Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.....	as of January 1
Title 17 through Title 27.....	as of April 1
Title 28 through Title 41.....	as of July 1
Title 42 through Title 50.....	as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, October 1, 2003), consult the "List of CFR Sections Affected (LSA)," which is issued monthly, and the "Cumulative List of Parts Affected," which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.

Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 2001, consult either the List of CFR Sections Affected, 1949–1963, 1964–1972, 1973–1985, or 1986–2000, published in 11 separate volumes. For the period beginning January 1, 2001, a “List of CFR Sections Affected” is published at the end of each CFR volume.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

Subpart A—Approval of State Plans and Certification of Grants

§ 201.2 General.

The State plan is a comprehensive statement submitted by the State agency describing the nature and scope of its program and giving assurance that it will be administered in conformity with the specific requirements stipulated in the pertinent title of the Act, the regulations in subtitle A and this chapter of this title, and other applicable official issuances of the Department. The State plan contains all information necessary for the Administration to determine whether the plan can be approved, as a basis for Federal financial participation in the State program.

[35 FR 12180, July 29, 1970, as amended at 53 FR 36578, Sept. 21, 1988]

§ 201.3 Approval of State plans and amendments.

The State plan consists of written documents furnished by the State to cover each of its programs under the Act: Old-age assistance (title I); aid and services to needy families with children (part A of title IV); aid to the blind (title X); aid to the permanently and totally disabled (title XIV); or aid to the aged, blind or disabled (title XVI). The State may submit the common material on more than one program as an integrated plan. However, it must identify the provisions pertinent to each title since a separate plan must be approved for each public assistance title. A plan submitted under title XVI encompasses, under a single plan, the programs otherwise covered by three separate plans under titles I, X, and XIV. After approval of the original plan by the Administration, all relevant changes, required by new statutes, rules, regulations, interpretations, and court decisions, are required to be submitted currently so that the Administration may determine whether the plan continues to meet Federal requirements and policies.

(a) *Submittal.* State plans and revisions of the plans are submitted first to the State governor or his designee for review in accordance with § 204.1 of this chapter, and then to the regional office. The States are encouraged to obtain consultation of the regional staff when a plan is in process of preparation or revision.

(b) *Review.* Staff in the regional offices are responsible for review of State plans and amendments. They also initiate discussion with the State agency on clarification of significant aspects of the plan which come to their attention in the course of this review. State plan material on which the regional staff has questions concerning the application of Federal policy is referred with recommendations as required to the central office for technical assistance. Comments and suggestions, including those of consultants in specified areas, may be prepared by the central office for use by the regional staff in negotiations with the State agency.

(c) *Action.* The Regional Administrator, exercised delegated authority to take affirmative action on State

plans and amendments thereto on the basis of policy statements or precedents previously approved by the Administrator. The Administrator retains authority for determining that proposed plan material is not approvable, or that a previously approved plan no longer meets the requirements for approval, except that a final determination of disapproval may not be made without prior consultation and discussion by the Administrator with the Secretary. The Regional Administrator, or the Administrator formally notifies the State agency of the actions taken on State plans or revisions.

(d) *Basis for approval.* Determinations as to whether State plans (including plan amendments and administrative practice under the plans) originally meet or continue to meet, the requirements for approval are based on relevant Federal statutes and regulations. Guidelines are furnished to assist in the interpretation of the regulations.

(e) *Prompt approval of State plans.* Pursuant to section 1116 of the Act, the determination as to whether a State plan submitted for approval conforms to the requirements for approval under the Act and regulations issued pursuant thereto shall be made promptly and not later than the 90th day following the date on which the plan submittal is received in the regional office, unless the Regional Administrator, has secured from the State agency a written agreement to extend that period.

(f) *Prompt approval of plan amendments.* Any amendment of an approved State plan may, at the option of the State, be considered as a submission of a new State plan. If the State requests that such amendment be so considered the determination as to its conformity with the requirements for approval shall be made promptly and not later than the 90th day following the date on which such a request is received in the regional office with respect to an amendment that has been received in such office, unless the Regional Administrator, has secured from the State agency a written agreement to extend that period. In absence of request by a State that an amendment of an approved State plan shall be considered as a submission of a new State plan,

the procedures under § 201.6 (a) and (b) shall be applicable.

(g) *Effective date.* The effective date of a new plan may not be earlier than the first day of the calendar quarter in which an approvable plan is submitted, and with respect to expenditures for assistance under such plan, may not be earlier than the first day on which the plan is in operation on a statewide basis. The same applies with respect to plan amendments that provide additional assistance or services to persons eligible under the approved plan or that make new groups eligible for assistance or services provided under the approved plan. For other plan amendments the effective date shall be as specified in other sections of this chapter.

[35 FR 12180, July 29, 1970, as amended at 39 FR 34542, Sept. 26, 1974; 42 FR 43977, Sept. 1, 1977; 53 FR 36579, Sept. 21, 1988]

§ 201.4 Administrative review of certain administrative decisions.

Pursuant to section 1116 of the Act, any State dissatisfied with a determination of the Administrator pursuant to § 201.3 (e) or (f) with respect to any plan or amendment may, within 60 days after the date of receipt of notification of such determination, file a petition with the Regional Administrator, asking the Administrator for reconsideration of the issue of whether such plan or amendment conforms to the requirements for approval under the Act and pertinent Federal requirements. Within 30 days after receipt of such a petition, the Administrator shall notify the State of the time and place at which the hearing for the purpose of reconsidering such issue will be held. Such hearing shall be held not less than 30 days nor more than 60 days after the date notice of such hearing is furnished to the State, unless the Administrator and the State agree in writing on another time. For hearing procedures, see part 213 of this chapter. A determination affirming, modifying, or reversing the Administrator's original decision will be made within 60 days of the conclusion of the hearing. Action pursuant to an initial determination by the Administrator described in such § 201.3 (e) or (f) that a plan or amendment is not approvable

shall not be stayed pending the reconsideration, but in the event that the Administrator subsequently determines that his original decision was incorrect he shall certify restitution forthwith in a lump sum of any funds incorrectly withheld or otherwise denied.

[35 FR 12180, July 29, 1970, as amended at 42 FR 43977, Sept. 1, 1977; 53 FR 36579, Sept. 21, 1988]

§ 201.5 Grants.

To States with approved plans, grants are made each quarter for expenditures under the plan for assistance, services, training and administration. The determination as to the amount of a grant to be made to a State is based upon documents submitted by the State agency containing information required under the Act and such other pertinent facts, including title IV-A the appropriate Federal share of child support collections made by the State, as may be found necessary.

(a) *Form and manner of submittal.* (1) Time and place: The estimates for public assistance grants for each quarterly period must be forwarded to the regional office 45 days prior to the period of the estimate. They include a certification of State funds available and a justification statement in support of the estimates. A statement of quarterly expenditures and any necessary supporting schedules must be forwarded to the Department of Health and Human Services, Family Support Administration, not later than 30 days after the end of the quarter.

(2) Description of forms: "State Agency Expenditure Projection—Quarterly Projection by Program" represents the State agency's estimate of the total amount and the Federal share of expenditures for assistance, services, training, and administration to be made during the quarter for each of the public assistance programs under the Act. From these estimates the State and Federal shares of the total expenditures are computed. The State's computed share of total estimated expenditures is the amount of State and local funds necessary for the quarter. The Federal share is the basis for the funds to be advanced for the quarter. The

§ 201.5

State agency must also certify, on this form or otherwise, the amount of State funds (exclusive of any balance of advances received from the Federal Government) actually on hand and available for expenditure; this certification must be signed by the executive officer of the State agency submitting the estimate or a person officially designated by him, or by a fiscal officer of the State if required by State law or regulation. (A form "Certificate of Availability of State Funds for Assistance and Administration during Quarter" is available for submitting this information, but its use is optional.) If the amount of State funds (or State and local funds if localities participate in the program), shown as available for expenditures is not sufficient to cover the State's proportionate share of the amount estimated to be expended, the certification must contain a statement showing the source from which the amount of the deficiency is expected to be derived and the time when this amount is expected to be made available.

(3) The State agency must also submit a quarterly statement of expenditures for each of the public assistance programs under the Act. This is an accounting statement of the disposition of the Federal funds granted for past periods and provides the basis for making the adjustments necessary when the State's estimate for any prior quarter was greater or less than the amount the State actually expended in that quarter. The statement of expenditures also shows the share of the Federal Government in any recoupment, from whatever source, including for title IV-A the appropriate share of child support collections made by the State, of expenditures claimed in a prior period, and also in expenditures not properly subject to Federal financial participation which are acknowledged by the State agency, including the share of the Federal Government for uncashed and cancelled checks as described at 45 CFR 201.67 and replacement checks as described at 45 CFR 201.70 in this part, or which have been revealed in the course of an audit.

(b) *Review.* The State's estimates are analyzed by the regional office staff

45 CFR Ch. II (10-1-03 Edition)

and are forwarded with recommendations as required to the central office. The central office reviews the State's estimate, other relevant information, and any adjustments to be made for prior periods, and computes the grant.

(c) *Grant award.* The grant award computation form shows, by program, the amount of the estimate for the ensuing quarter, and the amounts by which the estimate is reduced or increased because of over- or under-estimate for the prior quarter and for other adjustments. This form is transmitted to the State agency to draw the amount of the grant award, as needed, to meet the Federal share of disbursements. The draw is through a commercial bank and the Federal Reserve system against a continuing letter of credit certified to the Secretary of the Treasury in favor of the State payee. A copy of the grant award notice is sent to the State Central Information Reception Agency in accord with section 201 of the Intergovernmental Cooperation Act of 1968.

(d) *Letter of credit payment system.* The letter of credit system for payment of advances of Federal funds was established pursuant to Treasury Department regulations (Circular No. 1075), published in the FEDERAL REGISTER on July 11, 1967 (32 FR 10201). The HEW "Instructions to Recipient Organizations for Use of Letter of Credit" was transmitted to all grantees by memorandum from the Assistant Secretary-Comptroller on January 15, 1968.

(e) *General administrative requirements.* With the following exceptions, the provisions of part 74 of this title, establishing uniform administrative requirements and cost principles, shall apply to all grants made to States under this part:

45 CFR PART 74

Subpart G—Matching and Cost Sharing.

Subpart I—Financial Reporting Requirements.

[35 FR 12180, July 29, 1970, as amended at 38 FR 26320, Sept. 19, 1973; 46 FR 48003, Sept. 30, 1981; 53 FR 24269, June 28, 1988; 53 FR 36579, Sept. 21, 1988]

§ 201.6 Withholding of payment; reduction of Federal financial participation in the costs of social services and training.

(a) *When withheld.* Further payments to a State are withheld in whole or in part if the Administrator, after reasonable notice and opportunity for hearing to the State agency administering or supervising the administration of an approved plan, finds:

(1) That the plan no longer complies with the provisions of section 2, 402, 1002, 1402, or 1602 of the Act; or

(2) That in the administration of the plan there is failure to comply substantially with any such provision.

A question of noncompliance of a State plan may arise from an unapprovable change in the approved State plan, the failure of the State to change its approved plan to conform to a new Federal requirement for approval of State plans, or the failure of the State in practice to comply with a Federal requirement, whether or not its State plan has been amended to conform to such requirement.

(b) *When the rate of Federal financial participation is reduced.* Under title I, X, XIV, or XVI (AABD) of the Act, Federal financial participation in the costs of social services and training approved at the rate of 75 per centum is reduced to 50 per centum if the Administrator, after reasonable notice and opportunity for a hearing to the State agency, finds:

(1) That the plan provision under such title for prescribed services no longer complies with the Federal requirements with respect to such prescribed services; or

(2) That in the administration of the plan there is a failure to comply substantially with such plan provision.

(c) *Information discussions.* Hearings with respect to matters under paragraph (a) or (b) of this section are generally not called, however, until after reasonable effort has been made by the Administration to resolve the questions involved by conference and discussion with State officials. Formal notification of the date and place of hearing does not foreclose further negotiations with State officials.

(d) *Conduct of hearings.* For hearing procedures, see part 213 of this chapter.

(e) *Notification of withholding.* If the Administrator makes a finding of non-compliance with respect to a matter under paragraph (a) of this section, the State agency is notified that further payments will not be made to the State (or, in his discretion, that payments will be limited to categories under or parts of the plan not affected by such failure), until the Administrator is satisfied that there will no longer be any such failure to comply. Until he is so satisfied, no further payments will be made to the State (or will be limited to categories under or parts of the plan not affected by such failure).

(f) *Notification of reduction in the rate of Federal financial participation.* If the Administrator makes a finding of non-compliance with respect to a matter under paragraph (b) of this section, the State agency is notified that further payments will be made to the State at the rate of 50 per centum of the costs of services and training, until the Administrator is satisfied that there will no longer be any failure to comply.

§ 201.7 Judicial review.

Any State dissatisfied with a final determination of the Secretary pursuant to § 201.4 or § 201.6(a) may, within 60 days after it has been notified of such determination, file with the U.S. Court of Appeals for the circuit in which such State is located a petition for review of such determination. After a copy of the petition is transmitted by the clerk of the court to the Secretary, the Secretary thereupon shall file in the court the record of proceedings upon which such determination was based as provided in section 2112 of title 28, United States Code. The court is bound by the Secretary's findings of fact, if supported by substantial evidence. The court has jurisdiction to affirm the Secretary's decision, or set it aside in whole or in part, or, for good cause, to remand the case for additional evidence. If the case is remanded, the Secretary may thereupon make new or modified findings of fact, and may modify his previous determination. The Secretary shall certify to the court the transcript and record of the further

proceedings. The judgment of the court is subject to review by the Supreme Court of the United States upon certiorari or certification as provided in 28 U.S.C. 1254.

Subpart B—Review and Audits

§ 201.10 Review of State and local administration.

(a) In order to provide a basis for determining that State agencies are adhering to Federal requirements and to the substantive legal and administrative provisions of their approved plans, the Administration conducts a review of State and local public assistance administration. This review includes analysis of procedures and policies of State and local agencies and examination of case records of individual recipients.

(b) Each State agency is required to carry out a continuing quality control program primarily covering determination of eligibility in statistically selected samples of individual cases. The Service conducts a continuing observation of these State systems.

(c) Adherence to other Federal requirements set forth in the pertinent titles of the Act and the regulations in this title is evaluated through review of selected case records and aspects of agency operations.

[35 FR 12180, July 29, 1970, as amended at 53 FR 36579, Sept. 21, 1988]

§ 201.11 Personnel merit system review.

A personnel merit system review is carried out by the Office of State Merit Systems of the Office of the Assistant Secretary for Administration of the Department. The purpose of the review is to evaluate the effectiveness of the State merit system relating to the public assistance programs and to determine whether there is compliance with Federal requirements in the administration of the merit system plan. See part 70 of this title.

§ 201.12 Public assistance audits.

(a) Annually, or at such frequencies as are considered necessary and appropriate, the operations of the State agency are audited by representatives of the Audit Agency of the Depart-

ment. Such audits are made to determine whether the State agency is being operated in a manner that:

(1) Encourages prudent use of program funds, and

(2) Provides a reasonable degree of assurance that funds are being properly expended, and for the purposes for which appropriated and provided for under the related Act and State plan, including State laws and regulations.

(b) Reports of these audits are released by the Audit Agency simultaneously to program officials of the Department, and to the cognizant State officials. These audit reports relate the opinion of the Audit Agency on the practices reviewed and the allowability of costs audited at the State agency. Final determinations as to actions required on all matters reported are made by cognizant officials of the Department.

§ 201.13 Action on audit and review findings.

(a) If the audit results in no exceptions, the State agency is advised by letter of this result. The general course for the disposition of proposed exceptions resulting from audits involves the submittal of details of these exceptions to the State agency which then has an opportunity to concur in the proposed exceptions or to assemble and submit additional facts for purposes of clearance. Provision is made for the State agency to appeal proposed audit exceptions in which it has not concurred and which have not been deleted on the basis of clearance material. After consideration of a State agency's appeal by the Administrator, the Administration advises the State agency of any expenditures in which the Federal Government may not participate and requests it to include the amount as adjustments in a subsequent statement of expenditures. Expenditures in which it is found the Federal Government may not participate and which are not properly adjusted through the State's claim will be deducted from subsequent grants made to the State agency.

(b) If the Federal or State reviews reveal serious problems with respect to compliance with any Federal requirement, the State agency is required to

correct its practice so that there will be no recurrence of the problem in the future.

[35 FR 12180, July 29, 1970, as amended at 53 FR 36579, Sept. 21, 1988]

TRANSFER OF FUNCTIONS

Under the authority of Reorganization Plan No. 1 of 1953, and pursuant to the authorities vested in me as Secretary of Health and Human Services, I hereby order that, with respect to reconsiderations of disallowances imposed under titles I, IV, VI, X, XIV, XVI (AABD), XIX and XX of the Social Security Act, 42 U.S.C. 301 *et seq.*, 601 *et seq.*, 801 *et seq.*, 1201 *et seq.*, 1351 *et seq.*, 1381 *et seq.* (AABD), 1396 *et seq.* and 1397 *et seq.*, all references to "Administrator" appearing in 45

States which have previously had or requested a conference pursuant to 45 CFR 201.14(d)(7) will be entitled to a conference with the Chairman of the Departmental Grant Appeals Board acting (as provided above) as successor to the Administrator of the Social and Rehabilitation Service (SRS), or with a member or members of the Board designated by the Chairman to decide the matter, acting as successor to the Deputy Administrator of SRS. The Chairman may, at his option, utilize a Grant Appeals Panel, designated pursuant to 45 CFR 516.4(b), to decide the matter, and may supplement the § 201.14 procedures by utilizing the procedures of 45 CFR part 16 including the authority provided in 45 CFR 16.51 to waive or modify any procedural provision upon a determination that no party will be prejudiced and that the ends of justice will be served.

§ 201.15 Deferral of claims for Federal financial participation.

(a) *Scope.* Except as otherwise provided, this section applies to all claims for Federal financial participation submitted by States pursuant to titles I, IV, X, XIV, XVI (AABD), of the Social Security Act.

(b) *Definitions.* (1) *Deferral Action* means the process of suspending payment with respect to a claim within the scope of paragraph (a) of this section, pending the receipt and analysis of further information relating to the allowability of the claim, under the procedures specified in this section.

(2) *Deferred claim* means a claim within the scope of paragraph (a) of this section upon which a deferral action has been taken.

(c) *Procedures.* (1) A claim or any portion of a claim for reimbursement for expenditures reported on the Quarterly Statement of Expenditures shall be deferred only when the Regional Administrator believes the claim or a specific portion of the claim is of questionable allowability. The deferral action will be taken within 60 days after receipt of

a Quarterly Statement of Expenditures prepared in accordance with instructions issued by the Administration.

(2) When deferral action is taken on a claim, the Regional Administrator or the Administrator will within 15 days send written notice to the State identifying the type and amount of the claim and the reason for deferral. In the written notice of the deferral action, the Regional Administrator or the Administrator will request the State to make available for inspection all documents and materials which the Regional office then believes necessary to determine the allowability of the claim.

(3) Within 60 days of receipt of the notice of deferral action described in paragraph (c)(2) of this section the State shall make available to the Regional office, in readily reviewable form, all requested documents and materials, or when necessary, shall identify those documents and items of information which are not available. If the State requires additional time to make the documents and material available, it shall upon request be given an additional 60 days.

(4) The Regional office will normally initiate the review within 30 days of the date that materials become available for review.

(5) If the Regional Administrator finds that the documents and materials are not in readily reviewable form or that supplemental information is required, he will promptly notify the State. The State will have 15 days from the date of notification to complete the action requested. If the Regional Commissioner or the Administrator finds that the documents necessary to determine the allowability of the claim are not made available within the allowed time limits, or that the documents are not made available in readily reviewable form, he shall promptly disallow the claim.

(6) The Regional Administrator or the Administrator will have 90 days after all documentation is available in readily reviewable form to determine the allowability of the deferred claim. If he is unable to complete the review within the time period the claim will be paid subject to a later determination of allowability.

§ 201.66

45 CFR Ch. II (10–1–03 Edition)

(7) It is the responsibility of the State agency to establish the allowability of a deferred claim.

(8) The Regional Office or the Administrator will notify the State in writing of the decision on the allowability of the deferred claim.

(9) If a deferred claim is disallowed, the Regional Administrator or the Administrator shall advise the State of its right to reconsideration pursuant to § 201.14.

(10) A decision to pay a deferred claim shall not preclude a subsequent disallowance as a result of an audit exception or financial management review. If a subsequent disallowance should occur, the State, upon request shall be granted reconsideration pursuant to § 201.14.

[41 FR 7104, Feb. 17, 1976, as amended at 42 FR 51583, Sept. 29, 1977; 47 FR 7669, Feb. 22, 1982; 53 FR 36579, Sept. 21, 1988]

§ 201.66 Repayment of Federal funds by installments.

(a) *Basic Conditions.* When a State has been reimbursed Federal funds for expenditures claimed under titles I, IV–A, X, XIV, XVI (AABD) which are later determined to be unallowable for Federal financial participation, the State may make repayment of such Federal funds in installments provided:

(1) The amount of the repayment exceeds 2½ percent of the estimated annual State share for the program in which the unallowable expenditure occurred as set forth in paragraph (b) of this section; and

(2) The State has notified the Regional Administrator in writing of its intent to make installment repayments. Such notice must be given prior to the time repayment of the total was otherwise due.

(b) *Criteria governing installment repayments.* (1) The number of quarters over which the repayment of the total unallowable expenditures will be made will be determined by the percentage the total of such repayment is of the estimated State share of the annual expenditures for the specific program against which the recovery is made, as follows:

Total repayment amount as percentage of State share of annual expenditures for the specific program	Number of quarters to make repayment
2.5 pct. or less	1
Greater than 2.5, but not greater than 5	2
Greater than 5, but not greater than 7.5	3
Greater than 7.5, but not greater than 10	4
Greater than 10, but not greater than 15	5
Greater than 15, but not greater than 20	6
Greater than 20 but not greater than 25	7
Greater than 25, but not greater than 30	8
Greater than 30, but not greater than 47.5	9
Greater than 47.5, but not greater than 65	10
Greater than 65, but not greater than 82.5	11
Greater than 82.5, but not greater than 100	12

The quarterly repayment amounts for each of the quarters in the repayment schedule shall not be less than the following percentages of the estimated State share of the annual expenditures for the program against which the recovery is made.

For each of the following quarters	Repayment installment may not be less than these percentages
1 to 4	2.5
5 to 8	5.0
9 to 12	17.5

If the State chooses to repay amounts representing higher percentages during the early quarters, any corresponding reduction in required minimum percentages would be applied first to the last scheduled payment, then to the next to the last payment, and so forth as necessary.

(2) The latest State Agency Statement of Financial Plan for AFDC submitted by the State shall be used to estimate the State's share of annual expenditures for the specific program in which the unallowable expenditures occurred. That estimated share shall be the sum of the State's share of the estimates (as shown on the latest State Agency Statement of Financial Plan for AFDC) for four quarters, beginning with the quarter in which the first installment is to be paid.

(3) In the case of a program terminated by law or by the State, the actual State share—rather than the estimate—shall be used for determining whether the amount of the repayment exceeds 2½% of the annual State share for the program. The annual State

share in these cases will be determined using payments computable for Federal funding as reported for the program by the State on its Quarterly Statement of Expenditures reports submitted for the last four quarters preceding the date on which the program was terminated.

(4) Repayment shall be accomplished through adjustment in the quarterly grants over the period covered by the repayment schedule.

(5) The amount of the repayment for purpose of paragraphs (a) and (b) of this section may not include any amount previously approved for installment repayment.

(6) The repayment schedule may be extended beyond 12 quarterly installments if the total repayment amount exceeds 100% of the estimated State share of annual expenditures. In these circumstances, the criteria in paragraphs (b) (1) and (2) or (3) of this section, as appropriate, shall be followed for repayment of the amount equal to 100% of the annual State share. The remaining amount of the repayment shall be in quarterly amounts not less than those for the 9th through 12th quarters.

(7) The amount of a retroactive claim to be paid a State will be offset against any amounts to be, or already being, repaid by the State in installments, under the same title of the Social Security Act. Under this provision the State may choose to:

(i) Suspend payments until the retroactive claim due the State has, in fact, been offset; or

(ii) Continue payments until the reduced amount of its debt (remaining after the offset), has been paid in full. This second option would result in a shorter payment period. A retroactive claim for the purpose of this regulation is a claim applicable to any period ending 12 months or more prior to the beginning of the quarter in which the payment is to be made by the Administration.

[42 FR 28884, June 6, 1977, as amended at 47 FR 7669, Feb. 22, 1982; 52 FR 273, Jan. 5, 1987; 53 FR 36579, Sept. 21, 1988]

§ 201.67 Treatment of uncashed or cancelled checks.

(a) *Purpose.* This section provides the rules to ensure that States refund the Federal portion of uncashed or cancelled (voided) checks under titles I, IV-A, X, XIV, and XVI (AABD).

(b) *Definitions.* As used in this section—*Check* means a check or warrant that the State or local agency uses to make a payment.

Cancelled (voided) check means a check issued by the State agency or local agency which prior to its being cashed is cancelled (voided) by State or local agency action, thus preventing disbursement of funds.

Uncashed check means a check issued by the State agency or local agency which has not been cashed by the payee.

(c) *Refund of Federal financial participation (FFP) for uncashed checks*—(1) *General provisions.* If a check remains uncashed beyond a period of 180 days from the date it was issued, i.e., the date of the check, it will no longer be regarded as an amount expended because no funds have actually been disbursed. If the State agency has claimed and received FFP for the amount of the uncashed check, it must refund the amount of FFP received.

(2) *Report of refund.* At the end of each calendar quarter, the State agency must identify those checks which remain uncashed beyond a period of 180 days after issuance. The State agency must report on the Quarterly Statement of Expenditures for that quarter all FFP that it received for uncashed checks. Once reported on the Quarterly Statement of Expenditures for a quarter, an uncashed check is not to be reported on a subsequent Quarterly Statement of Expenditures. If an uncashed check is cashed after the refund is made, the State agency may submit a new claim for FFP.

(d) *Refund of FFP for cancelled (voided) checks*—(1) *General provisions.* If the State agency has claimed and received FFP for the amount of a cancelled (voided) check, it must refund the amount of FFP received.

(2) *Report of refund.* At the end of each calendar quarter, the State agency must identify those checks which were cancelled (voided). The State

§ 201.70

agency must report on the Quarterly Statement of Expenditures for that quarter all FFP received by the State agency for these checks. Once reported on the Quarterly Statement of Expenditures for a quarter, a cancelled (voided) check is not to be reported on a subsequent Quarterly Statement of Expenditures.

[50 FR 37661, Sept. 17, 1985]

§ 201.70 Treatment of replacement checks.

(a) *Purpose.* This section provides the rules to ensure States do not claim Federal financial participation (FFP) for replacement checks under titles I, VI-A, X, XIV XVI (AABD) except under the circumstances specified in paragraph (c) of this section.

(b) *Definitions.* As used in this section—

Check means a check or warrant that the State or local agency uses to make a payment.

Replacement check means a check issued by the State or local agency to replace an earlier check.

(c) *Claiming of FFP for replacement checks.* The State agency may not claim FFP for the amount of a replacement check unless:

(1) It makes no claim for FFP for the earlier check;

(2) The earlier check has been cancelled (voided) and FFP refunded, where claimed, pursuant to 45 CFR 201.67(d); or

(3) The earlier check has been cashed and FFP has been refunded.

The State agency shall report the amount of the refund of FFP for the earlier check on the Quarterly Statement of Expenditures for the quarter no later than the quarter in which the replacement check is issued.

45 CFR Ch. II (10-1-03 Edition)

§ 205.10 Hearings.

(a) *State plan requirements.* A State plan under title I, IV-A, X, XIV, or XVI(AABD) of the Social Security Act shall provide for a system of hearings under which:

(1) The single State agency responsible for the program shall be responsible for fulfillment of hearing provisions which shall provide for:

(i) A hearing before the State agency, or

(ii) An evidentiary hearing at the local level with a right of appeal to a State agency hearing. Where a State agency adopts a system of evidentiary hearings with an appeal to a State agency hearing, it may, in some political subdivisions, permit local evidentiary hearings, and in others, provide for a single hearing before the State agency. Under this requirement hearings shall meet the due process standards set forth in the U.S. Supreme Court decision in *Goldberg v. Kelly*, 397 U.S. 254 (1970) and the standards set forth in this section.

(2) Hearing procedures shall be issued and publicized by the State agency. Such procedures shall provide for a face-to-face hearing or, at State option, a hearing by telephone when the applicant or recipient also agrees. Under this provision, the State shall assure that the applicant or recipient is afforded all rights as specified in this section, whether the hearing is face-to-face or by telephone;

(3) Every applicant or recipient shall be informed in writing at the time of application and at the time of any action affecting his claim:

(i) Of his right to a hearing, as provided in paragraph (a)(5) of this section;

(ii) Of the method by which he may obtain a hearing;

(iii) That he may be represented by an authorized representative, such as legal counsel, relative, friend, or other spokesman, or he may represent himself.

(4) In cases of intended action to discontinue, terminate, suspend or reduce assistance or to change the manner or form of payment to a protective, vendor, or two-party payment under § 234.60:

(i) The State or local agency shall give timely and adequate notice, except as provided for in paragraphs (a)(4)(ii), (iii), or (iv) of this section. Under this requirement:

(A) *Timely* means that the notice is mailed at least 10 days before the date of action, that is, the date upon which the action would become effective;

(B) *Adequate* means a written notice that includes a statement of what action the agency intends to take, the reasons for the intended agency action, the specific regulations supporting such action, explanation of the individual's right to request an evidentiary hearing (if provided) and a State agency hearing, the circumstances under which assistance is continued if a hearing is requested, and if the agency action is upheld, that such assistance must be repaid under title IV-A, and must also be repaid under titles I, X, XIV or XVI (AABD) if the State plan provides for recovery of such payments.

(ii) The agency may dispense with timely notice but shall send adequate notice not later than the date of action when:

(A) The agency has factual information confirming the death of a recipient or of the AFDC payee when there is no relative available to serve as new payee;

(B) The agency receives a clear written statement signed by a recipient that he no longer wishes assistance, or that gives information which requires termination or reduction of assistance, and the recipient has indicated, in writing, that he understands that this must be the consequence of supplying such information;

(C) The recipient has been admitted or committed to an institution, and further payments to that individual do not qualify for Federal financial participation under the State plan;

(D) The recipient has been placed in skilled nursing care, intermediate care or long-term hospitalization;

(E) The claimant's whereabouts are unknown and agency mail directed to him has been returned by the post office indicating no known forwarding address. The claimant's check must, however, be made available to him if his whereabouts become known during

the payment period covered by a returned check;

(F) A recipient has been accepted for assistance in a new jurisdiction and that fact has been established by the jurisdiction previously providing assistance;

(G) An AFDC child is removed from the home as a result of a judicial determination, or voluntarily placed in foster care by his legal guardian;

(H) For AFDC, the agency takes action because of information the recipient furnished in a monthly report or because the recipient has failed to submit a complete or a timely monthly report without good cause. (See §233.37);

(I) A special allowance granted for a specific period is terminated and the recipient has been informed in writing at the time of initiation that the allowance shall automatically terminate at the end of the specified period;

(J) The agency has made a presumption of mismanagement as a result of a recipient's nonpayment of rent and provides for post hearings in such circumstances;

(K) An individual's payment is suspended or reduced for failure to meet a payment after performance obligation as set forth at §233.101(b)(2)(iv) (B) or (C) of this chapter. In addition to the contents set forth in paragraph (a)(4)(i)(B) of this section, the adequate notice must advise the individual of the right to have assistance immediately reinstated retroactive to the date of action at the previous month's level pending the hearing decision if he or she makes a request for a hearing and reinstatement within 10 days after the date of the notice.

(iii) When changes in either State or Federal law require automatic grant adjustments for classes of recipients, timely notice of such grant adjustments shall be given which shall be "adequate" if it includes a statement of the intended action, the reasons for such intended action, a statement of the specific change in law requiring such action and a statement of the circumstances under which a hearing may be obtained and assistance continued.

(iv) When the agency obtains facts indicating that assistance should be discontinued, suspended, terminated, or reduced because of the probable

fraud of the recipient, and, where possible, such facts have been verified through collateral sources, notice of such grant adjustment shall be timely if mailed at least five (5) days before action would become effective.

(5) An opportunity for a hearing shall be granted to any applicant who requests a hearing because his or her claim for financial assistance (including a request for supplemental payments under §§ 233.23 and 233.27) is denied, or is not acted upon with reasonable promptness, and to any recipient who is aggrieved by any agency action resulting in suspension, reduction, discontinuance, or termination of assistance, or determination that a protective, vendor, or two-party payment should be made or continued. A hearing need not be granted when either State or Federal law requires automatic grant adjustments for classes of recipients unless the reason for an individual appeal is incorrect grant computation.

(i) A request for a hearing is defined as a clear expression by the claimant (or his authorized representative acting for him), to the effect that he wants the opportunity to present his case to higher authority. The State may require that such request be in written form in order to be effective;

(ii) The freedom to make such a request shall not be limited or interfered with in any way. The agency may assist the claimant to submit and process his request;

(iii) The claimant shall be provided reasonable time, not to exceed 90 days, in which to appeal an agency action;

(iv) Agencies may respond to a series of individual requests for hearing by conducting a single group hearing. Agencies may consolidate only cases in which the sole issue involved is one of State or Federal law or policy or changes in State or Federal law. In all group hearings, the policies governing hearings must be followed. Thus, each individual claimant shall be permitted to present his own case or be represented by his authorized representative;

(v) The agency may deny or dismiss a request for a hearing where it has been withdrawn by the claimant in writing, where the sole issue is one of State or Federal law requiring automatic grant

adjustments for classes of recipients, where a decision has been rendered after a WIN hearing before the manpower agency that a participant has, without good cause, refused to accept employment or participate in the WIN program, or has failed to request such a hearing after notice of intended action for such refusal, or where it is abandoned. Abandonment may be deemed to have occurred if the claimant, without good cause therefor, fails to appear by himself or by authorized representative at the hearing scheduled for such claimant.

(6) If the recipient requests a hearing within the timely notice period:

(i) Assistance shall not be suspended, reduced, discontinued or terminated (but is subject to recovery by the agency if its action is sustained), until a decision is rendered after a hearing, unless:

(A) A determination is made at the hearing that the sole issue is one of State or Federal law or policy, or change in State or Federal law and not one of incorrect grant computation;

(B) A change affecting the recipient's grant occurs while the hearing decision is pending and the recipient fails to request a hearing after notice of the change;

(C) The recipient specifically requests that he or she not receive continued assistance pending a hearing decision; or

(D) The agency has made a presumption of mismanagement as a result of a recipient's nonpayment of rent and provides for the opportunity for a hearing after the manner or form of payment has been changed for such cases in accordance with § 234.60 (a)(2) and (a)(11).

(ii) The agency shall promptly inform the claimant in writing if assistance is to be discontinued pending the hearing decision; and

(iii) In any case where the decision of an evidentiary hearing is adverse to the claimant, he shall be informed of and afforded the right to make a written request, within 15 days of the mailing of the notification of such adverse decision, for a State agency hearing and of his right to request a de novo hearing. Unless a de novo hearing is specifically requested by the appellant,

the State agency hearing may consist of a review by the State agency hearing officer of the record of the evidentiary hearing to determine whether the decision of the evidentiary hearing officer was supported by substantial evidence in the record. Assistance shall not be continued after an adverse decision to the claimant at the evidentiary hearing.

(7) A State may provide that a hearing request made after the date of action (but during a period not in excess of 10 days following such date) shall result in reinstatement of assistance to be continued until the hearing decision, unless (i) the recipient specifically requests that continued assistance not be paid pending the hearing decision; or (ii) at the hearing it is determined that the sole issue is one of State or Federal law or policy. In any case where action was taken without timely notice, if the recipient requests a hearing within 10 days of the mailing of the notice of the action, and the agency determines that the action resulted from other than the application of State or Federal law or policy or a change in State or Federal law, assistance shall be reinstated and continued until a decision is rendered after the hearing, unless the recipient specifically requests that continued assistance not be paid pending the hearing decision.

(8) The hearing shall be conducted at a reasonable time, date, and place, and adequate preliminary written notice shall be given.

(9) Hearings shall be conducted by an impartial official (officials) or designee of the agency. Under this requirement, the hearing official (officials) or designee shall not have been directly involved in the initial determination of the action in question.

(10) When the hearing involves medical issues such as those concerning a diagnosis, an examining physician's report, or a medical review team's decision, a medical assessment other than that of the person or persons involved in making the original decision shall be obtained at agency expense and made part of the record if the hearing officer considers it necessary.

(11) In respect to title IV-C, when the appeal has been taken on the basis of a

disputed WIN registration requirement, exemption determination or finding of failure to appear for an appraisal interview, a representative of the local WIN manpower agency shall, where appropriate, participate in the conduct of the hearing.

(12) The hearing shall include consideration of:

(i) An agency action, or failure to act with reasonable promptness, on a claim for financial assistance, which includes undue delay in reaching a decision on eligibility or in making a payment, refusal to consider a request for or undue delay in making an adjustment in payment, and discontinuance, termination or reduction of such assistance;

(ii) Agency decision regarding:

(A) Eligibility for financial assistance in both initial and subsequent determinations,

(B) Amount of financial assistance or change in payments,

(C) The manner or form of payment, including restricted or protective payments, even though no Federal financial participation is claimed.

(13) The claimant, or his representative, shall have adequate opportunity:

(i) To examine the contents of his case file and all documents and records to be used by the agency at the hearing at a reasonable time before the date of the hearing as well as during the hearing;

(ii) At his option, to present his case himself or with the aid of an authorized representative;

(iii) To bring witnesses;

(iv) To establish all pertinent facts and circumstances;

(v) To advance any arguments without undue interference;

(vi) To question or refute any testimony or evidence, including opportunity to confront and cross-examine adverse witnesses.

(14) Recommendations or decisions of the hearing officer or panel shall be based exclusively on evidence and other material introduced at the hearing. The transcript or recording of testimony and exhibits, or an official report containing the substance of what transpired at the hearing, together with all papers and requests filed in the proceeding, and the recommendation or decision of the hearing officer or

§ 205.25

panel shall constitute the exclusive record and shall be available to the claimant at a place accessible to him or his representative at a reasonable time.

(15) Decisions by the hearing authority shall:

(i) In the event of an evidentiary hearing, consist of a memorandum decision summarizing the facts and identifying the regulations supporting the decision;

(ii) In the event of a State agency de novo hearing, specify the reasons for the decision and identify the supporting evidence and regulations.

Under this requirement no persons who participated in the local decision being appealed shall participate in a final administrative decision on such a case.

(16) Prompt, definitive, and final administrative action shall be taken within 90 days from the date of the request for a hearing.

(17) The claimant shall be notified of the decision in writing and, to the extent it is available to him, of his right to appeal to State agency hearing or judicial review.

(18) When the hearing decision is favorable to the claimant, or when the agency decides in favor of the claimant prior to the hearing, the agency shall promptly make corrective payments retroactively to the date the incorrect action was taken.

(19) All State agency hearing decisions shall be accessible to the public (subject to provisions of safeguarding public assistance information).

(b) *Federal financial participation.* Federal financial participation is available for the following items:

(1) Payments of assistance continued pending a hearing decision.

(2) Payments of assistance made to carry out hearing decisions, or to take corrective action after an appeal but prior to hearing, or to extend the benefit of a hearing decision or court order to others in the same situation as those directly affected by the decision or order. Such payments may be retroactive in accordance with applicable Federal policies on corrective payments.

(3) Payments of assistance within the scope of Federally aided public assist-

45 CFR Ch. II (10-1-03 Edition)

ance programs made in accordance with a court order.

(4) Administrative costs incurred by the agency for:

(i) Providing transportation for the claimant, his representative and witnesses to and from the place of the hearing;

(ii) Meeting other expenditures incurred by the claimant in connection with the hearing;

(iii) Carrying out the hearing procedures, including expenses of obtaining an additional medical assessment.

§ 205.25 Eligibility of supplemental security income beneficiaries for food stamps or surplus commodities.

(a) In respect to any individual who is receiving supplemental security income benefits under title XVI of the Social Security Act, the State agency shall make the following determinations:

(1) The amount of assistance such individual would have been entitled to receive for any month under the appropriate State plan in effect for December 1973, under title I, X, XIV, or XVI, and for such purpose such individual shall be deemed to be aged, blind, or permanently and totally disabled, as the case may be, under the provisions of such plan.

(2) The bonus value of the food stamps (according to the Food Stamp Schedule effective for July 1973) such individual would have been entitled to receive for such month, assuming the individual were receiving the assistance determined under paragraph (a)(1) of this section.

(3) The amount of benefits such individual is receiving for such month under Title XVI, plus supplementary payments as defined in section 1616(a) of the Social Security Act and payments pursuant to section 212 of Pub. L. 93-66, if any.

(b) If the amount determined in paragraph (a)(1) of this section plus the amount determined in paragraph (a)(2)

of this section exceeds the amount determined in paragraph (a)(3) of this section, such individual shall be eligible to participate in the food stamp program established by the Food Stamp Act of 1964 or surplus commodities distribution programs established by the Secretary of Agriculture pursuant to section 416 of the Agricultural Act of 1949, section 32 of Pub. L. 74-320, or any other law, in accordance with regulations and procedures established by the Secretary of Agriculture.

(c) For purposes of paragraph (a)(3) of this section, the State agency shall obtain the amount of the title XVI payment and the amount of any Federally administered State supplementary payment from the Social Security Administration.

(d) The State agency shall redetermine the eligibility of individuals to participate in the food stamp or surplus commodities distribution programs hereunder at such times as the Secretary of Agriculture requires recertification for such stamps or commodities.

§ 205.30 Methods of administration.

State plan requirements: A State plan for financial assistance under title I, IV-A, X, XIV or XVI (AABD) of the Social Security Act must provide for such methods of administration as are found by the Secretary to be necessary for the proper and efficient operation of the plan.

§ 205.32 Procedures for issuance of replacement checks.

(a) *State plan requirements.* A State plan under title IV-A of the Social Security Act shall provide that (1) procedures are in effect to ensure that no undue delays occur in issuing a replacement check; and (2) when applicable, prior to the issuance of a replacement check, the State agency must:

(i) Issue a stop payment order on the original AFDC check through appropriate banking procedures; and

(ii) Require recipients to execute a signed statement attesting to the non-receipt, loss, or theft of the original FDC check. However, if obtaining such

a statement from the recipient will cause the issuance of the check to be unduly delayed, the statement may be obtained within a reasonable time after the check is issued.

(b) *State option.* A State plan may provide that as a condition for issuance of a replacement check, a recipient is required to report a lost or stolen AFDC check to the police or other appropriate authorities. Under this provision, the State agency may require that the recipient verify that a report was made to the police or other appropriate authorities and, if so, the agency will establish procedures for such verification.

§ 205.35 Mechanized claims processing and information retrieval systems; definitions.

Section 205.35 through 205.38 contain State plan requirements for an automated statewide management information system, conditions for FFP and responsibilities of the Administration for Children and Families (ACF). For purposes of §§ 205.35 through 205.38:

(a) *A mechanized claims processing and information retrieval system*, hereafter referred to as an automated *application processing and information retrieval system* (APIRS), or the *system*, means a system of software and hardware used:

(1) To introduce, control and account for data items in providing public assistance under the Aid to Families with Dependent Children (AFDC) State plan; and

(2) To retrieve and produce utilization and management information about such aid and services as required by the single State agency and Federal government for program administration and audit purposes.

(b) *Planning* means:

(1) The preliminary project activity to determine the requirements necessitating the project, the activities to be undertaken, and the resources required to complete the project;

(2) The preparation of an APD;

(3) The preparation of a detailed project plan describing when and how the computer system will be designed and developed; and

(4) The preparation of a detailed implementation plan describing specific

§ 205.36

training, testing, and conversion plans to install the computer system.

(c) The following terms are defined at 45 CFR part 95, subpart F, § 95.605:

Annually updated advance automatic data processing planning document;
Design or System Design;
Development;
Initial advance automatic data processing planning document;
Installation;
Operation; and
Software.

§ 205.36 State plan requirements.

A State plan under title IV-A of the Social Security Act shall, at the option of the State, provide for the establishment and operation, in accordance with an (initial and annually updated) advance automated data processing planning document approved by SSA, of an automated statewide management information system designed effectively and efficiently, to assist management in the administration of an approved AFDC State plan. The submission process to amend the State plan is explained in § 201.3. This system must be designed:

(a) To automatically control and account for—

(1) All the factors in the total eligibility determination process under the plan for aid, including but not limited to:

(i) Identifiable correlation factors (such as social security numbers, names, dates of birth, home addresses, and mailing addresses (including postal ZIP codes), of all applicants and recipients of AFDC and the relative with whom any child who is an applicant or recipient is living).

(A) To assure sufficient compatibility among the systems of different jurisdictions, and

(B) To permit periodic screening to determine whether an individual is or has been receiving benefits from more than one jurisdiction.

(ii) Checking records of applicants and recipients of such aid on a periodic basis with other agencies, both intra and inter-state, for eligibility determination, verification and payment as

45 CFR Ch. II (10–1–03 Edition)

required by other provisions of the Social Security Act.

(2) The costs, quality, and delivery of funds and services furnished to applicants for and recipients of such aid.

(b) To notify the appropriate State officials of child support, food stamp, social service, and medical assistance programs approved under title XIX whenever a case/recipient for aid and services becomes ineligible or the amount of aid or services is changed.

(c) To electronically refer and exchange information with programs under titles IV-D and IV-F for purposes of assuring that benefits and services are provided in an integrated manner.

(d) To provide for security against unauthorized access to, or use of, the data in the system.

[51 FR 13006, Apr. 17, 1986, as amended at 57 FR 47002, Oct. 14, 1992]

§ 205.37 Responsibilities of the Administration for Children and Families (ACF).

(a) ACF shall not approve the initial and annually updated advance automatic data processing planning document unless the document, when implemented, will carry out the requirements of the law and the objectives of title IV-A (AFDC) Automated Application Processing and Information Retrieval System Guide. The initial advance automatic data processing planning document must include:

(1) A requirements analysis, including consideration of the program mission, functions, organization, services, constraints and current support relating to such system;

(2) A description of the proposed statewide management system, including the description of information flows, input data formats, output reports and uses;

(3) The security and interface requirements to be employed in such statewide management system;

(4) A description of the projected resource requirements including staff and other needs; and the resources available or expected to be available to meet these requirements;

(5) A cost benefit analysis of alternative systems designs, data processing services and equipment in terms of qualitative and quantitative measures.

The alternative systems considered should include the advantages of the proposed system over the alternatives and should indicate the period of time the system will be operated to justify the funds invested. ACF certified systems that are already in place in other States must be included in the alternatives to be considered and evaluated;

(6) A plan for distribution of costs, containing the basis for rates, both direct and indirect, to be in effect under such a statewide management system;

(7) An implementation plan with charts of development events, testing description, proposed acceptance criteria, and backup and fallback procedures to handle possible failure of a system; and

(8) Evidence that the State's system will be compatible with those of the FSA to facilitate the exchange of data between the State and Federal system.

(b) ACF shall on a continuing basis, review, assess, and inspect the planning, design, and operation of, statewide management information systems, with a view to determining whether, and to what extent, these systems meet and continue to meet the requirements under these regulations.

(c) If ACF finds that any statewide management information system referred to in § 205.38 fails to comply substantially with criteria, requirements, and other undertakings prescribed by the approved advance automatic data processing planning document, approval of such document shall be suspended. The State will be given written notice of the suspension. The notice of suspension will state the reason for the suspension, whether the suspended system complies with the criteria for 50 percent FFP under 45 CFR part 95, the actions required for future Federal funding, and the effective date of the suspension. The suspension shall be effective as of the date that the system failed to comply substantially with the approved APD. The suspension shall remain in effect until ACF makes a determination that such system complies with prescribed criteria, requirements, and other undertakings for future Federal funding. Should a State cease development of their approved system, either by voluntary withdrawal or as a result of Federal suspension, all Fed-

eral incentive funds invested to date that exceed the normal administrative FFP rate (50 percent) will be subject to recoupment.

(d) ACF shall provide technical assistance to States as is deemed necessary to assist States to plan, design, develop, or install and provide for the security of the management information systems.

(e) Approvals of the systems by ACF under the provisions of this section will be undertaken only as a result of State applications for increased matching. The requirements of 45 CFR part 95, subpart E and subpart F apply.

[51 FR 13006, Apr. 17, 1986, as amended at 53 FR 36579, Sept. 21, 1988; 55 FR 4379, Feb. 7, 1990; 56 FR 1493, Jan. 15, 1991; 59 FR 30709, June 15, 1994]

§ 205.38 Federal financial participation (FFP) for establishing a statewide mechanized system.

(a) Effective July 1, 1981 through March 31, 1994, FFP is available at 90 percent of expenditures incurred for planning, design, development or installation of a statewide automated application processing and information retrieval system which are consistent with an approved ADP. (Beginning April 1, 1994 the match rate available for development of title IV-A automated systems is 50 percent.) The 90 percent FFP includes the purchase or rental of computer equipment and software directly required for and used in the operation of this system.

(b) ACF will approve the system provided the following conditions are met—

(1) ACF determines that the system is likely to provide more efficient, economical, and effective administration of the AFDC program.

(2) The system is compatible with the claims processing and information retrieval systems used in the administration of State plans approved under title XIX, and State programs where there is FFP under title XX.

(3) The system meets the requirements referred to in § 205.36.

(4) The system meets criteria established in the title IV-A (AFDC) Automated Application Processing and Information Retrieval System Guide

§ 205.44

issued by ACF and which provides specific standard requirements for major functions, such as automated eligibility determination, grant computation, verification, referral, management control, compability, and data security.

(5) The State agency certifies that—

(i) The State will have all ownership rights in software or modifications thereof and associated documentation designed or developed with 90 percent FFP under this section, except that the Department of Health and Human Services reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use for Federal government purposes, such software, modifications, and documentation;

The State agency may accept as verified a social security number provided directly to the State agency by SSA or by another Federal or federally-assisted benefit program which has received the number from SSA or has submitted it to SSA for verification.

§ 205.56 Requirements governing the use of income and eligibility information.

A State plan under title I, IV-A, X, XIV, or XVI (AABD) of the Social Security Act must provide that:

(a) The State agency will use the information obtained under § 205.55, in conjunction with other information, for:

(1) Determining individuals' eligibility for assistance under the State plan and determining the amount of assistance. States wishing to exclude categories of information items from follow-up must submit for the Secretary's approval a follow-up plan describing the categories of information items which it proposes to exclude. For each category, the State must provide a reasonable justification that follow-up is not cost-effective. A formal cost-benefit analysis is not required. A State may exclude information items from the following data sources without written justification if followed up previously from another source: Unemployment compensation information received from the Internal Revenue Service, and earnings information received from the Social Security Administration. Information items in these categories which are not duplicative, but provide new leads, may not be excluded without written justification. A State may submit a follow-up plan or alter its plan at any time by notifying the Secretary and submitting the necessary justification. The Secretary will approve or disapprove categories of information items to be excluded under the plan within 60 days of its submission. Those categories approved by the Secretary will constitute an approved State follow-up plan for IEVS. For those information items not excluded from follow-up,

(i) The State agency shall review and compare the information obtained from each data exchange against information contained in the case record to determine whether it affects the applicant's or the recipient's eligibility or the amount of assistance.

(ii) The State agency shall verify that the information is accurate and applicable to case circumstances either through the applicant or recipient or through a third party, if such verification is determined appropriate based on agency experience or is required under paragraph (b) of this section.

(iii) For applicants, if the information is received during the application

period, the State agency shall use such information, to the extent possible, in making the eligibility determination.

(iv) For individuals who are recipients when the information is received or for whom a decision could not be made prior to authorization of benefits, the State agency shall within forty-five (45) days of its receipt, initiate a notice of case action or an entry in the case record that no case action is necessary, except that: Completion of action may be delayed beyond forty-five (45) days on no more than twenty (20) percent of the information items targeted for follow-up, if:

(A) The reason that the action cannot be completed within forty-five (45) days is the nonreceipt of requested third-party verification; and

(B) Action is completed promptly, when third party verification is received or at the next time eligibility is redetermined, whichever is earlier. If action is completed when eligibility is redetermined and third party verification has not been received, the State agency shall make its decision based on information provided by the recipient and any other information in its possession.

(v) The State agency shall use appropriate procedures to monitor the timeliness requirements specified in this subparagraph;

(2) Investigations to determine whether recipients received assistance under the State plan to which they were not entitled; and

(3) Criminal or civil prosecutions based on receipt of assistance under the State plan to which recipients were not entitled.

(b)(1) State agencies shall not take any adverse action to terminate, deny, suspend or reduce benefits to an applicant or recipient, based on information produced by a Federal computer matching program that is subject to the requirements in the Computer Matching and Privacy Protection Act (CMPPA) unless (i) The information has been independently verified in accordance with the independent verification requirements set out in the State agency's written agreement as required by §205.58 or (ii) The independent verification requirement has

been waived by the Department's Data Integrity Board.

(2) The CMPPA defines a matching program as any computerized comparison of (i) Two or more automated systems of records or a system of records with non-Federal records for the purpose of (A) Establishing or verifying the eligibility of, or continuing compliance with statutory and regulatory requirements by, applicants for, recipients or beneficiaries of, participants in, or providers of services with respect to, cash or in-kind assistance or payments under Federal benefit programs, or (B) Recouping payments or delinquent debts under such Federal benefit programs, or (ii) Two or more automated Federal personnel or payroll system of records or a system of Federal personnel or payroll record with non-Federal records.

(c) If the agency intends to reduce, suspend, terminate or deny benefits as a result of the actions taken pursuant to this section, the agency must provide notice and the opportunity for a fair hearing in accordance with §205.10(a).

§205.57 Maintenance of a machine readable file; requests for income and eligibility information.

A State plan under title I, IV—A, X, XIV, or XVI (AABD) of the Social Security Act must provide that:

(a) The State agency will maintain a file which is machine readable, i.e., which is maintained in a fashion that permits automated processing, and which contains the first and last name and verified social security number of each person applying for or receiving assistance under the plan.

(b) The State agency will use this file to exchange data with other agencies pursuant to §205.55.

Security Act must provide that, in carrying out the requirements of §§ 205.55 and 205.56, the State agency will enter into specific written agreements as described in paragraph (b) of this section with those agencies providing income and eligibility information. Agreements with Federal agencies are subject to the approval by the appropriate Federal Data Integrity Boards. The agreements will contain the procedure to be used in requesting and providing information.

(b) These agreements will include, but need not be limited to, the following:

- (1) Purpose of the request;
- (2) Identification of all agency officials, by position with authority to request information;
- (3) Methods and timing of the requests for information, including the machine readable format to be used, the period of time needed to furnish the requested information and the basis for establishing this period. Agreements with the SWICA and the agency administering the Unemployment Compensation program in the State must provide that the State agency shall obtain information no less frequently than twice monthly;
- (4) The type of information and reporting periods for which information will be provided and the verification methodologies to be used;
- (5) Safeguards limiting release or redisclosure as required by Federal or State law or regulation, including the requirements of § 205.50 and as may be required by guidelines issued by the Secretary; and
- (6) Reimbursement, if any, for the costs of furnishing the information requested by the State agency, including new developmental costs associated with furnishing such information.

The records will include information concerning the date of application and the date and basis of its disposition; facts essential to the determination of initial and continuing eligibility (including the individual's social security number, need for, and provision of financial assistance); and the basis for discontinuing assistance.

(b) The agency shall report as the Secretary prescribes for the purpose of determining compliance with the requirements of §§ 205.55 and 205.56 and for evaluating the effectiveness of the Income and Eligibility Verification System.

(b)(1) A current copy of such material will be made available without charge or at a charge related to the cost of reproduction for access by the public through custodians who (i) request the material for this purpose, (ii) are centrally located and publicly accessible to a substantial number of the recipient population they serve, and (iii)

PART 206—APPLICATION, DETERMINATION OF ELIGIBILITY AND FURNISHING ASSISTANCE—PUBLIC ASSISTANCE PROGRAMS

AUTHORITY: Sections 402 and 1102 of the Social Security Act (42 U.S.C. 602 and 1302) and Pub. L. No. 97-248, 96 Stat. 324, and Pub. L. No. 99-603, 100 Stat. 3359.

§ 206.10 Application, determination of eligibility and furnishing of assistance.

(a) *State plan requirements.* A State plan under title I, IV-A, X, XIV, or XVI(AABD), of that Social Security Act shall provide that:

(1) Each individual wishing to do so shall have the opportunity to apply for assistance under the plan without delay. Under this requirement:

(i) Each individual may apply under whichever of the State plan plans he chooses;

(ii) The agency shall require a written application, signed under a penalty of perjury, on a form prescribed by the State agency, from the applicant himself, or his authorized representative, or, where the applicant is incompetent or incapacitated, someone acting responsibly for him. When an individual is required to be included in an existing assistance unit pursuant to paragraph

§ 206.10

45 CFR Ch. II (10–1–03 Edition)

(a)(1)(vii), such individual will be considered to be included in the application, as of the date he is required to be included in the assistance unit;

(iii) An applicant may be assisted, if he so desires, by an individual(s) of his choice (who need not be a lawyer) in the various aspects of the application process and the redetermination of eligibility and may be accompanied by such individual(s) in contacts with the agency and when so accompanied may also be represented by them.

(iv)–(v) [Reserved]

(vi) Every recipient in a State which provides a supplemental payment under § 233.27 of this chapter shall have an opportunity to request that payment without delay.

(vii) For AFDC only, in order for the family to be eligible, an application with respect to a dependent child must also include, if living in the same household and otherwise eligible for assistance:

(A) Any natural or adoptive parent, or stepparent (in the case of States with laws of general applicability); and

(B) Any blood-related or adoptive brother or sister; *Exception:* needs and income of disqualified alien siblings, pursuant to § 233.50(c), are not considered in determining the eligibility and payment of an otherwise eligible dependent child.

(2)(i) Applicants shall be informed about the eligibility requirements and their rights and obligations under the program. Under this requirement individuals are given information in written form, and orally as appropriate, about coverage, conditions of eligibility, scope of the program, and related services available, and the rights and responsibilities of applicants for and recipients of assistance. Specifically developed bulletins or pamphlets explaining the rules regarding eligibility and appeals in simple, understandable terms are publicized and available in quantity.

(ii) Procedures shall be adopted which are designed to assure that recipients make timely and accurate reports of any change in circumstances which may affect their eligibility or the amount of assistance.

(iii) All applicants for and recipients of assistance shall be notified in writ-

ing at the time of application and on redetermination that eligibility and income information will be regularly requested from agencies specified in § 205.55 and will be used to aid in determining their eligibility for assistance.

(3) A decision shall be made promptly on applications, pursuant to reasonable State-established time standards not in excess of:

(i) 45 days for OAA, AFDC, AB, AABD (for aged and blind); and

(ii) 60 days for APTD, AABD (for disabled). Under this requirement, the applicant is informed of the agency's time standard in acting on applications which covers the time from date of application under the State plan to the date that the assistance check, or notification of denial of assistance or change of award is mailed to the applicant or recipient. The State's time standards apply except in unusual circumstances (e.g., where the agency cannot reach a decision because of failure or delay on the part of the applicant or an examining physician, or because of some administrative or other emergency that could not be controlled by the agency), in which instances the case record shows the cause for the delay. The agency's standards of promptness for acting on applications or redetermining eligibility shall not be used as a waiting period before granting aid, or as a basis for denial of an application or for terminating assistance.

(4) Adequate notice shall be sent to applicants and recipients to indicate that assistance has been authorized (including the amount of financial assistance) or that it has been denied or terminated. Under this requirement, adequate notice means a written notice that contains a statement of the action taken, and the reasons for and specific regulations supporting such action, and an explanation of the individual's right to request a hearing.

(5)(i) Financial assistance and medical care and services included in the plan shall be furnished promptly to eligible individuals without any delay attributable to the agency's administrative process, and shall be continued regularly to all eligible individuals until they are found to be ineligible. Under this requirement there must be

arrangements to assist applicants and recipients in obtaining medical care and services in emergency situations on a 24-hour basis, 7 days a week.

(ii) Assistance will not be denied, delayed, or discontinued pending receipt of income or other information requested under §205.55, if other evidence establishes the individual's eligibility for assistance.

(6) Assistance shall begin as specified in the State plan, which:

(i) For financial assistance.

(A) Must be no later than:

(1) The date of authorization of payment, or

(2) Thirty days in OAA, AFDC, AB, and AABD (as to the aged and blind), and 60 days in APTD and AABD (as to the disabled), from the date of receipt of a signed and completed application form, whichever is earlier: *Provided*, That the individuals then met all the eligibility conditions, and

(B) For purposes of Federal financial participation in OAA, AB, APTD, and AABD, may be as early as the first of the month in which an application has been received and the individual meets all the eligibility conditions; and

(C) In AFDC, for purposes of Federal financial participation, may be as early as the date of application provided that the assistance unit meets all the eligibility conditions; and

(D) In AFDC, States that pay for the month of application must prorate the payment for that month by multiplying the amount payable if payment were made for the entire month including special needs in accordance with §233.34 by the ratio of the days in the month including and following the date of application (or, at State option, the date of authorization of payment) to the total number of days in such month. The State plan may provide for using a standard 30-day month to determine the prorated amount.

(7) In cases of proposed action to terminate, discontinue, suspend or reduce assistance, the agency shall give timely and adequate notice. Such notice shall comply with the provisions of §205.10 of this chapter.

(8) Each decision regarding eligibility or ineligibility will be supported by facts in the applicant's or recipient's case record. Under this requirement

each application is disposed of by a finding of eligibility or ineligibility unless:

(i) The applicant voluntarily withdraws his application, and there is an entry in the case record that a notice has been sent to confirm the applicant's notification to the agency that he does not desire to pursue his application; or

(ii) There is an entry in the case record that the application has been disposed of because the applicant died or could not be located.

(9) Where an individual has been determined to be eligible, eligibility will be reconsidered or redetermined:

(i) When required on the basis of information the agency has obtained previously about anticipated changes in the individual's situation;

(ii) Promptly, after a report is obtained which indicates changes in the individual's circumstances that may affect the amount of assistance to which he is entitled or may make him ineligible; and

(iii) Periodically, within agency established time standards, but not less frequently than every 12 months in OAA, AB, APTD, and AABD, on eligibility factors subject to change. For recipients of AFDC, all factors of eligibility will be redetermined at least every 6 months except in the case of monthly reporting cases or cases covered by an approved error-prone profiling system as specified in paragraph (a)(9)(iv) of this section. Under the AFDC program, at least one face-to-face redetermination must be conducted in each case once in every 12 months.

(iv) In accordance with paragraph (a)(9)(iii) of this section, under an alternative redetermination plan based on error-prone profiling, which has been approved by the Secretary, and includes:

(A) A description of the statistical methodology used to develop the error-prone profile system upon which the redetermination schedule is based;

(B) The criteria to be used to vary the scope of review and to assign different types of cases; and

(C) A detailed outline of the evaluation system, including provisions for necessary changes in the error-prone

output, such as types of cases, types of errors, frequencies of redeterminations and corrective action.

(10) Standards and methods for determination of eligibility shall be consistent with the objectives of the programs, and will respect the rights of individuals under the United States Constitution, the Social Security Act, title VI of the Civil Rights Act of 1964, and all other relevant provisions of Federal and State laws.

(11) [Reserved]

(12) The State agency shall establish and maintain methods by which it shall be kept currently informed about local agencies' adherence to the State plan provisions and to the State agency's procedural requirements for determining eligibility, and it shall take corrective action when necessary.

(b) *Definitions.* For purposes of this section:

(1) *Applicant* is a person who has, directly, or through his authorized representative, or where incompetent or incapacitated, through someone acting responsibly for him, made application for public assistance from the agency administering the program, and whose application has not been terminated.

(2) *Application* is the action by which an individual indicates in writing to the agency administering public assistance (on a form prescribed by the State agency) his desire to receive assistance. The relative with whom a child is living or will live ordinarily makes application for the child for AFDC. An application is distinguished from an inquiry, which is simply a request for information about eligibility requirements for public assistance. Such inquiry may be followed by an application. When an individual is required to be included in an existing assistance unit pursuant to paragraph (a)(1)(vii), such individual will be considered to be included in the application, as of the date he is required to be included in the assistance unit.

(3) *Date of Application* is the date on which the action described in paragraph (b)(2) of this section occurs.

(4) *Redetermination* is a review of factors affecting AFDC eligibility and payment amount; e.g. continued absence, income (including child and spousal support), etc.

(5) *Assistance Unit* is the group of individuals whose income, resources and needs are considered as a unit for purposes of determining eligibility and the amount of payment.

§211.2 General.

The Administrator shall make suitable arrangements with agencies to the end that any eligible person will be received, upon request of the Secretary of State, at the port of entry or debarkation upon arrival in the United States from a foreign country and be provided, to the extent necessary, with temporary care, treatment, and assistance, pending transfer and release or hospitalization pursuant to the Act. The Administrator shall also make suitable arrangements with appropriate divisions of the Public Health Service, with Saint Elizabeths Hospital in the District of Columbia, with Federal hospitals outside of the Department, or with other public or private hospitals to provide the eligible person

with care and treatment in a hospital. The Administrator shall maintain a roster setting forth the name and address of each eligible person currently receiving care and treatment, or assistance, pursuant to the Act.

§211.3 Certificates.

The following certificates are necessary to establish that an individual is an eligible person:

(a) *Certificates as to nationality.* A certificate issued by an authorized official of the Department of State, stating that the individual is a national of the United States.

(b) *Certificate as to mental condition.* Either (1) a certificate obtained or transmitted by an authorized official of the Department of State that the individual has been legally adjudged insane in a named foreign country; or (2) a certificate of an appropriate authority or person stating that at the time of such certification the individual was in a named foreign country and was in need of care and treatment in a mental hospital. §211.5 Action under State law; appointment of guardian.

Whenever an eligible person is incapable of giving his consent to care and treatment in a hospital, either because of his mental condition or because he is a minor, the agency will take appropriate action under State law, including, if necessary, procuring the appointment of a legal guardian, to ensure the proper planning for and provision of such care and treatment.

§211.6 Reception; temporary care, treatment, and assistance.

(a) *Reception.* The agency will meet the eligible person at the port of entry or debarkation, will arrange for appropriate medical examination, and will plan with him, in cooperation with his legal guardian, or, in the absence of such a guardian, with other interested persons, if any, for needed temporary care and treatment.

(b) *Temporary care, treatment, and assistance.* The agency will provide for temporary care, treatment, and assistance, as reasonably required for the health and welfare of the eligible person. §211.7 Transfer and release of eligible person.

(a) *Transfer and release to relative.* If at the time of arrival from a foreign country or any time during temporary or continuing care and treatment the Administrator finds that the best interests of the eligible person will be served thereby, and a relative, having been fully informed of his condition, agrees in writing to assume responsibility for his care and treatment, the Administrator shall transfer and release him to such relative. In determining whether his best interest will be served by such transfer and release, due weight shall be given to the relationship of the individuals involved, the financial ability of the relative to provide for such person, and the accessibility to necessary medical facilities.

(a) *Authorization and arrangements.* In the event that appropriate arrangements for an eligible person in need of continuing care and treatment in a hospital cannot be accomplished under §211.7, or until such arrangements can be made, care and treatment shall be provided by the Administrator in Saint Elizabeths Hospital in the District of Columbia, in an appropriate Public

Health Service Hospital, or in such other suitable public or private hospital as the Administrator determines is in the best interests of such person.

(b) *Transfer to other hospital.* At any time during continuing hospitalization, when the Administrator deems it to be in the interest of the eligible person or of the hospital affected, the Administrator shall authorize the transfer of such person from one hospital to another and, where necessary to that end, the Administrator shall authorize the initiation of judicial proceedings for the purpose of obtaining a commitment of such person to the Secretary.

(c) *Place of hospitalization.* In determining the placement or transfer of an eligible person for purposes of hospitalization, due weight shall be given to such factors as the location of the eligible person's legal guardian or family, the character of his illness and the probable duration thereof, and the facilities of the hospital to provide care and treatment for the particular health needs of such person.

§211.9 Examination and reexamination.

Following admission of an eligible person to a hospital for temporary or continuing care and treatment, he shall be examined by qualified members of the medical staff as soon as practicable, but not later than the fifth day after his admission. §211.10 Termination of hospitalization.

(a) *Discharge or conditional release.* If, following an examination, the head of the hospital finds that the eligible person hospitalized for mental illness (whether or not pursuant to a judicial commitment) is not in need of such hospitalization, he shall be discharged. In the case where hospitalization was pursuant to a judicial commitment, the head of the hospital may, in accordance with laws governing hospitalization for mental illness as may be in force and generally applicable in the State in which the hospital is lo-

cated, conditionally release him if he finds that this is in his best interests.

(b) *Notification to committing court.* In the case of any person hospitalized under §211.8 who has been judicially committed to the custody of the Secretary, the Secretary will notify the committing court in writing of the discharge or conditional release of such person under this section or of his transfer and release under §211.7.

§211.11 Request for release from hospitalization.

If an eligible person who is hospitalized pursuant to the Act, or his legal guardian, spouse, or adult next of kin, requests his release, such request shall be granted by the Administrator if his best interests will be served thereby, or by the head of the hospital if he is found not to be in need of hospitalization by reason of mental illness. The right of the administrator or the head of the hospital, to refuse such request and to detain him for care and treatment shall be determined in accordance with laws governing the detention, for care and treatment, of persons alleged to be mentally ill as may be in force and applicable generally in the State in which such hospital is located, but in no event shall the patient be detained more than forty-eight hours (excluding any period of time falling on a Sunday or a legal holiday observed by the courts of the State in which such hospital is located) after the receipt of such request unless within such time

(a) judicial proceedings for such hospitalization are commenced or (b) a judicial extension of such time is obtained, for a period of not more than five days, for the commencement of such proceedings.

§211.12 Federal payments.

The arrangements made by the Administrator with an agency or hospital for carrying out the purposes of the Act shall provide for payments to such agency or hospital, either in advance or by way of reimbursement, of the costs of reception, temporary care, treatment, and assistance, continuing

care and treatment, and transportation, pursuant to the Act, and payments for other expenditures necessarily and reasonably related to providing the same. Such arrangements shall include the methods and procedures for determining the amounts of the advances or reimbursements, and for remittance and adjustment thereof.

§211.13 Financial responsibility of the eligible person; collections, compromise, or waiver of payment.

(a) *For temporary care and treatment.* If an eligible person receiving temporary care, treatment, and assistance, pursuant to the Act, has financial resources available to pay all or part of the costs of such care, the Administrator shall require him to pay for such costs, either in advance or by way of reimbursement, unless in his judgment it would be inequitable or impracticable to require such payment.

(b) *For continuing care and treatment.* Any eligible person receiving continuing care and treatment in a hospital, or his estate, shall be liable to pay or contribute toward the payment of the costs or charges therefor, to the same extent as such person would, if a resident of the District of Columbia, be liable to pay, under the laws of the District of Columbia, for his care and maintenance in a hospital for the mentally ill in that jurisdiction.

(c) *Collections, compromise, or waiver of payment.* The Administrator may, in his discretion, where in his judgment substantial justice will be best served thereby or the probable recovery will not warrant the expense of collection, compromise, or waive the whole or any portion of, any claim for continuing care and treatment, and assistance, and in the process of arriving at such decision, the Administrator may make or cause to be made such investigations as may be necessary to determine the ability of the patient to pay or contribute toward the cost of his continuing care and treatment in a hospital.

§211.14 Disclosure of information.

(a) No disclosure of any information of a personal and private nature with respect to an individual obtained at any time by any person, organization,

or institution in the course of discharging the duties of the Secretary under the Act shall be made except insofar:

(1) As the individual or his legal guardian, if any (or, if he is a minor, his parent or legal guardian), shall consent;

(2) As disclosure may be necessary to carry out any functions of the Secretary under the Act;

(3) As disclosure may be directed by the order of a court of competent jurisdiction;

(4) As disclosure may be necessary to carry out any functions of any agency of the United States which are related to the return of the individual from a foreign country, or his entry into the United States; or

(5) As expressly authorized by the Administrator.

(b) An agreement made with an agency or hospital for care, treatment, and assistance pursuant to the Act shall provide that no disclosure will be made of any information of a personal and private nature received by such agency or hospital in the course of discharging the duties under such agreement except as is provided therein, or is otherwise specifically authorized by the Administrator.

(c) Nothing in this section shall preclude disclosure, upon proper inquiry, of information as to the presence of an eligible person in a hospital, or as to his general condition and progress.

§211.15 Nondiscrimination.

(a) No eligible person shall, on the ground of race, color, or national origin, be excluded from participation, be denied any benefits, or otherwise be subjected to discrimination of any nature or form in the provision of any benefits, under the Act.

(b) The prohibition in paragraph (a) of this section precludes discrimination either in the selection of individuals to receive the benefits, in the scope of benefits, or in the manner of providing them. It extends to all facilities and services provided by the Administrator or an agency to an individual, and to the arrangements and the procedures under this part relating thereto, in connection with reception,

temporary care, treatment, and assistance, and continuing hospitalization under the Act.

In such cases temporary assistance may be extended upon prior authorization by the Administration for nine additional months.

[39 FR 26548, July 19, 1974, as amended at 40 FR 43218, Sept. 19, 1975; 53 FR 36580, Sept. 21, 1988]

(d) A determination that an individual is required to repay any or all of the cost of temporary assistance may be reconsidered at any time prior to repayment of the required amount. A further determination shall be made with respect to his liability to repay the balance of such amount on the basis of new evidence as to whether (1) he has, or is expected within a reasonable time to have, income and financial resources sufficient for more than ordinary needs, or (2) recovery would be against equity and good conscience.

§ 212.8 Federal payments.

Such agreement shall include the cost of other expenditures necessarily and reasonably related to providing the same. Such requests should include a description of the activities to be undertaken, an estimate of the expenses and a rationale for the expenditures. In reviewing requests, the Assistant Secretary will consider the necessity and reasonableness of the costs. Prior approval is not required for administrative expenditures incurred by a State in imple-

menting approved repatriation plans as a result of Federal notification that an evacuation may be necessary.

**Subpart B—Preliminary Matters—
Notice and Parties**

§ 213.11 Notice of hearing or opportunity for hearing.

Proceedings are commenced by mailing a notice of hearing or opportunity for hearing from the Administrator to the State. The notice shall state the time and place for the hearing, and the issues which will be considered, and shall be published in the FEDERAL REGISTER.

§ 213.12 Time of hearing.

The hearing shall be scheduled not less than 30 days nor more than 60 days after the date notice of the hearing is furnished to the State.

§ 213.13 Place.

The hearing shall be held in the city in which the regional office of the Department is located or in such other place as is fixed by the Administrator in light of the circumstances of the case, with due regard for the convenience and necessity of the parties or their representatives.

§ 213.14 Issues at hearing.

(a) The Administrator may, prior to a hearing under § 201.6 (a) or (b) of this chapter, notify the State in writing of additional issues which will be considered at the hearing, and such notice shall be published in the FEDERAL REGISTER. If such notice is furnished to the State less than 20 days before the date of the hearing, the State or any other party, at its request, shall be granted a

postponement of the hearing to a date 20 days after such notice was furnished, or such later date as may be agreed to by the Administrator.

(b) If, as a result of negotiations between the Department and the State, the submittal of a plan amendment, a change in the State program, or other actions by the State, any issue is resolved in whole or in part, but new or modified issues are presented, as specified by the Administrator, the hearing shall proceed on such new or modified issues.

(c)(1) If at any time, whether prior to, during, or after the hearing, the Administrator finds that the State has come into compliance with Federal requirements on any issue, in whole or in part, he shall remove such issue from the proceedings in whole or in part, as may be appropriate. If all issues are removed, he shall terminate the hearing.

(2) Prior to the removal of any issue from the hearing, in whole or in part, the Administrator shall provide all parties other than the Department and the State (see § 213.15(b)) with the statement of his intention, and the reasons therefor, and a copy of the proposed State plan provision on which the State and he have settled, and the parties shall have opportunity to submit in writing within 15 days, for the Administrator's consideration and for the record, their views as to, or any information bearing upon, the merits of the proposed plan provision and the merits of the Administrator's reasons for removing the issue from the hearing.

(d) The issues considered at the hearing shall be limited to those issues of which the State is notified as provided in § 213.11 and paragraph (a) of this section, and new or modified issues described in paragraph (b) of this section, and shall not include issues or parts of issues removed from the proceedings pursuant to paragraph (c) of this section.

§ 213.15 Request to participate in hearing.

(a) The Department and the State are parties to the hearing without making a specific request to participate.

(b)(1) Other individuals or groups may be recognized as parties, if the

§ 213.21

issues to be considered at the hearing have caused them injury and their interest is within the zone of interests to be protected by the governing Federal statute.

(2) Any individual or group wishing to participate as a party shall file a petition with the FSA Hearing Clerk within 15 days after notice of the hearing has been published in the FEDERAL REGISTER, and shall serve a copy on each party of record at that time, in accordance with § 213.5(b). Such petition shall concisely state (i) petitioner's interest in the proceeding, (ii) who will appear for petitioner, (iii) the issues on which petitioner wishes to participate, and (iv) whether petitioner intends to present witnesses.

(3) Any party may, within 5 days of receipt of such petition, file comments thereon.

(4) The presiding officer shall promptly determine whether each petitioner has the requisite interest in the proceedings and shall permit or deny participation accordingly. Where petitions to participate as parties are made by individuals or groups with common interests, the presiding officer may request all such petitioners to designate a single representative, or he may recognize one or more of such petitioners to represent all such petitioners. The presiding officer shall give each petitioner written notice of the decision on his petition, and if the petition is denied, he shall briefly state the grounds for denial.

(c)(1) Any interested person or organization wishing to participate as amicus curiae shall file a petition with the FSA Hearing Clerk before the commencement of the hearing. Such petition shall concisely state (i) the petitioner's interest in the hearing, (ii) who will represent the petitioner, and (iii) the issues on which petitioner intends to present argument. The presiding officer may grant the petition if he finds that the petitioner has a legitimate interest in the proceedings, that such participation will not unduly delay the outcome and may contribute materially to the proper disposition of the issues. An amicus curiae is not a party but may participate as provided in this paragraph.

45 CFR Ch. II (10–1–03 Edition)

(2) An amicus curiae may present a brief oral statement at the hearing, at the point in the proceedings specified by the presiding officer. He may submit a written statement of position to the presiding officer prior to the beginning of a hearing, and shall serve a copy on each party. He may also submit a brief or written statement at such time as the parties submit briefs, and shall serve a copy on each party.

(b) The presiding officer does not have authority to compel by subpoena the production of witnesses, papers, or other evidence.

(c) If the presiding officer is a hearing examiner, his authority pertains to the issues of compliance by a State with Federal requirements which are to be considered at the hearing, and does not extend to the question of whether, in case of any noncompliance, Federal payments will not be made in respect to the entire State plan or will be limited to categories under or parts of the State plan affected by such noncompliance.

§ 213.23a Discovery.

The Department and any party named in the notice issued pursuant to § 213.11 shall have the right to conduct discovery (including depositions) against opposing parties. Rules 26–37 of the Federal Rules of Civil Procedure shall apply to such proceedings; there will be no fixed rule on priority of discovery. Upon written motion, the Presiding Officer shall promptly rule upon any objection to such discovery action initiated pursuant to this section. The Presiding Officer shall also have the power to grant a protective order or relief to any party against whom discovery is sought and to restrict or control discovery so as to prevent undue delay in the conduct of the hearing. Upon the failure of any party to make discovery, the Presiding Officer may, in his discretion, issue any order and impose any sanction (other than contempt orders) authorized by Rule 37 of the Federal Rules of Civil Procedure.

[40 FR 50272, Oct. 29, 1975]

§ 213.24 Evidentiary purpose.

The hearing is directed to receiving factual evidence and expert opinion testimony related to the issues in the proceeding. Argument will not be received in evidence; rather it should be presented in statements, memoranda, or briefs, as determined by the presiding officer. Brief opening statements, which shall be limited to statement of the party's position and what he intends to prove, may be made at hearings.

§ 213.25 Evidence.

(a) *Testimony.* Testimony shall be given orally under oath or affirmation by witnesses at the hearing. Witnesses shall be available at the hearing for cross-examination by all parties.

(b) *Stipulations and exhibits.* Two or more parties may agree to stipulations of fact. Such stipulations, or any exhibit proposed by any party, shall be exchanged at the prehearing conference or otherwise prior to the hearing if the presiding officer so requires.

§ 213.26

A witness may be cross-examined on any matter material to the proceeding without regard to the scope of his direct examination. The presiding officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues.

§ 213.26 Exclusion from hearing for misconduct.

Disrespectful, disorderly, or contumacious language or contemptuous conduct, refusal to comply with directions, or continued use of dilatory tactics by any person at the hearing before a presiding officer shall constitute grounds for immediate exclusion of such person from the hearing by the presiding officer.

§ 213.27 Unsponsored written material.

Letters expressing views or urging action and other unsponsored written material regarding matters in issue in a hearing will be placed in the correspondence section of the docket of the proceeding. These data are not deemed part of the evidence or record in the hearing.

§ 213.28 Official transcript.

The Department will designate the official reporter for all hearings. The official transcripts of testimony taken, together with any stipulations, exhibits, briefs, or memoranda of law filed therewith shall be filed with the Department. § 233.10 General provisions regarding coverage and eligibility.

(a) *State plan requirements.* A State plan under title I, IV-A, X, XIV, or XVI, of the Social Security Act must:

(1) Specify the groups of individuals, based on reasonable classifications, that will be included in the program, and all the conditions of eligibility that must be met by the individuals in the groups. The groups selected for inclusion in the plan and the eligibility conditions imposed must not exclude individuals or groups on an arbitrary or unreasonable basis, and must not result in inequitable treatment of individuals or groups in the light of the provisions and purposes of the public assistance titles of the Social Security Act. Under this requirement:

(i) A State shall impose each condition of eligibility required by the Social Security Act; and

(ii) A State may:

(A) Provide more limited public assistance coverage than that provided by the Act only where the Social Security Act or its legislative history authorizes more limited coverage;

(B) Impose conditions upon applicants for and recipients of public assistance which, if not satisfied, result in the denial or termination of public assistance, if such conditions assist the State in the efficient administration of its public assistance programs, or fur-

ther an independent State welfare policy, and are not inconsistent with the provisions and purposes of the Social Security Act.

(iii) There must be clarity as to what groups are included in the plan, and which are within, and which are outside, the scope of Federal financial participation.

(iv) Eligibility conditions must be applied on a consistent and equitable basis throughout the State.

(v) A plan under title XVI must have the same eligibility conditions and other requirements for the aged, blind, and disabled, except as otherwise specifically required or permitted by the Act.

(vi) Eligibility conditions or agency procedures or methods must not preclude the opportunity for an individual to apply and obtain a determination of eligibility or ineligibility.

(vii) Methods of determining eligibility must be consistent with the objective of assisting all eligible persons to qualify.

(2) Provide that the State agency will establish methods for identifying the expenditures for assistance for any groups included in the plan for whom Federal financial participation in assistance may not be claimed.

(3) In addition, a State plan under title IV-A, X, XIV, or XVI of the Act, must: Provided that no aid or assistance will be provided under the plan to an individual with respect to a period for which he is receiving aid or assistance under a State plan approved under any other of such titles or under title I of the Act.

(b) *Federal financial participation.* (1) The provisions which govern Federal financial participation in assistance payments are set forth in the Social Security Act, throughout this chapter, and in other policy issuances of the Secretary. Where indicated, State plan provisions are prerequisite to Federal financial participation with respect to the applicable group and payments. State plan provisions on need, the amount of assistance, and eligibility determine the limits of Federal financial participation. Federal financial

§ 233.20

participation is excluded from assistance payments in which the State refuses to participate because of the failure of a local authority to apply such State plan provisions.

(2) The following is a summary statement regarding the groups for whom Federal financial participation is available. (More detailed information is given elsewhere.)

(i) OAA—for needy individuals under the plan who are 65 years of age or older.

(ii) AFDC—for:

(a) Needy children under the plan who are:

(1) Under the age of 18, or age 18 if a full-time student in a secondary school, or in the equivalent level of vocational or technical training, and reasonably expected to complete the program before reaching age 19;

(2) Deprived of parental support or care by reason of the death, continued absence from the home, or physical or mental incapacity of a parent, or unemployment of a principal earner, and

(3) Living in the home of a parent or of certain relatives specified in the Act.

(b) The parent(s) of a dependent child, a caretaker relative (other than a parent) of a dependent child, and, in certain situations, a parent's spouse.

(iii) AB—for needy individual's under the plan who are blind.

(iv) APTD—for needy individuals under the plan who are 18 years of age or older and permanently and totally disabled.

(v) AABD—for needy individuals under the plan who are aged, blind, or 18 years of age or older and permanently and totally disabled.

(3) Federal financial participation is available in assistance payments made for the entire month in accordance with the State plan if the individual was eligible for a portion of the month, provided that the individual was eligible on the date that the payment was made; except that where it has been determined that the State agency had previously denied assistance to which the individual was entitled, Federal financial participation will be provided in any corrective payment regardless of whether the individual is eligible on

45 CFR Ch. II (10–1–03 Edition)

the date that the corrective payment is made.

(4) Federal financial participation is available in assistance payments which are continued in accordance with the State plan, for a temporary period during which the effects of an eligibility condition are being overcome, e.g., blindness in AB, disability in APTD, physical or mental incapacity, continued absence of a parent, or unemployment of a principal earner in AFDC.

(5) Where changed circumstances or a hearing decision makes the individual ineligible for any assistance, or eligible for a smaller amount of assistance than was actually paid, Federal financial participation is available in excess payments to such individuals, for not more than one month following the month in which the circumstances changed or the hearing decision was rendered. Federal financial participation is available where assistance is required to be continued unadjusted because a hearing has been requested.

§ 233.20 Need and amount of assistance.

(a) *Requirements for State Plans.* A State Plan for OAA, AFDC, AB, APTD or AABD must, as specified below:

(1) *General.* (i) Provide that the determination of need and amount of assistance for all applicants and recipients will be made on an objective and equitable basis and all types of income will be taken into consideration in the same way except where otherwise specifically authorized by Federal statute and

(ii) Provide that the needs, income, and resources of individuals receiving SSI benefits under title XVI, individuals with respect to whom Federal foster care payments are made, individuals with respect to whom State or local foster care payments are made, individuals with respect to whom Federal adoption assistance payments are made, or individuals with respect to whom State or local adoption assistance payments are made, for the period for which such benefits or payments

are received, shall not be included in determining the need and the amount of the assistance payment of an AFDC assistance unit; except that the needs, income, and resources of an individual with respect to whom Federal adoption assistance payments are made, or individuals with respect to whom State or local adoption assistance payments are made are included in determining the need and the amount of the assistance payment for an AFDC assistance unit of which the individual would otherwise be regarded as a member where the amount of the assistance payment that the unit would receive would not be reduced by including the needs, income, and resources of such individual. Under this requirement, "individuals receiving SSI benefits under title XVI" include individuals receiving mandatory or optional State supplementary payments under section 1616(a) of the Social Security Act or under section 212 of Public Law 93-66, and "individuals with respect to whom Federal foster care payments are made" means a child with respect to whom Federal foster care maintenance payments under section 472(b) and defined in section 475(4)(A) of title IV-E of the Social Security Act are made, and a child whose costs in a foster family home or child care institution are covered by the Federal foster care maintenance payments made with respect to his or her minor parent under sections 472(h) and 475(4)(B) of title IV-E. "Individuals with respect to whom Federal adoption assistance payments are made" means a child who receives payments made under an approved title IV-E plan based on an adoption assistance agreement between the State and the adoptive parents of a child with special needs, pursuant to sections 473 and 475(3) of the Social Security Act.

(iii) For AFDC, when an individual who is required to be included in the assistance unit pursuant to § 206.10(a)(1)(vii) is also required to be included in another assistance unit, those assistance units must be consolidated, and treated as one assistance unit for purposes of determining eligibility and the amount of payment.

(iv) For AFDC, when a State learns of an individual who is required to be included in the assistance unit after

the date he or she is required to be included in the unit, the State must redetermine the assistance unit's eligibility and payment amount, including the need, income, and resources of the individual. This redetermination must be retroactive to the date that the individual was required to be in the assistance unit either through birth/adoption or by becoming a member of the household. Any resulting overpayment must be recovered or corrective payment made pursuant to § 233.20(a)(13).

(v) In determining need and the amount of payment for AFDC, all income and resources of an individual required to be in the assistance unit, but subject to sanction under § 250.34 or because of an intentional program violation under the optional fraud control program implementing section 416 of the Social Security Act, are considered available to the assistance unit to the same extent that they would be if the person were not subject to a sanction. However, the needs of the sanctioned individual(s) are not considered. In accord with § 250.34(c), if a parent in an AFDC-UP case is sanctioned pursuant to § 233.100(a)(5), the needs of the second parent are not taken into account in determining the family's need for assistance and the amount of the assistance payment unless the second parent is participating in the JOBS program. An individual required to be in an assistance unit pursuant to § 206.10(a)(1)(vii) but who fails to cooperate in meeting a condition of his or her eligibility for assistance is a sanctioned individual whose needs, income, and resources are treated in the manner described above.

(2) *Standards of assistance.* (i) Specify a statewide standard, expressed in money amounts, to be used in determining (a) the need of applicants and recipients and (b) the amount of the assistance payment.

(ii) In the AFDC plan, provide that by July 1, 1969, the State's standard of assistance for the AFDC program will have been adjusted to reflect fully changes in living costs since such standards were established, and any maximums that the State imposes on the amount of aid paid to families will have been proportionately adjusted. In

such adjustment a consolidation of the standard (i.e., combining of items) may not result in a reduction in the content of the standard. In the event the State is not able to meet need in full under the adjusted standard, the State may make ratable reductions in accordance with paragraph (a)(3)(viii) of this section. Nevertheless, if a State maintains a system of dollar maximums these maximums must be proportionately adjusted in relation to the updated standards.

(iii) Provide that the standard will be uniformly applied throughout the State except as provided under § 239.54.

(iv) Include the method used in determining need and the amount of the assistance payment. For AFDC, the method must provide for rounding down to the next lower whole dollar when the result of determining the standard of need or the payment amount is not a whole dollar. Proration under § 206.10(a)(6)(i)(D) to determine the amount of payment for the month of application must occur before rounding to determine the payment amount for that month.

(v) If the State IV-A agency includes special need items in its standard:

(A) Describe those that will be recognized and the circumstances under which they will be included, and

(B) Provide that they will be considered for all applicants and recipients requiring them; except that:

(1) Under AFDC, work expenses and child care (or care of incapacitated adults living in the same home and receiving AFDC) resulting from employment or participation in either a CWEP or an employment search program cannot be special needs, and

(2) In a State which has a JOBS program under part 250, child care, transportation, work-related expenses, other work-related supportive services, and the costs of education (including tuition, books, and fees) resulting from participation in JOBS (including participation pursuant to §§ 250.46, 250.47, and 250.48) or any other education or training activity cannot be special needs.

(vi) If the State chooses to establish the need of the individual on a basis that recognizes, as essential to his well-being, the presence in the home of

other needy individuals, (A) specify the persons whose needs will be included in the individual's need, and (B) provide that the decision as to whether any individual will be recognized as essential to the recipient's well-being shall rest with the recipient.

(vii) [Reserved]

(viii) Provide that the money amount of any need item included in the standard will not be prorated or otherwise reduced solely because of the presence in the household of a non-legally responsible individual; and the agency will not assume any contribution from such individual for the support of the assistance unit except as provided in paragraphs (a)(3)(xiv) and (a)(5) of this section and § 233.51 of this part.

(ix) For AFDC, provide that a State shall consider utility payments made in lieu of any direct rental payment to a landlord or public housing agency to be shelter costs for applicants or recipients living in housing assisted under the U.S. Housing Act of 1937, as amended, and section 236 of the National Housing Act. The amount considered as a shelter payment shall not exceed the total amount the applicant or recipient is expected to contribute for the cost of housing as determined by HUD. *Utility payments* means only those payments made directly to a utility company or supplier which are for gas, electricity, water, heating fuel, sewerage systems, and trash and garbage collection. Utility payments are made "in lieu of any direct rental payment to a landlord or public housing agency" when, and only when, the AFDC family pays its entire required contribution at HUD's direction to one or more utility companies and does not make any direct payment to the landlord or the public housing agency. Housing covered by "the U.S. Housing Act of 1937, as amended, and section 236 of the National Housing Act" means Department of Housing and Urban Development assisted housing which includes Indian and public housing, section 8 new and existing rental housing, and section 236 rental housing.

(3) *Income and resources.* (i)(A) OAA, AB, APTD, AABD, Specify the amount and types of real and personal property, including liquid assets, that may be reserved, i.e., retained to meet the

current and future needs while assistance is received on a continuing basis. In addition to the home, personal effects, automobile and income producing property allowed by the agency, the amount of real and personal property, including liquid assets, that can be reserved for each individual recipient shall not be in excess of two thousand dollars. Policies may allow reasonable proportions of income from businesses or farms to be used to increase capital assets, so that income may be increased; and (B) in AFDC—The amount of real and personal property that can be reserved for each assistance unit shall not be in excess of one thousand dollars equity value (or such lesser amount as the State specifies in its State plan) excluding only:

(1) The home which is the usual residence of the assistance unit;

(2) One automobile, up to \$1,500 of equity value or such lower limit as the State may specify in the State plan; (any excess equity value must be applied towards the general resource limit specified in the State plan);

(3) One burial plot (as defined in the State plan) for each member of the assistance unit;

(4) Bona fide funeral agreements (as defined and within limits specified in the State plan) up to a total of \$1,500 in equity value or such lower limit as the State may specify in the State plan for each member of the assistance unit (any excess equity value must be applied towards the general resource limit specified in the State plan). This provision addresses only formal agreements for funeral and burial expenses such as burial contracts, burial trusts or other funeral arrangements (generally with licensed funeral directors) and does not apply to other assets (e.g., passbook bank accounts, simple set-aside of savings, and cash surrender value of life insurance policies);

(5) Real property for a period of six consecutive months (or, at the option of the State, nine consecutive months) which the family is making a good faith effort (as defined in the State plan) to sell, subject to the following provisions. The family must sign an agreement to dispose of the property and to repay the amount of aid received during such period that would

not have been paid had the property been sold at the beginning of such period, but not to exceed the amount of the net proceeds of the sale. The family has five working days from the date it realizes cash from the sale of the excess real property to repay the overpayment; failure to make repayment within this period results in the cash being considered to be an available resource. If the family becomes ineligible for AFDC for any other reason during the conditional payment period while making a good faith effort to sell the property, or fails to sell the property by the end of the period despite such a good faith effort, then the amount of the overpayment attributable to the real property will not be determined and recovery will not be begun until the property is, in fact, sold. However, if the property was intentionally sold at less than fair market value so that a good faith effort to sell it was not made, or if it is otherwise determined that a good faith effort to sell the property is not being made, the overpayment amount shall be computed using the fair market value determined at the beginning of the period. For applicants, the conditional payment period begins with the first payment month for which all otherwise applicable eligibility conditions are met and payment is authorized. For recipients who acquire property while receiving assistance, the period begins with the payment month in which the recipient receives the property; and

(6) At State option, basic maintenance items essential to day-to-day living such as clothes, furniture and other similarly essential items of limited value.

(ii) Provide that in determining need and the amount of the assistance payment, after all policies governing the reserves and allowances and disregard or setting aside of income and resources referred to in this section have been uniformly applied:

(A) In determining need, all remaining income and resources shall be considered in relation to the State's need standard;

(B) In determining financial eligibility and the amount of the assistance payment all remaining income (except unemployment compensation received

by an unemployed principal earner) and, except for AFDC, all resources may be considered in relation to either the State's need standard or the State's payment standard. Unemployment compensation received by an unemployed principal earner shall be considered only by subtracting it from the amount of the assistance payment after the payment has been determined under the State's payment method;

(C) States may have policies which provide for allocating an individual's income for his or her own support if the individual is not applying for or receiving assistance; for the support of other individuals living in the same household but not receiving assistance; and for the support of other individuals living in another household. Such other individuals are those who are or could be claimed by the individual as dependents for determining Federal personal income tax liability, or those he or she is legally obligated to support. No income may be allocated to meet the needs of an individual who has been sanctioned under §§ 224.51, 232.11(a)(2), 232.12(d), 238.22 or 240.22 or who is required to be included in the assistance unit and has failed to cooperate. The amount allocated for the individual and the other individuals who are living in the home must not exceed the State's need standard amount for a family group of the same composition. The amount allocated for individuals not living in the home must not exceed the amount actually paid.

(D) Income after application of disregards, except as provided in paragraph (a)(3)(xiii) of this section, and resources available for current use shall be considered. To the extent not inconsistent with any other provision of this chapter, income and resources are considered available both when actually available and when the applicant or recipient has a legal interest in a liquidated sum and has the legal ability to make such sum available for support and maintenance.

(E) For AFDC, income tax refunds, but such payments shall be considered as resources; and

(F) When the AFDC assistance unit's income, after applying applicable disregards, exceeds the State need stand-

ard for the family because of receipt of nonrecurring earned or unearned lump sum income (including for AFDC, title II and other retroactive monthly benefits, and payments in the nature of a windfall, e.g., inheritances or lottery winnings, personal injury and worker compensation awards, to the extent it is not earmarked and used for the purpose for which it is paid, i.e., monies for back medical bills resulting from accidents or injury, funeral and burial costs, replacement or repair of resources, etc.), the family will be ineligible for aid for the full number of months derived by dividing the sum of the lump sum income and other income by the monthly need standard for a family of that size. Any income remaining from this calculation is income in the first month following the period of ineligibility. The period of ineligibility shall begin with the month of receipt of the nonrecurring income or, at State option, as late as the corresponding payment month. For purposes of applying the lump sum provision, family includes all persons whose needs are taken into account in determining eligibility and the amount of the assistance payment, and includes solely for determining the income and resources of a family an individual who must be in a family pursuant to § 206.10(a)(1)(vii) but who does not meet a condition of his or her eligibility due to a failure to cooperate or is required by law to have his or her needs excluded from an assistance unit's AFDC grant calculation due to the failure to perform some action. A State may shorten the remaining period of ineligibility when: the standard of need increases and the amount the family would have received also changes (e.g., situations involving additions to the family unit during the period of ineligibility of persons who are otherwise eligible for assistance); the lump sum income or a portion thereof becomes unavailable to the family for a reason beyond the control of the family; or the family incurs and pays for medical expenses. If the State chooses to shorten the period of ineligibility, the State plan shall:

(1) Identify which of the above situations are included;

(2) In the case of situations involving an increase in the need standard and changes in the amount that should have been paid to the family, specify the types of circumstances which will be included;

(3) In the case of situations involving the unavailability of the lump sum income, include a definition of unavailability, and specify what reasons will be considered beyond the control of the family; and

(4) In the case of situations involving the payment of medical expenses, specify the types of medical expenses the State will allow to be offset against the lump sum income.

For purposes of this paragraph (a)(3): Automobile means a passenger car or other motor vehicle used to provide transportation of persons or goods. (In AFDC, in appropriate geographic areas, one alternate primary mode of transportation may be substituted for the automobile); Equity value means fair market value minus encumbrances (legal debts); Fair market value means the price an item of a particular make, model, size, material or condition will sell for on the open market in the geographic area involved (If a motor vehicle is especially equipped with apparatus for the handicapped, the apparatus shall not increase the value of the vehicle); Liquid assets are those properties in the form of cash or other financial instruments which are convertible to cash and include savings accounts, checking accounts, stocks, bonds, mutual fund shares, promissory notes, mortgages, cash value of insurance policies, and similar properties; Need standard means the money value assigned by the State to the basic and special needs it recognizes as essential for applicants and recipients; Payment standard means the amount from which non-exempt income is subtracted.

(iii) States may prorate income received by individuals employed on a contractual basis over the period of the contract or may prorate intermittent income received quarterly, semiannually, or yearly over the period covered by the income. In OAA, AB, APTD and AABD, they may use the prorated amount to determine need under §233.23 and the amount of the assist-

ance payment under §§233.24 and 233.25. In AFDC, they may use the prorated amount to determine need under §233.33 and the amount of the assistance payment under §§233.34 and 233.35.

(iv) Provide that in determining the availability of income and resources, the following will not be included as income:

(A) Except for AFDC, income equal to expenses reasonably attributable to the earning of income (including earnings from public service employment);

(B) Grants, such as scholarships, obtained and used under conditions that preclude their use for current living costs;

(C) Home produce of an applicant or recipient, utilized by him and his household for their own consumption;

(D) For AFDC, any amounts paid by a State IV-A agency from State-only funds to meet needs of children receiving AFDC, if the payments are made under a statutorily-established State program which has been continuously in effect since before January 1, 1979;

(E) For AFDC, income tax refunds, but such payments shall be considered as resources; and

(F) At State option, small non-recurring gifts, such as those for Christmas, birthdays and graduations, not to exceed \$30 per recipient in any quarter; and

(G) For AFDC, the amount paid to the family by the IV-A agency under §232.20(d) or, in a State that treats direct support payments as income under §233.20(a)(3)(v)(B), the first \$50 received by the assistance unit which represents a current monthly support obligation or a voluntary support payment. In no case shall the total amount disregarded exceed \$50 per month per assistance unit.

(v) Provide that agency policies will assure that:

(A) In determining eligibility for an assistance payment, support payments assigned under §232.11 of this chapter will be treated in accordance with §232.20 and §232.21 of this chapter; and

(B) In determining the amount of an assistance payment, assigned support payments retained in violation of §232.12(b)(4) of this chapter, will be counted as income to meet need unless the approved IV-A State plan provides

§ 233.20

45 CFR Ch. II (10–1–03 Edition)

that such support payments are subject to IV-D recovery under §§ 302.31(a)(3) and 303.80 of this title or unless such payments are sufficient to render the family ineligible as provided at § 232.20 of this chapter.

(vi)(A) In family groups living together, income of the spouse is considered available for his spouse and income of a parent is considered available for children under 21, except as provided in paragraphs (a)(3)(xiv) and (a)(3)(xviii) of this section for AFDC. If an individual is a spouse or parent who is a recipient of SSI benefits under title XVI, an individual with respect to whom Federal foster care payments are made, an individual with respect to whom State or local foster care payments are made, an individual with respect to whom Federal adoption assistance payments are made, or an individual with respect to whom State or local adoption assistance payments are made, then, for the period for which such benefits or payments are received, his or her income and resources shall not be counted as income and resources available to the AFDC unit except that a child receiving adoption assistance payments will not be excluded if such exclusion would cause the AFDC benefits of the assistance unit of which the child would otherwise be considered a member to be reduced. For purposes of this exception, “a recipient of SSI benefits under title XVI” includes a spouse or parent receiving mandatory or optional State supplementary payments under section 1616(a) of the Social Security Act or under section 212 of Public Law 93–66 and an “individual with respect to whom Federal foster care payments are made” means a child with respect to whom Federal foster care maintenance payments are made under section 472(b) and defined in section 475(4)(A) of the Act, and a child whose costs in a foster family home or child-care institution are covered by the foster care maintenance payments made with respect to his or her minor parent under sections 472(h) and 475(4)(B) of the Act. “Individuals with respect to whom Federal adoption assistance payments are made” means a child who receives payments made under an approved title IV-E plan based on an adoption assistance agree-

ment between the State and the adoptive parents of a child with special needs, pursuant to sections 473 and 475(3) of the Social Security Act.

(B) Income of an alien parent, who is disqualified pursuant to § 233.50(c) is considered available to the otherwise eligible child by applying the step-parent deeming formula at 45 CFR 233.20(a)(3)(xiv).

(vii) If the State agency establishes policy under which assistance from other agencies and organizations will not be deducted in determining the amount of assistance to be paid, provide that no duplication shall exist between such other assistance and that provided by the public assistance agency. In such complementary program relationships, nonduplication shall be assured by provision that such aid will be considered in relation to: (a) The different purpose for which the other agency grants aid such as vocational rehabilitation; (b) the provision of goods and services that are not included in the statewide standard of the public assistance agency, e.g., a private agency might provide money for special training for a child or for medical care when the public assistance agency does not carry this responsibility; or housing and urban development payments might be provided to cover moving expenses that are not included in the assistance standard; or (c) the fact that public assistance funds are insufficient to meet the total amount of money determined to be needed in accordance with the statewide standard. In such instances, grants by other agencies in an amount sufficient to make it possible for the individual to have the amount of money determined to be needed, in accordance with the public assistance agency standard, will not constitute duplication.

(viii) Provide that: (A) Payment will be based on the determination of the amount of assistance needed; (B) if full individual payments are precluded by maximums or insufficient funds, adjustments will be made by methods applied uniformly statewide; (C) in the case of AFDC no payment of aid shall be made to an assistance unit in any month in which the amount of aid prior to any adjustments is determined

to be less than \$10; and (D) an individual who is denied aid because of the limitation specified in (C) of this section, or because the payment amount is determined to be zero as a result of rounding the payment amount as required by § 233.20(a)(2)(iv), shall be deemed a recipient of aid for all other purposes except participation in the Community Work Experience Program.

(ix) Provide that the agency will establish and carry out policies with reference to applicants' and recipients' potential sources of income that can be developed to a state of availability.

(x) Provide that the income and resources of individuals receiving SSI benefits under title XVI, individuals with respect to whom Federal foster care payments are made, individuals with respect to whom State or local foster care payments are made, individuals with respect to whom Federal adoption assistance payments are made, or individuals with respect to whom State or local adoption assistance payments are made, for the period for which such benefits or payments are received, shall not be counted as income and resources of an assistance unit applying for or receiving assistance under title IV-A; except that a child receiving adoption assistance payments will not be excluded if such exclusion would cause the AFDC benefits of the assistance unit of which the child would otherwise be considered a member to be reduced. Under this requirement, "individuals receiving SSI benefits under title XVI" include individuals receiving mandatory or optional State supplementary payments under section 1616(a) of the Social Security Act or under section 212 of Public Law 93-66 and, "individuals with respect to whom Federal foster care payments are made" means a child with respect to whom Federal foster care maintenance payments are made under section 472(b) and defined in section 475(4)(A) of the Act, and a child whose costs in a foster family home or child-care institution are covered by foster care maintenance payments made with respect to his or her minor parent under sections 472(h) and 475(4)(B) of the Act. "Individuals with respect to whom Federal adoption assistance payments are made" means a child who re-

ceives payments made under an approved title IV-E plan based on an adoption assistance agreement between the State and the adoptive parents of a child with special needs, pursuant to sections 473 and 475(3) of the Social Security Act.

(xi) In the case of AFDC if the State chooses to count the value of the food stamp coupons as income, provide that the State plan shall:

(A) Identify the amount for food included in its need and payment standards for an assistance unit of the same size and composition. (States which have a flat grant system must estimate the amount based on historical data or some other justifiable procedure.); and

(B) Specify the amount of such food stamp coupons that it will count as income. Under this requirement, the amount of food stamp coupons which a State may count as income may not exceed the amount for food established in its payment standard for an assistance unit of the same size and composition.

(xii) In the case of AFDC if the State chooses to count the value of the governmental rent or housing subsidies as income, provide that the State plan shall:

(A) Identify the amount for shelter included in its need and payment standards for an assistance unit of the same size and composition. (States which have a flat grant system must estimate this amount based on historical data or some other justifiable procedure.); and

(B) Specify the amount of such housing assistance that it will count as income. Under this requirement, the amount of such rent or housing subsidies which a State may count as income may not exceed the amount for shelter established in its payment standard for assistance unit of the same size and composition.

(xiii) Under the AFDC plan, provide that no assistance unit is eligible for aid in any month in which the unit's income (other than the assistance payment) exceeds 185 percent of the State's need standard (including special needs) for a family of the same composition (including special needs), without application of the disregards in paragraph (a)(11)(i) (except to the

§ 233.20

45 CFR Ch. II (10–1–03 Edition)

extent provided for under paragraph (a)(3)(xix)), paragraph (a)(11)(ii) and paragraph (a)(11)(viii) of this section.

(xiv) For AFDC, in States that do not have laws of general applicability holding the stepparent legally responsible to the same extent as the natural or adoptive parent, the State agency shall count as income to the assistance unit the income of the stepparent (i.e., one who is married, under State law, to the child's parent) of an AFDC child who is living in the household with the child after applying the following disregards (exception: if the stepparent is included in the assistance unit, the disregard under paragraph (a)(11) (i) and (ii) of this section apply instead:

(A) The first \$90 of the gross earned income of the stepparent;

(B) An additional amount for the support of the stepparent and any other individuals who are living in the home, but whose needs are not taken into account in making the AFDC eligibility determinations except for sanctioned individuals or individuals who are required to be included in the assistance unit but have failed to cooperate and are or could be claimed by the stepparent as dependents for purposes of determining his or her Federal personal income tax liability. This disregarded amount shall equal the State's need standard amount for a family group of the same composition as the stepparent and those other individuals described in the preceding sentence;

(C) Amounts actually paid by the stepparent to individuals not living in the home but who are or could be claimed by him or her as dependents for purposes of determining his or her Federal personal income tax liability; and

(D) Payments by such stepparent of alimony or child support with respect to individuals not living in the household.

(xv) For AFDC, provide for the consideration of the income and resources of an alien's sponsor who is an individual as provided in § 233.51.

(xvi) For AFDC, provide that in considering the availability of income and resources, support and maintenance assistance (including home energy assist-

ance) will be taken into account in accordance with § 233.53.

(xvii) In the case of AFDC, if the State chooses to disregard monthly income of any dependent child when the income is derived from participation in a program under the JTPA, provide that the State plan shall:

(A) Identify from which programs under the JTPA, income will be disregarded;

(B) In the case of earned income, specify what amount will be disregarded, and the length of time the disregard will be applicable (up to six months per calendar year); and

(C) In the case of unearned income, specify what amount will be disregarded, and the length of time per calendar year the disregard will be applicable if any such limit is chosen.

(xviii) For AFDC, in the case of a dependent child whose parent is a minor under the age of 18 (without regard to school attendance), the State shall count as income to the assistance unit the income, after appropriate disregards, of such minor's own parent(s) living in the same household as the minor and dependent child. The disregards to be applied are the same as are applied to the income of a stepparent pursuant to paragraph (a)(3)(xiv) of this section. However, in applying the disregards, each employed parent will receive the benefit of the work expense disregard in paragraph (a)(3)(xiv)(A) of this section.

(xix) In the case of AFDC, if the State chooses to disregard monthly earned income of dependent children who are full-time students in the determination of whether the family's income exceeds the limit under § 233.20(a)(3)(xiii) of this section, provide that the State plan shall specify what amounts will be disregarded and the length of time the disregard will be applicable (up to six months per calendar year) except that earned income derived from participation in a program under the JTPA may only be disregarded under this paragraph, paragraph (a)(3)(xvii) or a combination of both paragraphs for a total of 6 months per calendar year.

(xx) In the case of AFDC, if the State chooses to disregard in the determination of eligibility the monthly earned

income of dependent children applying for AFDC who are full-time students, provide that the State plan shall:

(A) Specify the amount that will be disregarded, and

(B) Provide that the disregard shall only apply to the extent that the earned income is also disregarded pursuant to paragraph (a)(3)(xix) of this section.

(xxi) Provide that the principal of a bona fide loan will not be counted as income or resources in the determination of eligibility and the amount of assistance. Interest earned on a loan is counted as unearned income in the month received and as resources thereafter and purchases made with a loan are counted as resources. For purposes of this paragraph, a loan is considered bona fide when it meets objective and reasonable criteria included in the State plan.

(4) *Disregard of income in OAA, AFDC, AB, APTD, OR AABD.* (i) For all programs except AFDC. If the State chooses to disregard income from all sources before applying other provisions for disregarding or setting aside income, specify the amount that is first to be disregarded, but not more than \$7.50 per month, of any income of an individual, child or relative claiming assistance. All income must be included such as social security or other benefits, earnings, contributions from relatives, or other income the individual may have.

(ii) Provide that in determining eligibility for public assistance and the amount of the assistance payment, the following will be disregarded as income and resources:

(a) In OAA, AB, APTD, and AABD, the value of the coupon allotment under the Food Stamp Act of 1964 in excess of the amount paid for the coupons;

(b) The value of the U.S. Department of Agriculture donated foods (surplus commodities);

(c) Any payment received under title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970;

(d) Grants or loans to any undergraduate student for educational purposes made or insured under any programs administered by the Secretary

of Education except the programs under the Carl D. Perkins Vocational and Applied Technology Education Act (20 U.S.C. 2301 *et seq.*). Student financial assistance provided under the Carl D. Perkins Vocational and Applied Technology Education Act will be disregarded in accordance with paragraph (a)(4)(ii)(t) of this section.

(e) Any funds distributed per capita to or held in trust for members of any Indian tribe under Public Law 92-254 or Pub. L. 94-540;

(f) Any benefits received under title VII, Nutrition Program for the Elderly, of the Older Americans Act of 1965, as amended;

(g) Payments for supporting services or reimbursement of out-of-pocket expenses made to individual volunteers serving as foster grandparents, senior health aides, or senior companions, and to persons serving in the Service Corps of Retired Executives (SCORE) and Active Corps of Executives (ACE) and any other programs under titles II and III, pursuant to section 418 of Pub. L. 93-113;

(h) Payments to applicants or recipients participating in the Volunteers in Service to America (VISTA) Program, except that this disregard will not be applied when the Director of ACTION determines that the value of all such payments, adjusted to reflect the number of hours such volunteers are serving, is equivalent to or greater than the minimum wage then in effect under the Fair Labor Standards Act of 1938, or the minimum wage under the laws of the States where the volunteers are serving, whichever is greater. (Section 404(g) of Pub. L. 93-113, as amended by section 9 of Pub. L. 96-143);

(i) The value of supplemental food assistance received under the Child Nutrition Act of 1966 as amended, and the special food service program for children under the National School Lunch Act, as amended (Pub. L. 92-433 and Pub. L. 93-150);

(j) [Reserved]

(k) Pursuant to section 15 of Public Law 100-241, any of the following distributions made to a household, an individual Native, or a descendant of a Native by a Native Corporation established pursuant to the Alaska Native

Claims Settlement Act (ANCSA) (Pub. L. 92-203, as amended):

(1) Cash distributions (including cash dividends on stock from a Native Corporation) received by an individual are never counted as income or resources to the extent that such cash does not, in the aggregate, exceed \$2,000 in a year. Cash which, in the aggregate, is in excess of \$2,000 in a year is not subject to the income and resources disregards in this paragraph (a)(4)(ii)(k)(1);

(2) Stock (including stock issued or distributed by a Native Corporation as a dividend or distribution on stock);

(3) A partnership interest;

(4) Land or an interest in land (including land or an interest in land received from a Native Corporation as a dividend or distribution on stock); and

(5) An interest in a settlement trust.

(l) Benefits paid to eligible households under the Low Income Home Energy Assistance Act of 1981 pursuant to section 2605(f) of Pub. L. 97-35;

(m) Effective October 17, 1975, pursuant to section 6 of Pub. L. 94-114 (89 Stat. 577, 25 U.S.C. 459e) receipts distributed to members of certain Indian tribes which are referred to in section 5 of Pub. L. 94-114 (89 Stat. 577, 25 U.S.C. 459d).

(n) Pursuant to section 7 of Public Law 93-134, as amended by section 4 of Public Law 97-458, Indian judgment funds that are held in trust by the Secretary of the Interior (including interest and investment income accrued while such funds are so held in trust), or distributed per capita to a household or member of an Indian tribe pursuant to a plan prepared by the Secretary of the Interior and not disapproved by a joint resolution of the Congress, and initial purchases made with such funds. This disregard does not apply to proceeds from the sale of initial purchases, subsequent purchases made with funds derived from the sale or conversion of the initial purchases, or to funds or initial purchases which are inherited or transferred.

(o) Pursuant to section 2 of Public Law 98-64, all funds held in trust by the Secretary of the Interior for an Indian tribe (including interest and investment income accrued while such funds are so held in trust) and distributed per

capita to a household or member of an Indian tribe, and initial purchases made with such funds. This disregard does not apply to proceeds from the sale of initial purchases, subsequent purchases made with funds derived from the sale or conversion of initial purchases, or to funds or initial purchases which are inherited or transferred.

(p) Any student financial assistance provided under programs in title IV of the Higher Education Act of 1965, as amended, and under Bureau of Indian Affairs education assistance programs.

(q) For AFDC, any payments made as restitution to an individual under title I of Public Law 100-383 (the Civil Liberties Act of 1988) or under title II of Public Law 100-383 (the Aleutian and Pribilof Islands Restitution Act).

(r) Any Federal major disaster and emergency assistance provided under the Disaster Relief Act of 1974, as amended by Public Law 100-707 (the Disaster Relief and Emergency Assistance Amendments of 1988) and comparable disaster assistance provided by States, local governments and disaster assistance organizations.

(s) Any payments made pursuant to the settlement in the In Re Agent Orange Product liability litigation, M.D.L. No. 381 (E.D.N.Y.).

(t) Student financial assistance made available for the attendance costs defined in this paragraph under programs in the Carl D. Perkins Vocational and Applied Technology Education Act (20 U.S.C. 2301 *et seq.*). Attendance costs are: tuition and fees normally assessed a student carrying the same academic workload as determined by the institution, and including costs for rental or purchase of any equipment, materials, or supplies required of all students in the same course of study; and an allowance for books, supplies, transportation, dependent care and miscellaneous personal expenses for a student attending the institution on at least a half-time basis, as determined by the institution.

(u) For AFDC, any payments made pursuant to section 6(h)(2) of Public Law 101-426, the Radiation Exposure Compensation Act.

(iii) Provide that income and resources which are disregarded or set

aside under this part will not be taken into consideration in determining the need of any other individual for assistance.

(iv) For AFDC, any amounts determined to have been paid by a State from State-only funds to supplement or otherwise increase the amount of aid paid to an assistance unit as computed under § 233.35 for a month in recognition of current or anticipated needs of the assistance unit for that same month shall not be counted as income—to the extent that the total of the State supplemental payment, the AFDC payment and actual income (i.e., the amount of income received during the payment month after subtracting from gross income the \$75 work expense disregard (to recognize mandatory payroll deductions, transportation costs, and other work expenses), child care and other applicable disregards) received in that month are not in excess of what the State would have paid for that month to an assistance unit of the same size and composition with no income—in computing the assistance payment under § 233.35 for the corresponding payment month.

(5) *Proration of shelter, utilities, and similar needs in AFDC.* (i) Provide that the State agency may prorate allowances in the need and payment standards for shelter, utilities, and similar needs when the AFDC assistance unit lives together with other individuals as a household; except that, the State shall not prorate with respect to any person receiving SSI to whom the statutory one-third reduction (section 1612(a)(2)(A)(i) of the Act) is applied, or prorate when a bona fide landlord-tenant relationship exists. If the State chooses to prorate under this paragraph, it must prorate both the need standard and payment standard.

(ii) If the State agency elects to prorate allowances for shelter, utilities, and similar needs the State plan must:

(A) Indicate which allowances will be prorated, and describe the procedure which will be used to prorate the allowances;

(B) Provide that the allowances will be prorated on a reasonable basis; and

(C) Specify the circumstances under which proration will occur, including a description of which individuals are

considered to be living with an AFDC assistance unit as a household.

(6) *Disregard of earned income; definition.* Provide that for purposes of disregarding earned income the agency policies will include:

(i) A definition of *earned income* in accordance with the provisions of paragraphs (a)(6) (iii) through (ix) of this section; and

(ii) Provision for disregarding earned income for the period during which it is earned, rather than when it is paid, in cases of lump-sum payment for services rendered over a period of more than 1 month.

(iii) The term earned income encompasses income in cash or in kind earned by an individual through the receipt of wages, salary, commissions, or profit from activities in which he is engaged as a self-employed individual or as an employee. For AFDC, *earned income* means gross earned income prior to any deductions for taxes or for any other purposes, except as provided in paragraph (a)(6)(v). Such earned income may be derived from his own employment, such as a business enterprise, or farming; or derived from wages or salary received as an employee. It includes earnings over a period of time for which settlement is made at one given time, as in the instance of sale of farm crops, livestock, or poultry. For OAA, AB, APTD and AABD only, in considering income from farm operation, the option available for reporting under OASDI, namely the *cash receipts and disbursements* method, i.e., a record of actual gross, of expenses, and of net, is an individual determination and is acceptable also for these assistance programs.

(iv) With reference to commissions, wages, or salary, the term *earned income* means the total amount, irrespective of personal expenses, such as income-tax deductions, lunches, and transportation to and from work, and irrespective of expenses of employment which are not personal, such as the cost of tools, materials, special uniforms, or transportation to call on customers.

(v)(A) For OAA, AB, APTD, and AABD, with respect to self-employment, the term *earned income* means

the total profit from business enterprise, farming, etc., resulting from a comparison of the gross income received with the *business expenses*, i.e., total cost of the production of the income. Personal expenses, such as income-tax payments, lunches, and transportation to and from work, are not classified as business expenses.

(B) For AFDC, with respect to self-employment the term *earned income* means the total profit from business enterprise, farming, etc., resulting from a comparison of the gross receipts with the *business expenses*, i.e., expenses directly related to producing the goods or services and without which the goods or services could not be produced. However, items such as depreciation, personal business and entertainment expenses, personal transportation, purchase of capital equipment and payments on the principal of loans for capital assets or durable goods are not business expenses.

(vi) The definition shall exclude the following from *earned income*: Returns from capital investment with respect to which the individual is not himself actively engaged, as in a business (for example, under most circumstances, dividends and interest would be excluded from *earned income*); benefits (not in the nature of wages, salary, or profit) accruing as compensation, or reward for service, or as compensation for lack of employment (for example, pensions and benefits, such as United Mine Workers' benefits or veterans' benefits).

(vii) With regard to the degree of activity, earned income is income produced as a result of the performance of services by a recipient; in other words, income which the individual earns by his own efforts, including managerial responsibilities, would be properly classified as earned income, such as management of capital investment in real estate. Conversely, for example, in the instance of capital investment wherein the individual carries no specific responsibility, such as where rental properties are in the hands of rental agencies and the check is forwarded to the recipient, the income would not be classified as earned income.

(viii) Reserves accumulated from earnings are given no different treat-

ment than reserves accumulated from any other sources.

(7) *Disregard of earned income; method.*

(i) Provide that for other than AFDC, the following method will be used for disregarding earned income: The applicable amounts of earned income to be disregarded will be deducted from the gross amount of *earned income*, and all work expenses, personal and non-personal, will then be deducted. Only the net amount remaining will be applied in determining need and the amount of the assistance payment.

(ii) In applying the \$30 and one-third disregard under paragraph (a)(11)(i)(D) of this section to an applicant for AFDC, there will be a preliminary step to determine whether the assistance unit is eligible without applying the disregard to the individual's earned income, by comparing the applicant's gross earned income (less the disregards in paragraphs (a)(11)(i)(A), (B) and (C)) and all of the assistance unit's other income to the State need standard. This preliminary step does not apply if the individual has received AFDC in one of the four months prior to the month of application.

(8) *Disregard of earned income applicable only to OAA, APTD, or AABD.* If the State chooses to disregard earned income, specify the amount to be disregarded of the first \$80 per month of income that is earned by an aged or disabled individual claiming OAA, APTD, or AABD, who is not blind, but not more than \$20 per month plus one-half of the next \$60 of such earned income.

(9) *Disregard of income and resources applicable only to APTD or AABD.* If the State chooses to disregard income (which may be additional to the income disregarded under paragraph (a)(8) of this section) or resources for a disabled individual to achieve the fulfillment of a plan of self-support, provide that the amounts of additional income and resources will not exceed those found necessary for the period during which the individual is actually undergoing vocational rehabilitation, and specify the period, not in excess of 36 months, for which such amounts are to be disregarded.

(10) *Disregard of income and resources applicable only to AB or AABD.* Provide

that, in determining the need of individuals who are blind, (i) the first \$85 per month of earned income of the individual plus one-half of earned income in excess of \$85 per month will be disregarded; and (ii) if the individual has a plan for achieving self-support, such additional income and resources as are necessary to fulfill such plan will be disregarded for a period not in excess of 12 months. Such additional income and resources may be disregarded for an additional period not in excess of 24 months (for a total of 36 months), as specified in the State plan.

(11) *Disregard of income and resources applicable only to AFDC.* (i) For purposes of eligibility determination, the State must disregard from the monthly earned income, i.e., earned income as defined in § 233.20(a)(6)(iii), of each individual whose needs are included in the eligibility determination:

(A) Disregard all of the monthly earned income of each child receiving AFDC if the child is a full-time student or is a part-time student who is not a full-time employee. A student is one who is attending a school, college, or university or a course of vocational or technical training designed to fit him or her for gainful employment and includes a participant in the Job Corps program under the Job Training Partnership Act (JTPA).

(B) The first \$90.

(C) Where appropriate, an amount equal to \$30 plus one-third of the earned income not already disregarded under paragraphs (a)(11)(i), (a)(11)(v) and (a)(11)(vi) of this section of an individual who received assistance in one of the four prior months.

(D) An amount equal to the actual cost for the care of each dependent child or incapacitated adult living in the same home and receiving AFDC, but not to exceed \$175 for each dependent child who is at least age two or each incapacitated adult, and not to exceed \$200 for each dependent child who is under age two. For individuals not engaged in full-time employment or not employed throughout the month, the \$175 and \$200 disregard limits may be applied, or the State agency may establish disregard limits less than \$175 and \$200.

(E) Where appropriate, \$30 of the earned income not already disregarded under paragraphs (a)(11)(i), (v), and (vi) of this section, in the case of an individual who reapplies for assistance within the eight-month period that he/she is eligible for the \$30 disregard.

(ii) For purposes of benefit calculation for individuals found eligible under paragraph (a)(11)(i) of this section, the following disregards must be made by the State:

(A) Disregard all of the monthly earned income of each child receiving AFDC if the child is a full-time student or is a part-time student who is not a full-time employee. A student is one who is attending a school, college, or university or a course of vocational or technical training designed to fit him or her for gainful employment and includes a participant in the Job Corps program under the Job Training Partnership Act (JTPA).

(B) Disregard from any other individual's earned income the amounts specified in paragraphs (a)(11)(i)(B) and (a)(11)(i)(D) of this section, and \$30 plus one-third of the individual's earned income not already disregarded under paragraphs (a)(11)(ii) and (a)(11)(v) of this section. However, the State may not provide the one-third portion of the disregard to an individual after the fourth consecutive month (any month for which the unit loses the \$30 plus one-third disregard because of a provision in paragraph (a)(11)(iii) of this section, shall be considered as one of these months) it has been applied to the individual's earned income and may not apply the \$30 disregard after the eighth month following the fourth consecutive month (regardless of whether the \$30 disregard was actually applied in those months) unless twelve consecutive months have passed during which the individual is not a recipient of AFDC. If income from a recurring source resulted in suspension or termination due to an extra paycheck, the month of ineligibility does not interrupt the accumulation of consecutive months of the \$30 plus one-third disregard, nor does it count as one of the consecutive months.

(iii) The applicable earned income disregards in paragraphs (i) (B) and (C) and (ii)(B) of this paragraph do not

§ 233.20

apply to the earned income of the individual for the month in which one of the following conditions apply to him:

(A) An individual terminated his employment or reduced his earned income without good cause (as specified in the State plan) within the period of 30 days preceding such month;

(B) An individual refused without good cause (as specified in the State plan) within the period of 30 days preceding such month to accept employment in which he is able to engage which is offered through the public employment offices of the State, or is otherwise offered by an employer if the offer of such employer is determined by the State or local agency administering the State plan, after notification by him, to be a bona fide offer of employment;

(C) An individual failed without good cause (as specified in the State plan) to make a timely report (as defined in § 233.37(c)) of that income; or

(D) The individual voluntarily requests assistance to be terminated for the primary purpose of avoiding receiving the \$30 and one-third disregard for four consecutive months.

(iv) [Reserved]

(v) The treatment of earned income and expenses under JOBS is as follows:

(A) For earned income from regular employment or on-the-job training, as described at § 250.61, the disregards in paragraphs (a)(11)(i) and (a)(11)(ii)(B) shall apply.

(B) For earned income from a job under the work supplementation component, as described at § 250.62, the disregards in paragraphs (a)(11)(i) and (a)(11)(ii)(B) shall apply unless the State IV-A agency in its State JOBS plan, has elected to provide otherwise under § 250.62(j) and § 250.62(k).

(C) For all activities under JOBS and self-initiated education and training in non-JOBS areas, advance payment or reimbursement to the individual for child care, transportation, work-related expenses, or work-related supportive services is disregarded.

(D) Payment or reimbursement of child care pursuant to part 255 for employed individuals who are not JOBS participants and one-time work-related expenses for individuals who are not

45 CFR Ch. II (10–1–03 Edition)

JOBS participants pursuant to part 255 are disregarded.

(vi) At State option, disregard all or part of the monthly income of any dependent child applying for or receiving AFDC when the income is derived from a program carried out under the Job Training Partnership Act of 1982, except that in respect to earned income such disregard may not exceed six months per calendar year.

(vii) At State option, disregard all or part of the monthly earned income of any dependent child applying for AFDC, if the child is a full-time student, and that income has been disregarded for purposes of paragraph (a)(3)(xiii) of this section.

(viii) Disregard as income the amount of any earned income tax credit payments received by an applicant or recipient. Disregard as resources, in the month of receipt and the following month, the amount of any earned income tax credit payments received by an applicant or recipient. "Earned income tax credit payments" include: Any advance earned income tax credit payment made to a family by an employer and any earned income tax credit payment made as a refund of Federal income taxes.

(12) *Recoupment of overpayments and correction of underpayments for programs other than AFDC.* Specify uniform Statewide policies for:

(i) Recoupment of overpayments of assistance, including certain overpayments resulting from assistance paid pending hearing decisions.

(A) The State may not recoup any overpayment previously made to a recipient:

(1) Unless the recipient has income or resources exclusive of the current assistance payment currently available in the amount by which the agency proposes to reduce payments: except that,

(2) Where such overpayments were occasioned or caused by the recipient's willful withholding of information concerning his income, resources or other circumstances which may affect the amount of payment, the State may recoup prior overpayments from current assistance grants irrespective of current income or resources.

(B) Withholding of information which is subject to the provisions of paragraph (a)(12)(i)(A)(2) of this section includes the following:

(1) Willful misstatements (either oral or written) made by a recipient in response to oral or written questions from the State agency concerning the recipient's income, resources or other circumstances which may affect the amount of payment. Such misstatements may include understatements of amounts of income or resources and omission of an entire category of income or resources;

(2) A willful failure by the recipient to report changes in income, resources or other circumstances which may affect the amount of payment, if the State agency has clearly notified the recipient of an obligation to report such changes. The recipient shall be given such notification periodically at times (not less frequently than semi-annually) and by methods which the State agency determines will effectively bring such reporting requirements to the recipient's attention;

(3) A willful failure by the recipient (i) to report receipt of a payment which the recipient knew represented an erroneous overpayment, or (ii) to notify the State agency of receipt of a check which exceeded the prior check by at least the amount which the State agency had previously notified the recipient (pursuant to the provisions of paragraph (a)(12)(i)(A)(4) of this section) might represent an overpayment and constitute a sum to which the recipient would not be entitled. In making a determination pursuant to this paragraph (a)(12)(i)(B)(3), all relevant circumstances including the amount by which the erroneous payment exceeded the previous payment shall be considered.

(C) Each periodic notification under paragraph (a)(12)(i)(B)(2) of this section shall:

(1) Include a reminder that it is the recipient's continuing obligation to furnish to the State agency accurate and timely information concerning changes in income, resources, or other circumstances which may affect the amount of payment, within a reasonable specified period after such change. The recipient may also be notified that

a failure to so notify the State agency within the designated time period may constitute a willful withholding of such information and permit the State agency to recover any overpayment occasioned or caused by the willful withholding;

(2) Specifically and comprehensively in simple phraseology indicate the type of information to be disclosed by the recipient. Examples shall be furnished of the most frequent types of newly acquired income or resources (e.g., inheritance, wages from a part-time job);

(3) Require that, if there is any doubt whether a particular change in circumstances constitutes such reportable information, the recipient contact the State agency or a designated representative thereof within a reasonable specified period of time after such change in circumstances;

(4) If the State plan provides for recoupment in the circumstances described in paragraph (a)(12)(i)(B)(3)(ii) of this section, notify the recipient that if the check received exceeds the prior check by a specified amount (which amount may not be less than that which a reasonable man should have known was erroneous), this increased check may constitute a sum to which the recipient is not entitled. In such instances, the notification may require that the recipient notify the State agency or a designated representative thereof prior to the negotiation of such check, so that corrective action may be taken; the State agency shall respond to such notification within 24 hours. The recipient may also be notified that a failure to so notify the State agency within the designated time period may constitute a willful withholding of such information and permit the State agency to recover such overpayment.

(D) The State agency shall require periodic formal acknowledgement by recipients (on a form utilized for this purpose) that the reporting obligations of this paragraph had been brought to the recipient's attention and that they were understood.

(E) Any recoupment of overpayments made under circumstances other than those specified in paragraph (a)(12)(i)(B) of this section shall be limited to overpayments made during the

12 months preceding the month in which the overpayment was discovered.

(F) Any recoupment of overpayments permitted by paragraph (a)(12)(i)(A)(2) of this section may be made from available income and resources (including disregarded, set-aside or reserved items) or from current assistance payment or from both. If recoupments are made from current assistance payments, the State shall, on a case-by-case basis, limit the proportion of such payments that may be deducted in each case, so as not to cause undue hardship to recipients.

(G) The plan may provide for recoupment in all situations specified herein, or only in certain of the circumstances specified herein, and for waiver of the overpayment where the cost of collection would exceed the amount of the overpayment.

(H) Election by the State not to recoup overpayments shall not waive the provisions of §§ 205.40, and 205.41, or any other quality control requirement.

(i) Prompt correction of underpayments to current recipients, resulting from administrative error where the State plan provides for recoupment of overpayments. Under this requirement:

(a) Retroactive corrective payment shall be made only for the 12 months preceding the month in which the underpayment is discovered;

(b) For purposes of determining continued eligibility and amount of assistance, such retroactive corrective payments shall not be considered as income or as a resource in the month paid nor in the next following month; and

(c) No retroactive payment need be made where the administrative cost would exceed the amount of the payment.

(13) *Recovery of overpayments and correction of underpayments for AFDC.*(i) Specify uniform Statewide policies for recovery of overpayments of assistance, including overpayments resulting from assistance paid pending hearing decisions. Overpayment means a financial assistance payment received by or for an assistance unit for the payment month which exceeds the amount for which that unit was eligible. (The agency may deny assistance for the corresponding payment month rather

than recover if the assistance unit was ineligible for the budget month, the State becomes aware of the ineligibility when the monthly report is submitted, the recipient accurately reported the budget month's income and other circumstances, and the assistance unit will be eligible for the following payment month.)

(A) The State must take all reasonable steps necessary to promptly correct any overpayment, except that, as set forth in the plan, a State may waive any overpayment which occurred because receipt of an earned income tax credit payment by a family during the period January 1, 1990, to December 31, 1990, caused ineligibility under the 185 percent gross income limitation in paragraph (a)(3)(xiii) of this section.

(1) Any recovery of an overpayment to a current assistance unit, including a current assistance unit or recipient whose overpayment occurred during a prior period of eligibility, must be recovered through repayment (in part or in full) by the individual responsible for the overpayment or recovering the overpayment by reducing the amount of any aid payable to the assistance unit of which he or she is a member, or both.

(2) If recovery is made from the grant, such recovery shall result in the assistance unit retaining, for any payment month, from the combined aid, income and liquid resources, (without application of section 402(a)(8) of the Act) not less than 90 percent of the amount payable under the State plan to a family of the same composition with no other income. Where a State chooses to recover at a rate less than the maximum, it must recover promptly.

(B) The State shall recover an overpayment from (1) the assistance unit which was overpaid, or (2) any assistance unit of which a member of the overpaid assistance unit has subsequently become a member, or (3) any individual members of the overpaid assistance unit whether or not currently a recipient. If the State recovers from individuals who are no longer recipients, or from recipients who refuse to repay the overpayment from their income and resources, recovery shall be made by appropriate action under

State law against the income or resources of those individuals.

(C) If through recovery, the amount payable to the assistance unit is reduced to zero, members of the assistance unit are still considered recipients of AFDC.

(D) In cases which have both an underpayment and an overpayment, the State may offset one against the other in correcting the payment.

(E) Prompt recovery of an overpayment: A State must take one of the following three actions by the end of the quarter following the quarter in which the overpayment is first identified:

(1) Recover the overpayment, (2) initiate action to locate and/or recover the overpayment from a former recipient, or (3) execute a monthly recovery agreement from a current recipient's grant or income/resources.

(ii) Specify uniform Statewide policies for prompt correction of any underpayments to current recipients and those who would be a current recipient if the error causing the underpayment had not occurred. Underpayment means a financial assistance payment received by or for an assistance unit for the payment month which is less than the amount for which the assistance unit was eligible, or failure by the State to issue a financial assistance payment for the payment month to an eligible assistance unit if such payment should have been issued. Under this requirement, for purposes of determining continued eligibility and amount of assistance, such retroactive corrective payments shall not be considered as income, or as a resource in the month paid nor in the next following month.

(iii) Paragraph (a)(13) of this section is effective for incorrect payments which are identified subsequent to September 30, 1981.

(iv) In locating former recipients who have outstanding overpayments the State should use appropriate data sources such as State unemployment insurance files, State Department of Revenue information from tax returns, State automobile registration, Bendex, and other files relating to current or former recipients.

(v) The State must maintain information on the individual and total

number and amount of overpayments identified and their disposition for current and former recipients.

(vi) The State may elect not to attempt recovery of an overpayment from an individual no longer receiving aid where the overpayment amount is less than \$35. Where the overpayment amount owed by an individual no longer receiving aid is \$35 or more, the State can determine when it is no longer cost-effective to continue overpayment recovery efforts, provided it has made reasonable efforts to recover the overpayment from the individual. Reasonable efforts must include notification of the amount of and reason for the overpayment and that repayment is required. States must also maintain information regarding uncollected overpayments as provided under paragraph (a)(13)(v) of this section, to enable the State to recover those overpayments if the individual subsequently becomes a recipient. In cases involving fraud, States must make every effort to recover the overpayment, regardless of the amount.

(14) For Medicaid eligibility only, beginning October 1, 1998, pursuant to section 402(a)(37) of the Act, an assistance unit will be deemed to be receiving AFDC, but only for the purposes of this paragraph, for a period of nine months after the last month the family actually received aid if the loss of AFDC eligibility was solely because a member of the unit was no longer eligible due to the 4 and 12 month time limitations to have the \$30 and one-third or the \$30 disregard in paragraph (a)(11)(ii)(B) applied to his or her earned income. At State option, an additional period of Medicaid coverage for up to six months may be provided when the assistance unit would be eligible during such additional period to receive AFDC if the \$30 and one-third or the \$30 disregards were applied to the assistance unit's earned income.

(15) For Medicaid eligibility only, pursuant to section 406(h) of the Act:

(i) Each dependent child and each relative with whom such a child is living (including the eligible spouse of such relative pursuant to section 237.50(b) of this chapter) who becomes ineligible for AFDC wholly or partly because of the initiation of or an increase in the

amount of a child or spousal support collection under title IV–D will be deemed to be receiving AFDC, but only for purposes of this paragraph (a)(15), for a period of four consecutive calendar months beginning with the first month of AFDC ineligibility. To be eligible for extended Medicaid coverage pursuant to this paragraph (a)(15), each dependent child and relative must meet the following conditions:

(A) The individual must have become ineligible for AFDC on or after August 16, 1984; and

(B) The individual must have received AFDC in at least three of the six months immediately preceding the month in which the individual becomes ineligible for AFDC; and

(C) The individual must have become ineligible for AFDC wholly or partly as a result of the initiation of or an increase in the amount of a child or spousal support collection under title IV–D.

(ii)(A) Except as provided in paragraph (a)(15)(ii)(B) of this section, individuals who are eligible for extended Medicaid lose this coverage if they move to another State during the 4-month period. However, if they move back to and reestablish residence in the State in which they have extended coverage, they are eligible for any of the months remaining in the 4-month period in which they are residents of the State.

(B) If a State has chosen in its State plan to provide Medicaid to non-residents, the State may continue to provide the 4-month extended benefits to individuals who have moved to another State.

(iii) For purposes of paragraph (i) of this section:

(A) The new collection or increased collection of child or spousal support results in the termination of AFDC eligibility when it actively causes or contributes to the termination. This occurs when:

(1) The change in support collection in and of itself is sufficient to cause ineligibility. This rule applies even if the support collection must be added to other, stable income. It also applies even if other independent factors, alone or in combination with each other,

might simultaneously cause ineligibility; or

(2) The change in support contributes to ineligibility but does not by itself cause ineligibility. Ineligibility must result when the change in support is combined with other changes in income or changes in other circumstances and the other changes in income or circumstances cannot alone or in combination result in termination without the change in support.

(B) In cases of increases in the amounts of both the support collections and earned income, eligibility under this section does not preclude eligibility under paragraph (a)(14) of this section or section 1925 of the Social Security Act (which was added by section 303(a) of the Family Support Act of 1988 (42 U.S.C. 139r–6)). Extended periods result from both an increase in the amount of the support collection and from an increase in earned income must run concurrently.

(b) *Federal financial participation; General.* (1) Federal participation will be available in financial assistance payments made on the basis that (after application of policies governing the allowable reserve, disregard or setting aside of income and resources), all income of the needy individual, together with the assistance payment, do not exceed the State's defined standard of assistance, and available resources of the needy individuals do not exceed the limits under the State plan.

(2) Federal participation is available within the maximums specified in the Federal law, when the payments do not exceed the amount determined to be needed under the statewide standard, and are made in accordance with the State method for determining the amount of the payments, as specified in § 233.31 for AFDC and in §§ 233.24 and 233.25 for OAA, AB, APTD, and AABD.

(3) Federal participation is available in financial assistance payments made on the basis of the need of the individual. This basis may include consideration of needy persons living in the same home with the recipient when such other persons are within the State's policy as essential to his well-being. Persons living in the home who are "essential to the well-being of the recipient," as specified in the State

plan, will govern as the basis for Federal participation (see Guides and Recommendations). When the State includes persons living outside the home or persons not in need, Federal participation is not available for that portion of financial assistance payments attributable to such persons, and the State's claims must, therefore, identify the amounts of any such nonmatchable payments.

(4) For all assistance programs except AFDC, Federal participation is available for supplemental payments in the retrospective budgeting system.

(c) *Federal financial participation in vendor payments for home repairs.* With respect to expenditures made after December 31, 1967, expenditures to a maximum of \$500 are subject to Federal financial participation at 50 percent for repairing the home owned by an individual who is receiving aid or assistance (other than Medical Assistance for the Aged) under a State plan for OAA, AFDC, AB, APTD, or AABD if:

(1) Prior to making the expenditures the agency determined that: (i) The home is so defective that continued occupancy is unwarranted; (ii) unless repairs are made the recipient would need to move to rental quarters; and (iii) the rental cost of quarters for the recipient (including the spouse living with him in such home and any other individual whose needs were considered in determining the recipient's need) would exceed (over a period of 2 years) the repair costs needed to make such home habitable together with other costs attributable to continued occupancy of such home.

(2) No expenditures for repair of such home were made previously pursuant to a determination as described in paragraph (c)(1) of this section. This does not preclude more than one payment made at the time repairs are made pursuant to the determination, e.g., separate payments to the roofer, the electrician, and the plumber.

(3) Expenditures for home repairs are authorized in writing by a responsible agency person, records show the eligible person in whose behalf the home repair expenditure was made, and there is sufficient evidence that the home repair was performed.

§ 233.21 Budgeting methods for OAA, AB, APTD, and AABD.

(a) *Requirements for State plans.* A State plan for OAA, AB, APTD, and AABD shall specify if assistance payments shall be computed using a prospective budgeting system or a retrospective budgeting system. A State electing retrospective budgeting shall specify which options it selects and the State plan shall state that it shall meet the requirements in §§ 233.21 through 233.29. Budgeting methods for AFDC are described in §§ 233.31 through 233.37.

(b) *Definitions.* The following definitions apply to §§ 233.21 through 233.29:

(1) *Prospective budgeting* means that the agency shall compute the amount of assistance for a payment month based on its best estimate of income and circumstances which will exist in that month. This estimate shall be based on the agency's reasonable expectation and knowledge of current, past or future circumstances.

(2) *Retrospective budgeting* means that the agency shall compute the amount of assistance for a payment month based on actual income or circumstances which existed in a previous month, the "budget month".

(3) *Budget month* means the fiscal or calendar month from which the agency shall use income or circumstances of the family to compute the amount of assistance.

(4) *Payment month* means the fiscal or calendar month for which an agency shall pay assistance. Payment is based upon income or circumstances in the budget month. In prospective budgeting, the budget month and the payment month are the same. In retrospective budgeting, the payment month follows the budget month and the payment month shall begin within 32 days after the end of the budget month.

§ 233.22

(5) *Make an assistance payment.* In the context of retrospective budgeting, to make an assistance payment means that the check shall be deposited in the U.S. mail, hand delivered to the recipient, or deposited with an intermediary organization, such as a bank.

(6) *Supplemental payment.* In the context of retrospective budgeting, a supplemental payment is a payment which maintains a family during the time it takes for the monthly assistance payment to reflect a change in circumstances or income.

[44 FR 26082, May 4, 1979, as amended at 47 FR 5678, Feb. 5, 1982]

§ 233.22 Determining eligibility under prospective budgeting.

In States which compute the amount of the assistance payment prospectively, the State plan shall provide that the State shall also determine all factors of eligibility prospectively. Thus, the State agency shall establish eligibility based on its best estimate of income and circumstances which will exist in the month for which the assistance payment is made.

[44 FR 26082, May 4, 1979]

§ 233.23 When assistance shall be paid under retrospective budgeting.

(a) A State which uses retrospective budgeting shall specify in its plan that it will make assistance payments within the following time limits to recipients who file a completed report on time, and to those who are not required to file a report. A State shall choose one of two time periods for making assistance payments. The State plan shall provide that payment must be made:

(1) Within 25 days from the close of the budget month; or

(2) Between 25 and 45 days from the close of the budget month.

(b)(1) Where a State makes payments between 25 and 45 days from the close of the budget month, the State plan shall provide that the State will make supplemental payments as provided in § 233.27.

(2) If a State makes payments within 25 days from the close of the budget month, and also makes supplemental

45 CFR Ch. II (10–1–03 Edition)

payments as provided in § 233.27, the State plan shall so specify.

(c) In States which issue two checks for each payment month, these time periods apply to the first check.

[44 FR 26083, May 4, 1979]

§ 233.24 Retrospective budgeting; determining eligibility and computing the assistance payment in the initial one or two months.

(a) States which make assistance payments within 25 days of the close of the budget month shall determine eligibility and compute the amount of the payment for all recipients prospectively for the initial month of assistance. These States may choose to determine eligibility and compute the payment prospectively for the second month, also.

(b) States which make assistance payments between 25 and 45 days from the close of the budget month shall determine eligibility and compute the amount of the payment prospectively for the initial two months of assistance.

(c) When a person who previously received assistance reapplies during the same month in which a termination became effective, eligibility shall be determined according to paragraph (a) or (b) of this section. However, the amount of the assistance payment for the month of the reapplication shall be computed retrospectively.

[44 FR 26083, May 4, 1979]

§ 233.25 Retrospective budgeting; computing the assistance payment after the initial one or two months.

The State plan shall provide:

(a) After the initial one or two payment months of assistance under § 233.24, the amount of each subsequent month's payment shall be computed retrospectively, i.e., shall be based on earned and unearned income received in the corresponding budget month.

(b) In these subsequent months, other factors of need which affect the amount of the assistance payment may also be based on circumstances in the corresponding budget month, or they may be based on circumstances in the payment month.

(c) For the first month in which retrospective budgeting is used, a State

shall not consider income received by the recipient before the date of application. When a person reapplies during the same month in which a termination became effective, the State may consider income received before the date of application.

[44 FR 26083, May 4, 1979]

§ 233.26 Retrospective budgeting; determining eligibility after the initial one or two months.

(a) Under retrospective budgeting, there are three options for determining eligibility. The State plan shall specify that eligibility, following the initial one or two months under § 233.24, shall be determined by one of the following methods:

(1) A State may consider all factors, including income retrospectively, i.e., only from the budget month. For example, if a change in circumstances occurs which affects eligibility, e.g., deprivation ceases, the change may be reported at the end of the budget month and assistance shall be terminated for the corresponding payment month. Thus, even if the agency could have terminated assistance earlier than the corresponding payment month, it shall not do so under retrospective determination of eligibility.

(2) A State may consider all factors, including income, prospectively. For example, if deprivation ceases, and the family becomes ineligible, the agency shall immediately take steps to terminate assistance.

(3) A State may use a combination of the options in paragraphs (a) and (b) of this section by considering factors related to earned and unearned income retrospectively and all other factors prospectively. For example, if a change in income makes the family ineligible, the agency shall wait until the corresponding payment month to terminate assistance. On the other hand, if a change of circumstances other than income makes the family ineligible, the agency shall immediately take steps to terminate assistance.

[44 FR 26083, May 4, 1979; 44 FR 29065, May 18, 1979, as amended at 47 FR 47828, Oct. 28, 1982]

§ 233.27 Supplemental payments under retrospective budgeting.

(a) *General requirements.* A State plan which provides for payments between 25 and 45 days from the close of a budget month, shall provide for supplemental payments to eligible recipients who request them. A State plan which provides for payments within 25 days may provide for supplemental payments:

(1) The supplemental payment shall be paid for the month in which it was requested.

(2) The recipient family is eligible for a supplemental payment if its income for the month is less than 80 percent of the amount the State would pay for a similar family with no income. However, this percentage of the amount the State would pay for a similar family with no income may be set between 80 and 100 percent, as specified in the State plan. The supplemental payment equals the difference between the family's income in the payment month and that percentage.

(3) Supplemental payments shall be issued within 5 working days of request.

(b) *How income is treated.* For purposes of supplemental payments, income includes that month's assistance payment and any income received or expected to be received by the recipient, but does not include work-related expenses.

(1) The amount used for the assistance payment shall be the monthly assistance payment without regard to any recoupments made for prior overpayments or adjustments for prior underpayments.

(2) The agency may include as income cash in hand or available in bank accounts. It may also include as income any cash disregarded in determining need or the amount of the assistance payment, but not cash payments that are disregarded by § 233.20(a)(4)(ii), paragraphs (c) on relocation assistance, (d) on educational grants or loans and (g) on payments for certain services.

[44 FR 26083, May 4, 1979, as amended at 51 FR 9205, Mar. 18, 1986]

§ 233.28

§ 233.28 Monthly reporting.

(a) State plans specifying retrospective budgeting shall require that recipients with earned income, other than income from self-employment, report that income to the agency monthly. The State may require recipients with unearned income, no income, or income from self-employment to report monthly. The agency shall provide a form for this purpose, which:

- (1) Is written in clear simple language;
- (2) Specifies the date by which the agency must receive the form and the consequences of a late or incomplete form, including whether the agency will delay or withhold payment if the form is not returned by the specified date;
- (3) Identifies an individual or agency unit the recipient should contact to receive prompt answers to questions about information requested on the form, and provides a telephone number for this purpose;
- (4) Includes a statement, to be signed by the recipient, that he or she understands that the information he or she provides may result in changes in assistance, including reduction or termination;
- (5) Advises the recipient if supplemental payments are available and the proper procedures for initiating a request; and
- (6) Advises the recipient of his or her right to a fair hearing on any decrease or termination of assistance or denial of a supplemental payment.

(b) The agency shall specify the date by which it must receive the monthly report. This date shall be at least 5 days from the end of the budget month and shall also allow the recipient at least 5 days to complete the report.

(c) The agency may consider a monthly report incomplete only if it is unsigned or omits information necessary to determine eligibility or compute the payment amount.

(d) The agency shall provide a stamped, self-addressed envelope for returning the monthly report.

(e) The agency shall make special provisions for persons who are illiterate or have other handicaps so that

45 CFR Ch. II (10–1–03 Edition)

they cannot complete a monthly report form.

[44 FR 26083, May 4, 1979]

§ 233.29 How monthly reports are treated and what notices are required.

(a) *What happens if a completed monthly report is received on time.* When the agency receives a completed monthly report by the date specified in § 233.28 it shall process the payment. The agency shall notify the recipient of any changes from the prior payment and the basis for its determinations. This notice must meet the requirements of § 205.10(a)(4)(i)(B) of this chapter on adequate notice if the payment is being reduced or assistance is being terminated. This notice must be received by the recipient no later than his or her resulting payment or in lieu of the payment.

(b) *What happens if the completed monthly report is received before the extension deadline.* (1) If the completed monthly report is not received by the date specified in § 233.28, the agency shall send a notice to the recipient. This notice shall inform him or her that the monthly report is overdue or is not complete and that he or she has at least 10 additional days to file. It must inform the recipient that termination may result if that is the agency's policy, if the report is not filed within the extension period. This notice must reach the recipient at least 10 days before the expected payment. However, in States in which the date specified in § 233.28 is within 10 days of the expected payment date, the notice must reach the recipient on or before the expected payment date.

(2) When the report is received within the extension period, the agency may delay payment to the recipient, as follows:

(i) In a State that pays within 25 days of the budget month the payment may be delayed 10 days;

(ii) In a State that pays within 25 to 45 days of the budget month, the payment may not be delayed beyond the 45th day.

(c) *What happens if a monthly report is not received by the end of the extension period.* An agency may terminate assistance if it has not received a report

or has received an incomplete report, and the 10 day extension period has expired. If the State decides to terminate assistance, it must send the recipient a notice which meets the requirements of § 205.10(a)(4)(i)(B) on adequate notice.

(d) *How a recipient may delay an adverse action based on a monthly report.* If a recipient's assistance is reduced or terminated based on information in the monthly report, and he or she requests a fair hearing within 10 days, the assistance payment shall be reinstated immediately at the previous month's level pending the hearing decision. The payment shall be made effective from the date assistance was reduced or terminated.

§ 233.31 Budgeting methods for AFDC.

(a) *Requirements for State plans.* A State plan for AFDC shall specify that all factors of eligibility shall be determined prospectively and the amount of the assistance for any month for all assistance units required to file a monthly report for the month designated as the budget month under the State's retrospective budgeting procedures shall be determined using retrospective budgeting as provided in §§ 233.31–233.37 except as provided in § 233.34. The State plan shall specify whether the State uses prospective or retrospective budgeting to determine the amount of the assistance payments for recipients not required to report monthly. Budgeting methods for OAA, AB, APTD, and AABD are described in §§ 233.21–233.29.

(b) *Definitions.* The following definitions apply to §§ 233.31 through 233.37:

(1) *Prospective budgeting* means that the agency shall determine eligibility (and compute the amount of assistance for the first one or two months) based on its best estimate of income and circumstances which will exist in that month. This estimate shall be based on the agency's reasonable expectation and knowledge of current, past or future circumstances.

(2) *Retrospective budgeting* means that the agency shall compute the amount of assistance for a payment month based on actual income or circumstances which existed in a previous month, the "budget month."

(3) *Budget month* means the fiscal or calendar month from which the agency shall use income or circumstances of the family to compute the amount of assistance.

(4) *Payment month* means the fiscal or calendar month for which an agency shall pay assistance. Payment is based upon income or circumstances in the budget month. In prospective budgeting, the budget month and the payment month are the same. In retrospective budgeting, the payment month follows the budget month.

(5) *Recent work history* means the individual received earned income in any one of the two months prior to the budget month.

[47 FR 5678, Feb. 5, 1982, as amended at 49 FR 35602, Sept. 10, 1984; 57 FR 30160, July 8, 1992]

§ 233.32 Payment and budget months (AFDC).

A State shall specify in its plan for AFDC the time period covered by the payment (payment month) and the time period used to determine that payment (budget month) and whether it adopts (a) a one-month or two-month retrospective system; and (b) a one-month or two-month prospective system for the initial payment months. If a State elects to have a two-month retrospective system it must also elect a two-month prospective system.

[47 FR 5678, Feb. 5, 1982]

§ 233.33 Determining eligibility prospectively for all payment months (AFDC).

(a) The State plan for AFDC shall provide that the State shall determine all factors of eligibility prospectively for all payment months. Thus, the State agency shall establish eligibility based on its best estimate of income and circumstances which will exist in the month for which the assistance payment is made.

(b) When a IV-A agency receives an official report of a child support collection it shall consider that information as provided in § 232.20(a) of this chapter. (§ 232.20(a) explains the treatment of child support collections.)

[47 FR 5678, Feb. 5, 1982]

§ 233.34

§ 233.34 Computing the assistance payment in the initial one or two months (AFDC).

A State shall compute the amount of the AFDC payment for the initial month of eligibility:

(a) Prospectively (except as in paragraphs (b) and (c) of this section); or

(b) Retrospectively if the applicant received assistance (or would have except for the prohibition on payments of less than \$10) for the immediately preceding payment month (except where the State pays the second month after application prospectively); or

(c) Retrospectively if:

(1) Assistance had been suspended as defined in paragraph (d) of this section; and

(2) The initial month follows the month of suspension; and

(3) The family's circumstances for the initial month had not changed significantly from those reported in the corresponding budget month, e.g., loss of job.

(d) A State may suspend, rather than terminate, assistance when:

(1) The agency has knowledge of, or reason to believe that ineligibility would be only for one payment month; and

(2) Ineligibility for that one payment month was caused by income or other circumstances in the corresponding budget month.

(e) If the initial month is computed prospectively as in paragraph (a) of this section, the second month shall be prospective if the State elects a 2-month retrospective budgeting system.

[47 FR 5679, Feb. 5, 1982]

§ 233.35 Computing the assistance payment under retrospective budgeting after the initial one or two months (AFDC).

The State plan for AFDC shall provide:

(a) After the initial one or two payment months of assistance under § 233.34, the amount of each subsequent month's payment shall be computed retrospectively, i.e., shall be based on income and other relevant circumstances in the corresponding budget month except as provided in § 233.20(a)(3)(iii). In any month for which an individual will be determined

45 CFR Ch. II (10-1-03 Edition)

eligible prospectively and will be added to an existing AFDC assistance unit, the State must meet the individual's needs to the same extent it would if the individual were an applicant for AFDC.

(b) Except as provided in § 233.34(b), for the first and second payment month for which retrospective budgeting is used, the State shall not count income from the budget month already considered for any payment month determined prospectively which is not of a continuous nature.

[47 FR 5679, Feb. 5, 1982]

§ 233.36 Monthly reporting (AFDC).

(a) Except as provided in paragraph (b) of this section, a State plan for AFDC shall require the caretaker relative, or another person designated by the State, to submit, on behalf of each assistance unit whose members have earned income or recent work history, each assistance unit which has income deemed to it from individuals living with the unit who have earned income or a recent work history and, at State option, other assistance units, a completed report form to the agency monthly on:

(1) Budget month income, family composition, and other circumstances relevant to the amount of the assistance payment; and

(2) Any changes in income, resources, or other relevant circumstances affecting continued eligibility which the assistance unit expects to occur in the current month or in future months.

(3) The income of a parent or a legal guardian of a minor parent, a step-parent, or an alien sponsor, as well as the resources of an alien sponsor, where appropriate.

(b) A State may exempt categories of recipients otherwise required to report monthly from reporting each month with prior approval by the Secretary if the State can demonstrate that not requiring these cases to file monthly reports is cost effective. The Secretary will grant waivers under this provision for a period up to one year, at the end of which time the State may request an extension of the waiver. A decision by the Secretary not to approve a request for an exemption is not appealable. The plan shall include criteria for

assuring (1) that exempted cases are unlikely to incur changes in circumstances from month to month which would impact their eligibility or amount of assistance and (2) that the administrative cost of requiring those categories to report monthly will be greater than the program savings which would accrue.

(c) States shall also direct recipients to report information as defined in paragraph (a)(2) of this section to the agency as they become aware of expected changes rather than waiting to inform the State on the monthly report.

[47 FR 5679, Feb. 5, 1982 as amended at 49 FR 35602, Sept. 10, 1984; 57 FR 30160, July 8, 1992]

§ 233.37 How monthly reports are treated and what notices are required (AFDC).

(a) *What happens if a completed monthly report is received on time.* When the agency receives a completed monthly report as specified in § 233.36, and if all eligibility conditions are met, it shall process the payment. The agency shall notify the recipient of any changes from the prior payment and the basis for its determinations. This notice must meet the requirements of § 205.10(a)(4)(i)(B) of this chapter on adequate notice if the payment is being reduced or assistance is terminated as a result of information provided in the monthly report. The notice must be mailed to arrive no later than the resulting payment or in lieu of the payment. A recipient has 10 days from the date of the notice to request a hearing in order to receive reinstatement.

(b) *What happens if a completed monthly report is not received by the agency.* An agency may terminate assistance if it has received no report or has received only an incomplete report as defined by the State. In this case, the agency must send the recipient a notice meeting the requirements of § 205.10(a)(4)(i)(B) to arrive not later than the date it would have made payment if the agency had received a completed monthly report on time. If the recipient notifies the agency and files a completed report within 10 days of the date of this notice, the agency must accept the replacement form and make a payment based on the information on

the form if the information indicates that the person is still eligible (without the applicable earned income disregards if the State agency determines no good cause exists for failing to file a timely report of earnings). If the recipient is found ineligible or eligible for an amount less than the prior month's payment, the State must promptly notify the recipient of his or her right to a fair hearing and his or her right to have assistance reinstated. A recipient has 10 days from the date of the notice to request a hearing in order to receive reinstatement.

(c) *What happens if a completed monthly report is received but is not timely.* States must specify in their plans a definition of timeliness related to the filing of a monthly report and the number of days an individual has to report changes in earnings which impact eligibility. States must inform recipients what constitutes timeliness and that no disregard of earnings as described in § 233.20(a)(11) (i) and (ii)(B) (\$30 and one-third, child care, and work expenses) will be applied to any earnings which are not reported in a timely manner without good cause. The State must provide recipients an opportunity to show good cause for not filing a timely report of earnings. If the State finds good cause, then applicable earned income disregards will be applied in determining payment. If the State does not find good cause, then applicable earned income disregards will not be applied. If the recipient is found ineligible or eligible for an amount less than the prior month's payment, the State must promptly notify the recipient of his or her right to a fair hearing and his or her right to have assistance reinstated. A recipient has 10 days from the date of the notice to request a hearing in order to receive reinstatement.

§ 233.38 Waiver of monthly reporting and retrospective budgeting requirements; AFDC.

(a) States may request waivers of the requirements at §§ 233.31-233.37 to promote compatibility with monthly reporting and budgeting requirements of the Food Stamp Act of 1977 as amended.

§ 233.39

(b) The Secretary will not approve requests for waivers unless the information documenting the need for the waiver shows that the waiver would simplify administration of both programs and would not result in a net cost to the Federal government. Approvals for waivers will be for periods up to one year, after which time the State may request an extension of the waiver.

(c) Any decision by the Secretary not to approve a request for a waiver is not appealable.

[49 FR 35602, Sept. 10, 1984]

§ 233.39 Age.

(a) *Condition for plan approval.* A State plan under title I or XVI of the Social Security Act may not impose any age requirement of more than 65 years.

(b) *Federal financial participation.* (1) Federal financial participation is available in financial assistance provided to otherwise eligible persons who were, for any portion of the month for which assistance is paid:

(i) In OAA or AABD with respect to the aged, 65 years of age or over;

(ii) In AFDC, under 18 years of age; or age 18 if a full-time student in a secondary school, or in the equivalent level of vocational or technical training, and reasonably expected to complete the program before reaching age 19.

(iii) In AB or AABD with respect to the blind, any age;

(iv) In APTD or AABD with respect to the disabled, 18 years of age or older.

(2) Federal determination of whether an individual meets the age requirements of the Social Security Act will be made according to the common-law method (under which a specific age is attained the day before the anniversary of birth), unless the State plan specifies that the popular usage method (under which an age is attained on the anniversary of birth), is used.

(3) The State agency may adopt an arbitrary date such as July 1 as the point from which age will be computed in all instances where the month of an

45 CFR Ch. II (10–1–03 Edition)

individual's birth is not available, but the year can be established.

§ 233.40 Residence.

(a) *Condition for plan approval.* A State plan under title I, IV–A, X, XIV, or XVI of the Social Security Act may not impose any residence requirement which excludes any individual who is a resident of the State except as provided in paragraph (b) of this section. For purposes of this section:

(1) A resident of a State is one: (i) Who is living in the State voluntarily with the intention of making his or her home there and not for a temporary purpose. A child is a resident of the State in which he or she is living other than on a temporary basis. Residence may not depend upon the reason for which the individual entered the State, except insofar as it may bear upon whether the individual is there voluntarily or for a temporary purpose; or

(ii) Who, is living in the State, is not receiving assistance from another State, and entered the State with a job commitment or seeking employment in the State (whether or not currently employed). Under this definition, the child is a resident of the State in which the caretaker is a resident.

(2) Residence is retained until abandoned. Temporary absence from the State, with subsequent returns to the State, or intent to return when the purposes of the absence have been accomplished, does not interrupt continuity of residence.

(b) *Exception.* A State plan under title I, X, XIV, or XVI need not include an individual who has been absent from the State for a period in excess of 90 consecutive days (regardless of whether the individual has maintained his or her residence in the State during this period) until he or she has been present in the State for a period of 30 consecutive days (or a shorter period specified by the State) in the case of such individual who has maintained residence in the State during such period of absence or for a period of 90 consecutive days (or a shorter period as specified by the State) in the case of any other such individual. An individual thus excluded

under any such plan may not, as a consequence of that exclusion, be excluded from assistance under the State's title XIX plan if otherwise eligible under the title XIX plan (see 42 CFR 436.403).

§ 233.50 Citizenship and alienage.

(a) A citizen, or

(b) An alien lawfully admitted for permanent residence or otherwise permanently residing in the United States under color of law, including certain aliens lawfully present in the United States as a result of the application of the following provisions of the Immigration and Nationality Act:

(2) Section 203(a)(7), in effect prior to April 1, 1980—Individuals who were Granted Status as Conditional Entrant Refugees.

(3) Section 208—Aliens Granted Political Asylum by the Attorney General.

(4) Section 212(d)(5)—Aliens Granted Temporary Parole Status by the Attorney General, or

(c) An alien granted lawful temporary resident status pursuant to section 201, 302, or 303 of the Immigration Reform and Control Act of 1986 (Pub. L. 99-603) who must be either:

(1) A Cuban and Haitian entrant as defined in paragraph (1) or (2)(A) of section 501(e) of Pub. L. 96-422, as in effect on April 1, 1983, or

(2) An adult assistance applicant for OAA, AB, APTD, or AABD, or

(3) An applicant for AFDC who is not a Cuban and Haitian applicant under paragraph (c)(1) of this section who was adjusted to lawful temporary resident status more than five years prior to application.

All other aliens granted lawful temporary or permanent resident status, pursuant to sections 201, 302, or 303 of

the Immigration Reform and Control Act of 1986, are disqualified for five years from the date lawful temporary resident status is granted.

§ 233.51 Eligibility of sponsored aliens.

Definition: *Sponsor* is any person who, or any public or private agency or organization that, executed an affidavit(s) of support or similar agreement on behalf of an alien (who is not the child of the sponsor or the sponsor's spouse) as a condition of the alien's entry into the United States. Paragraphs (a) through (d) of this section apply only to aliens who are sponsored by individuals and who filed applications for the first time after September 30, 1981. Paragraphs (e) and (f) apply only to aliens sponsored by public or private agencies or organizations with respect to periods after October 1, 1984. A State plan under title IV-A of the Act shall provide that:

(a) For a period of three years following entry for permanent residence into the United States, a sponsored alien who is not exempt under paragraph (g) of this section, shall provide the State agency with any information and documentation necessary to determine the income and resources of the sponsor and the sponsor's spouse (if applicable and if living with the sponsor) that can be deemed available to the alien, and obtain any cooperation necessary from the sponsor.

(b) The income and resources of a sponsor and the sponsor's spouse shall be deemed to be the unearned income and resources of an alien for three years following the alien's entry into the United States:

(1) Monthly income deemed available to the alien from the sponsor and the sponsor's spouse not receiving AFDC or SSI shall be:

(i) The total monthly unearned and earned income of the sponsor and sponsor's spouse reduced by 20 percent (not to exceed \$175) of the total of any amounts received by them in the month as wages or salary or as net earnings from self-employment.

(ii) The amount described in paragraph (b)(1)(i) of this section reduced by:

(A) The cash needs standard under the plan in the alien's State of residence for a family of the same size and composition as the sponsor and those other people living in the same household as the sponsor who are or could be claimed by the sponsor as dependents to determine his or her Federal personal income tax liability but whose needs are not taken into account in making a determination under § 233.20 of this chapter;

(B) Any amounts actually paid by the sponsor or sponsor's spouse to people not living in the household who are or could be claimed by them as dependents to determine their Federal personal income tax liability; and

(C) Actual payments of alimony or child support, with respect to individuals not living in the household.

(2) Monthly resources deemed available to the alien from the sponsor and sponsor's spouse shall be the total amount of their resources determined as if they were applying for AFDC in the alien's State of residence, less \$1500.

(c) In any case where a person is the sponsor of two or more aliens, the income and resources of the sponsor and sponsor's spouse, to the extent they would be deemed the income and resources of any one of the aliens under the provisions of this section, shall be divided equally among the sponsored aliens.

(d) Income and resources which are deemed to a sponsored alien shall not be considered in determining the need of other unsponsored members of the alien's family except to the extent the income or resources are actually available.

(e) For a period of three years following entry for permanent residence into the United States, any alien who is not exempt under paragraph (g) of this section and has been sponsored by a public or private agency or organization, shall be ineligible for assistance unless the State agency determines (in accordance with paragraph (f)) that the sponsor no longer exists or has become unable to meet the alien's needs.

(f) The State plan shall set forth the criteria the State agency will use in determining whether an agency or organization no longer exists or is unable to meet the alien's needs and the documentation the agency will require of the alien in making such determination. The sponsored alien shall provide the State agency with any information and documentation necessary for such determination and obtain any cooperation necessary from the sponsor.

(g) The provisions of this section shall not apply to any alien who is:

(1) Admitted as a conditional entrant refugee to the United States as a result of the application, of the provisions of section 203(a)(7) (in effect prior to April 1, 1980) of the Immigration and Nationality Act;

(2) Admitted as a refugee to the United States as a result of the application of the provisions of section 207(c) (in effect after March 31, 1980) of the Immigration and Nationality Act;

(3) Paroled into the United States as a refugee under section 212(d)(5) of the Immigration and Nationality Act;

(4) Granted political asylum by the Attorney General under section 208 of the Immigration and Nationality Act;

(5) A Cuban or Haitian entrant, as defined in section 501(e) of the Refugee Education Assistance Act of 1980 (Pub. L. 96-422); or

(6) The dependent child of the sponsor or sponsor's spouse.

(h) The Secretary shall make information necessary to make a determination under this section and supplied under agreement with the Secretary of State and the Attorney General, available upon request to a concerned State Agency.

§ 233.52 Overpayment to aliens.

A State Plan under title IV-A of the Social Security Act, shall provide that:

(a) Any sponsor of an alien and the alien shall be jointly and severally liable for any overpayment of aid under the State plan made to the alien during the three years after the alien's entry into the United States due to the sponsor's failure to provide correct information under the provisions of § 233.51,

except as provided in paragraph (b) of this section.

(b) When a sponsor is found to have good cause or to be without fault (as defined in the State plan) for not providing information to the agency, the sponsor will not be held liable for the overpayment and recovery will not be made from this sponsor.

(c) An overpayment for which the alien or the sponsor and the alien are liable (as described in paragraphs (a) and (b) of this section) shall be repaid to the State or recovered in accordance with § 233.20(a)(13). If the agency is unable to recover the overpayment through this method, funds to reimburse the agency for the overpayment shall be withheld from future payments to which the alien or the alien and the individual sponsor are entitled under:

(1) Any State administered or supervised program established by the Social Security Act, or

(2) Any federally administered cash benefit program established by the Social Security Act.

§ 233.53 Support and maintenance assistance (including home energy assistance) in AFDC.

(a) *General.* At State option, certain support and maintenance assistance (including home energy assistance) may be excluded from income and resources.

(b) *Definitions.* The following definitions are limited to the support and maintenance assistance provisions of this section.

Appropriate State agency means the agency designated by the chief executive officer of the State to handle the State's responsibilities with respect to support and maintenance assistance under paragraph (c) of this section.

Based on need means that the assistance is given to or on behalf of an applicant or recipient for the purpose of support and maintenance (including home energy) and meets the criteria established by the State for determining the need for such assistance.

In kind assistance means assistance furnished in any form except direct cash payments to an applicant or re-

cipient or direct payments to an applicant or recipient through other financial instruments which are convertible to cash.

Private, nonprofit organization means a religious, charitable, educational, or other organization such as described in section 501(c) of the Internal Revenue Code of 1954. (Actual tax exempt certification by IRS is not necessary).

Rate-of-return entity means an entity whose revenues are primarily received from the entity's charges to the public for goods or services, and such charges are based on rates regulated by a State or Federal governmental body.

Support and maintenance assistance means any assistance designed to meet the expenses of day to day living. Support and maintenance assistance includes home energy assistance. Home energy assistance means any assistance related to meeting the cost of heating or cooling a home. Home energy assistance includes such items as payments for utility service or bulk fuels; assistance in kind such as portable heaters, fans, blankets, storm doors, or other items which help reduce the costs of heating and cooling such as conservation or weatherization materials and services; etc.

(c) *Requirements for State Plans.* If a State elects to exclude from income and resources support and maintenance assistance, the State plan for AFDC must as specified below:

(1) Provide that an appropriate State agency will certify that support and maintenance assistance is based on need (as defined in paragraph (b) of this section), and that such certification will be accepted for purposes of determining eligibility for and the amount of payments under the AFDC program.

(2) Provide that in joint AFDC/SSI households, support and maintenance assistance furnished to the household which is not excluded under this paragraph will be prorated on a reasonable basis to determine the amount provided to the AFDC assistance unit. The State plan must describe the method that will be used to prorate the assistance in these circumstances.

(3) Provide that the types and amount of support and maintenance assistance that are excluded when received by an AFDC applicant or recipient will also be excluded in determining the income and resources of a parent, stepparent, spouse or alien sponsor whose income is considered available to an AFDC applicant or recipient.

(4) Provide that the State may exclude, from income and resources, support and maintenance assistance (as defined in paragraph (b) of this section) which the appropriate State agency certifies is based on need, if the assistance is furnished by:

(i) A supplier of home heating gas or oil, regardless of whether the assistance is in cash or in kind; or

(ii) A municipal utility providing home energy, regardless of whether the assistance is in cash or in kind; or

(iii) A rate-of-return entity which provides home energy, regardless of whether the assistance is in cash or in kind; or

(iv) A private nonprofit organization, but only if such assistance is in kind.

(5) Provide that, if the State elects to exclude from income and resources any support and maintenance assistance, the State plan must:

(i) Describe the criteria that will be used to determine the need for the assistance;

(ii) Identify the types and amounts of assistance which will be excluded; and

(iii) Provide that any limitations will be made on a reasonable basis.

§ 233.60 Institutional status.

(a) *Federal financial participation.* (1) Federal financial participation under title I, X, XIV, or XVI of the Social Security Act is not available in payments to or in behalf of any individual who is an inmate of a public institution except as a patient in a medical institution.

(2)(i) Federal financial participation under title X or XIV of the Social Security Act is not available in payments to or in behalf of any individual who is a patient in an institution for tuberculosis or mental diseases.

(ii) Federal financial participation under title XVI of the Social Security Act is not available in payments to or in behalf of any individual who has not attained 65 years of age and who is a patient in an institution for tuberculosis or mental diseases.

(3) For purposes of this paragraph:

(i) Federal financial participation is available in payments for the month in which an individual (if otherwise eligible) became an inmate of a public institution, or a patient in an institution for tuberculosis or mental diseases;

(ii) Whether an institution is one for tuberculosis or mental diseases will be determined by whether its overall character is that of a facility established and maintained primarily for the care and treatment of individuals with tuberculosis or mental diseases (whether or not it is licensed);

(iii) An institution for the mentally retarded is not an institution for mental diseases;

(iv) An individual on conditional release or convalescent leave from an institution for mental diseases is not considered to be a patient in such institution.

(b) *Definitions.* For purposes of Federal financial participation under paragraph (a) of this section:

(1) *Institution* means an establishment which furnishes (in single or multiple facilities) food and shelter to four or more persons unrelated to the proprietor, and in addition, provides some treatment or services which meet some need beyond the basic provision of food and shelter.

(2) *In an institution* refers to an individual who is admitted to participate in the living arrangements and to receive treatment or services provided there which are appropriate to his requirements.

(3) *Public institution* means an institution that is the responsibility of a governmental unit or over which a governmental unit exercises administrative control.

(4) *Inmate of a public institution* means a person who is living in a public institution. An individual is not considered an inmate when:

(i) He is in a public educational or vocational training institution, for purposes of securing education or vocational training, or

(ii) He is in a public institution for a temporary emergent period pending other arrangements appropriate to his needs.

(5) *Medical institution* means an institution which:

(i) Is organized to provide medical care, including nursing and convalescent care;

(ii) Has the necessary professional personnel, equipment, and facilities to manage the medical, nursing, and other health needs of patients on a continuing basis in accordance with accepted standards;

(iii) Is authorized under State law to provide medical care;

(iv) Is staffed by professional personnel who have clear and definite responsibility to the institution in the provision of professional medical and nursing services including adequate and continual medical care and supervision by a physician; sufficient registered nurse or licensed practical nurse supervision and services and nurse aid services to meet nursing care needs; and appropriate guidance by a physician(s) on the professional aspects of operating the facility.

(6) *Institution for tuberculosis* means an institution which is primarily engaged in providing diagnosis, treatment, or care of persons with tuberculosis, including medical attention, nursing care, and related services.

(7) *Institution for mental diseases* means an institution which is primarily engaged in providing diagnosis, treatment or care of persons with mental diseases, including medical attention, nursing care, and related services.

(8) *Patient* means an individual who is in need of and receiving professional services directed by a licensed practitioner of the healing arts toward maintenance, improvement, or protection of health, or alleviation of illness, disability, or pain.

§ 233.70 Blindness.

(a) *State plan requirements.* A State plan under title X or XVI of the Social Security Act must:

(1) Contain a definition of blindness in terms of ophthalmic measurement. The following definition is recommended: An individual is considered blind if he has central visual acuity of 20/200 or less in the better eye with correcting glasses or a field defect in which the peripheral field has contracted to such an extent that the widest diameter of visual field subtends an angular distance of no greater than 20°.

(2) Provide, in any instance in which a determination is to be made whether an individual is blind or continues to be blind as defined under the State plan, that there will be an initial examination or re-examination performed by either a physician skilled in the diseases of the eye or by an optometrist, whichever the individual so selects.

(i) No examination is necessary when both eyes are missing.

(ii) Where an initial eye examination or re-examination is necessary, the physician or optometrist conducting such examination will submit to the State agency a report thereof, on such forms and in such manner, as may be prescribed for such purpose. A determination whether the individual meets the State's definition of blindness under the State plan will be based upon a review of such eye examination report as provided for in paragraph (a)(3) of this section, and other information or additional examination reports as the State deems necessary.

(3) Provide that each initial eye examination report and any subsequent re-examination report will be reviewed by a State reviewing physician skilled in the diseases of the eye (e.g., an ophthalmologist or an eye, ear, nose and throat specialist). Such physician is responsible for making the agency's decision that the applicant or recipient does or does not meet the State's definition of blindness, and for determining if and when reexaminations are necessary in periodic reviews of eligibility, as required in § 206.10(a)(9)(iii) of this chapter.

(b) *Federal financial participation—(1) Assistance payments.* Federal financial participation is available in assistance provided to or in behalf of any otherwise eligible person who is blind under

§ 233.80

the State's title X or XVI plan. Blindness may be considered as continuing until a determination by the reviewing physician establishes the fact that the recipient's vision has improved beyond the State's definition of blindness set forth under its State title of X or XVI plan.

(2) *Administrative expenses.* Federal financial participation is available in any expenditures incident to the eye examination necessary to determine whether an individual is blind.

[36 FR 3867, Feb. 27, 1971, as amended at 40 FR 25819, June 19, 1975]

§ 233.80 Disability.

(a) *State plan requirements.* A State plan under title XIV or XVI of the Social Security Act must:

(1) Contain a definition of permanently and totally disabled, showing that:

(i) "Permanently" is related to the duration of the impairment or combination of impairments; and

(ii) "Totally" is related to the degree of disability.

The following definition is recommended:

"Permanently and totally disabled" means that the individual has some permanent physical or mental impairment, disease, or loss, or combination thereof, this substantially precludes him from engaging in useful occupations within his competence, such as holding a job.

Under this definition:

"Permanently" refers to a condition which is not likely to improve or which will continue throughout the lifetime of the individual; it may be a condition which is not likely to respond to any known therapeutic procedures, or a condition which is likely to remain static or to become worse unless certain therapeutic measures are carried out, where treatment is unavailable, inadvisable, or is refused by the individual on a reasonable basis; "permanently" does not rule out the possibility of vocational rehabilitation or even possible recovery in light of future medical advances or changed prognosis; in this sense the term refers to a condition which continues indefinitely, as distinct from one which is temporary or transient;

"Totally" involves considerations in addition to those verified through the medical findings, such as age, training, skills, and work experience, and the probable functioning of the individual in his particular situation in light of his impairment; an individual's disability would usually be tested in relation to ability to engage in remunerative

45 CFR Ch. II (10–1–03 Edition)

employment; the ability to keep house or to care for others would be the appropriate test for (and only for) individuals, such as housewives, who were engaged in this occupation prior to the disability and do not have a history of gainful employment; eligibility may continue, even after a period of rehabilitation and readjustment, if the individual's work capacity is still very considerably limited (in comparison with that of a normal person) in terms of such factors as the speed with which he can work, the amount he can produce in a given period of time, and the number of hours he is able to work.

(2) Provide for the review of each medical report and social history by technically competent persons—not less than a physician and a social worker qualified by professional training and pertinent experience—acting cooperatively, who are responsible for the agency's decision that the applicant does or does not meet the State's definition of permanent and total disability. Under this requirement:

(i) The medical report must include a substantiated diagnosis, based either on existing medical evidence or upon current medical examination;

(ii) The social history must contain sufficient information to make it possible to relate the medical findings to the activities of the "useful occupation" and to determine whether the individual is totally disabled, and

(iii) The review physician is responsible for setting dates for reexamination; the review team is responsible for reviewing reexamination reports in conjunction with the social data to determine whether disabled recipients whose health condition may improve continue to meet the State's definition of permanent and total disability.

(3) Provide for cooperative arrangements with related programs, such as vocational rehabilitation services.

(b) *Federal financial participation—(1) Assistance payments.* Federal financial participation is available in payments to or in behalf of any otherwise eligible individual who is permanently and totally disabled. Permanent and total disability may be considered as continuing until the review team establishes the fact that the recipient's disability is no longer within the State's definition of permanent and total disability.

(2) *Administrative expenses.* Federal financial participation is available in any expenditures incident to the medical examinations necessary to determine whether an individual is permanently and totally disabled.

§ 233.90 Factors specific to AFDC.

(a) *State plan requirements.* A State plan under title IV-A of the Social Security Act shall provide that:

(1) The determination whether a child has been deprived of parental support or care by reason of the death, continued absence from the home, or physical or mental incapacity of a parent, or (if the State plan includes such cases) the unemployment of his or her parent who is the principal earner will be made only in relation to the child's natural or adoptive parent, or in relation to the child's stepparent who is married, under State law, to the child's natural or adoptive parent and is legally obligated to support the child under State law of general applicability which requires stepparents to support stepchildren to the same extent that natural or adoptive parents are required to support their children. Under this requirement, the inclusion in the family, or the presence in the home, of a "substitute parent" or "man-in-the-house" or any individual other than one described in this paragraph is not an acceptable basis for a finding of ineligibility or for assuming the availability of income by the State; and

(2) Where it has reason to believe that a child receiving aid is in an unsuitable environment because of known or suspected instances of physical or mental injury, sexual abuse or exploitation, or negligent treatment or maltreatment of such child, under circumstances which indicate the child's health or welfare is threatened, the State or local agency will:

(i) Bring such condition to the attention of a court, law-enforcement agency, or other appropriate agency in the State, providing whatever data it has with respect to the situation;

(ii) In reporting such conditions, use the same criteria as are used in the State for all other parents and children; and

(iii) Cooperate with the court or other agency in planning and implementing action in the best interest of the child.

(b) *Conditions for plan approval.* (1) A child may not be denied AFDC either initially or subsequently "because of the conditions of the home in which the child resides", or because the home is considered "unsuitable", unless "provision is otherwise made pursuant to a State statute for adequate care and assistance with respect to such child". (Section 404(b) of the Social Security Act.)

(2) An otherwise eligible child who is under the age of 18 years may not be denied AFDC, regardless of whether she attends school (unless she is required to participate in the JOBS program pursuant to §250.30 and she is assigned to educational activities) or makes satisfactory grades.

(3) A state may elect to include in its AFDC program children age 18 who are full-time students in a secondary school, or in the equivalent level of vocational or technical training, and who may reasonably be expected to complete the program before reaching age 19.

(4)(i) A child may not be denied AFDC either initially or subsequently because a parent or other caretaker relative fails to cooperate with the child support agency in performing any of the activities needed to:

(A) Establish the paternity of a child born out of wedlock; or

(B) Obtain support from a person having a legal duty to support the child.

(ii) Any parent or caretaker relative who fails to so cooperate shall be treated in accordance with §232.12 of this chapter.

(5) [Reserved]

(6) An otherwise eligible child may not be denied AFDC if a parent is mentally or physically incapacitated as defined in paragraph (c)(1)(iv) of this section.

(c) *Federal financial participation.* (1) Federal financial participation under title IV-A of the Social Security Act in payments with respect to a "dependent child," as defined in section 406(a) of the Act, is available within the following interpretations:

(i) *Needy child deprived by reason of.* The phrase “needy child * * * deprived * * * by reason of” requires that both need and deprivation of parental support or care exist in the individual case. The phrase encompasses the situation of any child who is in need and otherwise eligible, and whose parent—father or mother—either has died, has a physical or mental incapacity, or is continually absent from the home. This interpretation is equally applicable whether the parent was the chief bread winner or devoted himself or herself primarily to the care of the child, and whether or not the parents were married to each other. The determination whether a child has been deprived of parental support or care is made in relation to the child’s natural parent or, as appropriate, the adoptive parent or stepparent described in paragraph (a) of this section.

(ii) *Death of a parent.* If either parent of a child is deceased, the child is deprived of parental support or care, and may, if he is in need and otherwise eligible, be included within the scope of the program.

(iii) *Continued absence of the parent from the home.* Continued absence of the parent from the home constitutes the reason for deprivation of parental support or care when the parent is out of the home, the nature of the absence is such as either to interrupt or to terminate the parent’s functioning as a provider of maintenance, physical care, or guidance for the child, and the known or indefinite duration of the absence precludes counting on the parent’s performance of the function of planning for the present support or care of the child. If these conditions exist, the parent may be absent for any reason, and may have left only recently or some time previously; except that a parent whose absence is occasioned solely by reason of the performance of active duty in the uniformed services of the United States (as defined in section 101(3) of Title 37, United States code) is not considered absent from the home. A parent who is a convicted offender but is permitted to live at home while serving a court-imposed sentence by performing unpaid public work or unpaid community service during the

workday is considered absent from the home.

(iv) *“Physical or mental incapacity”.* “Physical or mental incapacity” of a parent shall be deemed to exist when one parent has a physical or mental defect, illness, or impairment. The incapacity shall be supported by competent medical testimony and must be of such a debilitating nature as to reduce substantially or eliminate the parent’s ability to support or care for the otherwise eligible child and be expected to last for a period of at least 30 days. In making the determination of ability to support, the agency shall take into account the limited employment opportunities of handicapped individuals.

A finding of eligibility for OASDI or SSI benefits, based on disability or blindness is acceptable proof of incapacity for AFDC purposes.

(v) *“Living with [a specified relative] in a place of residence maintained * * * as his * * * own home”.* (A) A child may be considered to meet the requirement of living with one of the relatives specified in the Act if his home is with a parent or a person in one of the following groups:

(1) Any blood relative, including those of half-blood, and including first cousins, nephews, or nieces, and persons of preceding generations as denoted by prefixes of grand, great, or great-great.

(2) Stepfather, stepmother, stepbrother, and stepsister.

(3) Person who legally adopt a child or his parent as well as the natural and other legally adopted children of such persons, and other relatives of the adoptive parents in accordance with State law.

(4) Spouses of any persons named in the above groups even after the marriage is terminated by death or divorce.

(B) A home is the family setting maintained or in process of being established, as evidenced by assumption and continuation of responsibility for day to day care of the child by the relative with whom the child is living. A home exists so long as the relative exercises responsibility for the care and control of the child, even though either the child or the relative is temporarily

absent from the customary family setting. Within this interpretation, the child is considered to be “living with” his relative even though:

(1) He is under the jurisdiction of the court (e.g., receiving probation services or protective supervision); or

(2) Legal custody is held by an agency that does not have physical possession of the child.

(2) Federal financial participation is available in:

(i) Initial payments made on behalf of a child who goes to live with a relative specified in section 406(a)(1) of the Social Security Act within 30 days of the receipt of the first payment, provided payments are not made for concurrent period for the same child in the home of another relative or as foster care under title IV-E;

(ii) Payments made for the entire month in the course of which a child leaves the home of a specified relative, provided payments are not made for a concurrent period for the same child in the home of another relative or as foster care under title IV-E; and

(iii) Payments made to persons acting for relatives specified in section 406(a)(1) of the Act in emergency situations that deprive the child of the care of the relative through whom he has been receiving aid, for a temporary period necessary to make and carry out plans for the child’s continuing care and support.

(iv) At State option, (A) payments with respect to a pregnant woman with no other children receiving assistance, and additionally, at State option, (B) payments for the purpose of meeting special needs occasioned by or resulting from pregnancy both for the pregnant woman with no other children as well as for the pregnant woman receiving AFDC. However, for both paragraphs (c)(2)(iv) (A) and (B) of this section it must be medically verified that the child is expected to be born in the month such payments are made or within the three-month period following such month of payment, and who, if such child had been born and was living with her in the month of payment, would be eligible for aid to families with dependent children. Federal financial participation is not available to meet the needs of the un-

born child. (Refer to Medicaid regulations at 42 CFR 435.115 for Medicaid coverage of pregnant women.)

(3) Federal financial participation (at the 50 percent rate) is available in any expenses incurred in establishing eligibility for AFDC, including expenses incident to obtaining necessary information to determine the existence of incapacity of a parent or pregnancy of a mother.

§ 233.100 Dependent children of unemployed parents.

(a) Requirements for State Plans. If a State wishes to provide AFDC for children of unemployed parents, the State plan under title IV-A of the Social Security Act must:

(1) Include a definition of an unemployed parent who is the principal earner which shall apply only to families determined to be needy in accordance with the provisions in § 233.20. Such definition must include any such parent who:

(i) Is employed less than 100 hours a month; or

(ii) Exceeds that standard for a particular month, if the work is intermittent and the excess is of a temporary nature as evidenced by the fact that he or she was under the 100-hour standard for the prior 2 months and is expected to be under the standard during the next month; except that at the option of the State, such definition need not include a principal earner who is unemployed because of participation in a labor dispute (other than a strike) or by reason of conduct or circumstances which result or would result in disqualification for unemployment compensation under the State’s unemployment compensation law.

(2) Include a definition of a dependent child which shall include any child of an unemployed parent (as defined by the State pursuant to paragraph (a)(1) of this section) who would be, except for the fact that his parent is not dead,

absent from the home, or incapacitated, a dependent child under the State's plan approved under section 402 of the Act.

(3) Provide for payment of aid with respect to any dependent child (as defined by the State pursuant to paragraphs (a)(2) of this section) when the conditions set forth in paragraphs (a)(3) (i), (ii), (iii), and (vii) of this section are met:

(i) His or her parent who is the principal earner has been unemployed for at least 30 days prior to the receipt of such aid.

(ii) Such parent has not without good cause, within such 30-day period prior to the receipt of such aid, refused a bona fide offer of employment or training for employment. Before it is determined that such parent has refused a bona fide offer of employment or training for employment without good cause, the agency must make a determination that such an offer was actually made. (In the case of offers of employment made through the public employment or manpower agencies, the determination as to whether the offer was bona fide, or whether there was good cause to refuse it, will be made by that office or agency.) The parent must be given an opportunity to explain why such offer was not accepted. Questions with respect to the following factors must be resolved:

(a) That there was a definite offer of employment at wages meeting any applicable minimum wage requirements and which are customary for such work in the community;

(b) Any questions as to the parent's inability to engage in such employment for physical reasons or because he has no way to get to or from the particular job; and

(c) Any questions of working conditions, such as risks to health, safety, or lack of worker's compensation protection.

(iii) Such parent (a) has six or more quarters of work (as defined in paragraph (a)(3)(iv) of this section), within any 13-calendar-quarter period ending within 1 year prior to the application for such aid, or (b) within such 1-year period, received unemployment compensation under an unemployment compensation law of a State or of the

United States, or was qualified under the terms of paragraph (a)(3)(v) of this section) for such compensation under the State's unemployment compensation law.

(iv) A "quarter of work" with respect to any individual means a period (of 3 consecutive calendar months ending on March 31, June 30, September 30, or December 31) in which he or she received earned income of not less than \$50 (or which is a "quarter of coverage" as defined in section 213(a)(2) of the Act), or in which he or she participated in a community work experience program under section 409 of the Act or the work incentive program established under title IV-C of the Act.

(v) An individual shall be deemed "qualified" for unemployment compensation under the State's unemployment compensation law if he would have been eligible to receive such benefits upon filing application, or he performed work not covered by such law which, if it had been covered, would (together with any covered work he performed) have made him eligible to receive such benefits upon filing application.

(vi)(A) The "parent who is the principal earner" means, in the case of any child, whichever parent, in a home in which both parents of such child are living, earned the greater amount of income in the 24-month period the last month of which immediately precedes the month in which an application is filed for aid under this part on the basis of the unemployment of a parent. If the State cannot secure primary evidence of earnings for this period, the State shall designate the principal earner, using the best evidence available. The earnings of each parent are considered in determining the principal earner regardless of when their relationship began. The principal earner so defined remains the principal earner for each consecutive month for which the family receives such aid on the basis of such application. This requirement applies to both new applicants and current AFDC unemployed parent families who were eligible and receiving aid prior to October 1, 1981.

(B) If both parents earned an identical amount of income (or earned no income) in such 24-month period, the

State shall designate which parent shall be the principal earner.

(vii) The parent who is the principal earner (unless exempt under §240.14) has met the requirements for participation in an employment search program under part 240 of this chapter.

(4) Provide for entering into cooperative arrangements with the State agency responsible for administering or supervising the administration of vocational education to assure maximum utilization of available public vocational education services and facilities in the State to encourage the retraining of individuals capable of being retrained.

(5) Provide for the denial of such aid to any such dependent child or the relative specified in section 406(a)(1) of the Act with whom such child is living.

(i) If and for so long as such child's parent, unless exempt under §224.20, is not currently registered for the work incentive program or if exempt under §224.20(b)(6), is not currently registered with a public employment office in the State, except that in a State with an approved JOBS plan under §250.20, such child's parent, unless exempt under §250.30(b), must be currently participating (or available for participation) in a program under part 250, or, if he is exempt under §250.30(b)(5), must be registered with a public employment office in the State, and

(ii) With respect to any week for which such child's parent qualifies for unemployment compensation under an unemployment compensation law of the State or of the United States but refuses to apply for or accept such unemployment compensation, and

(iii) If the parent who is the principal earner (unless exempt under §240.14) fails to meet the requirements for participation in a program of employment search established under part 240 of this chapter.

(6) Provide that within 30 days after the receipt of such aid, unemployed principal earners will be certified for participation in the Work Incentive program under part 224 or, if the State IV-A agency has an approved JOBS plan pursuant to §250.20, will participate or apply for participation in a program under part 250 unless the program

is not available in the area where the parent is living.

(b) [Reserved]

(c) *Federal financial participation.* (1) Federal financial participation is available in payments authorized in accordance with the State plan approved under section 402 of the Act as aid to families with dependent children with respect to a child.

(i) Who meets the requirements of section 406(a)(2) of the Act;

(ii) Who is living with any of the relatives specified in section 406(a)(1) of the Act in a place of residence maintained by one or more of such relatives as his (or their) own home;

(iii) Who has been deprived of parental support or care by reason of the fact that his or her parent who is the principal earner is employed less than 100 hours a month; or exceeds that standard for a particular month if his or her work is intermittent and the excess is of a temporary nature as evidenced by the fact that he or she was under the 100-hour standard for 2 prior months and is expected to be under the standard during the next month.

(iv) Whose parent who is the principal earner (a) has six or more quarters of work (as defined in paragraph (a)(3)(iv) of this section) within any 13-calendar-quarter period ending within 1 year prior to the application for such aid, (b) within such 1-year period, received unemployment compensation under an unemployment compensation law of a State or of the United States, or was qualified (under the terms of paragraph (a)(3)(v) of this section) for such compensation under the State's unemployment compensation law; and

(v) Whose parent who is the principal earner (a) is currently registered with the WIN program unless exempt or is registered with the public employment office in the State if exempt from WIN registration under §224.20(b)(6) or because there is no WIN program in which he can effectively participate; and (b) has not refused to apply for or accept unemployment compensation with respect to any week for which such child's parent qualifies for unemployment compensation under an unemployment compensation law of a State or of the United States.

(2) The State may not include in its claim for Federal financial participation payments made as aid under the plan with respect to a child who meets the conditions set forth in paragraph (c)(1) of this section, where such payments were made.

(i) For any part of the 30-day period specified in paragraph (a)(3)(i) of this section;

(ii) For such 30-day period if during that period the parent refused without good cause a bona fide offer of employment or training for employment;

(iii) For any period beginning with the 31st day after receipt of aid, if and for as long as no action is taken during the period to certify the parent for participation in the Work Incentive program under part 224, or if the State IV-A agency has an approved JOBS plan pursuant to § 250.20, no action is taken during the period to undertake appropriate steps directed toward the participation of such parent in a program under part 250; and

(iv) For any part of the sanction period imposed under § 240.22 (for failure to meet the requirements for participation in the employment search program).

(d) For all States (other than Puerto Rico, American Samoa, Guam, and the Virgin Islands) the provisions of this section are suspended through September 30, 1998. For Puerto Rico, American Samoa, Guam, and the Virgin Islands, the provisions of this section are suspended from October 1, 1992, through September 30, 1998.

§ 233.101 Dependent children of unemployed parents.

(a) Requirements for State Plans. Effective October 1, 1990 (for Puerto Rico, American Samoa, Guam, and the Virgin Islands, October 1, 1992), a State plan must provide for payment of AFDC for children of unemployed parents. A State plan under title IV-A for payment of such aid must:

(1) Include a definition of an unemployed parent who is the principal earner which shall apply only to families determined to be needy in accordance with the provisions in § 233.20 of this part. Such definition must have a reasonable standard for measuring unemployment and, at a minimum, include any such parent who:

(i) Is employed less than 100 hours a month; or

(ii) Exceeds that standard for a particular month, if the work is intermittent and the excess is of a temporary nature as evidenced by the fact that he or she was under the 100-hour standard for the prior 2 months and is expected to be under the standard during the next month; except that at the option of the State, such definition need not include a principal earner who is unemployed because of participation in a labor dispute (other than a strike) or by reason of conduct or circumstances which result or would result in disqualification for unemployment compensation under the State's unemployment compensation law.

(2) Include a definition of a dependent child which shall include any child of an unemployed parent (as defined by the State pursuant to paragraph (a)(1) of this section) who would be, except for the fact that his parent is not dead, absent from the home, or incapacitated, a dependent child under the State's plan approved under section 402 of the Act.

(3) Provide for payment of aid with respect to any dependent child (as defined by the State pursuant to paragraph (a)(2) of this section) when the conditions set forth in paragraphs (a)(3)(i), (a)(3)(ii), and (a)(3)(iii) of this section are met.

(i) His or her parent who is the principal earner has been unemployed for at least 30 days prior to the receipt of such aid;

(ii) Such parent has not without good cause, within such 30-day period prior to the receipt of such aid, refused a bona fide offer of employment or training for employment. Before it is determined that such parent has refused a bona fide offer of employment or training for employment without good cause, the agency must make a determination that such offer was actually

made. (In the case of offers of employment made through the public employment or manpower agencies, the determination as to whether the offer was bona fide, or whether there was good cause to refuse it, shall be made by the title IV-A agency. The IV-A agency may accept the recommendations of such agencies.) The parent must be given an opportunity to explain why such offer was not accepted. Questions with respect to the following factors must be resolved:

(A) That there was a definite offer of employment at wages meeting any applicable minimum wage requirements and which are customary for such work in the community;

(B) Any questions as to the parent's inability to engage in such employment for physical reasons or because he has no way to get to or from the particular job; and

(C) Any questions of working conditions, such as risks to health, safety, or lack of worker's compensation protection.

(iii) Such parent:

(A) Has six or more quarters of work (as defined in paragraph (a)(3)(iv) of this section), within any 13-calendar-quarter period ending within one year prior to the application for such aid, or

(B) Within such 1-year period, received unemployment compensation under an unemployment compensation law of a State or of the United States, or was qualified under the terms of paragraph (a)(3)(v) of this section for such compensation under the State's unemployment compensation law.

(iv) A "quarter of work" with respect to any individual means a period (of 3 consecutive calendar months ending on March 31, June 30, September 30, or December 31):

(A) In which an individual received earned income of not less than \$50 (or which is a "quarter of coverage" as defined in section 213(a)(2) of the Social Security Act) or participated in a program under part 250 of this chapter; or

(B) At State option (as specified in the plan), in one or more subdivisions of the State, in which he or she attended, full-time, an elementary school, a secondary school, or a vocational or technical training course that is designed to prepare the individual

for gainful employment, or in which the individual participated in an educational or training program established under the Job Training Partnership Act, provided that an individual may qualify for no more than four quarters of work under this paragraph for purposes of the requirement set forth in paragraph (a)(3)(iii)(A) of this section; and

(C) A calendar quarter ending before October 1990 in which an individual participated in CWEP under section 409 of the Social Security Act or the WIN program established under title IV-C of the Social Security Act (as in effect for a State immediately before the effective date of that State's JOBS program).

(v) An individual shall be deemed "qualified" for unemployment compensation under the State's unemployment compensation law if he or she would have been eligible to receive such benefits upon filing an application, or he performed work not covered by such law, which, if it had been covered, would (together with any covered work he performed) have made him eligible to receive such benefits upon filing an application.

(vi)(A) The "parent who is the principal earner" means, in the case of any child, whichever parent, in a home in which both parents of such child are living, earned the greater amount of income in the 24-month period the last month of which immediately precedes the month in which an application is filed for aid under this part on the basis of the unemployment of a parent. If the State cannot secure primary evidence of earnings for this period, the State shall designate the principal earner, using the best evidence available. The earnings of each parent are considered in determining the principal earner regardless of when their relationship began. The principal earner so defined remains the principal earner for each consecutive month for which the family receives such aid on the basis of such application. This requirement applies to both new applicants and current AFDC unemployed parent families who were eligible and receiving aid prior to October 1, 1981.

(B) If both parents earned an identical amount of income (or earned no

income) in such 24-month period, the State shall designate which parent shall be the principal earner.

(4) Provide for entering into cooperative arrangements with the State agency responsible for administering or supervising the administration of vocational education to assure maximum utilization of available public vocational education services and facilities in the State to encourage the retraining of individuals capable of being retrained.

(5) Provide that the needs of the child's parent(s) shall not be taken into account in determining the needs and amount of assistance of the child's family:

(i) If and for so long as such child's parent(s), unless exempt under § 250.30(b) of this chapter, is not currently participating (or available for participation) in a program under part 250 of this chapter or, if they are exempt under § 250.30(b)(5) of this chapter (or because a JOBS program has not been established in the subdivision where they reside or they reside in a JOBS subdivision but there is no appropriate JOBS activity in which they can participate), are not registered with a public employment office in the State, and

(ii) With respect to any week for which such child's parent qualifies for unemployment compensation under an unemployment compensation law of the State or of the United States but refuses to apply for or accept such unemployment compensation.

(6) Provide that medical assistance will be furnished under the State's approved plan under title XIX during any month in which an otherwise eligible individual is denied assistance solely by reason of the time limitation provided under paragraph (b)(3) of this section.

(b) *State Plan Options.* A State plan under title IV-A may:

(1) Require the principal earner or both parents to participate in an activity in the JOBS program under part 250 of this chapter, subject to the limitations and conditions of part 250 of this chapter, provided that the participation of each parent in all required activities under the JOBS program does

not exceed 40 hours per week, per parent.

(2) Provide cash assistance after the performance of assigned program activities by parents required to participate in an activity in the JOBS program under part 250 of this chapter (as provided in paragraph (b)(1) of this section) so long as the State:

(i) Makes assistance payments at regular intervals at least monthly,

(ii) Prescribes a set of criteria which defines goals or standards for each assigned activity in the JOBS program which must be completed by the participant prior to payment, and

(iii) Prior to, or concurrent with, assignment to an activity, notifies the participant of the prescribed goals or standards and that payment for a period will be withheld unless performance of each assigned activity for that period is completed.

(3) Provide for a State to operate a payment after performance system under which a family is issued an assistance payment after the applicable family member has successfully completed her obligation to participate in JOBS for a specific period. If the applicable family member fails without good cause to satisfy the obligation, the State may:

(i) Impose a sanction in accordance with the JOBS program rules at §§ 250.34, 250.35 and 250.36 of this chapter;

(ii) Reduce the family's assistance payment to which the specific period applies by the amount of the payment attributable to the family member for that period or do not make the payment to the family; or

(iii) Reduce the family's assistance payment to which the specific period applies (or the amount of the payment attributable to the family member for that period) in proportion to the number of required hours that were not completed.

For States that elect to implement paragraphs (b)(3) (ii) or (iii) of this section, the fair hearing requirements set forth at § 205.10(a)(4)(ii)(K) of this chapter apply.

(4) Limit the number of months that a family may receive AFDC-UP under this section when the following conditions are met:

(i) The State did not have on September 26, 1988, an approved AFDC-UP program under section 407 of the Social Security Act.

(ii) The family received such aid (on the basis of the unemployment of the parent who is the principal earner) in at least 6 of the preceding 12 months.

(iii) The State has in effect a program (described in the plan) for providing education, training, and employment services to assist parents in preparing for and obtaining employment throughout the year. Such a program may include education, training and employment activities under the JOBS program which are provided in part 250 of this chapter or under a State-designed program which provides:

(A) Education and instruction for individuals who have not graduated from a secondary school or obtained an equivalent degree,

(B) Training whereby an individual acquires market-oriented skills necessary for self-support, and

(C) Employment services which seek to place individuals in jobs.

(iv) The State must guarantee child care necessary for an individual to participate in an approved, State-designed, non-JOBS program. The regulations at part 255 of this chapter apply to such care.

(v) The State has the option of providing necessary supportive services associated with an individual's participation in a State-designed, non-JOBS program. Federal financial participation is available under sections 403 (k) and (l) of the Social Security Act. The regulations at part 255 of this chapter apply to such supportive services.

(vi) The State must inform an AFDC-UP family at the time of application that AFDC-UP cash assistance will terminate due to a time limitation, that any family with a child who is (or becomes) deprived due to the death, continued absence, or incapacity of a parent may receive cash assistance under the AFDC program during the time limitation for AFDC-UP, and that a program of training, education, and employment services is available to prepare the family to become self-supporting.

(vii) Prior to termination due to a time limitation, the State must notify

an AFDC-UP recipient family of the earliest month that it may receive AFDC-UP cash assistance again. This notification may be included in the notice of proposed action which is required pursuant to § 205.10(a)(4) of this chapter. To receive assistance again, the family must make a new application.

(viii) In establishing eligibility upon re-application following months of nonpayment due to the time limitation, an otherwise eligible family that does not receive aid in a month solely by reason of the option to limit assistance under this paragraph shall be deemed, for purposes of determining the period under paragraph (a)(3)(iii)(A) of this section, to be receiving AFDC-UP cash assistance in that month. This provision also applies if, at the time of the family's original application for assistance, eligibility was established based on the provisions of paragraph (a)(3)(iii)(B) of this section, but eligibility could have been established based on the provisions of paragraph (a)(3)(iii)(A) of this section.

(c) *Federal Financial Participation.* (1) Federal financial participation is available for payments authorized in accordance with the State plan approved under section 402 of the Act as aid to families with dependent children with respect to a child:

(i) Who meets the requirements of section 406(a)(2) of the Act;

(ii) Who is living with any of the relatives specified in section 406(a)(1) of the Act in a place of residence maintained by one or more of such relatives as his (or their) own home;

(iii) Who has been deprived of parental support or care by reason of the fact that his or her parent who is the principal earner is employed less than 100 hours a month; or exceeds that standard for a particular month if his or her work is intermittent and the excess is of a temporary nature as evidenced by the fact that he or she was under the 100-hour standard for 2 prior months and is expected to be under the standard during the next month;

(iv) Whose parent who is the principal earner:

(A) Has six or more quarters of work (as defined in paragraph (a)(3)(iv) of this section) within any 13-calendar-

quarter period ending within 1 year prior to the application for such aid,

(B) Within such 1-year period, received unemployment compensation under an unemployment compensation law of a State or of the United States, or was qualified (under the terms of paragraph (a)(3)(v) of this section) for such compensation under the State's unemployment compensation law; and

(v) Whose parent who is the principal earner:

(A) Is currently participating in or available to participate in an activity in the JOBS program under part 250 of this chapter, unless exempt, or is registered with the public employment office in the State if exempt from the JOBS program under § 250.30(b)(5) of this chapter; and

(B) Has not refused to apply for or accept unemployment compensation with respect to any week for which such child's parent qualifies for unemployment compensation under an unemployment compensation law of the State or of the United States.

(2) The State may not include in its claim for Federal financial participation payments made as aid under the plan with respect to a child who meets the conditions set forth in paragraph (c)(1) of this section, where such payments were made:

(i) For any part of the 30-day period specified in paragraph (a)(3)(i) of this section;

(ii) For such 30-day period if during that period the parent refused without good cause a bona fide offer of employment or training for employment;

(iii) For any period beginning with the 31st day after the receipt of aid, if and for as long as no action is taken during the period to undertake appropriate steps directed toward the participation of the parent who is the principal earner in a program under part 250 of this chapter;

(iv) To the extent that such payments are made to meet the need of an individual who is subject to a sanction imposed, under part 250 of this chapter (for failure to meet the requirements for participation in the JOBS program).

(3) Federal financial participation is available for child care and supportive services expenditures associated with

participation in an approved State-designed program (as provided in paragraph (b)(3)(iii) of this section) under titles IV-A and IV-F of the Act respectively. However, Federal financial participation is not available for any other costs, program or administrative, associated with State-designed programs.

(d) For all States (other than Puerto Rico, American Samoa, Guam, and the Virgin Islands) the provisions of this section are in effect through September 30, 1998. For Puerto Rico, American Samoa, Guam, and the Virgin Islands, the provisions of this section are in effect from October 1, 1992, through September 30, 1998.

§ 233.106 Denial of AFDC benefits to strikers.

(a) *Condition for plan approval.* A State plan under title IV-A of the Social Security Act must:

(1) Provide that participation in a strike shall not constitute good cause to leave, or to refuse to seek or accept, employment.

(2)(i) Provide for the denial of AFDC benefits to any family for any month in which any caretaker relative with whom the child is living is, on the last day of such month, participating in a strike; and

(ii) Provide that no individual's needs shall be included in determining the amount of aid payable for any month to a family under the plan if, on the last day of such month, such individual is participating in a strike.

(b) *Definitions.* (1) The State must define "strike" by using the National Labor Relations Board definition (29 U.S.C. 142(2)) or another definition of the term that is currently in State law.

(2) The State must define the term "participating in a strike."

(3) For purposes of paragraph (a)(2)(i) of this section, "caretaker relative" means any natural or adoptive parent.

§ 233.107 Restriction in payment to households headed by a minor parent.

(a) *State plan requirements.* A State in its title IV-A State plan may provide

that a minor parent and the dependent child in his or her care must reside in the household of a parent, legal guardian, or other adult relative, or in an adult-supervised supportive living arrangement in order to receive, AFDC unless:

(1) The minor parent has no living parent or legal guardian whose whereabouts is known;

(2) No living parent or legal guardian of the minor parent allows the minor parent to live in his or her home;

(3) The minor parent lived apart from his or her own parent or legal guardian for a period of at least one year before either the birth of the dependent child or the parent's having made application for AFDC;

(4) The physical or emotional health or safety of the minor parent or dependent child would be jeopardized if they resided in the same residence with the minor parent's parent or legal guardian;

(5) There is otherwise good cause for the minor parent and dependent child to receive assistance while living apart from the minor parent's parent, legal guardian, or other adult relative, or an adult-supervised supportive living arrangement.

(b) *Allegations.* If a minor parent makes allegations supporting the conclusion that paragraph (a)(4) of this section applies, the State agency shall determine whether it is justified.

(c) *Good Cause.* The circumstances justifying a determination of good cause must be set forth in the State plan.

(d) *Protective Payments.* When a minor parent and his or her dependent child are required to live with the minor parent's parent, legal guardian, or other adult relative, or in an adult-supervised supportive living arrangement, then AFDC is paid (where possible) in the form of a protective payment.

(e) *Definitions:* For purposes of this section:

(1) A *minor parent* is an individual who (i) is under the age of 18, (ii) has never been married, and (iii) is either the natural parent of a dependent child living in the same household or eligible for assistance paid under the State plan to a pregnant woman as provided in § 233.90(c)(2)(iv) of this part.

(2) A *household of a parent, legal guardian, or other adult relatives* means the place of residence of (i) a natural or adoptive parent or a stepparent, or (ii) a legal guardian as defined by the State, or (iii) another individual who is age 18 or over and related to the minor parent as specified in § 233.90(c)(1)(v) of this part provided that the residence is maintained as a home for the minor parent and child as provided in § 233.90(c)(1)(v)(B) of this part.

(3) An *adult-supervised supportive living arrangement* means a private family setting or other living arrangement (not including a public institution), which, as determined by the State, is maintained as a family setting, as evidenced by the assumption of responsibility for the care and control of the minor parent and dependent child or the provision of supportive services, such as counseling, guidance, or supervision. For example, foster homes and maternity homes are "adult-supervised supportive living arrangements."

(f) *Notice Requirements.* Minor applicants shall be informed about the eligibility requirements and their rights and obligations consistent with the provisions at § 206.10(a)(2)(i). For example, a State may wish to: (1) Advise the minor of the possible exemptions and specifically ask whether one or more of these exemptions is applicable; and (2) assist the minor in attaining the necessary verifications if one or more of these exemptions is alleged.

§ 233.110 Foster care maintenance and adoption assistance.

(a) *State plan requirements.* A State plan under title IV-A of the Social Security Act must provide that the State has in effect a plan approved under part E, title IV of the Social Security Act, and operates a foster care maintenance and adoption assistance program in conformity with such a plan.

§ 233.145 Expiration of medical assistance programs under titles I, IV-A, X, XIV and XVI of the Social Security Act.

(a) Under the provisions of section 121(b) of Pub. L. 89-97, enacted July 30,

1965, no payment may be made to any State under title I, IV-A, X, XIV or XVI of the Social Security Act for aid or assistance in the form of medical or any other type of remedial care for any period after December 31, 1969. However, these provisions do not affect the availability of Federal financial participation in the cost of medical or remedial care furnished under title IV-A of the Act (pursuant to sections 403(a)(5) and 406(e)) of the Act, as emergency assistance to needy families with children (see § 233.120 of this part), subject to the provisions of paragraph (c)¹ of this section. Federal financial participation in vendor payments for medical care and services is not otherwise available except under title XIX of the Act.

(b) Under the provisions of section 4(c) of Pub. L. 92-223, enacted December 28, 1971, and the provisions of section 292 of Pub. L. 92-603, enacted October 30, 1972:

(1) In the case of any State which on January 1, 1972, had in effect a State plan approved under title XIX of the Social Security Act, section 1121 of the Act authorizing payments under title I, X, XIV, or XVI of the Act for assistance in the form of institutional services in intermediate care facilities is rescinded; and

(2) In the case of any State which on January 1, 1972, did not have in effect a State plan approved under title XIX of the Act, Federal financial participation is available in assistance in the form of institutional services in intermediate care facilities pursuant to section 1121 of the Act and under the provisions of § 234.130 of this chapter until the first day of the first month after January 1, 1972, that the State has in effect a State plan approved under title XIX.

(c)(1) Under the provisions of section 249D of Pub. L. 92-603, enacted October 30, 1972, Federal matching is not available for any portion of any payment by any State under titles I, IV-A, X, XIV, or XVI of the Social Security Act for or on account of any medical or any other type of remedial care provided by an institution to any individual as an

inpatient thereof, in the case of any State which has a plan approved under title XIX of such Act, if such care is (or could be provided, under a State plan approved under title XIX of such Act, by an institution certified under such title XIX. The effective date of this proposed provision will be the date of publication of the final regulation in the FEDERAL REGISTER.

(2) For purposes of this paragraph,

(i) An institution (see § 233.60(b)(1) of this chapter) is considered to provide medical or remedial care if it provides any care or service beyond room and board because of the physical or mental condition (or both) of its inpatients;

(ii) An inpatient is an individual who is living in an institution which provides medical or remedial care and who is receiving care or service beyond room and board because of his physical or mental condition (or both).

(iii) Federal financial participation is not available for any portion of the payment for care of an inpatient. It is immaterial whether such payment is made as a vendor payment or as a money payment or other cash assistance payment. It is also immaterial whether the payment is divided into components, such as separate amounts or payments for room and board, and for care or services beyond room and board, or whether the payment is considered to meet "basic" needs or "special" needs. If, however, a money payment (or protective payment) is made to an individual who is living in an institution, and such payment does not exceed a reasonable rate for room, board and laundry for individuals not living in their own homes, and no additional payment is made for such individual's care in the institution, Federal financial participation is available in the money payment (or protective payment) since the individual may spend the funds at his discretion and obtain room and board at the place of his choice.

(iv) Federal financial participation is available in cash assistance payments to meet the needs of an inpatient for specific medical services, such as dental care or prescription drugs, which generally are not delivered in an institutional setting and in fact are not

provided by the institution to the inpatient, provided that such services are not available to the individual under the State's approved title XIX plan.

PART 234—FINANCIAL ASSISTANCE TO INDIVIDUALS

Sec.

234.11 Assistance in the form of money payments.

234.60 Protective, vendor, and two-party payments for dependent children.

234.70 Protective payments for the aged, blind, or disabled.

234.75 Rent payments to public housing agencies.

234.120 Federal financial participation.

234.130 Assistance in the form of institutional services in intermediate care facilities.

AUTHORITY: 42 U.S.C. 602, 603, 606, and 1302.

§ 234.11 Assistance in the form of money payments.

(a) Federal financial participation is available in money payments made under a State plan under title I, IV-A, X, XIV, or XVI of the Social Security Act to eligible families and individuals. Money payments are payments in cash, checks, or warrants immediately redeemable at par, made to the grantee or his legal representative with no restrictions imposed by the agency on the use of funds by the individual.

(b) [Reserved]

[36 FR 22238, Nov. 23, 1971, as amended at 51 FR 9206, Mar. 18, 1986]

§ 234.60 Protective, vendor and two-party payments for dependent children.

(a) *State plan requirements.* (1) If a State plan for AFDC under title IV-A of the Social Security Act provides for protective, vendor and two-party payments for cases other than failure to participate in the Job Opportunities and Basic Skills Training (JOBS) Program under § 250.34(d), or failure by the caretaker relative to meet the eligibility requirements of § 232.11, 232.12, or 232.13 of this chapter. It must meet the requirements in paragraphs (a) (2) through (11) of this section. In addition, the plan may provide for protec-

tive, vendor, and two-party payments at the request of recipients as provided in paragraph (a)(14) of this section.

(2)(i) Methods will be in effect to identify children whose relatives have demonstrated such an inability to manage funds that payments to the relative have not been or are not currently used in the best interest of the child. This means that the relative has misused funds to such an extent that allowing him or her to manage the AFDC grant is a threat to the health or safety of the child.

(ii) States will establish criteria to determine if mismanagement exists. Under this provision, States may elect to use as one criterion a presumption of mismanagement based on a recipient's nonpayment of rent.

(iii) Under State agency procedures, the recipient shall be notified whenever a creditor requests a protective, vendor, or two-party payment for mismanagement on the basis of nonpayment of bills.

(iv) The recipient shall be notified by the agency of a decision not to use a protective, vendor, or two-party payment if such payment has been requested by a creditor.

(v) A statement of the specific reasons that demonstrate the need for making protective, vendor, and two-party payments must be placed in the file of the child involved.

(3) Criteria will be established to identify the circumstances under which protective, vendor, or two-party payments will be made in whole or in part to:

(i) Another individual who is interested in or concerned with the welfare of the child or relative; or

(ii) A person or persons furnishing food, living accommodations or other goods, services, or items to or for the child, relative, or essential person.

(4) Procedures will be established for making protective, vendor, or two-party payments. Under this provision, part of the payment may be made to the family and part may be made to a protective payee or to a vendor, or part may be made in the form of two-party payments, i.e., checks which are drawn jointly to the order of the recipient and the person furnishing goods, services,

§ 234.60

or items and negotiable only upon endorsement by both the recipient and the other person.

(5)-(6) [Reserved]

(7) Standards will be established for selection:

(i) Of protective payees, who are interested in or concerned with the recipient's welfare, to act for the recipient in receiving and managing assistance, with the selection of a protective payee being made by the recipient, or with his participation and consent, to the extent possible. If it is in the best interest of the recipient for a staff member of a private agency, of the public welfare department, or of any other appropriate organization to serve as a protective payee, such selection will be made preferably from the staff of an agency or that part of the agency providing protective services for families; and the public welfare department will employ such additional staff as may be necessary to provide protective payees. The selection will not include: The executive head of the agency administering public assistance; the person determining financial eligibility for the family; special investigative or resource staff; or staff handling fiscal processes related to the recipient; or landlords, grocers, or other vendors of goods, services, or items dealing directly with the recipient.

(ii) Of such persons providing goods, services, or items with the selection of such persons being made by the recipient, or with his participation and consent, to the extent possible.

(8) The agency will undertake and continue special efforts to develop greater ability on the part of the relative to manage funds in such manner as to protect the welfare of the family.

(9) Review will be made as frequently as indicated by the individual's circumstances, and at least once every 12 months, of:

(i) The need for protective, vendor, and two-party payments; and

(ii) The way in which a protective payee's responsibilities are carried out.

(10) Provision will be made for termination of protective payments, or payments to a person furnishing goods or services, as follows:

(i) When relatives are considered able to manage funds in the best interest of

45 CFR Ch. II (10-1-03 Edition)

the child, there will be a return to money payment status.

(ii) When it appears that need for protective, vendor, or two-party payments will continue or is likely to continue beyond 2 years because all efforts have not resulted in sufficiently improved use of assistance in behalf of the child, judicial appointment of a guardian or other legal representative will be sought and such payments will terminate when the appointment has been made.

(11)(i) Opportunity for a fair hearing pursuant to § 205.10 will be given to any individual claiming assistance in relation to the determination:

(A) That a protective, vendor, and two-party payment should be made or continued.

(B) As to the payee selected.

(ii) In cases where the agency has elected the option to presume mismanagement based on a recipient's nonpayment of rent pursuant to paragraph (a)(2)(ii), the agency may also elect the option to provide the opportunity for a fair hearing pursuant to § 205.10 either before or after the manner or form of payment has been changed for these cases.

(12) In cases where an individual is sanctioned for failure to participate in WIN, employment search, CWEP, or JOBS, the State plan must provide that when protective or vendor payments are made pursuant to § 224.52(a)(1), § 238.22, § 240.22(a)(1), § 240.22(b)(1) and § 250.34(d) of this chapter, only paragraphs (a)(7), (a)(9)(ii), and (a)(11)(i) and (ii) of this section will be applicable. Under these circumstances, when protective payments are made, the entire payment will be made to the protective payee; and when vendor payments are made, at least the greater part of the payment will be through this method. However, if after making all reasonable efforts, the State agency is unable to locate an appropriate individual to whom protective payments can be made, the State may continue to make payments on behalf of the remaining members of the assistance unit to the sanctioned caretaker relative. Provision will be made for termination of protective payments, or payments to a person furnishing goods or services, with return

to money payment status when adults who refused training, employment, or participation in employment search without good cause either accept training, employment, or employment search or agree to do so. In the case of continuing refusal of the relative to participate, payments will be continued for the children in the home in accordance with this paragraph.

(13) For cases in which a caretaker relative fails to meet the eligibility requirements of §§ 232.11, 232.12, or 232.13 of this chapter by failing to assign rights to support or cooperate in determining paternity, securing support, or identifying and providing information to assist the State in pursuing third party liability for medical services, the State plan must provide that only the requirements of paragraphs (a)(7) and (9)(ii) of this section will be applicable. For such cases, the entire amount of the assistance payment will be in the form of protective or vendor payments. These protective or vendor payments will be terminated, with return to money payment status, only upon compliance by the caretaker relative with the eligibility requirements of §§ 232.11, 232.12, and 232.13 of this chapter. However, if after making reasonable efforts, the State agency is unable to locate an appropriate individual to whom protective payments can be made, the State may continue to make payments to the sanctioned caretaker relative on behalf of the remaining members of the assistance unit.

(14) If the plan provides for protective, vendor, or two-party payments:

(i) The State may use any combination of protective, vendor, or two-party payments (at the request of the recipient),

(ii) The request must be in writing from the recipient to whom payment would otherwise be made in an unrestricted manner and must be recorded or retained in the case file, and

(iii) The restriction will be discontinued promptly upon the written request of the recipient who initiated it.

(b) *Federal financial participation.* Federal financial participation is available in payments which otherwise qualify as money payments with respect to an eligible dependent child, but which are made as protective, vendor or two-

party payments under this section. Payrolls must identify protective, vendor, or two-party payments either by use of a separate payroll for these cases or by using a special identifying code or symbol on the regular payroll. The payment must be supported by an authorization of award through amendment of an existing authorization document for each case or by preparation of a separate authorization document. In either instance, the authorization document must be a formal agency record signed by a responsible agency official, showing the name of each eligible child and relative, the amount of payment authorized and the name of the protective, vendor or two-party payee.

§ 234.70 Protective payments for the aged, blind, or disabled.

(a) *State plan requirements.* If a State plan for OAA, AB, APTD, or AABD under the Social Security Act includes provisions for protective payments, the State plan must provide that:

(1) Methods will be in effect to determine that needy individuals have, by reason of physical or mental condition, such inability to manage funds that making payment to them would be contrary to their welfare; such methods to include medical or psychological evaluations, or other reports of physical or mental conditions including observation of gross conditions such as extensive paralysis, serious mental retardation, continued disorientation, or severe memory loss.

(2) There will be responsibility to assure referral to social services for appropriate action to protect recipients where problems and needs for services and care of the recipients are manifestly beyond the ability of the protective payee to handle. (See paragraph (a)(5) of this section.)

(3) Standards will be established for selection of protective payees who are

§ 234.75

interested in or concerned with the individual's welfare, to act for the individual in receiving and managing assistance, with the selection of a protective payee being made by the individual, or with his participation and consent, to the extent possible. If it is in the best interest of the individual for a staff member of a private agency, of the public welfare department, or of any other appropriate organization to serve as a protective payee, such selection will be made preferably from the staff of an agency or that part of the agency providing protective services for families or for the disabled or aged group of which the recipient is a member; and such staff of the public welfare department will be utilized only to the extent that the department has adequate staff for this purpose. The selection will not include: The executive head of the agency administering public assistance; the person determining financial eligibility for the individual; special investigative or resource staff, or staff handling fiscal processes related to the recipient; or landlords, grocers, or other vendors of goods or services dealing directly with the recipient—such as the proprietor, administrator or fiscal agent of a nursing home, or social care, medical or non-medical institution, except for the superintendent of a public institution for mental diseases or a public institution for the mentally retarded, or the designee of such superintendent, when no other suitable protective payee can be found and there are appropriate staff available to assist the superintendent in carrying out the protective payment function.

(4) Protective payments will be made only in cases in which the assistance payment, with other available income, meets all the needs of the individual, using the State's standards for assistance for the pertinent program, not standards for protective payment cases only.

(5) The agency will undertake and continue special efforts to protect the welfare of such individuals and to improve, to the extent possible, their capacity for self-care and to manage funds.

(6) Reconsideration of the need for protective payments and the way in

45 CFR Ch. II (10–1–03 Edition)

which a protective payee's responsibilities are carried out will be as frequent as indicated by the individual's circumstances and at least every 6 months.

(7) Provision will be made for appropriate termination of protective payments as follows:

(i) When individuals are considered able to manage funds in their best interest, there will be a return to money payment status.

(ii) When a judicial appointment of a guardian or other legal representative appears to serve the best interest of the individual, such appointment will be sought and the protective payment will terminate when the appointment has been made.

(8) Opportunity for a fair hearing will be given to any individual claiming assistance in relation to the determination that a protective payment should be made or continued, and in relation to the payee selected.

(b) *Federal financial participation.* Federal financial participation is available for payments, which otherwise qualify as money payments with respect to a needy individual, but which are made to a protective payee under paragraph (a)(3) of this section. The payment must be supported by an authorization of award through amendment of an existing authorization document for such case or by preparation of a separate authorization document. In either instance, the authorization document must be a formal agency record signed by a responsible agency official showing the name of each eligible individual, the amount of payment authorized and the name of the protective payee. Payrolls must identify protective payment cases either by use of a separate payroll for these cases or by using a special identifying code or symbol on the regular payroll.

§ 234.75 Rent payments to public housing agencies.

At the option of a State, if its plan approved under title I, X, XIV, or XVI of the Social Security Act so provides, Federal financial participation under such title is available in rent payments made directly to a public housing agency on behalf of a recipient or a group or

groups of recipients of OAA, AB, APTD, or AABD. Such Federal financial participation is available in rent payments only to the extent that they do not exceed the amount included for rent under the State's standard of assistance or the amount of rent due under applicable law, whichever is less.

(f) Emergency assistance to needy families with children (title IV-A, see § 233.120 of this chapter);

[38 FR 26380, Sept. 20, 1973]

§ 234.130 Assistance in the form of institutional services in intermediate care facilities.

(a) *Applicability and State plan requirements.* A State which, on January 1, 1972, did not have in effect a State plan

approved under title XIX of the Social Security Act may provide assistance under title I, X, XIV, or XVI of the Act in the form of institutional services in intermediate care facilities as authorized under title XI of the Act, until the first day of the first month (occurring after January 1, 1972) that such State does have in effect a State plan approved under title XIX of the Act. In any State which may provide such assistance as authorized under title XI of the Act, a State plan under title I, X, XIV, or XVI of the Act which includes such assistance must:

(1) Provide that such benefits will be provided only to individuals who:

(i) Are entitled (or would, if not receiving institutional services in intermediate care facilities, be entitled) to receive assistance, under the State plan, in the form of money payments; and

(ii) Because of their physical or mental condition (or both) require living accommodations and care which, as a practical matter, can be made available to them only through institutional facilities; and

(iii) Do not have such an illness, disease, injury, or other condition as to require the degree of care and treatment which a hospital or skilled nursing home (as that term is employed in title XIX) is designed to provide.

(2) Provide that, in determining financial eligibility for benefits in the form of institutional services in intermediate care facilities, available income will be applied, first for personal and incidental needs including clothing, and that any remaining income will be applied to the costs of care in the intermediate care facility.

(3) Provide methods of administration that include:

(i) Placing of responsibility, within the State agency, with one or more staff members with sufficient staff time exclusive of other duties to direct and guide the agency's activities with respect to services in intermediate care facilities, including arrangements for consultation and working relationships with the State standard-setting authority and State agencies responsible for mental health and for mental retardation;

(ii) In relation to authorization of benefits, provisions for evaluation by a physician of the individual's physical and mental condition and the kinds and amounts of care he requires; evaluation by the agency worker of the resources available in the home, family and community; and participation by the recipient in determining where he is to receive care, except that in the case of services being provided in a Christian Science Sanatorium, certification by a qualified Christian Science practitioner that the individual meets the requirements specified in paragraphs (a)(1) (ii) and (iii) of this section may be substituted for the evaluation by a physician;

(iii) Provisions for redetermination at least semiannually that the individual is properly a recipient of intermediate care.

(4) Provide for regular, periodic review and reevaluation no less often than annually (by or on behalf of the State agency administering the plan and in addition to the activities described in paragraph (a)(3) of this section) of recipients in intermediate care facilities to determine whether their current physical and mental conditions are such as to indicate continued placement in the intermediate care facility, whether the services actually rendered are adequate and responsive to the conditions and needs identified, and whether a change to other living arrangements, or other institutional facilities (including skilled nursing homes) is indicated. Such reviews must be followed by appropriate action on the part of the State agency administering the plan. They must be conducted by or under the supervision of a physician with participation by a registered professional nurse and other appropriate medical and social service personnel not employed by or having a financial interest in the facility, except that, in the case of recipients who have elected care in a Christian Science sanatorium, review by a physician or other medical personnel is not required.

(5) Provide that all services with respect to social and related problems which the agency makes available to applicants and recipients of assistance under the plan will be equally available

to all applicants for and recipients of benefits in the form of institutional services in intermediate care facilities.

(6) Specify the types of facilities, however described, that will qualify under the State plan for participation as intermediate care facilities, and provide for availability to the Department of Health and Human Services, upon request of (i) copies of the State's requirements for licensing of such facilities, (ii) any requirements imposed by the State in addition to licensing and to definition of intermediate care facilities, and (iii) a description of the manner in which such requirements are applied and enforced including copies of agreements or contracts, if any, with the licensing authority for this purpose.

(7) Provide for and describe methods of determining amounts of vendor payments to intermediate care facilities which systematically relate amounts of the payment to the kinds, levels, and quantities of services provided to the recipients by the institutions and to the cost of providing such services.

(b) *Other requirements.* Except when inconsistent with purposes of section 1121 of the Act or contrary to any provision therein, any modification, pursuant thereto, of an approved State plan shall be subject to the same conditions, limitations, rights, and obligations as obtained with respect to such approved State plan. Included specifically among such conditions and limitations are the provisions of titles I, X, XIV, and XVI relating to payments to or care in behalf of any individual who is an inmate of a public institution (except as a patient in a medical institution).

(c) *Federal financial participation.* (1) Federal financial participation is available under section 1121 of the Act in vendor payments for institutional services provided to individuals who are eligible under the respective State plan and who are residents in intermediate care facilities. The rate of participation is the same as for money payments under the respective title or, if the State so elects, at the rate of the Federal medical assistance percentage as defined in section 1905(b) of the Act. Such Federal financial participation ends on the date specified in paragraph

(c)(2) of this section, or 12 months after the date when the State first has in effect a State plan approved under title XIX of the Act, whichever is later.

(2) For the period from January 1, 1972, to the date on which a determination is made under the provisions of 42 CFR 449.33 as to a facility's eligibility to receive payments for intermediate care facility services under the medical assistance program, title XIX of the Act, but not later than 12 months following the effective date of these regulations, Federal financial participation in payments for such services under title XIX is governed by the provisions of this section, applied to State plans under title XIX.

(d) *Definition of terms.* For purposes of section 1121 of the Social Security Act, the following definitions apply:

(1) *Institutional services.* The term, *institutional services*, means those items and services provided by or under the auspices of the institution which contribute to the health, comfort, and well-being of the residents thereof; except that the term, *institutional services*, does not include allowances for clothing and incidental expenses for which money payments to recipients are made under the plan, nor does it include medical care, in a form identifiable as such and separable from the routine services of the facility, for which vendor payments may be made under a State plan approved under title XIX.

(2) *Distinct part of an institution.* A *distinct part* of an institution is defined as a part which meets the definition of an intermediate care facility and the following conditions:

(i) *Identifiable unit.* The *distinct part* of the institution is an entire unit such as an entire ward or contiguous wards, wing, floor, or building. It consists of all beds and related facilities in the unit and houses all residents, except as hereafter provided, for whom payment is being made for intermediate care. It is clearly identified and is approved, in writing, by the agency applying the definition of intermediate care facility herein.

(ii) *Staff.* Appropriate personnel are assigned and work regularly in the unit. Immediate supervision of staff is

provided in the unit at all time by qualified personnel.

(iii) *Shared facilities and services.* The distinct part may share such central services and facilities as management services, building maintenance and laundry, with other units.

(iv) *Transfers between distinct parts.* In a facility having distinct parts devoted to skilled nursing home care and intermediate care, which facility has been determined by the appropriate State agency to be organized and staffed to provide services according to individual needs throughout the institution, nothing herein shall be construed to require transfer of an individual within the institution when in the opinion of the individual's physician such transfer might be harmful to the physical or mental health of the individual.

(3) *Intermediate care facility.* An intermediate care facility is an institution or a distinct part thereof which:

(i) Is licensed, under State law to provide the residents thereof, on a regular basis, the range or level of care and services as defined in paragraph (d)(4) of this section, which is suitable to the needs of individuals who:

(a) Because of their physical or mental limitations or both, require living accommodations and care which, as a practical matter, can be made available to them only through institutional facilities, and

(b) Do not have such an illness, disease, injury, or other condition as to require the degree of care and treatment which a hospital or skilled nursing home (as that term is employed in title XIX) is designed to provide:

(ii) Does not provide the degree of care required to be provided by a skilled nursing home furnishing services under a State plan approved under title XIX:

(iii) Meets such standards of safety and sanitation as are applicable to nursing homes under State law; and

(iv) Regularly provides a level of care and service beyond board and room.

The term *intermediate care facility* also includes a Christian Science sanatorium operated, or listed and certified, by the First Church of Christ, Scientist, Boston, Mass.

(4) *Range or level of care and services.* The range or level of care and services suitable to the needs of individuals described in paragraph (d)(3)(i) of this section is to be defined by the State agency. The following items are recommended as a minimum.

(i) *Admission, transfer, and discharge of residents.* The admission, transfer, and discharge of residents of the facility are conducted in accordance with written policies of the institution that include at least the following provisions.

(a) Only those persons are accepted into the facility whose needs can be met within the accommodations and services the facility provides;

(b) As changes occur in their physical or mental condition, necessitating service or care not regularly provided by the facility, residents are transferred promptly to hospitals, skilled nursing homes, or other appropriate facilities;

(c) The resident, his next of kin, and the responsible agency if any, are consulted in advance of the discharge of any resident, and casework services or other means are utilized to assure that adequate arrangements exist for meeting his needs through other resources.

(ii) *Personal care and protective services.* The types and amounts of protection and personal service needed by each resident of the facility are a matter of record and are known to all staff members having personal contact with the resident. At least the following services are provided.

(a) There is, at all times, a responsible staff member actively on duty in the facility, and immediately accessible to all residents, to whom residents can report injuries, symptoms of illness, or emergencies, and who is immediately responsible for assuring that appropriate action is taken promptly.

(b) Assistance is provided, as needed by individual residents, with routine activities of daily living including such services as help in bathing, dressing, grooming, and management of personal affairs such as shopping.

(c) Continuous supervision is provided for residents whose mental condition is such that their personal safety requires such supervision.

(iii) *Social services.* Services to assist residents in dealing with social and re-

lated problems are available to all residents through one or more caseworkers on the staff of the facility; and/or, in the case of recipients of assistance, through caseworkers on the staff of the assistance agency; or through other arrangements.

(iv) *Activities.* Activities are regularly available for all residents, including social and recreational activities involving active participation by the residents, entertainment of appropriate frequency and character, and opportunities for participation in community activities as possible and appropriate.

(v) *Food service.* At least three meals a day, constituting a nutritionally adequate diet, are served in one or more dining areas separate from sleeping quarters, and tray service is provided for residents temporarily unable to leave their rooms.

(vi) *Special diets.* If the facility accepts or retains individuals in need of medically prescribed special diets, the menus for such diets are planned by a professionally qualified dietitian, or are reviewed and approved by the attending physician, and the facility provides supervision of the preparation and serving of the meals and their acceptance by the resident.

(vii) *Health services.* Whether provided by the facility or from other sources, at least the following services are available to all residents:

(a) Immediate supervision of the facility's health services by a registered professional nurse or a licensed practical nurse employed full-time in the facility and on duty during the day shift except that, where the State recognizes and describes two or more distinct levels of institutions as intermediate care facilities such personnel are not required in any level that serves only individuals who have been determined by their physicians not to be in need of such supervision and whose need for such supervision is reviewed as indicated, and at least quarterly;

(b) Continuing supervision by a physician who sees the resident as needed and in no case, less often than quarterly;

(c) Under direction by the resident's physician and (where applicable in accordance with (d)(4)(vii)(a) of this section), general supervision by the nurse in charge of the facility's health services, guidance, and assistance for each resident in carrying out his personal health program to assure that preventive measures, treatments, and medications prescribed by the physician are properly carried out and recorded;

(d) Arrangements for services of a physician in the event of an emergency when the resident's own physician cannot be reached;

(e) In the presence of minor illness and for temporary periods, bedside care under direction of the resident's physician including nursing service provided by, or supervised by, a registered professional nurse or a licensed practical nurse;

(f) An individual health record for each resident including:

(1) The name, address, and telephone number of his physician;

(2) A record of the physician's findings and recommendations in the preadmission evaluation of the individual's condition and in subsequent re-evaluations and all orders and recommendations of the physician for care of the resident;

(3) All symptoms and other indications of illness or injury brought to the attention of the staff by the resident, or from other sources, including the date, time, and action taken regarding each.

(viii) *Living accommodations.* Space and furnishings provide each resident clean, comfortable, and reasonably private living accommodations with no more than four residents occupying a room, with individual storage facilities for clothing and personal articles, and with lounge, recreation and dining areas provided apart from sleeping quarters.

(ix) *Administration and management.* The direction and management of the facility are such as to assure that the services required by the residents are so organized and administered that they are, in fact, available to the residents on a regular basis and that this is accomplished efficiently and with consideration for the objective of providing necessary care within a home-

like atmosphere. Staff are employed by the facility sufficient in number and competence, as determined by the appropriate State agency, to meet the requirements of the residents.

§ 235.63 Conditions for FFP.

(a) *Who may be trained.* FFP is available only for training provided personnel employed in all classes of positions, volunteers, and persons preparing for employment by the State or local agency administering the program.

(b) *When FFP is available.* FFP is available for personnel employed and persons preparing for employment by the State or local agency provided the following conditions are met, and with the following limitations:

(1) Employees in full-time, long-term training make a commitment to work in the agency for a period of time equal to the period for which financial assistance is granted. A State agency may exempt an employee from fulfilling this commitment only if failure to continue in employment is due to death, disability, employment in a financial assistance program in a public assistance agency in another State, or other emergent circumstances determined by the single State agency head to be valid for exemption;

(2) An employee retains his or her rights and benefits in the agency while on full-time, long-term training leave;

(3) Persons preparing for employment are selected by the State agency and accepted by the school;

(4) Persons preparing for employment are pursuing educational programs approved by the State agency;

(c) *Grants to educational institutions.* FFP is available in payments for services rendered under grants to educational institutions provided all of the following conditions are met:

(1) Grants are made for the purpose of developing, expanding, or improving training for personnel employed by the State or local agency or preparing for employment by the State or local agency administering the program. When a specialized program within the institution for which there is a specialized accrediting body is used, that program must be accredited by or have pre-accreditation status from that body. (Part 149 of this title explains the requirements and procedures for obtaining recognition as an accrediting agency or association. Lists of currently recognized accrediting bodies are published in the FEDERAL REGISTER periodically. *See also Nationally Recognized Accrediting Agencies and Associations* published by the Office of Education);

PART 237—FISCAL ADMINISTRATION OF FINANCIAL ASSISTANCE PROGRAMS

AUTHORITY: Section 1102 of the Social Security Act (42 U.S.C. 1302); 49 Stat. 647, as amended.

§ 237.50 Recipient count, Federal financial participation.

Pursuant to the formulas in sections 3, 403, 1003, 1118, 1121, 1403, and 1603 of the Social Security Act, it is necessary to identify expenditures that may be included in claims for Federal financial participation. The quarterly statement of expenditures and recoveries which is required for OAA, AFDC, AB, APTD, and AABD must include, as a part of the basis for computing the amount of Federal participation in such expenditures, the number of eligible recipients each month. However, where the State is making claims under section 1118 of the Act or under optional provisions for Federal sharing specified in such paragraphs no recipient count is involved. Vendor payments for medical care may not be considered if the State has a plan approved under title XIX of the Act. The procedures for determining recipient count are set forth in paragraphs (a), (b) and (c) of this section.

(a) *Adult assistance categories.* For each adult assistance category, under title I, X, XIV, or XVI, of the Act, the recipient count for any month may include:

(1) Eligible recipients who receive money payments or in whose behalf protective payments are made for that month:

Provided, That such payments are not excluded from Federal financial participation under the provisions of § 233.145(c) of this chapter; plus

(2) Other eligible recipients in whose behalf payments are made for institutional services in intermediate care facilities for that month, but only in a State which does not have in effect a plan approved under Title XIX of the Act. (See § 233.145(b)(2) of this chapter.)

(b) *AFDC category.* For the AFDC category under title IV, part A, of the Act:

(1) The recipient count for any month includes:

(i) Eligible recipients in families which receive a money payment, plus

(ii) Eligible recipients in families not otherwise counted on whose behalf protective or nonmedical vendor assistance payments are made for such month in accordance with the vendor payment provisions at § 234.60, provided that such payments are not excluded from Federal financial participation under the provisions of § 233.145(c) of this chapter.

(2) For the purpose of this provision, *recipients* means, if otherwise eligible:

(i) Children;

(ii) In a home with no parent who is the caretaker relative, an otherwise eligible relative of specified degree;

(iii) Parent(s);

(iv) The spouse of such parent, in the case of AFDC eligibility due to incapacity or unemployment;

(3) As used in paragraph (b)(2)(iii) of this section, the term *parent* means the natural or adoptive parent, or the stepparent who is married to the child's natural or adoptive parent and is legally obligated to support the child under a State law of general applicability which requires stepparents to support stepchildren to the same extent that natural or adoptive parents are required to support their children; and the term "spouse" as used in paragraph (b)(2)(iv) of this section means an individual who is the husband or wife of the child's own parent, as defined above, by reason of a legal marriage as defined under State law.

(4) Where there are two or more dependent children living in a place of residence with two other persons and each of such other persons is a relative who has responsibility for the care and control of one or more of the dependent children, there may be two AFDC families (assistance units), if neither family includes a parent or sibling included in the other family pursuant to § 206.10 (a)(1)(vii).

(c) *Essential person.* An *essential person* or other ineligible person who is living with the eligible person may not be counted as a recipient.

§ 260.31 What does the term “assistance” mean?

(a)(1) The term “assistance” includes cash, payments, vouchers, and other forms of benefits designed to meet a family's ongoing basic needs (i.e., for food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses).

(2) It includes such benefits even when they are:

(i) Provided in the form of payments by a TANF agency, or other agency on its behalf, to individual recipients; and

(ii) Conditioned on participation in work experience or community service (or any other work activity under § 261.30 of this chapter).

(3) Except where excluded under paragraph (b) of this section, it also includes supportive services such as transportation and child care provided to families who are not employed.

(b) It excludes:

(1) Nonrecurrent, short-term benefits that:

(i) Are designed to deal with a specific crisis situation or episode of need;

(ii) Are not intended to meet recurrent or ongoing needs; and

(iii) Will not extend beyond four months.

(5) Contributions to, and distributions from, Individual Development Accounts;

(7) Transportation benefits provided under a Job Access or Reverse Commute project, pursuant to section 404(k) of the Act, to an individual who is not otherwise receiving assistance.

(c) The definition of the term assistance specified in paragraphs (a) and (b) of this section:

(The family's tax liability is the amount owed prior to any adjustments for credits or payments.) In other words, we would count only the portion of a State EITC that the State refunds to a family and that is above the amount of EITC used as credit towards the family's State income tax liability.

(3) For other refundable (and allowable) State and local tax credits, such as refundable dependent care credits, the refundable portion that would count as an expenditure is the amount of the credit that exceeds the taxpayer's tax liability prior to the application of the credit. (The taxpayer's liability is the amount owed prior to any adjustments for credits or payments.) In other words, we would count only the portion of the credit that the State refunds to the taxpayer and that is above the amount of the credit applied against the taxpayer's tax bill.

§ 260.34 When do the Charitable Choice provisions of TANF apply?

(a) These Charitable Choice provisions apply whenever a State or local government uses Federal TANF funds or expends State and local funds used to meet maintenance-of-effort (MOE) requirements of the TANF program to directly procure services and benefits from non-governmental organizations, or provides TANF beneficiaries with certificates, vouchers, or other forms of indirect disbursement redeemable from such organizations. For purposes of this section:

(1) *Direct funding or funds provided directly* means that the government or an intermediate organization with the same duties as a governmental entity under this part selects the provider and

purchases the needed services straight from the provider (e.g., via a contract or cooperative agreement).

(2) *Indirect funding or funds provided indirectly* means placing the choice of service provider in the hands of the beneficiary, and then paying for the cost of that service through a voucher, certificate, or other similar means of payment.

(b)(1) Religious organizations are eligible, on the same basis as any other organization, to participate in TANF as long as their Federal TANF or State MOE funded services are provided consistent with the Establishment Clause and the Free Exercise Clause of the First Amendment to the United States Constitution.

(2) Neither the Federal government nor a State or local government in its use of Federal TANF or State MOE funds shall, in the selection of service providers, discriminate for or against an organization that applies to provide, or provides TANF services or benefits on the basis of the organization's religious character or affiliation.

(c) No Federal TANF or State MOE funds provided directly to participating organizations may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives direct Federal TANF or State MOE funds under this part, and participation must be voluntary for the beneficiaries of those programs or services.

(d) A religious organization that participates in the TANF program will retain its independence from Federal, State, and local governments and may continue to carry out its mission, including the definition, practice and expression of its religious beliefs, provided that it does not expend Federal TANF or State MOE funds that it receives directly to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide TANF-funded services without removing religious art, icons, scriptures, or other symbols.

In addition, a Federal TANF or State MOE funded religious organization retains the authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

(e) The participation of a religious organization in, or its receipt of funds from, a TANF program does not affect that organization's exemption provided under 42 U.S.C. 2000e-1 regarding employment practices.

(f) A religious organization that receives Federal TANF or State MOE funds shall not, in providing program services or benefits, discriminate against a TANF applicant or recipient on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to actively participate in a religious practice.

(g)(1) If an otherwise eligible TANF applicant or recipient objects to the religious character of a TANF service provider, the recipient is entitled to receive services from an alternative provider to which the individual has no religious objection. In such cases, the State or local agency must refer the individual to an alternative provider of services within a reasonable period of time, as defined by the State or local agency. That alternative provider must be reasonably accessible and have the capacity to provide comparable services to the individual. Such services shall have a value that is not less than the value of the services that the individual would have received from the program participant to which the individual had such objection, as defined by the State or local agency.

(2) The alternative provider need not be a secular organization. It must simply be a provider to which the recipient has no religious objection. States may adopt reasonable definitions of the terms "reasonably accessible," "a reasonable period of time," "comparable," "capacity," and "value that is not less than." We expect States to apply these terms in a fair and consistent manner.

(3) The appropriate State or local governments that administer Federal TANF or State MOE funded programs shall ensure that notice of their right

to alternative services is provided to applicants or recipients. The notice must clearly articulate the recipient's right to a referral and to services that reasonably meet the timeliness, capacity, accessibility, and equivalency requirements discussed above.

(h) Religious organizations that receive Federal TANF and State MOE funds are subject to the same regulations as other non-governmental organizations to account, in accordance with generally accepted auditing/accounting principles, for the use of such funds. Religious organizations may keep Federal TANF and State MOE funds they receive for services segregated in a separate account from non-governmental funds. If religious organizations choose to segregate their funds in this manner, only the Federal TANF and State MOE funds are subject to audit by the government under the program.

(i) This section applies whenever a State or local organization uses Federal TANF or State MOE funds to procure services and benefits from non-governmental organizations, or redeems certificates, vouchers, or other forms of disbursement from them whether with Federal funds, or State and local funds claimed to meet the MOE requirements of section 409(a)(7) of the Social Security Act. Subject to the requirements of paragraph (j), when State or local funds are used to meet the TANF MOE requirements, the provisions apply irrespective of whether the State or local funds are commingled with Federal funds, segregated, or expended in separate State programs.

(j) Preemption. Nothing in this section shall be construed to preempt any provision of a State constitution, or State statute that prohibits or restricts the expenditure of segregated or separate State funds in or by religious organizations.

(k) If a non-governmental intermediate organization, acting under a contract or other agreement with a State or local government, is given the authority under the contract or agreement to select non-governmental organizations to provide Federal TANF or MOE funded services, the intermediate organization must ensure that there is compliance with the Charitable Choice

§ 260.35

statutory provisions and these regulations. The intermediate organization retains all other rights of a non-governmental organization under the Charitable Choice statute and regulations.

(l) Any party which seeks to enforce its right under this section may assert a civil action for injunctive relief exclusively in an appropriate State court against the entity or agency that allegedly commits such violation.

EFFECTIVE DATE NOTE: At 68 FR 56465, Sept. 30, 2003, § 260.34 was added, effective Oct. 30, 2003.

§ 260.35 What other Federal laws apply to TANF?

(a) Under section 408(d) of the Act, the following provisions of law apply to any program or activity funded with Federal TANF funds:

(1) The Age Discrimination Act of 1975;

(2) Section 504 of the Rehabilitation Act of 1973;

(3) The Americans with Disabilities Act of 1990; and

(4) Title VI of the Civil Rights Act of 1964.

(b) The limitation on Federal regulatory and enforcement authority at section 417 of the Act does not limit the effect of other Federal laws, including Federal employment laws (such as the Fair Labor Standards Act (FLSA), the Occupational Safety and Health Act (OSHA) and unemployment insurance (UI)) and nondiscrimination laws. These laws apply to TANF beneficiaries in the same manner as they apply to other workers.

§ 260.40 When are these provisions in effect?

(a) In determining whether a State is subject to a penalty under parts 261 through 265 of this chapter, we will not apply the regulatory provisions in parts 260 through 265 of this chapter retroactively. We will judge State actions that occurred prior to the effective date of these rules and expenditures of funds received prior to the effective date only against a reasonable interpretation of the statutory provisions in title IV-A of the Act.

45 CFR Ch. II (10–1–03 Edition)

(b) The effective date of these rules is October 1, 1999.

Subpart B—What Special Provisions Apply to Victims of Domestic Violence?

§ 260.50 What is the purpose of this subpart?

Under section 402(a)(7) of the Act, under its TANF plan, a State may elect to implement a special program to serve victims of domestic violence and to waive program requirements for such individuals. This subpart explains how adoption of these provisions affects the penalty determinations applicable if a State fails to meet its work participation rate or comply with the five-year limit on Federal assistance.

§ 260.51 What definitions apply to this subpart?

Family Violence Option (or FVO) means the provision at section 402(a)(7) of the Act under which a State certifies in its State plan if it has elected the option to implement comprehensive strategies for identifying and serving victims of domestic violence.

Federally recognized good cause domestic violence waiver means a good cause domestic violence waiver that meets the requirements at §§ 260.52(c) and 260.55.

Good cause domestic violence waiver means a waiver of one or more program requirements granted by a State to a victim of domestic violence under the FVO, as described at § 260.52(c).

Victim of domestic violence means an individual who is battered or subject to extreme cruelty under the definition at section 408(a)(7)(C)(iii) of the Act.

§ 260.52 What are the basic provisions of the Family Violence Option (FVO)?

Section 402(a)(7) of the Act provides that States electing the FVO certify that they have established and are enforcing standards and procedures to:

(a) Screen and identify individuals receiving TANF and MOE assistance with a history of domestic violence, while maintaining the confidentiality of such individuals;

(b) Refer such individuals to counseling and supportive services; and

(c) Provide waivers, pursuant to a determination of good cause, of normal program requirements to such individuals for so long as necessary in cases where compliance would make it more difficult for such individuals to escape domestic violence or unfairly penalize those who are or have been victimized by such violence or who are at risk of further domestic violence.

§ 260.54 Do States have flexibility to grant good cause domestic violence waivers?

(a) Yes; States have broad flexibility to grant these waivers to victims of domestic violence. For example, they may determine which program requirements to waive and decide how long each waiver might be necessary.

(b) However, if a State wants us to take the waivers that it grants into account in deciding if it has reasonable cause for failing to meet its work participation rates or comply with the five-year limit on Federal assistance, has achieved compliance or made significant progress towards achieving compliance with such requirements during a corrective compliance period, or qualifies for a reduction in its work penalty under § 261.51 of this chapter, the waivers must be federally recognized good cause domestic violence waivers, within the meaning of §§ 260.52(c) and 260.55, and the State must submit the information specified at § 265.9(b)(5) of this chapter on its strategies and procedures for serving victims of domestic violence and the number of waivers granted.

§ 260.55 What are the additional requirements for Federal recognition of good cause domestic violence waivers?

To be federally recognized, good cause domestic violence waivers must:

(a) Identify the specific program requirements that are being waived;

(b) Be granted appropriately based on need, as determined by an individualized assessment by a person trained in domestic violence and redeterminations no less often than every six months;

(c) Be accompanied by an appropriate services plan that:

(1) Is developed by a person trained in domestic violence;

(2) Reflects the individualized assessment and any revisions indicated by the redetermination; and

(3) To the extent consistent with § 260.52(c), is designed to lead to work.

§ 260.58 What penalty relief is available to a State whose failure to meet the work participation rates is attributable to providing federally recognized good cause domestic violence waivers?

(a)(1) We will determine that a State has reasonable cause if its failure to meet the work participation rates was attributable to federally recognized good cause domestic violence waivers granted to victims of domestic violence.

(2) To receive reasonable cause under the provisions of § 262.5(b) of this chapter, the State must provide evidence that it achieved the applicable rates, except with respect to any individuals who received a federally recognized good cause domestic violence waiver of work participation requirements. In other words, it must demonstrate that it met the applicable rates when such waiver cases are removed from the calculations at §§ 261.22(b) and 261.24(b) of this chapter.

(b)(1) We will reduce a State's penalty based on the degree of noncompliance to the extent that its failure to meet the work participation rates was attributable to federally recognized good cause domestic violence waivers.

(2) To receive a reduction based on degree of noncompliance under the provisions of § 261.51 of this chapter, a State granting federally recognized good cause domestic violence waivers of work participation requirements must demonstrate that it achieved participation rates above the threshold at § 261.51(b)(3) of this chapter, when such waiver cases are removed from the calculations at §§ 261.22(b) and 261.24(b) of this chapter.

(c) We may take federally recognized good cause domestic violence waivers of work requirements into consideration in deciding whether a State has achieved compliance or made significant progress towards achieving compliance in meeting the work participation rates during a corrective compliance period.

§ 260.59

(d) To receive the penalty relief specified in paragraphs (a), (b), and (c) of this section, the State must submit the information specified at § 265.9(b)(5) of this chapter.

§ 260.59 What penalty relief is available to a State that failed to comply with the five-year limit on Federal assistance because it provided federally recognized good cause domestic violence waivers?

(a)(1) We will determine that a State has reasonable cause if it failed to comply with the five-year limit on Federal assistance because of federally recognized good cause domestic violence waivers granted to victims of domestic violence.

(2) More specifically, to receive reasonable cause under the provisions at § 264.3(b) of this chapter, a State must demonstrate that:

(i) It granted federally recognized good cause domestic violence waivers to extend time limits based on the need for continued assistance due to current or past domestic violence or the risk of further domestic violence; and

(ii) When individuals and their families are excluded from the calculation, the percentage of families receiving federally funded assistance for more than 60 months did not exceed 20 percent of the total.

(b) We may take federally recognized good cause domestic violence waivers to extend time limits into consideration in deciding whether a State has achieved compliance or made significant progress towards achieving compliance in meeting the five-year limit on Federal assistance during a corrective compliance period.

(c) To receive the penalty relief specified in paragraphs (a) and (b) of this section, the State must submit the information specified at § 265.9(b)(5) of this chapter.

45 CFR Ch. II (10–1–03 Edition)

Subpart C—What Special Provisions Apply to States that Were Operating Programs Under Approved Waivers?

§ 260.70 What is the purpose of this subpart?

(a) Under section 415 of the Act, if a State was granted a waiver under section 1115 of the Act and that waiver was in effect on August 22, 1996, the amendments made by PRWORA do not apply for the period of the waiver, to the extent that they are inconsistent with the waiver and the State elects to continue its waiver.

(b) Identification of waiver inconsistencies is relevant for the determination of penalties in three areas:

(1) Under § 261.50 of this chapter for failing to meet the work participation rates at part 261 of this chapter;

(2) Under § 264.2 of this chapter for failing to comply with the five-year limit on Federal assistance at subpart A of part 264 of this chapter; and

(3) Under § 261.54 of this chapter for failing to impose sanctions on individuals who fail to work.

(c) This subpart explains how we will determine waiver inconsistencies and apply them in the penalty determination process for these penalties.

§ 260.71 What definitions apply to this subpart?

(a) *Inconsistent* means that complying with the TANF work participation or sanction requirements at section 407 of the Act or the time-limit requirement at section 408(a)(7) of the Act would necessitate that a State change a policy reflected in an approved waiver.

(b) *Waiver* consists of the work participation or time-limit component of the State's demonstration project under section 1115 of the Act. The component includes the revised AFDC requirements indicated in the State's waiver list, as approved by the Secretary under the authority of section 1115, and the associated AFDC provisions that did not need to be waived.

(c) *Control group* and *experimental group* have the meanings specified in the terms and conditions of the State's demonstration.

§ 260.72 What basic requirements must State demonstration components meet for the purpose of determining if inconsistencies exist with respect to work requirements or time limits?

(a) The policies must be consistent with the requirements of section 415 of the Act and the requirements of this subpart.

(b) The policies must be within the scope of the approved waivers both in terms of geographical coverage and the coverage of the types of cases specified in the waiver approval package.

(c) The State must have applied its waiver policies on a continuous basis from the date that it implemented its TANF program, except that it may have adopted modifications that have the effect of making its policies more consistent with the provisions of PRWORA.

(d) An inconsistency may not apply beyond the earlier of the following dates:

(1) The expiration of waiver authority as determined in accordance with the demonstration terms and conditions; or

(2) For any specific inconsistency, the date upon which the State discontinued the applicable waiver policy.

(e) The State must submit the Governor's certification specified in § 260.75.

(f) In general, the policies in this subpart do not have the effect of delaying the date when a State might be subject to the work or time-limit penalties at §§ 261.50, 261.54, and 264.1 of this chapter or the data collection requirements at part 265 of this chapter.

§ 260.73 How do existing welfare reform waivers affect the participation rates and work rules?

(a) If a State is implementing a work participation component under a waiver, in accordance with this subpart, the provisions of section 407 of the Act will not apply in determining if a penalty should be imposed, to the extent that the provision is inconsistent with the waiver.

(b) For the purpose of determining if the State's demonstration has a work participation component, the waiver list for the demonstration must include one or more specific provisions that directly correspond to the work policies in section 407 of the Act (i.e., change allowable JOBS activities, exemptions from JOBS participation, hours of required JOBS participation, or sanctions for noncompliance with JOBS participation).

(c) Corresponding to the inconsistencies certified by the Governor under § 260.75:

(1) We will calculate the State's work participation rates, by:

(i) Excluding cases exempted from participation under the demonstration component and, if applicable, experimental and control cases not otherwise exempted, in calculating the rate;

(ii) Defining work activities as defined in the demonstration component in determining the numerator; and

(iii) Including cases meeting the required number of hours of participation in work activities in accordance with demonstration component policy, in determining the numerator.

(2) We will determine whether a State is taking appropriate sanctions when an individual refuses to work based on the State's certified waiver policies.

(d) We will use the data submitted by States pursuant to § 265.3 of this chapter to calculate and make public a State's work participation rates under both the TANF requirements and the State's alternative waiver requirements.

§ 260.74 How do existing welfare reform waivers affect the application of the Federal time-limit provisions?

(a)(1) If a State is implementing a time-limit component under a waiver, in accordance with this subpart, the provisions of section 408(a)(7) of the Act will not apply in determining if a penalty should be imposed, to the extent that they are inconsistent with the waiver.

(2) For the purpose of determining if the State's demonstration has a time-limit component, the waiver list for

§ 260.75

the demonstration must include provisions that directly correspond to the time-limit policies enumerated in section 408(a)(7) of the Act (i.e., address which individuals or families are subject to, or exempt from, terminations of assistance based solely on the passage of time or who qualifies for extensions to the time limit).

(b)(1) Generally, under an approved waiver, except as provided in paragraph (b)(3) of this section, a State will count, toward the Federal five-year limit, all months for which the head-of-household or spouse of the head-of-household subject to the State time limit receives assistance with Federal TANF funds, just as it would if it did not have an approved waiver.

(2) The State need not count, toward the Federal five-year limit, any months for which a head-of-household or spouse of the head-of-household receives assistance with Federal TANF funds while that individual is exempt from the State's time limit under the State's approved waiver.

(3) Where a State has continued a time limit under waivers that only terminates assistance for adults, the State need not count, toward the Federal five-year limit, any months for which an adult subject to the State time limit receives assistance with Federal TANF funds.

(4) The State may continue to provide assistance with Federal TANF funds for more than 60 months, without a numerical limit, to families provided extensions to the State time limit, under the provisions of the terms and conditions of the approved waiver.

(c) Corresponding to the inconsistencies certified by the Governor under § 260.75, we will calculate the State's time-limit exceptions by:

(1) Excluding, from the determination of the number of months of Federal assistance received by a family:

(i) Any month in which the adult(s) were exempt from the State's time limit under the terms of an approved waiver or any months in which the children received assistance under a waiver that only terminated assistance to adults; and

(ii) If applicable, experimental and control group cases not otherwise exempted; and

45 CFR Ch. II (10–1–03 Edition)

(2) Applying the State's waiver policies with respect to the availability of extensions to the time limit.

§ 260.75 If a State is claiming a waiver inconsistency for work requirements or time limits, what must the Governor certify?

(a) The Governor of the State must certify in writing to the Secretary that:

(1) The applicable policies have been continually applied in operating the TANF program, as described in § 260.72(c);

(2) The inconsistencies claimed by the State are within the scope of the approved waivers, as described in § 260.72(b);

(b) The certification must identify the specific inconsistencies that the State chooses to continue with respect to work and time limits.

(1) If the waiver inconsistency claim includes work provisions, the certification must specify the standards that will apply, in lieu of the provisions in subparts B and C of part 261 of this chapter, to determine:

(i) The number of two-parent and all-parent cases that are exempt from participation, if any, for the purpose of determining the denominator of the work participation rate;

(ii) The number of nonexempt two-parent and all-parent cases that are participating in work activities for the purpose of determining the numerator of the work participation rate, including standards applicable to:

(A) Countable work activities; and

(B) Required hours of work for participation for individual participants; and

(iii) The penalty against an individual or family when an individual refuses to work.

(2) If the waiver inconsistency claim includes time-limit provisions, the certification must include the standards that will apply, in lieu of the provisions in § 264.1 of this chapter, in determining:

(i) Which families are counted toward the Federal time limit; and

(ii) Whether a family is eligible for an extension of its time limit on federally funded assistance.

(3) If the State is continuing policies for evaluation purposes in accordance with §260.76:

(i) The certification must specify any special work or time-limit standards that apply to the control group and experimental group cases; and

(ii) The State may choose to exclude cases assigned to the experimental and control groups, which are not otherwise exempt, for the purpose of calculating the work participation rate or determining State compliance related to limiting assistance to families including adults who have received 60 months of Federal TANF assistance. In doing so, the State may effectively exclude all experimental group cases and/or control group cases, not otherwise exempt, but may not exclude individual cases on a selective basis.

(c) The certification may include a claim of inconsistency with respect to hours of required participation in work activities only if the State has written evidence that, when implemented, the waiver policies established specific requirements related to hours of work for nonexempt individuals.

(d)(1) The Governor's certification must be provided no later than October 1, 1999.

(2) If a State modifies its waiver policies in a way that has a substantive effect on the determination of its work sanctions, or the calculation of its work participation rates or its time-limit exceptions, it must submit an amended certification no later than the end of the fiscal quarter in which the modifications take effect.

§260.76 What special rules apply to States that are continuing evaluations of their waiver demonstrations?

If a State is continuing research that employs an experimental design in order to complete an impact evaluation of a waiver demonstration, the experimental and control groups may continue to be subject to prior AFDC law, except as modified by the waiver.

§ 261.1 What does this part cover?

This part includes the regulatory provisions relating to the mandatory work requirements of TANF.

§ 261.2 What definitions apply to this part?

The general TANF definitions at §§ 260.30 through 260.33 of this chapter apply to this part.

45 CFR Ch. II (10–1–03 Edition)

Subpart A—What Are the Provisions Addressing Individual Responsibility?

§ 261.10 What work requirements must an individual meet?

(a)(1) A parent or caretaker receiving assistance must engage in work activities when the State has determined that the individual is ready to engage in work or when he or she has received assistance for a total of 24 months, whichever is earlier, consistent with section 407(e)(2) of the Act.

(2) The State must define what it means to engage in work for this requirement; its definition may include participation in work activities in accordance with section 407 of the Act.

(b) If a parent or caretaker has received assistance for two months, he or she must participate in community service employment, consistent with section 407(e)(2) of the Act, unless the State has exempted the individual from work requirements or he or she is already engaged in work activities as described at § 261.30. The State will determine the minimum hours per week and the tasks the individual must perform as part of the community service employment.

§ 261.11 Which recipients must have an assessment under TANF?

(a) The State must make an initial assessment of the skills, prior work experience, and employability of each recipient who is at least age 18 or who has not completed high school (or equivalent) and is not attending secondary school.

(b) The State may make any required assessments within 30 days (90 days, at State option) of the date an individual becomes eligible for assistance.

§ 261.12 What is an individual responsibility plan?

An individual responsibility plan is a plan developed at State option, in consultation with the individual, on the basis of the assessment made under § 261.11. The plan:

(a) Should set an employment goal and a plan for moving immediately into private-sector employment;

(b) Should describe the obligations of the individual. These could include

going to school, maintaining certain grades, keeping school-aged children in school, immunizing children, going to classes, or doing other things that will help the individual become or remain employed in the private sector;

(c) Should be designed to move the individual into whatever private-sector employment he or she is capable of handling as quickly as possible and to increase over time the responsibility and the amount of work the individual handles;

(d) Should describe the services the State will provide the individual to enable the individual to obtain and keep private sector employment, including job counseling services; and

(e) May require the individual to undergo appropriate substance abuse treatment.

§ 261.13 May an individual be penalized for not following an individual responsibility plan?

Yes. If an individual fails without good cause to comply with an individual responsibility plan that he or she has signed, the State may reduce the amount of assistance otherwise payable to the family, by whatever amount it considers appropriate. This penalty is in addition to any other penalties under the State's TANF program.

§ 261.14 What is the penalty if an individual refuses to engage in work?

(a) If an individual refuses to engage in work required under section 407 of the Act, the State must reduce or terminate the amount of assistance payable to the family, subject to any good cause or other exceptions the State may establish. Such a reduction is governed by the provisions of § 261.16.

(b)(1) The State must, at a minimum, reduce the amount of assistance otherwise payable to the family pro rata with respect to any period during the month in which the individual refuses to work.

(2) The State may impose a greater reduction, including terminating assistance.

(c) A State that fails to impose penalties on individuals in accordance with the provisions of section 407(e) of

the Act may be subject to the State penalty specified at § 261.54.

§ 261.15 Can a family be penalized if a parent refuses to work because he or she cannot find child care?

(a) No, the State may not reduce or terminate assistance based on an individual's refusal to engage in required work if the individual is a single custodial parent caring for a child under age six who has a demonstrated inability to obtain needed child care, as specified at § 261.56.

(b) A State that fails to comply with the penalty exception at section 407(e)(2) of the Act and the requirements at § 261.56 may be subject to the State penalty specified at § 261.57.

§ 261.16 Does the imposition of a penalty affect an individual's work requirement?

A penalty imposed by a State against the family of an individual by reason of the failure of the individual to comply with a requirement under TANF shall not be construed to be a reduction in any wage paid to the individual.

Subpart B—What Are the Provisions Addressing State Accountability?

§ 261.20 How will we hold a State accountable for achieving the work objectives of TANF?

(a) Each State must meet two separate work participation rates, one—the two-parent rate—based on how well it succeeds in helping adults in two-parent families find work activities described at § 261.30, the other—the overall rate—based on how well it succeeds in finding those activities for adults in all the families that it serves.

(b) Each State must submit data that allows us to measure its success in requiring adults to participate in work activities, as specified at § 265.3 of this chapter.

(c) If the data show that a State met both participation rates in a fiscal year, then the percentage of historic State expenditures that it must expend under TANF, pursuant to § 263.1 of this chapter, decreases from 80 percent to 75 percent for that fiscal year. This is also

§ 261.21

known as the State's TANF "maintenance-of-effort" requirement.

(d) If the data show that a State did not meet either minimum work participation rate for a fiscal year, a State could be subject to a financial penalty.

(e) Before we impose a penalty, a State will have the opportunity to claim reasonable cause or enter into a corrective compliance plan, pursuant to §§ 262.5 and 262.6 of this chapter.

§ 261.21 What overall work rate must a State meet?

Each State must achieve the following minimum overall participation rate:

If the fiscal year is:	Then the minimum participation rate is:
1997	25
1998	30
1999	35
2000	40
2001	45
2002 and thereafter	50

§ 261.22 How will we determine a State's overall work rate?

(a) The overall participation rate for a fiscal year is the average of the State's overall participation rates for each month in the fiscal year.

(b) We determine a State's overall participation rate for a month as follows:

(1) The number of families receiving TANF assistance that include an adult or a minor head-of-household who is engaged in work for the month (i.e., the numerator), divided by,

(2) The number of families receiving TANF assistance during the month that include an adult or a minor head-of-household, minus the number of families that are subject to a penalty for refusing to work in that month (i.e., the denominator). However, if a family has been sanctioned for more than three of the last 12 months, we will not exclude it from the participation rate calculation.

(3) The State may direct us, through its reported participation data, to include in the participation calculation families that have been sanctioned for no more than three of the last 12 months.

45 CFR Ch. II (10-1-03 Edition)

(c)(1) A State has the option of not requiring a single custodial parent caring for a child under age one to engage in work.

(2) At State option, we will disregard a family with such a parent from the participation rate calculation for a maximum of 12 months.

(d)(1) If a family receives assistance for only part of a month, we will count it as a month of participation if an adult in the family is engaged in work for the minimum average number of hours in each full week that the family receives assistance in that month.

(2) If a State pays benefits retroactively (i.e., for the period between application and approval of benefits), it has the option to consider the family to be receiving assistance during the period of retroactivity.

§ 261.23 What two-parent work rate must a State meet?

A State receiving a TANF grant for a fiscal year must achieve the following minimum two-parent participation rate:

If the fiscal year is:	Then the minimum participation rate is:
1997	75
1998	75
1999 and thereafter	90

§ 261.24 How will we determine a State's two-parent work rate?

(a) The two-parent participation rate for a fiscal year is the average of the State's two-parent participation rates for each month in the fiscal year.

(b) We determine a State's two-parent participation rate for a month as follows:

(1) The number of two-parent families receiving TANF assistance that include an adult or minor child head-of-household and other parent who meet the requirements set forth in § 261.32 for the month (i.e., the numerator), divided by,

(2) The number of two-parent families receiving TANF assistance during the month, minus the number of two-parent families that are subject to a penalty for refusing to work in that month (i.e., the denominator). However, if a family has been sanctioned

for more than three of the last 12 months, we will not exclude it from the participation rate calculation.

(3) The State may direct us, through its reported participation data, to include in the participation calculation families that have been sanctioned for no more than three of the last 12 months.

(c) For purposes of the calculation in paragraph (b) of this section, a two-parent family includes, at a minimum, all families with two natural or adoptive parents (of the same minor child) receiving assistance and living in the home, unless both are minors and neither is a head-of-household.

(d)(1) If a family receives assistance for only part of a month, we will count it as a month of participation if an adult in the family (or both adults, if they are both required to work) is engaged in work for the minimum average number of hours in each full week that the family receives assistance in that month.

(2) If a State pays benefits retroactively (i.e., for the period between application and approval of benefits), it has the option to consider the family to be receiving assistance during the period of retroactivity.

(e) If a family includes a disabled parent, we will not consider the family to be a two-parent family under paragraph (b) of this section; i.e., we will not include such a family in either the numerator or denominator of the two-parent rate.

§ 261.25 Does a State include Tribal families in calculating these rates?

At State option, we will include families that are receiving assistance under an approved Tribal family assistance plan or under a Tribal work program in calculating the State's participation rates under §§ 261.22 and 261.24.

Subpart C—What Are the Work Activities and How Do They Count?

§ 261.30 What are the work activities?

The work activities are:

- (a) Unsubsidized employment;
- (b) Subsidized private-sector employment;

(c) Subsidized public-sector employment;

(d) Work experience if sufficient private-sector employment is not available;

(e) On-the-job training (OJT);

(f) Job search and job readiness assistance;

(g) Community service programs;

(h) Vocational educational training;

(i) Job skills training directly related to employment;

(j) Education directly related to employment, in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;

(k) Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, if a recipient has not completed secondary school or received such a certificate; and

(l) Providing child care services to an individual who is participating in a community service program.

§ 261.31 How many hours must an individual participate to count in the numerator of the overall rate?

(a) An individual counts as engaged in work for a month for the overall rate if:

(1) He or she participates in work activities during the month for at least the minimum average number of hours per week listed in the following table:

If the fiscal year is:	Then the minimum average hours per week is:
1997	20
1998	20
1999	25
2000 or thereafter	30

and

(2) At least 20 of the above hours per week come from participation in the activities listed in paragraph (b) of this section.

(b) The following nine activities count toward the first 20 hours of participation: unsubsidized employment; subsidized private-sector employment; subsidized public-sector employment; work experience; on-the-job training; job search and job readiness assistance;

§ 261.32

community service programs; vocational educational training; and providing child care services to an individual who is participating in a community service program.

(c) Above 20 hours per week, the following three activities may also count as participation: job skills training directly related to employment; education directly related to employment; and satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence.

§ 261.32 How many hours must an individual participate to count in the numerator of the two-parent rate?

(a) Subject to paragraph (d) of this section, an individual counts as engaged in work for the month for the two-parent rate if:

(1) If an individual and the other parent in the family are participating in work activities for an average of at least 35 hours per week during the month, and

(2) At least 30 of the 35 hours per week come from participation in the activities listed in paragraph (b) of this section.

(b) The following nine activities count for the first 30 hours of participation: unsubsidized employment; subsidized private-sector employment; subsidized public-sector employment; work experience; on-the-job training; job search and job readiness assistance; community service programs; vocational educational training; and providing child care services to an individual who is participating in a community service program.

(c) Above 30 hours per week, the following three activities may also count for participation: job skills training directly related to employment; education directly related to employment; and satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence.

(d)(1) If the family receives federally funded child care assistance and an adult in the family is not disabled or caring for a severely disabled child, then the individual and the other parent must be participating in work activities for an average of at least 55

45 CFR Ch. II (10–1–03 Edition)

hours per week for the individual to count as a two-parent family engaged in work for the month.

(2) At least 50 of the 55 hours per week must come from participation in the activities listed in paragraph (b) of this section.

(3) Above 50 hours per week, the three activities listed in paragraph (c) of this section may also count as participation.

§ 261.33 What are the special requirements concerning educational activities in determining monthly participation rates?

(a) Vocational educational training may only count for a total of 12 months for any individual.

(b)(1) A recipient who is married or a single head-of-household under 20 years old counts as engaged in work in a month if he or she:

(i) Maintains satisfactory attendance at a secondary school or the equivalent during the month; or

(ii) Participates in education directly related to employment for an average of at least 20 hours per week during the month.

(2)(i) For a married recipient, such participation counts as the greater of 20 hours or the actual hours of participation.

(ii) If both parents in the family are under 20 years old, the requirements at § 261.32(d) are met if both meet the conditions of paragraphs (b)(1)(i) or (b)(1)(ii) of this section.

(c) In counting individuals for each participation rate, not more than 30 percent of individuals engaged in work in a month may be included in the numerator because they are:

(1) Participating in vocational educational training; and

(2) In fiscal year 2000 or thereafter, individuals deemed to be engaged in work by participating in educational activities described in paragraph (b) of this section.

§ 261.34 Are there any limitations in counting job search and job readiness assistance toward the participation rates?

Yes. There are four limitations concerning job search and job readiness.

(a) Except as provided in paragraph (b) of this section, an individual's participation in job search and job readiness assistance counts for a maximum of six weeks in any fiscal year.

(b) If the State's total unemployment rate is at least 50 percent greater than the United States' total unemployment rate or if the State meets the definition of a needy State, specified at § 260.30 of this chapter, then an individual's participation in job search and job readiness assistance counts for a maximum of 12 weeks in that fiscal year.

(c) An individual's participation in job search and job readiness assistance does not count for a week that immediately follows four consecutive weeks of such participation in a fiscal year.

(d) Not more than once for any individual in a fiscal year, a State may count three or four days of job search and job readiness assistance during a week as a full week of participation.

§ 261.35 Are there any special work provisions for single custodial parents?

Yes. A single custodial parent or caretaker relative with a child under age six will count as engaged in work if he or she participates for at least an average of 20 hours per week.

§ 261.36 Do welfare reform waivers affect the calculation of a State's participation rates?

A welfare reform waiver could affect the calculation of a State's participation rate, pursuant to subpart C of part 260 and section 415 of the Act.

Subpart D—How Will We Determine Caseload Reduction Credit for Minimum Participation Rates?

§ 261.40 Is there a way for a State to reduce the work participation rates?

(a)(1) If the average monthly number of cases receiving assistance, including assistance under a separate State program (as provided at § 261.42(b)), in a State in the preceding fiscal year was lower than the average monthly number of cases that received assistance in FY 1995, the minimum overall partici-

pation rate the State must meet for the fiscal year (as provided at § 261.21) decreases by the number of percentage points the prior-year caseload fell in comparison to the FY 1995 caseload.

(2) The minimum two-parent participation rate the State must meet for the fiscal year (as provided at § 261.23) decreases, at State option, by either:

(i) The number of percentage points the prior-year two-parent caseload, including two-parent cases receiving assistance under a separate State program (as provided at § 261.42(b)), fell in comparison to the FY 1995 two-parent caseload or;

(ii) The number of percentage points the prior-year overall caseload, including assistance under a separate State program (as provided at § 261.42(b)), fell in comparison to the FY 1995 overall caseload.

(b) The calculations in paragraph (a) of this section must disregard the net caseload reduction (i.e., caseload decreases offset by increases) due either to requirements of Federal law or to changes that a State has made in its eligibility criteria in comparison to its criteria in effect in FY 1995.

(c)(1)(i) To establish the caseload base for fiscal year 1995, we will use the number of AFDC cases and Unemployed Parent cases reported on ACF-3637, Statistical Report on Recipients under Public Assistance.

(ii) We will automatically adjust the Unemployed Parent caseload proportionally upward, based on the percentage of cases with two parents in the household, as shown in Quality Control data for the period prior to the State's reporting two-parent data under TANF.

(2) To determine the prior-year caseload for subsequent years, we will use caseload information from the TANF Data Report and the SSP-MOE Data Report.

(3) To qualify for a caseload reduction, a State must have reported monthly caseload information, including cases in separate State programs, for the preceding fiscal year for cases receiving assistance as defined at § 261.43.

(d)(1) A State may correct erroneous data or submit accurate data to adjust IV-A program data or to include

unduplicated cases. For example, a State may submit accurate data for Emergency Assistance cases and two-parent cases outside the Unemployed Parent program.

(2) A State may submit data to adjust the caseload for FY 1999 and thereafter to include two-parent or other State program cases covered by Federal TANF or State MOE expenditures, but not otherwise reported.

(3) We will adjust both the FY 1995 baseline and the caseload information for subsequent years, as appropriate, based on these State submissions.

(e) We refer to the number of percentage points by which a caseload falls, disregarding the cases described in paragraph (b), as a caseload reduction credit.

§ 261.41 How will we determine the caseload reduction credit?

(a)(1) We will determine the total and two-parent caseload reduction credits that apply to each State based on the information and estimates reported to us by the State on eligibility policy changes, application denials, and case closures.

(2) We will accept the information and estimates provided by a State, unless they are implausible based on the criteria listed in paragraph (d) of this section.

(3) We may conduct on-site reviews and inspect administrative records on applications and terminations to validate the accuracy of the State estimates.

(b) In order to receive a caseload reduction credit, a State must submit a Caseload Reduction Report to us containing the following information:

(1) A listing of, and implementation dates for, all State and Federal eligibility changes, as defined at § 261.42, made by the State since the beginning of FY 1995;

(2) A numerical estimate of the positive or negative impact on the applicable caseload of each eligibility change (based, as appropriate, on application denials, case closures or other analyses);

(3) An overall estimate of the total net positive or negative impact on the applicable caseload as a result of all such eligibility changes;

(4) An estimate of the State's caseload reduction credit;

(5) The number of application denials and case closures for fiscal year 1995 and the prior fiscal year;

(6) The distribution of such denials and case closures, by reason, for fiscal year 1995 and the prior fiscal year;

(7) A description of the methodology and the supporting data that it used to calculate its caseload reduction estimates;

(8) A certification that it has provided the public an appropriate opportunity to comment on the estimates and methodology, considered their comments, and incorporated all net reductions resulting from Federal and State eligibility changes; and

(9) A summary of all public comments.

(c) A State requesting a caseload reduction credit for both rates must provide separate estimates and information for the two-parent credit if it wishes to base the caseload reduction credit for the two-parent rate on reductions in the two-parent caseload.

(1) The State must base its estimates of the impact of eligibility changes for the overall participation rate on decreases in its overall caseload compared to the FY 1995 overall caseload baseline established in accordance with § 261.40(d).

(2) The State must base its estimates of the impact of eligibility changes for two-parent cases on decreases in its two-parent caseload compared to the FY 1995 two-parent caseload baseline established in accordance with § 261.40(d).

(d)(1) For each State, we will assess the adequacy of information and estimates using the following criteria: its methodology; its estimates of impact compared to other States; the quality of its data; and the completeness and adequacy of its documentation.

(2) If we request additional information to develop or validate estimates, the State may negotiate an appropriate deadline or provide the information within 30 days of the date of our request.

(3) The State must provide sufficient data to document the information submitted under paragraph (b) of this section.

(e) We will not calculate a caseload reduction credit unless the State reports case-record data on individuals and families served by any separate State program, as required under § 265.3(d) of this chapter.

(f) A State may only apply to its participation rate a caseload reduction credit that we have calculated. If a State disagrees with the caseload reduction credit, it may appeal the decision as an adverse action in accordance with § 262.7 of this chapter.

§ 261.42 Which reductions count in determining the caseload reduction credit?

(a)(1) A State's caseload reduction estimate must not include net caseload decreases (i.e., caseload decreases offset by increases) due to Federal requirements or State changes in eligibility rules since FY 1995 that directly affect a family's eligibility for assistance. These include more stringent income and resource limitations, time limits, full family sanctions, and other new requirements that deny families assistance when an individual does not comply with work requirements, cooperate with child support, or fulfill other behavioral requirements.

(2) A State may count the reductions attributable to enforcement mechanisms or procedural requirements that are used to enforce existing eligibility criteria (e.g., fingerprinting or other verification techniques) to the extent that such mechanisms or requirements identify or deter families otherwise ineligible under existing rules.

(b) A State must include cases receiving assistance in separate State programs as part of its prior-year caseload. However, if a State provides documentation that separate State program cases meet the following conditions, we will exclude them from the caseload count:

(1) The cases overlap with, or duplicate, cases in the TANF caseload; or

(2) They are cases made ineligible for Federal benefits by Pub. L. 104-193 that are receiving only State-funded cash assistance, nutrition assistance, or other benefits.

§ 261.43 What is the definition of a "case receiving assistance" in calculating the caseload reduction credit?

(a)(1) The caseload reduction credit is based on decreases in caseloads receiving assistance (other than those excluded pursuant to § 261.42) both in a State's TANF program and in separate State programs that address basic needs and are used to meet the maintenance-of-effort requirement.

(2) A State that is investing State MOE funds in eligible families in excess of the required 80 percent or 75 percent basic MOE amount need only include the pro rata share of caseloads receiving assistance that are required to meet basic MOE requirements.

(b)(1) Depending on a State's TANF implementation date, for fiscal years 1995, 1996 and 1997, we will use adjusted baseline caseload data as established in accordance with § 261.40(d).

(2) For subsequent fiscal years, we will determine the caseload based on all cases in a State receiving assistance (according to the definition of assistance at § 260.31 of this chapter).

§ 261.44 When must a State report the required data on the caseload reduction credit?

(a) A State must report the necessary documentation on caseload reductions for the preceding fiscal year by December 31.

(b) We will notify the State of its caseload reduction credit no later than March 31.

Subpart E—What Penalties Apply to States Related to Work Requirements?

§ 261.50 What happens if a State fails to meet the participation rates?

(a) If we determine that a State did not achieve one of the required minimum work participation rates, we must reduce the SFAG payable to the State.

(b)(1) If there was no penalty for the preceding fiscal year, the base penalty for the current fiscal year is five percent of the adjusted SFAG.

(2) For each consecutive year that the State is subject to a penalty under this part, we will increase the amount

§ 261.51

45 CFR Ch. II (10–1–03 Edition)

of the base penalty by two percentage points over the previous year's penalty. However, the penalty can never exceed 21 percent of the State's adjusted SFAG.

(c) We impose a penalty by reducing the SFAG payable for the fiscal year that immediately follows our final determination that a State is subject to a penalty and our final determination of the penalty amount.

(d) In accordance with the procedures specified at § 262.4 of this chapter, a State may dispute our determination that it is subject to a penalty.

§ 261.51 Under what circumstances will we reduce the amount of the penalty below the maximum?

(a) We will reduce the amount of the penalty based on the degree of the State's noncompliance.

(1) If the State fails only the two-parent participation rate specified at § 261.23, reduced by any applicable caseload reduction credit, its maximum penalty will be a percentage of the penalty specified at § 261.50. This percentage will equal the percentage of two-parent cases in the State's total caseload.

(2) If the State fails the overall participation rate specified at § 261.21, reduced by any applicable caseload reduction credit, or both rates, its maximum penalty will be the penalty specified at § 261.50.

(b)(1) In order to receive a reduction of the penalty amounts determined under paragraphs (a)(1) or (a)(2) of this section:

(i) The State must achieve participation rates equal to a threshold level defined as 50 percent of the applicable minimum participation rate at § 261.21 or § 261.23, minus any caseload reduction credit determined pursuant to subpart D of this part; and

(ii) The adjustment factor for changes in the number of individuals engaged in work, described in paragraph (b)(4) of this section, must be greater than zero.

(2) If the State meets the requirements of paragraph (b)(1) of this section, we will base its reduction on the severity of the failure. For this purpose, we will calculate the severity of the State's failure based on:

(i) The degree to which it missed the target rate;

(ii) An adjustment factor that accounts for changes in the number of individuals who are engaged in work in the State since the prior year; and

(iii) The number of consecutive years in which the State failed to meet the participation rates and the number of rates missed.

(3) We will determine the degree to which the State missed the target rate using the ratio of the following two factors:

(i) The difference between the participation rate achieved by the State and the 50-percent threshold level (adjusted for any caseload reduction credit determined pursuant to subpart D of this part); and

(ii) The difference between the minimum applicable participation rate and the threshold level (both adjusted for any caseload reduction credit determined pursuant to subpart D of this part).

(4) We will calculate the adjustment factor for changes in the number of individuals engaged in work using the following formula:

(i) The average monthly number of individuals engaged in work in the penalty year minus the average monthly number of individuals engaged in work in the prior year, divided by,

(ii) The product of 0.15 and the average monthly number of individuals engaged in work in the prior year.

(5) Subject to paragraph (c) of this section, if the State fails only the two-parent participation rate specified at § 261.23, and qualifies for a penalty reduction under paragraph (b)(1) of this section, its penalty reduction will be the product of:

(i) The amount determined in paragraph (a)(1) of this section;

(ii) The ratio described in paragraph (b)(3) of this section computed with respect to two-parent families; and

(iii) The adjustment factor described in paragraph (b)(4) of this section computed with respect to two-parent families.

(6) Subject to paragraph (c) of this section, if the State fails the overall participation rate specified at § 261.21, or both rates, and qualifies for a penalty reduction under paragraph (b)(1) of

this section, its penalty reduction will be the product of:

- (i) The amount determined in paragraph (a)(2) of this section;
- (ii) The ratio described in paragraph (b)(3) of this section computed with respect to all families; and
- (iii) The adjustment factor described in paragraph (b)(4) of this section.

(7) Pursuant to §260.58 of this chapter, we will adjust the calculations in this section to exclude cases for which a State has granted federally recognized good cause domestic violence waivers.

(c)(1) If the State was not subject to a penalty the prior year, the State will receive:

(i) The full applicable penalty reduction described in paragraph (b)(5) or (b)(6) of this section if it failed only one participation rate; or

(ii) 50 percent of the penalty reduction described in paragraph (b)(6) of this section if it failed both participation rates.

(2) If the penalty year is the second successive year in which the State is subject to a penalty, the State will receive:

(i) 50 percent of the applicable penalty reduction described in paragraph (b)(5) or (b)(6) of this section if it failed only one participation rate; or

(ii) 25 percent of the penalty reduction described in paragraph (b)(6) of this section if it failed both participation rates.

(3) If the penalty year is the third or greater successive year in which the State is subject to a penalty, the State will not receive a penalty reduction described in paragraph (b)(5) or (b)(6) of this section.

(d)(1) We may reduce the penalty if the State failed to achieve a participation rate because:

(i) It meets the definition of a needy State, specified at §260.30 of this chapter; or,

(ii) Noncompliance is due to extraordinary circumstances such as a natural disaster, regional recession, or substantial caseload increase.

(2) In determining noncompliance under paragraph (d)(1)(ii) of this section, we will consider such objective evidence of extraordinary cir-

cumstances as the State chooses to submit.

§ 261.52 Is there a way to waive the State's penalty for failing to achieve either of the participation rates?

(a) We will not impose a penalty under this part if we determine that the State has reasonable cause for its failure.

(b) In addition to the general reasonable cause criteria specified at §262.5 of this chapter, a State may also submit a request for a reasonable cause exemption from the requirement to meet the minimum participation rate in two specific case situations.

(1) We will determine that a State has reasonable cause if it demonstrates that failure to meet the work participation rates is attributable to its provision of federally recognized good cause domestic violence waivers (i.e., it provides evidence that it achieved the applicable work rates when individuals receiving federally recognized good cause domestic violence waivers of work requirements, in accordance with the provisions at §§260.54(b) and 260.55 of this chapter, are removed from the calculations in §§261.22(b) and 261.24(b)).

(2) We will determine that a State has reasonable cause if it demonstrates that its failure to meet the work participation rates is attributable to its provision of assistance to refugees in federally approved alternative projects under section 412(e)(7) of the Immigration and Nationality Act (8 U.S.C. 1522(e)(7)).

(c) In accordance with the procedures specified at §262.4 of this chapter, a State may dispute our determination that it is subject to a penalty.

§ 261.53 May a State correct the problem before incurring a penalty?

(a) Yes. A State may enter into a corrective compliance plan to remedy a problem that caused its failure to meet a participation rate, as specified at §262.6 of this chapter.

(b) To qualify for a penalty reduction under §262.6(j)(1) of this chapter, based on significant progress towards correcting a violation, a State must reduce the difference between the participation rate it achieved in the year

§ 261.54

for which it is subject to a penalty and the rate applicable during the penalty year (adjusted for any caseload reduction credit determined pursuant to subpart D of this part) by at least 50 percent.

§ 261.54 Is a State subject to any other penalty relating to its work program?

(a) If we determine that, during a fiscal year, a State has violated section 407(e) of the Act, relating to imposing penalties against individuals, we must reduce the SFAG payable to the State.

(b) The penalty amount for a fiscal year will equal between one and five percent of the adjusted SFAG.

(c) We impose a penalty by reducing the SFAG payable for the fiscal year that immediately follows our final determination that a State is subject to a penalty and our final determination of the penalty amount.

§ 261.55 Under what circumstances will we reduce the amount of the penalty for not properly imposing penalties on individuals?

(a) We will reduce the amount of the penalty based on the degree of the State's noncompliance.

(b) In determining the size of any reduction, we will consider objective evidence of:

(1) Whether the State has established a control mechanism to ensure that the grants of individuals are appropriately reduced for refusing to engage in required work; and

(2) The percentage of cases for which the grants have not been appropriately reduced.

§ 261.56 What happens if a parent cannot obtain needed child care?

(a)(1) If the individual is a single custodial parent caring for a child under age six, the State may not reduce or terminate assistance based on the parent's refusal to engage in required work if he or she demonstrates an inability to obtain needed child care for one or more of the following reasons:

(i) Appropriate child care within a reasonable distance from the home or work site is unavailable;

(ii) Informal child care by a relative or under other arrangements is unavailable or unsuitable; or

45 CFR Ch. II (10–1–03 Edition)

(iii) Appropriate and affordable formal child care arrangements are unavailable.

(2) Refusal to work when an acceptable form of child care is available is not protected from sanctioning.

(b)(1) The State will determine when the individual has demonstrated that he or she cannot find child care, in accordance with criteria established by the State.

(2) These criteria must:

(i) Address the procedures that the State uses to determine if the parent has a demonstrated inability to obtain needed child care;

(ii) Include definitions of the terms "appropriate child care," "reasonable distance," "unsuitability of informal care," and "affordable child care arrangements"; and

(iii) Be submitted to us.

(c) The TANF agency must inform parents about:

(1) The penalty exception to the TANF work requirement, including the criteria and applicable definitions for determining whether an individual has demonstrated an inability to obtain needed child care;

(2) The State's process or procedures (including definitions) for determining a family's inability to obtain needed child care, and any other requirements or procedures, such as fair hearings, associated with this provision; and

(3) The fact that the exception does not extend the time limit for receiving Federal assistance.

[64 FR 17884, Apr. 12, 1999; 64 FR 40291, July 26, 1999]

§ 261.57 What happens if a State sanctions a single parent of a child under six who cannot get needed child care?

(a) If we determine that a State has not complied with the requirements of § 261.56, we will reduce the SFAG payable to the State by no more than five percent for the immediately succeeding fiscal year unless the State demonstrates to our satisfaction that it had reasonable cause or it achieves compliance under a corrective compliance plan pursuant to §§ 262.5 and 262.6 of this chapter.

(b) We will impose the maximum penalty if:

(1) The State does not have a state-wide process in place to inform parents about the exception to the work requirement and enable them to demonstrate that they have been unable to obtain child care; or

(2) There is a pattern of substantiated complaints from parents or organizations verifying that a State has reduced or terminated assistance in violation of this requirement.

(c) We may impose a reduced penalty if the State demonstrates that the violations were isolated or that they affected a minimal number of families.

Subpart F—How Do Welfare Reform Waivers Affect State Penalties?

§ 261.60 How do existing welfare reform waivers affect a State's penalty liability under this part?

A welfare reform waiver could affect a State's penalty liability under this part, subject to subpart C of part 260 of this chapter and section 415 of the Act.

Subpart G—What Nondisplacement Rules Apply in TANF?

§ 261.70 What safeguards are there to ensure that participants in work activities do not displace other workers?

(a) An adult taking part in a work activity outlined in § 261.30 may not fill a vacant employment position if:

(1) Another individual is on layoff from the same or any substantially equivalent job; or

(2) The employer has terminated the employment of any regular employee or caused an involuntary reduction in its work force in order to fill the vacancy with an adult taking part in a work activity.

(b) A State must establish and maintain a grievance procedure to resolve complaints of alleged violations of the displacement rule in this section.

(c) This section does not preempt or supersede State or local laws providing greater protection for employees from displacement.

§ 262.0 What definitions apply to this part?

The general TANF definitions at §§ 260.30 through 260.33 of this chapter apply to this part.

§ 262.1 What penalties apply to States?

(a) We will assess fiscal penalties against States under circumstances defined in parts 261 through 265 of this chapter. The penalties are:

(1) A penalty of the amount by which a State misused its TANF funds;

(2) An additional penalty of five percent of the adjusted SFAG if such misuse was intentional;

(3) A penalty of four percent of the adjusted SFAG for each quarter a State fails to submit an accurate, complete and timely required report;

(4) A penalty of up to 21 percent of the adjusted SFAG for failure to satisfy the minimum participation rates;

(5) A penalty of no more than two percent of the adjusted SFAG for failure to participate in IEVS;

(6) A penalty of no more than five percent of the adjusted SFAG for failure to enforce penalties on recipients who are not cooperating with the State Child Support Enforcement (IV-D) agency;

(7) A penalty equal to the outstanding loan amount, plus interest, for failure to repay a Federal loan;

§ 262.2

45 CFR Ch. II (10–1–03 Edition)

(8) A penalty equal to the amount by which a State fails to meet its basic MOE requirement;

(9) A penalty of five percent of the adjusted SFAG for failure to comply with the five-year limit on Federal assistance;

(10) A penalty equal to the amount of contingency funds that were received but were not remitted for a fiscal year, if the State fails to maintain 100 percent of historic State expenditures in that fiscal year;

(11) A penalty of no more than five percent of the adjusted SFAG for the failure to maintain assistance to an adult single custodial parent who cannot obtain child care for a child under age six;

(12) A penalty of no more than two percent of the adjusted SFAG plus the amount a State has failed to expend of its own funds to replace the reduction to its SFAG due to the assessment of penalties in this section in the immediately succeeding fiscal year;

(13) A penalty equal to the amount of the State's Welfare-to-Work formula grant for failure to meet its basic MOE requirement during a year in which it receives the formula grant; and

(14) A penalty of not less than one percent and not more than five percent of the adjusted SFAG for failure to impose penalties properly against individuals who refuse to engage in required work in accordance with section 407 of the Act.

(b) In the event of multiple penalties for a fiscal year, we will add all applicable penalty percentages together. We will then assess the penalty amount against the adjusted SFAG that would have been payable to the State if we had assessed no penalties. As a final step, we will subtract other (fixed) penalty amounts from the adjusted SFAG.

(c)(1) We will take the penalties specified in paragraphs (a)(1), (a)(2) and (a)(7) of this section by reducing the SFAG payable for the quarter that immediately follows our final decision.

(2) We will take the penalties specified in paragraphs (a)(3), (a)(4), (a)(5), (a)(6), (a)(8), (a)(9), (a)(10), (a)(11), (a)(12), (a)(13), and (a)(14) of this section by reducing the SFAG payable for the fiscal year that immediately follows our final decision.

(d) When imposing the penalties in paragraph (a) of this section, the total reduction in an affected State's quarterly SFAG amount must not exceed 25 percent. If this 25-percent limit prevents the recovery of the full penalty amount imposed on a State during a quarter or a fiscal year, as appropriate, we will apply the remaining amount of the penalty to the SFAG payable for the immediately succeeding quarter until we recover the full penalty amount.

(e)(1) In the immediately succeeding fiscal year, a State must expend additional State funds to replace any reduction in the SFAG resulting from penalties.

(2) The State must document compliance with this replacement provision on its TANF Financial Report (or Territorial Financial Report).

§ 262.2 When do the TANF penalty provisions apply?

(a) A State will be subject to the penalties specified in § 262.1(a)(1), (2), (7), (8), (9), (10), (11), (12), (13), and (14) for conduct occurring on and after the first day the State operates the TANF program.

(b) A State will be subject to the penalties specified in § 262.1(a)(3), (4), (5), and (6) for conduct occurring on and after July 1, 1997, or the date that is six months after the first day the State operates the TANF program, whichever is later.

(c) For the time period prior to October 1, 1999, we will assess State conduct as specified in § 260.40(b) of this chapter.

§ 262.3 How will we determine if a State is subject to a penalty?

(a)(1) We will use the single audit under OMB Circular A-133, in conjunction with other reviews, audits, and data sources, as appropriate, to determine if a State is subject to a penalty for misusing Federal TANF funds (§ 263.10 of this chapter), intentionally misusing Federal TANF funds (§ 263.12 of this chapter), failing to participate in IEVS (§ 264.10 of this chapter), failing to comply with paternity establishment and child support requirements (§ 264.31 of this chapter), failing to maintain assistance to an adult single

custodial parent who cannot obtain child care for child under six (§ 261.57 of this chapter), and failing to reduce assistance to a recipient who refuses without good cause to work (§ 261.54 of this chapter).

(2) We will also use the single audit as a secondary method of determining if a State is subject to other penalties if an audit detects lack of compliance in other penalty areas.

(b)(1) We will use the TANF Data Report required under part 265 of this chapter to determine if a State failed to meet participation rates (§§ 261.21 and 261.23 of this chapter) or failed to comply with the five-year limit on Federal assistance (§ 264.1 of this chapter).

(2) Data in these reports are subject to our verification in accordance with § 265.7 of this chapter.

(c)(1) We will use the TANF Financial Report (or, as applicable, the Territorial Financial Report) as the primary method for determining if a State has failed to meet the basic MOE requirement (§ 263.8 of this chapter), meet the Contingency Fund MOE requirement (§ 264.76 of this chapter), or replace SFAG reductions with State-only funds (§ 264.50 of this chapter).

(2) Data in these reports are subject to our verification in accordance with § 265.7 of this chapter.

(d) We will determine that a State is subject to the specific penalties for failure to perform if we find information in the reports under paragraphs (b) and (c) of this section to be insufficient to show compliance or if we determine that the State has not adequately documented actions verifying that it has met the participation rates or the time limits.

(e) To determine if a State has met its MOE requirements, we will also use the supplemental information in the annual report required in accordance with § 265.9(c) of this chapter.

(f) States must maintain records in accordance with § 92.42 of this title.

§ 262.4 What happens if we determine that a State is subject to a penalty?

(a) If we determine that a State is subject to a penalty, we will notify the State agency in writing, specifying which penalty we will impose and the

reasons for the penalty. This notice will:

(1) Specify the penalty provision at issue, including the penalty amount;

(2) Specify the source of information and the reasons for our decision;

(3) Invite the State to present its arguments if it believes that the information or method that we used were in error or were insufficient or that its actions, in the absence of Federal regulations, were based on a reasonable interpretation of the statute; and

(4) Explain how and when the State may submit a reasonable cause justification under § 262.5 and/or corrective compliance plan under § 262.6.

(b) Within 60 days of when it receives our notification, the State may submit a written response that:

(1) Demonstrates that our determination is incorrect because our information or the method that we used in determining the violation or the amount of the penalty was in error or was insufficient, or that the State acted, in the absence of Federal rules, on a reasonable interpretation of the statute;

(2) Demonstrates that the State had reasonable cause for failing to meet the requirement(s); and/or

(3) Provides a corrective compliance plan, pursuant to § 262.6.

(c) If we find that we determined the penalty erroneously, or that the State has adequately demonstrated that it had reasonable cause for failing to meet one or more requirements, we will not impose the penalty.

(d) Reasonable cause and corrective compliance plans are not available for failing to repay a Federal loan; meet the basic MOE requirement; meet the Contingency Fund MOE requirement; expend additional State funds to replace adjusted SFAG reductions due to the imposition of one or more penalties listed in § 262.1; or maintain 80 percent, or 75 percent, as appropriate, basic MOE during a year in which the State receives a Welfare-to-Work grant.

(e)(1) If we request additional information from a State that we need to determine reasonable cause, the State must ordinarily provide such information within 30 days.

(2) Under unusual circumstances, we may give the State an extension of the time to respond to our request.

§ 262.5

45 CFR Ch. II (10–1–03 Edition)

(f)(1)(i) We will notify the State in writing of our findings with respect to reasonable cause generally within 60 days of the date when we receive its response to our penalty notice (in accordance with paragraph (b) of this section).

(ii) If the finding is negative and the State has not yet submitted a corrective compliance plan, it may do so in response to this notice in accordance with § 262.6.

(2) We will notify the State of our decision regarding its corrective compliance plan in accordance with the provisions of § 262.6(g).

(g) We will impose a penalty in accord with the provisions in § 262.1(c) after we make our final decision and the appellate process is completed, if applicable. If there is an appellate decision upholding the penalty, we will take the penalty and charge interest back to the date that we formally notified the Governor of the adverse action pursuant to § 262.7(a)(1).

§ 262.5 Under what general circumstances will we determine that a State has reasonable cause?

(a) We will not impose a penalty against a State if we determine that the State had reasonable cause for its failure. The general factors a State may use to claim reasonable cause include:

(1) Natural disasters and other calamities (e.g., hurricanes, earthquakes, fire) whose disruptive impact was so significant as to cause the State's failure;

(2) Formally issued Federal guidance that provided incorrect information resulting in the State's failure; or

(3) Isolated problems of minimal impact that are not indicative of a systemic problem.

(b)(1) We will grant reasonable cause to a State that:

(i) Clearly demonstrates that its failure to submit complete, accurate, and timely data, as required at § 265.8 of this chapter, for one or both of the first two quarters of FY 2000, is attributable, in significant part, to its need to divert critical system resources to Year 2000 compliance activities; and

(ii) Submits complete and accurate data for the first two quarters of FY 2000 by September 30, 2000.

(2) A State may also use the additional factors for claiming reasonable cause for failure to comply with the five-year limit on Federal assistance or the minimum participation rates, as specified at §§ 261.52 and 264.3 and subpart B of part 260 of this chapter.

(c) In determining reasonable cause, we will consider the efforts the State made to meet the requirement, as well as the duration and severity of the circumstances that led to the State's failure to achieve the requirement.

(d)(1) The burden of proof rests with the State to fully explain the circumstances and events that constitute reasonable cause for its failure to meet a requirement.

(2) The State must provide us with sufficient relevant information and documentation to substantiate its claim of reasonable cause.

[64 FR 17890, Apr. 12, 1999; 64 FR 40291, July 26, 1999]

§ 262.6 What happens if a State does not demonstrate reasonable cause?

(a) A State may accept the penalty or enter into a corrective compliance plan that will correct or discontinue the violation in order to avoid the penalty if:

(1) A State does not claim reasonable cause; or

(2) We find that the State does not have reasonable cause.

(b) A State that does not claim reasonable cause will have 60 days from receipt of our notice described in § 262.4(a) to submit its corrective compliance plan.

(c) A State that unsuccessfully claimed reasonable cause will have 60 days from the date that it received our second notice, described in § 262.4(f), to submit its corrective compliance plan.

(d) The corrective compliance plan must include:

(1) A complete analysis of why the State did not meet the requirements;

(2) A detailed description of how the State will correct or discontinue, as appropriate, the violation in a timely manner;

(3) The time period in which the violation will be corrected or discontinued;

(4) The milestones, including interim process and outcome goals, that the State will achieve to assure it comes into compliance within the specified time period; and

(5) A certification by the Governor that the State is committed to correcting or discontinuing the violation, in accordance with the plan.

(e) The corrective compliance plan must correct or discontinue the violation within the following time frames:

(1) For a penalty under § 262.1(a)(4) or (a)(9), by the end of the first fiscal year ending at least six months after our receipt of the corrective compliance plan; and

(2) For the remaining penalties, by a date the State proposes that reflects the minimum period necessary to achieve compliance.

(f) During the 60-day period following our receipt of the State's corrective compliance plan, we may request additional information and consult with the State on modifications to the plan.

(g) We will accept or reject the State's corrective compliance plan, in writing, within 60 days of our receipt of the plan, although a corrective compliance plan is deemed to be accepted if we take no action during the 60-day period following our receipt of the plan.

(h) If a State does not submit an acceptable corrective compliance plan on time, we will assess the penalty immediately.

(i) We will not impose a penalty against a State with respect to any violation covered by a corrective compliance plan that we accept if the State completely corrects or discontinues, as appropriate, the violation within the period covered by the plan.

(j) Under limited circumstances, we may reduce the penalty if the State fails to completely correct or discontinue the violation pursuant to its corrective compliance plan and in a timely manner. To receive a reduced penalty, the State must demonstrate that it met one or both of the following conditions:

(1) Although it did not achieve full compliance, the State made significant

progress towards correcting or discontinuing the violation; or

(2) The State's failure to comply fully was attributable to either a natural disaster or regional recession.

§ 262.7 How can a State appeal our decision to take a penalty?

(a)(1) We will formally notify the Governor and the State agency of an adverse action (i.e., the reduction in the SFAG) within five days after we determine that a State is subject to a penalty under parts 261 through 265 of this chapter.

(2) Such notice will include the factual and legal basis for taking the penalty in sufficient detail for the State to be able to respond in an appeal.

(b)(1) The State may file an appeal of the action, in whole or in part, with the HHS Departmental Appeals Board (the Board) within 60 days after the date it receives notice of the adverse action. The State must submit its brief and supporting documents when it files its appeal.

(2) The State must send a copy of the appeal, and any supplemental filings, to the Office of the General Counsel, Children, Families and Aging Division, Room 411-D, 200 Independence Avenue, SW., Washington, DC 20201.

(c) We will submit our reply brief and supporting documentation within 45 days of the receipt of the State's submission under paragraph (b) of this section.

(d) The State may submit a reply and any supporting documentation within 21 days of its receipt of our reply under paragraph (c) of this section.

(e) The appeal to the Board must follow the provisions of the rules under this section and those at §§ 16.2, 16.9, 16.10, and 16.13–16.22 of this title, to the extent that they are consistent with this section.

(f) The Board will consider an appeal filed by a State on the basis of the documentation and briefs submitted, along with any additional information the Board may require to support a final decision. Such information may include a hearing if the Board determines that it is necessary. In deciding whether to uphold an adverse action or any portion of such action, the Board will

conduct a thorough review of the issues.

(g)(1) A State may obtain judicial review of a final decision by the Board by filing an action within 90 days after the date of such decision. It should file this action with the district court of the United States in the judicial district where the State agency is located or in the United States District Court for the District of Columbia.

(2) The district court will review the final decision of the Board on the record established in the administrative proceeding, in accordance with the standards of review prescribed by 5 U.S.C. 706(2). The court will base its review on the documents and supporting data submitted to the Board.

§ 263.0 What definitions apply to this part?

(a) Except as noted in § 263.2(d), the general TANF definitions at § 260.30 through § 260.33 of this chapter apply to this part.

(b) The term “administrative costs” means costs necessary for the proper administration of the TANF program or separate State programs.

(1) It excludes direct costs of providing program services.

(i) For example, it excludes costs of providing diversion benefits and services, providing program information to clients, screening and assessments, development of employability plans, work activities, post-employment services, work supports, and case management. It also excludes costs for contracts devoted entirely to such activities.

(ii) It excludes the salaries and benefits costs for staff providing program services and the direct administrative costs associated with providing the services, such as the costs for supplies, equipment, travel, postage, utilities, rental of office space and maintenance of office space.

(2) It includes costs for general administration and coordination of these programs, including contract costs and all indirect (or overhead) costs. Examples of administrative costs include:

- (i) Salaries and benefits of staff performing administrative and coordination functions;
- (ii) Activities related to eligibility determinations;
- (iii) Preparation of program plans, budgets, and schedules;
- (iv) Monitoring of programs and projects;

- (v) Fraud and abuse units;
- (vi) Procurement activities;
- (vii) Public relations;
- (viii) Services related to accounting, litigation, audits, management of property, payroll, and personnel;

(ix) Costs for the goods and services required for administration of the program such as the costs for supplies, equipment, travel, postage, utilities, and rental of office space and maintenance of office space, provided that such costs are not excluded as a direct administrative cost for providing program services under paragraph (b)(1) of this section;

(x) Travel costs incurred for official business and not excluded as a direct administrative cost for providing program services under paragraph (b)(1) of this section;

(xi) Management information systems not related to the tracking and monitoring of TANF requirements (e.g., for a personnel and payroll system for State staff); and

(xii) Preparing reports and other documents.

Subpart A—What Rules Apply to a State's Maintenance of Effort?

§ 263.1 How much State money must a State expend annually to meet the basic MOE requirement?

(a)(1) The minimum basic MOE for a fiscal year is 80 percent of a State's historic State expenditures.

(2) However, if a State meets the minimum work participation rate requirements in a fiscal year, as required under §§ 261.21 and 261.23 of this chapter, after adjustment for any caseload reduction credit under § 261.41 of this chapter, then the minimum basic MOE for that fiscal year is 75 percent of the State's historic State expenditures.

(3) A State that does not meet the minimum participation rate requirements in a fiscal year, as required under §§ 261.21 and 261.23 of this chapter (after adjustment for any caseload reduction credit under § 261.41 of this chapter), but which is granted full or partial penalty relief for that fiscal year, must still meet the minimum basic MOE specified under paragraph (a)(1) of this section.

(b) The basic MOE level also depends on whether a Tribe or consortium of Tribes residing in a State has received approval to operate its own TANF program. The State's basic MOE level for a fiscal year will be reduced by the same percentage as we reduced the SFAG as the result of any Tribal Family Assistance Grants awarded to Tribal grantees in the State for that year.

§ 263.2 What kinds of State expenditures count toward meeting a State's basic MOE expenditure requirement?

(a) Expenditures of State funds in TANF or separate State programs may count if they are made for the following types of benefits or services:

(1) Cash assistance, including the State's share of the assigned child support collection that is distributed to the family, and disregarded in determining eligibility for, and amount of the TANF assistance payment;

(2) Child care assistance (see § 263.3);

(3) Education activities designed to increase self-sufficiency, job training, and work (see § 263.4);

(4) Any other use of funds allowable under section 404(a)(1) of the Act (such as nonmedical treatment services for alcohol and drug abuse and some medical treatment services, provided that the State has not commingled its MOE funds with Federal TANF funds to pay for the services), if consistent with the goals at § 260.20 of this chapter; and

(5)(i) Administrative costs for activities listed in paragraphs (a)(1) through (a)(4) of this section, not to exceed 15 percent of the total amount of countable expenditures for the fiscal year.

(ii) Costs for information technology and computerization needed for tracking or monitoring required by or under part IV-A of the Act do not count towards the limit in paragraph (5)(i) of this section, even if they fall within the definition of "administrative costs."

(A) This exclusion covers the costs for salaries and benefits of staff who develop, maintain, support or operate the portions of information technology or computer systems used for tracking and monitoring.

(B) It also covers the costs of contracts for development, maintenance,

§ 263.3

support, or operation of those portions of information technology or computer systems used for tracking or monitoring.

(b) The benefits or services listed under paragraph (a) of this section count only if they have been provided to or on behalf of eligible families. An “eligible family,” as defined by the State, must:

(1) Be comprised of citizens or aliens who:

- (i) Are eligible for TANF assistance;
- (ii) Would be eligible for TANF assistance, but for the time limit on the receipt of federally funded assistance; or
- (iii) Are lawfully present in the United States and would be eligible for assistance, but for the application of title IV of PRWORA;

(2) Include a child living with a custodial parent or other adult caretaker relative (or consist of a pregnant individual); and

(3) Be financially eligible according to the appropriate income and resource (when applicable) standards established by the State and contained in its TANF plan.

(c) Benefits or services listed under paragraph (a) of this section provided to a family that meets the criteria under paragraphs (b)(1) through (b)(3) of this section, but who became ineligible solely due to the time limitation given under § 264.1 of this chapter, may also count.

(d) Expenditures for the benefits or services listed under paragraph (a) of this section count whether or not the benefit or service meets the definition of assistance under § 260.31 of this chapter. Further, families that meet the criteria in paragraphs (b)(2) and (b)(3) of this section are considered to be eligible for TANF assistance for the purposes of paragraph (b)(1)(i) of this section.

(e)(1) The expenditures for benefits or services in State-funded programs listed under paragraph (a) of this section count only if they also meet the requirements of § 263.5.

(2) Expenditures that fall within the prohibitions in § 263.6 do not count.

45 CFR Ch. II (10–1–03 Edition)

§ 263.3 When do child care expenditures count?

(a) State funds expended to meet the requirements of the CCDF Matching Fund (i.e., as match or MOE amounts) may also count as basic MOE expenditures up to the State's child care MOE amount that must be expended to qualify for CCDF matching funds.

(b) Child care expenditures that have not been used to meet the requirements of the CCDF Matching Fund (i.e., as match or MOE amounts), or any other Federal child care program, may also count as basic MOE expenditures. The limit described in paragraph (a) of this section does not apply.

(c) The child care expenditures described in paragraphs (a) and (b) of this section must be made to, or on behalf of, eligible families, as defined in § 263.2(b).

§ 263.4 When do educational expenditures count?

(a) Expenditures for educational activities or services count if:

(1) They are provided to eligible families (as defined in § 263.2(b)) to increase self-sufficiency, job training, and work; and

(2) They are not generally available to other residents of the State without cost and without regard to their income.

(b) Expenditures on behalf of eligible families for educational services or activities provided through the public education system do not count unless they meet the requirements under paragraph (a) of this section.

§ 263.5 When do expenditures in State-funded programs count?

(a) If a current State or local program also operated in FY 1995, and expenditures in this program would have been previously authorized and allowable under the former AFDC, JOBS, Emergency Assistance, Child Care for AFDC recipients, At-Risk Child Care, or Transitional Child Care programs, then current fiscal year expenditures in this program count in their entirety, provided that the State has met all requirements under § 263.2.

(b) If a current State or local program also operated in FY 1995, and expenditures in this program would not

have been previously authorized and allowable under the former AFDC, JOBS, Emergency Assistance, Child Care for AFDC recipients, At-Risk Child Care, or Transitional Child Care programs, then countable expenditures are limited to the amount by which total current fiscal year expenditures that meet the requirements under § 263.2 exceed total State expenditures in the program during FY 1995.

§ 263.6 What kinds of expenditures do not count?

The following kinds of expenditures do not count:

- (a) Expenditures of funds that originated with the Federal government;
- (b) State expenditures under the Medicaid program under title XIX of the Act;
- (c) Expenditures that a State makes as a condition of receiving Federal funds under another program, except as provided under § 263.3;
- (d) Expenditures that a State made in a prior fiscal year;
- (e) Expenditures that a State uses to match Federal Welfare-to-Work funds provided under section 403(a)(5) of the Act; and
- (f) Expenditures that a State makes in the TANF program to replace the reductions in the SFAG as a result of penalties, pursuant to § 264.50 of this chapter.

§ 263.8 What happens if a State fails to meet the basic MOE requirement?

(a) If any State fails to meet its basic MOE requirement for any fiscal year, then we will reduce dollar-for-dollar the amount of the SFAG payable to the State for the following fiscal year.

(b) If a State fails to meet its basic MOE requirement for any fiscal year, and the State received a WtW formula grant under section 403(a)(5)(A) of the Act for the same fiscal year, we will also reduce the amount of the SFAG payable to the State for the following fiscal year by the amount of the WtW formula grant paid to the State.

§ 263.9 May a State avoid a penalty for failing to meet the basic MOE requirement through reasonable cause or corrective compliance?

No. The reasonable cause and corrective compliance provisions at §§ 262.4, 262.5, and 262.6 of this chapter do not apply to the penalties in § 263.8.

Subpart B—What Rules Apply to the Use of Federal TANF Funds?

§ 263.10 What actions would we take against a State if it uses Federal TANF funds in violation of the Act?

(a) If a State misuses its Federal TANF funds, we will reduce the SFAG payable for the immediately succeeding fiscal year quarter by the amount misused.

(b) If the State fails to demonstrate that the misuse was not intentional, we will further reduce the SFAG payable for the immediately succeeding fiscal year quarter in an amount equal to five percent of the adjusted SFAG.

(c) The reasonable cause and corrective compliance provisions of §§ 262.4 through 262.6 of this chapter apply to the penalties specified in paragraphs (a) and (b) of this section.

§ 263.11 What uses of Federal TANF funds are improper?

(a) States may use Federal TANF funds for expenditures:

(1) That are reasonably calculated to accomplish the purposes of TANF, as specified at § 260.20 of this chapter; or

(2) For which the State was authorized to use IV-A or IV-F funds under prior law, as in effect on September 30, 1995 (or, at the option of the State, August 21, 1996).

(b) We will consider use of funds in violation of paragraph (a) of this section, sections 404 and 408 and other provisions of the Act, section 115(a)(1) of PRWORA, the provisions of part 92 of this title, or OMB Circular A-87 to be misuse of funds.

§ 263.12

§ 263.12 How will we determine if a State intentionally misused Federal TANF funds?

(a) The State must show, to our satisfaction, that it used these funds for purposes that a reasonable person would consider to be within the purposes of the TANF program (as specified at § 260.20 of this chapter) and consistent with the provisions listed in § 263.11.

(b) We may determine that a State misused funds intentionally if there is supporting documentation, such as Federal guidance or policy instructions, precluding the use of Federal TANF funds for such purpose.

(c) We may also determine that a State intentionally misused funds if the State continues to use the funds in the same or similarly improper manner after receiving notification that we had determined such use to be improper.

§ 263.13 Is there a limit on the amount of Federal TANF funds that a State may spend on administrative costs?

(a)(i) Yes, a State may not spend more than 15 percent of the amount that it receives as its adjusted SFAG, or under other provisions of section 403 of the Act, on “administrative costs,” as defined at § 263.0(b).

(ii) Any violation of the limitation in paragraph (a)(i) of this section will constitute a misuse of funds under § 263.11(b).

(b) Expenditures on the information technology and computerization needed for tracking and monitoring required by or under part IV-A of the Act do not count towards the limit specified in paragraph (a) of this section.

(1) This exclusion covers the costs for salaries and benefits of staff who develop, maintain, support or operate the portions of information technology or computer systems used for tracking and monitoring.

(2) It also covers the costs of contracts for development, maintenance, support, or operation of those portions of information technology or computer systems used for tracking or monitoring.

45 CFR Ch. II (10–1–03 Edition)

Subpart C—What Rules Apply to Individual Development Accounts?

§ 263.20 What definitions apply to Individual Development Accounts (IDAs)?

The following definitions apply with respect to IDAs:

Date of acquisition means the date on which a binding contract to obtain, construct, or reconstruct the new principal residence is entered into.

Eligible educational institution means an institution described in section 481(a)(1) or section 1201(a) of the Higher Education Act of 1965 (20 U.S.C. 1088(a)(1) or 1141(a)), as such sections were in effect on August 21, 1996. Also, an area vocational education school (as defined in subparagraph (C) or (D) of section 521(4) of the Carl D. Perkins Vocational and Applied Technology Education Act (20 U.S.C. 2471(4)) that is in any State (as defined in section 521(33) of such Act), as such sections were in effect on August 21, 1996.

Individual Development Account (IDA) means an account established by, or for, an individual who is eligible for assistance under the TANF program, to allow the individual to accumulate funds for specific purposes. Notwithstanding any other provision of law (other than the Internal Revenue Code of 1986), the funds in an IDA account must be disregarded in determining eligibility for, or the amount of, assistance in any Federal means-tested programs.

Post-secondary educational expenses means a student's tuition and fees required for the enrollment or attendance at an eligible educational institution, and required course fees, books, supplies, and equipment required at an eligible educational institution.

Qualified acquisition costs means the cost of obtaining, constructing, or reconstructing a residence. The term includes any usual or reasonable settlement, financing, or other closing costs.

Qualified business means any business that does not contravene State law or public policy.

Qualified business capitalization expenses means business expenses pursuant to a qualified plan.

Qualified entity means a nonprofit, tax-exempt organization, or a State or local government agency that works cooperatively with a nonprofit, tax-exempt organization.

Qualified expenditures means expenses entailed in a qualified plan, including capital, plant equipment, working capital, and inventory expenses.

Qualified first-time home buyer means a taxpayer (and, if married, the taxpayer's spouse) who has not owned a principal residence during the three-year period ending on the date of acquisition of the new principal residence.

Qualified plan means a business plan that is approved by a financial institution, or by a nonprofit loan fund having demonstrated fiduciary integrity. It includes a description of services or goods to be sold, a marketing plan, and projected financial statements, and it may require the eligible recipient to obtain the assistance of an experienced entrepreneurial advisor.

Qualified principal residence means the place a qualified first-time home buyer will reside in accordance with the meaning of section 1034 of the Internal Revenue Code of 1986 (26 U.S.C. 1034). The qualified acquisition cost of the residence cannot exceed the average purchase price of similar residences in the area.

§ 263.21 May a State use the TANF grant to fund IDAs?

If the State elects to operate an IDA program, then the States may use Federal TANF funds or WtW funds to fund IDAs for individuals who are eligible for TANF assistance and exercise flexibility within the limits of Federal regulations and the statute.

§ 263.22 Are there any restrictions on IDA funds?

The following restrictions apply to IDA funds:

- (a) A recipient may deposit only earned income into an IDA.
- (b) A recipient's contributions to an IDA may be matched by, or through, a qualified entity.
- (c) A recipient may withdraw funds only for the following reasons:

(1) To cover post-secondary education expenses, if the amount is paid directly to an eligible educational institution;

(2) For the recipient to purchase a first home, if the amount is paid directly to the person to whom the amounts are due and it is a qualified acquisition cost for a qualified principal residence by a qualified first-time home buyer; or

(3) For business capitalization, if the amounts are paid directly to a business capitalization account in a federally insured financial institution and used for a qualified business capitalization expense.

§ 263.23 How does a State prevent a recipient from using the IDA account for unqualified purposes?

To prevent recipients from using the IDA account improperly, States may do the following:

- (a) Count withdrawals as earned income in the month of withdrawal (unless already counted as income);
- (b) Count withdrawals as resources in determining eligibility; or
- (c) Take such other steps as the State has established in its State plan or written State policies to deter inappropriate use.

§ 264.0 What definitions apply to this part?

(a) The general TANF definitions at §§ 260.30 through 260.33 of this chapter apply to this part.

(b) The following definitions also apply to this part:

Countable State Expenditures means the amount of qualifying State expenditures, as defined in § 264.75, plus the amount of contingency funds expended by the State in the fiscal year.

FAG means the Family Assistance Grant granted to a Territory pursuant to section 403(a)(1) of the Act. It is thus the Territorial equivalent of the SFAG, as defined at § 260.30 of this chapter.

Food Stamp Trigger means a State's monthly average of individuals participating in the Food Stamp program (as of the last day of the month) for the most recent three-month period that exceeds its monthly average of individuals in the corresponding three-month period in the Food Stamp caseload for FY 1994 or FY 1995, whichever is less, by at least ten percent, assuming that the immigrant provisions of title IV and the Food Stamp provisions under title VII of PRWORA had been in effect in those years.

Unemployment Trigger means a State's average unemployment rate for the most recent three-month period of at least 6.5 percent and equal to at least 110 percent of the State's unemployment rate for the corresponding three-month period in either of the two preceding calendar years.

Subpart A—What Specific Rules Apply for Other Program Penalties?

§ 264.1 What restrictions apply to the length of time Federal TANF assistance may be provided?

(a)(1) Subject to the exceptions in this section, no State may use any of its Federal TANF funds to provide assistance (as defined in § 260.31 of this chapter) to a family that includes an adult head-of-household or a spouse of the head-of-household who has received Federal assistance for a total of five years (i.e., 60 cumulative months, whether or not consecutive).

(2) The provision in paragraph (a)(1) of this section also applies to a family that includes a pregnant minor head-of-household, minor parent head-of-household, or spouse of such a head-of-household who has received Federal assistance for a total of five years.

(3) Notwithstanding the provisions of paragraphs (a)(1) and (a)(2) of this section, a State may provide assistance under WtW, pursuant to section 403(a)(5) of the Act, to a family that is ineligible for TANF solely because it has reached the five-year time limit.

(b)(1) States must not count toward the five-year limit:

(i) Any month of receipt of assistance by an individual who is not the head-of-household or married to the head-of-household;

(ii) Any month of receipt of assistance by an adult while living in Indian country (as defined in section 1151 of title 18, United States Code) or a Native Alaskan Village where at least 50 percent of the adults were not employed; and

(iii) Any month for which an individual receives only noncash assistance provided under WtW, pursuant to section 403(a)(5) of the Act.

(2) Only months of assistance that are paid for with Federal TANF funds (in whole or in part) count towards the five-year time limit.

(c) States have the option to extend assistance paid for by Federal TANF funds beyond the five-year limit for up to 20 percent of the average monthly number of families receiving assistance during the fiscal year or the immediately preceding fiscal year, whichever the State elects. States are permitted to extend assistance to families only on the basis of:

(1) Hardship, as defined by the State; or

(2) The fact that the family includes someone who has been battered, or subject to extreme cruelty based on the fact that the individual has been subjected to:

(i) Physical acts that resulted in, or threatened to result in, physical injury to the individual;

(ii) Sexual abuse;

(iii) Sexual activity involving a dependent child;

(iv) Being forced as the caretaker relative of a dependent child to engage in nonconsensual sexual acts or activities;

(v) Threats of, or attempts at, physical or sexual abuse;

(vi) Mental abuse; or

(vii) Neglect or deprivation of medical care.

(d) If a State opts to extend assistance to part of its caseload as permitted under paragraph (c) of this section, it would grant such an extension to a specific family once a head-of-household or spouse of a head-of-household in the family has received 60 cumulative months of assistance.

(e) To determine whether a State has failed to comply with the five-year limit on Federal assistance established in paragraph (c) of this section for a fiscal year, we would divide the average monthly number of families with a head-of-household or a spouse of a head-of-household who has received assistance for more than 60 cumulative months by the average monthly number of all families that received assistance during that fiscal year or during the immediately preceding fiscal year.

(f) If the five-year limit is inconsistent with a State's waiver granted under section 1115 of the Act, we will determine State compliance with the Federal time limit in accordance with the provisions of subpart C of part 260.

§ 264.2 What happens if a State does not comply with the five-year limit?

If we determine that a State has not complied with the requirements of § 264.1, we will reduce the SFAG payable to the State for the immediately succeeding fiscal year by five percent of the adjusted SFAG unless the State demonstrates to our satisfaction that it had reasonable cause, or it corrects or discontinues the violation under an approved corrective compliance plan.

§ 264.3 How can a State avoid a penalty for failure to comply with the five-year limit?

(a) We will not impose the penalty if the State demonstrates to our satisfaction that it had reasonable cause for failing to comply with the five-year limit on Federal assistance or it achieves compliance under a corrective compliance plan, pursuant to §§ 262.5 and 262.6 of this chapter.

(b) In addition, we will determine a State has reasonable cause if it demonstrates that it failed to comply with the five-year limit on Federal assistance because of federally recognized

§ 264.10

good cause domestic violence waivers provided to victims of domestic violence in accordance with provisions of subpart B of part 260.

[64 FR 17896, Apr. 12, 1999; 64 FR 40292, July 26, 1999]

§ 264.10 Must States do computer matching of data records under IEVS to verify recipient information?

(a) Pursuant to section 1137 of the Act and subject to paragraph (a)(2) of that section, States must meet the requirements of IEVS and request the following information from the Internal Revenue Service (IRS), the State Wage Information Collections Agency (SWICA), the Social Security Administration (SSA), and the Immigration and Naturalization Service (INS):

- (1) IRS unearned income;
- (2) SWICA employer quarterly reports of income and unemployment insurance benefit payments;
- (3) IRS earned income maintained by SSA; and
- (4) Immigration status information maintained by the INS.

(b) The requirements at §§ 205.51 through 205.60 of this chapter also apply to the TANF IEVS requirement.

[64 FR 17896, Apr. 12, 1999; 64 FR 40292, July 26, 1999]

§ 264.11 How much is the penalty for not participating in IEVS?

If we determine that the State has not complied with the requirements of § 264.10, we will reduce the SFAG payable for the immediately succeeding fiscal year by two percent of the adjusted SFAG unless the State demonstrates to our satisfaction that it had reasonable cause or achieved compliance under a corrective compliance plan pursuant to §§ 262.5 and 262.6 of this chapter.

§ 264.30 What procedures exist to ensure cooperation with the child support enforcement requirements?

(a)(1) The State agency must refer all appropriate individuals in the family of a child, for whom paternity has not been established or for whom a child support order needs to be established, modified or enforced, to the child sup-

45 CFR Ch. II (10–1–03 Edition)

port enforcement agency (i.e., the IV-D agency).

(2) Referred individuals must cooperate in establishing paternity and in establishing, modifying, or enforcing a support order with respect to the child.

(b) If the IV-D agency determines that an individual is not cooperating, and the individual does not qualify for a good cause or other exception established by the State agency responsible for making good cause determinations in accordance with section 454(29) of the Act or for a good cause domestic violence waiver granted in accordance with § 260.52 of this chapter, then the IV-D agency must notify the IV-A agency promptly.

(c) The IV-A agency must then take appropriate action by:

- (1) Deducting from the assistance that would otherwise be provided to the family of the individual an amount equal to not less than 25 percent of the amount of such assistance; or
- (2) Denying the family any assistance under the program.

§ 264.31 What happens if a State does not comply with the IV-D sanction requirement?

(a)(1) If we find that, for a fiscal year, the State IV-A agency did not enforce the penalties against recipients required under § 264.30(c), we will reduce the SFAG payable for the next fiscal year by one percent of the adjusted SFAG.

(2) Upon a finding for a second fiscal year, we will reduce the SFAG by two percent of the adjusted SFAG for the following year.

(3) A third or subsequent finding will result in the maximum penalty of five percent.

(b) We will not impose a penalty if:

(1) The State demonstrates to our satisfaction that it had reasonable cause pursuant to § 262.5 of this chapter; or

(2) The State achieves compliance under a corrective compliance plan pursuant to § 262.6 of this chapter.

§ 264.40 What happens if a State does not repay a Federal loan?

(a) If a State fails to repay the amount of principal and interest due at

any point under a loan agreement developed pursuant to section 406 of the Act:

(1) The entire outstanding loan balance, plus all accumulated interest, becomes due and payable immediately; and

(2) We will reduce the SFAG payable for the immediately succeeding fiscal year quarter by the outstanding loan amount plus interest.

(b) Neither the reasonable cause provisions at §262.5 of this chapter nor the corrective compliance plan provisions at §262.6 of this chapter apply when a State fails to repay a Federal loan.

§264.50 What happens if, in a fiscal year, a State does not expend, with its own funds, an amount equal to the reduction to the adjusted SFAG resulting from a penalty?

(a)(1) When we withhold Federal TANF funds from a State during a fiscal year because of other penalty actions listed at §262.1 of this chapter, the State must replace these Federal TANF funds with State funds during the subsequent fiscal year.

(2) If the State fails to replace funds during the subsequent year, then we will assess an additional penalty of no more than two percent of the adjusted SFAG during the year that follows the subsequent year.

(b) A State must expend such replacement funds under its TANF program, not under "separate State programs."

(c) We will assess a penalty of no more than two percent of the adjusted SFAG plus the amount equal to the difference between the amount the State was required to expend and the amount it actually expended in the fiscal year.

(1) We will assess the maximum penalty amount if the State made no additional expenditures to compensate for the reductions to its adjusted SFAG resulting from penalties.

(2) We will reduce the percentage portion of the penalty if the State has expended some of the amount required. In such case, we will calculate the applicable percentage portion of the penalty by multiplying the percentage of the required expenditures that the State failed to make in the fiscal year by two percent.

(d) The reasonable cause and corrective compliance plan provisions at §§262.5 and 262.6 of this chapter do not apply to this penalty.

Subpart B—What Are the Requirements for the Contingency Fund?

§ 264.70 What makes a State eligible to receive a provisional payment of contingency funds?

(a) In order to receive a provisional payment of contingency funds, a State must:

(1) Be a needy State, as defined in §260.30 of this chapter; and

(2) Submit to ACF a request for contingency funds for an eligible month (i.e., a month in which a State is a needy State).

(b) A determination that a State is a needy State for a month makes that State eligible to receive a provisional payment of contingency funds for two consecutive months.

(c) Only the 50 States and the District of Columbia may receive contingency funds. Territories and Tribal TANF grantees are not eligible.

§ 264.71 What determines the amount of the provisional payment of contingency funds that will be made to a State?

We will make a provisional payment to a State that meets the requirements of §264.70, within the following limits:

(a) The amount that we will pay to a State in a fiscal year will not exceed an amount equal to $\frac{1}{12}$ times 20 percent of that State's SFAG for that fiscal year, multiplied by the number of eligible months for which the State has requested contingency funds;

(b) The total amount that we will pay to all States during a fiscal year will not exceed the amount appropriated for this purpose; and

(c) We will pay contingency funds to States in the order in which we receive requests for such payments.

§ 264.72 What requirements are imposed on a State if it receives contingency funds?

(a)(1) A State must meet a Contingency Fund MOE level of 100 percent of historic State expenditures for FY 1994.

§ 264.73

(2) A State must exceed the Contingency Fund MOE level to keep any of the contingency funds that it received. It may be able to retain a portion of the amount of contingency funds that match countable State expenditures, as defined in §264.0, that are in excess of the State's Contingency Fund MOE level, after the overall adjustment required by section 403(b)(6)(C) of the Act.

(b) A State must complete an annual reconciliation, in accordance with §264.73, in order to determine how much, if any, of the contingency funds that it received in a fiscal year it may retain.

(c) If required to remit funds under the annual reconciliation, a State must remit all (or a portion) of the funds paid to it for a fiscal year within one year after it has failed to meet either the Food Stamp trigger or the Unemployment trigger, as defined in §264.0, for three consecutive months.

(d) A State must expend contingency funds in the fiscal year in which they are awarded.

(e) A State may not transfer contingency funds to the Discretionary Fund of the CCDF or the SSBG.

(f) A State must follow the restrictions and prohibitions in effect for Federal TANF funds, including the provisions of §263.11 of this chapter, in its use of contingency funds.

§ 264.73 What is an annual reconciliation?

(a) The annual reconciliation involves the calculation, for a fiscal year, of:

(1) The amount of a State's qualifying expenditures;

(2) The amount by which a State's countable State expenditures, as defined in §264.0, exceed the State's required Contingency Fund MOE level; and

(3) The amount of contingency funds that the State may retain or must remit.

(b) If a State exceeded its required Contingency Fund MOE level, it may be able to retain some or all of the contingency funds that it received.

(c) A State determines the amount of contingency funds that it may retain

45 CFR Ch. II (10–1–03 Edition)

by performing the following calculations:

(1) From the lesser of the following two amounts:

(i) The amount of contingency funds paid to it during the fiscal year; or

(ii) Its countable State expenditures, as defined in §264.0, minus its required Contingency Fund MOE level, multiplied by:

(A) The State's Federal Medical Assistance Percentage (FMAP) applicable for the fiscal year for which funds were awarded; and

(B) $\frac{1}{12}$ times the number of months during the fiscal year for which the State received contingency funds.

(2) Subtract the State's proportionate remittance (as reported to the State by ACF) for the overall adjustment of the Contingency Fund for that fiscal year required by section 403(b)(6)(C) of the Act.

§ 264.74 How will we determine the Contingency Fund MOE level for the annual reconciliation?

(a)(1) The Contingency Fund MOE level includes the State's share of expenditures for AFDC benefit payments, administration, and FAMIS; EA; and the JOBS program for FY 1994.

(2) We will use the same data sources and date, i.e., April 28, 1995, that we used to determine the basic MOE levels for FY 1994. We will exclude the State's share of expenditures from the former IV-A child care programs (AFDC/JOBS, Transitional and At-Risk child care) in the calculation.

(b) We will reduce a State's Contingency Fund MOE level by the same percentage that we reduce the basic MOE level for any fiscal year in which we reduce the State's annual SFAG allocation to provide funding to Tribal grantees operating a Tribal TANF program.

§ 264.75 For the annual reconciliation, what are qualifying State expenditures?

(a) Qualifying State expenditures are expenditures of State funds made in the State TANF program, with respect to eligible families, for the following:

(1) Cash assistance, including assigned child support collected by the State, distributed to the family, and disregarded in determining eligibility

for, and amount of the TANF assistance payment;

(2) Educational activities designed to increase self-sufficiency, job training, and work, excluding any expenditure for public education in the State except expenditures involving the provision of services or assistance to an eligible family that are not generally available to persons who are not members of an eligible family;

(3) Any other services allowable under section 404(a)(1) of the Act and consistent with the goals at §260.20 of this chapter; and

§ 264.76 What action will we take if a State fails to remit funds after failing to meet its required Contingency Fund MOE level?

§ 265.1 What does this part cover?

(a) This part explains how we will collect the information required by section 411(a) of the Act (data collection and reporting); the information required to implement section 407 of the Act (work participation requirements), as authorized by section 411(a)(1)(A)(xii); the information required to implement section 409 (penalties), section 403 (grants to States), section 405 (administrative provisions), section 411(b) (report to Congress), and section 413 (annual rankings of State TANF programs); and the data necessary to carry out our financial management and oversight responsibilities.

(b) This part describes the information in the quarterly and annual reports that each State must file, as follows:¹

(1) The case record information (disaggregated and aggregated) on individuals and families in the quarterly TANF Data Report;

(2) The expenditure data in the quarterly TANF Financial Report (or, as applicable, the Territorial Financial Report); and

(3) The definitions and other information on the State's TANF and MOE programs that must be filed annually.

(c) If a State claims MOE expenditures under a separate State program(s), this part specifies the circumstances under which the State must collect and report case-record information on individuals and families served by the separate State program(s).

(d) This part describes when reports are due, how we will determine if reporting requirements have been met,

¹The Appendices contain the specific data elements in the quarterly Data Report, the quarterly Financial Report, and the Annual Report on State MOE Programs, as well as the instructions for filing these reports. They also include the form and instructions for the Caseload Reduction Report described at § 261.41(b) of this chapter.

and how we will apply the statutory penalty for failure to file a timely report. It also specifies electronic filing and sampling requirements.

§ 265.2 What definitions apply to this part?

(a) Except as provided in paragraph (b) of this section, the general TANF definitions at §§ 260.30 through 260.33 of this chapter apply to this part.

(b) For data collection and reporting purposes only, *family* means:

(1) All individuals receiving assistance as part of a family under the State's TANF or separate State program (including noncustodial parents, where required under § 265.3(f)); and

(2) The following additional persons living in the household, if not included under paragraph (b)(1) of this section:

(i) Parent(s) or caretaker relative(s) of any minor child receiving assistance;

(ii) Minor siblings of any child receiving assistance; and

(iii) Any person whose income or resources would be counted in determining the family's eligibility for or amount of assistance.

§ 265.3 What reports must the State file on a quarterly basis?

(a) *Quarterly reports.* (1) Each State must collect on a monthly basis, and file on a quarterly basis, the data specified in the TANF Data Report and the TANF Financial Report (or, as applicable, the Territorial Financial Report).

(2) Under the circumstances described in paragraph (d)(1) of this section, the State must collect and file the data specified in the SSP-MOE (Separate State Program-Maintenance-of-Effort) Data Report.

(b) *TANF Data Report.* The TANF Data Report consists of three sections. Two sections contain disaggregated data elements and one section contains aggregated data elements.

(1) *Disaggregated Data on Families Receiving TANF Assistance—Section one.* Each State must file disaggregated information on families receiving TANF assistance.² This section specifies identifying and demographic data such as

the individual's Social Security Number; and information such as the type and amount of assistance received, educational level, employment status, work participation activities, citizenship status, and earned and unearned income. The data apply to adults and children.

(2) *Disaggregated Data on Families No Longer Receiving TANF Assistance—Section two.* Each State must file disaggregated information on families no longer receiving TANF assistance.³ This section specifies the reasons for case closure and data similar to the data in section one.

(3) *Aggregated Data—Section three.* Each State must file aggregated information on families receiving, applying for, and no longer receiving TANF assistance.⁴ This section of the Report requires aggregate figures in such areas as: The number of applications and their disposition; the number of recipient families, adult recipients, and child recipients; the number of births and out-of-wedlock births for families receiving TANF assistance; the number of noncustodial parents participating in work activities; and the number of closed cases.

(c) *The TANF Financial Report (or Territorial Financial Report).*

(1) Each State must file quarterly expenditure data on the State's use of Federal TANF funds, State TANF expenditures, and State expenditures of MOE funds in separate State programs.⁵

(2) If a State is expending Federal TANF funds received in prior fiscal years, it must file a separate quarterly TANF Financial Report (or, as applicable, Territorial Financial Report) for each fiscal year that provides information on the expenditures of that year's TANF funds.

(3) Territories must report their expenditure and other fiscal data on the Territorial Financial Report, as provided at § 264.85 of this chapter, in lieu of the TANF Financial Report.

³See Appendix B for the specific data elements and instructions.

⁴See Appendix C for the specific data elements and instructions.

⁵See Appendix D for the TANF Financial Report and filing instructions.

²See Appendix A for the specific data elements and instructions.

(d) *SSP-MOE Data Report.* (1) Subject to paragraph (d)(2) of this section, if a State claims MOE expenditures under a separate State program(s), it must collect and file disaggregated and aggregated information on families receiving assistance and families no longer receiving assistance under the separate State program(s) as follows:

(i) If a State wishes to receive a high performance bonus, it must file the information in sections one and three of the SSP-MOE Data Report; and

(ii) If a State wishes to qualify for caseload reduction credit under subpart D of part 261 of this chapter, it must file the information in sections one, two, and three of the SSP-MOE Data Report.

(2)(i) The State must file the SSP-MOE Data Report only on separate State programs that provide benefits that meet the definition of assistance at § 260.31 of this chapter.

(ii) We may grant waivers of this reporting requirement under certain limited circumstances.

(A) We will only grant waivers for separate State programs that provide benefits that meet the definition of assistance under § 260.31(a)(3) of this chapter; and

(B) The State must demonstrate to our satisfaction that the cost and burden associated with collection and reporting of the data would substantially outweigh any potential benefit.

(3) The SSP-MOE Data Report consists of three sections. Section one contains disaggregated information on families receiving assistance under separate State programs; section two contains disaggregated information on families no longer receiving assistance under separate State programs; and section three contains aggregated data on families receiving and families no longer receiving assistance under separate State programs.⁶

(e) *Optional data elements.* A State has the option not to report on some data elements for some individuals in the TANF Data Report and the SSP-MOE Data Report, as specified in the instructions to these reports.

⁶See Appendices E, F, and G for the specific data elements and instructions.

(f) *Noncustodial parents.* (1) A State must report information on a noncustodial parent (as defined in § 260.30 of this chapter) if the noncustodial parent:

(i) Is receiving assistance as defined in § 260.31 of this chapter;

(ii) Is participating in work activities as defined in section 407(d) of the Act; or

(iii) Has been designated by the State as a member of a family receiving assistance.

(2) *Reporting conditions.* (i) If the noncustodial parent is the only member of the family receiving assistance, the State must report the disaggregated and aggregated information on the entire family under paragraphs (b) and (d) of this section, as applicable.

(ii) If the noncustodial parent is only participating in work activities that do not constitute assistance (as defined in § 260.31 of this chapter) and the other members of the family are not receiving assistance, the State must report only the aggregated information under paragraph (b)(3) of this section on the noncustodial parent.

[64 FR 17900, Apr. 12, 1999; 64 FR 40292, July 26, 1999, as amended at 65 FR 52851, Aug. 30, 2000]

§ 265.4 When are quarterly reports due?

(a) Each State must file the TANF Data Report and the TANF Financial Report (or, as applicable, the Territorial Financial Report) within 45 days following the end of the quarter or be subject to a penalty.

(b) A State that fails to submit the reports within 45 days will be subject to a penalty unless the State files complete and accurate reports before the end of the fiscal quarter that immediately succeeds the quarter for which the reports were required to be submitted.

(c) Each State may file its quarterly SSP-MOE Data Report:

(1) At the same time as it submits its quarterly TANF Data Report; or

(2) At the time it seeks to be considered for a high performance bonus or a caseload reduction credit as long as it submits the required data for the full period for which these determinations will be made.

§ 265.5 May States use sampling?

(a) Each State may report the disaggregated data in the TANF Data Report and the SSP-MOE Data Report on all recipient families or on a sample of families selected through the use of a scientifically acceptable sampling method that we have approved. States may use sampling to generate certain aggregated data elements as identified in the instructions to the reports. States may not use sampling to report expenditure data.

(b) “Scientifically acceptable sampling method” means:

(1) A probability sampling method in which every sampling unit in the population has a known, non-zero chance to be included in the sample; and

(2) Our sample size requirements are met.

(c) In reporting data based on sampling, the State must follow the specifications and procedures in the TANF Sampling Manual.

§ 265.6 Must States file reports electronically?

Each State must file all quarterly reports (i.e., the TANF Data Report, the TANF Financial Report (or, as applicable, the Territorial Financial Report), and the SSP-MOE Data Report) electronically, based on format specifications that we will provide.

§ 265.7 How will we determine if the State is meeting the quarterly reporting requirements?

(a) Each State’s quarterly reports (the TANF Data Report, the TANF Financial Report (or Territorial Financial Report), and the SSP-MOE Data Report) must be complete and accurate and filed by the due date.

(b) For a disaggregated data report, “a complete and accurate report” means that:

(1) The reported data accurately reflect information available to the State in case records, financial records, and automated data systems;

(2) The data are free from computational errors and are internally consistent (e.g., items that should add to totals do so);

(3) The State reports data for all required elements (i.e., no data are missing);

(4)(i) The State provides data on all families; or

(ii) If the State opts to use sampling, the State reports data on all families selected in a sample that meets the specification and procedures in the TANF Sampling Manual (except for families listed in error); and

(5) Where estimates are necessary (e.g., some types of assistance may require cost estimates), the State uses reasonable methods to develop these estimates.

(c) For an aggregated data report, “a complete and accurate report” means that:

(1) The reported data accurately reflect information available to the State in case records, financial records, and automated data systems;

(2) The data are free from computational errors and are internally consistent (e.g., items that should add to totals do so);

(3) The State reports data on all applicable elements; and

(4) Monthly totals are unduplicated counts for all families (e.g., the number of families and the number of out-of-wedlock births are unduplicated counts).

(d) For the TANF Financial Report (or, as applicable, the Territorial Financial Report), “a complete and accurate report” means that:

(1) The reported data accurately reflect information available to the State in case records, financial records, and automated data systems;

(2) The data are free from computational errors and are internally consistent (e.g., items that should add to totals do so);

(3) The State reports data on all applicable elements; and

(4) All expenditures have been made in accordance with § 92.20(a) of this title.

(e) We will review the data filed in the quarterly reports to determine if they meet these standards. In addition, we will use audits and reviews to verify the accuracy of the data filed by the States.

(f) States must maintain records to adequately support any report, in accordance with § 92.42 of this title.

§ 265.8

§ 265.8 Under what circumstances will we take action to impose a reporting penalty for failure to submit quarterly and annual reports?

(a) We will take action to impose a reporting penalty under § 262.1(a)(3) of this chapter if:

(1) A State fails to file the quarterly TANF Data Report or the quarterly TANF Financial Report (or, as applicable, the Territorial Financial Report) within 45 days of the end of the quarter;

(2) The disaggregated data in the TANF Data Report is not accurate or does not include all the data required by section 411(a) of the Act (other than section 411(a)(1)(A)(xii) of the Act) or the nine additional elements necessary to carry out the data collection system requirements, including the social security number;

(3) The aggregated data elements in the TANF Data Report required by section 411(a) of the Act are not accurate and the report does not include the data elements necessary to carry out the data collection system requirements and to verify and validate the disaggregated data;

(4) The TANF Financial Report (or, as applicable, the Territorial Financial Report) does not contain complete and accurate information on total expenditures and expenditures on administrative costs and transitional services; or

(5) The annual report under § 265.9 does not contain the definition of work activities and the description of transitional services provided by a State to families no longer receiving assistance due to employment.

(b) We will not apply the reporting penalty to the SSP-MOE Data Report.

(c) If we determine that a State meets one or more of the conditions set forth in paragraph (a) of this section, we will notify the State that we intend to reduce the SFAG payable for the immediately succeeding fiscal year.

(d) We will not impose the penalty at § 262.1(a)(3) of this chapter if the State files the complete and accurate quarterly report or the annual report before the end of the fiscal quarter that immediately succeeds the fiscal quarter for which the reports were required.

(e) If the State does not file all reports as provided under paragraph (a)

45 CFR Ch. II (10–1–03 Edition)

of this section by the end of the immediately succeeding fiscal quarter, the penalty provisions of §§ 262.4 through 262.6 of this chapter will apply.

(f) Subject to paragraphs (a) through (d) of this section and §§ 262.4 through 262.6 of this chapter, for each quarter for which a State fails to meet the reporting requirements, we will reduce the SFAG payable by an amount equal to four percent of the adjusted SFAG (or a lesser amount if the State achieves substantial compliance under a corrective compliance plan).

§ 265.9 What information must the State file annually?

(a) Each State must file an annual report containing information on the TANF program and the State's MOE program(s) for that year. The report may be filed as:

(2) For any given year, we will score and rank competing States and award bonuses to the ten States with the highest scores in each work measure.

(c) *Measures of participation by low-income working households in the Food Stamp Program.*

(1) *Food Stamp absolute measure.* (i) Beginning in FY 2002, we will measure the number of low-income working households with children (*i.e.*, households with children under age 18 which have an income less than 130 percent of poverty and earnings equal to at least half-time, full-year minimum wage) receiving Food Stamps as a percentage of the number of low-income working households with children (as defined in this paragraph) in the State.

(ii) We will rank all States that choose to compete on this measure and will award bonuses to the three States with the highest scores. We will calculate the percentage rate for this measure to two decimal points. If two or more States have the same percentage rate for the measure, we will calculate the rates for these States to as many decimal points as necessary to eliminate the tie.

(2) *Food Stamp improvement measure.* (i) Beginning in FY 2002, we will measure the improvement in the number of low-income working households with children (*i.e.*, households with children under age 18 which have an income less than 130 percent of poverty and earnings equal to at least half-time, full-year Federal minimum wage) receiving Food Stamps as a percentage of the number of low-income working households with children (as defined in this subparagraph) in the State.

(ii) For any given year, we will compare a State's performance on this

measure to its performance in the previous year, beginning with a comparison of calendar (CY) 2000 to CY 2001, based on Census Bureau decennial and annual demographic program data.

(iii) We will rank all States that choose to compete on this measure and will award bonuses to the seven States with the greatest percentage point improvement in this measure. We will calculate the percentage rate for this measure to two decimal points. If two or more States have the same percentage rate for this measure, we will calculate the rates for these States to as many decimal points as necessary to eliminate the tie.

(d) Measures of participation by low-income families in the Medicaid/SCHIP Programs. (1) *Medicaid/SCHIP absolute measure.* (i) Beginning in FY 2002, we will measure the number of individuals receiving TANF benefits who are also enrolled in Medicaid or SCHIP, who leave TANF in a fiscal year and are enrolled in Medicaid or SCHIP in the fourth month after leaving TANF assistance, and who are not receiving TANF assistance in the fourth month as a percentage of individuals who left TANF in the fiscal year and are not receiving TANF assistance in the fourth month after leaving.

(ii) We will rank the performance of each State that chooses to compete on this absolute measure and award bonuses to the three States with the highest scores.

(iii) We will calculate the percentage rate for this measure to two decimal points. If two or more States have the same percentage rate for this measure, we will calculate the rates for these States to as many decimal points as necessary to eliminate the tie.

(2) *Medicaid/SCHIP improvement measure.* (i) Beginning in FY 2002, we will measure the improvement in the number of individuals receiving TANF benefits who are also enrolled in Medicaid or SCHIP, who leave TANF in a fiscal year and are enrolled in Medicaid or SCHIP in the fourth month after leaving TANF assistance, and who are not receiving TANF assistance in the fourth month as a percentage of individuals who left TANF in the fiscal year and are not receiving TANF as-

sistance in the fourth month after leaving.

(ii) For any given year, we will compare a State's performance on this improvement measure to its performance in the previous year, beginning with a comparison of FY 2000 to FY 2001, based on a quarterly submission by the State as determined by matching individuals (adults and children) who have left TANF assistance and who are not receiving TANF assistance in the fourth month with Medicaid or SCHIP enrollment data.

(iii) We will rank the performance of all States that choose to compete on this improvement measure and will award bonuses to the seven States with the greatest percentage point improvement in this measure.

(iv) We will calculate the percentage rate for the measure to two decimal points. If two or more States have the same percentage rate for this measure, we will calculate the rates for these States to as many decimal points as necessary to eliminate the tie.

(e) *Child care subsidy measure.* (1) Beginning in FY 2002, we will measure State performance based upon a composite ranking of:

(i) The accessibility of services based on the percentage of children in the State who meet the maximum allowable Federal eligibility requirements for the Child Care and Development Fund (CCDF) who are served by the State during the performance year, and who are included in the data reported on the ACF-800 and ACF-801 for the same fiscal year; and

(ii) The affordability of CCDF services based on a comparison of the reported assessed family co-payment to reported family income and a comparison of the number of eligible children under the State's defined income limits to the number of eligible children under the federal eligibility limits.

(2) Beginning in FY 2003, we will measure State performance based upon a composite ranking of:

(i) The two components described in paragraph (e)(1) of this section; and

(ii) The quality of CCDF services based on a comparison of reimbursement rates during the performance year to the market rates, determined

in accordance with 45 CFR 98.43(b)(2), applicable to that year.

(3) For the affordability component in paragraph (e)(1)(ii) of this section, we will compare family income to the assessed State family co-payment as reported on the ACF-801 across four income ranges. These income ranges refer to percentages of the Federal Poverty Guidelines for a family of three persons. The income ranges are as follows:

- (i) Income below the poverty level;
- (ii) Income at least 100 percent and below 125 percent of poverty;
- (iii) Income at least 125 percent and below 150 percent of poverty; and
- (iv) Income at least 150 percent and below 175 percent of poverty.

(4)(i) For the affordability component, we will calculate, for each income range, the average of the ratios of family co-payment to family income for each family served; and

(ii) We will calculate a ratio of the number of children eligible under the State's defined income limits compared to the number of children eligible under the Federal eligibility limits in the CCDF, i.e., 85 percent of the State's median income.

(iii) We will rank each State based on each of the four averages calculated in paragraph (e)(4)(i) of this section and the ratio calculated in paragraph (e)(4)(ii) of this section and combine the ranks to obtain the State's score on this component.

(5) For the quality component specified in paragraph (e)(2)(ii) of this section, in FY 2003 and beyond, we will compare the actual rates paid by the State as reported on the ACF-801 (not the published maximum rates) to the market rates applicable to the performance year, i.e., FY 2002. Each State competing on this measure must submit the following data as a part of its market rate survey:

(i) Age-specific rates for children 0-13 years of age reported by the child care centers and family day care homes responding to the State's market rate survey; and

(ii) The provider's county or, if the State uses multi-county regions to measure market rates or set maximum payment rates, the administrative region.

(6) For the quality component, we will compute the percentile of the market represented by the amount paid for each child as reported on the ACF-801 by comparing the actual payment for each child to the array of reported market rates for children of the same age in the relevant county or administrative region. (We will compare payments for children in center-based care to reported center care provider rates. We will compare payments for children in non-center-based care, i.e., family day care and unlicensed child care, to reported family child care provider rates.)

(i) We will take the percentile that results from the per-child comparison of the actual payment to the reported market rates and compute separate State-wide averages for center-based and non-center-based care; and

(ii) We will rank the State according to the two State-wide averages and combine the ranks to obtain the State's score on this component.

(7) For any given year, we will rank the States that choose to compete on the child care measure on each component of the overall measure and award bonuses to the ten States with the highest composite rankings.

(8) We will calculate each component score for this measure to two decimal points. If two or more States have the same score for a component, we will calculate the scores for these States to as many decimal points as necessary to eliminate the tie.

(9)(i) The rank of the measure for the FY 2002 bonus year will be a composite weighted score of the two components at paragraph (e)(1) of this section, with the component at paragraph (e)(1)(i) of this section having a weight of 6 and the component at paragraph (e)(1)(ii) of this section having a weight of 4.

(ii) The rank of the measure for the bonus beginning in FY 2003 will be a composite weighted score of the three components at paragraph (e)(2) of this section, with the component at paragraph (e)(1)(i) of this section having a weight of 5, the component at paragraph (e)(1)(ii) of this section having a weight of 3, and the component at paragraph (e)(2)(ii) of this section having a weight of 2.

§ 270.5

45 CFR Ch. II (10–1–03 Edition)

(10) We will award bonuses only to the top ten qualifying States that have fully obligated their CCDF Matching Funds for the fiscal year corresponding to the performance year and fully expended their CCDF Matching Funds for the fiscal year preceding the performance year.

(f) *Family formation and stability measure.* (1) Beginning in FY 2002 and beyond, we will measure the increase in the percent of children in each State who reside in married couple families, beginning with a comparison of CY 2000 and CY 2001 data from the Census Bureau. For any given subsequent year we will compare a State's performance on this measure to its performance in the previous year.

(2) We will rank the performance of those States that choose to compete on this measure and will award bonuses to the ten States with the greatest percentage point improvement in this measure.

(3) We will calculate the percentage rate for the measure to two decimal points. If two or more States have the same percentage rate for this measure, we will calculate the rates for these States to as many decimal points as necessary to eliminate the tie.

(g) *Option to compete.* Each State has the option to compete on one, any number of, or none of the measures specified in this section.

[65 FR 52851, Aug. 30, 2000, as amended at 65 FR 75634, Dec. 4, 2000; 66 FR 23859, May 10, 2001]

EFFECTIVE DATE NOTE: At 66 FR 23859, May 10, 2001, § 270.4 paragraph (e)(2)(ii) was revised. This paragraph contains information collection and recordkeeping requirements and will not become effective until approval has been given by the Office of Management and Budget.

§ 270.5 What factors will we use to determine a State's score on the work measures?

(a) *Definitions.* The work measures are defined as follows:

(1) The *Job Entry Rate* means the unduplicated number of adult recipients who entered employment for the first time in the performance year (job entries) as a percentage of the total unduplicated number of adult recipi-

ents unemployed at some point in the performance year.

(2) The *Success in the Work Force Rate* is composed of two equally weighted sub-measures defined as follows:

(i) The *Job Retention Rate* means the performance year sum of the unduplicated number of employed adult recipients in each quarter one through four who were also employed in the first and second subsequent quarters, as a percentage of the sum of the unduplicated number of employed adult recipients in each quarter. (At some point, the adult might become a former recipient.); and

(ii) The *Earnings Gain Rate* means the performance year sum of the gain in earnings between the initial and second subsequent quarter in each of quarters one through four for adult recipients employed in both these quarters as a percentage of the sum of their initial earnings in each of quarters one through four. (At some point, the adult might become a former recipient.)

(3) The *Increase in the Job Entry Rate* means the positive percentage point difference between the job entry rate for the performance year and the job entry rate for the comparison year; and

(4) The *Increase in Success in the Work Force Rate* means the positive percentage point difference on at least one sub-measure between the success in the work force rate for the performance year and the success in the work force rate for the comparison year. It is composed of two equally weighted sub-measures defined as follows:

(i) The *Increase in the Job Retention Rate* means the percentage point difference between the job retention rate for the performance year and the job retention rate for the comparison year; and

(ii) The *Increase in the Earnings Gain Rate* means the percentage point difference between the earnings gain rate for the performance year and the earnings gain rate for the comparison year.

(b) *Ranking of States.* (1) We will measure State performance in the work measures over the course of an entire fiscal year both for the performance year and the comparison year, if applicable.

(2) We will rank the competing States on the work measures for which they:

(i) Indicate they wish to compete; and

(ii) Submit the data specified in § 270.6 within the time frames specified in § 270.11.

(3) We will rank the States on absolute performance in each of the work measures in paragraphs (a)(1) and (a)(2) of this section. For each of the work measures in paragraphs (a)(3) and (a)(4) of this section, we will rank States based on the percentage point change in their improvement rate in the performance year compared to the comparison year. The rank of the performance in paragraphs (a)(2) and (a)(4) of this section will be a composite score of the rank of the job retention and the earnings gain measures.

(4) We will calculate the percentage rate for each work measure to two decimal points. If two or more States have the same absolute or improvement rate for a specific work measure, we will calculate the rates for these States to as many decimal points as necessary to eliminate the tie.

§ 270.6 What data and other information must a State report to us?

(a) *Data for work measures.* (1) If a State wishes to compete on any of the work measures specified in § 270.5(a), it must collect quarterly and report semi-annually for the performance year and, if the State chooses to compete on an improvement measure, the comparison year, the identifying information on all adult TANF recipients as specified in program guidance.

(2) Each State must submit the information in this paragraph for both adult TANF recipients and adult SSP-MOE recipients for whom the State would report the data described in paragraph (b) of this section.

(b) *Data on SSP-MOE programs.* In order to compete on any high performance bonus measure, each State must submit the information in Sections One and Three of the SSP-MOE Data Report as specified in § 265.3(d) of this chapter.

(c) *Data for the Medicaid/SCHIP measures.* If a State wishes to compete on the Medicaid/SCHIP measures in

§ 270.4(d), it must submit the information that we and CMS will specify.

(d) *Data for the child care measure.* If a State wishes to compete on the child care measure in § 270.4(e), it must report the data as required by the CCDF program and additional data on child care market rates that we will specify.

(e) *Intent to compete.* Each State must notify us on which of the measures it will compete in each bonus year.

§ 270.7 What data will we use to measure performance on the work support and other measures?

(a) We will use Census Bureau data to rank States on their performance on the Food Stamp measures in § 270.4(c) and on the measure of family formation and stability in § 270.4(f). We will also use Census Bureau data, along with other information, to rank States on the child care measure in § 270.4(e). We will rank only those States that choose to compete on these measures.

(b) We will rank State performance on the Medicaid/SCHIP measures in § 270.4(d) based on data submitted by those States that choose to compete on these measures, as determined by matching TANF individuals who were enrolled in Medicaid/SCHIP and are no longer receiving TANF assistance with Medicaid/SCHIP enrollment data.

(c) We will rank State performance on the child care measure based on data submitted by those States that choose to compete on this measure. We will use data reported on Forms ACF 800, ACF 801, ACF 696 and other necessary data we will specify.

§ 270.8 How will we allocate the bonus award funds?

(a) In FY 2002 and beyond, we will allocate and award \$140 million to the ten States with the highest scores for each work measure as follows, subject to reallocation as specified in § 270.9:

- (1) Job Entry Rate—\$56 million
- (2) Success in the Work Force—\$35 million
- (3) Increase in Job Entry Rate—\$28 million
- (4) Increase in Success in the Work Force—\$21 million;

(b) In FY 2002 and beyond, we will allocate and award \$20 million to the ten States with the highest scores on the

§ 270.9

Food Stamp measures and \$20 million to the ten States with the highest scores on the Medicaid/SCHIP measures, subject to reallocation as specified in § 270.9. For these measures, we will:

- (1) Award \$6 million to the three States with the highest scores on the Food Stamp absolute measure;
- (2) Award \$6 million to the three States with the highest scores on the Medicaid/SCHIP absolute measure;
- (3) Award \$14 million to the seven States with the highest scores on the Food Stamp improvement measure; and
- (4) Award \$14 million to the seven States with the highest scores on the Medicaid/SCHIP improvement measure.

(c) In FY 2002 and beyond, we will allocate and award \$10 million to the ten States with the highest scores on the child care subsidy measure and \$10 million to the ten States with the highest scores on the family formation and stability improvement measure.

(d) We will distribute the bonus dollars for each measure based on each State's percentage of the total amount of the State family assistance grants of the States that will receive a bonus.

§ 270.9 How will we redistribute funds if that becomes necessary?

(a) If we cannot distribute the funds as specified in § 270.8, we will reallocate any undistributed funds among the measures listed in § 270.4.

(b) If we still cannot distribute funds within the bonus year, they will remain available for distribution in the next bonus year, to the extent authorized by law.

§ 270.10 How will we annually review the award process?

(a) *Annual determination.* Annually, as needed, we will review the measures, data sources, and funding allocations specified in this part to determine if modifications, adjustments, or technical changes are necessary. We will add new measures or make changes in the funding allocations for the various measures only through regulations.

(b) *Criteria.* We will determine if any modifications, adjustments, or tech-

45 CFR Ch. II (10–1–03 Edition)

nical changes need to be made based on:

(1) Our experience in awarding high performance bonuses in previous years; and

(2) The availability of national, State-reliable, and objective data.

(c) *Consultation.* We will consult with the National Governors' Association, the American Public Human Services Association, and other interested parties before we make our final decisions on any modification, adjustment, or technical changes for the bonus awards. We will notify States and other interested parties of our decisions through annual program guidance. We will also post this information on the Internet.

§ 270.11 When must the States report the data and other information in order to compete for bonus awards?

(a) *All measures.* Each State must submit a list of the measures on which it is competing by February 28 of each bonus year.

(b) *Work measures.* Each State must collect quarterly and submit semi-annually during the bonus year the data specified in § 270.6(a) as follows:

(1) The data for the first and second quarters of the performance year and, if a State chooses to compete on an improvement measure, the first and second quarters of the comparison year, must be submitted by the dates we will specify in program guidance.

(2) The data for the third and fourth quarters of the performance year and, if a State chooses to compete on an improvement measure, the third and fourth quarters of the comparison year, must be submitted by the dates we will specify in program guidance.

(c) *SSP-MOE reporting.* Each State must collect quarterly its SSP-MOE Data Report as specified in § 270.6(b) and submit it:

(1) At the same time as it submits its quarterly TANF Data Report; or

(2) At the time it seeks to be considered for a high performance bonus as long as it submits the required data for the full period for which this determination will be made.

(d) *Medicaid/SCHIP measures.* Each State must submit the data required to

compete on the Medicaid/SCHIP measures by the dates and in a manner that we and CMS will specify.

(e) *Child care subsidy measure*. Each State must submit the data required to compete on the child care measure by the date(s) we will specify.

§ 270.12 Must States file the data electronically?

Each State must submit the data required to compete for the high performance bonus work measures and the Medicaid/SCHIP measures electronically in a manner that we and CMS will specify.

§ 270.13 What do States need to know about the use of bonus funds?

(a) A State must use bonus award funds to carry out the purposes of the TANF block grant as specified in section 401 (Purpose) and section 404 (Use of Grants) of the Act.

(b) As applicable, these funds are subject to the requirements in and limitations of sections 404 and 408 of the Act and § 263.11 of this chapter.

(c) For Puerto Rico, Guam, the Virgin Islands, and American Samoa, the bonus award funds are not subject to the mandatory ceilings on funding established in section 1108(c)(4) of the Act.

(d) States must report quarterly on the use of the bonus funds.

AUTHORITY: 42 U.S.C. 603.

SOURCE: 64 FR 18493, Apr. 14, 1999, unless otherwise noted.

§ 283.1 What does this part cover?

This part explains how States may be considered for the “Bonus to Reward Decrease in Illegitimacy Ratio,” as authorized by section 403(a)(2) of the Social Security Act. It describes the data on which we will base the bonus, how we will make the award, and how we will determine the amount of the award.

§ 283.2 What definitions apply to this part?

The following definitions apply to this part:

Abortions means induced pregnancy terminations, including both medically and surgically induced pregnancy terminations. This term does not include spontaneous abortions, i.e., miscarriages.

Act means the Social Security Act.

Bonus refers to the Bonus to Reward Decrease in Illegitimacy Ratio, as set forth in section 403(a)(2) of the Act.

Calculation period refers to the four calendar years used for determining the decrease in the out-of-wedlock birth ratios for a bonus year. (The years included in the calculation period change from year to year.)

Most recent two-year period for which birth data are available means the most recent two calendar years for which the National Center for Health Statistics has released final birth data by State.

Most recent year for which abortion data are available means the year that is two calendar years prior to the current calendar year. (For example, for eligibility determinations made during calendar year 1999, the most recent year for which abortion data are available would be calendar year 1997.)

NCHS means the National Center for Health Statistics, of the Centers for Disease Control and Prevention, U.S. Department of Health and Human Services.

Number of out-of-wedlock births for the State means the final number of births

§ 283.3

45 CFR Ch. II (10–1–03 Edition)

occurring outside of marriage to residents of the State, as reported in NCHS vital statistics data.

Number of total births for the State means the final total number of live births to residents of the State, as reported in NCHS vital statistics data.

Rate of abortions means the number of abortions reported by the State in the most recent year for which abortion data are available divided by the State's total number of resident live births reported in vital statistics for that same year. (This measure is also more traditionally known as the "abortion to live birth ratio.")

Ratio refers to the ratio of live out-of-wedlock births to total live births, as defined in § 283.5(b).

State means the 50 States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, and American Samoa, as provided in section 419(a)(5) of the Act.

Vital statistics data means the data reported by State health departments to NCHS, through the Vital Statistics Cooperative Program (VSCP).

We (and any other first person plural pronouns) means the Secretary of Health and Human Services or any of the following individuals or organizations acting in an official capacity on the Secretary's behalf: the Assistant Secretary for Children and Families, the Regional Administrators for Children and Families, the Department of Health and Human Services, and the Administration for Children and Families.

§ 283.3 What steps will we follow to award the bonus?

(a) For each of the fiscal years 1999 through 2002, we will:

(1) Based on the vital statistics data provided by NCHS as described in § 283.4, calculate the ratios for the most recent two years for which final birth data are available, and for the prior two years, as described in § 283.5;

(2) Calculate the proportionate change between these two ratios, as described in § 283.5.

(3) Identify as potentially eligible a maximum of eight States, i.e., Guam, the Virgin Islands, and American Samoa, and five other States, that

have qualifying decreases in their ratios, using the methodology described in § 283.5;

(4) Notify these potentially eligible States that we will consider them for the bonus if they submit data on abortions as stated in § 283.6; and

(5) Identify which of the potentially eligible States that submitted the required data on abortions have experienced decreases in their rates of abortion relative to 1995, as described in § 283.7. These States will receive the bonus.

(b) We will determine the amount of the grant for each eligible State, based on the number of eligible States, and whether Guam, American Samoa, or the Virgin Islands are eligible. No State will receive a bonus award greater than \$25 million in any year.

§ 283.4 If a State wants to be considered for bonus eligibility, what birth data must it submit?

(a) To be considered for a bonus, the State must have submitted data on out-of-wedlock births as follows:

(1) The State must have submitted to NCHS the final vital statistics data files for all births occurring in the State. These files must show, among other elements, the total number of live births and the total number of out-of-wedlock live births occurring in the State. These data must conform to the Vital Statistics Cooperative Program contract for all years in the calculation period. This contract specifies, among other things, the guidelines and time-lines for submitting vital statistics data files; and

(2) The State must have submitted these data for the most recent two years for which NCHS reports final data, as well as for the previous two years.

(b) If a State has changed its method of determining marital status for the purposes of these data, the State also must have met the following requirements:

(1) The State has identified all years for which the method of determining marital status is different from that used for the previous year;

(2) For those years identified under paragraph (b)(1) of this section, the State has either:

(i) Replicated as closely as possible a consistent method for determining marital status at the time of birth, and the State has reported to NCHS the resulting alternative number of out-of-wedlock births; or

(ii) If NCHS agrees that such replication is not methodologically feasible, the State may choose to accept an NCHS estimate of what the alternative number would be;

(3) The State has submitted documentation to NCHS on what changes occurred in the determination of marital status for those years and, if appropriate, how it determined the alternative number of out-of-wedlock births for the State; and

(4) For methodological changes that were implemented prior to 1998 and applicable to data collected for the bonus period, the State has submitted the information described in paragraphs (b)(1), (2) and (3) of this section within two months after April 14, 1999. For such changes implemented during or after 1998, the State must submit such information either by the end of calendar year 1999 or according to the same deadline that applies to its vital statistics data for that year, whichever is later.

§ 283.5 How will we use these birth data to determine bonus eligibility?

(a) We will base eligibility determinations on final vital statistics data provided by NCHS showing the number of out-of-wedlock live births and the number of total live births among women living in each State and a factor provided by NCHS to adjust for changes in data reporting for those States that have changed their methodology for collecting data on out-of-wedlock births during the bonus period.

(b) We will use the number of total live births and the number of out-of-wedlock births, adjusted for any changes in data collection or reporting, to calculate the decrease in the ratio of out-of-wedlock to total births for each State as follows:

(1) We will calculate the ratio as the number of out-of-wedlock births for the State during the most recent two-year period for which NCHS has final birth data divided by the number of total

births for the State during the same period. We will calculate, to three decimal places, the ratio for each State that submits the necessary data on total and out-of-wedlock births described in § 283.4.

(2) We will calculate the ratio for the previous two-year period using the same methodology.

(3) We will calculate the proportionate change in the ratio as the ratio of out-of-wedlock births to total births for the most recent two-year period minus the ratio of out-of-wedlock births to total births from the prior two-year period, all divided by the ratio of out-of-wedlock births to total births for the prior two-year period. A negative number will indicate a decrease in the ratio and a positive number will indicate an increase in the ratio.

(c) We will identify which States have a decrease in their ratios large enough to make them potentially eligible for the bonus, as follows:

(1) For States other than Guam, American Samoa and the Virgin Islands, we will use this calculated change to rank the States and identify which five States have the largest decrease in their ratios. Only States among the top five will be potentially eligible for the bonus. We will identify fewer than five such States as potentially eligible if fewer than five experience decreases in their ratios. We will not include Guam, American Samoa and the Virgin Islands in this ranking.

(2) If we identify more than five States due to a tie in the decrease, we will recalculate the ratio and the decrease in the ratio to as many decimal places as necessary to eliminate the tie. We will identify no more than five States.

(3) For Guam, American Samoa and the Virgin Islands, we will use the calculated change in the ratio to identify which of these States experienced a decrease that is either at least as large as the smallest qualifying decrease identified in paragraph (c)(1) of this section, or a decrease that ranks within the top five decreases when all States and Territories are ranked together. These identified States will be potentially eligible for the bonus also.

§ 283.6

45 CFR Ch. II (10–1–03 Edition)

(4) We will notify the potentially eligible States, as identified under paragraphs (a) through (c) of this section that they must submit the information on abortions specified under § 283.6 if they want to be considered for the bonus.

§ 283.6 If a State wants to be considered for bonus eligibility, what data on abortions must it submit?

(a) To be considered further for bonus eligibility, each potentially eligible State, as identified under § 283.5, must submit to ACF data and information on the number of abortions for calendar year 1995 within two months of this notification. This number must measure either of the following:

(1) For calendar year 1995, the total number of abortions performed by all providers within the State; or

(2) For calendar year 1995, the total number of abortions performed by all providers within the State on the total population of State residents only. This is the preferred measure.

(b) States must have obtained these data on abortions for calendar year 1995 within 60 days of publication of the final rule and must include with their submission of 1995 data an official record documenting when they obtained the abortion data.

(c) Within two months of notification by ACF of potential eligibility, the State must submit:

(1) The number of abortions performed for the most recent year for which abortion data are available (as defined in § 283.2 to mean the year that is two calendar years prior to the current calendar year). In measuring the number of abortions, the State must use the same definition, either under paragraph (a)(1) or paragraph (a)(2) of this section, for both 1995 and the most recent year; or

(2) If applicable, the adjusted number and information specified in paragraph (d) of this section.

(d) If the State's data collection or reporting methodology changed between 1995 and the bonus year in such a way as to reflect an increase or decrease in the number of abortions that is different than what actually occurred during the period, the State must:

(1) When submitting the number of abortions for the most recent year under paragraph (c)(2), adjust the number to exclude increases or decreases in the number due to changes in methodology for collecting or reporting the data. For example, this calculation should include adjustments for increases or decreases in response rates for providers in reporting abortion data;

(2) Provide a rationale for the adjustment, i.e., a description of how the data collection or reporting methodology was changed. This could include a description of how legislative, policy or procedural changes affected the collection or reporting of abortion data, or an indication of changes in the response rate of providers in reporting abortion data; and

(3) Provide a certification by the Governor, or his or her designee, that the number of abortions reported to ACF accurately reflects these adjustments for changes in data collection or reporting methodology.

§ 283.7 How will we use these data on abortions to determine bonus eligibility?

(a) For those States that have met all the requirements under §§ 283.1 through 283.6, we will calculate the rate of abortions for calendar year 1995 and for the most recent year for which abortion data are available as defined in § 283.2. These rates will equal the number of abortions reported by the State to ACF for the applicable year, divided by total live births among women living in the State reported by NCHS for the same year. We will calculate the rates to three decimal places.

(b) If ACF determines that the State's rate of abortions for the most recent year for which abortion data are available is less than the rate for 1995, and, if the State has met all the requirements listed elsewhere under this part, the State will receive the bonus.

§ 283.8 What will be the amount of the bonus?

(a) If, for a bonus year, none of the eligible States is Guam, American Samoa or the Virgin Islands, then the amount of the grant shall be:

(1) \$20 million per State if there are five eligible States; or

(2) \$25 million per State if there are fewer than five eligible States.

(b) If for a bonus year, Guam, the Virgin Islands, or American Samoa is an eligible State, then the amount of the grant shall be:

(1) In the case of such a State, 25 percent of the mandatory ceiling amount as defined in section 1108 of the Act; and

(2) In the case of any other State, \$100 million, minus the total amount of any bonuses paid to Guam, the Virgin Islands, and American Samoa, and divided by the number of eligible States other than Guam, American Samoa and the Virgin Islands, not to exceed \$25 million per State.

§ 283.9 What do eligible States need to know to access and use the bonus funds?

(a) States must use the bonus funds to carry out the purposes of the Temporary Assistance for Needy Families Block Grant in section 401 and 404 of the Act. This may include statewide programs to prevent and reduce the incidence of out-of-wedlock pregnancies.

(b) As applicable, these funds are subject to the requirements in, and the limitations of, sections 404 and 408 of the Act.

(c) For Puerto Rico, Guam, the Virgin Islands, and American Samoa, the bonus award funds are not subject to the mandatory ceilings on funding established in section 1108(c)(4) of the Act.

SOURCE: 65 FR 39248, June 23, 2000, unless otherwise noted.

§ 284.10 What does this part cover?

(a) This part describes the methodology for determining the child poverty rates in the States and the Territories, as required by section 413(i) of the Social Security Act, including determining whether the child poverty rate increased by five percent or more as a result of the TANF program(s) in the State or Territory. It also describes the content and duration of the corrective action plan.

(b) The requirements of this part do not apply to any Territory that has never operated a TANF program.

§ 284.11 What definitions apply to this part?

The following definitions apply to this part:

ACF means the Administration for Children and Families.

Act means the Social Security Act, unless otherwise specified.

Census Bureau methodology means the various methods developed by the Census Bureau for estimating the number and percentage of children in poverty in each State. These methods may include national estimates based on the Current Population Survey; the Small Area Income and Poverty Estimates; the annual demographic programs, including the American Community Survey; or any other programs or methods used by the Census Bureau to estimate poverty. "Children in poverty" means children that live in families with incomes below 100 percent of the Census Bureau's poverty threshold.

§ 284.15

Child poverty rate means the percentage of all children in a State or Territory which live in families with incomes below 100 percent of the Census Bureau's poverty threshold.

Date of enactment means calendar year 1996.

MOE means maintenance-of-effort. This is a provision in section 409(a)(7) of the Social Security Act that requires States to maintain a certain level of spending based on historical (i.e., FY 1994) expenditure levels.

SAIPE means the Small Area Income and Poverty Estimates, a methodology developed by the Census Bureau to obtain more accurate estimates of poverty and income (including the number and percentage of children in poverty) at the State and county level between decennial censuses.

SSP-MOE means a separate State program operated outside of the TANF program for which the expenditure of State funds may count for MOE purposes.

State means each of the 50 States of the United States and the District of Columbia.

TANF means the Temporary Assistance for Needy Families program under sections 401 through 419 of the Social Security Act, as enacted by the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, sections 101-116 of Pub. L. 104-193 (42 U.S.C. 601-619).

Territories means American Samoa, the Commonwealth of Puerto Rico, Guam, and the United States Virgin Islands.

Tribal TANF program means a TANF program developed by an eligible Tribe, Tribal organization, or consortium of Tribes, and approved by us under section 412 of the Act.

45 CFR Ch. II (10-1-03 Edition)

§ 284.15 Who must submit information to ACF to carry out the requirements of this part?

(a) The Chief Executive Officer of the State, or his or her designee, is responsible for submitting to ACF the information required by this part.

(b) The State should obtain information from and work with the Indian tribe(s) (and Tribal consortia) operating a Tribal TANF program in the State in preparing and submitting the assessment, as specified in § 284.30, and the corrective action plan, as specified in § 284.45.

§ 284.20 What information will we use to determine the child poverty rate in each State?

(a) *General.* We will determine the child poverty rate in each State based on estimates from either the Census Bureau or the State, as described in this section. Each year we will use these data to determine the change in the State's child poverty rate over a two-year period, beginning with calendar years 1996 and 1997.

(b) *Estimates from the Census Bureau.* (1) Annually, we will obtain from the Census Bureau and provide to each State the estimate of the number and percentage of children in poverty in each State. The estimate will be based on the Census Bureau methodology.

(2) In 2000, and annually thereafter, we will determine for each State, at the 90-percent confidence level, the percentage change in the child poverty rate and provide this information to the State. The determination of percentage change in 2000 will cover the change between calendar years 1996 and 1997.

(c) *Estimates from the State.* (1) As an alternative to the Census Bureau estimates provided to the State under paragraph (b) of this section, the State may provide to us data on child poverty in the State derived from an independent source.

(2) If the State provides data on child poverty as described in paragraph (c)(1) of this section, it must:

(i) Provide an estimate of the child poverty rate for the same two calendar years as the Census Bureau estimates provided to the State under paragraph (b)(2) of this section;

(ii) Provide the change in the child poverty rate for the applicable two-calendar-year period at the 90-percent confidence level;

(iii) Use the official definition of poverty as used by the Census Bureau; and

(iv) Describe the methodology used to develop its independent estimates, the sources of data and methodology for collecting the data, any known problems associated with making estimates of this type, the estimate of the standard error, and the power of the sample to detect a five percent change in the child poverty rate.

(3) The State must submit its independent estimates and supporting information within 45 days of the date the State receives the Census Bureau estimates as described in paragraph (b) of this section.

(d) *Determination of the State's child poverty rate.* (1) If we determine that the State's independent estimates of the child poverty rate are more reliable than the Census Bureau estimates, we will accept these estimates.

(2) For all other States, we will determine the State's child poverty rate based on the Census Bureau's estimates.

§ 284.21 What will we do if the State's child poverty rate increased five percent or more over the two-year period?

(a) If we determine, based on § 284.20, that the State's child poverty rate did not increase by five percent or more over the applicable two-year period at the 90-percent confidence interval, we will:

(1) Conclude that the State has satisfied the statutory requirements of section 413(i) of the Act; and

(2) Notify the State that no further information from or action by the State is required for the applicable two-calendar-year period.

(b) If we determine, based on § 284.20, that the State's child poverty rate increased by five percent or more over the applicable two-year period at the 90-percent confidence level, we will notify the State that it has 90 days from the date of its receipt of our notification to submit an assessment of the impact of the TANF program(s) in the State, as specified in § 284.30.

§ 284.30 What information must the State include in its assessment of the impact of the TANF program(s) in the State on the increase in child poverty?

(a) The State's assessment must:

(1) Cover the same two-calendar-year period as the Census Bureau estimates provided to the State in § 284.20(b)(2);

(2) Directly address the issue of whether the State's child poverty rate increased as a result of the TANF program(s) in the State and include the State's analysis, explanation, and conclusions in relation to this issue; and

(3) Include the information on which the assessment was based.

(b) The State's assessment may be supported by any materials the State believes to be pertinent to its analysis, explanation, and conclusions. The following are examples of such materials:

(1) The number of families receiving TANF cash assistance payments under the State TANF program and, if applicable, the Tribal TANF program(s);

(2) The total amount of State and Tribal spending on TANF cash assistance payments;

(3) The number and/or percentage of eligible families with children in the State who are participating in the Food Stamp Program or other State supportive and assistance programs;

(4) The proportion of students certified for free or reduced-price school lunches;

(5) TANF income eligibility rules that show that client participation was not limited or cash benefits did not decrease;

(6) Examples of efforts that the State and the Indian tribe(s), as appropriate, have taken using TANF and other funds to support families entering the work force;

(7) The percentage of eligible individuals in the State receiving TANF assistance;

(8) Information on TANF program participation such as the number of applications disapproved or denied, or cases sanctioned;

(9) The number of TANF cases closed as a result of time-limit restrictions or non-compliance with work requirements;

§ 284.35

(10) The amount of total cash assistance expenditures that can be claimed for SSP-MOE purposes;

(11) Information based on Unemployment Insurance wage record data showing, for example, increases in the number of TANF participants entering jobs, retaining jobs, and increasing their earnings;

(12) The number of families receiving work subsidies, *i.e.*, payments to employers or third parties to help cover the costs of employee wages, benefits, supervision, and training;

(13) Information that a State met the definition of “needy State” under section 403(b)(6) of the Act for an extended period of time within the applicable two-calendar-year period;

(14) Examples of past efforts that the State and the Indian tribe(s), as appropriate, have taken to mitigate or address child poverty;

(15) Any other data on the TANF program(s) in the State that would support the State’s conclusions; and

(16) Information on other circumstances in the State that may have contributed to the increase in child poverty such as changes in economic or social conditions, *e.g.*, an increase in the State’s unemployment rate.

§ 284.35 What action will we take in response to the State’s assessment and other information?

(a) We will review the State’s assessment along with other available information. If we determine that the increase in the child poverty rate of five percent or more is not the result of the TANF program(s) in the State, we will notify the State that no further information from, or action by, the State is required for the applicable two-calendar-year period.

(b) Based on our review of the State’s assessment and other information, if we determine that the increase in the State’s child poverty rate of five percent or more is the result of the TANF program(s) in the State, we will notify the State that it must submit a corrective action plan as specified in §§ 284.40 and 284.45.

45 CFR Ch. II (10–1–03 Edition)

§ 284.40 When is a corrective action plan due?

Each State must submit a corrective action plan to ACF within 90 days of the date the State receives notice of our determination that, as a result of the TANF program(s) in the State, its child poverty rate increased by five percent or more for the applicable two-calendar-year period.

§ 284.45 What are the contents and duration of the corrective action plan?

(a) The State must include in the corrective action plan:

(1) An outline of the manner in which the State or Territory will reduce its child poverty rate;

(2) A description of the actions it will take under the plan; and

(3) Any actions to be taken under the plan by the Indian tribe(s) (or Tribal consortia) operating a TANF program in the State.

(b) The State must implement the corrective action plan until it determines and notifies us that its child poverty rate, as determined in § 284.20, is less than the lowest child poverty rate on the basis of which the State was required to submit the corrective action plan. The “lowest child poverty rate” means the five percent threshold above the first year in the two-year comparison period.

284.50 What information will we use to determine the child poverty rate in each Territory?

(a) Our intent is that, to the extent that reliable data are available and the procedures are appropriate, the Territories must meet the requirements in §§ 284.11 through 284.45 as specified for the 50 States and the District of Columbia.

(b) When reliable Census Bureau data are available for the Territories, we will:

(1) Notify the Territories through guidance of our intent to use these data in the implementation of this part; and

(2) Begin the process by providing to each Territory the number and percent of children in poverty in each jurisdiction, as specified in § 284.20(b).

(a) An Indian tribe that meets the definition of Indian tribe given in

§ 286.20

(b) In addition, an intertribal consortium of eligible Indian tribes may develop and submit a single TFAP.

Subpart B—Tribal TANF Funding

§ 286.20 How is the amount of a Tribal Family Assistance Grant (TFAG) determined?

(a) We will request and use data submitted by a State to determine the amount of a TFAG. The State data that we will request and use are the total Federal payments attributable to State expenditures, including administrative costs (which includes systems costs) for fiscal year 1994 under the former Aid to Families With Dependent Children, Emergency Assistance and Job Opportunities and Basic Skills Training programs, for all Indian families residing in the geographic service area or areas identified in the Tribe's letter of intent or Tribal Family Assistance Plan.

(1) A Tribe must indicate its definition of "Indian family" in its Tribal Family Assistance Plan. Each Tribe may define "Indian family" according to its own criteria.

(2) When we request the necessary data from the State, the State will have 30 days from the date of the request to submit the data.

(i) If we do not receive the data requested from the State at the end of the 30-day period, we will so notify the Tribe.

(ii) In cases where data is not received from the State, the Tribe will have 45 days from the date of the notification in which to submit relevant information. Relevant information may include, but is not limited to, Census Bureau data, data from the Bureau of Indian Affairs, data from other Federal programs, and Tribal records. In such a case, we will use the data submitted by the Tribe to assist us in determining the amount of the TFAG. Where there are inconsistencies in the data, follow-up discussions with the Tribe and the State will ensue.

(b) We will share the data submitted by the State under paragraph (a)(2)(i) of this section with the Tribe. The Tribe must submit to the Secretary a

notice as to the Tribe's agreement or disagreement with such data no later than 45 days after the date of our notice transmitting the data from the State. During this 45-day period we will help resolve any questions the Tribe may have about the State-submitted data.

(c) We will notify each Tribe that has submitted a TFAP of the amount of the TFAG. At this time, we will also notify the State of the amount of the reduction in its SFAG.

(d) We will prorate TFAGs that are initially effective on a date other than October 1 of any given Federal fiscal year, based on the number of days remaining in the Federal fiscal year.

§ 286.25 How will we resolve disagreements over the State-submitted data used to determine the amount of a Tribal Family Assistance Grant?

(a) If a Tribe disagrees with the data submitted by a State, the Tribe may submit additional relevant information to the Secretary. Relevant information may include, but is not limited to, Census Bureau data, data from the Bureau of Indian Affairs, data from other Federal programs, and Tribal records.

(1) The Tribe must submit any relevant information within 45 days from the date it notifies the Secretary of its disagreement with State submitted data under § 286.20(b).

(2) We will review the additional relevant information submitted by the Tribe, together with the State-submitted data, in order to make a determination as to the amount of the TFAG. We will determine the amount of the TFAG at the earliest possible date after consideration of all relevant data.

§ 286.30 What is the process for reversion of a Tribal Family Assistance Grant?

(a) A Tribe that wishes to terminate its TFAG prior to the end of its three-year plan must—

(1) Notify the Secretary and the State in writing of the reason(s) for termination no later than 120 days prior to the effective date of the termination, or

(2) Notify the Secretary in writing of the reason(s) for termination no later

than 30 days prior to the effective date of the termination, where such effective date is mutually agreed upon by the Tribe and the affected State(s).

(b) The effective date of the termination must coincide with the last day of a calendar month.

(c) For a Tribe that retrocedes, the provisions of 45 CFR part 92 will apply with regard to closeout of the grant. All unobligated funds will be returned by the Tribe to the Federal government.

(d) The SFAG will be increased by the amount of the TFAG available for the subsequent quarterly installment.

(e) A Tribe's application to implement a TANF program subsequent to its retrocession will be treated as any other application to operate a TANF program, except that we may take into account when considering approval—

(1) Whether the circumstances that the Tribe identified for termination of its TANF program remain applicable and the extent to which—

(i) The Tribe has control over such circumstances, and

(ii) Such circumstances are reasonably related to program funding accountability, and

(2) Whether any outstanding funds and penalty amounts are repaid.

(f) A Tribe which retrocedes a Tribal TANF program is responsible for:

(1) Complying with the data collection and reporting requirements and all other program requirements for the period before the retrocession is effective;

(2) Any applicable penalties (see subpart D) for actions occurring prior to retrocession; the provisions of 45 CFR Part 92 and OMB Circulars A-87 and A-133;

(3) compliance with other Federal statutes and regulations applicable to the TANF program; and

(4) any penalties resulting from audits covering the period before the effective date of retrocession.

§ 286.35 What are proper uses of Tribal Family Assistance Grant funds?

(a) Tribes may use TFAGs for expenditures that:

(1) Are reasonably calculated to accomplish the purposes of TANF, including, but not limited to, the provision to

low income households with assistance in meeting home heating and cooling costs; assistance in economic development and job creation activities, the provision of supportive services to assist needy families to prepare for, obtain, and retain employment; the provision of supportive services to prevent out-of-wedlock pregnancies, and assistance in keeping families together, or

(2) Were an authorized use of funds under the State plans for Parts A or F of title IV of the Social Security Act, as such parts were in effect on September 30, 1995.

§ 286.40 May a Tribe use the Tribal Family Assistance Grant to fund IDAs?

(a) If the Tribe elects to operate an IDA program, it may use Federal TANF funds or WtW funds to fund IDAs for individuals who are eligible for TANF assistance and may exercise flexibility within the limits of Federal regulations and the statute.

(b) The following restrictions apply to IDA funds:

(1) A recipient may deposit only earned income into an IDA.

(2) A recipient's contributions to an IDA may be matched by, or through, a qualified entity.

(3) A recipient may withdraw funds only for the following reasons:

(i) To cover post-secondary education expenses, if the amount is paid directly to an eligible educational institution;

(ii) For the recipient to purchase a first home, if the amount is paid directly to the person to whom the amounts are due and it is a qualified acquisition cost for a qualified principal residence by a qualified first-time buyer; or

(iii) For business capitalization, if the amounts are paid directly to a business capitalization account in a federally insured financial institution and used for a qualified business capitalization expense.

(c) To prevent recipients from withdrawing funds held in an IDA improperly, Tribes may do the following:

(1) Count withdrawals as earned income in the month of withdrawal, unless already counted as income,

§ 286.45

45 CFR Ch. II (10–1–03 Edition)

(2) Count withdrawals as resources in determining eligibility, or

(3) Take such other steps as the Tribe has established in its Tribal plan or written Tribal policies to deter inappropriate use.

§ 286.45 What uses of Tribal Family Assistance Grant funds are improper?

(a) A Tribe may not use Tribal Family Assistance Grant funds to provide assistance to:

(1) Families or individuals that do not otherwise meet the eligibility criteria contained in the Tribal Family Assistance Plan (TFAP); or

(2) For more than the number of months as specified in a Tribe's TFAP (unless covered by a hardship exemption); or

(3) Individuals who are not citizens of the United States or qualified aliens or who do not otherwise meet the definition of "eligible families" at § 286.5.

(b) Tribal Family Assistance Grant funds may not be used to contribute to or to subsidize non-TANF programs.

(c) A Tribe may not use Tribal Family Assistance Grant funds for services or activities prohibited by OMB Circular A-87.

(d) All provisions in OMB Circular A-133 and in 45 CFR part 92 are applicable to the Tribal TANF program.

(e) Tribal TANF funds may not be used for the construction or purchase of facilities or buildings.

(f) Tribes must use program income generated by the Tribal Family Assistance grant for the purposes of the TANF program and for allowable TANF services, activities and assistance.

§ 286.50 Is there a limit on the percentage of a Tribal Family Assistance Grant that can be used for administrative costs?

(a) ACF will negotiate a limitation on administrative costs with each Tribal TANF applicant individually for the first year of a program's operation based on the applicant's proposed administrative cost allocation. No Tribal TANF grantee may expend more than 35 percent of its Tribal Family Assistance Grant for administrative costs during the first year.

(b) ACF will negotiate a limitation on administrative costs with each Trib-

al TANF applicant individually for the second year of a program's operation based on the applicant's proposed administrative cost allocation. No Tribal TANF grantee may expend more than 30 percent of its TFAG for administrative costs during the second year.

(c) ACF will negotiate a limitation on administrative costs with each Tribal TANF applicant individually for the third and all subsequent years of a program's operation based on the applicant's proposed administrative cost allocation. As negotiated, a Tribal TANF grantee may not expend more than 25 percent of its TFAG for administrative costs during any subsequent grant period.

(1) For the purposes of determining administrative costs, Tribes with approved plans who have been operating Tribal TANF programs prior to the effective date of this regulation will be able to negotiate a reasonable adjustment in their approved administrative cost rate, not to exceed the limitations in the Final Rule delineated above.

(2) [Reserved]

(d) ACF will negotiate limitations on administrative costs based on, but not limited to, a Tribe's TANF funding level, economic conditions, and the resources available to the Tribe, the relationship of the Tribe's administrative cost allocation proposal to the overall purposes of TANF, and a demonstration of the Tribe's administrative capability.

§ 286.55 What types of costs are subject to the administrative cost limit on Tribal Family Assistance Grant funds?

(a) Activities that fall within the definition of "administrative costs" at § 286.5 are subject to the limit determined under § 286.50.

(b) Information technology and computerization for tracking, data entry and monitoring, including personnel and other costs associated with the automation activities needed for Tribal TANF monitoring, data entry and tracking purposes, are excluded from the administrative cost cap, even if they fall within the definition of "administrative costs."

(c) Designing, administering, monitoring, and controlling a sample are

not inherent parts of information technology and computerization and, thus, costs associated with these tasks must be considered administrative costs.

(d) Indirect Costs negotiated by BIA, the Department's Division of Cost Allocation, or another federal agency must be considered to be part of the total administrative costs.

§ 286.60 Must Tribes obligate all Tribal Family Assistance Grant funds by the end of the fiscal year in which they are awarded?

(a) No. A Tribe may reserve amounts awarded to it, without fiscal year limitation, to provide assistance under the Tribal TANF program.

(b) A Tribe may expend funds beyond the fiscal year in which awarded only on benefits that meet the definition of assistance at § 286.10 or on the administrative costs directly associated with providing that assistance.

Subpart C—Tribal TANF Plan Content and Processing

§ 286.65 How can a Tribe apply to administer a Tribal Temporary Assistance For Needy Families (TANF) Program?

(a) Any eligible Indian tribe, Alaska Native organization, or intertribal consortium that wishes to administer a Tribal TANF program must submit a three-year TFAP to the Secretary of the Department of Health and Human Services. The original must be submitted to the appropriate ACF Regional Office with a copy to the ACF Central Office.

(b) A Tribe currently operating a Tribal TANF program must submit to the appropriate ACF Regional Office, with a copy to the ACF Central Office, no later than 120 days prior to the end of the three-year grant period, either—

(1) A letter of intent, with a copy to the affected State or States, which specifies they do not intend to continue operating the program beyond the end of the three-year grant period; or

(2) A letter of intent, with a copy to the affected State or States, which specifies they intend to continue program operations with no changes to

the geographic service area or service population; or

(3) A new three-year plan which indicates a change in either the geographic service area or service population.

(c) For Tribes choosing option (b)(2) above, a new three-year plan must be submitted to the appropriate ACF Regional Office, with a copy to the ACF Central Office, no later than 60 days before the end of the current three-year grant period.

§ 286.70 Who submits a Tribal Family Assistance Plan?

(a) A TFAP must be submitted by the chief executive officer of the Indian tribe and be accompanied by a Tribal resolution supporting the TFAP.

(b) A TFAP from a consortium must be forwarded under the signature of the chief executive officer of the consortium and be accompanied by Tribal resolutions from all participating Tribes that demonstrate each individual Tribe's support of the consortium, the delegation of decision-making authority to the consortium's governing board, and the Tribe's recognition that matters involving operation of the Tribal TANF consortium are the express responsibility of the consortium's governing board.

(c) When one of the participating Tribes in a consortium wishes to withdraw from the consortium, the Tribe needs to both notify the consortium and the Secretary of this fact.

(1) This notification must be made at least 120 days prior to the effective date of the withdrawal.

(2) The time frame in paragraph (c)(i) of this section is applicable only if the Tribe's withdrawal will cause a change to the service area or population of the consortium.

(d) When one of the participating Tribes in a consortium wishes to withdraw from the consortium in order to operate its own Tribal TANF program, the Tribe needs to submit a Tribal TANF plan that follows the requirements at § 286.75 and § 286.165.

§ 286.75 What must be included in the Tribal Family Assistance Plan?

(a) The TFAP must outline the Tribe's approach to providing welfare-

related services for the three-year period covered by the plan, including:

(1) Information on the general eligibility criteria the Tribe has established, which includes a definition of “needy family,” including income and resource limits and the Tribe’s definition of “Tribal member family” or “Indian family.”

(2) A description of the assistance, services, and activities to be offered, and the means by which they will be offered. The description of the services, assistance, and activities to be provided includes whether the Tribe will provide cash assistance, and what other assistance, services, and activities will be provided.

(3) If the Tribe will not provide the same services, assistance, and activities in all parts of the service area, the TFAP must indicate any variations.

(4) If the Tribe opts to provide different services to specific populations, including teen parents and individuals who are transitioning off TANF assistance, the TFAP must indicate whether any of these services will be provided and, if so, what services will be provided.

(5) The Tribe’s goals for its TANF program and the means of measuring progress towards those goals;

(6) Assurance that a 45-day public comment period on the Tribal TANF plan concluded prior to the submission of the TFAP.

(7) Assurance that the Tribe has developed a dispute resolution process to be used when individuals or families want to challenge the Tribe’s decision to deny, reduce, suspend, sanction or terminate assistance.

(8) Tribes may require cooperation with child support enforcement agencies as a condition of eligibility for TANF assistance. Good cause and other exceptions to cooperation shall be defined by the Tribal TANF program.

(b) The TFAP must identify which Tribal agency is designated by the Tribe as the lead agency for the overall administration of the Tribal TANF program along with a description of the administrative structure for supervision of the TANF program.

(c) The TFAP must indicate whether the services, assistance and activities will be provided by the Tribe itself or

through grants, contracts or compacts with inter-Tribal consortia, States, or other entities.

(d) The TFAP must identify the population to be served by the Tribal TANF program.

(1) The TFAP must identify whether it will serve Tribal member families only, or whether it will serve all Indian families residing in the Tribal TANF service area.

(2) If the Tribe wishes to serve any non-Indian families (and thus include non-Indians in its service population), an agreement with the State TANF agency must be included in the TFAP. This agreement must provide that, where non-Indians are to be served by Tribal TANF, these families are subject to Tribal TANF program rules.

(e) The TFAP must include a description of the geographic area to be served by the Tribal TANF program, including a specific description of any “near reservation” areas, as defined at 45 CFR 20.1(r), or any areas beyond “near reservation” to be included in the Tribal TANF service area.

(1) In areas beyond those defined as “near reservation”, the TFAP must demonstrate the Tribe’s administrative capacity to serve such areas and the State(s)’, and if applicable, other Tribe(s)’ concurrence with the proposed defined boundaries.

(2) A Tribe cannot extend its service area boundaries beyond the boundaries of the State(s) in which the reservation and BIA near-reservation designations are located.

(3) For Tribes in Oklahoma, if the Tribe defines its service area as other than its “tribal jurisdiction statistical area” (TJSA), the Tribe must include an agreement with the other Tribe(s) reflecting agreement to the service area. TJSAs are areas delineated by the Census Bureau for each federally-recognized Tribe in Oklahoma without a reservation.

(f) The TFAP must provide that a family receiving assistance under the plan may not receive duplicative assistance from other State or Tribal TANF programs and must include a description of the means by which the Tribe will ensure duplication does not occur.

(g) The TFAP must identify the employment opportunities in and near the service area and the manner in which the Tribe will cooperate and participate in enhancing such opportunities for recipients of assistance under the plan, consistent with any applicable State standards. This should include:

(1) A description of the employment opportunities available, in both the public and private sector, within and near the Tribal service area; and

(2) A description of how the Tribe will work with public and private sector employers to enhance the opportunities available for Tribal TANF recipients.

(h) The TFAP must provide an assurance that the Tribe applies the fiscal accountability provisions of section 5(f)(1) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450c(f)(1)), relating to the submission of a single-agency audit report required by chapter 75 of title 31, United States Code.

§ 286.80 What information on minimum work participation requirements must a Tribe include in its Tribal Family Assistance Plan?

(a) To assess a Tribe's level of success in meeting its TANF work objectives, a Tribe that submits a TFAP must negotiate with the Secretary minimum work participation requirements that will apply to families that receive Tribal TANF assistance that includes an adult or minor head of household receiving such assistance.

(b) A Tribe that submits a TFAP must include in the plan the Tribe's proposal for minimum work participation requirements, which includes the following:

(1) For each fiscal year covered by the plan, the Tribe's proposed participation rate(s) for all families, for all families and two-parent families, or for one-parent families and two-parent families;

(2) For each fiscal year covered by the plan, the Tribe's proposed minimum number of hours per week that adults and minor heads of household will be required to participate in work activities;

(i) If the Tribe elects to include reasonable transportation time to and

from the site of work activities in determining the hours of work participation, it must so indicate in its TFAP along with a definition of "reasonable" for purposes of this subsection, along with:

(A) An explanation of how the economic conditions and/or resources available to the Tribe justify inclusion of transportation time in determining work participation hours; and

(B) An explanation of how counting reasonable transportation time is consistent with the purposes of TANF;

(3) The work activities that count towards these work requirements;

(4) Any exemptions, limitations and special rules being established in relation to work requirements; and

(5) The Tribe must provide rationale for the above, explaining how the proposed work requirements relate to and are justified based on the Tribe's needs and conditions.

(i) The rationale must address how the proposed work requirements are consistent with the purposes of TANF and with the economic conditions and resources of the Tribe.

(ii) Examples of the information that could be included to illustrate the Tribe's proposal include, but are not limited to: poverty, unemployment, jobless and job surplus rates; education levels of adults in the service area; availability of and/or accessibility to resources (educational facilities, transportation) to help families become employable and find employment; and employment opportunities on and near the service area.

§ 286.85 How will we calculate the work participation rates?

(a) Work participation rate(s) will be the percentage of families with an adult or minor head-of-household receiving TANF assistance from the Tribe who are participating in a work activity approved in the TFAP for at least the minimum number of hours approved in the TFAP.

(b) The participation rate for a fiscal year is the average of the Tribe's participation rate for each month in the fiscal year.

(c) A Tribe's participation rate for a month is expressed as the following ratio:

§ 286.90

45 CFR Ch. II (10–1–03 Edition)

(1) The number of families receiving TANF assistance that include an adult or a minor head-of-household who is participating in activities for the month (numerator), divided by

(2) The number of families that include an adult or a minor head-of-household receiving TANF assistance during the month excluding:

(i) Families that were penalized for non-compliance with the work requirements in that month as long as they have not been sanctioned for more than three months (whether or not consecutively) out of the last 12 months; and

(ii) Families with children under age one, if the Tribe chooses to exempt these families from participation requirements.

(d) If a family receives assistance for only part of a month or begins participating in activities during the month, the Tribe may count it as a month of participation if an adult or minor head-of-household in the family is participating for the minimum average number of hours in each full week that the family receives assistance or participates in that month.

(e) Two-parent families in which one of the parents is disabled are considered one-parent families for the purpose of calculating a Tribe's participation rate.

§ 286.90 How many hours per week must an adult or minor head-of-household participate in work-related activities to count in the numerator of the work participation rate?

During the month, an adult or minor head-of-household must participate in work activities for at least the minimum average number of hours per week specified in the Tribe's approved Tribal Family Assistance Plan.

§ 286.95 What, if any, are the special rules concerning counting work for two-parent families?

Parents in a two-parent family may share the number of hours required to be considered as engaged in work.

§ 286.100 What activities count towards the work participation rate?

(a) Activities that count toward a Tribe's participation rate may include, but are not limited to, the following:

- (1) Unsubsidized employment;
 - (2) Subsidized private sector employment;
 - (3) Subsidized public sector employment;
 - (4) Work experience;
 - (5) On-the-job training (OJT);
 - (6) Job search and job readiness assistance; (see § 286.105)
 - (7) Community service programs;
 - (8) Vocational educational training; (see § 286.105)
 - (9) Job skills training directly related to employment;
 - (10) Education directly related to employment, in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;
 - (11) Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, if a recipient has not completed secondary school or received such a certificate;
 - (12) Providing child care services to an individual who is participating in a community service program; and
 - (13) Other activities that will help families achieve self-sufficiency.
- (b) [Reserved]

§ 286.105 What limitations concerning vocational education, job search and job readiness assistance exist with respect to the work participation rate?

(a) Tribes are not required to limit vocational education for any one individual to a period of 12 months.

(b) There are two limitations concerning job search and job readiness:

(1) Job search and job readiness assistance only count for 6 weeks in any fiscal year.

(2) If the Tribe's unemployment rate in the Tribal TANF service area is at least 50 percent greater than the United States' total unemployment rate for that fiscal year, then an individual's participation in job search or job readiness assistance counts for up to 12 weeks in that fiscal year.

(c) If job search or job readiness is an ancillary part of another activity, then there is no limitation on counting the time spent in job search/job readiness.

§ 286.110 What safeguards are there to ensure that participants in Tribal TANF work activities do not displace other workers?

(a) An adult or minor head-of-household taking part in a work activity outlined in § 286.100 cannot fill a vacant employment position if:

(1) Any other individual is on layoff from the same or any substantially equivalent job; or

(2) The employer has terminated the employment of any regular employee or otherwise caused an involuntary reduction in its work force in order to fill the vacancy with the TANF participant.

(b) A Tribe must establish and maintain a grievance procedure to resolve complaints of alleged violations of this displacement rule.

(c) This regulation does not preempt or supersede Tribal laws providing greater protection for employees from displacement.

§ 286.115 What information on time limits for the receipt of assistance must a Tribe include in its Tribal Family Assistance Plan?

(a) The TFAP must include the Tribe's proposal for:

(1) Time limits for the receipt of Tribal TANF assistance;

(2) Any exceptions to these time limits; and

(3) The percentage of the caseload to be exempted from the time limit due to hardship or if the family includes an individual who has been battered or subjected to extreme cruelty.

(b) The Tribe must also include the rationale for its proposal in the plan. The rationale must address how the proposed time limits are consistent with the purposes of TANF and with the economic conditions and resources of the Tribe.

(1) Examples of the information that could be included to illustrate the Tribe's proposal include, but are not limited to: Poverty, unemployment, jobless and job surplus rates; education levels of adults in the service area; availability of and/or accessibility to resources (educational facilities, transportation) to help families become employable and find employment; and em-

ployment opportunities on and near the service area.

(c) We may require that the Tribe submit additional information about the rationale before we approve the proposed time limits.

(d) Tribes must not count towards the time limit:

(1) Any month of receipt of assistance to a family that does not include an adult head-of-household;

(2) A family that does not include a pregnant minor head-of-household, minor parent head-of-household, or spouse of such a head-of-household; and

(3) Any month of receipt of assistance by an adult during which the adult lived in Indian country or in an Alaskan Native Village in which at least 50 percent of the adults were not employed.

(e) A Tribe must not use any of its TFAG to provide assistance (as defined in § 286.10) to a family that includes an adult or minor head-of-household who has received assistance beyond the number of months (whether or not consecutive) that is negotiated with the Tribe.

§ 286.120 Can Tribes make exceptions to the established time limit for families?

(a) Tribes have the option to exempt families from the established time limits for:

(1) Hardship, as defined by the Tribe, or

(2) The family includes someone who has been battered or has been subject to extreme cruelty.

(b) If a Tribe elects the hardship option, the Tribe must specify in its TFAP the maximum percent of its average monthly caseload of families on assistance that will be exempt from the established time limit under paragraph (a) of this section.

(c) If the Tribe proposes to exempt more than 20 percent of the caseload under paragraph (a) of this section, the Tribe must include a rationale in the plan.

§ 286.125 Does the receipt of TANF benefits under a State or other Tribal TANF program count towards a Tribe's TANF time limit?

Yes, the Tribe must count prior months of TANF assistance funded

§ 286.130

45 CFR Ch. II (10–1–03 Edition)

with TANF block grant funds, except for any month that was exempt or disregarded by statute, regulation, or under any experimental, pilot, or demonstration project approved under section 1115 of the Act.

§ 286.130 Does the receipt of Welfare-to-Work (WtW) cash assistance count towards a Tribe's TANF time limit?

(a) For purposes of an individual's time limit for receipt of TANF assistance as well as the penalty provision at § 286.195(a)(1), WtW cash assistance counts towards a Tribe's TANF time limit only if:

(1) Such assistance satisfies the definition at § 286.10; and

(2) Is directed at ongoing basic needs.

(b) Only cash assistance provided in the form of cash payments, checks, reimbursements, electronic funds transfers, or any other form that can legally be converted to currency is subject to paragraph (a) of this section.

§ 286.135 What information on penalties against individuals must be included in a Tribal Family Assistance Plan?

(a) The TFAP must include the Tribe's proposal for penalties against individuals who refuse to engage in work activities. The Tribe's proposal must address the following:

(1) Will the Tribe impose a pro rata reduction, or more at Tribal option, or will it terminate assistance to a family?

(2) After consideration of the provision specified at § 286.150, what will be the proposed Tribal policies related to a single custodial parent, with a child under the age of 6, who refuses to engage in work activities because of a demonstrated inability to obtain needed child care?

(3) What good cause exceptions, if any, does the Tribe propose that will allow individuals to avoid penalties for failure to engage in work?

(4) What other rules governing penalties does the Tribe propose?

(5) What, if any, will be the Tribe's policies related to victims of domestic violence consistent with § 286.140?

(b) The Tribe's rationale for its proposal must also be included in the TFAP.

(1) The rationale must address how the proposed penalties against individuals are consistent with the purposes of TANF, consistent with the economic conditions and resources of the Tribe, and how they relate to the requirements of section 407(e) of the Act.

(2) Examples of the information that could be included to illustrate the Tribe's proposal include, but are not limited to; poverty, unemployment, jobless and job surplus rates; education levels of adults in the service area; availability of and/or accessibility to resources (educational facilities, transportation) to help families become employable and find employment; and employment opportunities on and near the service area.

(c) We may require a Tribe to submit additional information about the rationale before we approve the proposed penalties against individuals.

§ 286.140 What special provisions apply to victims of domestic violence?

(a) Tribes electing the Family Violence Option (FVO) must certify that they have established and are enforcing standards and procedures to:

(1) Screen and identify individuals receiving TANF assistance with a history of domestic violence, while maintaining the confidentiality of such individuals;

(2) Refer such individuals to counseling and supportive services; and

(3) Provide waivers, pursuant to a determination of good cause, of TANF program requirements to such individuals for so long as necessary in cases where compliance would make it more difficult for such individuals to escape domestic violence or unfairly penalize those who are or have been victimized by such violence or who are at risk of further domestic violence.

(b) Tribes have broad flexibility to grant waivers of TANF program requirements, but such waivers must:

(1) Identify the specific program requirement being waived;

(2) Be granted based on need as determined by an individualized assessment by a person trained in domestic violence and redeterminations no less than every six months;

(3) Be accompanied by an appropriate services plan that:

- (i) Is developed in coordination with a person trained in domestic violence;
- (ii) Reflects the individualized assessment and any revisions indicated by any redetermination; and
- (iii) To the extent consistent with paragraph (a)(3) of this section, is designed to lead to work.

(c) If a Tribe wants us to take waivers that it grants under this section into account in deciding if it has reasonable cause for failing to meet its work participation rates or comply with the established time limit on TANF assistance, has achieved compliance or made significant progress towards achieving compliance with such requirements during a corrective compliance period, the waivers must comply with paragraph (b) of this section.

(d) We will determine that a Tribe has reasonable cause for failing to meet its work participation rates or to comply with established time limits on assistance if—

(1) Such failures were attributable to good cause domestic violence waivers granted to victims of domestic violence;

(2) In the case of work participation rates, the Tribe provides evidence that it achieved the applicable rates except with respect to any individuals who received a domestic violence waiver of work participation requirements. In other words, the Tribe must demonstrate that it met the applicable rates when such waiver cases are removed from the calculation of work participation rate;

(3) In the case of established time limits on assistance, the Tribe provides evidence that it granted good cause domestic violence waivers to extend time limits based on the need for continued assistance due to current or past domestic violence or the risk of further domestic violence, and individuals and their families receiving assistance beyond the established time limit under such waivers do not exceed 20 percent of the total number of families receiving assistance.

(e) We may take good cause domestic violence waivers of work participation or waivers which extend the established time limits for assistance into

consideration in deciding whether a Tribe has achieved compliance or made significant progress toward achieving compliance during a corrective compliance period.

(f) Tribes electing the FVO must submit the information specified at § 286.275(b)(7).

§ 286.145 What is the penalty if an individual refuses to engage in work activities?

If an individual refuses to engage in work activities in accordance with the minimum work participation requirements specified in the approved TFAP, the Tribe must apply to the individual the penalties against individuals that were established in the approved TFAP.

§ 286.150 Can a family, with a child under age 6, be penalized because a parent refuses to work because (s)he cannot find child care?

(a) If the individual is a single custodial parent caring for a child under age six, the Tribe may not reduce or terminate assistance based on the parent's refusal to engage in required work if he or she demonstrates an inability to obtain needed child care for one or more of the following reasons:

(1) Appropriate child care within a reasonable distance from the home or work site is unavailable;

(2) Informal child care by a relative or under other arrangements is unavailable or unsuitable; or

(3) Appropriate and affordable formal child care arrangements are unavailable.

(b) Refusal to work when an acceptable form of child care is available is not protected from sanctioning.

(c) The Tribe will determine when the individual has demonstrated that he or she cannot find child care, in accordance with criteria established by the Tribe. These criteria must:

(1) Address the procedures that the Tribe uses to determine if the parent has a demonstrated inability to obtain needed child care;

(2) Include definitions of the terms "appropriate child care," "reasonable distance," "unsuitability of informal care," and "affordable child care arrangements"; and

(3) Be submitted to us.

§ 286.155

(d) The Tribal TANF agency must inform parents about:

(1) The penalty exception to the Tribal TANF work requirement, including the criteria and applicable definitions for determining whether an individual has demonstrated an inability to obtain needed child care;

(2) The Tribe's procedures (including definitions) for determining a family's inability to obtain needed child care, and any other requirements or procedures, such as fair hearings, associated with this provision; and

(3) The fact that the exception does not extend the time limit for receiving Federal assistance.

§ 286.155 May a Tribe condition eligibility for Tribal TANF assistance on assignment of child support to the Tribe?

(a) Tribes have the option to condition eligibility for Tribal TANF assistance on assignment of child support to

45 CFR Ch. II (10–1–03 Edition)

the Tribe consistent with paragraph (b) of this section.

(b) For Tribes choosing to condition eligibility for Tribal TANF assistance on assignment of child support to the Tribe, the TFAP must address the following—

(1) Procedures for ensuring that child support collections, if any, in excess of the amount of Tribal TANF assistance received by the family must be paid to the family; and,

(2) How any amounts generated under an assignment and retained by the Tribe will be used to further the Tribe's TANF program, consistent with § 286.45(f).

§ 286.160 What are the applicable time frames and procedures for submitting a Tribal Family Assistance Plan?

(a) A Tribe must submit a Tribal TANF letter of intent and/or a TFAP to the Secretary according to the following time frames:

Implementation date:	Letter of intent due to ACF and the State:	Formal plan due to ACF:	ACF notification to the State due:
January 1, February 1 or March 1.	July 1 of previous year	September 1 of previous year	October 1 of previous year.
April 1, May 1 or June 1	October 1 of previous year	December 1 of previous year	January 1 of same year.
July 1, August 1 or September 1.	January 1 of same year	March 1 of same year	April 1 of same year.
October 1, November 1 or December 1.	April 1 of same year	June 1 of same year	July 1 of same year.

(b) A Tribe that has requested and received data from the State and has resolved any issues concerning the data more than six months before its proposed implementation date is not required to submit a letter of intent.

(c) The effective date of the TFAP must be the first day of any month.

(d) The original TFAP must be sent to the appropriate ACF Regional Administrator, with a copy sent to the Division of Tribal Services, Office of Community Services, Administration for Children and Families.

(e) A Tribe that submits a TFAP or an amendment to an existing plan that cannot be approved by the Secretary will be given the opportunity to make revisions in order to make the TFAP, or an amendment, approvable.

(f) Tribes operating a consolidated Public Law 102–477 program must sub-

mit a TFAP plan to the Secretary for review and approval prior to the consolidation of the TANF program into the Public Law 102–477 plan.

§ 286.165 How is a Tribal Family Assistance Plan amended?

(a) An amendment to a TFAP is necessary if the Tribe makes any substantial changes to the plan, including those which impact an individual's eligibility for Tribal TANF services or participation requirements, or any other program design changes which alter the nature of the program.

(b) A Tribe must submit a plan amendment(s) to the Secretary no later than 30 days prior to the proposed implementation date. Proposed implementation dates shall be the first day of any month.

(c) We will promptly review and either approve or disapprove the plan amendment(s).

(d) Approved plan amendments are effective no sooner than 30 days after date of submission.

(e) A Tribe whose plan amendment is disapproved may petition for an administrative review of such disapproval under § 286.170 and may appeal our final written decision to the Departmental Appeals Board no later than 30 days from the date of the disapproval. This appeal to the Board should follow the provisions of the rules under this subpart and those at 45 CFR part 16, where applicable.

§ 286.170 How may a Tribe petition for administrative review of disapproval of a TFAP or amendment?

(a) If, after a Tribe has been provided the opportunity to make revisions to its TFAP or amendment, the Secretary determines that the TFAP or amendment cannot be approved, a written Notice of Disapproval will be sent to the Tribe. The Notice of Disapproval will indicate the specific grounds for disapproval.

(b) A Tribe may request reconsideration of a disapproval determination by filing a written Request for Reconsideration to the Secretary within 60 days of receipt of the Notice of Disapproval. If reconsideration is not requested, the disapproval is final and the procedures under paragraph (f) of this section must be followed.

(l) The Request for Reconsideration must include—

(i) All documentation that the Tribe believes is relevant and supportive of its TFAP or amendment; and

(ii) A written response to each ground for disapproval identified in the Notice of Disapproval indicating why the Tribe believes that its TFAP or amendment conforms to the statutory and regulatory requirements for approval.

(c) Within 30 days after receipt of a Request for Reconsideration, the Secretary or designee will notify the Tribe of the date and time a hearing for the purpose of reconsideration of the Notice of Disapproval will be held. Such a hearing may be conducted by telephone conference call.

(d) A hearing conducted under § 286.170(c) must be held not less than 30 days nor more than 60 days after the date of the notice of such hearing is furnished to the Tribe, unless the Tribe agrees in writing to an extension.

(e) The Secretary or designee will make a written determination affirming, modifying, or reversing disapproval of the TFAP or amendment within 60 days after the conclusion of the hearing.

(f) If a TFAP or amendment is disapproved, the Tribe may appeal this final written decision to the Departmental Appeals Board (the Board) within 30 days after such party receives notice of determination. The party's appeal to the Board should follow the provisions of the rules under this section and those at 45 CFR part 16, where applicable.

§ 286.175 What special provisions apply in Alaska?

A Tribe in the State of Alaska that receives a TFAG must use the grant to operate a program in accordance with program requirements comparable to the requirements applicable to the State of Alaska's Temporary Assistance for Needy Families program. Comparability of programs must be established on the basis of program criteria developed by the Secretary in consultation with the State of Alaska and the Tribes in Alaska. The State of Alaska has authority to waive the program comparability requirement based on a request by an Indian tribe in the State.

§ 286.180 What is the process for developing the comparability criteria that are required in Alaska?

We will work with the Tribes in Alaska and the State of Alaska to develop an appropriate process for the development and amendment of the comparability criteria.

§ 286.185 What happens when a dispute arises between the State of Alaska and the Tribal TANF eligible entities in the State related to the comparability criteria?

(a) If a dispute arises between the State of Alaska and the Tribes in the State on any part of the comparability criteria, we will be responsible for

making a final determination and notifying the State of Alaska and the Tribes in the State of the decision.

(b) Any of the parties involved may appeal our decision, in whole or in part, to the HHS Departmental Appeals Board (the Board) within 60 days after such party receives notice of determination. The party's appeal to the Board should follow the provisions of the rules under this section and those at 45 CFR part 16, where applicable.

§ 286.190 If the Secretary, the State of Alaska, or any of the Tribal TANF eligible entities in the State of Alaska want to amend the comparability criteria, what is the process for doing so?

(a) At such time that any of the above parties wish to amend the comparability document, the requesting party should submit a request to us, with a copy to the other parties, explaining the requested change(s) and supplying background information in support of the change(s).

(b) After review of the request, we will make a determination on whether or not to accept the proposed change(s).

(c) If any party wishes to appeal the decision regarding the adoption of the proposed amendment, they may appeal using the appeals process pursuant to § 286.165.

Subpart D—Accountability and Penalties

§ 286.195 What penalties will apply to Tribes?

(a) Tribes will be subject to fiscal penalties and requirements as follows:

(1) If we determine that a Tribe misused its Tribal Family Assistance Grant funds, including providing assistance beyond the Tribe's negotiated time limit under § 286.115, we will reduce the TFAG for the following fiscal year by the amount so used;

(2) If we determine that a Tribe intentionally misused its TFAG for an unallowable purpose, the TFAG for the following fiscal year will be reduced by an additional five percent;

(3) If we determine that a Tribe failed to meet the minimum work participation rate(s) established for the Tribe,

the TFAG for the following fiscal year will be reduced. The amount of the reduction will depend on whether the Tribe was under a penalty for this reason in the preceding year. If not, the penalty reduction will be a maximum of five percent. If a penalty was imposed on the Tribe in the preceding year, the penalty reduction will be increased by an additional 2 percent, up to a maximum of 21 percent. In determining the penalty amount, we will take into consideration the severity of the failure and whether the reasons for the failure were increases in the unemployment rate in the TFAG service area and changes in TFAG caseload size during the fiscal year in question; and

(4) If a Tribe fails to repay a Federal loan provided under section 406 of the Act, we will reduce the TFAG for the following fiscal year by an amount equal to the outstanding loan amount plus interest.

(b) In calculating the amount of the penalty, we will add together all applicable penalty percentages, and the total is applied to the amount of the TFAG that would have been payable if no penalties were assessed against the Tribe. As a final step, we will subtract other (non-percentage) penalty amounts.

(c) When imposing the penalties in paragraph (a) of this section, we will not reduce an affected Tribe's grant by more than 25 percent. If the 25 percent limit prevents the recovery of the full penalty imposed on a Tribe during a fiscal year, we will apply the remaining amount of the penalty to the TFAG payable for the immediately succeeding fiscal year.

(1) If we reduce the TFAG payable to a Tribe for a fiscal year because of penalties that have been imposed, the Tribe must expend additional Tribal funds to replace any such reduction. The Tribe must document compliance with this provision on its TANF expenditure report.

(2) We will impose a penalty of not more than 2 percent of the amount of the TFAG on a Tribe that fails to expend additional Tribal funds to replace amounts deducted from the TFAG due to penalties. We will apply this penalty

to the TFAG payable for the next succeeding fiscal year, and this penalty cannot be excused (see § 286.235).

(d) If a Tribe retrocedes the program, the Tribe will be liable for any penalties incurred for the period the program was in operation.

§ 286.200 How will we determine if Tribal Family Assistance Grant funds were misused or intentionally misused?

(a) We will use the single audit or Federal review or audit to determine if a Tribe should be penalized for misusing Tribal Family Assistance Grant funds under § 286.195(a)(1) or intentionally misusing Tribal Family Assistance Grant funds under § 286.195(a)(2).

(b) If a Tribe uses the TFAG in violation of the provisions of the Act, the provisions of 45 CFR part 92, OMB Circulars A-87 and A-133, or any Federal statutes and regulations applicable to the TANF program, we will consider the funds to have been misused.

(c) The Tribe must show, to our satisfaction, that it used the funds for purposes that a reasonable person would consider to be within the purposes of the TANF program (as specified at § 286.35) and the provisions listed in § 286.45.

(d) We will consider the TFAG to have been intentionally misused under the following conditions:

(1) There is supporting documentation, such as Federal guidance or policy instructions, indicating that TANF funds could not be used for that purpose; or

(2) After notification that we have determined such use to be improper, the Tribe continues to use the funds in the same or similarly improper manner.

(e) If the single audit determines that a Tribe misused Federal funds in applying the negotiated time limit provisions under § 286.115, the amount of the penalty for misuse will be limited to five percent of the TFAG amount.

(1) This penalty shall be in addition to the reduction specified under § 286.195(a)(1).

(2) [Reserved]

§ 286.205 How will we determine if a Tribe fails to meet the minimum work participation rate(s)?

(a) We will use the Tribal TANF Data Reports required under § 286.255 to determine if we will assess the penalty under § 286.195(a)(3) for failure to meet the minimum participation rate(s) established for the Tribe.

(b) Each Tribal TANF Grantee's quarterly reports (the TANF Data Report and the Tribal TANF Financial Report) must be complete and accurate and filed by the due date. The accuracy of the reports are subject to validation by us.

(1) For a disaggregated data report, "a complete and accurate report" means that:

(i) The reported data accurately reflect information available to the Tribal TANF grantee in case records, financial records, and automated data systems;

(ii) The data are free from computational errors and are internally consistent (*e.g.*, items that should add to totals do so);

(iii) The Tribal TANF grantee reports data for all required elements (*i.e.*, no data are missing);

(iv) The Tribal TANF grantee provides data on all families; or

(v) If the Tribal TANF grantee opts to use sampling, the Tribal TANF grantee reports data on all families selected in a sample that meets the specification and procedures in the TANF Sampling Manual (except for families listed in error); and

(vi) Where estimates are necessary (*e.g.*, some types of assistance may require cost estimates), the Tribal TANF grantee uses reasonable methods to develop these estimates.

(2) For an aggregated data report, "a complete and accurate report" means that:

(i) The reported data accurately reflect information available to the Tribal TANF grantee in case records, financial records, and automated data systems;

(ii) The data are free from computational errors and are internally consistent (*e.g.*, items that should add to totals do so);

(iii) The Tribal TANF grantee reports data on all applicable elements; and

§ 286.210

(iv) Monthly totals are unduplicated counts for all families (e.g., the number of families and the number of out-of-wedlock births are unduplicated counts).

(3) For the Tribal TANF Financial Report, a “complete and accurate report” means that:

(i) The reported data accurately reflect information available to the Tribal TANF grantee in case records, financial records, and automated data systems;

(ii) The data are free from computational errors and are internally consistent (e.g., items that should add to totals do so);

(iii) The Tribal TANF grantee reports data on all applicable elements; and

(iv) All expenditures have been made in accordance with 45 CFR part 92 and all relevant OMB circulars.

(4) We will review the data filed in the quarterly reports to determine if they meet these standards. In addition, we will use audits and reviews to verify the accuracy of the data filed by the Tribal TANF grantee.

(c) Tribal TANF grantees must maintain records to adequately support any report, in accordance with 45 CFR part 92 and all relevant OMB circulars.

(d) If we find reports so significantly incomplete or inaccurate that we seriously question whether the Tribe has met its participation rate, we may apply the penalty under § 286.195(a)(3).

§ 286.210 What is the penalty for a Tribe's failure to repay a Federal loan?

(a) If a Tribe fails to repay the amount of principal and interest due at any point under a loan agreement:

(1) The entire outstanding loan balance, plus all accumulated interest, becomes due and payable immediately; and

(2) We will reduce the TFAG payable for the immediately succeeding fiscal year quarter by the outstanding loan amount plus interest.

(b) Neither the reasonable cause provisions at § 286.225 nor the corrective compliance plan provisions at § 286.230 apply when a Tribe fails to repay a Federal loan.

45 CFR Ch. II (10–1–03 Edition)

§ 286.215 When are the TANF penalty provisions applicable?

(a) A Tribe may be subject to penalties, as described in § 286.195(a)(1), § 286.195(a)(2) and § 286.195(a)(4), for conduct occurring on and after the first day of implementation of the Tribe's TANF program.

(b) A Tribe may be subject to penalties, as described in § 286.195(a)(3), for conduct occurring on and after the date that is six months after the Tribe begins operating the TANF program.

(c) We will not apply the regulations retroactively. We will judge Tribal actions that occurred prior to the effective date of these rules and expenditures of funds received prior to the effective date only against a reasonable interpretation of the statutory provisions in title IV-A of the Act.

(1) To the extent that a Tribe's failure to meet the requirements of the penalty provisions is attributable to the absence of Federal rules or guidance, Tribes may qualify for reasonable cause, as discussed in § 286.225.

(2) [Reserved]

§ 286.220 What happens if a Tribe fails to meet TANF requirements?

(a) If we determine that a Tribe is subject to a penalty, we will notify the Tribe in writing. This notice will:

(1) Specify what penalty provision(s) are in issue;

(2) Specify the amount of the penalty;

(3) Specify the reason for our determination;

(4) Explain how and when the Tribe may submit a reasonable cause justification under § 286.225 and/or a corrective compliance plan under § 286.230(d) for those penalties for which reasonable cause and/or corrective compliance plan apply; and

(5) Invite the Tribe to present its arguments if it believes that the data or method we used were in error or were insufficient, or that the Tribe's actions, in the absence of Federal regulations, were based on a reasonable interpretation of the statute.

(b) Within 60 days of receipt of our written notification, the Tribe may submit a written response to us that:

(1) Demonstrates that our determination is incorrect because our data or

the method we used in determining the penalty was in error or was insufficient, or that the Tribe acted prior to June 19, 2000, on a reasonable interpretation of the statute;

(2) Demonstrates that the Tribe had reasonable cause for failing to meet the requirement(s); and/or

(3) Provides a corrective compliance plan as discussed in § 286.230.

(c) If we find that the Tribe was correct and that a penalty was improperly determined, or find that a Tribe had reasonable cause for failing to meet a requirement, we will not impose the related penalty and so notify the Tribe in writing within two weeks of such a determination.

(d) If we determine that the Tribe has not demonstrated that our original determination was incorrect or that it had reasonable cause, we will notify the Tribe of our decision in writing.

(e) If we request additional information from a Tribe, it must provide the information within thirty days of the date of our request.

§ 286.225 How may a Tribe establish reasonable cause for failing to meet a requirement that is subject to application of a penalty?

(a) We will not impose a penalty against a Tribe if it is determined that the Tribe had reasonable cause for failure to meet the requirements listed at § 286.195(a)(1), § 286.195(a)(2), or § 286.195(a)(3). The general factors a Tribe may use to claim reasonable cause include, but are not limited to, the following:

(1) Natural disasters, extreme weather conditions, and other calamities (e.g., hurricanes, earthquakes, fire, and economic disasters) whose disruptive impact was so significant that the Tribe failed to meet a requirement.

(2) Formally issued Federal guidance which provided incorrect information resulting in the Tribe's failure or prior to the effective date of these regulations, guidance that was issued after a Tribe implemented the requirements of the Act based on a different, but reasonable, interpretation of the Act.

(3) Isolated, non-recurring problems of minimal impact that are not indicative of a systemic problem.

(4) Significant increases in the unemployment rate in the TFAG service area and changes in the TFAG caseload size during the fiscal year being reported.

(b) We will grant reasonable cause to a Tribe that:

(1) Clearly demonstrates that its failure to submit complete, accurate, and timely data, as required at § 286.245, for one or both of the first two quarters of FY 2000, is attributable, in significant part, to its need to divert critical system resources to Year 2000 compliance activities; and

(2) Submits complete and accurate data for the first two quarters of FY 2000 by November 15, 2000.

(c) In addition to the reasonable cause criteria specified above, a Tribe may also submit a request for a reasonable cause exemption from the requirement to meet its work participation requirements in the following situation:

(1) We will consider that a Tribe has reasonable cause if it demonstrates that its failure to meet its work participation rate(s) is attributable to its provisions with regard to domestic violence as follows:

(i) To demonstrate reasonable cause, a Tribe must provide evidence that it achieved the applicable work rates, except with respect to any individuals receiving good cause waivers of work requirements (i.e., when cases with good cause waivers are removed from the calculation in § 286.85); and

(ii) A Tribe must grant good cause waivers in domestic violence cases appropriately, in accordance with the policies in the Tribe's approved Tribal Family Assistance Plan.

(2) [Reserved]

(d) In determining reasonable cause, we will consider the efforts the Tribe made to meet the requirements, as well as the duration and severity of the circumstances that led to the Tribe's failure to achieve the requirement.

(e) The burden of proof rests with the Tribe to fully explain the circumstances and events that constitute reasonable cause for its failure to meet a requirement.

(1) The Tribe must provide us with sufficient relevant information and documentation to substantiate its claim of reasonable cause.

§ 286.230

(2) [Reserved]

§ 286.230 What if a Tribe does not have reasonable cause for failing to meet a requirement?

(a) To avoid the imposition of a penalty under § 286.195(a)(1), § 286.195(a)(2), or § 286.195(a)(3), under the following circumstances a Tribe must enter into a corrective compliance plan to correct the violation:

(1) If a Tribe does not claim reasonable cause for failing to meet a requirement; or

(2) If we found that a Tribe did not have reasonable cause.

(b) A Tribe that does not claim reasonable cause will have 60 days from receipt of the notice described in § 286.220(a) to submit its corrective compliance plan to us.

(c) A Tribe that does not demonstrate reasonable cause will have 60 days from receipt of the second notice described in § 286.220(d) to submit its corrective compliance plan to us.

(d) In its corrective compliance plan the Tribe must outline:

(1) Why it failed to meet the requirements;

(2) How it will correct the violation in a timely manner; and

(3) What actions, outcomes and timeline it will use to ensure future compliance.

(e) During the 60-day period beginning with the date we receive the corrective compliance plan, we may, if necessary, consult with the Tribe on modifications to the plan.

(f) A corrective compliance plan is deemed to be accepted if we take no action to accept or reject the plan during the 60-day period that begins when the plan is received.

(g) Once a corrective compliance plan is accepted or deemed accepted, we may request reports from the Tribe or take other actions to confirm that the Tribe is carrying out the corrective actions specified in the plan.

(1) We will not impose a penalty against a Tribe with respect to any violation covered by that plan if the Tribe corrects the violation within the time frame agreed to in the plan.

(2) We must assess some or all of the penalty if the Tribe fails to correct the

45 CFR Ch. II (10–1–03 Edition)

violation pursuant to its corrective compliance plan.

§ 286.235 What penalties cannot be excused?

(a) The penalties that cannot be excused are:

Such notification will include the factual and legal basis for taking the penalty in sufficient detail for the Tribe to be able to respond in an appeal.

(b) Within 60 days of the date it receives notice of the penalty, the Tribe may file an appeal of the action, in whole or in part, to the Board.

Subpart E—Data Collection and Reporting Requirements

§ 286.245 What data collection and reporting requirements apply to Tribal TANF programs?

(a) Section 412(h) of the Act makes section 411 regarding data collection and reporting applicable to Tribal TANF programs. This section of the regulations explains how we will collect the information required by section 411 of the Act and information to implement section 412(c) (work participation requirements).

(b) Each Tribe must collect monthly and file quarterly data on individuals and families as follows:

(1) Disaggregated data collection and reporting requirements in this part apply to families receiving assistance and families no longer receiving assistance under the Tribal TANF program; and

(2) Aggregated data collection and reporting requirements in this part apply to families receiving, families applying for, and families no longer receiving

assistance under the Tribal TANF program.

(c) Each Tribe must file in its quarterly TANF Data Report and in the quarterly TANF Financial Report the specified data elements.

(d) Each Tribe must also submit an annual report that contains specified information.

(e) Each Tribe must submit the necessary reports by the specified due dates.

§ 286.250 What definitions apply to this subpart?

(a) Except as provided in paragraph (b) of this section, the general TANF definitions at §§ 286.5 and 286.10 apply to this subpart.

(b) For data collection and reporting purposes only, "TANF family" means:

(1) All individuals receiving assistance as part of a family under the Tribe's TANF program; and

(2) The following additional persons living in the household, if not included under paragraph (b)(1) of this section:

(i) Parent(s) or caretaker relative(s) of any minor child receiving assistance;

(ii) Minor siblings of any child receiving assistance; and

(iii) Any person whose income or resources would be counted in determining the family's eligibility for or amount of assistance.

§ 286.255 What quarterly reports must the Tribe submit to us?

(a) *Quarterly reports.* Each Tribe must collect on a monthly basis, and file on a quarterly basis, the data specified in the Tribal TANF Data Report and the Tribal TANF Financial Report.

(b) *Tribal TANF Data Report.* The Tribal TANF Data Report consists of three sections. Two sections contain disaggregated data elements and one section contains aggregated data elements.

(1) *TANF Data Report: Disaggregated Data—Sections one and two.* Each Tribe must file disaggregated information on families receiving TANF assistance (section one) and families no longer receiving TANF assistance (section two). These two sections specify identifying and demographic data such as the individual's Social Security Number; and

§ 286.260

information such as the type and amount of assistance received, educational level, employment status, work participation activities, citizenship status, and earned and unearned income. These reports also specify items pertaining to child care and child support. The data requested cover adults (including non-custodial parents who are participating in work activities) and children.

(2) *TANF Data Report: Aggregated Data—Section three.* Each Tribe must file aggregated information on families receiving, applying for, and no longer receiving TANF assistance. This section of the Report asks for aggregate figures in the following areas: the total number of applications and their disposition; the total number of recipient families, adult recipients, and child recipients; the total number of births, out-of-wedlock births, and minor child heads-of-households; the total number of non-custodial parents participating in work activities; and the total amount of TANF assistance provided.

(c) *The Tribal TANF Financial Report.* Each Tribe must file quarterly expenditure data on the Tribe's use of Tribal Family Assistance Grant funds, any Tribal fund expenditures which are being substituted for T FAG funds withheld due to a penalty, and any State contributions. The report must be submitted on a form prescribed by ACF.

§ 286.260 May Tribes use sampling and electronic filing?

(a) Each Tribe may report disaggregated data on all recipient families (universal reporting) or on a sample of families selected through the use of a scientifically acceptable sampling method. The sampling method must be approved by ACF in advance of submitting reports.

(1) Tribes may not use a sample to generate the aggregated data.

(2) [Reserved]

(b) "Scientifically acceptable sampling method" means a probability sampling method in which every sampling unit has a known, non-zero chance to be included in the sample, and the sample size requirements are met.

(c) Each Tribe may file quarterly reports electronically, based on format

45 CFR Ch. II (10–1–03 Edition)

specifications that we will provide. Tribes who do not have the capacity to submit reports electronically may submit quarterly reports on a disk or in hard copy.

§ 286.265 When are quarterly reports due?

(a) Upon a Tribe's initial implementation of TANF, the Tribe shall begin collecting data for the TANF Data Report as of the date that is six months after the initial effective date of its TANF program. The Tribe shall begin collecting financial data for the TANF Financial Report as of the initial effective date of its TANF program.

(b) Each Tribe must submit its TANF Data Report and TANF Financial Report within 45 days following the end of each quarter. If the 45th day falls on a weekend or on a national, State or Tribal holiday, the reports are due no later than the next business day.

§ 286.270 What happens if the Tribe does not satisfy the quarterly reporting requirements?

(a) If we determine that a Tribe has not submitted to us a complete and accurate Tribal TANF Data Report within the time limit, the Tribe risks the imposition of a penalty at § 286.205 related to the work participation rate targets since the data from the Tribal TANF Data Report is required to calculate participation rates.

(b) Non-reporting of the Tribal TANF Financial Report may give rise to a penalty under § 286.200 since this Report is used to demonstrate compliance with provisions of the Act, the provisions of 45 CFR part 92, OMB Circulars A-87 and A-133, or any Federal statutes and regulations applicable to the TANF program.

§ 286.275 What information must Tribes file annually?

§ 287.120 What work activities may be provided under the NEW Program?

(a) The Tribe will determine what work activities are to be provided.

(b) Examples of allowable activities include, but are not limited to: Educational activities, alternative education, post secondary education, job readiness activity, job search, job skills training, training and employment activities, job development and placement, on-the-job training (OJT), employer work incentives related to OJT, community work experience, innovative approaches with the private sector, pre/post employment services, job retention services, unsubsidized employment, subsidized public or private sector employment, community service programs, entrepreneurial training, management training, job creation activities, economic development leading to job creation, and traditional subsistence activities.

§ 287.125 What supportive and job retention services may be provided under the NEW Program?

The NEW Program grantee may provide, pay for or reimburse expenses for supportive services, including but not limited to transportation, child care, traditional or cultural work related services, and other work or family sufficiency related expenses that the Tribe determines are necessary to enable a client to participate in the program.

§ 287.130 Can NEW Program activities include job market assessments, job creation and economic development activities?

(a) A Tribe may conduct job market assessments within its NEW Program. These might include the following:

- (1) Consultation with the Tribe's economic development staff or leadership that oversees the economic and employment planning for the Tribe;

(4) Coordination with any State or local governmental agency pursuing economic development options for the area.

(b) The Tribe's NEW Program may engage in activities and provide services to create jobs and economic opportunities for its participants. These services should be congruous with any available local job market assessments and may include the following:

(1) Tribal Employment Rights Office (TERO) services;

(2) Job creation projects and services;

(3) Self-employment;

(4) Self-initiated training that leads a client to improved job opportunities and employment;

§ 287.135 Are bonuses, rewards and stipends allowed for participants in the NEW Program?

Bonuses, stipends, and performance awards are allowed. However, such allowances may be counted as income in determining eligibility for some TANF or other need-based programs.

§ 287.140 With whom should the Tribe coordinate in the operation of its work activities and services?

The administration of work activities and services provided under the NEW Program must ensure that appropriate coordination and cooperation is maintained with the following entities operating in the same service areas as the Tribe's NEW Program:

(a) State, local and Tribal TANF agencies, and agencies operating employment and training programs;

(b) Any other agency whose programs impact the service population of the NEW Program, including employment,

45 CFR Ch. II (10–1–03 Edition)

training, placement, education, child care, and social programs.

§ 287.145 What measures will be used to determine NEW Program outcomes?

Each grantee must develop its own performance standards and measures to ensure accountability for its program results. A Tribe's program plan must identify planned program outcomes and the measures the Tribe will use to determine them. ACF will compare planned outcomes against outcomes reported in the Tribe's annual reports.

Subpart F—Data Collection and Reporting Requirements

§ 287.150 Are there data collection requirements for Tribes that operate a NEW Program?

(a) Yes, the Tribal agency or organization responsible for operation of a NEW Program must collect data and submit reports as specified by the Secretary.

(b) A NEW Program grantee must establish and maintain efficient and effective record-keeping systems to provide accurate and timely information regarding its service population.

(c) Required reports will provide Tribes, the Secretary, Congress, and other interested parties with information to assess the success of the NEW Program in meeting its goals. Also, the reports will provide the Secretary with information for monitoring program and financial operations.

§ 287.155 What reports must a grantee file with the Department about its NEW Program operations?

(a) Each eligible Tribe must submit an annual report that provides a summary of program operations.

(b) The Secretary has developed an annual operations report (OMB clearance number 0970–0174). The report specifies the data elements on which grantees must report, including elements that provide information regarding the number and characteristics of those served by the NEW Program. This report is in addition to any financial reports required by law, regulations, or Departmental policies.

Office of Family Assistance, ACF, HHS

§ 287.170

(c) The report form and instructions are distributed through ACF's program instruction system.

(d) The program operations report will be due September 28th, 90 days after the close of the NEW Program year.

§ 287.160 What reports must a grantee file regarding financial operations?

(a) Grantees will use SF-269A to make an annual financial report of expenditures for program activities and services.

(b) Two annual financial reports will be due to the appropriate Regional Office. The interim SF-269A is due no later than July 30, *i.e.*, 30 days after the end of the obligation period. The final SF-269A is due 90 days after the end of the liquidation period.

§ 287.165 What are the data collection and reporting requirements for Public Law 102-477 Tribes that consolidate a NEW Program with other programs?

(a) Currently, there is a single reporting system for all programs operated by a Tribe under Public Law 102-

477. This system includes a program report, consisting of a narrative report, a statistical form, and a financial report.

(1) The program report is required annually and submitted to BIA, as the lead Federal agency and shared with DHHS and DOL.

(2) The financial report is submitted on a SF-269A to BIA.

(b) Information regarding program and financial operations of a NEW Program administered by a Public Law 102-477 Tribe will be captured through the existing Public Law 102-477 reporting system.

§ 287.170 What are the data collection and reporting requirements for a Tribe that operates both the NEW Program and a Tribal TANF program?

Tribes operating both NEW and Tribal TANF programs must adhere to the separate reporting requirements for each program. NEW Program reporting requirements are specified in §§ 287.150-287.170.

§ 301.10 State plan.

The State plan is a comprehensive statement submitted by the IV-D agency describing the nature and scope of its program and giving assurance that it will be administered in conformity with the specific requirements stipulated in title IV-D, the regulations in Subtitle A and this chapter of this title, and other applicable official issuances of the Department. The State plan contains all information necessary for the Office to determine whether the plan can be approved, as a basis for Federal financial participation in the State program.

§ 301.11 State plan; format.

The State plan must be submitted to the Office in the format and containing

the information prescribed by the Office, and within time limits set in implementing instructions issued by the Office. Such time limits will be adequate for proper preparation of plans and submittal in accordance with the requirements for State Governors' review (see § 301.12 of this chapter).

(Approved by the Office of Management and Budget under control number 0960-0253)

[40 FR 27147, June 26, 1975, as amended at 51 FR 37730, Oct. 24, 1986]

§ 301.12 Submittal of State plan for Governor's review.

The State plan must be submitted to the State Governor for his review and comments, and the State plan must provide that the Governor will be given opportunity to review State plan amendments and long-range program planning projections or other periodic reports thereon. This requirement does not apply to periodic statistical or budget and other fiscal reports. Under this requirement, the Office of the Governor will be afforded a specified period in which to review the material. Any comments made will be transmitted to the Office with the documents.

(Approved by the Office of Management and Budget under control number 0960-0253)

[40 FR 27147, June 26, 1975, as amended at 51 FR 37730, Oct. 24, 1986]

§ 301.13 Approval of State plans and amendments.

The State plan consists of written documents furnished by the State to cover its Child Support Enforcement program under title IV-D of the Act. After approval of the original plan by the Office, all relevant changes, required by new statutes, rules, regulations, interpretations, and court decisions, are required to be submitted currently so that the Office may determine whether the plan continues to meet Federal requirements and policies.

(a) *Submittal.* State plans and revisions of the plans are submitted first to the State governor or his designee for review in accordance with § 301.12, and then to the regional office. The States are encouraged to obtain consultation of the regional staff when a plan is in process of preparation or revision.

(b) *Review.* The Office of Child Support Enforcement in the regional offices is responsible for review of State plans and amendments. It also initiates discussion with the IV-D agency on clarification of significant aspects of the plan which come to its attention in the course of this review. State plan material on which the regional staff has questions concerning the application of Federal policy is referred with recommendations as required to the Office of Child Support Enforcement in the central office for technical assistance. Comments and suggestions, including those of consultants in specified areas, may be prepared by the central office for use by the regional staff in negotiations with the IV-D agency.

(c) *Action.* The Regional Office exercises delegated authority to take affirmative action on the State plan and amendments thereto on the basis of policy statements or precedents previously approved by the Director. The Director retains authority for determining that proposed plan material is not approvable, or that a previously approved plan no longer meets the requirements for approval, except that a final determination of disapproval may not be made without prior consultation and discussion by the Director with the Secretary. The Regional Office or the Director formally notifies the IV-D agency of the actions taken on the State plan or revisions thereto.

(d) *Basis for approval.* Determinations as to whether the State plan (including plan amendments and administrative practice under the plan) originally meets or continues to meet the requirements for approval are based on relevant Federal statutes and regulations. Guidelines are furnished to assist in the interpretation of the regulations.

(e) *Prompt approval of the State plan.* The determination as to whether the State plan submitted for approval conforms to the requirements for approval under the Act and regulations issued pursuant thereto shall be made promptly and not later than the 90th day following the date on which the plan submittal is received in the regional office, unless the Regional Office has secured from the IV-D agency

§ 301.14

45 CFR Ch. III (10–1–03 Edition)

a written agreement to extend that period.

(f) *Prompt approval of plan amendments.* Any amendment of an approved State plan may, at the option of the State, be considered as a submission of a new State plan. If the State requests that such amendments be so considered, the determination as to its conformity with the requirements for approval shall be made promptly and not later than the 90th day following the date on which such a request is received in the Regional Office with respect to an amendment that has been received in such office, unless the Regional Commissioner has secured from the State agency a written agreement to extend that period.

(g) *Effective date.* The effective date of a new plan may not be earlier than the first day of the calendar quarter in which an approvable plan is submitted.

(Approved by the Office of Management and Budget under control number 0960–0253)

[40 FR 27147, June 26, 1975, as amended at 51 FR 37730, Oct. 24, 1986]

§ 301.14 Administrative review of certain administrative decisions.

Any State dissatisfied with a determination of the Director pursuant to § 301.13 (e) or (f) with respect to any plan or amendment may, within 60 days after the date of receipt of notification of such determination, file a petition with the Regional Office asking the Director for reconsideration of the issue of whether such plan or amendment conforms to the requirements for approval under the Act and pertinent Federal requirements. Within 30 days after receipt of such a petition, the Director shall notify the State of the time and place at which the hearing for the purpose of reconsidering such issue will be held. Such hearing shall be held not less than 30 days nor more than 60 days after the date notice of such hearing is furnished to the State, unless the Director and the State agree in writing on another time. The hearing procedures contained in 45 CFR part 213 applicable to § 201.4 of this title shall apply to reconsiderations brought under this section. A determination affirming, modifying, or reversing the Director's original decision will be made within 60 days of the conclusion

of the hearing. Action pursuant to an initial determination by the Director described in such § 301.1 (e) or (f) that a plan or amendment is not approvable shall not be stayed pending the reconsideration, but in the event that the Director subsequently determines that his original decision was incorrect he shall certify restitution forthwith in a lump sum of any funds incorrectly withheld or otherwise denied.

§ 301.15 Grants.

To States with approved plans, a grant is made each quarter for expenditures under the plan for the administration of the Child Support Enforcement program. The determination as to the amount of a grant to be made to a State is based upon documents submitted by the IV-D agency containing information required under the Act and such other pertinent facts as may be found necessary.

(a) *Form and manner of submittal—*

(1) *Time and place.* An estimate for a grant for each quarterly period must be forwarded to the Regional Office 45 days prior to the period of the estimate. It includes a certification of State funds and a justification statement in support of the estimate. A statement of quarterly expenditures and any necessary supporting schedules must be forwarded to the Department of Health and Human Services, Administration for Children and Families, Office of Program Support, Division of Formula, Entitlement and Block Grants, 370 L'Enfant Promenade, S.W., Washington, DC 20447, not later than 30 days after the end of the quarter.

(2) *Description of forms.* “State Agency Expenditure Projection—Quarterly Projection by Program” represents the IV-D agency's estimate of the total amount and the Federal share of expenditures for the administration of the title IV-D program for the quarter. From this estimate the State and Federal shares of the total expenditures are computed. The State's computed share of total estimated expenditures is the amount of State and local funds necessary for the quarter. The Federal share is the basis for the funds to be advanced for the quarter. The agency

must also certify, on this form or otherwise, the amount of State funds (exclusive of any balance of advances received from the Federal Government) actually on hand and available for expenditure; this certification must be signed by the executive officer of the IV-D agency submitting the estimate or a person officially designated by him, or by a fiscal officer of the State if required by State law or regulation. (A form "Certificate of Availability of State Funds for Assistance and Administration during Quarter" is available for submitting this information, but its use is optional.) If the amount of State funds (or State and local funds if localities participate in the program), shown as available for expenditures is not sufficient to cover the State's proportionate share of the amount estimated to be expended, the certification must contain a statement showing the source from which the amount of the deficiency is expected to be derived and the time when this amount is expected to be made available.

(3) The IV-D agency must also submit a quarterly statement of expenditures for the title IV-D program. This is an accounting statement of the disposition of the Federal funds granted for past periods and provides the basis for making the adjustments necessary when the State's estimate for any prior quarter was greater or less than the amount the State actually expended in that quarter. The statement of expenditures also shows the share of the Federal Government in any recoupment, from whatever source, of expenditures claimed in any prior period, and also in expenditures not properly subject to Federal financial participation which are acknowledged by the IV-D agency or have been revealed in the course of an audit.

(b) *Review.* The State's estimate is analyzed by the regional office and is forwarded with recommendations as required to the central office. The central office reviews the State's estimate, other relevant information, and any adjustments to be made for prior periods, and computes the grant.

(c) *Grant award.* The grant award computation form shows the amount of the estimate for the ensuing quarter, and the amounts by which the estimate

is reduced or increased because of over- or under-estimate for the prior quarter and for other adjustments. This form is transmitted to the IV-D agency to draw the amount of the grant award as needed, to meet the Federal share of disbursements. The draw is through a commercial bank and the Federal Reserve system against a continuing letter of credit certified to the Secretary of the Treasury in favor of the State payee. A notice of the amount of the grant award is sent to the State Central Information Reception Agency in accord with section 201 of the Intergovernmental Cooperation Act of 1968.

(d) *Letter of credit payment system.* The letter of credit system for payment of advances of Federal funds was established pursuant to Treasury Department regulations. (Circular No. 1075), published in the FEDERAL REGISTER on July 11, 1967 (32 FR 10201). The HHS "Instructions to Recipient Organizations for Use of Letter of Credit" was transmitted to all grantees by memorandum from the Assistant Secretary-Comptroller on January 15, 1968.

(e) *General administrative requirements.* With the following exceptions, the provisions of part 74 of this title, establishing uniform administrative requirements and cost principles, shall apply to all grants made to States under this part:

45 CFR PART 74

45 CFR 74.23 Cost Sharing or Matching.

45 CFR 74.52 Financial Reporting.

§ 301.16 Withholding of advance funds for not reporting.

(a) No advance for any quarter will be made unless full and complete reports on expenditures and collections, as required by §§ 301.15 and 302.15 of this chapter, respectively, have been submitted to the Office by the IV-D agency for all quarters with the exception of the two quarters immediately preceding the quarter for which the advance is to be made.

(b) For purposes of this section, a report is full and complete if:

(1) All line items of information are reported in accordance with OCSE instructions; and

(2) The report contains all applicable information available to the State and appropriate for inclusion in the report for the quarter being reported and prior quarters.

§ 302.0 Scope of this part.

This part defines the State plan provisions required for an approved plan under title IV-D of the Act.

§ 302.1 Definitions.

The definitions found in § 301.1 of this chapter also are applicable to this part.

§ 302.10 Statewide operations.

The State plan shall provide that:

(a) It will be in operation on a statewide basis in accordance with equitable standards for administration that are mandatory throughout the State;

(b) If administered by a political subdivision of the State, the plan will be mandatory on such political subdivision;

(c) The IV-D agency will assure that the plan is continuously in operation in all appropriate offices or agencies through:

(1) Methods for informing staff of State policies, standards, procedures and instructions; and

(2) Regular planned examination and evaluation of operations in local offices by regularly assigned State staff, including regular visits by such staff; and through reports, controls, or other necessary methods.

§ 302.11 State financial participation.

The State plan shall provide that the State will participate financially in the program.

§ 302.12 Single and separate organizational unit.

(a) The State plan shall provide for the establishment or designation of a single and separate organizational unit to administer the IV-D plan. Such unit is referred to as the IV-D agency. Under this requirement:

(1) The IV-D agency may be:

(i) Located in any other agency of the State; or,

(ii) Established as a new agency of the State.

(2) The IV-D agency shall be responsible and accountable for the operation of the IV-D program. Except as provided in § 303.20 of this part, the agency need not perform all the functions of the IV-D program so long as it insures that all these functions are being carried out properly, efficiently, and effectively;

(3) If the IV-D agency delegates any of the functions of the IV-D program to any other State or local agency or official, or any official with whom a cooperative agreement as described in § 302.34 has been entered into or purchases services from any person or private agency pursuant to § 304.22 of this part, the IV-D agency shall have responsibility for securing compliance with the requirements of the State plan by such agency or officials.

(b) The State plan shall describe the structure of the IV-D agency and the distribution of responsibilities among the major divisions within the unit, and if it is located within another agency, show its place in such agency. If any of the IV-D program functions are to be performed outside of the IV-D agency then these functions shall be listed with the name of the organization responsible for performing them.

§ 302.19 Bonding of employees.

The State plan shall provide that the following requirements and criteria to bond employees are in effect:

(a) *IV-D responsibility.* The IV-D agency will insure that every person, who has access to or control over funds collected under the child support enforcement program, is covered by a bond against loss resulting from employee dishonesty.

(b) *Scope.* The requirement in paragraph (a) of this section applies to every person who, as a regular part of his or her employment, receives, disburses, handles or has access to support collections, which includes:

(1) IV-D agency employees and employees of any other State or local agency to which IV-D functions have been delegated.

(2) Employees of a court or law enforcement official performing under a

45 CFR Ch. III (10-1-03 Edition)

cooperative agreement with the IV-D agency.

(3) Employees of any private or governmental entity from which the IV-D agency purchases services.

(c) *Bond.* The bond will be for an amount which the State IV-D agency deems adequate to indemnify the State IV-D program for loss resulting from employee dishonesty.

(d) *Self-bonding System.* A State or political subdivision may comply with the requirement in paragraph (a) of this section:

(1) By means of a self-bonding system established under State law or,

(2) In the case of a political subdivision, by means of a self-bonding system approved by the State IV-D agency.

(e) *IV-D liability.* The requirements of this section do not reduce or limit the ultimate liability of the IV-D agency for losses of support collections from the State's IV-D program.

The State plan shall provide that the following requirements and criteria to separate the cash handling and accounting functions are in effect.

(a) *IV-D responsibility.* The IV-D agency will maintain methods of administration designed to assure that persons responsible for handling cash receipts of support do not participate in accounting or operating functions which would permit them to conceal in the accounting records the misuse of support receipts. Such methods of administration shall follow generally recognized accounting standards.

(b) *Scope.* The requirement in paragraph (a) of this section applies to persons who participate in the collection, accounting or operating functions which include:

(1) IV-D agency employees and employees of any other State or local agency to which IV-D functions have been delegated.

(2) Employees of a court or law enforcement official performing under a cooperative agreement with the IV-D agency.

(3) Employees of any private or governmental entity from which the IV-D agency purchases services.

(c) *Exception.* The Regional Office may grant a waiver to sparsely populated geographical areas, where the requirements in paragraph (a) of this section would necessitate the hiring of unreasonable numbers of additional staff. The IV-D agency must document such administrative infeasibility and provide an alternative system of controls that reasonably insures that support collections will not be misused.

Effective October 1, 1985, the State plan shall provide that the State will publicize regularly and frequently the availability of support enforcement services under the plan through public service announcements. § 302.31 Establishing paternity and securing support.

The State plan shall provide that:

(a) The IV-D agency will undertake:

(1) In the case of a child born out of wedlock with respect to whom an assignment as defined in § 301.1 of this chapter is effective, to establish the paternity of such child; and

(2) In the case of any individual with respect to whom an assignment as defined in § 301.1 of this chapter is effective, to secure support for a child or children from any person who is legally liable for such support, using State laws regarding intrastate and interstate establishment and enforcement of support obligations. Effective October 1, 1985, this includes securing support for a spouse or former spouse who is living with the child or children, but only if a support obligation has been established for that spouse and the

child support obligation is being enforced under the title IV-D State plan.

(3) When assigned medical support payments are received and retained by a non-IV-A Medicaid recipient, the IV-D agency shall notify the Medicaid agency whenever it discovers that directly received medical support payments are being, or have been, retained.

(b) Upon receiving notice of a claim of good cause for failure to cooperate, the IV-D agency will suspend all activities to establish paternity or secure support until notified of a final determination by the appropriate agency.

(c) The IV-D agency will not undertake to establish paternity or secure support in any case for which it has received notice that there has been a finding of good cause unless there has been a determination that support enforcement may proceed without the participation of the caretaker or other relative. If there has been such a determination, the IV-D agency will undertake to establish paternity or secure support but may not involve the caretaker or other relative in such undertaking.

§ 302.32 Collection and disbursement of support payments by the IV-D Agency.

The State plan shall provide that effective October 1, 1998 (or October 1, 1999, for States which paid support through courts on August 22, 1996,):

(a) In any case in which support payments are collected for a recipient of aid under the State's title IV-A plan with respect to whom an assignment under section 408(a)(3) of the Act is effective, such payments shall be made to the State disbursement unit and shall not be paid directly to the family.

(b) Timeframes for disbursement of support payments by State disbursement unit (SDU) under section 454B of the Act.

(1) In interstate IV-D cases, amounts collected by the responding State on

§ 302.33

45 CFR Ch. III (10–1–03 Edition)

behalf of the initiating State must be forwarded to the initiating State within 2 business days of the date of receipt by the SDU in the responding State, in accordance with § 303.7(c)(7)(iv).

(2) Amounts collected by the IV-D agency on behalf of recipients of aid under the State's title IV-A or IV-E plan for whom an assignment under sections 408(a)(3) or 471(a)(17) of the Act is effective shall be disbursed by the SDU within the following timeframes:

(i) Except as specified under paragraph (b)(2)(iv) of this section, if the SDU sends payment to the family (other than payments sent to the family from the State share of assigned support collections), the SDU must send these payments within 2 business days of the end of the month in which the payment was received by the SDU. Any payment passed through to the family from the State share of assigned support collections must be sent to the family within 2 business days of the date of receipt by the SDU.

(ii) Except as specified under paragraph (b)(2)(iv) of this section, when the SDU sends collections to the family for the month after the month the family becomes ineligible for title IV-A, the SDU must send collections to the family within 2 business days of the date of receipt by the SDU.

(iii) Except as specified under paragraph (b)(2)(iv) of this section, when the SDU sends collections to the IV-E foster care agency under § 302.52(b)(2) and (4) of this part, the SDU must send collections to the IV-E agency within 15 business days of the end of the month in which the support was received by the SUD.

(iv) Collections as a result of Federal income tax refund offset paid to the family under section 457(a)(2)(iv) of the Act or distributed in title IV-E foster care cases under § 302.52(b)(4) of this part, must be sent to the IV-A family or IV-E agency, as appropriate, within 30 calendar days of the date of initial receipt by the IV-D agency, unless State law requires a post-offset appeal process and an appeal is filed timely, in which case the SDU must send any payment to the IV-A family or IV-E agency within 15 calendar days of the date the appeal is resolved.

(3)(i) Except as provided under paragraph (b)(3)(ii) of this section, amounts collected on behalf of individuals receiving services under § 302.33 of this part shall be disbursed by the SDU pursuant to section 457 of the Act, within 2 business days of receipt by the SDU.

(ii) Collections due the family under section 457(a)(2)(iv) of the Act as a result of Federal income tax refund offset must be sent to the family within 30 calendar days of the date of initial receipt in the IV-D agency, except:

(A) If State law requires a post-offset appeal process and an appeal is timely filed, in which case the SDU must send any payment to the family within 15 calendar days of the date the appeal is resolved; or

(B) As provided in § 303.72(h)(5) of this chapter.

§ 302.33 Services to individuals not receiving title IV-A or title IV-E foster care assistance.

(a) *Availability of Services.* (1) The State plan must provide that the services established under the plan shall be made available to any individual who:

(i) Files an application for the services with the IV-D agency. In an interstate case, only the initiating State may require an application under this section; or

(ii) Is a non-IV-A Medicaid recipient; or

(iii) Has been receiving IV-D services and is no longer eligible for assistance under the title IV-A, IV-E foster care, and Medicaid program.

(2) The State may not require an application, other request for services or an application fee from any individual who is eligible to receive services under paragraphs (a)(1)(ii) and (iii) of this section. If an individual receiving services under paragraph (a)(1)(iii) of this section refuses services in response to a notice under paragraph (a)(4) of this section, and subsequently requests services, that individual must file an application and pay an application fee.

(3) The State may not charge fees or recover costs from any individual who is eligible to receive services under paragraph (a)(1)(ii) of this section.

(4) Whenever a family is no longer eligible for assistance under the State's title IV-A, IV-E foster care, and Medicaid programs, the IV-D agency must notify the family, within five working days of the notification of ineligibility, that IV-D services will be continued unless the IV-D agency is notified to the contrary by the family. The notice must inform the family of the consequences of continuing to receive IV-D services, including the available services and the State's fees, cost recovery and distribution policies.

(5) The State must provide all appropriate IV-D services, in addition to IV-D services related to securing medical support, to all individuals who are eligible to receive services under paragraph (a)(1)(ii) of this section unless the individual notifies the State that only IV-D services related to securing medical support are wanted.

(b) *Definitions.* For purposes of this section:

Applicant's income means the disposable income available for the applicant's use under State law.

(c) *Application fee.* (1) Beginning October 1, 1985, the State plan must provide that an application fee will be charged for each individual who applies for services under this section. Under this paragraph:

(i) The State shall collect the application fee from the individual applying for IV-D services or pay the application fee out of State funds.

(ii) The State may recover the application fee from the noncustodial parent who owes a support obligation to a non-IV-A family on whose behalf the IV-D agency is providing services and repay it to the applicant or itself.

(iii) State funds used to pay an application fee are not program expenditures under the State plan but are program income under § 304.50 of this chapter.

(iv) Any application fee charged must be uniformly applied on a statewide basis and must be:

(A) A flat dollar amount not to exceed \$25 (or such higher or lower amount as the Secretary may determine to be appropriate for any fiscal year to reflect increases or decreases in administrative costs); or

(B) An amount based on a fee schedule not to exceed the flat dollar amount specified in paragraph (c)(2)(iv)(A) of this section. The fee schedule must be based on the applicant's income.

(v) The State may allow the jurisdiction that collects support for the State under this part to retain any application fee collected under this section.

(2) In an interstate case, the application fee is charged by the State where the individual applies for services under this section.

(d) *Recovery of costs.* (1) The State may elect in its State plan to recover any costs incurred in excess of any fees collected to cover administrative costs under the IV-D State plan. A State which elects to recover costs shall collect on a case by case basis either excess actual or standardized costs:

(i) From the individual who owes a support obligation to a non-IV-A family on whose behalf the IV-D agency is providing services under this section; or

(ii) From the individual who is receiving IV-D services under paragraph (a)(1) (i) or (iii) of this section, either directly or from the support collected on behalf of the individual, but only if the State has in effect a procedure for informing all individuals authorized within the State to establish an obligation for support that the State will recover costs from the individual receiving IV-D services under paragraphs (a)(1) (i) and (iii) of this section.

(2) A State that recovers standardized costs under paragraph (d)(1) of this section shall develop a written methodology to determine standardized costs which are as close to actual costs as is possible. This methodology must be made available to any individual upon request.

(3) The IV-D agency shall not treat any amount collected from the individual as a recovery of costs under paragraph (d)(1)(i) of this section except amounts which exceed the current support owed by the individual under the obligation.

(4) If a State elects to recover costs under paragraph (d)(1)(ii) of this section, the IV-D agency may attempt to seek reimbursement from the individual who owes a support obligation

§ 302.34

for any costs paid by the individual who is receiving IV-D services and pay all amounts reimbursed to the individual who is receiving IV-D services.

(5) If a State elects to recover costs under this section, the IV-D agency must notify, consistent with the option selected, either the individual who is receiving IV-D services under paragraphs (a)(1) (i) or (iii) of this section, or the individual who owes a support obligation that such recovery will be made. In an interstate case, the IV-D agency where the case originated must notify the individual receiving IV-D services of the States that recover costs.

(6) The IV-D agency must notify the IV-D agencies in all other States if it recovers costs from the individual receiving IV-D services.

§ 302.50 Assignment of rights to support.

The State plan shall provide as follows:

(a) An assignment of support rights, as defined in § 301.1 of this chapter, constitutes an obligation owed to the State by the individual responsible for providing such support. Such obligation shall be established by:

(1) Order of a court of competent jurisdiction or of an administrative process; or

(2) Except for obligations assigned under 42 CFR 433.146, other legal process as established by State laws, such as a legally enforceable and binding agreement.

(b) The amount of the obligation described in paragraph (a) of this section shall be:

(1) The amount specified in the order of a court of competent jurisdiction or administrative process which covers the assigned support rights.

(2) If there is no court or administrative order, an amount determined in writing by the IV-D agency as part of the legal process referred to in paragraph (a)(2) of this section in accordance with the requirements of § 302.56.

(c) The obligation described in paragraph (a) of this section shall be deemed for collection purposes to be collectible under all applicable State and local processes.

(d) Any amounts which represent support payments collected from an individual responsible for providing support under the State plan shall reduce, dollar for dollar, the amount of his obligation under this section.

(e) No portion of any amounts collected which represent an assigned support obligation defined under § 301.1 of this chapter may be used to satisfy a medical support obligation unless the court or administrative order designates a specific dollar amount for medical purposes.

[64 FR 6248, Feb. 9, 1999, as amended at 68 FR 25303, May 12, 2003]

§ 302.51 Distribution of support collections.

The State plan shall provide as follows:

(a)(1) For purposes of distribution in a IV-D case, amounts collected, except as provided under paragraph (a)(3) of this section, shall be treated first as payment on the required support obligation for the month in which the support was collected and if any amounts are collected which are in excess of such amount, these excess amounts shall be treated as amounts which represent payment on the required support obligation for previous months.

(2) In title IV-A and title IV-E foster care cases in which conversion to a monthly amount is necessary because

§ 302.52

45 CFR Ch. III (10–1–03 Edition)

support is ordered to be paid other than monthly, the IV-D agency may round off the converted amount to whole dollar amount for the purpose of distribution under this section and § 302.52 of this part.

(3) Amounts collected through Federal income tax refund offset must be distributed as arrearages in accordance with § 303.72(h) of this chapter, and section 457(a)(2)(B)(iv) of the Act.

(4)(i) Effective October 1, 1998 (or October 1, 1999 if applicable) except with respect to those collections addressed under paragraph (a)(3) of this section and except as specified under paragraph (a)(4)(ii) of this section, with respect to amounts collected and distributed under title IV-D of the Act, the date of collection for distribution purposes in all IV-D cases is the date of receipt in the State disbursement unit established under section 454B of the Act.

(ii) If current support is withheld by an employer in the month when due, and received by the State in a month other than the month when due, the date of withholding may be deemed to be the date of collection.

(iii) When the date of collection pursuant to this subparagraph is deemed to be the date the wage or other income was withheld, and the employer fails to report the date of withholding, the IV-D agency must reconstruct that date by contacting the employer or comparing actual amounts collected with the pay schedule specified in the court or administrative order.

(b) If an amount collected as support represents payment on the required support obligation for future months, the amount shall be applied to such future months. However, no such amounts shall be applied to future months unless amounts have been collected which fully satisfy the support obligation assigned under section 403(a)(8) of the Act for the current month and all past months.

(c)(1) The amounts collected by the IV-D agency which represent specific dollar amounts designated in the support order for medical purposes that have been assigned to the State under 42 CFR 433.146 shall be forwarded to the Medicaid agency for distribution under 42 CFR 433.154.

(2) When a family ceases receiving assistance under the State's title XIX plan, the assignment of medical support rights under section 1912 of the Act terminates, except for the amount of any unpaid medical support obligation that has accrued under such assignment. The IV-D agency shall attempt to collect any unpaid specific dollar amounts designated in the support order for medical purposes. Under this requirement, any medical support collection made by the IV-D agency under this paragraph shall be forwarded to the Medicaid agency for distribution under 42 CFR 433.154.

§ 302.52 Distribution of support collected in Title IV-E foster care maintenance cases.

Effective October 1, 1984, the State plan shall provide as follows:

(a) For purposes of distribution under this section, amounts collected in foster care maintenance cases shall be treated in accordance with the provisions of § 302.51(a) of this part.

(b) The amounts collected as support by the IV-D agency under the State plan on behalf of children for whom the State is making foster care maintenance payments under the title IV-E State plan and for whom an assignment under section 471(a)(17) of the Act is effective shall be distributed as follows:

(1) Any amount that is collected in a month which represents payment on the required support obligation for that month shall be retained by the State to reimburse itself for foster care maintenance payments. Of that amount retained by the State as reimbursement for that month's foster care maintenance payment, the State IV-D agency shall determine the Federal government's share so that the State may reimburse the Federal government to the extent of its participation in financing of the foster care maintenance payment.

(2) If the amount collected is in excess of the monthly amount of the foster care maintenance payment but not more than the monthly support obligation, the State must pay the excess to

the State agency responsible for supervising the child's placement and care under section 472(a)(2) of the Act. The State agency must use the money in the manner it determines will serve the best interests of the child including:

(i) Setting aside amounts for the child's future needs; or

(ii) Making all or part of the amount available to the person responsible for meeting the child's daily needs to be used for the child's benefit.

(3) If the amount collected exceeds the amount required to be distributed under paragraphs (b) (1) and (2) of this section, but not the total unreimbursed foster care maintenance payments provided under title IV-E or unreimbursed assistance payments provided under title IV-A, the State shall retain the excess to reimburse itself for these payments. If past assistance or foster care maintenance payments are greater than the total support obligation owed, the maximum amount the State may retain as reimbursement for such payments is the amount of such obligation. If amounts are collected which represent the required support obligation for periods prior to the first month in which the family received assistance under the State's title IV-A plan or foster care maintenance payments under the State's title IV-E plan, such amounts may be retained by the State to reimburse the difference between such support obligation and such payments. Of the amounts retained by the State, the State IV-D agency shall determine the Federal government's share of the amount so that the State may reimburse the Federal government to the extent of its participation in financing the assistance payments and foster care maintenance payments.

(4) Any balance shall be paid to the State agency responsible for supervising the child's placement and care and shall be used to serve the best interests of the child as specified in paragraph (b)(2) of this section.

(5) If an amount collected as support represents payment on the required support obligation for future months, the amount shall be applied to those future months. However, no amounts shall be applied to future months unless amounts have been collected which

fully satisfy the support obligation assigned under sections 408(a)(3) and 471(a)(17) of the Act for the current month and all past months.

(c) When a State ceases making foster care maintenance payments under the State's title IV-E State plan, the assignment of support rights under section 471(a)(17) of the Act terminates except for the amount of any unpaid support that has accrued under the assignment. The IV-D agency shall attempt to collect such unpaid support. Under this requirement, any collection made by the State under this paragraph must be distributed in accordance with paragraph (b)(3) of this section.

§ 302.54 Notice of collection of assigned support.

(a) Effective January 1, 1993, the State plan shall provide that the State has in effect procedures for issuing notices of collections as follows:

(1) The IV-D agency must provide a monthly notice of the amount of support payments collected for each month to individuals who have assigned rights to support under section 408(a)(3) of the Act, unless no collection is made in the month, the assignment is no longer in effect and there are no longer any assigned arrearages, or the conditions in paragraph (b) of this section are met.

(2) The monthly notice must list separately payments collected from each noncustodial parent when more than one noncustodial parent owes support to the family and must indicate the amount of current support collected, the amount of arrearages collected and the amount of support collected which was paid to the family.

(b)(1) The Office may grant a waiver to permit a State to provide quarterly, rather than monthly, notices, if the State:

(i) Until September 30, 1997, does not have an automated system that performs child support enforcement activities consistent with § 302.85 or has an automated system that is unable to generate monthly notices; or

§ 302.55

45 CFR Ch. III (10–1–03 Edition)

(ii) Uses a toll-free automated voice response system which provides the information required under paragraph (a) of this section.

(2) A quarterly notice must be provided in accordance with conditions set forth in paragraph (a)(1) of this section and such notice must contain the information set forth in paragraph (a)(2) of this section.

§ 302.55 Incentive payments to States and political subdivisions.

Effective October 1, 1985, in order for the State to be eligible to receive any incentive payments under § 304.12 and part 305 of this chapter, the State plan shall provide that, if one or more political subdivisions of the State participate in the costs of carrying out the activities under the State plan during any period, each such subdivision shall be entitled to receive an appropriate share of any incentive payments made to the State for such period, as determined by the State in accordance with § 303.52 of this chapter, taking into account the efficiency and effectiveness of the political subdivision in carrying out the activities under the State plan.

§ 302.56 Guidelines for setting child support awards.

(a) Effective October 13, 1989, as a condition of approval of its State plan, the State shall establish one set of guidelines by law or by judicial or administrative action for setting and modifying child support award amounts within the State.

(b) The State shall have procedures for making the guidelines available to all persons in the State whose duty it is to set child support award amounts.

(c) The guidelines established under paragraph (a) of this section must at a minimum:

(1) Take into consideration all earnings and income of the noncustodial parent;

(2) Be based on specific descriptive and numeric criteria and result in a computation of the support obligation; and

(3) Provide for the child(ren)'s health care needs, through health insurance coverage or other means.

(d) The State must include a copy of the guidelines in its State plan.

(e) The State must review, and revise, if appropriate, the guidelines established under paragraph (a) of this section at least once every four years to ensure that their application results in the determination of appropriate child support award amounts.

(f) Effective October 13, 1989, the State must provide that there shall be a rebuttable presumption, in any judicial or administrative proceeding for the award of child support, that the amount of the award which would result from the application of the guidelines established under paragraph (a) of this section is the correct amount of child support to be awarded.

(g) A written finding or specific finding on the record of a judicial or administrative proceeding for the award of child support that the application of the guidelines established under paragraph (a) of this section would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption in that case, as determined under criteria established by the State. Such criteria must take into consideration the best interests of the child. Findings that rebut the guidelines shall state the amount of support that would have been required under the guidelines and include a justification of why the order varies from the guidelines.

(h) As part of the review of a State's guidelines required under paragraph (e) of this section, a State must consider economic data on the cost of raising children and analyze case data, gathered through sampling or other methods, on the application of, and deviations from, the guidelines. The analysis of the data must be used in the

State's review of the guidelines to ensure that deviations from the guidelines are limited.

§ 302.60 Collection of past-due support from Federal tax refunds.

The State plan shall provide that:

(a) The IV-D agency has in effect procedures necessary to obtain payment of past-due support from Federal tax refunds as set forth in section 464 of the Act, § 303.72 of this chapter, and regulations of the Internal Revenue Service at 26 CFR 304.6402-1; and

§ 302.65 Withholding of unemployment compensation.

The State plan shall provide that the requirements of this section are met.

(a) *Definitions.* When used in this section:

Legal process means a writ, order, summons or other similar process in the nature of a garnishment, which is issued by a court of competent jurisdiction or by an authorized official pursuant to an order of such court or pursuant to State or local law.

State employment security agency or *SESA* means the State agency charged with the administration of the State unemployment compensation laws in accordance with title III of the Act.

Unemployment compensation means any compensation payable under State unemployment compensation law (including amounts payable in accordance with agreements under any Federal unemployment compensation law). It includes extended benefits, unemployment compensation for Federal employees, unemployment compensation for ex-servicemen, trade readjustment allowances, disaster unemployment assistance, and payments under the Redwood National Park Expansion Act.

(b) *Agreement.* The State IV-D agency shall enter into a written agreement with the SESA in its State for the purpose of withholding unemployment compensation from individuals with unmet support obligations being enforced by the IV-D agency. The IV-D agency shall agree only to a withholding program that it expects to be cost-effective and to reimbursement for the SESA's actual, incremental costs of providing services to the IV-D agency.

(c) *Functions to be performed by the IV-D agency.* The IV-D agency shall:

(1) Determine periodically from information provided by the SESA under section 508 of the Unemployment Compensation Amendments of 1976 whether individuals applying for or receiving unemployment compensation owe support obligations that are being enforced by the IV-D agency.

(2) Enforce unmet support obligations by arranging for the withholding of unemployment compensation based on a voluntary agreement with the individual who owes the support, or in appropriate cases which meet the case selection criteria established under paragraph (c)(3), through legal process pursuant to State or local law. If a voluntary agreement is obtained, the IV-D agency must give the SESA a copy of the voluntary agreement.

(3) Establish and use written criteria for selecting cases to pursue via the withholding of unemployment compensation for support purposes. These criteria must be designed to insure maximum case selection and minimal discretion in the selection process.

(4) Provide a receipt at least annually to an individual who requests a receipt for the support paid via the withholding of unemployment compensation, if receipts are not provided through other means.

(5) Maintain direct contact with the SESA in its State:

(i) By processing cases through the SESA in its own State or through IV-D agencies in other States; and

(ii) By receiving all amounts withheld by the SESA in its own State and forwarding any amounts withheld on behalf of IV-D agencies in other States to those agencies.

§ 302.70

45 CFR Ch. III (10–1–03 Edition)

(6) Reimburse the administrative costs incurred by the SESA that are actual, incremental costs attributable to the process of withholding unemployment compensation for support purposes insofar as these costs have been agreed upon by the SESA and the IV-D agency.

(7) Review and document, at least annually, program operations, including case selection criteria established under paragraph (c)(3), and costs of the withholding process versus the amounts collected and, as necessary, modify procedures and renegotiate the services provided by the SESA to improve program and cost effectiveness.

§ 302.70 Required State laws.

(a) *Required Laws.* The State plan shall provide that, in accordance with sections 454(20) and 466 of the Act and part 303 of this chapter, the State has in effect laws providing for, and has implemented procedures to improve, program effectiveness:

(1) Procedures for carrying out a program of withholding under which new or existing support orders are subject to the State law governing withholding so that a portion of the noncustodial parent's wages may be withheld, in accordance with the requirements set forth in § 303.100 of this chapter;

(2) Expedited processes to establish paternity and to establish and enforce child support orders having the same force and effect as those established through full judicial process, in accordance with the requirements set forth in § 303.101 of this chapter;

(3) Procedures for obtaining overdue support from State income tax refunds on behalf of individuals receiving IV-D services, in accordance with the requirements set forth in § 303.102 of this chapter;

(4) Procedures for the imposition of liens against the real and personal property of noncustodial parents who owe overdue support;

(5)(i) Procedures for the establishment of paternity for any child at least to the child's 18th birthday, including any child for whom paternity has not yet been established and any child for whom a paternity action was pre-

viously dismissed under a statute of limitations of less than 18 years; and

(ii) Effective November 1, 1989, procedures under which the State is required (except in cases where the individual involved has been found under section 454(29) of the Act to have good cause for refusing to cooperate or if, in accordance with § 303.5(b) of this chapter the IV-D agency has determined that it would not be in the best interest of the child to establish paternity in a case involving incest or forcible rape, or in any case in which legal proceedings for adoption are pending) to require the child and all other parties in a contested paternity case to submit to genetic tests upon the request of any such party, in accordance with § 303.5 (d) and (e) of this chapter.

(iii) Procedures for a simple civil process for voluntarily acknowledging paternity under which the State must provide that, before a mother and putative father can sign a voluntary acknowledgment of paternity, the mother and the putative father must be given notice, orally or through video or audio equipment, and in writing, of the alternatives to, the legal consequences of, and the rights (including any rights, if a parent is a minor, due to minority status) and responsibilities of acknowledging paternity, and ensure that due process safeguards are afforded. Such procedures must include:

(A) A hospital-based program in accordance with § 303.5(g) for the voluntary acknowledgment of paternity during the period immediately before or after the birth of a child to an unmarried mother, and a requirement that all public and private birthing hospitals participate in the hospital-based program defined in § 303.5(g)(2); and

(B) A process for voluntary acknowledgment of paternity in hospitals, State birth record agencies, and in other entities designated by the State and participating in the State's voluntary paternity establishment program; and

(C) A requirement that the procedures governing hospital-based programs and State birth record agencies must also apply to other entities designated by the State and participating

in the State's voluntary paternity establishment program, including the use of the same notice provisions, the same materials, the same evaluation methods, and the same training for the personnel of these other entities providing voluntary paternity establishment services.

(iv) Procedures under which the voluntary acknowledgment of paternity creates a rebuttable or, at the option of the State, conclusive presumption of paternity, and under which such voluntary acknowledgment is admissible as evidence of paternity;

(v) Procedures which provide that any objection to genetic testing results must be made in writing within a specified number of days before any hearing at which such results may be introduced into evidence; and if no objection is made, a written report of the test results is admissible as evidence of paternity without the need for foundation testimony or other proof of authenticity or accuracy;

(vi) Procedures which create a rebuttable or, at the option of the State, conclusive presumption of paternity upon genetic testing results indicating a threshold probability of the alleged father being the father of the child;

(vii) Procedures under which a voluntary acknowledgment must be recognized as a basis for seeking a support order without requiring any further proceedings to establish paternity; and

(viii) Procedures requiring a default order to be entered in a paternity case upon a showing that process was served on the defendant in accordance with State law, that the defendant failed to respond to service in accordance with State procedures, and any additional showing required by State law.

(6) Procedures which require that a noncustodial parent give security, post a bond, or give some other guarantee to secure payment of support, in accordance with the procedures set forth in § 303.104 of this chapter;

(7) Procedures for making information regarding the amount of overdue support owed by a noncustodial parent available to consumer reporting agencies;

(8) Procedures under which all child support orders which are issued or modified in the State will include pro-

vision for withholding from income, in order to assure that withholding as a means of collecting child support is available if arrearages occur without the necessity of filing an application for services under § 302.33 of this part, in accordance with § 303.100(i) of this chapter;

(9) Procedures which require that any payment or installment of support under any child support order, whether ordered through the State judicial system or through the expedited processes required by paragraph (a)(2) of this section, is (on and after the date it is due):

(i) A judgment by operation of law, with the full force, effect, and attributes of a judgment of the State, including the ability to be enforced;

(ii) Entitled as a judgment to full faith and credit in such State and in any other State; and

(iii) Not subject to retroactive modification by such State or by any other State, except as provided in § 303.106(b).

(10) Procedures for the review and adjustment of child support orders:

(i) Effective on October 13, 1990 until October 12, 1993, in accordance with the requirements of § 303.8 (a) and (b) of this chapter; and

(ii) Effective October 13, 1993, or an earlier date the State may select, in accordance with the requirements of § 303.8 (a) and (c) through (f) of this chapter.

(11) Procedures under which the State must give full faith and credit to a determination of paternity made by any other State, whether established through voluntary acknowledgment or through administrative or judicial processes.

(b) A State need not apply a procedure required under paragraphs (a) (3), (4), (6) and (7) of this section in an individual case if the State determines that it is not appropriate using guidelines generally available to the public which take into account the payment record of the noncustodial parent, the availability of other remedies, and other relevant considerations. The guidelines may not determine a majority of cases in which no other remedy is being used to be inappropriate.

§ 302.75

45 CFR Ch. III (10–1–03 Edition)

(c) State laws enacted under this section must give States sufficient authority to comply with the requirements of §§ 303.100 through 303.102 and § 303.104 of this chapter.

(d)(1) *Exemption.* A State may apply for an exemption from any of the requirements of section 466 of the Act by the submittal of a request for exemption to the appropriate Regional Office.

(2) *Basis for granting exemption.* The Secretary will grant a State, or political subdivision in the case of section 466(a)(2) of the Act, an exemption from any of the requirements of paragraph (a) of this section for a period not to exceed three years if the State demonstrates that compliance would not increase the effectiveness and efficiency of its Child Support Enforcement program. Demonstration of the program's efficiency and effectiveness must be shown by actual, or, if actual is not available, estimated data pertaining to caseloads, processing times, administrative costs, and average support collections or such other actual or estimated data as the Office may request. The State must demonstrate to the satisfaction of the Secretary that the program's effectiveness would not improve by using these procedures. Disapproval of a request for exemption is not subject to appeal.

(3) *Review of exemption.* The exemption is subject to continuing review by the Secretary and may be terminated upon a change in circumstances or reduced effectiveness in the State or political subdivision, if the State cannot demonstrate that the changed circumstances continue to warrant an exemption in accordance with this section.

(4) *Request for extension.* The State must request an extension of the exemption by submitting current data in accordance with paragraph (d)(2) of this section 90 days prior to the end of the exemption period granted under paragraph (d)(2) of this section.

(5) *When an exemption is revoked or an extension is denied.* If the Secretary revokes an exemption or does not grant an extension of an exemption, the State must enact the appropriate laws and procedures to implement the mandatory practice by the beginning of the fourth month after the end of the first

regular, special, budget or other session of the State's legislature which ends after the date the exemption is revoked or the extension is denied. If no State law is necessary, the State must establish and be using the procedure by the beginning of the fourth month after the date the exemption is revoked.

(a) Effective September 1, 1984, the State plan may provide for imposition of late payment fees on noncustodial parents who owe overdue support.

(b) If a State opts to impose late payment fees—

(1) The late payment fee must be uniformly applied in an amount not less than 3 percent nor more than 6 percent of overdue support.

(2) The fee shall accrue as arrearages accumulate and shall not be reduced upon partial payment of arrears. The fee may be collected only after the full amount of overdue support is paid and any requirements under State law for notice to the noncustodial parent have been met.

(3) The collection of the fee must not directly or indirectly reduce the amount of current or overdue support paid to the individual to whom it is owed.

(4) The late payment fee must be imposed in cases where there has been an assignment under section 408(a)(3) of the Act or section 471(a)(17) of the Act or the IV-D agency is providing services under § 302.33 of this chapter.

(5) The State may allow fees collected to be retained by the jurisdiction making the collection.

(6) The State must reduce its expenditures claimed under the Child Support

(2) *Basis for granting waiver.* The Secretary will grant a State a waiver if a State demonstrates that it has an alternative approach to APD requirements or an alternative system configuration, as defined in § 307.1 of this chapter, that enables the State, in accordance with part 305 of this chapter, to be in substantial compliance with all other requirements of this chapter; and either:

Information describing available services, the individual's rights and responsibilities, and the State's fees, cost recovery and distribution policies must accompany all applications for services and must be provided to title IV-A, Medicaid and title IV-E foster care applicants or recipients within no more than 5 working days of referral to the IV-D agency; and

- (3) Accept an application as filed on the day it and the application fee are received. An application is a written document provided by the State which indicates that the individual is applying for child support enforcement services under the State's title IV-D program and is signed by the individual applying for IV-D services.

- (b) For all cases referred to the IV-D agency or applying for services under § 302.33 of this chapter, the IV-D agency must, within no more than 20 calendar days of receipt of referral of a case or filing of an application for services under § 302.33, open a case by establishing a case record and, based on an assessment of the case to determine necessary action:

- (1) Solicit necessary and relevant information from the custodial parent and other relevant sources and initiate verification of information, if appropriate; and

- (2) If there is inadequate location information to proceed with the case, request additional information or refer the case for further location attempts, as specified in § 303.3.

- (c) The case record must be supplemented with all information and documents pertaining to the case, as well as all relevant facts, dates, actions taken, contacts made and results in a case.

§ 303.3 Location of noncustodial parents.

(a) *Definition.* *Location* means information concerning the physical whereabouts of the noncustodial parent, or the noncustodial parent's employer(s), other sources of income or assets, as appropriate, which is sufficient and necessary to take the next appropriate action in a case.

(b) For all cases referred to the IV-D agency or applying for services under § 302.33 of this chapter, the IV-D agency must attempt to locate all noncustodial parents or sources of income and/or assets when location is necessary to take necessary action. Under this standard, the IV-D agency must:

(1) Use appropriate location sources such as the Federal PLS; interstate location networks; local officials and employees administering public assistance, general assistance, medical assistance, food stamps and social services (whether such individuals are employed by the State or a political subdivision); relatives and friends of the noncustodial parent; current or past employers; the local telephone company; the U.S. Postal Service; financial references; unions; fraternal organizations; and police, parole, and probation records if appropriate; and State agencies and departments, as authorized by State law, including those departments which maintain records of public assistance, wages and employment, unemployment insurance, income taxation, driver's licenses, vehicle registration, and criminal records and other sources;

(2) Establish working relationships with all appropriate agencies in order to utilize locate resources effectively;

(3) Within no more than 75 calendar days of determining that location is necessary, access all appropriate location sources, including transmitting appropriate cases to the Federal PLS, and ensure that location information is sufficient to take the next appropriate action in a case;

(4) Refer appropriate cases to the IV-D agency of any other State, in accordance with the requirements of § 303.7 of this part. The IV-D agency of such other State shall follow the procedures in paragraphs (b)(1) through (b)(3) of this section for such cases, as nec-

essary, except that the responding State is not required to access the Federal PLS under paragraph (b)(3) of this section;

(5) Repeat location attempts in cases in which previous attempts to locate noncustodial parents or sources of income and/or assets have failed, but adequate identifying and other information exists to meet requirements for submittal for location, either quarterly or immediately upon receipt of new information which may aid in location, whichever occurs sooner. Quarterly attempts may be limited to automated sources but must include accessing State employment security files. Repeated attempts because of new information which may aid in location must meet the requirements of paragraph (b)(3) of this section; and

(c) The State must establish guidelines defining diligent efforts to serve process. These guidelines must include periodically repeating service of process attempts in cases in which previous attempts to serve process have failed, but adequate identifying and other information exists to attempt service of process.

§ 303.4 Establishment of support obligations.

For all cases referred to the IV-D agency or applying under § 302.33 of this chapter, the IV-D Agency must:

(a) When necessary, establish paternity pursuant to the standards of § 303.5;

(b) Utilize appropriate State statutes and legal processes in establishing the support obligation pursuant to § 302.50 of this chapter.

(c) Periodically review and adjust child support orders, as appropriate, in accordance with § 303.8.

(d) Within 90 calendar days of locating the alleged father or noncustodial parent, regardless of whether paternity has been established, establish an order for support or complete service of process necessary to commence proceedings to establish a support order and, if necessary, paternity (or document unsuccessful attempts to serve process, in

§ 303.5

45 CFR Ch. III (10–1–03 Edition)

accordance with the State's guidelines defining diligent efforts under § 303.3(c)).

(e) If the court or administrative authority dismisses a petition for a support order without prejudice, the IV-D agency must, at the time of dismissal, examine the reasons for dismissal and determine when it would be appropriate to seek an order in the future, and seek a support order at that time.

(f) Seek a support order based on a voluntary acknowledgment in accordance with § 302.70(a)(5)(vii).

[40 FR 27164, June 26, 1975, as amended at 50 FR 19650, May 9, 1985; 54 FR 32310, Aug. 4, 1989; 57 FR 30681, July 10, 1992; 59 FR 66250, Dec. 23, 1994]

§ 303.5 Establishment of paternity.

(a) For all cases referred to the IV-D agency or applying for services under § 302.33 of this chapter in which paternity has not been established, the IV-D agency must, as appropriate:

(1) Provide an alleged father the opportunity to voluntarily acknowledge paternity in accordance with § 302.70(a)(5)(iii); and

(2) Attempt to establish paternity by legal process established under State law.

(b) The IV-D agency need not attempt to establish paternity in any case involving incest or forcible rape, or in any case in which legal proceedings for adoption are pending, if, in the opinion of the IV-D agency, it would not be in the best interests of the child to establish paternity.

(c) The IV-D agency must identify and use through competitive procurement laboratories which perform, at reasonable cost, legally and medically acceptable genetic tests which tend to identify the father or exclude the alleged father. The IV-D agency must make available a list of such laboratories to appropriate courts and law enforcement officials, and to the public upon request.

(d)(1) Upon request of any party in a contested paternity case in accordance with section 466(a)(5)(B) of the Act, and subject to the provisions of paragraph (b) of this section, the IV-D agency shall require all parties to submit to genetic tests unless, in the case of an individual receiving aid under the

State's title IV-A, IV-E or XIX plan, or those recipients of the food stamp program, as defined under section 3(h) of the Food Stamp Act of 1977 who are required to cooperate with the child support program, there has been a determination of good cause for refusal to cooperate under section 454(29) of the Act.

(2) A contested paternity case is any action in which the issue of paternity may be raised under State law and one party denies paternity.

(e)(1) Except as provided in paragraph (e)(3) of this section, the IV-D agency may charge any individual who is not a recipient of aid under the State's title IV-A or XIX plan a reasonable fee for performing genetic tests.

(2) Any fee charged must be reasonable so as not to discourage those in need of paternity establishment services from seeking them and may not exceed the actual costs of the genetic tests.

(3) If paternity is established and genetic tests were ordered by the IV-D agency, the IV-D agency must pay the costs of such tests, subject to recoupment (if the agency elects) from the alleged father who denied paternity. If a party contests the results of an original test, the IV-D agency shall obtain additional tests but shall require the contestant to pay for the costs of any such additional testing in advance.

(4) The IV-D agency must use any amount collected under paragraphs (e)(1) and (3) of this section that exceeds the costs of performing genetic tests to reimburse any fee paid under paragraph (e)(1) of this chapter.

(f) The IV-D agency must seek entry of a default order by the court or administrative authority in a paternity case by showing that process has been served on the defendant in accordance with State law, that the defendant has failed to respond to service in accordance with State procedures, and any additional showing required by State law, in accordance with § 302.70(a)(5)(viii).

(g) *Voluntary paternity establishment programs.* (1) The State must establish, in cooperation with hospitals, State

birth record agencies, and other entities designated by the State and participating in the State's voluntary paternity establishment program, a program for voluntary paternity establishment services.

(i) The hospital-based portion of the voluntary paternity establishment services program must be operational in all private and public birthing hospitals statewide and must provide voluntary paternity establishment services focusing on the period immediately before and after the birth of a child born out-of-wedlock.

(ii) The voluntary paternity establishment services program must also be available at the State birth record agencies, and at other entities designated by the State and participating in the State's voluntary paternity establishment program. These entities may include the following types of entities:

(A) Public health clinics (including Supplementary Feeding Program for Women, Infants, and Children (WIC) and Maternal and Child Health (MCH) clinics), and private health care providers (including obstetricians, gynecologists, pediatricians, and midwives);

(B) Agencies providing assistance or services under Title IV-A of the Act, agencies providing food stamp eligibility service, and agencies providing child support enforcement (IV-D) services;

(C) Head Start and child care agencies (including child care information and referral providers), and individual child care providers;

(D) Community Action Agencies and Community Action Programs;

(E) Secondary education schools (particularly those that have parenthood education curricula);

(F) Legal Aid agencies, and private attorneys; and

(G) Any similar public or private health, welfare or social services organization.

(2) The hospitals, State birth record agencies, and other entities designated by the State and participating in the State's voluntary paternity establishment program must, at a minimum:

(i) Provide to both the mother and alleged father:

(A) Written materials about paternity establishment,

(B) The forms necessary to voluntarily acknowledge paternity,

(C) Notice, orally or through video or audio equipment, and in writing, of the alternatives to, the legal consequences of, and the rights (including any rights, if a parent is a minor, due to minority status) and responsibilities or acknowledging paternity, and

(D) The opportunity to speak with staff, either by telephone or in person, who are trained to clarify information and answer questions about paternity establishment;

(ii) Provide the mother and alleged father the opportunity to voluntarily acknowledge paternity;

(iii) Afford due process safeguards; and

(iv) File signed original of voluntary acknowledgments or adjudications of paternity with the State registry of birth records (or a copy if the signed original is filed with another designated entity) for comparison with information in the State case registry.

(3) The hospitals, State birth record agencies, and other entities designated by the State and participating in the State's voluntary paternity establishment program need not provide services specified in paragraph (g)(2) of this section in cases where the mother or alleged father is a minor or a legal action is already pending, if the provision of such services is precluded by State law.

(4) The State must require that a voluntary acknowledgment be signed by both parents, and that the parents' signatures be authenticated by a notary or witness(es).

(5) The State must provide to all hospitals, State birth record agencies, and other entities designated by the State and participating in the State's voluntary paternity establishment program:

(i) Written materials about paternity establishment,

(ii) Form necessary to voluntarily acknowledge paternity, and

(iii) Copies of a written description of the alternatives to, the legal consequences of, and the rights (including any rights, if a parent is a minor, due

§ 303.6

to minority status) and responsibilities of acknowledging paternity.

(6) The State must provide training, guidance, and written instructions regarding voluntary acknowledgment of paternity, as necessary to operate the voluntary paternity establishment services in the hospitals, State birth record agencies, and other entities designated by the State and participating in the State's voluntary paternity establishment program.

(7) The State must assess each hospital, State birth record agency, local birth record agency designated by the State, and other entity participating in the State's voluntary paternity establishment program that are providing voluntary paternity establishment services on at least an annual basis.

(8) Hospitals, State birth record agencies, and other entities designated by the State and participating in the State's voluntary paternity establishment program must forward completed voluntary acknowledgments or copies to the entity designated by the State. If any entity other than the State registry of birth records is designated by the State, a copy must be filed with the State registry of birth records, in accordance with § 303.5(g)(2)(iv). Under State procedures, the designated entity must be responsible for promptly recording identifying information about the acknowledgments with a statewide database, and the IV-D agency must have timely access to whatever identifying information and documentation it needs to determine in accordance with § 303.5(h) if an acknowledgment has been recorded and to seek a support order on the basis of a recorded acknowledgment in accordance with § 303.4(f).

(h) In IV-D cases needing paternity establishment, the IV-D agency must determine if identifying information about a voluntary acknowledgment has been recorded in the statewide database in accordance with § 303.5(g)(8).

§ 303.6 Enforcement of support obligations.

For all cases referred to the IV-D agency or applying for services under § 302.33 in which the obligation to support and the amount of the obligation have been established, the IV-D agency must maintain and use an effective system for:

(a) Monitoring compliance with the support obligation;

(b) Identifying on the date the parent fails to make payments in an amount equal to the support payable for one month, or on an earlier date in accordance with State law, those cases in which there is a failure to comply with the support obligation; and

(c) Enforcing the obligation by:

(1) Initiating income withholding, in accordance with § 303.100;

(2) Taking any appropriate enforcement action (except income withholding and Federal and State income tax refund offset) unless service of process is necessary, within no more than 30 calendar days of identifying a delinquency or other support-related non-compliance with the order or the location of the noncustodial parent, whichever occurs later. If service of process is necessary prior to taking an enforcement action, service must be completed (or unsuccessful attempts to serve process must be documented in accordance with the State's guidelines defining diligent efforts under § 303.3(c)), and enforcement action taken if process is served, within no later than 60 calendar days of identifying a delinquency or other support-related non-compliance with the order, or the location of the noncustodial parent, whichever occurs later;

(3) Submitting once a year all cases which meet the certification requirements under § 303.102 of this part and State guidelines developed under § 302.70(b) of this title for State income tax refund offset, and which meet the certification requirements under § 303.72 of this part for Federal income tax refund offset; and

(4) In cases in which enforcement attempts have been unsuccessful, at the time an attempt to enforce fails, examining the reason the enforcement attempt failed and determining when it

would be appropriate to take an enforcement action in the future, and taking an enforcement action in accordance with the requirements of this section at that time.

for location, document verification, administrative reviews in Federal income tax refund offset cases, income withholding, and State income tax refund offset in IV-D cases.

(3) Provide the IV-D agency in the responding State sufficient, accurate information to act on the case by submitting with each case any necessary documentation and Federally-approved interstate forms. The State may use computer-generated replicas in the same format and containing the same information in place of the Federal forms.

(ii) If unable to proceed with the case because of inadequate documentation, notify the IV-D agency in the initiating State of the necessary additions or corrections to the form or documentation.

(iii) If the documentation received with a case is inadequate and cannot be remedied by the responding IV-D agency without the assistance of the initiating State, the IV-D agency must process the interstate IV-D case to the extent possible pending necessary action by the initiating State.

(5) Within 10 working days of locating the noncustodial parent in a different jurisdiction within the State, the IV-D agency must forward the form and documentation to the appropriate jurisdiction and notify the initiating State and central registry of its action.

§ 303.8 Review and adjustment of child support orders.

(a) Definition. For purposes of this section, *Parent* includes any custodial parent or noncustodial parent (or for purposes of requesting a review, any other person or entity who may have standing to request an adjustment to the child support order).

(b) Required procedures. Pursuant to section 466(a)(10) of the Act, when providing services under this chapter:

(1) The State must have procedures under which, every 3 years (or such shorter cycle as the State may determine), upon the request of either parent, or, if there is an assignment under part A, upon the request of the State agency under the State plan or of either parent, the State shall with respect to a support order being enforced under this part, taking into account the best interests of the child involved:

(i) Review and, if appropriate, adjust the order in accordance with the guidelines established pursuant to section 467(a) of the Act if the amount of the

child support award under the order differs from the amount that would be awarded in accordance with the guidelines;

(ii) Apply a cost-of-living adjustment to the order in accordance with a formula developed by the State; or

(iii) Use automated methods (including automated comparisons with wage or State income tax data) to identify orders eligible for review, conduct the review, identify orders eligible for adjustment, and apply the appropriate adjustment to the orders eligible for adjustment under any threshold that may be established by the State.

(2) If the State elects to conduct the review under paragraph (b)(1)(ii) or (iii) of this section, the State must have procedures which permit either party to contest the adjustment, within 30 days after the date of the notice of the adjustment, by making a request for review and, if appropriate, adjustment of the order in accordance with the child support guidelines established pursuant to section 467(a) of the Act.

(3) If the State conducts a guideline review under paragraph (b)(1)(i) of this section:

(i) *Review* means an objective evaluation, conducted through a proceeding before a court, quasi-judicial process, or administrative body or agency, of information necessary for application of the State's guidelines for support to determine:

(A) The appropriate support award amount; and

(B) The need to provide for the child's health care needs in the order through health insurance coverage or other means.

(ii) *Adjustment* applies only to the child support provisions of the order, and means:

(A) An upward or downward change in the amount of child support based upon an application of State guidelines for setting and adjusting child support awards; and/or

(B) Provision for the child's health care needs, through health insurance coverage or other means.

(4) The State must have procedures which provide that any adjustment under paragraph (b)(1)(i) of this section shall be made without a requirement

§ 303.10

for proof or showing of a change in circumstances.

(5) The State must have procedures under which, in the case of a request for a review, and if appropriate, an adjustment outside the 3-year cycle (or such shorter cycle as the State may determine) under paragraph (b)(1) of this section, the State shall review and, if the requesting party demonstrates a substantial change in circumstances, adjust the order in accordance with the guidelines established pursuant to section 467(a) of the Act.

(6) The State must provide notice not less than once every 3 years to the parents subject to the order informing the parents of their right to request the State to review and, if appropriate, adjust the order consistent with this section. The notice must specify the place and manner in which the request should be made. The initial notice may be included in the order.

(c) Standard for adequate grounds. The State may establish a reasonable quantitative standard based upon either a fixed dollar amount or percentage, or both, as a basis for determining whether an inconsistency between the existent child support award amount and the amount of support determined as a result of a review using automated methods under paragraph (b)(1)(iii) of this section is adequate grounds for petitioning for adjustment of the order.

(d) Health care needs must be adequate basis. The need to provide for the child's health care needs in the order, through health insurance or other means, must be an adequate basis under State law to initiate an adjustment of an order, regardless of whether an adjustment in the amount of child support is necessary. In no event shall the eligibility for or receipt of Medicaid be considered to meet the need to provide for the child's health care needs in the order.

(e) Timeframes for review and adjustment. Within 180 calendar days of receiving a request for a review or locating the non-requesting parent, whichever occurs later, a State must: Conduct a review of the order and adjust the order or determine that the order should not be adjusted, in accordance with this section.

45 CFR Ch. III (10–1–03 Edition)

(f) Interstate review and adjustment. (1) In interstate cases, the State with legal authority to adjust the order must conduct the review and adjust the order pursuant to this section.

(2) The applicable laws and procedures for review and adjustment of child support orders, including the State guidelines for setting child support awards, established in accordance with §302.56 of this chapter, are those of the State in which the review and adjustment, or determination that there be no adjustment, takes place.

§ 303.10 [Reserved]

§ 303.11 Case closure criteria.

(a) The IV-D agency shall establish a system for case closure.

(b) In order to be eligible for closure, the case must meet at least one of the following criteria:

(1) There is no longer a current support order and arrearages are under \$500 or unenforceable under State law;

(2) The noncustodial parent or putative father is deceased and no further action, including a levy against the estate, can be taken;

(3) Paternity cannot be established because:

(i) The child is at least 18 years old and action to establish paternity is barred by a statute of limitations which meets the requirements of §302.70(a)(5) of this chapter;

(ii) A genetic test or a court or administrative process has excluded the putative father and no other putative father can be identified; or

(iii) In accordance with §303.5(b) of this part, the IV-D agency has determined that it would not be in the best interests of the child to establish paternity in a case involving incest or forcible rape, or in any case where legal proceedings for adoption are pending;

(iv) The identity of the biological father is unknown and cannot be identified after diligent efforts, including at least one interview by the IV-D agency with the recipient of services;

(4) The noncustodial parent's location is unknown, and the State has made diligent efforts using multiple sources, in accordance with §303.3, all

of which have been unsuccessful, to locate the noncustodial parent:

(i) Over a three-year period when there is sufficient information to initiate an automated locate effort, or

(ii) Over a one-year period when there is not sufficient information to initiate an automated locate effort;

(5) The noncustodial parent cannot pay support for the duration of the child's minority because the parent has been institutionalized in a psychiatric facility, is incarcerated with no chance for parole, or has a medically-verified total and permanent disability with no evidence of support potential. The State must also determine that no income or assets are available to the noncustodial parent which could be levied or attached for support;

(2) Health insurance includes fee for service, health maintenance organization, preferred provider organization, and other types of coverage under which medical services could be provided to the dependent child(ren) of a noncustodial parent.

(b) With respect to cases for which there is an assignment as defined in § 301.1 of this chapter in effect, the IV-D agency shall:

(i) Evidence that health insurance may be available to the noncustodial parent at a reasonable cost, and

(ii) Facts, as defined by State law, regulation, procedure, or other directive, which are sufficient to warrant modification of the existing support order to include health insurance coverage for a dependent child(ren).

(4) Petition the court or administrative authority to modify support orders for cases identified in paragraph (b)(3) of this section to include medical support in the form of health insurance coverage.

(5) Provide the custodial parent with information pertaining to the health insurance policy which has been secured for the dependent child(ren) pursuant to an order obtained under this section.

(6) Inform the Medicaid agency when a new or modified court or administrative order for child support includes medical support and provide the information referred to in §303.30(a) of this part to the Medicaid agency when the information is available.

(7) If health insurance is available to the noncustodial parent at reasonable cost and has not been obtained at the time the order is entered, take steps to enforce the health insurance coverage required by the support order and provide the Medicaid agency with the information referred to in §303.30(a) of this part.

(8) Periodically communicate with the Medicaid agency to determine if there have been lapses in health insurance coverage for Medicaid applicants and recipients.

(9) Request employers and other groups offering health insurance coverage that is being enforced by the IV-D agency to notify the IV-D agency of lapses in coverage.

(a) *Mandatory State laws.* States must have laws, in accordance with section 466(a)(19) of the Act, requiring procedures specified under paragraph (c) of this section for the use, where appropriate, of the National Medical Support Notice (NMSN), to enforce the provision of health care coverage for children of noncustodial parents who are required to provide health care coverage through an employment-related group health plan pursuant to a child support order and for whom the employer is known to the State agency.

(b) *Exception.* States are not required to use the NMSN in cases with court or administrative orders that stipulate alternative health care coverage to employer-based coverage.

(c) *Mandatory procedures.* The State must have in effect and use procedures under which:

(1) The State agency must use the NMSN to transfer notice of the provision for health care coverage of the child(ren) to employers.

(2) The State agency must transfer the NMSN to the employer within two business days after the date of entry of an employee who is an obligor in a IV-D case in the State Directory of New Hires.

(3) Employers must transfer the NMSN to the appropriate group health plan providing any such health care coverage for which the child(ren) is eligible (excluding the severable Notice to Withhold for Health Care Coverage directing the employer to withhold any mandatory employee contributions to the plan) within twenty business days after the date of the NMSN.

(4) Employers must withhold any obligation of the employee for employee contributions necessary for coverage of

§ 303.35

the child(ren) and send any amount withheld directly to the plan.

(5) Employees may contest the withholding based on a mistake of fact. If the employee contests such withholding, the employer must initiate withholding until such time as the employer receives notice that the contest is resolved.

(6) Employers must notify the State agency promptly whenever the non-custodial parent's employment is terminated in the same manner as required for income withholding cases in accordance with § 303.100(e)(1)(x) of this part.

(7) The State agency must promptly notify the employer when there is no longer a current order for medical support in effect for which the IV-D agency is responsible.

(8) The State agency, in consultation with the custodial parent, must promptly select from available plan options when the plan administrator reports that there is more than one option available under the plan.

(d) *Effective date.* This section is effective October 1, 2001, or, if later, the effective date of State laws described in paragraph (a) of this section. Such State laws must be effective no later than the close of the first day of the first calendar quarter that begins after the close of the first regular session of the State legislature that begins after October 1, 2001. For States with 2-year legislative sessions, each year of such session would be regarded as a separate regular session.

The State must calculate and promptly pay incentives to political subdivisions as follows:

(a) The State IV-D agency must develop a standard methodology for passing through an appropriate share of its incentive payment to those political subdivisions of the State that participate in the costs of the program, taking into account the efficiency and effectiveness of the activities carried out under the State plan by those political subdivisions. In order to reward efficiency and effectiveness, the methodology also may provide for payment of incentives to other political subdivisions of the State that administer the program.

(b) To ensure that the standard methodology developed by the State reflects local participation, the State IV-D agency must submit a draft methodology to participating political subdivisions for review and comment or use the rulemaking process available under State law to receive local input.

§ 303.72 Requests for collection of past-due support by Federal tax refund offset.

(a) *Past-due support qualifying for offset.* Past-due support as defined in § 301.1 of this chapter qualifies for offset if:

(1) There has been an assignment of the support rights under section 408(a)(3) of the Act or section 471(a)(17) of the Act to the State making the request for offset or the IV-D agency is providing services under § 302.33 of this chapter.

(2) For support that has been assigned to the State under section 408(a)(3) of the Act or section 471(a)(17) of the Act, the amount of the support is not less than \$150. The State may combine assigned support amounts from the same obligor in multiple cases to reach \$150. Amounts under this paragraph may not be combined with amounts under paragraph (a)(3) of this section to reach the minimum amounts required under this paragraph or under paragraph (a)(3) of this section.

(3) For support owed in cases where the IV-D agency is providing IV-D services under § 302.33 of this chapter:

(i) The support is owed to or on behalf of a qualified child, or a qualified child and the parent with whom the child is living if the same support order includes support for the child and the parent.

(ii) The amount of support is not less than \$500. The State may combine support amounts from the same obligor in multiple cases where the IV-D agency is providing IV-D services under § 302.33 of this chapter to reach \$500. Amounts under this paragraph may not be combined with amounts under paragraph (a)(2) of this section to reach the minimum amounts required under this paragraph or under paragraph (a)(2) of this section.

(iii) At State option, the amount has accrued since the State IV-D agency began to enforce the support order; and

(iv) The State has checked its records to determine if a title IV-A or foster care maintenance assigned arrearage exists with respect to the non-IV-A individual or family.

(4) The IV-D agency has in its records:

(i) A copy of the order and any modifications upon which the amount referred is based which specify the date of issuance and amount of support;

(ii) A copy of the payment record, or, if there is no payment record, an affidavit signed by the custodial parent attesting to the amount of support owed; and

(iii) In non-IV-A cases, the custodial parent's current address.

(5) Before submittal, the State IV-D agency has verified the accuracy of the name and social security number of the noncustodial parent and the accuracy

of the past-due support amount. If the State IV-D agency has verified this information previously, it need not reverify it.

(6) A notification of liability for past-due support has been received by the Secretary of the U.S. Treasury as prescribed by paragraph (c)(2) of this section.

(b) *Notification to OCSE of liability for past-due support.* (1) A State IV-D agency shall submit a notification or (notifications) of liability for past-due support to the Office according to the timeframes and in the manner specified by the Office in instructions.

(2) To the extent specified by the Office in instructions, the notification of liability for past-due support shall contain with respect to each:

(i) The name of the taxpayer who owes the past-due support;

(ii) The social security number of that taxpayer;

(iii) The amount of past-due support owed;

(iv) The State codes as contained in the Federal Information Processing Standards (FIPS) publication of the National Bureau of Standards and also promulgated by the General Services Administration in Worldwide Geographical Location Codes; and

(v) Whether the past-due support is due an individual who applied for services under § 302.33 of this chapter.

(3) The notification of liability for past-due support may contain with respect to each delinquency the taxpayer's IV-D identifier.

(c) *Review of requests by the Office.* (1) The Deputy Director will review each request to determine whether it meets the requirements of this section.

(2) If a request meets all requirements, the Deputy Director will transmit the request to the Secretary of the U.S. Treasury and will notify the State IV-D agency of the transmittal.

(3) If a request does not meet all requirements, the Deputy Director will attempt to correct the request in consultation with the State IV-D agency.

(4) If a request cannot be corrected through consultation, the Deputy Director will return it to the State IV-D agency with an explanation of why the request could not be transmitted to the Secretary of the U.S. Treasury.

(d) *Notification of changes in case status.* (1) The State referring past-due support of offset must, in interstate situations, notify any other State involved in enforcing the support order when it submits an interstate case for offset and when it receives the offset amount from the Secretary of the U.S. Treasury.

(2) The State IV-D agency shall within time frames established by the Office in instructions, notify the Deputy Director of any deletion of an amount referred for collection by Federal tax offset or any decrease in the amount if the decrease is significant according to the guidelines developed by the State. The notification shall contain the information specified in paragraph (b) of this section.

(e) *Notices of offset—*(1) *Advance.* The State IV-D agency, or the Office, if the State requests and the Office agrees, shall send a written advance notice to inform a noncustodial parent that the amount of his or her past-due support will be referred to the Secretary of the U.S. Treasury for collection by Federal tax refund offset. The notice must inform noncustodial parents:

(i) Of their right to contest the State's determination that past-due support is owed or the amount of past-due support;

(ii) Of their right to an administrative review by the submitting State or at the noncustodial parent's request the State with the order upon which the referral for offset is based;

(iii) Of the procedures and timeframe for contacting the IV-D agency in the submitting State to request administrative review; and

(iv) That, in the case of a joint return, the Secretary of the U.S. Treasury will notify the noncustodial parent's spouse at the time of offset regarding the steps to take to protect the share of the refund which may be payable to that spouse. If the IV-D agency sends the notice, it must meet the conditions specified by the Office in instructions.

(2) *At offset.* The Secretary of the U.S. Treasury will notify the noncustodial parent that the offset has been made. The Secretary of the U.S. Treasury will also notify any individual who filed a

joint return with the noncustodial parent of the steps to take in order to secure a proper share of the refund.

(f) *Procedures for contesting in intra-state cases.* (1) Upon receipt of a complaint from a noncustodial parent in response to the advance notice required in paragraph (e)(1) of this section or concerning a tax refund which has already been offset, the IV-D agency must send a notice to the noncustodial parent and, in non-IV-A cases the custodial parent, of the time and place of the administrative review of the complaint and conduct the review to determine the validity of the complaint.

(2) If the complaint concerns a joint tax refund that has not yet been offset, the IV-D agency must inform the noncustodial parent that the Secretary of the U.S. Treasury will notify the noncustodial parent's spouse at the time of offset regarding the steps to take to secure his or her proper share of the refund. If the complaint concerns a joint tax refund which has already been offset, the IV-D agency must refer the noncustodial parent to the Secretary of the U.S. Treasury.

(3) If the administrative review results in a deletion of, or decrease in, the amount referred for offset, the IV-D agency must notify OCSE within time frames established by the Office and include the information specified in paragraph (b) of this section.

(4) If, as a result of the administrative review, an amount which has already been offset is found to have exceeded the amount of past-due support owed, the IV-D agency must take steps to refund the excess amount to the noncustodial parent promptly.

(g) *Procedures for contesting in interstate cases.* (1) If the noncustodial parent requests an administrative review in the submitting State, the IV-D agency must meet the requirements in paragraph (f) of this section.

(2) If the complaint cannot be resolved by the submitting State and the noncustodial parent requests an administrative review in the State with the order upon which the referral for offset is based, the submitting State must notify the State with the order of the request for an administrative review and provide that State with all necessary information, including the information

listed under paragraph (a)(4) of this section, within 10 days of the noncustodial parent's request for an administrative review.

(3) The State with the order must send a notice to the noncustodial parent and, in non-IV-A cases the custodial parent, of the time and place of the administrative review, conduct the review and make a decision within 45 days of receipt of the notice and information from the submitting State.

(4) If the administrative review results in a deletion of, or change in, the amount referred for offset, the State with the order must notify the submitting State within time frames established by the Office and include the information specified in paragraph (b) of this section. The submitting State must then notify the Office within timeframes established by the Office and include the information specified in paragraph (b) of this section.

(5) Upon resolution of a complaint after an offset has been made, the State with the order must notify the submitting State of its decision promptly.

(6) When an administrative review is conducted in the State with the order, the submitting State is bound by the decision made by the State with the order.

(7) Based on the decision of the State with the order, the IV-D agency in the submitting State must take steps to refund any excess amount to the noncustodial parent promptly.

(8) In computing the arrearage collection performance level under §305.2(a)(4) of this chapter, if the case is referred to the State with the order for an administrative review, the collections made as a result of Federal tax refund offset will be treated as having been collected in full by both the submitting State and the State with the order.

(h) *Distribution of collections.* (1) Collections received by the IV-D agency as a result of refund offset to satisfy title IV-A or non-IV-A past-due support shall be distributed as past-due support as required in accordance with section 457 of the Act.

(2) Collections received by the IV-D agency in foster care maintenance cases shall be distributed as past-due

§ 303.73

45 CFR Ch. III (10–1–03 Edition)

support under § 302.52(b) (3) and (4) of this chapter.

(3) The IV-D agency must inform individuals receiving services under § 302.33 of this chapter in advance that amounts offset will be applied to satisfy any past-due support which has been assigned to the State and submitted for Federal tax refund offset.

(4) If the amount collected is in excess of the amounts required to be distributed under section 457 of the Act, the IV-D agency must repay the excess to the noncustodial parent whose refund was offset or to the parties filing a joint return within a reasonable period in accordance with State law.

(5) In cases where the Secretary of the U.S. Treasury, through OCSE, notifies the State that an offset is being made to satisfy non-IV-A past-due support from a refund based on a joint return, the State may delay distribution until notified that the unobligated spouse's proper share of the refund has been paid or for a period not to exceed six months from notification of offset, whichever is earlier.

(6) Collections from offset may be applied only to cases that were being enforced by the IV-D agency at the time the advance notice described in paragraph (e)(1) of this section was sent.

(i) *Payment of fee.* (1) A refund offset fee, in such amount as the Secretary of the U.S. Treasury and the Secretary of Health and Human Services have agreed to be sufficient to reimburse the Department of Treasury for the full cost of the offset procedure, shall be deducted from the offset amount and credited to the Department of Treasury appropriations which bore all or part of the costs involved in making the collection. The full amount offset must be credited against the obligor's payment record. The fee which the Secretary of the U.S. Treasury may impose with respect to non-IV-A submittals shall not exceed \$25 per submittal.

(2) The State IV-D agency may charge an individual who is receiving services under § 302.33(a)(1) (i) or (iii) of this chapter a fee not to exceed \$25 for submitting past-due support for Federal tax refund offset. The State must inform the individual in advance of the amount of any fee charged.

(3) Any State which requests the Office to send the advance written notice under paragraph (e)(1) of this section will be charged a fee, in an amount established by the Office in instructions, for printing and mailing of pre-offset notices. This fee shall be credited to the Health and Human Services appropriations which bore all or part of the costs involved in making the collection.

(j) Each State involved in a referral of past-due support for offset must comply with instructions issued by the Office.

§ 303.100 Procedures for income withholding.

(a) *General withholding requirements.*

(1) The State must ensure that in the case of each noncustodial parent against whom a support order is or has been issued or modified in the State, and is being enforced under the State plan, so much of his or her income as defined in sections 466(b)(1) and (8) of the Act must be withheld, in accordance with this section, as is necessary to comply with the order.

(2) In addition to the amount to be withheld to pay the current month's obligation, the amount to be withheld must include an amount to be applied toward liquidation of overdue support.

(3) The total amount to be withheld under paragraphs (a)(1), (a)(2) and, if applicable, (f)(1)(iii) of this section may not exceed the maximum amount permitted under section 303(b) of the Consumer Credit Protection Act (15 U.S.C. 1673(b)).

(4) In the case of a support order being enforced under the State plan, the withholding must occur without the need for any amendment to the support order involved or any other action by the court or entity that issued it other than that required or permitted under this section.

(5) If there is more than one notice for withholding against a single noncustodial parent, the State must allocate amounts available for withholding giving priority to current support up to the limits imposed under section 303(b) of the Consumer Credit Protection Act (15 U.S.C. 1673(b)). The State must establish procedures for allocation of support among families, but in no case shall the allocation result in a withholding for one of the support obligations not being implemented.

(6) The withholding must be carried out in full compliance with all procedural due process requirements of the State.

(7) The State must have procedures for promptly terminating withholding:

(i) In all cases, when there is no longer a current order for support and all arrearages have been satisfied; or,

(ii) At State option, when the noncustodial parent requests termination and withholding has not been terminated previously and subsequently initiated, and the noncustodial parent meets the conditions for an alternative arrangement set forth under paragraph (b)(3) of this section.

(8) The State must have procedures for promptly refunding to noncustodial parents amounts which have been improperly withheld.

(9) Support orders issued or modified in IV-D cases must include a provision requiring the noncustodial parent to keep the IV-D agency informed of the name and address of his or her current employer, whether the noncustodial parent has access to health insurance coverage at reasonable cost and, if so, the health insurance policy information.

(b) *Immediate withholding on IV-D cases.* (1) In the case of a support order being enforced under this part that is issued or modified on or after November 1, 1990, the income of a noncustodial parent shall be subject to withholding, regardless of whether support payments by such parent are in arrears, on the effective date of the order, except that such income shall not be subject to withholding under this paragraph in any case where:

(i) Either the noncustodial or custodial parent demonstrates, and the court or administrative authority finds, that there is good cause not to require immediate withholding; or

(ii) A written agreement is reached between the absent and custodial parent, and, at State option, the State in IV-D cases in which there is an assignment of support rights to the State, which provides for an alternative arrangement.

(2) For the purposes of this paragraph, any finding that there is good cause not to require immediate withholding must be based on at least:

(i) A written determination that, and explanation by the court or administrative authority of why, implementing immediate income withholding would not be in the best interests of the child; and

(ii) Proof of timely payment of previously ordered support in cases involving the modification of support orders.

(3) For purposes of this paragraph, "written agreement" means a written alternative arrangement signed by both the custodial and noncustodial parent, and, at State option, by the State in IV-D cases in which there is an assignment of support rights to the State, and reviewed and entered in the record by the court or administrative authority.

(c) *Initiated withholding in IV-D cases.* In the case of income not subject to immediate withholding under paragraph (b) of this section, including cases subject to a finding of good cause or to a written agreement:

(1) The income of the noncustodial parent shall become subject to the withholding on the date on which the payments which the noncustodial parent has failed to make under a support order are at least equal to the support

payable for one month or, if earlier, and without regard to whether there is an arrearage, the earliest of:

(i) The date on which the noncustodial parent requests that withholding begin;

(ii) The date on which the custodial parent requests that withholding begin, if the State determines, in accordance with such procedures and standards as it may establish, that the request should be approved; or

(iii) Such earlier date as State law or procedure may provide.

(2) The only basis for contesting a withholding under this paragraph is a mistake of fact, which for purposes of this paragraph means an error in the amount of current or overdue support or in the identity of the alleged noncustodial parent.

(d) *Notice to the noncustodial parent in cases of initiated withholding.* The State must send a notice to the noncustodial parent regarding the initiated withholding. The notice must inform the noncustodial parent:

(1) That the withholding has commenced;

(2) Of the amount of overdue support that is owed, if any, and the amount of wages that will be withheld;

(3) That the provision for withholding applies to any current or subsequent employer or period of employment;

(4) Of the procedures available for contesting the withholding and that the only basis for contesting the withholding is a mistake of fact;

(5) Of the information provided to the employer, pursuant to paragraph (e) of this section.

(e) *Notice to the employer for immediate and initiated withholding.* (1) To initiate withholding, the State must send the noncustodial parent's employer a notice using the standard Federal format which includes the following:

(i) The amount to be withheld from the noncustodial parent's income, and a statement that the amount actually withheld for support and other purposes, including the fee specified under paragraph (e)(1)(iii) of this section, may not be in excess of the maximum amounts permitted under section 303(b) of the Consumer Credit Protection Act (15 U.S.C. 1673(b));

(ii) That the employer must send the amount to the SDU within 7 business days of the date the noncustodial parent is paid, and must report to the SDU the date on which the amount was withheld from the noncustodial parent's income;

(iii) That, in addition to the amount withheld for support, the employer may deduct a fee established by the State for administrative costs incurred for each withholding, if the State permits a fee to be deducted;

(iv) That the withholding is binding upon the employer until further notice by the State;

(v) That the employer is subject to a fine to be determined under State law for discharging a noncustodial parent from employment, refusing to employ, or taking disciplinary action against any noncustodial parent because of the withholding;

(vi) That, if the employer fails to withhold income in accordance with the provisions of the notice, the employer is liable for the accumulated amount the employer should have withheld from the noncustodial parent's income;

(vii) That the withholding under this section shall have priority over any other legal process under State law against the same income;

(viii) That the employer may combine withheld amounts from noncustodial parents' income in a single payment to each appropriate agency requesting withholding and separately identify the portion of the single payment which is attributable to each individual noncustodial parent;

(ix) That the employer must withhold from the noncustodial parent's income the amount specified in the notice and pay such amount to the State disbursement unit within 7 business days after the date the income would have been paid to the noncustodial parent.

(x) That the employer must notify the State promptly when the noncustodial parent terminates employment and provide the noncustodial parent's last known address and the name and address of the noncustodial parent's new employer, if known.

(2) In the case of an immediate withholding under paragraph (b) of this section, the State must issue the notice to the employer specified in paragraph (e)(1) of this section within 2 business days of the date the State's computerized support enforcement system receives notice of income and income source from a court, another State, an employer, the Federal Parent Locator Service, or another source recognized by the State, or the date information regarding a newly hired employee is entered into the State Directory of New Hires, or if information is not received by the State's computerized support enforcement system or its State Directory of New Hires, within 15 calendar days of the date the support order is received if the employer's address is known on that date, or, if the address is unknown on that date, within 2 business days of the date the State's computerized support enforcement system receives notice of income and income source from a court, another State, an employer, the Federal Parent Locator Service, or another source recognized by the State, or the date information regarding a newly hired employee is entered into the State Directory of New Hires, or if information is not received by the State's computerized support enforcement system or its State Directory of New Hires, within 15 calendar days of locating the employer's address.

(3) In the case of initiated withholding, the State must send the notice to the employer required under paragraph (e)(1) of this section within 2 business days of the date the State's computerized support enforcement system receives notice of income and income source from a court, another State, an employer, the Federal Parent Locator Service, or another source recognized by the State, or the date information regarding a newly hired employee is entered into the State Directory of New Hires, or if information is not received by the State's computerized support enforcement system or its State Directory of New Hires, within 15 calendar days of the date specified in paragraph (c)(1) of this section if the employer's address is known on that date, or, within 2 business days of the date the State's computerized support

enforcement system receives notice of income and income source from a court, another State, an employer, the Federal Parent Locator Service, or another source recognized by the State, or the date information regarding a newly hired employee is entered into the State Directory of New Hires, or if information is not received by the State's computerized support enforcement system or its State Directory of New Hires, within 15 calendar days of locating the employer's address.

(4) If the noncustodial parent changes employment within the State when a withholding is in effect, the State must notify the noncustodial parent's new employer, in accordance with the requirements of paragraph (e)(1) of this section, that the withholding is binding on the new employer.

(f) *Interstate withholding.*

(1) The State law must require employers to comply with a withholding notice issued by any State.

(2) When an out-of-State IV-D agency requests direct withholding, the employer must be required to withhold funds as directed in the notice but to apply the income withholding laws of the noncustodial parent's principal place of employment to determine:

(i) The employer's fee for processing the withholding notice;

(ii) The maximum amount that may be withheld from the noncustodial parent's income;

(iii) The time periods to implement the withholding notice and to remit the withheld income;

(iv) The priorities for withholding and allocating income withheld for multiple child support obligees; and

(v) Any withholding term or conditions not specified in the withholding order.

(3) In other than direct withholding actions:

(i) A State may require registration for orders from other States for purposes of enforcement through withholding only if registration is for the sole purpose of obtaining jurisdiction for enforcement of the order; does not confer jurisdiction on the court or agency for any other purpose (such as modification of the underlying or original support order or resolution of custody or visitation disputes); and does

§ 303.101

45 CFR Ch. III (10–1–03 Edition)

not delay implementation of withholding beyond the timeframes established in paragraphs (e)(2) and (e)(3) of this section.

(ii) Within 20 calendar days of a determination that withholding is required in a particular case, and, if appropriate, receipt of any information necessary to carry out withholding, the initiating State must notify the IV-D agency of the State in which the noncustodial parent is employed to implement interstate withholding. The notice must contain all information necessary to carry out the withholding, including the amount requested to be withheld, a copy of the support order and a statement of arrearages, if appropriate. If necessary, the State where the support order is entered must provide the information necessary to carry out the withholding within 30 calendar days of receipt of a request for information by the initiating State.

(iii) The State in which the noncustodial parent is employed must implement withholding in accordance with this section upon receipt of the notice from the initiating State required in paragraph (f)(3)(ii) of this section.

(iv) The State in which the noncustodial parent is employed must notify the State in which the custodial parent is receiving services when the noncustodial parent is no longer employed in the State and provide the name and address of the noncustodial parent and new employer, if known.

(4) The withholding must be carried out in full compliance with all procedural due process requirements of the State in which the noncustodial parent is employed.

(5) Except with respect to when withholding must be implemented which is controlled by the State where the support order was entered, the law and procedures of the State in which the noncustodial parent is employed shall apply.

(g) *Provision for withholding in all child support orders.* Child support orders issued or modified in the State whether or not being enforced under the State IV-D plan must have a provision for withholding of income. This requirement does not alter the requirement governing all IV-D cases in paragraph (a)(4) of this section that en-

forcement under the State plan must proceed without the need for a withholding provision in the order.

[57 FR 30682, July 10, 1992, as amended at 64 FR 6251, 6252, Feb. 9, 1999; 68 FR 25304, May 12, 2003]

§ 303.101 Expedited processes.

(a) *Definition.* *Expedited processes* means administrative and judicial procedures (including IV-D agency procedures) required under section 466(a)(2) and (c) of the Act;

(b) *Basic requirement.* (1) The State must have in effect and use, in interstate and intrastate cases, expedited processes as specified under this section to establish paternity and to establish, modify, and enforce support orders.

(2) Under expedited processes:

(i) In IV-D cases needing support order establishment, regardless of whether paternity has been established, action to establish support orders must be completed from the date of service of process to the time of disposition within the following timeframes: (A) 75 percent in 6 months; and (B) 90 percent in 12 months.

(ii) In IV-D cases where a support order has been established, actions to enforce the support order must be taken within the timeframes specified in §§ 303.6(c)(2) and 303.100;

(iii) For purposes of the timeframe at § 303.101(b)(2)(i), in cases where the IV-D agency uses long-arm jurisdiction and disposition occurs within 12 months of service of process on the alleged father or noncustodial parent, the case may be counted as a success within the 6 month tier of the timeframe, regardless of when disposition occurs in the 12 month period following service of process.

(iv) Disposition, as used in paragraphs (b)(2)(i) and (iii) of this section, means the date on which a support order is officially established and/or recorded or the action is dismissed.

(c) *Safeguards.* Under expedited processes:

(1) Paternities and orders established by means other than full judicial process must have the same force and effect under State law as paternities and orders established by full judicial process within the State;

(2) The due process rights of the parties involved must be protected;

(3) The parties must be provided a copy of the voluntary acknowledgment of paternity, paternity determination, and/or support order;

(4) Action taken may be reviewed under the State's generally applicable administrative or judicial procedures.

(d) *Functions.* The functions performed by presiding officers under expedited processes must include at minimum:

(1) Taking testimony and establishing a record;

(2) Evaluating evidence and making recommendations or decisions to establish paternity and to establish and enforce orders;

(3) Accepting voluntary acknowledgment of paternity or support liability and stipulated agreements setting the amount of support to be paid;

(4) Entering default orders upon a showing that process has been served on the defendant in accordance with State law, that the defendant failed to respond to service in accordance with State procedures, and any additional showing required by State law; and

(5) Ordering genetic tests in contested paternity cases in accordance with § 303.5(d)(1).

(e) *Exemption for political subdivisions.* A State may request an exemption from any of the requirements of this section for a political subdivision on the basis of the effectiveness and timeliness of paternity establishment, support order issuance or enforcement within the political subdivision in accordance with the provisions of § 302.70(d) of this chapter.

§ 303.102 Collection of overdue support by State income tax refund offset.

(a) *Overdue support qualifying for offset.* Overdue support qualifies for State income tax refund offset if:

(1) There has been an assignment of the support obligation under section 408(a)(3) of the Act or section 471(a)(17)

of the Act or the IV-D agency is providing services under § 302.33 of this chapter, and

(2) The State does not determine, using guidelines it must develop which are generally available to the public, that the case is inappropriate for application of this procedure.

(b) *Accuracy of amounts referred for offset.* The IV-D agency must establish procedures to ensure that:

§ 304.10 General administrative requirements.

As a condition for Federal financial participation, the provisions of part 74 of this title (with the exception of 45 CFR 74.23, Cost Sharing or Matching and 45 CFR 74.52, Financial Reporting) establishing uniform administrative requirements and cost principles shall apply to all grants made to States under this part.

[40 FR 27166, June 26, 1975, as amended at 61 FR 67241, Dec. 20, 1996]

§ 304.11 Effect of State rules.

Subject to the provisions and limitations of title IV-D of the Act and chapter III, Federal financial participation will be available in expenditures made under the State plan (including the administration thereof) in accordance with applicable State laws, rules, regulations, and standards governing expenditures by State and local child support enforcement agencies.

§ 304.12 Incentive payments.

(a) *Definitions.* For the purposes of this section:

Non-title IV-A collections means support collections, on behalf of individuals receiving services under this title, satisfying a support obligation which has not been assigned under section 408(a)(3) of the Act or section 471(a)(17) of the Act, including collections treated in accordance with paragraph (b)(4)(ii) of this section.

Title IV-A collections means support collections satisfying an assigned support obligation under section 408(a)(3) of the Act or section 471(a)(17) of the Act, including collections treated in accordance with paragraph (b)(4)(ii) of this section.

Total IV-D administrative costs means total IV-D administrative expenditures claimed by a State in a specified fiscal year adjusted in accordance with paragraphs (b)(4)(iii), (b)(4)(iv) and (b)(4)(v) of this section.

(b) *Incentive payments to States.* Effective October 1, 1985, the Office shall compute incentive payments for States for a fiscal year in recognition of title

IV-A collections and of non-title IV-A collections.

(1) A portion of a State's incentive payment shall be computed as a percentage of the State's title IV-A collections, and a portion of the incentive payment shall be computed as a percentage of its non-title IV-A collections. The percentages are determined separately for title IV-A and non-title IV-A portions of the incentive. The percentages are based on the ratio of the State's title IV-A collections to the State's total administrative costs and the State's non-title IV-A collections to the State's total administrative costs in accordance with the following schedule:

Ratio of collections to total IV-D administrative costs	Percent of collection paid as an incentive
Less than 1.4	6.0
At least 1.4	6.5
At least 1.6	7.0
At least 1.8	7.5
At least 2.0	8.0
At least 2.2	8.5
At least 2.4	9.0
At least 2.6	9.5
At least 2.8	10.0

(2) The ratios of the State's title IV-A and non-title IV-A collections to total IV-D administrative costs will be truncated at one decimal place.

(3) The portion of the incentive payment paid to a State for a fiscal year in recognition of its non-title IV-A collections is limited to the percentage of the portion of the incentive payment paid for that fiscal year in recognition of its title IV-A collections, as follows:

- (i) 100 percent in fiscal years 1986 and 1987;
- (ii) 105 percent in fiscal year 1988;
- (iii) 110 percent in fiscal year 1989; and
- (iv) 115 percent in fiscal year 1990 and thereafter.

(4) In calculating the amount of incentive payments, the following conditions apply:

- (i) Only those title IV-A and non-title IV-A collections distributed and expenditures claimed by the State in the fiscal year shall be used to determine the incentive payment payable for that fiscal year;
- (ii) Support collected by one State on behalf of individuals receiving IV-D

services in another State shall be treated as having been collected in full by each State;

(iii) Fees paid by individuals, recovered costs, and program income such as interest earned on collections shall be deducted from total IV-D administrative costs;

(iv) At the option of the State, laboratory costs incurred in determining paternity may be excluded from total IV-D administrative costs; and

(v) Effective January 1, 1990, amounts expended by the State in carrying out a special project under section 455(e) of the Act shall not be included in the State's total IV-D administrative costs.

(vi) Costs of demonstration projects for evaluating model procedures for reviewing child support awards under section 103(e) of Public Law 100-485 shall not be included in the State's total IV-D administrative costs.

(c) *Payment of incentives.* (1) The Office will estimate the total incentive payment that each State will receive for the upcoming fiscal year.

(2) Each State will include one-quarter of the estimated total payment in its quarterly collection report which will reduce the amount that would otherwise be paid to the Federal government to reimburse its share of assistance payments under §§ 302.51 and 302.52 of this chapter.

(3) Following the end of a fiscal year, the Office will calculate the actual incentive payment the State should have received based on the reports submitted for that fiscal year. If adjustments to the estimate made under paragraph (c)(1) of this section are necessary, the State's IV-A grant award will be reduced or increased because of over- or under-estimates for prior quarters and for other adjustments.

(4) For FY 1985, the Office will calculate a State's incentive payment based on title IV-A collections retained by the State and paid to the family under § 302.51(b)(1) of this chapter.

(5) For FY 1986 and 1987, a State will receive the higher of the amount due it under the incentive system and Federal matching rate in effect as of FY 1986 or 80 percent of what it would have received under the incentive system and

§ 304.15

Federal matching rate in effect during FY 1985.

§ 304.26 Determination of Federal share of collections.

(a) From the amounts of support collected by the State and retained as reimbursement for title IV-A payments and foster care maintenance payments under title IV-E, the State shall reimburse the Federal government the Federal share of the support collections. In computing the Federal share of support collections for assistance payments made under titles IV-A and IV-E, the State shall use the Federal medical assistance percentage in effect for the fiscal year in which the amount is distributed. The Federal medical assistance percentage is:

(1) 75 percent for Puerto Rico, the Virgin Islands, Guam, and American Samoa; and

(2) As defined in section 1905(b) of the Act as in effect on September 30, 1995, for any other State.

(b) If an incentive payment is made to a jurisdiction under § 304.12 of this chapter for the enforcement and collection of support obligations, the payment shall be made from the Federal share of collections computed in paragraph (a) of this section.

(c) If a hold harmless payment is made to a jurisdiction pursuant to section 457(d) of the Act, the payment shall be made from the remaining Federal share of collections following the incentive payment made in paragraph (b) of this section.

§ 304.30 Public sources of State's share.

(a) Public funds, other than those derived from private resources, used by the IV-D agency for its child support enforcement program may be considered as the State's share in claiming Federal reimbursement where such funds are:

(1) Appropriated directly to the IV-D agency; or

(2) Funds of another public agency which are:

(i) Transferred to the IV-D agency and are under its administrative control; or

(ii) Certified by the contributing public agency as representing expenditures under the State's IV-D plan, subject to the limitations of this part.

(b) Public funds used by the IV-D agency for its child support enforcement program may not be considered as the State's share in claiming Federal reimbursement where such funds are:

(1) Federal funds, unless authorized by Federal law to be used to match other Federal funds;

(2) Used to match other Federal funds.

[41 FR 7105, Feb. 17, 1976]

§ 304.40 Repayment of Federal funds by installments.

(a) *Basic conditions.* When a State has been reimbursed Federal funds for expenditures claimed under title IV-D, which is later determined to be unallowable for Federal financial participation, the State may make repayment of such Federal funds in installments provided:

(1) The amount of the repayment exceeds 2½ percent of the estimated annual State share of expenditures for the IV-D program as set forth in paragraph (b) of this section; and

(2) The State has notified the OCSE Regional Office in writing of its intent to make installment repayments. Such notice must be given prior to the time repayment of the total was otherwise due.

(b) *Criteria governing installment repayments.* (1) The number of quarters over which the repayment of the total unallowable expenditures will be made will be determined by the percentage the total of such repayment is of the estimated State share of the annual expenditures for the IV-D program as follows:

Total repayment amount as percentage of State share of annual expenditures for the IV-D program	Number of quarters to make repayment
2.5 percent or less	1
Greater than 2.5, but not greater than 5	2
Greater than 5, but not greater than 7.5	3
Greater than 7.5, but not greater than 10	4
Greater than 10, but not greater than 15	5
Greater than 15, but not greater than 20	6
Greater than 20, but not greater than 25	7
Greater than 25, but not greater than 30	8
Greater than 30, but not greater than 47.5	9
Greater than 47.5, but not greater than 65	10
Greater than 65, but not greater than 82.5	11
Greater than 82.5, but not greater than 100	12

The quarterly repayment amounts for each of the quarters in the repayment schedule shall not be less than the following percentages of estimated State share of the annual expenditures for the program against which the recovery is made.

For each of the following quarters	Repayment installment may not be less than these percentages
1 to 4	2.5

For each of the following quarters	Repayment installment may not be less than these percentages
5 to 8	5.0
9 to 12	17.5

If the State chooses to repay amounts representing higher percentages during the early quarters, any corresponding reduction in required minimum percentages would be applied first to the last scheduled payment, then to the next to the last payment, and so forth as necessary.

(2) The latest required financial reports submitted by the State shall be used to estimate the State's share of annual expenditures for the IV-D program. That estimated share shall be the sum of the State's share of the estimates for four quarters, beginning with the quarter in which the first installment is to be paid.

(3) In case of termination of the program, the actual State share—rather than the estimate—shall be used for determining whether the amount of the repayment exceeds 2½ percent of the annual State share for the IV-D program. The annual State share in these cases will be determined using payments computable for Federal funding as reported for the program by the State on its Quarterly Report of Expenditures and Estimates submitted for the last four quarters preceding the date on which the program was terminated.

(4) Repayment shall be accomplished through adjustment in the quarterly grants over the period covered by the repayment schedule.

(5) The amount of the repayment for purpose of paragraphs (a) and (b) of this section may not include any amount previously approved for installment repayment.

(6) The repayment schedule may be extended beyond 12 quarterly installments if the total repayment amount exceeds 100% of the estimated State share of annual expenditures.

In these circumstances, the criteria in paragraphs (b) (1) and (2) or (3) of this section, as appropriate, shall be followed for repayment of the amount equal to 100% of the annual State

§ 304.50

share. The remaining amount of the repayment shall be in quarterly amounts not less than those for the 9th through 12th quarters.

(7) The amount of a retroactive claim to be paid a State will be offset against any amounts to be, or already being, repaid by the State in installments, under the same title of the Social Security Act. Under this provision the State may choose to:

(i) Suspend payments until the retroactive claim due the State has, in fact, been offset; or

(ii) Continue payments until the reduced amount of its debt (remaining after the offset), has been paid in full. This second option would result in a shorter payment period.

A retroactive claim for the purpose of this regulation is a claim applicable to any period ending 12 months or more prior to the beginning of the quarter in which the payment is to be made by the Service.

[42 FR 28885, June 6, 1977, as amended at 52 FR 273, Jan. 5, 1987; 64 FR 6253, Feb. 9, 1999; 68 FR 25305, May 12, 2003]

§ 304.50 Treatment of program income.

The IV-D agency must exclude from its quarterly expenditure claims an amount equal to:

(b) All interest and other income earned during the quarter resulting from services provided under the IV-D State plan.

§ 305.1 Definitions.

The definitions found in § 301.1 of this chapter are also applicable to this part. In addition, for purposes of this part:

(a) The term *IV-D case* means a parent (mother, father, or putative father) who is now or eventually may be obligated under law for the support of a child or children receiving services under the title IV-D program. A parent is a separate IV-D case for each family with a dependent child or children that the parent may be obligated to support. If both parents are absent and liable or potentially liable for support of a child or children receiving services under the IV-D program, each parent is considered a separate IV-D case. In counting cases for the purposes of this part, States may exclude cases closed under § 303.11 and cases over which the

45 CFR Ch. III (10–1–03 Edition)

State has no jurisdiction. Lack of jurisdiction cases are those in which a non-custodial parent resides in the civil jurisdictional boundaries of another country or federally recognized Indian Tribe and no income or assets of this individual are located or derived from outside that jurisdiction and the State has no other means through which to enforce the order.

(b) The term *Current Assistance collections* means collections received and distributed on behalf of individuals whose rights to support are required to be assigned to the State under title IV-A of the Act, under title IV-E of the Act, or under title XIX of the Act. In addition, a referral to the State's IV-D agency must have been made.

(c) The term *Former Assistance collections* means collections received and distributed on behalf of individuals whose rights to support were formerly required to be assigned to the State under title IV-A (TANF or Aid to Families with Dependent Children, AFDC), title IV-E (Foster Care), or title XIX (Medicaid) of the Act.

(d) The term *Never Assistance/Other collections* means all other collections received and distributed on behalf of individuals who are receiving child support enforcement services under title IV-D of the Act.

(e) The term *total IV-D dollars expended* means total IV-D administrative expenditures claimed by a State in a specified fiscal year adjusted in accordance with § 305.32 of this part.

(f) The term *Consumer Price Index or CPI* means the last Consumer Price Index for all-urban consumers published by the Department of Labor. The CPI for a fiscal year is the average of the Consumer Price Index for the 12-month period ending on September 30 of the fiscal year.

(g) The term *State incentive payment share for a fiscal year* means the incentive base amount for the State for the fiscal year divided by the sum of the incentive base amounts for all of the States for the fiscal year.

(h) The term *incentive base amount for a fiscal year* means the sum of the State's performance level percentages (determined in accordance with § 305.33) multiplied by the State's cor-

responding maximum incentive base on each of the following measures:

(1) The paternity establishment performance level;

(2) The support order performance level;

(3) The current collections performance level;

(4) The arrears collections performance level; and

(5) the cost-effectiveness performance level.

(i) The term *reliable data*, means the most recent data available which are found by the Secretary to be reliable and is a state that exists when data are sufficiently complete and error free to be convincing for their purpose and context. State data must meet a 95 percent standard of reliability effective beginning in fiscal year 2001. This is with the recognition that data may contain errors as long as they are not of a magnitude that would cause a reasonable person, aware of the errors, to doubt a finding or conclusion based on the data.

(j) The term *complete data* means all reporting elements from OCSE reporting forms, necessary to compute a State's performance levels, incentive base amount, and maximum incentive base amount, have been provided within timeframes established in instructions to these forms and § 305.32(f) of this part.

§ 305.2 Performance measures.

(a) The child support incentive system measures State performance levels in five program areas:

Paternity establishment; support order establishment; current collections; arrearage collections; and cost-effectiveness. The penalty system measures State performance in three of these areas: Paternity establishment; establishment of support orders; and current collections.

(1) *Paternity Establishment Performance Level.* States have the choice of being evaluated on one of the following two measures for their paternity establishment percentage (commonly known as the PEP). The count of children shall not include any child who is a dependent by reason of the death of a parent (unless paternity is established for that child). It shall also not include

§ 305.2

45 CFR Ch. III (10–1–03 Edition)

any child whose parent is found to have good cause for refusing to cooperate with the State agency in establishing paternity, or for whom the State agency determines it is against the best interest of the child to pursue paternity issues.

(i) *IV-D Paternity Establishment Percentage* means the ratio that the total number of children in the IV-D caseload in the fiscal year (or, at the option

of the State, as of the end of the fiscal year) who have been born out-of-wedlock and for whom paternity has been established or acknowledged, bears to the total number of children in the IV-D caseload as of the end of the preceding fiscal year who were born out-of-wedlock. The equation to compute the measure is as follows (expressed as a percent):

$$\frac{\text{Total \# of Children in IV - D Caseload in the Fiscal Year or,} \\ \text{at the option of the State, as of the end of the Fiscal Year who were} \\ \text{Born Out - of - Wedlock with Paternity Established or Acknowledged}}{\text{Total \# of Children in IV - D Caseload as of the end of the preceding} \\ \text{Fiscal Year who were Born Out - of - Wedlock}}$$

(ii) *Statewide Paternity Establishment Percentage* means the ratio that the total number of minor children who have been born out-of-wedlock and for whom paternity has been established or acknowledged during the fiscal year,

bears to the total number of children born out-of-wedlock during the preceding fiscal year. The equation to compute the measure is as follows (expressed as a percent):

$$\frac{\text{Total \# of Minor Children who have been Born Out - of - Wedlock and for} \\ \text{Whom Paternity has been Established or Acknowledged During the Fiscal Year}}{\text{Total \# of Children Born Out of Wedlock During the Preceding Fiscal Year}}$$

(2) *Support Order Establishment Performance Level*. This measure requires a determination of whether or not there is a support order for each case. These support orders include all types of legally enforceable orders, such as court,

default, and administrative. Since the measure is a case count at a point-in-time, modifications to an order do not affect the count. The equation to compute the measure is as follows (expressed as a percent):

$$\frac{\text{Number of IV - D Cases with Support Orders During the Fiscal Year}}{\text{Total Number of IV - D Cases During the Fiscal Year}}$$

(3) *Current Collections Performance Level*. Current support is money applied to current support obligations and does not include payment plans for payment towards arrears. If included, voluntary collections must be included in both

the numerator and the denominator. This measure is computed monthly and the total of all months is reported at the end of the year. The equation to compute the measure is as follows (expressed as a percent):

$$\frac{\text{Number Dollars Collected for Current Support in IV - D Cases}}{\text{Total Dollars Owed for Current Support in IV - D Cases}}$$

(4) *Arrearage Collection Performance Level.* This measure includes those cases where all of the past-due support was disbursed to the family, or retained by the State because all the support was assigned to the State. If some of the past-due support was assigned to

the State and some was to be disbursed to the family, only those cases where some of the support actually went to the family can be included. The equation to compute the measure is as follows (expressed as a percent):

$$\frac{\text{Total number of eligible IV - D cases paying toward arrears}}{\text{Total number of IV - D cases with arrears due}}$$

(5) *Cost-Effectiveness Performance Level.* Interstate incoming and outgoing distributed collections will be included for both the initiating and the

responding State in this measure. The equation to compute this measure is as follows (expressed as a ratio):

$$\frac{\text{Total IV - D Dollars Collected}}{\text{Total IV - D Dollars Expended}}$$

(b) For incentive purposes, the measures will be weighted in the following manner. Each State will earn five scores based on performance on each of the five measures. Each of the first three measures (paternity establishment, order establishment, and current collections) earn 100 percent of the collections base as defined in § 305.31(e) of this part. The last two measures (collections on arrears and cost-effectiveness) earn a maximum of 75 percent of the collections base as defined in § 305.31(e) of this part.

§ 305.31 Amount of incentive payment.

(a) The incentive payment for a State for a fiscal year is equal to the incentive payment pool for the fiscal year, multiplied by the State incentive payment share for the fiscal year.

(b) The incentive payment pool is:

- (1) \$422,000,000 for fiscal year 2000;
- (2) \$429,000,000 for fiscal year 2001;
- (3) \$450,000,000 for fiscal year 2002;
- (4) \$461,000,000 for fiscal year 2003;
- (5) \$454,000,000 for fiscal year 2004;
- (6) \$446,000,000 for fiscal year 2005;

(7) \$458,000,000 for fiscal year 2006;

(8) \$471,000,000 for fiscal year 2007;

(9) \$483,000,000 for fiscal year 2008; and

(10) For any succeeding fiscal year, the amount of the incentive payment pool for the fiscal year that precedes such succeeding fiscal year multiplied by the percentage (if any) by which the CPI for such preceding fiscal year exceeds the CPI for the second preceding fiscal year. In other words, for each fiscal year following fiscal year 2008, the incentive payment pool will be multiplied by the percentage increase in the CPI between the two preceding years. For example, if the CPI increases by 1 percent between fiscal years 2007 and 2008, then the incentive pool for fiscal year 2009 would be a 1 percent increase over the \$483,000,000 incentive payment pool for fiscal year 2008, or \$487,830,000.

(c) The State incentive payment share for a fiscal year is the incentive base amount for the State for the fiscal year divided by the sum of the incentive base amounts for all of the States for the fiscal year.

§ 305.32

45 CFR Ch. III (10–1–03 Edition)

(d) A State's maximum incentive base amount for a fiscal year is the State's collections base for the fiscal year for the paternity establishment, support order, and current collections performance measures and 75 percent of the State's collections base for the fiscal year for the arrearage collections and cost-effectiveness performance measures.

(e) A State's maximum incentive base amount for a State for a fiscal year is zero, unless a Federal audit performed under § 305.60 of this part determines that the data submitted by the State for the fiscal year and used to determine the performance level involved are complete and reliable.

(f) A State's collections base for a fiscal year is equal to: two times the sum of the total amount of support collected for Current Assistance cases plus two times the total amount of support collected in Former Assistance cases, plus the total amount of support collected in Never Assistance/other cases during the fiscal year, that is: $2(\text{Current Assistance collections} + \text{Former Assistance collections}) + \text{all other collections}$.

§ 305.32 Requirements applicable to calculations.

In calculating the amount of incentive payments or penalties, the following conditions apply:

(a) Each measure is based on data submitted for the Federal fiscal year. The Federal fiscal year runs from October 1st of one year through September 30th of the following year.

(b) Only those Current Assistance, Former Assistance and Never Assistance/other collections disbursed and those expenditures claimed by the State in the fiscal year will be used to determine the incentive payment payable for that fiscal year;

(c) Support collected by one State at the request of another State will be treated as having been collected in full by each State;

(d) Amounts expended by the State in carrying out a special project under section 455(e) of the Act will be excluded from the State's total IV-D dollars expended in computing incentive payments;

(e) Fees paid by individuals, recovered costs, and program income such as interest earned on collections will be deducted from total IV-D dollars expended; and

(f) States must submit data used to determine incentives and penalties following instructions and formats as required by HHS on Office of Management and Budget (OMB) approved reporting instruments. Data necessary to calculate performance for incentives and penalties for a fiscal year must be submitted to the Office of Child Support Enforcement by December 31st, the end of the first quarter after the end of the fiscal year. Only data submitted as of December 31st will be used to determine the State's performance for the prior fiscal year and the amount of incentive payments due the States.

§ 305.33 Determination of applicable percentages based on performance levels.

(a) A State's paternity establishment performance level for a fiscal year is, at the option of the State, the IV-D paternity establishment percentage or the Statewide paternity establishment percentage determined under § 305.2 of this part. The applicable percentage for each level of a State's paternity establishment performance can be found in table 1 of this part, except as provided in paragraph (b) of this section.

(b) If the State's paternity establishment performance level for a fiscal year is less than 50 percent, but exceeds its paternity establishment performance level for the immediately preceding fiscal year by at least 10 percentage points, then the State's applicable percentage for the paternity establishment performance level is 50 percent.

(c) A State's support order establishment performance level for a fiscal year is the percentage of the total number of cases where there is a support order determined under §§ 305.2 and 305.32 of this part. The applicable percentage for each level of a State's support order establishment performance can be found on table 1 of this part, except as provided in paragraph (d) of this section.

(d) If the State's support order establishment performance level for a fiscal year is less than 50 percent, but exceeds the State's support order establishment performance level for the immediately preceding fiscal year by at least 5 percentage points, then the State's applicable percentage is 50 percent.

(e) A State's current collections performance level for a fiscal year is equal to the total amount of current support collected during the fiscal year divided by the total amount of current support owed during the fiscal year in all IV-D cases, determined under §§305.2 and 305.32 of this part. The applicable percentage with respect to a State's current collections performance level can be found on table 2, except as provided in paragraph (f) of this section.

(f) If the State's current collections performance level for a fiscal year is less than 40 percent but exceeds the current collections performance level

of the State for the immediately preceding fiscal year by at least 5 percentage points, then the State's applicable percentage is 50 percent.

(g) A State's arrearage collections performance level for a fiscal year is equal to the total number of IV-D cases in which payments of past-due child support were received and distributed during the fiscal year, divided by the total number of IV-D cases in which there was past-due child support owed, as determined under §§305.2 and 305.32 of this part. The applicable percentage with respect to a State's arrearage collections performance level can be found on table 2 except as provided in paragraph (h) of this section.

(i) A State's cost-effectiveness performance level for a fiscal year is equal to the total amount of IV-D support collected and disbursed or retained, as applicable during the fiscal year, divided by the total amount expended during the fiscal year, as determined under §§305.2 and 305.32 of this part. The applicable percentage with respect to a State's cost-effectiveness performance level can be found on table 3.

§ 305.34 Payment of incentives.

(a) Each State must report one-fourth of its estimated annual incentive payment on each of its four quarterly collections' reports for a fiscal year. When combined with the amounts claimed on each of the State's four quarterly expenditure reports, the portion of the annual estimated incentive payment as reported each quarter will be included in the calculation of the

next quarterly grant awarded to the State under title IV-D of the Act.

(b) Following the end of each fiscal year, HHS will calculate the State's annual incentive payment, using the actual collection and expenditure data and the performance data submitted by December 31st by the State and other States for that fiscal year. A positive or negative grant will then be awarded to the State under title IV-D of the Act to reconcile an actual annual incentive payment that has been calculated to be greater or lesser, respectively, than the annual incentive payment estimated prior to the beginning of the fiscal year.

(c) Payment of incentives is contingent on a State's data being determined complete and reliable by Federal auditors.

§ 305.35 Reinvestment.

(a) A State must expend the full amount of incentive payments received under this part to supplement, and not supplant, other funds used by the State to carry out IV-D program activities or funds for other activities approved by the Secretary which may contribute to improving the effectiveness or efficiency of the State's IV-D program, including cost-effective contracts with local agencies, whether or not the expenditures for the activity are eligible for reimbursement under this part.

(b) In those States in which incentive payments are passed through to political subdivisions or localities, such payments must be used in accordance with this section.

(c) State IV-D expenditures may not be reduced as a result of the receipt and reinvestment of incentive payments.

(d) A base amount will be determined by subtracting the amount of incentive funds received and reinvested in the State IV-D program for fiscal year 1998 from the total amount expended by the State in the IV-D program during the same period. Alternatively, States have an option of using the average amount of the previous three fiscal years (1996, 1997, and 1998) as a base amount. This base amount of State spending must be maintained in future years. Incentive payments under this

part must be used in addition to, and not in lieu of, the base amount.

(e) Requests for approval of expending incentives on activities not currently eligible for funding under the IV-D program, but which would benefit the IV-D program, must be submitted in accordance with instructions issued by the Commissioner of the Office of Child Support Enforcement.

§ 305.36 Incentive phase-in.

The incentive system under this part will be phased-in over a three-year period during which both the old system and the new system will be used to determine the amount a State will receive. For fiscal year 2000, a State will receive two-thirds of what it would have received under the incentive formula set forth in §304.12 of this chapter, and one-third of what it would receive under the formula set forth under this part. In fiscal year 2001, a State will receive one-third of what it would have received under the incentive formula set forth under §304.12 of this chapter and two-thirds of what it would receive under the formula under

this part. In fiscal year 2002, the formula set forth under this part will be fully implemented and would be used to determine all incentive amounts.

§ 305.40 Penalty performance measures and levels.

(a) There are three performance measures for which States must achieve certain levels of performance in order to avoid being penalized for poor performance. These measures are the paternity establishment, support order establishment, and current collections measures set forth in §305.2 of this part. The levels the State must meet are:

(1) *The paternity establishment percentage* which is required under section 452(g) of the Act for penalty purposes. States have the option of using either the IV-D paternity establishment percentage or the statewide paternity establishment percentage defined in §305.2 of this part. Table 4 shows the level of performance at which a State will be subject to a penalty under the paternity establishment measure.

TABLE 4—STATUTORY PENALTY PERFORMANCE STANDARDS FOR PATERNITY ESTABLISHMENT
(Use this table to determine the level of performance for the paternity establishment measure that will incur a penalty.)

PEP	Increase required over previous year's PEP	Penalty FOR FIRST FAILURE if increase not met
90% or more	None	No Penalty.
75% to 89%	2%	1–2% TANF Funds.
50% to 74%	3%	1–2% TANF Funds.
45% to 49%	4%	1–2% TANF Funds.
40% to 44%	5%	1–2% TANF Funds.
39% or less	6%	1–2% TANF Funds.

(2) The support order establishment performance measure is set forth in §305.2 of this part. For purposes of the penalty with respect to this measure, there is a threshold of 40 percent, below which a State will be penalized unless an increase of 5 percent over the previous year is achieved—which will qualify it for an incentive. Perform-

ance in the 40 percent to 49 percent range with no significant increase will not be penalized but neither will it qualify for an incentive payment. Table 5 shows at which level of performance a State will incur a penalty under the child support order establishment measure.

TABLE 5—PERFORMANCE STANDARDS FOR ORDER ESTABLISHMENT
(Use this table to determine the level of performance for the order establishment measure that will incur a penalty.)

Performance level	Increase over previous year	Incentive/Penalty
50% or more	no increase over previous year required	Incentive.
40% to 49%	w/5% increase over previous year	Incentive.
	w/out 5% increase	No Incentive/No Penalty.
Less than 40%	w/5% increase over previous year	Incentive.

TABLE 5—PERFORMANCE STANDARDS FOR ORDER ESTABLISHMENT—Continued

(Use this table to determine the level of performance for the order establishment measure that will incur a penalty.)

Performance level	Increase over previous year	Incentive/Penalty
	w/out 5% increase	Penalty equal to 1–2% of TANF funds for the first failure, 2–3% for second failure, and so forth, up to a maximum of 5% of TANF funds.

(3) The *current collections* performance measure is set forth in § 305.2 of this part. There is a threshold of 35 percent below which a State will be penalized unless an increase of 5 percent over the previous year is achieved (that qualifies it for an incentive). Performance

in the 35 percent to 40 percent range with no significant increase will not be penalized but neither will it qualify for an incentive payment. Table 6 shows at which level of performance the State will incur a penalty under the current collections measure.

TABLE 6—PERFORMANCE STANDARDS FOR CURRENT COLLECTIONS

(Use this table to determine the level of performance for the current collections measure that will incur a penalty.)

Performance level	Increase over previous year	Incentive/Penalty
40% or more	no increase over previous year required	Incentive.
35% to 39%	w/5% increase over previous year	Incentive.
	w/out 5% increase	No Incentive/No Penalty.
less than 35%	w/5% increase over previous year	Incentive.
	w/out 5% increase	Penalty equal to 1–2% of TANF funds for the first failure, 2–3% for second failure, and so forth, up to a maximum of 5% of TANF funds.

(b) The provisions listed under § 305.32 of this part also apply to the penalty performance measures.

§ 305.42 Penalty phase-in.

States are subject to the performance penalties described in § 305.40 based on data reported for FY 2001. Data reported for FY 2000 will be used as a base year to determine improvements in performance during FY 2001. There will be an automatic one-year corrective action period before any penalty is assessed. The penalties will be assessed and then suspended during the corrective action period.

§ 305.60 Types and scope of Federal audits.

(a) OCSE will conduct audits, at least once every three years (or more frequently if the State fails to meet performance standards and reliability of data requirements) to assess the completeness, authenticity, reliability, accuracy and security of data and the systems used to process the data in calculating performance indicators under this part;

(b) Also, OCSE will conduct audits to determine the adequacy of financial management of the State IV-D program, including assessments of:

(1) Whether funds to carry out the State program are being appropriately expended, and are properly and fully accounted for; and

(2) Whether collections and disbursements of support payments are carried out correctly and are fully accounted for; and

(c) OCSE will conduct audits for such other purposes as the Secretary may find necessary.

(1) These audits include audits to determine if the State is substantially complying with one or more of the requirements of the IV-D program (with the exception of the requirements of section 454(24) of the Act relating to statewide-automated systems and section 454(27)(A) and (B)(i) relating to the State Disbursement Unit) as defined in § 305.63 of this part. Other audits will be conducted at the discretion of OCSE.

(2) Audits to determine substantial compliance will be initiated based on substantiated evidence of a failure by

the State to meet IV-D program requirements. Evidence, which could warrant an audit to determine substantial compliance, includes:

(i) The results of two or more State self-reviews conducted under section 454(15)(A) of the Act which: Show evidence of sustained poor performance; or indicate that the State has not corrected deficiencies identified in previous self-assessments, or that those deficiencies are determined to seriously impact the performance of the State's program; or

(ii) Evidence of a State program's systemic failure to provide adequate services under the program through a pattern of non-compliance over time.

(d) OCSE will conduct audits of the State's IV-D program through inspection, inquiries, observation, and confirmation and in accordance with standards promulgated by the Comptroller General of the United States in "Government Auditing Standards."

§ 305.61 Penalty for failure to meet IV-D requirements.

(a) A State will be subject to a financial penalty and the amounts otherwise payable to the State under title IV-A of the Act will be reduced in accordance with § 305.66:

(1) If on the basis of:

(i) Data submitted by the State or the results of an audit conducted under § 305.60 of this part, the State's program failed to achieve the paternity establishment percentages, as defined in section 452(g)(2) of the Act and § 305.40 of this part, or to meet the support order establishment and current collections performance measures as set forth in § 305.40 of this part; or

(ii) The results of an audit under § 305.60 of this part, the State did not submit complete and reliable data, as defined in § 305.1 of the part; or

(iii) The results of an audit under § 305.60 of this part, the State failed to substantially comply with one or more of the requirements of the IV-D program, as defined in § 305.63; and

(2) With respect to the immediately succeeding fiscal year, the State failed to take sufficient corrective action to achieve the appropriate performance levels or compliance or the data sub-

mitted by the State are still incomplete and unreliable.

(b) The reductions under paragraph (c) of this section will be made for quarters following the end of the corrective action year and will continue until the end of the first quarter throughout which the State, as appropriate:

(1) Has achieved the paternity establishment percentages, the order establishment or the current collections performance measures set forth in § 305.40 of this part;

(2) Is in substantial compliance with IV-D requirements as defined in § 305.63 of this part; or

(3) Has submitted data that are determined to be complete and reliable.

(c) The payments for a fiscal year under title IV-A of the Act will be reduced by the following percentages:

(1) One to two percent for the first finding under paragraph (a) of this section;

(2) Two to three percent for the second consecutive finding; and

(3) Not less than three percent and not more than 5 percent for the third or a subsequent consecutive finding.

(d) The reduction will be made in accordance with the provisions of 45 CFR 262.1(b)-(e) and 262.7.

§ 305.62 Disregard of a failure which is of a technical nature.

A State subject to a penalty under § 305.61(a)(1)(ii) or (iii) of this part may be determined, as appropriate, to have submitted adequate data or to have achieved substantial compliance with one or more IV-D requirements, as defined in § 305.63 of this part, if the Secretary determines that the incompleteness or unreliability of the data, or the noncompliance with one or more of the IV-D requirements, is of a technical nature which does not adversely affect the performance of the State's IV-D program or does not adversely affect the determination of the level of the State's paternity establishment or other performance measures percentages.

§ 305.63 Standards for determining substantial compliance with IV-D requirements.

For the purposes of a determination under § 305.61(a)(1)(iii) of this part, in order to be found to be in substantial compliance with one or more of the IV-D requirements as a result of an audit conducted under § 305.60 of this part, a State must meet the standards set forth below for each specific IV-D State plan requirement or requirements being audited and contained in parts 302 and 303 of this chapter, measured as follows:

(a) The State must meet the requirements under the following areas:

(1) Statewide operations, § 302.10 of this chapter;

(4) Notice of collection of assigned support, § 302.54 of this chapter.

(b) The State must provide services required under the following areas in at least 90 percent of the cases reviewed:

In cases in which wage withholding cannot be implemented or is not available and the non-custodial parent has been located, States must use or attempt to use at least one enforcement technique available under State law in addition to Federal and State tax refund offset, in accordance with State laws and procedures and applicable State guidelines developed under § 302.70(b) of this chapter;

(4) Review and adjustment of child support orders, including: Establishment of a case under § 303.2(b) of this chapter; services to individuals not receiving TANF or title IV-E foster care assistance, under § 302.33(a)(1) through (4) of this chapter; provision of services in interstate IV-D cases under § 303.7(a), (b) and (c)(1) through (6) and (c)(8) through (10) of this chapter; location of non-custodial parents under § 303.3 of this chapter; guidelines for setting child support awards under § 302.56 of this chapter; and review and adjustment of support obligations under § 303.8 of this chapter; and

(6) Disbursement of support payments in accordance with the timeframes in section 454B of the Act and § 302.32 of this chapter.

(d) With respect to the 75 percent standard in paragraph (b) of this section:

(1) Notwithstanding timeframes for establishment of cases in § 303.2(b) of this chapter; provision of services in interstate IV-D cases under § 303.7(a), (b) and (c)(4) through (6), (c)(8) and (9) of this chapter; location and support order establishment under § 303.3(b)(3) and (5), and § 303.4(d) of this chapter, if a support order needs to be established in a case and an order is established during the audit period in accordance with the State's guidelines for setting child support awards, the State will be considered to have taken appropriate action in that case for audit purposes.

(2) Notwithstanding timeframes for establishment of cases in § 303.2(b) of this chapter; provision of services in interstate IV-D cases under § 303.7(a), (b) and (c)(4) through (6), and (c)(8) and (9) of this chapter; and location and review and adjustment of support orders contained in § 303.3(b)(3) and (5), and § 303.8 of this chapter, if a particular case has been reviewed and meets the conditions for adjustment under State laws and procedures and § 303.8 of this chapter, and the order is adjusted, or a determination is made, as a result of a review, during the audit period, that an adjustment is not needed, in accordance with the State's guidelines for setting child support awards, the State will be considered to have taken appropriate action in that case for audit purposes.

(3) Notwithstanding timeframes for establishment of cases in § 303.2(b) of this chapter; provision of services in interstate IV-D cases under § 303.7 (a), (b) and (c) (4) through (6), and (c)(8) and (9) of this chapter; and location and

wage withholding in § 303.3(b) (3) and (5), and § 303.100 of this chapter, if wage withholding is appropriate in a particular case and wage withholding is implemented and wages are withheld during the audit period, the State will be considered to have taken appropriate action in that case for audit purposes.

(4) Notwithstanding timeframes for establishment of cases in § 303.2(b) of this chapter; provision of services in interstate IV-D cases under § 303.7 (a), (b) and (c) (4) through (6), and (c)(8) and (9) of this chapter; and location and enforcement of support obligations in § 303.3(b) (3) and (5), and § 303.6 of this chapter, if wage withholding is not appropriate in a particular case, and the State uses at least one enforcement technique available under State law, in addition to Federal and State income tax refund offset, which results in a collection received during the audit period, the State will be considered to have taken appropriate action in the case for audit purposes.

(e) The State must meet the requirements for expedited processes under § 303.101(b)(2)(i) and (iii), and (e) of this chapter.

§ 305.64 Audit procedures and State comments.

(a) Prior to the start of the actual audit, Federal auditors will hold an audit entrance conference with the IV-D agency. At that conference, the auditors will explain how the audit will be performed and make any necessary arrangements.

(b) At the conclusion of audit fieldwork, Federal auditors will afford the State IV-D agency an opportunity for an audit exit conference at which time preliminary audit findings will be discussed and the IV-D agency may present any additional matter it believes should be considered in the audit findings.

(c) After the exit conference, Federal auditors will prepare and send to the IV-D agency a copy of their interim report on the results of the audit. Within a specified timeframe from the date the report was sent by certified mail, the IV-D agency may submit written comments on any part of the report which the IV-D agency believes is in

§ 305.65

error. The auditors will note such comments and incorporate any response into the final audit report.

§ 305.65 State cooperation in audit.

(a) Each State shall make available to the Federal auditors such records or other supporting documentation (electronic and manual) as the audit staff may request, including records to support the data as submitted on the Federal statistical and financial reports that will be used to calculate the State's performance. The State shall also make available personnel associated with the State's IV-D program to provide information that the audit staff may find necessary in order to conduct or complete the audit.

(b) States must provide evidence to Office that their data are complete and reliable as defined in § 305.2 of this part.

(c) Failure to comply with the requirements of this section with respect to audits conducted to determine compliance with IV-D requirements under § 305.60 of this part, may necessitate a finding that the State has failed to comply with the particular criteria being audited.

§ 305.66 Notice, corrective action year, and imposition of penalty.

(a) If a State is found by the Secretary to be subject to a penalty as described in § 305.61 of this part, the OCSE will notify the State in writing of such finding.

(b) The notice will:

(1) Explain the deficiency or deficiencies which result in the State being subject to a penalty, indicate the amount of the potential penalty, and give reasons for the finding; and

(2) Specify that the penalty will be assessed in accordance with the provisions of 45 CFR 262.1(b) through (e) and 262.7 if the State is found to have failed to correct the deficiency or deficiencies cited in the notice during the automatic corrective action year (i.e., the succeeding fiscal year following the year with respect to which the deficiency occurred.)

(c) The penalty under § 305.61 of this part will be assessed if the Secretary determines that the State has not corrected the deficiency or deficiencies

45 CFR Ch. III (10–1–03 Edition)

cited in the notice by the end of the corrective action year.

(d) Only one corrective action period is provided to a State with respect to a given deficiency where consecutive findings of noncompliance are made with respect to that deficiency. In the case of a State against which the penalty is assessed and which failed to correct the deficiency or deficiencies cited in the notice by the end of the corrective action year, the penalty will be effective for any quarter after the end of the corrective action year and ends for the first full quarter throughout which the State IV-D program is determined to have corrected the deficiency or deficiencies cited in the notice.

(e) A consecutive finding occurs only when the State does not meet the same criterion or criteria cited in the notice in paragraph (a) of this section.

[57 FR 47002, Oct. 14, 1992, as amended at 63 FR 44814, Aug. 21, 1998]

§ 307.1 Definitions.

(a) *Alternative approach to APD requirements* means that the State has developed an APD that does not meet all conditions for APD approval in § 307.15(b) resulting in the need for a waiver under § 307.5.

(b) *Business day* means a day on which State offices are open for business.

(c) *Alternative system* means the separate manual and/or automated processes that perform one or more of the required functions separately from the base system and that interfaces with the base system to ensure that the State can meet all requirements for purposes of the audit prescribed in section 403(h) of the Act. These separate processes may involve geographic areas, such as counties; administrative jurisdictions, such as courts; or separate means by which the State meets particular program requirements, e.g.,

collection of support for non-IV-A cases.

(d) *Alternative system configuration* means an alternative to a comprehensive computerized support enforcement system. It includes a base system with electronic linkages to an alternative system(s), which is not part of the State's computerized support enforcement project (i.e., not the State's sole system effort), but which is necessary to meet the functional requirements of the statewide, comprehensive computerized support enforcement system under § 307.10, or § 307.11.

(e) *Base system* means the hardware, operational software, applications software and electronic linkages in an alternative system configuration which allow the State to monitor, account for and control all support enforcement services and activities under the State plan.

(f) *Certification* means approval of an operational computerized support enforcement system based on a determination that the system has an efficient and effective design and is comprehensive, except where a waiver applies.

(g) *Comprehensive* means that a computerized support enforcement system meets the requirements prescribed in § 307.10, or § 307.11 of this part, as further defined in the OCSE guideline entitled "Automated Systems for Child Support Enforcement: A Guide for States."

(h) *Computerized support enforcement system* means a comprehensive, statewide system or an alternative system configuration which encompasses all political subdivisions within the State and which effectively and efficiently;

(1) Introduces, processes, accounts for and monitors data used by the Child Support Enforcement program in carrying out activities under the State plan; and

(2) Produces utilization and management information about support enforcement services as required by the State IV-D agency and Federal government for program administration and audit purposes.

(i) *Planning* means: (1) The preliminary project activity to determine the requirements necessitating the project, the activities to be undertaken, and

§ 307.5

45 CFR Ch. III (10–1–03 Edition)

the resources required to complete the project;

(2) The preparation of an APD;

§ 307.5 Mandatory computerized support enforcement systems.

(a) *Basic requirement.* (1) By October 1, 1997, each State must have in effect an operational computerized support enforcement system, which meets Federal requirements under § 302.85(a)(1) of this chapter, OCSE will review each system to certify that these requirements are met; and

(2) By October 1, 2000, each State must have in effect an operational computerized support enforcement system, which meets Federal requirements under § 302.85(a)(2) of this chapter. OCSE will review each system to certify that these requirements are met.

(b) *Waiver option.* A State may apply for a waiver of any functional requirement in § 307.10, or § 307.11 by presenting a plan for an alternative system configuration, or a waiver of any conditions for APD approval in § 307.15(b) by presenting an alternative approach.

Waiver requests must be submitted and approved as part of the State’s APD or APD update.

(c) *Conditions for waiver.* The Secretary may grant a State a waiver if:

(1) The State demonstrates that it has an alternative approach to the APD requirements or an alternative system configuration that enables the State, in accordance with part 305 of this chapter, to be in substantial compliance with the other requirements of this chapter; and either:

(2) The waiver request meets the criteria set forth in section 1115(c) (1), (2) and (3) of the Act; or

(3) The State provides written assurance that steps will be taken to otherwise improve the State’s Child Support Enforcement program.

(d) *APD submittal requirements for alternative system configuration.* APDs submitted by States which include requests for waiver for an alternative system configuration must, in addition to meeting conditions of § 307.15(b):

(1) Describe the State’s base system;

(2) Include a detailed description of the separate automated or manual processes the State plans to use and how they will interface with the base system;

(3) Provide documentation that the alternative system configuration will enable the State to be in substantial compliance with title IV-D of the Act in accordance with section 403(h) of the Act and implementing regulations. In addition, if the State is subject to a Notice under § 305.99 of this part that it did not substantially comply with one or more of the requirements of title IV-D of the Act, at the time a waiver request is submitted, the State must:

(i) Demonstrate that the deficiency is not related to or caused by the performance of the system; or

(ii) Specify the corrective action taken to modify the system if the system contributed to the deficiency.

(e) *APD submittal requirements for alternative approach.* APDs submitted by States which include requests for waiver of conditions for APD approval in § 307.15(b) must demonstrate why meeting the conditions is unnecessary or inappropriate.

(f) *Review of waiver requests.* (1) The Office will review waiver requests to

assure that all necessary information is provided, that all processes provide for effective and efficient program operation, and that the conditions for waiver in paragraph (d) of this section are met.

(2) When a waiver is approved, it becomes part of the State's approved APD. A waiver is subject to the APD suspension provisions in § 307.40.

(3) When a waiver is disapproved, the APD will be disapproved. The APD disapproval is a final administrative decision and is not subject to administrative appeal.

(g) *FFP limitations.* (1) The provisions of §§ 307.30 and 307.35 apply to requests for FFP for costs of computerized support enforcement systems.

(2) FFP for alternative system configurations is further limited as follows:

(i) FFP is available at the enhanced matching rate for development of the base system and for hardware, operational system software, and electronic linkages with the separate components of an alternative system configuration.

(ii) FFP is available at the applicable matching rate for minor alterations to the separate automated or manual processes that are part of an alternative system configuration and for operating costs including hardware, operational software and applications software of a computerized support enforcement system.

(iii) FFP is not available for developing new systems or making major changes and enhancements to separate automated or manual processes so that alternative system configurations meet conditions for waiver.

§ 307.15 Approval of advance planning documents for computerized support enforcement systems.

(a) *Approval of an APD.* The Office shall not approve the APD and annually updated APD unless the document, when implemented, will carry out the requirements of § 307.10, or § 307.11 of this part. Conditions for APD approval are specified in this section.

(b) *Conditions for initial approval.* In order to be approvable, an APD for a statewide computerized support enforcement system described under § 307.10, or § 307.11 must meet the following requirements:

(1) The APD must represent the sole systems effort being undertaken by the State in accordance with § 307.10, or § 307.11. If the State is requesting a waiver under § 302.85 of this chapter, the APD must specify the conditions for which waiver is requested;

(2) The APD must specify how the objectives of the computerized support enforcement system in § 307.10, or § 307.11 will be carried out throughout the State; this includes a projection of how the proposed system will meet the functional requirements of § 307.10, or § 307.11 and how the single State system will encompass all political subdivisions in the State by October 1, 1997, or October 1, 2000 respectively.

(3) The APD must assure the feasibility of the proposed effort and provide for the conduct of a requirements analysis study which address all system components within the State and includes consideration of the program mission, functions, organization, services and constraints related to the computerized support enforcement system;

§ 307.15

45 CFR Ch. III (10–1–03 Edition)

(4) The APD must indicate how the results of the requirements analysis study will be incorporated into the proposed system design, development, installation or enhancement;

(5) The APD must contain a description of each component within the proposed computerized support enforcement system as required by § 307.10, or § 307.11 and must describe information flows, input data, and output reports and uses;

(6) The APD must describe the security requirements to be employed in the proposed computerized support enforcement system;

(7) The APD must describe the intra-state and interstate interfaces set forth in § 307.10, or § 307.11 to be employed in the proposed computerized support enforcement system;

(8) The APD must describe the projected resource requirements for staff, hardware, and other needs and the resources available or expected to be available to meet the requirements;

(9) The APD must contain a proposed budget and schedule of life-cycle milestones relative to the size, complexity and cost of the project which at a minimum address requirements analysis, program design, procurement and project management; and, a description of estimated expenditures by category and amount for:

(i) Items that are eligible for funding at the enhanced matching rate, and

(ii) Items related to developing and operating the system that are eligible for Federal funding at the applicable matching rate;

(10) The APD must contain an implementation plan and backup procedures to handle possible failures in system planning, design, development, installation or enhancement.

(i) These backup procedures must include provision for independent validation and verification (IV&V) analysis of a State's system development effort in the case of States:

(A) That do not have in place a state-wide automated child support enforcement system that meets the requirements of the FSA of 1988;

(B) States which fail to meet a critical milestone, as identified in their APDs;

(C) States which fail to timely and completely submit APD updates;

(D) States whose APD indicates the need for a total system redesign;

(E) States developing systems under waivers pursuant to section 452(d)(3) of the Social Security Act; or,

(F) States whose system development efforts we determine are at risk of failure, significant delay, or significant cost overrun.

(ii) Independent validation and verification efforts must be conducted by an entity that is independent from the State (unless the State receives an exception from OCSE) and the entity selected must:

(A) Develop a project workplan. The plan must be provided directly to OCSE at the same time it is given to the State.

(B) Review and make recommendations on both the management of the project, both State and vendor, and the technical aspects of the project. The IV&V provider must provide the results of its analysis directly to OCSE at the same time it reports to the State.

(C) Consult with all stakeholders and assess the user involvement and buy-in regarding system functionality and the system's ability to meet program needs.

(D) Conduct an analysis of past project performance sufficient to identify and make recommendations for improvement.

(E) Provide risk management assessment and capacity planning services.

(F) Develop performance metrics which allow tracking project completion against milestones set by the State.

(iii) The RFP and contract for selecting the IV&V provider (or similar documents if IV&V services are provided by other State agencies) must include the experience and skills of the key personnel proposed for the IV&V analysis and specify by name the key personnel who actually will work on the project and must be submitted to OCSE for prior approval.

(11) The APD must describe each system considered during planning including the advantages of selecting the proposed solution. If a transfer system is not selected as the proposed solution, a transfer system must be among those

systems considered. If a system that is already in place in the State could be enhanced to meet the requirements for a computerized support enforcement system, that system must be among the solutions considered;

(12) The APD must contain a cost benefit analysis of the proposed computerized support enforcement system and all alternatives considered that describes the proposed improvements to the IV-D program in both qualitative and quantitative terms;

(13) The APD must specify the basis for determining direct and indirect costs of the computerized support enforcement system during development and operation, including the methodology for determining costs of planning, design, development, installation or enhancement that are eligible for 90 percent Federal funding versus costs of development and operations that are eligible for Federal funding at the applicable matching rate;

(14) The APD must contain a statement indicating the period of time the State expects to use the proposed computerized support enforcement system; and

(15) The APD must include any waiver requested in accordance with § 307.5 of this chapter.

(c) *Conditions for approval of annual update.* The APD for a computerized support enforcement system described under § 307.10, or § 307.11 must be updated annually. In order to be approvable, the annual update of an APD for a computerized support enforcement system described under § 307.10 must meet only those requirements of paragraph (b) of this section that are prescribed by instructions issued by the Office.

(a) *Conditions that must be met for 80 percent FFP.* Until September 30, 2001, Federal financial participation is available at the 80 percent rate to States, Territories and systems defined in 42 U.S.C. 655(a)(3)(B)(iii) [455(a)(3)(B)(iii) of the Act] (hereafter referred to as "States") for expenditures for the planning, design, development, installation, or enhancement of a computerized support enforcement system meeting the requirements as described in §§ 307.5 and 307.10 or 42 U.S.C. § 654(16) [454(16) of the Act], if:

(1) The Office has approved an APD in accordance with § 307.15;

(2) The Office determines that the system meets the requirements specified in § 307.10, or 42 U.S.C. 654(16) [454(16) of the Act];

(3) The Office determines that the expenditures incurred are consistent with the approved APD;

(4) The Office determines that the computerized support enforcement system is designed effectively and efficiently and will improve the management and administration of the State IV-D plan;

(5) The State IV-D agency agrees in writing to use the system for a period of time which is consistent with the APD approved by the Office; and

(6) The State or local government has ownership rights in software, software modifications and associated documentation that is designed, developed, installed or enhanced under this section subject to the Department of Health and Human Services license specified in paragraph (c) of this section.

(1) The Office shall disallow FFP as of the date the State failed to comply substantially with the approved APD; and

(2) FFP at the 80 percent and applicable matching rates is not available in any expenditure incurred under the APD after the date of the suspension until the date the Office determines that the State has taken the actions specified in the notice of suspension described in § 307.40(a). The Office will notify the State in writing upon making such a determination.

(e) *Limitation on 80 percent funding.* Federal financial participation at the 80 percent rate may not exceed \$400,000,000 in the aggregate for fiscal years 1996 through 2001.

(d) *Review period.* Each review period must cover a 12-month period. The first review period shall begin no later than 12 months after the effective date of the final rule and subsequent reviews shall each cover the same 12-month period thereafter.

(e) *Reporting.* (1) The State must provide a report of the results of the self-assessment review to the appropriate OCSE Regional Office, with a copy to the Commissioner of OCSE, no later than 6 months after the end of the review period.

Enforcement cases include cases in which ongoing income withholding is in place as well as cases in which new or repeated enforcement actions were required during the review period.

(1) If income withholding was appropriate and a withholding collection was received during the last quarter of the review period and the case was submitted for Federal and State income tax refund offset, if appropriate, the case meets the requirements of § 303.6(c)(3) of this chapter, notwithstanding the timeframes for: establishment of cases in § 303.2(b) of this chapter; provision of services in interstate IV-D cases under § 303.7(a), (b), (c)(4) through (6), and (c) (8) and (9) of this chapter; and location and income withholding in §§ 303.3(b)(3) and (5), and 303.100 of this chapter.

(f) *Review and adjustment of orders.* A State must have and use procedures required under this paragraph in at least 75 percent of the cases reviewed.

(1) If a case has been reviewed and meets the conditions for adjustment under State laws and procedures and § 303.8 of this chapter and the order is adjusted or a determination is made as a result of a review during the self-assessment period that an adjustment is not needed in accordance with the State's guidelines for setting child support awards, the State will be considered to have taken appropriate action in that case, notwithstanding the timeframes for: establishment of cases in § 303.2(b) of this chapter; provision of services in interstate IV-D cases under § 303.7(a), (b), (c)(4) through (6), and (c)(8) and (9) of this chapter; and location and review and adjustment of support orders contained in §§ 303.3(b)(3) and (5), and 303.8 of this chapter.

(2) If a case has not been reviewed, the State must determine the last required action and determine whether the action was taken within the appropriate timeframe. The following is a list of possible last required actions:

§ 308.3 Optional program areas of review.

(a) *Program direction.* A State may include a program direction review in its self-assessment for the purpose of analyzing the relationships between case results relating to program compliance areas, and performance and program outcome indicators. This review is an opportunity for States to demonstrate how they are trying to manage their resources to achieve the best performance possible. A program direction analysis could describe the following:

- (1) Initiatives that resulted in improved and achievable performance accompanied with supporting data;
- (2) Barriers impeding progress; and
- (3) Efforts to improve performance.

(b) *Program service enhancement.* A State may include a program service enhancement report in its self-assessment that describes initiatives put into practice that improved program performance and customer service. (d) *Federal and non-Federal shares.*

(1)(i) During the first three years in which a Tribe or Tribal organization operates a full CSE program under § 310.65(a) of this part, the amount of the Federal grant will not exceed 90 percent of the total approved budget of the assisted program, unless the Secretary or designee has granted a waiver pursuant to paragraph (d)(2) of this section. After a Tribe or Tribal organization has operated a full CSE program under § 310.65(a) of this part for three years, the amount of the Federal grant will not exceed 80 percent of the total approved budget of the assisted program, unless the Secretary or designee has granted a waiver pursuant to paragraph (d)(2) of this section.

(ii) During the first three years in which a Tribe or Tribal organization operates a full CSE program under § 310.65(a) of this part, the Tribe or Tribal organization must contribute to its Tribal CSE program a non-Federal (Tribal) matching share of at least 10 percent of the total approved budget of the assisted program, unless the Secretary or designee has granted a waiver pursuant to paragraph (d)(2) of this section. After a Tribe or Tribal organization has operated a full CSE program under § 310.65(a) of this part for three years, the Tribe or Tribal organization must contribute to its Tribal CSE program a non-Federal (Tribal) matching share of at least 20 percent of the total approved budget of the assisted program, unless the Secretary or designee has granted a waiver pursuant to paragraph (d)(2) of this section. The non-Federal share may be provided in cash and/or in kind, fairly valued, by the Tribe or Tribal organization and/or by a third party, in accordance with the requirements of 45 CFR 92.24 and this part.

(iii) Donations of funds, and in-kind contributions of property and services valued at fair market value, from a

third party to a Tribe or Tribal organization, may satisfy the non-Federal share requirement. The non-Federal share requirement may not be satisfied by:

(A) Donations for which the donor receives or expects to receive a financial or economic benefit;

(B) Donations intended as consideration for any benefit received from the Tribe or Tribal organization;

(C) Donations whose costs ultimately will be borne by another Federal grant; or

(D) Any other donation which the Secretary or designee determines to benefit the donor in a manner inconsistent with 45 CFR part 92.

(2)(i) A Tribe or Tribal organization that lacks sufficient resources to provide a 10 or 20 percent non-Federal matching share may request a waiver of part or all of the non-Federal share.

(ii) Requests for waiver of part or all of the non-Federal matching share must be included with initial applications for funding, refunding applications, and budget amendment requests, and must contain the following:

(A) A statement that the Tribe or Tribal organization lacks the available resources to meet the 10 or 20 percent non-Federal matching share;

(B) A statement of the amount of the non-Federal share that the Tribe or Tribal organization requests the Secretary or designee to waive;

(C) A statement of the reasons that the Tribe or Tribal organization is unable to meet the non-Federal share requirement; and

(D) Documentation that reasonable efforts to obtain the non-Federal share have been unsuccessful.

(iii) The Secretary or designee may require submission of additional information and documentation as necessary. The Secretary or designee will grant a waiver of all or part of the non-Federal matching share, as appropriate, if he or she determines that a waiver request demonstrates that the Tribe or Tribal organization lacks sufficient resources to provide the non-Federal share, has made reasonable but unsuccessful efforts to obtain non-Federal share contributions, and has provided all required information. Waiver of all or part of the non-Federal share

shall apply only to the budget period for which application was made.

(e) *Increase in approved budget.* A Tribal CSE grantee may request an adjustment to increase the approved level of its current budget by submitting Standard Form 424 (Application for Federal Assistance) and Standard Form 424A (Budget Information “Non-Construction Programs), and explaining why it needs to increase its budget. The Tribe or Tribal organization should submit this request at least 60 days before additional funds are needed, in order to allow the Secretary or designee adequate time to review the estimates and issue a revised grant award as appropriate. Requests for changes to budget levels are subject to approval by the Secretary or designee. If the change in a grantee’s budget estimate results from a change in the grantee’s CSE plan, the grantee also needs to submit a plan amendment in accordance with § 310.25(c) of this part, with its request for additional funding. The effective date of a plan amendment may not be earlier than the first day of the calendar quarter in which an approvable plan is submitted in accordance with § 310.25(e). The Secretary or designee will review the grantee’s request, ask for additional information as necessary, and negotiate any appropriate adjustments with the grantee. The Secretary or designee must approve the plan amendment before approving any additional funding.

(f) *Obtaining Federal funds.* Tribes and Tribal organizations will obtain Federal funds on a draw down basis from the Department’s Payment Management System.

(g) Grant administration requirements. The Tribal CSE program is subject to the grant administration regulations under 45 CFR part 92.

§ 310.135 How long do Tribes and Tribal organizations have to obligate and spend CSE grant funds?

(a) A Tribe or Tribal organization must obligate its CSE grant funds by the end of the budget period for which they were awarded. Any funds that remain unobligated at the end of the budget period for which they were awarded must be returned to the Department. A Tribe or Tribal organiza-

tion must estimate in its refunding application any amounts that may be unobligated at the end of the current budget period. In its fourth quarter financial report for a budget period, a Tribe or Tribal organization must indicate the exact amount of any funds that remained unobligated at the end of that budget period. The Department will reduce the amount of the Tribe or Tribal organization’s grant award for the budget period for which any unobligated funds were awarded by the amount that remained unobligated at the end of this budget period.

(b) A Tribe or Tribal organization must liquidate obligations by the last day of the 12-month period following the budget period for which the funds were awarded and the Tribe or Tribal organization obligated the funds, unless the Department grants an exemption and extends the time period for liquidation. Funds that remain unliquidated after the time period for liquidation has expired must be returned to the Department. Tribes and Tribal organizations may request an exemption to this rule based on extenuating circumstances. A request for an exemption must be sent to the OCSE grants officer listed on the most recent grant award and must be made before the end of the time period for liquidation; such requests are subject to approval by the Department. If any funds remain unliquidated at the end of the maximum time period for liquidation, the Department will reduce the amount of the Tribe or Tribal organization’s grant award for the budget period for which any unliquidated funds were awarded, by the amount that remains unliquidated at the end of the liquidation period. Repeated failure by a Tribe or Tribal organization to liquidate obligations in a timely way would result in the Department’s reexamination of the program budget development process and could result in action to address financial systems deficiencies.

§ 310.140 What are the financial reporting requirements?

(a) A Tribe or Tribal organization operating a Tribal CSE program must submit a Financial Status Report, Standard Form 269, quarterly. The Financial Status Reports for each of the

§ 310.145

45 CFR Ch. III (10–1–03 Edition)

first three quarters of the budget period are due 30 days after the end of each quarterly reporting period. The Financial Status Report for the fourth quarter is due 90 days after the end of the fourth quarter of each budget period.

(b) A Tribe or Tribal organization operating a Tribal CSE program must submit the “Child Support Enforcement Program: Quarterly Report of Collections” (Form OCSE-34A), or such other report as the Secretary or designee may prescribe, quarterly. The reports for each of the first three quarters of the budget period are due 30 days after the end of each quarterly reporting period. The report for the fourth quarter is due 90 days after the end of the fourth quarter of each budget period.

(c) A Tribe or Tribal organization operating a Tribal CSE program must submit a report on the liquidation of its CSE obligations, using the Financial Status Report, Standard Form 269. The liquidation report is due 30 days after the end of the maximum period for liquidation of obligations, or 30 days after all grant funds are liquidated, whichever is earlier.

(d) The Secretary or designee will consider requiring less frequent financial reporting for Tribal CSE agencies that submit the required financial reports timely and accurately, and establish adequate financial systems and effective program operations under the Tribal CSE program.

§ 310.145 What costs are allowable charges to Tribal CSE programs carried out under § 310.65(a) of this part?

Federal funds are available for direct costs of operating a Tribal CSE program under an approved Tribal CSE application carried out under § 310.65(a) of this part, provided that such costs are determined by the Secretary or designee to be reasonable, necessary, and allocable to the program. (d) *Request for review of an adverse determination.* (1) If the State agency wants a review of the determination, it must submit a request for such review to the Director no later than 30 days after the postmark on the notice, unless an extension of time is granted for good cause.

(2) The request for review must contain a full statement of the State's position with respect to the determination being appealed and the pertinent facts and reasons in support of such position. The State agency must attach to the submission a copy of the notice.

GENERAL

§ 400.48 Basis and scope.

This subpart sets forth requirements concerning grants to States under section 412(e) of the Act for refugee cash assistance (RCA). Sections 400.48 through 400.55 apply to both public/private RCA programs and publicly-administered RCA programs.

§ 400.49 Recovery of overpayments and correction of underpayments.

The State agency or its designee agency(s) must maintain a procedure to ensure recovery of overpayments and correction of underpayments in the RCA program.

§ 400.50 Opportunity to apply for cash assistance.

(a) A State or its designee agency(s) must provide any individual wishing to do so, an opportunity to apply for cash assistance and must determine the eligibility of each applicant as promptly as possible within no more than 30 days from the date of application.

(b) A State or its designee agency(s) must inform applicants about the eligibility requirements and the rights and responsibilities of applicants and recipients under the program.

(c) In determining eligibility for cash assistance, the State or its designee agency(s) must promptly refer elderly or disabled refugees and refugees with dependent children to other cash assistance programs to apply for assistance in accordance with § 400.51.

§ 400.51 Determination of eligibility under other programs.

(a) TANF. For refugees determined ineligible for cash assistance under the TANF program, the State or its designee must determine eligibility for refugee cash assistance in accordance with §§ 400.53 and 400.59 in the case of the public/private RCA program or §§ 400.53 and 400.66 in the case of a publicly-administered RCA program.

(b) Cash assistance to the aged, blind, and disabled. (1) SSI. (i) The State

§ 400.52

agency or its designee must refer refugees who are 65 years of age or older, or who are blind or disabled, promptly to the Social Security Administration to apply for cash assistance under the SSI program.

(ii) If the State agency or its designee determines that a refugee who is 65 years of age or older, or blind or disabled, is eligible for refugee cash assistance, it must furnish such assistance until eligibility for cash assistance under the SSI program is determined, provided the conditions of eligibility for refugee cash assistance continue to be met.

(2) OAA, AB, APTD, or AABD. In Guam, Puerto Rico, and the Virgin Islands —

(i) Eligibility for cash assistance under the OAA, AB, APTD, or AABD program must be determined for refugees who are 65 years or older, or who are blind or disabled; and

(ii) If a refugee who is 65 years of age or older, or blind or disabled, is determined to be eligible for refugee cash assistance, such assistance must be furnished until eligibility for cash assistance under the OAA, AB, APTD, or AABD program is determined, provided the conditions of eligibility for refugee cash assistance continue to be met.

§ 400.52 Emergency cash assistance to refugees.

If the State agency or its designee determines that a refugee has an urgent need for cash assistance, it should process the application for cash assistance as quickly as possible and issue the initial payment to the refugee on an emergency basis.

§ 400.53 General eligibility requirements.

(a) Eligibility for refugee cash assistance is limited to those who—

(1) Are new arrivals who have resided in the U.S. less than the RCA eligibility period determined by the ORR Director in accordance with § 400.211;

(2) Are ineligible for TANF, SSI, OAA, AB, APTD, and AABD programs;

(3) Meet immigration and identification requirements in subpart D of this part or are the dependent children of, and part of the same family unit as, individuals who meet the

45 CFR Ch. IV (10–1–03 Edition)

requirements in subpart D, subject to the limitation in § 400.208 with respect to nonrefugee children; and

(4) Are not full-time students in institutions of higher education, as defined by the Director.

(b) A refugee may be eligible for refugee cash assistance under this subpart during a period to be determined by the Director in accordance with § 400.211.

§ 400.54 Notice and hearings.

(a) *Timely and adequate notice.* (1) A written notice must be sent or provided to a recipient at least 10 days before the date upon which refugee cash assistance will be reduced, suspended, or terminated.

(2) In providing notice to an applicant or recipient to indicate that assistance has been authorized, denied, reduced, suspended, or terminated, the written notice must clearly state the action that will be taken, the reasons for the action, and the right to request a hearing.

(3) In providing notice to an applicant or recipient to indicate that assistance has been authorized, denied, reduced, suspended, or terminated, the State or its designee agency(s) must specify the program(s) to which the notice applies, clearly distinguishing between RCA and other assistance programs. For example, in the case of a publicly-administered program, if a refugee applies for assistance and is determined ineligible for TANF but eligible for refugee cash assistance, the notice to the applicant must specify clearly the determinations with respect both to TANF and to refugee cash assistance. When a recipient of refugee cash assistance is notified of termination because of reaching the time limit on such assistance, the State or its designee must review the case file to determine possible eligibility for TANF or GA due to changed circumstances and the notice to the recipient must indicate the result of that determination as well as the termination of RCA.

(b) *Hearings.* All applicants for and recipients of refugee cash assistance must be provided an opportunity for a

hearing to contest adverse determinations. States must ensure that hearings meet the due process standards in *Goldberg v. Kelly*, 397 U.S. 254 (1970).

(1) *Public/private RCA programs.* The State must specify in the public/private RCA plan the hearing procedures to be used in the RCA program. The plan may specify that the local resettlement agency(s) will refer all hearing requests to a State-administered hearing process. If the plan does not specify the use of a State-administered hearing process, then the procedures to be followed must include:

(i) The State or local resettlement agency(s) responsible for the provision of RCA must provide an applicant for or recipient of refugee cash assistance an opportunity for an oral hearing to contest adverse determinations. Hearings must be conducted by an impartial official or designee of the State or local resettlement agency who has not been involved directly in the initial determination of the action in question.

(ii) The State must ensure that procedures are established to provide refugees a right of final appeal for an in-person hearing provided by an impartial, independent entity outside of the local resettlement agency.

(iii) Final administrative action must be taken within 60 days from the date of a request for a hearing.

(2) *Publicly-administered RCA programs.* The State must specify in the State Plan referenced in § 400.4 the public agency hearing procedures it intends to use in the RCA program.

(3) In both a public/private RCA program and a publicly-administered RCA program, the written notice of any hearing determination must adequately explain the basis for the decision and the refugee's right to request any further administrative or judicial review.

(4) In both a public/private RCA program and a publicly-administered RCA program, a refugee's benefits may not be terminated prior to completion of final administrative action, but are subject to recovery by the agency if the action is sustained.

(5) In both a public/private RCA program and a publicly-administered RCA program, a hearing need not be granted when Federal law requires automatic

grant adjustments for classes of recipients unless the reason for an individual appeal is an incorrect grant computation.

(6) In both a public/private RCA program and a publicly-administered RCA program, a hearing need not be granted when assistance is terminated because the eligibility time period imposed by law has been reached, unless there is a disputed issue of fact that is unresolved by the process in § 400.23.

§ 400.55 Availability of agency policies.

A State, or the agency(s) responsible for the provision of RCA, must make available to refugees the written policies of the RCA program, including agency policies regarding eligibility standards, the duration and amount of cash assistance payments, the requirements for participation in services, the penalties for non-cooperation, and client rights and responsibilities to ensure that refugees understand what they are eligible for, what is expected of them, and what protections are available to them. The State, or the agency(s) responsible for the provision of RCA, must ensure that agency policy materials and all notices required in §§ 400.54, 400.82, and 400.83, are made available in written form in English and in appropriate languages where a significant number or proportion of the recipient population needs information in a particular language. In regard to refugee language groups that constitute a small number or proportion of the recipient population, the State, or the agency(s) responsible for the provision of RCA, at a minimum, must use an alternative method, such as verbal translation in the refugee's native language, to ensure that the content of the agency's policies is effectively communicated to each refugee.

PUBLIC/PRIVATE RCA PROGRAM

§ 400.56 Structure.

(a) States may choose to enter into a partnership agreement with local resettlement agencies for the operation of a public/private RCA program. Sections 400.56 through 400.63 apply to the public/private RCA program.

(b) The public/private RCA program must be administered by the State

§ 400.57

through contracts or grants with local resettlement agencies or a lead resettlement agency that provides initial resettlement services under the terms of the Department of State Cooperative Agreement for Reception and Placement.

(c) The public/private RCA program must be statewide, unless the State determines that it is not in the best interests of refugees to provide a public/private RCA program in a particular area of the State.

(d) Local resettlement agencies may be responsible for determining eligibility, and authorizing and providing payments to eligible refugees.

(e) States and local resettlement agencies may not propose to operate a public/private RCA program and a publicly-administered RCA program in the same geographic location.

(f) States must ensure the provision of RCA assistance to eligible refugees in the State who are sponsored by local resettlement agencies in bordering states, where applicable.

§ 400.57 Planning and consultation process.

A State that wishes to establish a public/private RCA program must engage in a planning and consultation process with the local agencies that resettle refugees in the State to develop a public/private RCA plan in accordance with the requirements under § 400.58.

(a) Primary participants in the planning process must include representatives of the State and each local agency that resettles refugees in the State. During the planning process, the State must fully consult with representatives of counties, refugee mutual assistance associations (MAAs), local community services agencies, national voluntary agencies that resettle refugees in the State, representatives of each refugee ethnic group, and other agencies that serve refugees.

(b) Each local resettlement agency that resettles refugees in the State must inform its national resettlement agency of the proposed public/private RCA program and must obtain a letter of agreement from the national agency that indicates that the national agency supports the public/private RCA plan

45 CFR Ch. IV (10–1–03 Edition)

and will continue to place refugees in the State under the public/private RCA program.

§ 400.58 Content and submission of public/private RCA plan.

(a) States and local resettlement agencies must develop a public/private RCA plan which describes how the State and local resettlement agencies will administer and provide refugee cash assistance to eligible refugees. The plan must describe the agreed-upon public/private RCA program including:

(1) The proposed income standard to be used to determine RCA eligibility;

(2) The proposed payment levels to be used to provide cash assistance to eligible refugees;

(3) Assurance that the payment levels established are not lower than the comparable State TANF amounts;

(4) A detailed description of how benefit payments will be structured, including a description of employment incentives and/or income disregards to be used, if any, as well as methods of payment to be used, such as direct cash or vendor payments;

(5) A description of how all RCA eligible refugees residing in the State will have reasonable access to cash assistance and services;

(6) A description of the procedures to be used to ensure appropriate protections and due process for refugees, such as the correction of underpayments, notice of adverse action and the right to mediation, a pre-determination hearing, and an appeal to an independent entity;

(7) A description of proposed exemptions from participation in employability services;

(8) A description of the employment and self-sufficiency services to be provided to RCA recipients by—

(i) Local resettlement agencies under contract or grant, and/or

(ii) Other refugee services providers;

(9) Procedures for providing RCA to eligible secondary migrants who move to the State, including secondary migrants who were sponsored by a local resettlement agency that does not have a presence in the receiving State;

(10) If applicable, provisions for providing assistance to refugees resettling

§ 400.60

in the State who are sponsored by a local resettlement agency in a bordering State which does not have an office in the State of resettlement;

(11) A description of the procedures to be used to safeguard the disclosure of information regarding refugee clients;

(12) Letters of agreement from the national voluntary resettlement agencies that indicate support for the proposed public/private RCA program and indicate that refugee placements in the State will continue under the public/private RCA program;

(13) A breakdown of the proposed program and administrative costs of both the cash assistance and service components of the public/private RCA program, including any per capita caps on administrative costs only if a State proposes to use such caps; and

(14) The proposed implementation date for the State's public/private RCA program;

(b) In cases where the State, after consultation with the local resettlement agencies in the State, determines that a public/private RCA program is not feasible statewide and proposes to implement a public/private RCA program in only a portion of the State and to operate a publicly-administered RCA program in the balance of the State, the State's RCA plan must include the information required in § 400.65(b).

(c) The plan must be signed by the Governor or his or her designee.

(d) The Director of ORR will follow the procedures in § 400.8 for the approval of public/private RCA plans. An approved public/private RCA plan will be incorporated into the refugee program State Plan.

(e) Any amendments to the public/private RCA plan must be developed in consultation with the local resettlement agencies and must be submitted to ORR in accordance with § 400.8. The Director of ORR will follow the procedures in § 400.8 for approval of amendments to public/private RCA plans.

§ 400.59 Eligibility for the public/private RCA program.

(a) Eligibility for refugee cash assistance under the public/private program is limited to those who meet the in-

come eligibility standard established by the State after consultation with local resettlement agencies in the State.

(b) Any resources remaining in the applicant's country of origin may not be considered in determining income eligibility.

(c) A sponsor's income and resources may not be considered to be accessible to a refugee solely because the person is serving as a sponsor.

(d) Any cash grant received by a refugee under the Department of State or Department of Justice Reception and Placement programs may not be considered in determining income eligibility.

§ 400.60 Payment levels.

(a) Under the public/private RCA program, States and the local resettlement agencies contracted or awarded grants to administer the RCA program must make monthly cash assistance payments to eligible refugees that do not exceed the following payment ceilings, according to the number of persons in the family unit, except as noted in paragraphs (b) and (c) of this section. For family units greater than 4 persons, the payment ceiling may be increased by \$70 for each additional person.

Size of family unit	Monthly payment ceiling
1 person	\$335
2 persons	450
3 persons	570
4 persons	685

(b) States and local resettlement agencies may not make payments to refugees that are lower than the State's TANF payment for the same sized family unit. In States that have TANF payment levels that are higher than the ceilings established in this section, States and local resettlement agencies must provide payment levels under the public/private RCA program that are comparable to the State's TANF payment levels.

(c) Income disregards and other incentives. (1) States and local resettlement agencies may design an assistance program that combines RCA payments with income disregards or other

§ 400.61

incentives such as employment bonuses, or graduated payments in order to encourage early employment and self-sufficiency, as long as the total combined payments to a refugee do not exceed the ORR monthly ceilings established in this section multiplied by the allowable number of months of RCA eligibility.

(2) States that elect to exceed monthly payment ceilings in order to provide employment incentives must budget their resources to ensure that sufficient RCA funds are available to cover a refugee's cash assistance needs in the latter months of a refugee's eligibility period, if needed.

(d) If the Director determines that the payment ceilings need to be adjusted for inflation, the Director will publish a document in the FEDERAL REGISTER announcing the new payment ceilings.

§ 400.61 Services to public/private RCA recipients.

(a) Services provided to recipients of refugee cash assistance in the public/private RCA program may be provided by the local resettlement agencies that administer the public/private RCA program or by other refugee service agencies.

(b) Allowable services under the public/private program are limited to those services described in §§ 400.154 and 400.155 and are to be funded in accordance with § 400.206.

(c) In public/private programs in which local resettlement agencies are responsible for administering both cash assistance and services, States and local resettlement agencies must coordinate on a regular basis with refugee mutual assistance associations and other ethnic representatives that represent or serve the ethnic populations that are being resettled in the U.S. to ensure that the services provided under the public/private RCA program:

(1) Are appropriate to the linguistic and cultural needs of the incoming populations; and

(2) Are coordinated with the longer-term resettlement services frequently

45 CFR Ch. IV (10–1–03 Edition)

provided by ethnic community organizations after the end of the time-limited RCA eligibility period.

(d) In public/private programs in which the agencies responsible for providing services to RCA recipients are not the same agencies that administer the cash assistance program, the State must:

(1) Establish procedures to ensure close coordination between the local resettlement agencies that provide cash assistance and the agencies that provide services to RCA recipients; and

(2) Set up a system of accountability that identifies the responsibilities of each participating agency and holds these agencies accountable for the results of the program components for which they are responsible.

§ 400.62 Treatment of eligible secondary migrants, asylees, and Cuban/Haitian entrants.

The State and local resettlement agencies must establish procedures to ensure that eligible secondary migrant refugees, asylees, and Cuban/Haitian entrants have access to public/private RCA assistance if they wish to apply. In developing these procedures, consideration must be given to ensuring coverage of eligible secondary migrants and other eligible applicants who were sponsored by a resettlement agency which does not have a presence in the State or who were not sponsored by any agency.

§ 400.63 Preparation of local resettlement agencies.

The State and the national voluntary agencies whose affiliate agencies will be responsible for implementing the public/private RCA program:

(a) Must determine the training needed to enable local resettlement agencies to achieve a smooth implementation of the RCA program; and

(b) Must provide the training in a uniform way to ensure that all local resettlement agencies in the State will implement the public/private RCA program in a consistent manner.

§ 400.70

**PUBLICLY-ADMINISTERED RCA
PROGRAMS**

§ 400.65 Continuation of a publicly-administered RCA program.

Sections 400.65 through 400.69 apply to publicly-administered RCA programs. If a State chooses to operate a publicly-administered RCA program:

(a) The State may operate its refugee cash assistance program consistent with its TANF program.

(b) The State must submit an amendment to its State Plan, describing the elements of its TANF program that will be used in its refugee cash assistance program.

§ 400.66 Eligibility and payment levels in a publicly-administered RCA program.

(a) In administering a publicly-administered refugee cash assistance program, the State agency must operate its refugee cash assistance program consistent with the provisions of its TANF program in regard to:

(1) The determination of initial and on-going eligibility (treatment of income and resources, budgeting methods, need standard);

(2) The determination of benefit amounts (payment levels based on size of the assistance unit, income disregards);

(3) Proration of shelter, utilities, and similar needs; and

(4) Any other State TANF rules relating to financial eligibility and payments.

(b) The State agency may not consider any resources remaining in the applicant's country of origin in determining income eligibility.

(c) The State agency may not consider a sponsor's income and resources to be accessible to a refugee solely because the person is serving as a sponsor.

(d) The State agency may not consider any cash grant received by the applicant under the Department of State or Department of Justice Reception and Placement programs.

(e) The State agency may use the date of application as the date refugee cash assistance begins in order to provide payments quickly to newly arrived refugees.

§ 400.67 Non-applicable TANF requirements.

States that choose to operate an RCA program modeled after TANF may not apply certain TANF requirements to refugee cash assistance applicants or recipients as follows: TANF work requirements may not apply to RCA applicants or recipients, and States must meet the requirements in subpart I of this part with respect to the provision of services for RCA recipients.

§ 400.68 Notification to local resettlement agency.

(a) The State must notify promptly the local resettlement agency which provided for the initial resettlement of a refugee whenever the refugee applies for refugee cash assistance under a publicly-administered RCA program.

(b) The State must contact the applicant's sponsor or the local resettlement agency concerning offers of employment and inquire whether the applicant has voluntarily quit employment or has refused to accept an offer of employment within 30 consecutive days immediately prior to the date of application, in accordance with § 400.77(a).

§ 400.69 Alternative RCA programs.

A State that determines that a public/private RCA program or a publicly-administered program modeled after its TANF program is not the best approach for the State may choose instead to establish an alternative approach under the Wilson/Fish program, authorized by section 412(e)(7) of the INA.

[54 FR 5477, Feb. 3, 1989, as amended at 60 FR 33602, June 28, 1995; 65 FR 15448, Mar. 22, 2000]

CRITERIA FOR APPROPRIATE EMPLOYABILITY SERVICES AND EMPLOYMENT

§ 400.81 Criteria for appropriate employability services and employment.

The State agency or its designee must determine if employability services and employment are appropriate in accordance with the following criteria:

(a) The services or employment must meet the following criteria, or, if approved by the Director, the comparable

criteria applied by the State in an alternative program for TANF recipients:

(1) All assignments must be within the scope of the individual's employability plan. The plan may be modified to reflect changed services or employment conditions.

(2) The services or employment must be related to the capability of the individual to perform the task on a regular basis. Any claim of adverse effect on physical or mental health must be based on adequate medical testimony from a physician or licensed or certified psychologist indicating that participation would impair the individual's physical or mental health.

(3) The total daily commuting time to and from home to the service or employment site must not normally exceed 2 hours, not including the transporting of a child to and from a child care facility, unless a longer commuting distance or time is generally accepted in the community, in which case the round trip commuting time must not exceed the generally accepted community standards.

(4) When child care is required, the care must meet the standards normally required by the State in its work and training programs for TANF recipients.

(5) The service or work site to which the individual is assigned must not be in violation of applicable Federal, State, or local health and safety standards.

(6) Assignments must not be made which are discriminatory in terms of age, sex, race, creed, color, or national origin.

(7) Appropriate work may be temporary, permanent, full-time, part-time, or seasonal work if such work meets the other standards of this section.

(8) The wage shall meet or exceed the Federal or State minimum wage law, whichever is applicable, or if such laws are not applicable, the wage shall not be substantially less favorable than the wage normally paid for similar work in that labor market.

(9) The daily hours of work and the weekly hours of work shall not exceed those customary to the occupation. And

(10) No individual may be required to accept employment if:

(i) The position offered is vacant due to a strike, lockout, or other bona fide labor dispute; or

(ii) The individual would be required to work for an employer contrary to the conditions of his existing membership in the union governing that occupation. However, employment not governed by the rules of a union in which he or she has membership may be deemed appropriate.

(11) In addition to meeting the other criteria of this paragraph, the quality of training must meet local employers' requirements so that the individual will be in a competitive position within the local labor market. The training must also be likely to lead to employment which will meet the appropriate work criteria.

(b) If an individual is a professional in need of professional refresher training and other recertification services in order to qualify to practice his or her profession in the United States, the training may consist of full-time attendance in a college or professional training program, provided that such training: Is approved as part of the individual's employability plan by the State agency, or its designee; does not exceed one year's duration (including any time enrolled in such program in the United States prior to the refugee's application for assistance); is specifically intended to assist the professional in becoming relicensed in his or her profession; and, if completed, can realistically be expected to result in such relicensing. This training may only be made available to individuals who are employed.

(c) A job offered, if determined appropriate under the requirements of this subpart, is required to be accepted by the refugee without regard to whether such job would interrupt a program of services planned or in progress unless the refugee is currently participating in a program *in progress* of on-the-job training (as described in § 400.154(c)) or vocational training (as described in § 400.154(e)) which meets the requirements of this part and which is being

carried out as part of an approved employability plan.

FAILURE OR REFUSAL TO ACCEPT EMPLOYABILITY SERVICES OR EMPLOYMENT

§ 400.82 Failure or refusal to accept employability services or employment.

(a) *Termination of assistance.* When, without good cause, an employable non-exempt recipient of refugee cash assistance under the public/private RCA program or under a publicly-administered RCA program has failed or refused to meet the requirements of § 400.75(a) or has voluntarily quit a job, the State, or the agency(s) responsible for the provision of RCA, must terminate assistance in accordance with paragraphs (b) and (c) of this section.

(b) *Notice of intended termination*—(1) In cases of proposed action to reduce, suspend, or terminate assistance, the State or the agency(s) responsible for the provision of RCA, must give timely and adequate notice, in accordance with adverse action procedures required at § 400.54.

(2) The State, or the agency(s) responsible for the provision of RCA, must provide written procedures in English and in appropriate languages, in accordance with requirements in § 400.55, for the determination of good cause, the sanctioning of refugees who do not comply with the requirements of the program, and for the filing of appeals by refugees.

(3) In addition to the requirements in § 400.54, the written notice must include—

(i) An explanation of the reason for the action and the proposed adverse consequences; and

(ii) Notice of the recipient's right to mediation and a hearing under § 400.83.

(4) A written notice in English and a written translated notice, or a verbal translation of the notice, in accordance with the requirements in § 400.55, must be sent or provided to a refugee at least 10 days before the date upon which the action is to become effective.

(c) *Sanctions.* (1) If the sanctioned individual is the only member of the fil-

ing unit, the assistance shall be terminated. If the filing unit includes other members, the State shall not take into account the sanctioned individual's needs in determining the filing unit's need for assistance.

(2) The sanction applied in paragraph (b)(3)(i) of this section shall remain in effect for 3 payment months for the first such failure and 6 payment months for any subsequent such failure.

[54 FR 5477, Feb. 3, 1989, as amended at 60 FR 33602, June 28, 1995; 65 FR 15448, Mar. 22, 2000]

§ 400.83 Mediation and fair hearings.

(a) *Mediation.* (1) *Public/private RCA program.* The State must ensure that a mediation period prior to imposition of sanctions is provided to refugees by local resettlement agencies under the public/private RCA program. Mediation shall begin as soon as possible, but no later than 10 days following the date of failure or refusal to participate, and may continue for a period not to exceed 30 days. Either the State (or local resettlement agency(s) responsible for the provision of RCA) or the recipient may terminate this period sooner when either believes that the dispute cannot be resolved by mediation.

(2) *Publicly-administered RCA programs.* Under a publicly-administered RCA program, the State must use the same procedures for mediation/conciliation as those used in its TANF program, if available.

(b) *Hearings.* The State or local resettlement agency(s) responsible for the provision of RCA must provide an applicant for, or recipient of, refugee cash assistance an opportunity for a hearing, using the same procedures and standards set forth in § 400.54, to contest a determination concerning employability, or failure or refusal to carry out job search or to accept an appropriate offer of employability services or employment, resulting in denial or termination of assistance.

Subpart H—Child Welfare Services

SOURCE: 51 FR 3915, Jan. 30, 1986, unless otherwise noted.

§ 400.110 Basis and scope.

This subpart prescribes requirements concerning grants to States under section 412(d)(2)(B) of the Act for child welfare services to refugee unaccompanied minors.

§ 400.111 Definitions.

For purposes of this subpart—

Child welfare agency means an agency licensed or approved under State law to provide child welfare services to children in the State.

Unaccompanied minor means a person who has not yet attained 18 years of age (or a higher age established by the State of resettlement in its child welfare plan under title IV-B of the Social Security Act for the availability of child welfare services to any other child in the State); who entered the United States unaccompanied by and not destined to (a) a parent or (b) a close nonparental adult relative who is willing and able to care for the child or (c) an adult with a clear and court-verifiable claim to custody of the

minor; and who has no parent(s) in the United States. *Limitation:* No child may be considered by a State to be *unaccompanied* for the purpose of this part unless such child was identified by INS at the time of entry as *unaccompanied*, except that a child who was correctly classified as *unaccompanied* by a State in accordance with Action Transmittal SSA-AT-79-04 (and official interpretations thereof by the Director) prior to the effective date of this definition may continue to be so classified until such status is terminated in accordance with § 400.113(b) of this subpart; and the Director may approve the classification of a child as *unaccompanied* on the basis of information provided by a State showing that such child should have been classified as *unaccompanied* at the time of entry.

Title IV-B plan means a State's plan for providing child welfare services to children in the State under part B of title IV of the Social Security Act.

§ 400.112 Child welfare services for refugee children.

(a) In providing child welfare services to refugee children in the State, a State must provide the same child welfare services and benefits to the same extent as are provided to other children of the same age in the State under a State's title IV-B plan.

(b) A State must provide child welfare services to refugee children according to the State's child welfare standards, practices, and procedures.

(c) Foster care maintenance payments must be provided under a State's program under title IV-E of the Social Security Act if a child is eligible under that program.

§ 400.113 Duration of eligibility.

(a) Except as specified in paragraph (b), a refugee child may be eligible for services under § 400.112 of this part during the 36-month period beginning with the first month the child entered the United States.

(b) An unaccompanied minor continues to meet the definition of "unaccompanied minor" and is eligible for benefits and services under §§ 400.115 through 400.120 of this part until the minor—

(1) Is reunited with a parent; or

(2) Is united with a nonparental adult (relative or nonrelative) willing and able to care for the child to whom legal custody and/or guardianship is granted under State law; or

(3) Attains 18 years of age or such higher age as the State's title IV-B plan prescribes for the availability of child welfare services to any other child in the State.

§ 400.114 [Reserved]

§ 400.115 Establishing legal responsibility.

(a) A State must ensure that legal responsibility is established, including legal custody and/or guardianship, as appropriate, in accordance with applicable State law, for each unaccompanied minor who resettles in the State. The State must initiate procedures for establishing legal responsibility for the minor, with an appropriate court (if action by a court is required by State law), within 30 days after the minor arrives at the location of resettlement.

(b) In establishing legal responsibility, including legal custody and/or guardianship under State law, as appropriate, the minor's natural parents should not be contacted in their native country since contact could be dangerous to the parents.

(c) Unaccompanied minors are not generally eligible for adoption since family reunification is the objective of the program. In certain rare cases, adoption may be permitted pursuant to adoption laws in the State of resettlement, provided a court finds that: (1) Adoption would be in the best interest of the child; and (2) there is termination of parental rights (for example, in situations where the parents are dead or are missing and presumed dead) as determined by the appropriate State court. When adoption occurs, the child's status as an unaccompanied minor terminates.

§ 400.116 Service for unaccompanied minors.

(a) A State must provide unaccompanied minors with the same range of child welfare benefits and services available in foster care cases to other

§ 400.117

children in the State. Allowable benefits and services may include foster care maintenance (room, board, and clothing) payments; medical assistance; support services; services identified in the State's plans under titles IV-B and IV-E of the Social Security Act; services permissible under title XX of the Social Security Act; and expenditures incurred in establishing legal responsibility.

(b) A State may provide additional services if the Director, or his or her designee, determines such services to be reasonable and necessary for a particular child or children and provides written notification of such determination to the State.

§ 400.117 Provision of care and services.

(a) A State may provide care and services to an unaccompanied minor directly or through arrangements with a public or private child welfare agency approved or licensed under State law.

(b) If a State arranges for the care and services through a public or private nonprofit child welfare agency, it must retain oversight responsibility for the appropriateness of the unaccompanied minor's care.

§ 400.118 Case planning.

(a) A State, or its designee under § 400.117, must develop and implement an appropriate plan for the care and supervision of, and services provided to, each unaccompanied minor, to ensure that the child is placed in a foster home or other setting approved by the legally responsible agency and in accordance with the child's need for care and for social, health, and educational services.

(b) Case planning for unaccompanied minors must, at a minimum, address the following elements:

(1) Family reunification;

(2) Appropriate placement of the unaccompanied child in a foster home, group foster care, residential facility, supervised independent living, or other setting, as deemed appropriate in meeting the best interest and special needs if the child.

(3) Health screening and treatment, including provision for medical and

45 CFR Ch. IV (10–1–03 Edition)

dental examinations and for all necessary medical and dental treatment.

(4) Orientation, testing, and counseling to facilitate the adjustment of the child to American culture.

(5) Preparation for participation in American society with special emphasis upon English language instruction and occupational as well as cultural training as necessary to facilitate the child's social integration and to prepare the child for independent living and economic self-sufficiency.

(6) Preservation of the child's ethnic and religious heritage.

(c) A State, or its designee under section 400.117 of this part, must review the continuing appropriateness of each unaccompanied minor's living arrangement and services no less frequently than every 6 months.

(Approved by the Office of Management and Budget under control number 0960–0418)

§ 400.119 Interstate movement.

After the initial placement of an unaccompanied minor, the same procedures that govern the movement of nonrefugee foster cases to other States apply to the movement of unaccompanied minors to other States.

§ 400.120 Reporting requirements.

A State must submit to ORR, on forms prescribed by the Director, the following reports on each unaccompanied minor:

(a) An initial report within 30 days of the date of the minor's placement in the State;

(b) A progress report every 12 months beginning with 12 months from the date of the initial report in paragraph (a);

(c) A change of status report within 60 days of the date that—

(1) The minor's placement is changed;

(2) Legal responsibility of any kind for the minor is established or transferred; or

(d) A final report within 60 days of the date of that the minor—

(1) Is reunited with a parent; or

A State may claim only those costs that are determined to be reasonable and allowable as defined by the Administration for Children and Families. Such costs may include reasonable and necessary administrative costs incurred by local resettlement agencies in providing assistance and services under a public/private RCA program. Administrative costs may be

included in a State's claims against its quarterly grants for the purposes set forth in §§ 400.203 through 400.205 of this part.

§ 400.210 Time limits for obligating and expending funds and for filing State claims.

Federal funding is available for a State's expenditures for assistance and services to eligible refugees for which the following time limits are met:

(a) *CMA grants*, as described at § 400.11(a)(1) of this part:

(1) Except for services for unaccompanied minors, a State must use its CMA grants for costs attributable to the Federal fiscal year (FFY) in which the Department awards the grants. With respect to CMA funds used for services for unaccompanied minors, the State may use its CMA funds for services provided during the Federal fiscal year following the FFY in which the Department awards the funds.

(2) A State's final financial report on expenditures of CMA grants, including CMA expenditures for services for unaccompanied minors, must be received no later than one year after the end of the FFY in which the Department awarded the grant. At that time, the Department will deobligate any unexpended funds, including any unliquidated obligations.

(b) *Social service grants and targeted assistance grants*, as described, respectively, at §§ 400.11(a)(2) and 400.311 of this part:

(1) A State must obligate its social service and targeted assistance grants no later than one year after the end of the FFY in which the Department awards the grant.

(2) A State must expend its social service and targeted assistance grants no later than two years after the end of the FFY in which the Department awards the grant. A State's final financial report on expenditures of social services and targeted assistance grants must be received no later than 90 days after the end of the two-year expenditure period. At that time, if a State's final financial expenditure report has not been received, the Department will deobligate any unexpended funds, including any unliquidated obligations, based on a State's last submitted financial report.

[60 FR 33604, June 28, 1995, as amended at 65 FR 15450, Mar. 22, 2000]

§ 400.211 Methodology to be used to determine time-eligibility of refugees.

(a) The time-eligibility period for refugee cash assistance and refugee medical assistance will be determined by the Director each year, based on appropriated funds available for the fiscal year. The Director will make a determination of the eligibility period each year as soon as possible after funds are appropriated for the refugee program, and also at subsequent points during the fiscal year, only if a reduction in the eligibility period is indicated, based on updated information on refugee flows and State reports on receipt of assistance and expenditures. The method to be used to determine the RCA/RMA eligibility period will include the following steps and will be applied to various RCA/RMA time-eligibility periods in order to determine the time-eligibility period which will provide the most number of months without incurring a shortfall in funds for the fiscal year.

(1) The time-eligibility population for the projected fiscal year will be estimated on the basis of the refugee admissions ceiling established by the President for that fiscal year and the anticipated arrival of other persons eligible for refugee assistance, to the extent that data on these persons are available. The anticipated pattern of refugee flow for the projected fiscal year will be estimated based on the best available historical and current refugee flow information that will most accurately forecast the refugee flow for the projected fiscal year. These arrival figures will then be used to determine the time-eligible population for a given duration of RCA/RMA benefits.

(2) The average annual number of RCA and RMA recipients will be determined by multiplying the estimated time-eligible population established in paragraph (a)(1) of this section by the estimated RCA and RMA participation rates. The RMA participation rate will take into account both RCA recipients, who are also eligible for RMA, and RMA-only recipients. Recipient data from quarterly performance reports submitted by States for the most recent 4 quarters for which reports are

available will be used to determine the appropriate participation rates for various RCA/RMA time-eligibility periods.

(3) The average annual per recipient cost for RCA and RMA will be estimated separately, based on estimated per recipient costs for the most recent fiscal year, using available data, and inflated for the projected fiscal year using projected increases in per capita cash assistance costs for RCA and per capita Medicaid costs for RMA.

(4) The expected average number of RCA recipients will be multiplied by the expected RCA per recipient cost to derive estimated RCA costs. The expected average annual number of RMA recipients will be multiplied by the expected RMA per recipient cost to derive estimated RMA costs.

(5) State administrative costs for the projected fiscal year for all States in the aggregate will be estimated based on total actual allowable expenditures for State administration for the most recent fiscal year. The variable portion of administrative costs will be adjusted for changes in program participation and inflated by the Consumer Price Index (CPI) for all items as estimated by the Office of Management and Budget (OMB). The fixed portion of administrative costs will be adjusted by the CPI inflator only.

(6) The total estimated costs for the projected fiscal year will equal the combined estimated costs for RCA, RMA, and State administration as calculated in paragraphs (a)(1) through (5) of this section.

(b) If, as the Director determines, the period of eligibility needs to be changed from the eligibility period in effect at the time, the Director will publish a final notice in the FEDERAL REGISTER, announcing the new period of eligibility for refugee cash assistance and refugee medical assistance and the effective date for implementing the new eligibility period. States will be given as much notice as available funds will allow without resulting in a further reduction in the eligibility period. At a minimum, States will be given 30 days' notice.

§400.212 Restrictions in the use of funds.

Federal funding under this part is not available for travel outside the United States without the written approval of the Director.

[60 FR 33604, June 28, 1995]

§400.220 Counting time-eligibility of refugees.

A State may calculate the time-eligibility of a refugee under this part in either of the following ways:

(a) On the basis of calendar months, in which case the month of arrival in the United States must count as the first month; or

(b) On the basis of the actual date of arrival, in which case each month will be counted from that specific date.

[54 FR 5483, Feb. 3, 1989]

Subpart K—Waivers and Withdrawals

§400.300 Waivers.

If a State wishes to apply for a waiver of a requirement of this part, the Director may waive such requirement with respect to such State, unless required by statute, if the Director determines that such waiver will advance the purposes of this part and is appropriate and consistent with Federal refugee policy objectives. To the fullest extent practicable, the Director will approve or disapprove an application for a waiver within 130 days of receipt of such application. The Director shall provide timely written notice of the reasons for denial to States whose applications are disapproved.

[60 FR 33604, June 28, 1995]

§400.301 Withdrawal from the refugee program.

(a) In the event that a State decides to cease participation in the refugee program, the State must provide 120 days advance notice to the Director before withdrawing from the program.

(b) To participate in the refugee program, a State is expected to operate all components of the refugee program, including refugee cash and medical assistance, social services, preventive health, and an unaccompanied minors

program if appropriate. A State is also expected to play a coordinating role in the provision of assistance and services in accordance with §400.5(b). In the event that a State wishes to retain responsibility for only part of the refugee program, it must obtain prior approval from the Director of ORR. Such approval will be granted if it is in the best interest of the Government.

(c) When a State withdraws from all or part of the refugee program, the Director may authorize a replacement designee or designees to administer the provision of assistance and services, as appropriate, to refugees in that State. A replacement designee must adhere to the same regulations under this part that apply to a State-administered program, with the exception of the following provisions: 45 CFR 400.5(d), 400.7, 400.51(b)(2)(i), 400.58(c), 400.94(a), 400.94(b), 400.94(c), and subpart L. Replacement designees must also adhere to the Subpart L regulations regarding formula allocation grants for targeted assistance, if the State authorized the replacement designee appointed by the Director to act as its agent in applying for and receiving targeted assistance funds. Certain provisions are excepted because they apply only to States and become moot when a State withdraws from participation in the refugee program and is replaced by another entity. States would continue to be responsible for administering the other excepted provisions because these provisions refer to the administration of other State-run public assistance programs.

Subpart L—Targeted Assistance

SOURCE: 60 FR 33604, June 28, 1995, unless otherwise noted.

§400.310 Basis and scope.

This subpart sets forth requirements concerning formula allocation grants to States under section 412(c)(2) of the Act for targeted assistance.

§400.311 Definitions.

For purposes of this subpart—

§ 400.312

“Targeted assistance grants” means formula allocation funding to States for assistance to counties and similar areas in the States where, because of factors such as unusually large refugee populations (including secondary migration), high refugee concentrations, and high use of public assistance by refugees, there exists and can be demonstrated a specific need for supplementation of available resources for services to refugees.

§ 400.312 Opportunity to apply for services.

A State must provide any individual wishing to do so an opportunity to apply for targeted assistance services and determine the eligibility of each applicant.

FUNDING AND SERVICE PRIORITIES

§ 400.313 Use of funds.

A State must use its targeted assistance funds primarily for employability services designed to enable refugees to obtain jobs with less than one year's participation in the targeted assistance program in order to achieve economic self-sufficiency as soon as possible. Targeted assistance services may continue to be provided after a refugee has entered a job to help the refugee retain employment or move to a better job. Targeted assistance funds may not be used for long-term training programs such as vocational training that last for more than a year or educational programs that are not intended to lead to employment within a year.

§ 400.314 Priority in provision of services.

A State must plan its targeted assistance program and allocate its targeted assistance funds in such a manner that services are provided to refugees in the following order of priority, except in certain individual extreme circumstances:

- (a) Cash assistance recipients, particularly long-term recipients;
- (b) Unemployed refugees who are not receiving cash assistance; and
- (c) Employed refugees in need of services to retain employment or to attain economic independence.

45 CFR Ch. IV (10–1–03 Edition)

§ 400.315 General eligibility requirements.

(a) For purposes of determining eligibility of refugees for services under this subpart, the same standards and criteria shall be applied as are applied in the determination of eligibility for refugee social services under §§ 400.150 and 400.152(a).

(b) A State may not provide services under this subpart, except for referral and interpreter services, to refugees who have been in the United States for more than 60 months, except that refugees who are receiving employability services, as defined in § 400.316, as of September 30, 1995, as part of an employability plan, may continue to receive those services through September 30, 1996, or until the services are completed, whichever occurs first, regardless of their length of residence in the U.S.

§ 400.316 Scope of targeted assistance services.

A State may provide the same scope of services under this subpart as may be provided to refugees under §§ 400.154 and 400.155, with the exception of § 400.155(h).

§ 400.317 Service requirements.

In providing targeted assistance services to refugees, a State must adhere to the same requirements as are applied to the provision of refugee social services under § 400.156.

§ 400.318 Eligible grantees.

Eligible grantees are those agencies of State governments which are responsible for the refugee program under 45 CFR 400.5 in States containing counties which qualify for targeted assistance awards. The use of targeted assistance funds for services to Cuban and Haitian entrants is limited to States which have an approved State plan under the Cuban/Haitian Entrant Program (CHEP).

§ 400.319 Allocation of funds.

(a) A State with more than one qualifying targeted assistance county may allocate its targeted assistance funds differently from the formula allocations for counties presented in the ORR targeted assistance notice in a fiscal

year only on the basis of its population of refugees who arrived in the U.S. during the most recent 5-year period. A State may use welfare data as an additional factor in the allocation of targeted assistance funds if it so chooses; however, a State may not assign a greater weight to welfare data than it has assigned to population data in its allocation formula.

(b) A State must assure that not less than 95 percent of the total award to the State is made available to the qualified county or counties, except in those cases where the qualified county or counties have agreed to let the State administer the targeted assistance program in the county's stead.

Subpart A—Introduction

§ 402.1 General.

(a) These regulations implement section 204 of Pub. L. 99-603, the Immigration Reform and Control Act of 1986 (IRCA), as amended. This act establishes a temporary program of State Legalization Impact Assistance Grants (SLIAG) for States. The purpose of SLIAG is to lessen the financial impact on State and local governments resulting from the adjustment of immigration status under the Act of certain groups of aliens residing in the States, the District of Columbia, Puerto Rico, the Virgin Islands, and Guam.

(b) Funds appropriated by section 204 may be applied by States with approved applications to certain State and local government costs incurred:

(1) In providing public assistance and public health assistance to eligible legalized aliens,

(2) For making payments to State educational agencies for the purpose of assisting local educational agencies in providing certain educational services to eligible legalized aliens,

(3) To provide public education and outreach to lawful temporary resident aliens concerning the adjustment to lawful permanent resident status and other matters,

(4) To make payments for education and outreach efforts by State agencies regarding unfair discrimination in employment practices based on national origin or citizenship status, and

(5) To administer the funds provided under this Part.

[56 FR 21246, May 7, 1991]

Allocation means an amount designated for a State, as determined under § 402.31, § 402.33, or § 402.34.

Allotment means the total amount awarded to a State, as determined under § 402.31, § 402.33, or § 402.34.

Department means the U.S. Department of Health and Human Services.

Educational Services means:

(1) For eligible legalized aliens regardless of age enrolled in elementary or secondary school, services allowable under section 607 of the Emergency Immigrant Education Act, 20 U.S.C. 4101, et seq. (Pub. L. 98-511), as in effect on November 6, 1986.

(2) For adult eligible legalized aliens:

(i) Services authorized under the Adult Education Act, 20 U.S.C. 1201 et seq. (Pub. L. 89-750, as amended), as in effect November 6, 1986, and

(ii) English language and other programs designed to enable eligible legalized aliens to attain the citizenship skills required by section 245A(b)(1)(D)(i) of the INA.

Eligible legalized alien means an alien whose status has been adjusted to lawful temporary resident under section 245A, 210, or 210A of the Immigration and Nationality Act, beginning on the effective date of such adjustment as established by the Immigration and Naturalization Service, and continuing until the end of the five-year period beginning on the effective date of such adjustment, provided that during that time the alien remains in lawful temporary or permanent resident status granted under the Act.

Employment discrimination education and outreach means education and outreach efforts by State agencies regarding unfair discrimination in employment practices based on national origin or citizenship status.

(b) Any other public institution or agency that has administrative control and direction of a public elementary or secondary school.

Local government has the same meaning as in 45 CFR part 92.

Nonpublic, as applied to an agency, organization, or institution, means that the agency, organization, or institution is nonprofit and is not under Federal or public supervision or control.

Phase II outreach means public education and outreach (including the provision of information to individuals) to inform temporary resident aliens under section 210, 210A, 245A of the INA and aliens whose applications for such status are pending with the Immigration and Naturalization Service regarding:

Recipient means grantee or sub-grantee.

Secretary means the Secretary of the Department of Health and Human Services.

SLIAG administrative costs means the direct and indirect costs related to administration of funds provided under this part, including: planning and conferring with local officials, preparing the application, audits, allocation of funds, tracking and recordkeeping, monitoring use of funds, and reporting.

SLIAG-related costs include all allowable expenditures, including program administrative costs determined in accordance with §402.21(c), regardless of whether those expenditures actually are reimbursed or paid for with funds allotted to the State under this part. SLIAG-related costs for educational services, Phase II outreach, and employment discrimination education and outreach are limited to the amount of payment that can be made under the Act for those activities, as described in §402.11 (e), (k) and (l), respectively. SLIAG-related costs exclude: (1) Expenditures by a State or local government for costs which are reimbursed or paid for by Federal programs other than SLIAG; and (2) program income (as defined in 45 CFR 74.42 or 45 CFR 92.25(b), as applicable) received from or on behalf of eligible legalized aliens receiving services or benefits for which payment or reimbursement may be made under this part.

designated for the purpose of the Act by the Governor.

Unexpended funds means the amount by which allotments awarded to a State, as determined under § 402.31 and § 402.33 of this part, exceed the State's SLIAG-related costs, as defined in this part, reported in annual reports pursuant to § 402.51 and accepted by the Department as of March 15, 1995.

Unreimbursed SLIAG-related costs means the amount by which a State's total SLIAG-related costs, as defined in this part, reported in annual reports pursuant to § 402.51 and accepted by the Department as of March 15, 1995, exceed the allotments awarded to a State, as determined under § 402.31 and § 402.33 of this part.

Subpart B—Use of Funds

§ 402.10 Allowable use of funds.

(a) Funds provided under § 402.31 and 402.33 of this part for a fiscal year may be used only with respect to SLIAG-related costs incurred in that fiscal year or succeeding fiscal years, except that funds provided for FY 1993 and FY 1994 may be used for SLIAG-related costs incurred in FY 1990 or succeeding years. Funds provided under § 402.34 of this part may be used with respect to SLIAG-related costs incurred in any fiscal year of the program. Funds may be used, subject to §§ 402.11 and 402.26, for the following activities, as defined in this part:

- (1) Public assistance;
- (2) Public health assistance;
- (3) Educational services;
- (4) Employment discrimination education and outreach;
- (5) Phase II outreach;
- (6) SLIAG administrative costs; and
- (7) Program administrative costs.

(b) Unless specifically prohibited by a statute enacted subsequent to November 6, 1986, a State may use SLIAG funds to pay the non-Federal share of costs allowable under (a) of this section incurred in providing assistance or services to eligible legalized aliens under Federal programs that have a matching or cost-sharing requirement,

subject to the provisions of § 402.11(f) of this part.

(c) [Reserved]

(d) Except as provided for in § 402.11(n), funds awarded under this part may be used to reimburse or pay SLIAG-related costs incurred prior to the approval of a State's application or amendment to its application, pursuant to subpart E of this part, provided that such reimbursement or payment is consistent with the Act and this part.

[53 FR 7858, Mar. 10, 1988, as amended at 56 FR 19808, Apr. 30, 1991; 56 FR 21246, May 7, 1991; 59 FR 65726, Dec. 21, 1994]

§ 402.11 Limitations on Use of SLIAG Funds.

(a) Funds provided under this part may be used only for SLIAG-reimbursable activities that—

- (1) Meet the definitions of § 402.2 of this part; and
- (2) Are otherwise consistent with the rules and procedures governing such activities.

(b) Funds provided under this part may not be used for costs to the extent that those costs are otherwise reimbursed or paid for under other Federal programs.

(c) The amount of reimbursement or payment may not exceed 100% of SLIAG-related costs, as defined in this part, associated with SLIAG-reimbursable activities.

(d) A State must use a minimum of 10 percent of its allotment under this part in any fiscal year for costs associated with each of the following program categories: public assistance, public health assistance, and educational services. In the event that a State does not require use of a full 10% in one of the above categories, it must allocate the unused portion equally among the remaining categories listed in this paragraph.

(e) Payments for educational services in any fiscal year may not exceed the amounts described in (e) (3), (4) and (5) of this section, and are subject to the limitations in (e) (1), (2), and (6) of this section.

(1) Payments may be made to a local educational agency in a fiscal year for the purpose of providing educational

§ 402.11

45 CFR Ch. IV (10–1–03 Edition)

services to eligible legalized aliens enrolled in elementary or secondary school only if 500 eligible legalized aliens meeting the conditions in (e)(2) of this section, are enrolled in elementary or secondary public or non-public schools in that local educational agency's jurisdiction in that fiscal year or if such eligible legalized aliens represent at least 3 percent of the total number of students enrolled in elementary or secondary public or non-public schools within that local educational agency's jurisdiction in that fiscal year.

(2) In computing payments to local education agencies or to providers of educational services described in section 204(c)(3)(C) of the Act, State educational agencies may take into account only eligible legalized aliens who have been enrolled in elementary or secondary school, public or non-public school or in educational activities for adults described in § 402.2 in the United States for fewer than three complete academic years.

(3) The amount that may be paid in any fiscal year to a local educational agency with respect to eligible legalized aliens enrolled in elementary and secondary public or non-public school may not exceed an amount equal to \$500 (less, in States receiving Emergency Immigrant Education Act (EIEA) funds, the amount described in (e)(6) of this section) multiplied by the number of eligible legalized aliens meeting the criteria specified in (e)(2) of this section, who are enrolled in public or private non-profit elementary and secondary schools in the jurisdiction of that local educational agency in that fiscal year.

(4) The amount that may be paid in any fiscal year to a local educational agency or other provider of educational services for adults (who are not enrolled in elementary or secondary school), as described in section 204(c)(3)(C) of the Act, may not exceed an amount equal to \$500 multiplied by the number of eligible legalized aliens meeting the criteria in paragraph (e)(2) of this section who receive educational services from that provider in that fiscal year.

(5) In no event may the amount paid to a local education agency or other

provider of educational services exceed the actual costs of providing those services to eligible legalized aliens, as determined in accordance with 45 CFR part 74 (for grants awarded in FY 1988) or 45 CFR part 92 (for grants awarded in FY 1989 and succeeding fiscal years).

(6) The maximum amount of payment to a local educational agency with respect to eligible legalized aliens enrolled in elementary and secondary school will be reduced from the amount described in (e)(3) of this section, by an amount equal to the amount of funds received by the local educational agency with respect to such eligible legalized aliens pursuant to section 606 of the Emergency Immigrant Education Act.

(f) Funds provided under this part may not be used to provide assistance under the programs of financial assistance from which eligible legalized aliens are barred by section 245A(h)(1), 210(f), or 210A(d)(6) of the INA. However, such funds may be used for the State and local share of the costs of providing such assistance to eligible legalized aliens who are excepted from the bar by section 245A(h)(2) or (3), 210(f), or 210A(d)(6) of the INA, provided that such individuals are otherwise eligible for benefits under such programs, and that the costs of providing those benefits are otherwise allowable under the Act, this regulation, and the State's approved application.

(g) Funds provided under this part shall not be used to perform abortions except where the life of the mother would be endangered if the fetus were carrier to term.

(h) Funds provided under this part shall not be used to reimburse or pay costs incurred by any public or private entity or any individual, in the conduct of a medical examination as required for application for adjustment to lawful temporary resident status under 8 CFR 245a.2(i), 8 CFR 210.2(d), or 8 CFR 210a.6(f).

(i) Funds provided under this part shall not be used for client counselling or any other service which would assume responsibility for the adjustment of status of aliens to that of lawful temporary or permanent residence. This prohibition includes assisting an

alien to appeal INS decisions or representation of an alien before any administrative or judicial body.

(j) Funds under this part shall not be used to investigate or prosecute discrimination complaints beyond initial intake and referral, to pay legal fees or other expenses incurred to provide legal counsel to a party alleging discrimination, or to represent such parties before any administrative or judicial body.

(k) A State may use funds to make payments for Phase II outreach activities, including related program administration, from allotments made to it under this part for FY 1989 and succeeding fiscal years. The maximum amount that a State may use for this purpose from a fiscal year's allotment is the greater of 1% of its allotment for that fiscal year or \$100,000.

(l) A State may use funds to make payments for employment discrimination education and outreach activities, including related program administration, from allotments made to it under this part for FY 1989 and succeeding fiscal years. The maximum amount that a State may use from a fiscal year's allotment for this purpose is the greater of 1% of the State's allotment for that fiscal year or \$100,000.

(m) [Reserved]

(n)(1) Except as provided for in paragraph (n)(2) of this section, a State may use SLIAG funds allotted to it for a fiscal year to reimburse or pay only those SLIAG-related costs for employment discrimination education and outreach activities which occurred after approval by the Department of an application or amendment describing those activities, as required by § 402.41(d).

(2) Costs incurred in FY 1990 prior to approval by the Department of an application or amendment containing the information required by § 402.41(d), but after December 18, 1989, for reproduction and dissemination of public information material certified by the Office of the Special Counsel for Immigration-Related Unfair Employment Practices, Department of Justice (hereafter, "Office of the Special Counsel"), pursuant to paragraph (o) of this section may be reimbursed with funds allotted under this part.

(o)(1) With respect to employment discrimination education and outreach, a State shall not use SLIAG funds to pay for the cost of producing or distributing materials prepared for public dissemination unless the Office of the Special Counsel has certified that those materials meet the criteria in paragraph (o)(2) of this section.

(2) Certification of materials described in paragraph (o)(1) of this section shall consist of a finding by the Office of the Special Counsel that information contained in such materials relating to the discrimination provision of the Act is legally accurate and that those materials include reference to the Office of the Special Counsel as a source of information and referral for complaints of discrimination based on citizenship status or national origin. Information regarding the Office of the Special Counsel shall include its address and telephone number, including the toll-free number and toll-free TDD number for the hearing impaired. The Office of the Special Counsel, in the exercise of discretion, may agree to the deletion of any portion of the information referenced in the previous sentence, in those instances where space limitations in printed materials, or time limitations in electronically recorded materials, make inclusion of all the required information impractical.

(p) Funds provided under this part may be used only for SLIAG-related costs submitted to the Department pursuant to § 402.51 and accepted as allowable costs by March 15, 1995.

(q) Funds made available to a State pursuant to § 402.34 shall be utilized by the State to reimburse all allowable costs within 90 days after such State has received a reallocation of funds from the Secretary, but in no event later than July 31, 1995.

§ 402.12 Use of SLIAG Funds for Costs Incurred Prior to October 1, 1987.

(a) Except as indicated in (b) and (c) of this section, States may not use funds provided under this part of costs incurred prior to October 1, 1987.

(b) A State may use funds provided under this part for administrative

costs incurred prior to October 1, 1987, but after November 6, 1986, that are directly associated with implementation of this part. Such costs may include planning, preparing the application, establishing fund accounting and reporting systems, data development associated with the application, and other costs directly resulting from planning for implementation of this part.

(c) A State may use funds provided under this part for costs incurred prior to October 1, 1987, but after November 6, 1986, in providing public health assistance to eligible legalized aliens and to applicants for lawful temporary residence under sections 210, 210A and 245A of the INA, in conformity with the provisions of § 402.10(a).

Subpart C—Administration of Grants

§ 402.20 General provisions.

Except where otherwise required by Federal law, the Department rules codified at 45 CFR part 74 (for grants awarded in FY 1988) or 45 CFR part 92 (for grants awarded in FY 1989 and succeeding fiscal years), relating to the administration of grants, apply to funds awarded under this part. A State may, however, apply any or all provisions of part 92 to FY 1988 SLIAG funds.

[56 FR 19808, Apr. 30, 1991]

§ 402.21 Fiscal control.

(a) Fiscal control and accounting procedures must be sufficient to permit preparation of reports required by the Act, this regulation, and other applicable statutes and regulations.

(b) States must have accounting procedures in place which allow funds provided under this part to be traced from drawdown to allowable SLIAG-related costs. Allowability of the amount and purpose of expenditures must be established for each recipient of SLIAG funds. States must demonstrate that SLIAG-related costs, as defined in this part, incurred in SLIAG-reimbursable activities, equal or exceed the amount of SLIAG funds expended with respect to costs incurred in those activities.

Documentation of the method of accounting and appropriate supporting information must be available for audit purposes and for Federal program reviews. To establish allowability of expenditures, States may use methods prescribed in (c) of this section. Alternatively, the State may use any other reliable method of cost calculation, subject to Federal review.

(c)(1) For public assistance, States may establish allowability by accounting for actual expenditures made to or on behalf of identifiable eligible legalized aliens who qualify for and receive assistance and/or services from the recipient, or by use of a statistically valid sampling of a recipient's public assistance caseload.

(2) For public health assistance, States may establish allowability by accounting for actual expenditures made to or on behalf of identifiable eligible legalized aliens, or applicants for lawful temporary resident status under sections 210, 210A, or 245A of the INA, who qualify for and receive such assistance and/or services, by use of a statistically valid sampling of clients in the public health system of the State or local government, or by using the ratio of eligible legalized aliens in a service population to all members of the relevant service population.

(3) For educational services, States must be able to demonstrate that:

(i) Funds provided under this part were used to provide educational services, as defined in this part, to eligible legalized aliens, as defined in this part; and,

(ii) Payments to local educational agencies or other providers of educational services, as described in section 204(c)(3)(C) of the Act, did not exceed the amounts described in § 402.11(e) of this part.

(4) With respect to Phase II outreach, as defined in this part, a State must demonstrate that the costs of activities that provide information directly to specific individuals are attributable only to lawful temporary residents under sections 210, 210A, or 245A of the INA, and applicants for such status whose applications were pending with the Immigration and Naturalization Service at the time information is provided. For Phase II outreach activities

that do not involve the provision of information directly to specific individuals, States must demonstrate that such activities are targeted predominantly to or intended primarily for lawful temporary residents under sections 210, 210A, or 245A of the INA or applicants for such status whose applications are pending with the Immigration and Naturalization Service at the time information is provided. The State must demonstrate that the amount of any fiscal year's allotment used for this purpose did not exceed the amount described in § 402.11(k) and was consistent with the limitations of § 402.11(i).

(5) With respect to employment discrimination education and outreach, as defined in this part, the State must demonstrate that funds were expended only for activities described in the State's approved application pursuant to § 402.41(d) and the limitations of § 402.11 (i), (n), and (o) and that the amount of any fiscal year's allotment used for this purpose did not exceed the amount described in § 402.11(l).

(6)(i) For program administrative costs, as defined in this part, a State may establish allowability by use of the proportion of eligible legalized aliens provided assistance and/or services allowable under this part by a recipient, as defined in this part, relative to all persons provided such assistance and/or services; by use of the proportion of program or service costs actually incurred in providing assistance and/or services allowable under this part by a recipient, relative to all costs of providing the same assistance and/or services allowable under this part by the recipient; or by use of such other basis as will document that administrative costs incurred in providing such assistance and/or services and reimbursed under this part are allowable, allocable to SLIAG, and reasonable.

(ii) Consistent with section 604 of the Emergency Immigrant Education Act, of the amount paid to a State educational agency for educational services, only 1.5 percent may be used for administrative costs incurred by the

State educational agency in carrying out its function under this part.

[53 FR 7858, Mar. 10, 1988, as amended at 56 FR 21247, May 7, 1991]

§ 402.22 [Reserved]

§ 402.23 Repayment.

The Department will order a State to repay amounts found not to have been expended in accordance with Federal law, regulations, the State's approved application, or terms of the State's grant. If a State refuses to repay such amounts, the Department may offset the amount against any other amount to which the State is or may become entitled under this part.

§ 402.24 Withholding.

After notice and opportunity for a hearing, the Secretary may withhold payment of funds to any State which is not using its allotment in accordance with the Act, these regulations, 45 CFR part 74 (for grants awarded in FY 1988) or 45 CFR part 92 (for grants awarded in FY 1989 and succeeding fiscal years), and terms of the grant award.

§ 402.25 Appeals.

Appeals under this Subpart will be subject to 45 CFR Part 16, Procedures of the Departmental Grant Appeals Board.

§ 402.26 Time period for obligation and expenditure of grant funds.

(a) Any amount awarded to a State for a fiscal year and remaining unobligated at the end of such year shall remain available to the State for obligation in subsequent fiscal years, but not after September 30, 1994. The funding period of a SLIAG grant begins on October 1 of the Federal fiscal year for which the allotment is made and ends on September 30, 1994.

(b) Obligations by the State of funds awarded under § 402.31 and § 402.33 must be liquidated within the time limit set by 45 CFR 92.23(b). This time limit will

§ 402.30

not be extended. The time limit established by 45 CFR 92.23(b) does not apply to funds awarded under § 402.34.

Subpart D—State Allocations

§ 402.30 Basis of awards.

The Secretary will award funds in a fiscal year under § 402.31 or § 402.33 to States with approved applications for that fiscal year in accordance with the apportionment of funds from the Office of Management and Budget. The Secretary will award funds under § 402.34 to States whose annual reports submitted pursuant to § 402.51 establish that their allowable SLIAG-related costs exceed the total of their allotments, as determined under § 402.31 and § 402.33. The grant award constitutes the authority to draw and expend funds for the purposes set forth in the Act and this regulation.

[53 FR 7858, Mar. 10, 1988, as amended at 59 FR 65727, Dec. 21, 1994]

§ 402.31 Determination of allocations.

(a) *Allocation formula.* Allocations will be computed according to a formula using the following factors and weights:

(1) 50 percent based on the State's eligible legalized alien population, with 49 percent based upon the number of eligible legalized aliens in a State relative to the number of such aliens in all States, and 1 percent to States which have higher-than-average ratios of eligible legalized aliens to total population relative to the average for all States, based on the proportional number of such aliens; and

(2) 50 percent based on the ratio of SLIAG-related costs in a State to the total of all such costs in all States.

(b) *Calculation of allocations.* (1) Each time the Department calculates State allocations, it will use the best data then available to the Secretary on the distribution of eligible legalized aliens by State.

(2) For all years except fiscal years 1993 and 1994, the Department will determine each State's SLIAG-related costs to be included in the computation

45 CFR Ch. IV (10–1–03 Edition)

of its allocation for a fiscal year by adding to the sum of SLIAG-related costs reported for all previous fiscal years by that State, pursuant to § 402.51(e) (1) and (2), the total amount of estimated SLIAG-related costs included in the State's approved application for that fiscal year, pursuant to § 402.41(c) (1) and (2). For fiscal years 1993 and 1994, the Department will add to the amount of estimated SLIAG-related costs included in the State's approved applications for fiscal years 1993 and 1994, respectively, the sum of SLIAG-related costs for all previous years ending with FY 1991 (for FY 1993 applications) or FY 1992 (for FY 1994 applications), and the first and second quarters of FY 1992 (for FY 1993 applications) or FY 1993 (for FY 1994 applications), pursuant to § 402.52(e)(4). In the event that a State has not submitted an approved report for a fiscal year, the Department will include no costs for that fiscal year in its calculation.

[53 FR 7858, March 10, 1988, as amended at 56 FR 21248, May 7, 1991; 57 FR 19386, May 6, 1992; 58 FR 31913, June 7, 1993; 59 FR 65727, Dec. 21, 1994]

§ 402.32 Determination of state allotments.

Except as noted below, a State's allotment is the difference between the amount determined under § 402.31(b) of this regulation and the cumulative amount previously allotted to the State. In the event that the amount determined under § 402.31(b) is less than the cumulative amount previously allotted to a State, that State's allotment will be zero. The allotments of the remaining States would be calculated by multiplying the difference between the amount determined under § 402.31(b) of this regulation and the cumulative amount previously allotted to the State by the ratio of the amount of funds available for grants to States to the sum of the differences between the amounts determined under § 402.31(b) and the amounts previously awarded to those States.

§ 402.33 Allotment of excess funds.

If a State fails to qualify for an allotment in a particular fiscal year because it did not submit an approvable application by the deadline established in § 402.43 of this part, or is not allotted its designated allocation amount because it indicated in its application that it does not intend to use, in the fiscal year for which the application is made or in any succeeding fiscal year before FY 1995, the full amount of its allocation, funds which would otherwise have been allotted to the State in that fiscal year shall be allotted among the remaining States submitting timely approved applications in proportion to the amount that otherwise would have been allotted to such State in that fiscal year.

[56 FR 19808, Apr. 30, 1991]

§ 402.34 Allocation of unexpended funds.

(a) Any unexpended funds, as defined in this part, from allotments awarded to States under § 402.31 and § 402.33 of this part, will be allocated to States with unreimbursed SLIAG-related costs, as defined in this part.

(b) To determine the allocations, the ratio of each State's unreimbursed SLIAG-related costs to the total of all such costs in all States will be calculated. The ratio for each State with unreimbursed SLIAG-related costs will be multiplied by total unexpended funds to determine the allocation for each State. The amount allotted to a State will be the amount of the State's allocation under this section or the amount of the State's unreimbursed SLIAG-related costs, whichever is less.

Subpart E—State Applications**§ 402.40 General.**

In order to be eligible for funds available under § 402.31 and § 402.33 of this part in a fiscal year, a State must submit an annual application. A State's application must be approved by the Secretary prior to the award of funds to that State. In order to be eligible for funds under § 402.34 of this part, a State must submit annual reports pursuant to § 402.51 which establish that the

State has incurred SLIAG-related costs in excess of the amount of the allotments it received under § 402.31 and § 402.33 of this part.

[53 FR 7858, Mar. 10, 1988, as amended at 59 FR 65727, Dec. 21, 1994]

§ 402.41 Application content.

A State application must:

(a) Contain certifications by the chief executive officer or an individual specifically designated to make such certifications on behalf of the chief executive officer that, notwithstanding other contents of the application, the State assures that:

(1) Funds allotted to the State will be used only to carry out the purposes described in the Act and this part.

(2) The State will provide a fair method for the allocation of funds among State and local agencies (as determined by the State) in accordance with the information in the application as required under (b) and (c) of this section and in accordance with the provisions of § 402.11(d) of this part, which sets forth minimum funding levels for program categories.

(3) Fiscal control and accounting procedures used in the administration of SLIAG funds will be established that are adequate to meet the requirements established by the Act and this regulation.

(4) The State will comply with the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975, on the basis of handicap under section 504 of the Rehabilitation Act of 1973, on the basis of sex under title IX of the Education Amendments of 1972, on the basis of race, color, or national origin under title VI of the Civil Rights Act of 1964, and on the basis of sex or religion under section 204(h)(1)(B) of the Immigration Reform and Control Act of 1986.

(b) Contain information on the number of eligible legalized aliens residing in the State. A State may either (1) adopt as its official State-level estimate the estimate of the State's number of eligible legalized aliens provided by the Department, or (2) provide its own estimate, including detailed information on the method and data used in deriving the estimate. If a State has previously provided this information to

§ 402.42

the Department, it need not be included in the application unless the information has changed.

(c) Contain an estimate of likely SLIAG-related costs for the fiscal year for which application is being made for each program or activity in which SLIAG-related costs will be incurred. Programs and activities must be identified by the purposes listed in § 402.10(a). Such estimates for FY 1988 should include, as a discrete subset, costs incurred in FY 1987, pursuant to § 402.12.

(d) Contain the following information pertaining to the estimates required by paragraph (c) of this section (the application must include sufficient detail to permit assessment by the Department of the reasonableness of such estimates and the allowability of such costs under the Act and this part):

(1)(i) Descriptions of the programs and activities for which SLIAG-related costs will be incurred; and,

(ii) If a State elects to use its allotment for employment discrimination education and outreach, a description of the State's planned education and outreach activities, including: descriptions of the kinds of government or private agencies or other entities, if any, through which these activities will be conducted; brief descriptions of the targeted audience(s) for these activities; and, preproduction copies or the text of any material intended for distribution to the public to be produced or disseminated with SLIAG funds, if available at the time the application is submitted.

(2) Descriptions of the methodologies used to determine SLIAG-related cost. This description is to include (i) the methodology used in determining the proportion (or actual number) of eligible legalized aliens who are likely to participate in or benefit from the program or service, and (ii) a description of how a unit or other measure of the cost of providing services or benefits was calculated, or, if the estimate is based on actual cost data, a description of how the data were obtained. For SLIAG administrative costs, Phase II outreach, and employment discrimination education and outreach, the descriptions must instead include the basis for the estimate of SLIAG-related costs, as defined in this Part.

45 CFR Ch. IV (10–1–03 Edition)

(e) Contain information on the criteria for and administrative methods of disbursing funds received under this part.

(f) Designate a single point of contact (SPOC) in the State responsible for securing and submitting information required by the Act and this regulation and provide the name, title, mailing address, and telephone number of such official. If the grantee agency is different from the SPOC, also provide the name, title, mailing address, and telephone number of the official in that agency responsible for State administration of funds available under this part. In either case, provide the employer identification number of the grantee agency. If the State elects to use SLIAG funds for employment discrimination education and outreach, it must also designate in its application a contact person for this activity, if different from the single point of contact.

A State may determine the format of its application as long as it contains all the information required by § 402.41.

§ 402.43 Application deadline.

(a) An application from a State for SLIAG funds for any Federal fiscal year except fiscal years 1993 and 1994 must be received by the Department by October 1 of that fiscal year. Applications for fiscal years 1993 and 1994 must be received by July 1, 1992, and July 1, 1993, respectively. If a State fails to submit an application by this date, funds which it may otherwise have been eligible to receive shall be distributed among States submitting timely approved applications in accordance with § 402.33 of this Part.

(b) In order to receive funds under this part, a State's application for any fiscal year except fiscal years 1993 and 1994 must be approvable by the Secretary by December 15 of that fiscal year. Applications for fiscal years 1993 and 1994 must be approvable by the Secretary by September 15, 1992, and September 15, 1993, respectively. This may necessitate a State's providing clarification, revision, or additional

material, as required, to render its application approvable by the Secretary. If a State fails to render its application approvable by the Secretary by these dates, funds which it may otherwise have been eligible to receive shall be distributed among States which have submitted approvable applications in accordance with § 402.32 of this part.

§ 402.44 Basis for approval.

(a) The Department will review each State's application to ensure that it contains all of the required assurances and information and otherwise is consistent with the Act and this part.

(b) The Department will assess the reasonableness of each State's estimates of SLIAG-related costs, as required by § 402.41(c) (1) and (2), based on the following:

(1) Are the activities for which estimates are included in the application allowable under the Act and this part?

(2) Are the rates of participation by eligible legalized aliens in the activities for which estimates of SLIAG-related costs are included in the application and other assumptions underlying the cost estimates based on reliable empirical data?

(3) To what extent are the estimates based on actual costs incurred? Are actual costs based on methodologies described in this part or other methodologies likely to result in valid measures of SLIAG-related costs?

(4) Do current estimates appear to be consistent with past estimates, known actual costs pursuant to § 402.41(c)(2), and current INS eligible legalized alien population data?

(5) Are revised estimates a result (all or in part) of changes in program activities?

(c) The Department will notify the State that (1) its application has been approved or (2) its application has been disapproved, together with the reasons for disapproval.

(d)(1) The Department will forward to the Office of Special Counsel informa-

tion provided by a State pursuant to § 402.41(d).

(2) The Office of the Special Counsel will review information forwarded to it by the Department pursuant to paragraph (d) (1) of this section to determine whether the activities described therein conflict with or unnecessarily duplicate other employment discrimination education and outreach efforts. Certification to the Department by the Office of the Special Counsel that the State's submission meets this criterion is a prerequisite for approval by the Department.

[53 FR 7858, Mar. 10, 1988, as amended at 56 FR 21248, May 7, 1991]

§ 402.45 Amendments to applications.

(a)(1) If, during the course of a fiscal year, a State adds a program or activity for which it intends to claim reimbursement or make payment in that fiscal year, it must submit an amendment (containing appropriate information pursuant to § 402.41(c)) to its approved application for that fiscal year prior to the due date for reports required by § 402.51 of this part.

(2) If a State plans to initiate employment discrimination education and outreach activities not described in its application pursuant to § 402.41(d), it must submit an application amendment, which shall be reviewed in accordance with procedures described in § 402.41(d) of this part. The Department's approval of such an amendment is a prerequisite for the initiation of such new activities, except as provided for in § 402.11(n) (2).

(b) Except as provided for in § 402.11(k) and (n), a State may use SLIAG funds received for a fiscal year to reimburse or pay SLIAG related costs for programs or activities described in paragraph (a) of this section retroactive to the date the activity began, but no earlier than the first day of the fiscal year and only to the extent described in § 402.10(d), except that funds received in FY 1992, if any, may be used for costs incurred on or after October 1, 1989. Costs incurred prior to October 1, 1987, are allowable only to the extent described in § 402.12.

Subpart F—Recordkeeping and Reporting

§ 402.50 Recordkeeping.

A State must provide for the maintenance of such records as are necessary:

(a) To meet the requirements of the Act and Department regulations relating to retention of and access to records.

(b) To allow the State to provide to the Department (1) an accurate description of its activities undertaken with SLIAG funds, and (2) a complete record of the purposes for which SLIAG funds were spent, and of the recipients of such funds; and

(c) To allow the Department and auditors of the State to determine the extent to which SLIAG funds were expended consistent with the Act and this regulation.

§ 402.51 Reporting.

(a)(1) After the end of each Federal fiscal year through FY 1994 for which it received or during which it obligated or expended SLIAG funds and by the due date indicated below, a State must submit annual reports containing the information identified in (c) and (e) of this section. The reports are due no later than 90 days after the end of a Federal fiscal year.

(2) A State which receives funds pursuant to § 402.31 and § 402.33 and which expends funds pursuant to § 402.26(b) must submit a report containing the information identified in paragraph (e) of this section. The report is due no later than December 29, 1994.

(b)(1) Failure to submit the annual report required in (a) of this section by the deadline, without prior written permission from the Secretary, constitutes a basis for withholding of SLIAG funds.

(2) Failure by a State to submit the required information prior to the calculation of allocations pursuant to Subpart D will result in the Secretary's including no SLIAG-related costs for the fiscal year for that State in the calculation of State allocations.

(c) A State's annual report must provide information on the status of each fiscal year's funds, as of September 30, for the fiscal year for funds received under § 402.31 and § 402.33, including:

(1) Identification of the amount obligated and the amount expended by the State grantee agency;

(2) Identification of any amount remaining unobligated at the end of the fiscal year which the State intends to carry over to succeeding fiscal years; and,

(3) Identification of any amount remaining unobligated at the end of the fiscal year which the State does not desire to carry over to the succeeding fiscal year.

(d) A State must use SF-269 in its reporting under paragraph (c) of this section, but it may determine the format of its annual report content under paragraph (e) of this section.

(e)(1) For all years except fiscal years 1992 and 1993, a State's annual report must also provide the actual SLIAG-related costs incurred during the fiscal year. The report must provide, for each program or activity identified in the State's application, the amount of SLIAG-related costs, as defined in this part, incurred in that program or activity, identified as public assistance, public health assistance, educational services, Phase II outreach, employment discrimination education and outreach, and SLIAG administrative costs, as defined in this part, the amount of SLIAG funds obligated for that program or activity, and the time period for which the funds were obligated.

(2) The report must contain a description of the methodology used to determine actual SLIAG-related costs, if different from the description provided in the State's application pursuant to § 402.41 (d) (2) of this part.

(3) Federal and State costs of providing assistance under a State plan approved under title XIX of the Social Security Act to aliens whose status has been adjusted under sections 245A and 210A of the INA by virtue of the exceptions to the bar to Medicaid eligibility (sections 245A (h) (2) and (3) of the INA) must be shown separately in States' reports.

(4) For fiscal years 1992 and 1993, a State must report actual SLIAG-related costs, pursuant to paragraphs (e) (1), (2) and (3) of this section, for the first and second quarters, along with its application for SLIAG funding for
