§ 211.28 Provisions applicable to branches and agencies: limitation on loans to one borrower.

(a) *Limitation on loans to one borrower.* Except as provided in paragraph (b) of this section, the total loans and extensions of credit by all the state branches and state agencies of a foreign bank outstanding to a single borrower at one time shall be aggregated with the total loans and extensions of credit by all federal branches and federal agencies of the same foreign bank outstanding to such borrower at the time; and shall be subject to the limitations and other provisions of section 5200 of the Revised Statutes (12 U.S.C. 84), and the regulations promulgated thereunder, in the same manner that extensions of credit by a federal branch or federal agency are subject to section 4(b) of the IBA (12 U.S.C. 3102(b)) as if such state branches and state agencies were federal branches and federal agencies.

(b) *Preexisting loans and extensions of credit.* Any loans or extensions of credit to a single borrower that were originated prior to December 19, 1991, by a state branch or state agency of the same foreign bank and that, when aggregated with loans and extensions of credit by all other branches and agencies of the foreign bank, exceed the limits set forth in paragraph (a) of this section, may be brought into compliance with such limitations through routine repayment, provided that any new loans or extensions of credit (including renewals of existing unfunded credit lines, or extensions of the maturities of existing loans) to the same borrower shall comply with the limits set forth in paragraph (a) of this section.

(2) Is permissible for a federal branch, but the Comptroller imposes a quantitative limitation on the conduct of such activity by the federal branch;

(3) Is conducted as agent rather than as principal, provided that the activity is one that could be conducted by a state-chartered bank headquartered in the same state in which the branch or agency is licensed; or

(4) Any other activity that the Board has determined may be conducted by any state branch or state agency of a foreign bank without further application to the Board.

(c) *Contents of application.* An application submitted pursuant to paragraph (a) of this section shall be in letter form and shall contain the following information:

(2) An analysis of the impact of the proposed activity on the condition of the U.S. operations of the foreign bank in general, and of the branch or agency in particular, including a copy, if available, of any feasibility study, management plan, financial projections, business plan, or similar document concerning the conduct of the activity;
