§ 206.119 Financial assistance to address other needs.

(a) Purpose. FEMA and the State may provide financial assistance to individuals and households who have other disaster-related necessary expenses or serious needs. To qualify for assistance under this section, an applicant must also:

(1) Apply to the United States Small Business Administration’s (SBA) Disaster Home Loan Program for all available assistance under that program; and

(3) Demonstrate that the SBA assistance received does not satisfy their total necessary expenses or serious needs arising out of the major disaster.

(i) Clothing;

(5) Moving and storage expenses. Necessary expenses and serious needs related to moving and storing personal property to avoid additional disaster damage generally include storage of personal property while disaster-related repairs are being made to the primary residence, and return of the personal property to the individual or household’s primary residence.
§ 206.120 State administration of other needs assistance.

(a) State administration of other needs assistance. A State may request a grant from FEMA to provide financial assistance to individuals and households in the State under §206.119. The State may also expend administrative costs not to exceed 5 percent of the amount of the grant in accordance with section 408(f)(1)(b) of the Stafford Act. Any State that administers the program to provide financial assistance to individuals and households must administer the program consistent with §206.119 and the State Administrative Option and the State Administrative Plan that we describe at paragraph (b) and (c) of this section.

(b) State administrative options. The delivery of assistance under §206.119 is contingent upon the State choosing an administrator for the assistance. The State may either request that FEMA administer the assistance or the State may request a grant from FEMA for State administration. The Governor or designee will execute the State Administrative Option annually. During non-disaster periods the State may submit any proposed amendments to the administrative option in writing to the FEMA Regional Director. FEMA shall review the request and respond to the Governor or his/her designee within 45 days of receipt of the proposed amendment.

(c) State Administrative Plan (SAP). The delivery of assistance by a State under this section is contingent upon approval of a SAP, which describes the procedures the State will use to deliver that list to see if they are ineligible for coverage. Those applicants who fail to do this may find that their property is, in fact, not covered by the insurance policy when the next flooding incident occurs and they file for losses. Once the applicants find that their damaged buildings, contents, or both, are ineligible for coverage, they should notify the NFIP in writing in order to have their names removed from the GFIP, and to have the flood insurance maintenance requirement expunged from the data-tracking system.
