Subpart A—General Membership and Branching Requirements

SOURCE: 63 FR 37637, July 13, 1998, unless otherwise noted.

§ 208.1 Authority, purpose, and scope.

(a) *Authority.* Subpart A of Regulation H (12 CFR part 208, Subpart A) is issued by the Board of Governors of the Federal Reserve System (Board) under 12 U.S.C. 24, 36; sections 9, 11, 21, 25 and 25A of the Federal Reserve Act (12 U.S.C. 321–338a, 248(a), 248(c), 481–486, 601 and 611); sections 1814, 1816, 1818, 1831o, 1831p–1, 1831r–1 and 1835a of the Federal Deposit Insurance Act (FDI Act) (12 U.S.C. 1814, 1816, 1818, 1831o, 1831p–1, 1831r–1, and 1835); and 12 U.S.C. 3906–3909.

(b) *Purpose and scope of Part 208.* The requirements of this part 208 govern State member banks and state banks applying for admission to membership in the Federal Reserve System (System) under section 9 of the Federal Reserve Act (Act), except for § 208.7, which also applies to certain foreign banks licensed by a State. This part 208 does not govern banks eligible for membership under section 2 or 19 of the Act.[1] Any bank desiring to be admitted to the System under the provisions of section 2 or 19 should communicate with the Federal Reserve Bank with which it would like to become a member.

(c) *Purpose and scope of Subpart A.* This Subpart A describes the eligibility requirements for membership of state-chartered banking institutions in the System, the general conditions imposed upon members, including capital and dividend requirements, as well as the requirements for establishing and maintaining branches.

§ 208.2 Definitions.

For the purposes of this part:

(a) *Board of Directors* means the governing board of any institution performing the usual functions of a board of directors.

(b) *Board* means the Board of Governors of the Federal Reserve System.

(c) *Branch.* (1) Branch means any branch bank, branch office, branch agency, additional office, or any branch place of business that receives deposits, pays checks, or lends money. A branch may include a temporary, seasonal, or mobile facility that meets these criteria.

(2) *Branch* does not include:

(i) A loan origination facility where the proceeds of loans are not disbursed;

(ii) An office of an affiliated or unaffiliated institution that provides services to customers of the member bank on behalf of the member bank so long as the institution is not established or operated by the bank;

(iii) An automated teller machine;

(iv) A remote service unit;

(v) A facility to which the bank does not permit members of the public to have physical access for purposes of

[1] Under section 2 of the Federal Reserve Act, every national bank in any state shall, upon commencing business, or within 90 days after admission into the Union of the State in which it is located, become a member of the System. Under section 19 of the Federal Reserve Act, national banks and banks organized under local laws, located in a dependency or insular possession or any part of the United States outside of the States of the United States and the District of Columbia, are not required to become members of the System but may, with the consent of the board, become members of the System.

making deposits, paying checks, or borrowing money (such as an office established by the bank that receives deposits only through the mail); or

(vi) A facility that is located at the site of, or is an extension of, an approved main office or branch. The Board determines whether a facility is an extension of an existing main or branch office on a case-by-case basis.

(d) *Capital stock and surplus* means, unless otherwise provided in this part, or by statute, Tier 1 and Tier 2 capital included in a member bank's risk-based capital (under the guidelines in appendix A of this part) and the balance of a member bank's allowance for loan and lease losses not included in its Tier 2 capital for calculation of risk-based capital, based on the bank's most recent consolidated Report of Condition and Income filed under 12 U.S.C. 324.

(e) *Eligible bank* means a member bank that:

(1) Is well capitalized as defined in subpart D of this part;

(2) Has a composite Uniform Financial Institutions Rating System (CAMELS) rating of 1 or 2;

(3) Has a Community Reinvestment Act (CRA) (12 U.S.C. 2906) rating of ''Outstanding'' or ''Satisfactory;''

(4) Has a compliance rating of 1 or 2; and

(g) *State member bank or member bank* means a state bank that is a member of the Federal Reserve System.

§ 208.3 Application and conditions for membership in the Federal Reserve System.

(a) *Applications for membership and stock.* (1) State banks applying for membership in the Federal Reserve System shall file with the appropriate Federal Reserve Bank an application for membership in the Federal Reserve System and for stock in the Reserve Bank,[2] in accordance with this part and § 262.3 of the Rules of Procedure, located at 12 CFR 262.3.

(2) *Board approval.* If an applying bank conforms to all the requirements of the Federal Reserve Act and this section, and is otherwise qualified for membership, the Board may approve its application subject to such conditions as the Board may prescribe.

(3) *Effective date of membership.* A State bank becomes a member of the Federal Reserve System on the date its Federal Reserve Bank stock is credited to its account (or its deposit is accepted, if it is a mutual savings bank not authorized to purchase Reserve Bank stock) in accordance with the Board's Regulation I (12 CFR part 209).

(b) *Factors considered in approving applications for membership.* Factors given special consideration by the Board in passing upon an application are:

(1) *Financial condition and management.* The financial history and condition of the applying bank and the general character of its management.

(2) *Capital.* The adequacy of the bank's capital in accordance with § 208.4, and its future earnings prospects.

(3) *Convenience and needs.* The convenience and needs of the community.

(4) *Corporate powers.* Whether the bank's corporate powers are consistent with the purposes of the Federal Reserve Act.

(c) *Expedited approval for eligible banks and bank holding companies.* (1) *Availability of expedited treatment.* The expedited membership procedures described in paragraph (c)(2) of this section are available to:

(i) An eligible bank; and

(ii) A bank that cannot be determined to be an eligible bank because it has not received CAMELS compliance or CRA ratings from a bank regulatory authority, if it is controlled by a bank

[2] A mutual savings bank not authorized to purchase Federal Reserve Bank stock may apply for membership evidenced initially by a deposit, but if the laws under which the bank is organized are not amended at the first session of the legislature after its admission to authorize the purchase, or if the bank fails to purchase the stock within six months of the amendment, its membership shall be terminated.

holding company that meets the criteria for expedited processing under § 225.14(c) of Regulation Y (12 CFR 225.14(c)).

(2) *Expedited procedures.* A completed membership application filed with the appropriate Reserve Bank will be deemed approved on the fifteenth day after receipt of the complete application by the Board or appropriate Reserve Bank, unless the Board or the appropriate Reserve Bank notifies the bank that the application is approved prior to that date or the Board or the appropriate Federal Reserve Bank notifies the bank that the application is not eligible for expedited review for any reason, including, without limitation, that:

(i) The bank will offer banking services that are materially different from those currently offered by the bank, or by the affiliates of the proposed bank;

(ii) The bank or bank holding company does not meet the criteria under § 208.3(c)(1);

(iii) The application contains a material error or is otherwise deficient; or

(iv) The application raises significant supervisory, compliance, policy or legal issues that have not been resolved, or a timely substantive adverse comment is submitted. A comment will be considered substantive unless it involves individual complaints, or raises frivolous, previously considered, or wholly unsubstantiated claims or irrelevant issues.

(d) *Conditions of membership.* (1) *Safety and soundness.* Each member bank shall at all times conduct its business and exercise its powers with due regard to safety and soundness. Each member bank shall comply with the Interagency Guidelines Establishing Standards for Safety and Soundness prescribed pursuant to section 39 of the FDI Act (12 U.S.C. 1831p–1), set forth in appendix D–1 to this part, and the Interagency Guidelines Establishing Standards for Safeguarding Customer Information prescribed pursuant to sections 501 and 505 of the Gramm-Leach-Bliley Act (15 U.S.C. 6801 and 6805), set forth in appendix D–2 to this part.

(2) *General character of bank's business.* A member bank may not, without the permission of the Board, cause or permit any change in the general character of its business or in the scope of the corporate powers it exercises at the time of admission to membership.

(3) *Compliance with conditions of membership.* Each member bank shall comply at all times with this Regulation H (12 CFR part 208) and any other conditions of membership prescribed by the Board.

(e) *Waivers.* (1) *Conditions of membership.* A member bank may petition the Board to waive a condition of membership. The Board may grant a waiver of a condition of membership upon a showing of good cause and, in its discretion, may limit, among other items, the scope, duration, and timing of the waiver.

(2) *Reports of affiliates.* Pursuant to section 21 of the Federal Reserve Act (12 U.S.C. 486), the Board waives the requirement for the submission of reports of affiliates of member banks, unless such reports are specifically requested by the Board.

(f) *Voluntary withdrawal from membership.* Voluntary withdrawal from membership becomes effective upon cancellation of the Federal Reserve Bank stock held by the member bank, and after the bank has made due provision to pay any indebtedness due or to become due to the Federal Reserve Bank in accordance with the Board's Regulation I (12 CFR part 209).

[Reg. H, 63 FR 37637, July 13, 1998, as amended at 63 FR 58620, Nov. 2, 1998; 66 FR 8634, Feb. 1, 2001]

§ 208.4 Capital adequacy.

(a) *Adequacy.* A member bank's capital, as defined in appendix A to this part, shall be at all times adequate in relation to the character and condition of its assets and to its existing and prospective liabilities and other corporate responsibilities. If at any time, in light of all the circumstances, the bank's capital appears inadequate in relation to its assets, liabilities, and responsibilities, the bank shall increase the amount of its capital, within such period as the Board deems reasonable, to an amount which, in the judgment of the Board, shall be adequate.

(b) *Standards for evaluating capital adequacy.* Standards and guidelines by which the Board evaluates the capital

adequacy of member banks include those in appendices A and E to this part for risk-based capital purposes and appendix B to this part for leverage measurement purposes.

§ 208.5 Dividends and other distributions.

(a) *Definitions.* For the purposes of this section:

(1) *Capital surplus* means the total of surplus as reportable in the bank's Reports of Condition and Income and surplus on perpetual preferred stock.

(2) *Permanent capital* means the total of the bank's perpetual preferred stock and related surplus, common stock and surplus, and minority interest in consolidated subsidiaries, as reportable in the Reports of Condition and Income.

(b) *Limitations.* The limitations in this section on the payment of dividends and withdrawal of capital apply to all cash and property dividends or distributions on common or preferred stock. The limitations do not apply to dividends paid in the form of common stock.

(c) *Earnings limitations on payment of dividends.* (1) A member bank may not declare or pay a dividend if the total of all dividends declared during the calendar year, including the proposed dividend, exceeds the sum of the bank's net income (as reportable in its Reports of Condition and Income) during the current calendar year and the retained net income of the prior two calendar years, unless the dividend has been approved by the Board.

(2) ''Retained net income'' in a calendar year is equal to the bank's net income (as reported in its Report of Condition and Income for such year), less any dividends declared during such year.[3] The bank's net income during the current year and its retained net income from the prior two calendar years is reduced by any net losses incurred in the current or prior two years and any required transfers to surplus or to a fund for the retirement of preferred stock.[4]

(d) *Limitation on withdrawal of capital by dividend or otherwise.* (1) A member bank may not declare or pay a dividend if the dividend would exceed the bank's undivided profits as reportable on its Reports of Condition and Income, unless the bank has received the prior approval of the Board and of at least two-thirds of the shareholders of each class of stock outstanding.

(2) A member bank may not permit any portion of its permanent capital to be withdrawn unless the withdrawal has been approved by the Board and by at least two-thirds of the shareholders of each class of stock outstanding.

(3) If a member bank has capital surplus in excess of that required by law, the excess amount may be transferred to the bank's undivided profits account and be available for the payment of dividends if:

(i) The amount transferred came from the earnings of prior periods, excluding earnings transferred as a result of stock dividends;

(ii) The bank's board of directors approves the transfer of funds; and

(iii) The transfer has been approved by the Board.

(e) *Payment of capital distributions.* All member banks also are subject to the restrictions on payment of capital distributions contained in §208.45 of subpart D of this part implementing section 38 of the FDI Act (12 U.S.C. 1831o).

---

[3] In the case of dividends in excess of net income for the year, a bank generally is not required to carry forward negative amounts resulting from such excess. Instead, the bank may attribute the excess to the prior two years, attributing the excess first to the earlier year and then to the immediately preceding year. If the excess is greater than the bank's previously undistributed net income for the preceding two years, prior Board approval of the dividend is required and a negative amount would be carried forward in future dividend calculations. However, in determining any such request for approval, the Board could consider any request for different treatment of such negative amount, including advance waivers for future periods. This applies only to earnings deficits that result from dividends declared in excess of net income for the year and does not apply to other types of current earnings deficits.

[4] State member banks are required to comply with state law provisions concerning the maintenance of surplus funds in addition to common capital. Where the surplus of a State member bank is less than what applicable state law requires the bank to maintain relative to its capital stock account, the bank may be required to transfer amounts from its undivided profits account to surplus.

(f) *Compliance.* A member bank shall use the date a dividend is declared to determine compliance with this section.

§ 208.6 Establishment and maintenance of branches.

(a) *Branching.* (1) To the extent authorized by state law, a member bank may establish and maintain branches (including interstate branches) subject to the same limitations and restrictions that apply to the establishment and maintenance of national bank branches (12 U.S.C. 36 and 1831u), except that approval of such branches shall be obtained from the Board rather than from the Comptroller of the Currency.

(2) *Branch applications.* A State member bank wishing to establish a branch in the United States or its territories must file an application in accordance with the Board's Rules of Procedure, located at 12 CFR 262.3, and must comply with the public notice and comment rules contained in paragraphs (a)(3) and (a)(4) of this section. Branches of member banks located in foreign nations, in the overseas territories, dependencies, and insular possessions of those nations and of the United States, and in the Commonwealth of Puerto Rico, are subject to the Board's Regulation K (12 CFR part 211).

(3) *Public notice of branch applications.* (i) *Location of publication.* A State member bank wishing to establish a branch in the United States or its territories must publish notice in a newspaper of general circulation in the form and at the locations specified in § 262.3 of the Rules of Procedure (12 CFR 262.3).

(ii) *Contents of notice.* The newspaper notice referred to in paragraph (a)(3) of this section shall provide an opportunity for interested persons to comment on the application for a period of at least 15 days.

(iii) *Timing of publication.* Each newspaper notice shall be published no more than 7 calendar days before and no later than the calendar day on which an application is filed with the appropriate Reserve Bank.

(4) *Public comment.* (i) *Timely comments.* Interested persons may submit information and comments regarding a branch application under § 208.6. A comment shall be considered timely for purposes of this subpart if the comment, together with all supplemental information, is submitted in writing in accordance with the Board's Rules of Procedure (12 CFR 262.3) and received by the Board or the appropriate Reserve Bank prior to the expiration of the public comment period provided in paragraph (a)(3)(ii) of this section.

(ii) *Extension of comment period.* The Board may, in its discretion, extend the public comment period regarding any application under § 208.6. In the event that an interested person requests a copy of an application submitted under § 208.6, the Board may, in its discretion and based on the facts and circumstances, grant such person an extension of the comment period for up to 15 calendar days.

(b) *Factors considered in approving domestic branch applications.* Factors given special consideration by the Board in passing upon a branch application are:

(1) *Financial condition and management.* The financial history and condition of the applying bank and the general character of its management;

(2) *Capital.* The adequacy of the bank's capital in accordance with § 208.4, and its future earnings prospects;

(3) *Convenience and needs.* The convenience and needs of the community to be served by the branch;

(4) *CRA performance.* In the case of branches with deposit-taking capability, the bank's performance under the Community Reinvestment Act (12 U.S.C. 2901 *et seq.*) and Regulation BB (12 CFR part 228); and

(5) *Investment in bank premises.* Whether the bank's investment in bank premises in establishing the branch is consistent with § 208.21.

(c) *Expedited approval for eligible banks and bank holding companies.* (1) *Availability of expedited treatment.* The expedited branch application procedures described in paragraph (c)(2) of this section are available to:

(i) An eligible bank; and

(ii) A bank that cannot be determined to be an eligible bank because it has not received CAMELS compliance

or CRA ratings from a bank regulatory authority, if it is controlled by a bank holding company that meets the criteria for expedited processing under §225.14(c) of Regulation Y (12 CFR 225.14(c)).

(2) *Expedited procedures.* A completed domestic branch application filed with the appropriate Reserve Bank will be deemed approved on the fifth day after the close of the comment period, unless the Board or the appropriate Reserve Bank notifies the bank that the application is approved prior to that date (but in no case will an application be approved before the third day after the close of the public comment period) or the Board or the appropriate Federal Reserve Bank notifies the bank that the application is not eligible for expedited review for any reason, including, without limitation, that:

(i) The bank or bank holding company does not meet the criteria under §208.6(c)(1);

(ii) The application contains a material error or is otherwise deficient; or

(iii) The application or the notice required under paragraph (a)(3) of this section, raises significant supervisory, Community Reinvestment Act, compliance, policy or legal issues that have not been resolved, or a timely substantive adverse comment is submitted. A comment will be considered substantive unless it involves individual complaints, or raises frivolous, previously considered, or wholly unsubstantiated claims or irrelevant issues.

(d) *Consolidated Applications.* (1) *Proposed branches; notice of branch opening.* A member bank may seek approval in a single application or notice for any branches that it proposes to establish within one year after the approval date. The bank shall, unless notification is waived, notify the appropriate Reserve Bank not later than 30 days after opening any branch approved under a consolidated application. A bank is not required to open a branch approved under either a consolidated or single branch application.

(2) *Duration of branch approval.* Branch approvals remain valid for one year unless the Board or the appropriate Reserve Bank notifies the bank that in its judgment, based on reports of condition, examinations, or other information, there has been a change in the bank's condition, financial or otherwise, that warrants reconsideration of the approval.

(e) *Branch closings.* A member bank shall comply with section 42 of the FDI Act (FDI Act), 12 U.S.C. 1831r–1, with regard to branch closings.

(f) *Branch relocations.* A relocation of an existing branch does not require filing a branch application. A relocation of an existing branch, for purposes of determining whether to file a branch application, is a movement that does not substantially affect the nature of the branch's business or customers served.

[63 FR 37639, July 13, 1998, as amended at 63 FR 58621, Nov. 2, 1998]

§208.7 Prohibition against use of interstate branches primarily for deposit production.

(a) *Purpose and scope*—(1) *Purpose.* The purpose of this section is to implement section 109 (12 U.S.C. 1835a) of the Riegle-Neal Interstate Banking and Branching Efficiency Act of 1994 (Interstate Act).

(2) *Scope.* (i) This section applies to any State member bank that has operated a covered interstate branch for a period of at least one year, and any foreign bank that has operated a covered interstate branch licensed by a State for a period of at least one year.

(ii) This section describes the requirements imposed under 12 U.S.C. 1835a, which requires the appropriate Federal banking agencies (the Board, the Office of the Comptroller of the Currency, and the Federal Deposit Insurance Corporation) to prescribe uniform rules that prohibit a bank from using any authority to engage in interstate branching pursuant to the Interstate Act, or any amendment made by the Interstate Act to any other provision of law, primarily for the purpose of deposit production.

(b) *Definitions.* For purposes of this section, the following definitions apply:

(1) *Bank* means, unless the context indicates otherwise:

(i) A State member bank as that term is defined in 12 U.S.C. 1813(d)(2); and

(ii) A foreign bank as that term is defined in 12 U.S.C. 3101(7) and 12 CFR 211.21.

(2) *Covered interstate branch* means:

(i) Any branch of a State member bank, and any uninsured branch of a foreign bank licensed by a State, that:

(A) Is established or acquired outside the bank's home State pursuant to the interstate branching authority granted by the Interstate Act or by any amendment made by the Interstate Act to any other provision of law; or

(B) Could not have been established or acquired outside of the bank's home State but for the establishment or acquisition of a branch described in paragraph (b)(2)(i) of this section; and

(ii) Any bank or branch of a bank controlled by an out-of-State bank holding company.

(3) *Home State* means:

(i) With respect to a State bank, the State that chartered the bank;

(ii) With respect to a national bank, the State in which the main office of the bank is located;

(iii) With respect to a bank holding company, the State in which the total deposits of all banking subsidiaries of such company are the largest on the later of:

(A) July 1, 1966; or

(B) The date on which the company becomes a bank holding company under the Bank Holding Company Act.

(iv) With respect to a foreign bank:

(A) For purposes of determining whether a U.S. branch of a foreign bank is a covered interstate branch, the home State of the foreign bank as determined in accordance with 12 U.S.C. 3103(c) and 12 CFR 211.22; and

(B) For purposes of determining whether a branch of a U.S. bank controlled by a foreign bank is a covered interstate branch, the State in which the total deposits of all banking subsidiaries of such foreign bank are the largest on the later of:

(*1*) July 1, 1966; or

(*2*) The date on which the foreign bank becomes a bank holding company under the Bank Holding Company Act.

(4) *Host State* means a State in which a covered interstate branch is established or acquired.

(5) *Host state loan-to-deposit ratio* generally means, with respect to a particular host state, the ratio of total loans in the host state relative to total deposits from the host state for all banks (including institutions covered under the definition of ''bank'' in 12 U.S.C. 1813(a)(1)) that have that state as their home state, as determined and updated periodically by the appropriate Federal banking agencies and made available to the public.

(6) *Out-of-State bank holding company* means, with respect to any State, a bank holding company whose home State is another State.

(7) *State* means state as that term is defined in 12 U.S.C. 1813(a)(3).

(8) *Statewide loan-to-deposit ratio* means, with respect to a bank, the ratio of the bank's loans to its deposits in a state in which the bank has one or more covered interstate branches, as determined by the Board.

(c)(1) *Application of screen.* Beginning no earlier than one year after a covered interstate branch is acquired or established, the Board will consider whether the bank's statewide loan-to-deposit ratio is less than 50 percent of the relevant host State loan-to-deposit ratio.

(2) *Results of screen.* (i) If the Board determines that the bank's statewide loan-to-deposit ratio is 50 percent or more of the host state loan-to-deposit ratio, no further consideration under this section is required.

(ii) If the Board determines that the bank's statewide loan-to-deposit ratio is less than 50 percent of the host state loan-to-deposit ratio, or if reasonably available data are insufficient to calculate the bank's statewide loan-to-deposit ratio, the Board will make a credit needs determination for the bank as provided in paragraph (d) of this section.

(d) *Credit needs determination*—(1) *In general.* The Board will review the loan portfolio of the bank and determine whether the bank is reasonably helping to meet the credit needs of the communities in the host state that are served by the bank.

(2) *Guidelines.* The Board will use the following considerations as guidelines when making the determination pursuant to paragraph (d)(1) of this section:

(i) Whether covered interstate branches were formerly part of a failed or failing depository institution;

(ii) Whether covered interstate branches were acquired under circumstances where there was a low loan-to-deposit ratio because of the nature of the acquired institution's business or loan portfolio;

(iii) Whether covered interstate branches have a high concentration of commercial or credit card lending, trust services, or other specialized activities, including the extent to which the covered interstate branches accept deposits in the host state;

(iv) The Community Reinvestment Act ratings received by the bank, if any, under 12 U.S.C. 2901 *et seq.*;

(v) Economic conditions, including the level of loan demand, within the communities served by the covered interstate branches;

(vi) The safe and sound operation and condition of the bank; and

(vii) The Board's Regulation BB—Community Reinvestment (12 CFR part 228) and interpretations of that regulation.

(e) *Sanctions*—(1) *In general.* If the Board determines that a bank is not reasonably helping to meet the credit needs of the communities served by the bank in the host state, and that the bank's statewide loan-to-deposit ratio is less than 50 percent of the host state loan-to-deposit ratio, the Board:

(i) May order that a bank's covered interstate branch or branches be closed unless the bank provides reasonable assurances to the satisfaction of the Board, after an opportunity for public comment, that the bank has an acceptable plan under which the bank will reasonably help to meet the credit needs of the communities served by the bank in the host state; and

(ii) Will not permit the bank to open a new branch in the host state that would be considered to be a covered interstate branch unless the bank provides reasonable assurances to the satisfaction of the Board, after an opportunity for public comment, that the bank will reasonably help to meet the credit needs of the community that the new branch will serve.

(2) *Notice prior to closure of a covered interstate branch.* Before exercising the Board's authority to order the bank to close a covered interstate branch, the Board will issue to the bank a notice of the Board's intent to order the closure and will schedule a hearing within 60 days of issuing the notice.

(3) *Hearing.* The Board will conduct a hearing scheduled under paragraph (e)(2) of this section in accordance with the provisions of 12 U.S.C. 1818(h) and 12 CFR part 263.
