204.670-7 Security classification.

Submit DD Forms 350 as unclassified documents. Classified contracts are not exempt from reporting solely because the contract is classified. Contact the appropriate departmental data collection points for special instructions if it is necessary for security reasons to modify coding of any information on the DD Form 350. If contact cannot be made for security reasons, obtain instructions from the Director of Security, Office of the Assistant Secretary of Defense (Command, Control, Communications, and Intelligence), (703) 614-0578, or DSN 224-0578.

Official contract files shall consist of—

(i) *Authenticated copies* means copies that are shown to be genuine in one of two ways—

48 CFR Ch. 2 (10-1-02 Edition)

204.804 Closeout of contract files.

(2) The contracting office shall notify the contract administration office of the revised closeout date by either sending a copy of the completed DD Form 1594 or by preparing a MILSCAP Format Identifier PKZ, Contract Closeout Extension.

204.804-1 Closeout by the office administering the contract.

(1) For contracting offices administering their own contracts, locally developed forms or statement of completion may be used instead of the DD Form 1594, Contract Completion Statement. Whichever method is used, the form shall be retained in the official contract file.

(2) For contracts valued above the simplified acquisition threshold, prepare a DD Form 1597, Contract Closeout Check List, (or agency equivalent) to ensure that all required contract actions have been satisfactorily accomplished.

(1) When an office, other than the contracting office, administers the contract, it shall—

(i) Provide the contracting office an interim contract completion statement when the contract is physically completed and accepted. This notice may be in the form of either a DD Form 1594, Contract Completion Statement, or a MILSCAP Format Identifier Interim PK9, Contract Physical Completion. When the DD Form 1594 is used, the contracting officer—

(iv) Upon final payment—

(A) Process the DD Form 1594 with Blocks 1 through 9 completed or the MILSCAP Format Identifier PK9 verifying that all contract administration office actions have been done; and

(B) Send the original of the DD Form 1594 or the MILSCAP Format Identifier PK9 to the contracting office, and file a copy in the official contract file.

(2) If the administrative contracting officer (ACO) cannot closeout a contract within the specified time period (see FAR 4.804-1), the ACO must notify the procuring contracting officer (PCO) within 45 days after the expiration of the time period of—

(i) The reasons for the delay; and

(ii) New target date for closeout. If MILSCAP procedures apply, the ACO shall use the MILSCAP Format Identifier PKX, Unclosed Contract Status, to provide this notice to the PCO.

(3) If the contract still is not closed out by the new target date, the ACO shall again notify the PCO with the reasons for delay and new target date. If MILSCAP procedures apply, continue to use the MILSCAP Format Identifier PKX, Unclosed Contract Status, to provide this notice.

204.805 Disposal of contract files.

(1) The sources of the period for which official contract files must be retained are General Records Schedule 3 (Procurement, Supply, and Grant Records) and General Records Schedule 6 (Accountable Officers' Accounts Records). Copies of the General Records Schedule may be obtained from the National Archives and Records Administration, Washington, DC 20408.

(2) Deviations from the periods cannot be granted by the Defense Acquisition Regulatory Council. Forward requests for deviations to both the General Accounting Office and the National Archives and Records Administration.

(3) Hold completed contract files in the office responsible for maintaining them for a period of 12 months after completion. After the initial 12 month period, send the records to the local records holding or staging area until they are eligible for destruction. If no space is available locally, transfer the files to the General Services Administration Federal Records Center that services the area.

(4) Duplicate or working contract files should contain no originals of materials that properly belong in the official files. Destroy working files as soon as practicable once they are no longer needed.

(5) Retain pricing review files, containing documents related to reviews of the contractor's price proposals, subject to cost or pricing data (see FAR 15.403-4), for six years. If it is impossible to determine the final payment date in order to measure the six year period, retain the files for nine years.
