(b) *Presumptions.* In reviewing an application for an exemption under this section, the Board will apply a rebuttable presumption that an interlock will not result in a monopoly or substantial lessening of competition if the depository organization seeking to add a management official:

(1) Primarily serves low- and moderate-income areas;

(2) Is controlled or managed by persons who are members of a minority group, or women;

(3) Is a depository institution that has been chartered for less than two years; or

(4) Is deemed to be in ''troubled condition'' as defined in 12 CFR 225.71.

(c) *Duration.* Unless a shorter expiration period is provided in the Board approval, an exemption permitted by paragraph (a) of this section may continue so long as it does not result in a monopoly or substantial lessening of competition, or is unsafe or unsound. If the Board grants an interlock exemption in reliance upon a presumption under paragraph (b) of this section, the interlock may continue for three years, unless otherwise provided by the Board in writing.

§ 212.7 Change in circumstances.

(a) *Termination.* A management official shall terminate his or her service or apply for an exemption if a change in circumstances causes the service to become prohibited. A change in circumstances may include an increase in asset size of an organization, a change in the delineation of the RMSA or community, the establishment of an office, an increase in the aggregate deposits of the depository organization, or an acquisition, merger, consolidation, or reorganization of the ownership structure of a depository organization that causes a previously permissible interlock to become prohibited.

(b) *Transition period.* A management official described in paragraph (a) of this section may continue to serve the state member bank or bank holding company involved in the interlock for 15 months following the date of the change in circumstances. The Board may shorten this period under appropriate circumstances.

[61 FR 40302, Aug. 2, 1996, as amended at 64 FR 51679, Sept. 24, 1999]

§ 212.8 Enforcement.

Except as provided in this section, the Board administers and enforces the Interlocks Act with respect to state member banks, bank holding companies, and affiliates of either, and may refer any case of a prohibited interlocking relationship involving these entities to the Attorney General of the United States to enforce compliance with the Interlocks Act and this part. If an affiliate of a state member bank or a bank holding company is subject to the primary regulation of another Federal depository organization supervisory agency, then the Board does not administer and enforce the Interlocks Act with respect to that affiliate.

§ 212.9 Effect of Interlocks Act on Clayton Act.

The Board regards the provisions of the first three paragraphs of section 8 of the Clayton Act (15 U.S.C. 19) to have been supplanted by the revised and more comprehensive prohibitions on management official interlocks between depository organizations in the Interlocks Act.
