts the liability of the insurer where privity of the owner or charterer has been shown to exist.

(4) Paragraphs (a)(1) through (a)(3) of this section shall apply to the guaranty as specified in paragraph (c) of this section.

(b) Filing with the Commission evidence of an escrow account, acceptable to the Commission, for indemnification of passengers in the event of nonperformance of water transportation. Parties filing escrow agreements for Commission approval may execute such agreements in the form set forth in appendix A of subpart A of this part.

(c) Filing with the Commission a guaranty on Form FMC-133A, by a guarantor acceptable to the Commission, for indemnification of passengers

in the event of nonperformance of water transportation. The requirements of Form FMC-133A, however, may be amended by the Commission in a particular case for good cause.

(d) Filing with the Commission for qualification as a self-insurer such evidence acceptable to the Commission as will demonstrate continued and stable passenger operations over an extended period of time in the foreign or domestic trade of the United States. Such evidence must include an affidavit by the operator's Chief Executive Officer or other responsible corporate officer of a minimum of five years of operation in United States trades, with a satisfactory explanation of any claims for nonperformance of transportation. In addition, applicant must demonstrate financial responsibility by maintenance of net worth in an amount calculated as in the introductory text of this section. The Commission will take into consideration all current contractual requirements with respect to the maintenance of such net worth to which the applicant is bound. Evidence must be submitted that the net worth required above is physically located in the United States. This evidence of financial responsibility shall be supported by and subject to the following which are to be submitted on a continuing basis for each year or portion thereof while the Certificate (Performance) is in effect:

(1) A current quarterly balance sheet, except that the Commission, for good cause shown, may require only an annual balance sheet;

(2) A current quarterly statement of income and surplus, except that the Commission, for good cause shown, may require only an annual statement of income and surplus;

(3) An annual current balance sheet and an annual current statement of income and surplus to be certified by appropriate certified public accountants;

(4) Semiannual current statement of the book value or current market value of any assets physically located within the United States together with a certification as to the existence and amount of any encumbrances thereon;

(5) Semiannual current credit rating report by Dun and Bradstreet or any

Federal Maritime Commission

§ 540.6

similar concern found acceptable to the Commission;

(6) A list filed semiannually of all contractual requirements or other encumbrances (and to whom the applicant is bound in this regard) relating to the maintenance of net worth;

(7) All financial statements required to be submitted under this section shall be due within a reasonable time after the close of each pertinent accounting period;

(8) Such additional evidence of financial responsibility as the Commission may deem necessary in appropriate cases.

(e) The following schedule may be applied to determine the minimum coverage required for indemnification of passengers in the event of nonperformance of water transportation for those operators who have not elected to qualify by self-insurance; and can provide evidence (in the form of an affidavit by the operator's Chief Executive Officer or other responsible corporate officer) of a minimum of five years of operation in United States trades, with a satisfactory explanation of any claims for nonperformance of transportation:

Unearned passenger revenue ("UPR")	Required coverage
\$0-\$5,000,000	100% of UPR up to \$5,000,000.
\$5,000,001-\$15,000,000	\$5,000,000 plus 50% of excess UPR over \$5,000,000 subject to an overall maximum of \$5,000,000 per vessel.
\$15,000,001-\$35,000,000	\$10,000,000 plus 25% of excess of UPR over \$15,000,000 subject to an overall maximum of \$5,000,000 per vessel and a \$15,000,000 overall maximum.
Over \$35,000,000	\$15,000,000 overall maximum.

(f) Revenues derived from whole-ship charters, as defined in §540.2(1), may be exempted from consideration as unearned passenger revenues, on condition that, in the case of a new operator or within 30 days of the execution of the whole-ship charter if the operator has a Performance Certificate for the vessel in question: (1) A certified true

copy of the contract or charter is furnished with the application; (2) The chartering party attests that it will redistribute the vessel's passenger accommodations without charge; and (3) A document executed by the chartering party's Chief Executive Officer or other responsible corporate officer is submitted by which the chartering party specifically acknowledges that its rights to indemnification under section 3 of Public Law 89-777 may be affected by the reduction in section 3, Public Law 89-777, financial responsibility coverage attributable to the exclusion of such funds from the operator's UPR.

§ 540.6 Surety bonds.

(a) Where financial responsibility is not established under §540.5, a surety bond shall be filed on Form FMC-132A. Such surety bond shall be issued by a bonding company authorized to do business in the United States and acceptable to the Commission for indemnification of passengers in the event of nonperformance of water transportation. The requirements of Form FMC-132A, however, may be amended by the Commission in a particular case for good cause.

(b) In the case of a surety bond which is to cover all passenger operations of the applicant subject to these rules, such bond shall be in an amount calculated as in the introductory text of §540.5.

(c) In the case of a surety bond which is to cover an individual voyage, such bond shall be in an amount determined by the Commission to equal the gross passenger revenue for that voyage.

(d) The liability of the surety under the rules of this subpart to any passenger shall not exceed the amount paid by any such passenger, except that, no such bond shall be terminated while a voyage is in progress.

[49 FR 36313, Sept. 14, 1984, as amended at 55 FR 1824, Jan. 19, 1990]

§ 540.7

§ 540.7 Evidence of financial responsibility.

Where satisfactory proof of financial responsibility has been given or a satisfactory bond has been provided, a Certificate (Performance) covering specified vessels shall be issued evidencing the Commission's finding of adequate financial responsibility to indemnify passengers for nonperformance of water transportation. The period covered by the Certificate (Performance) shall be indeterminate, unless a termination date has been specified thereon.

§ 540.8 Denial, revocation, suspension, or modification.

(a) Prior to the denial, revocation, suspension, or modification of a Certificate (Performance), the Commission shall advise the applicant of its intention to deny, revoke, suspend, or modify and shall state the reasons therefor. If the applicant, within 20 days after the receipt of such advice, requests a hearing to show that the evidence of financial responsibility filed with the Commission does meet the rules of this subpart, such hearing shall be granted by the Commission, except that a Certificate (Performance) shall become null and void upon cancellation or termination of the surety bond, evidence of insurance, guaranty, or escrow account.

(b) A Certificate (Performance) may be denied, revoked, suspended, or modified for any of the following reasons:

(1) Making any willfully false statement to the Commission in connection with an application for a Certificate (Performance);

(2) Circumstances whereby the party does not qualify as financially responsible in accordance with the requirements of the Commission;

(3) Failure to comply with or respond to lawful inquiries, rules, regulations or orders of the Commission pursuant to the rules of this subpart.

(c) If the applicant, within 20 days after notice of the proposed denial, revocation, suspension, or modification under paragraph (b) of this section, requests a hearing to show that such denial, revocation, suspension, or modification should not take place, such hearing shall be granted by the Commission.

§ 540.9 Miscellaneous.

(a) If any evidence filed with the application does not comply with the requirements of this subpart, or for any reason fails to provide adequate or satisfactory protection to the public, the Commission will notify the applicant stating the deficiencies thereof.

(b) Any financial evidence submitted to the Commission under the rules of this subpart shall be written in the full and correct name of the person to whom the Certificate (Performance) is to be issued, and in case of a partnership, all partners shall be named.

(c) The Commission's bond (Form FMC-132A), guaranty (Form FMC-133A), and application (Form FMC-131) forms are hereby incorporated as a part of the rules of this subpart. Any such forms filed with the Commission under this subpart must be in duplicate.

(d) Any securities or assets accepted by the Commission (from applicants, insurers, guarantors, escrow agents, or others) under the rules of this subpart must be physically located in the United States.

(e) Each applicant, insurer, escrow agent and guarantor shall furnish a written designation of a person in the United States as legal agent for service of process for the purposes of the rules of this subpart. Such designation must be acknowledged, in writing, by the designee. In any instance in which the designated agent cannot be served because of its death, disability, or unavailability, the Secretary, Federal Maritime Commission, will be deemed to be the agent for service of process. A party serving the Secretary in accordance with the above provision must also serve the Certificant, insurer, escrow agent, or guarantor, as the case may be, by registered mail at its last known address on file with the Commission.

(f) [Reserved]

(g) Financial data filed in connection with the rules of this subpart shall be confidential except in instances where information becomes relevant in connection with hearings which may be requested by applicant pursuant to § 540.8 (a) or (b).

(k) Every person in whose name a Certificate (Performance) has been issued shall be deemed to be responsible for any unearned passage money or deposits in the hands of its agents or of any other person or organization authorized by the certificant to sell the certificant's tickets. Certificants shall promptly notify the Commission of any arrangements, including charters and subcharters, made by it or its agent with any person pursuant to which the certificant does not assume responsibility for all passenger fares and deposits collected by such person or organization and held by such person or organization as deposits or payment for services to be performed by the certificant. If responsibility is not assumed by the certificant, the certificant also must inform such person or organization of the certification requirements of Public Law 89-777 and not permit use of its name or tickets in any manner unless and until such person or organization has obtained the requisite Certificate (Performance) from the Commission.

§ 540.24 Insurance, surety bonds, self-insurance, guaranties, and escrow accounts.

Evidence of adequate financial responsibility for the purposes of this subpart may be established by one of the following methods:

(a) Filing with the Commission evidence of insurance issued by an insurer providing coverage for liability which may be incurred for death or injury to passengers or other persons on voyages in an amount based upon the number of

In addition, applicant must demonstrate financial responsibility by maintenance of working capital and net worth, each in an amount calculated as in paragraph (a) of this section. § 540.27 Miscellaneous.

(a) If any evidence filed with the application does not comply with the requirements of this subpart, or for any reason, fails to provide adequate or satisfactory protection to the public, the Commission will notify the applicant stating the deficiencies thereof.

A party serving the Secretary in accordance with the above provision must also serve the certificant, insurer, escrow agent, or guarantor, as the case may be, by registered mail, at its last known address on file with the Commission.

(f) In the case of any charter arrangements involving a vessel subject to the regulations of this subpart, the vessel owner (in the event of a subcharter, the charterer shall file) must within 10 days file with the Secretary of the Commission evidence of any such arrangement.

GUARANTY IN RESPECT OF LIABILITY FOR DEATH OR INJURY, SECTION 2 OF THE ACT

1. Whereas _____ (Name of Applicant) (Hereinafter referred to as the "Applicant") is the Owner or Charterer of the passenger Vessel(s) specified in the annexed Schedule ("the Vessels"), which are or may become engaged in voyages to or from U.S. ports, and the Applicant desires to establish its financial responsibility in accordance with section 2 of Public Law 89-777, 89th Congress, approved November 6, 1966 ("the Act") then, provided that the Federal Maritime Commission ("FMC") shall have accepted, as sufficient for that purpose, the Applicant's application, supported by this Guaranty, and provided that FMC shall issue to the Applicant a Certificate (Casualty) ("Certificate"), the undersigned Guarantor hereby guarantees to discharge the applicant's legal liability in respect of claims for damages for death or injury to passengers or other persons on voyages of the Vessels to or from U.S. ports, in the event that such legal liability has not been discharged by the Applicant within 21 days after any such passenger or other person, or, in the event of death, his or her personal representative, has obtained a final judgment (after appeal, if any) against the Applicant from a U.S. Federal or State Court of competent jurisdiction, or has become entitled to payment of a specified sum by virtue of a compromise settlement agreement made with the Applicant, with the approval of the Guarantor, whereby, upon payment of the agreed sum, the Applicant is to be fully, irrevocably and unconditionally discharged from all further liability to such passenger or other person, or to such personal representative, with respect to such claim.

2. The Guarantor's liability under this Guaranty shall in no event exceed the amount of the Applicant's legal liability under any such judgment or settlement agreement, except that, if the aggregate amount of such judgments and settlements exceeds an amount computed in accordance with the formula contained in section 2(a) of the Act, then the Guarantor's total liability under this Guaranty shall be limited to an

The Guarantor's liability under this Guaranty shall attach only in respect of events giving rise to causes of action against the Applicant in respect of any of the Vessels for damages for death or injury within the meaning of section 2 of the Act, occurring after the Certificate has been granted to the Applicant and before the expiration date of this Guaranty, which shall be the earlier of the following dates:

(a) The date whereon the Certificate is withdrawn, or for any reason becomes invalid or ineffective; or

(b) The date 30 days after the date of receipt by FMC of notice in writing (including telex or cable) that the Guarantor has elected to terminate this Guaranty, except that if, on the date which would otherwise have been the expiration date of this Guaranty under the foregoing provisions of this Clause 3, any of the Vessels is on a voyage in respect of which such Vessel would not have received clearance in accordance with section 2(e) of the Act without the Certificate, then the expiration date of this Guaranty shall, in respect of such Vessel, be postponed to the date on which the last passenger on such voyage shall have fully disembarked.

4. If, during the currency of this Guaranty, the Applicant requests that a vessel owned or operated by the Applicant, and not specified in the annexed Schedule, should become subject to this Guaranty, and if the Guarantor accedes to such request and so notifies FMC in writing (including telex or cable), then provided that, within 30 days of receipt of such notice FMC shall have granted a Certificate, such vessel shall thereupon be deemed to be one of the Vessels included in the said Schedule and subject to this Guaranty.

PART 545—INTERPRETATIONS AND STATEMENTS OF POLICY

- Sec.
545.1 Interpretation of Shipping Act of 1984—Refusal to negotiate with shippers' associations.
545.2 Interpretation of Shipping Act of 1984—Unpaid ocean freight charges.
545.3 Interpretation of § 515.23(b) of this chapter—Payment pursuant to a claim against an ocean transportation intermediary.

AUTHORITY: 5 U.S.C. 553; 46 U.S.C. app. 1706, 1707, 1709, 1716, and 1718; Pub. L. 105-383, 112 Stat. 3411; 46 CFR 515.23.

§ 545.1 Interpretation of Shipping Act of 1984—Refusal to negotiate with shippers' associations.

(a) Section 8(c) of the Shipping Act of 1984 ("1984 Act") authorizes ocean common carriers and agreements between or among ocean common carriers to

enter into a service contract with a shippers' association, subject to the requirements of the 1984 Act. Section 10(b)(10) of the 1984 Act prohibits carriers from unreasonably refusing to deal or negotiate. Section 7(a)(2) of the 1984 Act exempts from the antitrust laws any activity within the scope of that Act, undertaken with a reasonable basis to conclude that it is pursuant to a filed and effective agreement.

(b) The Federal Maritime Commission interprets these provisions to establish that a common carrier or conference may not require a shippers' association to obtain or apply for a Business Review Letter from the Department of Justice prior to or as part of a service contract negotiation process.

§ 545.2 Interpretation of Shipping Act of 1984—Unpaid ocean freight charges.

Section 10(a)(1) of the Shipping Act of 1984 states that it is unlawful for any person to obtain or attempt to obtain transportation for property at less than the properly applicable rates, by any "unjust or unfair device or means." An essential element of the offense is use of an "unjust or unfair device or means." In the absence of evidence of bad faith or deceit, the Federal Maritime Commission will not infer an "unjust or unfair device or means" from the failure of a shipper to pay ocean freight. An "unjust or unfair device or means" could be inferred where a shipper, in bad faith, induced the carrier to relinquish its possessory lien on the cargo and to transport the cargo without prepayment by the shipper of the applicable freight charges.
