Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.....	as of January 1
Title 17 through Title 27.....	as of April 1
Title 28 through Title 41.....	as of July 1
Title 42 through Title 50.....	as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, January 1, 2003), consult the "List of CFR Sections Affected (LSA)," which is issued monthly, and the "Cumulative List of Parts Affected," which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.

Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 2001, consult either the List of CFR Sections Affected, 1949–1963, 1964–1972, 1973–1985, or 1986–2000, published in 11 separate volumes. For the period beginning January 1, 2001, a “List of CFR Sections Affected” is published at the end of each CFR volume.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

For specific filing and content requirements, consult the appropriate subparts of this part. The FDIC may require the applicant to submit additional information.

§ 303.4 Computation of time.

For purposes of this part, the FDIC begins computing the relevant period on the day after an event occurs (*e.g.*, the day after a substantially complete filing is received by the FDIC or the day after publication begins) through the last day of the relevant period. When the last day is a Saturday, Sunday or federal holiday, the period runs until the end of the next business day.

§ 303.5 Effect of Community Reinvestment Act performance on filings.

Among other factors, the FDIC takes into account the record of performance under the Community Reinvestment Act (CRA) of each applicant in considering a filing for approval of:

- (a) The establishment of a domestic branch;
- (b) The relocation of the bank's main office or a domestic branch;
- (c) The relocation of an insured branch of a foreign bank;
- (d) A transaction subject to the Bank Merger Act; and
- (e) Deposit insurance.

§ 303.6 Investigations and examinations.

The FDIC may examine or investigate and evaluate facts related to any filing under this chapter to the extent necessary to reach an informed decision and take any action necessary or appropriate under the circumstances.

§ 303.7 Public notice requirements.

(a) *General.* The public must be provided with prior notice of a filing to establish a domestic branch, relocate a domestic branch or the main office, relocate an insured branch of a foreign bank, engage in a merger transaction, initiate a change of control transaction, or request deposit insurance. The public has the right to comment on, or to protest, these types of pro-

posed transactions during the relevant comment period. In order to fully apprise the public of this right, an applicant shall publish a public notice of its filing in a newspaper of general circulation. For specific publication requirements, consult subparts B (Deposit Insurance), C (Branches and Relocations), D (Merger Transactions), E (Change in Bank Control), and J (International Banking) of this part.

(b) *Confirmation of publication.* The applicant shall mail or otherwise deliver a copy of the newspaper notice to the appropriate FDIC office as part of its filing, or, if a copy is not available at the time of filing, promptly after publication.

(c) *Content of notice.* (1) The public notice referred to in paragraph (a) of this section shall consist of the following:

(i) *Name and address of the applicant(s).* In the case of an application for deposit insurance for a de novo bank, include the names of all organizers or incorporators. In the case of an application to establish a branch, include the location of the proposed branch or, in the case of an application to relocate a branch or main office, include the current and proposed address of the office. In the case of a merger application, include the names of all parties to the transaction. In the case of a notice of acquisition of control, include the name(s) of the acquiring parties. In the case of an application to relocate an insured branch of a foreign bank, include the current and proposed address of the branch.

(ii) Type of filing being made;

(iii) Name of the depository institution(s) that is the subject matter of the filing;

(iv) That the public may submit comments to the appropriate FDIC regional director;

(v) The address of the appropriate FDIC office where comments may be sent (the same location where the filing will be made);

(vi) The closing date of the public comment period as specified in the appropriate subpart; and

(vii) That the nonconfidential portions of the application are on file in the appropriate FDIC office and are available for public inspection during

§ 303.8

12 CFR Ch. III (1-1-03 Edition)

regular business hours; photocopies of the nonconfidential portion of the application file will be made available upon request.

(2) The requirements of paragraphs (c)(1)(iv) through (vii) of this section may be satisfied through use of the following notice:

Any person wishing to comment on this application may file his or her comments in writing with the regional director of the Federal Deposit Insurance Corporation at the appropriate FDIC office [insert address of office] not later than [insert closing date of the public comment period specified in the appropriate subpart of part 303]. The nonconfidential portions of the application are on file at the appropriate FDIC office and are available for public inspection during regular business hours. Photocopies of the nonconfidential portion of the application file will be made available upon request.

(d) *Multiple transactions.* The FDIC may consider more than one transaction, or a series of transactions, to be a single filing for purposes of the publication requirements of this section. When publishing a single public notice for multiple transactions, the applicant shall explain in the public notice how the transactions are related. The closing date of the comment period shall be the closing date of the longest public comment period that applies to any of the related transactions.

(e) *Joint public notices.* For a transaction subject to public notice requirements by the FDIC and another federal or state banking authority, the FDIC will accept publication of a single joint notice containing all the information required by both the FDIC and the other federal agency or state banking authority, provided that the notice states that comments must be submitted to the appropriate FDIC office and, if applicable, the other federal or state banking authority.

(f) Where public notice is required, the FDIC may determine on a case-by-case basis that unusual circumstances surrounding a particular filing warrant modification of the publication requirements.

§ 303.8 Public access to filing.

(a) *General.* For filings subject to a public notice requirement, any person may inspect or request a copy of the nonconfidential portions of a filing

(the public file) until 180 days following final disposition of a filing. Following the 180-day period, nonconfidential portions of an application file will be made available in accordance with § 303.8(c). The public file generally consists of portions of the filing, supporting data, supplementary information, and comments submitted by interested persons (if any) to the extent that the documents have not been afforded confidential treatment. To view or request photocopies of the public file, an oral or written request should be submitted to the appropriate FDIC office. The public file will be produced for review not more than one business day after receipt by the appropriate FDIC office of the request (either written or oral) to see the file. The FDIC may impose a fee for photocopying in accordance with § 309.5(f) of this chapter at the rates the FDIC publishes annually in the FEDERAL REGISTER.

(b) *Confidential treatment.* (1) The applicant may request that specific information be treated as confidential. The following information generally is considered confidential:

(i) Personal information, the release of which would constitute a clearly unwarranted invasion of privacy;

(ii) Commercial or financial information, the disclosure of which could result in substantial competitive harm to the submitter; and

(iii) Information, the disclosure of which could seriously affect the financial condition of any depository institution.

(2) If an applicant requests confidential treatment for information that the FDIC does not consider to be confidential, the FDIC may include that information in the public file after notifying the applicant. On its own initiative, the FDIC may determine that certain information should be treated as confidential and withhold that information from the public file.

(c) *FOIA requests.* A written request for information withheld from the public file, or copies of the public file following closure of the file 180 days after final disposition, should be submitted pursuant to the Freedom of Information Act (5 U.S.C. 552) and part 309 of this chapter to the FDIC, Attn: FOIA/

Federal Deposit Insurance Corporation

§ 303.10

Privacy Group, Legal Division, 550 17th Street, NW., Washington, DC 20429.

§ 303.9 Comments.

(a) *Submission of comments.* For filings subject to a public notice requirement, any person may submit comments to the appropriate FDIC regional director during the comment period.

(b) *Comment period*—(1) *General.* Consult appropriate subparts of this part for the comment period applicable to a particular filing.

(2) *Extension.* The FDIC may extend or reopen the comment period if:

(i) The applicant fails to file all required information on a timely basis to permit review by the public or makes a request for confidential treatment not granted by the FDIC that delays the public availability of that information;

(ii) Any person requesting an extension of time satisfactorily demonstrates to the FDIC that additional time is necessary to develop factual information that the FDIC determines may materially affect the application; or

(iii) The FDIC determines that other good cause exists.

(3) *Solicitation of comments.* Whenever appropriate, the appropriate regional director may solicit comments from any person or institution which might have an interest in or be affected by the pending filing.

(4) *Applicant response.* The FDIC will provide copies of all comments received to the applicant and may give the applicant an opportunity to respond.

§ 303.10 Hearings and other meetings.

(a) *Matters covered.* This section covers hearings and other proceedings in connection with filings and determinations for or by:

(1) Deposit insurance by a proposed new depository institution or operating non-insured institution;

(2) An insured state nonmember bank to establish a domestic branch or to relocate a main office or domestic branch;

(3) Relocation of an insured branch of a foreign bank;

(4)(i) Merger transaction which requires the FDIC's prior approval under the Bank Merger Act (12 U.S.C. 1828(c));

(ii) Except as otherwise expressly provided, the provisions of this § 303.10 shall not be applicable to any proposed merger transaction which the FDIC Board of Directors determines must be acted upon immediately to prevent the probable failure of one of the institutions involved, or must be handled with expeditious action due to an existing emergency condition, as permitted by the Bank Merger Act (12 U.S.C. 1828(c)(6));

(5) Nullification of a decision on a filing; and

(6) Any other purpose or matter which the FDIC Board of Directors in its sole discretion deems appropriate.

(b) *Hearing requests.* (1) Any person may submit a written request for a hearing on a filing:

(i) To the appropriate regional director before the end of the comment period; or

(ii) To the appropriate regional director, pursuant to a notice to nullify a decision on a filing issued pursuant to § 303.11(g)(2)(i) or (ii).

(2) The request must describe the nature of the issues or facts to be presented and the reasons why written submissions would be insufficient to make an adequate presentation of those issues or facts to the FDIC. A person requesting a hearing shall simultaneously submit a copy of the request to the applicant.

(c) *Action on a hearing request.* The appropriate regional director, after consultation with the Legal Division, may grant or deny a request for a hearing and may limit the issues that he or she deems relevant or material. The FDIC generally grants a hearing request only if it determines that written submissions would be insufficient or that a hearing otherwise would be in the public interest.

(d) *Denial of a hearing request.* If the appropriate regional director, after consultation with the Legal Division, denies a hearing request, he or she shall notify the person requesting the hearing of the reason for the denial. A decision to deny a hearing request shall be a final agency determination and is not appealable.

(e) *FDIC procedures prior to the hearing*—(1) *Notice of hearing.* The FDIC shall issue a notice of hearing if it

§ 303.10

12 CFR Ch. III (1–1–03 Edition)

grants a request for a hearing or orders a hearing because it is in the public interest. The notice of hearing shall state the subject and date of the filing, the time and place of the hearing, and the issues to be addressed. The FDIC shall send a copy of the notice of hearing to the applicant, to the person requesting the hearing, and to anyone else requesting a copy.

(2) The presiding officer shall be the regional director or designee or such other person as may be named by the Board or the Director. The presiding officer is responsible for conducting the hearing and determining all procedural questions not governed by this section.

(f) *Participation in the hearing.* Any person who wishes to appear (participant) shall notify the appropriate regional director of his or her intent to participate in the hearing no later than 10 days from the date that the FDIC issues the Notice of Hearing. At least 5 days before the hearing, each participant shall submit to the appropriate regional director, as well as to the applicant and any other person as required by the FDIC, the names of witnesses, a statement describing the proposed testimony of each witness, and one copy of each exhibit the participant intends to present.

(g) *Transcripts.* The FDIC shall arrange for a hearing transcript. The person requesting the hearing and the applicant each shall bear the cost of one copy of the transcript for his or her use unless such cost is waived by the presiding officer and incurred by the FDIC.

(h) *Conduct of the hearing—(1) Presentations.* Subject to the rulings of the presiding officer, the applicant and participants may make opening and closing statements and present and examine witnesses, material, and data.

(2) *Information submitted.* Any person presenting material shall furnish one copy to the FDIC, one copy to the applicant, and one copy to each participant.

(3) *Laws not applicable to hearings.* The Administrative Procedure Act (5 U.S.C. 551 *et seq.*), the Federal Rules of Evidence (28 U.S.C. Appendix), the Federal Rules of Civil Procedure (28 U.S.C. Rule 1 *et seq.*), and the FDIC's Rules of

Practice and Procedure (12 CFR part 308) do not govern hearings under this § 303.10.

(i) *Closing the hearing record.* At the applicant's or any participant's request, or at the FDIC's discretion, the FDIC may keep the hearing record open for up to 10 days following the FDIC's receipt of the transcript. The FDIC shall resume processing the filing after the record closes.

(j) *Disposition and notice thereof.* The presiding officer shall make a recommendation to the FDIC within 20 days following the date the hearing and record on the proceeding are closed. The FDIC shall notify the applicant and all participants of the final disposition of a filing and shall provide a statement of the reasons for the final disposition.

(k) *Computation of time.* In computing periods of time under this section, the provisions of § 308.12 of the FDIC's Rules of Practice and Procedure (12 CFR 308.12) shall apply.

(l) *Informal proceedings.* The FDIC may arrange for an informal proceeding with an applicant and other interested parties in connection with a filing, either upon receipt of a written request for such a meeting made during the comment period, or upon the FDIC's own initiative. No later than 10 days prior to an informal proceeding, the appropriate regional director shall notify the applicant and each person who requested a hearing or oral presentation of the date, time, and place of the proceeding. The proceeding may assume any form, including a meeting with FDIC representatives at which participants will be asked to present their views orally. The regional director may hold separate meetings with each of the participants.

(m) *Authority retained by FDIC Board of Directors to modify procedures.* The FDIC Board of Directors may delegate authority by resolution on a case-by-case basis to the presiding officer to adopt different procedures in individual matters and on such terms and conditions as the Board of Directors determines in its discretion. The resolution shall be made available for public inspection and copying in the Office

of the General Counsel, Executive Secretary Section under the Freedom of Information Act (5 U.S.C. 552(a)(2)).

§ 303.11 Decisions.

(a) *General procedures.* The FDIC may approve, conditionally approve, deny, or not object to a filing after appropriate review and consideration of the record. The FDIC will promptly notify the applicant and any person who makes a written request of the final disposition of a filing. If the FDIC denies a filing, the FDIC will immediately notify the applicant in writing of the reasons for the denial.

(b) *Authority retained by FDIC Board of Directors to modify procedures.* In acting on any filing under this part, the FDIC Board of Directors may by resolution adopt procedures which differ from those contained in this part when it deems it necessary or in the public interest to do so. The resolution shall be made available for public inspection and copying in the Office of the General Counsel, Executive Secretary Section under the Freedom of Information Act (5 U.S.C. 552(a)(2)).

(c) *Expedited processing.* (1) A filing submitted by an eligible depository institution as defined in § 303.2(r) will receive expedited processing as specified in the appropriate subparts of this part unless the FDIC determines to remove the filing from expedited processing for any of the reasons set forth in paragraph (c)(2) of this section. Except for filings made pursuant to subpart J (International Banking), expedited processing will not be available for any filing that the appropriate regional director does not have delegated authority to approve.

(2) *Removal of filing from expedited processing.* The FDIC may remove a filing from expedited processing at any time prior to final disposition if:

(i) For filings subject to public notice under § 303.7, an adverse comment is received that warrants additional investigation or review;

(ii) For filings subject to evaluation of CRA performance under § 303.5, a CRA protest is received that warrants additional investigation or review, or the appropriate regional director determines that the filing presents a significant CRA or compliance concern;

(iii) For any filing, the appropriate regional director determines that the filing presents a significant supervisory concern, or raises a significant legal or policy issue; or

(iv) For any filing, the appropriate regional director determines that other good cause exists for removal.

(3) For purposes of this section, a significant CRA concern includes, but is not limited to, a determination by the appropriate regional director that, although a depository institution may have an institution-wide rating of satisfactory or better, a depository institution's CRA rating is less than satisfactory in a state or multi-state metropolitan statistical area, or a depository institution's CRA performance is less than satisfactory in a metropolitan statistical area as defined in 12 CFR 345.12 (MSA) or in the non-MSA portion of a state in which it seeks to expand through approval of an application for a deposit facility as defined in 12 U.S.C. 2902(3).

(4) If the FDIC determines that it is necessary to remove a filing from expedited processing pursuant to paragraph (c)(2) of this section, the FDIC promptly will provide the applicant with a written explanation

(d) *Multiple transactions.* If the FDIC is considering related transactions, some or all of which have been granted expedited processing, then the longest processing time for any of the related transactions shall govern for purposes of approval.

(e) *Abandonment of filing.* A filing must contain all information set forth in the applicable subpart of this part. To the extent necessary to evaluate a filing, the FDIC may require an applicant to provide additional information. If information requested by the FDIC is not provided within the time period specified by the agency, the FDIC may deem the filing abandoned and shall provide written notification to the applicant and any interested parties that submitted comments to the FDIC that the file has been closed.

(f) *Appeals and requests for reconsideration—(1) General.* Appeal procedures for a denial of a change in bank control (subpart E), change in senior executive officer or board of directors (subpart F) or denial of an application pursuant to

§ 303.11

12 CFR Ch. III (1–1–03 Edition)

section 19 of the FDI Act (subpart L) are contained in 12 CFR part 308, subparts D, L, and M, respectively. For all other filings covered by this chapter for which appeal procedures are not provided by regulation or other written guidance, the procedures specified in paragraphs (f) (2) and (3) of this section shall apply. A decision to deny a request for a hearing is a final agency determination and is not appealable.

(2) *Filing procedures.* Within 15 days of receipt of notice from the FDIC that its filing has been denied, any applicant may file a request for reconsideration with the appropriate regional director.

(3) *Content of filing.* A request for reconsideration must contain the following information:

(i) A resolution of the board of directors of the applicant authorizing filing of the request if the applicant is a corporation, or a letter signed by the individual(s) filing the request if the applicant is not a corporation;

(ii) Relevant, substantive information that for good cause was not previously set forth in the filing; and

(iii) Specific reasons why the FDIC should reconsider its prior decision.

(4)–(5) [Reserved]

(6) *Processing.* The FDIC will notify the applicant whether reconsideration will be granted or denied within 15 days of receipt of a request for reconsideration. If a request for reconsideration is granted pursuant to §303.11(f), the FDIC will notify the applicant of the final agency decision on such filing within 60 days of its receipt of the request for reconsideration.

(g) *Nullification, withdrawal, revocation, amendment, and suspension of decisions on filings—(1) Grounds for action.* Except as otherwise provided by law or regulation, the FDIC may nullify, withdraw, revoke, amend or suspend a decision on a filing if it becomes aware at anytime:

(i) Of any material misrepresentation or omission related to the filing or of any material change in circumstance that occurred prior to the consummation of the transaction or commencement of the activity authorized by the decision on the filing; or

(ii) That the decision on the filing is contrary to law or regulation or was

granted due to clerical or administrative error.

(iii) Any person responsible for a material misrepresentation or omission in a filing or supporting materials may be subject to an enforcement action and other penalties, including criminal penalties provided in Title 18 of the United States Code.

(2) *Notice of intent and temporary order.* (i) Except as provided in §303.11(g)(2)(ii), before taking action under this §303.11(g), the FDIC shall issue and serve on an applicant written notice of its intent to take such action. A notice of intent to act on a filing shall include:

(A) The reasons for the proposed action; and

(B) The date by which the applicant may file a written response with the FDIC.

(ii) The FDIC may issue a temporary order on a decision on a filing without providing an applicant a prior notice of intent if the FDIC determines that:

(A) It is necessary to reevaluate the impact of a change in circumstance prior to the consummation of the transaction or commencement of the activity authorized by the decision on the filing; or

(B) The activity authorized by the filing may pose a threat to the interests of the depository institution's depositors or may threaten to impair public confidence in the depository institution.

(iii) A temporary order shall provide the applicant with an opportunity to make a written response in accordance with §303.11(g)(3) of this section.

(3) *Response to notice of intent or temporary order.* An applicant may file a written response to a notice of intent or a temporary order within 15 days from the date of service of the notice or temporary order. The written response should include:

(i) An explanation of why the proposed action or temporary order is not warranted; and

(ii) Any other relevant information, mitigating circumstance, documentation, or other evidence in support of the applicant's position. An applicant may also request a hearing under §303.10 of this part. Failure by an applicant to file a written response with the

Federal Deposit Insurance Corporation

§ 303.22

FDIC to a notice of intent or a temporary order within the specified time period, shall constitute a waiver of the opportunity to respond and shall constitute consent to a final order under this §303.11(g).

(4) *Effective date.* All orders issued pursuant to this section shall become effective immediately upon issuance unless otherwise stated therein.

§§ 303.12–303.13 [Reserved]

§ 303.14 Being “engaged in the business of receiving deposits other than trust funds.”

(a) Except as provided in paragraphs (b), (c), and (d) of this section, a depository institution shall be “engaged in the business of receiving deposits other than trust funds” only if it maintains one or more non-trust deposit accounts in the minimum aggregate amount of \$500,000.

(b) An applicant for federal deposit insurance under section 5 of the FDI Act, 12 U.S.C. 1815(a), shall be deemed to be “engaged in the business of receiving deposits other than trust funds” from the date that the FDIC approves deposit insurance for the institution until one year after it opens for business.

(c) Any depository institution that fails to satisfy the minimum deposit standard specified in paragraph (a) of this section as of two consecutive call report dates (*i.e.*, March 31st, June 30th, September 30th, and December 31st) shall be subject to a determination by the FDIC that the institution is not “engaged in the business of receiving deposits other than trust funds” and to termination of its insured status under section 8(p) of the FDI Act, 12 U.S.C. 1818(p). For purposes of this paragraph, the first three call report dates after the institution opens for business are excluded.

(d) Notwithstanding any failure by an insured depository institution to satisfy the minimum deposit standard in paragraph (a) of this section, the institution shall continue to be “engaged in the business of receiving deposits other than trust funds” for purposes of section 3 of the FDI Act until the institution’s insured status is terminated by the FDIC pursuant to a proceeding

under section 8(a) or section 8(p) of the FDI Act, 12 U.S.C. 1818(a) or 1818(p).

§§ 303.15–303.19 [Reserved]

Subpart B—Deposit Insurance

§ 303.20 Scope.

This subpart sets forth the procedures for applying for deposit insurance for a proposed depository institution or an operating noninsured depository institution under section 5 of the FDI Act (12 U.S.C. 1815). It also sets forth the procedures for requesting continuation of deposit insurance for a state-chartered bank withdrawing from membership in the Federal Reserve System and for interim institutions chartered to facilitate a merger transaction.

§ 303.21 Filing procedures.

(a) Applications for deposit insurance shall be filed with the appropriate FDIC office. The relevant application forms and instructions for applying for deposit insurance for an existing or proposed depository institution may be obtained from any FDIC regional director.

(b) An application for deposit insurance for an interim depository institution shall be filed and processed in accordance with the procedures set forth in §303.24, subject to the provisions of §303.62(b)(2) regarding deposit insurance for interim institutions. An interim institution is defined as a state- or federally-chartered depository institution that does not operate independently but exists solely as a vehicle to accomplish a merger transaction.

(c) A request for continuation of deposit insurance upon withdrawing from membership in the Federal Reserve System shall be in letter form and shall provide the information prescribed in §303.25.

§ 303.22 Processing.

(a) *Expedited processing for proposed institutions.* (1) An application for deposit insurance for a proposed institution which will be a subsidiary of an eligible depository institution as defined in §303.2(r) or an eligible holding company will be acknowledged in writing by the FDIC and will receive expedited

§ 303.23

processing unless the applicant is notified in writing to the contrary and provided with the basis for that decision. An eligible holding company is defined as a bank or thrift holding company that has consolidated assets of \$150 million or more, has an assigned composite rating of 2 or better, and has at least 75 percent of its consolidated depository institution assets comprised of eligible depository institutions. The FDIC may remove an application from expedited processing for any of the reasons set forth in § 303.11(c)(2).

(2) Under expedited processing, the FDIC will take action on an application within 60 days of receipt of a substantially complete application or 5 days after the expiration of the comment period described in § 303.23, whichever is later. Final action may be withheld until the FDIC has assurance that permission to organize the proposed institution will be granted by the chartering authority. Notwithstanding paragraph (a)(1) of this section, if the FDIC does not act within the expedited processing period, it does not constitute an automatic or default approval.

(b) *Standard processing.* For those applications that are not processed pursuant to the expedited procedures, the FDIC will provide the applicant with written notification of the final action when the decision is rendered.

§ 303.23 Public notice requirements.

(a) *De novo institutions and operating noninsured institutions.* The applicant shall publish a notice as prescribed in § 303.7 in a newspaper of general circulation in the community in which the main office of the depository institution is or will be located. Notice shall be published as close as practicable to, but no sooner than five days before, the date the application is mailed or delivered to the appropriate FDIC office. Comments by interested parties must be received by the appropriate regional director within 30 days following the date of publication, unless the comment period has been extended or reopened in accordance with § 303.9(b)(2).

(b) *Exceptions to public notice requirements.* No publication shall be required in connection with the granting of in-

12 CFR Ch. III (1–1–03 Edition)

sureance to a new depository institution established pursuant to the resolution of a depository institution in default, or to an interim depository institution formed solely to facilitate a merger transaction, or for a request for continuation of federal deposit insurance by a state-chartered bank withdrawing from membership in the Federal Reserve System.

§ 303.24 Application for deposit insurance for an interim institution.

(a) *Application required.* Subject to § 303.62(b)(2), a deposit insurance application is required for a state-chartered interim institution if the related merger transaction is subject to approval by a federal banking agency other than the FDIC. A separate application for deposit insurance for an interim institution is not required in connection with any merger requiring FDIC approval pursuant to subpart D of this part.

(b) *Content of separate application.* A letter application for deposit insurance for an interim institution, accompanied by a copy of the related merger application, shall be filed with the appropriate FDIC office. The letter application shall briefly describe the transaction and contain a statement that deposit insurance is being requested for an interim institution that does not operate independently but exists solely as a vehicle to accomplish a merger transaction which will be reviewed by a federal banking agency other than the FDIC.

(c) *Processing.* An application for deposit insurance for an interim depository institution will be acknowledged in writing by the FDIC. Final action will be taken within 21 days after receipt of a substantially complete application, unless the applicant is notified in writing that additional review is warranted. If the FDIC does not act within the expedited processing period, it does not constitute an automatic or default approval.

§ 303.25 Continuation of deposit insurance upon withdrawing from membership in the Federal Reserve System.

(a) *Content of application.* To continue its insured status upon withdrawal

Federal Deposit Insurance Corporation

§ 303.41

from membership in the Federal Reserve System, a state-chartered bank shall submit a letter application to the appropriate FDIC office. A complete application shall consist of the following information:

(1) A copy of the letter, and any attachments thereto, sent to the appropriate Federal Reserve Bank setting forth the bank's intention to terminate its membership;

(2) A copy of the letter from the Federal Reserve Bank acknowledging the bank's notice to terminate membership;

(3) A statement regarding any anticipated changes in the bank's general business plan during the next 12-month period; and

(4)(i) A statement by the bank's management that there are no outstanding or proposed corrective programs or supervisory agreements with the Federal Reserve System.

(ii) If such programs or agreements exist, a statement by the applicant that its Board of Directors is willing to enter into similar programs or agreements with the FDIC which would become effective upon withdrawal from the Federal Reserve System.

(b) *Processing.* An application for deposit insurance under this section will be acknowledged in writing by the FDIC. The FDIC shall notify the applicant, within 15 days of receipt of a substantially complete application, either that federal deposit insurance will continue upon termination of membership in the Federal Reserve System or that additional review is warranted and the applicant will be notified, in writing, of the FDIC's final decision regarding continuation of deposit insurance. If the FDIC does not act within the expedited processing period, it does not constitute an automatic or default approval.

§§ 303.26—303.39 [Reserved]

Subpart C—Establishment and Relocation of Domestic Branches and Offices

§ 303.40 Scope.

(a) *General.* This subpart sets forth the application requirements and procedures for insured state nonmember

banks to establish a branch, relocate a branch or main office, and retain existing branches after the interstate relocation of the main office subject to the approval by the FDIC pursuant to sections 13(f), 13(k), 18(d) and 44 of the FDI Act.

(b) *Merger transaction.* Applications for approval of the acquisition and establishment of branches in connection with a merger transaction under section 18(c) of the FDI Act (12 U.S.C. 1828(c)), are processed in accordance with subpart D (Merger Transactions) of this part.

(c) *Insured branches of foreign banks and foreign branches of domestic banks.* Applications regarding insured branches of foreign banks and foreign branches of domestic banks are processed in accordance with subpart J (International Banking) of this part.

(d) *Interstate acquisition of individual branch.* Applications requesting approval of the interstate acquisition of an individual branch or branches located in a state other than the applicant's home state without the acquisition of the whole bank are treated as interstate bank merger transactions under section 44 of the FDI Act (12 U.S.C. 1831a(u)), and are processed in accordance with subpart D (Merger Transactions) of this part.

§ 303.41 Definitions.

For purposes of this subpart:

(a) *Branch* includes any branch bank, branch office, additional office, or any branch place of business located in any State of the United States or in any territory of the United States, Puerto Rico, Guam, American Samoa, the Trust Territory of the Pacific Islands, the Virgin Islands, and the Northern Mariana Islands at which deposits are received or checks paid or money lent. A branch does not include an automated teller machine, an automated loan machine, or a remote service unit. The term branch also includes the following:

(1) A *messenger service* that is operated by a bank or its affiliate that picks up and delivers items relating to transactions in which deposits are received or checks paid or money lent. A messenger service established and operated by a non-affiliated third party

§ 303.42

generally does not constitute a branch for purposes of this subpart. Banks contracting with third parties to provide messenger services should consult with the FDIC to determine if the messenger service constitutes a branch.

(2) A *mobile branch*, other than a messenger service, that does not have a single, permanent site and uses a vehicle that travels to various locations to enable the public to conduct banking business. A mobile branch may serve defined locations on a regular schedule or may serve a defined area at varying times and locations.

(3) A *temporary branch* that operates for a limited period of time not to exceed one year as a public service, such as during an emergency or disaster situation.

(4) A *seasonal branch* that operates at various periodically recurring intervals, such as during state and local fairs, college registration periods, and other similar occasions.

(b) *Branch relocation* means a move within the same immediate neighborhood of the existing branch that does not substantially affect the nature of the business of the branch or the customers of the branch. Moving a branch to a location outside its immediate neighborhood is considered the closing of an existing branch and the establishment of a new branch. Closing of a branch is covered in the FDIC Statement of Policy Concerning Branch Closing Notices and Policies. 1 FDIC Law, Regulations, Related Acts 5391; see § 309.4 (a) and (b) of this chapter for availability.

(d) *Home state* means the state by which the bank is chartered.

§§ 303.46–303.59 [Reserved]

Subpart D—Merger Transactions

§ 303.60 Scope.

This subpart sets forth the application requirements and procedures for transactions subject to FDIC approval under the Bank Merger Act, section 18(c) of the FDI Act (12 U.S.C. 1828(c)). Additional guidance is contained in the FDIC “Statement of Policy on Bank Merger Transactions” (1 FDIC Law, Regulations, Related Acts 5145; see § 309.4(a) and (b) of this chapter for availability).

§ 303.61 Definitions.

For purposes of this subpart:

(a) *Merger transaction* includes any transaction:

(1) In which an insured depository institution merges or consolidates with any other insured depository institution or, either directly or indirectly,

acquires the assets of, or assumes liability to pay any deposits made in, any other insured depository institution; or

(2) In which an insured depository institution merges or consolidates with any noninsured bank or institution or assumes liability to pay any deposits made in, or similar liabilities of, any noninsured bank or institution, or in which an insured depository institution transfers assets to any noninsured bank or institution in consideration of the assumption of any portion of the deposits made in the insured depository institution.

(b) *Corporate reorganization* means a merger transaction between commonly-owned institutions, between an insured depository institution and its subsidiary, or between an insured depository institution and its holding company, provided that the merger transaction would have no effect on competition or otherwise have significance under the statutory standards set forth in section 18(c) of the FDI Act (12 U.S.C. 1828(c)). For purposes of this paragraph, institutions are commonly-owned if more than 50 percent of the voting stock of each of the institutions is owned by the same company, individual, or group of closely-related individuals acting in concert.

(c) *Interim merger transaction* means a merger transaction (other than a purchase and assumption transaction) between an operating depository institution and a newly-formed depository institution or corporation that will not operate independently and that exists solely for the purpose of facilitating a corporate reorganization.

(d) *Optional conversion* (Oakar transaction) means a merger transaction in which an insured depository institution assumes deposit liabilities insured by the deposit insurance fund (either the Bank Insurance Fund (BIF) or the Savings Association Insurance Fund (SAIF)) of which that assuming institution is not a member, and elects not to convert the insurance covering the assumed deposits. Such transactions are covered by section 5(d)(3) of the FDI Act (12 U.S.C. 1815(d)(3)).

(e) *Resulting institution* refers to the acquiring, assuming or resulting institution in a merger transaction.

Federal Deposit Insurance Corporation

§ 303.63

§ 303.62 Transactions requiring prior approval.

(a) *Merger transactions.* The following merger transactions require the prior written approval of the FDIC under this subpart:

(1) Any merger transaction, including any corporate reorganization, interim merger transaction, or optional conversion, in which the resulting institution is to be an insured state nonmember bank; and

(2) Any merger transaction, including any corporate reorganization or interim merger transaction, that involves an uninsured bank or institution.

(b) *Related provisions.* Transactions covered by this subpart also may be subject to other provisions or application requirements, including the following:

(1) *Interstate merger transactions.* Merger transactions between insured banks that are chartered in different states are subject to the provisions of section 44 of the FDI Act (12 U.S.C. 1831u). In the case of a merger transaction that consists of the acquisition by an out of state bank of a branch without acquisition of the bank, the branch is treated for section 44 purposes as a bank whose home state is the state in which the branch is located.

(2) *Deposit insurance.* An application for deposit insurance will be required in connection with a merger transaction between a state-chartered interim institution and an insured depository institution if the related merger application is being acted upon by a federal banking agency other than the FDIC. If the FDIC is the federal banking agency responsible for acting on the related merger application, a separate application for deposit insurance is not necessary. Procedures for applying for deposit insurance are set forth in subpart B of this part. An application for deposit insurance will not be required in connection with a merger transaction (other than a purchase and assumption transaction) of a federally-chartered interim institution and an insured institution, even if the resulting institution is to operate under the charter of the federal interim institution.

(3) *Deposit insurance fund conversions.* Procedures for conversion transactions involving the transfer of deposits from BIF to SAIF or from SAIF to BIF are set forth in subpart M of this part at § 303.246.

(4) *Branch closings.* Branch closings in connection with a merger transaction are subject to the notice requirements of section 42 of the FDI Act (12 U.S.C. 1831r-1), including requirements for notice to customers. These requirements are addressed in the “Interagency Policy Statement Concerning Branch Closings Notices and Policies” (1 FDIC Law, Regulations, Related Acts (FDIC) 5391; see § 309.4(a) and (b) of this chapter for availability.)

(5) *Undercapitalized institutions.* Applications for a merger transaction by applicants subject to section 38 of the FDI Act (12 U.S.C. 1831o) should also provide the information required by § 303.204. Applications pursuant to sections 38 and 18(c) of the FDI Act (12 U.S.C. 1831o and 1828(c)) may be filed concurrently or as a single application.

(6) *Certification of assumption of deposit liability.* An insured depository institution assuming deposit liabilities of another insured institution must provide certification of assumption of deposit liability to the FDIC in accordance with 12 CFR part 307.

§ 303.63 Filing procedures.

(a) *General.* Applications required under this subpart shall be filed with the appropriate FDIC office. The appropriate forms and instructions may be obtained upon request from any FDIC regional director.

(b) *Merger transactions.* Applications for approval of merger transactions shall be accompanied by copies of all agreements or proposed agreements relating to the merger transaction and any other information requested by the FDIC.

(c) *Interim merger transactions.* Applications for approval of interim merger transactions and any related deposit insurance applications shall be made by filing the forms and other documents required by paragraphs (a) and (b) of this section and such other information as may be required by the FDIC for consideration of the request for deposit insurance.

§ 303.64

(d) *Optional conversions.* If the proposed merger transaction is an optional conversion, the merger application shall include a statement that the proposed merger transaction is a transaction covered by section 5(d)(3) of the FDI Act (12 U.S.C. 1815(d)(3)).

§ 303.64 Processing.

(a) *Expedited processing for eligible depository institutions—(1) General.* An application filed under this subpart by an eligible depository institution as defined in § 303.2(r) and which meets the additional criteria in paragraph (a)(4) of this section will be acknowledged by the FDIC in writing and will receive expedited processing, unless the applicant is notified in writing to the contrary and provided with the basis for that decision. The FDIC may remove an application from expedited processing for any of the reasons set forth in § 303.11(c)(2).

(2) Under expedited processing, the FDIC will take action on an application by the date that is the latest of:

(i) 45 days after the date of the FDIC's receipt of a substantially complete merger application; or

(ii) 10 days after the date of the last notice publication required under § 303.65 of this subpart; or

(iii) 5 days after receipt of the Attorney General's report on the competitive factors involved in the proposed transaction; or

(iv) For an interstate merger transaction subject to the provisions of section 44 of the FDI Act (12 U.S.C. 1831u), 5 days after the FDIC receives confirmation from the host state (as defined in § 303.41(e)) that the applicant has both complied with the filing requirements of the host state and submitted a copy of the FDIC merger application to the host state's bank supervisor.

(3) Notwithstanding paragraph (a)(1) of this section, if the FDIC does not act within the expedited processing period, it does not constitute an automatic or default approval.

(4) *Criteria.* The FDIC will process an application using expedited procedures if:

(i) Immediately following the merger transaction, the resulting institution will be "well-capitalized" pursuant to

12 CFR Ch. III (1–1–03 Edition)

subpart B of part 325 of this chapter (12 CFR part 325); and

(ii)(A) All parties to the merger transaction are eligible depository institutions as defined in § 303.2(r); or

(B) The acquiring party is an eligible depository institution as defined in § 303.2(r) and the amount of the total assets to be transferred does not exceed an amount equal to 10 percent of the acquiring institution's total assets as reported in its report of condition for the quarter immediately preceding the filing of the merger application.

(b) *Standard processing.* For those applications not processed pursuant to the expedited procedures, the FDIC will provide the applicant with written notification of the final action taken by the FDIC on the application when the decision is rendered.

§ 303.65 Public notice requirements.

(a) *General.* Except as provided in paragraph (b) of this section, an applicant for approval of a merger transaction must publish notice of the proposed transaction on at least three occasions at approximately equal intervals in a newspaper of general circulation in the community or communities where the main offices of the merging institutions are located or, if there is no such newspaper in the community, then in the newspaper of general circulation published nearest thereto.

(1) *First publication.* The first publication of the notice should be as close as practicable to the date on which the application is filed with the FDIC, but no more than 5 days prior to the filing date.

(2) *Last publication.* The last publication of the notice shall be on the 25th day after the first publication or, if the newspaper does not publish on the 25th day, on the newspaper's publication date that is closest to the 25th day.

(b) *Exceptions—(1) Emergency requiring expeditious action.* If the FDIC determines that an emergency exists requiring expeditious action, notice shall be published twice. The first notice shall be published as soon as possible after the FDIC notifies the applicant of such determination. The second notice shall be published on the 7th day after the first publication or, if the newspaper does not publish on the 7th day, on the

newspaper's publication date that is closest to the 7th day.

(2) *Probable failure.* If the FDIC determines that it must act immediately to prevent the probable failure of one of the institutions involved in a proposed merger transaction, publication is not required.

(c) *Content of notice*—(1) *General.* The notice shall conform to the public notice requirements set forth in §303.7.

(2) *Branches.* If it is contemplated that the resulting institution will operate offices of the other institution(s) as branches, the following statement shall be included in the notice required in §303.7(b):

It is contemplated that all offices of the above-named institutions will continue to be operated (with the exception of [insert identity and location of each office that will not be operated]).

(3) *Emergency requiring expeditious action.* If the FDIC determines that an emergency exists requiring expeditious action, the notice shall specify as the closing date of the public comment period the date that is the 10th day after the date of the first publication.

(d) *Public comments.* Comments must be received by the appropriate FDIC office within 30 days after the first publication of the notice, unless the comment period has been extended or reopened in accordance with §303.9(b)(2). If the FDIC has determined that an emergency exists requiring expeditious action, comments must be received by the appropriate FDIC office within 10 days after the first publication.

§§ 303.66—303.79 [Reserved]

Subpart E—Change in Bank Control

§ 303.80 Scope.

This subpart sets forth the procedures for submitting a notice to acquire control of an insured state nonmember bank pursuant to the Change in Bank Control Act of 1978, section 7(j) of the FDI Act (12 U.S.C. 1817(j)).

§ 303.81 Definitions.

For purposes of this subpart:

(a) *Acquisition* means a purchase, assignment, transfer, pledge or other dis-

position of voting shares, or an increase in percentage ownership of an insured state nonmember bank resulting from a redemption of voting shares.

(b) *Acting in concert* means knowing participation in a joint activity or parallel action towards a common goal of acquiring control of an insured state nonmember bank, whether or not pursuant to an express agreement.

(c) *Control* means the power, directly or indirectly, to direct the management or policies of an insured bank or to vote 25 percent or more of any class of voting shares of an insured bank.

(d) *Person* means an individual, corporation, partnership, trust, association, joint venture, pool, syndicate, sole proprietorship, unincorporated organization, and any other form of entity; and a voting trust, voting agreement, and any group of persons acting in concert.

§ 303.82 Transactions requiring prior notice.

(a) *Prior notice requirement.* Any person acting directly or indirectly, or through or in concert with one or more persons, shall give the FDIC 60 days prior written notice, as specified in §303.84, before acquiring control of an insured state nonmember bank, unless the acquisition is exempt under §303.83.

(b) *Acquisitions requiring prior notice*—(1) *Acquisition of control.* The acquisition of control, unless exempted, requires prior notice to the FDIC.

(2) *Rebuttable presumption of control.* The FDIC presumes that an acquisition of voting shares of an insured state nonmember bank constitutes the acquisition of the power to direct the management or policies of an insured bank requiring prior notice to the FDIC, if, immediately after the transaction, the acquiring person (or persons acting in concert) will own, control, or hold with power to vote 10 percent or more of any class of voting shares of the institution, and if:

(i) The institution has registered shares under section 12 of the Securities Exchange Act of 1934 (15 U.S.C. 781); or

(ii) No other person will own, control or hold the power to vote a greater percentage of that class of voting shares immediately after the transaction. If

two or more persons, not acting in concert, each propose to acquire simultaneously equal percentages of 10 percent or more of a class of voting shares of an insured state nonmember bank, each such person shall file prior notice with the FDIC.

(c) *Acquisitions of loans in default.* The FDIC presumes an acquisition of a loan in default that is secured by voting shares of an insured state nonmember bank to be an acquisition of the underlying shares for purposes of this section.

(d) *Other transactions.* Transactions other than those set forth in paragraph (b)(2) of this section resulting in a person's control of less than 25 percent of a class of voting shares of an insured state nonmember bank are not deemed by the FDIC to constitute control for purposes of the Change in Bank Control Act (12 U.S.C. 1817j).

(e) *Rebuttal of presumptions.* Prior notice to the FDIC is not required for any acquisition of voting shares under the presumption of control set forth in this section, if the FDIC finds that the acquisition will not result in control. The FDIC will afford any person seeking to rebut a presumption in this section an opportunity to present views in writing or, if appropriate, orally before its designated representatives at an informal meeting.

§ 303.83 Transactions not requiring prior notice.

(a) *Exempt transactions.* The following transactions do not require notice to the FDIC under this subpart:

(1) The acquisition of additional voting shares of an insured state nonmember bank by a person who:

(i) Held the power to vote 25 percent or more of any class of voting shares of that institution continuously since March 9, 1979, or since that institution commenced business, whichever is later; or

(ii) Is presumed, under § 303.82(b)(2), to have controlled the institution continuously since March 9, 1979, if the aggregate amount of voting shares held does not exceed 25 percent or more of any class of voting shares of the institution or, in other cases, where the FDIC determines that the person has

controlled the bank continuously since March 9, 1979;

(2) The acquisition of additional shares of a class of voting shares of an insured state nonmember bank by any person (or persons acting in concert) who has lawfully acquired and maintained control of the institution (for purposes of § 303.82) after complying with the procedures of the Change in Bank Control Act to acquire voting shares of the institution under this subpart;

(3) Acquisitions of voting shares subject to approval under section 3 of the Bank Holding Company Act (12 U.S.C. 1842(a)), section 18(c) of the FDI Act (12 U.S.C. 1828(c)), or section 10 of the Home Owners' Loan Act (12 U.S.C. 1467a);

(4) Transactions exempt under the Bank Holding Company Act: foreclosures by institutional lenders, fiduciary acquisitions by banks, and increases of majority holdings by bank holding companies described in sections 2(a)(5), 3(a)(A), or 3(a)(B) respectively of the Bank Holding Company Act (12 U.S.C. 1841(a)(5), 1842(a)(A), and 1842(a)(B));

(5) A customary one-time proxy solicitation;

(6) The receipt of voting shares of an insured state nonmember bank through a pro rata stock dividend; and

(7) The acquisition of voting shares in a foreign bank, which has an insured branch or branches in the United States. (This exemption does not extend to the reports and information required under paragraphs 9, 10, and 12 of the Change in Bank Control Act of 1978 (12 U.S.C. 1817(j) (9), (10), and (12)).

(b) *Prior notice exemption.* (1) The following acquisitions of voting shares of an insured state nonmember bank, which otherwise would require prior notice under this subpart, are not subject to the prior notice requirements if the acquiring person notifies the appropriate FDIC office within 90 calendar days after the acquisition and provides any relevant information requested by the FDIC.

(i) The acquisition of voting shares through inheritance;

(ii) The acquisition of voting shares as a bona fide gift; or

Federal Deposit Insurance Corporation

§ 303.86

(iii) The acquisition of voting shares in satisfaction of a debt previously contracted in good faith, except that the acquirer of a defaulted loan secured by a controlling amount of a state non-member bank's voting securities shall file a notice before the loan is acquired.

(2) The following acquisitions of voting shares of an insured state non-member bank, which otherwise would require prior notice under this subpart, are not subject to the prior notice requirements if the acquiring person notifies the appropriate FDIC office within 90 calendar days after receiving notice of the acquisition and provides any relevant information requested by the FDIC.

(i) A percentage increase in ownership of voting shares resulting from a redemption of voting shares by the issuing bank; or

(ii) The sale of shares by any shareholder that is not within the control of a person resulting in that person becoming the largest shareholder.

(3) Nothing in paragraph (b)(1) of this section limits the authority of the FDIC to disapprove a notice pursuant to §303.85(c).

§ 303.84 Filing procedures.

(a) *Filing notice.* (1) A notice required under this subpart shall be filed with the appropriate FDIC office and shall contain all the information required by paragraph 6 of the Change in Bank Control Act, section 7 (j) of the FDI Act, (12 U.S.C. 1817(j)(6)), or prescribed in the designated interagency form which may be obtained from any FDIC regional director.

(2) The FDIC may waive any of the informational requirements of the notice if the FDIC determines that it is in the public interest.

(3) A notificant shall notify the appropriate FDIC office immediately of any material changes in a notice submitted to the FDIC, including changes in financial or other conditions.

(4) When the acquiring person is an individual, or group of individuals acting in concert, the requirement to provide personal financial data may be satisfied by a current statement of assets and liabilities and an income summary, as required in the designated

interagency form, together with a statement of any material changes since the date of the statement or summary. The FDIC may require additional information if appropriate.

(b) *Other laws.* Nothing in this subpart shall affect any obligation which the acquiring person(s) may have to comply with the federal securities laws or other laws.

§ 303.85 Processing.

(a) *Acceptance of notice.* The 60-day notice period specified in §303.82 shall commence on the date of receipt of a substantially complete notice. The FDIC shall notify the person or persons submitting a notice under this subpart in writing of the date the notice is accepted for processing. The FDIC may request additional information at any time.

(b) *Time period for FDIC action; consummation of acquisition.* (1) The notificant(s) may consummate the proposed acquisition 60 days after submission to the appropriate FDIC office of a substantially complete notice under paragraph (a) of this section, unless within that period the FDIC disapproves the proposed acquisition or extends the 60-day period.

(2) The notificant(s) may consummate the proposed transaction before the expiration of the 60-day period if the FDIC notifies the notificant(s) in writing of its intention not to disapprove the acquisition.

(c) *Disapproval of acquisition of control.* Subpart D of 12 CFR part 308 sets forth the rules of practice and procedure for a notice of disapproval.

§ 303.86 Public notice requirements.

(a) *Publication—(1) Newspaper announcement.* Any person(s) filing a notice under this subpart shall publish an announcement soliciting public comment on the proposed acquisition. The announcement shall be published in a newspaper of general circulation in the community in which the home office of the state nonmember bank to be acquired is located. The announcement shall be published as close as is practicable to the date the notice is filed with the appropriate FDIC office, but in no event more than 10 calendar days before or after the filing date.

(2) *Contents of newspaper announcement.* The newspaper announcement shall conform to the public notice requirements set forth in § 303.7.

(b) *Delay of publication.* The FDIC may permit delay in the publication required by this section if the FDIC determines, for good cause, that it is in the public interest to grant such a delay. Requests for delay of publication may be submitted to the appropriate FDIC office.

(c) *Shortening or waiving notice.* The FDIC may shorten the public comment period to a period of not less than 10 days, or waive the public comment or newspaper publication requirements of this paragraph, or act on a notice before the expiration of a public comment period, if it determines in writing either that an emergency exists or that disclosure of the notice, solicitation of public comment, or delay until expiration of the public comment period would seriously threaten the safety or soundness of the bank to be acquired.

(d) *Consideration of public comments.* In acting upon a notice filed under this subpart, the FDIC shall consider all public comments received in writing within 20 days following the required newspaper publication or, if the FDIC has shortened the public comment period pursuant to paragraph (c) of this section, within such shorter period.

(e) *Publication if filing is subsequent to acquisition of control.* (1) Whenever a notice of a proposed acquisition of control is not filed in accordance with the Change in Bank Control Act and these regulations, the acquiring person(s) shall, within 10 days of being so directed by the FDIC, publish an announcement of the acquisition of control in a newspaper of general circulation in the community in which the home office of the state nonmember bank to be acquired is located.

(2) The newspaper announcement shall contain the name(s) of the acquiror(s), the name of the depository institution involved, and the date of the acquisition of the stock. The announcement shall also contain a statement indicating that the FDIC is currently reviewing the acquisition of control. The announcement also shall state that any person wishing to comment on the change in control may do

so by submitting written comments to the appropriate regional director of the FDIC (give address of appropriate FDIC office) within 20 days following the required newspaper publication.

§ 303.101 Definitions.

(b) *Insured branches of foreign banks.* In the case of the addition of a member of the board of directors or a change in senior executive officer in a foreign bank having an insured state branch, the notice requirement shall not apply to such additions and changes in the foreign bank parent, but only to changes in senior executive officers in the state branch.

(c) *Waiver of prior notice*—(1) *Waiver requests.* The FDIC may permit an individual, upon petition by the bank to the appropriate FDIC office, to serve as a senior executive officer or director before filing the notice required under this subpart if the FDIC finds that:

(i) Delay would threaten the safety or soundness of the bank;

(ii) Delay would not be in the public interest; or

(iii) Other extraordinary circumstances exist that justify waiver of prior notice.

(2) *Automatic waiver.* In the case of the election of a new director not proposed by management at a meeting of the shareholders of an insured state nonmember bank, the prior 30-day notice is automatically waived and the individual immediately may begin serving, provided that a complete notice is filed with the appropriate FDIC office within two business days after the individual's election.

(3) *Effect on disapproval authority.* A waiver shall not affect the authority of the FDIC to disapprove a notice within 30 days after a waiver is granted under paragraph (c)(1) of this section or the election of an individual who has filed a notice and is serving pursuant to an automatic waiver under paragraph (c)(2) of this section.

(d)(1) *Content of filing.* The notice required by paragraph (a) of this section shall be filed with the appropriate FDIC office and shall contain information pertaining to the competence, experience, character, or integrity of the individual with respect to whom the notice is submitted, as prescribed in the designated interagency form which is available from any FDIC regional director. (b) *Commencement of service—(1) At expiration of period.* A proposed director or senior executive officer may begin service after the end of the 30-day period or any other additional period as provided under paragraph (a) of this section, unless the FDIC disapproves the notice before the end of the period.

(2) *Prior to expiration of period.* A proposed director or senior executive officer may begin service before the end of the 30-day period or any additional time period as provided under paragraph (a) of this section, if the FDIC notifies the bank and the individual in writing of the FDIC's intention not to disapprove the notice.

(c) *Notice of disapproval.* The FDIC may disapprove a notice filed under § 303.102 if the FDIC finds that the competence, experience, character, or integrity of the individual with respect to whom the notice is submitted indicates that it would not be in the best interests of the depositors of the bank or in the best interests of the public to permit the individual to be employed by, or associated with, the bank. Subpart L of 12 CFR part 308 sets forth the rules of practice and procedure for a notice of disapproval.

(2) For any other good cause shown.

(b) *Content of filing.* In making a request for waiver under paragraph (a) of this section, the institution shall demonstrate that the requested waiver, if granted, would not result in any effects that would be detrimental to the safety and soundness of the institution, entail a breach of fiduciary duty on part of the institution's management or otherwise be detrimental or inequitable to the institution, its depositors, any other insured depository institution(s), the federal deposit insurance funds, or to the public interest.

§ 303.163 Processing.

(a) *General considerations.* The FDIC shall review the notice and other materials submitted by the institution proposing to convert from mutual to stock form, specifically considering the following factors:

(1) The proposed use of the proceeds from the sale of stock, as set forth in the business plan;

(5) Any proposed increased compensation and other remuneration (including stock grants, stock option rights and other similar benefits) to be granted to officers and directors/trustees of the bank in connection with the conversion;

(6) The adequacy and independence of the appraisal of the value of the mutual savings bank for purposes of determining the price of the shares of stock to be sold;

(7) The process by which the bank's trustees approved the appraisal, the pricing of the stock, and the proposed compensation arrangements for insiders;

(8) The nature and apportionment of stock subscription rights; and

(9) The bank's plans to fulfill its commitment to serving the convenience and needs of its community.

(b) *Additional considerations.* (1) In reviewing the notice and other materials submitted under this subpart, the FDIC will take into account the extent to which the proposed conversion transaction conforms with the various provisions of the mutual-to-stock conversion regulations of the Office of Thrift Supervision (OTS) (12 CFR part 563b), as currently in effect at the time the notice is submitted. Any non-conformity with those provisions will be closely reviewed.

(2) Conformity with the OTS requirements will not be sufficient for FDIC regulatory purposes if the FDIC determines that the proposed conversion transaction would pose a risk to the bank's safety or soundness, violate any

law or regulation, or present a breach of fiduciary duty.

(c) *Notice period.* (1) The period in which the FDIC may object to the proposed conversion transaction shall be the later of:

(i) 60 days after receipt of a substantially complete notice of proposed conversion; or

(ii) 20 days after the last applicable state or other federal regulator has approved the proposed conversion.

(2) The FDIC may, in its discretion, extend the initial 60-day period for up to an additional 60 days by providing written notice to the institution.

(d) *Letter of non-objection.* If the FDIC determines, in its discretion, that the proposed conversion transaction would not pose a risk to the institution's safety or soundness, violate any law or regulation, or present a breach of fiduciary duty, then the FDIC shall issue to the institution proposing to convert a letter of non-objection to the proposed conversion.

(e) *Letter of objection.* If the FDIC determines, in its discretion, that the proposed conversion transaction poses a risk to the institution's safety or soundness, violates any law or regulation, or presents a breach of fiduciary duty, then the FDIC shall issue a letter to the institution stating its objection(s) to the proposed conversion and advising the institution not to consummate the proposed conversion until such letter is rescinded. A copy of the letter of objection shall be furnished to the institution's primary state regulator and any other state or federal banking regulator and state or federal securities regulator involved in the conversion.

(f) *Consummation of the conversion.* (1) An institution may consummate the proposed conversion upon either:

(i) The receipt of a letter of non-objection; or

(ii) The expiration of the notice period.

(2) If a letter of objection is issued, then the institution shall not consummate the proposed conversion until the FDIC rescinds such letter.

§§ 303.188–303.199 [Reserved]

Subpart K—Prompt Corrective Action

§ 303.200 Scope.

(a) *General.* (1) This subpart covers applications filed pursuant to section 38 of the FDI Act (12 U.S.C. 1831o), which requires insured depository institutions that are not adequately capitalized to receive approval prior to engaging in certain activities. Section 38 restricts or prohibits certain activities and requires an insured depository institution to submit a capital restoration plan when it becomes undercapitalized. The restrictions and prohibitions become more severe as an institution's capital level declines.

(2) Definitions of the capital categories referenced in this Prompt Corrective Action subpart may be found in subpart B of part 325 of this chapter,

§325.103(b) for state nonmember banks and §325.103(c) for insured branches of foreign banks.

(b) *Institutions covered.* Restrictions and prohibitions contained in subpart B of part 325 of this chapter apply primarily to insured state nonmember banks and insured branches of foreign banks, as well as to directors and senior executive officers of those institutions. Portions of subpart B of part 325 of this chapter also apply to all insured depository institutions that are deemed to be critically undercapitalized.

§ 303.201 Filing procedures.

Applications shall be filed with the appropriate FDIC office. The application shall contain the information specified in each respective section of this subpart, and shall be in letter form as prescribed in §303.3. Additional information may be requested by the FDIC. Such letter shall be signed by the president, senior officer or a duly authorized agent of the insured depository institution and be accompanied by a certified copy of a resolution adopted by the institution's board of directors or trustees authorizing the application.

§ 303.202 Processing.

The FDIC will provide the applicant with a subsequent written notification of the final action taken as soon as the decision is rendered.

§ 303.203 Applications for capital distributions.

(a) *Scope.* An insured state nonmember bank and any insured branch of a foreign bank shall submit an application for capital distribution if, after having made a capital distribution, the institution would be undercapitalized, significantly undercapitalized, or critically undercapitalized.

(b) *Content of filing.* An application to repurchase, redeem, retire or otherwise acquire shares or ownership interests of the insured depository institution shall describe the proposal, the shares or obligations which are the subject thereof, and the additional shares or obligations of the institution which will be issued in at least an amount equivalent to the distribution. The application also shall explain how the

proposal will reduce the institution's financial obligations or otherwise improve its financial condition. If the proposed action also requires an application under section 18(i) of the FDI Act (12 U.S.C. 1828(i)) as implemented by §303.241 of this part regarding prior consent to retire capital, such application should be filed concurrently with, or made a part of, the application filed pursuant to section 38 of the FDI Act (12 U.S.C. 1831o).

§ 303.204 Applications for acquisitions, branching, and new lines of business.

(a) *Scope.* (1) Any insured state non-member bank and any insured branch of a foreign bank which is undercapitalized or significantly undercapitalized, and any insured depository institution which is critically undercapitalized, shall submit an application to engage in acquisitions, branching or new lines of business.

(2) A new line of business will include any new activity exercised which, although it may be permissible, has not been exercised by the institution.

(b) *Content of filing.* Applications shall describe the proposal, state the date the institution's capital restoration plan was accepted by its primary federal regulator, describe the institution's status in implementing the plan, and explain how the proposed action is consistent with and will further the achievement of the plan or otherwise further the purposes of section 38 of the FDI Act. If the FDIC is not the applicant's primary federal regulator, the application also should state whether approval has been requested from the applicant's primary federal regulator, the date of such request and the disposition of the request, if any. If the proposed action also requires applications pursuant to section 18 (c) or (d) of the FDI Act (mergers and branches) (12 U.S.C. 1828 (c) or (d)), such applications should be filed concurrently with, or made a part of, the application filed pursuant to section 38 of the FDI Act (12 U.S.C. 1831o).

§ 303.205 Applications for bonuses and increased compensation for senior executive officers.

(a) *Scope.* Any insured state non-member bank or insured branch of a foreign bank that is significantly or critically undercapitalized, or any insured state nonmember bank or any insured branch of a foreign bank that is undercapitalized and which has failed to submit or implement in any material respect an acceptable capital restoration plan, shall submit an application to pay a bonus or increase compensation for any senior executive officer.

(b) *Content of filing.* Applications shall list each proposed bonus or increase in compensation, and for the latter shall identify compensation for each of the twelve calendar months preceding the calendar month in which the institution became undercapitalized. Applications also shall state the date the institution's capital restoration plan was accepted by the FDIC, and describe any progress made in implementing the plan.

§ 303.206 Application for payment of principal or interest on subordinated debt.

(a) *Scope.* Any critically undercapitalized insured depository institution shall submit an application to pay principal or interest on subordinated debt.

(b) *Content of filing.* Applications shall describe the proposed payment and provide an explanation of action taken under section 38(h)(3)(A)(ii) of the FDI Act (action other than receivership or conservatorship). The application also shall explain how such payments would further the purposes of section 38 of the FDI Act (12 U.S.C. 1831o). Existing approvals pursuant to requests filed under section 18(i)(1) of the FDI Act (12 U.S.C. 1828(i)(1)) (capital stock reductions or retirements) shall not be deemed to be the permission needed pursuant to section 38.

§ 303.207

§ 303.207 Restricted activities for critically undercapitalized institutions.

(a) *Scope.* Any critically undercapitalized insured depository institution shall submit an application to engage in certain restricted activities.

(b) *Content of filing.* Applications to engage in any of the following activities, as set forth in sections 38(i)(2) (A) through (G) of the FDI Act, shall describe the proposed activity and explain how the activity would further the purposes of section 38 of the FDI Act (12 U.S.C. 1831*o*):

(1) Enter into any material transaction other than in the usual course of business including any action with respect to which the institution is required to provide notice to the appropriate federal banking agency. Materiality will be determined on a case-by-case basis;

(2) Extend credit for any highly leveraged transaction (as defined in part 325 of this chapter);

(3) Amend the institution's charter or bylaws, except to the extent necessary to carry out any other requirement of any law, regulation, or order;

(4) Make any material change in accounting methods;

(5) Engage in any covered transaction (as defined in section 23A(b) of the Federal Reserve Act (12 U.S.C. 371c(b)));

(6) Pay excessive compensation or bonuses. Part 364 of this chapter provides guidance for determining excessive compensation; or

(7) Pay interest on new or renewed liabilities at a rate that would increase the institution's weighted average cost of funds to a level significantly exceeding the prevailing rates of interest on insured deposits in the institution's normal market area. Section 337.6 of this chapter (Brokered deposits) provides guidance for defining the relevant terms of this provision; however this provision does not supersede the general prohibitions contained in §337.6.

Applications pursuant to sections 38 and 18(i) may be filed concurrently, or as a single application.

(f) *Expedited processing for eligible depository institutions.* An application filed under this section by an eligible depository institution as defined in § 303.2(r) will be acknowledged in writing by the FDIC and will receive expedited processing, unless the applicant is notified in writing to the contrary and provided with the basis for that decision. The FDIC may remove an application from expedited processing for any of the reasons set forth in § 303.11(c)(2). Absent such removal, an application processed under expedited processing will be deemed approved 20 days after the FDIC's receipt of a substantially complete application.

(g) *Standard processing.* For those applications that are not processed pursuant to expedited procedures, the FDIC will provide the applicant with written notification of the final action as soon as the decision is rendered.

§ 303.242 Exercise of trust powers.

(a) *Scope.* Pursuant to section 29 of the FDI Act (12 U.S.C. 1831f) and part 337 of this chapter, an adequately capitalized insured depository institution may not accept, renew or roll over any brokered deposits unless it has obtained a waiver from the FDIC. A well-capitalized insured depository institu-

tion may accept brokered deposits without a waiver, and an undercapitalized insured depository institution may not accept, renew or roll over any brokered deposits under any circumstances. This section contains the procedures to be followed to file with the FDIC for a brokered deposit waiver. The FDIC will provide notice to the depository institution’s appropriate federal banking agency and any state regulatory agency, as appropriate, that a request for a waiver has been filed and will consult with such agency or agencies, prior to taking action on the institution’s request for a waiver. Prior notice and/or consultation shall not be required in any particular case if the FDIC determines that the circumstances require it to take action without giving such notice and opportunity for consultation.

(d) *Additional information.* The FDIC may request additional information at any time during processing of the application.

(e) *Expedited processing for eligible depository institutions.* An application filed under this section by an eligible depository institution as defined in this paragraph will be acknowledged in writing by the FDIC and will receive expedited processing, unless the applicant is notified in writing to the contrary and provided with the basis for that decision. For the purpose of this section, an applicant will be deemed an eligible depository institution if it satisfies all of the criteria contained in §303.2(r) except that the applicant may be adequately capitalized rather than well-capitalized. The FDIC may remove an application from expedited processing for any of the reasons set forth in §303.11(c)(2). Absent such removal, an application processed under expedited procedures will be deemed approved 21 days after the FDIC's receipt of a substantially complete application.

This section contains the procedures to file for the FDIC's con-

sent when such consent is necessary under part 359 of this chapter.

(1) *Golden parachute payments.* A troubled insured depository institution or a troubled depository institution holding company is prohibited from making golden parachute payments (as defined in §359.1(f)(1) of this chapter) unless it obtains the consent of the appropriate federal banking agency and the written concurrence of the FDIC. Therefore, in the case of golden parachute payments, the procedures in this section apply to all troubled insured depository institutions and troubled depository institution holding companies.

(2) *Excess nondiscriminatory severance plan payments.* In the case of excess nondiscriminatory severance plan payments as provided by §359.1(f)(2)(v) of this chapter, the FDIC's consent is necessary for state nonmember banks that meet the criteria set forth in §359.1(f)(1)(ii) of this chapter. § 303.245 Waiver of liability for commonly controlled depository institutions.

(a) *Scope.* Section 5(e) of the FDI Act (12 U.S.C. 1815(e)) creates liability for commonly controlled insured depository institutions for losses incurred or anticipated to be incurred by the FDIC in connection with the default of a commonly controlled insured depository institution or any assistance provided by the FDIC to any commonly controlled insured depository institution in danger of default. In addition to certain statutory exceptions and exclusions contained in sections 5(e)(6), (7) and (8), the FDI Act also permits the FDIC, in its discretion, to exempt any insured depository institution from this liability if it determines that such exemption is in the best interests of the Bank Insurance Fund (BIF) or the Savings Association Insurance Fund (SAIF). This section describes procedures to request a conditional waiver of liability pursuant to section 5 of the FDI Act (12 U.S.C. 1815(e)(5)(A)).

(b) *Definition.* Conditional waiver of liability means an exemption from liability pursuant to section 5(e) of the FDI Act (12 U.S.C. 1815(e)) subject to terms and conditions.

(c) *Where to file.* Applicants shall submit a letter application to the appropriate FDIC office.

(d) *Content of filing.* The application shall contain the following information:

- (3) Current, and if applicable, pro forma financial information regarding the applicant and potentially liable institution(s); and
- (4) The benefits to the appropriate FDIC insurance fund resulting from the waiver and any related events.

(e) *Additional information.* The FDIC may request additional information at any time during the processing of the filing.

(f) *Processing.* The FDIC will provide the applicant with written notification of the final action as soon as the decision is rendered.

(g) *Failure to comply with terms of conditional waiver.* In the event a conditional waiver of liability is issued, failure to comply with the terms specified therein may result in the termination of the conditional waiver of liability. The FDIC reserves the right to revoke the conditional waiver of liability after giving the applicant written notice of such revocation and a reasonable opportunity to be heard on the matter pursuant to § 303.10.

§ 303.246 Insurance fund conversions.

304.3 Reports.

AUTHORITY: 5 U.S.C. 552; 12 U.S.C. 1817, 1831, 1867.

SOURCE: 67 FR 18793, Apr. 17, 2002, unless otherwise noted.

§ 304.1 Purpose.

Part 304 informs the public where it may obtain forms and instructions for reports, applications, and other submittals used by the FDIC, and also describes certain forms that are not described elsewhere in FDIC regulations.

§ 304.2 Where to obtain forms and instructions.

Forms and instructions used in connection with applications, reports, and other submittals used by the FDIC can be obtained by contacting the FDIC Public Information Center (801 17th Street, NW., Washington, DC 20434; telephone: 800-276-6003 or 202-416-6940), except as noted below in § 304.3. In addition, many forms and instructions can be obtained from FDIC regional offices. A list of FDIC regional offices can be obtained from the FDIC Public Information Center or found at the FDIC's web site at <http://www.fdic.gov>, or in the directory of FDIC Law, Regulations and Related Acts published by the FDIC.

§ 304.3 Reports.

(a) Consolidated Reports of Condition and Income, Forms FFIEC 031 and 041. Pursuant to section 7(a) of the Federal Deposit Insurance Act (12 U.S.C. 1817(a)), every national bank, state member bank, and insured state non-member bank is required to file Consolidated Reports of Condition and Income (also known as the Call Report) in accordance with the instructions for these reports. All assets and liabilities, including contingent assets and liabilities, must be reported in, or otherwise taken into account in the preparation of, the Call Report. The FDIC uses Call

Report data to calculate deposit insurance assessments and monitor the condition, performance, and risk profile of individual banks and the banking industry. Reporting banks must also submit annually such information on small business and small farm lending as the FDIC may need to assess the availability of credit to these sectors of the economy. The report forms and instructions can be obtained from the Division of Supervision and Consumer Protection (DSC), FDIC, Washington, DC 20429.

(Approved by the Office of Management and Budget under control number 3064-0052)

(b) Report of Assets and Liabilities of U.S. Branches and Agencies of Foreign Banks, Form FFIEC 002. Pursuant to section 7(a) of the Federal Deposit Insurance Act (12 U.S.C. 1817(a)), every insured U.S. branch of a foreign bank is required to file a Report of Assets and Liabilities of U.S. Branches and Agencies of Foreign Banks in accordance with the instructions for the report. All assets and liabilities, including contingent assets and liabilities, must be reported in, or otherwise taken into account in the preparation of the report. The FDIC uses the reported data to calculate deposit insurance assessments and monitor the condition, performance, and risk profile of individual insured branches and the banking industry. Insured branches must also submit annually such information on small business and small farm lending as the FDIC may need to assess the availability of credit to these sectors of the economy. Because the Board of Governors of the Federal Reserve System collects and processes this report on behalf of the FDIC, the report forms and instructions can be obtained from Federal Reserve District Banks or through the web site of the Federal Financial Institutions Examination Council,

<http://www.ffiec.gov/>.

(Approved by the Office of Management and Budget under control number 7100-0032)

(c) Summary of Deposits, Form FDIC 8020/05. Form 8020/05 is a report on the amount of deposits for each authorized

office of an insured bank with branches; unit banks do not report. Reports as of June 30 of each year must be submitted no later than the immediately succeeding July 31. The report forms and the instructions for completing the reports will be furnished to all such banks by, or may be obtained upon request from, the Division of Supervision and Consumer Protection (DSC), FDIC, 550 17th Street, NW., Washington, DC 20429.

(Approved by the Office of Management and Budget under control number 3064–0061)

(d) Notification of Performance of Bank Services, Form FDIC 6120/06. Pursuant to Section 7 of the Bank Service Company Act (12 U.S.C. 1867), as amended, FDIC supervised banks must notify the agency about the existence of a service relationship within thirty days after the making of the contract or the performance of the service, whichever occurs first. Form FDIC 6120/06 may be used to satisfy the notice requirement. The form contains identification, location and contact information for the bank, the servicer, and a description of the services provided. In lieu of the form, notification may be provided by letter. Either the form or the letter containing the notice information must be submitted to the regional director— Division of Supervision and Consumer Protection (DSC) of the region in which the bank's main office is located.

A party who acts as his or her own counsel shall sign his or her individual name and state his or her address and telephone number on every filing or submission of record.

(b) *Effect of signature.* (1) The signature of counsel or a party shall constitute a certification that: The counsel or party has read the filing or submission of record; to the best of his or her knowledge, information, and belief formed after reasonable inquiry, the filing or submission of record is well-grounded in fact and is warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law; and the filing or

submission of record is not made for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation.

(2) If a filing or submission of record is not signed, the administrative law judge shall strike the filing or submission of record, unless it is signed promptly after the omission is called to the attention of the pleader or movant.

(c) *Effect of making oral motion or argument.* The act of making any oral motion or oral argument by any counsel or party constitutes a certification that to the best of his or her knowledge, information, and belief formed after reasonable inquiry, his or her statements are well-grounded in fact and are warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law, and are not made for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation.

§ 308.8 Conflicts of interest.

(a) *Conflict of interest in representation.* No person shall appear as counsel for another person in an adjudicatory proceeding if it reasonably appears that such representation may be materially limited by that counsel's responsibilities to a third person or by the counsel's own interests. The administrative law judge may take corrective measures at any stage of a proceeding to cure a conflict of interest in representation, including the issuance of an order limiting the scope of representation or disqualifying an individual from appearing in a representative capacity for the duration of the proceeding.

(b) *Certification and waiver.* If any person appearing as counsel represents two or more parties to an adjudicatory proceeding or also represents a non-party on a matter relevant to an issue in the proceeding, counsel must certify in writing at the time of filing the notice of appearance required by § 308.6(a):

(1) That the counsel has personally and fully discussed the possibility of conflicts of interest with each such party and non-party; and

(2) That each such party and non-party waives any right it might otherwise have had to assert any known conflicts of interest or to assert any non-material conflicts of interest during the course of the proceeding.

§ 308.9 Ex parte communications.

(a) *Definition*—(1) *Ex parte communication* means any material oral or written communication relevant to the merits of an adjudicatory proceeding that was neither on the record nor on reasonable prior notice to all parties that takes place between:

(i) An interested person outside the FDIC (including such person's counsel); and

(ii) The administrative law judge handling that proceeding, the Board of Directors, or a decisional employee.

(2) *Exception.* A request for status of the proceeding does not constitute an ex parte communication.

(b) *Prohibition of ex parte communications.* From the time the notice is issued by the FDIC until the date that the Board of Directors issues its final decision pursuant to § 308.40(c):

(1) No interested person outside the FDIC shall make or knowingly cause to be made an ex parte communication to any member of the Board of Directors, the administrative law judge, or a decisional employee; and

(2) No member of the Board of Directors, no administrative law judge, or decisional employee shall make or knowingly cause to be made to any interested person outside the FDIC any ex parte communication.

(c) *Procedure upon occurrence of ex parte communication.* If an ex parte communication is received by the administrative law judge, any member of the Board of Directors or other person identified in paragraph (a) of this section, that person shall cause all such written communications (or, if the communication is oral, a memorandum stating the substance of the communication) to be placed on the record of the proceeding and served on all parties. All other parties to the proceeding shall have an opportunity, within ten days of receipt of service of the ex parte communication, to file responses

§ 308.10

thereto and to recommend any sanctions that they believe to be appropriate under the circumstances. The administrative law judge or the Board of Directors shall then determine whether any action should be taken concerning the ex parte communication in accordance with paragraph (d) of this section.

(d) *Sanctions.* Any party or his or her counsel who makes a prohibited ex parte communication, or who encourages or solicits another to make any such communication, may be subject to any appropriate sanction or sanctions imposed by the Board of Directors or the administrative law judge including, but not limited to, exclusion from the proceedings and an adverse ruling on the issue which is the subject of the prohibited communication.

(e) *Separation of functions.* Except to the extent required for the disposition of ex parte matters as authorized by law, the administrative law judge may not consult a person or party on any matter relevant to the merits of the adjudication, unless on notice and opportunity for all parties to participate. An employee or agent engaged in the performance of investigative or prosecuting functions for the FDIC in a case may not, in that or a factually related case, participate or advise in the decision, recommended decision, or agency review of the recommended decision under § 308.40 except as witness or counsel in public proceedings.

(b) *Manner of filing.* Unless otherwise specified by the Board of Directors or the administrative law judge, filing may be accomplished by:

(3) *Caption.* All papers filed must include at the head thereof, or on a title page, the name of the FDIC and of the filing party, the title and docket number of the proceeding, and the subject of the particular paper.

(4) *Number of copies.* Unless otherwise specified by the Board of Directors, or the administrative law judge, an original and one copy of all documents and papers shall be filed, except that only one copy of transcripts of testimony and exhibits shall be filed.

(2) If a party has not appeared in the proceeding in accordance with §308.6, the Board of Directors or the administrative law judge shall make service by any of the following methods:

(i) By personal service;

(ii) If the person to be served is an individual, by delivery to a person of suitable age and discretion at the physical location where the individual resides or works;

(iii) If the person to be served is a corporation or other association, by delivery to an officer, managing or general agent, or to any other agent authorized by appointment or by law to receive service and, if the agent is one authorized by statute to receive service and the statute so requires, by also mailing a copy to the party;

(iv) By registered or certified mail addressed to the party's last known address; or

(v) By any other method reasonably calculated to give actual notice.

(d) *Subpoenas.* Service of a subpoena may be made:

(1) By personal service;

(2) If the person to be served is an individual, by delivery to a person of suitable age and discretion at the physical location where the individual resides or works;

(3) By delivery to an agent which, in the case of a corporation or other association, is delivery to an officer, managing or general agent, or to any other agent authorized by appointment or by law to receive service and, if the agent is one authorized by statute to receive service and the statute so requires, by also mailing a copy to the party;

(4) By registered or certified mail addressed to the person's last known address; or

(5) In such other manner as is reasonably calculated to give actual notice.

(e) *Area of service.* Service in any state, territory, possession of the United States, or the District of Columbia, on any person or company doing business in any state, territory, possession of the United States, or the District of Columbia, or on any person as otherwise provided by law, is effective without regard to the place where the hearing is held, provided that if service is made on a foreign bank in connection with an action or proceeding involving one or more of its branches or agencies located in any state, territory, possession of the United States, or the District of Columbia, service shall be made on at least one branch or agency so involved.

[56 FR 37975, Aug. 9, 1991, as amended at 61 FR 20347, May 6, 1996]

§ 308.12 Construction of time limits.

(a) *General rule.* In computing any period of time prescribed by this subpart, the date of the act or event that commences the designated period of time is not included. The last day so computed is included unless it is a Saturday, Sunday, or Federal holiday. When the last day is a Saturday, Sunday, or Federal holiday, the period runs until the end of the next day that is not a Saturday, Sunday, or Federal holiday. Intermediate Saturdays, Sundays, and Federal holidays are included in the computation of time. However, when the time period within which an act is to be performed is ten days or less, not including any additional time allowed for in paragraph (c) of this section, intermediate Saturdays, Sundays, and Federal holidays are not included.

(b) *When papers are deemed to be filed or served.* (1) Filing and service are deemed to be effective:

(i) In the case of personal service or same day commercial courier delivery, upon actual service;

(ii) In the case of overnight commercial delivery service, U.S. Express Mail delivery, or first class, registered, or certified mail, upon deposit in or delivery to an appropriate point of collection;

(iii) In the case of transmission by electronic media, as specified by the authority receiving the filing, in the case of filing, and as agreed among the parties, in the case of service.

§ 308.13

(2) The effective filing and service dates specified in paragraph (b) (1) of this section may be modified by the Board of Directors or administrative law judge in the case of filing or by agreement of the parties in the case of service.

(c) *Calculation of time for service and filing of responsive papers.* Whenever a time limit is measured by a prescribed period from the service of any notice or paper, the applicable time limits are calculated as follows:

(1) If service is made by first class, registered, or certified mail, add three calendar days to the prescribed period;

(2) If service is made by express mail or overnight delivery service, add one calendar day to the prescribed period; or

(3) If service is made by electronic media transmission, add one calendar day to the prescribed period, unless otherwise determined by the Board of Directors or the administrative law judge in the case of filing, or by agreement among the parties in the case of service.

[56 FR 37975, Aug. 9, 1991, as amended at 61 FR 20348, May 6, 1996]

§ 308.13 Change of time limits.

Except as otherwise provided by law, the administrative law judge may, for good cause shown, extend the time limits prescribed by the Uniform Rules or by any notice or order issued in the proceedings. After the referral of the case to the Board of Directors pursuant to § 308.38, the Board of Directors may grant extensions of the time limits for good cause shown. Extensions may be granted at the motion of a party or of the Board of Directors after notice and opportunity to respond is afforded all non-moving parties, or on the administrative law judge's own motion.

§ 308.14 Witness fees and expenses.

Witnesses subpoenaed for testimony or depositions shall be paid the same fees for attendance and mileage as are paid in the United States district courts in proceedings in which the United States is a party, provided that, in the case of a discovery subpoena addressed to a party, no witness fees or mileage need be paid. Fees for witnesses shall be tendered in advance by

12 CFR Ch. III (1-1-03 Edition)

the party requesting the subpoena, except that fees and mileage need not be tendered in advance where the FDIC is the party requesting the subpoena. The FDIC shall not be required to pay any fees to, or expenses of, any witness not subpoenaed by the FDIC.

§ 308.15 Opportunity for informal settlement.

Any respondent may, at any time in the proceeding, unilaterally submit to Enforcement Counsel written offers or proposals for settlement of a proceeding, without prejudice to the rights of any of the parties. No such offer or proposal shall be made to any FDIC representative other than Enforcement Counsel. Submission of a written settlement offer does not provide a basis for adjourning or otherwise delaying all or any portion of a proceeding under this part. No settlement offer or proposal, or any subsequent negotiation or resolution, is admissible as evidence in any proceeding.

§ 308.16 FDIC's right to conduct examination.

Nothing contained in this subpart limits in any manner the right of the FDIC to conduct any examination, inspection, or visitation of any institution or institution-affiliated party, or the right of the FDIC to conduct or continue any form of investigation authorized by law.

§ 308.17 Collateral attacks on adjudicatory proceeding.

If an interlocutory appeal or collateral attack is brought in any court concerning all or any part of an adjudicatory proceeding, the challenged adjudicatory proceeding shall continue without regard to the pendency of that court proceeding. No default or other failure to act as directed in the adjudicatory proceeding within the times prescribed in this subpart shall be excused based on the pendency before any court of any interlocutory appeal or collateral attack.

§ 308.18 Commencement of proceeding and contents of notice.

(a) *Commencement of proceeding.* (1)(i) Except for change-in-control proceedings under section 7(j)(4) of the

Federal Deposit Insurance Corporation

§ 308.20

FDIA (12 U.S.C. 1817(j)(4)), a proceeding governed by this subpart is commenced by issuance of a notice by the FDIC.

(ii) The notice must be served by the Executive Secretary upon the respondent and given to any other appropriate financial institution supervisory authority where required by law.

(iii) The notice must be filed with the OFIA.

(2) Change-in-control proceedings under section 7(j)(4) of the FDIA (12 U.S.C. 1817(j)(4)) commence with the issuance of an order by the FDIC.

(b) *Contents of notice.* The notice must set forth:

(1) The legal authority for the proceeding and for the FDIC's jurisdiction over the proceeding;

(2) A statement of the matters of fact or law showing that the FDIC is entitled to relief;

(3) A proposed order or prayer for an order granting the requested relief;

(4) The time, place, and nature of the hearing as required by law or regulation;

(5) The time within which to file an answer as required by law or regulation;

(6) The time within which to request a hearing as required by law or regulation; and

(7) That the answer and/or request for a hearing shall be filed with OFIA.

§ 308.19 Answer.

(a) *When.* Within 20 days of service of the notice, respondent shall file an answer as designated in the notice. In a civil money penalty proceeding, respondent shall also file a request for a hearing within 20 days of service of the notice.

(b) *Content of answer.* An answer must specifically respond to each paragraph or allegation of fact contained in the notice and must admit, deny, or state that the party lacks sufficient information to admit or deny each allegation of fact. A statement of lack of information has the effect of a denial. Denials must fairly meet the substance of each allegation of fact denied; general denials are not permitted. When a respondent denies part of an allegation, that part must be denied and the remainder specifically admitted. Any allegation of fact in the notice which is not de-

nied in the answer must be deemed admitted for purposes of the proceeding. A respondent is not required to respond to the portion of a notice that constitutes the prayer for relief or proposed order. The answer must set forth affirmative defenses, if any, asserted by the respondent.

(c) *Default*—(1) *Effect of failure to answer.* Failure of a respondent to file an answer required by this section within the time provided constitutes a waiver of his or her right to appear and contest the allegations in the notice. If no timely answer is filed, Enforcement Counsel may file a motion for entry of an order of default. Upon a finding that no good cause has been shown for the failure to file a timely answer, the administrative law judge shall file with the Board of Directors a recommended decision containing the findings and the relief sought in the notice. Any final order issued by the Board of Directors based upon a respondent's failure to answer is deemed to be an order issued upon consent.

(2) *Effect of failure to request a hearing in civil money penalty proceedings.* If respondent fails to request a hearing as required by law within the time provided, the notice of assessment constitutes a final and unappealable order.

§ 308.20 Amended pleadings.

(a) *Amendments.* The notice or answer may be amended or supplemented at any stage of the proceeding. The respondent must answer an amended notice within the time remaining for the respondent's answer to the original notice, or within ten days after service of the amended notice, whichever period is longer, unless the Board of Directors or administrative law judge orders otherwise for good cause.

(b) *Amendments to conform to the evidence.* When issues not raised in the notice or answer are tried at the hearing by express or implied consent of the parties, they will be treated in all respects as if they had been raised in the notice or answer, and no formal amendments are required. If evidence is objected to at the hearing on the ground that it is not within the issues raised

§ 308.21

by the notice or answer, the administrative law judge may admit the evidence when admission is likely to assist in adjudicating the merits of the action and the objecting party fails to satisfy the administrative law judge that the admission of such evidence would unfairly prejudice that party's action or defense upon the merits. The administrative law judge may grant a continuance to enable the objecting party to meet such evidence.

[61 FR 20348, May 6, 1996]

§ 308.21 Failure to appear.

Failure of a respondent to appear in person at the hearing or by a duly authorized counsel constitutes a waiver of respondent's right to a hearing and is deemed an admission of the facts as alleged and consent to the relief sought in the notice. Without further proceedings or notice to the respondent, the administrative law judge shall file with the Board of Directors a recommended decision containing the findings and the relief sought in the notice.

§ 308.22 Consolidation and severance of actions.

(a) *Consolidation.* (1) On the motion of any party, or on the administrative law judge's own motion, the administrative law judge may consolidate, for some or all purposes, any two or more proceedings, if each such proceeding involves or arises out of the same transaction, occurrence or series of transactions or occurrences, or involves at least one common respondent or a material common question of law or fact, unless such consolidation would cause unreasonable delay or injustice.

(2) In the event of consolidation under paragraph (a)(1) of this section, appropriate adjustment to the pre-hearing schedule must be made to avoid unnecessary expense, inconvenience, or delay.

(b) *Severance.* The administrative law judge may, upon the motion of any party, sever the proceeding for separate resolution of the matter as to any respondent only if the administrative law judge finds that:

(1) Undue prejudice or injustice to the moving party would result from not severing the proceeding; and

12 CFR Ch. III (1-1-03 Edition)

(2) Such undue prejudice or injustice would outweigh the interests of judicial economy and expedition in the complete and final resolution of the proceeding.

§ 308.23 Motions.

(a) *In writing.* (1) Except as otherwise provided herein, an application or request for an order or ruling must be made by written motion.

(2) All written motions must state with particularity the relief sought and must be accompanied by a proposed order.

(3) No oral argument may be held on written motions except as otherwise directed by the administrative law judge. Written memoranda, briefs, affidavits or other relevant material or documents may be filed in support of or in opposition to a motion.

(b) *Oral motions.* A motion may be made orally on the record unless the administrative law judge directs that such motion be reduced to writing.

(c) *Filing of motions.* Motions must be filed with the administrative law judge, except that following the filing of the recommended decision, motions must be filed with the Executive Secretary for disposition by the Board of Directors.

(d) *Responses.* (1) Except as otherwise provided herein, within ten days after service of any written motion, or within such other period of time as may be established by the administrative law judge or the Executive Secretary, any party may file a written response to a motion. The administrative law judge shall not rule on any oral or written motion before each party has had an opportunity to file a response.

(2) The failure of a party to oppose a written motion or an oral motion made on the record is deemed a consent by that party to the entry of an order substantially in the form of the order accompanying the motion.

(e) *Dilatory motions.* Frivolous, dilatory or repetitive motions are prohibited. The filing of such motions may form the basis for sanctions.

(f) *Dispositive motions.* Dispositive motions are governed by §§ 308.29 and 308.30.

§ 308.25

§ 308.24 Scope of document discovery.

(a) *Limits on discovery.* (1) Subject to the limitations set out in paragraphs (b), (c), and (d) of this section, a party to a proceeding under this subpart may obtain document discovery by serving a written request to produce documents. For purposes of a request to produce documents, the term “documents” may be defined to include drawings, graphs, charts, photographs, recordings, data stored in electronic form, and other data compilations from which information can be obtained, or translated, if necessary, by the parties through detection devices into reasonably usable form, as well as written material of all kinds.

(2) Discovery by use of deposition is governed by subpart I of this part.

(3) Discovery by use of interrogatories is not permitted.

(b) *Relevance.* A party may obtain document discovery regarding any matter, not privileged, that has material relevance to the merits of the pending action. Any request to produce documents that calls for irrelevant material, that is unreasonable, oppressive, excessive in scope, unduly burdensome, or repetitive of previous requests, or that seeks to obtain privileged documents will be denied or modified. A request is unreasonable, oppressive, excessive in scope or unduly burdensome if, among other things, it fails to include justifiable limitations on the time period covered and the geographic locations to be searched, the time provided to respond in the request is inadequate, or the request calls for copies of documents to be delivered to the requesting party and fails to include the requestor’s written agreement to pay in advance for the copying, in accordance with § 308.25.

(c) *Privileged matter.* Privileged documents are not discoverable. Privileges include the attorney-client privilege, work-product privilege, any government’s or government agency’s deliberative-process privilege, and any other privileges the Constitution, any applicable act of Congress, or the principles of common law provide.

(d) *Time limits.* All discovery, including all responses to discovery requests, shall be completed at least 20 days prior to the date scheduled for the

commencement of the hearing. No exceptions to this time limit shall be permitted, unless the administrative law judge finds on the record that good cause exists for waiving the requirements of this paragraph.

[56 FR 37975, Aug. 9, 1991, as amended at 61 FR 20348, May 6, 1996]

§ 308.25 Request for document discovery from parties.

(a) *General rule.* Any party may serve on any other party a request to produce for inspection any discoverable documents that are in the possession, custody, or control of the party upon whom the request is served. The request must identify the documents to be produced either by individual item or by category, and must describe each item and category with reasonable particularity. Documents must be produced as they are kept in the usual course of business or must be organized to correspond with the categories in the request.

(b) *Production or copying.* The request must specify a reasonable time, place, and manner for production and performing any related acts. In lieu of inspecting the documents, the requesting party may specify that all or some of the responsive documents be copied and the copies delivered to the requesting party. If copying of fewer than 250 pages is requested, the party to whom the request is addressed shall bear the cost of copying and shipping charges. If a party requests 250 pages or more of copying, the requesting party shall pay for the copying and shipping charges. Copying charges are the current per-page copying rate imposed by 12 CFR part 310 implementing the Freedom of Information Act (5 U.S.C. 552). The party to whom the request is addressed may require payment in advance before producing the documents.

(c) *Obligation to update responses.* A party who has responded to a discovery request with a response that was complete when made is not required to supplement the response to include documents thereafter acquired, unless the responding party learns that:

(1) The response was materially incorrect when made; or

§ 308.26

12 CFR Ch. III (1–1–03 Edition)

(2) The response, though correct when made, is no longer true and a failure to amend the response is, in substance, a knowing concealment.

(d) *Motions to limit discovery.* (1) Any party that objects to a discovery request may, within ten days of being served with such request, file a motion in accordance with the provisions of §308.23 to strike or otherwise limit the request. If an objection is made to only a portion of an item or category in a request, the portion objected to shall be specified. Any objections not made in accordance with this paragraph and §308.23 are waived.

(2) The party who served the request that is the subject of a motion to strike or limit may file a written response within five days of service of the motion. No other party may file a response.

(e) *Privilege.* At the time other documents are produced, the producing party must reasonably identify all documents withheld on the grounds of privilege and must produce a statement of the basis for the assertion of privilege. When similar documents that are protected by deliberative process, attorney-work-product, or attorney-client privilege are voluminous, these documents may be identified by category instead of by individual document. The administrative law judge retains discretion to determine when the identification by category is insufficient.

(f) *Motions to compel production.* (1) If a party withholds any documents as privileged or fails to comply fully with a discovery request, the requesting party may, within ten days of the assertion of privilege or of the time the failure to comply becomes known to the requesting party, file a motion in accordance with the provisions of §308.23 for the issuance of a subpoena compelling production.

(2) The party who asserted the privilege or failed to comply with the request may file a written response to a motion to compel within five days of service of the motion. No other party may file a response.

(g) *Ruling on motions.* After the time for filing responses pursuant to this section has expired, the administrative law judge shall rule promptly on all

motions filed pursuant to this section. If the administrative law judge determines that a discovery request, or any of its terms, calls for irrelevant material, is unreasonable, oppressive, excessive in scope, unduly burdensome, or repetitive of previous requests, or seeks to obtain privileged documents, he or she may deny or modify the request, and may issue appropriate protective orders, upon such conditions as justice may require. The pendency of a motion to strike or limit discovery or to compel production is not a basis for staying or continuing the proceeding, unless otherwise ordered by the administrative law judge. Notwithstanding any other provision in this part, the administrative law judge may not release, or order a party to produce, documents withheld on grounds of privilege if the party has stated to the administrative law judge its intention to file a timely motion for interlocutory review of the administrative law judge's order to produce the documents, and until the motion for interlocutory review has been decided.

(h) *Enforcing discovery subpoenas.* If the administrative law judge issues a subpoena compelling production of documents by a party, the subpoenaing party may, in the event of noncompliance and to the extent authorized by applicable law, apply to any appropriate United States district court for an order requiring compliance with the subpoena. A party's right to seek court enforcement of a subpoena shall not in any manner limit the sanctions that may be imposed by the administrative law judge against a party who fails to produce subpoenaed documents.

[56 FR 37975, Aug. 9, 1991, as amended at 61 FR 20348, May 6, 1996]

§ 308.26 Document subpoenas to non-parties.

(a) *General rules.* (1) Any party may apply to the administrative law judge for the issuance of a document discovery subpoena addressed to any person who is not a party to the proceeding. The application must contain a proposed document subpoena and a brief statement showing the general relevance and reasonableness of the

scope of documents sought. The subpoenaing party shall specify a reasonable time, place, and manner for making production in response to the document subpoena.

(2) A party shall only apply for a document subpoena under this section within the time period during which such party could serve a discovery request under §308.24(d). The party obtaining the document subpoena is responsible for serving it on the subpoenaed person and for serving copies on all parties. Document subpoenas may be served in any state, territory, or possession of the United States, the District of Columbia, or as otherwise provided by law.

(3) The administrative law judge shall promptly issue any document subpoena requested pursuant to this section. If the administrative law judge determines that the application does not set forth a valid basis for the issuance of the subpoena, or that any of its terms are unreasonable, oppressive, excessive in scope, or unduly burdensome, he or she may refuse to issue the subpoena or may issue it in a modified form upon such conditions as may be consistent with the Uniform Rules.

(b) *Motion to quash or modify.* (1) Any person to whom a document subpoena is directed may file a motion to quash or modify such subpoena, accompanied by a statement of the basis for quashing or modifying the subpoena. The movant shall serve the motion on all parties, and any party may respond to such motion within ten days of service of the motion.

(2) Any motion to quash or modify a document subpoena must be filed on the same basis, including the assertion of privilege, upon which a party could object to a discovery request under §308.25(d), and during the same time limits during which such an objection could be filed.

(c) *Enforcing document subpoenas.* If a subpoenaed person fails to comply with any subpoena issued pursuant to this section or any order of the administrative law judge which directs compliance with all or any portion of a document subpoena, the subpoenaing party or any other aggrieved party may, to the extent authorized by applicable law, apply to an appropriate United

States district court for an order requiring compliance with so much of the document subpoena as the administrative law judge has not quashed or modified. A party's right to seek court enforcement of a document subpoena shall in no way limit the sanctions that may be imposed by the administrative law judge on a party who induces a failure to comply with subpoenas issued under this section.

§ 308.27 Deposition of witness unavailable for hearing.

(a) *General rules.* (1) If a witness will not be available for the hearing, a party desiring to preserve that witness' testimony for the record may apply in accordance with the procedures set forth in paragraph (a)(2) of this section, to the administrative law judge for the issuance of a subpoena, including a subpoena duces tecum, requiring the attendance of the witness at a deposition. The administrative law judge may issue a deposition subpoena under this section upon showing that:

(i) The witness will be unable to attend or may be prevented from attending the hearing because of age, sickness or infirmity, or will otherwise be unavailable;

(ii) The witness' unavailability was not procured or caused by the subpoenaing party;

(iii) The testimony is reasonably expected to be material; and

(iv) Taking the deposition will not result in any undue burden to any other party and will not cause undue delay of the proceeding.

(2) The application must contain a proposed deposition subpoena and a brief statement of the reasons for the issuance of the subpoena. The subpoena must name the witness whose deposition is to be taken and specify the time and place for taking the deposition. A deposition subpoena may require the witness to be deposed at any place within the country in which that witness resides or has a regular place of employment or such other convenient place as the administrative law judge shall fix.

(3) Any requested subpoena that sets forth a valid basis for its issuance must

be promptly issued, unless the administrative law judge on his or her own motion, requires a written response or requires attendance at a conference concerning whether the requested subpoena should be issued.

(4) The party obtaining a deposition subpoena is responsible for serving it on the witness and for serving copies on all parties. Unless the administrative law judge orders otherwise, no deposition under this section shall be taken on fewer than ten days' notice to the witness and all parties. Deposition subpoenas may be served in any state, territory, possession of the United States, or the District of Columbia, on any person or company doing business in any state, territory, possession of the United States, or the District of Columbia, or as otherwise permitted by law.

(b) *Objections to deposition subpoenas.*

(1) The witness and any party who has not had an opportunity to oppose a deposition subpoena issued under this section may file a motion with the administrative law judge to quash or modify the subpoena prior to the time for compliance specified in the subpoena, but not more than ten days after service of the subpoena.

(2) A statement of the basis for the motion to quash or modify a subpoena issued under this section must accompany the motion. The motion must be served on all parties.

(c) *Procedure upon deposition.* (1) Each witness testifying pursuant to a deposition subpoena must be duly sworn, and each party shall have the right to examine the witness. Objections to questions or documents must be in short form, stating the grounds for the objection. Failure to object to questions or documents is not deemed a waiver except where the ground for the objection might have been avoided if the objection had been timely presented. All questions, answers, and objections must be recorded.

(2) Any party may move before the administrative law judge for an order compelling the witness to answer any questions the witness has refused to answer or submit any evidence the witness has refused to submit during the deposition.

(3) The deposition must be subscribed by the witness, unless the parties and the witness, by stipulation, have waived the signing, or the witness is ill, cannot be found, or has refused to sign. If the deposition is not subscribed by the witness, the court reporter taking the deposition shall certify that the transcript is a true and complete transcript of the deposition.

(d) *Enforcing subpoenas.* If a subpoenaed person fails to comply with any order of the administrative law judge which directs compliance with all or any portion of a deposition subpoena under paragraph (b) or (c)(3) of this section, the subpoenaing party or other aggrieved party may, to the extent authorized by applicable law, apply to an appropriate United States district court for an order requiring compliance with the portions of the subpoena that the administrative law judge has ordered enforced. A party's right to seek court enforcement of a deposition subpoena in no way limits the sanctions that may be imposed by the administrative law judge on a party who fails to comply with, or procures a failure to comply with, a subpoena issued under this section.

§ 308.28 Interlocutory review.

(a) *General rule.* The Board of Directors may review a ruling of the administrative law judge prior to the certification of the record to the Board of Directors only in accordance with the procedures set forth in this section and § 308.23.

(b) *Scope of review.* The Board of Directors may exercise interlocutory review of a ruling of, the administrative law judge if the Board of Directors finds that:

(1) The ruling involves a controlling question of law or policy as to which substantial grounds exist for a difference of opinion;

(2) Immediate review of the ruling may materially advance the ultimate termination of the proceeding;

(3) Subsequent modification of the ruling at the conclusion of the proceeding would be an inadequate remedy; or

(4) Subsequent modification of the ruling would cause unusual delay or expense.

(c) *Procedure.* Any request for interlocutory review shall be filed by a party with the administrative law judge within ten days of his or her ruling and shall otherwise comply with § 308.23. Any party may file a response to a request for interlocutory review in accordance with § 308.23(d). Upon the expiration of the time for filing all responses, the administrative law judge shall refer the matter to the Board of Directors for final disposition.

(d) *Suspension of proceeding.* Neither a request for interlocutory review nor any disposition of such a request by the Board of Directors under this section suspends or stays the proceeding unless otherwise ordered by the administrative law judge or the Board of Directors.

§ 308.29 Summary disposition.

(a) *In general.* The administrative law judge shall recommend that the Board of Directors issue a final order granting a motion for summary disposition if the undisputed pleaded facts, admissions, affidavits, stipulations, documentary evidence, matters as to which official notice may be taken, and any other evidentiary materials properly submitted in connection with a motion for summary disposition show that:

(1) There is no genuine issue as to any material fact; and

(2) The moving party is entitled to a decision in its favor as a matter of law.

(b) *Filing of motions and responses.* (1) Any party who believes that there is no genuine issue of material fact to be determined and that he or she is entitled to a decision as a matter of law may move at any time for summary disposition in its favor of all or any part of the proceeding. Any party, within 20 days after service of such a motion, or within such time period as allowed by the administrative law judge, may file a response to such motion.

(2) A motion for summary disposition must be accompanied by a statement of the material facts as to which the moving party contends there is no genuine issue. Such motion must be supported by documentary evidence, which may take the form of admissions in pleadings, stipulations, depositions, investigatory reports, transcripts, affidavits and any other evidentiary mate-

rials that the moving party contends support his or her position. The motion must also be accompanied by a brief containing the points and authorities in support of the contention of the moving party. Any party opposing a motion for summary disposition must file a statement setting forth those material facts as to which he or she contends a genuine dispute exists. Such opposition must be supported by evidence of the same type as that submitted with the motion for summary disposition and a brief containing the points and authorities in support of the contention that summary disposition would be inappropriate.

(c) *Hearing on motion.* At the request of any party or on his or her own motion, the administrative law judge may hear oral argument on the motion for summary disposition.

(d) *Decision on motion.* Following receipt of a motion for summary disposition and all responses thereto, the administrative law judge shall determine whether the moving party is entitled to summary disposition. If the administrative law judge determines that summary disposition is warranted, the administrative law judge shall submit a recommended decision to that effect to the Board of Directors. If the administrative law judge finds that no party is entitled to summary disposition, he or she shall make a ruling denying the motion.

§ 308.30 Partial summary disposition.

If the administrative law judge determines that a party is entitled to summary disposition as to certain claims only, he or she shall defer submitting a recommended decision as to those claims. A hearing on the remaining issues must be ordered. Those claims for which the administrative law judge has determined that summary disposition is warranted will be addressed in the recommended decision filed at the conclusion of the hearing.

§ 308.31 Scheduling and prehearing conferences.

(a) *Scheduling conference.* Within 30 days of service of the notice or order commencing a proceeding or such other time as parties may agree, the administrative law judge shall direct counsel

§ 308.32

for all parties to meet with him or her in person at a specified time and place prior to the hearing or to confer by telephone for the purpose of scheduling the course and conduct of the proceeding. This meeting or telephone conference is called a "scheduling conference." The identification of potential witnesses, the time for and manner of discovery, and the exchange of any prehearing materials including witness lists, statements of issues, stipulations, exhibits and any other materials may also be determined at the scheduling conference.

(b) *Prehearing conferences.* The administrative law judge may, in addition to the scheduling conference, on his or her own motion or at the request of any party, direct counsel for the parties to meet with him or her (in person or by telephone) at a prehearing conference to address any or all of the following:

- (1) Simplification and clarification of the issues;
- (2) Stipulations, admissions of fact, and the contents, authenticity and admissibility into evidence of documents;
- (3) Matters of which official notice may be taken;
- (4) Limitation of the number of witnesses;
- (5) Summary disposition of any or all issues;
- (6) Resolution of discovery issues or disputes;
- (7) Amendments to pleadings; and
- (8) Such other matters as may aid in the orderly disposition of the proceeding.

(c) *Transcript.* The administrative law judge, in his or her discretion, may require that a scheduling or prehearing conference be recorded by a court reporter. A transcript of the conference and any materials filed, including orders, becomes part of the record of the proceeding. A party may obtain a copy of the transcript at his or her expense.

(d) *Scheduling or prehearing orders.* At or within a reasonable time following the conclusion of the scheduling conference or any prehearing conference, the administrative law judge shall serve on each party an order setting forth any agreements reached and any procedural determinations made.

12 CFR Ch. III (1-1-03 Edition)

§ 308.32 Prehearing submissions.

(a) Within the time set by the administrative law judge, but in no case later than 14 days before the start of the hearing, each party shall serve on every other party, his or her:

- (1) Prehearing statement;
- (2) Final list of witnesses to be called to testify at the hearing, including name and address of each witness and a short summary of the expected testimony of each witness;
- (3) List of the exhibits to be introduced at the hearing along with a copy of each exhibit; and
- (4) Stipulations of fact, if any.

(b) Effect of failure to comply. No witness may testify and no exhibits may be introduced at the hearing if such witness or exhibit is not listed in the prehearing submissions pursuant to paragraph (a) of this section, except for good cause shown.

§ 308.33 Public hearings.

(a) *General rule.* All hearings shall be open to the public, unless the FDIC, in its discretion, determines that holding an open hearing would be contrary to the public interest. Within 20 days of service of the notice or, in the case of change-in-control proceedings under section 7(j)(4) of the FDIA (12 U.S.C. 1817(j)(4)), within 20 days from service of the hearing order, any respondent may file with the Executive Secretary a request for a private hearing, and any party may file a reply to such a request. A party must serve on the administrative law judge a copy of any request or reply the party files with the Executive Secretary. The form of, and procedure for, these requests and replies are governed by § 308.23. A party's failure to file a request or a reply constitutes a waiver of any objections regarding whether the hearing will be public or private.

(b) *Filing document under seal.* Enforcement Counsel, in his or her discretion, may file any document or part of a document under seal if disclosure of the document would be contrary to the public interest. The administrative law judge shall take all appropriate steps to preserve the confidentiality of such documents or parts thereof, including

§ 308.34 Hearing subpoenas.

(a) *Issuance.* (1) Upon application of a party showing general relevance and reasonableness of scope of the testimony or other evidence sought, the administrative law judge may issue a subpoena or a subpoena *duces tecum* requiring the attendance of a witness at the hearing or the production of documentary or physical evidence at the hearing. The application for a hearing subpoena must also contain a proposed subpoena specifying the attendance of a witness or the production of evidence from any state, territory, or possession of the United States, the District of Columbia, or as otherwise provided by law at any designated place where the hearing is being conducted. The party making the application shall serve a copy of the application and the proposed subpoena on every other party.

(2) A party may apply for a hearing subpoena at any time before the commencement of a hearing. During a hearing, a party may make an application for a subpoena orally on the record before the administrative law judge.

(3) The administrative law judge shall promptly issue any hearing subpoena requested pursuant to this section. If the administrative law judge determines that the application does not set forth a valid basis for the issuance of the subpoena, or that any of its terms are unreasonable, oppressive, excessive in scope, or unduly burdensome, he or she may refuse to issue the subpoena or may issue it in a modified form upon any conditions consistent with this subpart. Upon issuance by the administrative law judge, the party making the application shall serve the subpoena on the person named in the subpoena and on each party.

(b) *Motion to quash or modify.* (1) Any person to whom a hearing subpoena is directed or any party may file a motion to quash or modify the subpoena, accompanied by a statement of the basis for quashing or modifying the subpoena. The movant must serve the

motion on each party and on the person named in the subpoena. Any party may respond to the motion within ten days of service of the motion.

(2) Any motion to quash or modify a hearing subpoena must be filed prior to the time specified in the subpoena for compliance, but not more than ten days after the date of service of the subpoena upon the movant.

(c) *Enforcing subpoenas.* If a subpoenaed person fails to comply with any subpoena issued pursuant to this section or any order of the administrative law judge which directs compliance with all or any portion of a document subpoena, the subpoenaing party or any other aggrieved party may seek enforcement of the subpoena pursuant to § 308.26(c).

§ 308.35 Conduct of hearings.

(a) *General rules.* (1) Hearings shall be conducted so as to provide a fair and expeditious presentation of the relevant disputed issues. Each party has the right to present its case or defense by oral and documentary evidence and to conduct such cross examination as may be required for full disclosure of the facts.

(2) *Order of hearing.* Enforcement Counsel shall present its case-in-chief first, unless otherwise ordered by the administrative law judge, or unless otherwise expressly specified by law or regulation. Enforcement Counsel shall be the first party to present an opening statement and a closing statement, and may make a rebuttal statement after the respondent's closing statement. If there are multiple respondents, respondents may agree among themselves as to their order of presentation of their cases, but if they do not agree the administrative law judge shall fix the order.

(3) *Examination of witnesses.* Only one counsel for each party may conduct an examination of a witness, except that in the case of extensive direct examination, the administrative law judge may permit more than one counsel for the party presenting the witness to conduct the examination. A party may have one counsel conduct the direct examination and another counsel conduct

§ 308.36

12 CFR Ch. III (1-1-03 Edition)

re-direct examination of a witness, or may have one counsel conduct the cross examination of a witness and another counsel conduct the re-cross examination of a witness.

(4) *Stipulations.* Unless the administrative law judge directs otherwise, all stipulations of fact and law previously agreed upon by the parties, and all documents, the admissibility of which have been previously stipulated, will be admitted into evidence upon commencement of the hearing.

(b) *Transcript.* The hearing must be recorded and transcribed. The reporter will make the transcript available to any party upon payment by that party to the reporter of the cost of the transcript. The administrative law judge may order the record corrected, either upon motion to correct, upon stipulation of the parties, or following notice to the parties upon the administrative law judge's own motion.

§ 308.36 Evidence.

(a) *Admissibility.* (1) Except as is otherwise set forth in this section, relevant, material, and reliable evidence that is not unduly repetitive is admissible to the fullest extent authorized by the Administrative Procedure Act and other applicable law.

(2) Evidence that would be admissible under the Federal Rules of Evidence is admissible in a proceeding conducted pursuant to this subpart.

(3) Evidence that would be inadmissible under the Federal Rules of Evidence may not be deemed or ruled to be inadmissible in a proceeding conducted pursuant to this subpart if such evidence is relevant, material, reliable and not unduly repetitive.

(b) *Official notice.* (1) Official notice may be taken of any material fact which may be judicially noticed by a United States district court and any material information in the official public records of any Federal or state government agency.

(2) All matters officially noticed by the administrative law judge or Board of Directors shall appear on the record.

(3) If official notice is requested or taken of any material fact, the parties,

upon timely request, shall be afforded an opportunity to object.

(c) *Documents.* (1) A duplicate copy of a document is admissible to the same extent as the original, unless a genuine issue is raised as to whether the copy is in some material respect not a true and legible copy of the original.

(2) Subject to the requirements of paragraph (a) of this section, any document, including a report of examination, supervisory activity, inspection or visitation, prepared by an appropriate Federal financial institution regulatory agency or state regulatory agency, is admissible either with or without a sponsoring witness.

(3) Witnesses may use existing or newly created charts, exhibits, calendars, calculations, outlines or other graphic material to summarize, illustrate, or simplify the presentation of testimony. Such materials may, subject to the administrative law judge's discretion, be used with or without being admitted into evidence.

(d) *Objections.* (1) Objections to the admissibility of evidence must be timely made and rulings on all objections must appear on the record.

(2) When an objection to a question or line of questioning propounded to a witness is sustained, the examining counsel may make a specific proffer on the record of what he or she expected to prove by the expected testimony of the witness, either by representation of counsel or by direct interrogation of the witness.

(3) The administrative law judge shall retain rejected exhibits, adequately marked for identification, for the record, and transmit such exhibits to the Board of Directors.

(4) Failure to object to admission of evidence or to any ruling constitutes a waiver of the objection.

(e) *Stipulations.* The parties may stipulate as to any relevant matters of fact or the authentication of any relevant documents. Such stipulations must be received in evidence at a hearing, and are binding on the parties with respect to the matters therein stipulated.

(f) *Depositions of unavailable witnesses.* (1) If a witness is unavailable to testify at a hearing, and that witness has testified in a deposition to which all parties in a proceeding had notice and an

opportunity to participate, a party may offer as evidence all or any part of the transcript of the deposition, including deposition exhibits, if any.

(2) Such deposition transcript is admissible to the same extent that testimony would have been admissible had that person testified at the hearing, provided that if a witness refused to answer proper questions during the depositions, the administrative law judge may, on that basis, limit the admissibility of the deposition in any manner that justice requires.

(3) Only those portions of a deposition received in evidence at the hearing constitute a part of the record.

§ 308.37 Post-hearing filings.

(a) *Proposed findings and conclusions and supporting briefs.* (1) Using the same method of service for each party, the administrative law judge shall serve notice upon each party, that the certified transcript, together with all hearing exhibits and exhibits introduced but not admitted into evidence at the hearing, has been filed. Any party may file with the administrative law judge proposed findings of fact, proposed conclusions of law, and a proposed order within 30 days following service of this notice by the administrative law judge or within such longer period as may be ordered by the administrative law judge.

(2) Proposed findings and conclusions must be supported by citation to any relevant authorities and by page references to any relevant portions of the record. A post-hearing brief may be filed in support of proposed findings and conclusions, either as part of the same document or in a separate document. Any party who fails to file timely with the administrative law judge any proposed finding or conclusion is deemed to have waived the right to raise in any subsequent filing or submission any issue not addressed in such party's proposed finding or conclusion.

(b) *Reply briefs.* Reply briefs may be filed within 15 days after the date on which the parties' proposed findings, conclusions, and order are due. Reply briefs must be strictly limited to responding to new matters, issues, or arguments raised in another party's papers. A party who has not filed pro-

posed findings of fact and conclusions of law or a post-hearing brief may not file a reply brief.

(c) *Simultaneous filing required.* The administrative law judge shall not order the filing by any party of any brief or reply brief in advance of the other party's filing of its brief.

§ 308.38 Recommended decision and filing of record.

(a) *Filing of recommended decision and record.* Within 45 days after expiration of the time allowed for filing reply briefs under § 308.37(b), the administrative law judge shall file with and certify to the Executive Secretary, for decision, the record of the proceeding. The record must include the administrative law judge's recommended decision, recommended findings of fact, recommended conclusions of law, and proposed order; all prehearing and hearing transcripts, exhibits, and rulings; and the motions, briefs, memoranda, and other supporting papers filed in connection with the hearing. The administrative law judge shall serve upon each party the recommended decision, findings, conclusions, and proposed order.

(b) *Filing of index.* At the same time the administrative law judge files with and certifies to the Executive Secretary for final determination the record of the proceeding, the administrative law judge shall furnish to the Executive Secretary a certified index of the entire record of the proceeding. The certified index shall include, at a minimum, an entry for each paper, document or motion filed with the administrative law judge in the proceeding, the date of the filing, and the identity of the filer. The certified index shall also include an exhibit index containing, at a minimum, an entry consisting of exhibit number and title or description for: Each exhibit introduced and admitted into evidence at the hearing; each exhibit introduced but not admitted into evidence at the hearing; each exhibit introduced and admitted into evidence after the completion of the hearing; and each exhibit

§ 308.39

introduced but not admitted into evidence after the completion of the hearing.

[61 FR 20350, May 6, 1996]

§ 308.39 Exceptions to recommended decision.

(a) *Filing exceptions.* Within 30 days after service of the recommended decision, findings, conclusions, and proposed order under § 308.38, a party may file with the Executive Secretary written exceptions to the administrative law judge's recommended decision, findings, conclusions or proposed order, to the admission or exclusion of evidence, or to the failure of the administrative law judge to make a ruling proposed by a party. A supporting brief may be filed at the time the exceptions are filed, either as part of the same document or in a separate document.

(b) *Effect of failure to file or raise exceptions.* (1) Failure of a party to file exceptions to those matters specified in paragraph (a) of this section within the time prescribed is deemed a waiver of objection thereto.

(2) No exception need be considered by the Board of Directors if the party taking exception had an opportunity to raise the same objection, issue, or argument before the administrative law judge and failed to do so.

(c) *Contents.* (1) All exceptions and briefs in support of such exceptions must be confined to the particular matters in, or omissions from, the administrative law judge's recommendations to which that party takes exception.

(2) All exceptions and briefs in support of exceptions must set forth page or paragraph references to the specific parts of the administrative law judge's recommendations to which exception is taken, the page or paragraph references to those portions of the record relied upon to support each exception, and the legal authority relied upon to support each exception.

§ 308.40 Review by Board of Directors.

(a) *Notice of submission to Board of Directors.* When the Executive Secretary determines that the record in the proceeding is complete, the Executive Secretary shall serve notice upon the parties that the proceeding has been sub-

mitted to the Board of Directors for final decision.

(b) *Oral argument before the Board of Directors.* Upon the initiative of the Board of Directors or on the written request of any party filed with the Executive Secretary within the time for filing exceptions, the Board of Directors may order and hear oral argument on the recommended findings, conclusions, decision, and order of the administrative law judge. A written request by a party must show good cause for oral argument and state reasons why arguments cannot be presented adequately in writing. A denial of a request for oral argument may be set forth in the Board of Directors' final decision. Oral argument before the Board of Directors must be on the record.

(c) *Final decision.* (1) Decisional employees may advise and assist the Board of Directors in the consideration and disposition of the case. The final decision of the Board of Directors will be based upon review of the entire record of the proceeding, except that the Board of Directors may limit the issues to be reviewed to those findings and conclusions to which opposing arguments or exceptions have been filed by the parties.

(2) The Board of Directors shall render a final decision within 90 days after notification of the parties that the case has been submitted for final decision, or 90 days after oral argument, whichever is later, unless the Board of Directors orders that the action or any aspect thereof be remanded to the administrative law judge for further proceedings. Copies of the final decision and order of the Board of Directors shall be served upon each party to the proceeding, upon other persons required by statute, and, if directed by the Board of Directors or required by statute, upon any appropriate state or Federal supervisory authority.

§ 308.41 Stays pending judicial review.

The commencement of proceedings for judicial review of a final decision and order of the FDIC may not, unless specifically ordered by the Board of Directors or a reviewing court, operate as a stay of any order issued by the FDIC.

The Board of Directors may, in its discretion, and on such terms as it finds just, stay the effectiveness of all or any part of its order pending a final decision on a petition for review of that order.

(b) *The Executive Secretary.* (1) When no administrative law judge has jurisdiction over a proceeding, the Executive Secretary may act in place of, and with the same authority as, an administrative law judge, except that the Executive Secretary may not hear a case on the merits or make a recommended decision on the merits to the Board of Directors.

(2) Pursuant to authority delegated by the Board of Directors, the Executive Secretary and Assistant Executive Secretary, upon the advice and recommendation of the Deputy General Counsel for Litigation or, in his absence, the Assistant General Counsel,

§ 308.103 Appointment of administrative law judge.

(a) *Appointment.* Unless otherwise directed by the Board of Directors or as otherwise provided in the Local Rules, a hearing within the scope of this part 308 shall be held before an administrative law judge of the Office of Financial Institution Adjudication (“OFIA”).

(a) *General rule.* All materials required to be filed with or referred to the Board of Directors in any proceedings under this part 308 shall be filed with the Executive Secretary, Federal Deposit Insurance Corporation, 550 17th Street, NW., Washington, DC 20429.

§ 308.105 Custodian of the record.

The Executive Secretary is the official custodian of the record when no administrative law judge has jurisdiction over the proceeding. As the official custodian, the Executive Secretary shall maintain the official record of all papers filed in each proceeding.

§ 308.106 Written testimony in lieu of oral hearing.

(a) *General rule.* (1) At any time more than fifteen days before the hearing is to commence, on the motion of any party or on his or her own motion, the administrative law judge may order that the parties present part or all of their case-in-chief and, if ordered, their rebuttal, in the form of exhibits and written statements sworn to by the witness offering such statements as evidence, provided that if any party objects, the administrative law judge shall not require such a format if that format would violate the objecting party's right under the Administrative Procedure Act, or other applicable law, or would otherwise unfairly prejudice that party.

(2) Any such order shall provide that each party shall, upon request, have the same right of oral cross-examination (or redirect examination) as would exist had the witness testified orally rather than through a written statement. Such order shall also provide that any party has a right to call any hostile witness or adverse party to testify orally.

(b) *Scheduling of submission of written testimony.* (1) If written direct testimony and exhibits are ordered under paragraph (a) of this section, the administrative law judge shall require that it be filed within the time period

12 CFR Ch. III (1-1-03 Edition)

for commencement of the hearing, and the hearing shall be deemed to have commenced on the day such testimony is due.

(2) Absent good cause shown, written rebuttal, if any, shall be submitted and the oral portion of the hearing begun within 30 days of the date set for filing written direct testimony.

(3) The administrative law judge shall direct, unless good cause requires otherwise, that—

(i) All parties shall simultaneously file any exhibits and written direct testimony required under paragraph (b)(1) of this section; and

(ii) All parties shall simultaneously file any exhibits and written rebuttal required under paragraph (b)(2) of this section.

(c) *Failure to comply with order to file written testimony.* (1) The failure of any party to comply with an order to file written testimony or exhibits at the time and in the manner required under this section shall be deemed a waiver of that party's right to present any evidence, except testimony of a previously identified adverse party or hostile witness. Failure to file written testimony or exhibits is, however, not a waiver of that party's right of cross-examination or a waiver of the right to present rebuttal evidence that was not required to be submitted in written form.

(2) Late filings of papers under this section may be allowed and accepted only upon good cause shown.

§ 308.107 Document discovery.

(a) Parties to proceedings set forth at § 308.01 of the Uniform Rules and as provided in the Local Rules may obtain discovery only through the production of documents. No other form of discovery shall be allowed.

(b) Any questioning at a deposition of a person producing documents pursuant to a document subpoena shall be strictly limited to the identification of documents produced by that person and a reasonable examination to determine whether the subpoenaed person made an adequate search for, and has produced, all subpoenaed documents.

Subpart C—Rules of Practice Before the FDIC and Standards of Conduct

§ 308.108 Sanctions.

(a) *General rule.* Appropriate sanctions may be imposed when any counsel or party has acted, or failed to act, in a manner required by applicable statute, regulations, or order, and that act or failure to act:

- (1) Constitutes contemptuous conduct;
- (2) Has in a material way injured or prejudiced some other party in terms of substantive injury, incurring additional expenses including attorney's fees, prejudicial delay, or otherwise;
- (3) Is a clear and unexcused violation of an applicable statute, regulation, or order; or
- (4) Has unduly delayed the proceeding.

(b) *Sanctions.* Sanctions which may be imposed include any one or more of the following:

- (1) Issuing an order against the party;
- (2) Rejecting or striking any testimony or documentary evidence offered, or other papers filed, by the party;
- (3) Precluding the party from contesting specific issues or findings;
- (4) Precluding the party from offering certain evidence or from challenging or contesting certain evidence offered by another party;
- (5) Precluding the party from making a late filing or conditioning a late filing on any terms that are just; and
- (6) Assessing reasonable expenses, including attorney's fees, incurred by any other party as a result of the improper action or failure to act.

(c) *Limits on dismissal as a sanction.* No recommendation of dismissal shall be made by the administrative law judge or granted by the Board of Directors based on the failure to hold a hearing within the time period called for in this part 308, or on the failure of an administrative law judge to render a recommended decision within the time period called for in this part 308, absent a finding:

- (1) That the delay resulted solely or principally from the conduct of the FDIC enforcement counsel;

- (2) That the conduct of the FDIC enforcement counsel is unexcused;

- (3) That the moving respondent took all reasonable steps to oppose and prevent the subject delay;

- (4) That the moving respondent has been materially prejudiced or injured; and

- (5) That no lesser or different sanction is adequate.

(d) *Procedure for imposition of sanctions.* (1) The administrative law judge, upon the request of any party, or on his or her own motion, may impose sanctions in accordance with this section, provided that the administrative law judge may only recommend to the Board of Directors the sanction of entering a final order determining the case on the merits.

(2) No sanction, other than refusing to accept late papers, authorized by this section shall be imposed without prior notice to all parties and an opportunity for any counsel or party against whom sanctions would be imposed to be heard. Such opportunity to be heard may be on such notice, and the response may be in such form, as the administrative law judge directs. The opportunity to be heard may be limited to an opportunity to respond orally immediately after the act or inaction covered by this section is noted by the administrative law judge.

(3) Requests for the imposition of sanctions by any party, and the imposition of sanctions, shall be treated for interlocutory review purposes in the same manner as any other ruling by the administrative law judge.

(4) *Section not exclusive.* Nothing in this section shall be read as precluding the administrative law judge or the Board of Directors from taking any other action, or imposing any restriction or sanction, authorized by applicable statute or regulation.

§ 308.109 Suspension and disbarment.

(a) *Discretionary suspension and disbarment.* (1) The Board of Directors may suspend or revoke the privilege of any counsel to appear or practice before the FDIC if, after notice of and opportunity for hearing in the matter, that counsel is found by the Board of Directors:

§ 308.109

12 CFR Ch. III (1-1-03 Edition)

(i) Not to possess the requisite qualifications to represent others;

(ii) To be seriously lacking in character or integrity or to have engaged in material unethical or improper professional conduct;

(iii) To have engaged in, or aided and abetted, a material and knowing violation of the FDIA; or

(iv) To have engaged in contemptuous conduct before the FDIC. Suspension or revocation on the grounds set forth in paragraphs (a)(1) (ii), (iii), and (iv) of this section shall only be ordered upon a further finding that the counsel's conduct or character was sufficiently egregious as to justify suspension or revocation.

(2) Unless otherwise ordered by the Board of Directors, an application for reinstatement by a person suspended or disbarred under paragraph (a)(1) of this section may be made in writing at any time more than three years after the effective date of the suspension or disbarment and, thereafter, at any time more than one year after the person's most recent application for reinstatement. The suspension or disbarment shall continue until the applicant has been reinstated by the Board of Directors for good cause shown or until, in the case of a suspension, the suspension period has expired. An applicant for reinstatement under this provision may, in the Board of Directors' sole discretion, be afforded a hearing.

(b) *Mandatory suspension and disbarment.* (1) Any counsel who has been and remains suspended or disbarred by a court of the United States or of any state, territory, district, commonwealth, or possession; or any person who has been and remains suspended or barred from practice before the OCC, Board of Governors, the OTS, the NCUA, the Securities and Exchange Commission, or the Commodity Futures Trading Commission; or any person who has been convicted of a felony, or of a misdemeanor involving moral turpitude, within the last ten years, shall be suspended automatically from appearing or practicing before the FDIC. A disbarment, suspension, or conviction within the meaning of this paragraph (b) shall be deemed to have occurred when the disbaring, suspending, or convicting agency or tri-

bunal enters its judgment or order, regardless of whether an appeal is pending or could be taken, and includes a judgment or an order on a plea of nolo contendere or on consent, regardless of whether a violation is admitted in the consent.

(2) Any person appearing or practicing before the FDIC who is the subject of an order, judgment, decree, or finding of the types set forth in paragraph (b)(1) of this section shall promptly file with the Executive Secretary a copy thereof, together with any related opinion or statement of the agency or tribunal involved. Failure to file any such paper shall not impair the operation of any other provision of this section.

(3) A suspension or disbarment under paragraph (b)(1) of this section from practice before the FDIC shall continue until the applicant has been reinstated by the Board of Directors for good cause shown, provided that any person suspended or disbarred under paragraph (b)(1) of this section shall be automatically reinstated by the Executive Secretary, upon appropriate application, if all the grounds for suspension or disbarment under paragraph (b)(1) of this section are subsequently removed by a reversal of the conviction (or the passage of time since the conviction) or termination of the underlying suspension or disbarment. An application for reinstatement on any other grounds by any person suspended or disbarred under paragraph (b)(1) of this section may be filed no sooner than one year after the suspension or disbarment, and thereafter, a new request for reinstatement may be made no sooner than one year after the counsel's most recent reinstatement application. An applicant for reinstatement under this provision may, in the Board of Directors' sole discretion, be afforded a hearing.

(c) *Hearings under this section.* Hearings conducted under this section shall be conducted in substantially the same manner as other hearings under the Uniform Rules, provided that in proceedings to terminate an existing FDIC suspension or disbarment order, the person seeking the termination of the order shall bear the burden of going forward with an application and with

the burden of proving the grounds supporting the application, and that the Board of Directors may, in its sole discretion, direct that any proceeding to terminate an existing suspension or disbarment by the FDIC be limited to written submissions.

(d) *Summary suspension for contemptuous conduct.* A finding by the administrative law judge of contemptuous conduct during the course of any proceeding shall be grounds for summary suspension by the administrative law judge of a counsel or other representative from any further participation in that proceeding for the duration of that proceeding.

(e) *Practice defined.* Unless the Board of Directors orders otherwise, for the purposes of this section, practicing before the FDIC includes, but is not limited to, transacting any business with the FDIC as counsel or agent for any other person and the preparation of any statement, opinion, or other paper by a counsel, which statement, opinion, or paper is filed with the FDIC in any registration statement, notification, application, report, or other document, with the consent of such counsel.

Subpart D—Rules and Procedures Applicable to Proceedings Relating to Disapproval of Acquisition of Control

§ 308.110 Scope.

Except as specifically indicated in this subpart, the rules and procedures in this subpart, subpart B of the Local Rules, and the Uniform Rules shall apply to proceedings in connection with the disapproval by the Board of Directors or its designee of a proposed acquisition of control of an insured nonmember bank.

§ 308.111 Grounds for disapproval.

The following are grounds for disapproval of a proposed acquisition of control of an insured nonmember bank:

(a) The proposed acquisition of control would result in a monopoly or would be in furtherance of any combination or conspiracy to monopolize or attempt to monopolize the banking

business in any part of the United States;

(b) The effect of the proposed acquisition of control in any section of the United States may be to substantially lessen competition or to tend to create a monopoly or would in any other manner be in restraint of trade, and the anticompetitive effects of the proposed acquisition of control are not clearly outweighed in the public interest by the probable effect of the transaction in meeting the convenience and needs of the community to be served;

(c) The financial condition of any acquiring person might jeopardize the financial stability of the bank or prejudice the interests of the depositors of the bank;

(d) The competence, experience, or integrity of any acquiring person or of any of the proposed management personnel indicates that it would not be in the interest of the depositors of the bank, or in the interest of the public, to permit such person to control the bank;

(e) Any acquiring person neglects, fails, or refuses to furnish to the FDIC all the information required by the FDIC; or

(f) The FDIC determines that the proposed acquisition would result in an adverse effect on the Bank Insurance Fund or the Savings Association Insurance Fund.

§ 308.112 Notice of disapproval.

(a) *General rule.* (1) Within three days of the decision by the Board of Directors or its designee to disapprove a proposed acquisition of control of an insured nonmember bank, a written notice of disapproval shall be mailed by first class mail to, or otherwise served upon, the party seeking acquire control.

(2) The notice of disapproval shall:

(i) Contain a statement of the basis for the disapproval; and

(ii) Indicate that a hearing may be requested by filing a written request with the Executive Secretary within ten days after service of the notice of disapproval; and if a hearing is requested, that an answer to the notice of disapproval, as required by § 308.113, must be filed within 20 days after service of the notice of disapproval.

§ 308.113

(b) *Waiver of hearing.* Failure to request a hearing pursuant to this section shall constitute a waiver of the opportunity for a hearing and the notice of disapproval shall constitute a final and unappealable order.

(c) Section 308.18(b) of the Uniform Rules shall not apply to the content of the Notice of Disapproval.

§ 308.113 Answer to notice of disapproval.

(a) *Contents.* (1) An answer to the notice of disapproval of a proposed acquisition of control shall be filed within 20 days after service of the notice of disapproval and shall specifically deny those portions of the notice of disapproval which are disputed. Those portions of the notice of disapproval which are not specifically denied are deemed admitted by the applicant.

(2) Any hearing under this subpart shall be limited to those parts of the notice of disapproval that are specifically denied.

(b) *Failure to answer.* Failure of a respondent to file an answer required by this section within the time provided constitutes a waiver of his or her right to appear and contest the allegations in the notice of disapproval. If no timely answer is filed, Enforcement Counsel may file a motion for entry of an order of default. Upon a finding that no good cause has been shown for the failure to file a timely answer, the administrative law judge shall file a recommended decision containing the findings and relief sought in the notice. A final order issued by the Board of Directors based upon a respondent's failure to answer is deemed to be an order issued upon consent.

§ 308.114 Burden of proof.

The ultimate burden of proof shall be upon the person proposing to acquire a depository institution. The burden of going forward with a *prima facie* case shall be upon the FDIC.

12 CFR Ch. III (1-1-03 Edition)

§ 308.116 Assessment of penalties.

(3) Any person who knowingly violates any provision of the Change in

Federal Deposit Insurance Corporation

§ 308.118

(d) *Failure to answer.* Failure of a respondent to file an answer required by this section within the time provided constitutes a waiver of his or her right to appear and contest the allegations in the notice of disapproval. If no timely answer is filed, Enforcement Counsel may file a motion for entry of an order of default. Upon a finding that no good cause has been shown for the failure to file a timely answer, the administrative law judge shall file a recommended decision containing the findings and relief sought in the notice. A final order issued by the Board of Directors based upon a respondent's failure to answer is deemed to be an order issued upon consent.

[56 FR 37975, Aug. 9, 1991, as amended at 61 FR 57990, Nov. 12, 1996; 65 FR 64887, Oct. 31, 2000]

(3) An insured depository institution or its directors or trustees have violated an applicable law, rule, regulation, order, condition imposed in writing by the FDIC in connection with the granting of any application or other request by the insured depository institution or have violated any written

agreement entered into between the insured depository institution and the FDIC.

(b) *Extraterritorial acts of foreign banks.* An act or practice committed outside the United States by a foreign bank or its directors or trustees which would otherwise be a ground for termination of insured status under this section shall be a ground for termination if the Board of Directors finds:

(1) The act or practice has been, is, or is likely to be a cause of, or carried on in connection with or in furtherance of, an act or practice committed within any state, territory, or possession of the United States or the District of Columbia that, in and of itself, would be an appropriate basis for action by the FDIC; or

(2) The act or practice committed outside the United States, if proven, would adversely affect the insurance risk of the FDIC.

(c) *Failure of foreign bank to secure removal of personnel.* The failure of a foreign bank to comply with any order of removal or prohibition issued by the Board of Directors or the failure of any person associated with a foreign bank to appear promptly as a party to a proceeding pursuant to section 8(e) of the FDIA (12 U.S.C. 1818(e)), shall be a ground for termination of insurance of deposits in any branch of the bank.

§ 308.121 Notification to primary regulator.

(a) *Service of notification.* (1) Upon a determination by the Board of Directors or its designee pursuant to § 308.120 of an unsafe or unsound practice or condition or of a violation, a notification shall be served upon the appropriate Federal banking agency of the insured depository institution, or the State banking supervisor if the FDIC is the appropriate Federal banking agency.

(b) *Contents of notification.* The notification shall contain the FDIC's determination, and the facts and circumstances upon which such determination is based, for the purpose of securing correction of such practice, condition, or violation.

§ 308.122 Notice of intent to terminate.

(a) If, after serving the notification under §308.121, the Board of Directors determines that any unsafe or unsound practices, condition, or violation, specified in the notification, requires the termination of the insured status of the insured depository institution, the Board of Directors or its designee, if it determines to proceed further, shall cause to be served upon the insured depository institution a notice of its intention to terminate insured status not less than 30 days after service of the notification, unless a shorter time period has been agreed upon by the appropriate Federal banking agency.

12 CFR Ch. III (1-1-03 Edition)

§ 308.130 Effective date of order and service on bank.

(a) *Effective date.* A cease-and-desist order issued by the Board of Directors after a hearing, and a cease-and-desist order issued based upon a default, shall become effective at the expiration of 30 days after the service of the order upon the bank or its official. (2) When the Board of Directors or its designee issues a Notice of charges pursuant to 12 U.S.C. 1818(b)(1) which specifies on the basis of particular facts and circumstances that a bank's books and records are so incomplete or inaccurate that the FDIC is unable, through the normal supervisory process, to determine the financial condition of the bank or the details or purpose of any transaction or transactions that may have a material effect on the

financial condition of the bank, then the Board of Directors or its designee may issue a temporary order requiring:

(i) The cessation of any activity or practice which gave rise, whether in whole or in part, to the incomplete or inaccurate state of the books or records; or

(ii) Affirmative action to restore such books or records to a complete and accurate state, until the completion of the proceedings under section 8(b) of the FDIA (12 U.S.C. 1818(b)).

(3) The temporary order shall be served upon the bank or the institution-affiliated party named therein and shall also be served upon the bank in the case where the temporary order applies only to an institution-affiliated party.

(b) *Effective date.* A temporary order shall become effective when served upon the bank or the institution-affiliated party. Unless the temporary order is set aside, limited, or suspended by a court in proceedings authorized under section 8(c)(2) of the FDIA (12 U.S.C. 1818(c)(2)), the temporary order shall remain effective and enforceable pending completion of administrative proceedings pursuant to section 8(b) of the FDIA (12 U.S.C. 1818(b)) and entry of an order which has become final, or with respect to paragraph (a)(2) of this section the FDIC determines by examination or otherwise that the bank's books and records are accurate and reflect the financial condition of the bank.

(c) *Uniform Rules do not apply.* The Uniform Rules and subpart B of the Local Rules shall not apply to the issuance of temporary orders under this section.

(b) *Relevant considerations.* In determining the amount of the civil penalty to be assessed, the Board of Directors or its designee shall consider the financial resources and good faith of the bank or official, the gravity of the violation, the history of previous violations, and any such other matters as justice may require.

(c) *Amount.* (1) The Board of Directors or its designee may assess civil money penalties pursuant to section 8(i) of the FDIA (12 U.S.C. 1818(i)), and § 308.01(e)(1) of the Uniform Rules.

(2) The Board of Directors or its designee may assess civil money penalties pursuant to section 7(a) of the FDIA (12 U.S.C. 1817(a)) as follows:

(i) *Late filing—Tier One penalties.* In cases in which a bank fails to make or publish its Report of Condition and Income (Call Report) within the appropriate time periods, a civil money penalty of not more than \$2,200 per day may be assessed where the bank maintains procedures in place reasonably adapted to avoid inadvertent error and the late filing occurred unintentionally and as a result of such error; or the bank inadvertently transmitted a Call Report which is minimally late.

(A) *First offense.* Generally, in such cases, the amount assessed shall be \$300 per day for each of the first 15 days for which the failure continues, and \$600 per day for each subsequent day the failure continues, beginning on the sixteenth day. For banks with less than \$25,000,000 in assets, the amount assessed shall be the greater of \$100 per day or $\frac{1}{10000}$ th of the bank's total assets ($\frac{1}{10}$ th of a basis point) for each of the first 15 days for which the failure continues, and \$200 or $\frac{1}{5000}$ th of the bank's total assets, $\frac{1}{5}$ of a basis point) for each subsequent day the failure continues, beginning on the sixteenth day.

subsequent day the failure continues, beginning on the sixteenth day. For banks with less than \$25,000,000 in assets, those amounts, respectively, shall be $\frac{1}{500}$ th of the bank's total assets and $\frac{1}{250}$ th of the bank's total assets.

(C) *Mitigating factors.* The amounts set forth in paragraph (c)(2)(i)(A) of this section may be reduced based upon the factors set forth in paragraph (b) of this section.

(D) *Lengthy or repeated violations.* The amounts set forth in this paragraph (c)(2)(i) will be assessed on a case-by-case basis where the amount of time of the bank's delinquency is lengthy or the bank has been delinquent repeatedly in making or publishing its Call Reports.

(E) *Waiver.* Absent extraordinary circumstances outside the control of the bank, penalties assessed for late filing shall not be waived.

(ii) *Late filing—Tier Two penalties.* Where a bank fails to make or publish its Call Report within the appropriate time period, the Board of Directors or its designee may assess a civil money penalty of not more than \$20,000 per day for each day the failure continues. (iii) *False or misleading reports or information—(A) Tier One penalties.* In cases in which a bank submits or publishes any false or misleading Call Report or information, the Board of Directors or its designee may assess a civil money penalty of not more than \$2,200 per day for each day the information is not corrected, where the bank maintains procedures in place reasonably adapted to avoid inadvertent error and the violation occurred unintentionally and as a result of such error; or the bank inadvertently transmits a Call Report or information which is false or misleading.

(B) *Tier Two penalties.* Where a bank submits or publishes any false or misleading Call Report or other information, the Board of Directors or its designee may assess a civil money penalty of not more than \$20,000 per day for each day the information is not cor-

rected. Pursuant to the Debt Collection Improvement Act of 1996, for violations which occur after November 12, 1996, the maximum Tier Two penalty amount will increase to \$22,000 per day for each day the information is not corrected.

(C) *Tier Three penalties.* Where a bank knowingly or with reckless disregard for the accuracy of any Call Report or information submits or publishes any false or misleading Call Report or other information, the Board of Directors or its designee may assess a civil money penalty of not more than the lesser of \$1,175,000 or 1 percent of the bank's total assets per day for each day the information is not corrected. Pursuant to the Debt Collection Improvement Act of 1996, for violations which occur after November 12, 1996, the maximum Tier Three penalty amount will increase to the lesser of \$1,175,000 per day or 1 percent of the bank's total assets per day for each day the information is not corrected.

(D) *Mitigating factors.* The amounts set forth in this paragraph (c)(2) may be reduced based upon the factors set forth in paragraph (b) of this section.

Subpart P—Rules and Procedures Relating to the Recovery of Attorney Fees and Other Expenses

§ 308.169 Scope.

This subpart, and the Equal Access to Justice Act (5 U.S.C. 504), which it implements, apply to adversary adjudications before the FDIC. The types of adjudication covered by this subpart are those listed in § 308.01 of the Uniform

Rules. The Uniform Rules and subpart B of the Local Rules apply to any proceedings to recover fees and expenses under this subpart.

§ 308.170 Filing, content, and service of documents.

(a) *Time to file.* An application and any other pleading or document related to the application shall be filed with the Executive Secretary within 30 days after service of the final order of the Board of Directors in disposition of the proceeding whenever:

(1) The applicant seeks an award pursuant to 5 U.S.C. 504(a)(1) as the prevailing party in the adversary adjudication or in a discrete significant substantive portion of the proceeding; or

(2) The applicant, in an adversary adjudication arising from an action to enforce compliance with a statutory or regulatory requirement, asserts pursuant to 5 U.S.C. 504(a)(4) that the demand by the FDIC is substantially in excess of the decision of the administrative law judge and is unreasonable when compared with such decision under the facts and circumstances of the case.

(b) *Content.* The application and related documents shall conform to the requirements of § 308.10(b) and (c) of the Uniform Rules.

(c) *Service.* The application and related documents shall be served on all parties to the adversary adjudication in accordance with § 308.11 of the Uniform Rules, except that statements of net worth shall be served only on counsel for the FDIC.

(d) Upon receipt of an application, the Executive Secretary shall refer the matter to the administrative law judge who heard the underlying adversary proceeding, provided that if the original administrative law judge is unavailable, or the Executive Secretary determines, in his or her sole discretion, that there is cause to refer the matter to a different administrative law judge, the matter shall be referred to a different administrative law judge.

[56 FR 37975, Aug. 9, 1991, as amended at 64 FR 62102, Nov. 16, 1999]

§ 308.171 Responses to application.

(a) *By FDIC.* (1) Within 20 days after service of an application, counsel for the FDIC may file with the Executive Secretary and serve on all parties an answer to the application. Unless counsel for the FDIC requests and is granted an extension of time for filing or files a statement of intent to negotiate under § 308.179 of this subpart, failure to file an answer within the 20-day period will be treated as a consent to the award requested.

(2) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of the FDIC's position. If the answer is based on any alleged facts not already in the record of the proceeding, the answer shall include either supporting affidavits or a request for further proceedings under § 308.180.

(b) *Reply to answer.* The applicant may file a reply with regard to an application filed pursuant to 5 U.S.C. 504 (a)(1), if the FDIC has addressed in its answer any of the following issues: that the position of the FDIC was substantially justified, that the applicant unduly protracted the proceedings, or that special circumstances make an award unjust. The applicant may file a reply with regard to an application filed pursuant to 5 U.S.C. 504 (a)(4), if the FDIC has addressed in its answer any of the following issues: that the applicant has committed a willful violation of law or otherwise acted in bad faith, that the FDIC's demand is reasonable when compared to the decision of the administrative law judge or that special circumstances make an award unjust. The reply shall be filed within 15 days after service of the answer. If the reply is based on any alleged facts not already in the record of the proceeding, the reply shall include either supporting affidavits or a request for further proceedings under § 308.180.

(c) *By other parties.* Any party to the adversary adjudication, other than the applicant and the FDIC, may file comments on an application within 20 days after service of the application. If the applicant is entitled to file a reply to the FDIC's answer under paragraph (b) of this section, another party may file comments on the answer within 15 days

after service of the answer. A commenting party may not participate in any further proceedings on the application unless the administrative law judge determines that the public interest requires such participation in order to permit additional exploration of matters raised in the comments.

(d) *Additional response.* Additional filings in the nature of pleadings may be submitted only by leave of the administrative law judge.

[56 FR 37975, Aug. 9, 1991, as amended at 64 FR 62102, Nov. 16, 1999]

§ 308.172 Eligibility of applicants.

(a) *General rule.* To be eligible for an award under this subpart, an applicant must have been named or admitted as a party to the proceeding. In addition, the applicant must show that it meets all other conditions of eligibility set out in paragraph (b) of this section.

(b) *Types of eligible applicant.* The types of eligible applicant are:

(1) An individual with a net worth of not more than \$2,000,000 at the time the adversary adjudication was initiated; or

(2) Any owner of an unincorporated business, or any partnership, corporation, associations, unit of local government or organization, the net worth of which did not exceed \$7,000,000 and which did not have more than 500 employees at the time the adversary adjudication was initiated.

(3) For purposes of an application filed pursuant to 5 U.S.C. 504(a)(4), a small entity as defined in 5 U.S.C. 601.

(c) *Factors to be considered.* In determining the types of eligible applicants:

(1) An applicant who owns an unincorporated business shall be considered as an *individual* rather than a *sole owner of an unincorporated business* if the issues on which he or she prevails are related to personal interests rather than to business interests.

(2) An applicant's net worth includes the value of any assets disposed of for the purpose of meeting an eligibility standard and excludes the value of any obligations incurred for this purpose. Transfers of assets or obligations incurred for less than reasonably equivalent value will be presumed to have been made for this purpose.

(3) The net worth of a bank shall be established by the net worth information reported in conformity with applicable instructions and guidelines on the bank's Consolidated Report of Condition and Income filed for the last reporting date before the initiation of the adversary adjudication.

(4) The employees of an applicant include all those persons who were regularly providing services for remuneration for the applicant, under its direction and control, on the date the adversary adjudication was initiated. Part-time employees are included as though they were full-time employees.

(5) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. The aggregated net worth shall be adjusted if necessary to avoid counting the net worth of any entity twice. As used in this subpart, *affiliates* are individuals, corporations, and entities that directly or indirectly or acting through one or more entities control a majority of the voting shares of the applicant; and corporations and entities of which the applicant directly or indirectly owns or controls a majority of the voting shares. The Board of Directors may, however, on the recommendation of the administrative law judge, or otherwise, determine that such aggregation with regard to one or more of the applicant's affiliates would be unjust and contrary to the purposes of this subpart in light of the actual relationship between the affiliated entities. In such a case the net worth and employees of the relevant affiliate or affiliates will not be aggregated with those of the applicant. In addition, the Board of Directors may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(6) An applicant that participates in a proceeding primarily on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

[56 FR 37975, Aug. 9, 1991, as amended at 64 FR 62102, Nov. 16, 1999]

§ 308.173 Prevailing party.

(a) *General rule.* An eligible applicant who, following an adversary adjudication has gained victory on the merits in the proceeding is a “prevailing party”. An eligible applicant may be a “prevailing party” if a settlement of the proceeding was effected on terms favorable to it or if the proceeding against it has been dismissed. In appropriate situations an applicant may also have prevailed if the outcome of the proceeding has substantially vindicated the applicant’s position on the significant substantive matters at issue, even though the applicant has not totally avoided adverse final action.

(b) *Segregation of costs.* When a proceeding has presented a number of discrete substantive issues, an applicant may have prevailed even though all the issues were not resolved in its favor. If such an applicant is deemed to have prevailed, any award shall be based on the fees and expenses incurred in connection with the discrete significant substantive issue or issues on which the applicant’s position has been upheld. If such segregation of costs is not practicable, the award may be based on a fair proration of those fees and expenses incurred in the entire proceeding which would be recoverable under § 308.175 if proration were not performed, whether separate or prorated treatment is appropriate, and the appropriate proration percentage, shall be determined on the facts of the particular case. Attention shall be given to the significance and nature of the respective issues and their separability and interrelationship.

§ 308.174 Standards for awards.

(a) For applications filed pursuant to 5 U.S.C. 504(a)(1), a prevailing applicant may receive an award for fees and expenses unless the position of the FDIC during the proceeding was substantially justified or special circumstances make the award unjust. An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceedings. Awards for fees and expenses incurred before the date on which the adversary adjudication was initiated are allowable if their

incurrence was necessary to prepare for the proceeding.

(b) For applications filed pursuant to 5 U.S.C. 504(a)(4), an applicant may receive an award unless the demand by the FDIC was reasonable when compared with the decision of the administrative law judge, the applicant has committed a willful violation of law or otherwise acted in bad faith, or special circumstances make an award unjust.

[64 FR 62102, Nov. 16, 1999]

§ 308.175 Measure of awards.

(a) *General rule.* Awards will be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents, and expert witnesses, even if the services were made available without charge or at a reduced rate, provided that no award under this subpart for the fee of an attorney or agent may exceed \$125 per hour. No award to compensate an expert witness may exceed the highest rate at which the FDIC pays expert witnesses. An award may include the reasonable expenses of the attorney, agent, or expert witness as a separate item, if the attorney, agent, or expert witness ordinarily charges clients separately for such expenses. Fees and expenses awarded under 5 U.S.C. 504(a)(4) related to defending against an excessive demand shall be paid only as a consequence of appropriations paid in advance.

(b) *Determination of reasonableness of fees.* In determining the reasonableness of the fee sought for an attorney, agent, or expert witness, the administrative law judge shall consider the following:

(1) If the attorney, agent, or expert witness is in private practice, his or her customary fee for like services, or, if he or she is an employee of the applicant, the fully allocated cost of the services;

(2) The prevailing rate for similar services in the community in which the attorney, agent, or expert witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) The time reasonably spent in light of the difficulty or complexity of the issues in the proceeding; and

§ 308.176

(5) Such other factors as may bear on the value of the services provided.

(c) *Awards for studies.* The reasonable cost of any study, analysis, test, project, or similar matter prepared on behalf of an applicant may be awarded to the extent that the charge for the service does not exceed the prevailing rate payable for similar services, and the study or other matter was necessary for preparation of the applicant's case and not otherwise required by law or sound business or financial practice.

(3) For applications filed pursuant to 5 U.S.C. 504(a)(4), a showing that the demand by the FDIC is substantially in excess of the decision of the administrative law judge and is unreasonable when compared with such decision under the facts and circumstances of the case;

(4) A statement of the amount of fees and expenses for which an award is sought;

(5) For applications filed pursuant to 5 U.S.C. 504(a)(4), a statement of the amount of fees and expenses which constitute appropriations paid in advance;

(9) For applications filed pursuant to 5 U.S.C. 504(a)(1), a statement whether the applicant is a small entity as defined in 5 U.S.C. 601; and

(10) Any other matters that the applicant wishes the FDIC to consider in determining whether and in what amount an award should be made.

(b) *Verification.* The application shall be signed by the applicant or an authorized officer or attorney of the applicant. It shall also contain or be accompanied by a written verification under oath or under penalty of perjury that the information provided in the application and supporting documents is true and correct.

§ 308.177 Statement of net worth.

(a) *General rule.* A statement of net worth must be filed with the application for an award of fees. The statement shall reflect the net worth of the applicant and all affiliates of the applicant.

(b) *Contents.* (1) The statement of net worth may be in any form convenient to the applicant which fully discloses all the assets and liabilities of the applicant and all the assets and liabilities of its affiliates, as of the time of the initiation of the adversary adjudication. Unaudited financial statements are acceptable unless the administrative law judge or the Board of Directors otherwise requires. Financial statements or reports to a Federal or state agency, prepared before the initiation of the adversary adjudication for other purposes, and accurate as of a date not more than three months prior to the initiation of the proceeding, are acceptable in establishing net worth as of the time of the initiation of the proceeding, unless the administrative law judge or the Board of Directors otherwise requires.

(2) In the case of applicants or affiliates that are not banks, net worth shall be considered for the purposes of this subpart to be the excess of total assets over total liabilities, as of the date the underlying proceeding was initiated, except as adjusted under § 308.172(c)(2). Assets and liabilities of

individuals shall include those beneficially owned within the meaning of the FDIC's rules and regulations.

(3) If the applicant or any of its affiliates is a bank, the portion of the statement of net worth which relates to the bank shall consist of a copy of the bank's last Consolidated Report of Condition and Income filed before the initiation of the adversary adjudication. In all cases the administrative law judge or the Board of Directors may call for additional information needed to establish the applicant's net worth as of the initiation of the proceeding. Except as adjusted by additional information that was called for under the preceding sentence, net worth shall be considered for the purposes of this subpart to be the total equity capital (or, in the case of mutual savings banks, the total surplus accounts) as reported, in conformity with applicable instructions and guidelines, on the bank's Consolidated Report of Condition and Income filed for the last reporting date before the initiation of the proceeding.

(c) *Statement confidential.* Unless otherwise ordered by the Board of Directors or required by law, the statement of net worth shall be for the confidential use of counsel for the FDIC, the Board of Directors, and the administrative law judge.

§ 308.178 Statement of fees and expenses.

The application shall be accompanied by a statement fully documenting the fees and expenses for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in work in connection with the proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services performed. The administrative law judge or the Board of Directors may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

§ 308.179 Settlement negotiations.

If counsel for the FDIC and the applicant believe that the issues in a fee application can be settled, they may jointly file with the Executive Secretary with a copy to the administrative law judge a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer under § 308.171 for an additional 30 days, and further extensions may be granted by the administrative law judge upon the joint request of counsel for the FDIC and the applicant.

[56 FR 37975, Aug. 9, 1991, as amended at 64 FR 62102, Nov. 16, 1999]

§ 308.180 Further proceedings.

(a) *General rule.* Ordinarily, the determination of a recommended award will be made by the administrative law judge on the basis of the written record. However, on request of either the applicant or the FDIC, or on his or her own initiative, the administrative law judge may order further proceedings such as an informal conference, oral argument, additional written submissions, or an evidentiary hearing. Such further proceedings will be held only when necessary for full and fair resolution of the issues arising from the application and will be conducted promptly and expeditiously.

(b) *Request for further proceedings.* A request for further proceedings under this section shall specifically identify the information sought or the issues in dispute and shall explain why additional proceedings are necessary.

(c) *Hearing.* Ordinarily, the administrative law judge shall hold an oral evidentiary hearing only on disputed issues of material fact which cannot be adequately resolved through written submissions.

§ 308.181 Recommended decision.

The administrative law judge shall file with the Executive Secretary a recommended decision on the fee application not later than 90 days after the filing of the application or 30 days after the conclusion of the hearing, whichever is later. The recommended decision shall include written proposed

§ 308.182

findings and conclusions on the applicant's eligibility and its status as a prevailing party and an explanation of the reasons for any difference between the amount requested and the amount of the recommended award. The recommended decision shall also include, if at issue, proposed findings on whether the FDIC's position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. The administrative law judge shall file the record of the proceeding on the fee application and, at the same time, serve upon each party a copy of the recommended decision, findings, conclusions, and proposed order.

§ 308.182 Board of Directors action.

(a) *Exceptions to recommended decision.* Within 20 days after service of the recommended decision, findings, conclusions, and proposed order, the applicant or counsel for the FDIC may file with the Executive Secretary written exceptions thereto. A supporting brief may also be filed.

(b) *Decision of Board of Directors.* The Board of Directors shall render its decision within 60 days after the matter is submitted to it by the Executive Secretary. The Executive Secretary shall furnish copies of the decision and order of the Board of Directors to the parties. Judicial review of the decision and order may be obtained as provided in 5 U.S.C. 504(c)(2).

§ 308.183 Payment of awards.

An applicant seeking payment of an award made by the Board of Directors shall submit to the Executive Secretary a statement that the applicant will not seek judicial review of the decision and order or that the time for seeking further review has passed and no further review has been sought. The FDIC will pay the amount awarded within 30 days after receiving the applicant's statement, unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

Subpart Q—Issuance and Review of Orders Pursuant to the Prompt Corrective Action Provisions of the Federal Deposit Insurance Act

SOURCE: 57 FR 44897, Sept. 29, 1992, unless otherwise noted.

§ 308.200 Scope.

The rules and procedures set forth in this subpart apply to banks, insured branches of foreign banks and senior executive officers and directors of banks that are subject to the provisions of section 38 of the Federal Deposit Insurance Act (section 38) (12 U.S.C. 1831o) and subpart B of part 325 of this chapter.

[57 FR 44897, Sept. 29, 1992; 57 FR 48426, Oct. 23, 1992]

§ 308.201 Directives to take prompt corrective action.

(a) *Notice of intent to issue directive—*
(1) *In general.* The FDIC shall provide an undercapitalized, significantly undercapitalized, or critically undercapitalized bank prior written notice of the FDIC's intention to issue a directive requiring such bank to take actions or to follow proscriptions described in section 38 that are within the FDIC's discretion to require or impose under section 38 of the FDI Act, including sections 38 (e)(5), (f)(2), (f)(3), or (f)(5). The bank shall have such time to respond to a proposed directive as provided by the FDIC under paragraph (c) of this section.

(2) *Immediate issuance of final directive.* If the FDIC finds it necessary in order to carry out the purposes of section 38 of the FDI Act, the FDIC may, without providing the notice prescribed in paragraph (a)(1) of this section, issue a directive requiring a bank immediately to take actions or to follow proscriptions described in section 38 that are within the FDIC's discretion to require or impose under section 38 of the FDI Act, including section 38 (e)(5), (f)(2), (f)(3), or (f)(5). A bank that is subject to such an immediately effective directive may submit a written appeal of the directive to the FDIC. Such an appeal must be received by the FDIC within 14 calendar days of the

issuance of the directive, unless the FDIC permits a longer period. The FDIC shall consider any such appeal, if filed in a timely matter, within 60 days of receiving the appeal. During such period of review, the directive shall remain in effect unless the FDIC, in its sole discretion, stays the effectiveness of the directive.

(b) *Contents of notice.* A notice of intention to issue a directive shall include:

(1) A statement of the bank's capital measures and capital levels;

(2) A description of the restrictions, prohibitions or affirmative actions that the FDIC proposes to impose or require;

(3) The proposed date when such restrictions or prohibitions would be effective or the proposed date for completion of such affirmative actions; and

(4) The date by which the bank subject to the directive may file with the FDIC a written response to the notice.

(c) *Response to notice*—(1) *Time for response.* A bank may file a written response to a notice of intent to issue a directive within the time period set by the FDIC. The date shall be at least 14 calendar days from the date of the notice unless the FDIC determines that a shorter period is appropriate in light of the financial condition of the bank or other relevant circumstances.

(2) *Content of response.* The response should include:

(i) An explanation why the action proposed by the FDIC is not an appropriate exercise of discretion under section 38;

(ii) Any recommended modification of the proposed directive; and

(iii) Any other relevant information, mitigating circumstances, documentation, or other evidence in support of the position of the bank regarding the proposed directive.

(d) *FDIC consideration of response.* After considering the response, the FDIC may:

(1) Issue the directive as proposed or in modified form;

(2) Determine not to issue the directive and so notify the bank; or

(3) Seek additional information or clarification of the response from the bank or any other relevant source.

(e) *Failure to file response.* Failure by a bank to file with the FDIC, within the specified time period, a written response to a proposed directive shall constitute a waiver of the opportunity to respond and shall constitute consent to the issuance of the directive.

(f) *Request for modification or rescission of directive.* Any bank that is subject to a directive under this subpart may, upon a change in circumstances, request in writing that the FDIC reconsider the terms of the directive, and may propose that the directive be rescinded or modified. Unless otherwise ordered by the FDIC, the directive shall continue in place while such request is pending before the FDIC.

§ 308.202 Procedures for reclassifying a bank based on criteria other than capital.

(a) *Reclassification based on unsafe or unsound condition or practice*—(1) *Issuance of notice of proposed reclassification*—(i) *Grounds for reclassification.* (A) Pursuant to §325.103(d) of this chapter, the FDIC may reclassify a well capitalized bank as adequately capitalized or subject an adequately capitalized or undercapitalized institution to the supervisory actions applicable to the next lower capital category if:

(1) The FDIC determines that the bank is in unsafe or unsound condition; or

(2) The FDIC, pursuant to section 8(b)(8) of the FDI Act (12 U.S.C. 1818(b)(8)), deems the bank to be engaged in an unsafe or unsound practice and not to have corrected the deficiency.

(B) Any action pursuant to this paragraph (a)(1)(i) shall hereinafter be referred to as *reclassification*.

(ii) *Prior notice to institution.* Prior to taking action pursuant to §325.103(d) of this chapter, the FDIC shall issue and serve on the bank a written notice of the FDIC's intention to reclassify the bank.

(2) *Contents of notice.* A notice of intention to reclassify a bank based on unsafe or unsound condition shall include:

(i) A statement of the bank's capital measures and capital levels and the category to which the bank would be reclassified;

(ii) The reasons for reclassification of the bank;

(iii) The date by which the bank subject to the notice of reclassification may file with the FDIC a written appeal of the proposed reclassification and a request for a hearing, which shall be at least 14 calendar days from the date of service of the notice unless the FDIC determines that a shorter period is appropriate in light of the financial condition of the bank or other relevant circumstances.

(3) *Response to notice of proposed reclassification.* A bank may file a written response to a notice of proposed reclassification within the time period set by the FDIC. The response should include:

(i) An explanation of why the bank is not in an unsafe or unsound condition or otherwise should not be reclassified; and

(ii) Any other relevant information, mitigating circumstances, documentation, or other evidence in support of the position of the bank regarding the reclassification.

(4) *Failure to file response.* Failure by a bank to file, within the specified time period, a written response with the FDIC to a notice of proposed reclassification shall constitute a waiver of the opportunity to respond and shall constitute consent to the reclassification.

(5) *Request for hearing and presentation of oral testimony or witnesses.* The response may include a request for an informal hearing before the FDIC under this section. If the bank desires to present oral testimony or witnesses at the hearing, the bank shall include a request to do so with the request for an informal hearing. A request to present oral testimony or witnesses shall specify the names of the witnesses and the general nature of their expected testimony. Failure to request a hearing shall constitute a waiver of any right to a hearing, and failure to request the opportunity to present oral testimony or witnesses shall constitute a waiver of any right to present oral testimony or witnesses.

(6) *Order for informal hearing.* Upon receipt of a timely written request that includes a request for a hearing, the FDIC shall issue an order directing an informal hearing to commence no later

than 30 days after receipt of the request, unless the bank requests a later date. The hearing shall be held in Washington, DC or at such other place as may be designated by the FDIC, before a presiding officer(s) designated by the FDIC to conduct the hearing.

(7) *Hearing procedures.* (i) The bank shall have the right to introduce relevant written materials and to present oral argument at the hearing. The bank may introduce oral testimony and present witnesses only if expressly authorized by the FDIC or the presiding officer(s). Neither the provisions of the Administrative Procedure Act (5 U.S.C. 554-557) governing adjudications required by statute to be determined on the record nor the Uniform Rules of Practice and Procedure in this part apply to an informal hearing under this section unless the FDIC orders that such procedures shall apply.

(ii) The informal hearing shall be recorded, and a transcript shall be furnished to the bank upon request and payment of the cost thereof. Witnesses need not be sworn, unless specifically requested by a party or the presiding officer(s). The presiding officer(s) may ask questions of any witness.

(iii) The presiding officer(s) may order that the hearing be continued for a reasonable period (normally five business days) following completion of oral testimony or argument to allow additional written submissions to the hearing record.

(8) *Recommendation of presiding officers.* Within 20 calendar days following the date the hearing and the record on the proceeding are closed, the presiding officer(s) shall make a recommendation to the FDIC on the reclassification.

(9) *Time for decision.* Not later than 60 calendar days after the date the record is closed or the date of the response in a case where no hearing was requested, the FDIC will decide whether to reclassify the bank and notify the bank of the FDIC's decision.

(b) *Request for rescission of reclassification.* Any bank that has been reclassified under this section, may, upon a change in circumstances, request in writing that the FDIC reconsider the reclassification, and may propose that the reclassification be rescinded and

that any directives issued in connection with the reclassification be modified, rescinded, or removed. Unless otherwise ordered by the FDIC, the bank shall remain subject to the reclassification and to any directives issued in connection with that reclassification while such request is pending before the FDIC.

§ 308.203 Order to dismiss a director or senior executive officer.

(a) *Service of notice.* When the FDIC issues and serves a directive on a bank pursuant to § 308.201 of this part requiring the bank to dismiss from office any director or senior executive officer under § 38(f)(2)(F)(ii) of the FDI Act, the FDIC shall also serve a copy of the directive, or the relevant portions of the directive where appropriate, upon the person to be dismissed.

(b) *Response to directive—(1) Request for reinstatement.* A director or senior executive officer who has been served with a directive under paragraph (a) of this section (Respondent) may file a written request for reinstatement. The request for reinstatement shall be filed within 10 calendar days of the receipt of the directive by the Respondent, unless further time is allowed by the FDIC at the request of the Respondent.

(2) *Contents of request; informal hearing.* The request for reinstatement shall include reasons why the Respondent should be reinstated, and may include a request for an informal hearing before the FDIC under this section. If the Respondent desires to present oral testimony or witnesses at the hearing, the Respondent shall include a request to do so with the request for an informal hearing. The request to present oral testimony or witnesses shall specify the names of the witnesses and the general nature of their expected testimony. Failure to request a hearing shall constitute a waiver of any right to a hearing and failure to request the opportunity to present oral testimony or witnesses shall constitute a waiver of any right or opportunity to present oral testimony or witnesses.

(3) *Effective date.* Unless otherwise ordered by the FDIC, the dismissal shall remain in effect while a request for reinstatement is pending.

(c) *Order for informal hearing.* Upon receipt of a timely written request from a Respondent for an informal hearing on the portion of a directive requiring a bank to dismiss from office any director or senior executive officer, the FDIC shall issue an order directing an informal hearing to commence no later than 30 days after receipt of the request, unless the Respondent requests a later date. The hearing shall be held in Washington, DC, or at such other place as may be designated by the FDIC, before a presiding officer(s) designated by the FDIC to conduct the hearing.

(d) *Hearing procedures.* (1) A Respondent may appear at the hearing personally or through counsel. A Respondent shall have the right to introduce relevant written materials and to present oral argument. A Respondent may introduce oral testimony and present witnesses only if expressly authorized by the FDIC or the presiding officer(s). Neither the provisions of the Administrative Procedure Act governing adjudications required by statute to be determined on the record nor the Uniform Rules of Practice and Procedure in this part apply to an informal hearing under this section unless the FDIC orders that such procedures shall apply.

(2) The informal hearing shall be recorded, and a transcript shall be furnished to the Respondent upon request and payment of the cost thereof. Witnesses need not be sworn, unless specifically requested by a party or the presiding officer(s). The presiding officer(s) may ask questions of any witness.

(3) The presiding officer(s) may order that the hearing be continued for a reasonable period (normally five business days) following completion of oral testimony or argument to allow additional written submissions to the hearing record.

(e) *Standard for review.* A Respondent shall bear the burden of demonstrating that his or her continued employment by or service with the bank would materially strengthen the bank's ability:

(1) To become adequately capitalized, to the extent that the directive was issued as a result of the bank's capital

§ 308.204

12 CFR Ch. III (1–1–03 Edition)

level or failure to submit or implement a capital restoration plan; and

(2) To correct the unsafe or unsound condition or unsafe or unsound practice, to the extent that the directive was issued as a result of classification of the bank based on supervisory criteria other than capital, pursuant to section 38(g) of the FDI Act.

(f) *Recommendation of presiding officers.* Within 20 calendar days following the date the hearing and the record on the proceeding are closed, the presiding officer(s) shall make a recommendation to the FDIC concerning the Respondent's request for reinstatement with the bank.

(g) *Time for decision.* Not later than 60 calendar days after the date the record is closed or the date of the response in a case where no hearing was requested, the FDIC shall grant or deny the request for reinstatement and notify the Respondent of the FDIC's decision. If the FDIC denies the request for reinstatement, the FDIC shall set forth in the notification the reasons for the FDIC's action.

§ 308.204 Enforcement of directives.

(a) *Judicial remedies.* Whenever a bank fails to comply with a directive issued under section 38, the FDIC may seek enforcement of the directive in the appropriate United States district court pursuant to section 8(i)(1) of the FDI Act (12 U.S.C. 1818(i)(1)).

(b) *Administrative remedies—(1) Failure to comply with directive.* Pursuant to section 8(i)(2)(A) of the FDI Act, the FDIC may assess a civil money penalty against any bank that violates or otherwise fails to comply with any final directive issued under section 38 and against any institution-affiliated party who participates in such violation or noncompliance.

(2) *Failure to implement capital restoration plan.* The failure of a bank to implement a capital restoration plan required under section 38, or subpart B of part 325 of this chapter, or the failure of a company having control of a bank to fulfill a guarantee of a capital restoration plan made pursuant to section 38(e)(2) of the FDI Act shall subject the bank to the assessment of civil money penalties pursuant to section 8(i)(2)(A) of the FDI Act.

(c) *Other enforcement action.* In addition to the actions described in paragraphs (a) and (b) of this section, the FDIC may seek enforcement of the provisions of section 38 or subpart B of part 325 of this chapter through any other judicial or administrative proceeding authorized by law.

Subpart R—Submission and Review of Safety and Soundness Compliance Plans and Issuance of Orders To Correct Safety and Soundness Deficiencies

SOURCE: 60 FR 35684, July 10, 1995, unless otherwise noted.

§ 308.300 Scope.

The rules and procedures set forth in this subpart apply to insured state nonmember banks and to state-licensed insured branches of foreign banks, that are subject to the provisions of section 39 of the Federal Deposit Insurance Act (section 39) (12 U.S.C. 1831p–1).

§ 308.301 Purpose.

Section 39 of the FDI Act requires the FDIC to establish safety and soundness standards. Pursuant to section 39, a bank may be required to submit a compliance plan if it is not in compliance with a safety and soundness standard established by guideline under section 39(a) or (b). An enforceable order under section 8 of the FDI Act may be issued if, after being notified that it is in violation of a safety and soundness standard established under section 39, the bank fails to submit an acceptable compliance plan or fails in any material respect to implement an accepted plan. This subpart establishes procedures for requiring submission of a compliance plan and issuing an enforceable order pursuant to section 39.

§ 308.302 Determination and notification of failure to meet a safety and soundness standard and request for compliance plan.

(a) *Determination.* The FDIC may, based upon an examination, inspection

or any other information that becomes available to the FDIC, determine that a bank has failed to satisfy the safety and soundness standards set out in part 364 of this chapter and in the Interagency Guidelines Establishing Standards for Safety and Soundness in appendix A and the Interagency Guidelines Establishing Standards for Safeguarding Customer Information in appendix B to part 364 of this chapter.

(b) *Request for compliance plan.* If the FDIC determines that a bank has failed a safety and soundness standard pursuant to paragraph (a) of this section, the FDIC may request, by letter or through a report of examination, the submission of a compliance plan and the bank shall be deemed to have notice of the request three days after mailing of the letter by the FDIC or delivery of the report of examination.

[60 FR 35684, July 10, 1995, as amended at 66 FR 8638, Feb. 1, 2001]

§ 308.303 Filing of safety and soundness compliance plan.

(a) *Schedule for filing compliance plan—(1) In general.* A bank shall file a written safety and soundness compliance plan with the FDIC within 30 days of receiving a request for a compliance plan pursuant to § 308.302(b), unless the FDIC notifies the bank in writing that the plan is to be filed within a different period.

(2) *Other plans.* If a bank is obligated to file, or is currently operating under, a capital restoration plan submitted pursuant to section 38 of the FDI Act (12 U.S.C. 1831o), a cease-and-desist order entered into pursuant to section 8 of the FDI Act, a formal or informal agreement, or a response to a report of examination or report of inspection, it may, with the permission of the FDIC, submit a compliance plan under this section as part of that plan, order, agreement, or response, subject to the deadline provided in paragraph (a)(1) of this section.

(b) *Contents of plan.* The compliance plan shall include a description of the steps the bank will take to correct the deficiency and the time within which those steps will be taken.

(c) *Review of safety and soundness compliance plans.* Within 30 days after receiving a safety and soundness compli-

ance plan under this subpart, the FDIC shall provide written notice to the bank of whether the plan has been approved or seek additional information from the bank regarding the plan. The FDIC may extend the time within which notice regarding approval of a plan will be provided.

(d) *Failure to submit or implement a compliance plan—(1) Supervisory actions.* If a bank fails to submit an acceptable plan within the time specified by the FDIC or fails in any material respect to implement a compliance plan, then the FDIC shall, by order, require the bank to correct the deficiency and may take further actions provided in section 39(e)(2)(B). Pursuant to section 39(e)(3), the FDIC may be required to take certain actions if the bank commenced operations or experienced a change in control within the previous 24-month period, or the bank experienced extraordinary growth during the previous 18-month period.

(2) *Extraordinary growth.* For purposes of paragraph (d)(1) of this section, extraordinary growth means an increase in assets of more than 7.5 percent during any quarter within the 18-month period preceding the issuance of a request for submission of a compliance plan, by a bank that is not well capitalized for purposes of section 38 of the FDI Act. For purposes of calculating an increase in assets, assets acquired through merger or acquisition approved pursuant to the Bank Merger Act (12 U.S.C. 1828(e)) will be excluded.

(e) *Amendment of compliance plan.* A bank that has filed an approved compliance plan may, after prior written notice to and approval by the FDIC, amend the plan to reflect a change in circumstance. Until such time as a proposed amendment has been approved, the bank shall implement the compliance plan as previously approved.

§ 308.304 Issuance of orders to correct deficiencies and to take or refrain from taking other actions.

(a) *Notice of intent to issue order—(1) In general.* The FDIC shall provide a bank prior written notice of the FDIC's intention to issue an order requiring the bank to correct a safety and soundness deficiency or to take or refrain from taking other actions pursuant to

section 39 of the FDI Act. The bank shall have such time to respond to a proposed order as provided by the FDIC under paragraph (c) of this section.

(2) *Immediate issuance of final order.* If the FDIC finds it necessary in order to carry out the purposes of section 39 of the FDI Act, the FDIC may, without providing the notice prescribed in paragraph (a)(1) of this section, issue an order requiring a bank immediately to take actions to correct a safety and soundness deficiency or take or refrain from taking other actions pursuant to section 39. A bank that is subject to such an immediately effective order may submit a written appeal of the order to the FDIC. Such an appeal must be received by the FDIC within 14 calendar days of the issuance of the order, unless the FDIC permits a longer period. The FDIC shall consider any such appeal, if filed in a timely matter, within 60 days of receiving the appeal. During such period of review, the order shall remain in effect unless the FDIC, in its sole discretion, stays the effectiveness of the order.

(b) *Contents of notice.* A notice of intent to issue an order shall include:

(1) A statement of the safety and soundness deficiency or deficiencies that have been identified at the bank;

(2) A description of any restrictions, prohibitions, or affirmative actions that the FDIC proposes to impose or require;

(3) The proposed date when such restrictions or prohibitions would be effective or the proposed date for completion of any required action; and

(4) The date by which the bank subject to the order may file with the FDIC a written response to the notice.

(c) *Response to notice*—(1) *Time for response.* A bank may file a written response to a notice of intent to issue an order within the time period set by the FDIC. Such a response must be received by the FDIC within 14 calendar days from the date of the notice unless the FDIC determines that a different period is appropriate in light of the safety and soundness of the bank or other relevant circumstances.

(2) *Contents of response.* The response should include:

(i) An explanation why the action proposed by the FDIC is not an appro-

priate exercise of discretion under section 39;

(ii) Any recommended modification of the proposed order; and

(iii) Any other relevant information, mitigating circumstances, documentation, or other evidence in support of the position of the bank regarding the proposed order.

(d) *Agency consideration of response.* After considering the response, the FDIC may:

(1) Issue the order as proposed or in modified form;

(2) Determine not to issue the order and so notify the bank; or

(3) Seek additional information or clarification of the response from the bank, or any other relevant source.

(e) *Failure to file response.* Failure by a bank to file with the FDIC, within the specified time period, a written response to a proposed order shall constitute a waiver of the opportunity to respond and shall constitute consent to the issuance of the order.

(f) *Request for modification or rescission of order.* Any bank that is subject to an order under this subpart may, upon a change in circumstances, request in writing that the FDIC reconsider the terms of the order, and may propose that the order be rescinded or modified. Unless otherwise ordered by the FDIC, the order shall continue in place while such request is pending before the FDIC.

§ 308.305 Enforcement of orders.

(a) *Judicial remedies.* Whenever a bank fails to comply with an order issued under section 39, the FDIC may seek enforcement of the order in the appropriate United States district court pursuant to section 8(i)(1) of the FDI Act.

(b) *Failure to comply with order.* Pursuant to section 8(i)(2)(A) of the FDI Act, the FDIC may assess a civil money penalty against any bank that violates or otherwise fails to comply with any final order issued under section 39 and against any institution-affiliated party who participates in such violation or noncompliance.

(c) *Other enforcement action.* In addition to the actions described in paragraphs (a) and (b) of this section, the FDIC may seek enforcement of the provisions of section 39 or this part

Subpart S—Applications for a Stay or Review of Actions of Bank Clearing Agencies

SOURCE: 61 FR 48403, Sept. 11, 1996, unless otherwise noted.

§ 308.400 Scope.

This subpart is issued by the Corporation pursuant to sections 17A(b)(3)(g), 17A(b)(5)(C), 19 and 23 of the Securities Exchange Act of 1934 (Exchange Act), as amended (15 U.S.C. 78q-1 (b)(3)(g), (b)(5)(C), 78s, 78w). It applies to applications by banks insured by the Corporation (other than members of the Federal Reserve System) for a stay or review of certain actions by clearing agencies registered under the Exchange Act, for which the Securities and Exchange Commission (Commission) is not the appropriate regulatory agency under section 3(a)(34)(B) of the Exchange Act (bank clearing agencies).

§ 308.401 Applications for stays of disciplinary sanctions or summary suspensions by a bank clearing agency.

Subpart T—Program Fraud Civil Remedies and Procedures

SOURCE: 66 FR 9189, Feb. 7, 2001, unless otherwise noted.

§ 308.500 Basis, purpose, and scope.

(a) *Basis.* This subpart implements the Program Fraud Civil Remedies Act, Pub. L. 99-509, sections 6101-6104, 100 Stat. 1874 (October 21, 1986), codified at 31 U.S.C. 3801-3812, (PFCRA) and made applicable to the Federal Deposit Insurance Corporation (FDIC) by section 23 of the Resolution Trust Corporation Completion Act (Pub. L. 103-204, 107 Stat. 2369). 31 U.S.C. 3809 of the statute requires each Authority head to promulgate regulations necessary to implement the provisions of the statute.

(b) *Purpose.* This subpart:

(1) Establishes administrative procedures for imposing civil penalties and assessments against persons who make, submit, or present or cause to be made, submitted, or presented false, fictitious, or fraudulent claims or written statements to the FDIC or to its agents; and

(2) Specifies the hearing and appeal rights of persons subject to allegations of liability for such penalties and assessments.

(c) *Scope.* This subpart applies only to persons who make, submit, or present or cause to be made, submitted, or presented false, fictitious, or fraudulent claims or written statements to the FDIC or to its agents acting on behalf of the FDIC in connection with FDIC employment matters, FDIC contracting activities, and the FDIC Asset Purchaser Certification Program. It does not apply to false claims or statements made in connection with programs (other than as set forth in the preceding sentence) related to the FDIC's regulatory, supervision, enforcement, insurance, receivership or liquidation responsibilities. The FDIC is restricting the scope of applicability of this subpart because other civil and administrative remedies are adequate to redress fraud in the areas not covered.

(4) Each claim for property, services, or money that constitutes any one of the elements in paragraph (a)(1) of this section is subject to a civil penalty regardless of whether the property, services, or money is actually delivered or paid.

(5) If the FDIC has made any payment (including transferred property or provided services) on a claim, a person subject to a civil penalty under paragraph (a)(1) of this section will also be subject to an assessment of not more than twice the amount of such claim (or portion of the claim) that is determined to constitute a false, fictitious, or fraudulent claim under paragraph (a)(1) of this section. The assessment will be in lieu of damages sustained by the FDIC because of the claims.

§ 308.503

(ii) The statement omits a material fact that the person making the statement has a duty to include in the statement; and

(2) In any case in which it is determined that more than one person is liable for making a claim under this section on which the FDIC has made payment (including transferred property or provided services), an assessment may be imposed against any such person or jointly and severally against any combination of such persons.

12 CFR Ch. III (1–1–03 Edition)

§ 308.503 Investigations.

(a) If an investigating official concludes that a subpoena pursuant to the authority conferred by 31 U.S.C. 3804(a) is warranted:

(1) The subpoena will identify the person to whom it is addressed and the authority under which the subpoena is issued and will identify the records or documents sought;

(2) The investigating official may designate a person to act on his or her behalf to receive the documents sought; and

(3) The person receiving such subpoena will be required to provide the investigating official or the person designated to receive the documents a certification that the documents sought have been produced, or that such documents are not available, and the reasons therefor, or that such documents, suitably identified, have been withheld based upon the assertion of an identified privilege.

(b) If the investigating official concludes that an action under the PFCRA may be warranted, the investigating official will submit a report containing the findings and conclusions of such investigation to the reviewing official.

(c) Nothing in this section will preclude or limit an investigating official's discretion to refer allegations directly to the United States Department of Justice (DOJ) for suit under the False Claims Act (31 U.S.C. 3729 *et seq.*) or other civil relief, or to preclude or limit the investigating official's discretion to defer or postpone a report or referral to the reviewing official to avoid interference with a criminal investigation or prosecution.

(d) Nothing in this section modifies any responsibility of an investigating official to report violations of criminal law to the Attorney General.

§ 308.504 Review by the reviewing official.

(a) If, based on the report of the investigating official under §308.503(b) of this subpart, the reviewing official determines that there is adequate evidence to believe that a person is liable under §308.502 of this subpart, the reviewing official will transmit to the Attorney General a written notice of the reviewing official's intention to

Federal Deposit Insurance Corporation

§ 308.507

issue a complaint under § 308.506 of this subpart.

(b) Such notice will include:

(1) A statement of the reviewing official's reasons for issuing a complaint;

(2) A statement specifying the evidence that supports the allegations of liability;

(3) A description of the claims or statements upon which the allegations of liability are based;

(4) An estimate of the amount of money or the value of property, services, or other benefits requested or demanded in violation of § 308.502 of this subpart;

(5) A statement of any exculpatory or mitigating circumstances that may relate to the claims or statements known by the reviewing official or the investigating official; and

(6) A statement that there is a reasonable prospect of collecting an appropriate amount of penalties and assessments. Such a statement may be based upon information then known, or upon an absence of any information indicating that the person may be unable to pay such amount.

§ 308.505 Prerequisites for issuing a complaint.

(a) The reviewing official may issue a complaint under § 308.506 of this subpart only if:

(1) The DOJ approves the issuance of a complaint in a written statement described in 31 U.S.C. 3803(b)(1); and

(2) In the case of allegations of liability under § 308.502(a) of this subpart with respect to a claim (or a group of related claims submitted at the same time as defined in paragraph (b) of this section) the reviewing official determines that the amount of money or the value of property or services demanded or requested does not exceed \$150,000.

(b) For the purposes of this section, a group of related claims submitted at the same time will include only those claims arising from the same transaction (e.g., grant, loan, application, or contract) that are submitted simultaneously as part of a single request, demand, or submission.

(c) Nothing in this section will be construed to limit the reviewing official's authority to join in a single complaint against a person claims that are

unrelated or were not submitted simultaneously, regardless of the amount of money, or the value of property or services, demanded or requested.

§ 308.506 Complaint.

(a) On or after the date the DOJ approves the issuance of a complaint in accordance with 31 U.S.C. 3803(b)(1), the reviewing official may serve a complaint on the defendant, as provided in § 308.507 of this subpart.

(b) The complaint will state:

(1) The allegations of liability against the defendant, including the statutory basis for liability, or identification of the claims or statements that are the basis for the alleged liability, and the reasons why liability allegedly arises from such claims or statements;

(2) The maximum amount of penalties and assessments for which the defendant may be held liable;

(3) Instructions for filing an answer and to request a hearing, including a specific statement of the defendant's right to request a hearing by filing an answer and to be represented by a representative; and

(4) That failure to file an answer within 30 days of service of the complaint will result in the imposition of the maximum amount of penalties and assessments without right to appeal, as provided in § 308.509 of this subpart.

(c) At the same time the reviewing official serves the complaint, he or she will provide the defendant with a copy of this subpart.

§ 308.507 Service of complaint.

(a) Service of a complaint will be made by certified or registered mail or by delivery in any manner authorized by rule 4(c) of the Federal Rules of Civil Procedure (28 U.S.C. App.). Service is complete upon receipt.

(b) Proof of service, stating the name and address of the person on whom the complaint was served, and the manner and date of service, may be made by:

(1) Affidavit of the individual serving the complaint by delivery;

(2) A United States Postal Service return receipt card acknowledging receipt; or

§ 308.508

12 CFR Ch. III (1-1-03 Edition)

(3) Written acknowledgment of receipt by the defendant or his or her representative.

§ 308.508 Answer.

(a) The defendant may request a hearing by filing an answer with the reviewing official within 30 days of service of the complaint. An answer will be deemed to be a request for hearing.

(b) In the answer, the defendant:

(1) Must admit or deny each of the allegations of liability made in the complaint;

(2) Must state any defense on which the defendant intends to rely;

(3) May state any reasons why the defendant contends that the penalties and assessments should be less than the statutory maximum; and

(4) Must state the name, address, and telephone number of the person authorized by the defendant to act as defendant's representative, if any.

(c) If the defendant is unable to file an answer meeting the requirements of paragraph (b) of this section within the time provided:

(1) The defendant may, before the expiration of 30 days from service of the complaint, file with the reviewing official a general answer denying liability and requesting a hearing, and a request for an extension of time within which to file an answer meeting the requirements of paragraph (b) of this section.

(2) The reviewing official will file promptly with the ALJ the complaint, the general answer denying liability, and the request for an extension of time as provided in §308.510 of this subpart.

(3) For good cause shown, the ALJ may grant the defendant up to 30 additional days within which to file an answer meeting the requirements of paragraph (b) of this section.

§ 308.509 Default upon failure to file an answer.

(a) If the defendant does not file an answer within the time prescribed in §308.508(a) of this subpart, the reviewing official may refer the complaint to the ALJ.

(b) Upon the referral of the complaint, the ALJ will promptly serve on defendant in the manner prescribed in

§308.507 of this subpart, a notice that an initial decision will be issued under this section.

(c) If the defendant fails to answer, the ALJ will assume the facts alleged in the complaint to be true, and, if such facts establish liability under §308.502 of this subpart, the ALJ will issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, by failing to file a timely answer, the defendant waives any right to further review of the penalties and assessments imposed under paragraph (c) of this section, and the initial decision will become final and binding upon the parties 30 days after it is issued.

(e) If, before such an initial decision becomes final, the defendant files a motion with the ALJ seeking to reopen on the grounds that extraordinary circumstances prevented the defendant from filing an answer, the initial decision will be stayed pending the ALJ's decision on the motion.

(f) If, in the motion to reopen under paragraph (e) of this section, the defendant can demonstrate extraordinary circumstances excusing the failure to file a timely answer, the ALJ will withdraw the initial decision in paragraph (c) of this section, if such a decision has been issued, and will grant the defendant an opportunity to answer the complaint.

(g) A decision of the ALJ denying a defendant's motion to reopen under paragraph (e) of this section is not subject to reconsideration under §308.537 of this subpart.

(h) The decision denying the motion to reopen under paragraph (e) of this section may be appealed by the defendant to the Board by filing a notice of appeal with the Board within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal will stay the initial decision until the Board decides the issue.

(i) If the defendant files a timely notice of appeal with the Board, the ALJ will forward the record of the proceeding to the Board.

(j) The Board will decide whether extraordinary circumstances excuse the

Federal Deposit Insurance Corporation

§ 308.515

defendant's failure to file a timely answer based solely on the record before the ALJ.

(k) If the Board decides that extraordinary circumstances excuse the defendant's failure to file a timely answer, the Board will remand the case to the ALJ with instructions to grant the defendant an opportunity to answer.

(l) If the Board decides that the defendant's failure to file a timely answer is not excused, the Board will reinstate the initial decision of the ALJ, which will become final and binding upon the parties 30 days after the Board issues such decision.

§ 308.510 Referral of complaint and answer to the ALJ.

Upon receipt of an answer, the reviewing official will file the complaint and answer with the ALJ. The reviewing official will include the name, address, and telephone number of a representative of the Corporation.

§ 308.511 Notice of hearing.

(a) When the ALJ receives the complaint and answer, the ALJ will promptly serve a notice of hearing upon the defendant in the manner prescribed by § 308.507 of this subpart. At the same time, the ALJ will send a copy of such notice to the representative of the Corporation.

(b) The notice will include:

tent authorized by the provisions of that Act.

§ 308.513 Separation of functions.

(a) The investigating official, the reviewing official, and any employee or agent of the FDIC who takes part in investigating, preparing, or presenting a particular case may not, in such case or a factually related case:

(1) Participate in the hearing as the ALJ;

§ 308.514 Ex parte contacts.

No party or person (except employees of the ALJ's office) will communicate in any way with the ALJ on any matter at issue in a case, unless on notice and opportunity for all parties to participate. This provision does not prohibit a person or party from inquiring about the status of a case or asking routine questions concerning administrative functions or procedures.

§ 308.515 Disqualification of reviewing official or ALJ.

(a) A reviewing official or ALJ in a particular case may disqualify himself or herself at any time.

(b) A party may file with the ALJ a motion for disqualification of a reviewing official or an ALJ. An affidavit alleging conflict of interest or other reason for disqualification must accompany the motion.

§ 308.516

12 CFR Ch. III (1-1-03 Edition)

(c) Such motion and affidavit must be filed promptly upon the party's discovery of reasons requiring disqualification, or such objections will be deemed waived.

(d) Such affidavit must state specific facts that support the party's belief that personal bias or other reason for disqualification exists and the time and circumstances of the party's discovery of such facts. The representative of record must certify that the affidavit is made in good faith and this certification must accompany the affidavit.

(e) Upon the filing of such a motion and affidavit, the ALJ will proceed no further in the case until he or she resolves the matter of disqualification in accordance with paragraph (f) of this section.

(f)(1) If the ALJ determines that a reviewing official is disqualified, the ALJ will dismiss the complaint without prejudice.

(2) If the ALJ disqualifies himself or herself, the case will be reassigned promptly to another ALJ.

(3) If the ALJ denies a motion to disqualify, the Board may determine the matter only as part of the Board's review of the initial decision upon appeal, if any.

(c) Unless mutually agreed to by the parties, discovery is available only as ordered by the ALJ. The ALJ will regulate the timing of discovery.

(d) *Motions for discovery.* (1) A party seeking discovery may file a motion with the ALJ and a copy of the requested discovery, or in the case of depositions, a summary of the scope of the proposed deposition, must accompany such motions.

(2) Within 10 days of service, a party may file an opposition to the motion and/or a motion for protective order as provided in §308.523 of this subpart.

(3) The ALJ may grant a motion for discovery only if he or she finds that the discovery sought:

(i) Is necessary for the expeditious, fair, and reasonable consideration of the issues;

(ii) Is not unduly costly or burdensome;

(iii) Will not unduly delay the proceeding; and

(iv) Does not seek privileged information.

§ 308.521

(4) The burden of showing that discovery should be allowed is on the party seeking discovery.

(5) The ALJ may grant discovery subject to a protective order under § 308.523 of this subpart.

(e) *Dispositions.* (1) If a motion for deposition is granted, the ALJ will issue a subpoena for the deponent, which may require the deponent to produce documents. The subpoena will specify the time, date, and place at which the deposition will be held.

(2) The party seeking to depose must serve the subpoena in the manner prescribed in § 308.507 of this subpart.

(3) The deponent may file with the ALJ a motion to quash the subpoena or a motion for a protective order within 10 days of service.

(4) The party seeking to depose must provide for the taking of a verbatim transcript of the deposition, and must make the transcript available to all other parties for inspection and copying.

(f) Each party must bear its own costs of discovery.

§ 308.521 Exchange of witness lists, statements, and exhibits.

(a) At least 15 days before the hearing or at such other time as may be ordered by the ALJ, the parties must exchange witness lists, copies of prior statements of proposed witnesses, and copies of proposed hearing exhibits, including copies of any written statements that the party intends to offer in lieu of live testimony in accordance with § 308.532(b) of this subpart. At the time such documents are exchanged, any party that intends to rely on the transcript of deposition testimony in lieu of live testimony at the hearing, if permitted by the ALJ, must provide each party with a copy of the specific pages of the transcript it intends to introduce into evidence.

(b) If a party objects, the ALJ will not admit into evidence the testimony of any witness whose name does not appear on the witness list or any exhibit not provided to the opposing party as provided in paragraph (a) of this section unless the ALJ finds good cause for the failure or that there is no prejudice to the objecting party.

12 CFR Ch. III (1–1–03 Edition)

(c) Unless another party objects within the time set by the ALJ, documents exchanged in accordance with paragraph (a) of this section will be deemed to be authentic for the purpose of admissibility at the hearing.

§ 308.522 Subpoenas for attendance at hearing.

(a) A party wishing to procure the appearance and testimony of any individual at the hearing may request that the ALJ issue a subpoena.

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.

(c) A party seeking a subpoena must file a written request not less than 15 days before the date fixed for the hearing unless otherwise allowed by the ALJ for good cause shown. Such request must specify any documents to be produced and must designate the witnesses and describe the address and location thereof with sufficient particularity to permit such witnesses to be found.

(d) The subpoena must specify the time, date, and place at which the witness is to appear and any documents the witness is to produce.

(e) The party seeking the subpoena must serve it in the manner prescribed in § 308.507 of this subpart. A subpoena on a party or upon an individual under the control of a party may be served by first class mail.

(f) A party or the individual to whom the subpoena is directed may file with the ALJ a motion to quash the subpoena within 10 days after service or on or before the time specified in the subpoena for compliance if it is less than 10 days after service.

§ 308.523 Protective order.

(a) A party or a prospective witness or deponent may file a motion for a protective order with respect to discovery sought by an opposing party or with respect to the hearing, seeking to limit the availability or disclosure of evidence.

(b) In issuing a protective order, the ALJ may make any order which justice requires to protect a party or person

§ 308.526

from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

(1) That the discovery will not be conducted;

(2) That the discovery will be conducted only on specified terms and conditions, including a designation of the time or place;

(3) That the discovery will be conducted only through a method of discovery other than that requested;

(4) That certain matters not be inquired into, or that the scope of discovery be limited to certain matters;

(5) That discovery be conducted with no one present except persons designated by the ALJ;

(6) That the contents of discovery or evidence be sealed or otherwise kept confidential;

(7) That a deposition after being sealed be opened only by order of the ALJ;

(8) That a trade secret or other confidential research, development, commercial information, or facts pertaining to any criminal investigation, proceeding, or other administrative investigation not be disclosed or be disclosed only in a designated way; or

(9) That the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the ALJ.

§ 308.524 Witness fees.

The party requesting a subpoena must pay the cost of the fees and mileage of any witness subpoenaed in the amounts that would be payable to a witness in a proceeding in United States District Court. A check for witness fees and mileage must accompany the subpoena when served, except that when a subpoena is issued on behalf of the FDIC, a check for witness fees and mileage need not accompany the subpoena.

§ 308.525 Form, filing, and service of papers.

(a) *Form.* (1) Documents filed with the ALJ must include an original and two copies.

(2) Every pleading and paper filed in the proceeding must contain a caption setting forth the title of the action, the case number assigned by the ALJ, and

a designation of the paper (*e.g.*, motion to quash subpoena).

(3) Every pleading and paper must be signed by, and must contain the address and telephone number of the party or the person on whose behalf the paper was filed, or his or her representative.

(4) Papers are considered filed when they are mailed by certified or registered mail. Date of mailing may be established by a certificate from the party or its representative or by proof that the document was sent by certified or registered mail.

(b) *Service.* A party filing a document with the ALJ must, at the time of filing, serve a copy of such document on every other party. Service upon any party of any document other than those required to be served as prescribed in § 308.507 of this subpart must be made by delivering a copy or by placing a copy of the document in the United States mail, postage prepaid, and addressed to the party's last known address. When a party is represented by a representative, service must be made upon such representative in lieu of the actual party. The ALJ may authorize facsimile transmission as an acceptable form of service.

(c) *Proof of service.* A certificate by the individual serving the document by personal delivery or by mail, setting forth the manner of service, will be proof of service.

§ 308.526 Computation of time.

(a) In computing any period of time under this subpart or in an order issued thereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the federal government, in which event it includes the next business day.

(b) When the period of time allowed is less than 7 days, intermediate Saturdays, Sundays, and legal holidays observed by the federal government will be excluded from the computation.

(c) Where a document has been served or issued by placing it in the mail, an additional 5 days will be added to the time permitted for any response.

§ 308.527

§ 308.527 Motions.

(a) Any application to the ALJ for an order or ruling must be by motion. Motions must state the relief sought, the authority relied upon, and the facts alleged, and must be filed with the ALJ and served on all other parties. Motions may include, without limitation, motions for summary judgment.

(b) Except for motions made during a prehearing conference or at the hearing, all motions must be in writing. The ALJ may require that oral motions be reduced to writing.

(c) Within 15 days after a written motion is served, or any other time as may be fixed by the ALJ, any party may file a response to such motion.

(d) The ALJ may not grant a written motion before the time for filing responses thereto has expired, except upon consent of the parties or following a hearing on the motion, but may overrule or deny such motion without awaiting a response.

(e) The ALJ will make a reasonable effort to dispose of all outstanding motions prior to the beginning of the hearing.

§ 308.528 Sanctions.

(a) The ALJ may sanction a person, including any party or representative for:

(1) Failing to comply with an order, rule, or procedure governing the proceeding;

(2) Failing to prosecute or defend an action; or

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to, those listed in paragraphs (c), (d), and (e) of this section, must reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party's control, or a request for admission, the ALJ may:

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem each matter of which an admission is requested to be admitted;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon, testimony relating to the information sought; and

(4) Strike any part of the related pleading or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this subpart commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief, or other document which is not filed in a timely fashion.

§ 308.529 The hearing and burden of proof.

(a) The ALJ will conduct a hearing on the record in order to determine whether the defendant is liable for a civil penalty or assessment under § 308.502 of this subpart, and, if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) The FDIC must prove defendant's liability and any aggravating factors by a preponderance of the evidence.

(c) The defendant must prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing will be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 308.530 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the Board, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty should be imposed.

Federal Deposit Insurance Corporation

§ 308.532

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the Board in determining the amount of penalties and assessments to impose with respect to the misconduct (*i.e.*, the false, fictitious, or fraudulent claims or statement) charged in the complaint:

(1) The number of false, fictitious, or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the defendant's culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;

(5) The value of the government's actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;

(6) The relationship of the amount imposed as civil penalties to the amount of the government's loss;

(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of government programs and operations, including particularly the impact on the intended beneficiaries of such programs;

(8) Whether the defendant has engaged in a pattern of the same or similar misconduct;

(9) Whether the defendant attempted to conceal the misconduct;

(10) The degree to which the defendant has involved others in the misconduct or in concealing it;

(11) Where the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant's practices fostered or attempted to preclude such misconduct;

(12) Whether the defendant cooperated in or obstructed an investigation of the misconduct;

(13) Whether the defendant assisted in identifying and prosecuting other wrongdoers;

(14) The complexity of the program or transaction, and the degree of the defendant's sophistication with respect to it, including the extent of the defendant's prior participation in the program or in a similar transaction;

(15) Whether the defendant has been found, in any criminal, civil, or admin-

istrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a state, directly or indirectly; and

(16) The need to deter the defendant and others from engaging in the same or similar misconduct.

(c) Nothing in this section will be construed to limit the ALJ or the Board from considering any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

(d) Civil money penalties that are assessed pursuant to this subpart are subject to adjustment on a four-year basis to account for inflation as required by section 4 of the Federal Civil Penalties Inflation Adjustment Act of 1990, as amended (codified at 28 U.S.C. 2461, note) (*see also* 12 CFR 308.132(c)(3)(xv)).

§ 308.531 Location of hearing.

(a) The hearing may be held:

(1) In any judicial district of the United States in which the defendant resides or transacts business;

(2) In any judicial district of the United States in which the claim or statement at issue was made; or

(3) In such other place as may be agreed upon by the defendant and the ALJ.

(b) Each party will have the opportunity to present argument with respect to the location of the hearing.

(c) The hearing will be held at the place and at the time ordered by the ALJ.

§ 308.532 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing will be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. The party offering a written statement must provide all other parties with a copy of the written statement along with the last known address of the witness. Sufficient time must be allowed for other parties to subpoena the witness for cross-examination at the hearing. Prior written statements and deposition transcripts of witnesses identified to testify at the hearing must be

§ 308.533

exchanged as provided in §308.521(a) of this subpart.

(c) The ALJ will exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to:

(1) Make the interrogation and presentation effective for the ascertainment of the truth;

(2) Avoid needless consumption of time; and

(3) Protect witnesses from harassment or undue embarrassment.

(d) The ALJ will permit the parties to conduct such cross-examination as may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of his or her direct examination. To the extent permitted by the ALJ, cross-examination on matters outside the scope of direct examination will be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party, or a witness identified with an adverse party.

(f) Upon motion of any party, the ALJ will order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of:

(1) A party who is an individual;

(2) In the case of a party that is not an individual, an officer or employee of the party appearing for the entity pro se or designated by the party's representative; or

(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the Corporation engaged in assisting the representative for the Corporation.

§ 308.533 Evidence.

(a) The ALJ will determine the admissibility of evidence.

(b) Except as provided in this subpart, the ALJ will not be bound by the Federal Rules of Evidence (28 U.S.C. App.). However, the ALJ may apply the Federal Rules of Evidence where appropriate, e.g., to exclude unreliable evidence.

12 CFR Ch. III (1-1-03 Edition)

(c) The ALJ will exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is privileged under federal law.

(f) Evidence concerning offers of compromise or settlement will be inadmissible to the extent provided in rule 408 of the Federal Rules of Evidence.

(g) The ALJ will permit the parties to introduce rebuttal witnesses and evidence.

(h) All documents and other evidence offered or taken for the record must be open to examination by all parties, unless otherwise ordered by the ALJ pursuant to §308.523 of this subpart.

§ 308.534 The record.

(a) The hearing will be recorded by audio or videotape and transcribed. Transcripts may be obtained following the hearing from the ALJ at a cost not to exceed the actual cost of duplication.

(b) The transcript of testimony, exhibits, and other evidence admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the Board.

(c) The record may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to §308.523 of this subpart.

§ 308.535 Post-hearing briefs.

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ will fix the time for filing such briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

§ 308.536 Initial decision.

(a) The ALJ will issue an initial decision based only on the record, which will contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The findings of fact will include a finding on each of the following issues:

(1) Whether the claims or statements identified in the complaint, or any portions of such claims or statements, violate § 308.502 of this subpart; and

(2) If the person is liable for penalties or assessments, the appropriate amount of any such penalties or assessments considering any mitigating or aggravating factors that he or she finds in the case, such as those described in § 308.530 of this subpart.

(c) The ALJ will promptly serve the initial decision on all parties within 90 days after the time for submission of post-hearing briefs and reply briefs (if permitted) has expired. The ALJ will at the same time serve all parties with a statement describing the right of any defendant determined to be liable for a civil penalty or assessment to file a motion for reconsideration with the ALJ or a notice of appeal with the Board. If the ALJ fails to meet the deadline contained in this paragraph, he or she will notify the parties of the reason for the delay and will set a new deadline.

(d) Unless the initial decision of the ALJ is timely appealed to the Board, or a motion for reconsideration of the initial decision is timely filed, the initial decision will constitute the final decision of the Board and will be final and binding on the parties 30 days after it is issued by the ALJ.

§ 308.537 Reconsideration of initial decision.

(a) Except as provided in paragraph (d) of this section, any party may file a motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If service is made by mail, receipt will be presumed to be 5 days from the date of mailing in the absence of proof to the contrary.

(b) Every motion for reconsideration must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. The mo-

tion must be accompanied by a supporting brief.

(c) Responses to the motions will be allowed only upon order of the ALJ.

(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.

(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(f) If the ALJ denies a motion for reconsideration, the initial decision will constitute the final decision of the FDIC and will be final and binding on all parties 30 days after the ALJ denies the motion, unless the final decision is timely appealed to the Board in accordance with § 308.538 of this subpart.

(g) If the ALJ issues a revised initial decision, that decision will constitute the final decision of the FDIC and will be final and binding on the parties 30 days after it is issued, unless it is timely appealed to the Board in accordance with § 308.538 of this subpart.

§ 308.538 Appeal to the Board of Directors.

(a) Any defendant who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal such decision to the Board by filing a notice of appeal with the Board in accordance with this section.

(b)(1) No notice of appeal may be filed until the time period for filing a motion for reconsideration under § 308.537 of this subpart has expired.

(2) If a motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(3) If no motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ issues the initial decision.

(4) The Board may extend the initial 30-day period for an additional 30 days if the defendant files with the Board a request for an extension within the initial 30-day period and shows good cause.

(c) If the defendant files a timely notice of appeal with the Board, the ALJ will forward the record of the proceeding to the Board.

§ 308.539

(d) A notice of appeal will be accompanied by a written brief specifying exceptions to the initial decision and reasons supporting the exceptions.

(e) The representative for the Corporation may file a brief in opposition to exceptions within 30 days of receiving the notice of appeal and accompanying brief.

(f) There is no right to appear personally before the Board.

(g) There is no right to appeal any interlocutory ruling by the ALJ.

(h) In reviewing the initial decision, the Board will not consider any objection that was not raised before the ALJ unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection.

(i) If any party demonstrates to the satisfaction of the Board that additional evidence not presented at such hearing is material and that there were reasonable grounds for the failure to present such evidence at such hearing, the Board will remand the matter to the ALJ for consideration of such additional evidence.

(j) The Board may affirm, reduce, reverse, compromise, remand, or settle any penalty or assessment determined by the ALJ in any initial decision.

(k) The Board will promptly serve each party to the appeal with a copy of the decision of the Board and a statement describing the right of any person determined to be liable for a penalty or an assessment to seek judicial review.

(l) Unless a petition for review is filed as provided in 31 U.S.C. 3805 after a defendant has exhausted all administrative remedies under this subpart and within 60 days after the date on which the Board serves the defendant with a copy of the Board's decision, a determination that a defendant is liable under §308.502 of this subpart is final and is not subject to judicial review.

§ 308.539 Stays ordered by the Department of Justice.

If at any time the Attorney General or an Assistant Attorney General designated by the Attorney General transmits to the Board a written finding that continuation of the administrative process described in this subpart with respect to a claim or statement

12 CFR Ch. III (1-1-03 Edition)

may adversely affect any pending or potential criminal or civil action related to such claim or statement, the Board will stay the process immediately. The Board may order the process resumed only upon receipt of the written authorization of the Attorney General.

§ 308.540 Stay pending appeal.

(a) An initial decision is stayed automatically pending disposition of a motion for reconsideration or of an appeal to the Board.

(b) No administrative stay is available following a final decision of the Board.

§ 308.541 Judicial review.

Section 3805 of Title 31, United States Code, authorizes judicial review by an appropriate United States District Court of a final decision of the Board imposing penalties or assessments under this subpart and specifies the procedures for such review.

§ 308.542 Collection of civil penalties and assessments.

Sections 3806 and 3808(b) of Title 31, United States Code, authorize actions for collection of civil penalties and assessments imposed under this subpart and specify the procedures for such actions.

§ 308.543 Right to administrative offset.

The amount of any penalty or assessment which has become final, or for which a judgment has been entered under §308.541 or §308.542 of this subpart, or any amount agreed upon in a compromise or settlement under §308.545 of this subpart, may be collected by administrative offset under 31 U.S.C. 3716, except that an administrative offset may not be made under this section against a refund of an overpayment of federal taxes, then or later owing by the United States to the defendant.

§ 308.544 Deposit in Treasury of United States.

All amounts collected pursuant to this subpart will be deposited as miscellaneous receipts in the Treasury of

§ 309.2

the United States, except as provided in 31 U.S.C. 3806(g).

§ 308.545 Compromise or settlement.

(a) Parties may make offers of compromise or settlement at any time.

(b) The reviewing official has the exclusive authority to compromise or settle a case under this subpart at any time after the date on which the reviewing official is permitted to issue a complaint and before the date on which the ALJ issues an initial decision.

(c) The Board has exclusive authority to compromise or settle a case under this subpart any time after the date on which the ALJ issues an initial decision, except during the pendency of any review under §308.541 of this subpart or during the pendency of any action to collect penalties and assessments under §308.542 of this subpart.

(d) The Attorney General has exclusive authority to compromise or settle a case under this subpart during the pendency of any review under §308.541 of this subpart or of any action to recover penalties and assessments under 31 U.S.C. 3806.

(e) The investigating official may recommend settlement terms to the reviewing official, the Board, or the Attorney General, as appropriate. The reviewing official may recommend settlement terms to the Board, or the Attorney General, as appropriate.

(f) Any compromise or settlement must be in writing.

§ 308.546 Limitations.

(a) The notice of hearing with respect to a claim or statement will be served in the manner specified in §308.507 of this subpart within 6 years after the date on which such claim or statement is made.

(b) If the defendant fails to file a timely answer, service of notice under §308.509(b) of this subpart will be deemed a notice of a hearing for purposes of this section.

(c) The statute of limitations may be extended by agreement of the parties.

(b) Statements of the general course and method by which its functions are channeled and determined, including the nature and requirements of all formal and informal procedures available;

(c) Rules of procedure, descriptions of forms available or the places at which forms may be obtained, and instructions as to the scope and contents of all papers, reports or examinations;

(d) Substantive rules of general applicability adopted as authorized by law, and statements of general policy or interpretations of general applicability formulated and adopted by the FDIC;

(e) Every amendment, revision or repeal of the foregoing; and

§ 309.4 Publicly available records.

(a) *Records available on the FDIC's World Wide Web page*—(1) *Discretionary release of documents*. The FDIC encourages the public to explore the wealth of resources available on the FDIC's World Wide Web page, located at: <http://www.fdic.gov>. The FDIC has elected to publish a broad range of materials on its World Wide Web page, including consumer guides; financial and statistical information of interest to the banking industry; and information concerning the FDIC's responsibilities and structure.

(2) *Documents required to be made available via computer telecommunications*. (i) The following types of documents created on or after November 1, 1996, and required to be made available through computer telecommunications, may be found on the FDIC's

Federal Deposit Insurance Corporation

§ 309.5

World Wide Web page located at: <http://www.fdic.gov>:

(A) Final opinions, including concurring and dissenting opinions, as well as final orders and written agreements, made in the adjudication of cases;

(B) Statements of policy and interpretations adopted by the Board of Directors that are not published in the FEDERAL REGISTER;

(C) Administrative staff manuals and instructions to staff that affect the public;

(D) Copies of all records released to any person under §309.5 that, because of the nature of their subject matter, the FDIC has determined are likely to be the subject of subsequent requests;

(E) A general index of the records referred to in paragraph (a)(2)(i)(D) of this section.

(ii) To the extent permitted by law, the FDIC may delete identifying details when it makes available or publishes a final opinion, final order, statement of policy, interpretation or staff manual or instruction. If redaction is necessary, the FDIC will, to the extent technically feasible, indicate the amount of material deleted at the place in the record where such deletion is made unless that indication in and of itself will jeopardize the purpose for the redaction.

(b) *Public Information Center.* The FDIC maintains a Public Information Center or "PIC" that contains Corporate records that the Freedom of Information Act requires be made available for regular inspection and copying, as well as any records or information the FDIC, in its discretion, has regularly made available to the public. The PIC is open from 9:00 AM to 5:00 PM, Monday through Friday, excepting federal holidays. It is located at 801 17th Street, NW., Washington, DC 20006. (ii) Information on the FDIC's World Wide Web page is available to the public without charge. If, however, information available on the FDIC's World Wide Web page is provided pursuant to a Freedom of Information Act request processed under §309.5, then fees apply and will be assessed pursuant to §309.5(f).

[63 FR 16404, Apr. 3, 1998]

§ 309.5 Procedures for requesting records.

(a) *Definitions.* For purposes of this section:

(1) *Commercial use request* means a request from or on behalf of a requester who seeks records for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a request falls within this category, the FDIC will determine the use to which a requester will put the records requested and seek additional information as it deems necessary.

(2) *Direct costs* means those expenditures the FDIC actually incurs in searching for, duplicating, and, in the case of commercial requesters, reviewing records in response to a request for records.

(3) *Duplication* means the process of making a copy of a record necessary to respond to a request for records or for inspection of original records that contain exempt material or that cannot otherwise be directly inspected. Such copies can take the form of paper copy, microfilm, audiovisual records, or machine readable records (e.g., magnetic tape or computer disk).

(4) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of undergraduate or graduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(5) *Noncommercial scientific institution* means an institution that is not operated on a commercial basis as that term is defined in paragraph (a)(1) of this section, and which is operated

solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(6) *Representative of the news media* means any person primarily engaged in gathering news for, or a free-lance journalist who can demonstrate a reasonable expectation of having his or her work product published or broadcast by, an entity that is organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the general public.

(7) *Review* means the process of examining records located in response to a request for records to determine whether any portion of any record is permitted to be withheld as exempt information. It includes processing any record for disclosure, e.g., doing all that is necessary to excise them or otherwise prepare them for release.

(8) *Search* includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within records. Searches may be done manually and/or by computer using existing programming.

(b) *Making a request for records.* (1) The request shall be submitted in writing to the Freedom of Information Act/Privacy Act Group (“FOIA/PA Group”), Legal Division :

(i) By completing the online request form located on the FDIC’s World Wide Web page, found at: <http://www.fdic.gov>;

(ii) By facsimile clearly marked Freedom of Information Act Request to the FOIA/PA Group: (202) 736-0547; or

(iii) By sending a letter to: Legal Division, FDIC, ATTN: FOIA/PA Group., 550 17th Street, NW., Washington, DC 20429.

(2) The request shall contain the following information:

(i) The name and address of the requester, an electronic mail address, if available, and the telephone number at which the requester may be reached during normal business hours;

(ii) Whether the requester is an educational institution, noncommercial scientific institution, or news media representative;

(iii) A statement agreeing to pay the applicable fees, or a statement identifying a maximum fee that is acceptable to the requester, or a request for a waiver or reduction of fees that satisfies paragraph (f)(1)(x) of this section; and

(iv) The preferred form and format of any responsive information requested, if other than paper copies.

(3) A request for identifiable records shall reasonably describe the records in a way that enables the FDIC’s staff to identify and produce the records with reasonable effort and without unduly burdening or significantly interfering with any of the FDIC’s operations.

(c) *Defective requests.* The FDIC need not accept or process a request that does not reasonably describe the records requested or that does not otherwise comply with the requirements of this part. The FDIC may return a defective request, specifying the deficiency. The requester may submit a corrected request, which will be treated as a new request.

(d) *Processing requests—(1) Receipt of requests.* Upon receipt of any request that satisfies paragraph (b) of this section, the FOIA/PA Group, Legal Division shall assign the request to the appropriate processing track pursuant to this section. The date of receipt for any request, including one that is addressed incorrectly or that is referred by another agency, is the date the FOIA/PA Group actually receives the request.

(2) *Multitrack processing.* (i) The FDIC provides different levels of processing for categories of requests under this part. Requests for records that are readily identifiable by the FOIA/PA Group, and that have already been cleared for public release may qualify for fast-track processing. All other requests shall be handled under normal processing procedures, unless expedited processing has been granted pursuant to paragraph (d)(3) of this section.

(ii) The FDIC will make the determination whether a request qualifies for fast-track processing. A requester may contact the FOIA/PA Group to learn whether a particular request has been assigned to fast-track processing. If the request has not qualified for fast-track processing, the requester will be

given an opportunity to refine the request in order to qualify for fast-track processing. Changes made to requests to obtain faster processing must be in writing.

(3) *Expedited processing.* (i) Where a person requesting expedited access to records has demonstrated a compelling need for the records, or where the FDIC has determined to expedite the response, the FDIC shall process the request as soon as practicable. To show a compelling need for expedited processing, the requester shall provide a statement demonstrating that:

(A) The failure to obtain the records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(B) The requester can establish that they are primarily engaged in information dissemination as their main professional occupation or activity, and there is urgency to inform the public of the government activity involved in the request; and

(C) The requester's statement must be certified to be true and correct to the best of the person's knowledge and belief and explain in detail the basis for requesting expedited processing.

(ii) The formality of the certification required to obtain expedited treatment may be waived by the FDIC as a matter of administrative discretion.

(4) A requester seeking expedited processing will be notified whether expedited processing has been granted within ten (10) working days of the receipt of the request. If the request for expedited processing is denied, the requester may file an appeal pursuant to the procedures set forth in paragraph (h) of this section, and the FDIC shall respond to the appeal within ten (10) working days after receipt of the appeal.

(5) *Priority of responses.* Consistent with sound administrative process the FDIC processes requests in the order they are received in the separate processing tracks. However, in the agency's discretion, or upon a court order in a matter to which the FDIC is a party, a particular request may be processed out of turn.

(6) *Notification.* (i) The time for response to requests will be twenty (20) working days except:

(A) In the case of expedited treatment under paragraph (d)(3) of this section;

(B) Where the running of such time is suspended for the calculation of a cost estimate for the requester if the FDIC determines that the processing of the request may exceed the requester's maximum fee provision or if the charges are likely to exceed \$250 as provided for in paragraph (f)(1)(v) of this section;

(C) Where the running of such time is suspended for the payment of fees pursuant to the paragraphs (d)(6)(i)(B) and (f)(1) of this section; or

(D) In unusual circumstances, as defined in 5 U.S.C. 552(a)(6)(B) and further described in paragraph (d)(6)(iii) of this section.

(ii) In unusual circumstances as referred to in paragraph (d)(6)(i)(D) of this section, the time limit may be extended for a period of:

(A) Ten (10) working days as provided by written notice to the requester, setting forth the reasons for the extension and the date on which a determination is expected to be dispatched; or

(B) Such alternative time period as agreed to by the requester or as reasonably determined by the FDIC when the FDIC notifies the requester that the request cannot be processed in the specified time limit.

(iii) Unusual circumstances may arise when:

(A) The records are in facilities, such as field offices or storage centers, that are not located at the FDIC's Washington office;

(B) The records requested are voluminous or are not in close proximity to one another; or

(C) There is a need to consult with another agency or among two or more components of the FDIC having a substantial interest in the determination.

(7) *Response to request.* In response to a request that satisfies the requirements of paragraph (b) of this section, a search shall be conducted of records maintained by the FDIC in existence on the date of receipt of the request, and a review made of any responsive

§ 309.5

12 CFR Ch. III (1-1-03 Edition)

information located. The FDIC shall notify the requester of:

(i) The FDIC's determination of the request;

(ii) The reasons for the determination;

(iii) If the response is a denial of an initial request or if any information is withheld, the FDIC will advise the requester in writing:

(A) If the denial is in part or in whole;

(B) The name and title of each person responsible for the denial (when other than the person signing the notification);

(C) The exemptions relied on for the denial; and

(D) The right of the requester to appeal the denial to the FDIC's General Counsel within 30 business days following receipt of the notification, as specified in paragraph (h) of this section.

(e) *Providing responsive records.* (1) Copies of requested records shall be sent to the requester by regular U.S. mail to the address indicated in the request, unless the requester elects to take delivery of the documents at the FDIC or makes other acceptable arrangements, or the FDIC deems it appropriate to send the documents by another means.

(2) The FDIC shall provide a copy of the record in any form or format requested if the record is readily reproducible by the FDIC in that form or format, but the FDIC need not provide more than one copy of any record to a requester.

(3) By arrangement with the requester, the FDIC may elect to send the responsive records electronically if a substantial portion of the request is in electronic format. If the information requested is made pursuant to the Privacy Act of 1974, 5 U.S.C. 552a, it will not be sent by electronic means unless reasonable security measures can be provided.

(f) *Fees*—(1) *General rules.* (i) Persons requesting records of the FDIC shall be charged for the direct costs of search, duplication, and review as set forth in paragraphs (f)(2) and (f)(3) of this section, unless such costs are less than the FDIC's cost of processing the requester's remittance.

(ii) Requesters will be charged for search and review costs even if responsive records are not located or, if located, are determined to be exempt from disclosure.

(iii) Multiple requests seeking similar or related records from the same requester or group of requesters will be aggregated for the purposes of this section.

(iv) If the FDIC determines that the estimated costs of search, duplication, or review of requested records will exceed the dollar amount specified in the request, or if no dollar amount is specified, the FDIC will advise the requester of the estimated costs (if greater than the FDIC's cost of processing the requester's remittance). The requester must agree in writing to pay the costs of search, duplication, and review prior to the FDIC initiating any records search.

(v) If the FDIC estimates that its search, duplication, and review costs will exceed \$250.00, the requester must pay an amount equal to 20 percent of the estimated costs prior to the FDIC initiating any records search.

(vi) The FDIC shall ordinarily collect all applicable fees under the final invoice before releasing copies of requested records to the requester.

(vii) The FDIC may require any requester who has previously failed to pay the charges under this section within 30 calendar days of mailing of the invoice to pay in advance the total estimated costs of search, duplication, and review. The FDIC may also require a requester who has any charges outstanding in excess of 30 calendar days following mailing of the invoice to pay the full amount due, or demonstrate that the fee has been paid in full, prior to the FDIC initiating any additional records search.

(viii) The FDIC may begin assessing interest charges on unpaid bills on the 31st day following the day on which the invoice was sent. Interest will be at the rate prescribed in section 3717 of title 31 of the United States Code and will accrue from the date of the invoice.

(ix) The time limit for the FDIC to respond to a request will not begin to run until the FDIC has received the requester's written agreement under paragraph (f)(1)(iv) of this section, and

advance payment under paragraph (f)(1) (v) or (vii) of this section, or payment of outstanding charges under paragraph (f)(1)(vii) or (viii) of this section.

(x) As part of the initial request, a requester may ask that the FDIC waive or reduce fees if disclosure of the records is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. Determinations as to a waiver or reduction of fees will be made by the FOIA/PA Group, Legal Division (or designee) and the requester will be notified in writing of his/her determination. A determination not to grant a request for a waiver or reduction of fees under this paragraph may be appealed to the FDIC's General Counsel (or designee) pursuant to the procedure set forth in paragraph (h) of this section.

(2) *Chargeable fees by category of requester.* (i) Commercial use requesters shall be charged search, duplication and review costs.

(ii) Educational institutions, non-commercial scientific institutions and news media representatives shall be charged duplication costs, except for the first 100 pages.

(iii) Requesters not described in paragraph (f)(2) (i) or (ii) of this section shall be charged the full reasonable direct cost of search and duplication, except for the first two hours of search time and first 100 pages of duplication.

(3) *Fee schedule.* The dollar amount of fees which the FDIC may charge to records requesters will be established by the Chief Financial Officer of the FDIC (or designee). The FDIC may charge fees that recoup the full allowable direct costs it incurs. Fees are subject to change as costs change.

(i) *Manual searches for records.* The FDIC will charge for manual searches for records at the basic rate of pay of the employee making the search plus 16 percent to cover employee benefit costs. Where a single class of personnel (e.g., all clerical, all professional, or all executive) is used exclusively, the FDIC, at its discretion, may establish and charge an average rate for the range of grades typically involved.

(ii) *Computer searches for records.* The fee for searches of computerized records is the actual direct cost of the search, including computer time, computer runs, and the operator's time apportioned to the search. The fee for a computer printout is the actual cost. The fees for computer supplies are the actual costs. The FDIC may, at its discretion, establish and charge a fee for computer searches based upon a reasonable FDIC-wide average rate for central processing unit operating costs and the operator's basic rate of pay plus 16 percent to cover employee benefit costs.

(iii) *Duplication of records.* (A) The per-page fee for paper copy reproduction of documents is the average FDIC-wide cost based upon the reasonable direct costs of making such copies.

(B) For other methods of reproduction or duplication, the FDIC will charge the actual direct costs of reproducing or duplicating the documents.

(iv) *Review of records.* The FDIC will charge commercial use requesters for the review of records at the time of processing the initial request to determine whether they are exempt from mandatory disclosure at the basic rate of pay of the employee making the search plus 16 percent to cover employee benefit costs. Where a single class of personnel (e.g., all clerical, all professional, or all executive) is used exclusively, the FDIC, at its discretion, may establish and charge an average rate for the range of grades typically involved. The FDIC will not charge at the administrative appeal level for review of an exemption already applied. When records or portions of records are withheld in full under an exemption which is subsequently determined not to apply, the FDIC may charge for a subsequent review to determine the applicability of other exemptions not previously considered.

(v) *Other services.* Complying with requests for special services, other than a readily produced electronic form or format, is at the FDIC's discretion. The FDIC may recover the full costs of providing such services to the requester.

(4) *Publication of fee schedule and effective date of changes.* (i) The fee schedule is made available on the FDIC's

World Wide Web page, found at <http://www.fdic.gov>.

(ii) The fee schedule will be set forth in the “Notice of Federal Deposit Insurance Corporation Records Fees” issued in December of each year or in such “Interim Notice of Federal Deposit Insurance Corporation Records Fees” as may be issued. Copies of such notices may be obtained at no charge from the FOIA/PA Group, Legal Division, 550 17th Street NW., Washington, DC 20429, and are available on the FDIC’s World Wide Web page as noted in paragraph (f)(4)(i) of this section.

(iii) The fees implemented in the December or Interim Notice will be effective 30 days after issuance.

(5) *Use of contractors.* The FDIC may contract with independent contractors to locate, reproduce, and/or disseminate records; provided, however, that the FDIC has determined that the ultimate cost to the requester will be no greater than it would be if the FDIC performed these tasks itself. In no case will the FDIC contract out responsibilities which the Freedom of Information Act (FOIA) (5 U.S.C. 552) provides that the FDIC alone may discharge, such as determining the applicability of an exemption or whether to waive or reduce fees.

(g) *Exempt information.* A request for records may be denied if the requested record contains information which falls into one or more of the following categories.¹ If the requested record contains both exempt and nonexempt information, the nonexempt portions which may reasonably be segregated from the exempt portions will be released to the requester. If redaction is necessary, the FDIC will, to the extent technically feasible, indicate the amount of material deleted at the place in the record where such deletion is made unless that indication in and of itself will jeopardize the purpose for

¹Classification of a record as exempt from disclosure under the provisions of this paragraph (g) shall not be construed as authority to withhold the record if it is otherwise subject to disclosure under the Privacy Act of 1974 (5 U.S.C. 552a) or other federal statute, any applicable regulation of FDIC or any other federal agency having jurisdiction thereof, or any directive or order of any court of competent jurisdiction.

the redaction. The categories of exempt records are as follows:

(1) Records that are specifically authorized under criteria established by an Executive Order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive Order;

(2) Records related solely to the internal personnel rules and practices of the FDIC;

(3) Records specifically exempted from disclosure by statute, provided that such statute:

(i) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue; or

(ii) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(4) Trade secrets and commercial or financial information obtained from a person that is privileged or confidential;

(5) Interagency or intra-agency memoranda or letters that would not be available by law to a private party in litigation with the FDIC;

(6) Personnel, medical, and similar files (including financial files) the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(7) Records compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a state, local, or foreign agency or authority or any private institution which furnished records on a confidential basis;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such

disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual;

(8) Records that are contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of the FDIC or any agency responsible for the regulation or supervision of financial institutions; or

(9) geological and geophysical information and data, including maps, concerning wells.

(h) *Appeals.* (1) Appeals should be addressed to the FOIA/PA Group, Legal Division, FDIC, 550 17th Street, NW., Washington, DC 20429.

(2) A person whose initial request for records under this section, or whose request for a waiver of fees under paragraph (f)(1)(x) of this section, has been denied, either in part or in whole, has the right to appeal the denial to the FDIC's General Counsel (or designee) within 30 business days after receipt of notification of the denial. Appeals of denials of initial requests or for a waiver of fees must be in writing and include any additional information relevant to consideration of the appeal.

(3) Except in the case of an appeal for expedited treatment under paragraph (d)(3) of this section, the FDIC will notify the appellant in writing within 20 business days after receipt of the appeal and will state:

(i) Whether it is granted or denied in whole or in part;

(ii) The name and title of each person responsible for the denial (if other than the person signing the notification);

(iii) The exemptions relied upon for the denial in the case of initial requests for records; and

(iv) The right to judicial review of the denial under the FOIA.

(4) If a requester is appealing for denial of expedited treatment, the FDIC will notify the appellant within 10 business days after receipt of the appeal of the FDIC's disposition.

(5) Complete payment of any outstanding fee invoice will be required before an appeal is processed.

(i) *Records of another agency.* If a requested record is the property of an-

other federal agency or department, and that agency or department, either in writing or by regulation, expressly retains ownership of such record, upon receipt of a request for the record the FDIC will promptly inform the requester of this ownership and immediately shall forward the request to the proprietary agency or department either for processing in accordance with the latter's regulations or for guidance with respect to disposition.

§ 309.6 Disclosure of exempt records.

(a) *Disclosure prohibited.* Except as provided in paragraph (b) of this section or by 12 CFR part 310,² no person shall disclose or permit the disclosure of any exempt records, or information contained therein, to any persons other than those officers, directors, employees, or agents of the Corporation who have a need for such records in the performance of their official duties. In any instance in which any person has possession, custody or control of FDIC exempt records or information contained therein, all copies of such records shall remain the property of the Corporation and under no circumstances shall any person, entity or agency disclose or make public in any manner the exempt records or information without written authorization from the Director of the Corporation's Division having primary authority over the records or information as provided in this section.

(b) *Disclosure authorized.* Exempt records or information of the Corporation may be disclosed only in accordance with the conditions and requirements set forth in this paragraph (b). Requests for discretionary disclosure of exempt records or information pursuant to this paragraph (b) may be submitted directly to the Division having primary authority over the exempt records or information or to the FOIA/PA Group for forwarding to the appropriate Division having primary authority over the records sought. Such administrative request must clearly state that it seeks discretionary disclosure

²The procedures for disclosing records under the Privacy Act are separately set forth in 12 CFR part 310.

of exempt records, clearly identify the records sought, provide sufficient information for the Corporation to evaluate whether there is good cause for disclosure, and meet all other conditions set forth in paragraph (b)(1) through (10) of this section. Information regarding the appropriate FDIC Division having primary authority over a particular record or records may be obtained from the FOIA/PA Group. Authority to disclose or authorize disclosure of exempt records of the Corporation is delegated as follows:

(1) *Disclosure to depository institutions.* The Director of the Corporation's Division having primary authority over the exempt records, or designee, may disclose to any director or authorized officer, employee or agent of any depository institution, information contained in, or copies of, exempt records pertaining to that depository institution.

(2) *Disclosure to state banking agencies.* The Director of the Corporation's Division having primary authority over the exempt records, or designee, may in his or her discretion and for good cause, disclose to any authorized officer or employee of any state banking or securities department or agency, copies of any exempt records to the extent the records pertain to a state-chartered depository institution supervised by the agency or authority, or where the exempt records are requested in writing for a legitimate depository institution supervisory or regulatory purpose.

(3) *Disclosure to federal financial institutions supervisory agencies and certain other agencies.* The Director of the Corporation's Division having primary authority over the exempt records, or designee, may in his or her discretion and for good cause, disclose to any authorized officer or employee of any federal financial institution supervisory agency including the Comptroller of the Currency, the Board of Governors of the Federal Reserve System, the Office of Thrift Supervision, the Securities and Exchange Commission, the National Credit Union Administration, or any other agency included in section 1101(7) of the Right to Financial Privacy Act of 1978 (12 U.S.C. 3401 et. seq.) (RFPFA), any exempt records for a legitimate depository institution supervisory or regulatory purpose. The Di-

rector, or designee, may in his or her discretion and for good cause, disclose exempt records, including customer financial records, to certain other federal agencies as referenced in section 1113 of the RFPFA for the purposes and to the extent permitted therein, or to any foreign bank regulatory or supervisory authority as provided, and to the extent permitted, by section 206 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (12 U.S.C. 3109).

(4) *Disclosure to prosecuting or investigatory agencies or authorities.* (i) Reports of Apparent Crime pertaining to suspected violations of law, which may contain customer financial records, may be disclosed to federal or state prosecuting or investigatory authorities without giving notice to the customer, as permitted in the relevant exceptions of the RFPFA.

(ii) The Director of the Corporation's Division having primary authority over the exempt records, or designee, may disclose to the proper federal or state prosecuting or investigatory authorities, or to any authorized officer or employee of such authority, copies of exempt records pertaining to irregularities discovered in depository institutions which are believed to constitute violations of any federal or state civil or criminal law, or unsafe or unsound banking practices, provided that customer financial records may be disclosed without giving notice to the customer, only as permitted by the relevant exceptions of the RFPFA. Unless such disclosure is initiated by the FDIC, customer financial records shall be disclosed only in response to a written request which:

(A) Is signed by an authorized official of the agency making the request;

(B) Identifies the record or records to which access is requested; and

(C) Gives the reasons for the request.

(iii) When notice to the customer is required to be given under the RFPFA, the Director of the Corporation's Division having primary authority over the exempt records, or designee, may disclose customer financial records to any federal or state prosecuting or investigatory agency or authority, provided, that:

§ 309.6

(B) Disclosure is pursuant to a written request that indicates the information is relevant to a legitimate law enforcement inquiry within the jurisdiction of the requesting agency and:

(1) The Director of the Corporation's Division having primary authority over the exempt records, or designee, certifies pursuant to section 1112(a)³ of the RFPA that the records are believed relevant to a legitimate law enforcement inquiry within the jurisdiction of the receiving agency; and

(2) A copy of such certification and the notice required by section 1112(b)⁴ of the RFPA is sent within fourteen days of the disclosure to the customer whose records are disclosed.⁵

(5) *Disclosure to servicers and serviced institutions.* The Director of the Corporation's Division having primary authority over the exempt records, or designee, may disclose copies of any exempt record related to a bank data center, a depository institution service corporation or any other data center that provides data processing or related services to an insured institution

Failure to exhaust such administrative request prior to service of a subpoena or other legal process may, in the General Counsel's discretion, serve as a basis for objection to such subpoena or legal process. Customer financial records may not be disclosed to any federal agency that is not a federal financial supervisory agency pursuant to this paragraph unless notice to the customer and certification as required by the RFPA have been given except where disclosure is subject to the relevant exceptions set forth in the RFPA.

Where the General Counsel or designee authorizes a current or former officer, director, employee or agent of the Corporation to testify or disclose exempt records pursuant to this paragraph (b)(8), he or she may, in his or her discretion, limit the authorization to so much of the record or testimony as is relevant to the issues at such hearing, proceeding or investigation, and he or she shall give authorization only upon fulfillment of such conditions as he or she deems necessary and practicable to protect the confidential nature of such records or testimony.

(9) *Authorization for disclosure by the Chairman of the Corporation's Board of Directors.* Except where expressly prohibited by law, the Chairman of the Corporation's Board of Directors may in his or her discretion, authorize the disclosure of any Corporation records. Except where disclosure is required by law, the Chairman may direct any current or former officer, director, employee or agent of the Corporation to refuse to disclose any record or to give testimony if the Chairman determines, in his or her discretion, that refusal to permit such disclosure is in the public interest.

(10) *Limitations on disclosure.* All steps practicable shall be taken to protect the confidentiality of exempt records

and information. Any disclosure permitted by paragraph (b) of this section is discretionary and nothing in paragraph (b) of this section shall be construed as requiring the disclosure of information. §311.4 Procedures for announcing meetings.

(a) *Scope.* Except to the extent that such announcements are exempt from disclosure under §311.3(b), announcements relating to open meetings, and meetings closed under the regular closing procedures of §311.5, will be made in the manner set forth in this section.

(b) *Time and content of announcement.* The Corporation will make public announcement at least seven days before the meeting of the time, place, and subject matter of the meeting, whether it is to be open or closed to the public, and the name and telephone number of the official designated by the Corporation to respond to requests for information about the meeting. This announcement will be made unless a majority of the Board determines by a recorded vote that Corporation business requires that a meeting be called on lesser notice. In such cases, the Corporation will make public announcement of the time, place, and subject matter of the meeting, and whether it is open or closed to the public, at the earliest practicable time, which may be later than the commencement of the meeting.

(2) The Corporation publicly announces the change and the vote of each member upon such change at the earliest practicable time, which may be later than the commencement of the meeting.

(e) *Publication of announcements in Federal Register.* Immediately following each public announcement under this section, such announcement will be submitted for publication in the FEDERAL REGISTER by the Executive Secretary.

[42 FR 14675, Mar. 16, 1977, as amended at 67 FR 71071, Nov. 29, 2002]

§311.5 Regular procedure for closing meetings.

(a) *Scope.* Unless §311.6 is applicable, the procedures for closing meetings will be those set forth in this section.

(b) *Procedure.* (1) A decision to close a meeting or portion of a meeting will be taken only when a majority of the entire Board votes to take such action. In deciding whether to close a meeting or portion of a meeting, the Board will consider whether the public interest requires an open meeting. A separate vote of the Board will be taken with respect to each meeting which is proposed to be closed in whole or in part to the public. A single vote may be taken with respect to a series of meetings which are proposed to be closed in whole or in part to the public, or with respect to any information concerning such series of meetings, so long as each meeting in the series involves the same particular matters and is scheduled to be held no more than thirty days after

the initial meeting in the series. The vote of each Board member will be recorded and no proxies will be allowed.

(2) Any individual whose interests may be directly affected may request that the Corporation close any portion of a meeting for any of the reasons referred to in paragraph (b) (5), (6), or (b)(7) of §311.3. Requests should be directed to the Executive Secretary, Federal Deposit Insurance Corporation, 550 17th Street, NW., Washington, DC 20429. After receiving notice that an individual desires a portion of a meeting to be closed, the Board, upon request of any one of its members, will vote by recorded vote whether to close the relevant portion of the meeting. This procedure will apply even if the individual's request is made subsequent to the announcement of a decision to hold an open meeting.

(3) The Corporation's General Counsel will make the public certification required by §311.7.

(4) Within 1 day after any vote taken pursuant to paragraphs (b)(1) or (2) of this section, the Corporation will make publicly available a written copy of the vote, reflecting the vote of each Board member. Except to the extent that such information is exempt from disclosure, if a meeting or portion of a meeting is to be closed to the public, the Corporation will make publicly available within 1 day after the required vote a full written explanation of its action, together with a list of all persons expected to attend the meeting and their affiliation.

(5) The Corporation will publicly announce the time, place, and subject matter of the meeting, with determinations as to open and closed portions, in the manner and within the time limits prescribed in §311.4.

[42 FR 14675, Mar. 16, 1977; 42 FR 16616, Mar. 29, 1977, as amended at 42 FR 59494, Nov. 18, 1977; 67 FR 71071, Nov. 29, 2002]

§311.6 Expedited procedure for announcing and closing certain meetings.

(a) *Scope.* Since a majority of its meetings may properly be closed pursuant to paragraph (b)(4), (8), (9)(i), or (b)(10) of §311.3, subsection (d)(4) of the Government in the Sunshine Act (5 U.S.C. 552b) allows the Corporation to

Federal Deposit Insurance Corporation

§311.8

use expedited procedures in closing meetings under these four subparagraphs. Absent a compelling public interest to the contrary, meetings or portions of meetings that can be expected to be closed using these procedures include, but are not limited to: Administrative enforcement proceedings under section 8 of the Federal Deposit Insurance Act (12 U.S.C. 1818); appointment of the Corporation as conservator of a depository institution, or as receiver, liquidator or liquidating agent of a closed depository institution or a depository institution in danger of closing; and certain management and liquidation activities pursuant to such appointments; possible financial assistance by the Corporation under section 13 of the Federal Deposit Insurance Act (12 U.S.C. 1823); certain depository institution applications including applications to establish or move branches, applications to merge, and applications for insurance; and investigatory activity under section 10(c) of the Federal Deposit Insurance Act (12 U.S.C. 1820(c)). In announcing and closing meetings or portions of meetings under this section, the following procedures will be observed.

(b) *Announcement.* Except to the extent that such information is exempt from disclosure under the provisions of §311.3(b) the Corporation will make public announcement of the time, place and subject matter of the meeting and of each portion thereof at the earliest practicable time. This announcement will be published in the FEDERAL REGISTER if publication can be effected at least 1 day prior to the scheduled date of the meeting.

(c) *Procedure for closing.* (1) The Corporation's General Counsel will make the public certification required by §311.7.

(2) At the beginning of a meeting or portion of a meeting to be closed under this section, a recorded vote of the Board will be taken. The Board will determine by its vote whether to proceed with the closing. If a majority of the entire Board votes to close, the meeting will be closed to public observation. Even though a meeting or portion thereof could properly be closed under this section, a majority of the entire Board may find that the public interest

requires an open session and vote, reflecting the vote of each Board member, will be made available to the public.

[42 FR 14675, Mar. 16, 1977; 42 FR 16616, Mar. 29, 1977, as amended at 54 FR 38965, Sept. 22, 1989]

§311.7 General Counsel certification.

For every meeting or portion thereof closed under §311.5 or §311.6, the Corporation's General Counsel will publicly certify that, in the opinion of such General Counsel, the meeting may be closed to the public and will state each relevant exemptive provision. In the absence of the General Counsel, the next ranking official in the Legal Division may perform the certification. If the General Counsel and such next ranking official in the Legal Division are both absent, the official in the Legal Division who is then next in rank may provide the required certification. A copy of this certification, together with a statement from the presiding officer of the meeting setting forth the time and place of the meeting, and the persons present, will be retained in the Board's permanent files.

[42 FR 14675, Mar. 16, 1977, as amended at 61 FR 38357, July 24, 1996]

§311.8 Transcripts and minutes of meetings.

(a) *When required.* The Corporation will maintain a complete transcript, identifying each speaker, to record fully the proceedings of each meeting or portion of a meeting closed to the public, except that in the case of a meeting or portions of a meeting closed to the public pursuant to paragraph (b)(8), (9)(i), or (10) of §311.3, the Corporation may, in lieu of a transcript, maintain a set of minutes.

(b) *Content of minutes.* If minutes are maintained, they will fully and clearly describe all matters discussed and will provide a full and accurate summary of any actions taken, and the reasons for taking such action. Minutes will also include a description of each of the views expressed by each person in attendance on any item and the record of any roll call vote, reflecting the vote of each member. All documents considered in connection with any action will be identified in the minutes.

(c) *Available material.* The Corporation will maintain a complete verbatim copy of the transcript or minutes of each meeting or portion of a meeting closed to the public for a period of at least 2 years after the meeting, or until 1 year after the conclusion of any proceeding with respect to which the meeting or portion was held, whichever occurs later. The Corporation will make promptly available to the public the transcript, identifying each speaker, or minutes of items on the agenda or testimony of any witness received at the closed meeting except that in cases where the Privacy Act of 1974 (5 U.S.C. 552a) does not apply, the Corporation may withhold information exempt from disclosure under §311.3(b). For the convenience of members of the public who may be unable to attend open meetings of the Board, the Corporation will maintain for at least 2 years a set of minutes of each meeting of the Board or portion thereof open to public observation.

(d) *Procedures for inspecting or copying available material.* (1) An individual may inspect materials made available under paragraph (c) of this section at the offices of the Executive Secretary, Federal Deposit Insurance Corporation, 550 17th Street, NW., Washington, DC 20429, during normal business hours. If the individual desires a copy of such material, the Corporation will furnish copies at a cost of 10 cents per page. Whenever the Corporation determines that in the public interest a reduction or waiver is warranted, it may reduce or waive any fees imposed under this section.

(2) An individual may also submit a written request for transcripts or minutes, reasonably identifying the records sought, to the Executive Secretary, Federal Deposit Insurance Corporation, 550 17th Street, NW., Washington, DC 20429.

(e) *Procedures for obtaining documents identified in minutes.* Copies of documents identified in minutes or considered by the Board in connection with any action identified in the minutes may be made available to the public upon request, to the extent permitted by the Freedom of Information Act,

under the provisions of 12 CFR part 309, Disclosure of Information.

First, the premium shall be allocated in payment of the exit fee to one-third of the premium received. Second, the remaining premium shall be allocated to the entrance fee. (g) Exit fees paid to the Savings Association Insurance Fund pursuant to paragraph (f) of this section shall be held in a reserve account until such time as the Federal Deposit Insurance Corporation and the Secretary of the Treasury determine that it is not necessary to reserve such funds for the payment of interest on the obligations of the Financing Corporation.

(h) Insured deposit transfers occurring before March 21, 1990 shall not be subject to the assessment of entrance or exit fees.

(i) Before January 1, 1997, amendments to this section concerning exit fees assessed in connection with insured deposit transfers from the Sav-

(f) The entrance fee required by this section shall be paid to the Savings Association Insurance Fund. The exit fee required by this section shall be paid to the Bank Insurance Fund.

(g) Insured deposit transfers occurring before March 21, 1990 shall not be

(b) Notwithstanding paragraph (a) of this section, an acquiring depository institution participating in an insured deposit transfer pursuant to § 312.8 or § 312.9 of this part shall pay the entrance and exit fees from the premium, and in any event, shall not be liable for the payment of that portion of the entrance and exit fees that exceeds the premium paid by such acquiring depository institution.

(c) The “conversion transaction payment date” shall be either March 31st or September 30th, whichever occurs first following the expiration of 30 days from the date the deposits are transferred.

(d) A resulting or acquiring depository institution shall pay the entrance and exit fees required by this part on the conversion transaction payment date.

(e) Notwithstanding paragraph (d) of this section, where the sum of the entrance and exit fees required to be paid by an insured depository institution pursuant to §§ 312.4, 312.5, 312.6, or 312.7 of this part exceeds \$5,000, a resulting or acquiring depository institution may, at its option, and upon notification to the Federal Deposit Insurance Corporation, pay the entrance and exit fees in equal annual installments, interest-free, over a period of not more than five years. The first such installment shall be paid on the date described in paragraph (c) of this section.

(f) Entrance and exit fees required to be paid by an insured depository institution as the result of an insured deposit transfer pursuant to §§ 312.8 or 312.9 of this part shall be paid on the conversion transaction payment date described in paragraph (c) of this section.

12 CFR Ch. III (1-1-03 Edition)

Subpart A—Scope, Purpose, Definitions and Delegations of Authority

§ 313.1 Scope.

This part establishes FDIC procedures for the collection of certain debts owed to the United States.

(a) This part applies to collections by the FDIC from:

(1) Federal employees who are indebted to the FDIC;

(2) Employees of the FDIC who are indebted to other agencies; and

(3) Other persons, organizations, or entities that are indebted to the FDIC, except those excluded in paragraph (b)(3) of this section.

(b) This part does not apply:

(1) To debts or claims arising under the Internal Revenue Code of 1986 (Title 26, U.S. Code), the Social Security Act (42 U.S.C. 301 *et seq.*), or the tariff laws of the United States;

(2) To a situation to which the Contract Disputes Act (41 U.S.C. 601 *et seq.*) applies; or

(3) In any case where collection of a debt is explicitly provided for or prohibited by another statute.

(c) This part applies only to debts owed to and payments made by the FDIC acting in its corporate capacity; that is, in connection with employee matters such as travel-related claims and erroneous overpayments, contracting activities involving corporate operations, debts related to requests to the FDIC for documents under the Freedom of Information Act (FOIA) or where a request for an offset is received by the FDIC from another federal agency. It does not apply to debts owed to or payments made by the FDIC in connection with the FDIC's liquidation, supervision, enforcement, or insurance responsibilities, nor does it limit or affect the FDIC's authority with respect to debts and/or claims pursuant to 12 U.S.C. 1819(a) and 1820(a).

(d) Nothing in this part 313 precludes the compromise, suspension, or termination of collection actions, where appropriate, under standards implementing the Debt Collection Improvement Act (DCIA) (31 U.S.C. 3711 *et seq.*),

Federal Deposit Insurance Corporation

§ 313.3

the Federal Claims Collection Standards (FCCS) (31 CFR chapter IX and parts 900 through 904); or any other applicable law.

§ 313.2 Purpose.

(a) The purpose of this part is to implement federal statutes and regulatory standards authorizing the FDIC to collect debts owed to the United States. This part is consistent with the following federal statutes and regulations:

(1) DCIA at 31 U.S.C. 3711 (collection and compromise of claims); section 3716 (administrative offset), section 3717 (interest and penalty on claims), and section 3718 (contracts for collection services);

(2) 5 U.S.C. 5514 (salary offset);

(3) 5 U.S.C. 5584 (waiver of claims for overpayment);

(4) 31 CFR chapter IX and parts 900 through 904 (Federal Claims Collection Standards);

(5) 5 CFR part 550, subpart K (salary offset);

(6) 31 U.S.C. 3720D, 31 CFR 285.11 (administrative wage garnishment);

(7) 26 U.S.C. 6402(d), 31 U.S.C. 3720A and 31 CFR 285.2 (tax refund offset); and

(8) 5 CFR 831.1801 through 1808 (U. S. Office of Personnel Management (OPM) offset).

(b) Collectively, these statutes and regulations prescribe the manner in which federal agencies should proceed to establish the existence and validity of debts owed to the federal government and describe the remedies available to agencies to offset valid debts.

§ 313.3 Definitions.

Except where the context clearly indicates otherwise or where the term is defined elsewhere in this subpart, the following definitions shall apply to this subpart.

(a) *Agency* means a department, agency, court, court administrative office, or instrumentality in the executive, judicial, or legislative branch of government, including government corporations.

(b) *Board* means the Board of Directors of the FDIC.

(c) *Centralized administrative offset* means the mandatory referral to the

Secretary of the Treasury by a creditor agency of a past due debt which is more than 180 days delinquent, for the purpose of collection under the Treasury's centralized offset program.

(d) *Certification* means a written statement transmitted from a creditor agency to a paying agency for purposes of administrative or salary offset, or to the Secretary of the Treasury for centralized administrative offset. The certification confirms the existence and amount of the debt and verifies that required procedural protections have been afforded the employee. Where the debtor requests a hearing on a claimed debt, the decision by a hearing official or administrative law judge constitutes a certification.

(e) *Chairman* means the Chairman of the FDIC.

(f) *Compromise* means the settlement or forgiveness of a debt under 31 U.S.C. 3711, in accordance with standards set forth in the FCCS and applicable federal law.

(g) *Creditor agency* means an agency of the federal government to which the debt is owed, or a debt collection center when acting on behalf of a creditor agency to collect a debt.

(h) *Debt* means an amount owed to the United States from loans insured or guaranteed by the United States and all other amounts due the United States from fees, leases, rents, royalties, services, sales of real or personal property, overpayments, penalties, damages, interest, fines and forfeitures, and all other similar sources. For purposes of this part, a debt owed to the FDIC constitutes a debt owed to the United States.

(i) *Debt collection center* means the Department of the Treasury or other government agency or division designated by the Secretary of the Treasury with authority to collect debts on behalf of creditor agencies in accordance with 31 U.S.C. 3711(g).

(j) *Director* means the Director of the Division of Finance (DOF) or the Director of the Division of Administration (DOA), as applicable, or the applicable Director's delegate.

(k) *Disposable pay* means that part of current adjusted basic pay, special pay, incentive pay, retired pay, retainer pay, and, in the case of an employee

§313.4

12 CFR Ch. III (1–1–03 Edition)

not entitled to adjusted basic pay, other authorized pay, remaining for each pay period after the deduction of any amount required by law to be withheld. The FDIC shall allow the following deductions in determining the amount of disposable pay that is subject to salary offset:

- (1) Federal employment taxes;
- (2) Federal, state, or local income taxes to the extent authorized or required by law, but no greater than would be the case if the employee claimed all dependents to which he or she is entitled and such additional amounts for which the employee presents evidence of a tax obligation supporting the additional withholding;
- (3) Medicare deductions;
- (4) Health insurance premiums;
- (5) Normal retirement contributions, including employee contributions to the Thrift Savings Plan or the FDIC 401(k) Plan;
- (6) Normal life insurance premiums (e.g., Serviceman's Group Life Insurance and "Basic Life" Federal Employee's Group Life Insurance premiums), not including amounts deducted for supplementary coverage;
- (7) Amounts mandatorily withheld for the United States Soldiers' and Airmen's Home;
- (8) Fines and forfeiture ordered by a court-martial or by a commanding officer.

(1) *Division of Administration* (DOA) means the Division of Administration of the FDIC.

(m) *Division of Finance* (DOF) means the Division of Finance of the FDIC.

(n) *Federal Claims Collection Standards* (FCCS) means standards published at 31 CFR chapter IX and parts 900 through 904.

(o) *Garnishment* means the process of withholding amounts from the disposable pay of a person employed outside the federal government, and the paying of those amounts to a creditor in satisfaction of a withholding order.

(p) *Hearing official* means an administrative law judge or other individual authorized to conduct a hearing and issue a final decision in response to a debtor's request for hearing. A hearing official may not be under the supervision or control of the Chairman or

FDIC Board when the FDIC is the creditor agency.

(q) *Notice of Intent to Offset or Notice of Intent* means a written notice from a creditor agency to an employee, organization, or entity that claims a debt and informs the debtor that the creditor agency intends to collect the debt by administrative offset. The notice also informs the debtor of certain procedural rights with respect to the claimed debt and offset.

(r) *Notice of Salary Offset* means a written notice from a paying agency to its employee informing the employee that salary offset to collect a debt due to the creditor agency will begin at the next officially established pay interval. The paying agency transmits this notice to its employee after receiving a certification from the creditor agency.

(s) *Paying agency* means the agency of the federal government that employs the individual who owes a debt to an agency of the federal government. The same agency may be both the creditor agency and the paying agency.

(t) *Salary offset* means an administrative offset to collect a debt under 5 U.S.C. 5514 by deduction(s) at one or more officially established pay intervals from the current pay account of an employee without his or her consent.

(u) *Waiver* means the cancellation, remission, forgiveness or non-recovery of a debt allegedly owed by an employee to an agency, as authorized or required by 5 U.S.C. 5584 or any other law.

(v) *Withholding order* means any order for withholding or garnishment of pay issued by an agency, or judicial or administrative body. For purposes of administrative wage garnishment, the terms "wage garnishment order" and "garnishment order" have the same meaning as "withholding order."

§313.4 Delegations of authority.

Authority to conduct the following activities is delegated to the Director of DOA or Director of DOF, as applicable, or the applicable Director's delegate, to:

- (a) Initiate and carry out the debt collection process on behalf of the FDIC, in accordance with the FCCS;

Federal Deposit Insurance Corporation

§ 313.24

(b) Accept or reject compromise offers and suspend or terminate collection actions to the full extent of the FDIC's legal authority under 12 U.S.C. 1819(a) and 1820(a), 31 U.S.C. 3711(a)(2), and any other applicable statute or regulation, provided, however, that no such claim shall be compromised or collection action terminated, except upon the concurrence of the FDIC General Counsel or his or her designee;

(c) Report to consumer reporting agencies certain data pertaining to delinquent debts, where appropriate;

(d) Use administrative offset procedures, including salary offset, to collect debts; and

(e) Take any other action necessary to promptly and effectively collect debts owed to the United States in accordance with the policies contained herein and as otherwise provided by law.

§§ 313.5–313.19 [Reserved]

Subpart B—Administrative Offset

§ 313.20 Applicability and scope.

The provisions of this subpart apply to the collection of debts owed to the United States arising from transactions with the FDIC. Administrative offset is authorized under the DCIA. This subpart is consistent with the FCCS on administrative offset issued by the Department of Justice.

§ 313.21 Definitions.

(a) *Administrative offset* means withholding funds payable by the United States to, or held by the United States for, a person to satisfy a debt.

(b) *Person* includes a natural person or persons, profit or nonprofit corporation, partnership, association, trust, estate, consortium, or other entity which is capable of owing a debt to the United States Government except that agencies of the United States, or any state or local government shall be excluded.

§ 313.22 Collection.

(a) The Director may collect a claim from a person by administrative offset of monies payable by the Government only after:

(1) Providing the debtor with due process required under this part; and

(2) Providing the paying agency with written certification that the debtor owes the debt in the amount stated and that the FDIC, as creditor agency, has complied with this part.

(b) Prior to initiating collection by administrative offset, the Director should determine that the proposed offset is within the scope of this remedy, as set forth in 31 CFR 901.3(a). Administrative offset under 31 U.S.C. 3716 may not be used to collect debts more than 10 years after the federal government's right to collect the debt first accrued, except as otherwise provided by law. In addition, administrative offset may not be used when a statute explicitly prohibits its use to collect the claim or type of claim involved.

(c) Unless otherwise provided, debts or payments not subject to administrative offset under 31 U.S.C. 3716 may be collected by administrative offset under common law, or any other applicable statutory authority.

§ 313.23 Offset prior to completion of procedures.

The FDIC may collect a debt by administrative offset prior to the completion of the procedures described in § 313.25, if:

(a) Failure to offset a payment would substantially prejudice the FDIC's ability to collect the debt; and

(b) The time before the payment is to be made does not reasonably permit completion of the procedures described in § 313.25. Such prior offsetting shall be followed promptly by the completion of the procedures described in § 313.25.

§ 313.24 Omission of procedures.

The FDIC shall not be required to follow the procedures described in § 313.25 where:

(a) The offset is in the nature of a recoupment (*i.e.*, the FDIC may offset a payment due to the debtor when both the payment due to the debtor and the debt owed to the FDIC arose from the same transaction); or

(b) The debt arises under a contract as set forth in *Cecile Industries, Inc. v. Cheney*, 995 F.2d 1052 (Fed. Cir. 1993), which provides that procedural protections under administrative offset do

§ 313.25

not supplant or restrict established procedures for contractual offsets accommodated by the Contracts Disputes Act; or

(c) In the case of non-centralized administrative offsets, the FDIC first learns of the existence of a debt due when there would be insufficient time to afford the debtor due process under these procedures before the paying agency makes payment to the debtor; in such cases, the Director shall give the debtor notice and an opportunity for review as soon as practical and shall refund any money ultimately found not to be due to the U.S. Government.

§ 313.25 Debtor's rights.

Unless the procedures described in § 313.23 are used, prior to collecting any claim by administrative offset or referring such claim to another agency for collection through administrative offset, the Director shall provide the debtor with the following:

(a) Written notification of the nature and amount of the claim, the intention of the Director to collect the claim through administrative offset, and a statement of the rights of the debtor under this paragraph;

(b) An opportunity to inspect and copy the records of the FDIC with respect to the claim, unless such records are exempt from disclosure;

(c) An opportunity to have the FDIC's determination of indebtedness reviewed by the Director:

(1) Any request by the debtor for such review shall be in writing and shall be submitted to the FDIC within 30 calendar days of the date of the notice of the offset. The Director may waive the time limit for requesting review for good cause shown by the debtor;

(2) Upon acceptance of a request for review by the debtor, the FDIC shall provide the debtor with a reasonable opportunity for an oral hearing when the determination turns on an issue of credibility or veracity, or the Director determines that the question of the indebtedness cannot be resolved by review of the documentary evidence alone. Unless otherwise required by law, an oral hearing under this section is not required to be a formal evidentiary hearing, although the Direc-

12 CFR Ch. III (1-1-03 Edition)

tor shall document all significant matters discussed at the hearing. In cases where an oral hearing is not required by this section, the Director shall make his determination based on a documentary hearing consisting of a review of the written record; and

(d) An opportunity to enter into a written agreement for the voluntary repayment of the amount of the claim at the discretion of the Director.

§ 313.26 Interest.

Pursuant to 31 U.S.C. 3717, the FDIC shall assess interest, penalties and administrative costs on debts owed to the United States. The FDIC is authorized to assess interest and related charges on debts that are not subject to 31 U.S.C. 3717 to the extent authorized under the common law or other applicable statutory authority.

§ 313.27 Refunds.

Amounts recovered by administrative offset but later found not to be owed to the Government shall be promptly refunded. Unless required by law or contract, such refunds shall not bear interest.

§ 313.28 No requirement for duplicate notice.

Where the Director has previously given a debtor any of the required notice and review opportunities with respect to a particular debt, the Director is not required to duplicate such notice and review opportunities prior to initiating administrative offset.

§ 313.29 Requests for offset to other federal agencies.

The Director may request that a debt owed to the FDIC be administratively offset against funds due and payable to a debtor by another federal agency. In requesting administrative offset, the FDIC, as the creditor agency, will certify in writing to the federal agency holding funds payable to the debtor:

(a) That the debtor owes the debt;

(b) The amount and basis of the debt; and

(c) That the FDIC has complied with the requirements of its own administrative offset regulations and the applicable provisions of 31 U.S.C. 3716 with

Federal Deposit Insurance Corporation

§ 313.41

respect to providing the debtor with due process, unless otherwise provided.

§ 313.30 Requests for offset from other federal agencies.

Any federal agency may request that funds due and payable to its debtor by the FDIC be administratively offset by the FDIC in order to collect a debt owed to such agency by the debtor. The FDIC shall initiate the requested offset only upon:

(a) Receipt of written certification from the creditor agency stating:

(1) That the debtor owes the debt;

(2) The amount and basis of the debt; and

(3) That the agency has complied with its own administrative offset regulations and with the applicable provisions of 31 CFR 901.3, including providing any required hearing or review.

(b) A determination by the creditor agency that collection by offset against funds payable by the FDIC would be in the best interest of the United States and that such offset would not otherwise be contrary to law.

§§ 313.31—313.39 [Reserved]

Subpart C—Salary Offset

§ 313.40 Scope.

These salary offset regulations are issued in compliance with 5 U.S.C. 5514 and 5 CFR part 550, subpart K, and apply to the collection of debts owed by employees of the FDIC or other federal agencies. These salary offset procedures do not apply where an employee consents to the recovery of a debt from his current pay account. These procedures do not apply to debts arising under the Internal Revenue Code, the tariff laws of the United States or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (*e.g.*, travel advances under 5 U.S.C. 5705 and employee training expenses under 5 U.S.C. 4108). These procedures do not preclude an employee from requesting waiver of an erroneous payment under 5 U.S.C. 5584, or in any way questioning the amount or validity of a debt, in the manner specified by law or these agency regulations.

This section also does not preclude an employee from requesting waiver of the collection of a debt under any other applicable statutory authority. When possible, salary offset through centralized administrative offset procedures should be attempted before seeking salary offset from a paying agency different than the creditor agency.

§ 313.41 Notice requirement where FDIC is creditor agency.

Where the FDIC seeks salary offset under 5 U.S.C. 5514 as the creditor agency, the FDIC shall first provide the employee with a written Notice of Intent to Offset at least 30 calendar days before salary offset is to commence. The Notice of Intent to Offset shall include the following information and statements:

(a) That the Director has determined that a debt is owed to the FDIC and intends to collect the debt by means of deduction from the employee's current disposable pay account until the debt and all accumulated interest is paid in full or otherwise resolved;

(b) The amount of the debt and the factual basis for the debt;

(c) A salary offset schedule stating the frequency and amount of each deduction, stated as a fixed dollar amount or percentage of disposable pay (not to exceed 15%);

(d) That in lieu of salary offset, the employee may propose a voluntary repayment plan to satisfy the debt on terms acceptable to the FDIC, which must be documented in writing, signed by the employee and the Director or the Director's designee, and documented in the FDIC's files;

(e) The FDIC's policy concerning interest, penalties, and administrative costs, and a statement that such assessments must be made, unless excused in accordance with the FCCS;

(f) That the employee has the right to inspect and copy FDIC records not exempt from disclosure relating to the debt claimed, or to receive copies of such records if the employee or the employee's representative is unable personally to inspect the records, due to geographical or other constraints:

(1) That such requests be made in writing, and identify by name and address the Director or other designated

§ 313.42

12 CFR Ch. III (1–1–03 Edition)

individual to whom the request should be sent; and

(2) That upon receipt of such a request, the Director or the Director's designee shall notify the employee of the time and location where the records may be inspected and copied;

(g) That the employee has a right to request a hearing regarding the existence and amount of the debt claimed or the salary offset schedule proposed by the FDIC, provided that the employee files a request for such a hearing with the FDIC in accordance with § 313.42 that such a hearing will be conducted by an impartial official who is an administrative law judge or other hearing official not under the supervision or control of the Board;

(h) The procedure and deadline for requesting a hearing, including the name, address, and telephone number of the Director or other designated individual to whom a request for hearing must be sent;

(i) That a request for hearing must be received by the FDIC on or before the 30th calendar day following receipt of the Notice of Intent, and that filing of a request for hearing will stay the collection proceedings;

(j) That the FDIC will initiate salary offset procedures not less than 30 days from the date of the employee's receipt of the Notice of Intent to Offset, unless the employee files a timely request for a hearing;

(k) That if a hearing is held, the administrative law judge or other hearing official will issue a decision at the earliest practical date, but not later than 60 days after the filing of the request for the hearing, unless the employee requests a delay in the proceedings which is granted by the hearing official;

(l) That any knowingly false or frivolous statements, representations, or evidence may subject the employee to:

(1) Disciplinary procedures appropriate under 5 U.S.C. chapter 75, 5 CFR part 752, or any other applicable statutes or regulations;

(2) Penalties under the False Claims Act, 31 U.S.C. 3729 through 3731, or under any other applicable statutory authority; or

(3) Criminal penalties under 18 U.S.C. 286, 287, 1001, and 1002 or under any other applicable statutory authority;

(m) That the employee also has the right to request waiver of overpayment pursuant to 5 U.S.C. 5584, and may exercise any other rights and remedies available under statutes or regulations governing the program for which the collection is being made; and

(n) That amounts paid on or deducted from debts that are later waived or found not to be owed to the United States will be promptly refunded to the employee, unless there are applicable contractual or statutory provisions to the contrary.

§ 313.42 Procedures to request a hearing.

(a) To request a hearing, an employee must send a written request to the Director. The request must be received by the Director within 30 calendar days after the employee's receipt of the Notice of Intent.

(b) The request must be signed by the employee and must fully identify and explain with reasonable specificity all the facts, evidence, and witnesses, if any, that the employee believes support his or her position. The request for hearing must state whether the employee is requesting an oral or documentary hearing. If an oral hearing is requested, the request shall explain why the matter cannot be resolved by a review of documentary evidence alone.

§ 313.43 Failure to timely submit request for hearing.

If the Director does not receive an employee's request for hearing within the 30-day period set forth in § 313.42(a), the employee shall not be entitled to a hearing. However, the Director may accept an untimely request for hearing if the employee can show that the delay was the result of circumstances beyond his or her control or that he or she failed to receive actual notice of the filing deadline.

§ 313.44 Procedure for hearing.

(a) *Obtaining the services of a hearing official.* When the FDIC is the creditor

agency and the debtor is an FDIC employee, the FDIC shall designate an administrative law judge or contact any agent of another agency designated in appendix A to 5 CFR part 581 to arrange for a hearing official. When the FDIC is the creditor agency and the debtor is not an FDIC employee (*i.e.*, the debtor is employed by another federal agency, also known as the paying agency), and the FDIC cannot provide a prompt and appropriate hearing before an administrative law judge or a hearing official furnished pursuant to a lawful arrangement, the FDIC may contact an agent of the paying agency designated in appendix A to 5 CFR part 581 to arrange for a hearing official. The paying agency must cooperate with the FDIC to provide a hearing official, as required by the FCCS.

(b) *Notice and format of hearing.* (1) *Notice.* The hearing official shall determine whether the hearing shall be oral or documentary and shall notify the employee of the form of the hearing. If the hearing will be oral, the notice shall set forth the date, time, and location of the hearing, which must be held within 30 calendar days after the request is received, unless the employee requests that the hearing be delayed. If the hearing will be documentary, the employee shall be notified to submit evidence and written arguments in support of his or her case to the hearing official within 30 calendar days.

(2) *Oral hearing.* The hearing official may grant a request for an oral hearing if he or she determines that the issues raised by the employee cannot be resolved by review of documentary evidence alone (*e.g.*, where credibility or veracity are at issue). An oral hearing is not required to be an adversarial adjudication, and the hearing official is not required to apply rules of evidence. Witnesses who testify in oral hearings shall do so under oath or affirmation. Oral hearings may take the form of, but are not limited to:

(i) Informal conferences with the hearing official in which the employee and agency representative are given full opportunity to present evidence, witnesses, and argument;

(ii) Informal meetings in which the hearing examiner interviews the employee; or

(iii) Formal written submissions followed by an opportunity for oral presentation.

(3) *Documentary hearing.* If the hearing official determines that an oral hearing is not necessary, he or she shall decide the issues raised by the employee based upon a review of the written record.

(4) *Record.* The hearing official shall maintain a summary record of any hearing conducted under this section.

(c) *Rescheduling of the hearing date.* The hearing official shall reschedule a hearing if requested to do so by both parties, who shall be given reasonable notice of the time and place of this new hearing.

(d) *Failure to appear.* In the absence of good cause, an employee who fails to appear at a hearing shall be deemed, for the purpose of this subpart, to admit the existence and amount of the debt as described in the Notice of Intent. If the representative of the creditor agency fails to appear, the hearing official shall proceed with the hearing as scheduled, and issue a decision based upon the oral testimony presented and the documentation submitted by both parties.

(e) *Date of decision.* The hearing official shall issue a written decision based upon the evidence and information developed at the hearing, as soon as practicable after the hearing, but not later than 60 calendar days after the date on which the request for hearing was received by the FDIC, unless the hearing was delayed at the request of the employee. In the event of such a delay, the 60-day decision period shall be extended by the number of days by which the hearing was postponed. The decision of the hearing official shall be final.

(f) *Content of decision.* The written decision shall include:

(1) A summary of the facts concerning the origin, nature, and amount of the debt;

(2) The hearing official's findings, analysis, and conclusions; and

(3) The terms of the repayment schedule, if applicable.

(g) *Official certification of debt.* The hearing official's decision shall constitute an official certification regarding the existence and amount of the

§ 313.45

debt for purposes of executing salary offset under 5 U.S.C. 5514. Where the FDIC is the creditor agency but not the current paying agency, the FDIC may make a certification regarding the existence and amount of the debt owed to the FDIC, based on the hearing official's certification. The FDIC may make this certification to: the Secretary of the Treasury so that Treasury may offset the employee's current pay account by means of centralized administrative offset (5 CFR 550.1108); or to the current paying agency (5 CFR 550.1109). If the hearing official determines that a debt may not be collected through salary offset but the FDIC as the creditor agency determines that the debt is still valid, the FDIC may seek collection of the debt through other means, including administrative offset of other federal payments or litigation.

§ 313.45 Certification of debt by FDIC as creditor agency.

The Director may also issue a certification of the debt where there has not been a hearing, if the employee has admitted the debt, or failed to contest the existence and amount of the debt in a timely manner (*e.g.*, by failing to request a hearing). The certification shall be in writing and shall state:

- (a) The amount and basis of the debt owed by the employee;
- (b) The date the FDIC's right to collect the debt first accrued;
- (c) That the FDIC's debt collection regulations have been approved by OPM pursuant to 5 CFR part 550, subpart K;
- (d) If the collection is to be made by lump-sum payment, the amount and date such payment will be collected;
- (e) If the collection is to be made in installments through salary offset, the number of installments to be collected, the amount of each installment, and the date of the first installment, if a date other than the next officially established pay period; and
- (f) The date the employee was notified of the debt, the action(s) taken pursuant to the FDIC's regulations, and the dates such actions were taken.

12 CFR Ch. III (1-1-03 Edition)

§ 313.46 Notice of salary offset where FDIC is the paying agency.

(a) Upon issuance of a proper certification by the Director for debts owed to the FDIC, or upon receipt of a proper certification from a creditor agency, the Director shall send the employee a written notice of salary offset. Such notice shall advise the employee:

- (1) That certification has been issued by the Director or received from another creditor agency;
- (2) Of the amount of the debt and of the deductions to be made; and
- (3) Of the initiation of salary offset at the next officially established pay interval or as otherwise provided for in the certification.

(b) Where appropriate, the Director shall provide a copy of the notice to the creditor agency and advise such agency of the dollar amount to be offset and the pay period when the offset will begin.

§ 313.47 Voluntary repayment agreements as alternative to salary offset where the FDIC is the creditor agency.

(a) In response to a Notice of Intent, an employee may propose to voluntarily repay the debt through scheduled voluntary payments, in lieu of salary offset. An employee who wishes to repay a debt in this manner shall submit to the Director a written agreement proposing a repayment schedule. This proposal must be received by the Director within 30 calendar days after receipt of the Notice of Intent.

(b) The Director shall notify the employee whether the employee's proposed voluntary repayment agreement is acceptable. It is within the discretion of the Director whether to accept or reject the debtor's proposal, or whether to propose to the debtor a modification of the proposed repayment agreement:

- (1) If the Director decides that the proposed repayment agreement is unacceptable, he or she shall notify the employee and the employee shall have 30 calendar days from the date he or she received notice of the decision in which to file a request for a hearing on the proposed repayment agreement, as provided in § 313.42; or

Federal Deposit Insurance Corporation

§ 313.49

(2) If the Director decides that the proposed repayment agreement is acceptable or the debtor agrees to a modification proposed by the Director, the agreement shall be put in writing and signed by both the employee and the Director.

§ 313.48 Special review of repayment agreement or salary offset due to changed circumstances.

(a) An employee subject to a voluntary repayment agreement or salary offset payable to the FDIC as creditor agency may request a special review by the Director of the amount of the salary offset or voluntary repayment, based on materially changed circumstances, including, but not limited to, catastrophic illness, divorce, death, or disability. A request for special review may be made at any time.

(b) In support of a request for special review, the employee shall submit to the Director a detailed statement and supporting documents for the employee, his or her spouse, and dependents indicating:

- (1) Income from all sources;
- (2) Assets;
- (3) Liabilities;
- (4) Number of dependents;
- (5) Monthly expenses for food, housing, clothing, and transportation;
- (6) Medical expenses; and
- (7) Exceptional expenses, if any.

(c) The employee shall also file an alternative proposed offset or payment schedule and a statement, with supporting documents, showing why the current salary offset or payments result in extreme financial hardship to the employee.

(d) The Director shall evaluate the statement and supporting documents and determine whether the original salary offset or repayment schedule imposes extreme financial hardship on the employee, for example, by preventing the employee from meeting essential subsistence expenses such as food, housing, clothing, transportation, and medical care. The Director shall notify the employee in writing within 30 calendar days of his or her determination.

(e) If the special review results in a revised salary offset or repayment

schedule, the Director shall provide a new certification to the paying agency.

§ 313.49 Coordinating salary offset with other agencies.

(a) *Responsibility of the FDIC as the creditor agency.* Upon completion of the procedures established in § 313.40 through § 313.45, the Director shall take the following actions:

(1) Submit a debt claim to the paying agency, containing the information described in paragraphs (a)(2) and (a)(3) of this section, together with the certification of debt or an installment agreement (or other instruction regarding the payment schedule, if applicable).

(2) If the collection must be made in installments, inform the paying agency of the amount or percentage of disposable pay to be collected in each installment. The Director may also inform the paying agency of the commencement date and number of installments to be paid, if a date other than the next officially established pay period is required.

(3) Unless the employee has consented to the salary offset in writing or has signed a statement acknowledging receipt of the required procedures and the written consent or statement is forwarded to the paying agency, the Director must also advise the paying agency of the actions the FDIC has taken under 5 U.S.C. 5514 and state the dates such action was taken.

(4) If the employee is in the process of separating from employment, the Director shall submit the debt claim to the employee's paying agency for collection by lump-sum deduction from the employee's final check. The paying agency shall certify the total amount of its collection and furnish a copy of the certification to the FDIC and to the employee.

(5) If the employee is already separated and all payments due from his or her former paying agency have been paid, the Director may, unless otherwise prohibited, request that money due and payable to the employee from the federal government, including payments from the Civil Service Retirement and Disability Fund (5 CFR 831.1801), be administratively offset to collect the debt.

§ 313.50

(6) In the event an employee transfers to another paying agency, the Director shall not repeat the procedures described in § 313.40 through § 313.45 in order to resume collecting the debt. Instead, the FDIC shall review the debt upon receiving the former paying agency's notice of the employee's transfer and shall ensure that collection is resumed by the new paying agency. The FDIC must submit a properly certified claim to the new paying agency before collection can be resumed.

(b) *Responsibility of the FDIC as the paying agency.* (1) *Complete claim.* When the FDIC receives a properly certified claim from a creditor agency, the employee shall be given written notice of the certification, the date salary offset will begin, and the amount of the periodic deductions. The FDIC shall schedule deductions to begin at the next officially established pay interval or as otherwise provided for in the certification.

(2) *Incomplete claim.* When the FDIC receives an incomplete certification of debt from a creditor agency, the FDIC shall return the debt claim with notice that procedures under 5 U.S.C. 5514 and 5 CFR 550.1104 must be followed and that a properly certified debt claim must be received before action will be taken to collect from the employee's current pay account.

(3) *Review.* The FDIC is not authorized to review the merits of the creditor agency's determination with respect to the amount or validity of the debt certified by the creditor agency.

(4) *Employees who transfer from one paying agency to another agency.* If, after the creditor agency has submitted the debt claim to the FDIC, the employee transfers to a different paying agency before the debt is collected in full, the FDIC must certify the total amount collected on the debt. One copy of the certification shall be furnished to the employee, and one copy shall be sent to the creditor agency along with notice of the employee's transfer. If the FDIC is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund, or other similar payments, it must provide written notification to the agency responsible for making such payments that the debtor owes a debt (including

12 CFR Ch. III (1-1-03 Edition)

the amount) and that the requirements set forth herein and in the OPM's regulation (5 CFR part 550, subpart K) have been fully met.

§ 313.50 Interest, penalties, and administrative costs.

Where the FDIC is the creditor agency, it shall assess interest, penalties, and administrative costs pursuant to 31 U.S.C. 3717 and 31 CFR parts 900 through 904.

§ 313.51 Refunds.

(a) Where the FDIC is the creditor agency, it shall promptly refund any amount deducted under the authority of 5 U.S.C. 5514 when the debt is compromised or otherwise found not to be owing to the United States, or when an administrative or judicial order directs the FDIC to make a refund.

(b) Unless required by law or contract, such refunds shall not bear interest.

§ 313.52 Request from a creditor agency for services of a hearing official.

(a) The FDIC may provide a hearing official upon request of the creditor agency when the debtor is employed by the FDIC and the creditor agency cannot provide a prompt and appropriate hearing before a hearing official furnished pursuant to another lawful arrangement.

(b) The FDIC may provide a hearing official upon request of a creditor agency when the debtor works for the creditor agency and that agency cannot arrange for a hearing official.

(c) The Director shall arrange for qualified personnel to serve as hearing officials.

(d) Services rendered under paragraph (a) of this section shall be provided on a fully reimbursable basis pursuant to 31 U.S.C. 1535.

§ 313.53 Non-waiver of rights by payments.

A debtor's payment, whether voluntary or involuntary, of all or any portion of a debt being collected pursuant to this section shall not be construed as a waiver of any rights that the debtor may have under any statute, regulation, or contract except as otherwise provided by law or contract.

Federal Deposit Insurance Corporation

§ 313.82

§ 313.54 Exception to due process procedures.

(a) The procedures set forth in this subpart shall not apply to routine intra-agency salary adjustments of pay, including the following:

(1) Any adjustment to pay arising out of an employee's election of coverage or a change in coverage under a federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less;

(2) A routine adjustment of pay that is made to correct an overpayment attributable to clerical or administrative errors or delays in processing pay documents, if the overpayment occurred within the four pay periods preceding the adjustment and, at the time of such adjustment or as soon thereafter as is practical, the individual is provided written notice of the nature and amount of the adjustment and the point of contact for contesting such adjustment; or

(3) Any adjustment to collect a debt amount to \$50 or less, if, at the time of such adjustment, or as soon thereafter as is practical, the individual is provided written notice of the nature and amount of the adjustment and the point of contact for contesting such adjustment.

(b) The procedure for notice to the employee and collection of such adjustments is set forth in § 313.55.

§ 313.55 Salary adjustments.

Any negative adjustment to pay arising out of an employee's election of coverage, or a change in coverage, under a federal benefits program requiring periodic deductions from pay shall not be considered collection of a "debt" for the purposes of this section if the amount to be recovered was accumulated over four pay periods or less. In such cases, the FDIC shall not apply this subpart C, but will provide a clear and concise statement in the employee's earnings statement advising the employee of the previous overpayment at the time the adjustment is made.

§§ 313.56—313.79 [Reserved]

Subpart D—Administrative Wage Garnishment

§ 313.80 Scope and purpose.

(a) These administrative wage garnishment regulations are issued in compliance with 31 U.S.C. 3720D and 31 CFR 285.11(f). The subpart provides procedures for the FDIC to collect money from a debtor's disposable pay by means of administrative wage garnishment. The receipt of payments pursuant to this subpart does not preclude the FDIC from pursuing other debt collection remedies, including the offset of federal payments. The FDIC may pursue such debt collection remedies separately or in conjunction with administrative wage garnishment. This subpart does not apply to the collection of delinquent debts from the wages of federal employees from their federal employment. Federal pay is subject to the federal salary offset procedures set forth in 5 U.S.C. 5514 and other applicable laws.

§ 313.81 Notice.

At least 30 days before the initiation of garnishment proceedings, the Director will send, by first class mail to the debtor's last known address, a written notice informing the debtor of:

(a) The nature and amount of the debt;

(b) The FDIC's intention to initiate proceedings to collect the debt through deductions from the debtor's pay until the debt and all accumulated interest penalties and administrative costs are paid in full;

(c) An explanation of the debtor's rights as set forth in § 313.82(c); and

(d) The time frame within which the debtor may exercise these rights. The FDIC shall retain a stamped copy of the notice indicating the date the notice was mailed.

§ 313.82 Debtor's rights.

The FDIC shall afford the debtor the opportunity:

(a) To inspect and copy records related to the debt;

§ 313.83

(b) To enter into a written repayment agreement with the FDIC, under terms agreeable to the FDIC; and

(c) To the extent that a debt owed has not been established by judicial or administrative order, to request a hearing concerning the existence or amount of the debt or the terms of the repayment schedule. With respect to debts established by a judicial or administrative order, a debtor may request a hearing concerning the payment or other discharge of the debt. The debtor is not entitled to a hearing concerning the terms of the proposed repayment schedule if these terms have been established by written agreement.

§ 313.83 Form of hearing.

(a) If the debtor submits a timely written request for a hearing as provided in § 313.82(c), the FDIC will afford the debtor a hearing, which at the FDIC's option may be oral or written. The FDIC will provide the debtor with a reasonable opportunity for an oral hearing when the Director determines that the issues in dispute cannot be resolved by review of the documentary evidence, for example, when the validity of the claim turns on the issue of credibility or veracity.

(b) If the FDIC determines that an oral hearing is appropriate, the time and location of the hearing shall be established by the FDIC. An oral hearing may, at the debtor's option, be conducted either in person or by telephone conference. All travel expenses incurred by the debtor in connection with an in-person hearing will be borne by the debtor. All telephonic charges incurred during the hearing will be the responsibility of the agency.

(c) In cases when it is determined that an oral hearing is not required by this section, the FDIC will accord the debtor a "paper hearing," that is, the FDIC will decide the issues in dispute based upon a review of the written record.

§ 313.84 Effect of timely request.

If the FDIC receives a debtor's written request for hearing within 15 business days of the date the FDIC mailed its notice of intent to seek garnishment, the FDIC shall not issue a withholding order until the debtor has been

12 CFR Ch. III (1-1-03 Edition)

provided the requested hearing, and a decision in accordance with § 313.88 and § 313.89 has been rendered.

§ 313.85 Failure to timely request a hearing.

If the FDIC receives a debtor's written request for hearing after 15 business days of the date the FDIC mailed its notice of intent to seek garnishment, the FDIC shall provide a hearing to the debtor. However, the FDIC will not delay issuance of a withholding order unless it determines that the untimely filing of the request was caused by factors over which the debtor had no control, or the FDIC receives information that the FDIC believes justifies a delay or cancellation of the withholding order.

§ 313.86 Hearing official.

A hearing official may be any qualified individual, as determined by the FDIC, including an administrative law judge.

§ 313.87 Procedure.

After the debtor requests a hearing, the hearing official shall notify the debtor of:

(a) The date and time of a telephonic hearing;

(b) The date, time, and location of an in-person oral hearing; or

(c) The deadline for the submission of evidence for a written hearing.

§ 313.88 Format of hearing.

The FDIC will have the burden of proof to establish the existence or amount of the debt. Thereafter, if the debtor disputes the existence or amount of the debt, the debtor must prove by a preponderance of the evidence that no debt exists, or that the amount of the debt is incorrect. In addition, the debtor may present evidence that the terms of the repayment schedule are unlawful, would cause a financial hardship to the debtor, or that collection of the debt may not be pursued due to operation of law. The hearing official shall maintain a record of any hearing held under this section. Hearings are not required to be formal, and evidence may be offered without

Federal Deposit Insurance Corporation

§ 313.95

regard to formal rules of evidence. Witnesses who testify in oral hearings shall do so under oath or affirmation.

§ 313.89 Date of decision.

The hearing official shall issue a written opinion stating his or her decision as soon as practicable, but not later than sixty (60) days after the date on which the request for such hearing was received by the FDIC. If the FDIC is unable to provide the debtor with a hearing and decision within sixty (60) days after the receipt of the request for such hearing:

(a) The FDIC may not issue a withholding order until the hearing is held and a decision rendered; or

(b) If the FDIC had previously issued a withholding order to the debtor's employer, the withholding order will be suspended beginning on the 61st day after the date the FDIC received the hearing request and continuing until a hearing is held and a decision is rendered.

§ 313.90 Content of decision.

The written decision shall include:

(a) A summary of the facts presented;

(b) The hearing official's findings, analysis and conclusions; and

(c) The terms of any repayment schedule, if applicable.

§ 313.91 Finality of agency action.

Unless the FDIC on its own initiative orders review of a decision by a hearing official pursuant to 17 CFR 201.431(c), a decision by a hearing official shall become the final decision of the FDIC for the purpose of judicial review under the Administrative Procedure Act.

§ 313.92 Failure to appear.

In the absence of good cause shown, a debtor who fails to appear at a scheduled hearing will be deemed as not having timely filed a request for a hearing.

§ 313.93 Wage garnishment order.

(a) Unless the FDIC receives information that it believes justifies a delay or cancellation of the withholding order, the FDIC will send by first class mail a withholding order to the debtor's employer within 30 days after the debtor fails to make a timely request for a hearing (*i.e.*, within 15 business days

after the mailing of the notice of the FDIC's intent to seek garnishment) or, if a timely request for a hearing is made by the debtor, within 30 days after a decision to issue a withholding order becomes final.

(b) The withholding order sent to the employer will be in the form prescribed by the Secretary of the Treasury, on the FDIC's letterhead, and signed by the head of the agency or delegate. The order will contain all information necessary for the employer to comply with the withholding order, including the debtor's name, address, and social security number, as well as instructions for withholding and information as to where payments should be sent.

(c) The FDIC will keep a stamped copy of the order indicating the date it was mailed.

§ 313.94 Certification by employer.

Along with the withholding order, the FDIC will send to the employer a certification in a form prescribed by the Secretary of the Treasury. The employer shall complete and return the certification to the FDIC within the time frame prescribed in the instructions to the form. The certification will address matters such as information about the debtor's employment status and disposable pay available for withholding.

§ 313.95 Amounts withheld.

(a) Upon receipt of the garnishment order issued under this section, the employer shall deduct from all disposable pay paid to the debtor during each pay period the amount of garnishment described in paragraphs (b) through (d) of this section.

(b) Subject to the provisions of paragraphs (c) and (d) of this section, the amount of garnishment shall be the lesser of:

(1) The amount indicated on the garnishment order up to 15% of the debtor's disposable pay; or

(2) The amount set forth in 15 U.S.C. 1673(a)(2). The amount set forth at 15 U.S.C. 1673(a)(2) is the amount by which the debtor's disposable pay exceeds an amount equivalent to thirty times the minimum wage. See 29 CFR 870.10.

§ 313.96

(c) When a debtor's pay is subject to withholding orders with priority, the following shall apply:

(1) Unless otherwise provided by federal law, withholding orders issued under this section shall be paid in the amounts set forth under paragraph (b) of this section and shall have priority over other withholding orders which are served later in time. However, withholding orders for family support shall have priority over withholding orders issued under this section.

(2) If amounts are being withheld from a debtor's pay pursuant to a withholding order served on an employer before a withholding order issued pursuant to this section, or if a withholding order for family support is served on an employer at any time, the amounts withheld pursuant to the withholding order issued under this section shall be the lesser of:

(i) The amount calculated under paragraph (b) of this section; or

(ii) An amount equal to 25% of the debtor's disposable pay less the amount(s) withheld under the withholding order(s) with priority.

(3) If a debtor owes more than one debt to the FDIC, the FDIC may issue multiple withholding orders. The total amount garnished from the debtor's pay for such orders will not exceed the amount set forth in paragraph (b) of this section.

(d) An amount greater than that set forth in paragraphs (b) and (c) of this section may be withheld upon the written consent of the debtor.

(e) The employer shall promptly pay to the FDIC all amounts withheld in accordance with the withholding order issued pursuant to this section.

(f) An employer shall not be required to vary its normal pay and disbursement cycles in order to comply with the withholding order.

(g) Any assignment or allotment by the employee of the employee's earnings shall be void to the extent it interferes with or prohibits execution of the withholding order under this section, except for any assignment or allotment made pursuant to a family support judgment or order.

(h) The employer shall withhold the appropriate amount from the debtor's wages for each pay period until the em-

12 CFR Ch. III (1-1-03 Edition)

ployer receives notification from the FDIC to discontinue wage withholding. The garnishment order shall indicate a reasonable period of time within which the employer is required to commence wage withholding.

§ 313.96 Exclusions from garnishment.

The FDIC will not garnish the wages of a debtor it knows has been involuntarily separated from employment until the debtor has been re-employed continuously for at least 12 months. The debtor has the burden of informing the FDIC of the circumstances surrounding an involuntary separation from employment.

§ 313.97 Financial hardship.

(a) A debtor whose wages are subject to a wage withholding order under this section, may, at any time, request a review by the FDIC of the amount garnished, based on materially changed circumstances such as disability, divorce, or catastrophic illness which result in financial hardship.

(b) A debtor requesting a review under this section shall submit the basis for claiming that the current amount of garnishment results in a financial hardship to the debtor, along with supporting documentation.

(c) If a financial hardship is found, the FDIC will downwardly adjust, by an amount and for a period of time agreeable to the FDIC, the amount garnished to reflect the debtor's financial condition. The FDIC will notify the employer of any adjustments to the amounts to be withheld.

§ 313.98 Ending garnishment.

(a) Once the FDIC has fully recovered the amounts owed by the debtor, including interest, penalties, and administrative costs consistent with the FCCS, the FDIC will send the debtor's employer notification to discontinue wage withholding.

(b) At least annually, the FDIC will review its debtors' accounts to ensure that garnishment has been terminated for accounts that have been paid in full.

§ 313.123

§ 313.99 Prohibited actions by employer.

The DCIA prohibits an employer from discharging, refusing to employ, or taking disciplinary action against the debtor due to the issuance of a withholding order under this subpart.

§ 313.100 Refunds.

(a) If a hearing official determines that a debt is not legally due and owing to the United States, the FDIC shall promptly refund any amount collected by means of administrative wage garnishment.

(b) Unless required by federal law or contract, refunds under this section shall not bear interest.

§ 313.101 Right of action.

The FDIC may sue any employer for any amount that the employer fails to withhold from wages owed and payable to its employee in accordance with this subpart. However, a suit will not be filed before the termination of the collection action involving a particular debtor, unless earlier filing is necessary to avoid expiration of any applicable statute of limitations. For purposes of this subpart, “termination of the collection action” occurs when the agency has terminated collection action in accordance with the FCCS (31 CFR 903.1 through 903.5) or other applicable standards. In any event, termination of the collection action will have been deemed to occur if the FDIC has not received any payments to satisfy the debt from the particular debtor whose wages were subject to garnishment, in whole or in part, for a period of one (1) year.

§§ 313.102—313.119 [Reserved]

Subpart E—Tax Refund Offset

§ 313.120 Scope.

The provisions of 26 U.S.C. 6402(d) and 31 U.S.C. 3720A authorize the Secretary of the Treasury to offset a delinquent debt owed to the United States Government from the tax refund due a taxpayer when other collection efforts have failed to recover the amount due. In addition, the FDIC is authorized to collect debts by means of administrative offset under 31 U.S.C. 3716 and, as

part of the debt collection process, to notify the Financial Management Service (FMS), a bureau of the Department of the Treasury, of the amount of such debt for collection by tax refund offset.

§ 313.121 Definitions.

For purposes of this subpart E:

(a) *Debt* or *claim* means an amount of money, funds or property which has been determined by the FDIC to be due to the United States from any person, organization, or entity, except another federal agency.

(b) *Debtor* means a person who owes a debt or a claim. The term “person” includes any individual, organization or entity, except another federal agency.

(c) *Tax refund offset* means withholding or reducing a tax refund payment by an amount necessary to satisfy a debt owed by the payee(s) of a tax refund payment.

(d) *Tax refund payment* means any overpayment of federal taxes to be refunded to the person making the overpayment after the Internal Revenue Service (IRS) makes the appropriate credits.

§ 313.122 Notification of debt to FMS.

The FDIC shall notify FMS of the amount of any past due, legally enforceable non-tax debt owed to it by a person, for the purpose of collecting such debt by tax refund offset. Notification and referral to FMS of such debts does not preclude FDIC’s use of any other debt collection procedures, such as wage garnishment, either separately or in conjunction with tax refund offset.

§ 313.123 Certification and referral of debt.

When the FDIC refers a past-due, legally enforceable debt to FMS for tax refund offset, it will certify to FMS that:

(a) The debt is past due and legally enforceable in the amount submitted to FMS and that the FDIC will ensure that collections are properly credited to the debt;

(b) Except in the case of a judgment debt or as otherwise allowed by law, the debt is referred for offset within

§ 313.124

ten years after the FDIC's right of action accrues;

(c) The FDIC has made reasonable efforts to obtain payment of the debt, in that it has:

(1) Submitted the debt to FMS for collection by administrative offset and complied with the provisions of 31 U.S.C. 3716(a) and related regulations;

(2) Notified, or has made a reasonable attempt to notify, the debtor that the debt is past-due, and unless repaid within 60 days after the date of the notice, will be referred to FMS for tax refund offset;

(3) Given the debtor at least 60 days to present evidence that all or part of the debt is not past-due or legally enforceable, considered any evidence presented by the debtor, and determined that the debt is past-due and legally enforceable; and

(4) Provided the debtor with an opportunity to make a written agreement to repay the debt; and

(d) The debt is at least \$25.

§ 313.124 Pre-offset notice and consideration of evidence.

(a) For purposes of § 313.123(c)(2), the FDIC has made a reasonable effort to notify the debtor if it uses the current address information contained in its records related to the debt. The FDIC may, but is not required to, obtain address information from the IRS pursuant to 26 U.S.C. 6103(m)(2), (4), (5).

(b) For purposes of § 313.123(c)(3), if evidence presented by a debtor is considered by an agent of the FDIC, or other entities or persons acting on behalf of the FDIC, the debtor must be accorded at least 30 days from the date the agent or other entity or person determines that all or part of the debt is past-due and legally enforceable to request review by an officer or employee of the FDIC of any unresolved dispute. The FDIC must then notify the debtor of its decision.

§ 313.125 Referral of past-due, legally enforceable debt.

The FDIC shall submit past-due, legally enforceable debt information for tax refund offset to FMS, as prescribed by FMS. For each debt, the FDIC will include the following information:

12 CFR Ch. III (1-1-03 Edition)

(a) The name and taxpayer identification number (as defined in 26 U.S.C. 6109) of the debtor;

(b) The amount of the past-due and legally enforceable debt;

(c) The date on which the debt became past-due; and

(d) The designation of FDIC as the agency referring the debt.

§ 313.126 Correcting and updating referral.

If, after referring a past-due legally enforceable debt to FMS as provided in § 313.125, the FDIC determines that an error has been made with respect to the information transmitted to FMS, or if the FDIC receives a payment or credits a payment to the account of the debtor referred to FMS for offset, or if the debt amount is otherwise incorrect, the FDIC shall promptly notify FMS and make the appropriate correction of the FDIC's records. FDIC will provide certification as required under § 313.123 for any increases to amounts owed. In the event FMS rejects an FDIC certification for failure to comply with § 323.123, the FDIC may resubmit the debt with a corrected certification.

§ 313.127 Disposition of amounts collected.

FMS will transmit amounts collected for past-due, legally enforceable debts, less fees charged under this section, to the FDIC's account. The FDIC will reimburse FMS and the IRS for the cost of administering the tax refund offset program. FMS will deduct the fees from amounts collected prior to disposition and transmit a portion of the fees deducted to reimburse the IRS for its share of the cost of administering the tax refund offset program. To the extent allowed by law, the FDIC may add the offset fees to the debt.

§§ 313.128—313.139 [Reserved]

Subpart F—Civil Service Retirement and Disability Fund Offset

§ 313.140 Future benefits.

Unless otherwise prohibited by law, the FDIC may request that a debtor's anticipated or future benefit payments under the Civil Service Retirement and

Disability Fund (Fund) be administratively offset in accordance with regulations at 5 CFR 831.1801 through 831.1808.

§ 313.141 Notification to OPM.

When making a request for administrative offset under § 313.140, the FDIC shall provide OPM with a written certification that:

- (a) The debtor owes the FDIC a debt, including the amount of the debt;
- (b) The FDIC has complied with the applicable statutes, regulations, and procedures of OPM; and
- (c) The FDIC has complied with the requirements of 31 CFR parts 900 through 904, including any required hearing or review.

§ 313.142 Request for administrative offset.

The Director shall request administrative offset under § 313.140, as soon as practical after completion of the applicable procedures in order to help ensure that offset be initiated prior to expiration of the applicable statute of limitations. At such time as the debtor makes a claim for payments from the Fund, if at least a year has elapsed since the offset request was originally made, the debtor shall be permitted to offer a satisfactory repayment plan in lieu of offset upon establishing that changed financial circumstances would render the offset unjust.

§ 313.143 Cancellation of deduction.

If the FDIC collects part or all of the debt by other means before deductions are made or completed pursuant to § 313.140, the FDIC shall act promptly to modify or terminate its request for such offset.

**Subpart G—Mandatory
Centralized Administrative Offset**

§ 313.160 Treasury notification.

(a) In accordance with 31 U.S.C. 3716, the FDIC as a creditor agency must notify the Secretary of the Treasury of all debts that are delinquent (over 180 days past due), as defined in the FCCS, to enable the Secretary to seek collection by centralized administrative offset. This includes debts the FDIC seeks to recover from the pay account of an

employee of another agency by means of salary offset.

(b) For purposes of centralized administrative offset, a claim or debt is not delinquent if:

- (1) It is in litigation or foreclosure;
- (2) It will be disposed of under an asset sale program within one year after becoming eligible for sale;
- (3) It has been referred to a private collection contractor for collection;
- (4) It has been referred to a debt collection center;
- (5) It will be collected under internal offset, if such offset is sufficient to collect the claim within three years after the date the debt or claim is first delinquent; and
- (6) It is within a specific class of claims or debts which the Secretary of the Treasury has determined to be exempt, at the request of an agency.

§ 313.161 Certification of debt.

Prior to referring a delinquent debt to the Secretary of the Treasury, the Director must have complied with the requirements of 5 U.S.C. 5514, and 5 CFR part 550, subpart K, governing salary offset, and the FDIC regulations. The Director shall certify, in a form acceptable to the Secretary, that:

- (a) The debt is past due and legally enforceable; and
- (b) The FDIC has complied with all due process requirements under 31 U.S.C. 3716 and the FDIC's administrative offset regulations.

§ 313.162 Compliance with 31 CFR part 285.

The Director shall also comply with applicable procedures for referring a delinquent debt for purposes of centralized offset which are set forth at 31 CFR part 285 and the FCCS.

§ 313.163 Notification of debts of 180 days or less.

The Director, in his discretion, may also notify the Secretary of the Treasury of debts that have been delinquent for 180 days or less, including debts the FDIC seeks to recover by means of salary offset.

(b) *Purpose and scope.* (1) Title XI provides protection for federal financial and public policy interests in real estate related transactions by requiring real estate appraisals used in connection with federally related transactions to be performed in writing, in accordance with uniform standards, by appraisers whose competency has been demonstrated and whose professional conduct will be subject to effective supervision. This part implements the requirements of title XI and applies to all federally related transactions entered into by the FDIC or by institutions regulated by the FDIC (*regulated institutions*).

No individual shall be a State certified appraiser unless such individual has achieved a passing grade upon a suitable examination administered by a State or territory that is consistent with and equivalent to the Uniform State Certification Examination issued or endorsed by the Appraiser Qualifications Board. In addition, the Appraisal Subcommittee must not have issued a finding that the policies, practices, or procedures of a State or territory are inconsistent with title XI of FIRREA. The FDIC

may, from time to time, impose additional qualification criteria for certified appraisers performing appraisals in connection with federally related transactions within its jurisdiction.

(k) *State licensed appraiser* means any individual who has satisfied the requirements for licensing in a State or territory where the licensing procedures comply with title XI of FIRREA and where the Appraisal Subcommittee has not issued a finding that the policies, practices, or procedures of the State or territory are inconsistent with title XI. (1) The transaction value is \$250,000 or less;

(2) A lien on real estate has been taken as collateral in an abundance of caution;

(3) The transaction is not secured by real estate;

§ 323.3

12 CFR Ch. III (1-1-03 Edition)

(4) A lien on real estate has been taken for purposes other than the real estate's value;

(5) The transaction is a business loan that:

(i) Has a transaction value of \$1 million or less; and

(ii) Is not dependent on the sale of, or rental income derived from, real estate as the primary source of repayment;

(6) A lease of real estate is entered into, unless the lease is the economic equivalent of a purchase or sale of the leased real estate;

(7) The transaction involves an existing extension of credit at the lending institution, provided that:

(i) There has been no obvious and material change in market conditions or physical aspects of the property that threatens the adequacy of the institution's real estate collateral protection after the transaction, even with the advancement of new monies; or

(ii) There is no advancement of new monies, other than funds necessary to cover reasonable closing costs;

(8) The transaction involves the purchase, sale, investment in, exchange of, or extension of credit secured by, a loan or interest in a loan, pooled loans, or interests in real property, including mortgaged-backed securities, and each loan or interest in a loan, pooled loan, or real property interest met FDIC regulatory requirements for appraisals at the time of origination;

(10) The transaction either:

(i) Qualifies for sale to a United States government agency or United States government sponsored agency; or

(11) The regulated institution is acting in a fiduciary capacity and is not required to obtain an appraisal under other law; or

(12) The FDIC determines that the services of an appraiser are not necessary in order to protect Federal financial and public policy interests in real estate-related financial transactions or to protect the safety and soundness of the institution.

(b) *Evaluations required.* For a transaction that does not require the services of a State certified or licensed appraiser under paragraph (a)(1), (a)(5) or (a)(7) of this section, the institution shall obtain an appropriate evaluation of real property collateral that is consistent with safe and sound banking practices.

(c) *Appraisals to address safety and soundness concerns.* The FDIC reserves the right to require an appraisal under this part whenever the agency believes it is necessary to address safety and soundness concerns.

(d) *Transactions requiring a State certified appraiser—*(1) *All transactions of \$1,000,000 or more.* All federally related transactions having a transaction value of \$1,000,000 or more shall require an appraisal prepared by a State certified appraiser.

(2) *Nonresidential transactions of \$250,000 or more.* All federally related transactions having a transaction value of \$250,000 or more, other than those involving appraisals of 1-to-4 family residential properties, shall require an appraisal prepared by a State certified appraiser.

(3) *Complex residential transactions of \$250,000 or more.* All complex 1-to-4 family residential property appraisals rendered in connection with federally related transactions shall require a State certified appraiser if the transaction value is \$250,000 or more. A regulated institution may presume that appraisals of 1-to-4 family residential properties are not complex, unless the institution has readily available information that a given appraisal will be complex. The regulated institution shall be responsible for making the final determination of whether the appraisal is complex. If during the course of the appraisal a licensed appraiser identifies factors that would result in the property, form of ownership, or market conditions being considered atypical, then either:

§ 323.6

(i) The regulated institution may ask the licensed appraiser to complete the appraisal and have a certified appraiser approve and co-sign the appraisal; or

(ii) The institution may engage a certified appraiser to complete the appraisal.

(e) *Transactions requiring either a State certified or licensed appraiser.* All appraisals for federally related transactions not requiring the services of a State certified appraiser shall be prepared by either a State certified appraiser or a State licensed appraiser.

(f) *Effective date.* Regulated institutions are required to use state certified or licensed appraisers as set forth in this section no later than December 31, 1992, unless otherwise required by law.

(a) Conform to generally accepted appraisal standards as evidenced by the Uniform Standards of Professional Appraisal Practice (USPAP) promulgated by the Appraisal Standards Board of the Appraisal Foundation, 1029 Vermont Ave., NW., Washington, DC 20005, unless principles of safe and sound banking require compliance with stricter standards;

(c) Analyze and report appropriate deductions and discounts for proposed construction or renovation, partially leased buildings, non-market lease terms, and tract developments with unsold units;

(d) Be based upon the definition of market value as set forth in this part; and

(e) Be performed by State licensed or certified appraisers in accordance with requirements set forth in this part.

[59 FR 29502, June 7, 1994]

§ 323.5 Appraiser independence.

(a) *Staff appraisers.* If an appraisal is prepared by a staff appraiser, that appraiser must be independent of the

lending, investment, and collection functions and not involved, except as an appraiser, in the federally related transaction, and have no direct or indirect interest, financial or otherwise, in the property. If the only qualified persons available to perform an appraisal are involved in the lending, investment, or collection functions of the regulated institution, the regulated institution shall take appropriate steps to ensure that the appraisers exercise independent judgment and that the appraisal is adequate. Such steps include, but are not limited to, prohibiting an individual from performing appraisals in connection with federally related transactions in which the appraiser is otherwise involved and prohibiting directors and officers from participating in any vote or approval involving assets on which they performed an appraisal.

(b) *Fee appraisers.* (1) If an appraisal is prepared by a fee appraiser, the appraiser shall be engaged directly by the regulated institution or its agent, and have no direct or indirect interest, financial or otherwise, in the property or the transaction.

(2) A regulated institution also may accept an appraisal that was prepared by an appraiser engaged directly by another financial services institution, if:

(i) The appraiser has no direct or indirect interest, financial or otherwise, in the property or the transaction; and

(ii) The regulated institution determines that the appraisal conforms to the requirements of this part and is otherwise acceptable.

§ 323.6 Professional association membership; competency.

(a) *Membership in appraisal organizations.* A State certified appraiser or a State licensed appraiser may not be excluded from consideration for an assignment for a federally related transaction solely by virtue of membership or lack of membership in any particular appraisal organization.

(b) *Competency.* All staff and fee appraisers performing appraisals in connection with federally related transactions must be State certified or licensed, as appropriate. However, a

§ 323.7

State certified or licensed appraiser may not be considered competent solely by virtue of being certified or licensed. Any determination of competency shall be based upon the individual's experience and educational background as they relate to the particular appraisal assignment for which he or she is being considered.

§ 323.7 Enforcement.

Institutions and institution-affiliated parties, including staff appraisers and fee appraisers, may be subject to removal and/or prohibition orders, cease and desist orders, and the imposition of civil money penalties pursuant to the Federal Deposit Insurance Act, 12 U.S.C. 1811 *et seq.*, as amended, or other applicable law.

Subpart A—Minimum Capital Requirements

§ 325.1 Scope.

The provisions of this subpart A apply to those circumstances for which the Federal Deposit Insurance Act or this chapter requires an evaluation of the adequacy of an insured depository institution's capital structure. The FDIC is required to evaluate capital before approving various applications by insured depository institutions. The FDIC also must evaluate capital, as an essential component, in determining the safety and soundness of state non-member banks it insures and supervises and in determining whether depository institutions are in an unsafe or unsound condition. This subpart A establishes the criteria and standards the FDIC will use in calculating the minimum leverage capital requirement and in determining capital adequacy. In addition, appendix A to this subpart sets forth the FDIC's risk-based capital policy statement and appendix B to this subpart includes a statement of policy on capital adequacy that provides interpretational guidance as to how this subpart will be administered and enforced. In accordance with subpart B of part 325, the FDIC also must evaluate an institution's capital for purposes of determining whether the institution is subject to the prompt corrective action provisions set forth in section 38 of the Federal Deposit Insurance Act (12 U.S.C. 1831o).

Shares shall not be deemed to have been acquired in a fiduciary capacity if the acquiring insured depository institution or company has sole discretionary authority to exercise voting rights with respect thereto.

(3) *Exclusion for debts previously contracted*. No insured depository institution or company controls another insured depository institution or company by virtue of its ownership or control of shares acquired in securing or collecting a debt previously contracted

in good faith, until two years after the date of acquisition. The two-year period may be extended at the discretion of the appropriate federal banking agency for up to three one-year periods.

(f) *Controlling person* means any person having control of an insured depository institution and any company controlled by that person.

(g)(1) *Credit-enhancing interest-only strip* means an on-balance sheet asset that, in form or in substance:

(i) Represents the contractual right to receive some or all of the interest due on transferred assets; and

(ii) Exposes the bank to credit risk directly or indirectly associated with the transferred assets that exceeds a pro rata share of the bank's claim on the assets, whether through subordination provisions or other credit enhancement techniques.

(2) *Reservation of authority*. In determining whether a particular interest cash flow functions, directly or indirectly, as a credit-enhancing interest-only strip, the FDIC will consider the economic substance of the transaction. The FDIC, through the Director of Supervision, or other designated FDIC official reserves the right to identify other interest cash flows or related assets as credit-enhancing interest-only strips.

(h) *Face amount* means the notional principal, or face value, amount of an off-balance sheet item; the amortized cost of an asset not held for trading purposes; and the fair value of a trading asset.

(i)(1) *Highly leveraged transaction* means an extension of credit to or investment in a business by an insured depository institution where the financing transaction involves a buyout, acquisition, or recapitalization of an existing business and one of the following criteria is met:

(i) The transaction results in a liabilities-to-assets leverage ratio higher than 75 percent; or

(ii) The transaction at least doubles the subject company's liabilities and results in a liabilities-to-assets leverage ratio higher than 50 percent; or

(iii) The transaction is designated an HLT by a syndication agent or a federal bank regulator.

§ 325.2

12 CFR Ch. III (1–1–03 Edition)

(2) Notwithstanding paragraph (g)(1) of this section, loans and exposures to any obligor in which the total financing package, including all obligations held by all participants is \$20 million or more, or such lower level as the FDIC may establish by order on a case-by-case basis, will be excluded from this definition.

(j) *Identified losses* means:

(1) When measured as of the date of examination of an insured depository institution, those items that have been determined by an evaluation made by a state or federal examiner as of that date to be chargeable against income, capital and/or general valuation allowances such as the allowance for loan and lease losses (examples of identified losses would be assets classified loss, off-balance sheet items classified loss, any provision expenses that are necessary for the institution to record in order to replenish its general valuation allowances to an adequate level, liabilities not shown on the institution's books, estimated losses in contingent liabilities, and differences in accounts which represent shortages); and

(2) When measured as of any other date, those items:

(i) That have been determined—

(A) By an evaluation made by a state or federal examiner at the most recent examination of an insured depository institution to be chargeable against income, capital and/or general valuation allowances; or

(B) By evaluations made by the insured depository institution since its most recent examination to be chargeable against income, capital and/or general valuation allowances; and

(ii) For which the appropriate accounting entries to recognize the loss have not yet been made on the insured depository institution's books nor has the item been collected or otherwise settled.

(k) *Insured depository institution* means any depository institution (except for a foreign bank having an insured branch) the deposits of which are insured in accordance with the provisions of the Federal Deposit Insurance Act (12 U.S.C. 1811 *et seq.*)

(l) *Intangible assets* means those assets that are required to be reported as intangible assets in a banking institu-

tion's "Reports of Condition and Income" (Call Report) or in a savings association's "Thrift Financial Report."

(m) *Leverage ratio* means the ratio of Tier 1 capital to total assets, as calculated under this part.

(n) *Management fee* means any payment of money or provision of any other thing of value to a company or individual for the provision of management services or advice to the bank or related overhead expenses, including payments related to supervisory, executive, managerial, or policymaking functions, other than compensation to an individual in the individual's capacity as an officer or employee of the bank.

(o) *Minority interests in consolidated subsidiaries* means minority interests in equity capital accounts of those subsidiaries that have been consolidated for the purpose of computing regulatory capital under this part, except that minority interests which fail to provide meaningful capital support are excluded from this definition.

(p) *Mortgage servicing assets* means those assets (net of any related valuation allowances) that result from contracts to service loans secured by real estate (that have been securitized or are owned by others) for which the benefits of servicing are expected to more than adequately compensate the servicer for performing the servicing. For purposes of determining regulatory capital under this part, mortgage servicing assets will be recognized only to the extent that the assets meet the conditions, limitations, and restrictions described in § 325.5 (f).

(q) *Noncumulative perpetual preferred stock* means perpetual preferred stock (and related surplus) where the issuer has the option to waive payment of dividends and where the dividends so waived do not accumulate to future periods nor do they represent a contingent claim on the issuer. Preferred stock issues where the dividend is reset periodically based, in whole or in part, upon the bank's current credit standing, including but not limited to, auction rate, money market and remarketable preferred stock, are excluded from this definition of noncumulative perpetual preferred stock,

regardless of whether the dividends are cumulative or noncumulative.

(r) *Perpetual preferred stock* means a preferred stock that does not have a maturity date, that cannot be redeemed at the option of the holder, and that has no other provisions that will require future redemption of the issue. It includes those issues of preferred stock that automatically convert into common stock at a stated date. It excludes those issues, the rate on which increases, or can increase, in such a manner that would effectively require the issuer to redeem the issue.

(s) *Risk-weighted assets* means total risk-weighted assets, as calculated in accordance with the FDIC's Statement of Policy on Risk-Based Capital (appendix A to part 325).

(t) *Savings association* means any federally-chartered savings association, any state-chartered savings association, and any corporation (other than a bank) that the Board of Directors of the FDIC and the Director of the Office of Thrift Supervision jointly determine to be operating in substantially the same manner as a savings association.

(u) *Tangible equity* means the amount of core capital elements as defined in Section I.A.1. of the FDIC's Statement of Policy on Risk-Based Capital (appendix A to this Part 325), plus the amount of outstanding cumulative perpetual preferred stock (including related surplus), minus all intangible assets except mortgage servicing assets to the extent that the FDIC determines pursuant to §325.5(f) of this part that mortgage servicing assets may be included in calculating the bank's Tier 1 capital.

(v) *Tier 1 capital* or *core capital* means the sum of common stockholders' equity, noncumulative perpetual preferred stock (including any related surplus), and minority interests in consolidated subsidiaries, minus all intangible assets (other than mortgage servicing assets, nonmortgage servicing assets, and purchased credit card relationships eligible for inclusion in core capital pursuant to §325.5(f)), minus credit-enhancing interest-only strips that are not eligible for inclusion in core capital pursuant to §325.5(f), minus deferred tax assets in excess of the limit set forth in §325.5(g), minus

identified losses (to the extent that Tier 1 capital would have been reduced if the appropriate accounting entries to reflect the identified losses had been recorded on the insured depository institution's books), minus investments in financial subsidiaries subject to 12 CFR part 362, subpart E, and minus the amount of the total adjusted carrying value of nonfinancial equity investments that is subject to a deduction from Tier 1 capital as set forth in section II.B.(6) of appendix A to this part.

(w) *Tier 1 risk-based capital ratio* means the ratio of Tier 1 capital to risk-weighted assets, as calculated in accordance with the FDIC's Statement of Policy on Risk-Based Capital (appendix A to part 325).

(x) *Total assets* means the average of total assets required to be included in a banking institution's "Reports of Condition and Income" (Call Report) or, for savings associations, the consolidated total assets required to be included in the "Thrift Financial Report," as these reports may from time to time be revised, as of the most recent report date (and after making any necessary subsidiary adjustments for state nonmember banks as described in §§325.5(c) and 325.5(d) of this part), minus intangible assets (other than mortgage servicing assets, nonmortgage servicing assets, and purchased credit card relationships eligible for inclusion in core capital pursuant to §325.5(f)), minus credit-enhancing interest-only strips that are not eligible for inclusion in core capital pursuant to §325.5(f), minus deferred tax assets in excess of the limit set forth in §325.5(g), minus assets classified loss and any other assets that are deducted in determining Tier 1 capital, and minus the amount of the total adjusted carrying value of nonfinancial equity investments that is subject to a deduction from Tier 1 capital as set forth in section II.B.(6) of appendix A to this part. For banking institutions, the average of total assets is found in the Call Report schedule of quarterly averages. For savings associations, the consolidated total assets figure is found in Schedule CSC of the Thrift Financial Report.

(y) *Total risk-based capital ratio* means the ratio of qualifying total capital to

§ 325.3

12 CFR Ch. III (1–1–03 Edition)

risk-weighted assets, as calculated in accordance with the FDIC's Statement of Policy on Risk-Based Capital (appendix A to part 325).

(z) *Written agreement* means an agreement in writing executed by authorized representatives entered into with the FDIC by an insured depository institution which is enforceable by an action under section 8(a) and/or section 8(b) of the Federal Deposit Insurance Act (12 U.S.C. 1818 (a), (b)).

§ 325.3 Minimum leverage capital requirement.

(a) *General.* Banks must maintain at least the minimum leverage capital requirement set forth in this section. The capital standards in this part are the minimum acceptable for banks whose overall financial condition is fundamentally sound, which are well-managed and which have no material or significant financial weaknesses. Thus, the FDIC is not precluded from requiring an institution to maintain a higher capital level based on the institution's particular risk profile. Where the FDIC determines that the financial history or condition, managerial resources and/or the future earnings prospects of a bank are not adequate, or where a bank has sizable off-balance sheet or funding risks, significant risks from concentrations of credit or nontraditional activities, excessive interest rate risk exposure, or a significant volume of assets classified substandard, doubtful or loss or otherwise criticized, the FDIC will take these other factors into account in analyzing the bank's capital adequacy and may determine that the minimum amount of capital for that bank is greater than the minimum standards stated in this section. These same criteria will apply to any insured depository institution making an application to the FDIC that requires the FDIC to consider the adequacy of the institution's capital structure.

(b) *Minimum leverage capital requirement.* (1) The minimum leverage capital

requirement for a bank (or an insured depository institution making application to the FDIC) shall consist of a ratio of Tier 1 capital to total assets of not less than 3 percent if the FDIC determines that the institution is not anticipating or experiencing significant growth and has well-diversified risk, including no undue interest rate risk exposure, excellent asset quality, high liquidity, good earnings and in general is considered a strong banking organization, rated composite 1 under the Uniform Financial Institutions Rating System (the CAMELS rating system) established by the Federal Financial Institutions Examination Council.

(2) For all but the most highly-rated institutions meeting the conditions set forth in paragraph (b)(1) of this section, the minimum leverage capital requirement for a bank (or for an insured depository institution making an application to the FDIC) shall consist of a ratio of Tier 1 capital to total assets of not less than 4 percent.

(c) *Insured depository institutions with less than the minimum leverage capital requirement.* (1) A bank (or an insured depository institution making an application to the FDIC) operating with less than the minimum leverage capital requirement does not have adequate capital and therefore has inadequate financial resources.

(2) Any insured depository institution operating with an inadequate capital structure, and therefore inadequate financial resources, will not receive approval for an application requiring the FDIC to consider the adequacy of its capital structure or its financial resources.

(3) As required under § 325.104(a)(1) of this part, a bank must file a written capital restoration plan with the appropriate FDIC regional director within 45 days of the date that the bank receives notice or is deemed to have notice that the bank is undercapitalized, significantly undercapitalized or critically undercapitalized, unless the FDIC notifies the bank in writing that the plan is to be filed within a different period.

(4) In any merger, acquisition or other type of business combination where the FDIC must give its approval, where it is required to consider the

adequacy of the financial resources of the existing and proposed institutions, and where the resulting entity is either insured by the FDIC or not otherwise federally insured, approval will not be granted when the resulting entity does not meet the minimum leverage capital requirement.

(d) *Exceptions.* Notwithstanding the provisions of paragraphs (a), (b) and (c) of this section:

(1) The FDIC, in its discretion, may approve an application pursuant to the Federal Deposit Insurance Act where it is required to consider the adequacy of capital if it finds that such approval must be taken to prevent the closing of a depository institution or to facilitate the acquisition of a closed depository institution, or, when severe financial conditions exist which threaten the stability of an insured depository institution or of a significant number of depository institutions insured by the FDIC or of insured depository institutions possessing significant financial resources, such action is taken to lessen the risk to the FDIC posed by an insured depository institution under such threat of instability.

(2) The FDIC, in its discretion, may approve an application pursuant to the Federal Deposit Insurance Act where it is required to consider the adequacy of capital or the financial resources of the insured depository institution where it finds that the applicant has committed to and is in compliance with a reasonable plan to meet its minimum leverage capital requirements within a reasonable period of time.

§ 325.4 Inadequate capital as an unsafe or unsound practice or condition.

(a) *General.* As a condition of federal deposit insurance, all insured depository institutions must remain in a safe and sound condition.

(b) *Unsafe or unsound practice.* Any bank which has less than its minimum leverage capital requirement is deemed

to be engaged in an unsafe or unsound practice pursuant to section 8(b)(1) and/or 8(c) of the Federal Deposit Insurance Act (12 U.S.C. 1818(b)(1) and/or 1818(c)). Except that such a bank which has entered into and is in compliance with a written agreement with the FDIC or has submitted to the FDIC and is in compliance with a plan approved by the FDIC to increase its Tier 1 leverage capital ratio to such level as the FDIC deems appropriate and to take such other action as may be necessary for the bank to be operated so as not to be engaged in such an unsafe or unsound practice will not be deemed to be engaged in an unsafe or unsound practice pursuant to section 8(b)(1) and/or 8(c) of the Federal Deposit Insurance Act (12 U.S.C. 1818(b)(1) and/or 1818(c)) on account of its capital ratios. The FDIC is not precluded from taking section 8(b)(1), section 8(c) or any other enforcement action against a bank with capital above the minimum requirement if the specific circumstances deem such action to be appropriate. Under the conditions set forth in section 8(t) of the Federal Deposit Insurance Act (12 U.S.C. 1818(t)), the FDIC also may take section 8(b)(1) and/or 8(c) enforcement action against any savings association that is deemed to be engaged in an unsafe or unsound practice on account of its inadequate capital structure.

(c) *Unsafe or unsound condition.* Any insured depository institution with a ratio of Tier 1 capital to total assets that is less than two percent is deemed to be operating in an unsafe or unsound condition pursuant to section 8(a) of the Federal Deposit Insurance Act (12 U.S.C. 1818(a)).

(1) A bank with a ratio of Tier 1 capital to total assets of less than two percent which has entered into and is in compliance with a written agreement with the FDIC (or any other insured depository institution with a ratio of Tier 1 capital to total assets of less than two percent which has entered into and is in compliance with a written agreement with its primary federal regulator and to which agreement the FDIC is a party) to increase its Tier 1 leverage capital ratio to such level as the FDIC deems appropriate and to

take such other action as may be necessary for the insured depository institution to be operated in a safe and sound manner, will not be subject to a proceeding by the FDIC pursuant to 12 U.S.C. 1818(a) on account of its capital ratios.

(2) An insured depository institution with a ratio of Tier 1 capital to total assets that is equal to or greater than two percent may be operating in an unsafe or unsound condition. The FDIC is not precluded from bringing an action pursuant to 12 U.S.C. 1818(a) where an insured depository institution has a ratio of Tier 1 capital to total assets that is equal to or greater than two percent.

[56 FR 10162, Mar. 11, 1991]

§ 325.5 Miscellaneous.

(a) *Intangible assets.* Any intangible assets that were explicitly approved by the FDIC as part of the bank's regulatory capital on a specific case basis will be included in capital under the terms and conditions that were approved by the FDIC, provided that the intangible asset is being amortized over a period not to exceed 15 years or its estimated useful life, whichever is shorter. However, pursuant to section 18(n) of the Federal Deposit Insurance Act (12 U.S.C. 1828(n)), an unidentifiable intangible asset such as goodwill, if acquired after April 12, 1989, cannot be included in calculating regulatory capital under this part.

(b) *Reservation of authority.* Notwithstanding the definition of *Tier 1 capital* in § 325.2(t) of this subpart and the risk-based capital definitions of Tier 1 and Tier 2 capital in appendix A to this subpart, the Director of the Division of Supervision and Consumer Protection (DSC) may, if the Director finds a newly developed or modified capital instrument or a particular balance sheet entry or account to be the functional equivalent of a component of Tier 1 or Tier 2 capital, permit one or more insured depository institutions to include all or a portion of such instrument, entry, or account as Tier 1 or Tier 2 capital, permanently, or on a temporary basis, for purposes of this part. Similarly, the Director of the Division of Supervision and Consumer Protection (DSC) may, if the Director

finds that a particular Tier 1 or Tier 2 capital component or balance sheet entry or account has characteristics or terms that diminish its contribution to an insured depository institution's ability to absorb losses, require the deduction of all or a portion of such component, entry, or account from Tier 1 or Tier 2 capital.

(c) *Securities subsidiary.* For purposes of this part, any securities subsidiary subject to 12 CFR 337.4 shall not be consolidated with its bank parent and any investment therein shall be deducted from the bank parent's Tier 1 capital and total assets.

(d) *Depository institution subsidiary.* Any domestic depository institution subsidiary that is not consolidated in the "Reports of Condition and Income" (Call Report) of its insured parent bank shall be consolidated with the insured parent bank for purposes of this part. The financial statements of the subsidiary that are to be used for this consolidation must be prepared in the same manner as the "Reports of Condition and Income" (Call Report). A domestic depository institution subsidiary of a savings association shall be consolidated for purposes of this part if such consolidation also is required pursuant to the capital requirements of the association's primary federal regulator.

(e) *Restrictions relating to capital components.* To qualify as Tier 1 capital under this part or Tier 1 or Tier 2 capital under appendix A to this part, a capital instrument must not contain or be subject to any conditions, covenants, terms, restrictions, or provisions that are inconsistent with safe and sound banking practices. A condition, covenant, term, restriction, or provision is inconsistent with safe and sound banking practices if it:

(1) Unduly interferes with the ability of the issuer to conduct normal banking operations;

(2) Results in significantly higher dividends or interest payments in the event of deterioration in the financial condition of the issuer;

(3) Impairs the ability of the issuer to comply with statutory or regulatory requirements regarding the disposition of assets or incurrence of additional debt; or

(4) Limits the ability of the FDIC or a similar regulatory authority to take any necessary action to resolve a problem bank or failing bank situation.

Other conditions and covenants that are not expressly listed in paragraphs (e)(1) through (e)(4) of this section also may be inconsistent with safe and sound banking practices.

(f) *Treatment of mortgage servicing assets, purchased credit card relationships, nonmortgage servicing assets, and credit-enhancing interest-only strips.* For purposes of determining Tier 1 capital under this part, mortgage servicing assets, purchased credit card relationships, nonmortgage servicing assets, and credit-enhancing interest-only strips will be deducted from assets and from common stockholders' equity to the extent that these items do not meet the conditions, limitations, and restrictions described in this section. Banks may elect to deduct disallowed servicing assets and disallowed credit-enhancing interest-only strips on a basis that is net of a proportional amount of any associated deferred tax liability recorded on the balance sheet. Any deferred tax liability netted in this manner cannot also be netted against deferred tax assets when determining the amount of deferred tax assets that are dependent upon future taxable income and calculating the maximum allowable amount of these assets under paragraph (g) of this section.

(1) *Valuation.* The fair value of mortgage servicing assets, purchased credit card relationships, nonmortgage servicing assets, and credit-enhancing interest-only strips shall be estimated at least quarterly. The quarterly fair value estimate shall include adjustments for any significant changes in the original valuation assumptions, including changes in prepayment estimates or attrition rates. The FDIC in its discretion may require independent fair value estimates on a case-by-case basis where it is deemed appropriate for safety and soundness purposes.

(2) *Fair value limitation.* For purposes of calculating Tier 1 capital under this part (but not for financial statement purposes), the balance sheet assets for mortgage servicing assets, purchased credit card relationships, and nonmort-

gage servicing assets will each be reduced to an amount equal to the lesser of:

- (i) 90 percent of the fair value of these assets, determined in accordance with paragraph (f)(1) of this section; or
- (ii) 100 percent of the remaining unamortized book value of these assets (net of any related valuation allowances), determined in accordance with the instructions for the preparation of the "Reports of Income and Condition" (Call Reports).

(3) *Tier 1 capital limitations.* (i) The maximum allowable amount of mortgage servicing assets, purchased credit card relationships, and nonmortgage servicing assets in the aggregate will be limited to the lesser of:

(A) 100 percent of the amount of Tier 1 capital that exists before the deduction of any disallowed mortgage servicing assets, any disallowed purchased credit card relationships, any disallowed nonmortgage servicing assets, any disallowed credit-enhancing interest-only strips, any disallowed deferred tax assets, and any nonfinancial equity investments; or

(B) The sum of the amounts of mortgage servicing assets, purchased credit card relationships, and nonmortgage servicing assets, determined in accordance with paragraph (f)(2) of this section.

(ii) The maximum allowable amount of credit-enhancing interest-only strips, whether purchased or retained, will be limited to the lesser of:

(A) 25 percent of the amount of Tier 1 capital that exists before the deduction of any disallowed mortgage servicing assets, any disallowed purchased credit card relationships, any disallowed nonmortgage servicing assets, any disallowed credit-enhancing interest-only strips, any disallowed deferred tax assets, and any nonfinancial equity investments; or

(B) The sum of the face amounts of all credit-enhancing interest-only strips.

(4) *Tier 1 capital sublimit.* In addition to the aggregate limitation on mortgage servicing assets, purchased credit card relationships, and nonmortgage servicing assets set forth in paragraph (f)(3) of this section, a sublimit will

apply to purchased credit card relationships and nonmortgage servicing assets. The maximum allowable amount of the aggregate of purchased credit card relationships and nonmortgage servicing assets will be limited to the lesser of:

(i) 25 percent of the amount of Tier 1 capital that exists before the deduction of any disallowed mortgage servicing assets, any disallowed purchased credit card relationships, any disallowed nonmortgage servicing assets, any disallowed credit-enhancing interest-only strips, any disallowed deferred tax assets, and any nonfinancial equity investments; or

(ii) The sum of the amounts of purchased credit card relationships and nonmortgage servicing assets determined in accordance with paragraph (f)(2) of this section.

(g) *Treatment of deferred tax assets.* For purposes of calculating Tier 1 capital under this part (but not for financial statement purposes), deferred tax assets are subject to the conditions, limitations, and restrictions described in this section.

(1) *Deferred tax assets that are dependent upon future taxable income.* These assets are:

(i) Deferred tax assets arising from deductible temporary differences that exceed the amount of taxes previously paid that could be recovered through loss carrybacks if existing temporary differences (both deductible and taxable and regardless of where the related deferred tax effects are reported on the balance sheet) fully reverse at the calendar quarter-end date; and

(ii) Deferred tax assets arising from operating loss and tax credit carryforwards.

(2) *Tier 1 capital limitations.* (i) The maximum allowable amount of deferred tax assets that are dependent upon future taxable income, net of any valuation allowance for deferred tax assets, will be limited to the lesser of:

(A) The amount of deferred tax assets that are dependent upon future taxable income that is expected to be realized within one year of the calendar quarter-end date, based on projected future taxable income for that year; or

(B) 10 percent of the amount of Tier 1 capital that exists before the deduc-

tion of any disallowed mortgage servicing assets, any disallowed nonmortgage servicing assets, any disallowed purchased credit card relationships, any disallowed credit-enhancing interest-only strips, any disallowed deferred tax assets, and any nonfinancial equity investments.

(ii) For purposes of this limitation, all existing temporary differences should be assumed to fully reverse at the calendar quarter-end date. The recorded amount of deferred tax assets that are dependent upon future taxable income, net of any valuation allowance for deferred tax assets, in excess of this limitation will be deducted from assets and from equity capital for purposes of determining Tier 1 capital under this part. The amount of deferred tax assets that can be realized from taxes paid in prior carryback years and from the reversal of existing taxable temporary differences generally would not be deducted from assets and from equity capital. However, notwithstanding the first three sentences in this paragraph, the amount of carryback potential that may be considered in calculating the amount of deferred tax assets that a member of a consolidated group (for tax purposes) may include in Tier 1 capital may not exceed the amount which the member could reasonably expect to have refunded by its parent.

(3) *Projected future taxable income.* Projected future taxable income should not include net operating loss carryforwards to be used within one year of the most recent calendar quarter-end date or the amount of existing temporary differences expected to reverse within that year. Projected future taxable income should include the estimated effect of tax planning strategies that are expected to be implemented to realize tax carryforwards that will otherwise expire during that year. Future taxable income projections for the current fiscal year (adjusted for any significant changes that have occurred or are expected to occur) may be used when applying the capital limit at an interim calendar quarter-end date rather than preparing a new projection each quarter.

(4) *Unrealized holding gains and losses on available-for-sale debt securities.* The deferred tax effects of any unrealized

holding gains and losses on available-for-sale debt securities may be excluded from the determination of the amount of deferred tax assets that are dependent upon future taxable income and the calculation of the maximum allowable amount of such assets. If these deferred tax effects are excluded, this treatment must be followed consistently over time.

(5) *Intangible assets acquired in nontaxable purchase business combinations.* A deferred tax liability that is specifically related to an intangible asset (other than mortgage servicing assets, nonmortgage servicing assets, and purchased credit card relationships) acquired in a nontaxable purchase business combination may be netted against this intangible asset. Only the net amount of the intangible asset must be deducted from Tier 1 capital. When a deferred tax liability is netted in this manner, the taxable temporary difference that gives rise to this deferred tax liability must be excluded from existing taxable temporary differences when determining the amount of deferred tax assets that are dependent upon future taxable income and calculating the maximum allowable amount of such assets.

§ 325.6 Issuance of directives.

(a) *General.* A directive is a final order issued to a bank that fails to maintain capital at or above the minimum leverage capital requirement as set forth in §§ 325.3 and 325.4. A directive issued pursuant to this section, including a plan submitted under a directive, is enforceable in the same manner and to the same extent as a final cease-and-desist order issued under 12 U.S.C. 1818(b).

(b) *Issuance of directives.* If a bank is operating with less than the minimum leverage capital requirement established by this regulation, the Board of Directors, or its designee(s), may issue and serve upon any insured state non-member bank a directive requiring the bank to restore its capital to the min-

imum leverage capital requirement within a specified time period. The directive may require the bank to submit to the appropriate FDIC regional director, or other specified official, for review and approval, a plan describing the means and timing by which the bank shall achieve the minimum leverage capital requirement. After the FDIC has approved the plan, the bank may be required under the terms of the directive to adhere to and monitor compliance with the plan. The directive may be issued during the course of an examination of the bank, or at any other time that the FDIC deems appropriate, if the bank is found to be operating with less than the minimum leverage capital requirement.

(c) *Notice and opportunity to respond to issuance of a directive.* (1) If the FDIC makes an initial determination that a directive should be issued to a bank pursuant to paragraph (b) of this section, the FDIC, through the appropriate designated official(s), shall serve written notification upon the bank of its intent to issue a directive. The notice shall include the current Tier 1 leverage capital ratio, the basis upon which said ratio was calculated, the proposed capital injection, the proposed date for achieving the minimum leverage capital requirement and any other relevant information concerning the decision to issue a directive. When deemed appropriate, specific requirements of a proposed plan for meeting the minimum leverage capital requirement may be included in the notice.

(2) Within 14 days of receipt of notification, the bank may file with the appropriate designated FDIC official(s) a written response, explaining why the directive should not be issued, seeking modification of its terms, or other appropriate relief. The bank's response shall include any information, mitigating circumstances, documentation or other relevant evidence which supports its position, and may include a plan for attaining the minimum leverage capital requirement.

(3) After considering the bank's response, the appropriate designated FDIC official(s) shall serve upon the bank a written determination addressing the bank's response and setting

§ 325.101

forth the FDIC's findings and conclusions in support of any decision to issue or not to issue a directive. The directive may be issued as originally proposed or in modified form. The directive may order the bank to:

- (i) Achieve the minimum leverage capital requirement established by this regulation by a certain date;
- (ii) Submit for approval and adhere to a plan for achieving the minimum leverage capital requirement;
- (iii) Take other action as is necessary to achieve the minimum leverage capital requirement; or
- (iv) A combination of the above actions.

If a directive is to be issued, it may be served upon the bank along with the final determination.

(4) Any bank, upon a change in circumstances, may request the FDIC to reconsider the terms of a directive and may propose changes in the plan under which it is operating to meet the minimum leverage capital requirement. The directive and plan continue in effect while such request is pending before the FDIC.

(5) All papers filed with the FDIC must be postmarked or received by the appropriate designated FDIC official(s) within the prescribed time limit for filing.

(6) Failure by the bank to file a written response to notification of intent to issue a directive within the specified time period shall constitute consent to the issuance of such directive.

(d) *Enforcement of a directive.* (1) Whenever a bank fails to follow the directive or to submit or adhere to its capital adequacy plan, the FDIC may seek enforcement of the directive in the appropriate United States district court, pursuant to 12 U.S.C. 3907(b)(2)(B)(ii), in the same manner and to the same extent as if the directive were a final cease-and-desist order. In addition to enforcement of the directive, the FDIC may seek assessment of civil money penalties for violation of the directive against any bank, any officer, director, employee, agent, or other person participating in the conduct of the affairs of the bank, pursuant to 12 U.S.C. 3909(d).

(2) The directive may be issued separately, in conjunction with, or in addi-

12 CFR Ch. III (1-1-03 Edition)

tion to, any other enforcement mechanisms available to the FDIC, including cease-and-desist orders, orders of correction, the approval or denial of applications, or any other actions authorized by law. In addition to addressing a bank's minimum leverage capital requirement, the capital directive may also address minimum risk-based capital requirements that are to be maintained and calculated in accordance with appendix A to this part.

Subpart B—Prompt Corrective Action

SOURCE: 57 FR 44900, Sept. 29, 1992, unless otherwise noted.

§ 325.101 Authority, purpose, scope, other supervisory authority, and disclosure of capital categories.

(a) *Authority.* This subpart is issued by the FDIC pursuant to section 38 (section 38) of the Federal Deposit Insurance Act (FDI Act), as added by section 131 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (Pub. L. 102-242, 105 Stat. 2236 (1991)) (12 U.S.C. 1831o).

(b) *Purpose.* Section 38 of the FDI Act establishes a framework of supervisory actions for insured depository institutions that are not adequately capitalized. The principal purpose of this subpart is to define, for FDIC-insured state-chartered nonmember banks, the capital measures and capital levels, and for insured branches of foreign banks, comparable asset-based measures and levels, that are used for determining the supervisory actions authorized under section 38 of the FDI Act. This subpart also establishes procedures for submission and review of capital restoration plans and for issuance and review of directives and orders pursuant to section 38.

(c) *Scope.* This subpart implements the provisions of section 38 of the FDI Act as they apply to FDIC-insured state-chartered nonmember banks and insured branches of foreign banks for which the FDIC is the appropriate Federal banking agency. Certain of these

provisions also apply to officers, directors and employees of those insured institutions. In addition, certain provisions of this subpart apply to all insured depository institutions that are deemed critically undercapitalized.

(d) *Other supervisory authority.* Neither section 38 nor this subpart in any way limits the authority of the FDIC under any other provision of law to take supervisory actions to address unsafe or unsound practices, deficient capital levels, violations of law, unsafe or unsound conditions, or other practices. Action under section 38 of the FDI Act and this subpart may be taken independently of, in conjunction with, or in addition to any other enforcement action available to the FDIC, including issuance of cease and desist orders, capital directives, approval or denial of applications or notices, assessment of civil money penalties, or any other actions authorized by law.

(e) *Disclosure of capital categories.* The assignment of a bank or insured branch under this subpart within a particular capital category is for purposes of implementing and applying the provisions of section 38. Unless permitted by the FDIC or otherwise required by law, no bank may state in any advertisement or promotional material its capital category under this subpart or that the FDIC or any other federal banking agency has assigned the bank to a particular capital category.

§ 325.102 Notice of capital category.

(a) *Effective date of determination of capital category.* A bank shall be deemed to be within a given capital category for purposes of section 38 of the FDI Act and this subpart as of the date the bank is notified of, or is deemed to have notice of, its capital category, pursuant to paragraph (b) of this section.

(b) *Notice of capital category.* A bank shall be deemed to have been notified of its capital levels and its capital category as of the most recent date:

(1) A Consolidated Report of Condition and Income (Call Report) is required to be filed with the FDIC;

(2) A final report of examination is delivered to the bank; or

(3) Written notice is provided by the FDIC to the bank of its capital cat-

egory for purposes of section 38 of the FDI Act and this subpart or that the bank's capital category has changed as provided in § 325.103(d).

(c) *Adjustments to reported capital levels and capital category—(1) Notice of adjustment by bank.* A bank shall provide the appropriate FDIC regional director with written notice that an adjustment to the bank's capital category may have occurred no later than 15 calendar days following the date that any material event has occurred that would cause the bank to be placed in a lower capital category from the category assigned to the bank for purposes of section 38 and this subpart on the basis of the bank's most recent Call Report or report of examination.

(2) *Determination by the FDIC to change capital category.* After receiving notice pursuant to paragraph (c)(1) of this section, the FDIC shall determine whether to change the capital category of the bank and shall notify the bank of the FDIC's determination.

§ 325.103 Capital measures and capital category definitions.

(a) *Capital measures.* For purposes of section 38 and this subpart, the relevant capital measures shall be:

(1) The total risk-based capital ratio;

(2) The Tier 1 risk-based capital ratio; and

(3) The leverage ratio.

(b) *Capital categories.* For purposes of section 38 and this subpart, a bank shall be deemed to be:

(1) *Well capitalized* if the bank:

(i) Has a total risk-based capital ratio of 10.0 percent or greater; and

(ii) Has a Tier 1 risk-based capital ratio of 6.0 percent or greater; and

(iii) Has a leverage ratio of 5.0 percent or greater; and

(iv) Is not subject to any written agreement, order, capital directive, or prompt corrective action directive issued by the FDIC pursuant to section 8 of the FDI Act (12 U.S.C. 1818), the International Lending Supervision Act of 1983 (12 U.S.C. 3907), or section 38 of the FDI Act (12 U.S.C. 1831o), or any regulation thereunder, to meet and maintain a specific capital level for any capital measure.

(2) *Adequately capitalized* if the bank:

§ 325.103

12 CFR Ch. III (1–1–03 Edition)

(i) Has a total risk-based capital ratio of 8.0 percent or greater; and

(ii) Has a Tier 1 risk-based capital ratio of 4.0 percent or greater; and

(iii) Has:

(A) A leverage ratio of 4.0 percent or greater; or

(B) A leverage ratio of 3.0 percent or greater if the bank is rated composite 1 under the CAMELS rating system in the most recent examination of the bank and is not experiencing or anticipating significant growth; and

(iv) Does not meet the definition of a *well capitalized* bank.

(3) *Undercapitalized* if the bank:

(i) Has a total risk-based capital ratio that is less than 8.0 percent; or

(ii) Has a Tier 1 risk-based capital ratio that is less than 4.0 percent; or

(iii)(A) Except as provided in paragraph (b)(3)(iii)(B) of this section, has a leverage ratio that is less than 4.0 percent; or

(B) Has a leverage ratio that is less than 3.0 percent if the bank is rated composite 1 under the CAMELS rating system in the most recent examination of the bank and is not experiencing or anticipating significant growth.

(4) *Significantly undercapitalized* if the bank has:

(i) A total risk-based capital ratio that is less than 6.0 percent; or

(ii) A Tier 1 risk-based capital ratio that is less than 3.0 percent; or

(iii) A leverage ratio that is less than 3.0 percent.

(5) *Critically undercapitalized* if the insured depository institution has a ratio of tangible equity to total assets that is equal to or less than 2.0 percent.

(c) *Capital categories for insured branches of foreign banks.* For purposes of the provisions of section 38 and this subpart, an insured branch of a foreign bank shall be deemed to be:

(1) *Well capitalized* if the insured branch:

(i) Maintains the pledge of assets required under §347.210 of this chapter; and

(ii) Maintains the eligible assets prescribed under §347.211 of this chapter at 108 percent or more of the preceding quarter's average book value of the insured branch's third-party liabilities; and

(iii) Has not received written notification from:

(A) The OCC to increase its capital equivalency deposit pursuant to 12 CFR 28.15(b), or to comply with asset maintenance requirements pursuant to 12 CFR 28.20; or

(B) The FDIC to pledge additional assets pursuant to §347.210 of this chapter or to maintain a higher ratio of eligible assets pursuant to §347.211 of this chapter.

(2) *Adequately capitalized* if the insured branch:

(i) Maintains the pledge of assets required under §347.210 of this chapter; and

(ii) Maintains the eligible assets prescribed under §347.211 of this chapter at 106 percent or more of the preceding quarter's average book value of the insured branch's third-party liabilities; and

(iii) Does not meet the definition of a *well capitalized insured branch*.

(3) *Undercapitalized* if the insured branch:

(i) Fails to maintain the pledge of assets required under §347.210 of this chapter; or

(ii) Fails to maintain the eligible assets prescribed under §347.211 of this chapter at 106 percent or more of the preceding quarter's average book value of the insured branch's third-party liabilities.

(4) *Significantly undercapitalized* if it fails to maintain the eligible assets prescribed under §347.211 of this chapter at 104 percent or more of the preceding quarter's average book value of the insured branch's third-party liabilities.

(5) *Critically undercapitalized* if it fails to maintain the eligible assets prescribed under §347.211 of this chapter at 102 percent or more of the preceding quarter's average book value of the insured branch's third-party liabilities.

(d) *Reclassifications based on supervisory criteria other than capital.* The FDIC may reclassify a well capitalized bank as adequately capitalized and may require an adequately capitalized bank or an undercapitalized bank to comply with certain mandatory or discretionary supervisory actions as if the bank were in the next lower capital category (except that the FDIC may

not reclassify a significantly undercapitalized bank as critically undercapitalized) (each of these actions are hereinafter referred to generally as “reclassifications”) in the following circumstances:

(1) *Unsafe or unsound condition.* The FDIC has determined, after notice and opportunity for hearing pursuant to §308.202(a) of this chapter, that the bank is in unsafe or unsound condition; or

(2) *Unsafe or unsound practice.* The FDIC has determined, after notice and opportunity for hearing pursuant to §308.202(a) of this chapter, that, in the most recent examination of the bank, the bank received and has not corrected a less-than-satisfactory rating for any of the categories of asset quality, management, earnings, or liquidity.

[57 FR 44900, Sept. 29, 1992, as amended at 63 FR 17074, Apr. 8, 1998; 66 FR 59653, Nov. 29, 2001]

§ 325.104 Capital restoration plans.

(a) *Schedule for filing plan—(1) In general.* A bank shall file a written capital restoration plan with the appropriate FDIC regional director within 45 days of the date that the bank receives notice or is deemed to have notice that the bank is undercapitalized, significantly undercapitalized, or critically undercapitalized, unless the FDIC notifies the bank in writing that the plan is to be filed within a different period. An adequately capitalized bank that has been required pursuant to §325.103(d) of this subpart to comply with supervisory actions as if the bank were undercapitalized is not required to submit a capital restoration plan solely by virtue of the reclassification.

(2) *Additional capital restoration plans.* Notwithstanding paragraph (a)(1) of this section, a bank that has already submitted and is operating under a capital restoration plan approved under section 38 and this subpart is not required to submit an additional capital restoration plan based on a revised calculation of its capital measures or a reclassification of the institution under §325.103 unless the FDIC notifies the bank that it must submit a new or revised capital plan. A bank that is notified that it must submit a new or re-

vised capital restoration plan shall file the plan in writing with the appropriate FDIC regional director within 45 days of receiving such notice, unless the FDIC notifies the bank in writing that the plan must be filed within a different period.

(b) *Contents of plan.* All financial data submitted in connection with a capital restoration plan shall be prepared in accordance with the instructions provided on the Call Report, unless the FDIC instructs otherwise. The capital restoration plan shall include all of the information required to be filed under section 38(e)(2) of the FDI Act. A bank that is required to submit a capital restoration plan as a result of a reclassification of the bank pursuant to §325.103(d) of this subpart shall include a description of the steps the bank will take to correct the unsafe or unsound condition or practice. No plan shall be accepted unless it includes any performance guarantee described in section 38(e)(2)(C) of the FDI Act by each company that controls the bank.

(c) *Review of capital restoration plans.* Within 60 days after receiving a capital restoration plan under this subpart, the FDIC shall provide written notice to the bank of whether the plan has been approved. The FDIC may extend the time within which notice regarding approval of a plan shall be provided.

(d) *Disapproval of capital plan.* If a capital restoration plan is not approved by the FDIC, the bank shall submit a revised capital restoration plan within the time specified by the FDIC. Upon receiving notice that its capital restoration plan has not been approved, any undercapitalized bank (as defined in §325.103(b) of this subpart) shall be subject to all of the provisions of section 38 and this subpart applicable to significantly undercapitalized institutions. These provisions shall be applicable until such time as a new or revised capital restoration plan submitted by the bank has been approved by the FDIC.

(e) *Failure to submit capital restoration plan.* A bank that is undercapitalized (as defined in §325.103(b) of this subpart) and that fails to submit a written capital restoration plan within the period provided in this section shall, upon the expiration of that period, be

subject to all of the provisions of section 38 and this subpart applicable to significantly undercapitalized institutions.

(f) *Failure to implement capital restoration plan.* Any undercapitalized bank that fails in any material respect to implement a capital restoration plan shall be subject to all of the provisions of section 38 and this subpart applicable to significantly undercapitalized institutions.

(g) *Amendment of capital restoration plan.* A bank that has filed an approved capital restoration plan may, after prior written notice to and approval by the FDIC, amend the plan to reflect a change in circumstance. Until such time as a proposed amendment has been approved, the bank shall implement the capital restoration plan as approved prior to the proposed amendment.

(h) *Performance guarantee by companies that control a bank—(1) Limitation on liability—(i) Amount limitation.* The aggregate liability under the guarantee provided under section 38 and this subpart for all companies that control a specific bank that is required to submit a capital restoration plan under this subpart shall be limited to the lesser of:

(A) An amount equal to 5.0 percent of the bank's total assets at the time the bank was notified or deemed to have notice that the bank was undercapitalized; or

(B) The amount necessary to restore the relevant capital measures of the bank to the levels required for the bank to be classified as adequately capitalized, as those capital measures and levels are defined at the time that the bank initially fails to comply with a capital restoration plan under this subpart.

(ii) *Limit on duration.* The guarantee and limit of liability under section 38 and this subpart shall expire after the FDIC notifies the bank that it has remained adequately capitalized for each of four consecutive calendar quarters. The expiration or fulfillment by a company of a guarantee of a capital restoration plan shall not limit the liability of the company under any guarantee required or provided in connection with any capital restoration plan

filed by the same bank after expiration of the first guarantee.

(iii) *Collection on guarantee.* Each company that controls a given bank shall be jointly and severally liable for the guarantee for such bank as required under section 38 and this subpart, and the FDIC may require and collect payment of the full amount of that guarantee from any or all of the companies issuing the guarantee.

(2) *Failure to provide guarantee.* In the event that a bank that is controlled by any company submits a capital restoration plan that does not contain the guarantee required under section 38(e)(2) of the FDI Act, the bank shall, upon submission of the plan, be subject to the provisions of section 38 and this subpart that are applicable to banks that have not submitted an acceptable capital restoration plan.

(3) *Failure to perform guarantee.* Failure by any company that controls a bank to perform fully its guarantee of any capital plan shall constitute a material failure to implement the plan for purposes of section 38(f) of the FDI Act. Upon such failure, the bank shall be subject to the provisions of section 38 and this subpart that are applicable to banks that have failed in a material respect to implement a capital restoration plan.

§ 325.105 Mandatory and discretionary supervisory actions under section 38.

(a) *Mandatory supervisory actions—(1) Provisions applicable to all banks.* All banks are subject to the restrictions contained in section 38(d) of the FDI Act on payment of capital distributions and management fees.

(2) *Provisions applicable to undercapitalized, significantly undercapitalized, and critically undercapitalized banks.* Immediately upon receiving notice or being deemed to have notice, as provided in § 325.102 of this subpart, that the bank is undercapitalized, significantly undercapitalized, or critically undercapitalized, the bank shall become subject to the provisions of section 38 of the FDI Act:

(i) Restricting payment of capital distributions and management fees (section 38(d));

(ii) Requiring that the FDIC monitor the condition of the bank (section 38(e)(1));

(iii) Requiring submission of a capital restoration plan within the schedule established in this subpart (section 38(e)(2));

(iv) Restricting the growth of the bank's assets (section 38(e)(3)); and

(v) Requiring prior approval of certain expansion proposals (section 38(e)(4)).

(3) *Additional provisions applicable to significantly undercapitalized, and critically undercapitalized banks.* In addition to the provisions of section 38 of the FDI Act described in paragraph (a)(2) of this section, immediately upon receiving notice or being deemed to have notice, as provided in §325.102 of this subpart, that the bank is significantly undercapitalized, or critically undercapitalized, or that the bank is subject to the provisions applicable to institutions that are significantly undercapitalized because the bank failed to submit or implement in any material respect an acceptable capital restoration plan, the bank shall become subject to the provisions of section 38 of the FDI Act that restrict compensation paid to senior executive officers of the institution (section 38(f)(4)).

(4) *Additional provisions applicable to critically undercapitalized institutions.* (i) In addition to the provisions of section 38 of the FDI Act described in paragraphs (a)(2) and (a)(3) of this section, immediately upon receiving notice or being deemed to have notice, as provided in §325.102 of this subpart, that the insured depository institution is critically undercapitalized, the institution is prohibited from doing any of the following without the FDIC's prior written approval:

(A) Entering into any material transaction other than in the usual course of business, including any investment, expansion, acquisition, sale of assets, or other similar action with respect to which the depository institution is required to provide notice to the appropriate Federal banking agency;

(B) Extending credit for any highly leveraged transaction;

(C) Amending the institution's charter or bylaws, except to the extent nec-

essary to carry out any other requirement of any law, regulation, or order;

(D) Making any material change in accounting methods;

(E) Engaging in any covered transaction (as defined in section 23A(b) of the Federal Reserve Act (12 U.S.C. 371c(b)));

(F) Paying excessive compensation or bonuses;

(G) Paying interest on new or renewed liabilities at a rate that would increase the institution's weighted average cost of funds to a level significantly exceeding the prevailing rates of interest on insured deposits in the institution's normal market areas; and

(H) Making any principal or interest payment on subordinated debt beginning 60 days after becoming critically undercapitalized except that this restriction shall not apply, until July 15, 1996, with respect to any subordinated debt outstanding on July 15, 1991, and not extended or otherwise renegotiated after July 15, 1991.

(ii) In addition, the FDIC may further restrict the activities of any critically undercapitalized institution to carry out the purposes of section 38 of the FDI Act.

(5) *Exception for certain savings associations.* The restrictions in paragraph (a)(4) of this section shall not apply, before July 1, 1994, to any insured savings association if:

(i) The savings association had submitted a plan meeting the requirements of section 5(t)(6)(A)(ii) of the Home Owners' Loan Act (12 U.S.C. 1464(t)(6)(A)(ii)) prior to December 19, 1991;

(ii) The Director of OTS had accepted the plan prior to December 19, 1991; and

(iii) The savings association remains in compliance with the plan or is operating under a written agreement with the appropriate federal banking agency.

(b) *Discretionary supervisory actions.* In taking any action under section 38 that is within the FDIC's discretion to take in connection with:

(1) An insured depository institution that is deemed to be undercapitalized, significantly undercapitalized, or critically undercapitalized, or has been reclassified as undercapitalized, or significantly undercapitalized; or

(2) An officer or director of such institution, the FDIC shall follow the procedures for issuing directives under §§ 308.201 and 308.203 of this chapter, unless otherwise provided in section 38 or this subpart.

APPENDIX A TO PART 325—STATEMENT OF POLICY ON RISK-BASED CAPITAL

Capital adequacy is one of the critical factors that the FDIC is required to analyze when taking action on various types of applications and when conducting supervisory activities related to the safety and soundness of individual banks and the banking system. In view of this, the FDIC's Board of Directors has adopted part 325 of its regulations, which sets forth (1) minimum standards of capital adequacy for insured state non-member banks and (2) standards for determining when an insured bank is in an unsafe or unsound condition by reason of the amount of its capital.

This capital maintenance regulation was designed to establish, in conjunction with other Federal bank regulatory agencies, uniform capital standards for all federally-regulated banking organizations, regardless of size. The uniform capital standards were based on ratios of capital to total assets. While those leverage ratios have served as a useful tool for assessing capital adequacy, the FDIC believes there is a need for a capital measure that is more explicitly and systematically sensitive to the risk profiles of individual banks. As a result, the FDIC's Board of Directors has adopted this Statement of Policy on Risk-Based Capital to supplement the part 325 regulation. This statement of policy does not replace or eliminate the existing part 325 capital-to-total assets leverage ratios.

The framework set forth in this statement of policy consists of (1) a definition of capital for risk-based capital purposes, and (2) a system for calculating risk-weighted assets by assigning assets and off balance sheet items to broad risk categories. A bank's risk-based capital ratio is calculated by dividing its qualifying total capital base (the numerator of the ratio) by its risk-weighted assets (the denominator).¹ Table I outlines the definition of capital and provides a general explanation of how the risk-based capital ratio is calculated, Table II summarizes the risk weights and risk categories, and Table III sets forth the credit conversation factors for off-balance sheet items. Additional expla-

nations of the capital definitions, the risk-weighted asset calculations, and the minimum risk-based capital ratio guidelines are provided in Sections I, II and III of this statement of policy.

In addition, when certain banks that engage in trading activities calculate their risk-based capital ratio under this appendix A, they must also refer to appendix C of this part, which incorporates capital charges for certain market risks into the risk-based capital ratio. When calculating their risk-based capital ratio under this appendix A, such banks are required to refer to appendix C of this part for supplemental rules to determine qualifying and excess capital, calculate risk-weighted assets, calculate market risk equivalent assets and add them to risk-weighted assets, and calculate risk-based capital ratios as adjusted for market risk.

This statement of policy applies to all *FDIC-insured state-chartered banks* (excluding insured branches of foreign banks) that are *not* members of the Federal Reserve System, hereafter referred to as *state nonmember banks*, regardless of size, and to all circumstances in which the FDIC is required to evaluate the capital of a banking organization. Therefore, the risk-based capital framework set forth in this statement of policy will be used in the examination and supervisory process as well as in the analysis of applications that the FDIC is required to act upon.

The risk-based capital ratio focuses principally on broad categories of credit risk, however, the ratio does not take account of many other factors that can affect a bank's financial condition. These factors include overall interest rate risk exposure, liquidity, funding and market risks; the quality and level of earnings; investment, loan portfolio, and other concentrations of credit risk, certain risks arising from nontraditional activities; the quality of loans and investments; the effectiveness of loan and investment policies; and management's overall ability to monitor and control financial and operating risks, including the risk presented by concentrations of credit and nontraditional activities. In addition to evaluating capital ratios, an overall assessment of capital adequacy must take account of each of these other factors, including, in particular, the level and severity of problem and adversely classified assets as well as a bank's interest rate risk as measured by the bank's exposure to declines in the economic value of its capital due to changes in interest rates. For this reason, the final supervisory judgment on a bank's capital adequacy may differ significantly from the conclusions that might be drawn solely from the absolute level of the bank's risk-based capital ratio.

In light of these other considerations, banks generally are expected to operate above the minimum risk-based capital ratio.

¹Period-end amounts, rather than average balances, normally will be used when calculating risk-based capital ratios. However, on a case-by-case basis, ratios based on average balances may also be required if supervisory concerns render it appropriate.

Banks contemplating significant expansion plans, as well as those institutions with high or inordinate levels of risk, should hold capital commensurate with the level and nature of the risks to which they are exposed.

I. DEFINITION OF CAPITAL FOR THE RISK-BASED CAPITAL RATIO

A bank's qualifying total capital base consists of two types of capital elements: *core capital elements* (Tier 1) and *supplementary capital elements* (Tier 2). To qualify as an element of Tier 1 or Tier 2 capital, a capital instrument should not contain or be subject to any conditions, covenants, terms, restrictions, or provisions that are inconsistent with safe and sound banking practices.

A. The Components of Qualifying Capital (see Table I)

1. Core capital elements (Tier 1) consists of:

- i. Common stockholders' equity capital (includes common stock and related surplus, undivided profits, disclosed capital reserves that represent a segregation of undivided profits, and foreign currency translation adjustments, less net unrealized holding losses on available-for-sale equity securities with readily determinable fair values);
- ii. Noncumulative perpetual preferred stock,² including any related surplus; and
- iii. Minority interests in the equity capital accounts of consolidated subsidiaries.

At least 50 percent of the qualifying total capital base should consist of Tier 1 capital. Core (Tier 1) capital is defined as the sum of core capital elements minus all intangible assets (other than mortgage servicing assets, nonmortgage servicing assets and purchased credit card relationships eligible for inclusion in core capital pursuant to §325.5(f)),³ minus credit-enhancing interest-only strips that are not eligible for inclusion in core capital pursuant to §325.5(f)), minus any disallowed deferred tax assets, and minus any amount of nonfinancial equity investments required to be deducted pursuant to section II.B.(6) of this Appendix.

Although nonvoting common stock, noncumulative perpetual preferred stock, and

²Preferred stock issues where the dividend is reset periodically based, in whole or in part, upon the bank's current credit standing, including but not limited to, auction rate, money market or remarketable preferred stock, are assigned to Tier 2 capital, regardless of whether the dividends are cumulative or noncumulative.

³An exception is allowed for intangible assets that are explicitly approved by the FDIC as part of the bank's regulatory capital on a specific case basis. These intangibles will be included in capital for risk-based capital purposes under the terms and conditions that are specifically approved by the FDIC.

minority interests in the equity capital accounts of consolidated subsidiaries are normally included in Tier 1 capital, voting common stockholders' equity generally will be expected to be the dominant form of Tier 1 capital. Thus, banks should avoid undue reliance on nonvoting equity, preferred stock and minority interests.

Although minority interests in consolidated subsidiaries are generally included in regulatory capital, exceptions to this general rule will be made if the minority interests fail to provide meaningful capital support to the consolidated bank. Such a situation could arise if the minority interests are entitled to a preferred claim on essentially low risk assets of the subsidiary. Similarly, although credit-enhancing interest-only strips and intangible assets in the form of mortgage servicing assets, nonmortgage servicing assets and purchased credit card relationships are generally recognized for risk-based capital purposes, the deduction of part or all of the credit-enhancing interest-only strips, mortgage servicing assets, nonmortgage servicing assets and purchased credit card relationships may be required if the carrying amounts of these assets are excessive in relation to their market value or the level of the bank's capital accounts. Credit-enhancing interest-only strips, mortgage servicing assets, nonmortgage servicing assets, purchased credit card relationships and deferred tax assets that do not meet the conditions, limitations and restrictions described in §325.5(f) and (g) of this part will not be recognized for risk-based capital purposes.

Minority interests in small business investment companies, investment funds that hold nonfinancial equity investments (as defined in section II.B.(6)(ii) of this appendix A), and subsidiaries that are engaged in nonfinancial activities are not included in a bank's Tier 1 or total capital base if the bank's interest in the company or fund is held under one of the legal authorities listed in section II.B.(6)(ii) of this appendix A.

2. Supplementary capital elements (Tier 2) consist of:

- i. Allowance for loan and lease losses, up to a maximum of 1.25 percent of risk-weighted assets;
- ii. Cumulative perpetual preferred stock, long-term preferred stock (original maturity of at least 20 years), and any related surplus;
- iii. Perpetual preferred stock (and any related surplus) where the dividend is reset periodically based, in whole or part, on the bank's current credit standing, regardless of whether the dividends are cumulative or noncumulative;
- iv. Hybrid capital instruments, including mandatory convertible debt securities;
- v. Term subordinated debt and intermediate-term preferred stock (original average maturity of five years or more) and any related surplus; and

vi. Net unrealized holding gains on equity securities (subject to the limitations discussed in paragraph I.A.2.(f) of this section).

The maximum amount of Tier 2 capital that may be recognized for risk-based capital purposes is limited to 100 percent of Tier 1 capital (after any deductions for disallowed intangibles and disallowed deferred tax assets). In addition, the combined amount of term subordinated debt and intermediate-term preferred stock that may be treated as part of Tier 2 capital for risk-based capital purposes is limited to 50 percent of Tier 1 capital. Amounts in excess of these limits may be issued but are not included in the calculation of the risk-based capital ratio.

(a) *Allowance for loan and lease losses.* Allowances for loan and lease losses are reserves that have been established through a charge against earnings to absorb future losses on loans or lease financing receivables. Allowances for loan and lease losses exclude *allocated transfer risk reserves*,⁴ and reserves created against identified losses.

This risk-based capital framework provides a phasedown during the transition period of the extent to which the allowance for loan and lease losses may be included in an institution's capital base. By year-end 1990, the allowance for loan and lease losses, as an element of supplementary capital, may constitute no more than 1.5 percent of risk-weighted assets and, by year-end 1992, no more than 1.25 percent of risk-weighted assets.⁵

(b) *Preferred stock.* Perpetual preferred stock is defined as preferred stock that does not have a maturity date, that cannot be redeemed at the option of the holder, and that has no other provisions that will require future redemption of the issue. Long-term preferred stock includes limited-life preferred stock with an original maturity of 20 years or more, provided that the stock cannot be redeemed at the option of the holder prior to maturity, except with the prior approval of the FDIC.

⁴Allocated transfer risk reserves are reserves that have been established in accordance with section 905(a) of the International Lending Supervision Act of 1983 against certain assets whose value has been found by the U.S. supervisory authorities to have been significantly impaired by protracted transfer risk problems.

⁵The amount of the allowance for loan and lease losses that may be included as a supplementary capital element is based on a percentage of gross risk-weighted assets. A bank may deduct reserves for loan and lease losses that are in excess of the amount permitted to be included in capital, as well as allocated transfer risk reserves, from gross risk-weighted assets when computing the denominator of the risk-based capital ratio.

Cumulative perpetual preferred stock and long-term preferred stock qualify for inclusion in supplementary capital provided that the instruments can absorb losses while the issuer operates as a going concern (a fundamental characteristic of equity capital) and provided the issuer has the option to defer payment of dividends on these instruments. Given these conditions, and the perpetual or long-term nature of the instruments, there is no limit on the amount of these preferred stock instruments that may be included with Tier 2 capital.

Noncumulative perpetual preferred stock where the dividend is reset periodically based, in whole or in part, on the bank's current credit standing, including auction rate, money market, or remarketable preferred stock, are also assigned to Tier 2 capital without limit, provided the above conditions are met.

(c) *Hybrid capital instruments.* Hybrid capital instruments include instruments that have certain characteristics of both debt and equity. In order to be included as supplementary capital elements, these instruments should meet the following criteria:

(1) The instrument should be unsecured, subordinated to the claims of depositors and general creditors, and fully paid-up.

(2) The instrument should not be redeemable at the option of the holder prior to maturity, except with the prior approval of the FDIC. This requirement implies that holders of such instruments may not accelerate the payment of principal except in the event of bankruptcy, insolvency, or reorganization.

(3) The instrument should be available to participate in losses while the issuer is operating as a going concern. (Term subordinated debt would not meet this requirement.) To satisfy this requirement, the instrument should convert to common or perpetual preferred stock in the event that the sum of the undivided profits and capital surplus accounts of the issuer results in a negative balance.

(4) The instrument should provide the option for the issuer to defer principal and interest payments if: (a) The issuer does not report a profit in the preceding annual period, defined as combined profits (i.e., net income) for the most recent four quarters, and (b) the issuer eliminates cash dividends on its common and preferred stock.

Mandatory convertible debt securities, which are subordinated debt instruments that require the issuer to convert such instruments into common or perpetual preferred stock by a date at or before the maturity of the debt instruments, will qualify as hybrid capital instruments provided the maturity of these instruments is 12 years or less and the instruments meet the criteria set forth below for "term subordinated debt." There is no limit on the amount of hybrid

capital instruments that may be included within Tier 2 capital.

(d) *Term subordinated debt and intermediate-term preferred stock.* The aggregate amount of term subordinated debt (excluding mandatory convertible debt securities) and intermediate-term preferred stock (including any related surplus) that may be treated as Tier 2 capital for risk-based capital purposes is limited to 50 percent of Tier 1 capital. Term subordinated debt and intermediate-term preferred stock should have an original average maturity of at least five years to qualify as supplementary capital and should not be redeemable at the option of the holder prior to maturity, except with the prior approval of the FDIC. For state nonmember banks, a *term subordinated debt* instrument is an obligation other than a deposit obligation that:

(1) Bears on its face, in boldface type, the following: This obligation is not a deposit and is not insured by the Federal Deposit Insurance Corporation;

(2)(i) Has a maturity of at least five years; or

(ii) In the case of an obligation or issue that provides for scheduled repayments of principal, has an average maturity of at least five years; provided that the Director of the Division of Supervision and Consumer Protection (DSC) may permit the issuance of an obligation or issue with a shorter maturity or average maturity if the Director has determined that exigent circumstances require the issuance of such obligation or issue; provided further that the provisions of this paragraph I.A.2.(d)(2) shall not apply to mandatory convertible debt obligations or issues;

(3) States express that the obligation:

(i) Is subordinated and junior in right of payment to the issuing bank's obligations to its depositors and to the bank's other obligations to its general and secured creditors; and

(ii) Is ineligible as collateral for a loan by the issuing bank;

(4) Is unsecured;

(5) States expressly that the issuing bank may not retire any part of its obligation without the prior written consent of the FDIC or other primary federal regulator; and

(6) Includes, if the obligation is issued to a depository institution, a specific waiver of the right of offset by the lending depository institution.

Subordinated debt obligations issued prior to December 2, 1987 that satisfied the definition of the term "subordinated note and debenture" that was in effect prior to that date also will be deemed to be term subordinated debt for risk-based capital purposes. An optional redemption ("call") provision in a subordinated debt instrument that is exercisable by the issuing bank in less than five years will not be deemed to constitute a ma-

turity of less than five years, provided that the obligation otherwise has a stated contractual maturity of at least five years; the call is exercisable solely at the discretion or option of the issuing bank, and not at the discretion or option of the holder of the obligation; and the call is exercisable only with the express prior written consent of the FDIC under 12 U.S.C. 1828(i)(1) at the time early redemption or retirement is sought, and such consent has not been given in advance at the time of issuance of the obligation. Optional redemption provisions will be accorded similar treatment when determining the perpetual nature and/or maturity of preferred stock and other capital instruments.

(e) *Discount of limited-life supplementary capital instruments.* As a limited-life capital instrument approaches maturity, the instrument begins to take on characteristics of a short-term obligation and becomes less like a component of capital. Therefore, for risk-based capital purposes, the outstanding amount of term subordinated debt and limited-life preferred stock eligible for inclusion in capital will be adjusted downward, or discounted, as the instruments approach maturity. Each limited-life capital instrument will be discounted by reducing the outstanding amount of the capital instrument eligible for inclusion as supplementary capital by a fifth of the original amount (less redemptions) each year during the instrument's last five years before maturity. Such instruments, therefore, will have no capital value when they have a remaining maturity of less than a year.

(f) *Unrealized gains on equity securities and unrealized gains (losses) on other assets.* Up to 45 percent of pretax net unrealized holding gains (that is, the excess, if any, of the fair value over historical cost) on available-for-sale equity securities with readily determinable fair values may be included in supplementary capital. However, the FDIC may exclude all or a portion of these unrealized gains from Tier 2 capital if the FDIC determines that the equity securities are not prudently valued. Unrealized gains (losses) on other types of assets, such as bank premises and available-for-sale debt securities, are not included in supplementary capital, but the FDIC may take these unrealized gains (losses) into account as additional factors when assessing a bank's overall capital adequacy.

B. Deductions from Capital and Other Adjustments

Certain assets are deducted from a bank's capital base for the purpose of calculating

the numerator of the risk-based capital ratio.⁶ These assets include:

(1) All *intangible assets* other than mortgage servicing assets, nonmortgage servicing assets and purchased credit card relationships.⁷ These disallowed intangibles are deducted from the core capital (Tier 1) elements.

(2) Investments in *unconsolidated* banking and finance subsidiaries.⁸ This includes any equity or debt capital investments in banking or finance subsidiaries if the subsidiaries are not consolidated for regulatory capital

⁶Any assets deducted from capital when computing the numerator of the risk-based capital ratio will also be excluded from risk-weighted assets when computing the denominator of the ratio.

⁷In addition to mortgage servicing assets, nonmortgage servicing assets and purchased credit card relationships, certain other intangibles may be allowed if explicitly approved by the FDIC as part of the bank's regulatory capital on a specific case basis. In evaluating whether other types of intangibles should be recognized for regulatory capital purposes on a specific case basis, the FDIC will accord special attention to the general characteristics of the intangibles, including: (1) The separability of the intangible asset and the ability to sell it separate and apart from the bank or the bulk of the bank's assets, (2) the certainty that a readily identifiable stream of cash flows associated with the intangible asset can hold its value notwithstanding the future prospects of the bank, and (3) the existence of a market of sufficient depth to provide liquidity for the intangible asset.

⁸For risk-based capital purposes, these subsidiaries are generally defined as any company that is primarily engaged in banking or finance and in which the bank, either directly or indirectly, owns more than 50 percent of the outstanding voting stock but does not consolidate the company for regulatory capital purposes. In addition to investments in unconsolidated banking and finance subsidiaries, the FDIC may, on a case-by-case basis, deduct investments in associated companies or joint ventures, which are generally defined as any companies in which the bank, either directly or indirectly, owns 20 to 50 percent of the outstanding voting stock. Alternatively, the FDIC may, in certain cases, apply an appropriate risk-weighted capital charge against a bank's proportionate interest in the assets of associated companies and joint ventures. The definitions for subsidiaries, associated companies and joint ventures are contained in the instructions for the preparation of the Consolidated Reports of Condition and Income.

requirements.⁹ Generally, these investments include equity and debt capital securities and any other instruments or commitments that are deemed to be capital of the subsidiary. These investments are deducted from the bank's total (Tier 1 plus Tier 2) capital base.

(3) Investments in *securities subsidiaries* established pursuant to 12 CFR 337.4. The FDIC may also consider deducting investments in other subsidiaries, either on a case-by-case basis or, as with securities subsidiaries, based on the general characteristics or functional nature of the subsidiaries.

(4) *Reciprocal holdings* of capital instruments of banks that represent intentional cross-holdings by the banks. These holdings are deducted from the bank's total capital base.

(5) *Deferred tax assets* in excess of the limit set forth in §325.5(g). These disallowed deferred tax assets are deducted from the core capital (Tier 1) elements.

On a case-by-case basis, and in conjunction with supervisory examinations, other deductions from capital may also be required, including any adjustments deemed appropriate for assets classified as loss.

II. PROCEDURES FOR COMPUTING RISK-WEIGHTED ASSETS

A. General Procedures

1. Under the risk-based capital framework, a bank's balance sheet assets and credit equivalent amounts of off-balance sheet items are assigned to one of four broad risk categories according to the obligor or, if relevant, the guarantor or the nature of the collateral. The aggregate dollar amount in

⁹Consolidation requirements for regulatory capital purposes generally follow the consolidation requirements set forth in the instructions for preparation of the consolidated Reports of Condition and Income. However, although investments in subsidiaries representing majority ownership in another Federally-insured depository institution are not consolidated for purposes of the consolidated Reports of Condition and Income that are filed by the parent bank, they are generally consolidated for purposes of determining FDIC regulatory capital requirements. Therefore, investments in these depository institution subsidiaries generally will not be deducted for risk-based capital purposes; rather, assets and liabilities of such subsidiaries will be consolidated with those of the parent bank when calculating the risk-based capital ratio. In addition, although securities subsidiaries established pursuant to 12 CFR 337.4 are consolidated for Report of Condition and Income purposes, they are not consolidated for regulatory capital purposes.

each category is then multiplied by the risk weight assigned to that category. The resulting weighted values from each of the four risk categories are added together and this sum is the *risk-weighted assets* total that, as adjusted,¹⁰ comprises the denominator of the risk-based capital ratio.

2. The risk-weighted amounts for all off-balance sheet items are determined by a two-step process. First, the notional principal, or face value, amount of each off-balance sheet item generally is multiplied by a credit conversion factor to arrive at a balance sheet *credit equivalent amount*. Second, the credit equivalent amount generally is assigned to the appropriate risk category, like any balance sheet asset, according to the obligor or, if relevant, the guarantor or the nature of the collateral.

3. The Director of the Division of Supervision and Consumer Protection (DSC) may, on a case-by-case basis, determine the appropriate risk weight for any asset or credit equivalent amount that does not fit wholly within one of the risk categories set forth in this Appendix A or that imposes risks on a bank that are not commensurate with the risk weight otherwise specified in this Appendix A for the asset or credit equivalent amount. In addition, the Director of the Division of Supervision and Consumer Protection (DSC) may, on a case-by-case basis, determine the appropriate credit conversion factor for any off-balance sheet item that does not fit wholly within one of the credit conversion factors set forth in this Appendix A or that imposes risks on a bank that are not commensurate with the credit conversion factor otherwise specified in this Appendix A for the off-balance sheet item. In making such a determination, the Director of the Division of Supervision and Consumer Protection (DSC) will consider the similarity of the asset or off-balance sheet item to assets or off-balance sheet items explicitly treated in sections II.B and II.C of this appendix A, as well as other relevant factors.

B. Other Considerations

1. *Indirect Holdings of Assets.* Some of the assets on a bank's balance sheet may represent an indirect holding of a pool of assets; for example, mutual funds. An investment in shares of a mutual fund whose portfolio consists solely of various securities or money market instruments that, if held separately, would be assigned to different risk categories, generally is assigned to the risk category appropriate to the highest risk-weighted asset that the fund is permitted to hold in

¹⁰ Any asset deducted from a bank's capital accounts when computing the numerator of the risk-based capital ratio will also be excluded from risk-weighted assets when calculating the denominator for the ratio.

accordance with the stated investment objectives set forth in its prospectus. The bank may, at its option, assign the investment on a pro rata basis to different risk categories according to the investment limits in the fund's prospectus, but in no case will indirect holdings through shares in any mutual fund be assigned to a risk weight less than 20 percent. If the bank chooses to assign its investment on a pro rata basis, and the sum of the investment limits in the fund's prospectus exceeds 100 percent, the bank must assign risk weights in descending order. If, in order to maintain a necessary degree of short-term liquidity, a fund is permitted to hold an insignificant amount of its assets in short-term, highly liquid securities of superior credit quality that do not qualify for a preferential risk weight, such securities will generally be disregarded in determining the risk category to which the bank's holdings in the overall fund should be assigned. The prudent use of hedging instruments by a mutual fund to reduce the risk of its assets will not increase the risk weighting of the mutual fund investment. For example, the use of hedging instruments by a mutual fund to reduce the interest rate risk of its government bond portfolio will not increase the risk weight of that fund above the 20 percent category. Nonetheless, if the fund engages in any activities that appear speculative in nature or has any other characteristics that are inconsistent with the preferential risk weighting assigned to the fund's assets, holdings in the fund will be assigned to the 100 percent risk category.

2. *Collateral.* In determining risk weights of various assets, the only forms of collateral that are formally recognized by the risk-based capital framework are cash on deposit in the lending bank; securities issued or guaranteed by the central governments of the OECD-based group of countries,¹¹ U.S.

¹¹ The OECD-based group of countries comprises all full members of the Organization for Economic Cooperation and Development (OECD) regardless of entry date, as well as countries that have concluded special lending arrangements with the International Monetary Fund (IMF) associated with the IMF's General Arrangements to Borrow, but excludes any country that has rescheduled its external sovereign debt within the previous five years. As of November 1995, the OECD included the following countries: Australia, Austria, Belgium, Canada, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Japan, Luxembourg, Mexico, the Netherlands, New Zealand, Norway, Portugal, Spain, Sweden, Switzerland, Turkey, the United Kingdom, and the United States; and Saudi Arabia had concluded special lending arrangements with the IMF associated

Government agencies, or U.S. Government-sponsored agencies; and securities issued or guaranteed by multilateral lending institutions or regional development banks. Claims fully secured by such collateral are assigned to the 20 percent risk category. The extent to which these securities are recognized as collateral for risk-based capital purposes is determined by their current market value. If a claim is partially secured, the portion of the claim that is not covered by the collateral is assigned to the risk category appropriate to the obligor or, if relevant, the guarantor.

3. *Guarantees.* Guarantees of the OECD and non-OECD central governments, U.S. Government agencies, U.S. Government-sponsored agencies, state and local governments of the OECD-based group of countries, multilateral lending institutions and regional development banks, U.S. depository institutions, foreign banks, and qualifying OECD-based securities firms are also recognized. If a claim is partially guaranteed, the portion of the claim that is not fully covered by the guarantee is assigned to the risk category appropriate to the obligor or, if relevant, the collateral.

4. *Maturity.* Maturity is generally not a factor in assigning items to risk categories with the exceptions of claims on non-OECD banks, commitments, and interest rate and foreign exchange rate related contracts. Except for commitments, short-term is defined as one year or less *remaining* maturity and long-term is defined as over one year *remaining* maturity. In the case of commitments, short-term is defined as one year or less *original* maturity and long-term is defined as over one year original maturity.¹²

5. *Recourse, Direct Credit Substitutes, Residual Interests and Mortgage- and Asset-Backed Securities.* For purposes of this section II.B.5 of this appendix A, the following definitions will apply.

(a) *Definitions.* (1) *Credit derivative* means a contract that allows one party (the protection purchaser) to transfer the credit risk of an asset or off-balance sheet credit exposure to another party (the protection provider).

with the IMF's General Arrangements to Borrow. A rescheduling of external sovereign debt generally would include any renegotiation of terms arising from a country's inability or unwillingness to meet its external debt service obligations, but generally would not include renegotiations of debt in the normal course of business, such as a renegotiation to allow the borrower to take advantage of a decline in interest rates or other change in market conditions.

¹²Through year-end 1992, remaining rather than original maturity may be used for determining term to maturity for commitments.

The value of a credit derivative is dependent, at least in part, on the credit performance of a "reference asset."

(2) *Credit-enhancing interest-only strip* is defined in §325.2(g).

(3) *Credit-enhancing representations and warranties* means representations and warranties that are made or assumed in connection with a transfer of assets (including loan servicing assets) and that obligate a bank to protect investors from losses arising from credit risk in the assets transferred or the loans serviced. Credit-enhancing representations and warranties include promises to protect a party from losses resulting from the default or nonperformance of another party or from an insufficiency in the value of the collateral. Credit-enhancing representations and warranties do not include:

(i) Early-default clauses and similar warranties that permit the return of, or premium refund clauses covering, 1-4 family residential first mortgage loans (as described in section II.C, Category 3-50 Percent Risk Weight, of this appendix A) for a period of 120 days from the date of transfer. These warranties may cover only those loans that were originated within 1 year of the date of transfer;

(ii) Premium refund clauses covering assets guaranteed, in whole or in part, by the U.S. Government, a U.S. Government agency, or a U.S. Government-sponsored agency, provided the premium refund clauses are for a period not to exceed 120 days from the date of transfer; or

(iii) Warranties that permit the return of assets in instances of fraud, misrepresentation, or incomplete documentation.

(4) *Direct credit substitute* means an arrangement in which a bank assumes, in form or in substance, credit risk directly or indirectly associated with an on-or off-balance sheet asset or exposure that was not previously owned by the bank (third-party asset) and the risk assumed by the bank exceeds the *pro rata* share of the bank's interest in the third-party asset. If the bank has no claim on the asset, then the bank's assumption of any credit risk is a direct credit substitute. Direct credit substitutes include, but are not limited to:

(i) Financial standby letters of credit, which includes any letter of credit or similar arrangement, however named or described, that support financial claims on a third party that exceed a bank's *pro rata* share in the financial claim;

(ii) Guarantees, surety arrangements, credit derivatives, and irrevocable guarantee-type instruments backing financial claims such as outstanding securities, loans, or other financial claims, or that back off-balance-sheet items against which risk-based capital must be maintained;

(iii) Purchased subordinated interests or securities that absorb more than their *pro*

rata share of credit losses from the underlying assets. Purchased subordinated interests that are credit-enhancing interest-only strips are subject to the higher capital charge specified in section II.B.5.(f) of this Appendix A;

(iv) Entering into a credit derivative contract under which the bank assumes more than its *pro rata* share of credit risk on a third-party asset or exposure;

(v) Loans or lines of credit that provide credit enhancement for the financial obligations of an account party;

(vi) Purchased loan servicing assets if the servicer:

(A) Is responsible for credit losses associated with the loans being serviced,

(B) Is responsible for making mortgage servicer cash advances (unless the advances are not direct credit substitutes because they meet the conditions specified in paragraph B.5(a)(9) of this appendix A), or

(C) Makes or assumes credit-enhancing representations and warranties on the serviced loans; and

(vii) Clean-up calls on third party assets. Clean-up calls that are exercisable at the option of the bank (as servicer or as an affiliate of the servicer) when the pool balance is 10 percent or less of the original pool balance are not direct credit substitutes.

(5) *Externally rated* means, with respect to an instrument or obligation, that an instrument or obligation has received a credit rating from at least one nationally recognized statistical rating organization.

(6) *Face amount* is defined in §325.2(h).

(7) *Financial asset* means cash, evidence of an ownership interest in an entity, or a contract that conveys to a second entity a contractual right:

(i) To receive cash or another financial instrument from a first entity; or

(ii) To exchange other financial instruments on potentially favorable terms with the first entity.

(8) *Financial standby letter of credit* means a letter of credit or similar arrangement that represents an irrevocable obligation to a third-party beneficiary:

(i) To repay money borrowed by, or advanced to, or for the account of, a second party (the account party); or

(ii) To make payment on behalf of the account party, in the event that the account party fails to fulfill its obligation to the beneficiary.

(9) *Mortgage servicer cash advance* means funds that a residential mortgage servicer advances to ensure an uninterrupted flow of payments or the timely collection of residential mortgage loans, including disbursements made to cover foreclosure costs or other expenses arising from a mortgage loan to facilitate its timely collection. A mortgage servicer cash advance is not a recourse obligation or a direct credit substitute if:

(i) The mortgage servicer is entitled to full reimbursement or, for any one residential mortgage loan, nonreimbursable advances are contractually limited to an insignificant amount of the outstanding principal on that loan, and

(ii) The servicer's entitlement to reimbursement is not subordinated.

(10) *Nationally recognized statistical rating organization (NRSRO)* means an entity recognized by the Division of Market Regulation of the Securities and Exchange Commission (or any successor Division) (Commission) as a nationally recognized statistical rating organization for various purposes, including the Commission's uniform net capital requirements for brokers and dealers (17 CFR 240.15c3-1).

(11) *Recourse* means an arrangement in which a bank retains, in form or in substance, any credit risk directly or indirectly associated with an asset it has sold (in accordance with generally accepted accounting principles) that exceeds a *pro rata* share of the bank's claim on the asset. If a bank has no claim on an asset it has sold, then the retention of any credit risk is recourse. A recourse obligation typically arises when an institution transfers assets in a sale and retains an obligation to repurchase the assets or absorb losses due to a default of principal or interest or any other deficiency in the performance of the underlying obligor or some other party. Recourse may exist implicitly where a bank provides credit enhancement beyond any contractual obligation to support assets it has sold. The following are examples of recourse arrangements:

(i) Credit-enhancing representations and warranties made on the transferred assets;

(ii) Loan servicing assets retained pursuant to an agreement under which the bank:

(A) Is responsible for losses associated with the loans serviced,

(B) Is responsible for making mortgage servicer cash advances (unless the advances are not a recourse obligation because they meet the conditions of paragraph B.5(a)(9) of this appendix A), or

(C) Makes credit-enhancing representations and warranties on the serviced loans;

(iii) Retained subordinated interests that absorb more than their *pro rata* share of losses from the underlying assets;

(iv) Assets sold under an agreement to repurchase, if the assets are not already included on the balance sheet;

(v) Loan strips sold without contractual recourse where the maturity of the transferred portion of the loan is shorter than the maturity of the commitment under which the loan is drawn;

(vi) Credit derivative contracts under which the bank retains more than its *pro rata* share of credit risk on transferred assets; and

(vii) Clean-up calls. Clean-up calls that are exercisable at the option of the bank (as servicer or as an affiliate of the servicer) when the pool balance is 10 percent or less of the original pool balance, are not recourse.

(12) *Residual interest* means any on-balance sheet asset that represents an interest (including a beneficial interest) created by a transfer that qualifies as a sale (in accordance with generally accepted accounting principles) of financial assets, whether through a securitization or otherwise, and that exposes a bank to credit risk directly or indirectly associated with the transferred asset that exceeds a *pro rata* share of that bank's claim on the asset, whether through subordination provisions or other credit enhancement techniques. Residual interests generally include credit-enhancing interest-only strips, spread accounts, cash collateral accounts, retained subordinated interests and other forms of over-collateralization, and similar assets that function as a credit enhancement. Residual interests further include those exposures that, in substance, cause the bank to retain the credit risk of an asset or exposure that had qualified as a residual interest before it was sold. Residual interests generally do not include interests purchased from a third party, except that purchased credit-enhancing interest-only strips are residual interests.

(13) *Risk participation* means a participation in which the originating bank remains liable to the beneficiary for the full amount of an obligation (e.g. a direct credit substitute) notwithstanding that another party has acquired a participation in that obligation.

(14) *Securitization* means the pooling and repackaging by a special purpose entity of assets or other credit exposures into securities that can be sold to investors. Securitization includes transactions that generally create stratified credit risk positions whose performance is dependent upon an underlying pool of credit exposures, including loans and commitments.

(15) *Structured finance program* means a program where receivable interests and asset-backed securities issued by multiple participants are purchased by a special purpose entity that repackages those exposures into securities that can be sold to investors. Structured finance programs allocate credit risks, generally, between the participants and the credit enhancement provided to the program.

(16) *Traded position* means a position or asset-backed security retained, assumed or issued in connection with a securitization that is externally rated, where there is a reasonable expectation that, in the near future, the rating will be relied upon by:

- (i) Unaffiliated investors to purchase the position; or
- (ii) An unaffiliated third party to enter into a transaction involving the position,

such as a purchase, loan or repurchase agreement.

(b) *Credit equivalent amounts and risk weights of recourse obligations and direct credit substitutes*—(1) *General rule for determining the credit-equivalent amount.* Except as otherwise provided, the credit-equivalent amount for a recourse obligation or direct credit substitute is the full amount of the credit-enhanced assets for which the bank directly or indirectly retains or assumes credit risk multiplied by a 100% conversion factor. Thus, a bank that extends a partial direct credit substitute, e.g., a financial standby letter of credit that absorbs the first 10 percent of loss on a transaction, must maintain capital against the full amount of the assets being supported.

(2) *Risk-weight factor.* To determine the bank's risk-weighted assets for an off-balance sheet recourse obligation or a direct credit substitute, the credit equivalent amount is assigned to the risk category appropriate to the obligor in the underlying transaction, after considering any associated guarantees or collateral. For a direct credit substitute that is an on-balance sheet asset, e.g., a purchased subordinated security, a bank must calculate risk-weighted assets using the amount of the direct credit substitute and the full amount of the assets it supports, i.e., all the more senior positions in the structure. The treatment covered in this paragraph (b) is subject to the low-level exposure rule provided in section II.B.5(h)(1) of this appendix A.

(c) *Credit equivalent amount and risk weight of participations in, and syndications of, direct credit substitutes.* Subject to the low-level exposure rule provided in section II.B.5(h)(1) of this appendix A, the credit equivalent amount for a participation interest in, or syndication of, a direct credit substitute (excluding purchased credit-enhancing interest-only strips) is calculated and risk weighted as follows:

- (1) *Treatment for direct credit substitutes for which a bank has conveyed a risk participation.* In the case of a direct credit substitute in which a bank has conveyed a risk participation, the full amount of the assets that are supported by the direct credit substitute is converted to a credit equivalent amount using a 100% conversion factor. However, the *pro rata* share of the credit equivalent amount that has been conveyed through a risk participation is then assigned to whichever risk-weight category is lower: the risk-weight category appropriate to the obligor in the underlying transaction, after considering any associated guarantees or collateral, or the risk-weight category appropriate to the party acquiring the participation. The *pro rata* share of the credit equivalent amount

that has not been participated out is assigned to the risk-weight category appropriate to the obligor, guarantor, or collateral. For example, the *pro rata* share of the full amount of the assets supported, in whole or in part, by a direct credit substitute conveyed as a risk participation to a U.S. domestic depository institution or an OECD bank is assigned to the 20 percent risk category.¹³

(2) *Treatment for direct credit substitutes in which the bank has acquired a risk participation.* In the case of a direct credit substitute in which the bank has acquired a risk participation, the acquiring bank's *pro rata* share of the direct credit substitute is multiplied by the full amount of the assets that are supported by the direct credit substitute and converted using a 100% credit conversion factor. The resulting credit equivalent amount is then assigned to the risk-weight category appropriate to the obligor in the underlying transaction, after considering any associated guarantees or collateral.

(3) *Treatment for direct credit substitutes related to syndications.* In the case of a direct credit substitute that takes the form of a syndication where each party is obligated

only for its *pro rata* share of the risk and there is no recourse to the originating entity, each bank's credit equivalent amount will be calculated by multiplying only its *pro rata* share of the assets supported by the direct credit substitute by a 100% conversion factor. The resulting credit equivalent amount is then assigned to the risk-weight category appropriate to the obligor in the underlying transaction, after considering any associated guarantees or collateral.

(d) *Externally rated positions: credit-equivalent amounts and risk weights.*—(1) *Traded positions.* With respect to a recourse obligation, direct credit substitute, residual interest (other than a credit-enhancing interest-only strip) or mortgage- or asset-backed security that is a "traded position" and that has received an external rating on a long-term position that is one grade below investment grade or better or a short-term position that is investment grade, the bank may multiply the face amount of the position by the appropriate risk weight, determined in accordance with Table A or B of this appendix A, as appropriate.¹⁴ If a traded position receives more than one external rating, the lowest rating will apply.

TABLE A

Long-term rating category	Examples	Risk weight (In percent)
Highest or second highest investment grade	AAA, AA	20
Third highest investment grade	A	50
Lowest investment grade	BBB	100
One category below investment grade	BB	200

TABLE B

Short-term rating category	Examples	Risk weight (In percent)
Highest investment grade	A-1, P-1	20
Second highest investment grade	A-2, P-2	50
Lowest investment grade	A-3, P-3	100

(2) *Non-traded positions.* A recourse obligation, direct credit substitute, residual interest (but not a credit-enhancing interest-only strip) or mortgage- or asset-backed security extended in connection with a securitization that is not a "traded position" may be assigned a risk weight in accordance with section II.B.5(d)(1) of this appendix A if:

(i) It has been externally rated by more than one NRSRO;

(ii) It has received an external rating on a long-term position that is one category

below investment grade or better or a short-term position that is investment grade by all NRSROs providing a rating;

(iii) The ratings are publicly available; and

(iv) The ratings are based on the same criteria used to rate traded positions. If the ratings are different, the lowest rating will determine the risk category to which the recourse obligation, direct credit substitute, residual interest, or mortgage- or asset-backed security will be assigned.

¹³ A risk participation with a remaining maturity of one year or less that is conveyed to a non-OECD bank is also assigned to the 20 percent risk category.

¹⁴ Stripped mortgage-backed securities and similar instruments, such as interest-only strips that are not credit-enhancing and principal-only strips, must be assigned to the 100% risk category.

(e) *Senior positions not externally rated.* For a recourse obligation, direct credit substitute, residual interest or mortgage- or asset-backed security that is not externally rated but is senior in all features to a traded position (including collateralization and maturity), a bank may apply a risk weight to the face amount of the senior position in accordance with section II.B.5(d)(1) of this appendix A, based upon the risk weight of the traded position, subject to any current or prospective supervisory guidance and the bank satisfying the FDIC that this treatment is appropriate. This section will apply only if the traded position provides substantial credit support for the entire life of the unrated position.

(f) *Residual interests—(1) Concentration limit on credit-enhancing interest-only strips.* In addition to the capital requirement provided by section II.B.5(f)(2) of this appendix A, a bank must deduct from Tier 1 capital the face amount of all credit-enhancing interest-only strips in excess of 25 percent of Tier 1 capital in accordance with §325.5(f)(3).

(2) *Credit-enhancing interest-only strip capital requirement.* After applying the concentration limit to credit-enhancing interest-only strips in accordance with §325.5(f)(3), a bank must maintain risk-based capital for a credit-enhancing interest-only strip, equal to the remaining face amount of the credit-enhancing interest-only strip (net of the remaining proportional amount of any existing associated deferred tax liability recorded on the balance sheet), even if the amount of risk-based capital required to be maintained exceeds the full risk-based capital requirement for the assets transferred. Transactions that, in substance, result in the retention of credit risk associated with a transferred credit-enhancing interest-only strip will be treated as if the credit-enhancing interest-only strip was retained by the bank and not transferred.

(3) *Other residual interests capital requirement.* Except as otherwise provided in section II.B.5(d) or (e) of this appendix A, a bank must maintain risk-based capital for a residual interest (excluding a credit-enhancing interest-only strip) equal to the face amount of the residual interest (net of any existing associated deferred tax liability recorded on the balance sheet), even if the amount of risk-based capital required to be maintained exceeds the full risk-based capital requirement for the assets transferred. Transactions that, in substance, result in the retention of credit risk associated with a transferred residual interest will be treated as if the residual interest was retained by the bank and not transferred.

(4) *Residual interests and other recourse obligations.* Where the aggregate capital requirement for residual interests (including credit-enhancing interest-only strips) and recourse obligations arising from the same transfer of assets exceed the full risk-based capital requirement for assets transferred, a bank must maintain risk-based capital equal to the greater of the risk-based capital requirement for the residual interest as calculated under sections II.B.5(f)(2) through (3) of this appendix A or the full risk-based capital requirement for the assets transferred.

(g) *Positions that are not rated by an NRSRO.* A bank's position (other than a residual interest) in a securitization or structured finance program that is not rated by an NRSRO may be risk-weighted based on the bank's determination of the credit rating of the position, as specified in Table C of this appendix A, multiplied by the face amount of the position. In order to qualify for this treatment, the bank's system for determining the credit rating of the position must meet one of the three alternative standards set out in section II.B.5(g)(1) through (3) of this appendix A.

TABLE C

Rating category	Examples	Risk Weight (In percent)
Investment grade	BBB or better	100
One category below investment grade	BB	200

(1) *Internal risk rating used for asset-backed programs.* A bank extends a direct credit substitute (but not a purchased credit-enhancing interest-only strip) to an asset-backed commercial paper program sponsored by the bank and the bank is able to demonstrate to the satisfaction of the FDIC, prior to relying upon its use, that the bank's internal credit risk rating system is adequate. Adequate in-

ternal credit risk rating systems usually contain the following criteria:¹⁵

(i) The internal credit risk rating system is an integral part of the bank's risk management system that explicitly incorporates the

¹⁵The adequacy of a bank's use of its internal credit risk rating system must be demonstrated to the FDIC considering the criteria listed in this section and the size and complexity of the credit exposures assumed by the bank.

full range of risks arising from a bank's participation in securitization activities;

(i) Internal credit ratings are linked to measurable outcomes, such as the probability that the position will experience any loss, the position's expected loss given default, and the degree of variance in losses given default on that position;

(iii) The internal credit risk rating system must separately consider the risk associated with the underlying loans or borrowers, and the risk associated with the structure of a particular securitization transaction;

(iv) The internal credit risk rating system identifies gradations of risk among "pass" assets and other risk positions;

(v) The internal credit risk rating system must have clear, explicit criteria (including for subjective factors), that are used to classify assets into each internal risk grade;

(vi) The bank must have independent credit risk management or loan review personnel assigning or reviewing the credit risk ratings;

(vii) An internal audit procedure should periodically verify that internal risk ratings are assigned in accordance with the bank's established criteria;

(viii) The bank must monitor the performance of the internal credit risk ratings assigned to nonrated, nontraded direct credit substitutes over time to determine the appropriateness of the initial credit risk rating assignment and adjust individual credit risk ratings, or the overall internal credit risk ratings system, as needed; and

(ix) The internal credit risk rating system must make credit risk rating assumptions that are consistent with, or more conservative than, the credit risk rating assumptions and methodologies of NRSROs.

(2) *Program Ratings.* A bank extends a direct credit substitute or retains a recourse obligation (but not a residual interest) in connection with a structured finance program and an NRSRO has reviewed the terms of the program and stated a rating for positions associated with the program. If the program has options for different combinations of assets, standards, internal credit enhancements and other relevant factors, and the NRSRO specifies ranges of rating categories to them, the bank may apply the rating category applicable to the option that corresponds to the bank's position. In order to rely on a program rating, the bank must demonstrate to the FDIC's satisfaction that the credit risk rating assigned to the program meets the same standards generally used by NRSROs for rating traded positions. The bank must also demonstrate to the FDIC's satisfaction that the criteria underlying the NRSRO's assignment of ratings for the program are satisfied for the particular position issued by the bank. If a bank participates in a securitization sponsored by another party, the FDIC may authorize the

bank to use this approach based on a program rating obtained by the sponsor of the program.

(3) *Computer Program.* A bank is using an acceptable credit assessment computer program that has been developed by an NRSRO to determine the rating of a direct credit substitute or recourse obligation (but not a residual interest) extended in connection with a structured finance program. In order to rely on the rating determined by the computer program, the bank must demonstrate to the FDIC's satisfaction that ratings under the program correspond credibly and reliably with the ratings of traded positions. The bank must also demonstrate to the FDIC's satisfaction the credibility of the program in financial markets, the reliability of the program in assessing credit risk, the applicability of the program to the bank's position, and the proper implementation of the program.

(h) *Limitations on risk-based capital requirements—(1) Low-level exposure rule.* If the maximum exposure to loss retained or assumed by a bank in connection with a recourse obligation, a direct credit substitute, or a residual interest is less than the effective risk-based capital requirement for the credit-enhanced assets, the risk-based capital required under this appendix A is limited to the bank's maximum contractual exposure, less any recourse liability account established in accordance with generally accepted accounting principles. This limitation does not apply when a bank provides credit enhancement beyond any contractual obligation to support assets it has sold.

(2) *Mortgage-related securities or participation certificates retained in a mortgage loan swap.* If a bank holds a mortgage-related security or a participation certificate as a result of a mortgage loan swap with recourse, capital is required to support the recourse obligation plus the percentage of the mortgage-related security or participation certificate that is not covered by the recourse obligation. The total amount of capital required for the on-balance sheet asset and the recourse obligation, however, is limited to the capital requirement for the underlying loans, calculated as if the bank continued to hold these loans as an on-balance sheet asset.

(3) *Related on-balance sheet assets.* If a recourse obligation or direct credit substitute also appears as a balance sheet asset, the asset is risk-weighted only under this section IL.B.5 of this appendix A, except in the case of loan servicing assets and similar arrangements with embedded recourse obligations or direct credit substitutes. In that case, the on-balance sheet servicing assets and the related recourse obligations or direct credit substitutes must both be separately risk weighted and incorporated into the risk-based capital calculation.

(i) *Alternative Capital Calculation for Small Business Obligations.*

(1) *Definitions.* For purposes of this section II.B. 5(i):

(i) *Qualified bank means a bank that:*

(A) Is well capitalized as defined in § 325.103(b)(1) without applying the capital treatment described in this section II.B.5(i), or

(B) Is adequately capitalized as defined in § 325.103(b)(2) without applying the capital treatment described in this section II.B.5(i) and has received written permission by order of the FDIC to apply the capital treatment described in this section II.B.5(i).

(iii) *Small business* means a business that meets the criteria for a small business concern established by the Small Business Administration in 13 CFR part 121 pursuant to 15 U.S.C. 632.

(2) *Capital and reserve requirements.* Notwithstanding the risk-based capital treatment outlined in any other paragraph (other than paragraph (i) of this section II.B.5), with respect to a transfer with recourse of a small business loan or a lease to a small business of personal property that is a sale under generally accepted accounting principles, and for which the bank establishes and maintains a non-capital reserve under generally accepted accounting principles sufficient to meet the reasonable estimated liability of the bank under the recourse arrangement; a qualified bank may elect to include only the face amount of its recourse in its risk-weighted assets for purposes of calculating the bank's risk-based capital ratio.

(3) *Limit on aggregate amount of recourse.* The total outstanding amount of recourse retained by a qualified bank with respect to transfers of small business loans and leases to small businesses of personal property and included in the risk-weighted assets of the bank as described in section II.B.5(i)(2) of this appendix A may not exceed 15 percent of the bank's total risk-based capital, unless the FDIC specifies a greater amount by order.

(4) *Bank that ceases to be qualified or that exceeds aggregate limit.* If a bank ceases to be a qualified bank or exceeds the aggregate limit in section II.B.5(i)(3) of this appendix A, the bank may continue to apply the capital treatment described in section II.B.5(i)(2) of this appendix A to transfers of small business loans and leases to small businesses of

personal property that occurred when the bank was qualified and did not exceed the limit.

(5) *Prompt correction action not affected.* (i) A bank shall compute its capital without regard to this section II.B.5(i) for purposes of prompt corrective action (12 U.S.C. 1831o) unless the bank is a well capitalized bank (without applying the capital treatment described in this section II.B.5(i)) and, after applying the capital treatment described in this section II.B.5(i), the bank would be well capitalized.

(ii) A bank shall compute its capital without regard to this section II.B.5(i) for purposes of 12 U.S.C. 1831o(g) regardless of the bank's capital level.

(6) *Nonfinancial equity investments.* (i) General. A bank must deduct from its Tier 1 capital the sum of the appropriate percentage (as determined below) of the adjusted carrying value of all nonfinancial equity investments held by the bank or by its direct or indirect subsidiaries. For purposes of this section II.B.(6), investments held by a bank include all investments held directly or indirectly by the bank or any of its subsidiaries.

(ii) *Scope of nonfinancial equity investments.* A nonfinancial equity investment means any equity investment held by the bank in a nonfinancial company: through a small business investment company (SBIC) under section 302(b) of the Small Business Investment Act of 1958 (15 U.S.C. 682(b));¹⁶ under the portfolio investment provisions of Regulation K issued by the Board of Governors of the Federal Reserve System (12 CFR 211.8(c)(3)); or under section 24 of the Federal Deposit Insurance Act (12 U.S.C. 1831a), other than an investment held in accordance with section 24(f) of that Act.¹⁷ A nonfinancial company is an entity that engages in any activity that has not been determined to be permissible for the bank to conduct directly, or to be financial in nature or incidental to financial activities under section 4(k) of the Bank Holding Company Act (12 U.S.C. 1843(k)).

(iii) *Amount of deduction from core capital.* (A) The bank must deduct from its Tier 1 capital the sum of the appropriate percentages, as set forth in the table following this paragraph, of the adjusted carrying value of all nonfinancial equity investments held by the bank. The amount of the percentage deduction increases as the aggregate amount of nonfinancial equity investments held by the

¹⁶An equity investment made under section 302(b) of the Small Business Investment Act of 1958 in a SBIC that is not consolidated with the bank is treated as a nonfinancial equity investment.

¹⁷The Board of Directors of the FDIC, acting directly, may, in exceptional cases and after a review of the proposed activity, permit a lower capital deduction for invest-

ments approved by the Board of Directors under section 24 of the FDI Act so long as the bank's investments under section 24 and SBIC investments represent, in the aggregate, less than 15 percent of the Tier 1 capital of the bank. The FDIC reserves the authority to impose higher capital charges on any investment where appropriate.

bank increases as a percentage of the bank's Tier 1 capital.

DEDUCTION FOR NONFINANCIAL EQUITY INVESTMENTS

Aggregate adjusted carrying value of all nonfinancial equity investments held directly or indirectly by the bank (as a percentage of the Tier 1 capital of the bank) ¹	Deduction from Tier 1 Capital (as a percentage of the adjusted carrying value of the investment)
Less than 15 percent	8 percent.
15 percent to 24.99 percent	12 percent.
25 percent and above	25 percent.

¹For purposes of calculating the adjusted carrying value of nonfinancial equity investments as a percentage of Tier 1 capital, Tier 1 capital is defined as the sum of core capital elements net of goodwill and net of all identifiable intangible assets other than mortgage servicing assets, nonmortgage servicing assets and purchased credit card relationships, but prior to the deduction for any disallowed mortgage servicing assets, any disallowed nonmortgage servicing assets, any disallowed purchased credit card relationships, any disallowed credit-enhancing interest-only strips (both purchased and retained), any disallowed deferred tax assets, and any nonfinancial equity investments.

(B) These deductions are applied on a marginal basis to the portions of the adjusted carrying value of nonfinancial equity investments that fall within the specified ranges of the parent bank's Tier 1 capital. For example, if the adjusted carrying value of all nonfinancial equity investments held by a bank equals 20 percent of the Tier 1 capital of the bank, then the amount of the deduction would be 8 percent of the adjusted carrying value of all investments up to 15 percent of the bank's Tier 1 capital, and 12 percent of the adjusted carrying value of all investments in excess of 15 percent of the bank's Tier 1 capital.

(C) The total adjusted carrying value of any nonfinancial equity investment that is subject to deduction under this paragraph is excluded from the bank's risk-weighted assets for purposes of computing the denominator of the bank's risk-based capital ratio and from total assets for purposes of calculating the denominator of the leverage ratio.¹⁸

(D) This Appendix establishes *minimum* risk-based capital ratios and banks are at all times expected to maintain capital commensurate with the level and nature of the risks to which they are exposed. The risk to a bank from nonfinancial equity investments increases with its concentration in such investments and strong capital levels above the minimum requirements are particularly important when a bank has a high degree of concentration in nonfinancial equity investments (*e.g.*, in excess of 50 percent of Tier 1 capital). The FDIC intends to monitor banks and apply heightened supervision to equity investment activities as appropriate, includ-

ing where the bank has a high degree of concentration in nonfinancial equity investments, to ensure that each bank maintains capital levels that are appropriate in light of its equity investment activities. The FDIC also reserves authority to impose a higher capital charge in any case where the circumstances, such as the level of risk of the particular investment or portfolio of investments, the risk management systems of the bank, or other information, indicate that a higher minimum capital requirement is appropriate.

(iv) *SBIC investments.* (A) No deduction is required for nonfinancial equity investments that are held by a bank through one or more SBICs that are consolidated with the bank or in one or more SBICs that are not consolidated with the bank to the extent that all such investments, in the aggregate, do not exceed 15 percent of the bank's Tier 1 capital. Any nonfinancial equity investment that is held through an SBIC or in an SBIC and that is not required to be deducted from Tier 1 capital under this section II.B.(6)(iv) will be assigned a 100 percent risk-weight and included in the bank's consolidated risk-weighted assets.¹⁹

¹⁹If a bank has an investment in a SBIC that is consolidated for accounting purposes but that is not wholly owned by the bank, the adjusted carrying value of the bank's nonfinancial equity investments through the SBIC is equal to the bank's proportionate share of the adjusted carrying value of the SBIC's investments in nonfinancial companies. The remainder of the SBIC's adjusted carrying value (*i.e.*, the minority interest holders' proportionate share) is excluded from the risk-weighted assets of the bank. If a bank has an investment in a SBIC that is not consolidated for accounting purposes and has current information that identifies the percentage of the SBIC's assets that are equity investments in nonfinancial companies, the bank may reduce the adjusted carrying

Continued

¹⁸For example, if 8 percent of the adjusted carrying value of a nonfinancial equity investment is deducted from Tier 1 capital, the entire adjusted carrying value of the investment will be excluded from both risk-weighted assets and total assets in calculating the respective denominators for the risk-based capital and leverage ratios.

(B) To the extent the adjusted carrying value of all nonfinancial equity investments that a bank holds through one or more SBICs that are consolidated with the bank or in one or more SBICs that are not consolidated with the bank exceeds, in the aggregate, 15 percent of the bank's Tier 1 capital, the appropriate percentage of such amounts (as set forth in the table in section II.B.(6)(iii)(A)) must be deducted from the bank's common stockholders' equity in determining the bank's Tier 1 capital. In addition, the aggregate adjusted carrying value of all nonfinancial equity investments held by a bank through a consolidated SBIC and in a non-consolidated SBIC (including any investments for which no deduction is required) must be included in determining, for purposes of the table in section II.B.(6)(iii)(A), the total amount of nonfinancial equity investments held by the bank in relation to its Tier 1 capital.

(v) *Transition provisions.* No deduction under this section II.B.(6) is required to be made with respect to the adjusted carrying value of any nonfinancial equity investment (or portion of such an investment) that was made by the bank prior to March 13, 2000, or that was made by the bank after such date pursuant to a binding written commitment²⁰ entered into prior to March 13, 2000, provided that in either case the bank has continuously held the investment since the relevant investment date.²¹ For purposes of this sec-

value of its investment in the SBIC proportionately to reflect the percentage of the adjusted carrying value of the SBIC's assets that are not equity investments in nonfinancial companies. If a bank reduces the adjusted carrying value of its investment in a non-consolidated SBIC to reflect financial investments of the SBIC, the amount of the adjustment will be risk weighted at 100 percent and included in the bank's risk-weighted assets.

²⁰ A "binding written commitment" means a legally binding written agreement that requires the bank to acquire shares or other equity of the company, or make a capital contribution to the company, under terms and conditions set forth in the agreement. Options, warrants, and other agreements that give a bank the right to acquire equity or make an investment, but do not require the bank to take such actions, are not considered a binding written commitment for purposes of this section II.B.(6)(v).

²¹ For example, if a bank made an equity investment in 100 shares of a nonfinancial company prior to March 13, 2000, the adjusted carrying value of that investment would not be subject to a deduction under this section II.B.(6). However, if the bank made any additional equity investment in the company after March 13, 2000, such as by

tion II.B.(6)(v) a nonfinancial equity investment made prior to March 13, 2000, includes any shares or other interests received by the bank through a stock split or stock dividend on an investment made prior to March 13, 2000, provided the bank provides no consideration for the shares or interests received and the transaction does not materially increase the bank's proportional interest in the company. The exercise on or after March 13, 2000, of options or warrants acquired prior to March 13, 2000, is *not* considered to be an investment made prior to March 13, 2000, if the bank provides any consideration for the shares or interests received upon exercise of the options or warrants. Any nonfinancial equity investment (or portion thereof) that is not required to be deducted from Tier 1 capital under this section II.B.(6)(v) must be included in determining the total amount of nonfinancial equity investments held by the bank in relation to its Tier 1 capital for purposes of the table in section II.B.(6)(iii)(A). In addition, any nonfinancial equity investment (or portion thereof) that is not required to be deducted from Tier 1 capital under this section II.B.(6)(v) will be assigned a 100-percent risk weight and included in the bank's consolidated risk-weighted assets.

(vi) *Adjusted carrying value.* (A) For purposes of this section II.B.(6), the "adjusted carrying value" of investments is the aggregate value at which the investments are carried on the balance sheet of the bank reduced by any unrealized gains on those investments that are reflected in such carrying value but excluded from the bank's Tier 1 capital and associated deferred tax liabilities. For example, for equity investments held as available-for-sale (AFS), the adjusted carrying value of the investments would be the aggregate carrying value of those investments (as reflected on the consolidated balance sheet of the bank) less any unrealized gains on those investments that are included in other comprehensive income and not reflected in Tier 1 capital, and associated deferred tax liabilities.²²

purchasing additional shares of the company (including through the exercise of options or warrants acquired before or after March 13, 2000) or by making a capital contribution to the company and such investment was not made pursuant to a binding written commitment entered into before March 13, 2000, the adjusted carrying value of the additional investment would be subject to a deduction under this section II.B.(6). In addition, if the bank sold and repurchased, after March 13, 2000, 40 shares of the company, the adjusted carrying value of those 40 shares would be subject to a deduction under this section II.B.(6).

²² Unrealized gains on available-for-sale equity investments may be included in Tier 2

(B) As discussed above with respect to consolidated SBICs, some equity investments may be in companies that are consolidated for accounting purposes. For investments in a nonfinancial company that is consolidated for accounting purposes under generally accepted accounting principles, the bank's adjusted carrying value of the investment is determined under the equity method of accounting (net of any intangibles associated with the investment that are deducted from the bank's core capital in accordance with section I.A.(1) of this appendix A). Even though the assets of the nonfinancial company are consolidated for accounting purposes, these assets (as well as the credit equivalent amounts of the company's off-balance sheet items) should be excluded from the bank's risk-weighted assets for regulatory capital purposes.

(vii) *Equity investments.* For purposes of this section II.B.(6), an equity investment means any equity instrument (including common stock, preferred stock, partnership interests, interests in limited liability companies, trust certificates and warrants and call options that give the holder the right to purchase an equity instrument), any equity feature of a debt instrument (such as a warrant or call option), and any debt instrument that is convertible into equity where the instrument or feature is held under one of the legal authorities listed in section II.B.(6)(ii) of this appendix A. An investment in any other instrument (including subordinated debt) may be treated as an equity investment if, in the judgment of the FDIC, the instrument is the functional equivalent of equity or exposes the bank to essentially the same risks as an equity instrument.

C. Risk Weights for Balance Sheet Assets (see Table II)

The risk-based capital framework contains four risk weight categories—0 percent, 20 percent, 50 percent and 100 percent. In general, if a particular item can be placed in more than one risk category, it is assigned to the category that has the lowest risk weight. An explanation of the components of each category follows:

Category 1—Zero Percent Risk Weight. a. This category includes cash (domestic and foreign) owned and held in all offices of the bank or in transit; balances due from Federal Reserve Banks and central banks in other OECD countries; the portions of local currency claims on or unconditionally guaranteed by non-OECD central governments to

capital to the extent permitted under section I.A.(2)(f) of this appendix A. In addition, the net unrealized losses on available-for-sale equity investments are deducted from Tier 1 capital in accordance with section I.A.(1) of this appendix A.

the extent that the bank has liabilities booked in that currency; and gold bullion held in the bank's own vaults or in another bank's vaults on an allocated basis, to the extent it is offset by gold bullion liabilities.²³

b. The zero percent risk category also includes direct claims²⁴ (including securities, loans, and leases) on, and the portions of claims that are unconditionally guaranteed by, OECD central governments²⁵ and U.S. Government agencies.²⁶ Federal Reserve Bank stock also is included in this category.

c. This category also includes claims on, and claims guaranteed by, qualifying securities firms incorporated in the United States

²³All other bullion holdings are to be assigned to the 100 percent risk weight category.

²⁴For purposes of determining the appropriate risk weights for this risk-based capital framework, the terms *claims* and *securities* refer to loans or other *debt* obligations of the entity on whom the claim is held. Investments in the form of stock or equity holdings in commercial or financial firms are generally assigned to the 100 percent risk category.

²⁵A central government is defined to include departments and ministries, including the central bank, of the central government. The U.S. central bank includes the 12 Federal Reserve Banks. The definition of central government does not include state, provincial or local governments or commercial enterprises owned by the central government. In addition, it does not include local government entities or commercial enterprises whose obligations are guaranteed by the central government. OECD central governments are defined as central governments of the OECD-based group of countries. Non-OECD central governments are defined as central governments of countries that do not belong to the OECD-based group of countries.

²⁶For risk-based capital purposes U.S. Government agency is defined as an instrumentality of the U.S. Government whose debt obligations are fully and explicitly guaranteed as to the timely payment of principal and interest by the full faith and credit of the U.S. Government. These agencies include the Government National Mortgage Association (GNMA), the Veterans Administration (VA), the Federal Housing Administration (FHA), the Farmers Home Administration (FHA), the Export-Import Bank (Exim Bank), the Overseas Private Investment Corporation (OPIC), the Commodity Credit Corporation (CCC), and the Small Business Administration (SBA). U.S. Government agencies generally do not directly issue securities to the public; however, a number of U.S. Government agencies, such as GNMA, guarantee securities that are publicly held.

or other members of the OECD-based group of countries that are collateralized by cash on deposit in the lending bank or by securities issued or guaranteed by the United States or OECD central governments (including U.S. government agencies), provided that a positive margin of collateral is required to be maintained on such a claim on a daily basis, taking into account any change in a bank's exposure to the obligor or counterparty under the claim in relation to the market value of the collateral held in support of the claim.

Category 2–20 Percent Risk Weight. a. This category includes short-term claims (including demand deposits) on, and portions of short-term claims that are guaranteed²⁷ by, U.S. depository institutions²⁸ and foreign banks;²⁹ portions of claims collateralized by cash held in a segregated deposit account of the lending bank; cash items in process of collection, both foreign and domestic; and long-term claims on, and portions of long-

²⁷ Claims guaranteed by U.S. depository institutions and foreign banks include risk participations in both bankers acceptances and standby letters of credit, as well as participations in commitments, that are conveyed to other U.S. depository institutions or foreign banks.

²⁸ U.S. depository institutions are defined to include branches (foreign and domestic) of federally-insured banks and depository institutions chartered and headquartered in the 50 states of the United States, the District of Columbia, Puerto Rico, and U.S. territories and possessions. The definition encompasses banks, mutual or stock savings banks, savings or building and loan associations, cooperative banks, credit unions, international banking facilities of domestic depository institutions, and U.S.-chartered depository institutions owned by foreigners. However, this definition excludes branches and agencies of foreign banks located in the U.S. and bank holding companies.

²⁹ Foreign banks are distinguished as either OECD banks or non-OECD banks. OECD banks include banks and their branches (foreign and domestic) organized under the laws of countries (other than the U.S.) that belong to the OECD-based group of countries. Non-OECD banks include banks and their branches (foreign and domestic) organized under the laws of countries that do not belong to the OECD-based group of countries. For risk-based capital purposes, a bank is defined as an institution that engages in the business of banking; is recognized as a bank by the bank supervisory or monetary authorities of the country of its organization or principal banking operations; receives deposits to a substantial extent in the regular course of business; and has the power to accept demand deposits.

term claims guaranteed by, U.S. depository institutions and OECD banks.³⁰ This category also includes a claim³¹ on, or guaranteed by, qualifying securities firms incorporated in the United States or other member of the OECD-based group of countries³² provided that: the qualifying securities firm has a long-term issuer credit rating, or a rating on at least one issue of long-term debt, in one of the three highest investment grade rating categories from a nationally recognized statistical rating organization; or the claim is

³⁰ Long-term claims on, or guaranteed by, non-OECD banks and all claims on bank holding companies are assigned to the 100 percent risk weight category, as are holdings of bank-issued securities that qualify as capital of the issuing banks for risk-based capital purposes.

³¹ Claims on a qualifying securities firm that are instruments the firm, or its parent company, uses to satisfy its applicable capital requirements are not eligible for this risk weight.

³² With regard to securities firms incorporated in the United States, qualifying securities firms are those securities firms that are broker-dealers registered with the Securities and Exchange Commission (SEC) and are in compliance with the SEC's net capital rule, 17 CFR 240.15c3-1. With regard to securities firms incorporated in any other country in the OECD-based group of countries, qualifying securities firms are those securities firms that a bank is able to demonstrate are subject to consolidated supervision and regulation (covering their direct and indirect subsidiaries, but not necessarily their parent organizations) comparable to that imposed on banks in OECD countries. Such regulation must include risk-based capital requirements comparable to those applied to banks under the Accord on International Convergence of Capital Measurement and Capital Standards (1988, as amended in 1998) (Basel Accord). Claims on a qualifying securities firm that are instruments the firm, or its parent company, uses to satisfy its applicable capital requirements are not eligible for this risk weight and are generally assigned to at least a 100 percent risk weight. In addition, certain claims on qualifying securities firms are eligible for a zero percent risk weight if the claims are collateralized by cash on deposit in the lending bank or by securities issued or guaranteed by the United States or OECD central governments (including U.S. government agencies), provided that a positive margin of collateral is required to be maintained on such a claim on a daily basis, taking into account any change in a bank's exposure to the obligor or counterparty under the claim in relation to the market value of the collateral held in support of the claim.

guaranteed by the firm's parent company and the parent company has such a rating. If ratings are available from more than one rating agency, the lowest rating will be used to determine whether the rating requirement has been met. This category also includes a collateralized claim on a qualifying securities firm in such a country, without regard to satisfaction of the rating standard, provided that the claim arises under a contract that:

- (1) Is a reverse repurchase/repurchase agreement or securities lending/borrowing transaction executed using standard industry documentation;
- (2) Is collateralized by debt or equity securities that are liquid and readily marketable;
- (3) Is marked-to-market daily;
- (4) Is subject to a daily margin maintenance requirement under the standardized documentation; and
- (5) Can be liquidated, terminated, or accelerated immediately in bankruptcy or similar proceeding, and the security or collateral agreement will not be stayed or avoided, under applicable law of the relevant jurisdiction.³³

b. This category also includes claims on, or portions of claims guaranteed by, U.S. Government-sponsored agencies;³⁴ and portions of claims (including repurchase agreements) collateralized by securities issued or guaran-

³³ For example, a claim is exempt from the automatic stay in bankruptcy in the United States if it arises under a securities contract or a repurchase agreement subject to section 555 or 559 of the Bankruptcy Code, respectively (11 U.S.C. 555 or 559), a qualified financial contract under section 11(e)(8) of the Federal Deposit Insurance Act (12 U.S.C. 1821(e)(8)), or a netting contract between financial institutions under sections 401-407 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (12 U.S.C. 4401-4407), or the Board's Regulation EE (12 CFR part 231).

³⁴ For risk-based capital purposes, U.S. Government-sponsored agencies are defined as agencies originally established or chartered by the U.S. Government to serve public purposes specified by the U.S. Congress but whose debt obligations are *not explicitly* guaranteed by the full faith and credit of the U.S. Government. These agencies include the Federal Home Loan Mortgage Corporation (FHLMC), the Federal National Mortgage Association (FNMA), the Farm Credit System, the Federal Home Loan Bank System, and the Student Loan Marketing Association (SLMA). For risk-based capital purposes, claims on U.S. Government-sponsored agencies also include capital stock in a Federal Home Loan Bank that is held as a condition of membership in that Bank.

teed by OECD central governments, U.S. Government agencies, or U.S. Government-sponsored agencies. Also included in the 20 percent risk category are portions of claims that are conditionally guaranteed by OECD central governments and U.S. Government agencies,³⁵ as well as portions of local currency claims that are conditionally guaranteed by non-OECD central governments to the extent that the bank has liabilities booked in that currency.

c. General obligation claims on, or portions of claims guaranteed by, the full faith and credit of states or other political subdivisions of the United States or other countries of the OECD-based group are also assigned to this 20 percent risk category.³⁶ In addition, this category includes claims on the International Bank for Reconstruction and Development (World Bank), International Finance Corporation, the Inter-American Development Bank, the Asian Development Bank, the African Development Bank, the European Investment Bank, the European Bank for Reconstruction and Development, the Nordic Investment Bank, and other multilateral lending institutions or regional development institutions in which the U.S. Government is a shareholder or contributing member, as well as portions of claims guaranteed by such organizations or collateralized by their securities.

d. This category also includes recourse obligations, direct credit substitutes, residual interests (other than a credit-enhancing interest-only strip) and asset- or mortgage-backed securities rated in the highest or second highest investment grade category, e.g., AAA, AA, in the case of long-term ratings, or the highest rating category, e.g., A-1, P-1, in the case of short-term ratings.

a. *Category 3-50 Percent Risk Weight.* This category includes loans fully secured by first

³⁵ For risk-based capital purposes, a conditional guarantee is deemed to exist if the validity of the guarantee by the OECD central government or the U.S. Government agency is dependent upon some affirmative action (e.g., servicing requirements on the part of the beneficiary of the guarantee). Portions of claims that are unconditionally guaranteed by OECD central governments or U.S. Government agencies are assigned to the zero percent risk category.

³⁶ Claims on, or guaranteed by, states or other political subdivisions of countries that do not belong to the OECD-based group of countries are to be placed in the 100 percent risk weight category.

liens³⁷ on *one-to-four family residential properties*, provided that such loans have been approved in accordance with prudent underwriting standards, including standards relating to the loan amount as a percent of the appraised value of the property,³⁸ and provided that the loans are not past due 90 days or more or carried in nonaccrual status.³⁹ The types of loans that qualify as loans secured by one-to-four family residential properties are listed in the instructions for preparation of the Consolidated Reports of Condition and Income. These properties may be either owner-occupied or rented. In addition, for risk-based capital purposes, loans secured by one-to-four family residential properties include loans to builders with substantial project equity for the construction of one-to-four family residences that have been presold under firm contracts to purchasers who have obtained firm commitments for permanent qualifying mortgage loans and have made substantial earnest money deposits. Such loans to builders will be considered prudently underwritten only if the bank has obtained sufficient documentation that the buyer of the home intends to purchase the home (i.e., has a legally binding written sales contract) and has the ability to obtain a mortgage loan sufficient to purchase the home (i.e., has a firm written commitment for permanent financing of the home upon completion), provided the following criteria are met:

- (1) The purchaser is an individual(s) who intends to occupy the residence and is not a partnership, joint venture, trust, corporation, or any other entity (including an entity acting as a sole proprietorship) that is purchasing one or more of the homes for speculative purposes;
- (2) The builder must incur at least the first ten percent of the direct costs (i.e., actual costs of the land, labor, and material) before any drawdown is made under the construction loan and the construction loan may not

³⁷ If a bank holds the first and junior lien(s) on a residential property and no other party holds an intervening lien, the transactions are treated as a single loan secured by a first lien for purposes of determining the loan-to-value ratio and assigning a risk weight.

³⁸ For risk-based capital purposes, the loan-to-value ratio generally is based upon the most current appraised value of the property. The appraisal should be performed in a manner consistent with the Federal banking agencies' real estate appraisal guidelines and with the bank's own appraisal guidelines.

³⁹ Real estate loans that do not meet all of the specified criteria or that are made for the purpose of property development are placed in the 100 percent risk category.

exceed 80 percent of the sales price of the presold home;

(3) The purchaser has made a substantial "earnest money deposit" of no less than three percent of the sales price of the home and the deposit must be subject to forfeiture if the purchaser terminates the sales contract; and

(4) The earnest money deposit must be held in escrow by the bank financing the builder or by an independent party in a fiduciary capacity and the escrow agreement must provide that, in the event of default arising from the cancellation of the sales contract by the buyer, the escrow funds must first be used to defray any costs incurred by the bank.

By order of the Board of Directors.

b. This category also includes loans fully secured by first liens on multifamily residential properties,⁴⁰ provided that:

(1) The loan amount does not exceed 80 percent of the value⁴¹ of the property securing the loan as determined by the most current appraisal or evaluation, whichever may be appropriate (75 percent if the interest rate on the loan changes over the term of the loan);

(2) For the property's most recent fiscal year, the ratio of annual net operating income generated by the property (before payment of any debt service on the loan) to annual debt service on the loan is not less than 120 percent (115 percent if the interest rate on the loan changes over the term of the loan) or, in the case of a property owned by a cooperative housing corporation or non-profit organization, the property generates sufficient cash flow to provide comparable protection to the bank;

⁴⁰ The types of loans that qualify as loans secured by multifamily residential properties are listed in the instructions for preparation of the Consolidated Reports of Condition and Income. In addition, from the standpoint of the selling bank, when a multifamily residential property loan is sold subject to a *pro rata* loss sharing arrangement which provides for the purchaser of the loan to share in any loss incurred on the loan on a *pro rata* basis with the selling bank, that portion of the loan is not subject to the risk-based capital standards. In connection with sales of multifamily residential property loans in which the purchaser of the loan shares in any loss incurred on the loan with the selling bank on other than a *pro rata* basis, the selling bank must treat these other loss sharing arrangements in accordance with section II.B.5 of this appendix A.

⁴¹ At the origination of a loan to purchase an existing property, the term "value" means the lesser of the actual acquisition cost or the estimate of value set forth in an appraisal or evaluation, whichever may be appropriate.

Pt. 325, App. A

(3) Amortization of principal and interest on the loan occurs over a period of not more than 30 years;

(4) The minimum original maturity for repayment of principal on the loan is not less than seven years;

(5) All principal and interest payments have been made on a timely basis in accordance with the terms of the loan for at least one year before the loan is placed in this category;⁴²

(6) The loan is not 90 days or more past due or carried in nonaccrual status; and

(7) The loan has been made in accordance with prudent underwriting standards.

c. This category also includes *revenue* (non-general obligation) bonds or similar obligations, including loans and leases, that are obligations of states or political subdivisions of the United States or other OECD countries, but for which the government entity is committed to repay the debt with revenues from the specific projects financed, rather than from general tax funds (e.g., municipal revenue bonds). In addition, the credit equivalent amount of derivative contracts that do not qualify for a lower risk weight are assigned to the 50 percent risk category.

d. This category also includes recourse obligations, direct credit substitutes, residual interests (other than a credit-enhancing interest-only strip) and asset- or mortgage-backed securities rated in the third highest investment grade category, e.g., A, in the case of long-term ratings, or the second highest rating category, e.g., A-2, P-2, in the case of short-term ratings.

Category 4—100 Percent Risk Weight. (a) All assets not included in the categories above in section II.C of this appendix A, except the assets specifically included in the 200 percent category below in section II.C of this appendix A and assets that are otherwise risk weighted in accordance with section II.B.5 of this appendix A, are assigned to this category, which comprises standard risk assets. The bulk of the assets typically found in a loan portfolio would be assigned to the 100 percent category.

(b) This category includes:

(1) Long-term claims on, and the portions of long-term claims that are guaranteed by, non-OECD banks, and all claims on non-

⁴²In the case where the existing owner of a multifamily residential property refinances a loan on that property, all principal and interest payments on the loan being refinanced must have been made on a timely basis in accordance with the terms of that loan for at least the preceding year. The new loan must meet all of the other eligibility criteria in order to qualify for a 50 percent risk weight.

OECD central governments that entail some degree of transfer risk;⁴³

(2) All claims on foreign and domestic private-sector obligors not included in the categories above in section II.C of this appendix A (including loans to nondepository financial institutions and bank holding companies);

(3) Claims on commercial firms owned by the public sector;

(4) Customer liabilities to the bank on acceptances outstanding involving standard risk claims;⁴⁴

(5) Investments in fixed assets, premises, and other real estate owned;

(6) Common and preferred stock of corporations, including stock acquired for debts previously contracted;

(7) Commercial and consumer loans (except those assigned to lower risk categories due to recognized guarantees or collateral and loans secured by residential property that qualify for a lower risk weight);

(8) Recourse obligations, direct credit substitutes, residual interests (other than a credit-enhancing interest-only strip) and asset- or mortgage-backed securities rated in the lowest investment grade category, e.g., BBB, as well as certain positions (but not residual interests) which the bank rates pursuant to section II.B.5(g) of this appendix A;

(9) Industrial-development bonds and similar obligations issued under the auspices of states or political subdivisions of the OECD-based group of countries for the benefit of a private party or enterprise where that party or enterprise, not the government entity, is obligated to pay the principal and interest;

(10) All obligations of states or political subdivisions of countries that do not belong to the OECD-based group; and

(11) Stripped mortgage-backed securities and similar instruments, such as interest-only strips that are not credit-enhancing and principal-only strips.

⁴³Such assets include all non-local currency claims on, and the portions of claims that are guaranteed by, non-OECD central governments and those portions of local currency claims on, or guaranteed by, non-OECD central governments that exceed the local currency liabilities held by the bank.

⁴⁴Customer liabilities on acceptances outstanding involving nonstandard risk claims, such as claims on U.S. depository institutions, are assigned to the risk category appropriate to the identity of the obligor or, if relevant, the nature of the collateral or guarantees backing the claims. Portions of acceptances conveyed as risk participations to U.S. depository institutions or foreign banks are assigned to the 20 percent risk category appropriate to short-term claims guaranteed by U.S. depository institutions and foreign banks.

(12) Claims representing capital of a qualifying securities firm.

(c) The following assets also are assigned a risk weight of 100 percent if they have not already been deducted from capital: investments in unconsolidated companies, joint ventures, or associated companies; instruments that qualify as capital issued by other banks; deferred tax assets; and mortgage servicing assets, nonmortgage servicing assets, and purchased credit card relationships.

Category 5—200 Percent Risk Weight. This category includes:

(a) Externally rated recourse obligations, direct credit substitutes, residual interests (other than a credit-enhancing interest-only strip), and asset- and mortgage-backed securities that are rated one category below the lowest investment grade category, e.g., BB, to the extent permitted in section II.B.5(d) of this appendix A; and

(b) A position (but not a residual interest) in a securitization or structured finance program that is not rated by an NRSRO for which the bank determines that the credit risk is equivalent to one category below investment grade, e.g., BB, to the extent permitted in section II.B.5.(g) of this appendix A.

D. Conversion Factors for Off-Balance Sheet Items (see Table III)

The face amount of an off-balance sheet item is generally incorporated into the risk-weighted assets in two steps. The face amount is first multiplied by a credit conversion factor, except as otherwise specified in section II.B.5 of this appendix A for direct credit substitutes and recourse obligations. The resultant credit equivalent amount is assigned to the appropriate risk category according to the obligor or, if relevant, the guarantor or the nature of the collateral.⁴⁵ Table III to this appendix A sets forth the conversion factors for various types of off-balance-sheet items.

1. *Items With a 100 Percent Conversion Factor.* (a) Except as otherwise provided in section II.B.5. of this appendix A, the full amount of an asset or transaction supported, in whole or in part, by a direct credit substitute or a recourse obligation. Direct credit substitutes and recourse obligations are defined in section II.B.5. of this appendix A.

⁴⁵The sufficiency of collateral and guarantees for off-balance-sheet items is determined by the market value of the collateral or the amount of the guarantee in relation to the face amount of the item, except for derivative contracts, for which this determination is generally made in relation to the credit equivalent amount. Collateral and guarantees are subject to the same provisions noted under section II.B. of this appendix A.

(b) Sale and repurchase agreements, if not already included on the balance sheet, and forward agreements. Forward agreements are legally binding contractual obligations to purchase assets with drawdown which is certain at a specified future date. Such obligations include forward purchases, forward forward deposits placed,⁴⁶ and partly-paid shares and securities; they do not include commitments to make residential mortgage loans or forward foreign exchange contracts.

(c) Securities lent by a bank are treated in one of two ways, depending upon whether the lender is exposed to risk of loss. If a bank, as agent for a customer, lends the customer's securities and does not indemnify the customer against loss, then the securities transaction is excluded from the risk-based capital calculation. On the other hand, if a bank lends its own securities or, acting as agent for a customer, lends the customer's securities and indemnifies the customer against loss, the transaction is converted at 100 percent and assigned to the risk weight category appropriate to the obligor or, if applicable, to the collateral delivered to the lending bank or the independent custodian acting on the lending bank's behalf.

2. *Items With a 50 Percent Conversion Factor.* Transaction-related contingencies are to be converted at 50 percent. Such contingencies include bid bonds, performance bonds, warranties, and *performance standby letters of credit* related to particular transactions, as well as acquisitions of risk participations in performance standby letters of credits. Performance standby letters of credit (performance bonds) are irrevocable obligations of the bank to pay a third-party beneficiary when a customer (account party) *fails to perform* on some contractual nonfinancial obligation. Thus, performance standby letters of credit represent obligations backing the performance of *nonfinancial* or *commercial* contracts or undertakings. To the extent permitted by law or regulation, performance standby letters of credit include arrangements backing, among other things, subcontractors' and suppliers' performance, labor and materials contracts, and construction bids.

The unused portion of *commitments* with an *original* maturity exceeding *one year*, including underwriting commitments and commercial and consumer credit commitments, also are to be converted at 50 percent. Original maturity is defined as the length of time between the date the commitment is issued and the earliest date on which: (1) The bank can at its option, *unconditionally* (without cause) cancel the commitment,⁴⁷ and (2) the

⁴⁶Forward forward deposits accepted are treated as interest rate contracts.

⁴⁷In the case of home equity or mortgage lines of credit secured by liens on one-to-four

bank is scheduled to (and as a normal practice actually does) review the facility to determine whether or not it should be extended and, on at least an annual basis, continues to regularly review the facility. Facilities that are unconditionally cancelable (without cause) at any time by the bank are not deemed to be commitments, provided the bank makes a separate credit decision before each drawing under the facility.

Commitments, for risk-based capital purposes, are defined as any arrangements that obligate a bank to extend credit in the form of loans or lease financing receivables; to purchase loans, securities, or other assets; or to participate in loans and leases. Commitments also include overdraft facilities, revolving credit, home equity and mortgage lines of credit, and similar transactions. Normally, commitments involve a written contract or agreement and a commitment fee, or some other form of consideration. Commitments are included in risk-weighted assets regardless of whether they contain *material adverse change* clauses or other provisions that are intended to relieve the issuer of its funding obligation under certain conditions.

In the case of commitments structured as syndications where the bank is obligated only for its *pro rata* share, the risk-based capital framework includes only the bank's proportional share of such commitments. Thus, after a commitment has been converted at 50 percent, portions of commitments that have been conveyed to other U.S. depository institutions or OECD banks, but for which the originating bank retains the full obligation to the borrower if the participating bank fails to pay when the commitment is drawn upon, will be assigned to the 20 risk category. The acquisition of such a participation in a commitment would be converted at 50 percent and the credit equivalent amount would be assigned to the risk category that is appropriate for the account party obligor or, if relevant, to the nature of the collateral or guarantees.

Revolving underwriting facilities (RUFs), note issuance facilities (NIFs), and other similar arrangements also are converted at 50 percent. These are facilities under which a borrower can issue on a revolving basis short-term notes in its own name, but for which the underwriting banks have a legally binding commitment either to purchase any notes the borrower is unable to sell by the rollover date or to advance funds to the borrower.

family residential properties, a bank is deemed able to unconditionally cancel the commitment if, at its option, it can prohibit additional extensions of credit, reduce the credit line, and terminate the commitment to the full extent permitted by relevant Federal law.

3. *Items With a 20 Percent Conversion Factor.* Short-term, self-liquidating, trade-related contingencies which arise from the movement of goods are converted at 20 percent. Such contingencies include *commercial letters of credit* and other documentary letters of credit collateralized by the underlying shipments.

4. *Items With a Zero Percent Conversion Factor.* These include unused portions of *commitments* with an *original maturity of one year or less*, or which are *unconditionally cancellable* at any time (provided a separate credit decision is made before each drawing under the facility). Unused portions of *retail credit card lines* and related plans are deemed to be short-term commitments if the bank, in accordance with applicable law, has the unconditional option to cancel the credit line at any time.

E. Derivative Contracts (Interest Rate, Exchange Rate, Commodity (including precious metal) and Equity Derivative Contracts)

1. Credit equivalent amounts are computed for each of the following off-balance-sheet derivative contracts:

- (a) Interest Rate Contracts
 - (i) Single currency interest rate swaps.
 - (ii) Basis swaps.
 - (iii) Forward rate agreements.
 - (iv) Interest rate options purchased (including caps, collars, and floors purchased).
 - (v) Any other instrument linked to interest rates that gives rise to similar credit risks (including when-issued securities and forward deposits accepted).
- (b) Exchange Rate Contracts
 - (i) Cross-currency interest rate swaps.
 - (ii) Forward foreign exchange contracts.
 - (iii) Currency options purchased.
 - (iv) Any other instrument linked to exchange rates that gives rise to similar credit risks.
- (c) Commodity (including precious metal) or Equity Derivative Contracts
 - (i) Commodity- or equity-linked swaps.
 - (ii) Commodity- or equity-linked options purchased.
 - (iii) Forward commodity- or equity-linked contracts.
 - (iv) Any other instrument linked to commodities or equities that gives rise to similar credit risks.

2. Exchange rate contracts with an original maturity of 14 calendar days or less and derivative contracts traded on exchanges that require daily receipt and payment of cash variation margin may be excluded from the risk-based ratio calculation. Gold contracts are accorded the same treatment as exchange rate contracts except gold contracts with an original maturity of 14 calendar days or less are included in the risk-based calculation. Over-the-counter options purchased are included and treated in the same way as other derivative contracts.

3. *Credit Equivalent Amounts for Derivative Contracts.* (a) The credit equivalent amount of a derivative contract that is not subject to a qualifying bilateral netting contract in accordance with section II.E.5. of this appendix A is equal to the sum of:

(i) The current exposure (which is equal to the mark-to-market value,⁴⁸ if positive, and is sometimes referred to as the replacement cost) of the contract; and

(ii) An estimate of the potential future credit exposure.

(b) The current exposure is determined by the mark-to-market value of the contract. If

the mark-to-market value is positive, then the current exposure is equal to that mark-to-market value. If the mark-to-market value is zero or negative, then the current exposure is zero.

(c) The potential future credit exposure of a contract, including a contract with a negative mark-to-market value, is estimated by multiplying the notional principal amount of the contract by a credit conversion factor. Banks should, subject to examiner review, use the effective rather than the apparent or stated notional amount in this calculation. The credit conversion factors are:

CONVERSION FACTOR MATRIX

Remaining maturity	Interest rate	Exchange rate and gold	Equity	Precious metals, except gold	Other commodities
One year or less	0.0%	1.0%	6.0%	7.0%	10.0%
More than one year to five years	0.5%	5.0%	8.0%	7.0%	12.0%
More than five years	1.5%	7.5%	10.0%	8.0%	15.0%

(d) For contracts that are structured to settle outstanding exposure on specified dates and where the terms are reset such that the market value of the contract is zero on these specified dates, the remaining maturity is equal to the time until the next reset date. For interest rate contracts with remaining maturities of more than one year and that meet these criteria, the conversion factor is subject to a minimum value of 0.5 percent.

(e) For contracts with multiple exchanges of principal, the conversion factors are to be multiplied by the number of remaining payments in the contract. Derivative contracts not explicitly covered by any of the columns of the conversion factor matrix are to be treated as “other commodities.”

(f) No potential future exposure is calculated for single currency interest rate swaps in which payments are made based upon two floating rate indices (so called floating/floating or basis swaps); the credit exposure on these contracts is evaluated solely on the basis of their mark-to-market values.

4. *Risk Weights and Avoidance of Double Counting.* (a) Once the credit equivalent amount for a derivative contract, or a group of derivative contracts subject to a qualifying bilateral netting agreement, has been determined, that amount is assigned to the risk category appropriate to the counterparty, or, if relevant, the guarantor or the nature of any collateral. However, the maximum weight that will be applied to the

credit equivalent amount of such contracts is 50 percent.

(b) In certain cases, credit exposures arising from the derivative contracts covered by these guidelines may already be reflected, in part, on the balance sheet. To avoid double counting such exposures in the assessment of capital adequacy and, perhaps, assigning inappropriate risk weights, counterparty credit exposures arising from the types of instruments covered by these guidelines may need to be excluded from balance sheet assets in calculating a bank’s risk-based capital ratio.

(c) The FDIC notes that the conversion factors set forth in section II.E.3. of appendix A, which are based on observed volatilities of the particular types of instruments, are subject to review and modification in light of changing volatilities or market conditions.

(d) Examples of the calculation of credit equivalent amounts for these types of contracts are contained in Table IV of this appendix A.

5. *Netting.* (a) For purposes of this appendix A, netting refers to the offsetting of positive and negative mark-to-market values when determining a current exposure to be used in the calculation of a credit equivalent amount. Any legally enforceable form of bilateral netting (that is, netting with a single counterparty) of derivative contracts is recognized for purposes of calculating the credit equivalent amount provided that:

(i) The netting is accomplished under a written netting contract that creates a single legal obligation, covering all included individual contracts, with the effect that the

reflect changes in both underlying rates, prices and indices, and counterparty credit quality.

⁴⁸Mark-to-market values are measured in dollars, regardless of the currency or currencies specified in the contract and should

bank would have a claim or obligation to receive or pay, respectively, only the net amount of the sum of the positive and negative mark-to-market values on included individual contracts in the event that a counterparty, or a counterparty to whom the contract has been validly assigned, fails to perform due to default, bankruptcy, liquidation, or similar circumstances;

(ii) The bank obtains a written and reasoned legal opinion(s) representing that in the event of a legal challenge, including one resulting from default, insolvency, bankruptcy or similar circumstances, the relevant court and administrative authorities would find the bank's exposure to be such a net amount under:

(1) The law of the jurisdiction in which the counterparty is chartered or the equivalent location in the case of noncorporate entities and, if a branch of the counterparty is involved, then also under the law of the jurisdiction in which the branch is located;

(2) The law that governs the individual contracts covered by the netting contract; and

(3) The law that governs the netting contract.

(iii) The bank establishes and maintains procedures to ensure that the legal characteristics of netting contracts are kept under review in the light of possible changes in relevant law; and

(iv) The bank maintains in its file documentation adequate to support the netting of derivative contracts, including a copy of the bilateral netting contract and necessary legal opinions.

(b) A contract containing a walkaway clause is not eligible for netting for purposes of calculating the credit equivalent amount.⁴⁹

(c) By netting individual contracts for the purpose of calculating its credit equivalent amount, a bank represents that it has met the requirements of this appendix A and all the appropriate documents are in the bank's files and available for inspection by the FDIC. Upon determination by the FDIC that a bank's files are inadequate or that a netting contract may not be legally enforceable under any one of the bodies of law described in paragraphs (ii)(1) through (3) of section II.E.5.(a) of this appendix A, underlying individual contracts may be treated as though

they were not subject to the netting contract.

(d) The credit equivalent amount of derivative contracts that are subject to a qualifying bilateral netting contract is calculated by adding:

(i) The net current exposure of the netting contract; and

(ii) The sum of the estimates of potential future exposure for all individual contracts subject to the netting contract, adjusted to take into account the effects of the netting contract.⁵⁰

(e) The net current exposure is the sum of all positive and negative mark-to-market values of the individual contracts subject to the netting contract. If the net sum of the mark-to-market values is positive, then the net current exposure is equal to that sum. If the net sum of the mark-to-market values is zero or negative, then the net current exposure is zero.

(f) The effects of the bilateral netting contract on the gross potential future exposure are recognized through application of a formula, resulting in an adjusted add-on amount (A_{net}). The formula, which employs the ratio of net current exposure to gross current exposure (NGR) is expressed as:

$$A_{net} = (0.4 \times A_{gross}) + 0.6(NGR \times A_{gross})$$

The effect of this formula is that A_{net} is the weighted average of A_{gross} , and A_{gross} adjusted by the NGR.

(g) The NGR may be calculated in either one of two ways—referred to as the counterparty-by-counterparty approach and the aggregate approach.

(i) Under the counterparty-by-counterparty approach, the NGR is the ratio of the net current exposure of the netting contract to the gross current exposure of the netting contract. The gross current exposure is the sum of the current exposures of all individual contracts subject to the netting contract calculated in accordance with section II.E. of this appendix A.

(ii) Under the aggregate approach, the NGR is the ratio of the sum of all of the net current exposures for qualifying bilateral netting contracts to the sum of all of the gross current exposures for those netting contracts (each gross current exposure is calculated in the same manner as in section II.E.5.(g)(i) of this appendix A). Net negative mark-to-market values to individual counterparties cannot be used to offset net

⁴⁹For purposes of this section, a walkaway clause means a provision in a netting contract that permits a non-defaulting counterparty to make lower payments than it would make otherwise under the contract, or no payment at all, to a defaulter or to the estate of a defaulter, even if a defaulter or the estate of a defaulter is a net creditor under the contract.

⁵⁰For purposes of calculating potential future credit exposure for foreign exchange contracts and other similar contracts in which notional principal is equivalent to cash flows, total notional principal is defined as the net receipts to each party falling due on each value date in each currency.

positive current exposures to other counterparties.

(iii) A bank must use consistently either the counterparty-by-counterparty approach or the aggregate approach to calculate the NGR. Regardless of the approach used, the NGR should be applied individually to each qualifying bilateral netting contract to determine the adjusted add-on for that netting contract.

III. Minimum Risk-Based Capital Ratio

Subject to section II.B.5. of this appendix A, banks generally will be expected to meet a minimum ratio of qualifying total capital

to risk-weighted assets of 8 percent, of which at least 4 percentage points should be in the form of core capital (Tier 1). Any bank that does not meet the minimum risk-based capital ratio, or whose capital is otherwise considered inadequate, generally will be expected to develop and implement a capital plan for achieving an adequate level of capital, consistent with the provisions of this risk-based capital framework and §325.104, the specific circumstances affecting the individual bank, and the requirements of any related agreements between the bank and the FDIC.

TABLE I.—DEFINITION OF QUALIFYING CAPITAL

Components	Minimum requirements
(1) CORE CAPITAL (Tier 1)	Must equal or exceed 4% of weighted-risk assets.
(a) Common stockholders' equity	No limit. ¹
(b) Noncumulative perpetual preferred stock and any related surplus.	No limit. ¹
(c) Minority interest in equity accounts of consolidated	No limit. ¹
(d) Less: All intangible assets other than certain mortgage servicing assets, nonmortgage servicing assets and purchased credit card relationships.	(²).
(e) Less: Certain credit-enhancing interest-only strips and nonfinancial equity investments required to be deducted from capital.	(³).
(f) Less: Certain deferred tax assets	(⁴).
(2) SUPPLEMENTARY CAPITAL (Tier 2)	Total of tier 2 is limited to 100% of tier 1. ⁵
(a) Allowance for loan and lease losses	Limited to 1.25% of weighted-risk assets. ⁵
(b) Unrealized gains on certain equity securities. ⁶	Limited to 45% of pretax net unrealized gains. ⁶
(c) Cumulative perpetual and long-term preferred stock (original maturity of 20 years or more) and any related surplus.	No limit within tier 2; long-term preferred is amortized for capital purposes as it approaches maturity.
(d) Auction rate and similar preferred stock (both cumulative and non-cumulative).	No limit within Tier 2.
(e) Hybrid capital instruments (including mandatory convertible debt securities).	No limit within Tier 2.
(f) Term subordinated debt and intermediate-term preferred stock (original weighted average maturity of five years or more).	Term subordinated debt and intermediate-term preferred stock are limited to 50% of Tier 1 ⁵ and amortized for capital purposes as they approach maturity.
(3) DEDUCTIONS (from sum of tier 1 and tier 2)	
(a) Investments in banking and finance subsidiaries that are not consolidated for regulatory capital purposes	
(b) Intentional, reciprocal cross-holdings of capital securities issued by banks	
(c) Other deductions (such as investment in other subsidiaries or joint ventures) as determined by supervisory authority.	On a case-by-case basis or as a matter of policy after formal consideration of relevant issues.
(4) TOTAL CAPITAL	Must equal or exceed 8% of weighted-risk assets.

¹No express limits are placed on the amounts of nonvoting common, noncumulative perpetual preferred stock, and minority interests that may be recognized as part of Tier 1 capital. However, voting common stockholders' equity capital generally will be expected to be the dominant form of Tier 1 capital and banks should avoid undue reliance on other Tier 1 capital elements.

²The amounts of mortgage servicing assets, nonmortgage servicing assets and purchased credit card relationships that can be recognized for purposes of calculating Tier 1 capital are subject to the limitations set forth in §325.5(f). All deductions are for capital purposes only; deductions would not affect accounting treatment.

³The amounts of credit-enhancing interest-only strips that can be recognized for purposes of calculating Tier 1 capital are subject to the limitations set forth in §325.5(f). The amounts of nonfinancial equity investments that must be deducted for purposes of calculating Tier 1 capital are set forth in section II.B.(6) of appendix A to part 325.

⁴Deferred tax assets are subject to the capital limitations set forth in §325.5(g).

⁵Amounts in excess of limitations are permitted but do not qualify as capital.

⁶Unrealized gains on equity securities are subject to the capital limitations set forth in paragraph I.A(2)(f) of appendix A to part 325.

CALCULATION OF THE RISK-BASED CAPITAL RATIO

When calculating the risk-based capital ratio under the framework set forth in this

statement of policy, qualifying total capital (the numerator) is divided by risk-weighted assets (the denominator). The process of determining the numerator for the ratio is

summarized in Table I. The calculation of the denominator is based on the risk weights and conversion factors that are summarized in Tables II and III.

When determining the amount of risk-weighted assets, balance sheet assets are assigned an appropriate risk weight (see Table II) and off-balance sheet items are first converted to a credit equivalent amount (see Table III) and then assigned to one of the risk weight categories set forth in Table II.

The balance sheet assets and the credit equivalent amount of off-balance sheet items are then multiplied by the appropriate risk weight percentages and the sum of these risk-weighted amounts is the gross risk-weighted asset figure used in determining the denominator of the risk-based capital ratio. Any items deducted from capital when computing the amount of qualifying capital may also be excluded from risk-weighted assets when calculating the denominator for the risk-based capital ratio.

Credit Conversion for Interest Rate and Foreign Exchange Rate Related Contracts

The total replacement cost of contracts (obtained by summing the positive mark-to-market values of contracts) is added to a measure of future potential increases in credit exposure. This future potential credit exposure measure is calculated by multiplying the total notional value of contracts by one of the following credit conversion factors, as appropriate:

CONVERSION FACTOR MATRIX

Remaining maturity	Interest rate	Exchange rate and gold	Equity	Precious metals, except gold	Other commodities
One year or less	0.0%	1.0%	6.0%	7.0%	10.0%
More than one year to five years	0.5%	5.0%	8.0%	7.0%	12.0%
More than five years	1.5%	7.5%	10.0%	8.0%	15.0%

No potential exposure is calculated for single currency interest rate contracts on which payments are made based on two floating rate indices (floating/floating or basis swaps); the credit exposure on these contracts is evaluated solely on the basis of their mark-to-market values. In the event a netting contract covers transactions that are normally not included in the risk-based ratio calculation—for example, exchange rate contracts with an original maturity of

fourteen calendar days or less or instruments traded on exchanges that require daily payment of variation margin—an institution may elect to consistently either include or exclude all mark-to-market values of such transactions when determining a net current exposure. Multiple contracts with the same counterparty may be netted for risk-based capital purposes pursuant to section II.E.5. of this appendix.

TABLE IV.—CALCULATION OF CREDIT EQUIVALENT AMOUNTS FOR DERIVATIVE CONTRACTS

Potential exposure Type of contract (remaining maturity)	+		=			Credit equivalent amount
	Notional principal (dollars)	Current exposure Conversion factor	Potential exposure (dollars)	Mark-to market value	Current exposure (dollars)	
(1) 120-Day Forward Foreign Exchange	5,000,000	.01	50,000	100,000	100,000	150,000
(2) 4-Year Forward Foreign Exchange	6,000,000	.05	300,000	- 120,000	0	300,000
(3) 3-Year Single-Currency Fixed/Floating Interest Rate Swap	10,000,000	.005	50,000	200,000	200,000	250,000
(4) 6-Month Oil Swap	10,000,000	.10	1,000,000	- 250,000	0	1,000,000
(5) 7-Year Cross-Currency Floating/Floating Interest Rate Swap	20,000,000	.075	1,500,000	- 1,500,000	0	1,500,000
Total			2,900,000		300,000	3,200,000

(1) If contracts (1) through (5) above are subject to a qualifying bilateral netting contract, then the following applies:

	Potential future exposure (from above)	Net current exposure*		Credit equivalent amount
(1)	50,000			
(2)	300,000			
(3)	50,000			
(4)	1,000,000			
(5)	1,500,000			
Total	2,900,000	+ 0	=	2,900,000

*The total of the mark-to-market values from above is -1,370,000. Since this is a negative amount, the net current exposure is zero.

(2) To recognize the effects of netting on potential future exposure, the following formula applies:

$$A_{net} = (0.4 \times A_{gross}) + 0.6(NGR \times A_{gross})$$

(3) In the above example:

$$NGR=0=(0/300,000)$$

$$A_{net}=(0.4 \times 2,900,000)+0.6(0 \times 2,900,000)$$

$$A_{net}=1,160,000$$

Credit	Equivalent	Amount:
1,160,000+0=	1,160,000	

(4) If the net current exposure was a positive amount, for example, \$200,000, the credit equivalent amount would be calculated as follows:

$$NGR = .67 = (200,000/300,000)$$

$$A_{net} = (0.4 \times 2,900,000) + 0.6(.67 \times 2,900,000)$$

$$A_{net} = 2,325,800$$

$$\text{Credit Equivalent Amount: } 2,325,800+200,000 = 2,525,800$$

APPENDIX B TO PART 325—STATEMENT OF POLICY ON CAPITAL ADEQUACY

Part 325 of the Federal Deposit Insurance Corporation rules and regulations (12 CFR part 325) sets forth minimum leverage capital requirements for fundamentally sound, well-managed banks having no material or significant financial weaknesses. It also defines capital and sets forth sanctions which will be used against banks which are in violation of the part 325 regulation. This statement of policy on capital adequacy provides some interpretational and definitional guidance as to how this part 325 regulation will be administered and enforced by the FDIC. This statement of policy also addresses certain aspects of the FDIC's minimum risk-based capital guidelines that are set forth in appendix A to part 325. This statement of policy does not address the prompt corrective action provisions mandated by the Federal Deposit Insurance Corporation Improvement Act of 1991. However, section 38 of the Federal Deposit Insurance Act and subpart B of part 325 provide guidance on the prompt corrective action provisions, which generally apply to institutions with inadequate levels of capital.

Federal Deposit Insurance Corporation

Pt. 325, App. B

I. ENFORCEMENT OF MINIMUM CAPITAL REQUIREMENTS

Section 325.3(b)(1) specifies that FDIC-supervised, state-chartered nonmember commercial and savings banks (or other insured depository institutions making applications to the FDIC that require the FDIC to consider the adequacy of the institutions' capital structure) must maintain a minimum leverage ratio of Tier 1 (or core) capital to total assets of at least 3 percent; however, this minimum only applies to the most highly-rated banks (i.e., those with a composite CAMELS rating of 1 under the Uniform Financial Institutions Rating System established by the Federal Financial Institutions Examination Council) that are not anticipating or experiencing any significant growth. All other state nonmember banks would need to meet a minimum leverage ratio that is at least 100 to 200 basis points above this minimum. That is, in accordance with §325.3(b)(2), an absolute minimum leverage ratio of not less than 4 percent must be maintained by those banks that are not highly-rated or that are anticipating or experiencing significant growth.

In addition to the minimum leverage capital standards, section III of appendix A to part 325 indicates that state nonmember banks generally are expected to maintain a minimum risk-based capital ratio of qualifying total capital to risk-weighted assets of 8 percent, with at least one-half of that total capital amount consisting of Tier 1 capital.

State nonmember banks (hereinafter referred to as "banks") operating with leverage capital ratios below the minimums set forth in part 325 will be deemed to have inadequate capital and will be in violation of the part 325 regulation. Furthermore, banks operating with risk-based capital ratios below the minimums set forth in appendix A to part 325 generally will be deemed to have inadequate capital. Banks failing to meet the minimum leverage and/or risk-based capital ratios normally can expect to have any application submitted to the FDIC denied (if such application requires the FDIC to evaluate the adequacy of the institution's capital structure) and also can expect to be subject to the use of capital directives or other formal enforcement action by the FDIC to increase capital.

Capital adequacy in banks which have capital ratios at or above the minimums will be assessed and enforced based on the following factors (these same criteria will apply to any insured depository institutions making applications to the FDIC and to any other circumstances in which the FDIC is requested or required to evaluate the adequacy of a depository institution's capital structure):

A. Banks Which Are Fundamentally Sound and Well-Managed

The minimum leverage capital ratios set forth in §325.3(b)(2) and the minimum risk-based capital ratios set forth in section III of appendix A to part 325 generally will be viewed as the minimum acceptable capital standards for banks whose overall financial condition is fundamentally sound, which are well-managed and which have no material or significant financial weaknesses. While the FDIC will make this determination in each bank based upon its own condition and specific circumstances, this definition will generally apply to those banks evidencing a level of risk which is no greater than that normally associated with a Composite rating of 1 or 2 under the Uniform Financial Institutions Rating System. Banks meeting this definition which are in compliance with the minimum leverage and risk-based capital ratio standards will not generally be required by the FDIC to raise new capital from external sources.

The FDIC does, however, encourage such banks to maintain capital well above the minimums, particularly those institutions that are anticipating or experiencing significant growth, and will carefully evaluate their earnings and growth trends, dividend policies, capital planning procedures and other factors important to the continuous maintenance of adequate capital. Adverse trends or deficiencies in these areas will be subject to criticism at regular examinations and may be an important factor in the FDIC's action on applications submitted by such banks. In addition, the FDIC's consideration of capital adequacy in banks making applications to the FDIC will also fully examine the expected impact of those applications on the bank's ability to maintain its capital adequacy. In all cases, banks should maintain capital commensurate with the level and nature of risks, including the volume and severity of adversely classified assets, to which they are exposed.

B. All Other Banks

Banks not meeting the definition set forth in I.A. of this appendix, that is, banks evidencing a level of risk which is at least as great as that normally associated with a Composite rating of 3, 4, or 5 under the Uniform Financial Institutions Rating System, will be required to maintain capital higher than the minimum regulatory requirement and at a level deemed appropriate in relation to the degree of risk within the institution. These higher capital levels will normally be addressed through memorandums of understanding between the FDIC and the bank or, in cases of more pronounced risk, through the use of formal enforcement actions under section 8 of the Federal Deposit Insurance Act (12 U.S.C. 1818).

C. Capital Requirements of Primary Regulator

Notwithstanding I.A. and B. of this appendix, all banks (or other depository institutions making applications to the FDIC that require the FDIC to consider the adequacy of the institutions' capital structure) will be expected to meet any capital requirements established by their primary state or federal regulator which exceed the minimum capital requirement set forth in the FDIC's part 325 regulation. In addition, the FDIC will, when establishing capital requirements higher than the minimum set forth in the regulation, consult with an institution's primary state or federal regulator.

II. CAPITAL PLANS

Section 325.4(b) specifies that any bank which has less than its minimum leverage capital requirement is deemed to be engaging in an unsafe or unsound banking practice unless it has submitted, and is in compliance with, a plan approved by the FDIC to increase its Tier 1 leverage capital ratio to such level as the FDIC deems appropriate.

As required under §325.104(a)(1) of this part, a bank must file a written capital restoration plan with the appropriate FDIC regional director within 45 days of the date that the bank receives notice or is deemed to have notice that the bank is undercapitalized, significantly undercapitalized or critically undercapitalized, unless the FDIC notifies the bank in writing that the plan is to be filed within a different period. The amount of time allowed to achieve the minimum leverage capital requirement will be evaluated by the FDIC on a case-by-case basis and will depend on a number of factors, including the viability of the bank and whether it is fundamentally sound and well-managed.

Banks evidencing more than normal levels of risk will normally have their minimum capital requirements established in a formal or informal enforcement proceeding. The time frames for meeting these requirements will be set forth in such actions and will generally require some immediate action on the bank's part to meet its minimum capital requirement. The reasonableness of capital plans submitted by depository institutions in connection with applications as provided for in §325.3(d)(2) will be determined in conjunction with the FDIC's consideration of the application.

III. WRITTEN AGREEMENTS

Section 325.4(c) provides that any insured depository institution with a Tier 1 capital to total assets (leverage) ratio of less than 2 percent must enter into and be in compliance with a written agreement with the FDIC (or with its primary federal regulator with FDIC as a party to the agreement) to increase its Tier 1 leverage capital ratio to such level as the FDIC deems appropriate or

may be subject to a section 8(a) termination of insurance action by the FDIC. Except in the very rarest of circumstances, the FDIC will require that such agreements contemplate immediate efforts by the depository institution to acquire the required capital.

The guidance in this section III is not intended to preclude the FDIC from taking section 8(a) or other enforcement action against any institution, regardless of its capital level, if the specific circumstances deem such action to be appropriate.

IV. CAPITAL COMPONENTS

Section 325.2 sets forth the definition of Tier 1 capital for the leverage standard as well as the definitions for the various instruments and accounts which are included therein. Although nonvoting common stock, noncumulative perpetual preferred stock, and minority interests in consolidated subsidiaries are normally included in Tier 1 capital, voting common stockholders' equity generally will be expected to be the dominant form of Tier 1 capital. Thus, banks should avoid undue reliance on nonvoting equity, preferred stock and minority interests. The following provides some additional guidance with respect to some of the items that affect the calculation of Tier 1 capital.

A. Intangible Assets

The FDIC permits state nonmember banks to record intangible assets on their books and to report the value of such assets in the Consolidated Reports of Condition and Income ("Call Report"). As noted in the instructions for preparation of the Consolidated Reports of Condition and Income (published by the Federal Financial Institutions Examination Council), intangible assets may arise from business combinations accounted for under the purchase method and acquisitions of portions or segments of another institution's business, such as branch offices, mortgage servicing portfolios, and credit card portfolios.

Notwithstanding the authority to report all intangible assets in the Consolidated Reports of Condition and Income, §325.2(v) of the regulation specifies that mortgage servicing assets, nonmortgage servicing assets and purchased credit card relationships are the only intangible assets which will be allowed as Tier 1 capital.¹ The portion of equity capital represented by other types of intangible assets will be deducted from equity

¹Although intangible assets in the form of mortgage servicing assets, nonmortgage servicing assets and purchased credit card relationships are generally recognized for regulatory capital purposes, the deduction of part or all of the mortgage

capital and assets in the computation of a bank's Tier 1 capital. Certain of these intangible assets may, however, be recognized for regulatory capital purposes if explicitly approved by the Director of the Division of Supervision and Consumer Protection (DSC) as part of the bank's regulatory capital on a specific case basis. These intangibles will be included in regulatory capital under the terms and conditions that are specifically approved by the FDIC.²

In certain instances banks may have investments in unconsolidated subsidiaries or joint ventures that have large volumes of intangible assets. In such instances the bank's consolidated statements will reflect an investment in a tangible asset even though such investment will, in fact, be represented by a large volume of intangible assets. In any such situation where this is material, the bank's investment in the unconsolidated subsidiary will be divided into a tangible and an intangible portion based on the percentage of intangible assets to total assets in the subsidiary. The intangible portion of the investment will be treated as if it were an intangible asset on the bank's books in the calculation of Tier 1 capital. However, intangible assets in the form of mortgage servicing assets, nonmortgage servicing assets and purchased credit card relationships, including servicing intangibles held by mort-

servicing assets, nonmortgage servicing assets and purchased credit card relationships may be required if the carrying amounts of these rights are excessive in relation to their market value or the level of the bank's capital accounts. In this regard, mortgage servicing assets, nonmortgage servicing assets and purchased credit card relationships will be recognized for regulatory capital purposes only to the extent the rights meet the conditions, limitations and restrictions described in §325.5(f).

²This specific approval must be received in accordance with §325.5(b). In evaluating whether other types of intangibles should be recognized for regulatory capital purposes, the FDIC will accord special attention to the general characteristics of the intangibles, including: (1) The separability of the intangible asset and the ability to sell it separate and apart from the bank or the bulk of the bank's assets, (2) the certainty that a readily identifiable stream of cash flows associated with the intangible asset can hold its value notwithstanding the future prospects of the bank, and (3) the existence of a market of sufficient depth to provide liquidity for the intangible asset. However, pursuant to section 18(n) of the Federal Deposit Insurance Act (12 U.S.C. 1828(n)), specific approval cannot be given for an unidentifiable intangible asset, such as goodwill, if acquired after April 12, 1989.

gage banking subsidiaries, are subject to the specific criteria set forth in §325.5(f).

B. Perpetual Preferred Stock

Perpetual preferred stock is defined as preferred stock that does not have a maturity date, that cannot be redeemed at the option of the holder, and that has no other provisions that will require future redemption of the issue. Also, pursuant to section 18(i)(1) of the Federal Deposit Insurance Act (12 U.S.C. 1828(i)(1)), a state nonmember bank cannot, without the prior consent of the FDIC, reduce the amount or retire any part of its preferred stock. (This prior consent is also required for the reduction or retirement of any part of a state nonmember bank's common stock or capital notes and debentures.)

Noncumulative perpetual preferred stock is generally included in Tier 1 capital. Nonetheless, it is possible for banks to issue preferred stock with a dividend rate which escalates to such a high rate that the terms become so onerous as to effectively force the bank to call the issue (for example, an issue with a low initial rate that is scheduled to escalate to much higher rates in subsequent periods). Preferred stock issues with such onerous terms have much the same characteristics as limited life preferred stock in that the bank would be effectively forced to redeem the issue to avoid performance of the onerous terms. Such instruments may be disallowed as Tier 1 capital and, for risk-based capital purposes, would be included in Tier 2 capital only to the extent that the instruments fall within the limitations applicable to intermediate-term preferred stock. Banks which are contemplating issues bearing terms which may be so characterized are encouraged to submit them to the appropriate FDIC regional office for review prior to issuance. Nothing herein shall prohibit banks from issuing floating rate preferred stock issues where the rate is constant in relation to some outside market or index rate. However, noncumulative floating rate instruments where the rate paid is based in some part on the current credit standing of the bank, and all cumulative preferred stock instruments, are excluded from Tier 1 capital. These instruments are included in Tier 2 capital for risk-based capital purposes in accordance with the limitations set forth in appendix A to part 325.

The FDIC will also require that issues of perpetual preferred stock be consistent with safe and sound banking practices. Issues which would unduly enrich insiders or which contain dividend rates or other terms which are inconsistent with safe and sound banking practices will likely be the subject of appropriate supervisory response from the FDIC. Banks contemplating preferred stock issues which may pose safety and soundness concerns are encouraged to submit such issues

to the appropriate FDIC regional office for review prior to sale. Pursuant to §325.5(e), capital instruments that contain or that are subject to any conditions, covenants, terms, restrictions or provisions that are inconsistent with safe and sound banking practices will not qualify as capital under part 325.

C. Other Instruments or Transactions Which Fail to Provide Capital Support

Section 325.5(b) specifies that any capital component or balance sheet entry or account which has characteristics or terms that diminish its contribution to an insured depository institution's ability to absorb losses shall be deducted from capital. An example involves certain types of minority interests in consolidated subsidiaries. Minority interests in consolidated subsidiaries have been included in capital based on the fact that they provide capital support to the risk in the consolidated subsidiaries. Certain transactions have been structured where a bank forms a subsidiary by transferring essentially risk-free or low-risk assets to the subsidiary in exchange for common stock of the subsidiary. The subsidiary then sells preferred stock to third parties.

The preferred stock becomes a minority interest in a consolidated subsidiary but, in effect, represents an essentially risk-free or low-risk investment for the preferred stockholders. This type of minority interest fails to provide any meaningful capital support to the consolidated entity inasmuch as it has a preferred claim on the essentially risk-free or low-risk assets of the subsidiary. In addition, certain minority interests are not substantially equivalent to permanent equity in that the interests must be paid off on specified future dates, or at the option of the holders of the minority interests, or contain other provisions or features that limit the ability of the minority interests to effectively absorb losses. Capital instruments or transactions of this nature which fail to absorb losses or provide meaningful capital support will be deducted from Tier 1 capital.

D. Mandatory Convertible Debt

Mandatory convertible debt securities are subordinated debt instruments that require the issuer to convert such instruments into common or perpetual preferred stock by a date at or before the maturity of the debt instruments. The maturity of these instruments must be 12 years or less and the instruments must also meet the other criteria set forth in appendix A to part 325. Mandatory convertible debt is excluded from Tier 1 capital but, for risk-based capital purposes, is included in Tier 2 capital as a "hybrid capital instrument."

So-called "equity commitment notes," which merely require a bank to sell common

or perpetual preferred stock during the life of the subordinated debt obligation, are specifically excluded from the definition of mandatory convertible debt securities and are only included in Tier 2 capital under the risk-based capital framework to the extent that they satisfy the requirements and limitations for "term subordinated debt" set forth in appendix A to part 325.

V. ANALYSIS OF CONSOLIDATED COMPANIES

In determining a bank's compliance with its minimum capital requirements the FDIC will, with two exceptions, generally utilize the bank's consolidated statements as defined in the instructions for the preparation of Consolidated Reports of Condition and Income.

The first exception relates to securities subsidiaries of state nonmember banks which are subject to §337.4 of the FDIC's rules and regulations (12 CFR 337.4). Any subsidiary subject to this section must be a bona fide subsidiary which is adequately capitalized. In addition, §337.4(b)(3) requires that any insured state nonmember bank's investment in such a subsidiary shall not be counted towards the bank's capital. In those instances where the securities subsidiary is consolidated in the bank's Consolidated Report of Condition it will be necessary, for the purpose of calculating the bank's Tier 1 capital, to adjust the Consolidated Report of Condition in such a manner as to reflect the bank's investment in the securities subsidiary on the equity method. In this case, and in those cases where the securities subsidiary has not been consolidated, the investment in the subsidiary will then be deducted from the bank's capital and assets prior to calculation of the bank's Tier 1 capital ratio. (Where deemed appropriate, the FDIC may also consider deducting investments in other subsidiaries, either on a case-by-case basis or, as with securities subsidiaries, based on the general characteristics or functional nature of the subsidiaries.)

The second exception relates to the treatment of subsidiaries of insured banks that are domestic depository institutions such as commercial banks, savings banks, or savings associations. These subsidiaries are not consolidated on a line-by-line basis with the insured bank parent in the bank parent's Consolidated Reports of Condition and Income. Rather, the instructions for these reports provide that bank investments in such depository institution subsidiaries are to be reported on an unconsolidated basis in accordance with the equity method. Since the FDIC believes that the minimum capital requirements should apply to a bank's depository activities in their entirety, regardless of the form that the organization's corporate structure takes, it will be necessary, for the purpose of calculating the bank's Tier 1 leverage

and total risk-based capital ratios, to adjust a bank parent's Consolidated Report of Condition to consolidate its domestic depository institution subsidiaries on a line-by-line basis. The financial statements of the subsidiary that are used for this consolidation must be prepared in the same manner as the Consolidated Report of Condition.

The FDIC will, in determining the capital adequacy of a bank which is a member of a bank holding company or chain banking group, consider the degree of leverage and risks undertaken by the parent company or other affiliates. Where the level of risk in a holding company system is no more than normal and the consolidated company is adequately capitalized at all appropriate levels, the FDIC generally will not require additional capital in subsidiary banks under its supervision over and above that which would be required for the subsidiary bank on its own merit. In cases where a holding company or other affiliated banks (or other companies) evidence more than a normal degree of risk (either by virtue of the quality of their assets, the nature of the activities conducted, or other factors) or where the affiliated organizations are inadequately capitalized, the FDIC will consider the potential impact of the additional risk or excess leverage upon an individual bank to determine if such factors will likely result in excessive requirements for dividends, management fees, or other support to the holding company or affiliated organizations which would be detrimental to the bank. Where the excessive risk or leverage in such organizations is determined to be potentially detrimental to the bank's condition or its ability to maintain adequate capital, the FDIC may initiate appropriate supervisory action to limit the bank's ability to support its weaker affiliates and/or require higher than minimum capital ratios in the bank.

VI. APPLICABILITY OF PART 325 TO SAVINGS ASSOCIATIONS

Section 325.3(c) indicates that, where the FDIC is required to evaluate the adequacy of any depository institution's (including any savings association's) capital structure in conjunction with an application filed by the institution, the FDIC will not approve the application if the depository institution does not meet the minimum leverage capital requirement set forth in § 325.3(b).

Also, § 325.4(b) states that, under certain conditions specified in section 8(t) of the Federal Deposit Insurance Act, the FDIC may take section 8(b)(1) and/or 8(c) enforcement action against a savings association that is deemed to be engaged in an unsafe or unsound practice on account of its inadequate capital structure. Section 325.4(c) further specifies that any insured depository institution with a Tier 1 leverage ratio (as de-

finied in part 325) of less than 2 percent is deemed to be operating in an unsafe or unsound condition pursuant to section 8(a) of the Federal Deposit Insurance Act.

In addition, the Office of Thrift Supervision (OTS), as the primary federal regulator of savings associations, has established minimum core capital leverage, tangible capital and risk-based capital requirements for savings associations (12 CFR part 567). In this regard, certain differences exist between the methods used by the OTS to calculate a savings association's capital and the methods set forth by the FDIC in part 325. These differences include, among others, the core capital treatment for investments in subsidiaries and for certain intangible assets.

In determining whether a savings association's application should be approved pursuant to § 325.3(c), or whether an unsafe or unsound practice or condition exists pursuant to §§ 325.4(b) and 325.4(c), the FDIC will consider the extent of the savings association's capital as determined in accordance with part 325. However, the FDIC will also consider the extent to which a savings association is in compliance with (a) the minimum capital requirements set forth by the OTS, (b) any related capital plans for meeting the minimum capital requirements approved by the OTS, and/or (c) any other criteria deemed by the FDIC as appropriate based on the association's specific circumstances.

APPENDIX C TO PART 325—RISK-BASED CAPITAL FOR STATE NON-MEMBER BANKS: MARKET RISK

Section 1. Purpose, Applicability, Scope, and Effective Date

(a) *Purpose.* The purpose of this appendix is to ensure that banks with significant exposure to market risk maintain adequate capital to support that exposure.¹ This appendix supplements and adjusts the risk-based capital ratio calculations under appendix A of this part with respect to those banks.

(b) *Applicability.* (1) This appendix applies to any insured state nonmember bank whose

¹This appendix is based on a framework developed jointly by supervisory authorities from the countries represented on the Basle Committee on Banking Supervision and endorsed by the Group of Ten Central Bank Governors. The framework is described in a Basle Committee paper entitled "Amendment to the Capital Accord to Incorporate Market Risks," January 1996. Also see modifications issued in September 1997.

trading activity² (on a worldwide consolidated basis) equals:

- (i) 10 percent or more of total assets;³ or
- (ii) \$1 billion or more.

(2) The FDIC may additionally apply this appendix to any insured state nonmember bank if the FDIC deems it necessary or appropriate for safe and sound banking practices.

(3) The FDIC may exclude an insured state nonmember bank otherwise meeting the criteria of paragraph (b)(1) of this section from coverage under this appendix if it determines the bank meets such criteria as a consequence of accounting, operational, or similar considerations, and the FDIC deems it consistent with safe and sound banking practices.

(c) *Scope.* The capital requirements of this appendix support market risk associated with a bank's covered positions.

(d) *Effective date.* This appendix is effective as of January 1, 1997. Compliance is not mandatory until January 1, 1998. Subject to supervisory approval, a bank may opt to comply with this appendix as early as January 1, 1997.⁴

Section 2. Definitions

For purposes of this appendix, the following definitions apply:

(a) *Covered positions* means all positions in a bank's trading account, and all foreign exchange⁵ and commodity positions, whether or not in the trading account.⁶ Positions include on-balance-sheet assets and liabilities and off-balance-sheet items. Securities subject to repurchase and lending agreements are included as if they are still owned by the lender.

(b) *Market risk* means the risk of loss resulting from movements in market prices. Market risk consists of general market risk and specific risk components.

(1) *General market risk* means changes in the market value of covered positions resulting from broad market movements, such as changes in the general level of interest rates,

²Trading activity means the gross sum of trading assets and liabilities as reported in the bank's most recent quarterly Consolidated Report of Condition and Income (Call Report).

³Total assets means quarter-end total assets as reported in the bank's most recent Call Report.

⁴A bank that voluntarily complies with the final rule prior to January 1, 1998, must comply with all of its provisions.

⁵Subject to FDIC review, a bank may exclude structural positions in foreign currencies from its covered positions.

⁶The term trading account is defined in the instructions to the Call Report.

equity prices, foreign exchange rates, or commodity prices.

(2) *Specific risk* means changes in the market value of specific positions due to factors other than broad market movements and includes event and default risk as well as idiosyncratic variations.

(c) *Tier 1* and *Tier 2 capital* are defined in appendix A of this part.

(d) *Tier 3 capital* is subordinated debt that is unsecured; is fully paid up; has an original maturity of at least two years; is not redeemable before maturity without prior approval by the FDIC; includes a lock-in clause precluding payment of either interest or principal (even at maturity) if the payment would cause the issuing bank's risk-based capital ratio to fall or remain below the minimum required under appendix A of this part; and does not contain and is not covered by any covenants, terms, or restrictions that are inconsistent with safe and sound banking practices.

(e) *Value-at-risk (VAR)* means the estimate of the maximum amount that the value of covered positions could decline during a fixed holding period within a stated confidence level, measured in accordance with section 4 of this appendix.

Section 3. Adjustments to the Risk-Based Capital Ratio Calculations.

(a) *Risk-based capital ratio denominator.* A bank subject to this appendix shall calculate its risk-based capital ratio denominator as follows:

(1) *Adjusted risk-weighted assets.* Calculate adjusted risk-weighted assets, which equals risk-weighted assets (as determined in accordance with appendix A of this part), excluding the risk-weighted amounts of all covered positions (except foreign exchange positions outside the trading account and over-the-counter derivative positions)⁷ and receivables arising from the posting of cash collateral that is associated with securities borrowing transactions to the extent the receivables are collateralized by the market value of the borrowed securities, provided that the following conditions are met:

(i) The transaction is based on securities includable in the trading book that are liquid and readily marketable,

(ii) The transaction is marked to market daily,

(iii) The transaction is subject to daily margin maintenance requirements,

(iv) The transaction is a securities contract for the purposes of section 555 of the

⁷Foreign exchange positions outside the trading account and all over-the-counter derivative positions, whether or not in the trading account, must be included in the adjusted risk weighted assets as determined in appendix A of this part.

Bankruptcy Code (11 U.S.C. 555), a qualified financial contract for the purposes of section 11(e)(8) of the Federal Deposit Insurance Act (12 U.S.C. 1821(e)(8)), or a netting contract between or among financial institutions for the purposes of sections 401-407 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (12 U.S.C. 4401-4407), or the Board's Regulation EE (12 CFR Part 231).

(2) *Measure for market risk.* Calculate the measure for market risk, which equals the sum of the VAR-based capital charge, the specific risk add-on (if any), and the capital charge for de minimis exposures (if any).

(i) *VAR-based capital charge.* The VAR-based capital charge equals the higher of:

(A) The previous day's VAR measure; or
(B) The average of the daily VAR measures for each of the preceding 60 business days multiplied by three, except as provided in section 4(e) of this appendix;

(ii) *Specific risk add-on.* The specific risk add-on is calculated in accordance with section 5 of this appendix; and

(iii) *Capital charge for de minimis exposure.* The capital charge for de minimis exposure is calculated in accordance with section 4(a) of this appendix.

(3) *Market risk equivalent assets.* Calculate market risk equivalent assets by multiplying the measure for market risk (as calculated in paragraph (a)(2) of this section) by 12.5.

(4) *Denominator calculation.* Add market risk equivalent assets (as calculated in paragraph (a)(3) of this section) to adjusted risk-weighted assets (as calculated in paragraph (a)(1) of this section). The resulting sum is the bank's risk-based capital ratio denominator.

(b) *Risk-based capital ratio numerator.* A bank subject to this appendix shall calculate its risk-based capital ratio numerator by allocating capital as follows:

(1) *Credit risk allocation.* Allocate Tier 1 and Tier 2 capital equal to 8.0 percent of adjusted risk-weighted assets (as calculated in paragraph (a)(1) of this section).⁸

(2) *Market risk allocation.* Allocate Tier 1, Tier 2, and Tier 3 capital equal to the measure for market risk as calculated in paragraph (a)(2) of this section. The sum of Tier 2 and Tier 3 capital allocated for market risk must not exceed 250 percent of Tier 1 capital allocated for market risk. (This requirement means that Tier 1 capital allocated in this paragraph (b)(2) must equal at least 28.6 percent of the measure for market risk.)

(3) *Restrictions.* (i) The sum of Tier 2 capital (both allocated and excess) and Tier 3 capital (allocated in paragraph (b)(2) of this section)

⁸A bank may not allocate Tier 3 capital to support credit risk (as calculated under appendix A of this part).

may not exceed 100 percent of Tier 1 capital (both allocated and excess).⁹

(ii) Term subordinated debt (and intermediate-term preferred stock and related surplus) included in Tier 2 capital (both allocated and excess) may not exceed 50 percent of Tier 1 capital (both allocated and excess).

(4) *Numerator calculation.* Add Tier 1 capital (both allocated and excess), Tier 2 capital (both allocated and excess), and Tier 3 capital (allocated under paragraph (b)(2) of this section). The resulting sum is the bank's risk-based capital ratio numerator.

Section 4. Internal Models

(a) *General.* For risk-based capital purposes, a bank subject to this appendix must use its internal model to measure its daily VAR, in accordance with the requirements of this section.¹⁰ The FDIC may permit a bank to use alternative techniques to measure the market risk of de minimis exposures so long as the techniques adequately measure associated market risk.

(b) *Qualitative requirements.* A bank subject to this appendix must have a risk management system that meets the following minimum qualitative requirements:

(1) The bank must have a risk control unit that reports directly to senior management and is independent from business trading units.

(2) The bank's internal risk measurement model must be integrated into the daily management process.

(3) The bank's policies and procedures must identify, and the bank must conduct, appropriate stress tests and backtests.¹¹ The

⁹Excess Tier 1 capital means Tier 1 capital that has not been allocated in paragraphs (b)(1) and (b)(2) of this section. Excess Tier 2 capital means Tier 2 capital that has not been allocated in paragraph (b)(1) and (b)(2) of this section, subject to the restrictions in paragraph (b)(3) of this section.

¹⁰A bank's internal model may use any generally accepted measurement techniques, such as variance-covariance models, historical simulations, or Monte Carlo simulations. However, the level of sophistication and accuracy of a bank's internal model must be commensurate with the nature and size of its covered positions. A bank that modifies its existing modeling procedures to comply with the requirements of this appendix for risk-based capital purposes should, nonetheless, continue to use the internal model it considers most appropriate in evaluating risks for other purposes.

¹¹Stress tests provide information about the impact of adverse market events on a bank's covered positions. Backtests provide information about the accuracy of an internal model by comparing a bank's daily VAR

Continued

bank’s policies and procedures must identify the procedures to follow in response to the results of such tests.

(4) The bank must conduct independent reviews of its risk measurement and risk management systems at least annually.

(c) *Market risk factors.* The bank’s internal model must use risk factors sufficient to measure the market risk inherent in all covered positions. The risk factors must address interest rate risk,¹² equity price risk, foreign exchange rate risk, and commodity price risk.

(d) *Quantitative requirements.* For regulatory capital purposes, VAR measures must meet the following quantitative requirements:

(1) The VAR measures must be calculated on a daily basis using a 99 percent, one-tailed confidence level with a price shock equivalent to a ten-business day movement in rates and prices. In order to calculate VAR measures based on a ten-day price shock, the bank may either calculate ten-day figures directly or convert VAR figures based on holding periods other than ten days to the equivalent of a ten-day holding period (for instance, by multiplying a one-day VAR measure by the square root of ten).

(2) The VAR measures must be based on an historical observation period (or effective observation period for a bank using a weighting scheme or other similar method) of at least one year. The bank must update data sets at least once every three months or more frequently as market conditions warrant.

(3) The VAR measures must include the risks arising from the non-linear price characteristics of options positions and the sensitivity of the market value of the positions to changes in the volatility of the underlying rates or prices. A bank with a large or complex options portfolio must measure the volatility of options positions by different maturities.

(4) The VAR measures may incorporate empirical correlations within and across risk categories, provided that the bank’s process for measuring correlations is sound. In the event that the VAR measures do not incorporate empirical correlations across risk categories, then the bank must add the separate VAR measures for the four major risk categories to determine its aggregate VAR measure.

measures to its corresponding daily trading profits and losses.

¹²For material exposures in the major currencies and markets, modeling techniques must capture spread risk and must incorporate enough segments of the yield curve—at least six—to capture differences in volatility and less than perfect correlation of rates along the yield curve.

(e) *Backtesting.* (1) Beginning one year after a bank starts to comply with this appendix, a bank must conduct backtesting by comparing each of its most recent 250 business days’ actual net trading profit or loss¹³ with the corresponding daily VAR measures generated for internal risk measurement purposes and calibrated to a one-day holding period and a 99 percent, one-tailed confidence level.

(2) Once each quarter, the bank must identify the number of exceptions, that is, the number of business days for which the magnitude of the actual daily net trading loss, if any, exceeds the corresponding daily VAR measure.

(3) A bank must use the multiplication factor indicated in Table 1 of this appendix in determining its capital charge for market risk under section 3(a)(2)(i)(B) of this appendix until it obtains the next quarter’s backtesting results, unless the FDIC determines that a different adjustment or other action is appropriate.

TABLE 1—MULTIPLICATION FACTOR BASED ON RESULTS OF BACKTESTING

Number of exceptions	Multiplication factor
4 or fewer	3.00
5	3.40
6	3.50
7	3.65
8	3.75
9	3.85
10 or more	4.00

Section 5. Specific Risk

(a) *Modeled specific risk.* A bank may use its internal model to measure specific risk. If the bank has demonstrated to the FDIC that its internal model measures the specific risk, including event and default risk as well as idiosyncratic variation, of covered debt and equity positions and includes the specific risk measure in the VAR-based capital charge in section 3(a)(2)(i) of this appendix, then the bank has no specific risk add-on for purposes of section 3(a)(2)(ii) of this appendix. The model should explain the historical price variation in the trading portfolio and capture concentration, both magnitude and changes in composition. The model should also be robust to an adverse environment and have been validated through backtesting which assesses whether specific risk is being accurately captured.

¹³Actual net trading profits and losses typically include such things as realized and unrealized gains and losses on portfolio positions as well as fee income and commissions associated with trading activities.

(b) *Add-on charge for modeled specific risk.* A bank that incorporates specific risk in its internal model but fails to demonstrate to the FDIC that its internal model adequately measures all aspects of specific risk for covered debt and equity positions, including event and default risk, as provided by section 5(a) of this appendix, must calculate the bank's specific risk add-on for purposes of section 3(a)(2)(ii) of this appendix as follows:

(1) If the model is capable of valid separation of the VAR measure into a specific risk portion and a general market risk portion, then the specific risk add-on is equal to the previous day's specific risk portion.

(2) If the model does not separate the VAR measure into a specific risk portion and a general market risk portion, then the specific risk add-on is the sum of the previous day's VAR measures for subportfolios of covered debt and equity positions.

(c) *Add-on charge if specific risk is not modeled.* If a bank does not model specific risk in accordance with paragraph (a) or (b) of this section, the bank's specific risk add-on charge for purposes of section 3(a)(2)(ii) of this appendix equals the sum of the components for covered debt and equity positions. If a bank models, in accordance with paragraph (a) or (b) of this section, the specific risk of covered debt positions but not covered equity positions (or vice versa), then the bank's specific risk add-on charge for the positions not modeled is the component for covered debt or equity positions as appropriate:

(1) *Covered debt positions.* (i) For purposes of this section 5, covered debt positions means fixed-rate or floating-rate debt instruments located in the trading account and instruments located in the trading account with values that react primarily to changes in interest rates, including certain non-convertible preferred stock, convertible bonds, and instruments subject to repurchase and lending agreements. Also included are derivatives (including written and purchased options) for which the underlying instrument is a covered debt instrument that is subject to a non-zero specific risk capital charge.

(A) For covered debt positions that are derivatives, a bank must risk-weight (as described in paragraph (c)(1)(iii) of this section) the market value of the effective notional amount of the underlying debt instrument or index portfolio. Swaps must be included as the notional position in the underlying debt instrument or index portfolio, with a receiving side treated as a long position and a paying side treated as a short position; and

(B) For covered debt positions that are options, whether long or short, a bank must risk-weight (as described in paragraph (c)(1)(iii) of this section) the market value of the effective notional amount of the under-

lying debt instrument or index multiplied by the option's delta.

(ii) A bank may net long and short covered debt positions (including derivatives) in identical debt issues or indices.

(iii) A bank must multiply the absolute value of the current market value of each net long or short covered debt position by the appropriate specific risk weighting factor indicated in Table 2 of this appendix. The specific risk capital charge component for covered debt positions is the sum of the weighted values.

TABLE 2—SPECIFIC RISK WEIGHTING FACTORS FOR COVERED DEBT POSITIONS

Category	Remaining maturity (contractual)	Weighting factor (in percent)
Government	N/A	0.00
Qualifying	6 months or less ..	0.25
	Over 6 months to 24 months.	1.00
	Over 24 months ...	1.60
Other	N/A	8.00

(A) The *government* category includes all debt instruments of central governments of OECD-based countries¹⁴ including bonds, Treasury bills, and other short-term instruments, as well as local currency instruments of non-OECD central governments to the extent the bank has liabilities booked in that currency.

(B) The *qualifying* category includes debt instruments of U.S. government-sponsored agencies, general obligation debt instruments issued by states and other political subdivisions of OECD-based countries, multilateral development banks, and debt instruments issued by U.S. depository institutions or OECD-banks that do not qualify as capital of the issuing institution.¹⁵ This category also includes other debt instruments, including corporate debt and revenue instruments issued by states and other political subdivisions of OECD countries, that are:

(1) Rated investment-grade by at least two nationally recognized credit rating services;

(2) Rated investment-grade by one nationally recognized credit rating agency and not rated less than investment-grade by any other credit rating agency; or

(3) Unrated, but deemed to be of comparable investment quality by the reporting bank and the issuer has instruments listed on a recognized stock exchange, subject to review by the FDIC.

¹⁴Organization for Economic Cooperation and Development (OECD)-based countries is defined in appendix A of this part.

¹⁵U.S. government-sponsored agencies, multilateral development banks, and OECD banks are defined in appendix A of this part.

(C) The *other* category includes debt instruments that are not included in the government or qualifying categories.

(2) *Covered equity positions.* (i) For purposes of this section 5, covered equity positions means equity instruments located in the trading account and instruments located in the trading account with values that react primarily to changes in equity prices, including voting or non-voting common stock, certain convertible bonds, and commitments to buy or sell equity instruments. Also included are derivatives (including written and purchased options) for which the underlying is a covered equity position.

(A) For covered equity positions that are derivatives, a bank must risk weight (as described in paragraph (c)(2)(iii) of this section) the market value of the effective notional amount of the underlying equity instrument or equity portfolio. Swaps must be included as the notional position in the underlying equity instrument or index portfolio, with a receiving side treated as a long position and a paying side treated as a short position; and

(B) For covered equity positions that are options, whether long or short, a bank must risk weight (as described in paragraph (c)(2)(iii) of this section) the market value of the effective notional amount of the underlying equity instrument or index multiplied by the option's delta.

(ii) A bank may net long and short covered equity positions (including derivatives) in identical equity issues or equity indices in the same market.¹⁶

(iii)(A) A bank must multiply the absolute value of the current market value of each net long or short covered equity position by a risk weighting factor of 8.0 percent, or by 4.0 percent if the equity is held in a portfolio that is both liquid and well-diversified.¹⁷ For covered equity positions that are index contracts comprising a well-diversified portfolio

¹⁶ A bank may also net positions in depository receipts against an opposite position in the underlying equity or identical equity in different markets, provided that the bank includes the costs of conversion.

¹⁷ A portfolio is liquid and well-diversified if: (1) it is characterized by a limited sensitivity to price changes of any single equity issue or closely related group of equity issues held in the portfolio; (2) the volatility of the portfolio's value is not dominated by the volatility of any individual equity issue or by equity issues from any single industry or economic sector; (3) it contains a large number of individual equity positions, with no single position representing a substantial portion of the portfolio's total market value; and (4) it consists mainly of issues traded on organized exchanges or in well-established over-the-counter markets.

of equity instruments, the net long or short position is multiplied by a risk weighting factor of 2.0 percent.

(B) For covered equity positions from the following futures-related arbitrage strategies, a bank may apply a 2.0 percent risk weighting factor to one side (long or short) of each position with the opposite side exempt from charge, subject to review by the FDIC:

(1) Long and short positions in exactly the same index at different dates or in different market centers; or

(2) Long and short positions in index contracts at the same date in different but similar indices.

(C) For futures contracts on broadly-based indices that are matched by offsetting positions in a basket of stocks comprising the index, a bank may apply a 2.0 percent risk weighting factor to the futures and stock basket positions (long and short), provided that such trades are deliberately entered into and separately controlled, and that the basket of stocks comprises at least 90 percent of the capitalization of the index.

(iv) The specific risk capital charge component for covered equity positions is the sum of the weighted values.

(a) *Scope.* This part 327 applies to any insured depository institution, including any insured branch of a foreign bank.

(b) *Purpose.* (1) Except as specified in paragraph (b)(2) of this section, this part 327 sets forth the rules for:

(i) The time and manner of filing certified statements by insured depository institutions;

(ii) The time and manner of payment of the semiannual assessments by such institutions; and

(iii) The payment of assessments by depository institutions whose insured status has terminated.

(2) Deductions from the assessment base of an insured branch of a foreign bank are stated in subpart B of part 347 of this chapter.

[54 FR 51374, Dec. 15, 1989, as amended at 63 FR 17075, Apr. 8, 1998]

§ 327.2 Certified statements.

(a) *Required.* Each insured depository institution shall file a certified statement during each semiannual period.

(b) *Time of filing.* Certified statements for any semiannual period must be filed no later than the second-quarterly payment date specified in § 327.3(d)(2). Certified statements postmarked on or before such date are deemed to be timely filed.

(c) *Form.* The Corporation will provide to each insured depository institution a certified statement form showing the amount and computation of the institution’s semiannual assessment. The president of the insured depository institution, or such other officer as the institution’s board of directors or trustees may designate, shall review the information shown on the form.

(d) *Certification—(1) Form accepted.* If such officer agrees that to the best of his or her knowledge and belief the information shown on the certified statement form is true, correct and complete and in accordance with the Federal Deposit Insurance Act and the regulations issued thereunder, the officer shall so certify.

(2) *Form amended—(i) In general.* If such officer determines that to the best of his or her knowledge and belief the information shown on the certified statement form is not true, correct and complete and in accordance with the Federal Deposit Insurance Act and the regulations issued thereunder, the officer shall make such amendments to the information as he or she believes necessary. The officer shall certify that to the best of his or her knowledge and belief the information shown on the form, as so amended, is true, correct and complete and in accordance with the Federal Deposit Insurance Act and the regulations issued thereunder.

(ii) *Request for revision.* The certification and filing of an amended form under paragraph (d)(2) of this section does not constitute a request for revision by the Corporation of the information shown on the form. Any such request to the Corporation for revision of the information shown on the form shall be submitted separately from the certified statement and in accordance with the provisions of § 327.3(h).

(iii) *Rate multiplier.* The rate multiplier shown on the certified statement form shall be amended only if it is inconsistent with the assessment risk classification assigned to the institution in writing by the Corporation for the current semiannual period pursuant to § 327.4(a). Agreement with the rate multiplier shall not be deemed to constitute agreement with the assessment risk classification assigned.

§ 327.3

12 CFR Ch. III (1-1-03 Edition)

§ 327.3 Payment of semiannual assessments.

(a) *Required*—(1) *In general.* Except as provided in paragraph (b) of this section, each insured depository institution shall pay to the Corporation, in two quarterly payments, a semiannual assessment determined in accordance with this part 327.

(2) *Notice of designated deposit account.* For the purpose of making such payments, each insured depository institution shall designate a deposit account for direct debit by the Corporation. No later than 30 days prior to the next payment date specified in paragraphs (c)(2) and (d)(2) of this section, each institution shall provide written notice to the Corporation of the account designated, including all information and authorizations needed by the Corporation for direct debit of the account. After the initial notice of the designated account, no further notice is required unless the institution designates a different account for assessment debit by the Corporation, in which case the requirements of the preceding sentence apply.

(b) *Newly insured institutions.* A newly insured institution shall not be required to pay an assessment for the semiannual period during which it becomes an insured institution. For the semiannual period following the period during which it becomes an insured institution, it shall pay its full semiannual assessment at the time and in the manner provided for in paragraph (d) of this section, in an amount that is the product of its assessment base for the prior semiannual period, as provided for in § 327.5(c), multiplied by one-half of the annual assessment rate corresponding to the assessment risk classification assigned to the institution pursuant to § 327.4(a). For the purpose of making such payment, the institution shall provide to the Corporation no later than the payment date specified in paragraph (d)(2) of this section the notice required by paragraph (a)(2) of this section.

(c) *First-quarterly payment*—(1) *Invoice.* Except in the case of invoices for the first quarterly payment for the first semiannual period of 1997, no later than 15 days prior to the payment date specified in paragraph (c)(2) of this sec-

tion, the Corporation will provide to each insured depository institution an invoice showing the amount of the assessment payment due from the institution for the first quarter of the upcoming semiannual period, and the computation of that amount. Subject to paragraph (g) of this section and to subpart B of this part, the invoiced amount shall be the product of the following: The assessment base of the institution for the preceding September 30 (for the semiannual period beginning January 1) or March 31 (for the semiannual period beginning July 1) computed in accordance with § 327.5; multiplied by one-quarter of the annual assessment rate corresponding to the assessment risk classification assigned to the institution pursuant to § 327.4(a).

(2) *Payment date and manner.* Except as provided in paragraphs (c)(3) and (j) of this section, the Corporation will cause the amount stated in the applicable invoice to be directly debited on the appropriate regular payment date from the deposit account designated by the insured depository institution for that purpose, as follows:

(i) In the case of the first quarterly payment for a semiannual period that begins on January 1, the regular payment date is January 2; and

(ii) In the case of the first quarterly payment for a semiannual period that begins on July 1, the regular payment date is the preceding June 30.

(3) *Alternate payment date*—(i) *Election.* An insured depository institution may elect to pay the first quarterly payment for a semiannual period that begins on January 1 of a current year on the alternate payment date. The alternate payment date is December 30 of the prior year.

(ii) *Certification.* (A) In order to elect the alternate payment date with respect to a current semiannual period, an institution must so certify in writing in advance. In order for the election to be effective with respect to the current semiannual period, the Corporation must receive the certification no later than the prior November 1.

(B) The certification shall be made on a pre-printed form provided by the Corporation. The form shall be signed

by the institution's chief financial officer or such other officer as the institution's board of directors may designate for that purpose. The form shall be sent to the attention of the Chief of the Assessment Operations Section of the Corporation's Division of Finance. An institution may obtain the form from the Corporation's Division of Finance.

(C) The election of the alternate payment date shall be effective with respect to the semiannual period specified in the certification and thereafter, until terminated.

(iii) *Termination.* (A) An insured depository institution may terminate its election of the alternate payment date, and thereby revert to the regular payment date, by so certifying in writing to the Corporation in advance. In order for the termination to be effective for a current semiannual period, the Corporation must receive the termination certification no later than the prior November 1.

(B) The termination certification shall be made on a pre-printed form provided by the Corporation. The form shall be signed by the institution's chief financial officer or such other officer as the institution's board of directors may designate for that purpose. The form shall be sent to the attention of the Chief of the Assessment Operations Section of the Corporation's Division of Finance. An institution may obtain the form from the Corporation's Division of Finance.

(C) The termination shall be permanent, except that an institution that has terminated an election may make a new election under paragraph (c)(3)(i) of this section.

(iv) *Manner of payment.* Except as provided in paragraph (j) of this section, if an insured depository institution elects the alternate payment date, the Corporation will cause the amount stated in the applicable invoice to be directly debited on the alternate payment date from the deposit account designated by the insured depository institution for that purpose.

(d) *Second-quarterly payment—(1) Invoice.* No later than 15 days prior to the payment date specified in paragraph (d)(2) of this section, the Corporation will provide to each insured depository institution an invoice showing the

amount of the assessment payment due from the institution for the second quarter of that semiannual period, and the computation of that amount. Subject to paragraph (g) of this section and to subpart B of this part, the invoiced amount shall be the product of the following: The assessment base of the institution for the preceding December 31 (for the semiannual period beginning January 1) or June 30 (for the semiannual period beginning July 1) computed in accordance with § 327.5; multiplied by one-quarter of the annual assessment rate corresponding to the assessment risk classification assigned to the institution pursuant to § 327.4(a).

(2) Except as provided in paragraph (j) of this section, the Corporation will cause the amount stated in the applicable invoice to be directly debited on the appropriate regular payment date from the deposit account designated by the insured depository institution for that purpose, as follows:

(i) In the case of the second quarterly payment for a semiannual period that begins on January 1, the regular payment date is March 30; and

(ii) In the case of the second quarterly payment for a semiannual period that begins on July 1, the regular payment date is September 30.

(e) *Necessary action, sufficient funding by institution.* Each insured depository institution shall take all actions necessary to allow the Corporation to debit assessments from the insured depository institution's designated deposit account. Each insured depository institution shall, prior to each payment date indicated in paragraphs (c)(2), (c)(3)(i), and (d)(2) of this section, ensure that funds in an amount at least equal to the invoiced amount (or twice the invoiced amount if the insured depository institution has elected the doubled-payment option pursuant to paragraph (j) of this section) are available in the designated account for direct debit by the Corporation. Failure to take any such action or to provide such funding of the account shall be deemed to constitute nonpayment of the assessment.

(f) *Business days.* If a payment date specified in paragraph (c)(2)(i) falls on a date that is not a business day, the applicable date shall be the following

business day. If a payment date specified in paragraph (c)(1), (c)(2)(ii), (c)(3)(i), or (d)(2) of this section falls on a date that is not a business day, the applicable date shall be the previous business day.

(g) *Payment adjustments in succeeding quarters.* The quarterly assessment invoices provided by the Corporation may reflect adjustments, initiated by the Corporation or an institution, resulting from such factors as amendments to prior quarterly reports of condition, retroactive revision of the institution's assessment risk classification, and revision of the Corporation's assessment computations for prior quarters.

(h) *Request for revision of computation of quarterly assessment payment—(1) In general.* An institution may submit a request for revision of the computation of the institution's quarterly assessment payment as shown on the quarterly invoice. Such revision may be requested in the following circumstances:

(i) The institution disagrees with the computation of the assessment base as stated on the invoice;

(ii) The institution determines that the rate multiplier applied by the Corporation is inconsistent with the assessment risk classification assigned to the institution in writing by the Corporation for the semiannual period for which the payment is due; or

(iii) The institution believes that the invoice does not fully or accurately reflect adjustments provided for in paragraph (g) of this section.

(2) *Inapplicability.* This paragraph (h) is not applicable to requests for review of an institution's assessment risk classification, which are covered by § 327.4(d).

(3) *Requirements.* Any such request for revision must be submitted within 60 days of the date of the quarterly assessment invoice for which revision is requested, except that requests for revision resulting from detection by the institution of an error or omission for which the institution files an amendment to its quarterly report of condition must be submitted within 60 days of the filing date of the amendment to the quarterly report of condition. The request for revision shall be submitted

to the Chief of the Assessment Operations Section and shall provide documentation sufficient to support the revision sought by the institution. If additional information is requested by the Corporation, such information shall be provided by the institution within 21 days of the date of the Corporation's request for additional information. Any institution submitting a timely request for revision will receive written response from the Corporation's Chief Financial Officer (or his or her designee) within 60 days of receipt by the Corporation of the request for revision or, if additional information has been requested by the Corporation, within 60 days of receipt of the additional information. Whenever feasible, the response will notify the institution of the determination of the Chief Financial Officer (or designee) as to whether the requested revision is warranted. In all instances in which a timely request for revision is submitted, the Chief Financial Officer (or designee) will make a determination on the request as promptly as possible and notify the institution in writing of the determination.

(i) *Assessment notice not received.* Any institution that has not received an assessment invoice for any quarterly payment by the fifteenth day of the month in which the quarterly payment is due shall promptly notify the Corporation. Failure to provide prompt notice to the Corporation shall not affect the institution's obligation to make full and timely assessment payment. Unless otherwise directed by the Corporation, the institution shall preliminarily pay the amount shown on its assessment invoice for the preceding quarter, subject to subsequent correction.

(j) *Doubled-payment option—(1) Election.* In the case of a quarterly payment to be made on March 30, on June 30, on September 30, or on the alternate payment date, an insured depository institution may elect to pay twice the amount of such quarterly payment.

(2) *Certification.* (i) In order to elect the doubled-payment option with respect to a selected payment date, an institution must so certify in writing to the Corporation in advance. In order

for the election to be effective, the Corporation must receive the certification by the following dates: in the case of a quarterly payment to be made on March 30, June 30, or September 30, the Corporation must receive the certification no later than the prior February 1, May 1, or August 1, respectively; in the case of a quarterly payment to be made on the alternate payment date, the Corporation must receive the certification by the prior November 1.

(ii) The certification shall be made on a pre-printed form provided by the Corporation. The form shall be signed by the institution's chief financial officer or such other officer as the institution's board of directors may designate for that purpose. The form shall be sent to the attention of the Chief of the Assessment Operations Section of the Corporation's Division of Finance. An institution may obtain the form from the Corporation's Division of Finance.

(iii) The election shall be effective with respect to the selected quarterly payment for the year specified in the certification and with respect to subsequent quarterly payments made on the selected payment date in subsequent years, until the election is terminated.

(3) *Termination.* (i) An insured depository institution may terminate its election of the doubled-payment option for a selected payment date by so certifying in writing to the Corporation in advance. In order for the termination to be effective, the Corporation must receive the termination certification by the following dates: In the case of a quarterly payment to be made on March 30, June 30, or September 30, the Corporation must receive the termination certification no later than the prior February 1, May 1, or August 1, respectively; in the case of a quarterly payment to be made on the alternate payment date, the Corporation must receive the termination certification by the prior November 1.

(ii) The termination certification shall be made on a pre-printed form provided by the Corporation. The form shall be signed by the institution's chief financial officer or such other officer as the institution's board of directors may designate for that purpose. The form shall be sent to the attention of the Chief of the Assessment Oper-

ations Section of the Corporation's Division of Finance. An institution may obtain the form from the Corporation's Division of Finance.

(iii) The termination shall be permanent, except that an institution that has terminated its election of the doubled-payment option for a selected payment date may make a new election.

(4) *Manner of payment.* If an insured depository institution elects the doubled-payment option for a selected payment date, the Corporation will cause an amount equal to twice the amount stated in the applicable invoice to be directly debited on the selected payment date from the deposit account designated by the insured depository institution for that purpose.

§ 327.4 Annual assessment rate.

(a) *Assessment risk classification.* For the purpose of determining the annual assessment rate for insured depository institutions under § 327.9, each insured depository institution will be assigned an "assessment risk classification". Notice of the assessment risk classification applicable to a particular semiannual period will be provided to the institution with the first-quarterly invoice provided pursuant to § 327.3(c)(1). Each institution's assessment risk classification, which will be composed of a group and a subgroup assignment, will be based on the following capital and supervisory factors:

(1) *Capital factors.* Institutions will be assigned to one of the following three capital groups on the basis of data reported in the institution's Consolidated Reports of Condition and Income, Report of Assets and Liabilities of U.S. Branches and Agencies of Foreign Banks, or Thrift Financial Report dated as of March 31 for the assessment period beginning the following July and as of September 30 for the assessment period beginning the following January 1.

(i) *Well capitalized.* For assessment risk classification purposes, the short-form designation for this group is "1".

(A) Except as provided in paragraph (a)(1)(i)(B) of this section, this group consists of institutions satisfying each

§ 327.4

of the following capital ratio standards: Total risk-based ratio, 10.0 percent or greater; Tier 1 risk-based ratio, 6.0 percent or greater; and Tier 1 leverage ratio, 5.0 or greater. New insured depository institutions coming into existence after the report date specified in paragraph (a)(1) of this section will be included in this group for the first semiannual period for which they are required to pay assessments. For the purpose of computing the ratios referred to in this paragraph (a)(1)(i)(A) for the second semiannual period of 1997, each such ratio shall be computed for an institution as if the institution had retained the funds that the institution disbursed in payment of the special assessment prescribed by § 329.41(a).

(B) For purposes of assessment risk classification, an insured branch of a foreign bank will be deemed to be "well capitalized" if the insured branch:

(1) Maintains the pledge of assets required under § 347.210 of this chapter; and

(2) Maintains the eligible assets prescribed under § 347.211 of this chapter at 108 percent or more of the average book value of the insured branch's third-party liabilities for the quarter ending on the report date specified in paragraph (a)(1) of this section.

(i) *Adequately capitalized.* For assessment risk classification purposes, the short-form designation for this group is "2".

(A) Except as provided in paragraph (a)(1)(ii)(B) of this section, this group consists of institutions that do not satisfy the standards of "well capitalized" under this paragraph but which satisfy each of the following capital ratio standards: Total risk-based ratio, 8.0 percent or greater; Tier 1 risk-based ratio, 4.0 percent or greater; and Tier 1 leverage ratio, 4.0 percent or greater. For the purpose of computing the ratios referred to in this paragraph (a)(1)(ii)(A) for the second semiannual period of 1997, each such ratio shall be computed for an institution as if the institution had retained the funds that the institution disbursed in payment of the special assessment prescribed by § 327.41(a).

(B) For purposes of assessment risk classification, an insured branch of a

12 CFR Ch. III (1-1-03 Edition)

foreign bank will be deemed to be "adequately capitalized" if the insured branch:

(1) Maintains the pledge of assets required under § 347.210 of this chapter; and

(2) Maintains the eligible assets prescribed under § 347.211 of this chapter at 106 percent or more of the average book value of the insured branch's third-party liabilities for the quarter ending on the report date specified in paragraph (a)(1) of this section; and

(3) Does not meet the definition of a well capitalized insured branch of a foreign bank.

(iii) *Undercapitalized.* For assessment risk classification purposes, the short-form designation for this group is "3". This group consists of institutions that do not qualify as either "well capitalized" or "adequately capitalized" under paragraphs (a)(1) (i) and (ii) of this section.

(2) *Supervisory risk factors.* Within its capital group, each institution will be assigned to one of three subgroups based on the Corporation's consideration of supervisory evaluations provided by the institution's primary federal regulator. The supervisory evaluations include the results of examination findings by the primary federal regulator, as well as other information the primary federal regulator determines to be relevant. In addition, the Corporation will take into consideration such other information (such as state examination findings, if appropriate) as it determines to be relevant to the institution's financial condition and the risk posed to the BIF or SAIF. Authority to set dates applicable to the determination of supervisory subgroup assignments is delegated to the Corporation's Director of the Division of Supervision and Consumer Protection (DSC) (or his or her designee). The three supervisory subgroups are:

(i) *Subgroup "A".* This subgroup consists of financially sound institutions with only a few minor weaknesses;

(ii) *Subgroup "B".* This subgroup consists of institutions that demonstrate weaknesses which, if not corrected, could result in significant deterioration of the institution and increased risk of loss to the BIF or SAIF; and

(iii) *Subgroup “C”*. This subgroup consists of institutions that pose a substantial probability of loss to the BIF or SAIF unless effective corrective action is taken.

(b) *Payment of assessment at rate assigned*. Institutions shall make timely payment of assessments based on the assessment risk classification assigned in the notice provided to the institution pursuant to paragraph (a) of this section. Timely payment is required notwithstanding any request for review filed pursuant to paragraph (d) of this section. An institution for which the assessment risk classification cannot be determined prior to an invoice date specified in §327.3(c)(1) or (d)(1) shall preliminarily pay on that invoice at the assessment rate applicable to the classification designated “2A” in the appropriate rate schedule set forth in §327.9. If such institution is subsequently assigned for that semiannual period an assessment risk classification other than that designated as “2A”, or if the classification assigned to an institution in the notice is subsequently changed, any excess assessment paid by the institution will be credited by the Corporation, with interest, and any additional assessment owed shall be paid by the institution, with interest, in the next quarterly assessment payment after such subsequent assignment or change. Interest payable under this paragraph shall be determined in accordance with §327.7.

(c) *Classification for certain types of institutions*. The annual assessment rate applicable to institutions that are bridge banks under 12 U.S.C. 1821(n) and to institutions for which the Corporation has been appointed or serves as conservator shall in all cases be the rate applicable to the classification designated as “2A” in the appropriate assessment schedule prescribed pursuant to §327.9.

(d) *Requests for review*. An institution may submit a written request for review of its assessment risk classification. Any such request must be submitted within 90 days of the date of the assessment risk classification notice provided by the Corporation pursuant to paragraph (a) of this section. The request shall be submitted to the Corporation’s Director of the Division of

Insurance and Research in Washington, D.C., and shall include documentation sufficient to support the reclassification sought by the institution. If additional information is requested by the Corporation, such information shall be provided by the institution within 21 days of the date of the request for additional information. Any institution submitting a timely request for review will receive written notice from the Corporation regarding the outcome of its request. Upon completion of a review, the Director of the Division of Insurance and Research (or designee) or the Director of the Division of Supervision and Consumer Protection (DSC) (or designee), as appropriate, shall promptly notify the institution in writing of his or her determination of whether reclassification is warranted. Notice of the procedures applicable to reviews will be included with the assessment risk classification notice to be provided pursuant to paragraph (a) of this section.

(e) *Disclosure restrictions*. The supervisory subgroup to which an institution is assigned by the Corporation pursuant to paragraph (a) of this section is deemed to be exempt information within the scope of §309.5(g)(8) of this chapter and, accordingly, is governed by the disclosure restrictions set out at §309.6 of this chapter.

(f) *Limited use of assessment risk classification*. The assignment of a particular assessment risk classification to a depository institution under this part 327 is for purposes of implementing and operating a risk-based assessment system. Unless permitted by the Corporation or otherwise required by law, no institution may state in any advertisement or promotional material the assessment risk classification assigned to it pursuant to this part.

(g) *Lifeline accounts*. Notwithstanding any other provision of this part 327, the portion of an institution’s assessment base that is attributable to deposits in lifeline accounts pursuant to the Bank Enterprise Act, 12 U.S.C. 1834, will be assessed at such rate as may be established by the Corporation pursuant to 12 U.S.C. 1834 and section 7(b)(2)(H) of

§ 327.5

§ 327.5 Assessment base.

(a) *Computation of assessment base.* Except as provided in paragraph (c) of this section, the assessment base of an insured depository institution for any date on which the institution is required to file a quarterly report of condition shall be computed by:

(1) Adding—

(i) All demand deposits—

(A) That the institution reported as such in the quarterly report of condition for that date;

(B) That belong to subsidiaries of the institution and were eliminated in consolidation;

(C) That are held in any insured branches of the institution that are located in the territories and possessions of the United States;

(D) That represent any uninvested trust funds required to be separately stated in the quarterly report for that date;

(E) That represent any unposted credits to demand deposits, as determined in accordance with the provisions of paragraph (b)(1) of this section; and

(ii) All time and savings deposits, together with all interest accrued and unpaid thereon—

(A) That the institution reported as such in the quarterly report of condition for that date;

(B) That belong to subsidiaries of the institution and were eliminated in consolidation;

(C) That are held in any insured branches of the institution that are located in the territories and possessions of the United States;

(D) That represent any unposted credits to time and savings deposits, as determined in accordance with the provisions of paragraph (b)(1) of this section; then

(2) Subtracting, in the case of any institution that maintains such records as will readily permit verification of the correctness of its assessment base—

(i) Any unposted debits;

(ii) Any pass-through reserve balances;

(iii) 16 $\frac{2}{3}$ percent of the amount computed by subtracting, from the amount specified in paragraph (a)(1)(i) of this section, the sum of:

(A) Unposted debits allocated to demand deposits pursuant to the provisions of paragraph (b)(2) of this section; plus

(B) Pass-through reserve balances representing demand deposits;

(iv) 1 percent of the amount computed by subtracting, from the amount specified in paragraph (a)(1)(ii) of this section, the sum of:

(A) Unposted debits allocated to time and savings deposits pursuant to the provisions of paragraph (b)(2) of this section; plus

(B) Pass-through reserve balances representing time and savings deposits;

(v) Liabilities arising from a depository institution investment contract that are not treated as insured deposits under section 11(a)(8) of the Federal Deposit Insurance Act (12 U.S.C. 1821(a)(8)).

(b) *Methods of reporting unposted credits and unposted debits*—(1) *Unposted credits.* Each insured depository institution shall report unposted credits in quarterly reports of condition for addition to the assessment base in the following manner:

(i) If the institution's records show the total actual amount of unposted credits segregated into demand deposits and time and savings deposits, the institution must report the segregated amounts for addition to demand deposits and time and savings deposits, respectively.

(ii) If the institution's records show the total actual amount of unposted credits but do not segregate the amount as stated in paragraph (b)(1)(i) of this section, the institution must report the total actual amount of the unposted credits for addition to time and savings deposits.

(2) *Unposted debits.* Unposted debits may be reported in the same manner as stated in paragraph (b)(1) of this section for deduction from the assessment base, except that unsegregated amounts may be reported for deduction only from demand deposits.

(c) *Newly insured institutions.* In the case of a newly insured institution, the assessment base for the last date for which insured depository institutions are required to file quarterly reports of condition within the semiannual period in which the newly insured institution became an insured institution shall be deemed to be its assessment base for that semiannual period. If the institution has not filed such a report by the due date for such reports from insured depository institutions, it shall promptly provide to the Corporation such information as the Corporation may require to prepare the certified statement form for the institution for the current semiannual period.

[59 FR 67163, Dec. 29, 1994]

§ 327.6 Terminating transfers; other terminations of insurance.

(a) *Terminating transfer*—(1) *Assessment base computation.* If a terminating transfer occurs at any time in the second half of a semiannual period, each surviving institution's assessment base (as computed pursuant to § 327.5) for the first half of that semiannual period shall be increased by an amount equal to such institution's pro rata share of the terminating institution's assessment base for such first half.

(2) *Pro rata share.* For purposes of paragraph (a)(1) of this section, the phrase *pro rata share* means a fraction the numerator of which is the deposits assumed by the surviving institution from the terminating institution during the second half of the semiannual period during which the terminating transfer occurs, and the denominator of which is the total deposits of the terminating institution as required to be reported in the quarterly report of condition for the first half of that semiannual period.

(3) *Other assessment-base adjustments.* The Corporation may in its discretion make such adjustments to the assessment base of an institution participating in a terminating transfer, or in a related transaction, as may be necessary properly to reflect the likely amount of the loss presented by the institution to its insurance fund.

(4) *Limitation on aggregate adjustments.* The total amount by which the Corporation may increase the assess-

ment bases of surviving or other institutions under this paragraph (a) shall not exceed, in the aggregate, the terminating institution's assessment base as reported in its quarterly report of condition for the first half of the semiannual period during which the terminating transfer occurs.

(b) *Other terminations.* When the insured status of an institution is terminated, and the deposit liabilities of such institution are not assumed by another insured depository institution—

(1) *Payment of assessments; certified statements.* The terminating depository institution shall continue to file certified statements and pay assessments for the period its deposits are insured. Such terminating institution shall not be required to file further certified statements or to pay further assessments after the depository institution has paid in full its deposit liabilities and the assessment to the Corporation required to be paid for the semiannual period in which its deposit liabilities are paid in full, and after it, under applicable law, has ceased to have authority to transact a banking business and to have existence, except for the purpose of, and to the extent permitted by law for, winding up its affairs.

(2) *Payment of deposits; certification to Corporation.* When the deposit liabilities of the depository institution have been paid in full, the depository institution shall certify to the Corporation that the deposit liabilities have been paid in full and give the date of the final payment. When the depository institution has unclaimed deposits, the certification shall further state the amount of the unclaimed deposits and the disposition made of the funds to be held to meet the claims. For assessment purposes, the following will be considered as payment of the unclaimed deposits:

(i) The transfer of cash funds in an amount sufficient to pay the unclaimed and unpaid deposits to the public official authorized by law to receive the same; or

(ii) If no law provides for the transfer of funds to a public official, the transfer of cash funds or compensatory assets to an insured depository institution in an amount sufficient to pay the

§ 327.7

unclaimed and unpaid deposits in consideration for the assumption of the deposit obligations by the insured depository institution.

(3) *Notice to depositors.* (i) The terminating depository institution shall give sufficient advance notice of the intended transfer to the owners of the unclaimed deposits to enable the depositors to obtain their deposits prior to the transfer. The notice shall be mailed to each depositor and shall be published in a local newspaper of general circulation. The notice shall advise the depositors of the liquidation of the depository institution, request them to call for and accept payment of their deposits, and state the disposition to be made of their deposits if they fail to promptly claim the deposits.

(ii) If the unclaimed and unpaid deposits are disposed of as provided in paragraph (b)(2)(i) of this section, a certified copy of the public official's receipt issued for the funds shall be furnished to the Corporation.

(iii) If the unclaimed and unpaid deposits are disposed of as provided in paragraph (b)(2)(ii) of this section, an affidavit of the publication and of the mailing of the notice to the depositors, together with a copy of the notice and a certified copy of the contract of assumption, shall be furnished to the Corporation.

(4) *Notice to Corporation.* The terminating depository institution shall advise the Corporation of the date on which the authority or right of the depository institution to do a banking business has terminated and the method whereby the termination has been effected (*i.e.*, whether the termination has been effected by the surrender of the charter, the cancellation of its authority or license to do a banking business by the supervisory authority, or otherwise).

(c) *Resumption of insured status before insurance of deposits ceases.* If a depository institution whose insured status has been terminated is permitted by the Corporation to continue or resume its status as an insured depository institution before the insurance of its deposits has ceased, the institution will be deemed, for assessment purposes, to continue as an insured depository in-

12 CFR Ch. III (1-1-03 Edition)

stitution and must thereafter furnish certified statements and pay assessments as though its insured status had not been terminated. The procedure for applying for the continuance or resumption of insured status is set forth in § 303.5 of this chapter.

§ 327.7 Payment of interest on assessment underpayments and overpayments.

(a) *Payment of interest—(1) Payment by institutions.* Each insured depository institution shall pay interest to the Corporation on any underpayment of the institution's assessment.

(2) *Payment by Corporation.* (i) The Corporation will pay interest on any overpayment by the institution of its assessment.

(ii) When an institution elects the alternate payment date pursuant to § 327.3(c)(3), or otherwise pays an amount due on a regular payment date before that date, the payment of the invoiced amount prior to the regular payment date shall not be regarded as an overpayment of an assessment.

(iii) When an institution elects the doubled-payment option pursuant to § 327.3(j), the payment of any amount in excess of the invoiced amount shall not be regarded as an overpayment of an assessment.

(3) *Accrual of interest.* (i) Interest on an amount owed to or by the Corporation for the underpayment or overpayment of an assessment shall accrue interest at the relevant interest rate.

(ii) Interest on an amount specified in paragraph (a)(3)(i) of this section shall begin to accrue on the day following the regular payment date, as provided for in § 327.3(c)(2) and (d)(2), for the amount so overpaid or underpaid, provided, however, that interest shall not begin to accrue on any overpayment until the day following the date such overpayment was received by the Corporation. Interest shall continue to accrue through the date on which the overpayment or underpayment (together with any interest thereon) is discharged.

Federal Deposit Insurance Corporation

§ 327.8

(iii) The relevant interest rate shall be redetermined for each quarterly assessment interval. A quarterly assessment interval begins on the day following a regular payment date, as specified in § 327.3(c)(2) and (d)(2), and ends on the immediately following regular payment date.

(b) *Rates after the first payment date in 1996.* (1) On and after January 3, 1996, the relevant interest rate for a quarterly assessment interval that includes the month of January, April, July, and October, respectively, is the coupon equivalent yield of the average discount rate set on the 3-month Treasury bill at the last auction held by the United States Treasury Department during the preceding December, March, June, and September, respectively.

(2) The relevant interest rate for a quarterly assessment interval will apply to any amounts overpaid or underpaid on the payment date (whether regular or alternate) immediately prior to the beginning of the quarterly assessment interval. The relevant interest rate will also apply to any amounts owed for previous overpayments or underpayments (including any interest thereon) that remain outstanding, after any adjustments to such overpayments or underpayments have been made thereon, at the end of the regular payment date immediately prior to the beginning of the quarterly assessment interval.

(c) *Rates prior to the first payment date in 1996.* Through January 3, 1996:

(1) The interest rate will be the United States Treasury Department's current value of funds rate which is issued under the Treasury Fiscal Requirements Manual (TFRM rate) and published in the FEDERAL REGISTER;

(2) The interest will be calculated based on the rate issued under the TFRM for each applicable period and compounded annually;

(3) For the initial year, the rate will be applied to the gross amount of the underpayment or overpayment; and

(4) For each additional year or portion thereof, the rate will be applied to the net amount of the underpayment or overpayment after that amount has

been reduced by the assessment credit, if any, for the year.

§ 327.8 Definitions.

For the purposes of this part 327:

(a) *Unposted credits and debits*—(1) *Unposted credit.* The term *unposted credit* means any deposit received in any office of a depository institution for deposit in any other office of the depository institution located in any State of the United States, the District of Columbia, Puerto Rico, Guam, American Samoa, the Northern Marianas Islands, or the Virgin Islands, except those which have been:

(i) Included in the total deposits in the quarterly report of condition; or

(ii) Offset in the quarterly report of condition by an equal amount of cash items in the institution's possession drawn on itself (on the same type of deposits as those offset) and not charged against deposit liabilities at the close of business on the date of the quarterly report of condition.

(2) *Unposted debit.* The term *unposted debit* means a cash item in the reporting institution's possession that is drawn on the institution and immediately chargeable, but not yet charged, against the institution's deposit liabilities at the close of business on the date of the quarterly report of condition. The following items are excluded:

(i) Cash items drawn on other depository institutions,

(ii) Overdrafts and nonsufficient fund (NSF) items,

(iii) Cash items returned unpaid to the last endorser for any reason, and

(iv) Drafts and warrants that are *payable at* or *payable through* the reporting institution for which there is no written authorization on file at the institution or State statute allowing the institution at its discretion to charge the items against the deposit accounts of the drawees.

(3) *Exclusion.* The above terms *unposted credit* and *unposted debit* do not include items which have been reflected in deposit accounts on the general ledger and in the quarterly report

of condition, even though they have not been credited or debited to individual deposit accounts.

(b) *Deposits*—(1) *Deposit*. The term *deposit* has the meaning specified in section 3(I) of the Federal Deposit Insurance Act. In particular, the term *deposit* includes any liability—without regard for whether the liability is a liability of an insured bank or of an insured savings association—that is of a kind which, had the liability been a liability of an insured bank immediately prior to the effective date of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989, would have constituted a deposit in such bank within the meaning of section 3(I) of the Federal Deposit Insurance Act as such section 3(I) was then in effect.

(2) *Demand deposits*. The term *demand deposits* refers to deposits specified in § 329.1(b) of this chapter, except that any reference to *bank* in such section shall be deemed to refer to *depository institution*.

(3) *Time and savings deposits*. The term *time and savings deposits* refers to any deposits other than demand deposits.

(4) *Exception*. (i) Deposits accumulated for the payment of personal loans, which represent actual loan payments received by the depository institution from borrowers and accumulated by the depository institution in hypothecated deposit accounts for payment of the loans at maturity, shall not be reported as deposits on the quarterly report of condition. The deposit amounts covered by the exception are to be deducted from the loan amounts for which these deposits have been accumulated and assigned or pledged to effectuate payment.

(ii) Time and savings deposits that are pledged as collateral to secure loans are not *deposits accumulated for the payment of personal loans* and are to be reported in the same manner as if they were not securing a loan.

(c) *Quarterly report of condition*. The term *quarterly report of condition* means a report required to be filed pursuant to section 7(a)(3) of the Federal Deposit Insurance Act.

(d) *Semiannual period*—(1) *In general*. The term *semiannual period* means a period beginning on January 1 of any cal-

endar year and ending on June 30 of the same year, or a period beginning on July 1 of any calendar year and ending on December 31 of the same year.

(2) *Current semiannual period*. The term *current semiannual period* means, with respect to a certified statement or an assessment, the semiannual period within which such certified statement is required to be filed or for which such assessment is required to be paid.

(3) *Prior semiannual period*. The term *prior semiannual period* means, with respect to a certified statement or an assessment, the semiannual period immediately prior to the current semiannual period.

(e) *Newly insured institution*. The term *newly insured institution* means an institution that became an insured depository institution during the semiannual period immediately prior to the period for which the certified statement is required: *Provided*, That the term *newly insured institution* does not include any institution that became an insured depository institution as a result of the operation of section 4(a)(2) of the Federal Deposit Insurance Act.

(f) *BIF; BIF member*—(1) *BIF*. The term *BIF* means the Bank Insurance Fund.

(2) *BIF member*. The term *BIF member* means a depository institution that is a member of the BIF.

(g) *SAIF; SAIF member*—(1) *SAIF*. The term *SAIF* means the Savings Association Insurance Fund.

(2) *SAIF member*. The term *SAIF member* means a depository institution that is a member of the SAIF.

(h) As used in § 327.6(a), the following terms are given the following meanings:

(1) *Surviving institution*. The term *surviving institution* means an insured depository institution that assumes some or all of the deposits of another insured depository institution in a terminating transfer.

(2) *Terminating institution*. The term *terminating institution* means an insured depository institution some or all of the deposits of which are assumed by another insured depository institution in a terminating transfer.

(3) *Terminating transfer*. The term *terminating transfer* means the assumption by one insured depository institution

Federal Deposit Insurance Corporation

§ 327.9

of another insured depository institution's liability for deposits, whether by way of merger, consolidation, or other statutory assumption, or pursuant to contract, when the terminating institution goes out of business or transfers all or substantially all its assets and liabilities to other institutions or otherwise ceases to be obliged to pay subsequent assessments by or at the end of the semiannual period during which such assumption of liability for deposits occurs. The term *terminating transfer* does not refer to the assumption of liability for deposits from the estate of a failed institution, or to a transaction in which the FDIC contributes its own resources in order to induce a surviving institution to assume liabilities of a terminating institution.

(i) [Reserved]

(j) *Primary fund.* The *primary fund* of an insured depository institution is the insurance fund of which the institution is a member.

(k) *Secondary fund.* The *secondary fund* of an insured depository institution is the insurance fund that is not the primary fund of the institution.

§ 327.9 Assessment schedules.

(a) *Base assessment schedules*—(1) *In general.* Subject to § 327.4(c) and subpart B of this part, the base annual assessment rate for an insured depository institution shall be the rate prescribed in the appropriate base assessment schedule set forth in paragraph (a)(2) of this section applicable to the assessment risk classification assigned by the Corporation under § 327.4(a) to that institution. Each base assessment schedule utilizes the group and subgroup designations specified in § 327.4(a). An institution shall pay assessments at the rate specified in the appropriate base assessment schedule except as provided in paragraph (b) of this section.

(2) *Assessment schedules*—(i) *Base rates for BIF members.* The following base assessment schedule applies with respect to assessments paid to the BIF by BIF members and by other institutions that are required to make payments to

the BIF pursuant to subpart B of this part:

BIF BASE ASSESSMENT SCHEDULE

Capital group	Supervisory subgroup		
	A	B	C
1	4	7	21
2	7	14	28
3	14	28	31

(ii) *Base rates for SAIF members.* The following base assessment schedule applies with respect to assessments paid to the SAIF by SAIF members and by other institutions that are required to make payments to the SAIF pursuant to subpart B of this part:

SAIF BASE ASSESSMENT SCHEDULE

Capital group	Supervisory subgroup		
	A	B	C
1	4	7	21
2	7	14	28
3	14	28	31

(b) *Adjusted assessment schedules*—(1) *In general.* Except as provided in paragraph (b)(3)(i) of this section, institutions shall pay semiannual assessments at the rates specified in this paragraph (b) whenever such rates have been prescribed by the Board.

(2) *Adjusted rates for BIF members.* The Board has adjusted the BIF Base Assessment Schedule by reducing each rate therein by 4 basis points for the first semiannual period of 1997 and thereafter. Accordingly, the following adjusted assessment schedule applies to BIF members:

BIF ADJUSTED ASSESSMENT SCHEDULE

Capital group	Supervisory subgroup		
	A	B	C
1	0	3	17
2	3	10	24
3	10	24	27

(3) *Adjusted rates for SAIF members*—(i) *In general.* The Board has adjusted the SAIF Base Assessment Schedule by reducing each rate therein by 4 basis points for the first semiannual period of 1997 and thereafter. Accordingly, except as provided in paragraph (b)(3)(ii) of this section, the following adjusted

§ 327.9

assessment schedule applies to SAIF members:

SAIF ADJUSTED ASSESSMENT SCHEDULE

Capital group	Supervisory subgroup		
	A	B	C
1	0	3	17
2	3	10	24
3	10	24	27

(ii) *Institutions exempt from the special assessment—(A) Rate schedule.* An institution that, pursuant to former § 327.43 (a) or (b) as in effect on November 27, 1996 (See 12 CFR 327.43 as revised January 1, 1997.), was exempt from the special assessment prescribed by 12 U.S.C. 1817 Note shall pay regular semiannual assessments to the SAIF from the first semiannual period of 1996 through the second semiannual period of 1999 according to the schedule of rates specified in former § 327.9(d)(1) as in effect for SAIF members on June 30, 1995 (See 12 CFR 327.9 as revised January 1, 1996.), as follows:

Capital group	Supervisory subgroup		
	A	B	C
1	23	26	29
2	26	29	30
3	29	30	31

(B) *Termination of special rate schedule.* An institution that makes a pro-rata payment of the special assessment shall cease to be subject to paragraph (b)(3)(ii)(A) of this section. The pro-rata payment must be equal to the following product: 16.7 percent of the amount the institution would have owed for the special assessment, multiplied by the number of full semiannual periods remaining between the date of the payment and December 31, 1999.

(c) *Rate adjustments; procedures—(1) Semiannual adjustments.* The Board may increase or decrease the BIF Base Assessment Schedule set forth in paragraph (a)(2)(i) of this section or the SAIF Base Assessment Schedule set forth in paragraph (a)(2)(ii) of this section up to a maximum increase of 5 basis points or a fraction thereof or a maximum decrease of 5 basis points or a fraction thereof (after aggregating increases and decreases), as the Board deems necessary to maintain the reserve ratio of an insurance fund at the

designated reserve ratio for that fund. Any such adjustment shall apply uniformly to each rate in the base assessment schedule. In no case may such adjustments result in an assessment rate that is mathematically less than zero or in a rate schedule for an insurance fund that, at any time, is more than 5 basis points above or below the base assessment schedule for that fund, nor may any one such adjustment constitute an increase or decrease of more than 5 basis points. The adjustment for any semiannual period for a fund shall be determined by:

(i) The amount of assessment revenue necessary to maintain the reserve ratio at the designated reserve ratio; and

(ii) The assessment schedule that would generate the amount of revenue in paragraph (c)(1)(i) of this section considering the risk profile of the institutions required to pay assessments to the fund.

(2) *Amount of revenue.* In determining the amount of assessment revenue in paragraph (c)(1)(i) of this section, the Board shall take into consideration the following:

(i) Expected operating expenses of the insurance fund;

(ii) Case resolution expenditures and income of the insurance fund;

(iii) The effect of assessments on the earnings and capital of the institutions paying assessments to the insurance fund; and

(iv) Any other factors the Board may deem appropriate.

(3) *Adjustment procedure.* Any adjustment adopted by the Board pursuant to this paragraph (c) will be adopted by rulemaking. Nevertheless, because the Corporation is generally required by statute to set assessment rates as necessary (and only to the extent necessary) to maintain or attain the target designated reserve ratio, and because the Corporation must do so in the face of constantly changing conditions, and because the purpose of the adjustment procedure is to permit the Corporation to act expeditiously and frequently to maintain or attain the designated reserve ratio in an environment of constant change, but within set parameters not exceeding 5 basis points, without the delays associated

Federal Deposit Insurance Corporation

§ 327.32

with full notice-and-comment rulemaking, the Corporation has determined that it is ordinarily impracticable, unnecessary and not in the public interest to follow the procedure for notice and public comment in such a rulemaking, and that accordingly notice and public procedure thereon are not required as provided in 5 U.S.C. 553(b). For the same reasons, the Corporation has determined that the requirement of a 30-day delayed effective date is not required under 5 U.S.C. 553(d). Any adjustment adopted by the Board pursuant to a rulemaking specified in this paragraph (c) will be reflected in an adjusted assessment schedule set forth in paragraph (b)(2) or (b)(3) of this section, as appropriate.

(4) *Announcement.* Except with respect to assessments for the first semiannual period of 1997, the Board shall announce the semiannual assessment schedule and the amount and basis for any adjustment thereto not later than 30 days before the invoice date specified in § 327.3(c) for the first quarter of the semiannual period for which the adjustment shall be effective.

(d) *Refunds or credits of certain assessments.* If the amount paid by an institution for the regular semiannual assessment for the second semiannual period of 1996 exceeds, as a result of the reduction in the rate schedule for a portion of that semiannual period, the amount due from the institution for that semiannual period, the Corporation will refund or credit any such excess payment and will provide interest on the excess payment in accordance with the provisions of § 327.7. Notwithstanding § 327.7(a)(3)(ii), such interest will accrue beginning as of October 1, 1996.

§ 327.32 Computation and payment of assessment.

(a) *Rate of assessment—*(1) *BIF and SAIF member rates.* (i) Except as provided in paragraph (a)(2) of this section, and consistent with the provisions of § 327.4, the assessment to be paid by an institution that is subject to this subpart B shall be computed at the rate applicable to institutions that are members of the primary fund of such institution. (ii) Such applicable rate shall be applied to the institution's assessment base less that portion of the assessment base which is equal to the institution's adjusted attributable deposit amount.

(2) *Rate applicable to the adjusted attributable deposit amount.* Notwithstanding paragraph (a)(1)(i) of this section, that portion of the assessment base of any acquiring, assuming, or resulting institution which is equal to the adjusted attributable deposit amount of such institution shall:

(i) Be subject to assessment at the assessment rate applicable to members of the secondary fund of such institution pursuant to subpart A of this part; and

(ii) Not be taken into account in computing the amount of any assessment to be allocated to the primary fund of such institution.

(3) *Adjusted attributable deposit amount.* An insured depository institution's "adjusted attributable deposit amount" for any semiannual period is equal to the sum of:

(i) The amount of any deposits acquired by the institution in connection with the transaction (as determined at the time of such transaction) described in § 327.31(a), but subject to the adjustment specified in paragraph (c) of this section;

(ii) The total of the amounts determined under paragraph (a)(3)(iii) of this section for semiannual periods preceding the semiannual period for which the determination is being made under this section; and

(iii) The amount by which the sum of the amounts described in paragraphs (a)(3)(i) and (a)(3)(ii) of this section would have increased during the preceding semiannual period (other than any semiannual period beginning before the date of such transaction) if such increase occurred at a rate equal to the annual rate of growth of deposits of the acquiring, assuming, or resulting depository institution minus the amount of any deposits acquired through the acquisition, in whole or in part, of another insured depository institution.

(4) *Deposits acquired by the institution.* As used in paragraph (a)(3)(i) of this section, the term "deposits acquired by the institution" means all deposits that are held in the institution acquired by such institution on the date of such transaction; provided, that if on or before June 30, 1997, the Corporation has been appointed or serves as

conservator or receiver for the acquired institution, such term:

(i) Does not include any deposit held in the acquired institution on the date of such transaction which the acquired institution has obtained, directly or indirectly, by or through any deposit broker;

(ii) Does not include that part of any remaining deposit held in the acquired institution on the date of such transaction that is in excess of \$80,000; and

(iii) Is limited to 80 per centum of the remaining portion of the aggregate of the deposits specified in paragraph (a)(4)(ii) of this section.

(5) *Deposit broker.* As used in paragraph (a)(4) of this section, the term "deposit broker" has the meaning specified in section 29 of the Federal Deposit Insurance Act (12 U.S.C. 1831f).

(b) *Procedures for computation and payment.* An insured depository institution subject to this subpart B shall follow the payment procedure that is set forth in subpart A of this part.

(c) *Reduction of deposits acquired by certain institutions.* In the case of a transaction occurring on or before March 31, 1995, the amount determined under paragraph (a)(3)(i) of this section shall be reduced by 20 percent for the purpose of computing the adjusted attributable deposit amount for any semiannual period beginning after December 31, 1996, of a BIF member bank that, as of June 30, 1995:

(1) Had an adjusted attributable deposit amount the value of which was less than 50 percent of the amount of its total deposits; or

(2)(i) Had an adjusted attributable deposit amount the value of which was less than 75 percent of the value of its total deposits;

(ii) Had total deposits greater than \$5,000,000,000; and

(iii) Was owned or controlled by a bank holding company that owned or controlled insured depository institutions having an aggregate amount of deposits insured or treated as insured by the BIF greater than the aggregate amount of deposits insured or treated as insured by the SAIF.

Federal Deposit Insurance Corporation

§ 327.35

§ 327.33 “Acquired” deposits.

This section interprets the phrase “deposits acquired by the institution” as used in § 327.32(a)(3)(i).

(a) *In general*—(1) *Secondary-fund deposits*. The phrase “deposits acquired by the institution” refers to deposits that are insured by the secondary fund of the acquiring institution, and does not include deposits that are insured by the acquiring institution’s primary fund.

(2) *Nominal dollar amount*. Except as provided in paragraph (b) of this section, an acquiring institution is deemed to acquire the entire nominal dollar amount of any deposits that the transferring institution holds on the date of the transaction and transfers to the acquiring institution.

(b) *Conduit deposits*—(1) *Defined*. As used in this paragraph (b), the term “conduit deposits” refers to deposits that an acquiring institution has assumed from another institution (original transferor) in the course of a transaction described in § 327.31(a), and that are treated as insured by the secondary fund of the acquiring institution, but which the acquiring institution has been explicitly and specifically ordered by the Corporation, or by the appropriate federal banking agency for the institution, or by the Department of Justice to commit to re-transfer to another insured depository institution (re-transferee institution) as a condition of approval of the transaction. The commitment must be enforceable, and the divestiture must be required to occur and must occur within 6 months after the date of the initial transaction.

(2) *Treatment with respect to acquiring institution*. Conduit deposits are not considered to be acquired by the acquiring institution within the meaning of § 327.32(a)(3)(i) for the purpose of computing the acquiring institution’s adjusted attributable deposit amount for a current semiannual period that begins after the end of the semiannual period following the semiannual period in which the acquiring institution re-transfers the deposits.

(3) *Treatment with respect to re-transferee institution*. Conduit deposits are treated as insured by the same insurance fund after having been acquired

by the re-transferee institution as when held by the original transferor.

[61 FR 64983, Dec. 10, 1996]

§ 327.34 Application of AADAs.

This section interprets the meaning of the phrase “an insured depository institution’s ‘adjusted attributable deposit amount’ for any semiannual period” as used in the introductory text of § 327.32(a)(3).

(a) *In general*. The phrase “for any semiannual period” refers to the current semiannual period; that is, the period for which the assessment is due, and for which an institution’s adjusted attributable deposit amount (AADA) is computed.

(b) *Quarterly components of AADAs*. An AADA for a current semiannual period consists of 2 quarterly AADA components. The first quarterly AADA component for the current period is determined with respect to the first quarter of the prior semiannual period, and the second quarterly AADA component for the current period is determined with respect to the second quarter of the prior period.

(c) *Application of AADAs*. The value of an AADA that is to be applied to a quarterly assessment base in accordance with § 327.32(a)(2) is the value of the quarterly AADA component for the corresponding quarter.

(d) *Initial AADAs*. If an AADA for a current semiannual period has been generated in a transaction that has occurred in the second calendar quarter of the prior semiannual period, the first quarterly AADA component for the current period is deemed to have a value of zero.

(e) *Transition rule*. Paragraphs (b), (c) and (d) of this section shall apply to any AADA for any semiannual period beginning on or after July 1, 1997.

[61 FR 64984, Dec. 10, 1996]

§ 327.35 Grandfathered AADA elements.

This section explains the meaning of the phrase “total of the amounts determined under paragraph (a)(3)(iii)” in § 327.32(a)(3)(ii). The phrase “total of

the amounts determined under paragraph (a)(3)(iii)” refers to the aggregate of the increments of growth determined in accordance with § 327.32(a)(3)(iii). Each such increment is deemed to be computed in accordance with the contemporaneous provisions and interpretations of such section. Accordingly, any increment of growth that is computed with respect to a semiannual period has the value appropriate to the proper calculation of the institution’s assessment for the semiannual period immediately following such semiannual period.

[61 FR 64984, Dec. 10, 1996]

§ 327.36 Growth computation.

This section interprets various phrases used in the computation of growth as prescribed in § 327.32(a)(3)(iii).

(a) *Annual rate.* The annual rate of growth of deposits refers to the rate, which may be expressed as an annual percentage rate, of growth of an institution’s deposits over any relevant interval. A relevant interval may be less than a year.

(b) *Growth; increase; increases.* Except as provided in paragraph (c) of this section, references to “growth”, “increase”, and “increases” may generally include negative values as well as positive ones.

(c) *Growth of deposits.* “Growth of deposits” does not include any decrease in an institution’s deposits representing deposits transferred to another insured depository institution, if the transfer occurs on or after July 1, 1996.

(d) *Quarterly determination of growth.* For the purpose of computing assessments for semiannual periods beginning on July 1, 1997, and thereafter, the rate of growth of deposits for a semiannual period, and the amount by which the sum of the amounts specified in § 327.32(a)(3)(i) and (ii) would have grown during a semiannual period, is to be determined by computing such rate of growth and such sum of amounts for each calendar quarter within the semiannual period.

[61 FR 64984, Dec. 10, 1996]

§ 327.37 Attribution of transferred deposits.

This section explains the attribution of deposits to the BIF and the SAIF when one insured depository institution (acquiring institution) acquires deposits from another insured depository institution (transferring institution). For the purpose of determining whether the assumption of deposits (assumption transaction) constitutes a transaction undertaken pursuant to section 5(d)(3) of the Federal Deposit Insurance Act (12 U.S.C. 1815(d)(3)), and for the purpose of computing the adjusted attributable deposit amounts, if any, of the acquiring and the transferring institutions after the transaction:

(a) *Transferring institution—(1) Transfer of primary-fund deposits.* To the extent that the aggregate volume of deposits that is transferred by a transferring institution in a transaction, or in a related series of transactions, does not exceed the volume of deposits that is insured by its primary fund (primary-fund deposits) immediately prior to the transaction (or, in the case of a related series of transactions, immediately prior to the initial transaction in the series), the transferred deposits shall be deemed to be insured by the institution’s primary fund. The primary institution’s volume of primary-fund deposits shall be reduced by the aggregate amount so transferred.

(2) *Transfer of secondary-fund deposits.* To the extent that the aggregate volume of deposits that is transferred by the transferring institution in a transaction, or in a related series of transactions, exceeds the volume of deposits that is insured by its primary fund immediately prior to the transaction (or, in the case of a related series of transactions, immediately prior to the initial transaction in the series), the following volume of the deposits so transferred shall be deemed to be insured by the institution’s secondary fund (secondary-fund deposits): the aggregate amount of the transferred deposits minus that portion thereof that is equal to the institution’s primary-fund deposits. The transferring institution’s volume of secondary-fund deposits shall be reduced by the volume of the secondary-fund deposits so transferred.

Federal Deposit Insurance Corporation

§ 328.1

(b) *Acquiring institution.* The deposits shall be deemed, upon assumption by the acquiring institution, to be insured by the same fund or funds in the same amount or amounts as the deposits were so insured immediately prior to the transaction.

However, no bank becoming an insured bank shall be required to display such an official sign until twenty-one (21) days after its first day of operation as an insured bank. An official sign may be displayed by an insured bank prior to the date display is required. Additional bank signs or savings association signs may be displayed in other locations within an insured bank in other sizes, colors,

An insured bank may display an official sign at a remote service facility, provided that if there are any noninsured institutions which share in the remote service facility, any insured bank which displays the official bank sign must clearly show that the sign refers only to a designated insured bank or banks.

(b) *Obtaining official signs.* (1) Any insured bank may procure official bank signs with black letters on a gold background or official savings association signs with black letters, stars, and eagle, on a gold background, from the Corporation for official use at no charge. The Corporation shall furnish to banks an order blank for use in procuring the official signs. Any bank which promptly, after the receipt of the order blank, fills it in, executes it, and properly directs and forwards it to the Federal Deposit Insurance Corporation, Washington, DC 20429, shall not be deemed to have violated this regulation on account of not displaying an official sign, or signs, unless the bank shall omit to display such official sign or signs after receipt thereof.

(1) An insured bank is not required to include the official advertising statement in its advertisements until thirty (30) days after its first day of operation as an insured bank.

For the procedure to be followed in making such application see §303.8 of this chapter.

(3) In cases where advertising copy not including the official advertising statement is on hand on the date the requirements of this section become operative, the insured bank may cause the official advertising statement to be included by use of a rubber stamp or otherwise.

The short title "Member of FDIC" or "Member FDIC" or a reproduction of the "symbol" may be used by insured banks at their option as the official advertising statement. The official advertising statement shall be of such size and print to be clearly legible. Where it is desired to use the "symbol" of the Corporation as the official advertising

statement, and the "symbol" must be reduced to such proportions that the small lines of type and the Corporation seal therein are indistinct and illegible, the Corporation seal in the letter C and the two lines of small type may be blocked out or dropped.

§ 329.1 Definitions.

(a) The term *bank* includes:

cycle of at least four weeks, more than six transfers by means of a preauthorized or automatic transfer or telephonic (including data transmission) agreement, order or instruction, which transfers are made to another account of the depositor at the same bank, to the bank itself, or to a third party:

Provided, That any deposit specified in this paragraph (b)(3) will be deemed to be a *demand deposit* if more than three of the six authorized transfers are authorized to be made by check, draft, debit card or similar order made by the depositor;

And provided further, That no deposit specified in this paragraph (3) will be deemed to be a *demand deposit* if the entire beneficial interest of the deposit is held by a depositor identified in paragraph (2) of section 2(a) of Pub. L. 93-100 (12 U.S.C. 1832(a)(2)).¹

(c) The term *interest* means any payment to or for the account of any depositor as compensation for the use of funds constituting a deposit. A bank's absorption of expenses incident to providing a normal banking function or its forbearance from charging a fee in connection with such a service is not considered a payment of interest.

¹Paragraph (1) of 12 U.S.C. 1832(a) authorizes banks to let certain depositors make withdrawals from interest-bearing deposits by negotiable or transferable instruments for the purpose of making transfers to third parties—*i.e.*, to hold deposits commonly called *NOW accounts*.

Paragraph (2) of 12 U.S.C. 1832(a) provides: "Paragraph (1) shall apply only with respect to deposits or accounts which consist solely of funds in which the entire beneficial interest is held by one or more individuals or by an organization which is operated primarily for religious, philanthropic, charitable, educational, political, or other similar purposes and which is not operated for profit, and with respect to deposits of public funds by an officer, employee, or agent of the United States, any State, county, municipality, or political subdivision thereof, the District of Columbia, the Commonwealth of Puerto Rico, American Samoa, Guam, any territory or possession of the United States, or any political subdivision thereof.

§ 329.2 Payment of interest.

No bank shall, directly or indirectly, by any device whatsoever, pay interest on any demand deposit.

§ 329.3 Exception to prohibition on payment of interest.

Section 329.2 shall not apply to the payment of interest or other remuneration on any deposit which, if held by a member bank, would be allowable under 12 U.S.C. 371a and 461, or by regulation of the Board of Governors of the Federal Reserve System.

[63 FR 8342, Feb. 19, 1998]

§ 329.101 Transfers not included within the six transfers allowed for nondemand deposits pursuant to § 329.1(b)(3).

This interpretive rule describes certain transfers that are not included as any of the six transfers allowed pursuant to § 329.1(b)(3).

(a) Transfers from a deposit described in § 329.1(b)(3) that are made to the bank are not deemed to be included within the six transfers permitted for a nondemand deposit by that paragraph (3) when the transfers are made for the purpose of repaying loans and associated expenses at the bank (as originator or servicer). This exemption does not apply to transfers to the bank that are made for the purpose of repaying loans that are made by the bank to the depositor's demand account for the purpose of covering overdrafts.

(b) Transfers from a deposit described in § 329.1(b)(3) that are made to another account of the same depositor at the bank are not deemed to be included within the six transfers permitted for a nondemand deposit by that paragraph (3) when the transfers are made by mail, messenger, automated teller machine or in person.

(c) Withdrawals from a deposit described in § 329.1(b)(3) are not deemed to be included within the six transfers permitted for a nondemand deposit by that paragraph (3) when the withdrawals are made by mail, messenger, telephone (via check mailed to the depositor), automated teller machine, or in person.

§ 329.102 Deposits described in § 329.1(b)(3).

This interpretive rule explains the second proviso of § 329.1(b)(3).

(a) No deposit described in § 329.1(b)(3) that is held by an organization that is not organized for profit and that is described in paragraphs 501(c) (3) through (13) and (19) and section 528 of the Internal Revenue Code of 1954 (26 U.S.C. 501(c) (3) through (13) and (19), and 528) is deemed to be a demand deposit. Actual Internal Revenue Service documentation of the organization's tax-exempt status is not required; it is merely an aid in making the determination.

(b) No deposit described in § 329.1(b)(3) that is held by a depositor identified in section 2(a)(2) of Pub. L. 93-100 (12 U.S.C. 1832(a)(2))—whether the deposit is used for business purposes or otherwise—is deemed to be a demand deposit.

(c) No deposit described in § 329.1(b)(3) that represents funds held in a fiduciary capacity (whether the fiduciary is a natural person or otherwise) is deemed to be a demand deposit if all the beneficiaries of the account are natural persons.

§ 329.103 Premiums.

This interpretive rule describes certain payments that are not deemed to be *interest* as defined in § 329.1(c).

(a) Premiums, whether in the form of merchandise, credit, or cash, given by a bank to the holder of a deposit will not be regarded as *interest* as defined in § 329.1(c) if:

(1) The premium is given to the depositor only at the time of the opening of a new account or an addition to an existing account;

(2) No more than two premiums per deposit are given in any twelve-month interval; and (3) the value of the premium (in the case of merchandise, the total cost to the bank, including shipping, warehousing, packaging, and handling costs) does not exceed \$10 for a deposit of less than \$5,000 or \$20 for a deposit of \$5,000 or more.

(b) The costs of premiums may not be averaged.

(c) A bank may not solicit funds for deposit on the basis that the bank will divide the funds into several accounts for the purpose of enabling the bank to

pay the depositor more than two premiums within a twelve-month interval on the solicited funds.

(d) The bank must retain sufficient information for examiners to determine that the requirements of this section have been satisfied.

(e) Notwithstanding paragraph (a) of this section, any premium that is not, directly or indirectly, related to or dependent on the balance in a demand deposit account and the duration of the account balance shall not be considered the payment of interest on a demand deposit account and shall not be subject to the limitations in paragraph (a) of this section.

[51 FR 10808, Mar. 31, 1986, as amended at 62 FR 40732, July 30, 1997]

§ 329.104 Ten-day grace period.

This interpretive rule provides for 10-day grace periods during which interest may be paid on a deposit without violating § 329.2.

(a) During the ten calendar days following the maturity of a time deposit, the bank may continue to pay interest on the matured deposit at the contract rate of the deposit, or at any lesser rate, if the deposit contract provides for such post-maturity interest. The payment of such post-maturity interest will not be regarded as the payment of interest on a demand deposit.

(b) If a time deposit is renewed within ten calendar days after maturity, the renewed deposit may be dated back to the maturity date of the matured deposit and may draw interest from that date. The payment of such additional interest will not be regarded as the payment of interest on a demand deposit.

(c) If a time or savings deposit is renewed within ten days after expiration of the period of notice given with respect to its repayment, the renewed deposit may draw interest from the date such notice period expired. The payment of such additional interest will not be regarded as the payment of interest on a demand deposit.

§ 330.2 Purpose.

The purpose of this part is to clarify the rules and define the terms necessary to afford deposit insurance coverage under the Act and provide rules for the recognition of deposit ownership in various circumstances.

§ 330.3 General principles.

(a) *Ownership rights and capacities.* The insurance coverage provided by the Act and this part is based upon the ownership rights and capacities in which deposit accounts are maintained at insured depository institutions. All deposits in an insured depository institution which are maintained in the same right and capacity (by or for the benefit of a particular depositor or depositors) shall be added together and insured in accordance with this part. Deposits maintained in different rights and capacities, as recognized under this part, shall be insured separately from each other. (Example: Single ownership accounts and joint ownership accounts are insured separately from each other.)

(b) *Deposits maintained in separate insured depository institutions or in separate branches of the same insured depository institution.* Any deposit accounts maintained by a depositor at one insured depository institution are insured separately from, and without regard to, any deposit accounts that the same depositor maintains at any other separately chartered and insured depository institution, even if two or more separately chartered and insured depository institutions are affiliated through common ownership. (Example: Deposits held by the same individual at two different banks owned by the same bank holding company would be insured separately, per bank.)

The deposit accounts of a depositor maintained in the same right and capacity at different branches or offices of the same insured depository institution are not separately insured; rather they shall be added together and insured in accordance with this part.

(c) *Deposits maintained by foreigners and deposits denominated in foreign currency.* The availability of deposit insurance is not limited to citizens and residents of the United States. Any person or entity that maintains deposits in an insured depository institution is entitled to the deposit insurance provided by the Act and this part. In addition, deposits denominated in a foreign currency shall be insured in accordance with this part. Deposit insurance for such deposits shall be determined and paid in the amount of United States

dollars that is equivalent in value to the amount of the deposit denominated in the foreign currency as of close of business on the date of default of the insured depository institution. The exchange rates to be used for such conversions are the 12 PM rates (the “noon buying rates for cable transfers”) quoted for major currencies by the Federal Reserve Bank of New York on the date of default of the insured depository institution, unless the deposit agreement specifies that some other widely recognized exchange rates are to be used for all purposes under that agreement, in which case, the rates so specified shall be used for such conversions.

(d) *Deposits in insured branches of foreign banks.* Deposits in an insured branch of a foreign bank which are payable by contract in the United States shall be insured in accordance with this part, except that any deposits to the credit of the foreign bank, or any office, branch, agency or any wholly owned subsidiary of the foreign bank, shall not be insured. All deposits held by a depositor in the same right and capacity in more than one insured branch of the same foreign bank shall be added together for the purpose of determining the amount of deposit insurance.

(e) *Deposits payable solely outside of the United States and certain other locations.* Any obligation of an insured depository institution which is payable solely at an office of such institution located outside the States of the United States, the District of Columbia, Puerto Rico, Guam, the Commonwealth of the Northern Mariana Islands, American Samoa, the Trust Territory of the Pacific Islands, and the Virgin Islands, is not a deposit for the purposes of this part.

(f) *International banking facility deposits.* An “international banking facility time deposit,” as defined by the Board of Governors of the Federal Reserve System in Regulation D (12 CFR 204.8(a)(2)), or in any successor regulation, is not a deposit for the purposes of this part.

(g) *Bank investment contracts.* As required by section 11(a)(8) of the Act (12 U.S.C. 1821(a)(8)), any liability arising

under any investment contract between any insured depository institution and any employee benefit plan which expressly permits “benefit responsive withdrawals or transfers” (as defined in section 11(a)(8) of the Act) are not insured deposits for purposes of this part. The term “substantial penalty or adjustment” used in section 11(a)(8) of the Act means, in the case of a deposit having an original term which exceeds one year, all interest earned on the amount withdrawn from the date of deposit or for six months, whichever is less; or, in the case of a deposit having an original term of one year or less, all interest earned on the amount withdrawn from the date of deposit or three months, whichever is less.

(h) *Application of state or local law to deposit insurance determinations.* In general, deposit insurance is for the benefit of the owner or owners of funds on deposit. However, while ownership under state law of deposited funds is a necessary condition for deposit insurance, ownership under state law is not sufficient for, or decisive in, determining deposit insurance coverage. Deposit insurance coverage is also a function of the deposit account records of the insured depository institution and of the provisions of this part, which, in the interest of uniform national rules for deposit insurance coverage, are controlling for purposes of determining deposit insurance coverage.

(i) *Determination of the amount of a deposit—(1) General rule.* The amount of a deposit is the balance of principal and interest unconditionally credited to the deposit account as of the date of default of the insured depository institution, plus the ascertainable amount of interest to that date, accrued at the contract rate (or the anticipated or announced interest or dividend rate), which the insured depository institution in default would have paid if the deposit had matured on that date and the insured depository institution had not failed. In the absence of any such announced or anticipated interest or dividend rate, the rate for this purpose shall be whatever rate was paid in the immediately preceding payment period.

(2) *Discounted certificates of deposit.* The amount of a certificate of deposit sold by an insured depository institution at a discount from its face value is its original purchase price plus the amount of accrued earnings calculated by compounding interest annually at the rate necessary to increase the original purchase price to the maturity value over the life of the certificate.

(3) *Waiver of minimum requirements.* In the case of a deposit with a fixed payment date, fixed or minimum term, or a qualifying or notice period that has not expired as of such date, interest thereon to the date of closing shall be computed according to the terms of the deposit contract as if interest had been credited and as if the deposit could have been withdrawn on such date without any penalty or reduction in the rate of earnings.

(j) *Continuation of insurance coverage following the death of a deposit owner.* The death of a deposit owner shall not affect the insurance coverage of the deposit for a period of six months following the owner’s death unless the deposit account is restructured. The operation of this grace period, however, shall not result in a reduction of coverage. If an account is not restructured within six months after the owner’s death, the insurance shall be provided on the basis of actual ownership in accordance with the provisions of § 330.5(a)(1).

[63 FR 25756, May 11, 1998, as amended at 64 FR 15656, Apr. 1, 1999]

§ 330.4 Continuation of separate deposit insurance after merger of insured depository institutions.

Whenever the liabilities of one or more insured depository institutions for deposits are assumed by another insured depository institution, whether by merger, consolidation, other statutory assumption or contract:

(a) The insured status of the institutions whose liabilities have been assumed terminates on the date of receipt by the FDIC of satisfactory evidence of the assumption; and

(b) The separate insurance of deposits assumed continues for six months from the date the assumption takes effect or, in the case of a time deposit, the earliest maturity date after the six-

month period. In the case of time deposits which mature within six months of the date the deposits are assumed and which are renewed at the same dollar amount (either with or without accrued interest having been added to the principal amount) and for the same term as the original deposit, the separate insurance applies to the renewed deposits until the first maturity date after the six-month period. Time deposits that mature within six months of the deposit assumption and that are renewed on any other basis, or that are not renewed and thereby become demand deposits, are separately insured only until the end of the six-month period.

§ 330.5 Recognition of deposit ownership and fiduciary relationships.

(a) *Recognition of deposit ownership*—(1) *Evidence of deposit ownership.* Except as indicated in this paragraph (a)(1) or as provided in § 330.3(j), in determining the amount of insurance available to each depositor, the FDIC shall presume that deposited funds are actually owned in the manner indicated on the deposit account records of the insured depository institution. If the FDIC, in its sole discretion, determines that the deposit account records of the insured depository institution are clear and unambiguous, those records shall be considered binding on the depositor, and the FDIC shall consider no other records on the manner in which the funds are owned. If the deposit account records are ambiguous or unclear on the manner in which the funds are owned, then the FDIC may, in its sole discretion, consider evidence other than the deposit account records of the insured depository institution for the purpose of establishing the manner in which the funds are owned. Despite the general requirements of this paragraph (a)(1), if the FDIC has reason to believe that the insured depository institution's deposit account records misrepresent the actual ownership of deposited funds and such misrepresentation would increase deposit insurance coverage, the FDIC may consider all available evidence and pay claims for insured deposits on the basis of the actual rather than the misrepresented ownership.

(2) *Recognition of deposit ownership in custodial accounts.* In the case of custodial deposits, the interest of each beneficial owner may be determined on a fractional or percentage basis. This may be accomplished in any manner which indicates that where the funds of an owner are commingled with other funds held in a custodial capacity and a portion thereof is placed on deposit in one or more insured depository institutions without allocation, the owner's insured interest in the deposit in any one insured depository institution would represent, at any given time, the same fractional share as his or her share of the total commingled funds.

(b) *Fiduciary relationships*—(1) *Recognition.* The FDIC will recognize a claim for insurance coverage based on a fiduciary relationship only if the relationship is expressly disclosed, by way of specific references, in the "deposit account records" (as defined in § 330.1(e)) of the insured depository institution. Such relationships include, but are not limited to, relationships involving a trustee, agent, nominee, guardian, executor or custodian pursuant to which funds are deposited. The express indication that the account is held in a fiduciary capacity will not be necessary, however, in instances where the FDIC determines, in its sole discretion, that the titling of the deposit account and the underlying deposit account records sufficiently indicate the existence of a fiduciary relationship. This exception may apply, for example, where the deposit account title or records indicate that the account is held by an escrow agent, title company or a company whose business is to hold deposits and securities for others.

(2) *Details of fiduciary relationships.* If the deposit account records of an insured depository institution disclose the existence of a relationship which might provide a basis for additional insurance (including the exception provided for in paragraph (b)(1) of this section), the details of the relationship and the interests of other parties in the account must be ascertainable either from the deposit account records of the insured depository institution or from records maintained, in good faith and in the regular course of business, by

§ 330.6

12 CFR Ch. III (1-1-03 Edition)

the depositor or by some person or entity that has undertaken to maintain such records for the depositor.

(3) *Multi-tiered fiduciary relationships.* In deposit accounts where there are multiple levels of fiduciary relationships, there are two methods of satisfying paragraphs (b)(1) and (b)(2) of this section to obtain insurance coverage for the interests of the true beneficial owners of a deposit account.

(i) One method is to:

(A) Expressly indicate, on the deposit account records of the insured depository institution, the existence of each and every level of fiduciary relationships; and

(B) Disclose, at each level, the name(s) and interest(s) of the person(s) on whose behalf the party at that level is acting.

(ii) An alternative method is to:

(A) Expressly indicate, on the deposit account records of the insured depository institution, that there are multiple levels of fiduciary relationships;

(B) Disclose the existence of additional levels of fiduciary relationships in records, maintained in good faith and in the regular course of business, by parties at subsequent levels; and

(C) Disclose, at each of the levels, the name(s) and interest(s) of the person(s) on whose behalf the party at that level is acting. No person or entity in the chain of parties will be permitted to claim that they are acting in a fiduciary capacity for others unless the possible existence of such a relationship is revealed at some previous level in the chain.

(4) *Exceptions—(i) Deposits evidenced by negotiable instruments.* If any deposit obligation of an insured depository institution is evidenced by a negotiable certificate of deposit, negotiable draft, negotiable cashier's or officer's check, negotiable certified check, negotiable traveler's check, letter of credit or other negotiable instrument, the FDIC will recognize the owner of such deposit obligation for all purposes of claim for insured deposits to the same extent as if his or her name and interest were disclosed on the records of the insured depository institution; provided, that the instrument was in fact negotiated to such owner prior to the date of default of the insured depository

institution. The owner must provide affirmative proof of such negotiation, in a form satisfactory to the FDIC, to substantiate his or her claim. Receipt of a negotiable instrument directly from the insured depository institution in default shall, in no event, be considered a negotiation of said instrument for purposes of this provision.

(ii) *Deposit obligations for payment of items forwarded for collection by depository institution acting as agent.* Where an insured depository institution in default has become obligated for the payment of items forwarded for collection by a depository institution acting solely as agent, the FDIC will recognize the holders of such items for all purposes of claim for insured deposits to the same extent as if their name(s) and interest(s) were disclosed as depositors on the deposit account records of the insured depository institution, when such claim for insured deposits, if otherwise payable, has been established by the execution and delivery of prescribed forms. The FDIC will recognize such depository institution forwarding such items for the holders thereof as agent for such holders for the purpose of making an assignment to the FDIC of their rights against the insured depository institution in default and for the purpose of receiving payment on their behalf.

§ 330.6 Single ownership accounts.

(a) *Individual accounts.* Funds owned by a natural person and deposited in one or more deposit accounts in his or her own name shall be added together and insured up to \$100,000 in the aggregate. Exception: Despite the general requirement in this paragraph (a), if more than one natural person has the right to withdraw funds from an individual account (excluding persons who have the right to withdraw by virtue of a Power of Attorney), the account shall be treated as a joint ownership account (although not necessarily a qualifying joint account) and shall be insured in accordance with the provisions of § 330.9, unless the deposit account records clearly indicate, to the satisfaction of the FDIC, that the funds are owned by one individual and that other

Federal Deposit Insurance Corporation

§ 330.7

signatories on the account are merely authorized to withdraw funds on behalf of the owner.

(b) *Sole proprietorship accounts.* Funds owned by a business which is a "sole proprietorship" (as defined in § 330.1(m)) and deposited in one or more deposit accounts in the name of the business shall be treated as the individual account(s) of the person who is the sole proprietor, added to any other individual accounts of that person, and insured up to \$100,000 in the aggregate.

(c) *Single-name accounts containing community property funds.* Community property funds deposited into one or more deposit accounts in the name of one member of a husband-wife community shall be treated as the individual account(s) of the named member, added to any other individual accounts of that person, and insured up to \$100,000 in the aggregate.

(d) *Accounts of a decedent and accounts held by executors or administrators of a decedent's estate.* Funds held in the name of a decedent or in the name of the executor, administrator, or other personal representative of his or her estate and deposited into one or more deposit accounts shall be added together and insured up to \$100,000 in the aggregate; provided, however, that nothing in this paragraph (d) shall affect the operation of § 330.3(j). The deposit insurance provided by this paragraph (d) shall be separate from any insurance coverage provided for the individual deposit accounts of the executor, administrator, other personal representative or the beneficiaries of the estate.

§ 330.7 Accounts held by an agent, nominee, guardian, custodian or conservator.

(a) *Agency or nominee accounts.* Funds owned by a principal or principals and deposited into one or more deposit accounts in the name of an agent, custodian or nominee, shall be insured to the same extent as if deposited in the name of the principal(s). When such funds are deposited by an insured depository institution acting as a trustee of an irrevocable trust, the insurance coverage shall be governed by the provisions of § 330.13.

(b) *Guardian, custodian or conservator accounts.* Funds held by a guardian,

custodian, or conservator for the benefit of his or her ward, or for the benefit of a minor under the Uniform Gifts to Minors Act, and deposited into one or more accounts in the name of the guardian, custodian or conservator shall, for purposes of this part, be deemed to be agency or nominee accounts and shall be insured in accordance with paragraph (a) of this section.

(c) *Accounts held by fiduciaries on behalf of two or more persons.* Funds held by an agent, nominee, guardian, custodian, conservator or loan servicer, on behalf of two or more persons jointly, shall be treated as a joint ownership account and shall be insured in accordance with the provisions of § 330.9.

(d) *Mortgage servicing accounts.* Accounts maintained by a mortgage servicer, in a custodial or other fiduciary capacity, which are comprised of payments by mortgagors of principal and interest, shall be insured in accordance with paragraph (a) of this section for the interest of each owner (mortgagee, investor or security holder) in such accounts. Accounts maintained by a mortgage servicer, in a custodial or other fiduciary capacity, which are comprised of payments by mortgagors of taxes and insurance premiums shall be added together and insured in accordance with paragraph (a) of this section for the ownership interest of each mortgagor in such accounts.

(e) *Custodian accounts for American Indians.* Paragraph (a) of this section shall not apply to any interest an individual American Indian may have in funds deposited by the Bureau of Indian Affairs of the United States Department of the Interior (the "BIA") on behalf of that person pursuant to 25 U.S.C. 162(a), or by any other disbursing agent of the United States on behalf of that person pursuant to similar authority, in an insured depository institution. The interest of each American Indian in all such accounts maintained at the same insured depository institution shall be added together and insured, up to \$100,000, separately from any other accounts maintained by that person in the same insured depository institution.

§ 330.8

12 CFR Ch. III (1–1–03 Edition)

§ 330.8 Annuity contract accounts.

(a) Funds held by an insurance company or other corporation in a deposit account for the sole purpose of funding life insurance or annuity contracts and any benefits incidental to such contracts, shall be insured separately in the amount of up to \$100,000 per annuitant, provided that, pursuant to a state statute:

(1) The corporation establishes a separate account for such funds;

(2) The account cannot be charged with the liabilities arising out of any other business of the corporation; and

(3) The account cannot be invaded by other creditors of the corporation in the event that the corporation becomes insolvent and its assets are liquidated.

(b) Such insurance coverage shall be separate from the insurance provided for any other accounts maintained by the corporation or the annuitants at the same insured depository institution.

§ 330.9 Joint ownership accounts.

(a) *Separate insurance coverage.* Qualifying joint accounts, whether owned as joint tenants with the right of survivorship, as tenants in common or as tenants by the entirety, shall be insured separately from any individually owned (single ownership) deposit accounts maintained by the co-owners. (Example: If A has a single ownership account and also is a joint owner of a qualifying joint account, A's interest in the joint account would be insured separately from his or her interest in the individual account.) Qualifying joint accounts in the names of both husband and wife which are comprised of community property funds shall be added together and insured up to \$200,000, separately from any funds deposited into accounts bearing their individual names.

(b) *Determination of insurance coverage.* The interests of each co-owner in all qualifying joint accounts shall be added together and the total shall be insured up to \$100,000. (Example: "A&B" have a qualifying joint account with a balance of \$60,000; "A&C" have a qualifying joint account with a balance of \$80,000; and "A&B&C" have a qualifying joint account with a balance of \$150,000. A's combined ownership inter-

est in all qualifying joint accounts would be \$120,000 (\$30,000 plus \$40,000 plus \$50,000); therefore, A's interest would be insured in the amount of \$100,000 and uninsured in the amount of \$20,000. B's combined ownership interest in all qualifying joint accounts would be \$80,000 (\$30,000 plus \$50,000); therefore, B's interest would be fully insured. C's combined ownership interest in all qualifying joint accounts would be \$90,000 (\$40,000 plus \$50,000); therefore, C's interest would be fully insured.)

(c) *Qualifying joint accounts.* (1) A joint deposit account shall be deemed to be a qualifying joint account, for purposes of this section, only if:

(i) All co-owners of the funds in the account are "natural persons" (as defined in §330.1(k)); and

(ii) Each co-owner has personally signed a deposit account signature card; and

(iii) Each co-owner possesses withdrawal rights on the same basis.

(2) The signature-card requirement of paragraph (c)(1)(ii) of this section shall not apply to certificates of deposit, to any deposit obligation evidenced by a negotiable instrument, or to any account maintained by an agent, nominee, guardian, custodian or conservator on behalf of two or more persons.

(3) All deposit accounts that satisfy the criteria in paragraph (c)(1) of this section, and those accounts that come within the exception provided for in paragraph (c)(2) of this section, shall be deemed to be jointly owned provided that, in accordance with the provisions of §330.5(a), the FDIC determines that the deposit account records of the insured depository institution are clear and unambiguous as to the ownership of the accounts. If the deposit account records are ambiguous or unclear as to the manner in which the deposit accounts are owned, then the FDIC may, in its sole discretion, consider evidence other than the deposit account records of the insured depository institution for the purpose of establishing the manner in which the funds are owned. The signatures of two or more persons on the deposit account signature card or the names of two or more persons on a certificate of deposit or other deposit

instrument shall be conclusive evidence that the account is a joint account (although not necessarily a qualifying joint account) unless the deposit records as a whole are ambiguous and some other evidence indicates, to the satisfaction of the FDIC, that there is a contrary ownership capacity.

(d) *Nonqualifying joint accounts.* A deposit account held in two or more names which is not a qualifying joint account, for purposes of this section, shall be treated as being owned by each named owner, as an individual, corporation, partnership, or unincorporated association, as the case may be, and the actual ownership interest of each individual or entity in such account shall be added to any other single ownership accounts of such individual or other accounts of such entity, and shall be insured in accordance with the provisions of this part governing the insurance of such accounts.

(e) *Determination of interests.* The interests of the co-owners of qualifying joint accounts, held as tenants in common, shall be deemed equal, unless otherwise stated in the depository institution's deposit account records. This section applies regardless of whether the conjunction "and" or "or" is used in the title of a joint deposit account, even when both terms are used, such as in the case of a joint deposit account with three or more co-owners.

[63 FR 25756, May 11, 1998, as amended at 64 FR 15656, Apr. 1, 1999; 64 FR 62102, Nov. 16, 1999]

§ 330.10 Revocable trust accounts.

(a) *General rule.* Funds owned by an individual and deposited into an account with respect to which the owner evidences an intention that upon his or her death the funds shall belong to one or more qualifying beneficiaries shall be insured in the amount of up to \$100,000 in the aggregate as to each such named qualifying beneficiary, separately from any other accounts of the owner or the beneficiaries. For purposes of this provision, the term "qualifying beneficiaries" means the owner's spouse, child/children, grandchild/grandchildren, parent/parents, brother/brothers or sister/sisters. (Example: If A establishes a qualifying account payable upon death to his

spouse, sibling and two children, assuming compliance with the rules of this provision, the account would be insured up to \$400,000 separately from any other different types of accounts either A or the beneficiaries may have with the same depository institution.) Accounts covered by this provision are commonly referred to as tentative or "Totten trust" accounts, "payable-on-death" accounts, or revocable trust accounts.

(b) *Required intention.* The required intention in paragraph (a) of this section that upon the owner's death the funds shall belong to one or more qualifying beneficiaries must be manifested in the title of the account using commonly accepted terms such as, but not limited to, "in trust for," "as trustee for," "payable-on-death to," or any acronym therefor. In addition, the beneficiaries must be specifically named in the deposit account records of the insured depository institution. The settlor of a revocable trust account shall be presumed to own the funds deposited into the account.

(c) *Interests of nonqualifying beneficiaries.* If a named beneficiary of an account covered by this section is not a qualifying beneficiary, the funds corresponding to that beneficiary shall be treated as individually owned (single ownership) accounts of such owner(s), aggregated with any other single ownership accounts of such owner(s), and insured up to \$100,000 per owner. (Examples: If A establishes an account payable upon death to his or her nephew, the account would be insured as a single ownership account owned by A. Similarly, if B establishes an account payable upon death to her husband, son and nephew, two-thirds of the account balance would be eligible for POD coverage up to \$200,000 corresponding to the two qualifying beneficiaries (i.e., the spouse and child). The amount corresponding to the non-qualifying beneficiary (i.e., the nephew) would be deemed to be owned by B in her single ownership capacity and insured accordingly.)

(d) *Joint revocable trust accounts.* Where an account described in paragraph (a) of this section is established by more than one owner and held for the benefit of others, some or all of

§ 330.11

12 CFR Ch. III (1-1-03 Edition)

whom are within the qualifying degree of kinship, the respective interests of each owner (which shall be deemed equal unless otherwise stated in the insured depository institution's deposit account records) held for the benefit of each qualifying beneficiary shall be separately insured up to \$100,000. However, where a husband and a wife establish a revocable trust account naming themselves as the sole beneficiaries, such account shall not be insured according to the provisions of this section but shall instead be insured in accordance with the joint account provisions of § 330.9.

(e) *Definition of "children", "grandchildren", "parents", "brothers" and "sisters"*. For the purpose of establishing the qualifying degree of kinship identified in paragraph (a) of this section, the term "children" includes biological, adopted and step-children of the owner. The term "grandchildren" includes biological, adopted and step-children of any of the owner's children. The term "parents" includes biological, adoptive and step-parents of the owner. The term "brothers" includes full brothers, half brothers, brothers through adoption and step-brothers. The term "sisters" includes full sisters, half sisters, sisters through adoption and step-sisters.

(f) *Living trusts*. This section also applies to revocable trust accounts held in connection with a so-called "living trust," a formal trust which an owner creates and retains control over during his or her lifetime. If a named beneficiary in a living trust is a qualifying beneficiary under this section, then the deposit account held in connection with the living trust may be eligible for deposit insurance under this section, assuming compliance with all the provisions of this part. If, however, for example, the living trust includes a "defeating contingency" relative to that beneficiary's interest in the trust assets, then insurance coverage under this section would not be provided. For purposes of this section, a "defeating contingency" is defined as a condition which would prevent the beneficiary from acquiring a vested and non-con-

tingent interest in the funds in the deposit account upon the owner's death.

[63 FR 25756, May 11, 1998, as amended at 64 FR 15657, Apr. 1, 1999]

§ 330.11 Accounts of a corporation, partnership or unincorporated association.

(a) *Corporate accounts*. (1) The deposit accounts of a corporation engaged in any "independent activity" (as defined in § 330.1(g)) shall be added together and insured up to \$100,000 in the aggregate. If a corporation has divisions or units which are not separately incorporated, the deposit accounts of those divisions or units shall be added to any other deposit accounts of the corporation. If a corporation maintains deposit accounts in a representative or fiduciary capacity, such accounts shall not be treated as the deposit accounts of the corporation but shall be treated as fiduciary accounts and insured in accordance with the provisions of § 330.7.

(2) Notwithstanding any other provision of this part, any trust or other business arrangement which has filed or is required to file a registration statement with the Securities and Exchange Commission pursuant to section 8 of the Investment Company Act of 1940 or that would be required so to register but for the fact it is not created under the laws of the United States or a state or but for sections 2(b), 3(c)(1), or 6(a)(1) of that act shall be deemed to be a corporation for purposes of determining deposit insurance coverage.

(b) *Partnership accounts*. The deposit accounts of a partnership engaged in any "independent activity" (as defined in § 330.1(g)) shall be added together and insured up to \$100,000 in the aggregate. Such insurance coverage shall be separate from any insurance provided for individually owned (single ownership) accounts maintained by the individual partners. A partnership shall be deemed to exist, for purposes of this paragraph, any time there is an association of two or more persons or entities formed to carry on, as co-owners, an unincorporated business for profit.

(c) *Unincorporated association accounts*. The deposit accounts of an unincorporated association engaged in any independent activity shall be

Federal Deposit Insurance Corporation

§ 330.13

added together and insured up to \$100,000 in the aggregate, separately from the accounts of the person(s) or entity(ies) comprising the unincorporated association. An unincorporated association shall be deemed to exist, for purposes of this paragraph, whenever there is an association of two or more persons formed for some religious, educational, charitable, social or other noncommercial purpose.

(d) *Non-qualifying entities.* The deposit accounts of an entity which is not engaged in an "independent activity" (as defined in §330.1(g)) shall be deemed to be owned by the person or persons owning the corporation or comprising the partnership or unincorporated association, and, for deposit insurance purposes, the interest of each person in such a deposit account shall be added to any other deposit accounts individually owned by that person and insured up to \$100,000 in the aggregate.

§ 330.12 Accounts held by a depository institution as the trustee of an irrevocable trust.

(a) *Separate insurance coverage.* "Trust funds" (as defined in §330.1(o)) held by an insured depository institution in its capacity as trustee of an irrevocable trust, whether held in its trust department, held or deposited in any other department of the fiduciary institution, or deposited by the fiduciary institution in another insured depository institution, shall be insured up to \$100,000 for each owner or beneficiary represented. This insurance shall be separate from, and in addition to, the insurance provided for any other deposits of the owners or the beneficiaries.

(b) *Determination of interests.* The insurance for funds held by an insured depository institution in its capacity as trustee of an irrevocable trust shall be determined in accordance with the following provisions:

(1) *Allocated funds of a trust estate.* If trust funds of a particular "trust estate" (as defined in §330.1(n)) are allocated by the fiduciary and deposited, the insurance with respect to such trust estate shall be determined by ascertaining the amount of its funds allocated, deposited and remaining to the credit of the claimant as fiduciary

at the insured depository institution in default.

(2) *Interest of a trust estate in unallocated trust funds.* If funds of a particular trust estate are commingled with funds of other trust estates and deposited by the fiduciary institution in one or more insured depository institutions to the credit of the depository institution as fiduciary, without allocation of specific amounts from a particular trust estate to an account in such institution(s), the percentage interest of that trust estate in the unallocated deposits in any institution in default is the same as that trust estate's percentage interest in the entire commingled investment pool.

(c) *Limitation on applicability.* This section shall not apply to deposits of trust funds belonging to a trust which is classified as a corporation under §330.11(a)(2).

§ 330.13 Irrevocable trust accounts.

(a) *General rule.* Funds representing the "non-contingent trust interest(s)" (as defined in §330.1(l)) of a beneficiary deposited into one or more deposit accounts established pursuant to one or more irrevocable trust agreements created by the same settlor(s) (grantor(s)) shall be added together and insured up to \$100,000 in the aggregate. Such insurance coverage shall be separate from the coverage provided for other accounts maintained by the settlor(s), trustee(s) or beneficiary(ies) of the irrevocable trust(s) at the same insured depository institution. Each "trust interest" (as defined in §330.1(p)) in any irrevocable trust established by two or more settlors shall be deemed to be derived from each settlor pro rata to his or her contribution to the trust.

(b) *Treatment of contingent trust interests.* In the case of any trust in which certain trust interests do not qualify as non-contingent trust interests, the funds representing those interests shall be added together and insured up to \$100,000 in the aggregate. Such insurance coverage shall be in addition to the coverage provided for the funds representing non-contingent trust interests which are insured pursuant to paragraph (a) of this section.

§ 330.14

(c) *Commingled accounts of bankruptcy trustees.* Whenever a bankruptcy trustee appointed under Title 11 of the United States Code commingles the funds of various bankruptcy estates in the same account at an insured depository institution, the funds of each Title 11 bankruptcy estate will be added together and insured up to \$100,000, separately from the funds of any other such estate.

§ 330.14 Retirement and other employee benefit plan accounts.

(a) *“Pass-through” insurance.* Except as provided in paragraph (b) of this section, any deposits of an employee benefit plan or of any eligible deferred compensation plan described in section 457 of the Internal Revenue Code of 1986 (26 U.S.C. 457) in an insured depository institution shall be insured on a “pass-through” basis, in the amount of up to \$100,000 for the non-contingent interest of each plan participant, provided that the rules prescribed in § 330.5 are satisfied.

(b) *Exception.* “Pass-through” insurance shall not be provided pursuant to paragraph (a) of this section with respect to any deposit accepted by an insured depository institution which, at the time the deposit is accepted, may not accept brokered deposits pursuant to section 29 of the Act (12 U.S.C. 1831f) unless, at the time the deposit is accepted:

(1) The institution meets each applicable capital standard; and

(2) The depositor receives a written statement from the institution indicating that such deposits are eligible for insurance coverage on a “pass-through” basis.

(c) *Aggregation—(1) Multiple plans.* Funds representing the non-contingent interests of a beneficiary in an employee benefit plan, or eligible deferred compensation plan described in section 457 of the Internal Revenue Code of 1986 (26 U.S.C. 457), which are deposited in one or more deposit accounts shall be aggregated with any other deposited funds representing such interests of the same beneficiary in other employee benefit plans, or eligible deferred compensation plans described in section 457 of the Internal Revenue Code of 1986,

12 CFR Ch. III (1–1–03 Edition)

established by the same employer or employee organization.

(2) *Certain retirement accounts.* (i) Deposits in an insured depository institution made in connection with the following types of retirement plans shall be aggregated and insured in the amount of up to \$100,000 per participant:

(A) Any individual retirement account described in section 408(a) of the Internal Revenue Code of 1986 (26 U.S.C. 408(a));

(B) Any eligible deferred compensation plan described in section 457 of the Internal Revenue Code of 1986 (26 U.S.C. 457); and

(C) Any individual account plan defined in section 3(34) of the Employee Retirement Income Security Act (ERISA) (29 U.S.C. 1002) and any plan described in section 401(d) of the Internal Revenue Code of 1986 (26 U.S.C. 401(d)), to the extent that participants and beneficiaries under such plans have the right to direct the investment of assets held in individual accounts maintained on their behalf by the plans.

(ii) The provisions of this paragraph (c) shall not apply with respect to the deposits of any employee benefit plan, or eligible deferred compensation plan described in section 457 of the Internal Revenue Code of 1986, which is not entitled to “pass-through” insurance pursuant to paragraph (b) of this section. Such deposits shall be aggregated and insured in the amount of \$100,000 per plan.

(d) *Determination of interests—(1) Defined contribution plans.* The value of an employee’s non-contingent interest in a defined contribution plan shall be deemed to be the employee’s account balance as of the date of default of the insured depository institution, regardless of whether said amount was derived, in whole or in part, from contributions of the employee and/or the employer to the account.

(2) *Defined benefit plans.* The value of an employee’s non-contingent interest in a defined benefit plan shall be deemed to be the present value of the employee’s interest in the plan, evaluated in accordance with the method of calculation ordinarily used under such

plan, as of the date of default of the insured depository institution.

(3) *Amounts taken into account.* For the purposes of applying the rule under paragraph (c)(2) of this section, only the present vested and ascertainable interests of each participant in an employee benefit plan or “457 Plan,” excluding any remainder interest created by, or as a result of, the plan, shall be taken into account in determining the amount of deposit insurance accorded to the deposits of the plan.

(e) *Treatment of contingent interests.* In the event that employees’ interests in an employee benefit plan are not capable of evaluation in accordance with the provisions of this section, or an account established for any such plan includes amounts for future participants in the plan, payment by the FDIC with respect to all such interests shall not exceed \$100,000 in the aggregate.

(f) *Overfunded pension plan deposits.* Any portion of an employee benefit plan’s deposits which is not attributable to the interests of the beneficiaries under the plan shall be deemed attributable to the overfunded portion of the plan’s assets and shall be aggregated and insured up to \$100,000, separately from any other deposits.

(g) *Definitions of “depositor”, “employee benefit plan”, “employee organization” and “non-contingent interest”.* Except as otherwise indicated in this section, for purposes of this section:

(1) The term *depositor* means the person(s) administering or managing an employee benefit plan.

(2) The term *employee benefit plan* has the same meaning given to such term in section 3(3) of the Employee Retirement Income Security Act of 1974 (ERISA) (29 U.S.C. 1002) and includes any plan described in section 401(d) of the Internal Revenue Code of 1986.

(3) The term *employee organization* means any labor union, organization, employee representation committee, association, group, or plan, in which employees participate and which exists for the purpose, in whole or in part, of dealing with employers concerning an employee benefit plan, or other matters incidental to employment relationships; or any employees’ beneficiary association organized for the

purpose, in whole or in part, of establishing such a plan.

(4) The term *non-contingent interest* means an interest capable of determination without evaluation of contingencies except for those covered by the present worth tables and rules of calculation for their use set forth in §20.2031-7 of the Federal Estate Tax Regulations (26 CFR 20.2031-7) or any similar present worth or life expectancy tables as may be published by the Internal Revenue Service.

(h) *Disclosure of capital status—(1) Disclosure upon request.* An insured depository institution shall, upon request, provide a clear and conspicuous written notice to any depositor of employee benefit plan funds of the institution’s leverage ratio, Tier 1 risk-based capital ratio, total risk-based capital ratio and prompt corrective action (PCA) capital category, as defined in the regulations of the institution’s primary federal regulator, and whether, in the depository institution’s judgment, employee benefit plan deposits made with the institution, at the time the information is requested, would be eligible for “pass-through” insurance coverage under paragraphs (a) and (b) of this section. Such notice shall be provided within five business days after receipt of the request for disclosure.

(2) *Disclosure upon opening of an account.* An insured depository institution shall, upon the opening of any account comprised of employee benefit plan funds, provide a clear and conspicuous written notice to the depositor consisting of an accurate explanation of the requirements for “pass-through” deposit insurance coverage provided in paragraphs (a) and (b) of this section; the institution’s PCA capital category; and a determination of whether or not, in the depository institution’s judgment, the funds being deposited are eligible for “pass-through” insurance coverage.

(3) *Disclosure when “pass-through” coverage is no longer available.* Whenever new, rolled-over or renewed employee benefit plan deposits placed with an insured depository institution would no longer be eligible for “pass-through” insurance coverage, the institution shall provide a clear and conspicuous

§ 330.15

12 CFR Ch. III (1-1-03 Edition)

written notice to all existing depositors of employee benefit plan funds of its new PCA capital category, if applicable, and that new, rolled-over or renewed deposits of employee benefit plan funds made after the applicable date shall not be eligible for “pass-through” insurance coverage under paragraphs (a) and (b) of this section. Such written notice shall be provided within ten business days after the institution receives notice or is deemed to have notice that it is no longer permitted to accept brokered deposits under section 29 of the Act and the institution no longer meets the requirements in paragraph (b) of this section.

(4) *Definition of “employee benefit plan”*. For purposes of this paragraph (h), the term “employee benefit plan” has the same meaning as provided under paragraph (g)(2) of this section but also includes any eligible deferred compensation plans described in section 457 of the Internal Revenue Code of 1986 (26 U.S.C. 457).

(5) *Accounts of an Indian tribe.* Each official custodian of funds of an Indian tribe (as defined in 25 U.S.C. 1452(c)), including an agency thereof having official custody of tribal funds, lawfully depositing the same in an insured depository institution shall be separately insured in the amount of:

(i) Up to \$100,000 in the aggregate for all time and savings deposits; and

(ii) Up to \$100,000 in the aggregate for all demand deposits.

(b) *Rules relating to the "official custodian"*—(1) *Qualifications for an "official custodian"*. In order to qualify as an "official custodian" for the purposes of paragraph (a) of this section, such custodian must have plenary authority, including control, over funds owned by the public unit which the custodian is appointed or elected to serve. Control of public funds includes possession, as well as the authority to establish accounts for such funds in insured depository institutions and to make deposits, withdrawals, and disbursements of such funds.

(2) *Official custodian of the funds of more than one public unit.* For the purposes of paragraph (a) of this section, if the same person is an official custodian of the funds of more than one public unit, he or she shall be separately insured with respect to the funds held by him or her for each such public unit, but shall not be separately insured by virtue of holding different offices in such public unit or, except as provided in paragraph (c) of this section, holding such funds for different purposes.

(3) *Split of authority or control over public unit funds.* If the exercise of authority or control over the funds of a public unit requires action by, or the consent of, two or more officers, employees, or agents of such public unit, then they will be treated as one "official custodian" for the purposes of this section.

(c) *Public bond issues.* Where an officer, agent or employee of a public unit has custody of certain funds which by law or under a bond indenture are required to be set aside to discharge a debt owed to the holders of notes or bonds issued by the public unit, any de-

posit of such funds in an insured depository institution shall be deemed to be a deposit by a trustee of trust funds of which the noteholders or bondholders are pro rata beneficiaries, and the beneficial interest of each noteholder or bondholder in the deposit shall be separately insured up to \$100,000.

(d) *Definition of "political subdivision"*. The term "political subdivision" includes drainage, irrigation, navigation, improvement, levee, sanitary, school or power districts, and bridge or port authorities and other special districts created by state statute or compacts between the states. It also includes any subdivision of a public unit mentioned in paragraphs (a)(2), (a)(3) and (a)(4) of this section or any principal department of such public unit:

With respect to time deposits which mature only after a prescribed notice period, the provisions of this part shall be effective on the earliest possible maturity date after June 24, 1993 assuming (solely for purposes of

this section) that notice had been given on that date.

§ 332.1 Purpose and scope.

(a) *Purpose.* This part governs the treatment of nonpublic personal infor-

mation about consumers by the financial institutions listed in paragraph (b) of this section. This part:

(1) Requires a financial institution to provide notice to customers about its privacy policies and practices;

(2) Describes the conditions under which a financial institution may disclose nonpublic personal information about consumers to nonaffiliated third parties; and

(b) *Scope.* (1) This part applies only to nonpublic personal information about individuals who obtain financial products or services primarily for personal, family, or household purposes from the institutions listed below. This part does not apply to information about companies or about individuals who obtain financial products or services for business, commercial, or agricultural purposes. § 332.2 Rule of construction.

Subpart A—Privacy and Opt Out Notices

§ 332.4 Initial privacy notice to consumers required.

(a) *Initial notice requirement.* You must provide a clear and conspicuous notice that accurately reflects your privacy policies and practices to:

(1) *Customer.* An individual who becomes your customer, not later than when you establish a customer relationship, except as provided in paragraph (e) of this section; and

(2) *Consumer.* A consumer, before you disclose any nonpublic personal information about the consumer to any nonaffiliated third party, if you make such a disclosure other than as authorized by §§ 332.14 and 332.15.

(b) *When initial notice to a consumer is not required.* You are not required to provide an initial notice to a consumer under paragraph (a) of this section if:

(1) You do not disclose any nonpublic personal information about the consumer to any nonaffiliated third party, other than as authorized by §§ 332.14 and 332.15; and

(2) You do not have a customer relationship with the consumer.

(c) *When you establish a customer relationship—*(1) *General rule.* You establish a customer relationship when you and the consumer enter into a continuing relationship.

(2) *Special rule for loans.* You establish a customer relationship with a consumer when you originate a loan to the consumer for personal, family, or household purposes. If you subsequently transfer the servicing rights to that loan to another financial institution, the customer relationship transfers with the servicing rights.

(3)(i) *Examples of establishing customer relationship.* You establish a customer relationship when the consumer:

(A) Opens a credit card account with you;

(B) Executes the contract to open a deposit account with you, obtains credit from you, or purchases insurance from you;

(C) Agrees to obtain financial, economic, or investment advisory services from you for a fee; or

(D) Becomes your client for the purpose of your providing credit counseling or tax preparation services.

(ii) *Examples of loan rule.* You establish a customer relationship with a consumer who obtains a loan for personal, family, or household purposes when you:

(A) Originate the loan to the consumer; or

(B) Purchase the servicing rights to the consumer's loan.

(d) *Existing customers.* When an existing customer obtains a new financial product or service from you that is to be used primarily for personal, family, or household purposes, you satisfy the initial notice requirements of paragraph (a) of this section as follows:

(1) You may provide a revised privacy notice, under § 332.8, that covers the customer's new financial product or service; or

(2) If the initial, revised, or annual notice that you most recently provided to that customer was accurate with respect to the new financial product or service, you do not need to provide a new privacy notice under paragraph (a) of this section.

(e) *Exceptions to allow subsequent delivery of notice.* (1) You may provide the initial notice required by paragraph (a)(1) of this section within a reasonable time after you establish a customer relationship if:

(i) Establishing the customer relationship is not at the customer's election; or

(ii) Providing notice not later than when you establish a customer relationship would substantially delay the customer's transaction and the customer agrees to receive the notice at a later time.

(2) *Examples of exceptions—*(i) *Not at customer's election.* Establishing a customer relationship is not at the customer's election if you acquire a customer's deposit liability or the servicing rights to a customer's loan from another financial institution and the customer does not have a choice about your acquisition.

(ii) *Substantial delay of customer's transaction.* Providing notice not later than when you establish a customer relationship would substantially delay the customer's transaction when:

§ 332.5

(A) You and the individual agree over the telephone to enter into a customer relationship involving prompt delivery of the financial product or service; or

(B) You establish a customer relationship with an individual under a program authorized by Title IV of the Higher Education Act of 1965 (20 U.S.C. 1070 *et seq.*) or similar student loan programs where loan proceeds are disbursed promptly without prior communication between you and the customer.

(iii) *No substantial delay of customer's transaction.* Providing notice not later than when you establish a customer relationship would not substantially delay the customer's transaction when the relationship is initiated in person at your office or through other means by which the customer may view the notice, such as on a web site.

(f) *Delivery.* When you are required to deliver an initial privacy notice by this section, you must deliver it according to § 332.9. If you use a short-form initial notice for non-customers according to § 332.6(d), you may deliver your privacy notice according to § 332.6(d)(3).

§ 332.5 Annual privacy notice to customers required.

(a)(1) *General rule.* You must provide a clear and conspicuous notice to customers that accurately reflects your privacy policies and practices not less than annually during the continuation of the customer relationship. *Annually* means at least once in any period of 12 consecutive months during which that relationship exists. You may define the 12-consecutive-month period, but you must apply it to the customer on a consistent basis.

(2) *Example.* You provide a notice annually if you define the 12-consecutive-month period as a calendar year and provide the annual notice to the customer once in each calendar year following the calendar year in which you provided the initial notice. For example, if a customer opens an account on any day of year 1, you must provide an annual notice to that customer by December 31 of year 2.

(b)(1) *Termination of customer relationship.* You are not required to provide an annual notice to a former customer.

12 CFR Ch. III (1–1–03 Edition)

(2) *Examples.* Your customer becomes a former customer when:

(i) In the case of a deposit account, the account is inactive under your policies;

(ii) In the case of a closed-end loan, the customer pays the loan in full, you charge off the loan, or you sell the loan without retaining servicing rights;

(iii) In the case of a credit card relationship or other open-end credit relationship, you no longer provide any statements or notices to the customer concerning that relationship or you sell the credit card receivables without retaining servicing rights; or

(iv) You have not communicated with the customer about the relationship for a period of 12 consecutive months, other than to provide annual privacy notices or promotional material.

(c) *Special rule for loans.* If you do not have a customer relationship with a consumer under the special rule for loans in § 332.4(c)(2), then you need not provide an annual notice to that consumer under this section.

(d) *Delivery.* When you are required to deliver an annual privacy notice by this section, you must deliver it according to § 332.9.

§ 332.6 Information to be included in privacy notices.

(a) *General rule.* The initial, annual and revised privacy notices that you provide under §§ 332.4, 332.5, and 332.8 must include each of the following items of information, in addition to any other information you wish to provide, that applies to you and to the consumers to whom you send your privacy notice:

(1) The categories of nonpublic personal information that you collect;

(2) The categories of nonpublic personal information that you disclose;

(3) The categories of affiliates and nonaffiliated third parties to whom you disclose nonpublic personal information, other than those parties to whom you disclose information under §§ 332.14 and 332.15;

(4) The categories of nonpublic personal information about your former customers that you disclose and the categories of affiliates and nonaffiliated third parties to whom you

disclose nonpublic personal information about your former customers, other than those parties to whom you disclose information under §§ 332.14 and 332.15;

(5) If you disclose nonpublic personal information to a nonaffiliated third party under § 332.13 (and no other exception in § 332.14 or 332.15 applies to that disclosure), a separate statement of the categories of information you disclose and the categories of third parties with whom you have contracted;

(6) An explanation of the consumer's right under § 332.10(a) to opt out of the disclosure of nonpublic personal information to nonaffiliated third parties, including the method(s) by which the consumer may exercise that right at that time;

(7) Any disclosures that you make under section 603(d)(2)(A)(iii) of the Fair Credit Reporting Act (15 U.S.C. 1681a(d)(2)(A)(iii)) (that is, notices regarding the ability to opt out of disclosures of information among affiliates);

(8) Your policies and practices with respect to protecting the confidentiality and security of nonpublic personal information; and

(9) Any disclosure that you make under paragraph (b) of this section.

(b) *Description of nonaffiliated third parties subject to exceptions.* If you disclose nonpublic personal information to third parties as authorized under §§ 332.14 and 332.15, you are not required to list those exceptions in the initial or annual privacy notices required by §§ 332.4 and 332.5. When describing the categories with respect to those parties, you are required to state only that you make disclosures to other nonaffiliated third parties as permitted by law.

(c) *Examples*—(1) *Categories of nonpublic personal information that you collect.* You satisfy the requirement to categorize the nonpublic personal information that you collect if you list the following categories, as applicable:

- (i) Information from the consumer;
- (ii) Information about the consumer's transactions with you or your affiliates;
- (iii) Information about the consumer's transactions with nonaffiliated third parties; and

(iv) Information from a consumer reporting agency.

(2) *Categories of nonpublic personal information you disclose*—(i) You satisfy the requirement to categorize the nonpublic personal information that you disclose if you list the categories described in paragraph (c)(1) of this section, as applicable, and a few examples to illustrate the types of information in each category.

(ii) If you reserve the right to disclose all of the nonpublic personal information about consumers that you collect, you may simply state that fact without describing the categories or examples of the nonpublic personal information you disclose.

(3) *Categories of affiliates and non-affiliated third parties to whom you disclose.* You satisfy the requirement to categorize the affiliates and non-affiliated third parties to whom you disclose nonpublic personal information if you list the following categories, as applicable, and a few examples to illustrate the types of third parties in each category.

- (i) Financial service providers;
- (ii) Non-financial companies; and
- (iii) Others.

(4) *Disclosures under exception for service providers and joint marketers.* If you disclose nonpublic personal information under the exception in § 332.13 to a nonaffiliated third party to market products or services that you offer alone or jointly with another financial institution, you satisfy the disclosure requirement of paragraph (a)(5) of this section if you:

- (i) List the categories of nonpublic personal information you disclose, using the same categories and examples you used to meet the requirements of paragraph (a)(2) of this section, as applicable; and
- (ii) State whether the third party is:
 - (A) A service provider that performs marketing services on your behalf or on behalf of you and another financial institution; or
 - (B) A financial institution with whom you have a joint marketing agreement.

(5) *Simplified notices.* If you do not disclose, and do not wish to reserve the right to disclose, nonpublic personal information about customers or former

§ 332.7

customers to affiliates or nonaffiliated third parties except as authorized under §§ 332.14 and 332.15, you may simply state that fact, in addition to the information you must provide under paragraphs (a)(1), (a)(8), (a)(9), and (b) of this section.

(6) *Confidentiality and security.* You describe your policies and practices with respect to protecting the confidentiality and security of nonpublic personal information if you do both of the following:

(i) Describe in general terms who is authorized to have access to the information; and

(ii) State whether you have security practices and procedures in place to ensure the confidentiality of the information in accordance with your policy. You are not required to describe technical information about the safeguards you use.

(d) *Short-form initial notice with opt out notice for non-customers*—(1) You may satisfy the initial notice requirements in §§ 332.4(a)(2), 332.7(b), and 332.7(c) for a consumer who is not a customer by providing a short-form initial notice at the same time as you deliver an opt out notice as required in § 332.7.

(2) A short-form initial notice must:

(i) Be clear and conspicuous;

(ii) State that your privacy notice is available upon request; and

(iii) Explain a reasonable means by which the consumer may obtain that notice.

(3) You must deliver your short-form initial notice according to § 332.9. You are not required to deliver your privacy notice with your short-form initial notice. You instead may simply provide the consumer a reasonable means to obtain your privacy notice. If a consumer who receives your short-form notice requests your privacy notice, you must deliver your privacy notice according to § 332.9.

(4) *Examples of obtaining privacy notice.* You provide a reasonable means by which a consumer may obtain a copy of your privacy notice if you:

(i) Provide a toll-free telephone number that the consumer may call to request the notice; or

12 CFR Ch. III (1–1–03 Edition)

tain copies of the notice on hand that you provide to the consumer immediately upon request.

(e) *Future disclosures.* Your notice may include:

(1) Categories of nonpublic personal information that you reserve the right to disclose in the future, but do not currently disclose; and

(2) Categories of affiliates or nonaffiliated third parties to whom you reserve the right in the future to disclose, but to whom you do not currently disclose, nonpublic personal information.

(f) *Sample clauses.* Sample clauses illustrating some of the notice content required by this section are included in appendix A of this part.

§ 332.7 Form of opt out notice to consumers; opt out methods.

(a) (1) *Form of opt out notice.* If you are required to provide an opt out notice under § 332.10(a), you must provide a clear and conspicuous notice to each of your consumers that accurately explains the right to opt out under that section. The notice must state:

(ii) That the consumer has the right to opt out of that disclosure; and

(iii) A reasonable means by which the consumer may exercise the opt out right.

(2) *Examples*—(i) *Adequate opt out notice.* You provide adequate notice that the consumer can opt out of the disclosure of nonpublic personal information to a nonaffiliated third party if you:

(A) Identify all of the categories of nonpublic personal information that you disclose or reserve the right to disclose, and all of the categories of nonaffiliated third parties to which you disclose the information, as described in § 332.6(a)(2) and (3), and state that the consumer can opt out of the disclosure of that information; and

(B) Identify the financial products or services that the consumer obtains from you, either singly or jointly, to which the opt out direction would apply.

(ii) *Reasonable opt out means.* You provide a reasonable means to exercise an opt out right if you:

(A) Designate check-off boxes in a prominent position on the relevant forms with the opt out notice;

(B) Include a reply form together with the opt out notice;

(C) Provide an electronic means to opt out, such as a form that can be sent via electronic mail or a process at your web site, if the consumer agrees to the electronic delivery of information; or

(D) Provide a toll-free telephone number that consumers may call to opt out.

(iii) *Unreasonable opt out means.* You do not provide a reasonable means of opting out if:

(A) The only means of opting out is for the consumer to write his or her own letter to exercise that opt out right; or

(B) The only means of opting out as described in any notice subsequent to the initial notice is to use a check-off box that you provide with the initial notice but did not include with the subsequent notice.

(iv) *Specific opt out means.* You may require each consumer to opt out through a specific means, as long as that means is reasonable for that consumer.

(b) *Same form as initial notice permitted.* You may provide the opt out notice together with or on the same written or electronic form as the initial notice you provide in accordance with §332.4.

(c) *Initial notice required when opt out notice delivered subsequent to initial notice.* If you provide the opt out notice later than required for the initial notice in accordance with §332.4, you must also include a copy of the initial notice with the opt out notice in writing or, if the consumer agrees, electronically.

(d) *Joint relationships*—(1) If two or more consumers jointly obtain a financial product or service from you, you may provide a single opt out notice. Your opt out notice must explain how you will treat an opt out direction by a joint consumer (as explained in paragraph (d)(5) of this section).

(2) Any of the joint consumers may exercise the right to opt out. You may either:

(i) Treat an opt out direction by a joint consumer as applying to all of the associated joint consumers; or

(ii) Permit each joint consumer to opt out separately.

(3) If you permit each joint consumer to opt out separately, you must permit one of the joint consumers to opt out on behalf of all of the joint consumers.

(4) You may not require *all* joint consumers to opt out before you implement *any* opt out direction.

(5) *Example.* If John and Mary have a joint checking account with you and arrange for you to send statements to John's address, you may do any of the following, but you must explain in your opt out notice which opt out policy you will follow:

(i) Send a single opt out notice to John's address, but you must accept an opt out direction from either John or Mary.

(ii) Treat an opt out direction by either John or Mary as applying to the entire account. If you do so, and John opts out, you may not require Mary to opt out as well before implementing John's opt out direction.

(iii) Permit John and Mary to make different opt out directions. If you do so:

(A) You must permit John and Mary to opt out for each other;

(B) If both opt out, you must permit both to notify you in a single response (such as on a form or through a telephone call); and

(C) If John opts out and Mary does not, you may only disclose nonpublic personal information about Mary, but not about John and not about John and Mary jointly.

(e) *Time to comply with opt out.* You must comply with a consumer's opt out direction as soon as reasonably practicable after you receive it.

(f) *Continuing right to opt out.* A consumer may exercise the right to opt out at any time.

(g) *Duration of consumer's opt out direction*—(1) A consumer's direction to opt out under this section is effective until the consumer revokes it in writing or, if the consumer agrees, electronically.

§ 332.8

(2) When a customer relationship terminates, the customer's opt out direction continues to apply to the nonpublic personal information that you collected during or related to that relationship. If the individual subsequently establishes a new customer relationship with you, the opt out direction that applied to the former relationship does not apply to the new relationship.

(h) *Delivery.* When you are required to deliver an opt out notice by this section, you must deliver it according to § 332.9.

§ 332.8 Revised privacy notices.

(a) *General rule.* Except as otherwise authorized in this part, you must not, directly or through any affiliate, disclose any nonpublic personal information about a consumer to a non-affiliated third party other than as described in the initial notice that you provided to that consumer under § 332.4, unless:

(1) You have provided to the consumer a clear and conspicuous revised notice that accurately describes your policies and practices;

(2) You have provided to the consumer a new opt out notice;

(3) You have given the consumer a reasonable opportunity, before you disclose the information to the non-affiliated third party, to opt out of the disclosure; and

(4) The consumer does not opt out.

(b) *Examples*—(1) Except as otherwise permitted by §§ 332.13, 332.14, and 332.15, you must provide a revised notice before you:

(i) Disclose a new category of nonpublic personal information to any nonaffiliated third party;

(ii) Disclose nonpublic personal information to a new category of nonaffiliated third party; or

(iii) Disclose nonpublic personal information about a former customer to a nonaffiliated third party, if that former customer has not had the opportunity to exercise an opt out right regarding that disclosure.

(2) A revised notice is not required if you disclose nonpublic personal information to a new nonaffiliated third party that you adequately described in your prior notice.

12 CFR Ch. III (1–1–03 Edition)

(c) *Delivery.* When you are required to deliver a revised privacy notice by this section, you must deliver it according to § 332.9.

§ 332.9 Delivering privacy and opt out notices.

(a) *How to provide notices.* You must provide any privacy notices and opt out notices, including short-form initial notices, that this part requires so that each consumer can reasonably be expected to receive actual notice in writing or, if the consumer agrees, electronically.

(b) (1) *Examples of reasonable expectation of actual notice.* You may reasonably expect that a consumer will receive actual notice if you:

(i) Hand-deliver a printed copy of the notice to the consumer;

(ii) Mail a printed copy of the notice to the last known address of the consumer;

(iii) For the consumer who conducts transactions electronically, post the notice on the electronic site and require the consumer to acknowledge receipt of the notice as a necessary step to obtaining a particular financial product or service; or

(iv) For an isolated transaction with the consumer, such as an ATM transaction, post the notice on the ATM screen and require the consumer to acknowledge receipt of the notice as a necessary step to obtaining the particular financial product or service.

(2) *Examples of unreasonable expectation of actual notice.* You may not, however, reasonably expect that a consumer will receive actual notice of your privacy policies and practices if you:

(i) Only post a sign in your branch or office or generally publish advertisements of your privacy policies and practices; or

(ii) Send the notice via electronic mail to a consumer who does not obtain a financial product or service from you electronically.

(c) *Annual notices only.* You may reasonably expect that a customer will receive actual notice of your annual privacy notice if:

(1) The customer uses your web site to access financial products and services electronically and agrees to receive notices at the web site, and you post your current privacy notice continuously in a clear and conspicuous manner on the web site; or

(2) The customer has requested that you refrain from sending any information regarding the customer relationship, and your current privacy notice remains available to the customer upon request.

(d) *Oral description of notice insufficient.* You may not provide any notice required by this part solely by orally explaining the notice, either in person or over the telephone.

(e) *Retention or accessibility of notices for customers*—(1) For customers only, you must provide the initial notice required by § 332.4(a)(1), the annual notice required by § 332.5(a), and the revised notice required by § 332.8 so that the customer can retain them or obtain them later in writing or, if the customer agrees, electronically.

(2) *Examples of retention or accessibility.* You provide a privacy notice to the customer so that the customer can retain it or obtain it later if you:

(i) Hand-deliver a printed copy of the notice to the customer;

(ii) Mail a printed copy of the notice to the last known address of the customer; or

(iii) Make your current privacy notice available on a web site (or a link to another web site) for the customer who obtains a financial product or service electronically and agrees to receive the notice at the web site.

(f) *Joint notice with other financial institutions.* You may provide a joint notice from you and one or more of your affiliates or other financial institutions, as identified in the notice, as long as the notice is accurate with respect to you and the other institutions.

(g) *Joint relationships.* If two or more consumers jointly obtain a financial product or service from you, you may satisfy the initial, annual, and revised notice requirements of §§ 332.4(a), 332.5(a), and 332.8(a), respectively, by providing one notice to those consumers jointly.

Subpart B—Limits on Disclosures

§ 332.10 Limits on disclosure of non-public personal information to non-affiliated third parties.

(a) (1) *Conditions for disclosure.* Except as otherwise authorized in this part, you may not, directly or through any affiliate, disclose any nonpublic personal information about a consumer to a nonaffiliated third party unless:

(i) You have provided to the consumer an initial notice as required under § 332.4;

(ii) You have provided to the consumer an opt out notice as required in § 332.7;

(iii) You have given the consumer a reasonable opportunity, before you disclose the information to the non-affiliated third party, to opt out of the disclosure; and

(iv) The consumer does not opt out.

(2) *Opt out definition.* Opt out means a direction by the consumer that you not disclose nonpublic personal information about that consumer to a non-affiliated third party, other than as permitted by §§ 332.13, 332.14, and 332.15.

(3) *Examples of reasonable opportunity to opt out.* You provide a consumer with a reasonable opportunity to opt out if:

(i) *By mail.* You mail the notices required in paragraph (a)(1) of this section to the consumer and allow the consumer to opt out by mailing a form, calling a toll-free telephone number, or any other reasonable means within 30 days from the date you mailed the notices.

(ii) *By electronic means.* A customer opens an on-line account with you and agrees to receive the notices required in paragraph (a)(1) of this section electronically, and you allow the customer to opt out by any reasonable means within 30 days after the date that the customer acknowledges receipt of the notices in conjunction with opening the account.

(iii) *Isolated transaction with consumer.* For an isolated transaction, such as the purchase of a cashier's check by a consumer, you provide the consumer with a reasonable opportunity to opt out if you provide the notices required in paragraph (a)(1) of this section at the time of the transaction and request that the consumer

§ 332.11

decide, as a necessary part of the transaction, whether to opt out before completing the transaction.

(b) *Application of opt out to all consumers and all nonpublic personal information*—(1) You must comply with this section, regardless of whether you and the consumer have established a customer relationship.

(2) Unless you comply with this section, you may not, directly or through any affiliate, disclose any nonpublic personal information about a consumer that you have collected, regardless of whether you collected it before or after receiving the direction to opt out from the consumer.

(c) *Partial opt out*. You may allow a consumer to select certain nonpublic personal information or certain non-affiliated third parties with respect to which the consumer wishes to opt out.

§ 332.11 Limits on redisclosure and reuse of information.

(a)(1) *Information you receive under an exception*. If you receive nonpublic personal information from a nonaffiliated financial institution under an exception in § 332.14 or 332.15 of this part, your disclosure and use of that information is limited as follows:

(i) You may disclose the information to the affiliates of the financial institution from which you received the information;

(ii) You may disclose the information to your affiliates, but your affiliates may, in turn, disclose and use the information only to the extent that you may disclose and use the information; and

(iii) You may disclose and use the information pursuant to an exception in § 332.14 or 332.15 in the ordinary course of business to carry out the activity covered by the exception under which you received the information.

(2) *Example*. If you receive a customer list from a nonaffiliated financial institution in order to provide account processing services under the exception in § 332.14(a), you may disclose that information under any exception in § 332.14 or 332.15 in the ordinary course of business in order to provide those services. For example, you could disclose the information in response to a properly authorized subpoena or to

your attorneys, accountants, and auditors. You could not disclose that information to a third party for marketing purposes or use that information for your own marketing purposes.

(b)(1) *Information you receive outside of an exception*. If you receive nonpublic personal information from a non-affiliated financial institution other than under an exception in § 332.14 or 332.15 of this part, you may disclose the information only:

(i) To the affiliates of the financial institution from which you received the information;

(ii) To your affiliates, but your affiliates may, in turn, disclose the information only to the extent that you can disclose the information; and

(iii) To any other person, if the disclosure would be lawful if made directly to that person by the financial institution from which you received the information.

(2) *Example*. If you obtain a customer list from a nonaffiliated financial institution outside of the exceptions in § 332.14 and 332.15:

(i) You may use that list for your own purposes; and

(ii) You may disclose that list to another nonaffiliated third party only if the financial institution from which you purchased the list could have lawfully disclosed the list to that third party. That is, you may disclose the list in accordance with the privacy policy of the financial institution from which you received the list, as limited by the opt out direction of each consumer whose nonpublic personal information you intend to disclose, and you may disclose the list in accordance with an exception in § 332.14 or 332.15, such as to your attorneys or accountants.

(c) *Information you disclose under an exception*. If you disclose nonpublic personal information to a nonaffiliated third party under an exception in § 332.14 or 332.15 of this part, the third party may disclose and use that information only as follows:

(1) The third party may disclose the information to your affiliates;

(2) The third party may disclose the information to its affiliates, but its affiliates may, in turn, disclose and use the information only to the extent that

Federal Deposit Insurance Corporation

§ 332.13

the third party may disclose and use the information; and

(3) The third party may disclose and use the information pursuant to an exception in §332.14 or 332.15 in the ordinary course of business to carry out the activity covered by the exception under which it received the information.

(d) *Information you disclose outside of an exception.* If you disclose nonpublic personal information to a nonaffiliated third party other than under an exception in §332.14 or 332.15 of this part, the third party may disclose the information only:

(1) To your affiliates;

(2) To its affiliates, but its affiliates, in turn, may disclose the information only to the extent the third party can disclose the information; and

(3) To any other person, if the disclosure would be lawful if you made it directly to that person.

§332.12 Limits on sharing account number information for marketing purposes.

(a) *General prohibition on disclosure of account numbers.* You must not, directly or through an affiliate, disclose, other than to a consumer reporting agency, an account number or similar form of access number or access code for a consumer's credit card account, deposit account, or transaction account to any nonaffiliated third party for use in telemarketing, direct mail marketing, or other marketing through electronic mail to the consumer.

(b) *Exceptions.* Paragraph (a) of this section does not apply if you disclose an account number or similar form of access number or access code:

(1) To your agent or service provider solely in order to perform marketing for your own products or services, as long as the agent or service provider is not authorized to directly initiate charges to the account; or

(2) To a participant in a private label credit card program or an affinity or similar program where the participants in the program are identified to the customer when the customer enters into the program.

(c) *Examples*—(1) *Account number.* An account number, or similar form of ac-

cess number or access code, does not include a number or code in an encrypted form, as long as you do not provide the recipient with a means to decode the number or code.

(2) *Transaction account.* A transaction account is an account other than a deposit account or a credit card account. A transaction account does not include an account to which third parties cannot initiate charges.

Subpart C—Exceptions

§332.13 Exception to opt out requirements for service providers and joint marketing.

(a) *General rule.* (1) The opt out requirements in §§332.7 and 332.10 do not apply when you provide nonpublic personal information to a nonaffiliated third party to perform services for you or functions on your behalf, if you:

(i) Provide the initial notice in accordance with §332.4; and

(ii) Enter into a contractual agreement with the third party that prohibits the third party from disclosing or using the information other than to carry out the purposes for which you disclosed the information, including use under an exception in §332.14 or 332.15 in the ordinary course of business to carry out those purposes.

(2) *Example.* If you disclose nonpublic personal information under this section to a financial institution with which you perform joint marketing, your contractual agreement with that institution meets the requirements of paragraph (a)(1)(ii) of this section if it prohibits the institution from disclosing or using the nonpublic personal information except as necessary to carry out the joint marketing or under an exception in §332.14 or 332.15 in the ordinary course of business to carry out that joint marketing.

(b) *Service may include joint marketing.* The services a nonaffiliated third party performs for you under paragraph (a) of this section may include marketing of your own products or services or marketing of financial products or services offered pursuant to joint agreements between you and one or more financial institutions.

(c) *Definition of joint agreement.* For purposes of this section, joint agreement means a written contract pursuant to which you and one or more financial institutions jointly offer, endorse, or sponsor a financial product or service.

§ 332.14 Exceptions to notice and opt out requirements for processing and servicing transactions.

(a) *Exceptions for processing transactions at consumer's request.* The requirements for initial notice in § 332.4(a)(2), for the opt out in §§ 332.7 and 332.10 and for service providers and joint marketing in § 332.13 do not apply if you disclose nonpublic personal information as necessary to effect, administer, or enforce a transaction that a consumer requests or authorizes, or in connection with:

- (1) Servicing or processing a financial product or service that a consumer requests or authorizes;
- (2) Maintaining or servicing the consumer's account with you, or with another entity as part of a private label credit card program or other extension of credit on behalf of such entity; or
- (3) A proposed or actual securitization, secondary market sale (including sales of servicing rights), or similar transaction related to a transaction of the consumer.

(b) *Necessary to effect, administer, or enforce a transaction* means that the disclosure is:

- (1) Required, or is one of the lawful or appropriate methods, to enforce your rights or the rights of other persons engaged in carrying out the financial transaction or providing the product or service; or
- (2) Required, or is a usual, appropriate or acceptable method:
 - (i) To carry out the transaction or the product or service business of which the transaction is a part, and record, service, or maintain the consumer's account in the ordinary course of providing the financial service or financial product;
 - (ii) To administer or service benefits or claims relating to the transaction or the product or service business of which it is a part;
 - (iii) To provide a confirmation, statement, or other record of the trans-

action, or information on the status or value of the financial service or financial product to the consumer or the consumer's agent or broker;

(iv) To accrue or recognize incentives or bonuses associated with the transaction that are provided by you or any other party;

(v) To underwrite insurance at the consumer's request or for reinsurance purposes, or for any of the following purposes as they relate to a consumer's insurance: account administration, reporting, investigating, or preventing fraud or material misrepresentation, processing premium payments, processing insurance claims, administering insurance benefits (including utilization review activities), participating in research projects, or as otherwise required or specifically permitted by Federal or State law; or

- (vi) In connection with:
 - (A) The authorization, settlement, billing, processing, clearing, transferring, reconciling or collection of amounts charged, debited, or otherwise paid using a debit, credit, or other payment card, check, or account number, or by other payment means;
 - (B) The transfer of receivables, accounts, or interests therein; or
 - (C) The audit of debit, credit, or other payment information.

§ 332.15 Other exceptions to notice and opt out requirements.

(a) *Exceptions to opt out requirements.* The requirements for initial notice in § 332.4(a)(2), for the opt out in §§ 332.7 and 332.10, and for service providers and joint marketing in § 332.13 do not apply when you disclose nonpublic personal information:

- (1) With the consent or at the direction of the consumer, provided that the consumer has not revoked the consent or direction;
- (2) (i) To protect the confidentiality or security of your records pertaining to the consumer, service, product, or transaction;

(2) A consumer may revoke consent by subsequently exercising the right to opt out of future disclosures of nonpublic personal information as permitted under § 332.7(f).

Subpart D—Relation to Other Laws; Effective Date

§ 332.16 Protection of Fair Credit Reporting Act.

Nothing in this part shall be construed to modify, limit, or supersede the operation of the Fair Credit Reporting Act (15 U.S.C. 1681 *et seq.*), and no inference shall be drawn on the basis of the provisions of this part regarding whether information is transaction or experience information under section 603 of that Act.

§ 332.17 Relation to State laws.

(a) *In general.* This part shall not be construed as superseding, altering, or affecting any statute, regulation, order, or interpretation in effect in any State, except to the extent that such State statute, regulation, order, or interpretation is inconsistent with the provisions of this part, and then only to the extent of the inconsistency.

(b) *Greater protection under State law.* For purposes of this section, a State statute, regulation, order, or interpretation is not inconsistent with the provisions of this part if the protection such statute, regulation, order, or interpretation affords any consumer is greater than the protection provided under this part, as determined by the Federal Trade Commission, after consultation with the FDIC, on the Federal Trade Commission's own motion, or upon the petition of any interested party.

§ 332.18 Effective date; transition rule.

(a) *Effective date.* This part is effective November 13, 2000. In order to provide sufficient time for you to establish policies and systems to comply with the requirements of this part, the FDIC

has extended the time for compliance with this part until July 1, 2001.

(b)(1) *Notice requirement for consumers who are your customers on the compliance date.* By July 1, 2001, you must have provided an initial notice, as required by § 332.4, to consumers who are your customers on July 1, 2001.

(2) *Example.* You provide an initial notice to consumers who are your customers on July 1, 2001, if, by that date, you have established a system for providing an initial notice to all new customers and have mailed the initial notice to all your existing customers.

(c) *Two-year grandfathering of service agreements.* Until July 1, 2002, a contract that you have entered into with a nonaffiliated third party to perform services for you or functions on your behalf satisfies the provisions of § 332.13(a)(1)(ii) of this part, even if the contract does not include a requirement that the third party maintain the confidentiality of nonpublic personal information, as long as you entered into the contract on or before July 1, 2000.

333.101 Prior consent not required.

§ 333.1

AUTHORITY: 12 U.S.C. 1816, 1818, 1819 (“Seventh”, “Eighth” and “Tenth”), 1828, 1828(m), 1831p-1(c).

REGULATIONS

§ 333.1 Classification of general character of business.

State nonmember insured banks are divided into five categories for the purpose of classifying their general character or type of business,² viz: commercial banks, banks and trust companies, savings banks (including mutual and stock), industrial banks, and cash depositories.

[15 FR 8644, Dec. 6, 1950]

§ 333.2 Change in general character of business.

No State nonmember insured bank (except a District bank) or branch thereof shall hereafter cause or permit any change to be made in the general character or type of business exercised by it after the effective date of this part without the prior written consent of the Corporation.

[15 FR 8644, Dec. 6, 1950]

§ 333.4 Conversions from mutual to stock form.

(a) *Scope.* This section applies to the conversion of insured mutual state savings banks to the stock form of ownership. It supplements the procedural and other requirements for such conversions in §303.15 of this chapter. This section also applies, to the extent appropriate, to the reorganization of insured mutual state savings banks to the mutual holding company form of ownership. As determined by the Board of Directors of the FDIC on a case-by-case basis, the requirements of paragraphs (d), (e), and (f) of this section do not apply to mutual-to-stock conversions of insured mutual state savings banks whose capital category under §325.103 of this chapter is “undercapitalized”, “significantly undercapitalized” or “critically undercapitalized”. As provided in §303.162 of this chapter, the Board of Directors of the FDIC may grant a waiver in writ-

ing from any requirement of this section for good cause shown.

(b) *Definition of Eligible Depositor.* For purposes of this section, *eligible depositors* are depositors holding qualifying deposits at the bank as of a date designated in the bank’s plan of conversion that is not less than one year prior to the date of adoption of the plan of conversion by the converting bank’s board of directors/trustees.

(c) *Requirements.* In addition to other requirements that may be imposed by the applicable state statutes and regulations and other federal statutes and regulations, including §303.15 of this chapter, an insured mutual state savings bank shall not convert to the stock form of ownership unless the following requirements are satisfied:

(1) Eligible depositors shall have higher subscription rights than employee stock ownership plans;

(2) The proposed conversion shall be approved by a vote of at least a majority of the bank’s depositors and, as reasonably determined by the bank’s directors or trustees, other stakeholders of the bank who are entitled to vote on the conversion, unless the applicable state law requires a higher percentage, in which case the higher percentage shall be used. Voting may be in person or by proxy; and

(3) Management shall not use proxies executed outside the context of the proposed conversion to satisfy the voting requirement imposed in the previous paragraph.

(d) *Restriction on repurchase of stock.* An insured mutual state savings bank that has converted from the mutual to stock form of ownership may not repurchase its capital stock within one year following the date of its conversion to stock form, except that stock repurchases of no greater than 5% of the bank’s outstanding capital stock may be repurchased during this one-year period where compelling and valid business reasons are established, to the satisfaction of the FDIC. Any stock repurchases shall be subject to the requirements of section 18(i)(1) of the Federal Deposit Insurance Act (12 U.S.C. 1828(i)(1)).

(e) *Stock benefit plan limitations.* The FDIC will presume that a stock option plan or management or employee stock

benefit plan that does not conform with the applicable percentage limitations of the regulations issued by the Office of Thrift Supervision constitutes excessive insider benefits and thereby evidences a breach of the board of directors' or trustees' fiduciary responsibility. In addition, no converted insured mutual state savings bank shall, for one year from the date of the conversion, implement a stock option plan or management or employee stock benefit plan, other than a tax-qualified employee stock ownership plan, unless each of the following requirements is met:

(1) Each of the plans was fully disclosed in the proxy solicitation and conversion stock offering materials;

(2) All such plans are approved by a majority of the bank's stockholders, or in the case of a recently formed holding company, its stockholders, prior to implementation at a duly called meeting of shareholders, either annual or special, to be held no sooner than six months after the completion of the conversion;

(3) In the case of a savings bank subsidiary of a mutual holding company, all such plans are approved by a majority of stockholders other than its parent mutual holding company prior to implementation at a duly called meeting of shareholders, either annual or special, to be held no sooner than six months following the stock issuance;

(4) For stock option plans, stock options are granted at no lower than the market price at which the stock is trading at the time of grant; and

(5) For management or employee stock benefit plans, no conversion stock is used to fund the plans.

[59 FR 61246, Nov. 30, 1994, as amended at 63 FR 44750, Aug. 20, 1998]

INTERPRETATIONS

§ 333.101 Prior consent not required.

(a) The extension by any State nonmember insured bank of its business to include personal, character or installment loans, or the extension by an industrial bank of its business to include the business of a commercial bank, is not a change in the general character or type of business requiring the prior written consent of the Corporation.

(b) An insured State nonmember bank, not exercising trust powers may act as trustee or custodian of Individual Retirement Accounts established pursuant to the Employee Retirement Income Security Act of 1974 and Self-Employed Retirement Plans established pursuant to the Self-Employed Individuals Retirement Act of 1962 without the prior written consent of the Corporation provided:

(1) The bank's duties as trustee or custodian are essentially custodial or ministerial in nature, (2) the bank is required to invest the funds from such plans only (i) in its own time or savings deposits, or (ii) in any other assets at the direction of the customer provided the bank does not exercise any investment discretion or provided any investment advice with respect to such account assets, and (3) the bank's acceptance of such accounts without trust powers is not contrary to State law.

(2) For the purposes of this paragraph (e), a routine meeting means:

(3) Where preliminary copies of material are filed with the FDIC under this section, the printing of definitive copies for distribution to security holders should be deferred until the comments of the FDIC's staff have been received and considered.

(f) *Additional information; filing of other statements in certain cases.* (1) In addition to the information expressly required to be included in a statement, form, schedule or report, there shall be added such further material information, if any, as may be necessary to make the required statements, in light of the circumstances under which they are made, not misleading.

(2) The FDIC may, upon the written request of the bank, and where consistent with the protection of investors, permit the omission of one or more of the statements or disclosures herein required, or the filing in substitution therefor of appropriate statements or disclosures of comparable character.

(3) The FDIC may also require the filing of other statements or disclosures in addition to, or in substitution for those herein required in any case where such statements are necessary or appropriate for an adequate presentation of the financial condition of any person whose financial statements are required, or disclosure about which is otherwise necessary for the protection of investors.

§335.901 Delegation of authority to the Director (DSC) and to the associate directors, regional directors and deputy regional directors to act on matters with respect to disclosure laws and regulations.

(a) Except as provided in paragraph (b) of this section, authority is delegated to the Director, Division of Supervision and Consumer Protection (DSC), and where confirmed in writing by the director, to an associate director, or to the appropriate regional director or deputy regional director, to act on disclosure matters under and pursuant to sections 12, 13, 14 and 16 of the Securities Exchange Act of 1934 (15 U.S.C. 78) or this part.

SOURCE: 39 FR 29179, Aug. 14, 1974, unless otherwise noted.

§ 337.1 Scope.

The provisions of this part apply to certain banking practices which are likely to have adverse effects on the safety and soundness of insured State nonmember banks or which are likely to result in violations of law, rule, or regulation.

§ 337.2 Standby letters of credit.

(a) *Definition.* As used in this section, the term *standby letter of credit* means any letter of credit, or similar arrangement however named or described, which represents an obligation to the beneficiary on the part of the issuer: (1) To repay money borrowed by or advanced to or for the account of the account party, or (2) to make payment on account of any indebtedness undertaken by the account party, or (3) to make payment on account of any default (including any statement of default) by the account party in the performance of an obligation.¹ The term *similar arrangement* includes the creation of an acceptance or similar undertaking.

(b) *Restriction.* A standby letter of credit issued by an insured State nonmember bank shall be combined with all other standby letters of credit and all loans for purposes of applying any legal limitation on loans of the bank (including limitations on loans to any one borrower, on loans to affiliates of the bank, or on aggregate loans); *Provided, however,* That if such standby letter of credit is subject to separate limitation under applicable State or federal law, then the separate limitation shall apply in lieu of the loan limitation.²

¹As defined in this paragraph (a), the term *standby letter of credit* would not include commercial letters of credit and similar instruments where the issuing bank expects the beneficiary to draw upon the issuer, which do not "guaranty" payment of a money obligation of the account party and which do not provide that payment is occasioned by default on the part of the account party.

²Where the standby letter of credit is subject to a non-recourse participation agreement with another bank or other banks, this section shall apply to the issuer and each participant in the same manner as in the case of a participated loan.

(c) *Exceptions.* All standby letters of credit shall be subject to the provisions of paragraph (b) of this section except where:

(1) Prior to or at the time of issuance, the issuing bank is paid an amount equal to the bank's maximum liability under the standby letter of credit; or,

(2) Prior to or at the time of issuance, the issuing bank has set aside sufficient funds in a segregated deposit account, clearly earmarked for that purpose, to cover the bank's maximum liability under the standby letter of credit.

(d) *Disclosure.* Each insured State nonmember bank must maintain adequate control and subsidiary records of its standby letters of credit comparable to the records maintained in connection with the bank's direct loans so that at all times the bank's potential liability thereunder and the bank's compliance with this section may be readily determined. In addition, all such standby letters of credit must be adequately reflected on the bank's published financial statements.

§ 337.3 Limits on extensions of credit to executive officers, directors, and principal shareholders of insured nonmember banks.

(a) With the exception of 12 CFR 215.5(b), 215.5(c)(3), 215.5(c)(4), and 215.11, insured nonmember banks are subject to the restrictions contained in subpart A of Federal Reserve Board Regulation O (12 CFR Part 215, subpart A) to the same extent and to the same manner as though they were member banks.

(b) For the purposes of compliance with § 215.4(b) of Federal Reserve Board Regulation O, no insured nonmember bank may extend credit or grant a line of credit to any of its executive officers, directors, or principal shareholders or to any related interest of any such person in an amount that, when aggregated with the amount of all other extensions of credit and lines of credit by the bank to that person and to all related interests of that person, exceeds the greater of \$25,000 or five percent of the bank's capital and

unimpaired surplus,³ or \$500,000 unless (1) the extension of credit or line of credit has been approved in advance by a majority of the entire board of directors of that bank and (2) the interested party has abstained from participating directly or indirectly in the voting.

(c)(1) No insured nonmember bank may extend credit in an aggregate amount greater than the amount permitted in paragraph (c)(2) of this section to a partnership in which one or more of the bank's executive officers are partners and, either individually or together, hold a majority interest. For the purposes of paragraph (c)(2) of this section, the total amount of credit extended by an insured nonmember bank to such partnership is considered to be extended to each executive officer of the insured nonmember bank who is a member of the partnership.

(2) An insured nonmember bank is authorized to extend credit to any executive officer of the bank for any other purpose not specified in § 215.5(c)(1) and (2) of Federal Reserve Board Regulation O (12 CFR 215.5(c)(1) and (2)) if the aggregate amount of such other extensions of credit does not exceed at any one time the higher of 2.5 percent of the bank's capital and unimpaired surplus or \$25,000 but in no event more than \$100,000, provided, however, that no such extension of credit shall be subject to this limit if the extension of credit is secured by:

(i) A perfected security interest in bonds, notes, certificates of indebtedness, or Treasury bills of the United States or in other such obligations fully guaranteed as to principal and interest by the United States;

(ii) Unconditional takeout commitments or guarantees of any department, agency, bureau, board, commission or establishment of the United States or any corporation wholly owned directly or indirectly by the United States; or

(iii) A perfected security interest in a segregated deposit account in the lending bank.

³For the purposes of § 337.3, an insured nonmember bank's capital and unimpaired surplus shall have the same meaning as found in § 215.2(f) of Federal Reserve Board Regulation O (12 CFR 215.2(f)).

(3) Any extension of credit that was outstanding on May 28, 1992 and that would if made on or after that date violate paragraph (c)(1) or paragraph (c)(2) of this §337.3 shall be reduced in amount by May 28, 1993 so that the extension of credit is in compliance with the lending limit set forth in paragraphs (c)(1) and (c)(2) of this section. Any renewal or extension of such an extension of credit on or after May 28, 1992 shall be made only on terms that will bring the extension of credit into compliance with the lending limit of paragraphs (c)(1) and (c)(2) of this section by May 28, 1993, however, any extension of credit made before May 28, 1992 that bears a specific maturity date of May 28, 1993 or later shall be repaid in accordance with its repayment schedule in existence on or before May 28, 1992.

(4) If an insured nonmember bank is unable to bring all extensions of credit outstanding as of May 28, 1992 into compliance as required by paragraph (c)(3) of this §337.3, the bank may at the discretion of the appropriate FDIC regional director (Division of Supervision and Consumer Protection (DSC)) obtain, for good cause shown, not more than two additional one-year periods to come into compliance.

(5) For the purposes of paragraph (c) of this section, the definitions of the terms used in Federal Reserve Board Regulation O shall apply including the exclusion of executive officers of a bank's parent bank holding company and executive officers of any other subsidiary of that bank holding company from the definition of executive officer for the purposes of complying with the loan restrictions contained in section 22(g) of the Federal Reserve Act. For the purposes of complying with §215.5(d) of Federal Reserve Board Regulation O, the reference to "the amount specified for a category of credit in paragraph (c) of this section" shall be understood to refer to the amount specified in paragraph (c)(2) of this §337.3.

(I) An agent or nominee whose primary purpose is not the placement of funds with depository institutions; or

(J) An insured depository institution acting as an intermediary or agent of a U.S. government department or agency for a government sponsored minority or women-owned depository institution deposit program.

Federal Deposit Insurance Corporation

§ 337.6

deposits) which are significantly higher than the prevailing rates of interest on deposits offered by other insured depository institutions in such depository institution's normal market area.

(6) *Employee* means any employee: (i) Who is employed exclusively by the insured depository institution;

(ii) Whose compensation is primarily in the form of a salary;

(iii) Who does not share such employee's compensation with a deposit broker; and

(iv) Whose office space or place of business is used exclusively for the benefit of the insured depository institution which employs such individual.

(7) *FDIC* means the Federal Deposit Insurance Corporation.

(8) *Insured depository institution* means any bank, savings association, or branch of a foreign bank insured under the provisions of the Federal Deposit Insurance Act (12 U.S.C. 1811 *et seq.*).

(b) *Solicitation and acceptance of brokered deposits by insured depository institutions.* (1) A well capitalized insured depository institution may solicit and accept, renew or roll over any brokered deposit without restriction by this section.

(2)(i) An adequately capitalized insured depository institution may not accept, renew or roll over any brokered deposit unless it has applied for and been granted a waiver of this prohibition by the FDIC in accordance with the provisions of this section.

(ii) Any adequately capitalized insured depository institution that has been granted a waiver to accept, renew or roll over a brokered deposit may not pay an effective yield on any such deposit which, at the time that such deposit is accepted, renewed or rolled over, exceeds by more than 75 basis points:

(A) The effective yield paid on deposits of comparable size and maturity in such institution's normal market area for deposits accepted from within its normal market area; or

(B) The national rate paid on deposits of comparable size and maturity for deposits accepted outside the institution's normal market area. For purposes of this paragraph (b)(2)(ii)(B), the national rate shall be:

(1) 120 percent of the current yield on similar maturity U.S. Treasury obligations; or

(2) In the case of any deposit at least half of which is uninsured, 130 percent of such applicable yield.

(3)(i) An undercapitalized insured depository institution may not accept, renew or roll over any brokered deposit.

(ii) An undercapitalized insured depository institution may not solicit deposits by offering an effective yield that exceeds by more than 75 basis points the prevailing effective yields on insured deposits of comparable maturity in such institution's normal market area or in the market area in which such deposits are being solicited.

(4) For purposes of the restriction contained in paragraphs (b)(2)(ii)(A) and (b)(3)(ii) of this section, the effective yields in the relevant markets are the average of effective yields offered by other insured depository institutions in the market area in which deposits are being solicited. An effective yield on a deposit with an odd maturity violates paragraphs (b)(2)(ii)(A) and (b)(3)(ii) of this section if it is more than 75 basis points higher than the yield calculated by interpolating between the yields offered by other insured depository institutions on deposits of the next longer and shorter maturities offered in the market. A market area is any readily defined geographical area in which the rates offered by any one insured depository institution soliciting deposits in that area may affect the rates offered by other insured depository institutions operating in the same area.

(c) *Waiver.* The FDIC may, on a case-by-case basis and upon application by an adequately capitalized insured depository institution, waive the prohibition on the acceptance, renewal or rollover of brokered deposits upon a finding that such acceptance, renewal or rollover does not constitute an unsafe or unsound practice with respect to such institution. The FDIC may conclude that it is not unsafe or unsound and may grant a waiver when the acceptance, renewal or rollover of brokered deposits is determined to pose no undue risk to the institution. Any waiver granted may be revoked at any

time by written notice to the institution. For filing requirements, consult 12 CFR 303.243.

(d) *Exclusion for institutions in FDIC conservatorship.* No insured depository institution for which the FDIC has been appointed conservator shall be subject to the prohibition on the acceptance, renewal or rollover of brokered deposits contained in this §337.6 or section 29 of the Federal Deposit Insurance Act for 90 days after the date on which the institution was placed in conservatorship. During this 90-day period, the institution shall, nevertheless, be subject to the restriction on the payment of interest contained in paragraph (b)(2)(ii) of the section. After such 90-day period, the institution may not accept, renew or roll over any brokered deposit.

§ 338.3

(6) No person acquired control of the bank during the preceding 12-month period in which a full-scope, on-site examination would have been required but for this section.

securing the loan is covered by flood insurance for the term of the loan. The amount of insurance must be at least equal to the lesser of the outstanding principal balance of the designated loan or the maximum limit of coverage available for the particular type of property under the Act. Flood insurance coverage under the Act is limited to the overall value of the property securing the designated loan minus the value of the land on which the property is located.

This escrow account will be subject to escrow requirements adopted pursuant to section 10 of the Real Estate Settlement Procedures Act of 1974 (12 U.S.C. 2609) (RESPA), which generally limits the amount that may be maintained in escrow accounts for certain types of loans and requires escrow account statements for those accounts, only if the loan is otherwise subject to RESPA. If the borrower fails to obtain flood insurance within 45 days after notification, then the bank or its servicer shall purchase insurance on the borrower's behalf. The bank or its servicer may charge the borrower for the cost of premiums and

Federal Deposit Insurance Corporation

§ 339.9

fees incurred in purchasing the insurance.

§ 339.8 Determination fees.

(a) *General.* Notwithstanding any Federal or State law other than the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. 4001-4129), any bank, or a servicer acting on behalf of the bank, may charge a reasonable fee for determining whether the building or mobile home securing the loan is located or will be located in a special flood hazard area. A determination fee may also include, but is not limited to, a fee for life-of-loan monitoring.

(b) *Borrower fee.* The determination fee authorized by paragraph (a) of this section may be charged to the borrower if the determination:

(1) Is made in connection with a making, increasing, extending, or renewing of the loan that is initiated by the borrower;

(2) Reflects the Director of FEMA's revision or updating of floodplain areas or flood-risk zones;

(3) Reflects the Director of FEMA's publication of a notice or compendium that:

(i) Affects the area in which the building or mobile home securing the loan is located; or

(ii) By determination of the Director of FEMA, may reasonably require a determination whether the building or mobile home securing the loan is located in a special flood hazard area; or

(4) Results in the purchase of flood insurance coverage by the lender or its servicer on behalf of the borrower under § 339.7.

(c) *Purchaser or transferee fee.* The determination fee authorized by paragraph (a) of this section may be charged to the purchaser or transferee of a loan in the case of the sale or transfer of the loan.

§ 339.9 Notice of special flood hazards and availability of Federal disaster relief assistance.

(a) *Notice requirement.* When a bank makes, increases, extends, or renews a loan secured by a building or a mobile home located or to be located in a special flood hazard area, the bank shall mail or deliver a written notice to the borrower and to the servicer in all

cases whether or not flood insurance is available under the Act for the collateral securing the loan.

(b) *Contents of notice.* The written notice must include the following information:

(1) A warning, in a form approved by the Director of FEMA, that the building or the mobile home is or will be located in a special flood hazard area;

(2) A description of the flood insurance purchase requirements set forth in section 102(b) of the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. 4012a(b));

(3) A statement, where applicable, that flood insurance coverage is available under the NFIP and may also be available from private insurers; and

(4) A statement whether Federal disaster relief assistance may be available in the event of damage to the building or mobile home caused by flooding in a Federally-declared disaster.

(c) *Timing of notice.* The bank shall provide the notice required by paragraph (a) of this section to the borrower within a reasonable time before the completion of the transaction, and to the servicer as promptly as practicable after the bank provides notice to the borrower and in any event no later than the time the bank provides other similar notices to the servicer concerning hazard insurance and taxes. Notice to the servicer may be made electronically or may take the form of a copy of the notice to the borrower.

(d) *Record of receipt.* The bank shall retain a record of the receipt of the notices by the borrower and the servicer for the period of time the bank owns the loan.

(e) *Alternate method of notice.* Instead of providing the notice to the borrower required by paragraph (a) of this section, a bank may obtain satisfactory written assurance from a seller or lessor that, within a reasonable time before the completion of the sale or lease transaction, the seller or lessor has provided such notice to the purchaser or lessee. The bank shall retain a record of the written assurance from the seller or lessor for the period of time the bank owns the loan.

(f) *Use of prescribed form of notice.* A bank will be considered to be in compliance with the requirement for notice

to the borrower of this section by providing written notice to the borrower containing the language presented in appendix A to this part within a reasonable time before the completion of the transaction. The notice presented in appendix A to this part satisfies the borrower notice requirements of the Act.

§ 339.10 Notice of servicer's identity.

(a) *Notice requirement.* When a bank makes, increases, extends, renews, sells, or transfers a loan secured by a building or mobile home located or to be located in a special flood hazard area, the bank shall notify the Director of FEMA (or the Director of FEMA's designee) in writing of the identity of the servicer of the loan. The Director of FEMA has designated the insurance provider to receive the bank's notice of the servicer's identity. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA's designee.

(b) *Transfer of servicing rights.* The bank shall notify the Director of FEMA (or the Director of FEMA's designee) of any change in the servicer of a loan described in paragraph (a) of this section within 60 days after the effective date of the change. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA's designee. Upon any change in the servicing of a loan described in paragraph (a) of this section, the duty to provide notice under this paragraph (b) shall transfer to the transferee servicer.

APPENDIX A TO PART 339—SAMPLE FORM OF NOTICE OF SPECIAL FLOOD HAZARDS AND AVAILABILITY OF FEDERAL DISASTER RELIEF ASSISTANCE

We are giving you this notice to inform you that:

The building or mobile home securing the loan for which you have applied is or will be located in an area with special flood hazards.

The area has been identified by the Director of the Federal Emergency Management Agency (FEMA) as a special flood hazard area using FEMA's *Flood Insurance Rate Map* or the *Flood Hazard Boundary Map* for the following community: _____. This area has at least a one percent (1%) chance

of a flood equal to or exceeding the base flood elevation (a 100-year flood) in any given year. During the life of a 30-year mortgage loan, the risk of a 100-year flood in a special flood hazard area is 26 percent (26%).

Federal law allows a lender and borrower jointly to request the Director of FEMA to review the determination of whether the property securing the loan is located in a special flood hazard area. If you would like to make such a request, please contact us for further information.

_____ The community in which the property securing the loan is located participates in the National Flood Insurance Program (NFIP). Federal law will not allow us to make you the loan that you have applied for if you do not purchase flood insurance. The flood insurance must be maintained for the life of the loan. If you fail to purchase or renew flood insurance on the property, Federal law authorizes and requires us to purchase the flood insurance for you at your expense.

- Flood insurance coverage under the NFIP may be purchased through an insurance agent who will obtain the policy either directly through the NFIP or through an insurance company that participates in the NFIP. Flood insurance also may be available from private insurers that do not participate in the NFIP.

- At a minimum, flood insurance purchased must cover *the lesser of*:

- (1) the outstanding principal balance of the loan; *or*

- (2) the maximum amount of coverage allowed for the type of property under the NFIP.

Flood insurance coverage under the NFIP is limited to the overall value of the property securing the loan minus the value of the land on which the property is located.

- Federal disaster relief assistance (usually in the form of a low-interest loan) may be available for damages incurred in excess of your flood insurance if your community's participation in the NFIP is in accordance with NFIP requirements.

_____ Flood insurance coverage under the NFIP is not available for the property securing the loan because the community in which the property is located does not participate in the NFIP. In addition, if the non-participating community has been identified for at least one year as containing a special flood hazard area, properties located in the community will not be eligible for Federal disaster relief assistance in the event of a Federally-declared flood disaster.

AUTHORITY: 12 U.S.C. 1819 (Tenth), 1821(p).

SOURCE: 65 FR 14818, Mar. 20, 2000, unless otherwise noted.

§ 340.1 What is the statutory authority for the regulation, what are its purpose and scope, and can the FDIC have other policies on related topics?

(a) *Authority.* The statutory authority for adopting this part is section 11(p) of the Federal Deposit Insurance Act (FDI Act), 12 U.S.C. 1821(p). Section 11(p) was added to the FDI Act by section 20 of the Resolution Trust Corporation Completion Act (Pub. L. 103-204, 107 Stat. 2369 (1993)).

(b) *Purpose.* The purpose of this part is to prohibit individuals or entities who profited or engaged in wrongdoing at the expense of an insured institution, or seriously mismanaged an insured institution, from buying assets of failed financial institutions from the FDIC.

(c) *Scope.* The restrictions of this part generally apply to assets of failed institutions owned or controlled by the FDIC in any capacity, even though the assets are not owned by the insured in-

stitution that the prospective purchaser injured. Unless we determine otherwise, this part does not apply to the sale of securities in connection with the investment of corporate and receivership funds pursuant to the Investment Policy for Liquidation Funds managed by the FDIC as it is in effect from time to time. In the case of a sale of securities backed by a pool of assets that may include assets of failed institutions by a trust or other entity, this part applies only to the sale of assets by the FDIC to an underwriter in an initial offering, and not to any other purchaser of the securities.

(d) *The FDIC retains the authority to establish other policies restricting asset sales.* Neither section 11(p) of the FDI Act nor this part in any way limits the authority of the FDIC to establish policies prohibiting the sale of assets to prospective purchasers who have injured any failed financial institution, or to other prospective purchasers, such as certain employees or contractors of the FDIC, or individuals who are not in compliance with the terms of any debt or duty owed to the FDIC. Any such policies may be independent of, in conjunction with, or in addition to the restrictions set forth in this part.

§ 340.2 Definitions.

(a) *Associated person* of an individual or entity means:

(1) With respect to an individual:

(i) The individual's spouse or dependent child or any member of his or her immediate household;

(ii) A partnership of which the individual is or was a general or limited partner; or

(iii) A corporation of which the individual is or was an officer or director;

(2) With respect to a partnership, a managing or general partner of the partnership; or

(3) With respect to any entity, an individual or entity who, acting individually or in concert with one or more individuals or entities, owns or controls 25 percent or more of the entity.

(b) *Default* means any failure to comply with the terms of an obligation to such an extent that:

§ 340.3

(1) A judgment has been rendered in favor of the FDIC or a failed institution; or

(c) *FDIC* means the Federal Deposit Insurance Corporation.

(e) *Obligation* means any debt or duty to pay money owed to the FDIC or a failed institution, including any guarantee of any such debt or duty.

(f) *Person* means an individual, or an entity with a legally independent existence, including: a trustee; the beneficiary of at least a 25 percent share of the proceeds of a trust; a partnership; a corporation; an association; or other organization or society.

(g) *RTC* means the former Resolution Trust Corporation.

(h) *Substantial loss* means:

(1) An obligation that is delinquent for ninety (90) or more days and on which there remains an outstanding balance of more than \$50,000;

(2) An unpaid final judgment in excess of \$50,000 regardless of whether it becomes forgiven in whole or in part in a bankruptcy proceeding;

(3) A deficiency balance following a foreclosure of collateral in excess of \$50,000, regardless of whether it becomes forgiven in whole or in part in a bankruptcy proceeding;

(4) Any loss in excess of \$50,000 evidenced by an IRS Form 1099-C (Information Reporting for Discharge of Indebtedness).

§ 340.3 What are the restrictions on the sale of assets by the FDIC if the buyer wants to finance the purchase with a loan from the FDIC?

A person may not borrow money or accept credit from the FDIC in connection with the purchase of any assets from the FDIC or any failed institution if:

(a) There has been a default with respect to one or more obligations totaling in excess of \$1,000,000 owed by that person or its associated person; and

12 CFR Ch. III (1–1–03 Edition)

(b) The person or its associated person made any fraudulent misrepresentations in connection with any such obligation(s).

§ 340.4 What are the restrictions on the sale of assets by the FDIC regardless of the method of financing?

(a) A person may not acquire any assets from the FDIC or from any failed institution if the person or its associated person:

(1) Has participated, as an officer or director of a failed institution or of an affiliate of a failed institution, in a material way in one or more transaction(s) that caused a substantial loss to that failed institution;

(2) Has been removed from, or prohibited from participating in the affairs of, a failed institution pursuant to any final enforcement action by the Office of the Comptroller of the Currency, the Office of Thrift Supervision, the Board of Governors of the Federal Reserve System, the FDIC, or any of their successors;

(3) Has demonstrated a pattern or practice of defalcation regarding obligations to any failed institution; or

(4) Has been convicted of committing or conspiring to commit any offense under 18 U.S.C. 215, 656, 657, 1005, 1006, 1007, 1014, 1032, 1341, 1343 or 1344 affecting any failed institution and there has been a default with respect to one or more obligations owed by that person or its associated person.

(b) For purposes of paragraph (a) of this section, a person has participated “in a material way in a transaction that caused a substantial loss to a failed institution” if, in connection with a substantial loss to a failed institution, the person has been found in a final determination by a court or administrative tribunal, or is alleged in a judicial or administrative action brought by the FDIC or by any component of the government of the United States or of any state:

(1) To have violated any law, regulation, or order issued by a federal or state banking agency, or breached or defaulted on a written agreement with a federal or state banking agency, or breached a written agreement with a failed institution;

Federal Deposit Insurance Corporation

§ 341.1

(2) To have engaged in an unsafe or unsound practice in conducting the affairs of a failed institution; or

(3) To have breached a fiduciary duty owed to a failed institution.

(c) For purposes of paragraph (a) of this section, a person or its associated person has demonstrated a “pattern or practice of defalcation” regarding obligations to a failed institution if the person or associated person has:

(1) Engaged in more than one transaction that created an obligation on the part of such person or its associated person with intent to cause a loss to any financial institution insured by the FDIC or with reckless disregard for whether such transactions would cause a loss to any such insured financial institution; and

(2) The transactions, in the aggregate, caused a substantial loss to one or more failed institution(s).

§ 340.5 Can the FDIC deny a loan to a buyer who is not disqualified from purchasing assets using seller-financing under this regulation?

The FDIC still has the right to make an independent determination, based upon all relevant facts of a person’s financial condition and history, of that person’s eligibility to receive any loan or extension of credit from the FDIC, even if the person is not in any way disqualified from purchasing assets from the FDIC under the restrictions set forth in this part.

§ 340.6 What is the effect of this part on transactions that were entered into before its effective date?

This part does not affect the enforceability of a contract of sale and/or agreement for seller financing in effect prior to July 1, 2000.

§ 340.7 When is a certification required, and who does not have to provide a certification?

(a) Before any person may purchase any asset from the FDIC that person must certify, under penalty of perjury, that none of the restrictions contained in this part applies to the purchase. The FDIC may establish the form of the certification and may change the form from time to time.

(b) Notwithstanding paragraph (a) of this section, a state or political sub-

division of a state, a federal agency or instrumentality such as the Government National Mortgage Association, or a federally-regulated, government-sponsored enterprise such as Fannie Mae or Freddie Mac does not have to give a certification before it can purchase assets from the FDIC, unless the Director of the FDIC’s Division of Resolutions and Receiverships, or his designee, in his discretion, requires a certification of any such entity.

§ 340.8 Does this part apply in the case of a workout, resolution, or settlement of obligations?

The restrictions of §§ 340.3 and 340.4 do not apply if the sale or transfer of an asset resolves or settles, or is part of the resolution or settlement of, one or more obligations, regardless of the amount of such obligations.

§ 343.30 Prohibited practices.

(1) The purchase of an insurance product or annuity from the bank or any of its affiliates; or

(2) An agreement by the consumer not to obtain, or a prohibition on the consumer from obtaining, an insurance product or annuity from an unaffiliated entity.

(b) *Prohibition on misrepresentations generally.* You may not engage in any practice or use any advertisement at any office of, or on behalf of, the bank or a subsidiary of the bank that could mislead any person or otherwise cause a reasonable person to reach an erroneous belief with respect to:

(ii) The consumer is free to purchase the insurance product or annuity from another source.

(c) *Prohibition on domestic violence discrimination.* You may not sell or offer for sale, as principal, agent, or broker, any life or health insurance product if the status of the applicant or insured as a victim of domestic violence or as a provider of services to victims of domestic violence is considered as a criterion in any decision with regard to insurance underwriting, pricing, renewal, or scope of coverage of such product, or with regard to the payment of insurance claims on such product, except as required or expressly permitted under State law.

§ 343.40 What you must disclose.

(a) *Insurance disclosures.* In connection with the initial purchase of an insurance product or annuity by a consumer from you, you must disclose to the consumer, except to the extent the disclosure would not be accurate, that:

(1) The insurance product or annuity is not a deposit or other obligation of, or guaranteed by, the bank or an affiliate of the bank;

(2) The insurance product or annuity is not insured by the Federal Deposit Insurance Corporation (FDIC) or any other agency of the United States, the bank, or (if applicable) an affiliate of the bank; and

(3) In the case of an insurance product or annuity that involves an investment risk, there is investment risk associated with the product, including the possible loss of value.

(b) *Credit disclosure.* In the case of an application for credit in connection with which an insurance product or annuity is solicited, offered, or sold, you must disclose that the bank may not condition an extension of credit on either:

(1) The consumer's purchase of an insurance product or annuity from the bank or any of its affiliates; or

(2) The consumer's agreement not to obtain, or a prohibition on the consumer from obtaining, an insurance product or annuity from an unaffiliated entity.

(c) *Timing and method of disclosures—*

(1) *In general.* The disclosures required by paragraph (a) of this section must be provided orally and in writing before the completion of the initial sale of an

insurance product or annuity to a consumer. The disclosure required by paragraph (b) of this section must be made orally and in writing at the time the consumer applies for an extension of credit in connection with which an insurance product or annuity is solicited, offered, or sold.

(2) *Exception for transactions by mail.* If a sale of an insurance product or annuity is conducted by mail, you are not required to make the oral disclosures required by paragraph (a) of this section. If you take an application for credit by mail, you are not required to make the oral disclosure required by paragraph (b).

(3) *Exception for transactions by telephone.* If a sale of an insurance product or annuity is conducted by telephone, you may provide the written disclosures required by paragraph (a) of this section by mail within 3 business days beginning on the first business day after the sale, excluding Sundays and the legal public holidays specified in 5 U.S.C. 6103(a). If you take an application for credit by telephone, you may provide the written disclosure required by paragraph (b) of this section by mail, provided you mail it to the consumer within three days beginning the first business day after the application is taken, excluding Sundays and the legal public holidays specified in 5 U.S.C. 6103(a).

(4) *Electronic form of disclosures.* (i) Subject to the requirements of section 101(c) of the Electronic Signatures in Global and National Commerce Act (12 U.S.C. 7001(c)), you may provide the written disclosures required by paragraph (a) and (b) of this section through electronic media instead of on paper, if the consumer affirmatively consents to receiving the disclosures electronically and if the disclosures are provided in a format that the consumer may retain or obtain later, for example, by printing or storing electronically (such as by downloading).

(ii) Any disclosure required by paragraphs (a) or (b) of this section that is provided by electronic media is not required to be provided orally.

(5) *Disclosures must be readily understandable.* The disclosures provided shall be conspicuous, simple, direct, readily understandable, and designed

to call attention to the nature and significance of the information provided. For instance, you may use the following disclosures in visual media, such as television broadcasting, ATM screens, billboards, signs, posters and written advertisements and promotional materials, as appropriate and consistent with paragraphs (a) and (b) of this section:

- NOT A DEPOSIT
- NOT FDIC-INSURED
- NOT INSURED BY ANY FEDERAL GOVERNMENT AGENCY
- NOT GUARANTEED BY THE BANK
- MAY GO DOWN IN VALUE

(6) *Disclosures must be meaningful.* (i) You must provide the disclosures required by paragraphs (a) and (b) of this section in a meaningful form. Examples of the types of methods that could call attention to the nature and significance of the information provided include:

(A) A plain-language heading to call attention to the disclosures;

(B) A typeface and type size that are easy to read;

(C) Wide margins and ample line spacing;

(D) Boldface or italics for key words; and

(E) Distinctive type size, style, and graphic devices, such as shading or sidebars, when the disclosures are combined with other information.

(ii) You have not provided the disclosures in a meaningful form if you merely state to the consumer that the required disclosures are available in printed material, but do not provide the printed material when required and do not orally disclose the information to the consumer when required.

(iii) With respect to those disclosures made through electronic media for which paper or oral disclosures are not required, the disclosures are not meaningfully provided if the consumer may bypass the visual text of the disclosures before purchasing an insurance product or annuity.

(7) *Consumer acknowledgment.* You must obtain from the consumer, at the time a consumer receives the disclosures required under paragraphs (a) or (b) of this section, or at the time of the initial purchase by the consumer of an

Federal Deposit Insurance Corporation

§ 344.1

insurance product or annuity, a written acknowledgment by the consumer that the consumer received the disclosures. You may permit a consumer to acknowledge receipt of the disclosures electronically or in paper form. If the disclosures required under paragraphs (a) or (b) of this section are provided in connection with a transaction that is conducted by telephone, you must:

- (i) Obtain an oral acknowledgment of receipt of the disclosures and maintain sufficient documentation to show that the acknowledgment was given; and
- (ii) Make reasonable efforts to obtain a written acknowledgment from the consumer.

(d) *Advertisements and other promotional material for insurance products or annuities.* The disclosures described in paragraph (a) of this section are required in advertisements and promotional material for insurance products or annuities unless the advertisements and promotional materials are of a general nature describing or listing the services or products offered by the bank.

§ 343.50 Where insurance activities may take place.

(a) *General rule.* A bank must, to the extent practicable, keep the area where the bank conducts transactions involving insurance products or annuities physically segregated from areas where retail deposits are routinely accepted from the general public, identify the areas where insurance product or annuity sales activities occur, and clearly delineate and distinguish those areas from the areas where the bank's retail deposit-taking activities occur.

(b) *Referrals.* Any person who accepts deposits from the public in an area where such transactions are routinely conducted in the bank may refer a consumer who seeks to purchase an insurance product or annuity to a qualified person who sells that product only if the person making the referral receives no more than a one-time, nominal fee of a fixed dollar amount for each referral that does not depend on whether the referral results in a transaction.

§ 343.60 Qualification and licensing requirements for insurance sales personnel.

A bank may not permit any person to sell or offer for sale any insurance product or annuity in any part of its office or on its behalf, unless the person is at all times appropriately qualified and licensed under applicable State insurance licensing standards with regard to the specific products being sold or recommended.

APPENDIX A TO PART 343—CONSUMER GRIEVANCE PROCESS

SOURCE: 62 FR 9919, Mar. 5, 1997, unless otherwise noted.

§ 344.1 Purpose and scope.

(a) *Purpose.* The purpose of this part is to ensure that purchasers of securities in transactions effected by a state nonmember insured bank (except a District bank) or a foreign bank having an insured branch are provided adequate information regarding transactions. This part is also designed to ensure

§ 344.2

12 CFR Ch. III (1–1–03 Edition)

that banks subject to this part maintain adequate records and controls with respect to the securities transactions they effect.

(b) *Scope; general.* Any security transaction effected for a customer by a bank is subject to this part unless excepted by §344.2. A bank effecting transactions in government securities is subject to the notification, record-keeping, and policies and procedures requirements of this part. This part also applies to municipal securities transactions by a bank that is not registered as a “municipal securities dealer” with the Securities and Exchange Commission. See 15 U.S.C. 78c(a)(30) and 78o–4.

§ 344.2 Exceptions.

(a) A bank effecting securities transactions for customers is not subject to all or part of this part 344 to the extent that they qualify for one or more of the following exceptions:

(1) *Small number of transactions.* The requirements of §§344.4(a) (2) through (4) and 344.8(a) (1) through (3) do not apply to a bank effecting an average of fewer than 200 securities transactions per year for customers over the prior three calendar year period. The calculation of this average does not include transactions in government securities.

(2) *Government securities.* The record-keeping requirements of §344.4 do not apply to banks effecting fewer than 500 government securities brokerage transactions per year. This exemption does not apply to government securities dealer transactions by banks.

(3) *Municipal securities.* This part does not apply to transactions in municipal securities effected by a bank registered with the Securities and Exchange Commission as a “municipal securities dealer” as defined in title 15 U.S.C. 78c(a)(30). See 15 U.S.C. 78o–4.

(4) *Foreign branches.* Activities of foreign branches of a bank shall not be subject to the requirements of this part.

(5) *Transactions effected by registered broker/dealers.* (i) This part does not apply to securities transactions effected for a bank customer by a registered broker/dealer if:

(A) The broker/dealer is fully disclosed to the bank customer; and

(B) The bank customer has a direct contractual agreement with the broker/dealer.

(ii) This exemption extends to bank arrangements with broker/dealers which involve bank employees when acting as employees of, and subject to the supervision of, the registered broker/dealer when soliciting, recommending, or effecting securities transactions.

(b) *Safe and sound operations.* Notwithstanding this section, every bank effecting securities transactions for customers shall maintain, directly or indirectly, effective systems of records and controls regarding their customer securities transactions to ensure safe and sound operations. The records and systems maintained must clearly and accurately reflect the information required under this part and provide an adequate basis for an audit.

(b) *Manner of maintenance.* Records may be maintained in whatever manner, form or format a bank deems appropriate, provided however, the records required by this section must clearly and accurately reflect the information required and provide an adequate basis for the audit of the information. Records may be maintained in hard copy, automated or electronic form provided the records are easily retrievable, readily available for inspection, and capable of being reproduced in a hard copy. A bank may contract with third party service providers, including broker/dealers, to maintain records required under this part.

§ 344.5 Content and time of notification.

Every bank effecting a securities transaction for a customer shall give or send, by mail, facsimile or other means of electronic transmission, to the customer at or before completion of the transaction one of the types of written notification identified below:

(a) *Broker/dealer's confirmations.* (1) A copy of the confirmation of a broker/dealer relating to the securities transaction. A bank may either have the broker/dealer send the confirmation directly to the bank's customer or send a copy of the broker/dealer's confirmation to the customer upon receipt of the confirmation by the bank. If a bank chooses to send a copy of the broker/dealer's confirmation, it must be sent within one business day from the bank's receipt of the broker/dealer's confirmation; and

(2) If the bank is to receive remuneration from the customer or any other source in connection with the transaction, a statement of the source and amount of any remuneration to be received if such would be required under paragraph (b)(6) of this section; or

(b) *Written notification.* A written notification disclosing:

(1) Name of the bank;

(2) Name of the customer;

(3) Whether the bank is acting as agent for such customer, as agent for both such customer and some other person, as principal for its own account, or in any other capacity;

(4) The date and time of execution, or the fact that the time of execution will be furnished within a reasonable time upon written request of the customer, and the identity, price, and number of shares or units (or principal amount in the case of debt securities) of the security purchased or sold by the customer;

(6)(i) The amount of any remuneration received or to be received by the bank from the customer, and the source and amount of any other remuneration received or to be received by the bank in connection with the transaction, unless:

(A) Remuneration is determined pursuant to a prior written agreement between the bank and the customer; or

(B) In the case of government securities and municipal securities, the bank received the remuneration in other than an agency transaction; or

(C) In the case of open end investment company securities, the bank has provided the customer with a current prospectus which discloses all current fees, loads and expenses at or before completion of the transaction;

(ii) If the bank elects not to disclose the source and amount of remuneration it has or will receive from a party other than the customer pursuant to paragraph (b)(6)(i) (A), (B), or (C) of this section, the written notification must disclose whether the bank has received or will receive remuneration from a party other than the customer, and that the bank will furnish within a reasonable time the source and amount of this remuneration upon written request of the customer. This election is not available, however, if, with respect to a purchase, the bank was participating in a distribution of that security; or, with respect to a sale, the bank was participating in a tender offer for that security;

(i) The dollar price at which the transaction was effected; and

(ii) The yield to maturity calculated from the dollar price, provided however, that this shall not apply to a transaction in a debt security that either has a maturity date that may be extended by the issuer thereof, with a variable interest payable thereon, or is an asset-backed security that represents an interest in or is secured by a pool of receivables or other financial assets that are subject continuously to prepayment;

(10) In the case of a transaction in a debt security effected on the basis of yield:

(i) The yield at which the transaction was effected, including the percentage amount and its characterization (e.g., current yield, yield to maturity, or yield to call) and if effected at yield to call, the type of call, the call date and call price;

(ii) The dollar price calculated from the yield at which the transaction was effected; and

(iii) If effected on a basis other than yield to maturity and the yield to maturity is lower than the represented yield, the yield to maturity as well as the represented yield; provided however, that this paragraph (b)(10) shall not apply to a transaction in a debt security that either has a maturity date that may be extended by the issuer with a variable interest rate payable thereon, or is an asset-backed security that represents an interest in or is se-

(12) In the case of a transaction in a debt security, other than a government security, that the security is unrated by a nationally recognized statistical rating organization, if that is the case.

§ 344.6 Notification by agreement; alternative forms and times of notification.

A bank may elect to use the following alternative notification procedures if the transaction is effected for:

(a) *Notification by agreement.* Accounts (except periodic plans) where the bank does not exercise investment discretion and the bank and the customer agree in writing to a different arrangement as to the time and content of the written notification; provided however, that such agreement makes clear the customer's right to receive the written notification pursuant to § 344.5 (a) or (b) at no additional cost to the customer.

(b) *Trust accounts.* Accounts (except collective investment funds) where the bank exercises investment discretion in other than in an agency capacity, in which instance the bank shall, upon request of the person having the power to terminate the account or, if there is no such person, upon the request of any person holding a vested beneficial interest in such account, give or send to such person the written notification within a reasonable time. The bank may charge such person a reasonable fee for providing this information.

Federal Deposit Insurance Corporation

§ 344.7

(c) *Agency accounts.* Accounts where the bank exercises investment discretion in an agency capacity, in which instance:

(1) The bank shall give or send to each customer not less frequently than once every three months an itemized statement which shall specify the funds and securities in the custody or possession of the bank at the end of such period and all debits, credits and transactions in the customer's accounts during such period; and

(2) If requested by the customer, the bank shall give or send to each customer within a reasonable time the written notification described in §344.5. The bank may charge a reasonable fee for providing the information described in §344.5.

(d) *Cash management sweep accounts.* A bank effecting a securities transaction for a cash management sweep account shall give or send its customer a written statement, in the same form as required under paragraph (f) of this section, for each month in which a purchase or sale of a security takes place in the account and not less than once every three months if there are no securities transactions in the account. Notwithstanding the provisions of this paragraph (d), banks that retain custody of government securities that are the subject of a hold-in-custody repurchase agreement are subject to the requirements of 17 CFR 403.5(d).

(e) *Collective investment fund accounts.* The bank shall at least annually give or send to the customer a copy of a financial report of the fund, or provide notice that a copy of such report is available and will be furnished upon request to each person to whom a regular periodic accounting would ordinarily be rendered with respect to each participating account. This report shall be based upon an audit made by independent public accountants or internal auditors responsible only to the board of directors of the bank.

(f) *Periodic plan accounts.* The bank shall give or send to the customer not less than once every three months a written statement showing:

(1) The funds and securities in the custody or possession of the bank;

(2) All service charges and commissions paid by the customer in connection with the transaction; and

(3) All other debits and credits of the customer's account involved in the transaction; provided that upon written request of the customer, the bank shall give or send the information described in §344.5, except that any such information relating to remuneration paid in connection with the transaction need not be provided to the customer when the remuneration is paid by a source other than the customer. The bank may charge a reasonable fee for providing information described in §344.5.

§344.7 Settlement of securities transactions.

(a) A bank shall not effect or enter into a contract for the purchase or sale of a security (other than an exempted security as defined in 15 U.S.C. 78c(a)(12), government security, municipal security, commercial paper, bankers' acceptances, or commercial bills) that provides for payment of funds and delivery of securities later than the third business day after the date of the contract unless otherwise expressly agreed to by the parties at the time of the transaction.

(b) Paragraphs (a) and (c) of this section shall not apply to contracts:

(1) For the purchase or sale of limited partnership interests that are not listed on an exchange or for which quotations are not disseminated through an automated quotation system of a registered securities association; or

(2) For the purchase or sale of securities that the Securities and Exchange Commission (SEC) may from time to time, taking into account then existing market practices, exempt by order from the requirements of paragraph (a) of SEC Rule 15c6-1, 17 CFR 240.15c6-1(a), either unconditionally or on specified terms and conditions, if the SEC determines that an exemption is consistent with the public interest and the protection of investors.

(c) Paragraph (a) of this section shall not apply to contracts for the sale for cash of securities that are priced after 4:30 p.m. Eastern time on the date the securities are priced and that are sold

§ 344.8

by an issuer to an underwriter pursuant to a firm commitment underwritten offering registered under the Securities Act of 1933, 15 U.S.C. 77a *et seq.*, or sold to an initial purchaser by a bank participating in the offering. A bank shall not effect or enter into a contract for the purchase or sale of the securities that provides for payment of funds and delivery of securities later than the fourth business day after the date of the contract unless otherwise expressly agreed to by the parties at the time of the transaction.

(d) For purposes of paragraphs (a) and (c) of this section, the parties to a contract shall be deemed to have expressly agreed to an alternate date for payment of funds and delivery of securities at the time of the transaction for a contract for the sale for cash of securities pursuant to a firm commitment offering if the managing underwriter and the issuer have agreed to the date for all securities sold pursuant to the offering and the parties to the contract have not expressly agreed to another date for payment of funds and delivery of securities at the time of the transaction.

§ 344.8 Securities trading policies and procedures.

(a) *Policies and procedures.* Every bank effecting securities transactions for customers shall establish written policies and procedures providing:

(1) Assignment of responsibility for supervision of all officers or employees who:

(i) Transmit orders to or place orders with broker/dealers; or

(ii) Execute transactions in securities for customers;

(2) Assignment of responsibility for supervision and reporting, separate from those in paragraph (a)(1) of this section, with respect to all officers or employees who process orders for notification or settlement purposes, or perform other back office functions with respect to securities transactions effected for customers;

(3) For the fair and equitable allocation of securities and prices to accounts when orders for the same security are received at approximately the same time and are placed for execution

12 CFR Ch. III (1-1-03 Edition)

either individually or in combination; and

(4) Where applicable, and where permissible under local law, for the crossing of buy and sell orders on a fair and equitable basis to the parties to the transaction.

§ 344.9 Personal securities trading reporting by bank officers and employees.

(a) *Officers and employees subject to reporting.* Bank officers and employees who:

(1) Make investment recommendations or decisions for the accounts of customers;

(2) Participate in the determination of such recommendations or decisions; or

(3) In connection with their duties, obtain information concerning which securities are being purchased or sold or recommend such action, must report to the bank, within ten business days after the end of the calendar quarter, all transactions in securities made by them or on their behalf, either at the bank or elsewhere in which they have a beneficial interest. The report shall identify the securities purchased or sold and indicate the dates of the transactions and whether the transactions were purchases or sales.

(b) *Exempt transactions.* Excluded from this reporting requirement are:

(1) Transactions for the benefit of the officer or employee over which the officer or employee has no direct or indirect influence or control;

(2) Transactions in registered investment company shares;

(3) Transactions in government securities; and

(4) All transactions involving in the aggregate \$10,000 or less during the calendar quarter.

(c) *Alternative report.* Where a bank acts as an investment adviser to an investment company registered under the Investment Company Act of 1940, the bank's officers and employees may fulfill their reporting requirement under paragraph (a) of this section by filing with the bank the "access persons" personal securities trading report required by (SEC) Rule 17j-1, 17 CFR 270.17j-1.

§ 345.11 Authority, purposes, and scope.

(a) *Authority and OMB control number*—(1) *Authority*. The authority for this part is 12 U.S.C. 1814–1817, 1819–

1820, 1828, 1831u and 2901–2907, 3103–3104, and 3108(a).

(2) *OMB control number*. The information collection requirements contained in this part were approved by the Office of Management and Budget under the provisions of 44 U.S.C. 3501 *et seq.* and have been assigned OMB control number 3064–0092.

(b) *Purposes*. In enacting the Community Reinvestment Act (CRA), the Congress required each appropriate Federal financial supervisory agency to assess an institution's record of helping to meet the credit needs of the local communities in which the institution is chartered, consistent with the safe and sound operation of the institution, and to take this record into account in the agency's evaluation of an application for a deposit facility by the institution. This part is intended to carry out the purposes of the CRA by:

(1) Establishing the framework and criteria by which the Federal Deposit Insurance Corporation (FDIC) assesses a bank's record of helping to meet the credit needs of its entire community, including low- and moderate-income neighborhoods, consistent with the safe and sound operation of the bank; and

(2) Providing that the FDIC takes that record into account in considering certain applications.

(c) *Scope*—(1) *General*. Except for certain special purpose banks described in paragraph (c)(3) of this section, this part applies to all insured State non-member banks, including insured State branches as described in paragraph (c)(2) and any uninsured State branch that results from an acquisition described in section 5(a)(8) of the International Banking Act of 1978 (12 U.S.C. 3103(a)(8)).

(2) *Insured State branches*. Insured State branches are branches of a foreign bank established and operating under the laws of any State, the deposits of which are insured in accordance with the provisions of the Federal Deposit Insurance Act. In the case of insured State branches, references in this part to *main office* mean the principal branch within the United States and the term *branch* or *branches* refers to any insured State branch or branches located within the United States. The *assessment area* of an insured State

§ 345.12

branch is the community or communities located within the United States served by the branch as described in §345.41.

Subpart B—Standards for Assessing Performance

SOURCE: 60 FR 22201, May 4, 1995, unless otherwise noted.

§ 345.21 Performance tests, standards, and ratings, in general.

(a) *Performance tests and standards.* The FDIC assesses the CRA performance of a bank in an examination as follows:

(1) *Lending, investment, and service tests.* The FDIC applies the lending, investment, and service tests, as provided in §§ 345.22 through 345.24, in evaluating the performance of a bank, except as provided in paragraphs (a)(2), (a)(3), and (a)(4) of this section.

(2) *Community development test for wholesale or limited purpose banks.* The FDIC applies the community development test for a wholesale or limited purpose bank, as provided in § 345.25, except as provided in paragraph (a)(4) of this section.

(3) *Small bank performance standards.* The FDIC applies the small bank performance standards as provided in § 345.26 in evaluating the performance of a small bank or a bank that was a small bank during the prior calendar year, unless the bank elects to be assessed as provided in paragraphs (a)(1), (a)(2), or (a)(4) of this section. The bank may elect to be assessed as provided in paragraph (a)(1) of this section only if it collects and reports the data required for other banks under § 345.42.

(4) *Strategic plan.* The FDIC evaluates the performance of a bank under a strategic plan if the bank submits, and the FDIC approves, a strategic plan as provided in § 345.27.

(b) *Performance context.* The FDIC applies the tests and standards in paragraph (a) of this section and also con-

siders whether to approve a proposed strategic plan in the context of:

(1) Demographic data on median income levels, distribution of household income, nature of housing stock, housing costs, and other relevant data pertaining to a bank's assessment area(s);

(2) Any information about lending, investment, and service opportunities in the bank's assessment area(s) maintained by the bank or obtained from community organizations, state, local, and tribal governments, economic development agencies, or other sources;

(3) The bank's product offerings and business strategy as determined from data provided by the bank;

(4) Institutional capacity and constraints, including the size and financial condition of the bank, the economic climate (national, regional, and local), safety and soundness limitations, and any other factors that significantly affect the bank's ability to provide lending, investments, or services in its assessment area(s);

(5) The bank's past performance and the performance of similarly situated lenders;

(6) The bank's public file, as described in § 345.43, and any written comments about the bank's CRA performance submitted to the bank or the FDIC; and

(7) Any other information deemed relevant by the FDIC.

(c) *Assigned ratings.* The FDIC assigns to a bank one of the following four ratings pursuant to § 345.28 and Appendix A of this part: "outstanding"; "satisfactory"; "needs to improve"; or "substantial noncompliance" as provided in 12 U.S.C. 2906(b)(2). The rating assigned by the FDIC reflects the bank's record of helping to meet the credit needs of its entire community, including low- and moderate-income neighborhoods, consistent with the safe and sound operation of the bank.

(d) *Safe and sound operations.* This part and the CRA do not require a bank to make loans or investments or to provide services that are inconsistent with safe and sound operations. To the contrary, the FDIC anticipates banks can meet the standards of this part with safe and sound loans, investments, and services on which the banks

expect to make a profit. Banks are permitted and encouraged to develop and apply flexible underwriting standards for loans that benefit low- or moderate-income geographies or individuals, only if consistent with safe and sound operations.

§ 345.22 Lending test.

(a) *Scope of test.* (1) The lending test evaluates a bank's record of helping to meet the credit needs of its assessment area(s) through its lending activities by considering a bank's home mortgage, small business, small farm, and community development lending. If consumer lending constitutes a substantial majority of a bank's business, the FDIC will evaluate the bank's consumer lending in one or more of the following categories: motor vehicle, credit card, home equity, other secured, and other unsecured loans. In addition, at a bank's option, the FDIC will evaluate one or more categories of consumer lending, if the bank has collected and maintained, as required in § 345.42(c)(1), the data for each category that the bank elects to have the FDIC evaluate.

(2) The FDIC considers originations and purchases of loans. The FDIC will also consider any other loan data the bank may choose to provide, including data on loans outstanding, commitments and letters of credit.

(3) A bank may ask the FDIC to consider loans originated or purchased by consortia in which the bank participates or by third parties in which the bank has invested only if the loans meet the definition of community development loans and only in accordance with paragraph (d) of this section. The FDIC will not consider these loans under any criterion of the lending test except the community development lending criterion.

(b) *Performance criteria.* The FDIC evaluates a bank's lending performance pursuant to the following criteria:

(1) *Lending activity.* The number and amount of the bank's home mortgage, small business, small farm, and consumer loans, if applicable, in the bank's assessment area(s);

(2) *Geographic distribution.* The geographic distribution of the bank's home mortgage, small business, small

farm, and consumer loans, if applicable, based on the loan location, including:

(i) The proportion of the bank's lending in the bank's assessment area(s);

(ii) The dispersion of lending in the bank's assessment area(s); and

(iii) The number and amount of loans in low-, moderate-, middle-, and upper-income geographies in the bank's assessment area(s);

(3) *Borrower characteristics.* The distribution, particularly in the bank's assessment area(s), of the bank's home mortgage, small business, small farm, and consumer loans, if applicable, based on borrower characteristics, including the number and amount of:

(i) Home mortgage loans to low-, moderate-, middle-, and upper-income individuals;

(ii) Small business and small farm loans to businesses and farms with gross annual revenues of \$1 million or less;

(iii) Small business and small farm loans by loan amount at origination; and

(iv) Consumer loans, if applicable, to low-, moderate-, middle-, and upper-income individuals;

(4) *Community development lending.* The bank's community development lending, including the number and amount of community development loans, and their complexity and innovativeness; and

(5) *Innovative or flexible lending practices.* The bank's use of innovative or flexible lending practices in a safe and sound manner to address the credit needs of low- or moderate-income individuals or geographies.

(c) *Affiliate lending.* (1) At a bank's option, the FDIC will consider loans by an affiliate of the bank, if the bank provides data on the affiliate's loans pursuant to § 345.42.

(2) The FDIC considers affiliate lending subject to the following constraints:

(i) No affiliate may claim a loan origination or loan purchase if another institution claims the same loan origination or purchase; and

(ii) If a bank elects to have the FDIC consider loans within a particular lending category made by one or more of

§ 345.23

12 CFR Ch. III (1–1–03 Edition)

the bank's affiliates in a particular assessment area, the bank shall elect to have the FDIC consider, in accordance with paragraph (c)(1) of this section, all the loans within that lending category in that particular assessment area made by all of the bank's affiliates.

(3) The FDIC does not consider affiliate lending in assessing a bank's performance under paragraph (b)(2)(i) of this section.

(d) *Lending by a consortium or a third party.* Community development loans originated or purchased by a consortium in which the bank participates or by a third party in which the bank has invested:

(1) Will be considered, at the bank's option, if the bank reports the data pertaining to these loans under § 345.42(b)(2); and

(2) May be allocated among participants or investors, as they choose, for purposes of the lending test, except that no participant or investor:

(i) May claim a loan origination or loan purchase if another participant or investor claims the same loan origination or purchase; or

(ii) May claim loans accounting for more than its percentage share (based on the level of its participation or investment) of the total loans originated by the consortium or third party.

(e) *Lending performance rating.* The FDIC rates a bank's lending performance as provided in Appendix A of this part.

§ 345.23 Investment test.

(a) *Scope of test.* The investment test evaluates a bank's record of helping to meet the credit needs of its assessment area(s) through qualified investments that benefit its assessment area(s) or a broader statewide or regional area that includes the bank's assessment area(s).

(b) *Exclusion.* Activities considered under the lending or service tests may not be considered under the investment test.

(c) *Affiliate investment.* At a bank's option, the FDIC will consider, in its assessment of a bank's investment performance, a qualified investment made by an affiliate of the bank, if the qualified investment is not claimed by any other institution.

(d) *Disposition of branch premises.* Donating, selling on favorable terms, or making available on a rent-free basis a branch of the bank that is located in a predominantly minority neighborhood to a minority depository institution or women's depository institution (as these terms are defined in 12 U.S.C. 2907(b)) will be considered as a qualified investment.

(e) *Performance criteria.* The FDIC evaluates the investment performance of a bank pursuant to the following criteria:

(1) The dollar amount of qualified investments;

(2) The innovativeness or complexity of qualified investments;

(3) The responsiveness of qualified investments to credit and community development needs; and

(4) The degree to which the qualified investments are not routinely provided by private investors.

(f) *Investment performance rating.* The FDIC rates a bank's investment performance as provided in Appendix A of this part.

§ 345.24 Service test.

(a) *Scope of test.* The service test evaluates a bank's record of helping to meet the credit needs of its assessment area(s) by analyzing both the availability and effectiveness of a bank's systems for delivering retail banking services and the extent and innovativeness of its community development services.

(b) *Area(s) benefited.* Community development services must benefit a bank's assessment area(s) or a broader statewide or regional area that includes the bank's assessment area(s).

(c) *Affiliate service.* At a bank's option, the FDIC will consider, in its assessment of a bank's service performance, a community development service provided by an affiliate of the bank, if the community development service is not claimed by any other institution.

(d) *Performance criteria—retail banking services.* The FDIC evaluates the availability and effectiveness of a bank's systems for delivering retail banking services, pursuant to the following criteria:

Federal Deposit Insurance Corporation

§ 345.25

(1) The current distribution of the bank's branches among low-, moderate-, middle-, and upper-income geographies;

(2) In the context of its current distribution of the bank's branches, the bank's record of opening and closing branches, particularly branches located in low- or moderate-income geographies or primarily serving low- or moderate-income individuals;

(3) The availability and effectiveness of alternative systems for delivering retail banking services (e.g., RSFs, RSFs not owned or operated by or exclusively for the bank, banking by telephone or computer, loan production offices, and bank-at-work or bank-by-mail programs) in low- and moderate-income geographies and to low- and moderate-income individuals; and

(4) The range of services provided in low-, moderate-, middle-, and upper-income geographies and the degree to which the services are tailored to meet the needs of those geographies.

(e) *Performance criteria—community development services.* The FDIC evaluates community development services pursuant to the following criteria:

(1) The extent to which the bank provides community development services; and

(2) The innovativeness and responsiveness of community development services.

(f) *Service performance rating.* The FDIC rates a bank's service performance as provided in Appendix A of this part.

§345.25 Community development test for wholesale or limited purpose banks.

(a) *Scope of test.* The FDIC assesses a wholesale or limited purpose bank's record of helping to meet the credit needs of its assessment area(s) under the community development test through its community development lending, qualified investments, or community development services.

(b) *Designation as a wholesale or limited purpose bank.* In order to receive a designation as a wholesale or limited purpose bank, a bank shall file a request, in writing, with the FDIC, at least three months prior to the proposed effective date of the designation.

If the FDIC approves the designation, it remains in effect until the bank requests revocation of the designation or until one year after the FDIC notifies the bank that the FDIC has revoked the designation on its own initiative.

(c) *Performance criteria.* The FDIC evaluates the community development performance of a wholesale or limited purpose bank pursuant to the following criteria:

(1) The number and amount of community development loans (including originations and purchases of loans and other community development loan data provided by the bank, such as data on loans outstanding, commitments, and letters of credit), qualified investments, or community development services;

(2) The use of innovative or complex qualified investments, community development loans, or community development services and the extent to which the investments are not routinely provided by private investors; and

(3) The bank's responsiveness to credit and community development needs.

(1) Qualified investments or community development services provided by an affiliate of the bank, if the investments or services are not claimed by any other institution; and

(2) Community development lending by affiliates, consortia and third parties, subject to the requirements and limitations in §345.22 (c) and (d).

(e) *Benefit to assessment area(s)*—(1) *Benefit inside assessment area(s).* The FDIC considers all qualified investments, community development loans, and community development services that benefit areas within the bank's assessment area(s) or a broader statewide or regional area that includes the bank's assessment area(s).

(2) *Benefit outside assessment area(s).* The FDIC considers the qualified investments, community development loans, and community development services that benefit areas outside the bank's assessment area(s), if the bank has adequately addressed the needs of its assessment area(s).

§ 345.26

(f) *Community development performance rating.* The FDIC rates a bank's community development performance as provided in Appendix A of this part.

§ 345.26 Small bank performance standards.

(a) *Performance criteria.* The FDIC evaluates the record of a small bank, or a bank that was a small bank during the prior calendar year, of helping to meet the credit needs of its assessment area(s) pursuant to the following criteria:

(1) The bank's loan-to-deposit ratio, adjusted for seasonal variation and, as appropriate, other lending-related activities, such as loan originations for sale to the secondary markets, community development loans, or qualified investments;

(2) The percentage of loans and, as appropriate, other lending-related activities located in the bank's assessment area(s);

(3) The bank's record of lending to and, as appropriate, engaging in other lending-related activities for borrowers of different income levels and businesses and farms of different sizes;

(4) The geographic distribution of the bank's loans; and

(5) The bank's record of taking action, if warranted, in response to written complaints about its performance in helping to meet credit needs in its assessment area(s).

(b) *Small bank performance rating.* The FDIC rates the performance of a bank evaluated under this section as provided in Appendix A of this part.

§ 345.27 Strategic plan.

(a) *Alternative election.* The FDIC will assess a bank's record of helping to meet the credit needs of its assessment area(s) under a strategic plan if:

(1) The bank has submitted the plan to the FDIC as provided for in this section;

(2) The FDIC has approved the plan;

(3) The plan is in effect; and

(4) The bank has been operating under an approved plan for at least one year.

(b) *Data reporting.* The FDIC's approval of a plan does not affect the bank's obligation, if any, to report data as required by § 345.42.

12 CFR Ch. III (1-1-03 Edition)

(c) *Plans in general*—(1) *Term.* A plan may have a term of no more than five years, and any multi-year plan must include annual interim measurable goals under which the FDIC will evaluate the bank's performance.

(2) *Multiple assessment areas.* A bank with more than one assessment area may prepare a single plan for all of its assessment areas or one or more plans for one or more of its assessment areas.

(3) *Treatment of affiliates.* Affiliated institutions may prepare a joint plan if the plan provides measurable goals for each institution. Activities may be allocated among institutions at the institutions' option, provided that the same activities are not considered for more than one institution.

(d) *Public participation in plan development.* Before submitting a plan to the FDIC for approval, a bank shall:

(1) Informally seek suggestions from members of the public in its assessment area(s) covered by the plan while developing the plan;

(2) Once the bank has developed a plan, formally solicit public comment on the plan for at least 30 days by publishing notice in at least one newspaper of general circulation in each assessment area covered by the plan; and

(3) During the period of formal public comment, make copies of the plan available for review by the public at no cost at all offices of the bank in any assessment area covered by the plan and provide copies of the plan upon request for a reasonable fee to cover copying and mailing, if applicable.

(e) *Submission of plan.* The bank shall submit its plan to the FDIC at least three months prior to the proposed effective date of the plan. The bank shall also submit with its plan a description of its informal efforts to seek suggestions from members of the public, any written public comment received, and, if the plan was revised in light of the comment received, the initial plan as released for public comment.

(f) *Plan content*—(1) *Measurable goals.* (i) A bank shall specify in its plan measurable goals for helping to meet the credit needs of each assessment area covered by the plan, particularly the needs of low- and moderate-income

geographies and low- and moderate-income individuals, through lending, investment, and services, as appropriate.

(ii) A bank shall address in its plan all three performance categories and, unless the bank has been designated as a wholesale or limited purpose bank, shall emphasize lending and lending-related activities. Nevertheless, a different emphasis, including a focus on one or more performance categories, may be appropriate if responsive to the characteristics and credit needs of its assessment area(s), considering public comment and the bank's capacity and constraints, product offerings, and business strategy.

(2) *Confidential information.* A bank may submit additional information to the FDIC on a confidential basis, but the goals stated in the plan must be sufficiently specific to enable the public and the FDIC to judge the merits of the plan.

(3) *Satisfactory and outstanding goals.* A bank shall specify in its plan measurable goals that constitute "satisfactory" performance. A plan may specify measurable goals that constitute "outstanding" performance. If a bank submits, and the FDIC approves, both "satisfactory" and "outstanding" performance goals, the FDIC will consider the bank eligible for an "outstanding" performance rating.

(4) *Election if satisfactory goals not substantially met.* A bank may elect in its plan that, if the bank fails to meet substantially its plan goals for a satisfactory rating, the FDIC will evaluate the bank's performance under the lending, investment, and service tests, the community development test, or the small bank performance standards, as appropriate.

(g) *Plan approval—(1) Timing.* The FDIC will act upon a plan within 60 calendar days after the FDIC receives the complete plan and other material required under paragraph (d) of this section. If the FDIC fails to act within this time period, the plan shall be deemed approved unless the FDIC extends the review period for good cause.

(2) *Public participation.* In evaluating the plan's goals, the FDIC considers the public's involvement in formulating the plan, written public comment on the plan, and any response by

the bank to public comment on the plan.

(3) *Criteria for evaluating plan.* The FDIC evaluates a plan's measurable goals using the following criteria, as appropriate:

(i) The extent and breadth of lending or lending-related activities, including, as appropriate, the distribution of loans among different geographies, businesses and farms of different sizes, and individuals of different income levels, the extent of community development lending, and the use of innovative or flexible lending practices to address credit needs;

(ii) The amount and innovativeness, complexity, and responsiveness of the bank's qualified investments; and

(iii) The availability and effectiveness of the bank's systems for delivering retail banking services and the extent and innovativeness of the bank's community development services.

(h) *Plan amendment.* During the term of a plan, a bank may request the FDIC to approve an amendment to the plan on grounds that there has been a material change in circumstances. The bank shall develop an amendment to a previously approved plan in accordance with the public participation requirements of paragraph (d) of this section.

(i) *Plan assessment.* The FDIC approves the goals and assesses performance under a plan as provided for in Appendix A of this part.

[60 FR 22201, May 4, 1995, as amended at 60 FR 66050, Dec. 20, 1995]

§ 345.28 Assigned ratings.

(a) *Ratings in general.* Subject to paragraphs (b) and (c) of this section, the FDIC assigns to a bank a rating of "outstanding," "satisfactory," "needs to improve," or "substantial non-compliance" based on the bank's performance under the lending, investment and service tests, the community development test, the small bank performance standards, or an approved strategic plan, as applicable.

(b) *Lending, investment, and service tests.* The FDIC assigns a rating for a bank assessed under the lending, investment, and service tests in accordance with the following principles:

§ 345.29

(1) A bank that receives an “outstanding” rating on the lending test receives an assigned rating of at least “satisfactory”;

(2) A bank that receives an “outstanding” rating on both the service test and the investment test and a rating of at least “high satisfactory” on the lending test receives an assigned rating of “outstanding”; and

(3) No bank may receive an assigned rating of “satisfactory” or higher unless it receives a rating of at least “low satisfactory” on the lending test.

(c) *Effect of evidence of discriminatory or other illegal credit practices.* Evidence of discriminatory or other illegal credit practices adversely affects the FDIC’s evaluation of a bank’s performance. In determining the effect on the bank’s assigned rating, the FDIC considers the nature and extent of the evidence, the policies and procedures that the bank has in place to prevent discriminatory or other illegal credit practices, any corrective action that the bank has taken or has committed to take, particularly voluntary corrective action resulting from self-assessment, and other relevant information.

§ 345.29 Effect of CRA performance on applications.

(a) *CRA performance.* Among other factors, the FDIC takes into account the record of performance under the CRA of each applicant bank in considering an application for approval of:

(1) The establishment of a domestic branch or other facility with the ability to accept deposits;

(2) The relocation of the bank’s main office or a branch;

(3) The merger, consolidation, acquisition of assets, or assumption of liabilities; and

(4) Deposit insurance for a newly chartered financial institution.

(b) *New financial institutions.* A newly chartered financial institution shall submit with its application for deposit insurance a description of how it will meet its CRA objectives. The FDIC takes the description into account in considering the application and may deny or condition approval on that basis.

(c) *Interested parties.* The FDIC takes into account any views expressed by in-

12 CFR Ch. III (1–1–03 Edition)

terested parties that are submitted in accordance with the FDIC’s procedures set forth in part 303 of this chapter in considering CRA performance in an application listed in paragraphs (a) and (b) of this section.

(d) *Denial or conditional approval of application.* A bank’s record of performance may be the basis for denying or conditioning approval of an application listed in paragraph (a) of this section.

§ 345.41 Assessment area delineation.

(a) *In general.* A bank shall delineate one or more assessment areas within which the FDIC evaluates the bank’s record of helping to meet the credit needs of its community. The FDIC does not evaluate the bank’s delineation of its assessment area(s) as a separate performance criterion, but the FDIC reviews the delineation for compliance with the requirements of this section.

(b) *Geographic area(s) for wholesale or limited purpose banks.* The assessment area(s) for a wholesale or limited purpose bank must consist generally of one or more MSAs (using the MSA boundaries that were in effect as of January 1 of the calendar year in which the delineation is made) or one or more contiguous political subdivisions, such as counties, cities, or towns, in which the bank has its main office, branches, and deposit-taking RSFs.

(c) *Geographic area(s) for other banks.* The assessment area(s) for a bank other than a wholesale or limited purpose bank must:

(1) Consist generally of one or more MSAs (using the MSA boundaries that were in effect as of January 1 of the calendar year in which the delineation is made) or one or more contiguous political subdivisions, such as counties, cities, or towns; and

(2) Include the geographies in which the bank has its main office, its branches, and its deposit-taking RSFs, as well as the surrounding geographies in which the bank has originated or purchased a substantial portion of its

loans (including home mortgage loans, small business and small farm loans, and any other loans the bank chooses, such as those consumer loans on which the bank elects to have its performance assessed).

(d) *Adjustments to geographic area(s).* A bank may adjust the boundaries of its assessment area(s) to include only the portion of a political subdivision that it reasonably can be expected to serve. An adjustment is particularly appropriate in the case of an assessment area that otherwise would be extremely large, of unusual configuration, or divided by significant geographic barriers.

(e) *Limitations on the delineation of an assessment area.* Each bank's assessment area(s):

(1) Must consist only of whole geographies;

(2) May not reflect illegal discrimination;

(3) May not arbitrarily exclude low- or moderate-income geographies, taking into account the bank's size and financial condition; and

(4) May not extend substantially beyond a CMSA boundary or beyond a state boundary unless the assessment area is located in a multistate MSA. If a bank serves a geographic area that extends substantially beyond a state boundary, the bank shall delineate separate assessment areas for the areas in each state. If a bank serves a geographic area that extends substantially beyond a CMSA boundary, the bank shall delineate separate assessment areas for the areas inside and outside the CMSA.

(f) *Banks serving military personnel.* Notwithstanding the requirements of this section, a bank whose business predominantly consists of serving the needs of military personnel or their dependents who are not located within a defined geographic area may delineate its entire deposit customer base as its assessment area.

(g) *Use of assessment area(s).* The FDIC uses the assessment area(s) delineated by a bank in its evaluation of the bank's CRA performance unless the FDIC determines that the assessment area(s) do not comply with the requirements of this section.

§ 345.42 Data collection, reporting, and disclosure.

(a) *Loan information required to be collected and maintained.* A bank, except a small bank, shall collect, and maintain in machine readable form (as prescribed by the FDIC) until the completion of its next CRA examination, the following data for each small business or small farm loan originated or purchased by the bank:

(1) A unique number or alpha-numeric symbol that can be used to identify the relevant loan file;

(2) The loan amount at origination;

(3) The loan location; and

(4) An indicator whether the loan was to a business or farm with gross annual revenues of \$1 million or less.

(b) *Loan information required to be reported.* A bank, except a small bank or a bank that was a small bank during the prior calendar year, shall report annually by March 1 to the FDIC in machine readable form (as prescribed by the FDIC) the following data for the prior calendar year:

(1) *Small business and small farm loan data.* For each geography in which the bank originated or purchased a small business or small farm loan, the aggregate number and amount of loans:

(i) With an amount at origination of \$100,000 or less;

(ii) With an amount at origination of more than \$100,000 but less than or equal to \$250,000;

(iii) With an amount at origination of more than \$250,000; and

(iv) To businesses and farms with gross annual revenues of \$1 million or less (using the revenues that the bank considered in making its credit decision);

(2) *Community development loan data.* The aggregate number and aggregate amount of community development loans originated or purchased; and

(3) *Home mortgage loans.* If the bank is subject to reporting under part 203 of this title, the location of each home mortgage loan application, origination, or purchase outside the MSAs in which the bank has a home or branch office (or outside any MSA) in accordance with the requirements of part 203 of this title.

(c) *Optional data collection and maintenance—(1) Consumer loans.* A bank may

collect and maintain in machine readable form (as prescribed by the FDIC) data for consumer loans originated or purchased by the bank for consideration under the lending test. A bank may maintain data for one or more of the following categories of consumer loans: motor vehicle, credit card, home equity, other secured, and other unsecured. If the bank maintains data for loans in a certain category, it shall maintain data for all loans originated or purchased within that category. The bank shall maintain data separately for each category, including for each loan:

(i) A unique number or alpha-numeric symbol that can be used to identify the relevant loan file;

(ii) The loan amount at origination or purchase;

(iii) The loan location; and

(iv) The gross annual income of the borrower that the bank considered in making its credit decision.

(2) *Other loan data.* At its option, a bank may provide other information concerning its lending performance, including additional loan distribution data.

(d) *Data on affiliate lending.* A bank that elects to have the FDIC consider loans by an affiliate, for purposes of the lending or community development test or an approved strategic plan, shall collect, maintain, and report for those loans the data that the bank would have collected, maintained, and reported pursuant to paragraphs (a), (b), and (c) of this section had the loans been originated or purchased by the bank. For home mortgage loans, the bank shall also be prepared to identify the home mortgage loans reported under part 203 of this title by the affiliate.

(e) *Data on lending by a consortium or a third party.* A bank that elects to have the FDIC consider community development loans by a consortium or third party, for purposes of the lending or community development tests or an approved strategic plan, shall report for those loans the data that the bank would have reported under paragraph (b)(2) of this section had the loans been originated or purchased by the bank.

(f) *Small banks electing evaluation under the lending, investment, and service*

tests. A bank that qualifies for evaluation under the small bank performance standards but elects evaluation under the lending, investment, and service tests shall collect, maintain, and report the data required for other banks pursuant to paragraphs (a) and (b) of this section.

(g) *Assessment area data.* A bank, except a small bank or a bank that was a small bank during the prior calendar year, shall collect and report to the FDIC by March 1 of each year a list for each assessment area showing the geographies within the area.

(h) *CRA Disclosure Statement.* The FDIC prepares annually for each bank that reports data pursuant to this section a CRA Disclosure Statement that contains, on a state-by-state basis:

(1) For each county (and for each assessment area smaller than a county) with a population of 500,000 persons or fewer in which the bank reported a small business or small farm loan:

(i) The number and amount of small business and small farm loans reported as originated or purchased located in low-, moderate-, middle-, and upper-income geographies;

(i) *Aggregate disclosure statements.* The FDIC, in conjunction with the Board of Governors of the Federal Reserve System, the Office of the Comptroller of the Currency, and the Office of Thrift Supervision, prepares annually, for each MSA (including an MSA that crosses a state boundary) and the non-MSA portion of each state, an aggregate disclosure statement of small business and small farm lending by all institutions subject to reporting under this part or parts 25, 228, or 563e of this title. These disclosure statements indicate, for each geography, the number and amount of all small business and small farm loans originated or purchased by reporting institutions, except that the FDIC may adjust the form of the disclosure if necessary, be-

cause of special circumstances, to protect the privacy of a borrower or the competitive position of an institution.

(j) *Central data depositories.* The FDIC makes the aggregate disclosure statements, described in paragraph (i) of this section, and the individual bank CRA Disclosure Statements, described in paragraph (h) of this section, available to the public at central data depositories. (2) A bank's performance need not fit each aspect of a particular rating profile in order to receive that rating, and exceptionally strong performance with respect to some aspects may compensate for weak performance in others. (v) A reasonable geographic distribution of loans given the bank's assessment area(s).

(2) *Eligibility for an outstanding rating.* A bank that meets each of the standards for a "satisfactory" rating under this paragraph and exceeds some or all of those standards may warrant consideration for an overall rating of "outstanding." In assessing whether a bank's performance is "outstanding," the FDIC considers the extent to which the bank exceeds each of the performance standards for a "satisfactory" rating and its performance in making qualified investments and its performance in providing branches and other services and delivery systems that enhance credit availability in its assessment area(s).

(3) *Needs to improve or substantial noncompliance ratings.* A bank also may receive a rating of "needs to improve" or "substantial noncompliance" depending on the degree to which its performance has failed to meet the standards for a "satisfactory" rating.

(e) *Strategic plan assessment and rating.* (1) *Satisfactory goals.* The FDIC approves as "satisfactory" measurable goals that adequately help to meet the credit needs of the bank's assessment area(s).

(2) *Outstanding goals.* If the plan identifies a separate group of measurable goals that substantially exceed the levels approved as "satisfactory," the FDIC will approve those goals as "outstanding."

(3) *Rating.* The FDIC assesses the performance of a bank operating under an approved plan to determine if the bank has met its plan goals:

(i) If the bank substantially achieves its plan goals for a satisfactory rating, the FDIC will rate the bank's performance under the plan as "satisfactory."

(ii) If the bank exceeds its plan goals for a satisfactory rating and substantially achieves its plan goals for an outstanding rating, the FDIC will rate the bank's performance under the plan as "outstanding."

(iii) If the bank fails to meet substantially its plan goals for a satisfactory rating, the FDIC will rate the bank as either "needs to improve" or "substantial noncompliance," depending on the extent to which it falls short of its plan goals, unless the bank elected in its plan to be rated otherwise, as provided in §345.27(f)(4).

SOURCE: 66 FR 2099, Jan. 10, 2001, unless otherwise noted.

§ 346.1 Purpose and scope of this part.

(a) *General.* This part implements section 711 of the Gramm-Leach-Bliley Act (12 U.S.C. 1831y). That section requires any nongovernmental entity or person, insured depository institution, or affiliate of an insured depository institution that enters into a covered agreement to—

(1) Make the covered agreement available to the public and the appropriate Federal banking agency; and

(2) File an annual report with the appropriate Federal banking agency concerning the covered agreement.

(b) *Scope of this part.* The provisions of this part apply to—

(1) State nonmember insured banks;

(2) Subsidiaries of state nonmember insured banks;

(3) Nongovernmental entities or persons that enter into covered agreements with any company listed in paragraph (b)(1) and (2) of this section.

(c) *Relation to Community Reinvestment Act.* This part does not affect in any way the Community Reinvestment Act of 1977 (12 U.S.C. 2901 *et seq.*) or the FDIC's Community Reinvestment regulation found at 12 CFR part 345, or the FDIC's interpretations or administration of that Act or regulation.

(d) *Examples.* (1) The examples in this part are not exclusive. Compliance with an example, to the extent applicable, constitutes compliance with this part.

(2) Examples in a paragraph illustrate only the issue described in the paragraph and do not illustrate any other issues that may arise in this part.

§ 346.2 Definition of covered agreement.

(a) *General definition of covered agreement.* A covered agreement is any con-

12 CFR Ch. III (1–1–03 Edition)

tract, arrangement, or understanding that meets all of the following criteria—

(1) The agreement is in writing.

(2) The parties to the agreement include—

(i) One or more insured depository institutions or affiliates of an insured depository institution; and

(ii) One or more nongovernmental entities or persons (referred to hereafter as NGEPs).

(3) The agreement provides for the insured depository institution or any affiliate to—

(i) Provide to one or more individuals or entities (whether or not parties to the agreement) cash payments, grants, or other consideration (except loans) that have an aggregate value of more than \$10,000 in any calendar year; or

(ii) Make to one or more individuals or entities (whether or not parties to the agreement) loans that have an aggregate principal amount of more than \$50,000 in any calendar year.

(4) The agreement is made pursuant to, or in connection with, the fulfillment of the Community Reinvestment Act of 1977 (12 U.S.C. 2901 *et seq.*) (CRA), as defined in § 346.4.

(5) The agreement is with a NGEF that has had a CRA communication as described in § 346.3 prior to entering into the agreement.

(b) *Examples concerning written arrangements or understandings—(1) Example 1.* A NGEF meets with an insured depository institution and states that the institution needs to make more community development investments in the NGEF's community. The NGEF and insured depository institution do not reach an agreement concerning the community development investments the institution should make in the community, and the parties do not reach any mutual arrangement or understanding. Two weeks later, the institution unilaterally issues a press release announcing that it has established a general goal of making \$100 million of community development grants in low- and moderate-income neighborhoods served by the insured depository institution over the next 5 years. The NGEF is not identified in the press release. The press release is

not a written arrangement or understanding.

(2) *Example 2.* A NGEF meets with an insured depository institution and states that the institution needs to offer new loan programs in the NGEF's community. The NGEF and the insured depository institution reach a mutual arrangement or understanding that the institution will provide additional loans in the NGEF's community. The institution tells the NGEF that it will issue a press release announcing the program. Later, the insured depository institution issues a press release announcing the loan program. The press release incorporates the key terms of the understanding reached between the NGEF and the insured depository institution. The written press release reflects the mutual arrangement or understanding of the NGEF and the insured depository institution and is, therefore, a written arrangement or understanding.

(3) *Example 3.* An NGEF sends a letter to an insured depository institution requesting that the institution provide a \$15,000 grant to the NGEF. The insured depository institution responds in writing and agrees to provide the grant in connection with its annual grant program. The exchange of letters constitutes a written arrangement or understanding.

(c) *Loan agreements that are not covered agreements.* A covered agreement does not include—

(1) Any individual loan that is secured by real estate; or

(2) Any specific contract or commitment for a loan or extension of credit to an individual, business, farm, or other entity, or group of such individuals or entities if—

(i) The funds are loaned at rates that are not substantially below market rates; and

(ii) The loan application or other loan documentation does not indicate that the borrower intends or is authorized to use the borrowed funds to make a loan or extension of credit to one or more third parties.

(d) *Examples concerning loan agreements*—(1) *Example 1.* An insured depository institution provides an organization with a \$1 million loan that is documented in writing and is secured by

real estate owned or to-be-acquired by the organization. The agreement is an individual mortgage loan and is exempt from coverage under paragraph (c)(1) of this section, regardless of the interest rate on the loan or whether the organization intends or is authorized to re-loan the funds to a third party.

(2) *Example 2.* An insured depository institution commits to provide a \$500,000 line of credit to a small business that is documented by a written agreement. The loan is made at rates that are within the range of rates offered by the institution to similarly situated small businesses in the market and the loan documentation does not indicate that the small business intends or is authorized to re-lend the borrowed funds. The agreement is exempt from coverage under paragraph (c)(2) of this section.

(3) *Example 3.* An insured depository institution offers small business loans that are guaranteed by the Small Business Administration (SBA). A small business obtains a \$75,000 loan, documented in writing, from the institution under the institution's SBA loan program. The loan documentation does not indicate that the borrower intends or is authorized to re-lend the funds. Although the rate charged on the loan is well below that charged by the institution on commercial loans, the rate is within the range of rates that the institution would charge a similarly situated small business for a similar loan under the SBA loan program. Accordingly, the loan is not made at substantially below market rates and is exempt from coverage under paragraph (c)(2) of this section.

(4) *Example 4.* A bank holding company enters into a written agreement with a community development organization that provides that insured depository institutions owned by the bank holding company will make \$250 million in small business loans in the community over the next 5 years. The written agreement is not a specific contract or commitment for a loan or an extension of credit and, thus, is not exempt from coverage under paragraph

(c)(2) of this section. Each small business loan made by the insured depository institution pursuant to this general commitment would, however, be exempt from coverage if the loan is made at rates that are not substantially below market rates and the loan documentation does not indicate that the borrower intended or was authorized to re-lend the funds.

(e) *Agreements that include exempt loan agreements.* If an agreement includes a loan, extension of credit or loan commitment that, if documented separately, would be exempt under paragraph (c) of this section, the exempt loan, extension of credit or loan commitment may be excluded for purposes of determining whether the agreement is a covered agreement.

(f) *Determining annual value of agreements that lack schedule of disbursements.* For purposes of paragraph (a)(3) of this section, a multi-year agreement that does not include a schedule for the disbursement of payments, grants, loans or other consideration by the insured depository institution or affiliate, is considered to have a value in the first year of the agreement equal to all payments, grants, loans and other consideration to be provided at any time under the agreement.

§ 346.3 CRA communications.

(a) *Definition of CRA communication.* A CRA communication is any of the following—

(1) Any written or oral comment or testimony provided to a Federal banking agency concerning the adequacy of the performance under the CRA of the insured depository institution, any affiliated insured depository institution, or any CRA affiliate.

(2) Any written comment submitted to the insured depository institution that discusses the adequacy of the performance under the CRA of the institution and must be included in the institution's CRA public file.

(3) Any discussion or other contact with the insured depository institution or any affiliate about—

(i) Providing (or refraining from providing) written or oral comments or testimony to any Federal banking agency concerning the adequacy of the performance under the CRA of the in-

sured depository institution, any affiliated insured depository institution, or any CRA affiliate;

(ii) Providing (or refraining from providing) written comments to the insured depository institution that concern the adequacy of the institution's performance under the CRA and must be included in the institution's CRA public file; or

(iii) The adequacy of the performance under the CRA of the insured depository institution, any affiliated insured depository institution, or any CRA affiliate.

(b) *Discussions or contacts that are not CRA communications—*(1) *Timing of contacts with a Federal banking agency.* An oral or written communication with a Federal banking agency is not a CRA communication if it occurred more than 3 years before the parties entered into the agreement.

(2) *Timing of contacts with insured depository institutions and affiliates.* A communication with an insured depository institution or affiliate is not a CRA communication if the communication occurred—

(i) More than 3 years before the parties entered into the agreement, in the case of any written communication;

(ii) More than 3 years before the parties entered into the agreement, in the case of any oral communication in which the NGEP discusses providing (or refraining from providing) comments or testimony to a Federal banking agency or written comments that must be included in the institution's CRA public file in connection with a request to, or agreement by, the institution or affiliate to take (or refrain from taking) any action that is in fulfillment of the CRA; or

(iii) More than 1 year before the parties entered into the agreement, in the case of any other oral communication not described in paragraph (b)(2)(ii) of this section.

(3) *Knowledge of communication by insured depository institution or affiliate.* (i) A communication is only a CRA communication under paragraph (a) of this section if the insured depository institution or its affiliate has knowledge of the communication under this paragraph (b)(3)(ii) or (b)(3)(iii) of this section.

(ii) *Communication with insured depository institution or affiliate.* An insured depository institution or affiliate has knowledge of a communication by the NGEF to the institution or its affiliate under this paragraph only if one of the following representatives of the insured depository institution or any affiliate has knowledge of the communication—

(A) An employee who approves, directs, authorizes, or negotiates the agreement with the NGEF; or

(B) An employee designated with responsibility for compliance with the CRA or executive officer if the employee or executive officer knows that the institution or affiliate is negotiating, intends to negotiate, or has been informed by the NGEF that it expects to request that the institution or affiliate negotiate an agreement with the NGEF.

(iii) *Other communications.* An insured depository institution or affiliate is deemed to have knowledge of—

(A) Any testimony provided to a Federal banking agency at a public meeting or hearing;

(B) Any comment submitted to a Federal banking agency that is conveyed in writing by the agency to the insured depository institution or affiliate; and

(C) Any written comment submitted to the insured depository institution that must be and is included in the institution's CRA public file.

(4) *Communication where NGEF has knowledge.* A NGEF has a CRA communication with an insured depository institution or affiliate only if any of the following individuals has knowledge of the communication—

(i) A director, employee, or member of the NGEF who approves, directs, authorizes, or negotiates the agreement with the insured depository institution or affiliate;

(ii) A person who functions as an executive officer of the NGEF and who knows that the NGEF is negotiating or intends to negotiate an agreement with the insured depository institution or affiliate; or

(iii) Where the NGEF is an individual, the NGEF.

(c) *Examples of CRA communications—*

(1) *Examples of actions that are CRA com-*

munications. The following are examples of CRA communications. These examples are not exclusive and assume that the communication occurs within the relevant time period as described in paragraph (b)(1) or (b)(2) of this section and the appropriate representatives have knowledge of the communication as specified in paragraphs (b)(3) and (b)(4) of this section.

(i) *Example 1.* A NGEF files a written comment with a Federal banking agency that states that an insured depository institution successfully addresses the credit needs of its community. The written comment is in response to a general request from the agency for comments on an application of the insured depository institution to open a new branch and a copy of the comment is provided to the institution.

(ii) *Example 2.* A NGEF meets with an executive officer of an insured depository institution and states that the institution must improve its CRA performance.

(iii) *Example 3.* A NGEF meets with an executive officer of an insured depository institution and states that the institution needs to make more mortgage loans in low- and moderate-income neighborhoods in its community.

(iv) *Example 4.* A bank holding company files an application with a Federal banking agency to acquire an insured depository institution. Two weeks later, the NGEF meets with an executive officer of the bank holding company to discuss the adequacy of the performance under the CRA of the target insured depository institution. The insured depository institution was an affiliate of the bank holding company at the time the NGEF met with the target institution. (See §346.11(a).) Accordingly, the NGEF had a CRA communication with an affiliate of the bank holding company.

(2) *Examples of actions that are not CRA communications.* The following are examples of actions that are not by themselves CRA communications. These examples are not exclusive.

(i) *Example 1.* A NGEF provides to a Federal banking agency comments or testimony concerning an insured depository institution or affiliate in response to a direct request by the agency for comments or testimony from

§ 346.4

12 CFR Ch. III (1–1–03 Edition)

that NGEF. Direct requests for comments or testimony do not include a general invitation by a Federal banking agency for comments or testimony from the public in connection with a CRA performance evaluation of, or application for a deposit facility (as defined in section 803 of the CRA (12 U.S.C. 2902(3)) by, an insured depository institution or an application by a company to acquire an insured depository institution.

(ii) *Example 2.* A NGEF makes a statement concerning an insured depository institution or affiliate at a widely attended conference or seminar regarding a general topic. A public or private meeting, public hearing, or other meeting regarding one or more specific institutions, affiliates or transactions involving an application for a deposit facility is not considered a widely attended conference or seminar.

(iii) *Example 3.* A NGEF, such as a civil rights group, community group providing housing and other services in low- and moderate-income neighborhoods, veterans organization, community theater group, or youth organization, sends a fundraising letter to insured depository institutions and to other businesses in its community. The letter encourages all businesses in the community to meet their obligation to assist in making the local community a better place to live and work by supporting the fundraising efforts of the NGEF.

(iv) *Example 4.* A NGEF discusses with an insured depository institution or affiliate whether particular loans, services, investments, community development activities, or other activities are generally eligible for consideration by a Federal banking agency under the CRA. The NGEF and insured depository institution or affiliate do not discuss the adequacy of the CRA performance of the insured depository institution or affiliate.

(v) *Example 5.* A NGEF engaged in the sale or purchase of loans in the secondary market sends a general offering circular to financial institutions offering to sell or purchase a portfolio of loans. An insured depository institution that receives the offering circular discusses with the NGEF the types of

loans included in the loan pool, whether such loans are generally eligible for consideration under the CRA, and which loans are made to borrowers in the institution's local community. The NGEF and insured depository institution do not discuss the adequacy of the institution's CRA performance.

(d) *Multiparty covered agreements.*—(1) A NGEF that is a party to a covered agreement that involves multiple NGEFs is not required to comply with the requirements of this part if—

(i) The NGEF has not had a CRA communication; and

(ii) No representative of the NGEF identified in paragraph (b)(4) of this section has knowledge at the time of the agreement that another NGEF that is a party to the agreement has had a CRA communication.

(2) An insured depository institution or affiliate that is a party to a covered agreement that involves multiple insured depository institutions or affiliates is not required to comply with the disclosure and annual reporting requirements in §§ 346.6 and 346.7 if—

(i) No NGEF that is a party to the agreement has had a CRA communication concerning the insured depository institution or any affiliate; and

(ii) No representative of the insured depository institution or any affiliate identified in paragraph (b)(3) of this section has knowledge at the time of the agreement that an NGEF that is a party to the agreement has had a CRA communication concerning any other insured depository institution or affiliate that is a party to the agreement.

§ 346.4 Fulfillment of the CRA.

(a) *List of factors that are in fulfillment of the CRA.* Fulfillment of the CRA, for purposes of this part, means the following list of factors—

(1) *Comments to a Federal banking agency or included in CRA public file.* Providing or refraining from providing written or oral comments or testimony to any Federal banking agency concerning the performance under the CRA of an insured depository institution or CRA affiliate that is a party to the agreement or an affiliate of a party to the agreement or written comments that are required to be included in the

Federal Deposit Insurance Corporation

§ 346.6

CRA public file of any such insured depository institution; or

(2) *Activities given favorable CRA consideration.* Performing any of the following activities if the activity is of the type that is likely to receive favorable consideration by a Federal banking agency in evaluating the performance under the CRA of the insured depository institution that is a party to the agreement or an affiliate of a party to the agreement—

(i) Home-purchase, home-improvement, small business, small farm, community development, and consumer lending, as described in 12 CFR 345.22, including loan purchases, loan commitments, and letters of credit;

(ii) Making investments, deposits, or grants, or acquiring membership shares, that have as their primary purpose community development, as described in 12 CFR 345.23;

(iii) Delivering retail banking services, as described in 12 CFR 345.24(d);

(iv) Providing community development services, as described in 12 CFR 345.24(e);

(v) In the case of a wholesale or limited-purpose insured depository institution, community development lending, including originating and purchasing loans and making loan commitments and letters of credit, making qualified investments, or providing community development services, as described in 12 CFR 345.25(c);

(vi) In the case of a small insured depository institution, any lending or other activity described in 12 CFR 345.26(a); or

(vii) In the case of an insured depository institution that is evaluated on the basis of a strategic plan, any element of the strategic plan, as described in 12 CFR 345.27(f).

(b) *Agreements relating to activities of CRA affiliates.* An insured depository institution or affiliate that is a party to a covered agreement that concerns any activity described in paragraph (a) of this section of a CRA affiliate must, prior to the time the agreement is entered into, notify each NGEF that is a party to the agreement that the agreement concerns a CRA affiliate.

§ 346.5 Related agreements considered a single agreement.

The following rules must be applied in determining whether an agreement is a covered agreement under § 346.2.

(a) *Agreements entered into by same parties.* All written agreements to which an insured depository institution or an affiliate of the insured depository institution is a party shall be considered to be a single agreement if the agreements—

(1) Are entered into with the same NGEF;

(2) Were entered into within the same 12-month period; and

(3) Are each in fulfillment of the CRA.

(b) *Substantively related contracts.* All written contracts to which an insured depository institution or an affiliate of the insured depository institution is a party shall be considered to be a single agreement, without regard to whether the other parties to the contracts are the same or whether each such contract is in fulfillment of the CRA, if the contracts were negotiated in a coordinated fashion and a NGEF is a party to each contract.

§ 346.6 Disclosure of covered agreements.

(a) *Applicability date.* This section applies only to covered agreements entered into after November 12, 1999.

(b) *Disclosure of covered agreements to the public—*(1) *Disclosure required.* Each NGEF and each insured depository institution or affiliate that enters into a covered agreement must promptly make a copy of the covered agreement available to any individual or entity upon request.

(2) *Nondisclosure of confidential and proprietary information permitted.* In responding to a request for a covered agreement from any individual or entity under paragraph (b)(1) of this section, a NGEF, insured depository institution, or affiliate may withhold from public disclosure confidential or proprietary information that the party believes the relevant supervisory agency could withhold from disclosure under the Freedom of Information Act (5 U.S.C. 552 *et seq.*) (FOIA).

(3) *Information that must be disclosed.* Notwithstanding paragraph (b)(2) of

this section, a party must disclose any of the following information that is contained in a covered agreement—

- (i) The names and addresses of the parties to the agreement;
- (ii) The amount of any payments, fees, loans, or other consideration to be made or provided by any party to the agreement;
- (iii) Any description of how the funds or other resources provided under the agreement are to be used;
- (iv) The term of the agreement (if the agreement establishes a term); and
- (v) Any other information that the relevant supervisory agency determines is not properly exempt from public disclosure.

(4) *Request for review of withheld information.* Any individual or entity may request that the relevant supervisory agency review whether any information in a covered agreement withheld by a party must be disclosed. Any requests for agency review of withheld information must be filed, and will be processed in accordance with, the relevant supervisory agency's rules concerning the availability of information (see the FDIC's rules regarding Disclosure of Information (12 CFR part 309)).

(5) *Duration of obligation.* The obligation to disclose a covered agreement to the public terminates 12 months after the end of the term of the agreement.

(6) *Reasonable copy and mailing fees.* Each NGEF and each insured depository institution or affiliate may charge an individual or entity that requests a copy of a covered agreement a reasonable fee not to exceed the cost of copying and mailing the agreement.

(7) *Use of CRA public file by insured depository institution or affiliate.* An insured depository institution and any affiliate of an insured depository institution may fulfill its obligation under this paragraph (b) by placing a copy of the covered agreement in the insured depository institution's CRA public file if the institution makes the agreement available in accordance with the procedures set forth in 12 CFR 345.43.

(c) *Disclosure by NGEFs of covered agreements to the relevant supervisory agency—*(1) Each NGEF that is a party to a covered agreement must provide the following within 30 days of receiving

a request from the relevant supervisory agency—

- (i) A complete copy of the agreement; and
- (ii) In the event the NGEF proposes the withholding of any information contained in the agreement in accordance with paragraph (b)(2) of this section, a public version of the agreement that excludes such information and an explanation justifying the exclusions. Any public version must include the information described in paragraph (b)(3) of this section.

(2) The obligation of a NGEF to provide a covered agreement to the relevant supervisory agency terminates 12 months after the end of the term of the covered agreement.

(d) *Disclosure by insured depository institution or affiliate of covered agreements to the relevant supervisory agency—*(1) *In general.* Within 60 days of the end of each calendar quarter, each insured depository institution and affiliate must provide each relevant supervisory agency with—

(i)(A) A complete copy of each covered agreement entered into by the insured depository institution or affiliate during the calendar quarter; and

(B) In the event the institution or affiliate proposes the withholding of any information contained in the agreement in accordance with paragraph (b)(2) of this section, a public version of the agreement that excludes such information (other than any information described in paragraph (b)(3) of this section) and an explanation justifying the exclusions; or

(ii) A list of all covered agreements entered into by the insured depository institution or affiliate during the calendar quarter that contains—

(A) The name and address of each insured depository institution or affiliate that is a party to the agreement;

(B) The name and address of each NGEF that is a party to the agreement;

(C) The date the agreement was entered into;

(D) The estimated total value of all payments, fees, loans and other consideration to be provided by the institution or any affiliate of the institution under the agreement; and

(E) The date the agreement terminates.

Federal Deposit Insurance Corporation

§ 346.7

(2) *Prompt filing of covered agreements contained in list required.*—(i) If an insured depository institution or affiliate files a list of the covered agreements entered into by the institution or affiliate pursuant to paragraph (d)(1)(ii) of this section, the institution or affiliate must provide any relevant supervisory agency a complete copy and public version of any covered agreement referenced in the list within 7 calendar days of receiving a request from the agency for a copy of the agreement.

(ii) The obligation of an insured depository institution or affiliate to provide a covered agreement to the relevant supervisory agency under this paragraph (d)(2) terminates 36 months after the end of the term of the agreement.

(3) *Joint filings.* In the event that 2 or more insured depository institutions or affiliates are parties to a covered agreement, the insured depository institution(s) and affiliate(s) may jointly file the documents required by this paragraph (d). Any joint filing must identify the insured depository institution(s) and affiliate(s) for whom the filings are being made.

§ 346.7 Annual reports.

(a) *Applicability date.* This section applies only to covered agreements entered into on or after May 12, 2000.

(b) *Annual report required.* Each NGEP and each insured depository institution or affiliate that is a party to a covered agreement must file an annual report with each relevant supervisory agency concerning the disbursement, receipt, and uses of funds or other resources under the covered agreement.

(c) *Duration of reporting requirement.*—(1) *NGEPs.* A NGEP must file an annual report for a covered agreement for any fiscal year in which the NGEP receives or uses funds or other resources under the agreement.

(2) *Insured depository institutions and affiliates.* An insured depository institution or affiliate must file an annual report for a covered agreement for any fiscal year in which the institution or affiliate—

(i) provides or receives any payments, fees, or loans under the covered agreement that must be reported under

paragraphs (e)(1)(iii) and (iv) of this section; or

(ii) has data to report on loans, investments, and services provided by a party to the covered agreement under the covered agreement under paragraph (e)(1)(vi) of this section.

(d) *Annual reports filed by NGEP.*—(1) *Contents of report.* The annual report filed by a NGEP under this section must include the following—

(i) The name and mailing address of the NGEP filing the report;

(ii) Information sufficient to identify the covered agreement for which the annual report is being filed, such as by providing the names of the parties to the agreement and the date the agreement was entered into or by providing a copy of the agreement;

(iii) The amount of funds or resources received under the covered agreement during the fiscal year; and

(iv) A detailed, itemized list of how any funds or resources received by the NGEP under the covered agreement were used during the fiscal year, including the total amount used for—

(A) Compensation of officers, directors, and employees;

(B) Administrative expenses;

(C) Travel expenses;

(D) Entertainment expenses;

(E) Payment of consulting and professional fees; and

(F) Other expenses and uses (specify expense or use).

(2) *More detailed reporting of uses of funds or resources permitted.*—(i) *In general.* If a NGEP allocated and used funds received under a covered agreement for a specific purpose, the NGEP may fulfill the requirements of paragraph (d)(1)(iv) of this section with respect to such funds by providing—

(A) A brief description of each specific purpose for which the funds or other resources were used; and

(B) The amount of funds or resources used during the fiscal year for each specific purpose.

(ii) *Specific purpose defined.* A NGEP allocates and uses funds for a specific purpose if the NGEP receives and uses the funds for a purpose that is more specific and limited than the categories listed in paragraph (d)(1)(iv) of this section.

(3) *Use of other reports.* The annual report filed by a NGEP may consist of or incorporate a report prepared for any other purpose, such as the Internal Revenue Service Return of Organization Exempt From Income Tax on Form 990, or any other Internal Revenue Service form, state tax form, report to members or shareholders, audited or unaudited financial statements, audit report, or other report, so long as the annual report filed by the NGEP contains all of the information required by this paragraph (d).

(4) *Consolidated reports permitted.* A NGEP that is a party to 2 or more covered agreements may file with each relevant supervisory agency a single consolidated annual report covering all the covered agreements. Any consolidated report must contain all the information required by this paragraph (d). The information reported under paragraphs (d)(1)(iv) and (d)(2) of this section may be reported on an aggregate basis for all covered agreements.

(5) *Examples of annual report requirements for NGEPs—(i) Example 1.* A NGEP receives an unrestricted grant of \$15,000 under a covered agreement, includes the funds in its general operating budget, and uses the funds during its fiscal year. The NGEP's annual report for the fiscal year must provide the name and mailing address of the NGEP, information sufficient to identify the covered agreement, and state that the NGEP received \$15,000 during the fiscal year. The report must also indicate the total expenditures made by the NGEP during the fiscal year for compensation, administrative expenses, travel expenses, entertainment expenses, consulting and professional fees, and other expenses and uses. The NGEP's annual report may provide this information by submitting an Internal Revenue Service Form 990 that includes the required information. If the Internal Revenue Service Form does not include information for all of the required categories listed in this part, the NGEP must report the total expenditures in the remaining categories either by providing that information directly or by providing another form or report that includes the required information.

(ii) *Example 2.* An organization receives \$15,000 from an insured depository

institution under a covered agreement and allocates and uses the \$15,000 during the fiscal year to purchase computer equipment to support its functions. The organization's annual report must include the name and address of the organization, information sufficient to identify the agreement, and a statement that the organization received \$15,000 during the year. In addition, since the organization allocated and used the funds for a specific purpose that is more narrow and limited than the categories of expenses included in the detailed, itemized list of expenses, the organization would have the option of providing either the total amount it used during the year for each category of expenses included in paragraph (d)(1)(iv) of this section, or a statement that it used the \$15,000 to purchase computer equipment and a brief description of the equipment purchased.

(iii) *Example 3.* A community group receives \$50,000 from an insured depository institution under a covered agreement. During its fiscal year, the community group specifically allocates and uses \$5,000 of the funds to pay for a particular business trip and uses the remaining \$45,000 for general operating expenses. The group's annual report for the fiscal year must include the name and address of the group, information sufficient to identify the agreement, and a statement that the group received \$50,000. Because the group did not allocate and use all of the funds for a specific purpose, the group's annual report must provide the total amount of funds it used during the year for each category of expenses included in paragraph (d)(1)(iv) of this section. The group's annual report also could state that it used \$5,000 for a particular business trip and include a brief description of the trip.

(iv) *Example 4.* A community development organization is a party to two separate covered agreements with two unaffiliated insured depository institutions. Under each agreement, the organization receives \$15,000 during its fiscal year and uses the funds to support its activities during that year. If the organization elects to file a consolidated annual report, the consolidated report must identify the organization

§ 346.7

and the two covered agreements, state that the organization received \$15,000 during the fiscal year under each agreement, and provide the total amount that the organization used during the year for each category of expenses included in paragraph (d)(1)(iv) of this section.

(e) *Annual report filed by insured depository institution or affiliate*—(1) *General*. The annual report filed by an insured depository institution or affiliate must include the following—

(i) The name and principal place of business of the insured depository institution or affiliate filing the report;

(ii) Information sufficient to identify the covered agreement for which the annual report is being filed, such as by providing the names of the parties to the agreement and the date the agreement was entered into or by providing a copy of the agreement;

(iii) The aggregate amount of payments, aggregate amount of fees, and aggregate amount of loans provided by the insured depository institution or affiliate under the covered agreement to any other party to the agreement during the fiscal year;

(iv) The aggregate amount of payments, aggregate amount of fees, and aggregate amount of loans received by the insured depository institution or affiliate under the covered agreement from any other party to the agreement during the fiscal year;

(v) A general description of the terms and conditions of any payments, fees, or loans reported under paragraphs (e)(1)(iii) and (iv) of this section, or, in the event such terms and conditions are set forth—

(A) In the covered agreement, a statement identifying the covered agreement and the date the agreement (or a list identifying the agreement) was filed with the relevant supervisory agency; or

(B) In a previous annual report filed by the insured depository institution or affiliate, a statement identifying the date the report was filed with the relevant supervisory agency; and

(vi) The aggregate amount and number of loans, aggregate amount and number of investments, and aggregate amount of services provided under the

covered agreement to any individual or entity not a party to the agreement—

(A) By the insured depository institution or affiliate during its fiscal year; and

(B) By any other party to the agreement, unless such information is not known to the insured depository institution or affiliate filing the report or such information is or will be contained in the annual report filed by another party under this section.

(2) *Consolidated reports permitted*—(i) *Party to multiple agreements*. An insured depository institution or affiliate that is a party to 2 or more covered agreements may file a single consolidated annual report with each relevant supervisory agency concerning all the covered agreements.

(ii) *Affiliated entities party to the same agreement*. An insured depository institution and its affiliates that are parties to the same covered agreement may file a single consolidated annual report relating to the agreement with each relevant supervisory agency for the covered agreement.

(iii) *Content of report*. Any consolidated annual report must contain all the information required by this paragraph (e). The amounts and data required to be reported under paragraphs (e)(1)(iv) and (vi) of this section may be reported on an aggregate basis for all covered agreements.

(f) *Time and place of filing*—(1) *General*. Each party must file its annual report with each relevant supervisory agency for the covered agreement no later than six months following the end of the fiscal year covered by the report.

(2) *Alternative method of fulfilling annual reporting requirement for a NGEP*.

(i) A NGEP may fulfill the filing requirements of this section by providing the following materials to an insured depository institution or affiliate that is a party to the agreement no later than six months following the end of the NGEP's fiscal year—

(A) A copy of the NGEP's annual report required under paragraph (d) of this section for the fiscal year; and

(B) Written instructions that the insured depository institution or affiliate promptly forward the annual report to the relevant supervisory agency or agencies on behalf of the NGEP.

§ 346.8

(ii) An insured depository institution or affiliate that receives an annual report from a NGEP pursuant to paragraph (f)(2)(i) of this section must file the report with the relevant supervisory agency or agencies on behalf of the NGEP within 30 days.

§ 346.8 Release of information under FOIA.

The FDIC will make covered agreements and annual reports available to the public in accordance with the Freedom of Information Act (5 U.S.C. 552 *et seq.*) and the FDIC's rules regarding Disclosure of Information (12 CFR part 309). A party to a covered agreement may request confidential treatment of proprietary and confidential information in a covered agreement or an annual report under those procedures.

§ 346.9 Compliance provisions.

(a) *Willful failure to comply with disclosure and reporting obligations.*—(1) If the FDIC determines that a NGEP has willfully failed to comply in a material way with §§ 346.6 or 346.7, the FDIC will notify the NGEP in writing of that determination and provide the NGEP a period of 90 days (or such longer period as the FDIC finds to be reasonable under the circumstances) to comply.

(2) If the NGEP does not comply within the time period established by the FDIC, the agreement shall thereafter be unenforceable by that NGEP by operation of section 48 of the Federal Deposit Insurance Act (12 U.S.C. 1831y).

(3) The FDIC may assist any insured depository institution or affiliate that is a party to a covered agreement that is unenforceable by a NGEP by operation of section 48 of the Federal Deposit Insurance Act (12 U.S.C. 1831y) in identifying a successor to assume the NGEP's responsibilities under the agreement.

(b) *Diversion of funds.* If a court or other body of competent jurisdiction determines that funds or resources received under a covered agreement have been diverted contrary to the purposes of the covered agreement for an individual's personal financial gain, the FDIC may take either or both of the following actions—

12 CFR Ch. III (1–1–03 Edition)

(1) Order the individual to disgorge the diverted funds or resources received under the agreement;

(2) Prohibit the individual from being a party to any covered agreement for a period not to exceed 10 years.

(c) *Notice and opportunity to respond.* Before making a determination under paragraph (a)(1) of this section, or taking any action under paragraph (b) of this section, the FDIC will provide written notice and an opportunity to present information to the FDIC concerning any relevant facts or circumstances relating to the matter.

(d) *Inadvertent or de minimis errors.* Inadvertent or de minimis errors in annual reports or other documents filed with the FDIC under §§ 346.6 or 346.7 will not subject the reporting party to any penalty.

(e) *Enforcement of provisions in covered agreements.* No provision of this part shall be construed as authorizing the FDIC to enforce the provisions of any covered agreement.

(i) An affiliated bank or Edge or Agreement corporation operates one or more foreign branches or foreign bank subsidiaries; or

(ii) The bank's holding company operates a foreign bank subsidiary.

(2) If any of the following are located in two or more foreign countries, an eligible insured state nonmember bank may establish a foreign branch conducting activities authorized by this section in an additional foreign country 45 days after the bank files a substantially complete application with the FDIC, or upon such earlier time as authorized by the FDIC:

(d) *Joint ventures.* If an insured state nonmember bank directly or indirectly acquires or holds equity interests of a foreign organization resulting in the insured state nonmember bank and its affiliates holding 20 percent or more, but not in excess of 50 percent, of the voting equity interests of a foreign organization in the aggregate, and the insured state nonmember bank or its affiliates do not control the foreign organization, up to 10 percent of either the consolidated assets or revenues of the foreign organization may be attributable to activities that are not permissible under paragraph (b) of this section.

(iii) Up to 75 percent of the position in an equity security may be reduced by netting long and short positions in the same security, or offsetting cash positions against derivative instruments referenced to the same security so long as the derivatives are part of a prudent hedging strategy; and

(2) Must be included in calculating the general consent limits under § 347.108(a)(3) if the insured state nonmember bank relies on the general consent provisions as authority to acquire equity interests of the same foreign entity for investment or trading.

(c) *Additional distribution and dealing limits.* With the exception of equity securities acquired pursuant to any underwriting commitment extending up to 90 days after the payment date for the underwriting, equity securities of a single entity held for distribution or dealing by all affiliates of the state nonmember bank (this includes shares held in connection with an underwriting or for distribution or dealing by an affiliate permitted to do so by § 337.4 of this chapter or section 4(c)(8) of the Bank Holding Company Act), combined with any equity interests held for investment or trading purposes by all affiliates of the state nonmember bank, must conform to the limits of § 347.104.

(d) The following activities are incidental to international or foreign business:

(b) *Expedited processing.* An investment that does not qualify for general consent but is otherwise in conformity with the limits and requirements of this subpart may be made 45 days after an eligible insured state nonmember bank files a substantially complete application with the FDIC, or upon such earlier time as authorized by the FDIC.

(c) *Inapplicability of general consent or expedited processing.* General consent or expedited processing under this section do not apply:

(1) For foreign investments resulting in the insured state nonmember bank holding 20 percent or more of the voting equity interests of a foreign organization or controlling such organization and the foreign organization would be located in a foreign country in which applicable law or practice would limit the FDIC's access to information for supervisory purposes; or

³A list of these countries can be obtained from the FDIC's Internet Web Site at www.fdic.gov.

(2) If the FDIC at any time notifies the insured state nonmember bank that the FDIC is modifying or suspending its general consent or expedited processing procedure.

(d) *Specific consent.* Any investment that is not authorized under general consent or expedited processing procedures must not be made without the prior specific consent of the FDIC.

(e) *Computation of amounts.* In computing the amount that may be invested in any foreign organization under this section, any investments held by an affiliate of the insured state nonmember bank must be included.

(a) *Loans or extensions of credit.* An insured state nonmember bank which directly or indirectly holds equity interests in a foreign organization pursuant to the authority of this subpart may make loans or extensions of credit to or for the accounts of the organization without regard to the provisions of section 18(j) of the FDI Act (12 U.S.C. 1828(j)).

(b) *Debts previously contracted.* Equity interests acquired to prevent a loss upon a debt previously contracted in good faith are not subject to the limitations or procedures of this subpart; however they must be disposed of promptly but in no event later than two years after their acquisition, unless the FDIC authorizes retention for a longer period.

§ 347.110 Supervision and record-keeping of the foreign activities of insured State nonmember banks.

(a) *Records, controls and reports.* An insured state nonmember bank with any foreign branch, any investment in a foreign organization of 20 percent or more of the organization's voting equity interests, or control of a foreign organization must maintain a system of records, controls and reports that, at minimum, provide for the following:

(1) *Risk assets.* To permit assessment of exposure to loss, information furnished or available to the main office should be sufficient to permit periodic and systematic appraisals of the quality of risk assets, including loans and other extensions of credit. Coverage should extend to a substantial proportion of the risk assets in the branch or foreign organization, and include the status of all large credit lines and of credits to customers also borrowing from other offices or affiliates of the insured state nonmember bank. Appropriate information on risk assets may include:

(i) A recent financial statement of the borrower or obligee and current information on the borrower's or obligee's financial condition;

(ii) Terms, conditions, and collateral;

(iii) Data on any guarantors;

(iv) Payment history; and

(v) Status of corrective measures employed.

(2) *Liquidity.* To enable assessment of local management's ability to meet its obligations from available resources, reports should identify the general sources and character of the deposits, borrowing, and other funding sources, employed in the branch or foreign organization with special reference to their terms and volatility. Information should be available on sources of liquidity—cash, balances with banks, marketable securities, and repayment flows—such as will reveal their accessibility in time and any risk elements involved.

(3) *Contingencies.* Data on the volume and nature of contingent items such as loan commitments and guarantees or their equivalents that permit analysis of potential risk exposure and liquidity requirements.

(4) *Controls.* Reports on the internal and external audits of the branch or foreign organization in sufficient detail to permit determination of conformance to auditing guidelines. Appropriate audit reports may include coverage of:

(i) Verification and identification of entries on financial statements;

(ii) Income and expense accounts, including descriptions of significant chargeoffs and recoveries;

(iii) Operations and dual-control procedures and other internal controls;

(iv) Conformance to head office guidelines on loans, deposits, foreign exchange activities, proper accounting procedures, and discretionary authority of local management;

(v) Compliance with local laws and regulations; and

(vi) Compliance with applicable U.S. laws and regulations.

(b) *Availability of information to examiners; reports.* (1) Information about foreign branches or foreign organizations must be made available to the FDIC by the insured state nonmember bank for examination and other supervisory purposes.

(2) If any applicable law or practice in a particular foreign country would limit the FDIC's access to information for supervisory purposes, no insured state nonmember bank may utilize the general consent or expedited processing procedures under §§ 347.103 and 347.108 to:

(i) Establish any foreign branch in the foreign country; or

(ii) Make any investment resulting in the state nonmember bank holding 20 percent or more of the voting equity interests of a foreign organization in the foreign country or controlling such organization.

(3) The FDIC may from time to time require an insured state nonmember bank to make and submit such reports and information as may be necessary to implement and enforce the provisions of this subpart, and the insured state nonmember bank shall submit an annual report of condition for each foreign branch pursuant to instructions provided by the FDIC.

Subpart B—Foreign Banks

§ 347.201 Scope.

(a)(1) Sections 347.203 through 347.207 implement the insurance provisions of section 6 of the International Banking Act of 1978 (12 U.S.C. 3104). They set out the FDIC's rules regarding domestic retail deposit activities requiring a foreign bank to establish an insured bank subsidiary; deposit activities permissible for a noninsured branch; authority for a state branch to apply for an exemption from the insurance require-

ment; and, depositor notification requirements. Sections 347.204, 347.205, 347.206 and 347.207 do not apply to a Federal branch. The Comptroller of the Currency's regulations (12 CFR part 28) establish such rules for Federal branches. However, Federal branches deemed by the Comptroller to require insurance must apply to the FDIC for insurance.

(2) Sections 347.203 through 347.207 also set out the FDIC's rules regarding the operation of insured and noninsured branches, whether state or Federal, by a foreign bank.

(b) Sections 347.208 through 347.212 set out the rules that apply only to a foreign bank that operates or proposes to establish an insured State or Federal branch. These rules relate to the following matters: an agreement to provide information and to be examined and provisions concerning record-keeping, pledge of assets, asset maintenance, and deductions from the assessment base.

The FDIC will not insure deposits in any branch of a foreign bank unless the foreign bank agrees that every branch established or operated by the foreign bank in the same state will be an insured branch; provided, that this restriction does not apply to any branch which accepts only initial deposits in an amount of \$100,000 or greater.

§ 347.204 Insurance requirement.

(a) *Domestic retail deposit activity*. In order to initiate or conduct domestic retail deposit activity which requires deposit insurance protection in any state a foreign bank shall:

(1) Establish one or more insured bank subsidiaries in the United States for that purpose; and

(2) Obtain deposit insurance for any such subsidiary in accordance with the Federal Deposit Insurance Act.

(b) *Exception*. For purposes of paragraph (a) of this section, "foreign bank" does not include any bank organized under the laws of any territory of the United States, Puerto Rico, Guam, American Samoa, or the Virgin Islands the deposits of which are insured by the Corporation pursuant to the Federal Deposit Insurance Act.

(c) *Grandfathered insured branches*. Domestic retail deposit accounts with balances of less than \$100,000 that require deposit insurance protection may be accepted or maintained in a branch of a foreign bank only if such branch was an insured branch on December 19, 1991.

(2) The branch meets the criteria set forth in § 347.205 or § 347.206.

§ 347.205 Branches established under section 5 of the International Banking Act.

A foreign bank may operate any state branch as a noninsured branch whenever the foreign bank has entered into an agreement with the Board of Governors of the Federal Reserve System to accept at that branch only those deposits as would be permissible for a corporation organized under section 25(a) of the Federal Reserve Act (12 U.S.C. 611 *et seq.*) and implementing rules and regulations administered by the Board of Governors (12 CFR part 211).

§ 347.206 Exemptions from the insurance requirement.

(a) Deposit activities not requiring insurance. A state branch will not be deemed to be engaged in domestic retail deposit activity which requires the foreign bank parent to establish an insured bank subsidiary in accordance with § 347.204(a) if the state branch only accepts initial deposits in an amount of less than \$100,000 which are derived solely from the following:

(1) Individuals who are not citizens or residents of the United States at the time of the initial deposit;

(2) Individuals who:

(i) Are not citizens of the United States;

(ii) Are residents of the United States; and

(iii) Are employed by a foreign bank, foreign business, foreign government, or recognized international organization;

(3) Persons (including immediate family members of natural persons) to whom the branch or foreign bank (including any affiliate thereof) has extended credit or provided other non-deposit banking services within the past twelve months or has entered into a written agreement to provide such services within the next twelve months;

(4) Foreign businesses, large United States businesses, and persons from

whom an Edge Corporation may accept deposits under § 211.4(e)(1) of Regulation K of the Board of Governors of the Federal Reserve System, 12 CFR 211.4(e)(1);

(5) Any governmental unit, including the United States government, any state government, any foreign government and any political subdivision or agency of any of the foregoing, and recognized international organizations;

(6) Persons who are depositing funds in connection with the issuance of a financial instrument by the branch for the transmission of funds or the transmission of such funds by any electronic means; and

(7) Any other depositor, but only if the branch's average deposits under this paragraph (a)(7) do not exceed one percent of the branch's average total deposits for the last 30 days of the most recent calendar quarter (de minimis exception). In calculating this de minimis exception, both the average deposits under this paragraph (a)(7) and the average total deposits shall be computed by summing the close of business figures for each of the last 30 calendar days, ending with and including the last day of the calendar quarter, and dividing the resulting sum by 30. For days on which the branch is closed, balances from the last previous business day are to be used. In determining its average branch deposits, the branch may exclude deposits in the branch of other offices, branches, agencies or wholly owned subsidiaries of the bank. In addition, the branch must not solicit deposits from the general public by advertising, display of signs, or similar activity designed to attract the attention of the general public. A foreign bank which has more than one state branch in the same state may aggregate deposits in such branches (excluding deposits of other branches, agencies or wholly owned subsidiaries of the bank) for the purpose of this paragraph (a)(7).

(b) *Application for an exemption.* (1) Whenever a foreign bank proposes to accept at a state branch initial deposits of less than \$100,000 and such deposits are not otherwise excepted under paragraph (a) of this section, the foreign bank may apply to the FDIC for consent to operate the branch as a non-

insured branch. The Board of Directors may exempt the branch from the insurance requirement if the branch is not engaged in domestic retail deposit activities requiring insurance protection. The Board of Directors will consider the size and nature of depositors and deposit accounts, the importance of maintaining and improving the availability of credit to all sectors of the United States economy, including the international trade finance sector of the United States economy, whether the exemption would give the foreign bank an unfair competitive advantage over United States banking organizations, and any other relevant factors in making this determination.

(2) Procedures for applications under this section are set out in subpart D of this part.

(c) *Transition period.* A noninsured state branch may maintain a retail deposit lawfully accepted prior to April 1, 1996 pursuant to regulations in effect prior to July 1, 1998 (See § 346.6 as contained in 12 CFR parts 300 to 499 revised as of January 1, 1998):

(1) If the deposit qualifies pursuant to paragraph (a) or (b) of this section; or

(2) If the deposit does not qualify pursuant to paragraph (a) or (b) of this section, no later than:

(i) In the case of a non-time deposit, five years from April 1, 1996; or

(ii) In the case of a time deposit, the first maturity date of the time deposit after April 1, 1996.

§ 347.207 Notification to depositors.

Any state branch that is exempt from the insurance requirement pursuant to § 347.206 shall:

(a) Display conspicuously at each window or place where deposits are usually accepted a sign stating that deposits are not insured by the FDIC; and

(b) Include in bold face conspicuous type on each signature card, passbook, and instrument evidencing a deposit the statement "This deposit is not insured by the FDIC"; or require each depositor to execute a statement which acknowledges that the initial deposit and all future deposits at the branch are not insured by the FDIC. This acknowledgment shall be retained by the

Federal Deposit Insurance Corporation

branch so long as the depositor maintains any deposit with the branch. This provision applies to any negotiable certificates of deposit made in a branch on or after July 6, 1989, as well as to any renewals of such deposits which become effective on or after July 6, 1989.

§ 347.208 Agreement to provide information and to be examined.

(a) A foreign bank that applies for insurance for any branch shall agree in writing to the following terms:

(1)(i) The foreign bank will provide the FDIC with information regarding the affairs of the foreign bank and its affiliates which are located outside of the United States as the FDIC from time to time may request to:

(A) Determine the relations between the insured branch and the foreign bank and its affiliates; and

(B) Assess the financial condition of the foreign bank as it relates to the insured branch.

(ii) If the laws of the country of the foreign bank's domicile or the policy of the Central Bank or other banking authority prohibit or restrict the foreign bank from entering into this agreement, the foreign bank shall agree to provide information to the extent permitted by such law or policy. Information provided shall be in English and in the form requested by the FDIC and shall be made available in the United States. The Board of Directors will consider the existence and extent of this prohibition or restriction in determining whether to grant insurance and may deny the application if the information available is so limited in extent that an unacceptable risk to the insurance fund is presented.

(2)(i) The FDIC may examine the affairs of any office, agency, branch or affiliate of the foreign bank located in the United States as the FDIC deems necessary to:

(A) Determine the relations between the insured branch and such offices, agencies, branches or affiliates; and

(B) Assess the financial condition of the foreign bank as it relates to the insured branch.

(ii) The foreign bank shall also agree to provide the FDIC with information regarding the affairs of such offices, agencies, branches or affiliates as the

FDIC deems necessary. The Board of Directors will not grant insurance to any branch if the foreign bank fails to enter into an agreement as required under this paragraph (a).

(b) The agreement shall be signed by an officer of the foreign bank who has been so authorized by the foreign bank's board of directors. The agreement and the authorization shall be included with the foreign bank's application for insurance. Any agreement not in English shall be accompanied by an English translation.

§ 347.209 Records.

(a) Each insured branch shall keep a set of accounts and records in the words and figures of the English language which accurately reflect the business transactions of the insured branch on a daily basis.

(b) The records of each insured branch shall be kept as though it were a separate entity, with its assets and liabilities separate from the other operations of the head office, other branches or agencies of the foreign bank and its subsidiaries or affiliates. A foreign bank which has more than one insured branch in a state may treat such insured branches as one entity for record keeping purposes and may designate one branch to maintain records for all the branches in the state.

§ 347.210 Pledge of assets.

(a) *Purpose.* A foreign bank that has an insured branch shall pledge assets for the benefit of the FDIC or its designee(s). Whenever the FDIC is obligated under section 11(f) of the Federal Deposit Insurance Act (12 U.S.C. 1821(f)) to pay the insured deposits of an insured branch, the assets pledged under this section shall become the property of the FDIC to be used to the extent necessary to protect the deposit insurance fund.

(b) *Amount of assets to be pledged.* (1) A foreign bank shall pledge assets equal to five percent of the average of the insured branch's liabilities for the last 30 days of the most recent calendar quarter. This average shall be computed by using the sum of the close of business figures for the 30 calendar days of the most recent calendar quarter, ending

with and including the last day of the calendar quarter, divided by 30.⁴ In determining its average liabilities, the insured branch may exclude liabilities to other offices, agencies, branches, and wholly owned subsidiaries of the foreign bank. The value of the pledged assets shall be computed based on the lesser of the principal amount (par value) or market value of such assets at the time of the original pledge and thereafter as of the last day of the most recent calendar quarter.

(2) The initial five-percent deposit for a newly established insured branch shall be based on the branch's projection of liabilities at the end of the first year of its operation.

(3) The FDIC may require a foreign bank to pledge additional assets or to compute its pledge on a daily basis whenever the FDIC determines that the foreign bank's or any insured branch's condition is such that the assets pledged under paragraph (b)(1) or (b)(2) of this section will not adequately protect the deposit insurance fund. In requiring a foreign bank to pledge additional assets, the FDIC will consult with the insured branch's primary regulator. Among the factors to be considered in imposing these requirements are the concentration of risk to any one borrower or group of related borrowers, the concentration of transfer risk to any one country, including the country in which the foreign bank's head office is located or any other factor the FDIC determines is relevant.

(4) Each insured branch shall separately comply with the requirements of this section. However, a foreign bank which has more than one insured branch in a state may treat all of its insured branches in the same state as one entity and shall designate one insured branch to be responsible for compliance with this section.

(c) *Depository.* A foreign bank shall place pledged assets for safekeeping at any depository which is located in any state. However, a depository may not be an affiliate of the foreign bank whose insured branch is seeking to use

the depository. A foreign bank must obtain the FDIC's prior written approval of the depository selected, and such approval may be revoked and dismissal of the depository required whenever the depository does not fulfill any one of its obligations under the pledge agreement. A foreign bank shall appoint and constitute the depository as its attorney in fact for the sole purpose of transferring title to pledged assets to the FDIC as may be required to effectuate the provisions of paragraph (a) of this section.

(d) *Assets that may be pledged.* Subject to the right of the FDIC to require substitution, a foreign bank may pledge any of the kinds of assets listed in this paragraph (d); such assets must be denominated in United States dollars. A foreign bank shall be deemed to have pledged any such assets for the benefit of the FDIC or its designees at such time as any such asset is placed with the depository, as follows:

(1) Certificates of deposit that are payable in the United States and that are issued by any state bank, national bank, or branch of a foreign bank which has executed a valid waiver of offset agreement or similar debt instruments that are payable in the United States and that are issued by any agency of a foreign bank which has executed a valid waiver of offset agreement; provided, that the maturity of any certificate or issuance is not greater than one year; and provided further, that the issuing branch or agency of a foreign bank is not an affiliate of the pledging bank or from the same country as the pledging bank's domicile;

(2) Interest bearing bonds, notes, debentures, or other direct obligations of or obligations fully guaranteed as to principal and interest by the United States or any agency or instrumentality thereof;

(3) Commercial paper that is rated P-1 or P-2, or their equivalent by a nationally recognized rating service; provided, that any conflict in a rating shall be resolved in favor of the lower rating;

(4) Banker's acceptances that are payable in the United States and that are issued by any state bank, national bank, or branch or agency of a foreign bank; provided, that the maturity of

⁴For days on which the branch is closed, balances from the previous business day are to be used.

any acceptance is not greater than 180 days; and provided further, that the branch or agency issuing the acceptance is not an affiliate of the pledging bank or from the same country as the pledging bank's domicile;

(5) General obligations of any state of the United States, or any county or municipality of any state of the United States, or any agency, instrumentality, or political subdivision of the foregoing or any obligation guaranteed by a state of the United States or any county or municipality of any state of the United States; provided, that such obligations have a credit rating within the top two rating bands of a nationally-recognized rating service (with any conflict in a rating resolved in favor of the lower rating);

(6) Obligations of the African Development Bank, Asian Development Bank, Inter-American Development Bank, and the International Bank for Reconstruction and Development;

(7) Notes issued by bank holding companies or banks organized under the laws of the United States or any state thereof or notes issued by United States branches or agencies of foreign banks, provided, that the notes have a credit rating within the top two rating bands of a nationally-recognized rating service (with any conflict in a rating resolved in favor of the lower rating) and that they are payable in the United States, and provided further, that the issuer is not an affiliate of the foreign bank pledging the note; or

(8) Any other asset determined by the FDIC to be acceptable.

(e) *Pledge agreement.* A foreign bank shall not pledge any assets unless a pledge agreement in form and substance satisfactory to the FDIC has been executed by the foreign bank and the depository. The agreement, in addition to other terms not inconsistent with this paragraph (e), shall give effect to the following terms:

(1) *Original pledge.* The foreign bank shall place with the depository assets of the kind described in paragraph (d) of this section, having an aggregate value in the amount as required pursuant to paragraph (b) of this section.

(2) *Additional assets required to be pledged.* Whenever the foreign bank is required to pledge additional assets for

the benefit of the FDIC or its designees pursuant to paragraph (b)(3) of this section, it shall place (within two business days after the last day of the most recent calendar quarter, unless otherwise ordered) additional assets of the kind described in paragraph (d) of this section, having an aggregate value in the amount required by the FDIC.

(3) *Substitution of assets.* The foreign bank, at any time, may substitute any assets for pledged assets, and, upon such substitution, the depository shall promptly release any such assets to the foreign bank. Provided, that:

(i) The foreign bank pledges assets of the kind described in paragraph (d) of this section having an aggregate value not less than the value of the pledged assets for which they are substituted and certified as such by the foreign bank; and

(ii) The FDIC has not by written notification to the foreign bank, a copy of which shall be provided to the depository, suspended or terminated the foreign bank's right of substitution.

(4) *Delivery of other documents.* Concurrently with the pledge of any assets, the foreign bank shall deliver to the depository all documents and instruments necessary or advisable to effectuate the transfer of title to any such assets and thereafter, from time to time, at the request of the FDIC, deliver to the depository any such additional documents or instruments. The foreign bank shall provide copies of all such documents described in this paragraph (e)(4) to the appropriate regional director concurrently with their delivery to the depository.

(5) *Acceptance and safekeeping responsibilities of the depository.* (i) The depository shall accept and hold any assets pledged by the foreign bank pursuant to the pledge agreement for safekeeping free and clear of any lien, charge, right of offset, credit, or preference in connection with any claim the depository may assert against the foreign bank and shall designate any such assets as a special pledge for the benefit of the FDIC or its designees. The depository shall not accept the pledge of any such assets unless concurrently with such pledge the foreign bank delivers to the depository the documents and instruments necessary

for the transfer of title thereto as provided in this part.

(ii) The depository shall hold any such assets separate from all other assets of the foreign bank or the depository. Such assets may be held in book-entry form but must at all times be segregated on the records of the depository and clearly identified as assets subject to the pledge agreement.

(6) *Reporting requirements of the insured branch and the depository.* (i) *Initial reports.* Upon the original pledge of assets as provided in paragraph (e)(1) of this section:

(A) The depository shall provide to the foreign bank and to the appropriate regional director a written report in the form of a receipt identifying each asset pledged and specifying in reasonable detail with respect to each such asset the complete title, interest rate, series, serial number (if any), principal amount (par value), maturity date and call date; and

(B) The foreign bank shall provide to the appropriate regional director a written report certified as correct by the foreign bank which sets forth the value of each pledged asset and the aggregate value of all such assets, and which states that the aggregate value of all such assets is the amount required pursuant to paragraph (b) of this section and that all such assets are of the kind described in paragraph (d) of this section.

(ii) *Quarterly reports.* Within ten calendar days after the end of the most recent calendar quarter:

(A) The depository shall provide to the appropriate regional director a written report specifying in reasonable detail with respect to each asset currently pledged (including any asset pledged to satisfy the requirements of paragraph (b)(3) of this section and identified as such), as of two business days after the end of the most recent calendar quarter, the complete title, interest rate, series, serial number (if any), principal amount (par value), maturity date, and call date, provided, that if no substitution of any asset has occurred during the reporting period, the report need only specify that no substitution of assets has occurred; and

(B) The foreign bank shall provide as of two business days after the end of

the most recent calendar quarter to the appropriate regional director a written report certified as correct by the foreign bank which sets forth the value of each pledged asset and the aggregate value of all such assets, which states that the aggregate value of all such assets is the amount required pursuant to paragraph (b) of this section and that all such assets are of the kind described in paragraph (d) of this section, and which states the average of the liabilities of each insured branch of the foreign bank computed in the manner and for the period prescribed in paragraph (b) of this section.

(iii) *Additional reports.* The foreign bank shall, from time to time, as may be required, provide to the appropriate regional director a written report in the form specified containing the information requested with respect to any asset then currently pledged.

(7) *Access to assets.* With respect to any asset pledged pursuant to the pledge agreement, the depository will provide representatives of the FDIC or the foreign bank access (during regular business hours of the depository and at the location where any such asset is held, without other limitation or qualification) to all original instruments, documents, books, and records evidencing or pertaining to any such asset.

(8) *Release upon the order of the FDIC.* The depository shall release to the foreign bank any pledged assets, as specified in a written notification of the appropriate regional director, upon the terms and conditions provided in such notification, including without limitation the waiver of any requirement that any assets be pledged by the foreign bank in substitution of any released assets.

(9) *Release to the FDIC.* Whenever the FDIC is obligated under section 11(f) of the Federal Deposit Insurance Act (12 U.S.C. 1821(f)) to pay insured deposits of an insured branch, the FDIC by written certification shall so inform the depository; and the depository, upon receipt of such certification, shall thereupon promptly release and transfer title to any pledged assets to the FDIC or release such assets to the foreign bank, as specified in the certification. Upon release and transfer of title to all

Federal Deposit Insurance Corporation

§ 347.211

pledged assets specified in the certification, the depository shall be discharged from any further obligation under the pledge agreement.

(10) *Interest earned on assets.* The foreign bank may retain any interest earned with respect to the assets currently pledged unless the FDIC by written notice prohibits retention of interest by the foreign bank, in which case the notice shall specify the disposition of any such interest.

(11) *Expenses of agreement.* The FDIC shall not be required to pay any fees, costs, or expenses for services provided by the depository to the foreign bank pursuant to, or in connection with, the pledge agreement.

(12) *Substitution of depository.* The depository may resign, or the foreign bank may discharge the depository, from its duties and obligations under the pledge agreement by giving at least 60 days' written notice thereof to the other party and to the appropriate regional director. The FDIC, upon 30 days' written notice to the foreign bank and the depository, may require the foreign bank to dismiss the depository if the FDIC in its discretion determines that the depository is in breach of the pledge agreement. The depository shall continue to function as such until the appointment of a successor depository becomes effective and the depository has released to the successor depository the pledged assets and documents and instruments to effectuate transfer of title in accordance with the written instructions of the foreign bank as approved by the FDIC. The appointment by the foreign bank of a successor depository shall not be effective until:

(i) The FDIC has approved in writing the successor depository; and

(ii) A pledge agreement in form and substance satisfactory to the FDIC has been executed.

(13) *Waiver of terms.* The FDIC may by written order waive compliance by the foreign bank or the depository with any term or condition of the pledge agreement.

(f)(1) Authority is delegated to the Director (DSC), the Deputy Director (DSC), and where confirmed in writing by the Director, to an associate director, or to the appropriate regional di-

rector or deputy regional director, to enter into pledge agreements with foreign banks and depositories in connection with the pledge of asset requirements pursuant to this section. This authority shall also extend to the power to revoke such approval and require the dismissal of the depository.

(2) Authority is delegated to the General Counsel or designee to modify the terms of the model pledge agreement used for such deposit agreements.

§ 347.211 Asset maintenance.

(a) An insured branch of a foreign bank shall maintain on a daily basis eligible assets in an amount not less than 106 percent of the preceding quarter's average book value of the insured branch's liabilities or, in the case of a newly-established insured branch, the estimated book value of its liabilities at the end of the first full quarter of operation, exclusive of liabilities due to the foreign bank's head office, other branches, agencies, offices, or wholly owned subsidiaries. The Director of the Division of Supervision and Consumer Protection (DSC) or his designee may impose a computation of total liabilities on a daily basis in those instances where it is found necessary for supervisory purposes. The Board of Directors, after consulting with the insured branch's primary regulator, may require that a higher ratio of eligible assets be maintained if the financial condition of the insured branch warrants such action. Among the factors which will be considered in requiring a higher ratio of eligible assets are the concentration of risk to any one borrower or group of related borrowers, the concentration of transfer risk to any one country, including the country in which the foreign bank's head office is located or any other factor the FDIC determines is relevant. Eligible assets shall be payable in United States dollars.

(b) In determining eligible assets for the purposes of compliance with paragraph (a) of this section, the insured branch shall exclude the following:

(1) Any asset due from the foreign bank's head office, other branches, agencies, offices or affiliates;

(2) Any asset classified "Value Impaired," to the extent of the required

§ 347.212

Allocated Transfer Risk Reserves or equivalent write down, or "Loss" in the most recent State or Federal examination report;

(3) Any deposit of the insured branch in a bank unless the bank has executed a valid waiver of offset agreement;

(4) Any asset not supported by sufficient credit information to allow a review of the asset's credit quality, as determined at the most recent State or Federal examination, as follows:

(i) Whether an asset has sufficient credit information will be a function of the size of the borrower and the location within the foreign bank of the responsibility for authorizing and monitoring extensions of credit to the borrower. For large, well known companies, when credit responsibility is located in an office of the foreign bank outside the insured branch, the insured branch must have adequate documentation to show that the asset is of good quality and is being supervised adequately by the foreign bank. In such cases, copies of periodic memoranda that include an analysis of the borrower's recent financial statements and a report on recent developments in the borrower's operations and borrowing relationships with the foreign bank generally would constitute sufficient information. For other borrowers, periodic memoranda must be supplemented by information such as copies of recent financial statements, recent correspondence concerning the borrower's financial condition and repayment history, credit terms and collateral, data on any guarantors, and where necessary, the status of any corrective measures being employed;

(ii) Subsequent to the determination that an asset lacks sufficient credit information, an insured branch may not include the amount of that asset among eligible assets until the FDIC determines that sufficient documentation exists. Such a determination may be made either at the next Federal examination, or upon request of the insured branch, by the appropriate regional director;

(5) Any asset not in the insured branch's actual possession unless the insured branch holds title to such asset and the insured branch maintains records sufficient to enable inde-

12 CFR Ch. III (1-1-03 Edition)

pendent verification of the insured branch's ownership of the asset, as determined at the most recent State or Federal examination;

(6) Any intangible asset;

(7) Any other asset not considered bankable by the FDIC.

(c) A foreign bank which has more than one insured branch in a state may treat all of its insured branches in the same state as one entity for purposes of compliance with paragraph (a) of this section and shall designate one insured branch to be responsible for maintaining the records of the insured branches' compliance with this section.

(d) The average book value of the insured branch's liabilities for a quarter shall be, at the insured branch's option, either an average of the balances as of the close of business for each day of the quarter or an average of the balances as of the close of business on each Wednesday during the quarter. Quarters end on March 31, June 30, September 30, and December 31 of any given year. For days on which the insured branch is closed, balances from the previous business day are to be used. Calculations of the average book value of the insured branch's liabilities for a quarter shall be retained by the insured branch until the next Federal examination.

§ 347.212 Deductions from the assessment base.

An insured branch may deduct from its assessment base deposits in the insured branch to the credit of the foreign bank or any office, branch or agency of and any wholly owned subsidiary of the foreign bank.

§ 347.213 FDIC approval to conduct activities not permissible for Federal branches.

(a) *Scope.* A foreign bank operating an insured state branch which desires to engage in or continue to engage in any type of activity that is not permissible for a Federal branch, pursuant to the National Bank Act (12 U.S.C. 21 *et seq.*) or any other Federal statute, regulation, official bulletin or circular, written order or interpretation, or decision of a court of competent jurisdiction (each an impermissible activity),

Federal Deposit Insurance Corporation

§ 347.214

shall file a written application for permission to conduct such activity with the FDIC.

(b) *Exceptions.* A foreign bank operating an insured state branch which would otherwise be required to submit an application pursuant to paragraph (a) of this section will not be required to submit such an application if the activity it desires to engage in or continue to engage in has been determined by the FDIC not to present a significant risk to the affected deposit insurance fund pursuant to part 362 of this chapter, “Activities and Investment of Insured State Banks”.

(c) *Agency activities.* A foreign bank operating an insured state branch which would otherwise be required to submit an application pursuant to paragraph (a) of this section will not be required to submit such an application if it desires to engage in or continue to engage in an activity conducted as agent which would be a permissible agency activity for a state-chartered bank located in the state which the state-licensed insured branch of the foreign bank is located and is also permissible for a state-licensed branch of a foreign bank located in that state; provided, however, that the agency activity must be permissible pursuant to any other applicable Federal law or regulation.

(d) *Conditions of approval.* Approval of such an application may be conditioned on the applicant’s agreement to conduct the activity subject to specific limitations, such as but not limited to the pledging of assets in excess of the requirements of § 347.210 and/or the maintenance of eligible assets in excess of the requirements of § 347.211. In the case of an application to initially engage in an activity, as opposed to an application to continue to conduct an activity, the insured branch shall not commence the activity until it has been approved in writing by the FDIC pursuant to this part and the Board of Governors of the Federal Reserve System (Board of Governors), and any and all conditions imposed in such approvals have been satisfied.

(e) *Divestiture or cessation.* (1) If an application for permission to continue to conduct an activity is not approved by the FDIC or the Board of Governors,

the applicant shall submit a plan of divestiture or cessation of the activity to the appropriate regional director.

(2) A foreign bank operating an insured state branch which elects not to apply to the FDIC for permission to continue to conduct an activity which is rendered impermissible by any change in statute, regulation, official bulletin or circular, written order or interpretation, or decision of a court of competent jurisdiction shall submit a plan of divestiture or cessation to the appropriate regional director.

(3) Divestitures or cessations shall be completed within one year from the date of the disapproval, or within such shorter period of time as the FDIC shall direct.

(f) *Procedures.* Procedures for applications under this section are set out in subpart D of this part.

§ 347.214 Examination of branches of foreign banks.

(a) *Frequency of on-site examination.* Each branch or agency of a foreign bank shall be examined on-site at least once during each 12-month period (beginning on the date the most recent examination of the office ended) by:

(1) The Board of Governors of the Federal Reserve System (Board);

(2) The FDIC, if an insured branch;

(3) The Office of the Comptroller of the Currency (OCC), if the branch or agency of the foreign bank is licensed by the Comptroller; or

(4) The state supervisor, if the office of the foreign bank is licensed or chartered by the state.

(b) *18-month cycle for certain small institutions.* (1) *Mandatory standards.* The FDIC may conduct a full-scope, on-site examination at least once during each 18-month period, rather than each 12-month period as provided in paragraph (a) of this section, if the insured branch:

(i) Has total assets of \$250 million or less;

(ii) Has received a composite ROCA supervisory rating (which rates risk management, operational controls, compliance, and asset quality) of 1 or 2 at its most recent examination;

(iii) Satisfies the requirement of either the following paragraph (b)(iii)(A) or (B):

(A) The foreign bank's most recently reported capital adequacy position consists of, or is equivalent to, Tier 1 and total risk-based capital ratios of at least 6 percent and 10 percent, respectively, on a consolidated basis; or

(B) The insured branch has maintained on a daily basis, over the past three quarters, eligible assets in an amount not less than 108 percent of the preceding quarter's average third party liabilities (determined consistent with applicable federal and state law) and sufficient liquidity is currently available to meet its obligations to third parties;

(iv) Is not subject to a formal enforcement action or order by the Board, FDIC, or the OCC; and

(v) Has not experienced a change in control during the preceding 12-month period in which a full-scope, on-site examination would have been required but for this section.

(2) *Discretionary standards.* In determining whether an insured branch that meets the standards of paragraph (b)(1) of this section should not be eligible for an 18-month examination cycle pursuant to this paragraph (b), the FDIC may consider additional factors, including whether:

(i) Any of the individual components of the ROCA supervisory rating of an insured branch is rated "3" or worse;

(ii) The results of any off-site monitoring indicate a deterioration in the condition of the insured branch;

(iii) The size, relative importance, and role of a particular insured branch when reviewed in the context of the foreign bank's entire U.S. operations otherwise necessitate an annual examination; and

(iv) The condition of the parent foreign bank gives rise to such a need.

(c) *Authority to conduct more frequent examinations.* Nothing in paragraphs (a) and (b) of this section limits the authority of the FDIC to examine any insured branch as frequently as it deems necessary.

Subpart C—International Lending

§ 347.301 Purpose, authority, and scope.

Under the International Lending Supervision Act of 1983 (Title IX, Pub. L. 98-181, 97 Stat. 1153) (12 U.S.C. 3901 *et seq.*) (ILSA), the Federal Deposit Insurance Corporation prescribes the regulations in this subpart relating to international lending activities of insured state nonmember banks.

§ 347.302 Definitions.

For the purposes of this subpart:

(a) *Administrative cost* means those costs which are specifically identified with negotiating, processing and consummating the loan. These costs include, but are not necessarily limited to: legal fees; costs of preparing and processing loan documents; and an allocable portion of salaries and related benefits of employees engaged in the international lending function. No portion of supervisory and administrative expenses or other indirect expenses such as occupancy and other similar overhead costs shall be included.

(b) *Banking institution* means an insured state nonmember bank.

(c) *Federal banking agencies* means the Board of Governors of the Federal Reserve System, the Office of the Comptroller of the Currency, and the Federal Deposit Insurance Corporation.

(d) *International assets* means those assets required to be included in banking institutions' "Country Exposure Report" form (FFIEC No. 009).

(e) *International loan* means a loan as defined in the instructions to the "Report of Condition and Income" for the respective banking institution (FFIEC Nos. 031, 032, 033 and 034) and made to a foreign government, or to an individual, a corporation, or other entity not a citizen of, resident in, or organized or incorporated in the United States.

(f) *Restructured international loan* means a loan that meets the following criteria:

(1) The borrower is unable to service the existing loan according to its terms and is a resident of a foreign country in

which there is a generalized inability of public and private sector obligors to meet their external debt obligations on a timely basis because of a lack of, or restraints on the availability of, needed foreign exchange in the country; and

(2) Either:

(i) The terms of the existing loan are amended to reduce stated interest or extend the schedule of payments; or

(ii) A new loan is made to, or for the benefit of, the borrower, enabling the borrower to service or refinance the existing debt.

(g) *Transfer risk* means the possibility that an asset cannot be serviced in the currency of payment because of a lack of, or restraints on the availability of, needed foreign exchange in the country of the obligor.

§ 347.303 Allocated transfer risk reserve.

(a) *Establishment of Allocated Transfer Risk Reserve.* A banking institution shall establish an allocated transfer risk reserve (ATRR) for specified international assets when required by the FDIC in accordance with this section.

(b) *Procedures and standards—(1) Joint agency determination.* At least annually, the Federal banking agencies shall determine jointly, based on the standards set forth in paragraph (b)(2) of this section, the following:

(i) Which international assets subject to transfer risk warrant establishment of an ATRR;

(ii) The amount of the ATRR for the specified assets; and

(iii) Whether an ATRR established for specified assets may be reduced.

(2) *Standards for requiring ATRR—(i) Evaluation of assets.* The Federal banking agencies shall apply the following criteria in determining whether an ATRR is required for particular international assets:

(A) Whether the quality of a banking institution's assets has been impaired by a protracted inability of public or private obligors in a foreign country to make payments on their external indebtedness as indicated by such factors, among others, as whether:

(1) Such obligors have failed to make full interest payments on external indebtedness; or

(2) Such obligors have failed to comply with the terms of any restructured indebtedness; or

(3) A foreign country has failed to comply with any International Monetary Fund or other suitable adjustment program; or

(B) Whether no definite prospects exist for the orderly restoration of debt service.

(ii) *Determination of amount of ATRR.* (A) In determining the amount of the ATRR, the Federal banking agencies shall consider:

(1) The length of time the quality of the asset has been impaired;

(2) Recent actions taken to restore debt service capability;

(3) Prospects for restored asset quality; and

(4) Such other factors as the Federal banking agencies may consider relevant to the quality of the asset.

(B) The initial year's provision for the ATRR shall be ten percent of the principal amount of each specified international asset, or such greater or lesser percentage determined by the Federal banking agencies. Additional provision, if any, for the ATRR in subsequent years shall be fifteen percent of the principal amount of each specified international asset, or such greater or lesser percentage determined by the Federal banking agencies.

(3) *FDIC notification.* Based on the joint agency determinations under paragraph (b)(1) of this section, the FDIC shall notify each banking institution holding assets subject to an ATRR:

(i) Of the amount of the ATRR to be established by the institution for specified international assets; and

(ii) That an ATRR established for specified assets may be reduced.

(c) *Accounting treatment of ATRR—(1) Charge to current income.* A banking institution shall establish an ATRR by a charge to current income and the amounts so charged shall not be included in the banking institution's capital or surplus.

(2) *Separate accounting.* A banking institution shall account for an ATRR separately from the Allowance for Loan and Lease Losses, and shall deduct the ATRR from "gross loans and leases" to arrive at "net loans and

§ 347.304

leases.” The ATRR must be established for each asset subject to the ATRR in the percentage amount specified.

(3) *Consolidation.* A banking institution shall establish an ATRR, as required, on a consolidated basis. For banks, consolidation should be in accordance with the procedures and tests of significance set forth in the instructions for preparation of Consolidated Reports of Condition and Income (FFIEC Nos. 031, 032, 033 and 034).

(4) *Alternative accounting treatment.* A banking institution need not establish an ATRR if it writes down in the period in which the ATRR is required, or has written down in prior periods, the value of the specified international assets in the requisite amount for each such asset. For purposes of this paragraph (c)(4), international assets may be written down by a charge to the Allowance for Loan and Lease Losses or a reduction in the principal amount of the asset by application of interest payments or other collections on the asset; provided, that only those international assets that may be charged to the Allowance for Loan and Lease Losses pursuant to generally accepted accounting principles may be written down by a charge to the Allowance for Loan and Lease Losses. However, the Allowance for Loan and Lease Losses must be replenished in such amount necessary to restore it to a level which adequately provides for the estimated losses inherent in the banking institution’s loan and lease portfolio.

(5) *Reduction of ATRR.* A banking institution may reduce an ATRR when notified by the FDIC or, at any time, by writing down such amount of the international asset for which the ATRR was established.

§ 347.304 Accounting for fees on international loans.

(a) *Restrictions on fees for restructured international loans.* No banking institution shall charge, in connection with the restructuring of an international loan, any fee exceeding the administrative cost of the restructuring unless it amortizes the amount of the fee exceeding the administrative cost over the effective life of the loan.

(b) *Accounting treatment.* Subject to paragraph (a) of this section, banking

institutions shall account for fees on international loans in accordance with generally accepted accounting principles.

§ 347.305 Reporting and disclosure of international assets.

(a) *Requirements.* (1) Pursuant to section 907(a) of ILSA, a banking institution shall submit to the FDIC, at least quarterly, information regarding the amounts and composition of its holdings of international assets.

(2) Pursuant to section 907(b) of ILSA, a banking institution shall submit to the FDIC information regarding concentrations in its holdings of international assets that are material in relation to total assets and to capital of the institution, such information to be made publicly available by the FDIC on request.

(b) *Procedures.* The format, content and reporting and filing dates of the reports required under paragraph (a) of this section shall be determined jointly by the Federal banking agencies. The requirements to be prescribed by the Federal banking agencies may include changes to existing forms (such as revisions to the Country Exposure Report, Form FFIEC No. 009) or such other requirements as the Federal banking agencies deem appropriate. The Federal banking agencies also may determine to exempt from the requirements of paragraph (a) of this section banking institutions that, in the Federal banking agencies’ judgment, have de minimis holdings of international assets.

(c) *Reservation of Authority.* Nothing contained in this subpart shall preclude the FDIC from requiring from a banking institution such additional or more frequent information on the institution’s holdings of international assets as the agency may consider necessary.

§ 348.2

348.7 Change in circumstances.

348.8 Enforcement.

AUTHORITY: 12 U.S.C. 3207, 12 U.S.C. 1823(k).

SOURCE: 61 FR 40305, Aug. 2, 1996, unless otherwise noted.

§ 348.1 Authority, purpose, and scope.

(a) *Authority.* This part is issued under the provisions of the Depository Institution Management Interlocks Act (Interlocks Act) (12 U.S.C. 3201 *et seq.*), as amended.

(b) *Purpose.* The purpose of the Interlocks Act and this part is to foster competition by generally prohibiting a management official from serving two nonaffiliated depository organizations in situations where the management interlock likely would have an anti-competitive effect.

(c) *Scope.* This part applies to management officials of insured nonmember banks and their affiliates.

§ 348.2 Definitions.

For purposes of this part, the following definitions apply:

(a) *Affiliate.* (1) The term *affiliate* has the meaning given in section 202 of the Interlocks Act (12 U.S.C. 3201). For purposes of section 202, shares held by an individual include shares held by members of his or her immediate family. "Immediate family" means spouse, mother, father, child, grandchild, sister, brother or any of their spouses, whether or not any of their shares are held in trust.

(2) For purposes of section 202(3)(B) of the Interlocks Act (12 U.S.C. 3201(3)(B)), an affiliate relationship involving an insured nonmember bank based on common ownership does not exist if the FDIC determines, after giving the affected persons the opportunity to respond, that the asserted affiliation was established in order to avoid the prohibitions of the Interlocks Act and does not represent a true commonality of interest between the depository organizations. In making this determination, the FDIC considers, among other things, whether a person, including members of his or her immediate family whose shares are necessary to constitute the group, owns a nominal percentage of the shares of one of the organizations and the percentage is substantially disproportional

tionate to that person's ownership of shares in the other organization.

(b) *Area median income* means:

(1) The median family income for the metropolitan statistical area (MSA), if a depository organization is located in an MSA; or

(2) The statewide nonmetropolitan median family income, if a depository organization is located outside an MSA.

(c) *Community* means a city, town, or village, and contiguous or adjacent cities, towns, or villages.

(d) *Contiguous or adjacent cities, towns, or villages* means cities, towns, or villages whose borders touch each other or whose borders are within 10 road miles of each other at their closest points. The property line of an office located in an unincorporated city, town, or village is the boundary line of that city, town, or village for the purpose of this definition.

(e) *Depository holding company* means a bank holding company or a savings and loan holding company (as more fully defined in section 202 of the Interlocks Act (12 U.S.C. 3201)) having its principal office located in the United States.

(f) *Depository institution* means a commercial bank (including a private bank), a savings bank, a trust company, a savings and loan association, a building and loan association, a home-stead association, a cooperative bank, an industrial bank, or a credit union, chartered under the laws of the United States and having a principal office located in the United States. Additionally, a United States office, including a branch or agency, of a foreign commercial bank is a depository institution.

(g) *Depository institution affiliate* means a depository institution that is an affiliate of a depository organization.

(h) *Depository organization* means a depository institution or a depository holding company.

(i) *Low- and moderate-income areas* means census tracts (or, if an area is not in a census tract, block numbering areas delineated by the United States Bureau of the Census) where the median family income is less than 100 percent of the area median income.

§ 348.3

12 CFR Ch. III (1–1–03 Edition)

(j) *Management official.* (1) The term *management official* means:

- (i) A director;
- (ii) An advisory or honorary director of a depository institution with total assets of \$100 million or more;
- (iii) A senior executive officer as that term is defined in 12 CFR 303.14(a)(3);
- (iv) A branch manager;
- (v) A trustee of a depository organization under the control of trustees; and
- (vi) Any person who has a representative or nominee serving in any of the capacities in this paragraph (1)(1).

(2) The term *management official* does not include:

- (i) A person whose management functions relate exclusively to the business of retail merchandising or manufacturing;
- (ii) A person whose management functions relate principally to the business outside the United States of a foreign commercial bank; or
- (iii) A person described in the provisions of section 202(4) of the Interlocks Act (12 U.S.C. 3201(4)) (referring to an officer of a State-chartered savings bank, cooperative bank, or trust company that neither makes real estate mortgage loans nor accepts savings).

(k) *Office* means a principal or branch office of a depository institution located in the United States. *Office* does not include a representative office of a foreign commercial bank, an electronic terminal, or a loan production office.

(l) *Person* means a natural person, corporation, or other business entity.

(m) *Relevant metropolitan statistical area (RMSA)* means an MSA, a primary MSA, or a consolidated MSA that is not comprised of designated Primary MSAs to the extent that these terms are defined and applied by the Office of Management and Budget.

(n) *Representative or nominee* means a natural person who serves as a management official and has an obligation to act on behalf of another person with respect to management responsibilities. The FDIC will find that a person has an obligation to act on behalf of another person only if the first person has an agreement, express or implied, to act on behalf of the second person with respect to management responsibilities. The FDIC will determine, after giving

the affected persons an opportunity to respond, whether a person is a *representative or nominee*.

(o) *Total assets.* (1) The term *total assets* includes assets measured on a consolidated basis and reported in the most recent fiscal year-end Consolidated Report of Condition and Income.

(2) The term *total assets* does not include:

- (i) Assets of a diversified savings and loan holding company as defined by section 10(a)(1)(F) of the Home Owners' Loan Act (12 U.S.C. 1467a(a)(1)(F)) other than the assets of its depository institution affiliate;

- (ii) Assets of a bank holding company that are exempt from the prohibitions of section 4 of the Bank Holding Company Act of 1956 pursuant to an order issued under section 4(d) of that Act (12 U.S.C. 1843(d)) other than the assets of its depository institution affiliate; or

- (iii) Assets of offices of a foreign commercial bank other than the assets of its United States branch or agency.

(p) *United States* means the United States of America, any State or territory of the United States of America, the District of Columbia, Puerto Rico, Guam, American Samoa, and the Virgin Islands.

§ 348.3 Prohibitions.

(a) *Community.* A management official of a depository organization may not serve at the same time as a management official of an unaffiliated depository organization if the depository organizations in question (or a depository institution affiliate thereof) have offices in the same community.

(b) *RMSA.* A management official of a depository organization may not serve at the same time as a management official of an unaffiliated depository organization if the depository organizations in question (or a depository institution affiliate thereof) have offices in the same RMSA and each depository organization has total assets of \$20 million or more.

(c) *Major assets.* A management official of a depository organization with total assets exceeding \$2.5 billion (or any affiliate of such an organization) may not serve at the same time as a

§ 348.5

management official of an unaffiliated depository organization with total assets exceeding \$1.5 billion (or any affiliate of such an organization), regardless of the location of the two depository organizations. The FDIC will adjust these thresholds, as necessary, based on the year-to-year change in the average of the Consumer Price Index for the Urban Wage Earners and Clerical Workers, not seasonally adjusted, with rounding to the nearest \$100 million. The FDIC will announce the revised thresholds by publishing a final rule without notice and comment in the FEDERAL REGISTER.

§ 348.4 Interlocking relationships permitted by statute.

The prohibitions of § 348.3 do not apply in the case of any one or more of the following organizations or to a subsidiary thereof:

(a) A depository organization that has been placed formally in liquidation, or which is in the hands of a receiver, conservator, or other official exercising a similar function;

(b) A corporation operating under section 25 or section 25A of the Federal Reserve Act (12 U.S.C. 601 *et seq.* and 12 U.S.C. 611 *et seq.*, respectively) (Edge Corporations and Agreement Corporations);

(c) A credit union being served by a management official of another credit union;

(d) A depository organization that does not do business within the United States except as an incident to its activities outside the United States;

(e) A State-chartered savings and loan guaranty corporation;

(f) A Federal Home Loan bank or any other bank organized solely to serve depository institutions (a bankers' bank) or solely for the purpose of providing securities clearing services and services related thereto for depository institutions and securities companies;

(g) A depository organization that is closed or is in danger of closing as determined by the appropriate Federal depository institutions regulatory agency and is acquired by another depository organization. This exemption lasts for five years, beginning on the

date the depository organization is acquired;

(h) A savings association whose acquisition has been authorized on an emergency basis in accordance with section 13(k) of the Federal Deposit Insurance Act (12 U.S.C. 1823(k)) with resulting dual service by a management official that would otherwise be prohibited under the Interlocks Act which may continue for up to 10 years from the date of the acquisition provided that the FDIC has given its approval for the continuation of such service; and

(i)(1) A diversified savings and loan holding company (as defined in section 10(a)(1)(F) of the Home Owners' Loan Act (12 U.S.C. 1467a(a)(1)(F))) with respect to the service of a director of such company who is also a director of an unaffiliated depository organization if:

(i) Both the diversified savings and loan holding company and the unaffiliated depository organization notify their appropriate Federal depository institutions regulatory agency at least 60 days before the dual service is proposed to begin; and

(ii) The appropriate regulatory agency does not disapprove the dual service before the end of the 60-day period.

(2) The FDIC may disapprove a notice of proposed service if it finds that:

(i) The service cannot be structured or limited so as to preclude an anti-competitive effect in financial services in any part of the United States;

(ii) The service would lead to substantial conflicts of interest or unsafe or unsound practices; or

(iii) The notificant failed to furnish all the information required by the FDIC.

(3) The FDIC may require that any interlock permitted under this paragraph (h) be terminated if a change in circumstances occurs with respect to one of the interlocked depository organizations that would have provided a basis for disapproval of the interlock during the notice period.

§ 348.5 Small market share exemption.

(a) *Exemption.* A management interlock that is prohibited by § 348.3 is permissible, if:

§ 348.6

(1) The interlock is not prohibited by § 348.3(c); and

(2) The depository organizations (and their depository institution affiliates) hold, in the aggregate, no more than 20 percent of the deposits in each RMSA or community in which both depository organizations (or their depository institution affiliates) have offices. The amount of deposits shall be determined by reference to the most recent annual Summary of Deposits published by the FDIC for the RMSA or community.

(b) *Confirmation and records.* Each depository organization must maintain records sufficient to support its determination of eligibility for the exemption under paragraph (a) of this section, and must reconfirm that determination on an annual basis.

[64 FR 51680, Sept. 24, 1999]

§ 348.6 General exemption.

(a) *Exemption.* The FDIC may by agency order exempt an interlock from the prohibitions in § 348.3 if the FDIC finds that the interlock would not result in a monopoly or substantial lessening of competition and would not present safety and soundness concerns.

(b) *Presumptions.* In reviewing an application for an exemption under this section, the FDIC will apply a rebuttable presumption that an interlock will not result in a monopoly or substantial lessening of competition if the depository organization seeking to add a management official:

(1) Primarily serves low-and moderate-income areas;

(2) Is controlled or managed by persons who are members of a minority group, or women;

(3) Is a depository institution that has been chartered for less than two years; or

(4) Is deemed to be in “troubled condition” as defined in § 303.101(c).

(c) *Duration.* Unless a shorter expiration period is provided in the FDIC approval, an exemption permitted by paragraph (a) of this section may continue so long as it does not result in a monopoly or substantial lessening of competition, or is unsafe or unsound. If the FDIC grants an interlock exemption in reliance upon a presumption

12 CFR Ch. III (1–1–03 Edition)

under paragraph (b) of this section, the interlock may continue for three years, unless otherwise provided by the FDIC in writing.

(d) *Procedures.* Procedures for applying for an exemption under this section are set forth in 12 CFR 303.250.

[64 FR 51680, Sept. 24, 1999]

§ 348.7 Change in circumstances.

(a) *Termination.* A management official shall terminate his or her service or apply for an exemption if a change in circumstances causes the service to become prohibited. A change in circumstances may include an increase in asset size of an organization, a change in the delineation of the RMSA or community, the establishment of an office, an increase in the aggregate deposits of the depository organization, or an acquisition, merger, consolidation, or reorganization of the ownership structure of a depository organization that causes a previously permissible interlock to become prohibited.

(b) *Transition period.* A management official described in paragraph (a) of this section may continue to serve the insured nonmember bank involved in the interlock for 15 months following the date of the change in circumstances. The FDIC may shorten this period under appropriate circumstances.

[61 FR 40305, Aug. 2, 1996, as amended at 64 FR 51680, Sept. 24, 1999]

§ 348.8 Enforcement.

Except as provided in this section, the FDIC administers and enforces the Interlocks Act with respect to insured nonmember banks and their affiliates and may refer any case of a prohibited interlocking relationship involving these entities to the Attorney General of the United States to enforce compliance with the Interlocks Act and this part. If an affiliate of an insured nonmember bank is subject to the primary regulation of another federal depository organization supervisory agency, then the FDIC does not administer and enforce the Interlocks Act with respect to that affiliate.

§ 349.1 Purpose and scope.

Section 106(b)(2) of the Bank Holding Company Act Amendments of 1970 (12 U.S.C. 1972(2)) (*BHCA Amendments*) prohibits—(1) preferential lending by a bank to executive officers, directors, and principal shareholders of another bank when there is a correspondent account relationship between the banks, or (2) the opening of a correspondent account relationship between banks when there is a preferential extension of credit by one of the banks to an executive officer, director, or principal shareholder of the other bank. Section 106(b)(2) also imposes requirements on executive officers and principal shareholders to submit reports on their indebtedness to correspondent banks to the board of directors of their bank. Section 7(k) of the Federal Deposit Insurance Act (12 U.S.C. 1817(k)) and section 106(b)(2)(G)(ii) of the BHCA Amendments (12 U.S.C. 1972(2)(G)(ii)) authorize the Federal banking agencies to issue rules and regulations, including definitions of terms, to require the reporting and public disclosure of information by a bank or an executive officer or principal shareholder thereof concerning extensions of credit by the bank or its correspondent banks to any of the reporting bank’s executive officers or principal shareholders, or the related interests of such persons. This part 349 implements the authorization

of the latter sections to require such reporting and disclosure by insured State nonmember banks and their executive officers and principal shareholders.

§ 349.2 Definitions.

For the purposes of the reporting and disclosure requirements of this part 349, the following definitions apply:

(a) *Bank* has the meanings provided in (1) 12 U.S.C. 1841(c), and includes a branch or agency of a foreign bank, or a commercial lending company controlled by a foreign bank or by a company that controls a foreign bank, where the branch or agency is maintained in a State of the United States or in the District of Columbia or the commercial lending company is organized under State law, and (2) 12 U.S.C. 1972(2)(H)(i). Notwithstanding the foregoing, with respect to disclosures made pursuant to paragraph (a)(1) of § 349.4 and with respect to copies of requests maintained pursuant to paragraph (c) of § 349.4, *bank* shall mean *State nonmember bank* as defined in 12 U.S.C. 1813(b), including a *mutual savings bank* as defined in 12 U.S.C. 1813(f).

(b) *Capital stock and unimpaired surplus* shall have the meaning provided in § 215.2(f) of Federal Reserve Board Regulation O, subpart A (12 CFR 215.2(f)). (g) *Maximum amount of indebtedness* means, at the option of the reporting person, either (1) the highest outstanding indebtedness during the calendar year for which the report is made, or (2) the highest end of the month indebtedness outstanding during the calendar year for which the report is made.

(h) For the purpose of this part 349, *principal shareholder* and *related interest* have the meanings provided in §215.10(a) of Federal Reserve Board Regulation O, subpart A (12 CFR 215.10(a)), except that the term *principal shareholder* is synonymous with the term *stockholder of record* as that term is used in the reporting provisions of 12 U.S.C. 1972(2)(G)(i). (b) *Contents of report*. The report required by this section shall include the following information:

(c) *Retention of reports*. The reports required by this section must ordinarily be retained at the insured State

²Persons reporting under this section are not required to include information on extensions of credit that are fully described in a report by a person they control or a person that controls them, provided they identify their relationship with such other person.

³If the amount of indebtedness outstanding to a correspondent bank ten days before the filing of the report is not available or cannot be readily ascertained, an estimate of the amount of indebtedness may be filed with the report, provided that the report is supplemented within the next 30 days with the actual amount of indebtedness.

(d) *Bank's responsibility.* Each insured State nonmember bank shall advise each of its executive officers and each of its principal shareholders (to the extent known by the bank) of the reports required by this section and make available to each of these persons a list with the name and address of each of the insured State nonmember bank's correspondent banks.

§ 349.4 Disclosure of indebtedness of executive officers and principal shareholders.

(a) Upon receipt of a written request, an insured State nonmember bank shall disclose to the requester the name of each executive officer or principal shareholder of the bank whose aggregate indebtedness, including the indebtedness of related interests of such person.

(1) At the bank itself as of the end of the latest calendar quarter; or

(2) At the correspondent banks of the disclosing bank at any time during the previous calendar year

equals or exceeds the lesser of five percent (5%) of the disclosing bank's capital stock and unimpaired surplus or \$500,000, but in no event shall an insured State nonmember bank be required to make such disclosure where the aggregate indebtedness of an executive officer or principal shareholder is less than \$25,000.

(b) *Contents of disclosure.* (1) An insured State nonmember bank is not required to disclose any additional information concerning the indebtedness referred to in paragraph (a) of this section, except that it must observe the requirement of paragraph (b)(2) of this section.

(2) Disclosures made pursuant to paragraph (a) of this section shall specify whether the individual or individuals named in the disclosure, who

are indebted in the amount specified in paragraph (a) of this section, are indebted solely to the bank itself or to one or more correspondent banks of the reporting bank or to both.

(c) An insured State nonmember bank shall maintain a copy of any request for information made under paragraph (a) of this section and a record of the bank's disposition of such request for a period of two years.

(d) *OMB review.* The Office of Management and Budget has reviewed and approved the collection of information requirements contained in this part 349 under OMB Control Number 3064-0023.

§ 352.1 Purpose.

The purpose of this part is to implement the spirit of section 119 of the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978, which amended section 504 of the Rehabilitation Act of

1973 to prohibit discrimination on the basis of handicap in programs or activities conducted by various Executive agencies. Although the FDIC does not believe that Congress contemplated coverage of non-appropriated, independent regulatory agencies such as the FDIC, it has chosen to promulgate this final regulation to ensure that, to the extent practicable, handicapped persons are provided with equal access to FDIC programs and activities.

§ 352.2 Application.

(a) This part applies to all programs and activities conducted by the FDIC. The following programs and activities involve the direct provision of benefits and services to, or participation by, members of the public:

(1) Attending Board of Directors meetings open to the public and all other public meetings;

(2) Making inquiries or filing complaints at the FDIC Office of Congressional Relations and Corporate Communications;

(3) Using the FDIC library in Washington, DC;

(4) Visiting an insured bank at which they conducted business (or an alternative liquidation site selected by the FDIC) and which has become insolvent, or been purchased by another bank under FDIC supervision, for the purpose of:

(i) Collecting FDIC checks for the insured amount of their deposits previously held in such bank; and/or

(ii) Discussing with FDIC representatives matters related to the repayment of debts which they previously owed to such bank, prior to its failure or purchase by another bank under FDIC supervision;

(5) Seeking employment with the FDIC;

(6) Conducting regular banking business at a Deposit Insurance National Bank formed by the FDIC pursuant to the authority in 12 U.S.C. 1821(h).

(b) This regulation governs the conduct of FDIC personnel in their interaction with employees of insured banks and employees of other state or federal agencies while discharging the FDIC's statutory obligations as insurer and/or receiver of financial institutions. It

Federal Deposit Insurance Corporation

§ 352.3

does not apply to financial institutions insured by the FDIC.

(c) Although application for employment and employment with the FDIC are programs and activities of the FDIC for purposes of this regulation, they shall be governed only by the standards set forth in § 352.6 of this part.

§ 352.3 Definitions.

For purposes of this part, the term—

(a) *Auxiliary aids* means services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, the FDIC programs or activities set forth in § 352.2.

(b) *Complete complaint* means, with respect to any FDIC program or activity other than employment, a written statement that contains the complainant's name and address and describes the FDIC's action in sufficient detail to inform the FDIC of the nature and date of the alleged violation of these regulations. It shall be signed by the complainant or by someone authorized to do so on his or her behalf. Complaints filed on behalf of classes or third parties shall describe or identify (by name if possible) the alleged victims of discrimination.

(c) *Facility* means all or any portion of buildings, structures, equipment, roads, walks, parking lots and other real or personal property. As used in this definition, *personal property* means only furniture, carpeting and similar features not considered to be real property.

(d) *Handicapped person* means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. As used in this definition, the phrase:

(1) *Physical or mental impairment* includes—

(i) A physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive;

digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or

(ii) A mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities.

(2) *Major life activities* including functions such as caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

(3) *Has a record of such an impairment* means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) *Is regarded as having an impairment* means—

(i) Has a physical or mental impairment that does not substantially limit major life activities but is treated by the FDIC as constituting such a limitation;

(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or

(iii) Has none of the impairments defined in paragraph (d)(1) of this definition but is treated by the FDIC as having such an impairment.

(e) *Qualified handicapped person* means—

(1) With respect to any FDIC program or activity under which a person is required to perform services or to achieve a level of accomplishment, a handicapped person who meets the essential eligibility requirements and can achieve the purpose of the program or activity without modifications in the program or activity that the FDIC can determine on the basis of a written record would result in a fundamental alteration in its nature;

(2) With respect to any other program or activity, a handicapped person who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity;

(3) With respect to employment, a handicapped person as defined in 29 CFR 1613.702(f), which is made applicable to this part by § 352.6.

§ 352.4

(f) *Section 504* means section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112, 87 Stat. 394 (29 U.S.C. 794)), as amended by the Rehabilitation Act Amendments of 1974 (Pub. L. 93-516, 88 Stat. 1617), and the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978 (Pub. L. 95-602, 92 Stat. 2955). As used in this regulation, section 504 shall be applied only to the programs and activities conducted by the FDIC as set forth in § 352.2 of this regulation.

§ 352.4 Self-evaluation.

(a) Within one year of the effective date of this regulation, the FDIC shall conduct a self-evaluation of its program implementing the spirit of section 504.

(b) The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the self-evaluation process by submitting written comments. Comments on the program made by such persons or organizations, while not binding on the FDIC for adoption, will be received and considered as part of the FDIC's self-evaluation process.

(c) The FDIC shall, for a period of three years from the date of completion of the self-evaluation, maintain on file and make available for public inspection:

(1) A description of areas examined and any problems identified in the program implementing the spirit of section 504; and

(2) A description of any modifications made in the program.

§ 352.5 General requirements.

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under the programs and activities conducted by the FDIC and set forth in § 352.2 of this regulation.

(b) The FDIC, in providing any services under the programs and activities set forth in § 352.2 of this part, shall ensure that qualified handicapped persons are provided with an equal opportunity to benefit from or to reach the same

12 CFR Ch. III (1-1-03 Edition)

level of achievement from such services as that provided to non-handicapped persons.

(c) The FDIC, in providing any services under the programs and activities set forth in § 352.2 of this part, shall give priority to those methods of administration which will not segregate participation by qualified handicapped persons in FDIC-conducted programs and activities from participation by non-handicapped individuals.

§ 352.6 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the FDIC. The definitions, requirements, and procedures (including those pertaining to employment discrimination complaints) of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established in 29 CFR part 1613, shall apply to employment in the FDIC.

§ 352.7 Program accessibility: Existing facilities.

(a) *General.* The FDIC shall operate each of the programs or activities set forth in § 352.2 of this part so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the FDIC to make each of its existing facilities accessible to and usable by handicapped persons; or

(2) Require the FDIC to take any action that the FDIC can determine on the basis of a written record would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. If it is determined that an action would result in such an alteration or such burdens, the FDIC shall take other reasonable actions that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) *Methods.* The FDIC may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to

accessible buildings, assignment of aides to beneficiaries, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The FDIC is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section.

(c) *Time period for compliance.* The FDIC shall comply with the obligations established under this section within ninety days of the effective date of this part except that where structural changes in facilities are undertaken, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to existing facilities will be undertaken to achieve program accessibility, the FDIC shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed after consultation with representatives of the General Services Administration and the Architectural and Transportation Barriers Compliance Board. The plan shall—

(1) Identify physical obstacles in the FDIC's facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe the methods that will be used to make the facilities accessible;

(3) Specify the proposed schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify proposed steps that will be taken during each year of the transition period;

(4) Indicate the official responsible for implementation of the plan; and

(5) Identify the persons or groups with whose assistance the plan was prepared.

§ 352.8 Program accessibility: New construction and alterations.

Each building or part of a building in which the programs or activities set

forth in § 352.2 will be carried on, and which is newly constructed, or substantially altered by, on behalf of, or for the use of the FDIC, shall be designed, constructed or altered so as to be readily accessible to, and usable by, handicapped persons.

§ 352.9 Communications.

(a) The FDIC shall take appropriate steps to ensure effective communication with participants in the FDIC programs and activities set forth in § 352.2.

(1) The FDIC shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, the FDIC programs or activities set forth in § 352.2 of this part.

(i) In determining what type of auxiliary aid is necessary, the FDIC shall give primary consideration to any reasonable requests of the handicapped person.

(ii) The FDIC need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the FDIC communicates by telephone, it shall use telecommunications devices for deaf persons (TDD's) or equally effective telecommunication systems with hearing impaired participants and beneficiaries.

(b) The FDIC shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities. Interested persons may obtain such information by calling, writing or visiting the FDIC Office of Equal Employment Opportunity, located at 550 17th Street, NW., Washington, DC 20429. The Office of Equal Employment Opportunity telephone number is (202) 898-6745 (District of Columbia area) and (800) 424-5488 (all others) (TDD).

(c) The FDIC shall provide information at a primary entrance to each of its accessible and inaccessible facilities where programs or activities as set forth in § 352.2 are conducted, directing users to a location at which they can obtain information about accessible facilities. The international symbol for

§ 352.10

accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the FDIC to take any action that the FDIC can determine on the basis of a written record would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. If an action that is required to comply with this section would result in such an alteration or such burdens, the FDIC shall take other reasonable actions that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§ 352.10 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in the FDIC programs or activities set forth in § 352.2 of this part.

(b) The FDIC shall process complaints alleging employment discrimination on the basis of handicap according to the procedures established in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The FDIC's Office of Equal Employment Opportunity shall be responsible for coordinating implementation of this section. All complaints should be sent to the FDIC's Office of Equal Employment Opportunity, 550 17th Street, NW., Washington, DC 20429.

(d) The FDIC shall accept and investigate all complete complaints over which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The FDIC may extend this time period for good cause.

(e) If the FDIC receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complainant to the appropriate government entity.

(f) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the FDIC shall notify the complainant of the results of the investigation in a letter containing—

12 CFR Ch. III (1–1–03 Edition)

(1) Finding regarding the alleged violations;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(g) Appeals of the findings or remedies must be filed by the complainant within 90 days of receipt from the FDIC of the letter required by § 352.10(f). The FDIC may extend this time for good cause.

(h) Timely appeals shall be accepted and processed by the Chairman of the FDIC or designee.

(i) The Chairman of the FDIC or designee shall notify the complainant of the results of the appeal within 90 days of the receipt of the request. If the Chairman of the FDIC or designee determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make a determination on the appeal.

(j) The time limits set forth in paragraphs (f) and (i) of this section, may be extended for an individual case when the Chairman of the FDIC or designee determines that there is good cause, based on the particular circumstances of that case, for the extension.

(k) The FDIC may delegate its authority for conducting complaint investigations to other federal agencies, except that the authority for making the final determination may not be delegated.

§ 352.11 Notice.

The FDIC shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program or activities conducted by the agency, and make such information available to them in such manner as the Chairman or his designee finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§ 353.1 Purpose and scope.

The purpose of this part is to ensure that an insured state nonmember bank files a Suspicious Activity Report when it detects a known or suspected criminal violation of federal law or a suspicious transaction related to a money laundering activity or a violation of the Bank Secrecy Act. This part applies to all insured state nonmember banks as well as any insured, state-licensed branches of foreign banks.

§ 353.2 Definitions.

For the purposes of this part:

(a) *FinCEN* means the Financial Crimes Enforcement Network of the Department of the Treasury.

(b) *Institution-affiliated party* means any institution-affiliated party as that term is defined in sections 3(u) and 8(b)(5) of the Federal Deposit Insurance Act (12 U.S.C. 1813(u) and 1818(b)(5)).

§ 353.3 Reports and records.

(a) *Suspicious activity reports required.* A bank shall file a suspicious activity report with the appropriate federal law enforcement agencies and the Department of the Treasury, in accordance with the form's instructions, by sending a completed suspicious activity report to FinCEN in the following circumstances:

(1) *Insider abuse involving any amount.* Whenever the bank detects any known or suspected federal criminal violation, or pattern of criminal violations, committed or attempted against the bank or involving a transaction or transactions conducted through the bank, where the bank believes it was either an actual or potential victim of a criminal violation, or series of criminal violations, or that the bank was used to facilitate a criminal transaction, and the bank has a substantial basis for identifying one of the bank's directors, officers, employees, agents, or other institution-affiliated parties as having committed or aided in the commission of the criminal violation,

regardless of the amount involved in the violation;

(2) *Transactions aggregating \$5,000 or more where a suspect can be identified.* Whenever the bank detects any known or suspected federal criminal violation, or pattern of criminal violations, committed or attempted against the bank or involving a transaction or transactions conducted through the bank, and involving or aggregating \$5,000 or more in funds or other assets, where the bank believes it was either an actual or potential victim of a criminal violation, or series of criminal violations, or that the bank was used to facilitate a criminal transaction, and the bank has a substantial basis for identifying a possible suspect or group of suspects. If it is determined prior to filing this report that the identified suspect or group of suspects has used an "alias", then information regarding the true identity of the suspect or group of suspects, as well as alias identifiers, such as driver's license or social security numbers, addresses and telephone numbers, must be reported;

(3) *Transactions aggregating \$25,000 or more regardless of potential suspects.* Whenever the bank detects any known or suspected federal criminal violation, or pattern of criminal violations, committed or attempted against the bank or involving a transaction or transactions conducted through the bank, involving or aggregating \$25,000 or more in funds or other assets, where the bank believes it was either an actual or potential victim of a criminal violation, or series of criminal violations, or that the bank was used to facilitate a criminal transaction, even though the bank has no substantial basis for identifying a possible suspect or group of suspects; or

(4) *Transactions aggregating \$5,000 or more that involve potential money laundering or violations of the Bank Secrecy Act.* Any transaction (which for purposes of this paragraph (a)(4) means a deposit, withdrawal, transfer between accounts, exchange of currency, loan, extension of credit, purchase or sale of any stock, bond, certificate of deposit, or other monetary instrument or investment security, or any other payment, transfer, or delivery by, through,

or to a financial institution, by whatever means effected) conducted or attempted by, at or through the bank and involving or aggregating \$5,000 or more in funds or other assets, if the bank knows, suspects, or has reason to suspect that:

(i) The transaction involves funds derived from illegal activities or is intended or conducted in order to hide or disguise funds or assets derived from illegal activities (including, without limitation, the ownership, nature, source, location, or control of such funds or assets) as part of a plan to violate or evade any federal law or regulation or to avoid any transaction reporting requirement under federal law;

(ii) The transaction is designed to evade any regulations promulgated under the Bank Secrecy Act; or

(iii) The transaction has no business or apparent lawful purpose or is not the sort of transaction in which the particular customer would normally be expected to engage, and the bank knows of no reasonable explanation for the transaction after examining the available facts, including the background and possible purpose of the transaction.

(b) *Time for reporting.* (1) A bank shall file the suspicious activity report no later than 30 calendar days after the date of initial detection of facts that may constitute a basis for filing a suspicious activity report. If no suspect was identified on the date of detection of the incident requiring the filing, a bank may delay filing a suspicious activity report for an additional 30 calendar days to identify a suspect. In no case shall reporting be delayed more than 60 calendar days after the date of initial detection of a reportable transaction.

(2) In situations involving violations requiring immediate attention, such as when a reportable violation is ongoing, the bank shall immediately notify, by telephone, an appropriate law enforcement authority and the appropriate FDIC regional office (Division of Supervision and Consumer Protection (DSC)) in addition to filing a timely report.

(c) *Reports to state and local authorities.* A bank is encouraged to file a copy of the suspicious activity report with

state and local law enforcement agencies where appropriate.

(d) *Exemptions.* (1) A bank need not file a suspicious activity report for a robbery or burglary committed or attempted, that is reported to appropriate law enforcement authorities.

(2) A bank need not file a suspicious activity report for lost, missing, counterfeit, or stolen securities if it files a report pursuant to the reporting requirements of 17 CFR 240.17f-1.

(e) *Retention of records.* A bank shall maintain a copy of any suspicious activity report filed and the original or business record equivalent of any supporting documentation for a period of five years from the date of filing the suspicious activity report. Supporting documentation shall be identified and maintained by the bank as such, and shall be deemed to have been filed with the suspicious activity report. A bank must make all supporting documentation available to appropriate law enforcement authorities upon request.

(f) *Notification to board of directors.* The management of a bank shall promptly notify its board of directors, or a committee thereof, of any report filed pursuant to this section. The term "board of directors" includes the managing official of an insured state-licensed branch of a foreign bank for purposes of this part.

(g) *Confidentiality of suspicious activity reports.* Suspicious activity reports are confidential. Any bank subpoenaed or otherwise requested to disclose a suspicious activity report or the information contained in a suspicious activity report shall decline to produce the suspicious activity report or to provide any information that would disclose that a suspicious activity report has been prepared or filed citing this part, applicable law (*e.g.*, 31 U.S.C. 5318(g)), or both, and notify the appropriate FDIC regional office (Division of Supervision and Consumer Protection (DSC)).

(h) *Safe harbor.* The safe harbor provisions of 31 U.S.C. 5318(g), which exempts any bank that makes a disclosure of any possible violation of law or regulation from liability under any law or regulation of the United States, or any constitution, law or regulation of any state or political subdivision,

§ 357.1 Economically depressed regions.

(a) *Purpose.* Section 13(k)(5) of the Federal Deposit Insurance Act (12 U.S.C. 1823(k)(5)) provides that the FDIC shall consider proposals for financial assistance for eligible Savings Association Insurance Fund members before grounds exist for appointment of a conservator or receiver for such member. One of the criteria for eligibility is that an institution's offices are located in an economically depressed region as determined by the FDIC.

(b) *Economically depressed regions.* (1) For the purpose of determining "economically depressed regions", the FDIC will determine whether an institution qualifies as being located in an "economically depressed region" on a case-by-case basis. That determination will be based on four criteria:

- (i) High unemployment rates;
- (ii) Significant declines in non-farm employment;
- (iii) High delinquency rates of real estate assets at insured depository institutions; and
- (iv) Evidence indicating declining real estate values.

(2) In addition, the FDIC will also consider relevant information from institutions regarding their geographic market area, as well as information on whether that market is "economically depressed".

PART 359—GOLDEN PARACHUTE AND INDEMNIFICATION PAYMENTS

Sec.

359.0 Scope.

359.1 Definitions.

359.2 Golden parachute payments prohibited.

359.3 Prohibited indemnification payments.

359.4 Permissible golden parachute payments.

359.5 Permissible indemnification payments.

359.6 Filing instructions.

359.7 Applicability in the event of receivership.

AUTHORITY: 12 U.S.C. 1828(k).

SOURCE: 61 FR 5930, Feb. 15, 1996, unless otherwise noted.

§ 359.0 Scope.

(a) This part limits and/or prohibits, in certain circumstances, the ability of insured depository institutions, their subsidiaries and affiliated depository institution holding companies to enter into contracts to pay and to make golden parachute and indemnification payments to institution-affiliated parties (IAPs).

(b) The limitations on golden parachute payments apply to troubled insured depository institutions which seek to enter into contracts to pay or to make golden parachute payments to their IAPs. The limitations also apply to depository institution holding companies which are troubled and seek to enter into contracts to pay or to make golden parachute payments to their IAPs as well as healthy holding companies which seek to enter into contracts to pay or to make golden parachute payments to IAPs of a troubled insured depository institution subsidiary. A "golden parachute payment" is generally considered to be any payment to an IAP which is contingent on the termination of that person's employment and is received when the insured depository institution making the payment is troubled or, if the payment is being made by an affiliated holding company, either the holding company itself or the insured depository institution employing the IAP, is troubled. The definition of golden parachute payment does not include payments pursuant to

§ 359.1

12 CFR Ch. III (1-1-03 Edition)

qualified retirement plans, non-qualified *bona fide* deferred compensation plans, nondiscriminatory severance pay plans, other types of common benefit plans, state statutes and death benefits. Certain limited exceptions to the golden parachute payment prohibition are provided for in cases involving the hiring of a white knight and unassisted changes in control. A procedure is also set forth whereby an institution or IAP can request permission to make what would otherwise be a prohibited golden parachute payment.

(c) The limitations on indemnification payments apply to all insured depository institutions, their subsidiaries and affiliated depository institution holding companies regardless of their financial health. Generally, this part prohibits insured depository institutions, their subsidiaries and affiliated holding companies from indemnifying an IAP for that portion of the costs sustained with regard to an administrative or civil enforcement action commenced by any federal banking agency which results in a final order or settlement pursuant to which the IAP is assessed a civil money penalty, removed from office, prohibited from participating in the affairs of an insured depository institution or required to cease and desist from or take an affirmative action described in section 8(b) (12 U.S.C. 1818(b)) of the Federal Deposit Insurance Act (FDI Act). However, there are exceptions to this general prohibition. First, an institution or holding company may purchase commercial insurance to cover such expenses, except judgments and penalties. Second, the institution or holding company may advance legal and other professional expenses to an IAP directly (except for judgments and penalties) if its board of directors makes certain specific findings and the IAP agrees in writing to reimburse the institution if it is ultimately determined that the IAP violated a law, regulation or other fiduciary duty.

§ 359.1 Definitions.

(a) *Act* means the Federal Deposit Insurance Act, as amended (12 U.S.C. 1811, *et seq.*).

(i) Recognizes compensation expense and accrues a liability for the benefit payments according to generally accepted accounting principles (GAAP); or

(ii) Segregates or otherwise sets aside assets in a trust which may only be used to pay plan and other benefits, except that the assets of such trust may be available to satisfy claims of the institution’s or holding company’s creditors in the case of insolvency; or

(2) An insured depository institution or depository institution holding company establishes a nonqualified deferred compensation or supplemental retirement plan, other than an elective deferral plan described in paragraph (e)(1) of this section:

Federal Deposit Insurance Corporation

(ii) Any payment made pursuant to such plan is made in accordance with the terms of the plan as in effect no later than one year prior to any of the events described in paragraph (f)(1)(ii) of this section and in accordance with any amendments to such plan during such one year period that do not increase the benefits payable thereunder;

(iii) The IAP has a vested right, as defined under the applicable plan document, at the time of termination of employment to payments under such plan;

(iv) Benefits under such plan are accrued each period only for current or prior service rendered to the employer (except that an allowance may be made for service with a predecessor employer);

(v) Any payment made pursuant to such plan is not based on any discretionary acceleration of vesting or accrual of benefits which occurs at any time later than one year prior to any of the events described in paragraph (f)(1)(ii) of this section;

(vi) The insured depository institution or depository institution holding company has previously recognized compensation expense and accrued a liability for the benefit payments according to GAAP or segregated or otherwise set aside assets in a trust which may only be used to pay plan benefits, except that the assets of such trust may be available to satisfy claims of

the institution's or holding company's creditors in the case of insolvency; and

(vii) Payments pursuant to such plans shall not be in excess of the accrued liability computed in accordance with GAAP.

(e) *Corporation* means the Federal Deposit Insurance Corporation, in its corporate capacity.

(f) *Golden parachute payment*. (1) The term *golden parachute payment* means any payment (or any agreement to make any payment) in the nature of compensation by any insured depository institution or an affiliated depository institution holding company for the benefit of any current or former IAP pursuant to an obligation of such institution or holding company that:

(i) Is contingent on, or by its terms is payable on or after, the termination of such party's primary employment or affiliation with the institution or holding company; and

(ii) Is received on or after, or is made in contemplation of, any of the following events:

(A) The insolvency (or similar event) of the insured depository institution which is making the payment or bankruptcy or insolvency (or similar event) of the depository institution holding company which is making the payment; or

(B) The appointment of any conservator or receiver for such insured depository institution; or

(C) A determination by the insured depository institution's or depository institution holding company's appropriate federal banking agency, respectively, that the insured depository institution or depository institution holding company is in a troubled condition, as defined in the applicable regulations of the appropriate federal banking agency (§303.14(a)(4) of this chapter); or

(D) The insured depository institution is assigned a composite rating of 4 or 5 by the appropriate federal banking agency or informed in writing by the Corporation that it is rated a 4 or 5 under the Uniform Financial Institutions Rating System of the Federal Financial Institutions Examination Council, or the depository institution holding company is assigned a composite rating of 4 or 5 or unsatisfactory

by its appropriate federal banking agency; or

(E) The insured depository institution is subject to a proceeding to terminate or suspend deposit insurance for such institution; and

(iii)(A) Is payable to an IAP whose employment by or affiliation with an insured depository institution is terminated at a time when the insured depository institution by which the IAP is employed or with which the IAP is affiliated satisfies any of the conditions enumerated in paragraphs (f)(1)(ii) (A) through (E) of this section, or in contemplation of any of these conditions; or

(B) Is payable to an IAP whose employment by or affiliation with an insured depository institution holding company is terminated at a time when the insured depository institution holding company by which the IAP is employed or with which the IAP is affiliated satisfies any of the conditions enumerated in paragraphs (f)(1)(ii)(A), (C) or (D) of this section, or in contemplation of any of these conditions.

(2) *Exceptions.* The term *golden parachute payment* shall not include:

(i) Any payment made pursuant to a pension or retirement plan which is qualified (or is intended within a reasonable period of time to be qualified) under section 401 of the Internal Revenue Code of 1986 (26 U.S.C. 401) or pursuant to a pension or other retirement plan which is governed by the laws of any foreign country; or

(ii) Any payment made pursuant to a benefit plan as that term is defined in paragraph (c) of this section; or

(iii) Any payment made pursuant to a *bona fide* deferred compensation plan or arrangement as defined in paragraph (d) of this section; or

(iv) Any payment made by reason of death or by reason of termination caused by the disability of an institution-affiliated party; or

(v) Any payment made pursuant to a nondiscriminatory severance pay plan or arrangement which provides for payment of severance benefits to all eligible employees upon involuntary termination other than for cause, voluntary resignation, or early retirement; *provided, however*, that no employee shall receive any such payment which ex-

ceeds the base compensation paid to such employee during the twelve months (or such longer period or greater benefit as the Corporation shall consent to) immediately preceding termination of employment, resignation or early retirement, and such severance pay plan or arrangement shall not have been adopted or modified to increase the amount or scope of severance benefits at a time when the insured depository institution or depository institution holding company was in a condition specified in paragraph (f)(1)(ii) of this section or in contemplation of such a condition without the prior written consent of the appropriate federal banking agency; or

(vi) Any severance or similar payment which is required to be made pursuant to a state statute or foreign law which is applicable to all employers within the appropriate jurisdiction (with the exception of employers that may be exempt due to their small number of employees or other similar criteria); or

(vii) Any other payment which the Corporation determines to be permissible in accordance with § 359.4.

(g) *Insured depository institution* means any bank or savings association the deposits of which are insured by the Corporation pursuant to the Act, or any subsidiary thereof.

(h) *Institution-affiliated party (IAP)* means:

(1) Any director, officer, employee, or controlling stockholder (other than a depository institution holding company) of, or agent for, an insured depository institution or depository institution holding company;

(2) Any other person who has filed or is required to file a change-in-control notice with the appropriate federal banking agency under section 7(j) of the Act (12 U.S.C. 1817(j));

(3) Any shareholder (other than a depository institution holding company), consultant, joint venture partner, and any other person as determined by the appropriate federal banking agency (by regulation or case-by-case) who participates in the conduct of the affairs of an insured depository institution or depository institution holding company; and

(4) Any independent contractor (including any attorney, appraiser, or accountant) who knowingly or recklessly participates in: Any violation of any law or regulation, any breach of fiduciary duty, or any unsafe or unsound practice, which caused or is likely to cause more than a minimal financial loss to, or a significant adverse effect on, the insured depository institution or depository institution holding company.

(i) *Liability or legal expense* means:

(1) Any legal or other professional fees and expenses incurred in connection with any claim, proceeding, or action;

(2) The amount of, and any cost incurred in connection with, any settlement of any claim, proceeding, or action; and

(3) The amount of, and any cost incurred in connection with, any judgment or penalty imposed with respect to any claim, proceeding, or action.

(j) *Nondiscriminatory* means that the plan, contract or arrangement in question applies to all employees of an insured depository institution or depository institution holding company who meet reasonable and customary eligibility requirements applicable to all employees, such as minimum length of service requirements. A nondiscriminatory plan, contract or arrangement may provide different benefits based only on objective criteria such as salary, total compensation, length of service, job grade or classification, which are applied on a proportionate basis (with a variance in severance benefits relating to any criterion of plus or minus ten percent) to groups of employees consisting of not less than the lesser of 33 percent of employees or 1,000 employees.

(k) *Payment* means:

(1) Any direct or indirect transfer of any funds or any asset;

(2) Any forgiveness of any debt or other obligation;

(3) The conferring of any benefit, including but not limited to stock options and stock appreciation rights; and

(4) Any segregation of any funds or assets, the establishment or funding of any trust or the purchase of or arrangement for any letter of credit or

other instrument, for the purpose of making, or pursuant to any agreement to make, any payment on or after the date on which such funds or assets are segregated, or at the time of or after such trust is established or letter of credit or other instrument is made available, without regard to whether the obligation to make such payment is contingent on:

(i) The determination, after such date, of the liability for the payment of such amount; or

(ii) The liquidation, after such date, of the amount of such payment.

(l) *Prohibited indemnification payment.*

(1) The term *prohibited indemnification payment* means any payment (or any agreement or arrangement to make any payment) by any insured depository institution or an affiliated depository institution holding company for the benefit of any person who is or was an IAP of such insured depository institution or holding company, to pay or reimburse such person for any civil money penalty or judgment resulting from any administrative or civil action instituted by any federal banking agency, or any other liability or legal expense with regard to any administrative proceeding or civil action instituted by any federal banking agency which results in a final order or settlement pursuant to which such person:

(i) Is assessed a civil money penalty;

(ii) Is removed from office or prohibited from participating in the conduct of the affairs of the insured depository institution; or

(iii) Is required to cease and desist from or take any affirmative action described in section 8(b) of the Act with respect to such institution.

(2) *Exceptions.* (i) The term *prohibited indemnification payment* shall not include any reasonable payment by an insured depository institution or depository institution holding company which is used to purchase any commercial insurance policy or fidelity bond, provided that such insurance policy or bond shall not be used to pay or reimburse an IAP for the cost of any judgment or civil money penalty assessed against such person in an administrative proceeding or civil action commenced by any federal banking agency, but may pay any legal or professional

expenses incurred in connection with such proceeding or action or the amount of any restitution to the insured depository institution, depository institution holding company or receiver.

(ii) The term *prohibited indemnification payment* shall not include any reasonable payment by an insured depository institution or depository institution holding company that represents partial indemnification for legal or professional expenses specifically attributable to particular charges for which there has been a formal and final adjudication or finding in connection with a settlement that the IAP has not violated certain banking laws or regulations or has not engaged in certain unsafe or unsound banking practices or breaches of fiduciary duty, unless the administrative action or civil proceeding has resulted in a final prohibition order against the IAP.

§ 359.2 Golden parachute payments prohibited.

No insured depository institution or depository institution holding company shall make or agree to make any golden parachute payment, except as provided in this part.

§ 359.3 Prohibited indemnification payments.

No insured depository institution or depository institution holding company shall make or agree to make any prohibited indemnification payment, except as provided in this part.

§ 359.4 Permissible golden parachute payments.

(a) An insured depository institution or depository institution holding company may agree to make or may make a golden parachute payment if and to the extent that:

(1) The appropriate federal banking agency, with the written concurrence of the Corporation, determines that such a payment or agreement is permissible; or

(2) Such an agreement is made in order to hire a person to become an IAP either at a time when the insured depository institution or depository institution holding company satisfies or in an effort to prevent it from immi-

nently satisfying any of the criteria set forth in § 359.1(f)(1)(ii), and the institution's appropriate federal banking agency and the Corporation consent in writing to the amount and terms of the golden parachute payment. Such consent by the FDIC and the institution's appropriate federal banking agency shall not improve the IAP's position in the event of the insolvency of the institution since such consent can neither bind a receiver nor affect the provability of receivership claims. In the event that the institution is placed into receivership or conservatorship, the FDIC and/or the institution's appropriate federal banking agency shall not be obligated to pay the promised golden parachute and the IAP shall not be accorded preferential treatment on the basis of such prior approval; or

(3) Such a payment is made pursuant to an agreement which provides for a reasonable severance payment, not to exceed twelve months salary, to an IAP in the event of a change in control of the insured depository institution; *provided, however*, that an insured depository institution or depository institution holding company shall obtain the consent of the appropriate federal banking agency prior to making such a payment and this paragraph (a)(3) shall not apply to any change in control of an insured depository institution which results from an assisted transaction as described in section 13 of the Act (12 U.S.C. 1823) or the insured depository institution being placed into conservatorship or receivership; and

(4) An insured depository institution, depository institution holding company or IAP making a request pursuant to paragraphs (a)(1) through (3) of this section shall demonstrate that it does not possess and is not aware of any information, evidence, documents or other materials which would indicate that there is a reasonable basis to believe, at the time such payment is proposed to be made, that:

(i) The IAP has committed any fraudulent act or omission, breach of trust or fiduciary duty, or insider abuse with regard to the depository institution or depository institution holding company that has had or is likely to have a material adverse effect on the institution or holding company;

Federal Deposit Insurance Corporation

§ 359.5

(ii) The IAP is substantially responsible for the insolvency of, the appointment of a conservator or receiver for, or the troubled condition, as defined by applicable regulations of the appropriate federal banking agency, of the insured depository institution, depository institution holding company or any insured depository institution subsidiary of such holding company;

(iii) The IAP has materially violated any applicable federal or state banking law or regulation that has had or is likely to have a material effect on the insured depository institution or depository institution holding company; and

(iv) The IAP has violated or conspired to violate section 215, 656, 657, 1005, 1006, 1007, 1014, 1032, or 1344 of title 18 of the United States Code, or section 1341 or 1343 of such title affecting a federally insured financial institution as defined in title 18 of the United States Code.

(b) In making a determination under paragraphs (a) (1) through (3) of this section, the appropriate federal banking agency and the Corporation may consider:

(1) Whether, and to what degree, the IAP was in a position of managerial or fiduciary responsibility;

(2) The length of time the IAP was affiliated with the insured depository institution or depository institution holding company, and the degree to which the proposed payment represents a reasonable payment for services rendered over the period of employment; and

(3) Any other factors or circumstances which would indicate that the proposed payment would be contrary to the intent of section 18(k) of the Act or this part.

§ 359.5 Permissible indemnification payments.

(a) An insured depository institution or depository institution holding company may make or agree to make reasonable indemnification payments to an IAP with respect to an administrative proceeding or civil action initiated by any federal banking agency if:

(1) The insured depository institution's or depository institution holding company's board of directors, in good

faith, determines in writing after due investigation and consideration that the institution-affiliated party acted in good faith and in a manner he/she believed to be in the best interests of the institution;

(2) The insured depository institution's or depository institution holding company's board of directors, respectively, in good faith, determines in writing after due investigation and consideration that the payment of such expenses will not materially adversely affect the institution's or holding company's safety and soundness;

(3) The indemnification payments do not constitute prohibited indemnification payments as that term is defined in § 359.1(1); and

(4) The IAP agrees in writing to reimburse the insured depository institution or depository institution holding company, to the extent not covered by payments from insurance or bonds purchased pursuant to § 359.1(1)(2), for that portion of the advanced indemnification payments which subsequently become prohibited indemnification payments, as defined in § 359.1(1)

(b) An IAP requesting indemnification payments shall not participate in any way in the board's discussion and approval of such payments; *provided, however,* that such IAP may present his/her request to the board and respond to any inquiries from the board concerning his/her involvement in the circumstances giving rise to the administrative proceeding or civil action.

(c) In the event that a majority of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the remaining members of the board may authorize independent legal counsel to review the indemnification request and provide the remaining members of the board with a written opinion of counsel as to whether the conditions delineated in paragraph (a) of this section have been met. If independent legal counsel opines that said conditions have been met, the remaining members of the board of directors may rely on such opinion in authorizing the requested indemnification.

(d) In the event that all of the members of the board of directors are

§ 359.6

named as respondents in an administrative proceeding or civil action and request indemnification, the board shall authorize independent legal counsel to review the indemnification request and provide the board with a written opinion of counsel as to whether the conditions delineated in paragraph (a) of this section have been met. If independent legal counsel opines that said conditions have been met, the board of directors may rely on such opinion in authorizing the requested indemnification.

§ 359.6 Filing instructions.

Requests to make excess nondiscriminatory severance plan payments pursuant to § 359.1(f)(2)(v) and golden parachute payments permitted by § 359.4 shall be submitted in writing to the appropriate regional legal director (DSC). For filing requirements, consult 12 CFR 303.244. In the event that the consent of the institution's primary federal regulator is required in addition to that of the FDIC, the requesting party shall submit a copy of its letter to the FDIC to the institution's primary federal regulator. In the case of national banks, such written requests shall be submitted to the OCC. In the case of state member banks and bank holding companies, such written requests shall be submitted to the Federal Reserve district bank where the institution or holding company, respectively, is located. In the case of savings associations and savings association holding companies, such written requests shall be submitted to the OTS regional office where the institution or holding company, respectively, is located. In cases where only the prior consent of the institution's primary federal regulator is required and that agency is not the FDIC, a written request satisfying the requirements of this section shall be submitted to the primary federal regulator as described in this section.

[63 FR 44751, Aug. 20, 1998]

§ 359.7 Applicability in the event of receivership.

The provisions of this part, or any consent or approval granted under the provisions of this part by the FDIC (in its corporate capacity), shall not in any way bind any receiver of a failed

insured depository institution. Any consent or approval granted under the provisions of this part by the FDIC or any other federal banking agency shall not in any way obligate such agency or receiver to pay any claim or obligation pursuant to any golden parachute, severance, indemnification or other agreement. Claims for employee welfare benefits or other benefits which are contingent, even if otherwise vested, when the FDIC is appointed as receiver for any depository institution, including any contingency for termination of employment, are not provable claims or actual, direct compensatory damage claims against such receiver. Nothing in this part may be construed to permit the payment of salary or any liability or legal expense of any IAP contrary to 12 U.S.C. 1828(k)(3).

[58 FR 67664, Dec. 22, 1993, as amended at 63 FR 37761, July 14, 1998]

§ 360.2 Federal Home Loan banks as secured creditors.

(a) Notwithstanding any other provisions of federal or state law or any other provisions of these regulations, the receiver of a borrower from a Federal Home Loan Bank shall recognize the priority of any security interest granted to a Federal Home Loan Bank by any member of any Federal Home Loan Bank or any affiliate of any such member, whether such security interest is in specifically designated assets or a blanket interest in all assets or categories of assets, over the claims and rights of any other party (including any receiver, conservator, trustee or similar party having rights of a lien creditor) other than claims and rights that

(1) Would be entitled to priority under otherwise applicable law; and

(2) Are held by actual bona fide purchasers for value or by actual secured parties that are secured by actual perfected security interests.

(b) If the receiver rather than the Bank shall have possession of any collateral consisting of notes, securities, other instruments, chattel paper or cash securing advances of the Bank, the receiver shall, upon request by the Bank, promptly deliver possession of such collateral to the Bank or its designee.

(c) In the event that a receiver is appointed for any member of a Federal Home Loan Bank, the following procedures shall apply:

(1) The receiver and the Bank shall immediately seek and develop a mutually agreeable plan for the payment of any advances made by the Bank to such borrower or for the servicing, foreclosure upon and liquidation of the collateral securing any such advances, taking into account the nature and amount of such collateral, the markets in which such collateral is normally traded or sold and other relevant factors.

(2) In the event that the receiver and the Bank shall not, in good faith, be able to develop such a mutually agreeable plan, or, in the interim, the Bank in good faith reasonably concludes that the value of such collateral is decreasing, because of interest rate or other market changes, at such a rate that to delay liquidation or other exercise of the Bank's rights as a secured party for the development of a mutually agreeable plan could reasonably cause the value of such collateral to decrease to an amount that is insufficient to satisfy the Bank's claim in full, the Bank may, at any time thereafter if permitted to do so by the terms of the advances or other security agreement with such borrower or otherwise by applicable law, proceed to foreclose upon, sell, lease or otherwise dispose of such collateral (or any portion thereof), or otherwise exercise its rights as a secured party, provided that the Bank acts in good faith and in a commercially reasonable manner and otherwise in accordance with applicable law.

(3) The foregoing provisions of this paragraph (c) shall not apply in the event that a purchase and assumption transaction is entered into regarding any such member.

(d) The Bank's rights pursuant to the second sentence of section 10(d) of the Federal Home Loan Bank Act shall not be affected or diminished by any provisions of state law that may be applicable to a security interest in property of the member.

(e) The receiver for a borrower from a Federal Home Loan Bank shall allow a claim for a prepayment fee by the Bank if, and only if:

§ 360.3

12 CFR Ch. III (1–1–03 Edition)

(1) The claim is made pursuant to a written contract that provides for a prepayment fee, provided, however, that such prepayment fee allowed by the receiver shall not exceed the present value of the loss attributable to the difference between the contract rate of the secured borrowing and the reinvestment rate then available to the Bank; and

(2) The indebtedness owed to the Bank by such borrower is secured by sufficient collateral in which a perfected security interest in favor of the Bank exists or as to which the Bank's security interest is entitled to priority under section 306(d) of the Competitive Equality Banking Act of 1987 (CEBA) (12 U.S.C. 1430(e), footnote (1), or otherwise so that the aggregate of the outstanding principal on the advances secured by such collateral, the accrued but unpaid interest thereon and the prepayment fee applicable to such advances can be paid in full from the amounts realized from such collateral. For purposes of this paragraph (e)(2), the adequacy of such collateral shall be determined as of the date such prepayment fees shall be due and payable under the terms of the written contract providing therefor.

§ 360.3 Priorities.

(a) Unsecured claims against an association or the receiver that are proved to the satisfaction of the receiver shall have priority in the following order:

(1) Administrative expenses of the receiver, including the costs, expenses, and debts of the receiver;

(2) Administrative expenses of the association, *provided* that such expenses were incurred within thirty (30) days prior to the receiver's taking possession, and that such expenses shall be limited to reasonable expenses incurred for services actually provided by accountants, attorneys, appraisers, examiners, or management companies, or reasonable expenses incurred by employees which were authorized and reimbursable under a pre-existing expense reimbursement policy, that, in

the opinion of the receiver, are of benefit to the receivership, and shall not include wages or salaries of employees of the association;

(3) Claims for wages and salaries, including vacation and sick leave pay and contributions to employee benefit plans, earned prior to the appointment of the receiver by an employee of the association whom the receiver determines it is in the best interests of the receivership to engage or retain for a reasonable period of time;

(4) If authorized by the receiver, claims for wages and salaries, including vacation and sick leave pay and contributions to employee benefits plans, earned prior to the appointment of the receiver, up to a maximum of three thousand dollars (\$3,000) per person, by an employee of the association not engaged or retained pursuant to a determination by the receiver pursuant to the third category above;

(5) Claims of governmental units for unpaid taxes, other than Federal income taxes, except to the extent subordinated pursuant to applicable law; but no other claim of a governmental unit shall have a priority higher than that of a general creditor under paragraph (a)(6) of this section;

(6) Claims for withdrawable accounts, including those of the Corporation as subrogee or transferee, and all other claims which have accrued and become unconditionally fixed on or before the date of default, whether liquidated or unliquidated, except as provided in paragraphs (a)(1) through (a)(5) of this section, provided, however, that if the association is chartered and was operated under the laws of a state that provided a priority for holders of withdrawable accounts over such other claims or general creditors, such priority within this paragraph (a)(6) shall be observed by the receiver; and provided further, that if deposits of a Federal association are booked or registered at an office of such association that is located in a State that provides such priority with respect to State-chartered associations, such deposits in a Federal association shall have priority over such other claims or general creditors, which shall be observed by the receiver;

Federal Deposit Insurance Corporation

§ 360.5

(7) Claims other than those that have accrued and become unconditionally fixed on or before the date of default, including claims for interest after the date of default on claims under paragraph (a)(6) of this section, *Provided* that any claim based on an agreement for accelerated, stipulated, or liquidated damages, which claim did not accrue prior to the date of default, shall be considered as not having accrued and become unconditionally fixed on or before the date of default;

(8) Claims of the United States for unpaid Federal income taxes;

(9) Claims that have been subordinated in whole or in part to general creditor claims, which shall be given the priority specified in the written instruments that evidence such claims; and

(10) Claims by holders of nonwithdrawable accounts, including stock, which shall have priority within this paragraph (a)(10) in accordance with the terms of the written instruments that evidence such claims.

(b) Interest after the date of default on claims under paragraph (a)(6) of this section shall be at a rate or rates adjusted monthly to reflect the average rate for U.S. Treasury bills with maturities of not more than ninety-one (91) days during the preceding three (3) months.

(c) [Reserved]

(d) All unsecured claims of any category or class or priority described in paragraphs (a)(1) through (a)(10) of this section shall be paid in full, or provision made for such payment, before any claims of lesser priority are paid. If there are insufficient funds to pay all claims of a category or class in full, distribution to claimants in such category or class shall be made pro rata. Notwithstanding anything to the contrary herein, the receiver may, at any time, and from time to time, prior to the payment in full of all claims of a category or class with higher priority, make such distributions to claimants in priority classes outlined in paragraphs (a)(1) through (a)(6) of this section as the receiver believes are reasonably necessary to conduct the receivership.

Provided that the receiver determines that adequate funds exist or will be re-

covered during the receivership to pay in full all claims of any higher priority.

(e) If the association is in mutual form, and a surplus remains after making distribution in full of allowed claims as set forth in paragraphs (a) and (b) of this section, such surplus shall be distributed to the depositors in proportion to their accounts as of the date of default.

(f) Under the provisions of section 11(d)(11) of the Act (12 U.S.C. 1821(d)(11)), the provisions of this §360.3 do not apply to any receivership established and liquidation or other resolution occurring after August 10, 1993.

The priority for *administrative expenses of the receiver*, as that term is used in section 11(d)(11) of the Act (12 U.S.C. 1821(d)(11)), shall include those necessary expenses incurred by the receiver in liquidating or otherwise resolving the affairs of a failed insured depository institution. § 360.5 Definition of qualified financial contracts.

(a) *Authority and purpose.* Sections 11(e) (8) through (10) of the Federal Deposit Insurance Act, 12 U.S.C. 1821(e) (8) through (10), provide special rules for the treatment of qualified financial contracts of an insured depository institution for which the FDIC is appointed conservator or receiver, including rules describing the manner in which qualified financial contracts may be transferred or closed out. Section 11(e)(8)(D)(i) of the Federal Deposit Insurance Act, 12 U.S.C. 1821(e)(8)(D)(i), grants the Corporation authority to determine by regulation whether any agreement, other than

§ 360.6

12 CFR Ch. III (1–1–03 Edition)

those identified within section 11(e)(8)(D), should be recognized as qualified financial contracts under the statute. The purpose of this section is to identify additional agreements which the Corporation has determined to be qualified financial contracts.

(b) *Repurchase agreements.* The following agreements shall be deemed “repurchase agreements” under section 11(e)(8)(D)(v) of the Federal Deposit Insurance Act, as amended (12 U.S.C. 1821(e)(8)(D)(v)): A repurchase agreement on qualified foreign government securities is an agreement or combination of agreements (including master agreements) which provides for the transfer of securities that are direct obligations of, or that are fully guaranteed by, the central governments (as set forth at 12 CFR part 325, appendix A, section II.C, n. 17, as may be amended from time to time) of the OECD-based group of countries (as set forth at 12 CFR part 325, appendix A, section II.B.2., note 12 as may be amended from time to time) against the transfer of funds by the transferee of such securities with a simultaneous agreement by such transferee to transfer to the transferor thereof securities as described above, at a date certain not later than one year after such transfers or on demand, against the transfer of funds.

(c) *Swap agreements.* The following agreements shall be deemed “swap agreements” under section 11(e)(8)(D)(vi) of the Federal Deposit Insurance Act, as amended (12 U.S.C. 1821(e)(8)(D)(vi)): A spot foreign exchange agreement is any agreement providing for or effecting the purchase or sale of one currency in exchange for another currency (or a unit of account established by an intergovernmental organization such as the European Currency Unit) with a maturity date of two days or less after the agreement has been entered into, and includes short-dated transactions such as tomorrow/next day and same day/tomorrow transactions.

(d) Nothing in this section shall be construed as limiting or changing a party’s obligation to comply with all reasonable trading practices and requirements, non-insolvency law requirements and any other require-

ments imposed by other provisions of the FDI Act. This section in no way limits the authority of the Corporation to take supervisory or enforcement actions, or to otherwise manage the affairs of a financial institution for which the Corporation has been appointed conservator or receiver.

[60 FR 66865, Dec. 27, 1995]

§ 360.6 Treatment by the Federal Deposit Insurance Corporation as conservator or receiver of financial assets transferred in connection with a securitization or participation.

(a) *Definitions.* (1) *Beneficial interest* means debt or equity (or mixed) interests or obligations of any type issued by a special purpose entity that entitle their holders to receive payments that depend primarily on the cash flow from financial assets owned by the special purpose entity.

(2) *Financial asset* means cash or a contract or instrument that conveys to one entity a contractual right to receive cash or another financial instrument from another entity.

(3) *Participation* means the transfer or assignment of an undivided interest in all or part of a loan or a lease from a seller, known as the “lead”, to a buyer, known as the “participant”, without recourse to the lead, pursuant to an agreement between the lead and the participant. *Without recourse* means that the participation is not subject to any agreement that requires the lead to repurchase the participant’s interest or to otherwise compensate the participant due to a default on the underlying obligation.

(4) *Securitization* means the issuance by a special purpose entity of beneficial interests:

(i) The most senior class of which at time of issuance is rated in one of the four highest categories assigned to long-term debt or in an equivalent short-term category (within either of which there may be sub-categories or gradations indicating relative standing) by one or more nationally recognized statistical rating organizations, or

(ii) Which are sold in transactions by an issuer not involving any public offering for purposes of section 4 of the Securities Act of 1933 (15 U.S.C. 77d), as

amended, or in transactions exempt from registration under such Act pursuant to Regulation S thereunder (or any successor regulation).

(5) *Special purpose entity* means a trust, corporation, or other entity demonstrably distinct from the insured depository institution that is primarily engaged in acquiring and holding (or transferring to another special purpose entity) financial assets, and in activities related or incidental thereto, in connection with the issuance by such special purpose entity (or by another special purpose entity that acquires financial assets directly or indirectly from such special purpose entity) of beneficial interests.

(b) The FDIC shall not, by exercise of its authority to disaffirm or repudiate contracts under 12 U.S.C. 1821(e), reclaim, recover, or recharacterize as property of the institution or the receivership any financial assets transferred by an insured depository institution in connection with a securitization or participation, provided that such transfer meets all conditions for sale accounting treatment under generally accepted accounting principles, other than the “legal isolation” condition as it applies to institutions for which the FDIC may be appointed as conservator or receiver, which is addressed by this section.

(c) Paragraph (b) of this section shall not apply unless the insured depository institution received adequate consideration for the transfer of financial assets at the time of the transfer, and the documentation effecting the transfer of financial assets reflects the intent of the parties to treat the transaction as a sale, and not as a secured borrowing, for accounting purposes.

(d) Paragraph (b) of this section shall not be construed as waiving, limiting, or otherwise affecting the power of the FDIC, as conservator or receiver, to disaffirm or repudiate any agreement imposing continuing obligations or duties upon the insured depository institution in conservatorship or receivership.

(e) Paragraph (b) of this section shall not be construed as waiving, limiting or otherwise affecting the rights or powers of the FDIC to take any action or to exercise any power not specifi-

cally limited by this section, including, but not limited to, any rights, powers or remedies of the FDIC regarding transfers taken in contemplation of the institution’s insolvency or with the intent to hinder, delay, or defraud the institution or the creditors of such institution, or that is a fraudulent transfer under applicable law.

(f) The FDIC shall not seek to avoid an otherwise legally enforceable securitization agreement or participation agreement executed by an insured depository institution solely because such agreement does not meet the “contemporaneous” requirement of sections 11(d)(9), 11(n)(4)(I), and 13(e) of the Federal Deposit Insurance Act (12 U.S.C. 1821(d)(9), (n)(4)(I), 1823(e)).

(g) This section may be repealed or amended by the FDIC upon 30 days notice and opportunity for comment provided in the Federal Register, but any such repeal or amendment shall not apply to any transfers of financial assets made in connection with a securitization or participation that was in effect before such repeal or modification.

[65 FR 49191, Aug. 11, 2000]

§ 360.7 Post-insolvency interest.

(a) *Purpose and scope.* This section establishes rules governing the calculation and distribution of post-insolvency interest to creditors with proven claims in all FDIC-administered receiverships established after June 13, 2002.

(b) *Definitions.* (1) *Equityholder.* The owner of an equity interest in a failed depository institution, whether such ownership is represented by stock, membership in a mutual association, or otherwise.

(2) *Post-insolvency interest.* Interest calculated from the date the receivership is established on proven creditor claims in receiverships with surplus funds.

(3) *Post-insolvency interest rate.* For any calendar quarter, the coupon equivalent yield of the average discount rate set on the three-month Treasury bill at the last auction held by the United States Treasury Department during the preceding calendar quarter, and adjusted each quarter thereafter.

(4) *Principal amount.* The proven claim amount and any interest accrued thereon as of the date the receivership is established.

(5) *Proven claim.* A claim that is allowed by a receiver or upon which a final non-appealable judgment has been entered in favor of a claimant against a receivership by a court with jurisdiction to adjudicate the claim.

(c) *Post-insolvency interest distributions.* (1) Post-insolvency interest shall only be distributed following satisfaction by the receiver of the principal amount of all creditor claims.

(2) The receiver shall distribute post-insolvency interest at the post-insolvency interest rate prior to making any distribution to equityholders. Post-insolvency interest distributions shall be made in the order of priority set forth in section 11(d)(11)(A) of the Federal Deposit Insurance Act, 12 U.S.C. 1821(d)(11)(A).

(3) Post-insolvency interest distributions shall be made at such time as the receiver determines that such distributions are appropriate and only to the extent of funds available in the receivership estate. Post-insolvency interest shall be calculated on the outstanding balance of a proven claim, as reduced from time to time by any interim dividend distributions, from the date the receivership is established until the principal amount of a proven claim has been fully distributed but not thereafter. Post-insolvency interest shall be calculated on a contingent claim from the date such claim becomes proven.

(4) Post-insolvency interest shall be determined using a simple interest method of calculation.

§361.1 Why do minority- and women-owned businesses need this outreach regulation?

The purpose of the FDIC Minority and Women Outreach Program (MWOP) is to ensure that minority- and women-owned businesses (MWOBs) are given the opportunity to participate fully in all contracts entered into by the FDIC.

§361.2 Why does the FDIC have this outreach program?

It is the policy of the FDIC that minorities and women, and businesses owned by them have the maximum practicable opportunity to participate in contracts awarded by the FDIC.

§361.3 Who may participate in this outreach program?

For purposes of this part:

(a) *Minority* has the same meaning as defined by the Small Business Administration at 13 CFR 124.103(b).

(b) *Legal Services* means all services provided by attorneys or law firms (including services of support staff).

On a quarterly basis, or as requested by the ODEO, the coordinators will report to the ODEO on their implementation of the outreach program.

(b) Outreach includes the identification and registration of MWOBs who can provide goods and services utilized by the FDIC. This includes distributing information concerning the MWOP.

(c) The identification of MWOBs for the provision of legal and non-legal services will primarily be accomplished by:

(1) Obtaining various lists and directories of MWOBs maintained by other federal, state, and local governmental agencies;

(2) Participating in conventions, seminars and professional meetings comprised of, or attended predominately by, MWOBs;

(3) Conducting seminars, meetings, workshops and other various functions to promote the identification and registration of MWOBs;

(4) Placing MWOP promotional advertisements indicating opportunities with the FDIC in minority- and women-owned media; and

SOURCE: 63 FR 66326, Dec. 1, 1998, unless otherwise noted.

Subpart A—Activities of Insured State Banks

§ 362.1 Purpose and scope.

(a) This subpart, along with the notice and application procedures in subpart G of part 303 of this chapter, implements the provisions of section 24 of the Federal Deposit Insurance Act (12 U.S.C. 1831a) that restrict and prohibit insured State banks and their subsidiaries from engaging in activities and investments that are not permissible for national banks and their subsidiaries. The phrase “activity permissible for a national bank” means any activity authorized for national banks under any statute including the National Bank Act (12 U.S.C. 21 *et seq.*), as well as activities recognized as permissible for a national bank in regulations, official circulars, bulletins, orders or written interpretations issued by the Office of the Comptroller of the Currency (OCC).

(b) This subpart does not cover the following activities:

(1) Activities conducted other than “as principal,” defined for purposes of this subpart as activities conducted as agent for a customer, conducted in a brokerage, custodial, advisory, or administrative capacity, or conducted as trustee, or in any substantially similar capacity. For example, this subpart does not cover acting solely as agent for the sale of insurance, securities, real estate, or travel services; nor does it cover acting as trustee, providing personal financial planning advice, or safekeeping services;

(2) Interests in real estate in which the real property is used or intended in good faith to be used within a reasonable time by an insured State bank or its subsidiaries as offices or related facilities for the conduct of its business or future expansion of its business or used as public welfare investments of a type permissible for national banks; and

(3) Equity investments acquired in connection with debts previously contracted (DPC) if the insured State bank does not hold the property for speculation and takes only such actions as would be permissible for a national bank’s DPC. The bank must dispose of the property within the shorter of the

period set by Federal law for national banks or the period allowed under State law. For real estate, national banks may not hold DPC for more than 10 years. For equity securities, national banks must generally divest DPC as soon as possible consistent with obtaining a reasonable return.

(c) A subsidiary of an insured state bank may not engage in real estate investment activities that are not permissible for a subsidiary of a national bank unless the bank does so through a subsidiary of which the bank is a majority owner, is in compliance with applicable capital standards, and the FDIC has determined that the activity poses no significant risk to the appropriate deposit insurance fund. This subpart provides standards for majority-owned subsidiaries of insured state banks engaging in real estate investment activities that are not permissible for a subsidiary of a national bank.

(d) The FDIC intends to allow insured State banks and their subsidiaries to undertake only safe and sound activities and investments that do not present significant risks to the deposit insurance funds and that are consistent with the purposes of Federal deposit insurance and other applicable law. This subpart does not authorize any insured State bank to make investments or to conduct activities that are not authorized or that are prohibited by either State or Federal law.

(2) As a result of which a State bank eligible for the exception described in § 362.3(a)(2)(iii) is acquired by or merged into a depository institution that is not eligible for the exception, or as a result of which its holding company is acquired by or merged into a holding company which controls one or more bank subsidiaries not eligible for the exception; or

(o) *Security* has the same meaning as it has in part 344 of this chapter.

(p) *Significant risk to the deposit insurance fund* shall be understood to be present whenever the FDIC determines there is a high probability that any insurance fund administered by the FDIC may suffer a loss. Such risk may be present either when an activity contributes or may contribute to the decline in condition of a particular state-chartered depository institution or when a type of activity is found by the FDIC to contribute or potentially contribute to the deterioration of the overall condition of the banking system.

(a) *Equity investments.* (1) *Prohibited equity investments.* No insured State bank may directly or indirectly acquire or retain as principal any equity investment of a type that is not permissible for a national bank unless one of the exceptions in paragraph (a)(2) of this section applies.

(2) *Exceptions.* (i) *Equity investment in majority-owned subsidiaries.* An insured State bank may acquire or retain an equity investment in a subsidiary of which the bank is a majority owner, provided that the subsidiary is engaging in activities that are allowed pursuant to the provisions of or by application under § 362.4(b).

(ii) *Investments in qualified housing projects.* An insured State bank may invest as a limited partner in a partnership, or as a noncontrolling interest holder of a limited liability company, the sole purpose of which is to invest in the acquisition, rehabilitation, or new construction of a qualified housing project, provided that the bank’s aggregate investment (including legally binding commitments) does not exceed, when made, 2 percent of total assets as of the date of the bank’s most recent consolidated report of condition prior to making the investment. For the purposes of this paragraph (a)(2)(ii), *Aggregate investment* means the total book value of the bank’s investment in the real estate calculated in accordance with the instructions for the preparation of the consolidated report of condition. *Qualified housing project* means residential real estate intended to primarily benefit lower income persons throughout the period of the bank’s investment including any project that has received an award of low income housing tax credits under section 42 of the Internal Revenue Code (26 U.S.C. 42) (such as a reservation or allocation of credits) from a State or local housing credit agency. A residential real estate project that does not qualify for the tax credit under section 42 of the Internal Revenue Code will qualify under this exception if 50 percent or more of the housing units are to be occupied by lower income persons. A project will be considered residential despite the fact that some portion of

the total square footage of the project is utilized for commercial purposes, provided that such commercial use is not the primary purpose of the project. *Lower income* has the same meaning as “low income” and “moderate income” as defined for the purposes of §345.12(n) (1) and (2) of this chapter.

(iii) *Grandfathered investments in common or preferred stock; shares of investment companies.* (A) *General.* An insured State bank that is located in a State which as of September 30, 1991, authorized investment in:

(1)(i) Common or preferred stock listed on a national securities exchange (listed stock); or

(ii) Shares of an investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (registered shares); and

(2) Which during the period beginning on September 30, 1990, and ending on November 26, 1991, made or maintained an investment in listed stock or registered shares, may retain whatever lawfully acquired listed stock or registered shares it held and may continue to acquire listed stock and/or registered shares, provided that the bank files a notice in accordance with section 24(f)(6) of the Federal Deposit Insurance Act in compliance with §303.121 of this chapter and the FDIC processes the notice without objection under §303.122 of this chapter. Approval will be granted only if the FDIC determines that acquiring or retaining the stock or shares does not pose a significant risk to the appropriate deposit insurance fund. Approval may be subject to whatever conditions or restrictions the FDIC determines are necessary or appropriate.

(B) *Loss of grandfather exception.* The exception for grandfathered investments under paragraph (a)(2)(iii)(A) of this section shall no longer apply if the bank converts its charter or the bank or its parent holding company undergoes a change in control. If any of these events occur, the bank may retain its existing investments unless directed by the FDIC or other applicable authority to divest the listed stock or registered shares.

(C) *Maximum permissible investment.* A bank's aggregate investment in listed stock and registered shares under para-

graph (a)(2)(iii)(A) of this section shall in no event exceed, when made, 100 percent of the bank's tier one capital as measured on the bank's most recent consolidated report of condition (call report) prior to making any such investment. The lower of the bank's cost as determined in accordance with call report instructions or the market value of the listed stock and shares shall be used to determine compliance. The FDIC may determine when acting upon a notice filed in accordance with paragraph (a)(2)(iii)(A)(2) of this section that the permissible limit for any particular insured State bank is something less than 100 percent of tier one capital.

(iv) *Stock investment in insured depository institutions owned exclusively by other banks and savings associations.* An insured State bank may acquire or retain the stock of an insured depository institution if the insured depository institution engages only in activities permissible for national banks; the insured depository institution is subject to examination and regulation by a State bank supervisor; the voting stock is owned by 20 or more insured depository institutions, but no one institution owns more than 15 percent of the voting stock; and the insured depository institution's stock (other than directors' qualifying shares or shares held under or acquired through a plan established for the benefit of the officers and employees) is owned only by insured depository institutions.

(v) *Stock investment in insurance companies—(A) Stock of director and officer liability insurance company.* An insured State bank may acquire and retain up to 10 percent of the outstanding stock of a corporation that solely provides or reinsures directors', trustees', and officers' liability insurance coverage or bankers' blanket bond group insurance coverage for insured depository institutions.

(B) *Stock of savings bank life insurance company.* An insured State bank located in Massachusetts, New York, or Connecticut may own stock in a savings bank life insurance company, provided that the savings bank life insurance company provides written disclosures to purchasers or potential purchasers of life insurance policies, other

insurance products, and annuities that are consistent with the disclosures described in the Interagency Statement on the Retail Sale of Nondeposit Investment Products (FIL-9-94,¹ February 17, 1994) or any successor requirement which indicates that the policies, products, and annuities are not FDIC insured deposits, are not guaranteed by the bank and are subject to investment risks, including possible loss of the principal amount invested.

(b) *Activities other than equity investments*—(1) *Prohibited activities.* An insured State bank may not directly or indirectly engage as principal in any activity, that is not an equity investment, and is of a type not permissible for a national bank unless one of the exceptions in paragraph (b)(2) of this section applies.

(2) *Exceptions*—(i) *Consent obtained through application.* An insured State bank that meets and continues to meet the applicable capital standards set by the appropriate Federal banking agency may conduct activities prohibited by paragraph (b)(1) of this section if the bank obtains the FDIC's prior written consent. Consent will be given only if the FDIC determines that the activity poses no significant risk to the affected deposit insurance fund. Applications for consent should be filed in accordance with § 303.121 of this chapter and will be processed under § 303.122(b) of this chapter. Approvals granted under § 303.122(b) of this chapter may be made subject to any conditions or restrictions found by the FDIC to be necessary to protect the deposit insurance funds from risk, to prevent unsafe or unsound banking practices, and/or to ensure that the activity is consistent with the purposes of Federal deposit insurance and other applicable law.

(ii) *Insurance underwriting*—(A) *Savings bank life insurance.* An insured State bank that is located in Massachusetts, New York or Connecticut may provide as principal savings bank life insurance through a department of the bank, provided that the department meets the core standards of para-

graph (c) of this section or submits an application in compliance with § 303.121 of this chapter and the FDIC grants its consent under the procedures in § 303.122(b) of this chapter, and the department provides purchasers or potential purchasers of life insurance policies, other insurance products and annuities written disclosures that are consistent with the disclosures described in the Interagency Statement on the Retail Sale of Nondeposit Investment Products (FIL-9-94, February 17, 1994) and any successor requirement which indicates that the policies, products and annuities are not FDIC insured deposits, are not guaranteed by the bank, and are subject to investment risks, including the possible loss of the principal amount invested.

(B) *Federal crop insurance.* Any insured State bank that was providing insurance as principal on or before September 30, 1991, which was reinsured in whole or in part by the Federal Crop Insurance Corporation, may continue to do so.

(C) *Grandfathered insurance underwriting.* A well-capitalized insured State bank that on November 21, 1991, was lawfully providing insurance as principal through a department of the bank may continue to provide the same types of insurance as principal to the residents of the State or States in which the bank did so on such date provided that the bank's department meets the core standards of paragraph (c) of this section, or submits an application in compliance with § 303.121 of this chapter and the FDIC grants its consent under the procedures in § 303.122(b) of this chapter.

(iii) *Acquiring and retaining adjustable rate and money market preferred stock.*

(A) An insured State bank's investment of up to 15 percent of the bank's tier one capital in adjustable rate preferred stock or money market (auction rate) preferred stock does not represent a significant risk to the deposit insurance funds. An insured State bank may conduct this activity without first obtaining the FDIC's consent, provided that the bank meets and continues to meet the applicable capital standards as prescribed by the appropriate Federal banking agency. The fact that prior consent is not required by this

subpart does not preclude the FDIC from taking any appropriate action with respect to the activities if the facts and circumstances warrant such action.

(B) An insured State bank may acquire or retain other instruments of a type determined by the FDIC to have the character of debt securities and not to represent a significant risk to the deposit insurance funds. Such instruments shall be included in the 15 percent of tier one capital limit imposed in paragraph (b)(2)(iii)(A) of this section. An insured State bank may conduct this activity without first obtaining the FDIC's consent, provided that the bank meets and continues to meet the applicable capital standards as prescribed by the appropriate Federal banking agency. The fact that prior consent is not required by this subpart does not preclude the FDIC from taking any appropriate action with respect to the activities if the facts and circumstances warrant such action.

(c) *Core standards.* For any insured State bank to be eligible to conduct insurance activities listed in paragraph (b)(2)(ii)(A) or (C) of this section, the bank must conduct the activities in a department that meets the following core separation and operating standards:

(1) The department is physically distinct from the remainder of the bank;

(2) The department maintains separate accounting and other records;

(3) The department has assets, liabilities, obligations and expenses that are separate and distinct from those of the remainder of the bank;

(4) The department is subject to State statute that requires its obligations, liabilities and expenses be satisfied only with the assets of the department; and

(5) The department informs its customers that only the assets of the department may be used to satisfy the obligations of the department.

§ 362.4 Subsidiaries of insured State banks.

(a) *Prohibition.* A subsidiary of an insured State bank may not engage as principal in any activity that is not of a type permissible for a subsidiary of a national bank, unless it meets one of

the exceptions in paragraph (b) of this section.

(b) *Exceptions—(1) Consent obtained through application.* A subsidiary of an insured State bank may conduct otherwise prohibited activities if the bank obtains the FDIC's prior written consent and the insured State bank meets and continues to meet the applicable capital standards set by the appropriate Federal banking agency. Consent will be given only if the FDIC determines that the activity poses no significant risk to the affected deposit insurance fund. Applications for consent should be filed in accordance with § 303.121 of this chapter and will be processed under § 303.122(b) of this chapter. Approvals granted under § 303.122(b) of this chapter may be made subject to any conditions or restrictions found by the FDIC to be necessary to protect the deposit insurance funds from risk, to prevent unsafe or unsound banking practices, and/or to ensure that the activity is consistent with the purposes of Federal deposit insurance and other applicable law.

(2) *Grandfathered insurance underwriting subsidiaries.* A subsidiary of an insured State bank may:

(i) Engage in grandfathered insurance underwriting if the insured State bank or its subsidiary on November 21, 1991, was lawfully providing insurance as principal. The subsidiary may continue to provide the same types of insurance as principal to the residents of the State or states in which the bank or subsidiary did so on such date provided that:

(A)(1) The bank meets the capital requirements of paragraph (e) of this section; and

(2) The subsidiary is an "eligible subsidiary" as described in paragraph (c)(2) of this section; or

(B) The bank submits an application in compliance with § 303.121 of this chapter and the FDIC grants its consent under the procedures in § 303.122(b) of this chapter.

(ii) Continue to provide as principal title insurance, provided the bank was required before June 1, 1991, to provide title insurance as a condition of the bank's initial chartering under State law and neither the bank nor its parent

holding company undergoes a change in control.

(iii) May continue to provide as principal insurance which is reinsured in whole or in part by the Federal Crop Insurance Corporation if the subsidiary was engaged in the activity on or before September 30, 1991.

(3) *Majority-owned subsidiaries' ownership of equity investments that represent a control interest in a company.* The FDIC has determined that investment in the following by a majority-owned subsidiary of an insured State bank does not represent a significant risk to the deposit insurance funds:

(i) Equity investment in a company engaged in real estate or securities activities authorized in paragraph (b)(5) of this section if the bank complies with the following restrictions and files a notice in compliance with § 303.121 of this chapter and the FDIC processes the notice without objection under § 303.122(a) of this chapter. The FDIC is not precluded from taking any appropriate action or imposing additional requirements with respect to the activity if the facts and circumstances warrant such action. If changes to the management or business plan of the company at any time result in material changes to the nature of the company's business or the manner in which its business is conducted, the insured State bank shall advise the appropriate regional director (DSC) in writing within 10 business days after such change. Investment under this paragraph is authorized if:

(A) The majority-owned subsidiary controls the company;

(B) The bank meets the core eligibility criteria of paragraph (c)(1) of this section;

(C) The majority-owned subsidiary meets the core eligibility criteria of paragraph (c)(2) of this section (including any modifications thereof applicable under paragraph (b)(5)(i) of this section), or the company is a corporation meeting such criteria;

(D) The bank's transactions with the majority-owned subsidiary, and the bank's transactions with the company, comply with the investment and transaction limits of paragraph (d) of this section;

(E) The bank complies with the capital requirements of paragraph (e) of this section with respect to the majority-owned subsidiary and the company; and

(F) To the extent the company is engaged in securities activities authorized by paragraph (b)(5)(ii) of this section, the bank and the company comply with the additional requirements therein as if the company were a majority-owned subsidiary.

(ii) Equity securities of a company engaged in the following activities, if the majority-owned subsidiary controls the company or the company is controlled by insured depository institutions, and the bank meets and continues to meet the applicable capital standards as prescribed by the appropriate Federal banking agency. The FDIC consents that a majority-owned subsidiary may conduct such activity without first obtaining the FDIC's consent. The fact that prior consent is not required by this subpart does not preclude the FDIC from taking any appropriate action with respect to the activity if the facts and circumstances warrant such action:

(A) Any activity that is permissible for a national bank, including such permissible activities that may require the company to register as a securities broker;

(B) Acting as an insurance agency;

(C) Engaging in any activity permissible for an insured State bank under § 362.3(b)(2)(iii) to the same extent permissible for the insured bank thereunder, so long as instruments held under this paragraph (b)(3)(ii)(C), paragraph (b)(7) of this section, and § 362.3(b)(2)(iii) in the aggregate do not exceed the limit set by § 362.3(b)(2)(iii);

(D) Engaging in any activity permissible for a majority-owned subsidiary of an insured State bank under paragraph (b)(6) of this section to the same extent and manner permissible for the majority-owned subsidiary thereunder; and

(4) *Majority-owned subsidiary's ownership of certain securities that do not represent a control interest—(i) Grandfathered investments in common or preferred stock and shares of investment companies.* Any insured State bank that

has received approval to invest in common or preferred stock or shares of an investment company pursuant to §362.3(a)(2)(iii) may conduct the approved investment activities through a majority-owned subsidiary of the bank without any additional approval from the FDIC provided that any conditions or restrictions imposed with regard to the approval granted under §362.3(a)(2)(iii) are met.

(ii) *Bank stock.* An insured State bank may indirectly through a majority-owned subsidiary organized for such purpose invest in up to ten percent of the outstanding stock of another insured bank.

(5) *Majority-owned subsidiaries conducting real estate investment activities and securities underwriting.* The FDIC has determined that the following activities do not represent a significant risk to the deposit insurance funds, provided that the activities are conducted by a majority-owned subsidiary of an insured State bank in compliance with the core eligibility requirements listed in paragraph (c) of this section; any additional requirements listed in paragraph (b)(5) (i) or (ii) of this section; the bank complies with the investment and transaction limitations of paragraph (d) of this section; and the bank meets the capital requirements of paragraph (e) of this section. The FDIC consents that these listed activities may be conducted by a majority-owned subsidiary of an insured State bank if the bank files a notice in compliance with §303.121 of this chapter and the FDIC processes the notice without objection under §303.122(a) of this chapter. The FDIC is not precluded from taking any appropriate action or imposing additional requirements with respect to the activities if the facts and circumstances warrant such action. If changes to the management or business plan of the majority-owned subsidiary at any time result in material changes to the nature of the majority-owned subsidiary's business or the manner in which its business is conducted, the insured State bank shall advise the appropriate regional director (DSC) in writing within 10 business days after such change. Such a majority-owned subsidiary may:

(i) *Real estate investment activities.* Engage in real estate investment activities. However, the requirements of paragraph (c)(2) (ii), (v), (vi), and (xi) of this section need not be met if the bank's investment in the equity securities of the subsidiary does not exceed 2 percent of the bank's tier one capital; the bank has only one subsidiary engaging in real estate investment activities; and the bank's total investment in the subsidiary does not include any extensions of credit from the bank to the subsidiary, any debt instruments issued by the subsidiary, or any other transaction originated by the bank that is used to benefit the subsidiary.

(ii) *Securities activities.* Engage in the public sale, distribution or underwriting of securities that are not permissible for a national bank under section 16 of the Banking Act of 1933 (12 U.S.C. 24 Seventh), provided that the insured state nonmember bank lawfully controlled or acquired the subsidiary and had an approved notice or order from the FDIC prior to November 12, 1999 and provided that the following additional conditions are, and continue to be, met:

(A) The state-chartered depository institution adopts policies and procedures, including appropriate limits on exposure, to govern the institution's participation in financing transactions underwritten or arranged by an underwriting majority-owned subsidiary;

(B) The state-chartered depository institution may not express an opinion on the value or the advisability of the purchase or sale of securities underwritten or dealt in by a majority-owned subsidiary unless the state-chartered depository institution notifies the customer that the majority-owned subsidiary is underwriting or distributing the security;

(C) The majority-owned subsidiary is registered with the Securities and Exchange Commission, is a member in good standing with the appropriate self-regulatory organization, and promptly informs the appropriate regional director (DSC) in writing of any material actions taken against the majority-owned subsidiary or any of its employees by the State, the appropriate self-regulatory organizations or

the Securities and Exchange Commission; and

(D) The state-chartered depository institution does not knowingly purchase as principal or fiduciary during the existence of any underwriting or selling syndicate any securities underwritten by the majority-owned subsidiary unless the purchase is approved by the state-chartered depository institution's board of directors before the securities are initially offered for sale to the public.

(6) *Real estate leasing.* A majority-owned subsidiary of an insured State bank acting as lessor under a real property lease which is the equivalent of a financing transaction, meeting the lease criteria of paragraph (b)(6)(i) of this section and the underlying real estate requirements of paragraph (b)(6)(ii) of this section, does not represent a significant risk to the deposit insurance funds. A majority-owned subsidiary may conduct this activity without first obtaining the FDIC's consent, provided that the bank meets and continues to meet the applicable capital standards as prescribed by the appropriate Federal banking agency. The fact that prior consent is not required by this subpart does not preclude the FDIC from taking any appropriate action with respect to the activity if the facts and circumstances warrant such action.

(i) *Lease criteria—(A) Capital lease.* The lease must qualify as a capital lease as to the lessor under generally accepted accounting principles.

(B) *Nonoperating basis.* The bank and the majority-owned subsidiary shall not, directly or indirectly, provide or be obligated to provide servicing, repair, or maintenance to the property, except that the lease may include provisions permitting the subsidiary to protect the value of the leased property in the event of a change in circumstances that increases the subsidiary's exposure to loss, or the subsidiary may take reasonable and appropriate action to salvage or protect the value of the leased property in such circumstances.

(ii) *Underlying real property requirements—(A) Acquisition.* The majority-owned subsidiary may acquire specific

real estate to be leased only after the subsidiary has entered into:

(1) A lease meeting the requirements of paragraph (b)(6)(i) of this section;

(2) A legally binding written commitment to enter into such a lease; or

(3) A legally binding written agreement that indemnifies the subsidiary against loss in connection with its acquisition of the property.

(B) *Improvements.* Any expenditures by the majority-owned subsidiary to make reasonable repairs, renovations, and improvements necessary to render the property suitable to the lessee shall not exceed 25 percent of the majority-owned subsidiary's full investment in the real estate.

(C) *Divestiture.* At the expiration of the initial lease (including any renewals or extensions thereof), the majority-owned subsidiary shall, as soon as practicable but in any event no less than two years, either:

(1) Re-lease the property under a lease meeting the requirement of paragraph (b)(6)(i)(B) of this section; or

(2) Divest itself of all interest in the property.

(7) *Acquiring and retaining adjustable rate and money market preferred stock and similar instruments.* The FDIC has determined it does not present a significant risk to the deposit insurance funds for a majority-owned subsidiary of an insured State bank to engage in any activity permissible for an insured State bank under § 362.3(b)(2)(iii), so long as instruments held under this paragraph, paragraph (b)(3)(ii)(C) of this section, and § 362.3(b)(2)(iii) in the aggregate do not exceed the limit set by § 362.3(b)(2)(iii). A majority-owned subsidiary may conduct this activity without first obtaining the FDIC's consent, provided that the bank meets and continues to meet the applicable capital standards as prescribed by the appropriate Federal banking agency. The fact that prior consent is not required by this subpart does not preclude the FDIC from taking any appropriate action with respect to the activity if the facts and circumstances warrant such action.

(c) *Core eligibility requirements.* If specifically required by this part or by

Federal Deposit Insurance Corporation

§ 362.4

FDIC order, any state-chartered depository institution that wishes to be eligible and continue to be eligible to conduct as principal activities through a subsidiary that are not permissible for a subsidiary of a national bank must be an “eligible depository institution” and the subsidiary must be an “eligible subsidiary”.

(1) A state-chartered depository institution is an “eligible depository institution” if it:

(i) Has been chartered and operating for three or more years, unless the appropriate regional director (DSC) finds that the state-chartered depository institution is owned by an established, well-capitalized, well-managed holding company or is managed by seasoned management;

(ii) Has an FDIC-assigned composite rating of 1 or 2 assigned under the Uniform Financial Institutions Rating System (UFIRS) (or such other comparable rating system as may be adopted in the future) as a result of its most recent Federal or State examination for which the FDIC assigned a rating;

(iii) Received a rating of 1 or 2 under the “management” component of the UFIRS as assigned by the institution’s appropriate Federal banking agency;

(iv) Has a satisfactory or better Community Reinvestment Act rating at its most recent examination conducted by the institution’s appropriate Federal banking agency;

(v) Has a compliance rating of 1 or 2 at its most recent examination conducted by the institution’s appropriate Federal banking agency; and

(vi) Is not subject to a cease and desist order, consent order, prompt corrective action directive, formal or informal written agreement, or other administrative agreement with its appropriate Federal banking agency or chartering authority.

(2) A subsidiary of a state-chartered depository institution is an “eligible subsidiary” if it:

(i) Meets applicable statutory or regulatory capital requirements and has sufficient operating capital in light of the normal obligations that are reasonably foreseeable for a business of its size and character within the industry;

(ii) Is physically separate and distinct in its operations from the oper-

ations of the state-chartered depository institution, provided that this requirement shall not be construed to prohibit the state-chartered depository institution and its subsidiary from sharing the same facility if the area where the subsidiary conducts business with the public is clearly distinct from the area where customers of the state-chartered depository institution conduct business with the institution. The extent of the separation will vary according to the type and frequency of customer contact;

(iii) Maintains separate accounting and other business records;

(iv) Observes separate business entity formalities such as separate board of directors’ meetings;

(v) Has a chief executive officer of the subsidiary who is not an employee of the institution;

(vi) Has a majority of its board of directors who are neither directors nor executive officers of the state-chartered depository institution;

(vii) Conducts business pursuant to independent policies and procedures designed to inform customers and prospective customers of the subsidiary that the subsidiary is a separate organization from the state-chartered depository institution and that the state-chartered depository institution is not responsible for and does not guarantee the obligations of the subsidiary;

(viii) Has only one business purpose within the types described in paragraphs (b)(2) and (b)(5) of this section;

(ix) Has a current written business plan that is appropriate to the type and scope of business conducted by the subsidiary;

(x) Has qualified management and employees for the type of activity contemplated, including all required licenses and memberships, and complies with industry standards; and

(xi) Establishes policies and procedures to ensure adequate computer, audit and accounting systems, internal risk management controls, and has necessary operational and managerial infrastructure to implement the business plan.

(d) *Investment and transaction limits*—
(1) *General*. If specifically required by this part or FDIC order, the following conditions and restrictions apply to an

insured State bank and its subsidiaries that engage in and wish to continue to engage in activities which are not permissible for a national bank subsidiary.

(2) *Investment limits*—(i) *Aggregate investment in subsidiaries*. An insured state bank's aggregate investment in all subsidiaries conducting activities subject to this paragraph (d) shall not exceed 20 percent of the insured State bank's tier one capital.

(ii) *Definition of investment*. (A) For purposes of this paragraph (d), the term "investment" means:

(1) Any extension of credit to the subsidiary by the insured State bank;

(2) Any debt securities, as such term is defined in part 344 of this chapter, issued by the subsidiary held by the insured State bank;

(3) The acceptance by the insured State bank of securities issued by the subsidiary as collateral for an extension of credit to any person or company; and

(4) Any extensions of credit by the insured State bank to any third party for the purpose of making a direct investment in the subsidiary, making any investment in which the subsidiary has an interest, or which is used for the benefit of, or transferred to, the subsidiary.

(B) For the purposes of this paragraph (d), the term "investment" does not include:

(1) Extensions of credit by the insured State bank to finance sales of assets by the subsidiary which do not involve more than the normal degree of risk of repayment and are extended on terms that are substantially similar to those prevailing at the time for comparable transactions with or involving unaffiliated persons or companies;

(2) An extension of credit by the insured State bank to the subsidiary that is fully collateralized by government securities, as such term is defined in § 344.3 of this chapter; or

(3) An extension of credit by the insured State bank to the subsidiary that is fully collateralized by a segregated deposit in the insured State bank.

(3) *Transaction requirements*—(i) *Arm's length transaction requirement*. With the exception of giving the subsidiary immediate credit for uncollected items

received in the ordinary course of business, an insured State bank may not carry out any of the following transactions with a subsidiary subject to this paragraph (d) unless the transaction is on terms and conditions that are substantially the same as those prevailing at the time for comparable transactions with unaffiliated parties:

(A) Make an investment in the subsidiary;

(B) Purchase from or sell to the subsidiary any assets (including securities);

(C) Enter into a contract, lease, or other type of agreement with the subsidiary;

(D) Pay compensation to a majority-owned subsidiary or any person or company who has an interest in the subsidiary; or

(E) Engage in any such transaction in which the proceeds thereof are used for the benefit of, or are transferred to, the subsidiary.

(ii) *Prohibition on purchase of low quality assets*. An insured State bank is prohibited from purchasing a low quality asset from a subsidiary subject to this paragraph (d). For purposes of this subsection, "low quality asset" means:

(A) An asset classified as "substandard", "doubtful", or "loss" or treated as "other assets especially mentioned" in the most recent report of examination of the bank;

(B) An asset in a nonaccrual status;

(C) An asset on which principal or interest payments are more than 30 days past due; or

(D) An asset whose terms have been renegotiated or compromised due to the deteriorating financial condition of the obligor.

(iii) *Insider transaction restriction*. Neither the insured State bank nor the subsidiary subject to this paragraph (d) may enter into any transaction (exclusive of those covered by § 337.3 of this chapter) with the bank's executive officers, directors, principal shareholders or related interests of such persons which relate to the subsidiary's activities unless:

(A) The transactions are on terms and conditions that are substantially the same as those prevailing at the time for comparable transactions with

Federal Deposit Insurance Corporation

§ 362.5

persons not affiliated with the insured State bank; or

(B) The transactions are pursuant to a benefit or compensation program that is widely available to employees of the bank, and that does not give preference to the bank's executive officers, directors, principal shareholders or related interests of such persons over other bank employees.

(iv) *Anti-tying restriction.* Neither the insured State bank nor the majority-owned subsidiary may require a customer to either buy any product or use any service from the other as a condition of entering into a transaction.

(4) *Collateralization requirements.* (i) An insured State bank is prohibited from making an investment in a subsidiary subject to this paragraph (d) unless such transaction is fully-collateralized at the time the transaction is entered into. No insured State bank may accept a low quality asset as collateral. An extension of credit is fully collateralized if it is secured at the time of the transaction by collateral having a market value equal to at least:

(A) 100 percent of the amount of the transaction if the collateral is composed of:

(1) Obligations of the United States or its agencies;

(2) Obligations fully guaranteed by the United States or its agencies as to principal and interest;

(3) Notes, drafts, bills of exchange or bankers acceptances that are eligible for rediscount or purchase by the Federal Reserve Bank; or

(4) A segregated, earmarked deposit account with the insured State bank;

(B) 110 percent of the amount of the transaction if the collateral is composed of obligations of any State or political subdivision of any State;

(C) 120 percent of the amount of the transaction if the collateral is composed of other debt instruments, including receivables; or

(D) 130 percent of the amount of the transaction if the collateral is composed of stock, leases, or other real or personal property.

(ii) An insured State bank may not release collateral prior to proportional payment of the extension of credit; however, collateral may be substituted

if there is no diminution of collateral coverage.

(5) *Investment and transaction limits extended to insured State bank subsidiaries.* For purposes of applying paragraphs (d)(2) through (d)(4) of this section, any reference to "insured State bank" means the insured State bank and any subsidiaries of the insured State bank which are not themselves subject under this part or FDIC order to the restrictions of this paragraph (d).

(e) *Capital requirements.* If specifically required by this part or by FDIC order, any insured State bank that wishes to conduct or continue to conduct as principal activities through a subsidiary that are not permissible for a subsidiary of a national bank must:

(1) Be well-capitalized after deducting from its tier one capital the investment in equity securities of the subsidiary as well as the bank's pro rata share of any retained earnings of the subsidiary;

(2) Reflect this deduction on the appropriate schedule of the bank's consolidated report of income and condition; and

(3) Use such regulatory capital amount for the purposes of the bank's assessment risk classification under part 327 of this chapter and its categorization as a "well-capitalized", an "adequately capitalized", an "undercapitalized", or a "significantly undercapitalized" institution as defined in §325.103(b) of this chapter, provided that the capital deduction shall not be used for purposes of determining whether the bank is "critically undercapitalized" under part 325 of this chapter.

§ 362.5 Approvals previously granted.

(a) *FDIC consent by order or notice.* An insured State bank that previously filed an application or notice under part 362 in effect prior to January 1, 1999 (see 12 CFR part 362 revised as of January 1, 1998), and obtained the FDIC's consent to engage in an activity or to acquire or retain a majority-owned subsidiary engaging as principal in an activity or acquiring and retaining any investment that is prohibited

§ 362.6

under this subpart may continue that activity or retain that investment without seeking the FDIC's consent, provided that the insured State bank and its subsidiary, if applicable, continue to meet the conditions and restrictions of the approval. An insured State bank which was granted approval based on conditions which differ from the requirements of § 362.4(c)(2), (d) and (e) will be considered to meet the conditions and restrictions of the approval relating to being an eligible subsidiary, meeting investment and transactions limits, and meeting capital requirements if the insured State bank and subsidiary meet the requirements of § 362.4(c)(2), (d) and (e). If the majority-owned subsidiary is engaged in real estate investment activities not exceeding 2 percent of the tier one capital of a bank and meeting the other conditions of § 362.4(b)(5)(i), the majority-owned subsidiary's compliance with § 362.4(c)(2) under the preceding sentence may be pursuant to the modifications authorized by § 362.4(b)(5)(i). Once an insured State bank elects to comply with § 362.4 (c)(2), (d), and (e), it may not revert to the corresponding provisions of the approval order.

(b) *Approvals by regulation—*

(1)–(5) [Reserved]

(6) *Adjustable rate or money market preferred stock.* An insured State bank owning adjustable rate or money market (auction rate) preferred stock pursuant to § 362.4(c)(3)(v) in effect prior to January 1, 1999 (see 12 CFR part 362 revised as of January 1, 1998), in excess of the amount limit in § 362.3(b)(2)(iii) may continue to hold any overlimit shares of such stock acquired before January 1, 1999, until redeemed or repurchased by the issuer, but such stock shall be included as part of the amount limit in § 362.3(b)(2)(iii) when determining whether the bank may acquire new stock thereunder.

(c) *Charter conversions.* (1) An insured State bank that has converted its charter from an insured state savings association may continue activities through a majority-owned subsidiary that were permissible prior to the time it converted its charter only if the insured State bank receives the FDIC's consent. Except as provided in paragraph (c)(2) of this section, the insured

State bank should apply under § 362.4(b)(1), submit any notice required under § 362.4(b) (4) or (5), or comply with the provisions of § 362.4(b) (3), (6), or (7) if applicable, to continue the activity.

(2) *Exception for prior consent.* If the FDIC had granted consent to the savings association under section 28 of the Federal Deposit Insurance Act (12 U.S.C. 1831(e)) prior to the time the savings association converted its charter, the insured State bank may continue the activities without providing notice or making application to the FDIC, provided that the bank and its subsidiary as applicable are in compliance with:

(i) The terms of the FDIC approval order; and

(ii) The provisions of § 362.4(c)(2), (d), and (e) regarding operating as an “eligible subsidiary”, “investment and transaction limits”, and “capital requirements”.

(3) *Divestiture.* An insured State bank that does not receive FDIC consent shall divest of the nonconforming investment as soon as practical but in no event later than two years from the date of charter conversion.

Subpart B—Safety and Soundness Rules Governing Insured State Nonmember Banks

§ 362.6 Purpose and scope.

This subpart, along with the notice and application procedures in subpart G of part 303 of this chapter apply to certain banking practices that may have adverse effects on the safety and soundness of insured state nonmember banks. This subpart contains the required prudential separations between certain securities underwriting affiliates and insured state nonmember banks. The standards only will apply to affiliates of insured state nonmember banks that are not controlled by an entity that is supervised by a federal banking agency.

§ 362.7 Definitions.

For the purposes of this subpart, the following definitions apply:

(a) *Affiliate* has the same meaning contained in section 3 of the Federal Deposit Insurance Act (12 U.S.C. 1813).

§ 362.8 Restrictions on activities of insured state nonmember banks affiliated with certain securities companies.

(a) The FDIC has found that an unrestricted affiliation between an insured state nonmember bank and certain companies may have adverse effects on the safety and soundness of insured state nonmember banks.

(b) An insured state nonmember bank is prohibited from becoming or remaining affiliated with any securities underwriting affiliate company that directly engages in the public sale, distribution or underwriting of stocks, bonds, debentures, notes, or other securities activity, of a type not permissible for a national bank directly, unless the company is controlled by an entity that is supervised by a federal banking agency or the state nonmember bank submits an application in compliance with § 303.121 of this chapter and the FDIC grants its consent under the procedure in § 303.122(b) of this chapter, or the state nonmember bank and the securities underwriting affiliate company comply with the following requirements:

(1) The securities business of the affiliate is physically separate and distinct in its operations from the operations of the bank, provided that this requirement shall not be construed to prohibit the bank and its affiliate from sharing the same facility if the area where the affiliate conducts retail sales activity with the public is physically distinct from the routine deposit taking area of the bank;

(2) The affiliate conducts business pursuant to independent policies and procedures designed to inform customers and prospective customers of

the affiliate that the affiliate is a separate organization from the bank and the state-chartered depository institution is not responsible for and does not guarantee the obligations of the affiliate;

(3) The bank adopts policies and procedures, including appropriate limits on exposure, to govern its participation in financing transactions underwritten by an underwriting affiliate;

(4) The bank does not express an opinion on the value or the advisability of the purchase or sale of securities underwritten or dealt in by an affiliate unless it notifies the customer that the entity underwriting, making a market, distributing or dealing in the securities is an affiliate of the bank; and

(5) The bank complies with the investment and transaction limitations in sections 23A and 23B of the Federal Reserve Act (12 U.S.C. 371c and 371c-1) with respect to the affiliate.

Subpart C—Activities of Insured State Savings Associations

§ 362.9 Purpose and scope.

(a) This subpart, along with the notice and application procedures in subpart H of part 303 of this chapter, implements the provisions of section 28 of the Federal Deposit Insurance Act (12 U.S.C. 1831e) that restrict and prohibit insured state savings associations and their service corporations from engaging in activities and investments of a type that are not permissible for Federal savings associations and their service corporations. The phrase “activity permissible for a Federal savings association” means any activity authorized for Federal savings associations under any statute including the Home Owners’ Loan Act (HOLA, 12 U.S.C. 1464 *et seq.*), as well as activities recognized as permissible for a Federal savings association in regulations, official thrift bulletins, orders or written interpretations issued by the Office of Thrift Supervision (OTS), or its predecessor, the Federal Home Loan Bank Board.

(b) This subpart does not cover the following activities:

§ 362.10

(1) Activities conducted by the insured state savings association other than “as principal”, defined for purposes of this subpart as activities conducted as agent for a customer, conducted in a brokerage, custodial, advisory, or administrative capacity, or conducted as trustee, or in any substantially similar capacity. For example, this subpart does not cover acting solely as agent for the sale of insurance, securities, real estate, or travel services; nor does it cover acting as trustee, providing personal financial planning advice, or safekeeping services.

(2) Interests in real estate in which the real property is used or intended in good faith to be used within a reasonable time by an insured savings association or its service corporations as offices or related facilities for the conduct of its business or future expansion of its business or used as public welfare investments of a type and in an amount permissible for Federal savings associations.

(3) Equity investments acquired in connection with debts previously contracted (DPC) if the insured savings association or its service corporation takes only such actions as would be permissible for a Federal savings association’s or its service corporation’s DPC holdings.

(c) The FDIC intends to allow insured state savings associations and their service corporations to undertake only safe and sound activities and investments that do not present significant risks to the deposit insurance funds and that are consistent with the purposes of Federal deposit insurance and other applicable law. This subpart does not authorize any insured state savings association to make investments or conduct activities that are not authorized or that are prohibited by either Federal or state law.

§ 362.10 Definitions.

For the purposes of this subpart, the definitions provided in § 362.2 apply. Additionally, the following definitions apply to this subpart:

(a) *Affiliate* has the same meaning as provided in subpart B of this part.

(b) *Corporate debt securities not of investment grade* means any corporate

12 CFR Ch. III (1–1–03 Edition)

debt security that when acquired was not rated among the four highest rating categories by at least one nationally recognized statistical rating organization. The term shall not include any obligation issued or guaranteed by a corporation that may be held by a Federal savings association without limitation as to percentage of assets under subparagraphs (D), (E), or (F) of section 5(c)(1) of HOLA (12 U.S.C. 1464(c)(1) (D), (E), (F)).

(c) *Insured state savings association* means any state-chartered savings association insured by the FDIC.

(d) *Qualified affiliate* means, in the case of a stock insured state savings association, an affiliate other than a subsidiary or an insured depository institution. In the case of a mutual savings association, “qualified affiliate” means a subsidiary other than an insured depository institution provided that all of the savings association’s investments in, and extensions of credit to, the subsidiary are deducted from the savings association’s capital.

(e) *Service corporation* means any corporation the capital stock of which is available for purchase by savings associations.

[63 FR 66326, Dec. 1, 1998, as amended at 66 FR 1029, Jan. 5, 2001]

§ 362.11 Activities of insured State savings associations.

(a) *Equity investments*—(1) *Prohibited investments*. No insured state savings association may directly acquire or retain as principal any equity investment of a type, or in an amount, that is not permissible for a Federal savings association unless the exception in paragraph (a)(2) of this section applies.

(2) *Exception: Equity investment in service corporations*. An insured state savings association that is and continues to be in compliance with the applicable capital standards as prescribed by the appropriate Federal banking agency may acquire or retain an equity investment in a service corporation:

(i) Not permissible for a Federal savings association to the extent the service corporation is engaging in activities that are allowed pursuant to the provisions of or an application under § 362.12(b); or

(ii) Of a type permissible for a Federal savings association, but in an amount exceeding the investment limits applicable to Federal savings associations, if the insured state savings association obtains the FDIC's prior consent. Consent will be given only if the FDIC determines that the amount of the investment in a service corporation engaged in such activities does not present a significant risk to the affected deposit insurance fund. Applications should be filed in accordance with §303.141 of this chapter and will be processed under §303.142(b) of this chapter. Approvals granted under §303.142(b) of this chapter may be made subject to any conditions or restrictions found by the FDIC to be necessary to protect the deposit insurance funds from significant risk, to prevent unsafe or unsound practices, and/or to ensure that the activity is consistent with the purposes of Federal deposit insurance and other applicable law.

(b) *Activities other than equity investments*—(1) *Prohibited activities.* An insured state savings association may not directly engage as principal in any activity, that is not an equity investment, of a type not permissible for a Federal savings association, and an insured state savings association shall not make nonresidential real property loans in an amount exceeding that described in section 5(c)(2)(B) of HOLA (12 U.S.C. 1464(c)(2)(B)), unless one of the exceptions in paragraph (b)(2) of this section applies. This section shall not be read to require the divestiture of any asset (including a nonresidential real estate loan), if the asset was acquired prior to August 9, 1989; however, any activity conducted with such asset must be conducted in accordance with this subpart. After August 9, 1989, an insured state savings association directly or through a subsidiary (other than, in the case of a mutual savings association, a subsidiary that is a qualified affiliate), may not acquire or retain any corporate debt securities not of investment grade.

(2) *Exceptions*—(i) *Consent obtained through application.* An insured state savings association that meets and continues to meet the applicable capital standards set by the appropriate Federal banking agency may directly

conduct activities prohibited by paragraph (b)(1) of this section if the savings association obtains the FDIC's prior consent. Consent will be given only if the FDIC determines that conducting the activity designated poses no significant risk to the affected deposit insurance fund. Applications should be filed in accordance with §303.141 of this chapter and will be processed under §303.142(b) of this chapter. Approvals granted under §303.142(b) of this chapter may be made subject to any conditions or restrictions found by the FDIC to be necessary to protect the deposit insurance funds from significant risk, to prevent unsafe or unsound practices, and/or to ensure that the activity is consistent with the purposes of Federal deposit insurance and other applicable law.

(ii) *Nonresidential realty loans permissible for a Federal savings association conducted in an amount not permissible.* An insured state savings association that meets and continues to meet the applicable capital standards set by the appropriate Federal banking agency may make nonresidential real property loans in an amount exceeding the amount described in section 5(c)(2)(B) of HOLA, if the savings association files a notice in compliance with §303.141 of this chapter and the FDIC processes the notice without objection under §303.142(a) of this chapter. Consent will be given only if the FDIC determines that engaging in such lending in the amount designated poses no significant risk to the affected deposit insurance fund.

(iii) *Acquiring and retaining adjustable rate and money market preferred stock.*

(A) An insured state savings association's investment of up to 15 percent of the association's tier one capital in adjustable rate preferred stock or money market (auction rate) preferred stock does not represent a significant risk to the deposit insurance funds. An insured state savings association may conduct this activity without first obtaining the FDIC's consent, provided that the association meets and continues to meet the applicable capital standards as prescribed by the appropriate Federal banking agency. The fact that prior consent is not required by this subpart does not preclude the FDIC

§ 362.12

from taking any appropriate action with respect to the activities if the facts and circumstances warrant such action.

(B) An insured state savings association may acquire or retain other instruments of a type determined by the FDIC to have the character of debt securities and not to represent a significant risk to the deposit insurance funds. Such instruments shall be included in the 15 percent of tier one capital limit imposed in paragraph (b)(2)(iii)(A) of this section. An insured state savings association may conduct this activity without first obtaining the FDIC's consent, provided that the association meets and continues to meet the applicable capital standards as prescribed by the appropriate Federal banking agency. The fact that prior consent is not required by this subpart does not preclude the FDIC from taking any appropriate action with respect to the activities if the facts and circumstances warrant such action.

(3) *Activities permissible for a Federal savings association conducted in an amount not permissible.* Except as provided in paragraph (b)(2)(ii) of this section, an insured state savings association may engage as principal in any activity, which is not an equity investment of a type permissible for a Federal savings association, in an amount in excess of that permissible for a Federal savings association, if the savings association meets and continues to meet the applicable capital standards set by the appropriate Federal banking agency, the institution has advised the appropriate regional director (DSC) under the procedure in §303.142(c) of this chapter within thirty days before engaging in the activity, and the FDIC has not advised the insured state savings association that conducting the activity in the amount indicated poses a significant risk to the affected deposit insurance fund. This section shall not be read to require the divestiture of any asset if the asset was acquired prior to August 9, 1989; however, any activity conducted with such asset must be conducted in accordance with this subpart.

12 CFR Ch. III (1-1-03 Edition)

§ 362.12 Service corporations of insured State savings associations.

(a) *Prohibition.* A service corporation of an insured state savings association may not engage in any activity that is not permissible for a service corporation of a Federal savings association, unless it meets one of the exceptions in paragraph (b) of this section.

(b) *Exceptions—(1) Consent obtained through application.* A service corporation of an insured state savings association may conduct activities prohibited by paragraph (a) of this section if the savings association obtains the FDIC's prior written consent and the insured state savings association meets and continues to meet the applicable capital standards set by the appropriate Federal banking agency. Consent will be given only if the FDIC determines that the activity poses no significant risk to the affected deposit insurance fund. Applications for consent should be filed in accordance with §303.141 of this chapter and will be processed under §303.142(b) of this chapter. Approvals granted under §303.142(b) of this chapter may be made subject to any conditions or restrictions found by the FDIC to be necessary to protect the deposit insurance funds from risk, to prevent unsafe or unsound banking practices, and/or to ensure that the activity is consistent with the purposes of Federal deposit insurance and other applicable law. The activities covered by this paragraph may include, but are not limited to, acquiring and retaining equity securities of a company engaged in the public sale distribution or underwriting of securities.

(2) *Service corporations conducting unrestricted activities.* The FDIC has determined that the following activities do not represent a significant risk to the deposit insurance funds:

(i) [Reserved]

(ii) A service corporation of an insured state savings association may acquire and retain equity securities of a company engaged in the following activities, if the service corporation controls the company or the company is controlled by insured depository institutions, and the association continues to meet the applicable capital standards as prescribed by the appropriate Federal banking agency. The FDIC

consents that such activity may be conducted by a service corporation of an insured state savings association without first obtaining the FDIC's consent. The fact that prior consent is not required by this subpart does not preclude the FDIC from taking any appropriate action with respect to the activities if the facts and circumstances warrant such action.

(A) *Equity securities of a company that engages in permissible activities.* A service corporation may own the equity securities of a company that engages in any activity permissible for a Federal savings association.

(B) *Equity securities of a company that acquires and retains adjustable-rate and money market preferred stock.* A service corporation may own the equity securities of a company that engages in any activity permissible for an insured state savings association under §362.11(b)(2)(iii) so long as instruments held under this paragraph (b)(2)(ii)(B), paragraph (b)(2)(iv) of this section, and §362.11(b)(2)(iii) in the aggregate do not exceed the limit set by §362.11(b)(2)(iii).

(C) *Equity securities of a company acting as an insurance agency.* A service corporation may own the equity securities of a company that acts as an insurance agency.

(iii) *Activities that are not conducted "as principal".* A service corporation controlled by the insured state savings association may engage in activities which are not conducted "as principal" such as acting as an agent for a customer, acting in a brokerage, custodial, advisory, or administrative capacity, or acting as trustee, or in any substantially similar capacity.

(iv) *Acquiring and retaining adjustable-rate and money market preferred stock.* A service corporation may engage in any activity permissible for an insured state savings association under §362.11(b)(2)(iii) so long as instruments held under this paragraph (b)(2)(iv), paragraph (b)(2)(ii)(B) of this section, and §362.11(b)(2)(iii) in the aggregate do not exceed the limit set by §362.11(b)(2)(iii).

(3)-(4) [Reserved]

(c) *Investment and transaction limits.* The restrictions detailed in §362.4(d) apply to transactions between an insured state savings association and any

service corporation engaging in activities which are not permissible for a service corporation of a Federal savings association if specifically required by this part or FDIC order. For purposes of applying the investment limits in §362.4(d)(2), the term "investment" includes only those items described in §362.4(d)(2)(ii)(A) (3) and (4). For purposes of applying §362.4(d) (2), (3), and (4) to this paragraph (c), references to the terms "insured State bank" and "subsidiary" in §362.4(d)(2), (3), and (4), shall be deemed to refer, respectively, to the insured state savings association and the service corporation. For purposes of applying §362.4(d)(5), references to the terms "insured State bank" and "subsidiary" in §362.4(d)(5) shall be deemed to refer, respectively, to the insured state savings association and the service corporations or subsidiaries.

(d) *Capital requirements.* If specifically required by this part or by FDIC order, an insured state savings association that wishes to conduct as principal activities through a service corporation which are not permissible for a service corporation of a Federal savings association must:

(1) Be well-capitalized after deducting from its capital any investment in the service corporation, both equity and debt.

(2) Use such regulatory capital amount for the purposes of the insured state savings association's assessment risk classification under part 327 of this chapter.

§ 362.13 Approvals previously granted.

FDIC consent by order or notice. An insured state savings association that previously filed an application and obtained the FDIC's consent to engage in an activity or to acquire or retain an investment in a service corporation engaging as principal in an activity or acquiring and retaining any investment that is prohibited under this subpart may continue that activity or retain that investment without seeking the FDIC's consent, provided the insured state savings association and the service corporation, if applicable, continue to meet the conditions and restrictions

§ 362.14

of approval. An insured state savings association which was granted approval based on conditions which differ from the requirements of §§ 362.4(c)(2) and 362.12 (c) and (d) will be considered to meet the conditions and restrictions of the approval if the insured state savings association and any applicable service corporation meet the requirements of §§ 362.4(c)(2) and 362.12 (c) and (d). For the purposes of applying § 362.4(c)(2), references to the terms “eligible subsidiary” and “subsidiary” in § 362.4(c)(2) shall be deemed to refer, respectively, to the eligible service corporation and the service corporation.

Subpart D—Acquiring, Establishing, or Conducting New Activities Through a Subsidiary by an Insured Savings Association

§ 362.14 Purpose and scope.

This subpart implements section 18(m) of the Federal Deposit Insurance Act (12 U.S.C. 1828(m)) which requires that prior notice be given the FDIC when an insured savings association establishes or acquires a subsidiary or engages in any new activity in a subsidiary. For the purposes of this subpart, the term “subsidiary” does not include any insured depository institution as that term is defined in the Federal Deposit Insurance Act. Unless otherwise indicated, the definitions provided in § 362.2 apply to this subpart.

§ 362.15 Acquiring or establishing a subsidiary; conducting new activities through a subsidiary.

No state or Federal insured savings association may establish or acquire a subsidiary, or conduct any new activity through a subsidiary, unless it files a notice in compliance with § 303.142(c) of this chapter at least 30 days prior to establishment of the subsidiary or commencement of the activity and the FDIC does not object to the notice. This requirement does not apply to any Federal savings bank that was chartered prior to October 15, 1982, as a savings bank under State law or any savings association that acquired its principal assets from such an institution.

12 CFR Ch. III (1–1–03 Edition)

Subpart E—Financial Subsidiaries of Insured State Nonmember Banks

SOURCE: 66 FR 1029, Jan. 5, 2001, unless otherwise noted.

§ 362.16 Purpose and scope.

(a) This subpart, along with the notice and application procedures in subpart G of part 303 of this chapter, implements section 46 of the Federal Deposit Insurance Act (12 U.S.C. 1831w) and requires that an insured state nonmember bank certify certain facts and file a notice with the FDIC before the insured state nonmember bank may control or hold an interest in a financial subsidiary under section 46(a) of the Federal Deposit Insurance Act. This subpart also implements the statutory Community Reinvestment Act (CRA) (12 U.S.C. 2901 *et seq.*) requirement set forth in subsection (4)(1)(2) of the Bank Holding Company Act (12 U.S.C. 1843(1)(2)), which is applicable to state nonmember banks that commence new activities through a financial subsidiary or directly or indirectly acquire control of a company engaged in an activity under section 46(a).

(b) This subpart does not cover activities conducted other than “as principal”. For purposes of this subpart, activities conducted other than “as principal” are defined as activities conducted as agent for a customer, conducted in a brokerage, custodial, advisory, or administrative capacity, or conducted as trustee, or in any substantially similar capacity. For example, this subpart does not cover acting solely as agent for the sale of insurance, securities, real estate, or travel services; nor does it cover acting as trustee, providing personal financial planning advice, or safekeeping services.

§ 362.17 Definitions.

For the purposes of this subpart, the following definitions will apply:

(a) *Activity, company, control, insured depository institution, insured state bank, insured state nonmember bank and subsidiary* have the same meaning as provided in subpart A of this part.

Federal Deposit Insurance Corporation

§ 362.18

(b) *Affiliate* has the same meaning provided in subpart B of this part.

(c) *Financial subsidiary* means any company that is controlled by one or more insured depository institutions other than:

(1) A subsidiary that only engages in activities that the state nonmember bank is permitted to engage in directly and that are conducted on the same terms and conditions that govern the conduct of the activities by the state nonmember bank; or

(2) A subsidiary that the state nonmember bank is specifically authorized to control by the express terms of a federal statute (other than section 46(a) of the Federal Deposit Insurance Act (12 U.S.C. 1831w)), and not by implication or interpretation, such as the Bank Service Company Act (12 U.S.C. 1861 *et seq.*).

(d) *Tangible equity and Tier 2 capital* have the same meaning as set forth in part 325 of this chapter.

(e) *Well-managed* means:

(1) Unless otherwise determined in writing by the appropriate federal banking agency, the institution has received a composite rating of 1 or 2 under the Uniform Financial Institutions Rating System (or an equivalent rating under an equivalent rating system) in connection with the most recent state or federal examination or subsequent review of the depository institution and at least a rating of 2 for management, if such a rating is given; or

(2) In the case of any depository institution that has not been examined by its appropriate federal banking agency, the existence and use of managerial resources that the appropriate federal banking agency determines are satisfactory.

§ 362.18 Financial subsidiaries of insured state nonmember banks.

(a) “*As principal*” activities. An insured state nonmember bank may not obtain control of or hold an interest in a financial subsidiary that engages in activities as principal or commence any such new activity pursuant to section 46(a) of the Federal Deposit Insurance Act (12 U.S.C. 1831w) unless the insured state nonmember bank files a notice containing the information re-

quired in § 303.121(b) of this chapter and certifies that:

(1) The insured state nonmember bank is well-managed;

(2) The insured state nonmember bank and all of its insured depository institution affiliates are well-capitalized as defined in the appropriate capital regulation and guidance of each institution’s primary federal regulator; and

(3) The insured state nonmember bank will deduct the aggregate amount of its outstanding equity investment, including retained earnings, in all financial subsidiaries that engage in activities as principal pursuant to section 46(a) of the Federal Deposit Insurance Act (12 U.S.C. 1831w), from the bank’s total assets and tangible equity and deduct such investment from its total risk-based capital (this deduction shall be made equally from Tier 1 and Tier 2 capital).

(b) *Community Reinvestment Act (CRA)*. An insured state nonmember bank may not commence any new activity subject to section 46(a) of the Federal Deposit Insurance Act (12 U.S.C. 1831w) or directly or indirectly acquire control of a company engaged in any such activity pursuant to § 362.18(a)(1), if the bank or any of its insured depository institution affiliates received a CRA rating of less than “satisfactory record of meeting community credit needs” in its most recent CRA examination.

(c) *Other requirements*. An insured state nonmember bank controlling or holding an interest in a financial subsidiary under section 46(a) of the Federal Deposit Insurance Act (12 U.S.C. 1831w) must meet and continue to meet the requirements set forth in paragraph (a) of this section as long as the insured state nonmember bank holds the financial subsidiary and:

(1) Disclose and continue to disclose the capital separation required in paragraph (a)(3) in any published financial statements;

(2) Comply and continue to comply with sections 23A and 23B of the Federal Reserve Act (12 U.S.C. 371c and 371c–1) as if the subsidiary were a financial subsidiary of a national bank; and

(3) Comply and continue to comply with the financial and operational standards provided by section 5136A(d) of the Revised Statutes of the United States (12 U.S.C. 24A(d)), unless otherwise determined by the FDIC.

(d) *Securities underwriting.* If the financial subsidiary of the insured state nonmember bank will engage in the public sale, distribution or underwriting of stocks, bonds, debentures, notes, or other securities activity of a type permissible for a national bank only through a financial subsidiary, then the state nonmember bank and the financial subsidiary also must comply and continue to comply with the following additional requirements:

(1) The securities business of the financial subsidiary must be physically separate and distinct in its operations from the operations of the bank, provided that this requirement shall not be construed to prohibit the bank and its financial subsidiary from sharing the same facility if the area where the financial subsidiary conducts securities business with the public is physically distinct from the routine deposit taking area of the bank;

(2) The financial subsidiary must conduct its securities business pursuant to independent policies and procedures designed to inform customers and prospective customers of the financial subsidiary that the financial subsidiary is a separate organization from the insured state nonmember bank and that the insured state nonmember bank is not responsible for and does not guarantee the obligations of the financial subsidiary;

(3) The bank must adopt policies and procedures, including appropriate limits on exposure, to govern its participation in financing transactions underwritten by its financial subsidiary; and

(4) The bank must not express an opinion on the value or the advisability of the purchase or sale of securities underwritten or dealt in by its financial subsidiary unless the bank notifies the customer that the entity underwriting, making a market, distributing or dealing in the securities is a financial subsidiary of the bank.

(e) *Applications for exceptions to certain requirements.* Any insured state nonmember bank that is unable to

comply with the well-managed requirement of §362.18(a)(1) and (c)(1), any state nonmember bank that has appropriate reasons for not meeting the financial and operational standards applicable to a financial subsidiary of a national bank conducting the same activities as provided in §362.18(c)(3) or any state nonmember bank and its financial subsidiary subject to the securities underwriting activities requirements in §362.18(d) that is unable to meet such requirements may submit an application in compliance with §303.121 of this chapter to seek a waiver or modification of such requirements under the procedure in §303.122(b) of this chapter. The FDIC may impose additional prudential safeguards as are necessary as a condition of its consent.

(f) *Failure to meet requirements.* (1) *Notification by FDIC.* The FDIC will notify the insured state nonmember bank in writing and identify the areas of non-compliance, if:

(i) The FDIC finds that an insured state nonmember bank or any of its insured depository institution affiliates is not in compliance with the CRA requirement of §362.18(b) at the time any new activity is commenced or control of the financial subsidiary is acquired;

(ii) The FDIC finds that the facts to which an insured state nonmember bank certified under §362.18(a) are not accurate in whole or in part; or

(iii) The FDIC finds that the insured state nonmember bank or any of its insured depository institution affiliates or the financial subsidiary fails to meet or continue to comply with the requirements of §362.18(c) and (d), if applicable, and the FDIC has not granted an exception under the procedures set forth in §362.18(e) and in §303.122(b) of this chapter.

(2) *Notification by state nonmember bank.* An insured state nonmember bank that controls or holds an interest in a financial subsidiary must promptly notify the FDIC if the bank becomes aware that any depository institution affiliate of the bank has ceased to be well-capitalized.

(3) *Subsequent action by FDIC.* The FDIC may take any appropriate action or impose any limitations, including requiring that the insured state nonmember bank to divest control of any

Federal Deposit Insurance Corporation

§ 363.1

such financial subsidiary, on the conduct or activities of the insured state nonmember bank or any financial subsidiary of the insured state bank that fails to:

(i) Meet the requirements listed in §362.18(a) and (b) at the time that any new section 46 activity is commenced or control of a financial subsidiary is acquired by an insured state nonmember bank; or

(ii) Meet and continue to meet the requirements listed in §362.18(c) and (d), as applicable.

(g) *Coordination with section 24 of the Federal Deposit Insurance Act.* (1) *Continuing authority under section 24.* Notwithstanding §362.18(a) through (f), an insured state bank may retain its interest in any subsidiary:

(i) That was conducting a financial activity with authorization in accordance with section 24 of the Federal Deposit Insurance Act (12 U.S.C. 1831a) and the applicable implementing regulation found in subpart A of this part 362 before the date on which any such activity became for the first time permissible for a financial subsidiary of a national bank; and

(ii) Which insured state nonmember bank and its subsidiary continue to meet the conditions and restrictions of the section 24 order or regulation approving the activity as well as other applicable law.

(2) *Continuing authority under section 24(f) of the Federal Deposit Insurance Act.* Notwithstanding §362.18(a) through (f), an insured state bank with authority under section 24(f) of the Federal Deposit Insurance Act (12 U.S.C. 1831a(f)) to hold equity securities may continue to establish new subsidiaries to engage in that investment activity.

(3) *Relief from conditions.* Any state nonmember bank that meets the requirements of paragraph (g)(1) of this section or that is subject to section 46(b) of the Federal Deposit Insurance Act (12 U.S.C. 1831w(b)) may submit an application in compliance with §303.121 of this chapter and seek the consent of the FDIC under the procedure in §303.122(b) of this chapter for modification of any conditions or restrictions the FDIC previously imposed in connection with a section 24 order or regulation approving the activity.

(4) *New financial subsidiaries.* Notwithstanding subpart A of this part 362, an insured state bank may not, on or after November 12, 1999, acquire control of, or acquire an interest in, a financial subsidiary that engages in activities as principal or commences any new activity under section 46(a) of the Federal Deposit Insurance Act (12 U.S.C. 1831w) other than as provided in this section.

(3) The appropriate federal banking agency may revoke the exception in paragraph (b)(2) of this section for any institution with total assets in excess of \$9 billion for any period of time during which the appropriate federal banking agency determines that the institution's exemption would create a significant risk to the affected deposit insurance fund.

The notice shall include a statement of the reasons for any such event in reasonable detail.

[58 FR 31335, June 2, 1993, as amended at 61 FR 6493, Feb. 21, 1996; 62 FR 63257, Nov. 28, 1997]

(b) *Committees of large institutions.* The audit committee of any insured depository institution that has total assets of more than \$3 billion, measured as of the beginning of each fiscal year, shall include members with banking or related financial management expertise, have access to its own outside counsel, and not include any large customers of the institution. If a large institution is a subsidiary of a holding company and relies on the audit committee of the holding company to comply with this rule, the holding company audit com-

mittee shall not include any members who are large customers of the subsidiary institution.

Schedule A to Appendix A—Agreed Upon Procedures for Determining Compliance With Designated Laws

INTRODUCTION

Congress added section 36, “Early Identification of Needed Improvements in Financial Management” (section 36), to the Federal Deposit Insurance Act (FDI Act) in 1991.

The FDIC Board of Directors adopted 12 CFR part 363 of its rules and regulations (the Rule) to implement those provisions of section 36 that require rulemaking. The FDIC also approved these “Guidelines and Interpretations” (the Guidelines) and directed that they be published with the Rule to facilitate a better understanding of, and full compliance with, the provisions of section 36.

Although not contained in the Rule itself, some of the guidance offered restates or refers to statutory requirements of section 36 and is therefore mandatory. If that is the case, the statutory provision is cited.

Furthermore, upon adopting the Rule, the FDIC reiterated its belief that every insured depository institution, regardless of its size or charter, should have an annual audit of its financial statements performed by an independent public accountant, and should establish an audit committee comprised entirely of outside directors.

The following Guidelines reflect the views of the FDIC concerning the interpretation of section 36. The Guidelines are intended to assist insured depository institutions (institutions), their boards of directors, and their advisors, including their independent public accountants and legal counsel, and to clarify section 36 and the Rule. It is recognized that reliance on the Guidelines may result in compliance with section 36 and the Rule which may vary from institution to institution. Terms which are not explained in the Guidelines have the meanings given them in the Rule, the FDI Act, or professional accounting and auditing literature.

SCOPE OF RULE (§363.1)

1. *Measuring Total Assets.* To determine whether this part applies, an institution should use total assets as reported on its most recent Report of Condition (Call Report) or Thrift Financial Report (TFR), the date of which coincides with the end of its preceding fiscal year. If its fiscal year ends on a date other than the end of a calendar quarter, it should use its Call Report or TFR for the quarter end immediately preceding the end of its fiscal year.

2. *Insured Branches of Foreign Banks.* Unlike other institutions, insured branches of foreign banks are not separately incorporated or capitalized. To determine whether

this part applies, an insured branch should measure claims on non-related parties reported on its Report of Assets and Liabilities of U.S. Branches and Agencies of Foreign Banks (form FFIEC 002).

3. *Compliance by Holding Company Subsidiaries.* Audited consolidated financial statements and other reports or notices required by this part which are submitted by a holding company for any subsidiary institution, should be accompanied by a cover letter identifying all subsidiary institutions to which they pertain. An institution filing holding company consolidated financial statements as permitted by §363.1(b) also may report on changes in its independent public accountant on a holding company basis. An institution that does not meet the criteria in section 36(i) must satisfy the remaining provisions of the statute and this part on an individual institution basis, and maintain its own audit committee. Multi-tiered holding companies may satisfy all requirements of this part at any level.

4. *Comparable Services and Functions.* Services and functions will be considered “comparable” to those required by this part if the holding company:

(a) Prepares reports used by the subsidiary institution to meet the requirements of this part;

(b) Has an audit committee that meets the requirements of this part appropriate to its largest subsidiary institution; and

(c) Prepares and submits the management assessments of the effectiveness of the internal control structure and procedures for financial reporting (internal controls), and compliance with the Designated Laws defined in guideline 12 based on information concerning the relevant activities and operations of those subsidiary institutions within the scope of the rule.

ANNUAL REPORTING REQUIREMENTS (§363.2)

5. *Annual Financial Statements.* Each institution should prepare comparative annual consolidated financial statements (balance sheets, statements of income, changes in equity capital, and cash flows, with accompanying footnote disclosures) in accordance with generally accepted accounting principles (GAAP) for each of its two most recent fiscal years. Statements for the earlier year may be presented on an unaudited basis if the institution was not subject to this part for that year and audited statements were not prepared.

6. *Holding Company Statements.* Subsidiary institutions may file copies of their holding company’s audited financial statements filed with the Securities and Exchange Commission (SEC) or prepared for their FR Y–6 Annual Report under the Bank Holding Company Act of 1956.

7. *Insured Branches of Foreign Banks.* An insured branch of a foreign bank should satisfy

the financial statements requirement by filing one of the following for the two preceding fiscal years:

(a) Audited balance sheets, disclosing information about financial instruments with off-balance-sheet risk;

(b) Schedules RAL and L of form FFIEC 002, prepared and audited on the basis of the instructions for its preparation; or

(c) With written approval of the appropriate federal banking agency, consolidated financial statements of the parent bank.

8. *Management Report.* Management should perform its own investigation and review of the effectiveness of internal controls and compliance with the Designated Laws defined in Guideline 12. Management also should maintain records of its determinations and assessments until the next federal safety and soundness examination, or such later date as specified by the FDIC or appropriate federal banking agency. Management should provide in its assessment of the effectiveness of internal controls, or supplementally, sufficient information to enable the accountant to report on its assertion. The management report of an insured branch of a foreign bank should be signed by the branch's managing official if the branch does not have a chief executive or financial officer.

9. *Safeguarding of Assets.* "Safeguarding of assets", as the term relates to internal control policies and procedures regarding financial reporting, and which has precedent in accounting literature, should be encompassed in the management report and the independent public accountant's attestation discussed in guideline 18. Testing the existence of and compliance with internal controls on the management of assets, including loan underwriting and documentation, represents a reasonable implementation of section 36. The FDIC expects such internal controls to be encompassed by the assertion in the management report, but the term "safeguarding of assets" need not be specifically stated. The FDIC does not require the accountant to attest to the adequacy of safeguards, but does require the accountant to determine whether safeguarding policies exist.¹

10. *Standards for Internal Controls.* Each institution should determine its own standards for establishing, maintaining, and assessing the effectiveness of its internal controls.²

¹It is management's responsibility to establish policies concerning underwriting and asset management and to make credit decisions. The auditor's role is to test compliance with management's policies relating to financial reporting.

²In considering what information is needed on safeguarding of assets and standards for internal controls, management may review

11. *Service Organizations.* Although service organizations should be considered in determining if internal controls are adequate, an institution's independent public accountant, its management, and its audit committee should exercise independent judgment concerning that determination. On-site reviews of service organizations may not be necessary to prepare the reports required by the Rule, and the FDIC does not intend that the Rule establish any such requirement.

12. *Compliance with Laws and Regulations.* The designated laws and regulations are the federal laws and regulations concerning loans to insiders and the federal and state laws and regulations concerning dividend restrictions (the Designated Laws). Table 1 to this Appendix A lists the designated federal laws and regulations pertaining to insider loans and dividend restrictions that are applicable to each type of institution.

ROLE OF INDEPENDENT PUBLIC ACCOUNTANT (§363.3)

13. *General Qualifications.* To provide audit and attest services to insured depository institutions, an independent public accountant should be registered or licensed to practice as a public accountant, and be in good standing, under the laws of the state or other political subdivision of the United States in which the home office of the institution (or the insured branch of a foreign bank) is located. As required by section 36(g)(3)(A)(i), the accountant must agree to provide copies of any workpapers, policies, and procedures relating to services performed under this part.

14. *Independence.* The independent public accountant also should be in compliance

guidelines provided by its primary federal regulator; the FDIC's Division of Supervision and Consumer Protection (DSC) Manual of Examination Policies; the Federal Reserve Board's Commercial Bank Examination Manual and other relevant regulations; the Office of Thrift Supervision's Thrift Activities Handbook; the Comptroller of the Currency's Handbook for National Bank Examiners; and standards published by professional accounting organizations, such as the American Institute of Certified Public Accountants' (AICPA) Statement on Auditing Standards No. 55, "Consideration of the Internal Control Structure in a Financial Statement Audit," as amended by Statement of Auditing Standards No. 78; the Committee of Sponsoring Organizations (COSO) of the Treadway Commission's *Internal Control—Integrated Framework*, including its addendum on safeguarding of assets; and other internal control standards published by the AICPA, other accounting or auditing professional associations, and financial institution trade associations.

with the AICPA's *Code of Professional Conduct* and meet the independence requirements and interpretations of the SEC and its staff.

15. *Peer Reviews.* As required by section 36(g)(3)(A)(ii), the independent public accountant must have received, or be enrolled in, a peer review that meets acceptable guidelines. The following peer review guidelines are acceptable:

(a) The external peer review should be conducted by an organization independent of the accountant or firm being reviewed, as frequently as is consistent with professional accounting practices;

(b) The peer review should be generally consistent with AICPA standards³ and

(c) The review should include, if available, at least one audit of an insured depository institution or consolidated financial holding company. Peer review working papers are to be retained for 120 days after the peer review report is filed with the FDIC, and be made available to the FDIC upon request, in a form consistent with the SEC's agreement with the accounting profession.

16. *Filing Peer Review Reports.* Within 15 days of receiving notification that the peer review has been accepted, or before commencing any audit under the Rule, whichever is earlier, two copies of the most recent peer review report, accompanied by any letter of comments and letter of response, should be filed by the independent public accountant (if not already on file) with the FDIC, Registration and Disclosure Section, 550 17th Street, NW., Washington, DC 20429, where they will be available for public inspection. All corrective action required under any qualified peer review report should have been taken before commencing services under this Rule.

17. *Information to Independent Public Accountant.* Attention is directed to section 36(h) which requires institutions to provide specified information to their accountants. An institution also should provide its accountant with copies of any notice that the institution's capital category is being changed or reclassified under section 38 of the FDI Act, and any correspondence from the appropriate federal banking agency concerning compliance with this part.

18. *Attestation Report.* The independent public accountant should provide the institution with an internal controls attestation report and any management letter at the conclusion of the audit as required by section

36(c)(1). If a holding company subsidiary relies on its holding company management report, the accountant may attest to and report on management's assertions in one report, without reporting separately on each subsidiary covered by the Rule. The FDIC has determined that management letters are exempt from public disclosure.

19. *Reviews with Audit Committee and Management.* The independent public accountant should meet with the institution's audit committee to review the accountant's reports required by this part before they are filed. It also may be appropriate for the accountant to review its findings with the institution's board of directors and management.

20. *Notice of Termination.* The notice required by §363.3(c) should state whether the independent public accountant agrees with the assertions contained in any notice filed by the institution under §363.4(d), and whether the institution's notice discloses all relevant reasons.

21. *Reliance on Internal Auditors.* Nothing in this part or this appendix is intended to preclude the ability of the independent public accountant to rely on the work of an institution's internal auditor.

FILING AND NOTICE REQUIREMENTS (§363.4)

22. *Place for Filing.* Except for peer review reports filed pursuant to Guideline 16, all reports and notices required by, and other communications or requests made pursuant to, the Rule should be filed as follows:

(a) FDIC: Appropriate FDIC Regional Office (Supervision), i.e., the FDIC regional office in the FDIC region in which the institution is headquartered or, in the case of a subsidiary institution of a holding company, the FDIC regional office that is responsible for monitoring the consolidated company. A filing made on behalf of several covered institutions owned by the same parent holding company should be accompanied by a transmittal letter identifying all of the institutions covered.

(b) Office of the Comptroller of the Currency (OCC): Appropriate OCC Supervisory Office.

(c) Federal Reserve: Appropriate Federal Reserve Bank.

(d) Office of Thrift Supervision (OTS): Appropriate OTS District Office.

(e) State bank supervisor: The filing office of the appropriate State bank supervisor.

23. *Relief from Filing Deadlines.* Although the reasonable deadlines for filings and other notices established by this part are specified, some institutions may occasionally be confronted with extraordinary circumstances beyond their reasonable control that may justify extensions of a deadline. In that event, upon written application from an insured depository institution, setting forth the reasons for a requested extension, the

³These would include Standards for Performing and Reporting on Peer Reviews, codified in the *SEC Practice Section Reference Manual*, and Standards for Performing and Reporting on Peer Reviews, contained in Volume 2 of the AICPA's *Professional Standards*.

FDIC or appropriate federal banking agency may, for good cause, extend a deadline in this part for a period not to exceed 30 days.

24. *Public Availability.* Each institution's annual report should be available for public inspection at its main and branch offices no later than 15 days after it is filed with the FDIC. Alternatively, an institution may elect to mail one copy of its annual report to any person who requests it. The annual report should remain available to the public until the annual report for the next year is available. An institution may use its annual report under this part to meet the annual disclosure statement required by 12 CFR 350.3, if the institution satisfies all other requirements of 12 CFR part 350.

25. *Independent Public Accountant's Reports.* Section 36(h)(2)(A) requires that, within 15 days of receipt by an institution of any management letter or other report, such letter or other report shall be filed with the FDIC, any appropriate federal banking agency, and any appropriate state bank supervisor. Institutions and their accountants are encouraged to coordinate preparation and delivery of audit and attestation reports and filing the annual report, to avoid duplicate filings.

26. *Notices Concerning Accountants.* Institutions should review and satisfy themselves as to compliance with the required qualifications set forth in guidelines 13-15 before engaging an independent public accountant. With respect to any selection, change or termination of an accountant, institutions should be familiar with the notice requirements in guideline 21, and should send a copy of any notice under §363.4(d) to the accountant when it is filed with the FDIC. An institution which files reports with its appropriate federal banking agency under, or is a subsidiary of a holding company which files reports with the SEC pursuant to, the Securities Exchange Act of 1934 may use its current report (e.g. SEC Form 8-K) concerning a change in accountant to satisfy the similar notice requirements of this part.

AUDIT COMMITTEES (§363.5)

27. *Composition.* The board of directors of each institution should determine if outside directors meet the requirements of section 36 and this part. At least annually, it should determine whether all existing and potential audit committee members are "independent of management of the institution." If the institution has total assets in excess of \$3 billion, the board also should determine whether members of the committee satisfy the additional requirements of this part. Because an insured branch of a foreign bank does not have a separate board of directors, the FDIC will not apply the audit committee requirements to such branch. However, any such branch is encouraged to make a reasonable good faith effort to see that similar duties are performed by persons whose experience is

generally consistent with the Rule's requirements for an institution the size of the insured branch.

28. *"Independent of Management" Considerations.* In determining whether an outside director is independent of management, the board should consider all relevant information. This would include considering whether the director:

(a) Is or has been an officer or employee of the institution or its affiliates;

(b) Serves or served as a consultant, advisor, promoter, underwriter, legal counsel, or trustee of or to the institution or its affiliates;

(c) Is a relative of an officer or other employee of the institution or its affiliates;

(d) Holds or controls, or has held or controlled, a direct or indirect financial interest in the institution or its affiliates; and

(e) Has outstanding extensions of credit from the institution or its affiliates.

29. *Lack of Independence.* An outside director should not be considered independent of management if such director is, or has been within the preceding year, an officer or employee of the institution or any affiliate, or owns or controls, or has owned or controlled within the preceding year, assets representing 10 percent or more of any outstanding class of voting securities of the institution.

30. *Holding Company Audit Committees.* When an insured depository institution subsidiary fails to meet the requirements for the holding company exception in §363.1(b)(2) or maintains its own separate audit committee to satisfy the requirements of this part, members of the independent audit committee of the holding company may serve as the audit committee of the subsidiary institution if they are otherwise independent of management of the subsidiary, and, if applicable, meet any other requirements for a large subsidiary institution covered by this part. However, this does not permit officers or employees of a holding company to serve on the audit committee of its subsidiary institutions. When the subsidiary institution satisfies the requirements for the holding company exception in §363.1(b)(2), members of the audit committee of the holding company should meet all the membership requirements applicable to the largest subsidiary depository institution and may perform all the duties of the audit committee of a subsidiary institution, even though such holding company directors are not directors of the institution.

31. *Duties.* The audit committee should perform all duties determined by the institution's board of directors. The duties should be appropriate to the size of the institution and the complexity of its operations, and include reviewing with management and the independent public accountant the basis for their respective reports issued under

§§ 363.2(a) and (b) and 363.3(a) and (b). Appropriate additional duties could include:

(a) Reviewing with management and the independent public accountant the scope of services required by the audit, significant accounting policies, and audit conclusions regarding significant accounting estimates;

(b) Reviewing with management and the accountant their assessments of the adequacy of internal controls, and the resolution of identified material weaknesses and reportable conditions in internal controls, including the prevention or detection of management override or compromise of the internal control system;

(c) Reviewing with management and the accountant the institution's compliance with laws and regulations;

(d) Discussing with management the selection and termination of the accountant and any significant disagreements between the accountant and management; and

(e) Overseeing the internal audit function.

It is recommended that audit committees maintain minutes and other relevant records of their meetings and decisions.

32. *Banking or Related Financial Management Expertise.* At least two members of the audit committee of a large institution shall have "banking or related financial management expertise" as required by section 36(g)(1)(C)(i). This determination is to be made by the board of directors of the insured depository institution. A person will be considered to have such required expertise if the person has significant executive, professional, educational, or regulatory experience in financial, auditing, accounting, or banking matters as determined by the board of directors. Significant experience as an officer or member of the board of directors or audit committee of a financial services company would satisfy these criteria.

33. *Large Customers.* Any individual or entity (including a controlling person of any such entity) which, in the determination of the board of directors, has such significant direct or indirect credit or other relationships with the institution, the termination of which likely would materially and adversely affect the institution's financial condition or results of operations, should be

considered a "large customer" for purposes of § 363.5(b).

34. *Access to Counsel.* The audit committee should be able to retain counsel at its discretion without prior permission of the institution's board of directors or its management. Section 36 does not preclude advice from the institution's internal counsel or regular outside counsel. It also does not require retaining or consulting counsel, but if the committee elects to do either, it also may elect to consider issues affecting the counsel's independence. Such issues would include whether to retain or consult only counsel not concurrently representing the institution or any affiliate, and whether to place limitations on any counsel representing the institution concerning matters in which such counsel previously participated personally and substantially as outside counsel to the committee.

35. *Forming and Restructuring Audit Committees.* Audit committees should be formed within four months of the effective date of this part. Some institutions may have to restructure existing audit committees to comply with this part. No regulatory action will be taken if institutions restructure their audit committees by the earlier of their next annual meeting of stockholders, or one year from the effective date of this part.

OTHER

36. *Modifications of Guidelines.* The FDIC Board of Directors has delegated to the Director of the FDIC's Division of Supervision and Consumer Protection (DSC) authority to make and publish in the FEDERAL REGISTER minor technical amendments to the Guidelines in this appendix (including the attached Agreed Upon Procedures in Schedule A to this appendix), in consultation with the other appropriate federal banking agencies, to reflect the practical experience gained from implementation of this part. It is not anticipated any such modification would be effective until affected institutions have been given reasonable advance notice of the modification. Any material modification or amendment will be subject to review and approval of the FDIC Board of Directors.

I. INTRODUCTION

i. Section 39 of the Federal Deposit Insurance Act¹ (FDI Act) requires each Federal banking agency (collectively, the agencies) to establish certain safety and soundness standards by regulation or by guideline for all insured depository institutions. Under section 39, the agencies must establish three types of standards: (1) Operational and managerial standards; (2) compensation standards; and (3) such standards relating to asset quality, earnings, and stock valuation as they determine to be appropriate.

ii. Section 39(a) requires the agencies to establish operational and managerial standards relating to: (1) Internal controls, information systems and internal audit systems, in accordance with section 36 of the FDI Act

¹Section 39 of the Federal Deposit Insurance Act (12 U.S.C. 1831p-1) was added by section 132 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (FDICIA), Pub. L. 102-242, 105 Stat. 2236 (1991), and amended by section 956 of the Housing and Community Development Act of 1992, Pub. L. 102-550, 106 Stat. 3895 (1992) and section 318 of the Riegle Community Development and Regulatory Improvement Act of 1994, Pub. L. 103-325, 108 Stat. 2160 (1994).

(12 U.S.C. 1831m); (2) loan documentation; (3) credit underwriting; (4) interest rate exposure; (5) asset growth; and (6) compensation, fees, and benefits, in accordance with subsection (c) of section 39. Section 39(b) requires the agencies to establish standards relating to asset quality, earnings, and stock valuation that the agencies determine to be appropriate.

iii. Section 39(c) requires the agencies to establish standards prohibiting as an unsafe and unsound practice any compensatory arrangement that would provide any executive officer, employee, director, or principal shareholder of the institution with excessive compensation, fees or benefits and any compensatory arrangement that could lead to material financial loss to an institution. Section 39(c) also requires that the agencies establish standards that specify when compensation is excessive.

iv. If an agency determines that an institution fails to meet any standard established by guideline under subsection (a) or (b) of section 39, the agency may require the institution to submit to the agency an acceptable plan to achieve compliance with the standard. In the event that an institution fails to submit an acceptable plan within the time allowed by the agency or fails in any material respect to implement an accepted plan, the agency must, by order, require the institution to correct the deficiency. The agency may, and in some cases must, take other supervisory actions until the deficiency has been corrected.

v. The agencies have adopted amendments to their rules and regulations to establish deadlines for submission and review of compliance plans.²

vi. The following Guidelines set out the safety and soundness standards that the agencies use to identify and address problems at insured depository institutions before capital becomes impaired. The agencies believe that the standards adopted in these Guidelines serve this end without dictating how institutions must be managed and operated. These standards are designed to identify potential safety and soundness concerns and ensure that action is taken to address those concerns before they pose a risk to the deposit insurance funds.

²For the Office of the Comptroller of the Currency, these regulations appear at 12 CFR Part 30; for the Board of Governors of the Federal Reserve System, these regulations appear at 12 CFR Part 263; for the Federal Deposit Insurance Corporation, these regulations appear at 12 CFR Part 308, subpart R, and for the Office of Thrift Supervision, these regulations appear at 12 CFR Part 570.

A. Preservation of Existing Authority

Neither section 39 nor these Guidelines in any way limits the authority of the agencies to address unsafe or unsound practices, violations of law, unsafe or unsound conditions, or other practices. Action under section 39 and these Guidelines may be taken independently of, in conjunction with, or in addition to any other enforcement action available to the agencies. Nothing in these Guidelines limits the authority of the FDIC pursuant to section 38(1)(2)(F) of the FDI Act (12 U.S.C. 1831(o)) and Part 325 of Title 12 of the Code of Federal Regulations.

B. Definitions

1. *In general.* For purposes of these Guidelines, except as modified in the Guidelines or unless the context otherwise requires, the terms used have the same meanings as set forth in sections 3 and 39 of the FDI Act (12 U.S.C. 1813 and 1831p-1).

2. *Board of directors,* in the case of a state-licensed insured branch of a foreign bank and in the case of a federal branch of a foreign bank, means the managing official in charge of the insured foreign branch.

3. *Compensation* means all direct and indirect payments or benefits, both cash and non-cash, granted to or for the benefit of any executive officer, employee, director, or principal shareholder, including but not limited to payments or benefits derived from an employment contract, compensation or benefit agreement, fee arrangement, perquisite, stock option plan, postemployment benefit, or other compensatory arrangement.

4. *Director* shall have the meaning described in 12 CFR 215.2(c).³

5. *Executive officer* shall have the meaning described in 12 CFR 215.2(d).⁴

6. *Principal shareholder* shall have the meaning described in 12 CFR 215.2(l).⁵

II. Operational and Managerial Standards

A. *Internal controls and information systems.* An institution should have internal controls and information systems that are appropriate to the size of the institution and the nature, scope and risk of its activities and that provide for:

³In applying these definitions for savings associations, pursuant to 12 U.S.C. 1464, savings associations shall use the terms "savings association" and "insured savings association" in place of the terms "member bank" and "insured bank".

⁴See footnote 3 in section I.B.4. of this appendix.

⁵See footnote 3 in section I.B.4. of this appendix.

1. An organizational structure that establishes clear lines of authority and responsibility for monitoring adherence to established policies;

2. Effective risk assessment;

3. Timely and accurate financial, operational and regulatory reports;

4. Adequate procedures to safeguard and manage assets; and

5. Compliance with applicable laws and regulations.

B. *Internal audit system.* An institution should have an internal audit system that is appropriate to the size of the institution and the nature and scope of its activities and that provides for:

1. Adequate monitoring of the system of internal controls through an internal audit function. For an institution whose size, complexity or scope of operations does not warrant a full scale internal audit function, a system of independent reviews of key internal controls may be used;

2. Independence and objectivity;

3. Qualified persons;

4. Adequate testing and review of information systems;

5. Adequate documentation of tests and findings and any corrective actions;

6. Verification and review of management actions to address material weaknesses; and

7. Review by the institution's audit committee or board of directors of the effectiveness of the internal audit systems.

C. *Loan documentation.* An institution should establish and maintain loan documentation practices that:

1. Enable the institution to make an informed lending decision and to assess risk, as necessary, on an ongoing basis;

2. Identify the purpose of a loan and the source of repayment, and assess the ability of the borrower to repay the indebtedness in a timely manner;

3. Ensure that any claim against a borrower is legally enforceable;

4. Demonstrate appropriate administration and monitoring of a loan; and

5. Take account of the size and complexity of a loan.

D. *Credit underwriting.* An institution should establish and maintain prudent credit underwriting practices that:

1. Are commensurate with the types of loans the institution will make and consider the terms and conditions under which they will be made;

2. Consider the nature of the markets in which loans will be made;

3. Provide for consideration, prior to credit commitment, of the borrower's overall financial condition and resources, the financial responsibility of any guarantor, the nature and value of any underlying collateral, and the borrower's character and willingness to repay as agreed;

4. Establish a system of independent, ongoing credit review and appropriate communication to management and to the board of directors;

5. Take adequate account of concentration of credit risk; and

6. Are appropriate to the size of the institution and the nature and scope of its activities.

E. *Interest rate exposure.* An institution should:

1. Manage interest rate risk in a manner that is appropriate to the size of the institution and the complexity of its assets and liabilities; and

2. Provide for periodic reporting to management and the board of directors regarding interest rate risk with adequate information for management and the board of directors to assess the level of risk.

F. *Asset growth.* An institution's asset growth should be prudent and consider:

1. The source, volatility and use of the funds that support asset growth;

2. Any increase in credit risk or interest rate risk as a result of growth; and

3. The effect of growth on the institution's capital.

G. *Asset quality.* An insured depository institution should establish and maintain a system that is commensurate with the institution's size and the nature and scope of its operations to identify problem assets and prevent deterioration in those assets. The institution should:

1. Conduct periodic asset quality reviews to identify problem assets;

2. Estimate the inherent losses in those assets and establish reserves that are sufficient to absorb estimated losses;

3. Compare problem asset totals to capital;

4. Take appropriate corrective action to resolve problem assets;

5. Consider the size and potential risks of material asset concentrations; and

6. Provide periodic asset reports with adequate information for management and the board of directors to assess the level of asset risk.

H. *Earnings.* An insured depository institution should establish and maintain a system that is commensurate with the institution's size and the nature and scope of its operations to evaluate and monitor earnings and ensure that earnings are sufficient to maintain adequate capital and reserves. The institution should:

1. Compare recent earnings trends relative to equity, assets, or other commonly used benchmarks to the institution's historical results and those of its peers;

2. Evaluate the adequacy of earnings given the size, complexity, and risk profile of the institution's assets and operations;

3. Assess the source, volatility, and sustainability of earnings, including the effect

of nonrecurring or extraordinary income or expense;

4. Take steps to ensure that earnings are sufficient to maintain adequate capital and reserves after considering the institution's asset quality and growth rate; and

5. Provide periodic earnings reports with adequate information for management and the board of directors to assess earnings performance.

I. *Compensation, fees and benefits.* An institution should maintain safeguards to prevent the payment of compensation, fees, and benefits that are excessive or that could lead to material financial loss to the institution.

III. PROHIBITION ON COMPENSATION THAT CONSTITUTES AN UNSAFE AND UNSOUND PRACTICE

A. *Excessive Compensation*

Excessive compensation is prohibited as an unsafe and unsound practice. Compensation shall be considered excessive when amounts paid are unreasonable or disproportionate to the services performed by an executive officer, employee, director, or principal shareholder, considering the following:

1. The combined value of all cash and non-cash benefits provided to the individual;
2. The compensation history of the individual and other individuals with comparable expertise at the institution;
3. The financial condition of the institution;
4. Comparable compensation practices at comparable institutions, based upon such factors as asset size, geographic location, and the complexity of the loan portfolio or other assets;
5. For postemployment benefits, the projected total cost and benefit to the institution;
6. Any connection between the individual and any fraudulent act or omission, breach of trust or fiduciary duty, or insider abuse with regard to the institution; and
7. Any other factors the agencies determines to be relevant.

B. *Compensation Leading to Material Financial Loss*

Compensation that could lead to material financial loss to an institution is prohibited as an unsafe and unsound practice.

I. INTRODUCTION

The Interagency Guidelines Establishing Standards for Safeguarding Customer Information (Guidelines) set forth standards pursuant to section 39 of the Federal Deposit Insurance Act (section 39, codified at 12 U.S.C. 1831p-1), and sections 501 and 505(b), codified at 15 U.S.C. 6801 and 6805(b), of the Gramm-Leach-Bliley Act. These Guidelines address standards for developing and implementing administrative, technical, and physical safeguards to protect the security, confidentiality, and integrity of customer information.

A. *Scope.* The Guidelines apply to customer information maintained by or on behalf of entities over which the Federal Deposit Insurance Corporation (FDIC) has authority. Such entities, referred to as "the bank" are banks insured by the FDIC (other than members of the Federal Reserve System), insured state branches of foreign banks, and any subsidiaries of such entities (except brokers, dealers, persons providing insurance, investment companies, and investment advisers).

B. *Preservation of Existing Authority.* Neither section 39 nor these Guidelines in any way limit the authority of the FDIC to address unsafe or unsound practices, violations of law, unsafe or unsound conditions, or other practices. The FDIC may take action under section 39 and these Guidelines independently of, in conjunction with, or in addition to, any other enforcement action available to the FDIC.

C. *Definitions.* 1. Except as modified in the Guidelines, or unless the context otherwise requires, the terms used in these Guidelines have the same meanings as set forth in sections 3 and 39 of the Federal Deposit Insurance Act (12 U.S.C. 1813 and 1831p-1).

2. For purposes of the Guidelines, the following definitions apply:

- a. *Board of directors*, in the case of a branch or agency of a foreign bank, means the managing official in charge of the branch or agency.
- b. *Customer* means any customer of the bank as defined in §332.3(h) of this chapter.

c. *Customer information* means any record containing nonpublic personal information, as defined in §332.3(n) of this chapter, about a customer, whether in paper, electronic, or other form, that is maintained by or on behalf of the bank.

d. *Customer information systems* means any methods used to access, collect, store, use, transmit, protect, or dispose of customer information.

e. *Service provider* means any person or entity that maintains, processes, or otherwise is permitted access to customer information through its provision of services directly to the bank.

II. STANDARDS FOR SAFEGUARDING CUSTOMER INFORMATION

A. *Information Security Program.* Each bank shall implement a comprehensive written information security program that includes administrative, technical, and physical safeguards appropriate to the size and complexity of the bank and the nature and scope of its activities. While all parts of the bank are not required to implement a uniform set of policies, all elements of the information security program must be coordinated.

B. *Objectives.* A bank's information security program shall be designed to:

1. Ensure the security and confidentiality of customer information;
2. Protect against any anticipated threats or hazards to the security or integrity of such information; and
3. Protect against unauthorized access to or use of such information that could result in substantial harm or inconvenience to any customer.

III. DEVELOPMENT AND IMPLEMENTATION OF INFORMATION SECURITY PROGRAM

A. *Involve the Board of Directors.* The board of directors or an appropriate committee of the board of each bank shall:

1. Approve the bank's written information security program; and
2. Oversee the development, implementation, and maintenance of the bank's information security program, including assigning specific responsibility for its implementation and reviewing reports from management.

B. *Assess Risk.*

Each bank shall:

1. Identify reasonably foreseeable internal and external threats that could result in unauthorized disclosure, misuse, alteration, or destruction of customer information or customer information systems.
2. Assess the likelihood and potential damage of these threats, taking into consideration the sensitivity of customer information.

3. Assess the sufficiency of policies, procedures, customer information systems, and other arrangements in place to control risks.

C. *Manage and Control Risk.* Each bank shall:

1. Design its information security program to control the identified risks, commensurate with the sensitivity of the information as well as the complexity and scope of the bank's activities. Each bank must consider whether the following security measures are appropriate for the bank and, if so, adopt those measures the bank concludes are appropriate:

a. Access controls on customer information systems, including controls to authenticate and permit access only to authorized individuals and controls to prevent employees from providing customer information to unauthorized individuals who may seek to obtain this information through fraudulent means.

b. Access restrictions at physical locations containing customer information, such as buildings, computer facilities, and records storage facilities to permit access only to authorized individuals;

c. Encryption of electronic customer information, including while in transit or in storage on networks or systems to which unauthorized individuals may have access;

d. Procedures designed to ensure that customer information system modifications are consistent with the bank's information security program;

e. Dual control procedures, segregation of duties, and employee background checks for employees with responsibilities for or access to customer information;

f. Monitoring systems and procedures to detect actual and attempted attacks on or intrusions into customer information systems;

g. Response programs that specify actions to be taken when the bank suspects or detects that unauthorized individuals have gained access to customer information systems, including appropriate reports to regulatory and law enforcement agencies; and

h. Measures to protect against destruction, loss, or damage of customer information due to potential environmental hazards, such as fire and water damage or technological failures.

2. Train staff to implement the bank's information security program.

3. Regularly test the key controls, systems and procedures of the information security program. The frequency and nature of such tests should be determined by the bank's risk assessment. Tests should be conducted or reviewed by independent third parties or staff independent of those that develop or maintain the security programs.

D. *Oversee Service Provider Arrangements.* Each bank shall:

Federal Deposit Insurance Corporation

§ 365.2

1. Exercise appropriate due diligence in selecting its service providers;

2. Require its service providers by contract to implement appropriate measures designed to meet the objectives of these Guidelines; and

3. Where indicated by the bank's risk assessment, monitor its service providers to confirm that they have satisfied their obligations as required by paragraph D.2. As part of this monitoring, a bank should review audits, summaries of test results, or other equivalent evaluations of its service providers.

E. *Adjust the Program.* Each bank shall monitor, evaluate, and adjust, as appropriate, the information security program in light of any relevant changes in technology, the sensitivity of its customer information, internal or external threats to information, and the bank's own changing business arrangements, such as mergers and acquisitions, alliances and joint ventures, outsourcing arrangements, and changes to customer information systems.

F. *Report to the Board.* Each bank shall report to its board or an appropriate committee of the board at least annually. This report should describe the overall status of the information security program and the bank's compliance with these Guidelines. The report, which will vary depending upon the complexity of each bank's program should discuss material matters related to its program, addressing issues such as: risk assessment; risk management and control decisions; service provider arrangements; results of testing; security breaches or violations, and management's responses; and recommendations for changes in the information security program.

G. *Implement the Standards.* 1. *Effective date.* Each bank must implement an information security program pursuant to these Guidelines by July 1, 2001.

2. *Two-year grandfathering of agreements with service providers.* Until July 1, 2003, a contract that a bank has entered into with a service provider to perform services for it or functions on its behalf, satisfies the provisions of paragraph III.D., even if the contract does not include a requirement that the servicer maintain the security and confidentiality of customer information as long as the bank entered into the contract on or before March 5, 2001.

PART 365—REAL ESTATE LENDING STANDARDS

Sec.

365.1 Purpose and scope.

365.2 Real estate lending standards.

APPENDIX A TO PART 365—INTERAGENCY GUIDELINES FOR REAL ESTATE LENDING POLICIES

AUTHORITY: 12 U.S.C. 1828(o).

SOURCE: 57 FR 62896, 62900, Dec. 31, 1992, unless otherwise noted.

§ 365.1 Purpose and scope.

This part, issued pursuant to section 304 of the Federal Deposit Insurance Corporation Improvement Act of 1991, 12 U.S.C. 1828(o), prescribes standards for real estate lending to be used by insured state nonmember banks (including state-licensed insured branches of foreign banks) in adopting internal real estate lending policies.

§ 365.2 Real estate lending standards.

(a) Each insured state nonmember bank shall adopt and maintain written policies that establish appropriate limits and standards for extensions of credit that are secured by liens on or interests in real estate, or that are made for the purpose of financing permanent improvements to real estate.

(b)(1) Real estate lending policies adopted pursuant to this section must:

(i) Be consistent with safe and sound banking practices;

(ii) Be appropriate to the size of the institution and the nature and scope of its operations; and

(iii) Be reviewed and approved by the bank's board of directors at least annually.

(2) The lending policies must establish:

(i) Loan portfolio diversification standards;

(ii) Prudent underwriting standards, including loan-to-value limits, that are clear and measurable;

(iii) Loan administration procedures for the bank's real estate portfolio; and

(iv) Documentation, approval, and reporting requirements to monitor compliance with the bank's real estate lending policies.

(c) Each insured state nonmember bank must monitor conditions in the real estate market in its lending area to ensure that its real estate lending policies continue to be appropriate for current market conditions.

(d) The real estate lending policies adopted pursuant to this section should

reflect consideration of the Interagency Guidelines for Real Estate Lending Policies established by the Federal bank and thrift supervisory agencies.

APPENDIX A TO PART 365—INTERAGENCY GUIDELINES FOR REAL ESTATE LENDING POLICIES

The agencies' regulations require that each insured depository institution adopt and maintain a written policy that establishes appropriate limits and standards for all extensions of credit that are secured by liens on or interests in real estate or made for the purpose of financing the construction of a building or other improvements.⁵ These guidelines are intended to assist institutions in the formulation and maintenance of a real estate lending policy that is appropriate to the size of the institution and the nature and scope of its individual operations, as well as satisfies the requirements of the regulation.

Each institution's policies must be comprehensive, and consistent with safe and sound lending practices, and must ensure that the institution operates within limits and according to standards that are reviewed and approved at least annually by the board of directors. Real estate lending is an integral part of many institutions' business plans and, when undertaken in a prudent manner, will not be subject to examiner criticism.

LOAN PORTFOLIO MANAGEMENT CONSIDERATIONS

The lending policy should contain a general outline of the scope and distribution of the institution's credit facilities and the manner in which real estate loans are made, serviced, and collected. In particular, the institution's policies on real estate lending should:

- Identify the geographic areas in which the institution will consider lending.
- Establish a loan portfolio diversification policy and set limits for real estate loans by type and geographic market (e.g., limits on higher risk loans).
- Identify appropriate terms and conditions by type of real estate loan.
- Establish loan origination and approval procedures, both generally and by size and type of loan.
- Establish prudent underwriting standards that are clear and measurable, including loan-to-value limits, that are consistent with these supervisory guidelines.

⁵The agencies have adopted a uniform rule on real estate lending. See 12 CFR part 365 (FDIC); 12 CFR part 208, subpart C (FRB); 12 CFR part 34, subpart D (OCC); and 12 CFR 563.100–101 (OTS).

- Establish review and approval procedures for exception loans, including loans with loan-to-value percentages in excess of supervisory limits.

- Establish loan administration procedures, including documentation, disbursement, collateral inspection, collection, and loan review.

- Establish real estate appraisal and evaluation programs.

- Require that management monitor the loan portfolio and provide timely and adequate reports to the board of directors.

The institution should consider both internal and external factors in the formulation of its loan policies and strategic plan. Factors that should be considered include:

- The size and financial condition of the institution.

- The expertise and size of the lending staff.

- The need to avoid undue concentrations of risk.

- Compliance with all real estate related laws and regulations, including the Community Reinvestment Act, anti-discrimination laws, and for savings associations, the Qualified Thrift Lender test.

- Market conditions.

The institution should monitor conditions in the real estate markets in its lending area so that it can react quickly to changes in market conditions that are relevant to its lending decisions. Market supply and demand factors that should be considered include:

- Demographic indicators, including population and employment trends.

- Zoning requirements.

- Current and projected vacancy, construction, and absorption rates.

- Current and projected lease terms, rental rates, and sales prices, including concessions.

- Current and projected operating expenses for different types of projects.

- Economic indicators, including trends and diversification of the lending area.

- Valuation trends, including discount and direct capitalization rates.

UNDERWRITING STANDARDS

Prudently underwritten real estate loans should reflect all relevant credit factors, including:

- The capacity of the borrower, or income from the underlying property, to adequately service the debt.

- The value of the mortgaged property.

- The overall creditworthiness of the borrower.

- The level of equity invested in the property.

- Any secondary sources of repayment.

- Any additional collateral or credit enhancements (such as guarantees, mortgage insurance or takeout commitments).

The lending policies should reflect the level of risk that is acceptable to the board of directors and provide clear and measurable underwriting standards that enable the institution's lending staff to evaluate these credit factors. The underwriting standards should address:

- The maximum loan amount by type of property.
- Maximum loan maturities by type of property.
- Amortization schedules.
- Pricing structure for different types of real estate loans.
- Loan-to-value limits by type of property.

For development and construction projects, and completed commercial properties, the policy should also establish, commensurate with the size and type of the project or property:

- Requirements for feasibility studies and sensitivity and risk analyses (*e.g.*, sensitivity of income projections to changes in economic variables such as interest rates, vacancy rates, or operating expenses).
- Minimum requirements for initial investment and maintenance of hard equity by the borrower (*e.g.*, cash or unencumbered investment in the underlying property).
- Minimum standards for net worth, cash flow, and debt service coverage of the borrower or underlying property.
- Standards for the acceptability of and limits on non-amortizing loans.
- Standards for the acceptability of and limits on the use of interest reserves.
- Pre-leasing and pre-sale requirements for income-producing property.
- Pre-sale and minimum unit release requirements for non-income-producing property loans.
- Limits on partial recourse or non-recourse loans and requirements for guarantor support.
- Requirements for takeout commitments.
- Minimum covenants for loan agreements.

LOAN ADMINISTRATION

The institution should also establish loan administration procedures for its real estate portfolio that address:

- Documentation, including:
 - Type and frequency of financial statements, including requirements for verification of information provided by the borrower;
 - Type and frequency of collateral evaluations (appraisals and other estimates of value).
- Loan closing and disbursement.
- Payment processing.
- Escrow administration.

- Collateral administration.
- Loan payoffs.
- Collections and foreclosure, including:
 - Delinquency follow-up procedures;
 - Foreclosure timing;
 - Extensions and other forms of forbearance;
 - Acceptance of deeds in lieu of foreclosure.
- Claims processing (*e.g.*, seeking recovery on a defaulted loan covered by a government guaranty or insurance program).
- Servicing and participation agreements.

SUPERVISORY LOAN-TO-VALUE LIMITS

Institutions should establish their own internal loan-to-value limits for real estate loans. These internal limits should not exceed the following supervisory limits:

Loan category	Loan-to-value limit (percent)
Raw land	65
Land development	75
Construction:	
Commercial, multifamily, ¹ and other non-residential	80
1- to 4-family residential	85
Improved property	85
Owner-occupied 1- to 4-family and home equity	(²)

¹ Multifamily construction includes condominiums and cooperatives.

² A loan-to-value limit has not been established for permanent mortgage or home equity loans on owner-occupied, 1- to 4-family residential property. However, for any such loan with a loan-to-value ratio that equals or exceeds 90 percent at origination, an institution should require appropriate credit enhancement in the form of either mortgage insurance or readily marketable collateral.

The supervisory loan-to-value limits should be applied to the underlying property that collateralizes the loan. For loans that fund multiple phases of the same real estate project (*e.g.*, a loan for both land development and construction of an office building), the appropriate loan-to-value limit is the limit applicable to the final phase of the project funded by the loan; however, loan disbursements should not exceed actual development or construction outlays. In situations where a loan is fully cross-collateralized by two or more properties or is secured by a collateral pool of two or more properties, the appropriate maximum loan amount under supervisory loan-to-value limits is the sum of the value of each property, less senior liens, multiplied by the appropriate loan-to-value limit for each property. To ensure that collateral margins remain within the supervisory limits, lenders should redetermine conformity whenever collateral substitutions are made to the collateral pool.

In establishing internal loan-to-value limits, each lender is expected to carefully consider the institution-specific and market factors listed under "Loan Portfolio Management Considerations," as well as any other relevant factors, such as the particular subcategory or type of loan. For any subcategory of loans that exhibits greater credit risk than the overall category, a lender should consider the establishment of an internal loan-to-value limit for that subcategory that is lower than the limit for the overall category.

The loan-to-value ratio is only one of several pertinent credit factors to be considered when underwriting a real estate loan. Other credit factors to be taken into account are highlighted in the "Underwriting Standards" section above. Because of these other factors, the establishment of these supervisory limits should not be interpreted to mean that loans at these levels will automatically be considered sound.

LOANS IN EXCESS OF THE SUPERVISORY LOAN-TO-VALUE LIMITS

The agencies recognize that appropriate loan-to-value limits vary not only among categories of real estate loans but also among individual loans. Therefore, it may be appropriate in individual cases to originate or purchase loans with loan-to-value ratios in excess of the supervisory loan-to-value limits, based on the support provided by other credit factors. Such loans should be identified in the institution's records, and their aggregate amount reported at least quarterly to the institution's board of directors. (See additional reporting requirements described under "Exceptions to the General Policy.")

The aggregate amount of all loans in excess of the supervisory loan-to-value limits should not exceed 100 percent of total capital.² Moreover, within the aggregate limit,

²For the state member banks, the term "total capital" means "total risk-based capital" as defined in appendix A to 12 CFR part 208. For insured state non-member banks, "total capital" refers to that term described in table I of appendix A to 12 CFR part 325. For national banks, the term "total capital" is defined at 12 CFR 3.2(e). For savings associations, the term "total capital" is defined at 12 CFR 567.5(c).

In determining the aggregate amount of such loans, institutions should: (a) include all loans secured by the same property if any one of those loans exceeds the supervisory loan-to-value limits; and (b) include the recourse obligation of any such loan sold with recourse. Conversely, a loan should no longer be reported to the directors as part of aggregate totals when reduction in principal or senior liens, or additional contribution of

total loans for all commercial, agricultural, multifamily or other non-1-to-4 family residential properties should not exceed 30 percent of total capital. An institution will come under increased supervisory scrutiny as the total of such loans approaches these levels.

EXCLUDED TRANSACTIONS

The agencies also recognize that there are a number of lending situations in which other factors significantly outweigh the need to apply the supervisory loan-to-value limits. These include:

- Loans guaranteed or insured by the U.S. government or its agencies, provided that the amount of the guaranty or insurance is at least equal to the portion of the loan that exceeds the supervisory loan-to-value limit.
- Loans backed by the full faith and credit of a state government, provided that the amount of the assurance is at least equal to the portion of the loan that exceeds the supervisory loan-to-value limit.
- Loans guaranteed or insured by a state, municipal or local government, or an agency thereof, provided that the amount of the guaranty or insurance is at least equal to the portion of the loan that exceeds the supervisory loan-to-value limit, and provided that the lender has determined that the guarantor or insurer has the financial capacity and willingness to perform under the terms of the guaranty or insurance agreement.
- Loans that are to be sold promptly after origination, without recourse, to a financially responsible third party.
- Loans that are renewed, refinanced, or restructured without the advancement of new funds or an increase in the line of credit (except for reasonable closing costs), or loans that are renewed, refinanced, or restructured in connection with a workout situation, either with or without the advancement of new funds, where consistent with safe and sound banking practices and part of a clearly defined and well-documented program to achieve orderly liquidation of the debt, reduce risk of loss, or maximize recovery on the loan.
- Loans that facilitate the sale of real estate acquired by the lender in the ordinary course of collecting a debt previously contracted in good faith.
- Loans for which a lien on or interest in real property is taken as additional collateral through an abundance of caution by the lender (e.g., the institution takes a blanket lien on all or substantially all of the assets of the borrower, and the value of the real

collateral or equity (e.g., improvements to the real property securing the loan), bring the loan-to-value ratio into compliance with supervisory limits.

property is low relative to the aggregate value of all other collateral).

- Loans, such as working capital loans, where the lender does not rely principally on real estate as security and the extension of credit is not used to acquire, develop, or construct permanent improvements on real property.

- Loans for the purpose of financing permanent improvements to real property, but not secured by the property, if such security interest is not required by prudent underwriting practice.

EXCEPTIONS TO THE GENERAL LENDING POLICY

Some provision should be made for the consideration of loan requests from credit-worthy borrowers whose credit needs do not fit within the institution's general lending policy. An institution may provide for prudently underwritten exceptions to its lending policies, including loan-to-value limits, on a loan-by-loan basis. However, any exceptions from the supervisory loan-to-value limits should conform to the aggregate limits on such loans discussed above.

The board of directors is responsible for establishing standards for the review and approval of exception loans. Each institution should establish an appropriate internal process for the review and approval of loans that do not conform to its own internal policy standards. The approval of any such loan should be supported by a written justification that clearly sets forth all of the relevant credit factors that support the underwriting decision. The justification and approval documents for such loans should be maintained as a part of the permanent loan file. Each institution should monitor compliance with its real estate lending policy and individually report exception loans of a significant size to its board of directors.

SUPERVISORY REVIEW OF REAL ESTATE LENDING POLICIES AND PRACTICES

The real estate lending policies of institutions will be evaluated by examiners during the course of their examinations to determine if the policies are consistent with safe and sound lending practices, these guidelines, and the requirements of the regulation. In evaluating the adequacy of the institution's real estate lending policies and practices, examiners will take into consideration the following factors:

- The nature and scope of the institution's real estate lending activities.
- The size and financial condition of the institution.
- The quality of the institution's management and internal controls.
- The expertise and size of the lending and loan administration staff.
- Market conditions.

Lending policy exception reports will also be reviewed by examiners during the course of their examinations to determine whether the institutions' exceptions are adequately documented and appropriate in light of all of the relevant credit considerations. An excessive volume of exceptions to an institution's real estate lending policy may signal a weakening of its underwriting practices, or may suggest a need to revise the loan policy.

DEFINITIONS

For the purposes of these Guidelines:

Construction loan means an extension of credit for the purpose of erecting or rehabilitating buildings or other structures, including any infrastructure necessary for development.

Extension of credit or loan means:

- (1) The total amount of any loan, line of credit, or other legally binding lending commitment with respect to real property; and
- (2) The total amount, based on the amount of consideration paid, of any loan, line of credit, or other legally binding lending commitment acquired by a lender by purchase, assignment, or otherwise.

Improved property loan means an extension of credit secured by one of the following types of real property:

- (1) Farmland, ranchland or timberland committed to ongoing management and agricultural production;
- (2) 1- to 4-family residential property that is not owner-occupied;
- (3) Residential property containing five or more individual dwelling units;
- (4) Completed commercial property; or
- (5) Other income-producing property that has been completed and is available for occupancy and use, except income-producing owner-occupied 1- to 4-family residential property.

Land development loan means an extension of credit for the purpose of improving unimproved real property prior to the erection of structures. The improvement of unimproved real property may include the laying or placement of sewers, water pipes, utility cables, streets, and other infrastructure necessary for future development.

Loan origination means the time of inception of the obligation to extend credit (i.e., when the last event or prerequisite, controllable by the lender, occurs causing the lender to become legally bound to fund an extension of credit).

Loan-to-value or loan-to-value ratio means the percentage or ratio that is derived at the time of loan origination by dividing an extension of credit by the total value of the property(ies) securing or being improved by the extension of credit plus the amount of any readily marketable collateral and other acceptable collateral that secures the extension of credit. The total amount of all senior liens on or interests in such property(ies)

should be included in determining the loan-to-value ratio. When mortgage insurance or collateral is used in the calculation of the loan-to-value ratio, and such credit enhancement is later released or replaced, the loan-to-value ratio should be recalculated.

Other acceptable collateral means any collateral in which the lender has a perfected security interest, that has a quantifiable value, and is accepted by the lender in accordance with safe and sound lending practices. Other acceptable collateral should be appropriately discounted by the lender consistent with the lender's usual practices for making loans secured by such collateral. Other acceptable collateral includes, among other items, unconditional irrevocable standby letters of credit for the benefit of the lender.

Owner-occupied, when used in conjunction with the term *1- to 4-family residential property* means that the owner of the underlying real property occupies at least one unit of the real property as a principal residence of the owner.

Readily marketable collateral means insured deposits, financial instruments, and bullion in which the lender has a perfected interest. Financial instruments and bullion must be salable under ordinary circumstances with reasonable promptness at a fair market value determined by quotations based on actual transactions, on an auction or similarly available daily bid and ask price market. Readily marketable collateral should be appropriately discounted by the lender consistent with the lender's usual practices for making loans secured by such collateral.

Value means an opinion or estimate, set forth in an appraisal or evaluation, whichever may be appropriate, of the market value of real property, prepared in accordance with the agency's appraisal regulations and guidance. For loans to purchase an existing property, the term "value" means the lesser of the actual acquisition cost or the estimate of value.

1- to 4-family residential property means property containing fewer than five individual dwelling units, including manufactured homes permanently affixed to the underlying property (when deemed to be real property under state law).

12 CFR Ch. III (1-1-03 Edition)

§ 366.8 Who can grant a waiver of a prohibition or conflict of interest?

The FDIC's Board of Directors delegates to the Chairman, or his designee, authority to issue waivers and implement procedures for part 366.

AUTHORITY: 12 U.S.C. 1822(f) (4) and (5).

SOURCE: 61 FR 68560, Dec. 30, 1996, unless otherwise noted.

§ 367.1 Authority, purpose, scope and application.

(a) *Authority.* This part is adopted pursuant to section 12(f) (4) and (5) of the Federal Deposit Insurance Act, 12 U.S.C. 1822(f) (4) and (5), and the rule-

making authority of the Federal Deposit Insurance Corporation (FDIC) found at 12 U.S.C. 1819. Other regulations implementing these statutory directives appear at 12 CFR part 366.

(b) *Purpose.* This part is designed to inform contractors and subcontractors (including their affiliated business entities, key employees and management officials) regarding their rights to notice and an opportunity to be heard on FDIC actions involving suspension and exclusion from contracting and rescission of existing contracts. This part is in addition to, and not in lieu of, any other statute or regulation that may apply to such contractual activities.

(c) *Scope.* This part applies to:

(1) Contractors, other than attorneys or law firms providing legal services, submitting offers to provide services or entering into contracts to provide services to the FDIC acting in any capacity; and

(2) Subcontractors entering into contracts to perform services under a proposed or existing contract with the FDIC.

(d) *Application.* (1) This part will apply to entities that become contractors, as defined in § 367.2(f), on or after December 30, 1996. In addition, this part will apply to contractors as defined in § 367.2(f) that are performing contracts on December 30, 1996.

(2) This part will also apply to actions initiated on or after December 30, 1996 regardless of the date of the cause giving rise to the actions.

(3) Contracts entered into by the former Resolution Trust Corporation (RTC) that were transferred to the FDIC will be treated in the same manner as FDIC contracts under this part.

(4) RTC actions taken under the RTC regulations on or before December 31, 1995, will be honored as if taken by the FDIC. A contractor subject to an RTC exclusion or suspension will be precluded thereby from participation in the FDIC's contracting program unless that exclusion or suspension is modified or terminated under the provisions of this part.

§ 367.2 Definitions.

(a) *Adequate evidence* means information sufficient to support the reason-

able belief that a particular act or omission has occurred.

(b) *Affiliated business entity* means a company that is under the control of the contractor, is in control of the contractor, or is under common control with the contractor.

(c) *Civil judgment* means a judgment of a civil offense or liability by any court of competent jurisdiction in the United States.

(d) *Company* means any corporation, firm, partnership, society, joint venture, business trust, association, consortium or similar organization.

(1) A contractor; any management officials or affiliated business entities of a contractor; or any employees, agents, or subcontractors of a contractor who will perform services under a proposed or existing contract with the FDIC:

(ii) Is an adverse party to the FDIC, RTC, the former Federal Savings and Loan Insurance Corporation (FSLIC), or their successors in a lawsuit; or

(iii) Has ever been suspended, excluded, or debarred from contracting with a federal entity or has ever had a contract with the FDIC, RTC, FSLIC or their successors rescinded or terminated prior to the contract's completion and which rescission or termination involved issues of conflicts of interest or ethical responsibilities; or

(2) Any other facts exist which the FDIC, in its sole discretion, determines may, through performance of a proposed or existing FDIC contract, provide a contractor with an unfair competitive advantage which favors the interests of the contractor or any person with whom the contractor has or is likely to have a personal or business relationship.

(f) *Contractor* means a person or company which has submitted an offer to perform services for the FDIC or has a contractual arrangement with the

FDIC to perform services. For purposes of this part, contractor also includes:

Federal Deposit Insurance Corporation

§ 367.6

(2) An obligation to pay an outstanding, unsatisfied, final judgment in excess of \$50,000 in favor of the FDIC, RTC, FSLIC, or their successors, or the BIF, the SAIF, the FRF or the funds that were maintained by the RTC for the benefit of insured depositors; or

(3) A loan or advance from an insured depository institution which is currently owed to the FDIC, RTC, FSLIC or their successors, or the BIF, the SAIF, the FRF or the funds that were maintained by the RTC for the benefit of insured depositors, where there has been a failure to comply with the terms to such an extent that the collateral securing the loan or advance was foreclosed upon, resulting in a loss in excess of \$50,000.

§ 367.3 Appropriate officials.

(a) The *Ethics Counselor* is the Executive Secretary of the FDIC. The Ethics Counselor shall act as the official responsible for rendering suspension and exclusion decisions under this part. (b) The *Corporation Ethics Committee* is the Committee appointed by the Chairman of the FDIC, or Chairman's designee, which provides review of any suspension or exclusion decision rendered by the Ethics Counselor that is appealed by a contractor who has been suspended and/or excluded from FDIC contracting.

(c) Information concerning the possible existence of any cause for suspension or exclusion shall be reported to the Office of the Executive Secretary (Ethics Section). This part does not modify the responsibility to report allegations of fraud, waste and abuse, including but not limited to criminal violations, to the Office of Inspector General.

§ 367.4 [Reserved]

§ 367.5 Exclusions.

(a) The Ethics Counselor may exclude a contractor from the FDIC contracting program for any of the causes set forth in § 367.6, using procedures established in this part.

(b) Exclusion is a serious action to be imposed when there exists a preponderance of the evidence that a contractor has violated one or more of the causes set forth in § 367.6. Contractors excluded from FDIC contracting programs are prohibited from entering into any new contracts with FDIC for the duration of the period of exclusion as determined pursuant to this part. The FDIC shall not solicit offers from, award contracts to, extend or modify existing contracts, award task orders under existing contracts, or consent to subcontracts with such contractors. Excluded contractors are also prohibited from conducting business with FDIC as agents or representatives of other contractors. *Provided however*, that these limitations do not become effective upon the notification of the contractor that there is a possible cause to exclude under § 367.13. Rather, they become effective only upon the Ethics Counselor's decision to exclude the contractor pursuant to § 367.16. *Provided further*, that the causes for exclusion set forth in § 367.6(a)(1) through (4) reflect statutorily established mandatory bars to contracting with the FDIC.

(c) Except when one or more of the statutorily established mandatory bars to contracting are shown to exist, the existence of a cause for exclusion does not necessarily require that the contractor be excluded; the seriousness of the contractor's acts or omissions and any mitigating or aggravating circumstances shall be considered in making any exclusion decision.

§ 367.6 Causes for exclusion.

The FDIC may exclude a contractor, in accordance with the procedures set forth in this part, upon a finding that:

(a) The contractor has been convicted of any felony;

(b) The contractor has been removed from, or prohibited from participating

§ 367.7

12 CFR Ch. III (1–1–03 Edition)

in the affairs of, any insured depository institution pursuant to any final enforcement action by the Office of the Comptroller of the Currency, the Office of Thrift Supervision, the Board of Governors of the Federal Reserve System, or the FDIC or their successors;

(c) The contractor has demonstrated a pattern or practice of defalcation;

(d) The contractor has caused a substantial loss to Federal deposit insurance funds;

(e) The contractor has failed to disclose, pursuant to 12 CFR 366.6, a material fact to the FDIC;

(f) The contractor has failed to disclosed any material adverse change in the representations and certifications provided to FDIC under 12 CFR 366.6;

(g) The contractor has miscertified its status as a minority and/or woman owned business (MWOB);

(h) The contractor has a conflict of interest that was not waived by the Ethics Counselor or designee;

(i) The contractor has been subject to a final enforcement action by any federal financial institution regulatory agency, or has stipulated to such action;

(j) The contractor is debarred from participating in other federal programs;

(k) The contractor has been convicted of, or subject to a civil judgment for:

(1) Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction, or conspiracy to do the same;

(2) Violation of federal or state anti-trust statutes, including those proscribing price fixing between competitors, allocation of customers between competitors, and bid rigging, or conspiracy to do the same;

(3) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, making false claims, obstructing of justice, or conspiracy to do the same;

(4) Commission of any other offense indicating a breach of trust, dishonesty or lack of integrity, or conspiracy to do the same;

(1) The contractor's performance under previous contract(s) with FDIC or RTC has resulted in:

(1) The FDIC or RTC declaring such contract(s) to be in default; or

(2) The termination of such contract(s) for poor performance; or

(3) A violation of the terms of a contract that would have resulted in a default or termination of the contract for poor performance if that violation had been discovered during the course of the contract; or

(m) The contractor has engaged in any conduct:

(1) Indicating a breach of trust, dishonesty, or lack of integrity that seriously and directly affects its ability to meet standards of present responsibility required of an FDIC contractor; or

(2) So serious or compelling in nature that it adversely affects the ability of a contractor to meet the minimum ethical standards required by 12 CFR part 366.

§ 367.7 Suspensions.

(a) The Ethics Counselor may suspend a contractor for any of the causes in § 367.8 using the procedures established in this section.

(b) Suspension is an action to be imposed when there exists adequate evidence of one or more of the causes set out in § 367.8. This includes, but is not limited to, situations where immediate action is necessary to protect the integrity of the FDIC contracting program and/or the security of FDIC assets during the pendency of legal or investigative proceedings initiated by FDIC, any federal agency or any law enforcement authority.

(c) The duration of any suspension action shall be for a temporary period pending the completion of an investigation and such other legal proceedings as may ensue.

(d) A suspension shall become effective immediately upon issuance of the notice specified in § 367.13(b).

(e) Contractors suspended from FDIC contracting programs are prohibited from entering into any new contracts with the FDIC for the duration of the period of suspension. The FDIC shall not solicit offers from, award contracts

Federal Deposit Insurance Corporation

§ 367.12

to, extend or modify existing contracts, award task orders under existing contracts, or consent to subcontracts with such contractors. Suspended contractors are also prohibited from conducting business with FDIC as agents or representatives of other contractors.

§ 367.8 Causes for suspension.

(a) Suspension may be imposed under the procedures set forth in this section upon adequate evidence:

(1) Of suspension by another federal agency;

(2) That a cause for exclusion under § 367.6 may exist;

(3) Of the commission of any other offense indicating a breach of trust, dishonesty, or lack of integrity that seriously and directly affects the minimum ethical standards required of an FDIC contractor; or

(4) Of any other cause so serious or compelling in nature that it adversely affects the ability of a contractor to meet the minimal ethical standards required by 12 CFR part 366.

(b) Indictment for any offense described in § 367.6 is adequate evidence to suspend a contractor.

(c) In assessing the adequacy of the evidence, FDIC will consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated and what inferences can reasonably be drawn as a result.

§ 367.9 Imputation of causes.

(a) Where there is cause to suspend and/or exclude any affiliated business entity of the contractor, that conduct may be imputed to the contractor if the conduct occurred in connection with the affiliated business entity's performance of duties for or on behalf of the contractor, or with the contractor's knowledge, approval, or acquiescence. The contractor's acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(b) Where there is cause to suspend and/or exclude any contractor, that conduct may be imputed to any affiliated business entity, key employee, or management official of a contractor who participated in, knew of or had

reason to know of the contractor's conduct.

(c) Where there is cause to suspend and/or exclude a key employee or management official of a contractor, that cause may be imputed to the contractor if the conduct occurred in connection with the key employee or management official's performance of duties for or on behalf of the contractor, or with the contractor's knowledge, approval, or acquiescence. The contractor's acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(d) Where there is cause to suspend and/or exclude one contractor participating in a joint venture or similar arrangement, that cause may be imputed to other participating contractors if the conduct occurred for or on behalf of the joint venture or similar arrangement, or with the knowledge, approval, or acquiescence of these contractors. Acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(e) Where there is cause to suspend and/or exclude a subcontractor, that cause may be imputed to the contractor for which the subcontractor performed services, if the conduct occurred for or on behalf of the contractor and with the contractor's knowledge, approval, or acquiescence. Acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

§§ 367.10–367.11 [Reserved]

§ 367.12 Procedures.

(a) FDIC shall process suspension and exclusion actions as informally as practicable, consistent with its policy of providing contractors with adequate information on the grounds that give rise to the proposed action and affording contractors with a reasonable opportunity to respond.

(b) For purposes of determining filing dates for the pleadings required by this part, including responses, notices of appeal, appeals and requests for reconsideration, the provisions relating to the

§ 367.13

construction of time limits in 12 CFR 308.12 will control.

§ 367.13 Notices.

(a) *Exclusions.* Before excluding a contractor, the FDIC shall send it a written notice of possible cause to exclude. Such notice shall include:

(1) Notification that exclusion for a specified period of time is being considered based on the specified cause(s) in § 367.6 to be relied upon;

(2) Identification of the event(s), circumstance(s), or condition(s) that indicates that there is cause to believe a cause for exclusion exists, described in sufficient detail to put the contractor on notice of the conduct or transaction(s) upon which an exclusion proceeding is based;

(3) Notification that the contractor is not prohibited from contracting with the FDIC unless and until it is either suspended from FDIC contracting or the FDIC Ethics Counselor issues a decision excluding the contractor, *provided however*, in any case where the possible cause for exclusion would also be an impediment to the contractor's eligibility pursuant to 12 CFR part 366, the contractor's eligibility for any contract will be determined under that part; and

(4) Notification of the regulatory provisions governing the exclusion proceeding and the potential effect of a final exclusion decision.

(b) *Suspensions.* Before suspending a contractor, the FDIC shall send it notice, including:

(1) Notice that a suspension is being imposed based on specified causes in § 367.8;

(2) Identification of the event(s), circumstance(s), or condition(s) that indicate that there is adequate evidence to believe a cause for suspension exists, described in sufficient detail to put the contractor on notice of the basis for the suspension, recognizing that the conduct of ongoing investigations and legal proceedings, including criminal proceedings, place limitations on the evidence that can be released;

(3) Notification that the suspension prohibits the contractor from contracting with the FDIC for a temporary period, pending the completion of an

12 CFR Ch. III (1-1-03 Edition)

investigation or other legal proceedings; and

(4) Notification of the regulatory provisions governing the suspension proceeding.

(c) *Service of notices.* Notices will be sent to the contractor by first class mail, postage prepaid. For purposes of compliance with this section, notice shall be considered to have been received by the contractor if the notice is properly mailed to the last known address of such contractor. Whenever practical, a copy of the notice will also be transmitted to the contractor by facsimile. In the event the notice is not sent by facsimile, a copy will be sent by an overnight delivery service such as Express Mail or a commercial equivalent.

§ 367.14 Responses.

(a) The contractor will have 15 days from the date of the notice within which to respond.

(b) The response shall be in writing and may include: information and argument in opposition to the proposed exclusion and/or suspension, including any additional specific information pertaining to the possible causes for exclusion; and information and argument in mitigation of the proposed period of exclusion.

(c) The response may request a meeting with an FDIC official identified in the notice to permit the contractor to discuss issues of fact or law relating to the suspension and/or proposed exclusion or to otherwise resolve the pending matters.

(1) Any such meetings between a contractor and FDIC shall take such form as the FDIC deems appropriate.

(2) In cases of suspensions, no meeting will be held where a representative of the Department of Justice has advised in writing that the substantial interests of the Government would be prejudiced by such a meeting and the Ethics Counselor determines that a suspension is based on the same facts as pending or contemplated legal proceedings referenced by the representative of the Department of Justice.

(d) Failure to respond to the notice shall be deemed an admission of the existence of the cause(s) for suspension and/or exclusion set forth in the notice

and an acceptance of the period of exclusion proposed therein. In such circumstances, the FDIC may proceed to a final decision without further proceedings.

(e) Where a contractor has received more than one notice, the FDIC may consolidate the pending proceedings, including the scheduling of any meetings, in accordance with this section.

§ 367.15 Additional proceedings as to disputed material facts.

(a) In actions not based upon a conviction or civil judgment, if the Ethics Counselor finds that the contractor's submission raises a genuine dispute over facts material to the proposed suspension and/or exclusion, the contractor shall be afforded an opportunity to appear (with counsel, if desired), submit documentary evidence, present witnesses, and confront any witnesses the FDIC presents.

(b) The Ethics Counselor may refer disputed material facts to another official for analysis and recommendation.

(c) If requested, a transcribed record of any additional proceedings shall be made available at cost to the contractor.

§ 367.16 Ethics Counselor decisions.

(a) Standard of proof:

(1) An exclusion must be based on a finding that the cause(s) for exclusion is established by a preponderance of the evidence in the administrative record of the case; and

(2) A suspension must be based on a finding that the cause(s) for suspension is established by adequate evidence in the administrative record of the case.

(b) The administrative record consists of the portion of any information, reports, documents or other evidence identified and relied upon in the Notice of Possible Cause to Exclude, the Notice of Suspension and/or supplemental notices, if any, together with any material portions of the contractor's response. When additional proceedings are necessary to determine disputed material facts, the Ethics Counselor shall base the decision on the facts as found, together with any information and argument submitted by the contractor and any other information in the administrative record.

(c) In actions based upon a conviction, judgment, a final enforcement action by a federal financial institution regulatory agency, or in which all facts and circumstances material to the exclusion action have been finally adjudicated in another forum, the Ethics Counselor may exclude a contractor without regard to the procedures set out in §§ 367.13 and 367.14. Any such decisions will be subject to the review and reconsideration provisions of § 367.20.

(d) *Notice of decisions.* Contractors shall be given prompt notice of the Ethics Counselor's decision in the manner described in § 367.13(c). If the Ethics Counselor suspends a contractor or imposes a period of exclusion, the decision shall:

(1) Set forth the cause(s) for suspension and/or exclusion included in the notice that were found by a preponderance of the evidence with reference to the administrative record support for that finding;

(2) Set forth the effect of the exclusion action and the effective dates of that action;

(3) Refer the contractor to its procedural rights of review and reconsideration under § 367.20; and

(4) Inform the contractor that a copy of the exclusion decision shall be placed in the FDIC Public Reading Room.

(e) If the FDIC Ethics Counselor decides that a period of exclusion is not warranted, the Notice of Possible Cause to Exclude may be withdrawn or the proceeding may be otherwise terminated. A decision to terminate an exclusion proceeding may include the imposition of appropriate conditions on the contractor in their future dealings with the FDIC.

§ 367.17 Duration of suspensions and exclusions.

(a) *Suspensions.* (1) Suspensions shall be for a temporary period pending the completion of an investigation or other legal or exclusion proceedings.

(2) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless a representative of the

§ 367.18

Department of Justice requests its extension in writing. In such cases, the suspension may be extended for an additional six months. In no event may a suspension be imposed for more than 18 months, unless such proceedings have been initiated within that period.

(3) FDIC shall notify the Department of Justice of an impending termination of a suspension at least 30 days before the 12-month period expires to give the Department of Justice an opportunity to request an extension.

(4) The time limitations for suspension in this section may be waived by the affected contractor.

(b) *Exclusions.* (1) Exclusions shall be for a period commensurate with the seriousness of the cause(s) after due consideration of mitigating evidence presented by the contractor.

(2) If a suspension precedes an exclusion, the suspension period shall be considered in determining the exclusion period.

(3) Exclusion for causes other than the mandatory bars in 12 CFR 366.4(a) generally should not exceed three years, but where circumstances warrant, a longer period of exclusion may be imposed.

(4) The Ethics Counselor may extend an existing exclusion for an additional period if the Ethics Counselor determines that an extension is necessary to protect the integrity of the FDIC contracting program and the public interest. However, an exclusion may not be extended solely on the basis of the facts and circumstances upon which the initial exclusion action was based. The standards and procedures in this part shall be applied in any proceeding to extend an exclusion.

§ 367.18 Abrogation of contracts.

(a) The FDIC may, in its discretion, rescind or terminate any contract in existence at the time a contractor is suspended or excluded.

(b) Any contract not rescinded or terminated shall continue in force in accordance with the terms thereof.

(c) The right to rescind or terminate a contract in existence is cumulative and in addition to any other remedies or rights the FDIC may have under the terms of the contract, at law, or otherwise.

12 CFR Ch. III (1-1-03 Edition)

§ 367.19 Exceptions to suspensions and exclusions.

(a) Exceptions to the effects of suspensions and exclusions may be available in unique circumstances, where there are compelling reasons to utilize a particular contractor for a specific task. Requests for such exceptions may be submitted only by the FDIC program office requesting the contract services.

(b) In the case of the modification or extension of an existing contract, the Ethics Counselor may except such a contracting action from the effects of suspension and/or exclusion upon a determination, in writing, that a compelling reason exists for utilization of the contractor in the particular instance. The Ethics Counselor's authority under this section shall not be delegated to any lower official.

(c) In the case of new contracts, the Corporation Ethics Committee may except a particular new contract from the effects of suspension and/or exclusion upon a determination in writing that a compelling reason exists for utilization of the contractor in the particular instance.

§ 367.20 Review and reconsideration of Ethics Counselor decisions.

(a) *Review.* (1) A suspended and/or excluded contractor may appeal the exclusion decision to the Corporation Ethics Committee.

(2) In order to avail itself of the right to appeal, a suspended and/or excluded contractor must file a written notice of intent to appeal within 5 days of the Ethics Counselor's decision.

(3) The appeal shall be filed in writing within 30 days of the decision.

(4) The Corporation Ethics Committee, at its discretion and after determining that it is in the best interests of the FDIC, may stay the effect of the suspension and/or exclusion pending conclusion of its review of the matter.

(b) *Reconsideration.* (1) A suspended and/or excluded contractor may submit a request to the Ethics Counselor to reconsider the suspension and/or exclusion decision, reduce the period of exclusion or terminate the suspension and/or exclusion.

Federal Deposit Insurance Corporation

§ 368.5

(2) Such requests shall be in writing and supported by documentation that the requested action is justified by:

(i) Reversal of the conviction or civil judgment upon which the suspension and/or exclusion was based;

(ii) Newly discovered material evidence;

(iii) Bona fide change in ownership or management;

(iv) Elimination of other causes for which the suspension and/or exclusion was imposed; or

(v) Other reasons the FDIC Ethics Counselor deems appropriate.

(3) A request for reconsideration based on the reversal of the conviction or civil judgment may be filed at any time.

(4) Requests for reconsideration based on other grounds may only be filed during the period commencing 60 days after the Ethics Counselor's decision imposing the suspension and/or exclusion. Only one such request may be filed in any twelve month period.

(5) The Ethics Counselor's decision on a request for reconsideration is subject to the review procedure set forth in paragraph (a) of this section.

This part is applicable to state non-member banks and insured state branches of foreign banks that have filed notice as, or are required to file notice as, government securities brokers or dealers pursuant to section 15C of the Securities Exchange Act (15 U.S.C. 78o-5) and Department of the Treasury rules under section 15C (17 CFR 400.1(d) and part 401).

§ 368.2 Definitions.

(a) *Bank that is a government securities broker or dealer* means a state non-member bank or an insured state branch of a foreign bank that has filed notice, or is required to file notice, as a government securities broker or dealer pursuant to section 15C of the Securities Exchange Act (15 U.S.C. 78o-5) and Department of the Treasury rules under section 15C (17 CFR 400.1(d) and part 401).

(b) *Customer* does not include a broker or dealer or a government securities broker or dealer.

(c) *Government security* has the same meaning as this term has in section 3(a)(42) of the Securities Exchange Act of 1934 (15 U.S.C. 78c(a)(42)).

(d) *Non-institutional customer* means any customer other than:

(1) A bank, savings association, insurance company, or registered investment company;

(2) An investment adviser registered under section 203 of the Investment Advisers Act of 1940 (15 U.S.C. 80b-3); or

(3) Any entity (whether a natural person, corporation, partnership, trust, or otherwise) with total assets of at least \$50 million.

§ 368.3 Business conduct.

A bank that is a government securities broker or dealer shall observe high standards of commercial honor and just and equitable principles of trade in the conduct of its business as a government securities broker or dealer.

§ 368.4 Recommendations to customers.

In recommending to a customer the purchase, sale or exchange of a government security, a bank that is a government securities broker or dealer shall have reasonable grounds for believing that the recommendation is suitable for the customer upon the basis of the facts, if any, disclosed by the customer as to the customer's other security holdings and as to the customer's financial situation and needs.

§ 368.5 Customer information.

Prior to the execution of a transaction recommended to a non-institutional customer, a bank that is a government securities broker or dealer

§ 368.100

12 CFR Ch. III (1-1-03 Edition)

shall make reasonable efforts to obtain information concerning:

- (a) The customer's financial status;
- (b) The customer's tax status;
- (c) The customer's investment objectives; and
- (d) Such other information used or considered to be reasonable by such bank in making recommendations to the customer.

§ 368.100 Obligations concerning institutional customers.

(a) As a result of broadened authority provided by the Government Securities Act Amendments of 1993 (15 U.S.C. 780-3 and 780-5), the FDIC is adopting sales practice rules for the government securities market, a market with a particularly broad institutional component. Accordingly, the FDIC believes it is appropriate to provide further guidance to banks on their suitability obligations when making recommendations to institutional customers.

(b) The FDIC's suitability rule (§ 368.4) is fundamental to fair dealing and is intended to promote ethical sales practices and high standards of professional conduct. Banks' responsibilities include having a reasonable basis for recommending a particular security or strategy, as well as having reasonable grounds for believing the recommendation is suitable for the customer to whom it is made. Banks are expected to meet the same high standards of competence, professionalism, and good faith regardless of the financial circumstances of the customer.

(c) In recommending to a customer the purchase, sale, or exchange of any government security, the bank shall have reasonable grounds for believing that the recommendation is suitable for the customer upon the basis of the facts, if any, disclosed by the customer as to the customer's other security holdings and financial situation and needs.

(d) The interpretation in this section concerns only the manner in which a bank determines that a recommendation is suitable for a particular institutional customer. The manner in which a bank fulfills this suitability obligation will vary, depending on the nature of the customer and the specific trans-

action. Accordingly, the interpretation in this section deals only with guidance regarding how a bank may fulfill customer-specific suitability obligations under § 368.4.¹

(e) While it is difficult to define in advance the scope of a bank's suitability obligation with respect to a specific institutional customer transaction recommended by a bank, the FDIC has identified certain factors that may be relevant when considering compliance with § 368.4. These factors are not intended to be requirements or the only factors to be considered but are offered merely as guidance in determining the scope of a bank's suitability obligations.

(f) The two most important considerations in determining the scope of a bank's suitability obligations in making recommendations to an institutional customer are the customer's capability to evaluate investment risk independently and the extent to which the customer is exercising independent judgement in evaluating a bank's recommendation. A bank must determine, based on the information available to it, the customer's capability to evaluate investment risk. In some cases, the bank may conclude that the customer is not capable of making independent investment decisions in general. In other cases, the institutional customer may have general capability, but may not be able to understand a particular type of instrument or its risk. This is more likely to arise with relatively new types of instruments, or those with significantly different risk or volatility characteristics than other investments generally made by the institution. If a customer is either generally not capable of evaluating investment risk or lacks sufficient capability to evaluate the particular product, the scope of a bank's customer-specific obligations under § 368.4 would not be diminished by the fact that the bank was

¹The interpretation in this section does not address the obligation related to suitability that requires that a bank have " * * * a 'reasonable basis' to believe that the recommendation could be suitable for at least some customers." *In the Matter of the Application of F.J. Kaufman and Company of Virginia and Frederick J. Kaufman, Jr.*, 50 SEC 164 (1989).

dealing with an institutional customer. On the other hand, the fact that a customer initially needed help understanding a potential investment need not necessarily imply that the customer did not ultimately develop an understanding and make an independent investment decision.

(g) A bank may conclude that a customer is exercising independent judgment if the customer's investment decision will be based on its own independent assessment of the opportunities and risks presented by a potential investment, market factors and other investment considerations. Where the bank has reasonable grounds for concluding that the institutional customer is making independent investment decisions and is capable of independently evaluating investment risk, then a bank's obligations under §368.4 for a particular customer are fulfilled.² Where a customer has delegated decision-making authority to an agent, such as an investment advisor or a bank trust department, the interpretation in this section shall be applied to the agent.

(h) A determination of capability to evaluate investment risk independently will depend on an examination of the customer's capability to make its own investment decisions, including the resources available to the customer to make informed decisions. Relevant considerations could include:

(1) The use of one or more consultants, investment advisers, or bank trust departments;

(2) The general level of experience of the institutional customer in financial markets and specific experience with the type of instruments under consideration;

(3) The customer's ability to understand the economic features of the security involved;

(4) The customer's ability to independently evaluate how market developments would affect the security; and

(5) The complexity of the security or securities involved.

(i) A determination that a customer is making independent investment decisions will depend on the nature of the

relationship that exists between the bank and the customer. Relevant considerations could include:

(1) Any written or oral understanding that exists between the bank and the customer regarding the nature of the relationship between the bank and the customer and the services to be rendered by the bank;

(2) The presence or absence of a pattern of acceptance of the bank's recommendations;

(3) The use by the customer of ideas, suggestions, market views and information obtained from other government securities brokers or dealers or market professionals, particularly those relating to the same type of securities; and

(4) The extent to which the bank has received from the customer current comprehensive portfolio information in connection with discussing recommended transactions or has not been provided important information regarding its portfolio or investment objectives.

(j) Banks are reminded that these factors are merely guidelines that will be utilized to determine whether a bank has fulfilled its suitability obligation with respect to a specific institutional customer transaction and that the inclusion or absence of any of these factors is not dispositive of the determination of suitability. Such a determination can only be made on a case-by-case basis taking into consideration all the facts and circumstances of a particular bank/customer relationship, assessed in the context of a particular transaction.

(k) For purposes of the interpretation in this section, an institutional customer shall be any entity other than a natural person. In determining the applicability of the interpretation in this section to an institutional customer, the FDIC will consider the dollar value of the securities that the institutional customer has in its portfolio and/or under management. While the interpretation in this section is potentially applicable to any institutional customer, the guidance contained in this section is more appropriately applied to an institutional customer with at least \$10

AUTHORITY: 12 U.S.C. 1819 (Tenth) and 1835a.

SOURCE: 62 FR 47737, Sept. 10, 1997, unless otherwise noted.

§ 369.1 Purpose and scope.

(a) *Purpose.* The purpose of this part is to implement section 109 (12 U.S.C. 1835a) of the Riegle-Neal Interstate Banking and Branching Efficiency Act of 1994 (Interstate Act).

(b) *Scope.* (1) This part applies to any State nonmember bank that has operated a covered interstate branch for a period of at least one year.

(2) This part describes the requirements imposed under 12 U.S.C. 1835a, which requires the appropriate Federal banking agencies (the FDIC, the Office of the Comptroller of the Currency, and the Board of Governors of the Federal Reserve System) to prescribe uniform rules that prohibit a bank from using any authority to engage in interstate branching pursuant to the Interstate Act, or any amendment made by the Interstate Act to any other provision of law, primarily for the purpose of deposit production.

§ 369.2 Definitions.

For purposes of this part, the following definitions apply:

(a) *Bank* means, unless the context indicates otherwise:

- (1) A State nonmember bank; and
- (2) A foreign bank as that term is defined in 12 U.S.C. 3101(7) and 12 CFR 346.1(a).

(b) *Covered interstate branch* means:

- (1) Any branch of a State nonmember bank, and any insured branch of a foreign bank licensed by a State, that:

- (i) Is established or acquired outside the bank's home State pursuant to the interstate branching authority granted by the Interstate Act or by any amendment made by the Interstate Act to any other provision of law; or

- (ii) Could not have been established or acquired outside of the bank's home State but for the establishment or acquisition of a branch described in paragraph (b)(1)(i) of this section; and

- (2) Any bank or branch of a bank controlled by an out-of-State bank holding company.

(c) *Home State* means:

- (1) With respect to a State bank, the State that chartered the bank;

- (2) With respect to a national bank, the State in which the main office of the bank is located;

- (3) With respect to a bank holding company, the State in which the total deposits of all banking subsidiaries of such company are the largest on the later of:

- (i) July 1, 1966; or

- (ii) The date on which the company becomes a bank holding company under the Bank Holding Company Act;

- (4) With respect to a foreign bank:

- (i) For purposes of determining whether a U.S. branch of a foreign bank is a covered interstate branch, the home State of the foreign bank as determined in accordance with 12 U.S.C. 3103(c) and 12 CFR 347.202(j); and

- (ii) For purposes of determining whether a branch of a U.S. bank controlled by a foreign bank is a covered interstate branch, the State in which the total deposits of all banking subsidiaries of such foreign bank are the largest on the later of:

- (A) July 1, 1966; or

- (B) The date on which the foreign bank becomes a bank holding company under the Bank Holding Company Act.

- (d) *Host State* means a State in which a covered interstate branch is established or acquired.

- (e) *Host state loan-to-deposit ratio* generally means, with respect to a particular host state, the ratio of total loans in the host state relative to total deposits from the host state for all banks (including institutions covered under the definition of "bank" in 12 U.S.C. 1813(a)(1)) that have that state as their home state, as determined and

updated periodically by the appropriate Federal banking agencies and made available to the public.

(f) *Out-of-State bank holding company* means, with respect to any State, a bank holding company whose home State is another State.

(g) *State* means state as that term is defined in 12 U.S.C. 1813(a)(3).

(h) *Statewide loan-to-deposit ratio* means, with respect to a bank, the ratio of the bank's loans to its deposits in a state in which the bank has one or more covered interstate branches, as determined by the FDIC.

§ 369.3 Loan-to-deposit ratio screen.

(a) *Application of screen.* Beginning no earlier than one year after a covered interstate branch is acquired or established, the FDIC will consider whether the bank's statewide loan-to-deposit ratio is less than 50 percent of the relevant host State loan-to-deposit ratio.

(b) *Results of screen.* (1) If the FDIC determines that the bank's statewide loan-to-deposit ratio is 50 percent or more of the host state loan-to-deposit ratio, no further consideration under this part is required.

(2) If the FDIC determines that the bank's statewide loan-to-deposit ratio is less than 50 percent of the host state loan-to-deposit ratio, or if reasonably available data are insufficient to calculate the bank's statewide loan-to-deposit ratio, the FDIC will make a credit needs determination for the bank as provided in § 369.4.

§ 369.4 Credit needs determination.

(a) *In general.* The FDIC will review the loan portfolio of the bank and determine whether the bank is reasonably helping to meet the credit needs of the communities in the host state that are served by the bank.

(b) *Guidelines.* The FDIC will use the following considerations as guidelines when making the determination pursuant to paragraph (a) of this section:

(1) Whether covered interstate branches were formerly part of a failed or failing depository institution;

(2) Whether covered interstate branches were acquired under circumstances where there was a low loan-to-deposit ratio because of the nature of the acquired institution's business or loan portfolio;

(3) Whether covered interstate branches have a high concentration of commercial or credit card lending, trust services, or other specialized activities, including the extent to which the covered interstate branches accept deposits in the host state;

(4) The Community Reinvestment Act (CRA) ratings received by the bank, if any, under 12 U.S.C. 2901 *et seq.*;

(5) Economic conditions, including the level of loan demand, within the communities served by the covered interstate branches;

(6) The safe and sound operation and condition of the bank; and

(7) The FDIC's Community Reinvestment regulations (12 CFR Part 345) and interpretations of those regulations.

§ 369.5 Sanctions.

(a) *In general.* If the FDIC determines that a bank is not reasonably helping to meet the credit needs of the communities served by the bank in the host state, and that the bank's statewide loan-to-deposit ratio is less than 50 percent of the host state loan-to-deposit ratio, the FDIC:

(1) May order that a bank's covered interstate branch or branches be closed unless the bank provides reasonable assurances to the satisfaction of the FDIC, after an opportunity for public comment, that the bank has an acceptable plan under which the bank will reasonably help to meet the credit needs of the communities served by the bank in the host state; and

(2) Will not permit the bank to open a new branch in the host state that would be considered to be a covered interstate branch unless the bank provides reasonable assurances to the satisfaction of the FDIC, after an opportunity for public comment, that the bank will reasonably help to meet the credit needs of the community that the new branch will serve.

(b) *Notice prior to closure of a covered interstate branch.* Before exercising the FDIC's authority to order the bank to

§ 369.5

12 CFR Ch. III (1–1–03 Edition)

close a covered interstate branch, the FDIC will issue to the bank a notice of the FDIC's intent to order the closure and will schedule a hearing within 60 days of issuing the notice.

(c) *Hearing.* The FDIC will conduct a hearing scheduled under paragraph (b) of this section in accordance with the provisions of 12 U.S.C. 1818(h) and 12 CFR part 308.

SOURCE: 50 FR 27215, July 2, 1985, unless otherwise noted.

§ 403.1 General policies and definitions.

(a) This regulation of the Export-Import Bank (the Bank) implements exec-

utive orders which govern the classification, declassification, and safeguarding of national security information and material of the United States. This regulation is based on Executive Order 12356, National Security Information, April 2, 1982 (3 CFR, 1982 Comp. p. 166) (hereafter referred to as the *Order*), Information Security Oversight Directive No. 1, June 25, 1982 (32 CFR part 2001) (hereafter referred to as the *Directive*), and National Security Decision Directive 84, "Safeguarding National Security Information," signed by the President on March 11, 1983 (hereafter referred to as *NSDD 84*). Violation of the provisions of part 403 may result in the imposition of administrative penalties, and civil and criminal penalties under applicable law. Executive Order 12356 prescribes a uniform system for classifying, declassifying, and safeguarding national security information. It recognizes that it is essential that the public be informed concerning the activities of the Government, but that the interests of the United States and its citizens require that certain information concerning the national defense and foreign relations be protected against unauthorized disclosure. Information may not be classified under the Order unless its disclosure reasonably could be expected to cause damage to the national security.

(b) For the purposes of the Order, the Directive and these guidelines, the following terms shall have the meanings specified below:

(1) *Information* means any information or material, regardless of its physical form or characteristics, that is owned by, produced by or for, or is under the control of the United States Government.

(2) *National security information* means information that has been determined pursuant to this Order or any predecessor order to require protection against unauthorized disclosure and that is so designated.

(3) *Foreign government information* means: (i) Information provided by a foreign government or governments, an international organization of governments, or any element thereof with the expectation, expressed or implied, that

§ 403.2

12 CFR Ch. IV (1–1–03 Edition)

the information, the source of the information, or both, are to be held in confidence; or

(ii) Information produced by the United States pursuant to or as a result of a joint arrangement with a foreign government or governments or an international organization of governments, or any element thereof, requiring that the information, the arrangement, or both, are to be held in confidence.

(4) *National security* means the national defense or foreign relations of the United States.

(5) *Confidential source* means any individual or organization that has provided, or that may reasonably be expected to provide, information to the United States on matters pertaining to the national security with the expectation, expressed or implied, that the information or relationship, or both, be held in confidence.

(6) *Original classification* means an initial determination that information requires, in the interest of national security, protection against unauthorized disclosure, together with a classification designation signifying the level of protection required.

§ 403.2 Responsibilities.

In the carrying out of security procedures, responsibility falls on all personnel generally and on certain personnel in a more particular manner.

(a) *Individual*. Each employee of the Bank having access to classified material has an individual responsibility to protect such information. Classified information should be secured in approved equipment or facilities whenever it is not under the direct control of the employee.

(b) *Office and Division Heads*. These officials have the additional responsibility of a continuing review for ascertaining that security procedures are properly observed by the personnel comprising their respective offices.

(c) *Security Officer*. (1) The Security Officer has the responsibility for developing, inspecting, and advising on procedures and controls for safeguarding classified material originating in, received by, in transit through, or in custody of the Bank; the training and orientation of employees; the carrying

out of inspections; and the destruction of obsolete and non-record material.

(2) The Security Officer shall be responsible for disseminating written material and conducting oral briefings to inform Bank personnel of the Order, Directive, and regulations. An explanation of the practical application of these procedures and the underlying policy objectives thereof shall be emphasized.

(d) *Security Committee*. (1) This Committee consists of the General Counsel, as Chairperson, the Security Officer, and other Bank employees, as designated by the President and Chairman (hereinafter referred to as the *Chairman*) and is responsible for the implementation and enforcement of the Order and the Directive. This Committee will act on all matters with respect to the Bank's administration of these regulations.

(2) All suggestions and complaints regarding the Bank's Information Security Program, including those regarding over-classification, failure to declassify, or delay in declassifying, not otherwise provided for herein, shall be referred to the Security Committee for review.

(3) The Security Committee shall have responsibility for recommending to the Chairman appropriate administrative action to correct abuse or violation of these regulations or of any provision of the Order or Directive thereunder, including but not limited to notification by warning letter, formal suspension without pay, and removal. Upon receipt of such a recommendation, the Chairman shall make a decision and advise the Security Committee of this action.

§ 403.3 Classification principles and authority.

(a) *Classification Principles*. (1) Except as provided in the Atomic Energy Act of 1954, as amended, the Order provides the only basis for classifying national security information. Information held by the Bank will be made available to the public to the extent possible consistent with the need to protect the national defense or foreign relations, as required by the interests of the United

Export-Import Bank of the U.S.

§ 403.3

States and its citizens. Accordingly, security classification shall be applied only to protect the national security.

(2) Before a classification determination is made, each item of information that may require protection shall be identified exactly. This requires identification of that specific information, disclosure of which could affect the national security. When there is reasonable doubt about the need to classify, the information should be safeguarded as if it were confidential until a final determination is made by an authorized classifier as to its classification. The final determination must be made within thirty (30) days.

(b) *Classification Designations.* Information which requires protection against unauthorized disclosure in the interest of national security (*classified information*) shall be classified at one of the following three levels:

(1) TOP SECRET shall be applied only to information, the unauthorized disclosure of which reasonably could be expected to cause exceptionally grave damage to the national security.

(2) SECRET shall be applied only to information, the unauthorized disclosure of which reasonably could be expected to cause serious damage to the national security.

(3) CONFIDENTIAL shall be applied to information, the unauthorized disclosure of which reasonably could be expected to cause damage to the national security.

Except as provided by statute, no other terms, such as *SENSITIVE, OFFICIAL BUSINESS ONLY, AGENCY, BUSINESS, ADMINISTRATIVELY*, etc., shall be used within the Bank in conjunction with any of the three classification levels defined above.

(c) *Original Classification Authority and Criteria.* (1) The Bank's authority to assign original classification to any document is limited as follows and is nondelegable:

Classification	Classifier
CONFIDENTIAL	President and Chairman. First Vice President and Vice Chairman. General Counsel. Senior Vice Presidents. Security Officer.

(2) A determination to classify information shall be made by an original classification authority when the information concerns one or more of categories (i) through (x) of this paragraph, and when the unauthorized disclosure of the information, either by itself or in the context of other information, reasonably could be expected to cause damage to the national security. Information shall be considered for classification if it concerns:

(i) Military plans, weapons, or operations;

(ii) The vulnerabilities or capabilities of systems, installations, projects, or plans relating to the national security;

(iii) Foreign government information;

(iv) Intelligence activities (including special activities), or intelligence sources or methods;

(v) Foreign relations or foreign activities of the United States;

(vi) Scientific, technological, or economic matters relating to the national security;

(vii) United States Government programs for safeguarding nuclear materials or facilities;

(viii) Cryptology;

(ix) A confidential source; or

(x) Other categories of information that are related to the national security and that require protection against unauthorized disclosure as determined by the President of the United States, by the Chairman or by other officials who have been delegated original classification authority by the President. Recommendations concerning the need to designate additional categories of information that may be considered for classification shall be forwarded through the Security Officer to the Chairman for determination. Such a determination shall be reported to the Director of the Information Security Oversight Office.

(3) Information that is determined to concern one or more of the above categories shall be classified when an original classification authority also determines that its unauthorized disclosure, either by itself or in the context of other information, reasonably could be expected to cause damage to

§ 403.3

12 CFR Ch. IV (1–1–03 Edition)

the national security. Accordingly, certain information which would otherwise be unclassified may require classification when associated with other unclassified or classified information. Classification on this basis shall be supported by a written explanation that, at a minimum, shall be maintained with the file or reference on the recent copy of the information.

(4) Unauthorized disclosure of foreign government information, the identity of a confidential foreign source, or disclosure of intelligence sources or methods is presumed to cause damage to the national security.

(5) Information classified in accordance with the above classification categories shall not be declassified automatically as a result of any unofficial publication or inadvertent or unauthorized disclosure in the United States or abroad of identical or similar information.

(d) *Duration of Original Classification.*

(1) Information shall be classified as long as required by national security considerations. When it can be determined, a specific date or event for declassification shall be set by the original classification authority at the time the information is originally classified. If the date or event for declassification cannot be determined at the time of classification, the standard notation "Originating Agency's Determination Required", or its abbreviation "OADR", should be entered on the "Declassify on" line.

(2) Automatic declassification determinations under predecessor orders shall remain valid unless the classification is extended by an authorized declassification authority. These extensions may be by individual documents or categories of information, provided, however, that any extension of classification on other than an individual document basis shall be reported to the Director of the Information Security Oversight Office. The declassification authority shall be responsible for notifying holders of the information of such extensions.

(3) Information classified under predecessor orders and marked for declassification review shall remain classified until reviewed for declassification under the provisions of the Order.

(e) *Marking and Identification.* (1) Classified information must be marked, or otherwise identified, to inform and warn the holder of the information of its sensitivity. The classifier is responsible for ensuring that proper classification markings are applied. At the time of classification, the following information shall be shown on the face of all classified documents, or clearly associated with other forms of classified information in a manner appropriate to the medium involved, unless this information itself would reveal a confidential source or relationship not otherwise evident in the document or information:

(i) One of the three classification levels defined in § 403.3(b); "(TS)" for Top Secret, "(S)" for Secret, "(C)" for Confidential, and "(U)" for Unclassified; with each page marked at top and bottom according to the highest level of classified information on each page.

(ii) The identity of the original classification authority if other than the person whose name appears as the approving or signing official;

(iii) The agency and office of origin; and

(iv) The date or event for declassification, or the notation "Originating Agency's Determination Required."

(2) Each classified document shall, by marking or other means, indicate which portions are classified, with the applicable classification level, and which portions are not classified. The Chairman may, for good cause, grant and revoke waivers of this requirement for specified classes of documents or information. The Director of the Information Security Oversight Office shall be notified of any waivers.

(3) Marking designations implementing the provisions of the Order, including abbreviations, shall conform to the standards prescribed in implementing directives issued by the Information Security Oversight Office. All authorized classifiers shall be issued a uniform stamp that has a "Classified by" line and a "Declassify on" line.

(4) Documents that contain foreign government information shall include either the marking, "FOREIGN GOVERNMENT INFORMATION", or a marking that otherwise indicates that the information is foreign government

information. If that fact must be concealed, the document will be marked as if it were of U.S. origin. Foreign government information shall either retain its original classification or be assigned a United States classification that shall ensure a degree of protection at least equivalent to that required by the entity that furnished the information.

(5) Documents that contain information relating to intelligence sources or methods shall include the following marking unless proscribed by the Director of the Central Intelligence; WARNING NOTICE—INTELLIGENCE SOURCES OR METHODS INVOLVED.

(6) Information assigned a level of classification under predecessor orders shall be considered as classified at that level of classification despite the omission of other required markings. Omitted markings may be inserted on a document by the General Counsel or the Security Officer.

(f) *Limitations on Classification.* (1) In no case shall information be classified in order to conceal violations of law, inefficiency, or administrative error; to prevent embarrassment to a person, organization, or agency; to restrain competition; or to prevent or delay the release of information that does not require protection in the interest of national security.

(2) Basic scientific research information not clearly related to the national security may not be classified.

(3) The Chairman or other authorized original classifiers may reclassify information previously declassified and disclosed if it is determined in writing that—

(i) The information requires protection in the interest of national security, and

(ii) The information may reasonably be recovered.

In making such determination, the Chairman or any other authorized original classifier shall consider the following factors: The lapse of time following disclosure; the nature and extent of disclosure; the ability to bring the fact of reclassification to the attention of persons to whom the information was disclosed; the ability to prevent further disclosure; and the ability to retrieve the information vol-

untarily from persons not authorized access to its reclassified state. These reclassification actions shall be reported promptly to the Director of the Information Security Oversight Office.

(4) Information may be classified or reclassified after an agency has received a request for it under the Freedom of Information Act (5 U.S.C. 552) or the Privacy Act of 1974 (5 U.S.C. 552a), or the mandatory review provisions of the Order and these regulations, if such classification meets the requirements of the Order and is accomplished personally and on a document-by-document basis by the Chairman, the Vice Chairman, or the Security Officer.

§ 403.4 Derivative classification.

(a) *Use of derivative classification.* (1) Unlike original classification which is an initial determination, derivative classification is an incorporation, paraphrasing, restatement, or generation in new form of information that is already classified. Derivative classification is the responsibility of those who only reproduce, extract, or summarize classified information, or who only apply classification markings derived from source material or as directed by a classification guide. Original classification authority is not required for derivative classification.

(2) Persons who apply such derivative classification markings shall:

(i) Respect original classification decisions;

(ii) Verify the information's current level of classification so far as practicable before applying the markings; and

(iii) Carry forward to any newly created documents the assigned dates or events for declassification or review. The latest date for declassification should be entered in the case of multiple source documents.

(b) *New Material.* (1) New material that derives its classification from information classified on or after the effective date of the Order, April 2, 1982, shall be marked with the declassification date or event, or the date for review, as assigned to the source information.

§ 403.5

12 CFR Ch. IV (1-1-03 Edition)

(2) New material that derives its classification under prior orders shall be treated as follows:

(i) If the source material bears a classification date or event 20 years or less from the date or origin, that date or event shall be carried forward on the new material.

(ii) If the source material bears no declassification date or event or is marked for declassification beyond 20 years, the new material shall be marked with a date for review for declassification at 20 years from the date of original classification of the source material.

(iii) If the source material is foreign government information bearing no date or event for declassification or is marked for declassification beyond 30 years, the new material shall be marked for review for declassification at 30 years from the date of original classification of the source materials.

(iv) A copy of the source document or documents should be maintained with the file copy of the new document or documents which have been derivatively classified.

§ 403.5 Declassification and downgrading.

(a) *Authority and policy for declassification and downgrading.* Information that continues to meet the classification requirements prescribed in § 403.3(c) despite the passage of time will continue to be safeguarded. However, information which is properly classified at the time it is developed may not necessarily require protection indefinitely. National security information over which the Bank exercises final classification jurisdiction shall be declassified or downgraded as soon as national security considerations permit. Information shall be declassified or downgraded by:

(1) The official who authorized the original classification, if that official is still serving in the same position, by a successor, or by a supervisory official of either; or

(2) Officials specifically delegated this authority in writing by the Chairman or by the Security Officer. A list of those who may be so delegated shall be maintained by the Security Officer.

(3) If the Director of the Information Security Oversight Office determines that information is unlawfully classified, the Director may require the Export-Import Bank to declassify it. Any such decision by the Director may be appealed to the National Security Council. The information shall remain classified until the appeal is decided.

(b) *Declassification Procedure.* Information marked with a specific declassification date or event shall be declassified on that date or upon occurrence of that event. The overall classification markings shall be lined through a statement placed on the cover or first page to indicate the declassification authority, by name and title, and the date of declassification. If practicable, the classification markings on each page shall be cancelled; otherwise, the statement on the cover or first page shall indicate that the declassification applies to the entire document.

(c) *Notification to Holders.* When classified information has been properly marked with specific dates or events for declassification it is not necessary to issue notices of declassification to any holders. However, when declassification action is taken earlier than originally scheduled, or the duration of classification is extended, the authority making such changes shall promptly notify all holders to whom the information was originally transmitted. This notification shall include the marking action to be taken, the authority for the change (name and title), and the effective date of the change. Upon receipt of notification, recipients shall make the proper changes and shall notify holders to whom they have transmitted the classified information.

(d) *Downgrading.* Information designated a particular level of classification may be assigned a lower classification level by the original classifier or by an official authorized to declassify the same information. Prompt notice of such downgrading shall be provided to known holders of the information. Classified information marked for automatic downgrading under previous Executive Orders shall be reviewed to determine that it no longer continues to meet classification requirements despite the passage of time.

Export-Import Bank of the U.S.

§ 403.7

(e) *Transferred Information.* Classified information transferred from one agency to another in conjunction with a transfer of functions, and not merely for storage purposes, shall be considered under the control of the receiving agency for purposes of downgrading and declassification, subject to consultation with any other agency that has an interest in the subject matter of the information. Prior to forwarding classified information to an approved storage facility of the Bank, to a Federal records center, or to the National Archives for permanent preservation, the information shall be reviewed for downgrading or declassification.

§ 403.6 Systematic review for declassification.

Classified information determined by the Archivist of the United States to be of sufficient value to warrant permanent retention will be subject to systematic declassification review by the Archivist in accordance with guidelines provided by the Bank, as originator of the information. These guidelines shall be developed by the Security Officer who is designated by the Bank to assist the Archivist in the review process. The guidelines shall be reviewed every five years or as requested by the Archivist of the United States.

§ 403.7 Mandatory review for declassification.

(a) Classified information under the jurisdiction of the Bank shall be reviewed for declassification upon receipt of a request by a United States citizen or permanent resident alien, a Federal agency, or a State or local government. A request for mandatory review of classified information shall be submitted in writing and describe the information with sufficient particularity to locate it with a reasonable amount of effort. Requests may be addressed to the:

General Counsel, Export-Import Bank of the U.S., 811 Vermont Avenue, NW., Washington, DC 20571

(b) The Bank's response to mandatory review requests will be governed by the amount of search and review time required to process the request. The Bank will acknowledge receipt of all requests, and will inform the re-

quester if additional time is needed to process the request. Except in unusual circumstances, the Bank will make a final determination within one year from the date of receipt of the request.

(c) When information cannot be declassified in its entirety, the Bank will make a reasonable effort to release, consistent with other applicable laws, those declassified portions that constitute a coherent segment.

(d) The bank shall determine whether information under the classification jurisdiction of the Bank or any reasonably segregable portion of it no longer requires protection. If so, the General Counsel shall promptly make such information available to the requester, and shall inform the requester of any fees due before releasing the document. If the information may not be released, in whole or in part, the General Counsel shall give the requester a brief statement of the reasons, and a notice, mailed with return receipt requested, of the right to appeal the determination within 60 days of the denial letter's receipt.

(e) The agency that initially received or classified records containing foreign government information shall be responsible for making a declassification determination on review requests for classified records which contain such foreign government information. Such requests shall be referred to the appropriate agency for action.

(f) When the Bank receives a mandatory declassification review request for records in its possession that were originated by another agency, it shall forward the request to that agency. The Bank may request notification of the declassification determination.

(g) Information originated by a President, the White House staff, by committees, commissions, or boards appointed by the President, or other specifically providing advice and counsel to a President or acting on behalf of a President is exempted from the provisions of mandatory review for declassification, except as consistent with applicable laws that pertain to presidential papers or records.

(h) The bank shall process requests for declassification that are submitted under the provisions of the Freedom of Information Act, as amended, or the

§ 403.8

Privacy Act of 1974, in accordance with the provisions of those acts. (See, 12 CFR part 404 and 12 CFR part 405, respectively.) In any case, however, exemptions under the Freedom of Information Act or other exemptions under applicable law may be invoked by the Bank to deny material on grounds other than classification.

(i) The Bank shall refuse to confirm or deny the existence or non-existence of requested information whenever the fact of its existence or non-existence is itself classifiable under the Order.

§ 403.8 Appeals.

(a) The Vice Chairman is designated to receive appeals on requests for declassification which have been denied by the Bank. Such appeals shall be addressed to:

First Vice President & Vice Chairman, Export-Import Bank of the United States, 811 Vermont Avenue NW., Washington, DC 20571

The appeal must be received within 60 days after receipt by appellant of the denial letter. Appeals shall be decided within 30 days of their receipt by the Vice Chairman.

(1) If the decision is to declassify the materials in their entirety, the Vice Chairman shall promptly make such information available to the requester, and inform the requester of any fees due before releasing the documents.

(2) If the decision is to deny declassification of a portion of the material, the Vice Chairman shall promptly make the part which was declassified available to the requester, and shall advise the requester, in writing, of the reasons for the partial denial of declassification.

(3) If the decision is to deny declassification of all the material, the Vice Chairman shall promptly advise the requester, in writing, of the reasons for such denial.

§ 403.9 Fees.

The following specific fees shall be applicable with respect to services rendered to members of the public under these regulations, by the Bank, except that the search fee will normally be waived when the search involves less than one-half hour of clerical time.

§ 403.10 Safeguarding.

(a) *General Access Requirements.* Except as provided in § 403.10(c), access to classified information shall be granted in accordance with the following:

(1) *Determination of Trustworthiness.* No person shall be given access to classified information or material unless a favorable determination has been made as to his trustworthiness. The determination of eligibility, referred to as a security clearance, shall be based on such investigations as the Bank may require in accordance with the standards and criteria of applicable law and Executive orders.

(2) *Determination of Need to Know.* In addition to a security clearance, a person must have a need for access to the particular classified information or material sought in connection with the performance of official duties or contractual obligations. The determination of that need shall be made by officials having responsibility for the classified information or material.

(b) *Classified Information Nondisclosure Agreement.* All persons with authorized access to classified information shall be required to sign a nondisclosure agreement, Standard Form 189, as a

Export-Import Bank of the U.S.

§ 403.10

condition of access. This form shall be retained in the security file of the individual for 50 years.

(c) *Access by Historical Researchers and Former Presidential Appointees.* The Bank shall obtain written agreements from requesters to safeguard the information to which they are given access as permitted by the Order and written consent to the Bank's review of their notes and manuscripts for the purpose of determining that no classified information is contained therein. A determination of trustworthiness is a precondition to a requester's access. If the access requested by historical researchers and former Presidential Appointees requires the rendering of services for which fair and equitable fees may be charged pursuant to Title 5 of the Independent Offices Appropriations Act, 65 Stat. 290, 31 U.S.C. 483a (1976), the requester shall be so notified and the fees may be imposed.

(d) *Media Contacts.* All contacts by members of the media which concern classified information shall be directed to the attention of the Security Officer, Room 1031, Export-Import Bank of the United States, 811 Vermont Avenue NW., Washington, DC 20571.

(e) *Dissemination.* Except as otherwise provided by directives issued by the President through the National Security Council, classified information originating in another agency and in the possession of the Bank may not be disseminated outside the Bank without the consent of the originating agency.

(f) *Accountability Procedures.* Dissemination of various levels of classified information or material shall be within the control and responsibility of designated control officers. Particularly stringent controls shall be placed on information and material classified as TOP SECRET.

(1) *TOP SECRET.* Designated as TOP SECRET control officers are the Chairman, Vice Chairman and the Security Officer who alone have authority to receive TOP SECRET information for the Bank. Other personnel authorized in writing by the Chairman or Security Officer also may receive TOP SECRET information for the Bank. It shall be the responsibility of these individuals with respect to all TOP SECRET information:

(i) To receive the material for the Bank;

(ii) To maintain registers which will reflect the routing of the material and the return thereof in a reasonable length of time for security storage;

(iii) To dispatch and make record of material disseminated to authorize persons outside the Bank;

(iv) To make a physical inventory of all material at least annually; and

(v) To maintain current access records.

(2) *SECRET.* Designated as SECRET control officers are the Security Officer and the Analysis, Records & Communications Manager, who have the responsibility with respect to all information classified in this category:

(i) To receive the material for the Bank;

(ii) To maintain registers which will reflect the routing of the material and the return thereof in a reasonable length of time for security storage;

(iii) To dispatch and make record of material disseminated to authorized persons outside the Bank;

(iv) To maintain current access records.

(3) *CONFIDENTIAL.* Designated as CONFIDENTIAL control officers are the Security Officer and the Analysis, Records & Communications Manager who have responsibility with respect to all information classified in this category:

(i) To review material for the Bank;

(ii) To route the material to proper Bank offices;

(iii) To dispatch and make record of material disseminated to authorized persons outside the Bank;

(iv) To maintain current access records.

(g) *Storage.* Classified information shall be stored only in facilities or under conditions adequate to prevent unauthorized persons from gaining access to it and in accordance with the Directive as well as General Services Administration standards and specifications. Reference may be made to 32 CFR 2001.41, 2001.43 for preliminary guidance regarding these standards and specifications.

(h) *Coversheets.* Department of State (DSC) classified incoming cables are to

be logged in and routed to the appropriate offices in double envelopes. When these cables are being used in various offices, classified coversheets must be used to protect the documents. This practice eliminates the possibility of inadvertently mixing classified with non-classified material, and promotes security awareness. Coversheets are obtainable from the Office of the Security Director.

(i) *Transmittal.* (1) To be transmitted outside the Bank, all classified documents must be sent through the Security Office and have attached EIB Form 71-2, approved by one of the following: the President and Chairman, First Vice President and Vice Chairman, a Senior Vice President, General Counsel, Vice President or Security Officer.

(2) *Preparation and Receipting.* Classified information shall be enclosed in opaque inner and outer covers before transmitting. The inner cover shall be a sealed wrapper or envelope plainly marked with the assigned classification and addresses of both sender and addressee. Transmittal documents shall indicate on their face the highest level of any information transmitted, and must clearly state whether or not the transmittal document itself is classified after removal of enclosures and attachments. The outer cover shall be sealed and addressed with no identification of the classification of its contents. A receipt shall be attached to or enclosed in the inner cover, except that CONFIDENTIAL information shall require a receipt only if the sender deems it necessary. The receipt shall identify the sender, addressee, and the document but shall contain no classified information. It shall be immediately signed by the recipient and returned to the sender. Any of these wrapping and receipting requirements may be waived by agency heads under conditions that will provide adequate protection and prevent access by unauthorized persons.

(3) *Transmittal of CONFIDENTIAL information.* CONFIDENTIAL information shall be transmitted within and between the fifty States, the District of Columbia, the Commonwealth of Puerto Rico, and U.S. territories or possessions by one of the means estab-

lished for higher classifications, or by United States Postal Service, certified first class, or express mail service, when prescribed by an agency head. Outside these areas, CONFIDENTIAL information shall be transmitted only as is authorized for higher classification levels.

(4) Transmittal of TOP SECRET and SECRET information shall be in accordance with the Directive. Reference may be made to 32 CFR 2001.44 for preliminary guidance.

(j) *Destruction.* Classified information no longer needed in working files or for record or reference purposes shall be processed for appropriate disposition in accordance with Chapters 21 and 33 of title 44 U.S.C., when govern disposition of Federal Records. All classified information approved for destruction must be torn and placed in containers designated as burnbags which are available through the Office Services Section of the Bank. Destruction of such information will be carried out by the Security Officer or a designee by use of a disintegrator or by burning. The method of destruction selected must preclude recognition or reconstruction of the classified information or material. Records of destruction will be maintained by the Security Office for TOP SECRET information and material with serialized markings or material for which there is a special need to record its destruction.

(k) *Reproduction controls.* (1) Reproduction of classified documents is prohibited, except by personnel authorized in writing by the Chairman or Security Officer.

(2) TOP SECRET documents may not be reproduced without the consent of the originating agency unless otherwise marked by the originating office.

(3) Reproduction of SECRET and CONFIDENTIAL documents may be restricted by the originating agency.

(4) Reproduced copies of classified documents are subject to the same accountability and controls as the original documents.

(5) Records shall be maintained by the Security Officer to show the number and distribution or reproduced copies of all TOP SECRET documents, of all documents covered by special access programs distributed outside the

Export-Import Bank of the U.S.

§ 403.11

originating agency, and all SECRET and all CONFIDENTIAL documents which are marked with special dissemination and reproduction limitations.

§ 403.11 Enforcement and investigation procedures.

(a) *Loss or Possible Compromise.* Any person who has knowledge of the loss or possible compromise of classified information shall immediately report the circumstances to the Security Officer of the Bank. In turn, the originating agency shall be notified about the loss or compromise in order that a damage assessment may be conducted and appropriate measures taken to negate or minimize any adverse effect, and prevent further such loss or compromise. An immediate inquiry shall be initiated by the Bank for the purposes: (1) Of determining cause and responsibility and (2) taking corrective measures and appropriate administrative, disciplinary, or legal action.

(b) *Reporting and Investigating Unauthorized Disclosures.* (1) Employees who have reason to believe that an unauthorized disclosure of classified information has occurred shall report the disclosure to their supervisor, who shall inform the Security Officer.

(2) The Bank shall promptly notify the Information Security Oversight Office at the General Services Administration, Washington, DC 20405, of all unauthorized disclosures of classified information.

(3) If the Bank believes that it is the source of an unauthorized disclosure of classified information that it originated, it shall evaluate the disclosure under paragraph (b)(7) of this section. If the disclosure is serious, the Bank shall report the disclosure and the results of the evaluation to the Department of Justice together with notification that it is conducting an internal investigation.

(4) If the Bank believes that it is the source of an unauthorized disclosure of classified information that it handled but did not originate, it shall report the disclosure to the Department of Justice and to the originating agency(ies) or department(s) for evaluation under paragraph (b)(7) of this section. If the Bank cannot determine the identity of the originating agency(ies) or

department(s), it shall report the disclosure to the Department of Justice together with any information or reasonable inferences as to the identity of the originating agency(ies) or department(s).

(5) If the Bank receives a request for an evaluation of information it originated, it shall, if the evaluation shows the disclosure was serious, inform the agency(ies) or department(s) from which the disclosure occurred of this conclusion and request that the agency(ies) or department(s) conduct an internal investigation.

(6) If the Bank determines that an unauthorized disclosure of classified information has occurred but that it neither originated, handled nor disclosed the information, it shall report the disclosure to the likely originating agency(ies) or department(s).

(7) In determining whether a disclosure is sufficiently serious to warrant reporting to the Department of Justice, the Bank, if it is the originating agency, shall ascertain the nature of the disclosed information, determine the extent to which it disseminated the information and evaluate the disclosure to determine whether it seriously damages its mission and responsibilities. In evaluating the damage caused by the disclosure, the Bank shall consider such matters as whether the disclosure jeopardizes an ongoing project, operation or source of information and to what extent the policy goals underlying the project or operation must be altered.

(8) In any instance where the Bank is determined to be the source of an unauthorized disclosure and an evaluation by the Bank or the originating agency(ies) or department(s) determines the disclosure to be of a serious nature, an internal investigation will be initiated and an investigation report, containing such information as may be required by the Department of Justice, will be submitted to the Department of Justice within 15 days after notification from the originating agency or Department of Justice, but in any case no later than 30 days. If the investigation report is not completed within 15 days, the Bank shall submit as much of the required information as is available at that time and furnish

Pt. 404

12 CFR Ch. IV (1-1-03 Edition)

additional information as it is developed.

(9) Whenever the Bank determines during the course of an investigation that it is necessary to compel or induce the cooperation of an employee, the Bank shall first consult with the Department of Justice. The Department of Justice will coordinate with the Bank to determine the procedures the Bank may use to compel an employee's participation without foreclosing possible criminal proceedings.

(10) The Bank shall maintain records of all disclosures that have been reported or investigated.

(11) All employees shall cooperate fully with officials of the Bank or other agencies who are conducting investigations of unauthorized disclosures of classified information.

(12) Employees determined by the Bank to have knowingly participated in an unauthorized disclosure of classified information or who have refused to cooperate with an investigation of such a disclosure shall be denied further access to classified information and shall be subject to other appropriate administrative sanctions. Prior to taking action against an employee in connection with the unauthorized disclosure or classified information, the Bank shall consult with the Department of Justice, Criminal Division.

Subpart A—Procedures for Disclosure of Records Under the Freedom of Information Act.

§ 404.1 General provisions.

(a) *Purpose.* This subpart establishes policy, procedures, requirements, and responsibilities for administration of the Freedom of Information Act (FOIA), 5 U.S.C. 552, at the Export-Import Bank of the United States (Ex-Im Bank).

(b) *Policy.* It is Ex-Im Bank's policy to honor all requests for the disclosure of its records, provided that disclosure would not adversely affect a legitimate public or private interest and would not impose an unreasonable burden on Ex-Im Bank. However, this subpart also recognizes that the soundness of many Ex-Im Bank programs depends upon the receipt of reliable commercial, technical, financial, and business information relating to applicants for Ex-Im Bank assistance and that receipt of such information depends on Ex-Im

Export-Import Bank of the U.S.

§ 404.2

Bank's ability to hold such information in confidence. Consequently, except as provided by applicable law and this regulation, information provided to Ex-Im Bank in confidence will not be disclosed without the submitter's consent.

(c) *Scope.* All record requests made to Ex-Im Bank shall be processed under this subpart, except that information customarily furnished to the public in the regular course of the performance of official duties may continue to be furnished to the public without complying with this subpart. Requests made by individuals under the Privacy Act of 1974 which are processed under subpart B of this part also shall be processed under this subpart A.

(d) *Ex-Im Bank Internet site.* Ex-Im Bank maintains an Internet site at <http://www.exim.gov>. The site contains information on Ex-Im Bank functions, activities, programs, and transactions. Web site visitors have access to Board of Directors and Loan Committee meeting minutes, country information, and Ex-Im Bank press releases, among other information. Ex-Im Bank encourages all prospective FOIA requesters to visit the site prior to submission of a FOIA request.

§ 404.4 Request requirements.

(a) *Form*. Requests must be made in writing and must be signed by, or on behalf of, the requester. Requests should be addressed to the Freedom of Information and Privacy Office at the address in § 404.1(f) and should contain both the return address and telephone number of the requester.

(b) *Description of records requested*. Each request must describe the records sought in sufficient detail so as to enable a professional employee of Ex-Im Bank familiar with the subject matter of the request to locate the record with a reasonable amount of effort. A request shall not be deemed to have been received until such time as the request adequately identifies the records sought. To the extent practicable, a description should include relevant dates, format, subject matter, and the name of any person to whom the record is known to relate. A general request for records with no accompanying date restriction, either express or implied, shall be deemed to be a request for records created within the preceding twelve months.

(c) *Fee statement*. The request must contain a statement expressing willingness to pay fees for the requested records or a request for a fee waiver (see § 404.10) before the request shall be deemed to have been received. A fee statement may specify the maximum amount a requester is willing to pay for processing the request.

(1) Whenever a requester submits a FOIA request that does not contain a fee statement or a request for a fee waiver, Ex-Im Bank shall advise the requester of the requirements of this paragraph. If the requester fails to respond within ten working days of such notification, then the Freedom of Information and Privacy Office shall notify the requester, in writing, that Ex-Im Bank will not process the request.

(2) A general statement by the requester expressing willingness to pay all applicable fees under § 404.9 shall be deemed an agreement to pay up to \$50.00. If Ex-Im Bank estimates that the fees for a request will exceed \$50.00, then Ex-Im Bank shall offer the requester the opportunity to agree, in writing, either to pay a greater fee or

to modify the request as a means of limiting the cost.

(d) *Written notice of amendment.* The requester should provide any amendment to the original request in writing to Ex-Im Bank.

(e) *Requester assistance.* Ex-Im Bank shall make reasonable efforts to assist a requester in complying with the requirements of this section.

§ 404.5 Time for processing.

(a) *General.* Ex-Im Bank shall respond to requests within twenty working days of the date of receipt of the request unless unusual circumstances exist. Ex-Im Bank shall provide written notice to the requester whenever such unusual circumstances necessitate an extension. If the extension is expected to exceed ten working days, then Ex-Im Bank shall offer the requester the opportunity to:

(1) Alter the request so that it may be processed within the time limit; or

(2) Propose an alternative, feasible time frame for processing the request.

(b) *Date of receipt.* A request shall be deemed to have been received on the date that the request is received in the Freedom of Information and Privacy Office, provided that the requester has met all the requirements of § 404.4. Ex-Im Bank shall notify the requester of the date on which a request was officially received.

(c) *Order of processing.* Ex-Im Bank ordinarily shall process requests according to their order of receipt.

(d) *Expedited processing.* A request for expedited processing must be included in the original request for records and may be granted at the discretion of Ex-Im Bank based upon the requester's demonstration of:

(1) An imminent threat to the life or physical safety of an individual; or

(2) In the case of a requester who is a representative of the news media, an urgency to inform the public concerning actual or alleged Federal Government activity. Ex-Im Bank shall provide notice of its determination on expedited processing to the requester. A requester may file an administrative appeal, as set forth at § 404.11, based on a denial of a request for expedited processing. Ex-Im Bank shall grant expeditious consideration to any such appeal.

§ 404.6 Release of records under the Freedom of Information Act.

(a) *Creation of records.* A reasonable request for material not in existence may be honored at Ex-Im Bank's discretion when tabulation or compilation will not significantly burden Ex-Im Bank, its programs or its activities.

(b) *Discretionary release.* Consistent with federal government policy, material technically qualifying for exemption from disclosure under 5 U.S.C. 552(b)(5) may be made available when disclosure would not adversely affect legitimate public or private interests, violate law or impose an unreasonable burden on Ex-Im Bank. This policy does not, however, create any right enforceable in a court of law.

(c) *Segregable records.* Whenever it is determined that a portion of a record is exempt from disclosure, any reasonably segregable portion of the record shall be provided to the requester after redaction of the exempt material. If segregation would render the document meaningless, Ex-Im Bank shall withhold the entire record.

(d) *Date for determining responsive records.* Only those records within Ex-Im Bank's possession and control as of the date of receipt of a request shall be deemed to be responsive to a request.

§ 404.7 Confidential business information.

(a) *Scope.* This section applies to all business information, as defined in § 404.2. Such information shall only be disclosed pursuant to a FOIA request in accordance with this section.

(b) *Submitter designation.* All business submitters should designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, any portion of such submission that they consider to be exempt from disclosure under 5 U.S.C. 552(b)(4).

(c) *Pre-disclosure notice to the business submitter.* Whenever Ex-Im Bank receives a FOIA request seeking disclosure of business information, Ex-Im Bank shall provide prompt written notice to the submitter of such information. This notice shall include a description or a copy of the records containing the business information. Such notice shall not be required, however, if:

(3) disclosure of the records is required by law.

(d) *Opportunity to object to disclosure.* The business submitter shall have ten working days from and including the date of the notification letter to provide Ex-Im Bank with a detailed statement of any objection to disclosure of the records. A submitter located outside the United States shall have twenty working days to object to disclosure. Ex-Im Bank may extend the time for objection upon timely request from the submitter and for good cause shown. A statement of objection must specify all grounds under the FOIA for withholding the information.

(e) *Notice to the requester.* The Freedom of Information and Privacy Office shall notify the requester in writing whenever a business submitter is afforded the opportunity to object to disclosure of records pursuant to paragraph (c) of this section.

(f) *Disclosure of confidential business information.* Ex-Im Bank shall consider any objections raised by the business submitter prior to making its disclosure decision.

(g) *Notice of intent to disclose.* Whenever Ex-Im Bank determines to disclose business information over the objection of a business submitter, Ex-Im Bank shall notify the business submitter, in writing, of such determination, the reasons for the decision, and the expected disclosure date. This notification—which shall be provided at least ten days prior to the planned disclosure date and which shall include a copy or description of the records at issue—is intended to afford the submitter the opportunity to seek judicial review.

(h) *Notice to requester of disclosure date.* If Ex-Im Bank determines to disclose records over a business submitter's objection, then Ex-Im Bank shall notify the requester of the expected disclosure date.

(i) *Appeal.* Whenever Ex-Im Bank determines to disclose, pursuant to an administrative appeal, business information that initially was withheld

from disclosure under 5 U.S.C. 552(b)(4), Ex-Im Bank shall notify the business submitter. Such notice shall be in writing and shall be provided ten working days prior to the proposed disclosure date. It shall include a copy or description of the records at issue and a statement of Ex-Im Bank's reasons for disclosure.

(j) *Notice of FOIA lawsuit.* Ex-Im Bank shall promptly notify the submitter whenever a requester brings suit against Ex-Im Bank seeking to compel the release of business information covered by this section. Ex-Im Bank shall promptly notify the requester when a submitter brings suit against Ex-Im seeking to restrict the release of business information that is covered by this section.

(k) *Exception.* Notwithstanding the foregoing provisions of this part, Ex-Im Bank may, upon request or on its own initiative, publicly disclose the parties to transactions for which Ex-Im Bank approves support, the amount of such support, the identity of any participants involved, a general description of the related U.S. exports, and the country to which such exports are destined.

§ 404.8 Initial determination.

(a) *Authority to grant or deny requests.* The Freedom of Information and Privacy Office shall be responsible for search, review, and the initial determination.

(b) *Referrals to other government agencies.* A requested record in Ex-Im Bank's possession that was created or classified by another Federal agency shall be referred to such agency for direct response to the requester. The Freedom of Information and Privacy Office shall notify the requester of any such referral, the number of documents so referred, and the name and address of each agency to which the request has been referred.

(c) *Notification of Ex-Im Bank action.* The Freedom of Information and Privacy Office shall notify the requester in writing of its decision to grant or deny the request.

(1) If the decision is made to grant a request, then Ex-Im Bank shall promptly disclose the requested records and shall inform the requester of any fee payable under § 404.9.

§ 404.9

(2) A denial is a determination to withhold any requested record in whole or in part, a determination that a requested record does not exist or cannot be located or a determination that what has been requested is not a record subject to the FOIA. Whenever Ex-Im Bank withholds information, such notice shall include:

(i) The name, title, and signature of the person responsible for the determination;

(ii) The statutory basis for non-disclosure; and

(iii) A statement that any denial may be appealed under § 404.11 and a brief description of the requirements of that section.

(d) *Material withheld.* Ex-Im Bank shall make reasonable efforts to inform the requester of the volume of material withheld pursuant to a full or partial denial and the extent of any redaction. Ex-Im Bank shall not, however, indicate the extent of any denial when doing so could harm an interest protected by an applicable exemption.

§ 404.9 Schedule of fees.

(a) *General.* Ex-Im Bank shall charge fees to recover the full allowable direct costs it incurs in processing requests. Ex-Im Bank shall attempt to conduct searches in the most efficient manner to minimize costs for both Ex-Im Bank and the requester.

Ex-Im Bank shall charge, however, for search and review pursuant to an administrative appeal if the appeal is based on a claim other than the application of an exemption in the initial determination.

(e) *Duplication.* Ex-Im Bank shall charge \$.10 per page for paper copy duplication. Ex-Im Bank shall charge the actual or estimated cost of copies prepared by computer, such as tape or printouts, or for other methods of duplication. When duplication charges are expected to exceed \$50.00, Ex-Im Bank shall seek the requester's consent to be responsible for the estimated charges unless a requester has already expressed a willingness to pay duplication fees in excess of \$50.00. Ex-Im Bank shall also offer the requester the opportunity to alter the request in order to reduce duplication costs.

(f) *Fees for searches that produce no records.* Fees shall be payable as provided in this section even though searches and review do not generate any disclosable records.

(g) *Aggregating requests.* A requester, or a group of requesters acting in concert, shall not file multiple requests, seeking portions of a record or similar or related records, in order to avoid payment of fees. Ex-Im Bank shall aggregate any such requests and charge as if the requests were a single request.

§ 404.20

(e) *Statement of disagreement.* Upon denial of a correction appeal, the appellant shall have the right to file a statement of disagreement with Ex-Im Bank, setting forth his or her reasons for disagreeing with the Agency's action. The statement should be addressed to the Freedom of Information and Privacy Office at the address in §404.12(e) and must be received within thirty working days of Ex-Im Bank's issuance of the denial notice. A statement of disagreement must not exceed one typed page per fact disputed. Statements exceeding this limit shall be returned to the requester for editing. Upon receipt of a statement of disagreement under this section, the Freedom of Information and Privacy Office shall have the statement included in the system of records in which the disputed record is maintained and shall have the disputed record marked so as to indicate that a Statement of Disagreement has been filed. Ex-Im Bank may also append to the disputed record a written statement regarding Ex-Im Bank's reasons for denying the request to correct the record.

(f) *Notices of correction or disagreement.* In any disclosure of a record for which Ex-Im Bank has received a statement of disagreement, Ex-Im Bank shall clearly note any portion of the record which is disputed and shall provide a copy of the statement of disagreement. Ex-Im Bank also may provide its own statement regarding the disputed record. In addition, whenever Ex-Im Bank corrects a record or receives a statement of disagreement, Ex-Im Bank shall, as is reasonable under the circumstances, advise any person or agency to which it previously disclosed such record of the correction or statement, provided that an accounting of such disclosure exists.

§ 404.19 Request for accounting of record disclosures.

(a) *Required information.* With respect to each system of records under Ex-Im Bank control, Ex-Im Bank shall maintain an accurate accounting of the date, nature, and purpose of each external disclosure of a record and the name and address of all persons, organizations, and agencies to which disclosure has been made. Ex-Im Bank shall re-

tain this accounting for at least five years or the life of the record, whichever is longer.

(b) *Form.* An individual may obtain an accounting of all disclosures of a record, provided that such individual establishes his or her identity as the subject of such record in accordance with the procedures set forth at §404.14(d) and (e). A request for an accounting must be made in writing and must be signed by the requester. The request should be addressed to the Freedom of Information and Privacy Office at the address in §404.12(e) and should contain both the return address and telephone number of the requester. Both the envelope and the request itself should be clearly be marked in capital letters: "PRIVACY ACT ACCOUNTING REQUEST." Failure to properly mark or address the request may slow its processing. The request shall not be deemed to have been received by Ex-Im Bank until the Freedom of Information and Privacy Office receives the request. The letter must clearly identify the particular record for which the accounting is requested.

(c) *Initial determination.* The Freedom of Information and Privacy Office shall notify the requester whether the request will be granted or denied within ten working days of receipt of a valid request for an accounting. Ex-Im Bank shall not charge for processing such a request.

(d) *Exceptions.* Ex-Im Bank shall not be required to provide an accounting to an individual when the accounting relates to a disclosure made:

- (1) To an employee within the agency;
- (2) Under the FOIA; or
- (3) To a law enforcement agency for an authorized law enforcement activity in response to a written request from such agency which specified the law enforcement activity for which the disclosure was sought.

§ 404.20 Notice of court-ordered and emergency disclosures.

(a) *Court-ordered disclosures.* When a record pertaining to an individual is required to be disclosed by a court order, the Assistant General Counsel for Administration shall make reasonable efforts to provide notice to the subject

§ 404.21

individual. Notice shall be given within a reasonable time after Ex-Im Bank's receipt of the order, except that in a case in which the order is not a matter of public record, notice shall be given only after the order becomes public. Such notice shall be mailed to the individual's last known address and shall contain a copy of the order and a description of the information disclosed.

(b) *Emergency disclosures.* If a record has been disclosed by Ex-Im Bank under compelling circumstances affecting the health or safety of any person, then, within ten working days, the Assistant General Counsel for Administration shall notify the subject individual of the disclosure at his or her last known address. The notice of such disclosure shall be in writing and shall state the:

- (1) Nature of the information disclosed;
- (2) Person, organization or agency to which it was disclosed;
- (3) Date of disclosure; and
- (4) Compelling circumstances justifying the disclosure.

§ 404.21 Submission of social security and passport numbers.

(a) *Policy.* Ex-Im Bank recognizes the importance of assessing, to the extent reasonably possible, the risks associated with transactions supported by Ex-Im Bank. It is often difficult to assess risks related to individuals and non-publicly traded entities. Therefore, when an individual or a non-publicly traded entity applies for participation in an Ex-Im Bank program or is proposed as a guarantor for an Ex-Im Bank transaction, Ex-Im Bank may request social security and/or U.S. passport numbers from such individual or from the principals of such entity. Ex-Im Bank shall not require submission of this information, and unwillingness or inability to provide a social security or passport number shall not affect Ex-Im Bank's decision on an application for Ex-Im Bank assistance.

(b) *Use.* Ex-Im Bank shall use social security and passport numbers to assess the creditworthiness of Ex-Im Bank program participants and as a mechanism for enforcing agreements

with Ex-Im Bank. Such information shall not be disclosed, except as warranted by law and regulation.

(c) *Notice.* Whenever Ex-Im Bank requests a social security or passport number, Ex-Im Bank shall place an appropriate Privacy Act notification on the form used to collect the information.

§ 404.22 Government contracts.

(a) *Approval by Assistant General Counsel for Administration.* Ex-Im Bank shall not contract for the operation of a system of records or for an activity that requires access to a system of records without the express, written approval of the Assistant General Counsel for Administration.

(b) *Contract clauses.* Any contract authorized under paragraph (a) of this section shall contain the standard contract clauses required by the Federal Acquisition Regulation (48 CFR 24.104) to ensure compliance with the requirements imposed by the Privacy Act. The division within Ex-Im Bank that is responsible for technical supervision of the contract shall be responsible for ensuring that the contractor complies with the Privacy Act contract requirements.

(c) *Contractor status.* Any contractor that operates an Ex-Im Bank system of records or engages in an activity that requires access to an Ex-Im Bank system of records shall be considered an Ex-Im Bank employee for purposes of this subpart. Ex-Im Bank shall supply any such contractor with a copy of the regulations in this subpart upon entering into a contract with Ex-Im Bank.

§ 404.23 Other rights and services.

Nothing in this subpart shall be construed to entitle any person to any service or to the disclosure of any record to which such person is not entitled under the Privacy Act.

AUTHORITY: National Environmental Policy Act of 1969; 42 U.S.C. 4321 *et seq.*

SOURCE: 44 FR 50811, Aug. 30, 1979, unless otherwise noted.

Subpart A—General

§ 408.1 Background.

(a) The National Environmental Policy Act (NEPA) of 1969 (42 U.S.C. 4321 *et seq.*) establishes national policies and goals for the protection of the environment. Section 102(2) of NEPA contains certain procedural requirements directed toward the attainment of such goals. In particular, all Federal agencies are required to give appropriate consideration to the environmental effects of their proposed actions in their decision-making and to prepare detailed environmental statements on recommendations or reports on proposals for legislation and other major Federal Actions significantly affecting the quality of the human environment.

(b) Executive Order 11991 of May 24, 1977, directed the Council on Environmental Quality (CEQ) to issue regulations to implement the procedural provisions of NEPA (NEPA Regulations). Accordingly, CEQ issued final NEPA Regulations which are binding on all Federal agencies as of July 30, 1979 (40 CFR parts 1500 through 1508) on November 29, 1979. These Regulations provide that each Federal agency shall as necessary adopt implementing procedures to supplement the NEPA Regulations. Section 1507.3(b) of the NEPA Regulations identifies those sections of the NEPA Regulations which must be addressed in agency procedures.

§ 408.2 Purpose.

The purpose of this part is to establish procedures which supplement the NEPA Regulations and provide for the implementation of those provisions

identified in §1507.3(b) of the NEPA Regulations.

§ 408.3 Applicability.

Historically, virtually all financing provided by Eximbank has been in aid of U.S. exports which involve no effects on the quality of the environment within the United States, its territories or possessions. Eximbank has separate procedures for conducting environmental reviews where such reviews are required by E.O. 12114 (January 4, 1979) because of potential effects on the environment of global commons areas or on the environment of foreign nations. The procedures set forth in this part apply to the relatively rare cases where Eximbank financing of U.S. exports may affect environmental quality in the United States, its territories or possessions.

Subpart B—Eximbank Implementing Procedures

§ 408.4 Early involvement in foreign activities for which Eximbank financing may be requested.

(a) Section 1501.2(d) of the NEPA Regulations requires agencies to provide for early involvement in actions which, while planned by private applicants or other non-Federal entities, require some form of Federal approval. Pursuant to the Export-Import Bank Act of 1945, as amended, Eximbank is asked to provide financing for transactions involving exports of U.S. goods and services for projects in foreign countries which are planned by non-U.S. entities (Transactions).

(b) To implement the requirements of §1501.2(d) with respect to these Transactions, Eximbank:

(1) Will provide on a project-by-project basis to applicant seeking financing from Eximbank guidance as to the scope and level of environmental information to be used in evaluating a proposed Transaction where: (i) The proposed Eximbank financing would be a major action and (ii) a Transaction may significantly affect the quality of the human environment in the United States, its territories or possessions.

(2) Upon receipt of an application for Eximbank financing or notification that an application will be filed, will

§ 408.5

12 CFR Ch. IV (1–1–03 Edition)

consult as required with other appropriate parties to initiate and coordinate the necessary environmental analyses.

These responsibilities will be performed by the General Counsel and the Engineers of Eximbank.

(c) To facilitate Eximbank review of Transactions for which positive determinations have been made under paragraphs (b)(1)(i) and (ii) of this section, applicants should:

(1) Consult with the Engineer as early as possible in the planning process for guidance on the scope and level of environmental information required to be submitted in support of their application;

(2) Conduct any studies which are deemed necessary and appropriate by Eximbank to determine the impact of the proposed action on the quality of the human environment;

(3) Consult with appropriate U.S. (Federal, regional, State and local) agencies and other potentially interested parties during preliminary planning stages to ensure that all environmental factors are identified;

(4) Submit applications for all U.S. (Federal, regional, State and local) approvals as early as possible in the planning process;

(5) Notify Eximbank as early as possible of all other applicable legal requirements for project completion so that all applicable Federal environmental reviews may be coordinated; and

(6) Notify Eximbank of all known parties potentially affected by or interested in the proposed action.

§ 408.5 Ensuring environmental documents are actually considered in Agency decision-making.

Section 1505.1 of the NEPA Regulations contains requirements to ensure adequate consideration of environmental documents in agency decision-making. To implement these requirements, Eximbank officials will:

(a) Consider all relevant environmental documents in evaluating applications for Eximbank financing;

(b) Ensure that all relevant environmental documents, comments and responses accompany the application through Eximbank’s review processes;

(c) Consider only those alternatives encompassed by the range of alternatives discussed in the relevant environmental documents when evaluating an application which is the subject of an EIS.

Eximbank actions	Start of NEPA process	Completion of NEPA process	Key officials or offices required to consider environmental documents
Issuance of Preliminary Commitment (P.C.).	When application is received.	When the Board of Directors meets to consider application. The Board may notify applicant that environmental effects will be considered when final commitment is requested and request information on environmental matters.	Under § 408.4(b)(1) (i) and (ii), General Counsel to determine whether requested Eximbank financing is a major action and Engineer to determine whether proposed Transaction may significantly affect the quality of the human environment in the United States, its territories or possessions.
Issuance of Final Commitment.	When application is received.	When the Board of Directors meets to consider application.	(If no P.C. has been issued, key offices will make determinations mentioned above.) Engineer to collect, prepare or arrange for preparation of all environmental documents.

§ 408.6 Typical classes of action.

(a) Section 1507.3(c)(2) of the NEPA Regulations in conjunction with § 1508.4 thereof requires agencies to establish

three typical classes of action for similar treatment under NEPA. These typical classes of action are set forth below:

Actions normally requiring EIS's	Actions normally requiring assessments but not necessarily EIS's	Actions normally not requiring assessments or EIS's
None	Applications for Eximbank financing under the direct lending program in support of transactions for which determinations under § 408.4(b)(1) (i) and (ii) above may be affirmative.	Applications for Eximbank financing in the form of insurance or guarantees.

Export-Import Bank of the U.S.

§ 410.103

(b) Eximbank will independently determine whether an EIS or an environmental assessment is required where:

(1) A proposal for agency action is not covered by one of the typical classes of action above; or

(2) For actions which are covered, the presence of extraordinary circumstances indicates that some other level of environmental review may be appropriate.

§ 408.7 Environmental information.

Interested persons may contact the General Counsel regarding Eximbank's compliance with NEPA.

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

§§ 410.131–410.139 [Reserved]

§ 410.140 **Employment.**

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 410.141–410.148 [Reserved]

§ 410.149 **Program accessibility: Discrimination prohibited.**

Except as otherwise provided in § 410.150, no qualified handicapped person shall, because the agency's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 410.150 **Program accessibility: Existing facilities.**

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons; or

(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 410.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee

after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) *Methods.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151 through 4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by June 6, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by April 7, 1989, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by

October 7, 1986, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§410.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151 through 4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§410.152-410.159 [Reserved]

§410.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and

enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §410.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure

that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 410.161–410.169 [Reserved]

§ 410.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) General Counsel, Export-Import Bank of the United States shall be responsible for coordinating implementation of this section. Complaints may be sent to General Counsel, Export-Import Bank of the United States, 811 Vermont Avenue, NW., Room 947, Washington, DC 20571.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151 through 4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found;

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §410.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

mal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Pub. L. 95–507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 411.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 411.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, *professional and technical services* shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer)

or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§411.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§411.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §411.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly

in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §411.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, *professional and technical services* shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation,

§ 411.400

submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include those consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 411.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

12 CFR Ch. IV (1–1–03 Edition)

(e) First offenders under paragraph (a) or (b) of this section shall be subject to a civil penalty of \$10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between \$10,000 and \$100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

§ 411.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 411.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 411.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 411.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the

Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate

and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 411.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President's Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency's covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Submission of this statement is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required statement shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

SOURCE: 59 FR 31136, June 17, 1994, unless otherwise noted.

§ 412.1 Authority.

This part is issued under the authority of 5 U.S.C. 553, 5 U.S.C. 5701-5709 and 12 U.S.C. 635(2)(a)(1).

§ 412.3 General.

(a) *Applicability.* This part applies to acceptance by the Export-Import Bank of the United States (Eximbank) of payment from a non-Federal source for travel, subsistence, and related expenses with respect to the attendance of an employee in a travel status at any meeting or similar event relating to the official duties of the employee, other than those described in 41 CFR 304-1.2. This part does not authorize acceptance of such payments by an employee in his/her personal capacity.

(b) *Solicitation prohibited.* An employee shall not solicit payment for travel, subsistence and related expenses from a non-Federal source. However, after receipt of an invitation from a non-Federal source to attend a meeting or similar event, Eximbank or the employee may inform the non-Federal source of this authority.

(c) *Definitions.* As used in this part, the following definitions apply:

(1) *Conflicting non-Federal source.* *Conflicting non-Federal source* means any person who, or entity other than the Government of the United States which, has interests that may be substantially affected by the performance or nonperformance of the employee's duties.

(2) *Employee.* *Employee* means any director, officer or other employee of Eximbank.

(3) *Meeting or similar event.* *Meeting or similar event* means a meeting, formal gathering, site visit, negotiation session or similar event that takes place away from the employee's official station and which is directly related to the mission of Eximbank. This term does not include any meeting or similar function described in 41 CFR 304-1.2 or sponsored by Eximbank. A meeting or similar event need not be widely attended for purposes of this definition.

(4) *Non-Federal source.* *Non-Federal source* means any person or entity other than the Government of the United States. The term includes any individual, private or commercial entity, nonprofit organization or association, state, local, or foreign government, or international or multinational organization.

(5) *Payment.* *Payment* means funds paid or reimbursed to Eximbank by a non-Federal source for travel, subsistence, and related expenses by check or similar instrument, or payment in kind.

(6) *Payment in kind.* *Payment in kind* means goods, services or other benefits provided by a non-Federal source for travel, subsistence, and related expenses in lieu of funds paid to Eximbank by check or similar instrument for the same purpose.

(7) *Travel, subsistence and related expenses.* *Travel, subsistence and related expenses* means the same types of expenses payable under 41 CFR chapter 301.

§ 412.5 Policy.

As provided in this part, Eximbank may accept payment from a non-Federal source (or authorize an employee to receive such payment on its behalf) with respect to attendance of the employee at a meeting or similar event which the employee has been authorized to attend in an official capacity on behalf of Eximbank. The employee's immediate supervisor and Eximbank's designated agency ethics official or his/her designee (DAEO) must approve any offer and acceptance of payment under this part in accordance with the procedures described below. If the employee is a member of Eximbank's Board of Directors, only the DAEO's approval is required. Any employee authorized to

Export-Import Bank of the U.S.

travel in accordance with this part is subject to the maximum per diem or actual subsistence expense rates and transportation class of service limitations prescribed in 41 CFR chapter 301.

§ 412.7 Conditions for acceptance.

(a) Eximbank may accept payment for employee travel from a non-Federal source when a written authorization to accept payment is issued in advance of the travel following a determination by the employee's supervisor (except in the case of Board members) and the DAEO that the payment is:

(1) For travel relating to an employee's official duties under an official travel authorization issued to the employee;

(2) For attendance at a meeting or similar event as defined in § 412.3(c)(3):

(i) In which the employee's participation is necessary in order to further the mission of Eximbank;

(ii) Which cannot be held at the offices of Eximbank for justifiable business reasons in light of the location and number of participants and the purpose of the meeting or similar event; and

(iii) Which is taking place at a location and for a period of time that is appropriate for the purpose of the meeting or similar event;

(3) From a non-Federal source that is not a conflicting non-Federal source or from a conflicting non-Federal source that has been approved under § 412.9; and

(4) In an amount which does not exceed the maximum per diem or actual subsistence expense rates and transportation class of service limitations prescribed in 41 CFR chapter 301.

(b) An employee requesting approval of payment of travel expenses by a non-Federal source under this part shall submit to the employee's supervisor (except in the case of Board members) and the DAEO a written description of the following: the nature of the meeting or similar event and the reason that it cannot be held at Eximbank, the date(s) and location of the meeting or similar event, the identities of all participants in the meeting or similar event, the name of the non-Federal source offering to make the payment, the amount and method of the pro-

§ 412.13

posed payment, and the nature of the expenses.

(c) Payments may be accepted from multiple sources under paragraph (a) of this section.

§ 412.9 Conflict of interest analysis.

Eximbank may accept payment from a conflicting non-Federal source if the conditions of § 412.7 are met and the employee's supervisor (except in the case of Board members) and the DAEO determine that Eximbank's interest in the employee's attendance at or participation in the meeting or similar event outweighs concern that acceptance of the payment by Eximbank may cause a reasonable person to question the integrity of Eximbank's programs and operations. In determining whether to accept payment, Eximbank shall consider all relevant factors, including the purpose of the meeting or similar event, the importance of the travel for Eximbank, the nature and sensitivity of any pending matter affecting the interests of the conflicting non-Federal source, the significance of the employee's role in any such matter, the identity of other expected participants, and the location and duration of the meeting or similar event.

§ 412.11 Payment guidelines.

(a) Payments from a non-Federal source, other than payments in kind, shall be by check or similar instrument made payable to Eximbank. Payments from a non-Federal source, including payments in kind, are subject to the maximum per diem or actual subsistence expense rates and transportation class of service limitations prescribed in 41 CFR chapter 301.

(b) If Eximbank determines in advance of the travel that a payment covers some but not all of the per diem costs to be incurred by the employee, Eximbank shall authorize a reduced per diem rate, in accordance with 41 CFR part 301-7.12.

§ 412.13 Limitations and penalties.

(a) This part is in addition to and not in place of any other authority under which Eximbank may accept payment from a non-Federal source or authorize an employee to accept such payment on behalf of Eximbank. This part shall

§412.13

not be applied in connection with the acceptance by Eximbank of payment for travel, subsistence, and related expenses incurred by an employee to attend a meeting or similar function described in and authorized by 41 CFR part 304-1.

(b) An employee who accepts any payment in violation of this part is subject to the following:

(1) The employee may be required, in addition to any penalty provided by

12 CFR Ch. IV (1-1-03 Edition)

law and applicable regulations, to repay for deposit to the general fund of the Treasury, an amount equal to the amount of the payment so accepted; and

(2) When repayment is required under paragraph (b)(1) of this section, the employee shall not be entitled to any payment or reimbursement from Eximbank for such expenses.
