(c) Nothing in this part authorizes the Corporation to withhold from any individual any record, including transcripts, recordings, or minutes required by this part, which is otherwise accessible to such individual under the Privacy Act (5 U.S.C. 552a).

§ 2505.2 Definitions.

As used in this part:

A meeting may be conducted under this part through telephone or similar communications equipment by means of which all participants may communicate with each other. The term meeting includes a portion thereof. The term meeting does not include:

(1) Notation voting or similar consideration of business, whether by circulation of material to the Members individually in writing or by a polling of the members individually by telephone.

(f) *Member* means a current member of the Corporation's Board of Directors.

The public is invited to attend all meetings of the Board that are open to the public but may not participate in the Board's deliberations at such meetings or record any meeting by means of electronic, photographic, or other device.

§ 2505.4 On what grounds may the Board close a meeting or withhold information?

The Board may close a meeting or withhold information that otherwise would be required to be disclosed under §§ 2505.5, 2505.6 and 2505.7 if it properly determines that an open meeting or disclosure is likely to—

(a) Disclose matters that are—

(1) Specifically authorized under criteria established by an Executive order to be kept secret in the interests of national defense or foreign policy; and

(2) In fact properly classified pursuant to such Executive order;

(b) Relate solely to the internal personnel rules and practices of the Corporation;

(c) Disclose matters specifically exempted from disclosure by statute (other than 5 U.S.C. 552), provided that such statute—

(1) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue; or

45 CFR Ch. XXV (10–1–02 Edition)

(2) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(d) Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(e) Involve accusing any person of a crime, or formally censuring any person;

(f) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(g) Disclose investigatory records compiled for law enforcement purposes, or information which, if written, would be contained in such records, but only to the extent that the production of such records or information would—

(1) Interfere with enforcement proceedings;

(2) Deprive a person of a right to a fair trial or an impartial adjudication;

(3) Constitute an unwarranted invasion of personal privacy;

(4) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source;

(5) Disclose investigative techniques and procedures; or

(6) Endanger the life or physical safety of law enforcement personnel;

(h) Disclose information contained in or related to examination, operating or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institution;

(i) Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed action of the Corporation, except that this provision shall not apply in any instance where the Corporation has already disclosed to the public the content or nature of its proposed action, or where the Corporation is required by law to make such disclosure on its own initiative prior to taking final action; or

(j) Specifically concerning the Corporation's issuance of a subpoena or

the Corporation's participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct, or disposition by the Corporation of a particular case of formal adjudication pursuant to the procedures in 5 U.S.C. 554 or otherwise involving a determination on the record after opportunity for a hearing.

§ 2505.5 What are the procedures for closing a meeting, withholding information, and responding to requests by affected persons to close a meeting?

(a) The Board may vote to close a meeting or withhold information pertaining to a meeting. Such action may be taken only when a majority of the entire membership of the Board votes to take such action. A separate vote shall be taken with respect to each action under § 2505.4. The Board may act by taking a single vote with respect to a series of meetings which are proposed to be closed to the public, or with respect to any information concerning a series of meetings, so long as each meeting in the series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in the series. Each Member's vote under this paragraph shall be recorded and no proxies shall be allowed.

(b) If your interests may be directly affected if a meeting is open you may request that the Board close the meeting on one of the grounds referred to in § 2505.4(e), (f), or (g). You should submit your request to the Office of the General Counsel, Corporation for National and Community Service, 1201 New York Avenue NW, Washington, D.C. 20525. The Board shall, upon the request of any one of its members, determine by recorded vote whether to grant your request.

(c) Within one working day of any vote taken pursuant to this section, the Board shall make publicly available a written copy of such vote reflecting the vote of each Member on the question. If a meeting is to be closed to the public, the Board shall, within one working day, make available a full written explanation of its action closing the meeting and a list of

all persons expected to attend the meeting and their affiliation.

(d) For each closed meeting, the General Counsel shall publicly certify that, in his or her opinion, the meeting may be closed to the public and shall state each relevant exemption relied upon. A copy of the certification shall be available for public inspection.

(e) For each closed meeting, the Board shall issue a statement setting forth the time, place, and persons present. A copy of such statement shall be available for public inspection.

(f)(1) For each closed meeting, with the exception of a meeting closed pursuant to § 2505.4(h) or (j), the Board shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting.

(2) For meetings that are closed pursuant to § 2505.4(h) or (j), the Board may maintain a set of minutes in lieu of a transcript or recording. Such minutes shall fully and clearly describe all matters discussed and shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of each of the views expressed on any item and the record of any vote. All documents considered in connection with any action shall be identified in such minutes.

(3) The Corporation shall make promptly available to the public, in a place easily accessible to the public, the transcript, electronic recording, or minutes of the discussion of any item on the agenda, or of any item of the testimony of any witness received at the meeting, except for such item or items of such discussion or testimony as the Corporation determines to contain information which may be properly withheld. Copies of such transcript, or minutes, or a transcription of such recording disclosing the identity of each speaker, shall be furnished to any person at the actual cost of duplication or transcription. The Corporation shall maintain the transcript, recording, or minutes for each closed meeting for at least two years or at least one year after the conclusion of any Corporation business acted upon at the meeting, whichever occurs later.

§ 2505.6

§ 2505.6 What are the procedures for making a public announcement of a meeting?

(a) For each meeting, the Board shall make a public announcement, at least one week before the meeting, of—

- (1) The meeting's time and place;
- (2) The matters to be considered;
- (3) Whether the meeting is to be open or closed; and

(4) The name and business telephone number of the official designated by the Board to respond to requests for information about the meeting.

(b) The one week advance notice required by paragraph (a) of this section may be reduced only if—

(1) The Board determines by recorded vote that Board business requires that the meeting be scheduled in less than seven days; and

(2) The public announcement required by paragraph (a) of this section is made at the earliest practicable time and posted on the Corporation's home page.

(c) Immediately following a public announcement required by paragraph (a) of this section, the Corporation will submit for publication in the FEDERAL REGISTER a notice of the time, place, and subject matter of the meeting, whether the meeting is open or closed, any change in one of the preceding, and the name and phone number of the official designated by the agency to respond to requests for information about the meeting.

§ 2505.7 What are the procedures for changing the time or place of a meeting following the public announcement?

(a) After there has been a public announcement of a meeting, the time or place of the meeting may be changed only if the Board publicly announces the change at the earliest practicable time. Such a change need not be determined by recorded vote.

(b) After there has been a public announcement of a meeting, the subject-matter of the meeting, or the determination of the Board to open or to close a meeting may be changed only when—

(1) The Board determines, by recorded vote, that Board business so re-

45 CFR Ch. XXV (10–1–02 Edition)

quires and that no earlier announcement of the change was possible; and

(2) The Board publicly announces the change and the vote of each Member at the earliest practicable time.

(c) The deletion of any subject-matter previously announced for a meeting is not a change requiring the approval of the Board under paragraph (b) of this section.

(5) That a final decision on the review (if one is requested) will be issued at the earliest practical date, but not later than 60 days after the receipt of

§ 2506.7

the request for a review, unless you request, and the review official grants, a delay in the proceedings;

(6) That any knowingly false or frivolous statements, representations, or evidence may subject you to:

(i) Disciplinary procedures appropriate under 5 U.S.C. chapter 75, 5 CFR part 752, or any other applicable statute or regulations;

(ii) Penalties under the False Claims Act, 31 U.S.C. 3729–3733, or any other applicable statutory authority; and

(iii) Criminal penalties under 18 U.S.C. 286, 287, 1001, and 102, or any other applicable statutory authority;

(7) Of any other rights available to you to dispute the validity of the debt or to have recovery of the debt waived, or remedies available to you under statutes or regulations governing the program for which the collection is being made; and

(8) That unless there are applicable contractual or statutory provisions to the contrary, amounts paid on or deducted for the debt which are later waived or found not owed will be promptly refunded to you.

(d) The Corporation will respond promptly to communications from you.

§ 2506.7 What interest, penalty, and administrative costs will I have to pay on a debt owed to the Corporation?

(a) *Interest.* (1) The Corporation will assess interest on all delinquent debts unless prohibited by statute, regulation, or contract.

(2) Interest begins to accrue on all debts from the date that the debt becomes delinquent. The Corporation will not recover interest if you pay the debt within 30 days of the date on which interest begins to accrue. Unless otherwise established in a contract, repayment agreement, or by statute, the Corporation shall assess interest at the rate established annually by the Secretary of the Treasury under 31 U.S.C. 3717, unless a different rate is necessary to protect the interests of the Corporation. The Corporation will notify you of the basis for its finding when a different rate is necessary to protect the Corporation's interests.

(3) The Chief Executive Officer may extend the 30-day period for payment without interest where he or she deter-

45 CFR Ch. XXV (10–1–02 Edition)

mines that such action is in the best interest of the Corporation. A decision to extend or not to extend the payment period is final and is not subject to further review.

(b) *Penalty.* The Corporation will assess a penalty charge, not to exceed six percent a year, on any portion of a debt that is delinquent for more than 90 days.

(c) *Administrative costs.* The Corporation will assess charges to cover administrative costs incurred as a result of your failure to pay a debt before it becomes delinquent. Administrative costs include the additional costs incurred in processing and handling the debt because it became delinquent, such as costs incurred in obtaining a credit report, or in using a private collection contractor, or service fees charged by a Federal agency for collection activities undertaken on behalf of the Corporation.

(d) *Allocation of payments.* A partial payment by a debtor will be applied first to outstanding administrative costs, second to penalty assessments, third to accrued interest, and then to the outstanding debt principal.

(e) *Waiver.* (1) The Chief Executive Officer may (without regard to the amount of the debt) waive collection of all or part of accrued interest, penalty, or administrative costs, if he or she determines that collection of these charges would be against equity and good conscience or not in the best interest of the Corporation.

(2) A decision to waive interest, penalty charges, or administrative costs may be made at any time before a debt is paid. However, where these charges have been collected before the waiver decision, they will not be refunded. The Chief Executive Officer's decision to waive or not waive collection of these charges is final and is not subject to further review.

§ 2506.8 What opportunity do I have to obtain a review of my debt within the Corporation.

(a) *Request for review.* If you desire a review within the Corporation concerning the existence or amount of the debt, the proposed schedule for offset of federal employee salary payments, or whether the debt is past due or legally

Corporation for National and Community Service

§ 2506.8

enforceable, you must send such a request to the Corporation office designated in the notice to debtor. (See § 2506.6(c)).

(1) Your request for review must be signed by you and fully identify and explain with reasonable specificity all the facts and evidence that support your position.

(2) The request for review must be received by the designated office on or before the 60th calendar day following the date of the notice. Timely filing will stay the commencement of collection procedures. If you file a request for a review after the expiration of the 60 day period provided for in this section, the Corporation will accept the request if you can show that the delay was the result of circumstances beyond his or her control or because you did not receive notice of the filing deadline (unless you had actual notice of the filing deadline).

(b) *Review of Corporation records related to the debt.* (1) In accordance with § 2506.6, if you want to inspect or copy Corporation records related to the debt, you must send a letter to the official designated in the notice to the debtor stating his or her intention. Your letter must be received within 30 calendar days after the date of the notice to debtor.

(2) In response to a timely request submitted by the debtor, the designated official will notify you of the location and time when you may inspect and copy records related to the debt.

(3) If personal inspection is impractical, reasonable arrangements will be made to send you copies of those records.

(c) *Review official.* The Chief Executive Officer shall designate an officer or employee of the Corporation (who was not involved in the determination of the debt) as the review official. When required by law or regulation, the Corporation may request an administrative law judge to conduct the review, or may obtain a review official who is an official, employee, or agent of the United States (but who is not under the supervision or control of the Chief Executive Officer). However, unless the review is conducted by an official or employee of the Corporation,

any unresolved dispute you have regarding whether all or part of the debt is past due or legally enforceable (for purposes of collection by tax refund offset under § 2506.31), must be referred to the Chief Executive Officer for ultimate administrative disposition, and the Chief Executive Officer must directly notify you of his or her determination.

(d) *Review procedure.* After you request a review, the reviewing official will notify you of the form of the review to be provided. The reviewing official shall determine the type of review to be conducted (i.e. whether an oral hearing is required), and shall conduct the review in accordance with the standards included in 4 CFR 102.3(c). If the review will include an oral hearing, the notice will set forth the date, time, and location of the hearing. If the review will be on a written record, you will be notified that you should submit arguments and evidence in writing to the review official by a specified date after which the record will be closed. This date will give you reasonable time to submit documentation.

(e) *Date of decision.* The reviewing official will issue a written decision, based upon either the written record or documentary evidence and information developed at an oral hearing, as soon as practical, but not later than 60 days after the date on which the Corporation received your request for a review, unless you request and the review official grants a delay in the proceedings.

(f) *Content of review decision.* The review official shall prepare a written decision that will include:

(1) A statement of the facts presented to support the origin, nature, and amount of the debt;

(2) The reviewing official's findings, analysis, and conclusions; and

(3) The terms of any repayment schedules, if applicable.

(g) *Interest, penalty, and administrative cost accrual during review period.* During the review period, interest, penalties, and administrative costs authorized by law will continue to accrue.

§ 2506.9

§ 2506.9 How can I resolve the Corporation's claim through a voluntary repayment agreement?

In response to a notice of a debt owed to the Corporation, you may propose to the Corporation you be allowed to repay a debt through a voluntary payment agreement in lieu of the Corporation taking other collection actions under this part.

(a) Your request to enter into a voluntary repayment must:

(1) Admit the existence of the debt; and

(2) Either propose payment of the debt (together with interest, penalties, and administrative costs) in a lump sum, or set forth a proposed repayment schedule.

(b) The Corporation will consider a request to enter into a voluntary repayment agreement consistent with the standards in 4 CFR 102.11. The Chief Executive Officer may request additional information from you in order to make a determination of whether to accept a voluntary repayment agreement, including requesting financial statements if you request to make payments in installments. It is within the Chief Executive Officer's discretion to accept a repayment agreement instead of proceeding with other debt collection actions under this part, and to set the necessary terms of any voluntary repayment agreement. At the Corporation's option, you may be required to enter into a confess-judgment note or bond of indemnity with surety as part of an agreement to make payments in installments. Notwithstanding the provisions of this section, any reduction or compromise of a claim will be governed by 31 U.S.C. 3711.

§ 2506.10 How will the Corporation use credit reporting agencies to collect its claims?

(a) The Corporation may report delinquent debts to appropriate credit reporting agencies by providing the following information:

(1) A statement that the debt is valid and is overdue;

(2) The name, address, taxpayer identification number, and any other information necessary to establish the identity of the debtor;

45 CFR Ch. XXV (10-1-02 Edition)

(3) The amount, status, and history of the debt; and

(4) The program or pertinent activity under which the debt arose.

(b) Before disclosing debt information to a credit reporting agency, the Corporation will:

(1) Take reasonable action to locate the debtor if a current address is not available; and

(2) If a current address is available, provide the notice required under § 2506.6.

(c) At the time debt information is submitted to a credit reporting agency, the Corporation will provide a written statement to the reporting agency that all required actions have been taken. In addition, the Corporation will, thereafter, ensure that the credit reporting agency is promptly informed of any substantive change in the conditions or amount of the debt, and promptly verify or correct information relevant to the claim.

(d) If a debtor disputes the validity of the debt, the credit reporting agency will refer the matter to the appropriate Corporation official. The credit reporting agency will exclude the debt from its reports until the Corporation certifies in writing that the debt is valid.

§ 2506.11 How will the Corporation contract for collection services?

The Corporation will use the services of a private collection contractor where it determines that such use is in the best interest of the Corporation. When the Corporation determines that there is a need to contract for collection services, it will—

(a) Retain sole authority to:

(1) Resolve any dispute with the debtor regarding the validity of the debt;

(2) Compromise the debt;

(3) Suspend or terminate collection action;

(4) Refer the debt to the DOJ for litigation; and

(5) Take any other action under this part which does not result in full collection of the debt;

(b) Require the contractor to comply with the Privacy Act of 1974, as amended, to the extent specified in 5 U.S.C. 552a(m), with applicable Federal and

State laws pertaining to debt collection practices (e.g., the Fair Debt Collection Practices Act (15 U.S.C. 1692–1692o)), and with applicable regulations of the Corporation in this chapter;

(c) Require the contractor to account accurately and fully for all amounts collected; and

(d) Require the contractor to provide to the Corporation, upon request, all data and reports contained in its files relating to its collection actions on a debt.

§ 2506.12 When will the Corporation refer claims to the DOJ?

The Chief Executive Officer will refer to the DOJ for litigation all claims on which aggressive collection actions have been taken but which could not be collected, compromised, suspended, or terminated. Referrals will be made as early as possible, consistent with aggressive Corporation collection action, and within the period for bringing a timely suit against the debtor.

§ 2506.13 Will the Corporation use a cross-servicing agreement with the Treasury to collect its claims?

Yes. The Corporation will enter into a cross-servicing agreement with the Treasury which will authorize the Treasury to take all of the debt collection actions described in this part. These debt collection services will be provided to the Corporation in accordance with 31 U.S.C. Chapter 37.

Subpart B—Salary Offset

§ 2506.20 What debts are included or excluded from coverage of these regulations on salary offset?

(a) The regulations in this subpart provide Corporation procedures for the collection by salary offset of a federal employee's pay to satisfy certain debts owed to the Corporation or to other federal agencies.

(b) The regulations in this subpart apply to collections by the Chief Executive Officer, from:

(1) Federal employees who owe debts to the Corporation; and

(2) Employees of the Corporation who owe debts to other federal agencies.

(c) The regulations in subpart A and this subpart do not apply to debts arising

under the Internal Revenue Code of 1986, as amended (title 26, United States Code); the Social Security Act (42 U.S.C. 301 et seq.); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g., travel advances in 5 U.S.C. 5705 and employee training expenses in 5 U.S.C. 4108).

(d) Nothing in the regulations in this subpart precludes the compromise, suspension, or termination of collection actions under the standards implementing the Federal Claims Collection Act (31 U.S.C. 3711 et seq., 4 CFR parts 101–105, 38 CFR 1.900–1.994).

(e) A levy pursuant to the Internal Revenue Code takes precedence over a salary offset under this subpart, as provided in 5 U.S.C. 5514(d).

(f) This subpart does not apply to any adjustment to pay arising out of an employee's election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four or fewer pay periods.

§ 2506.21 May I ask the Corporation to waive an overpayment that would otherwise be collected by offsetting my salary as a federal employee?

Yes, the regulations in this subpart do not preclude an employee from requesting waiver of an overpayment under 5 U.S.C. 5584 or 8346(b), 10 U.S.C. 2774, 32 U.S.C. 716, or under other statutory provisions pertaining to the particular debts being collected.

§ 2506.22 What are the Corporation's procedures for salary offset?

(a) The Corporation will coordinate salary deductions under this subpart as appropriate.

(b) The Corporation's payroll office will determine the amount of an employee's disposable pay and will implement the salary offset.

(c) Deductions will begin within three official pay periods following receipt by the Corporation's payroll office of certification of debt from the creditor agency.

(d) Types of collection—

§ 2506.23

45 CFR Ch. XXV (10–1–02 Edition)

(1) *Lump-sum offset.* If the amount of the debt is equal to or less than 15 percent of disposable pay, the debt generally will be collected through one lump-sum offset.

(2) *Installment deductions.* Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee's ability to pay. However, the amount deducted from any period will not exceed 15 percent of the disposable pay from which the deduction is made unless the employee has agreed in writing to the deduction of a greater amount.

(3) *Deductions from final check.* A deduction exceeding the 15 percent disposable pay limitation may be made from any final salary payment under 31 U.S.C. 3716 and the Federal Claims Collection Standards, in order to liquidate the debt, whether the employee is being separated voluntarily or involuntarily.

(4) *Deductions from other sources.* If an employee subject to salary offset is separated from the Corporation, and the balance of the debt cannot be liquidated by offset of the final salary check, the Corporation may offset any later payments of any kind against the balance of the debt, as allowed by 31 U.S.C. 3716 and the Federal Claims Collection Standards.

(e) *Multiple debts.* In instances where two or more creditor agencies are seeking salary offsets, or where two or more debts are owed to a single creditor agency, the Corporation's payroll office may, at its discretion, determine whether one or more debts should be offset simultaneously within the 15 percent limitation.

§ 2506.23 How will the Corporation coordinate salary offsets with other agencies?

(a) *Responsibilities of the Corporation as the creditor agency.* Upon completion of the procedures established in the regulations in this subpart and pursuant to 5 U.S.C. 5514, the Corporation must submit a debt claim to a paying agency.

(1) The Corporation must include in its claim a certification, in writing, that:

- (i) The employee owes the debt;
- (ii) The amount and basis of the debt;
- (iii) The date the Corporation's right to collect the debt first accrued;
- (iv) That the Corporation's regulations in this subpart have been approved by the Office of Personnel Management under 5 CFR part 550, subpart K;

(2) If the collection must be made in installments, the Corporation's claim will also advise the paying agency of the amount or percentage of disposable pay to be collected in each installment. The Corporation may also advise the paying agency of the number of installments to be collected, and the date of the first installment if that date is other than the next officially established pay period.

(3) The Corporation shall also include in its claim either:

- (i) The employee's written consent to the salary offset;
- (ii) The employee's signed statement acknowledging receipt of the procedures required by 5 U.S.C. 5514; or
- (iii) Information regarding the completion of procedures required by 5 U.S.C. 5514, including the actions taken and the dates of those actions.

(4) If the employee is in the process of separating and has not received a final salary check or other final payment(s) from the paying agency, the Corporation must submit its debt claim to the paying agency for collection under 31 U.S.C. 3716. The paying agency will (under its regulations adopted under 5 U.S.C. 5514 and 5 CFR part 550, subpart K), certify the total amount of its collection on the debt and notify the employee and the Corporation. If the paying agency's collection does not fully satisfy the debt, and the paying agency is aware that the debtor is entitled to payments from the Civil Service Retirement and Disability Fund or other similar payments that may be due the debtor employee from other Federal Government sources, then (under its regulations adopted under 5 U.S.C. 5514 and 5 CFR part 550, subpart K), the paying agency will provide written notice of the outstanding debt to the agency responsible

for making the other payments to the debtor employee. The written notice will state that the employee owes a debt, the amount of the debt, and that the provisions of this section have been fully complied with. However, the Corporation must submit a properly certified claim under this paragraph (a)(4) to the agency responsible for making the payments before the collection can be made.

(5) *Separated employee.* If the employee is already separated and all payments due from his or her former paying agency have been paid, the Corporation may request, unless otherwise prohibited, that money due and payable to the employee from the Civil Service Retirement and Disability Fund (5 CFR part 831, subpart R, or 5 CFR part 845, subpart D) or other similar funds, be administratively offset to collect the debt.

(6) *Employee transfer.* When an employee transfers from one paying agency to another paying agency, the Corporation will not repeat the due process procedures described in 5 U.S.C. 5514 and this subpart to resume the collection. The Corporation will submit a properly certified claim to the new paying agency and will subsequently review the debt to make sure the collection is resumed by the new paying agency.

(b) *Responsibility of the Corporation as the paying agency.* (1) *Complete claim.* When the Corporation receives a certified claim from a creditor agency (under the creditor agency's regulations adopted under 5 U.S.C. 5514 and 5 CFR part 550, subpart K), deductions should be scheduled to begin within three officially established pay intervals. Before deductions can begin, the employee will receive a written notice from the Corporation including:

- (i) A statement that the Corporation has received a certified debt claim from the creditor agency;
- (ii) The amount of the debt claim;
- (iii) The date salary offset deductions will begin; and
- (iv) The amount of such deductions.

(2) *Incomplete claim.* When the Corporation receives an incomplete certification of debt from a creditor agency, the Corporation will return the debt claim with a notice that the creditor

agency must comply with the procedures required under 5 U.S.C. 5514 and 5 CFR part 550, subpart K, and must properly certify a debt claim to the Corporation before the Corporation will take action to collect from the employee's current pay account.

(3) *Review.* The Corporation is not authorized to review the merits of the creditor agency's determination with respect to the amount or validity of the debt certified by the creditor agency.

(4) Employees who transfer from the Corporation to another paying agency. If, after the creditor agency has submitted the debt claim to the Corporation, the employee transfers from the Corporation to a different paying agency before the debt is collected in full, the Corporation will certify the total amount collected on the debt and notify the employee and the creditor agency in writing. The notification to the creditor agency will include information on the employee's transfer.

§ 2506.24 Under what conditions will the Corporation make a refund of amounts collected by salary offset?

If the Corporation is the creditor agency, it will promptly refund any amount deducted under the authority of 5 U.S.C. 5514, when:

- (a) The debt is waived or all or part of the funds deducted are otherwise found not to be owed (unless expressly prohibited by statute or regulation); or
- (b) An administrative or judicial order directs the Corporation to make a refund.
- (c) Unless required or permitted by law or contract, refunds under this section will not bear interest.

§ 2506.25 Will the collection of a claim by salary offset act as a waiver of my rights to dispute the claimed debt?

Your involuntary payment of all or any portion of a debt being collected under this subpart will not be construed as a waiver of any rights which you may have under 5 U.S.C. 5514 or any other provisions of a written contract or law, unless there are statutory or contractual provisions to the contrary.

Subpart C—Tax Refund Offset

§ 2506.30 Which debts can the Corporation refer to the Department of the Treasury for collection by offsetting tax refunds?

(a) The regulations in this subpart implement 31 U.S.C. 3720A which authorizes the Treasury to reduce a tax refund by the amount of a past-due legally enforceable debt owed to a Federal agency.

(b) For purposes of this section, a past-due legally enforceable debt referable to the Treasury for tax refund offset is a debt that is owed to the Corporation; and:

- (1) Is at least \$25.00 dollars;
- (2) Except in the case of a judgment debt, has been delinquent for at least three months and will not have been delinquent more than 10 years at the time the offset is made;
- (3) Cannot be currently collected under the salary offset provisions of 5 U.S.C. 5514;
- (4) Is ineligible for administrative offset under 31 U.S.C. 3716(a) by reason of 31 U.S.C. 3716(c)(2) or cannot be collected by administrative offset under 31 U.S.C. 3716(a) by the Corporation against amounts payable to the debtor by the Corporation;
- (5) With respect to which the Corporation has given the debtor at least 60 days to present evidence that all or part of the debt is not past due or legally enforceable, has considered evidence presented by the debtor, and has determined that an amount of the debt is past due and legally enforceable;
- (6) Which has been disclosed by the Corporation to a credit reporting agency as authorized by 31 U.S.C. 3711(e), unless the credit reporting agency would be prohibited from reporting information concerning the debt by reason of 15 U.S.C. 1681c;
- (7) With respect to which the Corporation has notified or has made a reasonable attempt to notify the debtor that:
 - (i) The debt is past due, and
 - (ii) Unless repaid within 60 days thereafter, the debt will be referred to the Treasury for offset against any refund of overpayment of tax; and
- (8) All other requirements of 31 U.S.C. 3720A and the Treasury regula-

tions relating to the eligibility of a debt for tax return offset have been satisfied (31 CFR 285.2).

§ 2506.31 What are the Corporation's procedures for collecting debts by tax refund offset?

(a) The Chief Executive Officer will be the point of contact with the Treasury for administrative matters regarding the offset program.

(b) The Corporation will ensure that the procedures prescribed by the Treasury are followed in developing information about past-due debts and submitting the debts to the Treasury.

(c) The Corporation will submit a notification of a taxpayer's liability for past-due legally enforceable debt to the Treasury which will contain:

- (1) The name and taxpayer identifying number (as defined in section 6109 of the Internal Revenue Code, 26 U.S.C. 6109) of the person who is responsible for the debt;
- (2) The dollar amount of the past-due and legally enforceable debt;
- (3) The date on which the original debt became past due;
- (4) A statement certifying that, with respect to each debt reported, all of the requirements of eligibility of the debt for referral for the refund offset have been satisfied. (See §2506.30(b)). For purposes of this section, notice that collection of the debt is affected by a bankruptcy proceeding involving the individual will bar referral of the debt to the Treasury.
- (d) The Corporation shall promptly notify the Treasury to correct Corporation data submitted when it:
 - (1) Determines that an error has been made with respect to a debt that has been referred;
 - (2) Receives or credits a payment on the debt; or
 - (3) Receives notice that the person owing the debt has filed for bankruptcy under Title 11 of the United States Code or has been adjudicated bankrupt and the debt has been discharged.
- (e) When advising debtors of an intent to refer a debt to the Treasury for offset, the Corporation will also advise the debtors of remedial actions available to defer or prevent the offset from taking place.

Subpart D—Administrative Offset**§ 2506.40 Under what circumstances will the Corporation collect amounts that I owe to the Corporation (or some other federal agency) by offsetting the debt against payments that the Corporation (or some other federal agency) owes me?**

(a) The regulations in this subpart apply to the collection of any debts you owe to the Corporation, or to any request from another federal agency that the Corporation collect a debt you owe by offsetting your debt against a payment the Corporation owes you. Administrative offset is authorized under section 5 of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3716). The Corporation shall carry out administrative offset in accordance with the provisions of the Federal Claims Collection Standards; the regulations in this subpart are intended only to supplement the provisions of the Federal Claims Collection Standards.

(b) The Chief Executive Officer, after attempting to collect a debt you owe to the Corporation under section 3(a) of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3711(a)), may collect the debt by administrative offset, subject to the following:

(1) The debt you owe is certain in amount; and

(2) It is in the best interest of the Corporation to collect your debt by administrative offset because of the decreased costs of collection and acceleration in the payment of the debt.

(c) The Chief Executive Officer may initiate administrative offset with regard to debts you owe to another federal agency. The head of the creditor agency, or his or her designee, must submit a written request for the offset with a certification that the debt exists and that you have been afforded the necessary due process rights.

(d) The Chief Executive Officer may request another federal agency that holds funds payable to you to instead pay those funds to the Corporation in settlement of your debt. The Corporation will provide certification that:

(1) The debt exists; and

(2) You have been afforded the necessary due process rights.

(e) No collection by administrative offset will be made on any debt that has been outstanding for more than 10 years unless facts material to the Corporation or a federal agency's right to collect the debt were not known, and reasonably could not have been known, by the official or officials responsible for discovering and collecting the debt.

(f) The regulations in this subpart do not apply to:

(1) A case in which administrative offset of the type of debt involved is explicitly provided for or prohibited by another statute; or

(2) Debts owed to the Corporation by federal agencies or by any State or local government.

§ 2506.41 How will the Corporation request that my debt to the Corporation be collected by offsetting against some payment that another federal agency owes me?

The Chief Executive Officer may request that funds due and payable to you by another federal agency instead be paid to the Corporation in payment of a debt you owe to the Corporation. In requesting administrative offset, the Corporation, as creditor, will certify in writing to the federal agency that is holding funds for you:

(a) That you owe the debt;

(b) The amount and basis of the debt; and

(c) That the Corporation has complied with the requirements of 31 U.S.C. 3716, its own administrative offset regulations in this subpart, and the applicable provisions of the Federal Claims Collection Standards with respect to providing the debtor with due process.

§ 2506.42 What procedures will the Corporation use to collect amounts I owe to a federal agency by offsetting a payment that the Corporation would otherwise make to me?

Any federal agency may request that the Corporation administratively offset funds due and payable to you in order to collect a debt you owe to that agency. The Corporation will initiate the requested offset only:

(a) Upon receipt of written certification from the creditor agency stating:

(1) That you owe the debt;

§ 2506.43

(2) The amount and basis of the debt;
(3) That the agency has prescribed regulations for the exercise of administrative offset; and

(4) That the agency has complied with its own administrative offset regulations and with the applicable provisions of the Federal Claims Collection Standards, including providing you with any required hearing or review; and

(b) Upon a determination by the Chief Executive Officer that offsetting funds payable to you by the Corporation in order to collect a debt owed by you would be in the best interest of the United States as determined by the facts and circumstances of the particular case, and that such an offset would not otherwise be contrary to law.

§ 2506.43 When may the Corporation make an offset in an expedited manner?

The Corporation may effect an administrative offset against a payment to be made to you before completion of the procedures required by §§ 2506.41 and 2506.42 if failure to take the offset would substantially jeopardize the Corporation's ability to collect the debt and the time before the payment is to be made does not reasonably permit the completion of those procedures. An expedited offset will be promptly followed by the completion of those procedures. Amounts recovered by offset, but later found not to be owed to the Corporation, will be promptly refunded.

As used in this part, the following definitions shall apply:

(a) *Act* means section 552 of Title 5, United States Code, sometimes referred to as the “Freedom of Information Act”, and Pub. L. 104-231, 110 Stat. 3048, sometimes referred to as the “Electronic Freedom of Information Act Amendments of 1996.”

(b) *Agency* means any executive department, military department, government corporation, or other establishment in the executive branch of the Federal Government, or any independent regulatory agency. Thus, the Corporation is a Federal agency.

(c) *Commercial use request* means a request from, or on behalf of, a person who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. The use to which the requester will put the records sought will be considered in determining whether the request is a commercial use request.

(d) *Corporation* means the Corporation for National and Community Service.

(e) *Educational institution* means a pre-school, elementary or secondary school, institution of undergraduate or graduate higher education, or institution of professional or vocational education, which operates a program of scholarly research.

(f) *Electronic data* means records and information (including e-mail) which

are created, stored, and retrievable by electronic means.

(g) *Freedom of Information Act Officer (FOIA Officer)* means the Corporation official who has been delegated the authority to make the initial determination on whether to release or withhold records, and to assess, waive, or reduce fees in response to FOIA requests.

(h) *Non-commercial scientific institution* means an institution that is not operated substantially for purposes of furthering its own or someone else's business trade, or profit interests, and that is operated for purposes of conducting scientific research whose results are not intended to promote any particular product or industry.

(i) *Public interest* means the interest in obtaining official information that sheds light on an agency's performance of its statutory duties because the information falls within the statutory purpose of the FOIA to inform citizens about what their government is doing.

(j) *Record* includes books, brochures, electronic mail messages, punch cards, magnetic tapes, cards, discs, paper tapes, audio or video recordings, maps, pamphlets, photographs, slides, microfilm, and motion pictures, or other documentary materials, regardless of physical form or characteristics, made or received by the Corporation pursuant to Federal law or in connection with the transaction of public business and preserved by the Corporation as evidence of the organization, functions, policies, decisions, procedures, operations, programs, or other activities. Record does not include objects or articles such as tangible exhibits, models, equipment, or processing materials; or formulas, designs, drawings, or other items of valuable property. Record does not include books, magazines, pamphlets or other materials acquired solely for reference purposes. Record does not include personal records of an individual not subject to agency creation or retention requirements, created and maintained primarily for the convenience of an agency employee, and not distributed to other agency employees for their official use. Record does not include information stored within a computer for which there is no existing computer program for retrieval of the requested information. A record must

exist and be in the possession and control of the Corporation at the time of the request to be considered subject to this part and the FOIA. There is no obligation to create, compile, or obtain a record to satisfy a FOIA request. See §2507.5(d) with respect to creating a record in the electronic environment.

(k) *Representative of the news media* means a person who is actively gathering information for an entity organized to publish, broadcast or otherwise disseminate news to the public. News media entities include television and radio broadcasters, publishers of periodicals who distribute their products to the general public or who make their products available for purchase or subscription by the general public, and entities that may disseminate news through other media (e.g., electronic dissemination of text). Freelance journalists will be treated as representatives of a new media entity if they can show a likelihood of publication through such an entity. A publication contract would be the clearest proof, but the Corporation may also look to the past publication record of a requester in making this determination.

(l) *FOIA request* means a written request for Corporation records, made by any person, including a member of the public (U.S. or foreign citizen), an organization, or a business, but not including a Federal agency, an order from a court, or a fugitive from the law, that either explicitly or implicitly involves the FOIA, or this part. Written requests may be received by postal service or by facsimile.

(m) *Review* means the process of examining records located in response to a request to determine whether any record or portion of a record is permitted to be withheld. It also includes processing records for disclosure (i.e., excising portions not subject to disclosure under the Act and otherwise preparing them for release). Review does not include time spent resolving legal or policy issues regarding the application of exemptions under the Act.

(n) *Search* means looking for records or portions of records responsive to a request. It includes reading and interpreting a request, and also page-by-page and line-by-line examination to

§ 2507.2

identify responsive portions of a document. However, it does not include line-by-line examination where merely duplicating the entire page would be a less expensive and quicker way to comply with the request.

§ 2507.2 What is the purpose of this part?

The purpose of this part is to prescribe rules for the inspection and release of records of the Corporation for National and Community Service pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. 552, as amended. Information customarily furnished to the public in the regular course of the Corporation's official business, whether hard copy or electronic records which are available to the public through an established distribution system, or through the FEDERAL REGISTER, the National Technical Information Service, or the Internet, may continue to be furnished without processing under the provisions of the FOIA or complying with this part.

§ 2507.3 What types of records are available for disclosure to the public?

(a) (1) The Corporation will make available to any member of the public who requests them, the following Corporation records:

(i) All publications and other documents provided by the Corporation to the public in the normal course of agency business will continue to be made available upon request to the Corporation;

(ii) Final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of administrative cases;

(iii) Statements of policy and interpretation adopted by the agency and not published in the FEDERAL REGISTER;

(iv) Administrative staff manuals and instructions to the staff that affect a member of the public; and

(v) Copies of all records, regardless of form or format, which, because of the nature of their subject matter, the agency determines have become or are likely to become the subject of subsequent requests for substantially the same records.

45 CFR Ch. XXV (10-1-02 Edition)

(2) Copies of a current index of the materials in paragraphs (a)(1)(i) through (v) of this section that are maintained by the Corporation, or any portion thereof, will be furnished or made available for inspection upon request.

(b) To the extent necessary to prevent a clearly unwarranted invasion of personal privacy, the Corporation may delete identifying details from materials furnished under this part.

(c) Brochures, leaflets, and other similar published materials shall be furnished to the public on request to the extent they are available. Copies of any such materials which are out of print shall be furnished to the public at the cost of duplication, provided, however, that, in the event no copy exists, the Corporation shall not be responsible for reprinting the document.

(d) All records of the Corporation which are requested by a member of the public in accordance with the procedures established in this part shall be duplicated for the requester, except to the extent that the Corporation determines that such records are exempt from disclosure under the Act.

(e) The Corporation will not be required to create new records, compile lists of selected items from its files, or provide a requester with statistical or other data (unless such data has been compiled previously and is available in the form of a record.)

(f) These records will be made available for public inspection and copying in the Corporation's reading room located at the Corporation for National and Community Service, 1201 New York Avenue, NW., Room 8200, Washington, D.C. 20525, during the hours of 9:30 a.m. to 4:00 p.m., Monday through Friday, except on official holidays.

(g) Corporation records will be made available to the public unless it is determined that such records should be withheld from disclosure under subsection 552(b) of the Act and or in accordance with this part.

§ 2507.4 How are requests for records made?

(a) *How made and addressed.* (1) Requests for Corporation records under the Act must be made in writing, and

can be mailed, hand-delivered, or received by facsimile, to the FOIA Officer, Corporation for National and Community Service, Office of the General Counsel, 1201 New York Avenue, N.W., Room 8200, Washington, D.C. 20525. (See Appendix A for an example of a FOIA request.) All such requests, and the envelopes in which they are sent, must be plainly marked "FOIA Request". Hand-delivered requests will be received between 9 a.m. and 4 p.m., Monday through Friday, except on official holidays. Although the Corporation maintains offices throughout the continental United States, all FOIA requests must be submitted to the Corporation's Headquarters office in Washington, DC.

(2) Corporation records that are available in the Corporation's reading room will also be made available for public access through the Corporation's "electronic reading room" internet site under "Resource Links". The following address is the Corporation's Internet Web site: <http://www.nationalservice.org>.

(b) *Request must adequately describe the records sought.* A request must describe the records sought in sufficient detail to enable Corporation personnel to locate the records with reasonable effort, and without unreasonable burden to or disruption of Corporation operations. Among the kinds of identifying information which a requester may provide are the following:

(1) The name of the specific program within the Corporation which may have produced or may have custody of the record (e.g., AmeriCorps*State/National Direct, AmeriCorps*NCCC (National Civilian Community Corps), AmeriCorps*VISTA (Volunteers In Service To America), Learn and Serve America, National Senior Service Corps (NSSC), Retired and Senior Volunteer Program (RSVP), Foster Grandparent Program (FGP), Senior Companion Program (SCP), and HUD Hope VI);

(2) The specific event or action, if any, to which the record pertains;

(3) The date of the record, or an approximate time period to which it refers or relates;

(4) The type of record (e.g. contract, grant or report);

(5) The name(s) of Corporation personnel who may have prepared or been referenced in the record; and

(6) Citation to newspapers or other publications which refer to the record.

(c) *Agreement to pay fees.* The filing of a request under this section shall be deemed to constitute an agreement by the requester to pay all applicable fees, up to \$25.00, unless a waiver of fees is sought in the request letter. When filing a request, a requester may agree to pay a greater amount, if applicable. (See §2507.8 for further information on fees.)

§2507.5 How does the Corporation process requests for records?

(a) *Initial processing.* Upon receipt of a request for agency records, the FOIA Officer will make an initial determination as to whether the requester has reasonably described the records being sought with sufficient specificity to determine which Corporation office may have possession of the requested records. The office head or his or her designees shall determine whether the description of the record(s) requested is sufficient to permit a determination as to existence, identification, and location. It is the responsibility of the FOIA Officer to provide guidance and assistance to the Corporation staff regarding all FOIA policies and procedures. All requests for records under the control and jurisdiction of the Office of the Inspector General will be forwarded to the Inspector General, through the FOIA Officer, for the Corporation's initial determination and reply to the requester.

(b) *Insufficiently identified records.* On making a determination that the description contained in the request does not reasonably describe the records being sought, the FOIA Officer shall promptly advise the requester in writing or by telephone if possible. The FOIA Officer shall provide the requester with appropriate assistance to help the requester provide any additional information which would better identify the record. The requester may submit an amended request providing the necessary additional identifying information. Receipt of an amended request shall start a new 20 day period in

§ 2507.5

which the Corporation will respond to the request.

(c) *Furnishing records.* The Corporation is required to furnish only copies of what it has or can retrieve. It is not compelled to create new records or do statistical computations. For example, the Corporation is not required to write a new program so that a computer will print information in a special format. However, if the requested information is maintained in computerized form, and it is possible, without inconvenience or unreasonable burden, to produce the information on paper, the Corporation will do this if this is the only feasible way to respond to a request. The Corporation is not required to perform any research for the requester. The Corporation reserves the right to make a decision to conserve government resources and at the same time supply the records requested by consolidating information from various records rather than duplicating all of them. For example, if it requires less time and expense to provide a computer record as a paper printout rather than in an electronic medium, the Corporation will provide the printout. The Corporation is only required to furnish one copy of a record.

(d) *Format of the disclosure of a record.* The requester, not the Corporation, will be entitled to choose the form of disclosure when multiple forms of a record already exist. Any further request for a record to be disclosed in a new form or format will have to be considered by the Corporation, on a case-by-case basis, to determine whether the records are "readily reproducible" in that form or format with "reasonable efforts" on the part of the Corporation. The Corporation shall make reasonable efforts to maintain its records in forms or formats that are reproducible for purposes of replying to a FOIA request.

(e) *Release of record.* Upon receipt of a request specifically identifying existing Corporation records, the Corporation shall, within 20 days (excepting Saturdays, Sundays, and legal public holidays), either grant or deny the request in whole or in part, as provided in this section. Any notice of denial in whole or in part shall require the FOIA Officer to inform the requester of his/

45 CFR Ch. XXV (10-1-02 Edition)

her right to appeal the denial, in accordance with the procedures set forth in § 2507.7. If the FOIA Officer determines that a request describes a requested record sufficiently to permit its identification, he/she shall make it available unless he/she determines, as appropriate, to withhold the record as being exempt from mandatory disclosure under the Act.

(f) *Form and content of notice granting a request.* The Corporation shall provide written notice of a determination to grant access within 20 days (excepting Saturdays, Sundays, and legal public holidays) of receipt of the request. This will be done either by providing a copy of the record to the requester or by making the record available for inspection at a reasonable time and place. If the record cannot be provided at the time of the initial response, the Corporation shall make such records available promptly. Records disclosed in part shall be marked or annotated to show both the amount and the location of the information deleted wherever practicable.

(g) *Form and content of notice denying request.* The Corporation shall notify the requester in writing of the denial of access within 20 days (excepting Saturdays, Sundays, and legal public holidays) of receipt of the request. Such notice shall include:

(1) The name and title or position of the person responsible for the denial;

(2) A brief statement of the reason(s) for denial, including the specific exemption(s) under the Act on which the Corporation has relied in denying each document that was requested;

(3) A statement that the denial may be appealed under § 2507.7, and a description of the requirements of that § 2507.7;

(4) An estimate of the volume of records or information withheld, in number of pages or in some other reasonable form of estimation. This estimate does not need to be provided if the volume is otherwise indicated through deletions on records disclosed in part, or if providing an estimate would harm an interest protected by an applicable exemption.

§ 2507.6 Under what circumstances may the Corporation extend the time limits for an initial response?

The time limits specified for the Corporation's initial response in § 2507.5, and for its determination on an appeal in § 2507.7, may be extended by the Corporation upon written notice to the requester which sets forth the reasons for such extension and the date upon which the Corporation will respond to the request. Such extension may be applied at either the initial response stage or the appeal stage, or both, provided the aggregate of such extensions shall not exceed ten working days. Circumstances justifying an extension under this section may include the following:

- (a) Time necessary to search for and collect requested records from field offices of the Corporation;
- (b) Time necessary to locate, collect and review voluminous records; or
- (c) Time necessary for consultation with another agency having an interest in the request; or among two or more offices of the Corporation which have an interest in the request; or with a submitter of business information having an interest in the request.

§ 2507.7 How does one appeal the Corporation's denial of access to records?

(a) *Right of appeal.* A requester has the right to appeal a partial or full denial of an FOIA request. The appeal must be put in writing and sent to the reviewing official identified in the denial letter. The requester must send the appeal within 60 days of the letter denying the appeal.

(b) *Contents of appeal.* The written appeal may include as much or as little information as the requester wishes for the basis of the appeal.

(c) *Review process.* The Chief Operating Officer (COO) is the designated official to act on all FOIA appeals. The COO's determination of an appeal constitutes the Corporation's final action. If the appeal is granted, in whole or in part, the records will be made available for inspection or sent to the requester, promptly, unless a reasonable delay is justified. If the appeal is denied, in whole or in part, the COO will state the reasons for the decision in writing, pro-

viding notice of the right to judicial review. A decision will be made on the appeal within 20 days (excepting Saturdays, Sundays, and legal public holidays), from the date the appeal was received by the COO.

(d) *When appeal is required.* If a requester wishes to seek review by a court of an unfavorable determination, an appeal must first be submitted under this section.

§ 2507.8 How are fees determined?

(a) *Policy.* It is the policy of the Corporation to provide the widest possible access to releasable Corporation records at the least possible cost. The purpose of the request is relevant to the fees charged.

(b) *Types of request.* Fees will be determined by category of requests as follows:

(1) *Commercial use requests.* When a request for records is made for commercial use, charges will be assessed to cover the costs of searching for, reviewing for release, and reproducing the records sought.

(2) *Requests for educational and non-commercial scientific institutions.* When a request for records is made by an educational or non-commercial scientific institution in furtherance of scholarly or scientific research, respectively, charges may be assessed to cover the cost of reproduction alone, excluding charges for reproduction of the first 100 pages. Whenever the total fee calculated is \$18.00 or less, no fee shall be charged.

(3) *Requests from representatives of the news media.* When a request for records is made by a representative of the news media for the purpose of news dissemination, charges may be assessed to cover the cost of reproduction alone, excluding the charges for reproduction of the first 100 pages. Whenever the total fee calculated is \$18.00 or less, no fee shall be charged.

(4) *Other requests.* When other requests for records are made which do not fit the three preceding categories, charges will be assessed to cover the costs of searching for and reproducing the records sought, excluding charges for the first two hours of search time and for reproduction of the first 100

pages. (However, requests from individuals for records about themselves contained in the Agency's systems of records will be treated under the fee provisions of the Privacy Act of 1974 (5 U.S.C. 552a) which permit the assessment of fees for reproduction costs only, regardless of the requester's characterization of the request.) Whenever the total fee calculated is \$18.00 or less, no fee shall be charged to the requester.

(c) *Direct costs.* Fees assessed shall provide only for recovery of the Corporation's direct costs of search, review, and reproduction. Review costs shall include only the direct costs incurred during the initial examination of a record for the purposes of determining whether a record must be disclosed under this part and whether any portion of a record is exempt from disclosure under this part. Review costs shall not include any costs incurred in resolving legal or policy issues raised in the course of processing a request or an appeal under this part.

(d) *Charging of fees.* The following charges may be assessed for copies of records provided to a requester:

(1) Copies made by photostat shall be charged at the rate of \$0.10 per page.

(2) Searches for requested records performed by clerical/administrative personnel shall be charged at the rate of \$4.00 per quarter hour.

(3) Where a search for requested records cannot be performed by clerical administrative personnel (for example, where the tasks of identifying and compiling records responsive to a request must be performed by a skilled technician or professional), such search shall be charged at the rate of \$7.00 per quarter hour.

(4) Where the time of managerial personnel is required, the fee shall be \$10.25 for each quarter hour of time spent by such managerial personnel.

(5) Computer searches for requested records shall be charged at a rate commensurate with the combined cost of computer operation and operator's salary attributable to the search.

(6) *Charges for non-release.* Charges may be assessed for search and review time, even if the Corporation fails to locate records responsive to a request

or if records located are determined to be exempt from disclosure.

(e) *Consent to pay fees.* In the event that a request for records does not state that the requester will pay all reasonable costs, or costs up to a specified dollar amount, and the FOIA Officer determines that the anticipated assessable costs for search, review and reproduction of requested records will exceed \$25.00, or will exceed the limit specified in the request, the requester shall be promptly notified in writing. Such notification shall state the anticipated assessable costs of search, review and reproduction of records requested. The requester shall be afforded an opportunity to amend the request to narrow the scope of the request, or, alternatively, may agree to be responsible for paying the anticipated costs. Such a request shall be deemed to have been received by the Corporation upon the date of receipt of the amended request.

(f) *Advance payment.* (1) Advance payment of assessable fees are not required from a requester unless:

(i) The Corporation estimates or determines that assessable charges are likely to exceed \$250.00, and the requester has no history of payment of FOIA fees. (Where the requester has a history of prompt payment of fees, the Corporation shall notify the requester of the likely cost and obtain written assurance of full payment.)

(ii) A requester has previously failed to pay a FOIA fee charged in a timely fashion (i.e., within 30 days of the date of the billing).

(2) When the Corporation acts under paragraphs (f)(1)(i) or (ii) of this section, the administrative time limits prescribed in §2507.5(a) and (b) will begin to run only after the Corporation has received fee payments or assurances.

(g) *Interest on non-payment.* Interest charges on an unpaid bill may be assessed starting on the 31st day following the day on which the billing was sent. Interest will be assessed at the rate prescribed in 31 U.S.C. 3717 and will accrue from the date of the billing. The Corporation may use the authorization of the Debt Collection Act of 1982 (Pub. L. 97-365, 96 Stat. 1749), as

amended, and its administrative procedures, including disclosure to consumer reporting agencies and the use of collection agencies, to encourage payment of delinquent fees.

(h) *Aggregating requests.* Where the Corporation reasonably believes that a requester or a group of requesters acting together is attempting to divide a request into a series of requests for the purpose of avoiding fees, the Corporation may aggregate those requests and charge accordingly. The Corporation may presume that multiple requests of this type made within a 30-day period have been made in order to avoid fees. Where requests are separated by a longer period, the Corporation will aggregate them only where there exists a solid basis for determining that aggregation is warranted under the circumstances involved. Multiple requests involving unrelated matters will not be aggregated.

(i) *Making payment.* Payment of fees shall be forwarded to the FOIA Officer by check or money order payable to "Corporation for National and Community Service". A receipt for any fees paid will be provided upon written request.

(j) *Fee processing.* No fee shall be charged if the administrative costs of collection and processing of such fees are equal to or do not exceed the amount of the fee.

(k) *Waiver or reduction of fees.* A requester may, in the original request, or subsequently, apply for a waiver or reduction of document search, review and reproduction fees. Such application shall be in writing, and shall set forth in detail the reason(s) a fee waiver or reduction should be granted. The amount of any reduction requested shall be specified in the request. Upon receipt of such a request, the FOIA Officer will determine whether a fee waiver or reduction should be granted.

(1) A waiver or reduction of fees shall be granted only if release of the requested information to the requester is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Corporation, and it is not primarily in the commercial interest of the requester. The Corporation shall consider the following factors in

determining whether a waiver or reduction of fees will be granted:

(i) Does the requested information concern the operations or activities of the Corporation?

(ii) If so, will disclosure of the information be likely to contribute to public understanding of the Corporation's operations and activities?

(iii) If so, would such a contribution be significant?

(iv) Does the requester have a commercial interest that would be furthered by disclosure of the information?

(v) If so, is the magnitude of the identified commercial interest of the requester sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester?

(2) In applying the criteria in paragraph (k)(1) of this section, the Corporation will weigh the requester's commercial interest against any public interest in disclosure. Where there is a public interest in disclosure, and that interest can fairly be regarded as being of greater magnitude than the requester's commercial interest, a fee waiver or reduction may be granted.

(3) When a fee waiver application has been included in a request for records, the request shall not be considered officially received until a determination is made regarding the fee waiver application. Such determination shall be made within five working days from the date any such request is received in writing by the Corporation.

§ 2507.9 What records will be denied disclosure under this part?

Since the policy of the Corporation is to make the maximum amount of information available to the public consistent with its other responsibilities, written requests for a Corporation record made under the provisions of the FOIA may be denied when:

(a) The record is subject to one or more of the exemptions of the FOIA.

(b) The record has not been described clearly enough to enable the Corporation staff to locate it within a reasonable amount of effort by an employee familiar with the files.

(c) The requestor has failed to comply with the procedural requirements,

§ 2507.10

including the agreement to pay any required fee.

(d) For other reasons as required by law, rule, regulation or policy.

§ 2507.10 What records are specifically exempt from disclosure?

Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of portions which are exempt under this section. The following categories are examples of records maintained by the Corporation which, under the provision of 5 U.S.C. 552(b), are exempted from disclosure:

(a) *Records required to be withheld under criteria established by an Executive Order in the interest of national defense and policy and which are in fact properly classified pursuant to any such Executive Order.* Included in this category are records required by Executive Order No. 12958 (3 CFR, 1995 Comp., p. 333), as amended, to be classified in the interest of national defense or foreign policy.

(b) *Records related solely to internal personnel rules and practices.* Included in this category are internal rules and regulations relating to personnel management operations which cannot be disclosed to the public without substantial prejudice to the effective performance of significant functions of the Corporation.

(c) Records specifically exempted from disclosure by statute.

(d) *Information of a commercial or financial nature including trade secrets given in confidence.* Included in this category are records containing commercial or financial information obtained from any person and customarily regarded as privileged and confidential by the person from whom they were obtained.

(e) *Interagency or intra-agency memoranda or letters which would not be available by law to a party other than a party in litigation with the Corporation.* Included in this category are memoranda, letters, inter-agency and intra-agency communications and internal drafts, opinions and interpretations prepared by staff or consultants and records meant to be used as part of deliberations by staff, or ordinarily used

45 CFR Ch. XXV (10-1-02 Edition)

in arriving at policy determinations and decisions.

(f) *Personnel, medical and similar files.* Included in this category are personnel and medical information files of staff, individual national service applicants and participants, lists of names and home addresses, and other files or material containing private or personal information, the public disclosure of which would amount to a clearly unwarranted invasion of the privacy of any person to whom the information pertains.

(g) *Investigatory files.* Included in this category are files compiled for the enforcement of all laws, or prepared in connection with government litigation and adjudicative proceedings, provided however, that such records shall be made available to the extent that their production will not:

(1) Interfere with enforcement proceedings;

(2) Deprive a person of a right to a fair trial or an impartial adjudication;

(3) Constitute an unwarranted invasion of personal privacy;

(4) Disclose the identity of a confidential source, and in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful security intelligence investigation, confidential information furnished by confidential source;

(5) Disclose investigative techniques and procedures; or

(6) Endanger the life or physical safety of law enforcement personnel.

§ 2507.11 What are the procedures for the release of commercial business information?

(a) *Notification of business submitter.* The Corporation shall promptly notify a business submitter of any request for Corporation records containing business information. The notice shall either specifically describe the nature of the business information requested or provide copies of the records, or portions thereof containing the business information.

(b) *Business submitter reply.* The Corporation shall afford a business submitter 10 working days to object to disclosure, and to provide the Corporation

with a written statement specifying the grounds and arguments why the information should be withheld under Exemption (b)(4) of the Act.

(c) *Considering and balancing respective interests.* (1) The Corporation shall carefully consider and balance the business submitter's objections and specific grounds for nondisclosure against such factors as:

(i) The general custom or usage in the occupation or business to which the information relates that it be held confidential; and

(ii) The number and situation of the individuals who have access to such information; and

(iii) The type and degree of risk of financial injury to be expected if disclosure occurs; and

(iv) The length of time such information should be regarded as retaining the characteristics noted in paragraphs (c)(1) (i) through (iii) of this section in determining whether to release the requested business information.

(2)(i) Whenever the Corporation decides to disclose business information over the objection of a business submitter, the Corporation shall forward to the business submitter a written notice of such decision, which shall include:

(A) The name, and title or position, of the person responsible for denying the submitter's objection;

(B) A statement of the reasons why the business submitter's objection was not sustained;

(C) A description of the business information to be disclosed; and

(D) A specific disclosure date.

(ii) The notice of intent to disclose business information shall be mailed by the Corporation not less than six working days prior to the date upon which disclosure will occur, with a copy of such notice to the requester.

(d) *When notice to business submitter is not required.* The notice to business submitter shall not apply if:

(1) The Corporation determines that the information shall not be disclosed;

(2) The information has previously been published or otherwise lawfully been made available to the public; or

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552).

(e) *Notice of suit for release.* Whenever a requester brings suit to compel disclosure of business information, the Corporation shall promptly notify the business submitter.

§2507.12 Authority.

The Corporation receives authority to change its governing regulations from the National and Community Service Act of 1990, as amended (42 U.S.C. 12501 et seq.).

§ 2508.8 Who is responsible for establishing the Corporation's rules of conduct for Privacy Act compliance?

(a) The Chief Executive Officer shall ensure that all persons involved in the design, development, operation or maintenance of any system of records as defined herein are informed of all requirements necessary to protect the privacy of individuals who are the subject of such records. All employees shall be informed of all implications of the Act in this area including the civil remedies provided under 5 U.S.C. 552a(g)(1) and the fact that the Corporation may be subject to civil remedies for failure to comply with the provisions of the Privacy Act and this regulation.

(b) The Chief Executive Officer shall also ensure that all personnel having access to records receive adequate training in the protection of the security of personal records, and that adequate and proper storage is provided for all such records with sufficient security to assure the privacy of such records.

§ 2508.9 What officials are responsible for the security, management and control of Corporation record keeping systems?

tainers whenever not in use or in the direct control of authorized personnel.

§ 2508.10 Who has the responsibility for maintaining adequate technical, physical, and security safeguards to prevent unauthorized disclosure or destruction of manual and automatic record systems?

The Chief Executive Officer has the responsibility of maintaining adequate technical, physical, and security safeguards to prevent unauthorized disclosure or destruction of manual and automatic record systems. These security safeguards shall apply to all systems in which identifiable personal data are processed or maintained, including all reports and outputs from such systems that contain identifiable personal information. Such safeguards must be sufficient to prevent negligent, accidental, or unintentional disclosure, modification or destruction of any personal records or data, and must furthermore minimize, to the extent practicable, the risk that skilled technicians or knowledgeable persons could improperly obtain access to modify or destroy such records or data and shall further insure against such casual entry by unskilled persons without official reasons for access to such records or data.

(a) *Manual systems.* (1) Records contained in a system of records as defined herein may be used, held or stored only where facilities are adequate to prevent unauthorized access by persons within or outside the Corporation.

(2) All records, when not under the personal control of the employees authorized to use the records, must be stored in a locked metal filing cabinet. Some systems of records are not of such confidential nature that their disclosure would constitute a harm to an individual who is the subject of such record. However, records in this category shall also be maintained in locked metal filing cabinets or maintained in a secured room with a locking door.

(3) Access to and use of a system of records shall be permitted only to persons whose duties require such access within the Corporation, for routine uses as defined in § 2508.4 as to any given system, or for such other uses as may be provided herein.

§ 2508.11

(4) Other than for access within the Corporation to persons needing such records in the performance of their official duties or routine uses as defined in §2508.4, or such other uses as provided herein, access to records within a system of records shall be permitted only to the individual to whom the record pertains or upon his or her written request to the Director, Administration and Management Services.

(5) Access to areas where a system of records is stored will be limited to those persons whose duties require work in such areas. There shall be an accounting of the removal of any records from such storage areas utilizing a written log, as directed by the Director, Administration and Management Services. The written log shall be maintained at all times.

(6) The Corporation shall ensure that all persons whose duties require access to and use of records contained in a system of records are adequately trained to protect the security and privacy of such records.

(7) The disposal and destruction of records within a system of records shall be in accordance with rules promulgated by the General Services Administration.

(b) *Automated systems.* (1) Identifiable personal information may be processed, stored or maintained by automated data systems only where facilities or conditions are adequate to prevent unauthorized access to such systems in any form. Whenever such data, whether contained in punch cards, magnetic tapes or discs, are not under the personal control of an authorized person, such information must be stored in a locked or secured room, or in such other facility having greater safeguards than those provided for herein.

(2) Access to and use of identifiable personal data associated with automated data systems shall be limited to those persons whose duties require such access. Proper control of personal data in any form associated with automated data systems shall be maintained at all times, including maintenance of accountability records showing disposition of input and output documents.

(3) All persons whose duties require access to processing and maintenance

45 CFR Ch. XXV (10-1-02 Edition)

of identifiable personal data and automated systems shall be adequately trained in the security and privacy of personal data.

(4) The disposal and disposition of identifiable personal data and automated systems shall be done by shredding, burning or in the case of tapes or discs, degaussing, in accordance with any regulations now or hereafter proposed by the General Services Administration or other appropriate authority.

§ 2508.11 How shall offices maintaining a system of records be accountable for those records to prevent unauthorized disclosure of information?

(a) Each office maintaining a system of records shall account for all records within such system by maintaining a written log in the form prescribed by the Director, Administration and Management Services, containing the following information:

(1) The date, nature, and purpose of each disclosure of a record to any person or to another agency. Disclosures made to employees of the Corporation in the normal course of their duties, or pursuant to the provisions of the Freedom of Information Act, need not be accounted for.

(2) Such accounting shall contain the name and address of the person or agency to whom the disclosure was made.

(3) The accounting shall be maintained in accordance with a system of records approved by the Director, Administration and Management Services, as sufficient for the purpose but in any event sufficient to permit the construction of a listing of all disclosures at appropriate periodic intervals.

(4) The accounting shall reference any justification or basis upon which any release was made including any written documentation required when records are released for statistical or law enforcement purposes under the provisions of subsection (b) of the Privacy Act of 1974 (5 U.S.C. 552a).

(5) For the purpose of this part, the system of accounting for disclosures is not a system of records under the definitions hereof, and need not be maintained within a system of records.

(6) Any subject individual may request access to an accounting of disclosures of a record. The subject individual shall make a request for access to an accounting in accordance with § 2508.13. An individual will be granted access to an accounting of the disclosures of a record in accordance with the procedures of this subpart which govern access to the related record. Access to an accounting of a disclosure of a record made under § 2508.13 may be granted at the discretion of the Director, Administration and Management Services.

§ 2508.12 What are the contents of the systems of record that are to be maintained by the Corporation?

(a) The Corporation shall maintain all records that are used in making determinations about any individual with such accuracy, relevance, timeliness, and completeness as is reasonably necessary to assure fairness to the individual in the determination;

(b) In situations in which the information may result in adverse determinations about such individual's rights, benefits and privileges under any Federal program, all information placed in a system of records shall, to the greatest extent practicable, be collected from the individual to whom the record pertains.

(c) Each form or other document that an individual is expected to complete in order to provide information for any system of records shall have appended thereto, or in the body of the document:

(1) An indication of the authority authorizing the solicitation of the information and whether the provision of the information is mandatory or voluntary.

(2) The purpose or purposes for which the information is intended to be used.

(3) Routine uses which may be made of the information and published pursuant to § 2508.6.

(4) The effect on the individual, if any, of not providing all or part of the required or requested information.

(d) Records maintained in any system of records used by the Corporation to make any determination about any individual shall be maintained with such accuracy, relevancy, timeliness,

and completeness as is reasonably necessary to assure fairness to the individual in the making of any determination about such individual, provided, however, that the Corporation shall not be required to update or keep current retired records.

(e) Before disseminating any record about any individual to any person other than an employee in the Corporation, unless the dissemination is made pursuant to the provisions of the Freedom of Information Act (5 U.S.C. 552), the Corporation shall make reasonable efforts to ensure that such records are, or were at the time they were collected, accurate, complete, timely and relevant for Corporation purposes.

(f) Under no circumstances shall the Corporation maintain any record about any individual with respect to or describing how such individual exercises rights guaranteed by the First Amendment of the Constitution of the United States, unless expressly authorized by statute or by the individual about whom the record is maintained, or unless pertinent to and within the scope of an authorized law enforcement activity.

(g) In the event any record is disclosed as a result of the order of a court of appropriate jurisdiction, the Corporation shall make reasonable efforts to notify the individual whose record was so disclosed after the process becomes a matter of public record.

§ 2508.13 What are the procedures for acquiring access to Corporation records by an individual about whom a record is maintained?

(a) Any request for access to records from any individual about whom a record is maintained will be addressed to the Corporation for National and Community Service, Office of the General Counsel, Attn: Privacy Act Officer, Room 8200, 1201 New York Avenue, NW, Washington, DC 20525, or delivered in person during regular business hours, whereupon access to his or her record, or to any information contained therein, if determined to be releasable, shall be provided.

(b) If the request is made in person, such individual may, upon his or her request, be accompanied by a person of his or her choosing to review the

§ 2508.14

record and shall be provided an opportunity to have a copy made of any record about such individual.

(c) A record may be disclosed to a representative chosen by the individual as to whom a record is maintained upon the proper written consent of such individual.

(d) A request made in person will be promptly complied with if the records sought are in the immediate custody of the Corporation. Mailed requests or personal requests for documents in storage or otherwise not immediately available, will be acknowledged within 10 working days, and the information requested will be promptly provided thereafter.

(e) With regard to any request for disclosure of a record, the following procedures shall apply:

(1) Medical or psychological records shall be disclosed to an individual unless, in the judgment of the Corporation, access to such records might have an adverse effect upon such individual. When such determination has been made, the Corporation may require that the information be disclosed only to a physician chosen by the requesting individual. Such physician shall have full authority to disclose all or any portion of such record to the requesting individual in the exercise of his or her professional judgment.

(2) Test material and copies of certificates or other lists of eligibles or any other listing, the disclosure of which would violate the privacy of any other individual, or be otherwise exempted by the provisions of the Privacy Act, shall be removed from the record before disclosure to any individual to whom the record pertains.

§ 2508.14 What are the identification requirements for individuals who request access to records?

The Corporation shall require reasonable identification of all individuals who request access to records to ensure that records are disclosed to the proper person.

(a) In the event an individual requests disclosure in person, such individual shall be required to show an identification card such as a drivers license, etc., containing a photo and a sample signature of such individual.

45 CFR Ch. XXV (10-1-02 Edition)

Such individual may also be required to sign a statement under oath as to his or her identity, acknowledging that he or she is aware of the penalties for improper disclosure under the provisions of the Privacy Act.

(b) In the event that disclosure is requested by mail, the Corporation may request such information as may be necessary to reasonably ensure that the individual making such request is properly identified. In certain cases, the Corporation may require that a mail request be notarized with an indication that the notary received an acknowledgment of identity from the individual making such request.

(c) In the event an individual is unable to provide suitable documentation or identification, the Corporation may require a signed notarized statement asserting the identity of the individual and stipulating that the individual understands that knowingly or willfully seeking or obtaining access to records about another person under false pretenses is punishable by a fine of up to \$5,000.

(d) In the event a requestor wishes to be accompanied by another person while reviewing his or her records, the Corporation may require a written statement authorizing discussion of his or her records in the presence of the accompanying representative or other persons.

§ 2508.15 What are the procedures for requesting inspection of, amendment or correction to, or appeal of an individual's records maintained by the Corporation other than that individual's official personnel file?

(a) A request for inspection of any record shall be made to the Director, Administration and Management Services. Such request may be made by mail or in person provided, however, that requests made in person may be required to be made upon a form provided by the Director of Administration and Management Services who shall keep a current list of all systems of records maintained by the Corporation and published in accordance with the provisions of this regulation. However, the request need not be in writing

if the individual makes his or her request in person. The requesting individual may request that the Corporation compile all records pertaining to such individual at any named Service Center/State Office, AmeriCorps*NCCC Campus, or at Corporation Headquarters in Washington, DC, for the individual's inspection and/or copying. In the event an individual makes such request for a compilation of all records pertaining to him or her in various locations, appropriate time for such compilation shall be provided as may be necessary to promptly comply with such requests.

(b) Any such requests should contain, at a minimum, identifying information needed to locate any given record and a brief description of the item or items of information required in the event the individual wishes to see less than all records maintained about him or her.

(1) In the event an individual, after examination of his or her record, desires to request an amendment or correction of such records, the request must be submitted in writing and addressed to the Corporation for National and Community Service, Office of the General Counsel, Attn: Privacy Act Officer, Room 8200, 1201 New York Avenue, NW, Washington, DC 20525. In his or her written request, the individual shall specify:

- (i) The system of records from which the record is retrieved;
- (ii) The particular record that he or she is seeking to amend or correct;
- (iii) Whether he or she is seeking an addition to or a deletion or substitution of the record; and,
- (iv) His or her reasons for requesting amendment or correction of the record.

(2) A request for amendment or correction of a record will be acknowledged within 10 working days of its receipt unless the request can be processed and the individual informed of the Privacy Act Officer's decision on the request within that 10 day period.

(3) If the Privacy Act Officer agrees that the record is not accurate, timely, or complete, based on a preponderance of the evidence, the record will be corrected or amended. The record will be deleted without regard to its accuracy, if the record is not relevant or nec-

essary to accomplish the Corporation's function for which the record was provided or is maintained. In either case, the individual will be informed in writing of the amendment, correction, or deletion and, if accounting was made of prior disclosures of the record, all previous recipients of the record will be informed of the corrective action taken.

(4) If the Privacy Act Officer does not agree that the record should be amended or corrected, the individual will be informed in writing of the refusal to amend or correct the record. He or she will also be informed that he or she may appeal the refusal to amend or correct his or her record in accordance with § 2508.17.

(5) Requests to amend or correct a record governed by the regulation of another government agency will be forwarded to such government agency for processing and the individual will be informed in writing of the referral.

(c) In the event an individual disagrees with the Privacy Act Officer's initial determination, he or she may appeal such determination to the Appeal Officer in accordance with § 2508.17. Such request for review must be made within 30 days after receipt by the requestor of the initial refusal to amend.

§ 2508.16 What are the procedures for filing an appeal for refusal to amend or correct records?

(a) In the event an individual desires to appeal any refusal to correct or amend records, he or she may do so by addressing, in writing, such appeal to the Corporation for National and Community Service, Office of the Chief Operating Officer, Attn: Appeal Officer, 1201 New York Avenue NW, Washington, DC 20525. Although there is no time limit for such appeals, the Corporation shall be under no obligation to maintain copies of original requests or responses thereto beyond 180 days from the date of the original request.

(b) An appeal will be completed within 30 working days from its receipt by the Appeal Officer; except that, the appeal authority may, for good cause, extend this period for an additional 30 days. Should the appeal period be extended, the individual appealing the

§ 2508.17

original refusal will be informed in writing of the extension and the circumstances of the delay. The individual's request for access to or to amend or correct the record, the Privacy Act Officer's refusal to amend or correct the record, and any other pertinent material relating to the appeal will be reviewed. No hearing will be held.

(c) If the Appeal Officer determines that the record that is the subject of the appeal should be amended or corrected, the record will be amended or corrected and the individual will be informed in writing of the amendment or correction. Where an accounting was made of prior disclosures of the record, all previous recipients of the record will be informed of the corrective action taken.

(d) If the appeal is denied, the subject individual will be informed in writing:

(1) Of the denial and reasons for the denial;

(2) That he or she has a right to seek judicial review of the denial; and

(3) That he or she may submit to the Appeal Officer a concise statement of disagreement to be associated with the disputed record and disclosed whenever the record is disclosed.

(e) Whenever an individual submits a statement of disagreement to the Appeal Officer in accordance with paragraph (d)(3) of this section, the record will be annotated to indicate that it is disputed. In any subsequent disclosure, a copy of the subject individual's statement of disagreement will be disclosed with the record. If the appeal authority deems it appropriate, a concise statement of the Appeal Officer's reasons for denying the individual's appeal may also be disclosed with the record. While the individual will have access to this statement of reasons, such statement will not be subject to correction or amendment. Where an accounting was made of prior disclosures of the record, all previous recipients of the record will be provided a copy of the individual's statement of disagreement, as well as the statement, if any, of the Appeal Officer's reasons for denying the individual's appeal.

45 CFR Ch. XXV (10-1-02 Edition)

§ 2508.17 When shall fees be charged and at what rate?

(a) No fees shall be charged for search time or for any other time expended by the Corporation to review or produce a record except where an individual requests that a copy be made of the record to which he or she is granted access. Where a copy of the record must be made in order to provide access to the record (e.g., computer printout where no screen reading is available), the copy will be made available to the individual without cost.

(b) The applicable fee schedule is as follows:

(1) Each copy of each page, up to 8½"×14", made by photocopy or similar process is \$0.10 per page.

(3) Each aperture card is \$0.25.

(4) Each 105-mm fiche is \$0.25.

(5) Each 100' foot role of 35-mm microfilm is \$7.00.

(6) Each 100' foot role of 16-mm microfilm is \$6.00.

(7) Each page of computer printout without regard to the number of carbon copies concurrently printed is \$0.20.

(8) Copying records not susceptible to photocopying (e.g., punch cards or magnetic tapes), at actual cost to be determined on a case-by-case basis.

(9) Other copying forms (e.g., typing or printing) will be charged at direct costs, including personnel and equipment costs.

(c) All copying fees shall be paid by the individual before the copying will be undertaken. Payments shall be made by check or money order payable to the "Corporation for National and Community Service," and provided to the Privacy Act Officer processing the request.

(d) A copying fee shall not be charged or collected, or alternatively, it may be reduced, when it is determined by the Privacy Act Officer, based on a petition, that the petitioning individual is indigent and that the Corporation's resources permit a waiver of all or part of the fee. An individual is deemed to be indigent when he or she is without income or lacks the resources sufficient to pay the fees.

(2) Allotments to States.

(i) From 37.5 percent of the remainder, the Corporation will allot to each State an amount that bears the same ratio to 37.5 percent of the remainder as the number of school-age youth in the State bears to the total number of school-age youth of all States.

(ii) From 37.5 percent of the remainder, the Corporation will allot to each State an amount that bears the same ratio to 37.5 percent of the remainder as the allocation to the State for the previous fiscal year under Chapter 1 of Title I of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 2711 *et seq.*) bears to the allocations to all States.

(iii) Notwithstanding other provisions of paragraph (b)(2) of this section, no State will receive an allotment that is less than the allotment the State received for fiscal year 1993 from the Commission on National and Community Service. If the amount of funds made available in a fiscal year is insufficient to make those allotments, the Corporation will make additional funds

available from the 25 percent described in paragraph (b)(1) of this section for that fiscal year to make those allotments.

(3) For the purpose of paragraph (b) of this section, "State" means one of the 50 States, the District of Columbia, and the Commonwealth of Puerto Rico.

(c) If a State or Indian tribe does not submit an application that meets the requirements for approval under this part, the Corporation (after making any grants to local partnerships or LEAs for activities in nonparticipating States) may use its allotment for States and Indian tribes with approved applications, as the Corporation determines appropriate.

(d) Notwithstanding other provisions of this section, if less than \$20,000,000 is made available in any fiscal year to carry out this part, the Corporation will make all grants to States and Indian tribes on a competitive basis.

(2) Eighty percent of the total cost for the second year;

(3) Seventy percent of the total cost for the third year; and

(4) Fifty percent of the total cost for the fourth year and any subsequent year.

(b) In providing for the remaining share of the cost of carrying out a program, each recipient of assistance must provide for that share through a payment in cash or in kind, fairly evaluated, including facilities, equipment, or services, and may provide for that share through State sources, local sources, or Federal sources (other than funds made available under the national service laws).

(c) However, the Corporation may waive the requirements of paragraph (b) of this section in whole or in part with respect to any program in any fiscal year if the Corporation determines that the waiver would be equitable due

to a lack of available financial resources at the local level.

§2516.710 Are there limits on the use of funds?

Yes. The following limits apply to funds available under this part:

(a) (1) Not more than five percent of the grant funds provided under this part for any fiscal year may be used to pay for administrative costs, as defined in §2510.20 of this chapter.

(2) The distribution of administrative costs between the grant and any subgrant will be subject to the approval of the Corporation.

(3) In applying the limitation on administrative costs the Corporation will approve one of the following methods in the award document:

(i) Limit the amount or rate of indirect costs that may be paid with Corporation funds under a grant or subgrant to five percent of total Corporation funds expended, provided that—

(A) Organizations that have an established indirect cost rate for Federal awards will be limited to this method; and

(B) Unreimbursed indirect costs may be applied to meeting operational matching requirements under the Corporation's award;

(ii) Specify that a fixed rate of five percent or less (not subject to supporting cost documentation) of total Corporation funds expended may be used to pay for administrative costs, provided that the fixed rate is in conjunction with an overall 15 percent administrative cost factor to be used for organizations that do not have established indirect cost rates; or

(iii) Utilize such other method that the Corporation determines in writing is consistent with OMB guidance and other applicable requirements, helps minimize the burden on grantees or subgrantees, and is beneficial to grantees or subgrantees and the Federal Government.

(b) (1) An SEA or Indian tribe must spend between ten and 15 percent of the grant to build capacity through training, technical assistance, curriculum development, and coordination activities.

§ 2516.720

(2) The Corporation may waive this requirement in order to permit an SEA or a tribe to use between ten percent and 20 percent of the grant funds to build capacity. To be eligible to receive the waiver, the SEA or tribe must submit an application to the Corporation.

(c) Funds made available under this part may not be used to pay any stipend, allowance, or other financial support to any participant in a service-learning program under this part except reimbursement for transportation, meals, and other reasonable out-of-pocket expenses directly related to participation in a program assisted under this part.

[63 FR 18137, Apr. 14, 1998]

§ 2516.720 What is the length of each type of grant?

Subpart H—Evaluation Requirements

§ 2516.800 What are the purposes of an evaluation?

Every evaluation effort should serve to improve program quality, examine benefits of service, or fulfill legislative requirements.

§ 2516.810 What types of evaluations are grantees and subgrantees required to perform?

All grantees and subgrantees are required to perform internal evaluations which are ongoing efforts to assess per-

45 CFR Ch. XXV (10–1–02 Edition)

formance and improve quality. Grantees and subgrantees may, but are not required to, arrange for independent evaluations which are assessments of program effectiveness by individuals who are not directly involved in the administration of the program. The cost of independent evaluations is allowable.

§ 2516.820 What types of internal evaluation activities are required of programs?

Programs are required to: (a) Continuously assess management effectiveness, the quality of services provided, and the satisfaction of both participants and service recipients. Internal evaluations should seek frequent feedback and provide for quick correction of weakness. The Corporation encourages programs to use internal evaluation methods, such as community advisory councils, participant advisory councils, peer reviews, quality control inspections, and service recipient and participant surveys.

(b) Track progress toward pre-established objectives. Objectives must be established by programs and approved by the Corporation. Programs must submit to the Corporation (or the Corporation grantee as applicable) periodic performance reports.

(c) Collect and submit to the Corporation (through the Corporation grantee as applicable) the following data: (1) The total number of participants in each program and basic demographic characteristics of the participants including sex, age, economic background, education level, ethnic group, disability classification, and geographic region.

(2) Other information as required by the Corporation.

(d) Cooperate fully with all Corporation evaluation activities.

§ 2516.830 What types of activities are required of Corporation grantees to evaluate the effectiveness of their subgrantees?

A Corporation grantee that makes subgrants must do the following: (a) Ensure that subgrantees comply with the requirements of § 2516.840.

(b) Track program performance in terms of progress toward pre-established objectives; ensure that corrective action is taken when necessary; and submit to the Corporation periodic performance reports.

(c) Collect from programs and submit to the Corporation the descriptive information required in §2516.820(c)(1).

(d) Cooperate fully with all Corporation evaluation activities.

§2516.840 By what standards will the Corporation evaluate individual Learn and Serve America programs?

The Corporation will evaluate programs based on the following: (a) The extent to which the program meets the objectives established and agreed to by the grantee and the Corporation before the grant award.

(b) The extent to which the program is cost-effective.

(c) Other criteria as determined and published by the Corporation.

§2516.850 What will the Corporation do to evaluate the overall success of the service-learning program?

(a) The Corporation will conduct independent evaluations. These evaluations will consider the opinions of participants and members of the communities where services are delivered. If appropriate, these evaluations will compare participants with individuals who have not participated in service-learning programs. These evaluations will—

(1) Study the extent to which service-learning programs as a whole affect the involved communities;

(2) Determine the extent to which service-learning programs as a whole increase academic learning of participants, enhance civic education, and foster continued community involvement; and

(3) Determine the effectiveness of different program models.

(b) The Corporation will also determine by June 30, 1995, whether outcomes of service-learning programs are defined and measured appropriately, and the implications of the results from such a study for authorized funding levels.

§2516.860 Will information on individual participants be kept confidential?

(a) Yes. The Corporation will maintain the confidentiality of information regarding individual participants that is acquired for the purpose of the evaluations described in §2516.840. The Corporation will disclose individual participant information only with the prior written consent of the participant. However, the Corporation may disclose aggregate participant information.

(b) Grantees and subgrantees under this part must comply with the provisions of paragraph (a) of this section.

§ 2519.100 What is the purpose of the Higher Education programs?

The purpose of the higher education innovative programs for community

§ 2519.200 How may grant funds be used?

Funds under a higher education program grant may be used for the following activities: (a) Enabling an institution of higher education, a higher education partnership or a consortium to create or expand an organized community service program that—

(1) Engenders a sense of social responsibility and commitment to the community in which the institution is located; and

(2) Provides projects for the participants described in § 2519.300.

(b) Supporting student-initiated and student-designed community service projects.

(c) Strengthening the leadership and instructional capacity of teachers at the elementary, secondary, and post-secondary levels with respect to service-learning by—

(1) Including service-learning as a key component of the preservice teacher education of the institution; and

(2) Encouraging the faculty of the institution to use service-learning methods throughout the curriculum.

(d) Facilitating the integration of community service carried out under the grant into academic curricula, including integration of clinical programs into the curriculum for students in professional schools, so that students may obtain credit for their community service projects.

(e) Supplementing the funds available to carry out work-study programs under part C of title IV of the Higher Education Act of 1965 (42 U.S.C. 2751 *et seq.*) to support service-learning and community service.

(f) Strengthening the service infrastructure within institutions of higher education in the United States that supports service-learning and community service.

(g) Providing for the training of teachers, prospective teachers, related education personnel, and community leaders in the skills necessary to develop, supervise, and organize service-learning.

Subpart C—Participant Eligibility and Benefits

§ 2519.300 Who may participate in a Higher Education program?

Students, faculty, administration and staff of an institution, as well as residents of the community may participate. For the purpose of this part, the term “student” means an individual who is enrolled in an institution of higher education on a full-time or part-time basis.

§ 2519.310 Is a participant eligible to receive an AmeriCorps educational award?

In general, no. However, certain positions in programs funded under this part may qualify as approved AmeriCorps positions. The Corporation will establish eligibility requirements for these positions as a part of the application package.

§ 2519.320 May a program provide a stipend to a participant?

(a) A program may provide a stipend for service activities for a participant who is a student if the provision of stipends is reasonable in the context of a program’s design and objectives.

(1) A program may not provide a stipend to a student who is receiving academic credit for service activities unless the service activities require a substantial time commitment beyond that expected for the credit earned.

(2) A participant who is earning money for service activities under the work-study program described in

§ 2519.200(e) may not receive an additional stipend from funds under this part.

(b) Consistent with the AmeriCorps program requirements in § 2522.100 of this chapter, a program with participants serving in approved full-time AmeriCorps positions must ensure the provision of a living allowance and, if necessary, health care and child care to those participants. A program may, but is not required to, provide a prorated living allowance to individuals participating in approved AmeriCorps positions on a part-time basis, consistent with the AmeriCorps program requirements in § 2522.240 of this chapter.

(2) Comply with the nonduplication, nondisplacement, and grievance procedure requirements of part 2540 of this chapter;

(3) Prior to the placement of a participant in the program, consult with the appropriate local labor organization, if any, representing employees in the area who are engaged in the same or similar work as the work proposed to be carried out by the program, to prevent the displacement and protect the rights of those employees; and

(4) Comply with any other assurances that the Corporation deems necessary.

Subpart E—Application Review

§ 2519.500 How does the Corporation review an application?

(a) The Corporation will review an application submitted under this part on the basis of the quality, innovation, replicability, and sustainability of the proposed program and such other criteria as the Corporation establishes in an application package.

(b) In addition, in reviewing an application submitted under this part, the Corporation will give a proposed program increased priority for each characteristic described in paragraphs (b) (1) through (7) of this section. Priority programs—

All funds under this part are distributed by the Corporation through grants or by contract.

Subpart G—Funding Requirements

§ 2519.700 Are matching funds required?

(a) Yes. The Corporation share of the cost of carrying out a program funded under this part may not exceed 50 percent.

(b) In providing for the remaining share of the cost of carrying out a program, each recipient of assistance must provide for that share through a payment in cash or in kind, fairly evaluated, including facilities, equipment, or services, and may provide for that share through State sources, local sources, or Federal sources (other than funds made available under the national service laws).

(c) However, the Corporation may waive the requirements of paragraph (b) of this section in whole or in part with respect to any program in any fiscal year if the Corporation determines that the waiver would be equitable due to lack of available financial resources at the local level.

§ 2519.710 Are there limits on the use of funds?

Yes. The following limits apply to funds available under this part:

(a) (1) Not more than five percent of the grant funds provided under this part for any fiscal year may be used to pay for administrative costs, as defined in § 2510.20 of this chapter.

(2) The distribution of administrative costs between the grant and any subgrant will be subject to the approval of the Corporation.

(3) In applying the limitation on administrative costs the Corporation will approve one of the following methods in the award document:

(i) Limit the amount or rate of indirect costs that may be paid with Corporation funds under a grant or subgrant to five percent of total Corporation funds expended, provided that—

(A) Organizations that have an established indirect cost rate for Federal awards will be limited to this method; and

(B) Unreimbursed indirect costs may be applied to meeting operational matching requirements under the Corporation's award;

(ii) Specify that a fixed rate of five percent or less (not subject to supporting cost documentation) of total Corporation funds expended may be used to pay for administrative costs, provided that the fixed rate is in conjunction with an overall 15 percent administrative cost factor to be used for organizations that do not have established indirect cost rates; or

(iii) Utilize such other method that the Corporation determines in writing is consistent with OMB guidance and other applicable requirements, helps minimize the burden on grantees or subgrantees, and is beneficial to grantees or subgrantees and the Federal Government.

[63 FR 18138, Apr. 14, 1998]

§ 2519.720 What is the length of a grant?

A grant under this part is for a period of up to three years, subject to satisfactory performance and annual appropriations.

§ 2519.730 May an applicant submit more than one application to the Corporation for the same project at the same time?

No. The Corporation will reject an application for a project if an application for funding or educational awards for the same project is already pending before the Corporation.

Subpart H—Evaluation Requirements

§ 2519.800 What are the evaluation requirements for Higher Education programs?

The monitoring and evaluation requirements for recipients of grants and subgrants under part 2516 of this chapter, relating to school-based service-learning programs, apply to recipients under this part.

PART 2520—GENERAL PROVISIONS: AMERICORPS SUBTITLE C PROGRAMS

Sec.

2520.10 What is the purpose of the AmeriCorps subtitle C program described in parts 2520 through 2524 of this chapter?

2520.20 What types of service activities are allowed for AmeriCorps subtitle C programs supported under parts 2520 through 2524 of this chapter?

2520.30 What activities are prohibited in AmeriCorps subtitle C programs?

SOURCE: 59 FR 13794, Mar. 23, 1994, unless otherwise noted.

§ 2520.10 What is the purpose of the AmeriCorps subtitle C program described in parts 2520 through 2524 of this chapter?

The purpose of the AmeriCorps subtitle C program is to provide financial assistance under subtitle C of the National and Community Service Act to support AmeriCorps programs that address educational, public safety, human, or environmental needs through national and community service, and to provide AmeriCorps education awards to participants in such programs.

[67 FR 45359, July 9, 2002]

§ 2520.20 What types of service activities are allowed for AmeriCorps subtitle C programs supported under parts 2520 through 2524 of this chapter?

(a) Except as provided in paragraph (b) of this section, the service must either provide a direct benefit to the community where it is performed, or involve the supervision of participants or volunteers whose service provides a direct benefit to the community where it is performed. Moreover, the approved AmeriCorps activities must result in a specific identifiable service or improvement that otherwise would not be provided and that does not duplicate the routine functions of workers or displace paid employees. Programs must develop service opportunities that are appropriate to the skill levels of participants and that provide a demonstrable, identifiable benefit that the community values.

§ 2520.30

(b) In certain circumstances, some activities may not provide a direct benefit to the communities in which the service is performed. Such activities may include, but are not limited to, clerical work and research. However, a participant may engage in such activities only if the performance of the activity is incidental to the program's provision of service that does provide a direct benefit to the community in which the service is performed, or if the Corporation approves such activities in connection with disaster relief, homeland defense, or other compelling community needs.

[67 FR 45359, July 9, 2002]

§ 2520.30 What activities are prohibited in AmeriCorps subtitle C programs?

 - (v) An organization engaged in the religious activities described in paragraph (g) of this section, unless Corporation assistance is not used to support those religious activities; and
- (9) Such other activities as the Corporation may prohibit.

2521.20 What types of AmeriCorps subtitle C program grants are available for award?

2521.30 How will AmeriCorps subtitle C program grants be awarded?

AUTHORITY: 42 U.S.C. 12501 *et seq.*

SOURCE: 59 FR 13794, Mar. 23, 1994, unless otherwise noted.

§ 2521.10 Who may apply to receive an AmeriCorps subtitle C grant?

(a) States (including Territories), subdivisions of States, Indian tribes, public or private nonprofit organizations (including religious organizations and labor organizations), and institutions of higher education are eligible to apply for AmeriCorps subtitle C grants. However, the fifty States, the District of Columbia and Puerto Rico must first receive Corporation authorization for the use of a State Commission or alternative administrative or

transitional entity pursuant to part 2550 of this chapter in order to be eligible.

(b) The Corporation may also enter into contracts or cooperative agreements for AmeriCorps assistance with Federal agencies that are Executive Branch agencies or departments. Bureaus, divisions, and local and regional offices of such departments and agencies may only receive assistance pursuant to a contract or agreement with the central department or agency. The requirements relating to Federal agencies are described in part 2523 of this chapter.

[59 FR 13794, Mar. 23, 1994, as amended at 67 FR 45360, July 9, 2002]

§ 2521.20 What types of AmeriCorps subtitle C program grants are available for award?

The Corporation may make the following types of grants to eligible applicants. The requirements of this section will also apply to any State or other applicant receiving assistance under this part that proposes to conduct a grant program using the assistance to support other national or community service programs.

(a) *Planning grants.*—(1) *Purpose.* The purpose of a planning grant is to assist an applicant in completing the planning necessary to implement a sound concept that has already been developed.

(2) *Eligibility.* (i) States may apply directly to the Corporation for planning grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including religious organizations and labor organizations), and institutions of higher education may apply either to a State or directly to the Corporation for planning grants.

(3) *Duration.* A planning grant will be negotiated for a term not to exceed one year.

(b) *Operational grants.*—(1) *Purpose.* The purpose of an operational grant is to fund an organization that is ready to establish, operate, or expand an AmeriCorps program. An operational grant may include AmeriCorps educational awards. An operational grant may also include a short planning pe-

riod of up to six months, if necessary, to implement a program.

(2) *Eligibility.* (i) States may apply directly to the Corporation for operational grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including religious organizations and labor organizations), and institutions of higher education may apply either to a State or directly to the Corporation for operational grants. The Corporation may limit the categories of applicants eligible to apply directly to the Corporation for assistance under this section consistent with its National priorities.

(3) *Duration.* An operational grant will be negotiated for a term not to exceed three years. Within a three-year term, renewal funding will be contingent upon periodic assessment of program quality, progress to date, and availability of Congressional appropriations.

(c) *Replication Grants.* The Corporation may provide assistance for the replication of an existing national service program to another geographical location.

(d) *Training, technical assistance and other special grants.*—(1) *Purpose.* The purpose of these grants is to ensure broad access to AmeriCorps programs for all Americans, including those with disabilities; support disaster relief efforts; assist efforts to secure private support for programs through challenge grants; and ensure program quality by supporting technical assistance and training programs.

(2) *Eligibility.* Eligibility varies and is detailed under 45 CFR part 2524, “Technical Assistance and Other Special Grants.”

(3) *Duration.* Grants will be negotiated for a renewable term of up to three years.

[59 FR 13794, Mar. 23, 1994, as amended at 67 FR 45360, July 9, 2002]

§ 2521.30 How will AmeriCorps subtitle C program grants be awarded?

In any fiscal year, the Corporation will award AmeriCorps subtitle C program grants as follows:

(a) *Grants to State Applicants.* (1) For the purposes of this section, the term

§ 2521.30

45 CFR Ch. XXV (10–1–02 Edition)

“State” means the fifty States, Puerto Rico, and the District of Columbia.

(2) One-third of the funds available under this part and a corresponding allotment of AmeriCorps educational awards, as specified by the Corporation, will be distributed according to a population-based formula to the 50 States, Puerto Rico and the District of Columbia if they have applications approved by the Corporation.

(3) At least one-third of funds available under this part and an appropriate number of AmeriCorps awards, as determined by the Corporation, will be awarded to States on a competitive basis. In order to receive these funds, a State must receive funds under paragraphs (a)(2) or (b)(1) of this section in the same fiscal year.

(4) In making subgrants with funds awarded by formula or competition under paragraphs (a) (2) or (3) of this section, a State must: (i) Provide a description of the process used to select programs for funding including a certification that the State or other entity used a competitive process and criteria that were consistent with the selection criteria in §2522.410 of this chapter. In making such competitive selections, the State must ensure the equitable allocation within the State of assistance and approved AmeriCorps positions provided under this subtitle to the State taking into consideration such factors as the location of the programs applying to the State, population density, and economic distress;

(ii) Provide a written assurance that not less than 60 percent of the assistance provided to the State will be used to make grants in support of AmeriCorps programs other than AmeriCorps programs carried out by the State or a State agency. The Corporation may permit a State to deviate from this percentage if the State demonstrates that it did not receive a sufficient number of acceptable applications; and

(iii) Ensure that a minimum of 50 percent of funds going to States will be used for programs that operate in the areas of need or on Federal or other public lands, and that place a priority on recruiting participants who are residents in high need areas, or on Federal or other public lands. The Corporation

may waive this requirement for an individual State if at least 50 percent of the total amount of assistance to all States will be used for such programs.

(b) *Grants to Applicants other than States.* (1) One percent of available funds will be distributed to the U.S. Territories¹ that have applications approved by the Corporation according to a population-based formula.²

(2) One percent of available funds will be reserved for distribution to Indian tribes on a competitive basis.

(3) The Corporation will use any funds available under this part remaining after the award of the grants described in paragraphs (a) and (b) (1) and (2) of this section to make direct competitive grants to subdivisions of States, Indian tribes, public or private nonprofit organizations (including religious organizations and labor organizations), institutions of higher education, and Federal agencies. No more than one-third of the these remaining funds may be awarded to Federal agencies.

(c) *Allocation of AmeriCorps educational awards only.* The Corporation will determine on an annual basis the appropriate number of educational awards to make available for eligible applicants who have not applied for program assistance.

(d) *Effect of States’ or Territories’ failure to apply.* If a State or U.S. Territory does not apply for or fails to give adequate notice of its intent to apply for a formula-based grant as announced by the Corporation and published in applications and the Notice of Funds Availability, the Corporation will use the amount of that State’s allotment to make grants to eligible entities to carry out AmeriCorps programs in that State or Territory. Any funds remaining from that State’s allotment after making such grants will be reallocated to the States, Territories, and Indian tribes with approved AmeriCorps applications at the Corporation’s discretion.

¹The United States Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

²The amount allotted as a grant to each such territory or possession is equal to the ratio of each such Territory’s population to the population of all such territories multiplied by the amount of the one percent set-aside.

(e) *Effect of rejection of State application.* If a State's application for a formula-based grant is ultimately rejected by the Corporation pursuant to § 2522.320 of this chapter, the State's allotment will be available for redistribution by the Corporation to the States, Territories, and Indian Tribes with approved AmeriCorps applications as the Corporation deems appropriate.

(f) The Corporation will make grants for training, technical assistance and other special programs described in part 2524 of this chapter at the Corporation's discretion.

(g) *Matching funds.*—(1) *Requirements.*

(i) The matching requirements for participant benefits are specified in § 2522.240(b)(5) of this chapter.

(ii) The Corporation share of other AmeriCorps program costs may not exceed 75 percent, whether the assistance is provided directly or as a subgrant from the original recipient of the assistance.

(iii) These matching requirements apply only to programs receiving assistance under parts 2521 through 2524 of this chapter.

(2) *Calculation.* In providing for the remaining share of other AmeriCorps program costs, the program—

(i) Must provide for its share through a payment in cash or in kind, fairly evaluated, including facilities, equipment, or services; and

(ii) May provide for its share through State sources, local sources, or other Federal sources (other than funds made available by the Corporation).

(3) *Limitation on cost of health care.* A program may not count more than 85 percent of a cash payment for the cost of providing a health care policy toward its 15 percent remaining share under paragraph (g)(2)(i) of this section.

(4) *Waiver.* The Corporation reserves the right to waive, in whole or in part, the requirements of paragraph (g)(1) of this section if the Corporation determines that a waiver would be equitable due to a lack of available financial resources at the local level.

(h)(1) Not more than five percent of the grant funds provided under this part for any fiscal year may be used to pay for administrative costs, as defined in § 2510.20 of this chapter.

(2) The distribution of administrative costs between the grant and any subgrant will be subject to the approval of the Corporation.

(3) In applying the limitation on administrative costs the Corporation will approve one of the following methods in the award document:

(i) Limit the amount or rate of indirect costs that may be paid with Corporation funds under a grant or subgrant to five percent of total Corporation funds expended, provided that—

(A) Organizations that have an established indirect cost rate for Federal awards will be limited to this method; and

(B) Unreimbursed indirect costs may be applied to meeting operational matching requirements under the Corporation's award;

(ii) Specify that a fixed rate of five percent or less (not subject to supporting cost documentation) of total Corporation funds expended may be used to pay for administrative costs, provided that the fixed rate is in conjunction with an overall 15 percent administrative cost factor to be used for organizations that do not have established indirect cost rates; or

(iii) Utilize such other method that the Corporation determines in writing is consistent with OMB guidance and other applicable requirements, helps minimize the burden on grantees or subgrantees, and is beneficial to grantees or subgrantees and the Federal Government.

Subpart A—Minimum Requirements and Program Types

§ 2522.100 What are the minimum requirements that every AmeriCorps program, regardless of type, must meet?

Although a wide range of programs may be eligible to apply for and receive support from the Corporation, all AmeriCorps subtitle C programs must meet certain minimum program requirements. These requirements apply regardless of whether a program is supported directly by the Corporation or through a subgrant. All AmeriCorps programs must: (a) Address educational, public safety, human, or environmental needs, and provide a direct and demonstrable benefit that is valued by the community in which the service is performed;

(b) Perform projects that are designed, implemented, and evaluated with extensive and broad-based local input, including consultation with representatives from the community served, participants (or potential participants) in the program, community-based agencies with a demonstrated record of experience in providing services, and local labor organizations representing employees of project sponsors (if such entities exist in the area to be served by the program);

(c) Obtain, in the case of a program that also proposes to serve as the project sponsor, the written concurrence of any local labor organization representing employees of the project sponsor who are engaged in the same or substantially similar work as that proposed to be carried out by the AmeriCorps participant;

(d) Establish and provide outcome objectives, including a strategy for achieving these objectives, upon which self-assessment and Corporation-assessment will be used to help determine the extent to which the program has had a positive impact: (1) On communities and persons served by the projects performed by the program;

(2) On participants who take part in the projects; and

(3) In such other areas as the program or Corporation may specify;

(e) Strengthen communities and encourage mutual respect and cooperation among citizens of different races, ethnicities, socioeconomic backgrounds, educational levels, both men and women and individuals with disabilities;

(f) Agree to seek actively to include participants and staff from the communities in which projects are conducted, and agree to seek program staff and participants of different races and ethnicities, socioeconomic backgrounds, educational levels, and genders as well as individuals with disabilities unless a program design requires emphasizing the recruitment of staff and participants who share a specific characteristic or background. In no case may a program violate the non-discrimination, nonduplication and nondisplacement rules governing participant selection described in part 2540 of this chapter. In addition, programs are encouraged to establish, if consistent with the purposes of the program, an intergenerational component that combines students, out-of-school youths, and older adults as participants;

(g)(1) Determine the projects in which participants will serve and establish minimum qualifications that individuals must meet to be eligible to participate in the program; these qualifications may vary based on the specific tasks to be performed by participants. Regardless of the educational level or background of participants sought, programs are encouraged to select individuals who possess leadership potential and a commitment to the goals of the AmeriCorps program. In any case, programs must select participants in a non-partisan, non-political, non-discriminatory manner, ensuring fair access to participation. In addition, programs are required to ensure that they do not displace any existing paid employees as provided in part 2540 of this chapter;

(2) In addition, all programs are required to comply with any pre-service orientation or training period requirements established by the Corporation to assist in the selection of motivated participants. Finally, all programs must agree to select a percentage (to be determined by the Corporation) of

the participants for the program from among prospective participants recruited by the Corporation or State Commissions under part 2532 of this chapter. The Corporation may also specify a minimum percentage of participants to be selected from the national leadership pool established under § 2522.210(c). The Corporation may vary either percentage for different types of AmeriCorps programs;

(h) Provide reasonable accommodation, including auxiliary aids and services (as defined in section 3(1) of the Americans with Disabilities Act of 1990 (42 U.S.C. 12102(1)) based on the individualized need of a participant who is a qualified individual with a disability (as defined in section 101(8) of such Act (42 U.S.C. 12111(8))). For the purpose of complying with this provision, AmeriCorps programs may apply for additional financial assistance from the Corporation pursuant to § 2524.40 of this chapter;

(i) Use service experiences to help participants achieve the skills and education needed for productive, active citizenship, including the provision, if appropriate, of structured opportunities for participants to reflect on their service experiences. In addition, all programs must encourage every participant who is eligible to vote to register prior to completing a term of service;

(j) Provide participants in the program with the training, skills, and knowledge necessary to perform the tasks required in their respective projects, including, if appropriate, specific training in a particular field and background information on the community, including why the service projects are needed;

(k) Provide support services—

(1) To participants who are completing a term of service and making the transition to other educational and career opportunities; and

(2) To those participants who are school dropouts in order to assist them in earning the equivalent of a high school diploma;

(1) Ensure that participants serving in approved AmeriCorps positions receive the living allowance and other benefits described in §§ 2522.240 through 2522.250 of this chapter;

§ 2522.110

(m) Describe the manner in which the AmeriCorps educational awards will be apportioned among individuals serving in the program. If a program proposes to provide such benefits to less than 100 percent of the participants in the program, the program must provide a compelling rationale for determining which participants will receive the benefits and which participants will not. AmeriCorps programs are strongly encouraged to offer alternative post-service benefits to participants who will not receive AmeriCorps educational awards, however AmeriCorps grant funds may not be used to provide such benefits;

(n) Agree to identify the program, through the use of logos, common application materials, and other means (to be specified by the Corporation), as part of a larger national effort and to participate in other activities such as common opening ceremonies (including the administration of a national oath or affirmation), service days, and conferences designed to promote a national identity for all AmeriCorps programs and participants, including those participants not receiving AmeriCorps educational awards. This provision does not preclude an AmeriCorps program from continuing to use its own name as the primary identification, or from using its name, logo, or other identifying materials on uniforms or other items;

(o) Agree to begin terms of service at such times as the Corporation may reasonably require and to comply with any restrictions the Corporation may establish as to when the program may take to fill an approved AmeriCorps position left vacant due to attrition;

(p) Comply with all evaluation procedures specified by the Corporation, as explained in §§ 2522.500 through 2522.560;

(q) In the case of a program receiving funding directly from the Corporation, meet and consult with the State Commission for the State in which the program operates, if possible, and submit a copy of the program application to the State Commission; and

(r) Address any other requirements as specified by the Corporation.

[64 FR 37413, July 12, 1999, as amended at 67 FR 45360, July 9, 2002]

§ 2522.210 How are AmeriCorps participants recruited and selected?

(a) *Local recruitment and selection.* In general, AmeriCorps participants will be selected locally by an approved AmeriCorps program, and the selection criteria will vary widely among the different programs. Nevertheless, AmeriCorps programs must select their participants in a fair and non-discriminatory manner which complies with part 2540 of this chapter. In selecting participants, programs must also comply with the recruitment and selection requirements specified in this section.

(b)(1) *National and State recruitment and selection.* The Corporation and each State Commission will establish a system to recruit individuals who desire to perform national service and to assist the placement of these individuals in approved AmeriCorps positions, which may include positions available under titles I and II of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 et seq.). The national and state re-

ruitment and placement system will be designed and operated according to Corporation guidelines.

(2) *Dissemination of information.* The Corporation and State Commissions will disseminate information regarding available approved AmeriCorps positions through cooperation with secondary schools, institutions of higher education, employment service offices, community-based organizations, State vocational rehabilitation agencies within the meaning of the Rehabilitation Act of 1973 (29 U.S.C. 701 et seq.) and other State agencies that primarily serve qualified individuals with disabilities, and other appropriate entities, particularly those organizations that provide outreach to disadvantaged youths and youths who are qualified individuals with disabilities.

(c) *National leadership pool—(1) Selection and training.* From among individuals recruited under paragraph (b) of this section or nominated by service programs, the Corporation may select individuals with significant leadership potential, as determined by the Corporation, to receive special training to enhance their leadership ability. The leadership training will be provided by the Corporation directly or through a grant, contract, or cooperative agreement as the Corporation determines.

(2) *Emphasis on certain individuals.* In selecting individuals to receive leadership training under this provision, the Corporation will make special efforts to select individuals who have served—

(i) In the Peace Corps;

(ii) As VISTA volunteers;

(iii) As participants in AmeriCorps programs receiving assistance under parts 2520 through 2524 of this chapter;

(iv) As participants in National Service Demonstration programs that received assistance from the Commission on National and Community Service; or

(v) As members of the Armed Forces of the United States and who were honorably discharged from such service.

(3) *Assignment.* At the request of a program that receives assistance, the Corporation may assign an individual who receives leadership training under paragraph (c)(1) of this section to work with the program in a leadership position and carry out assignments not

§ 2522.220

otherwise performed by regular participants. An individual assigned to a program will be considered to be a participant of the program.

§ 2522.220 What are the required terms of service for AmeriCorps participants, and may they serve for more than one term?

(a) *Term of service.* In order to be eligible for the educational award described in §2522.240(a), participants serving in approved AmeriCorps positions must complete a term of service as defined in this section:

(1) *Full-time service.* 1,700 hours of service during a period of not less than nine months and not more than one year.

(2) *Part-time service.* 900 hours of service during a period of not more than two years, or, if the individual is enrolled in an institution of higher education while performing all or a portion of the service, not more than three years.

(3) *Reduced part-time term of service.* The Corporation may reduce the number of hours required to be served in order to receive an educational award for certain part-time participants serving in approved AmeriCorps positions. In such cases, the educational award will be reduced in direct proportion to the reduction in required hours of service. These reductions may be made for summer programs, for categories of participants in certain approved AmeriCorps programs and on a case-by-case, individual basis as determined by the Corporation.

(4) *Summer programs.* A summer program, in which less than 1700 hours of service are performed, are part-time programs.

(b) *Restriction on multiple terms.* An AmeriCorps participant may only receive the benefits described in §§2522.240 through 2522.250 for the first two successfully-completed terms of service, regardless of whether those terms were served on a full-, part-, or reduced part-time basis.

(c) *Eligibility for second term.* A participant will only be eligible to serve a second or additional term of service if that individual has received satisfactory performance review(s) for any previous term(s) of service in accordance

45 CFR Ch. XXV (10–1–02 Edition)

with the requirements of paragraph (d) of this section. Mere eligibility for a second or further term of service in no way guarantees a participant selection or placement.

(d) *Participant performance review.* For the purposes of determining a participant's eligibility for a second or additional term of service and/or for an AmeriCorps educational award, each AmeriCorps program will evaluate the performance of a participant mid-term and upon completion of a participant's term of service. The end-of-term performance evaluation will assess the following: (1) Whether the participant has completed the required number of hours described in paragraph (a) of this section;

(2) Whether the participant has satisfactorily completed assignments, tasks or projects; and

(3) Whether the participant has met any other performance criteria which had been clearly communicated both orally and in writing at the beginning of the term of service.

(e) *Limitation.* The Corporation may set a minimum or maximum percentage of hours of a full-time, part-time, or reduced term of service described in paragraphs (a)(1),(a)(2), and (a)(3) of this section that a participant may engage in training, education, or other similar approved activities

(f) *Grievance procedure.* Any AmeriCorps participant wishing to contest a program's ruling of unsatisfactory performance may file a grievance according to the procedures set forth in part 2540 of this chapter. If that grievance procedure or subsequent binding arbitration procedure finds that the participant did in fact satisfactorily complete a term of service, then that individual will be eligible to receive an educational award and/or be eligible to serve a second term of service.

§ 2522.230 Under what circumstances may AmeriCorps participants be released from completing a term of service, and what are the consequences?

An AmeriCorps program may release a participant from completing a term of service for compelling personal circumstances as demonstrated by the participant, or for cause.

(a) *Release for compelling personal circumstances.* (1) An AmeriCorps program may release a participant upon a determination by the program, consistent with the criteria listed in paragraphs (a)(5) through (a)(6) of this section, that the participant is unable to complete the term of service because of compelling personal circumstances.

(2) A participant who is released for compelling personal circumstances and who completes at least 15 percent of the required term of service is eligible for a pro-rated education award.

(3) The participant has the primary responsibility for demonstrating that compelling personal circumstances prevent the participant from completing the term of service.

(4) The program must document the basis for any determination that compelling personal circumstances prevent a participant from completing a term of service.

(5) Compelling personal circumstances include:

(i) Those that are beyond the participant's control, such as, but not limited to:

(A) A participant's disability or serious illness;

(B) Disability, serious illness, or death of a participant's family member if this makes completing a term unreasonably difficult or impossible; or

(C) Conditions attributable to the program or otherwise unforeseeable and beyond the participant's control, such as a natural disaster, a strike, relocation of a spouse, or the nonrenewal or premature closing of a project or program, that make completing a term unreasonably difficult or impossible;

(ii) Those that the Corporation, has for public policy reasons, determined as such, including:

(A) Military service obligations;

(B) Acceptance by a participant of an opportunity to make the transition from welfare to work; or

(C) Acceptance of an employment opportunity by a participant serving in a program that includes in its approved objectives the promotion of employment among its participants.

(6) Compelling personal circumstances do not include leaving a program:

(i) To enroll in school;

(ii) To obtain employment, other than in moving from welfare to work or in leaving a program that includes in its approved objectives the promotion of employment among its participants; or

(iii) Because of dissatisfaction with the program.

(7) As an alternative to releasing a participant, an AmeriCorps*State/National program may, after determining that compelling personal circumstances exist, suspend the participant's term of service for up to two years (or longer if approved by the Corporation based on extenuating circumstances) to allow the participant to complete service with the same or similar AmeriCorps program at a later time.

(b) *Release for cause.* (1) A release for cause encompasses any circumstances other than compelling personal circumstances that warrant an individual's release from completing a term of service.

(2) AmeriCorps programs must release for cause any participant who is convicted of a felony or the sale or distribution of a controlled substance during a term of service.

(3) A participant who is released for cause may not receive any portion of the AmeriCorps education award or any other payment from the National Service Trust.

(4) An individual who is released for cause must disclose that fact in any subsequent applications to participate in an AmeriCorps program. Failure to do so disqualifies the individual for an education award, regardless of whether the individual completes a term of service.

(5) An AmeriCorps*State/National participant released for cause may contest the program's decision by filing a grievance. Pending the resolution of a grievance procedure filed by an individual to contest a determination by a program to release the individual for cause, the individual's service is considered to be suspended. For this type of grievance, a program may not—while the grievance is pending or as part of its resolution—provide a participant with federally-funded benefits (including payments from the National

§ 2522.240

45 CFR Ch. XXV (10–1–02 Edition)

Service Trust) beyond those attributable to service actually performed, without the program receiving written approval from the Corporation.

(c) *Suspended service.* (1) A program must suspend the service of an individual who faces an official charge of a violent felony (e.g., rape, homicide) or sale or distribution of a controlled substance.

(2) A program must suspend the service of an individual who is convicted of possession of a controlled substance.

(3) An individual may not receive a living allowance or other benefits, and may not accrue service hours, during a period of suspension under this provision.

(d) *Reinstatement.* (1) A program may reinstate an individual whose service was suspended under paragraph (c)(1) of this section if the individual is found not guilty or if the charge is dismissed.

(2) A program may reinstate an individual whose service was suspended under paragraph (c)(2) of this section only if the individual demonstrates the following:

(i) For an individual who has been convicted of a first offense of the possession of a controlled substance, the individual must have enrolled in a drug rehabilitation program;

(ii) For an individual who has been convicted for more than one offense of the possession of a controlled substance, the individual must have successfully completed a drug rehabilitation program.

[64 FR 37413, July 12, 1999]

§ 2522.240 What financial benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?

(a) *AmeriCorps educational awards.* An individual serving in an approved AmeriCorps position will receive an educational award from the National Service Trust upon successful completion of each of up to two terms of service as defined in § 2522.220.

(b) *Living allowances—(1) Amount.* Subject to the provisions of this part, any individual who participates on a full-time basis in an AmeriCorps program carried out using assistance provided pursuant to § 2521.30 of this chapter, including an AmeriCorps program

that receives educational awards only pursuant to § 2521.30(c) of this chapter, will receive a living allowance in an amount equal to or greater than the average annual subsistence allowance provided to VISTA volunteers under § 105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). This requirement will not apply to any program that was in existence prior to September 21, 1993 (the date of the enactment of the National and Community Service Trust Act of 1993).

(2) *Maximum living allowance.* With the exception of a professional corps described in § 2522.110(a)(3), the AmeriCorps living allowances may not exceed 200 percent of the average annual subsistence allowance provided to VISTA volunteers under section 105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). A professional corps AmeriCorps program may provide a stipend in excess of the maximum, subject to the following conditions: (i) Corporation assistance may not be used to pay for any portion of the allowance; and

(ii) The program must be operated directly by the applicant, selected on a competitive basis by submitting an application directly to the Corporation, and may not be included in a State's application for the AmeriCorps program funds distributed by formula, or competition described in §§ 2521.30 (a)(2) and (a)(3) of this chapter.

(3) *Living allowances for part-time participants.* Programs may, but are not required to, provide living allowances to individuals participating on a part-time basis (or a reduced term of part-time service authorized under § 2522.220(a)(3)). Such living allowances should be prorated to the living allowance authorized in paragraph (b)(1) of this section and will comply with such restrictions therein.

(4) *Waiver or reduction of living allowance.* The Corporation may, at its discretion, waive or reduce the living allowance requirements if a program can demonstrate to the satisfaction of the Corporation that such requirements are inconsistent with the objectives of the program, and that participants will be able to meet the necessary and reasonable costs of living (including food,

housing, and transportation) in the area in which the program is located.

(5) *Limitation on Federal share.* The Federal share, including Corporation and other Federal funds, of the total amount provided to an AmeriCorps participant for a living allowance is limited as follows: (i) In no case may the Federal share exceed 85% of the minimum required living allowance enumerated in paragraph (b)(1) of this section.

(ii) For professional corps described in paragraph (b)(2)(i) of this section, Corporation and other Federal funds may be used to pay for no portion of the living allowance.

(iii) If the minimum living allowance requirements has been waived or reduced pursuant to paragraph (b)(4) of this section and the amount of the living allowance provided to a participant has been reduced correspondingly—

(A) In general, the Federal share may not exceed 85% of the reduced living allowance; however,

(B) If a participant is serving in a program that provides room or board, the Corporation will consider on a case-by-case basis allowing the portion of that living allowance that may be paid using Corporation and other Federal funds to be between 85% and 100%.

§ 2522.250 What other benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?

(a) *Child Care.* Grantees must provide child care through an eligible provider or a child care allowance in an amount determined by the Corporation to those full-time participants who need child care in order to participate.

(1) *Need.* A participant is considered to need child care in order to participate in the program if he or she: (i) Is the parent or legal guardian of, or is acting in loco parentis for, a child under 13 who resides with the participant;

(ii) Has a family income that does not exceed 75 percent of the State's median income for a family of the same size;

(iii) At the time of acceptance into the program, is not currently receiving child care assistance from another source, including a parent or guardian,

which would continue to be provided while the participant serves in the program; and

(iv) Certifies that he or she needs child care in order to participate in the program.

(2) *Provider eligibility.* Eligible child care providers are those who are eligible child care providers as defined in the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858n(5)).

(3) *Child care allowance.* The amount of the child care allowance will be determined by the Corporation based on payment rates for the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858c(4)(A)).

(4) *Corporation share.* The Corporation will pay 100 percent of the child care allowance, or, if the program provides child care through an eligible provider, the actual cost of the care or the amount of the allowance, whichever is less.

(b) *Health care.* (1) Grantees must provide to all eligible participants who meet the requirements of paragraph (b)(2) of this section health care coverage that—

(i) Provides the minimum benefits determined by the Corporation;

(ii) Provides the alternative minimum benefits determined by the Corporation; or

(iii) Does not provide all of either the minimum or the alternative minimum benefits but that has a fair market value equal to or greater than the fair market value of a policy that provides the minimum benefits.

(2) *Participant eligibility.* A full-time participant is eligible for health care benefits if he or she is not otherwise covered by a health benefits package providing minimum benefits established by the Corporation at the time he or she is accepted into a program. If, as a result of participation, or if, during the term of service, a participant demonstrates loss of coverage through no deliberate act of his or her own, such as parental or spousal job loss or disqualification from Medicaid, the participant will be eligible for health care benefits.

(3) *Corporation share.* (i) Except as provided in paragraph (b)(3)(ii) of this section, the Corporation will pay up to 85% of the cost of health care coverage

§ 2522.300

that includes the minimum or alternative minimum benefits and is not excessive in cost.

(ii) The Corporation will pay no share of the cost of a policy that does not provide the minimum or alternative minimum benefits described in paragraphs (b)(1)(i) and (b)(1)(ii) of this section.

Subpart C—Application Requirements

§ 2522.300 What are the application requirements for AmeriCorps program grants?

All eligible applicants seeking AmeriCorps program grants must—

(a) Provide a description of the specific program(s) being proposed, including the type of program and of how it meets the minimum program requirements described in § 2522.100; and

(b) Comply with any additional requirements as specified by the Corporation in the application package.

§ 2522.310 What are the application requirements for AmeriCorps educational awards only?

(a) Eligible applicants may apply for AmeriCorps educational awards only for one of the following eligible service positions: (1) A position for a participant in an AmeriCorps program that:

(i) Is carried out by an entity eligible to receive support under part 2521 of this chapter;

(ii) Would be eligible to receive assistance under this part, based on criteria established by the Corporation, but has not applied for such assistance;

(2) A position facilitating service-learning in a program described in parts 2515 through 2519 of this chapter;

(3) A position involving service as a crew leader in a youth corps program or a similar position supporting an AmeriCorps program; and

(4) Such other AmeriCorps positions as the Corporation considers to be appropriate.

(b) Because programs applying only for AmeriCorps educational awards must, by definition, meet the same basic requirements as other approved AmeriCorps programs, applicants must comply with the same application requirements specified in § 2522.300.

45 CFR Ch. XXV (10–1–02 Edition)

§ 2522.320 May an applicant submit more than one application to the Corporation for the same project at the same time?

No. The Corporation will reject an application for a project if an application for funding or educational awards for the same project is already pending before the Corporation.

Subpart D—Selection of AmeriCorps Programs

§ 2522.400 How will the basic selection criteria be applied?

From among the eligible programs that meet the minimum program requirements and that have submitted applications to the Corporation, the Corporation must select the best ones to receive funding. Although there is a wide range of factors that must be taken into account during the selection process, there are certain fundamental selection criteria that apply to all programs in each grant competition, regardless of whether they receive funding or educational awards directly or through subgrants. States and other subgranting applicants are required to use these criteria during the competitive selection of subgrantees. The Corporation may adjust the relative weight given to each criterion. (Additional and more specific criteria will be published in the applications).

§ 2522.410 What are the basic selection criteria for AmeriCorps programs?

The Corporation will consider how well the program will be able to achieve the three impacts mentioned in paragraph (a) of this section as demonstrated by the program design, the capacity of the organization to carry it out and other factors relating to need. The Corporation will also consider the extent to which the program promotes the Corporation's goals; and the extent to which the program contributes to the overall diversity of programs desired by the Corporation. These criteria are discussed in this section. Additional detail relating to these criteria may be published in any notice of availability of funding.

(a) *Program impacts.* The Corporation will consider the extent to which the

program: (1) Achieves direct and demonstrable results;

(2) Strengthens communities; and

(3) Promotes citizenship and increases educational opportunities for participants.

(b) *Program Criteria.*—(1) *Program design.* The Corporation will consider four factors relating to the program design:

(i) The quality of the program proposed to be carried out directly by the applicant or supported by a grant from the applicant;

(ii) The innovative aspects of the AmeriCorps program;

(iii) The feasibility of replicating the program; and

(iv) The sustainability of the program, based on evidence such as the existence of strong and broad-based community support for the program and of multiple funding sources or private funding.

(2) *Organizational capacity.* The Corporation will also consider an organization's capacity to carry out the program based on—

(i) The quality of the leadership of the AmeriCorps program;

(ii) The past performance of the organization or program; and

(iii) The extent to which the program builds on existing programs.

(c) *Need criteria.* In selecting programs, the Corporation will take into consideration the extent to which projects address State-identified issue priorities (if the program will be funded out of formula funds) or national priorities (if the program will be funded out of competitive funds), and whether projects would be conducted in areas of need.

(1) *Issue priorities.* In order to concentrate national efforts on meeting certain educational, public safety, human, or environmental needs, and to achieve the other purposes of this Act, the Corporation will establish, and after review of the strategic plan approved by the Board, periodically alter priorities regarding the AmeriCorps programs that will receive assistance (funding or approved AmeriCorps positions) and the purposes for which such assistance may be used. These priorities will be applied to assistance provided on a competitive basis as described in § 2521.30 of this chapter, and

to any assistance provided through a subgrant of such funds.

(i) States must establish, and through the national service plan process described in part 2513 of this chapter, periodically alter priorities regarding the programs that will receive assistance (funding or approved AmeriCorps positions) provided on a formula basis as described in § 2521.30(a)(2) of this chapter. The State priorities will be subject to Corporation review as part of the application process under part 2521 of this chapter.

(ii) The Corporation will provide advance notice to potential applicants of any AmeriCorps priorities to be in effect for a fiscal year. The notice will describe any alternation made in the priorities since the previous notice. If a program receives multi-year funding based on conformance to national or state priorities and such priorities are altered after the first year of funding, the program will not be adversely affected due to the change in priorities until the term of the grant is ended.

(2) *Areas of need.* Areas of need are: (i) Communities designated by the Federal government or States as empowerment zones or redevelopment areas, targeted for special economic incentives, or otherwise identifiable as having high concentrations of low-income people;

(ii) Areas that are environmentally distressed;

(iii) Areas adversely affected by Federal actions related to the management of Federal lands that result in significant regional job losses and economic dislocation;

(iv) Areas adversely affected by reductions in defense spending or the closure or realignment of military installations; and

(v) Areas that have an unemployment rate greater than the national average unemployment rate for the most recent 12 months for which satisfactory data are available.

(d) *Contribution to overall diversity of programs funded by the Corporation.* The Corporation will select programs that will help to achieve participant, program type, and geographic diversity across programs.

(e) *Additional considerations.* The Corporation may publish in any notice of

§ 2522.420

availability of funding additional factors that it may take into consideration in selecting programs, including any additional priorities applicable to any or all funds.

§ 2522.420 Can a State's application for formula funds be rejected?

Yes. Formula funds are not an entitlement.

(a) *Notification.* If the Corporation rejects an application submitted by a State Commission under part 2550 of this chapter for funds described in § 2521.30 of this chapter, the Corporation will promptly notify the State Commission of the reasons for the rejection of the application.

(b) *Revision.* The Corporation will provide a State Commission notified under paragraph (a) of this section with a reasonable opportunity to revise and resubmit the application. At the request of the State Commission, the Corporation will provide technical assistance to the State Commission as part of the resubmission process. The Corporation will promptly reconsider an application resubmitted under this paragraph.

(c) *Redistribution.* The amount of any State's allotment under § 2521.30(a) of this chapter for a fiscal year that the Corporation determines will not be provided for that fiscal year will be available for redistribution by the Corporation to the States, Territories and Indian Tribes with approved AmeriCorps applications as the Corporation deems appropriate.

Subpart E—Evaluation Requirements

§ 2522.500 What are the purposes of an evaluation?

Every evaluation effort should serve to improve program quality, examine benefits of service, or fulfill legislative requirements.

§ 2522.510 What types of evaluations are States, grant-making entities, and programs required to perform?

All grantees and subgrantees are required to perform internal evaluations which are ongoing efforts to assess performance and improve quality. Grantees and subgrantees may, but are not

45 CFR Ch. XXV (10–1–02 Edition)

required to, arrange for independent evaluation which are assessments of program effectiveness by individuals who are not directly involved in the administration of the program. The cost of independent evaluations is allowable.

§ 2522.520 What types of internal evaluation activities are required of programs?

Programs are required to: (a) Continuously assess management effectiveness, the quality of services provided, and the satisfaction of both participants and persons served. Internal evaluation activities should seek frequent feedback and provide for quick correction of weaknesses. The Corporation encourages programs to use internal evaluation methods such as community advisory councils, participant advisory councils, peer reviews, quality control inspections, and customer and participant surveys;

(b) Track progress toward objectives. Objectives will be established by programs and approved by the Corporation. Programs must submit to the Corporation (or State or grantmaking entity as applicable) periodic performance reports and, as part of an annual report, an annual performance report;

(c) Collect and submit to the Corporation (through the State or grantmaking entity as applicable) the following data: (1) Information on participants including the total number of participants in the program, and the number of participants by race, ethnicity, age, gender, economic background, education level, ethnic group, disability classification, geographic region, and marital status;

(2) Information on services conducted in areas classified as empowerment zones (or redevelopment areas), in areas that are targeted for special economic incentives or otherwise identifiable as having high concentrations of low-income people, in areas that are environmentally distressed, in areas that are adversely affected by Federal actions related to the management of Federal lands, in areas that are adversely affected by reductions in defense spending, or in areas that have an unemployment rate greater than the national average unemployment rate;

(3) Other information as required by the Corporation; and

(d) Cooperate fully with all Corporation evaluation activities.

§ 2522.530 What types of activities are required of States or grantmaking entities to evaluate the effectiveness of their subgrantees?

In cases where a State or grantmaking entity is the direct grantee they will be required to: (a) Ensure that subgrantees comply with the requirements of this subpart;

(b) Track program performance in terms of progress towards pre-established objectives and ensure that corrective action is taken when necessary. Submit periodic performance reports and, as part of an annual report, an annual performance report to the Corporation for each subgrantee;

(c) Collect from programs and submit to the Corporation the descriptive information required in this subpart; and

(d) Cooperate fully with all Corporation evaluation activities.

§ 2522.540 How will the Corporation evaluate individual AmeriCorps programs?

The Corporation will evaluate programs based on the following: (a) The extent to which the program meets the objectives established and agreed to by the grantee and the Corporation before the grant award;

(b) The extent to which the program is cost-effective; and

(c) The effectiveness of the program in meeting the following legislative objectives: (1) Providing direct and demonstrable services and projects that benefit the community by addressing educational, public safety, human, or environmental needs;

(2) Recruiting and enrolling diverse participants consistent with the requirements of part 2540 of this chapter, based on economic background, race, ethnicity, age, gender, marital status, education levels, and disability;

(3) Promoting the educational achievement of each participant based on earning a high school diploma or its equivalent and future enrollment in and completion of increasingly higher levels of education;

(4) Encouraging each participant to engage in public and community serv-

ice after completion of the program based on career choices and participation in other service programs;

(5) Promoting an ethic of active and productive citizenship among participants;

(6) Supplying additional volunteer assistance to community agencies without providing more volunteers than can be effectively utilized;

(7) Providing services and activities that could not otherwise be performed by employed workers and that will not supplant the hiring of, or result in the displacement of, employed workers; and

(8) Other criteria determined and published by the Corporation.

§ 2522.550 What will the Corporation do to evaluate the overall success of the AmeriCorps programs?

(a) The Corporation will conduct independent evaluations of programs, including in-depth studies of selected programs. These evaluations will consider the opinions of participants and members of the community where services are delivered. Where appropriate these studies will compare participants with individuals who have not participated in service programs. These evaluations will: (1) Study the extent to which the national service impacts involved communities;

(2) Study the extent to which national service increases positive attitudes among participants regarding the responsibilities of citizens and their role in solving community problems;

(3) Study the extent to which national service enables participants to afford post-secondary education with fewer student loans;

(4) Determine the costs and effectiveness of different program models in meeting program objectives including full- and part-time programs, programs involving different types of national service, programs using different recruitment methods, programs offering alternative non-federally funded vouchers or post-service benefits, and programs utilizing individual placements and teams;

(5) Determine the impact of programs in each State on the ability of VISTA and National Senior Volunteer Corps, each regular and reserve component of

§ 2522.560

the Armed Forces, and the Peace Corps to recruit individuals residing in that State; and

(6) Determine the levels of living allowances paid in all AmeriCorps programs and American Conservation and Youth Corps, individually, by State, and by region and determine the effects that such living allowances have had on the ability of individuals to participate in such programs.

(b) The Corporation will also determine by June 30, 1995: (1) Whether the State and national priorities designed to meet educational, public safety, human, or environmental needs are being addressed;

(2) Whether the outcomes of both stipended and nonstipended service programs are defined and measured appropriately;

(3) Whether stipended service programs, and service programs providing educational benefits in return for service, should focus on economically disadvantaged individuals or at risk youth, or whether such programs should include a mix of individuals, including individuals from middle and upper income families;

(4) The role and importance of stipends and educational benefits in achieving desired outcomes in the service programs;

(5) The income distribution of AmeriCorps participants, to determine the level of participation of economically disadvantaged individuals. The total income of participants will be determined as of the date the participant was first selected to participate in a program and will include family total income unless the evaluating entity determines that the participant was independent at the time of selection. Definitions for "independent" and "total income" are those used in section 480(a) of the Higher Education Act of 1965;

(6) The amount of assistance provided under the AmeriCorps programs that has been expended for projects conducted in areas classified as empowerment zones (or redevelopment areas), in areas that are targeted for special economic incentives or are otherwise identifiable as having high concentrations of low-income people, in areas that are environmentally distressed or

45 CFR Ch. XXV (10-1-02 Edition)

adversely affected by Federal actions related to the management of Federal lands, in areas that are adversely affected by reductions in defense spending, or in areas that have an unemployment rate greater than the national average unemployment rate for the most recent 12 months for which satisfactory data are available; and

(7) The implications of the results of these studies as appropriate for authorized funding levels.

§ 2522.560 Will information on individual participants be kept confidential?

(a) Yes. The Corporation will maintain the confidentiality of information regarding individual participants that is acquired for the purpose of the evaluations described in § 2522.540. The Corporation will disclose individual participant information only with the prior written consent of the participant. However, the Corporation may disclose aggregate participant information.

(b) Grantees and subgrantees that receive assistance under this chapter must comply with the provisions of paragraph (a) of this section.

AUTHORITY: 42 U.S.C. 12501 *et seq.*

SOURCE: 59 FR 13804, Mar. 23, 1994, unless otherwise noted.

§ 2523.10 Are Federal agencies eligible to apply for AmeriCorps program funds?

Yes. Federal agencies may apply for and receive AmeriCorps funds under parts 2521 and 2522 of this chapter, and they are eligible to receive up to one-third of the funds available for competitive distribution under § 2521.30(b)(3) of this chapter. The Corporation may enter into a grant, contract or cooperative agreement with another Federal agency to support an AmeriCorps program carried out by the agency. The Corporation may transfer funds available to it to other Federal agencies.

§ 2523.20 Which Federal agencies may apply for such funds?

The Corporation will consider applications only from Executive Branch agencies or departments. Bureaus, divisions, and local and regional offices of such departments and agencies can only apply through the central department or agency; however, it is possible for the department or agency to submit an application proposing more than one program.

§ 2523.30 Must Federal agencies meet the requirements imposed on grantees under parts 2521 and 2522 of this chapter?

Yes, except as provided in § 2523.90. Federal agency programs must meet the same requirements and serve the same purposes as all other applicants seeking support under part 2522 of this chapter.

§ 2523.40 For what purposes should Federal agencies use AmeriCorps program funds?

AmeriCorps funds should enable Federal agencies to establish programs that leverage agencies' existing resources and grant-making powers toward the goal of integrating service more fully into agencies' programs and activities. Agencies should plan to ultimately support new service initiatives

out of their own budgets and appropriations.

§ 2523.50 What types of funds are Federal agencies eligible to receive?

Federal agencies may apply for planning and operating funds subject to the terms established by the Corporation in § 2521.20 of this chapter, except that operating grants will be awarded with the expectation that the Federal agencies will support the proposed programs from their own budgets once the Corporation grant(s) expire.

§ 2523.60 May Federal agencies enter into partnerships or participate in consortia?

Yes. Such partnerships or consortia may consist of other Federal agencies, Indian Tribes, subdivisions of States, community based organizations, institutions of higher education, or other non-profit organizations. Partnerships and consortia must be approved by the Corporation.

§ 2523.70 Will the Corporation give special consideration to Federal agency applications that address certain needs?

Yes. The Corporation will give special consideration to those applications that address the national priorities established by the Corporation. The Corporation may also give special consideration to those applications that demonstrate the agency's intent to leverage its own funds through a Corporation-approved partnership or consortium, by raising other funds from Federal or non-Federal sources, by giving grantees incentives to build service opportunities into their programs, by committing appropriate in-kind resources, or by other means.

§ 2523.80 Are there restrictions on the use of Corporation funds?

Yes. The supplantation and non-displacement provisions specified in part 2540 of this chapter apply to the Federal AmeriCorps programs supported with such assistance.

§ 2523.90

§ 2523.90 Is there a matching requirement for Federal agencies?

No. A Federal agency is not required to match funds in programs that receive support under this chapter. However, Federal agency subgrantees are required to match funds in accordance with the requirements of § 2521.30(g) and § 2522.240(b)(5) of this chapter.

§ 2523.100 Are participants in programs operated by Federal agencies Federal employees?

No. Participants in these programs have the same employee status as participants in other approved AmeriCorps programs, and are not considered Federal employees, except for the purposes of the Family and Medical Leave Act as specified in § 2540.220(b) of this chapter.

§ 2523.110 Can Federal agencies submit multiple applications?

No. The Corporation will only consider one application from a Federal agency for each AmeriCorps competition. The application may propose more than one program, however, and the Corporation may choose to fund any or all of those programs.

§ 2523.120 Must Federal agencies consult with State Commissions?

Yes. Federal agencies must provide a description of the manner in which the proposed AmeriCorps program(s) is coordinated with the application of the State in which the projects will be conducted. Agencies must also describe proposed efforts to coordinate AmeriCorps activities with State Commissions and other funded AmeriCorps programs within the State in order to build upon existing programs and not duplicate efforts.

SOURCE: 59 FR 13805, Mar. 23, 1994, unless otherwise noted.

§ 2524.10 For what purposes will technical assistance and training funds be made available?

(a) To the extent appropriate and necessary, the Corporation may make technical assistance available to States, Indian tribes, labor organizations, religious organizations, organizations operated by young adults, organizations serving economically disadvantaged individuals, and other entities eligible to apply for assistance under parts 2521 and 2522 of this chapter that desire—

(b) In addition, the Corporation may provide program development assistance and conduct, directly or by grant or contract, appropriate training programs regarding AmeriCorps in order to—

(1) Improve the ability of AmeriCorps programs assisted under parts 2521 and 2522 of this chapter to meet educational, public safety, human, or environmental needs in communities—

(i) Where services are needed most; and

(ii) Where programs do not exist, or are too limited to meet community needs, as of the date on which the Corporation makes the grant or enters into the contract;

(2) Promote leadership development in such programs;

(3) Improve the instructional and programmatic quality of such programs to build an ethic of civic responsibility;

(4) Develop the management and budgetary skills of program operators;

(b) *Duration.* A grant made under this section will be for a term of up to one year and is renewable.

(c) *Application requirements.* Eligible applicants must comply with the requirements specified in the Corporation's application package.

§ 2524.30 What are the guidelines for challenge grants?

(a) *Purpose.* The purpose of these grants is to challenge high quality AmeriCorps programs to diversify their funding base by matching private dollars they have raised with Corporation support. The Corporation will provide not more than \$1 for each \$1 raised in cash by the program from private sources in excess of amounts otherwise required to be provided by the program to satisfy the matching funds requirements specified under § 2521.30(g) of this chapter.

(b) *Eligibility.* Only Corporation grantees that meet all of the following eligibility criteria may apply for challenge grants: (1) They are funded under parts 2520 through 2523 of this chapter.

(2) They are high quality programs with demonstrated experience in establishing and implementing projects that provide benefits to participants and communities.

(3) They have operated with Corporation funds for at least six months.

(4) They have secured the minimum matching funds required by §§ 2521.30(g), 2522.240(b)(5), 2522.250(a)(4), and 2522.250(b)(2) of this chapter.

(c) *Allowable program activities.* Challenge grants are intended to provide special opportunities for national and community service programs to enroll additional participants or undertake other activities specified by the Corporation.

(d) *Application procedures.* Eligible applicants must comply with the requirements specified in the Corporation's application materials.

(e) *Limitation on use of the funds.* Each year the Corporation will establish a maximum award that a program may receive as a challenge grant.

(f) *Allocation of funds.* The Corporation will determine annually how much funding will be allocated to challenge grants from funds appropriated for AmeriCorps programs.

§ 2524.40 What are the guidelines for grants to involve persons with disabilities?

(a) *Purpose.* There are two general purposes for these grants: (1) To assist AmeriCorps grantees in placing applicants who require reasonable accommodation (as defined in section 101(9) of the Americans With Disabilities Act of 1990, 42 U.S.C. 12111(9)) or auxiliary aids and services (as defined in section 3(1) of such Act, 42 U.S.C. 12102(1)) in an AmeriCorps program; and

(2) To conduct outreach activities to individuals with disabilities to recruit them for participation in AmeriCorps programs.

(b) *Eligibility—(1) Placement, accommodation, and auxiliary services.* Eligibility for assistance under this part is limited to AmeriCorps programs that: (i) Receive competitive funding from the Corporation under § 2521.30(a)(3) or 2521.30(b)(3) of this chapter; and

(ii) Demonstrate that the program has received a substantial number of applications for placement from persons who are individuals with a disability and who require a reasonable accommodation (as defined in section 101(9) of the Americans with Disabilities Act of 1990), or auxiliary aids and services (as defined in section 3(1) of such Act) in order to perform national service; and

(iii) Demonstrate that additional funding would assist the program in placing a substantial number of such

§ 2524.50

individuals with a disability as participants in projects carried out through the program.

(2) *Outreach.* Corporation grantees and any public or private nonprofit organization may apply for funds to conduct outreach to individuals with disabilities to recruit them for participation in AmeriCorps programs. Outreach funds can also be used by any organization to assist AmeriCorps programs in adapting their programs to encourage greater participation by individuals with disabilities.

(c) *Application procedures.* Eligible applicants must comply with the requirements specified in the Corporation's application materials.

§ 2524.50 What are the guidelines for assistance with disaster relief?

(a) *Purpose.* Disaster relief funds are intended to provide emergency assistance not otherwise available to enable national and community service programs to respond quickly and effectively to a Presidentially-declared disaster.

(b) *Eligibility.* Any AmeriCorps program (including youth corps, the National Civilian Community Corps, VISTA, and other programs authorized under the Domestic Volunteer Services Act) or grant making entity (such as a State or Federal agency) that is supported by the Corporation may apply for disaster relief grants.

(c) *Application process.* Eligible applicants must comply with the requirements specified in the Corporation's application materials.

(d) *Waivers.* In appropriate cases, due to the limited nature of disaster activities, the Corporation may waive specific program requirements such as matching requirements and the provision of AmeriCorps educational awards for participants supported with disaster relief funds.

[64 FR 37414, July 12, 1999]

§ 2525.20 Definitions.

In addition to the definitions in § 2510.20 of this chapter, the following definitions apply to terms used in parts 2525 through 2529 of this chapter:

Approved school-to-work program. The term *approved school-to-work program* means a program that is involved in a federally-approved school-to-work system, as certified by a State, designated local partnership, or other entity that receives a grant under the School-to-Work Opportunities Act of 1994 (20 U.S.C. 6101 *et seq.*).

Cost of attendance. The term *cost of attendance* has the same meaning as in title IV of the Higher Education Act of 1965, as amended (20 U.S.C. 1070 *et seq.*).

Current educational expenses. The term *current educational expenses* means the cost of attendance, or other costs attributable to an educational course offered by an institution of higher education that has in effect a program participation agreement under Title IV of the Higher Education Act, for a period of enrollment that begins after an individual enrolls in an approved national service position.

§ 2540.100 What restrictions govern the use of Corporation assistance?

(a) *Supplantation.* Corporation assistance may not be used to replace State and local public funds that had been used to support programs of the type eligible to receive Corporation support. For any given program, this condition will be satisfied if the aggregate non-Federal public expenditure for that program in the fiscal year that support is to be provided is not less than the previous fiscal year.

(b) *Religious use.* Corporation assistance may not be used to provide religious instruction, conduct worship services, or engage in any form of proselytization.

(d) *Contracts or collective bargaining agreements.* Corporation assistance may not be used to impair existing contracts for services or collective bargaining agreements.

(e) *Nonduplication.* Corporation assistance may not be used to duplicate an activity that is already available in the locality of a program. And, unless the requirements of paragraph (f) of this section are met, Corporation assistance will not be provided to a private nonprofit entity to conduct activities that are the same or substantially equivalent to activities provided by a State or local government agency in which such entity resides.

(f) *Nondisplacement.* (1) An employer may not displace an employee or posi-

tion, including partial displacement such as reduction in hours, wages, or employment benefits, as a result of the use by such employer of a participant in a program receiving Corporation assistance.

(2) A service opportunity will not be created under this chapter that will infringe in any manner on the promotional opportunity of an employed individual.

(3) A participant in a program receiving Corporation assistance may not perform any services or duties or engage in activities that would otherwise be performed by an employee as part of the assigned duties of such employee.

(4) A participant in any program receiving assistance under this chapter may not perform any services or duties, or engage in activities, that—

(i) Will supplant the hiring of employed workers; or

(ii) Are services, duties, or activities with respect to which an individual has recall rights pursuant to a collective bargaining agreement or applicable personnel procedures.

(5) A participant in any program receiving assistance under this chapter may not perform services or duties that have been performed by or were assigned to any—

(i) Presently employed worker;

(ii) Employee who recently resigned or was discharged;

(iii) Employee who is subject to a reduction in force or who has recall rights pursuant to a collective bargaining agreement or applicable personnel procedures;

(iv) Employee who is on leave (terminal, temporary, vacation, emergency, or sick); or

(v) Employee who is on strike or who is being locked out.

§ 2540.110 Limitation on use of Corporation funds for administrative costs.

(a)(1) Not more than five percent of the grant funds provided under 45 CFR 2516, 2517, 2519, and 2521 for any fiscal year may be used to pay for administrative costs, as defined in § 2510.20 of this chapter.

(2) The distribution of administrative costs between the grant and any

§ 2540.200

subgrant will be subject to the approval of the Corporation.

(3) In applying the limitation on administrative costs the Corporation will approve one of the following methods in the award document:

(i) Limit the amount or rate of indirect costs that may be paid with Corporation funds under a grant or subgrant to five percent of total Corporation funds expended, provided that—

(A) Organizations that have an established indirect cost rate for Federal awards will be limited to this method; and

(B) Unreimbursed indirect costs may be applied to meeting operational matching requirements under the Corporation's award;

(ii) Specify that a fixed rate of five percent or less (not subject to supporting cost documentation) of total Corporation funds expended may be used to pay for administrative costs, provided that the fixed rate is in conjunction with an overall 15 percent administrative cost factor to be used for organizations that do not have established indirect cost rates; or

(iii) Utilize such other method that the Corporation determines in writing is consistent with OMB guidance and other applicable requirements, helps minimize the burden on grantees or subgrantees, and is beneficial to grantees or subgrantees and the Federal Government.

(b) Costs attributable to administrative functions as well as program functions should be prorated between administrative costs and program costs.

[63 FR 18138, Apr. 14, 1998]

Subpart B—Requirements Directly Affecting the Selection and Treatment of Participants

§ 2540.200 Under what circumstances may participants be engaged?

A State may not engage a participant to serve in any program that receives Corporation assistance unless and until amounts have been appropriated under section 501 of the Act (42 U.S.C. 12681) for the provision of AmeriCorps educational awards and for the payment of other necessary ex-

45 CFR Ch. XXV (10–1–02 Edition)

penses and costs associated with such participant.

§ 2540.210 What provisions exist to ensure that Corporation-supported programs do not discriminate in the selection of participants and staff?

(a) An individual with responsibility for the operation of a project that receives Corporation assistance must not discriminate against a participant in, or member of the staff of, such project on the basis of race, color, national origin, sex, age, or political affiliation of such participant or member, or on the basis of disability, if the participant or member is a qualified individual with a disability.

(b) Any Corporation assistance constitutes Federal financial assistance for purposes of title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.), title IX of the Education Amendments of 1972 (20 U.S.C. 1681 et seq.), section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), and the Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.), and constitutes Federal financial assistance to an education program or activity for purposes of the Education Amendments of 1972 (20 U.S.C. 1681 et seq.).

(c) An individual with responsibility for the operation of a project that receives Corporation assistance may not discriminate on the basis of religion against a participant in such project or a member of the staff of such project who is paid with Corporation funds. This provision does not apply to the employment (with Corporation assistance) of any staff member of a Corporation-supported project who was employed with the organization operating the project on the date the Corporation grant was awarded.

§ 2540.220 Under what circumstances and subject to what conditions are participants in Corporation-assisted programs eligible for family and medical leave?

(a) *Participants in State, local, or private nonprofits programs.* A participant in a State, local, or private nonprofit program receiving support from the Corporation is considered an eligible employee of the program's project sponsor under the Family and Medical Leave Act of 1993 (29 CFR part 825) if—

(1) The participant has served for at least 12 months and 1,250 hours during the year preceding the start of the leave; and

(2) The program's project sponsors engages in commerce or any industry or activity affecting commerce, and employs at least 50 employees for each working day during 20 or more calendar workweeks in the current or preceding calendar year.

(b) *Participants in Federal programs.* Participants in Federal programs operated by the Corporation or by another Federal agency will be considered Federal employees for the purposes of the Family and Medical Leave Act if the participants have completed 12 months of service and the project sponsor is an employing agency as defined in 5 U.S.C 6381 *et seq.*; such participants therefore will be eligible for the same family and medical leave benefits afforded to such Federal employees.

(c) *General terms and conditions.* Participants that qualify as eligible employees under paragraphs (a) or (b) of this section are entitled to take up to 12 weeks of unpaid leave during a 12 month period for any of the following reasons (in the cases of both paragraphs (c)(1) and (2) of this section the entitlement to leave expires 12 months after the birth or placement of such child): (1) The birth of a child to a participant;

(2) The placement of a child with a participant for adoption or foster care;

(3) The serious illness of a participant's spouse, child or parent; or

(4) A participant's serious health condition that makes that participant unable to perform his or her essential service duties (a serious health condition is an illness or condition that requires either inpatient care or continuing treatment by a health care provider).

(d) *Intermittent leave or reduced service.* The program, serving as the project sponsor, may allow a participant to take intermittent leave or reduce his or her service hours due to the birth of or placement of a child for adoption or foster care. The participant may also take leave to care for a seriously ill immediate family member or may take leave due to his or her own serious ill-

ness whenever it is medically necessary.

(e) *Alternate placement.* If a participant requests intermittent leave or a reduced service hours due to a serious illness or a family member's sickness, and the need for leave is foreseeable based on planned medical treatment, the program, or project sponsor may temporarily transfer the participant to an alternative service position if the participant: (1) Is qualified for the position; and

(2) Receives the same benefits such as stipend or living allowance and the position better accommodates the participants recurring periods of leave.

(f) *Certification of cause.* A program, or project sponsor may require that the participant support a leave request with a certification from the health care provider of the participant or the participant's family member. If a program sponsor requests a certification, the participant must provide it in a timely manner.

(g) *Continuance of coverage.* (1) If a State, local or private program provides for health insurance for the full-time participant, the sponsor must continue to provide comparable health coverage at the same level and conditions that coverage would have been provided for the duration of the participant's leave.

(2) If the Federal program provides health insurance coverage for the full-time participant, the sponsor must also continue to provide the same health care coverage for the duration of the participant's leave.

(h) *Failure to return.* If the participant fails to return to the program at the end of leave for any reason other than continuation, recurrence or onset of a serious health condition or other circumstances beyond his or her control, the program may recover the premium that he or she paid during any period of unpaid leave.

(i) *Applicability to term of service.* Any absence, due to family and medical leave, will not be counted towards the participant's term of service.

§ 2540.230 What grievance procedures must recipients of Corporation assistance establish?

State and local applicants that receive assistance from the Corporation must establish and maintain a procedure for the filing and adjudication of grievances from participants, labor organizations, and other interested individuals concerning programs that receive assistance from the Corporation. A grievance procedure may include dispute resolution programs such as mediation, facilitation, assisted negotiation and neutral evaluation. If the grievance alleges fraud or criminal activity, it must immediately be brought to the attention of the Corporation's inspector general.

(a) *Alternative dispute resolution.* (1) The aggrieved party may seek resolution through alternative means of dispute resolution such as mediation or facilitation. Dispute resolution proceedings must be initiated within 45 calendar days from the date of the alleged occurrence. At the initial session of the dispute resolution proceedings, the party must be advised in writing of his or her right to file a grievance and right to arbitration. If the matter is resolved, and a written agreement is reached, the party will agree to forego filing a grievance in the matter under consideration.

(2) If mediation, facilitation, or other dispute resolution processes are selected, the process must be aided by a neutral party who, with respect to an issue in controversy, functions specifically to aid the parties in resolving the matter through a mutually achieved and acceptable written agreement. The neutral party may not compel a resolution. Proceedings before the neutral party must be informal, and the rules of evidence will not apply. With the exception of a written and agreed upon dispute resolution agreement, the proceeding must be confidential.

(b) *Grievance procedure for unresolved complaints.* If the matter is not resolved within 30 calendar days from the date the informal dispute resolution process began, the neutral party must again inform the aggrieving party of his or her right to file a formal grievance. In the event an aggrieving party files a grievance, the neutral may not participate

in the formal complaint process. In addition, no communication or proceedings of the informal dispute resolution process may be referred to or introduced into evidence at the grievance and arbitration hearing. Any decision by the neutral party is advisory and is not binding unless both parties agree.

(c) *Time limitations.* Except for a grievance that alleges fraud or criminal activity, a grievance must be made no later than one year after the date of the alleged occurrence. If a hearing is held on a grievance, it must be conducted no later than 30 calendar days after the filing of such grievance. A decision on any such grievance must be made no later than 60 calendar days after the filing of the grievance.

(d) *Arbitration—(1) Arbitrator—(i) Joint selection by parties.* If there is an adverse decision against the party who filed the grievance, or 60 calendar days after the filing of a grievance no decision has been reached, the filing party may submit the grievance to binding arbitration before a qualified arbitrator who is jointly selected and independent of the interested parties.

(ii) *Appointment by Corporation.* If the parties cannot agree on an arbitrator within 15 calendar days after receiving a request from one of the grievance parties, the Corporations Chief Executive Officer will appoint an arbitrator from a list of qualified arbitrators.

(2) *Time Limits—(i) Proceedings.* An arbitration proceeding must be held no later than 45 calendar days after the request for arbitration, or, if the arbitrator is appointed by the Chief Executive Officer, the proceeding must occur no later than 30 calendar days after the arbitrator's appointment.

(ii) *Decision.* A decision must be made by the arbitrator no later than 30 calendar days after the date the arbitration proceeding begins.

(3) *The cost.* The cost of the arbitration proceeding must be divided evenly between the parties to the arbitration. If, however, a participant, labor organization, or other interested individual prevails under a binding arbitration proceeding, the State or local applicant that is a party to the grievance must pay the total cost of the proceeding and the attorney's fees of the prevailing party.

Corporation for National and Community Service

§ 2540.400

(e) *Suspension of placement.* If a grievance is filed regarding a proposed placement of a participant in a program that receives assistance under this chapter, such placement must not be made unless the placement is consistent with the resolution of the grievance.

(f) *Remedies.* Remedies for a grievance filed under a procedure established by a recipient of Corporation assistance may include—

(1) Prohibition of a placement of a participant; and

(2) In grievance cases where there is a violation of nonduplication or nondisplacement requirements and the employer of the displaced employee is the recipient of Corporation assistance—

(i) Reinstatement of the employee to the position he or she held prior to the displacement;

(ii) Payment of lost wages and benefits;

(iii) Re-establishment of other relevant terms, conditions and privileges of employment; and

(iv) Any other equitable relief that is necessary to correct any violation of the nonduplication or nondisplacement requirements or to make the displaced employee whole.

(g) *Suspension or termination of assistance.* The Corporation may suspend or terminate payments for assistance under this chapter.

(h) *Effect of noncompliance with arbitration.* A suit to enforce arbitration awards may be brought in any Federal district court having jurisdiction over the parties without regard to the amount in controversy or the parties' citizenship.

§ 2540.400 Under what circumstances will the Corporation suspend or terminate a grant or contract?

(a) *Suspension of a grant or contract.* In emergency situations, the Corporation may suspend a grant or contract for not more than calendar 30 days. Examples of such situations may include, but are not limited to: (1) Serious risk to persons or property;

(2) Violations of Federal, State or local criminal statutes; and

Pt. 2541

(3) Material violation(s) of the grant or contract that are sufficiently serious that they outweigh the general policy in favor of advance notice and opportunity to show cause.

(b) *Termination of a grant or contract.* The Corporation may terminate or revoke assistance for failure to comply with applicable terms and conditions of this chapter. However, the Corporation must provide the recipient reasonable notice and opportunity for a full and fair hearing, subject to the following conditions: (1) The Corporation will notify a recipient of assistance by letter or telegram that the Corporation intends to terminate or revoke assistance, either in whole or in part, unless the recipient shows good cause why such assistance should not be terminated or revoked. In this communication, the grounds and the effective date for the proposed termination or revocation will be described. The recipient will be given at least 7 calendar days to submit written material in opposition to the proposed action.

(2) The recipient may request a hearing on a proposed termination or revocation. Subpart A—General

§ 2541.10 Purpose and scope of this part.

This part establishes uniform administrative rules for Federal grants and cooperative agreements and subawards to State, local and Indian tribal governments.

§ 2541.20 Scope of subpart.

This subpart contains general rules pertaining to this part and procedures for control of exceptions from this part.

§ 2541.30 Definitions.

The following definitions apply to terms used in this part and part 2542 of this chapter.

Accrued expenditures. The term *accrued expenditures* means the charges incurred by the grantee during a given period requiring the provision of funds for:

(1) Goods and other tangible property received;

(2) Services performed by employees, contractors, subgrantees, subcontractors, and other payees; and

(3) Other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit payments.

Accrued income. The term *accrued income* means the sum of:

(1) Earnings during a given period from services performed by the grantee and goods and other tangible property delivered to purchasers; and

(2) Amounts becoming owed to the grantee for which no current services or performance is required by the grantee.

Acquisition cost. The term *acquisition cost* of an item of purchased equipment means the net invoice unit price of the property including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the grantee's regular accounting practices.

Administrative requirements. The term *administrative requirements* means those matters common to grants in general, such as financial management, kinds and frequency of reports, and retention of records. These are distinguished from "programmatic" requirements, which concern matters that can be treated only on a program-by-program or grant-by-grant basis, such as kinds of activities that can be supported by grants under a particular program.

Awarding agency. The term *awarding agency* means:

(1) With respect to a grant, the Federal agency; and

(2) With respect to a subgrant, the party that awarded the subgrant.

Cash contributions. The term *cash contributions* means the grantee's cash outlay, including the outlay of money contributed to the grantee or subgrantee by other public agencies and institutions, and private organizations and individuals. When authorized by Federal legislation, Federal funds received from other assistance agreements may be considered as grantee or subgrantee cash contributions.

Contract. The term *contract* means (except as used in the definitions for "grant" and "subgrant" in this section and except where qualified by "Federal") a procurement contract under a grant or subgrant, and means a procurement subcontract under a contract.

Cost sharing (or matching). The term *cost sharing (or matching)* means the value of the third party in-kind contributions and the portion of the costs of a federally assisted project or program not borne by the Federal Government.

Cost-type contract. The term *cost-type contract* means a contract or subcontract under a grant in which the contractor or subcontractor is paid on the basis of the costs it incurs, with or without a fee.

Equipment. The term *equipment* means tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. A grantee may use its own definition of equipment provided that such definition would at least include all equipment mentioned in this definition.

Expenditure report. The term *expenditure report* means:

(1) For nonconstruction grants, the SF-269 "Financial Status Report" (or other equivalent report);

(2) for construction grants, the SF-271 "Outlay Report and Request for Reimbursement" (or other equivalent report).

Federally recognized Indian tribal government. The term *federally recognized Indian tribal government* means the governing body or a governmental agency of any Indian tribe, band, nation, or other organized group or community

(including any Native village as defined in section 3 of the Alaska Native Claims Settlement Act, 85 Stat. 688) certified by the Secretary of the Interior as eligible for the special programs and services provided by him through the Bureau of Indian Affairs.

Government. The term *government* means a State or local government or a federally recognized Indian tribal government.

Grant. The term *grant* means an award of financial assistance, including cooperative agreements, in the form of money, or property in lieu of money, by the Federal Government to an eligible grantee. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, interest subsidies, insurance, or direct appropriations. Also, the term does not include assistance, such as a fellowship or other lump sum award, which the grantee is not required to account for.

Grantee. The term *grantee* means the government to which a grant is awarded and which is accountable for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award document.

Local government. The term *local government* means a county, municipality, city, town, township, local public authority (including any public and Indian housing agency under the United States Housing Act of 1937 (42 U.S.C. 1401 et seq.) school district, special district, intrastate district, council of governments (whether or not incorporated as a nonprofit corporation under state law), any other regional or interstate government entity, or any agency or instrumentality of a local government.

Obligations. The term *obligations* means the amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment by the grantee during the same or a future period.

OMB. The term *OMB* means the United States Office of Management and Budget.

Outlays (expenditures). The term *outlays* (expenditures) means charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of actual cash disbursement for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrued expenditure basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the new increase (or decrease) in the amounts owed by the grantee for goods and other property received, for services performed by employees, contractors, subgrantees, subcontractors, and other payees, and other amounts becoming owed under programs for which no current services or performance are required, such as annuities, insurance claims, and other benefit payments.

Percentage of completion method. The term *percentage of completion method* refers to a system under which payments are made for construction work according to the percentage of completion of the work, rather than to the grantee's cost incurred.

Prior approval. The term *prior approval* means documentation evidencing consent prior to incurring specific cost.

Real property. The term *real property* means land, including land improvements, structures and appurtenances thereto, excluding movable machinery and equipment.

Share. The term *share*, when referring to the awarding agency's portion of real property, equipment or supplies, means the same percentage as the awarding agency's portion of the acquiring party's total costs under the grant to which the acquisition costs under the grant to which the acquisition cost of the property was charged. Only costs are to be counted—not the value of third-party in-kind contributions.

State. The term *State* means any of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or

possession of the United States, or any agency or instrumentality of a State exclusive of local governments. The term does not include any public and Indian housing agency under the United States Housing Act of 1937.

Subgrant. The term *subgrant* means an award of financial assistance in the form of money, or property in lieu of money, made under a grant by a grantee to an eligible subgrantee. The term includes financial assistance when provided by contractual legal agreement, but does not include procurement purchases, nor does it include any form of assistance which is excluded from the definition of "grant" in this part.

Subgrantee. The term *subgrantee* means the government or other legal entity to which a subgrant is awarded and which is accountable to the grantee for the use of the funds provided.

Supplies. The term *supplies* means all tangible personal property other than "equipment" as defined in this part.

Suspension. The term *suspension* means, depending on the context, either—

(1) Temporary withdrawal of the authority to obligate grant funds pending corrective action by the grantee or subgrantee or a decision to terminate the grant; or

(2) An action taken by a suspending official in accordance with agency regulations implementing E.O. 12549 (3 CFR, 1986 Comp., p. 189) to immediately exclude a person from participating in grant transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue.

Termination. The term *termination* means permanent withdrawal of the authority to obligate previously-awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or subgrantee. Termination does not include—

(1) Withdrawal of funds awarded on the basis of the grantee's underestimate of the unobligated balance in a prior period;

(2) Withdrawal of the unobligated balance as of the expiration of a grant;

(3) Refusal to extend a grant or award additional funds, to make a com-

peting or noncompeting continuation, renewal, extension, or supplemental award; or

(4) Voiding of a grant upon determination that the award was obtained fraudulently, or was otherwise illegal or invalid from inception.

Terms of a grant or subgrant mean all requirements of the grant or subgrant, whether in statute, regulations, or the award document.

Third party in-kind contributions. The term *third party in-kind contributions* means property or services which benefit a federally assisted project or program and which are contributed by non-Federal third parties without charge to the grantee, or a cost-type contractor under the grant agreement.

Unliquidated obligations for reports prepared on a cash basis. The term *unliquidated obligations for reports prepared on a cash basis* means the amount of obligations incurred by the grantee that has not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the grantee for which an outlay has not been recorded.

Unobligated balance. The term *unobligated balance* means the portion of the funds authorized by the Federal agency that has not been obligated by the grantee and is determined by deducting the cumulative obligations from the cumulative funds authorized.

§ 2541.40 Applicability.

(a) *General.* Subparts A through D of this part apply to all grants and subgrants to governments, except where inconsistent with Federal statutes or with regulations authorized in accordance with the exception provision of § 2541.60, or:

(c) Exceptions on a case-by-case basis and for subgrantees may be authorized by the affected Federal agencies.

Subpart B—Pre-Award Requirements

§ 2541.100 Forms for applying for grants.

(a) *Scope.* (1) This section prescribes forms and instructions to be used by governmental organizations (except hospitals and institutions of higher education operated by a government) in applying for grants. This section is not applicable, however, to formula grant programs which do not require applicants to apply for funds on a project basis.

(2) This section applies only to applications to Federal agencies for grants, and is not required to be applied by grantees in dealing with applicants for subgrants. However, grantees are encouraged to avoid more detailed or burdensome application requirements for subgrants.

(b) *Authorized forms and instructions for governmental organizations.* (1) In applying for grants, applicants shall only use standard application forms or those prescribed by the granting agency with the approval of OMB under the Paperwork Reduction Act of 1980 (44 U.S.C. 3501 et seq.).

(2) Applicants are not required to submit more than the original and two copies of preapplications or applications.

(3) Applicants must follow all applicable instructions that bear OMB clearance numbers. Federal agencies may specify and describe the programs, functions, or activities that will be used to plan, budget, and evaluate the work under a grant. Other supplementary instructions may be issued only with the approval of OMB to the extent required under the Paperwork Reduction Act of 1980. For any standard form, except the SF-424 facesheet, Federal agencies may shade out or instruct the applicant to disregard any line item that is not needed.

(4) When a grantee applies for additional funding (such as a continuation or supplemental award) or amends a previously submitted application, only the affected pages need be submitted. Previously submitted pages with information that is still current need not be resubmitted.

§ 2541.110 State plans.

(a) *Scope.* The statutes for some programs require States to submit plans before receiving grants. Under regulations implementing Executive Order 12372 (3 CFR, 1982 Comp., p. 197), "Intergovernmental Review of Federal Programs," States are allowed to simplify, consolidate and substitute plans. This section contains additional provisions for plans that are subject to regulations implementing the Executive order.

(b) *Requirements.* A State need meet only Federal administrative or programmatic requirements for a plan that are in statutes or codified regulations.

(c) *Assurances.* In each plan the State will include an assurance that the State shall comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. For this assurance and other assurances required in the plan, the State may:

(1) Cite by number the statutory or regulatory provisions requiring the assurances and affirm that it gives the assurances required by those provisions;

(2) Repeat the assurance language in the statutes or regulations; or

(3) Develop its own language to the extent permitted by law.

(d) *Amendments.* A State will amend a plan whenever necessary to reflect: New or revised Federal statutes or regulations; or a material change in any State law, organization, policy, or State agency operation. The State will obtain approval for the amendment and its effective date but need submit for approval only the amended portions of the plan.

§ 2541.120 Special grant or subgrant conditions for "high-risk" grantees.

(a) A grantee or subgrantee may be considered "high risk" if an awarding agency determines that a grantee or subgrantee:

(1) Has a history of unsatisfactory performance; or

(2) Is not financially stable; or

(3) Has a management system which does not meet the management standards set forth in this part; or

(4) Has not conformed to terms and conditions of previous awards; or

(5) Is otherwise not responsible; and if the awarding agency determines that an award will be made, special conditions and/or restrictions shall correspond to the high risk condition and shall be included in the award.

(b) Special conditions or restrictions may include:

(1) Payment on a reimbursement basis;

(2) Withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period;

(3) Requiring additional, more detailed financial reports;

(4) Additional project monitoring;

(5) Requiring the grantee or subgrantee to obtain technical or management assistance; or

(6) Establishing additional prior approvals.

(c) If an awarding agency decides to impose such conditions, the awarding official will notify the grantee or subgrantee as early as possible, in writing, of:

(1) The nature of the special conditions/restrictions;

(2) The reason(s) for imposing them;

(3) The corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions; and

(4) The method of requesting reconsideration of the conditions/restrictions imposed.

Subpart C—Post-Award Requirements

§ 2541.200 Standards for financial management systems.

(a) A State must expand and account for grant funds in accordance with State laws and procedures for expending and accounting for its own funds. Fiscal control and accounting procedures of the State, as well as its subgrantees and cost-type contractors, must be sufficient to—

(1) Permit preparation of reports required by this part and the statutes authorizing the grant; and

(2) Permit the tracing of funds to a level of expenditures adequate to establish that such funds have not been

used in violation of the restrictions and prohibitions of applicable statutes.

(b) The financial management systems of other grantees and subgrantees must meet the following standards:

(1) *Financial reporting.* Accurate, current, and complete disclosure of the financial results of financially assisted activities must be made in accordance with the financial reporting requirements of the grant or subgrant.

(2) *Accounting records.* Grantees and subgrantees must maintain records which adequately identify the source and application of funds provided for financially-assisted activities. These records must contain information pertaining to grant or subgrant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income.

(3) *Internal control.* Effective control and accountability must be maintained for all grant and subgrant cash, real and personal property, and other assets. Grantees and subgrantees must adequately safeguard all such property and must assure that it is used solely for authorized purposes.

(4) *Budget control.* Actual expenditures or outlays must be compared with budgeted amounts for each grant or subgrant. Financial information must be related to performance or productivity data, including the development of unit cost information whenever appropriate or specifically required in the grant or subgrant agreement. If unit cost data are required, estimates based on available documentation will be accepted whenever possible.

(5) *Allowable cost.* Applicable OMB cost principles, agency program regulations, and the terms of grant and subgrant agreements will be followed in determining the reasonableness, allowability, and allocability of costs.

(6) *Source documentation.* Accounting records must be supported by such source documentation as canceled checks, paid bills, payrolls, time and attendance records, contract and subgrant award documents, etc.

(7) *Cash management.* Procedures for minimizing the time elapsing between the transfer of funds from the U.S. Treasury and disbursement by grantees and subgrantees must be followed

whenever advance payment procedures are used. Grantees must establish reasonable procedures to ensure the receipt of reports on subgrantees' cash balances and cash disbursements in sufficient time to enable them to prepare complete and accurate cash transactions reports to the awarding agency. When advances are made by letter-of-credit or electronic transfer of funds methods, the grantee must make drawdowns as close as possible to the time of making disbursements. Grantees must monitor cash drawdowns by their subgrantees to assure that they conform substantially to the same standards of timing and amount as apply to advances to the grantees.

(c) An awarding agency may review the adequacy of the financial management system of any applicant for financial assistance as part of a preaward review or at any time subsequent to award.

§2541.210 Payment.

(a) *Scope.* This section prescribes the basic standard and the methods under which a Federal agency will make payments to grantees, and grantees will make payments to subgrantees and contractors.

(b) *Basic standard.* Methods and procedures for payment shall minimize the time elapsing between the transfer of funds and disbursement by the grantee or subgrantee, in accordance with Treasury regulations at 31 CFR part 205.

(c) *Advances.* Grantees and subgrantees shall be paid in advance, provided they maintain or demonstrate the willingness and ability to maintain procedures to minimize the time elapsing between the transfer of the funds and their disbursement by the grantee or subgrantee.

(d) *Reimbursement.* Reimbursement shall be the preferred method when the requirements in paragraph (c) of this section are not met. Grantees and subgrantees may also be paid by reimbursement for any construction grant. Except as otherwise specified in regulation, Federal agencies shall not use the percentage of completion method to pay construction grants. The grantee or subgrantee may use that method to pay its construction contractor, and if

it does, the awarding agency's payments to the grantee or subgrantee will be based on the grantee's or subgrantee's actual rate of disbursement.

(e) *Working capital advances.* If a grantee cannot meet the criteria for advance payments described in paragraph (c) of this section, and the Federal agency has determined that reimbursement is not feasible because the grantee lacks sufficient working capital, the awarding agency may provide cash on a working capital advance basis. Under this procedure the awarding agency shall advance cash to the grantee to cover its estimated disbursement needs for an initial period generally geared to the grantee's disbursing cycle. Thereafter, the awarding agency shall reimburse the grantee for its actual cash disbursements. The working capital advance method of payment shall not be used by grantees or subgrantees if the reason for using such method is the unwillingness or inability of the grantee to provide timely advances to the subgrantee to meet the subgrantee's actual cash disbursements.

(f) *Effect of program income, refunds, and audit recoveries on payment.* (1) Grantees and subgrantees shall disburse repayments to and interest earned on a revolving fund before requesting additional cash payments for the same activity.

(2) Except as provided in paragraph (f)(1) of this section, grantees and subgrantees shall disburse program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(g) *Withholding payments.* (1) Unless otherwise required by Federal statute, awarding agencies shall not withhold payments for proper charges incurred by grantees or subgrantees unless—

(i) The grantee or subgrantee has failed to comply with grant award conditions; or

(ii) The grantee or subgrantee is indebted to the United States.

(2) Cash withheld for failure to comply with grant award condition, but without suspension of the grant, shall

§ 2541.220

be released to the grantee upon subsequent compliance. When a grant is suspended, payment adjustments will be made in accordance with § 2541.410(c).

(3) A Federal agency shall not make payment to grantees for amounts that are withheld by grantees or subgrantees from payment to contractors to assure satisfactory completion of work. Payments shall be made by the Federal agency when the grantees or subgrantees actually disburse the withheld funds to the contractors or to escrow accounts established to assure satisfactory completion of work.

(h) *Cash depositories.* (1) Consistent with the national goal of expanding the opportunities for minority business enterprises, grantees and subgrantees are encouraged to use minority banks (a bank which is owned at least 50 percent by minority group members). A list of minority owned banks can be obtained from the Minority Business Development Agency, Department of Commerce, Washington, DC 20230.

(2) A grantee or subgrantee shall maintain a separate bank account only when required by Federal-State agreement.

(i) *Interest earned on advances.* Except for interest earned on advances of funds exempt under the Intergovernmental Cooperation Act (31 U.S.C. 6501 et seq.) and the Indian Self-Determination Act (23 U.S.C. 450), grantees and subgrantees shall promptly, but at least quarterly, remit interest earned on advances to the Federal agency. The grantee or subgrantee may keep interest amounts up to \$100 per year for administrative expenses.

§ 2541.220 Allowable costs.

(a) *Limitation on use of funds.* Grant funds may be used only for—

(1) The allowable costs of the grantees, subgrantees and cost-type contractors, including allowable costs in the form of payments to fixed-price contractors; and

(2) Reasonable fees or profit to cost-type contractors but not any fee or profit (or other increment above allowable costs) to the grantee or subgrantee.

(b) *Applicable cost principles.* For each kind of organization, there is a set of Federal principles for determining al-

lowable costs. Allowable costs will be determined in accordance with the cost principles applicable to the organization incurring the costs. The following chart lists the kinds of organizations and the applicable cost principles:

§ 2541.230 Period of availability of funds.

(a) *General.* Where a funding period is specified, a grantee may charge to the award only costs resulting from obligations of the funding period unless carryover of unobligated balances is permitted, in which case the carryover balances may be charged for costs resulting from obligations of the subsequent funding period.

(b) *Liquidation of obligations.* A grantee must liquidate all obligations incurred under the award not later than 90 days after the end of the funding period (or as specified in a program regulation) to coincide with the submission of the annual Financial Status Report (SF–269). The Federal agency may extend this deadline at the request of the grantee.

§ 2541.240 Matching or cost sharing.

(a) *Basic rule; costs and contributions acceptable.* With the qualifications and exceptions listed in paragraph (b) of this section, a matching or cost sharing requirement may be satisfied by either or both of the following:

(1) Allowable costs incurred by the grantee, subgrantee or a cost-type contractor under the assistance agreement. This includes allowable costs borne by non-Federal grants or by other cash donations from non-Federal third parties.

(2) The value of third party in-kind contributions applicable to the period to which the cost sharing or matching requirements applies.

(b) *Qualifications and exceptions*—(1) *Costs borne by other Federal grant agreements.* Except as provided by Federal statute, a cost sharing or matching requirement may not be met by costs borne by another Federal grant. This prohibition does not apply to income earned by a grantee or subgrantee from a contract awarded under another Federal grant.

(2) *General revenue sharing.* For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(3) *Cost or contributions counted towards other Federal costs-sharing requirements.* Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(4) *Costs financed by program income.* Costs financed by program income, as defined in § 2541.250, shall not count towards satisfying a cost sharing or matching requirement unless they are expressly permitted in the terms of the assistance agreement. (This use of general program income is described in § 2541.250(g).)

(5) *Services or property financed by income earned by contractors.* Contractors under a grant may earn income from the activities carried out under the contract in addition to the amounts earned from the party awarding the contract. No costs of services or property supported by this income may count toward satisfying a cost sharing or matching requirement unless other provisions of the grant agreement expressly permit this kind of income to be used to meet the requirement.

(6) *Records.* Costs and third party in-kind contributions counting towards satisfying a cost sharing or matching requirement must be verifiable from the records of grantees and subgrantee or cost-type contractors. These records

must show how the value placed on third party in-kind contributions was derived. To the extent feasible, volunteer services will be supported by the same methods that the organization uses to support the allocability of regular personnel costs.

(7) *Special standards for third party in-kind contributions.* (i) Third party in-kind contributions count towards satisfying a cost sharing or matching requirement only where, if the party receiving the contributions were to pay for them, the payments would be allowable costs.

(ii) Some third party in-kind contributions are goods and services that, if the grantee, subgrantee, or contractor receiving the contribution had to pay for them, the payments would have been an indirect costs. Costs sharing or matching credit for such contributions shall be given only if the grantee, subgrantee, or contractor has established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of the contributions.

(iii) A third party in-kind contribution to a fixed-price contract may count towards satisfying a cost sharing or matching requirement only if it results in:

(A) An increase in the services or property provided under the contract (without additional cost to the grantee or subgrantee); or

(B) A cost savings to the grantee or subgrantee.

(iv) The values placed on third party in-kind contributions for cost sharing or matching purposes will conform to the rules in the succeeding sections of this part. If a third party in-kind contribution is a type not treated in those sections, the value placed upon it shall be fair and reasonable.

(c) *Valuation of donated services*—(1) *Volunteer services.* Unpaid services provided to a grantee or subgrantee by individuals will be valued at rates consistent with those ordinarily paid for similar work in the grantee's or subgrantee's organization. If the grantee or subgrantee does not have employees performing similar work, the rates will be consistent with those ordinarily paid by other employers for similar

§ 2541.250

work in the same labor market. In either case, a reasonable amount for fringe benefits may be included in the valuation.

(2) *Employees of other organizations.* When an employer other than a grantee, subgrantee, or cost-type contractor furnishes free of charge the services of an employee in the employee's normal line of work, the services will be valued at the employee's regular rate of pay exclusive of the employee's fringe benefits and overhead costs. If the services are in a different line of work, paragraph (c)(1) of this section applies.

(d) *Valuation of third party donated supplies and loaned equipment or space.*

(1) If a third party donates supplies, the contribution will be valued at the market value of the supplies at the time of donation.

(2) If a third party donates the use of equipment or space in a building but retains title, the contribution will be valued at the fair rental rate of the equipment or space.

(e) *Valuation of third party donated equipment, buildings, and land.* If a third party donates equipment, buildings, or land, and title passes to a grantee or subgrantee, the treatment of the donated property will depend upon the purpose of the grant or subgrant, as follows:

(1) *Awards for capital expenditures.* If the purpose of the grant or subgrant is to assist the grantee or subgrantee in the acquisition of property, the market value of that property at the time of donation may be counted as cost sharing or matching.

(2) *Other awards.* If assisting in the acquisition of property is not the purpose of the grant or subgrant, paragraphs (e)(2) (i) and (ii) of this section apply:

(i) If approval is obtained from the awarding agency, the market value at the time of donation of the donated equipment or buildings and the fair rental rate of the donated land may be counted as cost sharing or matching. In the case of a subgrant, the terms of the grant agreement may require that the approval be obtained from the Federal agency as well as the grantee. In all cases, the approval may be given only if a purchase of the equipment or rental of the land would be approved as

45 CFR Ch. XXV (10-1-02 Edition)

an allowable direct cost. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost-sharing or matching.

(ii) If approval is not obtained under paragraph (e)(2)(i) of this section, no amount may be counted for donated land, and only depreciation or use allowances may be counted for donated equipment and buildings. The depreciation or use allowances for this property are not treated as third party in-kind contributions. Instead, they are treated as costs incurred by the grantee or subgrantee. They are computed and allocated (usually as indirect costs) in accordance with the cost principles specified in § 2541.220, in the same way as depreciation or use allowances for purchased equipment and buildings. The amount of depreciation or use allowances for donated equipment and buildings is based on the property's market value at the time it was donated.

(f) *Valuation of grantee or subgrantee donated real property for construction/acquisition.* If a grantee or subgrantee donates real property for a construction or facilities acquisition project, the current market value of that property may be counted as cost sharing or matching. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost sharing or matching.

(g) *Appraisal of real property.* In some cases under paragraphs (d), (e) and (f) of this section, it will be necessary to establish the market value of land or a building or the fair rental rate of land or of space in a building. In these cases, the Federal agency may require the market value or fair rental value be set by an independent appraiser, and that the value or rate be certified by the grantee. This requirement will also be imposed by the grantee on subgrantees.

§ 2541.250 Program income.

(a) *General.* Grantees are encouraged to earn income to defray program costs. Program income includes income from fees for services performed, from the use or rental of real or personal property acquired with grant funds, from the sale of commodities or items

fabricated under a grant agreement, and from payments of principal and interest on loans made with grant funds. Except as otherwise provided in regulations of the Federal agency, program income does not include interest on grant funds, rebates, credits, discounts, refunds, etc. and interest earned on any of them.

(b) *Definition of program income.* Program income means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of the grant agreement during the grant period. "During the grant period" is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

(c) *Cost of generating program income.* If authorized by Federal regulations or the grant agreement, costs incident to the generation of program income may be deducted from gross income to determine program income.

(d) *Governmental revenues.* Taxes, special assessments, levies, fines, and other such revenues raised by a grantee or subgrantee are not program income unless the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(e) *Royalties.* Income from royalties and license fees for copyrighted material, patents, and inventions developed by a grantee or subgrantee is program income only if the revenues are specifically identified in the grant agreement or Federal agency regulations as program income. (See § 2541.340)

(f) *Property.* Proceeds from the sale of real property or equipment will be handled in accordance with the requirements of §§ 2541.310 and 2541.320.

(g) *Use of program income.* Program income shall be deducted from outlays which may be both Federal and non-Federal as described in paragraphs (g)(1) and (2) of this section, unless the Federal agency regulations or the grant agreement specify another alternative (or a combination of the alternatives). In specifying alternatives, the Federal agency may distinguish between income earned by the grantee and income earned by subgrantees and between the sources, kinds, or amounts

of income. When Federal agencies authorize the alternatives in paragraphs (g) (2) and (3) of this section, program income in excess of any limits stipulated shall also be deducted from outlays.

(1) *Deduction.* Ordinarily program income shall be deducted from total allowable costs to determine the net allowable costs. Program income shall be used for current costs unless the Federal agency authorizes otherwise. Program income which the grantee did not anticipate at the time of the award shall be used to reduce the Federal agency and grantee contributions rather than to increase the funds committed to the project.

(2) *Addition.* When authorized, program income may be added to the funds committed to the grant agreement by the Federal agency and the grantee. The program income shall be used for the purposes and under the conditions of the grant agreement.

(3) *Cost sharing or matching.* When authorized, program income may be used to meet the cost sharing or matching requirement of the grant agreement. The amount of the Federal grant award remains the same.

(h) *Income after the award period.* There are no Federal requirements governing the disposition of program income earned after the end of the award period (i.e., until the ending date of the final financial report, see paragraph (a) of this section), unless the terms of the agreement or the Federal agency regulations provide otherwise.

§ 2541.260 Non-Federal audit.

(a) *Basic rule.* Grantees and subgrantees are responsible for obtaining audits in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." The audits shall be made by an independent auditor in accordance with generally accepted government auditing standards covering financial audits.

(b) *Subgrantees.* State or local governments, as those terms are defined for purposes of the Single Audit Act

§ 2541.300

45 CFR Ch. XXV (10–1–02 Edition)

Amendments of 1996, that provide Federal awards to a subgrantee, which expends \$300,000 or more (or other amount as specified by OMB) in Federal awards in a fiscal year, shall:

(1) Determine whether State or local subgrantees have met the audit requirements of the Act and whether subgrantees covered by OMB Circular A–110, “Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations,” have met the audit requirements of the Act. Commercial contractors (private for-profit and private and governmental organizations) providing goods and services to State and local governments are not required to have a single audit performed. State and local governments should use their own procedures to ensure that the contractor has complied with laws and regulations affecting the expenditure of Federal funds;

(2) Determine whether the subgrantee spent Federal assistance funds provided in accordance with applicable laws and regulations. This may be accomplished by reviewing an audit of the subgrantee made in accordance with the Act, Circular A–110, or through other means (e.g., program reviews) if the subgrantee has not had such an audit;

(3) Ensure that appropriate corrective action is taken within six months after receipt of the audit report in instance of noncompliance with Federal laws and regulations;

(4) Consider whether subgrantee audits necessitate adjustment of the grantee’s own records; and

(5) Require each subgrantee to permit independent auditors to have access to the records and financial statements.

(c) *Auditor selection.* In arranging for audit services, §2541.360 shall be followed.

Subpart D—Changes, Property and Subawards

§ 2541.300 Changes.

(a) *General.* Grantees and subgrantees are permitted to re budget within the

approved direct cost budget to meet unanticipated requirements and may make limited program changes to the approved project. However, unless waived by the awarding agency, certain types of post-award changes in budgets and projects shall require the prior written approval of the awarding agency.

(b) *Relation to cost principles.* The applicable cost principles (see §2541.220) contain requirements for prior approval of certain types of costs. Except where waived, those requirements apply to all grants and subgrants even if paragraphs (c) through (f) of this section do not.

(c) *Budget changes.—(1) Nonconstruction projects.* Except as stated in other regulations or an award document, grantees or subgrantees shall obtain the prior approval of the awarding agency whenever any of the following changes is anticipated under a nonconstruction award:

(i) Any revision which would result in the need for additional funding.

(ii) Unless waived by the awarding agency, cumulative transfers among direct cost categories, or, if applicable, among separately budgeted programs, projects, functions, or activities which exceed or are expected to exceed ten percent of the current total approved budget, whenever the awarding agency’s share exceeds \$100,000.

(iii) Transfer of funds allotted for training allowances (i.e., from direct payments to trainees to other expense categories).

(2) *Construction projects.* Grantees and subgrantees shall obtain prior written approval for any budget revision which would result in the need for additional funds.

(3) *Combined construction and non-construction projects.* When a grant or subgrant provides funding for both construction and nonconstruction activities, the grantee or subgrantee must obtain prior written approval from the awarding agency before making any fund or budget transfer from non-construction to construction or vice versa.

(d) *Programmatic changes.* Grantees or subgrantees must obtain the prior approval of the awarding agency whenever any of the following actions is anticipated:

(1) Any revision of the scope or objectives of the project (regardless of whether there is an associated budget revision requiring prior approval).

(2) Need to extend the period of availability of funds.

(3) Changes in key persons in cases where specified in an application or a grant award. In research projects, a change in the project director or principal investigator shall always require approval unless waived by the awarding agency.

(4) Under nonconstruction projects, contracting out, subgranting (if authorized by law) or otherwise obtaining the services of a third party to perform activities which are central to the purposes of the award. This approval requirement is in addition to the approval requirements of §2541.360 but does not apply to the procurement of equipment, supplies, and general support services.

(e) *Additional prior approval requirements.* The awarding agency may not require prior approval for any budget revision which is not described in paragraph (c) of this section.

(f) *Requesting prior approval.* (1) A request for prior approval of any budget revision will be in the same budget format the grantee used in its application and shall be accompanied by a narrative justification for the proposed revision.

(2) A request for a prior approval under the applicable Federal cost principles (see §2541.220) may be made by letter.

(3) A request by a subgrantee for prior approval will be addressed in writing to the grantee. The grantee will promptly review such request and shall approve or disapprove the request in writing. A grantee will not approve any budget or project revision which is inconsistent with the purpose or terms and conditions of the Federal grant to the grantee. If the revision, requested by the subgrantee would result in a change to the grantee's approved project which requires Federal prior approval, the grantee will obtain the

Federal agency's approval before approving the subgrantee's request.

§2541.310 Real property.

(a) *Title.* Subject to the obligations and conditions set forth in this section, title to real property acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) *Use.* Except as otherwise provided by Federal statutes, real property will be used for the originally authorized purposes as long as needed for that purposes, and the grantee or subgrantee shall not dispose of or encumber its title or other interests.

(c) *Disposition.* When real property is no longer needed for the originally authorized purpose, the grantee or subgrantee will request disposition instructions from the awarding agency. The instructions will provide for one of the following alternatives:

(1) *Retention of title.* Retain title after compensating the awarding agency. The amount paid to the awarding agency will be computed by applying the awarding agency's percentage of participation in the cost of the original purchase to the fair market value of the property. However, in those situations where a grantee or subgrantee is disposing of real property acquired with grant funds and acquiring replacement real property under the same program, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.

(2) *Sale of property.* Sell the property and compensate the awarding agency. The amount due to the awarding agency will be calculated by applying the awarding agency's percentage of participation in the cost of the original purchase to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the grant is still active, the net proceeds from sale may be offset against the original cost of the property. When a grantee or subgrantee is directed to sell property, sales procedures shall be followed that provide for competition to the extent practicable and result in the highest possible return.

(3) *Transfer of title.* Transfer title to the awarding agency or to a third-party designated/approved by the

§ 2541.320

awarding agency. The grantee or subgrantee shall be paid an amount calculated by applying the grantee or subgrantee's percentage of participation in the purchase of the real property to the current fair market value of the property.

§ 2541.320 Equipment.

(a) *Title.* Subject to the obligations and conditions set forth in this section, title to equipment acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) *States.* A State will use, manage, and dispose of equipment acquired under a grant by the State in accordance with State laws and procedures. Other grantees and subgrantees will follow paragraphs (c) through (e) of this section.

(c) *Use.* (1) Equipment shall be used by the grantee or subgrantee in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds. When no longer needed for the original program or project, the equipment may be used in other activities currently or previously supported by a Federal agency.

(2) The grantee or subgrantee shall also make equipment available for use on other projects or programs currently or previously supported by the Federal Government, providing such use will not interfere with the work on the projects or program for which it was originally acquired. First preference for other use shall be given to other programs or projects supported by the awarding agency. User fees should be considered if appropriate.

(3) Notwithstanding the encouragement in § 2541.250(a) to earn program income, the grantee or subgrantee must not use equipment acquired with grant funds to provide services for a fee to compete unfairly with private companies that provide equivalent services, unless specifically permitted or contemplated by Federal statute.

(4) When acquiring replacement equipment, the grantee or subgrantee may use the equipment to be replaced as a trade-in or sell the property and use the proceeds to offset the cost of

the replacement property, subject to the approval of the awarding agency.

(d) *Management requirements.* Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part with grant funds, until disposition takes place will, as a minimum, meet the following requirements:

(1) Property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

(2) A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

(3) A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft shall be investigated.

(4) Adequate maintenance procedures must be developed to keep the property in good condition.

(5) If the grantee or subgrantee is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

(e) *Disposition.* When original or replacement equipment acquired under a grant or subgrant is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency, disposition of the equipment will be made as follows:

(1) Items of equipment with a current per-unit fair market value of less than \$5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

(2) Items of equipment with a current per unit fair market value in excess of \$5,000 may be retained or sold and the awarding agency shall have a right to an amount calculated by multiplying the current market value or proceeds from sale by the awarding agency's share of the equipment.

(3) In cases where a grantee or subgrantee fails to take appropriate disposition actions, the awarding agency may direct the grantee or subgrantee to take excess and disposition actions.

(f) *Federal equipment.* In the event a grantee or subgrantee is provided federally-owned equipment:

(1) Title will remain vested in the Federal Government.

(2) Grantees or subgrantees will manage the equipment in accordance with Federal agency rules and procedures, and submit an annual inventory listing.

(3) When the equipment is no longer needed, the grantee or subgrantee will request disposition instructions from the Federal agency.

(g) *Right to transfer title.* The Federal awarding agency may reserve the right to transfer title to the Federal Government or a third part named by the awarding agency when such a third party is otherwise eligible under existing statutes. Such transfers shall be subject to the following standards:

(1) The property shall be identified in the grant or otherwise made known to the grantee in writing.

(2) The Federal awarding agency shall issue disposition instruction within 120 calendar days after the end of the Federal support of the project for which it was acquired. If the Federal awarding agency fails to issue disposition instructions within the 120 calendar-day period the grantee shall follow paragraph (e) of this section.

(3) When title to equipment is transferred, the grantee shall be paid an amount calculated by applying the percentage of participation in the purchase to the current fair market value of the property.

§ 2541.330 Supplies.

(a) *Title.* Title to supplies acquired under a grant or subgrant will vest, upon acquisition, in the grantee or subgrantee respectively.

(b) *Disposition.* If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate fair market value upon termination or completion of the award, and if the supplies are not needed for any other federally sponsored programs or projects, the grantee or subgrantee shall com-

pensate the awarding agency for its share.

§ 2541.340 Copyrights.

The Federal awarding agency reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes:

(a) The copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and

(b) Any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.

§ 2541.350 Subawards to debarred and suspended parties.

Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, "Debarment and Suspension."

§ 2541.360 Procurement.

(a) *States.* When procuring property and services under a grant, a State will follow the same policies and procedures it uses for procurements from its non-Federal funds. The State will ensure that every purchase order or other contract includes any clauses required by Federal statutes and executive orders and their implementing regulations. Other grantees and subgrantees will follow paragraphs (b) through (i) of this section.

(b) *Procurement standards.* (1) Grantees and subgrantees will use their own procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this section.

(2) Grantees and subgrantees will maintain a contract administration system which ensures that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

(3) Grantees and subgrantees will maintain a written code of standards of

§ 2541.360

45 CFR Ch. XXV (10–1–02 Edition)

conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when—

- (i) The employee, officer or agent;
- (ii) Any member of his immediate family;
- (iii) His or her partner; or
- (iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The grantee's or subgrantee's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards or conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee's and subgrantee's officers, employees, or agents, or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

(4) Grantee and subgrantee procedures will provide for a review of proposed procurements to avoid purchase of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

(5) To foster greater economy and efficiency, grantees and subgrantees are encouraged to enter into State and local intergovernmental agreements for procurement or use of common goods and services.

(6) Grantees and subgrantees are encouraged to use Federal excess and sur-

plus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.

(7) Grantees and subgrantees are encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

(8) Grantees and subgrantees will make awards only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

(9) Grantees and subgrantees will maintain records sufficient to detail the significant history of a procurement. These records will include, but are not necessarily limited to the following: Rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

(10) Grantees and subgrantees will use time and material type contracts only—

(i) After a determination that no other contract is suitable; and

(ii) If the contract includes a ceiling price that the contractor exceeds at its own risk.

(11) Grantees and subgrantees alone will be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to source evaluation, protests, disputes, and claims. These standards do not relieve the grantee or subgrantee of any contractual responsibilities under its contracts. Federal agencies will not substitute their judgment for that of the grantee or subgrantee unless the matter is primarily a Federal concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

(12) Grantees and subgrantees will have protest procedures to handle and resolve disputes relating to their procurements and shall in all instances disclose information regarding the protest to the awarding agency. A protester must exhaust all administrative remedies with the grantee and subgrantee before pursuing a protest with the Federal agency. Reviews of protests by the Federal agency will be limited to:

(i) Violations of Federal law or regulations and the standards of this section (violations of State or local law will be under the jurisdiction of State or local authorities); and

(ii) Violations of the grantee's or subgrantee's protest procedures for failure to review a complaint or protest. Protests received by the Federal agency other than those specified in this paragraph (b)(12)(ii) will be referred to the grantee or subgrantee.

(c) *Competition.* (1) All procurement transactions will be conducted in a manner providing full and open competition consistent with the standards of this section. Some of the situations considered to be restrictive of competition include but are not limited to:

(i) Placing unreasonable requirements on firms in order for them to qualify to do business;

(ii) Requiring unnecessary experience and excessive bonding;

(iii) Noncompetitive pricing practices between firms or between affiliated companies;

(iv) Noncompetitive awards to consultants that are on retainer contracts;

(v) Organizational conflicts of interest;

(vi) Specifying only a "brand name" product instead of allowing "an equal" product to be offered and describing the performance of other relevant requirements of the procurement; and

(vii) Any arbitrary action in the procurement process.

(2) Grantees and subgrantees will conduct procurements in a manner that prohibits the use of statutory or administratively imposed in-State or local geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in

this section preempts State licensing laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criteria provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

(3) Grantees will have written selection procedures for procurement transactions. These procedures will ensure that all solicitations:

(i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured, and when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a "brand name or equal" description may be used as a means to define the performance or other salient requirements of a procurement. The specific features of the named brand which must be met by offerors shall be clearly stated; and

(ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(4) Grantees and subgrantees will ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, grantees and subgrantees will not preclude potential bidders from qualifying during the solicitation period.

(d) *Methods of procurement to be followed*—(1) *Procurement by small purchase procedures.* Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the simplified acquisition threshold fixed at 41

§ 2541.360

45 CFR Ch. XXV (10–1–02 Edition)

U.S.C. 403(11) (currently set at \$100,000). If small purchase procedures are used, price or rate quotations shall be obtained from an adequate number of qualified sources.

(2) Procurement by *sealed bids* (formal advertising). Bids are publicly solicited and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in § 2541.36(d)(2)(i) apply.

(i) In order for sealed bidding to be feasible, the following conditions should be present:

(A) A complete, adequate, and realistic specification or purchase description is available;

(B) Two or more responsible bidders are willing and able to compete effectively and for the business; and

(C) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

(ii) If sealed bids are used, the following requirements apply:

(A) The invitation for bids will be publicly advertised and bids shall be solicited from an adequate number of known suppliers, providing them sufficient time prior to the date set for opening the bids;

(B) The invitation for bids, which will include any specifications and pertinent attachments, shall define the items or services in order for the bidder to properly respond;

(C) All bids will be publicly opened at the time and place prescribed in the invitation for bids;

(D) A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and

(E) Any or all bids may be rejected if there is a sound documented reason.

(3) Procurement by *competitive proposals*. The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed-price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

(i) Requests for proposals will be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals shall be honored to the maximum extent practical;

(ii) Proposals will be solicited from an adequate number of qualified sources;

(iii) Grantees and subgrantees will have a method for conducting technical evaluations of the proposals received and for selecting awardees;

(iv) Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and

(v) Grantees and subgrantees may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

(4) Procurement by *noncompetitive proposals* is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate.

(i) Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids or competitive proposals and one of the following circumstances applies:

(A) The item is available only from a single source;

(B) The public exigency or emergency for the requirement will not permit a

delay resulting from competitive solicitation;

(C) The awarding agency authorizes noncompetitive proposals; or

(D) After solicitation of a number of sources, competition is determined inadequate.

(ii) Cost analysis, i.e., verifying the proposed cost data, the projections of the data, and the evaluation of the specific elements of costs and profits, is required.

(iii) Grantees and subgrantees may be required to submit the proposed procurement to the awarding agency for pre-award review in accordance with paragraph (g) of this section.

(e) *Contracting with small and minority firms, women's business enterprise and labor surplus area firms.* (1) The grantee and subgrantee will take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible.

(2) Affirmative steps shall include:

(i) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

(ii) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

(iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;

(iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;

(v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce; and

(vi) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (e)(2) (i) through (v) of this section.

(f) *Contract cost and price.* (1) Grantees and subgrantees must perform a cost or price analysis in connection with every procurement action including contract modifications. The meth-

od and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, grantees must make independent estimates before receiving bids or proposals. A cost analysis must be performed when the offeror is required to submit the elements of his estimated cost, e.g., under professional, consulting, and architectural engineering services contracts. A cost analysis will be necessary when adequate price competition is lacking, and for sole source procurements, including contract modifications or change orders, unless price reasonableness can be established on the basis of a catalog or market price of a commercial product sold in substantial quantities to the general public or based on prices set by law or regulation. A price analysis will be used in all other instances to determine the reasonableness of the proposed contract price.

(2) Grantees and subgrantees will negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration will be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

(3) Costs or prices based on estimated costs for contracts under grants will be allowable only to the extent that costs incurred or cost estimates included in negotiated prices are consistent with Federal cost principles (see § 2541.220). Grantees may reference their own cost principles that comply with the applicable Federal cost principles.

(4) The cost plus a percentage of cost and percentage of construction cost methods of contracting shall not be used.

(g) *Awarding agency review.* (1) Grantees and subgrantees must make available, upon request of the awarding agency, technical specifications on proposed procurements where the awarding agency believes such review is needed to ensure that the item and/or

service specified is the one being proposed for purchase. This review generally will take place prior to the time the specification is incorporated into a solicitation document. However, if the grantee or subgrantee desires to have the review accomplished after a solicitation has been developed, the awarding agency may still review the specifications, with such review usually limited to the technical aspects of the proposed purchase.

(2) Grantees and subgrantees must on request make available for awarding agency pre-award review procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc. when:

(i) A grantee's or subgrantee's procurement procedures or operation fails to comply with the procurement standards in this section; or

(ii) The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation; or

(iii) The procurement, which is expected to exceed the simplified acquisition threshold, specifies a "brand name" product; or

(iv) The proposed award is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

(3) A grantee or subgrantee will be exempt from the pre-award review in paragraph (g)(2) of this section if the awarding agency determines that its procurement systems comply with the standards of this section.

(i) A grantee or subgrantee may request that its procurement system be reviewed by the awarding agency to determine whether its system meets these standards in order for its system to be certified. Generally, these reviews shall occur where there is a continuous high-dollar funding, and third-party contracts are awarded on a regular basis.

(ii) A grantee or subgrantee may self-certify its procurement system. Such self-certification shall not limit the awarding agency's right to survey the system. Under a self-certification procedure, awarding agencies may wish to rely on written assurances from the grantee or subgrantee that it is complying with these standards. A grantee or subgrantee will cite specific procedures, regulations, standards, etc., as being in compliance with these requirements and have its system available for review.

(h) *Bonding requirements.* For construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold, the awarding agency may accept the bonding policy and requirements of the grantee or subgrantee provided the awarding agency has made a determination that the awarding agency's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) *A bid guarantee from each bidder equivalent to five percent of the bid price.* The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) *A performance bond on the part of the contractor for 100 percent of the contract price.* A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) *A payment bond on the part of the contractor for 100 percent of the contract price.* A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

(i) *Contract provisions.* A grantee's and subgrantee's contracts must contain provisions in paragraph (i) of this section. Federal agencies are permitted to require changes, remedies, changed conditions, access and records retention, suspension of work, and other

Corporation for National and Community Service

§ 2541.370

clauses approved by the Office of Federal Procurement Policy.

(1) Administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. (Contracts more than the simplified acquisition threshold)

(2) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of \$10,000)

(3) Compliance with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60). (All construction contracts awarded in excess of \$10,000 by grantees and their contractors or subgrantees)

(4) Compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR Part 3). (All contracts and subgrants for construction or repair)

(5) Compliance with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented by Department of Labor regulations (29 CFR Part 5). (Construction contracts in excess of \$2000 awarded by grantees and subgrantees when required by Federal grant program legislation)

(6) Compliance with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor regulations (29 CFR Part 5). (Construction contracts awarded by grantees and subgrantees in excess of \$2000, and in excess of \$2500 for other contracts which involve the employment of mechanics or laborers)

(7) Notice of awarding agency requirements and regulations pertaining to reporting.

(8) Notice of awarding agency requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or is developed in the course of or under such contract.

(9) Awarding agency requirements and regulations pertaining to copyrights and rights in data.

(10) Access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

(11) Retention of all required records for three years after grantees or subgrantees make final payments and all other pending matters are closed.

(12) Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15). (Contracts, subcontracts, and subgrants of amounts in excess of \$100,000)

(13) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

§ 2541.370 Subgrants.

(a) *States.* States shall follow State law and procedures when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. States shall:

(1) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations;

(2) Ensure that subgrantees are aware of requirements imposed upon them by Federal statute and regulation;

(3) Ensure that a provision for compliance with § 2541.400 is placed in every cost reimbursement subgrant; and

(4) Conform any advances of grant funds to subgrantees substantially to the same standards of timing and

§ 2541.400

amount that apply to cash advances by Federal agencies.

(b) *All other grantees.* All other grantees shall follow the provisions of this part which are applicable to awarding agencies when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. Grantees shall:

(1) Ensure that every subgrant includes a provision for compliance with this part;

(2) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations; and

(3) Ensure that subgrantees are aware of requirements imposed upon them by Federal statutes and regulations.

(c) *Exceptions.* By their own terms, certain provisions of this part do not apply to the award and administration of subgrants:

(1) § 2541.100;

(2) § 2541.110;

(3) The letter-of-credit procedures specified in Treasury Regulations at 31 CFR part 205, cited in § 2541.210; and

(4) § 2541.500.

Subpart E—Reports, Records, Retention and Enforcement

§ 2541.400 Monitoring and reporting program performance.

(a) *Monitoring by grantees.* Grantees are responsible for managing the day-to-day operations of grant and subgrant supported activities. Grantees must monitor grant and subgrant supported activities to assure compliance with applicable Federal requirements and that performance goals are being achieved. Grantee monitoring must cover each program, function or activity.

(b) *Nonconstruction performance reports.* The Federal agency may, if it decides that performance information available from subsequent applications contains sufficient information to meet its programmatic needs, require the grantee to submit a performance report only upon expiration or termination of grant support. Unless waived by the Federal agency this report will

45 CFR Ch. XXV (10–1–02 Edition)

be due on the same date as the final Financial Status Report.

(1) Grantees shall submit annual performance reports unless the awarding agency requires quarterly or semi-annual reports. However, performance reports will not be required more frequently than quarterly. Annual reports shall be due 90 days after the grant year, quarterly or semi-annual reports shall be due 30 days after the reporting period. The final performance report will be due 90 days after the expiration or termination of grant support. If a justified request is submitted by a grantee, the Federal agency may extend the due date for any performance report. Additionally, requirements for unnecessary performance reports may be waived by the Federal agency.

(2) Performance reports will contain, for each grant, brief information on the following:

(i) A comparison of actual accomplishments to the objectives established for the period. Where the output of the project can be quantified, a computation of the cost per unit of output may be required if that information will be useful.

(ii) The reasons for slippage if established objectives were not met.

(iii) Additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(3) Grantees will not be required to submit more than the original and two copies of performance reports.

(4) Grantees will adhere to the standards in this section in prescribing performance reporting requirements for subgrantees.

(c) *Construction performance reports.* For the most part, on-site technical inspections and certified percentage-of-completion data are relied on heavily by Federal agencies to monitor progress under construction grants and subgrants. The Federal agency will require additional formal performance reports only when considered necessary, and never more frequently than quarterly.

(d) *Significant developments.* Events may occur between the scheduled performance reporting dates which have significant impact upon the grant or subgrant supported activity. In such

cases, the grantee must inform the Federal agency as soon as the following types of conditions become known:

(1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.

(2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more beneficial results than originally planned.

(e) *Site visits.* Federal agencies may make site visits as warranted by program needs.

(f) *Waivers, extensions.* (1) Federal agencies may waive any performance report required by this part if not needed.

(2) The grantee may waive any performance report from a subgrantee when not needed. The grantee may extend the due date for any performance report from a subgrantee if the grantee will still be able to meet its performance reporting obligations to the Federal agency.

§ 2541.410 Financial reporting.

(a) *General.*—(1) Except as provided in paragraphs (a) (2) and (5) of this section, grantees will use only the forms specified in paragraphs (a) through (e) of this section, and such supplementary or other forms as may from time to time be authorized by OMB, for:

(i) Submitting financial reports to Federal agencies; or

(ii) Requesting advances or reimbursements when letters of credit are not used.

(2) Grantees need not apply the forms prescribed in this section in dealing with their subgrantees. However, grantees shall not impose more burdensome requirements on subgrantees.

(3) Grantees shall follow all applicable standard and supplemental Federal agency instructions approved by OMB to the extent required under the Paperwork Reduction Act of 1980 for use in connection with forms specified in paragraphs (b) through (e) of this section. Federal agencies may issue substantive supplementary instructions

only with the approval of OMB. Federal agencies may shade out or instruct the grantee to disregard any line item that the Federal agency finds unnecessary for its decision making purposes.

(4) Grantees will not be required to submit more than the original and two copies of forms required under this part.

(5) Federal agencies may provide computer outputs to grantees to expedite or contribute to the accuracy of reporting. Federal agencies may accept the required information from grantees in machine usable format or computer printouts instead of prescribed forms.

(6) Federal agencies may waive any report required by this section if not needed.

(7) Federal agencies may extend the due date of any financial report upon receiving a justified request from a grantee.

(b) *Financial Status Report.*—(1) *Form.* Grantees will use Standard Form 269 or 269A, Financial Status Report, to report the status of funds for all non-construction grants and for construction grants when required in accordance with paragraph (e)(2)(iii) of this section.

(2) *Accounting basis.* Each grantee will report program outlays and program income on a cash or accrual basis as prescribed by the awarding agency. If the Federal agency requires accrual information and the grantee's accounting records are not normally kept on the accrual basis, the grantee shall not be required to convert its accounting system but shall develop such accrual information through an analysis of the documentation on hand.

(3) *Frequency.* The Federal agency may prescribe the frequency of the report for each project or program. However, the report will not be required more frequently than quarterly. If the Federal agency does not specify the frequency of the report, it will be submitted annually. A final report will be required upon expiration or termination of grant support.

(4) *Due date.* When reports are required on a quarterly or semiannual basis, they will be due 30 days after the reporting period. When required on an annual basis, they will be due 90 days after the grant year. Final reports will

be due 90 days after the expiration or termination of grant support.

(c) *Federal Cash Transactions Report.*—

(1) *Form.* (i) For grants paid by letter or credit, Treasury check advances or electronic transfer of funds, the grantee will submit the Standard Form 272, Federal Cash Transactions Report, and when necessary, its continuation sheet, Standard Form 272a, unless the terms of the award exempt the grantee from this requirement.

(ii) These reports will be used by the Federal agency to monitor cash advanced to grantees and to obtain disbursement or outlay information for each grant from grantees. The format of the report may be adapted as appropriate when reporting is to be accomplished with the assistance of automatic data processing equipment provided that the information to be submitted is not changed in substance.

(2) *Forecasts of Federal cash requirements.* Forecasts of Federal cash requirements may be required in the “Remarks” section of the report.

(3) *Cash in hands of subgrantees.* When considered necessary and feasible by the Federal agency, grantees may be required to report the amount of cash advances in excess of three days’ needs in the hands of their subgrantees or contractors and to provide short narrative explanations of actions taken by the grantee to reduce the excess balances.

(4) *Frequency and due date.* Grantees must submit the report no later than 15 working days following the end of each quarter. However, where an advance either by letter of credit or electronic transfer of funds is authorized at an annualized rate of one million dollars or more, the Federal agency may require the report to be submitted within 15 working days following the end of each month.

(d) *Request for advance or reimbursement.*—(1) *Advance payments.* Requests for Treasury check advance payments will be submitted on Standard Form 270, Request for Advance or Reimbursement. (This form will not be used for drawdowns under a letter of credit, electronic funds transfer or when Treasury check advance payments are made to the grantee automatically on a predetermined basis.)

(2) *Reimbursements.* Requests for reimbursement under nonconstruction grants will also be submitted on Standard Form 270. (For reimbursement requests under construction grants, see paragraph (e)(1) of this section.)

(3) The frequency for submitting payment requests is treated in paragraph (b)(3) of this section.

(e) *Outlay report and request for reimbursement for construction programs.*—(1) *Grants that support construction activities paid by reimbursement method.* (i) Requests for reimbursement under construction grants will be submitted on Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. Federal agencies may, however, prescribe the Request for Advance or Reimbursement form, specified in paragraph (d) of this section, instead of this form.

(ii) The frequency for submitting reimbursement requests is treated in paragraph (b)(3) of this section.

(2) *Grants that support construction activities paid by letter of credit, electronic funds transfer or Treasury check advance.* (i) When a construction grant is paid by letter of credit, electronic funds transfer or Treasury check advances, the grantee will report its outlays to the Federal agency using Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. The Federal agency will provide any necessary special instruction. However, frequency and due date shall be governed by paragraphs (b) (3) and (4) of this section.

(ii) When a construction grant is paid by Treasury check advances based on periodic requests from the grantee, the advances will be requested on the form specified in paragraph (d) of this section.

(iii) The Federal agency may substitute the Financial Status Report specified in paragraph (b) of this section for the Outlay Report and Request for Reimbursement for Construction Programs.

(3) *Accounting basis.* The accounting basis for the Outlay Report and Request for Reimbursement for Construction Programs shall be governed by paragraph (b)(2) of this section.

§ 2541.420 Retention and access requirements for records.

(a) *Applicability.* (1) This section applies to all financial and programmatic records, supporting documents, statistical records, and other records of grantees or subgrantees which are:

(i) Required to be maintained by the terms of this part, program regulations or the grant agreement; or

(ii) Otherwise reasonably considered as pertinent to program regulations or the grant agreement.

(2) This section does not apply to records maintained by contractors or subcontractors. For a requirement to place a provision concerning records in certain kinds of contracts, see § 2541.360(i)(10).

(b) *Length of retention period.* (1) Except as otherwise provided, records must be retained for three years from the starting date specified in paragraph (c) of this section.

(2) If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 3-year period, whichever is later.

(3) To avoid duplicate recordkeeping, awarding agencies may make special arrangements with grantees and subgrantees to retain any records which are continuously needed for joint use. The awarding agency will request transfer of records to its custody when it determines that the records possess long-term retention value. When the records are transferred to or maintained by the Federal agency, the 3-year retention requirement is not applicable to the grantee or subgrantee.

(c) *Starting date of retention period.*—

(1) *General.* When grant support is continued or renewed at annual or other intervals, the retention period for the records of each funding period starts on the day the grantee or subgrantee submits to the awarding agency its single or last expenditure report for that period. However, if grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the grantee submits its expenditure report for the last quar-

ter of the Federal fiscal year. In all other cases, the retention period starts on the day the grantee submits its final expenditure report. If an expenditure report has been waived, the retention period starts on the day the report would have been due.

(2) *Real property and equipment records.* The retention period for real property and equipment records starts from the date of the disposition or replacement or transfer at the direction of the awarding agency.

(3) *Records for income transactions after grant or subgrant support.* In some cases grantees must report income after the period of grant support. Where there is such a requirement, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

(4) *Indirect cost rate proposals, cost allocations plans, etc.* This paragraph applies to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage charge back rates or composite fringe benefit rates).

(i) *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the grantee) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.

(ii) *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the grantee) for negotiation purposes, then the 3-year retention period for the proposal plan, or computation and its supporting records starts from end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

(d) *Substitution of microfilm.* Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

(e) *Access to records.*—(1) *Records of grantees and subgrantees.* The awarding agency and the Comptroller General of

§ 2541.430

45 CFR Ch. XXV (10–1–02 Edition)

the United States, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers, or other records of grantees and subgrantees which are pertinent to the grant, in order to make audits, examinations, excerpts, and transcripts.

(2) *Expiration of right of access.* The rights of access in this section must not be limited to the required retention period but shall last as long as the records are retained.

(f) *Restrictions on public access.* The Federal Freedom of Information Act (5 U.S.C. 552) does not apply to records. Unless required by Federal, State, or local law, grantees and subgrantees are not required to permit public access to their records.

§ 2541.430 Enforcement.

(a) *Remedies for noncompliance.* If a grantee or subgrantee materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, in a State plan or application, a notice of award, or elsewhere, the awarding agency may take one or more of the following actions, as appropriate in the circumstances:

(1) Temporarily withhold cash payments pending correction of the deficiency by the grantee or subgrantee or more severe enforcement action by the awarding agency;

(2) Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance;

(3) Wholly or partly suspend or terminate the current award for the grantee's or subgrantee's program;

(4) Withhold further awards for the program; or

(5) Take other remedies that may be legally available.

(b) *Hearings, appeals.* In taking an enforcement action, the awarding agency will provide the grantee or subgrantee an opportunity for such hearing, appeal, or other administrative proceeding to which the grantee or subgrantee is entitled under any statute or regulation applicable to the action involved.

(c) *Effects of suspension and termination.* Costs of grantee or subgrantee

resulting from obligations incurred by the grantee or subgrantee during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other grantee or subgrantee costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(1) The costs result from obligations which were properly incurred by the grantee or subgrantee before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are noncancellable; and

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) *Relationship to debarment and suspension.* The enforcement remedies identified in this section, including suspension and termination, do not preclude grantee or subgrantee from being subject to "Debarment and Suspension" under E.O. 12549 (see § 2541.350).

§ 2541.440 Termination for convenience.

Except as provided in § 2541.430 awards may be terminated in whole or in part only as follows:

(a) By the awarding agency with the consent of the grantee or subgrantee in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated; or

(b) By the grantee or subgrantee upon written notification to the awarding agency, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the awarding agency determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the awarding agency may terminate the award in its entirety under either § 2541.430 or paragraph (a) of this section.

Subpart F—After the Grant Requirement

§ 2541.500 Closeout.

(a) *General.* The Federal agency will close out the award when it determines that all applicable administrative actions and all required work of the grant has been completed.

(b) *Reports.* Within 90 days after the expiration or termination of the grant, the grantee must submit all financial, performance, and other reports required as a condition of the grant. Upon request by the grantee, Federal agencies may extend this time frame. These may include but are not limited to:

- (1) Final performance or progress report;
- (2) Financial Status Report (SF 269) or Outlay Report and Request for Reimbursement for Construction Programs (SF-271) (as applicable);
- (3) Final request for payment (SF-270) (if applicable);
- (4) Invention disclosure (if applicable);
- (5) Federally-owned property report. In accordance with § 2541.320(f), a grantee must submit an inventory of all federally owned property (as distinct from property acquired with grant funds) for which it is accountable and request disposition instructions from the Federal agency of property no longer needed.

(c) *Cost adjustment.* The Federal agency will, within 90 days after receipt of reports in paragraph (b) of this section, make upward or downward adjustments to the allowable costs.

(d) *Cash adjustments.* (1) The Federal agency will make prompt payment to the grantee for allowable reimbursable costs.

(2) The grantee must immediately refund to the Federal agency any balance of unobligated (unencumbered) cash advanced that is not authorized to be retained for use on other grants.

§ 2541.510 Later disallowances and adjustments.

The closeout of a grant does not affect:

(a) The Federal agency's right to disallow costs and recover funds on the basis of a later audit or other review;

(b) The grantee's obligation to return any funds due as a result of later refunds, corrections, or other transactions;

(c) Records retention as required in § 2541.420;

(d) Property management requirements in §§ 2541.3120 and 2541.320; and

(e) Audit requirements in § 2541.410.

§ 2541.520 Collection of amounts due.

(a) Any funds paid to a grantee in excess of the amount to which the grantee is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government. If not paid within a reasonable period after demand, the Federal agency may reduce the debt by:

- (1) Making an administrative offset against other requests for reimbursements;
- (2) Withholding advance payments otherwise due to the grantee; or
- (3) Other action permitted by law.

(b) Except where otherwise provided by statutes or regulations, the Federal agency will charge interest on an overdue debt in accordance with the Federal Claims Collection Standards (4 CFR Ch. II). The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

Subpart A—General

§ 2542.10 Purpose.

(a) Executive Order (E.O.) 12549 provides that, to the extent permitted by law, Executive departments and agencies shall participate in a government-wide system for nonprocurement debarment and suspension. A person who is debarred or suspended shall be excluded from Federal financial and non-financial assistance and benefits under Federal programs and activities. Debarment or suspension of a participant in a program by one agency shall have governmentwide effect.

(b) These regulations implement section 3 of E.O. 12549 and the guidelines promulgated by the Office of Management and Budget under section 6 of the E.O. by:

(1) Prescribing the programs and activities that are covered by the governmentwide system;

(2) Prescribing the governmentwide criteria and governmentwide minimum due process procedures that each agency shall use;

(3) Providing for the listing of debarred and suspended participants, participants declared ineligible (see definition of “ineligible” in § 2542.20), and participants who have voluntarily excluded themselves from participation in covered transactions;

(4) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion; and

(5) Offering such other guidance as necessary for the effective implementation and administration of the governmentwide system.

(c) These regulations also implement Executive Order 12689 (3 CFR, 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Public Law 103-355, sec. 2455, 108 Stat. 3327) by—

(1) Providing for the inclusion in the *List of Parties Excluded from Federal Procurement and Nonprocurement Programs* all persons proposed for debarment,

debarred or suspended under the Federal Acquisition Regulation, 48 CFR Part 9, subpart 9.4; persons against which governmentwide exclusions have been entered under this part; and persons determined to be ineligible; and

(2) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion.

(d) Although these regulations cover the listing of ineligible participants and the effect of such listing, they do not prescribe policies and procedures governing declarations of ineligibility.

List of Parties Excluded from Federal Procurement and Nonprocurement Programs. § 2542.30 Coverage.

(a) The regulations in this part apply to all persons who have participated, are currently participating or may reasonably be expected to participate in transactions under Federal non-procurement programs. For purposes of the regulations in this part such transactions will be referred to as “covered transactions.”

(1) *Covered transaction.* For purposes of the regulations in this part, a covered transaction is a primary covered transaction or a lower tier covered transaction. Covered transactions at any tier need not involve the transfer of Federal funds.

(i) *Primary covered transaction.* Except as noted in paragraph (a)(2) of this section, a primary covered transaction is any nonprocurement transaction between an agency and a person, regardless of type, including: Grants, cooperative agreements, scholarships, fellowships, contracts of assistance, loans, loan guarantees, subsidies, insurance, payments for specified use, donation agreements and any other nonprocurement transactions between a Federal agency and a person. Primary covered transactions also include those transactions specially designated by the U.S. Department of Housing and Urban Development in such agency's regulations governing debarment and suspension.

(ii) *Lower tier covered transaction.* A lower tier covered transaction is:

(A) Any transaction between a participant and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction.

(B) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently \$25,000) under a primary covered transaction.

(C) Any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount, under which that person will have a critical influence on or substantive control over that covered transaction. Such persons are:

(1) Principal investigators.

(2) Providers of federally-required audit services.

(3) *Exceptions.* The following transactions are not covered:

(i) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(ii) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, entities consisting wholly or partially of foreign governments or foreign governmental entities;

(iii) Benefits to an individual as a personal entitlement without regard to the individual's present responsibility (but benefits received in an individual's business capacity are not excepted);

(iv) Federal employment;

(v) Transactions pursuant to national or agency-recognized emergencies or disasters;

(vi) Incidental benefits derived from ordinary governmental operations; and

(vii) Other transactions where the application of these regulations would be prohibited by law.

(b) *Relationship to other sections.* This section describes the types of transactions to which a debarment or suspension under this part will apply. Subpart B, "Effect of Action," §2542.50, "Debarment or suspension," sets forth the consequences of a debarment or suspension. Those consequences would obtain only with respect to participants and principals in the covered transactions and activities described in §2542.30(a). Sections 2542.200 "Scope of debarment," and 2542.280, "Scope of suspension," govern the extent to which a specific participant or organizational elements of a participant would be automatically included within a debarment or suspension action, and the conditions under which affiliates or persons associated with a participant may also be brought within the scope of the action.

(c) *Relationship to Federal procurement activities.* In accordance with E.O. 12689 and section 2455 of Public Law 103-355, any debarment, suspension, proposed debarment or other governmentwide exclusion initiated under the Federal Acquisition Regulation (FAR) on or after August 25, 1995 shall be recognized by and effective for Executive Branch agencies and participants as an exclusion under this regulation. Similarly, any debarment, suspension or

§ 2542.40

other governmentwide exclusion initiated under this regulation on or after August 25, 1995 shall be recognized by and effective for those agencies as a debarment or suspension under the FAR.

[59 FR 41614, Aug. 12, 1994, as amended at 60 FR 33041, 33063, June 26, 1995]

§ 2542.40 Policy.

(a) In order to protect the public interest, it is the policy of the Federal Government to conduct business only with responsible persons. Debarment and suspension are discretionary actions that, taken in accordance with Executive Order 12549 and this part, are appropriate means to implement this policy.

(b) Debarment and suspension are serious actions which shall be used only in the public interest and for the Federal Government's protection and not for purposes of punishment. Agencies may impose debarment or suspension for the causes and in accordance with the procedures set forth in this part.

(c) When more than one agency has an interest in the proposed debarment or suspension of a person, consideration shall be given to designating one agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their debarment or suspension actions.

Subpart B—Effect of Action

§ 2542.100 Debarment or suspension.

(a) *Primary covered transactions.* Except to the extent prohibited by law, persons who are debarred or suspended shall be excluded from primary covered transactions as either participants or principals throughout the Executive Branch of the Federal Government for the period of their debarment, suspension, or the period they are proposed for debarment under 48 CFR part 9, subpart 9.4. Accordingly, no agency shall enter into primary covered transactions with such excluded persons during such period, except as permitted pursuant to § 2542.130.

(b) *Lower tier covered transactions.* Except to the extent prohibited by law, persons who have been proposed for debarment under 48 CFR part 9, subpart

45 CFR Ch. XXV (10–1–02 Edition)

9.4, debarred or suspended shall be excluded from participating as either participants or principals in all lower tier covered transactions (see § 2542.30(a)(1)(ii)) for the period of their exclusion.

(c) *Exceptions.* Debarment or suspension does not affect a person's eligibility for—

(1) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(2) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities;

(3) Benefits to an individual as a personal entitlement without regard to the individual's present responsibility (but benefits received in an individual's business capacity are not excepted);

(4) Federal employment;

(5) Transactions pursuant to national or agency-recognized emergencies or disasters;

(6) Incidental benefits derived from ordinary governmental operations; and

(7) Other transactions where the application of these regulations would be prohibited by law.

[60 FR 33041, 33063, June 26, 1995]

§ 2542.110 Ineligible persons.

Persons who are ineligible, as defined in § 2542.20, are excluded in accordance with the applicable statutory, executive order, or regulatory authority.

§ 2542.120 Voluntary exclusion.

Persons who accept voluntary exclusions under § 2542.270 are excluded in accordance with the terms of their settlements. Corporation shall, and participants may, contact the original action agency to ascertain the extent of the exclusion.

§ 2542.130 Exception provision.

The Corporation may grant an exception permitting a debarred, suspended, or voluntarily excluded person, or a

person proposed for debarment under 48 CFR part 9, subpart 9.4, to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating the reason(s) for deviating from the Presidential policy established by Executive Order 12549 and § 2542.100. However, in accordance with the President's stated intention in the Executive Order, exceptions shall be granted only infrequently. Exceptions shall be reported in accordance with § 2542.410(a).

[60 FR 33041, 33063, June 26, 1995]

§ 2542.140 Continuation of covered transactions.

(a) Notwithstanding the debarment, suspension, proposed debarment under 48 CFR part 9, subpart 9.4, determination of ineligibility, or voluntary exclusion of any person by an agency, agencies and participants may continue covered transactions in existence at the time the person was debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, declared ineligible, or voluntarily excluded. A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.

(b) Agencies and participants shall not renew or extend covered transactions (other than no-cost time extensions) with any person who is debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible or voluntarily excluded, except as provided in § 2542.130.

[60 FR 33041, 33063, June 26, 1995]

§ 2542.150 Failure to adhere to restrictions.

(a) Except as permitted under § 2542.130 or § 2542.140, a participant shall not knowingly do business under a covered transaction with a person who is—

- (1) Debarred or suspended;
- (2) Proposed for debarment under 48 CFR part 9, subpart 9.4; or
- (3) Ineligible for or voluntarily excluded from the covered transaction.

(b) Violation of the restriction under paragraph (a) of this section may re-

sult in disallowance of costs, annulment or termination of award, issuance of a stop work order, debarment or suspension, or other remedies as appropriate.

(c) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction (See Appendix B of these regulations), unless it knows that the certification is erroneous. An agency has the burden of proof that a participant did knowingly do business with a person that filed an erroneous certification.

[60 FR 33041, 33063, June 26, 1995]

Subpart C—Debarment

§ 2542.200 General.

The debarring official may debar a person for any of the causes in § 2542.210, using procedures established in §§ 2542.220 through 2542.260. The existence of a cause for debarment, however, does not necessarily require that the person be debarred; the seriousness of the person's acts or omissions and any mitigating factors shall be considered in making any debarment decision.

§ 2542.210 Causes for debarment.

Debarment may be imposed in accordance with the provisions of §§ 2542.200 through 2542.260 for:

(a) Conviction of or civil judgment for:

(1) Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction;

(2) Violation of Federal or State anti-trust statutes, including those proscribing price fixing between competitors, allocation of customers between competitors, and bid rigging;

(3) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, making false claims, or obstruction of justice; or

§ 2542.220

(4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of a person.

(b) Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as:

(1) A willful failure to perform in accordance with the terms of one or more public agreements or transactions;

(2) A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions; or

(3) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction.

(c) Any of the following causes:

(1) A nonprocurement debarment by any Federal agency taken before October 1, 1988, the effective date of the Governmentwide debarment and suspension (nonprocurement) regulations, or a procurement debarment by any Federal agency taken pursuant to 48 CFR part 9, subpart 9.4;

(2) Knowingly doing business with a debarred, suspended, ineligible, or voluntarily excluded person, in connection with a covered transaction, except as permitted in § 2542.130 or § 2542.140;

(3) Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overpayments, but not including sums owed the Federal Government under the Internal Revenue Code) owed to any Federal agency or instrumentality, provided the debt is uncontested by the debtor or, if contested, provided that the debtor's legal and administrative remedies have been exhausted;

(4) Violation of a material provision of a voluntary exclusion agreement entered into under § 2542.270 or of any settlement of a debarment or suspension action; or

(5) Violation of any requirement of subpart F of this part, relating to providing a drug-free workplace, as set forth in § 2542.530 of this part.

(d) Any other cause of so serious or compelling a nature that it affects the present responsibility of a person.

45 CFR Ch. XXV (10-1-02 Edition)

§ 2542.220 Procedures.

The Corporation shall process debarment actions as informally as practicable, consistent with the principles of fundamental fairness, using the procedures in §§ 2542.230 through 2542.260.

§ 2542.230 Investigation and referral.

Information concerning the existence of a cause for debarment from any source shall be promptly reported, investigated, and referred, when appropriate, to the debarring official for consideration. After consideration, the debarring official may issue a notice of proposed debarment.

§ 2542.240 Notice of proposed debarment.

A debarment proceeding shall be initiated by notice to the respondent advising:

(a) That debarment is being considered;

(b) Of the reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;

(c) Of the cause(s) relied upon under § 2452.210 for proposing debarment;

(d) Of the provisions of §§ 2542.230 through 2542.260, and any other Corporation procedures, if applicable, governing debarment decision making; and

(e) Of the potential effect of a debarment.

§ 2542.250 Opportunity to contest proposed debarment.

(a) *Submission in opposition.* Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.

(b) *Additional proceedings as to disputed material facts.* (1) In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent's submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.

(2) A transcribed record of any additional proceedings shall be made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

§ 2542.260 Debarring official's decision.

(a) *No additional proceedings necessary.* In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the debarring official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the debarring official extends this period for good cause.

(b) *Additional proceedings necessary.* (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The debarring official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.

(3) The debarring official's decision shall be made after the conclusion of the proceedings with respect to disputed facts.

(c) (1) *Standard of proof.* In any debarment action, the cause for debarment must be established by a preponderance of the evidence. Where the proposed debarment is based upon a conviction or civil judgment, the standard shall be deemed to have been met.

(2) *Burden of proof.* The burden of proof is on the agency proposing debarment.

(d) *Notice of debarring official's decision.* (1) If the debarring official decides to impose debarment, the respondent shall be given prompt notice:

(i) Referring to the notice of proposed debarment;

(ii) Specifying the reasons for debarment;

(iii) Stating the period of debarment, including effective dates; and

(iv) Advising that the debarment is effective for covered transactions throughout the executive branch of the Federal Government unless an agency head or an authorized designee makes the determination referred to in § 2542.130.

(2) If the debarring official decides not to impose debarment, the respondent shall be given prompt notice of that decision. A decision not to impose debarment shall be without prejudice to a subsequent imposition of debarment by any other agency.

§ 2542.270 Settlement and voluntary exclusion.

(a) When in the best interest of the Government, the Corporation may, at any time, settle a debarment or suspension action.

(b) If a participant and the agency agree to a voluntary exclusion of the participant, such voluntary exclusion shall be entered on the Nonprocurement List (see subpart E of this part).

§ 2542.280 Period of debarment.

(a) Debarment shall be for a period commensurate with the seriousness of the cause(s). If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(1) Debarment for causes other than those related to a violation of the requirements of subpart F of this part generally should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed.

(2) In the case of a debarment for a violation of the requirements of subpart F of this part (see § 2542.210(c)(5)), the period of debarment shall not exceed five years.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest. However, a debarment may not be extended solely

§ 2542.290

on the basis of the facts and circumstances upon which the initial debarment action was based. If debarment for an additional period is determined to be necessary, the procedures of §§ 2542.230 through 2542.260 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by documentation. The debarring official may grant such a request for reasons including, but not limited to:

(1) Newly discovered material evidence;

(2) Reversal of the conviction or civil judgment upon which the debarment was based;

(3) Bona fide change in ownership or management;

(4) Elimination of other causes for which the debarment was imposed; or

(5) Other reasons the debarring official deems appropriate.

§ 2542.290 Scope of debarment.

(a) *Scope in general.* (1) Debarment of a person under this part constitutes debarment of all its divisions and other organizational elements from all covered transactions, unless the debarment decision is limited by its terms to one or more specifically identified individuals, divisions or other organizational elements or to specific types of transactions.

(2) The debarment action may include any affiliate of the participant that is specifically named and given notice of the proposed debarment and an opportunity to respond (see §§ 2542.230 through 2542.260).

(b) *Imputing conduct.* For purposes of determining the scope of debarment, conduct may be imputed as follows:

(1) *Conduct imputed to participant.* The fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a participant may be imputed to the participant when the conduct occurred in connection with the individual's performance of duties for or on behalf of the participant, or with the participant's knowledge, approval, or acquiescence. The participant's acceptance of the

45 CFR Ch. XXV (10–1–02 Edition)

benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(2) *Conduct imputed to individuals associated with participant.* The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant's conduct.

(3) *Conduct of one participant imputed to other participants in a joint venture.* The fraudulent, criminal, or other seriously improper conduct of one participant in a joint venture, grant pursuant to a joint application, or similar arrangement may be imputed to other participants if the conduct occurred for or on behalf of the joint venture, grant pursuant to a joint application, or similar arrangement or with the knowledge, approval, or acquiescence of these participants. Acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

Subpart D—Suspension

§ 2542.300 General.

(a) The suspending official may suspend a person for any of the causes in § 2542.310 using procedures established in §§ 2542.320 through 2542.350.

(b) Suspension is a serious action to be imposed only when:

(1) There exists adequate evidence of one or more of the causes set out in § 2542.320; and

(2) Immediate action is necessary to protect the public interest.

(c) In assessing the adequacy of the evidence, the agency should consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.

§ 2542.310 Causes for suspension.

(a) Suspension may be imposed in accordance with the provisions of §§ 2542.300 through 2542.350 upon adequate evidence:

(1) To suspect the commission of an offense listed in § 2542.300(a); or

(2) That a cause for debarment under § 2542.300 may exist.

(b) Indictment shall constitute adequate evidence for purposes of suspension actions.

§ 2542.320 Procedures.

(a) *Investigation and referral.* Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.

(b) *Decisionmaking process.* The Corporation shall process suspension actions as informally as practicable, consistent with principles of fundamental fairness, using the procedures in §§ 2541.330 through 2542.350.

§ 2542.330 Notice of suspension.

When a respondent is suspended, notice shall immediately be given:

(a) That suspension has been imposed;

(b) That the suspension is based on an indictment, conviction, or other adequate evidence that the respondent has committed irregularities seriously reflecting on the propriety of further Federal Government dealings with the respondent;

(c) Describing any such irregularities in terms sufficient to put the respondent on notice without disclosing the Federal Government's evidence;

(d) Of the cause(s) relied upon under § 2542.310 for imposing suspension;

(e) That the suspension is for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings;

(f) Of the provisions of §§ 2542.330 through 2542.350 and any other Corporation procedures, if applicable, governing suspension decisionmaking; and

(g) Of the effect of the suspension.

§ 2542.340 Opportunity to contest suspension.

(a) *Submission in opposition.* Within 30 days after receipt of the notice of suspension, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the suspension.

(b) *Additional proceedings as to disputed material facts.* (1) If the suspending official finds that the respondent's submission in opposition raises a genuine dispute over facts material to the suspension, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents, unless:

(i) The action is based on an indictment, conviction or civil judgment; or

(ii) A determination is made, on the basis of Department of Justice advice, that the substantial interests of the Federal Government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced.

(2) A transcribed record of any additional proceedings shall be prepared and made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

§ 2542.350 Suspending official's decision.

The suspending official may modify or terminate the suspension (for example, see § 2542.280(c) for reasons for reducing the period or scope of debatement or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any agency. The decision shall be rendered in accordance with the following provisions.

(a) *No additional proceedings necessary.* In actions: Based on an indictment, conviction, or civil judgment; in which there is no genuine dispute over material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a decision on the basis of all the information

§ 2542.360

in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

(b) *Additional proceedings necessary.*

(1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary or capricious or clearly erroneous.

(c) *Notice of suspending official's decision.* Prompt written notice of the suspending official's decision shall be sent to the respondent.

§ 2542.360 Period of suspension.

(a) Suspension shall be for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings, unless terminated sooner by the suspending official or as provided in paragraph (b) of this section.

(b) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an Assistant Attorney General or United States Attorney requests its extension in writing, in which case it may be extended for an additional six months. In no event may a suspension extend beyond 18 months, unless such proceedings have been initiated within that period.

(c) The suspending official shall notify the Department of Justice of an impending termination of a suspension, at least 30 days before the 12-month period expires, to give that Department an opportunity to request an extension.

45 CFR Ch. XXV (10-1-02 Edition)

§ 2542.370 Scope of suspension.

The scope of a suspension is the same as the scope of a debarment (see § 2542.290) except that the procedures of §§ 2542.320 through 2542.350 shall be used in imposing a suspension.

Subpart E—Responsibilities of GSA, Agency and Participants

§ 2542.400 GSA responsibilities.

(a) In accordance with the OMB guidelines, GSA shall compile, maintain, and distribute a list of all persons who have been debarred, suspended, or voluntarily excluded by agencies under Executive Order 12549 and this part, and those who have been determined to be ineligible.

(b) At a minimum, this list shall indicate:

(1) The names and addresses of all debarred, suspended, ineligible, and voluntarily excluded persons, in alphabetical order, with cross-references when more than one name is involved in a single action;

(2) The type of action;

(3) The cause for the action;

(4) The scope of the action;

(5) Any termination date for each listing; and

(6) The agency and name and telephone number of the agency point of contact for the action.

§ 2542.410 Corporation responsibilities.

(a) The agency shall provide GSA with current information concerning debarments, suspension, determinations of ineligibility, and voluntary exclusions it has taken. Until February 18, 1989, the agency shall also provide GSA and OMB with information concerning all transactions in which the Corporation has granted exceptions under § 2542.130 permitting participation by debarred, suspended, or voluntarily excluded persons.

(b) Unless an alternative schedule is agreed to by GSA, the agency shall advise GSA of the information set forth in § 2542.400(b) and of the exceptions granted under § 2542.130 within five working days after taking such actions.

Corporation for National and Community Service

§ 2542.510

(c) The agency shall direct inquiries concerning listed persons to the agency that took the action.

(d) Agency officials shall check the Nonprocurement List before entering covered transactions to determine whether a participant in a primary transaction is debarred, suspended, ineligible, or voluntarily excluded.

(e) Agency officials shall check the Nonprocurement List before approving principals or lower tier participants where agency approval of the principal or lower tier participant is required under the terms of the transaction, to determine whether such principals or participants are debarred, suspended, ineligible, or voluntarily excluded.

§ 2542.420 Participants' responsibilities.

(a) *Certification by participants in primary covered transactions.* Each participant shall submit the certification in Appendix A of this part for it and its principals at the time the participant submits its proposal in connection with a primary covered transaction, except that States need only complete such certification as to their principals. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, each participant may, but is not required to, check the Nonprocurement List for its principals. Adverse information on the certification will not necessarily result in denial of participation. However, the certification, and any additional information pertaining to the certification submitted by the participant, shall be considered in the administration of covered transactions.

(b) *Certification by participants in lower tier covered transactions.* (1) Each participant shall require participants in lower tier covered transactions to include the certification in Appendix B of this part for it and its principals in any proposal submitted in connection with such lower tier covered transactions.

(2) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, ineligible, or voluntarily excluded from the covered

transaction by any Federal agency, unless it knows that the certification is erroneous. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, a participant may, but is not required to, check the Nonprocurement List for its principals and for participants.

(c) *Changed circumstances regarding certification.* A participant shall provide immediate written notice to Corporation if at any time the participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. Participants in lower tier covered transactions shall provide the same updated notice to the participant to which it submitted its proposals.

Subpart F—Drug-Free Workplace Requirements (Grants)

§ 2542.500 Purpose.

(a) The purpose of this subpart is to carry out the Drug-Free Workplace Act of 1988 (41 U.S.C. 701 et seq.) by requiring that—

§ 2542.520 Coverage.

(a) This subpart applies to any grantee of the agency.

(b) This subpart applies to any grant, except where application of this subpart would be inconsistent with the international obligations of the United States or the laws or regulations of a foreign government. A determination of such inconsistency may be made only by the agency head or his/her designee.

(c) The provisions of subparts A, B, C, D and E of this part apply to matters covered by this subpart, except where specifically modified by this subpart. In the event of any conflict between provisions of this subpart and other provisions of this part, the provisions of this subpart are deemed to control with respect to the implementation of

drug-free workplace requirements concerning grants.

§ 2542.530 Grounds for suspension of payments, suspension or termination of grants, or suspension or debarment.

A grantee shall be deemed in violation of the requirements of this subpart if the agency head or his or her official designee determines, in writing, that—

(a) The grantee has made a false certification under § 2542.560;

(b) With respect to a grantee other than an individual—

(1) The grantee has violated the certification by failing to carry out the requirements of paragraphs (A) (a)–(g) and/or (B) of the certification (Alternate I in Appendix C of this part); or

(2) Such a number of employees of the grantee have been convicted of violations of criminal drug statutes for violations occurring in the workplace as to indicate that the grantee has failed to make a good faith effort to provide a drug-free workplace; or

(c) With respect to a grantee who is an individual—

(1) The grantee has violated the certification by failing to carry out its requirements (Alternate II of Appendix C of this part); or

(2) The grantee is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity.

§ 2542.540 Effect of violation.

(a) In the event of a violation of this subpart as provided in § 2542.520, and in accordance with applicable law, the grantee shall be subject to one or more of the following actions:

(1) Suspension of payments under the grant;

(2) Suspension or termination of the grant; and

(3) Suspension or debarment of the grantee under the provisions of this part.

(b) Upon issuance of any final decision under this part requiring debarment of a grantee, the debarred grantee shall be ineligible for award of any grant from any Federal agency for a period specified in the decision, not to exceed five years (see § 2542.280(a)(2)).

§ 2542.550 Exception provision.

The agency head may waive with respect to a particular grant, in writing, a suspension of payments under a grant, suspension or termination of a grant, or suspension or debarment of a grantee if the agency head determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

§ 2542.560 Certification requirements and procedures.

(a) (1) As a prior condition of being awarded a grant, each grantee shall make the appropriate certification to the Federal agency providing the grant, as provided in Appendix C of this part.

(2) Grantees are not required to make a certification in order to continue receiving funds under a grant awarded before March 18, 1989, or under a no-cost time extension of such a grant. However, the grantee shall make a one-time drug-free workplace certification for a non-automatic continuation of such a grant made on or after March 18, 1989.

(b) Except as provided in this section, all grantees shall make the required certification for each grant. For mandatory formula grants and entitlements that have no application process, grantees shall submit a one-time certification in order to continue receiving awards.

(c) A grantee that is a State may elect to make one certification in each Federal fiscal year. States that previously submitted an annual certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. Except as provided in paragraph (d) of this section, this certification shall cover all grants to all State agencies from any Federal agency. The State shall retain the original of this statewide certification in its Governor's office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency has designated a central location for submission.

(d) (1) The Governor of a State may exclude certain State agencies from

§ 2542.570

45 CFR Ch. XXV (10-1-02 Edition)

the statewide certification and authorize these agencies to submit their own certifications to Federal agencies. The statewide certification shall name any State agencies so excluded.

(2) A State agency to which the statewide certification does not apply, or a State agency in a State that does not have a statewide certification, may elect to make one certification in each Federal fiscal year. State agencies that previously submitted a State agency certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. The State agency shall retain the original of this State agency-wide certification in its central office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency designates a central location for submission.

(3) When the work of a grant is done by more than one State agency, the certification of the State agency directly receiving the grant shall be deemed to certify compliance for all workplaces, including those located in other State agencies.

(e) (1) For a grant of less than 30 days performance duration, grantees shall have this policy statement and program in place as soon as possible, but in any case by a date prior to the date on which performance is expected to be completed.

(2) For a grant of 30 days or more performance duration, grantees shall have this policy statement and program in place within 30 days after award.

(3) Where extraordinary circumstances warrant for a specific grant, the grant officer may determine a different date on which the policy statement and program shall be in place.

§ 2542.570 Reporting of and employee sanctions for convictions of criminal drug offenses.

(a) When a grantee other than an individual is notified that an employee has been convicted for a violation of a criminal drug statute occurring in the workplace, it shall take the following actions:

(1) Within 10 calendar days of receiving notice of the conviction, the grantee shall provide written notice, includ-

ing the convicted employee's position title, to every grant officer, or other designee on whose grant activity the convicted employee was working, unless a Federal agency has designated a central point for the receipt of such notifications. Notification shall include the identification number(s) for each of the Federal agency's affected grants.

(2) Within 30 calendar days of receiving notice of the conviction, the grantee shall do the following with respect to the employee who was convicted:

(i) Take appropriate personnel action against the employee, up to and including termination, consistent with requirements of the Rehabilitation Act of 1973, as amended; or

(ii) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health law enforcement, or other appropriate agency.

(b) A grantee who is an individual who is convicted for a violation of a criminal drug statute occurring during the conduct of any grant activity shall report the conviction, in writing, within 10 calendar days, to his or her Federal agency grant officer, or other designee, unless the Federal agency has designated a central point for the receipt of such notices. Notification shall include the identification number(s) for each of the Federal agency's affected grants.

APPENDIX A TO PART 2542—CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS—PRIMARY COVERED TRANSACTIONS

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to

furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms *covered transaction*, *debarred*, *suspended*, *ineligible*, *lower tier covered transaction*, *participant*, *person*, *primary covered transaction*, *principal*, *proposal*, and *voluntarily excluded*, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each

participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions

6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4,

A participant may decide the method and frequency by which it determines the eligibility of its principals. APPENDIX C TO PART 2542—CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

Instructions for Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may

take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. §812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of *nolo contendere*) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consult-

ants or independent contractors not on the grantee's payroll; or employees of sub recipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

A. The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about—

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will—

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted—

Pt. 2543

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

B. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant: Place of Performance (Street address, city, county, state, zip code)

Check [] if there are workplaces on file that are not identified here.

Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

Subpart A—General

§ 2543.1 Purpose.

This Circular establishes uniform administrative requirements for Federal grants and agreements awarded to institutions of higher education, hospitals, and other non-profit organizations. Federal awarding agencies shall not impose additional or inconsistent requirements, except as provided in Sections 2543.4, and 2543.14 or unless specifically required by Federal statute or executive order. Non-profit organizations that implement Federal programs for the States are also subject to State requirements.

§ 2543.2 Definitions.

(a) *Accrued expenditures* means the charges incurred by the recipient during a given period requiring the provision of funds for:

- (1) Goods and other tangible property received;
- (2) Services performed by employees, contractors, subrecipients, and other payees; and,
- (3) Other amounts becoming owed under programs for which no current services or performance is required.

(b) *Accrued income* means the sum of:

- (1) Earnings during a given period from

- (i) Services performed by the recipient, and
- (ii) Goods and other tangible property delivered to purchasers, and

(2) Amounts becoming owed to the recipient for which no current services or performance is required by the recipient.

(c) *Acquisition cost of equipment* means the net invoice price of the equipment, including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges, such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the recipient’s regular accounting practices.

(d) *Advance* means a payment made by Treasury check or other appropriate payment mechanism to a recipient upon its request either before outlays are made by the recipient or through the use of predetermined payment schedules.

(e) *Award* means financial assistance that provides support or stimulation to accomplish a public purpose. Awards include grants and other agreements in the form of money or property in lieu of money, by the Federal Government to an eligible recipient. The term does not include: technical assistance, which provides services instead of money; other assistance in the form of loans, loan guarantees, interest subsidies, or insurance; direct payments of any kind to individuals; and, contracts which are required to be entered into and administered under procurement laws and regulations.

(f) *Cash contributions* means the recipient’s cash outlay, including the outlay of money contributed to the recipient by third parties.

(g) *Closeout* means the process by which a Federal awarding agency determines that all applicable administrative actions and all required work of the award have been completed by the recipient and Federal awarding agency.

(h) *Contract* means a procurement contract under an award or subaward, and a procurement subcontract under a recipient’s or subrecipient’s contract.

(i) *Cost sharing or matching* means that portion of project or program costs not borne by the Federal Government.

(j) *Date of completion* means the date on which all work under an award is completed or the date on the award document, or any supplement or amendment thereto, on which Federal sponsorship ends.

(k) *Disallowed costs* means those charges to an award that the Federal awarding agency determines to be unallowable, in accordance with the applicable Federal cost principles or other terms and conditions contained in the award.

(l) *Equipment* means tangible non-expendable personal property including exempt property charged directly to the award having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. However, consistent with recipient policy, lower limits may be established.

(m) *Excess property* means property under the control of any Federal awarding agency that, as determined by the head thereof, is no longer required for its needs or the discharge of its responsibilities.

(n) *Exempt property* means tangible personal property acquired in whole or in part with Federal funds, where the Federal awarding agency has statutory authority to vest title in the recipient without further obligation to the Federal Government. An example of exempt property authority is contained in the Federal Grant and Cooperative Agreement Act (31 U.S.C. 6306), for property acquired under an award to conduct basic or applied research by a non-profit institution of higher education or non-profit organization whose principal purpose is conducting scientific research.

(o) *Federal awarding agency* means the Federal agency that provides an award to the recipient.

(p) *Federal funds authorized* means the total amount of Federal funds obligated by the Federal Government for use by the recipient. This amount may include any authorized carryover of unobligated funds from prior funding periods when permitted by agency regulations or agency implementing instructions.

(q) *Federal share* of real property, equipment, or supplies means that percentage of the property's acquisition

costs and any improvement expenditures paid with Federal funds.

(r) *Funding period* means the period of time when Federal funding is available for obligation by the recipient.

(t) *Obligations* means the amounts of orders placed, contracts and grants awarded, services received and similar transactions during a given period that require payment by the recipient during the same or a future period.

(u) *Outlays or expenditures* means charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense charged, the value of third party in-kind contributions applied and the amount of cash advances and payments made to subrecipients. For reports prepared on an accrual basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase (or decrease) in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subrecipients and other payees and other amounts becoming owed under programs for which no current services or performance are required.

(v) *Personal property* means property of any kind except real property. It may be tangible, having physical existence, or intangible, having no physical existence, such as copyrights, patents, or securities.

(w) *Prior approval* means written approval by an authorized official evidencing prior consent.

Program income includes, but is not limited to, income from fees for services performed, the use or rental of real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights, and interest on loans made with award funds. Interest earned on advances of Federal funds is not program income. Except as otherwise provided in Federal awarding agency regulations or the terms and conditions of the award, program income does not include the receipt of principal on loans, rebates, credits, discounts, etc., or interest earned on any of them.

(y) *Project costs* means all allowable costs, as set forth in the applicable Federal cost principles, incurred by a recipient and the value of the contributions made by third parties in accomplishing the objectives of the award during the project period.

(aa) *Property* means, unless otherwise stated, real property, equipment, intangible property and debt instruments.

(bb) *Real property* means land, including land improvements, structures and appurtenances thereto, but excludes movable machinery and equipment.

(cc) *Recipient* means an organization receiving financial assistance directly from Federal awarding agencies to carry out a project or program. The term includes public and private institutions of higher education, public and private hospitals, and other quasi-public and private non-profit organizations such as, but not limited to, community action agencies, research institutes, educational associations, and health centers. The term may include commercial organizations, foreign or international organizations (such as agencies of the United Nations) which are recipients, subrecipients, or contractors or subcontractors of recipients or subrecipients at the discretion of the Federal awarding agency. The term does not include government-owned contractor-operated facilities or research centers providing continued

support for mission-oriented, large-scale programs that are government-owned or controlled, or are designated as federally-funded research and development centers.

(dd) *Research and development* means all research activities, both basic and applied, and all development activities that are supported at universities, colleges, and other non-profit institutions. "Research" is defined as a systematic study directed toward fuller scientific knowledge or understanding of the subject studied. "Development" is the systematic use of knowledge and understanding gained from research directed toward the production of useful materials, devices, systems, or methods, including design and development of prototypes and processes. The term research also includes activities involving the training of individuals in research techniques where such activities utilize the same facilities as other research and development activities and where such activities are not included in the instruction function.

(ff) *Subaward* means an award of financial assistance in the form of money, or property in lieu of money, made under an award by a recipient to an eligible subrecipient or by a subrecipient to a lower tier subrecipient. The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement of goods and services nor does it include any form of assistance which is excluded from the definition of "award" in paragraph (e).

(gg) *Subrecipient* means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided. The term may include foreign or international organizations (such as agencies of the United Nations) at the discretion of the Federal awarding agency.

(ii) *Suspension* means an action by a Federal awarding agency that temporarily withdraws Federal sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award by the Federal awarding agency. Suspension of an award is a separate action from suspension under Federal agency regulations implementing E.O.s 12549 and 12689, “Debarment and Suspension.”

(jj) *Termination* means the cancellation of Federal sponsorship, in whole or in part, under an agreement at any time prior to the date of completion.

45 CFR Ch. XXV (10–1–02 Edition)

disbursement needs for a given initial period.

§ 2543.3 Effect on other issuances.

For awards subject to this Circular, all administrative requirements of codified program regulations, program manuals, handbooks and other non-regulatory materials which are inconsistent with the requirements of this Circular shall be superseded, except to the extent they are required by statute, or authorized in accordance with the deviations provision in Section § 2543.4.

§ 2543.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this Circular when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this Circular shall be permitted only in unusual circumstances. Federal awarding agencies may apply more restrictive requirements to a class of recipients when approved by OMB. Federal awarding agencies may apply less restrictive requirements when awarding small awards, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by Federal awarding agencies.

§ 2543.5 Subawards.

Unless sections of this Circular specifically exclude subrecipients from coverage, the provisions of this Circular shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals or other non-profit organizations. State and local government subrecipients are subject to the provisions of regulations implementing the grants management common rule, “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments,” published at 53 FR 8034.

Subpart B—Pre-Award Requirements

§ 2543.10 Purpose.

Sections §2543.11 through §2543.17 prescribes forms and instructions and other pre-award matters to be used in applying for Federal awards.

§ 2543.11 Pre-award policies.

(a) Use of Grants and Cooperative Agreements, and Contracts. In each instance, the Federal awarding agency shall decide on the appropriate award instrument (i.e., grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301-08) governs the use of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, “substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement.” Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(b) Public Notice and Priority Setting. Federal awarding agencies shall notify the public of its intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute.

§ 2543.12 Forms for applying for Federal assistance.

(a) Federal awarding agencies shall comply with the applicable report clearance requirements of 5 CFR part 1320, “Controlling Paperwork Burdens on the Public,” with regard to all forms used by the Federal awarding agency in place of or as a supplement to the Standard Form 424 (SF-424) series.

(b) Applicants shall use the SF-424 series or those forms and instructions prescribed by the Federal awarding agency.

(c) For Federal programs covered by E.O. 12372, “Intergovernmental Review of Federal Programs,” the applicant shall complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the Federal awarding agency or the *Catalog of Federal Domestic Assistance*. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

(d) Federal awarding agencies that do not use the SF-424 form should indicate whether the application is subject to review by the State under E.O. 12372.

§ 2543.13 Debarment and suspension.

Federal awarding agencies and recipients shall comply with the non-procurement debarment and suspension common rule implementing E.O.s 12549 and 12689, “Debarment and Suspension.” This common rule restricts sub-awards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

§ 2543.14 Special award conditions.

If an applicant or recipient:

(a) Has a history of poor performance,

(b) Is not financially stable,

(c) Has a management system that does not meet the standards prescribed in this Circular,

(d) Has not conformed to the terms and conditions of a previous award, or

(e) is not otherwise responsible, Federal awarding agencies may impose additional requirements as needed, provided that such applicant or recipient is notified in writing as to: the nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of the corrective action needed, the time allowed for completing the corrective actions, and the method for requesting reconsideration of the additional requirements imposed. Any special conditions shall be promptly removed once

§ 2543.15

the conditions that prompted them have been corrected.

§ 2543.15 Metric system of measurement.

The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act (15 U.S.C. 205) declares that the metric system is the preferred measurement system for U.S. trade and commerce. The Act requires each Federal agency to establish a date or dates in consultation with the Secretary of Commerce, when the metric system of measurement will be used in the agency's procurements, grants, and other business-related activities. Metric implementation may take longer where the use of the system is initially impractical or likely to cause significant inefficiencies in the accomplishment of federally-funded activities. Federal awarding agencies shall follow the provisions of E.O. 12770, "Metric Usage in Federal Government Programs."

§ 2543.16 Resource Conservation and Recovery Act.

Under the Act Resource Conservation and Recovery Act (42 U.S.C. 6962), any State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with Section 6002. Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by the Environmental Protection Agency (EPA) (40 CFR parts 247-254).

Accordingly, State and local institutions of higher education, hospitals, and non-profit organizations that receive direct Federal awards or other Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.

§ 2543.17 Certifications and representations.

Unless prohibited by statute or codified regulation, each Federal awarding agency is authorized and encouraged to allow recipients to submit certifications and representations required

45 CFR Ch. XXV (10-1-02 Edition)

by statute, executive order, or regulation on an annual basis, if the recipients have ongoing and continuing relationships with the agency. Annual certifications and representations shall be signed by responsible officials with the authority to ensure recipients' compliance with the pertinent requirements.

Subpart C—Post-Award Requirements

FINANCIAL AND PROGRAM MANAGEMENT

§ 2543.20 Purpose of financial and program management.

Sections 2543.21 through 2543.25 prescribe standards for financial management systems, methods for making payments and rules for: satisfying cost sharing and matching requirements, accounting for program income, budget revision approvals, making audits, determining allowability of cost, and establishing fund availability.

§ 2543.21 Standards for financial management systems.

(a) Federal awarding agencies shall require recipients to relate financial data to performance data and develop unit cost information whenever practical.

(b) Recipients' financial management systems shall provide for the following:

(1) Accurate, current and complete disclosure of the financial results of each federally-sponsored project or program in accordance with the reporting requirements set forth in § 2543.51. If a Federal awarding agency requires reporting on an accrual basis from a recipient that maintains its records on other than an accrual basis, the recipient shall not be required to establish an accrual accounting system. These recipients may develop such accrual data for its reports on the basis of an analysis of the documentation on hand.

(2) Records that identify adequately the source and application of funds for federally-sponsored activities. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

(3) Effective control over and accountability for all funds, property and

other assets. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

(4) Comparison of outlays with budget amounts for each award. Whenever appropriate, financial information should be related to performance and unit cost data.

(5) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101-453) govern, payment methods of State agencies, instrumentalities, and fiscal agents shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205, "Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs."

(6) Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.

(7) Accounting records including cost accounting records that are supported by source documentation.

(c) Where the Federal Government guarantees or insures the repayment of money borrowed by the recipient, the Federal awarding agency, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(d) The Federal awarding agency may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government's interest.

(e) Where bonds are required in the situations described above, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, "Surety Companies Doing Business With the United States."

§ 2543.22 Payment.

(a) Payment methods shall minimize the time elapsing between the transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payment by other means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with Treasury-State CMIA agreements or default procedures codified at 31 CFR part 205.

(b) Recipients are to be paid in advance, provided they maintain or demonstrate the willingness to maintain:

(1) Written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient, and

(2) Financial management systems that meet the standards for fund control and accountability as established in §2543.21. Cash advances to a recipient organization shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

(c) Whenever possible, advances shall be consolidated to cover anticipated cash needs for all awards made by the Federal awarding agency to the recipient.

(1) Advance payment mechanisms include, but are not limited to, Treasury check and electronic funds transfer.

(2) Advance payment mechanisms are subject to 31 CFR part 205.

(3) Recipients shall be authorized to submit requests for advances and reimbursements at least monthly when electronic fund transfers are not used.

(d) Requests for Treasury check advance payment shall be submitted on SF-270, "Request for Advance or Reimbursement," or other forms as may be authorized by OMB. This form is not to be used when Treasury check advance payments are made to the recipient

automatically through the use of a pre-determined payment schedule or if precluded by special Federal awarding agency instructions for electronic funds transfer.

(e) Reimbursement is the preferred method when the requirements in paragraph (b) cannot be met. Federal awarding agencies may also use this method on any construction agreement, or if the major portion of the construction project is accomplished through private market financing or Federal loans, and the Federal assistance constitutes a minor portion of the project.

(1) When the reimbursement method is used, the Federal awarding agency shall make payment within 30 days after receipt of the billing, unless the billing is improper.

(2) Recipients shall be authorized to submit request for reimbursement at least monthly when electronic funds transfers are not used.

(f) If a recipient cannot meet the criteria for advance payments and the Federal awarding agency has determined that reimbursement is not feasible because the recipient lacks sufficient working capital, the Federal awarding agency may provide cash on a working capital advance basis. Under this procedure, the Federal awarding agency shall advance cash to the recipient to cover its estimated disbursement needs for an initial period generally geared to the awardee's disbursing cycle. Thereafter, the Federal awarding agency shall reimburse the recipient for its actual cash disbursements. The working capital advance method of payment shall not be used for recipients unwilling or unable to provide timely advances to their subrecipient to meet the subrecipient's actual cash disbursements.

(g) To the extent available, recipients shall disburse funds available from repayments to and interest earned on a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(h) Unless otherwise required by statute, Federal awarding agencies shall not withhold payments for proper

charges made by recipients at any time during the project period unless:

(1) A recipient has failed to comply with the project objectives, the terms and conditions of the award, or Federal reporting requirements, or

(2) The recipient or subrecipient is delinquent in a debt to the United States as defined in OMB Circular A-129, "Managing Federal Credit Programs." Under such conditions, the Federal awarding agency may, upon reasonable notice, inform the recipient that payments shall not be made for obligations incurred after a specified date until the conditions are corrected or the indebtedness to the Federal Government is liquidated.

(i) Standards governing the use of banks and other institutions as depositories of funds advanced under awards are as follows:

(1) Except for situations described in paragraph (i)(2), Federal awarding agencies shall not require separate depository accounts for funds provided to a recipient or establish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Advances of Federal funds shall be deposited and maintained in insured accounts whenever possible.

(j) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients shall be encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(k) Recipients shall maintain advances of Federal funds in interest bearing accounts, unless:

(1) The recipient receives less than \$120,000 in Federal awards per year.

(2) The best reasonably available interest bearing account would not be expected to earn interest in excess of \$250 per year on Federal cash balances.

(3) The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.

(l) For those entities where CMIA and its implementing regulations do

not apply, interest earned on Federal advances deposited in interest bearing accounts shall be remitted annually to Department of Health and Human Services, Payment Management System, Rockville, MD 20852. Interest amounts up to \$250 per year may be retained by the recipient for administrative expense. State universities and hospitals shall comply with CMIA, as it pertains to interest. If an entity subject to CMIA uses its own funds to pay pre-award costs for discretionary awards without prior written approval from the Federal awarding agency, it waives its right to recover the interest under CMIA.

(m) Except as noted elsewhere in this Circular, only the following forms shall be authorized for the recipients in requesting advances and reimbursements. Federal agencies shall not require more than an original and two copies of these forms.

(1) SF-270, Request for Advance or Reimbursement. Each Federal awarding agency shall adopt the SF-270 as a standard form for all nonconstruction programs when electronic funds transfer or predetermined advance methods are not used. Federal awarding agencies, however, have the option of using this form for construction programs in lieu of the SF-271, "Outlay Report and Request for Reimbursement for Construction Programs."

(2) SF-271, Outlay Report and Request for Reimbursement for Construction Programs. Each Federal awarding agency shall adopt the SF-271 as the standard form to be used for requesting reimbursement for construction programs. However, a Federal awarding agency may substitute the SF-270 when the Federal awarding agency determines that it provides adequate information to meet Federal needs.

§ 2543.23 Cost sharing or matching.

(a) All contributions, including cash and third party in-kind, shall be accepted as part of the recipient's cost sharing or matching when such contributions meet all of the following criteria.

(1) Are verifiable from the recipient's records.

(2) Are not included as contributions for any other federally-assisted project or program.

(3) Are necessary and reasonable for proper and efficient accomplishment of project or program objectives.

(4) Are allowable under the applicable cost principles.

(5) Are not paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or matching.

(6) Are provided for in the approved budget when required by the Federal awarding agency.

(7) Conform to other provisions of this Circular, as applicable.

(b) Unrecovered indirect costs may be included as part of cost sharing or matching only with the prior approval of the Federal awarding agency.

(c) Values for recipient contributions of services and property shall be established in accordance with the applicable cost principles. If a Federal awarding agency authorizes recipients to donate buildings or land for construction/facilities acquisition projects or long-term use, the value of the donated property for cost sharing or matching shall be the lesser of:

(1) The certified value of the remaining life of the property recorded in the recipient's accounting records at the time of donation, or.

(2) The current fair market value. However, when there is sufficient justification, the Federal awarding agency may approve the use of the current fair market value of the donated property, even if it exceeds the certified value at the time of donation to the project.

(d) Volunteer services furnished by professional and technical personnel, consultants, and other skilled and unskilled labor may be counted as cost sharing or matching if the service is an integral and necessary part of an approved project or program. Rates for volunteer services shall be consistent with those paid for similar work in the recipient's organization. In those instances in which the required skills are not found in the recipient organization, rates shall be consistent with those paid for similar work in the labor market in which the recipient competes for the kind of services involved. In either

§ 2543.24

case, paid fringe benefits that are reasonable, allowable, and allocable may be included in the valuation.

(e) When an employer other than the recipient furnishes the services of an employee, these services shall be valued at the employee's regular rate of pay (plus an amount of fringe benefits that are reasonable, allowable, and allocable, but exclusive of overhead costs), provided these services are in the same skill for which the employee is normally paid.

(f) Donated supplies may include such items as expendable equipment, office supplies, laboratory supplies or workshop and classroom supplies. Value assessed to donated supplies included in the cost sharing or matching share shall be reasonable and shall not exceed the fair market value of the property at the time of the donation.

(g) The method used for determining cost sharing or matching for donated equipment, buildings and land for which title passes to the recipient may differ according to the purpose of the award:

(1) If the purpose of the award is to assist the recipient in the acquisition of equipment, buildings or land, the total value of the donated property may be claimed as cost sharing or matching, or.

(2) If the purpose of the award is to support activities that require the use of equipment, buildings or land, normally only depreciation or use charges for equipment and buildings may be made. However, the full value of equipment or other capital assets and fair rental charges for land may be allowed, provided that the Federal awarding agency has approved the charges.

(h) The value of donated property shall be determined in accordance with the usual accounting policies of the recipient, with the following qualifications.

(1) The value of donated land and buildings shall not exceed its fair market value at the time of donation to the recipient as established by an independent appraiser (e.g., certified real property appraiser or General Services Administration representative) and certified by a responsible official of the recipient.

45 CFR Ch. XXV (10-1-02 Edition)

(2) The value of donated equipment shall not exceed the fair market value of equipment of the same age and condition at the time of donation.

(3) The value of donated space shall not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately-owned building in the same locality.

(4) The value of loaned equipment shall not exceed its fair rental value.

(5) The following requirements pertain to the recipient's supporting records for in-kind contributions from third parties.

(i) Volunteer services shall be documented and, to the extent feasible, supported by the same methods used by the recipient for its own employees.

(ii) The basis for determining the valuation for personal service, material, equipment, buildings and land shall be documented.

§ 2543.24 Program income.

(a) Federal awarding agencies shall apply the standards set forth in this section in requiring recipient organizations to account for program income related to projects financed in whole or in part with Federal funds.

(b) Except as provided in paragraph (h) below, program income earned during the project period shall be retained by the recipient and, in accordance with Federal awarding agency regulations or the terms and conditions of the award, shall be used in one or more of the ways listed in the following:

(1) Added to funds committed to the project by the Federal awarding agency and recipient and used to further eligible project or program objectives.

(2) Used to finance the non-Federal share of the project or program.

(3) Deducted from the total project or program allowable cost in determining the net allowable costs on which the Federal share of costs is based.

(c) When an agency authorizes the disposition of program income as described in paragraph (b)(1) or (b)(2), program income in excess of any limits stipulated shall be used in accordance with paragraph (b)(3).

(d) In the event that the Federal awarding agency does not specify in its

regulations or the terms and conditions of the award how program income is to be used, paragraph (b)(3) shall apply automatically to all projects or programs except research. For awards that support research, paragraph (b)(1) shall apply automatically unless the awarding agency indicates in the terms and conditions another alternative on the award or the recipient is subject to special award conditions, as indicated in § 2543.14.

(e) Unless Federal awarding agency regulations or the terms and conditions of the award provide otherwise, recipients shall have no obligation to the Federal Government regarding program income earned after the end of the project period.

(f) If authorized by Federal awarding agency regulations or the terms and conditions of the award, costs incident to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the award.

(g) Proceeds from the sale of property shall be handled in accordance with the requirements of the Property Standards. (See § 2543.28 through § 2543.36.)

(h) Unless Federal awarding agency regulations or the terms and condition of the award provide otherwise, recipients shall have no obligation to the Federal Government with respect to program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions produced under an award. However, Patent and Trademark Amendments (35 U.S.C. 18) apply to inventions made under an experimental, developmental, or research award.

§ 2543.25 Revision of budget and program plans.

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon Federal awarding agency requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program

plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(c) For nonconstruction awards, recipients shall request prior approvals from Federal awarding agencies for one or more of the following program or budget related reasons:

(1) Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

(2) Change in a key person specified in the application or award document.

(3) The absence for more than three months, or a 25 percent reduction in time devoted to the project, by the approved project director or principal investigator.

(4) The need for additional Federal funding.

(5) The transfer of amounts budgeted for indirect costs to absorb increases in direct costs, or vice versa, if approval is required by the Federal awarding agency.

(6) The inclusion, unless waived by the Federal awarding agency, of costs that require prior approval in accordance with OMB Circular A-21, "Cost Principles for Institutions of Higher Education," OMB Circular A-122, "Cost Principles for Non-Profit Organizations," or 45 CFR part 74 Appendix E, "Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts With Hospitals," or 48 CFR part 31, "Contract Cost Principles and Procedures," as applicable.

(7) The transfer of funds allotted for training allowances (direct payment to trainees) to other categories of expense.

(8) Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(d) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(e) Except for requirements listed in paragraphs (c)(1) and (c)(4) of this section, Federal awarding agencies are authorized, at their option, to waive cost-

§ 2543.25

45 CFR Ch. XXV (10–1–02 Edition)

related and administrative prior written approvals required by this Circular and OMB Circulars A-21 and A-122. Such waivers may include authorizing recipients to do any one or more of the following:

(1) Incur pre-award costs 90 calendar days prior to award or more than 90 calendar days with the prior approval of the Federal awarding agency. All pre-award costs are incurred at the recipient's risk (i.e., the Federal awarding agency is under no obligation to reimburse such costs if for any reason the recipient does not receive an award or if the award is less than anticipated and inadequate to cover such costs).

(2) Initiate a one-time extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply. For one-time extensions, the recipient must notify the Federal awarding agency in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award. This one-time extension may not be exercised merely for the purpose of using unobligated balances.

(i) The terms and conditions of award prohibit the extension.

(ii) The extension requires additional Federal funds.

(iii) The extension involves any change in the approved objectives or scope of the project.

(3) Carry forward unobligated balances to subsequent funding periods.

(4) For awards that support research, unless the Federal awarding agency provides otherwise in the award or in the agency's regulations, the prior approval requirements described in paragraph (e) are automatically waived (i.e., recipients need not obtain such prior approvals) unless one of the conditions included in paragraph (e)(2) applies.

(f) The Federal awarding agency may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for awards in which the Federal share of the project exceeds \$100,000 and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the Federal awarding agen-

cy. No Federal awarding agency shall permit a transfer that would cause any Federal appropriation or part thereof to be used for purposes other than those consistent with the original intent of the appropriation.

(g) All other changes to nonconstruction budgets, except for the changes described in paragraph (j), do not require prior approval.

(h) For construction awards, recipients shall request prior written approval promptly from Federal awarding agencies for budget revisions whenever (1), (2) or (3) apply.

(1) The revision results from changes in the scope or the objective of the project or program.

(2) The need arises for additional Federal funds to complete the project.

(3) A revision is desired which involves specific costs for which prior written approval requirements may be imposed consistent with applicable OMB cost principles listed in Section §2543.27.

(i) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(j) When a Federal awarding agency makes an award that provides support for both construction and nonconstruction work, the Federal awarding agency may require the recipient to request prior approval from the Federal awarding agency before making any fund or budget transfers between the two types of work supported.

(k) For both construction and nonconstruction awards, Federal awarding agencies shall require recipients to notify the Federal awarding agency in writing promptly whenever the amount of Federal authorized funds is expected to exceed the needs of the recipient for the project period by more than \$5,000 or five percent of the Federal award, whichever is greater. This notification shall not be required if an application for additional funding is submitted for a continuation award.

(l) When requesting approval for budget revisions, recipients shall use the budget forms that were used in the application unless the Federal awarding agency indicates a letter of request suffices.

Corporation for National and Community Service

§ 2543.31

(m) Within 30 calendar days from the date of receipt of the request for budget revisions, Federal awarding agencies shall review the request and notify the recipient whether the budget revisions have been approved. If the revision is still under consideration at the end of 30 calendar days, the Federal awarding agency shall inform the recipient in writing of the date when the recipient may expect the decision.

§ 2543.26 Non-Federal audits.

(a) Recipients and subrecipients that are institutions of higher education or other non-profit organizations (including hospitals) shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

(b) State and local governments shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

(c) For-profit hospitals not covered by the audit provisions of revised OMB Circular A-133 shall be subject to the audit requirements of the Federal awarding agencies.

(d) Commercial organizations shall be subject to the audit requirements of the Federal awarding agency or the prime recipient as incorporated into the award document.

[60 FR 13055, Mar. 10, 1995, as amended at 62 FR 45939, 45947, Aug. 29, 1997]

§ 2543.27 Allowable costs.

For each kind of recipient, there is a set of Federal principles for determining allowable costs. Allowability of costs shall be determined in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by State, local or federally-recognized Indian tribal governments is determined in accordance with the provisions of OMB Circular A-87, "Cost Principles for State and Local Governments." The allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of OMB

Circular A-122, "Cost Principles for Non-Profit Organizations." The allowability of costs incurred by institutions of higher education is determined in accordance with the provisions of OMB Circular A-21, "Cost Principles for Educational Institutions." The allowability of costs incurred by hospitals is determined in accordance with the provisions of Appendix E of 45 CFR part 74, "Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals." The allowability of costs incurred by commercial organizations and those non-profit organizations listed in Attachment C to Circular A-122 is determined in accordance with the provisions of the Federal Acquisition Regulation (FAR) at 48 CFR part 31.

§ 2543.28 Period of availability of funds.

Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by the Federal awarding agency.

PROPERTY STANDARDS

§ 2543.30 Purpose of property standards.

Sections 2543.31 through 2543.37 set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. Federal awarding agencies shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of § 2543.31 through § 2543.37.

§ 2543.31 Insurance coverage.

Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

§ 2543.32

45 CFR Ch. XXV (10–1–02 Edition)

§ 2543.32 Real property.

Each Federal awarding agency shall prescribe requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards. Unless otherwise provided by statute, such requirements, at a minimum, shall contain the following:

(a) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of the Federal awarding agency.

(b) The recipient shall obtain written approval by the Federal awarding agency for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (i.e., awards) or programs that have purposes consistent with those authorized for support by the Federal awarding agency.

(c) When the real property is no longer needed as provided in paragraphs (a) and (b), the recipient shall request disposition instructions from the Federal awarding agency or its successor Federal awarding agency. The Federal awarding agency shall observe one or more of the following disposition instructions.

(1) The recipient may be permitted to retain title without further obligation to the Federal Government after it compensates the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project.

(2) The recipient may be directed to sell the property under guidelines provided by the Federal awarding agency and pay the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project (after deducting actual and reasonable selling and fix-up expenses, if any, from the sales proceeds). When the recipient is authorized or required to sell the property, proper sales proce-

dures shall be established that provide for competition to the extent practicable and result in the highest possible return.

(3) The recipient may be directed to transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the recipient shall be entitled to compensation for its attributable percentage of the current fair market value of the property.

§ 2543.33 Federally-owned and exempt property.

(a) Federally-owned property.

(1) Title to federally-owned property remains vested in the Federal Government. Recipients shall submit annually an inventory listing of federally-owned property in their custody to the Federal awarding agency. Upon completion of the award or when the property is no longer needed, the recipient shall report the property to the Federal awarding agency for further Federal agency utilization.

(2) If the Federal awarding agency has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless the Federal awarding agency has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710(I)) to donate research equipment to educational and non-profit organizations in accordance with E.O. 12821, "Improving Mathematics and Science Education in Support of the National Education Goals"). Appropriate instructions shall be issued to the recipient by the Federal awarding agency.

(b) Exempt property. When statutory authority exists, the Federal awarding agency has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government and under conditions the Federal awarding agency considers appropriate. Such property is "exempt property." Should a Federal awarding agency not establish conditions, title to exempt property upon acquisition shall vest in the recipient without further obligation to the Federal Government.

§ 2543.34 Equipment.

(a) Title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this section.

(b) The recipient shall not use equipment acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, for as long as the Federal Government retains an interest in the equipment.

(c) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the property without approval of the Federal awarding agency. When no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-sponsored activities, in the following order of priority:

(1) Activities sponsored by the Federal awarding agency which funded the original project; then

(2) activities sponsored by other Federal awarding agencies.

(d) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to other projects or programs sponsored by the Federal awarding agency that financed the equipment; second preference shall be given to projects or programs sponsored by other Federal awarding agencies. If the equipment is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by the Federal awarding agency. User charges shall be treated as program income.

(e) When acquiring replacement equipment, the recipient may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replace-

ment equipment subject to the approval of the Federal awarding agency.

(f) The recipient's property management standards for equipment acquired with Federal funds and federally-owned equipment shall include all of the following:

(1) Equipment records shall be maintained accurately and shall include the following information.

(i) A description of the equipment.

(ii) Manufacturer's serial number, model number, Federal stock number, national stock number, or other identification number.

(iii) Source of the equipment, including the award number.

(iv) Whether title vests in the recipient or the Federal Government.

(v) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.

(vi) Information from which one can calculate the percentage of Federal participation in the cost of the equipment (not applicable to equipment furnished by the Federal Government).

(vii) Location and condition of the equipment and the date the information was reported.

(viii) Unit acquisition cost.

(ix) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value where a recipient compensates the Federal awarding agency for its share.

(2) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(3) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(4) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was

§ 2543.35

owned by the Federal Government, the recipient shall promptly notify the Federal awarding agency.

(5) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(6) Where the recipient is authorized or required to sell the equipment, proper sales procedures shall be established which provide for competition to the extent practicable and result in the highest possible return.

(g) When the recipient no longer needs the equipment, the equipment may be used for other activities in accordance with the following standards. For equipment with a current per unit fair market value of \$5,000 or more, the recipient may retain the equipment for other uses provided that compensation is made to the original Federal awarding agency or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value of the equipment. If the recipient has no need for the equipment, the recipient shall request disposition instructions from the Federal awarding agency. The Federal awarding agency shall determine whether the equipment can be used to meet the agency's requirements. If no requirement exists within that agency, the availability of the equipment shall be reported to the General Services Administration by the Federal awarding agency to determine whether a requirement for the equipment exists in other Federal agencies. The Federal awarding agency shall issue instructions to the recipient no later than 120 calendar days after the recipient's request and the following procedures shall govern.

(1) If so instructed or if disposition instructions are not issued within 120 calendar days after the recipient's request, the recipient shall sell the equipment and reimburse the Federal awarding agency an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the recipient shall be permitted to deduct and retain from the Federal share \$500 or ten percent of the proceeds, whichever is less, for the

45 CFR Ch. XXV (10-1-02 Edition)

recipient's selling and handling expenses.

(2) If the recipient is instructed to ship the equipment elsewhere, the recipient shall be reimbursed by the Federal Government by an amount which is computed by applying the percentage of the recipient's participation in the cost of the original project or program to the current fair market value of the equipment, plus any reasonable shipping or interim storage costs incurred.

(3) If the recipient is instructed to otherwise dispose of the equipment, the recipient shall be reimbursed by the Federal awarding agency for such costs incurred in its disposition.

(4) The Federal awarding agency may reserve the right to transfer the title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under existing statutes. Such transfer shall be subject to the following standards.

(i) The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.

(ii) The Federal awarding agency shall issue disposition instructions within 120 calendar days after receipt of a final inventory. The final inventory shall list all equipment acquired with grant funds and federally-owned equipment. If the Federal awarding agency fails to issue disposition instructions within the 120 calendar day period, the recipient shall apply the standards of this section, as appropriate.

(iii) When the Federal awarding agency exercises its right to take title, the equipment shall be subject to the provisions for federally-owned equipment.

§ 2543.35 Supplies and other expendable property.

(a) Title to supplies and other expendable property shall vest in the recipient upon acquisition. If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federally-sponsored project or program,

the recipient shall retain the supplies for use on non-Federal sponsored activities or sell them, but shall, in either case, compensate the Federal Government for its share. The amount of compensation shall be computed in the same manner as for equipment.

(b) The recipient shall not use supplies acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute as long as the Federal Government retains an interest in the supplies.

§ 2543.36 Intangible property.

(a) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. The Federal awarding agency(ies) reserve a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

(b) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR part 401, "Rights to Inventions Made by Non-profit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements."

(c) The Federal Government has the right to:

(1) Obtain, reproduce, publish or otherwise use the data first produced under an award; and

(2) Authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

(d)(1) In addition, in response to a Freedom of Information Act (FOIA) request for research data relating to published research findings produced under an award that were used by the Federal Government in developing an agency action that has the force and effect of law, the Federal awarding agency shall request, and the recipient shall provide, within a reasonable time, the research data so that they can be made available to the public through the procedures established under the FOIA. If the Federal awarding agency obtains

the research data solely in response to a FOIA request, the agency may charge the requester a reasonable fee equaling the full incremental cost of obtaining the research data. This fee should reflect costs incurred by the agency, the recipient, and applicable subrecipients. This fee is in addition to any fees the agency may assess under the FOIA (5 U.S.C. 552(a)(4)(A)).

(2) The following definitions apply for purposes of this paragraph (d):

(i) *Research data* is defined as the recorded factual material commonly accepted in the scientific community as necessary to validate research findings, but not any of the following: preliminary analyses, drafts of scientific papers, plans for future research, peer reviews, or communications with colleagues. This "recorded" material excludes physical objects (e.g., laboratory samples). *Research data* also do not include:

(A) Trade secrets, commercial information, materials necessary to be held confidential by a researcher until they are published, or similar information which is protected under law; and

(B) Personnel and medical information and similar information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, such as information that could be used to identify a particular person in a research study.

(ii) *Published* is defined as either when:

(A) Research findings are published in a peer-reviewed scientific or technical journal; or

(B) A Federal agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

(iii) *Used by the Federal Government in developing an agency action that has the force and effect of law* is defined as when an agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

(3) The requirements set forth in paragraph (d)(1) of this section do not apply to commercial organizations.

(e) Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient. The recipient

§ 2543.37

shall use that property for the originally-authorized purpose, and the recipient shall not encumber the property without approval of the Federal awarding agency. When no longer needed for the originally authorized purpose, disposition of the intangible property shall occur in accordance with the provisions of paragraph § 2543.34 (g).

[60 FR 13055, Mar. 10, 1995, as amended at 65 FR 53609, Sept. 5, 2000]

§ 2543.37 Property trust relationship.

Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. Agencies may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.

PROCUREMENT STANDARDS

§ 2543.40 Purpose of procurement standards.

Sections § 2543.41 through § 2543.48 set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall be imposed by the Federal awarding agencies upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

§ 2543.41 Recipient responsibilities.

The standards contained in this section do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to the Federal awarding agency, regarding the settlement and satisfaction of all contractual and administra-

tive issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred to such Federal, State or local authority as may have proper jurisdiction.

§ 2543.42 Codes of conduct.

The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

§ 2543.43 Competition.

All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall

be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids or offers may be rejected when it is in the recipient's interest to do so.

§ 2543.44 Procurement procedures.

(a) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that:

(1) Recipients avoid purchasing unnecessary items,

(2) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the Federal Government, and

(3) Solicitations for goods and services provide for all of the following:

(i) A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition.

(ii) Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals.

(iii) A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.

(iv) The specific features of "brand name or equal" descriptions that bidders are required to meet when such items are included in the solicitation.

(v) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.

(vi) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

(b) Positive efforts shall be made by recipients to utilize small businesses, minority-owned firms, and women's business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal.

(1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.

(2) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.

(3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.

(4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.

(5) Use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

(c) The type of procuring instruments used (e.g., fixed price contracts, cost reimbursable contracts, purchase orders, and incentive contracts) shall be determined by the recipient but shall be appropriate for the particular procurement and for promoting the best interest of the program or project involved. The "cost-plus-a-percentage-of-cost" or "percentage of construction cost" methods of contracting shall not be used.

(d) Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity, record of past performance, financial and technical resources or accessibility to

§ 2543.45

other necessary resources. In certain circumstances, contracts with certain parties are restricted by agencies' implementation of E.O.s 12549 and 12689, "Debarment and Suspension."

(e) Recipients shall, on request, make available for the Federal awarding agency, pre-award review and procurement documents, such as request for proposals or invitations for bids, independent cost estimates, etc., when any of the following conditions apply.

(1) A recipient's procurement procedures or operation fails to comply with the procurement standards in the Federal awarding agency's implementation of this Circular.

(2) The procurement is expected to exceed the small purchase threshold fixed at 41 U.S.C. 403 (11) (currently \$25,000) and is to be awarded without competition or only one bid or offer is received in response to a solicitation.

(3) The procurement, which is expected to exceed the small purchase threshold, specifies a "brand name" product.

(4) The proposed award over the small purchase threshold is to be awarded to other than the apparent low bidder under a sealed bid procurement.

(5) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the amount of the small purchase threshold.

§ 2543.45 Cost and price analysis.

Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

§ 2543.46 Procurement records.

Procurement records and files for purchases in excess of the small purchase threshold shall include the following at a minimum:

(a) Basis for contractor selection;

45 CFR Ch. XXV (10-1-02 Edition)

(b) Justification for lack of competition when competitive bids or offers are not obtained; and

(c) Basis for award cost or price.

§ 2543.47 Contract administration.

A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions and specifications of the contract.

§ 2543.48 Contract provisions.

The recipient shall include, in addition to provisions to define a sound and complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts.

(a) Contracts in excess of the small purchase threshold shall contain contractual provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the contract terms, and provide for such remedial actions as may be appropriate.

(b) All contracts in excess of the small purchase threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

(c) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds \$100,000. For those contracts or subcontracts exceeding \$100,000, the Federal awarding agency may accept the bonding policy and requirements of the

recipient, provided the Federal awarding agency has made a determination that the Federal Government's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows.

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by statute of all persons supplying labor and material in the execution of the work provided for in the contract.

(4) Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, "Surety Companies Doing Business with the United States."

(d) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, the Federal awarding agency, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this Circular, as applicable.

REPORTS AND RECORDS

§ 2543.50 Purpose of reports and records.

Sections § 2543.51 through § 2543.53 set forth the procedures for monitoring and reporting on the recipient's financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

§ 2543.51 Monitoring and reporting program performance.

(a) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure subrecipients have met the audit requirements as delineated in Section § 2543.26.

(b) The Federal awarding agency shall prescribe the frequency with which the performance reports shall be submitted. Except as provided in paragraph § 2543.51(f), performance reports shall not be required more frequently than quarterly or, less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. The Federal awarding agency may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(c) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(d) When required, performance reports shall generally contain, for each award, brief information on each of the following:

(1) A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(2) Reasons why established goals were not met, if appropriate.

(3) Other pertinent information including, when appropriate, analysis

§ 2543.52

and explanation of cost overruns or high unit costs.

(e) Recipients shall not be required to submit more than the original and two copies of performance reports.

(f) Recipients shall immediately notify the Federal awarding agency of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(g) Federal awarding agencies may make site visits, as needed.

(h) Federal awarding agencies shall comply with clearance requirements of 5 CFR part 1320 when requesting performance data from recipients.

§ 2543.52 Financial reporting.

(a) The following forms or such other forms as may be approved by OMB are authorized for obtaining financial information from recipients.

(1) SF-269 or SF-269A, Financial Status Report.

(i) Each Federal awarding agency shall require recipients to use the SF-269 or SF-269A to report the status of funds for all nonconstruction projects or programs. A Federal awarding agency may, however, have the option of not requiring the SF-269 or SF-269A when the SF-270, Request for Advance or Reimbursement, or SF-272, Report of Federal Cash Transactions, is determined to provide adequate information to meet its needs, except that a final SF-269 or SF-269A shall be required at the completion of the project when the SF-270 is used only for advances.

(ii) The Federal awarding agency shall prescribe whether the report shall be on a cash or accrual basis. If the Federal awarding agency requires accrual information and the recipient's accounting records are not normally kept on the accrual basis, the recipient shall not be required to convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand.

45 CFR Ch. XXV (10-1-02 Edition)

(iii) The Federal awarding agency shall determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the particular project or program. However, the report shall not be required more frequently than quarterly or less frequently than annually. A final report shall be required at the completion of the agreement.

(iv) The Federal awarding agency shall require recipients to submit the SF-269 or SF-269A (an original and no more than two copies) no later than 30 days after the end of each specified reporting period for quarterly and semi-annual reports, and 90 calendar days for annual and final reports. Extensions of reporting due dates may be approved by the Federal awarding agency upon request of the recipient.

(2) SF-272, Report of Federal Cash Transactions.

(i) When funds are advanced to recipients the Federal awarding agency shall require each recipient to submit the SF-272 and, when necessary, its continuation sheet, SF-272a. The Federal awarding agency shall use this report to monitor cash advanced to recipients and to obtain disbursement information for each agreement with the recipients.

(ii) Federal awarding agencies may require forecasts of Federal cash requirements in the "Remarks" section of the report.

(iii) When practical and deemed necessary, Federal awarding agencies may require recipients to report in the "Remarks" section the amount of cash advances received in excess of three days. Recipients shall provide short narrative explanations of actions taken to reduce the excess balances.

(iv) Recipients shall be required to submit not more than the original and two copies of the SF-272 15 calendar days following the end of each quarter. The Federal awarding agencies may require a monthly report from those recipients receiving advances totaling \$1 million or more per year.

(v) Federal awarding agencies may waive the requirement for submission of the SF-272 for any one of the following reasons:

(A) When monthly advances do not exceed \$25,000 per recipient, provided that such advances are monitored through other forms contained in this section;

(B) If, in the Federal awarding agency's opinion, the recipient's accounting controls are adequate to minimize excessive Federal advances; or,

(C) When the electronic payment mechanisms provide adequate data.

(b) When the Federal awarding agency needs additional information or more frequent reports, the following shall be observed.

(1) When additional information is needed to comply with legislative requirements, Federal awarding agencies shall issue instructions to require recipients to submit such information under the "Remarks" section of the reports.

(2) When a Federal awarding agency determines that a recipient's accounting system does not meet the standards in Section §2543.21, additional pertinent information to further monitor awards may be obtained upon written notice to the recipient until such time as the system is brought up to standard. The Federal awarding agency, in obtaining this information, shall comply with report clearance requirements of 5 CFR part 1320.

(3) Federal awarding agencies are encouraged to shade out any line item on any report if not necessary.

(4) Federal awarding agencies may accept the identical information from the recipients in machine readable format or computer printouts or electronic outputs in lieu of prescribed formats.

(5) Federal awarding agencies may provide computer or electronic outputs to recipients when such expedites or contributes to the accuracy of reporting.

§ 2543.53 Retention and access requirements for records.

(a) This section sets forth requirements for record retention and access to records for awards to recipients. Federal awarding agencies shall not impose any other record retention or access requirements upon recipients.

(b) Financial records, supporting documents, statistical records, and all

other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by the Federal awarding agency. The only exceptions are the following:

(1) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(3) When records are transferred to or maintained by the Federal awarding agency, the 3-year retention requirement is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocations plans, etc. as specified in paragraph (g) of this section.

(c) Copies of original records may be substituted for the original records if authorized by the Federal awarding agency.

(d) The Federal awarding agency shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate record keeping, a Federal awarding agency may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) The Federal awarding agency, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a recipient's personnel for the purpose of interview and discussion related to such documents. The rights of access in this paragraph are not limited to the required retention period,

§ 2543.60

but shall last as long as records are retained.

(f) Unless required by statute, no Federal awarding agency shall place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when the Federal awarding agency can demonstrate that such records shall be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to the Federal awarding agency.

(g) Indirect cost rate proposals, cost allocations plans, etc. Paragraphs (g)(1) and (g)(2) apply to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(1) If submitted for negotiation. If the recipient submits to the Federal awarding agency or the subrecipient submits to the recipient the proposal, plan, or other computation to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts on the date of such submission.

(2) If not submitted for negotiation. If the recipient is not required to submit to the Federal awarding agency or the subrecipient is not required to submit to the recipient the proposal, plan, or other computation for negotiation purposes, then the 3-year retention period for the proposal, plan, or other computation and its supporting records starts at the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

TERMINATION AND EVALUATION

§ 2543.60 Purpose of termination and enforcement.

Sections § 2543.61 and § 2543.62 set forth uniform suspension, termination and enforcement procedures.

45 CFR Ch. XXV (10-1-02 Edition)

§ 2543.61 Termination.

(a) Awards may be terminated in whole or in part only if:

(1) By the Federal awarding agency, if a recipient materially fails to comply with the terms and conditions of an award,

(2) By the Federal awarding agency with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated, or

(3) By the recipient upon sending to the Federal awarding agency written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if the Federal awarding agency determines in the case of partial termination that the reduced or modified portion of the grant will not accomplish the purposes for which the grant was made, it may terminate the grant in its entirety under either paragraphs (a) (1) or (2) of this section.

(b) If costs are allowed under an award, the responsibilities of the recipient referred to in paragraph § 2543.71(a), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

§ 2543.62 Enforcement.

(a) Remedies for noncompliance. If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, the Federal awarding agency may, in addition to imposing any of the special conditions outlined in Section § 2543.14, take one or more of the following actions, as appropriate in the circumstances.

(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by the Federal awarding agency.

(2) Disallow (that is, deny both use of funds and any applicable matching

credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award.

(4) Withhold further awards for the project or program.

(5) Take other remedies that may be legally available.

(b) Hearings and appeals. In taking an enforcement action, the awarding agency shall provide the recipient an opportunity for hearing, appeal, or other administrative proceeding to which the recipient is entitled under any statute or regulation applicable to the action involved.

(c) Effects of suspension and termination. Costs of a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(1) The costs result from obligations which were properly incurred by the recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are noncancellable, and

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) Relationship to debarment and suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under E.O.s 12549 and 12689 and the Federal awarding agency implementing regulations (see Section § 2543.13).

Subpart D—After-the-Award Requirements

§ 2543.70 Purpose.

Sections § 2543.71 through § 2543.73 contain closeout procedures and other procedures for subsequent disallowances and adjustments.

§ 2543.71 Closeout procedures.

(a) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. The Federal awarding agency may approve extensions when requested by the recipient.

(b) Unless the Federal awarding agency authorizes an extension, a recipient shall liquidate all obligations incurred under the award not later than 90 calendar days after the funding period or the date of completion as specified in the terms and conditions of the award or in agency implementing instructions.

(c) The Federal awarding agency shall make prompt payments to a recipient for allowable reimbursable costs under the award being closed out.

(d) The recipient shall promptly refund any balances of unobligated cash that the Federal awarding agency has advanced or paid and that is not authorized to be retained by the recipient for use in other projects. OMB Circular A-129 governs unreturned amounts that become delinquent debts.

(e) When authorized by the terms and conditions of the award, the Federal awarding agency shall make a settlement for any upward or downward adjustments to the Federal share of costs after closeout reports are received.

(f) The recipient shall account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with Sections § 2543.31 through § 2543.37.

(g) In the event a final audit has not been performed prior to the closeout of an award, the Federal awarding agency shall retain the right to recover an appropriate amount after fully considering the recommendations on disallowed costs resulting from the final audit.

§ 2543.72 Subsequent adjustments and continuing responsibilities.

(a) The closeout of an award does not affect any of the following:

(1) The right of the Federal awarding agency to disallow costs and recover funds on the basis of a later audit or other review.

§ 2543.73

(2) The obligation of the recipient to return any funds due as a result of later refunds, corrections, or other transactions.

(3) Audit requirements in Section § 2543.26.

(4) Property management requirements in Sections § 2543.31 through § 2543.37.

(5) Records retention as required in Section § 2543.53.

(b) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of the Federal awarding agency and the recipient, provided the responsibilities of the recipient referred to in paragraph § 2543.73(a), including those for property management as applicable, are considered and provisions made for continuing responsibilities of the recipient, as appropriate.

§ 2543.73 Collection of amounts due.

(a) Any funds paid to a recipient in excess of the amount to which the recipient is finally determined to be entitled under the terms and conditions of the award constitute a debt to the Federal Government. If not paid within a reasonable period after the demand for payment, the Federal awarding agency may reduce the debt by:

(1) Making an administrative offset against other requests for reimbursements,

(2) Withholding advance payments otherwise due to the recipient,

(3) Taking other action permitted by statute, or

(b) Except as otherwise provided by law, the Federal awarding agency shall charge interest on an overdue debt in accordance with 4 CFR Chapter II, "Federal Claims Collection Standards."

Subpart E—Statutory Compliance

§ 2543.80 Contract provisions.

All contracts, awarded by a recipient including small purchases, shall contain the following provisions as applicable:

45 CFR Ch. XXV (10–1–02 Edition)

§ 2543.81 Equal employment opportunity.

All contracts shall contain a provision requiring compliance with E.O. 11246, "Equal Employment Opportunity," as amended by E.O. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

§ 2543.82 Copeland "Anti-Kickback" Act.

All contracts and subgrants in excess of \$2000 for construction or repair awarded by recipients and subrecipients shall include a provision for compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874), as supplemented by Department of Labor regulations (29 CFR part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The recipient shall report all suspected or reported violations to the Federal awarding agency.

§ 2543.83 Davis-Bacon Act.

When required by Federal program legislation, all construction contracts awarded by the recipients and subrecipients of more than \$2000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a to a-7) and as supplemented by Department of Labor regulations (29 CFR part 5, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction"). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week. The recipient shall place a copy of the current prevailing wage

determination issued by the Department of Labor in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The recipient shall report all suspected or reported violations to the Federal awarding agency.

§ 2543.84 Contract Work Hours and Safety Standards Act.

Where applicable, all contracts awarded by recipients in excess of \$2000 for construction contracts and in excess of \$2500 for other contracts that involve the employment of mechanics or laborers shall include a provision for compliance with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333), as supplemented by Department of Labor regulations (29 CFR part 5). Under Section 102 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1½ times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

§ 2543.85 Rights to inventions made under a contract or agreement.

Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

§ 2543.86 Clean Air Act and the Federal Water Pollution Control Act.

Contracts and subgrants of amounts in excess of \$100,000 shall contain a provision that requires the recipient to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 et seq.). Violations shall be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

§ 2543.87 Byrd anti-lobbying amendment.

Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

§ 2543.88 Debarment and suspension.

No contract shall be made to parties listed on the General Services Administration's List of Parties Excluded from Federal Procurement or Non-procurement Programs in accordance with E.O.s 12549 and 12689, "Debarment and Suspension." This list contains the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible under statutory or regulatory authority other than E.O. 12549. Contractors with awards that exceed the small purchase threshold shall provide the required certification regarding its exclusion status and that of its principal employees.

SOURCE: 60 FR 28355, May 31, 1995, unless otherwise noted.

§ 2544.100 What is the purpose of this part?

This part establishes rules to ensure that the solicitation, acceptance, holding, administration, and use of property and services donated to the Corporation:

- (a) Will not reflect unfavorably upon the ability of the Corporation or its officers and employees, to carry out their official duties and responsibilities in a fair and objective manner; and
- (b) Will not compromise the integrity of the Corporation's programs or its officers and employees involved in such programs.

§ 2544.105 What is the legal authority for soliciting and accepting donations to the Corporation?

Section 196(a) of the National and Community Service Act of 1990, as amended (42 U.S.C. 12651g(a)).

§ 2544.110 What definitions apply to terms used in this part?

- (a) *Donation* means a transfer of money, property, or services to or for the use of the Corporation by gift, devise, bequest, or other means.
- (b) *Solicitation* means a request for a donation.

(c) *Volunteer* means an individual who donates his/her personal service to the Corporation to assist the Corporation in carrying out its duties under the national service laws, but who is not a participant in a program funded or sponsored by the Corporation under the National and Community Service Act of 1990, as amended. Such individual is not subject to provisions of law related to Federal employment, including those relating to hours of work, rates of compensation, leave, unemployment compensation and Federal employee benefits, except that—

(1) Volunteers will be considered Federal employees for the purpose of the tort claims provisions of 28 U.S.C. chapter 171;

(2) Volunteers will be considered Federal employees for the purposes of 5 U.S.C. chapter 81, subchapter I, relating to compensation to Federal employees for work injuries; and

(3) Volunteers will be considered special Government employees for the purpose of ethics and public integrity under the provisions of 18 U.S.C. chapter 11, part I, and 5 CFR chapter XVI, subchapter B.

(d) *Inherently governmental function* means any activity that is so intimately related to the public interest as to mandate performance by an officer or employee of the Federal Government, including an activity that requires either the exercise of discretion in applying the authority of the Government or the use of value judgment in making a decision for the Government.

§ 2544.115 Who may offer a donation?

Anyone, including an individual, group of individuals, organization, corporation, or association may offer a donation to the Corporation.

Corporation for National and Community Service

§ 2544.140

§ 2544.125 Who has the authority to solicit and accept or reject a donation?

The Chief Executive Officer (CEO) of the Corporation has the authority to solicit, accept, or reject a donation offered to the Corporation and to make the determinations described in § 2544.130 (c) and (d). The CEO may delegate this authority in writing to other officials of the Corporation.

§ 2544.130 How will the Corporation determine whether to solicit or accept a donation?

(a) The Corporation will solicit and accept a donation only for the purpose of furthering the mission and goals of the Corporation.

(b) In order to be accepted, the donation must be economically advantageous to the Corporation, considering foreseeable expenditures for matters such as storage, transportation, maintenance, and distribution.

(c) An official or employee of the Corporation will not solicit or accept a donation if the solicitation or acceptance would present a real or apparent conflict of interest. An apparent conflict of interest is presented if the solicitation or acceptance would raise a question in the mind of a reasonable person, with knowledge of the relevant facts, about the integrity of the Corporation's programs or operations.

(d) The Corporation will determine whether a conflict of interest exists by considering any business relationship, financial interest, litigation, or other factors that may indicate such a conflict. Donations of property or voluntary services may not be solicited or accepted from a source which:

(1) Is a party to a grant or contract with the Corporation or is seeking to do business with the Corporation;

(2) Has pecuniary interests that may be substantially affected by performance or nonperformance of the Corporation; or

(3) Is an organization a majority of whose members are described in paragraphs (d)(1) and (2) of this section.

(e) Any solicitation or offer of a donation that raises a question or concern of a potential, real, or apparent conflict of interest will be forwarded to

the Corporation's Designated Ethics Official for an opinion.

§ 2544.135 How should an offer of a donation be made?

(a) In general, an offer of donation should be made by providing a letter of tender that offers a donation. The letter should be directed to an official authorized to accept donations, describe the property or service offered, and specify any purpose for, or condition on, the use of the donation.

(b) If an offer is made orally, the Corporation will send a letter of acknowledgment to the offeror. If the donor is anonymous, the Corporation will prepare a memorandum to the file acknowledging receipt of a tendered donation and describing the donation including any special terms or conditions.

(c) Only those employees or officials with expressed notice of authority may accept donations on behalf of the Corporation. If an offer is directed to an unauthorized employee or official of the Corporation, that person must immediately forward the offer to an appropriate official for disposition.

§ 2544.140 How will the Corporation accept or reject an offer?

(a) In general, the Corporation will respond to an offer of a donation in writing and include in the response:

(1) An acknowledgment of receipt of the offer;

(2) A brief description of the offer and any purpose or condition that the offeror specified for the use of the donation;

(3) A statement either accepting or rejecting the donation; and

(4) A statement informing the donor that any acceptance of services or property can not be used in any manner, directly or indirectly, that endorses the donor's products or services or appears to benefit the financial interests or business goals of the donor.

(b) If a purpose or condition for the use of the donation specified by the offeror can not be accommodated, the Corporation may request the offeror to modify the terms of the donation.

§ 2544.145

§ 2544.145 What will be done with property that is not accepted?

In general, property offered to the Corporation but not accepted will be returned to the offeror. If the offeror is unknown or the donation would spoil if returned, the property will either be disposed of in accordance with Federal Property Management regulations (41 CFR chapter 101) or given to local charities determined by the Corporation.

§ 2544.150 How will accepted donations be recorded and used?

(a) All accepted donations of money and other property will be reported to the Chief Financial Officer (CFO) of the Corporation for recording and appropriate disposition.

(b) All donations of personal services of a volunteer will be reported to the CFO and to the Personnel Division of the Corporation for processing and documentation.

(c) Donations not designated for a particular purpose will be used for an authorized purpose described in § 2544.125.

(d) Property will be used as nearly as possible in accordance with the terms of the donation. If no terms are specified, or the property can no longer be used for its original purpose, the property will be converted to another authorized use or sold in accordance with Federal regulations. The proceeds of the sale will be used for an authorized purpose described in § 2544.125.

AUTHORITY: 42 U.S.C. 12501 *et seq.*

SOURCE: 58 FR 60981, Nov. 18, 1993, unless otherwise noted.

§ 2550.10 What is the purpose of this part?

(a) The Corporation for National and Community Service (the Corporation) seeks to meet the Nation's pressing human, educational, environmental and public safety needs through service and to reinvigorate the ethic of civic responsibility across the Nation. If the Corporation is to meet these goals, it is critical for each of the States to be actively involved.

(b) The Corporation will distribute nearly \$200 million in grants under subtitle C of the Act (hereinafter, "subtitle C") to help establish, operate and expand national service programs. At least two-thirds of these funds will go to the States, which will then subgrant to State agencies or local programs. However, in order to be eligible to apply for program funding and/or approved national service positions with an educational award, each State is required to establish a State Commission on National and Community Service to administer the State program grantmaking process and to develop a State plan. The Corporation may, in some instances approve Alternative Administrative Entities (AAEs) or allow a State agency to perform the duties of the State Commission. (For the purposes of this part, a State agency which has been authorized by the Corporation to perform State Commission duties is called a "Transitional Entity".)

(c) The Corporation will distribute grants of between \$125,000 and \$750,000 to States to cover the Federal share of

operating the State Commissions, AAEs, or Transitional Entities.

(d) The purpose of this part is to provide States with the basic information essential to participate in the subtitle C programs. Of equal importance, this part gives an explanation of the preliminary steps States must take in order to receive money from the Corporation. This part also offers guidance on which of the three State entities States should seek to establish, and it explains the composition requirements, duties, responsibilities, restrictions, and other relevant information regarding State Commissions, AAEs, and approved Transitional Entities.

[58 FR 60981, Nov. 18, 1993, as amended at 67 FR 45362, July 9, 2002]

§ 2550.20 Definitions.

(a) *AAE*. Alternative Administrative Entity.

(b) *Administrative costs*. (c) *Alternative Administrative Entity (AAE)*. A State entity approved by the Corporation to perform the duties of a State Commission, including developing a three-year comprehensive national service plan, preparing applications to the Corporation for funding and approved national service positions, and administering service program grants; in general, an AAE must meet the same composition and other requirements as a State Commission, but may receive waivers from the Corporation to accommodate State laws that prohibit inquiring as to the political affiliation of members, to have more than 25 voting members (the maximum for a State Commission), and/or to select members in a manner other than selection by the chief executive officer of the State.

(d) *Approved National Service Position*. A national service program position for which the Corporation has approved the provision of a national service educational award as one of the benefits to

be provided for successful completion of a term of service.

(e) *Corporation*. As used in this part, the Corporation for National and Community Service established pursuant to the National and Community Service Trust Act of 1993 (42 U.S.C. 12651).

(f) *Corporation representative*. Each of the individuals employed by the Corporation for National and Community Service to assist the States in carrying out national and community service activities; the Corporation representative must be included as a member of the State Commission or AAE.

(i) Any Native village, as defined in section 3(c) of the Alaska Native Claims Settlement Act (43 U.S.C. 1602(c)), whether organized traditionally or pursuant to the Act of June 18, 1934 (commonly known as the “Indian Reorganization Act”; 48 Stat. 984, chapter 576; 25 U.S.C. 461 et seq.); and

(ii) Any Regional Corporation or Village Corporation as defined in the Alaska Native Claims Settlement Act (43 U.S.C. 1602 (g) or (j)), that is recognized as eligible for the special programs and services provided by the United States under Federal law to Indians because of their status as Indians; and

(2) Any tribal organization controlled, sanctioned, or chartered by an entity described in paragraph (g)(1) of this section.

(h) *Older adult*. An individual 55 years of age or older.

(i) *Service-learning*. A method under which students or participants learn and develop through active participation in thoughtfully organized service that is conducted in and meets the needs of a community and that is coordinated with an elementary school, secondary school, institution of higher education, or community service program, and with the community; service-learning is integrated into and enhances the academic curriculum of the students, or the educational components of the community service program in which the participants are enrolled, and it provides time for the students or participants to reflect on the service experience.

§ 2550.30

(j) *Service learning programs.* The totality of the service learning programs receiving assistance from the Corporation under subtitle B of the Act, either directly or through a grant-making entity; this includes school-based, community-based, and higher education-based service-learning programs.

(k) *State.* As used in this part, the term State refers to each of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

(l) *State Commission.* A bipartisan or nonpartisan State entity, approved by the Corporation, consisting of 15–25 members (appointed by the chief executive officer of the State), that is responsible for developing a comprehensive national service plan, assembling applications for funding and approved national service positions, and administering national and community service programs in the State.

(m) *State Educational Agency.* The same meaning given to such term in section 1471(23) of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 2891(23)).

(n) *State entity.* A State Commission, AAE, or Transitional Entity that has been authorized by the Corporation to perform the duties of a State Commission.

(o) *Transitional Entity.* An existing State agency which has been authorized by the Corporation to perform the duties of a State Commission; the Corporation will not authorize the use of a Transitional Entity unless a State is demonstrably unable to establish a State Commission or AAE.

[58 FR 60981, Nov. 18, 1993, as amended at 67 FR 45362, July 9, 2002]

§ 2550.30 How does a State decide which of the three entities to establish?

(a) Although each State's chief executive officer has the authority to select an administrative option, the Corporation strongly encourages States to establish State Commissions which meet the requirements in this part as quickly as possible. The requirements for State Commissions were established to

45 CFR Ch. XXV (10–1–02 Edition)

try to create informed and effective entities.

(b) The Corporation recognizes that some States, for legal or other legitimate reasons, may not be able to meet all of the requirements of the State Commissions. The AAE is essentially the same as a State Commission; however, it may be exempt from some of the State Commission requirements. A State that cannot meet one of the waivable requirements of the State Commission (as explained in § 2550.60), and which can demonstrate this to the Corporation, should seek to establish an AAE.

(c) Over the long term, States that wish to participate in the Corporation's grant programs must have either a State Commission or an AAE approved by the Corporation. Some States, due to legal or other procedural requirements, may be unable to establish one of these two entities in time to participate in fiscal years 1994 or 1995. Therefore, during the 27-month period beginning on September 21, 1993 and ending on December 21, 1995, a State may apply to the Corporation for authorization to use a Transitional Entity.

(d) A State should consider applying to have a Transitional Entity approved only if it can demonstrate that it is impossible, for legal or procedural reasons, to establish a State Commission or AAE in time to participate in the national service programs.

(e) Regardless of which entity a State employs, each State is required to solicit broad-based, local input in an open, inclusive, non-political planning process.

§ 2550.40 How does a State obtain Corporation authorization and approval for the entity it has chosen?

(a) To receive approval of a State Commission or AAE, a State must formally establish an entity that meets the corresponding composition, membership, authority, and duty requirements of this part. (For the AAE, a State must demonstrate why it is impossible or unreasonable to establish a State Commission; an approved AAE, however, has the same rights and responsibilities as a State Commission.) Once the entity is established, the

State must provide written notice—in a format to be prescribed by the Corporation—to the chief executive officer of the Corporation of the composition, membership, and authorities of the State Commission or AAE and explain how the entity will perform its duties and functions. Further, the State must agree to, first, request approval from the Corporation for any subsequent changes in the composition or duties of a State Commission or AAE the State may wish to make, and, second, to comply with any future changes in Corporation requirements with regard to the composition or duties of a State Commission or AAE. If a State meets the applicable requirements, the Corporation will approve the State Commission or AAE.

(b) If the Corporation rejects a State application for approval of a State Commission or AAE because that application does not meet one or more of the requirements of §§ 2250.50 or 2550.60, it will notify the State of the reasons for rejection and offer assistance to make any necessary changes. The Corporation will reconsider revised applications within 14 working days of re-submission.

(c) To receive approval to use an existing State agency as a Transitional Entity, a State must, first, satisfactorily demonstrate why it is unable to establish a State Commission or AAE, and, second, explain how it will carry out the duties of the State Commission and conduct a broad-based, open and inclusive planning process in a non-political manner. In addition, in order to receive any administrative funds from the Corporation, a State must commit to establish a State Commission or AAE as soon as possible, and prior to the expiration of the 27-month transition period ending on December 21, 1995. Administrative grants will only be given for up to 12-month periods. If a Transitional Entity wishes to receive an additional administrative grant subsequent to the expiration of an initial 12-month administrative grant, that State entity must demonstrate satisfactory progress toward establishment of a State Commission or AAE.

§ 2550.50 What are the composition requirements and other requirements, restrictions or guidelines for State Commissions?

The following provisions apply to both State Commissions and AAEs, except that AAEs may obtain waivers from certain provisions as explained in § 2550.60.

(a) *Size of the State Commission and terms of State Commission members.* The chief executive officer of a State must appoint 15-25 voting members to the State Commission (in addition to any non-voting members he or she may appoint). Voting members of a State Commission must be appointed to renewable three-year terms, except that initially a chief executive officer must appoint a third of the members to one-year terms and another third of the members to two-year terms.

(b) *Required voting members on a State Commission.* A member may represent none, one, or more than one category, but each of the following categories must be represented:

(1) A representative of a community-based agency or organization in the State;

(2) The head of the State education agency or his or her designee;

(3) A representative of local government in the State;

(4) A representative of local labor organizations in the State;

(5) A representative of business;

(6) An individual between the ages of 16 and 25, inclusive, who is a participant or supervisor of a service program for school-age youth, or of a campus-based or national service program;

(7) A representative of a national service program;

(8) An individual with expertise in the educational, training, and development needs of youth, particularly disadvantaged youth; and

(9) An individual with experience in promoting the involvement of older adults (age 55 and older) in service and volunteerism.

(c) *Appointment of other voting members of a State Commission.* Any remaining voting members of a State Commission are appointed at the discretion of the chief executive officer of the State; however, although this list should not be construed as exhaustive,

§ 2550.60

the Corporation suggests the following types of individuals:

(1) Educators, including representatives from institutions of higher education and local education agencies;

(2) Experts in the delivery of human, educational, environmental, or public safety services to communities and persons;

(3) Representatives of Indian tribes;

(4) Out-of-school or at-risk youth; and

(5) Representatives of programs that are administered or receive assistance under the Domestic Volunteer Service Act of 1973, as amended (DVSA) (42 U.S.C. 4950 et seq.).

(d) *Appointment of ex officio, non-voting members of a State Commission.* The chief executive officer of a State may appoint as ex officio, non-voting members of the State Commission officers or employees of State agencies operating community service, youth service, education, social service, senior service, or job training programs.

(e) *Other composition requirements.* To the extent possible, the chief executive officer of a State shall ensure that the membership of the State Commission is balanced with respect to race, ethnicity, age, gender, and disability characteristics. Not more than 50% plus one of the members of a State Commission may be from the same political party. In addition, the number of voting members of a State Commission who are officers or employees of the State may not exceed 25% of the total membership of that State Commission.

(f) *Selection of Chairperson.* The chairperson is elected by the voting members of a State Commission. To be eligible to serve as chairperson, an individual must be an appointed, voting member of a State Commission.

(g) *Vacancies.* If a vacancy occurs on a State Commission, a new member must be appointed by the chief executive officer of the State to serve for the remainder of the term for which the predecessor of such member was appointed. The vacancy will not affect the power of the remaining members to execute the duties of the Commission.

(h) *Compensation of State Commission members.* A member of a State Commission may not receive compensation for his or her services, but may be reim-

45 CFR Ch. XXV (10-1-02 Edition)

bursed (at the discretion of the State) for travel and daily expenses in the same manner as employees intermittently serving the State.

(i) *The role of the Corporation representative.* The Corporation will designate one of its employees to serve as a representative to each State or group of States. This individual must be included as an ex officio member on the State Commission, and may be designated as a voting member by the chief executive officer of a State. However, because the Corporation wishes to encourage State autonomy in the design and development of the State plan and in State national service programs, States are discouraged from allowing the Corporation representative to vote. In general, the Corporation representative will be responsible for assisting States in carrying out national service activities.

§ 2550.60 From which of the State Commission requirements is an Alternative Administrative Entity exempt?

(a) An AAE is not automatically exempt from any of the requirements that govern State Commissions. However, there are three specific State Commission requirements which the Corporation may waive if a State can demonstrate that one or more of them is impossible or unreasonable to meet. If the Corporation waives a State Commission requirement for a State entity, that State entity is, de facto, an AAE. The three criteria which may be waived for an AAE are as follows:

(1) *The requirement that a State's chief executive officer appoint the members of a State Commission.* If a State can offer a compelling reason why some or all of the State Commission members should be appointed by the State legislature or by some other appropriate means, the Corporation may grant a waiver.

(2) *The requirement that a State Commission have 15-25 members.* If a State compellingly demonstrates why its commission should have a larger number of members, the Corporation may grant a waiver.

(3) *The requirement that not more than 50% plus one of the State Commission's voting members be from the same political*

Corporation for National and Community Service

§ 2250.80

party. This requirement was established to prevent State Commissions from being politically motivated or controlled; however, in some States it is illegal to require prospective members to provide information about political party affiliation. For this or another compelling reason, the Corporation may grant a waiver.

(b) Again, any time the Corporation grants one or more of these waivers for a State entity, that entity becomes an AAE; in all other respects an AAE is the same as a State Commission, having the same requirements, rights, duties and responsibilities.

§ 2550.70 What are the composition or other requirements for Transitional Entities?

Because a Transitional Entity is by definition contained within a State agency, there are no membership or composition requirements. If a State takes the necessary steps to obtain approval for a Transitional Entity (listed in § 2550.40(c)), it meets the requirements of a Transitional Entity.

§ 2250.80 What are the duties of the State entities?

The duties of each of the three eligible State entities—States Commissions, AAEs and Transitional Entities—are precisely the same. The duties listed in this section apply to all three, and they are jointly referred to as “State entities.” Functions described in paragraphs (a) through (d) of this section require policymaking and may not be delegated to another State agency or nonprofit organization. Functions described in paragraphs (e) through (j) of this section are non-policymaking and may be delegated to another State agency or nonprofit organization. The duties are as follows:

(a) *Development of a three-year comprehensive national and community service plan and establishment of State priorities.* The State entity must develop and annually update a Statewide plan for national service that is consistent with the Corporation’s broad goals of meeting human, educational, environmental and public safety needs and that meets the following minimum requirements:

(1) The plan must be developed through an open and public process (such as through regional forums or hearings) that provides for maximum participation and input from national service programs within the State, and from other interested members of the public.

(2) The outreach process must, to the maximum extent practicable, include input from representatives of established State service programs, representatives of diverse, broad-based community organizations that serve underserved populations, and other interested individuals, including young people; the State entity should do so by creating State networks and registries or by utilizing existing ones.

(3) The plan may contain such other information as the State Commission considers appropriate and must contain such other information as the Corporation may require.

(b) *Pre-selection of subtitle C programs and preparation of application to the Corporation.* Each State must:

(1) Administer a competitive process to select national service programs to be included in any application to the Corporation for funding; and

States should encourage proposals from underserved communities.

(g) *Program development assistance and training.* The State entity must assist in the development of subtitle C programs; such development might include staff training, curriculum materials, and other relevant materials and activities. A description of such proposed assistance must be included in the State comprehensive plan referred to in paragraph (a) of this section. A State may apply for additional subtitle C programs training and technical assistance funds to perform these functions. The Corporation will issue notices of availability of funds with respect to training and technical assistance.

(h) *Recruitment and placement.* The State entity, as well as the Corporation, will develop mechanisms for recruitment and placement of people interested in participating in national service programs.

Specifically, the State entity may enter into an agreement with a division of ACTION or the Corporation to carry out its functions jointly, to perform its functions itself, or to assign responsibility for its functions to ACTION or the Corporation.

(3) In carrying out the activities under paragraphs (1) (1) and (2) of this section, the parties involved must exchange information about the programs carried out in the State by the State entity, a division of ACTION or the Corporation, as well as information about opportunities to coordinate activities.

§ 2550.90 Are there any restrictions on the activities of the members of State Commissions or Alternative Administrative Entities?

To avoid a conflict of interest (or the appearance of a conflict of interest) regarding the provision of assistance or approved national service positions, members of a State Commission or AAE must adhere to the following provisions:

(a) *General restriction.* Members of State Commissions and AAEs are restricted in several ways from the grant approval and administration process for any grant application submitted by an organization for which they are currently, or were within one year of the submission of the application, officers, directors, trustees, full-time volunteers or employees. The restrictions for such individuals are as follows:

(1) They cannot assist the applying organization in preparing the grant application;

(2) They must recuse themselves from the discussions or decisions regarding the grant application and any other grant applications submitted to the Commission or AAE under the

same program (e.g., subtitle B programs or subtitle C programs); and

(3) They cannot participate in the oversight, evaluation, continuation, suspension or termination of the grant award.

(b) *Exception to achieve a quorum.* If this general restriction creates a situation in which a Commission or AAE does not have enough eligible voting members to achieve a quorum, the Commission or AAE may involve some normally-excluded members subject to the following conditions:

(1) A Commission or AAE may randomly and in a non-discretionary manner select the number of refused members necessary to achieve a quorum;

(2) Notwithstanding paragraph (b)(1) of this section, no Commission or AAE member may, under any circumstances, participate in any discussions or decisions regarding a grant application submitted by an organization with which he or she is or was affiliated according to the definitions in paragraph (a) of this section; and

(3) If recused members are included so as to achieve quorum, the State Commission or AAE must document the event and report to the Corporation within 30 days of the vote.

(c) *Rule of construction.* Paragraph (a) of this section shall not be construed to limit the authority of any voting member of the State Commission or AAE to participate in—

(1) Discussion of, and hearings and forums on, the general duties, policies and operations of the Commission or AAE, or general program administration; or

(2) Similar general matters relating to the Commission or AAE.

§ 2550.100 Do State entities or their members incur any risk of liability?

(a) *State liability.* Except as provided in paragraph (b) of this section, a State must agree to assume liability with respect to any claim arising out of or resulting from any act or omission by a member of the State Commission or AAE, within the scope of the service of that member.

(b) *Individual liability.* A member of the State Commission or AAE shall have no personal liability with respect to any claim arising out of or resulting

from any act or omission by that member, within the scope of the service of that member. This does not, however, limit personal liability for criminal acts or omissions, willful or malicious misconduct, acts or omissions for private gain, or any other act or omission outside the scope of the service of that member. Similarly, this part does not limit or alter in any way any other immunities that are available under applicable law for State officials and employees not described in this section; nor does this part affect any other right or remedy against the State or any person other than a member of a State Commission or AAE.

§ 2550.110 What money will be available from the Corporation to assist in establishing and operating a State Commission, Alternative Administrative Entity, or Transitional Entity?

(a) *Range of grants.* The Corporation may make administrative grants to States of between \$125,000 and \$750,000 (inclusive) for the purpose of establishing or operating a State Commission or AAE; these grants will be available to States which have Corporation-approved Transitional Entities only if those States commit to establishing a Corporation-approved State Commission or AAE prior to the expiration of the transitional period.

(b) *Limitation on Federal share.* Notwithstanding the amounts specified in this section, the amount of a grant that may be provided to a State under this subsection, together with other Federal funds available to establish or operate the State Commission or AAE, may not exceed 85 percent of the total cost to establish or operate the State Commission or AAE for the first year for which the State Commission or AAE receives an administrative grant under this section.¹ In subsequent years, the Corporation will establish larger matching requirements

§ 2552.102 What are the conditions of service of non-stipended Foster Grandparents?

Non-stipended Foster Grandparents serve under the following conditions:

Enrollment of non-stipended Foster Grandparents is not a factor in the award of new or continuation grants.

§ 2552.104 May Corporation funds be used for non-stipended Foster Grandparents?

Federally appropriated funds for FGP shall not be used to pay any cost, including any administrative cost, incurred in implementing the regulations in this part for non-stipended Foster Grandparents.

Subpart K—Non-Corporation Funded Foster Grandparent Program Projects

§ 2552.111 Under what conditions can an agency or organization sponsor a Foster Grandparent project without Corporation funding?

An eligible agency or organization who wishes to sponsor a Foster Grandparent project without Corporation funding, must sign a Memorandum of Agreement with the Corporation that:

(a) Certifies its intent to comply with all Corporation requirements for the Foster Grandparent Program; and

§ 2552.113 What financial obligation does the Corporation incur for non-Corporation funded projects?

Entry into a Memorandum of Agreement with, or issuance of an NGA to a sponsor of a non-Corporation funded project, does not create a financial obligation on the part of the Corporation for any costs associated with the project, including increases in required payments to Foster Grandparents that may result from changes in the Act or in program regulations.

§ 2552.114 What happens if a non-Corporation funded sponsor does not comply with the Memorandum of Agreement?

A non-Corporation funded project sponsor's noncompliance with the Memorandum of Agreement may result in suspension or termination of the Corporation's agreement and all benefits specified in § 2552.112.

(2) No project shall be conducted in a manner involving the use of funds, the provision of services, or the employment or assignment of personnel in a matter supporting or resulting in the identification of such project with:

(i) Any partisan or nonpartisan political activity associated with a candidate, or contending faction or group, in an election; or

(ii) Any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election; or

(iii) Any voter registration activity, except that voter registration applications and nonpartisan voter registration information may be made available to the public at the premises of the sponsor. But in making registration applications and nonpartisan voter registration information available, employees of the sponsor shall not express preferences or seek to influence decisions concerning any candidate, political party, election issue, or voting decision.

(3) The sponsor shall not use grant funds in any activity for the purpose of influencing the passage or defeat of legislation or proposals by initiative petition, except:

(ii) In connection with an authorization or appropriations measure directly affecting the operation of the FGP.

(b) *Non-displacement of employed workers.* A Foster Grandparent shall not perform any service or duty or engage in any activity which would otherwise be performed by an employed worker or which would supplant the hiring of or result in the displacement of employed workers, or impair existing contracts for service.

(c) *Compensation for service.* (1) An agency or organization to which NSSC volunteers are assigned, or which operates or supervises any NSSC program shall not request or receive any compensation from NSSC volunteers or from beneficiaries for services of NSSC volunteers.

(2) This section does not prohibit a sponsor from soliciting and accepting voluntary contributions from the community at large to meet its local support obligations under the grant or

from entering into agreements with parties other than beneficiaries to support additional volunteers beyond those supported by the Corporation grant.

(3) A Foster Grandparent volunteer station may contribute to the financial support of the FGP. However, this support shall not be a required precondition for a potential station to obtain Foster Grandparent service.

(4) If a volunteer station agrees to provide funds to support additional Foster Grandparents or pay for other Foster Grandparent support costs, the agreement shall be stated in a written Memorandum of Understanding. The sponsor shall withdraw services if the station's inability to provide monetary or in-kind support to the project under the Memorandum of Understanding diminishes or jeopardizes the project's financial capabilities to fulfill its obligations.

(5) Under no circumstances shall a Foster Grandparent receive a fee for service from service recipients, their legal guardian, members of their family, or friends.

(d) *Labor and anti-labor activity.* The sponsor shall not use grant funds directly or indirectly to finance labor or anti-labor organization or related activity.

(e) *Fair labor standards.* A sponsor that employs laborers and mechanics for construction, alteration, or repair of facilities shall pay wages at prevailing rates as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended, 40 U.S.C. 276a.

(f) *Nondiscrimination.* A sponsor or sponsor employee shall not discriminate against a Foster Grandparent on the basis of race, color, national origin, sex, age, religion, or political affiliation, or on the basis of disability, if the Foster Grandparent with a disability is qualified to serve.

(g) *Religious activities.* A Foster Grandparent or a member of the project staff funded by the Corporation shall not give religious instruction, conduct worship services or engage in any form of proselytization as part of his or her duties.

§ 2552.122

Persons selected for project staff positions shall not be related by blood or marriage to other project staff, sponsor staff or officers, or members of the sponsor Board of Directors, unless there is written concurrence from the community group established by the sponsor under Subpart B of this part and with notification to the Corporation.

§ 2552.122 What legal coverage does the Corporation make available to Foster Grandparents?

It is within the Corporation's discretion to determine if Counsel is employed and counsel fees, court costs, bail and other expenses incidental to the defense of a Foster Grandparent are paid in a criminal, civil or administrative proceeding, when such a proceeding arises directly out of performance of the Foster Grandparent's activities pursuant to the Act. The circumstances under which the Corporation may pay such expenses are specified in 45 CFR part 1220.

Subpart I—Restrictions and Legal Representation

§ 2553.91 What legal limitations apply to the operation of the RSVP Program and to the expenditure of grant funds?

(a) *Political activities.* (1) No part of any grant shall be used to finance, directly or indirectly, any activity to influence the outcome of any election to public office, or any voter registration activity.

(2) No project shall be conducted in a manner involving the use of funds, the provision of services, or the employment or assignment of personnel in a matter supporting or resulting in the identification of such project with:

(i) Any partisan or nonpartisan political activity associated with a candidate, or contending faction or group, in an election; or

45 CFR Ch. XXV (10–1–02 Edition)

(ii) Any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election; or

(iii) Any voter registration activity, except that voter registration applications and nonpartisan voter registration information may be made available to the public at the premises of the sponsor. But in making registration applications and nonpartisan voter registration information available, employees of the sponsor shall not express preferences or seek to influence decisions concerning any candidate, political party, election issue, or voting decision.

(3) The sponsor shall not use grant funds in any activity for the purpose of influencing the passage or defeat of legislation or proposals by initiative petition, except:

(ii) In connection with an authorization or appropriations measure directly affecting the operation of the RSVP Program.

(b) *Nondisplacement of employed workers.* A RSVP volunteer shall not perform any service or duty or engage in any activity which would otherwise be performed by an employed worker or which would supplant the hiring of or result in the displacement of employed workers, or impair existing contracts for service.

(c) *Compensation for service.* (1) An agency or organization to which NSSC volunteers are assigned, or which operates or supervises any NSSC program, shall not request or receive any compensation from NSSC volunteers or from beneficiaries for services of NSSC volunteers.

(2) This section does not prohibit a sponsor from soliciting and accepting voluntary contributions from the community at large to meet its local support obligations under the grant; or, from entering into agreements with parties other than beneficiaries to support additional volunteers beyond

those supported by the Corporation grant.

(3) A RSVP volunteer station may contribute to the financial support of the RSVP Program. However, this support shall not be a required precondition for a potential station to obtain RSVP volunteers.

(4) If a volunteer station agrees to provide funds to support additional volunteers or pay for other volunteer support costs, the agreement shall be stated in a written Memorandum of Understanding. The sponsor shall withdraw services if the station's inability to provide monetary or in-kind support to the project under the Memorandum of Understanding diminishes or jeopardizes the project's financial capabilities to fulfill its obligations.

(5) Under no circumstances shall a RSVP volunteer receive a fee for service from service recipients, their legal guardian, members of their family, or friends.

(d) *Labor and anti-labor activity.* The sponsor shall not use grant funds directly or indirectly to finance labor or anti-labor organization or related activity.

(e) *Fair labor standards.* A sponsor that employs laborers and mechanics for construction, alteration, or repair of facilities shall pay wages at prevailing rates as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended, 40 U.S.C. 276a.

(f) *Nondiscrimination.* A sponsor or sponsor employee shall not discriminate against a RSVP volunteer on the basis of race, color, national origin, sex, age, religion, or political affiliation, or on the basis of disability, if the volunteer with a disability is qualified to serve.

(g) *Religious activities.* A RSVP volunteer or a member of the project staff funded by the Corporation shall not give religious instruction, conduct worship services or engage in any form of proselytization as part of his/her duties.

(h) *Nepotism.* Persons selected for project staff positions shall not be related by blood or marriage to other project staff, sponsor staff or officers, or members of the sponsor Board of Directors, unless there is written concur-

rence from the Advisory Council or community group established by the sponsor under subpart B of this part, and with notification to the Corporation.

§ 2553.92 What legal coverage does the Corporation make available to RSVP volunteers?

It is within the Corporation's discretion to determine if Counsel is employed and counsel fees, court costs, bail and other expenses incidental to the defense of a RSVP volunteer are paid in a criminal, civil or administrative proceeding, when such a proceeding arises directly out of performance of the volunteer's activities. The circumstances under which the Corporation may pay such expenses are specified in 45 CFR part 1220.

Subpart A—Introduction

§ 2555.100 Purpose and effective date.

The purpose of these Title IX regulations is to effectuate Title IX of the Education Amendments of 1972, as amended (except sections 904 and 906 of

those Amendments) (20 U.S.C. 1681, 1682, 1683, 1685, 1686, 1687, 1688), which is designed to eliminate (with certain exceptions) discrimination on the basis of sex in any education program or activity receiving Federal financial assistance, whether or not such program or activity is offered or sponsored by an educational institution as defined in these Title IX regulations. The effective date of these Title IX regulations shall be September 29, 2000.

§ 2555.105 Definitions.

As used in these Title IX regulations, the term:

Administratively separate unit means a school, department, or college of an educational institution (other than a local educational agency) admission to which is independent of admission to any other component of such institution.

Admission means selection for part-time, full-time, special, associate, transfer, exchange, or any other enrollment, membership, or matriculation in or at an education program or activity operated by a recipient.

Applicant means one who submits an application, request, or plan required to be approved by an official of the Federal agency that awards Federal financial assistance, or by a recipient, as a condition to becoming a recipient.

Designated agency official means “Director, Equal Opportunity”.

Educational institution means a local educational agency (LEA) as defined by 20 U.S.C. 8801(18), a preschool, a private elementary or secondary school, or an applicant or recipient that is an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, or an institution of vocational education, as defined in this section.

Federal financial assistance means any of the following, when authorized or extended under a law administered by the Federal agency that awards such assistance:

(1) A grant or loan of Federal financial assistance, including funds made available for:

(i) The acquisition, construction, renovation, restoration, or repair of a

(2) A grant of Federal real or personal property or any interest therein, including surplus property, and the proceeds of the sale or transfer of such property, if the Federal share of the fair market value of the property is not, upon such sale or transfer, properly accounted for to the Federal Government.

(3) Provision of the services of Federal personnel.

(4) Sale or lease of Federal property or any interest therein at nominal consideration, or at consideration reduced for the purpose of assisting the recipient or in recognition of public interest to be served thereby, or permission to use Federal property or any interest therein without consideration.

(5) Any other contract, agreement, or arrangement that has as one of its purposes the provision of assistance to any education program or activity, except a contract of insurance or guaranty.

Institution of graduate higher education means an institution that:

(1) Offers academic study beyond the bachelor of arts or bachelor of science degree, whether or not leading to a certificate of any higher degree in the liberal arts and sciences;

(2) Awards any degree in a professional field beyond the first professional degree (regardless of whether the first professional degree in such field is awarded by an institution of undergraduate higher education or professional education); or

(3) Awards no degree and offers no further academic study, but operates ordinarily for the purpose of facilitating research by persons who have received the highest graduate degree in any field of study.

Institution of professional education means an institution (except any institution of undergraduate higher education) that offers a program of academic study that leads to a first professional degree in a field for which there is a national specialized accrediting

agency recognized by the Secretary of Education.

Institution of undergraduate higher education means:

(1) An institution offering at least two but less than four years of college-level study beyond the high school level, leading to a diploma or an associate degree, or wholly or principally creditable toward a baccalaureate degree; or

(2) An institution offering academic study leading to a baccalaureate degree; or

(3) An agency or body that certifies credentials or offers degrees, but that may or may not offer academic study.

Institution of vocational education means a school or institution (except an institution of professional or graduate or undergraduate higher education) that has as its primary purpose preparation of students to pursue a technical, skilled, or semiskilled occupation or trade, or to pursue study in a technical field, whether or not the school or institution offers certificates, diplomas, or degrees and whether or not it offers full-time study.

Recipient means any State or political subdivision thereof, or any instrumentality of a State or political subdivision thereof, any public or private agency, institution, or organization, or other entity, or any person, to whom Federal financial assistance is extended directly or through another recipient and that operates an education program or activity that receives such assistance, including any subunit, successor, assignee, or transferee thereof.

Student means a person who has gained admission.

Title IX means Title IX of the Education Amendments of 1972, Public Law 92-318, 86 Stat. 235, 373 (codified as amended at 20 U.S.C. 1681-1688) (except sections 904 and 906 thereof), as amended by section 3 of Public Law 93-568, 88 Stat. 1855, by section 412 of the Education Amendments of 1976, Public Law 94-482, 90 Stat. 2234, and by Section 3 of Public Law 100-259, 102 Stat. 28, 28-29 (20 U.S.C. 1681, 1682, 1683, 1685, 1686, 1687, 1688).

[65 FR 52865, 52893, Aug. 30, 2000, as amended at 65 FR 52894, Aug. 30, 2000]

§ 2555.110 Remedial and affirmative action and self-evaluation.

(a) *Remedial action.* If the designated agency official finds that a recipient has discriminated against persons on the basis of sex in an education program or activity, such recipient shall take such remedial action as the designated agency official deems necessary to overcome the effects of such discrimination.

(b) *Affirmative action.* In the absence of a finding of discrimination on the basis of sex in an education program or activity, a recipient may take affirmative action consistent with law to overcome the effects of conditions that resulted in limited participation therein by persons of a particular sex. Nothing in these Title IX regulations shall be interpreted to alter any affirmative action obligations that a recipient may have under Executive Order 11246, 3 CFR, 1964-1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966-1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966-1970 Comp., p. 803; as amended by Executive Order 12086, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264.

(c) *Self-evaluation.* Each recipient education institution shall, within one year of September 29, 2000:

(1) Evaluate, in terms of the requirements of these Title IX regulations, its current policies and practices and the effects thereof concerning admission of students, treatment of students, and employment of both academic and non-academic personnel working in connection with the recipient's education program or activity;

(2) Modify any of these policies and practices that do not or may not meet

45 CFR Ch. XXV (10-1-02 Edition)

the requirements of these Title IX regulations; and

(3) Take appropriate remedial steps to eliminate the effects of any discrimination that resulted or may have resulted from adherence to these policies and practices.

(d) *Availability of self-evaluation and related materials.* Recipients shall maintain on file for at least three years following completion of the evaluation required under paragraph (c) of this section, and shall provide to the designated agency official upon request, a description of any modifications made pursuant to paragraph (c)(2) of this section and of any remedial steps taken pursuant to paragraph (c)(3) of this section.

§ 2555.115 Assurance required.

(a) *General.* Either at the application stage or the award stage, Federal agencies must ensure that applications for Federal financial assistance or awards of Federal financial assistance contain, be accompanied by, or be covered by a specifically identified assurance from the applicant or recipient, satisfactory to the designated agency official, that each education program or activity operated by the applicant or recipient and to which these Title IX regulations apply will be operated in compliance with these Title IX regulations. An assurance of compliance with these Title IX regulations shall not be satisfactory to the designated agency official if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with § 2555.110(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimination whether occurring prior to or subsequent to the submission to the designated agency official of such assurance.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended to provide real property or structures thereon, such assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used to provide an education program or activity.

(2) In the case of Federal financial assistance extended to provide personal property, such assurance shall obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases such assurance shall obligate the recipient for the period during which Federal financial assistance is extended.

(c) *Form.* (1) The assurances required by paragraph (a) of this section, which may be included as part of a document that addresses other assurances or obligations, shall include that the applicant or recipient will comply with all applicable Federal statutes relating to nondiscrimination. These include but are not limited to: Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681–1683, 1685–1688).

(2) The designated agency official will specify the extent to which such assurances will be required of the applicant's or recipient's subgrantees, contractors, subcontractors, transferees, or successors in interest.

§ 2555.120 Transfers of property.

If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee that operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government, both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of §§ 2555.205 through 2555.235(a).

§ 2555.125 Effect of other requirements.

(a) *Effect of other Federal provisions.* The obligations imposed by these Title IX regulations are independent of, and do not alter, obligations not to discriminate on the basis of sex imposed by Executive Order 11246, 3 CFR, 1964–1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966–1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966–1970 Comp., p. 803; as amended by Executive Order 12087, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264; sections 704

and 855 of the Public Health Service Act (42 U.S.C. 295m, 298b-2); Title VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e *et seq.*); the Equal Pay Act of 1963 (29 U.S.C. 206); and any other Act of Congress or Federal regulation.

(b) *Effect of State or local law or other requirements.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any State or local law or other requirement that would render any applicant or student ineligible, or limit the eligibility of any applicant or student, on the basis of sex, to practice any occupation or profession.

(c) *Effect of rules or regulations of private organizations.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association that would render any applicant or student ineligible to participate or limit the eligibility or participation of any applicant or student, on the basis of sex, in any education program or activity operated by a recipient and that receives Federal financial assistance.

§ 2555.130 Effect of employment opportunities.

The obligation to comply with these Title IX regulations is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.

§ 2555.135 Designation of responsible employee and adoption of grievance procedures.

(a) *Designation of responsible employee.* Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under these Title IX regulations, including any investigation of any complaint communicated to such recipient alleging its noncompliance with these Title IX regulations or alleging any actions that would be prohibited by these Title IX regulations. The recipient shall notify all its students and employees of the name, office address, and telephone number of

§ 2555.140

the employee or employees appointed pursuant to this paragraph.

(b) *Complaint procedure of recipient.* A recipient shall adopt and publish grievance procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by these Title IX regulations.

§ 2555.140 Dissemination of policy.

(a) *Notification of policy.* (1) Each recipient shall implement specific and continuing steps to notify applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of sex in the educational programs or activities that it operates, and that it is required by Title IX and these Title IX regulations not to discriminate in such a manner. Such notification shall contain such information, and be made in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations, but shall state at least that the requirement not to discriminate in education programs or activities extends to employment therein, and to admission thereto unless §§ 2555.300 through 2555.310 do not apply to the recipient, and that inquiries concerning the application of Title IX and these Title IX regulations to such recipient may be referred to the employee designated pursuant to § 2555.135, or to the designated agency official.

(2) Each recipient shall make the initial notification required by paragraph (a)(1) of this section within 90 days of September 29, 2000 or of the date these Title IX regulations first apply to such recipient, whichever comes later, which notification shall include publication in:

(i) Newspapers and magazines operated by such recipient or by student, alumnae, or alumni groups for or in connection with such recipient; and

(ii) Memoranda or other written communications distributed to every student and employee of such recipient.

(b) *Publications.* (1) Each recipient shall prominently include a statement of the policy described in paragraph (a) of this section in each announcement, bulletin, catalog, or application form that it makes available to any person of a type, described in paragraph (a) of this section, or which is otherwise used in connection with the recruitment of students or employees.

(2) A recipient shall not use or distribute a publication of the type described in paragraph (b)(1) of this section that suggests, by text or illustration, that such recipient treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by these Title IX regulations.

(c) *Distribution.* Each recipient shall distribute without discrimination on the basis of sex each publication described in paragraph (b)(1) of this section, and shall apprise each of its admission and employment recruitment representatives of the policy of non-discrimination described in paragraph (a) of this section, and shall require such representatives to adhere to such policy.

(d) *Educational institutions.* Except as provided in paragraph (e) of this section as to recipients that are educational institutions, §§ 2555.300 through 2555.310 apply only to institutions of vocational education, professional education, graduate higher education, and public institutions of undergraduate higher education.

(e) *Public institutions of undergraduate higher education.* §§ 2555.300 through 2555.310 do not apply to any public institution of undergraduate higher education that traditionally and continually from its establishment has had a policy of admitting students of only one sex.

§ 2555.225 Educational institutions eligible to submit transition plans.

(a) *Application.* This section applies to each educational institution to which §§ 2555.300 through 2555.310 apply that:

(1) Admitted students of only one sex as regular students as of June 23, 1972; or

(2) Admitted students of only one sex as regular students as of June 23, 1965, but thereafter admitted, as regular students, students of the sex not admitted prior to June 23, 1965.

(b) *Provision for transition plans.* An educational institution to which this section applies shall not discriminate on the basis of sex in admission or recruitment in violation of §§ 2555.300 through 2555.310.

§ 2555.230 Transition plans.

(a) *Submission of plans.* An institution to which § 2555.225 applies and that is composed of more than one administratively separate unit may submit either a single transition plan applicable to all such units, or a separate transition plan applicable to each such unit.

(b) *Content of plans.* In order to be approved by the Secretary of Education, a transition plan shall:

§ 2555.235

(1) State the name, address, and Federal Interagency Committee on Education Code of the educational institution submitting such plan, the administratively separate units to which the plan is applicable, and the name, address, and telephone number of the person to whom questions concerning the plan may be addressed. The person who submits the plan shall be the chief administrator or president of the institution, or another individual legally authorized to bind the institution to all actions set forth in the plan.

(2) State whether the educational institution or administratively separate unit admits students of both sexes as regular students and, if so, when it began to do so.

(3) Identify and describe with respect to the educational institution or administratively separate unit any obstacles to admitting students without discrimination on the basis of sex.

(4) Describe in detail the steps necessary to eliminate as soon as practicable each obstacle so identified and indicate the schedule for taking these steps and the individual directly responsible for their implementation.

(5) Include estimates of the number of students, by sex, expected to apply for, be admitted to, and enter each class during the period covered by the plan.

(c) *Nondiscrimination.* No policy or practice of a recipient to which § 2555.225 applies shall result in treatment of applicants to or students of such recipient in violation of §§ 2555.300 through 2555.310 unless such treatment is necessitated by an obstacle identified in paragraph (b)(3) of this section and a schedule for eliminating that obstacle has been provided as required by paragraph (b)(4) of this section.

(d) *Effects of past exclusion.* To overcome the effects of past exclusion of students on the basis of sex, each educational institution to which § 2555.225 applies shall include in its transition plan, and shall implement, specific steps designed to encourage individuals of the previously excluded sex to apply for admission to such institution. Such steps shall include instituting recruitment programs that emphasize the institution's commitment to enrolling

45 CFR Ch. XXV (10–1–02 Edition)

students of the sex previously excluded.

§ 2555.235 Statutory amendments.

(a) This section, which applies to all provisions of these Title IX regulations, addresses statutory amendments to Title IX.

(b) These Title IX regulations shall not apply to or preclude:

(1) Any program or activity of the American Legion undertaken in connection with the organization or operation of any Boys State conference, Boys Nation conference, Girls State conference, or Girls Nation conference;

(2) Any program or activity of a secondary school or educational institution specifically for:

(i) The promotion of any Boys State conference, Boys Nation conference, Girls State conference, or Girls Nation conference; or

(ii) The selection of students to attend any such conference;

(3) Father-son or mother-daughter activities at an educational institution or in an education program or activity, but if such activities are provided for students of one sex, opportunities for reasonably comparable activities shall be provided to students of the other sex;

(4) Any scholarship or other financial assistance awarded by an institution of higher education to an individual because such individual has received such award in a single-sex pageant based upon a combination of factors related to the individual's personal appearance, poise, and talent. The pageant, however, must comply with other nondiscrimination provisions of Federal law.

(c) *Program or activity or program* means:

(1) All of the operations of any entity described in paragraphs (c)(1)(i) through (iv) of this section, any part of which is extended Federal financial assistance:

(i)(A) A department, agency, special purpose district, or other instrumentality of a State or of a local government; or

(B) The entity of such State or local government that distributes such assistance and each such department or agency (and each other State or local

Corporation for National and Community Service

§ 2555.300

government entity) to which the assistance is extended, in the case of assistance to a State or local government;

(ii)(A) A college, university, or other postsecondary institution, or a public system of higher education; or

(B) A local educational agency (as defined in section 8801 of title 20), system of vocational education, or other school system;

(iii)(A) An entire corporation, partnership, or other private organization, or an entire sole proprietorship—

(1) If assistance is extended to such corporation, partnership, private organization, or sole proprietorship as a whole; or

(2) Which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation; or

(B) The entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship; or

(iv) Any other entity that is established by two or more of the entities described in paragraphs (c)(1)(i), (ii), or (iii) of this section.

(2)(i) *Program or activity* does not include any operation of an entity that is controlled by a religious organization if the application of 20 U.S.C. 1681 to such operation would not be consistent with the religious tenets of such organization.

(ii) For example, all of the operations of a college, university, or other postsecondary institution, including but not limited to traditional educational operations, faculty and student housing, campus shuttle bus service, campus restaurants, the bookstore, and other commercial activities are part of a “program or activity” subject to these Title IX regulations if the college, university, or other institution receives Federal financial assistance.

(d)(1) Nothing in these Title IX regulations shall be construed to require or prohibit any person, or public or private entity, to provide or pay for any benefit or service, including the use of facilities, related to an abortion. Medical procedures, benefits, services, and the use of facilities, necessary to save

the life of a pregnant woman or to address complications related to an abortion are not subject to this section.

(2) Nothing in this section shall be construed to permit a penalty to be imposed on any person or individual because such person or individual is seeking or has received any benefit or service related to a legal abortion. Accordingly, subject to paragraph (d)(1) of this section, no person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, employment, or other educational program or activity operated by a recipient that receives Federal financial assistance because such individual has sought or received, or is seeking, a legal abortion, or any benefit or service related to a legal abortion.

Subpart C—Discrimination on the Basis of Sex in Admission and Recruitment Prohibited

§ 2555.300 Admission.

(a) *General.* No person shall, on the basis of sex, be denied admission, or be subjected to discrimination in admission, by any recipient to which §§ 2555.300 through 2555.310 apply, except as provided in §§ 2555.225 and 2555.230.

(b) *Specific prohibitions.* (1) In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 2555.300 through 2555.310 apply shall not:

(i) Give preference to one person over another on the basis of sex, by ranking applicants separately on such basis, or otherwise;

(ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

(iii) Otherwise treat one individual differently from another on the basis of sex.

(2) A recipient shall not administer or operate any test or other criterion for admission that has a disproportionately adverse effect on persons on the basis of sex unless the use of such test or criterion is shown to predict validly success in the education program or activity in question and alternative tests

§ 2555.305

or criteria that do not have such a disproportionately adverse effect are shown to be unavailable.

(c) *Prohibitions relating to marital or parental status.* In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 2555.300 through 2555.310 apply:

(1) Shall not apply any rule concerning the actual or potential parental, family, or marital status of a student or applicant that treats persons differently on the basis of sex;

(2) Shall not discriminate against or exclude any person on the basis of pregnancy, childbirth, termination of pregnancy, or recovery therefrom, or establish or follow any rule or practice that so discriminates or excludes;

(3) Subject to § 2555.235(d), shall treat disabilities related to pregnancy, childbirth, termination of pregnancy, or recovery therefrom in the same manner and under the same policies as any other temporary disability or physical condition; and

(4) Shall not make pre-admission inquiry as to the marital status of an applicant for admission, including whether such applicant is “Miss” or “Mrs.” A recipient may make pre-admission inquiry as to the sex of an applicant for admission, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§ 2555.305 Preference in admission.

A recipient to which §§ 2555.300 through 2555.310 apply shall not give preference to applicants for admission, on the basis of attendance at any educational institution or other school or entity that admits as students only or predominantly members of one sex, if the giving of such preference has the effect of discriminating on the basis of sex in violation of §§ 2555.300 through 2555.310.

§ 2555.310 Recruitment.

(a) *Nondiscriminatory recruitment.* A recipient to which §§ 2555.300 through 2555.310 apply shall not discriminate on the basis of sex in the recruitment and admission of students. A recipient may

45 CFR Ch. XXV (10–1–02 Edition)

be required to undertake additional recruitment efforts for one sex as remedial action pursuant to § 2555.110(a), and may choose to undertake such efforts as affirmative action pursuant to § 2555.110(b).

(b) *Recruitment at certain institutions.* A recipient to which §§ 2555.300 through 2555.310 apply shall not recruit primarily or exclusively at educational institutions, schools, or entities that admit as students only or predominantly members of one sex, if such actions have the effect of discriminating on the basis of sex in violation of §§ 2555.300 through 2555.310.

Subpart D—Discrimination on the Basis of Sex in Education Programs or Activities Prohibited

§ 2555.400 Education programs or activities.

(a) *General.* Except as provided elsewhere in these Title IX regulations, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by a recipient that receives Federal financial assistance. Sections 2555.400 through 2555.455 do not apply to actions of a recipient in connection with admission of its students to an education program or activity of a recipient to which §§ 2555.300 through 2555.310 do not apply, or an entity, not a recipient, to which §§ 2555.300 through 2555.310 would not apply if the entity were a recipient.

(b) *Specific prohibitions.* Except as provided in §§ 2555.400 through 2555.455, in providing any aid, benefit, or service to a student, a recipient shall not, on the basis of sex:

(1) Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;

(2) Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;

(3) Deny any person any such aid, benefit, or service;

(4) Subject any person to separate or different rules of behavior, sanctions, or other treatment;

(5) Apply any rule concerning the domicile or residence of a student or applicant, including eligibility for in-state fees and tuition;

(6) Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person that discriminates on the basis of sex in providing any aid, benefit, or service to students or employees;

(7) Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

(c) *Assistance administered by a recipient educational institution to study at a foreign institution.* A recipient educational institution may administer or assist in the administration of scholarships, fellowships, or other awards established by foreign or domestic wills, trusts, or similar legal instruments, or by acts of foreign governments and restricted to members of one sex, that are designed to provide opportunities to study abroad, and that are awarded to students who are already matriculating at or who are graduates of the recipient institution; *Provided*, that a recipient educational institution that administers or assists in the administration of such scholarships, fellowships, or other awards that are restricted to members of one sex provides, or otherwise makes available, reasonable opportunities for similar studies for members of the other sex. Such opportunities may be derived from either domestic or foreign sources.

(d) *Aids, benefits or services not provided by recipient.* (1) This paragraph (d) applies to any recipient that requires participation by any applicant, student, or employee in any education program or activity not operated wholly by such recipient, or that facilitates, permits, or considers such participation as part of or equivalent to an education program or activity operated by such recipient, including participation in educational consortia and cooperative employment and student-teaching assignments.

(2) Such recipient:

(i) Shall develop and implement a procedure designed to assure itself that the operator or sponsor of such other education program or activity takes no action affecting any applicant, student, or employee of such recipient that these Title IX regulations would prohibit such recipient from taking; and

(ii) Shall not facilitate, require, permit, or consider such participation if such action occurs.

§ 2555.405 Housing.

(a) *Generally.* A recipient shall not, on the basis of sex, apply different rules or regulations, impose different fees or requirements, or offer different services or benefits related to housing, except as provided in this section (including housing provided only to married students).

(b) *Housing provided by recipient.* (1) A recipient may provide separate housing on the basis of sex.

(2) Housing provided by a recipient to students of one sex, when compared to that provided to students of the other sex, shall be as a whole:

(i) Proportionate in quantity to the number of students of that sex applying for such housing; and

(ii) Comparable in quality and cost to the student.

(c) *Other housing.* (1) A recipient shall not, on the basis of sex, administer different policies or practices concerning occupancy by its students of housing other than that provided by such recipient.

(2)(i) A recipient which, through solicitation, listing, approval of housing, or otherwise, assists any agency, organization, or person in making housing available to any of its students, shall take such reasonable action as may be necessary to assure itself that such housing as is provided to students of one sex, when compared to that provided to students of the other sex, is as a whole:

(A) Proportionate in quantity; and

(B) Comparable in quality and cost to the student.

(ii) A recipient may render such assistance to any agency, organization, or person that provides all or part of such housing to students of only one sex.

§ 2555.410

§ 2555.410 Comparable facilities.

A recipient may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.

§ 2555.415 Access to course offerings.

(a) A recipient shall not provide any course or otherwise carry out any of its education program or activity separately on the basis of sex, or require or refuse participation therein by any of its students on such basis, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses.

(b)(1) With respect to classes and activities in physical education at the elementary school level, the recipient shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. With respect to physical education classes and activities at the secondary and post-secondary levels, the recipient shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

(2) This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

(3) This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(4) Where use of a single standard of measuring skill or progress in a physical education class has an adverse effect on members of one sex, the recipient shall use appropriate standards that do not have such effect.

(5) Portions of classes in elementary and secondary schools, or portions of education programs or activities, that deal exclusively with human sexuality may be conducted in separate sessions for boys and girls.

45 CFR Ch. XXV (10–1–02 Edition)

(6) Recipients may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

§ 2555.420 Access to schools operated by LEAs.

A recipient that is a local educational agency shall not, on the basis of sex, exclude any person from admission to:

(a) Any institution of vocational education operated by such recipient; or

(b) Any other school or educational unit operated by such recipient, unless such recipient otherwise makes available to such person, pursuant to the same policies and criteria of admission, courses, services, and facilities comparable to each course, service, and facility offered in or through such schools.

§ 2555.425 Counseling and use of appraisal and counseling materials.

(a) *Counseling.* A recipient shall not discriminate against any person on the basis of sex in the counseling or guidance of students or applicants for admission.

(b) *Use of appraisal and counseling materials.* A recipient that uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials that permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) *Disproportion in classes.* Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one

sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

§ 2555.430 Financial assistance.

(a) *General.* Except as provided in paragraphs (b) and (c) of this section, in providing financial assistance to any of its students, a recipient shall not:

(1) On the basis of sex, provide different amounts or types of such assistance, limit eligibility for such assistance that is of any particular type or source, apply different criteria, or otherwise discriminate;

(2) Through solicitation, listing, approval, provision of facilities, or other services, assist any foundation, trust, agency, organization, or person that provides assistance to any of such recipient's students in a manner that discriminates on the basis of sex; or

(3) Apply any rule or assist in application of any rule concerning eligibility for such assistance that treats persons of one sex differently from persons of the other sex with regard to marital or parental status.

(b) *Financial aid established by certain legal instruments.* (1) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign wills, trusts, bequests, or similar legal instruments or by acts of a foreign government that require that awards be made to members of a particular sex specified therein; *Provided*, that the overall effect of the award of such sex-restricted scholarships, fellowships, and other forms of financial assistance does not discriminate on the basis of sex.

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

(ii) An appropriate sex-restricted scholarship, fellowship, or other form

of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student's sex.

(c) *Athletic scholarships.* (1) To the extent that a recipient awards athletic scholarships or grants-in-aid, it must provide reasonable opportunities for such awards for members of each sex in proportion to the number of students of each sex participating in interscholastic or intercollegiate athletics.

(2) A recipient may provide separate athletic scholarships or grants-in-aid for members of each sex as part of separate athletic teams for members of each sex to the extent consistent with this paragraph (c) and § 2555.450.

§ 2555.435 Employment assistance to students.

(a) *Assistance by recipient in making available outside employment.* A recipient that assists any agency, organization, or person in making employment available to any of its students:

(1) Shall assure itself that such employment is made available without discrimination on the basis of sex; and

(2) Shall not render such services to any agency, organization, or person that discriminates on the basis of sex in its employment practices.

(b) *Employment of students by recipients.* A recipient that employs any of its students shall not do so in a manner that violates §§ 2555.500 through 2555.550.

§ 2555.440 Health and insurance benefits and services.

Subject to § 2555.235(d), in providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex, or provide such benefit, service, policy, or plan in a manner that would violate §§ 2555.500 through 2555.550 if it were provided to employees of the recipient.

§ 2555.445

This section shall not prohibit a recipient from providing any benefit or service that may be used by a different proportion of students of one sex than of the other, including family planning services. However, any recipient that provides full coverage health service shall provide gynecological care.

§ 2555.445 Marital or parental status.

(a) *Status generally.* A recipient shall not apply any rule concerning a student's actual or potential parental, family, or marital status that treats students differently on the basis of sex.

(b) *Pregnancy and related conditions.* (1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation as long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient that operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the separate portion is comparable to that offered to non-pregnant students.

(4) Subject to §2555.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan, or policy that such recipient administers, operates, offers, or participates in with respect to students admitted to the recipient's educational program or activity.

(5) In the case of a recipient that does not maintain a leave policy for its students, or in the case of a student who

45 CFR Ch. XXV (10-1-02 Edition)

does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence for as long a period of time as is deemed medically necessary by the student's physician, at the conclusion of which the student shall be reinstated to the status that she held when the leave began.

§ 2555.450 Athletics.

(a) *General.* No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person, or otherwise be discriminated against in any interscholastic, intercollegiate, club, or intramural athletics offered by a recipient, and no recipient shall provide any such athletics separately on such basis.

(b) *Separate teams.* Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try out for the team offered unless the sport involved is a contact sport. For the purposes of these Title IX regulations, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(c) *Equal opportunity.* (1) A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available, the designated agency official will consider, among other factors:

(i) Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;

- (ii) The provision of equipment and supplies;
- (iii) Scheduling of games and practice time;
- (iv) Travel and per diem allowance;
- (v) Opportunity to receive coaching and academic tutoring;
- (vi) Assignment and compensation of coaches and tutors;
- (vii) Provision of locker rooms, practice, and competitive facilities;
- (viii) Provision of medical and training facilities and services;
- (ix) Provision of housing and dining facilities and services;
- (x) Publicity.

(2) For purposes of paragraph (c)(1) of this section, unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams if a recipient operates or sponsors separate teams will not constitute noncompliance with this section, but the designated agency official may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) *Adjustment period.* A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the secondary or postsecondary school level shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

§ 2555.455 Textbooks and curricular material.

Nothing in these Title IX regulations shall be interpreted as requiring or prohibiting or abridging in any way the use of particular textbooks or curricular materials.

Subpart E—Discrimination on the Basis of Sex in Employment in Education Programs or Activities Prohibited

§ 2555.500 Employment.

(a) *General.* (1) No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment, or recruitment, consideration, or selection therefor, whether full-time or part-time, under any education program or activity operated by a recipient that receives Federal financial assistance.

(2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way that could adversely affect any applicant's or employee's employment opportunities or status because of sex.

(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by §§ 2555.500 through 2555.550, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity that admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of these Title IX regulations.

(b) *Application.* The provisions of §§ 2555.500 through 2555.550 apply to:

- (1) Recruitment, advertising, and the process of application for employment;
- (2) Hiring, upgrading, promotion, consideration for and award of tenure,

§ 2555.505

(3) Rates of pay or any other form of compensation, and changes in compensation;

(4) Job assignments, classifications, and structure, including position descriptions, lines of progression, and seniority lists;

(5) The terms of any collective bargaining agreement;

(6) Granting and return from leaves of absence, leave for pregnancy, childbirth, false pregnancy, termination of pregnancy, leave for persons of either sex to care for children or dependents, or any other leave;

(7) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(8) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, selection for tuition assistance, selection for sabbaticals and leaves of absence to pursue training;

(9) Employer-sponsored activities, including social or recreational programs; and

(10) Any other term, condition, or privilege of employment.

§ 2555.505 Employment criteria.

A recipient shall not administer or operate any test or other criterion for any employment opportunity that has a disproportionately adverse effect on persons on the basis of sex unless:

(a) Use of such test or other criterion is shown to predict validly successful performance in the position in question; and

(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

§ 2555.510 Recruitment.

(a) *Nondiscriminatory recruitment and hiring.* A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex in the recruitment or hiring of employees, or has been found to have so dis-

45 CFR Ch. XXV (10–1–02 Edition)

criminated in the past, the recipient shall recruit members of the sex so discriminated against so as to overcome the effects of such past or present discrimination.

(b) *Recruitment patterns.* A recipient shall not recruit primarily or exclusively at entities that furnish as applicants only or predominantly members of one sex if such actions have the effect of discriminating on the basis of sex in violation of §§ 2555.500 through 2555.550.

§ 2555.515 Compensation.

A recipient shall not make or enforce any policy or practice that, on the basis of sex:

(a) Makes distinctions in rates of pay or other compensation;

(b) Results in the payment of wages to employees of one sex at a rate less than that paid to employees of the opposite sex for equal work on jobs the performance of which requires equal skill, effort, and responsibility, and that are performed under similar working conditions.

§ 2555.520 Job classification and structure.
