may revoke the institution's provisional certification for participation in that program.

(2)(i) If the Secretary revokes the provisional certification of an institution under paragraph (d)(1) of this section, the Secretary sends the institution a notice by certified mail, return receipt requested. The Secretary also may transmit the notice by other, more expeditious means, if practical.

(ii) The revocation takes effect on the date that the Secretary mails the notice to the institution.

(iii) The notice states the basis for the revocation, the consequences of the revocation to the institution, and that the institution may request the Secretary to reconsider the revocation. The consequences of a revocation are described in §668.26.

(3)(i) An institution may request reconsideration of a revocation under this section by submitting to the Secretary, within 20 days of the institution's receipt of the Secretary's notice, written evidence that the revocation is unwarranted. The institution must file the request with the Secretary by hand-delivery, mail, or facsimile transmission.

(ii) The filing date of the request is the date on which the request is—

(A) Hand-delivered;

(B) Mailed; or

(C) Sent by facsimile transmission.

(iii) Documents filed by facsimile transmission must be transmitted to the Secretary in accordance with instructions provided by the Secretary in the notice of revocation. An institution filing by facsimile transmission is responsible for confirming that a complete and legible copy of the document was received by the Secretary.

(iv) The Secretary discourages the use of facsimile transmission for documents longer than five pages.

(4)(i) The designated department official making the decision concerning an institution's request for reconsideration of a revocation is different from, and not subject to supervision by, the official who initiated the revocation of the institution's provisional certification. The deciding official promptly considers an institution's request for reconsideration of a revocation and notifies the institution, by certified mail, return receipt requested, of the final decision. The Secretary also may transmit the notice by other, more expeditious means, if practical.

(ii) If the Secretary determines that the revocation is warranted, the Secretary's notice informs the institution that the institution may apply for reinstatement of participation only after the later of the expiration of—

(A) Eighteen months after the effective date of the revocation; or

(B) A debarment or suspension of the institution under Executive Order (E.O.) 12549 (3 CFR, 1986 comp., p. 189) or the Federal Acquisition Regulations, 48 CFR part 9, subpart 9.4.

(iii) If the Secretary determines that the revocation of the institution's provisional certification is unwarranted, the Secretary's notice informs the institution that the institution's provisional certification is reinstated, effective on the date that the Secretary's original revocation notice was mailed, for a specified period of time.

(5)(i) The mailing date of a notice of revocation or a request for reconsideration of a revocation is the date evidenced on the original receipt of mailing from the U.S. Postal Service.

(ii) The date on which a request for reconsideration of a revocation is submitted is—

(A) If the request was sent by a delivery service other than the U.S. Postal Service, the date evidenced on the original receipt by that service; and

(B) If the request was sent by facsimile transmission, the date that the document is recorded as received by facsimile equipment that receives the transmission.

only if the institution enters into a written program participation agreement with the Secretary, on a form approved by the Secretary. A program participation agreement conditions the initial and continued participation of an eligible institution in any Title IV, HEA program upon compliance with the provisions of this part, the individual program regulations, and any additional conditions specified in the program participation agreement that the Secretary requires the institution to meet.

(2) An institution’s program participation agreement applies to each branch campus and other location of the institution that meets the applicable requirements of this part unless otherwise specified by the Secretary.

(b) By entering into a program participation agreement, an institution agrees that—

(1) It will comply with all statutory provisions of or applicable to Title IV of the HEA, all applicable regulatory provisions prescribed under that statutory authority, and all applicable special arrangements, agreements, and limitations entered into under the authority of statutes applicable to Title IV of the HEA, including the requirement that the institution will use funds it receives under any Title IV, HEA program and any interest or other earnings thereon, solely for the purposes specified in and in accordance with that program;

(7) It will submit reports to the Secretary and, in the case of an institution participating in the Federal Stafford Loan, Federal PLUS, or the Federal Perkins Loan Program, to holders of loans made to the institution’s students under that program at such times and containing such information as the Secretary may reasonably require to carry out the purpose of the Title IV, HEA programs;

(8) It will not provide any statement to any student or certification to any lender in the case of an FFEL Program loan, or origination record to the Secretary in the case of a Direct Loan Program loan that qualifies the student or parent for a loan or loans in excess of the amount that the student or parent is eligible to borrow in accordance with sections 425(a), 428(a)(2), 428(b)(1)(A)
and (B), 428B, 428H, and 455(a) of the HEA;

(9) It will comply with the requirements of subpart D of this part concerning institutional and financial assistance information for students and prospective students;

(10) In the case of an institution that advertises job placement rates as a means of attracting students to enroll in the institution, it will make available to prospective students, at or before the time that those students apply for enrollment—

(i) The most recent available data concerning employment statistics, graduation statistics, and any other information necessary to substantiate the truthfulness of the advertisements; and

(ii) Relevant State licensing requirements of the State in which the institution is located for any job for which an educational program offered by the institution is designed to prepare those prospective students;

(11) In the case of an institution participating in the FFEL program, the institution will inform all eligible borrowers, as defined in 34 CFR part 662, enrolled in the institution about the availability and eligibility of those borrowers for State grant assistance from the State in which the institution is located, and will inform borrowers from another State of the source of further information concerning State grant assistance from that State;

(12) It will provide the certifications described in paragraph (c) of this section;

(14) It will not deny any form of Federal financial aid to any eligible student solely on the grounds that the student is participating in a program of study abroad approved for credit by the institution;

(15)(i) Except as provided under paragraph (b)(15)(ii) of this section, the institution will use a default management plan approved by the Secretary with regard to its administration of the FFEL or Direct Loan programs, or both for at least the first two years of its participation in those programs, if the institution—

(A) Is participating in the FFEL or Direct Loan programs for the first time; or

(B) Is an institution that has undergone a change of ownership that results in a change in control and is participating in the FFEL or Direct Loan programs.

(ii) The institution does not have to use an approved default management plan if—

(B) The owner of the institution does not own and has not owned any other institution that had a cohort default rate in excess of 10 percent while that owner owned the institution.

(16) [Reserved]

(17) The Secretary, guaranty agencies and lenders as defined in 34 CFR part 662, nationally recognized accrediting agencies, the Secretary of Veterans Affairs, State agencies recognized under 34 CFR part 603 for the approval of public postsecondary vocational education, and State agencies that legally authorize institutions and branch campuses or other locations of institutions to provide postsecondary education, have the authority to share with each other any information pertaining to the institution’s eligibility for or participation in the Title IV, HEA programs or any information on fraud and abuse;

(18) It will not knowingly—

(i) Employ in a capacity that involves the administration of the Title IV, HEA programs or the receipt of funds under those programs, an individual who has been convicted of, or has pled no contest or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or has been administratively or judicially determined to have committed fraud or any other material violation of law involving Federal, State, or local government funds;
(ii) Contract with an institution or third-party servicer that has been terminated under section 432 of the HEA for a reason involving the acquisition, use, or expenditure of Federal, State, or local government funds, or that has been administratively or judicially determined to have committed fraud or any other material violation of law involving Federal, State, or local government funds; or

(iii) Contract with or employ any individual, agency, or organization that has been, or whose officers or employees have been—

(20) In the case of an institution that is co-educational and has an intercollegiate athletic program, it will comply with the provisions of §668.48;

(21) It will not impose any penalty, including, but not limited to, the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that the student borrow additional funds for which interest or other charges are assessed, on any student because of the student's inability to meet his or her financial obligations to the institution as a result of the delayed disbursement of the proceeds of a Title IV, HEA program loan due to compliance with statutory and regulatory requirements of or applicable to the Title IV, HEA programs, or delays attributable to the institution;

(22)(i) It will not provide any commission, bonus, or other incentive payment based directly or indirectly upon success in securing enrollments or financial aid to any person or entity engaged in any student recruiting or admission activities or in making decisions regarding the awarding of title IV, HEA program funds, except that this limitation does not apply to the recruitment of foreign students residing in foreign countries who are not eligible to receive title IV, HEA program funds.

(ii) Activities and arrangements that an institution may carry out without violating the provisions of paragraph (b)(22)(i) of this section include, but are not limited to:

(A) The payment of fixed compensation, such as a fixed annual salary or a fixed hourly wage, as long as that compensation is not adjusted up or down more than twice during any twelve month period, and any adjustment is not based solely on the number of students recruited, admitted, enrolled, or awarded financial aid. For this purpose, an increase in fixed compensation resulting from a cost of living increase that is paid to all or substantially all full-time employees is not considered an adjustment.

(B) Compensation to recruiters based upon their recruitment of students who enroll only in programs that are not eligible for title IV, HEA program funds.

(C) Compensation to recruiters who arrange contracts between the institution and an employer under which the employer's employees enroll in the institution, and the employer pays, directly or by reimbursement, 50 percent or more of the tuition and fees charged to its employees; provided that the compensation is not based upon the number of employees who enroll in the institution, or the revenue they generate, and the recruiters have no contact with the employees.

(D) Compensation paid as part of a profit-sharing or bonus plan, as long as those payments are substantially the same amount or the same percentage of salary or wages, and made to all or substantially all of the institution's full-time professional and administrative staff. Such payments can be limited to all, or substantially all of the full-time employees at one or more organizational level at the institution, except that an organizational level
may not consist predominantly of recruiters, admissions staff, or financial aid staff.

(E) Compensation that is based upon students successfully completing their educational programs, or one academic year of their educational programs, whichever is shorter. For this purpose, successful completion of an academic year means that the student has earned at least 24 semester or trimester credit hours or 36 quarter credit hours, or has successfully completed at least 900 clock hours of instruction at the institution.

(F) Compensation paid to employees who perform clerical "pre-enrollment" activities, such as answering telephone calls, referring inquiries, or distributing institutional materials.

(G) Compensation to managerial or supervisory employees who do not directly manage or supervise employees who are directly involved in recruiting or admissions activities, or the awarding of Title IV, HEA program funds.

(I) Profit distributions proportionately based upon an individual's ownership interest in the institution.

(J) Compensation paid for Internet-based recruitment and admission activities that provide information about the institution to prospective students, refer prospective students to the institution, or permit prospective students to apply for admission on-line.

(K) Payments to third parties, including tuition sharing arrangements, that deliver various services to the institution, provided that none of the services involve recruiting or admission activities, or the awarding of Title IV, HEA program funds.

(L) Payments to third parties, including tuition sharing arrangements, that deliver various services to the institution, even if one of the services involves recruiting or admission activities or the awarding of Title IV, HEA program funds, provided that the individual performing the recruitment or admission activities, or the awarding of title IV, HEA program funds, are not compensated in a manner that would be impermissible under paragraph (b)(22) of this section.

(23) It will meet the requirements established pursuant to part H of Title IV of the HEA by the Secretary and nationally recognized accrediting agencies:

(24) It will comply with the requirements of §668.22;

(ii) Returns of title IV, HEA program funds that the institution or its servicer may be required to make; and

(26) If the stated objectives of an educational program of the institution are to prepare a student for gainful employment in a recognized occupation, the institution will—

(i) Demonstrate a reasonable relationship between the length of the program and entry level requirements for the recognized occupation for which the program prepares the student. The Secretary considers the relationship to be reasonable if the number of clock hours provided in the program does not exceed by more than 50 percent the minimum number of clock hours required for training in the recognized occupation for which the program prepares the student, as established by the State in which the program is offered, if the State has established such a requirement, or as established by any Federal agency; and

(ii) Establish the need for the training for the student to obtain employment in the recognized occupation for which the program prepares the student.

(c) In order to participate in any Title IV, HEA program (other than the LEAP and NEISP programs), the institution must certify that it—

(1) Has in operation a drug abuse prevention program that the institution has determined to be accessible to any officer, employee, or student at the institution; and

(2)(i) Has established a campus security policy in accordance with section 485(f) of the HEA; and
(ii) Has complied with the disclosure requirements of §668.47 as required by section 485(f) of the HEA.

(d)(1) The institution, if located in a State to which section 4(b) of the National Voter Registration Act (42 U.S.C. 1973gg–2(b)) does not apply, will make a good faith effort to distribute a mail voter registration form, requested and received from the State, to each student enrolled in a degree or certificate program and physically in attendance at the institution, and to make those forms widely available to students at the institution.

(2) The institution must request the forms from the State 120 days prior to the deadline for registering to vote within the State. If an institution has not received a sufficient quantity of forms to fulfill this section from the State within 60 days prior to the deadline for registering to vote in the State, the institution is not liable for not meeting the requirements of this section during that election year.

(3) This paragraph applies to elections as defined in section 301(1) of the Federal Election Campaign Act of 1971 (2 U.S.C. 431(1)), and includes the election for Governor or other chief executive within such State.

(e)(1) A program participation agreement becomes effective on the date that the Secretary signs the agreement.

(2) A new program participation agreement supersedes any prior program participation agreement between the Secretary and the institution.

(f)(1) Except as provided in paragraphs (h) and (i) of this section, the Secretary terminates a program participation agreement through the proceedings in subpart G of this part.

(2) An institution may terminate a program participation agreement.

(3) If the Secretary or the institution terminates a program participation agreement under paragraph (g) of this section, the Secretary establishes the termination date.

(4) An institution's program participation agreement automatically expires on the date that—

(1) The institution changes ownership that results in a change in control as determined by the Secretary under 34 CFR part 600; or

(2) The institution's participation ends under the provisions of §668.26(a)(1), (2), (4), or (7).

(h) An institution's program participation agreement no longer applies to or covers a location of the institution as of the date on which that location ceases to be a part of the participating institution.

(i) Refunds that it is required to make; and

(ii) Repayments to the Secretary for liabilities and debts incurred in programs administered by the Secretary;
