

§§ 401.9–401.100

from an insured cause, the insured has decided to no longer care for or harvest any part of the crop.

o. “Late planting agreement”—Available on selected crops. An amendment to the insurance contract which allows an insured whose planting has been delayed, to insure a crop planted after the final planting date in exchange for a reduction in coverage.

p. “Probable loss, notice of”—A written notice required to be filed in the service office whenever an insured believes that the insured crop has been damaged to the extent that a loss is probable (See: Section 8).

q. “Production report”—A written record showing the insured’s annual production and used to determine the yield guarantee. (See: Section 4). The report contains previous year yield information including planted acreage and harvested production. This report must be supported by written records from a warehouseman or buyer of the insured crop or by measurement of farm stored production.

r. “Replanting, Notice of completion”—The notice required to be given by the insured to the Corporation when replanting is completed (See: Section 8).

s. “Reporting date”—The acreage reporting date (contained in the Actuarial Table) by which you are required to report all your insurable and uninsurable acreage in the county in which you have a share and your share at the time insurance attaches.

t. “Sales closing date”—The date contained in the actuarial table on file in the respective service office which sets out the final date when an application for insurance may be filed.

u. “Termination date”—The date upon which the Corporation may cancel the insurance policy for non-payment of premium.

(e) Notwithstanding the terms of the crop insurance endorsement and any contract for crop insurance under the provisions of this part, coverage under the terms of such crop insurance endorsement will be effective subject to the availability of appropriations.

§§ 401.9–401.100 [Reserved]

§ 401.101 Wheat endorsement.

The provisions of the Wheat Crop Insurance Endorsement for the 1988 through the 1994 crop years are as follows:

7 CFR Ch. IV (1–1–02 Edition)

FEDERAL CROP INSURANCE CORPORATION

Wheat Endorsement

1. Insured Crop

a. The crop insured will be wheat planted for harvest as grain.

b. In addition to the wheat not insurable in section 2 of the general crop insurance policy, we do not insure any wheat:

(1) If the seed has not been mechanically incorporated into the soil;

(2) If the seed is planted where an established grass or legume exists unless we agree, in writing, to insure such wheat; or

(3) Destroyed or put to another use in order to comply with other U.S. Department of Agriculture programs.

2. Causes of Loss

The insurance provided is against unavoidable loss of production resulting from the following causes occurring within the insurance period:

a. Adverse weather conditions;

b. Fire;

c. Insects;

d. Plant disease;

e. Wildlife;

f. Earthquake;

g. Volcanic eruption; or

h. If applicable, failure of the irrigation water supply due to an unavoidable cause occurring after the beginning of planting; unless those causes are excepted, excluded, or limited by the actuarial table or section 9 of the general crop insurance policy.

3. Annual Premium

a. The annual premium amount is computed by multiplying the production guarantee times the price election, times the premium rate, times the insured acreage, times your share at the time of planting.

b. If you are eligible for a premium reduction in excess of 5 percent based on your insuring experience through the 1984 crop year under the terms of the experience table contained in the wheat policy for the 1985 crop year, you will continue to receive the benefit of the reduction subject to the following conditions:

(1) No premium reduction will be retained after the 1991 crop year;

(2) The premium reduction will not increase because of favorable experience;

(3) The premium reduction will decrease because of unfavorable experience in accordance with the terms of the policy in effect for the 1985 crop year;

(4) Once the loss ratio exceeds .80, no further premium reduction will apply; and

(5) Participation must be continuous.
