Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.....	as of January 1
Title 17 through Title 27.....	as of April 1
Title 28 through Title 41.....	as of July 1
Title 42 through Title 50.....	as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, January 1, 2003), consult the "List of CFR Sections Affected (LSA)," which is issued monthly, and the "Cumulative List of Parts Affected," which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.

Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 2001, consult either the List of CFR Sections Affected, 1949–1963, 1964–1972, 1973–1985, or 1986–2000, published in 11 separate volumes. For the period beginning January 1, 2001, a “List of CFR Sections Affected” is published at the end of each CFR volume.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

- (a) The incorporation will substantially reduce the volume of material published in the Federal Register.
- (b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.
- (c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

Properly approved incorporations by reference in this volume are listed in the Finding Aids at the end of this volume.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed in the Finding Aids of this volume as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, Washington DC 20408, or call (202) 741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

Subpart B—General Organization

§ 905.10 Board of Directors.

The Board of Directors consists of five members (“Directors”). Four Directors are appointed by the President, with the advice and consent of the Senate, for seven-year terms. The fifth Director, the Secretary of Housing and Urban Development, is an *ex officio* Director. Not more than three Directors may belong to the same political party.

§ 905.11

By law, the four appointed Directors must have backgrounds in housing finance or a demonstrated commitment to providing specialized housing credit, and one such Director must have a background with an organization with a two-year record of representing consumer or community interests on either banking services, credit needs, financial consumer protection or housing. The Board of Directors sets agency policy and issues resolutions, rules, regulations and orders, as necessary.

§ 905.11 Chairperson.

The President designates one appointed Director as Chairperson of the Board of Directors, who presides over the meetings of the Board of Directors. The Board of Directors has delegated, by resolution, the responsibility of overall management and organizational or personnel administration of the Finance Board to the Chairperson.

§ 905.12 Office of the Managing Director.

(a) The Managing Director is the Finance Board's chief operating officer. By order of the Chairperson, the Managing Director has been delegated the authority and power necessary and convenient to effect the day-to-day management, functioning, and organization of the Finance Board, including the authority to appoint, remove, promote, direct, set compensation for, and pay Finance Board personnel. The Managing Director is authorized to execute documents on behalf of the Board of Directors, including regulations, resolutions, or orders duly passed by the Board of Directors. The Managing Director is also the Finance Board's Chief Information Officer.

(b) The Executive Secretariat is a division within the Office of the Managing Director. § 906.3 Monthly interest rate survey.

The Finance Board conducts its Monthly Survey of Rates and Terms on Conventional One-Family Nonfarm Mortgage Loans in the following manner:

(a) *Initial survey.* Each month, the Finance Board samples approximately 1,000 mortgage lenders (savings and loan associations, savings banks, commercial banks, and mortgage loan companies) and asks them to report the terms and conditions on all conventional mortgages (not federally insured or guaranteed) used to purchase single-family homes that each such lender closes during the last five working days of the month. In most cases, the information is reported electronically in a format similar to Finance Board Form FHFB 10-91. The data is weighted so that the pattern of weighted responses matches the actual pattern of mortgage originations by lender type and by region. The Finance Board tabulates the data and publishes standard data tables late in the following month.

§ 906.4

12 CFR Ch. IX (1–1–03 Edition)

(b) *Adjustable-rate mortgage index.* The weighted data, tabulated and published pursuant to paragraph (a) of this section, is used to compile the Finance Board's adjustable-rate mortgage index, entitled the "National Average Contract Mortgage Rate for the Purchase of Previously Occupied Homes by Combined Lenders." This index is the successor to the index maintained by the former Federal Home Loan Bank Board and is used for determining the movement of the interest rate on the renegotiable-rate mortgages and on some other adjustable-rate mortgages.

(c) *Means of survey.* The Finance Board collects the data for the compilation of the indices described in this section by contract. Pursuant to such contract, a Finance Board form, entitled "Monthly Survey of Rates and Terms on Conventional One-Family Nonfarm Mortgage Loans" (FHFB Form 10-91), is distributed to selected lending institutions. The data is collected, compiled and processed, and the completed survey results are forwarded to the Finance Board for tabulation and distribution.

EFFECTIVE DATE NOTE: At 67 FR 78961, Dec. 27, 2002, §906.3 was revised, effective Jan. 27, 2003. For the convenience of the user, the revised text is set forth as follows:

§ 906.3 Monthly interest rate survey.

The Finance Board conducts its Monthly Survey of Rates and Terms on Conventional One-Family Non-farm Mortgage Loans in the following manner:

(a) *Initial survey.* Each month, the Finance Board samples savings institutions, commercial banks, and mortgage loan companies, and asks them to report the terms and conditions on all conventional mortgages (*i.e.*, those not federally insured or guaranteed) used to purchase single-family homes that each such lender closes during the last five working days of the month. In most cases, the information is reported electronically in a format similar to Finance Board Form FHFB 10-91. The initial weights are based on lender type and lender size. The data also is weighted so that the pattern of weighted responses matches the actual pattern of mortgage originations by lender type and by region. The Finance Board tabulates the data and publishes standard data tables late in the following month.

(b) *Adjustable-rate mortgage index.* The weighted data, tabulated and published pur-

suant to paragraph (a) of this section, is used to compile the Finance Board's adjustable-rate mortgage index, entitled the "National Average Contract Mortgage Rate for the Purchase of Previously Occupied Homes by Combined Lenders." This index is the successor to the index maintained by the former Federal Home Loan Bank Board and is used for determining the movement of the interest rate on renegotiable-rate mortgages and on some other adjustable-rate mortgages.

§ 906.4 Schedule of charges for agency services.

(a) *Authority.* Section 9701 of title 31, United States Code (31 U.S.C. 9701), directs government agencies to charge a fee for any special service provided to a selected segment of the public that makes use of such special service. The Office of Management and Budget's Circular A-25 contains guidelines for agencies to follow when promulgating regulations for such user fee charges. This section implements that authority.

(b) *ARM Index special programming service.* (1) The Finance Board develops and makes available special tabulations of its monthly interest rate survey data for individual users, upon request.

(2) Each request for a specialized interest rate survey must be made in writing to the Finance Board.

(3) The fee for such special service is a \$100 per hour for the analyst's time, with a minimum charge of \$100, prepaid, to accompany the written request.

(b) *Participation in meeting.* (1) The presence of a quorum of the Board if Directors is required to conduct a meeting under this section. Members of the Board of Directors are deemed present if they appear in person or by telephone.

(2) An act of the Board of Directors requires the vote of a majority of the members of the Board of Directors voting at a meeting at which a quorum of the Board of Directors is present.

(3) A Final Decision may be reached by a vote of the Board of Directors after the meeting at which the Petition has been considered. Only those members of the Board of Directors present at the meeting at which the Petition was considered may vote on issues presented in the Petition and accepted for consideration. A vote of the majority of the members of the Board of Directors eligible to vote and voting shall be an act of the Board of Directors.

(c) *Chairperson*—(1) *Presiding officer.* The Chairperson, or a member of the Board of Directors designated by the Chairperson, shall preside over a meeting of the Board of Directors convened under this section.

(2) *Authority of the Chairperson.* The Chairperson shall have all powers and discretion necessary to conduct the meeting in a fair and impartial manner, to avoid unnecessary delay, to regulate the course of the meeting and the conduct of the parties and their counsel, and to discharge the duties of a presiding officer.

(3) *Board of Directors may overrule the Chairperson.* Any member of the Board of Directors may, by motion, challenge any action, finding, or determination made by the Chairperson in the course of the meeting, and the Board of Directors, by majority vote, may overrule any action, finding or determination of the Chairperson.

(d) *Meeting may be closed.* A party may request that the meeting, or portion thereof, be closed to public observation. A request to close a meeting shall be processed in accordance with the requirements of the Government in the Sunshine Act (5 U.S.C. 552b) and the Finance Board's implementing regulation (12 CFR part 912).

(e) *Location of meeting.* Unless otherwise specified, all meetings of the Board of Directors will be held in the Board Room of the Finance Board at 1777 F Street, NW., Washington, DC, at the time specified in the notice of meeting issued pursuant to 12 CFR 912.6.

(f) *Presentation of issues*—(1) *Stipulations.* Subject to the Chairperson's discretion, the parties may agree to stipulations of law or fact, including stipulations as to the admissibility of exhibits, and present such stipulations at the meeting. Stipulations shall be made a part of the record of the proceeding.

(2) *Order of presentation.* The Chairperson shall determine the order of presentation of the issues, testimony of any witnesses, presentation of any other information or document, and all other procedural matters at the meeting.

(g) *Record.* The meeting shall be recorded and transcribed. Transcripts of the proceedings shall be governed by 12 CFR 912.5(c). The Petition and all supporting documentation shall be made a part of the record, unless otherwise determined by the Chairperson. The Chairperson may order the record corrected, upon motion to correct, upon stipulation of the parties, or at the Chairperson's discretion.

(h) *Admissibility of documents and testimony.* (1) The Chairperson has discretion to admit and make a part of the record documents and testimony that are relevant, material, and reliable, and may elect not to admit documents and testimony that are privileged, unduly repetitious, or of little probative value.

(2) The Board of Directors shall give such weight to documents and testimony admitted and made part of the record as it may deem reasonable and appropriate.

(3) The Chairperson may admit and make a part of the record, in lieu of oral testimony, statements of fact or opinion prepared by a witness. The admissibility of the information contained in the statement shall be subject to the same rules as if the testimony were provided orally.

§ 907.15

(i) *Official notice.* All matters officially noticed by the Chairperson shall appear on the record.

(j) *Exhibits and documents—(1) Copies.* A legible duplicate copy of a document shall be admissible to the same extent as the original.

(2) *Exhibits.* Witnesses may use existing or newly created charts, exhibits, calendars, calculations, outlines, or other graphic materials to summarize, illustrate, or simplify the presentation of testimony. Subject to the Chairperson's discretion, such materials may be used with or without being admitted into the record.

(3) *Identification.* All exhibits offered into the record shall be numbered sequentially and marked with a designation identifying the sponsor. The original of each exhibit offered into the record or marked for identification shall be retained in the record of the meeting, unless the Chairperson permits substitution of a copy for the original.

(4) *Exchange of Exhibits.* One copy of each exhibit offered into the record shall be furnished to each of the parties and to each member of the Board of Directors. If the Chairperson does not fix a time for the exchange of exhibits, the parties shall exchange copies of proposed exhibits at the earliest practicable time before the commencement of the meeting to consider the Petition. Parties are not required to exchange exhibits submitted as rebuttal information before the meeting commences if submission of the exhibits is not reasonably certain at that time.

(5) *Authenticity.* The authenticity of all documents submitted or exchanged as proposed exhibits prior to the meeting shall be admitted unless written objection is filed before the commencement of the meeting, or unless good cause is shown for failing to file such a written objection.

(k) *Sanction for obstruction of the proceedings.* The Board of Directors may impose sanctions it deems appropriate for violation of any applicable provision of this subpart or any applicable law, rule, regulation, or order, or any dilatory, frivolous, or obstructionist

(a) *Waiver of requirements.* The Managing Director may waive any filing requirement or deadline in this subpart for good cause shown. The Managing Director shall provide prompt notice of any such waiver to the Board of Directors.

(b) *Actions of the Managing Director subject to the authority of the Board of Directors.* The Board of Directors may overrule any action by the Managing Director under this subpart.

(c) *Withdrawal.* At any time prior to the issuance by the Managing Director of a Notice of Board Consideration pursuant to § 907.12(g), an authorized representative of a Petitioner may withdraw the Petition, or an authorized representative of an Intervenor may withdraw the Request to Intervene, by filing a written request to withdraw with the Secretary to the Board. Only the Board of Directors may grant a request to withdraw after issuance by the Managing Director of a Notice of Board Consideration pursuant to § 907.12(g). Unless otherwise agreed, withdrawal of a Petition or Request to Intervene shall not foreclose a Petitioner from resubmitting a Petition, or an Intervenor from submitting a Request to Intervene, on the same or similar issues.

(d) *Settlement agreement.* (1) At any time during the course of proceedings pursuant to this subpart, the Finance Board shall give Petitioners and Intervenor the opportunity to submit offers of settlement when the nature of the proceedings and the public interest permit. With the approval of the Managing Director, an authorized representative of a Petitioner or Intervenor may enter into a proposed settlement agreement with the Finance Board disposing of some or all of the issues presented in a Petition or Request to Intervene.

(2) No proposed settlement agreement shall be final until approved by the Board of Directors. The Board of Directors shall consider any proposed settlement agreement within 30 calendar days of receiving a notice of the

proposed settlement agreement. If the Board of Directors disapproves or fails to approve a proposed settlement agreement within 30 days, the proposed settlement agreement shall be null and void and the previously filed Petition or Request to Intervene shall be considered in accordance with this subpart.

(3) A settlement agreement approved by the Board of Directors shall be deemed final and binding on all parties to the agreement. At the time a proposed settlement agreement becomes final, a Petition or Request to Intervene previously filed by a party to the agreement shall be deemed withdrawn as to all issues resolved in the agreement, and the parties to the agreement shall be estopped from raising objection to those issues or to the terms of the settlement agreement.

(e) *No rights created; Finance Board not prohibited.* Nothing in this subpart shall be deemed to create any substantive or discovery right in any party. Nothing in this subpart shall limit in any manner the right of the Finance Board to conduct any examination or inspection of any Bank or the Office of Finance, or to take any action with respect to a Bank or the Office of Finance, or its directors, officers, employees or agents, otherwise authorized by law.

(f) *Exhaustion requirement.* When seeking a Case-by-Case Determination of any matter or review by the Board of Directors of any Supervisory Determination, a Bank or the Office of Finance shall follow the procedures in this subpart as a prerequisite to seeking judicial review. Failure to do so shall be deemed to be a failure to exhaust all available administrative remedies.

(g) *Improper conduct prohibited.* No party shall, by act or omission, unduly burden or frustrate the efforts of the Board of Directors to carry out its duties under the laws and regulations of the Finance Board. A Petitioner or Intervenor shall confine its communications with the Board of Directors, or any individual member thereof, concerning issues raised in a pending Petition, to written communications for inclusion in the record of the proceeding, filed with the Secretary to the Board.

(h) *Costs.* Petitioners are encouraged to contain costs associated with the preparation and filing of Petitions and related personal appearances, if any, at any meeting held by the Board of Directors under this subpart. The Petitioner shall be solely responsible for all costs associated with any such Petitions and appearances.

(i) *Procedures are exclusive.* All Case-by-Case Determinations by the Board of Directors and all Reviews of Disputed Supervisory Determinations shall be considered exclusively pursuant to the procedures described in this subpart.

§ 908.5 Temporary cease and desist orders.

(a) *Grounds.* Whenever the Board of Directors determines that any conduct or violation, or threatened conduct or violation, specified in a notice of charges issued and served upon a respondent, or the continuation of such conduct or violation, is likely to cause insolvency, a significant depletion of total capital, or irreparable harm to a Bank prior to the completion of the cease and desist proceeding, the Board of Directors may issue a temporary order requiring the respondent to cease and desist from any such conduct or violation, or such threatened conduct

or violation, and to take affirmative action to prevent or remedy such insolvency, depletion, or harm pending completion of such proceedings. Such order may include any requirement authorized under § 908.4(b)(2).

(b) *Incomplete records.* If a notice of charges specifies that the books and records of a Bank are so incomplete or inaccurate that the Finance Board is unable, through the normal supervisory process, to determine the financial condition of the Bank or the details or purpose of any transaction or transactions that may have a material effect on the financial condition of a Bank, the Finance Board may issue a temporary order requiring a respondent to:

(d) *Effective period.* (1) Any temporary order issued under paragraph (a) of this section, unless set aside, limited, or suspended by a court in a proceeding under paragraph (e) of this section, shall remain in effect and enforceable pending the completion of the proceeding on the notice of charges and shall remain effective until the Board of Directors dismisses the charges specified in the notice of charges or it is superceded by a cease and desist order.

(2) Any temporary order issued under paragraph (b) of this section, unless set aside, limited, or suspended by a court in proceedings pursuant to paragraph (e) of this section, shall remain in effect and enforceable until the earlier of the completion of the proceeding on the notice of charges, or the date that the Finance Board determines, by examination or otherwise, that the books and records of the Bank are accurate and reflect the financial condition of the Bank.

(e) *Judicial relief.* As authorized by section 2B(a)(5) of the Act (12 U.S.C. 1422b(a)(5)) and sections 1372(d) and

If the Board of Directors finds, based on the record of the hearing, that any conduct or violation

specified in the notice of assessment of a civil money penalty has been established or if a respondent consents (or is deemed to have consented pursuant to § 908.43), the Board of Directors may issue and serve upon the respondent an order assessing a civil money penalty.

(c) *Amount of penalty.* (1) The Finance Board may impose a civil money penalty under paragraph (b) of this section against a Bank for a violation described in paragraph (a)(i) through (iii) of this section in an amount not to exceed \$5,000.00 for each day that such violation continues;

(d) *Factors in determining the amount of the penalty.* In determining the amount of the civil money penalty to be assessed under this section, the Finance Board shall consider such factors as the gravity of the violation, any history of prior violations, the good faith of the officer or director of a Bank, the effect of the penalty on promoting or protecting the safety and soundness of a Bank or the Bank System, any injury to members of the subject Bank or to the public at large, any benefits received, and the potential for the deterrence of future violations.

(2) The Finance Board may, in addition, seek such other relief as may be available from the District Court;

(3) The monetary judgment may, in the discretion of the District Court, include any attorneys fees and other expenses incurred by the Finance Board in connection with the action; and

(4) The validity and appropriateness of the Board of Directors' order assessing a civil money penalty shall not be subject to review of the United States District Court for the District of Columbia.

(g) *Board of Directors' authority to review.* The Board of Directors may:

(1) Review any order to assess a civil money penalty or any interlocutory ruling arising from a hearing on the record, or

All parties to the proceeding shall have an opportunity, within ten days of receipt of service of the *ex parte* communication or the written record of an oral communication, to file responses thereto and to recommend any sanctions, in accordance with paragraph (d) of this section, that they believe to be appropriate under the circumstances.

(d) *Sanctions.* Any party or representative for a party who makes an *ex parte* communication, or who encourages or solicits another person or entity to make any such communication, may be subject to any appropriate sanction or sanctions imposed by the Board of Directors or the presiding officer, including, but not limited to, exclusion from the proceedings and an adverse ruling on the issue that is the subject of the prohibited communication.

(e) *Consultations by presiding officer.* Except to the extent required for the disposition of *ex parte* matters as authorized by law, the presiding officer may not consult a person or party on any matter relevant to the merits of a proceeding, unless on notice and opportunity for all parties to participate.

(f) *Separation of functions.* An employee or agent engaged in the performance of investigative or prosecuting functions for the Finance Board in a case may not, in that or a factually related case, participate or advise in the decision, recommended decision, or Board of Directors' review of the recommended decision under §908.65, except as a witness or counsel in a hearing.

§ 908.25 Filing of papers.

(a) *Filing.* Any papers required to be filed shall be addressed to the presiding officer and filed with the Finance Board, 1777 F Street, NW., Washington, DC 20006.

(b) *Manner of filing.* Unless otherwise specified by the Finance Board or the presiding officer, filing shall be accomplished by:

- (1) Personal service;

- (3) Mailing by first class, registered, or certified mail; or
- (4) Transmission by electronic media upon any conditions specified by the Finance Board or the presiding officer. All papers filed by electronic media shall also concurrently be filed in accordance with paragraph (c) of this section.

(c) *Formal requirements as to papers filed*—(1) *Form.* All papers must set forth the name, address and telephone number of the representative or party making the filing and must be accompanied by a certification setting forth when and how service has been made on all other parties. All papers filed must be double-spaced and printed or typewritten on 8½ × 11-inch paper and must be clear and legible.

(2) *Signature.* All papers must be dated and signed as provided in §908.23.

(3) *Caption.* All papers filed must include at the head thereof, or on a title

page, the name of the Finance Board and of the filing party, the title and docket number of the proceeding and the subject of the particular paper.

(4) *Number of copies.* Unless otherwise specified by the Finance Board or the presiding officer, an original and one copy of all documents, papers, transcripts of testimony, and exhibits shall be filed.

§ 908.26 Service of papers.

(a) *By the parties.* Except as otherwise provided, a party filing papers or serving a subpoena shall serve a copy upon the representative of record for each party to the proceeding so represented and upon any party not so represented.

(b) *Method of service.* Except as provided in paragraphs (c)(2) and (d) of this section, a serving party shall use one or more of the following methods of service:

(1) Personal service;

(2) Delivery to the U.S. Postal Service or to a reliable commercial delivery service for same day or overnight delivery;

(3) Mailing by first class, registered, or certified mail; or

(4) Transmission by electronic media, only if the parties mutually agree. Any papers served by electronic media shall also concurrently be served in accordance with the requirements of § 908.25(c).

(c) *By the Finance Board or the presiding officer.* (1) All papers required to be served by the Finance Board or the presiding officer upon a party who has appeared in the proceeding in accordance with § 908.72 may be served by any means specified in paragraph (b) of this section.

(2) If a notice of appearance has not been filed in the proceeding for a party in accordance with § 908.72, the Finance Board or the presiding officer shall make service upon such party by any of the following methods:

(i) By personal service;

(ii) If the person to be served is an individual, by delivery to a person of suitable age and discretion at the physical location where the individual resides or works;

(iii) If the person to be served is a corporation or other association, by delivery to an officer, managing or gen-

eral agent, or to any other agent authorized by appointment or by law to receive service and, if the agent is one authorized by statute to receive service and the statute so requires, by also mailing a copy to the party;

(iv) By registered or certified mail addressed to the person's last known address; or

(v) By any other method reasonably calculated to give actual notice.

(d) *Subpoenas.* Subject to applicable provisions in this part, service of a subpoena may be made:

(1) By personal service;

(2) If the person to be served is an individual, by delivery to a person of suitable age and discretion at the physical location where the individual resides or works;

(3) If the person to be served is a corporation or other association, by delivery to an officer, managing or general agent, or to any other agent authorized by appointment or by law to receive service and, if the agent is one authorized by statute to receive service and the statute so requires, by also mailing a copy to the party;

(4) By registered or certified mail addressed to the person's last known address; or

(5) By any other method reasonably calculated to give actual notice.

(e) *Area of service.* Service in any State, commonwealth, possession, territory of the United States or the District of Columbia on any person doing business in any State, commonwealth, possession, territory of the United States or the District of Columbia, or on any person as otherwise permitted by law, is effective without regard to the place where the hearing is held.

(f) *Proof of service.* Proof of service of papers filed by a party shall be filed before action is taken thereon. The proof of service, which shall serve as prima facie evidence of the fact and date of service, shall show the date and manner of service and may be by written acknowledgment of service, by declaration of the person making service, or by certificate of a representative of record. However, failure to file proof of service contemporaneously with the papers shall not affect the validity of actual service. The presiding officer may allow the proof to be amended or

supplied, unless to do so would result in material prejudice to a party.

§ 908.27 Computing time.

(a) *General rule.* In computing any period of time prescribed or allowed by this subpart, the date of the act or event that commences the designated period of time is not included. The last day so computed is included unless it is a Saturday, Sunday, or Federal holiday. When the last day is a Saturday, Sunday or Federal holiday, the period shall run until the end of the next day that is not a Saturday, Sunday, or Federal holiday. Intermediate Saturdays, Sundays and Federal holidays are included in the computation of time. However, when the time period within which an act is to be performed is ten (10) days or less, not including any additional time allowed for in paragraph (c) of this section, intermediate Saturdays, Sundays and Federal holidays are not included.

(b) *When papers are deemed to be filed or served.* (1) Filing and service are deemed to be effective—

(i) In the case of personal service or same day reliable commercial delivery service, upon actual service;

(ii) In the case of U.S. Postal Service or reliable commercial overnight delivery service, or first class, registered, or certified mail, upon deposit in or delivery to an appropriate point of collection; or

(iii) In the case of transmission by electronic media, as specified by the authority receiving the filing in the case of filing, and as agreed among the parties in the case of service.

(2) The effective filing and service dates specified in paragraph (b)(1) of this section may be modified by the Finance Board or the presiding officer in the case of filing or by agreement of the parties in the case of service.

(c) *Calculation of time for service and filing of responsive papers.* Whenever a time limit is measured by a prescribed period from the service of any notice or paper, the applicable time limits shall be calculated as follows:

(1) If service was made by first class, registered, or certified mail, or by delivery to the U.S. Postal Service for longer than overnight delivery service,

add three (3) calendar days to the prescribed period for the responsive filing.

(2) If service was made by U.S. Postal Service or reliable commercial overnight delivery service, add one (1) calendar day to the prescribed period for the responsive filing.

(3) If service was made by electronic media transmission, add one (1) calendar day to the prescribed period for the responsive filing, unless otherwise determined by the Board of Directors or the presiding officer in the case of filing, or by agreement among the parties in the case of service.

§ 908.28 Change of time limits.

Except as otherwise provided by law, the presiding officer may, for good cause shown, extend the time limits prescribed above or prescribed by any notice or non-dispositive order issued under this part. After the referral of the case to the Board of Directors pursuant to § 908.63, the Board of Directors may grant extensions of the time limits for good cause shown. Extensions may be granted on the motion of a party after notice and opportunity to respond is afforded all nonmoving parties, or on the Board of Directors' or the presiding officer's own motion.

§ 908.29 Witness fees and expenses.

Witnesses (other than parties) subpoenaed for testimony or depositions shall be paid the same fees for attendance and mileage as are paid to witnesses pursuant to the Federal Rules of Civil Procedure (title 28 of the U.S. Code) governing proceedings in the United States district courts, in which the United States is a party, provided that, in the case of a discovery subpoena addressed to a party, no witness fees or mileage shall be paid. Fees for witnesses shall be tendered in advance by the party requesting the subpoena, except that fees and mileage need not be tendered in advance where the Finance Board is the issuer of the subpoena. The Finance Board shall not be responsible for or required to pay any fees to or expenses of any witness not subpoenaed by the Finance Board.

§ 908.30

§ 908.30 Settlement or other dispute resolution.

Any respondent may, at any time in a cease and desist or civil money penalty proceeding, unilaterally submit to the Finance Board's counsel of record written offers or proposals for settlement of such proceeding in whole or in part without prejudice to the rights of any of the parties. Any such offer or proposal shall be made exclusively to the Finance Board. Submission of a written settlement offer does not provide a basis for adjourning or otherwise delaying all or any portion of a proceeding under this part. Any party to a proceeding under this part may request a neutral individual preside over settlement negotiations. No settlement offer or proposal, or any subsequent negotiation or resolution, is admissible as evidence in any proceeding under this part or any court.

§ 908.31 Right to supervise the Banks.

Nothing contained in this part shall limit in any manner the right of the Finance Board to conduct any examination, inspection, or visitation of any Bank, or the right of the Finance Board to conduct or continue any form of investigation authorized by law. Nothing set forth in this part shall restrict or be deemed to restrict the authority of the Finance Board to supervise the Banks or to issue or enforce orders or directives pursuant to section 2B(a)(1), or any other provision, of the Act (12 U.S.C. 1422b(a)(1)).

§ 908.32 Collateral attacks on proceedings under this part.

If a respondent files in any court a collateral attack that purports to challenge all or any portion of a proceeding under this part, the hearing on the merits shall continue without regard to the pendency of any such challenge action. No default or other failure to act as directed in the hearing within the times prescribed in this subpart shall be excused based on the pendency of any such challenge action.

§§ 908.33-908.39 [Reserved]

Subpart D—Pre-Hearing Proceedings

§ 908.40 Commencement of proceeding and contents of notices.

Proceedings under this part are commenced by the issuance of a notice of charges or a notice of assessment of a civil money penalty (notice). A notice that is served by the Finance Board upon a respondent in accordance with § 908.7 shall state all of the following:

- (a) The legal authority for the proceeding and for the Finance Board's jurisdiction over the proceeding;
- (b) A statement of the matters of fact or law showing that the Finance Board is entitled to relief;
- (c) A proposed order or prayer for an order granting the requested relief;
- (d) The time, place and nature of the hearing;
- (e) The time within which to file an answer;
- (f) The time within which to request a hearing; and
- (g) The address for filing the answer and/or request for a hearing.

§ 908.41 Answer.

(a) *Deadline for filing answer.* Unless otherwise specified by the Finance Board in the notice, respondent shall file an answer within twenty (20) days of service of the notice.

(b) *Content of answer.* An answer shall respond specifically to each paragraph or allegation of fact contained in the notice and must admit, deny, or state that the party lacks sufficient information to admit or deny each allegation of fact. A statement of lack of information has the effect of a denial. Denials must fairly meet the substance of each allegation of fact denied; general denials are not permitted. When a respondent denies part of an allegation, that part must be denied and the remainder specifically admitted. Any allegation of fact in the notice that is not denied in the answer is deemed admitted for purposes of the proceeding. A respondent is not required to respond to the portion of a notice that constitutes the

Federal Housing Finance Board

§ 908.45

prayer for relief or proposed order. The answer shall set forth affirmative defenses, if any, asserted by the respondent.

(c) *Default.* Failure of a respondent to file an answer required by this section within the time provided constitutes a waiver of such respondent's right to appear and contest the allegations in the notice. If no timely answer is filed, the Finance Board's counsel of record may file a motion for entry of an order of default. Upon a finding that no good cause has been shown for the failure to file a timely answer, the presiding officer shall file with the Board of Directors a recommended decision containing the findings and the relief sought in the notice. Any final order issued by the Board of Directors based upon a respondent's failure to answer shall be deemed to be an order issued upon consent.

§ 908.42 Amended pleadings.

(a) *Amendments.* The notice or answer may be amended or supplemented by the Finance Board prior to the scheduling conference held in accordance with § 908.53, or at any stage of the proceeding with the permission of the presiding officer for good cause shown. The respondent must answer an amended notice within the time remaining for the respondent's answer to the original notice, or within ten (10) days after service of the amended notice, whichever period is longer, unless the Board of Directors or the presiding officer orders otherwise for good cause shown.

(b) *Amendments to conform to the evidence.* When issues not raised in the notice or answer are tried at the hearing by express or implied consent of the parties, they shall be treated in all respects as if they had been raised in the notice or answer, and no formal amendments shall be required. If evidence is objected to at the hearing on the ground that it is not within the issues raised by the notice or answer, the presiding officer may admit the evidence when admission is likely to assist in adjudicating the merits of the action. The presiding officer will do so freely when the determination of the merits of the action is served thereby and the objecting party fails to satisfy the pre-

siding officer that the admission of such evidence would unfairly prejudice that party's action or defense upon the merits. The presiding officer may grant a continuance to enable the objecting party to meet such evidence.

§ 908.43 Failure to appear.

Failure of a respondent to appear in person or by a duly authorized representative at the hearing constitutes a waiver of respondent's right to a hearing and is deemed an admission of the facts as alleged and consent to the relief sought in the notice. Without further proceedings or notice to the respondent, the presiding officer shall file with the Board of Directors a recommended decision containing the findings and the relief sought in the notice.

§ 908.44 Consolidation and severance of actions.

(a) *Consolidation.* On the motion of any party, or on the Finance Board's or the presiding officer's own motion, the presiding officer may consolidate, for some or all purposes, any two or more proceedings, if each such proceeding involves or arises out of the same transaction, occurrence or series of transactions or occurrences, or involves at least one common respondent or a material common question of law or fact, unless such consolidation would cause unreasonable delay or injustice. In the event of consolidation under this section, appropriate adjustment to the pre-hearing schedule must be made to avoid unnecessary expense, inconvenience, or delay.

(b) *Severance.* The presiding officer may, upon the motion of the Finance Board or any party, sever the proceeding for separate resolution of the matter as to any respondent only if the presiding officer finds that undue prejudice or injustice to the moving party would result from not severing the proceeding and such undue prejudice or injustice would outweigh the interests of judicial economy and expedition in the complete and final resolution of the proceeding.

§ 908.45 Motions.

(a) *Written motions.* (1) Except as otherwise provided herein, an application

or request for an order or ruling must be made by written motion.

(2) All written motions shall state with particularity the relief sought and must be accompanied by a proposed order.

(3) No oral argument may be held on written motions except as otherwise directed by the presiding officer. Written memoranda, briefs, affidavits, or other relevant material or documents may be filed in support of or in opposition to a motion.

(b) *Oral motions.* A motion may be made orally and on the record at a hearing, unless the presiding officer directs that such motion be reduced to writing and filed with the presiding officer. Oral motions must be made a part of the record of the hearing, and accompanied by a proposed order.

(c) *Filing of motions.* Motions shall be filed with the presiding officer, except that following the filing of a recommended decision with the Board of Directors, motions must be filed with the Board of Directors in accordance with § 908.64.

(d) *Responses.* (1) Except as otherwise provided herein, any party may file a written response to a motion within ten days after service of any written motion, or within such other period of time as may be established by the presiding officer or the Board of Directors. The presiding officer shall not rule on any oral or written motion before each party has had an opportunity to file a response.

(2) The failure of a party to oppose a written motion or an oral motion made on the record is deemed to be consent by that party to the entry of an order substantially in the form of the order accompanying the motion.

(e) *Dilatory motions.* Frivolous, dilatory, or repetitive motions are prohibited. The filing of such motions may form the basis for sanctions.

(f) *Dispositive motions.* Dispositive motions shall be governed by §§ 908.51 and 908.52.

§ 908.46 Discovery.

(a) *Limits on discovery.* Subject to the limitations set out in paragraphs (b), (d), and (e) of this section, any party to a hearing under this part may obtain document discovery by serving a writ-

ten request to produce documents. For purposes of a request to produce documents, the term *documents* may be defined to include drawings, graphs, charts, photographs, recordings, data stored in electronic form, and other data compilations from which information can be obtained or translated, if necessary, by the parties through detection devices into reasonably usable form, as well as written material of all kinds.

(b) *Relevance.* A party may obtain document discovery regarding any matter not privileged provided that the information sought has a logical connection to consequential facts (i.e., material) or may tend to prove or disprove a matter in issue (i.e., relevant) related to the merits of the pending action. Any request to produce documents that calls for irrelevant or immaterial information, or that is unreasonable, oppressive, excessive in scope, unduly burdensome, or repetitive of previous requests, or that seeks to obtain privileged documents, shall be denied or modified. A request is unreasonable, oppressive, excessive in scope, or unduly burdensome if, among other things, it fails to include justifiable limitations on the time period covered and the geographic locations to be searched, the time provided to respond in the request is inadequate, or the request calls for copies of documents to be delivered to the requesting party and fails to include the requestor's written agreement to pay in advance for the copying, in accordance with § 908.47.

(c) *Forms of discovery.* Document discovery shall be limited to requests for production of documents for inspection and copying. No other form of discovery shall be allowed. Discovery by use of interrogatories may be permitted. This paragraph shall not be interpreted to require the creation of a document.

(d) *Privileged matter.* Privileged documents shall not be discoverable. Privileges include the attorney-client privilege, work-product privilege, any government's or government agency's deliberative process privilege and any other privileges provided by the Constitution, any applicable act of Congress, or the principles of common law.

(e) *Time limits.* All discovery, including all responses to discovery requests, shall be completed within the time set by the presiding officer, but in no case later than ten (10) days prior to the service deadline for pre-hearing submissions in accordance with §908.54. No exception to this time limit shall be permitted, unless the presiding officer finds on the record that good cause exists for waiving the requirements of this paragraph.

§908.47 Request for document discovery from parties.

(a) *General rule.* Any party may serve on any other party a request to produce for inspection any discoverable documents that are in the possession, custody, or control of the party upon whom the request is served. Copies of the request shall be served on all other parties. The request must identify the documents to be produced either by individual item or by category and must describe each item and category with reasonable particularity. Documents must be produced as they are kept in the usual course of business or they shall be labeled and organized to correspond with the categories in the request.

(b) *Production or copying.* The request shall specify a reasonable time, place and manner for production and performing any related acts. In lieu of inspecting the documents, the requesting party may specify that all or some of the responsive documents be copied and the copies delivered to the requesting party. If copying of fewer than 250 pages is requested, the party to whom the request is addressed shall bear the cost of copying and shipping charges. If a party requests more than 250 pages of copying, the requesting party shall pay for copying and shipping charges. Copying charges are at the current rate per page imposed by the Finance Board at §910.9(g) of this chapter for requests for documents filed under the Freedom of Information Act, 5 U.S.C. 552. The party to whom the request is addressed may require payment in advance before producing the documents.

(c) *Obligation to update responses.* A party who has responded to a discovery request is not required to supplement the response, unless:

(1) The responding party learns that in some material respect the information disclosed is incomplete or incorrect, and

(2) The additional or corrective information has not otherwise been made known to the other parties during the discovery process or in writing.

(d) *Motions to strike or limit discovery requests.* (1) Any party that objects to a discovery request may, within ten (10) days of being served with such request, file a motion in accordance with the provisions of §908.45 requesting the presiding officer order the request be stricken or otherwise limited. If an objection is made to only a portion of an item or category in a request, the objection shall specify that portion. Any objections not made in accordance with this paragraph and §908.45 are waived.

(2) The party who served the request that is the subject of a motion to strike or limit may file a written response within five (5) days of service of the motion. No other party may file a response.

(e) *Privilege.* At the time other documents are produced, all documents withheld on the grounds of privilege must be reasonably identified, together with a statement of the basis for the assertion of privilege. When similar documents that are protected by deliberative process, attorney work-product, or attorney-client privilege are voluminous, these documents may be identified by category instead of by individual document. The presiding officer has discretion to determine when the identification by category is insufficient.

(f) *Motions to compel production.* (1) If a party withholds any documents as privileged or fails to comply fully with a discovery request, the requesting party may, within (10) ten days of the assertion of privilege or of the time the failure to comply becomes known to the requesting party, file a motion in accordance with the provisions of §908.45 for the issuance of a subpoena compelling production.

(2) The party who asserted the privilege or failed to comply with the request may, within five (5) days of service of a motion for the issuance of a subpoena compelling production, file a

written response to the motion. No other party may file a response.

(g) *Ruling on motions.* After the time for filing responses to motions pursuant to this section has expired, the presiding officer shall rule promptly on all such motions. If the presiding officer determines that a discovery request or any of its terms calls for irrelevant material, is unreasonable, oppressive, excessive in scope, unduly burdensome, or repetitive of previous requests, or seeks to obtain privileged documents, he or she may deny or modify the request and may issue appropriate protective orders, upon such conditions as justice may require. The pendency of a motion to strike or limit discovery or to compel production shall not be a basis for staying or continuing the proceeding, unless otherwise ordered by the presiding officer. Notwithstanding any other provision in this part, the presiding officer may not release, or order a party to produce, documents withheld on grounds of privilege if the party has stated to the presiding officer its intention to file a timely motion for interlocutory review of the presiding officer's order to produce the documents, until the motion for interlocutory review has been decided.

(h) *Enforcing discovery subpoenas.* If the presiding officer issues a subpoena compelling production of documents by a party, the subpoenaing party may, in the event of noncompliance and to the extent authorized by applicable law, apply to any appropriate United States district court for an order requiring compliance with the subpoena. A party's right to seek court enforcement of a subpoena shall not in any manner limit the sanctions that may be imposed by the presiding officer against a party who fails to produce or induces another to fail to produce subpoenaed documents.

§ 908.48 Document subpoenas to non-parties.

(a) *General rules.* (1) Any party may apply to the presiding officer for the issuance of a document discovery subpoena addressed to any person who is not a party to the proceeding. The application must contain a proposed document subpoena and a brief statement showing the general relevance and rea-

sonableness of the scope of documents sought. The subpoenaing party shall specify a reasonable time, place, and manner for production in response to the subpoena.

(2) A party shall only apply for a document subpoena under this section within the time period during which such party could serve a discovery request under § 908.46(e) and in accordance with § 908.47. The party requesting the document subpoena is responsible for serving it on the subpoenaed person and for serving copies on all parties. Document subpoenas may be served in any State, territory, or possession of the United States, the District of Columbia, or as otherwise provided by law.

(3) The presiding officer shall promptly issue any document subpoena applied for under this section; except that, if the presiding officer determines that the application does not set forth a valid basis for the issuance of the subpoena, or that any of its terms are unreasonable, oppressive, excessive in scope, or unduly burdensome, he may refuse to issue the subpoena or may issue it in a modified form upon such conditions as may be determined by the presiding officer.

(b) *Motion to quash or modify.* (1) Any person to whom a document subpoena is directed may file a motion to quash or modify such subpoena, accompanied by a statement of the basis for quashing or modifying the subpoena. The movant shall serve the motion on all parties and any party may respond to such motion within ten days of service of the motion.

(2) Any motion to quash or modify a document subpoena shall be filed on the same basis, including the assertion of privilege, upon which a party could object to a discovery request under § 908.47 and during the same time limits during which such an objection could be filed.

(c) *Enforcing document subpoenas.* If a subpoenaed person fails to comply with any subpoena issued pursuant to this section or any order of the presiding officer that directs compliance with all or any portion of a document subpoena, the subpoenaing party or any other aggrieved party may, to the extent authorized by applicable law, apply to an

appropriate United States district court for an order requiring compliance with any part of the subpoena that the presiding officer has not quashed or modified. A party's right to seek court enforcement of a document subpoena shall in no way limit the sanctions that may be imposed by the presiding officer on a party who induces a failure to comply with subpoenas issued under this section.

§ 908.49 Deposition of witness unavailable for hearing.

(a) *General rules.* (1) A party desiring to preserve that witness' testimony for the record may apply in accordance with the procedures set forth in paragraph (a)(2) of this section to the presiding officer for the issuance of a subpoena, including a subpoena *duces tecum*, requiring the attendance of the witness at a deposition. The presiding officer may issue a deposition subpoena under this section upon a showing that—

(i) The testimony is reasonably expected to be material; and

(ii) Taking the deposition will not result in any undue burden to any other party and will not cause undue delay of the proceeding.

(2) The application must contain a proposed deposition subpoena and a brief statement of the reasons for the issuance of the subpoena. The subpoena must name the witness whose deposition is to be taken and specify the time and place for taking the deposition. A deposition subpoena may require the witness to be deposed anywhere within the United States and its possessions and territories in which that witness resides or has a regular place of employment or such other convenient place as the presiding officer shall fix.

(3) A subpoena shall be promptly issued upon request, unless the presiding officer determines that the request fails to set forth a valid basis under this section for its issuance. The presiding officer shall make a determination that there is a valid basis for issuing the subpoena. The presiding officer may require a written response from the party requesting the subpoena or require attendance at a conference to determine whether there is a valid

basis upon which to issue the requested subpoena.

(4) The party obtaining a deposition subpoena is responsible for serving it on the witness and for serving copies on all parties. Unless the presiding officer orders otherwise, no deposition under this section shall be taken on fewer than ten (10) days' notice to the witness and all parties. Deposition subpoenas may be served anywhere within the United States or its possessions or territories on any person doing business anywhere within the United States or its possessions or territories, or as otherwise permitted by law.

(b) *Objections to deposition subpoenas.*

(1) The witness and any party who has not had an opportunity to oppose a deposition subpoena issued under this section may file a motion under § 908.45 with the presiding officer to quash or modify the subpoena prior to the time for compliance specified in the subpoena, but not more than ten (10) days after service of the subpoena.

(2) A statement of the basis for the motion to quash or modify a subpoena issued under this section shall accompany the motion. The motion must be served on all parties.

(c) *Procedure upon deposition.* (1) Each witness testifying pursuant to a deposition subpoena shall be duly sworn and each party shall have the right to examine the witness. Objections to questions or documents must be in short form, stating the grounds for the objection. Failure to object to questions or documents is not deemed a waiver except where the ground for objection might have been avoided if the objection had been presented timely. All questions, answers and objections must be recorded.

(2) Any party may move before the presiding officer for an order compelling the witness to answer any questions the witness has refused to answer or submit any evidence that, during the deposition, the witness has refused to submit.

(3) The deposition shall be subscribed by the witness, unless the parties and the witness, by stipulation, have waived the signing, or the witness is ill, cannot be found, or has refused to sign. If the deposition is not subscribed

§ 908.50

by the witness, the court reporter taking the deposition shall certify that the transcript is a true and complete transcript of the deposition.

(d) *Enforcing subpoenas.* If a subpoenaed person fails to comply with any subpoena issued pursuant to this section or with any order of the presiding officer made upon motion under paragraph (c)(2) of this section, the subpoenaing party or other aggrieved party may, to the extent authorized by applicable law, apply to an appropriate United States district court for an order requiring compliance with the portions of the subpoena that the presiding officer has ordered enforced. A party's right to seek court enforcement of a deposition subpoena in no way limits the sanctions that may be imposed by the presiding officer on a party who fails to comply with or induces a failure to comply with a subpoena issued under this section.

§ 908.50 Interlocutory review.

(a) *General rule.* The Board of Directors may review a ruling of the presiding officer prior to the certification of the record to the Board of Directors only in accordance with the procedures set forth in this section.

(b) *Procedure.* Any motion for interlocutory review shall be filed by a party with the presiding officer within ten (10) days of his ruling. Upon the expiration of the time for filing all responses, the presiding officer shall refer the matter to the Board of Directors for final disposition. In referring the matter to the Board of Directors, the presiding officer may indicate agreement or disagreement with the asserted grounds for interlocutory review of the ruling in question.

(c) *Scope of review.* The Board of Directors may exercise interlocutory review of a ruling of the presiding officer if it finds that—

(1) The ruling involves a controlling question of law or policy as to which substantial grounds exist for a difference of opinion;

(2) Immediate review of the ruling may materially advance the ultimate termination of the proceeding;

(3) Subsequent modification of the ruling at the conclusion of the pro-

12 CFR Ch. IX (1-1-03 Edition)

ceeding would be an inadequate remedy; or

(4) Subsequent modification of the ruling would cause unusual delay or expense.

(d) *Suspension of proceeding.* Neither a request for interlocutory review nor any disposition of such a request by the Board of Directors under this section suspends or stays the proceeding unless otherwise ordered by the presiding officer or the Board of Directors.

§ 908.51 Summary disposition.

(a) *In general.* The presiding officer shall recommend that the Board of Directors issue a final order granting a motion for summary disposition if the undisputed pleaded facts, admissions, affidavits, stipulations, documentary evidence, matters as to which official notice may be taken and any other evidentiary materials properly submitted in connection with a motion for summary disposition show that—

(1) There is no genuine issue as to any material fact; and

(2) The movant is entitled to a decision in its favor as a matter of law.

(b) *Filing of motions and responses.* (1) Any party who believes there is no genuine issue of material fact to be determined and that such party is entitled to a decision as a matter of law may move at any time for summary disposition in its favor of all or any part of the proceeding. Any party, within twenty (20) days after service of such motion or within such time period as allowed by the presiding officer, may file a response to such motion.

(2) A motion for summary disposition must be accompanied by a statement of material facts as to which the movant contends there is no genuine issue. Such motion must be supported by documentary evidence, which may take the form of admissions in pleadings, stipulations, written interrogatory responses, depositions, investigatory depositions, transcripts, affidavits and any other evidentiary materials that the movant contends support its position. The motion must also be accompanied by a brief containing the points and authorities in support of the contention of the movant. Any party opposing a motion for summary disposition must file a statement setting

Federal Housing Finance Board

§ 908.54

forth those material facts as to which such party contends a genuine dispute exists. Such opposition must be supported by evidence of the same type as that submitted with the motion for summary disposition and a brief containing the points and authorities in support of the contention that summary disposition would be inappropriate.

(c) *Hearing on motion.* At the request of any party or on his own motion, the presiding officer may hear oral argument on the motion for summary disposition.

(d) *Decision on motion.* Following receipt of a motion for summary disposition and all responses thereto, the presiding officer shall determine whether the movant is entitled to summary disposition. If the presiding officer finds that the moving party is not entitled to summary disposition, the presiding officer shall make a ruling denying the motion. If the presiding officer determines that summary disposition is warranted, the presiding officer shall submit a recommended decision to that effect to the Board of Directors under § 908.63.

§ 908.52 Partial summary disposition.

If the presiding officer determines that a party is entitled to summary disposition as to certain claims only, he or she shall defer submitting a recommended decision to the Board of Directors as to those claims. A hearing on the remaining issues must be ordered. Those claims for which the presiding officer has determined that summary disposition is warranted will be addressed in the recommended decision filed at the conclusion of the hearing.

§ 908.53 Scheduling and prehearing conferences.

(a) *Scheduling conference.* Within thirty (30) days of service of the notice or order commencing a proceeding or at such other time as the parties may agree, the presiding officer shall direct representatives for all parties to meet with him or her in person at a specified time and place prior to the hearing or to confer by telephone for the purpose of scheduling the course and conduct of the proceeding. This meeting or telephone conference is called a “sched-

uling conference.” The identification of potential witnesses, the time for and manner of discovery and the exchange of any pre-hearing materials including witness lists, statements of issues, stipulations, exhibits and any other materials may also be determined at the scheduling conference.

(b) *Pre-hearing conference.* The presiding officer may, in addition to the scheduling conference, on his own motion or at the request of any party, direct representatives for the parties to meet with him (in person or by telephone) at a pre-hearing conference to address any or all of the following:

(1) Simplification and clarification of the issues;

(2) Stipulations, admissions of fact and the contents, authenticity and admissibility into evidence of documents;

(3) Matters of which official notice may be taken;

(4) Limitation of the number of witnesses;

(5) Summary disposition of any or all issues;

(6) Resolution of discovery issues or disputes;

(7) Amendments to pleadings; and

(8) Such other matters as may aid in the orderly disposition of the proceeding.

(c) *Transcript.* The presiding officer, in his discretion, may require that a scheduling or prehearing conference be recorded by a court reporter. A transcript of the conference and any materials filed, including orders, becomes part of the record of the proceeding. A party may obtain a copy of the transcript at such party's expense.

(d) *Scheduling or pre-hearing orders.* Within a reasonable time following the conclusion of the scheduling conference or any pre-hearing conference, the presiding officer shall serve on each party an order setting forth any agreements reached and any procedural determinations.

§ 908.54 Pre-hearing submissions.

(a) *Service deadline.* Within the time set by the presiding officer, but in no case later than 10 (ten) days before the start of the hearing, each party shall serve on every other party the serving party's:

(1) Pre-hearing statement;

§ 908.55

(2) Final list of witnesses to be called to testify at the hearing, including name and address of each witness and a short summary of the expected testimony of each witness;

(3) List of the exhibits to be introduced at the hearing along with a copy of each exhibit; and

(4) Stipulations of fact, if any.

(b) *Effect of failure to comply.* No witness may testify and no exhibits may be introduced at the hearing if such witness or exhibit is not listed in the pre-hearing submissions pursuant to paragraph (a) of this section, except for good cause shown.

§ 908.55 Hearing subpoenas.

(a) *Issuance.* (1) Upon application of a party showing general materiality or relevance and reasonableness of scope of the testimony or other evidence sought, the presiding officer may issue a subpoena or a subpoena *duces tecum* requiring the attendance of a witness at the hearing or the production of documentary or physical evidence at such hearing. The application for a hearing subpoena must also contain a proposed subpoena specifying the attendance of a witness or the production of evidence from any State, commonwealth, possession, territory of the United States, or the District of Columbia, or as otherwise provided by law at any designated place where the hearing is being conducted. The party making the application shall serve a copy of the application and the proposed subpoena on every other party.

(2) A party may apply for a hearing subpoena at any time before the commencement of or during a hearing. During a hearing, a party may make an application for a subpoena orally on the record before the presiding officer.

(3) The presiding officer shall promptly issue any hearing subpoena applied for under this section; except that, if the presiding officer determines that the application does not set forth a valid basis for the issuance of the subpoena, or that any of its terms are unreasonable, oppressive, excessive in scope, or unduly burdensome, he may refuse to issue the subpoena or may issue the subpoena in a modified form upon any conditions consistent with this subpart. Upon issuance by the pre-

12 CFR Ch. IX (1–1–03 Edition)

siding officer, the party making the application shall serve the subpoena on the person named in the subpoena and on each party.

(b) *Motion to quash or modify.* (1) Any person to whom a hearing subpoena is directed or any party may file a motion to quash or modify such subpoena, accompanied by a statement of the basis for quashing or modifying the subpoena. The movant must serve the motion on each party and on the person named in the subpoena. Any party may respond to the motion within ten days of service of the motion.

(2) Any motion to quash or modify a hearing subpoena must be filed prior to the time specified in the subpoena for compliance, but no more than ten days after the date of service of the subpoena upon the movant.

(c) *Enforcing subpoenas.* If a subpoenaed person fails to comply with any subpoena issued pursuant to this section or any order of the presiding officer that directs compliance with all or any portion of a hearing subpoena, the subpoenaing party or any other aggrieved party may seek enforcement of the subpoena pursuant to § 908.8(c). A party's right to seek court enforcement of a hearing subpoena shall in no way limit the sanctions that may be imposed by the presiding officer on a party who fails, or induces a failure, to comply with any subpoena issued under this section.

§§ 908.56–908.59 [Reserved]

Subpart E—Hearing and Post-hearing Proceedings

§ 908.60 Conduct of hearings.

(a) *General rules—*(1) *Hearings.* Hearings shall be conducted in accordance with chapter 5 of Title 5 of the United States Code (5 U.S.C. 501–559) and other applicable law, so as to provide a fair and expeditious presentation of the relevant disputed issues. Except as limited by this subpart, each party has the right to present its case or defense by oral and documentary evidence and to conduct such cross-examination of witnesses as may be required for full disclosure of the facts.

(2) *Order of hearing.* The Finance Board shall present its case-in-chief

Federal Housing Finance Board

§ 908.61

first, unless otherwise ordered by the presiding officer or unless otherwise expressly specified by law or regulation. The Finance Board shall be the first party to present an opening statement and a closing statement and may make a rebuttal statement after the respondent's closing statement. If there are multiple respondents, respondents may agree among themselves as to their order or presentation of their cases, but if they do not agree, the presiding officer shall fix the order.

(3) *Examination of witnesses.* Only one representative for each party may conduct an examination of a witness, except that in the case of extensive direct examination, the presiding officer may permit more than one representative for the party presenting the witness to conduct the examination. A party may have one representative conduct the direct examination and another representative conduct re-direct examination of a witness, or may have one representative conduct the cross examination of a witness and another representative conduct the re-cross examination of a witness.

(4) *Stipulations.* Unless the presiding officer directs otherwise, all documents that the parties have stipulated as admissible shall be admitted into evidence upon commencement of the hearing.

(b) *Transcript.* The hearing shall be recorded and transcribed. The transcript shall be made available to any party upon payment of the cost thereof. The presiding officer shall have authority to order the record corrected, either upon motion to correct, upon stipulation of the parties, or following notice to the parties upon the presiding officer's own motion.

§ 908.61 Evidence.

(a) *Admissibility.* (1) Except as is otherwise set forth in this section, relevant, material and reliable evidence that is not unduly repetitive is admissible to the fullest extent authorized by the Administrative Procedure Act (5 U.S.C. 551-559) and other applicable law.

(2) Evidence that would be admissible under the Federal Rules of Evidence (*see generally*, 28 U.S.C.) is admissible in

a proceeding conducted pursuant to this subpart.

(3) The presiding officer may admit evidence, which otherwise would be inadmissible under the Federal Rules of Evidence (28 U.S.C.), upon a finding made on the record that the evidence is relevant, material, probative and reliable, and would not prejudice the rights of or cause an undue burden to any party to the proceeding.

(b) *Official notice.* (1) Official notice may be taken of any material fact that may be judicially noticed by a United States district court and any material information in the official public records of any Federal or State government agency.

(2) All matters officially noticed by the presiding officer or the Finance Board shall appear on the record.

(3) If official notice is requested of any material fact, the parties, upon timely request, shall be afforded an opportunity to object.

(c) *Documents.* (1) A duplicate copy of a document is admissible to the same extent as the original, unless a genuine issue is raised as to whether the copy is in some material respect not a true and legible copy of the original.

(2) Subject to the requirements of paragraph (a)(1) of this section, any document, including a report of examination, oversight activity, inspection, or visitation, prepared by the Finance Board or by another Federal or State financial institutions regulatory agency is admissible either with or without a sponsoring witness.

(3) Witnesses may use existing or newly created charts, exhibits, calendars, calculations, outlines, or other graphic material to summarize, illustrate, or simplify the presentation of testimony. Such materials may, subject to the presiding officer's discretion, be used with or without being admitted into evidence.

(d) *Objections.* (1) Objections to the admissibility of evidence must be timely made and rulings on all objections must appear in the record.

(2) When an objection to a question or line of questioning is sustained, the examining representative of record may make a specific proffer on the record of what he expected to prove by the expected testimony of the witness.

The proffer may be by representation of the representative or by direct interrogation of the witness.

(3) The presiding officer shall retain rejected exhibits, adequately marked for identification, for the record and transmit such exhibits to the Board of Directors.

(4) Failure to object to admission of evidence or to any evidentiary ruling constitutes a waiver of the objection.

(e) *Stipulations.* The parties may stipulate as to any relevant matters of fact or the authentication of any relevant documents. Such stipulations must be received in evidence at a hearing and are binding on the parties with respect to the matters therein stipulated.

(f) *Depositions of unavailable witnesses.*

(1) If a witness is unavailable to testify at a hearing and that witness has testified in a deposition in accordance with § 908.49, a party may offer as evidence all or any part of the transcript of the deposition, including deposition exhibits, if any.

(2) Such deposition transcript is admissible to the same extent that testimony would have been admissible had that person testified at the hearing, provided that if a witness refused to answer proper questions during the depositions, the presiding officer may, on that basis, limit the admissibility of the deposition in any manner that justice requires.

(3) Only those portions of a deposition received in evidence at the hearing constitute a part of the record.

[67 FR 9903, Mar. 5, 2002; 67 FR 34990, May 16, 2002]

§ 908.62 Post-hearing filings.

(a) *Proposed findings and conclusions and supporting briefs.* (1) Using the same method of service for each party, the presiding officer shall serve notice upon each party that the certified transcript, together with all hearing exhibits and exhibits introduced but not admitted into evidence at the hearing, has been filed. Any party may file with the presiding officer proposed findings of fact, proposed conclusions of law and a proposed order within thirty (30) days after the parties have received notice that the transcript has been filed with the presiding officer,

unless otherwise ordered by the presiding officer.

(2) Proposed findings and conclusions must be supported by citation to any relevant authorities and by page references to any relevant portions of the record. A post-hearing brief may be filed in support of proposed findings and conclusions, either as part of the same document or in a separate document.

(3) Any party is deemed to have waived any issue not raised in proposed findings or conclusions timely filed by that party.

(b) *Reply briefs.* Reply briefs may be filed within fifteen (15) days after the date on which the parties' proposed findings and conclusions and proposed order are due. Reply briefs must be limited strictly to responding to new matters, issues, or arguments raised in another party's papers. A party who has not filed proposed findings of fact and conclusions of law or a post-hearing brief shall not file a reply brief.

(c) *Simultaneous filing required.* The presiding officer shall not order the filing by any party of any brief or reply brief supporting proposed findings and conclusions in advance of the other party's filing of its brief.

§ 908.63 Recommended decision and filing of record.

(a) *Filing of recommended decision and record.* Within forty-five (45) days after expiration of the time allowed for filing reply briefs under § 908.62(b), the presiding officer shall file with and certify to the Board of Directors, for decision, the record of the proceeding. The record must include the presiding officer's recommended decision, recommended findings of fact and conclusions of law, and proposed order; all pre-hearing and hearing transcripts, exhibits and rulings; and the motions, briefs, memoranda and other supporting papers filed in connection with the hearing. The presiding officer shall serve upon each party the recommended decision, recommended findings and conclusions, and proposed order.

(b) *Filing of index.* At the same time the presiding officer files with and certifies to the Board of Directors, for final determination, the record of the

Federal Housing Finance Board

§ 908.65

proceeding, the presiding officer shall furnish to the Board of Directors a certified index of the entire record of the proceeding. The certified index shall include, at a minimum, an entry for each paper, document or motion filed with the presiding officer in the proceeding, the date of the filing, and the identity of the filer. The certified index shall also include an exhibit index containing, at a minimum, an entry consisting of exhibit number and title or description for each exhibit introduced and admitted into evidence at the hearing; each exhibit introduced but not admitted into evidence at the hearing; each exhibit introduced and admitted into evidence after the completion of the hearing; and each exhibit introduced but not admitted into evidence after the completion of the hearing.

§ 908.64 Exceptions to recommended decision.

(a) *Filing exceptions.* Within thirty (30) days after service of the recommended decision, recommended findings and conclusions, and proposed order under § 908.63, a party may file with the Finance Board written exceptions to the presiding officer's recommended decision, recommended findings and conclusions, or proposed order; to the admission or exclusion of evidence; or to the failure of the presiding officer to make a ruling proposed by a party. A supporting brief may be filed at the time the exceptions are filed, either as part of the same document or in a separate document.

(b) *Effect of failure to file or raise exceptions.* (1) Failure of a party to file exceptions to those matters specified in paragraph (a) of this section within the time prescribed is deemed a waiver of objection thereto.

(2) No exception need be considered by the Board of Directors if the party taking exception had an opportunity to raise the same objection, issue, or argument before the presiding officer and failed to do so.

(c) *Contents.* (1) All exceptions and briefs in support of such exceptions must be confined to the particular matters in or omissions from the presiding officer's recommendations to which that party takes exception.

(2) All exceptions and briefs in support of exceptions must set forth page or paragraph references to the specific parts of the presiding officer's recommendations to which exception is taken, the page or paragraph references to those portions of the record relied upon to support each exception and the legal authority relied upon to support each exception. Exceptions and briefs in support shall not exceed a total of 30 pages, except by leave of the Finance Board on motion.

(3) Each party may submit one reply brief within ten (10) days of service of exceptions and briefs in support of exceptions. Reply briefs shall not exceed 15 pages, except by leave of the Finance Board on motion.

§ 908.65 Review by Board of Directors.

(a) *Notice of submission to the Board of Directors.* When the Board of Directors determines that the record in the proceeding is complete, the Finance Board shall serve notice upon the parties that the proceeding has been submitted to the Board of Directors for final decision and order in accordance with this section.

(b) *Oral argument before the Board of Directors.* Upon the initiative of the Board of Directors or on the written request of any party filed with the Board of Directors within the time for filing exceptions under § 908.64, the Board of Directors may order and hear oral argument on the recommended findings, conclusions, decision and order of the presiding officer. A written request by a party must show good cause for oral argument and state reasons why arguments cannot be presented adequately in writing. A denial of a request for oral argument may be set forth in the Board of Directors' final decision and order. Oral argument before the Board of Directors must be transcribed.

(c) *Board of Directors' final decision and order.* (1) Decisional employees may advise and assist the Board of Directors in the consideration and disposition of the case, and in the preparation of the final decision and order. The final decision and order of the Board of Directors will be based upon

§ 908.66

review of the entire record of the proceeding, except that the Board of Directors may limit the issues to be reviewed to those findings and conclusions to which opposing arguments or exceptions have been filed by the parties in accordance with this part.

(2) The Board of Directors shall render and issue a final decision and order within ninety (90) days after notification of the parties that the case has been submitted to the Board of Directors, unless the Board of Directors orders that the action or any aspect thereof be remanded to the presiding officer for further proceedings in accordance with instructions as may be specified by the Board of Directors. Copies of the final decision and order of the Board of Directors shall be served upon each party to the proceeding and otherwise, as may be required by the Board of Directors in accordance with applicable law.

§ 908.66 Exhaustion of administrative remedies.

To exhaust administrative remedies as to any issue on which a party disagrees with the presiding officer's recommendations, a party must file exceptions with the Board of Directors under § 908.64. A party must exhaust administrative remedies as a precondition to seeking judicial review of any final decision and order, in whole or in part, issued by the Board of Directors under § 908.65.

§ 908.67 Stay of final decision and order pending judicial review.

The commencement of proceedings for judicial review of all or part of a final order issued by the Board of Directors in accordance with § 908.65, as provided in § 908.10 may not, unless specifically ordered by the Board of Directors or a reviewing court, operate as a stay of any order issued by the Board of Directors. The Board of Directors may, in its discretion and on such terms as it finds just, stay the effectiveness of all or any part of an order of the Board of Directors pending a final decision on a petition for judicial review of that order.

§§ 908.68-908.69 [Reserved]

Subpart F—Rules of Practice Before the Finance Board

§ 908.70 Scope.

This subpart contains rules governing practice by parties or their representatives in any proceeding before the Finance Board. In particular, these rules of practice shall apply to any appearances before the Board of Directors under this part or part 907 of this chapter. This subpart also shall govern the imposition of sanctions by the Finance Board or a presiding officer against parties or their representatives in a hearing under this part or a proceeding under part 907 of this chapter. In the sole discretion of the Finance Board, §§ 908.74 and 908.75 may be applied to persons who appear in a representational capacity in any hearing under this part or any proceeding under part 907 of this chapter, or in any other matter that involves contacting the Finance Board as a principal or agent with respect to asserting the rights, privileges, or liabilities of an individual or entity, including presentations to or communications with the Board of Directors or any member of the Board of Directors. This representation includes, but is not limited to, the practice of attorneys and accountants. Employees of the Finance Board are not subject to disciplinary proceedings under this subpart.

§ 908.71 Practice before the Finance Board.

Practice before the Finance Board for the purposes of this subpart, includes, but is not limited to, transacting any business with the Finance Board as counsel, representative or agent for any other person, unless the Finance Board orders otherwise. Practice before the Finance Board also includes the preparation of any statement, opinion, or other paper by a counsel, representative or agent that is filed with the Finance Board in any request, certification, notification, application, report, or other document, with the consent of such counsel, representative or agent. Practice before the Finance Board does not include work prepared for a Bank solely at the request of the

Federal Housing Finance Board

§ 908.74

Bank for use in the ordinary course of its business.

§ 908.72 Appearances and practice in proceedings before the Finance Board.

(a) *Appearances in proceedings before the Finance Board*—(1) *By attorneys.* A party may be represented by an attorney who is a member in good standing of the bar of the highest court of any State, commonwealth, possession, territory of the United States, or the District of Columbia and who is not currently suspended or disbarred from practice before the Finance Board.

(2) *By non-attorneys.* An individual may appear on his own behalf. A member of a partnership may represent the partnership and a duly authorized officer, board of director member, employee, or other agent of any corporation or other entity not specifically listed herein may represent such corporation or other entity; provided that such officer, board of director member, employee, or other agent is not currently suspended or disbarred from practice before the Finance Board. A duly authorized officer or employee of any Government unit, agency, or authority may represent that unit, agency, or authority.

(b) *Notice of appearance.* Any person appearing in a representative capacity on behalf of a party, including the Finance Board, shall execute and file a notice of appearance with the presiding officer at or before the time such person submits papers or otherwise appears on behalf of a party in a hearing under this part. Such notice of appearance shall include a written declaration that the individual is currently qualified as provided in paragraphs (a)(1) or (a)(2) of this section and is authorized to represent the particular party. By filing a notice of appearance on behalf of a party in a hearing under this part, the representative thereby agrees and represents that he is authorized to accept service on behalf of the represented party and that, in the event of withdrawal from representation, he or she will, if required by the presiding officer, continue to accept service until a new representative has filed a notice of appearance or until the represented party indicates that he

or she will proceed on a *pro se* basis. Unless the representative filing the notice is an attorney, the notice of appearance shall also be executed by the person represented or, if the person is not an individual, by the chief executive officer, or duly authorized officer of that person.

§ 908.73 Conflicts of interest.

(a) *Conflict of interest in representation.* No representative shall represent another person in an adjudicatory proceeding if it reasonably appears that such representation may be limited materially by that representative's responsibilities to a third person or by that representative's own interests. The presiding officer may take corrective measures at any stage of a proceeding to cure a conflict of interest in representation, including the issuance of an order limiting the scope of representation or disqualifying an individual from appearing in a representative capacity for the duration of the proceeding.

(b) *Certification and waiver.* If any person appearing as counsel or other representative represents two or more parties in a proceeding under this part or also represents a nonparty on a matter relevant to an issue in the proceeding, that representative must certify in writing at the time of filing the notice of appearance required by § 908.72:

(1) That the representative has personally and fully discussed the possibility of conflicts of interest with each such party and nonparty;

(2) That each such party and nonparty waives any right it might otherwise have had to assert any known conflicts of interest or to assert any non-material conflicts of interest during the course of the proceeding.

§ 908.74 Sanctions.

(a) *General rule.* Appropriate sanctions may be imposed during the course of any proceeding when any party or representative of record has acted or failed to act in a manner required by applicable statute, regulation, or order, and that act or failure to act—

(1) Constitutes contemptuous conduct. Contemptuous conduct includes dilatory, obstructionist, egregious,

§ 908.75

12 CFR Ch. IX (1-1-03 Edition)

contumacious, unethical, or other improper conduct at any phase of any proceeding, hearing, or appearance before the Board of Directors;

(2) Has caused some other party material and substantive injury, including, but not limited to, incurring expenses including attorney's fees or experiencing prejudicial delay;

(3) Is a clear and unexcused violation of an applicable statute, regulation, or order; or

(4) Has delayed the proceeding unduly.

(b) *Sanctions.* Sanctions that may be imposed include, but are not limited to, any one or more of the following:

(1) Issuing an order against a party;

(2) Rejecting or striking any testimony or documentary evidence offered, or other papers filed, by the party;

(3) Precluding the party from contesting specific issues or findings;

(4) Precluding the party from offering certain evidence or from challenging or contesting certain evidence offered by another party;

(5) Precluding the party from making a late filing or conditioning a late filing on any terms that may be just; or

(6) Assessing reasonable expenses, including attorney's fees, incurred by any other party as a result of the improper action or failure to act.

(c) *Procedure for imposition of sanctions.* (1) The presiding officer, on the motion of any party, or on his own motion, and after such notice and responses as may be directed by the presiding officer, may impose any sanction authorized by this section. The presiding officer shall submit to the Board of Directors for final ruling any sanction that would result in a final order that terminates the case on the merits or is otherwise dispositive of the case.

(2) Except as provided in paragraph (d) of this section, no sanction authorized by this section, other than refusing to accept late papers, shall be imposed without prior notice to all parties and an opportunity for any representative or party against whom sanctions would be imposed to be heard. The presiding officer shall determine and direct the appropriate notice and form for such opportunity to be heard. The opportunity to be heard

may be limited to an opportunity to respond verbally immediately after the act or inaction in question is noted by the presiding officer.

(3) For purposes of interlocutory review, motions for the imposition of sanctions by any party and the imposition of sanctions shall be treated the same as motions for any other ruling by the presiding officer.

(4) Nothing in this section shall be read to preclude the presiding officer or the Finance Board from taking any other action or imposing any other restriction or sanction authorized by any applicable statute or regulation.

(d) *Sanctions for contemptuous conduct.* If, during the course of any proceeding, a presiding officer finds any representative or any individual representing himself to have engaged in contemptuous conduct, the presiding officer may summarily suspend that individual from participating in that or any related proceeding or impose any other appropriate sanction.

§ 908.75 Censure, suspension, disbarment and reinstatement.

(a) *Discretionary censure, suspension and disbarment.* (1) The Finance Board may censure any individual who practices or attempts to practice before it or suspend or revoke the privilege to appear or practice before the Finance Board of such individual if, after notice of and opportunity for a hearing in the matter, that individual is found by the Finance Board—

(i) Not to possess the requisite qualifications or competence to represent others;

(ii) To be seriously lacking in character or integrity or to have engaged in material unethical or improper professional conduct;

(iii) To have caused unfair and material injury or prejudice to another party, such as prejudicial delay or unnecessary expenses including attorney's fees;

(iv) To have engaged in, or aided and abetted, a material and knowing violation of the Act or the rules or regulations issued under the Act or any other law or regulation governing Bank operations;

(v) To have engaged in contemptuous conduct before the Finance Board;

Federal Housing Finance Board

§ 908.75

(vi) With intent to defraud in any manner, to have willfully and knowingly deceived, misled, or threatened any client or prospective client; or

(vii) Within the last ten years, to have been convicted of an offense involving moral turpitude, dishonesty or breach of trust, if the conviction has not been reversed on appeal. A conviction within the meaning of this paragraph shall be deemed to have occurred when the convicting court enters its judgment or order, regardless of whether an appeal is pending or could be taken and includes a judgment or an order on a plea of *nolo contendere* or on consent, regardless of whether a violation is admitted in the consent.

(2) Suspension or revocation on the grounds set forth in paragraphs (a)(1) (ii), (iii), (iv), (v), (vi) and (vii) of this section shall only be ordered upon a further finding that the individual's conduct or character was sufficiently egregious as to justify suspension or revocation. Suspension or disbarment under this paragraph shall continue until the applicant has been reinstated by the Finance Board for good cause shown or until, in the case of a suspension, the suspension period has expired.

(3) If the final order against the respondent is for censure, the individual may be permitted to practice before the Finance Board, but such individual's future representations may be subject to conditions designed to promote high standards of conduct. If a written letter of censure is issued, a copy will be maintained in the Finance Board's files.

(b) *Mandatory suspension and disbarment.* (1) Any counsel who has been and remains suspended or disbarred by a court of the United States or of any State, commonwealth, possession, territory of the United States or the District of Columbia; any accountant or other licensed expert whose license to practice has been revoked in any State, commonwealth, possession, territory of the United States or the District of Columbia; any person who has been and remains suspended or barred from practice before the Department of Housing and Urban Development, the Office of the Comptroller of the Currency, the Board of Governors of the Federal Reserve System, the Office of Thrift Su-

pervision, the Federal Deposit Insurance Corporation, the National Credit Union Administration, the Office of Federal Housing Enterprise Oversight, the Farm Credit Administration, the Securities and Exchange Commission, or the Commodity Futures Trading Commission is also suspended automatically from appearing or practicing before the Finance Board. A disbarment or suspension within the meaning of this paragraph shall be deemed to have occurred when the disbarring or suspending agency or tribunal enters its judgment or order, regardless of whether an appeal is pending or could be taken and regardless of whether a violation is admitted in the consent.

(2) A suspension or disbarment from practice before the Finance Board under paragraph (b)(1) of this section shall continue until the person suspended or disbarred is reinstated under paragraph (d)(2) of this section.

(c) *Notices to be filed.* (1) Any individual appearing or practicing before Finance Board who is the subject of an order, judgment, decree, or finding of the types set forth in paragraph (b)(1) of this section shall file promptly with the Finance Board a copy thereof, together with any related opinion or statement of the agency or tribunal involved.

(2) Any individual appearing or practicing before the Finance Board who is or within the last ten years has been convicted of a felony or of a misdemeanor that resulted in a sentence of prison term or in a fine or restitution order totaling more than \$5,000 shall file a notice promptly with the Finance Board. The notice shall include a copy of the order imposing the sentence or fine, together with any related opinion or statement of the court involved.

(d) *Reinstatement.* (1) Unless otherwise ordered by the Finance Board, an application for reinstatement for good cause may be made in writing by a person suspended or disbarred under paragraph (a)(1) of this section at any time more than three years after the effective date of the suspension or disbarment and, thereafter, at any time more than one year after the person's most recent application for reinstatement. An applicant for reinstatement under

this paragraph (d)(1) may, in the Finance Board's sole discretion, be afforded a hearing.

(2) An application for reinstatement for good cause by any person suspended or disbarred under paragraph (b)(1) of this section may be filed at any time, but not less than one (1) year after the applicant's most recent application. An applicant for reinstatement for good cause under this paragraph (d)(2) may, in the Finance Board's sole discretion, be afforded a hearing. However, if all the grounds for suspension or disbarment under paragraph (b)(1) of this section have been removed by a reversal of the order of suspension or disbarment or by termination of the underlying suspension or disbarment, any person suspended or disbarred under paragraph (b)(1) of this section may apply immediately for reinstatement and shall be reinstated upon written application notifying the Finance Board that the grounds have been removed.

(e) *Conferences.* (1) The Finance Board may confer with a proposed respondent concerning allegations of misconduct or other grounds for censure, disbarment or suspension, regardless of whether a proceeding for censure, disbarment or suspension has been commenced. If a conference results in a stipulation in connection with a proceeding in which the individual is the respondent, the stipulation may be entered in the record at the request of either party to the proceeding.

(2) *Resignation or voluntary suspension.* In order to avoid the institution of or a decision in a disbarment or suspension proceeding, a person who practices before the Finance Board may consent to censure, suspension or disbarment from practice. At the discretion of the Finance Board, the individual may be censured, suspended or disbarred in accordance with the consent offered.

(f) *Hearings under this section.* Hearings conducted under this section shall be conducted in substantially the same manner as other hearings under this part, provided that in proceedings to terminate an existing suspension or disbarment order, the person seeking the termination of the order shall bear the burden of going forward with an application supported with proof that the

suspension should be terminated. The Finance Board may, in its sole discretion, direct that any proceeding to terminate an existing suspension or disbarment be limited to written submissions. All hearings held under this section shall be closed to the public unless the Finance Board, on its own motion or upon the request of a party, otherwise directs that the hearing be open to the public.

§910.4 Finance Board response to requests for records.

(a) *Response deadline.* Subject to §910.9(f), within 20 working days of receipt of a request meeting the requirements of §910.3(a) and any extensions of time under paragraph (c) of this section, the FOIA Officer shall:

(1) Determine whether to grant or deny the request in whole or in part;

(2) Notify the requester in writing of the determination and the reasons therefor; and

(3) Make the records, if any, available to the requester.

(b) *Denials.* If the FOIA Officer denies the request in whole or in part, the notice required under paragraph (a)(2) of this section shall state that the FOIA Officer is the person responsible for the denial, the denial is not a final agency action, and the requester may appeal the denial under §910.8.

(c) *Extensions of time.* In unusual circumstances, the FOIA Officer may extend the time limit in paragraph (a) of this section for a period not to exceed 10 working days by notifying the requester in writing of:

(1) The reasons for the extension;

(2) The date on which a determination is expected; and

(3) The opportunity for the requester to either limit the scope of the request so that the FOIA Officer may process it in accordance with paragraph (a) of this section, or arrange an alternative time frame for processing the request or a modified request.

(d) *Expedited processing.* (1) The FOIA Officer shall process a request for records as soon as practicable if it is determined that expedited processing is appropriate or the requester demonstrates a compelling need. To demonstrate a compelling need, a requester shall submit a written application certified to be true and correct to the best of the requester's knowledge and belief to the FOIA Officer. The application shall state that:

(i) The failure to obtain the records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(ii) With respect to a requester who is primarily engaged in disseminating information, such as a representative of

Federal Housing Finance Board

§ 910.5

the news media as defined in § 910.9(a)(4)(iv), there is urgency to inform the public concerning actual or alleged Finance Board activity.

(2) Within 10 working days of receipt of an application for expedited processing that meets the requirements of paragraph (d)(1) of this section, the FOIA Officer shall determine whether to grant or deny the application and notify the requester in writing of the determination.

(3) A requester may appeal the denial of an application for expedited processing by submitting a written application stating the grounds for the appeal to the FOIA Officer. The Finance Board shall expeditiously determine whether to grant or deny the appeal and shall notify the requester in writing of the determination, the name and title or position of the person responsible for the determination, and of the provisions for judicial review of this final action under 5 U.S.C. 552(a) (4) and (6).

(e) *Providing responsive records.* The FOIA Officer shall provide one copy of a record to a requester in any form or format requested if the record is readily reproducible by the Finance Board in that form or format by regular U.S. mail to the address indicated in the request unless other arrangements are made, such as taking delivery of the document at the Finance Board. At the option of the requester and upon the requester's agreement to pay fees in accordance with § 910.9, the FOIA Officer shall provide copies by facsimile transmission or other express delivery methods.

§ 910.5 Records not disclosed.

(a) *Records exempt from disclosure.* Except as otherwise provided in this part, the Finance Board shall not disclose records that are:

(1) Specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive order.

(2) Related solely to the Finance Board's internal personnel rules and practices.

(3) Specifically exempted from disclosure by a statute other than FOIA if such statute requires the record to be withheld from the public in such a manner as to leave no discretion on the issue, establishes particular criteria for withholding, or refers to particular types of records to be withheld.

(4) Trade secrets and commercial or financial information obtained from a person and privileged or confidential.

(5) Inter- or intra-agency memorandums or letters that would not be available by law to a party other than an agency in litigation with the Finance Board.

(6) Personnel, medical, or similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

(7) Compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority, any private institution, or a Bank, which furnished information on a confidential basis, and, in the case of a record compiled by criminal law enforcement authority in the course of a criminal investigation or by an agency conducting a lawful national security investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(8) Contained in or related to examination, operating, or condition reports

§910.6

prepared by, on behalf of, or for the use of the Finance Board, a Bank, or a financial regulatory agency.

(9) Geological and geophysical information and data, including maps, concerning wells.

(b) *Reasonably segregable portions.* (1) The Finance Board shall provide a requester with any reasonably segregable portion of a record after redacting the portion that is exempt from disclosure under paragraph (a) of this section.

(2) The Finance Board shall make a reasonable effort to estimate the volume of redacted information and provide that information to the requester unless providing the estimate would harm an interest protected by the exemption under which the redaction is made.

(3) The Finance Board shall indicate the estimated volume of redacted information on the released portion of the record unless providing the estimate would harm an interest protected by the exemption under which the redaction is made. If technically feasible, the Finance Board shall make the indication at the place in the record where the redaction is made.

(c) *Public interest.* The Finance Board may disclose records it has authority to withhold under paragraph (a) of this section upon a determination that disclosure would be in the public interest.

The Finance Board may disclose an examination, operating, or condition report of a Bank or a related record to a financial regulatory agency upon a determination that:

(a) The person requesting the record on behalf of the financial regulatory agency has the authority to make such request;

(b) The financial regulatory agency is requesting the record for a legitimate regulatory purpose; and

(c) The financial regulatory agency making the request agrees that it shall not disclose the record pursuant to FOIA, the agency's regulations, or any other authority.

§910.8 Appeals.

(a) *Procedure.* (1) If the FOIA Officer has denied a request in whole or in part, the requester may appeal the denial by submitting a written application to the FOIA Officer stating the grounds for the appeal within 30 working days of the date of the determination under §910.4.

(2) Subject to §910.9(f), within 20 working days of receipt of an application for appeal meeting the requirements of paragraph (a)(1) of this section and any extensions of time under paragraph (a)(3) of this section, the Finance Board shall determine whether to grant or deny the appeal and notify the requester in writing of the determination, the name and title or position of the person responsible for the determination, and the provisions for judicial review of this final action under 5 U.S.C. 552(a)(4).

(3) In unusual circumstances, the FOIA Officer may extend the time limit in paragraph (a)(2) of this section for a period not to exceed 10 working days by notifying the requester in writing of the reasons for the extension and the date on which a determination is expected.

(b) *Appeal during pendency of judicial review.* If a requester files an action in a United States district court under 5 U.S.C. 552(a)(4) concerning a request for Finance Board records before exhausting the administrative appeals process for that request under paragraph (a) of this section, the Finance Board may:

(1) Initiate and process an administrative appeal; or

(2) Continue to process an administrative appeal previously filed under paragraph (a) of this section.

[63 FR 37485, July 13, 1998, as amended at 65 FR 8257, 8258, Feb. 18, 2000; 65 FR 20346, Apr. 17, 2000]

§910.9 Fees.

(a) *Fees.* Except as otherwise provided in a statute specifically providing for setting fees for particular types of records or in this section, the Finance Board shall assess against each requester the direct costs of responding to a request for records.

(1) If the records are requested for a commercial use, the direct costs are limited to the reasonable operating costs the Finance Board incurs to search, review, and duplicate records.

(2) If the records are not requested for a commercial use and the requester is an educational institution, non-commercial scientific institution, or representative of the news media, the direct costs are limited to the reasonable operating costs the Finance Board incurs to duplicate records in excess of 100 pages.

(3) If neither the request nor the requester is described in paragraphs (a) (1) or (2) of this section, the direct costs are limited to the reasonable operating costs the Finance Board incurs to search in excess of two hours and duplicate records in excess of 100 pages.

(4) For purposes of this section, the term:

(i) *Commercial use request* means a request from, or on behalf of, a person who seeks records for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made.

(ii) *Educational institution* means a preschool, public or private elementary or secondary school, or institution of undergraduate, graduate, professional, or vocational higher education that operates a program of scholarly research.

(iii) *Non-commercial scientific institution* means a nonprofit institution operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(iv) *Representative of the news media* means a requester who is actively

gathering information that is about current events or would be of current interest to the public for an entity that is organized and operated to publish or broadcast news to the public.

(b) *Fees when no records are provided.* The Finance Board may assess a fee for the direct costs of searching for a requested record the Finance Board cannot locate or if located, determines to be exempt from disclosure under §910.5.

(c) *Interest.* The Finance Board may assess interest at the rate prescribed in 31 U.S.C. 3717 on any unpaid fees beginning 31 days after the earlier of the date of the determination under §910.4 or the date a fee statement is mailed to a requester. Interest shall accrue from such date.

(d) *Exceptions.* Notwithstanding paragraphs (a) or (b) of this section, the FOIA Officer may determine not to assess a fee or to reduce a fee if:

(1) The routine cost of collecting and processing the fee is likely to equal or exceed the amount of the fee.

(2) The fee is equal to or less than 10 dollars.

(3) Disclosure of the record is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.

(i) A requester may apply in writing to the FOIA Officer for a waiver of fees under this paragraph (d)(3). A fee waiver request shall include the following:

(A) The requester's interest in and proposed use of the record;

(B) Whether the requester will derive income or other benefit from the record;

(C) An explanation of how the public will benefit from disclosure, including the requester's ability and intention to disseminate the information to the public; and

(D) The requester's expertise in the subject area of the record.

(ii) In determining whether disclosure of a record is in the public interest, the FOIA Officer shall consider whether the record:

(A) Concerns identifiable operations or activities of the Finance Board;

(B) Is meaningfully informative in relation to the subject matter of the request;

(C) Contributes to an understanding of the subject matter by the public at large, and the significance of that contribution; and

(D) Furthers, or is primarily in, the requester's commercial interest.

(e) *Aggregating requests.* If the FOIA Officer reasonably believes that a requester or a group of requesters acting in concert is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the FOIA Officer may aggregate such requests and assess fees in accordance with this section.

(f) *Collecting fees.* (1) The Finance Board shall deem any request for Finance Board records as an agreement by the requester to pay fees and interest assessed in accordance with this section.

(2) To pay fees and interest assessed under this section, a requester shall deliver to the Office of Resource Management, located at the Federal Housing Finance Board, 1777 F Street NW., Washington, DC 20006, a check or money order made payable to the "Federal Housing Finance Board."

(3) Prior to disclosing any record, the FOIA Officer may require a requester to agree in writing to pay actual fees and interest incurred in accordance with this section if the estimated fee will likely exceed \$25 but not \$250.

(4) The FOIA Officer may require a requester to pay an estimated fee in advance if:

(i) It is determined that the fee will likely exceed \$250; or

(ii) The requester has previously failed to pay a fee assessed under this section within 30 days of the earlier of the date of the determination under §910.4 or the date a fee statement was mailed to a requester.

(5) The Finance Board shall promptly refund to a requester any estimated advance fee paid under paragraph (f)(4) of this section that exceeds the actual fee. The FOIA Officer shall assess the requester for the amount by which the actual fee exceeds the estimated advance fee payment.

(g) *Fee schedule.* The FOIA Officer shall assess fees in accordance with the following schedule:

It does not include information or documents the Finance Board must disclose under the Freedom of Information Act (5 U.S.C. 552), Privacy Act (5 U.S.C. 552a), or the Finance Board's implementing regulations (12 CFR parts 910 and 913, respectively). It also does not include information or documents that were previously published or disclosed or are customarily furnished to the public in the course of the performance of official duties such as the annual report the Finance Board submits to Congress pursuant to section 2B(d) of the Act (12 U.S.C. 1422b(d)), press releases, Finance Board forms, and materials published in the FEDERAL REGISTER.

[64 FR 44106, Aug. 13, 1999, as amended at 65 FR 8258, Feb. 18, 2000; 67 FR 12844, Mar. 20, 2002]

(4) Establish an orderly mechanism for the Finance Board to process expeditiously and respond appropriately to requests for unpublished information.

(b) *Scope.* (1) This part applies to a request for and use and disclosure of unpublished information, including a request for unpublished information by document or testimony arising out of a legal proceeding in which neither the Finance Board nor the United States is a party. It does not apply to a request for unpublished information in a legal proceeding in which the Finance Board or the United States is a party or a request for information or records the Finance Board must disclose under the Freedom of Information Act, Privacy Act, or the Finance Board's implementing regulations.

(2) This part does not, and may not be relied upon to create any substantive or procedural right or benefit enforceable against the Finance Board.

§911.3 Prohibition on unauthorized use and disclosure of unpublished information.

(a) *In general.* Possession or control by any person, supervised entity, Bank member, government agency, or other entity of unpublished information does not constitute a waiver by the Finance Board of any privilege or its right to control, supervise, or impose limitations on, the subsequent use and disclosure of the information.

(b) *Current and former employees and agents.* Except as authorized by this part or otherwise by the Finance Board, no current or former Finance Board employee or agent may disclose or permit the disclosure in any manner of any unpublished information to anyone other than a Finance Board employee or agent for use in the performance of official duties.

(c) *Other persons or entities possessing unpublished information.* (1) Except as authorized in writing by the Finance Board, no person, supervised entity, Bank member, government agency, or other entity in possession or control of unpublished information may disclose or permit the use or disclosure of such

§911.4

12 CFR Ch. IX (1–1–03 Edition)

information in any manner or for any purpose.

(2) All unpublished information made available under this part remains the property of the Finance Board and may not be used or disclosed for any purpose other than that authorized under this part without the prior written permission of the Finance Board.

(3) Reports of examination, supervisory correspondence, and other unpublished information lawfully in the possession of a supervised entity, Bank member, or government agency remains the property of the Finance Board and may not be used or disclosed for any purpose other than that authorized under this part without the prior written permission of the Finance Board.

(4) Any person or entity that discloses or uses unpublished information except as expressly authorized under this part may be subject to the penalties provided in 18 U.S.C. 641 and other applicable laws. A current Finance Board, Bank, or Office of Finance employee also may be subject to administrative or disciplinary proceedings.

(d) *Exception for supervised entities and Bank members.* When necessary or appropriate for business purposes, a supervised entity, Bank member, or any director, officer, employee, or agent thereof, may disclose unpublished information, including information contained in, or related to, supervisory correspondence or reports of examination, to a person or entity officially connected with the supervised entity or Bank member as officer, director, employee, attorney, agent, auditor, or independent auditor. A supervised entity, Bank member, or a director, officer, employee, or agent thereof, also may disclose unpublished information to a consultant under this paragraph if the consultant is under a written contract to provide services to the supervised entity or Bank member and the consultant has agreed in writing:

(1) To abide by the prohibition on the disclosure of unpublished information contained in this section; and

(2) That it will not to use the unpublished information for any purposes other than those stated in its contract

to provide services to the supervised entity or Bank member.

(e) *Government agencies.* The Finance Board may make reports of examination, supervisory correspondence, and other unpublished information available to another federal agency or a state agency for use where necessary in the performance of the agency's official duties. As used in this paragraph, the term agency does not include a grand jury.

[64 FR 44106, Aug. 13, 1999, as amended at 65 FR 8258, Feb. 18, 2000; 67 FR 12844, Mar. 20, 2002]

§911.4 Requests for unpublished information by document or testimony.

(a) *Form of requests.* A request for unpublished information must be submitted to the Finance Board in writing and include a detailed description of the basis for the request. At a minimum, the request must demonstrate that:

(1) The requested information is highly relevant to the purpose for which it is sought;

(2) The requested information is not available from any other source;

(3) The need for the information clearly outweighs the need to maintain its confidentiality; and

(4) The need for the information clearly outweighs the burden on the Finance Board to produce it.

(b) *Requests for documents.* If the request is for unpublished information by document, the request must include the elements in paragraph (a) of this section and also must adequately describe the record or records sought by type and date.

(c) *Requests for testimony.* (1) If the request is for unpublished information by testimony, the request must include the elements in paragraph (a) of this section and also must set forth the intended use of the testimony, a summary of the scope of the testimony requested, and a showing that no document or the testimony of other non-Finance Board persons, including retained experts, could be provided and used in lieu of the testimony.

(2) Upon submitting a request to the Finance Board for unpublished information by testimony, the requester

Federal Housing Finance Board

§911.5

must notify all other parties to the matter at issue of the request.

(3) After receipt of a request for unpublished information by testimony but before the requested testimony occurs, a party to the matter at issue who did not join in the request and who wishes to question the witness beyond the scope of the testimony sought by the request, must timely submit its own request for unpublished information pursuant to this part.

(d) *Requests in connection with legal proceedings.* If the request for unpublished information arises out of a legal proceeding, the Finance Board generally will require that the legal proceeding already be filed before it will consider the request. In addition to the elements in paragraph (a) of this section, requests in connection with legal proceedings must include the caption and docket number of the case; the forum; the name, address, phone number, and electronic mail address, if available, of counsel to all other parties to the legal proceeding; the requester's interest in the case; a summary of the issues in litigation; and the reasons for the request, including the relevance of the unpublished information and how the requested information will contribute substantially to the resolution of one or more specifically identified issues in the legal proceeding.

(e) *Expedited requests.* If a requester seeks a response in less than 60 days, the request must explain why the request was not submitted earlier and why the Finance Board should expedite the request.

(f) *Where to submit requests.* Send requests for unpublished information to the Office of General Counsel, Federal Housing Finance Board, 1777 F Street, NW., Washington, DC 20006.

(g) *Additional information.* (1) *From the requester.* The Office of General Counsel may consult with the requester to refine and limit the scope of the request to make compliance less burdensome or to obtain information necessary to make an informed determination on the request. A requester's failure to cooperate in good faith with the Office of General Counsel may serve as the basis for a determination not to grant the request.

(2) *From others.* The Office of General Counsel may inquire into the facts and circumstances underlying a request for unpublished information and rely on sources of information other than the requester, including other parties to the matter at issue.

§911.5 Consideration of requests.

(a) *Discretion.* Each decision concerning the availability of unpublished information is at the sole discretion of the Finance Board based on a weighing of all appropriate factors. The decision is a final agency action that exhausts administrative remedies for disclosure of the information.

(b) *Time to respond.* The Finance Board generally will respond in writing to a request for unpublished information within 60 days of receipt absent exigent or unusual circumstances and dependent upon the scope and completeness of the request.

(c) *Factors the Finance Board may consider.* The factors the Finance Board may consider in making a determination regarding the availability of unpublished information include:

(1) Whether and how the requested information is relevant to the purpose for which it is sought;

(2) Whether information reasonably suited to the requester's needs other than the requested information is available from another source;

(3) Whether the requested information is privileged;

(4) If the request is in connection with a legal proceeding, whether the proceeding has been filed;

(5) The burden placed on the Finance Board to respond to the request;

(6) Whether production of the information would be contrary to the public interest; and

(7) Whether the need for the information clearly outweighs the need to maintain the confidentiality of the information.

(d) *Disclosure of unpublished information by others.* When a person or entity other than the Finance Board has a claim of privilege regarding unpublished information and the information is in the possession or control of that person or entity, the Finance Board, at

§911.6

its sole discretion, may respond to a request for the information by authorizing the person or entity to disclose the information to the requester pursuant to an appropriate confidentiality order. Finance Board authorization to disclose information under this paragraph does not preclude the person or entity in possession of the unpublished information from asserting its own privilege, arguing that the information is not relevant, or asserting any other argument to protect the information from disclosure.

(e) *Notice to supervised entities and Bank members.* The Finance Board generally will notify a supervised entity or Bank member that it is the subject of a request, unless the Finance Board, in its sole discretion, determines that to do so would advantage or prejudice any of the parties to the matter at issue.

[64 FR 44106, Aug. 13, 1999, as amended at 65 FR 8258, Feb. 18, 2000]

§911.6 Persons and entities with access to unpublished information.

(a) *Notice to Finance Board.* Any person, including a current or former Finance Board employee or agent, or any entity, including a supervised entity, Bank member, or government agency that receives a request for, or is served with a subpoena, order, or other legal process to disclose unpublished information by document or testimony, must immediately notify the Office of General Counsel.

(b) *Response of person or entity served with request.* Unless the Finance Board has authorized in writing disclosure of the requested information:

(1) A current or former Finance Board employee or agent or a supervised entity that must respond to a subpoena, order, or other legal process, must decline to disclose the requested information, citing this part as authority.

(2) A non-Finance Board person or entity may not disclose unpublished information unless:

(i) The requester has sought the information from the Finance Board under this part; and

(ii) After the Finance Board or the Department of Justice has had the opportunity to appear and oppose disclosure, a Federal court has ordered the

12 CFR Ch. IX (1-1-03 Edition)

person or entity to disclose the information.

(c) *Finance Board response.* If the Finance Board does not authorize in writing disclosure of the requested information, the Finance Board will provide a copy of this part to the person or entity at whose instance the process was issued and advise that person or entity or the court or other body that the Finance Board has prohibited disclosure of the information under this part. The Finance Board or the Department of Justice may intervene in the matter at issue, attempt to have the compulsory process withdrawn, or register other appropriate objections.

[64 FR 44106, Aug. 13, 1999, as amended at 65 FR 8258, Feb. 18, 2000]

§911.7 Availability of unpublished information by testimony.

(a) *Scope.* (1) The scope of permissible testimony is limited to that set forth in the written authorization granted by the Finance Board. The Finance Board may act to ensure that the scope of testimony provided is consistent with the written authorization.

(2) A party to the matter at issue that did not join in a request for unpublished information who wishes to question a witness beyond the authorized scope must request expanded authorization under this part. The Finance Board will attempt to render decisions on such requests in an expedited manner.

(3) The Finance Board generally will not authorize a current employee or agent to provide expert or opinion testimony for a private party.

(b) *Manner in which testimony is given.*

(1) The Finance Board ordinarily will make the authorized testimony of a former or current employee or agent available only through written interrogatories or deposition. The Finance Board will not authorize testimony at a trial or hearing unless the requester shows that properly developed deposition testimony could not be used or would be inadequate at the trial or hearing.

(2) If the Finance Board has authorized testimony in connection with a legal proceeding, the requester must cause a subpoena to be served on the

Federal Housing Finance Board

§911.9

employee in accordance with applicable rules of procedure, with a copy by registered or certified mail to the Office of General Counsel.

(3) If the authorized testimony is through deposition, the deposition ordinarily will take place at the Finance Board's offices at a time that will avoid substantial interference with the performance of the employee's official duties.

(4) The requester is responsible for all costs associated with an employee's appearance, including provision of a copy of a transcript of the deposition at the request of the Office of General Counsel. The person whose deposition was transcribed does not waive his or her right to review the transcript and note errors.

(c) *Restrictions on use and disclosure.* The Finance Board may condition its authorization of deposition testimony on an agreement of the parties to appropriate limitations, such as an agreement to keep the transcript of the testimony under seal or to make the transcript available only to the parties, the court or other body, or the jury. Upon request made pursuant to this part or on its own initiative, the Finance Board may authorize use of a deposition transcript in another legal proceeding or non-adversarial matter.

(d) *Responsibility of litigants.* If the testimony is disclosed in connection with a legal proceeding, the requester is responsible for:

(1) Promptly notifying all other parties to the legal proceeding of the disclosure, and, after entry of a protective order, providing copies of the testimony to the other parties who are signatories and subject to the protective order; and

(2) At the conclusion of the legal proceeding, retrieving the testimony from the court or other body's file as soon as it is no longer required and certifying to the Finance Board that every party covered by the protective order has destroyed the unpublished information.

§911.8 Availability of unpublished information by document.

(a) *Scope.* The scope of permissible document disclosure is limited to that set forth in the written authorization granted by the Finance Board. The Fi-

nance Board may act to ensure that the scope of documents provided is consistent with the written authorization.

(b) *Restrictions on use and disclosure.* The Finance Board may condition a decision to disclose unpublished information by document on entry of a protective order satisfactory to the Finance Board by the court or other body presiding in a legal proceeding or, in non-adversarial matters, on a written agreement of confidentiality that limits access of third parties to the unpublished information. In a legal proceeding in which a protective order already has been entered, the Finance Board may condition a decision to disclose unpublished information upon inclusion of additional or amended provisions in the protective order. Upon request made pursuant to this part or on its own initiative, the Finance Board may authorize use of the documents in another legal proceeding or non-adversarial matter.

(c) *Responsibility of litigants.* If the documents are disclosed in connection with a legal proceeding, the requester is responsible for:

(1) Promptly notifying all other parties to the legal proceeding of the disclosure, and, after entry of a protective order, providing copies of the documents to the other parties that are signatories and subject to the protective order; and

(2) At the conclusion of the legal proceeding, retrieving the documents from the court or other body's file as soon as they are no longer required and certifying to the Finance Board that every party covered by the protective order has destroyed the unpublished information.

(d) *Certification or authentication.* If the Finance Board has authorized disclosure of unpublished information by document, it will provide certified or authenticated copies of the document upon request.

§911.9 Fees.

(a) *Fees for records search, copying, and certification.* Unless waived or reduced, a requester must pay a fee to the Finance Board for the costs of searching, copying, authenticating, or certifying unpublished information in

accordance with 12 CFR 910.9. The Office of Resource Management generally will bill a requester upon completion of the production, but, in certain instances, may require a requester to remit payment prior to providing the requested information. To pay fees assessed under this section, a requester must deliver to the Office of Resource Management, located at the Federal Housing Finance Board, 1777 F Street, NW., Washington, DC 20006, a check or money order made payable to the "Federal Housing Finance Board."

(b) *Witness fees and mileage.* (1) *Current Finance Board or federal employees.* If the Finance Board authorizes disclosure of unpublished information by testimony of a current Finance Board employee or agent or a former Finance Board employee or agent who is still in the employ of the United States, upon completion of the testimonial appearance the requester must remit promptly to the Office of Resource Management payment for witness fees and mileage computed in accordance with 28 U.S.C. 1821.

(2) *Former employees or agents.* If the Finance Board authorizes disclosure of unpublished information by testimony of a former Finance Board employee or agent who is not currently employed by the United States, upon completion of the testimonial appearance the requester must remit promptly to the witness any witness fees or mileage due in accordance with 28 U.S.C. 1821.

(a) The Board of Directors may close a meeting, or portion thereof, to public observation, or withhold information from the public pertaining to a meeting, when it determines that opening the meeting, or a portion thereof, or the public disclosure of information pertaining to such meeting, or portion thereof, is likely to:

(2) Relate solely to the internal personnel rules and practices of the Finance Board;

(3) Disclose matters specifically exempt from disclosure by statute (other than the Freedom of Information Act (5 U.S.C. 552)), *provided* that such statute:

(4) Disclose trade secrets or commercial or financial information that is obtained from a person and is privileged or confidential;

(5) Involve accusing any person of a crime, or formally censuring any person;

(6) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(7) Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would:

(ii) Deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Constitute an unwarranted invasion of personal privacy;

§912.5

12 CFR Ch. IX (1–1–03 Edition)

(10) Specifically concern the issuance of a subpoena by the Board of Directors, or the Finance Board's participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct or disposition of a particular case of formal adjudication pursuant to the procedures in 5 U.S.C. 554 or otherwise involving a determination on the record after opportunity for a hearing.

(b) A meeting or portions of a meeting shall not be closed nor information withheld pursuant to paragraph (a) of this section if the Board of Directors finds that the public interest requires otherwise.

[58 FR 19202, Apr. 13, 1993. Redesignated at 65 FR 8256, Feb. 18, 2000, as amended at 67 FR 12844, Mar. 20, 2002]

§912.5 Procedures for closing meetings.

(a) *Regular procedures.* (1) Except as provided in paragraph (b) of this section, a meeting of the Board of Directors, or portion thereof, will be closed to public observation, and information pertaining to such meeting, or portion thereof, will be withheld from the public, when a majority of the Board of Directors determines by recorded vote that such meeting, or portion thereof, or the withholding of information qualifies for exemption under §912.4, and the Board of Directors does not find that the public interest requires otherwise.

(2) Except as provided in paragraph (a)(3) of this section, a separate vote of the Board Directors will be taken with respect to the closing or the withholding of information as to each meeting or portion thereof that is proposed to be closed to public observation, or with respect to information that is proposed to be withheld pursuant to paragraph (a) of this section.

(3) A single vote may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to public observation, or with respect to any information concerning such series of meetings proposed to be withheld, so long as each meeting in such series involves the same particular matters and is scheduled to be held no more than thirty

days after the initial meeting in such series.

(4) The vote of each Board Director taken pursuant to paragraph (a) of this section shall be recorded, and no proxies shall be allowed.

(5) Whenever any person's interests may be directly affected by any portion of a meeting for any of the reasons referred to in §912.4(a)(5), (6), or (7), such person may send a written request to the Secretary to the Board asking that such portion of the meeting be closed to public observation. The Secretary to the Board will transmit the request to each Board Director, and upon the request of a Director, a recorded vote will be taken of the Board of Directors whether to close the meeting to public observation.

(6)(i) Within one day of any vote taken pursuant to paragraph (a) of this section, the Finance Board will make publicly available through the Secretary to the Board a written copy of such vote reflecting the vote of each Board Director.

(ii) If a meeting or portion thereof is to be closed to public observation, the Finance Board within one day of the vote taken pursuant to paragraph (a) of this section will make publicly available through the Secretary to the Board a full, written explanation of its action closing the meeting, or portion thereof, together with a list of all persons expected to attend the meeting and their affiliation, except to the extent such information is determined by the Board of Directors to be exempt from disclosure under §912.4(a).

(7) Any person may request in writing to the Secretary to the Board that an announced closed meeting, or portion thereof, be open to public observation. The Secretary to the Board will transmit the request to each Board Director, and upon the request of a Director, a recorded vote will be taken of the Board of Directors on whether to open the meeting to public observation.

(b) *Expedited procedures.* (1) Since a majority of the meetings, of the Board of Directors may be closed pursuant to §912.4(a)(4), (8), (9)(i) or (10), 5 U.S.C. 552b(d)(4) allows the Finance Board to use expedited procedures in closing

Federal Housing Finance Board

§912.6

such meetings. The following are examples of meetings of the Board of Directors, or portions thereof, that may be closed to the public under these expedited procedures: sale of consolidated obligations, and review of examination, operating or condition reports of Banks.

(2) A decision to close a meeting, or portion thereof, under paragraph (b) of this section shall be made at the beginning of the meeting, or portion thereof, by majority vote of the Directors.

(3)(i) The Finance Board shall maintain a record of each of the votes taken by its Board of Directors to close a meeting, or portion thereof, or to withhold public access to information thereof, under paragraph (b) of this section.

(ii) A copy of such record, reflecting the vote of each Board Director on the question of closing a meeting, or portion thereof, or withholding public access to information thereof, under this paragraph (b) of this section, shall be made available to any member of the public upon request to the Secretary to the Board.

(4) Public announcement of the time, place and subject matter of meetings, or portions thereof, closed under this paragraph (b) of this section shall be made at the earliest practical time.

(c) *Records of closed proceedings*—(1) *Transcripts or electronic recording.* Except as provided in paragraph (c)(2) of this section, the Finance Board shall make and maintain a complete transcript or verbatim electronic recording of the proceedings at each meeting, or portion thereof, closed to public observation under paragraph (a) or (b) of this section.

(2) *Minutes.* The Finance Board may make and maintain a set of complete minutes, in lieu of such transcript or electronic recording, with respect to meetings, or portions thereof, closed or information withheld under §912.4(a)(8), (9)(i) or (10). Such set of minutes shall fully and clearly describe all matters discussed and provide a full and accurate summary of any action taken, and the reasons therefor, including a description of each of the views expressed on any item and the record of any roll call vote (reflecting the vote of each Board Director on the question). All

documents considered in connection with any action shall be identified in such set of minutes.

(3) *Availability of Records.* (i) The transcript, electronic recording or set of minutes of an item discussed, or of testimony received, at a meeting, shall be made available promptly to the public through the Secretary to the Board except in cases where the Board of Directors determines that the item or testimony contains information which may be withheld under §912.4(a).

(ii) Copies of such transcript, electronic recording or set of minutes, disclosing the identity of each speaker, shall be furnished to any person at the actual cost of duplication or transcription.

(iii) The Finance Board shall maintain a complete copy of the transcript, verbatim electronic recording or complete set of minutes of each meeting, or portion thereof closed to the public, for at least two years after such meeting, or until one year after the conclusion of any proceeding of the Board of Directors with respect to which the meeting or portion thereof was held, whichever occurs later.

(d) *Legal certification for closing meeting.* (1) For every meeting, or portion thereof, of the Board of Directors closed pursuant to paragraphs (a) or (b) of this section, the General Counsel (or in the General Counsel's absence or incapacity the senior legal officer available) shall publicly certify that the meeting or portion thereof may be closed to the public pursuant to the Sunshine Act and this part, and specifically state the relevant exemption in support thereof.

(2) A copy of the certification, together with a statement from the Chairperson or, when appropriate, the Acting Chairperson or designee, setting forth the time and place of the meeting and the persons present, shall be retained in the permanent files of the Finance Board.

[58 FR 19202, Apr. 13, 1993, as amended at 65 FR 8258, Feb. 18, 2000; 65 FR 12844, Mar. 20, 2002]

§912.6 Notice of meetings.

(a) *Scope of notice.* (1) Except as provided in §912.4(a) that such information

is determined to be exempt from disclosure, each open meeting of the Board of Directors, or each meeting closed under the regular procedures in §912.5(a), will be preceded by public notice as described in this section.

(2) The notices for meetings of the Board of Directors closed under the expedited procedures pursuant to §912.5(b) will be made in accordance with §912.5(b)(4).

(b) *Content of notice.* A notice of an open meeting or a meeting closed under the regular procedures in §912.5(a) will state the time, place, and subject matter of the meeting, whether it is to be open or closed to the public, and the name and telephone number of the Secretary to the Board for information about the meeting. Each such notice shall be posted in the lobby of the Finance Board offices, and may be made available in addition by other means or at other locations as deemed desirable. Immediately following the posting of each such notice, the Finance Board will publish the notice in the FEDERAL REGISTER.

(c) *Time*—(1) *Seven days notice.* Except as provided in paragraph (c)(2) of this section, a public notice of open meetings or meetings closed under §912.5(a) will be made at least seven days in advance of each meeting.

(2) *Less than seven days notice.* When a majority of the Board of Directors determine by recorded vote that Finance Board business requires a meeting to be called at any earlier date, the seven-day prior notice rule may be suspended and notice shall be made at the earliest practicable time.

(d) *Amendment of notice*—(1) *Time and place.* A change in the time or place of a meeting following public notice may be made only if announced at the earliest practicable time.

(2) *Subject matter.* A change in the subject matter of a meeting or a re-determination to open or close a meeting, or portions thereof, may be made, after public notice, only if:

(i) At least a majority of the Board Directors determines by recorded vote that Finance Board business so requires and that no earlier notice of the change was possible; and

(ii) The Finance Board publicly announces the change and the vote of

each Board Director by posting a notice thereof in the lobby of the Finance Board offices at the earliest practicable time.

(3) *Timing of amendment.* A public announcement of a change in either the time, place or subject matter of a meeting may be made after the commencement of the meeting affected.

(4) *Publication of amendment.* Each change to a notice of a meeting will be published in the FEDERAL REGISTER, following the Finance Board's public announcement of the change.

§915.3 Director elections.

(a) *Responsibilities of the Banks.* Each Bank annually shall conduct an election the purpose of which is to fill all elective directorships designated by the Finance Board as commencing on January 1 of the calendar year immediately following the year of the election. Subject to the provisions of the Act and in accordance with the requirements of this part, the disinterested members of the board of directors of each Bank, or a committee of disinterested directors, shall administer and conduct the annual election of directors. In so doing, the disinterested directors may use Bank staff or independent contractors to perform ministerial and administrative functions concerning the elections process. The term of office of each elective director shall be three years, except as adjusted pursuant to section 7(d) of the Act (12 U.S.C. 1427(d)) and §915.17 of this part to achieve a staggered board, and shall commence on January 1 of the calendar year immediately following the year in which the election is held. Each Bank shall complete the election in sufficient time to allow newly elected directors to assume their seats on January 1 of the year immediately following the election.

(b) *Designation of elective directorships.* The Finance Board annually shall designate each elective directorship as representing the members that are located in a particular state. The Finance Board shall conduct the annual designation of directorships for each Bank based on the number of shares of Bank stock required to be held by the members in each state as of December 31 of the preceding calendar year. If a Bank has issued more than one class of stock, the Finance Board shall designate the directorships for that Bank based on the combined number of shares required to be held by the members in each state. For purposes of conducting the designation, if a Bank's capital plan was not in effect on the immediately preceding December 31st, the number of shares of Bank stock

that the members were required to hold as of that date shall be determined in accordance with §925.20 and §925.22. If a Bank's capital plan was in effect on the immediately preceding December 31st, the number of shares of Bank stock that the members were required to hold as of that date shall be determined in accordance with the minimum investment established by the capital plan for that Bank, provided, however, that for any members whose Bank stock is less than the minimum investment during a transition period, the amount of stock to be used in the designation of directorships shall be the number of shares of Bank stock actually owned by those members as of December 31st. In all cases, the Finance Board shall designate the directorships by using the information provided by the Banks in the capital stock report required by §915.4. The Finance Board shall allocate the elective directorships among the states as follows:

(1) One elective directorship shall be allocated to each State within the Bank district;

(2) If the total number of elective directorships allocated pursuant to paragraph (b)(1) of this section is less than eight, the Finance Board shall allocate additional elective directorships among the States, using the method of equal proportions, until the total allocated for the Bank equals eight;

(3) If the number of elective directorships allocated to any State pursuant to paragraphs (b)(1) and (b)(2) of this section is less than the number allocated to that State on December 31, 1960, as specified in §915.15, the Finance Board shall allocate such additional elective directorships to that State until the total allocated equals the number allocated to that State on December 31, 1960;

(4) Pursuant to section 7(e) of the Act (12 U.S.C. 1427(e)), the Federal Home Loan Bank of New York is hereby allocated one additional elective directorship, which is designated as representing the members in the Commonwealth of Puerto Rico;

(5) Pursuant to section 7(a) of the Act (12 U.S.C. 1427(a)), in any Bank district that includes five or more states, the Finance Board, after consultation with

Federal Housing Finance Board

§915.5

the affected Banks, may increase the number of elective directorships up to thirteen, and the number of appointive directorships up to three-fourths of the number of elective directorships. In determining the number of appointive directorships, the Finance Board may round to the nearest whole number. The annual designation of directorships shall indicate the number of discretionary directorships, if any, to be authorized for the succeeding year. If the Finance Board eliminates an existing discretionary directorship, or designates such a directorship to another state, the term of any appointive or elective director affected by that action shall terminate after the close of business on the immediately following December 31.

(c) *Notification.* On or before June 1 of each year, the Finance Board shall notify each Bank in writing of the total number of elective directorships established for the Bank and the number of elective directorships designated as representing the members in each voting State in the Bank district. If the annual designation of elective directorships results in an existing stock directorship being redesignated as representing members in a different state, the notice also shall state that the directorship must be filled by an officer or director of a member located in the newly designated state as of January 1 of the immediately following year, regardless of whether the term for the incumbent director would have expired by that date.

(d) *Location of member.* In accordance with section 7(c) of the Act (12 U.S.C. 1427(c)), unless otherwise designated by the Finance Board, for purposes of election of directors a member shall be deemed to be located in its voting State.

(e) *2000 designation.* For any stock directorship with a term ending December 31, 2001 that is redesignated from one state to another state by the 2000 designation of directorships, the board of directors of the Bank shall determine which incumbent director from the former state shall become ineligible to serve as a result of the redesignation

on the basis of the most recent election.

§915.4 Capital stock report.

(a) On or before April 10 of each year, each Bank shall submit to the Finance Board a capital stock report that indicates, as of the record date, the number of members located in each voting state in the Bank's district, the number of shares of Bank stock that each member (identified by its FHFID number) was required to hold, and the number of shares of Bank stock that all members located in each voting state were required to hold. If a Bank has issued more than one class of stock, it shall report the total shares of stock of all classes required to be held by the members. The Bank shall certify to the Finance Board that, to the best of its knowledge, the information provided in the capital stock report is accurate and complete, and that it has notified each member of its minimum capital stock holdings pursuant to §925.22(b)(1) of this chapter.

(b) If a Bank's capital plan was not in effect as of the record date, the number of shares of Bank stock that the members are required to hold as of the record date shall be determined in accordance with §925.20 and §925.22. If a Bank's capital plan was in effect as of the record date, the number of shares of Bank stock that the members were required to hold as of that date shall be determined in accordance with the minimum investment established by the capital plan for that Bank, provided, however, that for any members whose Bank stock is less than the minimum investment during a transition period, the amount of Bank stock to be reported shall be the number of shares of Bank stock actually owned by those members as of the record date.

[66 FR 8307, Jan. 30, 2001]

§915.5 Determination of member votes.

(a) *In general.* Each Bank shall determine, in accordance with this section, the number of votes that each member

§915.6

of the Bank may cast for each directorship that is to be filled by the vote of the members that are located in a particular state.

(b) *Number of votes.* For each directorship that is to be filled in an election, each member that is located in the state to be represented by the directorship shall be entitled to cast one vote for each share of Bank stock that the member was required to hold as of the record date. Notwithstanding the preceding sentence, the number of votes that any member may cast for any one directorship shall not exceed the average number of shares of Bank stock that were required to be held by all members located in that state as of the record date. If a Bank has issued more than one class of stock, it shall calculate the average number of shares separately for each class of stock and shall apply those limits separately in determining the maximum number of votes that any member owning that class of stock may cast in the election. If a Bank's capital plan was not in effect as of the record date, the number of shares of Bank stock that a member was required to hold as of the record date shall be determined in accordance with §925.20 and §925.22. If a Bank's capital plan was in effect as of the record date, the number of shares of Bank stock that a member was required to hold as of the record date shall be determined in accordance with the minimum investment established by the Bank's capital plan, provided, however, that for any members whose Bank stock is less than the minimum investment during a transition period, the amount of Bank stock to be used shall be the number of shares of Bank stock actually owned by those members as of the record date.

(c) *Voting preferences.* If the board of directors of a Bank includes any voting preferences as part of its approved capital plan, those preferences shall supercede the provisions of paragraph (b) of this section that otherwise would allow a member to cast one vote for each share of Bank stock it was required to hold as of the record date. If a Bank establishes a voting preference for a class of stock, the members with voting rights shall remain subject to the provisions of section 7(b) of the Act

12 CFR Ch. IX (1-1-03 Edition)

(12 U.S.C. 1427(b)) that prohibit any member from casting any vote in excess of the average number of shares of stock required to be held by all members in its state.

§915.6 Elective director nominations.

(a) *Election announcement.* Within a reasonable time in advance of an election, a Bank shall provide to each member in its district a written notice of the election that includes:

(1) The number of elective directorships designated as representing the members in each voting State in the Bank district;

(2) The name of each incumbent Bank director, the name and location of the member at which each elective director serves, and the name and location of the organization with which each appointive director is affiliated, if any, and the expiration date of each Bank director's term of office;

(3) An attachment indicating the name, location, and FHFID number of every member in the member's voting state, and the number of votes each such member may cast for each directorship to be filled in the election, as determined in accordance with §915.5.

(4) A nominating certificate.

(b) *Nominations.* (1) Any member that is entitled to vote in the election may nominate an eligible individual to fill each available elective directorship for its voting State by submitting to its Bank, prior to a deadline to be established by the Bank, a nominating certificate duly adopted by the member's governing body or by an individual authorized to act on behalf of the member's governing body.

(2) The nominating certificate shall include the name of the nominee and the name, location, and FHFID number of the member at which the nominee serves as an officer or director.

(3) The Bank shall establish a deadline for submitting nominating certificates, which shall be no earlier than 30 calendar days after the date on which the Bank mails the notice required by paragraph (a) of this section, and the Bank shall not accept certificates received after that deadline. The Bank shall retain all nominating certificates

Federal Housing Finance Board

§915.8

for at least two years after the date of the election.

(c) *Accepting nominations.* A Bank shall notify in writing any person nominated for an elective directorship promptly upon receipt of the nominating certificate. A person may accept the nomination only by submitting an executed director eligibility certification, as prescribed by the Finance Board, to the Bank prior to the deadline established by the Bank. A Bank shall allow each nominee at least 30 calendar days after the date of the notice of nomination within which to submit the executed form. A nominee may decline the nomination by so advising the Bank in writing, or by failing to submit a properly executed director eligibility certification prior to the deadline. Each Bank shall retain all information received under this paragraph for at least two years after the date of the election.

[63 FR 65689, Nov. 30, 1998, as amended at 65 FR 8259, Feb. 18, 2000; 66 FR 8308, Jan. 30, 2001]

§915.7 Eligibility requirements for elective directors.

(a) *Eligibility verification.* Based on the information provided on the director eligibility certification form prescribed by the Finance Board, a Bank shall verify that each nominee meets all of the eligibility requirements for elective directors set forth in the Act and this part before placing that nominee on the ballot prepared by the Bank under §915.8(a). A Bank shall not declare elected a nominee that it has reason to know is ineligible to serve, nor shall it seat a director-elect that it has reason to know is ineligible to serve.

(b) *Eligibility requirements.* Each elective director, and each nominee, shall be:

(1) A citizen of the United States;

(2) An officer or director of a member that is located in the voting state to be represented by the elective directorship, that was a member of the Bank as of the record date, and that meets all minimum capital requirements established by its appropriate Federal banking agency or appropriate state regulator.

(c) *Restrictions.* (1) A nominee is not eligible if he or she:

(i) Is an incumbent elective director, unless:

(A) The incumbent director's term of office would expire before the new term of office would begin; and

(B) The new term of office would not be barred by the term limit provision of section 7(d) of the Act (12 U.S.C. 1427(d)).

(ii) Is a former elective director whose service would be barred by the term limit provision of section 7(d) of the Act; or

(iii) Is an incumbent appointive director.

(2) For purposes of applying the term limit provision of section 7(d) of the Act (12 U.S.C. 1427(d)), a term of office that has been adjusted to a period of less than three years in accordance with §915.17(a)(2) shall not be deemed to be a full term.

(d) *Loss of eligibility.* (1) An elective director shall become ineligible to remain in office if, during his or her term of office, the stock directorship to which he or she has been elected is eliminated or is redesignated by the Finance Board as representing members located in another state, in accordance with §915.3(b). The incumbent director shall become ineligible after the close of business on December 31 of the year in which the directorship is redesignated or eliminated.

(2) In the case of a redesignation to another state, the stock directorship shall become vacant after the close of business on December 31 of the year in which the directorship is redesignated and the resulting vacancy shall be filled by the board of directors of the Bank for the remainder of the unexpired term with a person who is an officer or director of a member located in the newly designated state, pursuant to section 7(f) of the Act (12 U.S.C. 1427(f)).

§915.8 Election process.

(a) *Ballots.* Promptly after verifying the eligibility of all nominees in accordance with §915.7(a), a Bank shall prepare a ballot for each voting State for which an elective directorship is to

§915.8

12 CFR Ch. IX (1-1-03 Edition)

be filled and shall mail the ballot to all members within that State that were members as of the record date. A ballot shall include at least the following provisions:

(1) An alphabetical listing of the names of each nominee for the member's voting State, the name, location, and FHFID ID number of the member at which each nominee serves, the nominee's title or position with the member, and the number of elective directorships to be filled by members in that voting State in the election;

(2) A statement that write-in candidates are not permitted; and

(3) A confidentiality statement prohibiting the Bank from disclosing how a member voted.

(b) *Lack of nominees.* If, for any voting state, all directorships to be filled in an election are the same with regard to their respective terms and status as guaranteed or non-guaranteed directorships, and the number of nominees from that state is equal to or less than the number of such directorships, the Bank shall notify the members in the affected voting state in writing (in lieu of providing a ballot) that the directorships are to be filled without an election due to a lack of nominees. The Bank shall declare elected any eligible nominee, who shall be included as a director-elect in the report of election required under paragraph (e) of this section. If necessary, the Bank's board of directors shall fill any elective directorship that has become vacant due to a lack of a nominee in accordance with §915.14(a).

(c) *Voting.* For each directorship to be filled, a member may cast the number of votes determined by the Bank pursuant to §915.5. A member may not split its votes among multiple nominees for a single directorship, nor, where there are multiple directorships to be filled for a voting State, may it cumulatively vote for a single nominee. Any ballots cast in violation of this subsection shall be void. To vote, a member shall:

(1) Mark on the ballot the name of not more than one of the nominees for each elective directorship to be filled in the member's voting State. Each nominee so selected shall receive all of the votes that the member is entitled to cast.

(2) Execute the ballot by resolution of the member's governing body, or by an appropriate writing signed by an individual authorized to act on behalf of the governing body.

(3) Deliver the executed ballot to the Bank on or before the closing date that has been established by the Bank, which shall be no earlier than 30 calendar days after the date the ballots are mailed in accordance with paragraph (a) of this section. A member may not change a ballot after it has been delivered to the Bank.

(d) *Counting ballots.* A Bank shall not open any ballot until after the closing date, and may not include in the election results any ballot received after the closing date. Promptly after the closing date, each Bank shall tabulate, by each voting State, the votes cast in accordance with paragraph (c) of this section, and shall declare elected the nominee receiving the highest number of votes.

(1) If more than one elective directorship is to be filled in a voting State, the Bank shall declare elected each successive nominee receiving the next highest number of votes until all open elective directorships for that voting State are filled.

(2) In the event of a tie for the last available seat, the incumbent board of directors of the Bank shall, by a majority vote, declare elected one of the nominees for whom the number of votes cast was tied.

(3) The Bank shall retain all ballots it receives for at least two years after the date of the election, and shall not disclose how any member voted.

(e) *Report of election.* Promptly following the election, each Bank shall provide written notice to its members, to each nominee, and to the Finance Board of the following:

(1) The name of each director-elect, the name and location of the member at which he or she serves, and his or her title or position at the member;

(2) The voting State represented by each director-elect;

(3) The expiration date of the term of office of each director-elect;

(4) The number of members voting in the election and the total number of votes cast, both reported by State; and

§ 915.9 Prohibition on actions to influence director elections.

(a) *Prohibition.* Except as provided in paragraph (b) of this section:

(1) No director, officer, attorney, employee, or agent of the Finance Board or of a Bank may:

(i) Communicate in any manner that a director, officer, attorney, employee, or agent of the Finance Board or of a Bank, directly or indirectly, supports the nomination or election of a particular individual for an elective directorship; or

(ii) Take any other action to influence votes for a directorship.

(2) No member may take any action prohibited by paragraph (a)(1)(i) of this section.

(b) *Exception for incumbent Bank directors.* A Bank director acting in his or her personal capacity may support the nomination or election of any individual for an elective directorship, provided that no Bank director shall purport to represent the views of the Bank, the Finance Board, any other director, or any officer, attorney, employee, or agent of the Bank or of the Finance Board concerning the nomination or election of a particular individual for an elective directorship.

§ 915.10 Selection of appointive directors.

(a) *Selection.* In accordance with the Act, the Finance Board, in its sole discretion, shall select all appointive directors.

(b) *Term of office.* The term of office of each appointive directorship shall be three years, except as adjusted pursuant to section 7(d) of the Act (12 U.S.C. 1427(d)) to achieve a staggered board, and shall commence on January 1. In appointing directors for the terms commencing on January 1, 2001 and 2002, respectively, the Finance Board shall adjust the terms of any appointive directorships as necessary to achieve the one-third staggering of the board of directors required by section 7(d) of the

Act (12 U.S.C. 1427(d)), in accordance with the requirements of this part and the applicable matrix from the Appendix to this part. In the case of a discretionary appointive directorship that is terminated pursuant to § 915.3(b)(5), the term of office of the directorship shall end after the close of business on December 31 of that year.

§ 915.11 Conflict of interests policy for Bank directors.

(a) *Adoption of conflict of interests policy.* Each Bank shall adopt a written conflict of interests policy that shall apply to all Bank directors. At a minimum, the conflict of interests policy of each Bank shall:

(1) Require the directors to administer the affairs of the Bank fairly and impartially and without discrimination in favor of or against any member or nonmember borrower;

(2) Prohibit appointed directors from serving as an officer of any Bank or as an officer or director of any member, and from owning any equity or debt security issued by a member or from having any other financial interest in a member;

(3) Prohibit the use of a director's official position for personal gain;

(4) Require directors to disclose actual or apparent conflict of interests and establish procedures for addressing such conflicts;

(5) Provide internal controls to ensure that reports are filed and that conflicts are disclosed and resolved in accordance with this section; and

(6) Establish procedures to monitor compliance with the conflict of interests policy.

(b) *Disclosure and recusal.* A director shall disclose to the Bank's board of directors any personal financial interests he or she has, as well as any financial interests known to the director of any immediate family member or business associate of the director, in any matter to be considered by the Bank's board of directors and in any other matter in which another person or entity does, or proposes to do, business with the Bank. A director shall fully disclose the nature of his or her interest in the matter

§915.12

and shall provide to the Bank's board of directors any information requested to aid in its consideration of the director's interest. A director shall refrain from considering or voting on any issue in which the director, any immediate family member, or any business associate has a financial interest.

(c) *Confidential Information.* Directors shall not disclose or use confidential information received by them solely by reason of their position with the Bank to obtain a financial interest for themselves or for any other person.

(d) *Gifts.* Directors shall not accept, and shall discourage their immediate family members from accepting, any substantial gift where the director has reason to believe that the gift is given in order to influence the director's actions as a member of the Bank's board of directors, or where acceptance of such gift gives the appearance of influencing the director's actions as a member of the board.

(e) *Compensation.* Directors shall not accept compensation for services performed for the Bank from any source other than the Bank for which the services are performed.

(f) *Definitions.* For purposes of this section:

(1) *Immediate family member* means parent, sibling, spouse, child, or dependent, or any relative sharing the same residence as the director.

(2) *Financial interest* means a direct or indirect financial interest in any activity, transaction, property, or relationship that involves receiving or providing something of monetary value, and includes, but is not limited to any right, contractual or otherwise, to the payment of money, whether contingent or fixed. Notwithstanding the vacancy, an appointive director may continue to serve until a successor assumes the directorship or the term of office expires, whichever occurs first, and the Finance Board, in its sole discretion, may allow an appointive director up to 90 calendar days to comply with the eligibility or reporting requirements.

§915.16 1999 and 2000 Election of Directors.

(a) *In general.* The annual designation of Bank directorships conducted by the Finance Board in 2000 pursuant to §915.3(b) shall control with respect to the number of elective directorships to be allocated to each state with terms commencing on January 1, 2001.

(b) *Conduct of 2000 elections.* After assigning any adjusted terms that may be required by §915.17(a)(3), the board of directors of each Bank shall determine either:

(1) To conduct new elections for every state in the district for which an elective directorship is to commence on January 1, 2001, or

(2) To conduct new elections only in those states for which this section requires a new election to be held and, for all other states within the district, to use the results of the 1999 elections for the purpose of electing directors whose terms are to commence on January 1, 2001.

(c) *1999 election results.* If the number of nominees from any state for the 1999 election of directors who remain eligible to serve as a Bank director equals or exceeds the number of directorships designated to that state with terms commencing on January 1, 2001, the board of directors of the Bank may declare elected the nominee receiving the most votes in the 1999 election and, if more than one directorship is to be filled for that state, shall also declare elected each successive nominee receiving the next greatest number of votes, until all directorships designated for that state are filled. Before declaring elected any such nominee, the board of directors of the Bank shall confirm

that the nominee is eligible to serve as a director from that state.

(d) *2000 elections.* If the number of directorships designated to any state with terms commencing on January 1, 2001, exceeds the number of nominees from that state in the 1999 election who remain eligible to serve as a Bank director, then the board of directors of the Bank shall conduct a new election for that state for all of the directorships with terms commencing on January 1, 2001.

(e) *Report of election.* If the board of directors of a Bank adopts the 1999 election results for any state, it shall provide written notice of its decision to the Finance Board, the directors-elect, and to each member in the affected state. The notice shall indicate the date on which the term of office of each director-elect shall expire, and shall indicate which terms have been adjusted in order to stagger the board of directors as required by section 7(d) of the Act (12 U.S.C. 1427(d)). Any such adjustments shall be made in compliance with §915.17. Such notice shall be deemed to constitute the report of election for the 2000 election required by §915.8(e).

(f) *Safe harbor.* In determining whether to ratify the 1999 election results or to hold new elections in 2000, an individual director that would be affected by the decision of the board shall not be deemed to have violated any regulation or Bank policy pertaining to conflicts of interest solely by virtue of having participated in the deliberations or by having voted on the matter.

§915.17 Staggered directorships in the 2000 and 2001 elections.

(a) *In general.* (1) In conjunction with the annual designations of directorships for elected directors with terms commencing on January 1, 2001 and January 1, 2002, the Finance Board shall, in addition to allocating directorships among the states, indicate the term of each elective directorship and which directorships are to be designated as non-guaranteed directorships. A non-guaranteed directorship

Federal Housing Finance Board

§915.17

shall retain that designation in all subsequent elections, unless the directorship is eliminated by the Finance Board pursuant to section 7(a) of the Act (12 U.S.C. 1427(a)) or as a consequence of a change in the amount of Bank stock held by members located in that state. In such subsequent elections, any non-guaranteed directorships shall be assigned on the basis of votes received, with the directors-elect who received the fewest votes being assigned the non-guaranteed directorships.

(2) The board of directors of each Bank shall adjust the terms of any directorships that are to commence on January 1, 2001 or January 1, 2002, in accordance with this section and the matrix for that Bank set forth in the appendix to this part, and shall inform the Finance Board which directorships have been assigned adjusted terms.

(3) Where the matrix for a Bank indicates that two or more guaranteed directorships are to be filled by persons elected from different states in the same year, and which are to have different terms, the board of directors of the Bank shall assign the shorter terms among the states on any reasonable basis, as determined by Bank's board, provided that:

(i) It uses the same methodology in making all such adjustments; and

(ii) It assigns the terms to the respective states before determining whether to adopt the 1999 election results, in accordance with §915.16(b).

(b) *Adjustment of terms.* (1) Where the matrix for a Bank indicates that two or more guaranteed directorships are to be filled from the same state in the same year, but which are to have different terms, the board of directors of the Bank shall assign the terms among the eligible nominees who have received a sufficient number of votes to be elected, such that the nominees receiving the greater number of votes are assigned the longer terms and those

nominees receiving the lesser number of votes are assigned the shorter terms. If the directors from any state have been declared elected without a vote, in accordance with §915.8(b) because the number of nominees from that state was less than or equal to the number of directorships to be filled, then the board of directors of Bank shall assign the terms on the basis of the most recent election.

(2) In the elections occurring in 2000 and 2001, if the matrix for any Bank indicates that both guaranteed and non-guaranteed directorships are to be filled from the same state in the same year, the board of directors shall assign directorships among the eligible nominees who have received a sufficient number of votes to be elected, such that the nominees receiving the greatest number of votes are assigned the guaranteed directorships and those nominees receiving the fewest votes are assigned the non-guaranteed directorships. In the event that the matrix for a Bank assigns a guaranteed directorship for a particular state a shorter term than it assigns to a non-guaranteed directorship for the same state for that year, the board of directors shall assign the guaranteed directorship to the nominee receiving the greatest number of votes.

(c) *Safe harbor.* In determining which directorships shall be assigned a reduced term, an individual director that could be affected by the decision of the board shall not be deemed to have violated any regulation or Bank policy pertaining to conflicts of interest solely by virtue of having participated in the deliberations or by having voted on the matter.

(d) *Other adjustments.* The board of directors of the Bank may not adjust the term of any director other than as provided in this section.

Immediate family member means a parent, sibling, spouse, child, dependent, or any relative sharing the same residence.

Internal auditor means the individual responsible for the internal audit function at the Bank.

Upon the consolidation of two or more institutions, at least two of which are members of different Banks, into one institution operating under the charter of one of the consolidating institutions, the membership of the surviving institution shall continue and the membership of each disappearing institution shall terminate upon cancellation of its charter, provided, however, that if more than 80 percent of the assets of the consolidated institution are derived from the assets of a disappearing institution, then the consolidated in-

(b) *Consolidation into nonmember—(1) In general.* Upon the consolidation of a member into an institution that is not a member of a Bank, where the consolidated institution operates under the charter of the nonmember institution, the membership of the disappearing institution shall terminate upon the cancellation of its charter.

(2) *Notification.* If a member has consolidated into a nonmember that has its principal place of business in a state in the same Bank district as the former member, the consolidated institution shall have 60 calendar days after the cancellation of the charter of the former member within which to notify the Bank of the former member that the consolidated institution intends to apply for membership in such Bank. If the consolidated institution does not so notify the Bank by the end of the period, the Bank shall require the liquidation of any outstanding indebtedness owed by the former member, shall settle all outstanding business transactions with the former member, and shall redeem or repurchase the Bank stock owned by the former member in accordance with § 925.29.

(i) The initial 60 calendar-day notification period;

(ii) The 60 calendar-day period following receipt of a notification that the consolidated institution intends to apply for membership; and

(iii) The period of time during which the Bank processes the application for membership.

(5) *Approval of membership.* If the application of such a consolidated institution is approved, the consolidated institution shall become a member of that Bank upon the purchase of the amount of Bank stock required by section 6 of the Act (12 U.S.C. 1426). If a Bank's capital plan has not taken effect, the amount of stock that the consolidated institution is required to own shall be as provided in § 925.20 and § 925.22. § 925.26 Voluntary withdrawal from membership.

(a) *In general.* (1) Any institution may withdraw from membership by providing to the Bank written notice of its intent to withdraw from membership. A member that has so notified its Bank shall be entitled to have continued access to the benefits of membership until the effective date of its withdrawal, but the Bank need not commit to providing any further services, including advances, to a withdrawing member that would mature or otherwise terminate subsequent to the effective date of the withdrawal. A member may cancel its notice of withdrawal at any time prior to its effective date by providing a written cancellation notice to the Bank. A Bank may impose a fee on a member that cancels a notice of withdrawal, provided that the fee or the manner of its calculation is specified in the Bank's capital plan.

(2) A Bank shall notify the Finance Board within 10 calendar days of receipt of any notice of withdrawal or notice of cancellation of withdrawal from membership.

(b) *Effective date of withdrawal.* The membership of an institution that has submitted a notice of withdrawal shall terminate as of the date on which the last of the applicable stock redemption periods ends for the stock that the member is required to hold, as of the date that the notice of withdrawal is submitted, under the terms of a Bank's capital plan as a condition of membership, unless the institution has cancelled its notice of withdrawal prior to

§ 925.27

the effective date of the termination of its membership.

(c) *Stock redemption periods.* The receipt by a Bank of a notice of withdrawal shall commence the applicable 6-month and 5-year stock redemption periods, respectively, for all of the Class A and Class B stock held by that member that is not already subject to a pending request for redemption. In the case of an institution the membership of which has been terminated as a result of a merger or other consolidation into a nonmember or into a member of another Bank, the applicable stock redemption periods for any stock that is not subject to a pending notice of redemption shall be deemed to commence on the date on which the charter of the former member is cancelled.

(d) *Certification.* No institution may withdraw from membership unless, on the date that the membership is to terminate, there is in effect a certification from the Finance Board that the withdrawal of a member will not cause the Bank System to fail to satisfy its requirements under section 21B(f)(2)(C) of the Act (12 U.S.C. 1441b(f)(2)(C)) to contribute toward the interest payments owed on obligations issued by the Resolution Funding Corporation.

demption periods, respectively, for all of the Class A and Class B stock owned by a member and not already subject to a pending request for redemption, shall commence on the date that the Bank terminates the institution's membership.

(c) *Membership rights.* An institution whose membership is terminated involuntarily under this section shall cease being a member as of the date on which the board of directors of the Bank acts to terminate the membership, and the institution shall have no right to obtain any of the benefits of membership after that date, but shall be entitled to receive any dividends declared on its stock until the stock is redeemed or repurchased by the Bank.

(a) *In general.* If an institution withdraws from membership or its membership is otherwise terminated, the Bank shall determine an orderly manner for liquidating all outstanding indebtedness owed by that member to the Bank and for settling all other claims against the member. After all such obligations and claims have been extinguished or settled, the Bank shall return to the member all collateral pledged by the member to the Bank to secure its obligations to the Bank.

(b) *Bank stock.* If an institution that has withdrawn from membership or that otherwise has had its membership terminated remains indebted to the Bank or has outstanding any business transactions with the Bank after the effective date of its termination of membership, the Bank shall not redeem or repurchase any Bank stock that is required to support the indebtedness or the business transactions until after all such indebtedness and business transactions have been extinguished or settled.

(b) *Exceptions.* An institution that transfers membership between two Banks without interruption shall not be deemed to have withdrawn from Bank membership or had its membership terminated. Any institution that withdrew from Bank membership prior to December 31, 1997, and for which the 5-year period has not expired, may apply for membership in a Bank at any time, subject to the approval of the Finance Board and the requirements of this part 925.

(d) *Mortgage activity requirement.* An applicant shall be deemed to meet the mortgage activity requirement in section 10b(a) of the Act (12 U.S.C. 1430b(a)) and § 926.3(a)(4) if it provides documentary evidence satisfactory to the Bank, such as a financial statement or other financial documents that include the applicant's mortgage loan assets and their funding liabilities, that it lends its own funds as its principal activity in the mortgage field. For purposes of this paragraph, lending funds includes, but is not limited to, the purchase of whole mortgage loans. In the case of a federal, state, local, tribal, or Alaskan Native village government agency, appropriated funds shall be considered an applicant's own funds. An applicant shall be deemed to satisfy this requirement notwithstanding that the majority of its operations are unrelated to mortgage lending if its mortgage activity conforms to this requirement. An applicant that acts principally as a broker for others making mortgage loans, or whose principal activity is to make mortgage loans for the account of others, does not meet this requirement.

(e) *Financial condition requirement.* An applicant shall be deemed to meet the financial condition requirement in § 926.3(a)(5) if the Bank determines that advances may be safely made to the applicant. The applicant shall submit to the Bank copies of its most recent regulatory audit or examination report, or external audit report, and any other documentary evidence, such as financial or other information, that the Bank may require to make the determination.

(b) *Application requirements.* An applicant for certification as a housing associate shall submit an application that satisfies the requirements of the Act and this part to the Bank of the district in which the applicant's principal place of business, as determined in accordance with part 925 of this chapter, is located.

(c) *Bank decision process—(1) Action on applications.* A Bank shall approve or deny an application for certification as a housing associate within 60 calendar days of the date the Bank deems the application to be complete. A Bank shall deem an application complete, and so notify the applicant in writing, when it has obtained all of the information required by this part and any other information it deems necessary to process the application. If a Bank determines during the review process that additional information is necessary to process the application, the Bank may deem the application incomplete and stop the 60-day time period by providing written notice to the applicant. When the Bank receives the additional information, it shall again deem the application complete, so notify the applicant in writing, and resume the 60-day time period where it stopped.

(2) *Decision on applications.* The Bank or a duly delegated committee of the Bank's board of directors, the Bank president, or a senior officer who reports directly to the Bank president other than an officer with responsibility for business development shall approve, or the board of directors of a Bank shall deny, each application for certification as a housing associate by a written decision resolution stating the grounds for the decision. Board with a copy of the Bank's decision resolution.

At a minimum, the certification file shall include all documents submitted by the applicant or otherwise obtained or generated by the Bank concerning the applicant, all documents the Bank relied upon in making its determination regarding certification, including copies of statutes and regulations, and the decision resolution.

(The Office of Management and Budget has approved the information collection contained in this section and assigned control number 3069-0005 with an expiration date of November 30, 2002.)

§ 926.6 Appeals.

(a) *General.* Within 90 calendar days of the date of a Bank's decision to deny an application for certification as a housing associate, the applicant may submit a written appeal to the Finance Board that includes the Bank's decision resolution and a statement of the basis for the appeal with sufficient facts, information, analysis, and expla-

nation to support the applicant's position. Appeals shall be sent to the Federal Housing Finance Board, 1777 F Street, NW, Washington, DC 20006, with a copy to the Bank.

(b) *Record for appeal.* Upon receiving a copy of an appeal, the Bank whose action has been appealed shall provide to the Finance Board a complete copy of the applicant's certification file maintained by the Bank under § 926.5(c)(3). Until the Finance Board resolves the appeal, the Bank shall promptly provide to the Finance Board any relevant new materials it receives. The Finance Board may request additional information or further supporting arguments from the applicant, the Bank, or any other party that the Finance Board deems appropriate.

(c) *Deciding appeals.* Within 90 calendar days of the date an applicant files an appeal with the Finance Board, the Finance Board shall consider the record for appeal described in paragraph (b) of this section and resolve the appeal based on the requirements of the Act and this part.

§931.1 Classes of capital stock.

The authorized capital stock of a Bank shall consist of the following instruments:

- (a) Class A stock, which shall:
 - (1) Have a par value as determined by the board of directors of the Bank and stated in the Bank's capital plan;
 - (2) Be issued, redeemed, and repurchased only at its stated par value; and
 - (3) Be redeemable in cash only on six-months written notice to the Bank.
- (b) Class B stock, which shall:
 - (1) Have a par value as determined by the board of directors of the Bank and stated in the Bank's capital plan;
 - (2) Be issued, redeemed, and repurchased only at its stated par value;
 - (3) Be redeemable in cash only on five-years written notice to the Bank; and
 - (4) Confer an ownership interest in the retained earnings, surplus, undivided profits, and equity reserves of the Bank; and

(c) Any one or more subclasses of Class A or Class B stock, each of which may have different rights, terms, conditions, or preferences as may be authorized in the Bank's capital plan, provided, however, that each subclass of stock shall have all of the characteristics of its respective class, as specified in paragraph (a) or (b) of this section.

§931.2 Issuance of capital stock.

(a) *In general.* A Bank may issue either one or both classes of its capital stock (including subclasses), as authorized by §931.1, and shall not issue any other class of capital stock. A Bank shall issue its stock only to its members and only in book-entry form, and the Bank shall act as its own transfer agent. All capital stock shall be issued in accordance with the Bank's capital plan.

(b) *Initial issuance.* In connection with the initial issuance of its Class A and/or Class B stock (or any subclass of either), a Bank may issue such stock in exchange for its existing stock, through a conversion of its existing stock, or through any other fair and equitable transaction or method of distribution. As part of its initial stock issuance transaction, a Bank may distribute any portion of its then-existing unrestricted retained earnings as shares of Class B stock.

§931.3 Minimum investment in capital stock.

(a) A Bank shall require each member to maintain a minimum investment in the capital stock of the Bank, both as a condition to becoming and remaining a member of the Bank and as a condition to transacting business with the Bank or obtaining advances and other services from the Bank. The amount of the required minimum investment shall be determined in accordance with the Bank's capital plan and shall be sufficient to ensure that the Bank remains in compliance with its minimum capital requirements. A Bank shall require each member to maintain its minimum investment for as long as the institution remains a member of the Bank and for as long as the member engages in any activity

§ 931.4

with the Bank against which the Bank is required to maintain capital.

(b) A Bank may establish the minimum investment required of each member as a percentage of the total assets of the member, as a percentage of the advances outstanding to the member, as a percentage of any other business activity conducted with the member, on any other basis that is approved by the Finance Board, or any combination thereof.

(c) A Bank may require each member to satisfy the minimum investment requirement through the purchase of either Class A or Class B stock, or through the purchase of one or more combinations of Class A and Class B stock that have been authorized by the board of directors of the Bank in its capital plan. A Bank, in its discretion, may establish a lower minimum investment for members that invest in Class B stock than is required for members that invest in Class A stock, provided that such reduced investment provides sufficient capital for the Bank to remain in compliance with its minimum capital requirements.

(d) Each member of a Bank shall at all times maintain an investment in the capital stock of the Bank in an amount that is sufficient to satisfy the minimum investment required for that member in accordance with the Bank's capital plan.

(The Office of Management and Budget has approved the information collection contained in this section and assigned control number 3069-0059 with an expiration date of November 30, 2003)

§ 931.4 Dividends.

(a) *In general.* A Bank may pay dividends on Class A or Class B stock, including any subclasses of such stock, only out of previously retained earnings or current net earnings, and shall declare and pay dividends only as provided by its capital plan. The capital plan may establish different dividend rates or preferences for each class or subclass of stock, which may include a dividend that tracks the economic performance of certain Bank assets, such as Acquired Member Assets. A member, including a member that has provided the Bank with a notice of intent to withdraw from membership or one

12 CFR Ch. IX (1-1-03 Edition)

whose membership is otherwise terminated, shall be entitled to receive any dividends that a Bank declares on its capital stock while the member owns the stock.

(b) *Limitation on payment of dividends.* In no event shall a Bank declare or pay any dividend on its capital stock if after doing so the Bank would fail to meet any of its minimum capital requirements, nor shall a Bank that is not in compliance with any of its minimum capital requirements declare or pay any dividend on its capital stock.

[66 FR 8310, Jan. 30, 2001, as amended at 66 FR 54108, Oct. 26, 2001]

§ 931.5 Liquidation, merger, or consolidation.

The respective rights of the Class A and Class B stockholders, in the event that the Bank is liquidated, or is merged or otherwise consolidated with another Bank, shall be determined in accordance with the capital plan of the Bank.

§ 931.6 Transfer of capital stock.

A Bank in its capital plan may allow a member to transfer any excess capital stock of the Bank to another member of that Bank or to an institution that has been approved for membership in that Bank and that has satisfied all conditions for becoming a member, other than the purchase of the minimum amount of Bank stock that it is required to hold as a condition of membership. Any such stock transfers shall be at par value and shall be effective upon being recorded on the appropriate books and records of the Bank. The Bank may, in its capital plan, require a member to receive the approval of the Bank before a transfer of the Bank's stock, as allowed under this section, is completed.

[66 FR 8310, Jan. 30, 2001, as amended at 66 FR 54108, Oct. 26, 2001]

§ 931.7 Redemption and repurchase of capital stock.

(a) *Redemption.* A member may have its capital stock in a Bank redeemed by providing written notice to the Bank in accordance with this section. For Class A stock, a member shall provide six-months written notice, and for

Class B stock a member shall provide five-years written notice. The notice shall indicate the number of shares of Bank stock that are to be redeemed, and a member shall not have more than one notice of redemption outstanding at one time for the same shares of Bank stock. A member may cancel a notice of redemption by so informing the Bank in writing, and the Bank may impose a fee (to be specified in its capital plan) on any member that cancels a pending notice of redemption. At the expiration of the applicable notice period, the Bank shall pay the stated par value of that stock to the member in cash. A request by a member (whose membership has not been terminated) to redeem specific shares of stock shall automatically be cancelled if the Bank is prevented from redeeming the member's stock by paragraph (c) of this section within five business days from the end of the expiration of the applicable redemption notice period because the member would fail to maintain its minimum investment in the stock of the Bank after such redemption. The automatic cancellation of a member's redemption request shall have the same effect as if the member had cancelled its notice to redeem stock prior to the end of the redemption notice period, and a Bank may impose a fee (to be specified in its capital plan) for automatic cancellation of a redemption request. A Bank shall not be obligated to redeem its capital stock other than in accordance with this paragraph.

(b) *Repurchase.* A Bank, in its discretion and without regard to the applicable redemption periods, may repurchase from a member any outstanding Class A or Class B capital stock that is in excess of the amount of that class of Bank stock that the member is required to hold as a minimum investment, in accordance with the capital plan of that Bank. A Bank undertaking such a stock repurchase at its own initiative shall provide the member with reasonable notice prior to repurchasing any excess stock, with the period of such notice to be specified in the Bank's capital plan, and shall pay the stated par value of that stock to the member in cash. For purposes of this section, any Bank stock owned by a

member shall be considered to be excess stock if the member is not required to hold such stock either as a condition of remaining a member of the Bank or as a condition of obtaining advances or transacting other business with the Bank. A member's submission of a notice of intent to withdraw from membership, or its termination of membership in any other manner, shall not, in and of itself, cause any Bank stock to be deemed excess stock for purposes of this section.

(c) *Limitation.* In no event may a Bank redeem or repurchase any stock if, following the redemption or repurchase, the Bank would fail to meet any minimum capital requirement, or if the member would fail to maintain its minimum investment in the stock of the Bank, as required by § 931.3.

(The Office of Management and Budget has approved the information collection contained in this section and assigned control number 3069-0004 with an expiration date of April 30, 2001)

[66 FR 8310, Jan. 30, 2001, as amended at 66 FR 54108, Oct. 26, 2001]

§ 931.8 Other restrictions on the repurchase or redemption of Bank stock.

(a) *Capital impairment.* A Bank may not redeem or repurchase any capital stock without the prior written approval of the Finance Board if the Finance Board or the board of directors of the Bank has determined that the Bank has incurred or is likely to incur losses that result in or are likely to result in charges against the capital of the Bank. This prohibition shall apply even if a Bank is in compliance with its minimum capital requirements, and shall remain in effect for however long the Bank continues to incur such charges or until the Finance Board determines that such charges are not expected to continue.

(b) *Bank discretion to suspend redemption.* A Bank, upon the approval of its board of directors, or of a subcommittee thereof, may suspend redemption of stock if the Bank reasonably believes that continued redemption of stock would cause the Bank to fail to meet its minimum capital requirements as set forth in §§ 932.2 or 932.3 of this chapter, would prevent the

§931.9

12 CFR Ch. IX (1–1–03 Edition)

Bank from maintaining adequate capital against a potential risk that may not be adequately reflected in its minimum capital requirements, or would otherwise prevent the Bank from operating in a safe and sound manner. A Bank shall notify the Finance Board in writing within two business days of the date of the decision to suspend the redemption of stock, informing the Finance Board of the reasons for the suspension and of the Bank's strategies and time frames for addressing the conditions that led to the suspension. The Finance Board may require the Bank to re-institute the redemption of member stock. A Bank shall not repurchase any stock without the written permission of the Finance Board during any period in which the Bank has suspended redemption of stock under this paragraph.

[66 FR 8310, Jan. 30, 2001, as amended at 66 FR 54108, Oct. 26, 2001]

§931.9 Transition provision.

(a) *In general.* Each Bank shall comply with the minimum leverage and risk-based capital requirements specified in §932.2 and §932.3 of this chapter, respectively, and each member shall comply with the minimum investment established in the capital plan, as of the effective date of that Bank's capital plan. The effective date of a Bank's capital plan shall be the date on which the Bank first issues any Class A or Class B stock. Prior to the effective date, the issuance and retention of Bank stock shall be as provided in §925.20 and §925.22 of this chapter.

(b) *Transition period.* (1) *Bank transition.* A Bank that will not be in compliance with the minimum leverage and risk-based capital requirements specified in §932.2 and §932.3 of this chapter as of the effective date of its capital plan shall maintain compliance with the leverage limit requirements in §966.3(a) of this chapter and shall include in its capital plan a description of the steps that the Bank will take to achieve compliance with the minimum capital requirements specified in §932.2 and §932.3 of this chapter. The period of time for compliance with the minimum capital requirements shall be stated in the plan and shall not exceed three years from the effective date of the

capital plan. When the Bank has achieved compliance with the leverage requirement of §932.2 of this chapter, the leverage limit requirements of §966.3(a) of this chapter shall cease to apply to that Bank.

(2) *Member transition.* (i) *Existing members.* A Bank's capital plan shall require any institution that was a member on November 12, 1999, and whose investment in Bank stock as of the effective date of the capital plan will be less than the minimum investment required by the plan, to comply with the minimum investment by a date specified in the Bank's capital plan. The length of the transition period shall be specified in the capital plan and shall not exceed three years. The capital plan shall describe the actions that the existing members are required to take to achieve compliance with the minimum investment, and may require such members to purchase additional Bank stock periodically over the course of the transition period.

(ii) *New members.* A Bank's capital plan shall require any institution that became a member after November 12, 1999, but prior to the effective date of the capital plan, to comply with the minimum investment specified in the Bank's capital plan as of the effective date of the plan. A Bank's capital plan shall require any institution that becomes a member after the effective date of the capital plan, to comply with the minimum investment upon becoming a member.

(3) *New business.* A Bank's capital plan shall require any member that obtains an advance or other services from the Bank, or that initiates any other business activity with the Bank against which the Bank is required to hold capital, after the effective date of the capital plan to comply with the minimum investment specified in the Bank's capital plan for such advance, services, or activity at the time the transaction occurs.

§ 932.1 Risk management.

Before its new capital plan may take effect, each Bank shall obtain the approval of the Finance Board for the internal market risk model or the internal cash flow model used to calculate the market risk component of its risk-based capital requirement, and for the risk assessment procedures and controls (whether established as part of its risk management policy or otherwise) to be used to manage its credit, market, and operations risks.

§ 932.2 Total capital requirement.

(1) Total capital in an amount at least equal to 4.0 percent of the Bank's total assets; and

(2) A leverage ratio of total capital to total assets of at least 5.0 percent of the Bank's total assets. For purposes of determining the leverage ratio, total capital shall be computed by multiplying the Bank's permanent capital by 1.5 and adding to this product all other components of total capital.

(c) *Credit risk capital charge for off-balance sheet items.* Each Bank's credit risk capital charge for an off-balance sheet item shall be equal to the credit equivalent amount of such item, as determined pursuant to paragraph (f) of this section multiplied by the credit risk percentage requirement assigned to that item pursuant to paragraph (e)(2) of this section, except that the credit risk percentage requirement applied to the credit equivalent amount for a stand-by letter of credit shall be that for an advance with the same remaining maturity as that stand-by letter of credit.

(d) *Credit risk capital charge for derivative contracts.* (1) *Derivative contracts with non-member counterparties.* Except as provided in paragraph (j) of this section, each Bank's credit risk capital charge for a specific derivative contract entered into between a Bank and a non-member institution shall equal the sum of :

be less than one year for the purpose of applying Table 1.1 or 1.3 of this part; and

(B) Any collateral held against an exposure from the derivative contract shall be applied to reduce the portion of the credit risk capital charge corresponding to the current credit exposure in accordance with the requirements of paragraph (e)(2)(i)(B) of this section; plus

(ii) The potential future credit exposure for the derivative contract calculated in accordance with paragraph (g) or (h) of this section, as applicable, multiplied by the credit risk percentage requirement assigned to that derivative contract pursuant to paragraph (e)(2) of this section, where the actual remaining maturity of the derivative contract is used to apply Table 1.1 or Table 1.3 of this part.

(2) *Derivative contracts with a member.* Except as provided in paragraph (j) of this section, the credit risk capital charge for any derivative contract entered into between a Bank and one of its member institutions shall be calculated in accordance with paragraph (d)(1) of this section. However, the credit risk percentage requirements used in the calculations shall be found in Table 1.1 of this part, which sets forth the credit risk percentage requirements for advances.

(e) *Determination of credit risk percentage requirements—*(1) *Finance Board determination of credit risk percentage requirements.* The Finance Board shall determine, and update periodically, the credit risk percentage requirements set forth in Tables 1.1 through 1.4 of this part applicable to a Bank’s assets, off-balance sheet items, and derivative contracts.

(2) *Bank determination of credit risk percentage requirements.* (i) Each Bank shall determine the credit risk percentage requirement applicable to each asset, each off-balance sheet item and each derivative contract by identifying the category set forth in Table 1.1,

Table 1.2, Table 1.3 or Table 1.4 of this part to which the asset, item or derivative belongs, given, if applicable, its demonstrated credit rating and remaining maturity (as determined in accordance with paragraphs (e)(2)(ii) and (e)(2)(iii) of this section). The applicable credit risk percentage requirement for an asset, off-balance sheet item or derivative contract shall be used to calculate the credit risk capital charge for such asset, item, or derivative contract in accordance with paragraphs (b), (c) or (d) of this section respectively. The relevant categories and credit risk percentage requirements are provided in the following Tables 1.1 through 1.4 of this part:

(ii) When determining the applicable credit risk percentage requirement from Tables 1.2 or 1.3 of this part, each Bank shall apply the following criteria:

(A) For assets or items that are rated directly by an NRSRO, the credit rating shall be the NRSRO's credit rating for the asset or item as determined in accordance with paragraph (e)(2)(iii) of this section.

(B) When using Table 1.3 of this part, for an asset, off-balance sheet item, or derivative contract that is not rated directly by an NRSRO, but for which an NRSRO rating has been assigned to any corresponding obligor counterparty, third party guarantor, or collateral backing the asset, item, or derivative, the credit rating that shall apply to the asset, item, or derivative, or portion of the asset, item, or derivative so guaranteed or collateralized, shall be the credit rating corresponding to such obligor counterparty, third party guarantor, or underlying collateral, as determined in accordance with paragraph (e)(2)(iii) of this section. If there are multiple obligor counterparties, third party guarantors, or collateral instruments backing an asset, item, or derivative not rated directly by an NRSRO, or any specific portion thereof, then the credit rating that shall apply to that asset, item, or derivative or specific portion thereof,

shall be the highest credit rating among such obligor counterparties, third party guarantors, or collateral instruments, as determined in accordance with paragraph (e)(2)(iii) of this section. Assets, items or derivatives shall be deemed to be backed by collateral for purposes of this paragraph if the collateral is:

(1) Actually held by the Bank or an independent, third-party custodian, or, if permitted under the Bank's collateral agreement with such party, by the Bank's member or an affiliate of that member where the term "affiliate" has the same meaning as in § 950.1 of this chapter;

(2) Legally available to absorb losses;

(3) Of a readily determinable value at which it can be liquidated by the Bank;

(4) Held in accordance with the provisions of the Bank's member products policy established pursuant to § 917.4 of this chapter; and

(5) Subject to an appropriate discount to protect against price decline during the holding period, as well as the costs likely to be incurred in the liquidation of the collateral.

(C) When using Table 1.3 of this part, for an asset with a short-term credit rating from a given NRSRO, the credit risk percentage requirement shall be based on the remaining maturity of the asset and the long-term credit rating provided for the issuer of the asset by the same NRSRO. Should the issuer of the short-term asset not have a long-term credit rating, the long-term equivalent rating shall be determined as follows:

§ 932.4

12 CFR Ch. IX (1–1–03 Edition)

(1) The highest short-term credit rating shall be equivalent to the third highest long-term rating;

(2) The second highest short-term rating shall be equivalent to the fourth highest long-term rating;

(3) The third highest short-term rating shall be equivalent to the fourth highest long-term rating; and

(4) If the short-term rating is downgraded to below investment grade after acquisition by the Bank, the short-term rating shall be equivalent to the second highest below investment grade long-term rating.

(D) For residential mortgage assets and other assets or items, or relevant portion of an asset or item, that do not meet the requirements of paragraphs (e)(2)(ii)(A), (e)(2)(ii)(B) or (e)(2)(ii)(C) of this section, and are not identified in Tables 1.1 or Table 1.4 of this part, each Bank shall determine its own credit rating for such assets or items, or relevant portion thereof, using credit rating standards available from an NRSRO or other similar standards. This credit rating, as determined by the Bank, shall be used to identify the applicable credit risk percentage requirement under Table 1.2 of this part for residential mortgage assets, or under Table 1.3 of this part for all other assets or items.

(E) The credit risk percentage requirement for mortgage assets that are acquired member assets described in § 955.2 of this chapter shall be assigned from Table 1.2 of this part based on the rating of those assets after taking into account any credit enhancement required by § 955.3 of this chapter. Should a Bank further enhance a pool of loans through the purchase of insurance or by some other means, the credit risk percentage requirement shall be based on the rating of such pool after the supplemental credit enhancement, except that the Finance Board retains the right to adjust the credit capital charge to account for any deficiencies with the supplemental enhancement on a case-by-case basis.

(iii) In determining the credit ratings under paragraph (e)(2)(ii)(A), (e)(2)(ii)(B) and (e)(2)(ii)(C) of this section, each Bank shall apply the following criteria:

(A) The most recent credit rating from a given NRSRO shall be considered. If only one NRSRO has rated an asset or item, that NRSRO's rating shall be used. If an asset or item has received credit ratings from more than one NRSRO, the lowest credit rating from among those NRSROs shall be used.

(B) Where a credit rating has a modifier (e.g., A-1+ for short-term ratings and A+ or A- for long-term ratings) the credit rating is deemed to be the credit rating without the modifier (e.g., A-1+ = A-1 and A+ or A- = A);

(f) *Calculation of credit equivalent amount for off-balance sheet items.* (1) *General requirement.* The credit equivalent amount for an off-balance sheet item shall be determined by a Finance Board approved model or shall be equal to the face amount of the instrument multiplied by the credit conversion factor assigned to such risk category of instruments, subject to the exceptions in paragraph (f)(2) of this section, provided in the following Table 2 of this part:

TABLE 2—CREDIT CONVERSION FACTORS FOR OFF-BALANCE SHEET ITEMS

Instrument	Credit conversion factor (In percent)
Asset sales with recourse where the credit risk remains with the Bank	100
Commitments to make advances subject to certain drawdown.	
Commitments to acquire loans subject to certain drawdown.	
Standby letters of credit	50
Other commitments with original maturity of over one year.	
Other commitments with original maturity of one year or less	20

(2) *Exceptions.* The credit conversion factor shall be zero for Other Commitments With Original Maturity of Over One Year and Other Commitments With Original Maturity of One Year or Less, for which credit conversion factors of 50 percent or 20 percent would otherwise apply, that are unconditionally cancelable, or that effectively provide for automatic cancellation, due to the deterioration in a borrower's creditworthiness, at any time by the Bank without prior notice.

Federal Housing Finance Board

§ 932.4

(g) *Calculation of current and potential future credit exposures for single derivative contracts.* (1) *Current credit exposure.* The current credit exposure for a derivative contract that is not subject to a qualifying bilateral netting contract described in paragraph (h)(3) of this section shall be:

(i) If the mark-to-market value of the contract is positive, the mark-to-market value of the contract; or

(ii) If the mark-to-market value of the contract is zero or negative, zero.

(2) *Potential future credit exposure.* (i) The potential future credit exposure

for a single derivative contract, including a derivative contract with a negative mark-to-market value, shall be calculated using an internal model approved by the Finance Board or, in the alternative, by multiplying the effective notional amount of the derivative contract by one of the assigned credit conversion factors, modified as may be required by paragraph (g)(2)(ii) of this section, for the appropriate category as provided in the following Table 3 of this part:

TABLE 3.—CREDIT CONVERSION FACTORS FOR POTENTIAL FUTURE CREDIT EXPOSURE DERIVATIVE CONTRACTS
[In percent]

Residual maturity	Interest rate	Foreign exchange and gold	Equity	Precious metals except gold	Other commodities
One year or less	0	1	6	7	10
Over 1 year to five years5	5	8	7	12
Over five years	1.5	7.5	10	8	15

(ii) In applying the credit conversion factors in Table 3 of this part the following modifications shall be made:

(A) For derivative contracts with multiple exchanges of principal, the conversion factors are multiplied by the number of remaining payments in the derivative contract; and

(B) For derivative contracts that automatically reset to zero value following a payment, the residual maturity equals the time until the next payment; however, interest rate contracts with remaining maturities of greater than one year shall be subject to a minimum conversion factor of 0.5 percent.

(iii) If a Bank uses an internal model to determine the potential future credit exposure for a particular type of derivative contract, the Bank shall use the same model for all other similar types of contracts. However, the Bank may use an internal model for one type of derivative contract and Table 3 of this part for another type of derivative contract.

(iv) Forwards, swaps, purchased options and similar derivative contracts not included in the Interest Rate, Foreign Exchange and Gold, Equity, or Precious Metals Except Gold cat-

egories shall be treated as other commodities contracts when determining potential future credit exposures using Table 3 of this part.

(v) If a Bank uses Table 3 of this part to determine the potential future credit exposures for credit derivative contracts, the credit conversion factors provided in Table 3 for equity contracts shall also apply to the credit derivative contracts entered into with investment grade counterparties. If the counterparty is downgraded to below investment grade, the credit conversion factor provided in Table 3 of this part for other commodity contracts shall apply.

(h) *Calculation of current and potential future credit exposures for multiple derivative contracts subject to a qualifying bilateral netting contract—*(1) *Current credit exposure.* The current credit exposure for multiple derivative contracts executed with a single counterparty and subject to a qualifying bilateral netting contract described in paragraph (h)(3) of this section, shall be calculated on a net basis and shall equal:

(i) The net sum of all positive and negative mark-to-market values of the individual derivative contracts subject

to a qualifying bilateral netting contract, if the net sum of the mark-to-market values is positive; or

(ii) Zero, if the net sum of the mark-to-market values is zero or negative.

(2) *Potential future credit exposure.* The potential future credit exposure for each individual derivative contract from among a group of derivative contracts that are executed with a single counterparty and subject to a qualifying bilateral netting contract described in paragraph (h)(3) of this section shall be calculated as follows:

$$A_{\text{net}} = 0.4 \times A_{\text{gross}} + (0.6 \times \text{NGR} \times A_{\text{gross}}),$$

where:

(i) A_{net} is the potential future credit exposure for an individual derivative contract subject to the qualifying bilateral netting contract;

(ii) A_{gross} is the gross potential future credit exposure, *i.e.*, the potential future credit exposure for the individual derivative contract, calculated in accordance with paragraph (g)(2) of this section but without regard to the fact that the contract is subject to the qualifying bilateral netting contract;

(iii) NGR is the net to gross ratio, *i.e.*, the ratio of the net current credit exposure of all the derivative contracts subject to the qualifying bilateral netting contract, calculated in accordance with paragraph (h)(1) of this section, to the gross current credit exposure; and

(iv) The gross current credit exposure is the sum of the positive current credit exposures of all the individual derivative contracts subject to the qualifying bilateral netting contract, calculated in accordance with paragraph (g)(1) of this section but without regard to the fact that the contract is subject to the qualifying bilateral netting contract.

(3) *Qualifying bilateral netting contract.* A bilateral netting contract shall be considered a qualifying bilateral netting contract if the following conditions are met:

(i) The netting contract is in writing;

(ii) The netting contract is not subject to a walkaway clause;

(iii) The netting contract provides that the Bank would have a single legal claim or obligation either to receive or to pay only the net amount of the sum of the positive and negative

mark-to-market values on the individual derivative contracts covered by the netting contract in the event that a counterparty, or a counterparty to whom the netting contract has been assigned, fails to perform due to default, insolvency, bankruptcy, or other similar circumstance;

(iv) The Bank obtains a written and reasoned legal opinion that represents, with a high degree of certainty, that in the event of a legal challenge, including one resulting from default, insolvency, bankruptcy, or similar circumstances, the relevant court and administrative authorities would find the Bank's exposure to be the net amount under:

(A) The law of the jurisdiction by which the counterparty is chartered or the equivalent location in the case of non-corporate entities, and if a branch of the counterparty is involved, then also under the law of the jurisdiction in which the branch is located;

(B) The law of the jurisdiction that governs the individual derivative contracts covered by the netting contract; and

(C) The law of the jurisdiction that governs the netting contract;

(v) The Bank establishes and maintains procedures to monitor possible changes in relevant law and to ensure that the netting contract continues to satisfy the requirements of this section; and

(vi) The Bank maintains in its files documentation adequate to support the netting of a derivative contract.

(1) *Credit risk capital charge for assets hedged with credit derivatives*—(1) Credit derivatives with a remaining maturity of one year or more. The credit risk capital charge for an asset that is hedged with a credit derivative that has a remaining maturity of one year or more may be reduced only in accordance with paragraph (i)(3) or (i)(4) of this section and only if the credit derivative provides substantial protection against credit losses.

(2) *Credit derivatives with a remaining maturity of less than one year.* The credit risk capital charge for an asset that is hedged with a credit derivative that has a remaining maturity of less than one year may be reduced only in accordance with paragraph (i)(3) of this

section and only if the remaining maturity on the credit derivative is identical to or exceeds the remaining maturity of the hedged asset and the credit derivative provides substantial protection against credit losses.

(3) *Capital charge reduced to zero.* The credit risk capital charge for an asset shall be zero if a credit derivative is used to hedge the credit risk on that asset in accordance with paragraph (i)(1) or (i)(2) of this section, provided that:

(i) The remaining maturity for the credit derivative used for the hedge is identical to or exceeds the remaining maturity for the hedged asset, and either:

(A) The asset referenced in the credit derivative is identical to the hedged asset; or

(B) The asset referenced in the credit derivative is different from the hedged asset, but only if the asset referenced in the credit derivative and the hedged asset have been issued by the same obligor, the asset referenced in the credit derivative ranks *pari passu* to or more junior than the hedged asset and has the same maturity as the hedged asset, and cross-default clauses apply; and

(ii) The credit risk capital charge for the credit derivative contract calculated pursuant to paragraph (d) of this section is still applied.

(4) *Capital charge reduction in certain other cases.* The credit risk capital charge for an asset hedged with a credit derivative in accordance with paragraph (i)(1) of this section shall equal the sum of the credit risk capital charges for the hedged and unhedged portion of the asset provided that:

(i) The remaining maturity for the credit derivative is less than the remaining maturity for the hedged asset and either:

(A) The asset referenced in the credit derivative is identical to the hedged asset; or

(B) The asset referenced in the credit derivative is different from the hedged asset, but only if the asset referenced in the credit derivative and the hedged asset have been issued by the same obligor, the asset referenced in the credit derivative ranks *pari passu* to or more junior than the hedged asset and has

the same maturity as the hedged asset, and cross-default clauses apply; and

(ii) The credit risk capital charge for the unhedged portion of the asset equals:

(A) The credit risk capital charge for the hedged asset, calculated as the book value of the hedged asset multiplied by the hedged asset's credit risk percentage requirement assigned pursuant to paragraph (e)(2) of this section where the appropriate credit rating is that for the hedged asset and the appropriate maturity is the remaining maturity of the hedged asset; minus

(B) The credit risk capital charge for the hedged asset, calculated as the book value of the hedged asset multiplied by the hedged asset's credit risk percentage requirement assigned pursuant to paragraph (e)(2) of this section where the appropriate credit rating is that for the hedged asset but the appropriate maturity is deemed to be the remaining maturity of the credit derivative; and

(iii) The credit risk capital charge for the hedged portion of the asset is equal to the credit risk capital charge for the credit derivative, calculated in accordance with paragraph (d) of this section.

(j) *Zero Credit risk capital charge for certain derivative contracts.* The credit risk capital charge for the following derivative contracts shall be zero:

(1) A foreign exchange rate contract with an original maturity of 14 calendar days or less (gold contracts do not qualify for this exception); and

(2) A derivative contract that is traded on an organized exchange requiring the daily payment of any variations in the market value of the contract.

(k) *Date of calculations.* Unless otherwise directed by the Finance Board, each Bank shall perform all calculations required by this section using the assets, off-balance sheet items, and derivative contracts held by the Bank, and, if applicable, the values or credit ratings of such assets, items, or derivatives as of the close of business of the last business day of the month for which the credit risk capital charge is being calculated.

§ 932.5

12 CFR Ch. IX (1-1-03 Edition)

§ 932.5 Market risk capital requirement.

(a) *General requirement.* (1) Each Bank's market risk capital requirement shall equal the sum of:

(i) The market value of the Bank's portfolio at risk from movements in interest rates, foreign exchange rates, commodity prices, and equity prices that could occur during periods of market stress, where the market value of the Bank's portfolio at risk is determined using an internal market risk model that fulfills the requirements of paragraph (b) of this section and that has been approved by the Finance Board; and

(ii) The amount, if any, by which the Bank's current market value of total capital is less than 85 percent of the Bank's book value of total capital, where:

(A) The current market value of the total capital is calculated by the Bank using the internal market risk model approved by the Finance Board under paragraph (d) of this section; and

(B) The book value of total capital is the same as the amount of total capital reported by the Bank to the Finance Board under § 932.7 of this part.

(2) A Bank may substitute an internal cash flow model to derive a market risk capital requirement in place of that calculated using an internal market risk model under paragraph (a)(1) of this section, provided that:

(i) The Bank obtains Finance Board approval of the internal cash flow model and of the assumptions to be applied to the model; and

(ii) The Bank demonstrates to the Finance Board that the internal cash flow model subjects the Bank's assets and liabilities, off-balance sheet items and derivative contracts, including related options, to a comparable degree of stress for such factors as will be required for an internal market risk model.

(b) *Measurement of market value at risk under a Bank's internal market risk model.* (1) Except as provided under paragraph (a)(2) of this section, each Bank shall use an internal market risk model that estimates the market value of the Bank's assets and liabilities, off-balance sheet items, and derivative contracts, including any related op-

tions, and measures the market value of the Bank's portfolio at risk of its assets and liabilities, off-balance sheet items, and derivative contracts, including related options, from all sources of the Bank's market risks, except that the Bank's model need only incorporate those risks that are material.

(2) The Bank's internal market risk model may use any generally accepted measurement technique, such as variance-covariance models, historical simulations, or Monte Carlo simulations, for estimating the market value of the Bank's portfolio at risk, provided that any measurement technique used must cover the Bank's material risks.

(3) The measures of the market value of the Bank's portfolio at risk shall include the risks arising from the non-linear price characteristics of options and the sensitivity of the market value of options to changes in the volatility of the options' underlying rates or prices.

(4) The Bank's internal market risk model shall use interest rate and market price scenarios for estimating the market value of the Bank's portfolio at risk, but at a minimum:

(i) The Bank's internal market risk model shall provide an estimate of the market value of the Bank's portfolio at risk such that the probability of a loss greater than that estimated shall be no more than one percent;

(ii) The Bank's internal market risk model shall incorporate scenarios that reflect changes in interest rates, interest rate volatility, and shape of the yield curve, and changes in market prices, equivalent to those that have been observed over 120-business day periods of market stress. For interest rates, the relevant historical observations should be drawn from the period that starts at the end of the previous month and goes back to the beginning of 1978;

(iii) The total number of, and specific historical observations identified by the Bank as, stress scenarios shall be:

(A) Satisfactory to the Finance Board;

(B) Representative of the periods of the greatest potential market stress given the Bank's portfolio, and

Federal Housing Finance Board

§ 932.7

(C) Comprehensive given the modeling capabilities available to the Bank; and

(iv) The measure of the market value of the Bank's portfolio at risk may incorporate empirical correlations among interest rates.

(5) For any consolidated obligations denominated in a currency other than U.S. Dollars or linked to equity or commodity prices, each Bank shall, in addition to fulfilling the criteria of paragraph (b)(4) of this section, calculate an estimate of the market value of its portfolio at risk due to the material foreign exchange, equity price or commodity price risk, such that, at a minimum:

(i) The probability of a loss greater than that estimated shall not exceed one percent;

(ii) The scenarios reflect changes in foreign exchange, equity, or commodity market prices that have been observed over 120-business day periods of market stress, as determined using historical data that is from an appropriate period; and

(iii) The total number of, and specific historical observations identified by the Bank as, stress scenarios shall be:

(A) Satisfactory to the Finance Board;

(B) Representative of the periods of greatest potential stress given the Bank's portfolio; and

(C) Comprehensive given the modeling capabilities available to the Bank; and

(iv) The measure of the market value of the Bank's portfolio at risk may incorporate empirical correlations within or among foreign exchange rates, equity prices, or commodity prices.

(c) *Independent validation of Bank internal market risk model or internal cash flow model.* (1) Each Bank shall conduct an independent validation of its internal market risk model or internal cash flow model within the Bank that is carried out by personnel not reporting to the business line responsible for conducting business transactions for the Bank. Alternatively, the Bank may obtain independent validation by an outside party qualified to make such determinations. Validations shall be done on an annual basis, or more frequently as required by the Finance Board.

(2) The results of such independent validations shall be reviewed by the Bank's board of directors and provided promptly to the Finance Board.

(d) *Finance Board approval of Bank internal market risk model or internal cash flow model.* Each Bank shall obtain Finance Board approval of an internal market risk model or an internal cash flow model, including subsequent material adjustments to the model made by the Bank, prior to the use of any model. Each Bank shall make such adjustments to its model as may be directed by the Finance Board.

(e) *Date of calculations.* Unless otherwise directed by the Finance Board, each Bank shall perform any calculations or estimates required under this section using the assets and liabilities, off-balance sheet items, and derivative contracts held by the Bank, and if applicable, the values of any such holdings, as of the close of business of the last business day of the month for which the market risk capital requirement is being calculated.

§ 932.6 Operations risk capital requirement.

(a) *General requirement.* Except as authorized under paragraph (b) of this section, each Bank's operations risk capital requirement shall at all times equal 30 percent of the sum of the Bank's credit risk capital requirement and market risk capital requirement.

(b) *Alternative requirements.* With the approval of the Finance Board, each Bank may have an operations risk capital requirement equal to less than 30 percent but no less than 10 percent of the sum of the Bank's credit risk capital requirement and market risk capital requirement if:

(1) The Bank provides an alternative methodology for assessing and quantifying an operations risk capital requirement; or

(2) The Bank obtains insurance to cover operations risk from an insurer rated at least the second highest investment grade credit rating by an NRSRO.

§ 932.7 Reporting requirements.

Each Bank shall report to the Finance Board by the 15th business day of

§ 932.8

12 CFR Ch. IX (1–1–03 Edition)

each month its risk-based capital requirement by component amounts, and its actual total capital amount and permanent capital amount, calculated as of the close of business of the last business day of the preceding month, or more frequently, as may be required by the Finance Board.

§ 932.8 Minimum liquidity requirements.

In addition to meeting the deposit liquidity requirements contained in § 965.3 of this chapter, each Bank shall hold contingency liquidity in an amount sufficient to enable the Bank to meet its liquidity needs, which shall, at a minimum, cover five business days of inability to access the consolidated obligation debt markets. An asset that has been pledged under a repurchase agreement cannot be used to satisfy minimum liquidity requirements.

§ 932.9 Limits on unsecured extensions of credit to one counterparty or affiliated counterparties; reporting requirements for total extensions of credit to one counterparty or affiliated counterparties.

(a) *Unsecured extensions of credit to a single counterparty.* A Bank shall not extend unsecured credit to any single counterparty (other than a GSE) in an amount that would exceed the limits of this paragraph. A Bank shall not extend unsecured credit to a GSE in an amount that would exceed the limits set forth in paragraph (c) of this section. If a third-party provides an irrevocable, unconditional guarantee of repayment of a credit (or any part thereof), the third-party guarantor shall be considered the counterparty for purposes of calculating and applying the unsecured credit limits of this section with respect to the guaranteed portion of the transaction.

(1) *Term limits.* All unsecured extensions of credit by a Bank to a single counterparty that arise from the Bank's on- and off-balance sheet and derivative transactions (but excluding the amount of sales of federal funds with a maturity of one day or less and sales of federal funds subject to a continuing contract) shall not exceed the product of the maximum capital exposure limit applicable to such

counterparty, as determined in accordance with paragraph (a)(4) of this section and Table 4 of this part, multiplied by the lesser of:

(i) The Bank's total capital; or
(ii) The counterparty's Tier 1 capital, or if Tier 1 capital is not available, total capital (as defined by the counterparty's principal regulator) or some similar comparable measure identified by the Bank.

(2) *Overall limits including sales of overnight federal funds.* All unsecured extensions of credit by a Bank to a single counterparty that arise from the Bank's on- and off-balance sheet and derivative transactions, including the amounts of sales of federal funds with a maturity of one day or less and sales of federal funds subject to a continuing contract, shall not exceed twice the limit calculated pursuant to paragraph (a)(1) of this section.

(3) *Limits for certain obligations issued by state, local or tribal governmental agencies.* The term limit set forth in paragraph (a)(1) of this section when applied to the marketable direct obligations of state, local or tribal government unit or agencies that are acquired member assets identified in § 955.2(a)(3) of this chapter or are otherwise excluded from the prohibition against investments in whole mortgages or whole loan or interests in such mortgages or loans by § 956.3(a)(4)(iii) of this chapter shall be calculated based on the Bank's total capital and the credit rating assigned to the particular obligation as determined in accordance with paragraph (a)(5) of this section. If a Bank owns series or classes of obligations issued by a particular state, local or tribal government unit or agency or has extended other forms of unsecured credit to such entity falling into different rating categories, the total amount of unsecured credit extended by the Bank to that government unit or agency shall not exceed the term limit associated with the highest-rated obligation issued by the entity and actually purchased by the Bank.

(4) *Bank determination of applicable maximum capital exposure limits.* (i) Except as set forth in paragraph (a)(4)(ii) or (a)(4)(iii) of this section, the applicable maximum capital exposure limits

are assigned to each counterparty based upon the long-term credit rating of the counterparty, as determined in accordance with paragraph (a)(5) of this section, and are provided in the following Table 4 of this part:

TABLE 4.—MAXIMUM LIMITS ON UNSECURED EXTENSIONS OF CREDIT TO A SINGLE COUNTERPARTY BY COUNTERPARTY LONG-TERM CREDIT RATING CATEGORY

Long-term credit rating of counterparty category	Maximum capital exposure limit (in percent)
Highest Investment Grade	15
Second Highest Investment Grade	14
Third Highest Investment Grade	9
Fourth Highest Investment Grade	3
Below Investment Grade or Other	1

(ii) If a counterparty does not have a long-term credit rating but has received a short-term credit rating from an NRSRO, the maximum capital exposure limit applicable to that counterparty shall be based upon the short-term credit rating, as determined in accordance with paragraph (a)(5) of this section, as follows:

(A) The highest short-term investment grade credit rating shall correspond to the maximum capital exposure limit provided in Table 4 of this part for the third highest long-term investment grade rating;

(B) The second highest short-term investment grade rating shall correspond to the maximum capital exposure limit provided in Table 4 of this part for the fourth highest long-term investment grade rating; and

(C) The third highest short-term investment grade rating shall correspond to the maximum capital exposure limit provided in Table 4 of this part for the fourth highest long-term investment grade rating.

(iii) If a specific debt obligation issued by a counterparty receives a credit rating from an NRSRO that is lower than the counterparty's long-term credit rating, the total amount of the lower-rated obligation held by the Bank may not exceed a sub-limit calculated in accordance with paragraph (a)(1) of this section, except that the Bank shall use the credit rating associated with the specific obligation to determine the applicable maximum cap-

ital exposure limit. For purposes of this paragraph, the credit rating of the debt obligation shall be determined in accordance with paragraph (a)(5) of this section.

(5) *Bank determination of applicable credit ratings.* The following criteria shall be applied to determine a counterparty's credit rating:

(i) The counterparty's most recent credit rating from a given NRSRO shall be considered;

(ii) If only one NRSRO has rated the counterparty, that NRSRO's rating shall be used. If a counterparty has received credit ratings from more than one NRSRO, the lowest credit rating from among those NRSROs shall be used;

(iii) Where a credit rating has a modifier, the credit rating is deemed to be the credit rating without the modifier;

(iv) If a counterparty is placed on a credit watch for a potential downgrade by an NRSRO, the credit rating from that NRSRO at the next lower grade shall be used; and

(v) If a counterparty is not rated by an NRSRO, the Bank shall determine the applicable credit rating by using credit rating standards available from an NRSRO or other similar standards.

(b) *Unsecured extensions of credit to affiliated counterparties.* (1) *In general.* The total amount of unsecured extensions of credit by a Bank to a group of affiliated counterparties that arise from the Bank's on- and off-balance sheet and derivative transactions, including sales of federal funds with a maturity of one day or less and sales of federal funds subject to a continuing contract, shall not exceed thirty percent of the Bank's total capital.

(2) *Relation to individual limits.* The aggregate limits calculated under this paragraph shall apply in addition to the limits on extensions of unsecured credit to a single counterparty imposed by paragraph (a) of this section.

(c) *Special limits for GSEs.* (1) *In general.* Unsecured extensions of credit by a Bank to a GSE that arise from the Bank's on- and off-balance sheet and derivative transactions, including from the purchase of any subordinated debt subject to the sub-limit set forth in paragraph (c)(2) of this section, from

any sales of federal funds with a maturity of one day or less and from sales of federal funds subject to a continuing contract, shall not exceed the lesser of:

- (i) The Bank's total capital; or
- (ii) The GSE's total capital (as defined by the GSE's principal regulator) or some similar comparable measure identified by the Bank.

(2) *Sub-limit for subordinated debt.* The maximum amount of subordinated debt issued by a GSE and held by a Bank shall not exceed the term limit calculated under paragraph (a)(1) of this section, except that a Bank shall use the credit rating of the GSE's subordinated debt to determine the applicable maximum capital exposure limit. The credit rating of the subordinated debt shall be determined in accordance with paragraph (a)(5) of this section.

(3) *Limits applying to a GSE after a downgrade.* If any NRSRO assigns a credit rating to any senior debt obligation issued (or to be issued) by a GSE that is below the highest investment grade or downgrades, or places on a credit watch for a potential downgrade of the credit rating on any senior unsecured obligation issued by a GSE to below the highest investment grade, the special limits on unsecured extensions of credit under paragraph (c)(1) of this section shall cease to apply, and instead, the Bank shall calculate the maximum amount of its unsecured extensions of credit to that GSE in accordance with paragraphs (a)(1) and (a)(2) of this section.

(4) *Extensions of unsecured credit to other Banks.* The limits of this section do not apply to unsecured credit extended by one Bank to another Bank.

(d) *Extensions of unsecured credit after downgrade or placement on credit watch.* If an NRSRO downgrades the credit rating applicable to any counterparty or places any counterparty on a credit watch for a potential downgrade, a Bank need not unwind or liquidate any existing transaction or position with that counterparty that complied with the limits of this section at the time it was entered. In such a case, however, a Bank may extend any additional unsecured credit to such a counterparty only in compliance with the limitations that are calculated using the lower maximum exposure limits. For

the purposes of this section, the renewal of an existing unsecured extension of credit, including any decision not to terminate any sales of federal funds subject to a continuing contract, shall be considered an additional extension of unsecured credit that can be undertaken only in accordance with the lower limit.

(e) *Reporting requirements.* (1) *Total unsecured extensions of credit.* Each Bank shall report monthly to the Finance Board the amount of the Bank's total unsecured extensions of credit arising from on- and off-balance sheet and derivative transactions to any single counterparty or group of affiliated counterparties that exceeds 5 percent of:

- (i) The Bank's total capital; or
- (ii) The counterparty's, or affiliated counterparties' combined, Tier 1 capital, or if Tier 1 capital is not available, total capital (as defined by each counterparty's principal regulator) or some similar comparable measure identified by the Bank.

(2) *Total secured and unsecured extensions of credit.* Each Bank shall report monthly to the Finance Board the amount of the Bank's total secured and unsecured extensions of credit arising from on- and off-balance sheet and derivative transactions to any single counterparty or group of affiliated counterparties that exceeds 5 percent of the Bank's total assets.

(3) *Extensions of credit in excess of limits.* A Bank shall report promptly to the Finance Board any extensions of unsecured credit that exceeds any limit set forth in paragraphs (a), (b) or (c) of this section. In making this report, a Bank shall provide the name of the counterparty or group of affiliated counterparties to which the excess unsecured credit has been extended, the dollar amount of the applicable limit which has been exceeded, the dollar amount by which the Bank's extension of unsecured credit exceeds such limit, the dates for which the Bank was not in compliance with the limit, and, if applicable, a brief explanation of any extenuating circumstances which caused the limit to be exceeded.

Federal Housing Finance Board

§ 933.1

(f) *Measurement of unsecured extensions of credit.* (1) *In general.* For purposes of this section, unsecured extensions of credit will be measured as follows:

(i) For on-balance sheet transactions, an amount equal to the sum of the book value of the item plus net payments due the Bank;

(ii) For off-balance sheet transactions, an amount equal to the credit equivalent amount of such item, calculated in accordance with § 932.4(f) of this part; and

(iii) For derivative transactions, an amount equal to the sum of the current and potential future credit exposures for the derivative contract, where those values are calculated in accordance with §§ 932.4(g) or 932.4(h) of this part, as applicable, less the amount of any collateral that is held in accordance with the requirements of § 932.4(e)(2)(ii)(B) of this part against the credit exposure from the derivative contract.

(2) *Status of debt obligations purchased by the Bank.* Any debt obligation or debt security (other than mortgage-backed securities or acquired member assets that are identified in §§ 955.2(a)(1) and (2) of this chapter) purchased by a Bank shall be considered an unsecured extension of credit for the purposes of this section, except:

(i) Any amount owed the Bank against which the Bank holds collateral in accordance with § 932.4(e)(2)(ii)(B) of this part; or

(ii) Any amount which the Finance Board has determined on a case-by-case basis shall not be considered an unsecured extension of credit.

(g) *Obligations of the United States.* Obligations of, or guaranteed by, the United States are not subject to the requirements of this section.

§ 933.1 Submission of plan.

(a) *In general.* By no later than October 29, 2001, the board of directors of each Bank shall submit to the Finance Board a plan to establish and implement a new capital structure for that Bank, which plan shall comply with part 931 of this chapter and under which, when implemented, the Bank shall have sufficient total and permanent capital to comply with the regulatory capital requirements established by part 932 of this chapter. The Finance Board, upon a demonstration of good cause submitted by the board of directors of a Bank, may approve a reasonable extension of the 270-day period for submission of the capital plan. A Bank shall not implement its capital plan, or any amendment to the plan, without Finance Board approval.

(b) *Failure to submit a capital plan.* If a Bank fails to submit a capital plan to the Finance Board by October 29, 2001, including any approved extension, the Finance Board may establish a capital plan for that Bank, take any enforcement action against the Bank, its directors, or its executive officers authorized by section 2B(a) of the Act (12 U.S.C. 1422b(a)), or merge the Bank pursuant to section 26 of the Act (12 U.S.C. 1446) into any other Bank that has submitted a capital plan.

(c) *Consideration of the plan.* After receipt of a Bank's capital plan, the Finance Board may return the plan to the Bank if it does not comply with section 6 of the Act (12 U.S.C. 1426) or any regulatory requirement or is otherwise incomplete or materially deficient. If the Finance Board accepts a capital plan for review, it may require the Bank to submit additional information regarding its plan or to amend the plan, prior to determining whether to approve the plan. The Finance Board may approve a capital plan as submitted or as amended, or may condition its approval on the Bank's compliance with certain stated conditions,

and may require that the capital plans of all Banks take effect on the same date.

§933.2 Contents of plan.

The capital plan for each Bank shall include, at a minimum, provisions addressing the following matters:

(a) *Minimum investment.* (1) The capital plan shall require each member to purchase and maintain a minimum investment in the capital stock of the Bank, in accordance with §931.3, of this chapter and shall prescribe the manner in which the minimum investment is to be calculated. The plan shall require each member to maintain its minimum investment in the Bank's stock for as long as it remains a member and, with regard to Bank stock purchased to support an advance or other business activity, for as long as the advance or business activity remains outstanding.

(2) The capital plan shall specify the amount and class (or classes) of Bank stock that an institution is required to own in order to become and remain a member of the Bank, and shall specify the amount and class (or classes) of Bank stock that a member is required to own in order to obtain advances from, or to engage in other business transactions with, the Bank. If a Bank requires its members to satisfy its minimum investment through the purchase of one or more combinations of Class A and Class B stock, the authorized combinations of stock shall be specified in the capital plan, which shall afford the members the option of satisfying the minimum investment through the purchase of any such combination of stock.

(3) The capital plan may establish a minimum investment that is calculated as a percentage of the total assets of the member, as a percentage of the advances outstanding to the member, as a percentage of the other business activities conducted with the member, on any other basis approved by the Finance Board, or on any combination of the above.

(4) The minimum investment established by the capital plan shall be set at a level that, when applied to all members, provides sufficient capital for the Bank to comply with its minimum capital requirements, as speci-

fied in part 932 of this chapter. The capital plan shall require the board of directors of the Bank to monitor and, as necessary, to adjust, the minimum investment to ensure that the stock required to be purchased and maintained by the members is sufficient to allow the Bank to comply with its minimum capital requirements. The plan shall require each member to comply promptly with any adjusted minimum investment established by the board of directors of the Bank, but may allow a member a reasonable time to do so and may allow a member to reduce its outstanding business with the Bank as an alternative to purchasing additional stock.

(b) *Classes of capital stock.* The capital plan shall specify the class or classes of stock (including subclasses, if any) that the Bank will issue, and shall establish the par value, rights, terms, and preferences associated with each class (or subclass) of stock. A Bank may establish preferences relating to, but not limited to, the dividend, voting, or liquidation rights for each class or subclass of Bank stock. Any voting preferences established by the Bank pursuant to §915.5 of this chapter shall expressly state the voting rights of each class of stock with regard to the election of Bank directors. The capital plan shall provide that the owners of the Class B stock own the retained earnings, surplus, undivided profits, and equity reserves of the Bank, but shall have no right to receive any portion of those items, except through declaration of a dividend or capital distribution approved by the board of directors or through the liquidation of the Bank.

(c) *Dividends.* The capital plan shall establish the manner in which the Bank will pay dividends, if any, on each class or subclass of stock, and shall provide that the Bank may not declare or pay any dividends if it is not in compliance with any capital requirement or if after paying the dividend it would not be in compliance with any capital requirement.

(d) *Initial issuance.* The capital plan shall specify the date on which the Bank will implement the new capital structure, and shall establish the manner in which the Bank will issue Class

§ 933.2

A and/or Class B stock to its existing members, as well as to eligible institutions that subsequently become members. The capital plan shall address how the Bank will retire the stock that is outstanding as of the effective date, including stock held by a member that does not affirmatively elect to convert or exchange its existing stock to either Class A or Class B stock, or some combination thereof.

(e) *Members wishing not to convert existing stock.* The capital plan shall establish an opt-out date on or before which a member that does not wish to convert its existing stock into Class A and/or Class B stock must file a written notice to withdraw from membership with the Finance Board. This opt-out date shall not be more than six months before the effective date of the capital plan. (For purposes of applying this provision, the membership of an institution that files its notice to withdraw with the Finance Board on or before the opt-out date established in a capital plan shall terminate six months from the date that the notice of withdrawal was filed with the Finance Board or on the effective date of the Bank's capital plan, whichever date is earlier.) The capital plan shall further provide that any member that is in the process of withdrawing on the effective date of the capital plan but did not file its written notice to withdraw from membership with the Finance Board on or before this opt-out date, shall have its existing stock converted into Class A and/or Class B stock as required by the capital plan, and that the effective date of withdrawal for such member shall be established in accordance with §§ 925.26(b) and (c) of this chapter, provided, however, that the applicable stock redemption periods calculated under § 925.26(c) of this chapter shall commence on date the member first submitted its written notice to withdraw to the Finance Board.

(f) *Stock transactions.* The capital plan shall establish the criteria for the issuance, redemption, repurchase, transfer, and retirement of stock issued by the Bank. The capital plan also:

(1) Shall provide that the Bank may not issue stock other than in accordance with § 931.2 of this chapter;

(2) Shall provide that the stock of the Bank may be issued only to and held only by the members of that Bank;

(3) Shall specify whether the stock of the Bank may be transferred among members, and, if such transfer is allowed, shall specify the procedures that a member should follow to effect such transfer, and that the transfer shall be undertaken only in accordance with § 931.6 of this chapter;

(4) Shall specify that the stock of the Bank may be traded only between the Bank and its members;

(5) May provide for a minimum investment for members that purchase Class B stock that is lower than the minimum investment for members that purchase Class A stock, provided that the level of investment is sufficient for the Bank to comply with its regulatory capital requirements;

(6) Shall specify the fee, if any, to be imposed on a member that cancels a request to redeem Bank stock; and

(7) Shall specify the period of notice that the Bank will provide to a member before the Bank, on its own initiative, determines to repurchase any excess Bank stock from a member.

(g) *Termination of membership.* The capital plan shall address the manner in which the Bank will provide for the disposition of its capital stock that is held by institutions that terminate their membership, and the manner in which the Bank will liquidate claims against its members, including claims resulting from prepayment of advances prior to their stated maturity.

(h) *Implementation.* The capital plan shall demonstrate that the Bank has made a good faith determination that the Bank will be able to implement the plan as submitted and that the Bank will be in compliance with its regulatory total capital requirement and its regulatory risk-based capital requirement after the plan is implemented.

(The Office of Management and Budget has approved the information collection contained in this section and assigned control number 3069-0059 with an expiration date of November 30, 2003)

[66 FR 8310, Jan. 30, 2001, as amended at 66 FR 54108, Oct. 26, 2001]

§933.3 Independent review of capital plan.

Prior to submitting its capital plan, each Bank shall conduct a review of the plan by an independent certified public accountant to ensure, to the extent possible, that the implementation of the plan would not result in any write-down of the redeemable stock owned by its members, and shall conduct a separate review by at least one NRSRO to determine, to the extent possible, whether the implementation of the plan would have a material effect on the credit rating of the Bank. The Bank shall submit a copy of each report to the Finance Board as part of its proposed capital plan.

§933.4 Transition provisions.

(a) The capital plan of a Bank may include a transition provision that would allow a period of time, not to exceed three years, during which the Bank shall increase its total and permanent capital to levels that are sufficient to comply with its minimum leverage capital requirement and its minimum risk-based capital requirement. The capital plan of a Bank may also include a transition provision that would allow a period of time, not to exceed three years, during which institutions that were members of the Bank on November 12, 1999, shall increase the amount of Bank stock to a level that is sufficient to comply with the minimum investment established by the capital plan. The length of the transition periods need not be identical.

(b) Any transition provision shall comply with the requirements of §931.9.

§933.5 Disclosure to members concerning capital plan and capital stock conversion.

(a) No capital plan shall become effective until disclosure required by paragraphs (b) and (c) of this section has been provided to members. All disclosure required under this section shall be transmitted, sent or given to members not less than 45 days and not more than 60 days prior to the opt-out date established in the Bank's capital plan in accordance with §933.2(e).

(b) The following information shall be provided to members about the Class A and/or Class B stock that a

Bank intends to issue on the effective date of its capital plan:

(3) A statement of the reasons for the conversion to Class A and/or Class B stock and of the general effect thereof upon the rights of existing members; and

(4) A description of any other material features concerning the Bank's initial issuance of Class A and/or Class B stock.

(c) In addition to the disclosure about Class A and/or Class B stock, the following information shall be provided to members:

(1) The Bank shall disclose financial information as follows:

(i) Audited balance sheets as of the end of the two most recent fiscal years, audited statements of income and cash flows for each of the three fiscal years preceding the date of the most recent audited balance sheet being presented, and unaudited interim balance sheets and statements of income and cash flows as of and for appropriate interim dates that in form and content meet the requirements of §989.4 of this chapter;

(ii) A pro forma capitalization table that reflects the Bank's projected new capital structure relative to its actual capitalization as of the date of the latest balance sheet required to be provided to members by paragraph (c)(1)(i) of this section. The Bank shall also provide a description of any material assumptions underlying the pro forma capitalization table and the basis for these assumptions, and shall provide

(iii) Any of the financial information required to be disclosed by paragraph (c)(1) of this section may be incorporated by reference, provided the information being incorporated is contained in an annual or quarterly Bank report prepared in accordance with § 989.4 of this chapter or an annual or quarterly Bank System report, and the disclosure identifies the information being incorporated by reference;

(ii) A statement outlining the requirements for amending the capital plan;

plan on a member's rights to buy, or redeem its class A or class B stock, to have such stock repurchased, or otherwise to make use of such stock to fulfill the member's minimum stock investment requirement;

(iv) A statement setting forth the opt-out date, on or before which a member's written notice to withdraw must be filed with the Finance Board (as established in accordance with § 933.2(e) of this part) for the member not to have its existing Bank stock converted to Class A or Class B stock on the effective date of the Bank's capital plan and describing the effect on a member's effective date of withdrawal of failing to file its notice to withdraw on or before the opt-out date; and

(v) A description of a member's rights under the capital plan to have its stock redeemed or repurchased upon voluntary or involuntary termination of its membership;

(5) The Bank should state the name, address and telephone number where members may direct written or oral requests for a copy of the capital plan and any other instrument or document that defines the rights of the member/stockholders. This information shall be provided to the members without charge; and

(ii) The rating in the member's subsequent CRA evaluation is "needs to improve;" and

(iii) The member did not receive either a "substantial noncompliance" CRA rating or a "needs to improve" CRA rating immediately preceding the CRA rating on which the member's inadequate performance under the CRA standard was based.

(i) The marginal cost to the Bank of raising matching term and maturity funds in the marketplace, including embedded options; and

(ii) The administrative and operating costs associated with making such advances to members.

(2) *Differential pricing.* (i) Each Bank may, in pricing its advances, distinguish among members based upon its assessment of:

(A) The credit and other risks to the Bank of lending to any particular member; or

(B) Other reasonable criteria that may be applied equally to all members.

(ii) Each Bank shall include in its member products policy required by § 917.4 of this chapter, standards and criteria for such differential pricing and shall apply such standards and criteria consistently and without discrimination to all members applying for advances.

(3) *Exceptions.* The advance pricing policies contained in paragraph (b)(1) of this section shall not apply in the case of:

(i) A Bank's CICA programs; and

(ii) Any other advances programs that are volume limited and specifically approved by the Bank's board of directors.

(c) *Authorization for pricing advances.*

(1) A Bank's board of directors, a committee thereof, or the Bank's president, if so authorized by the Bank's board of directors, shall set the rates of interest on advances consistent with paragraph (b) of this section.

The disclosure should include detail sufficient to describe such risks.

§ 950.6 Fees.

(a) *Fees in member products policy.* All fees charged by each Bank and any schedules or formulas pertaining to such fees shall be included in the Bank's member products policy required by §917.4 of this chapter. Any such fee schedules or formulas shall be applied consistently and without discrimination to all members.

(b) *Prepayment fees.* (1) Except where an advance product contains a prepayment option, each Bank shall establish and charge a prepayment fee pursuant to a specified formula which makes the Bank financially indifferent to the borrower's decision to repay the advance prior to its maturity date.

(2) Prepayment fees are not required for:

(i) Advances with original terms to maturity or repricing periods of six months or less;

(ii) Advances funded by callable debt; or

(iii) Advances which are otherwise appropriately hedged so that the Bank is financially indifferent to their prepayment.

(3) The board of directors of each Bank, a designated committee thereof, or officers specifically authorized by the board of directors, may waive a prepayment fee only if such prepayment will not result in an economic loss to the Bank. Any such waiver must subsequently be ratified by the board of directors.

(4) A Bank, in determining whether or not to waive a prepayment fee, shall apply consistent standards to all of its members.

(c) *Commitment fees.* Each Bank may charge a fee for its commitment to fund an advance.

(d) *Other fees.* Each Bank is authorized to charge other fees as it deems necessary and appropriate.

(a) *Eligible security for advances to all members.* At the time of origination or renewal of an advance, each Bank shall obtain from the borrowing member or, in accordance with paragraph (g) of this section, an affiliate of the borrowing member, and thereafter maintain, a security interest in collateral that meets the requirements of one or more of the following categories:

(1) *Mortgage loans and privately issued securities.* (i) Fully disbursed, whole first mortgage loans on improved residential real property not more than 90 days delinquent; or

(c) *Bank restrictions on eligible advances collateral.* A Bank at its discretion may further restrict the types of eligible collateral acceptable to the Bank as security for an advance, based upon the creditworthiness or operations of the borrower, the quality of the collateral, or other reasonable criteria.

(d) *Additional advances collateral.* The provisions of paragraph (a) of this section shall not affect the ability of any Bank to take such steps as it deems necessary to protect its secured position on outstanding advances, including requiring additional collateral, whether or not such additional collateral conforms to the requirements for eligible collateral in paragraphs (a) or (b) of this section or section 10 of the Act (12 U.S.C. 1430).

(e) *Bank stock as collateral.* (1) Pursuant to section 10(c) of the Act (12 U.S.C. 1430(c)), a Bank shall have a lien upon, and shall hold, the stock of a member in the Bank as further collateral security for all indebtedness of the member to the Bank.

(2) The written security agreement used by the Bank shall provide that the borrowing member's Bank stock is assigned as additional security by the member to the Bank.

(3) The security interest of the Bank in such member's Bank stock shall be entitled to the priority provided for in section 10(e) of the Act (12 U.S.C. 1430(e)).

(g) *Pledge of advances collateral by affiliates.* Assets held by an affiliate of a member that are eligible as collateral under paragraphs (a) or (b) of this section may be used to secure advances to that member only if:

(1) The collateral is pledged to secure either:

(i) The member's obligation to repay advances; or

(ii) A surety or other agreement under which the affiliate has assumed, along with the member, a primary obligation to repay advances made to the member; and

(2) The Bank obtains and maintains a legally enforceable security interest pursuant to which the Bank's legal rights and privileges with respect to the collateral are functionally equivalent in all material respects to those that the Bank would possess if the member were to pledge the same collateral directly, and such functional equivalence is supported by adequate documentation.

shall not be entitled to priority over the claims and rights of a party that:

(2) A Bank shall take any steps necessary to ensure that its security interest in all collateral pledged by non-depository institutions for an advance is as secure as its security interest in collateral pledged by depository institutions.

(3) A Bank may at any time perfect its security interest in collateral securing an advance to a member.

(b) *Collateral verification.* Each Bank shall establish written procedures and standards for verifying the existence of collateral securing the Bank's advances, and shall regularly verify the existence of the collateral securing its advances in accordance with such procedures and standards.

(A) Estimates of funds the project sponsor intends to obtain from other sources, but which have not yet been committed to the project; and

(B) Estimates of the market value of in-kind donations and volunteer professional labor or services committed to the project, but not the value of sweat-equity.

(ii) *Project costs*—(A) *In general.* Project costs, as reflected in the project's development budget, must be reasonable and customary, in accordance with the Bank's project feasibility guidelines, in light of:

(3) *Timing of subsidy use.* The AHP subsidy must be likely to be drawn down by the project or used by the project to procure other financing commitments within 12 months of the date of approval of the application for subsidy funding the project.

(4) *Prepayment, cancellation, and processing fees.* The project must not use AHP subsidies to pay for:

(i) Prepayment fees imposed by a Bank on a member for a subsidized advance that is prepaid, unless, subsequent to such prepayment, the project will continue to comply with the terms of the application for the subsidy, as approved by the Bank, and the requirements of this part for the duration of the original retention period, and any unused subsidy is returned to the Bank and made available for other AHP projects;

(ii) Cancellation fees and penalties imposed by a Bank on a member for a subsidized advance commitment that is canceled; or

(iii) Processing fees charged by members for providing direct subsidies to a project.

§ 951.6

12 CFR Ch. IX (1–1–03 Edition)

(10) *District eligibility requirements.* (i) A project receiving AHP subsidies may be required by a Bank to meet one or more of the following additional eligibility requirements adopted by a Bank's board of directors, after consultation with its Advisory Council:

(A) A requirement that the amount of subsidy requested for the project does not exceed limits established by the Bank as to the maximum amount of AHP subsidy available per member each year; or per member, per project, or per project unit in a single funding period;

(B) A requirement that the project is located in the Bank's District; or

(C) A requirement that the member submitting the application has made use of a minimum amount of a credit product offered by the Bank, other than AHP or CIP credit products, within the previous 12 months, provided that such a minimum threshold for credit product usage established by a Bank shall not exceed 1.5 percent of a member's total assets, and all members shall have access to some amount of AHP subsidy, as determined by the Bank, regardless of whether they meet the Bank's minimum threshold for credit product usage.

(ii) Any limit on the amount of AHP subsidy available per member must result in equal amounts of AHP subsidy

available to all members receiving subsidy pursuant to such limit.

§ 951.6 Procedure for approval of applications for funding.

(a) *Homeownership set-aside programs.* A Bank shall accept applications for homeownership set-aside funds from members and may, in its discretion, accept applications from institutions with pending applications for membership in the Bank. The Bank shall approve applications in accordance with the Bank's criteria governing the allocation of funds.

(b) *Competitive application program—*
(1) *Funding periods; amounts available.* A Bank shall accept applications for funding under its competitive application program from members and may, in its discretion, accept applications from institutions with pending applications for membership in the Bank. A Bank may accept applications for funding during a specified number of funding periods each year, as determined by the Bank.

(2) *Submission of applications.* A Bank shall require applicants for AHP subsidies to submit information sufficient for the Bank to:

(i) Determine that the proposed AHP project meets the eligibility requirements of § 951.5(b); and

(ii) Evaluate the application pursuant to the scoring criteria in paragraph (b)(4) of this section.

(3) *Review of applications for project eligibility.* A Bank shall review applications to determine that the proposed AHP project meets the eligibility requirements of § 951.5(b).

(4) *Scoring of applications—*(i) *In general.* A Bank shall not adopt additional scoring criteria or point allocations, except as specifically authorized under this paragraph (b)(4). A Bank shall adopt written guidelines implementing the scoring requirements of this paragraph (b)(4).

(ii) *Point allocations.* A Bank shall allocate 100 points among the nine scoring criteria identified in paragraph (b)(4)(iv) of this section. The scoring

Federal Housing Finance Board

§951.6

criterion for targeting identified in paragraph (b)(4)(iv)(C) of this section shall be allocated at least 20 points. The remaining scoring criteria shall be allocated at least five points each.

(iii) *Satisfaction of scoring criteria.* A Bank shall designate each scoring criterion as either a fixed-point or a variable-point criterion. Variable-point criteria are those where there are varying degrees to which an application can satisfy the criteria. The number of points that may be awarded to an application for meeting a variable-point criterion will vary, depending on the extent to which the application satisfies the criterion, compared to the other applications being scored. A Bank shall designate the targeting and subsidy-per-unit scoring criteria identified in paragraphs (b)(4)(iv)(C) and (H), respectively, of this section as variable-point criteria. The application(s) best achieving each variable-point criterion shall receive the maximum point score available for that criterion, with the remaining applications scored on a declining scale. Fixed-point criteria are those which cannot be satisfied in varying degrees and are either satisfied, or not. An application meeting a fixed-point criterion shall be awarded the total number of points allocated to that criterion.

(iv) *Scoring criteria.* An application for a proposed project may receive points based on satisfaction of the nine scoring criteria set forth in this paragraph (b)(4)(iv).

(A) *Use of donated or conveyed government-owned or other properties.* The creation of housing using a significant proportion of:

(1) Land or units donated or conveyed by the Federal government or any agency or instrumentality thereof; or

(2) Land or units donated or conveyed by any other party for an amount significantly below the fair market value of the property, as defined by the Bank in its AHP implementation plan.

(B) *Sponsorship by a not-for-profit organization or government entity.* Project sponsorship by a not-for-profit organization, a state or political subdivision of a state, a state housing agency, a local housing authority, a Native American Tribe, an Alaskan Native

Village, or the government entity for Native Hawaiian Home Lands.

(C) *Targeting.* The extent to which a project creates housing for very low- and low- or moderate-income households.

(1) *Rental projects.* An application for a rental project shall be awarded the maximum number of points available under this scoring criterion if 60 percent or more of the units in the project are reserved for occupancy by households with incomes at or below 50 percent of the median income for the area. Applications for projects with less than 60 percent of the units reserved for occupancy by households with incomes at or below 50 percent of the median income for the area shall be awarded points on a declining scale based on the percentage of units in a project that are reserved for households with incomes at or below 50 percent of the median income for the area, and on the percentage of the remaining units reserved for households with incomes at or below 80 percent of the median income for the area. In order to facilitate reliance on monitoring by a federal, state, or local government entity providing funds or allocating federal Low-Income Housing Tax Credits to a proposed project, a Bank, in its discretion, may score each project according to the targeting commitments made by the project to such entity, and the Bank shall include such scoring practice in its AHP implementation plan.

(2) *Owner-occupied projects.* Applications for owner-occupied projects shall be awarded points based on a declining scale, with projects having the highest percentage of units targeted to households with the lowest percentage of median income for the area awarded the highest number of points.

(3) *Separate scoring.* For purposes of this scoring criterion, applications for owner-occupied projects and rental projects may be scored separately.

(D) *Housing for homeless households.* The creation of rental housing, excluding overnight shelters, reserving at least 20 percent of the units for homeless households, the creation of transitional housing for homeless households permitting a minimum of six months occupancy, or the creation of permanent owner-occupied housing reserving

at least 20 percent of the units for homeless households. For purposes of this paragraph, the term “homeless households” shall have the meaning as defined by the Bank in its AHP implementation plan.

(E) *Promotion of empowerment.* The provision of housing in combination with a program offering: employment; education; training; homebuyer, homeownership or tenant counseling; daycare services; resident involvement in decisionmaking affecting the creation or operation of the project; or other services that assist residents to move toward better economic opportunities, such as welfare to work initiatives.

(F) *First District priority.* The satisfaction of one of the following criteria, or one of a number of the following criteria, as recommended by the Bank’s Advisory Council and adopted by the Bank’s board of directors and set forth in the Bank’s AHP implementation plan, as long as the total points available for meeting the criterion or criteria adopted under this category do not exceed the total points allocated to this category:

(1) *Special needs.* The creation of housing in which at least 20 percent of the units are reserved for occupancy by households with special needs, such as the elderly, mentally or physically disabled persons, persons recovering from physical abuse or alcohol or drug abuse, or persons with AIDS; or the creation of housing that is “visitable” by persons with physical disabilities who are not occupants of such housing;

(2) *Community development.* The creation of housing meeting housing needs documented as part of a community revitalization or economic development strategy approved by a unit of a state or local government;

(3) *First-time homebuyers.* The financing of housing for first-time homebuyers;

(4) *Member financial participation.* Member financial participation (excluding the pass-through of AHP subsidy) in the project, such as providing market rate or concessionary financing, fee waivers, or donations;

(5) *Disaster areas.* The financing of housing located in federally declared disaster areas;

(6) *Rural.* The financing of housing located in rural areas;

(7) *Urban.* The financing of urban infill or urban rehabilitation housing;

(8) *Economic diversity.* The creation of housing that is part of a strategy to end isolation of very low-income households by providing economic diversity through mixed-income housing in low- or moderate-income neighborhoods, or providing very low- or low- or moderate-income households with housing opportunities in neighborhoods or cities where the median income equals or exceeds the median income for the larger surrounding area—such as the city, county, or Primary Metropolitan Statistical Area—in which the neighborhood or city is located;

(9) *Fair housing remedy.* The financing of housing as part of a remedy undertaken by a jurisdiction adjudicated by a federal, state, or local court to be in violation of title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d *et seq.*), the Fair Housing Act (42 U.S.C. 3601 *et seq.*), or any other federal, state, or local fair housing law, or as part of a settlement of such claims;

(10) *Community involvement.* Demonstrated support for the project by local government, other than as a project sponsor, in the form of property tax deferment or abatement, zoning changes or variances, infrastructure improvements, fee waivers, or other similar forms of non-cash assistance, or demonstrated support for the project by community organizations or individuals, other than as project sponsors, through the commitment by such entities or individuals of donated goods and services, or volunteer labor;

Federal Housing Finance Board

§ 951.7

of this section, provided it is different from the criterion or criteria adopted by the Bank under paragraph (b)(4)(iv)(F) of this section.

(H) *AHP subsidy per unit.* The extent to which a project proposes to use the least amount of AHP subsidy per AHP-targeted unit. In the case of an application for a project financed by a subsidized advance, the total amount of AHP subsidy used by the project shall be estimated based on the Bank's cost of funds as of the date on which all applications are due for the funding period in which the application is submitted. For purposes of this scoring criterion, applications for owner-occupied projects and rental projects may be scored separately.

(I) *Community stability.* The promotion of community stability, such as by rehabilitating vacant or abandoned properties, being an integral part of a neighborhood stabilization plan approved by a unit of state or local government, and not displacing low- or moderate-income households, or if such displacement will occur, assuring that such households will be assisted to minimize the impact of such displacement.

(5) *Approval of applications—(i) Approval by Bank's board.* The board of directors of each Bank shall approve applications in descending order starting with the highest scoring application until the total funding amount for the particular funding period, except for any amount insufficient to fund the next highest scoring application, has been allocated. The board of directors also shall approve at least the next four highest scoring applications as alternates and, within one year of approval, may fund such alternates if any previously committed AHP subsidies become available.

(ii) *No delegation.* A Bank's board of directors shall not delegate to Bank of-

ficers or other Bank employees the responsibility to approve or disapprove AHP applications.

§ 951.7 Modifications of applications prior to or after project completion.

(a) *Modification procedure.* If, prior to or after final disbursement of funds to a project from all funding sources, there is or will be a change in the project that would change the score that the project application received in the funding period in which it was originally scored and approved, had the changed facts been operative at that time, a Bank, in its discretion, may approve in writing a modification to the terms of the approved application, provided that:

(1) The project, incorporating any such changes, would meet the eligibility requirements of § 951.5(b);

(2) The application, as reflective of such changes, continues to score high enough to have been approved in the funding period in which it was originally scored and approved by the Bank; and

(3) There is good cause for the modification.

(b) *Modifications involving a subsidy increase.* Modifications involving an increase in AHP subsidy shall be approved or disapproved by a Bank's board of directors. The authority to approve or disapprove such requests shall

not be delegated to Bank officers or other Bank employees.

§ 951.8 Procedure for funding.

(a) *Disbursement of subsidies to members.* (1) A Bank may disburse AHP subsidies only to institutions that are members of the Bank at the time they request a draw-down of subsidy.

(2) If an institution with an approved application for AHP subsidy fails to obtain or loses its membership in a Bank, the Bank may disburse subsidies to a member of such Bank to which the institution has transferred its obligations under the approved application, or the Bank may disburse subsidies through another Bank to a member of that Bank that has assumed the institution's obligations under the approved application.

(b) *Homeownership set-aside programs—*

(1) *Time limit on use of subsidies.* If homeownership set-aside funds are not drawn down and used by eligible households within the period of time specified by the Bank in its AHP implementation plan, the Bank shall cancel the application for funds and make the funds available for other applicants for homeownership set-aside funds or for other AHP-eligible projects.

(2) *Member certification upon disbursement.* Prior to disbursement by a Bank to a member of homeownership set-aside funds, or prior to disbursement by a member of homeownership set-aside funds repaid to and retained by such member pursuant to a subsidy reuse program authorized by the Bank under § 951.12(e)(2), the Bank shall require the member to certify that:

(i) The funds received by the member will be provided to a household meeting the eligibility requirements of § 951.5(a)(2);

(ii) If the member is providing mortgage financing to the household, the member will provide financial or other incentives in connection with such

mortgage financing, and the rate of interest, points, fees, and any other charges by the member will not exceed a reasonable market rate of interest, points, fees, and other charges for a loan of similar maturity, terms, and risk; and

(iii) Funds received by the member for homebuyer counseling costs will be provided according to the requirements of § 951.5(a)(7).

(c) *Competitive application program—*

(1) *Time limit on use of subsidies.* If AHP subsidies approved for a project under a Bank's competitive application program are not drawn down and used by the project within the period of time specified by the Bank in its AHP implementation plan, the Bank shall cancel its approval of the application for the subsidies and make the subsidies available for other AHP-eligible projects.

(2) *Compliance upon disbursement of subsidies.* A Bank shall verify prior to its initial disbursement of subsidies for an approved project, and prior to each disbursement thereafter, that the project meets the eligibility requirements of § 951.5(b) and all obligations committed to in the approved application.

(3) *Changes in approved AHP subsidy amount where a direct subsidy is used to write down prior to closing the principal amount or interest rate on a loan.* If a member is approved to receive a direct subsidy to write down prior to closing the principal amount or the interest rate on a loan to a project and the amount of subsidy required to maintain the debt service cost for the loan decreases from the amount of subsidy initially approved by the Bank due to a decrease in market interest rates between the time of approval and the time the lender commits to the interest rate to finance the project, the Bank shall reduce the subsidy amount accordingly. If market interest rates rise between the time of approval and the time the lender commits to the interest rate to finance the project, the Bank may, in its discretion, increase the subsidy amount accordingly.

(4) *AHP outlay adjustment.* If a Bank reduces the amount of AHP subsidy approved for a project, the amount of such reduction shall be returned to the Bank's AHP fund. If a Bank increases

Federal Housing Finance Board

§ 951.10

the amount of AHP subsidy approved for a project, the amount of such increase shall be drawn first from any currently uncommitted or repaid AHP subsidies and then from the Bank's required AHP contribution for the next year.

(5) *Project sponsor notification of re-use of repaid AHP direct subsidy.* Prior to disbursement by a project sponsor of AHP direct subsidy repaid to and retained by such project sponsor pursuant to a subsidy re-use program authorized by the Bank under §951.12(e)(2), the project sponsor shall provide written notice to the member and the Bank of its intent to disburse the repaid subsidy to a household satisfying the requirements of this part and the commitments in the approved AHP application.

§ 951.10 Initial monitoring requirements.

(a) *Requirements for project sponsors and owners—(1) Owner-occupied projects.* (i) During the period of construction or rehabilitation of an owner-occupied project, the project sponsor must report to the member semiannually on whether reasonable progress is being made towards completion of the project.

(ii) Where AHP subsidies are used to finance the purchase or rehabilitation of owner-occupied units, the project sponsor must maintain household income verification documentation available for review by the member or the Bank.

(2) *Rental projects.* (i) During the period of construction or rehabilitation of a rental project, the project owner must report to the member semiannually on whether reasonable progress is being made towards completion of the project.

(ii) Within the first year after project completion, the project owner must:

(A) Certify to the Bank that the services and activities committed to in the AHP application have been provided in connection with the project;

(B) Provide a list of actual tenant rents and incomes to the Bank and certify that:

(1) The tenant rents and incomes are accurate and in compliance with the rent and income targeting commitments made in the AHP application; and

(2) The project is habitable; and

(C) Maintain documentation regarding tenant rents and incomes and project habitability available for review by the Bank, to support such certifications.

(b) *Requirements for members—(1) Owner-occupied projects.* (i) During the period of construction or rehabilitation of an owner-occupied project, the member must take the steps necessary to determine whether reasonable progress is being made towards completion of the project and must report to the Bank semiannually on the status of the project.

(ii) Within one year after disbursement to a project of all approved AHP subsidies, or in the case of a re-use of repaid AHP direct subsidy pursuant to §951.12(e)(2), within 60 days after receipt of a notice of disbursement of such repaid subsidy provided by a project sponsor pursuant to §951.8(c)(5), the member must review the project documentation and certify to the Bank that:

(A) The AHP subsidies have been used according to the commitments made in the AHP application; and

(B) The AHP-assisted units are subject to deed restrictions or other legally enforceable retention agreements or mechanisms meeting the requirements of §951.13(c)(4) or (d)(1);

(2) *Rental projects.* During the period of construction or rehabilitation of a rental project, the member must take the steps necessary to determine whether reasonable progress is being made towards completion of the project and must report to the Bank semiannually on the status of the project.

(c) *Requirements for Banks—(1) Owner-occupied projects.* Each Bank must take the steps necessary to determine, based

§ 951.11

12 CFR Ch. IX (1–1–03 Edition)

on a review of the documentation for a sample of projects and units within one year of receiving the member certifications described in paragraph (b)(1)(ii) of this section, or, in the case of a re-use of repaid AHP direct subsidy pursuant to § 951.12(e)(2), based on a review of the documentation for the re-use upon receipt of the member certification for such re-use described in paragraph (b)(1)(ii) of this section, that:

(i) The incomes of the households that own the AHP-assisted units did not exceed the levels committed to in the AHP application at the time the households were qualified by the sponsor to participate in the project;

(ii) The AHP subsidies were used for eligible purposes, the project's actual costs were reasonable and customary in accordance with the Bank's project feasibility guidelines, and the subsidies were necessary for the financial feasibility of the project, as currently structured; and

(iii) The AHP-assisted units are subject to deed restrictions or other legally enforceable retention agreements or mechanisms meeting the requirements of § 951.13(c)(4) or (d)(1).

(2) *Rental projects.* Each Bank must take the steps necessary to determine that, based on a review of the documentation described in paragraph (a)(2)(ii) of this section within one year and 120 days after completion of a rental project:

(i) The services and activities committed to in the AHP application have been provided in connection with the project; and

(ii) The AHP subsidies were used for eligible purposes, the project's actual costs were reasonable and customary in accordance with the Bank's project feasibility guidelines, and the subsidies were necessary for the financial feasibility of the project, as currently structured.

(d) *Annual adjustment of targeting commitments.* For purposes of determining compliance with the targeting commitments in an AHP application, such commitments shall be considered to adjust annually according to the current applicable median income data. A rental unit may continue to count toward meeting the targeting commitment of an approved AHP application

as long as the rent charged remains affordable, as defined in § 951.1, for the household occupying the unit.

§ 951.11 Long-term monitoring requirements.

(a) *Rental projects.* For purposes of monitoring a rental project, Banks, members, and project owners shall carry out their long-term monitoring obligations pursuant to one of the three methods set forth in this paragraph (a).

(1) *Reliance on monitoring by a federal, state or local government entity.* For those projects that receive funds from, or are allocated federal Low-Income Housing Tax Credits by, a federal, state, or local government entity, a Bank may rely on the monitoring by such entity if:

(i) The income targeting requirements, the rent requirements, and the retention period monitored by such entity for purposes of its own program are the same as, or more restrictive than, those committed to in the AHP application;

(ii) The entity agrees to inform the Bank of instances where tenant rents or incomes are found to be in non-compliance with the requirements being monitored by the entity or where the project is not habitable; and

(iii) The entity has demonstrated and continues to demonstrate to the Bank its ability to carry out monitoring under its own program, and the Bank does not have information that such monitoring is not occurring or is inadequate.

(2) *Reliance on monitoring of AHP application commitments by a contractor.* For those projects that receive funds from, or are allocated federal Low-Income Housing Tax Credits by, a federal, state, or local government entity that monitors for income targeting requirements, rent requirements, or retention periods under its own program

Federal Housing Finance Board

§ 951.11

that are less restrictive than those committed to in the project's AHP application, a Bank, in its discretion, may rely on the monitoring by such entity if:

(i) The entity agrees to monitor the income targeting requirements, the rent requirements, and the retention period committed to in the AHP application;

(ii) The entity agrees to inform the Bank of instances where tenant rents or incomes are found to be in non-compliance with the requirements committed to in the AHP application or where the project is not habitable; and

(iii) The entity has demonstrated and continues to demonstrate to the Bank its ability to carry out such monitoring, and the Bank does not have information that such monitoring is not occurring or is inadequate.

(3) *Long-term monitoring by the Banks, members, and project owners.* In cases where a Bank does not rely on monitoring by a federal, state, or local government entity pursuant to paragraphs (a)(1) or (a)(2) of this section, the Bank, members, and project owners shall monitor rental projects according to the requirements in this paragraph (a)(3).

(i) *Requirements for project owners.* In the second year after completion of a rental project and annually thereafter until the end of the project's retention period, the project owner must:

(A) Certify to the Bank that:

(1) The tenant rents and incomes are in compliance with the rent and income targeting commitments made in the AHP application; and

(2) The project is habitable; and

(B) Maintain documentation regarding tenant rents and incomes and project habitability available for review by the Bank, to support such certifications.

(ii) *Requirements for members.* For rental projects receiving \$500,000 or less in AHP subsidy from a member, during the period from the second year after project completion to the end of the project's retention period, the member must certify to the Bank at least once every three years, based on an exterior visual inspection, that the project appears to be suitable for occupancy.

(iii) *Requirements for Banks—(A) Certifications received by the Bank.* Each Bank shall review certifications provided by project owners and members regarding tenant rents and incomes and project habitability.

(B) *Review of project documentation.* Each Bank shall review documentation maintained by the project owner regarding tenant rents and incomes and project habitability to verify compliance with the rent and income targeting commitments in the AHP application and project habitability, according to the following schedule:

(1) *\$50,001 to \$250,000.* For projects receiving \$50,001 to \$250,000 of AHP subsidies, the Bank must review project documentation for a sample of the project's units at least once every six years;

(2) *\$250,001 to \$500,000.* For projects receiving \$250,001 to \$500,000 of AHP subsidies, the Bank must review project documentation for a sample of the project's units at least once every four years; and

(3) *Over \$500,000.* For projects receiving over \$500,000 of AHP subsidies, the Bank must perform an on-site review of project documentation for a sample of the project's units at least once every two years.

(C) *Sampling plan.* A Bank may use a reasonable sampling plan to select the projects monitored each year and to review the project documentation supporting the certifications made by members and project owners.

(iv) *Monitoring by a contractor.* A Bank, in its discretion, may contract with a third party to carry out the Bank's monitoring obligations set forth in paragraph (a)(3)(iii) of this section.

(b) *Annual adjustment of targeting commitments.* For purposes of determining compliance with the targeting commitments in an AHP application, such commitments shall be considered to adjust annually according to the current applicable median income data. A rental unit may continue to count toward meeting the targeting commitment of an approved AHP application

as long as the rent charged remains affordable, as defined in § 951.1, for the household occupying the unit.

§ 951.12 Remedial actions for non-compliance.

(a) *Repayment of subsidies by members*—(1) *Noncompliance by member.* A member shall repay to the Bank the amount of any subsidies (plus interest, if appropriate) that, as a result of the member's actions or omissions, is not used in compliance with the terms of the application for the subsidy, as approved by the Bank, and the requirements of this part, unless:

(i) The member cures the noncompliance within a reasonable period of time; or

(ii) The circumstances of noncompliance are eliminated through a modification of the terms of the application for the subsidy pursuant to § 951.7.

(2) *Noncompliance by project sponsors or owners*—(i) *Duty to recover subsidies.* A member shall recover from the sponsor of an owner-occupied project or the owner of a rental project and repay to the Bank the amount of any subsidies (plus interest, if appropriate) that, as a result of the sponsor's or owner's actions or omissions, is not used in compliance with the terms of the application for the subsidy, as approved by the Bank, and the requirements of this part, unless:

(A) The sponsor or owner cures the noncompliance within a reasonable period of time; or

(B) The circumstances of noncompliance are eliminated through a modification of the terms of the application for the subsidy pursuant to § 951.7.

(ii) *Limitation on duty to recover subsidies.* The member shall not be liable to the Bank for the return of amounts that cannot be recovered from the project sponsor or owner through reasonable collection efforts by the member.

(b) *Repayment of subsidies by project sponsors or owners.* A sponsor of an

owner-occupied project and the owner of a rental project shall repay to the member the amount of any subsidies (plus interest, if appropriate) that, as a result of the sponsor's or owner's actions or omissions, is not used in compliance with the terms of the application for the subsidy, as approved by the Bank, and the requirements of this part, unless:

(1) The sponsor or owner cures the noncompliance within a reasonable period of time; or

(2) The circumstances of noncompliance are eliminated through a modification of the terms of the application for the subsidy pursuant to § 951.7.

(c) *Requirements for Banks*—(1) *Duty to recover subsidies.* A Bank shall recover from a member:

(i) The amount of any subsidies (plus interest, if appropriate) that, as a result of the member's actions or omissions, is not used in compliance with the terms of the application for the subsidy, as approved by the Bank, and the requirements of this part; and

(ii) The amount of any subsidies recovered by a member from the sponsor of an owner-occupied project or the owner of a rental project pursuant to the requirements of paragraph (a)(2) of this section.

(2) *Settlements.* A Bank may enter into an agreement or other arrangement with a member for the purpose of settling claims against the member for repayment of subsidies. If a Bank enters into a settlement that results in the return of a sum that is less than the full amount of any AHP subsidy that is not used in compliance with the terms of the application for the subsidy, as approved by the Bank, and the requirements of this part, the Bank may be required by the Finance Board to reimburse its AHP fund in the amount of any shortfall under paragraph (c)(3) of this section, unless:

(i) The Bank has sufficient documentation showing that the sum agreed to be repaid under the settlement is reasonably justified, based on the facts and circumstances of the noncompliance (including the degree of culpability of the noncomplying parties and the extent of the Bank's recovery efforts); or

(ii) The Bank obtains a determination from the Board of Directors that the sum agreed to be repaid under the settlement is reasonably justified, based on the facts and circumstances of the noncompliance (including the degree of culpability of the noncomplying parties and the extent of the Bank's recovery efforts).

(3) *Reimbursement of AHP fund.* The Finance Board may order a Bank to reimburse its AHP fund in an appropriate amount upon determining that:

(i) As a result of the Bank's actions or omissions, AHP subsidy is not used in compliance with the terms of the application for the subsidy, as approved by the Bank, and the requirements of this part; or

(ii) The Bank has failed to recover AHP subsidy from a member pursuant to the requirements of paragraph (c)(1) of this section, and has not shown such failure is reasonably justified, considering factors such as the extent of the Bank's recovery efforts.

(d) *Parties to enforcement proceedings.* A Bank, in its AHP implementation plan, may provide for a member, project sponsor, or project owner to enter into a written agreement with a Bank under which such member, sponsor, or owner consents to be a party to any enforcement proceeding initiated by the Finance Board regarding the repayment of AHP subsidies received by such member, sponsor, or owner, or the suspension or debarment of such parties, provided that the member, sponsor, or owner has agreed to be bound by the Finance Board's final determination in the enforcement proceeding.

(e) *Use of repaid subsidies—(1) Use of repaid AHP subsidies in other AHP-eligible projects.* Except as provided in paragraph (e)(2) of this section, amounts of AHP subsidy, including any interest, repaid to a Bank pursuant to this part shall be made available by the Bank for other AHP-eligible projects.

(2) *Re-use of repaid AHP direct subsidies in same project.* AHP direct subsidy, including any interest, repaid to a member or project sponsor under a homeownership set-aside program or the competitive application program, respectively, may be repaid by such parties to the Bank for subsequent disbursement to and re-use by such par-

ties, or retained by such parties for subsequent re-use, as authorized by the Bank, in its discretion, in its AHP implementation plan, provided all of the following requirements are satisfied:

(i) The member or the project sponsor originally provided the direct subsidy as downpayment, closing cost, rehabilitation or interest rate buydown assistance to an eligible household to purchase or rehabilitate an owner-occupied unit pursuant to an approved AHP application;

(ii) The AHP direct subsidy, including any interest, was repaid to the member or project sponsor as a result of a sale by the household of the unit prior to the end of the retention period to a purchaser that is not a low-or moderate-income household; and

(iii) The repaid AHP direct subsidy is made available by the member or project sponsor, within the period of time specified by the Bank in its AHP implementation plan, to another AHP-eligible household to purchase or rehabilitate an owner-occupied unit in the same project in accordance with the terms of the approved AHP application.

(f) *Suspension and debarment—(1) At a Bank's initiative.* A Bank may suspend or debar a member, project sponsor, or owner from participation in the Program if such party shows a pattern of noncompliance, or engages in a single instance of flagrant noncompliance, with the terms of an application for AHP subsidy or the requirements of this part.

(2) *At the Finance Board's initiative.* The Finance Board may order a Bank to suspend or debar a member, project sponsor, or owner from participation in the Program if such party shows a pattern of noncompliance, or engages in a single instance of flagrant noncompliance, with the terms of an application for AHP subsidy or the requirements of this part.

(g) *Transfer of Program administration.* Without limitation on other remedies, the Finance Board, upon determining that a Bank has engaged in mismanagement of its Program, may designate another Bank to administer all or a portion of the first Bank's annual AHP contribution, for the benefit of the first Bank's members, under such

terms and conditions as the Finance Board may prescribe.

(h) *Finance Board actions under this section.* Except as provided in paragraph (c)(2)(ii) of this section, actions taken by the Finance Board pursuant to this section shall be subject to the Finance Board's procedures for review of disputed supervisory determinations set forth in § 907.9 of this chapter.

(2) *Use of subsidy—(i) Use of subsidy by the member.* The member shall use the AHP subsidy in accordance with the terms of the member's application for the subsidy, as approved by the Bank, and the requirements of this part.

(ii) *Use of subsidy by the project sponsor or owner.* The member shall have in place an agreement with the sponsor of an owner-occupied project and each owner of a rental project in which the sponsor or owner agrees to use the AHP subsidy in accordance with the terms of the member's application for the subsidy, as approved by the Bank, and the requirements of this part.

(3) *Repayment of subsidies in case of noncompliance—(i) Noncompliance by the member.* The member shall repay subsidies to the Bank in accordance with the requirements of § 951.12(a)(1).

Subject to the requirements of part 980 of this chapter, each Bank may hold assets acquired from or through

§955.3

Bank System members or housing associates by means of either a purchase or a funding transaction (AMA), subject to each of the following requirements:

(a) *Loan type requirement.* The assets are either:

(1) Whole loans that are eligible to secure advances under §§950.7(a)(1)(i), (a)(2)(ii), (a)(4), or (b)(1) of this chapter, excluding:

(i) Single-family mortgages where the loan amount exceeds the limits established pursuant to 12 U.S.C. 1717(b)(2); and

(ii) Loans made to an entity, or secured by property, not located in a state;

(2) Whole loans secured by manufactured housing, regardless of whether such housing qualifies as residential real property; or

(3) State and local housing finance agency bonds;

(b) *Member or housing associate nexus requirement.* The assets are:

(1) Either:

(i) Originated or issued by, through, or on behalf of a Bank System member or housing associate, or an affiliate thereof; or

(ii) Held for a valid business purpose by a Bank System member or housing associate, or an affiliate thereof, prior to acquisition by a Bank; and

(2) Acquired either:

(i) From a member or housing associate of the acquiring Bank;

(ii) From a member or housing associate of another Bank, pursuant to an arrangement with that Bank, which, in the case of state and local finance agency bonds only, may be reached in accordance with the following process:

(A) The housing finance agency shall first offer the Bank in whose district the agency is located (local Bank) a right of first refusal to purchase, or negotiate the terms of, its proposed bond offering;

(B) If the local Bank indicates, within a three day period, that it will negotiate in good faith to purchase the bonds, the agency may not offer to sell or negotiate the terms of a purchase with another Bank; and

(C) If the local Bank declines the offer, or has failed to respond within the three day period, the acquiring

(iii) From another Bank; and

(c) *Credit risk-sharing requirement.* The transactions through which the Bank acquires the assets either:

(1) Meet the credit risk-sharing requirements of §955.3 of this part; or

(2) Were authorized by the Finance Board under section II.B.12 of the FMP and are within any total dollar cap established by the Finance Board at the time of such authorization.

§955.3 Required credit risk-sharing structure.

(a) *Determination of necessary credit enhancement.* At the earlier of 270 days from the date of the Bank's acquisition of the first loan in a pool, or the date at which the amount of a pool's assets reaches \$100 million, a Bank shall determine the total credit enhancement necessary to enhance the asset or pool of assets to a credit quality that is equivalent to that of an instrument having at least the fourth highest credit rating from an NRSRO, or such higher credit rating as the Bank may require. The Bank shall make this determination for each AMA product using a methodology that is confirmed in writing by an NRSRO to be comparable to a methodology that the NRSRO would use in determining credit enhancement levels when conducting a rating review of the asset or pool of assets in a securitization transaction.

(b) *Credit risk-sharing structure.* A Bank acquiring AMA shall implement, and have in place at all times, a credit risk-sharing structure for each AMA product under which a member or housing associate of the Bank or, with the approval of both Banks, a member or housing associate of another Bank, provides a sufficient credit enhancement from the first dollar of credit loss for each asset or pool of assets such that the acquiring Bank's exposure to credit risk for the life of the asset or pool of assets is no greater than that of an asset rated in the fourth highest credit rating category, as determined

Federal Housing Finance Board

§ 955.4

pursuant to paragraph (a) of this section, or such higher rating as the acquiring Bank may require. This credit enhancement structure shall meet the following requirements:

(1) A portion of the credit enhancement may be provided by:

(i) Contracting with an insurance affiliate of that member or housing associate to provide an enhancement or undertaking against losses to the Bank, but only where such insurance is positioned in the credit enhancement structure so as to cover only losses remaining after the member or housing associate has borne losses as required under paragraph (b)(2) of this section;

(ii) Purchasing loan-level insurance, which may include United States government insurance or guarantee, but only where:

(A) The member or housing associate is legally obligated at all times to maintain such insurance with an insurer rated not lower than the second highest credit rating category; and

(B) Such insurance is positioned in the credit enhancement structure so as to cover only losses remaining after the member or housing associate has borne losses as required under paragraph (b)(2) of this section;

(iii) Purchasing pool-level insurance, but only where such insurance:

(A) Insures that portion of the required credit enhancement attributable to the geographic concentration and size of the pool; and

(B) Is positioned last in the credit enhancement structure so as to cover only those losses remaining after all other elements of the credit enhancement structure have been exhausted; or

(iv) Contracting with another member or housing associate in the Bank's district or in another Bank's district, pursuant to an arrangement with that Bank, to provide an enhancement or undertaking against losses to the Bank in return for some compensation;

(2) The member or housing associate that is providing the credit enhancement required under paragraph (b)(1) of this section shall in all cases bear the direct economic consequences of actual credit losses on the asset or pool of assets:

(i) From the first dollar of loss up to the amount of expected losses; or

(ii) Immediately following expected losses, but in an amount equal to or exceeding the amount of expected losses;

(3) The portion of the credit enhancement that is an obligation of a Bank System member or housing associate shall be fully secured; and

(4) The Bank shall obtain written verification from an NRSRO that concludes to the satisfaction of the Finance Board, based on the underlying economic terms of the credit enhancement structure as represented by the Bank for each AMA product, that either:

(i) The level of credit enhancement provided by the member or housing associate is generally sufficient to enhance the asset or pool of assets to a credit quality that is equivalent to that of an instrument having the fourth highest credit rating from an NRSRO, or such higher rating as the Bank may require; or

(ii) The methodology used by the Bank for estimating the level of credit enhancement provided by the member or housing associate is in accordance with the practices established by the NRSRO.

(c) *Timing of NRSRO opinions.* For AMA programs already in operation at the time of the effective date of this rule, a Bank shall have 90 days from the effective date of this rule to obtain the NRSRO verifications required under paragraphs (a) and (b)(4) of this section.

(c) *Additional Reports.* The Finance Board may at any time require a Bank to submit reports in addition to those required under paragraph (b) of this section.

§ 955.5 Administrative and investment transactions between Banks.

(a) *Delegation of administrative duties.* A Bank may delegate the administration of an AMA program to another Bank whose administrative office has been examined and approved by the Finance Board to process AMA transactions. The existence of such a delegation, or the possibility that such a delegation may be made, must be dis-

closed to any potential participating member or housing associate as part of any AMA-related agreements are signed with that member or housing associate.

(b) *Terminability of Agreements.* Any agreement made between two or more Banks in connection with any AMA program shall be made terminable by either party after a reasonable notice period.

(c) *Delegation of Pricing Authority.* A Bank that has delegated its AMA pricing function to another Bank shall retain a right to refuse to acquire AMA at prices it does not consider appropriate.

§ 955.6 Risk-based capital requirement for acquired member assets.

(a) *General.* Each Bank shall hold retained earnings plus general allowance for losses as support for the credit risk of all AMA estimated by the Bank to represent a credit risk that is greater than that of comparable instruments that have received the second highest credit rating from an NRSRO in an amount equal to or greater than the outstanding balance of the assets or pools of assets times a factor associated with the putative credit rating of the assets or pools of assets as determined by the Finance Board on a case-by-case basis. For single-family mortgage assets, the factors are as set forth in Table 1 of this part.

TABLE 1

Putative rating of single-family mortgage assets	Percentage applicable to on-balance sheet equivalent value of AMA

Fourth Highest Investment Grade	1.50
If Downgraded to Below Investment Grade After Acquisition By Bank:

(b) *Recalculation of credit enhancement.* For risk-based capital purposes, each Bank shall recalculate the estimated credit rating of a pool of AMA if there is evidence that a decline in the credit quality of that pool may have occurred.

(3) If the Finance Board determines that the assets of a non-complying Bank are insufficient to satisfy all of its direct obligations as set forth in paragraph (e)(1) of this section, then the Finance Board may allocate the outstanding liability among the remaining Banks on a *pro rata* basis in proportion to each Bank's participation in all consolidated obligations outstanding as of the end of the most recent month for which the Finance Board has data, or otherwise as the Finance Board may prescribe.

(f) *Reservation of authority.* Nothing in this section shall affect the Finance Board's authority to adjust equities between the Banks in a manner different than the manner described in paragraph (e) of this section, or to take enforcement or other action against any Bank pursuant to the Finance Board's authority under the Act or otherwise to supervise the Banks and ensure that they are operated in a safe and sound manner.

APPENDIX A TO PART 985—EXCEPTIONS TO THE GENERAL DISCLOSURE STANDARDS

A. Related-party transactions. Item 404 of Regulation S-K, 17 CFR 229.404, requires the disclosure of certain relationships and related party transactions. In light of the cooperative nature of the Bank System, related-party transactions are to be expected, and a disclosure of all related-party transactions that meet the threshold would not be meaningful. Instead, the combined annual report will disclose the percent of advances to members an officer of which serves as a Bank director, and list the top ten holders of advances in the Bank System and the top

five holders of advances by Bank, with a further disclosure indicating which of these members had an officer that served as a Bank director.

B. Biographical information. The biographical information required by Items 401 and 405 of Regulation S-K, 17 CFR 229.401 and 405, will be provided only for the members of the Board of Directors of the Finance Board, Bank presidents, chairs and vice chairs, and the directors and Managing Director of the OF.

C. Compensation. The information on compensation required by Item 402 of Regulation S-K, 17 CFR 229.402, will be provided only for Bank presidents and the Managing Director of the OF. Since stock in each Bank trades at par, the Office of Finance will not include the performance graph specified in Item 402(1) of Regulation S-K, 17 CFR 229.402(1).

D. Submission of matters to a vote of stockholders. No information will be presented on matters submitted to shareholders for a vote, as otherwise required by Item 4 of the SEC's form 10-K, 17 CFR 249.310. The only item shareholders vote upon is the annual election of directors.

E. Exhibits. The exhibits required by Item 601 of Regulation S-K, 17 CFR 229.601, are not applicable and will not be provided.

F. Per share information. The statement of financial information required by Items 301 and 302 of Rule S-K, 17 CFR 229.301 and 302, is inapplicable because the shares of the Banks are subscription capital that trades at par, and the shares expand or contract with changes in member assets or advance levels.

G. Beneficial ownership. Item 403 of Rule S-K, 17 CFR 229.403, requires the disclosure of security ownership of certain beneficial owners and management. The combined financial report will provide a listing of the ten largest holders of capital stock in the Bank System and a listing of the five largest holders of capital stock by Bank. This listing will also indicate which members had an officer that served as a director of a Bank.

(1) A Person that is registered as a "clearing agency" under the Federal securities laws; a Federal Reserve Bank; any other person that provides clearance or settlement services with respect to a Book-entry consolidated obligation that would require it to register as a clearing agency under the Federal securities laws but for an exclusion or exemption from the registration requirement, if its activities as a clearing corporation, including promulgation of rules, are subject to regulation by a Federal or State governmental authority; or

(2) A Person (other than an individual, unless such individual is registered as a broker or dealer under the Federal securities laws) including a bank or broker, that in the ordinary course of its business maintains securities accounts for others and is acting in that capacity.

§ 987.2 Law governing rights and obligations of Banks, Finance Board, Office of Finance, United States and Federal Reserve Banks; rights of any Person against Banks, Finance Board, Office of Finance, United States and Federal Reserve Banks.

(a) Except as provided in paragraph (b) of this section, the rights and obligations of the Banks, the Finance Board, the Office of Finance, the United States and the Federal Reserve Banks with respect to: A Book-entry consolidated obligation or Security Entitlement and the operation of the Book-entry system, as it applies to consolidated obligations; and the rights of any Person, including a Participant, against the Banks, the Finance Board, the Office of Finance, the United States and the Federal Reserve Banks with respect to: A Book-entry consolidated obligation or Security Entitlement and the operation of the Book-entry system, as it applies to consolidated obligations; are governed solely by regulations of the Finance Board, including the regulations of this part 987, the applicable offering notice, applicable procedures established by the Office of Finance, and Federal Reserve Bank Operating Circulars.

(b) A security interest in a Security Entitlement that is in favor of a Federal Reserve Bank from a Participant and that is not recorded on the books of a Federal Reserve Bank pursuant to § 987.4(c)(1), is governed by the law (not including the conflict-of-law rules) of the jurisdiction where the head office of the Federal Reserve Bank maintaining the Participant's Securities Account is located. A security interest in a Security Entitlement that is in favor of a Federal Reserve Bank from a Person that is not a Participant, and that

is not recorded on the books of a Federal Reserve Bank pursuant to § 987.4(c)(1), is governed by the law determined in the manner specified in § 987.3.

(c) If the jurisdiction specified in the first sentence of paragraph (b) of this section is a State that has not adopted Revised Article 8, then the law specified in the first sentence of paragraph (b) of this section shall be the law of that State as though Revised Article 8 had been adopted by that State.

[63 FR 8059, Feb. 18, 1998, as amended at 65 FR 8268, Feb. 18, 2000]

§ 987.3 Law governing other interests.

(a) To the extent not inconsistent with this part 987, the law (not including the conflict-of-law rules) of a Securities Intermediary's jurisdiction governs:

(1) The acquisition of a Security Entitlement from the Securities Intermediary;

(2) The rights and duties of the Securities Intermediary and Entitlement Holder arising out of a Security Entitlement;

(3) Whether the Securities Intermediary owes any duties to an adverse claimant to a Security Entitlement;

(4) Whether an Adverse Claim can be asserted against a Person who acquires a Security Entitlement from the Securities Intermediary or a Person who purchases a Security Entitlement or interest therein from an Entitlement Holder; and

(5) Except as otherwise provided in paragraph (c) of this section, the perfection, effect of perfection or non-perfection, and priority of a security interest in a Security Entitlement.

(b) The following rules determine a "Securities Intermediary's jurisdiction" for purposes of this section:

(1) If an agreement between the Securities Intermediary and its Entitlement Holder specifies that it is governed by the law of a particular jurisdiction, that jurisdiction is the Securities Intermediary's jurisdiction.

(2) If an agreement between the Securities Intermediary and its Entitlement Holder does not specify the governing law as provided in paragraph (b)(1) of this section, but expressly specifies that the securities account is

maintained at an office in a particular jurisdiction, that jurisdiction is the Securities Intermediary's jurisdiction.

(3) If an agreement between the Securities Intermediary and its Entitlement Holder does not specify a jurisdiction as provided in paragraph (b)(1) or (b)(2) of this section, the Securities Intermediary's jurisdiction is the jurisdiction in which is located the office identified in an account statement as the office serving the Entitlement Holder's account.

(4) If an agreement between the Securities Intermediary and its Entitlement Holder does not specify a jurisdiction as provided in paragraph (b)(1) or (b)(2) of this section and an account statement does not identify an office serving the Entitlement Holder's account as provided in paragraph (b)(3) of this section, the Securities Intermediary's jurisdiction is the jurisdiction in which is located the chief executive office of the Securities Intermediary.

(c) Notwithstanding the general rule in paragraph (a)(5) of this section, the law (but not the conflict-of-law rules) of the jurisdiction in which the Person creating a security interest is located governs whether and how the security interest may be perfected automatically or by filing a financing statement.

(d) If the jurisdiction specified in paragraph (b) of this section is a State that has not adopted Revised Article 8, then the law for the matters specified in paragraph (a) of this section shall be the law of that State as though Revised Article 8 had been adopted by that State. For purposes of the application of the matters specified in paragraph (a) of this section, the Federal Reserve Bank maintaining the Securities Account is a clearing corporation, and the Participant's interest in a Bank Book-entry Security is a Security Entitlement.

[63 FR 8059, Feb. 18, 1998, as amended at 65 FR 8268, Feb. 18, 2000]

§987.4 Creation of Participant's Security Entitlement; security interests.

(a) A Participant's Security Entitlement is created when a Federal Reserve Bank indicates by book entry that a Book-entry consolidated obliga-

tion has been credited to a Participant's Securities Account.

(b) A security interest in a Security Entitlement of a Participant in favor of the United States to secure deposits of public money, including, without limitation, deposits to the Treasury tax and loan accounts, or other security interest in favor of the United States that is required by Federal statute, regulation, or agreement, and that is marked on the books of a Federal Reserve Bank is thereby effected and perfected, and has priority over any other interest in the Securities. Where a security interest in favor of the United States in a Security Entitlement of a Participant is marked on the books of a Federal Reserve Bank, such Federal Reserve Bank may rely, and is protected in relying, exclusively on the order of an authorized representative of the United States directing the transfer of the Security. For purposes of this paragraph (b), an "authorized representative of the United States" is the official designated in the applicable regulations or agreement to which a Federal Reserve Bank is a party, governing the security interest.

(c)(1) The Banks, the Finance Board, the Office of Finance, the United States and the Federal Reserve Banks have no obligation to agree to act on behalf of any Person or to recognize the interest of any transferee of a security interest or other limited interest in a Security Entitlement in favor of any Person except to the extent of any specific requirement of Federal law or regulation or to the extent set forth in any specific agreement with the Federal Reserve Bank on whose books the interest of the Participant is recorded. To the extent required by such law or regulation or set forth in an agreement with a Federal Reserve Bank, or the Federal Reserve Bank Operating Circular, a security interest in a Security Entitlement that is in favor of a Federal Reserve Bank or a Person may be created and perfected by a Federal Reserve Bank marking its books to record the security interest. Except as provided in paragraph (b) of this section, a security interest in a Security Entitlement marked on the books of a Federal Reserve Bank shall have priority over any other interest in the Securities.

Federal Housing Finance Board

§ 987.6

(2) In addition to the method provided in paragraph (c)(1) of this section, a security interest in a Security Entitlement, including a security interest in favor of a Federal Reserve Bank, may be perfected by any method by which a security interest may be perfected under applicable law as described in § 987.2(b) or § 987.3. The perfection, effect of perfection or non-perfection, and priority of a security interest are governed by that applicable law. A security interest in favor of a Federal Reserve Bank shall be treated as a security interest in favor of a clearing corporation in all respects under that law, including with respect to the effect of perfection and priority of the security interest. A Federal Reserve Bank Operating Circular shall be treated as a rule adopted by a clearing corporation for such purposes.

[63 FR 8059, Feb. 18, 1998, as amended at 65 FR 8268, Feb. 18, 2000]

§ 987.5 Obligations of the Banks and the Office of Finance; no Adverse Claims.

(a) Except in the case of a security interest in favor of the United States or a Federal Reserve Bank or otherwise as provided in § 987.4(c)(1), for the purposes of this part 987, the Banks, the Office of Finance and the Federal Reserve Banks shall treat the Participant to whose Securities Account an interest in a Book-entry consolidated obligations has been credited as the person exclusively entitled to issue a Transfer Message, to receive interest and other payments with respect thereof and otherwise to exercise all the rights and powers with respect to the Security, notwithstanding any information or notice to the contrary. Neither the Banks, the Finance Board, the Office of Finance, the United States, nor the Federal Reserve Banks are liable to a Person asserting or having an Adverse Claim to a Security Entitlement or to Book-entry consolidated obligations in a Participant's Securities Account, including any such claim arising as a result of the transfer or disposition of a Book-entry consolidated obligation by a Federal Reserve Bank pursuant to a Transfer Message that the Federal Reserve Bank reasonably believes to be genuine.

(b) The obligation of the Banks and the Office of Finance to make payments of interest and principal with respect to Book-entry consolidated obligations is discharged at the time payment in the appropriate amount is made as follows:

997.1 Definitions.

997.2 Reduction of the payment term.

997.3 Extension of the payment term.

997.4 Calculation of the quarterly present-value determination.

997.5 Termination of the obligation.

AUTHORITY: 12 U.S.C. 1422b(a) and 1441b(f).

SOURCE: 65 FR 17438, Apr. 3, 2000, unless otherwise noted.

§ 997.1 Definitions.

As used in this part:

Actual quarterly payment means the quarterly amount paid by the Banks to fulfill the Banks' obligation to pay toward interest owed on bonds issued by the REFCORP. The amount will equal the aggregate of 20 percent of the quarterly net earnings of each Bank, or such other amount assessed in accordance with the Act and the regulations adopted thereunder.

Benchmark quarterly payment means \$75 million, or such amount that may result from adjustments required by calculations made in accordance with §§ 997.2 and 997.3.

Current benchmark quarterly payment means the benchmark quarterly payment that corresponds to the date of the actual quarterly payment.

Deficit quarterly payment means the amount by which the actual quarterly payment falls short of the current benchmark quarterly payment.

Estimated interest rate means the interest rate provided to the Finance Board by the Department of the Treasury on a zero-coupon Treasury bond, the maturity of which is the same as the date of the benchmark quarterly payment that is being defeased, or if no bond matures on that date, then is the

§ 997.2

date closest to the date of the payment being defeased.

Excess quarterly payment means the amount by which the actual quarterly payment exceeds the current benchmark quarterly payment.

Quarterly present-value determination means the quarterly calculation that will determine the extent to which an excess quarterly payment or deficit quarterly payment alters the term of the Banks' obligation to the REFCORP. This determination will fulfill the requirements of 21B(f)(2)(C)(ii) of the Act (12 U.S.C 1441b(f)(2)(C)(ii), as amended by Pub. L. 106-102, sec. 607, 113 Stat.1456-57.

[65 FR 17438, Apr. 3, 2000, as amended at 67 FR 12856, Mar. 20, 2002]

§ 997.2 Reduction of the payment term.

(a) *Generally.* The Finance Board shall shorten the term of the obligation of the Banks to make payments toward the interest owed on bonds issued by the REFCORP for each quarter in which there is an excess quarterly payment.

(b) *Excess quarterly payment.* Where there is an excess quarterly payment, the quarterly present-value determination shall be as follows:

(1) The future value of the excess quarterly payment shall be calculated using the estimated interest rate corresponding to the last non-defeased benchmark quarterly payment.

(2) The future value calculated in paragraph (b)(1) of this section shall be subtracted from the amount of the last non-defeased quarterly benchmark payment.

(3) If the difference resulting from the calculation in paragraph (b)(2) of this section is greater than zero, then the last non-defeased quarterly benchmark payment is reduced by the future value of the excess quarterly payment.

(4) If the difference resulting from the calculation in paragraph (b)(2) of this section is less than zero, then the last non-defeased quarterly benchmark payment shall be defeased and the payment term shall be shortened.

(5) The amount of the excess quarterly payment that has not already been applied to defeasing the payment under paragraph (b)(4) of this section shall be applied toward defeasing the

12 CFR Ch. IX (1-1-03 Edition)

last non-defeased quarterly benchmark payment using the applicable estimated interest rate.

§ 997.3 Extension of the payment term.

(a) *Generally.* The Finance Board will extend the term of the obligation of the Banks to make payments toward interest owed on bonds issued by the REFCORP for each calendar quarter in which there is a deficit quarterly payment.

(b) *Deficit quarterly payment.* Where there is a deficit quarterly payment, the quarterly present-value determination shall be as follows:

(1) The future value of the deficit quarterly payment shall be calculated using the estimated interest rate corresponding to the last non-defeased benchmark quarterly payment, or to the first quarter thereafter if the last non-defeased benchmark quarterly payment already equals \$75 million.

(2) The future value calculated in paragraph (b)(1) of this section shall be added to the amount of the last non-defeased quarterly benchmark payment if that sum is \$75 million or less.

(3) If the sum calculated in paragraph (b)(2) of this section exceeds \$75 million, the last non-defeased quarterly benchmark payment will become \$75 million, and the quarterly benchmark payment term will be extended.

(4) The extended payment will equal the future value of the amount of the deficit quarterly payment that has not already been applied to raising the quarterly benchmark payment to \$75 million under paragraph (b)(3) of this section, using the estimated interest rate corresponding to the date of the extended benchmark quarterly payment.

(c) *Term beyond maturity.* The benchmark quarterly payment term may be extended beyond April 15, 2030, if such extension is necessary to ensure that the value of the aggregate amounts paid by the Banks exactly equals the present value of an annuity of \$300 million per year that commences on the date on which the first obligation of the REFCORP was issued and ends on April 15, 2030.

Federal Housing Finance Board

§ 997.5

§ 997.4 Calculation of the quarterly present-value determination.

(a) *Applicable interest rates.* The Finance Board shall obtain from the Department of the Treasury the applicable estimated interest rates and provide those rates to the REFCORP so that the REFCORP can perform the calculations required under §§ 997.2 and 997.3.

(b) *Calculation by the Finance Board.* If § 997.3 requires that the term for the Banks' actual quarterly payments extend beyond April 15, 2030 or if, for any reason, the REFCORP is unable to perform the calculations or to provide the Finance Board with the results of the calculations, the Finance Board shall make all calculations required under this part.

(c) *Records.* The Finance Board will maintain the official record of the results of all quarterly present-value determinations made under this part.

§ 997.5 Termination of the obligation.

(a) *Generally.* The Banks' obligation to the REFCORP, or to the Department of the Treasury if the term of that obligation extends beyond April 15, 2030, will terminate when the aggregate actual quarterly payments made by the Banks exactly equal the present value of an annuity of \$300 million per year that commences on the date on which the first obligation of the REFCORP was issued and ends on April 15, 2030.

(b) *Date of the final payment.* The aggregate actual quarterly payments made by the Banks exactly equal the present value of the annuity described in paragraph (a) of this section when the value of any remaining benchmark quarterly payment(s), after the benchmark quarterly payments have been adjusted as required by §§ 997.2 and 997.3, exactly equals the actual quarterly payment.

(a) The Council was established by the Federal Financial Institutions Examination Council Act of 1978 (Act), 12 U.S.C. 3301-3308. It is composed of the Comptroller of the Currency; the Chairman of the Federal Deposit Insurance Corporation; a Governor of the Board of Governors of the Federal Reserve System; the Chairman of the Federal Home Loan Bank Board; and the Chairman of the National Credit Union Administration Board.

(b) The statutory functions of the Council are set out at 12 U.S.C. 3305. In summary, the mission of the Council is to promote consistency and progress in federal examination and supervision of financial institutions and their affiliates. The Council is empowered to prescribe uniform principles, standards, and reporting forms and systems; make recommendations in the interest of uniformity; and conduct examiner schools open to personnel of the agencies represented on the Council and employees of state financial institutions supervisory agencies.

§ 1101.3 Organization and methods of operation.

(a) Statutory requirements relating to the Council's organization are stated in 12 U.S.C. 3303.

(b) *Council staff.* Administrative support and substantive coordination for Council activities are provided by a small staff detailed on a full-time basis from the five member agencies. The Executive Secretary and Deputy Executive Secretary of the Council supervise this staff.

(c) *Agency Liaison Group, Task Forces and Legal Advisory Group.* Most staff support in the substantive areas of the Council's duties is provided by inter-agency task forces and the Council's Legal Advisory Group (LAG). These task forces and the LAG are responsible for securing the services, as needed, of staff experts from the five agencies; supervising research and other investigative work for the Council; and preparing reports and recommendations for the Council. The Agency Liaison Group (ALG) is responsible for the overall coordination of the respective agencies' staff contributions to Council business. The ALG, the task forces, and the LAG are each composed of Council member agency staff serving the Council on a part-time basis.

(d) *State Liaison Committee.* Under 12 U.S.C. 3306, the Council has established a State Liaison Committee, composed of five representatives of state financial institutions supervisory agencies.

(e) *Council address.* Council offices are located at 1776 G Street, NW., Suite 701, Washington, DC 20006.

§ 1101.4 Disclosure of information, policies, and records.

(a) *Statements of policy published in the Federal Register or available for public inspection and copying; indices.* Under 5 U.S.C. 552(a)(1), the Council publishes general rules, policies and interpretations in the FEDERAL REGISTER. Under 5 U.S.C. 552(a)(2), policies and interpretations adopted by the Council, including instructions to Council staff affecting members of the public, and an index to the same, are available for

public inspection and copying at the address set out in § 1101.3(e) of this part during regular business hours. The preceding materials may be withheld from disclosure under the principles stated in paragraph (b)(1) of this section.

(b) *Other records of the Council available for public inspection; procedures—(1) General rule and exemptions.* Under 5 U.S.C. 552(a)(3), all other records of the Council are available for public inspection and copying, except those exempted from disclosure as provided in this paragraph. Except as specifically authorized by the Council, the following records, and portions thereof, are not available to the public:

(i) A record, or portion thereof, which is specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and which is, in fact, properly classified pursuant to such Executive order.

(ii) A record, or portion thereof, relating solely to the internal personnel rules and practices of an agency.

(iii) A record, or portion thereof, specifically exempted from disclosure by statute (other than 5 U.S.C. 552b), provided that such statute (A) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or (B) establishes particular criteria for withholding or refers to particular types of matters to be withheld.

(iv) A record, or portion thereof, containing trade secrets and commercial or financial information obtained from a person and privileged or confidential.

(v) An intraagency or interagency memorandum or letter that would not be routinely available by law to a private party in litigation, including, but not limited to, memoranda, reports, and other documents prepared by the personnel of the Council or its constituent agencies.

(vi) A personnel, medical, or similar record, including a financial record, or any portion thereof, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

(vii) Records or information compiled for law enforcement purposes, including records relating to a proceeding by a financial institution's regulatory agency for the issuance of a cease-and-

desist order, or order of suspension or removal, or assessment of a civil money penalty and the granting, withholding, or revocation of any approval, permission, or authority, but only to the extent that the production of such law enforcement records or information (A) could reasonably be expected to interfere with enforcement proceedings; (B) would deprive a person of a right to a fair trial or an impartial adjudication; (C) could reasonably be expected to constitute an unwarranted invasion of personal privacy; (D) could reasonably be expected to disclose the identity of a confidential source, including a state, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source; (E) would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or (F) could reasonably be expected to endanger the life or physical safety of any individual.

(viii) A record, or portion thereof, containing, relating to, or derived from an examination, operating, or condition report prepared by, or on behalf of, or for the use of any agency directly or indirectly responsible for the regulation or supervision of financial institutions, relating to the affairs of any financial institution or affiliate thereof, financial institution holding company or subsidiary, broker, finance company, or any other person engaged, or proposing to engage, in the business of operating, managing or controlling financial institutions.

(ix) A record, or portion thereof, which contains or is related to geological and geophysical information and data, including maps, concerning wells.

(2) *Waiver of exemption.* Notwithstanding the applicability of an exemption, the Council or the Council's designee may elect, under the circumstances of a particular request, to disclose all or a portion of any requested record where permitted by law. Such disclosure has no precedential significance whatsoever.

(3) *Procedure for records request—(i) Initial request.* Requests for records shall be submitted in writing to the Executive Secretary of the Council, at the address set out in §1101.3(e) of this part. Mailed requests should be marked "Freedom of Information Request," "FOIA Request," or the like on the envelope. Requests must reasonably describe the records sought. The Executive Secretary will aid members of the public in formulating their requests. All requests should give the complete telephone number of the individual seeking the records, if possible.

(ii) *Council response to initial requests.* The Executive Secretary will respond by mail to all properly submitted initial requests within 10 working days of receipt. The time for response may be extended up to 10 additional working days, as provided in 5 U.S.C. 552(a)(6)(B), or for other periods by agreement between the requesting party and the Executive Secretary.

(iii) *Appeals of responses to initial requests.* If a request is denied in whole or in part, the individual making the request may appeal in writing, within 35 days of the date of the denial, to the Chairman of the Council, at the address set out in §1101.3(e) of this part. Mailed requests should be marked "Freedom of Information Appeal," "FOIA Appeal," or the like on the envelope. Appeals should refer to the date of the original request and the date of the Council's initial ruling. Appeals should include an explanation of the basis for the appeal.

(iv) *Council response to appeals.* The Chairman of the Council, or another member designated by the Chairman, will respond by mail to all properly submitted appeals within 20 working days of receipt. The time for response may be extended up to 10 additional working days, as provided in 5 U.S.C. 552(a)(6)(B), or for other periods by agreement between the requesting

party and the Chairman or the Chairman's designee.

(4) *Procedure for access to records if request is granted.* When a request for access to records is granted, in whole or in part, a copy of the records to be disclosed will be promptly delivered to the requesting party or made available for inspection, whichever was requested. Inspection of records, or duplication and delivery of copies of records will be arranged so as not to interfere with their use by the Council and other users of the records.

(5) *Fees for document search, review, and duplication; waiver and reduction of fees—(i) Definitions—(A) Direct costs* means those expenditures which the Council actually incurs in searching for, duplicating, and reviewing documents to respond to a FOIA request.

(B) *Search* means all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents. Searches may be done manually or by computer using existing programming.

(C) *Duplication* means the process of making a copy of a document necessary to respond to a FOIA request.

(D) *Review* means the process of examining documents located in response to a request that is for a commercial use (see §1101.4(b)(5)(i)(E)) to determine whether any portion of any document located is permitted to be withheld and processing such documents for disclosure.

(E) *Commercial use request* means a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made.

(F) *Educational institution* means a preschool, an elementary or secondary school, an institution of undergraduate higher education, an institution of graduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(G) *Noncommercial scientific institution* means an institution that is not operated on a "commercial" basis as that term is referenced in §1101.4(b)(i)(E),

and which is operated solely for the purposes of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(H) *Representative of the news media* means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term “news” means information that is about current events or that would be of current interest to the public.

(ii) *Fees to be charged.* The Council will charge fees that recoup the full allowable direct costs it incurs. The Council may contract with the private sector to locate, reproduce, and/or disseminate records. Provided, however, that the Council has ensured that the ultimate cost to the requester is no greater than it would be if the Council performed these tasks. Fees are subject to change as costs change. In no case will the Council contract out responsibilities which the FOIA provides that it alone may discharge, such as determining the applicability of an exemption, or determining whether to waive or reduce fees.

(A) *Manual searches and review.* The Council will charge fees at the following rates for manual searches for and review of records:

(1) If search/review is done by clerical staff, the hourly rate for GS-7, step 5, plus 16 percent of the rate to cover benefits;

(2) If search/review is done by professional staff, the hourly rate for GS-13, step 5, plus 16 percent of the rate to cover benefits.

(B) *Computer searches.* The Council will charge fees at the hourly rate for GS-13, step 5, plus 16 percent of the rate to cover benefits, plus the hourly cost of operating the computer for computer searches for records.

(C) *Duplication of records.* (1) The per-page fee for paper copy reproduction of a document is \$.25;

(2) The fee for documents generated by computer is the hourly rate for the computer operator (at GS 7, step 5, plus 16 percent for benefits if clerical staff, and GS 13, step 5, plus 16 percent for benefits if professional staff) plus the cost of materials (computer paper, tapes, labels, etc.).

(3) If any other method of duplication is used, the Council will charge the actual direct cost of duplicating the documents.

(D) If search, duplication and/or review is provided by personnel of member agencies of the Council, fees will reflect their actual hourly rates, plus 16 percent for benefits.

(E) *Fees to exceed \$25.* If the Council estimates that duplication and/or search fees are likely to exceed \$25, it will notify the requester of the estimated amount of fees, unless the requester has indicated in advance his/her willingness to pay fees as high as those anticipated. In the case of such notification by the Council, the requester will then have the opportunity to confer with Council personnel with the object of reformulating the request to meet his/her needs at a lower cost.

(F) *Other services.* Complying with requests for special services is entirely at the discretion of the Council. The Council will recover the full costs of providing such services to the extent it elects to provide them.

(G) *Restriction on assessing fees.* The Council will not charge fees to any requester, including commercial use requesters, if the cost of collecting a fee would be equal to or greater than the fee itself.

(H) *Waiving or reducing fees.* The Council shall waive or reduce fees under this section whenever disclosure of information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.

(I) The Council will make a determination of whether the public interest requirement above is met based on the following factors:

(i) The subject of the request: Whether the subject of the requested records concerns the operations or activities of the government;

(ii) The informative value of the information to be disclosed: Whether the disclosure is likely to contribute to an understanding of government operations or activities;

(iii) The contribution to an understanding of the subject by the general public likely to result from disclosure:

Federal Financial Institutions Examination Council

§ 1101.4

Whether disclosure of the requested information will contribute to public understanding;

(iv) The significance of the contribution to the public understanding: Whether the disclosure is likely to contribute significantly to public understanding of government operations or activities.

(2) If the public interest requirement is met, the Council will make a determination on the commercial interest requirement based upon the following factors:

(i) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure; and if so

(ii) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large in comparison with the public interest in disclosure; that disclosure is primarily in the commercial interest of the requester.

(3) If the required public interest exists and the requester's commercial interest is not primary in comparison to it, the Council will waive or reduce fees.

(iii) *Categories of requesters.* (A) Commercial use requesters. The Council will assess fees for commercial use requesters which recover the full direct costs of searching for, reviewing for release, the duplicating the records sought. Commercial use requesters are not entitled to two hours of free search time nor 100 free pages of reproduction of documents.

(B) Requesters who are representatives of the news media, educational and noncommercial scientific institution requesters. The Council shall provide documents to requesters in these categories for the cost of reproduction alone, excluding fees for the first 100 pages.

(C) All other requesters. The Council shall charge requesters who do not fit into any of the categories above fees which recover the full reasonable direct cost of searching for and reproducing records that are responsive to the request, except that the first 100 pages of reproduction and the first two hours

of search time shall be furnished without a fee.

(D) All requesters must specifically describe records sought.

(iv) *Interest on unpaid fees.* The Council may begin assessing interest charges on an unpaid bill starting on the 31st day following the day on which the bill was sent. Interest will be at the rate prescribed in section 3717 of title 31 U.S.C. and will accrue from the date of the billing.

(v) *Fees for unsuccessful search and review.* The Council may assess fees for time spent searching and reviewing, even if it fails to locate the records or if records located are determined to be exempt from disclosure.

(vi) *Aggregating requests.* A requester(s) may not file multiple requests each seeking portions of a document or documents, solely in order to avoid payment of fees. If this is done, the Council may aggregate any such requests and charge accordingly. In no case will the Council aggregate multiple requests on unrelated subjects from the same requester.

(vii) *Advance payment of fees.* The Council will not require a requester to make an assurance of payment or an advance payment unless:

(A) The Council estimates or determines that allowable charges that a requester may be required to pay are likely to exceed \$250. The Council will notify the requester of the likely cost and obtain satisfactory assurance of full payment where the requester has a history of prompt payment of FOIA fees, or require an advance payment of an amount up to the full estimated charges in the case of requesters with no history of payment; or

(B) A requester has previously failed to pay a fee charged in a timely fashion. The Council may require the requester to pay the full amount owed plus any applicable interest as provided in §1101.4(b)(5)(iv) or demonstrate that he/she has, in fact, paid the fee, and to make an advance payment of the full amount of the estimated fee before the Council begins to process a new request or a pending request from that requester.

§ 1101.5

(C) When the Council acts under § 1101.4(b)(5)(vii) (A) or (B), the administrative time limits prescribed in subsection (a)(6) of the FOIA (i.e., 10 working days from receipt of initial requests and 20 working days from receipt of appeals from initial denial, plus permissible extensions of these time limits) will begin only after the Council has received the fee payments described.

(6) *Records of another agency.* If a requested record is the property of another federal agency or department, and that agency or department, either in writing or by regulation, expressly retains ownership of such record, upon receipt of a request for the record the Council will promptly inform the requester of this ownership and immediately shall forward the request to the proprietary agency or department either for processing in accordance with the latter's regulations or for guidance with respect to disposition.

§ 1101.5 Testimony and production of documents in response to subpoena, order, etc.

No person shall testify, in court or otherwise, as a result of activities on behalf of the Council without prior written authorization from the Council. This section shall not restrict the authority of a Council member to testify before Congress on matters within his or her official responsibilities as a Council member. No person shall furnish documents reflecting information of the Council in compliance with a subpoena, order, or otherwise, without prior written authorization from the Council. The Council may authorize testimony or production of documents after the litigant (or the litigant's attorney) submits an affidavit to the Council setting forth the interest of the litigant and the testimony or documents desired. Authorization to testify or produce documents is limited to authority expressly granted by the Council. When the Council has not authorized testimony or production of documents, the individual to whom the subpoena or order has been directed will appear in court and respectfully state that he or she is unable to comply fur-

ther with the subpoena or order by reason of this section.

Subpart A—Temporary Waiver Requests

AUTHORITY: 12 U.S.C. 3348(b).

SOURCE: 57 FR 10982, Apr. 1, 1992, unless otherwise noted.

§ 1102.1 Authority, purpose and scope.

(a) *Authority.* This subpart is issued under section 1119(b) of Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (“FIRREA”) (12 U.S.C. §3348(b)).

(b) *Purpose and scope.* This subpart prescribes rules of practice and procedure governing temporary waiver proceedings under Section 1119(b) of Title XI of FIRREA (12 U.S.C. 3348(b)). These procedures apply whenever a State appraiser regulatory agency requests the Appraisal Subcommittee of the Federal Financial Institutions Examination Council (“ASC”) for a waiver of any requirement relating to certification or licensing of a person to perform appraisals under Title XI of FIRREA. They also apply whenever the ASC, based on sufficient, credible information or requests received from other persons or entities, initiates a temporary waiver proceeding.

§ 1102.2 Requirements for requests.

A request will not be deemed received by the ASC unless it fully and accurately sets out:

(a) If the requester is a State Appraiser Regulatory Agency, a written, duly authorized determination by the State Appraiser Regulatory Agency that there is a scarcity of State licensed or State certified appraisers leading to significant delays in obtaining appraisals in federally related transactions. The scarcity can relate to the entire State or to particular geographical or political subdivisions. In the absence of such a written determination, a State Appraiser Regulatory Agency must ask the ASC for such a determination;

(b) The requirement or requirements of State law from which relief is being sought;

(c) A description of all significant problems currently being encountered in efforts to comply with Title XI;

(d) The nature of the scarcity of certified or licensed appraisers (including supporting documentation);

(e) The extent of the delays anticipated or experienced in obtaining the services of certified or licensed appraisers (including supporting documentation);

(f) The reasons why the requester believes that the requirement or requirements are causing the scarcity of certified or licensed appraisers and the service delays; and

(g) A specific plan for expeditiously alleviating the scarcity and the service delays.

§ 1102.3 Other requests and information submissions.

The federal financial institutions regulatory agencies and the Resolution Trust Corporation, their respective regulated financial institutions, and other persons or institutions with a demonstrable interest in appraiser regulation, may ask the ASC for a determination under §1102.2(a) of this subpart, and may ask that the ASC exercise its discretionary authority to initiate a temporary waiver proceeding. Such regulated financial institutions and other persons or institutions do not need to comply with §1102.2(g) of this subpart, but are strongly encouraged to include meaningful suggestions and recommendations for remedying the situation. A copy of the request or

§ 1102.4

informational submission shall be forwarded promptly to the State Appraiser Regulatory Agency. The ASC shall consider these submissions and requests in exercising its authority to initiate a temporary waiver procedure. When the ASC initiates a temporary waiver proceeding, these documents shall correspond to a received request under § 1102.4 of this subpart.

§ 1102.4 Notice and comment.

The ASC shall publish promptly in the FEDERAL REGISTER a notice respecting:

- (a) The received request; or
- (b) The ASC order initiating a temporary waiver proceeding. The notice or initiation order shall contain a concise general statement of the nature and basis for the action and shall give interested persons 30 calendar days from its publication in which to submit written data, views and arguments.

§ 1102.5 Subcommittee determination.

Within 45 calendar days of the date of the publication of the notice or initiation order in the FEDERAL REGISTER, the ASC, by order, shall either grant or deny a waiver in whole, in part, and upon specified terms and conditions, including provisions for waiver termination. Such order shall respond to comments received from interested members of the public and shall provide the reasons for the ASC's finding. The order shall be published promptly in the FEDERAL REGISTER, which, in the case of an approval order, shall be after Federal Financial Institution Examination Council concurrence. Upon the ASC's determination that an emergency exists, the ASC may issue an interim approval order simultaneously with its action under § 1120.4 of this subpart. Any ASC approval order shall be effective only upon Federal Financial Institution Examination Council concurrence.

§ 1102.6 Waiver extension.

The ASC may initiate an extension of temporary waiver relief and shall follow §§ 1102.4, 1102.5 and 1102.7 of this subpart. A State Appraiser Regulatory Agency also may request an extension of temporary waiver relief by forwarding an additional written request

12 CFR Ch. XI (1-1-03 Edition)

to the ASC. A request for an extension from State Appraiser Regulatory Agency shall be subject to all the requirements of this subpart.

§ 1102.7 Waiver termination.

The ASC at any time may terminate a waiver order on the finding that:

(a) The significant delays in obtaining the services of certified or licensed appraisers no longer exist; or

(b) The terms and conditions of the waiver order are not being satisfied. The ASC shall publish a finding of waiver termination promptly in the FEDERAL REGISTER, giving interested persons no less than 30 calendar days from publication in which to submit written data, views and arguments. In the absence of further ASC action to the contrary, the finding of waiver termination automatically shall become final 21 calendar days after the close of the comment period.

Subpart B—Rules of Practice for Proceedings

AUTHORITY: 12 U.S.C. 3332, 3335, 3347, and 3348(c).

SOURCE: 57 FR 31650, July 17, 1992, unless otherwise noted.

§ 1102.20 Authority, purpose, and scope.

(a) *Authority.* This subpart is issued under sections 1103, 1106, 1118 and 1119(c) of Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA) (12 U.S.C. 3332, 3335, 3347, and 3348(c)).

(b) *Purpose and scope.* This subpart prescribes rules of practice and procedure governing non-recognition proceedings under section 1118 of Title XI (12 U.S.C. 3347); and other proceedings necessary to carry out the purposes of Title XI under section 1119(c) of Title XI (12 U.S.C. 3348(c)).

[57 FR 31650, July 17, 1992, as amended at 57 FR 35004, Aug. 7, 1992]

§ 1102.21 Definitions.

As used in this subpart:

(a) *Subcommittee* or *ASC* means the Appraisal Subcommittee of the Federal Financial Institutions Examination

Council, as established under section 1011 of Title XI (12 U.S.C. 3310).

(b) *Party* means the ASC or a person, agency or other entity named as a party, including, when appropriate, persons appearing in the proceeding under § 1102.22 of this subpart.

(c) *Respondent* means any party other than the ASC.

(d) *Secretary* means the Secretary of the ASC under its Rules of Operation.

§ 1102.22 Appearance and practice before the Subcommittee.

(a) *By attorneys and notice of appearance.* Any person who is a member in good standing of the bar of the highest court of any State or of the District of Columbia, or of any possession, territory, or commonwealth of the United States, may represent parties before the ASC upon filing with the Secretary a written notice of appearance stating that he or she is currently qualified as provided in this paragraph and is authorized to represent the particular party on whose behalf he or she acts.

(b) *By non-attorneys.* An individual may appear on his or her own behalf. A member of a partnership may represent the partnership, and an officer, director or employee of any government unit, agency, institution, corporation or authority may represent that unit, agency, institution, corporation or authority. The partner, officer, director or employee must file with the Secretary a written statement that he or she has been duly authorized by the partnership, government unit, agency, institution, corporation or authority to act on its behalf. The ASC may require the representative to attach to the statement appropriate supporting documentation, such as a corporate resolution.

(c) *Conduct during proceedings.* All participants in a proceeding shall conduct themselves with dignity and in an orderly and ethical manner. The attorney or other representative of a party shall make every effort to restrain a client from improper conduct in connection with a proceeding. Improper language or conduct, refusal to comply with directions, use of dilatory tactics, or refusal to adhere to reasonable standards of orderly and ethical conduct constitute grounds for immediate

exclusion from the proceeding at the direction of the ASC.

§ 1102.23 Formal requirements as to papers filed.

(a) *Form.* All papers filed under this subpart must be double-spaced and printed or typewritten on 8½"×11" paper. All copies shall be clear and legible.

§ 1102.26 When papers are deemed filed or served.

(a) *Effectiveness.* Filing and service are deemed effective:

(b) *Modification.* The effective times for filing and service in paragraph (a) of this section may be modified by the ASC in the case of filing or by agreement of the parties in the case of service.

§ 1102.27 Computing time.

(a) *General rule.* In computing any period of time prescribed or allowed by this subpart, the date of the act, event or default from which the designated period of time begins to run is not in-

12 CFR Ch. XI (1-1-03 Edition)

cluded. The last day so computed is included, unless it is a Saturday, Sunday, or Federal holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday or Federal holiday. Intermediate Saturdays, Sundays, and Federal holidays shall not be included in the computation.

(b) *For service and filing responsive papers.* Whenever a time limit is measured by a prescribed period from the service of any notice or paper, the applicable time periods are calculated as follows:

(1) If service is made by first class, registered or certified mail, add three days to the prescribed period; and

(2) If service is made by express mail or overnight delivery service, add one day to the prescribed period.

§ 1102.28 Documents and exhibits in proceedings public.

Unless and until otherwise ordered by the ASC or unless otherwise provided by statute or by ASC regulation, all documents, papers and exhibits filed in connection with any proceeding, other than those that may be withheld from disclosure under applicable law, shall be placed by the Secretary in the proceeding's public file and will be available for public inspection and copying at the address set out in §1102.24 of this subpart.

§ 1102.29 Conduct of proceedings.

(a) *In general.* Unless otherwise provided in the notice of proceedings, all proceedings under this subpart shall be conducted as hereinafter provided.

(b) *Written submissions.* All aspects of the proceeding shall be conducted by written submissions only, with the exception of oral presentations allowed under §1102.36 of this subpart.

(c) *Disqualification.* A Subcommittee member who deems himself or herself disqualified may at any time withdraw. Upon receipt of a timely and sufficient affidavit of personal bias or disqualification of such member, the ASC will rule on the matter as a part of the record and decision in the case.

(d) *User of ASC staff.* Appropriate members of the ASC's staff who are not engaged in the performance of investigative or prosecuting functions in the

proceeding may advise and assist the ASC in the consideration of the case and in the preparation of appropriate documents for its disposition.

(e) *Authority of Subcommittee Chairperson.* The Chairperson of the ASC, in consultation with other members of the ASC whenever appropriate, shall have complete charge of the proceeding and shall have the duty to conduct it in a fair and impartial manner and to take all necessary action to avoid delay in the disposition of proceedings in accordance with this subpart.

(f) *Conferences.* (1) The ASC may on its own initiative or at the request of any party, direct all parties or counsel to meet with one or more duly authorized ASC members or staff at a specified time and place, or to submit to the ASC or its designee, suggestions in writing for the purpose of considering any or all of the following:

(i) Scheduling of matters, including a timetable for the information-gathering phase of the proceeding;

(ii) Simplification and clarification of the issues;

(iii) Stipulations and admissions of fact and of the content and authenticity of documents;

(iv) Matters of which official notice will be taken; and

(v) Such other matters as may aid in the orderly disposition of the proceeding, including disclosure of the names of persons submitting affidavits or other documents and exhibits which may be introduced into the public file of the proceeding.

(2) Such conferences will not be recorded, but the Secretary shall place in the proceeding's public file a memorandum summarizing the results of the conference and shall provide a copy of the memorandum to each party. The memorandum shall control the subsequent course of the proceedings, unless the ASC for good cause shown by one or more parties to the conference, modifies those results and instructs the Secretary to place an amendatory memorandum to that effect in the public file.

(g) *Changes or extensions of time and changes of place of proceeding.* The ASC, in connection with initiating a specific proceedings under §1102.32 of this subpart, may instruct the Secretary to

publish in the FEDERAL REGISTER time limits different from those specified in this subpart, and may, on its own initiative or for good cause shown, issue an exemption changing the place of the proceeding or extending any time limit prescribed by this subpart, including the date for ending the information-gathering phase of the proceeding.

(h) *Call for further briefs, memoranda, statements; reopening of matters.* The ASC may call for the production of further information upon any issue, the submission of briefs, memoranda and statements (together with written responses), and, upon appropriate notice, may reopen any aspect of the proceeding at any time prior to a decision on the matter.

[57 FR 31650, July 17, 1992, as amended at 57 FR 35004, Aug. 7, 1992]

§ 1102.30 Rules of evidence.

(a) *In general.* (1) Except as is otherwise set forth in this section, relevant, material and reliable evidence that is not unduly repetitive is admissible to the fullest extent authorized by the Administrative Procedure Act (5 U.S.C. 551 *et seq.*) and other applicable law.

(2) Evidence that would be admissible under the Federal Rules of Evidence is admissible in a proceeding conducted under this subpart.

(3) Evidence that would be inadmissible under the Federal Rules of Evidence may be deemed or ruled admissible in a proceeding conducted under this subpart if such evidence is relevant, material, reliable and not unduly repetitive.

(b) *Stipulations.* Any party may stipulate in writing as to any relevant matters of fact, law, or the authenticity of any relevant documents. The Secretary shall place such stipulations in the public file, and they shall be binding on the parties.

(c) *Official notice.* Every matter officially noticed by the ASC shall appear in the public file, unless the ASC determines that the matter must be withheld from public disclosure under applicable Federal law.

§ 1102.31 Burden of proof.

The ultimate burden of proof shall be on the respondent. The burden of going

§ 1102.32

forward with a *prima facie* case shall be on the ASC.

§ 1102.32 Notice of Intention to Commence a Proceeding.

The ASC shall instruct the Secretary or other designated officer acting for the ASC to publish in the FEDERAL REGISTER a Notice of Intention To Commence A Proceeding (Notice of Intention). The Notice of Intention shall be served upon the party or parties to the proceeding and shall commence at the time of service. The Notice of Intention shall state the legal authority and jurisdiction under which the proceeding is to be held; shall contain, or incorporate by appropriate reference, a specific statement of the matters of fact or law constituting the grounds for the proceeding; and shall state a date no sooner than 25 days after service of the Notice of Intention is made for termination of the information-gathering phase of the proceeding. The Notice of Intention also must contain a bold-faced warning respecting the effect of a failure to file a Rebuttal or Notice Not To Contest under § 1102.33(d) of this subpart. The ASC may amend a Notice of Intention in any manner and to the extent consistent with provisions of applicable law.

§ 1102.33 Rebuttal or Notice Not To Contest.

(a) *When required.* A party to the proceeding may file either a Rebuttal or a Notice Not to Contest the statements contained in the Notice of Intention or any amendment thereto with the Secretary within 15 days after being served with the Notice of Intention or an amendment to such Notice. The Secretary shall place the Rebuttal or the Notice Not To Contest in the public file.

(b) *Requirements of Rebuttal; effect of failure to deny.* A Rebuttal filed under this section shall specifically admit, deny or state that the party does not have sufficient information to admit or deny each statement in the Notice of Intention. A statement of lack of information shall have the effect of a denial. Any statement not denied shall be deemed to be admitted. When a party intends to deny only a part or a qualification of a statement, the party shall

12 CFR Ch. XI (1-1-03 Edition)

admit so much of it as is true and shall deny only the remainder.

(c) *Notice Not To Contest.* A party filing a Notice Not To Contest the statement of fact set forth in the Notice of Intention shall constitute a waiver of the party's opportunity to rebut the facts alleged, and together with the Notice of Intention and any referenced documents, will provide a record basis on which the ASC shall decide the matter. The filing of a Notice Not To Contest shall not constitute a waiver of the right of such party to a judicial review of the ASC's decision, findings and conclusions.

(d) *Effect of failure to file Rebuttal or Notice Not To Contest.* Failure of a party to file a response required by this section within the time provided shall constitute a waiver of the party's opportunity to rebut and to contest the statements in the Notice of Intention and shall constitute authorization for the ASC to find the facts to be as presented in the Notice of Intention and to file with the Secretary a decision containing such findings and appropriate conclusions. The ASC, for good cause shown, will permit the filing of a Rebuttal after the prescribed time.

§ 1102.34 Briefs, memoranda and statements.

(a) *By the parties.* Until the end of the information-gathering phase of the proceeding, any party may file with the Secretary a written brief, memorandum or other statement providing factual data and policy and legal arguments regarding the matters set out in the Notice of Intention. The filing party shall simultaneously serve other parties to the proceeding with a copy of the document. No later than ten days after such service, any party may file with the Secretary a written response to the document and must simultaneously serve a copy thereof on the other parties to the proceeding. The Secretary will receive documents and responses and will place them in the public file.

(b) *By interested persons, in non-recognition proceedings.* Until the end of the information-gathering phase of a proceeding under section 1118 of FIRREA (12 U.S.C. 3347), any person with a demonstrable, direct interest in

the outcome of the proceeding may file with the Secretary a written brief, memorandum or other statement providing factual data and policy and legal arguments regarding the matters set out in the Notice of Intention. The ASC's Chairperson or his or her designee may not accept any such written brief, memorandum or other statement if the submitting person cannot demonstrate a direct interest in the outcome of the proceeding. Upon acceptance of the written brief, memorandum or other statement, the Secretary shall make copies of the document and forward one copy thereof to each party to the proceeding. No later than ten days after such service, any party may file with the Secretary a written response to the document and must simultaneously serve one copy thereof on the other parties to the proceeding. The Secretary will place a copy of such briefs, memoranda, statements and responses in the public file.

§ 1102.35 Opportunity for informal settlement.

Any party may at any time submit to the Secretary, for consideration by the Subcommittee, written offers or proposals for settlement of a proceeding, without prejudice to the rights of the parties. No offer or proposal shall be included in the proceeding's public file over the objection of any party to such proceeding. This paragraph shall not preclude settlement of any proceeding by the filing of a Notice Not To Contest as provided in § 1102.33(c) or by the submission of the case to the ASC on a stipulation of facts.

§ 1102.36 Oral presentations.

(a) *In general.* A party does not have a right to an oral presentation. Under this section, a party's request to make an oral presentation may be denied if such a denial is appropriate and reasonable under the circumstances. An oral presentation shall be considered as an opportunity to offer, emphasize and clarify the facts, policies and laws concerning the proceeding.

(b) *Method and time of request.* Between the commencement of the proceeding and ten days before the end of the information-gathering phase, any party to the proceeding may file with

the Secretary a letter requesting that the Secretary schedule an opportunity for the party to give an oral presentation to the ASC. That letter shall include the reasons why an oral presentation is necessary.

(c) *ASC processing.* The Secretary must promptly forward the letter request to the Chairman of the ASC. The Chairman, after informally contacting other ASC members and the ASC's senior staff for their views, will instruct the Secretary to forward a letter to the party either: Scheduling a date and time for the oral presentation and specifying the allowable duration of the presentation; or declining the request and providing the reasons therefor. The party's letter request and the ASC's response will be included in the proceeding's public file.

(d) *Procedure on presentation day.* On the appropriate date and time, the party or his or her attorney (if any) will make the oral presentation before the ASC. Any ASC member may ask the party or the attorney, as the case may be, pertinent questions relating to the content of the oral presentation. Oral presentations will not be recorded or otherwise transcribed. The Secretary must enter promptly into the proceeding's public file a memorandum summarizing the subjects discussed during the oral presentation.

§ 1102.37 Decision of the Subcommittee and judicial review.

At a reasonable time after the end of the information-gathering phase of the proceeding, but not exceeding 35 days, the ASC shall issue a final decision, containing specified terms and conditions as it deems appropriate, in the matter and shall cause the decision to be published promptly in the FEDERAL REGISTER. The final decision shall be effective on issuance. The Secretary shall serve the decision upon the parties promptly, shall place it in the proceeding's public file and shall furnish it to such other persons as the ASC may direct. Pursuant to the provisions of chapter 7 of title 5 of the U.S. Code and section 1118(c)(3) of title XI of FIRREA (12 U.S.C. 3348(c)(3)), a final decision of the ASC is a prerequisite to seeking judicial review.

§ 1102.38

12 CFR Ch. XI (1–1–03 Edition)

§ 1102.38 Compliance activities.

(a) Where, from complaints received from members of the public, communications from Federal or State agencies, examination of information by the ASC, or otherwise, it appears that a person has violated, is violating or is about to violate title XI of FIRREA or the rules or regulations thereunder, the ASC staff may commence an informal, preliminary inquiry into the matter. If, upon such inquiry, it appears that one or more allegations relate to possible violations of regulations administered by another agency or instrumentality of the Federal Government, then the matter shall be referred to that agency or instrumentality for appropriate action. The ASC, pursuant to its responsibilities under section 1103(a)(2) of title XI (12 U.S.C. 3332(a)(2)) and section 1119(c) of title XI (12 U.S.C. 3348)), shall monitor the matter. If, upon inquiry, it appears that one or more allegations are within the ASC's jurisdiction, then the ASC, in its discretion, may determine to commence a formal investigation respecting the matter and shall instruct the Secretary to create a public file for the formal investigation. The Secretary shall place in that file a memorandum naming the person or persons subject to the investigation and the statutory basis for the investigation.

(b) Unless otherwise instructed by the ASC or required by law, the Secretary shall ensure that all other papers, documents and materials gathered or submitted in connection with the investigation are non-public and for ASC use only.

(c) Persons who become involved in preliminary inquiries or formal investigations may, on their own initiative, submit a written statement to the Secretary setting forth their interests, positions or views regarding the subject matter of the investigation. Upon request, the staff, in its discretion, may advise such persons of the general nature of the investigation, including the indicated violations as they pertain to them and the amount of time that may be available for preparing and submitting such a statement prior to the presentation of a staff recommendation to the ASC. Upon the commencement of a formal investigation or a proceeding

under this subpart, the Secretary shall place any such statement in the appropriate public file.

(d) In instances where the staff has concluded its inquiry of a particular matter and has determined that it will not recommend the commencement of a formal investigation or a proceeding under this subpart against a person, the staff shall advise the person that its inquiry has been terminated. Such advice, if given, must in no way be construed as indicating that the person has been exonerated or that no action may ultimately result from the staff's inquiry into the particular matter.

§ 1102.39 Duty to cooperate.

In the course of the investigations and proceedings, the ASC (and its staff, with appropriate authorization) must provide parties or persons ample opportunity to work out problems by consent, by settlement, or in some other manner.

Subpart C—Rules Pertaining to the Privacy of Individuals and Systems of Records Maintained by the Appraisal Subcommittee

AUTHORITY: 12 U.S.C. 552a.

SOURCE: 57 FR 36357, Aug. 13, 1992, unless otherwise noted.

§ 1102.100 Authority, purpose and scope.

(a) This subpart is issued under the Privacy Act of 1974, Public Law 93-579, 88 Stat. 1896; 12 U.S.C. 552a, as amended.

(b) The Privacy Act of 1974 is based, in part, on the finding by Congress that "in order to protect the privacy of individuals identified in information systems maintained by Federal agencies, it is necessary and proper for the Congress to regulate the collection, maintenance, use, and dissemination of information by such agencies." To achieve this objective, the Act generally provides that Federal agencies must advise an individual upon request whether records maintained by the agency in a system of records pertain to the individual and must grant the individual access to such records. The

Act further provides that individuals may request amendments to records pertaining to them that are maintained by the agency, and that the agency shall either grant the requested amendments or set forth fully its reasons for refusing to do so.

(c) The Appraisal Subcommittee of the Federal Financial Institutions Examination Council (ASC), pursuant to subsection (f) of the Privacy Act, adopts the following rules and procedures to implement the provisions of the Act summarized above and other provisions of the Act. These rules and procedures are applicable to all requests for information and access or amendment to records pertaining to an individual that are contained in any system of records that is maintained by the ASC.

§ 1102.101 Definitions.

The following definitions shall apply for purposes of this subpart:

(a) The terms *individual*, *maintain*, *record*, *system of records*, and *routine use* are defined for purposes of these rules as they are defined in 5 U.S.C. 552a(a)(2), (a)(3), (a)(4), (a)(5) and (a)(7).

(b) *ASC* or *Subcommittee* means the Appraisal Subcommittee of the Federal Financial Institutions Examination Council.

(c) *Privacy Act Officer* means the ASC's Associate Director for Administration or such other ASC staff officer, other than the Executive Director, duly designated by the ASC's Executive Director.

§ 1102.102 Times, places and requirements for requests pertaining to individual records in a record system and for the identification of individuals making requests for access to records pertaining to them.

(a) *Place to make request*. Any request by an individual to be advised whether any system of records maintained by the ASC and named by the individual contains a record pertaining to him or her, or any request by an individual for access to a record pertaining to him or her that is contained in a system of records maintained by the ASC, shall be submitted in person at the ASC between 9 a.m. and 4:30 p.m., Monday through Friday, which is located at 2100 Pennsylvania Avenue, NW., suite

200, Washington, DC. 20037, or by mail addressed to: Privacy Act Officer, ASC, 2100 Pennsylvania Avenue, NW., suite 200, Washington, DC. 20037. All requests will be required to be put in writing and signed by the individual making the request. In the case of requests for access that are made by mail, the envelope should be clearly marked "Privacy Act Request."

(1) *Information to be included in requests*. Each request by an individual concerning whether the ASC maintains in a system of records a record that pertains to the individual, or for access to any record pertaining to the individual that is maintained by the ASC in a system of records, shall include such information as will assist the ASC in identifying those records as to which the individual is seeking information or access. Where practicable, the individual should identify the system of records that is the subject of his or her request by reference to the ASC's notices of systems of records, which are published in the FEDERAL REGISTER, as required by section (e)(4) of the Privacy Act, 5 U.S.C. 552a(e)(4). Where a system of records is compiled on the basis of a specific identification scheme, the individual should include in his or her request the identification number or other identifier assigned to the individual. In the event the individual does not know that number or identifier, the individual shall provide other information, including his or her full name, address, date of birth and subject matter of the record, to aid in processing his or her request. If additional information is required before a request can be processed, the individual shall be so advised.

(2) *Verification of identity*. When the fact of the existence of a record is not required to be disclosed under the Freedom of Information Act, 5 U.S.C. 552, as amended, or when a record as to which access has been requested is not required to be disclosed under that Act, the individual seeking the information or requesting access to the record shall be required to verify his or her identity before access will be granted or information given. For this purpose, individuals shall appear at the ASC located at 2100 Pennsylvania Avenue, NW., suite 200, Washington, DC., between 9

§ 1102.103

a.m. to 4:30 p.m., Monday through Friday. The ASC's Office is not open on Saturdays, Sundays or Federal holidays.

(3) *Methods for verifying identity—appearance in person.* For the purpose of verifying identity, an individual seeking information regarding pertinent records or access to those records shall furnish documentation that may reasonably be relied on to establish the individual's identity. Such documentation might include a valid birth certificate, driver's license, employee or military identification card, and medicare card.

(4) *Method for verifying identity—by mail.* Where an individual cannot appear at the ASC's Office for the purpose of verifying identity, the individual shall submit, along with the request for information or access, a signed and notarized statement attesting to his or her identity. Where access is being sought, the sworn statement shall include a representation that the records being sought pertain to the individual and a stipulation that the individual is aware that knowingly and willfully requesting or obtaining records pertaining to an individual from the ASC under false pretenses is a criminal offense.

(5) *Additional procedures for verifying identity.* When it appears appropriate to the Privacy Act Officer, other arrangements may be made for the verification of identity as are reasonable under the circumstances and appear to be effective to prevent unauthorized disclosure of, or access to, individual records.

(b) *Acknowledgement of requests for information pertaining to individual records in a record system or for access to individual records.* (1) Except where an immediate acknowledgement is given for requests made in person, the receipt of a request for information pertaining to individual records in a record system will be acknowledged within 10 days, excluding Saturdays, Sundays and Federal holidays. Requests will be processed as promptly as possible and a response to such requests will be given within 30 days (excluding Saturdays, Sundays, and Federal holidays) unless, within the 30 day period and for cause shown, the individual making the re-

12 CFR Ch. XI (1-1-03 Edition)

quest is notified in writing that a longer period is necessary.

§ 1102.103 Disclosure of requested records.

(a) *Initial review.* Requests by individuals for access to records pertaining to them will be referred to the ASC's Privacy Act Officer, who initially will determine whether access will be granted.

(b) *Grant of request for access.* (1) If it is determined that a request for access to records pertaining to an individual will be granted, the individual will be advised by mail that access will be given at the ASC or a copy of the requested record will be provided by mail if the individual shall so indicate. Where the individual requests that copies of the record be mailed to or her or requests copies of a record upon reviewing it at the ASC, the individual shall pay the cost of making requested copies, as set forth in § 1102.109 of this subpart.

(2) In granting access to an individual to a record pertaining to him or her, the ASC staff shall take steps to prevent the unauthorized disclosure of information pertaining to other individuals.

(c) *Denial of request for access.* If it is determined that access will not be granted, the individual making the request will be notified of that fact and given the reasons why access is being denied. The individual also will be advised of his or her right to seek review by the Executive Director of the initial decision to deny access, in accordance with the procedures set forth in § 1102.107 of this subpart.

(d) *Time for acting on requests for access.* Access to a record pertaining to an individual normally will be granted or denied within 30 days (excluding Saturdays, Sundays, and Federal holidays) after the receipt of the request for access, unless the individual making the request is notified in writing within the 30 day period that, for good cause shown, a longer time is required. In such cases, the individual making the request shall be informed in writing of the difficulties encountered and an indication shall be given as to when it is anticipated that access may be granted or denied.

(e) *Authorization to allow designated person to review and discuss records pertaining to another individual.* An individual, who is granted access to records pertaining to him or her and who appears at the ASC Office to review the records, may be accompanied by another person of his or her choosing. Where the records as to which access has been granted are not required to be disclosed under provisions of the Freedom of Information Act, 5 U.S.C. 552, as amended, the individual requesting the records, before being granted access, shall execute a written statement, signed by him or her, specifically authorizing the latter individual to review and discuss the records. If such authorization has not been given as described, the person who has accompanied the individual making the request will be excluded from any review or discussion of the records.

(f) *Exclusion for certain records.* Nothing contained in these rules shall allow an individual access to any information compiled in reasonable anticipation of an administrative judicial or civil action or proceeding.

§ 1102.104 Special procedure: Medical records.

(a) *Statement of physician or mental health professional.* When an individual requests access to records pertaining to the individual that include medical and/or psychological information, the ASC, if it deems it necessary under the particular circumstances, may require the individual to submit with the request a signed statement by the individual's physician or a mental health professional indicating that, in his or her opinion, disclosure of the requested records or information directly to the individual will not have an adverse effect on the individual.

(b) *Designation of physician or mental health professional to receive records.* If the ASC believes, in good faith, that disclosure of medical and/or psychological information, directly to an individual could have an adverse effect on that individual, the individual may be asked to designate in writing a physician or mental health professional to whom the individual would like the records to be disclosed, and disclosure that otherwise would be made to the

individual will instead be made to the designated physician or mental health professional.

§ 1102.105 Requests for amendment of records.

(a) *Place to make requests.* A request by an individual to amend records pertaining to him or her may be made in person during normal business hours at the ASC located at 2100 Pennsylvania Avenue, NW., Suite 200, Washington, DC, or by mail addressed to the Privacy Act Officer, ASC, 2100 Pennsylvania Avenue, NW., suite 200, Washington, DC 20037.

(1) *Information to be included in requests.* Each request to amend an ASC record shall reasonably describe the record sought to be amended. Such description should include, for example, relevant names, dates and subject matter to permit the record to be located among the records maintained by the ASC. An individual who has requested that a record pertaining to the individual be amended will be advised promptly if the record cannot be located on the basis of the description given and that further identifying information is necessary before the request can be processed. An initial evaluation of a request presented in person will be made immediately to ensure that the request is complete and to indicate what, if any, additional information will be required. Verification of the individual's identity as set forth in § 1102.102(a) (2), (3), (4) and (5) may also be required.

(2) *Basis for amendment.* An individual requesting an amendment to a record pertaining to the individual shall specify the substance of the amendment and set forth facts and provide such materials that would support his or her contention that the record as maintained by the ASC is not accurate, timely or complete, or that the record is not necessary and relevant to accomplish a statutory purpose of the ASC as authorized by law or by Executive Order of the President.

(b) *Acknowledgement of requests for amendment.* Receipt of a request to amend a record pertaining to an individual normally will be acknowledged

§ 1102.106

12 CFR Ch. XI (1–1–03 Edition)

in writing within 10 days after such request has been received, excluding Saturdays, Sundays and Federal holidays. When a request to amend is made in person, the individual making the request will be given a written acknowledgement when the request is presented. The acknowledgement will describe the request received and indicate when it is anticipated that action will be taken on the request. No acknowledgement will be sent when the request for amendment will be reviewed, and an initial decision made, within the 10 day period after such request has been received.

§ 1102.106 Review of requests for amendment.

(a) *Initial review.* As in the case of requests for access, requests by individuals for amendment to records pertaining to them will be referred to the ASC's Privacy Act Officer for an initial determination.

(b) *Standards to be applied in reviewing requests.* In reviewing requests to amend records, the Privacy Act Officer will be guided by the criteria set forth in 5 U.S.C. 552(e) (1) and (5), *i.e.*, that records maintained by the ASC shall contain only such information as is necessary and relevant to accomplish a statutory purpose of the ASC as required by statute or Executive Order of the President and that such information also be accurate, timely, relevant and complete. These criteria will be applied whether the request is to add material to a record or to delete information from a record.

(c) *Time for acting on requests.* Initial review of a request by an individual to amend a record shall be completed as promptly as is reasonably possible and normally within 30 days (excluding Saturdays, Sundays, and Federal holidays) from the date the request was received, unless unusual circumstances preclude completion of review within that time. If the anticipated completion date indicated in the acknowledgement cannot be met, the individual requesting the amendment will be advised in writing of the delay and the reasons therefor, and also advised when action is expected to be completed.

(d) *Grant of requests to amend records.* If a request to amend a record is granted in whole or in part, the Privacy Act Officer will:

(1) Advise the individual making the request in writing of the extent to which it has been granted;

(2) Amend the record accordingly; and

(3) Where an accounting of disclosures of the record has been kept pursuant to 5 U.S.C. 552a(c), advise all previous recipients of the record of the fact that the record has been amended and the substance of the amendment.

(e) *Denial of requests to amend records.* If an individual's request to amend a record pertaining to him is denied in whole or in part, the Privacy Act Officer will:

(1) Promptly advise the individual making the request in writing of the extent to which the request has been denied;

(2) State the reasons for the denial of the request;

(3) Describe the procedures established by the ASC to obtain further review within the ASC of the request to amend, including the name and address of the person to whom the appeal is to be addressed; and

(4) Inform the individual that the Privacy Act Officer will provide information and assistance to the individual in perfecting an appeal of the initial decision.

§ 1102.107 Appeal of initial adverse agency determination regarding access or amendment.

(a) *Administrative review.* Any person who has been notified pursuant to § 1102.103(c) that a request for access to records pertaining to him or her has been denied in whole or in part, or pursuant to § 1102.106(e) of this subpart that a request for amendment has been denied in whole or in part, or who has received no response to a request for access or to amend within 30 days (excluding Saturdays, Sundays and Federal holidays) after the request was received by the ASC's staff (or within such extended period as may be permitted in accordance with §§ 1102.103(d) and 1102.106(c) of this subpart), may appeal the adverse determination or failure to respond by applying for an order

of the Executive Director determining and directing that access to the record be granted or that the record be amended in accordance with his or her request.

(1) The application shall be in writing and shall describe the record in issue and set forth the proposed amendment and the reasons therefor.

(2) The application shall be delivered to the ASC, 2100 Pennsylvania Avenue, NW., suite 200, Washington, DC, or by mail addressed to the Privacy Act Officer, ASC, 2100 Pennsylvania Avenue, NW., suite 200, Washington, DC 20037.

(3) The applicant may state such facts and cite such legal or other authorities in support of the application.

(4) The Executive Director will make a determination with respect to any appeal within 30 days after the receipt of such appeal (excluding Saturdays, Sundays, and Federal holidays), unless for good cause shown, the Executive Director shall extend that period. If such an extension is made, the individual who is appealing shall be advised in writing of the extension, the reasons therefor, and the anticipated date when the appeal will be decided.

(5) In considering an appeal from a denial of a request to amend a record, the Executive Director shall apply the same standards as set forth in § 1102.106(b).

(6) If the Executive Director concludes that access should be granted, the Executive Director shall issue an order granting access and instructing the Privacy Act Officer to comply with § 1102.103(b).

(7) If the Executive Director concludes that the request to amend the record should be granted in whole or in part, the Executive Director shall issue an order granting the requested amendment in whole or in part and instructing the Privacy Act Officer to comply with the requirements of § 1102.106(d) of this subpart, to the extent applicable.

(8) If the Executive Director affirms the initial decision denying access, the Executive Director shall issue an order denying access and advising the individual seeking access of:

- (i) The order;
- (ii) The reasons for denying access; and

(iii) The individual's right to obtain judicial review of the decision pursuant to 5 U.S.C. 552a(g)(1)(B).

(9) If the Executive Director determines that the decision of the Privacy Act Officer denying a request to amend a record should be upheld, the Executive Director shall issue an order denying the request and the individual shall be advised of:

(i) The order refusing to amend the record and the reasons therefor;

(ii) The individual's right to file a concise statement setting forth his or her disagreement with the Executive Director's decision not to amend the record;

(iii) The procedures for filing such a statement of disagreement with the Executive Director;

(iv) The fact that any such statement of disagreement will be made available to anyone to whom the record is disclosed, together with, if the Executive Director deems it appropriate, a brief statement setting forth the Executive Director's reasons for refusing to amend;

(v) The fact that prior recipients of the record in issue will be provided with the statement of disagreement and the Executive Director's statement, if any, to the extent that an accounting of such disclosures has been maintained pursuant to 5 U.S.C. 552a(c); and

(vi) The individual's right to seek judicial review of the Executive Director's refusal to amend, pursuant to 5 U.S.C. 552a(g)(1)(A).

(b) *Statement of disagreement.* As noted in paragraph (a)(9)(ii) of this section, an individual may file with the Executive Director a statement setting forth his or her disagreement with the Executive Director's denial of his or her request to amend a record.

(1) Such statement of disagreement shall be delivered to the ASC, 2100 Pennsylvania Avenue, NW., Suite 200, Washington, DC 20037, within 30 days after receipt by the individual of the Executive Director's order denying the amendment, excluding Saturdays, Sundays and Federal holidays. For good cause shown, this period can be extended for a reasonable time.

(2) Such statement of disagreement shall concisely state the basis for the

individual's disagreement. Unduly lengthy or irrelevant materials will be returned to the individual by the Executive Director for appropriate revisions before they become a permanent part of the individual's record.

(3) The record about which a statement of disagreement has been filed will clearly note which part of the record is disputed and the Executive Director will provide copies of the statement of disagreement and, if the Executive Director deems it appropriate, provide a concise statement of his or her reasons for refusing to amend the record, to persons or other agencies to whom the record has been or will be disclosed.

§ 1102.108 General provisions.

(a) *Extensions of time.* Pursuant to §§ 1102.103(b), 1102.104(d), 1102.109(c) and 1102.109(a)(4) of this subpart, the time within which a request for information, access or amendment by an individual with respect to records maintained by the ASC that pertain to him or her normally would be processed may be extended for good cause shown or because of unusual circumstances. As used in these rules, *good cause* and *unusual circumstances* shall include, but only to the extent reasonably necessary to the proper processing of a particular request:

(1) The need to search for and collect the requested records from establishments that are separate from the ASC. Some records of the ASC may be stored in Federal Records Centers in accordance with law—including many of the documents that have been on file with the ASC for more than 2 years—and cannot be made available promptly. Any person who has requested for personal examination a record stored at the Federal Records Center will be notified when the record will be made available.

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which may be demanded in a single request. While every reasonable effort will be made to comply fully with each request as promptly as possible on a first-come, first-served basis, work done to search for, collect and appropriately examine records in re-

sponse to a request for a large number of records will be contingent upon the availability of processing personnel in accordance with an equitable allocation of time to all members of the public who have requested or wish to request records.

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request, or among two or more components within the ASC having substantial subject-matter interest herein.

(b) *Effective date of action.* Whenever it is provided in this subpart that an acknowledgement or response to a request will be given by specific times, deposit in the mails of such acknowledgement or response by that time, addressed to the person making the request, will be deemed full compliance.

(c) *Records in use by a member of the ASC or its staff.* Although every effort will be made to make a record in use by a member of the ASC or its staff available when requested, it may occasionally be necessary to delay making such a record available when doing so at the time the request is made would seriously interfere with the work of the ASC or its staff.

(d) *Missing or lost records.* Any person who has requested a record or a copy of a record pertaining to him or her will be notified if the record sought cannot be found. If the person so requests, he or she will be notified if the record subsequently is found.

(e) *Oral requests; misdirected written requests—(1) Telephone and other oral requests.* Before responding to any request by an individual for information concerning whether records maintained by the ASC in a system of records pertain to the individual or to any request for access to records by an individual, such request must be in writing and signed by the individual making the request. The Executive Director will not entertain any appeal from an alleged denial of failure to comply with an oral request. Any person who has made an oral request for information or access to records who believes that the request has been improperly denied should resubmit the request in appropriate written form to obtain proper

consideration and, if need be, administrative review.

(2) *Misdirected written requests.* The ASC cannot assure that a timely or satisfactory response will be given to written requests for information, access or amendment by an individual with respect to records pertaining to him or her that are directed to the ASC other than in a manner prescribed in §§1102.103(a), 1102.106(a), 1102.108(a)(2), and 1102.110 of this subpart. Any staff member who receives a written request for information, access or amendment should promptly forward the request to the Privacy Act Officer. Misdirected requests for records will be considered to have been received by the ASC only when they have been actually received by the Privacy Act Officer in cases under §1102.108(a)(2). The Executive Director will not entertain any appeal from an alleged denial or failure to comply with a misdirected request, unless it is clearly shown that the request was in fact received by the Privacy Act Officer.

§ 1102.109 Fees.

(a) There will be no charge assessed to the individual for the ASC's expense involved in searching for or reviewing the record. Copies of the ASC's records will be provided by a commercial copier at rates established by a contract between the copier and the ASC or by the ASC at the rates in §1101.4(b)(5)(ii) of 12 CFR part 1101.

(b) *Waiver or reduction of fees.* Whenever the Executive Director of the ASC determines that good cause exists to grant a request for reduction or waiver of fees for copying documents, he or she may reduce or waive any such fees.

§ 1102.110 Penalties.

Title 18 U.S.C. 1001 makes it a criminal offense, subject to a maximum fine of \$10,000, or imprisonment for not more than 5 years or both, to knowingly and willingly make or cause to be made any false or fraudulent statements or representations in any matter within the jurisdiction of any agency of the United States. 5 U.S.C. 552a(i) makes it a misdemeanor punishable by a fine of not more than \$5,000 for any person knowingly and willfully to request or obtain any record concerning

an individual from the ASC under false pretenses. 5 U.S.C. 552a(i) (1) and (2) provide criminal penalties for certain violations of the Privacy Act by officers and employees of the ASC.

§ 1102.301 Definitions.

For purposes of this subpart:

(a) *ASC* means the Appraisal Subcommittee of the Federal Financial Institutions Examination Council.

(b) *Commercial use request* means a request from, or on behalf of, a requester who seeks records for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a request falls within this category, the ASC will determine the use to which a requester will put the records requested and seek additional information as it deems necessary.

(c) *Direct costs* means those expenditures the ASC actually incurs in searching for, duplicating, and, in the case of commercial requesters, reviewing records in response to a request for records.

(d) *Disclose or disclosure* mean to give access to a record, whether by producing the written record or by oral discussion of its contents. Where the ASC member or employee authorized to release ASC documents makes a determination that furnishing copies of the documents is necessary, these words include the furnishing of copies of documents or records.

(e) *Duplication* means the process of making a copy of a record necessary to respond to a request for records or for inspection of original records that contain exempt material or that cannot otherwise be directly inspected. Such copies can take the form of paper copy, microfilm, audiovisual records, or machine readable records (e.g., magnetic tape or computer disk).

(f) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of undergraduate or graduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(g) *Field review* includes, but is not limited to, formal and informal investigations of potential irregularities occurring at State appraiser regulatory agencies involving suspected violations of Federal or State civil or criminal laws, as well as such other investigations as may be conducted pursuant to law.

(h) *Non-commercial scientific institution* means an institution that is not operated on a commercial basis as that term is defined in paragraph (b) of this section, and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(i) *Record* includes records, files, documents, reports correspondence, books, and accounts, or any portion thereof, in any form the ASC regularly maintains them.

(j) *Representative of the news media* means any person primarily engaged in gathering news for, or a free-lance journalist who can demonstrate a reasonable expectation of having his or her work product published or broadcast by, an entity that is organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the general public.

(k) *Review* means the process of examining documents located in a response to a request that is for a commercial use to determine whether any portion of any document located is permitted to be withheld. It also includes processing any documents for disclosure, e.g., doing all that is necessary to excise them and otherwise prepare them for release. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(l) *Search* includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within records. Searches may be done manually and/or by computer using existing programming.

(m) *State appraiser regulatory agency* includes, but is not limited to, any board, commission, individual or other entity that is authorized by State law to license, certify, and supervise the activities or persons authorized to perform appraisals in connections with federally related transactions and real estate related financial transactions that require the services of a State licensed or certified appraiser.

[64 FR 72496, Dec. 23, 1999]

Title XI is intended "to provide that Federal financial and public policy interests in real estate related transactions will be protected by requiring that real estate appraisals utilized in connection with federally related transactions are performed in writing, in accordance with uniform standards, by individuals whose competency has been demonstrated and whose professional conduct will be subject to effective supervision." 12 U.S.C. 3331.

(b) *Functions.* The ASC's statutory functions are generally set out in 12 U.S.C. 3332. In summary, the ASC must:

(1) Monitor the requirements established by the States for the certification and licensing of individuals who are qualified to perform appraisals in connection with federally related transactions, including a code of professional responsibility;

(3) Monitor and review the practices, procedures, activities and organizational structure of the Appraisal Foundation; and

(4) Maintain a national registry of State certified and licensed appraisers eligible to perform appraisals in federally related transactions.

§ 1102.303 Organization and methods of operation.

(a) *Statutory and other guidelines.* Statutory requirements relating to the ASC's organization are stated in 12 U.S.C. 3310, 3333 and 3334. The ASC has adopted and published Rules of Operation guiding its administration, meetings and procedures. These Rules of Op-

Administrative support and substantive program, policy, and legal guidance for ASC activities are provided by a small, full-time, professional staff supervised by an Executive Director.

(c) *FFIEC.* Title XI placed the ASC within FFIEC as a separate, appropriated agency of the United States Government with specific statutory responsibilities under Federal law.

(d) *ASD Address* ASC offices are located at 2000 K Street, NW., Suite 310; Washington, DC 20006.

(E) A general index of the records referred to in paragraph (a)(2)(i)(D) of this section.

(ii) To the extent permitted by law, the ASC may delete identifying details when it makes available or publishes any records. (2) Information on the ASC's World Wide Web site is available to the public without charge. [59 FR 1902, Jan. 13, 1994, as amended at 64 FR 72497, Dec. 28, 1999]

§ 1102.306 Procedures for requesting records.

(a) *Making a request for records*. (1) The request shall be submitted in writing to the Executive Director:

(i) By facsimile clearly marked "Freedom of Information Act Request" to (202) 872-7501;

(ii) By letter to the Executive Director marked "Freedom of Information Act Request"; 2000 K Street, NW., Suite 301; Washington, DC 20006; or

(iii) By sending Internet e-mail to the Executive Director marked "Freedom of Information Act Request" at his or her e-mail address listed on the ASC's World Wide Web site.

(2) The request shall contain the following information:

(i) The name and address of the requester, an electronic mail address, if available, and the telephone number at which the requester may be reached during normal business hours;

(ii) Whether the requester is an educational institution, non-commercial scientific institution, or news media representative;

(iii) A statement agreeing to pay the applicable fees, or a statement identifying a maximum fee that is acceptable to the requester, or a request for a waiver or reduction of fees that satisfies paragraph (e)(1)(x) of this section; and

(iv) The preferred form and format of any responsive information requested, if other than paper copies.

(3) A request for identifiable records shall reasonably describe the records in a way that enables the ASC's staff to identify and produce the records with reasonable effort and without unduly burdening or significantly interfering with any ASC operations.

(b) *Defective requests.* The ASC need not accept or process a request that does not reasonably describe the records requested or that does not otherwise comply with the requirements of this subpart. The ASC may return a defective request, specifying the deficiency. The requester may submit a corrected request, which will be treated as a new request.

(c) *Processing requests.* (1) *Receipt of requests.* Upon receipt of any request that satisfies paragraph (a) of this section, the Executive Director shall assign the request to the appropriate processing track pursuant to this section. The date of receipt for any request, including one that is addressed incorrectly or that is referred by another agency, is the date the Executive Director actually receives the request.

(2) *Expedited processing.* (i) Where a person requesting expedited access to records has demonstrated a compelling need for the records, or where the ASC has determined to expedite the response, the ASC shall process the request as soon as practicable. To show a compelling need for expedited processing, the requester shall provide a statement demonstrating that:

(A) The failure to obtain the records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(B) The requester can establish that it is primarily engaged in information dissemination as its main professional occupation or activity, and there is urgency to inform the public of the government activity involved in the request; and

(C) The requester's statement must be certified to be true and correct to the best of the person's knowledge and belief and explain in detail the basis for requesting expedited processing.

(ii) The formality of the certification required to obtain expedited treatment may be waived by the Executive Director as a matter of administrative discretion.

(3) A requester seeking expedited processing will be notified whether expedited processing has been granted within ten (10) working days of the receipt of the request. If the request for expedited processing is denied, the requester may file an appeal pursuant to the procedures set forth in paragraph (g) of this section, and the ASC shall respond to the appeal within ten (10) working days after receipt of the appeal.

(4) *Priority of responses.* Consistent with sound administrative process, the ASC processes requests in the order they are received. However, in the ASC's discretion, or upon a court order in a matter to which the ASC is a party, a particular request may be processed out of turn.

(5) *Notification.* (i) The time for response to requests will be twenty (20) working days except:

(A) In the case of expedited treatment under paragraph (c)(2) of this section;

(B) Where the running of such time is suspended for the calculation of a cost estimate for the requester if the ASC determines that the processing of the request may exceed the requester's maximum fee provision or if the charges are likely to exceed \$250 as provided for in paragraph (e)(1)(iv) of this section;

(C) Where the running of such time is suspended for the payment of fees pursuant to the paragraph (c)(5)(i)(B) and (e)(1) of this section; or

(D) In unusual circumstances, as defined in 5 U.S.C. 552(a)(6)(B) and further described in paragraph (c)(5)(iii) of this section.

(ii) In unusual circumstances as referred to in paragraph (c)(5)(i)(D) of this section, the time limit may be extended for a period of:

(A) Ten (10) working days as provided by written notice to the requester, setting forth the reasons for the extension and the date on which a determination is expected to be dispatched; or

(B) Such alternative time period as agreed to by the requester or as reasonably determined by the ASC when the ASC notifies the requester that the request cannot be processed in the specified time limit.

(iii) Unusual circumstances may arise when:

(A) The records are in facilities that are not located at the ASC's Washington office;

(B) The records requested are voluminous or are not in close proximity to one another; or

(C) There is a need to consult with another agency or among two or more components of the ASC having a substantial interest in the determination.

(6) *Response to request.* In response to a request that satisfies the requirements of paragraph (a) of this section, a search shall be conducted of records maintained by the ASC in existence on the date of receipt of the request, and a review made of any responsive information located. To the extent permitted by law, the ASC may redact identifying details when it makes available or publishes any records. If redaction is appropriate, the ASC will, to the extent technically feasible, indicate the amount of material deleted at the place in the record where such deletion is made unless that indication in and of itself will jeopardize the purpose for the redaction. The ASC shall notify the requester of:

(i) The ASC's determination of the request;

(ii) The reasons for the determination;

(iii) If the response is a denial of an initial request or if any information is withheld, the ASC will advise the requester in writing:

(A) If the denial is in part or in whole;

(B) The name and title of each person responsible for the denial (when other than the person signing the notification);

(C) The exemptions relied on for the denial; and

(D) The right of the requester to appeal the denial to the Chairman of the ASC within 30 business days following receipt of the notification, as specified in paragraph (h) of this section.

(d) *Providing responsive records.* (1) Copies of requested records shall be sent to the requester by regular U.S. mail to the address indicated in the request, unless the requester elects to take delivery of the documents at the ASC or makes other acceptable arrangements, or the ASC deems it appropriate to send the documents by another means.

(2) The ASC shall provide a copy of the record in any form or format requested if the record is readily reproducible by the ASC in that form or format, but the ASC need not provide more than one copy of any record to a requester.

(3) By arrangement with the requester, the ASC may elect to send the responsive records electronically if a substantial portion of the request is in electronic format. If the information requested is made pursuant to the Privacy Act of 1974, 5 U.S.C. 552a, it will not be sent by electronic means unless reasonable security measures can be provided.

(e) *Fees*—(1) *General rules.* (i) Persons requesting records of the ASC shall be charged for the direct costs of search, duplication, and review as set forth in paragraphs (e)(2) and (e)(3) of this section, unless such costs are less than the ASC's cost of processing the requester's remittance.

(ii) Requesters will be charged for search and review costs even if responsive records are not located or, if located, are determined to be exempt from disclosure.

(iii) Multiple requests seeking similar or related records from the same requester or group of requesters will be aggregated for the purposes of this section.

(iv) If the ASC determines that the estimated costs of search, duplication, or review of requested records will exceed the dollar amount specified in the request, or if no dollar amount is specified, the ASC will advise the requester of the estimated costs. The requester must agree in writing to pay the costs of search, duplication, and review prior to the ASC initiating any records search.

(v) If the ASC estimates that its search, duplication, and review costs will exceed \$250, the requester must pay an amount equal to 20 percent of the estimated costs prior to the ASC initiating any records search.

(vi) The ASC ordinarily will collect all applicable fees under the final invoice before releasing copies of requested records to the requester.

(vii) The ASC may require any requester who has previously failed to pay charges under this section within 30 calendar days of mailing of the invoice to pay in advance the total estimated costs of search, duplication, and review. The ASC also may require a requester who has any charges outstanding in excess of 30 calendar days following mailing of the invoice to pay the full amount due, or demonstrate that the fee has been paid in full, prior to the ASC initiating any additional records search.

(viii) The ASC may begin assessing interest charges on unpaid bills on the 31st day following the day on which the invoice was sent. Interest will be at the rate prescribed in §3717 of title 31 of the United States Code and will accrue from the date of the invoice.

(ix) The time limit for the ASC to respond to a request will not begin to run until the ASC has received the requester's written agreement under paragraph (e)(1)(iv) of this section, and advance payment under paragraph (e)(1)(v) or (vii) of this section, or payment of outstanding charges under paragraph (e)(1)(vii) or (viii) of this section.

(x) As part of the initial request, a requester may ask that the ASC waive

or reduce fees if disclosure of the records is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. Determinations as to a waiver or reduction of fees will be made by the Executive Director (or designee), and the requester will be notified in writing of his or her determination. A determination not to grant a request for a waiver or reduction of fees under this paragraph may be appealed to the ASC's Chairman pursuant to the procedure set forth in paragraph (g) of this section.

(2) *Chargeable fees by category of requester.* (i) Commercial use requesters shall be charged search, duplication, and review costs.

(ii) Educational institutions, non-commercial scientific institutions, and news media representatives shall be charged duplication costs, except for the first 100 pages.

(iii) Requesters not described in paragraph (e)(2)(i) or (ii) of this section shall be charged the full reasonable direct cost of search and duplication, except for the first two hours of search time and first 100 pages of duplication.

(3) *Fee schedule.* The dollar amount of fees which the ASC may charge to records requesters will be established by the Executive Director. The ASC may charge fees that recoup the full allowable direct costs it incurs. Fees are subject to change as costs change. The fee schedule will be published periodically on the ASC's Internet World Wide Web site (<http://www.asc.gov>) and will be effective on the date of publication. Copies of the fee schedule may be obtained by request at no charge by contacting the Executive Director by letter, Internet email or facsimile.

(i) *Manual searches for records.* The ASC will charge for manual searches for records at the basic rate of pay of the employee making the search plus 16 percent to cover employee benefit costs.

(ii) *Computer searches for records.* The fee for searches of computerized records is the actual direct cost of the

search, including computer time, computer runs, and the operator's time apportioned to the search multiplied by the operator's basic rate of pay plus 16 percent to cover employee benefit costs.

(iii) *Duplication of records.* (A) The per-page fee for paper copy reproduction of documents is \$.25.

(B) For other methods of reproduction or duplication, the ASC will charge the actual direct costs of reproducing or duplicating the documents, including each involved employee's basic rate of pay plus 16 percent to cover employee benefit costs.

(iv) *Review of records.* The ASC will charge commercial use requesters for the review of records at the time of processing the initial request to determine whether they are exempt from mandatory disclosure at the basic rate of pay of the employee making the search plus 16 percent to cover employee benefit costs. The ASC will not charge at the administrative appeal level for review of an exemption already applied. When records or portions of records are withheld in full under an exemption which is subsequently determined not to apply, the ASC may charge for a subsequent review to determine the applicability of other exemptions not previously considered.

(v) *Other services.* Complying with requests for special services, other than a readily produced electronic form or format, is at the ASC's discretion. The ASC may recover the full costs of providing such services to the requester.

(4) *Use of contractors.* The ASC may contact with independent contractors to locate, reproduce, and/or disseminate records; provided, however, that the ASC has determined that the ultimate cost to the requester will be no greater than it would be if the ASC performed these tasks itself. In no case will the ASC contract our responsibilities which FOIA provides that the ASC alone may discharge, such as determining the applicability of an exemption or whether to waive or reduce fees.

(f) *Exempt information.* A request for records may be denied if the requested record contains information that falls into one or more of the following cat-

egories.¹ If the requested record contains both exempt and nonexempt information, the nonexempt portions, which may reasonable be segregated from the exempt portions, will be released to the requester. If redaction is necessary, the ASC will, to the extent technically feasible, indicate the amount of material deleted at the place in the record where such deletion is made unless that indication in and of itself will jeopardize the purpose for the redaction. The categories of exempt records are as follows:

(1) Records that are specifically authorized under criteria established by an Executive Order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive Order;

(2) Records related solely to the internal personnel rules and practices of the ASC;

(3) Records specifically exempted from disclosure by statute, provided that such statute:

(i) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue; or

(ii) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(4) Trade secrets and commercial or financial information obtained from a person that is privileged or confidential;

(5) Interagency or intra-agency memoranda or letters that would not be available by law to a private party in litigation with the ASC;

(6) Personnel, medical, and similar files (including financial files) the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(7) Records compiled for law enforcement purposes, but only to the extent

¹Classification of a record as exempt from disclosure under the provisions of this paragraph (f) shall not be construed as authority to withhold the record if it is otherwise subject to disclosure under the Privacy Act of 1974 (5 U.S.C. 552a) or other Federal statute, any applicable regulation of ASC or any other Federal agency having jurisdiction thereof, or any directive or order of any court of competent jurisdiction.

that the production of such law enforcement records:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished records on a confidential basis;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual;

(7) Records that are contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of the ASC or any agency responsible for the regulation or supervision of financial institutions; or

(8) Geological and geophysical information and data, including maps, concerning wells.

(g) *Appeals.* (1) Appeals should be addressed to the Executive Director; ASC; 2000 K Street, NW., Suite 310; Washington, DC 20006.

(2) A person whose initial request for records under this section, or whose request for a waiver of fees under paragraph (e)(1)(x) of this section, has been denied, either in part or in whole, has the right to appeal the denial to the ASC's Chairman (or designee) within 30 business days after receipt of notification of the denial. Appeals of denials of initial requests or for a waiver of fees must be in writing and include any additional information relevant to consideration of the appeal.

(3) Except in the case of an appeal for expedited treatment under paragraph (c)(3) of this section, the ASC will notify the appellant in writing within 20

business days after receipt of the appeal and will state:

(i) Whether it is granted or denied in whole or in part;

(ii) The name and title of each person responsible for the denial (if other than the person signing the notification);

(iii) The exemptions relied upon for the denial in the case of initial requests for records; and

(iv) The right to judicial review of the denial under the FOIA.

(4) If a requester is appealing for denial of expedited treatment, the ASC will notify the appellant within ten business days after receipt of the appeal of the ASC's disposition.

(5) Complete payment of any outstanding fee invoice will be required before an appeal is processed.

(h) *Records of another agency.* If a requested record is the property of another Federal agency or department, and that agency or department, either in writing or by regulation, expressly retains ownership of such record, upon receipt of a request for the record the ASC will promptly inform the requester of this ownership and immediately shall forward the request to the proprietary agency or department either for processing in accordance with the latter's regulations or for guidance with respect to disposition.

§ 1102.307 Disclosure of exempt records.

(a) *Disclosure prohibited.* Except as provided in paragraph (b) of this section or by 12 CFR part 1102, subpart C, no person shall disclose or permit the disclosure of any exempt records, or information contained therein, to any persons other than those officers, directors, employees, or agents of the ASC or a State appraiser regulatory agency who has a need for such records in the performance of their official duties. In any instance in which any person has possession, custody or control of ASC exempt records or information contained therein, all copies of such records shall remain the property of the ASC and under no circumstances shall any person, entity or agency disclose or make public in any manner the exempt records or information without

written authorization from the Executive Director, after consultation with the ASC General Counsel.

(b) *Disclosure authorized.* Exempt records or information of the ASC may be disclosed only in accordance with the conditions and requirements set forth in this paragraph (b). Requests for discretionary disclosure of exempt records of information pursuant to this paragraph (b) may be submitted directly to the Executive Director. Such administrative request must clearly state that it seeks discretionary disclosure of exempt records, clearly identify the records sought, provide sufficient information for the ASC to evaluate whether there is good cause for disclosure, and meet all other conditions set forth in paragraph (b)(1) through (3) of this section. Authority to disclose or authorize disclosure of exempt records of the ASC is delegated to the Executive Director, after consultation with the ASC General Counsel.

(1) *Disclosure by Executive Director.* (i) The Executive Director, or designee, may disclose or authorize the disclosure of any exempt record in response to a valid judicial subpoena, court order, or other legal process, and authorize any current or former member, officer, employee, agent of the ASC, or third party, to appear and testify regarding an exempt record or any information obtained in the performance of such person's official duties, at any administrative or judicial hearing or proceeding where such person has been served with a valid subpoena, court order, or other legal process requiring him or her to testify. The Executive Director shall consider the relevancy of such exempt records or testimony to the litigation, and the interests of justice, in determining whether to disclose such records or testimony. Third parties seeking disclosure of exempt records or testimony in litigation to which the ASC is not a party shall submit a request for discretionary disclosure directly to the Executive Director. Such requests shall specify the information sought with reasonable particularity and shall be accompanied by a statement with supporting documentation showing in detail the relevance of such exempt information to the litigation, justifying good cause for disclo-

sure, and a commitment to be bound by a protective order. Failure to exhaust such administration request prior to service of a subpoena or other legal process may, in the Executive Director's discretion, serve as a basis for objection to such subpoena or legal process.

(ii) The Executive Director, or designee, may in his or her discretion and for good cause, disclose or authorize disclosure of any exempt record or testimony by a current or former member, officer, employee, agent of the ASC, or third party, sought in connection with any civil or criminal hearing, proceeding or investigation without the service of a judicial subpoena, or other legal process requiring such disclosure or testimony. If he or she determines that the records or testimony are relevant to the hearing, proceeding or investigation and that disclosure is in the best interests of justice and not otherwise prohibited by Federal statute. Where the Executive Director or designee authorizes a current or former member, officer, director, employee or agent of the ASC to testify or disclose exempt records pursuant to this paragraph (b)(1), he or she may, in his or her discretion, limit the authorization to so much of the record or testimony as is relevant to the issues at such hearing, proceeding or investigation, and he or she shall give authorization only upon fulfillment of such conditions as he or she deems necessary and practicable to protect the confidential nature of such records or testimony.

(2) *Authorization for disclosure by the Chairman of the ASC.* Except where expressly prohibited by law, the Chairman of the ASC may, in his or her discretion, authorize the disclosure of any ASC records. Except where disclosure is required by law, the Chairman may direct any current or former member, officer, director, employee or agent of the ASC to refuse to disclose any record or to give testimony if the Chairman determines, in his or her discretion, that refusal to permit such disclosure is in the public interest.

(3) *Limitations on disclosure.* All steps practicable shall be taken to protect the confidentiality of exempt records and information. Any disclosure permitted by paragraph (b) of this section

is discretionary and nothing in paragraph (b) of this section shall be construed as requiring the disclosure of information. Further, nothing in paragraph (b) of this section shall be construed as restricting, in any manner, the authority of the ASC, the Chairman of the ASC, the Executive Director, the ASC General Counsel, or their designees, in their discretion and in light of the facts and circumstances attendant in any given case, to require conditions upon, and to limit, the form, manner, and extent of any disclosure permitted by this section. Whenever practicable, disclosure of exempt records shall be made pursuant to a protective order and redacted to exclude all irrelevant or non-responsive exempt information.

[64 FR 72500, Dec. 28, 1999]

§ 1102.308 Right to petition for issuance, amendment and repeal of rules of general application.

Any person desiring the issuance, amendment or repeal of a rule of general application may file a petition for those purposes with the Executive Director of the ASC. The petition shall include a statement setting forth the text or substance of any proposed rule or amendment desired or shall specify the rule for which repeal is desired. The petitioner also shall state the nature of his or her interest and the reasons for seeking ASC action. The Executive Director shall acknowledge receipt of the petition within ten business days of receipt. As soon as reasonably practicable, the ASC shall consider the petition and related staff recommendations and shall take such action as it deems appropriate. The Executive Director shall notify the petitioner in writing of the ASC action within ten business days of the action.

§ 1102.309 Confidential treatment procedures.

(a) *In general.* Any submitter of written information to the ASC who desires that some or all of his or her submission be afforded confidential treatment under 5 U.S.C. 552(b)(4) (*i.e.*, trade secrets and commercial or financial information obtained from a person and

privileged or confidential) shall file a request for confidential treatment with the Executive Director of the ASC at the time the written information is submitted to the ASC or within ten business days thereafter. Nothing in this section limits the authority of the ASC and its staff to make determinations regarding access to documents under this subpart.

(b) *Form of request.* A request for confidential treatment shall be submitted in a separate letter or memorandum conspicuously entitled, "Request for Confidential Treatment." Each request shall state in reasonable detail the facts and arguments supporting the request and its legal justification. If the submitter had been required by the ASC to provide the particular information, conclusory statements that the information would be useful to competitors or would impair sales or similar statements generally will not be considered sufficient to justify confidential treatment. When the submitter had voluntarily provided the particular information to the ASC, the submitter must specifically identify the documents or information which are of a kind the submitter would not customarily make available to the public.

(c) *Designation and separation of confidential material.* Submitters shall clearly designate all information considered confidential and shall clearly separate such information from other non-confidential information, whenever possible.

(d) *ASC action on request.* A request for confidential treatment of information will be considered only in connection with a request for access to the information under FOIA as implemented by this subpart. Upon the receipt of a request for access, the Executive Director or his or her designee ("ASC Officer") as soon as possible shall provide the submitter with a written notice describing the request and shall provide the submitter with a reasonable opportunity, no longer than ten business days, to submit written objections to disclosure of the information. Notice may be given orally, and such notice shall be promptly confirmed in writing. The ASC Officer may provide a submitter with a notice if the submitter

§ 1102.310

did not request confidential treatment of the requested information. If the ASC required the submitter to provide the requested information, the ASC Officer would need substantial reason to believe that disclosure of the requested information would result in substantial competitive harm to the submitter. If the submitter provided the information voluntarily to the ASC, the ASC officer would need to believe that the information is of a kind the submitter would not customarily make available to the public. The ASC Officer similarly shall notify the person seeking disclosure of the information under FOIA of the existence of a request for confidential treatment. These notice requirements need not be followed if the ASC Officer determines under this subpart that the information should not be disclosed; the information has been published or has been officially made available to the public; disclosure of the information is required by law (other than FOIA); or the submitter's request for confidential treatment appears obviously frivolous, in such instance the submitter shall be given written notice of the determination to disclose the information at least five business days prior to release. The ASC Officer shall carefully consider the issues involved, and if disclosure of the requested information is warranted, a written notice, containing a brief description of why the submitter's objections were not sustained, must be forwarded to the submitter within ten business days. The time for response may be extended up to ten additional business days, as provided in 5 U.S.C. 552(a)(6)(B), or for other periods by agreement between the requester and the ASC Officer. This notice shall be provided to the submitter at least five business days prior to release of the requested information.

(e) *Notice of lawsuit.* The ASC Officer shall notify a submitter of any filing of any suit against the ASC pursuant to 5 U.S.C. 552 to compel disclosure of documents or information covered by the submitter's request for confidential treatment within ten business days of service of the suit. The ASC Officer also shall notify the requester of the documents or information of any suit filed by the submitter against the ASC

12 CFR Ch. XI (1-1-03 Edition)

to enjoin their disclosure within ten business days of service of the suit.

§ 1102.310 Service of process.

(a) *Service.* Any subpoena or other legal process to obtain information maintained by the ASC shall be duly issued by a court having jurisdiction over the ASC, and served upon the Chairman ASC; 2000 K Street, NW., Suite 310; Washington, DC 20006. Where the ASC is named as a party, service of process shall be made pursuant to the Federal Rules of Civil Procedure upon the Chairman at the above address. The Chairman shall immediately forward any subpoena, court order or legal process to the General Counsel. If consistent with the terms of the subpoena, court order or legal process, the ASC may require the payment of fees, in accordance with the fee schedule referred to in §1102.306(e) prior to the release of any records requested pursuant to any subpoena or other legal process.

(b) *Notification by person served.* If any current or former member, officer, employee or agent of the ASC, or any other person who has custody of records belonging to the ASC, is served with a subpoena, court order, or other process requiring that person's attendance as a witness concerning any matter related to official duties, or the production of any exempt record of the ASC, such person shall promptly advise the Executive Director of such service, the testimony and records described in the subpoena, and all relevant facts that may assist the Executive Director, in consultation with the ASC General Counsel, in determining whether the individual in question should be authorized to testify or the records should be produced. Such person also should inform the court or tribunal that issued the process and the attorney for the party upon whose application the process was issued, if known, of the substance of this section.

(c) *Appearance by person served.* Absent the written authorization of the Executive Director or designee to disclose the requested information, any current or former member, officer, employee, or agent of the ASC, and any other person having custody of records

Federal Financial Institutions Examination Council

§ 1102.310

of the ASC, who is required to respond to a subpoena or other legal process, shall attend at the time and place therein specified and respectfully de-

cline to produce any such record or give any testimony with respect thereto, basing such refusal on this section.

Subpart A [Reserved]

Subpart B—Availability of Records of the Farm Credit System Insurance Corporation

§ 1402.10 Official records of the Farm Credit System Insurance Corporation.

(a) The Farm Credit System Insurance Corporation shall, upon any request for records which reasonably describes them and is made in accordance with the provisions of this subpart, make the records available as promptly as practicable to any person, except exempt records, which include the following:

- (1) Records specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive order;
- (2) Records related solely to the internal personnel rules and practices of the Farm Credit System Insurance Corporation, including matters which are for the guidance of agency personnel;
- (3) Records which are specifically exempted from disclosure by statute;
- (4) Trade secret, commercial, proprietary, or financial information obtained from any person or organization and privileged or confidential;
- (5) Inter-agency or intra-agency memorandums or letters which would not be available by law to a private party in litigation with the Farm Credit System Insurance Corporation or in litigation in which the United States, as a real party in interest on behalf of the Farm Credit System Insurance Corporation, is a party;
- (6) Personnel and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;
- (7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:
 - (i) Could reasonably be expected to interfere with enforcement proceedings;
 - (ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by criminal law enforcement authority in the course of a criminal investigation or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual; and

(8) Records of or related to examination, operation, reports of condition and performance, or reports of or related to Farm Credit System institutions and that are prepared by, on behalf of, or for the use of the Farm Credit System Insurance Corporation.

(b) Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are exempt under this section.

(c) This section does not authorize withholding of information or limit the availability of records to the public, except as specifically stated in this section. This section is not authority to withhold information from Congress.

§ 1402.11 Current index.

The Farm Credit System Insurance Corporation will make available for public inspection and copying a current index to provide identifying information as to any matter required by 5 U.S.C. 552(a)(2)(C) to be made available or published in the FEDERAL REGISTER. Because of the anticipated infrequency of requests for material required to be indexed, it is determined that the publication of the index in the FEDERAL

Farm Credit System Insurance Corp.

§ 1402.14

REGISTER is unnecessary and impracticable. However, the Farm Credit System Insurance Corporation will provide a copy of such index to a member of the public upon request therefor at a cost not in excess of the direct cost of duplication.

§ 1402.12 Identification of records requested.

A member of the public who requests records from the Farm Credit System Insurance Corporation shall provide a reasonable description of the records sought including, where possible, specific information as to dates, titles, and subject matter, so that such records may be located without undue search or inquiry. If a record is not identified by a reasonable description, the request therefor may be denied.

§ 1402.13 Request for records.

Requests for records shall be in writing and addressed to the attention of the Freedom of Information Officer, Farm Credit System Insurance Corporation, McLean, Virginia 22102. A request improperly addressed will be deemed not to have been received for purposes of the 20-day time period set forth in §1402.14(a) of this part until it is received, or would have been received, by the Freedom of Information Officer, with the exercise of due diligence by Corporation personnel. Records requested in conformance with this subpart and which are not exempt records may be received in person or by mail as specified in the request. Records to be received in person will be available for inspection or copying during business hours on a regular business day in the office of the Farm Credit System Insurance Corporation, 1501 Farm Credit Drive, McLean, Virginia, 22102.

[62 FR 49593, Sept. 23, 1997]

§ 1402.14 Response to requests for records.

(a) Within 20 days (excluding Saturdays, Sundays, and legal public holidays), or any extensions thereof as provided in paragraph (d) of this section, of the receipt of a request by the Freedom of Information Officer, the Freedom of Information Officer shall determine whether to comply with or deny

such a request and transmit a written notice thereof to the requester.

(b) Within 30 days of the receipt of a notice denying, in whole or in part, a request for records, the requester may appeal the denial. The appeal shall be in writing addressed to the Chief Financial Officer, Farm Credit System Insurance Corporation, and both the letter and envelope shall be clearly marked "FOIA Appeal." An appeal improperly addressed shall be deemed not to have been received for purposes of the 20-day time period set forth in paragraph (c) of this section until it is received, or would have been received with the exercise of due diligence by Farm Credit System Insurance Corporation personnel.

(c) Within 20 days (excluding Saturdays, Sundays, and legal public holidays), or any extension thereof as provided in paragraph (d) of this section, of the receipt of an appeal, the Farm Credit System Insurance Corporation shall act upon the appeal and place a notice of the determination thereof in writing in the mail addressed to the requester. If the determination on the appeal upholds in whole or in part the denial of the request for records, or, if a determination on the appeal has not been mailed at the end of the 20-day period or the last extension thereof, the requester is deemed to have exhausted that person's administrative remedies, giving rise to a right of review in a district court of the United States as specified in 5 U.S.C. 552(a)(4). When a determination cannot be mailed within the applicable time limit, the appeal will nevertheless be processed. In such case, upon the expiration of the time limit, the requester will be informed of the reason for the delay, of the date on which a determination may be expected to be mailed, and of that person's right to seek judicial review. The requester may be asked to forego judicial review until determination of the appeal.

(d) In "unusual circumstances," the 20-day time limit prescribed in paragraphs (a) and (c) of this section, or both, may be extended by the Freedom of Information Officer or, in the case of an appeal, by the General Counsel, provided that the total of all extensions

§ 1402.15

12 CFR Ch. XIV (1-1-03 Edition)

does not exceed 10 days (excluding Saturdays, Sundays, and legal public holidays). Extensions shall be made by written notice to the requester setting forth the reason for the extension and the date on which a determination is expected to be dispatched. As used in this paragraph, “unusual circumstances” means, but only to the extent reasonably necessary to the proper processing of the request:

(1) The need to search for and collect the requested records from facilities or other establishments that are separate from the office processing the request;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more components of the agency having a substantial subject matter interest therein.

(e) A requester may obtain, upon request, expedited processing of a request for records when the requester demonstrates a “compelling need” for the information. The Freedom of Information Officer will notify the requester within 10 calendar days after receipt of such a request whether the Corporation granted expedited processing. If expedited processing was granted, the request will be processed as soon as practicable.

(1) For the purposes of this paragraph, “compelling need” means:

(i) That a failure to obtain requested records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(ii) With respect to a request made by a person primarily engaged in disseminating information, urgency to inform the public concerning actual or alleged Federal Government activity.

(2) A requester shall demonstrate a compelling need by a statement certified by the requester to be true and correct to the best of such person’s knowledge and belief.

(3) The procedures of this paragraph (e) for expedited processing apply to

both requests for information and to administrative appeals.

§ 1402.15 Business information.

(a) Business information provided to the Farm Credit System Insurance Corporation by a business submitter shall not be disclosed pursuant to a Freedom of Information Act request except in accordance with this section. The requirements of this section shall not apply if:

(1) The Farm Credit System Insurance Corporation determines that the information should not be disclosed;

(2) The information lawfully has been published or otherwise made available to the public; or

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552).

(b) For the purpose of this section, the following definitions shall apply.

(1) *Business information* means trade secrets or other commercial or financial information.

(2) *Business submitter* means any person or entity which provides business information to the government.

(3) *Requester* means the person or entity making the Freedom of Information Act request.

(c)(1) The Freedom of Information Officer shall, to the extent permitted by law, provide a business submitter with prompt written notice of a request encompassing its business information whenever required under paragraph (d) of this section. Such notice shall either describe the exact nature of the business information requested or provide copies of the records or portions thereof containing the business information.

(2) Whenever the Freedom of Information Officer provides a business submitter with the notice set forth in paragraph (c)(1) of this section, the Freedom of Information Officer shall notify the requester that the request includes information that may arguably be exempt from disclosure under 5 U.S.C. 552(b)(4) and that the person or entity who submitted the information to the Farm Credit System Insurance Corporation has been given the opportunity to comment on the proposed disclosure of information.

Farm Credit System Insurance Corp.

§ 1402.20

(d)(1) The Farm Credit System Insurance Corporation shall provide a business submitter with notice of a request whenever:

(i) The business submitter has in good faith designated the information as commercially or financially sensitive information; or

(ii) The Farm Credit System Insurance Corporation has reason to believe that the disclosure of the information may result in commercial or financial injury to the business submitter.

(2) Notice of a request for business information falling within paragraph (d)(1)(i) of this section shall be required for a period of not more than 10 years after the date of submission unless the business submitter requests and provides acceptable justification for a specific notice period of greater duration.

(3) Whenever possible, the business submitter's claim of confidentiality should be supported by a statement or certification by an officer or authorized representative of the business submitter that the information in question is in fact a trade secret or commercial or financial information that is privileged or confidential.

(e) Through the notice described in paragraph (c) of this section, the Farm Credit System Insurance Corporation shall, to the extent permitted by law, afford a business submitter a reasonable period within which it can provide the Farm Credit System Insurance Corporation with a detailed statement of any objection to disclosure. Such statement shall specify all grounds for withholding any of the information under any exemption of the Freedom of Information Act and, in the case of the exemption provided by 5 U.S.C. 552(b)(4), shall demonstrate why the information is contended to be a trade secret or commercial or financial information that is privileged or confidential. Information provided by a business submitter pursuant to this paragraph may itself be subject to disclosure under the Freedom of Information Act.

(f)(1) The Farm Credit System Insurance Corporation shall consider carefully a business submitter's objections and specific grounds for nondisclosure prior to determining whether to disclose business information. Whenever the Farm Credit System Insurance Cor-

poration decides to disclose business information over the objection of a business submitter, the Freedom of Information Officer shall forward to the business submitter a written notice which shall include:

(i) A statement of the reasons for which the business submitter's disclosure objections were not sustained;

(ii) A description of the business information to be disclosed; and

(iii) A specified disclosure date.

(2) The notice of intent to disclose required by this paragraph shall be sent, to the extent permitted by law, within a reasonable number of days prior to the specified date upon which disclosure is intended.

(3) The Freedom of Information Officer shall send a copy of such disclosure notice to the requester at the same time the notice is sent to the business submitter.

(g) Whenever a requester brings suit seeking to compel disclosure of business information covered by paragraph (d) of this section, the Farm Credit System Insurance Corporation shall promptly notify the business submitter of such action.

Subpart C—Fees for Provision of Information

§ 1402.20 Definitions.

For the purpose of this subpart, the following definitions shall apply:

(a) *Commercial use request* means a request for information that is from or on behalf of an individual or entity seeking information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or on whose behalf the request is being made. To determine whether a request is properly classified as a commercial use request, the Farm Credit System Insurance Corporation shall determine the purpose for which the documents requested will be used. If the Farm Credit System Insurance Corporation has reasonable cause to doubt the purpose specified in the request, for which a requester will use the records sought, or where the purpose is not clear from the request itself, the Farm Credit System Insurance Corporation

§ 1402.20

12 CFR Ch. XIV (1-1-03 Edition)

shall seek additional clarification before assigning the request to a specified category.

(b) *Direct costs* means those expenditures the Farm Credit System Insurance Corporation actually incurs in searching for and reproducing documents to respond to a request for information. In the case of a commercial use request, the term also means those expenditures the Farm Credit System Insurance Corporation actually incurs in reviewing documents to respond to the request. The direct cost shall include the salary of the employee performing work (the basic rate of pay for the employee plus 16 percent of that rate to cover benefits) and the cost of operating reproduction equipment. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored.

(c) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of undergraduate higher education, an institution of graduate higher education, an institution of professional education, and an institution of vocational education that operates a program or programs of scholarly research.

(d) *Noncommercial scientific institution* refers to an institution that is not operated on a commercial, trade, or profit basis and that is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(e) *Representative of the news media* means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term *news* means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when the periodicals can qualify as disseminators of "news") who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. As traditional methods of news

delivery evolve (e.g., electronic dissemination of newspapers through telecommunication services), such alternative media would be included in this category. "Freelance" journalists may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization even though they are not actually employed by the organization. A publication contract would be the clearest proof that a journalist is working for a news organization, but the Farm Credit System Insurance Corporation may look to a requester's past publication record to determine whether a journalist is working for a news organization.

(f) *Reproduce* and *reproduction* mean the process of making a copy of a document necessary to respond to a request for information. Such copies take the form of paper copy, microfilm, audiovisual materials, or machine readable documentation (e.g., magnetic tape or disk), among others. The copy provided shall be in a form that is reasonably usable by requesters.

(g) *Review* means the process of examining documents located in response to a request for information to determine whether any portion of any document located is permitted to be withheld. It also includes processing any documents for disclosure (e.g., doing all that is necessary to prepare the documents for release). The term review does not include the time spent resolving general legal or policy issues regarding the application of exemptions. The Farm Credit System Insurance Corporation shall only charge fees for reviewing documents in response to a commercial use request.

(h) *Search* includes all time spent looking for material that is responsive to a request for information, including page-by-page or line-by-line identification of material within documents. Searching for material shall be done in the most efficient and least expensive manner so as to minimize the costs of the Farm Credit System Insurance Corporation and the requester. For example, a line-by-line search for responsive material should not be performed when merely reproducing an entire document would be the less expensive and the

faster method of complying with a request for information. Searches may be done manually or by computer using existing programming. A "search" for material that is responsive to a request should be distinguished from a "review" of material to determine whether the material is exempt from disclosure.

§ 1402.21 Categories of requesters—fees.

There are four categories of requesters: Commercial use requesters; educational and noncommercial scientific institutions; representatives of the news media; and all other requesters.

(a) The Farm Credit System Insurance Corporation shall charge fees for records requested by or on behalf of educational institutions and noncommercial scientific institutions in an amount which equals the cost of reproducing the documents responsive to the request, excluding the costs of reproducing the first 100 pages. For a request to be included in this category, requesters must show that the request being made is authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use but are sought in furtherance of scholarly research (if the request is from an educational institution) or scientific research (if the request is from a noncommercial scientific institution).

(b) The Farm Credit System Insurance Corporation shall charge fees for records requested by representatives of the news media in an amount which equals the cost of reproducing the documents responsive to the request, excluding the costs of reproducing the first 100 pages. For a request to be included in this category, the requester must qualify as a representative of the news media and the request must not be made for a commercial use. A request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use.

(c) The Farm Credit System Insurance Corporation shall charge fees for records requested by persons or entities making a commercial use request in an amount that equals the full direct costs for searching for, reviewing

for release, and reproducing the records sought. Commercial use requesters are not entitled to 2 hours of free search time nor 100 free pages of reproduction of documents. In accordance with §1402.26, commercial use requesters may be charged the costs of searching for and reviewing records even if there is ultimately no disclosure of records.

(d) The Farm Credit System Insurance Corporation shall charge fees for records requested by persons or entities that are not classified in any of the categories listed in paragraphs (a), (b), or (c) of this section in an amount that equals the full reasonable direct cost of searching for and reproducing records that are responsive to the request, excluding the first 2 hours of search time and the cost of reproducing the first 100 pages of records. In accordance with §1402.26, requesters in this category may be charged the cost of searching for records even if there is ultimately no disclosure of records, excluding the first 2 hours of search time.

(e) For purposes of the exceptions contained in this section on assessment of fees, the word *pages* refers to paper copies of "8½ × 11" or "11 × 14." Thus, requesters are not entitled to 100 microfiche or 100 computer disks, for example. A microfiche containing the equivalent of 100 pages or a computer disk containing the equivalent of 100 pages of computer printout meets the terms of the exception.

(f) For purposes of paragraph (d) of this section, the term *search time* has as its basis, manual search. To apply this term to searches made by computer, the Farm Credit System Insurance Corporation will determine the hourly cost of operating the central processing unit and the operator's hourly salary plus 16 percent of that rate. When the cost of search (including the operator time and the cost of operating the computer to process a request) equals the equivalent dollar amount of 2 hours of the salary of the person performing the search, i.e., the operator, the Farm Credit System Insurance Corporation will begin assessing charges for computer search.

§ 1402.22 Fees to be charged.

(a) Generally, the fees charged for requests for records shall cover the full

§ 1402.23

allowable direct costs of searching for, reproducing, and reviewing documents that are responsive to a request for information.

(b) Manual searches for records will be charged at the salary rate(s) (i.e., basic pay plus 16 percent of that rate) of the employee(s) making the search.

(c) Computer searches for records will be charged at the actual direct cost of providing the service. This will include the cost of operating the central processing unit for that portion of operating time that is directly attributable to searching for records and the operator/programmer salary apportionable to the search. A charge shall also be made for any substantial amounts of special supplies or materials used to contain, present, or make available the output of computers, based upon the prevailing levels of costs to the Farm Credit System Insurance Corporation for the type and amount of such supplies of materials that are used. Nothing in this paragraph shall be construed to entitle any person or entity, as a right, to any services in connection with computerized records, other than services to which such person or entity may be entitled under the provisions of this subpart.

(d) Only requesters who are seeking documents for commercial use may be charged for time spent reviewing records to determine whether they are exempt from mandatory disclosure. Charges may be assessed only for the initial review; i.e., the review undertaken the first time the Farm Credit System Insurance Corporation analyzes the applicability of a specific exemption to a particular record or portion of a record. Records or portions of records withheld in full under an exemption that is subsequently determined not to apply may be reviewed again to determine the applicability of other exemptions not previously considered. The costs for such a subsequent review is assessable.

(e) Records will be reproduced at a rate of \$.15 per page. For copies prepared by computer, such as tapes or printouts, the requester shall be charged the actual cost, including operator time, of production of the tape or printout. For other methods of re-

12 CFR Ch. XIV (1-1-03 Edition)

production, the actual direct costs of producing the document(s) shall be charged.

(f) The Farm Credit System Insurance Corporation will recover the full costs of providing services such as those enumerated below when it elects to provide them:

(1) Certifying that records are true copies; or

(2) Sending records by special methods such as express mail.

(g) Remittances shall be in the form either of a personal check or bank draft drawn on a bank in the United States, or a postal money order. Remittances shall be made payable to the order of the Farm Credit System Insurance Corporation.

(h) A receipt for fees paid will be given upon request.

§ 1402.23 Waiver or reduction of fees.

(a) The Farm Credit System Insurance Corporation may grant a waiver or reduction of fees if the Farm Credit System Insurance Corporation determines that the disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government, and the disclosure of the information is not primarily in the commercial interest of the requester.

(b) The Farm Credit System Insurance Corporation will not charge fees to any requester, including commercial use requesters, if the cost of collecting a fee would be equal to or greater than the fee itself. The elements to be considered in determining the "cost of collecting a fee" are the administrative costs of receiving and recording a requester's remittance and processing the fee.

§ 1402.24 Advance payments—notice.

(a) Where it is anticipated that the fees chargeable will amount to more than \$25 and the requester has not indicated in advance a willingness to pay fees as high as are anticipated, the requester shall be promptly notified of the amount of the anticipated fee or such portion thereof that can be readily estimated.

(b) If the anticipated fees exceed \$250 and if the requester has a history of

promptly paying fees charged in connection with information requests, the Farm Credit System Insurance Corporation may obtain satisfactory assurances that the requester will fully pay the fees anticipated.

(c) If the anticipated fees exceed \$250 and if the requester has no history of paying fees charged in connection with information requests, the Farm Credit System Insurance Corporation may require an advance payment of fees in an amount up to the full amount anticipated.

(d) If the requester has previously failed to pay a fee charged within 30 days of the date of a billing for fees charged in connection with information requests, the Farm Credit System Insurance Corporation may require the requester to pay the fees owed, plus interest, or demonstrate that the full amount owed has been paid, and require the requester to make an advance payment of the full amount of the fees anticipated before processing a new request or a pending request from that requester.

(e) The notice of the amount of an anticipated fee or a request for an advance deposit shall include an offer to the requester to confer with identified Farm Credit System Insurance Corporation personnel to attempt to reformulate the request in a manner which will meet the needs of the requester at a lower cost.

§ 1402.25 Interest.

The Farm Credit System Insurance Corporation may begin charging interest on unpaid fees, starting on the 31st day following the day on which the bill for such fees was sent. Interest will not accrue if payment of the fees has been received by the Farm Credit System Insurance Corporation, even if said payment has not been processed. Interest will accrue at the rate prescribed in section 3717 of title 31, United States Code, and will accrue from the day on which the bill for such fees was sent.

§ 1402.26 Charges for unsuccessful searches or reviews.

The Farm Credit System Insurance Corporation may assess charges for time spent searching for records on behalf of requesters in the categories pro-

vided for in §1402.21 (c) and (d), even if there are no records that are responsive to the request or there is ultimately no disclosure of records. The Farm Credit System Insurance Corporation may assess charges for time spent reviewing records for requesters in the category provided for in §1402.21(c) even if the records located are determined to be exempt from disclosure.

§ 1402.27 Aggregating requests.

A requester may not file multiple requests at the same time, each seeking portions of a document or documents, solely in order to avoid payment of fees. When the Farm Credit System Insurance Corporation reasonably believes that a requester, or a group of requesters acting in concert, is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Farm Credit System Insurance Corporation may aggregate any such requests and charge accordingly. One element to be considered in determining whether a belief would be reasonable is the time period over which the requests have occurred.

Subpart A—Administrative Collection of Claims

§ 1408.1 Authority.

The regulations of this part are issued under the Federal Claims Collection Act of 1966, as amended by the Debt Collection Act of 1982, 31 U.S.C. 3701-3719 and 5 U.S.C. 5514, and in conformity with the joint regulations issued under that Act by the General Accounting Office and the Department of Justice (joint regulations) prescribing standards for administrative collection, compromise, suspension, and termination of agency collection actions, and referral to the General Accounting Office and to the Department of Justice for litigation of civil claims for money or property owed to the United States (4 CFR parts 101-105).

§ 1408.2 Applicability.

This part applies to all claims of indebtedness due and owing to the United States and collectible under procedures authorized by the Federal Claims Collection Act of 1966, as amended by the Debt Collection Act of 1982. The joint regulations and this part do not apply to conduct in violation of antitrust laws, tax claims, claims between Federal agencies, or to any claim which

appears to involve fraud, presentation of a false claim, or misrepresentation on the part of the debtor or any other party having an interest in the claim, unless the Justice Department authorizes the Farm Credit System Insurance Corporation, pursuant to 4 CFR 101.3, to handle the claim in accordance with the provisions of 4 CFR parts 101 through 105. Additionally, this part does not apply to Farm Credit System Insurance Corporation's premiums regulations under part 1410 of this chapter.

§ 1408.3 Definitions.

In this part (except where the term is defined elsewhere in this part), the following definitions shall apply:

(a) *Administrative offset* or *offset*, as defined in 31 U.S.C. 3701(a)(1), means withholding money payable by the United States Government to, or held by the Government for, a person to satisfy a debt the person owes the Government.

(b) *Agency* means a department, agency, or instrumentality in the executive or legislative branch of the Government.

(c) *Claim* or *debt* means money or property owed by a person or entity to an agency of the Federal Government. A "claim" or "debt" includes amounts due the Government from loans insured by or guaranteed by the United States and all other amounts due from fees, leases, rents, royalties, services, sales of real or personal property, overpayment, penalties, damages, interest, and fines.

(d) *Claim certification* means a creditor agency's written request to a paying agency to effect an administrative offset.

(e) *Corporation* means the Farm Credit System Insurance Corporation.

(f) *Creditor agency* means an agency to which a claim or debt is owed.

(g) *Debtor* means the person or entity owing money to the Federal Government.

(h) *Hearing official* means an individual who is responsible for reviewing a claim under §1408.10.

(i) *Paying agency* means an agency of the Federal Government owing money to a debtor against which an administrative or salary offset can be effected.

§ 1408.4

(j) *Salary offset* means an administrative offset to collect a debt under 5 U.S.C. 5514 by deductions at one or more officially established pay intervals from the current pay account of a debtor.

§ 1408.4 Delegation of authority.

The Corporation official(s) designated by the Chairman of the Farm Credit System Insurance Corporation are authorized to perform all duties which the Chairman is authorized to perform under these regulations, the Federal Claims Collection Act of 1966, as amended, and the joint regulations issued under that Act.

§ 1408.5 Responsibility for collection.

(a) The collection of claims shall be aggressively pursued in accordance with the provisions of the Federal Claims Collection Act of 1966, as amended, the joint regulations issued under that Act, and these regulations. Debts owed to the United States, together with charges for interest, penalties, and administrative costs, should be collected in one lump sum unless otherwise provided by law. If a debtor requests installment payments, the debtor, as requested by the Corporation, shall provide sufficient information to demonstrate that the debtor is unable to pay the debt in one lump sum. When appropriate, the Corporation shall arrange an installment payment schedule. Claims which cannot be collected directly or by administrative offset shall be either written off as administratively uncollectible or referred to the General Counsel for further consideration.

(b) The Chairman, or designee of the Chairman, may compromise claims for money or property arising out of the activities of the Corporation, where the claim (exclusive of charges for interest, penalties, and administrative costs) does not exceed \$100,000. When the claim exceeds \$100,000 (exclusive of charges for interest, penalties, and administrative costs), the authority to accept a compromise rests solely with the Department of Justice. The standards governing the compromise of claims are set forth in 4 CFR part 103.

(c) The Chairman, or designee of the Chairman, may suspend or terminate

12 CFR Ch. XIV (1-1-03 Edition)

the collection of claims which do not exceed \$100,000 (exclusive of charges for interest, penalties, and administrative costs) after deducting the amount of any partial payments or collections. If, after deducting the amount of any partial payments or collections, a claim exceeds \$100,000 (exclusive of charges for interest, penalties, and administrative costs), the authority to suspend or terminate rests solely with the Department of Justice. The standards governing the suspension or termination of claim collections are set forth in 4 CFR part 104.

(d) The Corporation shall refer claims to the Department of Justice for litigation or to the General Accounting Office (GAO) for claims arising from audit exceptions taken by the GAO to payments made by the Corporation in accordance with 4 CFR part 105.

§ 1408.6 Demand for payment.

(a) A total of three progressively stronger written demands at not more than 30-day intervals should normally be made upon a debtor, unless a response or other information indicates that additional written demands would either be unnecessary or futile. When necessary to protect the Government's interest, written demands may be preceded by other appropriate actions under Federal law, including immediate referral for litigation and/or administrative offset.

(b) The initial demand for payment shall be in writing and shall inform the debtor of the following:

(1) The amount of the debt, the date it was incurred, and the facts upon which the determination of indebtedness was made;

(2) The payment due date, which shall be 30 calendar days from the date of mailing or hand delivery of the initial demand for payment;

(3) The right of the debtor to inspect and copy the records of the agency related to the claim or to receive copies if personal inspection is impractical. The debtor shall be informed that the debtor may be assessed for the cost of copying the documents in accordance with §1408.7;

Farm Credit System Insurance Corp.

§ 1408.8

(4) The right of the debtor to obtain a review of the Corporation's determination of indebtedness;

(5) The right of the debtor to offer to enter into a written agreement with the agency to repay the amount of the claim. The debtor shall be informed that the acceptance of such an agreement is discretionary with the agency;

(6) That charges for interest, penalties, and administrative costs will be assessed against the debtor, in accordance with 31 U.S.C. 3717, if payment is not received by the payment due date;

(7) That if the debtor has not entered into an agreement with the Corporation to pay the debt, has not requested the Corporation to review the debt, or has not paid the debt by the payment due date, the Corporation intends to collect the debt by all legally available means, which may include initiating legal action against the debtor, referring the debt to a collection agency for collection, collecting the debt by offset, or asking other Federal agencies for assistance in collecting the debt by offset;

(8) The name and address of the Corporation official to whom the debtor shall send all correspondence relating to the debt; and

(9) Other information, as may be appropriate.

(c) If, prior to, during, or after completion of the demand cycle, the Corporation determines to collect the debt by either administrative or salary offset, the Corporation shall follow, as applicable, the requirements for a Notice of Intent to Collect by Administrative Offset or a Notice of Intent to Collect by Salary Offset set forth in §1408.22.

(d) If no response to the initial demand for payment is received by the payment due date, the Corporation shall take further action under this part, under the Federal Claims Collection Act of 1966, as amended, under the joint regulations (4 CFR parts 101-105), or under any other applicable State or Federal law. These actions may include reports to credit bureaus, referrals to collection agencies, termination of contracts, debarment, and salary or administrative offset.

§1408.7 Right to inspect and copy records.

The debtor may inspect and copy the Corporation records related to the claim. The debtor shall give the Corporation reasonable advanced notice that he/she intends to inspect and copy the records involved. The debtor shall pay copying costs unless they are waived by the Corporation. Copying costs shall be assessed pursuant to §1402.22 of this chapter.

§ 1408.8 Right to offer to repay claim.

(a) The debtor may offer to enter into a written agreement with the Corporation to repay the amount of the claim. The acceptance of such an offer and the decision to enter into such a written agreement is at the discretion of the Corporation.

(b) If the debtor requests a repayment arrangement because payment of the amount due would create a financial hardship, the Corporation shall analyze the debtor's financial condition. The Corporation may enter into a written agreement with the debtor permitting the debtor to repay the debt in installments if the Corporation determines, in its sole discretion, that payment of the amount due would create an undue financial hardship for the debtor. The written agreement shall set forth the amount and frequency of installment payments and shall, in accordance with §1408.12, provide for the imposition of charges for interest, penalties, and administrative costs unless waived by the Corporation.

(c) The written agreement may require the debtor to execute a confession-judgment note when the total amount of the deferred installments will exceed \$750. The Corporation shall provide the debtor with a written explanation of the consequences of signing a confession-judgment note. The debtor shall sign a statement acknowledging receipt of the written explanation. The statement shall recite that the written explanation was read and understood before execution of the note and that the debtor signed the note knowingly and voluntarily. Documentation of these procedures will be maintained in the Corporation's file on the debtor.

§ 1408.9

12 CFR Ch. XIV (1-1-03 Edition)

§ 1408.9 Right to agency review.

(a) If the debtor disputes the claim, the debtor may request a review of the Corporation's determination of the existence of the debt or of the amount of the debt. If only part of the claim is disputed, the undisputed portion should be paid by the payment due date.

(b) To obtain a review, the debtor shall submit a written request for review to the Corporation official named in the initial demand letter, within 15 calendar days after receipt of the letter. The debtor's request for review shall state the basis on which the claim is disputed.

(c) The Corporation shall promptly notify the debtor, in writing, that the Corporation has received the request for review. The Corporation shall conduct its review of the claim in accordance with §1408.10.

(d) Upon completion of its review of the claim, the Corporation shall notify the debtor whether the Corporation's determination of the existence or amount of the debt has been sustained, amended, or canceled. The notification shall include a copy of the written decision issued by the hearing official pursuant to §1408.10(e). If the Corporation's determination is sustained, this notification shall contain a provision which states that the Corporation intends to collect the debt by all legally available means, which may include initiating legal action against the debtor, referring the debt to a collection agency for collection, collecting the debt by offset, or asking other Federal agencies for assistance in collecting the debt by offset.

§ 1408.10 Review procedures.

(a) Unless an oral hearing is required by §1408.23(d), the Corporation's review shall be a review of the written record of the claim.

(b) If an oral hearing is required under §1408.23(d) the Corporation shall provide the debtor with a reasonable opportunity for such a hearing. The oral hearing, however, shall not be an adversarial adjudication and need not take the form of a formal evidentiary hearing. All significant matters discussed at the hearing, however, will be carefully documented.

(c) Any review required by this part, whether a review of the written record or an oral hearing, shall be conducted by a hearing official. In the case of a salary offset, the hearing official shall not be under the supervision or control of the Chairman of the Farm Credit System Insurance Corporation.

(d) The Corporation may be represented by legal counsel. The debtor may represent himself or herself or may be represented by an individual of the debtor's choice and at the debtor's expense.

(e) The hearing official shall issue a final written decision based on documentary evidence and, if applicable, information developed at an oral hearing. The written decision shall be issued as soon as practicable after the review but not later than 60 days after the date on which the request for review was received by the Corporation, unless the debtor requests a delay in the proceedings. A delay in the proceedings shall be granted if the hearing official determines, in his or her sole discretion, that there is good cause to grant the delay. If a delay is granted, the 60-day decision period shall be extended by the number of days by which the review was postponed.

(f) Upon issuance of the written opinion, the Corporation shall promptly notify the debtor of the hearing official's decision. Said notification shall include a copy of the written decision issued by the hearing official pursuant to paragraph (e) of this section.

§ 1408.11 Special review.

(a) An employee subject to salary offset, under subpart C of this part, or a voluntary repayment agreement, may, at any time, request a special review by the Corporation of the amount of the salary offset or voluntary repayment, based on materially changed circumstances such as, but not limited to, catastrophic illness, divorce, death, or disability.

(b) To determine whether an offset would prevent the employee from meeting essential subsistence expenses (costs incurred for food, housing, clothing, transportation, and medical care), the employee shall submit a detailed statement and supporting documents

Farm Credit System Insurance Corp.

§ 1408.14

for the employee, his or her spouse, and dependents indicating:

- (1) Income from all sources;
- (2) Assets;
- (3) Liabilities;
- (4) Number of dependents;
- (5) Expenses for food, housing, clothing, and transportation;
- (6) Medical expenses; and
- (7) Exceptional expenses, if any.

(c) If the employee requests a special review under this section, the employee shall file an alternative proposed offset or payment schedule and a statement, with supporting documents, showing why the current salary offset or payments result in an extreme financial hardship to the employee.

(d) The Corporation shall evaluate the statement and supporting documents, and determine whether the original offset or repayment schedule imposes an undue financial hardship on the employee. The Corporation shall notify the employee in writing of such determination, including, if appropriate, a revised offset or payment schedule.

§ 1408.12 Charges for interest, administrative costs, and penalties.

(a) Except as provided in paragraph (d) of this section, the Corporation shall:

- (1) Assess interest on unpaid claims;
- (2) Assess administrative costs incurred in processing and handling overdue claims; and
- (3) Assess penalty charges not to exceed 6 percent a year on any part of a debt more than 90 days past due.

The imposition of charges for interest, administrative costs, and penalties shall be made in accordance with 31 U.S.C. 3717.

(b)(1) Interest shall accrue from the date of mailing or hand delivery of the initial demand for payment or the Notice of Intent to Collect by either Administrative or Salary Offset if the amount of the claim is not paid within 30 days from the date of mailing or hand delivery of the initial demand or notice.

(2) The 30-day period may be extended on a case-by-case basis if the Corporation reasonably determines that such action is appropriate. Interest shall only accrue on the principal

of the claim and the interest rate shall remain fixed for the duration of the indebtedness, except, as provided in paragraph (c) of this section, in cases where a debtor has defaulted on a repayment agreement and seeks to enter into a new agreement, or if the Corporation reasonably determines that a higher rate is necessary to protect the interests of the United States.

(c) If a debtor defaults on a repayment agreement and seeks to enter into a new agreement, the Corporation may assess a new interest rate on the unpaid claim. In addition, charges for interest, administrative costs, and penalties which accrued but were not collected under the original repayment agreement shall be added to the principal of the claim to be paid under the new repayment agreement. Interest shall accrue on the entire principal balance of the claim, as adjusted to reflect any increase resulting from the addition of these charges.

(d) The Corporation may waive charges for interest, administrative costs, and/or penalties if it determines that:

- (1) The debtor is unable to pay any significant sum toward the claim within a reasonable period of time;
- (2) Collection of charges for interest, administrative costs, and/or penalties would jeopardize collection of the principal of the claim;
- (3) Collection of charges for interest, administrative costs, or penalties would be against equity and good conscience; or
- (4) It is otherwise in the best interest of the United States, including the situation where an installment payment agreement or offset is in effect.

§ 1408.13 Contracting for collection services.

The Chairman, or designee of the Chairman, may contract for collection services in accordance with 31 U.S.C. 3718 and 4 CFR 102.6 to recover debts.

§ 1408.14 Reporting of credit information.

The Chairman, or designee of the Chairman, may disclose to a consumer reporting agency information that an individual is responsible for a debt owed to the United States. Information

§ 1408.15

will be disclosed to reporting agencies in accordance with the terms and conditions of agreements entered into between the Corporation and the reporting agencies. The terms and conditions of such agreements shall specify that all of the rights and protection afforded to the debtor under 31 U.S.C. 3711(f) have been fulfilled. The Corporation shall notify each consumer reporting agency, to which a claim was disclosed, when the debt has been satisfied.

§ 1408.15 Credit report.

In order to aid the Corporation in making appropriate determinations regarding the collection and compromise of claims; the collection of charges for interest, administrative costs, and penalties; the use of administrative offset; the use of other collection methods; and the likelihood of collecting the claim, the Corporation may institute, consistent with the provisions of the Fair Credit Reporting Act (15 U.S.C. 1681, et seq.), a credit investigation of the debtor immediately following a determination that the claim exists.

Subpart B—Administrative Offset

§ 1408.20 Applicability.

(a) The provisions of this subpart shall apply to the collection of debts by administrative [or salary] offset under 31 U.S.C. 3716, 5 U.S.C. 5514, or other statutory or common law.

(b) Offset shall not be used to collect a debt more than 10 years after the Government's right to collect the debt first accrued, unless facts material to the Government's right to collect the debt were not known and could not reasonably have been known by the official or officials of the Government who were charged with the responsibility of discovering and collecting such debt.

(c) Offset shall not be used with respect to:

(1) Debts owed by other agencies of the United States or by any State or local government;

(2) Debts arising under or payments made under the Social Security Act, the Internal Revenue Code of 1986, as amended, or tariff laws of the United States; or

12 CFR Ch. XIV (1-1-03 Edition)

(3) Any case in which collection by offset of the type of debt involved is explicitly provided for or prohibited by another statute.

(d) Unless otherwise provided by contract or law, debts or payments which are not subject to offset under 31 U.S.C. 3716 or 5 U.S.C. 5514 may be collected by offset if such collection is authorized under common law or other applicable statutory authority.

§ 1408.21 Collection by offset.

(a) Collection of a debt by administrative [or salary] offset shall be accomplished in accordance with the provisions of these regulations, 4 CFR 102.3, and 5 CFR part 550, subpart K. It is not necessary for the debt to be reduced to judgment or to be undisputed for offset to be used.

(b) The Chairman, or designee of the Chairman, may determine that it is feasible to collect a debt to the United States by offset against funds payable to the debtor.

(c) The feasibility of collecting a debt by offset will be determined on a case-by-case basis. This determination shall be made by considering all relevant factors, including the following: (1) The degree to which the offset can be accomplished in accordance with law. This determination should take into consideration relevant statutory, regulatory, and contractual requirements;

(2) The degree to which the Corporation is certain that its determination of the existence and amount of the debt is correct;

(3) The practicality of collecting the debt by offset. The cost, in time and money, of collecting the debt by offset and the amount of money which can reasonably be expected to be recovered through offset will be relevant to this determination; and

(4) Whether the use of offset will substantially interfere with or defeat the purpose of a program authorizing payments against which the offset is contemplated. For example, under a grant program in which payments are made in advance of the grantee's performance, the imposition of offset against such a payment may be inappropriate.

(d) The collection of a debt by offset may not be feasible when there are circumstances which would indicate that

Farm Credit System Insurance Corp.

§ 1408.22

the likelihood of collection by offset is less than probable.

(e) The offset will be effected 31 days after the debtor receives a Notice of Intent to Collect by Administrative Offset (or Notice of Intent to Collect by Salary Offset if the offset is a salary offset), or upon the expiration of a stay of offset, unless the Corporation determines under §1408.24 that immediate action is necessary.

(f) If the debtor owes more than one debt, amounts recovered through offset may be applied to them in any order. Applicable statutes of limitation would be considered before applying the amounts recovered to any debts owed.

§ 1408.22 Notice requirements before offset.

(a) Except as provided in §1408.24, the Corporation will provide the debtor with 30 calendar days' written notice that unpaid debt amounts shall be collected by administrative [or salary] offset (Notice of Intent to Collect by Administrative [or Salary] Offset) before the Corporation imposes offset against any money that is to be paid to the debtor.

(b) The Notice of Intent to Collect by Administrative [or Salary] Offset shall be delivered to the debtor by hand or by mail and shall provide the following information:

(1) The amount of the debt, the date it was incurred, and the facts upon which the determination of indebtedness was made;

(2) In the case of an administrative offset, the payment due date, which shall be 30 calendar days from the date of mailing or hand delivery of the Notice;

(3) In the case of a salary offset:

(i) The Corporation's intention to collect the debt by means of deduction from the employee's current disposable pay account until the debt and all accumulated interest is paid in full; and

(ii) The amount, frequency, proposed beginning date, and duration of the intended deductions;

(4) The right of the debtor to inspect and copy the records of the Corporation related to the claim or to receive copies if personal inspection is impractical. The debtor shall be informed that he/she shall be assessed for the cost of

copying the documents in accordance with §1408.7 of this part;

(5) The right of the debtor to obtain a review of, and to request a hearing, on the Corporation's determination of indebtedness, the propriety of collecting the debt by offset, and, in the case of salary offset, the propriety of the proposed repayment schedule (i.e., the percentage of disposable pay to be deducted each pay period). The debtor shall be informed that to obtain a review, the debtor shall deliver a written request for a review to the Corporation official named in the Notice, within 15 calendar days after the debtor's receipt of the Notice. In the case of a salary offset, the debtor shall also be informed that the review shall be conducted by an official arranged for by the Corporation who shall be a hearing official not under the control of the Chairman of the Farm Credit System Insurance Corporation, or an administrative law judge;

(6) That the filing of a petition for hearing within 15 calendar days after receipt of the Notice will stay the commencement of collection proceedings;

(7) That a final decision on the hearing (if one is requested) will be issued at the earliest practical date, but not later than 60 days after the filing of the written request for review unless the employee requests, and the hearing official grants, a delay in the proceedings;

(8) The right of the debtor to offer to enter into a written agreement with the Corporation to repay the amount of the claim. The debtor shall be informed that the acceptance of such an agreement is discretionary with the Corporation;

(9) That charges for interest, penalties, and administrative costs shall be assessed against the debtor, in accordance with 31 U.S.C. 3717, if payment is not received by the payment due date. The debtor shall be informed that such assessments must be made unless excused in accordance with the Federal Claims Collection Standards (4 CFR parts 103 and 104);

(10) The amount of accrued interest and the amount of any other penalties or administrative costs which may have been added to the principal debt;

§ 1408.23

12 CFR Ch. XIV (1–1–03 Edition)

(11) That if the debtor has not entered into an agreement with the Corporation to pay the debt, has not requested the Corporation to review the debt, or has not paid the debt prior to the date on which the offset is to be imposed, the Corporation intends to collect the debt by administrative [or salary] offset or by requesting other Federal agencies for assistance in collecting the debt by offset. The debtor shall be informed that the offset shall be imposed against any funds that might become available to the debtor, until the principal debt and all accumulated interest and other charges are paid in full;

(12) The date on which the offset will be imposed, which shall be 31 calendar days from the date of mailing or hand delivery of the Notice. The debtor shall be informed that the Corporation reserves the right to impose an offset prior to this date if the Corporation determines that immediate action is necessary;

(13) That any knowingly false or frivolous statements, representations, or evidence may subject the debtor to:

(i) Penalties under the False Claims Act, 31 U.S.C. 3729 through 3731, or any other applicable statutory authority;

(ii) Criminal penalties under 18 U.S.C. 286, 287, 1001, and 1002, or any other applicable statutory authority; and, with regard to employees,

(iii) Disciplinary procedures appropriate under 5 U.S.C. chapter 75; 5 CFR part 752, or any other applicable statute or regulation;

(14) The name and address of the Corporation official to whom the debtor shall send all correspondence relating to the debt or the offset;

(15) Any other rights and remedies available to the debtor under statutes or regulations governing the program for which the collection is being made;

(16) That unless there are applicable contractual or statutory provisions to the contrary, amounts paid on or deducted for the debt, which are later waived or found not owed to the United States, will be promptly refunded to the employee; and

(17) Other information, as may be appropriate.

(c) When the procedural requirements of this section have been provided to

the debtor in connection with the same debt or under some other statutory or regulatory authority, the Corporation is not required to duplicate those requirements before effecting offset.

§ 1408.23 Right to review of claim.

(a) If the debtor disputes the claim, the debtor may request a review of the Corporation's determination of the existence of the debt, the amount of the debt, the propriety of collecting the debt by offset, and in the case of salary offset, the propriety of the proposed repayment schedule. If only part of the claim is disputed, the undisputed portion should be paid by the payment due date.

(b) To obtain a review, the debtor shall submit a written request for review to the Corporation official named in the Notice of Intent to Collect by Administrative [or Salary] Offset within 15 calendar days after receipt of the notice. The debtor's written request for review shall state the basis on which the claim is disputed and shall specify whether the debtor requests an oral hearing or a review of the written record of the claim. If an oral hearing is requested, the debtor shall explain in the request why the matter cannot be resolved by a review of the documentary evidence alone.

(c) The Corporation shall promptly notify the debtor, in writing, that the Corporation has received the request for review. The Corporation shall conduct its review of the claim in accordance with §1408.10.

(d) The Corporation's review of the claim, under this section, shall include providing the debtor with a reasonable opportunity for an oral hearing if:

(1) An applicable statute authorizes or requires the Corporation to consider waiver of the indebtedness, the debtor requests waiver of the indebtedness, and the waiver determination turns on an issue of credibility or veracity; or

(2) The debtor requests reconsideration of the debt and the Corporation determines that the question of the indebtedness cannot be resolved by reviewing the documentary evidence; for example, when the validity of the debt turns on an issue of credibility or veracity.

Farm Credit System Insurance Corp.

§ 1408.25

(e) A debtor waives the right to a hearing and will have his or her debt offset in accordance with the proposed offset schedule if the debtor:

(1) Fails to file a written request for review within the timeframe set forth in paragraph (b) of this section, unless the Corporation determines that the delay was the result of circumstances beyond his or her control; or

(2) Fails to appear at an oral hearing of which he or she was notified unless the hearing official determines that the failure to appear was due to circumstances beyond the employee's control.

(f) Upon completion of its review of the claim, the Corporation shall notify the debtor whether the Corporation's determination of the existence or amount of the debt has been sustained, amended, or canceled. The notification shall include a copy of the written decision issued by the hearing official, pursuant to §1408.10(e). If the Corporation's determination is sustained, this notification shall contain a provision which states that the Corporation intends to collect the debt by offset or by requesting other Federal agencies for assistance in collecting the debt.

(g) When the procedural requirements of this section have been provided to the debtor in connection with the same debt or under some other statutory or regulatory authority, the Corporation is not required to duplicate those requirements before effecting offset.

§1408.24 Waiver of procedural requirements.

(a) The Corporation may impose offset against a payment to be made to a debtor prior to the completion of the procedures required by this part, if:

(1) Failure to impose the offset would substantially prejudice the Government's ability to collect the debt; and

(2) The timing of the payment against which the offset will be imposed does not reasonably permit the completion of those procedures.

(b) The procedures required by this part shall be complied with promptly after the offset is imposed. Amounts recovered by offset, which are later found not to be owed to the Govern-

ment, shall be promptly refunded to the debtor.

§ 1408.25 Coordinating offset with other Federal agencies.

(a)(1) Any creditor agency which requests the Corporation to impose an offset against amounts owed to the debtor shall submit to the Corporation a claim certification which meets the requirements of this paragraph. The Corporation shall submit the same certification to any agency that the Corporation requests to effect an offset.

(2) The claim certification shall be in writing. It shall certify the debtor owes the debt and that all of the applicable requirements of 31 U.S.C. 3716 and 4 CFR part 102 have been met. If the intended offset is to be a salary offset, a claim certification shall instead certify that the debtor owes the debt and that the applicable requirements of 5 U.S.C. 5514 and 5 CFR part 550, subpart K, have been met.

(3) A certification that the debtor owes the debt shall state the amount of the debt, the factual basis supporting the determination of indebtedness, and the date on which payment of the debt was due. A certification that the requirements of 31 U.S.C. 3716 and 4 CFR part 102 have been met shall include a statement that the debtor has been sent a Notice of Intent to Collect by Administrative Offset at least 31 calendar days prior to the date of the intended offset or a statement that pursuant to 4 CFR 102.3(b)(5) said Notice was not required to be sent. A certification that the requirements of 5 U.S.C. 5514 and 5 CFR part 550, subpart K, have been met shall include a statement that the debtor has been sent a Notice of Intent to Collect by Salary Offset at least 31 calendar days prior to the date of the intended offset or a statement that pursuant to 4 CFR 102.3(b)(5) said Notice was not required to be sent.

(b)(1) The Corporation shall not effect an offset requested by another Federal agency without first obtaining the claim certification required by paragraph (a) of this section. If the Corporation receives an incomplete claim certification, the Corporation shall return the claim certification with notice that a claim certification

§ 1408.26

which complies with the requirements of paragraph (a) of this section must be submitted to the Corporation before the Corporation will consider effecting an offset.

(2) The Corporation may rely on the information contained in the claim certification provided by a requesting creditor agency. The Corporation is not authorized to review a creditor agency's determination of indebtedness.

(c) Only the creditor agency may agree to enter into an agreement with the debtor for the repayment of the claim. Only the creditor agency may agree to compromise, suspend, or terminate collection of the claim.

(d) The Corporation may decline, for good cause, a request by another agency to effect an offset. Good cause includes that the offset might disrupt, directly or indirectly, essential Corporation operations. The refusal and the reasons shall be sent in writing to the creditor agency.

§ 1408.26 Stay of offset.

(a)(1) When a creditor agency receives a debtor's request for inspection of agency records, the offset is stayed for 10 calendar days beyond the date set for the record inspection.

(2) When a creditor agency receives a debtor's offer to enter into a repayment agreement, the offset is stayed until the debtor is notified as to whether the proposed agreement is acceptable.

(3) When a review is conducted, the offset is stayed until the creditor agency issues a final written decision.

(b) When offset is stayed, the amount of the debt and the amount of any accrued interest or other charges will be withheld from payments to the debtor. The withheld amounts shall not be applied against the debt until the stay expires. If withheld funds are later determined not to be subject to offset, they will be promptly refunded to the debtor.

(c) If the Corporation is the creditor agency and the offset is stayed, the Corporation will immediately notify an offsetting agency to withhold the payment pending termination of the stay.

12 CFR Ch. XIV (1-1-03 Edition)

§ 1408.27 Offset against amounts payable from Civil Service Retirement and Disability Fund.

The Corporation may request that monies payable to a debtor from the Civil Service Retirement and Disability Fund be administratively offset to collect debts owed to the Corporation by the debtor. The Corporation must certify that the debtor owes the debt, the amount of the debt, and that the Corporation has complied with the requirements set forth in this part, 4 CFR 102.3, and the Office of Personnel Management regulations. The request shall be submitted to the official designated in the Office of Personnel Management regulations to receive the request.

Subpart C—Offset Against Salary

§ 1408.35 Purpose.

The purpose of this subpart is to implement section 5 of the Debt Collection Act of 1982 (Pub. L. 97-365 (5 U.S.C. 5514)), which authorizes the collection of debts owed by Federal employees to the Federal Government by means of salary offsets. These regulations provide procedures for the collection of a debt owed to the Government by the imposition of a salary offset against amounts payable to a Federal employee as salary. These regulations are consistent with the regulations on salary offset published by the Office of Personnel Management, codified in 5 CFR part 550, subpart K. Since salary offset is a type of administrative offset, the requirements of subpart B also apply to salary offsets.

§ 1408.36 Applicability of regulations.

(a) These regulations apply to the following cases:

(1) Where the Corporation is owed a debt by an individual currently employed by another agency;

(2) Where the Corporation is owed a debt by an individual who is currently employed by the Corporation; or

(3) Where the Corporation currently employs an individual who owes a debt to another Federal agency. Upon receipt of proper certification from the creditor agency, the Corporation will offset the debtor-employee's salary in accordance with these regulations.

Farm Credit System Insurance Corp.

§ 1408.39

(b) These regulations do not apply to the following: (1) Debts or claims arising under the Internal Revenue Code of 1986, as amended (26 U.S.C. 1 *et seq.*); the Social Security Act (42 U.S.C. 301 *et seq.*); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g., travel advances in 5 U.S.C. 5705 and employee training expenses in 5 U.S.C. 4108).

(2) Any adjustment to pay arising from an employee's election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay if the amount to be recovered was accumulated over four pay periods or less.

(3) A claim which has been outstanding for more than 10 years after the creditor agency's right to collect the debt first accrued, unless facts material to the Government's right to collect were not known and could not reasonably have been known by the official or officials charged with the responsibility for discovery and collection of such debts.

§ 1408.37 Definitions.

In this subpart, the following definitions shall apply:

(a) *Agency* means:

(1) An executive agency as defined by 5 U.S.C. 105, including the United States Postal Service and the United States Postal Rate Commission;

(2) A military department as defined in 5 U.S.C. 102;

(3) An agency or court of the judicial branch, including a court as defined in 28 U.S.C. 610, the District Court for the Northern Mariana Islands, and the Judicial Panel on Multi-district Litigation;

(4) An agency of the legislative branch, including the United States Senate and the United States House of Representatives; or

(5) Other independent establishments that are entities of the Federal Government.

(b) *Disposable pay* means, for an officially established pay interval, that part of current basic pay, special pay, incentive pay, retired pay, retainer pay, or, in the case of an employee not entitled to basic pay, other authorized

pay remaining after the deduction of any amount required by law to be withheld. The Corporation shall allow the deductions described in 5 CFR 581.105 (b) through (f).

(c) *Employee* means a current employee of the Corporation or other agency, including a current member of the Armed Forces or Reserve of the Armed Forces of the United States.

(d) *Waiver* means the cancellation, remission, forgiveness, or nonrecovery of a debt allegedly owed by an employee to the Corporation or another agency as permitted or required by 5 U.S.C. 5584 or 8346(b), 10 U.S.C. 2774, 32 U.S.C. 716, or any other law.

§ 1408.38 Waiver requests and claims to the General Accounting Office.

(a) The regulations contained in this subpart do not preclude an employee from requesting a waiver of an overpayment under 5 U.S.C. 5584 or 8346(b), 10 U.S.C. 2774, 32 U.S.C. 716, or in any way questioning the amount or validity of a debt by submitting a subsequent claim to the General Accounting Office in accordance with the procedures prescribed by the General Accounting Office.

(b) These regulations also do not preclude an employee from requesting a waiver pursuant to other statutory provisions pertaining to the particular debts being collected.

§ 1408.39 Procedures for salary offset.

(a) The Chairman, or designee of the Chairman, shall determine the amount of an employee's disposable pay and the amount to be deducted from the employee's disposable pay at regular pay intervals.

(b) Deductions shall begin within three official pay periods following the date of mailing or delivery of the Notice of Intent to Collect by Salary Offset.

(c)(1) If the amount of the debt is equal to or is less than 15 percent of the employee's disposable pay, such debt should be collected in one lump-sum deduction.

(2) If the amount of the debt is not collected in one lump-sum deduction, the debt shall be collected in installment deductions over a period of time not greater than the anticipated period

§ 1408.40

of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee's ability to pay. However, the amount deducted from any pay period will not exceed 15 percent of the employee's disposable pay for that period, unless the employee has agreed in writing to the deduction of a greater amount.

(3) A deduction exceeding the 15-percent disposable pay limitation may be made from any final salary payment pursuant to 31 U.S.C. 3716 in order to liquidate the debt, whether the employee is being separated voluntarily or involuntarily.

(4) Whenever an employee subject to salary offset is separated from the Corporation and the balance of the debt cannot be liquidated by offset of the final salary check pursuant to 31 U.S.C. 3716, the Corporation may offset any later payments of any kind against the balance of the debt.

(d) In instances where two or more creditor agencies are seeking salary offsets against current employees of the Corporation or where two or more debts are owed to a single creditor agency, the Corporation, at its discretion, may determine whether one or more debts should be offset simultaneously within the 15-percent limitation. Debts owed to the Corporation should generally take precedence over debts owed to other agencies.

§ 1408.40 Refunds.

(a) In instances where the Corporation is the creditor agency, it shall promptly refund any amounts deducted under the authority of 5 U.S.C. 5514 when:

(1) The debt is waived or otherwise found not to be owed to the United States (unless expressly prohibited by statute or regulations); or

(2) An administrative or judicial order directs the Corporation to make a refund.

(b) Unless required or permitted by law or contract, refunds under this section shall not bear interest.

§ 1408.41 Requesting current paying agency to offset salary.

(a) To request a paying agency to impose a salary offset against amounts

12 CFR Ch. XIV (1-1-03 Edition)

owed to the debtor, the Corporation shall provide the paying agency with a claim certification which meets the requirements set forth in §1408.25(a) of this part. The Corporation shall also provide the paying agency with a repayment schedule determined under the provisions of §1408.39 or in accordance with a repayment agreement entered into with the debtor.

(b) If the employee separates from the paying agency before the debt is paid in full, the paying agency shall certify the total amount collected on the debt. A copy of this certification shall be sent to the employee and a copy shall be sent to the Corporation. If the paying agency is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund, or other similar payments, it must provide written notification to the agency responsible for making such payments that the debtor owes a debt (including the amount) and that the provisions of this section have been fully complied with. However, the Corporation must submit a properly certified claim to the agency responsible for making such payments before the collection can be made.

(c) When an employee transfers to another paying agency, the Corporation is not required to repeat the due process procedures set forth in 5 U.S.C. 5514 and this part to resume the collection. The Corporation shall, however, review the debt upon receiving the former paying agency's notice of the employee's transfer to make sure the collection is resumed by the new paying agency.

(d) If a special review is conducted pursuant to §1408.11 and results in a revised offset or repayment schedule, the Corporation shall provide a new claim certification to the paying agency.

§ 1408.42 Responsibility of the Corporation as the paying agency.

(a) When the Corporation receives a claim certification from a creditor agency, deductions should be scheduled to begin at the next officially established pay interval. The Corporation shall send the debtor written notice which provides:

Farm Credit System Insurance Corp.

§ 1410.2

(1) That the Corporation has received a valid claim certification from the creditor agency;

(2) The date on which salary offset will begin;

(3) The amount of the debt; and

(4) The amount of such deductions.

(b) If, after the creditor agency has submitted the claim certification to the Corporation, the employee transfers to a different agency before the debt is collected in full, the Corporation must certify the total amount collected on the debt. The Corporation shall send a copy of this certification to the creditor agency and a copy to the employee. If the Corporation is aware that the employee is entitled to payments from the Civil Service Retirement Fund and Disability Fund, or other similar payments, it shall provide written notification to the agency responsible for making such payments that the debtor owes a debt (including the amount).

§ 1408.43 Nonwaiver of rights by payments.

An employee's involuntary payment of all or any portion of a debt being collected under this subpart shall not be construed as a waiver of any rights the employee may have under 5 U.S.C. 5514 or any other provisions of a written contract or law unless there are statutory or contractual provisions to the contrary.

§ 1410.3 Calculation and reporting of premiums due.

(a) *Premium base.* For purposes of computing the annual premium, each insured bank shall:

(1) Report its premium base for each category of loan described in paragraph (a)(2) of this section based on the total of the average annual principal balances of:

(i)(A) Loans of each direct lending association that were able to be made because the direct lending association is receiving, or has received, funds provided through the insured bank;

(B) Loans of each other financing institution that were able to be made because the other financing institution is receiving, or has received, funds provided through the insured bank; and,

(C) The bank's loans, other than loans made to direct lending associations and other financing institutions.

(d) *Secure base amount.* Upon reaching the secure base amount determined by the Corporation in accordance with section 5.55 of the Act, the annual premium to be paid by each insured bank, computed in accordance with paragraph (c) of this section, shall be reduced by a percentage determined by the Corporation so that the aggregate of the premiums payable by all of the Farm Credit banks for the following

calendar year is sufficient to ensure that the Insurance Fund balance is maintained at not less than the secure base amount. The Corporation shall announce any such percentage no later than December 31 of the year prior to the January in which such premiums are to be paid.

§ 1410.5 Delinquent premium payments and premium overpayments.

§ 1410.6

§ 1410.4 of this part, including late payments caused by bank errors in the certified statement. The interest rate will be the United States Treasury Department's current value of funds rate, which is issued under the Treasury Fiscal Requirements Manual (TFRM rate) and published quarterly in the FEDERAL REGISTER. The interest rate will be determined as follows:

(1) *Current year.* (i) For delinquent days occurring on or prior to March 31, the rate will be the TFRM rate that is published in the preceding December.

(ii) For delinquent days occurring from April 1 to June 30, the rate will be the TFRM rate that is published in March for the second quarter of the year.

(2) *Prior years.* The interest will be calculated quarterly and compounded annually at the rates applicable for each quarter as issued under the TFRM. For the initial year, the rate will be applied to the gross amount of the delinquent payment. For each additional year or portion thereof the rate will be applied to the net amount of the delinquent payment after it has been reduced by any premium credit under paragraph (c) of this section.

(b) *Other rights and remedies.* Payment of the interest specified in paragraph (a) of this section does not affect any other rights and remedies available to the Corporation.

(c) *Overpayments.* To the extent that any payment by a bank exceeds the required amount:

(1) The excess shall be credited against future premium payments by the bank which overpaid; or,

(2)(i) Upon written request to the Corporation by the bank which overpaid, the excess shall be refunded to the bank within 30 days of receipt of the written request; and

(ii) If the Corporation fails to make a refund within such 30-day period, and the Corporation determines that a re-

The premium payment period is from January 1 of each year to December 31 of each year. The form must show the computation of the premium base and the bank's calculation of the amount of the premium due the Corporation.

(b) *Amendments to certified statements.* In the event of an amendment or correction of a previously submitted certified statement, the amending insured bank shall resubmit to the Corporation the appropriate certified statement along with a letter of explanation regarding the amendment or correction.

(c) *Definition of long-term issuer credit rating.* A “long-term issuer credit rating” is a written opinion issued by a nationally recognized statistical rating organization of the bank’s overall capacity and willingness to pay on a timely basis its unsecured, dollar-denominated financial obligations maturing in not less than one year.

(a) Except as provided in paragraph (b) of this section, the following are

§ 1511.3

12 CFR Ch. XV (1–1–03 Edition)

governed solely by the regulations contained in this part 1511, the Securities Documentation and Federal Reserve Bank Operating Circulars:

(1) The rights and obligations of the Funding Corporation and the Federal Reserve Banks with respect to:

(i) A Book-entry Funding Corporation Security or Security Entitlement; and

(ii) The operation of the Book-entry System as it applies to Funding Corporation Securities; and

(2) The rights of any Person, including a Participant, against the Funding Corporation and the Federal Reserve Banks with respect to:

(i) A Book-entry Funding Corporation Security or Security Entitlement; and

(ii) The operation of the Book-entry System as it applies to Funding Corporation Securities.

(b) A security interest in a Security Entitlement that is in favor of a Federal Reserve Bank from a Participant and that is not recorded on the books of a Federal Reserve Bank pursuant to §1511.4(c)(1), is governed by the law (not including the conflict-of-law rules) of the jurisdiction where the head office of the Federal Reserve Bank maintaining the Participant's Securities Account is located. A security interest in a Security Entitlement that is in favor of a Federal Reserve Bank from a Person that is not a Participant, and that is not recorded on the books of a Federal Reserve Bank pursuant to §1511.4(c)(1), is governed by the law determined in the manner specified in §1511.3.

(c) If the jurisdiction specified in the first sentence of paragraph (b) of this section is a State that has not adopted Revised Article 8 (incorporated by reference, see §1511.1), then the law specified in paragraph (b) shall be the law of that State as though Revised Article 8 had been adopted by that State.

§ 1511.3 Law governing other interests.

(a) To the extent not inconsistent with the regulations in this part, the law (not including the conflict-of-law rules) of a Securities Intermediary's jurisdiction governs:

(1) The acquisition of a Security Entitlement from the Securities Intermediary;

(2) The rights and duties of the Securities Intermediary and Entitlement Holder arising out of a Security Entitlement;

(3) Whether the Securities Intermediary owes any duties to an adverse claimant to a Security Entitlement;

(4) Whether an Adverse Claim can be asserted against a Person who acquires a Security Entitlement from the Securities Intermediary or a Person who purchases a Security Entitlement or interest therein from an Entitlement Holder; and

(5) Except as otherwise provided in paragraph (c) of this section, the perfection, effect of perfection or non-perfection and priority of a security interest in a Security Entitlement.

(b) The following rules determine a "Securities Intermediary's jurisdiction" for purposes of this section:

(1) If an agreement between the Securities Intermediary and its Entitlement Holder specifies that it is governed by the law of a particular jurisdiction, that jurisdiction is the Securities Intermediary's jurisdiction.

(2) If an agreement between the Securities Intermediary and its Entitlement Holder does not specify the governing law as provided in paragraph (b)(1) of this section, but expressly specifies that the securities account is maintained at an office in a particular jurisdiction, that jurisdiction is the Securities Intermediary's jurisdiction.

(3) If an agreement between the Securities Intermediary and its Entitlement Holder does not specify a jurisdiction as provided in paragraph (b)(1) or (b)(2) of this section, the Securities Intermediary's jurisdiction is the jurisdiction in which is located the office identified in an account statement as the office serving the Entitlement Holder's account.

(4) If an agreement between the Securities Intermediary and its Entitlement Holder does not specify a jurisdiction as provided in paragraph (b)(1) or (b)(2) of this section and an account statement does not identify an office serving the Entitlement Holder's account as provided in paragraph (b)(3) of this section, the Securities

Department of the Treasury

§ 1511.4

Intermediary's jurisdiction is the jurisdiction in which is located the chief executive office of the Securities Intermediary.

(c) Notwithstanding the general rule in paragraph (a)(5) of this section, the law (but not the conflict-of-law rules) of the jurisdiction in which the Person creating a security interest is located governs whether and how the security interest may be perfected automatically or by filing a financing statement.

(d) If the jurisdiction specified in paragraph (b) of this section is a State that has not adopted Revised Article 8 (incorporated by reference, see § 1511.1), then the law for the matters specified in paragraph (a) of this section shall be the law of that State as though Revised Article 8 had been adopted by that State. For purposes of the application of the matters specified in paragraph (a) of this section, the Federal Reserve Bank maintaining the Securities Account is a clearing corporation, and the Participant's interest in a Book-entry Funding Corporation Security is a Security Entitlement.

§ 1511.4 Creation of Participant's Security Entitlement; security interests.

(a) A Participant's Security Entitlement is created when a Federal Reserve Bank indicates by book-entry that a Book-entry Funding Corporation Security has been credited to a Participant's Securities Account.

(b) A security interest in a Security Entitlement of a Participant in favor of the United States to secure deposits of public money, including without limitation deposits to the Treasury tax and loan accounts, or other security interest in favor of the United States that is required by Federal statute, regulation, or agreement, and that is marked on the books of a Federal Reserve Bank is thereby effected and perfected, and has priority over any other interest in the securities. Where a security interest in favor of the United States in a Security Entitlement of a Participant is marked on the books of a Federal Reserve Bank, such Reserve Bank may rely, and is protected in relying, exclusively on the order of an authorized representative of the United States directing the transfer of the se-

curity. For purposes of this paragraph, an "authorized representative of the United States" is the official designated in the applicable regulations or agreement to which a Federal Reserve Bank is a party, governing the security interest.

(c)(1) The Funding Corporation and the Federal Reserve Banks have no obligation to agree to act on behalf of any Person or to recognize the interest of any transferee of a security interest or other limited interest in favor of any Person except to the extent of any specific requirement of Federal law or regulation or to the extent set forth in any specific agreement with the Federal Reserve Bank on whose books the interest of the Participant is recorded. To the extent required by such law or regulation or set forth in an agreement with a Federal Reserve Bank, or the Federal Reserve Bank Operating Circular, a security interest in a Security Entitlement that is in favor of a Federal Reserve Bank, the Funding Corporation, or a Person may be created and perfected by a Federal Reserve Bank marking its books to record the security interest. Except as provided in paragraph (b) of this section, a security interest in a Security Entitlement marked on the books of a Federal Reserve Bank shall have priority over any other interest in the securities.

(2) In addition to the method provided in paragraph (c)(1) of this section, a security interest in a Security Entitlement, including a security interest in favor of a Federal Reserve Bank, may be perfected by any method by which a security interest may be perfected under applicable law as described in § 1511.2(b) or § 1511.3. The perfection, effect of perfection or non-perfection and priority of a security interest are governed by such applicable law. A security interest in favor of a Federal Reserve Bank shall be treated as a security interest in favor of a clearing corporation in all respects under such law, including with respect to the effect of perfection and priority of such security interest. A Federal Reserve Bank Operating Circular shall be treated as a rule adopted by a clearing corporation for such purposes.

§ 1511.5

§ 1511.5 Obligations of Funding Corporation; no adverse claims.

(a) Except in the case of a security interest in favor of the United States or a Federal Reserve Bank or otherwise as provided in § 1511.4(c)(1), for the purposes of this part 1511, the Funding Corporation and the Federal Reserve Banks shall treat the Participant to whose Securities Account an interest in a Book-entry Funding Corporation Security has been credited as the Person exclusively entitled to issue a Transfer Message, to receive interest and other payments with respect thereof and otherwise to exercise all the rights and powers with respect to such Security, notwithstanding any information or notice to the contrary. Neither the Federal Reserve Banks nor the Funding Corporation is liable to a Person asserting or having an Adverse Claim to a Security Entitlement or to a Book-entry Funding Corporation Security in a Participant's Securities Account, including any such claim arising as a result of the transfer or disposition of a Book-entry Funding Corporation Security by a Federal Reserve Bank pursuant to a Transfer Message that the Federal Reserve Bank reasonably believes to be genuine.

(b) The obligation of the Funding Corporation to make payments of interest and principal with respect to Book-entry Funding Corporation Securities is discharged at the time payment in the appropriate amount is made as follows:

(1) Interest on Book-entry Funding Corporation Securities is either credited by a Federal Reserve Bank to a Funds Account maintained at such Bank or otherwise paid as directed by the Participant.

(2) Book-entry Funding Corporation Securities are redeemed in accordance with their terms by a Federal Reserve Bank withdrawing the securities from the Participant's Securities Account in which they are maintained and by either crediting the amount of the redemption proceeds, including both principal and interest where applicable, to a Funds Account at such Bank or otherwise paying such principal and interest, as directed by the Participant. The principal of such Securities shall be paid using the proceeds of the

12 CFR Ch. XV (1-1-03 Edition)

noninterest bearing instruments maintained by the Funding Corporation for such purpose.

§ 1511.6 Authority of Federal Reserve Banks.

(a) Each Federal Reserve Bank is hereby authorized as fiscal agent of the Funding Corporation to perform functions with respect to the issuance of Book-entry Funding Corporation Securities offered and sold by the Funding Corporation, in accordance with the Securities Documentation, and Federal Reserve Bank Operating Circulars; to service and maintain Book-entry Funding Corporation Securities in accounts established for such purposes; to make payments of principal and interest with respect to such Book-entry Funding Corporation Securities as directed by the Funding Corporation; to effect transfer of Book-entry Funding Corporation Securities between Participants' Securities Accounts as directed by the Participants; and to perform such other duties as fiscal agent as may be requested by the Funding Corporation.

(b) Each Federal Reserve Bank may issue Operating Circulars not inconsistent with this Part, governing the details of its handling of Book-entry Funding Corporation Securities, Security Entitlements, and the operation of the Book-Entry System under this Part.

§ 1511.7 Liability of the Funding Corporation and Federal Reserve Banks.

The Funding Corporation and the Federal Reserve Banks may rely on the information provided in a Transfer Message, or other documentation, and are not required to verify the information. The Funding Corporation and the Federal Reserve Banks shall not be liable for any action taken in accordance with the information set out in a Transfer Message, other documentation, or evidence submitted in support thereof.

§ 1511.8 Notice of attachment.

The interest of a debtor in a Security Entitlement may be reached by a creditor only by legal process upon the Securities Intermediary with whom the

Department of the Treasury

§ 1511.8

debtor's securities account is maintained, except where a Security Entitlement is maintained in the name of a secured party, in which case the debtor's interest may be reached by legal process upon the secured party. The

regulations in this part do not purport to establish whether a Federal Reserve Bank is required to honor an order or other notice of attachment in any particular case or class of cases.

12 CFR Ch. XVII (1–1–03 Edition)

§ 1701.3 Annual assessment.

(a) *Establishment of assessment.* The Director may, to the extent provided in appropriation acts, establish and collect from the Enterprises an annual assessment for each fiscal year, as allocated under paragraph (b) of this section. The amount of the annual assessment shall not exceed the estimated amount to be sufficient to provide for the necessary administrative and non-administrative expenses to carry out the responsibilities of the Director relating to the Enterprises and to carry out the purposes of the Act.

(b) *Allocation and proportional share.* The annual assessment established under paragraph (a) of this section shall be allocated between the Enterprises. Each Enterprise shall pay a proportional share of the annual assessment that bears the same ratio to the total annual assessment as the total assets of each Enterprise bears to the total assets of both Enterprises.

(c) *Timing and amount of semiannual payment.* (1) Each Enterprise shall pay on or before October 1 and April 1 of each fiscal year an amount of one-half of its proportional share of the annual assessment, except:

(i) As provided in paragraph (c)(2) of this section;

When OFHEO receives a regular appropriation, the amount of the allocation share of the annual assessment collected from each Enterprise shall be reduced by any partial payments made by each Enterprise in connection with any continuing appropriations.

(d) *Surplus funds.* Surplus funds shall be credited to the annual assessment by reducing the amount collected by the amount of the surplus funds. Surplus funds shall be allocated in the

§ 1701.4 Increase in semiannual payment.

The Director, in his or her discretion, may increase any semiannual payment to be collected under § 1701.3 from an Enterprise that is not classified as adequately capitalized as necessary to pay additional estimated costs of regulation of the Enterprise.

§ 1701.5 Notice and review.

(a) *Written notice.* The Director shall provide each Enterprise with written notice of the annual assessment, the semiannual payments and any partial payments to be collected under this part. In addition, the Director shall provide each Enterprise with written notice of any changes in the assessment procedures that the Director, in his or her sole discretion, deems necessary under the circumstances.

(b) *Request for review.* At the written request of an Enterprise, the Director, in his or her discretion, may review the calculation of the proportional share of the annual assessment, the semiannual payments, and any partial payments to be collected under this part. The determination of the Director is final. Except as provided by the Director, review by the Director does not suspend the requirement that the Enterprise make the semiannual payment or partial payment on or before the date it is due.

§ 1701.6 Delinquent payment.

(a) *Interest and penalties.* The Director may assess interest and penalties on any delinquent semiannual payment or partial payment collected under this part in accordance with 31 U.S.C. 3717 (interest and penalty on claims) and 12 CFR part 1704 (debt collection). graph, pamphlet, note, chart, tabulation, analysis, statistical or information accumulation, any record of meetings and conversations, film impression, magnetic tape, or any electronic media, disk, film, or mechanical reproduction that is generated, obtained, or adopted by OFHEO in connection with the conduct of its official business.

(d) *Employee* means any officer, former officer, employee, or former employee of OFHEO; any conservator appointed by OFHEO; or any agent or independent contractor acting on behalf of OFHEO, even though the appointment or contract has terminated.

(f) *FOIA Officer* means the person designated to process requests for OFHEO records under the FOIA.

(g) *Official* means concerning the authorized business of OFHEO.

(h) *OFHEO* means the Office of Federal Housing Enterprise Oversight.

(i) *Person* means any individual, or any agency, corporation, partnership, trust, association, joint venture, pool, syndicate, sole proprietorship, unincorporated organization, or any other form of entity not specifically listed herein, but does not include OFHEO or any employee.

(j) *Record* means any document, regardless of form or format, which is created or obtained by OFHEO and which is under OFHEO control at the time of an FOIA request.

(k) *Requester* means any person seeking access to OFHEO records under the FOIA.

[63 FR 71005, Dec. 23, 1998, as amended at 65 FR 55171, Sept. 13, 2000]

Subpart B—Documents and Information Generally

§ 1703.6 General rule.

Except as authorized by this part or as otherwise necessary in performing official duties, no employee shall in any manner disclose or permit disclosure of any document or information in the possession of OFHEO that is confidential or otherwise of a nonpublic nature, including that regarding OFHEO or the Federal National Mortgage Association (Fannie Mae) or the

§ 1703.7

Federal Home Loan Mortgage Corporation (Freddie Mac) (collectively, the Enterprises).

§ 1703.7 Applicability.

(a) *General.* The FOIA and the regulations in this part apply to all OFHEO documents and information. However, if another law sets specific procedure for disclosure, OFHEO will process a request in accordance with the procedures that apply to those specific documents. If a request is received for disclosure of a document to the public which is not required to be released under those provisions, OFHEO will consider the request under the FOIA and the regulations in this part.

(b) *The relationship between the FOIA and the Privacy Act of 1974.* The Privacy Act of 1974 (Privacy Act), 5 U.S.C. 552a, applies to records that are about individuals, but only if the records are in a system of records as defined in the Privacy Act. Requests from individuals for records about themselves which are contained in an OFHEO system of records will be processed under the provisions of the Privacy Act as well as the FOIA. OFHEO will not deny access by a first party to a record under the FOIA or the Privacy Act unless the record is not available to that individual under both the Privacy Act and the FOIA.

(c) *Records available through routine distribution procedures.* When the record requested includes material published and offered for sale, *e.g.*, by the Superintendent of Documents or the Government Printing Office, or which is available to the public through an established distribution system (such as that of the National Technical Information Service of the Department of Commerce), or material offered on OFHEO's web site (<http://www.ofheo.gov>), OFHEO will first refer the requester to those sources. Nevertheless, if the requester is not satisfied with the alternative sources, OFHEO will process the request under the FOIA.

[63 FR 71005, Dec. 23, 1998, as amended at 65 FR 55171, Sept. 13, 2000]

§ 1703.8 OFHEO examination reports.

(a) *General.* Reports of examinations prepared by OFHEO may be disclosed

12 CFR Ch. XVII (1–1–03 Edition)

only in accordance with this part or with the prior written consent of the Director. No person, agency, or authority, or director, officer, employee, or agent thereof, shall disclose any such report or information contained therein in any manner except as authorized in accordance with this subpart. The report of examination is the property of OFHEO and any unauthorized use or disclosure of such report may be subject to the penalties provided in 18 U.S.C. 641.

(b) *Enterprises.* The Director makes available to each Enterprise a copy of OFHEO's report of examination of such Enterprise. The report of examination is the property of OFHEO and is provided to the Enterprise for its confidential use only. Under no circumstance shall the Enterprise or any director, officer, employee, or agent thereof, make public or disclose in any manner the report of examination or any portion of the contents thereof to any person or organization not officially connected with the Enterprise as director, officer, employee, attorney, auditor, or independent auditor. Any other disclosure or use of this report except as expressly permitted by the Director may be subject to the penalties of 18 U.S.C. 641.

(c) *Government agencies.* The Director may make available reports of examination for the confidential use of Federal agencies responsible for investigating or enforcing applicable Federal laws.

§ 1703.9 Orders and agreements available to the public.

(a) *General.* OFHEO shall make the following documents available to the public:

(1) Any written agreement or other written statement for which a violation may be redressed by the Director or any modification to or termination thereof, unless the Director, in the Director's discretion, determines that public disclosure would be contrary to the public interest.

(2) Any order that is issued with respect to any administrative enforcement proceeding initiated by the Director under 12 U.S.C. 4631 through 4641 that has become final in accordance with 12 U.S.C. 4633 and 12 U.S.C. 4634.

Federal Housing Enterprise Oversight

§ 1703.11

(3) Any modification to or termination of any final order made public pursuant to this section.

(b) *Delay of public disclosure under exceptional circumstances.* If the Director makes a determination in writing that the public disclosure of any final order pursuant to paragraph (a) of this section would seriously threaten the financial health or security of the Enterprise, the Director may delay the public disclosure of such order for a reasonable time.

(c) *Documents filed under seal in public enforcement hearings.* The Director may file any document or part thereof under seal in any hearing commenced by the Director if the Director determines in writing that disclosure thereof would be contrary to the public interest.

(d) *Retention of documents.* The Director shall keep and maintain a record, for not less than 6 years, of all documents described in paragraph (a) of this section and all enforcement agreements and other supervisory actions and supporting documents issued with respect to or in connection with any enforcement proceedings initiated by the Director under 12 U.S.C. 4631 through 4641.

(e) *Disclosure to Congress.* This section may not be construed to authorize the withholding of any information from, or to prohibit the disclosure of any information to, the Congress or any committee or subcommittee thereof.

Subpart C—Availability of Records of OFHEO

§ 1703.11 Official records of OFHEO.

(a) OFHEO shall, upon a written request for records that reasonably describes the information or records and is made in accordance with the provisions of this subpart, make the records available as promptly as practicable to any person for inspection and/or copying, except as provided in paragraph (b) of this section. OFHEO may charge a fee determined in accordance with subpart D of this part. OFHEO will make the record available in the form or format requested if the record is readily reproducible in that form or format with reasonable effort. “Readily reproducible” means, with respect to elec-

tronic format, that the requested record or records can be downloaded or transferred intact to a computer disk, tape, or other electronic medium using equipment currently in use by OFHEO.

(b) *Records not available.* Except as otherwise provided in this part, or as may be specifically authorized by the Director, the following information and records, or portions thereof, are not available to requesters:

(1) Any record, or portion thereof, that is—

(i) Specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy, and

(ii) Is in fact properly classified pursuant to such Executive order.

(2) Any record, or portion thereof, related solely to the internal personnel rules and practices of OFHEO.

(3) Any record, or portion thereof that is specifically exempted from disclosure by statute (other than 5 U.S.C. 552b), provided that such statute—

(i) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or

(ii) Establishes particular criteria for withholding or refers to particular types of matters to be withheld.

(4) Any matter that is a trade secret or that constitutes commercial or financial information obtained from a person and that is privileged or confidential.

(5) Any matter contained in inter-agency or intra-agency memoranda or letters that would not be available by law to a private party in litigation with OFHEO.

(6) Any information contained in personnel and medical files and similar files (including financial files) the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

(7) Any records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information—

(i) Could reasonably be expected to interfere with enforcement proceedings;

§ 1703.12

12 CFR Ch. XVII (1–1–03 Edition)

(ii) Would deprive a person of a right to fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution or an Enterprise regulated and examined by OFHEO that furnished information on a confidential basis, and, in the case of a record of information compiled by a criminal law enforcement authority in the course of a criminal investigation or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(8) Any matter that is contained in or related to examination, operating, or condition reports that are prepared by, on behalf of, or for the use of OFHEO.

(9) Any geological and geophysical information and data, including maps, concerning wells.

(c) Even if an exemption described in paragraph (b) of this section may be reasonably applicable to a requested record, or portion thereof, OFHEO may elect under the circumstances of any particular request not to apply the exemption to such requested record, or portion thereof. The fact that the exemption is not applied by OFHEO to any requested record, or portion thereof, has no precedential significance as to the application or nonapplication of the exemption to any other requested record, or portion thereof, no matter when the request is received.

(d) Any reasonably segregable portion of a record shall be provided to any person properly requesting such record after deletion of the portions

which are exempt under this subpart. The amount of the information deleted shall be indicated on the released portion of the record, unless including that indication would harm an interest protected by the exemption in paragraph (b) of this section pursuant to which the deletion is made. If technically feasible, the amount of the information deleted shall be indicated at the place in the record where the deletion is made.

(e) This section does not authorize withholding of information or limit the availability of records to the public, except as specifically stated in this section. This section is not authority to withhold information from Congress.

[65 FR 55171, Sept. 13, 2000]

§ 1703.12 Publicly available records.

(a) The records described in this paragraph are available for public inspection and copying, for a fee determined in accordance with subpart D of this part, at OFHEO's offices located at 1700 G Street, NW., Fourth Floor, Washington, DC 20552. Records created on or after November 1, 1996, and current indexes to all records described in paragraphs (a)(1), (a)(2), (a)(3), and (a)(4) of this section, including those created before November 1, 1996, are available electronically at <http://www.ofheo.gov/docs/>. The publicly available records include—

(1) Any final opinions issued by OFHEO, as well as orders made in adjudication of cases as set forth in §1703.9 of subpart B of this part;

(2) Any statements of policy and interpretation that have been adopted by OFHEO and have not been published in the FEDERAL REGISTER;

(3) Any OFHEO administrative staff manuals and instructions to staff that affect a member of the public, and that are not exempt from disclosure under the Freedom of Information Act;

(4) Copies of all records released pursuant to this subpart that OFHEO determines have become or are likely to become the subject of subsequent requests for substantially the same records; and

(5) Current indexes to the records described in this paragraph.

Federal Housing Enterprise Oversight

§ 1703.14

(b) To the extent necessary to prevent an invasion of personal privacy, the Director may delete identifying details from a record described in paragraph (a) of this section. In each case of such deletion, the justification will be clearly explained in writing and the extent of such deletion indicated (at the place in the record where the deletion is made if technically feasible), unless including that indication would harm an interest protected by the exemption in §1703.11(b) pursuant to which the deletion is made.

[65 FR 55172, Sept. 13, 2000. Redesignated and amended at 65 FR 81327, Dec. 26, 2000]

§ 1703.13 Requests for records.

(a) *Addressing requests.* Requests for records in the possession of OFHEO shall be made in writing but may be submitted by regular mail, electronic mail, or facsimile. If the request is sent by regular mail, the request shall be addressed to FOIA Officer, Office of Federal Housing Enterprise Oversight, 1700 G Street NW., Fourth Floor, Washington, DC 20552, with both the envelope and the letter marked “FOIA Request.” Electronic mail requests shall be addressed to *foia—office@ofheo.gov*, with “FOIA Request” in the subject line. Requests submitted by fax shall be sent to FOIA Officer at (202) 414-8917 and shall be clearly marked “FOIA Request.” All requests shall include the requester’s name, address, and telephone number. An improperly addressed request will be deemed not to have been received for purposes of the 20-day time period set forth in §1703.17(a) of this subpart until it is received, or would have been received with the exercise of due diligence, by the FOIA Officer. Records requested in conformance with this subpart that are not exempt records may be obtained in person, by regular mail, or by electronic mail, as specified in the request, provided the records are readily reproducible in the requested form or format with reasonable effort. Records to be obtained in person will be available for inspection or copying during business hours on a regular business day in the office of OFHEO.

(b) *Description of records.* Each request must reasonably describe the desired records in sufficient detail to en-

able OFHEO personnel to locate the records with a reasonable amount of effort. A request for a specific category of records will be regarded as fulfilling this requirement if it enables responsive records to be identified by a technique or process that is not unreasonably burdensome or disruptive of OFHEO operations.

(1) Whenever possible, a request should include specific information about each record sought, such as the date, title or name, author, recipient, and subject matter of the record.

(2) If the FOIA Officer determines that a request does not reasonably describe the records sought, he or she will either advise the requester what additional information is needed to locate the record or otherwise state why the request is insufficient. The FOIA Officer will also extend to the requester an opportunity to confer with OFHEO personnel with the objective of reformulating the request in a manner which will meet the requirements of this section.

[63 FR 71005, Dec. 23, 1998, as amended at 65 FR 55172, Sept. 13, 2000. Redesignated and amended at 65 FR 81327, Dec. 26, 2000]

§ 1703.14 Responses to requests.

(a) *Response to initial request.* The FOIA Officer of OFHEO is authorized to grant or deny any request for a record and to determine appropriate fees.

(b) *Referral to another agency.* When a requester seeks records that originated in another Federal Government agency, OFHEO will refer the request to the other agency for response. If OFHEO refers the request to another agency, it will notify the requester of the referral. A request for any records classified by some other agency will be referred to that agency for response.

(c) *Creating records.* If a person seeks information from OFHEO in a format that does not currently exist, OFHEO will make reasonable efforts to provide the information in the format requested. OFHEO is not required to create a new record of information to satisfy a request.

(d) *No responsive record.* If no records are responsive to the request, the FOIA

§ 1703.15

Officer will so notify the requester in writing.

[63 FR 71005, Dec. 23, 1998, as amended at 65 FR 55173, Sept. 13, 2000]

§ 1703.15 Form and content of responses.

(a) *Form of notice granting a request.* After the FOIA Officer has granted a request in whole or in part, the requester will be notified in writing. The notice shall describe the manner in which the record will be disclosed, whether by providing a copy of the record with the response or at a later date, or by making a copy of the record available to the requester for inspection at a reasonable time and place. The procedure for such an inspection may not unreasonably disrupt the operation of OFHEO. The response letter will also inform the requester of any fees to be charged in accordance with the provisions of subpart D of this part.

(b) *Form of notice denying a request.* When the FOIA Officer denies a request in whole or in part, he or she will so notify the requester in writing. The response will be signed by the FOIA Officer and will include—

(1) The name and title or position of the person making the denial;

(2) An estimate of the volume of any requested matter that is withheld, unless providing the estimate would harm an interest protected by the exemption in § 1703.11(b) pursuant to which the denial was made;

(3) A brief statement of the reason or reasons for the denial, including the FOIA exemption or exemptions which the FOIA Officer has relied upon in denying the request; and

(4) A statement that the denial may be appealed under § 1703.16 of this subpart and a description of the requirements of that section.

[63 FR 71005, Dec. 23, 1998, as amended at 65 FR 55173, Sept. 13, 2000. Redesignated and amended at 65 FR 81327, Dec. 26, 2000]

§ 1703.16 Appeals of denials.

(a) *Right of appeal.* If a request, including a request for expedited processing, has been denied in whole or in part, the requester may appeal the denial to: FOIA Appeals Officer, Office of Federal Housing Enterprise Oversight, 1700 G Street, NW, Fourth Floor, Wash-

12 CFR Ch. XVII (1–1–03 Edition)

ington DC 20552. Electronic appeals shall be submitted to *foia_appeals_office@ofheo.gov* with “FOIA Appeal” in the subject line.

(b) *Letter of appeal.* The appeal must be in writing and submitted within 30 days of receipt of the denial letter. The appeal shall be submitted in the manner described in § 1703.13, except that it shall be clearly marked “FOIA Appeal” instead of “FOIA Request.” An appeal shall include a copy of the initial request, a copy of the letter denying the request in whole or in part, and a statement of the circumstances, reasons, or arguments advanced in support of disclosure of the requested record. An improperly addressed appeal shall be deemed not to have been received for the purposes of the 20-day time period set forth in § 1703.17(b) until it is received, or would have been received with the exercise of due diligence, by the Appeals Officer.

(c) *Action on appeal.* The disposition of an appeal will be in writing and will constitute the final action of OFHEO on a request. A decision affirming in whole or in part the denial of a request will include a brief statement of the reason or reasons for affirmance, including each FOIA exemption relied on. If the denial of a request is reversed in whole or in part on appeal, the request will be processed promptly in accordance with the decision on appeal.

(d) *Judicial review.* If the denial of the request for records is upheld in whole or in part, or, if a determination on the appeal has not been mailed at the end of the 20-day period or the last extension thereof, the requester is deemed to have exhausted his or her administrative remedies, giving rise to a right of judicial review under 5 U.S.C. 552(a)(4). However, a requester’s refusal of OFHEO’s offer of an opportunity to limit the scope of the request or arrange an alternate time frame for processing the request shall be considered as a factor in determining whether “exceptional circumstances” exist, which permits a court in which a requester has sought judicial review, to grant a stay to allow OFHEO to complete its review of the records.

[63 FR 71005, Dec. 23, 1998, as amended at 65 FR 55173, Sept. 13, 2000. Redesignated and amended at 65 FR 81327, Dec. 26, 2000]

§ 1703.17 Time limits.

(a) *Initial request.* Following receipt of a request for records, the FOIA Officer will determine whether to comply with the request and will notify the requester in writing of his or her determination within 20 days (excluding Saturdays, Sundays, and legal holidays) after receipt of the request.

(b) *Appeal.* A written determination on an appeal submitted in accordance with §1703.16 of this subpart will be issued within 20 days (excluding Saturdays, Sundays, and legal holidays) after receipt of the appeal. However, determination of an appeal of a denial of expedited processing will be issued as expeditiously as practicable. When a determination cannot be mailed within the applicable time limit, the appeal will nevertheless be processed. In such case, upon the expiration of the time limit, the requester will be informed of the reason for the delay, of the date on which a determination may be expected to be mailed, and of that person's right to seek judicial review. The requester may be asked to forego judicial review until determination of the appeal.

(c) *Extension of time limits.* The time limits specified in either paragraph (a) or (b) of this section may be extended in unusual circumstances after written notice to the requester setting forth the reasons for the extension and the date on which a determination is expected to be made. If the date specified for the extension is more than 10 days after the initial time allowed for response, OFHEO will provide the requester an opportunity to limit the scope of the request or arrange for an alternate time frame for processing the request. As used in this paragraph, *unusual circumstances* means that there is a need to—

(1) Search for and collect the requested records from facilities that are separate from the office processing the request;

(2) Search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) Consult with another agency having a substantial interest in the determination of the request, or consult with various offices within OFHEO

that have a substantial interest in the records requested.

(d) *Related requests.* OFHEO may aggregate multiple requests involving clearly related matters made by a single requester, or a group of requesters acting in concert, if OFHEO reasonably believes that such requests actually constitute a single request that would qualify as an “unusual circumstance.”

(e) *Expedited processing.* (1) Upon a demonstration of compelling need by the requester, OFHEO will grant a request for expedited processing of a FOIA request. If a request for expedited processing is granted, OFHEO will give the request priority and process it as soon as practicable.

(2) To show a compelling need for expedited processing, the requester shall provide a statement demonstrating that:

(i) The failure to obtain the requested records could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(ii) The requester's main professional occupation or activity is information dissemination and there is a particular urgency to inform the public of government activity involved in the request beyond the public's right to know about government activity generally.

(3) The requester's statement of compelling need must be certified to be true and correct to the best of his or her knowledge and belief and must explain in detail the basis for requesting expedited processing. The formality of the certification required to obtain expedited treatment may be waived by OFHEO in its discretion.

(4) A requester seeking expedited processing will be notified within ten (10) working days of the receipt of the request whether expedited processing has been granted. If the request for expedited processing is denied, OFHEO will act on any appeal expeditiously.

[65 FR 55173, Sept. 13, 2000. Redesignated and amended at 65 FR 81327, Dec. 26, 2000]

§ 1703.18 Special procedures for business information.

(a) *In general.* Business information provided to OFHEO by a business submitter shall not be disclosed pursuant

to an FOIA request except in accordance with this section.

(b) *Definitions.* For the purpose of this section, the following definitions shall apply:

(1) *Business information* means trade secrets or other commercial or financial information, provided to OFHEO by a submitter, which arguably is protected from disclosure under §1703.11(b)(4), because disclosure could reasonably be expected to cause substantial competitive harm.

(2) *Business submitter* means any person or entity which provides business information, directly or indirectly, to OFHEO and who has a proprietary interest in the information.

(c) *Designation of business information.* Submitters of business information should use good-faith efforts to designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, those portions of their submissions which they deem to be protected under §1703.11(b)(4). Any such designation will expire 10 years after the records were submitted to the Government, unless the submitter requests, and provides reasonable justification for, a designation period of longer duration.

(d) *Predisclosure notification.* (1) Except as is provided for in paragraph (i) of this section, the FOIA Officer shall, to the extent permitted by law, provide a submitter with prompt written notice of an FOIA request or administrative appeal encompassing its business information whenever required under paragraph (e) of this section. Such notice shall either describe the exact nature of the business information requested or provide copies of the records or portions thereof containing the business information.

(2) Whenever the FOIA Officer provides a business submitter with the notice set forth in paragraph (e)(1) of this section, the FOIA Officer shall notify the requester that the request includes information that may arguably be exempt from disclosure under §1703.11(b)(4) and that the person or entity who submitted the information to OFHEO has been given the opportunity to comment on the proposed disclosure of information.

(e) *When notice is required.* OFHEO shall provide a business submitter with notice of a request whenever—

(1) The business submitter has in good faith designated the information as business information deemed protected from disclosure under §1703.11(b)(4); or

(2) OFHEO has reason to believe that the request seeks business information the disclosure of which may result in substantial commercial or financial injury to the business submitter.

(f) *Opportunity to object to disclosure.* Through the notice described in paragraph (d) of this section, OFHEO shall, to the extent permitted by law, afford a business submitter at least 10 days (excluding Saturdays, Sundays, and legal holidays) within which it can provide OFHEO with a detailed written statement of any objection to disclosure. Such statement shall demonstrate why the information is contended to be a trade secret or commercial or financial information that is privileged or confidential and why disclosure would cause competitive harm. Whenever possible, the business submitter's claim of confidentiality should be supported by a statement or certification by an officer or authorized representative of the business submitter. Information provided by a submitter pursuant to this paragraph may itself be subject to disclosure under the FOIA.

(g) *Notice of intent to disclose.* (1) The FOIA Officer shall consider carefully a business submitter's objections and specific grounds for nondisclosure prior to determining whether to disclose business information. Whenever the FOIA Officer decides to disclose business information over the objection of a business submitter, the FOIA Officer shall forward to the business submitter a written notice at least 10 days (excluding Saturdays, Sundays, and legal holidays) before the date of disclosure containing—

(i) A statement of the reasons for which the business submitter's disclosure objections were not sustained,

(ii) A description of the business information to be disclosed, and

(iii) A specified disclosure date.

Federal Housing Enterprise Oversight

§ 1703.21

(2) Such notice of intent to disclose likewise shall be forwarded to the requester at least 10 days (excluding Saturdays, Sundays, and legal holidays) prior to the specified disclosure date.

(h) *Notice of FOIA lawsuit.* Whenever a requester brings suit seeking to compel disclosure of business information, the FOIA Officer shall promptly notify the business submitter of such action.

(i) *Exceptions to predisclosure notification.* The requirements of this section shall not apply if—

(1) The FOIA Officer determines that the information should not be disclosed;

(2) The information lawfully has been published or has been officially made available to the public;

(3) Disclosure of the information is required by law (other than the Freedom of Information Act); or

(4) The designation made by the submitter in accordance with paragraph (c) of this section appears obviously frivolous; except that, in such a case, the FOIA Officer will provide the submitter with written notice of any final decision to disclose business information within a reasonable number of days prior to a specified disclosure date.

Subpart D—Fees for Provision of Information

§ 1703.21 Definitions.

For the purpose of this subpart, the following definitions shall apply:

(a) *Commercial use request* means a request for information that is from, or on behalf of, a requester seeking information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is being made. To determine whether a request is properly classified as a commercial use request, OFHEO shall determine the purpose for which the requested records shall be used. If OFHEO has reasonable cause to doubt the purpose specified in the request for which a requester will use the records sought, or where the purpose is not clear from the request itself, OFHEO shall seek addi-

tional clarification before assigning the request to a specified category.

(b) *Direct costs* means the expenditures actually incurred by OFHEO in searching for and reproducing records to respond to a request for information. In the case of a commercial use request, the term also means those expenditures OFHEO actually incurs in reviewing records to respond to the request. The direct costs shall include the cost of the time of the employee performing the work, determined in accordance with § 1703.22(b)(1)(i), the cost of any computer searches, determined in accordance with § 1703.22(b)(1)(ii), and the cost of operating duplication equipment. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored. Direct costs also include the costs incurred by OFHEO for any contract services that may be needed to respond to a request.

(c) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of undergraduate higher education, an institution of graduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(d) *Noncommercial scientific institution* refers to an institution that is not operated on a commercial, trade, or profit basis and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(e) *Representative of the news media* means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term “news” means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large and publishers of periodicals (but only in those instances in which the periodicals can qualify as disseminators of “news”) who make their products available for purchase or subscription by the general public.

§ 1703.22

These examples are not intended to be all-inclusive. As traditional methods of news delivery evolve, *e.g.*, electronic dissemination of newspapers through telecommunication services, such alternative media, would be included in this category. “Freelance” journalists may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization even though they are not actually employed by the organization. A publication contract would be the clearest proof that a journalist is working for a news organization, but OFHEO may look to the requester’s past publication record to determine whether a journalist is working for a news organization.

(f) *Reproduce and reproduction* means the process of making a copy of a record necessary to respond to a request for information. Such copies take the form of paper copy, microfilm, audio-visual materials, or machine-readable documentation, *e.g.*, magnetic tape or disk. The copy provided shall be in the form or format requested, provided the record is readily reproducible in that form or format with reasonable effort, and shall be in a form reasonably usable by the requesters.

(g) *Review* means the process of examining records located in response to a request for information to determine whether any portion of any record located is permitted to be withheld. It also includes processing any records for disclosure, *e.g.*, doing all that is necessary to prepare the records for release. The term “review” does not include the time spent resolving general legal or policy issues regarding the application of exemptions. OFHEO shall only charge fees for reviewing records in response to a commercial use request.

(h) The term *search* includes all time spent looking for material that is responsive to a request for information, including page-by-page or line-by-line identification of material within records. The term “search” includes the extraction of information from a computer using existing programming. Searching for materials shall be done in the most efficient and least expensive manner so as to minimize the costs of OFHEO and the requester. For

12 CFR Ch. XVII (1–1–03 Edition)

example, a line-by-line search for responsive material should not be performed when merely reproducing an entire document would be less expensive and the faster method of complying with the request for information. A “search” for material that is responsive to a request should be distinguished from a “review” of material to determine whether the material is exempt from disclosure.

[63 FR 71005, Dec. 23, 1998, as amended at 65 FR 55174, Sept. 13, 2000. Redesignated and amended at 65 FR 81327, Dec. 26, 2000]

§ 1703.22 Fees to be charged—general.

(a) Generally, the fees charged for requests for records pursuant to the Freedom of Information Act will cover the full allowable direct costs of searching for, reproducing, and reviewing records that are responsive to a request for information. Fees will be assessed according to the schedule contained in paragraph (b) of this section and the category of requesters described in §1703.23 of this subpart for services rendered by OFHEO staff in responding to, and processing requests for, records under this part. Fees assessed shall be paid by check or money order payable to the Office of Federal Housing Enterprise Oversight.

(b) *Types of charges.* The types of charges that may be assessed in connection with the production of records in response to a FOIA request are as follows:

(1) *Searches.* (i) *Manual searches for records.* OFHEO will charge for actual search time, billed in 15-minute segments, at a rate determined by whether the employee performing the work is classified as clerical, professional, or executive. The hourly fee for each classification is based on the average of the actual compensation (salary and benefits) of employees in the classification and is adjusted periodically to reflect significant changes in the average compensation of the class. The “executive” classification includes the senior management of OFHEO, *i.e.* Director, Deputy Director, Associate Directors and Deputy Associate Directors. The “clerical” classification includes employees performing primarily secretarial, clerical, or ministerial tasks.

The “professional” classification includes all positions not classified as “executive” or “clerical.” A current fee schedule is available on electronically at <http://www.ofheo.gov/docs/> or by regular mail.

(ii) *Computer searches for records.* Requesters will be charged at the actual direct costs of conducting a search using existing programming. These direct costs will include the cost of operating the computer equipment for that portion of operating time that is directly attributable to searching for records and the cost of the time of the employee performing the work, determined as described in paragraph (b)(1)(i) of this section. A charge will also be made for any substantial amounts of special supplies or materials used to contain, present, or make available the output of computers, based upon the prevailing levels of costs to OFHEO for the type and amount of such supplies of materials that are used. Nothing in this paragraph shall be construed to entitle any person or entity, as of right, to any services in connection with computerized records, other than services to which such person or entity may be entitled under the provisions of this subpart.

(iii) *Unproductive searches.* OFHEO may charge search fees even if no records are found that are responsive to the request or if the records found are exempt from disclosure.

(2) *Reproduction.* Records will be photocopied at a rate of \$.15 per page. For copies prepared by computer, such as tapes or printouts, the requester will be charged the actual cost, including operator time, of production of the tape or printout. For other methods of reproduction, the actual direct costs of reproducing the record(s) will be charged.

(3) *Review.* Only requesters who are seeking records for commercial use may be charged for time spent reviewing records to determine whether they are exempt from mandatory disclosure. Charges may be assessed only for initial review, *i.e.*, the review undertaken the first time OFHEO analyzes the applicability of a specific exemption to a particular record or portion of a record. Records or portions of records

withheld in full under an exemption that is subsequently determined not to apply may be reviewed again to determine the applicability of other exemptions not previously considered. The costs for such a review are properly assessable.

(4) *Other services and materials.* Where OFHEO elects, as a matter of administrative discretion, to comply with a request for a special service or materials, such as certifying that records are true copies or sending records by special methods, the actual direct costs of providing the service or materials will be charged.

[65 FR 55174, Sept. 13, 2000. Redesignated and amended at 65 FR 81327, Dec. 26, 2000]

§ 1703.23 Fees to be charged—categories of requesters.

(a) *Fees for various requester categories.* Paragraphs (b) through (e) of this section state, for each category of requester, the types of fees generally charged by OFHEO. However, for each of these categories, the fees may be limited, waived or reduced in accordance with the provisions set forth in paragraph (c) of § 1703.24. If OFHEO has reasonable cause to doubt the purpose specified in the request for which a requester will use the records sought, or where the purpose is not clear from the request itself, OFHEO will seek clarification before assigning the request a specific category.

(b) *Commercial use requester.* OFHEO shall charge fees for records requested by persons or entities making a commercial use request in an amount that equals the full direct costs for searching for, reviewing for release, and reproducing the records sought. Commercial use requesters are not entitled to 2 hours of free search time nor 100 free pages of reproduction of records. In accordance with § 1703.22, commercial use requesters may be charged the costs of searching for and reviewing records even if there is ultimately no disclosure of records.

(c) *Educational and noncommercial scientific institutions.* OFHEO shall charge fees for records requested by, or on behalf of, educational institutions and noncommercial scientific institutions in an amount which equals the cost of reproducing the records responsive to

§ 1703.24

the request, excluding the cost of reproducing the first 100 pages. No search fee shall be charged with respect to requests by educational and noncommercial scientific institutions. For a request to be included in this category, requesters must show that the request being made is authorized by and under the auspices of a qualifying institution, and that the records are not sought for commercial use but are sought in furtherance of scholarly research (if the request is from an educational institution) or scientific research (if the request is from a noncommercial scientific institution).

(d) *News media.* OFHEO shall charge fees for records requested by representatives of the news media in an amount which equals the cost of reproducing the records responsive to the request, excluding the costs of reproducing the first 100 pages. No search fee shall be charged with respect to requests by representatives of the news media. For a request to be included in this category, the requester must qualify as a representative of the news media and the request must not be made for a commercial use. A request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for commercial use.

(e) *All other requesters.* OFHEO shall charge fees for records requested by persons or entities that are not classified in any of the categories listed in paragraphs (b), (c), or (d) of this section in an amount that equals the full reasonable direct cost of searching for and reproducing records that are responsive to the request, excluding the first 2 hours of search time and the cost of reproducing the first 100 pages of records. In accordance with §1703.22, requesters in this category may be charged the cost of searching for records even if there is ultimately no disclosure of records, excluding the first 2 hours of search time.

(f) For purposes of the exceptions contained in this section on assessment of fees, the word “pages” refers to paper copies of 8½ × 11 or 11 × 14. Thus, requesters are not entitled to 100 microfiche or 100 computer disks, for example. A microfiche containing the equivalent of 100 pages or a computer

12 CFR Ch. XVII (1–1–03 Edition)

disk containing the equivalent of 100 pages of computer printout meets the terms of the exception.

(g) For purposes of paragraph (e) of this section, the term “search time” has as its basis, manual search. To apply this term to searches made by computer, OFHEO will determine the hourly cost of operating the computer equipment and the operator’s time determined as described in paragraph (b)(1)(i) of §1703.22. When the cost of the search (including the operator’s time and the cost of operating the computer equipment to process a request) equals the equivalent dollar amount of two hours of the time of the person performing the work, *i.e.*, the operator, OFHEO will begin assessing charges for the computer.

[63 FR 71005, Dec. 23, 1998, as amended at 65 FR 55174, Sept. 13, 2000. Redesignated and amended at 65 FR 81327, Dec. 26, 2000]

§ 1703.24 Limitations on charging fees.

(a) *In general.* Except for requesters seeking records for a commercial use as described in paragraph (b) of §1703.23, OFHEO will provide, without charge, the first 100 pages of duplication and the first 2 hours of search time, or their cost equivalent.

(b) *No fee charged.* OFHEO will not charge fees to any requester, including commercial use requesters, if the cost of collecting a fee would be equal to or greater than the fee itself. The elements to be considered in determining the “cost of collecting a fee” are the administrative costs of receiving and recording a requester’s remittance and of processing the fee.

(c) *Waiver or reduction of fees.* OFHEO may grant a waiver or reduction of fees if OFHEO determines that the disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Federal Government, and the disclosure of the information is not primarily in the commercial interest of the requester. Requests for a waiver or reduction of fees will be considered on a case-by-case basis.

(1) The following factors will be considered by OFHEO in determining whether a waiver or reduction of fees is in the public interest:

(i) *The subject of the request: Whether the subject of the requested records concerns “the operations or activities of the Government.”* The subject matter of the requested records, in the context of the request, must specifically concern identifiable operations or activities of the Federal Government with a connection that is direct and clear, not remote or attenuated. Furthermore, the records must be sought for their informative value with respect to those Government operations or activities; a request for access to records for their intrinsic informational content alone will not satisfy this threshold consideration.

(ii) *The informative value of the information to be disclosed: Whether the disclosure is “likely to contribute” to an understanding of Government operations or activities.* The disclosable portions of the requested records must be meaningfully informative on specific Government operations or activities in order to hold potential for contributing to increased public understanding of those operations and activities. The disclosure of information that is already in the public domain, in either a duplicative or substantially identical form, would not be likely to contribute to such understanding, as nothing new would be added to the public record.

(iii) *The contribution to an understanding of the subject by the general public: Whether disclosure of the requested information will contribute to the “public understanding.”* The disclosure must contribute to the understanding of the public at large, as opposed to the individual understanding of the requester or a narrow segment of interested persons. A requester’s identity and qualifications, *e.g.*, expertise in the subject area and ability and intention to convey information to the general public, will be considered.

(iv) *The significance of the contribution in public understanding: Whether the disclosure is likely to “significantly enhance” the public understanding of Government operations or activities.* The public’s understanding of the subject matter in question, as compared to the level of public understanding existing prior to the disclosure, must be likely to be enhanced by the disclosure to a significant extent. The FOIA Officer

shall not make a separate value judgment as to whether information, even though it in fact would contribute significantly to public understanding of the operations or activities of the Government, is “important” enough to be made public.

(2) In order to determine whether the second fee waiver requirement is met, *i.e.*, that disclosure of the requested information is not primarily in the commercial interest of the requester, OFHEO shall consider the following two factors in sequence:

(i) *The existence and magnitude of a commercial interest: Whether the requester, or any person on whose behalf the requester may be acting, has a commercial interest that would be furthered by the requested disclosure.* In assessing the magnitude of identified commercial interests, consideration will be given to the effect that the information disclosed would have on those commercial interests, as well as to the extent to which FOIA disclosures serve those interests overall. Requesters shall be given a reasonable opportunity in the administrative process to provide information bearing upon this consideration.

(ii) *The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large in comparison with the public interest in disclosure, that disclosure is “primarily in the commercial interest of the requester.”* A fee waiver or reduction is warranted only where, once the “public interest” standard set out in paragraph (c)(1) of this section is satisfied, that public interest can fairly be regarded as greater in magnitude than that of the requester’s commercial interest in disclosure. OFHEO will ordinarily presume that, where a news media requester has satisfied the public interest standard, the public interest will be serviced primarily by disclosure to that requester. Disclosure to requesters who compile and market Federal Government information for direct economic return will not be presumed to primarily serve the “public interest.”

(3) Where only a portion of the requested record satisfies the requirements for a waiver or reduction of fees

§ 1703.25

under this paragraph, a waiver or reduction shall be granted only as to that portion.

(4) A request for a waiver or reduction of fees must accompany the request for disclosure of records and should include—

(i) A clear statement of the requester's interest in the records;

(ii) The proposed use of the records and whether the requester will derive income or other benefit from such use;

(iii) A statement of how the public will benefit from release of the requested records; and

(iv) If specialized use of the documents is contemplated, a statement of the requester's qualifications that are relevant to the specialized use.

(5) A requester may appeal the denial of a request for a waiver or reduction of fees in accordance with the provisions of § 1703.16.

[63 FR 71005, Dec. 23, 1998. Redesignated and amended at 65 FR 81327, Dec. 26, 2000]

§ 1703.25 Miscellaneous fee provisions.

(a) *Notice of anticipated fees in excess of \$25.00.* Where OFHEO determines or estimates that the fees chargeable will amount to more than \$25.00, OFHEO shall promptly notify the requester of the actual or estimated amount of fees or such portion thereof that can be readily estimated, unless the requester has indicated his or her willingness to pay fees as high as those anticipated. Where a requester has been notified that the actual or estimated fees may exceed \$25.00, the request will be deemed not to have been received until the requester has agreed to pay the anticipated total fee. A notice to the requester pursuant to this paragraph will include the opportunity to confer with OFHEO personnel in order to reformulate the request to meet the requester's needs at a lower cost.

(b) *Aggregating requests.* A requester may not file multiple requests at the same time, each seeking portions of a record or records, solely in order to avoid the payment of fees. When OFHEO reasonably believes that a requester, or a group of requesters acting in concert, is attempting to break a request into a series of requests for the purpose of evading the assessment of fees, OFHEO may aggregate such re-

12 CFR Ch. XVII (1-1-03 Edition)

quests and charge accordingly. One element to be considered in determining whether a belief would be reasonable is the time period over which the requests have occurred. OFHEO will presume that multiple requests of this type made within a 30-day period have been made in order to evade fees. Where requests are separated by a longer period, OFHEO shall aggregate them only where there exists a solid basis for determining that such aggregation is warranted, *e.g.*, where the requests involve clearly related matters. Multiple requests regarding unrelated matters will not be aggregated.

(c) *Advance payment of fees.* (1) OFHEO does not require an advance payment before work is commenced or continued, unless—

(i) OFHEO estimates or determines that the fees are likely to exceed \$250.00. If it appears that the fees will exceed \$250.00, OFHEO will notify the requester of the likely cost and obtain satisfactory assurance of full payment where the requester has a history of prompt payment of FOIA fees. In the case of requesters with no history of payment, OFHEO may require an advance payment of fees in an amount up to the full estimated charge that will be incurred; or

(ii) The requester has previously failed to pay a fee in a timely fashion, *i.e.*, within 30 days of the date of a billing. In such cases, OFHEO may require the requester to pay the full amount owed plus any applicable interest, as provided in paragraph (d) of this section, or demonstrate that the fee owed has been paid, prior to processing any further record request. Under these circumstances, OFHEO may require the requester to make an advance payment of the full amount of the fees anticipated before processing a new request or finishing processing of a pending request from that requester.

(2) A request for an advance deposit shall include an offer to the requester to confer with identified OFHEO personnel to attempt to reformulate the request in a manner which will meet the needs of the requester at a lower cost.

(3) When OFHEO requests an advance payment of fees, the administrative time limits described in 5 U.S.C.

Federal Housing Enterprise Oversight

§ 1703.34

552(a)(6) begin only after OFHEO has received the advance payment.

(d) *Interest.* OFHEO may assess interest charges on an unpaid bill starting on the 31st day following the day on which the bill was sent. Once a fee payment has been received by OFHEO, even if not processed, the accrual of interest shall be stayed. Interest charges shall be assessed at the rate prescribed in 31 U.S.C. 3717 and shall accrue from the date of the billing.

Subpart E—Testimony and Production of Documents in Legal Proceedings in Which OFHEO Is Not a Named Party

§ 1703.31 General purposes.

The purposes of this subpart are to maintain the confidentiality of official documents and information of OFHEO, conserve the time of employees for their official duties, maintain the impartial position of OFHEO in litigation in which OFHEO is not a named party, and enable the Director to determine when to authorize testimony and to produce documents in legal proceedings in which OFHEO is not a named party. This subpart sets forth the procedures to be followed with respect to testimony concerning official matters and production of official documents of OFHEO in legal proceedings in which OFHEO is not a named party. This subpart in no way affects the rights and procedures governing public access to official documents pursuant to the FOIA or the Privacy Act.

§ 1703.32 Definitions.

For the purpose of this subpart:

(a) *Court* means any entity conducting a legal proceeding.

(b) *Demand* means any order, subpoena, or other legal process for testimony or documents.

(c) *Legal proceeding* means any administrative, civil, or criminal proceeding, including a discovery proceeding therein, before a court of law, administrative board or commission, hearing officer, or other body in which OFHEO is not a named party or in which OFHEO has not instituted the administrative investigation or administrative hearing.

(d) *OFHEO Counsel* means the General Counsel or his or her designee, a Department of Justice attorney, or counsel authorized by OFHEO to act on behalf of OFHEO or an employee.

§ 1703.33 General policy.

It is the policy of OFHEO that in any legal proceeding in which OFHEO is not a named party, no employee shall, in response to a demand, produce any documents contained in the files of OFHEO, or disclose any information relating to, or based upon, documents contained in the files of OFHEO, or disclose or produce any documents acquired as part of the performance of that employee's official duties or because of that employee's official status. Under appropriate circumstances, the Director may grant exceptions in writing to this policy when the Director determines that the testimony of employees or disclosure of official documents would be in the best interest of OFHEO or in the public interest. Prior to any authorized testimony or release of official documents, the requesting party shall obtain a protective order from the court before which the action is pending to preserve the confidentiality of the testimony or documents subsequently produced. The protective order shall be in a form satisfactory to OFHEO.

§ 1703.34 Request for testimony or production of documents.

(a) No employee shall give testimony concerning official matters or produce any official documents in any legal proceeding to which OFHEO is not a named party without the prior written authorization of the Director.

(b) If testimony by an employee concerning official matters or the production of official documents is desired, the requesting party, or his or her attorney, shall submit a letter to the Director setting forth the title of the case, the forum, the requesting party's interest in the case, a summary of the issues in the litigation, the reasons for the request, and a showing that the desired testimony, documents, or information are not reasonably available from any other source. If an appearance or testimony is requested, the letter shall also set forth the intended use

§ 1703.35

of the testimony, a general summary of the scope of the testimony requested, and a showing that no document could be provided and used in lieu of the testimony or other appearance requested.

(c) The General Counsel is authorized to consult with the requesting party or his or her attorney to refine and limit the request so that compliance is less burdensome, or obtain information necessary to make the determination described in §1703.33 of this subpart. Failure of the requesting party, or his or her attorney, to cooperate in good faith with the General Counsel to enable the Director to make an informed determination under this subpart may serve as the basis for a determination not to comply with the request.

[63 FR 71005, Dec. 23, 1998. Redesignated and amended at 65 FR 81327, Dec. 26, 2000]

§ 1703.35 Scope of permissible testimony.

(a) The scope of permissible testimony by an employee is limited to that set forth in the written authorization granted that employee by the Director.

(b) Employees are not authorized to give opinion testimony, except as authorized by the Director. OFHEO, as the regulatory agency charged with the responsibility of examining, supervising, and regulating the financial safety and soundness and capital adequacy of the Enterprises under the Federal Housing Enterprises Financial Safety and Soundness Act of 1992, 12 U.S.C. 4501 *et seq.*, relies on the ability of its employees to gather full and complete information in order to carry out its statutory responsibilities. The use of employees to give opinion testimony would hamper OFHEO's ability to carry out its statutory responsibilities and would cause a serious administrative burden on OFHEO's staff.

§ 1703.36 Manner in which testimony is given.

(a) Authorized testimony of employees ordinarily will be made available only through depositions or written interrogatories.

(b) Where, in response to a request, the Director determines that circumstances warrant authorizing testimony by an employee, the requesting party shall cause a subpoena to be

12 CFR Ch. XVII (1-1-03 Edition)

served on the employee in accordance with applicable Federal or State rules of procedure, with a copy of the subpoena sent by registered or certified mail to the General Counsel.

(c) Normally, authorized depositions will be taken at OFHEO's office, at a time arranged with the employee that is reasonably fixed to avoid substantial interference with the performance of the employee's duties.

(d) Upon completion of the deposition of an employee, a copy of the transcript of the testimony shall be furnished, at the expense of the party requesting the deposition, to the General Counsel for OFHEO's files.

§ 1703.37 Manner in which documents will be produced.

(a) An employee's authorization to produce official documents is limited to the authority granted that employee by the Director.

(b) Certified or authenticated copies of official OFHEO documents authorized by the Director to be released under this subpart will be provided upon request.

§ 1703.38 Fees.

Unless waived or reduced, the following fees shall be charged for documents produced by OFHEO in connection with requests subject to this subpart:

(a) *Searches for documents.* OFHEO will charge for the actual search time of the employee performing the work, billed in 15-minute segments, as described in §1703.22(b)(1)(i).

(b) *Copying of documents.* The standard copying charge for documents in paper copy is \$.15 per page. When responsive information is provided in a format other than paper copy, such as in the form of computer tapes and disks, OFHEO will assess the direct costs of the tape, disk, or whatever medium is used to produce the information, as well as any related reproduction costs. § 1703.39 Responses to demands served on employees.

(a) *Advice by employee served.* Any employee who is served with a demand in a legal proceeding requiring his or her personal attendance as a witness or requiring the production of documents or information in any proceeding, shall immediately notify the General Counsel of such service, of the testimony and documents described in the demand, and of all relevant facts which may be of assistance to the General Counsel in determining whether the individual in question should be authorized to testify or the documents requested should be made available.

(b) When authorization to testify or to produce documents has not been granted by the Director, OFHEO Counsel shall provide the party issuing the demand or the court with a copy of the regulations contained in this subpart and shall inform the party issuing the demand or the court that the employee upon whom the demand has been made

is prohibited from testifying or producing documents without the prior approval of the Director.

(c) *Appearance by employee served.* Unless OFHEO has authorized disclosure of the information requested, any employee who has OFHEO information that may not be disclosed and who is required to respond to a subpoena or other legal process, shall attend at the time and place required and respectfully decline to disclose or to give any testimony with respect to the information, basing such refusal upon the provisions of this subpart. If the court nevertheless orders the disclosure of the information or the giving of testimony irrespective of instructions from the Director not to produce the documents or disclose the information sought, the employee upon whom the demand has been made shall continue to decline respectfully to disclose the information and shall report promptly the facts to OFHEO for such action as OFHEO may deem appropriate.

(d) A determination under this subpart to comply or not to comply with any demand shall not constitute an assertion or waiver of privilege, lack of relevance, technical deficiencies, or any other ground for noncompliance. OFHEO reserves the right to oppose any demand on any legal ground independent of its determination under this subpart.

§ 1703.40 Responses to demands served on nonemployees.

(a) OFHEO reports of examinations, or any documents related thereto, are the property of OFHEO and are not to be disclosed to any person without the Director's prior written consent.

(b) If any person who has possession of an OFHEO report of examination, or any documents related thereto, is served with a demand in a legal proceeding directing that person to produce such OFHEO documents or to testify with respect thereto, such person shall immediately notify the General Counsel of such service, of the testimony and described documents in the demand, and of all relevant facts. Such person shall also object to the production of such documents or information contained therein on the basis that the documents are the property of OFHEO

Government by Federal employees, other persons, organizations, or entities that are indebted to OFHEO, and by Federal employees of OFHEO who are indebted to other agencies, except for those debts listed in paragraph (b)(2) of this section.

(2) Subparts B and C of this part 1704 do not apply to:

(i) Debts or claims arising under the Internal Revenue Code (26 U.S.C. 1 *et seq.*) or the tariff laws of the United States;

(ii) Any case to which the Contract Disputes Act (41 U.S.C. 601 *et seq.*) applies;

(iii) Any case where collection of a debt is explicitly provided for or provided by another statute, *e.g.* travel advances under 5 U.S.C. 5705 and employee training expenses under 5 U.S.C. 4108, or, as provided for by title 11 of the United States Code, when the claims involve bankruptcy;

5514, 5 CFR part 550, subpart K, and this subpart B.

(b) *Scope.* (1) The procedures set forth in this subpart B apply to situations where OFHEO is attempting to collect a debt by salary offset that is owed to it by an individual employed by OFHEO or by another agency; or where OFHEO employs an individual who owes a debt to another agency.

(2) The procedures set forth in this subpart B do not apply to:

(i) Any routine intra-agency adjustment of pay that is attributable to clerical or administrative error or delay in processing pay documents that have occurred within the four pay periods preceding the adjustment, or any adjustment to collect a debt amounting to \$50 or less. However, at the time of any such adjustment, or as soon thereafter as possible, OFHEO or its designated payroll agent shall provide the employee with a written notice of the nature and the amount of the adjustment and a point of contact for contesting such adjustment.

(ii) Any negative adjustment to pay that arises from an employee's election of coverage or a change in coverage under a Federal benefits program that requires periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less. However, at the time the such adjustment is made, OFHEO or its payroll agent shall provide in the employee's earnings statement a clear and concise statement that informs the employee of the previous overpayment.

§ 1704.21 Notice requirements before salary offset where OFHEO is the creditor agency.

(5) The name, address, and telephone number of the person to whom the employee may propose a written alternative schedule for voluntary repayment, in lieu of salary offset. The employee shall include a justification for the alternative schedule in his or her proposal. If the terms of the alternative schedule are agreed upon by the employee and OFHEO, the alternative written schedule shall be signed by both the employee and OFHEO;

(8) The name, address, and telephone number of the OFHEO employee to whom requests for access to records relating to the debt must be sent;

(9) The employee's right to a hearing conducted by an impartial hearing official with respect to the existence and amount of the debt claimed or the repayment schedule *i.e.*, the percentage of disposable pay to be deducted each pay period, so long as a request is filed by the employee as prescribed in §1704.23; the name and address of the office to which the request for a hearing should be sent; and the name, address, and telephone number of a person whom the employee may contact concerning procedures for requesting a hearing;

(13) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made;

(14) Unless there are applicable contractual or statutory provisions to the contrary, amounts paid on or deducted from debts that are later waived or found not to be owed to the Federal Government shall be promptly refunded to the employee; and

[64 FR 34969, June 30, 1999. Redesignated and amended at 65 FR 81328, Dec. 26, 2000]

§ 1704.22 Review of OFHEO records related to the debt.

(a) *Request for review.* An employee who desires to inspect or copy OFHEO records related to a debt owed by the employee to OFHEO must send a letter to the individual designated in the Notice of Intent requesting access to the relevant records. The letter must be received in the office of that individual within 15 calendar days after the employee's receipt of the Notice of Intent.

(b) *Review location and time.* In response to a timely request submitted by the employee, the employee shall be notified of the location and time when the employee may inspect and copy records related to his or her debt that are not exempt from disclosure. If the employee is unable personally to inspect such records as the result of geographical or other constraints, OFHEO shall arrange to send copies of such records to the employee.

§ 1704.23 Opportunity for a hearing where OFHEO is the creditor agency.

(a) *Request for a hearing.* (1) *Time-period for submission.* An employee who requests a hearing on the existence or amount of the debt held by OFHEO or on the salary-offset schedule proposed by OFHEO, must send such request to OFHEO. The request for a hearing must be received by OFHEO on or before the 15th calendar day following receipt by the employee of the Notice of Intent.

(2) *Failure to submit timely.* If the employee files a request for a hearing after the expiration of the 15th calendar day, OFHEO may accept the request if the employee can show that the delay was the result of circumstances beyond his or her control or that he or she failed to receive actual notice of the filing deadline.

(3) *Contents of request.* The request for a hearing must be signed by the employee and must fully identify and explain with reasonable specificity all the facts, evidence, and witnesses, if any, that the employee believes support his or her position. The employee must also specify whether he or she requests an oral hearing. If an oral hearing is requested, the employee should explain why a hearing by examination of the documents without an oral hearing would not resolve the matter.

(4) *Failure to request a hearing.* The failure of an employee to request a hearing will be considered an admission by the employee that the debt exists in the amount specified in the Notice of Intent that was provided to the employee under § 1704.21(b).

(b) *Obtaining the services of a hearing official.* (1) *Debtor is not OFHEO employee.* When the debtor is not an

OFHEO employee and OFHEO cannot provide a prompt and appropriate hearing before an administrative law judge or other hearing official, OFHEO may request a hearing official from an agent of the paying agency, as designated in 5 CFR part 581, appendix A, or as otherwise designated by the paying agency.

(2) *Debtor is OFHEO employee.* When the debtor is an OFHEO employee, OFHEO may contact any agent of another agency, as designated in 5 CFR part 581, appendix A, or as otherwise designated by the agency, to request a hearing official.

(c) *Procedure.* (1) *Notice of hearing.* After the employee requests a hearing, the hearing official shall notify the employee of the form of the hearing to be provided. If the hearing will be oral, the notice shall set forth the date, time, and location of the hearing, which must occur no more than 30 calendar days after the request is received, unless the employee requests that the hearing be delayed. If the hearing will be conducted by an examination of documents, the employee shall be notified within 30 calendar days that he or she should submit evidence and arguments in writing to the hearing official.

(2) *Oral hearing.* (i) An employee who requests an oral hearing shall be provided an oral hearing if the hearing official determines that the matter cannot be resolved by an examination of the documents alone, as for example, when an issue of credibility or veracity is involved. The oral hearing need not be an adversarial adjudication and rules of evidence need not apply. Witnesses who testify in an oral hearing shall do so under oath or affirmation.

(ii) Oral hearings may take the form of, but are not limited to:

(A) Informal conferences with the hearing official in which the employee and agency representative are given full opportunity to present evidence, witnesses, and argument;

(B) Informal meetings in which the hearing examiner interviews the employee; or

(C) Formal written submissions followed by an opportunity for oral presentation.

§ 1704.24

(3) *Hearing by examination of documents.* If the hearing official determines that an oral hearing is not necessary, he or she shall make the determination based upon an examination of the documents.

(d) *Record.* The hearing official shall maintain a summary record of any hearing conducted under this section.

(e) *Decision.* (1) The hearing official shall issue a written opinion stating his or her decision, based upon all evidence and information developed during the hearing, as soon as practicable after the hearing, but not later than 60 calendar days after the date on which the request was received by OFHEO, unless the hearing was delayed at the request of the employee, in which case the 60-day decision period shall be extended by the number of days by which the hearing was postponed.

(2) The decision of the hearing official shall be final and is considered to be an official certification regarding the existence and the amount of the debt for purposes of executing salary offset under 5 U.S.C. 5514. If the hearing official determines that a debt may not be collected by salary offset, but OFHEO finds that the debt is still valid, OFHEO may seek collection of the debt through other means in accordance with applicable law and regulations.

(f) *Content of decision.* The written decision shall include:

(1) A summary of the facts concerning the origin, nature, and amount of the debt;

(2) The hearing official's findings, analysis, and conclusions; and

(3) The terms of any repayment schedules, if applicable.

(g) *Failure to appear.* If, in the absence of good cause shown, such as illness, the employee or the representative of OFHEO fails to appear, the hearing official shall proceed with the hearing as scheduled, and make his or decision based upon the oral testimony presented and the documentation submitted by both parties. At the request of both parties, the hearing official may schedule a new hearing date. Both parties shall be given reasonable notice

12 CFR Ch. XVII (1-1-03 Edition)

of the time and place of the new hearing.

§ 1704.24 Certification where OFHEO is the creditor agency.

(a) *Issuance.* OFHEO shall issue a certification in all cases where the hearing official determines that a debt exists or the employee admits the existence and amount of the debt, as for example, by failing to request a hearing.

(b) *Contents.* The certification must be in writing and state:

(1) That the employee owes the debt;

(2) The amount and basis of the debt;

(3) The date of the Federal Government's right to collect the debt first accrued;

(4) The date the employee was notified of the debt, the action(s) taken pursuant to OFHEO's regulations, and the dates such actions were taken;

(5) If the collection is to be made by lump-sum payment, the amount and date such payment will be collected;

(6) If the collection is to be made in installments, the amount or percentage of disposable pay to be collected in each installment and, if OFHEO wishes, the desired commencing date of the first installments, if a date other than the next officially established pay period; and

(7) A statement that OFHEO's regulation on salary offset has been approved by the Office of Personnel Management pursuant to 5 CFR part 550, subpart K.

§ 1704.25 Voluntary repayment agreements as alternative to salary offset where OFHEO is the creditor agency.

(a) *Proposed repayment schedule.* In response to a Notice of Intent, an employee may propose to repay the debt voluntarily in lieu of salary offset by submitting a written proposed repayment schedule to OFHEO. Any proposal under this section must be received by OFHEO within 15 calendar days after receipt of the Notice of Intent.

(b) *Notification of decision.* In response to a timely proposal by the employee, OFHEO shall notify the employee whether the employee's proposed repayment schedule is acceptable.

Federal Housing Enterprise Oversight

§ 1704.28

OFHEO has the discretion to accept, reject, or propose to the employee a modification of the proposed repayment schedule.

(1) If OFHEO decides that the proposed repayment schedule is unacceptable, the employee shall have 15 calendar days from the date he or she received notice of the decision in which to file a request for a hearing.

(2) If OFHEO decides that the proposed repayment schedule is acceptable or the employee agrees to a modification proposed by OFHEO, an agreement shall be put in writing and signed by both the employee and OFHEO.

§ 1704.26 Special review where OFHEO is the creditor agency.

(a) *Request for review.* (1) An employee subject to salary offset or a voluntary repayment agreement may, at any time, request a special review by OFHEO of the amount of the salary offset or voluntary repayment, based on materially changed circumstances, including, but not limited to, catastrophic illness, divorce, death, or disability.

(2) The request for special review must include an alternative proposed offset or payment schedule and a detailed statement, with supporting documents, that shows why the current salary offset or payments result in extreme financial hardship to the employee and his or her spouse and dependents. The detailed statement must indicate:

- (i) Income from all sources;
- (ii) Assets;
- (iii) Liabilities;
- (iv) Number of dependents;
- (v) Expenses for food, housing, clothing, and transportation;
- (vi) Medical expenses; and
- (vii) Exceptional expenses, if any.

(b) *Evaluation of request.* OFHEO shall evaluate the statement and supporting documents and determine whether the original offset or repayment schedule imposes extreme financial hardship on the employee. OFHEO shall notify the employee in writing within 30 calendar days of such determination, including, if appropriate, a revised offset or payment schedule. If the special review results in a revised offset or repayment

schedule, OFHEO shall provide a new certification to the paying agency.

§ 1704.27 Notice of salary offset where OFHEO is the paying agency.

(a) *Notice.* Upon issuance of a proper certification by OFHEO (for debts owed to OFHEO) or upon receipt of a proper certification from another creditor agency, OFHEO shall send the employee a written notice of salary offset.

(b) *Content of notice.* Such written notice of salary offset shall advise the employee of the:

(1) Certification that has been issued by OFHEO or received from another creditor agency;

(2) Amount of the debt and of the deductions to be made; and

(3) Date and pay period when the salary offset will begin.

(c) If OFHEO is not the creditor agency, OFHEO shall provide a copy of the notice of salary offset to the creditor agency and advise the creditor agency of the dollar amount to be offset and the pay period when the offset will begin.

§ 1704.28 Procedures for salary offset where OFHEO is the paying agency.

(a) *Generally.* OFHEO shall coordinate salary deductions under this section and shall determine the amount of an employee's disposable pay and the amount of the salary offset subject to the requirements in this section. Deductions shall begin the pay period following the issuance of the certification by OFHEO or the receipt by OFHEO of the certification from another agency, or as soon thereafter as possible.

(b) *Types of collection.* (1) *Lump-sum payment.* If the amount of the debt is equal to or less than 15 percent of the employee's disposable pay, such debt ordinarily will be collected in one lump-sum payment.

(2) *Installment deductions.* Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee's ability to pay. However, the amount deducted for any pay period will not exceed 15 percent of the disposable pay from which the deduction is made unless the employee

§ 1704.29

12 CFR Ch. XVII (1–1–03 Edition)

has agreed in writing to the deduction of a greater amount. The installment payment should normally be sufficient in size and frequency to liquidate the debt in no more than three years. Installment payments of less than \$50 should be accepted only in the most unusual circumstances.

(3) *Lump-sum deductions from final check.* In order to liquidate a debt, a lump-sum deduction exceeding 15 percent of disposable pay may be made pursuant to 31 U.S.C. 3716 from any final salary payment due a former employee, whether the former employee was separated voluntarily or involuntarily.

(4) *Lump-sum deductions from other sources.* Whenever an employee subject to salary offset is separated from OFHEO, and the balance of the debt cannot be liquidated by offset of the final salary check, OFHEO may offset any later payments of any kind to the former employee to collect the balance of the debt pursuant to 31 U.S.C. 3716.

(c) *Multiple debts.* (1) Where two or more creditor agencies are seeking salary offset, or where two or more debts are owed to a single creditor agency, OFHEO may, at his or her discretion, determine whether one or more debts should be offset simultaneously within the 15 percent limitation.

(2) In the event that a debt owed OFHEO is certified while an employee is subject to salary offset to repay another agency, OFHEO may, at its discretion, determine whether the debt to OFHEO should be repaid before the debt to the other agency is repaid, repaid simultaneously with the other debt, or repaid after the debt to the other agency.

(3) A levy pursuant to the Internal Revenue Code of 1986 shall take precedence over other deductions under this section, as provided in 5 U.S.C. 5514(d).

§ 1704.29 Coordinating salary offset with other agencies.

(a) *Responsibility of OFHEO as the creditor agency.* (1) OFHEO shall be responsible for:

(i) Arranging for a hearing upon proper request by a Federal employee;

(ii) Preparing the Notice of Intent consistent with the requirements of § 1704.21;

(iii) Obtaining hearing officials from other agencies pursuant to § 1704.23(b); and

(iv) Ensuring that each certification of debt is sent to a paying agency pursuant to § 1704.24(b).

(2) Upon completion of the procedures set forth in §§ 1704.24–1704.26, OFHEO shall submit to the employee's paying agency, if applicable, a certified debt claim and an installment agreement or other instruction on the payment schedule.

(i) If the employee is in the process of separating from the Federal Government, OFHEO shall submit its debt claim to the employee's paying agency for collection by lump-sum deduction from the employee's final check. The paying agency shall certify the total amount of its collection and furnish a copy of the certification to OFHEO and to the employee.

(ii) If the employee is already separated and all payments due from his or her former paying agency have been paid, OFHEO may, unless otherwise prohibited, request that money due and payable to the employee from the Federal Government be administratively offset to collect the debt.

(iii) When an employee transfers to another paying agency, OFHEO shall not repeat the procedures described in §§ 1704.24–1704.26. Upon receiving notice of the employee's transfer, OFHEO shall review the debt to ensure that collection is resumed by the new paying agency.

(b) *Responsibility of OFHEO as the paying agency.* (1) *Complete claim.* When OFHEO receives a certified claim from a creditor agency, the employee shall be given written notice of the certification, the date salary offset will begin, and the amount of the periodic deductions. Deductions shall be scheduled to begin at the next officially established pay interval or as otherwise provided for in the certification.

(2) *Incomplete claim.* When OFHEO receives an incomplete certification of debt from a creditor agency, OFHEO shall return the claim with notice that procedures under 5 U.S.C. 5514 and 5 CFR 550.1104 must be followed, and that a properly certified claim must be received before OFHEO will take action

Federal Housing Enterprise Oversight

§ 1704.41

to collect the debt from the employee's current pay account.

(3) *Review.* OFHEO is not authorized to review the merits of the creditor agency's determination with respect to the amount or validity of the debt certified by the creditor agency.

(4) *Employees who transfer from one paying agency to another agency.* If, after the creditor agency has submitted the debt claim to OFHEO, the employee transfers to another agency before the debt is collected in full, OFHEO must certify the total amount collected on the debt. One copy of the certification shall be furnished to the employee and one copy shall be sent to the creditor agency along with notice of the employee's transfer. If OFHEO is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund or other similar payments, it must provide written notification to the agency responsible for making such payments that the debtor owes a debt (including the amount) and that the requirements set forth herein and in 5 CFR part 550, subpart k, have been met.

§ 1704.30 Interest, penalties, and administrative costs.

Where OFHEO is the creditor agency, OFHEO shall assess interest, penalties, and administrative costs pursuant to 31 U.S.C. 3717 and the FCCS.

§ 1704.31 Refunds.

(a) Where OFHEO is the creditor agency, OFHEO shall promptly refund any amount deducted under the authority of 5 U.S.C. 5514 when:

(1) OFHEO receives notice that the debt has been compromised or otherwise found not to be owing to the Federal Government; or

(2) An administrative or judicial order directs OFHEO to make a refund.

(b) Unless required by law or contract, refunds under this section shall not bear interest.

§ 1704.32 Request from a creditor agency for the services of a hearing official.

(a) OFHEO may provide qualified personnel to serve as hearing officials

upon request of a creditor agency when—

(1) The debtor is employed by OFHEO and the creditor agency cannot provide a prompt and appropriate hearing before a hearing official furnished pursuant to another lawful arrangement; or

(2) The debtor is employed by the creditor agency and that agency cannot arrange for a hearing official.

(b) Services provided by OFHEO to creditor agencies under this section shall be provided on a fully reimbursable basis pursuant to 31 U.S.C. 1535.

§ 1704.33 Non-waiver of rights by payments.

A debtor's payment, whether voluntary or involuntary, of all or any portion of a debt being collected pursuant to this subpart B shall not be construed as a waiver of any rights that the debtor may have under any statute, regulation, or contract, except as otherwise provided by law or contract.

§§ 1704.34–1704.39 [Reserved]

Subpart C—Administrative Offset

§ 1704.40 Authority and scope.

OFHEO may collect a debt owed to the Federal Government from a person, organization, or other entity by administrative offset, pursuant to 31 U.S.C. 3716, where:

(a) The debt is certain in amount;

(b) Administrative offset is feasible, desirable, and not otherwise prohibited;

(c) The applicable statute of limitations has not expired; and

(d) Administrative offset is in the best interest of the Federal Government.

§ 1704.41 Administrative offset prior to completion of procedures.

Prior to the completion of the procedures described in §1704.42, OFHEO may effect administrative offset if failure to offset would substantially prejudice its ability to collect the debt, and if the time before the payment is to be made does not reasonably permit completion of the procedures described in

§ 1704.42

§1704.42. Such prior administrative offset shall be followed promptly by the completion of the procedures described in § 1704.42.

[64 FR 34969, June 30, 1999. Redesignated and amended at 65 FR 81328, Dec. 26, 2000]

§ 1704.42 Procedures.

Unless the procedures described in §1704.41 are used, prior to collecting any debt by administrative offset or referring such claim to another agency for collection through administrative offset, OFHEO shall provide the debtor with the following:

(a) Written notification of the nature and amount of the debt, the intention of OFHEO to collect the debt through administrative offset, and a statement of the rights of the debtor under this section;

(b) An opportunity to inspect and copy the records of OFHEO related to the debt that are not exempt from disclosure;

(c) An opportunity for review within OFHEO of the determination of indebtedness. Any request for review by the debtor shall be in writing and shall be submitted to OFHEO within 30 calendar days of the date of the notice of the offset. OFHEO may waive the time limits for requesting review for good cause shown by the debtor. OFHEO shall provide the debtor with a reasonable opportunity for an oral hearing when:

(1) An applicable statute authorizes or requires OFHEO to consider waiver of the indebtedness involved, the debtor requests waiver of the indebtedness, and the waiver determination turns on an issue of credibility or veracity; or

(2) The debtor requests reconsideration of the debt and OFHEO determines that the question of the indebtedness cannot be resolved by review of the documentary evidence, as for example, when the validity of the debt turns on an issue of credibility or veracity. Unless otherwise required by law, an oral hearing under this subpart C is not required to be a formal evidentiary hearing, although OFHEO shall document all significant matters discussed at the hearing. In those cases where an oral hearing is not required by this subpart C, OFHEO shall make its determination on the request for

12 CFR Ch. XVII (1–1–03 Edition)

waiver or reconsideration based upon a review of the written record; and

(d) An opportunity to enter into a written agreement for the repayment of the amount of the claim at the discretion of OFHEO.

[64 FR 34969, June 30, 1999. Redesignated and amended at 65 FR 81328, Dec. 26, 2000]

§ 1704.43 Interest.

OFHEO shall assess interest, penalties, and administrative costs on debts owed to the Federal Government, in accordance with 31 U.S.C. 3717 and the FCCS. OFHEO may also assess interest and related charges on debts that are not subject to 31 U.S.C. 3717 and the FCCS to the extent authorized under the common law or other applicable statutory authority.

§ 1704.44 Refunds.

OFHEO shall refund promptly those amounts recovered by administrative offset but later found not to be owed to the Federal Government.

§ 1704.45 Requests for administrative offset to other Federal agencies.

(a) OFHEO may request that a debt owed to OFHEO be collected by administrative offset against funds due and payable to a debtor by another agency.

(b) In requesting administrative offset, OFHEO, as creditor, shall certify in writing to the agency holding funds of the debtor:

(1) That the debtor owes the debt;

(2) The amount and basis of the debt; and

(3) That OFHEO has complied with the requirements of its own administrative offset regulations and the applicable provisions of the FCCS with respect to providing the debtor with due process.

§ 1704.46 Requests for administrative offset from other Federal agencies.

(a) Any agency may request that funds due and payable to a debtor by OFHEO be administratively offset in order to collect a debt owed to such agency by the debtor.

(b) OFHEO shall initiate the requested administrative offset only upon:

(1) Receipt of written certification from the creditor agency that:

Federal Housing Enterprise Oversight

§ 1704.51

(i) The debtor owes the debt, including the amount and basis of the debt;

(ii) The agency has prescribed regulations for the exercise of administrative offset; and

(iii) The agency has complied with its own administrative offset regulations and with the applicable provisions of the FCCS, including providing any required hearing or review.

(2) A determination by OFHEO that collection by administrative offset against funds payable by OFHEO would be in the best interest of the Federal Government as determined by the facts and circumstances of the particular case and that such administrative offset would not otherwise be contrary to law.

§ 1704.47 Administrative offset against amounts payable from Civil Service Retirement and Disability Fund.

(a) *Request for administrative offset.* Unless otherwise prohibited by law, OFHEO may request that monies that are due and payable to a debtor from the Civil Service Retirement and Disability Fund (Fund) be offset administratively in reasonable amounts in order to collect in one full payment or in a minimal number of payments debt owed to OFHEO by the debtor. Such requests shall be made to the appropriate officials of the Office of Personnel Management in accordance with such regulations as may be prescribed by the Director of the Office of Personnel Management.

(b) *Contents of certification.* When making a request for administrative offset under paragraph (a) of this section, OFHEO shall include a written certification that:

(1) The debtor owes OFHEO a debt, including the amount of the debt;

(2) OFHEO has complied with the applicable statutes, regulations, and procedures of the Office of Personnel Management; and

(3) OFHEO has complied with the requirements of the FCCS, including any required hearing or review.

(c) If OFHEO decides to request administrative offset under paragraph (a) of this section, it shall make the request as soon as practicable after completion of the applicable procedures. This will satisfy any requirement that

administrative offset be initiated prior to the expiration of the applicable statute of limitations. At such time as the debtor makes a claim for payments from the Fund, if at least one year has elapsed since the administrative offset request was originally made, the debtor shall be permitted to offer a satisfactory repayment plan in lieu of administrative offset if he or she establishes that changed financial circumstances would render the administrative offset unjust.

(d) If OFHEO collects part or all of the debt by other means before deductions are made or completed pursuant to paragraph (a) of this section, OFHEO shall act promptly to modify or terminate its request for administrative offset under paragraph (a) of this section.

§§ 1704.48–1704.49 [Reserved]

Subpart D—Tax Refund Offset

§ 1704.50 Authority and scope.

The provisions of 26 U.S.C. 6402(d) and 31 U.S.C. 3720A authorize the Secretary of the Treasury to offset a delinquent debt owed the Federal Government from the tax refund due a taxpayer when other collection efforts have failed to recover the amount due.

§ 1704.51 Definitions.

(a)(1) *Debt* means money owed by an individual, organization, or entity from sources which include loans insured or guaranteed by the Federal Government and all other amounts due the Federal Government from fees, leases, services, overpayments, civil and criminal penalties, damages, interest, fines, administrative costs, and all other similar sources.

(2) A debt becomes eligible for tax refund offset procedures if:

(i) It cannot currently be collected pursuant to the salary offset procedures of 5 U.S.C. 5514(a)(1);

(ii) The debt is ineligible for administrative offset under 31 U.S.C. 3716(a) by reason of 31 U.S.C. 3716(c)(2), or it cannot be collected currently by administrative offset under 31 U.S.C. 3716(a); and

(iii) The requirements of this section are otherwise satisfied.

§ 1704.52

(3) All judgment debts are past due for purposes of this subpart D. Judgment debts remain past due until paid in full.

(b) *Dispute* means a written statement supported by documentation or other evidence that all or part of an alleged debt is not past due or legally enforceable, that the amount is not the amount currently owed, that the outstanding debt has been satisfied, or in the case of a debt reduced to judgment, that the judgement has been satisfied or stayed.

(c) *Notice* means the information sent to the debtor pursuant to § 1704.53. The date of the notice is that date shown on the notice letter as its date of issuance.

§ 1704.52 Procedures.

(a) *Referral to the Department of the Treasury.* (1) OFHEO may refer any past due, legally enforceable nonjudgment debt of an individual, organization, or entity to the Department of the Treasury for tax refund offset if OFHEO's or the referring agency's rights of action accrued more than three months but less than 10 years before the offset is made.

(2) Debts reduced to judgment may be referred at any time.

(3) Debts in amounts lower than \$25 are not subject to referral.

(4) In the event that more than one debt is owed, the tax refund offset procedures shall be applied in the order in which the debts became past due.

(5) OFHEO shall notify the Department of the Treasury of any change in the amount due promptly after receipt of payment or notice of other reductions.

(b) *Notice.* OFHEO shall provide the debtor with written notice of its intent to offset before initiating the offset. Notice shall be mailed to the debtor at the current address of the debtor, as determined from information obtained from the Internal Revenue Service pursuant to 26 U.S.C. 6103(m)(2), (4), (5) or maintained by OFHEO. The notice sent to the debtor shall state the amount of the debt and inform the debtor that:

(1) The debt is past due;

(2) OFHEO intends to refer the debt to the Department of the Treasury for offset from tax refunds that may be due to the taxpayer;

(3) OFHEO intends to provide information concerning the delinquent debt exceeding \$100 to a consumer reporting bureau unless such debt has already been disclosed; and

(4) Before the debt is reported to a consumer reporting agency, if applicable, and referred to the Department of the Treasury for offset from tax refunds, the debtor has 65 calendar days from the date of notice to request a review under paragraph (d).

(c) *Report to consumer reporting agency.* If the debtor neither pays the amount due nor presents evidence that the amount is not past due or is satisfied or stayed, OFHEO will report the debt to a consumer reporting agency at the end of the notice period, if applicable, and refer the debt to the Department of the Treasury for offset from the taxpayer's Federal tax refund. OFHEO shall certify to the Department of the Treasury that reasonable efforts have been made by OFHEO to obtain payment of such debt.

(d) *Request for review.* A debtor may request a review by OFHEO if he or she believes that all or part of the debt is not past due or is not legally enforceable, or in the case of a judgment debt, that the debt has been stayed or the amount satisfied, as follows:

(1) The debtor must send a written request for review to OFHEO at the address provided in the notice.

(2) The request must state the amount disputed and reasons why the debtor believes that the debt is not past due, is not legally enforceable, has been satisfied, or if a judgment debt, has been satisfied or stayed.

(3) The request must include any documents that the debtor wishes to be considered or state that additional information will be submitted within the time permitted.

(4) If the debtor wishes to inspect records establishing the nature and amount of the debt, the debtor must make a written request to OFHEO for an opportunity for such an inspection. The office holding the relevant records not exempt from disclosure shall make them available for inspection during

Federal Housing Enterprise Oversight

§ 1705.2

normal business hours within one week from the date of receipt of the request.

(5) The request for review and any additional information submitted pursuant to the request must be received by OFHEO at the address stated in the notice within 65 calendar days of the date of issuance of the notice.

(6) In reaching its decision, OFHEO shall review the dispute and shall consider its records and any documentation and arguments submitted by the debtor. OFHEO shall send a written notice of its decision to the debtor. There is no administrative appeal of this decision.

(7) If the evidence presented by the debtor is considered by a non-OFHEO agent or other entities or persons acting on behalf of OFHEO, the debtor shall be accorded at least 30 calendar days from the date the agent or other entity or person determines that all or part of the debt is past due and legally enforceable to request review by OFHEO of any unresolved dispute.

(8) Any debt that previously has been reviewed pursuant to this section or any other section of this part, or that has been reduced to a judgment, may not be disputed except on the grounds of payments made or events occurring subsequent to the previous review or judgment.

Subpart A—General Provisions

§ 1705.1 Purpose and scope.

(a) This part implements the Equal Access to Justice Act, 5 U.S.C. 504, by establishing procedures for the filing and consideration of applications for award of fees and other expenses to eligible individuals and entities who are parties to adversary adjudications before OFHEO.

(b) This part applies to the award of fees and other expenses in connection with adversary adjudications before OFHEO. However, if a court reviews the underlying decision of the adversary adjudication, an award for fees and other expenses may be made only pursuant to 28 U.S.C. 2412(d)(3).

§ 1705.2 Definitions.

(a) *Adjudicative officer* means the official who presided at the underlying adversary adjudication, without regard to whether the official is designated as a hearing examiner, administrative law judge, administrative judge, or otherwise.

(b) *Adversary adjudication* means an administrative proceeding conducted by OFHEO under 5 U.S.C. 554 in which the position of OFHEO or any other agency of the United States is represented by counsel or otherwise, including but not limited to an adjudication conducted under 12 CFR part 1780. Any issue as to whether an administrative proceeding is an adversary adjudication for purposes of this part will

§ 1705.3

12 CFR Ch. XVII (1–1–03 Edition)

be an issue for resolution in the proceeding on the application for award.

(c) *Affiliate* means an individual, corporation, or other entity that directly or indirectly controls or owns a majority of the voting shares or other interests of the party, or any corporation or other entity of which the party directly or indirectly owns or controls a majority of the voting shares or other interest, unless the adjudicative officer determines that it would be unjust and contrary to the purpose of the Equal Access to Justice Act in light of the actual relationship between the affiliated entities to consider them to be affiliates for purposes of this part.

(d) *Agency counsel* means the attorney or attorneys designated by the General Counsel of OFHEO to represent OFHEO in an adversary adjudication covered by this part.

(e) *Demand of OFHEO* means the express demand of OFHEO that led to the adversary adjudication, but does not include a recitation by OFHEO of the maximum statutory penalty when accompanied by an express demand for a lesser amount.

(f) *Fees and other expenses* include reasonable attorney or agent fees, the reasonable expenses of expert witnesses, and the reasonable cost of any study, analysis, engineering report, test, or project that is found by the agency to be necessary for the preparation of the eligible party's case.

(g) *Final disposition* means the date on which a decision or order disposing of the merits of the adversary adjudication or any other complete resolution of the adversary adjudication, such as a settlement or voluntary dismissal, becomes final and unappealable, both within the agency and to the courts.

(h) *OFHEO* means the Office of Federal Housing Enterprise Oversight.

(i) *Party* means an individual, partnership, corporation, association, or public or private organization that is named or admitted as a party, that is admitted as a party for limited purposes, or that is properly seeking and entitled as of right to be admitted as a party in an adversary adjudication.

(j) *Position of OFHEO* means the position taken by OFHEO in the adversary adjudication, including the action or

failure to act by OFHEO upon which the adversary adjudication was based.

§ 1705.3 Eligible parties.

(a) To be eligible for an award of fees and other expenses under § 1705.4(a), a party must be a small entity as defined in 5 U.S.C. 601.

(b)(1) To be eligible for an award of fees and other expenses for prevailing parties under § 1705.5(b), a party must be one of the following:

(i) An individual who has a net worth of not more than \$2 million;

(ii) The sole owner of an unincorporated business who has a net worth of not more than \$7 million, including both personal and business interest, and not more than 500 employees; however, a party who owns an unincorporated business will be considered to be an "individual" rather than the "sole owner of an unincorporated business" if the issues on which the party prevails are related primarily to personal interests rather than to business interests.

(iii) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code, 26 U.S.C. 501(c)(3), with not more than 500 employees;

(iv) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act, 12 U.S.C. 1141j(a), with not more than 500 employees; or

(2) For purposes of eligibility under paragraph (b) of this section:

(i) The employees of a party include all persons who regularly perform services for remuneration for the party, under the party's direction and control. Part-time employees shall be included on a proportional basis.

(ii) The net worth and number of employees of the party and its affiliates shall be aggregated to determine eligibility.

(iii) The net worth and number of employees of a party shall be determined as of the date the underlying adversary adjudication was initiated.

(c) A party that participates in an adversary adjudication primarily on

§ 1705.4 Standards for awards.

(a) An eligible party that files an application for award of fees and other expenses in accordance with this part shall receive an award of fees and other expenses related to defending against a demand of OFHEO if the demand was in excess of the decision in the underlying adversary adjudication and was unreasonable when compared with the decision under the facts and circumstances of the case, unless the party has committed a willful violation of law or otherwise acted in bad faith, or unless special circumstances make an award unjust. The burden of proof that the demand of OFHEO was substantially in excess of the decision and is unreasonable when compared with the decision is on the eligible party.

(b) An eligible party that submits an application for award in accordance with this part shall receive an award of fees and other expenses incurred in connection with an adversary adjudication in which it prevailed or in a significant and discrete substantive portion of the adversary adjudication in which it prevailed, unless the position of OFHEO in the adversary adjudication was substantially justified or special circumstances make an award unjust. OFHEO has the burden of proof to show that its position was substantially justified and may do so by showing that its position was reasonable in law and in fact.

§ 1705.5 Allowable fees and expenses.

(a) Awards of fees and other expenses shall be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents, and expert witnesses, even if the services were made available without charge or at a reduced rate to the party. However, except as provided in § 1705.6, an award for the fee of an attorney or agent may not exceed \$125 per hour and an award to compensate an expert witness may not exceed the highest rate at which OFHEO pays expert witnesses. However, an award may also include

the reasonable expenses of the attorney, agent, or expert witness as a separate item if he or she ordinarily charges clients separately for such expenses.

(b) In determining the reasonableness of the fee sought for an attorney, agent, or expert witness, the adjudicative officer shall consider the following:

(1) If the attorney, agent, or expert witness is in private practice, his or her customary fees for similar services; or, if the attorney, agent, or expert witness is an employee of the eligible party, the fully allocated costs of the services;

(2) The prevailing rate for similar services in the community in which the attorney, agent, or expert witness ordinarily performs services;

(3) The time actually spent in the representation of the eligible party;

(4) The time reasonably spent in light of the difficulty or complexity of the issues in the adversary adjudication; and

(5) Such other factors as may bear on the value of the services provided.

(c) In determining the reasonable cost of any study, analysis, engineering report, test, project, or similar matter prepared on behalf of a party, the adjudicative officer shall consider the prevailing rate for similar services in the community in which the services were performed.

(d) Fees and other expenses incurred before the date on which an adversary adjudication was initiated will be awarded only if the eligible party can demonstrate that they were reasonably incurred in preparation for the adversary adjudication.

[65 FR 26732, May 9, 2000. Redesignated and amended at 65 FR 81328, Dec. 26, 2000]

§ 1705.6 Rulemaking on maximum rate for fees.

If warranted by an increase in the cost of living or by special circumstances, OFHEO may adopt regulations providing for an award of attorney or agent fees at a rate higher than \$125 per hour in adversary adjudications covered by this part. Special circumstances include the limited availability of attorneys or agents who are

§ 1705.7

qualified to handle certain types of adversary adjudications. OFHEO will conduct any rulemaking proceedings for this purpose under the informal rulemaking procedures of the Administrative Procedures Act, 5 U.S.C. 553.

§ 1705.7 Awards against other agencies.

If another agency of the United States participates in an adversary adjudication before OFHEO and takes a position that was not substantially justified, the award or appropriate portion of the award to an eligible party that prevailed over that agency shall be made against that agency.

§ 1705.24 Settlement.

The applicant and agency counsel may agree on a proposed settlement of an award before the final decision on the application for award is made, either in connection with a settlement of the underlying adversary adjudication or after the underlying adversary adjudication has been concluded. § 1720.1 Authority.

(a) *Authority.* This part is issued by the Office of Federal Housing Enterprise Oversight (OFHEO) pursuant to sections 1313(a), 1313(b)(1), and 1313(b)(5) of the Federal Housing Enterprise Financial Safety and Soundness Act (Act) (12 U.S.C. 4513(a), 4513(b)(1), and 4513(b)(5)). These provisions of the Act authorize OFHEO to take any action deemed appropriate by the Director of OFHEO to ensure that the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation (the Enterprises) are operated in a safe and sound manner, including by adopting supervisory policies and standards by regulation, guidance, or other process.

(b) *Preservation of existing authority.* No action by OFHEO undertaken with reference to a policy guidance or this regulation will in any way limit the authority of the Director otherwise to address unsafe or unsound conditions or practices, or other violations of law,

A—BACKGROUND AND INTRODUCTION

I. Background. The Federal Housing Enterprises Safety and Soundness Act of 1992, Title XIII of Pub. L. No. 102-550 (the Act) empowers OFHEO to take any such action as

the Director determines to be appropriate to ensure that the federally sponsored housing enterprises, Fannie Mae and Freddie Mac, are, among other things, adequately capitalized and operating safely, including by adopting supervisory policies and standards by regulation or other guidance or process.

i. OFHEO herein sets forth the minimum supervisory requirements used by the agency in reviewing the ensuring, the adequacy of policies and procedures of the Enterprises in the areas of: (1) Asset underwriting and credit quality; (2) balance sheet growth; (3) market risks; (4) information technology; (5) internal controls; (6) audits; (7) information reporting and documentation; and (8) board and management responsibilities and functions. If the agency finds that an Enterprise fails to meet any requirement or standard set forth in this pronouncement, the Director may, among other things, require the Enterprise to submit to the agency and implement an adequate plan to achieve timely compliance with the requirement or standard. If the Enterprise fails to submit such an adequate plan within the time specified by the agency or fails in any material respect to implement the plan, the agency may take additional supervisory action. The Director may at any time prescribe such supervisory actions as deemed appropriate to correct conditions resulting from an unsafe or unsound practice or condition or deficiency in complying with regulatory requirements or standards including, but not limited to, issuance of a notice of charges or order, imposition of civil money penalties, or other remedial actions or sanctions as determined by the Director.

ii. The minimum supervisory requirements and standards identify key safety and soundness concerns regarding operation and management of an Enterprise, and ensure that action is taken to avoid the emergence of problems that might entail serious risks to an Enterprise. The minimum supervisory requirements of the Policy Guidance also reflect the need for internal policies and procedures in particular areas that, if not appropriately addressed by the Enterprises, may warrant action by OFHEO in order to reduce risks of loss and possible capital impairment. The proposed minimum requirements set forth herein are intended to effect these purposes without dictating how the Enterprises must be operated and managed; moreover, the Policy Guidance does not set out detailed operational and managerial procedures that an Enterprise must have in place. The Policy Guidance is intended to identify the ends that proper operational and management policies and procedures are to achieve, while leaving the means to be devised by each Enterprise as it designs and implements its own policies and procedures. Where OFHEO does specify particular requirements, each Enterprise's management

is left with substantial flexibility to fashion and implement them.

iii. The Policy Guidance is not intended to effect a change in OFHEO's policies; the announced minimum requirements reflect the basic underlying criteria OFHEO uses to assess the operations and managerial quality of an Enterprise. OFHEO will determine compliance with the requirements and related standards through examinations of the Enterprises, as well as off-site surveillance means and other interchanges with each Enterprise.

iv. OFHEO routinely undertakes to evaluate an Enterprise's overall policies, in order to determine whether such policies are safe and sound in principle and in practice. OFHEO also evaluates whether procedures are in place to ensure that an Enterprise's overall policies as adopted by the Enterprise's board of directors and management are, in fact, applied in the normal course of business. As reflected in the Policy Guidance, the Enterprises are, at a minimum, expected to adopt appropriate policies and internal guidelines, and to put in place procedures to ensure they are followed as a matter of routine.

v. Nothing in the Policy Guidance in any way limits the authority of OFHEO to otherwise address unsafe or unsound conditions or practices, or violations of applicable law, regulation or supervisory order. Action referencing the Policy Guidance may be taken separate from, in conjunction with or in addition to any other enforcement action available to OFHEO. Compliance with the Policy Guidance in general would not preclude a finding by the agency that an Enterprise is otherwise engaged in a specific unsafe or unsound practice or is in an unsafe or unsound condition, or requiring corrective or remedial action with regard to such practice or condition. That is, supervisory action is not precluded against an Enterprise that has not been cited for a deficiency under the Policy Guidance. Conversely, an Enterprise's failure to comply with one of the supervisory requirements set forth in the Policy Guidance may not warrant a formal supervisory response from OFHEO, if the agency determines the matter may be otherwise addressed in a satisfactory manner. For example, OFHEO may require timely submission of a plan to achieve compliance with the particular requirement or standard without taking any other enforcement action.

II. Introduction. i. *Authority, purpose, and scope.*

a. *Authority.* This Policy Guidance is issued by the Office of Federal Housing Enterprise Oversight (OFHEO) pursuant to sections 1313(a), 1313(b)(1), 1313(b)(5) and 1371 of the Federal Housing Enterprise Safety and Soundness Act (Act) (12 U.S.C. 4513(a), 4513(b)(1), 4513(b)(5) and 4631). These provisions of the Act authorize OFHEO to take

any action deemed appropriate by the Director of OFHEO to ensure that the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation (the Enterprises) are operated in a safe and sound manner, including by adopting supervisory policies and standards by regulation, guidance, or other process.

b. *Purpose and scope.* This Policy Guidance sets out certain minimum safety and soundness requirements for the business and operations of the Enterprises, and reiterates agency policies requiring the Enterprises to establish and implement policies and procedures that are sufficient to effectuate compliance with supervisory standards. If OFHEO determines that an Enterprise does not meet the requirements set forth herein, the Director may require the Enterprise to submit and carry out a plan to achieve compliance, or may take other corrective and remedial actions. The requirements enumerated herein are supervisory minimums. In order to satisfy an Enterprise's overarching obligation under the Act to conduct its operations in a safe and sound manner, it may be necessary and appropriate for an Enterprise to take additional measures in these or other areas, as directed by OFHEO through regulation, guidance, order or otherwise as part of the supervisory process.

ii. *Preservation of existing authority.* Neither this Policy Guidance nor any action by OFHEO to enforce compliance of an Enterprise therewith in any way limits the authority of the Director otherwise to address unsafe or unsound conditions or practices, or other violations of law or other regulation. Action under this Policy Guidance may be taken separate from, in conjunction with, or in addition to any other enforcement action deemed appropriate by OFHEO. Nothing in this Policy Guidance or related guidances limits the authority of the Director pursuant to section 1313 of the Act (12 U.S.C. 4513) or any other provision of law, rule or regulation applicable to the Enterprises.

iii. *Definitions.* For purposes of this Policy Guidance, except as modified therein or unless the context otherwise requires, the terms used have the same meaning as set forth in section 1303 of the Act (12 U.S.C. 4502).

B—OPERATIONAL AND MANAGERIAL REQUIREMENTS

I. Asset underwriting and credit quality. An Enterprise should establish and implement policies and procedures to adequately assess credit risks before they are assumed, and monitor such risks subsequently to ensure that they conform to the Enterprise's credit risk standards on an individual and an aggregate basis. The Enterprise should:

i. For loans purchased and loans collateralizing securities guaranteed by the

Enterprise, adopt and implement prudent underwriting standards and procedures commensurate with the type of loan or loans and the markets in which the loan or loans were made that include consideration of the borrower's and any guarantor's financial condition and ability to repay as well as the type and value of any collateral or credit enhancement;

ii. To the extent the Enterprise's assets are serviced or administered by other entities or are covered by mortgage insurance or other credit enhancements or arrangements, the Enterprise's policies and procedures should recognize the consequences and implications of such contractual arrangements for the Enterprise's credit risk;

iii. Establish and implement policies and procedures to address declining credit quality and to require appropriate corrective action; to establish sufficient reserves; and to deal with defaulted assets so as to minimize losses;

iv. Establish and implement policies and procedures to select and price credit risk to ensure that the Enterprise is appropriately compensated commensurate with the credit risk it assumes and its statutory obligations;

v. Establish and implement policies and procedures that address the prudential selection, management and handling of counterparty credit exposure that arises from engaging in hedging activities and the use derivative instruments; and

vi. Establish and implement policies and procedures to identify, monitor and evaluate its credit exposures on an aggregate basis so as to assess the implications and consequences of matters such as concentration exposure (including geographic as well as product concentrations), to identify and evaluate credit risk trends effectively, and to maintain and revise appropriately its systems and procedures for underwriting, servicing, and monitoring of such exposures and changes to those exposures.

II. Balance sheet growth and management. An Enterprise's balance sheet growth should be prudent and consider:

i. The source, volatility, and use of funds that support balance sheet growth;

ii. Any changes in credit risk or interest rate risk resulting from balance sheet growth;

iii. The effect of balance sheet growth on the Enterprise's capital adequacy; and

iv. The appropriate policies and procedures needed to manage changes in risk that may occur as a result of balance sheet growth.

III. Market risk. An Enterprise should establish and implement policies and procedures that allow for the effective identification, measurement, monitoring, and management of market risk. The Enterprise should:

i. Establish and implement policies and procedures sufficient to quantify and monitor the interest rate risk of the Enterprise

effectively and to model the effect of differing interest rate scenarios on the Enterprise's financial condition and operations;

ii. Develop risk management strategies that respond appropriately to changes in interest rates;

iii. Establish and implement policies and procedures sufficient to quantify and monitor the Enterprise's liquidity effectively, and to identify and anticipate various market environments and their effects on the Enterprises' liquidity; and

iv. Establish and maintain an effective contingency plan for liquidity under varying scenarios.

IV. Information technology. An Enterprise should establish and implement policies and procedures to ensure that its computing resources, proprietary and nonpublic information and data are:

i. Protected from access by unauthorized users, and otherwise protected by appropriate security measures;

ii. Reliable, accurate and available at all times as needed for its business operations, including an ability to effect timely recovery and resume operations after a reasonably foreseeable adverse event; and

iii. Designed to ensure adequate support of business operations.

V. Internal controls. An Enterprise should maintain and implement internal controls appropriate to the nature, scope and risk of its business activities that, at a minimum, provide for:

i. An organizational structure and assignment of responsibility for management, employees, consultants and contractors, that provide for accountability and controls, including adherence to policies and procedures;

ii. A control framework commensurate with the Enterprise's risks;

iii. Policies and procedures adequate to safeguard and to manage assets; and

iv. Compliance with applicable laws, regulations and policies.

VI. Audits. An Enterprise should establish and implement internal and external audit programs appropriate to the nature and scope of its business activities that, at minimum, provide for:

i. Adequate monitoring of internal controls through an audit function appropriate to the Enterprise's size, structure and scope of operations;

ii. Independence of the audit function;

iii. Qualified professionals and management for the conduct and review of audit functions;

iv. Adequate testing and review of audited areas together with adequate documentation of findings and of any recommendations and corrective actions; and

v. Verification and review of measures and actions undertaken to address identified material weaknesses.

VII. Information reporting and documentation. An Enterprise should establish and implement policies and procedures for generating and retaining reports and documents that:

- i. Enable the Enterprise's board of directors (including appropriate committees) to make informed decisions and to exercise its oversight function, by providing all such relevant information of an appropriate level of detail as necessary;
- ii. Enable the Enterprise's managers to make informed business decisions and to assess risks for all aspects of the Enterprise's business on an ongoing basis, by providing sufficient relevant information of an appropriate level of detail as necessary;
- iii. Ensure decision-makers have appropriate and necessary information about particular transactions and business operations;
- iv. Enable the Enterprise to administer and supervise all assets, liabilities, commitments and other financial obligations appropriately;
- v. Enable the Enterprise to enforce legal claims against borrowers, counterparties and other obligors; and
- vi. Ensure timely and complete submissions of reports of financial condition and operations, as well as annual and other periodic reports and special reports to OFHEO whenever requested or required by OFHEO.

VIII. Board and management responsibilities and function. An Enterprise's board of directors shall ensure that the board (including appropriate committees) works with executive management to establish the Enterprise's strategies and goals in an informed manner, and that the Enterprise's executive managers and other managers, as appropriate, implement such strategies, by ensuring at a minimum that:

- i. The board (including appropriate committees) oversees the development of the Enterprise's strategies in key areas and exercises oversight necessary to ensure that management sets policies and controls to implement such strategies effectively;
- ii. The board (including appropriate committees) hires qualified executive management, and exercises oversight to hold management accountable for meeting the Enterprise's goals and objectives;
- iii. The board (including appropriate committees) is provided with accurate information about the operations and financial condition of the Enterprise in a timely fashion, and sufficient to enable the board to effect its oversight duties and responsibilities;
- iv. Management of the Enterprise sets policies and controls to ensure the Enterprise's strategies are implemented effectively, and that the Enterprise's organization structure and assignment of responsibilities provide clear accountability and controls; and
- v. Management of the Enterprise establishes and maintains an effective risk man-

agement framework, including review of such framework to monitor its effectiveness and taking appropriate action to correct any weaknesses.

IX. Format of policies and procedures. i. Generally, the policies of an Enterprise contemplated by this Policy Guidance should be in writing and in such form and detail as appropriate in light of their intended purpose, nature, and potential consequences for the operations and financial condition of the Enterprise, and approved by the board of directors (including appropriate committees) or such responsible officer or officers as designated by the board.

ii. The policies and procedures of an Enterprise contemplated by this Policy Guidance should be provided to OFHEO at such time and in such format as OFHEO directs.

C—COMPLIANCE PLANS

I. Notice; submission and review of compliance plans. i. *Determination.* The Director of OFHEO may, based upon a report of examination, or other supervisory information however acquired, determine that an Enterprise has failed or is likely to fail to satisfy the minimum supervisory requirements or standards set forth in part B of this appendix.

ii. *Request for compliance plan.* If the Director determines pursuant to paragraph C.I.i of this appendix that an Enterprise has failed or is likely to fail to satisfy a supervisory requirement or standard, OFHEO may require the submission of a written compliance plan.

iii. *Schedule for filing compliance plan.* An Enterprise may be required to file a written compliance plan with OFHEO within thirty days of receiving a written request for a compliance plan pursuant to paragraph C.I.ii of this appendix.

iv. *Contents of plan.* A required compliance plan should include, subject to additional direction by OFHEO, a detailed description of the steps the Enterprise will take to correct a deficiency and any condition resulting therefrom and the time within which such steps will be undertaken and fully implemented.

v. *Review of compliance plans.* If the compliance plan submitted under this section is deemed to be inadequate or incomplete, OFHEO may provide written notice of such inadequacy or deficiencies thereof to the Enterprise OFHEO or seek additional information from the Enterprise regarding the plan.

vi. *Amendment of compliance plan.* An Enterprise that has filed a required compliance plan to which no objection has been raised by OFHEO may, after prior written notice to and approval by the Director, amend the plan to reflect changes in circumstance, policies and procedures.

II. Failure to submit acceptable plan or to comply with plan. If an Enterprise does not

submit an adequate and complete plan as required by the agency within the time specified by OFHEO or does not implement such an adequate and complete plan, the Director may require the Enterprise to correct any deficiency and may require additional corrective or remedial actions by the Enterprise as deemed to be appropriate pursuant to the Act, including sections 1371 (12 U.S.C. 4631), 1372 (12 U.S.C. 4632), and 1376 (12 U.S.C. 4636).

APPENDIX B TO PART 1720—POLICY GUIDANCE; NON-MORTGAGE LIQUIDITY INVESTMENTS

- A—Purpose
- B—Activities Covered
- C—Standards for Non-mortgage Liquidity Investment Activities
- D—Disclosure of Non-mortgage Liquidity Investment Activities
- E—Summary

A—PURPOSE

1. Fannie Mae and Freddie Mac (the Enterprises) were chartered by Congress as government-sponsored enterprises with public missions. They perform an important role in the United States mortgage market by gathering funds and purchasing mortgages from mortgage originators and guaranteeing mortgage-backed securities. In chartering the Enterprises, Congress charged the Enterprises with: (1) providing stability to mortgage markets; (2) responding to the changing capital markets; (3) assisting the secondary markets including the support of these markets for affordable housing; and (4) promoting access to credit throughout the country by increasing liquidity and improving distribution of investment capital for residential mortgage finance. These functions require the Enterprises, as principals in the secondary mortgage market, to serve as bedrock in providing liquidity to the U.S. housing finance system.

2. For the Enterprises effectively to perform their public purposes, they must be financially sound and liquid. As the Enterprises' financial safety and soundness regulator, OFHEO conducts its regulatory programs to ensure these companies adhere to safety and soundness standards. In addition, OFHEO interprets this to include heightening the positive effect of market discipline on the Enterprises by encouraging quality disclosures, appropriate accounting standards, and state-of-the-art risk management further strengthens their safety and soundness. More specifically, OFHEO conducts comprehensive safety and soundness examinations and requires the Enterprises to adhere to regulatory capital requirements. In conducting its regulatory programs, OFHEO applies a series of safety and soundness standards to assess the Enterprises' liquidity management, including their investments in

non-mortgage liquidity assets. It is appropriate to issue initial guidance that addresses the safety and soundness standards OFHEO uses to evaluate Enterprise investment activities in non-mortgage liquidity assets.

3. Further, it should be noted that the Secretary of HUD, who has general regulatory power over the Enterprises and who is required to make such rules and regulations as necessary to ensure that the purposes of the GSE's respective Charter Acts are accomplished, has issued an Advanced Notice of Proposed Rulemaking on possible substantive and/or procedural rules governing the GSEs' non-mortgage investment activities. Accordingly, the GSEs may be subject to regulations in this area through future HUD actions, in addition to this initial guidance.

B—ACTIVITIES COVERED

1. The Enterprises must maintain sufficient liquidity to meet both known and unexpected payment demands on borrowings and mortgage securities, for operations and to purchase mortgage assets. Liquidity management is the process by which the Enterprises manage the use and availability of various funding sources to meet current and future needs. Liquidity must be closely managed on a daily basis.

2. The Enterprises manage liquidity through three primary channels: securitizations, issuance of debt and conversion of liquid assets into cash. It is through careful management within and among the three channels, that the Enterprises can effectively meet demands and remain safe and sound under all market conditions. This Guidance specifically addresses "non-mortgage liquidity investments" which are conducted within the liquidity channel whereby the Enterprises are able to convert their own assets into cash.

3. There are various types of investments that may be appropriate for non-mortgage liquidity holdings. Appropriate non-mortgage liquidity investments are characterized by both creditworthiness and low price volatility. Even though an investment may be creditworthy, if the holding is subject to undue price volatility (e.g. common stock), the investment is inappropriate for inclusion in the non-mortgage liquidity portfolio since the investment may not be readily converted into cash without substantial loss.

4. For the purposes of this Guidance, the types of assets listed below are generally considered to be appropriate non-mortgage liquidity investments. This list is subject to revision over time as new asset types are introduced and/or market activities change. The presence of an asset on the list does not mean that OFHEO will necessarily consider any and all Enterprise investments in these assets to be safe and sound, especially if they

fail to meet appropriate credit quality, maturity and diversification objectives:

- a. Debt issued by the United States Treasury,
- b. Debt issued by U.S. Government Agencies,
- c. General obligation debt issued by states and municipal authorities,
- d. Revenue obligations issued by states and municipal authorities,
- e. Corporate debt instruments,
- f. Money market instruments,
- g. Non-mortgage asset-backed securities, and
- h. Reverse repurchase agreements.

5. This Guidance does not address investments in mortgage-backed securities, mortgage revenue bonds, or other investments secured by housing (including commercial mortgage-backed securities with a significant housing component) since these assets are not principally held for liquidity purposes. Also, upon implementation of FAS 133, this Guidance is not intended to address the use of derivative instruments. For activities not covered in this Guidance on non-mortgage liquidity investments, there should be no inferences drawn about OFHEO's views.

C—STANDARDS FOR NON-MORTGAGE LIQUIDITY INVESTMENT ACTIVITIES

To ensure there are sufficient funds available to the mortgage market, the Enterprise must actively manage liquidity across all three channels. OFHEO assesses the safety and soundness of non-mortgage liquidity investment activities against five criteria. The five criteria and details about each of the criteria are:

- Prudent investment policies and procedures that guide the Enterprise's process;
- Quality management information that ensures timely performance measures and governance data;
- Safe & sound investment holdings and investment culture;
- Quality controls and personnel administering and governing the process; and
- Independent testing of the process to assure compliance.

1. Prudent Investment Policies and Procedures That Guide the Enterprise's Process

a. The Enterprise must have a comprehensive written investment policy that clearly expresses the goals for the non-mortgage liquidity investment activities. The Board of Directors and management must evaluate the effectiveness of non-mortgage liquidity investments in meeting the goals set out in the policy; and management must evaluate activities against the procedures and limitations in the policy. At a minimum, the policy should cover:

- i. The purpose of the non-mortgage liquidity investment holdings;
- ii. The institutional goal(s) for the non-mortgage liquidity investment holdings;
- iii. The authorized instruments and activities;
- iv. The internal control standards;
- v. The limits structure;
- vi. The performance standards and measures; and
- vii. The reporting requirements.

b. The policy should clearly document the purpose for non-mortgage liquidity investment holdings. Management should install a series of procedures and controls that produce behaviors and performance that are consistent with the defined purpose for the non-mortgage liquidity investment activities.

c. The policy should establish the primary goals for the non-mortgage liquidity investment activities. For an Enterprise, some primary goals should be to augment liquidity and to generate a rate of return that is reasonable in light of the purpose of such investments. The emphasis placed on individual goals may vary based upon institutional differences. However, non-mortgage liquidity investments made with a goal of maximizing earnings or maximizing arbitrage opportunities would be inconsistent with this Guidance for the maintenance of an Enterprise's liquidity portfolio.

d. The policy should clearly define the authorized investment vehicles and establish guidelines for the introduction of new types of investment vehicles.

e. The Enterprise's procedures should include a framework of controls that provide an appropriate separation of duties and responsibilities. There should be responsibility assigned for an independent review of non-mortgage liquidity investments by a designated unit, such as audit or an independent risk oversight group.

f. The Enterprise should adopt a limit structure to promote diversification in the non-mortgage liquidity investment portfolio and emphasizes strategies for risk mitigation. Additionally, there should be limits for the aggregate size of the non-mortgage liquidity investment portfolio.

g. The Enterprise should adopt measures to evaluate performance against the policy and its objectives.

h. The Enterprise should adopt internal reporting requirements that quantify performance, document exceptions, and serve as a basis for communicating information about activities involving non-mortgage liquidity assets.

i. The Enterprise should periodically evaluate the adequacy and content of its public disclosure for non-mortgage investment liquidity activities.

2. Quality Management Information That Ensures Timely Performance Measures and Governance Data

a. The Enterprise must maintain systems that adequately identify, measure and report the nature and level of exposure associated with their non-mortgage liquidity investments. Management must remain appropriately informed about the activity in non-mortgage liquidity investments. Also, the Board of Directors should periodically be provided a summary of non-mortgage liquidity investment activities. At a minimum, management's reports to the Board should:

- i. Summarize non-mortgage investment activity since the last report;
- ii. Identify and explain any material changes or trends in the non-mortgage liquidity investment portfolio risk and returns; and
- iii. Report and explain exceptions to the policy or risk guidelines for liquidity investments.

b. Meaningful changes in portfolio volume and spreads from period to period should be identified and explained to the Board in terms of why they occurred (*e.g.*, changes in portfolio composition, changes in funding costs, *etc.*). In overseeing the day-to-day management of non-mortgage liquidity investment activities, management should consider the discrete risks associated with the non-mortgage liquidity investment portfolio as well as the exposure of this portfolio within the context of risks across the entire Enterprise. This includes assessing the non-mortgage liquidity investment portfolio's sensitivity to changes in interest rates, expressed in terms of net interest income sensitivity and portfolio value sensitivity.

3. Safe and Sound Investment Holdings and Investment Culture

a. The Enterprise should implement and enforce policies and/or procedures for non-mortgage liquidity investments. Management should establish limits and procedures in a manner that is consistent with the Board's sanctioned goals and risk appetite. Certain risk-limits for non-mortgage liquidity investments may be expressed in terms of how they affect the Enterprise's overall risk-profile, such as those pertaining to interest-rate sensitivity. Other risk limits may be more appropriately expressed in terms of individual portfolios and instruments. In addition, limits restricting the size-range and scope of the non-mortgage liquidity investment activities should be established.

b. The limits and procedures should delineate the acceptable investment instruments, acceptable markets, acceptable counterparties, along with unacceptable investment or portfolio activities. The Enterprise should maintain sufficient documentation to demonstrate due diligence in adher-

ing to policies, procedures, limits and guidelines.

c. At a minimum, limits should be established and reviewed annually, for:

i. Credit threshold guidelines: Credit quality is a compelling factor for liquidity investments. Since liquidity investments should be able to be readily converted into cash without substantial exposure to losses, investments should be insulated from price vulnerabilities that are associated with creditworthiness. The most effective means of insulating against price exposure from credit quality concerns is to invest in high-quality instruments and the debt obligations of high-quality issuers. The Enterprise should establish thresholds identifying the minimum credit standards of any security eligible for purchase. Where these standards involve credit ratings, the ratings should come from a nationally recognized rating organization. Procedures should be included that determine the steps to be taken by management if an instrument's credit rating falls below the minimum threshold before maturity.

ii. Maturity guidelines: Because the maturity of an investment significantly affects its exposure to credit risk and price volatility, longer maturity instruments have limited suitability as liquidity investments. The Enterprise should establish the maximum maturity allowable for non-mortgage liquidity investments. It would be appropriate to have different maturity limits for certain types of instruments. For example, management may wish to establish shorter maturity limits for fixed-coupon instruments than for adjustable-rate securities. Management may have different maturity limits for bullet securities and amortizing structures. It would be appropriate to establish a maturity matrix based upon an instrument's credit rating at the time of purchase.

iii. Diversification and concentration guidelines: Credit concentrations can increase credit risk. Accordingly, the Enterprise should establish guidelines that limit investments in the securities of any single issuer. Such limits may be established as a percentage limit (*e.g.*, as a percentage of capital) or as an absolute dollar amount. To enhance portfolio liquidity, there should also be a limit on the percentage of any particular issue held by the Enterprise.

4. Quality Controls and Personnel Administering and Governing the Process

a. The Enterprise should maintain a comprehensive set of controls to enforce the appropriate separation of duties and responsibilities. These controls should translate into clear procedures for routine operations. At a minimum, the internal control program

for non-mortgage liquidity investment activities should include procedures for the following: portfolio valuation, personnel, settlement, physical control and documentation, conflict of interest, and accounting.

i. Portfolio valuation procedures. Portfolio valuation procedures should require pricing that is independent of the investment portfolio managers. Pricing securities provides an indication of the market depth and liquidity for individual instruments, and is an important process for providing data to the risk management function, particularly within a framework of estimating market value sensitivity. Pricing is particularly important for securities that are classified as “available-for-sale” for accounting purposes.

ii. Personnel guidelines. Personnel guidelines should require competent and experienced staff be responsible for conducting transactions and managing the non-mortgage investment portfolio. There should be clear guidance regarding the roles and responsibilities of individuals involved with the non-mortgage liquidity portfolio.

iii. Settlement practices. Procedures should cover standard settlement practices for the various types of non-mortgage liquidity investments in the Enterprise’s portfolio. Inadequate understanding of standard settlement practices, coupled with poor internal controls, could result in unnecessary costs or losses.

iv. Control and documentation. Procedures covering control and documentation should be comprehensive and consistent with the evolving better practices in the marketplace. The procedures should include, for example, standards for: processing and controlling purchased instruments, safeguarding investment documentation and reviewing trade tickets and confirmations.

v. Conflict of interest. Conflict of interest guidelines should govern all Enterprise personnel authorized to purchase or sell non-mortgage liquidity investments. These guidelines should ensure that all directors, officers and employees act in the Enterprise’s best interest. Conflict of interest guidelines should address employee relationships with authorized broker/dealers. Guidelines should also address personnel accepting gifts and travel expenses from broker/dealers.

vi. Accounting. Accounting practices should be evaluated to determine the level of compliance with GAAP standards.

5. Independent Testing and Review of the Process to Assure Compliance

a. An independent review of non-mortgage liquidity investment activities should be conducted periodically to ensure:

i. The accuracy and integrity of information provided to the Board, management and other oversight bodies;

ii. The adherence to policy, procedures, limits and guidelines;

iii. The timeliness, accuracy and usefulness of non-mortgage investment reports;

iv. The adequacy of personnel resources and capabilities; and

v. The non-mortgage liquidity investment activities remain appropriate in the context of the marketplace and the external environment.

b. This review may be conducted by a risk oversight unit or internal audit department, or any party that is independent of the routine risk-taking decisions and should be commensurate with the level of review of other primary Enterprise activities. Independent review findings for non-mortgage liquidity investments should be reported to the Board directly or through one of its committees. The Board should consider the independent review when reaffirming policies, and should address any issues raised.

D—DISCLOSURE OF NON-MORTGAGE LIQUIDITY INVESTMENT ACTIVITIES

1. Sound risk management practices include thorough disclosures about the Enterprise’s risks and further regulators’ efforts to increase financial transparency for regulated financial companies. Quality disclosures about risks and risk management can be an effective deterrent to excessive risk-taking. Three essential elements needed to promote market discipline for non-mortgage liquidity investments are (1) type of issuer and security, (2) maturity, and (3) credit quality or rating. Accordingly, quality disclosure for a portfolio of non-mortgage liquidity investments should include a detailed categorization of the portfolio with respect to each of these elements and cross-categorization, so that (for example) the quantity of any longer-maturity, lower-credit-quality assets is clearly identified. Information about fair values; yields; and narrative discussions of objectives, risk management policies, and controls can also promote transparency of risk and should be included. Such disclosures should be made quarterly, and they should be made using average balances so that average risks can be assessed—not just the risks on a given date.

2. Over the next few quarters, OFHEO will discuss more specifically with the Enterprise how these disclosures will meet the expectations expressed in this guidance. An example of a disclosure format that may be used by the Enterprise is available on the OFHEO Web site at <http://www.ofheo.gov>. However, the Enterprise may disclose the risks in its non-mortgage liquidity investment activities, consistent with the expectations expressed in this guidance, using a format of its choice.

E—SUMMARY

This Guidance sets forth OFHEO's process for evaluating the safety and soundness of liquidity non-mortgage investment activities. OFHEO remains committed to ensuring the Enterprises remain financially sound, have appropriate control environments, and engage only in financially sound business and investment activities. OFHEO's examiners have been instructed to incorporate this evaluation process into their ongoing safety and soundness examinations. Examiners will evaluate and test the Enterprise's non-mortgage liquidity investment processes and activities to ensure they are in compliance with this guidance.

A—INTRODUCTION

The Policy Guidance on Safety and Soundness Standards for Information sets forth standards pursuant to section 1313 of the Federal Housing Enterprise Safety and Soundness Act (12 U.S.C. 4513). The Guidance addresses standards for developing and implementing administrative, technical, and physical safeguards to protect the security, confidentiality, and integrity of information.

1. *Scope.* The Guidance applies to information maintained by or on behalf of the Federal National Mortgage Association (Fannie Mae) and the Federal Home Loan Mortgage Corporation (Freddie Mac) (collectively, the Enterprises).

2. *Preservation of Existing Authority.* Nothing in the Guidance in any way limits the authority of OFHEO to otherwise address unsafe or unsound conditions or practices or violations of applicable law, regulation or supervisory order. Action referencing the Policy Guidance may be taken separate

from, in conjunction with or in addition to any other enforcement action available to OFHEO. Compliance with the Policy Guidance in general would not preclude a finding by the agency that an Enterprise is otherwise engaged in a specific unsafe or unsound practice or is in an unsafe or unsound condition, or requiring corrective or remedial action with regard to such practice or condition. That is, supervisory action is not precluded against an Enterprise that has not been cited for a deficiency under the Policy Guidance. Conversely, an Enterprise's failure to comply with one of the supervisory requirements set forth in the Policy Guidance may not warrant a formal supervisory response from OFHEO, if the agency determines the matter may be otherwise addressed in a satisfactory manner. For example, OFHEO may require the submission of a plan to achieve compliance with the particular requirement or standard without taking any other enforcement action.

3. *Definitions.* For purposes of the Guidance, the following definitions apply:

a. *Information* means any record of an Enterprise, whether in paper, electronic, or other form, that is handled or maintained by or on behalf of an Enterprise;

b. *Information security program* means the administrative, technical, or physical safeguards used by an Enterprise to access, collect, process, store, use, transmit, dispose of, or otherwise handle information;

c. *Information systems* means any methods used to access, collect, store, use, transmit, protect, or dispose of information;

d. *Service provider* means any person or entity, including any third party vendor, that maintains, processes or otherwise is permitted access to information through its provision of services directly or indirectly to an Enterprise.

B—SAFETY AND SOUNDNESS STANDARDS FOR INFORMATION

1. *Information Security Program.* Each Enterprise shall implement a comprehensive written information security program that includes administrative, technical, and physical safeguards appropriate to the nature and scope of its activities. While all parts of the Enterprise are not required to implement a uniform set of policies, all elements of the information security program must be coordinated.

2. *Objectives.* An Enterprise's information security program shall be designed to:

a. Ensure the security and confidentiality of information;

b. Protect against any anticipated threats or hazards to the security or integrity of such information; and

c. Protect against unauthorized access to or use of such information.

C—DEVELOPMENT AND IMPLEMENTATION OF
INFORMATION SECURITY PROGRAM

1. *Involve the Board of Directors.* The board of directors or an appropriate committee of the board of each Enterprise shall:

- a. Approve the Enterprise's written information security program; and
- b. Oversee the development, implementation, and maintenance of the Enterprise's information security program, including assigning specific responsibility for its implementation and reviewing reports from management.

2. *Assess Risk.* Each Enterprise shall:

- a. Identify reasonably foreseeable internal and external threats that could result in unauthorized disclosure, misuse, alteration, or destruction of information or information systems;
- b. Assess the likelihood and potential damage of these threats, taking into consideration the sensitivity of nonpublic information; and
- c. Assess the sufficiency of policies, procedures, information systems, and other arrangements in place to control risks.

3. *Manage and Control Risk.* Each Enterprise shall:

- a. Design its information security program to manage and control the identified risks, commensurate with the sensitivity of the information as well as the complexity and scope of the Enterprise's activities. Each Enterprise should consider whether the following security measures are appropriate for the Enterprise and, if so, adopt those measures the Enterprise concludes are appropriate:
 - i. Access controls over information systems, including controls to authenticate and permit access only to authorized individuals and controls to prevent employees from providing information to unauthorized individuals who may seek to obtain this information through fraudulent means;
 - ii. Access restrictions at physical locations containing information, such as buildings, computer facilities, and records storage facilities to permit access only to authorized individuals;
 - iii. Encryption of electronic information, including while in transit or in storage on networks or systems to which unauthorized individuals may have access;
 - iv. Procedures designed to ensure that information system modifications are consistent with the Enterprise's information security program;
 - v. Dual control procedures, segregation of duties, and employee background checks for employees with responsibilities for or access to information;
 - vi. Monitoring systems and procedures to detect actual and attempted attacks on or intrusion into information systems;

- vii. Response programs that specify actions to be taken when the Enterprise suspects or detects that unauthorized individuals have gained access to information systems, including appropriate reports to regulatory and law enforcement agencies; and

- viii. Measures to protect against destruction, loss or damage of information due to potential environmental hazards, such as fire and water damage or technological failures.

- b. Train staff to implement the Enterprise's information security program; and

- c. Regularly test the key controls, systems and procedures of the information security program. The frequency and nature of such tests should be determined by the Enterprise's risk assessment. Tests should be conducted or reviewed by independent third parties or staff that are independent of those that develop or maintain the security programs.

4. *Oversee Service Provider Arrangements.* Each Enterprise shall:

- a. Exercise appropriate due diligence in selecting its service providers;
- b. Require its service providers by contract to implement appropriate measures designed to meet the objectives of the Guidance; and
- c. Where indicated by the Enterprise's risk assessment, monitor its service providers to confirm that they have satisfied their obligations as required by section 9(b). As part of this monitoring, an Enterprise should review audits, summaries of test results, or other equivalent evaluations of its service providers.

5. *Adjust the Program.* Each Enterprise shall monitor, evaluate, and adjust, as appropriate, the information security program in light of any relevant changes in technology, the sensitivity of its information, internal or external threats to information, and the Enterprise's own changing business arrangements, such as acquisitions, alliances and joint ventures, outsourcing arrangements, and changes to information systems.

6. *Report to the Board.* Each Enterprise shall report to its board or an appropriate committee of the board at least annually. This report should describe the overall status of the information security program and the Enterprise's compliance with the Guidance. The reports should discuss material matters related to its program, addressing issues such as: risk assessment; risk management and control decisions; service provider arrangements; results of testing; security breaches or violations and management's responses; and recommendations for changes in the information security program.

7. *Implementation.* a. Each Enterprise should implement an information security program pursuant to the Guidance.

- b. Until January 1, 2004, a contract that an Enterprise has entered into with a service provider to perform services for it or functions on its behalf satisfies the provisions of

Federal Housing Enterprise Oversight

§ 1750.2

section 9, even if the contract does not include a requirement that the servicer maintain the security and confidentiality of information, as long as the Enterprise entered into the contract on or before the effective date.

Subpart A—Minimum Capital

§ 1750.1 General.

The regulation contained in this subpart A sets forth the methodology for computing the minimum capital requirement for each Enterprise. The board of directors of each Enterprise is responsible for ensuring that the Enterprise maintains capital at a level that is sufficient to ensure the continued financial viability of the Enterprise and that equals or exceeds the minimum capital requirement contained in this subpart A.

§ 1750.2 Definitions.

For purposes of this subpart A, the following definitions shall apply:

Affiliate means any entity that controls, is controlled by, or is under common control with, an Enterprise, except as otherwise provided by the Director.

Commitment means any contractual, legally binding agreement that obligates an Enterprise to purchase or to securitize mortgages.

Core Capital—(1) Means the sum of (as determined in accordance with generally accepted accounting principles)—

(i) The par or stated value of outstanding common stock;

(ii) The par or stated value of outstanding perpetual, noncumulative preferred stock;

(iii) Paid-in capital; and

(iv) Retained earnings; and

(2) Does not include debt instruments or any amounts the Enterprise could be required to pay at the option of an investor to retire capital instruments.

Director means the Director of OFHEO.

Enterprise means the Federal National Mortgage Association and any affiliate thereof or the Federal Home Loan Mortgage Corporation and any affiliate thereof.

Foreign exchange rate contracts—

(1) Means cross-currency interest rate swaps, forward foreign exchange contracts, currency options purchased (including currency options purchased over-the-counter), and any other instrument that gives rise to similar credit risks; and

(2) Does not mean foreign exchange rate contracts with an original maturity of 14 calendar days or less and foreign exchange rate contracts traded on exchanges that require daily payment of variation margins.

Interest rate contracts—

(1) Means single currency interest rate swaps, basis swaps, forward rate agreements, interest rate options purchased (including caps, collars, and floors purchased), over-the-counter options purchased, and any other instrument that gives rise to similar credit risks (including when-issued securities and forward deposits accepted); and

(2) Does not mean such instruments traded on exchanges that require daily payment of variation margins.

Mortgage-backed security means a security, investment, or substantially equivalent instrument that represents an interest in a pool of loans secured by mortgages or deeds of trust where the principal or interest payments to

the investor in the security or substantially equivalent instrument are guaranteed or effectively guaranteed by an Enterprise.

Multifamily credit enhancement means any guarantee, pledge, purchase arrangement, or other obligation or commitment provided or entered into by an Enterprise with respect to multifamily mortgages to provide credit enhancement, liquidity, interest rate support, and other guarantees and enhancements for revenue bonds issued by a state or local governmental unit (including a housing finance agency) or other bond issuer.

1992 Act means the Federal Housing Enterprises Financial Safety and Soundness Act of 1992, found at Title XIII of the Housing and Community Development Act of 1992, Pub. L. 102–550, 12 U.S.C. 4501 *et seq.*

Notional amount means the face value of the underlying financial instrument(s) on which an interest rate or foreign exchange rate contract is based.

Off-balance sheet obligation means a binding agreement, contract, or similar arrangement that requires or may require future payment(s) in money or kind by another party to an Enterprise, or that effectively guarantees all or part of such payment(s) to third parties (including commitments), where such agreement or contract is a source of credit risk that is not included on its balance sheet.

OFHEO means the Office of Federal Housing Enterprise Oversight.

Other off-balance sheet obligations means all off-balance sheet obligations of an Enterprise that are not mortgage-backed securities or substantially equivalent instruments and that are not resecuritized mortgage-backed securities, such as real estate mortgage investment conduits or similar resecuritized instruments.

Perpetual, noncumulative preferred stock means preferred stock that—

- (1) Does not have a maturity date;
- (2) Provides the issuer the ability and the legal right to eliminate dividends and does not permit the accruing or payment of impaired dividends;
- (3) Cannot be redeemed at the option of the holder; and

(4) Has no other provisions that will require future redemption of the issue, in whole or in part, or that will reset the dividend periodically based, in whole or in part, on the Enterprise's current credit standing, such as auction rate, money market, or remarketable preferred stock, or that may cause the dividend to increase to a level that could create an incentive for the issuer to redeem the instrument, such as exploding rate stock.

Qualifying collateral means cash on deposit; securities issued or guaranteed by the central governments of the OECD-based group of countries,¹ United States Government agencies, or United States Government-sponsored agencies; and securities issued by multilateral lending institutions or regional development banks.

§ 1750.3 Procedure and timing.

(a) Each Enterprise shall file with the Director a minimum capital report each quarter or at such other times as the Director requires, in his or her sole discretion. The report shall contain the information that responds to all of the items required by OFHEO in written

¹The OECD-based group of countries comprises full members of the Organization for Economic Cooperation and Development (OECD) regardless of entry date, as well as countries that have concluded special lending arrangements with the International Monetary Fund (IMF) associated with the IMF's General Arrangements to Borrow, but excludes any country that has rescheduled its external sovereign debt within the previous 5 years. A rescheduling of external sovereign debt generally would include any renegotiation of terms arising from a country's mobility or unwillingness to meet its external debt service obligations, but generally not include any renegotiation to allow the borrower to take advantage of a decline in interest rate or other change in market conditions. As of November 1995, the OECD countries included the following countries: Australia, Austria, Belgium, Canada, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Japan, Luxembourg, Mexico, the Netherlands, New Zealand, Norway, Portugal, Spain, Sweden, Switzerland, Turkey, the United Kingdom, and the United States; and Saudi Arabia has concluded special lending arrangements with the IMF associated with the IMF's General Arrangements to Borrow.

instructions to the Enterprise, including, but not limited to:

(1) Estimate of the minimum capital requirement;

(2) Estimate of core capital coverage or shortfall relative to the estimated minimum capital requirement;

(3) Such other information as may be required by the Director.

(b) The quarterly minimum capital report shall be submitted not later than April 30, July 30, October 30, and January 30 of each year.

(c) Each minimum capital report shall be submitted in writing and in such other format as may be required by the Director.

(d) In the event an Enterprise makes an adjustment to its financial statements for a quarter or a date for which the information was requested, which would cause an adjustment to a minimum capital report, the Enterprise shall file with the Director an amended minimum capital report not later than 3 business days after the date of such adjustment.

(e) Each minimum capital report or any amended minimum capital report shall contain a declaration by an officer authorized by the board of directors of the Enterprise to make such a declaration, including, but not limited to a president, vice president, or treasurer, that the report is true and correct to the best of such officer's knowledge and belief.

§ 1750.4 Minimum capital requirement computation.

(a) The minimum capital requirement for each Enterprise shall be computed by adding the following amounts:

(1) 2.50 percent times the aggregate on-balance sheet assets of the Enterprise;

(2) 0.45 percent times the unpaid principal balance of mortgage-backed securities and substantially equivalent instruments that were issued or guaranteed by the Enterprise;

(3) 0.45 percent of 50 percent of the average dollar amount of commitments outstanding each quarter over the preceding four quarters;

(4) 0.45 percent of the outstanding principal amount of bonds with multifamily credit enhancements;

(5) 0.45 percent of the dollar amount of sold portfolio remittances pending;

(6)(i) 3.00 percent of the credit equivalent amount of interest rate contracts and foreign exchange rate contracts, except to the extent of the current market value of posted qualifying collateral, computed in accordance with appendix A to this subpart;

(ii) 1.50 percent of the market value of qualifying collateral posted to secure interest rate and foreign exchange rate contracts, not to exceed the credit equivalent amount of such contracts, computed in accordance with appendix A to this subpart; and

(7) 0.45 percent of the outstanding amount, credit equivalent amount, or other measure determined appropriate by the Director, of other off-balance sheet obligations (excluding commitments, multifamily credit enhancements, sold portfolio remittances pending, and interest rate contracts and foreign exchange rate contracts), except as adjusted by the Director to reflect differences in the credit risk of such obligations in relation to mortgage-backed securities.

(b) Any asset or financial obligation that is properly classifiable in more than one of the categories enumerated in paragraphs (a) (1) through (7) of this section shall be classified in the category that yields the highest minimum capital requirement.

(c) As used in this section, the term "preceding four quarters" means the last day of the quarter just ended (or the date for which the minimum capital report is filed, if different), and the three preceding quarter-ends.

APPENDIX A TO SUBPART A OF PART 1750—MINIMUM CAPITAL COMPONENTS FOR INTEREST RATE AND FOREIGN EXCHANGE RATE CONTRACTS

1. The minimum capital components for interest rate and foreign exchange rate contracts are computed on the basis of the credit equivalent amounts of such contracts. Credit equivalent amounts are computed for each of the following off-balance sheet interest rate and foreign exchange rate contracts:

a. Interest Rate Contracts

- i. Single currency interest rate swaps.
- ii. Basis swaps.
- iii. Forward rate agreements.

iv. Interest rate options purchased (including caps, collars, and floors purchased).

v. Any other instrument that gives rise to similar credit risks (including when-issued securities and forward deposits accepted).

b. Foreign Exchange Rate Contracts

- i. Cross-currency interest rate swaps.
- ii. Forward foreign exchange rate contracts.
- iii. Currency options purchased.
- iv. Any other instrument that gives rise to similar credit risks.

2. Foreign exchange rate contracts with an original maturity of 14 calendar days or less and foreign exchange rate contracts traded on exchanges that require daily payment of variation margins are excluded from the minimum capital requirement computation. Over-the-counter options purchased, however, are included and treated in the same way as the other interest rate and foreign exchange rate contracts.

3. Calculation of Credit Equivalent Amounts

a. The minimum capital components for interest rate and foreign exchange rate contracts are computed on the basis of the credit equivalent amounts of such contracts. The credit equivalent amount of an off-balance sheet interest rate and foreign exchange rate contract that is not subject to a qualifying bilateral netting contract in accordance with this appendix A is equal to the sum of the current exposure (sometimes referred to as the replacement cost) of the contract and an estimate of the potential future credit exposure over the remaining life of the contract.

b. The current exposure is determined by the mark-to-market value of the contract. If the mark-to-market value is positive, then the current exposure is the mark-to-market value. If the mark-to-market value is zero or negative, then the current exposure is zero. Mark-to-market values are measured in United States dollars, regardless of the currency or currencies specified in the contract, and should reflect changes in the relevant rates, as well as counterparty credit quality.

c. The potential future credit exposure of a contract, including a contract with a negative mark-to-market value, is estimated by multiplying the notional principal amount of the contract by a credit conversion factor. The effective rather than the apparent or stated notional amount must be used in this calculation. The credit conversion factors are:

Remaining maturity	Interest rate contracts (percent)	Foreign exchange rate contracts (percent)
1 year or less	0.0	1.0
Over 1 year	0.5	5.0

d. Because foreign exchange rate contracts involve an exchange of principal upon maturity, and foreign exchange rates are generally more volatile than interest rates, higher conversion factors have been established for foreign exchange rate contracts than for interest rate contracts.

e. No potential future credit exposure is calculated for single currency interest rate swaps in which payments are made based upon two floating rate indexes, so-called floating/floating or basis swaps. The credit exposure on these contracts is evaluated solely on the basis of their mark-to-market values.

4. Avoidance of Double Counting

In certain cases, credit exposures arising from the interest rate and foreign exchange instruments covered by this appendix A may already be reflected, in part, on the balance sheet. To avoid double counting such exposures in the assessment of capital adequacy, counterparty credit exposures arising from the types of instruments covered by this appendix A may need to be excluded from balance sheet assets in calculating the minimum capital requirement.

5. Collateral

a. The sufficiency of collateral for off-balance sheet items is determined by the market value of the collateral in relation to the credit equivalent amount. Collateral held against a netting contract is not recognized for minimum capital standard purposes unless it is legally available to support the single legal obligation created by the netting contract. Excess collateral held against one contract or a group of contracts for which a recognized netting agreement exists may not be considered.

b. The only forms of collateral that are formally recognized by the minimum capital standard framework are cash on deposit; securities issued or guaranteed by the central governments of the OECD-based group of countries, United States Government agencies, or United States Government-sponsored agencies; and securities issued by multilateral lending institutions or regional development banks.

6. Netting

a. For purposes of this appendix A, netting refers to the offsetting of positive and negative mark-to-market values in the determination of a current exposure to be used in the calculation of a credit equivalent amount. Any legally enforceable form of bilateral netting (that is, netting with a single counterparty) of interest rate and foreign exchange rate contracts is recognized for purposes of calculating the credit equivalent amount provided that the following criteria are met:

i. Netting must be accomplished under a written netting contract that creates a single legal obligation, covering all included individual contracts, with the effect that the Enterprise would have a claim to receive, or obligation to pay, only the net amount of the sum of the positive and negative mark-to-market values on included individual contracts in the event that a counterparty, or a counterparty to whom the contract has been validly assigned, fails to perform due to default, insolvency, liquidation, or similar circumstances.

ii. The Enterprise must obtain a written and reasoned legal opinion(s) representing that in the event of a legal challenge—including one resulting from default, insolvency, liquidation, or similar circumstances—the relevant court and administrative authorities would find the Enterprise's exposure to be such a net amount under—

A. The law of the jurisdiction in which the counterparty is chartered or the equivalent location in the case of noncorporate entities, and if a branch of the counterparty is involved, then also under the law of the jurisdiction in which the branch is located;

B. The law that governs the individual contracts covered by the netting contract; and

C. The law that governs the netting contract.

iii. The Enterprise must establish and maintain procedures to ensure that the legal characteristics of netting contracts are kept under review in the event of possible changes in relevant law.

iv. The Enterprise must maintain in its files documentation adequate to support the netting of rate contracts, including a copy of the bilateral netting contract and necessary legal opinions.

b. A contract containing a walkaway clause is not eligible for netting for purposes of calculating the credit equivalent amount.¹

c. By netting individual contracts for the purpose of calculating its credit equivalent amount, the Enterprise represents that it has met the requirements of this appendix A and all the appropriate documents are in the Enterprise's files and available for inspection by OFHEO. OFHEO may determine that an Enterprise's files are inadequate or that a netting contract, or any of its underlying individual contracts, may not be legally enforceable under any one of the bodies of law described in this appendix A. If such a deter-

mination is made, the netting contract may be disqualified from recognition for minimum capital standard purposes or underlying individual contracts may be treated as though they are not subject to the netting contract.

d. The credit equivalent amount of interest rate and foreign exchange rate contracts that are subject to a qualifying bilateral netting contract is calculated by adding the current exposure of the netting contract and the sum of the estimates of the potential future credit exposures on all individual contracts subject to the netting contract, estimated in accordance with paragraph 3 of this appendix A. Offsetting contracts in the same currency maturing on the same date will have lower potential future exposure as well as lower current exposure. Therefore, for purposes of calculating potential future credit exposure to a netting counterparty for foreign exchange rate contracts and other similar contracts in which notional principal is equivalent to cash flows, total notional principal is defined as the net receipts falling due on each value date in each currency.

e. The current exposure of the netting contract is determined by summing all positive and negative mark-to-market values of the individual contracts included in the netting contract. If the net sum of the mark-to-market values is positive, then the current exposure of the netting contract is equal to that sum. If the net sum of the mark-to-market values is zero or negative, then the current exposure of the netting contract is zero. OFHEO may determine that a netting contract qualifies for minimum capital standard netting treatment even though certain individual contracts may not qualify. In such instances, the nonqualifying contracts should be treated as individual contracts that are not subject to the netting contract.

f. In the event a netting contract covers contracts that are normally excluded from the minimum capital requirement computation—for example, foreign exchange rate contracts with an original maturity of 14 calendar days or less, or instruments traded on exchanges that require daily payment of variation margin—an Enterprise may elect consistently either to include or exclude all mark-to-market values of such contracts when determining net current exposure.

Subpart B—Risk-Based Capital

SOURCE: 66 FR 47806, Sept. 13, 2001, unless otherwise noted.

§ 1750.10 General.

The regulation contained in this subpart B establishes the methodology for computing the risk-based capital level

¹ A walkaway clause is a provision in a netting contract that permits a non-defaulting counterparty to make lower payments than it would make otherwise under the contract, or no payment at all, to a defaulter or to the estate of a defaulter, even if the defaulter or the estate of the defaulter is a net creditor under the contract.

for each Enterprise. The board of directors of each Enterprise is responsible for ensuring that the Enterprise maintains total capital at a level that is sufficient to ensure the continued financial viability of the Enterprise and is equal to or exceeds the risk-based capital level computed pursuant to this subpart B.

§ 1750.11 Definitions.

Except where a term is explicitly defined differently in this subpart, all terms defined at §1750.2 of subpart A of this part shall have the same meanings for purposes of this subpart. For purposes of subpart B of this part, the following definitions shall apply:

(a) *Benchmark loss experience* means the rates of default and severity for mortgage loans that—

(1) Were originated during a period of two or more consecutive calendar years in contiguous areas that together contain at least five percent of the population of the United States, and

(2) Experienced the highest loss rate for any period of such duration in comparison with the loans originated in any other contiguous areas that together contain at least five percent of the population of the United States.

(b) *Constant maturity Treasury yield* means the constant maturity Treasury yield, published by the Board of Governors of the Federal Reserve System.

(c) *Contiguous areas* means all the areas within a state or a group of two or more states sharing common borders. “Sharing common borders” does not mean meeting at a single point. Colorado, for example, is contiguous with New Mexico, but not with Arizona.

(d) *Credit risk* means the risk of financial loss to an Enterprise from non-performance by borrowers or other obligors on instruments in which an Enterprise has a financial interest, or as to which the Enterprise has a financial obligation.

(e) *Default rate* of a given group of loans means the ratio of the aggregate original principal balance of the defaulted loans in the group to the aggregate original principal balance of all loans in the group.

(f) *Defaulted loan* means a loan that, within ten years following its origination:

- (1) Resulted in pre-foreclosure sale,
- (2) Completed foreclosure,
- (3) Resulted in the acquisition of real estate collateral, or
- (4) Otherwise resulted in a credit loss to an Enterprise.

(g) *Financing costs* of property acquired through foreclosure means the product of:

- (1) The number of years (including fractions) of the period from the completion of foreclosure through disposition of the property,
- (2) The average of the Enterprises’ short-term funding rates, and
- (3) The unpaid principal balance at the time of foreclosure.

(h) *Interest rate risk* means the risk of financial loss due to the sensitivity of earnings and net worth of an Enterprise to changes in interest rates.

(i) *Loss on a defaulted loan* means:

(1) With respect to a loan in category 1, 2, or 3 of the definition of defaulted loan the difference between:

(i) The sum of the principal and interest owed when the borrower lost title to the property securing the mortgage; financing costs through the date of property disposition; and cash expenses incurred during the foreclosure process, the holding period for real estate collateral acquired as a result of default, and the property liquidation process; and

(ii) The sum of the property sales price and any other liquidation proceeds (except those resulting from private mortgage insurance proceeds or other third-party credit enhancements).

(2) With respect to defaulted loans not in categories 1, 2, or 3, the amount of the financial loss to the Enterprise.

(j) *Mortgage* means any loan secured by such classes of liens as are commonly given or are legally effective to secure advances on, or the unpaid purchase price of, real estate under the laws of the State in which the real estate is located; or a manufactured house that is personal property under the laws of the State in which the manufactured house is located, together

with the credit instruments, if any, secured thereby, and includes interests in mortgages.

(k) *Seasoning* means the change over time in the ratio of the unpaid principal balance of a mortgage to the value of the property by which such mortgage loan is secured.

(l) *Severity rate* for any group of defaulted loans means the aggregate losses on all loans in that group divided by the aggregate original principal balances of those loans.

(m) *Stress period* means a hypothetical ten-year period immediately following the day for which capital is being measured, which is a period marked by the severely adverse economic circumstances defined in 12 CFR 1750.13 and Appendix A to this subpart.

(n) *Total capital* means, with respect to an Enterprise, the sum of the following:

(1) The core capital of the Enterprise;

(2) A general allowance for foreclosure losses, which—

(i) Shall include an allowance for portfolio mortgage losses, an allowance for non-reimbursable foreclosure costs on government claims, and an allowance for liabilities reflected on the balance sheet for the Enterprise for estimated foreclosure losses on mortgage-backed securities; and

(ii) Shall not include any reserves of the Enterprise made or held against specific assets.

(3) Any other amounts from sources of funds available to absorb losses incurred by the Enterprise, that the Director by regulation determines are appropriate to include in determining total capital.

(o) *Type of mortgage product* means a classification of one or more mortgage products, as established by the Director, that have similar characteristics from each set of characteristics under the paragraphs (o)(1) through (o)(7) of this section:

(1) The property securing the mortgage is—

(i) A residential property consisting of 1 to 4 dwelling units; or

(ii) A residential property consisting of more than 4 dwelling units.

(2) The interest rate on the mortgage is—

(i) Fixed; or

(ii) Adjustable.

(3) The priority of the lien securing the mortgage is—

(i) First; or

(ii) Second or other.

(4) The term of the mortgage is—

(i) 1 to 15 years;

(ii) 16–30 years; or

(iii) More than 30 years.

(5) The owner of the property is—

(i) An owner-occupant; or

(ii) An investor.

(6) The unpaid principal balance of the mortgage—

(i) Will amortize completely over the term of the mortgage, and will not increase significantly at any time during the term of the mortgage;

(ii) Will not amortize completely over the term of the mortgage, and will not increase significantly at any time during the term of the mortgage; or

(iii) May increase significantly at some time during the term of the mortgage.

(7) Any other characteristics of the mortgage, as specified in Appendix A to this subpart.

§ 1750.12 Procedures and timing.

(a) Each Enterprise shall file with the Director a Risk-Based Capital Report each quarter, and at such other times as the Director may require, in his or her discretion. The report shall contain the information required by the Director in the instructions to the Risk-Based Capital Report in the format or media specified therein and such other information as may be required by the Director.

(b) The quarterly Risk-Based Capital Report shall contain information for the last day of the quarter and shall be submitted not later than 30 days after the end of the quarter. Reports required by the Director other than quarterly reports shall be submitted within such time period as the Director shall specify.

(c) When an Enterprise contemplates entering a new activity, as the term is defined in section 3.11 of Appendix A to this subpart, the Enterprise shall notify the Director as soon as possible while the transaction or activity is under consideration, but in no event later than 5 calendar days after settlement or closing. The Enterprises shall

§ 1750.13

12 CFR Ch. XVII (1–1–03 Edition)

provide to the Director such information regarding the activity as the Director may require to determine a stress test treatment. OFHEO will inform the Enterprise as soon as possible thereafter of the proposed stress test treatment of the new activity. In addition, the notice of proposed capital classification required by §1777.21 of this chapter will inform the Enterprise of the capital treatment of such new activity used in the determination of the risk-based capital requirement.

(d) If an Enterprise discovers that a Risk-Based Capital Report previously filed with OFHEO contains any errors or omissions, the Enterprise shall notify OFHEO immediately of such discovery and file an amended Risk-Based Capital Report not later than three days thereafter.

(e) Each capital classification shall be determined by OFHEO on the basis of the Risk-Based Capital Report filed by the Enterprise under paragraph (a) of this section; provided that, in the event an amended Risk-Based Capital Report is filed prior to the issuance of the final notice of capital classification, the Director has the discretion to determine the Enterprise's capital classification on the basis of the amended report.

(f) Each Risk-Based Capital Report or any amended Risk-Based Capital Report shall contain a declaration by the officer who has been designated by the Board as responsible for overseeing the capital adequacy of the Enterprise that the report is true and correct to the best of such officer's knowledge and belief.

[66 FR 47806, Sept. 13, 2001, as amended at 67 FR 19322, Apr. 19, 2002]

§ 1750.13 Risk-based capital level computation.

(a) *Risk-Based Capital Test*—OFHEO shall compute a risk-based capital level for each Enterprise at least quarterly by applying the risk-based capital test described in Appendix A to this subpart to determine the amount of total capital required for each Enterprise to maintain positive capital during the stress period. In making this determination, the Director shall take into account any appropriate distinctions among types of mortgage prod-

ucts, differences in seasoning of mortgages, and other factors determined appropriate by the Director in accordance with the methodology specified in Appendix A to this subpart. The stress period has the following characteristics:

(1) *Credit risk*—With respect to mortgages owned or guaranteed by the Enterprise and other obligations of the Enterprise, losses occur throughout the United States at a rate of default and severity reasonably related, in accordance with Appendix A to this subpart, to the benchmark loss experience.

(2) *Interest rate risk*—(i) *In general*. Interest rates decrease as described in paragraph (a)(2)(ii) of this section or increase as described in paragraph (a)(2)(iii) of this section, whichever would require more capital in the stress test for the Enterprise. Appendix A to this subpart contains a description of the methodology applied to implement the interest rate scenarios described in paragraphs (a)(2)(ii) and (iii) of this section.

(ii) *Decreases*. The 10-year constant maturity Treasury yield decreases during the first year of the stress period and remains at the new level for the remainder of the stress period. The yield decreases to the lesser of—

(A) 600 basis points below the average yield during the 9 months immediately preceding the stress period, or

(B) 60 percent of the average yield during the 3 years immediately preceding the stress period, but in no case to a yield less than 50 percent of the average yield during the 9 months immediately preceding the stress period.

(iii) *Increases*. The 10-year constant maturity Treasury yield increases during the first year of the stress period and will remain at the new level for the remainder of the stress period. The yield increases to the greater of—

(A) 600 basis points above the average yield during the 9 months immediately preceding the stress period, or

(B) 160 percent of the average yield during the 3 years immediately preceding the stress period, but in no case to a yield greater than 175 percent of the average yield during the 9 months immediately preceding the stress period.

(iv) *Different terms to maturity*. Yields of Treasury instruments with terms to

Federal Housing Enterprise Oversight

Pt. 1750, Subpt. B, App. A

maturity other than 10 years will change relative to the 10-year constant maturity Treasury yield in patterns and for durations that are reasonably related to historical experience and are judged reasonable by the Director. The methodology used by the Director to adjust the yields of those other instruments is specified in Appendix A to this subpart.

(v) *Large increases in yields.* If the 10-year constant maturity Treasury yield is assumed to increase by more than 50 percent over the average yield during the 9 months immediately preceding the stress period, the Director shall adjust the losses resulting from the conditions specified in paragraph (a)(2)(iii) of this section to reflect a correspondingly higher rate of general price inflation. The method of such adjustment by the Director is specified in Appendix A to this subpart.

(3) *New business.* Any contractual commitments of the Enterprise to purchase mortgages or issue securities will be fulfilled. The characteristics of resulting mortgages purchased, securities issued, and other financing will be consistent with the contractual terms of such commitments, recent experience, and the economic characteristics of the stress period, as more fully specified in Appendix A to this subpart. No other purchases of mortgages shall be assumed.

(4) *Other activities.* Losses or gains on other activities, including interest rate and foreign exchange hedging activities, shall be determined by the Director, in accordance with Appendix A to this subpart and on the basis of available information, to be consistent with the stress period.

(5) *Consistency.* Characteristics of the stress period other than those specifically set forth in paragraph (a) of this section, such as prepayment experience and dividend policies, will be determined by the Director, in accordance with Appendix A to this subpart, on the basis of available information, to be most consistent with the stress period.

(b) *Risk-Based Capital Level.* The risk-based capital level of an Enterprise, to be used in determining the appropriate capital classification of each Enterprise, as required by section 1364 of the Federal Housing Enterprises Financial

Safety and Soundness Act of 1992 (12 U.S.C. 4614), shall be equal to the sum of the following amounts:

(1) *Credit and Interest Rate Risk.* The amount of total capital determined by applying the risk-based capital test under paragraph (a) of this section to the Enterprise.

(2) *Management and Operations Risk.* To provide for management and operations risk, 30 percent of the amount of total capital determined by applying the risk-based capital test under paragraph (a) of this section to the Enterprise.

 - 4.0 Glossary
- 1.0 IDENTIFICATION OF THE BENCHMARK LOSS EXPERIENCE
- OFHEO will use the definitions, data, and methodology described below to identify the Benchmark Loss Experience.
- 1.1 Definitions*
- The terms defined in the Glossary to this Appendix shall apply for this Appendix.
- 1.2 Data*
- [a] OFHEO identifies the Benchmark Loss Experience (BLE) using historical loan-level data required to be submitted by each of the two Enterprises. OFHEO's analysis is based entirely on the data available through 1995 on conventional, 30-year, fixed-rate loans secured by first liens on single-unit, owner-occupied, detached properties. For this purpose, detached properties are defined as single family properties excluding condominiums, planned urban developments, and cooperatives. The data includes only loans that were purchased by an Enterprise within 12 months after loan origination and loans for

Federal Housing Enterprise Oversight

Pt. 1750, Subpt. B, App. A

which the Enterprise has no recourse to the lender.

[b] OFHEO organizes the data from each Enterprise to create two substantially consistent data sets. OFHEO separately analyzes default and severity data from each Enterprise. Default rates are calculated from loan records meeting the criteria specified above. Severity rates are calculated from the subset of defaulted loans for which loss data are available.

1.3 Procedures

[a] Cumulative ten-year default rates for each combination of states and origination years (state/year combination) that OFHEO examines are calculated for each Enterprise by grouping all of the Enterprise's loans originated in that combination of states and years. For origination years with less than ten-years of loss experience, cumulative-to-date default rates are used. The two Enterprise default rates are averaged, yielding an "average default rate" for that state/year combination.

[b] An "average severity rate" for each state/year combination is determined in the same manner as the average default rate. For each Enterprise, the aggregate severity rate is calculated for all loans in the relevant state/year combination and the two Enterprise severity rates are averaged.

[c] The "loss rate" for any state/year combination examined is calculated by multiplying the average default rate for that state/year combination by the average severity rate for that combination.

[d] The rates of default and Loss Severity of loans in the state/year combination containing at least two consecutive origination years and contiguous areas with a total population equal to or greater than five percent of the population of the United States with the highest loss rate constitutes the Benchmark Loss Experience.

2.0 IDENTIFICATION OF A NEW BENCHMARK LOSS EXPERIENCE

OFHEO will periodically monitor available data and reevaluate the Benchmark Loss Experience using the methodology set forth in this Appendix. Using this methodology, OFHEO may identify a new Benchmark Loss Experience that has a higher rate of loss than the Benchmark Loss Experience identi-

fied at the time of the issuance of this regulation. In the event such a Benchmark Loss Experience is identified, OFHEO may incorporate the resulting higher loss rates in the Stress Test.

3.0 COMPUTATION OF THE RISK-BASED CAPITAL REQUIREMENT

3.1 Data

3.1.1 Introduction

[a] The Stress Test requires data on all of an Enterprise's assets, liabilities, stockholders equity, accounting entries, operations and off-balance sheet obligations, as well as economic factors that affect them: interest rates, house prices, rent growth rates, and vacancy rates. The Enterprises are responsible for compiling and aggregating data on at least a quarterly basis into a standard format called the Risk-Based Capital Report (RBC Report). Each Enterprise is required to certify that the RBC Report submission is complete and accurate. Data on economic factors, such as interest rates, are compiled from public sources. The Stress Test uses proprietary and public data directly, and also uses values derived from such data in the form of constants or default values. (See Table 3-1, Sources of Stress Test Input Data.) Data fields from each of these sources for Stress Test computations are described in the following tables and in each section of this Appendix.

[b] The RBC Report includes information for all the loans owned or guaranteed by an Enterprise, as well as securities and derivative contracts, the dollar balances of these instruments and obligations, as well as all characteristics that bear on their behavior under stress conditions. As detailed in the RBC Report, data are required for all the following categories of instruments and obligations:

- Mortgages owned by or underlying mortgage-backed securities (MBS) issued by the Enterprises (whole loans)
- Mortgage-related securities
- Nonmortgage related securities, whether issued by an Enterprise, (e.g., debt) or held as investments
- Derivative contracts
- Other off-balance sheet guarantees (e.g., guarantees of private-issue securities).

3.1.2 Risk-Based Capital Report

The Risk-Based Capital Report is comprised of information on whole loans, mortgage-related securities, nonmortgage instruments (including liabilities and derivatives), and accounting items (including off-balance sheet guarantees). In addition to their reported data, the Enterprises may report scale factors in order to reconcile this reported data with their published financials (see section 3.10.2[b] of this Appendix). If so, specific data items, as indicated, are adjusted by appropriate scale factors before any calculations occur.

3.1.2.1 Whole Loan Inputs

[a] Whole loans are individual single family or multifamily mortgage loans. The Stress Test distinguishes between whole loans that the Enterprises hold in their investment portfolios (retained loans) and those that underlie mortgage-backed securities (sold loans). Consistent with Table 3-2, Whole Loan Classification Variables, each Enterprise aggregates the data for loans with similar portfolio (retained or sold), risk, and product characteristics. The characteristics of these loan groups determine

rates of mortgage Default, Prepayment and Loss Severity and cash flows.

[b] The characteristics that are the basis for loan groups are called “classification variables” and reflect categories, e.g., fixed interest rate versus floating interest rate, or identify a value range, e.g., original loan-to-value (LTV) ratio greater than 80 percent and less than or equal to 90 percent.

[c] All loans with the same values for each of the relevant classification variables included in 3-2 (and where applicable 3-3 and 3-4) comprise a single loan group. For example, one loan group includes all loans with the following characteristics:

- Single family
- Sold portfolio
- 30-year fixed rate conventional loan
- Mortgage age greater than or equal to 36 months and less than 48 months
- Original LTV greater than 75 percent and less than or equal to 80 percent
- Current mortgage interest rate class greater than or equal to six percent and less than seven percent
- Secured by property located in the East North Central Census Division
- Relative loan size greater than or equal to 75 percent and less than 100 percent of the average for its state and origination year.

3.1.3 Public Data

3.1.3.1 Interest Rates

[a] The Interest Rates component of the Stress Test projects Treasury yields as well as other interest rate indexes that are needed to calculate cash flows, to simulate the performance of mortgages and other financial instruments, and to calculate capital for each of the 120 months in the Stress Period. Table 3-18, Interest Rate and Index Inputs,

sets forth the interest rate indexes used in the Stress Test

[b] The starting values for all of the Interest Rates are the monthly average of daily rates for the month preceding the start of the stress test.

[c] For the 10-year CMT, monthly values are required for the three years prior to the start of the Stress Test (m = -35, -34...0). For all other indexes, monthly values for the prior two years are required (m = -23, -22...0).

3.2 Commitments

3.2.1 Commitments Overview

The Enterprises make contractual commitments to purchase or securitize mortgages. The Stress Test provides for deliveries of mortgages into the commitments that exist at the start of the Stress Period. These mortgages are grouped into “Commitment Loan Groups” that reflect the characteristics of the mortgages that were originated in the six months preceding the start of the Stress Period and securitized by the Enterprise, except that they are assigned coupon rates consistent with the projected delivery month in each interest rate scenario. These Commitment Loan Groups are added to the Enterprise’s sold portfolio and the Stress Test projects their performance during the Stress Period. In the down-rate scenario, the Stress Test provides that 100 percent of the mortgages specified in the commitments are delivered within the first three months. In the up-rate scenario, 75 percent are delivered within the first six months.

3.2.2 Commitments Inputs

The Stress Test uses two sources of data to determine the characteristics of the mortgages delivered under commitments:

- Information from the Enterprises on the characteristics of loans originated and delivered to the Enterprises in the six months preceding the start of the Stress

Period, broken out into four categories, scaled by the dollar value of commitments outstanding at the start of the Stress Period;

- Interest Rate series generated by the Interest Rates component of the Stress Test.

3.2.2.1 Loan Data

[a] The Enterprises report Commitment Loan Group categories based on the following product type characteristics of securitized single family loans originated and delivered during the six months prior to the start of the Stress Test:

- 30-year fixed-rate
- 15-year fixed-rate
- One-year CMT ARM
- Seven-year balloon

[b] For each Commitment Loan Group category, the Enterprises report the same information as in section 3.6 for Whole Loan groups with the following exceptions:

- Amortization term and remaining term are set to those appropriate for newly originated loans
- Unamortized balances are set to zero
- The House Price Growth Factor is set to one
- Age is set to zero
- Any credit enhancement coverage other than mortgage insurance is not reported.

[c] For each Commitment Loan Group category, the Enterprises report the Starting UPB defined as follows:

$$\text{Starting UPB} = \left[\frac{\text{Total dollar amount of Commitments Outstanding}}{\left[\frac{\text{Starting UPB for the Commitment Loan Group Category}}{\text{Total Starting UPB for all Commitment Loan Group Categories}} \right]} \right] \times$$

3.2.2.2 Interest Rate Data

The Stress Test uses the following Interest Rate series, generated from section 3.3, Interest Rates, of this Appendix, for the first 12 months of the Stress Period:

- One-year Constant Maturity Treasury yield (CMT)
- Conventional mortgage rate (30-year fixed rate)
- 15-year fixed-rate mortgage rate
- Seven-year balloon mortgage rate.

3.2.3 Commitments Procedures

[a] Determine Commitment Loan Groups from the Commitment Loan Group categories as follows:

1. Divide each category into one subcategory for each delivery month. Three subcategories are created in the down-rate scenario and six in the up-rate scenario.
2. Calculate the total starting UPB for each subcategory as follows:

$$\text{Subcategory Starting UPB} = \left[\frac{\text{Starting UPB for Commitment Loan Group Category}}{\text{Total Starting UPB for all Commitment Loan Group Categories}} \right] \times \text{MDP}$$

Where: MDP is taken from Table 3-25.

TABLE 3-25—MONTHLY DELIVERIES AS A PERCENTAGE OF COMMITMENTS OUTSTANDING (MDP)

Delivery Month (DM)	Up-Rate Scenario MDP	Down-Rate Scenario MDP
1	18.75%	62.50%
2	18.75%	25.00%
3	12.50%	12.50%
4	12.50%	0.00%
5	6.25%	0.00%
6	6.25%	0.00%

TABLE 3-25—MONTHLY DELIVERIES AS A PERCENTAGE OF COMMITMENTS OUTSTANDING (MDP)—Continued

Delivery Month (DM)	Up-Rate Scenario MDP	Down-Rate Scenario MDP
Total	75%	100%

3. Set the Initial Mortgage Interest Rate for each subcategory using the interest rate series consistent with the commitment product type. For fixed rate loans, this rate = INDEX_{DM}. For ARM loans, the Initial Mortgage Interest Rate and the Mortgage Interest Rate at Origination are equal and set to INDEX_{DM-LB-1} + MARGIN, where LB (Lookback Period) and MARGIN for ARM commitment loan groups come from the RBC Report. Calculate the mortgage payment amount consistent with the Initial rate and amortizing term.

[b] Cash flows for the commitment loan groups, broken down by subcategory corresponding to assumed month of delivery to the Enterprises, are to be generated using the same procedures as contained in section 3.6, Whole Loan Cash Flows, of this Appendix, except as follows:

1. For purposes of generating cash flows, treat each commitment loan subcategory as if the loans were newly originated and delivered just prior to the start of the Stress Test (that is, treat them as if mortgage age at time zero, A₀, were zero).
2. Wherever section 3.6, Whole Loan Cash Flows, of this Appendix, refers to interest rate or discount rate adjustments, add Delivery Month (DM) to the Interest Rate or discount rate monthly counter, where constant DM ∈ [1,2,3,4,5,6] refers to the number of months into the Stress Test that the commitment subcategory is assumed to be delivered to the Enterprise. For example,
 - a. Section 3.6.3.3.3[a]1.b.3) of this Appendix, if m is a rate reset month, then:

$$\text{MIR}_m = \text{INDEX}_{m-1-LB+DM} + \text{MARGIN}$$

b. Section 3.6.3.4.3.1[a]3.a., of this Appendix,

$$B_q = 1 \text{ if } \text{MCON}_{m+DM} + 0.02 \leq \text{MIR}_m$$

c. Section 3.6.3.4.3.1[a]4., of this Appendix,

$$\text{RS}_q = \text{avg} \left(\frac{\text{MIR}_{\text{ORIG}} - \text{MCON}_{m+DM}}{\text{MIR}_{\text{ORIG}}} \right)$$

d. Section 3.6.3.4.3.1[a]5., of this Appendix,

$$YCS_q = avg \left(\frac{T120Y_{m+DM}}{T12Y_{m+DM}} \right)$$

- e. Section 3.6.3.6.5.1, of this Appendix. Throughout this section replace DR_m with DR_{m+DM} wherever it appears.
- f. Section 3.6.3.7.3[a]9.b., of this Appendix. The formula for float income received should replace FER_m with FER_{m+DM} .
3. For purpose of computing LTV_q as defined in section 3.6.3.4.3.1[a]2.a., of this Appendix, adjust the quarterly index for the vector of house price growth rates by adding $DQ=2$ if the loans are delivered in the Stress Test month 6, $DQ = 1$ if the loans are delivered in Stress Test months 3, 4 or 5, and 0 otherwise. That is, in the LTV_q formula:

$$Exp \left(\sum_{k=1}^q HPGR_{k+DQ} \right)$$

Where:

$$DQ = int \left(\frac{DM}{3} \right)$$

4. The note at the end of section 3.6.3.4.3.2[a]5., of this Appendix, should be adjusted to read: for $m > 120-DM$, use MPR_{120-DM} and MDR_{120-DM} .
5. Adjust the final outputs for each commitment subcategory by adding DM to each monthly counter, m . That is, the outputs in Table 3-52 and 3-55 should be revised to replace each value's monthly counter of m with the new counter of $m + DM$, which will modify the description of each to read "in month $m = 1 + DM, \dots, RM+DM$ ". (Note that for one variable, $PUPB_m$, the revised counter will range from DM to $RM + DM$). The revised monthly counters will now correspond to the months of the Stress Test. For values of m under the revised description which are less than or equal to DM , each variable (except Performing UPB) in these two tables should equal zero. For Performing UPB in month DM , the variable will equal the Original UPB for month DM and will equal zero for months less than DM .

3.2.4 Commitments Outputs

[a] The outputs of the Commitment component of the Stress Test include Commitment Loan Groups specified in the same way as loan groups in the RBC Report (See section 3.6, Whole Loan Cash Flows, of this Appendix) with two exceptions: mortgage insurance is the only available credit enhancement coverage; and delivery month is added to indicate the month in which these loan

groups are added to the sold portfolio. The data for these loan groups allow the Stress Test to project the Default, Prepayment and loss rates and cash flows for loans purchased under commitments for the ten-year Stress Period.

[b] The Commitment outputs also include cash flows analagous to those specified for Whole Loans in section 3.6.4, Final Whole Loan Cash Flow Outputs, of this Appendix, which are produced for each Commitment Loan Group.

3.3 Interest Rates

3.3.1 Interest Rates Overview

[a] The Interest Rates component of the Stress Test projects Constant Maturity Treasury yields as well as other interest rates and indexes (collectively, "Interest Rates") that are needed to project mortgage performance and calculate cash flows for mortgages and other financial instruments for each of the 120 months in the Stress Period.

[b] The process for determining Interest Rates is as follows: first, identify the values for the necessary Interest Rates at time zero; second, project the ten-year CMT for each month of the Stress Period as specified in the 1992 Act; third, project the 1-month Treasury yield, the 3-month, 6-month, 1-, 2-, 3-, 5-, 20-year, and 30-year CMTs; fourth, project non-treasury Interest Rates, including the Federal Agency Cost of Funds Index; and fifth, project the Enterprises Cost of Funds Index, which provides borrowing rates for the Enterprises during the Stress Period, by increasing the Agency Cost of Funds Index by 10 basis points for the last 108 months of the Stress Test. Guidance in determining interest rates is available under OFHEO Guideline No. 402, "Risk Based Capital Process for Capturing and Utilizing Interest Rates Files," which is available on OFHEO's Web site, <http://www.OFHEO.Gov>.

[c] In cases where the Stress Test would require interest rates for maturities other than those specifically projected in Table 3-18 of section 3.1.3, Public Data, of this Appendix, the Interest Rates component performs a monthly linear interpolation. In cases where the Stress Test would require an Interest Rate for a maturity greater than the longest maturity specifically projected for that index, the Stress Test would use the longest maturity for that index.

3.3.2 Interest Rates Inputs

The Interest Rates that are input to the Stress Test are set forth in Table 3-18 of section 3.1.3, Public Data, of this Appendix. Inputs for the 30-year CMT yield after February 15, 2002 are estimated according to the Department of Treasury methodology using long-term average rates and extrapolation factors.

3.3.3 Interest Rates Procedures

[a] Produce Interest Rates for use in the Stress Test using the following three steps:

1. Project the Ten-Year CMT as specified in the 1992 Act:

a. *Down-Rate Scenario.* In the Stress Test, the ten-year CMT changes from its starting level to its new level in equal increments over the first twelve months of the Stress Period, and remains constant at the new level for the remaining 108 months of the Stress Period. The new level of the ten-year CMT in the last 108 months of the down-rate scenario equals the lesser of:

- 1) The average of the ten-year CMT for the nine months prior to the start of the Stress Test, minus 600 basis points; or
- 2) The average yield of the ten-year CMT for the 36 months prior to the start of the Stress Test, multiplied by 60 percent;

but in no case less than 50 percent of the average for the nine months preceding the start of the Stress Period.

b. *Up-Rate Scenario.* In the Stress Test, the ten-year CMT changes from its starting level to its new level in equal increments over the first twelve months of the Stress Period, and remains at the new level for the remaining 108 months of the Stress Period. The new level of the ten-year CMT in the last 108 months of the up-rate scenario is the greater of:

- 1) The average of the ten-year CMT for the nine months prior to the start of the Stress Test, plus 600 basis points; or
- 2) The average of the ten-year CMT for the 36 months prior to the start of the Stress Test, multiplied by 160 percent;

but in no case greater than 175 percent of the average of the ten-year CMT for the nine months preceding the start of the Stress Period.

2. Project the 1-month Treasury and other CMT yields:

a. *Down-Rate Scenario.* For the down-rate scenario, the new value of each of the other Treasury and CMT yields for the last 108 months of the Stress Test is calculated by multiplying the ten-year CMT by the appropriate ratio from Table 3-26. For the first 12 months of the Stress Period, the other rates are computed in the same way as the ten-year CMT, i.e. from their time zero levels. Each of the other CMTs changes in equal steps in each of the first twelve months of the Stress Period until it reaches the new level for the remaining 108 months of the Stress Test.

30 YR / 10 YR	1.03432

¹Source: calculated over the period from May, 1986, through April, 1995.

b. *Up-Rate Scenario.* In the up-rate scenario, all other Treasury and CMT yields are equal to the ten-year CMT in the last 108 months of the Stress Test. Each of the other yields changes in equal increments over the first twelve months of the Stress Test until it equals the ten-year CMT.

3. Project Non-Treasury Interest Rates:

a. *Non-Treasury Rates.* For each of the non-Treasury interest rates with the exception of mortgage rates, rates during the Stress Test are computed as a proportional spread to the nearest maturity Treasury yield as given in Table 3-27. The proportional spread is the average over the two years prior to the start of the Stress Test, of the difference between the non-Treasury rate and the comparable maturity Treasury yield divided by that Treasury yield. For example, the three month LIBOR proportional spread would be calculated as the two year average of the ratio:

$$\frac{\left(\begin{array}{c} \text{3-month LIBOR minus} \\ \text{3-month Treasury} \end{array} \right)}{\text{3-month Treasury}}$$

During the Stress Test, the 3-month LIBOR rate is projected by multiplying the 3-month Treasury yield by 1 plus this average proportional spread.

b. *Mortgage Rates.* Mortgage interest rates are projected as described in this section for other non-Treasury interest rates, except that an average of the additive, not proportional, spread to the appropriate Treasury interest rate is used. For example, the 30-year Conventional Mortgage Rate spread is projected as the average, over the two years preceding the start of the Stress Test, of: (Conventional Mortgage Rate minus the ten-year CMT). This spread is then added to the ten-year CMT for the 120 months of the Stress Test to

obtain the projected Conventional Mortgage Rate.

10-year Federal Agency Cost of Funds	10-year CMT

c. *Enterprise Borrowing Rates.* In the Stress Test, the Federal Agency Cost of Funds Index is the same as the Enterprise Cost of Funds Index during the Stress Period, except that the Stress Test adds a 10 basis-point credit spread to the Federal Agency Cost of Funds rates to project Enterprise Cost of Funds rates for the last 108 months of the Stress Period.

3.3.4 Interest Rates Outputs

Interest Rate outputs are monthly values for: the projected ten points on the Treasury yield curve (1-month, 3-month, 6-month, 1-year, 2-year, 3-year, 5-year, 10-year, 20-year

and 30-year); the 21 non-Treasury rates contained in Table 3-27; and the nine points on the Enterprise Cost of Funds curve.

3.4 Property Valuation

3.4.1 Property Valuation Overview

[a] The Property Valuation component applies inflation adjustments to the single family house price growth rates and multifamily rent growth rates that are used to determine single family property values and multifamily current debt-service coverage ratios during the up-rate scenario, as required by the 1992 Act.

[b] Single family house price growth rates during the 120 months of the Stress Test are calculated from the HPI series for the West South Central Census Division for the years 1984–1993, as derived from OFHEO’s Third Quarter, 1996 HPI Report. The West South Central Census Division includes Texas and all of the Benchmark states except Mississippi. This series is applied to single family loans nationwide during the Stress Test because the 1992 Act applies a regional loss experience (the BLE) to the entire nation. In contrast, house prices are brought forward to the start of the Stress Test based on local Census Division HPI values available at the start of the Stress Test.

[c] Multifamily rent growth rates during the 120 months of the Stress Test are computed using a population-weighted average of the monthly growth of the Rent of Primary Residence component of the Consumer Price Index-Urban, which is generated by the U.S. Department of Labor Bureau of Labor Statistics. The metropolitan areas used for this computation are the Dallas/Ft. Worth CMSA, the Houston/Galveston/Brazoria CMSA, and the New Orleans MSA.

[d] Multifamily rental vacancy rates during the 120 months of the Stress Test are

computed using a population-weighted average of annual rental vacancy rates from the U.S. Department of Commerce, Bureau of the Census’ Housing Vacancy Survey. The metropolitan areas used for this computation are the Dallas, Houston and Fort Worth PMSAs and the San Antonio, New Orleans and Oklahoma City MSAs.

[e] *Inflation adjustment.* In the up-rate scenario, if the ten-year CMT rises more than 50 percent above the average yield during the nine months preceding the Stress Period, rent and house price growth rates are adjusted to account for inflation as required by the 1992 Act. The single family House Price Growth Rates and the multifamily Rent Growth Rates are increased by the amount by which the ten-year CMT exceeds 50 percent of its annualized monthly yield averaged over the nine months preceding the Stress Test. The inflation adjustment is applied only in the last 60 months of the Stress Period.

3.4.2 Property Valuation Inputs

The inputs required for the Property Valuation component are set forth in Table 3–28.

3.4.3 Property Valuation Procedures for Inflation Adjustment

[a] Calculate inflation-adjusted House Price Growth Rates and Rent Growth Rates using the following six steps:

1. Calculate the Inflation-Adjustment (IA) for the up-rate stress test, as follows:

$$IA = \max \left[\begin{matrix} \text{CMT10}^{\text{MAX}} \\ -(1.50 \times \text{ACMT}_0), 0 \end{matrix} \right]$$

Where:

CMT10^{MAX} is the value of the ten-year CMT during the last 108 months of the up-rate Stress Test.

Pt. 1750, Subpt. B, App. A

12 CFR Ch. XVII (1–1–03 Edition)

2. The Inflation Adjustment (IA) is compounded annually over 9 years and 2 months (110 months) to obtain the Cumulative Inflation Adjustment (CIA) according to the following equation:

$$CIA = (1 + IA)^{\frac{110}{12}}$$

3. For single family house prices, convert the CIA to continuously compounded quarterly factors, the Quarterly House Price Growth Adjustments (QHGA_q), which take on positive values only in the last twenty quarters of the Stress Test, using:

$$QHGA_q = \frac{\ln(CIA)}{20} \text{ for } q = 21 \dots 40$$

in the up-rate Stress Test

QHGA_q = 0, otherwise

4. For Multifamily rent growth, the CIA is converted to discrete monthly factors or Monthly Rent Growth Adjustments (MRGA_m), and is applied only in the last

60 months of the Stress Test in the up-rate scenario, as follows:

$$MRGA_m = \left[(CIA)^{\frac{1}{60}} - 1 \right] \text{ for } m = 61 \dots 120$$

in the up-rate Stress Test

MRGA_m = 0, otherwise

5. Calculate the inflation-adjusted House Price Growth Rates (HPGR_q), used in updating single family house prices during the Stress Test:

$$HPGR_q = HHPGR_q^{HSP} + QHGA_q$$

6. Calculate inflation-adjusted Rent Growth Rates (RGR_m), used in updating Multifamily debt-service coverage ratios during the Stress Test:

$$RGR_m = RG_m^{HSP} + MRGA_m$$

3.4.4 Property Valuation Outputs

[a] The outputs of the Property Valuation component of the Stress Test are set forth in Table 3–29.

TABLE 3–29—PROPERTY VALUATION OUTPUTS

Variable	Description
HPGR _q	House price growth rates for quarters 1...40 of the Stress Test, adjusted for inflation, if applicable.
RGR _m	Multifamily Rent Growth Rates for months m = 1...120 of the Stress Test, adjusted for inflation, if applicable.
RVR _m	Multifamily Rental Vacancy Rates for months m = 1...120 of the Stress Test.

[b] Inflation-adjusted House Price Growth Rates (HPGR_q) are inputs to the Single Family Default and Prepayment component of the Stress Test (see section 3.6.3.4, of this Appendix). Inflation-adjusted Rent Growth Rates (RGR_m) and Rental Vacancy Rates (RVR_m) are inputs to the Multifamily Default and Prepayment component (see section 3.6.3.5, of this Appendix).

3.5 Counterparty Defaults

3.5.1 Counterparty Defaults Overview

The Counterparty Defaults component of the Stress Test accounts for the risk of default by credit enhancement and derivative contract counterparties, corporate securities, municipal securities, and mortgage-related securities. The Stress Test recognizes five rating categories (“AAA”, “AA”, “A”, “BBB”, and “Below BBB and Unrated”) and

establishes appropriate credit loss factors that are applied during the Stress Period. Securities rated below BBB are treated as unrated securities, unless OFHEO determines to specify a different treatment upon a showing by an Enterprise that a different treatment is warranted.

3.5.2 Counterparty Defaults Input

For counterparties and securities, information on counterparty type and the lowest public rating of the counterparty is required. The Stress Test uses credit ratings issued by Nationally Recognized Statistical Rating Organizations (“NRSROs”) to assign rating categories to counterparties and securities. If a counterparty or security has different ratings from different rating agencies, i.e., a “split rating,” or has a long-term rating and

Federal Housing Enterprise Oversight

Pt. 1750, Subpt. B, App. A

a short-term rating, then the lower rating is used.

3.5.3 Counterparty Defaults Procedures

[a] Apply the following three steps to determine maximum haircuts:

1. *Identifying Counterparties.* The Stress Test divides all sources of credit risk other than mortgage default into two categories—(1) derivative contract counterparties and (2) non-derivative contract counterparties and instruments. Non-derivative contract counterparties and instruments include mortgage insurance (MI) counterparties, seller-

servicers, mortgage-related securities such as mortgage revenue bonds (MRBs) and private label REMICS, and nonmortgage investments such as corporate and municipal bonds and asset-backed securities (ABSs).

2. *Classify Rating Categories.*

- a. Stress Test rating categories are defined as set forth in Table 3-30. Organizations frequently apply modifiers (numerical, plus, minus) to the generic rating classifications. In order to determine the correct mapping, ignore these modifiers except as noted in Table 3-30.

TABLE 3-30—RATING AGENCIES MAPPINGS TO OFHEO RATINGS CATEGORIES

OFHEO Ratings Category	AAA	AA	A	BBB	Below BBB and Unrated
Standard & Poor's Long-Term	AAA	AA	A	BBB	Below BBB and Unrated
Fitch Long-Term	AAA	AA	A	BBB	Below BBB and Unrated
Moody's Long-Term	Aaa	Aa	A	Baa	Below Baa and Unrated
Standard & Poor's Short-Term	A-1+ SP-1+	A-1 SP-1	A-2 SP-2	A-3	SP-3, B or Below and Unrated
Fitch Short-Term	F-1+	F-1	F-2	F-3	B and Below and Unrated
Moody's ¹	Prime-1 MIG1 VMIG1	Prime-1 MIG1 VMIG1	Prime-2 MIG2 VMIG2	Prime-3 MIG3 VMIG3	Not Prime, SG and Unrated
Fitch Bank Individual Ratings	A	B A/B	C B/C	D C/D	E D/E
Moody's Bank Financial Strength Rating	A	B	C	D	E

¹ Any rating that appears in more than one OFHEO category column is assigned the lower OFHEO rating category.

- b. The Stress Test also includes a ratings classification called cash. This includes cash equivalents as defined in FAS 95, Government securities, and securities of the reporting Enterprise.
- c. Unrated, unsubordinated obligations issued by Government Sponsored Enterprises other than the reporting Enterprise are treated as AAA. Unrated seller-servicers are treated as BBB.
- d. The Stress Test will permit a higher rating to be used for an unrated seller-servicer who participates in a multi-family delegated underwriting and servicing program that requires a loss-sharing agreement when: (1) The loss sharing agreement is collateralized by a fully funded reserve account pledged to the Enterprise; and (2) the reserve account is in an amount that is equal to or exceeds the amount that OFHEO has determined

to be adequate to support the seller-servicer's loss-sharing obligation under the program. Determinations of the reserve requirement and of the rating that will be permitted will be made on a program-by-program and Enterprise-by-Enterprise basis by the Director.

3. *Determine Maximum Haircuts.* The Stress Test specifies the Maximum Haircut (i.e., the maximum reduction applied to cash flows during the Stress Test to reflect the risk of loss due to counterparty (including security) default) by rating category and counterparty type as shown in Table 3-31.
 - a. The Maximum Haircut for a rating category is the product of its default rate and its loss severity rate. For all counterparties, the default rates are 5 percent for AAA, 12.5 percent for AA, 20 percent for A, 40 percent for BBB and 100

percent for Below BBB and Unrated. For non-derivative counterparties, the loss severity rate is 70 percent; for derivative counterparties, it is 10 percent. For all Below BBB and Unrated counterparties, the loss severity rate is 100 percent.

- b. For periods prior to the implementation of netting, a separate set of Maximum Haircuts (set forth in Table 3-31) will be applied to derivative contract cash flows to approximate the impact of the net exposures to derivative contract counterparties (see section 3.8.3, Non-

mortgage Instrument Procedures). After the implementation of netting, exposures will be netted as described in section 3.8.3 before the haircut is applied.

- c. With the exception of haircuts for the Below BBB and Unrated category, haircuts for all counterparty categories are phased-in linearly over the 120 months of the Stress Period. The Maximum Haircut is applied in month 120 of the Stress Period. Haircuts for the Below BBB and Unrated category are applied fully starting in the first month of the Stress Test.

TABLE 3-31—STRESS TEST MAXIMUM HAIRCUT BY RATINGS CLASSIFICATION

Ratings Classification	Derivative Contract Counterparties prior to Implementation of Netting	Derivative Contract Counterparties after Implementation of Netting	Non-Derivative Contract Counterparties or Instruments	Number of Phase-in Months
Cash	0%	0%	0%	N/A
AAA	0.3%	0.5%	3.5%	120
AA	0.75%	1.25%	8.75%	120
A	1.2%	2%	14%	120
BBB	2.4%	4%	28%	120
Below BBB and Unrated	100%	100%	100%	1

3.5.4 Counterparty Defaults Outputs

The Maximum Haircut for a given Counterparty Type and Rating Classification is used in section 3.6, Whole Loan Cash Flows, section 3.7, Mortgage-Related Securities Cash Flows, and section 3.8, Nonmortgage Instrument Cash Flows, of this Appendix.

3.6 Whole Loan Cash Flows

3.6.1 Whole Loan Cash Flows Overview

[a] *Loan Aggregation*. In the Stress Test calculations (except as described in section 3.6.3.6.4, Mortgage Credit Enhancement, of this Appendix), individual loans having similar characteristics are aggregated into Loan Groups as described in section 3.1.2.1, Whole Loan Inputs, of this Appendix (RBC Report). All individual loans within a Loan Group are considered to be identical for computational purposes. In the discussions in this section, quantities described as “loan level” will actually be computed at the Loan Group level.

[b] *Loan Participations*. In some cases, an Enterprise may hold only a *pari passu* fractional ownership interest in a loan. This interest is referred to as a participation, and is specified by the ownership percentage held by the Enterprise (the participation percentage). In such cases, the Unpaid Principal Bal-

ance (UPB) and Mortgage Payment reported in the RBC Report will be only the Enterprise’s participation percentage of the loan’s actual UPB and Mortgage Payment. The actual UPB is not explicitly used in the calculations described in this section 3.6 but it is used in the creation of the RBC Report.

[c] *Retained Loans vs. Sold Loans*. The Stress Test models cash flows from single family and multifamily mortgage loans that are held in portfolio (Retained Loans) and loans that are pooled into Mortgage-Backed Securities (MBSs) that are sold to investors and guaranteed by the Enterprises (Sold Loans). Together, Retained Loans and Sold Loans are referred to as “Whole Loans.” The treatment of cash flows for loans not guaranteed by the Enterprises, e.g., loans backing GNMA Certificates and private label MBSs and REMICs, is discussed in section 3.7, Mortgage-Related Securities Cash Flows, of this Appendix.

[d] *Repurchased MBSs*. From time to time an Enterprise may repurchase all or part of one of its own previously issued single-class MBSs for its own securities portfolio. At an Enterprise’s option, these “Repurchased MBSs” may be reported with the underlying Whole Loans for computation in this section

3.6 rather than in section 3.7, Mortgage-Related Securities Cash Flows, of this Appendix. In such cases, the Enterprise will report the underlying Whole Loans as sold loans, along with the appropriate Fraction Repurchased and any security unamortized balances associated with the purchase of the MBS (not with the original sale of the underlying loans, which unamortized balances are reported separately).

[e] *Sources of Enterprise Whole Loan Cash Flows.* For Retained Loans, the Enterprises receive all principal and interest payments on the loans, except for a portion of the interest payment retained by the servicer as compensation (the Servicing Fee). For Sold Loans, the Enterprises receive Guarantee Fees and Float Income. Float Income is the earnings on the investment of loan principal and interest payments (net of the Servicing Fee and Guarantee Fee) from the time these payments are received from the servicer until they are remitted to security holders. The length of this period depends on the security payment cycle (the remittance cycle). For both retained and sold loans, the Enterprises retain 100 percent of their credit losses and experience amortization of discounts as income and amortization of premiums as expense. For Repurchased MBSs, the Enterprise receives the Fraction Repurchased of the cash flows it remits to investors, and retains 100 percent of the Credit Losses and the Guarantee Fee. See section 3.6.3.7, Stress Test Whole Loan Cash Flows and section 3.6.3.8, Whole Loan Accounting Flows, of this Appendix.

[f] *Required Inputs.* The calculation of Whole Loan cash flows requires mortgage Amortization Schedules, mortgage Prepayment, Default and Loss Severity rates, and Credit Enhancement information. The four mortgage performance components of the Stress Test are single family Default and Prepayment, single family Loss Severity, multifamily Default and Prepayment, and multifamily Loss Severity. Mortgage Amortization Schedules are computed from input data in the RBC Report. (For ARMs, selected interest rate indexes from section 3.3, Interest Rates, of this Appendix, are also used.) Prepayment and Default Rates are computed by combining explanatory variables and weighting coefficients according to a set of logistic equations. The explanatory variables are computed from the mortgage Amortization Schedule and external economic variables such as Interest Rates (section 3.3, Interest Rates, of this Appendix), historical

house-price indexes (HPIs) or rental-price indexes (RPIs), and Stress Period HPI growth rate, RPI and Vacancy Rate (RVR) series from section 3.4, Property Valuation, of this Appendix. The weighting coefficients determine the relative importance of the different explanatory variables, and are estimated from a statistical analysis of data from the Benchmark Loss region and time period as described in section 1, Identification of the Benchmark Loss Experience, of this Appendix. Mortgage Amortization information is also combined with HPI, RPI and VR series to determine Gross Loss Severity rates, which are offset by Credit Enhancements. Finally, the Amortization Schedules, Default and Prepayment rates and Net Loss Severity rates are combined to produce Stress Test Whole Loan Cash Flows to the Enterprises for each Loan Group, as well as amortization of any discounts, premiums and fees.

[g] *Specification of Mortgage Prepayment.* Mortgages are assumed to prepay in full. The model makes no specific provision for partial Prepayments of principal (curtailments).

[h] *Specification of Mortgage Default and Loss.* Mortgage Defaults are modeled as follows: Defaulting loans enter foreclosure after a number of missed payments (MQ, Months in Delinquency), and are foreclosed upon several months later. Months in Foreclosure (MF) is the total number of missed payments through foreclosure. Upon completion of foreclosure, the loan as such ceases to exist and the property becomes Real Estate Owned by the lender (REO). Foreclosure expenses are paid and MI proceeds received when foreclosure is completed. After several more months (MR, Months in REO), the property is sold, REO expenses are paid, and sales proceeds and other credit enhancements are received. These timing differences are not modeled explicitly in the cash flows, but their economic effect is taken into account by calculating the present value of the Default-related cash flows back to the initial month of Default.

[i] *Combining Cash Flows from Scheduled Payments, Prepayments and Defaults.* Aggregate Whole Loan Cash Flows, adjusted for the effects of mortgage performance, are based on the following conceptual equation, which is made more explicit in the calculations in the sections specified in section 3.6.2 of this Appendix:

$$\left[\begin{array}{l} \text{Aggregate Cash Flows from} \\ \text{Whole Loans that Default} \\ \text{and Prepay at Rates that} \\ \text{vary in each month } m \end{array} \right] = \left[\begin{array}{l} \left(\begin{array}{l} \text{scheduled Mortgage} \\ \text{Payment} \end{array} \right) \times \\ \left(\begin{array}{l} \text{fraction of loans that remain} \\ \text{on original schedule} \end{array} \right) \\ \text{plus} \\ \left(\begin{array}{l} \text{entire loan UPB plus} \\ \text{final interest payment} \end{array} \right) \times \\ \left(\begin{array}{l} \text{fraction of loans that} \\ \text{Prepay in month } m \end{array} \right) \\ \text{plus} \\ \left(\begin{array}{l} \text{present value of Default-related} \\ \text{receipts minus expenses} \end{array} \right) \times \\ \left(\begin{array}{l} \text{fraction of loans that} \\ \text{Default in month } m \end{array} \right) \end{array} \right]$$

3.6.3 Whole Loan Cash Flows Procedures

3.6.3.1 Timing Conventions

[a] *Calculations are monthly.* The Stress Test operates monthly, with all events of a given type assumed to take place on the same day of the month. For mortgages, unless otherwise specified, all payments and

other mortgage-related cash flows that are due on the first day of the month are received on the fifteenth. Biweekly loans are mapped into their closest term-equivalent monthly counterpart.

[b] *“Time Zero” for Calculations.* Time Zero refers to the beginning of the Stress Test. For example, if the 2Q2000 Stress Test uses Enterprise Data as of June 30, “month zero” represents conditions as of June 30, the Stress Period begins July 1, and July 2000 is month one of the Stress Test. In this document, UPB₀ is the Unpaid Principal Balance of a loan immediately prior to (as of) the start of the Stress Test, i.e. as reported by the Enterprise in the RBC Report. Origination refers to the beginning of the life of the loan, which will be prior to the start of the Stress Test for all loans except those delivered later under Commitments, for which Origination refers to the delivery month (See section 3.2, Commitments, of this Appendix).

[c] *Definition of Mortgage Age.* The Mortgage Age at a given time is the number of scheduled mortgage payment dates that have occurred prior to that time, whether or not the borrower has actually made the payments. Prior to the first payment date, the Mortgage Age would be zero. From the first payment date until (but not including) the second loan payment date, the Mortgage Age would be one. The Mortgage Age at Time Zero (A₀) is thus the number of scheduled loan payment dates that have occurred prior to the start of the Stress Test. The scheduled payment date for all loans is assumed to be the first day of each month; therefore, the Mortgage Age will be A₁ on the first day of the Stress Test (except for Commitments that are delivered after the start of the Stress Test).

[d] *Interest Rate Setting Procedure.* Mortgage interest is due in arrears, i.e., on the first day following the month in which it is accrued. Thus, a payment due on the first day of month m is for interest accrued during the prior month. For example, for Adjustable Rate Mortgages (ARMs) the Mortgage Interest Rate (MIR_m) applicable to the July reset is set on the first day of June, and is generally based on the May or April value of the underlying Index, as specified in the loan terms. This Lookback Period (LB) is specified in the Stress Test as a period of one or two months, respectively. Thus, PMT_m will be based on MIR_m, which is based on INDEX_{m-1-LB}.

[e] *Prepayment Interest Shortfall.* In some remittance cycles, the period between an Enterprise’s receipt of Prepayments and transmittal to investors exceeds a full month. In those cases, the Enterprise must remit an additional month’s interest (at the Pass-Through Rate) to MBS investors. See section 3.6.3.7.3, Stress Test Whole Loan Cash Flow Procedures, of this Appendix.

[f] *Certain Calculations Extend Beyond the End of the Stress Test.* Even though the Stress Test calculates capital only through the ten year Stress Period, certain calculations (for example, the level yield amortization of discounts, premiums and fees, as described in section 3.10, Operations, Taxes, and Accounting, of this Appendix) require cash flows throughout the life of the instrument. For such calculations in the Stress Test, the conditions of month 120 are held constant throughout the remaining life of the instrument: specifically, Interest Rates (which are already held constant for months 13 through 120), Prepayment and Default rates for months $m > 120$ are taken to be equal to their respective values in month 120.

3.6.3.2 Payment Allocation Conventions

3.6.3.2.1 Allocation of Mortgage Interest

[a] *Components of Mortgage Interest.* The interest portion of the Mortgage Payment is allocated among several components. For all Whole Loans, a Servicing Fee is retained by the servicer. For Sold Loans, the Enterprise retains a Guarantee Fee. An additional amount of interest (Spread)¹ may be deposited into a Spread Account to reimburse potential future credit losses on loans covered by this form of Credit Enhancement, as described further in section 3.6.3.6.4, Mortgage Credit Enhancement, of this Appendix. The remaining interest amount is either retained by the Enterprise (Net Yield on Retained Loans) or passed through to MBS investors (Pass-Through Interest on Sold Loans).

[b] *Effect of Negative Amortization.* If the Mortgage Payment is contractually limited to an amount less than the full amount accrued (as may be the case with loans that permit Negative Amortization), then the Servicing Fee, the Guarantee Fee and the spread are paid in full, and the shortfall is borne entirely by the recipient of the Net Yield or Pass-Through Interest.

[c] *Effect of Variable Rates.* For ARMs, the Servicing Fee, Guarantee Fee and Spread rates are taken to be constant over time, as they are for Fixed Rate Loans. Thus in the Stress Test the Mortgage Interest Rate and the Net Yield or Pass-through Rate will change simultaneously by equal amounts. All other details of the rate and payment reset mechanisms are modeled in accordance with the contractual terms using the inputs specified in section 3.6.3.3.2, Mortgage Amortization Schedule Inputs, of this Appendix.

3.6.3.2.2 Allocation of Mortgage Principal

[a] Scheduled Principal is that amount of the mortgage payment that amortizes principal. For calculational purposes, when a

¹The spread may or may not be embedded in the recorded Servicing Fee.

loan prepays in full the amount specified in the Amortization Schedule is counted as Scheduled Principal, and the rest is Prepayment Principal. For a Balloon Loan, the final Balloon Payment includes the remaining UPB, all of which is counted as Scheduled Principal.

[b] Mortgages that prepay are assumed to prepay in full. Partial Prepayments (curtailments) are not modeled.

[c] Any loan that does not prepay or Default remains on its original Amortization Schedule.

3.6.3.3 Mortgage Amortization Schedule

3.6.3.3.1 Mortgage Amortization Schedule Overview

[a] The Stress Test requires an Amortization Schedule for each Loan Group. A mortgage is paid down, or amortized over time, to the extent that the contractual mortgage payment exceeds the amount required to cover interest due.

[b] *Definitions.*

1. *Fully Amortizing Loans.* The Amortization Schedule for a mortgage with age A_0 at the beginning of the Stress Test is generated using the starting UPB (UPB_0), the Remaining Term to Maturity (RM), the remaining Amortization Term ($AT - A_0$), the remaining Mortgage Payments (PMT_m for $m = 1 \dots RM$) and Mortgage Interest Rates (MIR_m for $m = 1 \dots RM$). The Amortization Schedule is generated by repeating the following three steps iteratively until the UPB is zero:

a. Interest Due =

$UPB \times \text{Mortgage Interest Rate}$

b. Principal Amortization = Payment - Interest Due

c. Next period's UPB =

$UPB - \text{Principal Amortization}$

2. *Balloon Loans.* A Balloon Loan matures prior to its Amortizing Term, i.e. before the UPB is fully amortized to zero. Computationally, $AT - A_0 > RM$, usually by at least 180 months. In order that $UPB_{RM} = 0$, the principal component of the resulting lump sum final payment (the Balloon Payment, equal to UPB_{RM-1}) is counted as Scheduled Principal, not as a Prepayment.

[c] *Special Cases.* In general the UPB of a mortgage decreases monotonically over time, i.e. $UPB_m > UPB_{m+1}$, reaching zero at maturity except for Balloon Loans as described in [b]2. in this section. However, in practice certain exceptions must be handled.

1. *Interest-Only Loans.* Certain loans are interest-only for all or part of their term. The monthly payment covers only the interest due, and the UPB stays constant until maturity (in some cases), in which case a Balloon Payment is due or a changeover date (in other cases) at which

time the payment is recast so that the loan begins to amortize over its remaining term. If the loan does not amortize fully over its remaining term, a Balloon Payment will be due at maturity.

2. *Negative Amortization.* For some loans, the UPB may increase for a period of time if the mortgage payment is contractually limited to an amount that is less than the amount of interest due, and the remainder is added to the UPB. At some point, however, the payment must exceed the interest due or else the loan balance will never be reduced to zero. In the calculation, this is permitted to occur only for payment-capped ARMs that contractually specify negative amortization. Certain types of FRMs, notably Graduated Payment Mortgages (GPMs) and Tiered Payment Mortgages (TPMs), also have variable payment schedules that result in negative amortization, but in the Stress Test all such loans are assumed to have passed their negative amortization periods.

3. *Early Amortization.*

- a. If a borrower has made additional principal payments (curtailments or partial prepayments) on a FRM prior to the start of the Stress Test, the contractual mortgage payment will amortize the loan prior to its final maturity, i.e. $UPB_m = 0$ for some $m < RM$. *This is an acceptable outcome in the Stress Test. Note:* for ARMs, the mortgage payment is recalculated, and thus the amortization schedule is recast to end exactly at $m = RM$, on each rate or payment reset date.
- b. When this calculation is performed for a fully amortizing FRM using weighted average values to represent a Loan Group, the final scheduled payment may exceed the amount required to reduce the UPB to zero, or the UPB may reach zero prior to month RM . This is because the mortgage payment calculation is nonlinear, and as a result the average mortgage payment is not mathematically guaran-

teed to amortize the average UPB using the average MIR. This is an acceptable outcome in the Stress Test.

4. *Late Amortization.* According to its contractual terms, the UPB of a mortgage loan must reach zero at its scheduled maturity. The borrower receives a disclosure schedule that explicitly sets forth such an Amortization Schedule. If the characteristics of a mortgage loan representing a Loan Group in the RBC Report do not result in $UPB_{RM} = 0$, it must be for one of three reasons: a data error, an averaging artifact, or an extension of the Amortization Schedule related to a delinquency prior to the start of the Stress Test. In any such case, the Stress Test does not recognize cash flows beyond the scheduled maturity date and models the performing portion of UPB_{RM} in month RM as a credit loss.

[d] *Biweekly Loans.* Biweekly loans are mapped into the FRM category that most closely approximates their final maturity.

[e] *Step-Rate (or “Two-Step”) Loans.* Certain loans have an initial interest rate for an extended period of time (typically several years) and then “step” to a final fixed rate for the remaining life of the loan. This final fixed rate may be either a predetermined number or a margin over an index. Such loans can be exactly represented as ARMs with the appropriate Initial Mortgage Interest Rate and Initial Rate Period, Index and Margin (if applicable). If the final rate is a predetermined rate (e.g., 8 percent per annum) then the ARM’s Maximum and Minimum Rate should be set to that number. The Rate and Payment Reset Periods should be set equal to the final rate period after the step.

3.6.3.3.3 Mortgage Amortization Schedule Procedures

[a] For each Loan Group, calculate a mortgage Amortization Schedule using the inputs in Table 3-32 and the following ten steps. *Note:* Do not round dollar amounts to the nearest penny.)

For months $m = 1 \dots RM$, calculate quantities for month m based on values from month $m-1$ as follows:

1. Calculate current month's Mortgage Interest Rate (MIR_m).

a. For FRMs: $MIR_m = MIR_0$ for all $m = 1$ to RM

b. For ARMs, use the following procedure:

1) If $RRP = PRP$ then month m is a rate reset month if:

$$[A_0 + m - (IRP + 1)] \text{ mod } RRP = 0$$

$$\text{and } A_0 + m - 1 \geq IRP$$

2) If $RRP \neq PRP$ then month m is a rate reset month if either:

a) $A_0 + m - (IRP + 1) = 0$, or

b) $[A_0 + m - 1] \text{ mod } RRP = 0$ and $A_0 + m - 1 \geq IRP$

3) If m is a rate reset month, then:

$$MIR_m = INDEX_{m-1-LB} + MARGIN,$$

but not greater than $MIR_{m-1} + \text{Rate Reset Limit}$

nor less than $MIR_{m-1} - \text{Rate Reset Limit}$ and *in no case greater than* Maximum Rate

and in no case less than Minimum Rate

4) If month m is not a rate reset month, then $MIR_m = MIR_{m-1}$.

c. In all cases, $MIR_m = MIR_{120}$ for $m > 120$, and $MIR_m = 0$ for $m > RM$.

2. Calculate current month's Payment (PMT_m).

a. For FRMs:

1) For Interest-Only Loans, if $m = RIOP + 1$ then month m is a reset month; recompute PMT_m as described for ARMs in step b.4)b), of this section without applying any payment limit.

2) $PMT_m = PMT_0$ for all $m = 1$ to RM

b. For ARMs, use the following procedure:

1) For Interest Only Loans, if $m = RIOP + 1$ then month m is a payment reset month.

2) If $PRP = RRP$, then month m is a payment reset month if m is also a rate reset month.

3) If $PRP \neq RRP$ then month m is a payment reset month if:

$$[A_0 + m - 1] \text{ mod } PRP = 0$$

4) If month m is a payment reset month, then:

a) For loans in an Interest-only Period,

$$PMT_m = UPB_{m-1} \times \frac{MIR_m}{12}$$

b) Otherwise, PMT_m = the amount that will fully amortize the Loan over its remaining Amortizing Term (i.e. $AT - A_0 - m + 1$ months) with a *fixed* Mortgage Interest Rate equal to MIR_m as determined in Step 1 of this section

but not greater than $PMT_{m-1} \times (1 + \text{Payment Reset Limit Up})$

nor less than $PMT_{m-1} \times (1 - \text{Payment Reset Limit Down})$

unless month m is the month following the end of an Unlimited Payment Reset Period, in which case PMT_m is not subject to any reset limitations.

5) If month m is not a payment reset month, then $PMT_m = PMT_{m-1}$

6) If, in any month,

$$UPB_{m-1} \times \left(1 + \frac{MIR_m}{12}\right) - PMT_m$$

$$> UPB_{ORIG} \times NAC,$$

then recalculate PMT_m without applying any Payment Reset Limit.

c. For Balloon Loans, or for loans that have $RIOP = RM$, if $m = RM$ then:

$$PMT_m = UPB_{m-1} \times \left(1 + \frac{MIR_m}{12}\right)$$

d. In all cases, PMT_m should amortize the loan within the Remaining Maturity:

$$PMT_m = 0 \text{ for } m > RM \text{ or after } UPB_m = 0$$

3. Determine Net Yield Rate (NYR_m) and, for sold loans, Pass-Through Rate (PTR_m) applicable to the m^{th} payment:

$$NYR_m = MIR_m - SFR$$

$$PTR_m = NYR_m - GFR$$

4. Calculate Scheduled Interest Accrued (during month m-1) on account of the mth payment (SIA_m)

$$SIA_m = UPB_{m-1} \times \frac{MIR_m}{12}$$

5. Calculate the Scheduled Interest component of the mth payment (SI_m)

$$SI_m = \min(SIA_m, PMT_m)$$

6. Calculate Scheduled Principal for the mth payment (SP_m):

$$SP_m = \min(PMT_m - SIA_m, UPB_{m-1})$$

Note: Scheduled Principal should not be greater than the remaining UPB. SPM can be negative if the Scheduled Payment is less than Scheduled Interest Accrued.

7. Calculate Loan Unpaid Principal Balance after taking into account the mth monthly payment (UPB_m):

$$UPB_m = \max(UPB_{m-1} - SP_m, 0)$$

8. In the month when UPB_m is reduced to zero, reset

$$PMT_m = UPB_{m-1} \times \left(1 + \frac{MIR_m}{12}\right)$$

9. Repeat all steps for m = 1...RM or until UPB_m = 0.

NOTE: If UPB_{RM} is greater than zero, the performing portion is included in Credit Losses (section 3.6.3.7.3, Stress Test Whole Loan Cash Flow Procedures, of this Appendix).

10. Determine Net Yield Rate (NYR₀) and, for sold loans, Pass-Through Rate (PTR₀) for month 0:

$$NYR_0 = MIR_0 - SFR$$

$$PTR_0 = NYR_0 - GFR$$

3.6.3.4 Single Family Default and Prepayment Rates

3.6.3.4.1 Single Family Default and Prepayment Overview

[a] The Stress Test projects conditional Default and Prepayment rates for each single family Loan Group for each month of the Stress Period. The conditional rate is the percentage (by principal balance) of the remaining loans in a Loan Group that defaults or prepays during a given period of time. Computing Default and Prepayment rates for

a Loan Group requires information on the Loan Group characteristics at the beginning of the Stress Test, historical and projected interest rates from section 3.3, Interest Rates, and house price growth rates and volatility measures from section 3.4, Property Valuation, of this Appendix.

[b] *Explanatory Variables.* Several explanatory variables are used in the equations to determine Default and Prepayment rates for single family loans: Mortgage Age, Original Loan-to-Value (LTV) ratio, Probability of Negative Equity, Burnout, the percentage of

Investor-owned Loans, Relative Interest Rate Spread, Payment Shock (for ARMs only), Initial Rate Effect (for ARMs only), Yield Curve Slope, Relative Loan Size, and Mortgage Product Type. Regression coefficients (weights) are associated with each variable. All of this information is used to compute conditional quarterly Default and Prepayment rates throughout the Stress Test. The quarterly rates are then converted to monthly conditional Default and Prepayment rates, which are used to calculate Stress Test Whole Loan cash flows and Default losses. See section 3.6.3.7, Stress Test Whole Loan Cash Flows, of this Appendix.

[c] The regression coefficients for each Loan Group will come from one of three models. The choice of model will be deter-

mined by the values of the single family product code and Government Flag in the RBC Report. See section 3.6.3.4.3.2, Prepayment and Default Rates and Performance Fractions, of this Appendix.

[d] *Special Provision for Accounting Calculations.* For accounting calculations that require cash flows over the entire remaining life of the instrument, Default and Prepayment rates for months beyond the end of the Stress Test are held constant at their values for month 120.

3.6.3.4.3 Single Family Default and Prepayment Procedures

3.6.3.4.3.1 Single Family Default and Prepayment Explanatory Variables

[a] Compute the explanatory variables for single family Default and Prepayment in the seven steps as follows:

1. Calculate A_q , the loan Age in quarters, for quarter q :

$$A_q = \text{int} \left(\frac{A_0}{3} \right) + q,$$

Where:

int means to round to the lower integer if the argument is not an integer.

2. Calculate $PNEQ_q$, the Probability of Negative Equity in quarter q :

$$PNEQ_q = N \left(\frac{\ln LTV_q}{\sigma_q} \right),$$

where:

N designates the cumulative normal distribution function.

- a. LTV_q is evaluated for a quarter q as:

$$LTV_{\text{ORIG}} \times \frac{\left(\begin{array}{c} \text{Ratio of current} \\ \text{Loan Group UPB} \\ \text{to Original UPB} \end{array} \right)}{\left(\begin{array}{c} \text{Ratio of current property} \\ \text{value (based on HPI in} \\ \text{quarter } q) \text{ to original} \\ \text{property value (based on} \\ \text{HPI at Origination)} \end{array} \right)}$$

The HPI at Origination is updated to the beginning of the Stress Test using actual historical experience as measured by the OFHEO HPI; and then updated within the Stress Test using House Price Growth Factors from the Benchmark region and time period:

$$LTV_q = LTV_{\text{ORIG}} \times \left(\frac{UPB_{m=3q-3}}{UPB_{\text{ORIG}}} \right) \left[\text{CHPGF}_0^{\text{LG}} \times \exp \left(\sum_{k=1}^q \text{HPGR}_k \right) \right]$$

Where:

$UPB_{m=3q-3}$ = UPB for the month at the end of the quarter prior to quarter q

$\text{CHPGF}_0^{\text{LG}}$ = 1.0 if the loan was originated in the same quarter as or after the most recently available HPI as of the reporting date

3. Calculate B_q , the Burnout factor in quarter q . A loan's Prepayment incentive is "burned out" (i.e., reduced) if, during at

Pt. 1750, Subpt. B, App. A

12 CFR Ch. XVII (1–1–03 Edition)

least two of the previous eight full quarters, the borrower had, but did not take advantage of, an opportunity to reduce his or her mortgage interest rate by at least two percentage points. For this purpose, the mortgage interest rate is compared with values of the Conventional Mortgage Rate (MCON) Index.

- a. Compare mortgage rates for each quarter of the Stress Test and for the eight quarters prior to the start of the stress test ($q = -7, -6, \dots, 0, 1, \dots, 40$):

$$b_q = 1 \text{ if } MCON_m + 0.02 \leq MIR_m$$

for all three months in quarter q
(i.e., $m = 3q - 2, 3q - 1, 3q$),

$$b_q = 0 \text{ otherwise}$$

Note: For this purpose, $MCON_m$ is required for the 24 months (eight quarters) prior to the start of the Stress Test. Also, $MIR_m = MIR_0$ for $m < 0$.

- b. Determine whether the loan is “burned out” in quarter q (Burnout Flag, B_q^f):

$$B_q^f = 1 \text{ if } b_{q'} = 1 \text{ for two or more quarters } q' \text{ between } q-8 \text{ and } q-1 \text{ inclusive, or since Origination if } 2 < A_q < 8 \text{ (Note: by definition, } B_q = 0 \text{ if } A_q < 3);$$

$$B_q^f = 0 \text{ otherwise}$$

Where:

q' = index variable for prior 8 quarters

- c. Adjust for recently originated loans as follows:

$$\begin{aligned} B_q &= 0.25 \times B_q^f \text{ if } A_q = 3 \text{ or } 4 \\ &= 0.50 \times B_q^f \text{ if } A_q = 5 \text{ or } 6 \\ &= 0.75 \times B_q^f \text{ if } A_q = 7 \text{ or } 8 \\ &= B_q^f \text{ otherwise} \end{aligned}$$

4. Calculate RS_q , the Relative Spread in quarter q , as the average value of the monthly Relative Spread of the Original mortgage interest rate to the Conventional (30-Year Fixed Rate) Mortgage Rate series for the three months in the quarter.

NOTE: Use the Current MIR for Fixed Rate Loans and the Original MIR for Adjustable Rate Loans.

$$RS_q = avg \left(\frac{MIR - MCON_m}{MIR} \right)$$

over all three months m in quarter q

If $MIR = 0$, then $RS_q = -0.20$ for all q .

5. Calculate YCS_q , the Yield Curve Slope in quarter q , as the average of the monthly ratio of the 10-Year CMT to the One-Year CMT for the three months in the quarter:

$$YCS_q = avg \left(\frac{T120Y_m}{T12Y_m} \right)$$

for all three months in quarter q

6. Evaluate the Payment Shock Indicator (PS_q) for ARMs only:

$$PS_q = RS_q \text{ if } PROD = ARM$$

7. Evaluate the Initial Rate Effect Flag ($IREF_q$) for ARMS only:

$$IREF_q = 1 \text{ if } A_q \leq 12 \text{ and } PROD = ARM$$

$$= 0 \text{ otherwise}$$

3.6.3.4.3.2 Prepayment and Default Rates and Performance Fractions

[a] Calculate Prepayment and Default Rates and Performance Fractions using the following five steps:

1. Compute the logits for Default and Prepayment using the formulas for simultaneous processes using inputs from Table 3-34 and explanatory variable coefficients in Table 3-35.

NOTE: $\beta_{B_{Calc}, LTV}$ is the LTV-specific constant used to calibrate the Default rates to the BLE.

3. Compute Quarterly Prepayment and Default Rates (QPR, QDR) from the logistic expressions as follows:

$$QDR_q = \frac{\exp\{X\beta_q\}}{1 + \exp\{X\beta_q\} + \exp\{X\gamma_q\}}$$

$$QPR_q = \frac{\exp\{X\gamma_q\}}{1 + \exp\{X\beta_q\} + \exp\{X\gamma_q\}}$$

4. Convert quarterly rates to monthly rates using the following formulas for simultaneous processes. The quarterly rate for q = 1 gives the monthly rate for months m = 1,2,3, and so on through q = 40:

$$MDR_m = \frac{QDR_q}{QDR_q + QPR_q} \times \left[1 - \left(1 - QDR_q - QPR_q \right)^{\frac{1}{3}} \right]$$

$$MPR_m = \frac{QPR_q}{QDR_q + QPR_q} \times \left[1 - \left(1 - QDR_q - QPR_q \right)^{\frac{1}{3}} \right]$$

5. Calculate Defaulting Fraction (DEF), Pre-paying Fraction (PRE), and Performing Fraction (PERF) of the Initial Loan Group. Initially (at the beginning of the Stress Test), all loans are assumed to be performing, i.e. PERF₀ = 1.0. For each month m = 1...RM, calculate the following quantities. *Note:* For m > 120, use and MPR₁₂₀ and MDR₁₂₀:

$$PRE_m = PERF_{m-1} \times MPR_m$$

$$DEF_m = PERF_{m-1} \times MDR_m$$

$$PERF_m = PERF_{m-1} - PRE_m - DEF_m$$

3.6.3.4.4 Single Family Default and Prepayment Outputs

Single family Default and Prepayment outputs are set forth in Table 3-37. Prepayment, Default and Performing Fractions for single family loans for months m = 1...RM are used in section 3.6.3.6, Calculation of Single Family and Multifamily Mortgage Losses; and section 3.6.3.7, Stress Test Whole Loan Cash Flows, of this Appendix. Quarterly LTV ratios are used in section 3.6.3.6.2.3, Single Family Gross Loss Severity Procedures, of this Appendix.

$PERF_m^{SF}$	Performing Fraction of Initial original Loan Group in month $m = 1...RM$ (single family loans)

3.6.3.5 Multifamily Default and Prepayment Rates

3.6.3.5.1 Multifamily Default and Prepayment Rates Overview

[a] The Stress Test projects conditional Default and Prepayment rates for each multifamily Loan Group for each month of the Stress Period. Computing Default rates for a Loan Group requires information on the Loan Group characteristics at the beginning of the Stress Test and the economic conditions of the Stress Period—interest rates (section 3.3 of this Appendix), vacancy rates and rent growth rates (section 3.4 of this Appendix). These input data are used to create values for the explanatory variables in the Multifamily Default component.

[b] *Explanatory Variables for Default Rates.* Eight explanatory variables are used as specified in the equations in section 3.6.3.5.3.1, of this Appendix, to determine Default rates for multifamily loans: Mortgage Age, Mortgage Age Squared, New Book indicator, Not Ratio-updated ARM indicator, current Debt-Service Coverage Ratio, Underwater Current Debt-Service Coverage indicator, Loan-To-Value Ratio at origination/acquisition, and a Balloon Maturity indicator. Regression coefficients (weights) are associated with each

variable. All of this information is used to compute conditional annual Default rates throughout the Stress Test. The annualized Default rates are converted to monthly conditional Default rates and are used together with monthly conditional Prepayment rates to calculate Stress Test Whole Loan Cash Flows. (See section 3.6.3.7, Stress Test Whole Loan Cash Flows, of this appendix).

[c] *Specification of Multifamily Prepayment Rates.* Multifamily Prepayment rates are not generated by a statistical model but follow a set of Prepayment rules that capture the effect of yield maintenance, Prepayment penalties and other mechanisms that effectively curtail or eliminate multifamily Prepayments for a specified period of time.

[d] *Special Provision for Accounting Calculations.* For accounting calculations, which require cash flows over the entire remaining life of the instrument, Default and Prepayment rates for months beyond the end of the Stress Test are held constant at their values for month 120.

3.6.3.5.2 Multifamily Default and Prepayment Inputs

The information in Table 3-38 is required for each multifamily Loan Group:

3.6.3.5.3 Multifamily Default and Prepayment Procedures

3.6.3.5.3.1 Explanatory Variables

[a] Compute the explanatory variables for multifamily Default and Prepayment in five steps as follows:

1. Calculate Loan Age in Years for months $m = 0 \dots 120$ of the Stress Test (AY_m):

$$AY_m = \frac{A_0 + m}{12}$$

Where:

$A_0 + m$ is Loan Age in months at the beginning of month m of the Stress Test.

NOTE: AY_m is calculated for each month m , whereas the corresponding Age variable for single family Loans A_i is calculated only quarterly.

2. Assign product and ratio update flags (NBF, NRAF). Note: these values do not change over time for a given Loan Group.

a. New Book Flag (NBF):

NBF = 1 for Fannie Mae loans acquired after 1987 and Freddie Mac loans acquired after 1992, *except* for loans that were refinanced to avoid a Default on a loan originated or acquired earlier.

NBF = 0 otherwise.

b. Not Ratio-updated Arm Flag (NRAF):

NRAF = 1 if both ARMF = 1 and RUF = 0, NRAF = 0 otherwise.

Where:

ARMF = 1 for ARMs (including Balloon ARMs)

ARMF = 0 otherwise, and

RUF = 1 if the LTV and DCR were calculated or delegated to have been calculated at origination or recalculated or delegated to have been recalculated at Enterprise acquisition according to current Enterprise standards.

RUF = 0 otherwise

3. Calculate Debt Service Coverage Ratio in month m (DCR_m):

The standard definition of Debt Service Coverage Ratio is current net operating income divided by current mortgage payment. However, for the Stress Test, update DCR_m each month from the prior month's value using Rent Growth Rates (RGR_m) and Rental Vacancy Rates (RVR_m) starting with DCR_m from Table 3-38, as follows:

$$DCR_m = DCR_{m-1} \times \left[\frac{(1 + RGR_m) \left(\frac{1 - OE - RVR_m}{1 - OE - RVR_{m-1}} \right)}{\frac{PMT_m}{PMT_{m-1}}} \right]$$

4. Assign Underwater Debt-Service Coverage Flag ($UWDCRF_m$):

$UWDCRF_m = 1$ if $DCR_m < 0.98$ in month m

$UWDCRF_m = 0$ otherwise.

5. Assign Balloon Maturity Flag (BMF_m) for any Balloon Loan that is within twelve months of its maturity date:

$$BMF_m = 1 \text{ if } RM - m < 12$$

$$BMF_m = 0 \text{ otherwise.}$$

3.6.3.5.3.2 Default and Prepayment Rates and Performance Fractions

[a] Compute Default and Prepayment Rates and Performance Fractions for multifamily loans in the following four steps:

1. Compute the logits for multifamily Default using inputs from Table 3-38 and coefficients from Table 3-39. For indexing purposes, the Default rate for a period m is the likelihood of missing the m_m payment; calculate its corresponding logit ($X\delta_m$) based on Loan Group characteristics as of the period *prior* to m , i.e. *prior* to making the m^{th} payment.

$$\begin{aligned} X\delta_m = & \delta_{AY}AY_{m-1} + \delta_{AY^2}AY_{m-1}^2 \\ & + \delta_{NBF}NBF + \delta_{NRAF}NRAF \\ & + \delta_{DCR} \ln(DCR_{m-1}) \\ & + \delta_{UWDCRF}UWDCRF_{m-1} \\ & + \delta_{LTV} \ln(LTV_{\text{ORIG}}) \\ & + \delta_{BMF}BMF_{m-1} + \delta_0 \end{aligned}$$

DCR	-2.368
UWDCRF	1.220
LTV	0.8165
BMF	1.518

2. Compute Annual Prepayment Rate (APR) and Annual Default Rate (ADR) as follows:

$$ADR_m = \frac{\exp\{X\delta_m\} \times (1 - APR_m)}{1 + \exp\{X\delta_m\}}$$

APR_m is a constant, determined as follows:

- a. For the up-rate scenario, APR_m = 0 for all months m
 - b. For the down-rate scenario, APR_m = 0 percent during the Prepayment penalty period (i.e., when m ≤ PPEM) APR_m = 25 percent after the Prepayment penalty period (i.e., when m > PPEM)
3. Convert annual Prepayment and Default rates to monthly rates (MPR and MDR) using the following formulas for simultaneous processes:

$$MPR_m = \frac{APR_m}{ADR_m + APR_m} \times \left[1 - (1 - ADR_m - APR_m)^{\frac{1}{12}} \right]$$

If both ARMF = 0 and RUF = 0, then

$$MDR_m = \left[\frac{ADR_m}{ADR_m + APR_m} \times \left[1 - (1 - ADR_m - APR_m)^{\frac{1}{12}} \right] \right] \times 1.2$$

otherwise,

$$MDR_m = \frac{ADR_m}{ADR_m + APR_m} \times \left[1 - (1 - ADR_m - APR_m)^{\frac{1}{12}} \right]$$

4. Calculate Defaulting Fraction (DEF_m), Prepaying Fraction (PRE_m), and Performing Fraction (PERF_m) of the Initial Loan Group for each month m = 1...RM. Initially (immediately prior to the beginning of the Stress Test), all loans are assumed to be performing, i.e. PERF₀ = 1.0. Note: For m > 120, use MPR₁₂₀ and MDR₁₂₀.

$$PRE_m = PERF_{m-1} \times MPR_m$$

$$DEF_m = PERF_{m-1} \times MDR_m$$

$$PERF_m = PERF_{m-1} - PRE_m - DEF_m$$

3.6.3.5.4 Multifamily Default and Prepayment Outputs

[a] Multifamily Default and Prepayment Outputs are set forth in Table 3–40.

TABLE 3–40—MULTIFAMILY DEFAULT AND PREPAYMENT OUTPUTS

DEF _m ^{MF}	Defaulting Fraction of initial Loan Group in month m=1...RM (multifamily Loans)

[b] Multifamily monthly Prepayment Fractions (PERF_m^{MF}) and monthly Default Fractions (DEF_m^{MF}) for months m=1...RM are used in section 3.6.3.6, Calculation of Single Family and Multifamily Mortgage Losses; section 3.6.3.7, Stress Test Whole Loan Cash Flows, and section 3.6.3.8, Whole Loan Accounting Flows, of this Appendix.

3.6.3.6 Calculation of Single Family and Multifamily Mortgage Losses

3.6.3.6.1 Calculation of Single Family and Multifamily Mortgage Losses Overview

[a] *Definition.* Loss Severity is the net cost to an Enterprise of a loan Default. Though losses may be associated with delinquency, loan restructuring and/or modification and other loss mitigation efforts, foreclosures are the only loss events modeled during the Stress Test.

[b] *Calculation.* The Loss Severity rate is expressed as a fraction of the Unpaid Principal Balance (UPB) at the time of Default. The Stress Test calculates Loss Severity rates for each Loan Group for each month of the Stress Period. Funding costs (and offsetting revenues) of defaulted loans are captured by discounting the Loss Severity elements using a cost-of-funds interest rate that varies during the Stress Period. Table 3–41 specifies the Stress Test Loss Severity timeline. Loss Severity rates also depend upon the application of Credit Enhancements and the credit ratings of enhancement providers.

TABLE 3-41—LOSS SEVERITY EVENT TIMING

Month	Event
1	First missed payment
4 (= MQ)	Loan is repurchased from securitized pool and UPB is passed through to MBS investors (Sold Loans only)
13 (= MF ^{SF})	Single family foreclosure
18 (= MF ^{MF})	Multifamily foreclosure
20 (= MF ^{SF} + MR ^{SF})	Single family property disposition
31 (= MF ^{MF} +MR ^{MF})	Multifamily property disposition

[c] *Timing of the Default Process.* Mortgage Defaults are modeled as follows: defaulting loans enter foreclosure after a number of months (MQ, Months in Delinquency) and are foreclosed upon several months later. MF (Months in Foreclosure) is the total number of missed payments. Upon completion of foreclosure, the loan as such ceases to exist and the property becomes Real Estate Owned by the lender (REO). After several more months (MR, Months in REO), the property is sold. Foreclosure expenses are paid and MI proceeds (and, for multifamily loans, loss sharing proceeds) are received when foreclosure is completed. REO expenses are paid, and sales proceeds and other Credit Enhancements are received, when the property is sold. These timing differences are not modeled explicitly in the cash flows, but their economic effect is taken into account by present-valuing the default-related cash flows to the month of Default.

[d] *Gross Loss Severity, Credit Enhancement, and Net Loss Severity.* The calculation of mortgage losses is divided into three parts. First, Gross Loss Severity is determined by expressing the principal loss plus unpaid interest plus expenses as a percentage of the loan UPB at the time of Default (section 3.6.3.6.2, Single Family Gross Loss Severity,

and section 3.6.3.6.3, Multifamily Gross Loss Severity, of this Appendix). Second, Credit Enhancements (CEs) are applied according to their terms to offset losses on loans that are covered by one or more CE arrangements (section 3.6.3.6.4, Mortgage Credit Enhancement, of this Appendix). Finally, to account for the timing of these different cash flows, net losses are discounted back to the month in which the Default initially occurred (section 3.6.3.6.5, Single Family and Multifamily Net Loss Severity, of this Appendix).

3.6.3.6.2 Single Family Gross Loss Severity

3.6.3.6.2.1 Single Family Gross Loss Severity Overview

The Loss Severity calculation adds the discounted present value of various costs and offsetting revenues associated with the foreclosure of single family properties, expressed as a fraction of UPB on the date of Default. The loss elements are:

[a] *Unpaid Principal Balance.* Because all Loss Severity elements are expressed as a fraction of Default date UPB, the outstanding loan balance is represented as 1.

[b] *Unpaid Interest.* Unpaid interest at the Mortgage Interest Rate is included in the MI claim amount. Unpaid interest at the Pass-Through Rate must be paid to MBS holders until the Defaulted loan is repurchased from the MBS pool.

[c] *Foreclosure Expenses and REO Expenses.* Foreclosure expenses are reimbursed by MI. REO expenses are incurred in connection with the maintenance and sale of a property after foreclosure is completed. Stress Test values for these quantities are derived from historical Enterprise REO experience.

[d] *Net Recovery Proceeds from REO sale (RP).* This amount is less than the sale price for ordinary properties as predicted by the HPI, because of the distressed nature of the sale.

3.6.3.6.2.3 Single Family Gross Loss Severity Procedures

[a] Calculate single family gross Loss Severity using the following three steps:

1. Compute REO Proceeds in month m (RP_m) as a fraction of Defaulted UPB:

$$RP_m = \frac{RR}{LTV_q}$$

2. Compute MI Claim Amount on loans that Defaulted in month m (CLM_m^{MI}) as a fraction of Defaulted UPB:

$$CLM_m^{MI} = 1 + \left(\frac{MF}{12} \times MIR_m \right) + F$$

for all loans other than Government Loans

$$= 1 + \left(0.75 \times \frac{MF}{12} \times MIR_m \right)$$

+ (0.67 × F) for Government Loans

Where:

0.67 = FHA reimbursement rate on foreclosure-related expenses

0.75 = adjustment to reflect that FHA reimbursement on unpaid interest is at a government debenture rate, not MIR.

3. Compute Gross Loss Severity of loans that Defaulted in month m (GL_m) as a fraction of Defaulted UPB:

$$GLS_m = 1 + \left(\frac{MQ}{12} \times PTR_m \right)$$

+ F + R – RP_m but not < 0

3.6.3.6.2.4 Single Family Gross Loss Severity Outputs

The single family Gross Loss Severity outputs in Table 3–43 are used in the Credit Enhancement calculations in section 3.6.3.6.4 of this Appendix.

3.6.3.6.3 Multifamily Gross Loss Severity

3.6.3.6.3.1 Multifamily Gross Loss Severity Overview

The multifamily Loss Severity calculation adds the discounted present value of various costs and offsetting revenues associated with the foreclosure of multifamily properties, expressed as a fraction of Defaulted UPB. The loss elements are:

[a] *Unpaid Principal Balance (UPB)*. Because all Loss Severity elements are expressed as a fraction of Default date UPB, the outstanding loan balance is represented as 1.

[b] *Unpaid Interest*. Unpaid interest at the Net Yield Rate is included in the Loss Sharing Claim amount. Unpaid interest at the Pass-Through Rate must be paid to MBS holders until the defaulted loan is repurchased from the MBS pool.

[c] *Net REO Holding Costs (RHC)*. Foreclosure costs, including attorneys fees and

other liquidation expenses are incurred between the date of Default and the date of foreclosure completion (REO acquisition). Operating and capitalized expenses are incurred and rental and other income are received between REO acquisition and REO disposition. As a result, half of the Net REO Holding Costs (RHC) are expensed at REO acquisition and the remainder are expensed at REO disposition.

[d] *Net Proceeds from REO sale (RP)*. The gross sale price of the REO less all costs associated with the disposition of the REO asset are discounted from the date of REO sale.

3.6.3.6.3.2 Multifamily Gross Loss Severity Inputs

3.6.3.6.3.3 Multifamily Gross Loss Severity Procedures

[a] Calculate multifamily gross loss severity in the following two steps:

- For Conventional Loans, compute the Loss Sharing Claim Amount (CLM_m^{LSA}) and Gross Loss (GLS_m) on loans that Defaulted in month m, as a fraction of Defaulted UPB:

$$CLM_m^{LSA} = 1.75 + \left(\frac{MF}{12} \times NYR_m \right) + RHC - RP$$

$$GLS_m = 1 + \frac{MQ}{12} \times PTR_m + RHC - RP$$

- For FHA-insured (i.e., government) multifamily Loans, separate Gross Loss Severity and Credit Enhancement calculations are not necessary. Net Loss Severity is determined explicitly in section 3.6.3.6.5, Single Family and Multifamily Net Loss Severity, of this Appendix).

3.6.3.6.3.4 Multifamily Gross Loss Severity Outputs

Multifamily Gross Loss Severity Outputs in Table 3–45 are used in the Credit Enhancements Calculations section 3.6.3.6.4, of this Appendix.

3.6.3.6.4 Mortgage Credit Enhancement

3.6.3.6.4.1 Mortgage Credit Enhancement Overview

[a] *Types of Mortgage Credit Enhancements.* Credit Enhancements (CE) reimburse losses

on individual loans. The CE most often utilized by the Enterprises at the present time is primary Mortgage Insurance (MI) including both private and government MI or loan guarantees (e.g. FHA, VA), which pays claims up to a given limit on each loan. Most other types of CE do not limit the amount payable on each loan individually, but do limit the aggregate amount available under a given CE arrangement or Contract. These two types of CE must be computed differently. To denote this distinction, this Appendix will refer to ‘Loan Limit’ and ‘Aggregate Limit’ CE types. Loan Limit CE includes Mortgage Insurance for single family loans and Loss-Sharing Arrangements (LSA) for multifamily loans. Aggregate Limit CE includes Pool Insurance, Spread Accounts, Letters of Credit, Cash or Collateral Accounts, and Subordination Agreements. For operational convenience in the Stress Test, the Aggregate Limit classification also includes Unlimited Recourse, which has neither loan-level nor aggregate-level coverage limits, and Modified Pool Insurance, Limited Recourse, Limited Indemnification and FHA risk-sharing, which may have both loan-level and aggregate-level coverage limits.

[b] *Loan Limit Credit Enhancements.* Loan Limit Credit Enhancements are applied to every covered loan individually, without regard to how much has been paid on any other covered loan. For example, an MI policy covers losses on an individual loan up to a specified limit. If every loan with MI were to Default, every claim would be payable regardless of the total outlay on the part of the MI provider. Loss Sharing Arrangements on multifamily loans operate the same way.

[c] *Aggregate Limit Credit Enhancements.* Aggregate Limit Credit Enhancements cover a group of loans on an aggregate basis. In most such arrangements, the coverage for any individual loan is unlimited, except that the total outlay by the provider cannot exceed a certain aggregate limit. Thus, the amount of Aggregate Limit coverage available to an individual loan depends, in practice, on how much has been paid on all previous claims under the specified Contract.

[d] *Credit Enhancement Counterparty Defaults.* CE payments from a rated counterparty are subject to Haircuts to simulate counterparty failures during the Stress Test. These Haircuts are based on the rating

of the counterparty or guarantor immediately prior to the Stress Test, and are applied each month as described in section 3.5, Counterparty Defaults, of this Appendix.

[e] *Stress Test Application of Credit Enhancement.* The Stress Test calculates mortgage cash flows for aggregated Loan Groups, within which individual loans are assumed to have identical characteristics, and therefore are not differentiated in the computations. However, a single Loan Group may include loans with Loan Limit CE and/or one or more types of Aggregate Limit CE. Additionally, this coverage may come from a rated provider or from cash or cash-equivalent collateral. Therefore, for computational purposes it is necessary to distinguish among the different possible CE combinations that each loan or subset of loans in a Loan Group may have. In the Stress Test, this is accomplished by creating Distinct Credit Enhancement Combinations (DCCs).

1. *Distinct Credit Enhancement Combinations.*

When aggregating individual loans into Loan Groups for the RBC Report, the applicable CE arrangements will have been identified for each loan:

- a. Loan Group (LG) Number
- b. Initial UPB of individual loan
- c. Rating of MI or LSA Counterparty
- d. Loan-Limit Coverage Percentage for MI or LSA
- e. Contract Number for Aggregate Limit CE, First Priority
- f. Contract Number for Aggregate Limit CE, Second Priority
- g. Contract Number for Aggregate Limit CE, Third Priority
- h. Contract Number for Aggregate Limit CE, Fourth Priority

2. Individual loans for which all of the entries in step 1) of this section (except UPB and Loan-Limit Coverage Percent) are identical, are aggregated into a DCCs. For example, all loans in a given Loan Group with MI from a AAA-rated provider and no other CE would comprise one DCC whose balance is the aggregate of the included loans and whose MI Coverage Percent is the weighted average of that of the included loans. In each month, within each Loan Group, for each DCC, each applicable form of CE is applied in priority order to reduce Gross Loss Severity as much as possible to zero. The total CE payment for each DCC, as a percentage of Defaulted UPB is converted to a total CE payment for each Loan Group and then factored into the calculation of Net Loss Severity in section 3.6.3.6.5, Single Family and Multifamily Net Loss Severity, of this Appendix.

3. *DCC First and Second Priority Available Aggregate CE Balance.* In the Stress Test, First and Second Priority Available Ag-

gregate CE Balances are allocated to the DCCs that are parties to each Contract on a pro-rata basis. Third and Fourth Priority Aggregate Limit Contracts are not modeled because they are extremely rare. In each month of the Stress Test these CE Balances, adjusted by appropriate Haircuts, are reduced by the losses incurred by each DCC that is a party to each Contract. Spread Account deposits, if applicable, are included in the First and Second Priority DCC Available Aggregate CE Balances.

a. Spread Accounts may take one of two forms: Balance-Limited, or Deposit-Limited. A Balance-Limited Spread Account receives monthly spread payments based on the UPB of the covered loans until a required balance is achieved and maintained. Any amounts paid to cover losses must be replenished by future spread payments from the covered loans that are still performing. Thus, there is no known limit to the amount of spread deposits that may be made over the life of the covered loans. In contrast, for a Deposit-Limited Spread Account the limit is similar to a customary coverage limit. The total amount of spread deposits made into the account is limited to a maximum amount specified in the Contract.

b. In the Stress Test, the Available Contract Balance of a Spread Account is adjusted prior to the calculation of the DCC Available Balance as reported in the RBC Report. For each Spread Account contract, the Enterprises report the Remaining Limit Amount, which represents the maximum dollar amount of additional spread deposits that could be required under the Contract. For Deposit-Limited Spread Accounts, this amount is the maximum remaining dollar amount of spread deposits required under the Contract. For Balance-Limited Spread Accounts, this amount is defined as one-twelfth of the annualized spread rate times the UPB of the covered loans at the start of the Stress Test times the weighted average Remaining term to Maturity of those loans. However, the maximum amount of spread deposits that could be received will generally be higher than the amount reasonably expected to be received during the Stress Test, because the UPB of the covered loans, which is the basis for determining the amounts of future spread deposits, declines over the term of the Contract due to Amortization, Defaults, and Prepayments. Therefore, the Enterprises report an adjusted Available Contract Balance for both types of Spread Accounts before reporting the DCC Available Balance by adding the lesser of the Remaining Limit Amount or one-twelfth of the spread rate

times the UPB of the covered loans at the start of the stress test times 60 months.

- c. Modified Pool Insurance, Limited Recourse, Limited Indemnification and FHA risk-sharing contracts may have both loan-level and aggregate-level coverage limits. To account for this aspect of these types of Aggregate Limit CE, the Enterprises report a DCC Loan Level Coverage Limit Amount, which represents the share of each loss after deductibles (such as MI or First Priority Contract payments) covered by a given MPI Contract. (The Loan Level Coverage Limit Amount takes the value of one if the Contract is not of this type, representing that 100 percent of losses are covered by other types of Contracts).
- d. In practice, Unlimited Recourse Contracts have neither loan-level nor aggregate-level coverage limits. However, the Enterprises report the Available Aggregate CE Balance of Unlimited Recourse Contracts as the summation of the Original UPB of all covered loans.
- e. The Available Aggregate CE Balances of Collateral Account Contracts funded with anything other than Cash or Cash-equivalents are discounted by thirty percent to account for market risk in securities that are not cash equivalents.
- f. Enterprise Loss Positions are treated as Aggregate Limit CE in terms of reducing remaining losses eligible to be covered by a next-priority Contract. However, since Enterprise Loss Positions are typically a deductible for other forms of supplementary coverage, payments from

such accounts do not reduce loss severity.

[f] *Multiple Layers of Credit Enhancement.* For loans with more than one type of Credit Enhancement, MI or Loss Sharing is applied first, and then other types of CE (if available) are applied in priority order to the remaining losses. MI and Loss Sharing claims are payable regardless of whether (and to what extent) a loan is also covered by other forms of CE. MI is unique in that the MI payment is based on a percentage of a Claim Amount equal to the entire Defaulted UPB plus expenses, not the actual loss incurred upon liquidation. Therefore, an Enterprise can receive MI payments on a defaulted loan in excess of the actual realized loss on that loan. However, it is frequently the case that MI payments are insufficient to cover the entire loss amount. In such cases, one or more types of Aggregate Limit CE may be available to make up the deficiency. Unlike MI claims, however, the Claim Amounts for Loss Sharing and for all Aggregate Limit CE types do depend on the actual losses incurred; and unlike Loss Sharing and MI, Claim Amounts payable under other forms of CE are net of payments received on account of other forms of CE. When a single loan is covered by multiple forms of CE, the order in which they are to be applied (First Priority, Second Priority, etc.) must be specified. To avoid double-counting, a higher-numbered priority CE only covers losses that were not covered by a lower-numbered priority CE.

3.6.3.6.4.3 Mortgage Credit Enhancement Procedures

[a] For each month m of the Stress Test, for each Loan Group (LG), carry out the following six steps [a] 1–6 for each DCC.

NOTE: Process the Loan Groups and DCCs using the numerical order assigned to them in the RBC Report.

1. Determine Mortgage Insurance Payment (MI_m) for single family loans in the DCC, or Loss Sharing Payment (LSA_m) for multifamily loans in the DCC, as a percentage of Defaulted UPB, applying appropriate counterparty Haircuts from section 3.5., of this Appendix:

$$MI_m^{DCC} = \left(1 - MIExp_m^{LG}\right) \times C^{MI,DCC} \times CLM_m^{MI, LG} \times \left[1 - \frac{m'}{120} \times \text{MaxHct} \left(R^{MI,DCC}\right)\right]$$

$$LSA_m^{DCC} = C^{LSA,DCC} \times CLM_m^{LSA, LG} \times \left[1 - \frac{m'}{120} \times \text{MaxHct} \left(R^{LSA,DCC}\right)\right]$$

Where:

$m' = m$, except for counterparties rated below BBB, where $m' = 120$

$$MIExp_m^{LG} = 1 \text{ if } \left(LTV_{\text{ORIG}} \times \frac{UPB_m^{LG}}{UPB_{\text{ORIG}}^{LG}}\right) < 0.78$$

$$MIExp_m^{LG} = 0 \text{ otherwise}$$

0.78 (78%) = the LTV at which MI is cancelled if payments are current

2. Determine Remaining Loss in Dollars (RLD) after application of MI or LSA and

prior to application of other Aggregate Limit CE:

$$RLD_m^{DCC, (MI-LSA)} = \max\left[\left(GLS_m^{LG} - MI_m^{DCC}\right), 0\right] \times P^{DCC} \times UPB_{m-1}^{LG} \times DEF_m^{LG}$$

3. Determine the contractual CE Payment in Dollars under the First Priority Contract C1. Determine Payment after Haircut. Update

Remaining Loss Dollars and DCC Available Balance.

Federal Housing Enterprise Oversight

Pt. 1750, Subpt. B, App. A

a. Determine CE Payment as the minimum of the Remaining Loss Dollars after MI or LSA (if applicable) times the DCC

Loan-Level Coverage Limit (=1 if not MPI Contract) or the previous month's ending DCC Available Balance:

$$PD_m^{DCC,C1} = \min\left(RLD_m^{DCC,(MI-LSA)} \times C^{DCC,C1}, AB_{m-1}^{DCC,C1}\right)$$

b. Determine CE Payment in Dollars after application of Haircuts:

$$PD_m^{DCC,C1,H} = PD_m^{DCC,C1} \times \left[1 - \frac{m'}{120} \times \text{MaxHct}\left(R^{DCC,C1}\right)\right]$$

Where:

$m' = m$, except for counterparties rated below BBB, where $m' = 120$

c. Update DCC Remaining Loss Dollars and DCC Available Balance under the First Priority Contract C1:

$$RLD_m^{DCC,C1} = \max\left(RLD_m^{DCC,(MI-LSA)} - PD_m^{DCC,C1,H}, 0\right)$$

$$AB_m^{DCC,C1} = \max\left(\left[AB_{m-1}^{DCC,C1} - PD_m^{DCC,C1}\right] \times \left(1 - \text{Exp}_m^{DCC,C1}\right), 0\right)$$

Where:

$\text{Exp}_m^c = 1$ if the Contract has expired, i.e. if the calendar month corresponding to the m^{th} month of the Stress Test is on or after the expiration month (ExpMo^c)
 $\text{Exp}_m^c = 0$ otherwise

4. Determine the contractual CE Payment in Dollars under the Second Priority Con-

tract C2. Determine Payment after Haircut. Update Remaining Loss Dollars and DCC Available Balance.

a. Determine CE Payment as the minimum of the Remaining Loss Dollars after C1 Payment (if applicable) times a DCC Loan-Level Coverage Limit (=1 if not MPI Contract) or the previous month's ending DCC Available Balance:

$$PD_m^{DCC,C2} = \min\left(RLD_m^{DCC,C1} \times C^{DCC,C2}, AB_{m-1}^{DCC,C2}\right)$$

b. Determine CE Payment in Dollars after application of Haircuts:

$$PD_m^{DCC,C2,H} = PD_m^{DCC,C2} \times \left[1 - \frac{m'}{120} \times \text{MaxHct}\left(R^{DCC,C2}\right)\right]$$

Where:

$m' = m$, except for counterparties rated below BBB, where $m' = 120$

c. Update DCC Remaining Loss Dollars and DCC Available Balance under the Second Priority Contract C2:

$$RLD_m^{DCC,C2} = \max(RLD_m^{DCC,C1} - PD_m^{DCC,C2,H}, 0)$$

$$AB_m^{DCC,C2} = \max([AB_{m-1}^{DCC,C2} - PD_m^{DCC,C2}] \times (1 - Exp_m^{DCC,C2}), 0)$$

Where:

$Exp_m^C = 1$ if the Contract has expired, i.e. if the calendar month corresponding to the m^{th} month of the Stress Test is on or after the expiration month ($ExpMo^C$)
 $Exp_m^C = 0$ otherwise

5. Convert Aggregate Limit First and Second Priority Contract receipts in Dollars for each DCC in month m to a percentage of DCC Defaulted UPB:

If $DEF_m = 0$, then $ALPD_m^{DCC} = 0$

$$ALPD_m^{DCC} = \frac{(PD_m^{DCC,C1,H} \times ELPI^{DCC,C1}) + (PD_m^{DCC,C2,H} \times ELPI^{DCC,C2})}{DEF_m \times UPB_{m-1}^{LG} \times P^{DCC}}$$

Where:

$ELPI^{DCC,C} = 0$ if $ELPF^{DCC,C} = Y$ (Yes, indicating that Contract C is an Enterprise Loss Position)
 $ELPI^{DCC,C} = 1$ otherwise

6. Add the Loan Limit CE (MI and LSA) and Aggregate Limit CE (ALPD), each expressed as a share of DCC Defaulted UPB, separately for each DCC to increment the respective Loan Group totals:

$$MI_m^{LG} = MI_m^{LG} + (P^{DCC} \times MI_m^{DCC}) \text{ for single family Loans; or}$$

$$LSA_m^{LG} = LSA_m^{LG} + (P^{DCC} \times LSA_m^{DCC}) \text{ for multifamily Loans; and}$$

$$ALCE_m^{LG} = ALCE_m^{LG} + (P^{DCC} \times ALPD_m^{DCC}) \text{ for both single family and multifamily Loans}$$

3.6.3.6.4.4 Mortgage Credit Enhancement [a] Mortgage Credit Enhancement Outputs are set forth in Table 3-49.

[b] MI_m^{LG} or LSA_m^{LG} and $ALCE_m^{LG}$ for months $m = 1...120$ of the Stress Test are used in section 3.6.3.6.5, Single Family and Multifamily Net Loss Severity, of this Appendix.

3.6.3.6.5 Single Family and Multifamily Net Loss Severity

3.6.3.6.5.1 Single Family and Multifamily Net Loss Severity Procedures

Combine inputs and outputs from Gross Loss Severity and Credit Enhancements (Table 3-42 through Table 3-49) in the following formulas for each Loan Group in month m :

[a] For Conventional single family Loan Groups:

$$LS_m^{SF} = \frac{1}{\left(1 + \frac{DR_m}{2}\right)^{\frac{MQ}{6}}} + \frac{\left(\frac{MQ}{12} \times PTR_m\right) + F - MI_m}{\left(1 + \frac{DR_m}{2}\right)^{\frac{MF}{6}}} + \frac{R - RP_m - ALCE_m}{\left(1 + \frac{DR_m}{2}\right)^{\frac{MF+MR}{6}}}$$

[b] For Government single family Loan Groups, complete the following three steps:

1. Compute a Loss Severity value for FHA-insured loans using the Conventional formula for all government loans. FHA reimbursement rates will be reflected in

the value of MI_m , as computed in section 3.6.3.6.4.3, Mortgage Credit Enhancement Procedures, of this Appendix.

2. Compute a Loss Severity value for VA-insured loans as follows for all government loans:

$$LS_m^{VA} = \frac{1 + F + \left(\frac{MQ}{12} \times PTR_m\right) + (R - RP_m) - 0.30}{\left(1 + \frac{DR_m}{2}\right)^{\frac{MF}{6}}}$$

Where:

0.30 is a fixed percentage representing the VA guarantee coverage percentage. (The VA coverage rate is a function of the initial loan size.)

3. Compute Net Loss Severity by combining FHA-insured and VA-insured Loss Severity values as follows:

$$LS_m^{SF,GVT} = \left(\frac{2}{3} \times LS_m^{SF}\right) + \left(\frac{1}{3} \times LS_m^{VA}\right)$$

[c] For multifamily Loan Groups other than FHA-Insured:

$$LS_m^{MF} = \frac{1 + \left(\frac{MQ}{12} \times PTR_m\right)}{\left(1 + \frac{DR_m}{2}\right)^{\frac{MQ}{6}}} + \frac{\frac{RHC}{2} - LSA_m}{\left(1 + \frac{DR_m}{2}\right)^{\frac{MF}{6}}} + \frac{\frac{RHC}{2} - RP - ALCE_m}{\left(1 + \frac{DR_m}{2}\right)^{\frac{MF+MR}{6}}}$$

[d] For FHA-Insured multifamily Loan Groups:

$$LS_m^{MF} = 0.03 \text{ (3 percent) for all months}$$

3.6.3.6.5.2 Single Family and Multifamily Net Loss Severity outputs are set forth in Table 3–50:

3.6.3.7.3 Stress Test Whole Loan Cash Flow Procedures

[a] Calculate Stress Test whole loan cash flows using the following nine steps:

1. Calculate Scheduled Principal Received (SPR) in month m:

$$SPR_m = \max(SP_m, 0) \times (PERF_m + PRE_m)$$

NOTE: Scheduled Principal Received is zero, not negative, when amortization is negative.

2. Calculate Net Interest Received (NIR) in month m. Any interest shortfall due to Negative Amortization reduces Net Yield directly. Note: NIR includes loans that default in month m, because lost interest is included in Credit Losses in step 6) of this section. (See section 3.6.3.6, Calculation of Single Family and Multifamily Mortgage Losses, of this Appendix.)

$$NIR_m = \left[\left(UPB_{m-1} \times \frac{NYR_m}{12} \right) + \min(SP_m, 0) \right] \times PERF_{m-1}$$

3. Calculate Prepaid Principal Received (PPR) in month m:

$$PPR_m = UPB_m \times PRE_m$$

4. Calculate newly Defaulted Principal (DP) in month m:

$$DP_m = UPB_{m-1} \times DEF_m$$

5. Calculate Recovery Principal Received (RPR) on account of loans that Defaulted in month m:

$$RPR_m = UPB_{m-1} \times DEF_m \times (1 - LS_m)$$

6. Calculate Credit Losses (CL) on account of loans that Defaulted in month m:

$$CL_m = UPB_{m-1} \times DEF_m \times LS_m$$

In addition, if m = RM and UPB_{RM} > 0 then,

$$CL_{RM} = (UPB_{RM} \times PERF_{RM}) + (UPB_{RM-1} \times DEF_{RM} \times LS_{RM}),$$

and

$$PUPB_{RM} = 0$$

7. Calculate Performing Loan Group UPB in month m (PUPB_m), including PUPB₀.

NOTE: All loans are assumed to be performing in month 0; therefore PUPB₀ = UPB₀.

$$PUPB_m = UPB_m \times PERF_m$$

8. Calculate Total Principal Received (TPR) and Total Interest Received (TIR) in month m:

$$TPR_m = SPR_m + PPR_m + RPR_m$$

$$TIR_m = NIR_m$$

9. For Sold Loans, calculate the following cash flow components:

a. Guarantee Fee (GF) received in month m:

$$GF_m = UPB_{m-1} \times \frac{GFR}{12} \times (PERF_m + PRE_m)$$

b. Float Income (FI) received in month m

$$FI_m = \left(\left((SPR_m + NIR_m - GF_m) \times \frac{FDS}{365} \right) + \left[PPR_m \times \frac{FDP}{365} \right] \times FER_m - PIS_m \right) \times (1 - FREP)$$

where: Prepayment Interest Shortfall (PIS) in month m is:

$$PIS_m = UPB_{m-1} \times PRE_m \times \frac{PTR_m}{12}$$

if FDP ≥ 30

$$PIS_m = UPB_{m-1} \times PRE_m \times \frac{PTR_m}{24}$$

if 15 ≤ FDP < 30

3.6.3.7.4 Stress Test Whole Loan Cash Flow Outputs

The Whole Loan Cash Flows in Table 3-52 are used to prepare pro forma balance sheets and income statements for each month of the Stress Period (see section 3.10 Operations, Taxes and Accounting, of this Appendix). For Retained Loan groups, cash flows consist of Scheduled Principal, Prepaid Principal, Defaulted Principal, Credit Losses, and Interest. For Sold Loan groups, cash flow consists of Credit Losses, Guarantee Fees and Float Income. For Repurchased MBSS, cash flows are allocated according to the Fraction Repurchased. Table 3-52 covers all cases; for Retained Loans FREP = 1.0.

3.6.3.8 Whole Loan Accounting Flows

3.6.3.8.1 Whole Loan Accounting Flows Overview

[a] For accounting purposes, cash flows are adjusted to reflect (1) the value over time of discounts, premiums and fees paid or received (Deferred Balances) when an asset was acquired; and (2) the fact that mortgage interest is paid in arrears, i.e. it is received in the month after it is earned. In the Stress Test calculations, payments are indexed by the month in which they are received. Therefore, interest received in month m was earned in month $m-1$. However, principal is accounted for in the month received.

[b] Deferred Balances are amortized over the remaining life of the asset. Therefore,

these calculations go beyond the end of the Stress Test if the Remaining Maturity (RM) is greater than the 120 months of the Stress Test. The projection of cash flows beyond the end of the Stress Test is discussed in the individual sections where the cash flows are first calculated. In general, for interest rate indexes, monthly Prepayment rates and monthly Default rates, the value for $m = 120$ is used for all months $120 < m \leq RM$, but $LS = 0$ for $m > 120$.

3.6.3.8.2 Whole Loan Accounting Flows Inputs

The inputs in Table 3-54 are required to compute Accounting Flows:

3.6.3.8.3 Whole Loan Accounting Flows Procedures

3.6.3.8.3.1 Accounting for Retained and Sold Whole Loans

[a] Complete the following three steps to account for Retained and Sold loans:

1. Compute Allocated Interest in month *m* (AI^m) as follows:

$$AI_m = PUPB_{m-1} \times \frac{NYR_0}{12}$$

NOTE: Allocated Interest is used only to determine the allocation of Amortization Expense over time, not to generate actual cash flows)

2. Calculate the monthly Internal Rate of Return (IRR) that equates the adjusted cash flows (actual principal plus Allocated Interest) to the Initial Book Value (BV₀) of the Loan Group. A single IRR is used for all months *m*. Solve for IRR such that:

$$BV_0 = \sum_{m=1}^{RM} \frac{ACF_m}{(1 + IRR)^m}$$

Where:

$$BV_0 = PUPB_0 + UPD_0$$

$$ACF_m = AI_m - PUPB_m + PUPB_{m-1}$$

3. Calculate the monthly Amortization Expense for each month *m*:

- a. If BV₀ < 0, or if 12 × IRR > 1.0 (100%), or if

$$BV_0 > \sum_{m=1}^{RM} ACF_m$$

then the full amount of UPD₀ is realized in the first month (AE₁ = -UPD₀)

- b. Otherwise:

$$AE_m = (BV_{m-1} \times IRR) - AI_m$$

if PUPB_m > 0

$$AE_m = -UPD_{m-1} \text{ if } PUPB_m = 0$$

$$UPD_m = UPD_{m-1} + AE_m$$

$$BV_m = PUPB_m + UPD_m$$

3.6.3.8.3.2 Additional Accounting for Repurchased MBSs

[a] Complete the following three steps to account for Repurchased MBSs:

1. Compute Security Allocated Interest in month *m* (SAI_m) as follows:

$$SAI_m = SPUPB_{m-1} \times \frac{PTR_0}{12}$$

Note: Security Allocated Interest is used only to determine the allocation of Security Amortization Expense over time, not to generate actual cash flows.

2. Calculate the monthly Internal Rate of Return (IRR) that equates the adjusted cash flows (actual principal plus Allocated Interest) to the Initial Book Value (SBV₀) of the Loan Group. A single IRR is used for all months *m*. Solve for IRR such that:

$$SBV_0 = \sum_{m=1}^{RM} \frac{SACF_m}{(1 + IRR)^m}$$

Where:

$$SBV_0 = SPUPB_0 + SUPD_0$$

$$SACF_m = SAI_m - SPUPB_m + SPUPB_{m-1}$$

3. Calculate the monthly Security Amortization Expense for each month *m*:

- a. If SBV₀ < 0, or if 12 × IRR > 1.0 (100%), or if

$$SBV_0 > \sum_{m=1}^{RM} SACF_m$$

then the full amount of SUPD₀ is realized in the first month (SAE₁ = -SUPD₀).

- b. Otherwise:

$$\begin{aligned}
 SAE_m &= (SBV_{m-1} \times IRR) - SAI_m \\
 &\quad \text{if } SPUPB_m > 0 \\
 SAE_m &= -SUPD_{m-1} \text{ if } SPUPB_m = 0 \\
 SUPD_m &= SUPD_{m-1} + SAE_m \\
 SBV_m &= SPUPB_m + SUPD_m
 \end{aligned}$$

3.6.3.8.4 Whole Loan Accounting Flows Outputs

Whole loan accounting flows outputs are set forth in Table 3-55. Amortization Expense for months $m = 1...RM$ are used in section 3.10, Operations, Taxes, and Accounting, of this Appendix.

TABLE 3-55—OUTPUTS FOR WHOLE LOAN ACCOUNTING FLOWS

Variable	Description
AE_m	Amortization Expense for months $m = 1...RM$
SAE_m	Security Amortization Expense for months $m = 1...RM$

3.6.4 Final Whole Loan Cash Flow Outputs

The final outputs for section 3.6, Whole Loan Cash Flows, of this Appendix are as specified in Table 3-52, and Table 3-55.

3.7 Mortgage-Related Securities Cash Flows

3.7.1 Mortgage-Related Securities Overview

[a] Mortgage-Related Securities (MRSs) include Single Class MBSs, Multi-class MBSs (REMICs or Collateralized Mortgage Obligations (CMOs)), Mortgage Revenue Bonds (MRBs), and Derivative Mortgage Securities such as Interest-Only and Principal-Only Stripped MBSs. MBSs and Derivative Mortgage Securities are issued by the Enterprises, Ginnie Mae and private issuers. MRBs are issued by State and local governments or their instrumentalities. For computational purposes, certain Asset-Backed Securities (ABS) backed by mortgages (Mortgage ABSs backed by manufactured housing loans, second mortgages or home equity loans) are treated as REMICs in the Stress Test.

[b] Cash flows from Single Class MBSs represent the pass-through of all principal and interest payments, net of servicing and guarantee fees, on the underlying pools of mortgages. Cash flows from Multi-Class MBSs and Derivative Mortgage Securities represent a

specified portion of the cash flows produced by an underlying pool of mortgages and/or Mortgage-Related Securities, determined according to rules set forth in offering documents for the securities. MRBs may have specific maturity schedules and call provisions, whereas MBSs have only expected maturities and, in most cases, no issuer call provision (other than “cleanup calls” if the pool balance becomes quite small). However, the timing of principal payments for MRBs is still closely related to that of their underlying mortgage collateral. The Stress Test treats most MRBs in a manner similar to single class MBSs. Finally, a small number of Enterprise and private label REMIC securities for which modeling information is not readily available and which are not modeled by a commercial information service (referred to as “miscellaneous MRS”) are treated separately.

[c] In addition to reflecting the defaults of mortgage borrowers during the Stress Period, the Stress Test considers the possibility of issuer Default on Mortgage-Related Securities. Credit impairments throughout the Stress Period are based on the rating of these securities, and are modeled by reducing contractual interest payments and “writing down” principal. No Credit Losses are assumed for the Enterprise’s own securities and Ginnie Mae securities (see section 3.5.3, Counterparty Defaults Procedures, of this Appendix).

[d] The calculation of cash flows for Mortgage-Related Securities requires information from the Enterprises identifying their holdings, publicly available information characterizing the securities, and information on the interest rate, mortgage performance and credit rating (for rated securities).

[e] Cash and accounting flows—monthly principal and interest payments and amortization expense—are produced for each month of the Stress Period for each security. (Principal- and interest-only securities pay principal or interest respectively.) These cash flows are input to the Operations, Taxes, and Accounting component of the Stress Test.

[b] The Stress Test requires sufficient information about the cash flow allocation rules among the different classes of a Multi-Class MBS to determine the cash flows for the individual class(es) owned by an Enterprise, including descriptions of the component classes of the security, the underlying collateral, and the rules directing cash flows to the component classes. This information is obtained from offering documents or securities data services. In the Stress Test, this information is used either as an input to a commercial modeling service or, for securities that are not so modeled, to derive an approximate modeling treatment as described more fully in this section.

[c] If a Derivative Mortgage Security is itself backed by one or more underlying securities, sufficient information is required for each underlying security as described in the preceding paragraph.

3.7.2.1.3 Mortgage Revenue Bonds and Miscellaneous MRSs

[a] The Stress Test requires two types of information for Mortgage Revenue Bonds and miscellaneous MRS held by an Enterprise at the start of the Stress Test: information identifying the Enterprise's holdings and the contractual terms of the securities. The inputs required for these instruments are set forth in Table 3–58.

3.7.2.2 Interest Rate Inputs

Interest rates projected for each month of the Stress Period are used to calculate principal amortization and interest payments for ARM MBSs and MRBs, and for Derivative Mortgage Securities with indexed coupon rates. This information is produced in section 3.3, Interest Rates, of this Appendix.

3.7.2.3 Mortgage Performance Inputs

Default and Prepayment rates for the loans underlying a single- or multiclass MBS are computed according to the characteristics of the loans as specified in this section 3.7.2, Mortgage-Related Securities Inputs. LTV and Census Region are not uniquely specified for the loans underlying a given security; instead, the Prepayment and Default rates are averaged over all LTV categories, weighted according to the distribution of LTVs given in Table 3-59. (This weighting applies to Time Zero, i.e., the start of the Stress Test; the weightings will change over

time as individual LTV groups pay down at different rates. See section 3.7.3, Mortgage-Related Securities Procedures, of this Appendix.) Instead of Census Division, the national average HPI is used for all calculations in this section.

Note: Amortized Original LTV (also known as the “current-loan-to-original-value” ratio) is the Original LTV adjusted for the change in UPB but not for changes in property value. Because of its small size the LTV>100 group is not used in the calculation.

3.7.2.4 Third-Party Credit Inputs

For securities not issued by the Enterprise or Ginnie Mae, issuer Default risk is reflected by haircutting the instrument cash flows based on the rating of the security, as described in section 3.5, Counterparty Defaults, of this Appendix.

3.7.3 Mortgage-Related Securities Procedures

The following sections describe the calculations for (1) single class MBSs, (2) Multi-Class MBSs and derivative mortgage securities, and (3) MRBs and miscellaneous MRS.

3.7.3.1 Single Class MBSs

[a] The calculation of cash flows for single class MBSs is based on the procedures outlined earlier in section 3.6, Whole Loan Cash Flows, of this Appendix. The collateral (i.e., the mortgage pool) underlying each MBS is treated as one single family Loan Group with characteristics equal to the weighted average characteristics of the underlying loans.

[b] For each MBS, compute the scheduled cash flows specified in Table 3-33, as directed in section 3.6.3.3.3, Mortgage Amortization Schedule Procedures of this Appendix, with the following exceptions and clarifications:

1. The Net Yield Rate (NYR) is not used in the MBS calculation. Instead, the Pass-Through Rate (for Fixed-Rate MBSs) and INDEX + Net Margin (for Adjustable-Rate MBSs) are used.
2. PMT is not a direct input for MBSs. (That is, it is not specified in the RBC Report.) Instead, compute PMT from UPB, MIR and remaining amortizing term AT–A₀, using the standard mortgage payment formula (and update it as appropriate for ARMs, as described in the Whole Loan calculation).
3. For ARM MBS, interest rate and monthly payment adjustments for the underlying loans are calculated in the same manner as they are for ARM Loan Groups.
4. MBSs backed by Biweekly mortgages, GPMs, TPMs, GEMs, and Step mortgages are mapped into mortgage types as de-

scribed in section 3.6, Whole Loan Cash Flows, of this Appendix.

[c] Use the Loan Group characteristics to generate Default and Prepayment rates as described in section 3.6.3.4.3, Single Family Default and Prepayment Procedures, of this Appendix. For the following explanatory variables that are not specified for MBSs, proceed as follows:

1. For fixed rate Ginnie Mae certificates and the small number of multifamily MBS held by the Enterprises, use the model coefficients for Government Loans. For loans underlying Ginnie Mae ARM certificates, use the conventional ARM model coefficients.
2. Set Investor Fraction (IF) = 7.56%
3. Set Relative Loan Size (RLS) = 1.0. For Ginnie Mae certificates, use RLS = 0.75.
4. For LTV_{ORIG} of the underlying loans: Divide the MBS’s single weighted average Loan Group into several otherwise identical Loan Groups (“LTV subgroups”), one for each Original LTV range specified in Table 3-59. UPB₀ for each of these LTV subgroups is the specified percentage of the aggregate UPB₀. AOLTV₀ for each subgroup is also specified in Table 3-59. For Ginnie Mae certificates, use only the 95 < LTV ≤ 100 LTV category and its associated weighted average LTV.
5. For each LTV subgroup, compute LTV₀ as follows:

$$LTV_0 = AOLTV_0 \times \left(\frac{HPI_{ORIG}}{HPI_{AQ'_0}} \right)^{\frac{AQ_0}{AQ'_0}}$$

Where:

- HPI = the national average HPI figures in Table 3-60 (updated as necessary from subsequent releases of the OFHEO HPI).
- A₀ = weighted average age in months of the underlying loans immediately prior to the start of the Stress Test.
- AQ₀ = weighted average age in quarters of the underlying loans immediately prior to the start of the Stress Test. AQ₀ = int (A₀/3).
- AQ'₀ = AQ₀ minus the number of whole quarters between the most recently available HPI at the start of the Stress Test and time zero.
- If AQ'₀ ≤ 0, then LTV₀ = AOLTV₀.

¹ These numbers are updated as necessary from subsequent releases of the HPI after 2000Q3.

² Note: If the underlying loans were originated before 1975, use the HPI from 1975Q1 as HPI_{ORIG}.

6. For each quarter q of the Stress Test, use UPB_q and the house price growth rates from the Benchmark regional time period:

$$LTV_q = LTV_0 \times \frac{\left(\frac{UPB_{m=3q-3}}{UPB_0} \right)}{\exp \sum_{k=1}^q HPGR_K}$$

7. Generate Default, Prepayment and Performance vectors PRE_m, DEF_m and PERF_m for each LTV subgroup. When LTV_{ORIG} is used as a categorical variable, use the corresponding range defined for each LTV subgroup in Table 3-59. For LTV subgroup 95 < LTV < 100, use 90 < LTV_{ORIG} in Table 3-35.

[d] For each LTV subgroup, do not compute any Loss Severity or Credit Enhancement amounts. MBS investors receive the full UPB of defaulted loans.

[e] Compute Total Principal Received (TPR), Total Interest Received (TIR), and Amortization Expense (AE) for each LTV subgroup as directed in section 3.6.3.7.3, Stress Test Whole Loan Cash Flow Procedures and section 3.6.3.8.3, Whole Loan Accounting Flows Procedures, of this Appendix, with the following exception:

- For Net Interest Received (NIR), do not use the Net Yield Rate (NYR_m). Instead, use the Pass-Through Rate (PTR_m) for Fixed Rate Loans, and INDEX_{m-1-LB} + Wt Avg Net Margin, subject to rate resets as described in section 3.6.3.3.3, Mortgage Amortization Schedule Procedures, [a]1.b.3) of this Appendix, for ARMs.
- Calculate Recovery Principal Received using a Loss Severity rate of zero (LS = 0).

[f] Sum over the LTV subgroups to obtain the original MBS's TPR, TIR and AE for m = 1...RM.

[g] Apply counterparty Haircuts in each month m as follows:

- Compute:

$$HctFac_m = \frac{m'}{120} \times MaxHct(R)$$

Where:

m' = m, except for MBS credit rating below BBB where m'=120
 R = MBS credit rating

- Compute:

$$HctAmt_m = (TPR_m + TIR_m) \times HctFac_m$$

[h] The resulting values, for each MBS, of TPR, TIR, AE, and HctAmt for months m = 1...RM are used in the section 3.10, Operations, Taxes, and Accounting, of this Appendix.

3.7.3.2 REMICs and Strips

[a] Cash flows for REMICs and Strips are generated according to standard securities industry procedures, as follows:

- From the CUSIP number of the security, identify the characteristics of the underlying collateral. This is facilitated by using a securities data service.
- Calculate the cash flows for the underlying collateral in the manner described for whole loans and MBS, based on Stress Test interest, Default, and Prepayment rates appropriate for the collateral.
- Calculate cash flows for the Multiclass MBS using the allocation rules specified in the offering materials.
- Determine the cash flows attributable to the specific securities held by an Enterprise, applying the Enterprise's ownership percentage.
- For securities not issued by the Enterprise or Ginnie Mae, reduce cash flows by applying the Haircuts specified in section 3.5, Counterparty Defaults, of this Appendix, as appropriate.

[b] If a commercial information service is used for steps [a] 1 through 4 of this section, the information service may model mortgage product types beyond those described for Whole Loans in section 3.6, Whole Loan Cash Flows, and ARM indexes in addition to those listed in section 3.3, Interest Rates, of this Appendix. In such cases, the cash flows used are generated from the actual data used by the information service for the underlying security.

3.7.3.3 Mortgage Revenue Bonds and Miscellaneous MRS

[a] Cash flows for mortgage revenue bonds and miscellaneous MRS are computed as follows:

- From the start of the Stress Test until the first principal payment date at the start of the Principal Payment Window, the

security pays coupon interest at the Security Interest Rate, adjusted as necessary according to the Security Rate Index and Adjustment information in Table 3-58, but pays no principal.

2. During the Principal Payment Window, the security pays principal and interest equal to the aggregate cash flow from a level pay mortgage whose term is equal to the length of the Principal Payment Window and whose interest rate is the Security Interest Rate. If the Security Interest Rate is zero (as in the case of zero-coupon MRBs), then the security pays principal only in level monthly payment amounts equal to the Current Security Balance divided by the length of the Principal Payment Window.
3. For securities not issued by the Enterprise or Ginnie Mae, reduce cash flows by applying the Haircuts specified in section 3.5, Counterparty Defaults, of this Appendix, as appropriate.

3.7.3.4 Accounting

Deferred balances are amortized as described in section 3.6.3.8, Whole Loan Accounting Flows, of this Appendix, using the Pass-Through Rate (or Security Interest Rate for MRBs) rather than the Net Yield Rate. For principal-only strips and zero-coupon MRBs, assume Allocated Interest is zero. If the conditions in section 3.6.3.8.3.1[a]3.a. of this Appendix, apply, do not realize the full amount in the first month. Instead, amortize the deferred balances using a straight line method over a period from the start of the Stress Test through the latest month with a non-zero cash flow.

3.7.4 Mortgage-Related Securities Outputs

[a] The outputs for MBS and MRS Cash Flows, found in Table 3-61, are analogous to those specified for Whole Loans in section 3.6.4, Final Whole Loan Cash Flow Outputs, of this Appendix, which are produced for each security for each month.

TABLE 3-61—OUTPUTS FOR MORTGAGE-RELATED SECURITIES

Variable	Description
TPR _m	Total Principal Received in month m = 1...RM
TIR _m	Total Interest Received in month m = 1...RM
HctAmt _m	Total Haircut amount in month m = 1...RM
AE _m	Amortization Expense for months m = 1...RM

[b] These outputs are used as inputs to the Operations, Taxes, and Accounting component of the Stress Test, which prepares pro forma financial statements. See section 3.10, Operations, Taxes, and Accounting, of this Appendix.

3.8 Nonmortgage Instrument Cash Flows

3.8.1 Nonmortgage Instrument Overview

[a] The Nonmortgage Instrument Cash Flows component of the Stress Test produces instrument level cash flows and accounting flows (accruals and amortization) for the 120 months of the Stress Test for:

1. Debt
2. Nonmortgage investments
3. Guaranteed Investment Contracts (GICs)
4. Preferred stock
5. Derivative contracts
 - a. Debt-linked derivative contracts
 - b. Investment-linked derivative contracts
 - c. Mortgage-linked derivative contracts
 - d. Derivative contracts that hedge forecasted transactions
 - e. Non-linked derivative contracts

[b] Although mortgage-linked derivative contracts are usually linked to mortgage assets rather than nonmortgage instruments, they are treated similarly to debt-linked and investment-linked derivative contracts and, therefore, are covered in this section.

[c] Debt, nonmortgage investments, and preferred stock cash flows include interest (or dividends for preferred stock) and principal payments or receipts, while debt-linked, investment-linked, and mortgage-linked derivative contract cash flows are composed of interest payments and receipts only. Debt, nonmortgage investments, and preferred stock are categorized in one of six classes² as shown in Table 3-62.

TABLE 3-62—DEBT, NON-MORTGAGE INVESTMENTS, AND PREFERRED STOCK CLASSIFICATIONS

Classification	Description
Fixed-Rate Bonds or Preferred Stock	Fixed-rate securities that pay periodic interest or dividends
Floating-Rate Bonds or Preferred Stock	Floating-rate securities that pay periodic interest or dividends

²In addition to the items listed here, there are instruments that do not fit into these categories. Additional input information and calculation methodologies may be required for these instruments.

Classification	Description
Fixed-Rate Asset-Backed Securities	Fixed-rate securities collateralized by nonmortgage assets
Floating-Rate Asset-Backed Securities	Floating-rate securities collateralized by nonmortgage assets
Short-Term Instruments	Fixed-rate, short-term securities that are not issued at a discount and which pay principal and interest only at maturity
Discount Instruments	Securities issued below face value that pay a contractually fixed amount at maturity

[d] Derivative contracts consist of interest rate caps, floors, and swaps. The primary difference between financial instruments and derivative contracts, in terms of calculating cash flows, is that interest payments on financial instruments are based on principal amounts that are eventually repaid to creditors, whereas interest payments on derivative contracts are based on notional amounts that never change hands. Debt- and investment-linked derivative contracts are categorized in one of seven classes³ as shown in Table 3–63:

TABLE 3–63—DEBT- AND INVESTMENT-LINKED DERIVATIVE CONTRACT CLASSIFICATION

Classification	Description of Contract
Basis Swap	Floating-rate interest payments are exchanged based on different interest rate indexes
Fixed-Pay Swap	Enterprise pays a fixed interest rate and receives a floating interest rate
Floating-Pay Swap	Enterprise pays a floating interest rate and receives a fixed interest rate
Long Cap	Enterprise receives a floating interest rate when the interest rate to which it is indexed exceeds a specified level (strike rate)

³ *Ibid.*

TABLE 3–63—DEBT- AND INVESTMENT-LINKED DERIVATIVE CONTRACT CLASSIFICATION—Continued

Classification	Description of Contract
Short Cap	Enterprise pays a floating interest rate when the interest rate to which it is indexed exceeds the strike rate
Long Floor	Enterprise receives a floating interest rate when the interest rate to which it is indexed falls below the strike rate
Short Floor	Enterprise pays a floating interest rate when the interest rate to which it is indexed falls below the strike rate

[e] Mortgage-linked swaps are similar to debt-linked swaps except that the notional amount of a mortgage-linked swap amortizes based on the performance of certain MBS pools. Mortgage-linked derivative contracts are divided into two classes⁴ as shown in Table 3–64:

TABLE 3–64—MORTGAGE-LINKED DERIVATIVE CONTRACT CLASSIFICATION

Classification	Description of Contract
Fixed-Pay Amortizing Swaps	Enterprise pays a fixed interest rate and receives a floating interest rate, both of which are based on a declining notional balance
Floating-Pay Amortizing Swaps	Enterprise pays a floating interest rate and receives a fixed interest rate, both of which are based on a declining notional balance

[f] In a currency swap, the Enterprise receives payments that are denominated in a foreign currency and it makes payments in U.S. dollars. The main difference between currency swaps and the type of swaps discussed above is that in a currency swap principal amounts are actually exchanged between the two counterparties. Currency swaps are divided into two classes, as shown in Table 3–65.⁵

⁴ *Ibid.*

⁵ *Ibid.*

TABLE 3–65—CURRENCY SWAP CONTRACT CLASSIFICATION

Fixed-for-Fixed Currency Swap	Enterprise receives fixed interest payments denominated in a foreign currency and makes fixed, US dollar-denominated payments

3.8.2 Nonmortgage Instrument Inputs

[a] The Nonmortgage Instrument Cash Flows component of the Stress Test requires numerous inputs. Instrument level inputs provided by the Enterprises in the RBC Report are listed in Table 3-66. Many instrument classes require simulated Interest Rates because their interest payments adjust periodically based on rates tied to various indexes. These rates are generated as described in section 3.3, Interest Rates, of this Appendix.

[b] In addition to the inputs in Table 3-66, other inputs may be required depending on the characteristics of the instrument modeled. For example, the mortgage-linked derivative contract cash flows require inputs describing the performance of the mortgage assets to which they are linked, including Single Family Default and Prepayment rates (See section 3.6.3.4, Single Family Default and Prepayment Rates, of this Appendix). Mortgage-linked derivative contract identification numbers (Asset IDs) are used to link the derivative contract to the required pool

information that will be used to calculate the cash flows of the corresponding swap.

3.8.3 Nonmortgage Instrument Procedures

In general, non mortgage instruments are modeled according to their terms. The general methodology for calculating cash flows for principal and interest payments is described in this section and is not intended to serve as definitive text for calculating all possible present and future complex instruments. As mentioned in section 3.8.2, Nonmortgage Instrument Inputs, of this Appendix, there are some instruments that may require additional input information and calculation methodologies. Simplifying assumptions are made for some instrument terms until they can be modeled more precisely.

3.8.3.1 Apply Specific Calculation Simplifications

[a] In order to produce cash flows, accruals, or amortization of deferred balances, the following simplifications are used for all instruments to which they apply. Should the language in any other portion of section 3.8, Nonmortgage Instrument Cash Flows, of this Appendix, seem to conflict with a statement in this section, the language in section 3.8.3.1 takes precedence.

1. For day count methodology, use one of three methodologies 30/360, Actual/360, and Actual/365. All special day counts (i.e. Actual/366 B, Actual/366 S, Actual/366 E, and Actual/Actual) are treated as Actual/365.
2. Set the first index reset date to the First Coupon Date. If the Issue Date is later than the start of the Stress Test, use the Current Coupon Rate to determine the interest paid from Issue Date to First Coupon Date. When a calculation requires a rate that occurs before the start of the Stress Test, use the Current Coupon Rate. This applies to interest accrued but not paid for the start of the Stress test and to rate indexes where applying a Look Back Period requires data prior to the start of the Stress Test.
 - a. If periodic caps are zero, change them to 999.99; If periodic floors are greater than 1, change them to zero.
 - b. For instruments which have principal balance changes other than those caused by compounding interest, perform calculations as if the principal changes occur only on coupon dates (coupon dates on the fixed-rate leg for swaps) on or later than the first principal change date.
 - c. When using a rate index for a specified term in an option exercise rule or as an index, assume that rate is appropriate for the calculation. Do not convert from bond equivalent yield to another yield

form for a discount, monthly pay, quarterly pay, semi-annual pay or annual pay instrument.

3. When applying the option exercise rule:
 - a. For zero coupon and discount securities, instruments with European options, and zero coupon swaps, evaluate option exercise only on dates listed in the instrument's option exercise schedule. For Bermudan options, evaluate option exercise on the first option date in the instrument's option exercise schedule and subsequent coupon dates (coupon dates on the fixed-rate leg for swaps). For American options, evaluate option exercise on the first option date in the instrument's option exercise schedule and subsequent monthly anniversaries of the instrument's first coupon date.
 - b. Assume all call/put premiums/discounts are zero except for zero coupon instruments (including zero coupon swaps and discount notes). For these exceptions, when calculating a rate to compare with the Enterprise Cost of Funds, use the yield to maturity calculated by equating the face or notional amount plus the unamortized discount at the start of the Stress Test to the present value of the face or notional amount at maturity.
 - c. Assume basis swaps and floating rate securities have no cancel, put, or call options.
 - d. If the remaining maturity is greater than 360 months, use the equivalent-maturity Enterprise Cost of Funds as if the remaining maturity is 360 months.
 - e. In the Stress Test, no preferred stock issued by the Enterprise will be called.

3.8.3.2 Determine the Timing of Cash Flows

Project payment dates from the payment date immediately prior to the start of the stress test according to the Payment Frequency, First Coupon Date, and Maturity Date.

3.8.3.3 Obtain the Principal Factor Amount at Each Payment Date

[a] Where there is no amortization or prepayment of principal, the Principal Factor Amount is 1.0 for each payment date until the stated Maturity Date, when it becomes zero.

[b] For debt and debt-linked derivative contracts that amortize, either a principal or a notional amortization schedule must be provided. If amortization information is unavailable, then the Principal Factor Amount is 1.0 for each payment date until the stated Maturity Date, when it becomes zero.

[c] Monthly prepayment rates are 3.5 percent for fixed-rate and 2.0 percent for floating-rate asset-backed securities. Furthermore, asset-backed securities are modeled through a commercial information service

where possible. Instruments that cannot be modeled through the commercial information service are treated in accordance with section 3.9, Alternative Modeling Treatments, of this Appendix.

[d] In the case of mortgage-linked derivative contracts, notional amounts are amortized based on the characteristics of the underlying pool in the manner described for principal balances of mortgage-backed securities held by an Enterprise in section 3.7, Mortgage-Related Securities Cash Flows, of this Appendix.

3.8.3.4 Calculate the Coupon Factor

The Coupon Factor applicable to a given period, which applies to dividends also, depends on day count conventions used to calculate the interest payments for the instrument. For example, the Coupon Factor for a bond that pays interest quarterly based on a non-compounded 30/360 convention would be 3 (representing the number of months in a quarter) times 30 days divided by 360 days, or 0.25. Table 3-67 lists the most common day count conventions.

TABLE 3-67—DAY COUNT CONVENTIONS

Convention	Coupon Factor Calculation
30/360	Number of days between two payment dates assuming 30 days per month/360
Actual/360	Number of days between two payment dates/360
Actual/365	Number of days between two payment dates/365
Actual/Actual	Number of days between two payment dates/Number of days in the year

3.8.3.5 Project Principal Cash Flows or Changes in the Notional Amount

For all financial instruments, principal outstanding for the current period is determined by multiplying the Original Face by the Principal Factor Amount for the current period. The principal payment equals the amount of principal outstanding at the end of the previous period less the principal outstanding at the end of the current period, or zero if the instrument has a notional amount.

3.8.3.6 Project Interest and Dividend Cash Flows

3.8.3.6.1 Non-Complex Financial Instruments

[a] *Fixed-Rate Instruments.* The current period principal outstanding is multiplied by

the product of the Current Coupon and current period Coupon Factor and rounded to even 100ths of a dollar.

[b] *Zero-Coupon Bonds*. Interest payments equal zero.

[c] *Discount Notes*. Interest payments equal zero.

[d] *Floating-Rate Instruments*. Interest payments are calculated as principal outstanding multiplied by the coupon for the current period. The current period coupon is calculated by adding a spread to the appropriate interest rate index and multiplying by the Coupon Factor. The coupon for the current period is set to this amount as long as the rate lies between the periodic and lifetime maximum and minimum rates. Otherwise the coupon is set to the maximum or minimum rate.

[e] *Interest Rate Caps and Floors*. These derivative instruments pay or receive interest only if the underlying index is above a Strike Rate (for caps) or below it (for floors). Interest payments are based on notional amounts instead of principal amounts.

1. The interest payment on a long cap is the Original Face multiplied by the amount, if any, by which the index exceeds the Strike Rate, as defined by the equation in Table 3-68. The interest payment on a long floor is the Original Face multiplied by the amount, if any, by which the index is below the Strike Rate. Otherwise interest payments are zero for caps and floors. Interest payments are either paid or received depending on whether the Enterprise is in a long or short position in a cap or a floor.
2. Monthly cash flows for long caps and floors are calculated as illustrated in Table 3-68:

TABLE 3-68—CALCULATION OF MONTHLY CASH FLOWS FOR LONG CAPS AND FLOORS

Instrument	Cash Flows
Cap	$(I - K) \times N \times D$ if $I > K$; 0 if $I \leq K$
Floor	$(K - I) \times N \times D$ if $I < K$; 0 if $I \geq K$

Where:

N = Original Face

K = Strike Rate

I = interest rate index

D = Coupon Factor

[f] *Swaps*. A derivative contract in which counterparties exchange periodic interest payments. Each swap leg (pay side or receive side) is modeled as a separate instrument, with interest payments based on the same notional amount but different interest rates.

1. For debt- and investment-linked swaps, each leg's interest payment is determined in the same manner as payments

for fixed-rate, floating-rate or zero coupon instruments as described in paragraph [a], [b] and [d] of this section.

2. For mortgage-linked swaps, calculate the reduction in the notional amount due to scheduled monthly principal payments (taking into account both lifetime and reset period caps and floors), Prepayments, and Defaults of the reference MBS or index pool. Reduce the notional amount of the swap for the previous period by this amount to determine the notional amount for the current period. Calculate interest payments or receipts for a given period as the product of the notional amount of the swap in that period, the coupon, and the Coupon Factor applicable for that period.

3.8.3.6.2 Complex Financial Instruments

[a] Some instruments have more complex or non-standard features than those described in section 3.8.3.6.1, Non-Complex Financial Instruments, of this Appendix. These complexities can include more sophisticated variants of characteristics such as principal or notional amortization schedules, interest accrual methodologies, coupon reset formulas, and option features. In these instances, additional information may be required to completely specify the contractual cash flows or a proxy treatment for these instruments.

[b] An example of an instrument with complex features is an indexed amortizing swap. This instrument is non-standard because its notional amount declines in a way that is related to the level of interest rates. Its amortization table contains a notional amount reduction factor for a given range of interest rates. To compute cash flows for this instrument, reduce the notional amount on each payment date as specified in the amortization table. (The notional amount at the beginning of the Stress Period is given as an input to the calculation.)

[c] Special treatment is also required for foreign-currency-linked notes, the redemption value of which is tied to a specific foreign exchange rate. These require special treatment because the Stress Test does not forecast foreign currency rates. If these instruments are currency-hedged, then the note plus the hedge comprise a synthetic debt instrument for which only the pay side of the swap is modeled. If these instruments are not currency-hedged, the following treatment applies:

1. In the up-rate scenario, the U.S. dollar per unit of foreign currency ratio is increased in proportion to the increase in the ten-year CMT; therefore, the amount of an interest or principal payment is increased accordingly. For example, if the ten-year CMT shifts up by 50 percent, then the U.S. dollar per unit of foreign currency ratio shifts up by 50 percent. In

the Stress Test, the payment would be multiplied by 1.5.

2. In the down-rate scenario, the foreign currency per U.S. dollar ratio is decreased in proportion to the decrease in the ten-year CMT.

[d] If a financial instrument's inputs are described in section 3.1, Data, of this Appendix, then model the instrument according to its terms; however, the Director reserves the authority to determine a more appropriate treatment if modeling the instrument according to its terms does not capture the instrument's impact on Enterprise risk. If the financial instrument's inputs are not described in section 3.1, then treat it as described in section 3.9, Alternative Modeling Treatments, of this Appendix.

3.8.3.7 Apply Call, Put, or Cancellation Features, if Applicable

[a] In some cases, principal and interest cash flows may be altered due to options imbedded in individual financial instruments. Securities can be called or put and contracts can be cancelled at the option of the Enterprise or the counterparty. The Option Type, Exercise Convention Type, and the Start Date determine when an option may be exercised. There are three standard Exercise Convention Types, all of which are accommodated in the Stress Test:

- American—Exercise can occur at any time after the Start Date of the option.
- European—Exercise can occur only on the Start Date of the option.
- Bermudan—Exercise can occur only on specified dates, usually on coupon payment dates between the Start Date of the option and maturity.

[b] The options are treated in the following manner for each date on which the option can be exercised:

1. Project cash flows for the instrument with the imbedded option assuming that the option is not exercised. If the instrument is tied to an index, assume that the index remains constant at its value on that date.
2. Determine the discount rate that equates the outstanding balance of the security plus option premium and accrued interest to the sum of the discounted values of the projected cash flows. This discount rate is called the yield-to-maturity.
3. Convert the yield-to-maturity to a bond-equivalent yield and compare the bond-equivalent yield with the projected Enterprise Cost of Funds for debt with an equivalent maturity. Interpolate linearly if the maturity is not equal to one of the maturities specified in section 3.3, Interest Rates, of this Appendix.
4. If the equivalent-maturity Enterprise Cost of Funds is lower (higher) than 50 basis points below (above) the bond-equivalent yield of the callable (puttable) instru-

ment, then the option is exercised. Otherwise, the option is not exercised, and it is evaluated at the next period when the option can be exercised.

[c] Some swap derivative contracts have cancellation features that allow either counterparty to terminate the contracts on certain dates. The cancellation feature is evaluated by comparing the fixed-rate leg of the swap to the Enterprise Cost of Funds. If either leg of the swap is cancelled, then the other leg is cancelled concurrently. Cancellable swaps are treated in the following manner:

1. For each period when an option can be exercised, compare the swap's fixed-leg coupon rate to the Enterprise Cost of Funds with a maturity equivalent to the maturity date of the swap.
2. If the option is a Call, it is deemed to be exercisable at the discretion of the Enterprise. If the option is a Put, it is deemed to be exercisable at the discretion of the Counterparty. If the option is a PutCall, it is deemed to be exercisable at the discretion of either party to the swap. Exercise the option when the swap is out of the money for the party who holds the option. A swap is considered out of the money when the rate on its fixed leg is at least 50 basis point higher or lower, depending upon whether the fixed rate is paid or received, than the like-maturity Enterprise Cost of Funds. For zero coupon swaps in all option exercise periods, use the yield to maturity calculated by equating the notional amount plus the unamortized discount at the start of the Stress Test to the present value of the notional amount at maturity.
 - a. For example, if the Enterprise holds a call option for a fixed-pay swap and the coupon rate on the fixed-pay leg is at least 50 basis points above the Enterprise cost of funds for a maturity equivalent to that of the swap, then cancel the swap. Otherwise, the swap is not cancelled and it is evaluated the next time that the swap can be cancelled.

3.8.3.8 Calculate Monthly Interest Accruals for the Life of the Instrument

[a] Monthly interest accruals are calculated by prorating the interest cash flows on an actual-day basis. In this section, the term "from" means from and including, "to" means up to and not including, and "through" means up to and including. As an example, from the first to the third of a month is two days from the first through the third is three days. This convention is used to facilitate the day count and does not imply on which day's payments or accruals are actually made. Use one of the three following methodologies with the exception that interest cash flow dates occurring on or

after the 30th of a month are considered as occurring on the last day of the month:

1. If the final interest cash flow occurs within the month, the interest accrual for that month is calculated by multiplying the final interest cash flow amount (as calculated in section 3.8.3.6 of this Appendix) times the number of days from the beginning of the month through the final maturity date divided by the number of days from the previous interest cash flow date to the maturity date.
2. If an interest cash flow other than the final interest cash flow occurs within a month, the interest accrual for that month is determined by multiplying the interest cash flow amount for the current month times the number of days from the beginning of the month through the interest cash flow date, divided by the number of days from the previous interest cash flow date (or issue date) to this interest cash flow date. To this add the interest cash flow amount for the next interest cash flow date times the number of days from the current month's interest cash flow date to the end of the month, divided by the number of days from the current month's interest cash flow date to the following next interest cash flow date.

3. If no interest cash flows occur during a month other than the issue month, the monthly interest accrual is calculated by multiplying the next interest cash flow amount times the number of days in the month divided by the number of days from the previous interest cash flow date to the next interest cash flow date.
4. If the issue month occurs after the start of the Stress Test, the monthly interest accrual is calculated by multiplying the next interest cash flow amount by the number of days in the month minus the day of issue, divided by the number of days from the issue date to the next interest cash flow date.

3.8.3.9 Calculate Monthly Amortization (Accretion) of Premiums (Discounts) and Fees

[a] Adjust monthly interest accruals (see section 3.10.3.6.1[a]3., of this Appendix) to reflect the value over time of discounts, premiums, fees and hedging gains and losses incurred (Deferred Balances). Amortize Deferred Balances that exist at the beginning of the Stress Test until the instrument's Maturity Date. If there are any put, call, or cancel options that are executed, amortize any remaining Deferred Balances in the execution month.

TABLE 3-69—INPUTS FOR NONMORTGAGE INSTRUMENT ACCOUNTING FLOWS

Variable	Description	Source
MD	Maturity Date	Table 3-66, Input Variables for Non-mortgage Instrument Cash Flows
UDB ₀	The sum of Current Unamortized Discount, Current Unamortized Hedge, and Current Unamortized Other (Deferred Balances) for the instrument at the start of the Stress Test	Table 3-66, Input Variables for Non-mortgage Instrument Cash Flows
MACRU _m	Monthly Interest Accruals	section 3.8.3.8, Calculate Monthly Interest Accruals for the Life of the Instrument
EOMPBAO _m	Principal Balance at the end of the month for months m = 0...RM after modeling all options execution	section 3.8.3.6, Project Interest and Dividend Cash Flows
EOMPBM _m	Principal Balance at the end of the month for months m = 0...RM before modeling any options execution	section 3.8.3.6, Project Interest and Dividend Cash Flows

1. Compute Remaining Term (RM) as follows:

$$RM = 12 \times (\text{year (MD)} - \text{year (STDT)}) + \text{month (MD)} - \text{month (STDT)} + 1$$

Where:

STDT is the Starting Date of the Stress Test

2. For nonmortgage instruments with notional principal, calculate the monthly Amortization Amount (AA_m) for each month m = 1...RM:

$$AA_m = -\frac{UDB_0}{RM} \text{ if } EOMPBAO_m > 0$$

$$AA_m = -UDB_{m-1} \text{ if } EOMPBAO_m = 0$$

$$UDB_m = UDB_{m-1} + AA_m$$

3. For nonmortgage instruments with principal and interest payments,
- Compute Allocated Interest for all months m (AI_m) as follows:

$$AI_m = \left[\frac{EOMP B_{m-1}}{\sum_{k=0}^{RM} EOMP B_k} \right] \times \sum_{k=1}^{RM} MACRU_k$$

- Calculate the monthly Internal Rate of Return (IRR) that equates the adjusted cash flows (actual principal plus allocated interest) to the Initial Book Value (BV_0) of the instrument. Solve for IRR such that:

$$BV_0 = \sum_{m=1}^{RM} \frac{ACF_m}{(1+IRR)^m}$$

Where:

$$BV_0 = EOMP B_0 + UPD_0$$

$$ACF_m = EOMP B_{m-1} - EOMP B_m + AI_m$$

- Calculate the monthly Amortization Amount (AA_m) for each month $m = 1 \dots RM$:

$$AA_m = (BV_{m-1} \times IRR) - AI_m \text{ if } EOMPBAO_m > 0$$

$$AA_m = -UDB_{m-1} \text{ if } EOMPBAO_m = 0$$

$$UDB_m = UDB_{m-1} + AA_m$$

$$BV_m = EOMPBAO_m + UDB_m$$

4. For discount notes,
- Calculate Remaining Maturity in Actual Days (RMD):

$$RMD = MD - STDT + 1$$

- Calculate the month Amortization Amount (AA_m) for each month $m = 1 \dots RM$:

$$AA_m = -UDB_0 \times \frac{ADAYS_m}{RDM} \text{ if } EOMPBAO_m > 0$$

$$AA_m = -UDB_{m-1} \text{ if } EOMPBAO_m = 0$$

$$UDB_m = UDB_{m-1} + AA_m$$

Where:

$ADAYS_m$ = actual number of days in month m (days from the first of the month through maturity in month RM)

5. For zero coupon bonds,
- Calculate Remaining Maturity in Actual Days (RMD):

$$RMD = MD - STDT + 1$$

- Calculate Yield Factor (YF):

$$YF = \left(\frac{EOMP B_0}{EOMP B_0 + UDB_0} \right)^{\frac{1}{RMD}}$$

- Calculate the monthly Amortization Factor (AF_m) for each month $m = 1 \dots RM$:

$$AF_m = 1 \text{ if } m = 0$$

$$AF_m = AF_{m-1} \times YF^{ADAYS_m}$$

Where:

$ADAYS_m$ = actual number of days in month m (days from the first of the month through maturity in month RM):

- Calculate the monthly Amortization Amount (AA_m) for each month $m = 1 \dots RM$:

$$AA_m = (EOMP B_0 + UDB_0) \times (AF_m - AF_{m-1}) \text{ if } EOMPBAO_m > 0$$

$$AA_m = -UDB_{m-1} \text{ if } EOMPBAO_m = 0$$

$$UDB_m = UDB_{m-1} + AA_m$$

3.8.3.10 Apply Counterparty Haircuts

[a] Finally, the interest and principal cash flows received by the Enterprises for non-mortgage instruments other than swaps and foreign currency-related instruments are

Haircut (i.e., reduced) by a percentage to account for the risk of counterparty insolvency, if a counterparty obligation exists. The amount of the Haircut is calculated based on the public rating of the counterparty and time during the stress period in which the cash flow occurs, as specified in section 3.5, Counterparty Defaults, of this Appendix.

[b] An Enterprise may issue debt denominated in, or indexed to, foreign currencies, and eliminate the resulting foreign currency exposure by entering into currency swap agreements. The combination of the debt and the swap creates synthetic debt with principal and interest payments denominated in U.S. dollars. The Haircuts for currency swaps are applied to the pay (dollar-denominated) side of the currency swaps, or to the cash outflows of the synthetic debt instrument. Therefore, the payments made by the Enterprise on a foreign currency contract are increased by the haircut amount. The Haircuts and the Phase-in periods for currency swaps are detailed in Table 3-31, under Derivative Contracts.

[c] Haircuts for swaps that are not foreign currency related are applied to the Monthly Interest Accruals (as calculated in section 3.8.3.8, of this Appendix) on the receive leg minus the Monthly Interest Accruals on the pay leg when this difference is positive. Use the maximum haircut from Table 3-31 for periods before and after the implementation of netting, as appropriate. After the implementation of netting, net the swap proceeds for each counterparty before applying the haircuts. The following example applies to an Enterprise having two swaps with the same counterparty. On the first swap, the Enterprise pays fixed and receives floating and on the second swap it pays floating and receives fixed. If the counterparty is a net payer to the Enterprise, the haircuts will be applied to the sum of the two receive legs net of the sum of the two pay legs.

3.8.4 Nonmortgage Instrument Outputs

[a] Outputs consist of cash flows and accounting information for debt, nonmortgage investments, preferred stock, and derivative contracts. Cash flows and accounting information outputs are inputs to section 3.10, Operations, Taxes, and Accounting, of this Appendix.

[b] Cash flows include the following monthly amounts:

1. Interest and principal payments for debt and nonmortgage investments,
2. Dividends and redemptions for preferred stock, and
3. Interest payments for debt-linked, investment-linked, and mortgage-linked derivative contracts.

[c] Accounting information includes the following monthly amounts:

1. Accrued interest and

2. Amortization of discounts, premiums, fees and other deferred items.

3.9 Alternative Modeling Treatments

3.9.1 Alternative Modeling Treatments Overview

[a] This section provides treatment for items that cannot be modeled in one of the ways specified in paragraph [b] of this section, but must be included in order to run the Stress Test. Because the rule provides treatments for a wide variety of instruments and activities that can be applied to accommodate unusual instruments, OFHEO expects few items to fall into this category.

[b] An Alternative Modeling Treatment (AMT) applies to any on- or off-balance-sheet item that is missing data elements required to calculate appropriate cash flows, or any instrument with unusual features for which this Appendix does *not*:

1. Provide an explicit computational procedure and set of inputs (i.e., the Appendix specifies exact data inputs and procedures for a class of instruments to which the item belongs); or,
2. Provide an implicit procedure (used for a general class of instruments), and explicit inputs that allow the item to be fully characterized for computational purposes (i.e., the Appendix specifies procedures and data inputs for a class of instruments to which the item does not belong that can be applied to the item to accurately compute its cash flows); or
3. Provide an implicit procedure by exact substitution, i.e., by representing the item as a computationally equivalent combination of other items that are specified in paragraphs (1) or (2) in this section (i.e., the Appendix specifies treatments for two or more instruments, which, in combination, exactly produce the item's cash flows); or
4. Permit the approximation of one or more computational characteristics by other similar values that are explicitly specified in this Appendix, or in the RBC Report instructions (i.e., the Appendix specifies a treatment, or combination of treatments, that can be used as a reasonable proxy for the computational characteristics of the item). Such proxy treatments must be approved by OFHEO. OFHEO may, in its discretion, approve a proposed proxy treatment, adopt a different proxy treatment, or treat items for which a proxy treatment has been proposed by the Enterprises according to the remaining provisions of section 3.9, Alternative Modeling Treatments, of this Appendix.

[c] For a given on- or off-balance sheet item, the appropriate AMT is determined according to the categories specified in section

3.9.3, Alternative Modeling Treatments Procedures, of this Appendix, based on the information available for that item. The output for each such item is a set of cash and accounting flows, or specific amounts to be applied in section 3.12, Calculation of the Risk-Based Capital Requirement, of this Appendix.

3.9.2 Alternative Modeling Treatments Inputs

Table 3–70 identifies the minimal inputs that are used to determine an AMT. (See also section 3.1, Data, of this Appendix)

TABLE 3–70—ALTERNATIVE MODELING TREATMENT INPUTS

Variable	Description
TYPE	Type of item (asset, liability or off-balance sheet item)
BOOK	Book Value of item (amount outstanding adjusted for deferred items)
FACE	Face Value or notional balance of item for off-balance sheet items
REMATUR	Remaining Contractual Maturity of item in whole months. Any fraction of a month equals one whole month.
RATE	Interest Rate
INDEX	Index used to calculate Interest Rate
FAS115	Designation that the item is recorded at fair value, according to FAS 115
RATING	Instrument or counterparty rating
FHA	In the case of off-balance sheet guarantees, a designation indicating 100% of collateral is guaranteed by FHA
UABAL	Unamortized Balance (Book minus Face)
MARGIN	Margin over an Index

3.9.3 Alternative Modeling Treatments Procedures

For each item, one of the following alternatives will be applied:

3.9.3.1 Off-Balance Sheet Items

[a] If the item is a guarantee of a tax-exempt multifamily housing bond, or a single family or multifamily whole-loan REMIC class rated triple-A, or other similar transaction guaranteed by the Enterprises, multiply the face value of the guaranteed instruments by 0.45 percent. This amount is added to the amount of capital required to maintain positive total capital throughout the ten-year Stress Period. Any instruments or obligations with 100 percent of collateral guaranteed by the Federal Housing Administration (FHA) are excluded from this calculation.

[b] Otherwise, add to the amount of capital required to maintain positive total capital throughout the ten-year Stress Period an amount equal to the face or notional value of the item at the beginning of the Stress Period times three percent.

3.9.3.2 Reconciling Items

Reconciling items falling into this category will be treated according to the specifications in section 3.10, Operations, Taxes, and Accounting, of this Appendix.

3.9.3.3 Balance Sheet Items

[a] If the item is a trading security recorded at fair value according to FAS 115, then the book value (the face value adjusted for deferred balances) will be converted to cash in the first month of the Stress Test.

[b] Otherwise, if the item is an earning asset, then it is treated as a held-to-maturity asset, based on book value, as follows:

1. In the up-rate scenario, it will be treated as a held-to-maturity bond paying compound interest on a 30/360 basis at maturity, with the item’s contractual maturity and rate. The item will be Haircut according to its rating. If no maturity is provided, maturity will be set at 120 months. If no rate is provided, a rate will be assigned at the Initial Enterprise Cost of Funds whose term is equal to the remaining maturity, less 200 basis points (but not less than zero). If no rating is

provided, the asset will be classified as unrated.

2. In the down-rate scenario, it will be treated as a held-to-maturity bond paying compound interest on a 30/360 basis at maturity, with the item's contractual maturity and rate. The item will be Haircut according to its rating. If no maturity is provided, maturity will be set at 120 months. If no rate is provided, a rate will be assigned at the floating one-month Enterprise Cost of Funds less 200 basis points (but not less than zero). If no rating is provided, the asset will be classified as unrated.

[c] If the item is a non-earning asset it will remain on the books and earn no interest throughout the Stress Period.

[d] Otherwise, if the item is a liability, then it is treated as follows, based on book value:

1. In the up-rate scenario, it will be treated as non-callable and monthly coupon-paying to maturity on a 30/360 basis. If the coupon rate is not specified, the liability will be given a floating rate at the one-month Enterprise Cost of Funds plus 200 basis points. If no maturity is provided, maturity will be set at 120 months.
2. In the down-rate scenario, it will be treated as non-callable and monthly coupon paying to maturity. If no coupon is provided, the liability will be given a fixed rate at the Initial Enterprise Cost of Funds plus 200 basis points. If no maturity is provided, maturity will be set at ten years.

[e] Unamortized Balances should be amortized on a straight-line basis over the designated remaining maturity of the instrument.

[f] All items in this section are treated as if they had no options or cancellation features. The face value will be held constant until maturity. If an item has an adjustable rate, it is assumed that the interest rate will adjust monthly with no caps and a lifetime floor of zero percent.

3.9.4 Alternative Modeling Treatments Outputs

For each AMT item, the output is a set of cash and accounting flows appropriate to its respective treatment as specified in section 3.9.3, Alternative Modeling Treatments Procedures, or specific amounts to be applied in section 3.12, Calculation of the Risk-Based Capital Requirement, of this Appendix.

3.10 Operations, Taxes, and Accounting

3.10.1 Operations, Taxes, and Accounting Overview

This section describes the procedures for determining new debt issuance and investments, computing capital distributions, calculating operating expenses and taxes, and creating pro forma balance sheets and income statements. Input data include an Enterprise's balance sheet at the beginning of the Stress Period, interest rates from the Interest Rates component of the Stress Test, and the outputs from cash flow components of the Stress Test. The outputs of the procedures discussed in this section—monthly pro forma balance sheets, cash flow and income statements for each month of the Stress Test—are the basis for the capital calculation described in section 3.12, Calculation of the Risk-Based Capital Requirement, of this Appendix.

3.10.2 Operations, Taxes, and Accounting Inputs

[a] Data described in section 3.1, Data, section 3.3.4, Interest Rates Outputs, section 3.6.4, Final Whole Loan Cash Flow Outputs, section 3.7.4, Mortgage-Related Securities Outputs, and section 3.8.4, Nonmortgage Instrument Outputs, of this Appendix, is used to produce monthly pro forma balance sheets and income statements for the Enterprises. In addition to the starting position data, described in the cash flow components, the Enterprises provide the starting position dollar values for the items in Table 3-71.

3.10.3 Operations, Taxes, and Accounting Procedures

The Stress Test calculates new debt and investments, dividends, allowances for loan losses, operating expenses, and income taxes. These calculations are determined by, and also affect, the pro forma balance sheets and income statements during the Stress Period.

3.10.3.1 New Debt and Investments

[a] For each month of the Stress Test, cash deficits and surpluses are eliminated by issuing new debt or purchasing new investments. The Stress Test calculates cash received and cash disbursed each month in

order to determine the net availability of cash. Depending on the calculated net cash position at month end, new short term investments are purchased at mid-month or a mix of long and short term debt is issued at mid-month so that the recalculated net cash position at month end is zero.

[b] For each month of the Stress Test, the following calculations are performed to determine the amount and type of new debt and investments. The short-term investments and appropriate mix of long-term and short-term debt are reflected in the pro forma balance sheets. Interest income or interest expense for the new investments or debt are reflected in the pro forma income statements.

1. In any month in which the cash position is positive at the end of the month, the Stress Test invests the Enterprise's excess cash on the 15th day of that month in one-month Treasury bills that yield the six-month Treasury rate for that

Pt. 1750, Subpt. B, App. A

12 CFR Ch. XVII (1–1–03 Edition)

month as specified in section 3.3, Interest Rates, of this Appendix.

2. In any month in which the cash position is negative at the end of the month, the Stress Test issues a mix of new short-term and long-term debt on the 15th day of that month. New short-term debt issued is six-month discount notes with a discount rate at the six-month Enterprise Cost of Funds as specified in section 3.3, Interest Rates, of this Appendix, with interest accruing on a 30/360 basis. New long-term debt issued is five-year bonds not callable for the first year (“five-year-no call-one”) with an American call at par after the end of the first year, semiannual coupons on a 30/360 basis with principal paid at maturity or call, and a coupon rate set at the five year Enterprise Cost of Funds as specified in section 3.3, Interest Rates, of this Appendix, plus a 50 basis point premium for the call option. During the Stress Test, the call option for new long-term debt issued is not executed in the up-rate scenario and in the down-rate scenario follows the same call exercise rule as other debt. An issuance cost of 2.5 basis points is assessed on new short-term debt at issue and an issuance cost of 20 basis points is assessed on new long-term debt at issue. New long-term debt is issued to target a total debt mix of short- to long-term debt that is the same as the short- to long-term debt mix at the beginning of the Stress Test. Issuance fees for new debt are amortized on a straight line basis to the maturity of the appropriate instrument.
3. Given the Net Cash Deficit (NCD_m) in month m, use the following constants and method to calculate the amount of short-term and long-term debt to issue in month m:
 - a. Set the Issuance Cost on new short-term debt at issue (ISCOST):
ISCOST = 0.00025
 - b. Set the Issuance Cost on new long-term debt at issue (ILCOST):
ILCOST = 0.002
 - c. Calculate Net Short-term Debt Outstanding (NSDO₀) and Total Debt Outstanding (TDO₀) at the start of the Stress Test (m = 0) using the following methodology:
 - 1) For each month m and each debt and swap instrument i (each swap leg is considered a separate instrument), determine the Month of Next Repricing (MNR_m) defined as the first month greater than m in which the instrument matures or repricing can occur whether or not the coupon rate actually changes. Set the Principal Balance (PB_m) to be:
 - a) The principal (or notional principal) outstanding if the instrument cash flows are paid by the Enterprise,

- b) Minus the principal (or notional principal) outstanding if the instrument cash flows are received by the Enterprise.
- c) Zero if m is less than or equal to the issue month or the month in which an option exercised during the stress test would begin accruing cash flows to or from the Enterprise.
- d) Zero if m is greater than or equal to the maturity month or the month in which an option exercised during the stress test would cease further cash flows to or from the Enterprise.
- 2) Calculate NSDO_m by summing PB_{m,i} for all instruments where MNR_{m,i} is less than or equal to m plus 12.
- 3) Calculate TDO_m by summing PB_{m,i} for instruments where MNR_{m,i} is greater than m.
- d. Set the Maximum Proportion of Total Debt (MPD):

$$MPD = \frac{TDO_0 - NSDO_0}{TDO_0}$$

- e. Calculate Discount Rate Factor (DRF_m):

$$DRF_m = \left(1 + \frac{CF_m}{12}\right)^6$$

Where: CF_m = six month Enterprise Cost of Funds for month m

- f. Calculate the Adjustment Factor for Short-Term Debt Issuance Fees (AFSIF_m):

$$AFSIF_m = \frac{DRF_m}{1 - ISCOST \times DRF_m}$$

- g. Calculate the Adjustment Factor for Long-Term Debt Issuance Fees (AFLIF_m):

$$AFLIF_m = \frac{1}{1 - ILCOST}$$

- h. Calculate the Maximum Long-Term Issuance (MLTI_m):

$$MLTI_m = NCD_m \times AFLIF_m$$

- i. Calculate Net Short-Term Debt Outstanding (NSDO_m) and Total Debt Outstanding (TDO_m) for month m using the methodology described in paragraph 3.10.3.1.[b]3.c. of this appendix. *Note:* This calculation must reflect all new issuances, option exercises, and maturities between the beginning of the Stress Test and month m.
- j. Calculate Interim Face Amount of Long-Term Debt to be issued this month (IFALD_m):

$$\text{IFALD}_m = \frac{((\text{MPD} - 1) \times \text{TDO}_m) + \text{NSDO}_m + (\text{MPD} \times \text{AFSIF}_m \times \text{NCD}_m)}{1 - \text{MPD} + \left(\text{AFSIF}_m \times \frac{\text{MPD}}{\text{AFLIF}_m} \right)}$$

k. Calculate Face Amount of Long-Term Debt to be issued (FALD_m):

$$\text{FALD}_m = \min(\text{MLTI}_m, \max(0, \text{IFALD}_m))$$

l. Calculate Face Amount of Short-Term Debt to be issued (FASD_m):

$$\text{FASD}_m = \text{AFSIF}_m \times \max\left(0, \text{NCD}_m - \frac{\text{FALD}_m}{\text{AFLIF}_m}\right)$$

3.10.3.2 Dividends and Share Repurchases

[a] The Stress Test determines quarterly whether to pay dividends and make share repurchases. Dividends are decided upon and paid during the first month after the end of the quarter for which they are declared. If any dividends are paid, the dividend payout cannot exceed an amount equal to core capital less the estimated minimum capital requirement at the end of the quarter. Share repurchases are made during the middle month of the quarter.

1. *Preferred Stock.* An Enterprise will pay dividends on preferred stock as long as that Enterprise meets the estimated minimum capital requirement before and after the payment of these dividends. Preferred stock dividends are based on the coupon rates of the issues outstanding. The coupon rates for any issues of variable rate preferred stock are calculated using projections of the appropriate index rate. Preferred stock dividends may not exceed core capital less the estimated minimum capital requirement at the end of the preceding quarter.
2. *Common Stock.* In the first year of the Stress Test, dividends are paid on common stock in each of the four quarters after preferred dividends, if any, are paid unless the Enterprise's capital is, or after the payment, would be, below the estimated minimum capital requirement.
 - a. *First Quarter.* In the first quarter, the dividend is the dividend per share ratio for common stock from the quarter preceding the Stress Test (adjusted by the ratio of Enterprise retained earnings and retained earnings after adjustments are made that revert investment securities and derivatives to amortized cost) times the current number of shares of common stock outstanding.

b. *Subsequent Quarters.*

- 1) In the three subsequent quarters, if the preceding quarter's after tax income is greater than after tax income in the quarter preceding the Stress Test, pay the larger of (1) the dividend per share ratio for common stock from the quarter preceding the Stress Test (adjusted by the ratio of Enterprise retained earnings and retained earnings after adjustments are made that revert investment securities and derivatives to amortized cost) times the current number of shares of common stock outstanding or (2) the average dividend payout ratio for common stock for the four quarters preceding the start of the Stress Test times the preceding quarter's after tax income (adjusted by the ratio of Enterprise retained earnings and retained earnings after adjustments are made that revert investment securities and derivatives to amortized cost) less preferred dividends paid in the current quarter. In no case may the dividend payment exceed an amount equal to core capital less the estimated minimum capital requirement at the end of the preceding quarter.
- 2) If the previous quarter's after tax income is less than or equal to after tax income in the quarter preceding the Stress Test (adjusted by the ratio of Enterprise retained earnings and retained earnings after adjustments are made that revert investment securities and derivatives to amortized cost), pay the lesser of (1) the dividend per share ratio for common stock for the quarter preceding the Stress Test times the current number of shares of common stock outstanding or (2) an amount equal to core capital less the estimated minimum capital requirement at the end of the preceding quarter, but not less than zero.

3. *Share Repurchases.* In the first two quarters of the Stress Test, the capital of the Enterprises will be reduced to reflect the repurchase of shares. The amount of the capital reduction in each of those two quarters will be equal to the average net stock repurchases by the Enterprise during the four quarters preceding the start of the Stress Period. Net stock repurchases equal repurchases less receipts from new stock issued, but not less than zero. Repurchases in each of the first two quarters may occur only up to the point that the amount of core capital exceeds the estimated minimum capital requirement at the end of the first month of the quarter.
4. *Minimum Capital Requirements.* For the purposes of the Stress Test, the Enterprise's minimum capital requirement is computed by applying leverage ratios to all assets (2.50 percent) and off-balance sheet obligations (0.45 percent), and summing the results. Repurchases of an Enterprise's own previously-issued MBSs are excluded from the minimum capital calculation used in section 3.10.3.2, Dividends and Share Repurchases, of this Appendix.

3.10.3.3 Allowances for Loan Losses and Other Charge-Offs

[a] The Stress Test calculates a tentative allowance for loan losses monthly by multiplying current-month Credit Losses (CL in Table 3-52) by twelve, thus annualizing current month Credit Losses. This is a proxy for a loss contingency where it is probable that a loss has been incurred and the amount can be reasonably estimated. For both the retained and sold portfolios, these credit losses include lost principal (net of recoveries from credit enhancements and disposition of the real estate collateral), and foreclosure, holding, and disposition costs. If the tentative allowance for loan losses for the current period is greater than the balance from the prior month less charge-offs (i.e., credit losses) for the current month, a provision (i.e., expense) is recorded. Otherwise, no provision is made and the allowance for loan losses is equal to the prior period amount less current month charge-offs.

[b] Other charge-offs result from Haircuts related to mortgage revenue bonds, private-issue MBS, and non mortgage investments, described in their respective cash flow components.

- In the case of Enterprise investments in securities, these Haircuts result in the receipt of less principal and interest than is contractually due. Lost principal is recorded as Other Losses when due and not received, while lost interest is recorded as a reduction of Interest Income.
- In the case of interest rate derivative instruments, these Haircuts result in the

receipt of less net interest than is contractually due from, or the payment of more interest than is contractually due to, an Enterprise counterparty. For those swaps that are linked to Enterprise investments, the increase or decrease of net swap interest due is recorded as an adjustment of Interest Income. For those swaps that are linked to Enterprise debt obligations, the increase or decrease of net swap interest due is recorded as an adjustment of Interest Expense.

3.10.3.4 Operating Expenses

[a] The Stress Test calculates operating expenses, which include non-interest costs such as those related to an Enterprise's salaries and benefits, professional services, property, equipment and office space. Over the Stress Period, operating expenses are equal to the sum of two components. The first component in each month is equal to one-third ($\frac{1}{3}$) of the average monthly operating expenses of the Enterprise in the quarter immediately preceding the start of the Stress Test. The second component changes in proportion to the change in the size of the Enterprise's mortgage portfolio (i.e., the sum of outstanding principal balances of its retained and sold mortgage portfolios). The Stress Test calculates the Enterprise's mortgage portfolio at the end of each month of the Stress Period as a percentage of the portfolio at the start of the Stress Test, and then multiplies the percentage of assets remaining by two-thirds ($\frac{2}{3}$) of the average monthly operating expenses of the Enterprise in the quarter immediately preceding the start of the Stress Test.

[b] The sum of the two components in paragraph [a], of this section, is multiplied by a factor which equals

$$\left(1 - \frac{m}{36}\right)$$

for the first 12 months of the Stress Test and then equals two-thirds for months 13 and beyond. This product is the Enterprise's operating expense for a given month in the Stress Period.

3.10.3.5 Income Taxes

[a] Both Enterprises are subject to Federal income taxes, but neither is subject to state or local income taxes.

[b] The Stress Test applies an effective Federal income tax rate of 30 percent when calculating the monthly provision for income taxes (e.g., income tax expense). OFHEO may change the 30 percent income tax rate if there are significant changes in Enterprise experience or changes in the statutory income tax.

[c] The Stress Test sets income tax expense for tax purposes equal to the provision for

income taxes. The effects of timing differences between taxable income and Generally Accepted Accounting Principles (GAAP) income before income taxes are ignored. Income before taxes is adjusted by the ratio of Enterprise retained earnings and retained earnings after adjustments are made that revert investment securities and derivatives to amortized cost. Therefore, Net Operating Loss (NOL) occurs only when the net income, before the provision for income taxes, is negative.

[d] Payments for estimated income taxes are made quarterly, in the month after the end of the quarter. At the end of each year, the annual estimated tax amount is compared to the annual actual tax amount. In March of the next year, a payment of remaining taxes is made or a refund for overpayment of income taxes is received.

[e] The NOL for the current year is “carried back” to offset taxes in any or all of the preceding two calendar years. (The Enterprises’ tax year is the same as the calendar year.) This offset of the prior years’ taxes results in a negative provision for income taxes (e.g., income) for the current year. Use of a carry back reduces available carry backs in subsequent years. Any NOL remaining after carry backs are exhausted becomes a carry forward.

[f] Carry forwards represent NOLs that cannot be carried back to offset previous years’ taxes, but can be used to offset taxes in any or all of the subsequent 20 years. Carry forwards accumulate until used, or until they expire 20 years after they are generated.

[g] A valuation adjustment is used to eliminate any deferred tax asset.

3.10.3.6 Accounting

[a] The 1992 Act specifies that total capital includes core capital and a general allowance for foreclosure losses. For the Enterprises, this general allowance is represented by general allowances for loan losses on their retained and sold mortgage portfolios. As defined at 12 CFR 1750.2, core capital includes the sum of the following components of equity:

1. The par or stated value of outstanding common stock,
2. The par or stated value of outstanding perpetual, noncumulative preferred stock,
3. Paid-in capital, and
4. Retained earnings.

[b] In order to determine the amount of total capital an Enterprise must hold to maintain positive total capital throughout the ten-year Stress Period, the Stress Test projects the four components of equity listed in paragraph [a] of this section plus general loss allowances as part of the monthly pro forma balance sheets.

[c] Details of an Enterprise’s actual balance sheet at the beginning of the Stress

Test are recorded from a combination of starting position balances for all instruments for which other components of the Stress Test calculate cash flows and other starting position balances for assets, liabilities, and equity accounts needed to complete an Enterprise’s balance sheet.

[d] After recording an Enterprise’s balance sheet at the beginning of the Stress Period, the Stress Test creates monthly pro forma balance sheets and income statements by recording output from the cash flow components of the Stress Test; recording new debt and investments (and related interest), dividends, loss allowances, operating expenses, and taxes; and applying accounting rules pertaining to pro forma balance sheets and income statements.

3.10.3.6.1 Accounting for Cash Flows and Accounting Flows

[a] Balances at the beginning of the Stress Test are obtained from the RBC Report. Subsequent changes to related pro forma balance sheet and income statement accounts are obtained from data generated by cash flow components of the Stress Test as follows:

1. *Retained Loans.* For Retained Loans, interest cash flows in the first month of the Stress Period reduce accrued interest receivable at the beginning of the Stress Test. Subsequent months interest cash flows are recorded as accrued interest receivable and interest income in the month prior to receipt. When the interest cash flows are received, accrued interest receivable is reduced. Monthly principal cash flows (including Prepayments and defaulted principal) are recorded as reductions in the outstanding balance of the loan group. Net losses on Defaults are charged off against the allowance for loan losses. Amortization of deferred discounts increases interest income; amortization of deferred premiums decreases interest income.
2. *Mortgage Revenue Bonds.* For mortgage revenue bonds, interest cash flows in the first month of the Stress Period reduce accrued interest receivable at the beginning of the Stress Test. Subsequent months’ interest cash flows are recorded as accrued interest receivable and interest income in the month prior to receipt. When the interest cash flows are received, accrued interest receivable is reduced. Monthly principal cash flows (including Prepayments) are recorded in the month received as a reduction in the outstanding balance of mortgage assets. Defaulted principal is charged off when due and is not received. Amortization of deferred discounts increases interest income; amortization of deferred premiums decreases interest income.

3. *Nonmortgage Instruments.* Principal repayments of nonmortgage instruments reduce the nonmortgage instrument and increases or decreases cash. When the interest cash flows are received or paid, accrued interest receivable or payable is reduced. Accrued interest includes both amounts at the beginning of the Stress Period and subsequent monthly accruals (also recorded as interest income or interest expense). Amortization of deferred discounts and premiums increases or decreases interest income or interest expense. Defaulted principal is charged off when due and not received.
4. *Sold Portfolio.* Sold portfolio cash flows include monthly guarantee fees, float, and principal and interest due MBS investors. Guarantee fees are recorded as income in the month received. Principal and interest due mortgage security investors does not affect the balance sheet; however, interest earned on these amounts (float) is recorded as income in the month the underlying principal and interest payments are received. Principal payments received and defaulted loan balances reduce the outstanding balance of the sold portfolio. Losses (net of recoveries) are charged off against the allowance for losses on the sold portfolio (a liability on the pro forma balance sheets) and reduce cash. Amortization of deferred premiums and discounts increases or decreases guarantee fees.

3.10.3.6.2 Accounting for Non-Cash Items

[a] Changes in the pro forma balances for other parts of the Enterprise's balance sheet not resulting from cash flows are recorded as described in the following nine steps:

1. *Unrealized Gains and Losses.*

- a. Recorded amounts in Other Comprehensive Income (OCI) that correspond to investments in available-for-sale securities will be reversed against related investment balances so as to revert recorded investment balances to amortized cost at the start of the Stress Test. Deferred amounts associated with these securities are amortized as described in previous sections of this document corresponding to the particular instrument type.
- b. The recorded value of derivative instruments (less unamortized amounts that, prior to the adoption of FAS 133, would have been amortized) that were designated as Cash Flow Hedges will be reversed against OCI at the start of the Stress Test. The carrying value of derivative instruments and related hedged items (less unamortized amounts that, prior to the adoption of FAS 133, would have been amortized) that were designated Fair Value Hedges will be reversed as an increase or decrease in Re-

tained Earnings at the start of the Stress Test.

- c. Recorded amounts in OCI that correspond to derivative transactions terminated prior to the start of the Stress Test will be amortized in a manner that is consistent with the amortization of other, deferred amounts associated with the hedged instrument.
 - d. Any treatments in section 3.10.3.6.2[a]1. of this Appendix, are not applied to instruments that are modeled under AMT (see section 3.9, Alternative Modeling Treatments, of this Appendix).
2. *Low Income Housing Tax Credit Investments.* Low income housing tax credit investments at the beginning of the Stress Test are converted to cash on a straight line basis over the first six months of the Stress Period.
3. *Other Assets.* The following other assets at the beginning of the Stress Test are converted to cash as follows:
- a. Clearing accounts and other miscellaneous receivables (e.g., fees receivable, accounts receivable, and other miscellaneous assets) in the first month of the Stress Test.
 - b. Earning assets (see section 3.9, Alternative Modeling Treatments, of this Appendix)
 - c. Items not covered by a. and b. of this section on a straight-line basis over the first five-years of the Stress Test.
4. *Real Estate Owned (REO).* Real estate owned at the beginning of the Stress Test is converted to cash on a straight-line basis over the first six months of the Stress Test.
5. *Fixed Assets.* 25 percent of fixed assets (net of accumulated depreciation) as of the beginning of the Stress Test remain constant over the Stress Test. The remaining 75 percent is converted to cash on a straight line basis over the ten-year Stress Period. Depreciation is included in the base on which operating expenses are calculated for each month during the Stress Period.
6. *Principal and Interest Payable.* Principal and interest payable to an Enterprise's mortgage security investors at the beginning of the Stress Test are paid during the first two months of the Stress Test (one-half in month one and one-half in month two).
7. *Other Liabilities.* The following liabilities at the beginning of the Stress Test are paid in the first month of the Stress Test, reducing cash:
- a. Escrow deposits
 - b. Other miscellaneous liabilities
8. *Commitments.* No gains or losses are recorded when commitments are added to the Enterprise's sold portfolio. See section 3.2.1, of this Appendix.

9. *Fully-Hedged Foreign Currency-Denominated Liabilities.* Amounts that relate to currency swaps and foreign currency-denominated liabilities will be treated as follows:

- a. Recorded balances that correspond to converted foreign currency-denominated liabilities will be amortized in a manner that is consistent with scheduled pay leg exchanges of notional amounts as set forth in corresponding currency swaps. The unamortized premiums, discounts and/or fees that are associated with these liabilities will be amortized as described in section 3.8, of this Appendix, as if they were associated with the pay legs of the corresponding currency swap. Any differences will be reflected as an increase or decrease in Retained Earnings.
- b. Interest payable amounts associated with currency swaps will be settled in a manner that is consistent with the contractual terms for these instruments.
- c. Receivable amounts associated with currency swaps and interest payable amounts associated with foreign currency-denominated debt will be reversed against Retained Earnings.
- d. The adjustments in a., b. and c., of this section, will take place at the start of the Stress Test. These treatments are not applied to instruments that are modeled under AMT (*see* section 3.9, Alternative Modeling Treatments, of this Appendix) or foreign currency-denominated instruments that are not fully hedged.

3.10.3.6.3 Other Accounting Principles

The following additional accounting principles apply to the pro forma balance sheets and income statements:

1. All investment securities are treated as held to maturity. As such, they are recorded as assets at amortized cost, not at fair value.
2. All non-securitized mortgage loans will be classified as "held-to-maturity" and will be accounted for on an amortized cost basis.
3. Effective control over the collateral for collateral financings is with the party that originally delivered such collateral.
4. Enterprise Real Estate Investment Trust (REIT) subsidiaries are consolidated. Specifically, REIT assets are treated as Enterprise assets. Preferred stock of the REIT is reflected as Enterprise debt. Dividends paid on the preferred stock are reported as interest expense.
5. Treasury stock is reflected as a reduction in retained earnings.

3.10.4 Operations, Taxes, and Accounting Outputs

For each month of the Stress Period, the Stress Test produces a pro forma balance

sheet and income statement. The Operations, Taxes and Accounting component outputs 121 monthly and 11 annual balance sheets, 120 monthly and 10 annual income statements, and 120 monthly and 10 annual cash flow statements, including part-year statements for the first and last calendar years of the Stress Test when necessary. These pro forma financial statements are the inputs for calculation of the risk-based capital requirement (*see* section 3.12, Calculation of the Risk-Based Capital Requirement, of this Appendix).

3.11 Treatment of New Enterprise Activities

3.11.1 New Enterprise Activities Overview

[a] Given rapid innovation in the financial services industry, OFHEO anticipates the Enterprises will become involved with new mortgage products, investments, debt and derivative instruments, and business activities, which must be accommodated in the Stress Test in order to capture all of the risk in the Enterprises' businesses. New accounting entries resulting from these innovations and changes in accounting must also be accommodated. The regulation is sufficiently flexible and complete to address new Enterprise activities as they emerge, using the procedures outlined in this section. However, OFHEO will monitor the Enterprises' activities and, when appropriate, propose amendments to this regulation addressing the treatment of new instruments, activities, or accounting treatments.

[b] For the purpose of this section of the Appendix, the term New Activity means any type of asset, liability, off-balance-sheet item, accounting entry, or activity to which a Stress Test treatment has not previously been applied. In addition, the Director has the discretion to treat as a New Activity: (1) any activity or instrument with characteristics or unusual features that create risks or hedges for the Enterprise that are not reflected adequately in the specified treatments for similar activities or instruments; and (2) any activity or instrument for which the specified treatment no longer adequately reflects the risk/benefit to the Enterprise, either because of increased volume or because new information concerning those risks/hedges has become available.

3.11.2 New Enterprise Activities Inputs

[a] Complete data and full explanations of the operation of the New Activity sufficient to understand the risk profile of the New Activity must be provided by the Enterprise. The Enterprises are required to notify OFHEO, pursuant to §1750.12(c), of proposals related to New Activities as soon as possible, but in any event no later than five calendar days after the date on which the transaction

closes or is settled. The Enterprises are encouraged to suggest an appropriate capital treatment that will fully capture the credit and interest rate risk in the New Activity. Information on New Activities must also be submitted and appropriately identified as such in the RBC Report.

[b] The Stress Test will not give an Enterprise the capital benefit associated with a New Activity where OFHEO determines that the impact of that activity on the risk-based capital level of the Enterprise is not commensurate with the economic benefit to the Enterprise.

3.11.3 New Enterprise Activities Procedures

[a] OFHEO will analyze the risk characteristics and determine whether an existing approach specified in the Appendix appropriately captures the risk of the New Activity or whether some combination or adaptation of existing approaches specified in the Appendix is appropriate. For example, the Stress Test might employ its mortgage performance components and adapt its cash flow components to simulate accurately the loss mitigating effects and counterparty credit risk of credit derivatives.

[b] Where there is no reasonable approach using existing combinations or adaptations of treatments specified in this Appendix that could be applied within the timeframe for computing a quarterly capital calculation, the Stress Test will employ an appropriately conservative treatment, consistent with OFHEO's role as a safety and soundness regulator. Such treatment may include an alternative modeling treatment specified in section 3.9, Alternative Modeling Treatments, of this Appendix, or some other conservative treatment that OFHEO deems more appropriate.

[c] OFHEO will provide the Enterprise with its estimate of the capital treatment as soon as possible after receiving notice of the New Activity. In any event, the Enterprise will be notified of the capital treatment in accordance with the notice of proposed capital classification provided for in §1777.21 of this chapter.

[d] After a treatment has been incorporated into a final capital classification, OFHEO will provide notice of such treatment to the public, including the other Enterprise. OFHEO will consider any comments it receives from the public regarding the treatment during subsequent quarters. OFHEO may change the treatment as a result of such input or otherwise, if OFHEO determines that the risks of the New Activity are not appropriately reflected in a treatment previously adopted.

3.11.4 New Enterprise Activities Outputs

The Stress Test will generate a set of cash and/or accounting flows reflecting the treatment applied to the New Activity.

3.12 Calculation of the Risk-Based Capital Requirement

3.12.1 Risk-Based Capital Requirement Overview

The risk-based capital requirement is the sum of (1) the minimum amount of total capital that an Enterprise must hold at the start of the Stress Test in order to maintain positive total capital throughout the ten-year Stress Period, for all financial instruments explicitly modeled in the Stress Test (Stress Test capital subtotal) and (2) certain additional amounts relating to off-balance-sheet items addressed in section 3.9, Alternative Modeling Treatments, of this Appendix, and (3) 30 percent of that sum for management and operations risk. The Stress Test capital subtotal is determined based on monthly total capital figures from the pro forma financial statements, the additional amounts related to off-balance-sheet items, and Enterprise short term borrowing and investment rates.

3.12.2 Risk-Based Capital Requirement Inputs

[a] Inputs to the capital calculation are outputs from section 3.3, Interest Rates, section 3.9, Alternative Modeling Treatments, and section 3.10, Operations, Taxes, and Accounting, of this Appendix.

[b] For each month of the Stress Test, the following inputs are from, or used in the creation of, pro forma financial statements projected in section 3.10, Operations, Taxes, and Accounting, of this Appendix:

1. Total capital
 - a. The par or stated value of outstanding common stock,
 - b. The par or stated value of outstanding perpetual, noncumulative preferred stock,
 - c. Paid-in capital,
 - d. retained earnings, and
 - e. allowance for losses on retained and sold mortgages less specific losses calculated in accordance with FAS 114.
2. Provision for income taxes (income tax expense),
3. Valuation adjustment that reduces benefits recorded from net operating losses when no net operating loss tax carrybacks are available, and
4. An Enterprise's cash position prior to the decision to issue new debt or purchase new investments to balance the balance sheet (*see* section 3.10.3.1, New Debt and Investments, of this Appendix).

[c] For present-value calculations, the Stress Test uses the six-month Enterprise

Federal Housing Enterprise Oversight

Pt. 1750, Subpt. B, App. A

Cost of Funds or the six-month CMT yield as described in section 3.3, Interest Rates, of this Appendix.

[d] The amount for off-balance-sheet items that are not explicitly modeled is obtained from section 3.9.3.1, Off-Balance Sheet Items, of this Appendix.

3.12.3 Risk-Based Capital Requirement Procedures

[a] The following eight steps are used to determine the Stress Test capital subtotal and the risk-based capital requirement for an Enterprise:

1. Determine the effective tax rate in each month. If the provision for income taxes is positive (reflecting taxes owed) or negative (reflecting tax refunds to be received), then the effective tax rate is 30 percent. If the provision for income taxes

is zero after applying any valuation adjustments (see section 3.10.3.6, Accounting, of this Appendix), then the effective tax rate applied in step 3. of this section is zero.

2. Determine whether an Enterprise is an investor or a borrower in each month of the Stress Period. In months where an Enterprise has outstanding six-month discount notes that were issued during the stress test, then the Enterprise is a borrower. Otherwise, the Enterprise is an investor.
3. Determine the appropriate monthly discount factor for each month of the Stress Period:
 - a. In months where an Enterprise is an investor, the monthly discount factor is based on the yield of short-term assets:

$$\text{Monthly Discount Factor} = \left[1 + \frac{(1 - \text{Effective Tax Rate}) \times 6\text{-month CMT yield}}{2} \right]^{1/6}$$

- b. In months where an Enterprise is a borrower, the monthly discount factor is

based on the cost of the Enterprise's short-term debt:

$$\text{Monthly Discount Factor} = \left[\frac{1 + \left[\frac{(1 - \text{Effective Tax Rate}) \times \left(\frac{6\text{-month Enterprise Cost of Funds}}{2} \right)}{1 - [(1 - \text{Effective Tax Rate}) \times 0.00025]} \right]}{1 - [(1 - \text{Effective Tax Rate}) \times 0.00025]} \right]^{1/6}$$

Where:

0.00025 is the factor that incorporates the issuance and administrative costs for an Enterprise's new discount notes.

4. Compute the appropriate cumulative discount for each month of the Stress Period. The cumulative discount factor for a given month is the monthly discount factor for that month multiplied by the cumulative discount factor for the preceding month. (The cumulative discount factor for the first month of the Stress Period is the monthly discount factor for that month.) Thus, the cumulative discount factor for any month incorporates all of the previous monthly discount factors.
5. Discount total capital for each month of the Stress Period to the start of the Stress Period for both interest rate scenarios. Divide the total capital for a given month by the cumulative discount factor for that month.
6. Identify the Stress Test capital subtotal, which is the lowest discounted total cap-

ital amount from among the 240 monthly discounted total capital amounts.

7. From the Stress Test capital subtotal, subtract the capital required for off-balance sheet items not explicitly modeled in the Stress Test, as calculated in section 3.9.3.1, Off-Balance Sheet Items, of this Appendix. Then subtract the resulting difference from the Enterprise's total capital at the start of the Stress Period. The resulting number is the amount of total capital that an Enterprise must hold at the start of the Stress Test in order to maintain positive total capital throughout the ten-year Stress Period.
8. Multiply the minimum total capital amount by 1.3 for management and operations risk.

3.12.4 Risk-Based Capital Requirement Output

The output of the calculations in this section is the risk-based capital requirement for an Enterprise at the start date of the Stress Test.

(During the interest-only period, the UPB of the loan stays constant until maturity or a changeover date. For loans that mature, a Balloon Payment in the amount of the UPB is due at maturity. In other cases, the loan payment is recast at the changeover date and the loan begins to amortize over its remaining term.) SOURCE: 66 FR 47554, Sept. 12, 2001, unless otherwise noted.

§ 1770.1 Authority and scope.

(a) *Authority.* Title XIII of the Housing and Community Development Act of 1992, Pub. L. No. 102-550, entitled the Federal Housing Enterprises Financial Safety and Soundness Act of 1992 (“the Act”) (12 U.S.C. 4501 *et seq.*), established the Office of Federal Housing Enterprise Oversight (“OFHEO”) as an independent office within the Department of Housing and Urban Development. In general, OFHEO is the safety and soundness regulator of two housing-related government sponsored enterprises: the Federal National Mortgage Association (“Fannie Mae”) and the Federal Home Loan Mortgage Corporation (“Freddie Mac”) (collectively, “the Enterprises”). The supervisory responsibilities of the Director of OFHEO (the “Director”) include oversight of compensation provided by the Enterprises to their executive officers.

(b) *Scope.* The procedures set forth in this part apply to OFHEO’s oversight of executive compensation under the following two statutory mandates:

(1) *Prohibition of excessive compensation.* The Act requires the Director to prohibit an Enterprise from providing compensation to any executive officer that is not reasonable and comparable with that paid by other similar businesses to executives doing similar work, *i.e.*, having similar duties and responsibilities. Businesses used for comparison purposes include publicly held financial institutions or major financial services companies. (12 U.S.C. 4518(a)). To effectuate this compensation oversight responsibility, the Act

provides that the Director has full authority to take such actions as the Director determines are necessary. (12 U.S.C. 4513(8)). However, the Director may not prescribe or set a specific level or range of compensation for executive officers of the Enterprises. (12 U.S.C. 4518(b)).

(2) *Prior approval of termination benefits.* The Enterprises’ enabling statutes (“charter acts”) similarly provide that an Enterprise may not enter into any agreement or contract to provide any payment of money or other thing of current or potential value in connection with the termination of employment of an executive officer unless the agreement or contract is approved in advance by the Director. The Director may only approve termination benefits that are comparable to benefits provided by other public or private entities involved in financial services and housing interests to executives with comparable duties and responsibilities. Agreements or contracts that provide for termination payments to executives that were entered into before October 28, 1992 are not retroactively subject to approval or disapproval by the Director. However, a renegotiation, amendment or change to such an agreement or contract entered into on or before October 28, 1992 shall be considered as entering into an agreement or contract that is subject to approval by the Director. (Section 309(d)(3)(B); 12 U.S.C. 1723a(d)(3)(B) of Fannie Mae’s Charter Act; Section 303(h)(2); 12 U.S.C. 1452(h)(2) of Freddie Mac’s Corporation Act)

§ 1770.2 Purpose.

In exercising responsibilities related to executive compensation, the Director has established a structured process for the submission of relevant information by each Enterprise. This part codifies those procedures and clarifies the terms used therein in order to facilitate and enhance the efficiency of OFHEO’s oversight.

§ 1770.3 Definitions.

The following definitions apply to the terms used in this part:

(a) *The Act* is Title XIII of the Housing and Community Development Act of 1992, Pub. L. No. 102-550, Oct. 28, 1992,

§ 1770.4

106 Stat. 3672, 3941 through 4012 (1993), 12 U.S.C. 4501 *et seq.*, separately entitled the “Federal Housing Enterprises Financial Safety and Soundness Act of 1992.”

(b) *Affiliate* means, except as provided by the Director, any entity that controls, is controlled by, or is under common control with, an Enterprise.

(c) *Charter acts* mean the Federal National Mortgage Association Charter Act and the Federal Home Loan Mortgage Corporation Act, which are codified at 12 U.S.C. 1716 through 1723i and 12 U.S.C. 1451 through 1459, respectively.

(d) *Compensation* means any payment of money or the provision of any other thing of current or potential value in connection with employment. Compensation includes all direct and indirect payments of benefits, both cash and non-cash, granted to or for the benefit of any executive officer, including, but not limited to, payments and benefits derived from an employment contract compensation or benefit agreement, fee arrangement, perquisite, stock option plan, post employment benefit or other compensatory arrangement.

(e) *Director* means the Director of OFHEO or his or her designee.

(f) *Enterprise* means the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation and, except as provided by the Director, any affiliate thereof.

(g)(1) *Executive officer* means, with respect to an Enterprise:

(i) The chairman of the board of directors, chief executive officer, chief financial officer, chief operating officer, president, vice chairman, any executive vice president, and any individual who performs functions similar to such positions whether or not the individual has an official title; and

(ii) Any senior vice president (SVP) or other individual with similar responsibilities, without regard to title:

(A) Who is in charge of a principal business unit, division or function, or

(B) Who reports directly to the Enterprise’s chairman of the board of directors, vice chairman, president or chief operating officer.

12 CFR Ch. XVII (1–1–03 Edition)

(2) The Director shall inform the Enterprises of those officers covered by this definition.

(h) *OFHEO* means the Office of Federal Housing Enterprise Oversight.

§ 1770.4 Submission requirements.

(a) *Submission of information to OFHEO.* All information required to be filed for purposes of this part is to be provided in a timely fashion by each Enterprise to OFHEO’s Associate Director of the Office of Policy Analysis and Research, as specified in this section, or as designated by the Director.

(b) *Categories of information relating to prohibition of excessive compensation.* The following materials, unless otherwise specified, shall be provided by each Enterprise to OFHEO for review within one week after the specified action or event:

(1) Resolutions, including supporting materials and related reports, from meetings of the Enterprise’s committee responsible for compensation when the committee takes any action regarding a compensation matter that under the committee’s authority is effective without further action by the committee or the board of directors;

(2) Resolutions, including supporting materials and related reports (not otherwise provided to OFHEO under paragraph (b)(1) of this section), from meetings of the board of directors relating to executive compensation when the board of directors takes any action regarding a compensation matter that is effective without any further action by the board of directors;

(3) Minutes, including supporting materials and related reports, when adopted by the committee responsible for compensation and those portions of minutes of the board of directors, including supporting materials and related reports, related to compensation matters (except for materials previously provided under paragraphs (b)(1) or (2) of this section);

(4) General benefit plans applicable to executive officers when adopted or amended;

(5) Any study conducted by or on behalf of an Enterprise with respect to compensation of executive officers;

Federal Housing Enterprise Oversight

§ 1773.1

(6) The Enterprise's annual compensation report to Congress when submitted;

(7) A current organizational chart when changes occur affecting the status of executive officers under this part;

(8) Proxy statements when issued; and,

(9) Such other information as deemed appropriate by the Director, except that submissions required under this paragraph shall not include materials related to the performance of specific individuals.

(c) *Timing of submissions related to prior approval of termination benefits.* All relevant information, except as provided under §1770.5(a), should be provided to OFHEO, unless already provided under paragraph (b) of this section:

(1) Before an Enterprise enters into any agreement or contract with a new or existing executive officer that includes termination benefits;

(2) Before an Enterprise makes any extension or other amendment to such an agreement or contract;

(3) Before an Enterprise takes any other action to provide termination benefits to a specific executive officer, regardless of how effected; or

(4) When an Enterprise makes any changes to the termination provisions of any compensation or benefit program affecting multiple executive officers.

(d) *Specific information required for calculation of termination benefits.* For submissions under paragraph (c) of this section, an Enterprise shall submit to OFHEO the following materials:

(1) The details of the agreement or program change, e.g., employment agreements, termination agreements, severance agreements, and portions of minutes of the board of directors relating to executive compensation and minutes and supporting materials of the compensation Committee of the board of directors;

(2) All information, data, assumptions and calculations for the potential total dollar value or range of values of the benefits provided, such as but not limited to salary, bonus opportunity, short-term incentives, long-term incentives, special incentives and pen-

sion provisions or related contract or benefit terms; and

(3) Such other information deemed appropriate by the Director, except that information required to be submitted under paragraph (c) of this section or under this paragraph shall not include information on benefit plans of general applicability.

§ 1770.5 Compliance.

(a) An employment agreement or contract subject to the Director's prior approval, as set forth in §1770.1(b)(2), may be entered into prior to that approval, *provided that* such agreement or contract specifically provides that termination benefits under the agreement or contract shall not be effective and no payments shall be made thereunder unless and until approved by OFHEO. Such notice should make clear that alteration of benefit plans subsequent to OFHEO approval under this section, that affect final termination benefits of an executive officer, requires review at the time of the individual's termination from the Enterprise and prior to the payment of any benefits.

(b) Failure by an Enterprise to comply with the requirements this regulation may warrant remedial action by OFHEO. Such action may be taken in the form determined appropriate by the Director and may be taken separately from, in conjunction with, or in addition to any other corrective or remedial action, including an enforcement action to require an individual to make restitution to or reimbursement to the Enterprise of excessive compensation or inappropriately paid termination benefits.

§ 1773.1 Authority and scope.

(a) *Authority.* The National Flood Insurance Act of 1968, title XII of Public

§ 1773.2

Law 90-448, Aug. 1, 1968, 42 U.S.C. 4002 *et seq.*, and the Flood Disaster Protection Act of 1973, 42 U.S.C. 4002 *et seq.*, as amended by the National Flood Insurance Reform Act of 1994 ("NFIRA"), Public Law 103-325, Sept. 23, 1994, 42 U.S.C. 4001-4129, together create the National Flood Insurance Program ("NFIP") which established specific requirements applicable to the Enterprises. NFIRA designates OFHEO as the Federal agency responsible for determining compliance by the Enterprises with these statutes and with reporting to Congress biannually for six years on the Enterprises' compliance. OFHEO has the authority to issue any regulations necessary to carry out the applicable provisions of NFIRA. § 1777.1 Authority, purpose, scope, and implementation dates.

(a) *Authority.* This part is issued by the Office of Federal Housing Enterprise Oversight (OFHEO) pursuant to sections 1313, 1371, 1372, and 1376 of the Federal Housing Enterprises Financial Safety and Soundness Act (1992 Act) (12 U.S.C. 4513, 4631, 4632, and 4636). These provisions broadly authorize OFHEO to take such actions as are deemed appropriate by the Director of OFHEO to ensure that the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation (collectively, the Enterprises) maintain adequate capital and operate in a safe and sound manner.

(b) *Authority, purpose and scope of subpart A.* In addition to the authority set forth in paragraph (a) of this section, subpart A of this part is also issued pursuant to section 1314 of the 1992 Act (12 U.S.C. 4514), section 307(c) of the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1456(c)), and section 309(k) of the Federal National Mortgage Association Charter Act (12 U.S.C. 1723a(k)), requiring each Enterprise to submit such reports to OFHEO as the Director of OFHEO determines, in his or her judgment, are necessary to carry out the purposes of the 1992 Act. Subpart A of this part is also issued in reli-

ance on section 1317 of the 1992 Act (12 U.S.C. 4517) authorizing OFHEO to conduct examinations of the Enterprises. The purpose of subpart A of this part is to set forth a framework of early intervention supervisory measures, other than formal enforcement actions, that OFHEO may take to address emerging developments that merit supervisory review to ensure they do not pose a current or future threat to the safety and soundness of an Enterprise. OFHEO's initiation of procedures under subpart A does not necessarily indicate that any unsound condition exists. The supervisory responses enumerated in § 1777.11 do not constitute orders under the 1992 Act for purposes of sections 1371 and 1376 thereof (12 U.S.C. 4631 and 4636).

(c) *Authority, purpose, and scope of subpart B.* In addition to the authority set forth in paragraph (a) of this section, subpart B of this part is also issued pursuant to subtitle B of the 1992 Act (12 U.S.C. 4611 through 4623), section 303(b)(2) of the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1452(b)(2)), and section 303(c)(2) of the Federal National Mortgage Association Charter Act (12 U.S.C. 1718(c)(2)). These provisions authorize OFHEO to administer certain capital requirements for the Enterprises, to classify the capital of the Enterprises based on capital levels specified in the 1992 Act, and, in appropriate circumstances, to exercise discretion to reclassify an Enterprise into a lower capital category. Under these provisions, there are also automatic consequences for an Enterprise that is not classified as adequately capitalized, as well as discretionary authority for OFHEO to require an Enterprise to take remedial actions. Subpart B implements the provisions of sections 1364 through 1368, 1369(b) through (e), 1369C, and 1369D of the 1992 Act as they apply to the Enterprises (12 U.S.C. 4614 through 4618, 4619(b) through (e), 4622 and 4623). The principal purposes of subpart B are to identify the capital measures and capital levels that OFHEO uses in determining the capital classification of an Enterprise; to set out the procedures OFHEO uses in determining such capital classifications; to establish procedures for submission

and review of capital restoration plans of an Enterprise that is not classified as adequately capitalized; and to establish procedures under which OFHEO issues orders pursuant to section 1366(b)(1) through (4) of the 1992 Act (12 U.S.C. 4616(b)(1) through (4)).

(d) *Effective dates of capital classifications.* Section 1364 of the 1992 Act (12 U.S.C. 4614(d)) directs OFHEO to determine capital classifications for the Enterprises by reference to two capital standards, consisting of the minimum or critical capital level on the one hand, and the risk-based capital level on the other. Section 1364(d) of the 1992 Act (12 U.S.C. 4614(d)) excludes consideration of whether the Enterprises meet the risk-based capital level in determining capital classifications or reclassifications under 1364, until one year after the effective date of OFHEO's regulation implementing OFHEO's risk-based capital test (issued under section 1361(e) of the 1992 Act (12 U.S.C. 4611(e)), until such time, section 1364(d) provides that an Enterprise is to be classified as adequately capitalized so long as it meets the minimum capital level. Subpart B contains a currently effective set of capital classifications omitting consideration of the risk-based capital level, as well as another set of capital classifications which will take effect, and displace the current set of capital classifications, on September 13, 2002 that is, one year after the effective date of OFHEO's risk-based capital rule published at 66 FR 47730, September 13, 2001.

§ 1777.2 Preservation of other authority.

(a) *Supervisory standards.* Notwithstanding the existence of procedures in § 1777.10 for the Director of OFHEO to designate certain developments for supervisory response under subpart A of this part, nothing in this part in any way limits the authority of OFHEO otherwise to take such actions with respect to any issue as is deemed appropriate by the Director of OFHEO to ensure that the Enterprises maintain adequate capital, operate in a safe and sound manner, and comply with the 1992 Act and regulations, orders, and agreements thereunder.

(b) *Capital floor.* Classification of an Enterprise as adequately capitalized in accordance with subtitle B of the 1992 Act and subpart B of this part indicates that the Enterprise meets the capital levels under sections 1361 and 1362 of the 1992 Act (12 U.S.C. 4611 and 4612) and regulations promulgated thereunder as of the times specified in the classification determination. Nothing in subpart B of this part or subtitle B of the 1992 Act limits OFHEO's authority otherwise to address circumstances that would require additional capital through regulations, orders, notices, guidance, or other actions.

(c) *Form of supervisory action or response.* In addition to the supervisory responses contemplated under subpart A of this part, and the authority to classify and reclassify the Enterprises, to issue orders, and to appoint conservators under subpart B of this part, the 1992 Act grants OFHEO broad discretion to take such other supervisory actions as may be deemed by OFHEO to be appropriate, including issuing temporary and permanent cease and desist orders, imposing civil money penalties, appointing a conservator under section 1369(a)(1) through (2) of the 1992 Act (12 U.S.C. 4619(a)(1) through (2)), entering into a written agreement the violation of which is actionable through enforcement proceedings, or entering into any other formal or informal agreement with an Enterprise. Neither the 1992 Act nor this part in any way limit OFHEO's discretion over the selection of the type of these actions, and the selection of one type of action under this part or under these other statutory authorities, or a combination thereof, does not foreclose OFHEO from pursuing any other action.

§ 1777.3 Definitions.

Subpart A—Prompt Supervisory Response

§ 1777.10 Developments prompting supervisory response.

In the event of any of the following developments, OFHEO shall undertake one of the supervisory responses enumerated in § 1777.11, or a combination thereof:

(a) OFHEO's national House Price Index (HPI) for the most recent quarter is more than two percent less than the national HPI four quarters previously, or for any Census Division or Divisions in which are located properties securing more than 25 percent of single-family mortgages owned or securing securities guaranteed by an enterprise, the HPI for the most recent quarter for such Division or Divisions is more than five percent less than the HPI for that Division or Divisions four quarters previously;

(b) An Enterprise's publicly reported net income for the most recent calendar quarter is less than one-half of its average quarterly net income for any four-quarter period during the prior eight quarters;

(c) An Enterprise's publicly reported net interest margin (NIM) for the most recent quarter is less than one-half of its average NIM for any four-quarter period during the prior eight quarters;

(d) For single-family mortgage loans owned or securities by an Enterprise that are delinquent ninety days or more or in foreclosure, the proportion of such loans in the most recent quarter has increased more than one percentage point compared to the lowest proportion of such loans in any of the prior four quarters; or

(e) Any other development, including conduct of an activity by an Enterprise, that OFHEO determines in its discretion presents a risk to the safety and soundness of the Enterprise or a possible violation of applicable law, regulation, or order.

§ 1777.11 Supervisory response.

(a) *Level I supervisory response*—(1) *Supervisory letter*. Not later than five business days after OFHEO determines that a development enumerated in § 1777.10 has transpired, OFHEO shall deliver a supervisory letter alerting the chief executive officer or the board of directors of the Enterprise to OFHEO's determination.

(2) *Contents of supervisory letter*. The supervisory letter shall notify the Enterprise that, pursuant to this subpart, OFHEO is commencing review of a potentially adverse development. As is appropriate under the particular circumstances and the nature of the potentially adverse development, the letter may direct the Enterprise to undertake one or more of the following actions, as of such time as OFHEO directs:

(i) Provide OFHEO with any relevant information known to the Enterprise about the potentially adverse development, in such format as OFHEO directs;

(ii) Respond to specific questions and concerns that OFHEO poses about the potentially adverse development; and

(iii) Take appropriate action.

(3) *Review; further action*. Based on the Enterprise's response to the supervisory letter and consideration of other relevant factors, OFHEO shall promptly determine whether the Level I supervisory response is adequate to resolve any supervisory issues implicated by the potentially adverse development, or whether additional supervisory response under this section is warranted.

(4) *Sequence of supervisory responses*. The Level II through Level IV supervisory responses in paragraphs (b) through (d) of this section may be carried out in any sequence, including simultaneous performance of two or more such responses. OFHEO may also carry out one or more such responses simultaneously with a Level I supervisory response pursuant to this paragraph (a).

(b) *Level II supervisory response*—(1) *Special review*. In addition to any other supervisory response described in this section, OFHEO may conduct a special review of an Enterprise in order to as-

sess the impact of the potentially adverse development on the Enterprise.

(2) *Review; further action*. Based on the results of the special review and consideration of other factors deemed by OFHEO to be relevant, OFHEO shall promptly determine whether additional supervisory response under this section is warranted.

(c) *Level III supervisory response*—(1) *Action plan*. In addition to any other supervisory response described in this section, OFHEO may direct the Enterprise to prepare and submit an action plan to OFHEO, in such format and at such time as OFHEO directs.

(2) *Contents of action plan*. Such action plan shall include, subject to additional direction by OFHEO, the following:

(i) In the case of any potentially adverse development arising from conditions or practices internal to the Enterprise, any relevant information known to the Enterprise about the circumstances that led to the potentially adverse development;

(ii) An assessment of likely consequences that the potentially adverse development may have for the Enterprise; and

(iii) The proposed course of action the Enterprise will undertake in response to the potentially adverse development, including an explanation as to why such approach is preferred to any other alternative actions by the Enterprise and how such approach will address the concerns of OFHEO.

(3) *Review; further action*. If OFHEO in its discretion determines that the information, assessment, or proposed course of action contained in the action plan is incomplete or inadequate, OFHEO shall promptly direct the Enterprise to correct such deficiencies to the extent OFHEO determines such corrections will aid in resolving supervisory issues implicated by the potentially adverse development, and will promptly determine whether additional supervisory response under this section is warranted.

(d) *Level IV supervisory response*—(1) *Notice to show cause*. In addition to any other supervisory response described in this section, OFHEO may issue written notice to the chief executive officer or the board of directors of the Enterprise

directing the Enterprise to show cause, on or before the date specified in the notice, why OFHEO should not issue one or more of the following:

(i) A notice of charges to the Enterprise under section 1371 of the 1992 Act (12 U.S.C. 4631) and the procedures in 12 CFR part 1780 commencing an action to order the Enterprise to cease and desist conduct, conditions, or violations specified in the notice to show cause;

(ii) A temporary order to the Enterprise under section 1372 of the 1992 Act (12 U.S.C. 4632) and the procedures in 12 CFR part 1780 to cease and desist from, and take affirmative actions to prevent or remedy harm from, conduct, conditions, or violations specified in the notice to show cause;

(iii) A notice of charges under section 1376 of the 1992 Act (12 U.S.C. 4636) and the procedures in 12 CFR part 1780 commencing imposition of a civil money penalty against the Enterprise; or

(iv) A notice of discretionary reclassification of the Enterprise's capital classification under section 1364(b) of the 1992 Act (12 U.S.C. 4614(b)) and subpart B of this part.

(2) *Review; further action.* Based on the Enterprise's response to the notice to show cause and consideration of other relevant factors, OFHEO shall promptly determine whether to commence the actions described in the notice, and whether additional supervisory response under this section is warranted.

§ 1777.12 Other supervisory action.

Notwithstanding the pendency or completion of one or more supervisory responses described in § 1777.11, OFHEO may at any time undertake additional supervisory steps and actions in the form of any informal or formal supervisory tool available to OFHEO under the 1992 Act, including, but not limited to, issuing guidance or directives under section 1313 (12 U.S.C. 4513), requiring reports under section 1314 (12 U.S.C. 4514), conducting other examinations under section 1317 (12 U.S.C. 4517), issuing discretionary reclassification under section 1364 (12 U.S.C. 4614), initiating discretionary action under section 1366(b) (12 U.S.C. 4616(b)), appointing a conservator under section 1369(a) (12 U.S.C. 4619(a)), or initiating admin-

istrative enforcement action under sections 1371, 1372, and 1376 (12 U.S.C. 4631, 4632 and 4636). In addition, OFHEO may take any such steps or actions with respect to an Enterprise that fails to make a submission or comply with a directive as required by § 1777.11, or to address an Enterprise's failure to implement an appropriate action in response to a supervisory letter or under an action plan under § 1777.11.

Subpart B—Capital Classifications and Orders Under Section 1366 of the 1992 Act

§ 1777.20 Capital classifications.

(a) *Capital classifications after the effective date of section 1365 of the 1992 Act.* The capital classification of an Enterprise for purposes of subpart B of this part is as follows:

(1) *Adequately capitalized.* Except as otherwise provided under paragraph (a)(5) of this section, an Enterprise will be classified as adequately capitalized if the Enterprise:

(i) As of the date specified in the notice of proposed capital classification, holds total capital equaling or exceeding the risk-based capital level; and

(ii) As of the date specified in the notice of proposed capital classification, holds core capital equaling or exceeding the minimum capital level.

(2) *Undercapitalized.* Except as otherwise provided under paragraph (a)(5) of this section or § 1777.23(c) or § 1777.23(h), an Enterprise will be classified as undercapitalized if the Enterprise:

(i) As of the date specified in the notice of proposed capital classification, holds total capital less than the risk-based capital level; and

(ii) As of the date specified in the notice of proposed capital classification, holds core capital equaling or exceeding the minimum capital level.

(3) *Significantly undercapitalized.* Except as otherwise provided under paragraph (a)(5) of this section or § 1777.23(c) or § 1777.23(h), an Enterprise will be classified as significantly undercapitalized if the Enterprise:

(i) As of the date specified in the notice of proposed capital classification, holds core capital less than the minimum capital level; and

(ii) As of the date specified in the notice of proposed capital classification, holds core capital equaling or exceeding the critical capital level.

(4) *Critically undercapitalized.* An Enterprise will be classified as critically undercapitalized if, as of the date specified in the notice of proposed capital classification, the Enterprise holds core capital less than the critical capital level.

(5) *Discretionary reclassification—determination to reclassify.* If OFHEO determines in writing that an Enterprise is engaging in action or inaction (including a failure to respond appropriately to changes in circumstances or unforeseen events) that could result in a rapid depletion of core capital, or that the value of property subject to mortgages held or securitized by the Enterprise has decreased significantly, or that reclassification is otherwise deemed necessary to ensure that the Enterprise holds adequate capital and operates safely, OFHEO may reclassify the Enterprise as:

(i) Undercapitalized if the Enterprise is otherwise classified as adequately capitalized;

(ii) Significantly undercapitalized if the Enterprise is otherwise classified as undercapitalized; or

(iii) Critically undercapitalized if the Enterprise is otherwise classified as significantly undercapitalized.

(b) *Duration of reclassification; successive reclassifications.* (1) A reclassification of an Enterprise based on action, inaction, or conditions under paragraph (a)(5) or (c)(5) of this section shall be considered in the determination of each subsequent capital classification of the Enterprise, and shall only cease being considered in the determination of the Enterprise's capital classification after OFHEO determines that the action, inaction or condition upon which the reclassification was based has ceased or been eliminated and remedied to OFHEO's satisfaction.

(2) If the action, inaction, or condition upon which a reclassification was based under paragraph (a)(5) or (c)(5) of this section has not ceased or been eliminated and remedied to OFHEO's satisfaction within such reasonable time as is determined by OFHEO to be appropriate, OFHEO may consider such

failure to be the basis for additional reclassification under such paragraph (a)(5) or (c)(5) of this section into a lower capital classification.

(c) *Capital classifications before the effective date of section 1365 of the 1992 Act.* Notwithstanding paragraph (a) of this section, until September 13, 2002, the capital classification of an Enterprise for purposes of subpart B of this part is as follows:

(1) *Adequately capitalized.* Except as otherwise provided in paragraph (c)(5) of this section, an Enterprise will be classified as adequately capitalized if the Enterprise, as of the date specified in the notice of proposed capital classification, holds core capital equaling or exceeding the minimum capital level.

(2) *Undercapitalized.* An Enterprise will be classified as undercapitalized if the Enterprise:

(i) As of the date specified in the notice of proposed capital classification, holds core capital equaling or exceeding the minimum capital level; and

(ii) Is reclassified as undercapitalized by OFHEO under paragraph (c)(5) of this section.

(3) *Significantly undercapitalized.* Except as otherwise provided under paragraph (c)(5) of this section or § 1777.23(c) or § 1777.23(h), an Enterprise will be classified as significantly undercapitalized if the Enterprise:

(i) As of the date specified in the notice of proposed capital classification, held core capital less than the minimum capital level; and

(ii) As of the date specified in the notice of proposed capital classification, held core capital equaling or exceeding the critical capital level.

(4) *Critically undercapitalized.* An Enterprise will be classified as critically undercapitalized if, as of the date specified in the notice of proposed capital classification, the Enterprise held core capital less than the critical capital level.

(5) *Discretionary reclassification.* If OFHEO determines in writing that an Enterprise is engaging in action or inaction (including a failure to respond appropriately to changes in circumstances or unforeseen events) that could result a rapid depletion of core capital, or that the value of the property subject to mortgages held or

Federal Housing Enterprise Oversight

§ 1777.21

securitized by the Enterprise has decreased significantly or that reclassification is deemed necessary to ensure that the Enterprise holds adequate capital and operates safely, OFHEO may reclassify the Enterprise as:

(i) Undercapitalized if the Enterprise is otherwise classified as adequately capitalized;

(ii) Significantly undercapitalized if the Enterprise is otherwise classified as undercapitalized; or

(iii) Critically undercapitalized if the Enterprise is otherwise classified as significantly undercapitalized.

(d) *Prior approvals.* In making a determination to reclassify an Enterprise under paragraph (a)(5) or (c)(5) of this section, OFHEO will not base its decision to reclassify solely on action or inaction that previously was given specific approval by the Director of OFHEO in connection with the Director's approval of the Enterprise's capital restoration plan under section 1369C of the 1992 Act (12 U.S.C. 4622), or of a written agreement with the Enterprise that is enforceable in accordance with section 1371 of the 1992 Act.

§ 1777.21 Notice of capital category, and adjustments.

(a) *Notice of capital classification.* OFHEO will classify each Enterprise according to the capital classifications in § 1777.20(a) or § 1777.20(c) on at least a quarterly basis. OFHEO may classify an Enterprise according to the capital classifications in § 1777.20(a) or § 1777.20(c), or reclassify an Enterprise as set out in § 1777.20(a)(5), § 1777.20(c)(5), § 1777.23(c), or § 1777.23(h), at such other times as OFHEO deems appropriate.

(1) *Notice of proposed capital classification.* (i) Before OFHEO classifies or reclassifies an Enterprise, OFHEO will provide the Enterprise with written notice containing the proposed capital classification, the information upon which the proposed classification is based, and the reason for the proposed classification.

(ii) Notices proposing to classify or reclassify an Enterprise as undercapitalized or significantly undercapitalized may be combined with a notice that OFHEO may further reclass-

sify the Enterprise under § 1777.23(c), without additional notice.

(iii) Notices proposing to classify or reclassify an Enterprise as significantly undercapitalized or critically undercapitalized may be combined with a notice under § 1777.24 that OFHEO intends to issue an order under section 1366 of the 1992 Act (12 U.S.C. 4616).

(iv) Notices proposing to classify an Enterprise as undercapitalized or significantly undercapitalized may be combined with a notice proposing to simultaneously reclassify the Enterprise under § 1777.20(a)(5) or § 1777.20(c)(5).

(2) *Response by the Enterprise.* The Enterprise may submit a response to OFHEO containing information for OFHEO's consideration in classifying or reclassifying the Enterprise.

(i) The Enterprise may, within thirty calendar days from receipt of a notice of proposed capital classification, submit a response to OFHEO, unless OFHEO determines the condition of the Enterprise requires a shorter period or the Enterprise consents to a shorter period.

(ii) The Enterprise's response period may be extended for up to an additional thirty calendar days if OFHEO determines there is good cause for such extension.

(iii) The Enterprise's failure to submit a response during the response period (as extended or shortened, if applicable) shall waive any right of the Enterprise to comment on or object to the proposed capital classification.

(3) *Classification determination and written notice of capital classification.* After the Enterprise has submitted its response under paragraph (a)(2) of this section or the response period (as extended or shortened, if applicable) has expired, whichever occurs first, OFHEO will make its determination of the Enterprise's capital classification, taking into consideration such relevant information as is provided by the Enterprise in its response, if any, under paragraph (a)(2) of this section. OFHEO will provide the Enterprise with a written notice of capital classification, which shall include a description of the basis for OFHEO's determination.

(4) *Timing.* OFHEO may, in its discretion, issue a notice of proposed capital

§ 1777.22

classification to an Enterprise at any time. If a notice of proposed classification is pending (under the process set out in paragraphs (a)(1) through (3) of this section) at that time, OFHEO may, in its discretion, specify whether the subsequent notice of proposed capital classification supersedes the pending notice.

(b) *Developments warranting possible change to capital classification*—(1) *Notice to OFHEO*. An Enterprise shall promptly provide OFHEO with written notice of any material development that would result in the Enterprise's core or total capital to fall to a point causing the Enterprise to be placed in a lower capital classification than the capital classification assigned to the Enterprise in its most recent notice of capital classification from OFHEO, or than is proposed to be assigned in the Enterprise's most recent notice of proposed capital classification from OFHEO. The Enterprise shall deliver such notice to OFHEO no later than ten calendar days after the Enterprise becomes aware of such development.

(2) OFHEO, in its discretion, will determine whether to issue a new notice of proposed capital classification under paragraph (a) of this section, based on OFHEO's review of the notice under paragraph (b)(1) of this section from the Enterprise and any other information deemed relevant by OFHEO.

§ 1777.22 Limitation on capital distributions.

(a) *Capital distributions in general*. An Enterprise shall make no capital distribution that would decrease the total capital of the Enterprise to an amount less than the risk-based capital level or the core capital of the Enterprise to an amount less than the minimum capital level without the prior written approval of OFHEO.

(b) *Capital distributions by an Enterprise that is not adequately capitalized*—(1) *Prohibited distributions*. An Enterprise that is not classified as adequately capitalized shall make no capital distribution that would result in the Enterprise being classified into a lower capital classification than the one to which it is classified at the time of such distribution.

12 CFR Ch. XVII (1–1–03 Edition)

(2) *Restricted distributions*. An Enterprise classified as significantly or critically undercapitalized shall make no capital distribution without the prior written approval of OFHEO. OFHEO may grant a request for such a capital distribution only if OFHEO determines, in its discretion, that the distribution:

(i) Will enhance the ability of the Enterprise to meet the risk-based capital level and the minimum capital level promptly;

(ii) Will contribute to the long-term financial safety and soundness of the Enterprise; or

(iii) Is otherwise in the public interest.

§ 1777.23 Capital restoration plans.

(a) *Schedule for filing plans*—(1) *In general*. An Enterprise shall file a capital restoration plan in writing with OFHEO within ten days of receiving a notice of capital classification under § 1777.21(a)(3) stating that the Enterprise is classified as undercapitalized, significantly undercapitalized, or critically undercapitalized, unless OFHEO in its discretion determines an extension of the ten-day period is necessary and provides the Enterprise with written notice of the date the plan is due.

(2) *Successive capital classifications*. Notwithstanding paragraph (a)(1) of this section, an Enterprise that has already submitted and is operating under a capital restoration plan approved by OFHEO under this part is not required to submit an additional capital restoration plan based on a subsequent notice of capital classification, unless OFHEO notifies the Enterprise that it must submit a new or amended capital restoration plan. An Enterprise that receives such a notice to submit a new or amended capital restoration plan shall file in writing with OFHEO a complete plan that is responsive to the terms of and within the deadline specified in such notice.

(b) *Contents of capital restoration plan*. (1) The capital restoration plan submitted under paragraph (a)(1) or (2) of this section shall:

(i) Specify the level of capital the Enterprise will achieve and maintain;

(ii) Describe the actions that the Enterprise will take to become classified as adequately capitalized;

Federal Housing Enterprise Oversight

§ 1777.23

(iii) Establish a schedule for completing the actions set forth in the plan;

(iv) Specify the types and levels of activities (including existing and new programs) in which the Enterprise will engage during the term of the plan;

(v) Describe the actions that the Enterprise will take to comply with any mandatory or discretionary requirements to be imposed under Subtitle B of the 1992 Act (12 U.S.C. 4611 through 4623) or subpart B of this part;

(vi) To the extent the Enterprise is required to submit or revise a capital restoration plan as the result of a reclassification of the Enterprise under §1777.20(a)(5) or §1777.20(c)(5), describe the steps the Enterprise will take to cease or eliminate and remedy the action, inaction, or conditions that caused the reclassification; and

(vii) Provide any other information or discuss any other issues as instructed by OFHEO.

(2) The plan shall include a declaration by the chief executive officer, treasurer, or other officer designated by the Board of Directors of the Enterprise to make such declaration, that the material contained in the plan is true and correct to the best of such officer's knowledge and belief.

(c) *Failure to submit—(1) Failure to submit; submission of unacceptable plan.* If, upon the expiration of the period provided in paragraph (a)(1) or (2) of this section for an Enterprise to submit a capital restoration plan, an Enterprise fails to comply with the requirement to file a complete capital restoration plan, or if the capital restoration plan is disapproved after review under paragraph (d) of this section, OFHEO may, in accordance with §1777.21(a)(1)(ii) without additional notice, reclassify the Enterprise:

(i) As significantly undercapitalized if it is otherwise classified as undercapitalized; or

(ii) As critically undercapitalized if it is otherwise classified as significantly undercapitalized.

(2) *Duration of reclassification.* An Enterprise's failure to submit an approved capital restoration plan as described in paragraph (c)(1) of this section shall continue to be grounds for reclassification at each subsequent capital classi-

fication of the Enterprise, and shall only cease being considered grounds for reclassification after the Enterprise files a capital restoration plan that receives OFHEO's approval under paragraph (d) of this section.

(3) *Successive reclassifications.* If an Enterprise has not remedied its failure to file a complete capital restoration plan or an acceptable capital restoration plan within such period as is determined by OFHEO to be appropriate, OFHEO may consider such failure to be the basis for additional reclassification under paragraph (c)(1) of this section into a lower capital classification. Such reclassification may be made without additional notice in accordance with §1777.21(a)(1)(ii).

(d) *Order approving or disapproving plan.* Not later than thirty calendar days after receipt of the Enterprise's complete or amended capital restoration plan under this section (subject to extension upon written notice to the Enterprise for an additional thirty calendar days as OFHEO deems necessary), OFHEO shall issue an order to the Enterprise approving or disapproving the plan. An order disapproving a plan shall include the reasons therefore.

(e) *Resubmission.* An Enterprise that receives an order disapproving its capital restoration plan shall submit an amended capital plan acceptable to OFHEO within thirty calendar days of the date of such order, or a longer period if OFHEO determines an extension is in the public interest.

(f) *Amendment.* An Enterprise that has received an order approving its capital restoration plan may amend the capital restoration plan only after written notice to OFHEO and OFHEO's written approval of the modification. Pending OFHEO's review and approval of the amendment in OFHEO's discretion, the Enterprise shall continue to implement the capital restoration plan under the original approval order.

(g) *Termination—(1) Termination under the terms of the plan.* An Enterprise that has received an order approving its capital restoration plan remains bound by each of its obligations under the plan until each such obligation terminates under express terms of the plan

§ 1777.24

itself identifying a date, event, or condition upon which such obligation shall terminate.

(2) *Termination orders.* To the extent the plan does not include such express terms for any obligation thereunder, the Enterprise's obligation continues until OFHEO issues an order terminating such obligation under the plan. The Enterprise may also submit a written request to OFHEO seeking termination of such obligations. OFHEO will approve termination of such obligation to the extent that OFHEO determines, in its discretion, that the obligation's purpose under the plan has been fulfilled and that termination of the obligation is consistent with the overall safety and soundness of the Enterprise.

(h) *Implementation*—(1) An Enterprise that has received an order approving its capital restoration plan is required to implement the plan.

(i) If OFHEO determines, in its discretion, that an Enterprise has failed to make, in good faith, reasonable efforts necessary to comply with the capital restoration plan and fulfill the schedule thereunder, OFHEO may reclassify the Enterprise:

(A) As significantly undercapitalized if it is otherwise classified as undercapitalized; or

(B) As critically undercapitalized if it is otherwise classified as significantly undercapitalized.

(ii) *Duration of reclassification.* An Enterprise's failure to implement an approved capital restoration plan as described in paragraph (h)(1)(i) of this section shall continue to be grounds for reclassification at each subsequent capital classification of the Enterprise, and shall only cease being considered grounds for reclassification after OFHEO determines, in its discretion, that the Enterprise is making such efforts as are reasonably necessary to comply with the capital restoration plan and fulfill the schedule thereunder.

(iii) *Successive reclassifications.* If an Enterprise has not remedied its failure to implement an approved capital restoration plan within such period as is determined by OFHEO to be appropriate, OFHEO may consider such failure to be the basis for additional reclassification under paragraph (h)(1)(i)

12 CFR Ch. XVII (1–1–03 Edition)

of this section into a lower capital classification.

(2) *Administrative enforcement action.* A capital plan that has received an approval order from OFHEO under this section shall constitute an order under the 1992 Act. An Enterprise, regardless of its capital classification, as well as its executive officers, and directors may be subject to action by OFHEO under sections 1371, 1372, and 1376 of the 1992 Act (12 U.S.C. 4631, 4632, and 4636) and 12 CFR part 1780 for failure to comply with such plan.

§ 1777.24 Notice of intent to issue an order.

(a) *Orders under section 1366 of the 1992 Act (12 U.S.C. 4616).* In addition to any other action taken under this part, part 1780 of this chapter, or any other applicable authority, OFHEO may, in its discretion, issue an order to an Enterprise that is classified as significantly undercapitalized or critically undercapitalized, or is in conservatorship, directing the Enterprise to take one or more of the following actions:

(1) Limit any increase in, or reduce, any obligations of the Enterprise, including off-balance sheet obligations;

(2) Limit or eliminate growth of the Enterprise's assets or reduce the amount of the Enterprise's assets;

(3) Acquire new capital, in such form and amount as determined by OFHEO; or

(4) Terminate, reduce, or modify any activity of the Enterprise that OFHEO determines creates excessive risk to the Enterprise.

(b) *Notice of intent to issue an order.* Before OFHEO issues an order to an Enterprise pursuant to section 1366 of the 1992 Act (12 U.S.C. 4616), OFHEO will provide the Enterprise with written notice containing the proposed order.

(c) *Contents of notice.* A notice of intent to issue an order under this subpart shall include:

(1) A statement of the Enterprise's capital classification and its minimum capital level or critical capital level, and its risk-based capital level;

(2) A description of the restrictions, prohibitions, or affirmative actions that OFHEO proposes to impose or require; and

Federal Housing Enterprise Oversight

§ 1777.27

(3) The proposed date when such restrictions or prohibitions would become effective or the proposed date for the commencement and/or completion of the affirmative actions.

§ 1777.25 Response to notice.

(a) *Content of response.* The Enterprise may submit a response to OFHEO containing information for OFHEO's consideration in connection with the proposed order. The response should include, but is in no way limited to, the following:

(1) Any relevant information, mitigating circumstances, documentation, or other information the Enterprise wishes OFHEO to consider in support of the Enterprise's position regarding the proposed order; and

(2) Any recommended modification to the proposed order, and justification thereof.

(b) *Time to respond.* The Enterprise may, within thirty calendar days after receipt of the notice of proposed order, submit a response to OFHEO, unless OFHEO determines a shorter period to be appropriate or the Enterprise consents to a shorter period. OFHEO may extend the Enterprise's response period for up to an additional thirty calendar days if OFHEO determines, in its discretion, that there is good cause for such extension.

(c) *Waiver and consent.* The Enterprise's failure to submit a response during the response period (as extended or shortened, if applicable) shall waive any right of the Enterprise to comment on or object to the proposed order.

§ 1777.26 Final notice of order.

(a) *Determination and notice.* After the Enterprise has submitted its response under §1777.25 or the response period (as extended or shortened, if applicable) has expired, whichever occurs first, OFHEO will determine, in its discretion, whether to take into consideration such relevant information as is provided by the Enterprise in its response, if any, under §1777.25. OFHEO will provide the Enterprise with a written final notice of any order issued by OFHEO under this subpart, which is to include a description of the basis for OFHEO's determination.

(b) *Termination or modification.* An Enterprise that has received an order under paragraph (a) of this section remains subject to each provision of the order until each such provision terminates under the express terms of the order. The Enterprise may submit a written request to OFHEO seeking modification or termination of one or more provisions of the order. Pending OFHEO's review and approval, in OFHEO's discretion of the Enterprise's request, the Enterprise shall remain subject to the provisions of the order.

(c) *Enforcement of order—(1) Judicial enforcement.* An order issued under paragraph (a) of this section is an order for purposes of section 1375 of the 1992 Act (12 U.S.C. 4635). An Enterprise in any capital classification may be subject to enforcement of such order in the United States District Court for the District of Columbia pursuant to such section.

(2) *Administrative enforcement.* An order issued under paragraph (a) of this section constitutes an order under the 1992 Act. An Enterprise, regardless of its capital classification, as well as its executive officers and directors may be subject to action by OFHEO under sections 1371, 1372, and 1376 of the 1992 Act (12 U.S.C. 4631, 4632, and 4636) and 12 CFR part 1780 for failure to comply with such order.

§ 1777.27 Exhaustion and review.

(a) *Judicial review—(1) Review of certain actions.* An Enterprise that is not classified as critically undercapitalized may seek judicial review of a final notice of capital classification issued pursuant to §1777.21(a)(3) or a final notice of order issued pursuant to §1777.26(a) in accordance with section 1369D of the 1992 Act (12 U.S.C. 4623)

(2) *Other review barred.* Except as set out in paragraph (a)(1) of this section, or review of conservatorship appointments to the limited extent provided in section 1369(b) of the 1992 Act (12 U.S.C. 4619(b)) and §1777.28(c), no court shall have jurisdiction to affect, by injunction or otherwise, the issuance or effectiveness of a capital classification or any other action of OFHEO pursuant to this subpart B, as provided in section 1369D of the 1992 Act (12 U.S.C. 4623).

(b) *Exhaustion of administrative remedies.* In connection with any issue for which an Enterprise seeks judicial review in connection with an action described in paragraph (a)(1) of this section, the Enterprise must have first exhausted its administrative remedies, by presenting all its objections, arguments, and information relating to such issue for OFHEO's consideration pursuant to §1777.21(a)(2), as part of the Enterprise's response to OFHEO's notice of capital classification, or pursuant to §1777.25, as part of the Enterprise's response to OFHEO's notice of intent to issue an order.

(c) *No stay pending review.* The commencement of proceedings for judicial review of a final capital classification or order as described in paragraph (a)(1) of this section shall not operate as a stay thereof.

§1777.28 Appointment of conservator for a significantly undercapitalized or critically undercapitalized Enterprise.

(a) *Significantly undercapitalized Enterprise.* At any time after an Enterprise is classified as significantly undercapitalized, OFHEO may issue an order appointing a conservator for the Enterprise upon determining that:

(1) The amount of core capital of the Enterprise is less than the minimum capital level; and

(2) The alternative remedies available to OFHEO under the 1992 Act are not satisfactory.

(b) *Critically undercapitalized Enterprise—(1) Appointment upon classification.* Not later than thirty days after issuing a final notice of capital classification pursuant to §1777.21(a)(3) classifying an Enterprise as significantly undercapitalized, OFHEO shall

issue an order appointing a conservator for the Enterprise.

(2) *Exception.* Notwithstanding paragraph (b)(1) of this section, OFHEO may determine not to appoint a conservator if OFHEO makes a written finding, with the written concurrence of the Secretary of the Treasury, that:

(i) The appointment of a conservator would have serious adverse effects on economic conditions of national financial markets or on the financial stability of the housing finance market; and

(ii) The public interest would be better served by taking some other enforcement action authorized under this title.

(c) *Judicial review.* An Enterprise for which a conservator has been appointed pursuant to paragraph (a) or (b) of this section may seek judicial review of the appointment in accordance with section 1369(b) of the 1992 Act (12 U.S.C. 4619(b)). Except as provided therein, no court may take any action regarding the removal of a conservator or otherwise restrain or affect the exercise of the powers or functions of a conservator.

(d) *Termination—(1) Upon reaching the minimum capital level.* OFHEO will issue an order terminating a conservatorship appointment under paragraph (a) or (b) of this section upon a determination that the Enterprise has maintained an amount of core capital that is equal to or exceeds the minimum capital level.

(2) *In OFHEO's discretion.* OFHEO may, in its discretion, issue an order terminating a conservatorship appointment under paragraph (a) or (b) of this section upon a determination that such termination order is in the public interest and may safely be accomplished.

(1) Cease-and-desist proceedings under sections 1371 and 1373, title XIII of the Housing and Community Development Act of 1992, Pub. L. No. 102-550, entitled The Federal Housing Enterprises Financial Safety and Soundness Act of 1992 (1992 Act) (12 U.S.C. 4631 and 4633);

(4) Other adjudications required by statute to be determined on the record after opportunity for hearing, except to the extent otherwise provided for in the regulations specifically governing such an adjudication.

§ 1780.1

(b) *Cease and desist orders.* (1) Grounds for instituting proceedings. Sections 1371(a) and (b) of the 1992 Act specify when the Director of OFHEO may issue a notice of charges instituting cease and desist proceedings, to be conducted according to the procedural rules in this part. The Director may issue a notice of charges as described in §1780.20 if the Director determines, or the Director has reasonable cause to believe that, an Enterprise or an executive officer or director thereof has engaged in, or it is about to engage in, any of the following conduct or violations:

(i) For an adequately capitalized Enterprise, any conduct which threatens to cause a significant depletion of the Enterprise's core capital; or for an Enterprise which is not in the adequately capitalized category, any conduct that is likely to result in a material depletion of the Enterprise's core capital;

(ii) Any conduct that may result in the issuance of a cease and desist order that requires an executive officer or director of an Enterprise to make restitution, provide reimbursement, indemnification or guarantee against loss to the Enterprise, where such person was either unjustly enriched or engaged in knowing misconduct likely to cause substantial loss to the Enterprise;

(iii) Any conduct that violates a written agreement entered into by an Enterprise with the Director; or

(iv) Any conduct that violates the 1992 Act, the Federal National Mortgage Association Charter Act (12 U.S.C. 1716 *et seq.*), the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1451 *et seq.*), or any regulation, rule, or order under such Acts, or any unsafe and unsound practice (in that it is contrary to prudent standards of operation which might cause loss or damage to the Enterprise, or is likely to cause such loss or damage if continued unabated), or any unsafe and unsound condition, except that the Director may not enforce compliance with housing goals established under subpart B of part 2 of subtitle A of the 1992 Act (12 U.S.C. 4561 through 4567), with section 1336 or 1337 of the 1992 Act (12 U.S.C. 4566 or 4567), or with subsection (m) or (n) of section 309 of the Federal National Mortgage Association Charter

12 CFR Ch. XVII (1-1-03 Edition)

Act (12 U.S.C. 4566 or 4567), or subsection (e) or (f) of section 307 of the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1456(e) or (f)).

(2) *Remedial provisions of cease and desist orders.* As provided by sections 1371(c) and (d) of the 1992 Act, a cease and desist order issued as set out in §1780.55 may require the Enterprise, or an executive officer or director thereof, to refrain from engaging in conduct or violations specified in paragraphs (b)(1)(i) through (iv) of this section and/or require correction of an unsafe or unsound condition specified in paragraph (b)(1)(iv) of this section, as found by the Director, and may also require the Enterprise, an executive officer, or director thereof to take such action as the Director determines to be appropriate to correct or remedy the conditions resulting from such conduct or violation. This may include, but is not limited to, provisions to:

(i) Require the Enterprise to seek restitution, or to obtain reimbursement, indemnification, or guarantee against loss;

(ii) Require the Enterprise to obtain new capital;

(iii) Restrict asset or liability growth of the Enterprise;

(iv) Require the Enterprise to dispose of any asset involved;

(v) Require the Enterprise to improve design or implementation of internal policies, compliance efforts, internal controls, risk measurement and limits, and management reporting systems;

(vi) Require the Enterprise to employ qualified officers or employees (who may be subject to approval by the Director at the direction of the Director);

(vii) Require the Enterprise, an executive officer or director thereof to adhere to limits on activities or functions; or

(viii) Require the Enterprise to take such other action as the Director determines appropriate.

(3) *Restitution and indemnification by executive officers and directors.* As part of the affirmative relief described in paragraph (b)(2) of this section, section 1371(d)(1) of the 1992 Act provides that the Director may require an executive officer or director of an Enterprise to make restitution or reimbursement to

Federal Housing Enterprise Oversight

§ 1780.1

the Enterprise, or to provide indemnification or guarantee against loss, to the extent such person was:

(i) Unjustly enriched in connection with the conduct or violation in question; or

(ii) Engaged in such conduct or violation knowingly, and such conduct or violation caused or would be likely to cause a substantial loss to the Enterprise.

(4) *Temporary cease and desist orders.*

(i) Under sections 1372(a) and (b) of the 1992 Act, if the Director determines that any conduct or violation or threatened conduct or violation described in the notice of charges in cease and desist proceedings described under §1780.20 is likely to cause insolvency, to cause significant depletion of core capital, or to cause other irreparable harm to an Enterprise before proceedings described in this part will be completed, the Director may issue a temporary cease and desist order. Such order may direct the Enterprise, executive officer or director thereof to refrain from the conduct or violation, and to take whatever affirmative action the Director determines to be appropriate to prevent or remedy such insolvency, depletion, or harm pending completion of such cease and desist proceedings.

(ii) In addition, section 1372(c) of the 1992 Act addresses cases in which the Director determines that the books and records of an Enterprise are so incomplete or inaccurate that the Director is unable through normal supervisory processes to determine either the financial condition of the Enterprise or the details or purpose of transactions that may have a material effect on the financial condition of the Enterprise. In connection with issuance of the notice of charges in cease and desist proceedings specified by §1780.20, the Director may issue a temporary order directing the Enterprise to cease the activity or practice that gave rise, whether in whole or in part, to the incomplete or inaccurate state of the records, and may require the Enterprise to take affirmative action to make the records complete and accurate.

(c) *Civil money penalties*—(1) *First tier CMPs.* Section 1736 of the 1992 Act au-

thorizes the Director to assess civil money penalties against an Enterprise, in proceedings to be conducted according to the procedural rules in this part. The Director may issue a notice of charges to an Enterprise, as described in §1780.20, to impose money penalties of up to \$5,000 (adjusted for inflation as described in §1780.80) for each day that the Enterprise engages in conduct that violates:

(i) The 1992 Act, the Federal National Mortgage Association Charter Act, the Federal Home Loan Mortgage Corporation Act, or any regulation, rule, or order under such Acts, except with regard to housing goals established under subpart B of part 2 of subtitle A of the 1992 Act, with section 1336 or 1337 of the 1992 Act, or with subsection (m) or (n) of section 309 of the Federal National Mortgage Association Charter Act, or subsection (e) or (f) of section 307 of the Federal Home Loan Mortgage Corporation Act;

(ii) Any written agreement entered into by the Enterprise with the Director; or

(iii) Any permanent or temporary cease and desist order entered under sections 1371 or 1372 of the 1992 Act, or sections 1365 (12 U.S.C. 4615, setting out supervisory actions applicable to undercapitalized Enterprises) or 1366 (12 U.S.C. 4616, setting out supervisory actions applicable to significantly undercapitalized institutions) of the 1992 Act.

(2) *Second tier CMPs.* The Director may issue a notice of charges to an Enterprise to impose money penalties of up to \$25,000 (adjusted for inflation as described in §1780.80) for each day that the Enterprise engages in the following violation or conduct, or to an executive officer or director of an Enterprise to impose money penalties of up to \$10,000 (adjusted for inflation as described in §1780.80) for each day such person or persons engages in the following violation or conduct, if the Director finds that the violation or conduct was either part of a pattern of misconduct or involved recklessness and causes or is likely to cause a material loss to the Enterprise:

(i) Any violation described in paragraphs (c)(1)(i) through (iii) of this section; or

§ 1780.2

12 CFR Ch. XVII (1–1–03 Edition)

(ii) Any conduct that causes or is likely to cause a loss to the Enterprise.

(3) *Third tier CMPs.* The Director may issue a notice of charges to an Enterprise to impose money penalties of up to \$1,000,000 (adjusted for inflation as described in §1780.80) for each day that the Enterprise engages in a violation or conduct described in paragraphs (c)(2)(i) and (ii) of this section, or to an executive officer or director of an Enterprise to impose money penalties of up to \$100,000 (adjusted for inflation as described in §1780.80) for each day such person or persons engages in such violation or conduct described in paragraphs (c)(2)(i) and (ii) of this section, if the Director finds that the violation or conduct was knowing and caused or is likely to cause a substantial loss to the Enterprise.

(4) *Amount of CMPs.* In determining the amount of a civil money penalty within the range of penalties described in paragraphs (c)(1) through (3) of this section, the Director may fashion sanctions in any such amount as deemed to be appropriate taking into consideration such factors as:

- (i) The gravity of the violation or conduct;
- (ii) Any loss or risk of loss to the Enterprise;
- (iii) Any benefits received;
- (iv) Any attempts at concealment;
- (v) Any history of prior violations or conduct;
- (vi) Any related or unrelated previous supervisory actions;
- (vii) Any injury to the public;
- (viii) Deterrence of future violations or conduct;
- (ix) The effect of the penalty on the safety and soundness of the Enterprise;
- (x) Any circumstances of hardship upon an executive officer or director;
- (xi) Promptness and effectiveness of any efforts to ameliorate the consequences of the violations or conduct; and
- (xii) Candor and cooperation after the fact.

(d) *Coordination with other supervisory actions.* In addition to cease and desist and/or civil money penalty proceedings under this part, the 1992 Act grants the Director other authority to take supervisory action, including requiring mandatory and discretionary supervisory

actions against an Enterprise that fails to remain adequately capitalized; appointment of a conservator for an Enterprise; entering into a written agreement the violation of which is actionable through proceedings under this part, or any other formal or informal agreement with an Enterprise as may be deemed by the Director to be appropriate. Under the 1992 Act, the selection of the form of supervisory action is within the Director's discretion, and the selection of one form of action or a combination of actions does not foreclose the Director from pursuing any other supervisory action.

(e) *Proceedings against affiliates.* Under subtitle C of the 1992 Act, the Director may institute proceedings as described under this part against an affiliate of an Enterprise as well as an executive officer or director of such affiliate. An entity is affiliated with an Enterprise if the entity controls the Enterprise, is controlled by the Enterprise, or is under common control with the Enterprise. For purposes of this part, control means the ability to exercise a controlling influence over the management and policies of the entity or Enterprise, whether it be by ownership of or the power to vote a concentration of any class of voting securities, the ability to elect or appoint members of the board of directors or officers of the entity, or otherwise.

(f) *Public nature of proceedings.* As described in §1780.6 of this part, all hearings shall be open to the public unless the Director in his discretion determines to the contrary based on public interest. The Director shall also make final orders available to the public, as well as modifications to or terminations thereof, except that the Director may determine in writing to delay public disclosure of such final orders for a reasonable time if immediate disclosure would seriously threaten the financial health or security of the Enterprise.

(ii) The presiding officer handling that proceeding, the Director, a decisional employee assigned to that proceeding, or any other person who is or may reasonably be expected to be involved in the decisional process.

(b) *Prohibition of ex parte communications.* From the time the notice commencing the proceeding is issued by the Director until the date that the Director issues his final decision pursuant to §1780.55, no person referred to in paragraph (a)(1)(i) of this section shall knowingly make or cause to be made an ex parte communication. The Director, presiding officer, or a decisional employee shall not knowingly make or cause to be made an ex parte communication.

(c) *Procedure upon occurrence of ex parte communication.* If an ex parte communication is received by any person identified in paragraph (a) of this section, that person shall cause all such written communications (or, if the communication is oral, a memorandum stating the substance of the communication) to be placed on the record of the proceeding and served on all parties. All parties to the proceeding shall have an opportunity, within ten days of receipt of service of the ex parte communication, to file responses thereto and to recommend any sanctions, in accordance with paragraph (d) of this section, that they believe to be appropriate under the circumstances.

(d) *Sanctions.* Any party or representative for a party who makes an ex parte communication, or who encourages or solicits another to make any such communication, may be subject to any appropriate sanction or sanctions imposed by the Director or the presiding officer, including, but not limited to, exclusion from the proceedings and an adverse ruling on the

issue that is the subject of the prohibited communication.

(e) *Consultations by presiding officer.* Except to the extent required for the disposition of ex parte matters as authorized by law, the presiding officer may not consult a person or party on any matter relevant to the merits of the adjudication, unless on notice and opportunity for all parties to participate.

(f) *Separation of functions.* An employee or agent engaged in the performance of investigative or prosecuting functions for OFHEO in a case may not, in that or a factually related case, participate or advise in the decision, recommended decision, or Director review under §1780.55 of the recommended decision, except as witness or counsel in public proceedings.

(c) *Formal requirements as to papers filed.* (1) *Form.* All papers must set forth the name, address and telephone number of the representative or party making the filing and must be accompanied by a certification setting forth when and how service has been made on all other parties. All papers filed must be double-spaced and printed or typewritten on 8½×11-inch paper and must be clear and legible.

§ 1780.10 **Service of papers.**

(a) *By the parties.* Except as otherwise provided, a party filing papers or serving a subpoena shall serve a copy upon the representative of record for each party to the proceeding so represented and upon any party not so represented.

(b) *Method of service.* Except as provided in paragraphs (c)(2) and (d) of this section, a serving party shall use one or more of the following methods of service:

(1) Personal service;

(2) Delivery to the U.S. Postal Service or to a reliable commercial delivery service for same day or overnight delivery;

(3) Mailing by first class, registered, or certified mail; or

(4) Transmission by electronic media, only if the parties mutually agree. Any papers served by electronic media shall also concurrently be served in accordance with the requirements of §1780.9(c).

(c) *By the Director or the presiding officer.* (1) All papers required to be served by the Director or the presiding officer upon a party who has appeared in the proceeding in accordance with §1780.72 shall be served by any means specified in paragraph (b) of this section.

(2) If a notice of appearance has not been filed in the proceeding for a party in accordance with §1780.72, the Director or the presiding officer shall make service upon the party by any of the following methods:

(i) By personal service;

(ii) If the person to be served is an individual, by delivery to a person of suitable age and discretion at the physical location where the individual resides or works;

(iii) If the person to be served is a corporation or other association, by delivery to an officer, managing or general agent, or to any other agent authorized by appointment or by law to receive service and, if the agent is one authorized by statute to receive service and the statute so requires, by also mailing a copy to the party;

(iv) By registered or certified mail addressed to the person's last known address; or

(v) By any other method reasonably calculated to give actual notice.

(d) *Subpoenas.* Service of a subpoena may be made:

(1) By personal service;

(2) If the person to be served is an individual, by delivery to a person of suitable age and discretion at the physical location where the individual resides or works;

(3) If the person to be served is a corporation or other association, by delivery to an officer, managing or general agent, or to any other agent authorized by appointment or by law to receive service and, if the agent is one authorized by statute to receive service and the statute so requires, by also mailing a copy to the party; or

(4) By registered or certified mail addressed to the person's last known address; or

(5) By any other method reasonably calculated to give actual notice.

(e) *Area of service.* Service in any State, commonwealth, possession, territory of the United States or the District of Columbia on any person doing business in any State, commonwealth, possession, territory of the United States or the District of Columbia, or on any person as otherwise permitted by law, is effective without regard to the place where the hearing is held.

(f) *Proof of service.* Proof of service of papers filed by a party shall be filed before action is taken thereon. The proof of service, which shall serve as *prima facie* evidence of the fact and date of service, shall show the date and manner of service and may be by written acknowledgment of service, by declaration of the person making service, or by certificate of a representative of record. However, failure to file proof of service contemporaneously with the papers shall not affect the validity of

Federal Housing Enterprise Oversight

§ 1780.14

actual service. The presiding officer may allow the proof to be amended or supplied, unless to do so would result in material prejudice to a party.

§ 1780.11 Computing time.

(a) *General rule.* In computing any period of time prescribed or allowed by this subpart, the date of the act or event that commences the designated period of time is not included. The last day so computed is included unless it is a Saturday, Sunday, or Federal holiday. When the last day is a Saturday, Sunday or Federal holiday, the period shall run until the end of the next day that is not a Saturday, Sunday, or Federal holiday. Intermediate Saturdays, Sundays and Federal holidays are included in the computation of time. However, when the time period within which an act is to be performed is 10 days or less, not including any additional time allowed for in paragraph (c) of this section, intermediate Saturdays, Sundays and Federal holidays are not included.

(b) *When papers are deemed to be filed or served.* (1) Filing and service are deemed to be effective—

(i) In the case of personal service or same day reliable commercial delivery service, upon actual service;

(ii) In the case of U.S. Postal Service or reliable commercial overnight delivery service, or first class, registered, or certified mail, upon deposit in or delivery to an appropriate point of collection; or

(iii) In the case of transmission by electronic media, as specified by the authority receiving the filing in the case of filing, and as agreed among the parties in the case of service.

(2) The effective filing and service dates specified in paragraph (b)(1) of this section may be modified by the Director or the presiding officer in the case of filing or by agreement of the parties in the case of service.

(c) *Calculation of time for service and filing of responsive papers.* Whenever a time limit is measured by a prescribed period from the service of any notice or paper, the applicable time limits shall be calculated as follows:

(1) If service was made by first class, registered, or certified mail, or by delivery to the U.S. Postal Service for

longer than overnight delivery service, add three calendar days to the prescribed period for the responsive filing.

(2) If service was made by U.S. Postal Service or reliable commercial overnight delivery service, add 1 calendar day to the prescribed period for the responsive filing.

(3) If service was made by electronic media transmission, add one calendar day to the prescribed period for the responsive filing, unless otherwise determined by the Director or the presiding officer in the case of filing, or by agreement among the parties in the case of service.

§ 1780.12 Change of time limits.

Except as otherwise provided by law, the presiding officer may, for good cause shown, extend the time limits prescribed above or prescribed by any notice or order issued in the proceedings. After the referral of the case to the Director pursuant to §1780.53, the Director may grant extensions of the time limits for good cause shown. Extensions may be granted on the motion of a party after notice and opportunity to respond is afforded all non-moving parties, or on the Director's or the presiding officer's own motion.

§ 1780.13 Witness fees and expenses.

Witnesses (other than parties) subpoenaed for testimony or depositions shall be paid the same fees for attendance and mileage as are paid in the United States district courts in proceedings in which the United States is a party, provided that, in the case of a discovery subpoena addressed to a party, no witness fees or mileage shall be paid. Fees for witnesses shall be tendered in advance by the party requesting the subpoena, except that fees and mileage need not be tendered in advance where OFHEO is the party requesting the subpoena. OFHEO shall not be required to pay any fees to or expenses of any witness not subpoenaed by OFHEO.

§ 1780.14 Opportunity for informal settlement.

Any respondent may, at any time in the proceeding, unilaterally submit to OFHEO's counsel of record written offers or proposals for settlement of a

§ 1780.15

proceeding without prejudice to the rights of any of the parties. No such offer or proposal shall be made to any OFHEO representative other than OFHEO's counsel of record. Submission of a written settlement offer does not provide a basis for adjourning or otherwise delaying all or any portion of a proceeding under this part. No settlement offer or proposal, or any subsequent negotiation or resolution, is admissible as evidence in any proceeding.

§ 1780.15 OFHEO's right to conduct examination.

Nothing contained in this part limits in any manner the right of OFHEO to conduct any examination, inspection, or visitation of any Enterprise or affiliate, or the right of OFHEO to conduct or continue any form of investigation authorized by law.

§ 1780.16 Collateral attacks on adjudicatory proceeding.

If an interlocutory appeal or collateral attack is brought in any court concerning all or any part of an adjudicatory proceeding, the challenged adjudicatory proceeding shall continue without regard to the pendency of that court proceeding. No default or other failure to act as directed in the adjudicatory proceeding within the times prescribed in this subpart shall be excused based on the pendency before any court of any interlocutory appeal or collateral attack.

Subpart B—Prehearing Proceedings

SOURCE: 64 FR 72513, Dec. 28, 1999, unless otherwise noted.

§ 1780.20 Commencement of proceeding and contents of notice of charges.

Proceedings under this subpart are commenced by the issuance of a notice of charges by the Director, which must be served upon the respondent. Such notice shall state all of the following:

(a) The legal authority for the proceeding and for OFHEO's jurisdiction over the proceeding;

(b) A statement of the matters of fact or law showing that OFHEO is entitled to relief;

12 CFR Ch. XVII (1–1–03 Edition)

(c) A proposed order or prayer for an order granting the requested relief;

(d) The time, place and nature of the hearing;

(e) The time within which to file an answer;

(f) The time within which to request a hearing; and

(g) The address for filing the answer and/or request for a hearing.

§ 1780.21 Answer.

(a) *When.* Unless otherwise specified by the Director in the notice, respondent shall file an answer within 20 days of service of the notice.

(b) *Content of answer.* An answer must respond specifically to each paragraph or allegation of fact contained in the notice and must admit, deny, or state that the party lacks sufficient information to admit or deny each allegation of fact. A statement of lack of information has the effect of a denial. Denials must fairly meet the substance of each allegation of fact denied; general denials are not permitted. When a respondent denies part of an allegation, that part must be denied and the remainder specifically admitted. Any allegation of fact in the notice that is not denied in the answer is deemed admitted for purposes of the proceeding. A respondent is not required to respond to the portion of a notice that constitutes the prayer for relief or proposed order. The answer must set forth affirmative defenses, if any, asserted by the respondent.

(c) *Default.* Failure of a respondent to file an answer required by this section within the time provided constitutes a waiver of such respondent's right to appear and contest the allegations in the notice. If no timely answer is filed, OFHEO's counsel of record may file a motion for entry of an order of default. Upon a finding that no good cause has been shown for the failure to file a timely answer, the presiding officer shall file with the Director a recommended decision containing the findings and the relief sought in the notice. Any final order issued by the Director based upon a respondent's failure to answer is deemed to be an order issued upon consent.

Federal Housing Enterprise Oversight

§ 1780.25

§ 1780.22 Amended pleadings.

(a) *Amendments.* The notice or answer may be amended or supplemented at any stage of the proceeding. The respondent must answer an amended notice within the time remaining for the respondent's answer to the original notice, or within ten days after service of the amended notice, whichever period is longer, unless the Director or presiding officer orders otherwise for good cause shown.

(b) *Amendments to conform to the evidence.* When issues not raised in the notice or answer are tried at the hearing by express or implied consent of the parties, they will be treated in all respects as if they had been raised in the notice or answer, and no formal amendments are required. If evidence is objected to at the hearing on the ground that it is not within the issues raised by the notice or answer, the presiding officer may admit the evidence when admission is likely to assist in adjudicating the merits of the action. The presiding officer will do so freely when the determination of the merits of the action is served thereby and the objecting party fails to satisfy the presiding officer that the admission of such evidence would unfairly prejudice that party's action or defense upon the merits. The presiding officer may grant a continuance to enable the objecting party to meet such evidence.

§ 1780.23 Failure to appear.

Failure of a respondent to appear in person at the hearing or by a duly authorized representative constitutes a waiver of respondent's right to a hearing and is deemed an admission of the facts as alleged and consent to the relief sought in the notice. Without further proceedings or notice to the respondent, the presiding officer shall file with the Director a recommended decision containing the findings and the relief sought in the notice.

§ 1780.24 Consolidation and severance of actions.

(a) *Consolidation.* On the motion of any party, or on the presiding officer's own motion, the presiding officer may consolidate, for some or all purposes, any two or more proceedings, if each such proceeding involves or arises out

of the same transaction, occurrence or series of transactions or occurrences, or involves at least one common respondent or a material common question of law or fact, unless such consolidation would cause unreasonable delay or injustice. In the event of consolidation under this section, appropriate adjustment to the prehearing schedule must be made to avoid unnecessary expense, inconvenience, or delay.

(b) *Severance.* The presiding officer may, upon the motion of any party, sever the proceeding for separate resolution of the matter as to any respondent only if the presiding officer finds that undue prejudice or injustice to the moving party would result from not severing the proceeding and such undue prejudice or injustice would outweigh the interests of judicial economy and expedition in the complete and final resolution of the proceeding.

§ 1780.25 Motions.

(a) *In writing.* (1) Except as otherwise provided herein, an application or request for an order or ruling must be made by written motion.

(2) All written motions must state with particularity the relief sought and must be accompanied by a proposed order.

(3) No oral argument may be held on written motions except as otherwise directed by the presiding officer. Written memoranda, briefs, affidavits, or other relevant material or documents may be filed in support of or in opposition to a motion.

(b) *Oral motions.* A motion may be made orally on the record unless the presiding officer directs that such motion be reduced to writing.

(c) *Filing of motions.* Motions must be filed with the presiding officer, except that following the filing of a recommended decision, motions must be filed with the Director.

(d) *Responses.* (1) Except as otherwise provided herein, any party may file a written response to a motion within ten days after service of any written motion, or within such other period of time as may be established by the presiding officer or the Director. The presiding officer shall not rule on any oral or written motion before each party

§ 1780.26

12 CFR Ch. XVII (1–1–03 Edition)

has had an opportunity to file a response.

(2) The failure of a party to oppose a written motion or an oral motion made on the record is deemed a consent by that party to the entry of an order substantially in the form of the order accompanying the motion.

(e) *Dilatory motions.* Frivolous, dilatory, or repetitive motions are prohibited. The filing of such motions may form the basis for sanctions.

(f) *Dispositive motions.* Dispositive motions are governed by §§1780.31 and 1780.32.

§ 1780.26 Discovery.

(a) *Limits on discovery.* Subject to the limitations set out in paragraphs (b), (d), and (e) of this section, a party to a proceeding under this subpart may obtain document discovery by serving a written request to produce documents. For purposes of a request to produce documents, the term “documents” may be defined to include drawings, graphs, charts, photographs, recordings, data stored in electronic form, and other data compilations from which information can be obtained or translated, if necessary, by the parties through detection devices into reasonably usable form, as well as written material of all kinds.

(b) *Relevance.* A party may obtain document discovery regarding any matter not privileged that has material relevance to the merits of the pending action. Any request to produce documents that calls for irrelevant material, that is unreasonable, oppressive, excessive in scope, unduly burdensome, or repetitive of previous requests, or that seeks to obtain privileged documents will be denied or modified. A request is unreasonable, oppressive, excessive in scope, or unduly burdensome if, among other things, it fails to include justifiable limitations on the time period covered and the geographic locations to be searched, the time provided to respond in the request is inadequate, or the request calls for copies of documents to be delivered to the requesting party and fails to include the requestor’s written agreement to pay in advance for the copying, in accordance with §1780.27.

(c) *Forms of discovery.* Discovery shall be limited to requests for production of documents for inspection and copying. No other form of discovery shall be allowed. Discovery by use of interrogatories is not permitted. This paragraph shall not be interpreted to require the creation of a document.

(d) *Privileged matter.* Privileged documents are not discoverable. Privileges include the attorney-client privilege, work-product privilege, any government’s or government agency’s deliberative process privilege and any other privileges provided by the Constitution, any applicable act of Congress, or the principles of common law.

(e) *Time limits.* All discovery, including all responses to discovery requests, shall be completed at least 20 days prior to the date scheduled for the commencement of the hearing. No exception to this time limit shall be permitted, unless the presiding officer finds on the record that good cause exists for waiving the requirements of this paragraph.

§ 1780.27 Request for document discovery from parties.

(a) *General rule.* Any party may serve on any other party a request to produce for inspection any discoverable documents that are in the possession, custody, or control of the party upon whom the request is served. Copies of the request shall be served on all other parties. The request must identify the documents to be produced either by individual item or by category and must describe each item and category with reasonable particularity. Documents must be produced as they are kept in the usual course of business or they shall be labeled and organized to correspond with the categories in the request.

(b) *Production or copying.* The request must specify a reasonable time, place and manner for production and performing any related acts. In lieu of inspecting the documents, the requesting party may specify that all or some of the responsive documents be copied and the copies delivered to the requesting party. If copying of fewer than 250 pages is requested, the party to whom the request is addressed shall bear the cost of copying and shipping charges. If

Federal Housing Enterprise Oversight

§ 1780.27

a party requests more than 250 pages of copying, the requesting party shall pay for copying and shipping charges. Copying charges are at the current rate per page imposed by OFHEO at §1710.22(b)(2) of this chapter for requests for documents filed under the Freedom of Information Act, 12 U.S.C. 552. The party to whom the request is addressed may require payment in advance before producing the documents.

(c) *Obligation to update responses.* A party who has responded to a discovery request is not required to supplement the response, unless:

(1) The responding party learns that in some material respect the information disclosed is incomplete or incorrect, and

(2) The additional or corrective information has not otherwise been made known to the other parties during the discovery process or in writing.

(d) *Motions to strike or limit discovery requests.* (1) Any party that objects to a discovery request may, within ten days of being served with such request, file a motion in accordance with the provisions of §1780.25 to strike or otherwise limit the request. If an objection is made to only a portion of an item or category in a request, the objection shall specify that portion. Any objections not made in accordance with this paragraph and §1780.25 are waived.

(2) The party who served the request that is the subject of a motion to strike or limit may file a written response within five days of service of the motion. No other party may file a response.

(e) *Privilege.* At the time other documents are produced, all documents withheld on the grounds of privilege must be reasonably identified, together with a statement of the basis for the assertion of privilege. When similar documents that are protected by deliberative process, attorney work-product, or attorney-client privilege are voluminous, these documents may be identified by category instead of by individual document. The presiding officer has discretion to determine when the identification by category is insufficient.

(f) *Motions to compel production.* (1) If a party withholds any documents as privileged or fails to comply fully with

a discovery request, the requesting party may, within ten days of the assertion of privilege or of the time the failure to comply becomes known to the requesting party, file a motion in accordance with the provisions of §1780.25 for the issuance of a subpoena compelling production.

(2) The party who asserted the privilege or failed to comply with the request may, within five days of service of a motion for the issuance of a subpoena compelling production, file a written response to the motion. No other party may file a response.

(g) *Ruling on motions.* After the time for filing responses to motions pursuant to this section has expired, the presiding officer shall rule promptly on all such motions. If the presiding officer determines that a discovery request or any of its terms calls for irrelevant material, is unreasonable, oppressive, excessive in scope, unduly burdensome, or repetitive of previous requests, or seeks to obtain privileged documents, he may deny or modify the request and may issue appropriate protective orders, upon such conditions as justice may require. The pendency of a motion to strike or limit discovery or to compel production shall not be a basis for staying or continuing the proceeding, unless otherwise ordered by the presiding officer. Notwithstanding any other provision in this part, the presiding officer may not release, or order a party to produce, documents withheld on grounds of privilege if the party has stated to the presiding officer its intention to file a timely motion for interlocutory review of the presiding officer's order to produce the documents, until the motion for interlocutory review has been decided.

(h) *Enforcing discovery subpoenas.* If the presiding officer issues a subpoena compelling production of documents by a party, the subpoenaing party may, in the event of noncompliance and to the extent authorized by applicable law, apply to any appropriate United States district court for an order requiring compliance with the subpoena. A party's right to seek court enforcement of a subpoena shall not in any manner limit the sanctions that may be imposed by the presiding officer against a party who fails to produce or induces

§ 1780.28

another to fail to produce subpoenaed documents.

§ 1780.28 Document subpoenas to non-parties.

(a) *General rules.* (1) Any party may apply to the presiding officer for the issuance of a document discovery subpoena addressed to any person who is not a party to the proceeding. The application must contain a proposed document subpoena and a brief statement showing the general relevance and reasonableness of the scope of documents sought. The subpoenaing party shall specify a reasonable time, place, and manner for production in response to the subpoena.

(2) A party shall only apply for a document subpoena under this section within the time period during which such party could serve a discovery request under §1780.27. The party obtaining the document subpoena is responsible for serving it on the subpoenaed person and for serving copies on all parties. Document subpoenas may be served in any State, territory, or possession of the United States, the District of Columbia, or as otherwise provided by law.

(3) The presiding officer shall issue promptly any document subpoena applied for under this section; except that, if the presiding officer determines that the application does not set forth a valid basis for the issuance of the subpoena, or that any of its terms are unreasonable, oppressive, excessive in scope, or unduly burdensome, he may refuse to issue the subpoena or may issue it in a modified form upon such conditions as may be determined by the presiding officer.

(b) *Motion to quash or modify.* (1) Any person to whom a document subpoena is directed may file a motion to quash or modify such subpoena, accompanied by a statement of the basis for quashing or modifying the subpoena. The movant shall serve the motion on all parties and any party may respond to such motion within ten days of service of the motion.

(2) Any motion to quash or modify a document subpoena must be filed on the same basis, including the assertion of privilege, upon which a party could object to a discovery request under

12 CFR Ch. XVII (1–1–03 Edition)

§1780.27 and during the same time limits during which such an objection could be filed.

(c) *Enforcing document subpoenas.* If a subpoenaed person fails to comply with any subpoena issued pursuant to this section or any order of the presiding officer that directs compliance with all or any portion of a document subpoena, the subpoenaing party or any other aggrieved party may, to the extent authorized by applicable law, apply to an appropriate United States district court for an order requiring compliance with the subpoena. A party's right to seek court enforcement of a document subpoena shall in no way limit the sanctions that may be imposed by the presiding officer on a party who induces a failure to comply with subpoenas issued under this section.

§ 1780.29 Deposition of witness unavailable for hearing.

(a) *General rules.* (1) If a witness will not be available for the hearing, a party desiring to preserve that witness' testimony for the record may apply in accordance with the procedures set forth in paragraph (a)(2) of this section to the presiding officer for the issuance of a subpoena, including a subpoena *duces tecum*, requiring the attendance of the witness at a deposition. The presiding officer may issue a deposition subpoena under this section upon a showing that—

(i) The witness will be unable to attend or may be prevented from attending the hearing because of age, sickness, or infirmity, or will be otherwise unavailable;

(ii) The witness' unavailability was not produced or caused by the subpoenaing party;

(iii) The testimony is reasonably expected to be material; and

(iv) Taking the deposition will not result in any undue burden to any other party and will not cause undue delay of the proceeding.

(2) The application must contain a proposed deposition subpoena and a brief statement of the reasons for the issuance of the subpoena. The subpoena must name the witness whose deposition is to be taken and specify the time and place for taking the deposition. A deposition subpoena may require the

Federal Housing Enterprise Oversight

§ 1780.30

witness to be deposed anywhere within the United States and its possessions and territories in which that witness resides or has a regular place of employment or such other convenient place as the presiding officer shall fix.

(3) Subpoenas must be issued promptly upon request, unless the presiding officer determines that the request fails to set forth a valid basis under this section for its issuance. Before making a determination that there is no valid basis for issuing the subpoena, the presiding officer shall require a written response from the party requesting the subpoena or require attendance at a conference to determine whether there is a valid basis upon which to issue the requested subpoena.

(4) The party obtaining a deposition subpoena is responsible for serving it on the witness and for serving copies on all parties. Unless the presiding officer orders otherwise, no deposition under this section shall be taken on fewer than 10 days' notice to the witness and all parties. Deposition subpoenas may be served anywhere within the United States or its possessions or territories on any person doing business anywhere within the United States or its possessions or territories, or as otherwise permitted by law.

(b) *Objections to deposition subpoenas.*

(1) The witness and any party who has not had an opportunity to oppose a deposition subpoena issued under this section may file a motion under §1780.25 with the presiding officer to quash or modify the subpoena prior to the time for compliance specified in the subpoena, but not more than 10 days after service of the subpoena.

(2) A statement of the basis for the motion to quash or modify a subpoena issued under this section must accompany the motion. The motion must be served on all parties.

(c) *Procedure upon deposition.* (1) Each witness testifying pursuant to a deposition subpoena must be duly sworn and each party shall have the right to examine the witness. Objections to questions or documents must be in short form, stating the grounds for the objection. Failure to object to questions or documents is not deemed a waiver except where the ground for objection might have been avoided if the objec-

tion had been presented timely. All questions, answers and objections must be recorded.

(2) Any party may move before the presiding officer for an order compelling the witness to answer any questions the witness has refused to answer or submit any evidence that, during the deposition, the witness has refused to submit.

(3) The deposition must be subscribed by the witness, unless the parties and the witness, by stipulation, have waived the signing, or the witness is ill, cannot be found, or has refused to sign. If the deposition is not subscribed by the witness, the court reporter taking the deposition shall certify that the transcript is a true and complete transcript of the deposition.

(d) *Enforcing subpoenas.* If a subpoenaed person fails to comply with any subpoena issued pursuant to this section or with any order of the presiding officer made upon motion under paragraph (c)(2) of this section, the subpoenaing party or other aggrieved party may, to the extent authorized by applicable law, apply to an appropriate United States district court for an order requiring compliance with the portions of the subpoena that the presiding officer has ordered enforced. A party's right to seek court enforcement of a deposition subpoena in no way limits the sanctions that may be imposed by the presiding officer on a party who fails to comply with or induces a failure to comply with a subpoena issued under this section.

§ 1780.30 Interlocutory review.

(a) *General rule.* The Director may review a ruling of the presiding officer prior to the certification of the record to the Director only in accordance with the procedures set forth in this section.

(b) *Scope of review.* The Director may exercise interlocutory review of a ruling of the presiding officer if the Director finds that—

(1) The ruling involves a controlling question of law or policy as to which substantial grounds exist for a difference of opinion;

(2) Immediate review of the ruling may materially advance the ultimate termination of the proceeding;

§ 1780.31

(3) Subsequent modification of the ruling at the conclusion of the proceeding would be an inadequate remedy; or

(4) Subsequent modification of the ruling would cause unusual delay or expense.

(c) *Procedure.* Any motion for interlocutory review shall be filed by a party with the presiding officer within ten days of his ruling. Upon the expiration of the time for filing all responses, the presiding officer shall refer the matter to the Director for final disposition. In referring the matter to the Director, the presiding officer may indicate agreement or disagreement with the asserted grounds for interlocutory review of the ruling in question.

(d) *Suspension of proceeding.* Neither a request for interlocutory review nor any disposition of such a request by the Director under this section suspends or stays the proceeding unless otherwise ordered by the presiding officer or the Director.

§ 1780.31 Summary disposition.

(a) *In general.* The presiding officer shall recommend that the Director issue a final order granting a motion for summary disposition if the undisputed pleaded facts, admissions, affidavits, stipulations, documentary evidence, matters as to which official notice may be taken and any other evidentiary materials properly submitted in connection with a motion for summary disposition show that—

(1) There is no genuine issue as to any material fact; and

(2) The movant is entitled to a decision in its favor as a matter of law.

(b) *Filing of motions and responses.* (1) Any party who believes there is no genuine issue of material fact to be determined and that such party is entitled to a decision as a matter of law may move at any time for summary disposition in its favor of all or any part of the proceeding. Any party, within 20 days after service of such motion or within such time period as allowed by the presiding officer, may file a response to such motion.

(2) A motion for summary disposition must be accompanied by a statement of material facts as to which the movant contends there is no genuine issue.

12 CFR Ch. XVII (1–1–03 Edition)

Such motion must be supported by documentary evidence, which may take the form of admissions in pleadings, stipulations, written interrogatory responses, depositions, investigatory depositions, transcripts, affidavits and any other evidentiary materials that the movant contends support its position. The motion must also be accompanied by a brief containing the points and authorities in support of the contention of the movant. Any party opposing a motion for summary disposition must file a statement setting forth those material facts as to which such party contends a genuine dispute exists. Such opposition must be supported by evidence of the same type as that submitted with the motion for summary disposition and a brief containing the points and authorities in support of the contention that summary disposition would be inappropriate.

(c) *Hearing on motion.* At the request of any party or on his own motion, the presiding officer may hear oral argument on the motion for summary disposition.

(d) *Decision on motion.* Following receipt of a motion for summary disposition and all responses thereto, the presiding officer shall determine whether the movant is entitled to summary disposition. If the presiding officer determines that summary disposition is warranted, the presiding officer shall submit a recommended decision to that effect to the Director, under § 1780.53. If the presiding officer finds that the moving party is not entitled to summary disposition, the presiding officer shall make a ruling denying the motion.

§ 1780.32 Partial summary disposition.

If the presiding officer determines that a party is entitled to summary disposition as to certain claims only, he shall defer submitting a recommended decision to the Director as to those claims. A hearing on the remaining issues must be ordered. Those claims for which the presiding officer has determined that summary disposition is warranted will be addressed in the recommended decision filed at the conclusion of the hearing.

Federal Housing Enterprise Oversight

§ 1780.35

§ 1780.33 Scheduling and prehearing conferences.

(a) *Scheduling conference.* Within 30 days of service of the notice or order commencing a proceeding or such other time as the parties may agree, the presiding officer shall direct representatives for all parties to meet with him in person at a specified time and place prior to the hearing or to confer by telephone for the purpose of scheduling the course and conduct of the proceeding. This meeting or telephone conference is called a “scheduling conference.” The identification of potential witnesses, the time for and manner of discovery and the exchange of any prehearing materials including witness lists, statements of issues, stipulations, exhibits and any other materials may also be determined at the scheduling conference.

(b) *Prehearing conferences.* The presiding officer may, in addition to the scheduling conference, on his own motion or at the request of any party, direct representatives for the parties to meet with him (in person or by telephone) at a prehearing conference to address any or all of the following:

- (1) Simplification and clarification of the issues;
- (2) Stipulations, admissions of fact and the contents, authenticity and admissibility into evidence of documents;
- (3) Matters of which official notice may be taken;
- (4) Limitation of the number of witnesses;
- (5) Summary disposition of any or all issues;
- (6) Resolution of discovery issues or disputes;
- (7) Amendments to pleadings; and
- (8) Such other matters as may aid in the orderly disposition of the proceeding.

(c) *Transcript.* The presiding officer, in his discretion, may require that a scheduling or prehearing conference be recorded by a court reporter. A transcript of the conference and any materials filed, including orders, becomes part of the record of the proceeding. A party may obtain a copy of the transcript at such party’s expense.

(d) *Scheduling or prehearing orders.* Within a reasonable time following the conclusion of the scheduling con-

ference or any prehearing conference, the presiding officer shall serve on each party an order setting forth any agreements reached and any procedural determinations made.

§ 1780.34 Prehearing submissions.

(a) Within the time set by the presiding officer, but in no case later than 10 days before the start of the hearing, each party shall serve on every other party the serving party’s—

- (1) Prehearing statement;
- (2) Final list of witnesses to be called to testify at the hearing, including name and address of each witness and a short summary of the expected testimony of each witness;
- (3) List of the exhibits to be introduced at the hearing along with a copy of each exhibit; and
- (4) Stipulations of fact, if any.

(b) *Effect of failure to comply.* No witness may testify and no exhibits may be introduced at the hearing if such witness or exhibit is not listed in the prehearing submissions pursuant to paragraph (a) of this section, except for good cause shown.

§ 1780.35 Hearing subpoenas.

(a) *Issuance.* (1) Upon application of a party showing general relevance and reasonableness of scope of the testimony or other evidence sought, the presiding officer may issue a subpoena or a subpoena *duces tecum* requiring the attendance of a witness at the hearing or the production of documentary or physical evidence at such hearing. The application for a hearing subpoena must also contain a proposed subpoena specifying the attendance of a witness or the production of evidence from any State, commonwealth, possession, territory of the United States, or the District of Columbia, or as otherwise provided by law at any designated place where the hearing is being conducted. The party making the application shall serve a copy of the application and the proposed subpoena on every other party.

(2) A party may apply for a hearing subpoena at any time before the commencement of or during a hearing. During a hearing, a party may make an application for a subpoena orally on the record before the presiding officer.

(3) The presiding officer shall promptly issue any hearing subpoena applied for under this section; except that, if the presiding officer determines that the application does not set forth a valid basis for the issuance of the subpoena, or that any of its terms are unreasonable, oppressive, excessive in scope, or unduly burdensome, he may refuse to issue the subpoena or may issue the subpoena in a modified form upon any conditions consistent with this subpart. Upon issuance by the presiding officer, the party making the application shall serve the subpoena on the person named in the subpoena and on each party.

(b) *Motion to quash or modify.* (1) Any person to whom a hearing subpoena is directed or any party may file a motion to quash or modify such subpoena, accompanied by a statement of the basis for quashing or modifying the subpoena. The movant must serve the motion on each party and on the person named in the subpoena. Any party may respond to the motion within ten days of service of the motion.

(2) Any motion to quash or modify a hearing subpoena must be filed prior to the time specified in the subpoena for compliance, but no more than 10 days after the date of service of the subpoena upon the movant.

(c) *Enforcing subpoenas.* If a subpoenaed person fails to comply with any subpoena issued pursuant to this section or any order of the presiding officer that directs compliance with all or any portion of a hearing subpoena, the subpoenaing party or any other aggrieved party may seek enforcement of the subpoena pursuant to §1780.28(c). A party's right to seek court enforcement of a hearing subpoena shall in no way limit the sanctions that may be imposed by the presiding officer on a party who induces a failure to comply with subpoenas issued under this section.

Subpart C—Hearing and Posthearing Proceedings

SOURCE: 64 FR 72518, Dec. 28, 1999, unless otherwise noted.

§ 1780.50 Conduct of hearings.

(a) *General rules.* (1) Hearings shall be conducted in accordance with 5 U.S.C. chapter 5 and other applicable law and so as to provide a fair and expeditious presentation of the relevant disputed issues. Except as limited by this subpart, each party has the right to present its case or defense by oral and documentary evidence and to conduct such cross examination as may be required for full disclosure of the facts.

(2) *Order of hearing.* OFHEO's counsel of record shall present its case-in-chief first, unless otherwise ordered by the presiding officer or unless otherwise expressly specified by law or regulation. OFHEO's counsel of record shall be the first party to present an opening statement and a closing statement and may make a rebuttal statement after the respondent's closing statement. If there are multiple respondents, respondents may agree among themselves as to their order or presentation of their cases, but if they do not agree, the presiding officer shall fix the order.

(3) *Examination of witnesses.* Only one representative for each party may conduct an examination of a witness, except that in the case of extensive direct examination, the presiding officer may permit more than one representative for the party presenting the witness to conduct the examination. A party may have one representative conduct the direct examination and another representative conduct re-direct examination of a witness, or may have one representative conduct the cross examination of a witness and another representative conduct the re-cross examination of a witness.

(4) *Stipulations.* Unless the presiding officer directs otherwise, all documents that the parties have stipulated as admissible shall be admitted into evidence upon commencement of the hearing.

(b) *Transcript.* The hearing shall be recorded and transcribed. The transcript shall be made available to any party upon payment of the cost thereof. The presiding officer shall have authority to order the record corrected, either upon motion to correct, upon stipulation of the parties, or following notice to the parties upon the presiding officer's own motion.

Federal Housing Enterprise Oversight

§ 1780.52

§ 1780.51 Evidence.

(a) *Admissibility.* (1) Except as is otherwise set forth in this section, relevant, material and reliable evidence that is not unduly repetitive is admissible to the fullest extent authorized by the Administrative Procedure Act and other applicable law.

(2) Evidence that would be admissible under the Federal Rules of Evidence is admissible in a proceeding conducted pursuant to this subpart.

(3) Evidence that would be inadmissible under the Federal Rules of Evidence may not be deemed or ruled to be inadmissible in a proceeding conducted pursuant to this subpart if such evidence is relevant, material, reliable and not unduly repetitive.

(b) *Official notice.* (1) Official notice may be taken of any material fact that may be judicially noticed by a United States district court and any material information in the official public records of any Federal or State government agency.

(2) All matters officially noticed by the presiding officer or the Director shall appear on the record.

(3) If official notice is requested of any material fact, the parties, upon timely request, shall be afforded an opportunity to object.

(c) *Documents.* (1) A duplicate copy of a document is admissible to the same extent as the original, unless a genuine issue is raised as to whether the copy is in some material respect not a true and legible copy of the original.

(2) Subject to the requirements of paragraph (a)(1) of this section, any document, including a report of examination, oversight activity, inspection, or visitation, prepared by OFHEO or by another Federal or State financial institutions regulatory agency is admissible either with or without a sponsoring witness.

(3) Witnesses may use existing or newly created charts, exhibits, calendars, calculations, outlines, or other graphic material to summarize, illustrate, or simplify the presentation of testimony. Such materials may, subject to the presiding officer's discretion, be used with or without being admitted into evidence.

(d) *Objections.* (1) Objections to the admissibility of evidence must be time-

ly made and rulings on all objections must appear in the record.

(2) When an objection to a question or line of questioning is sustained, the examining representative of record may make a specific proffer on the record of what he expected to prove by the expected testimony of the witness. The proffer may be by representation of the representative or by direct interrogation of the witness.

(3) The presiding officer shall retain rejected exhibits, adequately marked for identification, for the record and transmit such exhibits to the Director.

(4) Failure to object to admission of evidence or to any ruling constitutes a waiver of the objection.

(e) *Stipulations.* The parties may stipulate as to any relevant matters of fact or the authentication of any relevant documents. Such stipulations must be received in evidence at a hearing and are binding on the parties with respect to the matters therein stipulated.

(f) *Depositions of unavailable witnesses.* (1) If a witness is unavailable to testify at a hearing and that witness has testified in a deposition in accordance with § 1780.29, a party may offer as evidence all or any part of the transcript of the deposition, including deposition exhibits, if any.

(2) Such deposition transcript is admissible to the same extent that testimony would have been admissible had that person testified at the hearing, provided that if a witness refused to answer proper questions during the depositions, the presiding officer may, on that basis, limit the admissibility of the deposition in any manner that justice requires.

(3) Only those portions of a deposition received in evidence at the hearing constitute a part of the record.

§ 1780.52 Post hearing filings.

(a) *Proposed findings and conclusions and supporting briefs.* (1) Using the same method of service for each party, the presiding officer shall serve notice upon each party that the certified transcript, together with all hearing exhibits and exhibits introduced but not admitted into evidence at the hearing, has been filed. Any party may file with the presiding officer proposed findings of fact, proposed conclusions

§ 1780.53

of law and a proposed order within 30 days after the parties have received notice that the transcript has been filed with the presiding officer, unless otherwise ordered by the presiding officer.

(2) Proposed findings and conclusions must be supported by citation to any relevant authorities and by page references to any relevant portions of the record. A posthearing brief may be filed in support of proposed findings and conclusions, either as part of the same document or in a separate document.

(3) Any party is deemed to have waived any issue not raised in proposed findings or conclusions timely filed by that party.

(b) *Reply briefs.* Reply briefs may be filed within 15 days after the date on which the parties' proposed findings and conclusions and proposed order are due. Reply briefs must be limited strictly to responding to new matters, issues, or arguments raised in another party's papers. A party who has not filed proposed findings of fact and conclusions of law or a posthearing brief may not file a reply brief.

(c) *Simultaneous filing required.* The presiding officer shall not order the filing by any party of any brief or reply brief supporting proposed findings and conclusions in advance of the other party's filing of its brief.

§ 1780.53 Recommended decision and filing of record.

(a) *Filing of recommended decision and record.* Within 45 days after expiration of the time allowed for filing reply briefs under § 1780.52(b), the presiding officer shall file with and certify to the Director, for decision, the record of the proceeding. The record must include the presiding officer's recommended decision, recommended findings of fact and conclusions of law, and proposed order; all prehearing and hearing transcripts, exhibits and rulings; and the motions, briefs, memoranda and other supporting papers filed in connection with the hearing. The presiding officer shall serve upon each party the recommended decision, recommended findings and conclusions, and proposed order.

(b) *Filing of index.* At the same time the presiding officer files with and cer-

12 CFR Ch. XVII (1-1-03 Edition)

tifies to the Director, for final determination, the record of the proceeding, the presiding officer shall furnish to the Director a certified index of the entire record of the proceeding. The certified index shall include, at a minimum, an entry for each paper, document or motion filed with the presiding officer in the proceeding, the date of the filing, and the identity of the filer. The certified index shall also include an exhibit index containing, at a minimum, an entry consisting of exhibit number and title or description for: Each exhibit introduced and admitted into evidence at the hearing; each exhibit introduced but not admitted into evidence at the hearing; each exhibit introduced and admitted into evidence after the completion of the hearing; and each exhibit introduced but not admitted into evidence after the completion of the hearing.

§ 1780.54 Exceptions to recommended decision.

(a) *Filing exceptions.* Within 30 days after service of the recommended decision, recommended findings and conclusions, and proposed order under § 1780.53, a party may file with the Director written exceptions to the presiding officer's recommended decision, recommended findings and conclusions, or proposed order; to the admission or exclusion of evidence; or to the failure of the presiding officer to make a ruling proposed by a party. A supporting brief may be filed at the time the exceptions are filed, either as part of the same document or in a separate document.

(b) *Effect of failure to file or raise exceptions.* (1) Failure of a party to file exceptions to those matters specified in paragraph (a) of this section within the time prescribed is deemed a waiver of objection thereto.

(2) No exception need be considered by the Director if the party taking exception had an opportunity to raise the same objection, issue, or argument before the presiding officer and failed to do so.

(c) *Contents.* (1) All exceptions and briefs in support of such exceptions must be confined to the particular

Federal Housing Enterprise Oversight

§ 1780.70

matters in or omissions from the presiding officer's recommendations to which that party takes exception.

(2) All exceptions and briefs in support of exceptions must set forth page or paragraph references to the specific parts of the presiding officer's recommendations to which exception is taken, the page or paragraph references to those portions of the record relied upon to support each exception and the legal authority relied upon to support each exception. Exceptions and briefs in support shall not exceed a total of 30 pages, except by leave of the Director on motion.

(3) One reply brief may be submitted by each party within ten days of service of exceptions and briefs in support of exceptions. Reply briefs shall not exceed 15 pages, except by leave of the Director on motion.

§ 1780.55 Review by Director.

(a) *Notice of submission to the Director.* When the Director determines that the record in the proceeding is complete, the Director shall serve notice upon the parties that the proceeding has been submitted to the Director for final decision.

(b) *Oral argument before the Director.* Upon the initiative of the Director or on the written request of any party filed with the Director within the time for filing exceptions under §1780.54, the Director may order and hear oral argument on the recommended findings, conclusions, decision and order of the presiding officer. A written request by a party must show good cause for oral argument and state reasons why arguments cannot be presented adequately in writing. A denial of a request for oral argument may be set forth in the Director's final decision. Oral argument before the Director must be transcribed.

(c) *Director's final decision.* (1) Decisional employees may advise and assist the Director in the consideration and disposition of the case. The final decision of the Director will be based upon review of the entire record of the proceeding, except that the Director may limit the issues to be reviewed to those findings and conclusions to which opposing arguments or exceptions have been filed by the parties.

(2) The Director shall render a final decision and issue an appropriate order within 90 days after notification of the parties that the case has been submitted for final decision, unless the Director orders that the action or any aspect thereof be remanded to the presiding officer for further proceedings. Copies of the final decision and order of the Director shall be served upon each party to the proceeding and upon other persons required by statute.

§ 1780.56 Exhaustion of administrative remedies.

To exhaust administrative remedies as to any issue on which a party disagrees with the presiding officer's recommendations, a party must file exceptions with the Director under §1780.54. A party must exhaust administrative remedies as a precondition to seeking judicial review of any decision issued under this subpart.

§ 1780.57 Stays pending judicial review.

The commencement of proceedings for judicial review of a final decision and order of the Director may not, unless specifically ordered by the Director or a reviewing court, operate as a stay of any order issued by the Director. The Director may, in his discretion and on such terms as he finds just, stay the effectiveness of all or any part of an order of the Director pending a final decision on a petition for review of that order.

Subpart D—Rules of Practice Before the Office of Federal Housing Enterprise Oversight

SOURCE: 64 FR 72520, Dec. 28, 1999, unless otherwise noted.

§ 1780.70 Scope.

This subpart contains rules governing practice by parties or their representatives before OFHEO. This subpart addresses the imposition of sanctions by the presiding officer or the Director against parties or their representatives in an adjudicatory proceeding under this part. This subpart also covers other disciplinary sanctions—censure, suspension or disbarment—against individuals who appear

§ 1780.71

before OFHEO in a representational capacity either in an adjudicatory proceeding under this part or in any other matters connected with presentations to OFHEO relating to a client's or other principal's rights, privileges, or liabilities. This representation includes, but is not limited to, the practice of attorneys and accountants. Employees of OFHEO are not subject to disciplinary proceedings under this subpart.

§ 1780.71 Definitions.

Practice before OFHEO for the purposes of this subpart, includes, but is not limited to, transacting any business with OFHEO as counsel, representative or agent for any other person, unless the Director orders otherwise. Practice before OFHEO also includes the preparation of any statement, opinion, or other paper by a counsel, representative or agent that is filed with OFHEO in any certification, notification, application, report, or other document, with the consent of such counsel, representative or agent. Practice before OFHEO does not include work prepared for an Enterprise solely at the request of the Enterprise for use in the ordinary course of its business.

§ 1780.72 Appearance and practice in adjudicatory proceedings.

(a) *Appearance before OFHEO or a presiding officer.* (1) *By attorneys.* A party may be represented by an attorney who is a member in good standing of the bar of the highest court of any State, commonwealth, possession, territory of the United States, or the District of Columbia and who is not currently suspended or disbarred from practice before OFHEO.

(2) *By nonattorneys.* An individual may appear on his own behalf. A member of a partnership may represent the partnership and a duly authorized officer, director, employee, or other agent of any corporation or other entity not specifically listed herein may represent such corporation or other entity; provided that such officer, director, employee, or other agent is not currently suspended or disbarred from practice before OFHEO. A duly authorized officer or employee of any Government

12 CFR Ch. XVII (1–1–03 Edition)

unit, agency, or authority may represent that unit, agency, or authority.

(b) *Notice of appearance.* Any person appearing in a representative capacity on behalf of a party, including OFHEO, shall execute and file a notice of appearance with the presiding officer at or before the time such person submits papers or otherwise appears on behalf of a party in the adjudicatory proceeding. Such notice of appearance shall include a written declaration that the individual is currently qualified as provided in paragraphs (a)(1) or (a)(2) of this section and is authorized to represent the particular party. By filing a notice of appearance on behalf of a party in an adjudicatory proceeding, the representative thereby agrees and represents that he is authorized to accept service on behalf of the represented party and that, in the event of withdrawal from representation, he or she will, if required by the presiding officer, continue to accept service until a new representative has filed a notice of appearance or until the represented party indicates that he or she will proceed on a pro se basis. Unless the representative filing the notice is an attorney, the notice of appearance shall also be executed by the person represented or, if the person is not an individual, by the chief executive officer, or duly authorized officer of that person.

§ 1780.73 Conflicts of interest.

(a) *Conflict of interest in representation.* No representative shall represent another person in an adjudicatory proceeding if it reasonably appears that such representation may be limited materially by that representative's responsibilities to a third person or by that representative's own interests. The presiding officer may take corrective measures at any stage of a proceeding to cure a conflict of interest in representation, including the issuance of an order limiting the scope of representation or disqualifying an individual from appearing in a representative capacity for the duration of the proceeding.

(b) *Certification and waiver.* If any person appearing as counsel or other representative represents two or more parties to an adjudicatory proceeding or

Federal Housing Enterprise Oversight

§ 1780.75

also represents a nonparty on a matter relevant to an issue in the proceeding, that representative must certify in writing at the time of filing the notice of appearance required by § 1780.72—

(1) That the representative has personally and fully discussed the possibility of conflicts of interest with each such party and nonparty;

(2) That each such party and nonparty waives any right it might otherwise have had to assert any known conflicts of interest or to assert any non-material conflicts of interest during the course of the proceeding.

§ 1780.74 Sanctions.

(a) *General rule.* Appropriate sanctions may be imposed during the course of any proceeding when any party or representative of record has acted or failed to act in a manner required by applicable statute, regulation, or order, and that act or failure to act—

(1) Constitutes contemptuous conduct. Contemptuous conduct includes dilatory, obstructionist, egregious, contumacious, unethical, or other improper conduct at any phase of any adjudicatory proceeding;

(2) Has caused some other party material and substantive injury, including, but not limited to, incurring expenses including attorney's fees or experiencing prejudicial delay;

(3) Is a clear and unexcused violation of an applicable statute, regulation, or order; or

(4) Has delayed the proceeding unduly.

(b) *Sanctions.* Sanctions that may be imposed include, but are not limited to, any one or more of the following:

(1) Issuing an order against a party;

(2) Rejecting or striking any testimony or documentary evidence offered, or other papers filed, by the party;

(3) Precluding the party from contesting specific issues or findings;

(4) Precluding the party from offering certain evidence or from challenging or contesting certain evidence offered by another party;

(5) Precluding the party from making a late filing or conditioning a late filing on any terms that are just;

(6) Assessing reasonable expenses, including attorney's fees, incurred by

any other party as a result of the improper action or failure to act.

(c) *Procedure for imposition of sanctions.* (1) The presiding officer, on the motion of any party, or on his own motion, and after such notice and responses as may be directed by the presiding officer, may impose any sanction authorized by this section. The presiding officer shall submit to the Director for final ruling any sanction that would result in a final order that terminates the case on the merits or is otherwise dispositive of the case.

(2) Except as provided in paragraph (d) of this section, no sanction authorized by this section, other than refusing to accept late papers, shall be imposed without prior notice to all parties and an opportunity for any representative or party against whom sanctions would be imposed to be heard. The presiding officer shall determine and direct the appropriate notice and form for such opportunity to be heard. The opportunity to be heard may be limited to an opportunity to respond verbally immediately after the act or inaction in question is noted by the presiding officer.

(3) For purposes of interlocutory review, motions for the imposition of sanctions by any party and the imposition of sanctions shall be treated the same as motions for any other ruling by the presiding officer.

(4) Nothing in this section shall be read to preclude the presiding officer or the Director from taking any other action or imposing any other restriction or sanction authorized by any applicable statute or regulation.

(d) *Sanctions for contemptuous conduct.* If, during the course of any proceeding, a presiding officer finds any representative or any individual representing himself to have engaged in contemptuous conduct, the presiding officer may summarily suspend that individual from participating in that or any related proceeding or impose any other appropriate sanction.

§ 1780.75 Censure, suspension, disbarment and reinstatement.

(a) *Discretionary censure, suspension and disbarment.* (1) The Director may censure any individual who practices or attempts to practice before OFHEO

§ 1780.75

12 CFR Ch. XVII (1-1-03 Edition)

or suspend or revoke the privilege to appear or practice before OFHEO of such individual if, after notice of and opportunity for hearing in the matter, that individual is found by the Director—

(i) Not to possess the requisite qualifications or competence to represent others;

(ii) To be seriously lacking in character or integrity or to have engaged in material unethical or improper professional conduct;

(iii) To have caused unfair and material injury or prejudice to another party, such as prejudicial delay or unnecessary expenses including attorney's fees;

(iv) To have engaged in, or aided and abetted, a material and knowing violation of the 1992 Act, the Federal Home Loan Mortgage Corporation Act, the Federal National Mortgage Association Charter Act or the rules or regulations issued under those statutes or any other law or regulation governing Enterprise operations;

(v) To have engaged in contemptuous conduct before OFHEO;

(vi) With intent to defraud in any manner, to have willfully and knowingly deceived, misled, or threatened any client or prospective client; or

(vii) Within the last 10 years, to have been convicted of an offense involving moral turpitude, dishonesty or breach of trust, if the conviction has not been reversed on appeal. A conviction within the meaning of this paragraph shall be deemed to have occurred when the convicting court enters its judgment or order, regardless of whether an appeal is pending or could be taken and includes a judgment or an order on a plea of *nolo contendere* or on consent, regardless of whether a violation is admitted in the consent.

(2) Suspension or revocation on the grounds set forth in paragraphs (a)(1)(ii), (iii), (iv), (v), (vi) and (vii) of this section shall only be ordered upon a further finding that the individual's conduct or character was sufficiently egregious as to justify suspension or revocation. Suspension or disbarment under this paragraph shall continue until the applicant has been reinstated by the Director for good cause shown

or until, in the case of a suspension, the suspension period has expired.

(3) If the final order against the respondent is for censure, the individual may be permitted to practice before OFHEO, but such individual's future representations may be subject to conditions designed to promote high standards of conduct. If a written letter of censure is issued, a copy will be maintained in OFHEO's files.

(b) *Mandatory suspension and disbarment.* (1) Any counsel who has been and remains suspended or disbarred by a court of the United States or of any State, commonwealth, possession, territory of the United States or the District of Columbia; any accountant or other licensed expert whose license to practice has been revoked in any State, commonwealth, possession, territory of the United States or the District of Columbia; any person who has been and remains suspended or barred from practice before the Department of Housing and Urban Development, the Office of the Comptroller of the Currency, the Board of Governors of the Federal Reserve System, the Office of Thrift Supervision, the Federal Deposit Insurance Corporation, the National Credit Union Administration, the Federal Housing Finance Board, the Farm Credit Administration, the Securities and Exchange Commission, or the Commodity Futures Trading Commission is also suspended automatically from appearing or practicing before OFHEO. A disbarment or suspension within the meaning of this paragraph shall be deemed to have occurred when the disbarring or suspending agency or tribunal enters its judgment or order, regardless of whether an appeal is pending or could be taken and regardless of whether a violation is admitted in the consent.

(2) A suspension or disbarment from practice before OFHEO under paragraph (b)(1) of this section shall continue until the person suspended or disbarred is reinstated under paragraph (d)(2) of this section.

(c) *Notices to be filed.* (1) Any individual appearing or practicing before OFHEO who is the subject of an order, judgment, decree, or finding of the types set forth in paragraph (b)(1) of this section shall file promptly with

Federal Housing Enterprise Oversight

§ 1780.80

the Director a copy thereof, together with any related opinion or statement of the agency or tribunal involved.

(2) Any individual appearing or practicing before OFHEO who is or within the last 10 years has been convicted of a felony or of a misdemeanor that resulted in a sentence of prison term or in a fine or restitution order totaling more than \$5,000 shall file a notice promptly with the Director. The notice shall include a copy of the order imposing the sentence or fine, together with any related opinion or statement of the court involved.

(d) *Reinstatement.* (1) Unless otherwise ordered by the Director, an application for reinstatement for good cause may be made in writing by a person suspended or disbarred under paragraph (a)(1) of this section at any time more than three years after the effective date of the suspension or disbarment and, thereafter, at any time more than one year after the person's most recent application for reinstatement. An applicant for reinstatement under this paragraph (d)(1) may, in the Director's sole discretion, be afforded a hearing.

(2) An application for reinstatement for good cause by any person suspended or disbarred under paragraph (b)(1) of this section may be filed at any time, but not less than 1 year after the applicant's most recent application. An applicant for reinstatement for good cause under this paragraph (d)(2) may, in the Director's sole discretion, be afforded a hearing. However, if all the grounds for suspension or disbarment under paragraph (b)(1) of this section have been removed by a reversal of the order of suspension or disbarment or by termination of the underlying suspension or disbarment, any person suspended or disbarred under paragraph (b)(1) of this section may apply immediately for reinstatement and shall be reinstated by OFHEO upon written application notifying OFHEO that the grounds have been removed.

(e) *Conferences.* (1) *General.* Counsel for OFHEO may confer with a proposed respondent concerning allegations of misconduct or other grounds for censure, disbarment or suspension, regard-

less of whether a proceeding for censure, disbarment or suspension has been commenced. If a conference results in a stipulation in connection with a proceeding in which the individual is the respondent, the stipulation may be entered in the record at the request of either party to the proceeding.

(2) *Resignation or voluntary suspension.* In order to avoid the institution of or a decision in a disbarment or suspension proceeding, a person who practices before OFHEO may consent to censure, suspension or disbarment from practice. At the discretion of the Director, the individual may be censured, suspended or disbarred in accordance with the consent offered.

(f) *Hearings under this section.* Hearings conducted under this section shall be conducted in substantially the same manner as other hearings under this part, provided that in proceedings to terminate an existing OFHEO suspension or disbarment order, the person seeking the termination of the order shall bear the burden of going forward with an application and with proof and that the Director may, in the Director's sole discretion, direct that any proceeding to terminate an existing suspension or disbarment by OFHEO be limited to written submissions. All hearings held under this section shall be closed to the public unless the Director, on the Director's own motion or upon the request of a party, otherwise directs.

Under the Community Development Financial Institutions Program, the Fund will provide financial and technical assistance to Applicants selected by the Fund in order to enhance their ability to make loans and investments and provide services. An Awardee must serve an Investment Area(s), Targeted Population(s), or both. The Fund will select Awardees to receive financial and technical assistance through a competitive application process. Each Awardee will enter into an Assistance Agreement which will require it to achieve performance goals negotiated between the Fund and the Awardee and abide by other terms and conditions pertinent to any assistance received under this part.

Subpart B—Eligibility

§ 1805.200 Applicant eligibility.

(a) *General requirements.* (1) An entity that meets the requirements described in §1805.201(b) and paragraph (b) of this section will be considered a CDFI and, subject to paragraph (a)(3) of this section, will be eligible to apply for assistance under this part.

(2) An entity that proposes to become a CDFI is eligible to apply for assistance under this part if the Fund determines that such entity's application materials provide a realistic course of action to ensure that it will meet the requirements described in §1805.201(b) and paragraph (b) of this section within 24 months from September 30 of the calendar year in which the applicable application deadline falls or such other period as may be set forth in an applicable NOFA. The Fund will not, however, disburse any financial assistance to such an entity before it meets the requirements described in this section.

(3) The Fund shall require an entity to meet any additional eligibility requirements that the Fund deems appropriate.

(4) The Fund, in its sole discretion, shall determine whether an Applicant fulfills the requirements set forth in this section and §1805.201(b).

(3) Such retained earnings may be used to match a request for a capital grant. The terms and conditions of financial assistance will be determined by the Fund.

(4) If the option described in paragraph (d)(1)(iii) of this section is used:

(i) The Assistance Agreement shall require that:

(A) An Awardee increase its member and/or non-member shares by an amount that is at least equal to four times the amount of retained earnings that is committed as matching funds; and

(B) Such increase be achieved within 24 months from September 30 of the calendar year in which the applicable application deadline falls;

(ii) The Applicant's Comprehensive Business Plan shall discuss its strategy for raising the required shares and the activities associated with such increased shares;

(iii) The level from which the increases in shares described in paragraph (d)(4)(i) of this section will be measured will be as of September 30 of the calendar year in which the applicable application deadline falls; and

(iv) Financial assistance shall be disbursed by the Fund only as the amount of increased shares described in paragraph (d)(4)(i)(A) of this section is achieved.

(5) The Fund will allow an Applicant to utilize the option described in paragraph (d)(1)(iii) of this section for matching funds only if it determines, in its sole discretion, that the Applicant will have a high probability of success in increasing its shares to the specified amounts.

(e) Retained earnings accumulated after the end of the Applicant's most recent fiscal year ending prior to the appropriate application deadline may not be used as matching funds.

§ 1805.701

(d) Ensure that Awardees represent a geographically diverse group of Applicants serving Metropolitan Areas, non-Metropolitan Areas, and Indian Reservations from different regions of the United States.

§ 1805.701 Evaluation of applications.

(a) *Eligibility and completeness.* An Applicant will not be eligible to receive assistance pursuant to this part if it fails to meet the eligibility requirements described in § 1805.200 or if it has not submitted complete application materials. For the purposes of this paragraph (a), the Fund reserves the right to request additional information from the Applicant, if the Fund deems it appropriate.

(b) *Substantive review.* In evaluating and selecting applications to receive assistance, the Fund will evaluate the Applicant's likelihood of success in meeting the goals of the Comprehensive Business Plan and achieving community development impact, by considering factors such as:

(1) Community development track record (*e.g.*, in the case of an Applicant with a prior history of serving a Target Market, the extent of success in serving such Target Market);

(2) Operational capacity and risk mitigation strategies;

(3) Financial track record and strength;

(4) Capacity, skills and experience of the management team;

(5) Solid understanding of its market context, including its analysis of current and prospective customers, the extent of economic distress within the designated Investment Area(s) or the extent of need within the designated Targeted Population(s), as those factors are measured by objective criteria, the extent of need for Equity Investments, loans, Development Services, and Financial Services within the designated Target Market, and the extent of demand within the Target Market for the Applicant's products and services;

(6) Quality program design and implementation plan, including an assessment of its products and services, marketing and outreach efforts, delivery strategy, and coordination with other institutions and/or a Community Part-

ner, or participation in a secondary market for purposes of increasing the Applicant's resources. In the case of an applicant submitting an application with a Community Partner, the Fund will evaluate the extent to which the Community Partner will participate in carrying out the activities of the Community Partnership; the extent to which the Community Partner will enhance the likelihood of success of the Comprehensive Business Plan; and the extent to which service to the designated Target Market will be better performed by a Community Partnership than by the Applicant alone;

(7) Projections for financial performance, capitalization and raising needed external resources, including the amount of firm commitments and matching funds in hand to meet or exceed the matching funds requirements and, if applicable, the likely success of the plan for raising the balance of the matching funds in a timely manner, the extent to which the matching funds are, or will be, derived from private sources, and whether an Applicant is, or will become, an Insured CDFI;

(8) Projections for community development impact, including the extent to which an Applicant will concentrate its activities on serving its Target Market(s), the extent of support from the designated Target Market, the extent to which an Applicant is, or will be, Community-Owned or Community-Governed, and the extent to which the activities proposed in the Comprehensive Business Plan will expand economic opportunities or promote community development within the designated Target Market;

(9) The extent of need for the Fund's assistance, as demonstrated by the extent of economic distress in the Applicant's Target Market and the extent to which the Applicant needs the Fund's assistance to carry out its Comprehensive Business Plan. In the case of an Applicant that has previously received assistance under the CDFI Program, the Fund also will consider the Applicant's level of success in meeting its performance goals, financial soundness covenants (if applicable), and other requirements contained in the previously negotiated and executed Assistance Agreement(s) with the Fund, and

12 CFR Ch. XVIII (1–1–03 Edition)

whether the Applicant will, with additional assistance from the Fund, expand its operations into a new Target Market, offer more products or services, and/or increase the volume of its activities;

(10) The Fund may consider any other factors, as it deems appropriate, in reviewing an application.

(c) *Consultation with Appropriate Federal Banking Agencies.* The Fund will consult with, and consider the views of, the Appropriate Federal Banking Agency prior to providing assistance to:

(1) An Insured CDFI;

(2) A CDFI that is examined by or subject to the reporting requirements of an Appropriate Federal Banking Agency; or

(3) A CDFI that has as its Community Partner an institution that is examined by, or subject to, the reporting requirements of an Appropriate Federal Banking Agency.

(d) *Awardee selection.* The Fund will select Awardees based on the criteria described in paragraph (b) of this section and any other criteria set forth in this part or the applicable NOFA.

Subpart H—Terms and Conditions of Assistance

§ 1805.800 Safety and soundness.

(a) *Regulated institutions.* Nothing in this part, or in an Assistance Agreement, shall affect any authority of an Appropriate Federal Banking Agency to supervise and regulate any institution or company.

(b) *Non-Regulated CDFIs.* The Fund will, to the maximum extent practicable, ensure that Awardees that are Non-Regulated CDFIs are financially and managerially sound and maintain appropriate internal controls.

§ 1805.801 Assistance Agreement; sanctions.

(a) Prior to providing any assistance, the Fund and an Awardee shall execute an Assistance Agreement that requires an Awardee to comply with performance goals and abide by other terms and conditions of assistance. Such performance goals may be modified at any time by mutual consent of the Fund and an Awardee or as provided in paragraph (c) of this section. If a Commu-

nity Partner is part of an application that is selected for assistance, such partner must be a party to the Assistance Agreement if deemed appropriate by the Fund.

(b) An Awardee shall comply with performance goals that have been negotiated with the Fund and which are based upon the Comprehensive Business Plan submitted as part of the Awardees application. Performance goals for Insured CDFIs shall be determined in consultation with the Appropriate Federal Banking Agency. Such goals shall be incorporated in, and enforced under, the Awardee's Assistance Agreement.

(c) The Assistance Agreement shall provide that, in the event of fraud, mismanagement, noncompliance with the Fund's regulations or noncompliance with the terms and conditions of the Assistance Agreement on the part of the Awardee (or the Community Partner, if applicable), the Fund, in its discretion, may:

(1) Require changes in the performance goals set forth in the Assistance Agreement;

(7) Take any other action as permitted by the terms of the Assistance Agreement.

(d) In the case of an Insured Depository Institution, the Assistance Agreement shall provide that the provisions of the Act, this part, and the Assistance Agreement shall be enforceable under 12 U.S.C. 1818 of the Federal Deposit Insurance Act by the Appropriate Federal Banking Agency and that any violation of such provisions shall be treated as a violation of the Federal Deposit Insurance Act. Nothing in this paragraph (d) precludes the Fund from directly enforcing the Assistance

Agreement as provided for under the terms of the Act.

(e) The Fund shall notify the Appropriate Federal Banking Agency before imposing any sanctions on an Insured CDFI or other institution that is examined by or subject to the reporting requirements of that agency. The Fund shall not impose a sanction described in paragraph (c) of this section if the Appropriate Federal Banking Agency, in writing, not later than 30 calendar days after receiving notice from the Fund:

(1) Objects to the proposed sanction;

(2) Determines that the sanction would:

(i) Have a material adverse effect on the safety and soundness of the institution; or

(ii) Impede or interfere with an enforcement action against that institution by that agency;

(3) Proposes a comparable alternative action; and

(4) Specifically explains:

(i) The basis for the determination under paragraph (e)(2) of this section and, if appropriate, provides documentation to support the determination; and

(ii) How the alternative action suggested pursuant to paragraph (e)(3) of this section would be as effective as the sanction proposed by the Fund in securing compliance and deterring future noncompliance.

(f) In reviewing the performance of an Awardee in which its Investment Area(s) includes an Indian Reservation or Targeted Population(s) includes an Indian Tribe, the Fund shall consult with, and seek input from, the appropriate tribal government.

(g) Prior to imposing any sanctions pursuant to this section or an Assistance Agreement, the Fund shall, to the maximum extent practicable, provide the Awardee (or the Community Partner, if applicable) with written notice of the proposed sanction and an opportunity to comment. Nothing in this section, however, shall provide an Awardee or Community Partner with the right to any formal or informal hearing or comparable proceeding not otherwise required by law.

§ 1805.802 Disbursement of funds.

Assistance provided pursuant to this part may be provided in a lump sum or over a period of time, as determined appropriate by the Fund. The Fund shall not provide any assistance (other than technical assistance) under this part until an Awardee has satisfied any conditions set forth in its Assistance Agreement and has secured firm commitments for the matching funds required for such assistance. At a minimum, a firm commitment must consist of a binding written agreement between an Awardee and the source of the matching funds that is conditioned only upon the availability of the Fund's assistance and such other conditions as the Fund, in its sole discretion, may deem appropriate. Such agreement must provide for disbursement of the matching funds to an Awardee prior to, or simultaneously with, receipt by an Awardee of the Federal funds.

§ 1805.803 Data collection and reporting.

(c) *Access to records.* An Awardee (and a Community Partner, if appropriate) must submit such financial and activity reports, records, statements, and documents at such times, in such

forms, and accompanied by such reporting data, as required by the Fund or the U.S. Department of Treasury to ensure compliance with the requirements of this part and to evaluate the impact of the CDFI Program. The United States Government, including the U.S. Department of Treasury, the Comptroller General, and their duly authorized representatives, shall have full and free access to the Awardee's offices and facilities and all books, documents, records, and financial statements relating to use of Federal funds and may copy such documents as they deem appropriate. The Fund, if it deems appropriate, may prescribe access to record requirements for entities that are borrowers of, or that receive investments from, an Awardee.

(d) *Retention of records.* An Awardee shall comply with all record retention requirements as set forth in OMB Circular A-110 (as applicable).

(e) *Review.* (1) At least annually, the Fund will review the progress of an Awardee (and a Community Partner, if appropriate) in implementing its Comprehensive Business Plan and satisfying the terms and conditions of its Assistance Agreement.

(2) An Awardee shall submit within 60 days after the end of each semi-annual period, or within some other period as may be agreed to in the Assistance Agreement, internal financial statements covering the semi-annual reporting period (*i.e.*, two periods per year) and information on its compliance with its financial soundness covenants.

(ii) Qualitative and quantitative information on an Awardee's compliance with its performance goals and (if appropriate) an analysis of factors contributing to any failure to meet such goals;

The Fund will use such information to verify that assistance was used in a manner consistent with the Assistance Agreement; and certification that an Awardee continues to meet the eligibility requirements described in § 1805.200.

(4) An Awardee shall submit within 120 days after the end of its fiscal year, or within some other period as may be agreed to in the Assistance Agreement, fiscal year end statements of financial condition audited by an independent certified public accountant. The audit shall be conducted in accordance with generally accepted Government Auditing Standards set forth in the General Accounting Office Government Auditing Standards (1994 Revision) issued by the Comptroller General and OMB Circular A-133 (Audits of States, Local Governments, and Non-Profit Organizations), as applicable.

(5) An Awardee shall submit a report within 120 days after the end of its fiscal year, or by such alternative deadline as may be agreed to in the Assistance Agreement containing, unless otherwise determined by mutual agreement between the Awardee and the Fund, the following information:

(3) The Fund shall use any information provided by the Appropriate Federal Banking Agency under this section to the extent practicable to eliminate duplicative requests for information and reports from, and record keeping by, an Insured CDFI or other institution that is examined by or subject to the reporting requirements of an Appropriate Federal Banking Agency.

(4) Notwithstanding paragraphs (f)(1) and (2) of this section, the Fund may require an Insured CDFI or other institution that is examined by or subject to the reporting requirements of an Appropriate Federal Banking Agency to provide information with respect to the institutions implementation of its Comprehensive Business Plan or compliance with the terms of its Assistance Agreement, after providing notice to the Appropriate Federal Banking Agency.

(5) Nothing in this part shall be construed to permit the Fund to require an Insured CDFI or other institution that is examined by or subject to the reporting requirements of an Appropriate Federal Banking Agency to obtain, maintain, or furnish an examination report of any Appropriate Federal Banking Agency or records contained in or related to such report.

(6) The Fund and the Appropriate Federal Banking Agency shall promptly notify each other of material concerns about an Awardee that is an Insured CDFI or that is examined by or subject to the reporting requirements of an Appropriate Federal Banking

§ 1806.104 Waiver authority.

The Fund may waive any requirement of this part that is not required by law, upon a determination of good cause. Each such waiver will be in writing and supported by a statement of the facts and grounds forming the basis of the waiver. Subpart B—Awards

§ 1806.200 Community eligibility and designation.

(a) *General.* If an Applicant proposes to carry out CDFI Support Activities or Development and Service Activities, the Applicant shall designate one or more Distressed Communities in which it proposes to carry out those activities. If an Applicant proposes to carry out CDFI Support Activities, the Applicant shall provide evidence that the CDFI it is proposing to support is integrally involved with such a Distressed Community. In the case of an Applicant proposing to make an Equity Investment, the Fund reserves the right to request information on Distressed Communities served by such a CDFI should such information be deemed necessary by the Fund to complete the selection process described in §1806.204. In the case of an Applicant that proposes to carry out both CDFI Support Activities and Development and Service Activities it may designate different Distressed Communities for these two categories of activity.

(b) *Minimum area eligibility requirements.* A Distressed Community must

12 CFR Ch. XVIII (1-1-03 Edition)

meet the minimum area eligibility requirements contained in this paragraph (b).

(1) *Geographic requirements.* A Distressed Community must be a geographic area:

(i) That is located within the boundaries of a Unit of General Local Government;

(ii) The boundaries of which are contiguous; and

(iii) (A) The population of which must be at least 4,000 if any portion of the area is located within a Metropolitan Area with a population of 50,000 or greater;

(B) The population must be at least 1,000 if no portion of the area is located within such a Metropolitan Area; or

(C) The area is located entirely within an Indian Reservation.

(2) *Distress requirements.* A Distressed Community must be a geographic area where:

(i) At least 30 percent of the Residents have incomes which are less than the national poverty level, as published by the U.S. Bureau of the Census in the 1990 decennial census; and

(ii) The unemployment rate is at least 1.5 times greater than the national average, as determined by the U.S. Bureau of Labor Statistics' most recent data including estimates of unemployment developed using the U.S. Bureau of Labor Statistics' Census Share calculation method. U.S. Bureau of Labor Statistics data and information necessary for Census Share calculations may be obtained from the Fund.

(c) *Area designation.* An Applicant shall designate an area as a Distressed Community by:

(1) Selecting Geographic Units which individually meet the minimum area eligibility requirements; or

(2) Selecting two or more Geographic Units which, in the aggregate, meet the minimum area eligibility requirements set forth in paragraph (b) of this section provided that no Geographic Unit selected by the Applicant within the area has a poverty rate of less than 20 percent.

(d) *Designation and notification process.* Upon request, the Fund will provide a prospective Applicant with data

and other information to help it identify areas eligible to be a Distressed Community. A prospective Applicant is encouraged to contact the Fund prior to filing an application to determine if an area meets the minimum area eligibility requirements.

§ 1806.201 Qualified Activities.

(a) *CDFI Related Activities.* An Applicant may receive a Bank Enterprise Award for making an Equity Investment or carrying out CDFI Support Activities during an Assessment Period.

(b) *Development and Service Activities.* (1) *General.* An Applicant may receive a Bank Enterprise Award for carrying out Development and Service Activities during an Assessment Period.

(2) *Area served.* The Development and Service Activities listed in paragraphs (b)(4)(i) through (x) of this section must serve a Distressed Community. An activity is considered to serve a Distressed Community if it is:

(i) Undertaken in the Distressed Community; or

(ii) Provided to Low- and Moderate-Income Residents or enterprises integrally involved in the Distressed Community.

(3) *Priority factors.* Each Development and Service Activity is assigned a priority factor. A priority factor represents the Fund's assessment of the degree of difficulty, the extent of innovation, and the extent of benefits accruing to the Distressed Community for each type of activity.

(4) *Development and Service Activities.* Development and Service Activities are listed in this paragraph with their corresponding priority factors:

(i) Deposit liabilities in the form of savings or other demand or time accounts accepted from Residents at offices located within the Distressed Community (priority factor = 1.0);

(ii) Financial Services (priority factor = 1.2);

(iii) Community Services (priority factor = 1.4);

(iv) Consumer Loans (priority factor = 1.2);

(v) Single Family Loans and related Project Investments (priority factor = 1.4);

(vi) Multi-Family Loans and related Project Investments (priority factor = 1.6);

(vii) Commercial Real Estate Loans and related Project Investments (priority factor = 1.6);

(viii) Business Loans, Agricultural Loans, and related Project Investments of \$100,000 or less (priority factor = 1.9);

(ix) Business Loans, Agricultural Loans, and related Project Investments of more than \$100,000 through \$250,000 (priority factor = 1.8); and

(x) Business Loans and related Project Investments of more than \$250,000 through \$1,000,000 and Agricultural Loans and related Project Investments of more than \$250,000 through \$500,000 (priority factor = 1.7).

(c) *Limitation.* Financial assistance provided by an Applicant for which the Applicant receives benefits through the Low Income Housing Tax Credit authorized pursuant to Section 42 of the Internal Revenue Code of 1986, as amended (26 U.S.C. 42), shall not constitute an Equity Investment, Project Investment, or other Qualified Activity, as defined in this part, for the purposes of calculating or receiving an award.

§ 1806.202 Measuring activities.

(a) *General.* Qualified Activities shall be measured by comparing the Qualified Activities carried out during the Baseline Period with the Qualified Activities projected to be carried out during the Assessment Period. Increases in the values of Qualified Activities between the Baseline Period and Assessment Period will be used in determining award amounts. If an Applicant is seeking assistance only for CDFI Related Activities, it should only report its activities for CDFI Related Activities categories. If an Applicant is seeking assistance only for Development and Service Activities, it should only report its activities for Development and Service Activities categories. If an Applicant is seeking assistance for both CDFI Related Activities and Development and Service Activities, it should report its activities for both types of categories. If an Applicant is unable to report its activities in the aforementioned manner, the Applicant

§ 1806.203

12 CFR Ch. XVIII (1–1–03 Edition)

shall provide an explanation satisfactory to the Fund as to why it cannot report required information and simultaneously submit to the Fund a certification that during the Assessment Period the Applicant did not reduce its total activity in any unreported categories. The form and content of any certification shall be determined by the Fund. The dates of the Baseline Period and Assessment Period will be published in a NOFA for each funding round.

(b) *Exception.* An Applicant may select not to report its deposit liabilities as described in §1806.201(b)(4)(i). In such a case, an Applicant's deposit liabilities will not be considered in calculating the service score pursuant to §1806.203(c).

(c) *Value.* The Fund will assess the value of:

(1) Equity Investments, loans, grants and deposits described in §1806.103 at the original amount of such investments, loans, grants or deposits. Where a loan matures, is fully paid and is then renewed, the Fund will assess the value of the principal amount of the renewed loan. Where a deposit, such as a certificate of deposit, matures and is then rolled over, the Fund will assess the value of the full amount of the rolled over deposit. However, where an existing loan is refinanced, the Fund will only assess the value of any increase in the principal amount of the refinanced loan;

(2) Deposit liabilities at the face dollar amount of monies deposited as measured by comparing the net change in the amount of applicable funds (as described in §1806.201(b)(4)(i)) on deposit at the Applicant institution during the period described in this paragraph (c)(2). An Applicant shall measure the net changes in deposit liabilities during:

(i) The Baseline Period, by comparing the amount of applicable funds on deposit at the close of business the day before the beginning of the Baseline Period and at the close of business on the last day of the Baseline Period; and

(ii) The Assessment Period, by comparing the amount of applicable funds on deposit at the close of business the day before the beginning of the Assess-

ment Period and at the close of business on the last day of the Assessment Period;

(3) Financial Services, Community Services, and CDFI Support Activities consisting of technical assistance based on the administrative costs of providing such services; and

(4) Project Investments at the original amount of the purchase of stock, limited partnership interest, other ownership interest, or grant.

(d) *Closed transactions.* A transaction shall be considered to have been carried out during the Baseline Period or the Assessment Period if:

(1) The documentation evidencing the transaction:

(i) Is executed on a date within the applicable Baseline Period or Assessment Period, respectively, as specified in the applicable NOFA; and

(ii) Constitutes a legally binding agreement between the Applicant and a borrower or investee which specifies the final terms and conditions of the transaction, except that any contingencies included in the final agreement must be typical of such transaction and acceptable (both in the judgment of the Fund); and

(2) An initial disbursement of loan or investment proceeds has occurred in a manner that is consistent with customary business practices and is reasonable given the nature of the transaction, (both as determined by the Fund).

(e) *Reporting.* An Applicant shall report Qualified Activities on the basis of transactions that were:

(1) Completed during the Baseline Period; and

(2) Are expected to be completed during the Assessment Period and disbursed by the Applicant to a borrower or investee within the period described in §1806.205(a).

§ 1806.203 Estimated award amounts.

Award amounts will be determined at the sole discretion of the Fund and estimated as described in this section.

(a) *Equity Investments.* The estimated award amount for an Equity Investment will be equal to 15 percent (or

such lower percentage as may be requested by the Applicant) of the anticipated increase in the value of such investment between the Baseline Period and Assessment Period.

(b) *CDFI Support Activities.* If an Applicant is not a CDFI, the estimated award amount for CDFI Support Activities will be equal to 11 percent of the anticipated increase in the dollar amount of such support between the Baseline Period and Assessment Period. If Applicant is a CDFI, the estimated award amount for CDFI Support Activities will be equal to 33 percent of the anticipated increase in the dollar amount of such support between the Baseline Period and Assessment Period.

(c) *Development and Service Activities.* The estimated award amount for Development and Service Activities will be calculated as follows:

(1) *Step 1.* For each type of Development and Service Activity, subtract the value in the Baseline Period from the estimated value for the Assessment Period to yield a remainder;

(2) *Step 2.* Multiply the remainder for each Development and Service Activity by the assigned priority factor to yield a weighted value for each activity;

(3) *Step 3.* Add the weighted values for deposit liabilities, Financial Services and Community Services to yield a service score;

(4) *Step 4.* Add the weighted values for all other categories of Development and Service Activities to yield a development score. If the development score is negative, an Applicant will be ineligible to receive a Bank Enterprise Award. If the development score is positive, go to Step 5;

(5) *Step 5.* If the service score is greater than the development score, reduce the service score to equal the same amount as the development score to yield an adjusted service score;

(6) *Step 6.* Add the service score (or adjusted service score if applicable) and the development score to yield a total score; and

(7) *Step 7.* If the Applicant is:

(i) A CDFI, multiply the total score by 15 percent to yield an estimated award amount; or

(ii) Not a CDFI, multiply the total score by 5 percent to yield an estimated award amount.

§ 1806.204 Selection process.

(a) *Availability* of funds. All awards are subject to the availability of funds. If the amount of funds available during a funding round is sufficient for all estimated award amounts, an Applicant that meets all of the program requirements specified in this part shall receive an award that is calculated in the manner specified in § 1806.205. If the amount of funds available during a funding round is insufficient for all estimated award amounts, Awardees will be selected based on the process described in this section.

(b) *Priority of categories*—(1) *General.* The Fund will rank an Applicant's estimated award amount for Qualified Activities according to the priority categories described in this paragraph (b). All Applicants in the first priority category will be selected as Awardees before Applicants in the second priority category. Selections within each priority category will be based on the relative rankings within each such category, subject to the availability of funds.

(2) *First priority.* (i) If the amount of funds available during a funding round is insufficient for all estimated award amounts, first priority will be given to Applicants that propose to engage in CDFI Related Activities in the following order:

(A) Equity Investments in CDFIs serving Distressed Communities;

(B) Equity Investments in CDFIs not serving Distressed Communities; and

(C) CDFI Support Activities.

(ii) *Ranking Equity Investments.* Estimated awards for Equity Investments may be ranked within each applicable priority subcategory based on the extent to which an Applicant proposes to reduce the percentage used to calculate its award amount (e.g., an Applicant that chooses to reduce its award to 13 percent will be ranked higher than an Applicant that reduces its award to 14 percent). The Applicant, however, may not reduce its award percentage below 12 percent. For Applicants that propose the same percentage, estimated awards

§ 1806.205

12 CFR Ch. XVIII (1–1–03 Edition)

will be ranked by the ratio of the proposed Equity Investment to the asset size of the Applicant (as reported in the Applicant's most recent Report of Condition or Thrift Financial Report) at the time of submission of an application.

(iii) *Ranking CDFI Support Activities.* Estimated awards for CDFI Support Activities may be ranked based on the ratio of the proposed CDFI Support Activity to the asset size of the Applicant (as reported in the Applicant's most recent Report of Condition or Thrift Financial Report) at the time of submission of an application.

(3) *Second priority.* (i) If the amount of funds available during a funding round is sufficient for all CDFI Related Activities but insufficient for all estimated award amounts, second priority will go to Applicants that propose to engage in Development and Service Activities.

(ii) *Ranking Development and Service Activities.* Estimated awards for Development and Service Activities may be ranked by the ratio of the total score to the asset size of the Applicant (as reported in the Applicant's most recent Report of Condition or Thrift Financial Report) at the time of the submission of an application. If the ratios of two Applicants are the same, the estimated awards will be ranked based on the degree of the poverty of each Applicant's Distressed Community.

(4) *Combined awards.* If an Applicant receives an award for more than one priority category described in this section, the award amounts will be combined into a single Bank Enterprise Award.

§ 1806.205 Actual award amounts.

(a) *General.* The Fund will assess an Applicant's success in achieving the Qualified Activities projected in its application. The extent of such success will be measured based on the activities that were actually carried out during the Assessment Period and expected to be disbursed to an investee, borrower, or other recipient within three years of the end of the applicable Assessment Period. The Fund reserves the right to extend this period on a case-by-case basis where it has a high degree of confidence that disbursement

will occur and the activity will promote the purposes of the Act. Subject to §1806.204 and any recapture sanction for failure to perform pursuant to this part, the actual award amount that an Awardee will receive will be equal to the estimated award previously calculated and (if necessary) adjusted pursuant to this section.

(b) *Achievement.* If an Applicant carries out all or a portion of its projected Qualified Activities and satisfies all program requirements described in this part, its award amount will be calculated on a pro-rata basis to reflect the increase in activities actually carried out except that if:

(1) The amount of funds available is insufficient for all estimated award amounts; and

(2) An Applicant carries out less than 75 percent of its projected Qualified Activities, the Fund in its sole discretion, may limit the amount or deny an award.

(c) *Unobligated or deobligated funds.* The Fund, in its sole discretion, may use any deobligated funds or funds not obligated during a funding round:

(1) Using the calculation and selection process contained in this part:

(i) To increase an award amount of an Awardee for achievement in excess of the projected Qualified Activities; or

(ii) To select Applicants not previously selected;

(2) To make additional monies available for a subsequent funding round; or

(3) As otherwise authorized by the Act.

(d) *Limitation.* The Fund, in its sole discretion, may deny or limit the amount of an award for any reason, including if an Applicant submits an application based on unrealistic Assessment Period projections.

§ 1806.206 Applications for Bank Enterprise Awards.

(a) *Notice of Funds Availability.* An Applicant shall submit an application for a Bank Enterprise Award in accordance with this section and the applicable NOFA published by the Fund in the FEDERAL REGISTER. The NOFA will advise potential Applicants with respect to obtaining an application packet and will establish submission deadlines. The NOFA also will establish any other

Community Development Financial Institutions Fund

§ 1806.300

requirements or restrictions applicable for the funding round including any restrictions on award amounts. After receipt of an application, the Fund may request clarifying or technical information on materials submitted as part of such application.

(b) *Application contents.* Each application must contain the information required in the application packet, which includes:

(1) A copy of the Applicant's certificate of insurance issued by the Federal Deposit Insurance Corporation and a copy of the Applicant's incorporation, charter, organizing, formation, or otherwise establishing documents to be used to establish eligibility for an award;

(2) A completed Bank Enterprise Award Rating and Calculations worksheet. (If an Applicant intends to complete a merger with another institution during the Assessment Period, it shall submit a separate Baseline Period worksheet for each subject institution and one Assessment Period worksheet that represents the projected activities of the merged institutions. If such a merger is unexpectedly delayed beyond the Assessment Period, the Fund reserves the right to withhold distribution of an award until the merger has been completed.);

(3) A narrative summary of each Qualified Activity expected to be performed in the Assessment Period;

(4) The asset size of the Applicant, as reported in its most recent Report of Condition or Thrift Financial Report, to its Appropriate Federal Banking Agency;

(5) Information necessary for the Fund to complete its environmental review requirements pursuant to part 1815 of this chapter;

(6) Certifications that the Applicant will comply with all relevant provisions of this chapter and all applicable Federal, State, and local laws, ordinances, regulations, policies, guidelines, and requirements;

(7) A copy of the Applicant's most recent annual report;

(8) In the case of an Applicant proposing to engage in Development and Service Activities, a completed Distressed Community Designation work-

sheet and a map and narrative description of the Distressed Community;

(9) In the case of an Applicant proposing to engage in CDFI Related Activities:

(i) *Equity Investment.* An Applicant shall submit a list of potential CDFIs to which assistance may be provided, and a description of the amount, terms and conditions of any Equity Investment that may be provided.

(ii) *CDFI Support Activities.* An Applicant shall submit:

(A) A list of potential CDFIs to which assistance may be provided and a description of the amount, terms and conditions of the assistance that may be provided; and

(B) Information that indicates that each CDFI to which an Applicant proposes to provide CDFI Support Activities is integrally involved within a Distressed Community, a completed Distressed Community Designation worksheet, and a map and narrative description of the Distressed Community.

Subpart C—Terms and Conditions of Assistance

(a) *General.* After the Fund selects an Awardee, the Fund and the Awardee will enter into an Award Agreement. The Award Agreement shall provide that an Awardee shall:

(2) Comply with such other terms and conditions (including record keeping and reporting requirements) that the Fund may establish; and

(3) Not receive any monies until the Fund has determined that the Awardee has fulfilled all applicable requirements.

(b) *Sanctions.* In the event of any fraud, misrepresentation, or non-compliance with the terms of the Award Agreement by the Awardee, the Fund may terminate, reduce, or recapture the award and pursue any other available legal remedies.

(c) *Notice.* Prior to imposing any sanctions pursuant to this section or an Award Agreement, the Fund will, to

§ 1806.301

the maximum extent practicable, provide the Awardee with written notice of the proposed sanction and an opportunity to comment. Nothing in this section, however, will provide an Awardee with the right to any formal or informal hearing or comparable proceeding not otherwise required by law.

§ 1806.301 Records, reports and audits of Awardees.

At the end of an Assessment Period, each Applicant shall submit to the Fund:

(a) *Worksheet.* A Bank Enterprise Award worksheet that reports the Qualified Activities actually carried out during the Assessment Period;

(b) *Certification.* A certification that the information provided to the Fund is true and accurately reflects the Qualified Activities carried out during an Assessment Period; and

(c) *Documentation.* The Applicant shall make available the following:

(1) With respect to Equity Investments and CDFI Support Activities, the Applicant shall submit documentation that meets the conditions described in §1806.202(d);

(2) With respect to Development and Services Activities where the original amount of the value of the activity is \$250,000 or greater, the Applicant shall submit documentation that meets the conditions described in §1806.202(d);

(3) With respect to Development and Services Activities where the original amount of the value of the activity is less than \$250,000, the Applicant shall submit a schedule that describes the original amount, census tract served, and the dates of execution, initial disbursement, and final disbursement of the instrument; and

(4) Any other information reasonably requested by the Fund in order to document or otherwise assess the validity of information provided by the Applicant to the Fund.

§ 1806.302 Compliance with government requirements.

In carrying out its responsibilities pursuant to an Award Agreement, the Awardee shall comply with all applicable Federal, State, and local laws, regulations and ordinances, OMB Circulars, and Executive Orders.

12 CFR Ch. XVIII (1–1–03 Edition)

(a) The possible environmental effects of an Application, including any Comprehensive Business Plan, must be considered along with technical, economic, and other factors throughout the decisionmaking process. For most Fund actions there are two distinct stages in the decisionmaking process:

(1) Preliminary approval stage, at which point applications are selected for funding; and

(2) Final approval and funding stage.

(b) Environmental review shall be integrated into the decisionmaking process of the Fund as follows:

(1) During the preliminary approval stage, the designated Fund official shall determine whether the Application proposes actions which are categorically excluded, or normally require an environmental assessment or an EIS;

(2) If the designated Fund official determines that the Application proposes actions which normally require an environmental assessment or an EIS, the applicant shall be informed that the final approval and funding, in addition to any other conditions, is contingent upon:

(i) The applicant supplying to the Fund all information necessary for the Fund to perform or have performed any environmental review required by this part;

(ii) The applicant not using any Fund financial assistance to perform any of such proposed actions in the Application that affect the physical environment until Fund approval is received; and

§ 1815.106 Supplemental environmental review.

(a) The designated Fund official shall determine whether the proposed actions in the Application are sufficiently definite to perform a meaningful environmental review during the preliminary approval stage.

(b) If the designated Fund official determines that the Application is sufficiently definite to perform a meaningful environmental review during the

preliminary approval stage, no conditions for supplemental environmental review shall be imposed.

(c) If the designated Fund official determines that the Application, or any part of the Application, is not sufficiently definite to complete a meaningful environmental review during the preliminary approval stage, the Fund shall require a supplemental environmental review prior to the taking of any action directly using Fund financial assistance that is not categorically excluded from environmental review or for which an environmental assessment or EIS has not been approved by the Fund. The applicant shall notify the designated Fund official when proposing any action requiring a supplemental environmental review and shall supply to the Fund all information necessary for the Fund to perform the supplemental environmental review. The Fund shall perform or have performed such a supplemental environmental review. The applicant shall not use any Fund financial assistance to perform any of the proposed actions requiring a supplemental environmental review that affect the physical environment until Fund approval for such action is received.

§ 1815.107 Determination of review requirement.

In deciding whether to prepare an EIS, the designated Fund official shall determine whether the proposal is one that normally:

- (a) Requires an EIS;
- (b) Requires an environmental assessment, but not necessarily an EIS; or
- (c) Does not require either an EIS or an environmental assessment (categorical exclusion).

§ 1815.108 Actions that normally require an EIS.

(a) If necessary, the Fund shall perform or have performed an environmental assessment to determine if an Application, or any portion of an Application, requires an EIS. However, it may be readily apparent that a proposed action in an Application will have a significant impact on the environment; in such cases, an environmental assessment is not required and

the Fund shall immediately begin to prepare, or have prepared, an EIS.

(b) An EIS normally is required where an Application proposes to directly use financial assistance from the Fund for any Project that would:

(1) Remove, demolish, convert, or substantially rehabilitate 2,500 or more existing housing units, or would result in the construction or installation of 2,500 or more new housing units, or which would provide sites for 2,500 or more new housing units; or

(2) Remove, demolish, convert, or substantially rehabilitate 1,500,000 square feet or more of commercial space, or would result in the construction or installation of 1,500,000 square feet or more of new commercial space, or which would provide sites for 1,500,000 square feet or more of new commercial space.

§ 1815.109 Preparation of an EIS.

(a) If the Fund determines that an EIS should be prepared, it shall publish a notice of intent in the FEDERAL REGISTER in accordance with 40 CFR 1501.7 and 1508.22 of the CEQ regulations. After publishing the notice of intent, the Fund shall begin to prepare or have prepared the EIS. Procedures for preparing the EIS are set forth in 40 CFR part 1502 of the CEQ regulations.

(b) The Fund may supplement a draft or final EIS at any time. The Fund shall prepare or have prepared a supplement to either the draft or final EIS when:

(1) Substantial changes are proposed to an action contained in the draft or final EIS that are relevant to environmental concerns or there are significant new circumstances or information relevant to environmental concerns and bearing on the proposed action or its impacts; or

(2) Actions are proposed which relate or are similar to other action(s) taken or proposed and that together have a cumulatively significant impact on the environment.

§ 1815.110 Categorical exclusion.

The CEQ regulations provide for the categorical exclusion of actions that do not individually or cumulatively have

§ 1815.110

12 CFR Ch. XVIII (1-1-03 Edition)

a significant effect on the human environment (40 CFR 1508.4). Therefore, neither an environmental assessment nor an EIS is required for such actions. An action which falls into one of the categories below may still require the preparation of an EIS or environmental assessment if the designated Fund official determines it meets the criteria stated in §1815.109 or involves extraordinary circumstances that may have a significant environmental effect. The Fund has determined the following categorical exclusions:

(a) Actions directly related to the administration or operation of the Fund (e.g. personnel actions, including, but not limited to, staff recruitment and training; purchase of goods and services for the Fund, including, but not limited to, furnishings, equipment, supplies and services; space acquisition; property management; and security);

(b) Actions directly related to and implementing proposals for which an environmental assessment or an environmental assessment and EIS have been prepared;

(c) Actions directly related to the granting or receipt of Bank Enterprise Act awards pursuant to part 1806 of this chapter;

(d) Actions directly related to training and/or technical assistance;

(e) Projects for the acquisition, disposition, rehabilitation and/or modernization of 500 existing housing units or less when all the following conditions are met:

(1) Unit density is not increased more than 20 percent;

(2) The Project does not involve changes in land use from nonresidential to residential;

(3) The estimated cost of rehabilitation is less than 75 percent of the total estimated cost of replacement after rehabilitation; and

(4) The Project does not involve the demolition of one or more buildings containing the primary use served by the project that, together, have more than 20 percent of the square footage of the Project;

(f) Projects for the construction of 200 housing units or less when all the following conditions are met:

(1) The Project does not involve changes in existing land use from non-residential to residential; and

(2) The Project does not involve the demolition of one or more buildings containing the primary use served by the project that, together, have more than 20 percent of the square footage of the Project;

(g) Projects for the acquisition, disposition, rehabilitation and/or modernization of 200,000 square feet or less of existing commercial space when all the following conditions are met:

(1) The Project does not involve changes in existing land use from residential to nonresidential;

(2) The estimated cost of rehabilitation is less than 75 percent of the total estimated cost of replacement after rehabilitation; and

(3) The Project does not involve the demolition of more than 10,000 square feet of commercial space containing the primary use served by the Project;

(h) Projects for the construction of 100,000 square feet or less of commercial space when all the following conditions are met:

(1) The Project does not involve changes in existing land use from residential to nonresidential; and

(2) The Project does not involve the demolition of more than 10,000 square feet of commercial space containing the primary use served by the Project;

(i) Projects for the acquisition of an existing structure, provided that the property to be acquired is in place and will be retained in the same use;

(j) Projects involving Fund financial assistance of \$1,000,000 or less;

(k) Actions directly related to the provision of residential tenant-based rental assistance, Consumer Loans, health care, child care, educational, cultural and/or social services;

(l) Actions involving Fund financial assistance that is used to increase the permanent capital and/or liquidity of an applicant;

(m) Actions where no use of Federal funds is involved in the activity or Project; and

(n) Actions directly related to the provision of working capital, the acquisition of machinery and equipment or the purchase of inventory, raw materials or supplies.

§ 1815.114

§ 1815.111 Actions that require an environmental assessment.

If a Project or action is not one that normally requires an EIS and does not qualify for categorical exclusion, the Fund shall prepare, or have prepared, an environmental assessment.

§ 1815.112 Preparation of an environmental assessment.

(a) The Fund shall begin the preparation of an environmental assessment as early as possible after the designated Fund official has determined that it is required. The Fund may prepare an environmental assessment at any time to assist planning and decisionmaking.

(b) An environmental assessment is a concise public document used to determine whether to prepare an EIS. An environmental assessment aids in complying with the NEPA when no EIS is necessary, and it facilitates the preparation of an EIS, if one is necessary. The environmental assessment shall contain brief discussions of the following topics:

- (1) Purpose and need for the proposed action;
- (2) Description of the proposed action;
- (3) Alternatives considered, including the no action alternative;
- (4) Environmental effects of the proposed action and alternative actions; and
- (5) Listing of agencies, organizations or persons consulted.

(c) The most important or significant environmental consequences and effects on the areas listed below should be addressed in the environmental assessment. Only those areas which are specifically relevant to the particular proposal should be addressed. Those areas should be addressed in as much detail as is necessary to allow an analysis of the alternatives and the proposal. The areas to be considered are the following:

- (1) Natural/ecological features (such as floodplain, wetlands, coastal zones, wildlife refuges, and endangered species);
- (2) Air quality;
- (3) Sound levels;
- (4) Water supply, wastewater treatment and water runoff;

(5) Energy requirements and conservation;

- (6) Solid waste;
- (7) Transportation;
- (8) Community facilities and services;
- (9) Social and economic;
- (10) Historic and aesthetic; and
- (11) Other relevant factors.

(d) If the Fund completes an environmental assessment and determines that an EIS is not required, then the Fund shall prepare a finding of no significant impact. The finding of no significant impact shall be made available to the public by the Fund as specified in 40 CFR 1506.6 of the CEQ regulations.

§ 1815.113 Public involvement.

All information collected by the Fund pursuant to this part shall be available to the public consistent with the CEQ regulations. Interested persons may obtain information concerning any pending EIS or any other element of the environmental review process of the Fund by contacting the Community Development Financial Institutions Fund, Department of the Treasury, 1500 Pennsylvania Avenue NW., room 5116, Washington, DC 20220, or such other contact entity designated by the Fund.

§ 1815.114 Fund decisionmaking procedures.

To ensure that at major decisionmaking points all relevant environmental concerns are considered by the Decisionmaker, the following procedures are established:

(a) An environmental document, i.e., the EIS, environmental assessment, finding of no significant impact, or notice of intent, in addition to being prepared at the earliest point in the decisionmaking process, shall accompany the relevant proposal or action through the Fund's decisionmaking process to ensure adequate consideration of environmental factors;

(b) The Decisionmaker shall consider in its decisionmaking process only those alternatives discussed in the relevant environmental documents. Also, where an EIS has been prepared, the decisionmaker shall consider all comments received during any comment process and all alternatives described

§ 1815.115

in the EIS. A written record of the consideration of alternatives during the decisionmaking process shall be maintained; and

(c) Any environmental document prepared for a proposal or action shall be made part of the record of any formal rulemaking by the Fund.
