§ 960.253 Choice of rent.
(a) Rent options—(1) Annual choice by family. Once a year, the PHA must give each family the opportunity to choose between the two methods for determining the amount of tenant rent payable monthly by the family. The family may choose to pay as tenant rent either a flat rent as determined in accordance with paragraph (b) of this section, or an income-based rent as determined in accordance with paragraph (c) of this section. Except for financial hardship cases as provided in paragraph (d) of this section, the family may not be offered this choice more than once a year.
(2) Relation to minimum rent. Regardless of whether the family chooses to pay a flat rent or income-based rent, the family must pay at least the minimum rent as determined in accordance with §5.630 of this title.
(b) Flat rent. (1) The flat rent is based on the market rent charged for comparable units in the private unassisted rental market. It is equal to the estimated rent for which the PHA could promptly lease the public housing unit after preparation for occupancy.
(2) The PHA must use a reasonable method to determine the flat rent for a unit. To determine the flat rent, the PHA must consider:
(i) The location, quality, size, unit type and age of the unit; and
(ii) Any amenities, housing services, maintenance and utilities provided by the PHA.
(3) The flat rent is designed to encourage self-sufficiency and to avoid creating disincentives for continued residency by families who are attempting to become economically self-sufficient.
(4) If the family chooses to pay a flat rent, the PHA does not pay any utility reimbursement.
(5) The PHA must maintain records that document the method used to determine flat rents, and also show how flat rents are determined in accordance with this method, and document flat rents offered to families under this method.
(c) Income-based rent. (1) An income-based rent is a tenant rent that is based on the family’s income and the PHA’s rent policies for determination of such rents.
(2) The PHA rent policies may specify that the PHA will use percentage of family income or some other reasonable system to determine income-based rents. The PHA rent policies may provide for depositing a portion of tenant rent in an escrow or savings account, for imposing a ceiling on tenant rents, for adoption of permissive income deductions (see §5.611(b) of this title), or for another reasonable system to determining the amount of income-based tenant rent.
(3) The income-based tenant rent must not exceed the total tenant payment (§5.628 of this title) for the family minus any applicable utility allowance for tenant-paid utilities. If the utility allowance exceeds the total tenant payment, the PHA shall pay such excess amount (the utility reimbursement) either to the family or directly to the utility supplier to pay the utility bill on behalf of the family. If the PHA elects to pay the utility supplier, the PHA must notify the family of the
