§ 831.622 Changes of election after final adjudication.

(a) Except as provided in section 8339 (j) or (k) of title 5, United States Code, or §§ 831.682, 831.684, 831.685, or paragraph (b) of this section, an employee or Member may not revoke or change the election or name another survivor later than 30 days after the date of the first regular monthly payment.

(b)(1) Except as provided in § 831.613 and paragraphs (b)(2) and (b)(3) of this section, a retiree who was married at the time of retirement and has elected a self-only annuity, or a partially reduced annuity to provide a current spouse annuity, or a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity, or an insurable interest annuity may elect, no later than 18 months after the time of retirement, an annuity reduction or an increased annuity reduction to provide a current spouse annuity.

(2) A current spouse annuity based on an election under paragraph (b)(1) of this section cannot be paid if it will, when combined with any former spouse annuity or annuities that are required by court order, exceed the maximum survivor annuity permitted under § 831.641.

(3) To make an election under paragraph (b)(1) of this section, the retiree must pay, in full, a deposit determined under § 831.662, plus interest, at the rate provided under § 831.105(g), no later than 18 months after the time of retirement.

(4) If a retiree makes an election under paragraph (b)(1) of this section and is prevented from paying the deposit within the 18-month time limit because OPM did not send him or her a notice of the amount of the deposit at least 30 days before the time limit expires, the time limit for making the deposit will be extended to 30 days after

OPM sends the notice of the amount of the deposit.

(5) An election under paragraph (b)(1) of this section, cancels any spousal consent under § 831.611 to the extent of the election.

(6) An election under paragraph (b)(1) of this section is void unless it is filed with OPM before the retiree dies.

(7) If a retiree who had elected a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity or former spouse annuities makes an election under paragraph (b)(1) of this section which would cause the combined current spouse annuity and former spouse annuity (or annuities) to exceed the maximum allowed under § 831.641, the former spouse annuity (or annuities) must be reduced to not exceed the maximum allowable under § 831.641.

POST-RETIREMENT ELECTIONS

§ 831.631 Post-retirement election of fully reduced annuity or partially reduced annuity to provide a current spouse annuity.

(a) Except as provided in paragraph (c) of this section, in cases of retirees who retired before May 7, 1985, and married after retirement but before February 27, 1986:

(1) A retiree who was unmarried at the time of retirement may elect, within 1 year after a post-retirement marriage, a fully reduced annuity or a partially reduced annuity to provide a current spouse annuity.

(2) A retiree who was married and elected a fully reduced annuity or a partially reduced annuity at the time of retirement may elect, within 1 year after a postretirement marriage, to provide a current spouse annuity. If a retiree elects a fully reduced annuity or a partially reduced annuity under this paragraph, the election must equal the election made at the time of retirement.

(3) The reduction under paragraphs (a)(1) or (a)(2) of this section commences on the first day of the month beginning 1 year after the date of the post-retirement marriage.

§ 831.631

5 CFR Ch. I (1–1–04 Edition)

(b) Except as provided in paragraph (c) of this section, in cases involving retirees who retired on or after May 7, 1985, or married on or after February 27, 1986—

(1) A retiree who was unmarried at the time of retirement may elect, within 2 years after a post-retirement marriage, a fully reduced annuity or a partially reduced annuity to provide a current spouse annuity.

(2) A retiree who was married at the time of retirement may elect, within 2 years after a post-retirement marriage—

(i) A fully reduced annuity or a partially reduced annuity to provide a current spouse annuity if—

(A) The retiree was awarded a fully reduced annuity under § 831.611 at the time of retirement; or

(B) The election at the time of retirement was made with a waiver of spousal consent in accordance with § 831.618; or

(C) The marriage at the time of retirement was to a person other than the spouse who would receive a current spouse annuity based on the post-retirement election; or

(ii) A partially reduced annuity to provide a current spouse annuity no greater than the current spouse annuity elected for the current spouse at retirement if—

(A) The retiree elected a partially reduced annuity under § 831.614 at the time of retirement;

(B) The election at the time of retirement was made with spousal consent in accordance with § 831.614; and

(C) The marriage at the time of retirement was to the same person who would receive a current spouse annuity based on the post-retirement election.

(3) (i) Except as provided in paragraph (b)(3)(ii) or (b)(4) of this section, a retiree making an election under this section must deposit an amount equal to the difference between the amount of annuity actually paid to the retiree and the amount of annuity that would have been paid if the reduction elected under paragraphs (b)(1) or (b)(2) of this section had been in effect continuously since the time of retirement, plus 6 percent annual interest, computed under § 831.105, from the date when each difference occurred.

(ii) An election under this section may be made without deposit, if that election prospectively voids an election of an insurable interest annuity.

(4) (i) An election under this section is irrevocable when received by OPM.

(ii) An election under this section is effective when the marriage duration requirements of § 831.642 are satisfied.

(iii) If an election under paragraph (b)(1) or (b)(2) of this section does not become effective, no deposit under paragraph (b)(3) of this section is required.

(iv) If payment of the deposit under paragraph (b)(3) of this section is not required because the election never became effective and if some or all of the deposit has been paid, the amount paid will be returned to the retiree, or, if the retiree has died, to the person who would be entitled to any lump-sum benefits under the order of precedence in section 8342 of title 5, United States Code.

(5) Any reduction in an annuity to provide a current spouse annuity will terminate effective on the first day of the month after the marriage to the current spouse ends, unless—

(i) The retiree elects, within 2 years after a divorce terminates the marriage, to continue the reduction to provide for a former spouse annuity; or

(ii) A qualifying court order requires the retiree to provide a former spouse annuity.

(c)(1) Qualifying court orders prevent payment of current spouse annuities to the extent necessary to comply with the court order and § 831.641.

(2) If an election under this section causes the total of all current and former spouse annuities provided by a qualifying court order or elected under § 831.612, § 831.632, or this section to exceed the maximum survivor annuity permitted under § 831.641, OPM will accept the election but will pay the portion in excess of the maximum only when permitted by § 831.641(c).

(d) The amount of the reduction to provide a current spouse annuity under this section equals 2½ percent of the first \$3600 of the designated survivor base plus 10 percent of the portion of

the designated survivor base which exceeds \$3600.

[55 FR 9101, Mar. 12, 1990, as amended at 56 FR 16263, Apr. 22, 1991; 58 FR 52881, Oct. 13, 1993. Redesignated at 58 FR 52882, Oct. 13, 1993]

§ 831.632 Post-retirement election of fully reduced annuity or partially reduced annuity to provide a former spouse annuity.

(a)(1) Except as provided in paragraphs (b) and (c) of this section, when the marriage of a retiree who retired on or after May 7, 1985, terminates after retirement, he or she may elect in writing a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity. Such an election must be filed with OPM within 2 years after the retiree's marriage to the former spouse terminates.

(2) Except as provided in paragraphs (b) and (c) of this section, a retiree who retired before May 7, 1985, and whose marriage was terminated on or after May 7, 1985, may elect in writing a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity if the retiree while married to the former spouse had elected, prior to May 7, 1985, a reduced annuity to provide a current spouse annuity for that spouse. Such an election must be filed with OPM within 2 years after the retiree's marriage to the former spouse terminates.

(3) Except as provided in paragraphs (b) and (c) of this section, a retiree who retired on or after May 7, 1985, and before February 27, 1986, and whose marriage terminated before May 7, 1985, may elect in writing a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity. Such an election must be made no later than February 27, 1988.

(b)(1) Qualifying court orders prevent payment of former spouse annuities to the extent necessary to comply with the court order and § 831.641.

(2) A retiree who elects a fully or partially reduced annuity to provide a former spouse annuity may not elect to provide a former spouse annuity in an amount that either—

(i) Is smaller than the amount required by a qualifying court order; or

(ii) Would cause the sum of all current and former spouse annuities based on a retiree's elections under §§ 831.611, 831.612, 831.631 and this section to exceed 55 percent of the rate of the retiree's self-only annuity if the retiree's retirement was based on a separation from a position under CSRS on or after October 11, 1962, or 50 percent of the rate of the retiree's self-only annuity if the retiree's retirement was based on a separation from a position under CSRS before October 11, 1962.

(3) An election under this section is void—

(i) In the case of a married retiree, if the current spouse does not consent to the election on a form as described in § 831.614(c) and spousal consent is not waived by OPM in accordance with § 831.618; or

(ii) To the extent that it provides a former spouse annuity for the spouse who was married to the retiree at the time of retirement in an amount that is inconsistent with any joint designation or waiver made at the time of retirement under § 831.611 (a)(1) or (a)(2); or

(iii) In the case of an election under paragraph (a)(2) of this section, to the extent that it provides a former spouse annuity that exceeds the proportion of the retiree's annuity to which the former spouse would have been entitled as a current spouse annuity as of May 7, 1985.

(c) An election under this section is not permitted unless the retiree agrees to deposit the amount equal to the difference between the amount of annuity actually paid to the retiree and the amount of annuity that would have been paid if the reduction elected under paragraph (a) of this section had been in effect continuously since the time of retirement, plus 6 percent annual interest, computed under § 831.105, from the date when each difference occurred.

(d) Any reduction in an annuity to provide a former spouse annuity will terminate on the first day of the month after the former spouse remarries before age 55 or dies, or the former spouse's eligibility for a former spouse annuity terminates under the terms of a qualifying court order, unless—
