### Subpart A—General Provisions

#### § 0.735-1 Purpose.

The purpose of this part is to set forth Department of Commerce policy and procedure relating to employee responsibilities and conduct.

#### § 0.735-2 Cross-references to ethical conduct, financial disclosure, and other applicable regulations.

Employees of the Department of Commerce should refer to the executive branch-wide Standards of Ethical Conduct at 5 CFR part 2635 and the executive branch-wide financial disclosure regulations at 5 CFR part 2634.

[68 FR 24879, May 9, 2003]

#### § 0.735-3 Applicability.

This part applies to all persons included within the term “employee” as defined in § 0.735-4, except as otherwise provided in this part.

#### § 0.735-4 Definitions.

For purposes of this part, except as otherwise indicated in this part:

(a) *Employee*. (1) Shall include: (i) Every officer and employee of the Department of Commerce (regardless of location), including commissioned officers of the Environmental Science Services Administration; and

(ii) Every other person who is retained, designated, appointed, or employed by a Federal officer or employee, who is engaged in the performance of a function of the Department under authority of law or an Executive act, and who is subject to the supervision of a Federal officer or employee while engaged in the performance of the duties of his position not only as to what he does but also as to how he performs his duties, regardless of whether the relationship to the Department is created by assignment, detail, contract, agreement or otherwise.

(2) Shall not include: (i) Members of the Executive Reserve except when they are serving as employees of the

## §0.735-10

### Subparts B-C [Reserved]

### Subpart D—Regulatory Limitations Upon Employee Conduct

#### §0.735-10 Administrative extension of statutory limitations.

The provisions of the statutes identified in this part which relate to the ethical and other conduct of Federal employees are adopted and will be enforced as administrative regulations, violations of which may in appropriate cases be the basis for disciplinary action, including removal. The fact that a statute which may relate to employee conduct is not identified in this part does not mean that it may not be the basis for disciplinary action against an employee.

## 15 CFR Subtitle A (1-1-07 Edition)

### §§ 0.735-10a—0.735-15 [Reserved]

#### §0.735-16 Indebtedness.

(a) An employee shall pay each just financial obligation in a proper and timely manner, especially one imposed by law such as Federal, State, or local taxes. For purposes of this section, “a just financial obligation” means one acknowledged by the employee or reduced to judgment by a court, and “in a proper and timely manner” means in a manner which, in the view of the Department, does not, under the circumstances, reflect adversely on the Government as his employer.

(b) In the event of dispute between an employee and an alleged creditor, this section does not require the Department to determine the validity or amount of the disputed debt.

#### §0.735-17 Gambling, betting, and lotteries.

An employee shall not participate while on Government-owned or leased property or while on duty for the Government, in any gambling activity including the operation of a gambling device, in conducting a lottery or pool, in a game for money or property or in selling or purchasing a numbers slip or ticket. However, this section does not preclude activities

(a) Necessitated by an employee’s law enforcement duties, or

(b) Under section 3 of Executive Order 10927 (relating to solicitations conducted by organizations composed of civilian employees or members of the armed forces among their own members for organizational support or for benefit or welfare funds for their own members) and similar agency-approved activities.

#### §0.735-18 General conduct prejudicial to the Government.

(a) *General policy.* Officers and employees of the Federal Government are servants of the people. Because of this, their conduct must, in many instances, be subject to more restrictions and to higher standards than may be the case in certain private employments. They are expected to conduct themselves in a manner which will reflect favorably upon their employer. Although the

Government is not particularly interested in the private lives of its employees, it does expect them to be honest, reliable, trustworthy, and of good character and reputation. They are expected to be loyal to the Government, and to the department or agency in which they are employed.

(b) *Specific policy.* An employee shall not engage in criminal, infamous, dishonest, immoral, or notoriously disgraceful conduct, or other conduct prejudicial to the Government.

(c) *Regulations applicable to public buildings and grounds.* Each employee is responsible for knowing and complying with regulations of the General Services Administration and of the Department of Commerce applicable to public buildings and grounds.

**§ 0.735-19 Reporting undue influence to superiors.**

Each employee shall report to his superior any instance in which another person inside or outside the Federal Government uses or attempts to use undue influence to induce, by reason of his official Government position, former Government employment, family relationship, political position, or otherwise, the employee to do or omit to do any official act in derogation of his official duty.

App. 2160(f) (prohibition of use of confidential information for purposes of speculation) (Business and Defense Services Administration and any other primary operating unit affected); and

(d) Certain provisions of Pub. L. 89-136, the Public Works and Economic Development Act of 1965, e.g., section 711 (restriction on employing certain EDA employees by applicants for financial assistance), and section 710(b) (embezzlement), false book entries, sharing in loans, etc., and giving out unauthorized information for speculation).

### §0.735-36 Responsibilities of operating units.

The head of each operating unit, or his designee, shall:

(h) Require each employee upon entering on duty and at such other times as may be specified, to execute the certification required by §0.735-35(c);

(i) Report to the program Secretarial Officer concerned and to the Assistant Secretary for Administration promptly any instance in which an employee, after notice, fails to submit the certification required under §0.735-35(c) or a statement of employment or financial interests required under this part within 14 calendar days following the prescribed time limit for doing so; and

(j) Take action to impress upon each employee required to submit a statement of employment and financial interests, upon his supervisor, and upon employees with whom the employee works, their responsibility as follows:

(1) The employee's supervisor is responsible (i) for excluding from the range of duties of the employee any contracts or other transactions between the Government and his outside employer, clients, or entities in which he has an interest within the purview of this part, and (ii) for overseeing the employee's activities in order to insure that the public interest is protected from improper conduct on his part and that he will not, through ignorance or inadvertence, embarrass the Government or himself.

### Subpart H—Disciplinary Actions Concerning Post-Employment Conflict of Interest Violations

AUTHORITY: 18 U.S.C. 207(j); 5 CFR 737.27.

SOURCE: 49 FR 32057, Aug. 10, 1984; 50 FR 928, Jan. 8, 1985, unless otherwise noted.

### § 0.735-42 Scope.

(a) These regulations establish procedures for imposing sanctions against a former employee for violating the post-employment restrictions of the conflict of interest laws and regulations set

forth in 18 U.S.C. 207 and 5 CFR Part 737. These procedures are established pursuant to the requirement in 18 U.S.C. 207(j). The General Counsel is responsible for resolving questions on the legal interpretation of 18 U.S.C. 207 or regulations issued thereunder and for advising employees on these provisions.

(b) For purposes of this subpart, (1) “Former employee” means a former Government employee as defined in 5 CFR 737.3(a)(4) who had served in the Department;

(2) “Lesser included sanctions” means sanctions of the same type but more limited scope as the proposed sanction; thus a bar on communication with an operating unit is a lesser included sanction of a proposed bar on communication with the Department and a bar on communication for one year is a lesser included sanction of a proposed five year bar;

(3) “Assistant Secretary” means the Assistant Secretary for Administration or designee;

(4) “Director” means the Director for Personnel and Civil Rights, Office of the Secretary, or designee;

(5) “Inspector General” and “General Counsel” include any persons designated by them to perform their functions under this subpart; and

(6) “Days” means calendar days except that a dead-line which falls on a weekend or holiday shall be extended to the next working day.

**§ 0.735-43 Report of violations and investigation.**

(a) If an employee has information which indicates that a former employee has violated any provisions of 18 U.S.C. 207 or regulations thereunder, that employee shall report such information to the Inspector General.

(b) Upon receiving information as set forth in paragraph (a) of this section from an employee or any other person, the Inspector General, upon a determination that it is nonfrivolous, shall expeditiously provide the information to the Director, Office of Government Ethics, and to the Criminal Division, Department of Justice. The Inspector General shall coordinate any investigation under this subpart with the Department of Justice, unless the Depart-

ment of Justice informs the Inspector General that it does not intend to initiate criminal prosecution.

(c) All investigations under this subpart shall be conducted in such a way as to protect the privacy of former employees. To ensure this, to the extent reasonable and practical, any information received as a result of an investigation shall remain confidential except as necessary to carry out the purposes of this subpart, including the conduct of an investigation, hearing, or judicial proceeding arising thereunder, or as may be required to be released by law.

(d) The Inspector General shall report the findings of the investigation to the Director.

**§ 0.735-44 Initiation of proceedings.**

If the Director determines, after an investigation by the Inspector General, that there is reasonable cause to believe that a former employee has violated post-employment statutes or regulations, the Director shall initiate administrative proceedings under this subpart by proposing sanctions against the former employee and by providing notice to the former employee as set forth in § 0.735-45.

**§ 0.735-45 Notice.**

(a) The Director shall notify the former employee of the proposed disciplinary action in writing by registered or certified mail, return receipt requested, or by any means which gives actual notice or is reasonably calculated to give actual notice. Notice shall be considered received if sent to the last known address of the former employee.

(b) The notice shall include:

(1) A statement of allegations and the basis thereof sufficiently detailed to enable the former employee to prepare a defense;

(2) A statement that the former employee is entitled to a hearing if requested within 20 days from date of notice;

(3) An explanation of the method by which the former employee may request a hearing under this subpart including the name, address, and telephone number of the person to contact if there are further questions;

**§ 0.735-46**

(4) A statement that the former employee has the right to submit documentary evidence to the Director if a hearing is not requested and an explanation of the method of submitting such evidence and the date by which it must be received; and

(5) A statement of the sanctions which have been proposed.

**§ 0.735-46 Hearing.**

(a) *Examiner.* (1) Upon timely receipt of a request for a hearing, the Director shall refer the matter to the Assistant Secretary who shall appoint an examiner to conduct the hearing and render an initial decision.

(2) The examiner shall be impartial, shall not be an individual who has participated in any manner in the decision to initiate the proceedings, and shall not have been employed under the immediate supervision of the former employee or have been employed under a common immediate supervisor. The examiner shall be admitted to practice law and have suitable experience and training to conduct the hearing, reach a determination and render an initial decision in an equitable manner.

(b) *Time, date, and place.* The hearing shall be conducted at a reasonable time, date, and place as set by the examiner. In setting the date, the examiner shall give due regard to the need for both parties to adequately prepare for the hearing and the importance of expeditiously resolving allegations that may be damaging to the former employee's reputation.

(c) *Former employee's rights.* At a hearing, the former employee shall have the right:

(1) To represent himself or herself or to be represented by counsel,

(2) To introduce and examine witnesses and to submit physical evidence,

(3) To confront and cross-examine adverse witnesses,

(4) To present oral argument, and

(5) To receive a transcript or recording of the proceedings, on request.

(d) *Procedure and evidence.* In a hearing under this subpart, the Federal Rules of Evidence and Civil Procedure do not apply but the examiner shall exclude irrelevant or unduly repetitious evidence and all testimony shall be taken under oath or affirmation. The

**15 CFR Subtitle A (1-1-07 Edition)**

examiner may make such orders and determinations regarding the admissibility of evidence, conduct of examination and cross-examination, and similar matters which the examiner deems necessary or appropriate to ensure orderliness in the proceedings and fundamental fairness to the parties. There shall be no discovery unless agreed to by the parties and ordered by the examiner. The hearing shall not be open to the public unless the former employee or the former employee's representative waives the right to a closed hearing, in which case the examiner shall determine whether the hearing will be open to the public.

(e) *Ex-parte communications.* The former employee, the former employee's representative, and the agency representative shall not make any ex-parte communications to the examiner concerning the merits of the allegations against the former employee prior to the issuance of the initial decision.

(f) *Initial decision.* (1) The proposed sanctions shall be sustained in an initial decision upon a determination by the examiner that the preponderance of the evidence indicated a violation of post-employment statutes or regulations.

(2) The examiner shall issue an initial decision which is based exclusively on the transcript of testimony and exhibits together with all papers and requests filed in connection with the proceeding and which sets forth all findings of fact and conclusions of law relevant to the matter at issue.

(3) The initial decision shall become final thirty days after issuance if there has been no appeal filed under § 0.735-48.

**§ 0.735-47 Decision absent a hearing.**

(a) If the former employee does not request a hearing in a timely manner, the Director shall make an initial decision on the basis of information compiled in the investigation, and any submissions made by the former employee.

(b) The proposed sanction or a lesser included sanction shall be imposed if the record indicates a violation of post-employment statutes or regulations by a preponderance of the evidence.

(c) The initial decision shall become final thirty days after issuance if there has been no appeal filed under §0.735-48.

**§ 0.735-48 Administrative appeal.**

(a) Within 30 days after issuance of the initial decision, either party may appeal the initial decision or any portion thereof to the Assistant Secretary. The opposing party shall have 20 days to respond.

In addition, it forbids offers or payments to, and solicitations or receipt by, a public official of anything of value "for or because of" any official act performed or to be performed by him.

.03 Section 201 further prohibits the offering to or the acceptance by a witness of anything of value involving intent to influence his testimony at a trial, Congressional hearing, or agency proceeding. A similar provision applies to witnesses "for or because of" testimony given or to be given. ### Subpart A—Freedom of Information Act

#### § 4.1 General.

(a) The information in this part is furnished for the guidance of the public and in compliance with the requirements of the Freedom of Information Act (FOIA), as amended (5 U.S.C. 552). This part sets forth the procedures the Department of Commerce (Department) and its components follow to make publicly available the materials and indices specified in 5 U.S.C. 552(a)(2) and records requested under 5 U.S.C. 552(a)(3). Information routinely provided to the public as part of a regular Department activity (for example, press releases issued by the Office of Public Affairs) may be provided to the public without following this part.

(b) As used in this subpart, *component* means any office, division, bureau or other unit of the Department listed in Appendix A to this part (except that a regional office of a larger office or other unit does not constitute a separate component).

#### § 4.2 Public reference facilities.

(a) The Department maintains public reference facilities (listed in Appendix A to this part) that contain the records the FOIA requires to be made regularly available for public inspection and

copying; furnishes information; receives and processes requests for records under the FOIA; and otherwise assists the public concerning Department operations under the FOIA.

(b) Each component of the Department shall determine which of its records are required to be made available for public inspection and copying, and make those records available either in its own public reference facility or in the Department's Central Reference and Records Inspection Facility. Each component shall maintain and make available for public inspection and copying a current subject-matter index of its public inspection facility records. Each index shall be updated regularly, at least quarterly, with respect to newly included records. In accordance with 5 U.S.C. 552(a)(2), the Department has determined that it is unnecessary and impracticable to publish quarterly or more frequently and distribute copies of the index and supplements thereto.

(c) Each component shall make public inspection facility records created on or after November 1, 1996 available electronically through the Department's "FOIA Home Page" link found at the Department's World Wide Web site (<http://www.doc.gov>). Information available at the site shall include:

(1) Each component's index of its public inspection facility records, which indicates which records are available electronically; and

(2) The general index referred to in paragraph (d)(3) of this section.

(d) The Department shall maintain and make available for public inspection and copying:

(1) A current index providing identifying information for the public as to any matter that is issued, adopted, or promulgated after July 4, 1997, and that is retained as a record and is required to be made available or published. Copies of the index are available upon request after payment of the direct cost of duplication;

(2) Copies of records that have been released and that the component that maintains them determines, because of their subject matter, have become or are likely to become the subject of subsequent requests for substantially the same records;

### § 4.3

(3) A general index of the records described in paragraph (d)(2) of this section;

(4) Final opinions and orders, including concurring and dissenting opinions made in the adjudication of cases;

(5) Those statements of policy and interpretations that have been adopted by a component and are not published in the FEDERAL REGISTER; and

(6) Administrative staff manuals and instructions to staff that affect a member of the public.

### § 4.3 Records under the FOIA.

(a) Records under the FOIA include all Government records, regardless of format, medium or physical characteristics, and include electronic records and information, audiotapes, videotapes, and photographs.

(b) Under the FOIA, the Department has no obligation to create, compile, or obtain from outside the Department a record to satisfy a request. In complying with a request for electronic data, whether the Department creates or compiles records (as by undertaking significant programming work) or merely extracts them from an existing database may be unclear. The Department shall in any case undertake reasonable efforts to search for the information in electronic format.

(c) Department officials may, upon request, create and provide new records pursuant to user fee statutes, such as the first paragraph of 15 U.S.C. 1525, or in accordance with authority otherwise provided by law. Such creation and provision of records is outside the scope of the FOIA.

(d) Components shall preserve all correspondence pertaining to the requests they receive under this subpart, as well as copies of all requested records, until disposition or destruction is authorized by Title 44 of the United States Code or the National Archives and Records Administration's General Records Schedule 14. Components shall not dispose of records while they are the subject of a pending request, appeal, or lawsuit under the FOIA.

### 15 CFR Subtitle A (1-1-07 Edition)

### § 4.4 Requirements for making requests.

(a) A request for records of the Department which are not customarily made available to the public as part of the Department's regular informational services must be in writing (and may be sent by mail, facsimile, or E-mail), and shall be processed under the FOIA, regardless whether the FOIA is mentioned in the request. Requests should be mailed to the Department component identified in Appendix A to this part that maintains those records, or may be sent by facsimile or E-mail to the numbers or addresses, respectively, listed at the Department's "FOIA Home Page" link found at the Department's World Wide Web site (<http://www.doc.gov>).<sup>1</sup> If the proper component cannot be determined, the request should be sent to the central facility identified in Appendix A to this part. The central facility will forward the request to the component(s) it believes most likely to have the requested records. For the quickest handling, the request (and envelope, if the request is mailed) should be marked "Freedom of Information Act Request."

(b) For requests for records about oneself, § 4.24 contains additional requirements. For requests for records about another individual, either a written authorization signed by the individual permitting disclosure of his or her records to the requester or proof that the individual is deceased (for example, a copy of a death certificate or an obituary) facilitates processing the request.

(c) The records requested must be described in enough detail to enable Department personnel to locate them with a reasonable amount of effort. If possible, a request should include specific information about each record sought, such as the date, title or name, author, recipient, and subject matter

<sup>1</sup>The United States Patent and Trademark Office (USPTO), which is established as an agency of the United States within the Department of Commerce, operates under its own FOIA regulations at 37 CFR part 102, subpart A. Accordingly, requests for USPTO records should be sent directly to the USPTO.

of the record, and the name and location of the office where the record is located. Also, if records about a court case are sought, the title of the case, the court in which the case was filed, and the nature of the case should be included. If known, any file designations or descriptions of the requested records should be included. In general, the more specifically the request describes the records sought, the greater the likelihood that the Department will be able to locate those records. If a component determines that a request does not reasonably describe records, it shall inform the requester what additional information is needed or how the request is otherwise insufficient, to enable the requester to modify the request to meet the requirements of this section.

#### § 4.5 Responsibility for responding to requests.

(a) *In general.* Except as stated in paragraph (b) of this section, the proper component of the Department to respond to a request for records is the component that first receives the request and has responsive records, or the component to which the Departmental Freedom of Information Officer assigns lead responsibility for responding to the request. Records responsive to a request shall include those records within the Department's possession and control as of the date the Department begins its search for them.

(b) *Consultations and referrals.* If a component receives a request for a record in its possession in which another Federal agency subject to the FOIA has the primary interest, the component shall refer the record to that agency for direct response to the requester. Ordinarily, the agency that originated a record will be presumed to have the primary interest in it. A component shall consult with another Federal agency before responding to a requester if the component receives a request for a record in which another Federal agency subject to the FOIA has a significant interest, but not the primary interest; or another Federal agency not subject to the FOIA has the primary interest or a significant interest (see § 4.8 for additional information

about referrals of classified information).

(c) *Notice of referral.* Whenever a component refers a document to another Federal agency for direct response to the requester, it ordinarily shall notify the requester in writing of the referral and inform the requester of the name of the agency to which the document was referred.

(d) *Timing of responses to consultations and referrals.* All consultations and referrals shall be handled in chronological order, based on when the FOIA request was received by the first Federal agency.

(e) *Agreements regarding consultations and referrals.* Components may make agreements with other Federal agencies to eliminate the need for consultations or referrals for particular types of records.

[66 FR 65632, Dec. 20, 2001, as amended at 71 FR 31073, June 1, 2006]

#### § 4.6 Time limits and expedited processing.

(a) *In general.* Components ordinarily shall respond to requests according to their order of receipt.

(b) *Initial response and appeal.* Subject to paragraph (c)(1) of this section, an initial response shall be made within 20 working days (*i.e.*, excluding Saturdays, Sundays, and legal public holidays) of the receipt of a request for a record under this part by the proper component identified in accordance with § 4.5(a), and an appeal shall be decided within 20 working days of its receipt by the Office of the General Counsel.

(c) *Unusual circumstances.* (1) In unusual circumstances as specified in paragraph (c)(2) of this section, an official listed in Appendix B to this part may extend the time limits in paragraph (b) of this section by notifying the requester in writing as soon as practicable of the unusual circumstances and of the date by which processing of the request is expected to be completed. If the extension is for more than ten working days, the component shall provide the requester an opportunity either to modify the request so that it may be processed within the applicable time limit, or to arrange an alternative time frame for

#### § 4.6

#### 15 CFR Subtitle A (1-1-07 Edition)

processing the request or a modified request.

(2) As used in this section, *unusual circumstances* means, but only to the extent reasonably necessary to properly process the particular request:

(i) The need to search for and collect the requested records from field facilities or other establishments separate from the office processing the request;

(ii) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are the subject of a single request; or

(iii) The need for consultation, which shall be conducted with all practicable speed, with another component or Federal agency having a substantial interest in the determination of the request.

(3) If a component reasonably believes that multiple requests submitted by a requester, or by a group of requesters acting in concert, constitute a single request that would otherwise involve unusual circumstances, and the requests involve clearly related matters, the component may aggregate them. Multiple requests involving unrelated matters will not be aggregated.

(d) *Multitrack processing.* (1) A component may use two or more processing tracks by distinguishing between simple and more complex requests based on the number of pages involved, or some other measure of the amount of work and/or time needed to process the request, and whether the request qualifies for expedited processing as described in paragraph (e) of this section.

(2) A component using multitrack processing may provide requesters in its slower track(s) with an opportunity to limit the scope of their requests in order to qualify for faster processing. A component doing so shall contact the requester by telephone, E-mail, or letter, whichever is most efficient in each case.

(e) *Expedited processing.* (1) Requests and appeals shall be taken out of order and given expedited treatment whenever it is determined that they involve:

(i) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;

(ii) The loss of substantial due process rights;

(iii) A matter of widespread and exceptional media interest involving questions about the Government's integrity which affect public confidence; or

(iv) An urgency to inform the public about an actual or alleged Federal Government activity, if made by a person primarily engaged in disseminating information.

(2) A request for expedited processing may be made at the time of the initial request for records or at any later time. For a prompt determination, a request for expedited processing should be sent to the component listed in Appendix A to this part that maintains the records requested.

(3) A requester who seeks expedited processing must submit a statement, certified to be true and correct to the best of that person's knowledge and belief, explaining in detail the basis for requesting expedited processing. For example, a requester within the category described in paragraph (e)(1)(iv) of this section, if not a full-time member of the news media, must establish that he or she is a person whose main professional activity or occupation is information dissemination, though it need not be his or her sole occupation. A requester within the category described in paragraph (e)(1)(iv) of this section must also establish a particular urgency to inform the public about the Government activity involved in the request, beyond the public's right to know about Government activity generally.

(4) Within ten calendar days of its receipt of a request for expedited processing, the proper component shall decide whether to grant it and shall notify the requester of the decision. Solely for purposes of calculating the foregoing time limit, any request for expedited processing shall always be considered received on the actual date of receipt by the proper component. If a request for expedited processing is granted, the request shall be given priority and processed as soon as practicable, subject to § 4.11(i). If a request for expedited processing is denied, any appeal of that decision shall be acted on expeditiously.

**§ 4.7 Responses to requests.**

(a) *Grants of requests.* If a component makes a determination to grant a request in whole or in part, it shall notify the requester in writing. The component shall inform the requester in the notice of any fee to be charged under § 4.11 and disclose records to the requester promptly upon payment of any applicable fee. Records disclosed in part shall be marked or annotated to show the applicable FOIA exemption(s) and the amount of information deleted, unless doing so would harm an interest protected by an applicable exemption. The location of the information deleted shall also be indicated on the record, if feasible.

(b) *Adverse determinations of requests.* If a component makes an adverse determination regarding a request, it shall notify the requester of that determination in writing. An adverse determination is a denial of a request in any respect, namely: a determination to withhold any requested record in whole or in part; a determination that a requested record does not exist or cannot be located; a determination that a record is not readily reproducible in the form or format sought by the requester; a determination that what has been requested is not a record subject to the FOIA (except that a determination under § 4.11(j) that records are to be made available under a fee statute other than the FOIA is not an adverse determination); a determination against the requester on any disputed fee matter, including a denial of a request for a reduction or waiver of fees; or a denial of a request for expedited processing. Each denial letter shall be signed by an official listed in Appendix B to this part, and shall include:

- (1) The name and title or position of the denying official;
- (2) A brief statement of the reason(s) for the denial, including applicable FOIA exemption(s);
- (3) An estimate of the volume of records or information withheld, in number of pages or some other reasonable form of estimation. This estimate need not be provided if the volume is otherwise indicated through deletions on records disclosed in part, or if providing an estimate would harm an in-

terest protected by an applicable FOIA exemption; and

- (4) A statement that the denial may be appealed, and a list of the requirements for filing an appeal under § 4.10(b).

**§ 4.8 Classified Information.**

In processing a request for information classified under Executive Order 12958 or any other executive order concerning the classification of records, the information shall be reviewed to determine whether it should remain classified. Ordinarily the component or other Federal agency that classified the information should conduct the review, except that if a record contains information that has been derivatively classified by a component because it contains information classified by another component or agency, the component shall refer the responsibility for responding to the request to the component or agency that classified the underlying information. Information determined to no longer require classification shall not be withheld on the basis of FOIA exemption (b)(1) (5 U.S.C. 552(b)(1)), but should be reviewed to assess whether any other FOIA exemptions should be invoked. Appeals involving classified information shall be processed in accordance with § 4.10(c).

**§ 4.9 Business Information.**

(a) *In general.* Business information obtained by the Department from a submitter will be disclosed under the FOIA only under this section.

(b) *Definitions.* For the purposes of this section:

(1) *Business information* means commercial or financial information, obtained by the Department from a submitter, which may be protected from disclosure under FOIA exemption (b)(4) (5 U.S.C. 552(b)(4)).

(2) *Submitter* means any person or entity outside the Federal Government from which the Department obtains business information, directly or indirectly. The term includes corporations; state, local and tribal governments; and foreign governments.

(c) *Designation of business information.* A submitter of business information should designate by appropriate markings, either at the time of submission

#### § 4.9

#### 15 CFR Subtitle A (1-1-07 Edition)

or at a reasonable time thereafter, any portions of its submission that it considers protected from disclosure under FOIA exemption (b)(4). These designations will expire ten years after the date of the submission unless the submitter requests, and provides justification for, a longer period.

(d) *Notice to submitters.* A component shall provide a submitter with prompt written notice of a FOIA request or administrative appeal that seeks its business information whenever required under paragraph (e) of this section, except as provided in paragraph (h) of this section, in order to give the submitter an opportunity under paragraph (f) of this section to object to disclosure of any specified portion of that information. Such written notice shall be sent via certified mail, return receipt requested, or similar means. The notice shall either describe the business information requested or include copies of the requested records containing the information. If notification of a large number of submitters is required, notification may be made by posting or publishing the notice in a place reasonably likely to accomplish notification.

(e) *When notice is required.* Notice shall be given to the submitter whenever:

(1) The submitter has designated the information in good faith as protected from disclosure under FOIA exemption (b)(4); or

(2) The component has reason to believe that the information may be protected from disclosure under FOIA exemption (b)(4).

(f) *Opportunity to object to disclosure.* A component shall allow a submitter seven working days (*i.e.*, excluding Saturdays, Sundays, and legal public holidays) from the date of receipt of the written notice described in paragraph (d) of this section to provide the component with a statement of any objection to disclosure. The statement must identify any portions of the information the submitter requests to be withheld under FOIA exemption (b)(4), and describe how each qualifies for protection under the exemption: that is, why the information is a trade secret, or commercial or financial information that is privileged or confidential. If a submitter fails to respond to the notice

within the time specified, the submitter will be considered to have no objection to disclosure of the information. Information a submitter provides under this paragraph may itself be subject to disclosure under the FOIA.

(g) *Notice of intent to disclose.* A component shall consider a submitter's objections and specific grounds under the FOIA for nondisclosure in deciding whether to disclose business information. If a component decides to disclose business information over a submitter's objection, the component shall give the submitter written notice via certified mail, return receipt requested, or similar means, which shall include:

(1) A statement of reason(s) why the submitter's objections to disclosure were not sustained;

(2) A description of the business information to be disclosed; and

(3) A statement that the component intends to disclose the information seven working days from the date the submitter receives the notice.

(h) *Exceptions to notice requirements.* The notice requirements of paragraphs (d) and (g) of this section shall not apply if:

(1) The component determines that the information should not be disclosed;

(2) The information has been lawfully published or has been officially made available to the public;

(3) Disclosure of the information is required by statute (other than the FOIA) or by a regulation issued in accordance with Executive Order 12600; or

(4) The designation made by the submitter under paragraph (c) of this section appears obviously frivolous, in which case the component shall provide the submitter written notice of any final decision to disclose the information seven working days from the date the submitter receives the notice.

(i) *Notice to submitter of FOIA lawsuit.* Whenever a requester files a lawsuit seeking to compel the disclosure of business information, the component shall promptly notify the submitter.

(j) *Corresponding notice to requester.* Whenever a component provides a submitter with notice and an opportunity to object to disclosure under paragraph (d) of this section, the component shall

## Office of the Secretary, Commerce

## § 4.10

also notify the requester. Whenever a submitter files a lawsuit seeking to prevent the disclosure of business information, the component shall notify the requester.

### § 4.10 Appeals from initial determinations or untimely delays.

(a) If a request for records is initially denied in whole or in part, or has not been timely determined, or if a requester receives an adverse initial determination regarding any other matter under this subpart (as described in § 4.7(b)), the requester may file a written appeal or an electronic appeal, which must be received by the Office of General Counsel during normal business hours (8:30 a.m. to 5 p.m., Eastern Time, Monday through Friday) within thirty calendar days of the date of the written denial or, if there has been no determination, may be submitted anytime after the due date, including the last extension under § 4.6(c), of the determination. Written or electronic appeals arriving after normal business hours will be deemed received on the next normal business day.

(b) Appeals shall be decided by the Assistant General Counsel for Administration (AGC-Admin), except that appeals for records which were initially denied by the AGC-Admin shall be decided by the General Counsel. Written appeals should be addressed to the AGC-Admin, or the General Counsel if the records were initially denied by the AGC-Admin. The address of both is: U.S. Department of Commerce, Office of General Counsel, Room 5875, 14th and Constitution Avenue NW., Washington, DC 20230. An appeal may also be sent via facsimile at 202-482-2552. For a written appeal, both the letter and the appeal envelope should be clearly marked "Freedom of Information Appeal". The address for electronic appeals is *FOIAAppeals@doc.gov*. The appeal (written or electronic) must include a copy of the original request and the initial denial, if any, and a statement of the reasons why the records requested should be made available and why the initial denial, if any, was in error. No opportunity for personal appearance, oral argument or hearing on appeal is provided.

(c) Upon receipt of an appeal involving records initially denied on the basis of FOIA exemption (b)(1), the records shall be forwarded to the Deputy Assistant Secretary for Security (DAS) for a declassification review. The DAS may overrule previous classification determinations in whole or in part if continued protection in the interest of national security is no longer required, or no longer required at the same level. The DAS shall advise the AGC-Admin, or the General Counsel, as appropriate, of his or her decision.

(d) If an appeal is granted, the person who filed the appeal shall be immediately notified and copies of the releasable documents shall be made available promptly thereafter upon receipt of appropriate fees determined in accordance with § 4.11.

(e) If no determination on an appeal has been sent to the requester within the twenty working day period specified in § 4.6(b) or the last extension thereof, the requester is deemed to have exhausted all administrative remedies with respect to the request, giving rise to a right of judicial review under 5 U.S.C. 552(a)(6)(C). If the requester initiates a court action against the Department based on the provision in this paragraph, the administrative appeal process may continue.

(f) The determination on an appeal shall be in writing and, when it denies records in whole or in part, the letter to the requester shall include:

(1) A brief explanation of the basis for the denial, including a list of the applicable FOIA exemptions and a description of how they apply;

(2) A statement that the decision is final for the Department;

(3) Notification that judicial review of the denial is available in the district court of the United States in the district in which the requester resides, or has his or her principal place of business, or in which the agency records are located, or in the District of Columbia; and

(4) The name and title or position of the official responsible for denying the appeal.

## § 4.11

## 15 CFR Subtitle A (1-1-07 Edition)

### § 4.11 Fees.

(a) *In general.* Components shall charge for processing requests under the FOIA in accordance with paragraph (c) of this section, except when fees are limited under paragraph (d) of this section or when a waiver or reduction of fees is granted under paragraph (k) of this section. A component shall collect all applicable fees before sending copies of requested records to a requester. Requesters must pay fees by check or money order made payable to the Treasury of the United States.

(b) *Definitions.* For purposes of this section:

(1) *Commercial use request* means a request from or on behalf of a person who seeks information for a use or purpose that furthers his or her commercial, trade, or profit interests, which can include furthering those interests through litigation. Components shall determine, whenever reasonably possible, the use to which a requester will put the requested records. If it appears that the requester will put the records to a commercial use, or if a component has reasonable cause to doubt a requester's asserted non-commercial use, the component shall provide the requester a reasonable opportunity to submit further clarification.

(2) *Direct costs* means those expenses a component incurs in providing a particular service. Such expenses would include, for example, the labor costs of the employee performing the service (the basic rate of pay for the employee, plus 16 percent of that rate to cover benefits). Not included in direct costs are overhead expenses such as the costs of space, heating, or lighting of the facility in which the service is performed.

(3) *Duplication* means the making of a copy of a record, or of the information contained in it, necessary to respond to a FOIA request. Copies may take the form of paper, microform, audiovisual materials, or electronic records (for example, magnetic tape or disk), among others. A component shall honor a requester's specified preference of form or format of disclosure if the component can reproduce the record in the requested form or format with reasonable effort.

(4) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of undergraduate higher education, an institution of graduate higher education, an institution of professional education, or an institution of vocational education, that operates a program of scholarly research. To be in this category, a requester must show that the request is authorized by and is made under the auspices of a qualifying institution, and that the records are sought to further scholarly research rather than for a commercial use.

(5) *Noncommercial scientific institution* means an institution that is not operated on a "commercial" basis, as that term is defined in paragraph (b)(1) of this section, and that is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry. To be in this category, a requester must show that the request is authorized by and is made under the auspices of a qualifying institution and that the records are sought to further scientific research rather than for a commercial use.

(6) *Representative of the news media, or news media requester* means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term "news" means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large and publishers of periodicals (but only if they can qualify as disseminators of "news") that make their products available for purchase or subscription by the general public. For "freelance" journalists to be regarded as working for a news organization, they must demonstrate a solid basis for expecting publication through that organization. A publication contract would be the clearest proof, but components shall also look to the past publication record of a requester in making this determination. To be in this category, a requester must not be seeking the requested records for a commercial use.

**Office of the Secretary, Commerce**

**§4.11**

However, a request for records supporting the news-dissemination function of the requester shall not be considered to be for a commercial use.

(7) *Review* means the examination of a record located in response to a request in order to determine whether any portion of it is exempt from disclosure. It also includes processing any record for disclosure, for example, redacting it and marking any applicable exemptions. Review costs are recoverable even if a record ultimately is not disclosed. Review time does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(8) *Search* means the process of looking for and retrieving records or information responsive to a request. It in-

cludes page-by-page or line-by-line identification of information within records and also includes reasonable efforts to locate and retrieve information from records maintained in electronic form or format. Components shall ensure that searches are done in the most efficient and least expensive manner reasonably possible.

(c) *Fees*. In responding to FOIA requests, components shall charge the fees summarized in chart form in paragraphs (c)(1) and (c)(2) of this section and explained in paragraphs (c)(3) through (c)(5) of this section, unless a waiver or reduction of fees has been granted under paragraph (k) of this section.

(1) The four categories and chargeable fees are:

Category	Chargeable fees
(i) Commercial Use Requesters .....	Search, Review, and Duplication. Duplication (excluding the cost of the first 100 pages).
(ii) Educational and Non-commercial Scientific Institution Requesters.

(iv) All Other Requesters .....	Search and Duplication (excluding the cost of the first 2 hours of search and 100 pages).

(2) Uniform fee schedule.

Service	Rate
(i) Manual search .....	Actual salary rate of employee involved, plus 16 percent of salary rate.
(ii) Computerized search .....	Actual direct cost, including operator time.
(iii) Duplication of records:

(B) Other reproduction (e.g., computer disk or printout, microfilm, microfiche, or microform).	Actual direct cost, including operator time.
(iv) Review of records (including redaction) .....	Actual salary rate of employee conducting review, plus 16 percent of salary rate.

(3) *Search*. (i) Search fees shall be charged for all requests—other than requests made by educational institutions, noncommercial scientific institutions, or representatives of the news media—subject to the limitations of paragraph (d) of this section. Components shall charge for time spent searching even if they do not locate any responsive records or if they withhold any records located as entirely exempt from disclosure. Search fees shall be the direct costs of conducting the search by the involved employees.

(ii) For computer searches of records, requesters will be charged the direct costs of conducting the search, al-

though certain requesters (as provided in paragraph (d)(1) of this section) will be charged no search fee and certain other requesters (as provided in paragraph (d)(3) of this section) are entitled to the cost equivalent of two hours of manual search time without charge.

(4) *Duplication*. Duplication fees shall be charged to all requesters, subject to the limitations of paragraph (d) of this section. For a paper photocopy of a record (no more than one copy of which need be supplied), the fee shall be \$.16 cents per page. For copies produced by computer, such as tapes or printouts, components shall charge the direct

#### §4.11

#### 15 CFR Subtitle A (1-1-07 Edition)

costs, including operator time, of producing the copy. For other forms of duplication, components shall charge the direct costs of that duplication.

(5) *Review.* Review fees shall be charged to requesters who make a commercial use request. Review fees shall be charged only for the initial record review, in which a component determines whether an exemption applies to a particular record at the initial request level. No charge shall be imposed for review at the administrative appeal level for an exemption already applied. However, records withheld under an exemption that is subsequently determined not to apply may be reviewed again to determine whether any other exemption not previously considered applies, and the costs of that review are chargeable. Review fees shall be the direct costs of conducting the review by the involved employees.

(d) *Limitations on charging fees.* (1) No search fee shall be charged for requests from educational institutions, non-commercial scientific institutions, or representatives of the news media.

(2) No search fee or review fee shall be charged for a quarter-hour period unless more than half of that period is required for search or review.

(3) Except for requesters seeking records for a commercial use, components shall provide without charge:

(i) The first 100 pages of duplication (or the cost equivalent); and

(ii) The first two hours of search (or the cost equivalent).

(4) If a total fee calculated under paragraph (c) of this section is \$20.00 or less for any request, no fee shall be charged. If such total fee is more than \$20.00, the full amount of such fee shall be charged.

(5) The provisions of paragraphs (d) (3) and (4) of this section work together. This means that for requesters other than those seeking records for a commercial use, no fee shall be charged unless the cost of search in excess of two hours plus the cost of duplication in excess of 100 pages totals more than \$20.00.

(e) *Notice of anticipated fees over \$20.00.* If a component determines or estimates that the total fee to be charged under this section will be more than \$20.00, the component shall notify the

requester of the actual or estimated fee, unless the requester has stated in writing a willingness to pay a fee as high as that anticipated. If only a portion of the fee can be estimated readily, the component shall advise the requester that the estimated fee may be only a portion of the total fee. If the component has notified a requester that the actual or estimated fee is more than \$20.00, the component shall not consider the request received for purposes of calculating the time limit in §4.6(b) to respond to a request, or process it further, until the requester agrees to pay the anticipated total fee. Any agreement to pay should be memorialized in writing. A notice under this paragraph shall offer the requester an opportunity to contact Departmental personnel to discuss modifying the request to meet the requester's needs at a lower cost.

(f) *Charges for other services.* Apart from the other provisions of this section, if a component decides, as a matter of administrative discretion, to comply with a request for special services, the component shall charge the direct cost of providing them. Such services could include certifying that records are true copies or sending records by other than ordinary mail.

(g) *Charging interest.* Components shall charge interest on any unpaid bill starting on the 31st calendar day following the date of billing the requester. Interest charges shall be assessed at the rate provided in 31 U.S.C. 3717 and accrue from the date of the billing until the component receives payment. Components shall take all steps authorized by the Debt Collection Act of 1982, as amended by the Debt Collection Improvement Act of 1996, to effect payment, including offset, disclosure to consumer reporting agencies, and use of collection agencies.

(h) *Aggregating requests.* If a component reasonably believes that a requester or a group of requesters acting together is attempting to divide a request into a series of requests for the purpose of avoiding fees, the component may aggregate those requests and charge accordingly. Among the factors a component shall consider in deciding whether to aggregate are the closeness

in time between the component's receipt of the requests, and the relatedness of the matters about which the requests are made. A component may generally presume that multiple requests that involve related matters made by the same requester or a closely related group of requesters within a 30 calendar day period have been made in order to avoid fees. If requests are separated by a longer period, a component shall aggregate them only if a solid basis exists for determining that aggregation is warranted under all the circumstances involved. Multiple requests involving unrelated matters shall not be aggregated.

(i) *Advance payments.* (1) For requests other than those described in paragraphs (i)(2) and (3) of this section, a component shall not require the requester to make an advance payment: a payment made before work is begun or continued on a request. Payment owed for work already completed (*i.e.*, a payment before copies are sent to a requester) is not an advance payment.

(2) If a component determines or estimates that a total fee to be charged under this section will be more than \$250.00, the component shall not consider the request received for purposes of calculating the time limit in §4.6(b) to respond to a request, or process it further, until it receives payment from the requester of the entire anticipated fee.

(3) If a requester has previously failed to pay a properly charged FOIA fee to any component or other Federal agency within 30 calendar days of the date of billing, a component shall require the requester to pay the full amount due, plus any applicable interest, and to make an advance payment of the full amount of any anticipated fee, before the component begins to process a new request or continues to process a pending request from that requester. For purposes of calculating the time limit in §4.6(b) to respond to a request, the component shall not consider the request received until it receives full payment of all applicable fees and interest in this paragraph.

(4) Upon the completion of processing of a request, if a specific fee is determined to be payable and appropriate notice has been given to the requester,

a component shall make records available to the requester only upon receipt of full payment of the fee.

(j) *Other statutes specifically providing for fees.* The fee schedule of this section does not apply to fees charged under any statute (except for the FOIA) that specifically requires an agency to set and collect fees for particular types of records. If records responsive to requests are maintained for distribution by agencies operating such statutorily based fee schedule programs, components shall inform requesters how to obtain records from those sources. Provision of such records is not handled under the FOIA.

(k) *Requirements for waiver or reduction of fees.* (1) Records responsive to a request will be furnished without charge, or at a charge reduced below that established under paragraph (c) of this section, if the requester asks for such a waiver in writing and the responsible component determines, after consideration of information provided by the requester, that the requester has demonstrated that:

(i) Disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government; and

(ii) Disclosure of the information is not primarily in the commercial interest of the requester.

(2) To determine whether the first fee waiver requirement is met, components shall consider the following factors:

(i) *The subject of the request:* whether the subject of the requested records concerns the operations or activities of the Government. The subject of the requested records must concern identifiable operations or activities of the Federal Government, with a connection that is direct and clear, not remote or attenuated.

(ii) *The informative value of the information to be disclosed:* whether the disclosure is "likely to contribute" to an understanding of Government operations or activities. The disclosable portions of the requested records must be meaningfully informative about Government operations or activities in order to be "likely to contribute" to an increased public understanding of those

#### § 4.21

operations or activities. The disclosure of information that already is in the public domain, in either a duplicative or a substantially identical form, would not be likely to contribute to such understanding.

(iii) *The contribution to an understanding of the subject by the public likely to result from disclosure:* whether disclosure of the requested information will contribute to the understanding of a reasonably broad audience of persons interested in the subject, as opposed to the individual understanding of the requester. A requester's expertise in the subject area and ability and intention to effectively convey information to the public shall be considered. It shall be presumed that a representative of the news media satisfies this consideration. Merely providing information to media sources is insufficient to satisfy this consideration.

(iv) *The significance of the contribution to public understanding:* whether the disclosure is likely to contribute "significantly" to public understanding of Government operations or activities. The public's understanding of the subject in question prior to the disclosure must be significantly enhanced by the disclosure.

(3) To determine whether the second fee waiver requirement (*i.e.*, that disclosure is not primarily in the commercial interest of the requester) is met, components shall consider the following factors:

(i) *The existence and magnitude of a commercial interest:* whether the requester has a commercial interest that would be furthered by the requested disclosure. Components shall consider any commercial interest of the requester (with reference to the definition of "commercial use request" in paragraph (b)(1) of this section), or of any person on whose behalf the requester may be acting, that would be furthered by the requested disclosure. Requesters shall be given an opportunity to provide explanatory information regarding this consideration.

(ii) *The primary interest in disclosure:* whether any identified commercial interest of the requester is sufficiently great, in comparison with the public interest in disclosure, that disclosure is "primarily in the commercial inter-

#### 15 CFR Subtitle A (1-1-07 Edition)

est of the requester." A fee waiver or reduction is justified if the public interest standard (paragraph (k)(1)(i) of this section) is satisfied and the public interest is greater than any identified commercial interest in disclosure. Components ordinarily shall presume that if a news media requester has satisfied the public interest standard, the public interest is the primary interest served by disclosure to that requester. Disclosure to data brokers or others who merely compile and market Government information for direct economic return shall not be presumed to primarily serve the public interest.

(4) If only some of the records to be released satisfy the requirements for a fee waiver, a waiver shall be granted for those records.

(5) Requests for the waiver or reduction of fees should address the factors listed in paragraphs (k)(2) and (3) of this section, insofar as they apply to each request.

### Subpart B—Privacy Act

#### § 4.21 Purpose and scope.

(a) This subpart establishes policies and procedures for implementing the Privacy Act of 1974, as amended (5 U.S.C. 552a). The main objectives of the subpart are to facilitate full exercise of rights conferred on individuals under the Act, and to protect the privacy of individuals on whom the Department maintains records in systems of records under the Act.

(b) The Department shall act promptly and in accordance with the Act upon receipt of any inquiry, request or appeal from a citizen of the United States or an alien lawfully admitted for permanent residence into the United States, regardless of the individual's age. Further, the Department shall maintain only such information on individuals as is relevant and necessary to the performance of its lawful functions; maintain that information with such accuracy, relevancy, timeliness, and completeness as is reasonably necessary to assure fairness in determinations made by the Department about the individual; obtain information from the individual to the extent practicable; and take every reasonable step

to protect that information from unwarranted disclosure. The Department shall maintain no record describing how an individual exercises rights guaranteed by the First Amendment unless expressly authorized to do so by statute or by the individual about whom the record is maintained, or unless to do so is pertinent to and within the scope of an authorized law enforcement activity. An individual's name and address shall not be sold or rented by the Department unless such action is specifically authorized by law.

(c) This subpart applies to all components of the Department. Components may promulgate supplementary orders and rules not inconsistent with this subpart.

(d) The Assistant Secretary for Administration is delegated responsibility for maintaining this subpart, for issuing such orders and directives internal to the Department as are necessary for full compliance with the Act, and for publishing all required notices concerning systems of records.

(e) Matters outside the scope of this subpart include:

(1) Requests for records that do not pertain to the requester, or to the individual about whom the request is made if the requester is the parent or guardian of the individual;

(2) Requests involving information pertaining to an individual that is in a record or file but not within the scope of a system of records notice published in the FEDERAL REGISTER;

(3) Requests to correct a record if a grievance procedure is available to the individual either by regulation or through a provision in a collective bargaining agreement with the Department or a component of the Department, and the individual has initiated, or expressed in writing the intention of initiating, such a grievance procedure; and

(4) Requests for employee-employer services and counseling that were routinely granted prior to enactment of the Act, including, but not limited to, test calculations of retirement benefits, explanations of health and life insurance programs, and explanations of tax withholding options.

(f) Any request for records that pertains to the requester, or to the indi-

vidual about whom the request is made if the requester is the parent or guardian of the individual, shall be processed under the Act and this subpart and under the Freedom of Information Act and the Department's implementing regulations at subpart A of this part, regardless whether the Act or the Freedom of Information Act is mentioned in the request.

#### § 4.22 Definitions.

(a) All terms used in this subpart which are defined in 5 U.S.C. 552a shall have the same meaning herein.

(b) As used in this subpart:

(1) *Act* means the "Privacy Act of 1974, as amended (5 U.S.C. 552a)".

(2) *Appeal* means a request by an individual to review and reverse an initial denial of a request from that individual for correction or amendment.

(3) *Component* means any office, division, bureau or other unit of the Department listed in Appendix A to this part (except that a regional office of a larger office or other unit does not constitute a separate component).

(4) *Department* means the Department of Commerce.

(5) *Inquiry* means either a request for general information regarding the Act and this subpart or a request from an individual (or that individual's parent or guardian) that the Department determine whether it has any record in a system of records that pertains to that individual.

(6) *Person* means any human being and also shall include, but is not limited to, corporations, associations, partnerships, trustees, receivers, personal representatives, and public or private organizations.

(7) *Privacy Officer* means those officials, identified in Appendix B to this part, who are authorized to receive and act upon inquiries, requests for access, and requests for correction or amendment.

(8) *Request for access* means a request from an individual or an individual's parent or guardian to see a record pertaining to that individual in a particular system of records.

(9) *Request for correction or amendment* means a request from an individual or an individual's parent or guardian that the Department change (by correction,

#### § 4.23

amendment, addition or deletion) a particular record pertaining to that individual in a system of records.

#### § 4.23 Procedures for making inquiries.

(a) Any individual, regardless of age, who is a citizen of the United States or an alien lawfully admitted for permanent residence into the United States may submit an inquiry to the Department. The inquiry should be made either in person or by mail addressed to the appropriate component identified in Appendix A to this part or to the official identified in the notification procedures paragraph of the systems of records notice published in the FEDERAL REGISTER.<sup>2</sup> If an individual believes the Department maintains a record pertaining to him or her but does not know which system of records might contain such a record and/or which component of the Department maintains the system of records, assistance in person or by mail will be provided at the first address listed in Appendix A to this part.

(b) Inquiries submitted by mail should include the words "PRIVACY ACT INQUIRY" in capital letters at the top of the letter and on the face of the envelope. If the inquiry is for general information regarding the Act and this subpart, no particular information is required. The Department reserves the right to require compliance with the identification procedures appearing at § 4.24(d). If the inquiry is a request that the Department determine whether it has a record pertaining to the individual, the following information should be submitted:

(1) Name of individual whose record is sought;

(2) Statement that individual whose record is sought is either a U.S. citizen or an alien lawfully admitted for permanent residence;

(3) Identifying data that will help locate the record (for example, maiden

name, occupational license number, period or place of employment, etc.);

(4) Record sought, by description and by record system name, if known;

(5) Action requested (that is, sending information on how to exercise rights under the Act; determining whether requested record exists; gaining access to requested record; or obtaining copy of requested record);

(6) Copy of court guardianship order or minor's birth certificate, as provided in § 4.24(d)(3), but only if requester is guardian or parent of individual whose record is sought;

(7) Requester's name (printed), signature, address, and (optional) telephone number;

(8) Date; and,

(9) Certification of request by notary or other official, but only if

(i) Request is for notification that requested record exists, for access to requested record, or for copy of requested record;

(ii) Record is not available to any person under 5 U.S.C. 552; and

(iii) Requester does not appear before an employee of the Department for verification of identity.

(c) Any inquiry which is not addressed as specified in paragraph (a) of this section or which is not marked as specified in paragraph (b) of this section will be so addressed and marked by Department personnel and forwarded immediately to the responsible Privacy Officer. An inquiry which is not properly addressed by the individual will not be deemed to have been "received" for purposes of measuring the time period for response until actual receipt by the Privacy Officer. In each instance when an inquiry so forwarded is received, the Privacy Officer shall notify the individual that his or her inquiry was improperly addressed and the date the inquiry was received at the proper address.

(d)(1) Each inquiry received shall be acted upon promptly by the responsible Privacy Officer. Every effort will be made to respond within ten working days (*i.e.*, excluding Saturdays, Sundays and legal public holidays) of the date of receipt at the proper address. If a response cannot be made within ten working days, the Privacy Officer shall send an acknowledgment during that

period providing information on the status of the inquiry and asking for such further information as may be necessary to process the inquiry. The first correspondence sent by the Privacy Officer to the requester shall contain the Department's control number assigned to the request, as well as a statement that the requester should use that number in all future contacts with the Department. The Department shall use that control number in all subsequent correspondence.

(2) If the Privacy Officer fails to send an acknowledgment within ten working days, as provided in paragraph (d)(1) of this section, the requester may ask the Assistant General Counsel for Administration to take corrective action. No failure of a Privacy Officer to send an acknowledgment shall confer administrative finality for purposes of judicial review.

(e) An individual shall not be required to state a reason for or otherwise justify his or her inquiry.

(f) Special note should be taken that certain agencies are responsible for publishing notices of systems of records having Government-wide application to other agencies, including the Department. The agencies known to be publishing these general notices and the types of records covered therein appear in Appendix C to this part. These general notices do not identify the Privacy Officers in the Department to whom inquiries should be presented or mailed. The provisions of this section, and particularly paragraph (a) of this section, should be followed in making inquiries with respect to such records. Such records in the Department are subject to the provisions of this part to the extent indicated in Appendix C to this part. The exemptions, if any, determined by the agency publishing a general notice shall be invoked and applied by the Department after consultation, as necessary, with that other agency.

**§ 4.24 Procedures for making requests for records.**

(a) Any individual, regardless of age, who is a citizen of the United States or an alien lawfully admitted for permanent residence into the United States may submit a request to the Depart-

ment for access to records. The request should be made either in person or by mail addressed to the appropriate office listed in Appendix A to this part.

(b) Requests submitted by mail should include the words "PRIVACY ACT REQUEST" in capital letters at the top of the letter and on the face of the envelope. Any request which is not addressed as specified in paragraph (a) of this section or which is not marked as specified in this paragraph will be so addressed and marked by Department personnel and forwarded immediately to the responsible Privacy Officer. A request which is not properly addressed by the individual will not be deemed to have been "received" for purposes of measuring time periods for response until actual receipt by the Privacy Officer. In each instance when a request so forwarded is received, the Privacy Officer shall notify the individual that his or her request was improperly addressed and the date the request was received at the proper address.

(c) If the request follows an inquiry under § 4.23 in connection with which the individual's identity was established by the Department, the individual need only indicate the record to which access is sought, provide the Department control number assigned to the request, and sign and date the request. If the request is not preceded by an inquiry under § 4.23, the procedures of this section should be followed.

(d) The requirements for identification of individuals seeking access to records are:

(1) *In person.* Each individual making a request in person shall be required to present satisfactory proof of identity. The means of proof, in the order of preference and priority, are:

(i) A document bearing the individual's photograph (for example, driver's license, passport or military or civilian identification card);

(ii) A document, preferably issued for participation in a Federally-sponsored program, bearing the individual's signature (for example, unemployment insurance book, employer's identification card, national credit card, and professional, craft or union membership card); and,

**§ 4.25**

**15 CFR Subtitle A (1-1-07 Edition)**

(iii) A document bearing neither the photograph nor the signature of the individual, preferably issued for participation in a Federally-sponsored program (for example, Medicaid card). If the individual can provide no suitable documentation of identity, the Department will require a signed statement asserting the individual's identity and stipulating that the individual understands the penalty provision of 5 U.S.C. 552a(i)(3) recited in § 4.32(a). In order to avoid any unwarranted disclosure of an individual's records, the Department reserves the right to determine the adequacy of proof of identity offered by any individual, particularly if the request involves a sensitive record.

(2) *Not in person.* If the individual making a request does not appear in person before a Privacy Officer or other employee authorized to determine identity, a certification of a notary public or equivalent officer empowered to administer oaths must accompany the request under the circumstances prescribed in § 4.23(b)(9). The certification in or attached to the letter must be substantially in accordance with the following text:

City of \_\_\_\_\_ County of \_\_\_\_\_ ss (Name of individual), who affixed (his) (her) signature below in my presence, came before me, a (title), in and for the aforesaid County and State, this \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, and established (his) (her) identity to my satisfaction. My commission expires \_\_\_\_\_.  
(Signature)

(3) *Parents of minors and legal guardians.* An individual acting as the parent of a minor or the legal guardian of the individual to whom a record pertains shall establish his or her personal identity in the same manner prescribed in either paragraph (d)(1) or (d)(2) of this section. In addition, such other individual shall establish his or her identity in the representative capacity of parent or legal guardian. In the case of the parent of a minor, the proof of identity shall be a certified or authenticated copy of the minor's birth certificate. In the case of a legal guardian of an individual who has been declared incompetent due to physical or mental incapacity or age by a court of competent jurisdiction, the proof of identity shall be a certified or authenticated copy of the court's order. For

purposes of the Act, a parent or legal guardian may represent only a living individual, not a decedent. A parent or legal guardian may be accompanied during personal access to a record by another individual, provided the provisions of § 4.25(f) are satisfied.

(e) If the provisions of this subpart are alleged to impede an individual in exercising his or her right to access, the Department will consider, from an individual making a request, alternative suggestions regarding proof of identity and access to records.

(f) An individual shall not be required to state a reason for or otherwise justify his or her request for access to a record.

**§ 4.25 Disclosure of requested records to individuals.**

(a)(1) The responsible Privacy Officer shall act promptly upon each request. Every effort will be made to respond within ten working days (*i.e.*, excluding Saturdays, Sundays and legal public holidays) of the date of receipt. If a response cannot be made within ten working days due to unusual circumstances, the Privacy Officer shall send an acknowledgment during that period providing information on the status of the request and asking for any further information that may be necessary to process the request. "Unusual circumstances" shall include circumstances in which:

(i) A search for and collection of requested records from inactive storage, field facilities or other establishments is required;

(ii) A voluminous amount of data is involved;

(iii) Information on other individuals must be separated or expunged from the particular record; or

(iv) Consultations with other agencies having a substantial interest in the determination of the request are necessary.

(2) If the Privacy Officer fails to send an acknowledgment within ten working days, as provided in paragraph (a)(1) of this section, the requester may ask the Assistant General Counsel for Administration to take corrective action. No failure of a Privacy Officer to send an acknowledgment shall confer

administrative finality for purposes of judicial review.

(b) Grant of access: (1) *Notification.* An individual shall be granted access to a record pertaining to him or her, unless the provisions of paragraph (g)(1) of this section apply. The Privacy Officer shall notify the individual of a determination to grant access, and provide the following information:

(i) The methods of access, as set forth in paragraph (b)(2) of this section;

(ii) The place at which the record may be inspected;

(iii) The earliest date on which the record may be inspected and the period of time that the records will remain available for inspection. In no event shall the earliest date be later than thirty calendar days from the date of notification;

(iv) The estimated date by which a copy of the record will be mailed and the fee estimate pursuant to § 4.31. In no event shall the estimated date be later than thirty calendar days from the date of notification;

(v) The fact that the individual, if he or she wishes, may be accompanied by another individual during personal access, subject to the procedures set forth in paragraph (f) of this section; and,

(vi) Any additional prerequisites for granting access to a specific record.

(2) *Methods of access.* The following methods of access to records by an individual may be available depending on the circumstances of a given situation:

(i) Inspection in person may be had in the office specified by the Privacy Officer granting access, during the hours indicated in Appendix A to this part;

(ii) Transfer of records to a Federal facility more convenient to the individual may be arranged, but only if the Privacy Officer determines that a suitable facility is available, that the individual's access can be properly supervised at that facility, and that transmittal of the records to that facility will not unduly interfere with operations of the Department or involve unreasonable costs, in terms of both money and manpower; and,

(iii) Copies may be mailed at the request of the individual, subject to payment of the fees prescribed in § 4.31. The Department, at its own initiative,

may elect to provide a copy by mail, in which case no fee will be charged the individual.

(c) Access to medical records is governed by the provisions of § 4.26.

(d) The Department shall supply such other information and assistance at the time of access as to make the record intelligible to the individual.

(e) The Department reserves the right to limit access to copies and abstracts of original records, rather than the original records. This election would be appropriate, for example, when the record is in an automated data medium such as tape or disc, when the record contains information on other individuals, and when deletion of information is permissible under exemptions (for example, 5 U.S.C. 552a(k)(2)). In no event shall original records of the Department be made available to the individual except under the immediate supervision of the Privacy Officer or his or her designee.

(f) Any individual who requests access to a record pertaining to that individual may be accompanied by another individual of his or her choice. "Accompanied" includes discussing the record in the presence of the other individual. The individual to whom the record pertains shall authorize the presence of the other individual in writing. The authorization shall include the name of the other individual, a specific description of the record to which access is sought, the Department control number assigned to the request, the date, and the signature of the individual to whom the record pertains. The other individual shall sign the authorization in the presence of the Privacy Officer. An individual shall not be required to state a reason or otherwise justify his or her decision to be accompanied by another individual during personal access to a record.

(g) Initial denial of access: (1) *Grounds.* Access by an individual to a record that pertains to that individual will be denied only upon a determination by the Privacy Officer that:

(i) The record is exempt under § 4.33 or 4.34, or exempt by determination of another agency publishing notice of the system of records, as described in § 4.23(f);

#### § 4.26

(ii) The record is information compiled in reasonable anticipation of a civil action or proceeding;

(iii) The provisions of § 4.26 pertaining to medical records temporarily have been invoked; or,

(iv) The individual unreasonably has failed to comply with the procedural requirements of this part.

(2) *Notification.* The Privacy Officer shall give notice of denial of access to records to the individual in writing, and the notice shall include the following information:

(i) The Privacy Officer's name and title or position;

(ii) The date of the denial;

(iii) The reasons for the denial, including citation to the appropriate section of the Act and this part;

(iv) The individual's opportunities, if any, for further administrative consideration, including the identity and address of the responsible official. If no further administrative consideration within the Department is available, the notice shall state that the denial is administratively final; and,

(v) If stated to be administratively final within the Department, the individual's right to judicial review provided under 5 U.S.C. 552a(g)(1), as limited by 5 U.S.C. 552a(g)(5).

(3) *Administrative review.* If a Privacy Officer issues an initial denial of a request, the individual's opportunities for further consideration shall be as follows:

(i) As to denial under paragraph (g)(1)(i) of this section, two opportunities for further consideration are available in the alternative:

(A) If the individual contests the application of an exemption to the records, the review procedures in § 4.25(g)(3)(ii) shall apply; or,

(B) If the individual challenges the validity of the exemption itself, the individual must file a petition for the issuance, amendment, or repeal of a rule under 5 U.S.C. 553(e). If the exemption was determined by the Department, such petition shall be filed with the Assistant Secretary for Administration. If the exemption was determined by another agency (as described in § 4.23(f)), the Department will provide the individual with the name and address of the other agency and any re-

#### 15 CFR Subtitle A (1-1-07 Edition)

lief sought by the individual shall be that provided by the regulations of the other agency. Within the Department, no such denial is administratively final until such a petition has been filed by the individual and disposed of on the merits by the Assistant Secretary for Administration.

(ii) As to denial under paragraphs (g)(1)(ii) of this section, (g)(1)(iv) of this section or (to the limited extent provided in paragraph (g)(3)(i)(A) of this section) paragraph (g)(1)(i) of this section, the individual may file for review with the Assistant General Counsel for Administration, as indicated in the Privacy Officer's initial denial notification. The individual and the Department shall follow the procedures in § 4.28 to the maximum extent practicable.

(iii) As to denial under paragraph (g)(1)(iii) of this section, no further administrative consideration within the Department is available because the denial is not administratively final until expiration of the time period indicated in § 4.26(a).

(h) If a request is partially granted and partially denied, the Privacy Officer shall follow the appropriate procedures of this section as to the records within the grant and the records within the denial.

#### § 4.26 Special procedures: Medical records.

(a) No response to any request for access to medical records from an individual will be issued by the Privacy Officer for a period of seven working days (*i.e.*, excluding Saturdays, Sundays and legal public holidays) from the date of receipt.

(b) For every request from an individual for access to medical records, the Privacy Officer shall:

(1) Inform the individual of the waiting period prescribed in paragraph (a) of this section;

(2) Seek from the individual the name and address of the individual's physician and/or psychologist;

(3) Seek from the individual written consent for the Department to consult the individual's physician and/or psychologist, if the Department believes such consultation is advisable;

(4) Seek written consent from the individual for the Department to provide the medical records to the individual's physician or psychologist, if the Department believes access to the record by the individual is best effected under the guidance of the individual's physician or psychologist; and,

(5) Forward the individual's medical record to the Department's medical officer for review and a determination on whether consultation with or transmittal of the medical records to the individual's physician or psychologist is warranted. If consultation with or transmittal of such records to the individual's physician or psychologist is determined to be warranted, the Department's medical officer shall so consult or transmit. Whether or not such a consultation or transmittal occurs, the Department's medical officer shall provide instruction to the Privacy Officer regarding the conditions of access by the individual to his or her medical records.

(c) If an individual refuses in writing to give the names and consents set forth in paragraphs (c)(2) through (c)(4) of this section, the Department shall give the individual access to said records by means of a copy, provided without cost to the requester, sent registered mail, return receipt requested.

**§ 4.27 Procedures for making requests for correction or amendment.**

(a) Any individual, regardless of age, who is a citizen of the United States or an alien lawfully admitted for permanent residence into the United States may submit a request for correction or amendment to the Department. The request should be made either in person or by mail addressed to the Privacy Officer who processed the individual's request for access to the record, and to whom is delegated authority to make initial determinations on requests for correction or amendment. The offices of Privacy Officers are open to the public between the hours of 9 a.m. and 4 p.m. Monday through Friday (excluding Saturdays, Sundays, and legal public holidays).

(b) Requests submitted by mail should include the words "PRIVACY ACT REQUEST" in capital letters at the top of the letter and on the face of

the envelope. Any request that is not addressed as specified in paragraph (a) of this section or that is not marked as specified in this paragraph will be so addressed and marked by Department personnel and forwarded immediately to the responsible Privacy Officer. A request that is not properly addressed by the individual will not be deemed to have been "received" for purposes of measuring the time period for response until actual receipt by the Privacy Officer. In each instance when a request so forwarded is received, the Privacy Officer shall notify the individual that his or her request was improperly addressed and the date the request was received at the proper address.

(c) Since the request, in all cases, will follow a request for access under § 4.25, the individual's identity will be established by his or her signature on the request and use of the Department control number assigned to the request.

(d) A request for correction or amendment should include the following:

(1) Specific identification of the record sought to be corrected or amended (for example, description, title, date, paragraph, sentence, line and words);

(2) The specific wording to be deleted, if any;

(3) The specific wording to be inserted or added, if any, and the exact place at which it is to be inserted or added; and,

(4) A statement of the basis for the requested correction or amendment, with all available supporting documents and materials that substantiate the statement. The statement should identify the criterion of the Act being invoked, that is, whether the information in the record is unnecessary, inaccurate, irrelevant, untimely or incomplete.

**§ 4.28 Agency review of requests for correction or amendment.**

(a)(1)(i) Not later than ten working days (*i.e.*, excluding Saturdays, Sundays and legal public holidays) after receipt of a request to correct or amend a record, the Privacy Officer shall send an acknowledgment providing an estimate of time within

#### § 4.28

which action will be taken on the request and asking for such further information as may be necessary to process the request. The estimate of time may take into account unusual circumstances as described in § 4.25(a). No acknowledgment will be sent if the request can be reviewed, processed and the individual notified of the results of review (either compliance or denial) within the ten working days. Requests filed in person will be acknowledged in writing at the time submitted.

(ii) If the Privacy Officer fails to send the acknowledgment within ten working days, as provided in paragraph (a)(1)(i) of this section, the requester may ask the Assistant General Counsel for Administration to take corrective action. No failure of a Privacy Officer to send an acknowledgment shall confer administrative finality for purposes of judicial review.

(2) Promptly after acknowledging receipt of a request, or after receiving such further information as might have been requested, or after arriving at a decision within the ten working days, the Privacy Officer shall either:

(i) Make the requested correction or amendment and advise the individual in writing of such action, providing either a copy of the corrected or amended record or, in cases in which a copy cannot be provided (for example, erasure of information from a record maintained only in magnetically-recorded computer files), a statement as to the means by which the correction or amendment was effected; or,

(ii) Inform the individual in writing that his or her request is denied and provide the following information:

(A) The Privacy Officer's name and title or position;

(B) The date of the denial;

(C) The reasons for the denial, including citation to the appropriate sections of the Act and this subpart; and,

(D) The procedures for appeal of the denial as set forth in § 4.29, including the address of the Assistant General Counsel for Administration.

(3) The term *promptly* in this section means within thirty working days (*i.e.*, excluding Saturdays, Sundays and legal public holidays). If the Privacy Officer cannot make the determination within thirty working days, the indi-

#### 15 CFR Subtitle A (1-1-07 Edition)

vidual will be advised in writing of the reason for the delay and of the estimated date by which the determination will be made.

(b) Whenever an individual's record is corrected or amended pursuant to a request from that individual, the Privacy Officer shall notify all persons and agencies to which the corrected or amended portion of the record had been disclosed prior to its correction or amendment, if an accounting of such disclosure required by the Act was made. The notification shall require a recipient agency maintaining the record to acknowledge receipt of the notification, to correct or amend the record, and to apprise any agency or person to which it had disclosed the record of the substance of the correction or amendment.

(c) The following criteria will be considered by the Privacy Officer in reviewing a request for correction or amendment:

(1) The sufficiency of the evidence submitted by the individual;

(2) The factual accuracy of the information to be corrected or amended;

(3) The relevance and necessity of the information in terms of the purpose for which it was collected;

(4) The timeliness and currency of the information in light of the purpose for which it was collected;

(5) The completeness of the information in terms of the purpose for which it was collected;

(6) The degree of risk that denial of the request could unfairly result in determinations adverse to the individual;

(7) The character of the record sought to be corrected or amended; and,

(8) The propriety and feasibility of complying with the specific means of correction or amendment requested by the individual.

(d) The Department will not undertake to gather evidence for the individual, but does reserve the right to verify the evidence the individual submits.

(e) Correction or amendment of a record requested by an individual will be denied only upon a determination by the Privacy Officer that:

(1) The individual has failed to establish, by a preponderance of the evidence, the propriety of the correction or amendment in light of the criteria set forth in paragraph (c) of this section;

(2) The record sought to be corrected or amended is part of the official record in a terminated judicial, quasi-judicial or quasi-legislative proceeding to which the individual was a party or participant;

(3) The information in the record sought to be corrected or amended, or the record sought to be corrected or amended, is the subject of a pending judicial, quasi-judicial or quasi-legislative proceeding to which the individual is a party or participant;

(4) The correction or amendment would violate a duly enacted statute or promulgated regulation; or,

(5) The individual unreasonably has failed to comply with the procedural requirements of this part.

(f) If a request is partially granted and partially denied, the Privacy Officer shall follow the appropriate procedures of this section as to the records within the grant and the records within the denial.

**§ 4.29 Appeal of initial adverse agency determination on correction or amendment.**

(a) If a request for correction or amendment is denied initially under § 4.28, the individual may submit a written appeal within thirty working days (*i.e.*, excluding Saturdays, Sundays and legal public holidays) of the date of the initial denial. If an appeal is submitted by mail, the postmark is conclusive as to timeliness.

(b) An appeal should be addressed to the Assistant General Counsel for Administration, U.S. Department of Commerce, Room 5875, 14th and Constitution Avenue, NW., Washington, DC 20230. An appeal should include the words "PRIVACY APPEAL" in capital letters at the top of the letter and on the face of the envelope. An appeal not addressed and marked as provided herein will be so marked by Department personnel when it is so identified, and will be forwarded immediately to the Assistant General Counsel for Administration. An appeal which is not prop-

erly addressed by the individual will not be deemed to have been "received" for purposes of measuring the time periods in this section until actual receipt by the Assistant General Counsel for Administration. In each instance when an appeal so forwarded is received, the Assistant General Counsel for Administration shall notify the individual that his or her appeal was improperly addressed and the date on which the appeal was received at the proper address.

(c) The individual's appeal shall be signed by the individual, and shall include a statement of the reasons why the initial denial is believed to be in error, and the Department's control number assigned to the request. The Privacy Officer who issued the initial denial shall furnish to the Assistant General Counsel for Administration the record the individual requests to be corrected or amended, and all correspondence between the Privacy Officer and the requester. Although the foregoing normally will comprise the entire record on appeal, the Assistant General Counsel for Administration may seek any additional information necessary to ensure that the final determination is fair and equitable and, in such instances, disclose the additional information to the individual to the greatest extent possible, and provide an opportunity for comment thereon.

(d) No personal appearance or hearing on appeal will be allowed.

(e) The Assistant General Counsel for Administration shall act upon the appeal and issue a final determination in writing not later than thirty working days (*i.e.*, excluding Saturdays, Sundays and legal public holidays) from the date on which the appeal is received, except that the Assistant General Counsel for Administration may extend the thirty days upon deciding that a fair and equitable review cannot be made within that period, but only if the individual is advised in writing of the reason for the extension and the estimated date by which a final determination will issue. The estimated date should not be later than the sixtieth working day after receipt of the appeal unless unusual circumstances, as described in § 4.25(a), are met.

#### § 4.30

(f) If the appeal is determined in favor of the individual, the final determination shall include the specific corrections or amendments to be made and a copy thereof shall be transmitted promptly to the individual and to the Privacy Officer who issued the initial denial. Upon receipt of such final determination, the Privacy Officer shall promptly take the actions set forth in § 4.28(a)(2)(i) and (b).

(g) If the appeal is denied, the final determination shall be transmitted promptly to the individual and state the reasons for the denial. The notice of final determination also shall inform the individual that:

(1) The individual has a right under the Act to file with the Assistant General Counsel for Administration a concise statement of reasons for disagreeing with the final determination. The statement ordinarily should not exceed one page and the Department reserves the right to reject an excessively lengthy statement. It should provide the Department control number assigned to the request, indicate the date of the final determination and be signed by the individual. The Assistant General Counsel for Administration shall acknowledge receipt of such statement and inform the individual of the date on which it was received;

(2) Any such disagreement statement submitted by the individual would be noted in the disputed record, and filed with it;

(3) The purposes and uses to which the statement would be put are those applicable to the record in which it is noted, and that a copy of the statement would be provided to persons and agencies to which the record is disclosed subsequent to the date of receipt of such statement;

(4) The Department would append to any such disagreement statement a copy of the final determination or summary thereof, which also would be provided to persons and agencies to which the disagreement statement is disclosed; and

(5) The individual has a right to judicial review of the final determination under 5 U.S.C. 552a(g)(1)(A), as limited by 5 U.S.C. 552a(g)(5).

(h) In making the final determination, the Assistant General Counsel for

#### 15 CFR Subtitle A (1-1-07 Edition)

Administration shall employ the criteria set forth in § 4.28(c) and shall deny an appeal only on the grounds set forth in § 4.28(e).

(i) If an appeal is partially granted and partially denied, the Assistant General Counsel for Administration shall follow the appropriate procedures of this section as to the records within the grant and the records within the denial.

(j) Although a copy of the final determination or a summary thereof will be treated as part of the individual's record for purposes of disclosure in instances where the individual has filed a disagreement statement, it will not be subject to correction or amendment by the individual.

(k) The provisions of paragraphs (g)(1) through (g)(3) of this section satisfy the requirements of 5 U.S.C. 552a(e)(3).

#### § 4.30 Disclosure of record to person other than the individual to whom it pertains.

(a) The Department may disclose a record pertaining to an individual to a person other than the individual to whom it pertains only in the following instances:

(1) Upon written request by the individual, including authorization under § 4.25(f);

(2) With the prior written consent of the individual;

(3) To a parent or legal guardian under 5 U.S.C. 552a(h);

(4) When required by the Act and not covered explicitly by the provisions of 5 U.S.C. 552a(b); and

(5) When permitted under 5 U.S.C. 552a(b)(1) through (12), as follows:<sup>3</sup>

(i) To those officers and employees of the agency that maintains the record who have a need for the record in the performance of their duties;

(ii) Required under 5 U.S.C. 552;

(iii) For a routine use as defined in 5 U.S.C. 552a(a)(7);

(iv) To the Bureau of the Census for purposes of planning or carrying out a census or survey or related activity pursuant to the provisions of Title 13 of the U.S. Code;

<sup>3</sup> 5 U.S.C. 552a(b)(4) has no application within the Department.

(v) To a requester who has provided the agency with advance adequate written assurance that the record will be used solely as a statistical research or reporting record, and the record is to be transferred in a form that is not individually identifiable;

(vi) To the National Archives and Records Administration as a record that has sufficient historical or other value to warrant its continued preservation by the United States Government, or for evaluation by the Archivist of the United States, or the designee of the Archivist, to determine whether the record has such value;

(vii) To another agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if the head of the agency or instrumentality has made a written request to the agency which maintains the record, specifying the particular portion desired and the law enforcement activity for which the record is sought;

(viii) To a person pursuant to a showing of compelling circumstances affecting the health or safety of an individual if upon such disclosure notification is transmitted to the last known address of such individual;

(ix) To either House of Congress, or, to the extent of matter within its jurisdiction, any committee or subcommittee thereof, any joint committee of Congress or subcommittee of any such joint committee;

(x) To the Comptroller General, or any of his or her authorized representatives, in the course of the performance of the duties of the General Accounting Office;

(xi) Pursuant to the order of a court of competent jurisdiction; or

(xii) To a consumer reporting agency in accordance with 31 U.S.C. 3711(e).

(b) The situations referred to in paragraph (a)(4) of this section include the following:

(1) 5 U.S.C. 552a(c)(4) requires dissemination of a corrected or amended record or notation of a disagreement statement by the Department in certain circumstances;

(2) 5 U.S.C. 552a(d) requires disclosure of records to the individual to whom they pertain, upon request; and

(3) 5 U.S.C. 552a(g) authorizes civil action by an individual and requires disclosure by the Department to the court.

(c) The Privacy Officer shall make an accounting of each disclosure by him of any record contained in a system of records in accordance with 5 U.S.C. 552a(c)(1) and (2). Except for a disclosure made under 5 U.S.C. 552a(b)(7), the Privacy Officer shall make such accounting available to any individual, insofar as it pertains to that individual, upon any request submitted in accordance with § 4.24. The Privacy Officer shall make reasonable efforts to notify any individual when any record in a system of records is disclosed to any person under compulsory legal process, promptly upon being informed that such process has become a matter of public record.

[66 FR 65632, Dec. 20, 2001, as amended at 67 FR 60282, Sept. 25, 2002]

#### § 4.31 Fees.

(a) The only fee to be charged to an individual under this part is for duplication of records at the request of the individual. Components shall charge a fee for duplication of records under the Act in the same way in which they charge a duplication fee under § 4.11, except as provided in this section. Accordingly, no fee shall be charged or collected for: search, retrieval, or review of records; copying at the initiative of the Department without a request from the individual; transportation of records; or first-class postage.

(b) The Department shall provide an individual one copy of each record corrected or amended pursuant to the individual's request without charge as evidence of the correction or amendment.

(c) As required by the United States Office of Personnel Management in its published regulations implementing the Act, the Department shall charge no fee for a single copy of a personnel record covered by that agency's Government-wide published notice of systems of records.

## § 4.32

### § 4.32 Penalties.

(a) The Act provides, in pertinent part:

Any person who knowingly and willfully requests or obtains any record concerning an individual from an agency under false pretenses shall be guilty of a misdemeanor and fined not more than \$5,000. (5 U.S.C. 552a(i)(3)).

(b) A person who falsely or fraudulently attempts to obtain records under the Act also may be subject to prosecution under such other criminal statutes as 18 U.S.C. 494, 495 and 1001.

### § 4.33 General exemptions.

(a) Individuals may not have access to records maintained by the Department but which were provided by another agency which has determined by regulation that such information is subject to general exemption under 5 U.S.C. 552a(j). If such exempt records are within a request for access, the Department will advise the individual of their existence and of the name and address of the source agency. For any further information concerning the record and the exemption, the individual must contact that source agency.

(b) The general exemptions determined to be necessary and proper with respect to systems of records maintained by the Department, including the parts of each system to be exempted, the provisions of the Act from which they are exempted, and the justification for the exemption, are as follows:

(1) *Individuals identified in Export Transactions*—COMMERCE/ITA-1. Pursuant to 5 U.S.C. 552a(j)(2), these records are hereby determined to be exempt from all provisions of the Act, except 5 U.S.C. 552a(b), (c)(1) and (2), (e)(4) (A) through (F), (e) (6), (7), (9), (10), and (11), and (i). These exemptions are necessary to ensure the proper functioning of the law enforcement activity, to protect confidential sources of information, to fulfill promises of confidentiality, to maintain the integrity of the law enforcement process, to avoid premature disclosure of the knowledge of criminal activity and the evidentiary bases of possible enforcement actions, to prevent interference with law enforcement proceedings, to

## 15 CFR Subtitle A (1-1-07 Edition)

avoid disclosure of investigative techniques, and to avoid endangering law enforcement personnel. Section 12(c) of the Export Administration Act of 1979, as amended, also protects this information from disclosure.

(2) *Fisheries Law Enforcement Case Files*—COMMERCE/NOAA-5. Pursuant to 5 U.S.C. 552a(j)(2), these records are hereby determined to be exempt from all provisions of the Act, except 5 U.S.C. 552a (b), (c) (1) and (2), (e) (4) (A) through (F), (e) (6), (7), (9), (10), and (11), and (i). These exemptions are necessary to ensure the proper functioning of the law enforcement activity, to protect confidential sources of information, to fulfill promises of confidentiality, to prevent interference with law enforcement proceedings, to avoid the disclosure of investigative techniques, to avoid the endangering of law enforcement personnel, to avoid premature disclosure of the knowledge of criminal activity and the evidentiary bases of possible enforcement actions, and to maintain the integrity of the law enforcement process.

(3) *Investigative and Inspection Records*—COMMERCE/DEPT-12. Pursuant to 5 U.S.C. 552a(j)(2), these records are hereby determined to be exempt from all provisions of the Act, except 5 U.S.C. 552a (b), (c) (1) and (2), (e)(4) (A) through (F), (e) (6), (7), (9), (10), and (11), and (i). These exemptions are necessary to ensure the proper operation of the law enforcement activity, to protect confidential sources of information, to fulfill promises of confidentiality, to prevent interference with law enforcement proceedings, to avoid the disclosure of investigative techniques, to avoid the endangering of law enforcement personnel, to avoid premature disclosure of the knowledge of criminal activity and the evidentiary bases of possible enforcement actions, and to maintain the integrity of the law enforcement process.

### § 4.34 Specific exemptions.

(a)(1) Certain systems of records under the Act that are maintained by the Department may occasionally contain material subject to 5 U.S.C. 552a(k)(1), relating to national defense

and foreign policy materials. The systems of records published in the FEDERAL REGISTER by the Department that are within this exemption are:

COMMERCE/ITA-1, COMMERCE/ITA-2, COMMERCE/ITA-3, COMMERCE/NOAA-11, COMMERCE/PAT-TM-4, COMMERCE/DEPT-12, COMMERCE/DEPT-13, and COMMERCE/DEPT-14.

(2) The Department hereby asserts a claim to exemption of such materials wherever they might appear in such systems of records, or any systems of records, at present or in the future. The materials would be exempt from 5 U.S.C. 552a (c)(3), (d), (e)(1), (e)(4) (G), (H), and (I), and (f), because the materials are required by Executive order to be kept secret in the interest of the national defense and foreign policy.

(b) The specific exemptions determined to be necessary and proper with respect to systems of records maintained by the Department, including the parts of each system to be exempted, the provisions of the Act from which they are exempted, and the justification for the exemption, are as follows:

(1) Exempt under 5 U.S.C. 552a(k)(1). The systems of records exempt hereunder appear in paragraph (a) of this section. The claims for exemption of COMMERCE/DEPT-12, COMMERCE/ITA-1, and COMMERCE/NOAA-11 under this paragraph are subject to the condition that the general exemption claimed in § 4.33(b)(3) is held to be invalid.

(2)(i) Exempt under 5 U.S.C. 552a(k)(2). The systems of records exempt (some only conditionally), the sections of the Act from which exempted, and the reasons therefor are as follows:

(A) Individuals identified in Export Administration compliance proceedings or investigations—COMMERCE/ITA-1, but only on condition that the general exemption claimed in § 4.33(b)(1) is held to be invalid;

(B) Individuals involved in export transactions—COMMERCE/ITA-2;

(C) Fisheries Law Enforcement Case Files—COMMERCE/NOAA-11, but only on condition that the general exemption claimed in § 4.33(b)(2) is held to be invalid;

(D) Investigative and Inspection Records—COMMERCE/DEPT-12, but only on condition that the general exemption claimed in § 4.33(b)(3) is held to be invalid;

(E) Investigative Records—Persons Within the Investigative Jurisdiction of the Department—COMMERCE/DEPT-13;

(F) Litigation, Claims and Administrative Proceeding Records—COMMERCE/DEPT-14; and

(ii) The foregoing are exempted from 5 U.S.C. 552a (c)(3), (d), (e)(1), (e)(4)(G), (H), and (I), and (f). The reasons for asserting the exemption are to prevent subjects of investigation from frustrating the investigatory process; to ensure the proper functioning and integrity of law enforcement activities; to prevent disclosure of investigative techniques; to maintain the ability to obtain necessary information; to fulfill commitments made to sources to protect their identities and the confidentiality of information; and to avoid endangering these sources and law enforcement personnel. Special note is taken that the proviso clause in this exemption imports due process and procedural protections for the individual. The existence and general character of the information exempted shall be made known to the individual to whom it pertains.

(3)(i) Exempt under 5 U.S.C. 552a(k)(4). The systems of records exempt, the sections of the Act from which exempted, and the reasons therefor are as follows:

(A) Agriculture Census Records for 1974 and 1978—COMMERCE/CENSUS-1;

(B) Individual and Household Statistical Surveys and Special Census Studies Records—COMMERCE/CENSUS-3;

(C) Minority-Owned Business Enterprises Survey Records—COMMERCE/CENSUS-4;

(D) Population and Housing Census Records of the 1960 and Subsequent Censuses—COMMERCE/CENSUS-5;

(E) Population Census Personal Service Records for 1900 and All Subsequent Decennial Censuses—COMMERCE/CENSUS-6; and

(F) Special Censuses of Population Conducted for State and Local Government—COMMERCE/CENSUS-7.

(G) Statistical Administrative Records System—COMMERCE/CENSUS-8.

(ii) The foregoing are exempted from 5 U.S.C. 552a(c)(3), (d), (e)(1), (e)(4)(G) (H), and (I), and (f). The reasons for asserting the exemption are to comply with the prescription of Title 13 of the United States Code, especially sections 8 and 9 relating to prohibitions against disclosure, and to avoid needless consideration of these records whose sole statistical use comports fully with a basic purpose of the Act, namely, that no adverse determinations are made from these records as to any identifiable individual.

(4)(i) Exempt under 5 U.S.C. 552a(k)(5). The systems of records exempt (some only conditionally), the sections of the Act from which exempted, and the reasons therefor are as follows:

(A) Applications to U.S. Merchant Marine Academy (USMMA)—COMMERCE/MA-1;

(B) USMMA Midshipman Medical Files—COMMERCE/MA-17;

(C) USMMA Midshipman Personnel Files—COMMERCE/MA-18;

(D) USMMA Non-Appropriated fund Employees—COMMERCE/MA-19;

(E) Applicants for the NOAA Corps—COMMERCE/NOAA-4;

(F) Commissioned Officer Official Personnel Folders—COMMERCE/NOAA-7;

(G) Conflict of Interest Records, Appointed Officials—COMMERCE/DEPT-3;

(H) Investigative and Inspection Records—COMMERCE/DEPT-12, but only on condition that the general exemption claimed in §4.33(b)(3) is held to be invalid;

(I) Investigative Records—Persons Within the Investigative Jurisdiction of the Department—COMMERCE/DEPT-13; and

(J) Litigation, Claims, and Administrative Proceeding Records—COMMERCE/DEPT-14.

(ii) The foregoing are exempted from 5 U.S.C. 552a (c)(3), (d), (e)(1), (e)(4) (G), (H), and (I), and (f). The reasons for asserting the exemption are to maintain the ability to obtain candid and necessary information, to fulfill commitments made to sources to protect the

confidentiality of information, to avoid endangering these sources and, ultimately, to facilitate proper selection or continuance of the best applicants or persons for a given position or contract. Special note is made of the limitation on the extent to which this exemption may be asserted. The existence and general character of the information exempted will be made known to the individual to whom it pertains.

(c) At the present time, the Department claims no exemption under 5 U.S.C. 552a(k) (3), (6) and (7).

**PART 4a—CLASSIFICATION, DECLASSIFICATION, AND PUBLIC AVAILABILITY OF NATIONAL SECURITY INFORMATION**

SOURCE: 66 FR 65650, Dec. 20, 2001, unless otherwise noted.

**§ 4a.1 General.**

Executive Order 12958 provides the only basis for classifying information within the Department of Commerce (Department), except as provided in the Atomic Energy Act of 1954, as amended. The Department's policy is to make information concerning its activities available to the public, consistent with the need to protect the national defense and foreign relations of the United States. Accordingly, security classification shall be applied only to protect the national security.

AUTHORITY: E.O. 12958; 47 FR 14874, April 6, 1982; 47 FR 15557, April 12, 1982.

## Office of the Secretary, Commerce

## § 4a.7

### § 4a.2 Deputy Assistant Secretary for Security.

The Deputy Assistant Secretary for Security (DAS) is responsible for implementing E.O. 12958 and this part.

### § 4a.3 Classification levels.

Information may be classified as national security information by a designated original classifier of the Department if it is determined that the information concerns one or more of the categories described in § 1.5 of E.O. 12958. The levels established by E.O. 12958 (Top Secret, Secret, and Confidential) are the only terms that may be applied to national security information. Except as provided by statute, no other terms shall be used within the Department for the three classification levels.

### § 4a.4 Classification authority.

Authority to originally classify information as Secret or Confidential may be exercised only by the Secretary of Commerce and by officials to whom such authority is specifically delegated. No official of the Department is authorized to originally classify information as Top Secret.

### § 4a.5 Duration of classification.

(a) Information shall remain classified no longer than ten years from the date of its original classification, except as provided in § 1.6(d) of E.O. 12958. Under E.O. 12958, information may be exempted from declassification within ten years if the unauthorized disclosure of such information could reasonably be expected to cause damage to the national security for more than ten years and meets one of the eight criteria listed in § 1.6 (d).

(b) Department of Commerce originally classified information marked for an indefinite duration of classification under predecessor orders to E.O. 12958 shall be declassified after twenty years. Classified information contained in archive records determined to have permanent historical value under Title 44 of the United States Code shall be automatically declassified no longer than 25 years from the date of its original classification, except as provided in § 3.4(d) of E.O. 12958.

### § 4a.6 General.

National security information over which the Department exercises final classification jurisdiction shall be declassified or downgraded as soon as national security considerations permit. If information is declassified, it may continue to be exempt from public disclosure by the Freedom of Information Act (5 U.S.C. 552) or other applicable law.

### § 4a.7 Mandatory review for declassification.

(a) *Requests.* Classified information under the jurisdiction of the Department is subject to review for declassification upon receipt of a written request that describes the information with sufficient specificity to locate it with a reasonable amount of effort. Requests must be submitted to the Deputy Assistant Secretary for Security, U.S. Department of Commerce, Room 1069, 14th and Constitution Avenue, NW., Washington, DC 20230.

(b) *Exemptions.* The following are exempt from mandatory review for declassification:

(1) Information that has been reviewed for declassification within the past two years;

(2) Information that is the subject of pending litigation;

(3) Information originated by the incumbent President, the incumbent President's White House Staff, committees, commissions, or boards appointed by the incumbent President, or other entities within the Executive Office of the President that solely advise and assist the incumbent President; and

(4) Information specifically exempt from such review by law.

(c) *Processing requirements.* (1) The DAS shall acknowledge receipt of the request directly to the requester. If a request does not adequately describe the information sought in accordance with paragraph (a) of this section, the requester shall be notified that unless additional information is provided, no further action will be taken. The request shall be forwarded to the component that originated the information or that has primary interest in the subject matter. The component assigned action shall review the information in

## §4a.8

accordance with §4a.7(c)(2) through (4) within twenty working days.

(2) The component assigned action shall determine whether, under the declassification provisions of the U.S. Department of Commerce Security Manual, the entire document or portions thereof may be declassified. Declassification of the information shall be accomplished by a designated declassification authority. Upon declassification the information shall be remarked. If the information is not partially or entirely declassified, the reviewing official shall provide the reasons for denial by citing the applicable provisions of E.O. 12958. If the classification is a derivative decision based on classified source material of another Federal agency, the component shall provide the information to the originator for review.

(3) If information is declassified, the component shall also determine whether it is releasable under the Freedom of Information Act. If the information is not releasable, the component shall advise the DAS that the information has been declassified but that it is exempt from disclosure, citing the appropriate exemption of the Freedom of Information Act.

(4) If the request for declassification is denied in whole or in part, the requester shall be notified of the right to appeal the determination within sixty calendar days and of the procedures for such an appeal. If declassified information remains exempt from disclosure under the Freedom of Information Act, the requester shall be advised of the appellate procedures under that law.

(d) *Fees.* If the request requires services for which fees are chargeable, the component assigned action shall calculate the anticipated fees to be charged, and may be required to ascertain the requester's willingness to pay the allowable charges as a precondition to taking further action on the request, in accordance with §4.11 of the Department of Commerce Freedom of Information Act rules and §4.31 of the Department's Privacy Act rules.

(e) *Right of appeal.* (1) A requester may appeal to the DAS when information requested under this section is not completely declassified and released after expiration of the applicable time

## 15 CFR Subtitle A (1-1-07 Edition)

limits. Within thirty working days (*i.e.*, excluding Saturdays, Sundays, and legal public holidays) of receipt of a written appeal:

(i) The DAS shall determine whether continued classification of the requested information is required in whole or in part;

(ii) If information is declassified, determine whether it is releasable under the Freedom of Information Act; and

(iii) Notify the requester of his or her determination, making available any information determined to be releasable. If continued classification is required under the provisions of the Department of Commerce National Security Manual, the DAS shall notify the requester of his or her determination, including the reasons for denial based on applicable provisions of E.O. 12958, and of the right of final appeal to the Interagency Security Classification Appeals Panel.

(2) During the declassification review of information under appeal the DAS may overrule previous determinations in whole or in part if continued protection in the interest of national security is no longer required. If the DAS determines that the information no longer requires classification, it shall be declassified and, unless it is otherwise exempt from disclosure under the Freedom of Information Act, released to the requester. The DAS shall advise the original reviewing component of his or her decision.

### §4a.8 Access to classified information by individuals outside the Government.

(a) *Industrial, Educational, and Commercial Entities.* Certain bidders, contractors, grantees, educational, scientific, or industrial organizations may receive classified information under the procedures prescribed by the National Industrial Security Program Operating Manual.

(b) *Access by historical researchers and former Presidential appointees.* An individual engaged in historical research projects or who has previously occupied a policy-making position to which he or she was appointed by the President may be authorized access to classified information for a limited period,

## Office of the Secretary, Commerce

## § 5.2

provided that the head of the component with jurisdiction over the information:

(1) Determines in writing that:

(i) Access is consistent with national security;

(ii) The individual has a compelling need for access; and

(iii) The Department's best interest is served by providing access;

(2) Obtains in writing from the individual:

(i) Consent to a review by the Department of any resultant notes and manuscripts for the purpose of determining that no classified information is contained in them; and

(ii) Agreement to safeguard classified information in accordance with applicable requirements; and

(iii) A detailed description of the individual's research;

(3) Ensures that custody of classified information is maintained at a Department facility;

(4) Limits access granted to former Presidential appointees to items that the individual originated, reviewed, signed, or received while serving as a Presidential appointee; and

(5) Receives from the DAS:

(i) A determination that the individual is trustworthy; and

(ii) Approval to grant access to the individual.

(c) An individual seeking access should describe the information with sufficient specificity to locate and compile it with a reasonable amount of effort. If the access requested by a historical researcher or former Presidential appointee requires services for which fees are chargeable, the responsible component shall notify the individual in advance.

(d) This section applies only to classified information originated by the Department, or to information in the sole custody of the Department. Otherwise, the individual shall be referred to the classifying agency.

5.1 Purpose.

5.2 Policy.

5.3 Assignment of functions and authorities.

5.4 Permits.

5.5 Vending machines.

5.6 Appeals.

5.7 Reports.

5.8 Approval of regulations.

AUTHORITY: Sec. 4, 68 Stat. 663; 20 U.S.C. 107.

SOURCE: 28 FR 7772, July 31, 1963, unless otherwise noted.

#### § 5.1 Purpose.

This part prescribes regulations to assure the granting of preference to blind persons licensed under the provisions of the Randolph-Sheppard Vending Stand Act (49 Stat. 1559, as amended by the act of August 3, 1954, 68 Stat. 663; 20 U.S.C. 107) for the operation of vending stands (which term as used in this order includes vending machines).

#### § 5.2 Policy.

(a) The Department adopts the Federal policy announced in the Randolph-Sheppard Vending Stand Act, as amended, to provide blind persons with remunerative employment to enlarge the economic opportunities of the blind and to stimulate the blind to greater efforts in striving to make themselves self-supporting.

(b) It shall be the policy of the Department to authorize blind persons licensed under the provisions of the Randolph-Sheppard Vending Stand Act, as amended to operate vending stands without any charge for space or necessary utilities on properties owned and occupied by the Department or on which the Department controls maintenance, operation, and protection.

(c) The Department will cooperate with the Department of Education and State licensing agencies in making surveys to determine whether and where vending stands may be properly and profitably operated by licensed blind persons.

(d) The application of a State licensing agency for a permit may be denied or revoked if it is determined that the interests of the United States would be adversely affected or the Department would be unduly inconvenienced by the issuance of a permit or its continuance.

(e) Disagreements concerning the denial, revocation, or modification of a

### § 5.3

permit may be appealed by the State licensing agency as set forth in § 5.6.

[28 FR 7772, July 31, 1963, as amended at 55 FR 53489, Dec. 31, 1990]

#### § 5.3 Assignment of functions and authorities.

(a) The Director, Office of Administrative Services, shall carry out the Department's responsibility to provide, in accordance with applicable law and regulation, the maximum opportunity for qualified blind persons to operate vending stands.

(b) Subject to instructions issued by the Director, Office of Administrative Services, the head of each primary organization unit shall be responsible for implementing this program within his area.

(c) The Director, Office of Administrative Services for the primary organization units located in the main Commerce building and the head of each other primary organization unit will make determinations with respect to the terms of permits including the location and operation of vending stands and machines in their respective areas.

(d) Unresolved differences and significant violations of the terms of permits shall be reported to the State licensing agency. Where no corrective action is forthcoming, the matter shall be referred to the Office of Vocational Rehabilitation, Department of Education for consideration prior to further action.

[28 FR 7772, July 31, 1963, as amended at 55 FR 53489, Dec. 31, 1990]

#### § 5.4 Permits.

(a) No permit, lease, or other arrangement for the operation of a vending stand on property under control of the Department shall be entered into or renewed without first consulting the State licensing agency or equivalent authority.

(b) The permit shall be conditioned upon the vending stand meeting specified standards, including standards relating to appearance, safety, sanitation, maintenance, and efficiency of operation. Due regard shall be given to laws and regulations for the public welfare which are applicable, or would be

### 15 CFR Subtitle A (1-1-07 Edition)

applicable, if the property involved was not owned or controlled by the Federal Government.

(c) The permit shall specify the types of articles specified in section 2(a)(4) of the Act as amended (newspapers, periodicals, confections, tobacco products, articles dispensed automatically or in containers or wrappings in which they are placed before delivery to the vending stand). Such other related articles as the State licensing agency asks to be included shall be permitted to be sold, unless such factors as inadequacy of available facilities, safety, health, public welfare, or legal requirements demand otherwise.

(d) The permit shall contain a provision that alterations made by other than the United States shall be approved by and conducted under the supervision of an appropriate official of the Department or the primary organization unit concerned.

(e) The permit may contain other reasonable conditions necessary for the protection of the Government and prospective patrons of the stand.

(f) The permit shall describe the location of the stand proper and the location of any vending machines which are operated in conjunction with it.

#### § 5.5 Vending machines.

(a) The income from any vending machines which are located within reasonable proximity to and are in direct competition with a vending stand for which a permit has been issued under these regulations shall be assigned to the operator of such stand.

(b) If a vending machine vends articles of a type authorized by the permit and is so located that it attracts customers who would otherwise patronize the vending stand, such machine shall be deemed to be in reasonable proximity to and direct competition with the stand.

#### § 5.6 Appeals.

(a) In any instance where the Department of Commerce official as provided in § 5.3(c) and the State licensing agency fail to reach agreement concerning the granting, revocation, or modification of a permit, the location, method of operation, assignment of proceeds, or other terms of a permit (including

articles which may be sold), the State licensing agency shall be notified in writing by the Commerce official concerned that it has the right to appeal such disagreements, within 30 days of the notice, to the Assistant Secretary for Administration for investigation and final decision.

(1) That the recipient or other party subject to this part will not participate directly or indirectly in the discrimination prohibited by § 8.4, including employment practices when a program covering such is involved.

(2) That when employment practices are covered, the recipient or other party subject to this part will (i) in all solicitations or advertisements for employees placed by or for the recipient, state that qualified applicants will receive consideration for employment without regard to race, color, or national origin; (ii) notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding of the recipient's commitments under this section; (iii) post the nondiscrimination clause and the notice to labor unions in conspicuous places available to employees and applicants for employment; and (iv) otherwise comply with the requirements of § 8.4(c).

(3) When continuing Federal financial assistance is involved, the recipient thereunder (i) will state that the program is (or, in the case of a new program, will be) conducted in compliance with all requirements imposed by or pursuant to this part, and (ii) will provide for such methods of administration for the program as are found by the responsible Department official to give reasonable assurance that all recipients of Federal financial assistance under such program and any other parties connected therewith subject to this part will comply with all requirements imposed by or pursuant to this part.

(4) That the recipient agrees to secure the compliance or to cooperate actively with the Department to secure the compliance by others with this part and the nondiscrimination clause as may be directed under an applicable program. For instance, the recipient may be requested by the responsible Department official to undertake and

## 15 CFR Subtitle A (1-1-07 Edition)

agree (i) to obtain or enforce or to assist and cooperate actively with the responsible Department official in obtaining or enforcing, the compliance of other recipients or of other parties subject to this part with the non-discrimination required by this part; (ii) to insert appropriate non-discrimination clauses in the respective contracts with or grants to such parties; (iii) to obtain and to furnish to the responsible Department official such information as he may require for the supervision or securing of such compliance; (iv) to carry out sanctions for noncompliance with the obligations imposed upon recipients and other parties subject to this part; and (v) to comply with such additional provisions as the responsible Department official deems appropriate to establish and protect the interests of the United States in the enforcement of these obligations. In the event that the cooperating recipient becomes involved in litigation with a noncomplying party as a result of such departmental direction, the cooperating recipient may request the Department to enter into such litigation to protect the interests of the United States.

(5) In the case of real property, structures or improvements thereon, or interests therein, which are acquired for a program receiving Federal financial assistance, or in the case where Federal financial assistance is provided in the form of a transfer of real property or interest therein from the Federal Government, the instrument effecting or recording the transfer shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. Where no transfer of property is involved, but property is improved with Federal financial assistance, the recipient shall agree to include such a covenant in any subsequent transfer of such property. Where the property is obtained from the Federal Government, such covenant may also include a condition

coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant where, in the discretion of the responsible Department official, such a condition and right of reverter is appropriate to the statute under which the real property is obtained and to the nature of the grant and the grantee. In such event if a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing facilities on such property for the purposes for which the property was transferred, the responsible Department official may agree, upon request of the transferee and if necessary to accomplish such financing, and upon such conditions as he deems appropriate to forebear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

(6) In programs receiving Federal financial assistance in the form, or for the acquisition, of real property or an interest in real property to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance the nondiscrimination requirements of this part shall extend to any facility located wholly or in part in such space.

(7) That a recipient shall not take action that is calculated to bring about indirectly what this part forbids it to accomplish directly.

(8) Provisions specifying the extent to which like assurances will be required of subgrantees, contractors and subcontractors, lessees, transferees, successors in interest, and other participants in the program.

(9) Provisions which give the United States a right to seek judicial enforcement of the assurances.

(10) In the case where any assurances are required from an academic, a medical care, detention or correctional, or any other institution or facility, insofar as the assurances relate to the institution's practices with respect to the admission, care, or other treatment of persons by the institution or with respect to the opportunity of persons to participate in the receiving or pro-

viding of services, treatment, or benefits, such assurances shall be applicable to the entire institution or facility.

(11) In the case where the Federal financial assistance is in the form of or to aid in the acquisition of personal property, or real property or interest therein or structures thereon, the assurance shall obligate the recipients, or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services and benefits, or for as long as the recipient or transferee retains ownership or possession of the property, whichever is longer. In the case of any other type or form of assistance, the assurances shall be in effect for the duration of the period during which Federal financial assistance is extended to the program.

#### **§ 8.6 Applicability of this part to Department assisted programs.**

The following examples illustrate the applicability of this part to programs which receive or may receive Federal financial assistance administered by the Department. The fact that a particular type of Federal financial assistance is not listed does not indicate that it is not covered by this part. The discrimination referred to is that described in § 8.4 against persons on the ground of race, color, or national origin.

(a) *Assistance to support economic development.* Discrimination in which recipients and other parties subject to this part shall not engage, directly or indirectly, includes discrimination in

(1) The letting of contracts or other arrangements for the planning, designing, engineering, acquisition, construction, rehabilitation, conversion, enlargement, installation, occupancy, use, maintenance, leasing, subleasing, sales, or other utilization or disposition of property or facilities purchased or financed in whole or in part with the aid of Federal financial assistance;

(2) The acquisition of goods or services, or the production, preparation,

## § 8.6

manufacture, marketing, transportation, or distribution of goods or services in connection with a program or its operations;

(3) The onsite operation of the project or facilities;

(4) Services or accommodations offered to the public in connection with the program; and

(5) In employment practices in connection with or which affect the program (as defined in § 8.4(c)); in the following programs:

(i) Any program receiving Federal financial assistance for the purchase or development of land and facilities (including machinery and equipment) for industrial or commercial usage.

(ii) Any program receiving Federal financial assistance in the form of loans or direct or supplementary grants for the acquisition or development of land and improvements for public works, public service or development facility usage, and the acquisition, construction, rehabilitation, alteration, expansion, or improvement of such facilities, including related machinery and equipment.

(iii) In any program receiving any form of technical assistance designed to alleviate or prevent conditions of excessive employment or underemployment.

(iv) In any program receiving Federal financial assistance in the form of administrative expense grants.

(b) *Assistance to support the training of students.* A current example of such assistance is that received by State maritime academies or colleges, by contract, of facilities (vessels), related equipment and funds to train merchant marine officers. In this and other instances of student training, discrimination which is prohibited by recipients and other parties subject to this part includes discrimination in the selection of persons to be trained and in their treatment by the recipients in any aspect of the educational process and discipline during their training, or in the availability or use of any academic, housing, eating, recreational, or other facilities and services, or in financial assistance to students furnished or controlled by the recipients or incidental to the program. In any case where selection of trainees is

## 15 CFR Subtitle A (1-1-07 Edition)

made from a predetermined group, such as the students in an institution or area, the group must be selected without discrimination.

(c) *Assistance to support mobile or other trade fairs.* In programs in which operators of mobile trade fairs using U.S. flag vessels and aircraft and designed to exhibit and sell U.S. products abroad, or in which other trade fairs or exhibitions, receive technical and financial assistance, discrimination which is prohibited by recipients and other parties subject to this part includes discrimination in the selection or retention of any actual or potential exhibitors, or in access to or use of the services or accommodations by, or otherwise with respect to treatment of, exhibitors or their owners, officers, employees, or agents.

(d) *Assistance to support business entities eligible for trade adjustment assistance.* In programs in which eligible business entities receive any measure or kind of technical, financial or tax adjustment assistance because of or in connection with the impact of U.S. international trade upon such business, discrimination which is prohibited by recipients and other parties subject to this part includes discrimination in their employment practices as defined in § 8.4(c).

(e) *Assistance to support research and development and related activities.* In programs in which individuals, educational or other institutions, public governmental or business entities receive Federal financial assistance in order to encourage or foster research or development activities as such, or to obtain, promote, develop, or protect thereby technical, scientific, environmental, or other information, products, facilities, resources, or services which are to be made available to or used by others; but where such programs do not constitute Government procurement of property or services, discrimination which is prohibited by recipients and other parties subject to this part includes discrimination with respect to (1) the choice, retention or treatment of contractors, subcontractors, subgrantees or of any other person; (2) the provision of services, facilities, or financial aid; (3) the participation of any party in the research activities; (4) the

dissemination to or use by any person of the results or benefits of the research or development, whether in the form of information, products, services, facilities, resources, or otherwise. If research is performed within an educational institution under which it is expected that students or others will participate in the research as a part of their experience or training, on a compensated or uncompensated basis, there shall be no discrimination in admission of students to, or in their treatment by, that part of the school from which such students are drawn or in the selection otherwise of trainees or participants. The recipient educational institutions will be required to give the assurances provided in § 8.5(b)(10).

(f) *Assistance to aid in the operations of vessels engaged in U.S. foreign commerce.* In programs in which the operators of American-flag vessels used to furnish shipping services in the foreign commerce of the United States receive Federal financial assistance in the form of operating differential subsidies, discrimination which is prohibited by recipients and other parties subject to this part includes discrimination in soliciting, accepting or serving in any way passengers or shippers of cargo entitled to protection in the United States under the Act.

## Subpart B—General Compliance

### § 8.7 Cooperation, compliance reports and reviews and access to records.

(a) *Cooperation and assistance.* Each responsible Department official shall to the fullest extent practicable seek the cooperation of recipients and other parties subject to this part in obtaining compliance with this part and shall provide assistance and guidance to recipients and other parties to help them comply voluntarily with this part.

(b) *Compliance reports.* Each recipient and other party subject to this part shall keep such records and submit to the responsible Department official timely, complete, and accurate compliance reports at such times and in such form and containing such information as the responsible Department official may determine to be necessary to en-

able him to ascertain whether the recipient or such other party has complied or is complying with this part. In general, recipients should have available for the department racial and ethnic data showing the extent to which members of minority groups are beneficiaries of federally assisted programs. In the case in which a primary recipient extends Federal financial assistance to any other recipient, or under which a recipient is obligated to obtain or to cooperate in obtaining the compliance of other parties subject to this part, such other recipients or other parties shall also submit such compliance reports to the primary recipient or recipients as may be necessary to enable them to carry out their obligations under this part.

(c) *Access to sources of information.* Each recipient or other party subject to this part shall permit access by the responsible Department official or his designee during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities, as may be pertinent to ascertain compliance with this part. Where any information required of a recipient or other party is in the exclusive possession of another who fails or refuses to furnish this information, the recipient or other party shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient or other party subject to this part shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program for which the recipient receives Federal financial assistance, and make such information available to them in such manner as this part and the responsible Department official finds necessary to apprise such persons of the protections against discrimination assured them by the Act and this part.

(e) *Compliance review.* The responsible Department official or his designee shall from time to time review the practices of recipients and other parties subject to this part to determine

## § 8.8

whether they are complying with this part.

### § 8.8 Complaints.

(a) *Filing complaints.* Any person who believes himself or any specific class of persons to be subjected to discrimination prohibited by this part may by himself or by a representative file with the responsible Department official a written complaint. A complaint shall be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the responsible Department official.

(b) [Reserved]

### § 8.9 Intimidatory or retaliatory acts prohibited.

(a) No recipient or other party subject to this part shall intimidate, threaten, coerce, or discriminate against, any person for the purpose of interfering with any right or privilege secured by section 601 of the Act of this part, or because the person has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part.

(b) The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial or other proceeding arising thereunder.

### § 8.10 Investigations.

(a) *Making the investigation.* The responsible Department official or his designee will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part. The investigation shall include, where appropriate, a review of the pertinent practices and policies of the recipient or other party subject to this part, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether there has been a failure to comply with this part.

(b) *Resolution of matters.* (1) If an investigation pursuant to paragraph (a) of this section indicates a failure to comply with this part, the responsible

## 15 CFR Subtitle A (1-1-07 Edition)

Department official will so inform the recipient or other party subject to this part and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in § 8.11.

(2) If an investigation does not warrant action pursuant to paragraph (b)(1) of this section, the responsible Department official will so inform the recipient or other party subject to this part and the complainant, if any, in writing.

### § 8.11 Procedures for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) *Noncompliance with § 8.5.* If a recipient or other party subject to this part fails or refuses to furnish an assurance required under § 8.5 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under said paragraph except that the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application or contract therefor approved prior to the effective date of this part.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.* No order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until (1) the responsible Department official has advised the recipient or other party subject to this part of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by such recipient or other party to comply with a requirement imposed by or pursuant to this part, (3) the action has been approved by the Secretary pursuant to § 8.13(e), and (4) the expiration of 30 days after the Secretary has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other recipient or other party as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) *Other means authorized by law.* No action to effect compliance by any other means authorized by law shall be taken until (1) the responsible Department official has determined that compliance cannot be secured by voluntary means, (2) the recipient or other party has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least 10 days from the mailing of such notice to the recipient or other party. During this period of at least 10 days additional efforts shall be made to persuade the recipient or other party to comply with this part and to take such corrective action as may be appropriate.

#### § 8.12 Hearings.

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required by § 8.11(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the

affected recipient or other party subject to this part. This notice shall advise the recipient or other party of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of such notice within which the recipient or other party may request of the responsible Department official that the matter be scheduled for hearing, or (2) advise the recipient or other party that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. A recipient or other party may waive a hearing and submit written information and argument for the record. The failure of a recipient or other party to request a hearing under this paragraph of this section or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and § 8.11(c) and consent to the making of a decision on the basis of such information as is available.

(b) *Time and place of hearing.* Hearings shall be held at the offices of the Department in Washington, D.C., at a time fixed by the responsible Department official or hearing officer unless he determines that the convenience of the recipient or other party or of the Department requires that another place be selected. Hearings shall be held before the responsible Department official, or at his discretion, before a hearing officer.

(c) *Right to counsel.* In all proceedings under this section, the recipient or other party and the Department shall have the right to be represented by counsel.

(d) *Procedures, evidence, and record.* (1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with 5 U.S.C. 554-557 (sections 5-8 of the Administrative Procedures Act), and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the

### § 8.13

### 15 CFR Subtitle A (1-1-07 Edition)

hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Department and the recipient or other party shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) *Consolidated or joint hearings.* In cases in which the same or related facts are asserted to constitute non-compliance with this part with respect to two or more Federal statutes, authorities, or other means by which Federal financial assistance is extended and to which this part applies, or noncompliance with this part and the regulations of one or more other Federal departments or agencies issued under Title VI of the Act, the Secretary may, by agreement with such other departments or agencies where applicable, provide for the conduct of consolidated or joint hearings and for the application to such hearings of rules of procedures not inconsistent with this part. Final decisions in such cases, insofar as this part is concerned, shall be made in accordance with § 8.13.

#### § 8.13 Decisions and notices.

(a) *Decision by person other than the responsible Department official.* If the

hearing is held by a hearing officer such hearing officer shall either make an initial decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the responsible Department official for a final decision, and a copy of such initial decision or certification shall be mailed to the recipient or other party subject to this part. Where the initial decision is made by the hearing officer, the recipient or other party may within 30 days of the mailing of such notice of initial decision file with the responsible Department official his exceptions to the initial decision, with his reasons therefor. In the absence of exceptions, the responsible Department official may on his own motion within 45 days after the initial decision serve on the recipient or other party a notice that he will review the decision. Upon the filing of such exceptions or of such notice of review, the responsible Department official shall review the initial decision and issue his own decision thereon including the reasons therefor. In the absence of either exceptions or a notice of review the initial decision shall constitute the final decision of the responsible Department official.

(b) *Decisions on record or review by the responsible Department official.* Whenever a record is certified to the responsible Department official for decision or he reviews the decision of a hearing officer pursuant to paragraph (a) of this section, or whenever the responsible Department official conducts the hearing, the recipient or other party shall be given reasonable opportunity to file with him briefs or other written statements of its contentions, and a copy of the final decision of the responsible Department official shall be given in writing to the recipient or other party and to the complainant, if any.

(c) *Decisions on record where a hearing is waived.* Whenever a hearing is waived pursuant to § 8.12(a) a decision shall be made by the responsible departmental official on the record and a copy of such decision shall be given in writing to the recipient or other party, and to the complainant, if any.

(d) *Ruling required.* Each decision of a hearing officer or responsible Department official shall set forth his ruling

on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with which it is found that the recipient or other party has failed to comply.

(e) *Approval by Secretary.* Any final decision of a responsible Department official (other than the Secretary) which provides for the suspension or termination of, or the refusal to grant or continue, Federal financial assistance, or the imposition of any other sanction available under this part of the Act, shall promptly be transmitted to the Secretary, who may approve such decision, may vacate it, or remit or mitigate any sanction imposed.

(f) *Content of orders.* The final decision may provide for suspension or termination of, or refusal to grant or continue, Federal financial assistance, in whole or in part, to which this regulation applies, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this part, including provisions designed to assure that no Federal financial assistance to which this regulation applies will thereafter be extended to the recipient or other party determined by such decision to be in default in its performance of an assurance given by it pursuant to this part, or to have otherwise failed to comply with this part, unless and until it corrects its non-compliance and satisfies the responsible Department official that it will fully comply with this part.

(g) *Posttermination proceedings.* (1) Any recipient or other party which is adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with this part and provides reasonable assurance that it will fully comply with this part.

(2) Any recipient or other party adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request the responsible Department official to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by informa-

tion showing that the recipient or other party has met the requirements of paragraph (g)(1) of this section. If the responsible Department official determines that those requirements have been satisfied, he shall restore such eligibility.

(3) If the responsible Department official denies any such request, the recipient or other party may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record in accordance with rules of procedure issued by the responsible Department official. The recipient or other party will be restored to such eligibility if it proves at such a hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section shall remain in effect.

#### § 8.14 Judicial review.

Action taken pursuant to section 602 of the Act is subject to judicial review as provided in section 603 of the Act.

#### § 8.15 Effect on other laws; supplementary instructions; coordination.

(a) *Effect on other laws.* All regulations, orders, or like directions heretofore issued by any officer of the Department which impose requirements designed to prohibit any discrimination against individuals on the ground of race, color, or national origin under any program to which this part applies, and which authorizes the suspension or termination of or refusal to grant or to continue Federal financial assistance to any recipient or other party subject to this part of such assistance for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be deemed to relieve any one of any obligations assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to January 9, 1965. Nothing in this part, however, shall be deemed to supersede any of the following (including future amendments thereof):

**Pt. 8, App. A**

(1) Executive Order 11246 and regulations issued thereunder, or

(2) Executive Order 11063 and regulations issued thereunder, or any other regulations or instructions, insofar as such order, regulations, or instructions prohibit discrimination on the ground of race, color, or national origin in any program or situation to which this part is inapplicable, or prohibit discrimination on any other ground.

(b) *Forms and instructions.* Each responsible Department official shall issue and promptly make available to interested parties forms and detailed instructions and procedures for effectuating this part as applied to programs to which this part applies and for which he is responsible.

(c) *Supervision and coordination.* The Secretary may from time to time assign to officials of the Department, or to officials of other departments or agencies of the Government with the consent of such departments or agencies, responsibilities in connection with the effectuation of the purposes of title VI of the Act and this part (other than responsibility for final decision as provided in §8.13), including the achievement of effective coordination and maximum uniformity within the Department and within the executive branch of the government in the application of title VI and this part to similar programs and in similar situations. Any action taken, determination made, or requirement imposed by an official of another Department or agency acting pursuant to an assignment of responsibility under this paragraph shall have the same effect as though such action had been taken by the responsible official of this Department.

### §8a.110 Remedial and affirmative action and self-evaluation.

(a) *Remedial action.* If the designated agency official finds that a recipient has discriminated against persons on the basis of sex in an education program or activity, such recipient shall take such remedial action as the designated agency official deems necessary to overcome the effects of such discrimination.

(b) *Affirmative action.* In the absence of a finding of discrimination on the basis of sex in an education program or activity, a recipient may take affirmative action consistent with law to overcome the effects of conditions that resulted in limited participation therein by persons of a particular sex. Nothing in these Title IX regulations shall be interpreted to alter any affirmative action obligations that a recipient may have under Executive Order 11246, 3 CFR, 1964-1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966-1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966-1970 Comp., p. 803; as amended by Executive Order 12086, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264.

(c) *Self-evaluation.* Each recipient education institution shall, within one year of September 29, 2000:

academic personnel working in connection with the recipient's education program or activity;

(2) Modify any of these policies and practices that do not or may not meet the requirements of these Title IX regulations; and

(3) Take appropriate remedial steps to eliminate the effects of any discrimination that resulted or may have resulted from adherence to these policies and practices.

(d) *Availability of self-evaluation and related materials.* Recipients shall maintain on file for at least three years following completion of the evaluation required under paragraph (c) of this section, and shall provide to the designated agency official upon request, a description of any modifications made pursuant to paragraph (c)(2) of this section and of any remedial steps taken pursuant to paragraph (c)(3) of this section.

#### § 8a.115 Assurance required.

(a) *General.* Either at the application stage or the award stage, Federal agencies must ensure that applications for Federal financial assistance or awards of Federal financial assistance contain, be accompanied by, or be covered by a specifically identified assurance from the applicant or recipient, satisfactory to the designated agency official, that each education program or activity operated by the applicant or recipient and to which these Title IX regulations apply will be operated in compliance with these Title IX regulations. An assurance of compliance with these Title IX regulations shall not be satisfactory to the designated agency official if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with § 8a.110(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimination whether occurring prior to or subsequent to the submission to the designated agency official of such assurance.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended to provide real property or structures thereon, such assurance shall obligate the recipient or, in the case of a subsequent transfer, the

transferee, for the period during which the real property or structures are used to provide an education program or activity.

(2) In the case of Federal financial assistance extended to provide personal property, such assurance shall obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases such assurance shall obligate the recipient for the period during which Federal financial assistance is extended.

(c) *Form.* (1) The assurances required by paragraph (a) of this section, which may be included as part of a document that addresses other assurances or obligations, shall include that the applicant or recipient will comply with all applicable Federal statutes relating to nondiscrimination. These include but are not limited to: Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683, 1685-1688).

(2) The designated agency official will specify the extent to which such assurances will be required of the applicant's or recipient's subgrantees, contractors, subcontractors, transferees, or successors in interest.

#### § 8a.120 Transfers of property.

If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee that operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government, both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of §§ 8a.205 through 8a.235(a).

#### § 8a.125 Effect of other requirements.

(a) *Effect of other Federal provisions.* The obligations imposed by these Title IX regulations are independent of, and do not alter, obligations not to discriminate on the basis of sex imposed by Executive Order 11246, 3 CFR, 1964-1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966-1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966-1970 Comp., p. 803; as amended by Executive Order 12087, 3 CFR, 1978 Comp., p. 230; as

(b) *Effect of State or local law or other requirements.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any State or local law or other requirement that would render any applicant or student ineligible, or limit the eligibility of any applicant or student, on the basis of sex, to practice any occupation or profession.

(c) *Effect of rules or regulations of private organizations.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association that would render any applicant or student ineligible to participate or limit the eligibility or participation of any applicant or student, on the basis of sex, in any education program or activity operated by a recipient and that receives Federal financial assistance.

### § 8a.130 Effect of employment opportunities.

The obligation to comply with these Title IX regulations is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.

### § 8a.135 Designation of responsible employee and adoption of grievance procedures.

(a) *Designation of responsible employee.* Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under these Title IX regulations, including any investigation of any complaint communicated to such recipient alleging its noncompliance with these Title IX regulations or alleging any actions that would be prohibited by these Title IX regulations. fice address, and telephone number of the employee or employees appointed pursuant to this paragraph.

(b) *Complaint procedure of recipient.* A recipient shall adopt and publish grievance procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by these Title IX regulations.

(a) *Notification of policy.* (1) Each recipient shall implement specific and continuing steps to notify applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of sex in the educational programs or activities that it operates, and that it is required by Title IX and these Title IX regulations not to discriminate in such a manner. Such notification shall contain such information, and be made in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations, but shall state at least that the requirement not to discriminate in education programs or activities extends to employment therein, and to admission thereto unless §§ 8a.300 through 8a.310 do not apply to the recipient, and that inquiries concerning the application of Title IX and these Title IX regulations to such recipient may be referred to the employee designated pursuant to § 8a.135, or to the designated agency official.

(2) Each recipient shall make the initial notification required by paragraph (a)(1) of this section within 90 days of September 29, 2000 or of the date these Title IX regulations first apply to such recipient, whichever comes later, which notification shall include publication in:

(i) Newspapers and magazines operated by such recipient or by student, alumnae, or alumni groups for or in connection with such recipient; and

(ii) Memoranda or other written communications distributed to every student and employee of such recipient.

(b) *Publications.* (1) Each recipient shall prominently include a statement of the policy described in paragraph (a) of this section in each announcement, bulletin, catalog, or application form that it makes available to any person of a type, described in paragraph (a) of this section, or which is otherwise used in connection with the recruitment of students or employees.

(2) A recipient shall not use or distribute a publication of the type described in paragraph (b)(1) of this section that suggests, by text or illustration, that such recipient treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by these Title IX regulations.

(c) *Distribution.* Each recipient shall distribute without discrimination on the basis of sex each publication described in paragraph (b)(1) of this section, and shall apprise each of its admission and employment recruitment representatives of the policy of non-discrimination described in paragraph (a) of this section, and shall require such representatives to adhere to such policy.

students of the sex previously excluded.

**§ 8a.235 Statutory amendments.**

(a) This section, which applies to all provisions of these Title IX regulations, addresses statutory amendments to Title IX.

(b) These Title IX regulations shall not apply to or preclude:

(1) Any program or activity of the American Legion undertaken in connection with the organization or operation of any Boys State conference, Boys Nation conference, Girls State conference, or Girls Nation conference;

(2) Any program or activity of a secondary school or educational institution specifically for:

(i) The promotion of any Boys State conference, Boys Nation conference, Girls State conference, or Girls Nation conference; or

(ii) The selection of students to attend any such conference;

(3) Father-son or mother-daughter activities at an educational institution or in an education program or activity, but if such activities are provided for students of one sex, opportunities for reasonably comparable activities shall be provided to students of the other sex;

(4) Any scholarship or other financial assistance awarded by an institution of higher education to an individual because such individual has received such award in a single-sex pageant based upon a combination of factors related to the individual's personal appearance, poise, and talent. The pageant, however, must comply with other non-discrimination provisions of Federal law.

(c) *Program or activity or program* means:

(1) All of the operations of any entity described in paragraphs (c)(1)(i) through (iv) of this section, any part of which is extended Federal financial assistance:

(i)(A) A department, agency, special purpose district, or other instrumentality of a State or of a local government; or

(B) The entity of such State or local government that distributes such assistance and each such department or agency (and each other State or local

government entity) to which the assistance is extended, in the case of assistance to a State or local government;

(ii)(A) A college, university, or other postsecondary institution, or a public system of higher education; or

(B) A local educational agency (as defined in section 8801 of title 20), system of vocational education, or other school system;

(iii)(A) An entire corporation, partnership, or other private organization, or an entire sole proprietorship—

(B) The entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship; or

(iv) Any other entity that is established by two or more of the entities described in paragraphs (c)(1)(i), (ii), or (iii) of this section.

(2)(i) *Program or activity* does not include any operation of an entity that is controlled by a religious organization if the application of 20 U.S.C. 1681 to such operation would not be consistent with the religious tenets of such organization.

(ii) For example, all of the operations of a college, university, or other postsecondary institution, including but not limited to traditional educational operations, faculty and student housing, campus shuttle bus service, campus restaurants, the bookstore, and other commercial activities are part of a "program or activity" subject to these Title IX regulations if the college, university, or other institution receives Federal financial assistance.

(d)(1) Nothing in these Title IX regulations shall be construed to require or prohibit any person, or public or private entity, to provide or pay for any benefit or service, including the use of facilities, related to an abortion. Medical procedures, benefits, services, and the use of facilities, necessary to save

## § 8a.300

the life of a pregnant woman or to address complications related to an abortion are not subject to this section.

(2) Nothing in this section shall be construed to permit a penalty to be imposed on any person or individual because such person or individual is seeking or has received any benefit or service related to a legal abortion. Accordingly, subject to paragraph (d)(1) of this section, no person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, employment, or other educational program or activity operated by a recipient that receives Federal financial assistance because such individual has sought or received, or is seeking, a legal abortion, or any benefit or service related to a legal abortion.

#### § 8a.300 Admission.

(a) *General.* No person shall, on the basis of sex, be denied admission, or be subjected to discrimination in admission, by any recipient to which §§ 8a.300 through § 8a.310 apply, except as provided in §§ 8a.225 and § 8a.230.

(b) *Specific prohibitions.* (1) In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 8a.300 through 8a.310 apply shall not:

(i) Give preference to one person over another on the basis of sex, by ranking applicants separately on such basis, or otherwise;

(ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

(iii) Otherwise treat one individual differently from another on the basis of sex.

(2) A recipient shall not administer or operate any test or other criterion for admission that has a disproportionately adverse effect on persons on the basis of sex unless the use of such test or criterion is shown to predict validly success in the education program or activity in question and alternative tests

## 15 CFR Subtitle A (1–1–07 Edition)

or criteria that do not have such a disproportionately adverse effect are shown to be unavailable.

(c) *Prohibitions relating to marital or parental status.* In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 8a.300 through 8a.310 apply:

(1) Shall not apply any rule concerning the actual or potential parental, family, or marital status of a student or applicant that treats persons differently on the basis of sex;

(2) Shall not discriminate against or exclude any person on the basis of pregnancy, childbirth, termination of pregnancy, or recovery therefrom, or establish or follow any rule or practice that so discriminates or excludes;

(3) Subject to § 8a.235(d), shall treat disabilities related to pregnancy, childbirth, termination of pregnancy, or recovery therefrom in the same manner and under the same policies as any other temporary disability or physical condition; and

(4) Shall not make pre-admission inquiry as to the marital status of an applicant for admission, including whether such applicant is “Miss” or “Mrs.” A recipient may make pre-admission inquiry as to the sex of an applicant for admission, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

#### § 8a.305 Preference in admission.

A recipient to which §§ 8a.300 through 8a.310 apply shall not give preference to applicants for admission, on the basis of attendance at any educational institution or other school or entity that admits as students only or predominantly members of one sex, if the giving of such preference has the effect of discriminating on the basis of sex in violation of §§ 8a.300 through 8a.310.

#### § 8a.310 Recruitment.

(a) *Nondiscriminatory recruitment.* A recipient to which §§ 8a.300 through 8a.310 apply shall not discriminate on the basis of sex in the recruitment and admission of students. A recipient may

be required to undertake additional recruitment efforts for one sex as remedial action pursuant to §8a.110(a), and may choose to undertake such efforts as affirmative action pursuant to §8a.110(b).

(b) *Recruitment at certain institutions.* A recipient to which §§8a.300 through 8a.310 apply shall not recruit primarily or exclusively at educational institutions, schools, or entities that admit as students only or predominantly members of one sex, if such actions have the effect of discriminating on the basis of sex in violation of §§8a.300 through 8a.310.

#### **Subpart D—Discrimination on the Basis of Sex in Education Programs or Activities Prohibited**

##### **§ 8a.400 Education programs or activities.**

(a) *General.* Except as provided elsewhere in these Title IX regulations, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by a recipient that receives Federal financial assistance. Sections 8a.400 through 8a.455 do not apply to actions of a recipient in connection with admission of its students to an education program or activity of a recipient to which §§8a.300 through 8a.310 do not apply, or an entity, not a recipient, to which §§8a.300 through 8a.310 would not apply if the entity were a recipient.

(b) *Specific prohibitions.* Except as provided in §§8a.400 through 8a.455, in providing any aid, benefit, or service to a student, a recipient shall not, on the basis of sex:

(1) Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;

(2) Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;

(3) Deny any person any such aid, benefit, or service;

(4) Subject any person to separate or different rules of behavior, sanctions, or other treatment;

(5) Apply any rule concerning the domicile or residence of a student or applicant, including eligibility for in-state fees and tuition;

(6) Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person that discriminates on the basis of sex in providing any aid, benefit, or service to students or employees;

(7) Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

(c) *Assistance administered by a recipient educational institution to study at a foreign institution.* A recipient educational institution may administer or assist in the administration of scholarships, fellowships, or other awards established by foreign or domestic wills, trusts, or similar legal instruments, or by acts of foreign governments and restricted to members of one sex, that are designed to provide opportunities to study abroad, and that are awarded to students who are already matriculating at or who are graduates of the recipient institution; *Provided*, that a recipient educational institution that administers or assists in the administration of such scholarships, fellowships, or other awards that are restricted to members of one sex provides, or otherwise makes available, reasonable opportunities for similar studies for members of the other sex. Such opportunities may be derived from either domestic or foreign sources.

(d) *Aids, benefits or services not provided by recipient.* (1) This paragraph (d) applies to any recipient that requires participation by any applicant, student, or employee in any education program or activity not operated wholly by such recipient, or that facilitates, permits, or considers such participation as part of or equivalent to an education program or activity operated by such recipient, including participation in educational consortia and cooperative employment and student-teaching assignments.

(2) Such recipient:

**§ 8a.405**

(i) Shall develop and implement a procedure designed to assure itself that the operator or sponsor of such other education program or activity takes no action affecting any applicant, student, or employee of such recipient that these Title IX regulations would prohibit such recipient from taking; and

(ii) Shall not facilitate, require, permit, or consider such participation if such action occurs.

**§ 8a.405 Housing.**

(a) *Generally.* A recipient shall not, on the basis of sex, apply different rules or regulations, impose different fees or requirements, or offer different services or benefits related to housing, except as provided in this section (including housing provided only to married students).

(b) *Housing provided by recipient.* (1) A recipient may provide separate housing on the basis of sex.

(2) Housing provided by a recipient to students of one sex, when compared to that provided to students of the other sex, shall be as a whole:

(i) Proportionate in quantity to the number of students of that sex applying for such housing; and

(ii) Comparable in quality and cost to the student.

(c) *Other housing.* (1) A recipient shall not, on the basis of sex, administer different policies or practices concerning occupancy by its students of housing other than that provided by such recipient.

(2)(i) A recipient which, through solicitation, listing, approval of housing, or otherwise, assists any agency, organization, or person in making housing available to any of its students, shall take such reasonable action as may be necessary to assure itself that such housing as is provided to students of one sex, when compared to that provided to students of the other sex, is as a whole:

(A) Proportionate in quantity; and

(B) Comparable in quality and cost to the student.

(ii) A recipient may render such assistance to any agency, organization, or person that provides all or part of such housing to students of only one sex.

**15 CFR Subtitle A (1-1-07 Edition)**

**§ 8a.410 Comparable facilities.**

A recipient may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.

**§ 8a.415 Access to course offerings.**

(a) A recipient shall not provide any course or otherwise carry out any of its education program or activity separately on the basis of sex, or require or refuse participation therein by any of its students on such basis, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses.

(b)(1) With respect to classes and activities in physical education at the elementary school level, the recipient shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. With respect to physical education classes and activities at the secondary and post-secondary levels, the recipient shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

(2) This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

(3) This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(4) Where use of a single standard of measuring skill or progress in a physical education class has an adverse effect on members of one sex, the recipient shall use appropriate standards that do not have such effect.

(5) Portions of classes in elementary and secondary schools, or portions of education programs or activities, that deal exclusively with human sexuality may be conducted in separate sessions for boys and girls.

(6) Recipients may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

**§ 8a.420 Access to schools operated by LEAs.**

A recipient that is a local educational agency shall not, on the basis of sex, exclude any person from admission to:

(a) Any institution of vocational education operated by such recipient; or

(b) Any other school or educational unit operated by such recipient, unless such recipient otherwise makes available to such person, pursuant to the same policies and criteria of admission, courses, services, and facilities comparable to each course, service, and facility offered in or through such schools.

**§ 8a.425 Counseling and use of appraisal and counseling materials.**

(a) *Counseling.* A recipient shall not discriminate against any person on the basis of sex in the counseling or guidance of students or applicants for admission.

(b) *Use of appraisal and counseling materials.* A recipient that uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials that permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) *Disproportion in classes.* Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one

sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

**§ 8a.430 Financial assistance.**

(a) *General.* Except as provided in paragraphs (b) and (c) of this section, in providing financial assistance to any of its students, a recipient shall not:

(1) On the basis of sex, provide different amounts or types of such assistance, limit eligibility for such assistance that is of any particular type or source, apply different criteria, or otherwise discriminate;

(2) Through solicitation, listing, approval, provision of facilities, or other services, assist any foundation, trust, agency, organization, or person that provides assistance to any of such recipient's students in a manner that discriminates on the basis of sex; or

(3) Apply any rule or assist in application of any rule concerning eligibility for such assistance that treats persons of one sex differently from persons of the other sex with regard to marital or parental status.

(b) *Financial aid established by certain legal instruments.* (1) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign wills, trusts, bequests, or similar legal instruments or by acts of a foreign government that require that awards be made to members of a particular sex specified therein; *Provided*, that the overall effect of the award of such sex-restricted scholarships, fellowships, and other forms of financial assistance does not discriminate on the basis of sex.

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

(ii) An appropriate sex-restricted scholarship, fellowship, or other form

#### § 8a.435

of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student's sex.

(c) *Athletic scholarships.* (1) To the extent that a recipient awards athletic scholarships or grants-in-aid, it must provide reasonable opportunities for such awards for members of each sex in proportion to the number of students of each sex participating in interscholastic or intercollegiate athletics.

(2) A recipient may provide separate athletic scholarships or grants-in-aid for members of each sex as part of separate athletic teams for members of each sex to the extent consistent with this paragraph (c) and § 8a.450.

#### § 8a.435 Employment assistance to students.

(a) *Assistance by recipient in making available outside employment.* A recipient that assists any agency, organization, or person in making employment available to any of its students:

(1) Shall assure itself that such employment is made available without discrimination on the basis of sex; and

(2) Shall not render such services to any agency, organization, or person that discriminates on the basis of sex in its employment practices.

(b) *Employment of students by recipients.* A recipient that employs any of its students shall not do so in a manner that violates §§ 8a.500 through 8a.550.

#### § 8a.440 Health and insurance benefits and services.

Subject to § 8a.235(d), in providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex, or provide such benefit, service, policy, or plan in a manner that would violate §§ 8a.500 through 8a.550 if it were provided to employees of the recipient. This section shall not prohibit a recipient from providing any benefit or service that may be used by a different proportion of students of one sex than of

#### 15 CFR Subtitle A (1-1-07 Edition)

the other, including family planning services. However, any recipient that provides full coverage health service shall provide gynecological care.

#### § 8a.445 Marital or parental status.

(a) *Status generally.* A recipient shall not apply any rule concerning a student's actual or potential parental, family, or marital status that treats students differently on the basis of sex.

(b) *Pregnancy and related conditions.*

(1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation as long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient that operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the separate portion is comparable to that offered to non-pregnant students.

(4) Subject to § 8a.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan, or policy that such recipient administers, operates, offers, or participates in with respect to students admitted to the recipient's educational program or activity.

(5) In the case of a recipient that does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and

recovery therefrom as a justification for a leave of absence for as long a period of time as is deemed medically necessary by the student's physician, at the conclusion of which the student shall be reinstated to the status that she held when the leave began.

#### § 8a.450 Athletics.

(a) *General.* No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person, or otherwise be discriminated against in any interscholastic, intercollegiate, club, or intramural athletics offered by a recipient, and no recipient shall provide any such athletics separately on such basis.

(b) *Separate teams.* Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try out for the team offered unless the sport involved is a contact sport. For the purposes of these Title IX regulations, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(c) *Equal opportunity.* (1) A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available, the designated agency official will consider, among other factors:

- (i) Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;
- (ii) The provision of equipment and supplies;
- (iii) Scheduling of games and practice time;

- (iv) Travel and per diem allowance;
- (v) Opportunity to receive coaching and academic tutoring;
- (vi) Assignment and compensation of coaches and tutors;
- (vii) Provision of locker rooms, practice, and competitive facilities;
- (viii) Provision of medical and training facilities and services;
- (ix) Provision of housing and dining facilities and services;
- (x) Publicity.

(2) For purposes of paragraph (c)(1) of this section, unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams if a recipient operates or sponsors separate teams will not constitute noncompliance with this section, but the designated agency official may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) *Adjustment period.* A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the secondary or postsecondary school level shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

#### § 8a.455 Textbooks and curricular material.

(2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way that could adversely affect any applicant's or employee's employment opportunities or status because of sex.

(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by §§ 8a.500 through 8a.550, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity that admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of these Title IX regulations.

(1) Recruitment, advertising, and the process of application for employment;

(2) Hiring, upgrading, promotion, consideration for and award of tenure, demotion, transfer, layoff, termination, application of nepotism policies, right of return from layoff, and rehiring;

(10) Any other term, condition, or privilege of employment.

### § 8a.505 Employment criteria.

A recipient shall not administer or operate any test or other criterion for any employment opportunity that has a disproportionately adverse effect on persons on the basis of sex unless:

(a) Use of such test or other criterion is shown to predict validly successful performance in the position in question; and

(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

### § 8a.510 Recruitment.

(a) *Nondiscriminatory recruitment and hiring.* A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex in the recruitment or hiring of employees, or has been found to have so discriminated in the past, the recipient shall recruit members of the sex so discriminated against so as to overcome the effects of such past or present discrimination.

(b) *Recruitment patterns.* A recipient shall not recruit primarily or exclusively at entities that furnish as applicants only or predominantly members of one sex if such actions have the effect of discriminating on the basis of sex in violation of §§ 8a.500 through 8a.550.

**§ 8a.515 Compensation.**

A recipient shall not make or enforce any policy or practice that, on the basis of sex:

- (a) Makes distinctions in rates of pay or other compensation;
- (b) Results in the payment of wages to employees of one sex at a rate less than that paid to employees of the opposite sex for equal work on jobs the performance of which requires equal skill, effort, and responsibility, and that are performed under similar working conditions.

**§ 8a.520 Job classification and structure.**

A recipient shall not:

- (a) Classify a job as being for males or for females;
- (b) Maintain or establish separate lines of progression, seniority lists, career ladders, or tenure systems based on sex; or

**§ 8a.525 Fringe benefits.**

(a) *“Fringe benefits” defined.* For purposes of these Title IX regulations, *fringe benefits* means: Any medical, hospital, accident, life insurance, or retirement benefit, service, policy or plan, any profit-sharing or bonus plan, leave, and any other benefit or service of employment not subject to the provision of § 8a.515.

- (2) Administer, operate, offer, or participate in a fringe benefit plan that does not provide for equal periodic benefits for members of each sex and for equal contributions to the plan by such recipient for members of each sex; or
- (3) Administer, operate, offer, or participate in a pension or retirement plan

that establishes different optional or compulsory retirement ages based on sex or that otherwise discriminates in benefits on the basis of sex.

**§ 8a.530 Marital or parental status.**

(a) *General.* A recipient shall not apply any policy or take any employment action:

- (1) Concerning the potential marital, parental, or family status of an employee or applicant for employment that treats persons differently on the basis of sex; or

(d) *Pregnancy leave.* In the case of a recipient that does not maintain a leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status that she held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

## § 8a.535

### § 8a.545 Pre-employment inquiries.

(a) *Marital status.* A recipient shall not make pre-employment inquiry as to the marital status of an applicant for employment, including whether such applicant is “Miss” or “Mrs.”

(b) *Sex.* A recipient may make pre-employment inquiry as to the sex of an applicant for employment, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

### § 8a.550 Sex as a bona fide occupational qualification.

A recipient may take action otherwise prohibited by §§ 8a.500 through 8a.550 provided it is shown that sex is a bona fide occupational qualification for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section that is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section

## 15 CFR Subtitle A (1–1–07 Edition)

shall prevent a recipient from considering an employee’s sex in relation to employment in a locker room or toilet facility used only by members of one sex.

#### § 8b.4 Discrimination prohibited.

(a) *General.* No qualified handicapped individual shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance.

(b) *Discriminatory actions prohibited.*

(1) A recipient, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

(i) Deny a qualified handicapped individual the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped individual an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped individual with any aid, benefit, or

service that is not as effective as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped individuals or to any class of handicapped individuals, unless such action is necessary to provide qualified handicapped individuals with aid, benefits, or services that are as effective as those provided to others;

(v) Aid or perpetuate discrimination against a qualified handicapped individual by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipient's program or activity;

(vi) Deny a qualified handicapped individual the opportunity to participate as a member of planning or advisory boards; or

(vii) Otherwise limit a qualified handicapped individual in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving any aid, benefits, or services.

(2) For purposes of this part, aid, benefits, and services must afford handicapped individuals an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as afforded to others, in the most integrated setting appropriate to the individual's needs. However, aid, benefits and services, to be equally effective, need not produce the identical result or level of achievement for handicapped and non-handicapped individuals.

(3) A recipient may not deny a qualified handicapped individual the opportunity to participate in its regular aid, benefits, or services, despite the existence of separate or different aid, benefits, or services which are established in accordance with this part.

(4) A recipient may not, directly or through contractual or other arrangements, use criteria or methods of administration:

(i) That have the effect of subjecting qualified handicapped individuals to discrimination on the basis of handicap;

(ii) That have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the recipient's program or activity

## §8b.5

with respect to handicapped individuals; or

(iii) That perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same state.

(5) In determining the geographic site or location of a facility, an applicant for assistance or a recipient may not make selections:

(i) That have the effect of excluding handicapped individuals from, denying them the benefit of, or otherwise subjecting them to discrimination under any program or activity that receives Federal financial assistance; or

(ii) That have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to handicapped individuals.

(6) As used in this section, the aid, benefit, or service provided under a program or activity receiving Federal financial assistance includes any aid, benefit, or service provided in or through a facility that has been constructed, expanded, altered, leased, rented or otherwise acquired, in whole or in part, with Federal financial assistance.

(7)(i) In providing services, recipients to which this subpart applies, except small recipients, shall ensure that no handicapped participant is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination under the program or activity operated by the recipient because of the absence of auxiliary aids for participants with impaired sensory, manual or speaking skills. A recipient shall operate each program or activity to which this subpart applies so that, when viewed in its entirety, auxiliary aids are readily available. The Secretary may require small recipients to provide auxiliary aids in order to ensure that no handicapped participant is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination under the program or activity operated by small recipients, when this would not significantly impair the ability of the small recipient to provide benefits or services.

(ii) Auxiliary aids may include brailled and taped materials, inter-

preters, telecommunications devices, or other equally effective methods of making orally delivered information available to persons with hearing impairments, readers for persons with visual impairments, equipment adapted for use by persons with manual impairments, and other similar devices and actions. Recipients need not provide attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

(c) *Aid, benefits, or services limited by Federal law.* The exclusion of non-handicapped persons from aid, benefits, or services limited by Federal statute or Executive order to handicapped individuals, or the exclusion of a specific class of handicapped individuals from aid, benefits, or services limited by Federal statute or Executive order to a different class of handicapped individuals is not prohibited by this part.

(d) *Integrated setting.* Recipients shall administer programs or activities in the most integrated setting appropriate to the needs of qualified handicapped individuals.

(e) *Communications with individuals with impaired vision and hearing.* Recipients shall ensure that communications with their applicants, employees and beneficiaries are available to persons with impaired vision or hearing. Appropriate modes of communication may include braille, enlarged type, sign language and telecommunications devices.

[47 FR 17746, Apr. 23, 1982, as amended at 68 FR 51353, Aug. 26, 2003]

### §8b.5 Assurances required.

(a) *Assurances.* An applicant for Federal financial assistance to which this part applies shall submit an assurance, on a form specified by the Secretary, that the program or activity will be operated in compliance with this part. An applicant may incorporate these assurances by reference in subsequent applications to the Department.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended in the form of real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used

for the purpose for which Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits.

(2) In case of Federal financial assistance extended to provide personal property, the assurance will obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases, the assurance will obligate the recipient for the period during which Federal financial assistance is extended or the federally-funded program or activity is operated, whichever is longer.

(c) *Covenants.* (1) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the instrument effecting or recording this transfer shall contain a covenant running with the land to assure non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) Where no transfer or property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (c)(1) of this section in the instrument effecting or recording any subsequent transferee of the property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the covenant shall also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposed to mortgage or otherwise encumber the real property as security to finance construction of new, or improvement of existing, facilities on the property for the purposes for which the property was transferred, the Secretary may agree to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective. Such an agreement by the Secretary may be entered into only upon the request of the transferee (recipient) if it

is necessary to accomplish such financing and upon such terms and conditions as the Secretary deems appropriate.

(d) *Interagency agreements.* Where funds are granted by the Department to another Federal agency to carry out the objectives of Federal financial assistance under a law administered by the Department, and where the grant obligates the recipient agency to comply with the rules and regulations of the Department applicable to that grant the provisions of this part shall apply to programs or activities operated with such funds.

#### § 8b.6 Remedial action, voluntary action, and self-evaluation.

(a) *Remedial action.* (1) If the Secretary finds that a recipient has discriminated against persons on the basis of handicap in violation of section 504 or this part, the recipient shall take such remedial action as the Secretary deems necessary to overcome the effects of the discrimination.

(2) Where a recipient is found to have discriminated against persons on the basis of handicap in violation of section 504 or this part and where another recipient exercises control over the recipient that has discriminated, the Secretary, where appropriate, may require either or both recipients to take remedial action.

(3) The Secretary may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action:

(i) With respect to handicapped individuals who would have been participants in the program or activity had the discrimination not occurred; and

(ii) With respect to handicapped persons who are no longer participants in the recipient's program or activity, but who were participants in the program or activity when the discrimination occurred; and

(iii) with respect to employees and applicants for employment.

(b) *Voluntary action.* A recipient may take steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the

## § 8b.7

recipient's program or activity by qualified handicapped individuals.

(c) *Self-evaluation.* (1) A recipient shall, within one year of the effective date of this part:

(i) Evaluate, with the assistance of interested persons, including handicapped individuals or organizations representing handicapped individuals, its current policies and practices and the effects thereof that do not or may not meet the requirements of this part;

(ii) Modify, after consultation with interested persons, including handicapped individuals or organizations representing handicapped individuals, any policies and practices that do not meet the requirements of this part; and

(iii) Take, after consultation with interested persons, including handicapped individuals or organizations representing handicapped individuals, appropriate remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices.

(2) A recipient, other than a small recipient, shall for at least three years following completion of the evaluation required under paragraph (c)(1) of this section, maintain on file, make available for public inspection, and provide to the Secretary upon request:

(i) A list of the interested persons consulted;

(ii) A description of areas examined and any problems identified; and

(iii) A description of any modifications made and of any remedial steps taken.

(3) The Secretary may, as he or she deems necessary, direct recipients to conduct additional self-evaluations, in accordance with the requirements of paragraph (c)(1) of this section.

(Approved by the Office of Management and Budget under control number 0605-0006)

### **§ 8b.7 Designation of responsible employee and adoption of grievance procedures.**

(a) *Designation of responsible employee.* A recipient, other than a small recipient, shall designate at least one person to coordinate its efforts to comply with this part.

## 15 CFR Subtitle A (1-1-07 Edition)

(b) *Adoption of grievance procedures.* A recipient, other than a small recipient, shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part. Such procedures need not be established with respect to complaints from applicants for employment or from applicants for admission to post secondary educational institutions.

### **§ 8b.8 Notice.**

(a) A recipient, other than a small recipient, shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of handicap in violation of Section 504 and of this part. The notification shall state, where appropriate, that the recipient does not discriminate in the admission or access to, or treatment or employment in, its programs or activities. The notification shall also include an identification of the responsible employee designated pursuant to § 8b.7(a). A recipient shall make the initial notification required by this paragraph within 90 days of the effective date of this part. Methods of initial and continuing notification may include the posting of notices, publications in newspapers and magazines, placement of notices in recipient's publications, and distribution of memoranda or other written communication. A recipient shall take appropriate steps to ensure that notice is available to persons with impaired vision or hearing.

(b) If a recipient publishes or uses recruitment materials or publications containing general information made available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this paragraph either by including appropriate inserts in existing materials and publications, or by revising

## Office of the Secretary, Commerce

## § 8b.12

and reprinting the materials and publications.

### § 8b.9 Administrative requirements for small recipients.

The Secretary may require small recipients to comply with §§ 8b.7 and 8b.8, in whole or in part, when the Secretary finds a violation of this part or finds that such compliance will not significantly impair the ability of the small recipient to provide benefits or services.

### § 8b.10 Effect of state or local law or other requirements and effect of employment opportunities.

(a) The obligation to comply with this part is not obviated or alleviated by the existence of any state or local law or other requirement that, on the basis of handicap, imposes prohibitions or limits upon the eligibility of qualified handicapped individuals to receive services, participate in programs or activities, or practice any occupation or profession.

(b) The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for handicapped individuals than for nonhandicapped persons.

## Subpart B—Employment Practices

### § 8b.11 Discrimination prohibited.

(a) *General.* (1) No qualified handicapped individual shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity that receives Federal financial assistance.

(2) A recipient shall make all decisions concerning employment under any program or activity to which this part applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(3) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by

this subpart. The relationships referred to in this subparagraph include relationships with employment and referral agencies, with labor unions, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeships.

(b) *Specific activities.* The prohibition against discrimination in employment applies to the following activities:

(1) Recruitment, advertising and the processing of applicants for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation; pension or other benefit the applicant or employee receives from any other source.

### § 8b.12 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program or activity.

(b) Reasonable accommodation may include:

(1) Making the facilities used by the employees in the area where the program or activity is conducted, including common areas used by all employees such as hallways, restrooms, cafeterias and lounges, readily accessible to and usable by handicapped persons; and

(2) Job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

(c) In determining pursuant to paragraph (a) of this section whether an accommodation would impose an undue hardship on the operation of a recipient's program or activity, factors to be considered include:

(1) The overall size of the recipient's program or activity with respect to number of employees, number of participants, number and type of facilities, and size of budget;

### § 8b.13

(2) The type of the recipient's operation, including the composition and structure of the recipient's workforce; and

(3) The nature and cost of the accommodation needed.

(d) A recipient may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is the need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

(e) Nothing in this paragraph shall relieve a recipient of its obligation to make its program or activity accessible as required in subpart C of this part, or to provide auxiliary aids, as required by § 8b.4(b)(7).

#### § 8b.13 Employment criteria.

(a) A recipient may not make use of any employment test or other selection criterion that screens out or tends to screen out handicapped individuals or any class of handicapped individuals unless;

(1) The test score or other selection criterion, as used by the recipient, is shown to be job-related for the position in question; and

(2) Alternative job-related tests or criteria that do not screen out or tend to screen out as many handicapped individuals are not shown by the Secretary to be available.

(b) A recipient shall select and administer tests concerning employment so as best to ensure that, when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately to reflect the applicant's or employee's job skills aptitude, or whatever factor the test purports to measure, rather than reflecting the applicant's or employee's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

#### § 8b.14 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct preemployment inquiry of an applicant for employment as to whether the applicant is a handicapped individual, or as to the nature

### 15 CFR Subtitle A (1-1-07 Edition)

or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant's ability to perform job-related functions.

(b) When a recipient is taking remedial action to correct the effects of past discrimination pursuant to § 8b.6(a), when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in this federally assisted program or activity pursuant to § 8b.6(b), or when a recipient is taking affirmative action pursuant to section 503 of the Act, the recipient may invite applicants for employment to indicate whether and to what extent they are handicapped, *Provided, That:*

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally, if no written questionnaire is used, that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient from conditioning an offer of employment on the results of a medical examination conducted prior to the employee's entrance on duty, *Provided, That:*

(1) All employees are subject to such an examination regardless of handicap, and

(2) The results of such an examination are used only in accordance with the requirements of this part.

(d) Information obtained in accordance with this section as to the medical condition or history of the applicant shall be collected and maintained on separate forms that shall be accorded confidentiality as medical records, except:

(1) Employing officials may obtain the information after making a conditional decision to make a job offer to the applicant or the applicant was placed conditionally in a job pool or

placed conditionally on an eligibility list;

(2) Supervisors and managers may be informed regarding restrictions on the work or duties of qualified handicapped individuals and regarding necessary accommodations;

(3) First aid and safety personnel may be informed, where appropriate, if the condition might require emergency treatment; and

(4) Government officials investigating compliance with the Act shall be provided information upon request.

#### § 8b.15 Employment on ships.

No qualified handicapped individual possessing an appropriate license or certificate obtained from the United States Coast Guard pursuant to the requirements of 46 CFR 10.01-1 *et seq.* and 12.01-1 *et seq.* shall, on the basis of handicap, be subjected to discrimination in employment on ships under any program or activity to which this part applies.

### Subpart C—Accessibility

#### § 8b.16 Discrimination prohibited.

No qualified handicapped individual shall, because a recipient's facilities are inaccessible to or unusable by handicapped individuals, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which this part applies.

#### § 8b.17 Existing facilities.

(a) *Accessibility.* A recipient shall operate each program or activity to which this part applies so that when each part is viewed in its entirety it is readily accessible to qualified handicapped individuals. This paragraph does not require a recipient to make each of its existing facilities or every part of a facility accessible to and usable by qualified handicapped individuals. However, if a particular program is available in only one location, that site must be made accessible or the aid, benefit, or service must be made available at an alternative accessible site or sites. Accessibility requires nonpersonal aids to make the aid, benefit, or service accessible to mobility impaired persons.

(b) *Methods.* A recipient may comply with the requirements of paragraph (a) of this section through such means as redesign of equipment, reassignment of classes or other services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities in conformance with the requirement of § 8b.19, or any other method that results in making its program or activity accessible to handicapped individuals. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with paragraph (a) of this section. In choosing among available methods for meeting the requirement of paragraph (a) of this section, a recipient shall give priority to those methods that serve handicapped individuals in the most integrated setting appropriate.

(c) If a small recipient finds, after consultation with a qualified handicapped individual seeking its services, that there is no method of complying with paragraph (a) of this section other than making a significant alteration in its existing facilities or facility, the small recipient may, as an alternative, refer the qualified handicapped individual to other providers of those services that are accessible at no additional cost to the handicapped.

(d) *Time period.* A recipient shall comply with the requirement of paragraph (a) of this section within 60 days of the effective date of this part. Where structural changes in facilities are necessary, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(e) *Transition plan.* In the event that structural changes to facilities are necessary to meet the requirement of paragraph (a) of this section, a recipient shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the transition plan shall be

## §8b.18

made available for public inspection. The plan shall, at a minimum:

(1) Identify physical obstacles in the recipient's facilities that limit the accessibility of its program or activity to qualified handicapped individuals;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve full accessibility under §8b.17(a) and, if the time period of the transition plan is longer than one year, identify the steps that will be taken during each year of the transition period; and

(4) Indicate the person responsible for implementation of the plan.

(f) *Notice.* The recipient shall adopt and implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of services, activities and facilities that are accessible to and usable by qualified handicapped individuals.

## §8b.18 New construction.

(a) *Design and construction.* Each facility or part of a facility constructed by, on behalf of, or for the use of a recipient shall be designed and constructed in such manner that the facility or part of the facility is readily accessible to and usable by qualified handicapped individuals, if the construction was commenced after the effective date of this part.

(b) *Alteration.* Each facility or part of a facility which is altered by, on behalf of, or for the use of a recipient after the effective date of this part of the facility shall, to the maximum extent feasible, be altered in such manner that the altered portion of the facility is readily accessible to and usable by qualified handicapped individuals.

(c) *Conformance with Uniform Federal Accessibility Standards.* (1) Effective as of August 17, 1990, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards

## 15 CFR Subtitle A (1-1-07 Edition)

(UFAS) (Appendix A to 41 CFR subpart 101-19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

## Subpart D—Post Secondary Education

### §8b.19 Application of this subpart.

Subpart D applies to post secondary education programs or activities, including post secondary vocational education programs or activities, that receive Federal financial assistance for the operation of, such programs or activities.

### §8b.20 Admission and recruitment.

(a) *General.* Qualified handicapped may not, on the basis of handicap, be denied admission or be subjected to discrimination in admission or recruitment by a recipient to which this subpart applies.

(b) *Admissions.* In administering its admission policies, a recipient to which this subpart applies:

(1) May not apply limitations upon the number or proportion of handicapped individuals who may be admitted; and

(2) May not make use of any test or criterion for admission that has a disproportionate, adverse effect on handicapped individuals or any class of handicapped individuals unless:

(i) The test or criterion, as used by the recipient, has been validated as a predictor of success in the education program or activity in question; and

(ii) Alternate tests or criteria that have a less disproportionate, adverse effect are not shown by the Secretary to be available.

(3) Shall assure itself that (i) admissions tests are selected and administered so as best to ensure that, when a test is administered to an applicant who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's aptitude or achievement level of whatever other factor the test purports to measure, rather than reflecting the applicant's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure); (ii) admissions tests that are designed for persons with impaired sensory, manual, or speaking skills are offered as often and in as timely a manner as are other admissions tests; and (iii) admissions tests are administered in facilities that, on the whole, are accessible to handicapped individuals; and

(4) Except as provided in paragraph (c) of this section, may not make pre-admission inquiry as to whether an applicant for admission is a handicapped individual but, after admission, may make inquiries on a confidential basis as to handicaps that may require accommodation.

(c) *Pre-admission inquiry exception.* When a recipient is taking remedial action to correct the effects of past discrimination pursuant to §8b.6(a) or when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to §8b.6(b), the recipient may invite applicants for admission to indicate whether and to what extent they are handicapped, *Provided, That:*

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally, if no

written questionnaire is used, that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential, that refusal to provide it will not subject the applicant to any adverse treatment, and that it will be used only in accordance with this part.

(d) *Validity studies.* For the purpose of paragraph (b)(2) of this section, a recipient may base prediction equations on first year grades, but shall conduct periodic validity studies against the criterion of overall success in the education program or activity in question in order to monitor the general validity of the test scores.

#### §8b.21 Treatment of students.

(a) *General.* No qualified handicapped student shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any academic research, occupational training, housing, health insurance, counseling, financial aid, physical education, athletics, recreation, transportation, other extracurricular, or other post secondary education aid, benefits, or services to which this subpart applies.

(b) A recipient to which this subpart applies that considers participation by students in education programs or activities not operated wholly by the recipient as part of, or equivalent to, education programs or activities operated by the recipient shall assure itself that the other education program or activity, as a whole, provides an equal opportunity for the participation of qualified handicapped persons.

(c) A recipient to which this subpart applies may not, on the basis of handicap exclude any qualified handicapped student from any course or study, or other part of its education program or activity.

(d) A recipient to which this subpart applies shall operate its program or activity in the most integrated setting appropriate.

## § 8b.22

### § 8b.22 Academic adjustments.

(a) *Academic requirements.* A recipient to which this subpart applies shall make such modifications to its academic requirements as are necessary to ensure that such requirements do not discriminate or have the effect of discriminating, on the basis of handicap, against a qualified handicapped applicant or student. Academic requirements that the recipient can demonstrate are essential to the instruction being pursued by such student or to any directly related licensing requirement will not be regarded as discriminatory within the meaning of this section. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific courses required for the completion of degree requirements, and adaptation of the manner in which specific courses are conducted.

(b) *Other rules.* A recipient to which this subpart applies may not impose upon handicapped students other rules, such as the prohibition of tape recorders in classrooms or of dog guides in campus buildings, that have the effect of limiting the participation of handicapped students in the recipient's education program or activity.

(c) *Course examinations.* In its course examinations or other procedures for evaluating student's academic achievement, a recipient to which this subpart applies shall provide such methods for evaluating the achievement of students who have a handicap that impairs sensory, manual, or speaking skills as will best ensure that the results of the evaluation represents the student's achievement in the course, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where such skills are the factors that the test purports to measure).

(d) *Auxiliary aids.* (1) A recipient to which this subpart applies shall ensure that no handicapped student is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination because of the absence of educational auxiliary aids for students with impaired sensory, manual, or speaking skills. A recipient shall operate each program or activity to which this subpart applies so that,

## 15 CFR Subtitle A (1-1-07 Edition)

when viewed in its entirety, auxiliary aids are readily available.

(2) Auxiliary aids may include taped text, interpreters or other effective methods of making orally delivered materials available to students with hearing impairments, readers in libraries for students with visual impairments, classroom equipment adapted for use by students with manual impairments, and other similar services and actions. Recipients need not provide attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

### § 8b.23 Housing provided by the recipient.

(a) A recipient that provides housing to its nonhandicapped students shall provide comparable, convenient, and accessible housing to handicapped students at the same cost as to others. At the end of transition period provided for in subpart C, such housing shall be available in sufficient quantity and variety so that the scope of handicapped students choice of living accommodations is, as a whole, comparable to that of nonhandicapped students.

(b) *Other housing.* A recipient that assists any agency, organization, or person in making housing available to any of its students shall take such action as may be necessary to assure itself that such housing is, as a whole, made available in a manner that does not result in discrimination on the basis of handicap.

### § 8b.24 Financial and employment assistance to students.

(a) *Provision of financial assistance.* (1) In providing financial assistance to qualified handicapped individuals, a recipient to which this subpart applies may not (i) on the basis of handicap, provide less assistance than is provided to nonhandicapped persons, limit eligibility for assistance, or otherwise discriminate or (ii) assist any entity or person that provides assistance to any of the recipient's students in a manner that discriminates against qualified handicapped individuals on the basis of handicap.

(2) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established under wills, trust, bequest, or similar legal instruments that require awards to be made on the basis of factors that discriminate or have the effect of discriminating on the basis of handicap only if the overall effect of the award of scholarships, fellowships, and other forms of financial assistance is not discriminatory on the basis of handicap.

(b) *Assistance in making available outside employment.* A recipient that assists any agency, organization, or person in providing employment opportunities to any of its students shall assure itself that such employment opportunities, as a whole, are made available in a manner that would not violate subpart B if they were provided by the recipient.

(c) *Employment of student by recipients.* A recipient that employs any of its students may not do so in a manner that violates subpart B.

#### §8b.25 Nonacademic services.

(a) *Physical education and athletics.* (1) In providing physical education courses and athletics and similar aid, benefits, or services to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors intercollegiate, club, or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation in these activities.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different only if separation of differentiation is consistent with the requirements of §8b.22(d) and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

(b) *Counseling and placement services.* A recipient to which this subpart applies that provides personal, academic, or vocational counseling guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap.

The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities. This requirement does not preclude a recipient from providing factual information about licensing and certification requirements that may present obstacles to handicapped persons in their pursuit of particular careers.

(c) *Social organizations.* A recipient that provides significant assistance to fraternities, sororities, or similar organizations shall assure itself that the membership practices of such organizations do not permit discrimination otherwise prohibited by this subpart.

The enforcement provisions applicable to Title VI of the Civil Rights Act of 1964 found at §§8.7 through 8.15 of this subtitle shall apply to this part.

(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others towards such impairment; or

(iii) Has none of the impairments defined in subparagraph (1) of this definition but is treated by the agency as having such an impairment.

*Qualified individual with handicaps* means—

(1) With respect to any agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature;

#### §§ 8c.4–8c.9 [Reserved]

#### § 8c.10 Self-evaluation.

(a) The agency shall, by July 26, 1989, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part, and, to the extent modi-

fication of any such policies and practices is required, the agency shall proceed to make the necessary modifications.

(b) The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, until three years following the completion of the self-evaluation, maintain on file and make available for public inspection:

(1) A description of areas examined and any problems identified, and

(2) A description of any modifications made.

#### § 8c.11 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the Secretary of Commerce or the Secretary’s designee finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

#### §§ 8c.12–8c.29 [Reserved]

#### § 8c.30 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit,

**§§ 8c.31–8c.39**

or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of a planning or advisory board; or

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicaps; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program with respect to individuals with handicaps.

**15 CFR Subtitle A (1–1–07 Edition)**

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

**§§ 8c.31–8c.39 [Reserved]**

**§ 8c.40 Employment.**

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR Part 1613, shall apply to employment in federally conducted programs or activities.

**§§ 8c.41–8c.48 [Reserved]**

**§ 8c.49 Program accessibility: Discrimination prohibited.**

Except as otherwise provided in §8c.50, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from

participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

**§ 8c.50 Program accessibility: Existing facilities.**

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps; or

(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with section § 8c.50(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Secretary of Commerce or the Secretary's designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) *Methods.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making

its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by September 26, 1988, except that where structural changes in facilities are undertaken, such changes shall be made by July 26, 1991, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by January 26, 1989, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its program or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

## § 8c.51

(4) Indicate the official responsible for implementation of the plan.

### **§ 8c.51 Program accessibility: New construction and alterations.**

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

### **§§ 8c.52-8c.59 [Reserved]**

### **§ 8c.60 Communications.**

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applications and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signs at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessi-

bility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 8c.60 would result in such alteration or burdens. The decision that compliance would result in such alteration of burdens must be made by the Secretary of Commerce or the Secretary's designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

### **§§ 8c.61-8.69 [Reserved]**

### **§ 8c.70 Compliance procedures**

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

**SOURCE:** 38 FR 29574, Oct. 26, 1973, unless otherwise noted.

**§ 9.0 Purpose.**

The purpose of this part is to establish procedures relating to the Department's voluntary labeling program for household appliances and equipment to promote and effect energy conservation.

**§ 9.1 Goal of program.**

(a) This program was initiated in response to the direction of President Nixon in his 1973 Energy Message that the Department of Commerce in cooperation with the Council on Environmental Quality and the Environmental Protection Agency develop a voluntary labeling program which would apply to energy-consuming home appliances.

## §9.2

(b) The goal of this program is to encourage manufacturers to provide consumers, at the point of sale, with information on the energy consumption and energy efficiency of household appliances and equipment. Such information, presented in a uniform manner readily understandable to consumers, would be displayed on labels attached to or otherwise provided with the appliances or equipment. The labels will include a system intended to make it possible for consumers to compare by cost or otherwise the energy consumption and energy efficiency characteristics when purchasing household appliances and equipment and to select those that can effect savings in energy consumption.

### §9.2 Definitions.

(a) The term *Secretary* means the Secretary of Commerce.

(b) The term *manufacturer* means any person engaged in the manufacturing or assembling of new appliances or equipment in the United States, or in the importing of such products for sale or resale, or any person whose brand or trademark appears on such products who owns such brand or trademark and has authorized its use on such products, if the brand or trademark of the person actually manufacturing or assembling the products does not appear on the products.

(c) The term *energy consumption* means the energy resources used by appliances or equipment under conditions of use approximating actual operating conditions insofar as practical as determined through test procedures contained or identified in a final Voluntary Energy Conservation Specification published under §9.4(e).

(d) The term *energy efficiency* means the energy use of appliances or equipment relative to their output of services, as determined through test procedures contained or identified in a final Voluntary Energy Conservation Specification published under §9.4(e).

(e) The term *consumer* means the first person who purchases a new appliance or item of equipment for purposes other than resale.

(f) The term *class of appliance or equipment* means a group of appliances or equipment whose functions or fea-

tures are similar, and whose functional output covers a range that may be of interest to consumers.

(g) The term *Specification* means a Voluntary Energy Conservation Specification developed under §9.4.

(h) The term *label* means printed matter affixed to or otherwise provided with appliances or equipment and meeting all the requirements called for in a Voluntary Energy Conservation Specification published under §9.4(e).

[38 FR 29574, Oct. 26, 1973, as amended at 40 FR 33966, Aug. 13, 1975]

### §9.3 Appliances and equipment included in program.

The appliances and equipment included in this program are room and central air conditioners, household refrigerators, home freezers, clothes washers, dishwashers, clothes dryers, kitchen ranges and ovens, water heaters, comfort heating equipment, and television receivers. Additional appliances and equipment may be included in the program by the Secretary pursuant to rule making procedures as set out in 5 U.S.C. 553. Individual units of appliances and equipment manufactured for export are not included in this program.

[38 FR 29574, Oct. 26, 1973, as amended at 40 FR 33966, Aug. 13, 1975]

### §9.4 Development of voluntary energy conservation specifications.

(a) The Secretary in cooperation with appropriate Federal agencies and in cooperation with affected manufacturers, distributors, retailers, consumers, environmentalists, and other interested parties shall develop proposed Specifications for the specific classes of appliances and equipment covered under §9.3.

(b) Each Specification shall as a minimum include:

(1) A description of the class of appliance or equipment covered by the Specification, listing the distribution of energy efficiencies for that class of appliance or equipment.

(2) Listings or descriptions of test methods to be used in measuring the energy consumption and/or energy efficiency characteristics of the class of appliance or equipment.

(3) A prototype Label and directions for displaying the Label on or with appliances or equipment of that class. The Label shall be prominent, readable, and visible and shall include information that will assist the consumer in comparing by cost or otherwise the energy consumption and/or energy efficiency characteristics of a particular appliance or item of equipment with all others in its class. The Label shall also include the Department of Commerce Energy Conservation Mark specified in § 9.7.

(4) Conditions for the participation of manufacturers in the program.

(c) The test methods listed or described in the Specification pursuant to § 9.4(b)(2) shall be those described in existing nationally-recognized voluntary standards where such methods are appropriate. Where appropriate test methods do not so exist, they will be developed by the Department of Commerce in cooperation with interested parties.

(d) The Secretary upon development of a proposed Specification shall publish in the FEDERAL REGISTER a notice giving the complete text of the proposed Specification, and any other pertinent information, and inviting any interested person to submit written comments on the proposed Specification within 30 days after its publication in the FEDERAL REGISTER, unless another time limit is provided by the Secretary. Interested persons wanting to express their views in an informal hearing may do so if, within 15 days after the proposed Specification is published in the FEDERAL REGISTER, they request the Secretary to hold a hearing. Such informal hearings shall be held so as to give all interested persons opportunity for the oral presentation of data, views, or arguments in addition to the opportunity to make written submissions. Notice of such hearings shall be published in the FEDERAL REGISTER. A transcript shall be kept of any oral presentations.

(e) The Secretary, after consideration of all written and oral comments and other materials received in accordance with paragraph (d) of this section, shall publish in the FEDERAL REGISTER within 30 days after the final date for re-

ceipt of comments, or as soon as practicable thereafter, a notice either:

(1) Giving the complete text of a final Specification, including conditions of use, and stating that any manufacturer of appliances or equipment in the class concerned desiring voluntarily to use the Label and Energy Conservation Mark with such appliances or equipment must advise the Department of Commerce; or

(2) Stating that the proposed Specification will be further developed before final publication; or

(3) Withdrawing the proposed Specification from further consideration.

#### § 9.5 Participation of manufacturers.

(a) Manufacturers desiring to participate in this program will so notify the Department of Commerce. The notification will identify the particular Specification to be used and the manufacturer's model numbers for the products to be labeled. The notification will also state that the manufacturer will abide by all conditions contained in the Specification and will desist from using the Label and Energy Conservation Mark if requested by the Department of Commerce under the provisions of § 9.6.

(b) The conditions for participation will be set out in the Specification and will include, but not be limited to, the following:

(1) Prior to the use of a Label the manufacturer will make or have made the measurements to obtain the information required for inclusion on the Label and, if requested, will forward within 30 days such measurement data to the Department of Commerce. Such measurement data will be kept on file by the manufacturer or his agent for two years after that model of appliance or equipment is no longer manufactured unless otherwise provided in the Specification. The use of independent test laboratories or national certification programs available to any manufacturer is acceptable for the purposes of this program.

(2) The manufacturer will describe the test results on the Label as prescribed in the Specification.

(3) The manufacturer will display or arrange to display, in accordance with the appropriate Specification, the

**§9.6**

Label on or with each individual unit of appliance or equipment within the subject class and with the same brand name manufactured by him except for units exported from the United States. All models with the same brand name that fall within the class must be included in the program unless they are for export only.

(4) The manufacturer agrees at his expense to comply with any reasonable request of the Department of Commerce to have appliances or equipment manufactured by him tested to determine that testing has been done according to the relevant Specification.

(5) Manufacturers may reproduce the Department of Commerce Labels and Energy Conservation Mark in advertising provided that the entire Label, complete with all information required to be displayed at the point of retail sale, is shown legibly.

**§9.6 Termination of participation.**

(a) The Department of Commerce upon finding that a manufacturer is not complying with the conditions of participation set out in these procedures or in a Specification may terminate upon 30 days notice the manufacturer's participation in the program: *Provided*, That the manufacturer shall first be given an opportunity to show cause why the participation should not be terminated. Upon receipt of a notice of termination, a manufacturer may request within 30 days a hearing under the provisions of 5 U.S.C. 558.

(b) A manufacturer may at any time terminate his participation and responsibilities under this program with regard to a specific class of products by giving written notice to the Secretary that he has discontinued use of the Label and Energy Conservation Mark for all appliances or equipment within that class.

**§9.7 Department of Commerce energy conservation mark.**

The Department of Commerce shall develop an Energy Conservation Mark which shall be registered in the U.S. Patent Office under 15 U.S.C. 1054 for use on each Label described in a Specification.

**§9.8 Amendment or revision of voluntary energy conservation specifications.**

The Secretary may by order amend or revise any Specification published under §9.4. The procedure applicable to the establishment of a Specification under §9.4 shall be followed in amending or revising such Specification. Such amendment or revision shall not apply to appliances or equipment manufactured prior to the effective date of the amendment or revision.

**§9.9 Consumer education.**

The Department of Commerce, in close cooperation and coordination with interested Government agencies, appropriate industry trade associations and industry members, and interested consumers and environmentalists shall carry out a program to educate consumers relative to the significance of the labeling program. Some elements of this program shall also be directed toward informing retailers and other interested groups about the program.

**§9.10 Coordination with State and local programs.**

The Department of Commerce will establish and maintain an active program of communication with appropriate state and local government offices and agencies and will furnish and make available information and assistance that will promote to the greatest practicable extent uniformity in State, local, and Federal programs for the labeling of household appliances and equipment to effect energy conservation.

**§9.11 Annual report.**

The Secretary will prepare an annual report of activities under the program, including an evaluation of the program and a list of participating manufacturers and classes of appliances and equipment.

### § 10.0 General.

(a) *Introduction.* The Department of Commerce (hereinafter referred to as the "Department") recognizes the importance, the advantages, and the benefits of voluntary standards and standardization activities. Such standards may cover, but are not limited to, terms, classes, sizes (including quantities of packaged consumer commodities), dimensions, capacities, quality levels, performance criteria, inspection requirements, marking requirements, testing equipment, test procedures and installation procedures. Economic growth is promoted through:

- (1) Reduction of manufacturing costs, inventory costs, and distribution costs;
- (2) Better understanding among manufacturers, producers, or packagers (hereinafter referred to as producers), distributors, users, and consumers; and
- (3) Simplification of the purchase, installation, and use of the product being standardized.

(b) *Requirements for Department of Commerce sponsorship.* The Department may sponsor the development of a voluntary Product Standard if, upon receipt of a request, the Department determines that:

- (1) The proposed standard is likely to have substantial public impact;
- (2) The proposed standard reflects the broad interest of an industry group or

an organization concerned with the manufacture, production, packaging, distribution, testing, consumption, or use of the product, or the interest of a Federal or State agency;

(3) The proposed standard would not duplicate a standard published by, or actively being developed or revised by, a private standards-writing organization to such an extent that it would contain similar requirements and test methods for identical types of products, unless such duplication was deemed by the Department to be in the public interest;

(4) Lack of government sponsorship would result in significant public disadvantage for legal reasons or reasons of domestic and international trade;

(5) The proposed standard is not appropriate for development and maintenance by a private standards-writing organization; and

(6) The proposed standard will be funded by a proponent organization or government agency to cover costs for administrative and technical support services provided by the Department.

(c) *Role of the Department.* The Department assists in the establishment of a Voluntary Product Standard as follows:

(1) Acts as an unbiased coordinator in the development of the standard;

(2) Provides editorial assistance in the preparation of the standard;

(3) Supplies such assistance and review as is required to assure the technical soundness of the standard;

(4) Seeks satisfactory adjustment of valid points of disagreement;

(5) Determines the compliance with the criteria established in these procedures for such voluntary standards;

(6) Provides secretarial functions for each committee appointed by the Department under these procedures;

(7) Publishes the standard as a public document;

(8) Administers the funds for administrative and technical support services; and

(9) Seeks listing for standards developed under these procedures as American National Standards through the American National Standards Institute, when deemed appropriate by the Department.

## § 10.1

(d) *Role of producers, distributors, users, and consumers.* Producers, distributors, users, consumers, and other interested groups may contribute to the development of a Voluntary Product Standard as follows:

(1) Initiate and participate in the development of the standard;

(2) Provide technical or other relevant counsel, as appropriate, relating to the standard;

(3) Promote the use of, and support for, the standard; and

(4) Assist in keeping the standard current with respect to advancing technology and marketing practices.

(e) *Role of the National Institute of Standards & Technology.* The National Institute of Standards & Technology (NIST) administers these procedures for the Department. Any communications concerning these procedures (e.g., questions, clarifications, appeals) should be addressed to the Office of Product Standards Policy, National Institute of Standards & Technology, Gaithersburg, Maryland 20899.

[51 FR 22497, June 20, 1986, as amended at 55 FR 38315, Sept. 18, 1990]

### §10.1 Initiating development of a new standard.

(a) Any group or association of producers, distributors, users, or consumers, or a testing laboratory, or a State or Federal agency, may request the Department to initiate the development and publication of a Voluntary Product Standard under these procedures. Requests shall be in writing, signed by a representative of the group or agency, and forwarded to the Department. The initial request may be accompanied by a copy of a draft of the suggested standard.

(b) The request shall include a commitment to provide sufficient funding to cover all costs associated with the development and maintenance of the proposed Voluntary Product Standard.

(c) The Department may require additional information such as technical, marketing, or other appropriate data essential to discussion and development of the proposed standard, including, but not limited to, physical, mechanical, chemical, or performance characteristics, and production figures.

## 15 CFR Subtitle A (1-1-07 Edition)

(d) Upon receipt of an appropriate request and after a determination by the Department that the development of a Voluntary Product Standard is justified, the Department may initiate the development by requesting that a draft of the suggested standard be prepared by an appropriate committee, provided such a draft has not previously been submitted under paragraph (a) of this section.

(e) The Department may initiate the development of a Voluntary Product Standard, if such action is deemed by the Department to be in the public interest, notwithstanding the absence of a request from an outside source. A voluntary standard initiated by the Department shall be processed in accordance with all requirements of these procedures and shall be developed in the same manner as a voluntary standard initiated by any group referred to in paragraph (a) of this section.

(f) An agreement regarding funding procedures and receipt of a deposit estimated by the Department to be sufficient to cover the first year's costs shall occur prior to the initiation of any project.

### §10.2 Funding.

Groups who represent producers, distributors, consumers or users, or others that wish to act or continue to act as proponent organizations for the development or maintenance of a Voluntary Product Standard will be required to pay for administrative and technical support services provided by the National Institute of Standards & Technology and such other direct or indirect costs associated with the development or maintenance of that standard as may be deemed appropriate by the Department, including costs to the Department in connection with the operation of the Standard Review Committee and the Standing Committee. Funds may also be provided by a government agency at the request of a proponent organization or when acting on its own behalf for the development or maintenance of a Voluntary Product Standard. Proponents of standards that meet sponsorship criteria established in these procedures shall furnish an initial deposit of funds sufficient to cover the first year's services and other

costs. Estimated annual costs will be based on an hourly rate for salary and overhead established by the Department for the National Institute of Standards & Technology's administrative and technical support services plus estimates of direct costs to provide funds for such items as the travel of consumer representatives unable to otherwise attend committee meetings, travel for Department staff, and printing costs. Project funds will be reviewed annually. Excess funds may be refunded or applied to the next accounting period. Should funds from deposits be inadequate during an accounting period, work on the project will continue only if funds are restored to a level estimated adequate to complete the 12-month period.

[51 FR 22497, June 20, 1986, as amended at 55 FR 38315, Sept. 18, 1990]

### § 10.3 Development of a proposed standard.

(a) A proposed standard as submitted to the Department:

(1) Shall be based on adequate technical information, or, in the case of size standards (including standards covering the quantities for packaged consumer commodities), on adequate marketing information, or both, as determined to be appropriate by the Department;

(2) Shall not be contrary to the public interest;

(3) Shall be technically appropriate and such that conformance or non-conformance with the standard can be determined either during or after the manufacturing process by inspection or other procedures which may be utilized by either an individual or a testing facility competent in the particular field;

(4) Shall follow the format prescribed by the National Institute of Standards & Technology. (Copies of the recommended format may be obtained from the Office of Product Standards Policy, National Institute of Standards & Technology, Gaithersburg, Maryland 20899.);

(5) Shall include performance requirements if such are deemed by the Department to be technically sound, feasible, and practical, and the inclu-

sion of such is deemed to be appropriate;

(6) May include dimensions, sizes, material specifications, product requirements, design stipulations, component requirements, test methods, testing equipment descriptions, and installation procedures. The appropriateness of the inclusion in a standard of any particular item listed in this subparagraph shall be determined by the Department; and

(7) Shall be accompanied by rational statements pertaining to the requirements and test methods contained in the standard, if deemed necessary by the Department.

(b) A proposed standard that is determined by the Department to meet the criteria set forth in paragraph (a) of this section may be subjected to further review by an appropriate individual, committee, organization, or agency (either government or non-government, but not associated with the proponent group).

(c) A proposed standard may be circulated by the Department to appropriate producers, distributors, users, consumers, and other interested groups for consideration and comment as well as to others requesting the opportunity to comment.

(d) The proponent group or appropriate committee which drafted the initial proposal under § 10.1(d) shall consider all comments and suggestions submitted by the reviewer designated under paragraph (b) of this section, and those received by the Department as a result of any circulation under paragraph (c) of this section, and may make such adjustments in the proposal as are technically sound and as are believed to cause the standard to be generally acceptable to producers, distributors, users, consumers, and other interested parties. The proposal will then be submitted to the Department for further processing.

[51 FR 22497, June 20, 1986, as amended at 55 FR 38315, Sept. 18, 1990]

### § 10.4 Establishment of the Standard Review Committee.

(a) The Department shall establish and appoint the members of a Standard Review Committee within a reasonable

## § 10.5

time after receiving a proposed standard. The committee shall consist of qualified representatives of producers, distributors, and users or consumers of product for which a standard is sought or any other appropriate general interest groups such as State and Federal agencies. When requested by the Standard Review Committee, the Department shall appoint one voting member from among the representatives of the Federal agencies, other than the Department of Commerce. All other representatives of Federal agencies on the Standard Review Committees shall be advisory nonvoting members. (Alternates to committee members may be designated by the Department.) When deemed appropriate by the Department, project funds under §10.2 may be made available to assure participation by consumer interests on the committee at required meetings.

(b) A Standard Review Committee may remain in existence for a period necessary for the final development of the standard, or for 2 years, whichever is less.

(c) The Department shall be responsible for the organization of the committee. Any formal operating procedures developed by the committee shall be subject to approval by the Department. The committee may conduct business either in a meeting or through correspondence, but only if a quorum participates. A quorum shall consist of two-thirds of all voting members of the committee. A majority of the voting members of the committee participating shall be required to approve any actions taken by the committee except for the action of recommending a standard to the Department, the requirements for which are contained in §10.5(b).

### **§10.5 Development of a recommended standard.**

(a) The Standard Review Committee, with the guidance and assistance of the Department and, if appropriate, the reviewer designated under §10.3(b), shall review a proposed standard promptly. If the committee finds that the proposal meets the requirements set forth in §10.3(a), it may recommend to the Department that the proposal be circulated for acceptance under §10.6. If,

## 15 CFR Subtitle A (1-1-07 Edition)

however, the committee finds that the proposal being reviewed does not meet the requirements set forth in §10.3(a), the committee shall change the proposal, after consulting with the proponent group, so that these requirements are met, before recommending such proposal to the Department.

(b) The recommendation of a standard by the Standard Review Committee shall be approved by at least three-quarters, or rejected by more than one-quarter, of all of the members of the committee eligible to vote. The voting on the recommendation of a standard shall be conducted by the Department if conducted by letter ballot. If such voting is accomplished at a meeting of the committee, the balloting shall be either by roll call or by signed written ballot conducted by the Department or the chairman of this committee. If conducted by the chairman, a report of the vote shall be made to the Department within 15 days. If the balloting at the meeting does not result in either approval by at least three-quarters of all members (or alternates) eligible to vote (whether present or not), or rejection by more than one-quarter of the members (or alternates) or the committee eligible to vote, the balloting shall be disregarded and the Department shall subsequently conduct a letter ballot of all members of the committee.

(c) Any member of the committee casting a negative ballot shall have the right to support an objection by furnishing the chairman of the committee and the Department with a written statement setting forth the basis for the objection. The written statement of objection shall be filed within 15 days after the date of the meeting during which the voting on the standard was accomplished, or, in the case of a letter ballot, within the time limit established for the return of the ballot.

(d) At the time a recommended standard is submitted to the Department, the Chairman of the Standard Review Committee shall furnish a written report in support of the committee's recommendation. Such report shall include a statement with respect to compliance with the requirements as established by these procedures, a discussion of the manner in which any

objections were resolved, and a discussion of any unresolved objections together with the committee's reasons for rejecting such unresolved objections.

**§ 10.6 Procedures for acceptance of a recommended standard.**

(a) Upon receipt from the Standard Review Committee of a recommended standard and report, the Department shall give appropriate public notice and distribute the recommended standard for acceptance unless:

(1) Upon a showing by any member of the committee who has voted to oppose the recommended standard on the basis of an unresolved objection, the Department determines that if such objection were not resolved, the recommended standard:

(i) Would be contrary to the public interest, if published;

(ii) Would be technically inadequate; or

(iii) Would be inconsistent with law or established public policy; or

(2) The Department determines that all criteria and procedures set forth herein have not been met satisfactorily or that there is a legal impediment to the recommended standard.

(b) Distribution for acceptance or rejection for the purpose of determining general concurrence will be made to a list compiled by the Department, which, in the judgment of the Department, shall be representative of producers, distributors, and users and consumers.

(c) Distribution for comment will be made to any party filing a written request with the Department, and to such other parties as the Department may deem appropriate, including testing laboratories and interested State and Federal agencies.

(d) The Department shall analyze the recommended standard and the responses received under paragraphs (b) and (c) of this section. If such analysis indicates that the recommended standard is supported by a consensus, it shall be published as a Voluntary Product Standard by the Department: Provided, That all other requirements listed in these procedures have been satisfied.

(e) The following definitions shall apply to the term used in this section:

(1) "Consensus" means general concurrence and, in addition, no substantive objection deemed valid by the Department.

(2) "General concurrence" means acceptance among those responding to the distribution made under paragraph (b) of this section in accordance with the conditions set forth in paragraph (f) of this section.

(3) "Substantive objection" means a documented objection based on grounds that one or more of the criteria set forth in these procedures has not been satisfied.

(4) "Average industry acceptance" means a percentage equal to the sum of the percentages of acceptance obtained from responses to distribution of the recommended standard in the producer segment, the distributor segment, and the user and consumer segment, divided by three. No consideration will be given to volume of production or volume of distribution in determining average industry acceptance.

(5) "Producer segment" means those persons who manufacture or produce the product covered by the standard.

(6) "Distributor segment" means those persons who distribute at wholesale or retail the product covered by the standard.

(7) "User and consumer segment" means those persons who use or consume the product covered by the standard.

(8) "Acceptance by volume of production" means the weighted percentage of acceptance of those responding to the distribution in the producer segment. The weighting of each response will be made in accordance with the volume of production represented by each respondent.

(9) "Acceptance by volume of distribution" means the weighted percentage of acceptance of those responding to the distribution in the distributor segment. The weighting of each response will be made in accordance with the volume of distribution represented by each respondent.

(f) A recommended standard shall be deemed to be supported by general concurrence whenever:

## § 10.7

(1) An analysis of the responses to the distribution under paragraph (b) of this section indicates:

(i) An average industry acceptance of not less than 75 percent;

(ii) Acceptance of not less than 70 percent by the producer segment, the distributor segment, and the user and consumer segment, each segment being considered separately; and

(iii) Acceptance by volume of production and acceptance by volume of distribution of not less than 70 percent in each case: *Provided*, That the Department shall disregard acceptance by volume of production or acceptance by volume of distribution or both unless, in the judgment of the Department, accurate figures for the volume of production or distribution are reasonably available and an evaluation of either or both of such acceptances is deemed necessary by the Department; or

(2) The Department determines that publication of the standard is appropriate under the procedures set forth in paragraph (g) of this section and, in addition, an analysis of the responses to the distribution under paragraph (b) of this section indicates:

(i) An average industry acceptance of not less than 66% percent;

(ii) Acceptance of not less than 60 percent by the producer segment, the distributor segment, and the user and consumer segment, each segment being considered separately; and

(iii) Acceptance by volume of production and acceptance by volume of distribution of not less than 60 percent in each case: *Provided*, That the Department shall disregard acceptance by volume of production or acceptance by volume of distribution or both unless, in the judgment of the Department, accurate figures for the volume of production or distribution are reasonably available and an evaluation of either or both of such acceptances is deemed necessary by the Department.

(g) A recommended standard which fails to achieve the acceptance requirements of paragraph (f)(1) of this section, but which satisfies the acceptance criteria of paragraph (f)(2) of this section, shall be returned to the Standard Review Committee for reconsideration. The committee, by the affirmative vote of not less than three-quarters of

## 15 CFR Subtitle A (1-1-07 Edition)

all members eligible to vote, may re-submit the recommended standard without change to the Department with a recommendation that the standard be published as a Voluntary Product Standard. The Department shall then conduct a public rulemaking hearing in accordance with the requirements of law as set forth in section 553 of Title 5, United States Code, to assist it in determining whether publication of the standard is in the public interest. If the Department determines that publication of the standard is in the public interest, the standard shall be published as a Voluntary Product Standard.

### § 10.7 Procedure when a recommended standard is not supported by a consensus.

If the Department determines that a recommended standard is not supported by a consensus, the Department may:

(a) Return the recommended standard to the Standard Review Committee for further action, with or without suggestions;

(b) Terminate the development of the recommended standard under these procedures; or

(c) Take such other action as it may deem necessary or appropriate under the circumstances.

### § 10.8 Standing Committee.

(a) The Department shall establish and appoint the members of a Standing Committee prior to the publication of a standard. The committee may include members from the Standard Review Committee, and shall consist of qualified representatives of producers, distributors, and users or consumers of the product covered by the standard, and representatives of appropriate general interest groups such as municipal, State, and Federal agencies. When requested by the Standing Committee, the Department shall appoint one voting member from among the representatives of the Federal agencies, other than the Department of Commerce. When requested by the Standing Committee for PS 20-70, "American Softwood Lumber Standard," the Department shall appoint two voting

members from among the representatives of the Federal agencies, other than the Department of Commerce. All other representatives of Federal agencies shall be advisory nonvoting members of Standing Committees. (Alternates to committee members may be designated by the Department.) When deemed appropriate by the Department, project funds under §10.2, may be made available to assure participation by consumer interests on the committee at required meetings.

(b) Appointments to a Standing Committee may not exceed a term of 5 years. However, the committee may be reconstituted by the Department whenever appropriate, and members may be reappointed by the Department to succeeding terms. Appointments to the committee will be terminated upon the withdrawal of the standard.

(c) The Department shall be responsible for the organization of the committee. Any formal operating procedures developed by the committee shall be subject to approval by the Department. The committee may conduct business either in a meeting or through correspondence, but only if a quorum participates. A quorum shall consist of two-thirds of all voting members of the committee. A majority of the voting members of the committee participating shall be required to approve any actions taken by the committee except for the approval of revisions of the standard which shall be governed by the provisions of §10.5 (b), (c), and (d).

(d) The members of a Standing Committee should be knowledgeable about:

(1) The product or products covered by the standard;

(2) The standard itself; and

(3) Industry and trade practices relating to the standard.

(e) The committee shall:

(1) Keep itself informed of any advancing technology that might affect the standard;

(2) Provide the Department with interpretations of provisions of the standard upon request;

(3) Make recommendations to the Department concerning the desirability or necessity of revising or amending the standard;

(4) Receive and consider proposals to revise or amend the standard; and

(5) Recommend to the Department the revision or amendment of a standard.

#### § 10.9 Publication of a standard.

A Voluntary Product Standard published by the department under these procedures shall be assigned an appropriate number for purposes of identification and reference. Public notice shall be given regarding the publication and identification of the standard. A voluntary standard by itself has no mandatory or legally binding effect. Any person may choose to use or not to use such a standard. Appropriate reference in contracts, codes, advertising, invoices, announcements, product labels, and the like may be made to a Voluntary Product Standard published under these procedures. Such reference shall be in accordance with such policies as the Department may establish, but no product may be advertised or represented in any manner which would imply or tend to imply approval or endorsement of that product by the Department or by the Federal Government.

#### § 10.10 Review of published standards.

(a) Each standard published under these or previous procedures shall be reviewed regularly to determine the feasibility of transferring sponsorship to a private standards-writing organization. While the Department encourages the development of standards to replace Voluntary Product Standards by private standards-writing organizations, withdrawal of a Voluntary Product Standard, which meets the requirements of §10.0(b), shall not be considered until a replacement standard is published.

(b) Each standard published under these or previous procedures shall be reviewed by the Department, with such assistance of the Standing Committee or others as may be deemed appropriate by the Department, within 5 years after initial issuance or last revision and at least every 5 years thereafter. The purpose of this review shall be to determine whether the standard has become obsolete, technically inadequate, no longer acceptable to or used by the industry, or inconsistent with law or established public policy.

## § 10.11

(c) If any of the above conditions is found to exist, the Department shall initiate action to amend, revise, or withdraw the standard in accordance with § 10.11 or § 10.13. If none is found to exist, the standard shall be kept in effect provided adequate funding is maintained.

### § 10.11 Revision or amendment of a standard.

(a) A published standard shall be subject to revision or amendment when it is determined to be inadequate by its Standing Committee or by the Department of one or more of the following reasons or for any other appropriate reasons:

(1) Any portion of the standard is obsolete, technically inadequate, or no longer generally acceptable to or used by the industry;

(2) The standard or any part of it is inconsistent with law or established public policy; or

(3) The standard or any part of it is being used to mislead users or consumers or is determined to be against the interest of users, consumers, or the public in general.

(b) A revision of a standard shall be considered by the Department to include changes which are comprehensive in nature, which have a substantive effect on the standards, which change the level of performance or safety or the design characteristics of the product being standardized, or which cannot reasonably be injected into a standard without disturbing the general applicability of the standard. Each suggestion for revision shall be submitted by the Department to the Standing Committee for appropriate consideration. The Standing Committee shall serve the same functions in the revision of a standard as the Standard Review Committee serves in the development of a new standard. The processing of a revision of a standard shall be dependent upon the age of the standard as computed from its effective date and shall be accomplished as follows:

(1) A proposed revision of a standard older than 5 years at the time such proposed revision is submitted to the Standing Committee by the Department shall be processed as a new stand-

## 15 CFR Subtitle A (1-1-07 Edition)

ard under these procedures and, when approved for publication, the standard shall be republished and reidentified to indicate the year in which the revision became effective. The revised standard shall supersede the previously published standard.

(2) A proposed revision of a standard less than 5 years at the time such proposed revision is submitted to the Standing Committee by the Department shall be processed as a new standard except that:

(i) Distribution for acceptance or rejection shall be made to an appropriate list of producers, distributors, and users and consumers compiled by the Department;

(ii) If the revision affects only one subsection of the requirement section and/or only one subsection of the test methods section, it may be circulated separately for determining consensus and subsequently published as an addendum to the standard with appropriate dissemination and public notice of the addendum; and

(iii) If the revision does not change the level of performance or safety or the design characteristics of the product being standardized, the standard need not be reidentified.

(c) An amendment to a standard shall be considered by the Department to be any non-editorial change which is not comprehensive in nature, which has no substantive effect on the standard, which does not change the level of performance or safety or the design characteristics of the product being standardized, and which reasonably can be injected into a standard without disturbing the general applicability of the standard. Each suggestion for amendment shall be submitted by the Department to the Standing Committee for appropriate consideration. An amendment to a standard recommended by not less than 90 percent of the members of the committee eligible to vote and found acceptable by the Department, shall be published as an addendum (until the standard is republished) and distributed to acceptors of record. Public notice of the amendment shall be given and copies of the amendment shall be distributed to those filing written requests.

**§ 10.12 Editorial changes.**

The Department may, without prior notice, make such editorial or other minor changes as it deems necessary to reduce ambiguity or to improve clarity in any proposed, recommended, or published standard, or revision or amendment thereof.

**§ 10.13 Withdrawal of a published standard.**

(a) Standards published under these and previous procedures may be withdrawn by the Director of the National Institute of Standards & Technology at any time. Such action will be taken if, after consultation with the Standing Committee as provided in paragraph (a)(1) of this section and after public notice, the Director determines that the standard is: Obsolete; technically inadequate; no longer generally acceptable to and used by the industry; inconsistent with law or established public policy; not in the public interest; or otherwise inappropriate; and revision or amendment is not feasible or would serve no useful purpose. Additionally, a standard may be withdrawn if it cannot be demonstrated that a particular standard has substantial public impact, that it does not duplicate a standard published by a private standards-writing organization, or that lack of government sponsorship would result in significant public disadvantage for legal reasons or for reasons of domestic and international trade. The Director may withdraw a standard if costs to maintain such a standard are not reimbursed by the proponent or other government agencies.

(1) Before withdrawing a standard published under these procedures, the Director will review the relative advantages and disadvantages of amendment, revision, development of a new standard, or withdrawal with the members of the Standing Committee, if such committee was appointed or reappointed within the previous five years.

(2) Public notice of intent to withdraw an existing standard published under these procedures shall be given and a 30-day period will be provided for the filing with the Director or written objections to the withdrawal. Such objections will be considered and ana-

lyzed by the Director before a determination is made to withdraw the standard. If the Director determines that a particular standard does not meet the criteria set out in §10.0(b), the standard will be withdrawn.

(b) The filing under paragraph (a) of this section of a request to retain a standard or standards shall operate to stay the withdrawal of such standard or standards until the Director's determination has been made. If the Director determines that the requested standard or standards shall be withdrawn, the stay will remain in effect, if an appeal is filed in accordance with the requirements of §10.14, until the decision of the Director is announced in the FEDERAL REGISTER. If, however, no appeal is received, the Director shall announce withdrawal of the particular standard or standards.

(c) Notice of the withdrawal action will be published in the FEDERAL REGISTER and such withdrawal will take effect 60 days from the date the withdrawal notice is published.

**§ 10.14 Appeals.**

(a) Any person directly affected by a procedural action taken by NIST or the Standard Review Committee under §§10.5, 10.6 or 10.7 regarding the development of a standard, by NIST or the Standing Committee under §10.10 regarding the review of a published standard, or under §10.11 regarding the revision of a standard, or under §10.13 regarding the withdrawal of a standard, may appeal such action.

(b) Such appeal shall be filed in written form with the body taking the action complained of (NIST, the Standard Review Committee, or the Standing Committee) within 30 days after the date of announcement of the action.

(c) If appeal is filed with the Standard Review Committee or the Standing Committee, the Committee shall attempt to resolve the appeal informally. If the appeal is filed with NIST, NIST with the consultation and advice of the Standard Review Committee or the Standing Committee, whichever is appropriate, shall attempt to resolve the appeal informally.

## § 10.15

(d) If the appeal is to the Standard Review Committee or the Standing Committee and the Committee is unable to resolve such an appeal informally, the Committee shall hold a hearing regarding the appeal. Announcement of the hearing shall be made to members of the Standard Review Committee or the Standing Committee and all the acceptors of record, when appropriate, as well as other known interests. Notice of the hearing shall be published in the FEDERAL REGISTER. The hearing will be an informal, nonadversary proceeding at which there will be no formal pleadings or adverse parties. Written statements will be furnished by witnesses prior to the hearing. A record of the hearing will be made. Copies of the written statements and the record of the hearing will be available at cost.

(e) Those members of the Committee hearing the appeal will develop a recommendation to the Committee concerning the resolution of the appeal. NIST will review the recommendation and if found acceptable will subject it to a letter ballot of the Committee. Approval by three-fourths of the members of the Committee eligible to vote will constitute acceptance by the Committee and by NIST. Notice of the Committee decision will be published in the FEDERAL REGISTER.

(f) If the appeal is to NIST and the attempt to resolve the appeal informally under paragraph (c) of this section is not successful, the Deputy Director of NIST will schedule a hearing with an appeals panel at an appropriate location. Announcement of the hearing shall be made to members of the Standard Review Committee or Standing Committee and all acceptors of record, when appropriate, as well as to other known interests. Notice of the hearing shall be published in the FEDERAL REGISTER.

(g) The Deputy Director of NIST will name two other persons, who have not been directly involved in the matter in dispute and who will not be directly or materially affected by any decision made or to be made in the dispute, to sit on the panel with the Deputy Director, who will act as presiding officer. The presiding officer will have the right to exercise such authority as nec-

essary to ensure the equitable and efficient conduct of the hearing and to maintain an orderly proceeding.

(h) The hearing will be an informal, nonadversary proceeding at which there will be no formal pleadings or adverse parties. The hearing will be open to the public. Witnesses shall submit a written presentation for the record seven days prior to the hearing. A record will be made of the hearing. Copies of the written statements and the record of the hearing will be available at cost.

(i) The appeals panel will make a recommendation to the Director of NIST. The Director's decision on the appeal will be announced within 60 days following the hearing and will be communicated to the complainant and other interested parties by letter. Notice of the Director's decision shall be published in the FEDERAL REGISTER.

### § 10.15 Interpretations.

(a) An interpretation of a Voluntary Product Standard may be obtained through the submission of a written request. The request shall identify the specific section of the standard involved.

(b) In the case of PS 20-70, the "American Softwood Lumber Standard," interpretations shall be made by the American Lumber Standards Committee (ALSC) under the procedures developed by the ALSC and found acceptable to NIST.

(c) In the case of the other Voluntary Product Standards, interpretations shall be made by the appropriate Standing Committees under procedures developed by those committees and found acceptable to NIST.

### § 10.16 Effect of procedures.

Nothing contained in these procedures shall be deemed to apply to the development, publication, revision, amendment, or withdrawal of any standard which is not identified as a "Voluntary Product Standard" by the Department. The authority of the Department with respect to engineering

standards activities generally, including the authority to publish appropriate recommendations not identified as “Voluntary Product Standards,” is not limited in any way by these procedures.

### **PART 12—FAIR PACKAGING AND LABELING**

Sec.

12.1 Introduction.

12.2 Undue proliferation.

12.3 Development of voluntary product standards.

12.4 Report to the Congress.

**AUTHORITY:** Secs. 5(d), 5(e), 80 Stat. 1298, 15 U.S.C. 1454; sec. 3, Dept. Order 177 (31 FR 6746), as amended (32 FR 3110).

**SOURCE:** 32 FR 11074, July 29, 1967, unless otherwise noted.

#### **§ 12.1 Introduction.**

(a) These procedures apply to the discharge of the responsibility given to the Secretary of Commerce by sections 5(d) and 5(e) of the Fair Packaging and Labeling Act (Pub. L. 89-755, 80 Stat.

1299), hereinafter called the “Act”. The word “Secretary”, as used hereinafter, shall refer to the Secretary of Commerce or his authorized delegate.

(b) The Secretary does not have the responsibility or the authority under the Act to issue any regulations governing the packaging or labeling practices of private industry.

(c) The Secretary does have the responsibility and authority to:

(1) Determine whether the reasonable ability of consumers to make value comparisons with respect to any consumer commodity or reasonably comparable consumer commodities is impaired by undue proliferation of the weights, measures, or quantities in which such commodity or commodities are being distributed in packages for sale at retail.

(2) Request manufacturers, packers, and distributors, where a determination of undue proliferation has been made, to participate in the development of a voluntary product standard under the procedures governing the Department's voluntary standards program.

(3) Report to Congress with a recommendation as to whether legislation providing regulatory authority should be enacted, when after 1 year following the date private industry has been requested to participate in the development of a voluntary product standard it is determined that such a standard will not be published, or when following the publication of such a standard it is determined that the standard has not been observed.

(d) The Act does not furnish a detailed, definitive explanation of “undue proliferation”. It does, however, point out that the condition of “undue proliferation” must be one which “impairs the reasonable ability of consumers to make value comparisons” with respect to consumer commodities. Generally, therefore, the Department will determine “undue proliferation” on a case-by-case basis, and, accordingly, is establishing by these procedures an orderly process for such determinations.

(e) As used hereinafter the term “undue proliferation” shall refer to such undue proliferation—of the weights, measures or quantities in

## § 12.2

which any consumer commodity or reasonably comparable consumer commodities are being distributed for sale at retail—as impairs the reasonable ability of consumers to make value comparisons with respect to such consumer commodity or commodities, as set out in section 5(d) of the Act.

### § 12.2 Undue proliferation.

(a) *Information as to possible undue proliferation.* Any person or group, including a State or local governmental entity, is invited to communicate information to the Secretary concerning the possible existence of undue proliferation. Such communications should be in writing and include supporting information and explanations.

(b) *Initiation of inquiry as to undue proliferation.* Upon receipt of information regarding the possible existence of undue proliferation, the Secretary will determine whether there has been a showing of good cause warranting an inquiry. If the Secretary determines that good cause exists, he shall initiate an inquiry for the purpose of finding facts concerning the existence of undue proliferation.

(c) *Procedures for inquiry—(1) Cooperation with State and local officials.* Any inquiry initiated under paragraph (b) of this section may be conducted in cooperation with State and local weights and measures officials.

(2) *Participation by interested persons.* The Secretary may, during the course of the inquiry, afford interested persons or groups an opportunity to submit in writing comments, data, arguments, views, or other information relevant to the inquiry.

(d) *Proposed determination as to existence of undue proliferation.* (1) If, after consideration of all relevant information, the Secretary concludes that undue proliferation appears to exist, he shall publish a proposed determination to this effect. The proposed determination shall identify the particular consumer commodity or commodities involved and shall be accompanied by a concise statement of the facts upon which it is based.

(2) Within 60 days after publication of the proposed determination, any interested party may submit in writing comments, data, arguments, views, or

## 15 CFR Subtitle A (1–1–07 Edition)

other information relevant to the proposed determination. All written submissions shall be made a part of the public record.

(3) Within 30 days after the proposed determination has been published, any interested party may request in writing an oral hearing to present his views. The granting of such a hearing shall be at the discretion of the Secretary. Any such hearing shall be public and notice thereof shall be published at least 15 days in advance. A transcript of the hearing shall be made part of the public record.

(e) *Final determination as to undue proliferation.* As soon as practicable following the conclusion of the proceedings described in paragraph (d) of this section, the Secretary shall either publish a final determination of undue proliferation, or he shall publish a notice withdrawing his proposed determination of undue proliferation. In no event shall the withdrawal of a proposed determination operate to preclude the initiation of another inquiry regarding the same or similar subject matter under paragraph (b) of this section.

### § 12.3 Development of voluntary product standards.

(a) *Invitation to participate in the development of a voluntary product standard.* Whenever the Secretary publishes a final determination of undue proliferation under § 12.2(e), he shall invite manufacturers, packers, and distributors of the commodity or commodities involved to participate in the development of a voluntary product standard in accordance with the terms of the Act and the Department's published procedures for voluntary product standards. The term "Voluntary Product Standard" as used in this section means a standard for weights, measures or quantities in which the commodity or commodities are being distributed in packages for sale at retail.

(b) *Determination that voluntary product standard will not be published.* (1) If a voluntary product standard has not been developed within one year from the date on which participation was invited, the Secretary may conclude that a voluntary product standard will not likely be published. Upon reaching

such a conclusion, the Secretary will publish a proposed determination that a voluntary product standard will not be published.

(2) Within 60 days after publication of the proposed determination, any interested party may submit in writing comments, data, arguments, views, or other information relevant to the proposed determination. All written submissions shall be made a part of the public record.

(3) Within 30 days after the proposed determination has been published, any interested party may request in writing an oral hearing to present his views. The granting of such a hearing shall be at the discretion of the Secretary. Any such hearing shall be public and notice thereof shall be published at least 15 days in advance. A transcript of the hearing shall be made part of the public record.

(4) As soon as practicable following the conclusion of the proceedings described in paragraphs (b)(2) and (3) of this section, the Secretary shall either publish a final determination that a voluntary product standard will not be published, or he shall publish a notice withdrawing his proposed determination under paragraph (b)(1) of this section. In no event shall the withdrawal of a proposed determination operate to preclude the publication of another proposed determination under paragraph (b)(1) of this section with respect to the same or similar subject matter.

(c) *Determination that a published voluntary product standard has not been observed.* (1) Whenever the Secretary has reason to believe that a voluntary product standard published under these procedures is not being observed he shall initiate an inquiry to determine such fact.

(2) If, on the basis of the information developed during the inquiry, the Secretary concludes that the voluntary product standard is not being observed, he shall publish a proposed determination to this effect. The proposed determination shall identify the particular standard involved and shall be accompanied by a concise statement of the facts upon which it is based.

(3) Within 60 days after publication of the proposed determination, any interested party may submit in writing

comments, data, arguments, views, or other information relevant to the proposed determination. All written submissions shall be made a part of the public record.

(4) Within 30 days after the proposed determination has been published, any interested party may request in writing an oral hearing to present his views. The granting of such a hearing shall be at the discretion of the Secretary. Any such hearing shall be public and notice thereof shall be published at least 15 days in advance. A transcript of the hearing shall be made part of the public record.

(5) As soon as practicable following the conclusion of the proceedings described in paragraphs (c)(3) and (4) of this section, and upon consideration of all relevant information, the Secretary shall either publish a final determination that the voluntary product standard is not being observed, or he shall publish a notice withdrawing his proposed determination under paragraph (c)(2) of this section. In no event shall the withdrawal of a proposed determination operate to preclude the initiation of another inquiry regarding the same standard under paragraph (c)(1) of this section.

#### § 12.4 Report to the Congress.

Whenever the Secretary publishes a final determination under § 12.3(b)(4) or § 12.3(c)(5), he shall promptly report such determination to the Congress with a statement of the efforts that have been made under the voluntary standards program and his recommendation as to whether Congress should enact legislation providing regulatory authority to deal with the situation in question.

(1) Uses the state process to determine official views of state and local elected officials;

(2) Communicates with state and local elected officials as early in a program planning cycle as is reasonably feasible to explain specific plans and actions;

(1) Uses the state process to determine views of state and local elected officials; and,

(2) Communicates with state and local elected officials, through the state process, as early in a program planning cycle as is reasonably feasible to explain specific plans and actions.

(b) The Secretary provides notice to directly affected state, areawide, regional, and local entities in a state of proposed Federal financial assistance or direct Federal development if:

(1) The state has not adopted a process under the Order; or

(2) The assistance or development involves a program or activity not selected for the state process. This notice may be made by publication in the FEDERAL REGISTER or other appropriate means, which the Department in its discretion deems appropriate.

**§ 13.8 Opportunity to comment on proposed Federal financial assistance and direct Federal development.**

(a) Except in unusual circumstances, the Secretary gives state processes or directly affected state, areawide, regional and local officials and entities at least:

(1) 30 days from the date established by the Secretary to comment on proposed Federal financial assistance in the form of noncompeting continuation awards; and

(2) 60 days from the date established by the Secretary to comment on proposed direct Federal development or Federal financial assistance other than noncompeting continuation awards.

(b) This section also applies to comments in cases in which the review, coordination, and communication with the Department have been delegated.

(c) Applicants for programs and activities subject to section 204 of the Demonstration Cities and Metropolitan Act shall allow areawide agencies a 60-day opportunity for review and comment.

## § 13.9

### § 13.9 Receipt of and response to comments.

(a) The Secretary follows the procedures in § 13.10 if:

(1) A state office or official is designated to act as a single point of contact between a state process and all Federal agencies; and

(2) That office or official transmits a state process recommendation for a program selected under § 13.6.

(b)(1) The single point of contact is not obligated to transmit comments from state, areawide, regional or local officials and entities where there is no state process recommendation.

(2) If a state process recommendation is transmitted by a single point of contact, all comments from state, areawide, regional, and local officials and entities that differ from it must also be transmitted.

(c) If a state has not established a process, or is unable to submit a state process recommendation, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Department.

(d) If a program or activity is not selected for a state process, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Department. In addition, if a state process recommendation for a nonselected program or activity is transmitted to the Department by the single point of contact, the Secretary follows the procedures of § 13.10 of this part.

(e) The Secretary considers comments which do not constitute a state process recommendation submitted under these regulations and for which the Secretary is not required to apply the procedures of § 13.10 of this part, when such comments are provided by a single point of contact, by the applicant, or directly to the Department by a commenting party.

### § 13.10 Accommodation of intergovernmental concerns.

(a) If a state process provides a state process recommendation to the Department through its single point of contact, the Secretary either:

(1) Accepts the recommendation;

## 15 CFR Subtitle A (1-1-07 Edition)

(2) Reaches a mutually agreeable solution with the state process; or

(3) Provides the single point of contact with a written explanation of the decision in such form as the Secretary in his or her discretion deems appropriate. The Secretary may also supplement the written explanation by providing the explanation to the single point of contact by telephone, other telecommunication, or other means.

(b) In any explanation under paragraph (a)(3) of this section, the Secretary informs the single point of contact that:

(1) The Department will not implement its decision for at least ten days after the single point of contact receives the explanation; or

(2) The Secretary has reviewed the decision and determined that, because of unusual circumstances, the waiting period of at least ten days is not feasible.

(c) For purposes of computing the waiting period under paragraph (b)(1) of this section, a single point of contact is presumed to have received written notification 5 days after the date of mailing of such notification.

### § 13.11 Obligations in interstate situations.

(a) The Secretary is responsible for:

(1) Identifying proposed Federal financial assistance and direct Federal development that have an impact on interstate areas;

(2) Notifying appropriate officials and entities in states which have adopted a process and which select the Department's program or activity.

**§ 14.1 Purpose.**

This part establishes uniform administrative requirements for Department of Commerce (DoC) grants and agreements awarded to institutions of higher education, hospitals, other non-profit, and commercial organizations. The Grants Officer shall incorporate this part by reference into financial assistance awards made to organizations to which it will be applied. The DoC shall not impose additional or inconsistent requirements, except as provided in §§14.4, and 14.14 or unless specifically required by Federal statute or executive order. This part applies to grants and agreements awarded to foreign governments, organizations under the jurisdiction of foreign governments, and international organizations unless

otherwise determined by the Grants Officer after coordination with the appropriate program officials. Uniform requirements for State, local, and tribal governments are in 15 CFR part 24, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments. Non-profit organizations that implement Federal programs for the States are also subject to State requirements.

### § 14.2 Definitions.

(a) *Accrued expenditures* means the charges incurred by the recipient during a given period requiring the provision of funds for:

(1) Goods and other tangible property received;

(b) *Accrued income* means the sum of:

(1) Earnings during a given period from services performed by the recipient, and goods and other tangible property delivered to purchasers; and

(2) Amounts becoming owed to the recipient for which no current services or performance is required by the recipient.

(c) *Acquisition cost of equipment* means the net invoice price of the equipment, including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges, such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the recipient's regular accounting practices.

(d) *Advance* means a payment made by electronic funds transfer, Treasury check, or other appropriate payment mechanism to a recipient upon its request either before outlays are made by the recipient or through the use of predetermined payment schedules.

oping and implementing policies, standards, and procedures for the administration of financial assistance programs of the DoC.

(f) *Award* means financial assistance that provides support or stimulation to accomplish a public purpose. Awards include grants and other agreements in the form of money or property in lieu of money, by the Federal Government to an eligible recipient. The term does not include: technical assistance, which provides services instead of money; other assistance in the form of loans, loan guarantees, interest subsidies, or insurance; direct payments of any kind to individuals; and, contracts which are required to be entered into and administered under procurement laws and regulations.

(g) *Cash contributions* means the recipient's cash outlay, including the outlay of money contributed to the recipient by third parties.

(h) *Closeout* means the process by which the Grants Officer determines that all applicable administrative actions and all required work of the award have been completed by the recipient and the DoC.

(i) *Contract* means a procurement contract under an award or subaward, and a procurement subcontract under a recipient's or subrecipient's contract.

(j) *Cost sharing or matching* means that portion of project or program costs not borne by the Federal Government.

(k) *Date of completion* means the date on which all work under an award is completed or the date on the award document, or any supplement or amendment thereto, on which Federal sponsorship ends.

(n) *Equipment* means tangible non-expendable personal property including exempt property charged directly to the award having a useful life of more than one year and an acquisition cost

(p) *Exempt property* means tangible personal property acquired in whole or in part with Federal funds, where the DoC has statutory authority to vest title in the recipient without further obligation to the Federal Government. An example of exempt property authority is contained in the Federal Grant and Cooperative Agreement Act (31 U.S.C. 6306), for property acquired under an award to conduct basic or applied research by a non-profit institution of higher education or non-profit organization whose principal purpose is conducting scientific research.

(q) *Federal awarding agency* means the Federal agency that provides an award to the recipient.

(r) *Federal funds authorized* means the total amount of Federal funds obligated by the Federal Government for use by the recipient. (x) *Outlays or expenditures* means charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense charged, the value of third party in-kind contributions applied and the amount of cash advances and payments made to subrecipients. For reports prepared on an accrual basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase (or decrease) in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subrecipients and other payees and other amounts becoming owed under programs for which no current services or performance are required.

(y) *Personal property* means property of any kind except real property. It may be tangible, having physical existence, or intangible, having no physical existence, such as copyrights, patents, or securities.

(ff) *Recipient* means an organization receiving financial assistance directly from the DoC to carry out a project or program. The term includes public and private institutions of higher education, public and private hospitals, and other quasi-public and private non-profit organizations such as, but not limited to, community action agencies, research institutes, educational associations, and health centers. The term may include commercial organizations, foreign or international organizations (such as agencies of the United Nations) which are recipients, subrecipients, or contractors or subcontractors of recipients or subrecipients at the discretion of the DoC. (ii) *Subaward* means an award of financial assistance in the form of money, or property in lieu of money, made under an award by a recipient to an eligible subrecipient or by a subrecipient to a lower tier subrecipient. The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement of goods and services nor does it include any form of assistance which is excluded from the definition of "award" in paragraph (f) of this section.

(jj) *Subrecipient* means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided. The term may include foreign or international organizations (such as agencies of the United Nations) at the discretion of the DoC.

(ll) *Suspension* means an action taken by the Grants Officer after coordination with the DoC operating unit that

(pp) *Unobligated balance* means the portion of the funds authorized by the DoC that has not been obligated by the recipient and is determined by deducting the cumulative obligations from the cumulative funds authorized.

(qq) *Unrecovered indirect cost* means the difference between the amount awarded and the amount which could have been awarded under the recipient's approved negotiated indirect cost rate.

(rr) *Working capital advance* means a procedure whereby funds are advanced to the recipient to cover its estimated disbursement needs for a given initial period.

#### § 14.3 Effect on other issuances.

For awards subject to this part, all administrative requirements of codified program regulations, program manuals, handbooks and other non-regulatory materials which are inconsistent with the requirements of this part shall be superseded, except to the

extent they are required by statute, or authorized in accordance with the deviations provision in § 14.4.

#### § 14.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this part when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this part shall be permitted only in unusual circumstances. The Assistant Secretary may apply more restrictive requirements to a class of recipients when approved by OMB. The Assistant Secretary may apply less restrictive requirements when awarding small awards, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by the Assistant Secretary. An exception made on a case-by-case basis will apply to a single award.

#### § 14.5 Subawards.

Unless sections of this part specifically exclude subrecipients from coverage, the provisions of this part shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals, other non-profit, or commercial organizations. This part also applies to subrecipients performing work under awards if the subrecipients are foreign governments, organizations under the jurisdiction of foreign governments, and international organizations unless otherwise determined by the Grants Officer. State and local government subrecipients are subject to the provisions of regulations implementing the grants management common rule, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments," (15 CFR part 24).

#### § 14.6 Availability of OMB circulars.

OMB circulars cited in this part are available from the Office of Management and Budget (OMB) by writing to the Executive Office of the President, Publications Service, 725 17th Street, NW, Suite 200, Washington DC 20503.

**Subpart B—Pre-Award Requirements**

**§ 14.10 Purpose.**

Sections 14.11 through 14.18 prescribe forms and instructions and other pre-award matters to be used in applying for Federal awards.

**§ 14.11 Pre-award policies.**

(a) *Use of grants and cooperative agreements, and contracts.* In each instance, the Grants Officer after coordination with the DoC operating unit shall decide on the appropriate award instrument (*i.e.*, grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301-08) governs the use of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, “substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement.” Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(b) *Public notice and priority setting.* The DoC operating units shall notify the public of their intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute. At a minimum, public notices shall be published in the FEDERAL REGISTER.

**§ 14.12 Forms for applying for Federal assistance.**

(a) The DoC operating units shall comply with the applicable report clearance requirements of 5 CFR part 1320, “Controlling Paperwork Burdens on the Public,” with regard to all forms used by the DoC operating units in place of or as a supplement to the Standard Form 424 (SF-424) series.

(b) Applicants shall use the SF-424 series or those forms and instructions prescribed by the DoC.

(c) For Federal programs covered by E.O. 12372, “Intergovernmental Review of Federal Programs,” the applicant shall complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the DoC or the *Catalog of Federal Domestic Assistance*. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

(d) DoC operating units that do not use the SF-424 form should indicate whether the application is subject to review by the State under E.O. 12372.

**§ 14.13 Debarment and suspension.**

The DoC and recipients shall comply with the nonprocurement debarment and suspension common rule implementing E.O.s 12549 and 12689, “Debarment and Suspension,” which is implemented by DoC at 15 CFR part 26. This common rule restricts subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

EFFECTIVE DATE NOTE: At 71 FR 76575, Dec. 21, 2006, §14.13 was amended by removing the citation “15 CFR part 26” and adding in its place the citation “2 CFR part 1326,” effective Jan. 22, 2007.

**§ 14.14 High risk special award conditions.**

If an applicant or recipient: has a history of poor performance, is not financially stable, has a management system that does not meet the standards prescribed in this part, has not conformed to the terms and conditions of a previous award, or is not otherwise responsible, the Grants Officer may impose additional requirements as needed, provided that such applicant or recipient is notified in writing as to: the nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of the corrective action needed, the time allowed for completing the corrective actions, and the method for requesting

reconsideration of the additional requirements imposed. Any special conditions shall be promptly removed once the conditions that prompted them have been corrected.

**§ 14.15 Metric system of measurement.**

The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act (15 U.S.C. 205) declares that the metric system is the preferred measurement system for U.S. trade and commerce. The Act requires each Federal agency to establish a date or dates in consultation with the Secretary of Commerce, when the metric system of measurement will be used in the agency's procurements, grants, and other business-related activities. Metric implementation may take longer where the use of the system is initially impractical or likely to cause significant inefficiencies in the accomplishment of federally-funded activities. The DoC shall follow the provisions of E.O. 12770, "Metric Usage in Federal Government Programs."

**§ 14.16 Resource Conservation and Recovery Act (RCRA).**

Under RCRA (Pub. L. 94-580, 42 U.S.C. 6962), any State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with section 6002. Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by the Environmental Protection Agency (EPA) (40 CFR parts 247-254). Accordingly, State and local institutions of higher education, hospitals, non-profit, and commercial organizations that receive direct Federal awards or other Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.

**§ 14.17 Certifications and representations.**

Unless prohibited by statute or codified regulation, Grants Officers may allow recipients to submit certifications and representations required by statute, executive order, or regulation on an annual basis, if the recipi-

ents have ongoing and continuing relationships with the agency. When authorized, annual certifications and representations shall be signed by responsible officials with the authority to ensure recipients' compliance with the pertinent requirements.

**§ 14.18 Taxpayer identification number.**

In accordance with the provisions of the Debt Collection Improvement Act of 1996 (31 U.S.C. 7701), the taxpayer identifying number will be required from applicants for grants and cooperative agreements funded by the DoC. This number may be used for purposes of collecting and reporting on any delinquent amounts arising from awards made under this part.

**Subpart C—Post-Award Requirements**

FINANCIAL AND PROGRAM MANAGEMENT

**§ 14.20 Purpose of financial and program management.**

Sections 14.21 through 14.28 prescribe standards for financial management systems, methods for making payments and rules for: satisfying cost sharing and matching requirements, accounting for program income, budget revision approvals, conducting audits, determining allowability of cost, and establishing fund availability.

**§ 14.21 Standards for financial management systems.**

(a) The Grants Officer shall require recipients to relate financial data to performance data and develop unit cost information whenever practical.

(b) Recipients' financial management systems shall provide for the following:

(1) Accurate, current and complete disclosure of the financial results of each federally-sponsored project or program in accordance with the reporting requirements set forth in § 14.52. If the Grants Officer requires reporting on an accrual basis from a recipient that maintains its records on other than an accrual basis, the recipient shall not be required to establish an accrual accounting system. These recipients may develop such accrual data for

## § 14.22

its reports on the basis of an analysis of the documentation on hand.

(2) Records that identify adequately the source and application of funds for federally-sponsored activities. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

(3) Effective control over and accountability for all funds, property and other assets. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

(4) Comparison of outlays with budget amounts for each award. Whenever appropriate, financial information should be related to performance and unit cost data.

(5) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101-453) govern, payment methods of State agencies, instrumentalities, and fiscal agents shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205, "Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs."

(6) Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.

(7) Accounting records including cost accounting records that are supported by source documentation.

(c) Where the DoC guarantees or insures the repayment of money borrowed by the recipient, the Grants Officer may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(d) The Grants Officer may require adequate fidelity bond coverage where the recipient lacks sufficient coverage

## 15 CFR Subtitle A (1-1-07 Edition)

to protect the Federal Government's interest.

(e) Where bonds are required in the situations described above, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, "Surety Companies Doing Business with the United States."

### § 14.22 Payment.

(a) Payment methods shall minimize the time elapsing between the transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payment by other means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with Treasury-State CMIA agreements or default procedures codified at 31 CFR part 205. Federal payments to recipients shall be made by electronic funds transfer in accordance with the Debt Collection Improvement Act of 1996, unless waived in accordance with the provisions of this Act.

(b) Recipients are to be paid in advance, provided they maintain or demonstrate the willingness to maintain: written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient, and financial management systems that meet the standards for fund control and accountability as established in §14.21. Advances of funds to a recipient organization shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out the purpose of the approved program or project. The timing and amount of advances of funds shall be as close as is administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

(c) Whenever possible, advances may be consolidated to cover anticipated cash needs for all awards made by the DoC operating unit to the recipient.

(1) Advance payment mechanisms include, but are not limited to, electronic funds transfer and Treasury check when the electronic funds transfer requirement is waived.

(2) Advance payment mechanisms are subject to 31 CFR part 205.

(3) Recipients may submit requests for advances and reimbursements on a monthly basis.

(d) Requests for advance payment shall be submitted on SF-270, "Request for Advance or Reimbursement," or other forms as may be authorized by OMB. This form is not to be used when advance payments are made to the recipient automatically through the use of a predetermined payment schedule or if precluded by special DoC instructions for electronic funds transfer.

(e) Reimbursement is the preferred method when the requirements in paragraph (b) of this section cannot be met. The Grants Officer may also use this method on any construction agreement, or if the major portion of the construction project is accomplished through private market financing or Federal loans, and the Federal assistance constitutes a minor portion of the project.

(1) When the reimbursement method is used, the DoC shall make payment within 30 days after receipt of the billing, unless the billing is improper.

(2) Recipients are authorized to submit request for reimbursement at least monthly when electronic funds transfers are not used.

(f) If a recipient cannot meet the criteria for advance payments and the Grants Officer after coordination with the operating unit has determined that reimbursement is not feasible because the recipient lacks sufficient working capital, the Grants Officer may authorize payment on a working capital advance basis. Under this procedure, the Grants Officer shall provide for advancing funds to the recipient to cover its estimated disbursement needs for an initial period generally geared to the awardee's disbursing cycle. Thereafter, payments shall be provided by reimbursing the recipient for its actual cash disbursements. The working capital advance method of payment shall not be used for recipients unwilling or unable to provide timely advances to their subrecipient to meet the subrecipient's actual cash disbursements.

(g) To the extent available, recipients shall disburse funds available from repayments to and interest earned on a

revolving fund, program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional payments.

(h) Unless otherwise required by statute, Grants Officers shall not withhold payments for proper charges made by recipients at any time during the project period unless paragraph (h) (1) or (2) of this section apply.

(1) A recipient has failed to comply with the project objectives, the terms and conditions of the award, or Federal reporting requirements.

(2) The recipient or subrecipient is delinquent in a debt to the United States as defined in OMB Circular A-129, "Managing Federal Credit Programs." Under such conditions, the Grants Officer may, upon reasonable notice, inform the recipient that payments shall not be made for obligations incurred after a specified date until the conditions are corrected or the indebtedness to the Federal Government is liquidated.

(i) Standards governing the use of banks and other institutions as depositories of funds advanced under awards are as follows.

(1) Except for situations described in paragraph (i)(2) of this section, the DoC shall not require separate depository accounts for funds provided to a recipient or establish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Advances of Federal funds shall be deposited and maintained in insured accounts whenever possible.

(j) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients shall be encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(k) Recipients shall maintain advances of Federal funds in interest bearing accounts, unless paragraph (k) (1), (2) or (3) of this section apply.

(1) The recipient receives less than \$120,000 in Federal awards per year.

## § 14.23

(2) The best reasonably available interest bearing account would not be expected to earn interest in excess of \$250 per year on Federal cash balances.

(3) The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.

(1) For those entities where CMIA and its implementing regulations do not apply, interest earned on Federal advances deposited in interest bearing accounts shall be remitted annually to Department of Health and Human Services, Payment Management System, Rockville, MD 20852. Interest amounts up to \$250 per year may be retained by the recipient for administrative expense. State universities and hospitals shall comply with CMIA, as it pertains to interest. If an entity subject to CMIA uses its own funds to pay pre-award costs for discretionary awards without prior written approval from the Grants Officer, it waives its right to recover the interest under CMIA.

(m) Except as noted elsewhere in this part, only the following forms shall be authorized for the recipients in requesting advances and reimbursements. Grants Officers shall not require more than an original and two copies of these forms.

(1) SF-270, Request for Advance or Reimbursement. DoC has adopted the SF-270 as a standard form for all non-construction programs when predetermined advance methods are not used. The Grants Officer, however, may waive the requirement to use the SF-270 for requesting funds under grants and cooperative agreements. Grants Officers have the option of using this form for construction programs in lieu of the SF-271, "Outlay Report and Request for Reimbursement for Construction Programs."

(2) SF-271, Outlay Report and Request for Reimbursement for Construction Programs. DoC has adopted the SF-271 as the standard form to be used for requesting reimbursement for construction programs. However, the Grants Officer may substitute the SF-270 when the Grants Officer determines that the SF-270 provides adequate information to meet Federal needs.

## 15 CFR Subtitle A (1-1-07 Edition)

### § 14.23 Cost sharing or matching.

(a) All contributions, including cash and third party in-kind, shall be accepted as part of the recipient's cost sharing or matching when such contributions meet all of the following criteria:

(1) Are verifiable from the recipient's records.

(2) Are not included as contributions for any other federally assisted project or program.

(3) Are necessary and reasonable for proper and efficient accomplishment of project or program objectives.

(4) Are allowable under the applicable cost principles.

(5) Are not paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or matching.

(6) Are provided for in the approved budget.

(7) Conform to other provisions of this part, as applicable.

(b) Unrecovered indirect costs may be included as part of cost sharing or matching only with the prior approval of the Grants Officer.

(c) Values for recipient contributions of services and property shall be established in accordance with the applicable cost principles. If DoC authorizes recipients to donate buildings or land for construction/facilities acquisition projects or long-term use, the value of the donated property for cost sharing or matching shall be the lesser of paragraph (c) (1) or (2).

(1) The certified value of the remaining life of the property recorded in the recipient's accounting records at the time of donation.

(2) The current fair market value. However, when there is sufficient justification, the Grants Officer may approve the use of the current fair market value of the donated property, even if it exceeds the certified value at the time of donation to the project.

(d) Volunteer services furnished by professional and technical personnel, consultants, and other skilled and unskilled labor may be counted as cost sharing or matching if the service is an integral and necessary part of an approved project or program. Rates for volunteer services shall be consistent with those paid for similar work in the

recipient's organization. In those instances in which the required skills are not found in the recipient organization, rates shall be consistent with those paid for similar work in the labor market in which the recipient competes for the kind of services involved. In either case, paid fringe benefits that are reasonable, allowable, and allocable may be included in the valuation.

(e) When an employer other than the recipient furnishes the services of an employee, these services shall be valued at the employee's regular rate of pay (plus an amount of fringe benefits that are reasonable, allowable, and allocable, but exclusive of overhead costs), provided these services are in the same skill for which the employee is normally paid.

(f) Donated supplies may include such items as expendable equipment, office supplies, laboratory supplies or workshop and classroom supplies. Value assessed to donated supplies included in the cost sharing or matching share shall be reasonable and shall not exceed the fair market value of the property at the time of the donation.

(g) The method used for determining cost sharing or matching for donated equipment, buildings and land for which title passes to the recipient may differ according to the purpose of the award, if paragraph (g) (1) or (2) of this section applies.

(1) If the purpose of the award is to assist the recipient in the acquisition of equipment, buildings or land, the total value of the donated property may be claimed as cost sharing or matching.

(2) If the purpose of the award is to support activities that require the use of equipment, buildings or land, normally only depreciation or use charges for equipment and buildings may be made. However, the full value of equipment or other capital assets and fair rental charges for land may be allowed, provided that the Grants Officer has approved the charges.

(h) The value of donated property shall be determined in accordance with the usual accounting policies of the recipient, with the following qualifications:

(1) The value of donated land and buildings shall not exceed its fair mar-

ket value at the time of donation to the recipient as established by an independent appraiser (e.g., certified real property appraiser or General Services Administration representative) and certified by a responsible official of the recipient.

(2) The value of donated equipment shall not exceed the fair market value of equipment of the same age and condition at the time of donation.

(3) The value of donated space shall not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately-owned building in the same locality.

(4) The value of loaned equipment shall not exceed its fair rental value.

(5) The following requirements pertain to the recipient's supporting records for in-kind contributions from third parties:

(i) Volunteer services shall be documented and, to the extent feasible, supported by the same methods used by the recipient for its own employees.

(ii) The basis for determining the valuation for personal service, material, equipment, buildings and land shall be documented.

#### § 14.24 Program income.

(a) The standards set forth in this section shall apply in requiring recipient organizations to account for program income related to projects financed in whole or in part with Federal funds.

(b) Except as provided in paragraph (h) of this section, program income earned during the project period shall be retained by the recipient and, in accordance with DoC regulations or the terms and conditions of the award, shall be used in one or more of the ways listed in the following:

(1) Added to funds committed to the project by the DoC and recipient and used to further eligible project objectives.

(2) Used to finance the non-Federal share of the project.

(3) Deducted from the total project allowable cost in determining the net allowable costs on which the Federal share of costs is based.

## § 14.25

(c) When an agency authorizes the disposition of program income as described in paragraph (b)(1) or (b)(2) of this section, program income in excess of any limits stipulated shall be used in accordance with paragraph (b)(3) of this section.

(d) In the event that the DoC does not specify in its regulations or the terms and conditions of the award how program income is to be used, paragraph (b)(1) of this section shall apply automatically to all projects or programs.

(e) Unless DoC regulations or the terms and conditions of the award provide otherwise, recipients shall have no obligation to the Federal Government regarding program income earned after the end of the project period.

(f) Costs incident to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the award.

(g) Proceeds from the sale of property shall be handled in accordance with the requirements of the Property Standards (See §§14.30 through 14.37).

(h) Unless DoC regulations or the terms and conditions of the award provide otherwise, recipients shall have no obligation to the Federal Government with respect to program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions produced under an award. However, Patent and Trademark Amendments (35 U.S.C. 18) apply to inventions made under an experimental, developmental, or research award.

### **§14.25 Revision of budget and program plans.**

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon DoC requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

## 15 CFR Subtitle A (1-1-07 Edition)

(c) For nonconstruction awards, recipients shall request prior approvals from the Grants Officer for one or more of the following program or budget related reasons. Approvals will be provided in writing by the Grants Officer.

(1) Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

(2) Change in a key person specified in the application or award document.

(3) The absence for more than three months, or a 25 percent reduction in time devoted to the project, by the approved project director or principal investigator.

(4) The need for additional Federal funding.

(5) The transfer of amounts budgeted for indirect costs to absorb increases in direct costs, or vice versa, if approval is required by the DoC.

(6) The inclusion, unless waived by the DoC, of costs that require prior approval in accordance with OMB Circular A-21, "Cost Principles for Educational Institutions," OMB Circular A-122, "Cost Principles for Non-Profit Organizations," 45 CFR part 74 Appendix E, "Principles for Determining Costs Applicable to Research and Development under Grants and Contracts with Hospitals," or 48 CFR part 31, "Contract Cost Principles and Procedures," as applicable.

(7) The transfer of funds allotted for training allowances (direct payment to trainees) to other categories of expense.

(8) Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(d) For nonconstruction awards, no other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(e) Except for requirements listed in paragraphs (c)(1) and (c)(4) of this section, the Grants Officer may waive cost-related and administrative prior written approvals required by this part and OMB Circulars A-21 and A-122. Such waivers may include authorizing

recipients to do any one or more of the following:

(1) Incur pre-award costs 90 calendar days prior to award or more than 90 calendar days with the prior approval of the Grants Officer after coordination with the DoC operating unit. All pre-award costs are incurred at the recipient's risk (*i.e.*, the DoC is under no obligation to reimburse such costs if for any reason the recipient does not receive an award or if the award is less than anticipated and inadequate to cover such costs).

(2) Initiate a one-time extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply. For one-time extensions, the recipient must notify the Grants Officer in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award. This one-time extension may not be exercised merely for the purpose of using unobligated balances.

(i) The terms and conditions of award prohibit the extension.

(ii) The extension requires additional Federal funds.

(iii) The extension involves any change in the approved objectives or scope of the project.

(3) Carry forward unobligated balances to subsequent funding periods.

(4) For awards that support research, unless the DoC provides otherwise in the award or in the DoC regulations, the prior approval requirements described in paragraph (e) of this section are automatically waived (*i.e.*, recipients need not obtain such prior approvals) unless one of the conditions included in paragraph (e)(2) of this section applies.

(f) The recipient may not transfer funds among direct cost categories or programs, functions and activities for awards in which the Federal share of the project exceeds \$100,000 and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total Federal and non-Federal funds authorized by the Grants Officer. This does not prohibit the recipient from requesting Grants Officer approval for revisions to the budget. No transfers are permitted that would cause any Federal appropriation or

part thereof to be used for purposes other than those consistent with the original intent of the appropriation.

(g) All other changes to nonconstruction budgets, except for the changes described in paragraph (j) of this section, do not require prior approval.

(h) For construction awards, recipients shall request prior written approval promptly from the Grants Officer for budget revisions whenever paragraph (h) (1), (2) or (3) apply. Approvals will be provided in writing by the Grants Officer.

(1) The revision results from changes in the scope or the objective of the project or program.

(2) The need arises for additional Federal funds to complete the project.

(3) A revision is desired which involves specific costs for which prior written approval requirements may be imposed consistent with applicable OMB cost principles listed in § 14.27.

(i) For construction awards, no other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(j) When the DoC makes an award that provides support for both construction and nonconstruction work, the Grants Officer may require the recipient to request prior approval from the Grants Officer before making any fund or budget transfers between the two types of work supported. Approvals will be provided in writing by the Grants Officer.

(k) For both construction and nonconstruction awards, the DoC shall require recipients to notify the Grants Officer in writing promptly whenever the amount of Federal authorized funds is expected to exceed the needs of the recipient for the project period by more than \$5000 or five percent of the Federal award, whichever is greater. This notification shall not be required if an application for additional funding is submitted for a continuation award.

(1) When requesting approval for budget revisions, recipients shall use the budget forms that were used in the application unless the Grants Officer indicates a letter of request suffices.

## § 14.26

(m) Within 30 calendar days from the date of receipt of the request for budget revisions, DoC shall review the request and the Grants Officer shall notify the recipient in writing whether the budget revisions have been approved. If the revision is still under consideration at the end of 30 calendar days, the Grants Officer shall inform the recipient in writing of the date when the recipient may expect the decision.

63 FR 47156, Sept. 4, 1998, as amended at 66 FR 49828, Oct. 1, 2001]

### § 14.26 Non-Federal audits.

(a) Recipients and subrecipients that are institutions of higher education or other non-profit organizations (including hospitals) shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

(b) State and local governments shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

(c) For-profit hospitals not covered by the audit provisions of revised OMB Circular A-133 shall be subject to the audit requirements as stipulated in the award document.

(d) Commercial and other organizations not covered by paragraph (a), (b), or (c) of this section shall be subject to the audit requirements as stipulated in the award document or the prime recipient as stipulated in the sub-award document.

### § 14.27 Allowable costs.

For each kind of recipient, there is a set of Federal principles for determining allowable costs. Allowability of costs shall be determined in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by State, local or federally-recognized Indian tribal governments is determined in accordance with the provisions of OMB Circular A-87, "Cost Principles for State, Local and Indian Tribal Govern-

## 15 CFR Subtitle A (1-1-07 Edition)

ments." The allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of OMB Circular A-122, "Cost Principles for Non-Profit Organizations." The allowability of costs incurred by institutions of higher education is determined in accordance with the provisions of OMB Circular A-21, "Cost Principles for Educational Institutions." The allowability of costs incurred by hospitals is determined in accordance with the provisions of Appendix E of 45 CFR part 74, "Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals." The allowability of costs incurred by commercial organizations and those non-profit organizations listed in Attachment C to Circular A-122 is determined in accordance with the provisions of the Federal Acquisition Regulation (FAR) at 48 CFR part 31.

### § 14.28 Period of availability of funds.

Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by the Grants Officer.

## PROPERTY STANDARDS

### § 14.30 Purpose of property standards.

Sections 14.31 through 14.37 set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. The DoC shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of §§ 14.31 through 14.37.

### § 14.31 Insurance coverage.

Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be

insured unless required by the terms and conditions of the award.

**§ 14.32 Real property.**

The DoC award shall prescribe requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards. Unless otherwise provided by statute, such requirements, at a minimum, shall contain the following:

(a) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed, provided that, in lieu of title, with the approval of the Grants Officer, the recipient may hold a leasehold or other interest in the property appropriate to the project purpose. The recipient shall not dispose of or encumber the property or any interest therein without approval of the Grants Officer.

(b) The recipient shall obtain written approval by the Grants Officer for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (*i.e.*, awards) or programs that have purposes consistent with those authorized for support by the DoC.

(c) When the real property is no longer needed as provided in paragraphs (a) and (b) of this section, the recipient shall request disposition instructions from the DoC or its successor Federal awarding agency. The responsible Federal agency shall observe one or more of the following disposition instructions:

(1) The recipient may be permitted to retain title without further obligation to the Federal Government after it compensates the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project.

(2) The recipient may be directed to sell the property under guidelines provided by the Grants Officer and pay the Federal Government for that percentage of the current fair market value of the property attributable to the Fed-

eral participation in the project (after deducting actual and reasonable selling and fix-up expenses, if any, from the sales proceeds). When the recipient is authorized or required to sell the property, proper sales procedures shall be established that provide for competition to the extent practicable and result in the highest possible return.

(3) The recipient may be directed to transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the recipient shall be entitled to compensation for its attributable percentage of the current fair market value of the property.

**§ 14.33 Federally-owned and exempt property.**

(a) *Federally-owned property.* (1) Title to federally-owned property remains vested in the Federal Government. Recipients shall submit annually an inventory listing of federally-owned property in their custody to the DoC operating unit. Upon completion of the award or when the property is no longer needed, the recipient shall report the property to the DoC operating unit for further Federal agency utilization.

(2) If the DoC operating unit has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless the DoC has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710(I)) to donate research equipment to educational and non-profit organizations in accordance with E.O. 12821, "Improving Mathematics and Science Education in Support of the National Education Goals.") Appropriate instructions shall be issued to the recipient by the Grants Officer.

(b) *Exempt property.* When statutory authority exists, the DoC has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government and under conditions the DoC considers appropriate. Such property is "exempt property." Should the DoC not establish conditions, title to exempt property upon acquisition

#### § 14.34

shall vest in the recipient without further obligation to the Federal Government.

#### § 14.34 Equipment.

(a) Title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this section.

(b) The recipient shall not use equipment acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, for as long as the Federal Government retains an interest in the equipment.

(c) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the property without approval of the DoC. When no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-sponsored activities, in the following order of priority:

(1) Activities sponsored by the DoC operating unit which funded the original project;

(2) Activities sponsored by other DoC operating units; then

(3) Activities sponsored by other Federal awarding agencies.

(d) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to other projects or programs sponsored by the DoC operating unit that financed the equipment; second preference shall be given to projects or programs sponsored by other DoC operating units, and third preference shall be given to projects or programs sponsored by other Federal awarding agencies. If the equipment is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by the Grants Officer after co-

#### 15 CFR Subtitle A (1-1-07 Edition)

ordination with the DoC operating unit. User charges shall be treated as program income.

(e) When acquiring replacement equipment, the recipient may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replacement equipment subject to the approval of the Grants Officer after coordination with the DoC operating unit.

(f) The recipient's property management standards for equipment acquired with Federal funds and federally-owned equipment shall include all of the following:

(1) Equipment records shall be maintained accurately and shall include the following information:

(i) A description of the equipment.

(ii) Manufacturer's serial number, model number, Federal stock number, national stock number, or other identification number.

(iii) Source of the equipment, including the award number.

(iv) Whether title vests in the recipient or the Federal Government.

(v) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.

(vi) Information from which one can calculate the percentage of Federal participation in the cost of the equipment (not applicable to equipment furnished by the Federal Government).

(vii) Location and condition of the equipment and the date the information was reported.

(viii) Unit acquisition cost.

(ix) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value where a recipient compensates the DoC for its share.

(2) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(3) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient

shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(4) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify the Grants Officer.

(5) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(6) Where the recipient is authorized or required to sell the equipment, proper sales procedures shall be established which provide for competition to the extent practicable and result in the highest possible return.

(g) When the recipient no longer needs the equipment, the equipment may be used for other activities in accordance with the following standards. Equipment with a current per-unit fair market value of less than \$5000 may be retained, sold, or otherwise disposed of with no further obligation to the awarding agency. For equipment with a current per unit fair market value of \$5000 or more, the recipient may retain the equipment for other uses provided that compensation is made to the DoC operating unit or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value of the equipment. If the recipient has no need for the equipment, the recipient shall request disposition instructions from the Grants Officer. The Grants Officer shall determine whether the equipment can be used to meet the agency's requirements. If no requirement exists within that agency, the availability of the equipment shall be reported to the General Services Administration by the Grants Officer to determine whether a requirement for the equipment exists in other Federal agencies. The Grants Officer shall issue instructions to the recipient no later than 120 calendar days after the recipient's request and the following procedures shall govern:

(1) If so instructed or if disposition instructions are not issued within 120 calendar days after the recipient's request, the recipient shall sell the equipment and reimburse the DoC an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the recipient shall be permitted to deduct and retain from the Federal share \$500 or ten percent of the proceeds, whichever is less, for the recipient's selling and handling expenses.

(2) If the recipient is instructed to ship the equipment elsewhere, the recipient shall be reimbursed by the Federal Government by an amount which is computed by applying the percentage of the recipient's participation in the cost of the original project or program to the current fair market value of the equipment, plus any reasonable shipping or interim storage costs incurred.

(3) If the recipient is instructed to otherwise dispose of the equipment, the recipient shall be reimbursed by the DoC for such costs incurred in its disposition.

(h) The DoC reserves the right to transfer the title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under existing statutes. Such transfer shall be subject to the following standards:

(1) The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.

(2) The Grants Officer shall issue disposition instructions within 120 calendar days after receipt of a final inventory. The final inventory shall list all equipment acquired with grant funds and federally-owned equipment. If the Grants Officer fails to issue written disposition instructions within the 120 calendar day period, the recipient shall apply the standards of this section, as appropriate.

(3) When the DoC exercises its right to take title, the equipment shall be subject to the provisions for federally-owned equipment.

## § 14.35

### § 14.35 Supplies and other expendable property.

(a) Title to supplies and other expendable property shall vest in the recipient upon acquisition. If there is a residual inventory of supplies exceeding \$5000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federally-sponsored project or program, the recipient shall retain the supplies for use on non-Federal sponsored activities or sell them, but shall, in either case, compensate the Federal Government for its share. The amount of compensation shall be computed in the same manner as for equipment.

(b) The recipient shall not use supplies acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute as long as the Federal Government retains an interest in the supplies.

### § 14.36 Intangible property.

(a) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. The DoC reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

(b) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the DoC at 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements."

(c) The Federal Government has the right to:

(1) Obtain, reproduce, publish or otherwise use the data first produced under an award; and

(2) Authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

(d)(1) In addition, in response to a Freedom of Information Act (FOIA) request for research data relating to published research findings produced under

## 15 CFR Subtitle A (1-1-07 Edition)

an award that were used by the Federal Government in developing an agency action that has the force and effect of law, the DoC shall request, and the recipient shall provide, within a reasonable time, the research data so that they can be made available to the public through the procedures established under the FOIA. If the DoC obtains the research data solely in response to a FOIA request, the agency may charge the requester a reasonable fee equaling the full incremental cost of obtaining the research data. This fee should reflect costs incurred by the agency, the recipient, and applicable subrecipients. This fee is in addition to any fees the agency may assess under the FOIA (5 U.S.C. 552(a)(4)(A)).

(2) The following definitions apply for purposes of this paragraph (d):

(i) *Research data* is defined as the recorded factual material commonly accepted in the scientific community as necessary to validate research findings, but not any of the following: preliminary analyses, drafts of scientific papers, plans for future research, peer reviews, or communications with colleagues. This "recorded" material excludes physical objects (e.g., laboratory samples). *Research data* also do not include:

(A) Trade secrets, commercial information, materials necessary to be held confidential by a researcher until they are published, or similar information which is protected under law; and

(B) Personnel and medical information and similar information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, such as information that could be used to identify a particular person in a research study.

(ii) *Published* is defined as either when:

(A) Research findings are published in a peer-reviewed scientific or technical journal; or

(B) A Federal agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

(iii) *Used by the Federal Government in developing an agency action that has the force and effect of law* is defined as when an agency publicly and officially cites the research findings in support of an

agency action that has the force and effect of law.

(e) Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient. The recipient shall use that property for the originally-authorized purpose, and the recipient shall not encumber the property without written approval from the Grants Officer. When no longer needed for the originally authorized purpose, disposition of the intangible property shall occur in accordance with the provisions of § 14.34(g).

[63 FR 47156, Sept. 4, 1998, as amended at 65 FR 14407, 14409, Mar. 16, 2000]

#### § 14.37 Property trust relationship.

Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. The Grants Officer may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.

### PROCUREMENT STANDARDS

#### § 14.40 Purpose of procurement standards.

Sections 14.41 through 14.48 set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall be imposed by the DoC upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

#### § 14.41 Recipient responsibilities.

The standards contained in this section do not relieve the recipient of the

contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to the DoC, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred to such Federal, State or local authority as may have proper jurisdiction.

#### § 14.42 Codes of conduct.

The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

#### § 14.43 Competition.

All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to

#### § 14.44

ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids or offers may be rejected when it is in the recipient's interest to do so.

#### § 14.44 Procurement procedures.

(a) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that:

(1) Recipients avoid purchasing unnecessary items;

(2) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the Federal Government; and

(3) Solicitations for goods and services provide for all of the following:

(i) A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition.

(ii) Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals.

(iii) A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.

(iv) The specific features of "brand name or equal" descriptions that bidders are required to meet when such items are included in the solicitation.

(v) The acceptance, to the extent practicable and economically feasible,

#### 15 CFR Subtitle A (1-1-07 Edition)

of products and services dimensioned in the metric system of measurement.

(vi) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

(b) Positive efforts shall be made by recipients to utilize small businesses, minority-owned firms, and women's business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal:

(1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.

(2) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.

(3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.

(4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.

(5) Use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the DoC's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

(c) The type of procuring instruments used (e.g., fixed price contracts, cost reimbursable contracts, purchase orders, and incentive contracts) shall be determined by the recipient but shall be appropriate for the particular procurement and for promoting the best interest of the program or project involved. The "cost-plus-a-percentage-of-cost" or "percentage of construction cost" methods of contracting shall not be used.

(d) Contracts shall be made only with responsible contractors who possess

the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity, record of past performance, financial and technical resources or accessibility to other necessary resources. In certain circumstances, contracts with certain parties are restricted by agencies' implementation of E.O.s 12549 and 12689, "Debarment and Suspension," as implemented by DoC regulations at 15 CFR part 26.

(e) Recipients shall, on request, make available for the Grants Officer, pre-award review and procurement documents, such as request for proposals or invitations for bids, independent cost estimates, etc., when any of the following conditions apply:

(1) A recipient's procurement procedures or operation fails to comply with the procurement standards in this part.

(2) The procurement is expected to exceed the simplified acquisition threshold fixed at 41 U.S.C. 403 (11) (currently \$100,000) and is to be awarded without competition or only one bid or offer is received in response to a solicitation.

(3) The procurement, which is expected to exceed the simplified acquisition threshold, specifies a "brand name" product.

(4) The proposed award over the simplified acquisition threshold is to be awarded to other than the apparent low bidder under a sealed bid procurement.

(5) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the amount of the simplified acquisition threshold.

#### § 14.45 Cost and price analysis.

Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

#### § 14.46 Procurement records.

Procurement records and files for purchases in excess of the simplified acquisition threshold shall include the following at a minimum:

- (a) Basis for contractor selection;
- (b) Justification for lack of competition when competitive bids or offers are not obtained; and
- (c) Basis for award cost or price.

#### § 14.47 Contract administration.

A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions and specifications of the contract.

#### § 14.48 Contract provisions.

The recipient shall include, in addition to provisions to define a sound and complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts:

(a) Contracts in excess of the simplified acquisition threshold shall contain contractual provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the contract terms, and provide for such remedial actions as may be appropriate.

(b) All contracts in excess of the simplified acquisition threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

(c) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid

## § 14.50

guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds \$100,000. For those contracts or subcontracts exceeding \$100,000, the DoC may accept the bonding policy and requirements of the recipient, provided the Grants Officer has made a determination that the Federal Government's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by statute of all persons supplying labor and material in the execution of the work provided for in the contract.

(4) Where bonds are required in the situations described in this part, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, "Surety Companies Doing Business with the United States."

(d) All negotiated contracts (except those for less than the simplified acquisition threshold) awarded by recipients shall include a provision to the effect that the recipient, the DoC, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, ex-

## 15 CFR Subtitle A (1-1-07 Edition)

aminations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this part, as applicable.

### REPORTS AND RECORDS

#### § 14.50 Purpose of reports and records.

Sections 14.51 through 14.53 set forth the procedures for monitoring and reporting on the recipient's financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

#### § 14.51 Monitoring and reporting program performance.

(a) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure subrecipients have met the audit requirements as delineated in § 14.26.

(b) The Grants Officer after coordination with the DoC operating unit shall prescribe the frequency with which the performance reports shall be submitted. Except as provided in paragraph (f) of this section, performance reports shall not be required more frequently than quarterly or, less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. The Grants Officer may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(c) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(d) When required, performance reports shall generally contain, for each award, brief information on each of the following:

(1) A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output

of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(2) Reasons why established goals were not met, if appropriate.

(3) Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(e) Recipients shall not be required to submit more than the original and two copies of performance reports.

(f) Recipients shall immediately notify the DoC operating unit of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(g) The DoC may make site visits, as needed.

(h) Federal awarding agencies shall comply with clearance requirements of 5 CFR part 1320 when requesting performance data from recipients.

#### § 14.52 Financial reporting.

(a) The following forms or such other forms as may be approved by OMB are authorized for obtaining financial information from recipients:

(1) SF-269 or SF-269A, Financial Status Report.

(i) Each DoC award shall require recipients to use the SF-269 or SF-269A to report the status of funds for all nonconstruction projects or programs. The DoC, however, has the option of not requiring the SF-269 or SF-269A when the SF-270, Request for Advance or Reimbursement, or SF-272, Report of Federal Cash Transactions, is determined to provide adequate information to meet its needs, except that a final SF-269 or SF-269A shall be required at the completion of the project when the SF-270 is used only for advances.

(ii) The DoC shall prescribe whether the report shall be on a cash or accrual basis. If the DoC requires accrual information and the recipient's accounting records are not normally kept on the accrual basis, the recipient shall not be

required to convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand.

(iii) The DoC shall determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the particular project or program. However, the report shall not be required more frequently than quarterly or less frequently than annually. A final report shall be required at the completion of the agreement.

(iv) The DoC shall require recipients to submit the SF-269 or SF-269A (an original and no more than two copies) no later than 30 days after the end of each specified reporting period for quarterly and semi-annual reports, and 90 calendar days for annual and final reports. Extensions of reporting due dates may be approved by the Grants Officer upon request of the recipient.

(2) SF-272, Report of Federal Cash Transactions.

(i) When funds are advanced to recipients the DoC shall require each recipient to submit the SF-272 and, when necessary, its continuation sheet, SF-272a. The DoC shall use this report to monitor funds advanced to recipients and to obtain disbursement information for each agreement with the recipients.

(ii) The DoC may require forecasts of Federal funds requirements in the "Remarks" section of the report.

(iii) When practical and deemed necessary, the DoC may require recipients to report in the "Remarks" section the amount of advances received in excess of three days. Recipients shall provide short narrative explanations of actions taken to reduce the excess balances.

(iv) Recipients shall be required to submit not more than the original and two copies of the SF-272 15 calendar days following the end of each quarter. The Grants Officer may require a monthly report from those recipients receiving advances totaling \$1 million or more per year.

(v) The Grants Officer may waive the requirement for submission of the SF-272 for any one of the following reasons:

## § 14.53

(A) When monthly advances do not exceed \$25,000 per recipient, provided that such advances are monitored through other forms contained in this section;

(B) If, in the Grants Officer's opinion, the recipient's accounting controls are adequate to minimize excessive Federal advances; or

(C) When the electronic payment mechanisms provide adequate data.

(b) When the DoC needs additional information or more frequent reports, the following shall be observed:

(1) When additional information is needed to comply with legislative requirements, the Grants Officer shall issue instructions to require recipients to submit such information under the "Remarks" section of the reports.

(2) When the DoC determines that a recipient's accounting system does not meet the standards in §14.21, additional pertinent information to further monitor awards may be obtained upon written notice to the recipient until such time as the system is brought up to standard. The DoC, in obtaining this information, shall comply with report clearance requirements of 5 CFR part 1320.

(3) Grants Officers are encouraged to shade out any line item on any report if not necessary.

(4) The DoC may accept the identical information from the recipients in machine readable format or computer printouts or electronic outputs in lieu of prescribed formats.

(5) The DoC may provide computer or electronic outputs to recipients when such expedites or contributes to the accuracy of reporting.

### **§14.53 Retention and access requirements for records.**

(a) This section sets forth requirements for record retention and access to records for awards to recipients. The DoC shall not impose any other record retention or access requirements upon recipients.

(b) Financial records, supporting documents, statistical records, and all other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or

## 15 CFR Subtitle A (1-1-07 Edition)

annually, from the date of the submission of the quarterly or annual financial report, as authorized by the DoC. The only exceptions are the following:

(1) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(3) When records are transferred to or maintained by the DoC, the 3-year retention requirement is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocations plans, etc. as specified in paragraph (g) of this section.

(c) Copies of original records may be substituted for the original records if authorized by the DoC.

(d) The Grants Officer after coordination with the DoC operating unit shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate recordkeeping, a DoC operating unit or Grants Officer may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) The DoC, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a recipient's personnel for the purpose of interview and discussion related to such documents. The rights of access in this paragraph are not limited to the required retention period, but shall last as long as records are retained.

(f) Unless required by statute, no DoC operating unit shall place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when the

DoC operating unit can demonstrate that such records shall be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to the DoC operating unit.

(g) Paragraphs (g)(1) and (g)(2) of this section apply to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(1) If the recipient submits to the Federal awarding agency responsible for negotiating the recipient's indirect cost rate or the subrecipient submits to the recipient the proposal, plan, or other computation to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts on the date of such submission.

(2) If the recipient is not required to submit to the cognizant Federal awarding agency or the subrecipient is not required to submit to the recipient the proposal, plan, or other computation for negotiation purposes, then the 3-year retention period for the proposal, plan, or other computation and its supporting records starts at the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

#### TERMINATION AND ENFORCEMENT

##### § 14.60 Purpose of termination and enforcement.

Sections 14.61 and 14.62 set forth uniform suspension, termination and enforcement procedures.

##### § 14.61 Termination.

(a) Awards may be terminated in whole or in part only if paragraph (a)(1), (2) or (3) apply.

(1) By the Grants Officer, if a recipient materially fails to comply with the terms and conditions of an award.

(2) By the Grants Officer with the consent of the recipient, in which case the two parties shall agree upon the

termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(3) By the recipient upon sending to the Grants Officer written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if the Grants Officer determines in the case of partial termination that the reduced or modified portion of the grant will not accomplish the purposes for which the grant was made, it may terminate the grant in its entirety under either paragraph (a)(1) or (2).

(b) If costs are allowed under an award, the responsibilities of the recipient referred to in §14.71(a), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

##### § 14.62 Enforcement.

(a) *Remedies for noncompliance.* If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, the Grants Officer may, in addition to imposing any of the special conditions outlined in §14.14, take one or more of the following actions, as appropriate in the circumstances:

(1) Temporarily withhold payments of funds pending correction of the deficiency by the recipient or more severe enforcement action by the Grants Officer after coordination with the DoC operating unit.

(2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award.

(4) Withhold further awards for the project or program.

(5) Take other remedies that may be legally available.

(b) *Hearings and appeals.* In taking an enforcement action, the awarding agency shall provide the recipient an opportunity for hearing, appeal, or

## § 14.70

other administrative proceeding to which the recipient is entitled under any statute or regulation applicable to the action involved.

(c) *Effects of suspension and termination.* Costs of a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if paragraphs (c) (1) and (2) of this section apply.

(1) The costs result from obligations which were properly incurred by the recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are noncancellable.

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) *Relationship to debarment and suspension.* The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under E.O.s 12549 and 12689 and the DoC implementing regulations (see §14.13) at 15 CFR part 26.

### Subpart D—After-the-Award Requirements

#### § 14.70 Purpose.

Sections 14.71 through 14.73 contain closeout procedures and other procedures for subsequent disallowances and adjustments.

#### § 14.71 Closeout procedures.

(a) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. The Grants Officer may approve extensions when requested by the recipient.

(b) Unless the Grants Officer authorizes an extension, a recipient shall liquidate all obligations incurred under

## 15 CFR Subtitle A (1–1–07 Edition)

the award not later than 90 calendar days after the funding period or the date of completion as specified in the terms and conditions of the award or in agency implementing instructions.

(c) The Grants Officer shall authorize and the DoC shall make prompt payments to a recipient for allowable reimbursable costs under the award being closed out.

(d) The recipient shall promptly refund any balances of unobligated funds that the DoC has advanced or paid and that is not authorized to be retained by the recipient for use in other projects. OMB Circular A-129 governs unreturned amounts that become delinquent debts.

(e) When authorized by the terms and conditions of the award, the Grants Officer shall make a settlement for any upward or downward adjustments to the Federal share of costs after closeout reports are received.

(f) The recipient shall account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with §§14.31 through 14.37.

(g) In the event a final audit has not been performed prior to the closeout of an award, the DoC shall retain the right to recover an appropriate amount after fully considering the recommendations on disallowed costs resulting from the final audit.

#### § 14.72 Subsequent adjustments and continuing responsibilities.

(a) The closeout of an award does not affect any of the following:

(1) The right of the DoC to disallow costs and recover funds on the basis of a later audit or other review.

(2) The obligation of the recipient to return any funds due as a result of later refunds, corrections, or other transactions.

(3) Audit requirements in §14.26.

(4) Property management requirements in §§14.31 through 14.37.

(5) Records retention as required in §14.53.

(b) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of the DoC and the recipient, provided the responsibilities of the recipient referred to in

§14.73(a), including those for property management as applicable, are considered and provisions made for continuing responsibilities of the recipient, as appropriate.

#### §14.73 Collection of amounts due.

(a) Any funds paid to a recipient in excess of the amount to which the recipient is finally determined to be entitled under the terms and conditions of the award constitute a debt to the Federal Government. If not paid within a reasonable period after the demand for payment, the Grants Officer may reduce the debt by:

(1) Making an administrative offset against other requests for reimbursements;

(2) Withholding advance payments otherwise due to the recipient; or

(3) Taking other action permitted by statute.

(b) Except as otherwise provided by law, the DoC shall charge interest on an overdue debt in accordance with 4 CFR Chapter II, "Federal Claims Collection Standards."

#### APPENDIX A TO PART 14—CONTRACT PROVISIONS

All contracts, awarded by a recipient including small purchases, shall contain the following provisions as applicable:

1. *Equal Employment Opportunity*—All contracts shall contain a provision requiring compliance with E.O. 11246, "Equal Employment Opportunity," as amended by E.O. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

No employee shall in response to a demand, produce any documents, or provide testimony regarding any information relating to, or based upon Department of Commerce documents, or disclose any information or produce materials acquired as part of the performance of that employee's official duties, or because of that employee's official status without the prior authorization of the General Counsel, or the Solicitor, or the appropriate agency counsel. The reasons for this policy are as follows:

(a) To conserve the time of Department employees for conducting official business;

(b) To minimize the possibility of involving the Department in controversial issues that are not related to the Department's mission;

(c) To prevent the possibility that the public will misconstrue variances between personal opinions of Department employees and Department policy;

(d) To avoid spending the time and money of the United States for private purposes;

(e) To preserve the integrity of the administrative process; and

(f) To protect confidential, sensitive information and the deliberative process of the Department.

### § 15.14 Demand for testimony or production of documents: Department procedures.

(a) Whenever a demand for testimony or for the production of documents is made upon an employee, the employee shall immediately notify the General Counsel (Room 5890, U. S. Department of Commerce, Washington, DC 20230, (202) 482-1067) or appropriate agency counsel. When a demand for testimony or for the production of documents is made upon an employee of the Patent and Trademark Office, the employee should immediately notify the Solicitor, by phone, (703) 305-9035; by mailed addressed Solicitor, Box 8, Patent and Trademark Office, Washington, DC 20231; or in person to 2121 Crystal Drive, Crystal Park 2, Suite 918, Arlington, Virginia 22215.

(b) A Department employee may not give testimony, produce documents, or answer inquiries from a person not employed by the Department regarding testimony or documents subject to a demand or a potential demand under the provisions of this subpart without the approval of the General Counsel, or the Solicitor, or the appropriate agency counsel. A Department employee shall immediately refer all inquiries and Demands to the General Counsel, or the Solicitor, or appropriate agency counsel. Where appropriate, the General Counsel, or the Solicitor, or appropriate agency counsel, may instruct the Department employee, orally or in writing, not to give testimony or produce documents.

(c)(1) *Demand for testimony or documents.* A demand for the testimony of a Department employee shall be addressed to the General Counsel, Room 5890, Department of Commerce, Washington, DC 20230 or appropriate agency counsel. A demand for testimony of an employee of the Patent and Trademark Office shall be mail addressed to the Solicitor, Box 8, Patent and Trademark Office, Washington, DC 20231; or in person to 2121 Crystal Drive, Crystal Park 2, Suite 918, Arlington, Virginia 22215.

shall be sent to the General Counsel, or the Solicitor, or appropriate agency counsel.

(3) *Affidavit.* Except when the United States is a party, every demand shall be accompanied by an affidavit or declaration under 28 U.S.C. 1746 or, if an affidavit is not feasible, a statement setting forth the title of the legal proceeding, the forum, the requesting party's interest in the legal proceeding, the reason for the demand, a showing that the desired testimony or document is not reasonably available from any other source, and if testimony is requested, the intended use of the testimony, a general summary of the desired testimony, and a showing that no document could be provided and used in lieu of testimony. The purpose of this requirement is to assist the General Counsel, or the Solicitor, or appropriate agency counsel in making an informed decision regarding whether testimony or the production of a document(s) should be authorized.

(d) A certified copy of a document for use in a legal proceeding may be provided upon written request and payment of applicable fees. Written requests for certification shall be addressed to the agency counsel for the component having possession, custody, or control of the document. Unless governed by another applicable provision of law or component regulation, the applicable fee includes charges for certification and reproduction as set out in 15 CFR part 4.9. (f) The General Counsel, or the Solicitor, or appropriate agency counsel may consult or negotiate with an attorney for a party or the party if not represented by an attorney, to refine or limit a demand so that compliance is less burdensome or obtain information necessary to make the determination required by paragraph (b) of this section. Failure of the attorney to cooperate in good faith to enable the General Counsel, or the Solicitor, or the Secretary, or the appropriate agency coun-

sel to make an informed determination under this subpart may serve, where appropriate, as a basis for a determination not to comply with the demand.

(g) A determination under this subpart to comply or not to comply with a demand is not an assertion or waiver of privilege, lack of relevance, technical deficiency or any other ground for non-compliance.

(h) The General Counsel, or the Solicitor, or appropriate agency counsel may waive any requirements set forth under this section when circumstances warrant.

### § 15.15 Procedures when a Department employee receives a subpoena.

(a) A Department employee who receives a subpoena shall immediately forward the subpoena to the General Counsel, or the appropriate agency counsel. In the case of an employee of the Patent and Trademark Office, the subpoena shall immediately be forwarded to the Solicitor. The General Counsel, or the Solicitor, or appropriate agency counsel will determine the extent to which a Department employee will comply with the subpoena.

(b) If an employee is served with a subpoena that the General Counsel, or the Solicitor, or appropriate agency counsel determines should not be complied with, the General Counsel, Solicitor or appropriate agency counsel will attempt to have the subpoena withdrawn or modified. If this cannot be done, the General Counsel, Solicitor or appropriate agency counsel will attempt to obtain Department of Justice representation for the employee and move to have the subpoena modified or quashed. If, because of time constraints, this is not possible prior to the compliance date specified in the subpoena, the employee should appear at the time and place set forth in the subpoena. If legal counsel cannot appear on behalf of the employee, the employee should produce a copy of the Department's regulations and inform the legal tribunal that he/she has been advised by counsel not to provide the requested testimony and/or produce documents. If the legal tribunal rules that the demand in the subpoena must be complied with, the employee shall respectfully decline to comply with the

demand. *United States ex rel. Touhy v. Ragen*, 340 U. S. 462 (1951).

(c) Where the Department employee is an employee of the Office of the Inspector General, the Inspector General in consultation with the General Counsel, will make a determination under paragraphs (a) and (b) of this section.

### § 15.16 Legal proceedings between private litigants: Expert or opinion testimony.

In addition to the policies and procedures as outlined in §§15.11 through 15.16, the following applies to legal proceedings between private litigants:

(a) If a Department employee is authorized to give testimony in a legal proceeding not involving the United States, the testimony, if otherwise proper, shall be limited to facts within the personal knowledge of the Department employee. Employees, with or without compensation, shall not provide expert testimony in any legal proceedings regarding Department information, subjects or activities except on behalf of the United States or a party represented by the United States Department of Justice. However, upon a showing by the requester that there are exceptional circumstances and that the anticipated testimony will not be adverse to the interest of the Department or the United States, the General Counsel, or the Solicitor, or appropriate agency counsel may, in writing grant special authorization for the employee to appear and give the expert or opinion testimony.

(b)(1) If, while testifying in any legal proceeding, an employee is asked for expert or opinion testimony regarding official DOC information, subjects or activities, which testimony has not been approved in advance in accordance with the regulations in this subpart, the witness shall:

(i) Respectfully decline to answer on the grounds that such expert or opinion testimony is forbidden by the regulations in this subpart;

(ii) Request an opportunity to consult with the General Counsel, or the Solicitor, or appropriate agency counsel before giving such testimony; and

(iii) Explain that upon such consultation, approval for such testimony may be provided.

(2) If the witness is then ordered by the body conducting the proceeding to provide expert or opinion testimony regarding official DOC information, subjects or activities without the opportunity to consult with either the General Counsel, or the Solicitor, or appropriate agency counsel, the witness shall respectfully refuse to provide such testimony. See *United States ex rel. Touhy v. Ragen*, 340 U. S. 462 (1951).

(c) If an employee is unaware of the regulations in this subpart and provides expert or opinion testimony regarding official DOC information, subjects or activities in a legal proceeding without the aforementioned consultation, the witness shall, as soon after testifying as possible, inform the General Counsel, or the Solicitor, or appropriate agency counsel that such testimony was given and provide a written summary of the expert or opinion testimony provided.

### § 15.17 Demands or requests in legal proceedings for records protected by confidentiality statutes.

Demands in legal proceedings for the production of records, or for the testimony of Department employees regarding information protected by the Privacy Act, 5 U.S.C. 552a, the Trade Secrets Act, 18 U.S.C. 1905 or other confidentiality statutes, must satisfy the requirements for disclosure set forth in those statutes before the records may be provided or testimony given. The General Counsel, or the Solicitor, or appropriate agency counsel should first determine if there is a legal basis to provide the testimony or records sought under applicable confidentiality statutes before applying §§15.11 through 15.18. Where an applicable confidentiality statute mandates disclosure, §§15.11 through 15.18 will not apply.

In the event such consultation is not possible, despite continuing good faith efforts to arrange a consultation, no action shall be taken to require an allotment from the pay and allowances of any NOAA Corps Officer until 30 days have elapsed after the notice described in paragraph (d)(1) is given to the affected officer.

(4) If, within 30 days of the date of the notice, the officer has furnished the designated official affidavits or other documentation showing the information in the notice to be in error, the designated official shall consider the officer's response. The designated official shall also be notified of any events affecting the allottee's eligibility to receive the allotment, such as the former spouse's remarriage, if a part of the payment is for spousal support, and notice of a change in eligibility for child support payments under circumstances of death, emancipation, adoption, or attainment of majority of a child whose support is provided through the allotment.

(2) An allotment established under this Directive shall be adjusted or discontinued upon notice from the authorized person.

(3) Neither the Department of Commerce nor any officer or employee thereof, shall be liable for any payment made from moneys due from, or payable by, the Department of Commerce to any individuals pursuant to notice regular on its face, if such payment is made in accordance with this subpart. SOURCE: 42 FR 26648, May 25, 1977, unless otherwise noted.

#### **§ 16.1 Purpose.**

The purpose of this part is to establish procedures under which a voluntary consumer product information labeling program administered by the Department of Commerce will function.

#### **§ 16.2 Description and goal of program.**

(a) The Department's Voluntary Consumer Product Information Labeling Program makes available to consumers, at the point of sale, information on consumer product performance in an understandable and useful form so as to facilitate accurate consumer purchasing decisions and enhance consumer satisfaction. It also educates consumers, distributors and retailers in the use of the product performance information displayed and provides manufacturers and other persons who participate in the program with an opportunity to convey to the public the particular advantages of their products. These objectives are accomplished by:

- (1) Selecting or developing standardized test methods by which selected product performance characteristics can be measured;
- (2) Developing labeling methods by which information concerning product performance can be transmitted in useful form to consumers at the point of sale;
- (3) Encouraging manufacturers and other participants in the program voluntarily to test and label their products according to the selected or developed methods; and
- (4) Encouraging consumers through various informational and educational programs to utilize the product performance information provided.

### § 16.3

(b) The program involves voluntary labeling by enrolled participants of selected categories of consumer products with information concerning selected performance characteristics of those products. The performance characteristics selected are those that are of demonstrable importance to consumers, that consumers cannot evaluate through mere inspection of the product, and that can be measured objectively and reported understandably to consumers. The consumer products covered include those for which incorrect purchase decision can result in financial loss, dissatisfaction, or inconvenience. The program seeks to avoid the duplication of other Federal programs under which performance characteristics are labeled by exempting those performance characteristics from this program. However, where the Federal agency concerned agrees, the Department of Commerce may include information about those performance characteristics in CPILP labels if, by doing so, product comparison at the point of sale is simplified for consumers, and the complexity of product labeling is reduced for the manufacturers by enabling them to comply with the labeling requirements of other Federal agencies through participation in CPILP.

(c) For selected categories of consumer products, the program includes advertising guidelines covering situations where quantitative performance values are stated in advertising or where qualitative comparisons are made of the performance of different products.

[42 FR 26648, May 25, 1977, as amended at 43 FR 8255, Mar. 1, 1978]

(i) The term *designated agent* means a person as defined in paragraph (e) of this section, who has been designated by the Secretary to carry out appropriate operational procedures on behalf of more than one participant in this program in accordance with rules set out under § 16.9.

#### § 16.4 Finding of need to establish a specification for labeling a consumer product.

(a) Any person may request the Secretary to find that there is a need to label a particular consumer product with information concerning one or more specific performance characteristics of that product.

(b) Such a request shall be in writing and will, to the extent practicable, include the following information:

(1) Identification of the consumer product;

(2) Extent that the product identified in paragraph (b)(1) of this section is used by the public and, if known, what the production or sales volume is of such product;

(3) Nature and extent of difficulty experienced by consumers in making informed purchase decisions because of a lack of knowledge regarding the performance characteristics of the identified consumer product;

(4) Potential or actual loss to consumers as a result of an incorrect decision based on an inadequate understanding of the performance characteristics of the identified consumer product;

(8) Estimated cost to participants to test and label the product.

(c) The Secretary may ask for more information to support a request made under paragraph (a) of this section if she feels it is necessary to do so, or, if she deems it to be in the public interest, may develop such information herself as by consultation on a one-time basis with consumers, consumer organizations, and others. The Secretary shall act expeditiously on all requests and shall notify the requester of her decision in writing. If the Secretary determines that there is no need to establish a Specification for labeling the requested consumer product performance characteristics, or because of a lack of resources, she will decline to act further on the request. In those instances where the Secretary declines a request, she shall state the reasons for so declining.

(d) If the Secretary finds that a need exists to establish a Specification for labeling a consumer product under this program, she shall publish a notice in the FEDERAL REGISTER setting out such finding and its basis and stating that

she is developing a proposed Specification in accordance with § 16.5.

**§ 16.5 Development of performance information labeling specifications.**

(a) If the Secretary makes a finding of need pursuant to § 16.4, she will publish a proposed Performance Information Labeling Specification in the FEDERAL REGISTER with a notice giving the complete text of the proposed Specification and any other pertinent information. The notice will invite any interested person to submit written comments on the proposed Specification within 45 days after its publication in the FEDERAL REGISTER, unless another time limit is provided by the Secretary. Interested persons wanting to express their views in an informal hearing may do so, if within 15 days after the proposed Specification is published in the FEDERAL REGISTER, they request the Secretary to hold a hearing. Such informal hearings shall be held so as to give all interested persons an opportunity for the oral presentation of data, views, or arguments in addition to the opportunity to make written submissions. Notice of such hearings shall be published in the FEDERAL REGISTER. A transcript shall be kept of any oral presentations.

(b) Each Specification shall as a minimum include:

(1) A description of the performance characteristics of the consumer product covered;

(2) An identification by reference of the test methods to be used in measuring the performance characteristics. The test methods, where they exist and are deemed appropriate for inclusion in the particular Specification involved, shall be those which are described in nationally-recognized voluntary standards. Where appropriate test methods do not exist, they will be developed by the Department of Commerce in cooperation with interested parties and set out in full in the Specification;

(3) A prototype label and directions for displaying the label on or with the consumer product concerned. Such directions will not prohibit the display of additional information by the participant on space adjacent to the marked boundaries of the label; and

(4) Conditions of participation.

## § 16.6

(c) The Secretary, after consideration of all written and oral comments and other materials received in accordance with paragraph (a) of this section, shall publish in the FEDERAL REGISTER within 30 days after the final date for receipt of comments, or as soon as practicable thereafter, a notice either:

(1) Giving the complete text of a final Specification, including conditions of use, and stating that any prospective participant in the program desiring voluntarily to use the Department of Commerce Mark developed under § 16.10 must advise the Department of Commerce; or

(2) Stating that the proposed Specification will be further developed before final publication; or

(3) Withdrawing the proposed Specification from further consideration.

### **§ 16.6 Establishment of fees and charges.**

(a) The Secretary in conjunction with the use of the Working Capital Fund of the National Institute of Standards & Technology, as authorized under section 12 of the Act of March 3, 1901, as amended (15 U.S.C. 278b), for this program, shall establish fees and charges for use of the Department of Commerce Label and Mark on each product. Such fees and charges shall be related to the number of units of products labeled, where appropriate. The fees and charges established by the Secretary, which may be revised by her when she deems it appropriate to do so, shall be in amounts calculated to make the operation of this program as self-sufficient as reasonable. A separate notice will be published in the FEDERAL REGISTER simultaneously with the notice of each proposed Specification referred to in § 16.5(a). Such notice will set out a schedule of estimated fees and charges the Secretary proposes to establish. The notice would be furnished for informational and guidance purposes only in order that the public may evaluate the proposed Specification in light of the expected fees to be charged.

(b) At such time as the Secretary publishes the notice announcing the final Specification referred to in § 16.5(c)(1), she shall simultaneously publish a separate notice in the FEDERAL REGISTER setting forth the final

## 15 CFR Subtitle A (1-1-07 Edition)

schedule of fees that will be charged participants in the program. The effective date of such final schedule of fees shall be the same as the date on which the final Specification takes effect.

(c) Revisions, if any, to the fees and charges established by the Secretary under paragraph (b) of this section shall be published in subsequent FEDERAL REGISTER notices and shall take effect not less than thirty (30) days after the date of publication of such notice.

(d) The establishment of fees and charges under this section may, at any time, be suspended by the Secretary for any length of time.

### **§ 16.7 Participation in program.**

(a) Any manufacturer, assembler, or private brand labeler of consumer products or importer of such products for resale, desiring to participate in this program will so notify the Secretary. The notification will identify the particular Specification to be used and the prospective participant's identification and model numbers for the products to be labeled. The notification must include a statement that if accepted as a participant in the program by the Secretary, the prospective participant will:

(1) Abide by all conditions imposed by these procedures:

(2) Abide by the conditions contained in the Specification, as prescribed in paragraph (d) of this section;

(3) Pay the fees and charges established by the Secretary; and

(4) Desist from using the Department of Commerce label and Mark if his participation is terminated under § 16.8.

(b) The Secretary shall act expeditiously on all requests to participate in the program and shall notify each prospective participant of her decision in writing. In those instances where the Secretary declines a request, she shall state the reasons for so declining.

(c) If a prospective participant seeking to participate in the program is notified by the Secretary that she proposes to deny that prospective participant the right to participate, that prospective participant shall have thirty

(30) days from the receipt of such notification to request a hearing under the provisions of 5 U.S.C. 556. The Secretary's proposed denial shall become final through the issuance of a written decision to such prospective participant in the event that he does not appeal such notification by the end of the thirty (30) day period. If however, such prospective participant requests a hearing within that thirty (30) day period, the Secretary's proposed denial shall be stayed pending the outcome of the hearing held pursuant to 5 U.S.C. 556.

(d) The conditions set out in each Specification will include, but not be limited to, the following:

(1) Prior to the use of a Label, the participant will make or have made the measurements to obtain the information required for inclusion on the Label and, if requested, will forward within 30 days such measurement data to the Secretary. Such measurement data will be kept on file by the participant or his agent for two years after that product is no longer manufactured unless otherwise provided in the Specification.

(2) The participant will describe the test results on the Label as prescribed in the Specification.

(3) The participant will display or arrange to display, in accordance with the appropriate Specification, the Label on or with each individual product of the type covered except for units exported from the U.S. Participants who utilized more than one brand name may participate by labeling some or all of the brand names. All models with the same brand name must be included in the program unless they are for export only.

(4) The participant agrees at his expense to comply with any reasonable request of the Secretary to have consumer products manufactured, assembled, imported, or privately brand labeled by him tested to determine that testing has been done according to the relevant Specification.

(5) Participants may reproduce the Department of Commerce Label and Mark in advertising: *Provided*, That the entire Label, complete with all information required to be displayed at the point of retail sale, is shown legibly

and is not combined or associated directly with any other mark or logo.

#### § 16.8 Termination of participation.

(a) The Secretary upon finding that a participant is not complying with the conditions set out in these procedures or in a Specification may terminate upon 30 days notice the participant's right to continue his participation in the program: *Provided*, That the participant shall first be given an opportunity to show cause why the participation should not be terminated.

(b) Upon receipt of a notice from the Secretary of the proposed termination, which notice shall set forth the reasons for such proposed termination, the participant shall have thirty (30) days from the date of receipt of such notification to request a hearing under the provisions of 5 U.S.C. 556. The Secretary's proposed termination shall become final through the issuance of a written decision to the participant in the event such participant does not appeal the proposed termination within the thirty (30) day period. If, however, the participant requests a hearing within the thirty (30) day period, the Secretary's proposed termination shall be stayed pending the outcome of the hearing held pursuant to 5 U.S.C. 556.

(c) A participant may at any time terminate his participation and responsibilities under this program with regard to a specific type of product by giving written notice to the Secretary that he has discontinued use of the Department of Commerce Label and Mark for all consumer products of the type involved.

(b) The Secretary may require a person seeking designated agent status to supply further information before granting such status to that person. The Secretary will notify each person seeking designated agent status, in writing, as expeditiously as possible after evaluating such person's application.

(c) Each person granted designated agent status shall:

(1) Provide the Secretary with a list of the participants that the designated agent services under the program. The Secretary shall also be provided an updated list as soon thereafter as may be practicable whenever there are any changes in the list;

If, however, such person requests a hearing within that thirty (30) day period, the Secretary proposed denial shall be stayed pending the outcome of the hearing held pursuant to 5 U.S.C. 556.

(e) If the Secretary finds that a designated agent has violated the terms of paragraph (c) of this section, she may, after consultations with such designated agent, notify such person that she proposes to revoke his status as a designated agent.

(f) Upon receipt of a notice from the Secretary of the proposed revocation, which notice shall set forth the reasons for such proposed revocation, the designated agent shall have thirty (30) days from the date of receipt of such notification to request a hearing under the provisions of U.S.C. 556. The Secretary's proposed revocation shall become final through the issuance of a written decision to the designated agent in the event such designated agent does not appeal the proposed revocation within that thirty (30) day period. If, however, the designated agent requires a hearing within that thirty (30) day period, the Secretary's proposed revocation shall be stayed pending the outcome of the hearing held pursuant to 5 U.S.C. 556.

### GENERAL PROVISIONS

#### § 18.1 Purpose of these rules.

The Equal Access to Justice Act, 5 U.S.C. 504 (called "the Act" in this part), provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings

(called "adversary adjudications") before the Department of Commerce (the word Department includes its component agencies). An eligible party may receive an award when it prevails over the Department, unless the Department's position in the proceeding was substantially justified or special circumstances make an award unjust. The rules in this part describe the parties that are eligible for awards and the Department's proceedings that are covered by the Act. They also explain how to apply for awards, and the procedures and standards that the Department will use to make them.

#### § 18.2 Definitions.

As used in this part:

(a) *Adversary adjudication* means an adjudication under 5 U.S.C. 554 in which the position of the United States is represented by counsel or otherwise, but excludes an adjudication for the purpose of establishing or fixing a rate or for the purpose of granting or renewing a license.

(b) *Adjudicative officer* means the official, without regard to whether the official is designated as an administrative law judge, a hearing officer or examiner, or otherwise, who presided at the adversary adjudication.

#### § 18.3 When the Act applies.

The Act applies to any adversary adjudication pending or commenced before the Department on or after August 5, 1985. It also applies to any adversary adjudication commenced on or after October 1, 1984, and finally disposed of before August 5, 1985, provided that an application for fees and expenses, as described in §§18.11 through 18.14 of this part, has been filed with the Department within 30 days after August 5, 1985, and to any adversary adjudication pending on or commenced on or after October 1, 1981, in which an application for fees and other expenses was timely filed and was dismissed for lack of jurisdiction.

[53 FR 6798, Mar. 3, 1988]

#### § 18.4 Proceedings covered.

(a) The Act applies to adversary adjudications conducted by the Department

## § 18.5

and to appeals of decisions of contracting officers of the Department made pursuant to section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605) before agency boards of contract appeals as provided in section 8 of that Act (41 U.S.C. 607). Adversary adjudications conducted by the Department are adjudications under 5 U.S.C. 554 in which the position of this or any other agency of the United States, or any component of an agency, is presented by an attorney or other representative who enters an appearance and participates in the proceeding. Pursuant to section 8(c) of the Contract Disputes Act (41 U.S.C. 607(c)), the Department has arranged for appeals from decisions by contracting officers of the Department to be decided by the General Services Administration Board of Contract Appeals. This Board, in accordance with its own procedures, shall be responsible for making determinations on applications pursuant to the Act relating to appeals to the Board from decisions of contracting officers of the Department. Such determinations are final, subject to appeal under § 18.23. Any proceeding in which the Department may prescribe a lawful present or future rate is not covered by the Act. Proceedings to grant or renew licenses are also excluded, but proceedings to modify, suspend, or revoke licenses are covered if they are otherwise "adversary adjudications." The Department proceedings covered are:

(1) *Department-wide.* (i) Title VI Civil Rights hearings conducted by the Department under 42 U.S.C. 2000d-1 and 15 CFR 8.12(d).

(ii) Handicap discrimination hearings conducted by the Department under 29 U.S.C. 794(a) and 15 CFR 8.12(d).

(2) National Oceanic and Atmospheric Administration ("NOAA")

(i) Proceedings concerning suspension, revocation, or modification of a permit or license issued by NOAA.

(ii) Proceedings to assess civil penalties under any of the statutes administered by NOAA.

(3) *International Trade Administration.* Enforcement proceedings under the AntiBoycott provisions of the Export Administration Act of 1979, 50 U.S.C. app. 2407.

## 15 CFR Subtitle A (1-1-07 Edition)

(4) *Patent and Trademark Office.* Disbarment proceedings of attorneys and agents under 35 U.S.C. 32.

(b) The Department may also designate a proceeding not listed in paragraph (a) of this section as an adversary adjudication for purposes of the Act by so stating in an order initiating the proceeding or designating the matter for hearing. The Department's failure to designate a proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered by the Act; whether the proceeding is covered will then be an issue for resolution in proceedings on the application.

(c) If a proceeding includes both matters covered by the Act and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6798, Mar. 3, 1988]

### § 18.5 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under the Act, the applicant must be a party to the adversary adjudication for which it seeks an award. The term "party" is defined in 5 U.S.C. 551(3). The applicant must show that it meets all conditions of eligibility set out in this part.

(b) The types of eligible applicants are as follows:

(1) An individual with a net worth of not more than \$2 million;

(2) The sole owner of an unincorporated business who has a net worth of not more than \$7 million, including both personal and business interests, and not more than 500 employees;

(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)) with not more than 500 employees; and

(5) Any other partnership, corporation, association, unit of local government, or organization with a net worth of not more than \$7 million and not more than 500 employees.

(c) For the purpose of eligibility, the net worth and number of employees of

an applicant shall be determined as of the date the proceeding was initiated.

(d) An applicant who owns an unincorporated business will be considered as an "individual" rather than a "sole owner of an unincorporated business" if the issues on which the applicant prevails are related primarily to personal interests rather than to business interests.

(e) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant's direction and control. Part-time employees shall be included on a proportional basis.

(f) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual, corporation or other entity that directly or indirectly controls or owns a majority of the voting shares or other interest of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interest, will be considered an affiliate for purposes of this part, unless the adjudicative officer determines that such treatment would be unjust and contrary to the purposes of the Act in light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(g) An applicant that participates in a proceeding primarily on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6798, Mar. 3, 1988]

#### § 18.6 Standards for awards.

(a) A prevailing applicant may receive an award for fees and expenses incurred in connection with a proceeding, or in a significant and discrete substantive portion of the proceedings, unless the position of the Department over which the applicant has prevailed was substantially justified. The position of the Department includes, in ad-

dition to the position taken by the Department in the adversary adjudication, the action or failure to act by the Department upon which the adversary adjudication is based. The burden of proof that an award should not be made to an eligible prevailing applicant because the Department's position was substantially justified is on the agency counsel.

(b) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding or if special circumstances make the award sought unjust.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

#### § 18.7 Allowable fees and expenses.

(a) Awards will be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents and expert witnesses, even if the services were made available without charge or at a reduced rate to the applicant.

(b) No award for the fee of an attorney or agent under this rule may exceed \$75.00 per hour. No award to compensate an expert witness may exceed the highest rate at which the Department pays expert witnesses. However, an award may also include the reasonable expenses of the attorney, agent, or witness as a separate item, if the attorney, agent, or witness ordinarily charges clients separately for such expenses.

(c) In determining the reasonableness of the fee sought for an attorney, agent, or expert witness, the adjudicative officer shall consider the following:

(1) If the attorney, agent, or witness is in private practice, his or her customary fee for similar services, or, if an employee of the applicant, the fully allocated cost of the services;

(2) The prevailing rate for similar services in the community in which the attorney, agent or witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) The time reasonably spent in light of the difficulty or complexity of the issues in the proceedings; and

(5) Such other factors as may bear on the value of the services provided.

## § 18.8

(d) The reasonable cost of any study, analysis, engineering report, test, project, or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the service does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of the applicant's case.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

### § 18.8 Rulemaking on maximum rates for attorney fees.

(a) If warranted by an increase in the cost of living or by special circumstances (such as limited availability of attorneys qualified to handle certain types of proceedings), the Department may adopt regulations providing that attorney fees may be awarded at a rate higher than the ceiling set forth in § 18.7(b) in some or all of the types of proceedings covered by this part. The Department will conduct any rulemaking proceedings for this purpose under the informal rulemaking procedures of the Administrative Procedure Act.

(b) Any person may file with the Department a petition for rulemaking to increase the maximum rate for attorney fees. The petition should be sent to the General Counsel, Department of Commerce, 14th Street and Constitution Avenue, Room 5870, Washington, D.C. 20230. The petition should identify the rate the petitioner believes the Department should establish and the types of proceedings in which the rate should be used. It should also explain fully the reasons why higher rate is warranted. The Department will respond to the petition within 60 days after it is filed, by initiating a rulemaking proceeding, denying the petition, or taking other appropriate action.

### § 18.9 Awards against other agencies.

If an applicant is entitled to an award because it prevailed over another agency of the United States that participated in a proceeding before the Department and took a position that was not substantially justified, the award or an appropriate portion of the award shall be made against that agency.

## 15 CFR Subtitle A (1-1-07 Edition)

### § 18.10 Delegations of authority.

The Secretary delegates to the General Counsel the authority to take final action on matters pertaining to the Act.

#### INFORMATION REQUIRED FROM APPLICANTS

### § 18.11 Contents of application.

(a) An application for an award of fees and expenses under the Act shall identify the applicant and the proceeding for which an award is sought. The application shall show that the applicant has prevailed and identify the position of the Department or other agency in the proceeding that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(b) The application shall also include a statement that the applicant's net worth does not exceed \$2 million (if an individual) or \$7 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)), or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(2) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)) and includes a copy of its charter or articles of incorporation.

(c) The application shall state the amount of fees and expenses for which an award is sought.

(d) The application may also include any other matters that the applicant wishes the adjudicative officer to consider in determining whether and in what amount an award should be made.

(e) The application shall be signed by the applicant or an authorized officer

or attorney of the applicant. It shall also contain or be accompanied by a written verification under oath or under penalty of perjury that the information provided in the application is true and correct.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

**§ 18.12 Net worth exhibit.**

(a) Each applicant except a qualified tax-exempt organization or cooperative association must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in §18.5(f) of this part) when the proceeding was initiated. Unless regulations issued by a component of the Department establish particular requirements, the exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this part. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(b) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled "Confidential Financial Information," accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b)(1)-(9), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the agency against which the applicant seeks an award, but need not be served on any other party to the proceeding. If the adjudicative officer finds that the in-

formation should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Department's established procedures under the Freedom of Information Act (15 CFR Part 4).

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

**§ 18.13 Documentation of fees and expenses.**

The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project, or similar matter for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The adjudicative officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

**§ 18.14 When an application may be filed.**

(a) An application may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after the Department's final disposition of the proceeding.

(b) For purposes of this rule, final disposition means the date on which a decision or order disposing of the merits of the proceeding or any other complete resolution of the proceeding, such as a settlement or voluntary dismissal, becomes final and unappealable, both within the agency and to the courts.

(c) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of

## § 18.15

fees shall be stayed pending final disposition of the underlying controversy. When the United States appeals the underlying merits of an adversary adjudication to a court, no decision on an application for fees and other expenses in connection with that adversary adjudication shall be made until a final and unreviewable decision is rendered by the court on the appeal or until the underlying merits of the case have been finally determined pursuant to the appeal.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

### PROCEDURES FOR CONSIDERING APPLICATIONS

#### § 18.15 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding, except as provided in § 18.12(b) for confidential financial information.

#### § 18.16 Answer to application.

(a) Within 30 calendar days after service of an application, counsel representing the agency against which an award is sought may file an answer to the application. Unless agency counsel requests an extension of time for filing (an extension for an additional 30 days is available as a matter of right) or files a statement of intent to negotiate under paragraph (b) of this section, failure to file an answer within the 30 calendar day period may be treated as a consent to the award requested.

(b) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the adjudicative officer upon request by agency counsel and the applicant.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of the agency counsel's position. If

## 15 CFR Subtitle A (1-1-07 Edition)

the answer is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the answer either supporting affidavits or a request for further proceedings under § 18.20.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

#### § 18.17 Reply.

Within 15 calendar days after service of an answer, the applicant may file a reply. If the reply is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the reply either supporting affidavits or a request for further proceedings under § 18.20.

#### § 18.18 Comments by other parties.

Any party to a proceeding other than the applicant and the agency counsel may file comments on an application within 30 calendar days after it is served or on an answer within 15 calendar days after it is served. A commenting party may not participate further in proceedings on the application unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

#### § 18.19 Settlement.

The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded, in accordance with the component agency's standard settlement procedure. If a prevailing party and agency counsel agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

#### § 18.20 Further proceedings.

(a) Ordinarily, the determination of an award will be made on the basis of

the written record. However, on request of either the applicant or agency counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions or, as to issues other than substantial justification (such as the applicant's eligibility or substantiation of fees and expenses), pertinent discovery or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible. Whether or not the position of the agency was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the adversary adjudication for which fees and other expenses are sought.

(b) A request that the adjudicative officer order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

**§ 18.21 Decision.**

The adjudicative officer shall issue an initial decision on the application within 30 calendar days after completion of proceedings on the application. The initial decision of the adjudicative officer shall include written findings and conclusions on the applicant's eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The decision shall also include, if at issue, findings on whether the Department's position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. If the applicant has sought an award against more than one agency, the decision shall allocate responsibility for payment of any award made among the agencies, and shall ex-

plain the reasons for the allocation made.

**§ 18.22 Agency review.**

Either the applicant or agency counsel may file a petition for review of the initial decision on the fee application, or the Department may decide to review the decision on its own initiative. The petition must be filed with the General Counsel, Office of the Assistant General Counsel for Administration, Rm. 5882, U.S. Department of Commerce, 14th Street and Pennsylvania Avenue NW., Washington, DC 20230, not later than 30 calendar days after the initial decision is issued. For purposes of this section, a document will be considered filed with the General Counsel as of the date of the postmark (or for government penalty mail, as shown by a certificate of mailing), if mailed, or if not mailed, as of the date actually delivered to the Office of General Counsel. A petition for review must be accompanied by a full written statement in support thereof, including a precise statement of why the petitioner believes the initial decision should be reversed or modified, and proof of service upon all parties. A response to the petition may be filed by another party to the proceeding and must be filed with the General Counsel at the above address not more than 30 calendar days after the date of service of the petition for review. The General Counsel may request any further submissions deemed helpful in resolving the petition for review. If neither the applicant nor agency counsel seeks review and the Department does not take review on its own initiative, the initial decision on the application shall become a final decision of the Department 30 calendar days after it is issued. Whether to review a decision is a matter within the discretion of the General Counsel. If review is taken, the General Counsel will issue the Department's final decision on the application or remand the application to the adjudicative officer for further proceedings. The standard of review exercised by the General Counsel shall be that which was required for the highest level of Departmental review which could have

been exercised on the underlying covered proceeding.

### § 18.23 Judicial review.

Judicial review of final agency decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

### § 18.24 Payment of award.

An applicant seeking payment of an award by the Department shall submit a copy of the final decision granting the award, accompanied by a certification that the applicant will not seek review of the decision in the United States courts to the General Counsel, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Room 5870, Washington, D.C. 20230. The Department will pay the amount awarded to the applicant within 60 calendar days, unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

### § 19.1 Purpose.

This part establishes procedures for the Department of Commerce (DOC) to refer past-due debts to the Internal Revenue Service (IRS) for offset against the income tax refunds of persons owing debts to the DOC. It specifies the agency procedures and the rights of the debtor applicable to claims for payment of debts owed to the DOC.

## 15 CFR Subtitle A (1-1-07 Edition)

### § 19.2 Applicability and scope.

(a) These regulations implement 31 U.S.C. 3720A which authorizes the IRS to reduce a tax refund by the amount of a past-due legally enforceable debt owed to the United States.

(b) For purposes of this section, a past-due legally enforceable debt referable to the IRS is a debt which is owed to the United States and:

(1) Except in the case of a judgment debt, has been delinquent for at least three months but has not been delinquent for more than ten years at the time the offset is made;

(2) Cannot be currently collected pursuant to the salary offset provisions of 5 U.S.C. 5514(a)(1);

(3) Is ineligible for administrative offset under 31 U.S.C. 3716(a) by reason of 31 U.S.C. 3716(c)(2) or cannot be collected by administrative offset under 31 U.S.C. 3716(a) by the Department against amounts payable to or on behalf of the debtor by or on behalf of the Department;

(4) With respect to which, the DOC has given the taxpayer at least 60 days from the date of notification to present evidence that all or part of the debt is not past-due or legally enforceable, the DOC has considered evidence presented by such taxpayer, and has determined that an amount of such debt is past-due and legally enforceable;

(5) Has been disclosed by the DOC to a consumer reporting agency as authorized by 31 U.S.C. 3711(f), unless a consumer reporting agency would be prohibited from using such information by 15 U.S.C. 1681c, or unless the amount of the debt does not exceed \$100.00;

(6) With respect to which, the DOC has notified or has made a reasonable attempt to notify the taxpayer that the debt is past-due and, unless repaid within 60 days thereafter, will be referred to the IRS for offset against any overpayment of taxes;

(7) Is at least \$25.00;

(8) With respect to which, all other requirements of 31 U.S.C. 3720A and the Department of the Treasury regulations codified at 26 CFR 301.6402-6 relating to the eligibility of a debt for tax refund offset have been satisfied.

**§ 19.3 Administrative charges.**

In accordance with 4 CFR part 102, all administrative charges incurred in connection with the referral of a debt to the IRS shall be assessed on the debt and thus increase the amount of the offset.

**§ 19.4 Notice requirement before offset.**

A request for a reduction of an IRS tax refund will be made only after the DOC makes a determination that an amount is owed and past-due and provides the debtor with sixty (60) days written notice. The DOC's notice of intention to collect by IRS tax refund offset (Notice of Intent) will include:

- (a) The amount of the debt;
- (b) A statement that unless the debt is repaid within sixty (60) days from the date of the DOC's Notice of Intent, DOC intends to collect the debt by requesting that the IRS reduce any amounts payable to the debtor as refunds of Federal taxes paid by an amount equal to the amount of the debt plus accumulated interest and other charges;
- (c) A statement that the debtor has the right to present evidence that all or part of the debt is not past-due or legally enforceable;
- (d) A mailing address for forwarding any written correspondence and a contact name and phone number for any questions.

**§ 19.5 Review within the Department.**

(a) *Notification by debtor.* A debtor who receives a Notice of Intent has the right to present evidence that all or part of the debt is not past-due or not legally enforceable. To exercise this right, the debtor must:

- (1) Send a written request for a review of the evidence to the address provided in the notice.
- (2) State in the request the amount disputed and the reasons why the debtor believes that the debt is not past-due or legally enforceable.

(3) Include in the request any documents which the debtor wishes to be considered or state that additional information will be submitted within the remainder of the sixty (60) day period.

(b) *Submission of evidence.* The debtor may submit evidence showing that all

or part of the debt is not past-due or not legally enforceable along with the notification required by paragraph (a) of this section. Failure to submit the notification and evidence within sixty (60) days will result in an automatic referral of the debt to the IRS without further action by the DOC.

(c) *Review of the evidence.* DOC will consider all available evidence related to the debt. Within 30 days of the debtor's complete and timely response, if feasible, DOC will notify the debtor whether DOC has sustained, amended, or canceled its determination that the debt is past-due and legally enforceable.

**§ 19.6 Departmental determination.**

(a) Following review of the evidence, DOC will issue a written decision which will include the supporting rationale for the decision.

(b) If DOC either sustains or amends its determination, it shall notify the debtor of its intent to refer the debt to the IRS for offset against the debtor's Federal income tax refund. If DOC cancels its original determination, the debt will not be referred to the IRS.

**§ 19.7 Stay of offset.**

If the debtor timely notifies the DOC that he or she is exercising the right described in § 19.5(a) and timely submits evidence in accordance with § 19.5(b), any notice to the IRS will be stayed until the issuance of a written decision which sustains or amends the DOC's original determination.

## Subpart A—General

### § 20.1 The purpose of DOC's age discrimination regulations.

The purpose of these regulations is to set out DOC's policies and procedures under the Age Discrimination Act of 1975 and the general age discrimination regulations at 45 CFR Part 90. The Act and the general regulations prohibit discrimination on the basis of age in programs or activities receiving Federal financial assistance. The Act and the general regulations permit federally assisted programs or activities, and recipients of Federal funds, to continue to use age distinctions and factors other than age which meet the requirements of the Act and its implementing regulations.

### § 20.2 Programs or activities to which these regulations apply.

(a) The Act and these regulations apply to each DOC recipient and to each program or activity operated by the recipient which receives Federal fi-

(ii) Establishes criteria for participation in age-related terms; or

(iii) Describes intended beneficiaries or target groups in age-related terms.

(2) Any employment practice or any employer, employment agency, labor organization, or any labor-management joint apprenticeship training program, except for any program or activity receiving Federal financial assistance for public service employment.

(3) Real and personal property or any interest in or use of property, including:

**Subpart B—Standards for Determining Age Discrimination**

**§ 20.4 Rules against age discrimination.**

The rules stated in this section are limited by the exceptions contained in § 20.5.

(a) General rule: No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

(b) Specific rules: A recipient may not, in any program or activity receiving Federal financial assistance, directly or through contractual licensing, or other arrangements, use age

distinctions or take any other actions which have the effect, on the basis of age, of:

(1) Excluding individuals from, denying them the benefits of, or subjecting them to discrimination under, a program or activity receiving Federal financial assistance, or

(2) Denying or limiting individuals in their opportunity to participate in any program or activity receiving Federal financial assistance.

(c) The specific forms of age discrimination listed in paragraph (b) of this section do not necessarily constitute a complete list.

(d) If a recipient operating a program or activity provides special benefits to the elderly or to children, such use of age distinctions shall be presumed to be necessary to the normal operation of the program or activity, notwithstanding the provisions of § 20.5.

## § 20.5 Exceptions to the rules.

(a) *Normal operations or statutory objective of any program or activity.* A recipient is permitted to take an action otherwise prohibited by § 20.4 if the action reasonably considers age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity. An action meets this standard if:

(1) Age is used as a measure or approximation of one or more other characteristics; and

(2) The other characteristic(s) must be measured or approximated in order for the normal operation of the program or activity to continue, or to achieve any statutory objective or the program or activity; and

(3) The other characteristic(s) can be reasonably measured or approximated by the use of age; and

(4) The other characteristic(s) are impractical to measure directly on an individual bases.

(b) *Reasonable factors other than age.* A recipient is permitted to take an action otherwise prohibited by § 20.4 which is based on a factor other than age, even though that action may have a disproportionate effect on persons of different ages. An action may be based on a factor other than age only if the factor bears a direct and substantial relationship to the normal operation of

## 15 CFR Subtitle A (1–1–07 Edition)

the program or activity or to the achievement of a statutory objective.

## § 20.6 Burden of proof.

The burden of proving that an age distinction or other action falls within the exceptions outlined in § 20.5 is on the recipient of Federal financial assistance.

## Subpart C—Responsibilities of DOC Recipients

## § 20.7 General responsibilities.

Each DOC recipient has primary responsibility to ensure that its programs or activities are in compliance with the Act, the general regulations, and these regulations, and shall take steps to eliminate violation of the Act.

(a) Each DOC recipient will provide an assurance that the program or activity for which it is receiving Federal financial assistance will be conducted in compliance with all requirements for the Act and these and other DOC regulations. A recipient also has responsibility to maintain records, provide information, and to afford DOC reasonable access to its records and facilities to the extent necessary to determine whether it is in compliance with the Act and these regulations.

(b) *Recipient assessment of age distinctions.* (1) To assess the recipient's compliance with the Act, DOC may, as part of a compliance review under § 20.10 or a complaint investigation under § 20.11, require a recipient employing the equivalent or 15 or more employees, to complete, in a manner specified by the responsible Department official, a written self-evaluation of any age distinction imposed in its program or activity receiving Federal financial assistance from DOC.

(2) Whenever an assessment indicates a violation of the Act and the DOC regulations, the recipient shall take corrective action.

## § 20.8 Notice to subrecipients.

Where a recipient passes on Federal financial assistance from DOC to subrecipients, the recipient shall give subrecipients written notice of their obligations under the Act and these regulations.

**§ 20.9 Information requirements.**

Upon DOC's request, each recipient shall provide access and make information available for DOC to determine whether the recipient is complying with the Act and these regulations.

**Subpart D—Investigation, Conciliation, and Enforcement Procedures****§ 20.10 Compliance reviews.**

(a) DOC may conduct compliance reviews and pre-award reviews or use other similar procedures that will permit it to investigate and correct violations of the Act and these regulations. DOC may conduct such review even in the absence of a complaint against a recipient. The review may be as comprehensive as necessary to determine whether a violation of the Act and these regulations has occurred.

(b) If a compliance review of pre-award review indicates a violation of the Act or these regulations, DOC will attempt to achieve voluntary compliance with the Act. If voluntary compliance cannot be achieved, DOC will arrange for enforcement as described in § 20.15.

**§ 20.11 Complaints.**

(a) Any person, individually, or as a member of a class, or on behalf of others, may file a complaint with DOC alleging discrimination prohibited by the Act or these regulations based on an action occurring on or after July 1, 1979. A complainant shall file a complaint within 180 days from the date the complainant first had knowledge of the alleged act of discrimination. However, for good cause shown, DOC may extend this time limit.

(b) DOC will attempt to facilitate the filing of complaints wherever possible, including taking the following measures:

(1) Accepting as a sufficient complaint, any written statement which: identifies the parties involved and the date the complainant first had knowledge of the alleged violation; describes generally the action or practice complained of; and is signed by the complainant;

(2) Freely permitting a complainant to add information to the complaint to meet the requirements of a sufficient complaint;

(3) Considering as the filing date, the date on which a complaint is sufficient to be processed;

(4) Notifying the complainant and the recipient of their rights and obligations under the complaint procedure, including the right to have a representative at all stages of the process;

(5) Notifying the complainant and the recipient (or their representatives) of their right to contact DOC for information and assistance regarding the complaint resolution process.

(c) DOC will return to the complainant any complaint outside the jurisdiction of these regulations, and will state the reason(s) why it is outside the jurisdiction of these regulations.

**§ 20.12 Mediation.**

(a) DOC will refer to a mediation service designated by the Secretary all sufficient complaints that:

(1) Fall within the jurisdiction of the Act and these regulations, unless the age distinction complained of is clearly within an exception; and

(2) Contain all information necessary for further processing.

(b) Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or to make an informed judgment that an agreement is not possible.

(c) If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement and have the complainant and the recipient sign it. The mediator shall send a copy of the agreement to DOC. DOC will take no further action on the complaint unless the complainant or the recipient fails to comply with the agreement.

(d) The mediator is required to protect the confidentiality of all information obtained in the course of the mediation process. No mediator shall testify in any adjudicative proceeding, produce any document, or otherwise disclose any information obtained, in the course of the mediation process without prior approval of the head or the mediation service.

## § 20.13

(e) The mediation will proceed for a maximum of 60 days after a complaint is filed with DOC. Mediation ends if:

(1) 60 days elapse from the time DOC receives the complaint; *or*

(2) Prior to the end of that 60-day period, an agreement is reached; *or*

(3) Prior to the end of that 60-day period, the mediator determines that an agreement cannot be reached.

(f) The mediator shall return unresolved complaints to DOC.

### § 20.13 Investigation.

(a) Informal investigation:

(1) DOC will investigate complaints that are unresolved after mediation or are reopened because of a violation of a mediation agreement.

(2) As part of the initial investigation, DOC will use informal factfinding methods, including joint or separate discussions with the complainant and recipient, to establish the facts and, if possible, settle the complaint on terms that are mutually agreeable to the parties. DOC may seek the assistance of any involved State agency.

(3) DOC will put any agreement in writing and have it signed by the parties and an authorized official at DOC.

(4) The settlement shall not affect the operation of any other enforcement effort of DOC, including compliance reviews and investigation or other complaints which may involve the recipient.

(5) The settlement is not a finding of discrimination against a recipient.

(b) Formal investigation: If DOC cannot resolve the complaint through informal investigation, it will begin to develop formal findings through further investigation of the complaint. If the investigation indicates a violation of these regulations, DOC will attempt to obtain voluntary compliance. If DOC cannot obtain voluntary compliance, it will begin enforcement as described in § 8a.15.

### § 20.14 Prohibition against intimidation or retaliation.

A recipient may not engage in acts of intimidation or retaliation against any person who:

(a) Attempts to assert a right protected by the Act or these regulations; *or*

## 15 CFR Subtitle A (1-1-07 Edition)

(b) Cooperates in any mediation, investigation, hearing, or other part of DOC's investigation, conciliation, and enforcement process.

### § 20.15 Compliance procedure.

(a) DOC may enforce the Act and these regulations by:

(1) Terminating the Federal financial assistance to the recipient under the program or activity found to have violated the Act or these regulations. The determination of the recipient's violation may be made only after a recipient has had an opportunity for a hearing on the record before an administrative law judge. If a case is settled during mediation, or prior to hearing, Federal financial assistance to the program or activity will not be terminated.

(2) Any other means authorized by law including but not limited to:

(i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligations of the recipient created by the Act or these regulations.

(ii) Use of any requirement of or referral to any Federal, State, or local government agency that will have the effect of correcting a violation of the Act or these regulations.

(b) DOC will limit any termination under this section to the particular recipient and particular program or activity or part of such program or activity DOC finds in violation of these regulations. DOC will not base any part of a termination on a finding with respect to any program or activity of the recipient which does not receive Federal financial assistance from DOC.

(c) DOC will take no action under paragraph (a) until:

(1) The head of the organization providing the financial assistance has advised the recipient of its failure to comply with the Act and these regulations and has determined that voluntary compliance cannot be obtained.

(2) Thirty days have elapsed after the Secretary has sent a written report of the circumstances and grounds of the action to the committees of the Congress having legislative jurisdiction over the program or activity involved.

The Secretary will file a report whenever any action is taken under paragraph (a).

(d) DOC also may defer granting new Federal financial assistance to a recipient when a hearing under § 20.16 is initiated.

(1) New Federal financial assistance from DOC includes all assistance for which DOC requires an application or approval, including renewal or continuation of existing activities, or authorization of new activities, during the deferral period. New Federal financial assistance from DOC does not include increases in funding as a result of changed computation of formula awards or assistance approved prior to the beginning of a hearing under § 20.16.

(2) DOC will not begin a deferral until the recipient has received a notice of an opportunity for a hearing under § 20.16. DOC will not continue a deferral for more than 60 days unless a hearing has begun within that time, or the time for beginning the hearing has been extended by mutual consent of the recipient and the head of the organization providing Federal financial assistance. DOC will not continue a deferral for more than 30 days after the close of the hearing, unless the hearing results in a finding against the recipient.

(3) DOC will limit any deferral to the particular recipient and particular program or activity or part of such program or activity DOC finds in violation of these regulations. DOC will not base any part of a deferral on a finding with respect to any program or activity of the recipient which does not, and would not in connection with the new funds, receive Federal financial assistance for DOC.

**§ 20.16 Hearings, decisions, post-termination proceedings.**

Certain DOC procedural provisions applicable to Title VI of the Civil Rights Act of 1964 apply to DOC enforcement of these regulations. They are found in 15 CFR Part 8, § 8.12 and § 8.13.

**§ 20.17 Remedial action by recipients.**

(a) Where DOC finds that a recipient has discriminated on the basis of age, the recipient shall take any remedial

action that DOC may require to overcome the effects of the discrimination. If another recipient exercises control over the recipient that has discriminated, DOC may require both recipients to take remedial action.

(b) Even in the absence of a finding of discrimination, a recipient may take affirmative action to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity on the basis of age.

**§ 20.18 Alternative funds disbursement procedure.**

(a) When, under the provisions of these regulations, DOC terminates the funding of a recipient, the Secretary may, using undisbursed funds from the terminated award, make a new award to an alternate recipient, *i.e.* any public or non-profit private organization or agency, or State or political subdivision of the State.

(b) The Secretary will require any alternate recipient to demonstrate:

(1) The ability to comply with these regulations; and

(2) The ability to achieve the goals of the Federal statute authorizing the Federal financial assistance.

**§ 20.19 Private lawsuits after exhaustion of administrative remedies.**

(a) A complainant may file a civil action following the exhaustion of administrative remedies under the Act. Administrative remedies are exhausted if:

(1) 180 days have elapsed since the complainant filed the complaint and DOC has made no finding with regard to the complaint; or

(2) DOC issues any finding in favor of the recipient.

(b) If DOC fails to make a finding within 180 days or issues a finding in favor of recipient, DOC shall:

(1) Promptly advise the complainant of this fact; and

(2) Advise the complainant of his or her right to bring civil action for injunctive relief; and

(3) Inform the complainant that:

(i) The complainant may bring a civil action only in a United States district court for the district in which the recipient is located or transacts business;

(ii) A complainant prevailing in a civil action has the right to be awarded

the costs of the action, including reasonable attorney's fees, but that the complainant must demand these costs in the complaint;

(iii) Before commencing the action, the complainant shall give 30 days notice by registered mail to the Secretary, the Attorney General of the United States, and the recipient;

(iv) The notice shall contain the alleged violation of the Act, the relief requested, the court in which the complainant is bringing the action, and whether or not attorney's fees are demanded in the event the complainant prevails; and

(v) The complainant may not bring an action if the same alleged violation of the Act by the same recipient is the subject of a pending action in any court of the United States.

### § 21.1 Definitions.

For purposes of this subpart:

(a) The term *administrative offset* means satisfying a debt by withholding

of money payable by the Department to, or held by the Department on behalf of a person, to satisfy a debt owed the Federal Government by that person.

(b) The term *person* includes individuals, businesses, organizations and other entities, but does not include any agency of the United States, or any State or local government.

(c) The terms *claim* and *debt* are deemed synonymous and interchangeable. They refer to an amount of money or property which has been determined by an appropriate agency official to be owed to the United States from any person, organization, or entity, except another Federal agency, a State or local government, or Indian Tribal Government.

(d) *Agency* means:

(1) An Executive department, military department, Government corporation, or independent establishment as defined in 5 U.S.C. 101, 102, 103, or 104, respectively.

(2) The United States Postal Service; or

(3) The Postal Rate Commission.

(e) *Debtor* means the same as "person."

(f) *Department* means the Department of Commerce.

(g) *Secretary* means the Secretary of the Department of Commerce.

(h) *Assistant Secretary for Administration* means the Assistant Secretary for Administration of the Department of Commerce.

(i) *United States* includes an "agency" of the United States.

(j) *Waiver* means the cancellation, remission, forgiveness, or non-recovery of a debt allegedly owed by a person to the United States.

(k) *Departmental unit* means an individual operating or administrative component within the Department of Commerce.

(l) *Departmental unit head* means the head of an individual operating or administrative component within the Department of Commerce responsible for debt collection.

(m) *Notice of Intent* means a demand notice sent by the Department to the debtor indicating not only the amount due, but also the Department's intent to offset all or some of the amount due

from other source(s) of Federal payment(s) that may be due the debtor.

(n) *Workout group* means Departmental debt collection specialist(s) assigned to collection of a delinquent debt when the claim is 30 or more days past due.

#### § 21.2 Purpose and scope.

(a) The regulations in this subpart establish procedures to implement section 10 of the Debt Collection Act of 1982 (Pub. L. 97-365), 31 U.S.C. 3716. Among other things, this statute authorizes the heads of each agency to collect a claim arising under an agency program by means of administrative offset, except that no claim may be collected by such means if outstanding for more than 10 years after the agency's right to collect the debt first accrued, unless facts material to the Government's right to collect the debt were not known and could not reasonably have been known by the official or officials of the Government who were charged with the responsibility to discover and collect such debts.

(b) Unless otherwise provided for by statute, these regulations do not apply to an agency of the United States, a State government, or unit of general local government. In addition, these procedures do not apply to debts arising under the Internal Revenue Code (26 U.S.C. 1-9602), the Social Security Act (42 U.S.C. 301-1397f), the tariff laws of the United States; or to contracts covered by the Contract Dispute Act of 1978 (41 U.S.C. 601-613).

(c) The regulations cover debts owed to the United States from any person, organization or entity, including debts owed by current and former Department employee, or other Federal employees, while employed in one capacity or another by the Department of Commerce.

(d) Debts or payments which are not subject to administrative offset under 31 U.S.C. 3716, unless otherwise provided for by contract or law, may be collected by administrative offset under the common law or other applicable statutory authority.

(e) Departmental unit head (and designees) will use administrative offset to collect delinquent claims which are certain in amount in every instance

and which collection is determined to be feasible and not prohibited by law.

#### § 21.3 Department responsibilities.

(a) Each Departmental unit which has delinquent debts owed under its program is responsible for collecting its claims by means of administrative offset when appropriate and best suited to further and protect all the Government's interests.

(b) The Departmental unit head (or designee) will determine the feasibility and cost effectiveness of collection by administrative offset on a case-by-case basis, exercising sound discretion in pursuing such offsets, and will consider the following:

- (1) The debtor's financial condition;
- (2) Whether offset would substantially interfere with or defeat the purposes of the Federal program authorizing the payments against which offset is contemplated; and
- (3) Whether offset best serves to further and protect all of the interests of the United States.

(c) Before advising the debtor that the delinquent debt will be subject to administrative offset, the Departmental unit workout group shall review the claim and determine that the debt is valid and overdue. In the case where a debt arises under the programs of two or more Department of Commerce units, or in such other instances as the Assistant Secretary for Administration or his/her designee may deem appropriate, the Assistant Secretary, or his or her designee, may determine which Departmental unit workout group or official(s) shall have responsibility for carrying out the provisions of this subpart.

(d) Administrative offset shall be considered by Department units only after attempting to collect a claim under section 3(a) of the Federal Claims Collection Act of 1966, as amended; except that no claim under this Act that has been outstanding for more than 10 years after the debt first accrued may be collected by means of administrative offset, unless facts, material to the right to collect the debt, were not known and could not reasonably have been known by the official of the Department who was charged with

## § 21.4

the responsibility to discover and collect such debts. When the debt first accrued should be determined according to existing laws regarding the accrual of debts, such as under 28 U.S.C. 2415.

### § 21.4 Notification requirements before offset.

A debt is considered delinquent by the Department if it is not paid within 15 days of the due date, or if there is no due date, within 30 days of the billing date.

(a) The Departmental unit head (and designees) responsible for carrying out the provisions of this subpart with respect to the debt shall ensure that appropriate written demands are sent to the debtor in terms which inform the debtor of the consequences of failure to cooperate in payment of the debt. The first demand letter should be sent within ten (10) days after the date the debt becomes delinquent. A total of three progressively stronger written demand letters, at not more than 30 calendar day intervals, will normally be made unless (1) a response to the first or second demand indicates that a further demand would be futile; (2) the debtor's response does not require any or immediate rebuttal; and/or (3) the bureau determines to pursue offset under the procedures specified in 4 CFR 102.3, Collection by Administrative Offset. In determining the timing of the demand letters, Departmental unit heads should give due regard to the need to act promptly; so as a general rule, if it is necessary to refer the debt to the Department of Justice for action, such referral can be made within one year of the final determination of the facts and the amount of the debt. When Departmental unit heads (and designees) deem it appropriate to protect the Government's interests (for example, to prevent the statute of limitations, 28 U.S.C. 2415, from expiring), written demand for payment may be preceded by other appropriate collection actions (also see § 21.10(c)).

(b) The Department official responsible for collection of the debt (generally an accounting or finance officer) shall ensure that an initial written demand notice is sent to the debtor, informing such debtor of:

## 15 CFR Subtitle A (1-1-07 Edition)

(1) The amount and basis for the indebtedness and whatever rights the debtor may have to seek review within the Department;

(2) The applicable standards for assessing interest, penalties, and administrative costs (4 CFR 102.13);

(3) That the debtor has a right to inspect and copy Department records related to the debt, as determined by responsible Departmental official(s), and that such request to inspect and copy must be postmarked or received by the Department no later than 30 days after the date of the (first) demand letter;

(4) The name, mailing address, and telephone number of the Department workout group employee who can provide a full explanation of the claim and answer all related questions, as well as explain procedures to the debtor for inspecting and copying records related to the debt.

(c) The responsible Department officials shall exercise due care to insure that demand letters are mailed or hand delivered on the same day that they are actually dated. If evidence suggests that the debtor is no longer located at the address of record, reasonable action shall be taken by the Departmental unit workout group to obtain a current address, including skip-trace assistance from the Internal Revenue Service and/or private sector credit reporting bureaus.

(d) Where applicable, the Departmental unit workout group must inform the debtor in a second demand letter, (Notice of Intent) of:

(1) The nature and amount of the debt;

(2) That the Department intends to collect the debt by administrative offset until the debt and all accumulated interest and other charges are paid in full;

(3) That the debtor has a right to obtain review within the Department of the initial determination of indebtedness, and that such request to have a review of the basis of indebtedness must be postmarked or received by the Department no later than 30 days after the date of the second demand letter (Notice of Intent); and

(4) That the debtor may enter into a written agreement with the responsible Department official(s) to repay the

debt if such a request is made and received by the Department no later than 30 days after the date of the second demand letter (Notice of Intent).

If the sum of the proposed offset does not fully cover the amount of the debt owed, the Departmental unit workout group shall also include in this second demand letter (Notice of Intent) the notice provisions to debtors required by the Debt Collection Act of 1982, and other regulations of the Department, pertaining to disclosure of the delinquent debt to credit reporting agencies, referral to private collection agencies, salary offset, possible Internal Revenue Service offset of tax refunds, and referral of the debt to the Justice Department for action to the extent inclusion of such is appropriate and practical.

(5) That if payment or a request for review is not received within the 30-day period, the offset process will be initiated.

#### **§21.5 Exceptions to notification requirements.**

(a) In cases where the notice specified in §21.4 has previously been provided to the debtor in connection with the same debt under some other proceeding, such as a final audit resolution determination, the Department is not required to duplicate those requirements before effecting administrative offset.

(b) If the time before payment is to be made to the debtor does not reasonably permit the completion of the procedures specified in §21.4, and failure to take offset would substantially prejudice the Government's ability to collect the debt, then administrative offset action will be taken without notification. The offset will be promptly followed by the completion of the procedures specified in §21.4 (also see §21.10(c)).

#### **§21.6 Written agreement to repay debt.**

(a) A debtor will be provided with an opportunity to enter into a written agreement with the responsible Departmental official(s) to repay the debt owed if the following conditions are met and if specific conditions exist that limit his or her ability to immediately repay the debt.

(1) *Notification by debtor.* The debtor may, in response to the first written demand or Notice of Intent, propose a written agreement for delayed lump sum or installment payments to repay the debt as an alternative to administrative offset. Any debtor who wishes to do this must submit a proposed written agreement signed by the debtor to repay the debt, including interest, penalties, and administrative costs determined by the Department as due. This proposed written agreement must be received by the workout group individual specified in §21.4(b)(4) within 60 calendar days of the date of the Department's initial written demand letter, or if in response to the Notice of Intent, within 30 calendar days of the date of the Department's Notice of Intent.

(2) *Department response.* In response to timely notification by the debtor as described in paragraph (a)(1) of this section, the Departmental unit head (or designee) will notify the debtor within 30 calendar days whether the debtor's proposed written agreement for repayment is acceptable. It is within the discretion of the Departmental unit head (or designee) to accept a repayment agreement instead of proceeding by offset. However, if the debt is delinquent and the debtor has not disputed its existence or amount, the Departmental unit head (or designee) should accept a repayment agreement instead of offset only if the debtor is able to establish that offset would result in undue financial hardship or would be against equity and good conscience. Before accepting a repayment agreement, the Departmental unit head (or designee) will also consider factors such as the financial statements provided by the debtor, the amount of the debt, the length of the proposed repayment period (generally not to exceed 3 years), whether the debtor is willing to sign a confess-judgment note or give collateral, and past dealings with the debtor. In making this determination, the Departmental unit head (or designee) will balance the Department's interest in collecting the debt against the financial hardship to the debtor (see §21.18). A Departmental unit head (or designee) may deem a repayment plan to be abrogated if the

**§21.7**

debtor should, after the repayment plan is signed, fail to comply with the terms of the plan.

(b) [Reserved]

**§21.7 Review of Department records related to the debt.**

(a) *Notification by debtor.* A debtor who intends to inspect or copy Department records related to the debt must send a letter to the Departmental unit workout group employee specified in §21.4(b)(4) stating his or her intentions. The letter must be postmarked or received by the Department within 30 calendar days of the date of the Department's first demand letter.

(b) *Department response.* In response to timely notification by the debtor as described in paragraph (a) of this section, the Departmental unit workout group will notify the debtor within 10 days of the request of the location and time when the debtor may inspect or copy agency records related to the debt, as well as provide the debtor with the name and telephone number of the contact person who may provide assistance to the debtor for ensuring that copies are made of all appropriate documents related to the debt. The debtor may also request that such records be copied and mailed. The responsible Department official(s) will provide access to records within 15 days from the date of the debtor's request for access, or mail the records to the debtor within such time period. Mailing of records by Departmental official(s) will be by certified or registered mail. The debtor will have 25 days from the date of access or 30 days from the date the records were mailed, to review the records and pay the debt or to petition the Department of a review of the determination of indebtedness.

**§21.8 Review within the Department of a determination of indebtedness.**

(a) *Notification by debtor.* A debtor who receives an initial demand for payment under the procedures, or a Notice of Intent (see §21.4(d)), has the right to request Department review of the determination of indebtedness. To exercise this right, the debtor must send a letter requesting review to the Departmental unit workout group individual identified in §21.4(b)(4). The letter

must explain why the debtor seeks review and must be postmarked within 60 calendar days of the date of the first demand letter, (or 30 days from the Notice of Intent), or if a request has been made by the debtor to copy or have relevant records mailed, within the calendar-day time period provided in §21.7(b), above.

(b) *Department response.* In response to a timely request for review of the initial determination of indebtedness, the Departmental unit head (or designee) will notify the debtor whether review will be by (1) oral hearing, or (2) by administrative review of the record. The notice to the debtor will include the procedures (see §21.11) used by Departmental officials for administrative review of the record, or will include information on the date, location and procedures to be used if review is by an oral hearing.

**§21.9 Types of reviews.**

The Department will provide the debtor with an opportunity for an oral hearing, or an administrative review of the documentation relating to the debt, under the following conditions.

(a) *Oral hearing.* The Departmental unit head (or designee) will provide the debtor with a reasonable opportunity for hearing if:

(1) An applicable statute authorizes or requires the Department to consider waiver of the indebtedness, the debtor requests waiver of the indebtedness involved, and the waiver determination turns on credibility or veracity; or

(2) The debtor requests reconsideration of the debt and the Departmental unit head (or designee) determines that the question of the indebtedness cannot be resolved by review of the documentary evidence.

An oral hearing need not be a formal (evidentiary type) hearing. However, hearing officials should carefully document all significant matters discussed at the hearing.

(b) *Administrative review of written record.* Unless the Departmental unit head (or designee) determines that an oral hearing is required (see paragraph (a) of this section), the unit head (or designee) will provide for a review of the written record(s) (a review of the

## Office of the Secretary, Commerce

## §21.12

documentary evidence related to the debt, in the form of a “paper hearing”).

### §21.10 Review procedures.

(a) The oral hearing will be conducted as follows:

(1) The hearing official will take necessary steps to ensure that the hearing is conducted in a fair and expeditious manner. If necessary, the hearing officer may administer oaths of affirmation.

(2) The hearing official need not use the formal rules of evidence with regard to admissibility of evidence or the use of evidence once admitted. However, parties may object to clearly irrelevant material.

(3) The hearing official will record all significant matters discussed at the hearing. There will be no “official” record or transcript provided for these hearings.

(4) A debtor may represent himself or herself or may be represented by an attorney or other person. The Department will be represented by the General Counsel or his designee.

(5) The General Counsel (or designee) will proceed first by presenting evidence on the relevant issues. The debtor then presents his or her evidence regarding these issues. The General Counsel then may offer evidence to rebut or clarify the evidence introduced by the debtor.

(b) *Administrative review of the record:* The Departmental unit head (or designee) will designate an official of the Department as hearing official who will review administrative determinations of indebtedness which are not reviewable under criteria provided in §21.9(a) for justifying an oral hearing. The hearing official will review all material related to the debt which is in the possession of the Department. The hearing official will make a determination based upon a review of this written record, which may include a request for reconsideration of the determination of indebtedness, or such other relevant material submitted by the debtor.

(c) The Department may effect an administrative offset against a payment to be made to a debtor prior to the completion of any of the due process procedures required by this section, if

failure to take the offset would substantially prejudice the Department’s ability to collect the debt. For example, if the time before the payment is to be made to the debtor by another Federal department or agency would not reasonably permit the completion of due process procedures, the offset may be accomplished by the Department. Such offset prior to completion of due process review hearing will be promptly followed by the completion of review and decision by the hearing official on the validity of the debt. Amounts recovered by offset in these instances, but later found not owed to the agency, will be promptly refunded.

### §21.11 Determination of indebtedness.

(a) Following the hearing or the review of the record, the hearing official will issue a written decision which includes the supporting rationale for the decision. The decision of the hearing official is the Department unit’s final action with regard to the particular administrative offset.

(b) Copies of the hearing official’s decision will be distributed to the General Counsel (or designee) for the Department, the Director of the Department’s Office of Finance and Federal Assistance, the appropriate Departmental unit accounting/finance officer, the debtor and the debtor’s attorney or other representative, if applicable.

(c) If appropriate, this decision shall inform the debtor of the scheduled date on or after which administrative offset will begin. The decision shall also, if appropriate, indicate any changes in the information to the extent such information differs from that provided in the initial notification under §21.4.

### §21.12 Coordinating administrative offset within the Department and with other Federal agencies.

Departmental units will cooperate with other Federal departments and agencies in effecting collection by administrative offset. Whenever possible, Departmental units should comply with requests from within the Department and from other Federal agencies to initiate administrative offset procedures to collect debts owed the United States, unless the requesting office or

### §21.13

agency has not complied with the Federal Claims Collections Standards, or the agency's implementing regulations, or the request would otherwise be contrary to law or the best interests of the United States.

(a) *When the Department is owed the debt.* When the Department is owed a debt, but another Federal agency is responsible for making the payment to the debtor against which administrative offset is sought, the other agency will not initiate the requested administrative offset until the Department provides responsible officials at that agency with a written certification that the debtor owes the Department a debt (including the amount and basis for the debt and the due date of the payment) and that the Department has complied with the applicable provisions of Part 102, "Standards for the Administrative Collection of Claims," of the Federal Claims Collection Standards, as well as the Department's implementing regulations on administrative offsets.

(b) When another agency is owed the debt. The Department may administratively offset money it owes to a person who is indebted to another agency if requested to do so by that agency. Such a request must be accompanied by a certification by the requesting agency that the person owes the debt (including the amount and basis for the debt) and that the creditor agency has complied with the applicable Federal Claims Collection Standards, as well as the agency implementing regulations on administrative offsets. The request from another Federal agency for Department cooperation in the offset should be sent to:

Director, Office of Finance and Federal Assistance, Room 6827, Herbert C. Hoover Building, Washington, DC 20230

### §21.13 Procedures for administrative offset: single debts.

(a) Administrative offset will commence 31 days after the date of the Notice of Intent, unless the debtor has requested a hearing (see §21.8) or has entered into a repayment agreement (see §21.6).

(b) When there is review of the debt within the Department, administrative offset will begin after the hearing offi-

### 15 CFR Subtitle A (1-1-07 Edition)

cer's determination has been issued under §21.11 and a copy of the determination is received by the Departmental unit's accounting or finance office, except for the provision provided in §21.10(c) when immediate action is determined necessary to ensure the Department's position in collection of the delinquent debt.

### §21.14 Procedures for administrative offset: multiple debts.

The Departmental units will follow the procedures identified in (§21.13) for the administrative offset of a single debt. However, when collecting multiple debts by administrative offset, responsible Departmental officials should apply the recovered amounts to those debts in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

### §21.15 Administrative offset against amounts payable from Civil Service Retirement and Disability Fund.

(a) Unless otherwise prohibited by law, the Department may request that monies which are due and payable to a debtor from the Civil Service Retirement and Disability Fund be administratively offset in reasonable amounts in order to collect debts owed to the United States by the debtor. Such requests shall be made by the Departmental unit workout officials to the appropriate officials of the Office of Personnel Management (OPM) in accordance with their regulations and procedures.

(b) When making a request for administrative offset under paragraph (a) of the section, the responsible workout group debt collection official shall include a written certification that:

(1) The debtor owes the United States a debt, including the amount and basis for the debt;

(2) The Department has complied with all applicable statutes, regulations, and procedures of the Office of Personnel Management; and

(3) The Department has complied with the requirements of the applicable

provisions of the Federal Claims Collection Standards and these regulations, including any required hearing or review.

(c) If a Departmental unit workout group decides to request administrative offset under paragraph (a) of this section, the responsible debt collection official should make the request as soon as practical after completion of the applicable due process procedures so the Office of Personnel Management may identify and “flag” the debtor’s account in anticipation of the time when the debtor becomes eligible and requests to receive payments from the fund. This will satisfy any requirement that offset be initiated prior to expiration of the applicable statute of limitations. At such time as the debtor makes a claim for payments from the fund, and if at least a year has elapsed since the administrative offset request was originally made, the debtor should be permitted to offer a satisfactory repayment plan in lieu of offset upon establishing to the appropriate Departmental unit head (or designee) that changed financial circumstances would render the offset unjust.

(d) If the Department collects part or all of the debt by other means before deductions are made or completed under paragraph (a) of this section, the Department official responsible for collecting the debt will act promptly to modify or terminate the agency’s request for administrative offset under paragraph (a) of this section.

(e) In accordance with procedures established by the Office of Personnel Management, the Department may request an offset from the Civil Service Retirement and Disability Fund prior to completion of due process procedures.

#### **§21.16 Collection against a judgment.**

Collection by administrative offset against a judgment obtained by a debtor against the United States shall be accomplished in accordance with 31 U.S.C. 3728.

#### **§21.17 Liquidation of collateral.**

If the Department holds security or collateral which may be liquidated through the exercise of a power of sale in the security instrument, or a non-

judicial foreclosure, liquidation should be accomplished by such procedures if the debtor fails to pay the debt within a reasonable time after demand or pursuant to the contract of the parties, unless the cost of disposing of the collateral would be disproportionate to its value or special circumstances require judicial foreclosure. The Department collection official should provide the debtor with reasonable notice of the sale, an accounting of any surplus proceeds, and any other procedures required by contract or law. Collection from other sources, including liquidation of security or collateral, is not a prerequisite to requiring payment by a surety or insurance concern unless such action is expressly required by statute or contract.

#### **§21.18 Collection in installments.**

(a) Whenever feasible, and unless otherwise provided by law, debts owed to the United States, together with interest, penalties, and administrative costs should be collected in one lump sum. This is true whether the debt is being collected by administrative offset or by another method, including voluntary payment. However, if the debtor is financially unable to pay the indebtedness in one lump sum, the responsible Departmental official(s) may accept repayment in regular installments (See §21.6). Prior to approving such repayments, financial statements shall be required from the debtor who represents that he/she is unable to pay the debt in one lump sum. A responsible Departmental official who agrees to accept payment in regular installments should obtain a legally enforceable written agreement from the debtor which specifies all of the terms of the arrangement and which contains a provision accelerating the debt in the event the debtor defaults. The size and frequency of installment payments should bear a reasonable relationship to the size of the debt and the debtor’s ability to pay. If possible, the installment payments should be sufficient in size and frequency to liquidate the Government’s claim in not more than three years. Installment payments of less than \$50 per month should be accepted only if justifiable on the grounds of financial hardship or for

## §21.19

some other reasonable cause. If the debt is an unsecured claim for administrative collection, attempts should be made to obtain an executed confess-judgment note, comparable to the Department of Justice Form USA-70a, from a debtor when the total amount of the deferred installments will exceed \$750. Such notes may be sought when an unsecured obligation of a lesser amount is involved. When attempting to obtain confess-judgment notes, Departmental units should provide their debtors with written explanation of the consequences of signing the note, and should maintain documentation sufficient to demonstrate that the debtor has signed the note knowingly and voluntarily. Security for deferred payments other than a confess-judgment note may be accepted in appropriate cases. A Departmental units head (or designee) may accept installment payments notwithstanding the refusal of a debtor to execute a confess-judgment note or to give other security.

(b) If the debtor owes more than one debt and designates how a voluntary installment payment is to be applied as among those debts, that designation must be followed. If the debtor does not designate the application of the payment, the Department debt collection official should apply payments to the various debts in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

### §21.19 Additional administrative collection action.

Nothing contained in this subpart is intended to preclude the utilization of any other administrative remedy which may be available.

(a) These regulations provide Department procedures for collection by salary offset of a Federal employee's pay to satisfy certain debts owed the Government.

(b) These regulations apply to collections by the Secretary from:

- (1) Federal employees who owe debts to the Department; and
- (2) Current employees of the Department who owe debts to other agencies.

(c) These regulations do not apply to debts or claims arising under the Internal Revenue Code of 1954, as amended (26 U.S.C. 1 *et seq.*); the Social Security Act (42 U.S.C. 301 *et seq.*); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g., travel advances in 5 U.S.C. 5705 and employee training expenses in 5 U.S.C. 4108).

(d) These regulations do not apply to any adjustment to pay arising out of an employee's election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less.

(e) Nothing in these regulations precludes the compromise, suspension, or termination of collection actions where appropriate.

In determining that an employee is indebted, the Secretary will review the debt to make sure that it is valid and past due.

### § 22.5 Notice requirements before offset.

Except as provided in § 22.1, deductions will not be made unless the Secretary provides the employee with a minimum of 30 calendar days written notice. This Notice of Intent to offset an employee's salary (Notice of Intent) will state:

### § 22.6 Request for hearing-prehearing submission(s).

(a) An employee must file a petition for a hearing in accordance with the instructions in the Notice of Intent. This petition must be filed by the time stated in the notice described in § 22.5 if an employee wants a hearing concerning:

(1) The existence or amount of the debt; or

(2) The Secretary's proposed offset schedule.

(b) If the employee files his or her required submissions within 5 days after the deadline date established under § 22.5 and the hearing official finds that the employee has shown good cause for failure to comply with the deadline date, the hearing official may find that an employee has not waived his or her right to a hearing.

### § 22.7 Hearing procedures.

(a) The hearing will be presided over by either:

(1) A Department administrative law judge; or

(2) A hearing official not under the control of the Secretary.

(b) The hearing shall conform to § 102.3(c) of the Federal Claims Collection Standards (4 CFR 102.3(c)).

(c)(1) If the Secretary's determination regarding the existence or amount of the debt is contested, the burden is on the employee to demonstrate that the Secretary's determination was erroneous.

(2) If the hearing official finds the Secretary's determination of the amount of the debt was erroneous, the hearing official shall indicate the amount owed by the employee, if any.

(d)(1) If the Secretary's offset schedule is contested, the burden is on the employee to demonstrate that the payments called for under the Secretary's schedule will produce an extreme financial hardship for the employee under § 22.9.

(2) If the hearing official finds that the payments called for under the Secretary's offset schedule will produce an extreme financial hardship for the employee, the hearing official shall establish an offset schedule that will result in the repayment of the debt in the shortest period of time without producing an extreme financial hardship for the employee.

**§ 22.8 Written decision following a hearing.**

(a) The hearing official shall issue to the Secretary and the employee a written opinion stating his or her decision, with a rationale supporting that decision, as soon as practicable after the hearing, but not later than 60 days after the employee files the petition requesting the hearing as provided in § 22.5(i).

(b) The written decision following a hearing will include:

(1) A statement of the facts presented to support the nature and origin of the alleged debt;

(2) The hearing official's analysis, findings, and conclusions, in light of the hearing, concerning the employee's or the Department's grounds;

(3) The amount and validity of the alleged debt; and

(4) The repayment schedule if applicable.

(c) In determining whether the Secretary's determination of the existence or amount of the employee's debt was

erroneous, the hearing official is governed by the relevant Federal statutes and regulations authorizing and implementing the programs giving rise to the debt, and by State law, if relevant.

**§ 22.9 Standards for determining extreme financial hardship.**

(a)(1) An offset produces an extreme financial hardship for an employee if the offset prevents the employee from meeting the costs necessarily incurred for essential subsistence expenses of the employee and his or her spouse and dependents.

(2) Ordinarily, essential subsistence expenses include only costs incurred for food, housing, clothing, transportation, and medical care.

(b) In determining whether an offset would prevent the employee from meeting the essential subsistence expenses described in paragraph (a) of this section, the hearing official shall require that the employee submit a detailed financial statement showing assets, liabilities, income and expenses.

**§ 22.10 Review of Departmental records related to the debt.**

(a) *Notification by employee.* An employee who intends to inspect or copy Departmental records related to the debt must make arrangements in conformance with the instructions in the Notice of Intent.

(b) *Secretary's response.* In response to a timely request submitted by the debtor, as described in paragraph (a) of this section, the Secretary will notify the employee of the location and time when the employee may inspect and copy Departmental records related to the debt.

**§ 22.11 Coordinating offset with another Federal agency.**

(a) *When Commerce is owed the debt.* When the Department is owed a debt by an employee of another agency, the Department will submit a written request to the paying agency to begin salary offset. This request will include certification as to the debt (including the amount and basis of the debt and the due date of the payment) and that the Department has complied with these regulations.

## § 22.12

(b) *When another agency is owed the debt.* The Department will use salary offset against one of its employees who is indebted to another agency if requested to do so by that agency. Such a request must be accompanied by a certification by the requesting agency that the person owes the debt (including the amount) and that the procedural requirements of 5 U.S.C. 5514 and 5 CFR part 550, subpart K, have been met.

(c) Requests by another Federal Department or agency for Department cooperation in offsetting the salary of one of its employees must be directed to the Director for Personnel and Civil Rights, Room 5001, U.S. Department of Commerce, Herbert C. Hoover Building, 14th and Constitution Ave., NW., Washington, DC 20230.

### § 22.12 Procedures for salary offset— When deductions may begin.

(a) Deductions to liquidate an employee's debt will be by the method and in the amount stated in the Secretary's Notice of Intent to collect from the employee's current pay.

(b) If the employee filed a timely petition for hearing, deductions will begin after the hearing official has provided the employee with a hearing, and the final written decision is in favor of the Secretary.

(c) If an employee retires or resigns before collection of the amount of the indebtedness is completed, the remaining indebtedness will be collected according to the procedures for administrative offset (15 CFR 21).

### § 22.13 Procedures for salary offset— Types of collection.

A debt will be collected in a lump-sum or in installments. Collection will be by lump-sum collections unless the amount of the debt exceeds 15 percent of disposable pay. In these cases, deduction will be by installments.

### § 22.14 Procedures for salary offset— Methods of collection.

(a) *General.* A debt will be collected by deductions at officially established pay intervals from an employee's current pay account, unless the employee and the Secretary agree to alternative arrangements for repayment.

## 15 CFR Subtitle A (1–1–07 Edition)

(b) *Installment deductions.* Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee's ability to pay. However, the amount deducted for any period will not exceed 15 percent of the disposable pay from which the deduction is made; unless the employee has agreed in writing to the deduction of a greater amount. If possible, the installment payment will be sufficient in size and frequency to liquidate the debt in three years. Installment payments of less than \$25 per pay period or \$50 a month will be accepted only in the most unusual circumstances.

(c) *Sources of deductions.* The Department will make deductions from the employee's pay.

### § 22.15 Procedures for salary offset— Imposition of interest, penalties, and administrative costs.

These charges will be made on installment payments in accordance with the Office of Personnel Management regulations (5 CFR 550.1104(n)) and the requirements contained in the FCCS (4 CFR 102.13).

### § 22.16 Non-waiver of rights.

So long as there are no statutory or contractual provisions to the contrary, no employee involuntary payment (of all or a portion of a debt) collected under these regulations will be interpreted as a waiver of any rights that the employee may have under 5 U.S.C. 5514, these implementing regulations, or any other provision of contract or law.

### § 22.17 Refunds.

The Department will refund promptly to the appropriate individual amounts offset under these regulations when:

(a) A debt is waived or otherwise found not owing the United States (unless expressly prohibited by statute or regulation); or

(b) The Department is directed by an administrative or judicial order to refund amounts deducted from the employee's current pay.

**§ 23.3 Plan.**

(a) The Department of Commerce will supplement and expand the national effort to assist in the location and recovery of missing children through the economical use of missing children information in domestic penalty mail directed to the public and Federal employees.

(b) The Department of Commerce may include, on or inside authorized types of penalty mail, pictures and biographical data related to missing children, provided such use is determined to be cost effective. The authorized types of penalty mail include:

- (1) All envelopes; and
- (2) Self-mailer publications (newsletters, bulletins, etc.) with a shelf-life of no more than 90 days.
- (c) The manner in which pictures and biographical data may be used includes:

(1) Printing on envelopes at the time they are initially printed with the United States Postal Service (USPS) required postal code identification;

(2) Printed inserts that are placed in envelopes along with other mailing material;

(3) Stickers that are printed and placed on envelopes prior to mailing; and

(4) Printing as part of the content of self-mailers such as bureau newsletters, bulletins, etc.

(d) Missing children information will not be placed on letter-size envelopes in the areas described as the "Penalty Indicia Area," "OCR Read Area," "Bar Code Read Area," and "Return Address Area" per Appendix A of the OJJDP guidelines.

(e) The National Center for Missing and Exploited Children (National Center) will be the sole source from which the Department of Commerce will obtain the camera-ready and other photographic and biographical materials for use by organizational units. Photographs which were reasonably current as of the time of the child's disappearance shall be the only acceptable form of visual media or pictorial likeness used on or in penalty mail.

(f) The Department of Commerce will remove all printed penalty mail envelopes and other materials from circulation or other use (*i.e.*, use or destroy) within 90 days of notification by the National Center of the need to withdraw penalty mail envelopes and other materials related to a particular child from circulation. The Department of Commerce will not include missing children information on blank pages or covers of items such as those to be included in the Superintendent of Documents' Sales Program, or to be distributed to Depository Libraries, as such material generally could not be withdrawn from use within 90 days of notification. The National Center will be responsible for immediately notifying the Department Contact Person, in writing, of the need to withdraw from circulation penalty mail envelopes and other materials related to a particular child.

(g) The Department of Commerce will give priority:

**§ 23.4**

(1) To penalty mail that is addressed to the public for receipt in the United States, its territories and possessions; and

(2) To inter- and intra-agency publications and other media that will be widely disseminated to and viewed by Federal employees.

(h) All suggestions and/or recommendations for innovative, cost-effective techniques should be forwarded to the Department Contact Person. The Department Contact Person shall conduct biannual meetings of departmental representatives to discuss the current plan and recommendations for future plans.

(i) This shall be the sole regulation implementing this program for the Department of Commerce.

**§ 23.4 Cost and percentage estimates.**

It is estimated that this program will cost the Department of Commerce \$39,530 in the first year. It is the Department of Commerce's estimate that 9% of its penalty mail will transmit missing children photographs and information when the program is fully implemented.

**§ 23.5 Report to the Office of Juvenile Justice and Delinquency Prevention.**

The Department of Commerce will compile and submit a consolidated report to OJJDP, by June 30, 1987, on its experience in implementation of 39 U.S.C. 3220(a) (2), the OJJDP guidelines, and the Department of Commerce's regulation. This report will cover the period from December 24, 1986 through March 31, 1987, and provide detail on:

(a) The Department of Commerce's experience in implementation (including problems encountered), successful and/or innovative methods adopted to use missing children photographs and information on or in penalty mail, the estimated number of pieces of penalty mail containing such information, and the percentage of total penalty mail directed to the public which included missing children information.

(b) The estimated total cost to implement the program, with supporting detail, and

(c) Recommendations for changes in the program to make it more effective.

**§ 23.6 Definitions.**

SOURCE: 53 FR 8048, 8087, Mar. 11, 1988, unless otherwise noted.

**Subpart A—General****§ 24.1 Purpose and scope of this part.**

This part establishes uniform administrative rules for Federal grants and cooperative agreements and subawards to State, local and Indian tribal governments.

**§ 24.2 Scope of subpart.**

This subpart contains general rules pertaining to this part and procedures for control of exceptions from this part.

**§ 24.3 Definitions.**

As used in this part:

*Accrued expenditures* mean the charges incurred by the grantee during a given period requiring the provision of funds for: (1) Goods and other tangible property received; (2) services performed by employees, contractors, subgrantees, subcontractors, and other payees; and (3) other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit payments.

*Accrued income* means the sum of: (1) Earnings during a given period from services performed by the grantee and goods and other tangible property delivered to purchasers, and (2) amounts becoming owed to the grantee for which no current services or performance is required by the grantee.

*Acquisition cost* of an item of purchased equipment means the net invoice unit price of the property including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property

usable for the purpose for which it was acquired. Other charges such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the grantee's regular accounting practices.

*Administrative* requirements mean those matters common to grants in general, such as financial management, kinds and frequency of reports, and retention of records. These are distinguished from *programmatic* requirements, which concern matters that can be treated only on a program-by-program or grant-by-grant basis, such as kinds of activities that can be supported by grants under a particular program.

*Awarding agency* means (1) with respect to a grant, the Federal agency, and (2) with respect to a subgrant, the party that awarded the subgrant.

*Cash contributions* means the grantee's cash outlay, including the outlay of money contributed to the grantee or subgrantee by other public agencies and institutions, and private organizations and individuals. When authorized by Federal legislation, Federal funds received from other assistance agreements may be considered as grantee or subgrantee cash contributions.

*Contract* means (except as used in the definitions for *grant* and *subgrant* in this section and except where qualified by *Federal*) a procurement contract under a grant or subgrant, and means a procurement subcontract under a contract.

*Cost sharing or matching* means the value of the third party in-kind contributions and the portion of the costs of a federally assisted project or program not borne by the Federal Government.

*Cost-type contract* means a contract or subcontract under a grant in which the contractor or subcontractor is paid on the basis of the costs it incurs, with or without a fee.

*Equipment* means tangible, non-expendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. A grantee may use its own definition of equipment provided that

such definition would at least include all equipment defined above.

*Expenditure report* means: (1) For non-construction grants, the SF-269 "Financial Status Report" (or other equivalent report); (2) for construction grants, the SF-271 "Outlay Report and Request for Reimbursement" (or other equivalent report).

*Federally recognized Indian tribal government* means the governing body or a governmental agency of any Indian tribe, band, nation, or other organized group or community (including any Native village as defined in section 3 of the Alaska Native Claims Settlement Act, 85 Stat 688) certified by the Secretary of the Interior as eligible for the special programs and services provided by him through the Bureau of Indian Affairs.

*Government* means a State or local government or a federally recognized Indian tribal government.

*Grant* means an award of financial assistance, including cooperative agreements, in the form of money, or property in lieu of money, by the Federal Government to an eligible grantee. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, interest subsidies, insurance, or direct appropriations. Also, the term does not include assistance, such as a fellowship or other lump sum award, which the grantee is not required to account for.

*Grantee* means the government to which a grant is awarded and which is accountable for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award document.

*Local government* means a county, municipality, city, town, township, local public authority (including any public and Indian housing agency under the United States Housing Act of 1937) school district, special district, intrastate district, council of governments (whether or not incorporated as a nonprofit corporation under State law), any other regional or interstate government entity, or any agency or instrumentality of a local government.

*Obligations* means the amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment by the grantee during the same or a future period.

*OMB* means the United States Office of Management and Budget.

*Outlays* (expenditures) mean charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of actual cash disbursement for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrued expenditure basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the new increase (or decrease) in the amounts owed by the grantee for goods and other property received, for services performed by employees, contractors, subgrantees, subcontractors, and other payees, and other amounts becoming owed under programs for which no current services or performance are required, such as annuities, insurance claims, and other benefit payments.

*Percentage of completion method* refers to a system under which payments are made for construction work according to the percentage of completion of the work, rather than to the grantee's cost incurred.

*Prior approval* means documentation evidencing consent prior to incurring specific cost.

*Real property* means land, including land improvements, structures and appurtenances thereto, excluding movable machinery and equipment.

*Share*, when referring to the awarding agency's portion of real property, equipment or supplies, means the same percentage as the awarding agency's portion of the acquiring party's total costs under the grant to which the acquisition costs under the grant to which the acquisition cost of the property was charged. Only costs are to be counted—not the value of third-party in-kind contributions.

## § 24.4

*State* means any of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any agency or instrumentality of a State exclusive of local governments. The term does not include any public and Indian housing agency under United States Housing Act of 1937.

*Subgrant* means an award of financial assistance in the form of money, or property in lieu of money, made under a grant by a grantee to an eligible subgrantee. The term includes financial assistance when provided by contractual legal agreement, but does not include procurement purchases, nor does it include any form of assistance which is excluded from the definition of *grant* in this part.

*Subgrantee* means the government or other legal entity to which a subgrant is awarded and which is accountable to the grantee for the use of the funds provided.

*Supplies* means all tangible personal property other than *equipment* as defined in this part.

*Suspension* means depending on the context, either (1) temporary withdrawal of the authority to obligate grant funds pending corrective action by the grantee or subgrantee or a decision to terminate the grant, or (2) an action taken by a suspending official in accordance with agency regulations implementing E.O. 12549 to immediately exclude a person from participating in grant transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue.

*Termination* means permanent withdrawal of the authority to obligate previously-awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or subgrantee. *Termination* does not include: (1) Withdrawal of funds awarded on the basis of the grantee's underestimate of the unobligated balance in a prior period; (2) Withdrawal of the unobligated balance as of the expiration of a grant; (3) Refusal to extend a grant or award additional funds, to make a competing or noncompeting continuation, renewal, extension, or supple-

mental award; or (4) voiding of a grant upon determination that the award was obtained fraudulently, or was otherwise illegal or invalid from inception.

*Terms of a grant or subgrant* mean all requirements of the grant or subgrant, whether in statute, regulations, or the award document.

*Third party in-kind contributions* mean property or services which benefit a federally assisted project or program and which are contributed by non-Federal third parties without charge to the grantee, or a cost-type contractor under the grant agreement.

*Unliquidated obligations* for reports prepared on a cash basis mean the amount of obligations incurred by the grantee that has not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the grantee for which an outlay has not been recorded.

*Unobligated balance* means the portion of the funds authorized by the Federal agency that has not been obligated by the grantee and is determined by deducting the cumulative obligations from the cumulative funds authorized.

### § 24.4 Applicability.

(a) *General.* Subparts A through D of this part apply to all grants and subgrants to governments, except where inconsistent with Federal statutes or with regulations authorized in accordance with the exception provision of § 24.6, or:

#### § 24.6 Additions and exceptions.

(a) For classes of grants and grantees subject to this part, Federal agencies may not impose additional administrative requirements except in codified regulations published in the FEDERAL REGISTER.

(b) Exceptions for classes of grants or grantees may be authorized only by OMB.

(c) Exceptions on a case-by-case basis and for subgrantees may be authorized by the affected Federal agencies.

### Subpart B—Pre-Award Requirements

#### § 24.10 Forms for applying for grants.

(a) *Scope.* (1) This section prescribes forms and instructions to be used by governmental organizations (except hospitals and institutions of higher education operated by a government) in applying for grants. This section is not applicable, however, to formula grant programs which do not require

## § 24.11

applicants to apply for funds on a project basis.

(2) This section applies only to applications to Federal agencies for grants, and is not required to be applied by grantees in dealing with applicants for subgrants. However, grantees are encouraged to avoid more detailed or burdensome application requirements for subgrants.

(b) *Authorized forms and instructions for governmental organizations.* (1) In applying for grants, applicants shall only use standard application forms or those prescribed by the granting agency with the approval of OMB under the Paperwork Reduction Act of 1980.

(2) Applicants are not required to submit more than the original and two copies of preapplications or applications.

(3) Applicants must follow all applicable instructions that bear OMB clearance numbers. Federal agencies may specify and describe the programs, functions, or activities that will be used to plan, budget, and evaluate the work under a grant. Other supplementary instructions may be issued only with the approval of OMB to the extent required under the Paperwork Reduction Act of 1980. For any standard form, except the SF-424 facesheet, Federal agencies may shade out or instruct the applicant to disregard any line item that is not needed.

(4) When a grantee applies for additional funding (such as a continuation or supplemental award) or amends a previously submitted application, only the affected pages need be submitted. Previously submitted pages with information that is still current need not be resubmitted.

### § 24.11 State plans.

(a) *Scope.* The statutes for some programs require States to submit plans before receiving grants. Under regulations implementing Executive Order 12372, "Intergovernmental Review of Federal Programs," States are allowed to simplify, consolidate and substitute plans. This section contains additional provisions for plans that are subject to regulations implementing the Executive order.

(b) *Requirements.* A State need meet only Federal administrative or pro-

## 15 CFR Subtitle A (1-1-07 Edition)

grammatic requirements for a plan that are in statutes or codified regulations.

(c) *Assurances.* In each plan the State will include an assurance that the State shall comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. For this assurance and other assurances required in the plan, the State may:

(1) Cite by number the statutory or regulatory provisions requiring the assurances and affirm that it gives the assurances required by those provisions,

(2) Repeat the assurance language in the statutes or regulations, or

(3) Develop its own language to the extent permitted by law.

(d) *Amendments.* A State will amend a plan whenever necessary to reflect: (1) New or revised Federal statutes or regulations or (2) a material change in any State law, organization, policy, or State agency operation. The State will obtain approval for the amendment and its effective date but need submit for approval only the amended portions of the plan.

### § 24.12 Special grant or subgrant conditions for "high-risk" grantees.

(a) A grantee or subgrantee may be considered "high risk" if an awarding agency determines that a grantee or subgrantee:

(1) Has a history of unsatisfactory performance, or

(2) Is not financially stable, or

(3) Has a management system which does not meet the management standards set forth in this part, or

(4) Has not conformed to terms and conditions of previous awards, or

(5) Is otherwise not responsible; and if the awarding agency determines that an award will be made, special conditions and/or restrictions shall correspond to the high risk condition and shall be included in the award.

(b) Special conditions or restrictions may include:

(1) Payment on a reimbursement basis;

(2) Withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period;

(3) Requiring additional, more detailed financial reports;

(4) Additional project monitoring;

(5) Requiring the grantee or subgrantee to obtain technical or management assistance; or

(6) Establishing additional prior approvals.

(c) If an awarding agency decides to impose such conditions, the awarding official will notify the grantee or subgrantee as early as possible, in writing, of:

(1) The nature of the special conditions/restrictions;

(2) The reason(s) for imposing them;

(3) The corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions, and

(4) The method of requesting reconsideration of the conditions/restrictions imposed.

### Subpart C—Post-Award Requirements

#### FINANCIAL ADMINISTRATION

#### § 24.20 Standards for financial management systems.

(a) A State must expand and account for grant funds in accordance with State laws and procedures for expending and accounting for its own funds. Fiscal control and accounting procedures of the State, as well as its subgrantees and cost-type contractors, must be sufficient to—

(1) Permit preparation of reports required by this part and the statutes authorizing the grant, and

(2) Permit the tracing of funds to a level of expenditures adequate to establish that such funds have not been used in violation of the restrictions and prohibitions of applicable statutes.

(b) The financial management systems of other grantees and subgrantees must meet the following standards:

(1) *Financial reporting.* Accurate, current, and complete disclosure of the financial results of financially assisted activities must be made in accordance with the financial reporting requirements of the grant or subgrant.

(2) *Accounting records.* Grantees and subgrantees must maintain records which adequately identify the source

and application of funds provided for financially-assisted activities. These records must contain information pertaining to grant or subgrant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income.

(3) *Internal control.* Effective control and accountability must be maintained for all grant and subgrant cash, real and personal property, and other assets. Grantees and subgrantees must adequately safeguard all such property and must assure that it is used solely for authorized purposes.

(4) *Budget control.* Actual expenditures or outlays must be compared with budgeted amounts for each grant or subgrant. Financial information must be related to performance or productivity data, including the development of unit cost information whenever appropriate or specifically required in the grant or subgrant agreement. If unit cost data are required, estimates based on available documentation will be accepted whenever possible.

(5) *Allowable cost.* Applicable OMB cost principles, agency program regulations, and the terms of grant and subgrant agreements will be followed in determining the reasonableness, allowability, and allocability of costs.

(6) *Source documentation.* Accounting records must be supported by such source documentation as cancelled checks, paid bills, payrolls, time and attendance records, contract and subgrant award documents, etc.

(7) *Cash management.* Procedures for minimizing the time elapsing between the transfer of funds from the U.S. Treasury and disbursement by grantees and subgrantees must be followed whenever advance payment procedures are used. Grantees must establish reasonable procedures to ensure the receipt of reports on subgrantees' cash balances and cash disbursements in sufficient time to enable them to prepare complete and accurate cash transactions reports to the awarding agency. When advances are made by letter-of-credit or electronic transfer of funds methods, the grantee must make drawdowns as close as possible to the time of making disbursements. Grantees must monitor cash drawdowns by

## § 24.21

their subgrantees to assure that they conform substantially to the same standards of timing and amount as apply to advances to the grantees.

(c) An awarding agency may review the adequacy of the financial management system of any applicant for financial assistance as part of a preaward review or at any time subsequent to award.

### § 24.21 Payment.

(a) *Scope.* This section prescribes the basic standard and the methods under which a Federal agency will make payments to grantees, and grantees will make payments to subgrantees and contractors.

(b) *Basic standard.* Methods and procedures for payment shall minimize the time elapsing between the transfer of funds and disbursement by the grantee or subgrantee, in accordance with Treasury regulations at 31 CFR Part 205.

(c) *Advances.* Grantees and subgrantees shall be paid in advance, provided they maintain or demonstrate the willingness and ability to maintain procedures to minimize the time elapsing between the transfer of the funds and their disbursement by the grantee or subgrantee.

(d) *Reimbursement.* Reimbursement shall be the preferred method when the requirements in paragraph (c) of this section are not met. Grantees and subgrantees may also be paid by reimbursement for any construction grant. Except as otherwise specified in regulation, Federal agencies shall not use the percentage of completion method to pay construction grants. The grantee or subgrantee may use that method to pay its construction contractor, and if it does, the awarding agency's payments to the grantee or subgrantee will be based on the grantee's or subgrantee's actual rate of disbursement.

(e) *Working capital advances.* If a grantee cannot meet the criteria for advance payments described in paragraph (c) of this section, and the Federal agency has determined that reimbursement is not feasible because the grantee lacks sufficient working capital, the awarding agency may provide cash or a working capital advance basis. Under this procedure the award-

## 15 CFR Subtitle A (1-1-07 Edition)

ing agency shall advance cash to the grantee to cover its estimated disbursement needs for an initial period generally geared to the grantee's disbursing cycle. Thereafter, the awarding agency shall reimburse the grantee for its actual cash disbursements. The working capital advance method of payment shall not be used by grantees or subgrantees if the reason for using such method is the unwillingness or inability of the grantee to provide timely advances to the subgrantee to meet the subgrantee's actual cash disbursements.

(f) *Effect of program income, refunds, and audit recoveries on payment.* (1) Grantees and subgrantees shall disburse repayments to and interest earned on a revolving fund before requesting additional cash payments for the same activity.

(2) Except as provided in paragraph (f)(1) of this section, grantees and subgrantees shall disburse program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(g) *Withholding payments.* (1) Unless otherwise required by Federal statute, awarding agencies shall not withhold payments for proper charges incurred by grantees or subgrantees unless—

(i) The grantee or subgrantee has failed to comply with grant award conditions or

(ii) The grantee or subgrantee is indebted to the United States.

(2) Cash withheld for failure to comply with grant award condition, but without suspension of the grant, shall be released to the grantee upon subsequent compliance. When a grant is suspended, payment adjustments will be made in accordance with § 24.43(c).

(3) A Federal agency shall not make payment to grantees for amounts that are withheld by grantees or subgrantees from payment to contractors to assure satisfactory completion of work. Payments shall be made by the Federal agency when the grantees or subgrantees actually disburse the withheld funds to the contractors or to escrow accounts established to assure satisfactory completion of work.

(h) *Cash depositories.* (1) Consistent with the national goal of expanding the

opportunities for minority business enterprises, grantees and subgrantees are encouraged to use minority banks (a bank which is owned at least 50 percent by minority group members). A list of minority owned banks can be obtained from the Minority Business Development Agency, Department of Commerce, Washington, DC 20230.

(2) A grantee or subgrantee shall maintain a separate bank account only when required by Federal-State agreement.

(i) *Interest earned on advances.* Except for interest earned on advances of funds exempt under the Intergovernmental Cooperation Act (31 U.S.C. 6501 *et seq.*) and the Indian Self-Determination Act (23 U.S.C. 450), grantees and subgrantees shall promptly, but at least quarterly, remit interest earned on advances to the Federal agency. The grantee or subgrantee may keep interest amounts up to \$100 per year for administrative expenses.

**§ 24.22 Allowable costs.**

(a) *Limitation on use of funds.* Grant funds may be used only for:

(1) The allowable costs of the grantees, subgrantees and cost-type contractors, including allowable costs in the form of payments to fixed-price contractors; and

(2) Reasonable fees or profit to cost-type contractors but not any fee or profit (or other increment above allowable costs) to the grantee or subgrantee.

(b) *Applicable cost principles.* For each kind of organization, there is a set of Federal principles for determining allowable costs. Allowable costs will be determined in accordance with the cost principles applicable to the organization incurring the costs. The following chart lists the kinds of organizations and the applicable cost principles.

For-profit organization other than a hospital and an organization named in OMB Circular A-122 as not subject to that circular.	48 CFR Part 31. Contract Cost Principles and Procedures, or uniform cost accounting standards that comply with cost principles acceptable to the Federal agency.

**§ 24.23 Period of availability of funds.**

(a) *General.* Where a funding period is specified, a grantee may charge to the award only costs resulting from obligations of the funding period unless carryover of unobligated balances is permitted, in which case the carryover balances may be charged for costs resulting from obligations of the subsequent funding period.

(b) *Liquidation of obligations.* A grantee must liquidate all obligations incurred under the award not later than 90 days after the end of the funding period (or as specified in a program regulation) to coincide with the submission of the annual Financial Status Report (SF-269). The Federal agency may extend this deadline at the request of the grantee.

**§ 24.24 Matching or cost sharing.**

(a) *Basic rule: Costs and contributions acceptable.* With the qualifications and exceptions listed in paragraph (b) of this section, a matching or cost sharing requirement may be satisfied by either or both of the following:

(1) Allowable costs incurred by the grantee, subgrantee or a cost-type contractor under the assistance agreement. This includes allowable costs borne by non-Federal grants or by others cash donations from non-Federal third parties.

(2) The value of third party in-kind contributions applicable to the period to which the cost sharing or matching requirements applies.

(b) *Qualifications and exceptions—(1) Costs borne by other Federal grant agreements.* Except as provided by Federal statute, a cost sharing or matching requirement may not be met by costs borne by another Federal grant. This prohibition does not apply to income earned by a grantee or subgrantee from a contract awarded under another Federal grant.

(2) *General revenue sharing.* For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(3) *Cost or contributions counted towards other Federal costs-sharing requirements.* Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(4) *Costs financed by program income.* Costs financed by program income, as defined in §24.25, shall not count towards satisfying a cost sharing or matching requirement unless they are expressly permitted in the terms of the assistance agreement. (This use of general program income is described in §24.25(g).)

(5) *Services or property financed by income earned by contractors.* Contractors under a grant may earn income from the activities carried out under the contract in addition to the amounts earned from the party awarding the contract. No costs of services or property supported by this income may count toward satisfying a cost sharing or matching requirement unless other provisions of the grant agreement expressly permit this kind of income to be used to meet the requirement.

(6) *Records.* Costs and third party in-kind contributions counting towards satisfying a cost sharing or matching requirement must be verifiable from the records of grantees and subgrantee or cost-type contractors. These records must show how the value placed on third party in-kind contributions was derived. To the extent feasible, volunteer services will be supported by the same methods that the organization uses to support the allocability of regular personnel costs.

(7) *Special standards for third party in-kind contributions.* (i) Third party in-kind contributions count towards satisfying a cost sharing or matching requirement only where, if the party receiving the contributions were to pay

for them, the payments would be allowable costs.

(ii) Some third party in-kind contributions are goods and services that, if the grantee, subgrantee, or contractor receiving the contribution had to pay for them, the payments would have been an indirect costs. Costs sharing or matching credit for such contributions shall be given only if the grantee, subgrantee, or contractor has established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of the contributions.

(iii) A third party in-kind contribution to a fixed-price contract may count towards satisfying a cost sharing or matching requirement only if it results in:

(A) An increase in the services or property provided under the contract (without additional cost to the grantee or subgrantee) or

(B) A cost savings to the grantee or subgrantee.

(iv) The values placed on third party in-kind contributions for cost sharing or matching purposes will conform to the rules in the succeeding sections of this part. If a third party in-kind contribution is a type not treated in those sections, the value placed upon it shall be fair and reasonable.

(c) *Valuation of donated services—(1) Volunteer services.* Unpaid services provided to a grantee or subgrantee by individuals will be valued at rates consistent with those ordinarily paid for similar work in the grantee's or subgrantee's organization. If the grantee or subgrantee does not have employees performing similar work, the rates will be consistent with those ordinarily paid by other employers for similar work in the same labor market. In either case, a reasonable amount for fringe benefits may be included in the valuation.

(2) *Employees of other organizations.* When an employer other than a grantee, subgrantee, or cost-type contractor furnishes free of charge the services of an employee in the employee's normal line of work, the services will be valued at the employee's regular rate of pay exclusive of the employee's fringe benefits and overhead costs. If the services

are in a different line of work, paragraph (c)(1) of this section applies.

(d) *Valuation of third party donated supplies and loaned equipment or space.*

(1) If a third party donates supplies, the contribution will be valued at the market value of the supplies at the time of donation.

(2) If a third party donates the use of equipment or space in a building but retains title, the contribution will be valued at the fair rental rate of the equipment or space.

(e) *Valuation of third party donated equipment, buildings, and land.* If a third party donates equipment, buildings, or land, and title passes to a grantee or subgrantee, the treatment of the donated property will depend upon the purpose of the grant or subgrant, as follows:

(1) *Awards for capital expenditures.* If the purpose of the grant or subgrant is to assist the grantee or subgrantee in the acquisition of property, the market value of that property at the time of donation may be counted as cost sharing or matching.

(2) *Other awards.* If assisting in the acquisition of property is not the purpose of the grant or subgrant, paragraphs (e)(2) (i) and (ii) of this section apply:

(i) If approval is obtained from the awarding agency, the market value at the time of donation of the donated equipment or buildings and the fair rental rate of the donated land may be counted as cost sharing or matching. In the case of a subgrant, the terms of the grant agreement may require that the approval be obtained from the Federal agency as well as the grantee. In all cases, the approval may be given only if a purchase of the equipment or rental of the land would be approved as an allowable direct cost. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost-sharing or matching.

(ii) If approval is not obtained under paragraph (e)(2)(i) of this section, no amount may be counted for donated land, and only depreciation or use allowances may be counted for donated equipment and buildings. The depreciation or use allowances for this property are not treated as third party in-kind

contributions. Instead, they are treated as costs incurred by the grantee or subgrantee. They are computed and allocated (usually as indirect costs) in accordance with the cost principles specified in § 24.22, in the same way as depreciation or use allowances for purchased equipment and buildings. The amount of depreciation or use allowances for donated equipment and buildings is based on the property's market value at the time it was donated.

(f) *Valuation of grantee or subgrantee donated real property for construction/acquisition.* If a grantee or subgrantee donates real property for a construction or facilities acquisition project, the current market value of that property may be counted as cost sharing or matching. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost sharing or matching.

(g) *Appraisal of real property.* In some cases under paragraphs (d), (e) and (f) of this section, it will be necessary to establish the market value of land or a building or the fair rental rate of land or of space in a building. In these cases, the Federal agency may require the market value or fair rental value be set by an independent appraiser, and that the value or rate be certified by the grantee. This requirement will also be imposed by the grantee on subgrantees.

#### § 24.25 Program income.

(a) *General.* Grantees are encouraged to earn income to defray program costs. Program income includes income from fees for services performed, from the use or rental of real or personal property acquired with grant funds, from the sale of commodities or items fabricated under a grant agreement, and from payments of principal and interest on loans made with grant funds. Except as otherwise provided in regulations of the Federal agency, program income does not include interest on grant funds, rebates, credits, discounts, refunds, etc. and interest earned on any of them.

(b) *Definition of program income.* Program income means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of

## § 24.26

the grant agreement during the grant period. "During the grant period" is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

(c) *Cost of generating program income.* If authorized by Federal regulations or the grant agreement, costs incident to the generation of program income may be deducted from gross income to determine program income.

(d) *Governmental revenues.* Taxes, special assessments, levies, fines, and other such revenues raised by a grantee or subgrantee are not program income unless the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(e) *Royalties.* Income from royalties and license fees for copyrighted material, patents, and inventions developed by a grantee or subgrantee is program income only if the revenues are specifically identified in the grant agreement or Federal agency regulations as program income. (See § 24.34.)

(f) *Property.* Proceeds from the sale of real property or equipment will be handled in accordance with the requirements of §§ 24.31 and 24.32.

(g) *Use of program income.* Program income shall be deducted from outlays which may be both Federal and non-Federal as described below, unless the Federal agency regulations or the grant agreement specify another alternative (or a combination of the alternatives). In specifying alternatives, the Federal agency may distinguish between income earned by the grantee and income earned by subgrantees and between the sources, kinds, or amounts of income. When Federal agencies authorize the alternatives in paragraphs (g) (2) and (3) of this section, program income in excess of any limits stipulated shall also be deducted from outlays.

(1) *Deduction.* Ordinarily program income shall be deducted from total allowable costs to determine the net allowable costs. Program income shall be used for current costs unless the Federal agency authorizes otherwise. Program income which the grantee did not anticipate at the time of the award shall be used to reduce the Federal

## 15 CFR Subtitle A (1-1-07 Edition)

agency and grantee contributions rather than to increase the funds committed to the project.

(2) *Addition.* When authorized, program income may be added to the funds committed to the grant agreement by the Federal agency and the grantee. The program income shall be used for the purposes and under the conditions of the grant agreement.

(3) *Cost sharing or matching.* When authorized, program income may be used to meet the cost sharing or matching requirement of the grant agreement. The amount of the Federal grant award remains the same.

(h) *Income after the award period.* There are no Federal requirements governing the disposition of program income earned after the end of the award period (*i.e.*, until the ending date of the final financial report, see paragraph (a) of this section), unless the terms of the agreement or the Federal agency regulations provide otherwise.

### § 24.26 Non-Federal audit.

(a) *Basic rule.* Grantees and subgrantees are responsible for obtaining audits in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." The audits shall be made by an independent auditor in accordance with generally accepted government auditing standards covering financial audits.

(b) *Subgrantees.* State or local governments, as those terms are defined for purposes of the Single Audit Act Amendments of 1996, that provide Federal awards to a subgrantee, which expends \$300,000 or more (or other amount as specified by OMB) in Federal awards in a fiscal year, shall:

(1) Determine whether State or local subgrantees have met the audit requirements of the Act and whether subgrantees covered by OMB Circular A-110, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations," have met the audit requirements of the Act. Commercial contractors (private for-profit and private and governmental organizations) providing

goods and services to State and local governments are not required to have a single audit performed. State and local governments should use their own procedures to ensure that the contractor has complied with laws and regulations affecting the expenditure of Federal funds;

(2) Determine whether the subgrantee spent Federal assistance funds provided in accordance with applicable laws and regulations. This may be accomplished by reviewing an audit of the subgrantee made in accordance with the Act, Circular A-110, or through other means (e.g., program reviews) if the subgrantee has not had such an audit;

(3) Ensure that appropriate corrective action is taken within six months after receipt of the audit report in instance of noncompliance with Federal laws and regulations;

(4) Consider whether subgrantee audits necessitate adjustment of the grantee's own records; and

(5) Require each subgrantee to permit independent auditors to have access to the records and financial statements.

(c) *Auditor selection.* In arranging for audit services, § 24.36 shall be followed.

[53 FR 8048, 8087, Mar. 11, 1988, as amended at 62 FR 45939, 45940, Aug. 29, 1997]

#### CHANGES, PROPERTY, AND SUBAWARDS

##### § 24.30 Changes.

(a) *General.* Grantees and subgrantees are permitted to rebudget within the approved direct cost budget to meet unanticipated requirements and may make limited program changes to the approved project. However, unless waived by the awarding agency, certain types of post-award changes in budgets and projects shall require the prior written approval of the awarding agency.

(b) *Relation to cost principles.* The applicable cost principles (see § 24.22) contain requirements for prior approval of certain types of costs. Except where waived, those requirements apply to all grants and subgrants even if paragraphs (c) through (f) of this section do not.

(c) *Budget changes*—(1) *Nonconstruction projects.* Except as stated in other regulations or an award document,

grantees or subgrantees shall obtain the prior approval of the awarding agency whenever any of the following changes is anticipated under a non-construction award:

(i) Any revision which would result in the need for additional funding.

(ii) Unless waived by the awarding agency, cumulative transfers among direct cost categories, or, if applicable, among separately budgeted programs, projects, functions, or activities which exceed or are expected to exceed ten percent of the current total approved budget, whenever the awarding agency's share exceeds \$100,000.

(iii) Transfer of funds allotted for training allowances (*i.e.*, from direct payments to trainees to other expense categories).

(2) *Construction projects.* Grantees and subgrantees shall obtain prior written approval for any budget revision which would result in the need for additional funds.

(3) *Combined construction and non-construction projects.* When a grant or subgrant provides funding for both construction and nonconstruction activities, the grantee or subgrantee must obtain prior written approval from the awarding agency before making any fund or budget transfer from non-construction to construction or vice versa.

(d) *Programmatic changes.* Grantees or subgrantees must obtain the prior approval of the awarding agency whenever any of the following actions is anticipated:

(1) Any revision of the scope or objectives of the project (regardless of whether there is an associated budget revision requiring prior approval).

(2) Need to extend the period of availability of funds.

(3) Changes in key persons in cases where specified in an application or a grant award. In research projects, a change in the project director or principal investigator shall always require approval unless waived by the awarding agency.

(4) Under nonconstruction projects, contracting out, subgranting (if authorized by law) or otherwise obtaining the services of a third party to perform

## § 24.31

activities which are central to the purposes of the award. This approval requirement is in addition to the approval requirements of § 24.36 but does not apply to the procurement of equipment, supplies, and general support services.

(e) *Additional prior approval requirements.* The awarding agency may not require prior approval for any budget revision which is not described in paragraph (c) of this section.

(f) *Requesting prior approval.* (1) A request for prior approval of any budget revision will be in the same budget format the grantee used in its application and shall be accompanied by a narrative justification for the proposed revision.

(2) A request for a prior approval under the applicable Federal cost principles (see § 24.22) may be made by letter.

(3) A request by a subgrantee for prior approval will be addressed in writing to the grantee. The grantee will promptly review such request and shall approve or disapprove the request in writing. A grantee will not approve any budget or project revision which is inconsistent with the purpose or terms and conditions of the Federal grant to the grantee. If the revision, requested by the subgrantee would result in a change to the grantee's approved project which requires Federal prior approval, the grantee will obtain the Federal agency's approval before approving the subgrantee's request.

### § 24.31 Real property.

(a) *Title.* Subject to the obligations and conditions set forth in this section, title to real property acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) *Use.* Except as otherwise provided by Federal statutes, real property will be used for the originally authorized purposes as long as needed for that purposes, and the grantee or subgrantee shall not dispose of or encumber its title or other interests.

(1) The Federal awarding agency may require the placing of appropriate notices of record to advise that property has been acquired or improved with Federal financial assistance, and that

## 15 CFR Subtitle A (1-1-07 Edition)

use and disposition conditions apply to the property.

(2) [Reserved]

(c) *Disposition.* When real property is no longer needed for the originally authorized purpose, the grantee or subgrantee will request disposition instructions from the awarding agency. The instructions will provide for one of the following alternatives:

(1) *Retention of title.* Retain title after compensating the awarding agency. The amount paid to the awarding agency will be computed by applying the awarding agency's percentage of participation in the cost of the original purchase to the fair market value of the property. However, in those situations where a grantee or subgrantee is disposing of real property acquired with grant funds and acquiring replacement real property under the same program, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.

(2) *Sale of property.* Sell the property and compensate the awarding agency. The amount due to the awarding agency will be calculated by applying the awarding agency's percentage of participation in the cost of the original purchase to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the grant is still active, the net proceeds from sale may be offset against the original cost of the property. When a grantee or subgrantee is directed to sell property, sales procedures shall be followed that provide for competition to the extent practicable and result in the highest possible return.

(3) *Transfer of title.* Transfer title to the awarding agency or to a third-party designated/approved by the awarding agency. The grantee or subgrantee shall be paid an amount calculated by applying the grantee or subgrantee's percentage of participation in the purchase of the real property to the current fair market value of the property.

### § 24.32 Equipment.

(a) *Title.* Subject to the obligations and conditions set forth in this section, title to equipment acquired under a

grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) *States.* A State will use, manage, and dispose of equipment acquired under a grant by the State in accordance with State laws and procedures. Other grantees and subgrantees will follow paragraphs (c) through (e) of this section.

(c) *Use.* (1) Equipment shall be used by the grantee or subgrantee in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds. When no longer needed for the original program or project, the equipment may be used in other activities currently or previously supported by a Federal agency.

(2) The grantee or subgrantee shall also make equipment available for use on other projects or programs currently or previously supported by the Federal Government, providing such use will not interfere with the work on the projects or program for which it was originally acquired. First preference for other use shall be given to other programs or projects supported by the awarding agency. User fees should be considered if appropriate.

(3) Notwithstanding the encouragement in §24.25(a) to earn program income, the grantee or subgrantee must not use equipment acquired with grant funds to provide services for a fee to compete unfairly with private companies that provide equivalent services, unless specifically permitted or contemplated by Federal statute.

(4) When acquiring replacement equipment, the grantee or subgrantee may use the equipment to be replaced as a trade-in or sell the property and use the proceeds to offset the cost of the replacement property, subject to the approval of the awarding agency.

(d) *Management requirements.* Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part with grant funds, until disposition takes place will, as a minimum, meet the following requirements:

(1) Property records must be maintained that include a description of the property, a serial number or other

identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

(2) A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

(3) A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft shall be investigated.

(4) Adequate maintenance procedures must be developed to keep the property in good condition.

(5) If the grantee or subgrantee is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

(e) *Disposition.* When original or replacement equipment acquired under a grant or subgrant is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency, disposition of the equipment will be made as follows:

(1) Items of equipment with a current per-unit fair market value of less than \$5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

(2) Items of equipment with a current per unit fair market value in excess of \$5,000 may be retained or sold and the awarding agency shall have a right to an amount calculated by multiplying the current market value or proceeds from sale by the awarding agency's share of the equipment.

(3) In cases where a grantee or subgrantee fails to take appropriate disposition actions, the awarding agency may direct the grantee or subgrantee to take excess and disposition actions.

(f) *Federal equipment.* In the event a grantee or subgrantee is provided federally-owned equipment:

(1) Title will remain vested in the Federal Government.

(2) Grantees or subgrantees will manage the equipment in accordance with

### § 24.33

Federal agency rules and procedures, and submit an annual inventory listing.

(3) When the equipment is no longer needed, the grantee or subgrantee will request disposition instructions from the Federal agency.

(g) *Right to transfer title.* The Federal awarding agency may reserve the right to transfer title to the Federal Government or a third party named by the awarding agency when such a third party is otherwise eligible under existing statutes. Such transfers shall be subject to the following standards:

(1) The property shall be identified in the grant or otherwise made known to the grantee in writing.

(2) The Federal awarding agency shall issue disposition instruction within 120 calendar days after the end of the Federal support of the project for which it was acquired. If the Federal awarding agency fails to issue disposition instructions within the 120 calendar-day period the grantee shall follow § 24.32(e).

(3) When title to equipment is transferred, the grantee shall be paid an amount calculated by applying the percentage of participation in the purchase to the current fair market value of the property.

### § 24.33 Supplies.

(a) *Title.* Title to supplies acquired under a grant or subgrant will vest, upon acquisition, in the grantee or subgrantee respectively.

(b) *Disposition.* If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate fair market value upon termination or completion of the award, and if the supplies are not needed for any other federally sponsored programs or projects, the grantee or subgrantee shall compensate the awarding agency for its share.

### § 24.34 Other property.

(a) *Copyrights.* The Federal awarding agency reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes:

### 15 CFR Subtitle A (1-1-07 Edition)

(1) The copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and

(2) Any rights of copyright to which a grantee, subgrantee, or a contractor purchases ownership with grant support.

(b) *Intangible property.* Title to such property as loans, notes, and other debt instruments (whether considered tangible or intangible) acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively. Such property will be used for the originally authorized purpose as long as needed for that purpose, and the grantee or subgrantee shall not dispose of or encumber its title or other interests. When no longer needed for the originally authorized purpose, disposition of such property will be made as provided in § 24.32(e).

[53 FR 8049, Mar. 11, 1988]

### § 24.35 Subawards to debarred and suspended parties.

Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, "Debarment and Suspension."

### § 24.36 Procurement.

(a) *States.* When procuring property and services under a grant, a State will follow the same policies and procedures it uses for procurements from its non-Federal funds. The State will ensure that every purchase order or other contract includes any clauses required by Federal statutes and executive orders and their implementing regulations. Other grantees and subgrantees will follow paragraphs (b) through (i) in this section.

(b) *Procurement standards.* (1) Grantees and subgrantees will use their own procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this section.

(2) Grantees and subgrantees will maintain a contract administration

system which ensures that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

(3) Grantees and subgrantees will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

- (i) The employee, officer or agent,
- (ii) Any member of his immediate family,
- (iii) His or her partner, or
- (iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The grantee's or subgrantee's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards or conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee's and subgrantee's officers, employees, or agents, or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

(4) Grantee and subgrantee procedures will provide for a review of proposed procurements to avoid purchase of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

(5) To foster greater economy and efficiency, grantees and subgrantees are

encouraged to enter into State and local intergovernmental agreements for procurement or use of common goods and services.

(6) Grantees and subgrantees are encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.

(7) Grantees and subgrantees are encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

(8) Grantees and subgrantees will make awards only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

(9) Grantees and subgrantees will maintain records sufficient to detail the significant history of a procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

(10) Grantees and subgrantees will use time and material type contracts only—

- (i) After a determination that no other contract is suitable, and
- (ii) If the contract includes a ceiling price that the contractor exceeds at its own risk.

(11) Grantees and subgrantees alone will be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to source evaluation, protests, disputes, and claims. These standards do not relieve the grantee or subgrantee of any contractual responsibilities under its contracts. Federal agencies

## § 24.36

will not substitute their judgment for that of the grantee or subgrantee unless the matter is primarily a Federal concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

(12) Grantees and subgrantees will have protest procedures to handle and resolve disputes relating to their procurements and shall in all instances disclose information regarding the protest to the awarding agency. A protestor must exhaust all administrative remedies with the grantee and subgrantee before pursuing a protest with the Federal agency. Reviews of protests by the Federal agency will be limited to:

(i) Violations of Federal law or regulations and the standards of this section (violations of State or local law will be under the jurisdiction of State or local authorities) and

(ii) Violations of the grantee's or subgrantee's protest procedures for failure to review a complaint or protest. Protests received by the Federal agency other than those specified above will be referred to the grantee or subgrantee.

(c) *Competition.* (1) All procurement transactions will be conducted in a manner providing full and open competition consistent with the standards of § 24.36. Some of the situations considered to be restrictive of competition include but are not limited to:

(i) Placing unreasonable requirements on firms in order for them to qualify to do business,

(ii) Requiring unnecessary experience and excessive bonding,

(iii) Noncompetitive pricing practices between firms or between affiliated companies,

(iv) Noncompetitive awards to consultants that are on retainer contracts,

(v) Organizational conflicts of interest,

(vi) Specifying only a "brand name" product instead of allowing "an equal" product to be offered and describing the performance of other relevant requirements of the procurement, and

(vii) Any arbitrary action in the procurement process.

(2) Grantees and subgrantees will conduct procurements in a manner that prohibits the use of statutorily or administratively imposed in-State or

## 15 CFR Subtitle A (1-1-07 Edition)

local geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts State licensing laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criteria provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

(3) Grantees will have written selection procedures for procurement transactions. These procedures will ensure that all solicitations:

(i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured, and when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a "brand name or equal" description may be used as a means to define the performance or other salient requirements of a procurement. The specific features of the named brand which must be met by offerors shall be clearly stated; and

(ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(4) Grantees and subgrantees will ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, grantees and subgrantees will not preclude potential bidders from qualifying during the solicitation period.

(d) *Methods of procurement to be followed.* (1) Procurement by *small purchase procedures*. Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the simplified acquisition threshold fixed at 41 U.S.C. 403(11) (currently set at \$100,000). If small purchase procedures are used, price or rate quotations shall be obtained from an adequate number of qualified sources.

(2) Procurement by *sealed bids* (formal advertising). Bids are publicly solicited and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in § 24.36(d)(2)(i) apply.

(i) In order for sealed bidding to be feasible, the following conditions should be present:

(A) A complete, adequate, and realistic specification or purchase description is available;

(B) Two or more responsible bidders are willing and able to compete effectively and for the business; and

(C) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

(ii) If sealed bids are used, the following requirements apply:

(A) The invitation for bids will be publicly advertised and bids shall be solicited from an adequate number of known suppliers, providing them sufficient time prior to the date set for opening the bids;

(B) The invitation for bids, which will include any specifications and pertinent attachments, shall define the items or services in order for the bidder to properly respond;

(C) All bids will be publicly opened at the time and place prescribed in the invitation for bids;

(D) A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be

considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and

(E) Any or all bids may be rejected if there is a sound documented reason.

(3) Procurement by *competitive proposals*. The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed-price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

(i) Requests for proposals will be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals shall be honored to the maximum extent practical;

(ii) Proposals will be solicited from an adequate number of qualified sources;

(iii) Grantees and subgrantees will have a method for conducting technical evaluations of the proposals received and for selecting awardees;

(iv) Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and

(v) Grantees and subgrantees may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

(4) Procurement by *noncompetitive proposals* is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate.

(i) Procurement by noncompetitive proposals may be used only when the

## § 24.36

award of a contract is infeasible under small purchase procedures, sealed bids or competitive proposals and one of the following circumstances applies:

(A) The item is available only from a single source;

(B) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;

(C) The awarding agency authorizes noncompetitive proposals; or

(D) After solicitation of a number of sources, competition is determined inadequate.

(ii) Cost analysis, *i.e.*, verifying the proposed cost data, the projections of the data, and the evaluation of the specific elements of costs and profits, is required.

(iii) Grantees and subgrantees may be required to submit the proposed procurement to the awarding agency for pre-award review in accordance with paragraph (g) of this section.

(e) *Contracting with small and minority firms, women's business enterprise and labor surplus area firms.* (1) The grantee and subgrantee will take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible.

(2) Affirmative steps shall include:

(i) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

(ii) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

(iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;

(iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;

(v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce; and

(vi) Requiring the prime contractor, if subcontracts are to be let, to take

## 15 CFR Subtitle A (1-1-07 Edition)

the affirmative steps listed in paragraphs (e)(2) (i) through (v) of this section.

(f) *Contract cost and price.* (1) Grantees and subgrantees must perform a cost or price analysis in connection with every procurement action including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, grantees must make independent estimates before receiving bids or proposals. A cost analysis must be performed when the offeror is required to submit the elements of his estimated cost, *e.g.*, under professional, consulting, and architectural engineering services contracts. A cost analysis will be necessary when adequate price competition is lacking, and for sole source procurements, including contract modifications or change orders, unless price reasonableness can be established on the basis of a catalog or market price of a commercial product sold in substantial quantities to the general public or based on prices set by law or regulation. A price analysis will be used in all other instances to determine the reasonableness of the proposed contract price.

(2) Grantees and subgrantees will negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration will be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

(3) Costs or prices based on estimated costs for contracts under grants will be allowable only to the extent that costs incurred or cost estimates included in negotiated prices are consistent with Federal cost principles (see §24.22). Grantees may reference their own cost principles that comply with the applicable Federal cost principles.

(4) The cost plus a percentage of cost and percentage of construction cost

methods of contracting shall not be used.

(g) *Awarding agency review.* (1) Grantees and subgrantees must make available, upon request of the awarding agency, technical specifications on proposed procurements where the awarding agency believes such review is needed to ensure that the item and/or service specified is the one being proposed for purchase. This review generally will take place prior to the time the specification is incorporated into a solicitation document. However, if the grantee or subgrantee desires to have the review accomplished after a solicitation has been developed, the awarding agency may still review the specifications, with such review usually limited to the technical aspects of the proposed purchase.

(2) Grantees and subgrantees must on request make available for awarding agency pre-award review procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc. when:

(i) A grantee's or subgrantee's procurement procedures or operation fails to comply with the procurement standards in this section; or

(ii) The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation; or

(iii) The procurement, which is expected to exceed the simplified acquisition threshold, specifies a "brand name" product; or

(iv) The proposed award is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

(3) A grantee or subgrantee will be exempt from the pre-award review in paragraph (g)(2) of this section if the awarding agency determines that its procurement systems comply with the standards of this section.

(i) A grantee or subgrantee may request that its procurement system be

reviewed by the awarding agency to determine whether its system meets these standards in order for its system to be certified. Generally, these reviews shall occur where there is a continuous high-dollar funding, and third-party contracts are awarded on a regular basis.

(ii) A grantee or subgrantee may self-certify its procurement system. Such self-certification shall not limit the awarding agency's right to survey the system. Under a self-certification procedure, awarding agencies may wish to rely on written assurances from the grantee or subgrantee that it is complying with these standards. A grantee or subgrantee will cite specific procedures, regulations, standards, etc., as being in compliance with these requirements and have its system available for review.

(h) *Bonding requirements.* For construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold, the awarding agency may accept the bonding policy and requirements of the grantee or subgrantee provided the awarding agency has made a determination that the awarding agency's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) *A bid guarantee from each bidder equivalent to five percent of the bid price.* The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) *A performance bond on the part of the contractor for 100 percent of the contract price.* A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) *A payment bond on the part of the contractor for 100 percent of the contract price.* A "payment bond" is one executed in connection with a contract to assure payment as required by law of

## § 24.37

all persons supplying labor and material in the execution of the work provided for in the contract.

(i) *Contract provisions.* A grantee's and subgrantee's contracts must contain provisions in paragraph (i) of this section. Federal agencies are permitted to require changes, remedies, changed conditions, access and records retention, suspension of work, and other clauses approved by the Office of Federal Procurement Policy.

(1) Administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. (Contracts more than the simplified acquisition threshold)

(2) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of \$10,000)

(3) Compliance with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60). (All construction contracts awarded in excess of \$10,000 by grantees and their contractors or subgrantees)

(4) Compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR Part 3). (All contracts and subgrants for construction or repair)

(5) Compliance with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented by Department of Labor regulations (29 CFR Part 5). (Construction contracts in excess of \$2000 awarded by grantees and subgrantees when required by Federal grant program legislation)

(6) Compliance with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor regulations (29 CFR Part 5). (Construction contracts awarded by grantees and subgrantees in excess of \$2000, and in excess of \$2500 for other contracts which involve the employment of mechanics or laborers)

(8) Notice of awarding agency requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or is developed in the course of or under such contract.

(9) Awarding agency requirements and regulations pertaining to copyrights and rights in data.

(10) Access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

### § 24.37 Subgrants.

(a) *States.* States shall follow state law and procedures when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. States shall:

(1) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations;

(2) Ensure that subgrantees are aware of requirements imposed upon

them by Federal statute and regulation;

(3) Ensure that a provision for compliance with § 24.42 is placed in every cost reimbursement subgrant; and

(4) Conform any advances of grant funds to subgrantees substantially to the same standards of timing and amount that apply to cash advances by Federal agencies.

(b) *All other grantees.* All other grantees shall follow the provisions of this part which are applicable to awarding agencies when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. Grantees shall:

(1) Ensure that every subgrant includes a provision for compliance with this part;

(2) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations; and

(3) Ensure that subgrantees are aware of requirements imposed upon them by Federal statutes and regulations.

(c) *Exceptions.* By their own terms, certain provisions of this part do not apply to the award and administration of subgrants:

(1) Section 24.10;

(2) Section 24.11;

(3) The letter-of-credit procedures specified in Treasury Regulations at 31 CFR Part 205, cited in § 24.21; and

(4) Section 24.50.

#### REPORTS, RECORDS, RETENTION, AND ENFORCEMENT

#### § 24.40 Monitoring and reporting program performance.

(a) *Monitoring by grantees.* Grantees are responsible for managing the day-to-day operations of grant and subgrant supported activities. Grantees must monitor grant and subgrant supported activities to assure compliance with applicable Federal requirements and that performance goals are being achieved. Grantee monitoring must cover each program, function or activity.

(b) *Nonconstruction performance reports.* The Federal agency may, if it decides that performance information

available from subsequent applications contains sufficient information to meet its programmatic needs, require the grantee to submit a performance report only upon expiration or termination of grant support. Unless waived by the Federal agency this report will be due on the same date as the final Financial Status Report.

(1) Grantees shall submit annual performance reports unless the awarding agency requires quarterly or semi-annual reports. However, performance reports will not be required more frequently than quarterly. Annual reports shall be due 90 days after the grant year, quarterly or semi-annual reports shall be due 30 days after the reporting period. The final performance report will be due 90 days after the expiration or termination of grant support. If a justified request is submitted by a grantee, the Federal agency may extend the due date for any performance report. Additionally, requirements for unnecessary performance reports may be waived by the Federal agency.

(2) Performance reports will contain, for each grant, brief information on the following:

(i) A comparison of actual accomplishments to the objectives established for the period. Where the output of the project can be quantified, a computation of the cost per unit of output may be required if that information will be useful.

(ii) The reasons for slippage if established objectives were not met.

(iii) Additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(3) Grantees will not be required to submit more than the original and two copies of performance reports.

(4) Grantees will adhere to the standards in this section in prescribing performance reporting requirements for subgrantees.

(c) *Construction performance reports.* For the most part, on-site technical inspections and certified percentage-of-completion data are relied on heavily by Federal agencies to monitor progress under construction grants and subgrants. The Federal agency will require additional formal performance

## § 24.41

reports only when considered necessary, and never more frequently than quarterly.

(d) *Significant developments.* Events may occur between the scheduled performance reporting dates which have significant impact upon the grant or subgrant supported activity. In such cases, the grantee must inform the Federal agency as soon as the following types of conditions become known:

(1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.

(2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more beneficial results than originally planned.

(e) Federal agencies may make site visits as warranted by program needs.

(f) *Waivers, extensions.* (1) Federal agencies may waive any performance report required by this part if not needed.

(2) The grantee may waive any performance report from a subgrantee when not needed. The grantee may extend the due date for any performance report from a subgrantee if the grantee will still be able to meet its performance reporting obligations to the Federal agency.

### § 24.41 Financial reporting.

(a) *General.* (1) Except as provided in paragraphs (a) (2) and (5) of this section, grantees will use only the forms specified in paragraphs (a) through (e) of this section, and such supplementary or other forms as may from time to time be authorized by OMB, for:

(i) Submitting financial reports to Federal agencies, or

(ii) Requesting advances or reimbursements when letters of credit are not used.

(2) Grantees need not apply the forms prescribed in this section in dealing with their subgrantees. However, grantees shall not impose more burdensome requirements on subgrantees.

(3) Grantees shall follow all applicable standard and supplemental Federal

## 15 CFR Subtitle A (1-1-07 Edition)

agency instructions approved by OMB to the extent required under the Paperwork Reduction Act of 1980 for use in connection with forms specified in paragraphs (b) through (e) of this section. Federal agencies may issue substantive supplementary instructions only with the approval of OMB. Federal agencies may shade out or instruct the grantee to disregard any line item that the Federal agency finds unnecessary for its decisionmaking purposes.

(4) Grantees will not be required to submit more than the original and two copies of forms required under this part.

(5) Federal agencies may provide computer outputs to grantees to expedite or contribute to the accuracy of reporting. Federal agencies may accept the required information from grantees in machine usable format or computer printouts instead of prescribed forms.

(6) Federal agencies may waive any report required by this section if not needed.

(7) Federal agencies may extend the due date of any financial report upon receiving a justified request from a grantee.

(b) *Financial Status Report—(1) Form.* Grantees will use Standard Form 269 or 269A, Financial Status Report, to report the status of funds for all non-construction grants and for construction grants when required in accordance with § 24.41(e)(2)(iii) of this section.

(2) *Accounting basis.* Each grantee will report program outlays and program income on a cash or accrual basis as prescribed by the awarding agency. If the Federal agency requires accrual information and the grantee's accounting records are not normally kept on the accrual basis, the grantee shall not be required to convert its accounting system but shall develop such accrual information through and analysis of the documentation on hand.

(3) *Frequency.* The Federal agency may prescribe the frequency of the report for each project or program. However, the report will not be required more frequently than quarterly. If the Federal agency does not specify the frequency of the report, it will be submitted annually. A final report will be

required upon expiration or termination of grant support.

(4) *Due date.* When reports are required on a quarterly or semiannual basis, they will be due 30 days after the reporting period. When required on an annual basis, they will be due 90 days after the grant year. Final reports will be due 90 days after the expiration or termination of grant support.

(c) *Federal Cash Transactions Report—*

(1) *Form.* (i) For grants paid by letter or credit, Treasury check advances or electronic transfer of funds, the grantee will submit the Standard Form 272, Federal Cash Transactions Report, and when necessary, its continuation sheet, Standard Form 272a, unless the terms of the award exempt the grantee from this requirement.

(ii) These reports will be used by the Federal agency to monitor cash advanced to grantees and to obtain disbursement or outlay information for each grant from grantees. The format of the report may be adapted as appropriate when reporting is to be accomplished with the assistance of automatic data processing equipment provided that the information to be submitted is not changed in substance.

(2) *Forecasts of Federal cash requirements.* Forecasts of Federal cash requirements may be required in the "Remarks" section of the report.

(3) *Cash in hands of subgrantees.* When considered necessary and feasible by the Federal agency, grantees may be required to report the amount of cash advances in excess of three days' needs in the hands of their subgrantees or contractors and to provide short narrative explanations of actions taken by the grantee to reduce the excess balances.

(4) *Frequency and due date.* Grantees must submit the report no later than 15 working days following the end of each quarter. However, where an advance either by letter of credit or electronic transfer of funds is authorized at an annualized rate of one million dollars or more, the Federal agency may require the report to be submitted within 15 working days following the end of each month.

(d) *Request for advance or reimbursement—*(1) *Advance payments.* Requests for Treasury check advance payments

will be submitted on Standard Form 270, Request for Advance or Reimbursement. (This form will not be used for drawdowns under a letter of credit, electronic funds transfer or when Treasury check advance payments are made to the grantee automatically on a predetermined basis.)

(2) *Reimbursements.* Requests for reimbursement under nonconstruction grants will also be submitted on Standard Form 270. (For reimbursement requests under construction grants, see paragraph (e)(1) of this section.)

(3) The frequency for submitting payment requests is treated in § 24.41(b)(3).

(e) *Outlay report and request for reimbursement for construction programs.* (1) Grants that support construction activities paid by reimbursement method.

(i) Requests for reimbursement under construction grants will be submitted on Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. Federal agencies may, however, prescribe the Request for Advance or Reimbursement form, specified in § 24.41(d), instead of this form.

(ii) The frequency for submitting reimbursement requests is treated in § 24.41(b)(3).

(2) Grants that support construction activities paid by letter of credit, electronic funds transfer or Treasury check advance.

(i) When a construction grant is paid by letter of credit, electronic funds transfer or Treasury check advances, the grantee will report its outlays to the Federal agency using Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. The Federal agency will provide any necessary special instruction. However, frequency and due date shall be governed by § 24.41(b) (3) and (4).

(ii) When a construction grant is paid by Treasury check advances based on periodic requests from the grantee, the advances will be requested on the form specified in § 24.41(d).

(iii) The Federal agency may substitute the Financial Status Report specified in § 24.41(b) for the Outlay Report and Request for Reimbursement for Construction Programs.

## § 24.42

(3) *Accounting basis.* The accounting basis for the Outlay Report and Request for Reimbursement for Construction Programs shall be governed by § 24.41(b)(2).

### § 24.42 Retention and access requirements for records.

(a) *Applicability.* (1) This section applies to all financial and programmatic records, supporting documents, statistical records, and other records of grantees or subgrantees which are:

(i) Required to be maintained by the terms of this part, program regulations or the grant agreement, or

(ii) Otherwise reasonably considered as pertinent to program regulations or the grant agreement.

(2) This section does not apply to records maintained by contractors or subcontractors. For a requirement to place a provision concerning records in certain kinds of contracts, see § 24.36(i)(10).

(b) *Length of retention period.* (1) Except as otherwise provided, records must be retained for three years from the starting date specified in paragraph (c) of this section.

(2) If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 3-year period, whichever is later.

(3) To avoid duplicate recordkeeping, awarding agencies may make special arrangements with grantees and subgrantees to retain any records which are continuously needed for joint use. The awarding agency will request transfer of records to its custody when it determines that the records possess long-term retention value. When the records are transferred to or maintained by the Federal agency, the 3-year retention requirement is not applicable to the grantee or subgrantee.

(c) *Starting date of retention period*—(1) *General.* When grant support is continued or renewed at annual or other intervals, the retention period for the records of each funding period starts on the day the grantee or subgrantee submits to the awarding agency its single

## 15 CFR Subtitle A (1–1–07 Edition)

or last expenditure report for that period. However, if grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the grantee submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the grantee submits its final expenditure report. If an expenditure report has been waived, the retention period starts on the day the report would have been due.

(2) *Real property and equipment records.* The retention period for real property and equipment records starts from the date of the disposition or replacement or transfer at the direction of the awarding agency.

(3) *Records for income transactions after grant or subgrant support.* In some cases grantees must report income after the period of grant support. Where there is such a requirement, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

(4) *Indirect cost rate proposals, cost allocations plans, etc.* This paragraph applies to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(i) *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the grantee) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.

(ii) *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the grantee) for negotiation purposes, then the 3-year retention period for the proposal plan, or computation and its supporting records starts from end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

(d) *Substitution of microfilm.* Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

(e) *Access to records*—(1) *Records of grantees and subgrantees.* The awarding agency and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers, or other records of grantees and subgrantees which are pertinent to the grant, in order to make audits, examinations, excerpts, and transcripts.

(2) *Expiration of right of access.* The rights of access in this section must not be limited to the required retention period but shall last as long as the records are retained.

(f) *Restrictions on public access.* The Federal Freedom of Information Act (5 U.S.C. 552) does not apply to records unless required by Federal, State, or local law, grantees and subgrantees are not required to permit public access to their records.

#### § 24.43 Enforcement.

(a) *Remedies for noncompliance.* If a grantee or subgrantee materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, in a State plan or application, a notice of award, or elsewhere, the awarding agency may take one or more of the following actions, as appropriate in the circumstances:

(1) Temporarily withhold cash payments pending correction of the deficiency by the grantee or subgrantee or more severe enforcement action by the awarding agency,

(2) Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance,

(3) Wholly or partly suspend or terminate the current award for the grantee's or subgrantee's program,

(4) Withhold further awards for the program, or

(5) Take other remedies that may be legally available.

(b) *Hearings, appeals.* In taking an enforcement action, the awarding agency will provide the grantee or subgrantee an opportunity for such hearing, ap-

peal, or other administrative proceeding to which the grantee or subgrantee is entitled under any statute or regulation applicable to the action involved.

(c) *Effects of suspension and termination.* Costs of grantee or subgrantee resulting from obligations incurred by the grantee or subgrantee during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other grantee or subgrantee costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(1) The costs result from obligations which were properly incurred by the grantee or subgrantee before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are noncancellable, and,

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) *Relationship to debarment and suspension.* The enforcement remedies identified in this section, including suspension and termination, do not preclude grantee or subgrantee from being subject to "Debarment and Suspension" under E.O. 12549 (see § 24.35).

#### § 24.44 Termination for convenience.

Except as provided in § 24.43 awards may be terminated in whole or in part only as follows:

(a) By the awarding agency with the consent of the grantee or subgrantee in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated, or

(b) By the grantee or subgrantee upon written notification to the awarding agency, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the awarding agency determines that the remaining portion of

## § 24.50

the award will not accomplish the purposes for which the award was made, the awarding agency may terminate the award in its entirety under either § 24.43 or paragraph (a) of this section.

### Subpart D—After-the-Grant Requirements

#### § 24.50 Closeout.

(a) *General.* The Federal agency will close out the award when it determines that all applicable administrative actions and all required work of the grant has been completed.

(b) *Reports.* Within 90 days after the expiration or termination of the grant, the grantee must submit all financial, performance, and other reports required as a condition of the grant. Upon request by the grantee, Federal agencies may extend this timeframe. These may include but are not limited to:

(1) *Final performance or progress report.*

(2) *Financial Status Report (SF 269) or Outlay Report and Request for Reimbursement for Construction Programs (SF-271) (as applicable).*

(3) *Final request for payment (SF-270) (if applicable).*

(4) *Invention disclosure (if applicable).*

(5) *Federally-owned property report:*

In accordance with § 24.32(f), a grantee must submit an inventory of all federally owned property (as distinct from property acquired with grant funds) for which it is accountable and request disposition instructions from the Federal agency of property no longer needed.

(c) *Cost adjustment.* The Federal agency will, within 90 days after receipt of reports in paragraph (b) of this section, make upward or downward adjustments to the allowable costs.

(d) *Cash adjustments.* (1) The Federal agency will make prompt payment to the grantee for allowable reimbursable costs.

(2) The grantee must immediately refund to the Federal agency any balance of unobligated (unencumbered) cash advanced that is not authorized to be retained for use on other grants.

## 15 CFR Subtitle A (1-1-07 Edition)

### § 24.51 Later disallowances and adjustments.

The closeout of a grant does not affect:

(a) The Federal agency's right to disallow costs and recover funds on the basis of a later audit or other review;

(b) The grantee's obligation to return any funds due as a result of later refunds, corrections, or other transactions;

(c) Records retention as required in § 24.42;

(d) Property management requirements in §§ 24.31 and 24.32; and

(e) Audit requirements in § 24.26.

### § 24.52 Collection of amounts due.

(a) Any funds paid to a grantee in excess of the amount to which the grantee is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government. If not paid within a reasonable period after demand, the Federal agency may reduce the debt by:

(1) Making an administrative offset against other requests for reimbursements,

(2) Withholding advance payments otherwise due to the grantee, or

(3) Other action permitted by law.

(b) Except where otherwise provided by statutes or regulations, the Federal agency will charge interest on an overdue debt in accordance with the Federal Claims Collection Standards (4 CFR Chapter II). The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

(4) Each claim for property, services, or money is subject to a civil penalty regardless of whether such property, services, or money is actually delivered or paid.

(5) If the Government has made payment (including transferred property or provided services) or a claim, a person subject to a civil penalty under paragraph (a)(1) of this section shall also be subject to an assessment of not more than twice the amount of such claim or that portion thereof that is determined to be in violation of paragraph (a)(1) of the section. Such assessment shall be in lieu of damages sustained by the Government because of such claim.

(ii) Contains, or is accompanied by, an express certification or affirmation of the truthfulness and accuracy of the contents of the statement, shall be subject, in addition to any other remedy that may be prescribed by law, to a civil penalty of not more than \$5,000 for each such statement made on or before October 23, 1996, and of not more than \$5,500 for each such statement made after October 23, 1996.

(2) Each written representation, certification, or affirmation constitutes a separate statement.

#### § 25.4 Investigation.

(a) If an investigating official concludes that a subpoena pursuant to the authority conferred by 31 U.S.C. 3804(a) is warranted—

(1) The subpoena so issued shall notify the person to whom it is addressed of the authority under which the subpoena is issued and shall identify the records or documents sought;

(2) The investigating official may designate a person to act on his or her behalf to receive the documents sought; and

(3) The person receiving such subpoena shall be required to tender to the investigating official, or the person designated to receive the documents, a certification that—

(i) The documents sought have been produced;

(ii) Such documents are not available and the reasons therefore; or

(iii) Such documents, suitably identified, have been withheld based upon the assertion of an identified privilege.

(b) If the investigating official concludes that an action under the Program Fraud Civil Remedies Act may be warranted, the investigating official shall submit a report containing the findings and conclusions of such investigation to the reviewing official.

## § 25.5

(c) Nothing in this section shall preclude or limit an investigating official's discretion to refer allegations directly to the Department of Justice for suit under the False Claims Act or other civil relief, or to defer or postpone a report or referral to avoid interference with a criminal investigation or prosecution.

(d) Nothing in this section modifies any responsibility of an investigating official to report violations of criminal law to the Attorney General.

### § 25.5 Review by the reviewing official.

(a) If, based on the report of the investigating official under § 25.4(b), the reviewing official determines that there is adequate evidence to believe that a person is liable under § 25.3, the reviewing official shall transmit to the Attorney General a written notice of the reviewing official's intention to issue a complaint under § 25.7.

(b) Such notice shall include—

(1) A statement of the reviewing official's reasons for issuing a complaint;

(2) A statement specifying the evidence that supports the allegations of liability;

(3) A description of the claims or statements upon which the allegations of liability are based;

(4) An estimate of the amount of money, or the value of property, services, or other benefits, requested or demanded in violation of § 25.3 of this part;

(5) A statement of any exculpatory or mitigating circumstances that may relate to the claims or statements known by the reviewing official or the investigating official; and

(6) A statement that there is a reasonable prospect of collecting an appropriate amount of penalties and assessments. Such a statement may be based upon information then known or an absence of any information indicating that the person may be unable to pay such an amount.

### § 25.6 Prerequisites for issuing a complaint.

(a) The reviewing official may issue a complaint under § 25.7 only if—

(1) The Department of Justice approved the issuance of a complaint in a

## 15 CFR Subtitle A (1-1-07 Edition)

written statement described in 31 U.S.C. 3803(b)(1), and

(2) In the case of allegations of liability under § 25.3(a) with respect to a claim, the reviewing official determines that, with respect to such claim or a group of related claims submitted at the same time such claim is submitted (as defined in paragraph (b) of this section), the amount of money, or the value of property or services, demanded or requested in violation of § 25.3(a) does not exceed \$150,000.

(b) For the purposes of this section, a related group of claims submitted at the same time shall include only those claims arising from the same transaction (e.g., grant, loan, application, or contract) that are submitted simultaneously as part of a single request, demand, or submission.

(c) Nothing in this section shall be construed to limit the reviewing official's authority to join in a single complaint against a person claims that are unrelated or were not submitted simultaneously, regardless of the amount of money, or the value of property or services, demanded or requested.

### § 25.7 Complaint.

(a) On or after the date the Department of Justice approves the issuance of a complaint in accordance with 31 U.S.C. 3803(b)(1), the reviewing official may serve a complaint on the respondent, as provided in § 25.8.

(b) The complaint shall state—

(1) The allegations of liability against the respondent, including the statutory basis for liability, an identification of the claims or statements that are the basis for the alleged liability, and the reasons why liability allegedly arises from such claims or statements;

(2) The maximum amount of penalties and assessments for which the respondent may be held liable;

(3) Instructions for filing an answer to request a hearing, including a specific statement of the respondent's right to request a hearing by filing an answer and to be represented by a representative; and

(4) That failure to file an answer within 30 days of service of the complaint will result in the imposition of

the maximum amount of penalties and assessments without right to appeal.

(c) At the same time the reviewing official serves the complaint, he or she shall serve the respondent with a copy of these regulations.

#### § 25.8 Service of complaint.

(a) Service of a complaint must be made by certified or registered mail or by delivery in any manner authorized by Rule 4(d) of the Federal Rules of Civil Procedure.

(b) Proof of service, stating the name and address of the person on whom the complaint was served, and the manner and date of service, may be made by—

(1) Affidavit of the individual making service;

(2) An acknowledged United States Postal Service return receipt card; or

(3) Written acknowledgment of the respondent or his or her representative.

#### § 25.9 Answer.

(a) The respondent may request a hearing by filing an answer with the reviewing official within 30 days of service of the complaint. An answer shall be deemed to be a request for hearing.

(b) In the answer, the respondent—

(1) Shall admit or deny each of the allegations of liability made in the complaint;

(2) Shall state any defense on which the respondent intends to rely;

(3) May state any reasons why the respondent contends that the penalties and assessments should be less than the statutory maximum; and

(4) Shall state the name, address, and telephone number of the person authorized by the respondent to act as respondent's representative, if any.

#### § 25.10 Default upon failure to file an answer.

(a) If the respondent does not file an answer within the time prescribed in § 25.9(a), the reviewing official may refer the complaint to the ALJ along with the proof of service, as provided in § 25.8(b).

(b) Upon the referral of the complaint, the ALJ shall promptly serve on the respondent in the manner prescribed in § 25.8, a notice that an initial

decision will be issued under this section.

(c) The ALJ shall assume the facts alleged in the complaint to be true and, if such facts establish liability under § 25.3, the ALJ shall issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, by failing to file a timely answer, the respondent waives any right to further review of the penalties and assessments imposed under paragraph (c) of this section, and the initial decision shall become final binding upon the parties 30 days after it is issued.

(e) If, before such an initial decision becomes final, the respondent files motion with the ALJ seeking to reopen on the grounds that extraordinary circumstances prevented the respondent from filing an answer, the initial decision shall be stayed pending the ALJ's decision on the motion.

(f) If, on such motion, the respondent can demonstrate extraordinary circumstances excusing the failure to file a timely answer, the ALJ shall withdraw the initial decision in paragraph (c) of this section, if such a decision has been issued, and shall grant the respondent an opportunity to answer the complaint.

(g) A decision of the ALJ denying a respondent's motion under paragraph (e) of this section is not subject to reconsideration under § 25.38.

(h) The respondent may appeal to the authority head the decision denying a motion to reopen by filing a notice of appeal with the authority head within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the authority head decides the issue.

(i) If the respondent files a timely notice of appeal with the authority head, the ALJ shall forward the record of the proceeding to the authority head.

(j) The authority head shall decide expeditiously whether extraordinary circumstances excuse the respondent's failure to file a timely answer based solely on the record before the ALJ.

(k) If the authority head decides that extraordinary circumstances excused

## § 25.11

the respondent's failure to file a timely answer, the authority head shall remand the case of the ALJ with instructions to grant the respondent an opportunity to answer.

(1) If the authority head decides that the respondent's failure to file a timely answer is not excused, the authority head shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the authority head issues such decision.

### § 25.11 Referral of complaint and answer to the ALJ.

Upon receipt of an answer, the reviewing official shall file the complaint and answer with the ALJ.

### § 25.12 Notice of hearing.

(a) When the ALJ receives the complaint and answer, the ALJ shall promptly serve a notice of hearing upon the respondent in the manner prescribed by § 25.8. At the same time, the ALJ shall send a copy of such notice to the representative for the Government.

(b) Such notice shall include—

(1) The tentative time and place, and the nature of the hearing;

(2) The legal authority and jurisdiction under which the hearing is to be held;

(c) The reviewing official shall, after consulting with the Inspector General, designate the representative for the Government, who shall be an attorney with either the Office of General Counsel or the Office of the Inspector General. The reviewing official's decision is final.

### § 25.15 Ex parte contacts.

No party or person (except employees of the ALJ's office) shall communicate in any way with the ALJ on any matter at issue in a case, unless on notice and opportunity for all parties to participate. This provision does not prohibit a person or party from inquiring about the status of a case or asking routine questions concerning administrative functions or procedures.

### § 25.16 Disqualification of reviewing official or ALJ.

(a) A reviewing official or ALJ in a particular case may disqualify himself or herself at any time.

(b) A party may file with the ALJ a motion for disqualification of a reviewing official or an ALJ. Such motion shall be accompanied by an affidavit alleging personal bias or other reason for disqualification.

(c) Such motion and affidavit shall be filed promptly upon the party's discovery of reasons requiring disqualification, or such objections shall be deemed waived.

(d) Such affidavit shall state specific facts that support the party's belief that personal bias or other reason for disqualification exists and the time

and circumstances of the party's discovery of such facts. It shall be accompanied by a certificate of the representative of record that it is made in good faith.

(e) Upon the filing of such a motion and affidavit, the ALJ shall proceed no further in the case until he or she resolves the matter of disqualification in accordance with paragraph (f) of this section.

(f)(1) If the ALJ determines that a reviewing official is disqualified, the ALJ shall dismiss the complaint without prejudice.

(2) If the ALJ disqualifies himself or herself, the case shall be reassigned promptly to another ALJ.

(3) If the ALJ denies a motion to disqualify, the authority head may determine the matter only as part of his or her review of the initial decision upon appeal, if any.

(c) The ALJ does not have the authority to find Federal statutes or regulations invalid.

#### § 25.19 Prehearing conferences.

(a) The ALJ may schedule prehearing conferences as appropriate.

(b) Upon the motion of any party, the ALJ shall schedule at least one prehearing conference at a reasonable time in advance of the hearing.

(4) Whether the parties can agree to submission of the case on a stipulated record;

### § 25.20 Disclosure of documents.

(a) Upon written request to the reviewing official, the respondent may review any relevant and material documents, transcripts, records, and other materials that related to the allegations set out in the complaint and upon which the findings and conclusions of the investigating official under § 25.4(b) are based, unless such documents are subject to a privilege under Federal law. Upon payment of fees for duplication, the respondent may obtain copies of such documents.

(b) Upon written request to the reviewing official, the respondent also may obtain a copy of all exculpatory information in the possession of the reviewing official or investigating official relating to the allegations in the complaint, even if it is contained in a document that would otherwise be privileged. ## 15 CFR Subtitle A (1-1-07 Edition)

(2) Requests for admissions of the authenticity of any relevant document or of the truth of any relevant fact;

(3) Written interrogatories; and

(4) Depositions.

(b) For the purpose of this section and §§ 25.22 and 25.23, the term “documents” includes information, documents, reports, answers, records, accounts, papers, and other data and documentary evidence. Nothing contained herein shall be interpreted to require the creation of a document.

(d) *Motions for discovery.* (1) A party seeking discovery may file a motion with the ALJ. Such a motion shall be accompanied by a copy of the requested discovery, or in the case of depositions, a summary of the scope of the proposed deposition.

(2) Within two days of service, a party may file an opposition to the motion and/or a motion for protective order as provided in § 25.34.

(3) The ALJ may grant a motion for discovery only if he or she finds that the discovery sought—

(i) Is necessary for the expeditious, fair, and reasonable consideration of the issues;

(ii) Is not unduly costly or burdensome;

(iii) Will not unduly delay the proceeding; and

(iv) Does not seek privileged information.

(4) The burden of showing that discovery should be allowed is on the party seeking discovery.

(5) The ALJ may grant discovery subject to a protective order under § 25.24.

(e) *Depositions.* (1) If a motion for deposition is granted, the ALJ shall issue a subpoena for the deponent, which may require the deponent to produce documents. The subpoena shall specify the time and place at which the deposition will be held.

At the time the above documents are exchanged, any party that intends to rely on the transcript of deposition testimony in lieu of live testimony at the hearing, if permitted by the ALJ, shall provide each party with a copy of the specific pages of the transcript it intends to introduce into evidence.

(b) If a party objects, the ALJ shall not admit into evidence the testimony of any witness whose name does not appear on the witness list or any exhibit not provided to the opposing party as provided above unless the ALJ finds good cause for the failure or that there is no prejudice to the objecting party.

(c) Unless another party objects within the time set by the ALJ, documents exchanged in accordance with paragraph (a) of this section shall be deemed to be authentic for the purpose of admissibility at the hearing.

**§ 25.23 Subpoena for attendance at hearing.**

(a) A party wishing to procure the appearance and testimony of any individual at the hearing may request that the ALJ issue a subpoena.

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.

(c) A party seeking a subpoena shall file a written request therefore not less than 15 days before the date fixed for the hearing unless otherwise allowed by the ALJ for good cause shown: Such request shall specify any documents to

be produced and shall designate the witnesses and describe the address and location thereof with sufficient particularity to permit such witnesses to be found.

(d) The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is to produce.

(a) A party of a prospective witness or deponent may file a motion for a protective order with respect to discovery sought by an opposing party or with respect to the hearing, seeking to limit the availability or disclosure of evidence.

(b) In issuing a protective order, the ALJ may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

- (1) That the discovery not be had;
- (2) That the discovery may be had only on specified terms and conditions, including a designation of the time or place;
- (3) That the discovery may be had only through a method of discovery other than that requested;
- (4) That certain matters not be inquired into, or that the scope of discovery be limited to certain matters;
- (5) That discovery be conducted with no one present except persons designated by the ALJ;
- (6) That the contents of discovery or evidence be sealed;
- (7) That a deposition after being sealed be opened only by order of the ALJ;

## § 25.25

(9) That the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the ALJ.

### § 25.25 Fees.

The party requesting a subpoena shall pay the cost of the fees and mileage of any witness subpoenaed in the amounts that would be payable to a witness in a proceeding in United States District Court. A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of the Department of Commerce, a check for witness fees and mileage need not accompany the subpoena.

### § 25.26 Form, filing and service of papers.

(a) *Form.* (1) Documents filed with the ALJ shall include an original and one copy.

(2) Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, and a designation of the paper (e.g., motion to quash subpoena).

(3) Every pleading and paper shall be signed by, and shall contain the address and telephone number of, the party of the person on whose behalf the paper was filed, or his or her representative.

(4) Papers are considered filed when they are mailed. Date of mailing may be established by a certificate from the party or its representative or by proof that the document was sent by certified or registered mail.

(b) *Service.* A party filing a document with the ALJ shall, at the time of filing, serve a copy of such document on every other party. Service upon any party of any document other than the complaint or notice of hearing shall be made by delivering or mailing a copy to the party's last known address. When a party is represented by a representative, service shall be made upon such representative in lieu of the actual party.

(c) *Proof of service.* A certificate of the individual serving the document by

## 15 CFR Subtitle A (1-1-07 Edition)

personal delivery or by mail, setting forth the manner of service, shall be proof of service.

### § 25.27 Computation of time.

(a) In computing any period of time under this part or in an order issued thereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal government, in which event it includes the next business day.

(b) When the period of time allowed is less than seven days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal government shall be excluded from the computation.

(c) Where a document has been served or issued by mail, an additional five days will be added to the time permitted for any response.

### § 25.28 Motions.

(a) Any application to the ALJ for an order or ruling shall be by motion. Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.

(b) Except for motions made during a prehearing conference or at the hearing, all motions shall be in writing. The ALJ may require that oral motions be reduced to writing.

(c) Within 15 days after a written motion is served, or such other time as may be fixed by the ALJ, any party may file a response to such motion.

(d) The ALJ may not grant a written motion before the time for filing responses thereto has expired, except upon consent of the parties or following a hearing on the motion, but may overrule or deny such motion without awaiting a response.

(e) The ALJ shall make a reasonable effort to dispose of all outstanding motions prior to the beginning of the hearing.

### § 25.29 Sanctions.

(a) The ALJ may sanction a person, including any party or representative, for—

(1) Failing to comply with an order, rule, or procedure governing the proceeding;

(2) Failing to prosecute or defend an action; or

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party's control, or a request for admission, the ALJ may—

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem each matter of which an admission is requested to be admitted;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon, testimony relating to the information sought; and

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

**§25.30 The hearing and burden of proof.**

(a) The ALJ shall conduct a hearing on the record in order to determine whether the respondent is liable for a civil penalty or assessment under §25.3 and, if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) The authority shall prove respondent's liability and any aggravating factors by a preponderance of the evidence.

(c) The respondent shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing shall be open to the public unless otherwise ordered by the ALJ for good cause shown.

**§25.31 Determining the amount of penalties and assessments.**

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the authority head, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted ordinarily double assessment, in lieu of damages, and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the authority head in determining the amount of penalties and assessments to impose with respect to the misconduct (*i.e.*, the false, fictitious, or fraudulent claims or statements) charged in the complaint:

(1) The number of false, fictitious, or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the respondent's culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;

(5) The value of the Government's actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;

(6) The relationship of the amount imposed as civil penalties to the amount of the Government's loss;

(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of such program;

## § 25.32

(8) Whether the respondent has engaged in a pattern of the same or similar misconduct;

(9) Whether the respondent attempted to conceal the misconduct;

(10) The degree to which the respondent has involved others in the misconduct or in concealing it;

(c) Nothing in this section shall be construed to limit the ALJ or the authority head from considering any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

### § 25.32 Location of hearing.

(a) The hearing may be held—

(1) In any judicial district of the United States in which the respondent resides or transacts business;

## 15 CFR Subtitle A (1-1-07 Edition)

(c) The hearing shall be held at the place and at the time ordered by the ALJ.

### § 25.33 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statements must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in § 25.22(a).

(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to—

(1) Make the interrogation and presentation effective for the ascertainment of the truth;

(2) Avoid needless consumption of time; and

(3) Protect witnesses from harassment or undue embarrassment.

(d) The ALJ shall permit the parties to conduct such cross-examination as may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of his or her direct examination. To the extent permitted by the ALJ, cross-examination on matters outside the scope of direct examination shall be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party or a witness identified with an adverse party.

(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of—

(1) A party who is an individual;

(2) In the case of a party that is not an individual, an officer or employee of

the party designated by the party's representative; or

(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the Government engaged in assisting the representative for the Government.

#### § 25.34 Evidence.

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is privileged under Federal law.

(f) Evidence concerning offers of compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

(h) All documents and other evidence offered or taken for the record shall be open to examination by all parties, unless otherwise ordered by the ALJ pursuant to § 25.24.

(c) The record may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to § 25.24.

#### § 25.36 Post-hearing briefs.

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ shall fix the time for filing such briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

#### § 25.37 Initial decision.

(a) The ALJ shall issue an initial decision based only on the record, which shall contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(c) The ALJ shall promptly serve the initial decision on all parties within 90 days after the time for submission of post-hearing briefs and reply briefs (if permitted) has expired. The ALJ shall as the same time serve all respondents with a statement describing the right of any respondent determined to be liable for a civil penalty or assessment to file a motion for reconsideration with the ALJ or a notice of appeal with the authority head. If the ALJ fails to meet the deadline contained in this paragraph, he or she shall notify the parties of the reason for the delay and shall set a new deadline.

(d) Unless the initial decision of the ALJ is timely appealed to the authority head, or a motion for reconsideration of the initial decision is timely filed, the initial decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after it is issued by the ALJ.

## § 25.38

### § 25.38 Reconsideration of initial decision.

(a) Except as provided in paragraph (d) of this section, any party may file a motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If service was made by mail, receipt will be presumed to be five days from the date of mailing in the absence of contrary proof.

(b) Every such motion must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. Such motion shall be accompanied by a supporting brief.

(c) Responses to such motions shall be allowed only upon request of the ALJ.

(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.

(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(f) If the ALJ denies a motion for reconsideration, the initial decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after the ALJ denies the motion, unless the initial decision is timely appealed to the authority head in accordance with § 25.39.

(g) If the ALJ issues a revised initial decision, that decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after it is issued, unless it is timely appealed to the authority head in accordance with § 25.39.

### § 25.39 Appeal to authority head.

(a) Any respondent who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal such decision to the authority head by filing a notice of appeal with the authority head in accordance with this section.

(b)(1) No notice of appeal may be filed until the time period for filing a motion for reconsideration under § 25.38 has expired.

(2) If a motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ de-

(3) If no motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ issues the initial decision.

(4) The authority head may extend the initial 30 day period for an additional 30 days if the respondent files with the authority head a request for an extension within the initial 30 day period and shows good cause.

(c) If the respondent files a timely notice of appeal with the authority head, the ALJ shall forward the record of the proceeding to the authority head.

(d) A notice of appeal shall be accompanied by a written brief specifying exceptions to the initial decision and reasons supporting the exceptions.

(e) The representative for the Government may file a brief in opposition to exceptions within 30 days of receiving the notice of appeal and accompanying brief.

(f) There is no right to appear personally before the authority head.

(g) There is no right to appeal any interlocutory ruling by the ALJ.

(h) In reviewing the initial decision, the authority head shall not consider any objection that was not raised before the ALJ unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection.

(i) If any party demonstrates to the satisfaction of the authority head that additional evidence not presented at such hearing is material and that there was reasonable grounds for the failure to present such evidence at such hearing, the authority head shall remand the matter to the ALJ for consideration of such additional evidence.

(j) The authority head may affirm, reduce, reverse, compromise, remand, or settle any penalty or assessment determined by the ALJ in any initial decision.

(k) The authority head shall promptly serve each party to the appeal with a copy of the decision of the authority head and a statement describing the right of any person determined to be liable for a penalty or assessment to seek judicial review.

### § 25.40 Stays ordered by the Department of Justice.

If at any time the Attorney General or an Assistant Attorney General designated by the Attorney General transmits to the authority head a written finding that continuation of the administrative process described in this part with respect to a claim or statement may adversely affect any pending or potential criminal or civil action related to such claim or statement, the authority head shall stay the process and it shall be resumed only upon receipt of the written authorization of the Attorney General.

agreed upon in a compromise or settlement under §25.46, may be collected by administrative offset under 31 U.S.C. 3716, except that an administrative offset may not be made under this subsection against a refund of an overpayment of Federal taxes, then or later owing by the United States to the respondent.

(b) The reviewing official has the exclusive authority to compromise or settle a case under this part at any time after the date on which the reviewing official is permitted to issue a complaint and before the date on which the ALJ issues an initial decision. If the designated representative of the Government is not with the Office of General Counsel, the representative shall forward all settlement offers to the reviewing official and cannot negotiate a compromise or settlement with the respondent except as directed by the reviewing official.

(c) The authority head has exclusive authority to compromise or settle a case under this part at any time after the date on which the ALJ issues an initial decision, except during the pendency of any review under §25.42 or during the pendency of any action to collect penalties and assessments under §25.43.

**§ 26.50 How is this part written?**

(a) This part uses a “plain language” format to make it easier for the general public and business community to use. The section headings and text, often in the form of questions and answers, must be read together.

(b) Pronouns used within this part, such as “I” and “you,” change from subpart to subpart depending on the audience being addressed. The pronoun “we” always is the Department of Commerce.

(c) The “Covered Transactions” diagram in the appendix to this part shows the levels or “tiers” at which

the Department of Commerce enforces an exclusion under this part.

**§ 26.75 Do terms in this part have special meanings?**

This part uses terms throughout the text that have special meaning. Those terms are defined in Subpart I of this part. For example, three important terms are—

(a) *Exclusion or excluded*, which refers only to discretionary actions taken by a suspending or debarring official under this part or the Federal Acquisition Regulation (48 CFR part 9, subpart 9.4);

(b) *Disqualification or disqualified*, which refers to prohibitions under specific statutes, executive orders (other than Executive Order 12549 and Executive Order 12689), or other authorities. Disqualifications frequently are not subject to the discretion of an agency official, may have a different scope than exclusions, or have special conditions that apply to the disqualification; and

(c) *Ineligibility or ineligible*, which generally refers to a person who is either excluded or disqualified.

**Subpart A—General**

**§ 26.100 What does this part do?**

This part adopts a governmentwide system of debarment and suspension for DoC nonprocurement activities. It also provides for reciprocal exclusion of persons who have been excluded under the Federal Acquisition Regulation, and provides for the consolidated listing of all persons who are excluded, or disqualified by statute, executive order, or other legal authority. This part satisfies the requirements in section 3 of Executive Order 12549, “Debarment and Suspension” (3 CFR 1986 Comp., p. 189), Executive Order 12689, “Debarment and Suspension” (3 CFR 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Section 2455, Public Law 103–355, 108 Stat. 3327).

**§ 26.105 Does this part apply to me?**

Portions of this part (see table at § 26.25(b)) apply to you if you are a(n)—

(a) Person who has been, is, or may reasonably be expected to be, a partici-

pant or principal in a covered transaction;

(b) Respondent (a person against whom the Department of Commerce has initiated a debarment or suspension action);

(c) DoC debarring or suspending official; or

(d) DoC official who is authorized to enter into covered transactions with non-Federal parties.

**§ 26.110 What is the purpose of the nonprocurement debarment and suspension system?**

(a) To protect the public interest, the Federal Government ensures the integrity of Federal programs by conducting business only with responsible persons.

(b) A Federal agency uses the nonprocurement debarment and suspension system to exclude from Federal programs persons who are not presently responsible.

(c) An exclusion is a serious action that a Federal agency may take only to protect the public interest. A Federal agency may not exclude a person or commodity for the purposes of punishment.

**§ 26.115 How does an exclusion restrict a person’s involvement in covered transactions?**

With the exceptions stated in §§ 26.120, 26.315, and 26.420, a person who is excluded by the Department of Commerce or any other Federal agency may not:

(a) Be a participant in a(n) DoC transaction that is a covered transaction under subpart B of this part;

(b) Be a participant in a transaction of any other Federal agency that is a covered transaction under that agency’s regulation for debarment and suspension; or

(c) Act as a principal of a person participating in one of those covered transactions.

**§ 26.120 May we grant an exception to let an excluded person participate in a covered transaction?**

(a) The Secretary of Commerce or designee may grant an exception permitting an excluded person to participate in a particular covered transaction. If the Secretary of Commerce

## § 26.125

or designee grants an exception, the exception must be in writing and state the reason(s) for deviating from the governmentwide policy in Executive Order 12549.

(b) An exception granted by one agency for an excluded person does not extend to the covered transactions of another agency.

### **§ 26.125 Does an exclusion under the nonprocurement system affect a person's eligibility for Federal procurement contracts?**

If any Federal agency excludes a person under its nonprocurement common rule on or after August 25, 1995, the excluded person is also ineligible to participate in Federal procurement transactions under the FAR. Therefore, an exclusion under this part has reciprocal effect in Federal procurement transactions.

### **§ 26.130 Does exclusion under the Federal procurement system affect a person's eligibility to participate in nonprocurement transactions?**

If any Federal agency excludes a person under the FAR on or after August 25, 1995, the excluded person is also ineligible to participate in nonprocurement covered transactions under this part. Therefore, an exclusion under the FAR has reciprocal effect in Federal nonprocurement transactions.

### **§ 26.135 May the Department of Commerce exclude a person who is not currently participating in a nonprocurement transaction?**

Given a cause that justifies an exclusion under this part, we may exclude any person who has been involved, is currently involved, or may reasonably be expected to be involved in a covered transaction.

### **§ 26.140 How do I know if a person is excluded?**

Check the *Excluded Parties List System (EPLS)* to determine whether a person is excluded. The General Services Administration (GSA) maintains the *EPLS* and makes it available, as detailed in subpart E of this part. When a Federal agency takes an action to exclude a person under the nonprocurement or procurement debarment and suspension system, the agency enters

## 15 CFR Subtitle A (1-1-07 Edition)

the information about the excluded person into the *EPLS*.

### **§ 26.145 Does this part address persons who are disqualified, as well as those who are excluded from nonprocurement transactions?**

Except if provided for in Subpart J of this part, this part—

(a) Addresses disqualified persons only to—

(1) Provide for their inclusion in the *EPLS*; and

(2) State responsibilities of Federal agencies and participants to check for disqualified persons before entering into covered transactions.

(b) Does not specify the—

(1) DoC transactions for which a disqualified person is ineligible. Those transactions vary on a case-by-case basis, because they depend on the language of the specific statute, Executive order, or regulation that caused the disqualification;

(2) Entities to which the disqualification applies; or

(3) Process that the agency uses to disqualify a person. Unlike exclusion, disqualification is frequently not a discretionary action that a Federal agency takes.

## **Subpart B—Covered Transactions**

### **§ 26.200 What is a covered transaction?**

A covered transaction is a nonprocurement or procurement transaction that is subject to the prohibitions of this part. It may be a transaction at—

(a) The primary tier, between a Federal agency and a person (see appendix to this part); or

(b) A lower tier, between a participant in a covered transaction and another person.

### **§ 26.205 Why is it important if a particular transaction is a covered transaction?**

The importance of a covered transaction depends upon who you are.

(a) As a participant in the transaction, you have the responsibilities laid out in Subpart C of this part. Those include responsibilities to the person or Federal agency at the next higher tier from whom you received

the transaction, if any. They also include responsibilities if you subsequently enter into other covered transactions with persons at the next lower tier.

(b) As a Federal official who enters into a primary tier transaction, you have the responsibilities laid out in subpart D of this part.

(c) As an excluded person, you may not be a participant or principal in the transaction unless—

(1) The person who entered into the transaction with you allows you to continue your involvement in a transaction that predates your exclusion, as permitted under § 26.310 or § 26.415; or

(2) A(n) DoC official obtains an exception from the Secretary of Commerce or designee to allow you to be involved in the transaction, as permitted under § 26.120.

**§ 26.210 Which nonprocurement transactions are covered transactions?**

All nonprocurement transactions, as defined in § 26.970, are covered transactions unless listed in § 26.215. (See appendix to this part.)

**§ 26.215 Which nonprocurement transactions are not covered transactions?**

The following types of nonprocurement transactions are not covered transactions:

(a) A direct award to—

(1) A foreign government or foreign governmental entity;

(2) A public international organization;

(3) An entity owned (in whole or in part) or controlled by a foreign government; or

(4) Any other entity consisting wholly or partially of one or more foreign governments or foreign governmental entities.

(b) A benefit to an individual as a personal entitlement without regard to the individual's present responsibility (but benefits received in an individual's business capacity are not excepted). For example, if a person receives social security benefits under the Supplemental Security Income provisions of the Social Security Act, 42 U.S.C. 1301 et seq., those benefits are not covered

transactions and, therefore, are not affected if the person is excluded.

(c) Federal employment.

(d) A transaction that the Department of Commerce needs to respond to a national or agency-recognized emergency or disaster.

(1) For the purposes of the DoC this means:

(i) Fisherman's Contingency Fund.

(ii) [Reserved]

(2) [Reserved]

(e) A permit, license, certificate, or similar instrument issued as a means to regulate public health, safety, or the environment, unless the Department of Commerce specifically designates it to be a covered transaction.

(f) An incidental benefit that results from ordinary governmental operations.

(1) For purposes of the DoC this means:

(i) Export Promotion, Trade Information and Counseling, and Trade Policy.

(ii) Geodetic Surveys and Services (Specialized Services).

(iii) Fishery Products Inspection Certification.

(iv) Standard Reference Materials.

(v) Calibration, Measurement and Testing.

(vi) Critically Evaluated Data (Standard Reference Data).

(vii) Phoenix Data System.

(viii) The sale or provision of products, information, and services to the general public.

(2) [Reserved]

(g) Any other transaction if the application of an exclusion to the transaction is prohibited by law.

(1) For purposes of the DoC this means:

(i) The Administration of the Anti-dumping and Countervailing Duty Statutes.

(ii) The Export Trading Company Act Certificate of Review Program.

(iii) Trade Adjustment Assistance Program Certification.

(iv) Foreign Trade Zones Act of 1934, as amended.

(v) Statutory Import Program.

(2) [Reserved]

[68 FR 66544, 66575, 66577, Nov. 26, 2003]

**§ 26.220**

**§ 26.220 Are any procurement contracts included as covered transactions?**

(a) Covered transactions under this part—

(1) Do not include any procurement contracts awarded directly by a Federal agency; but

(2) Do include some procurement contracts awarded by non-Federal participants in nonprocurement covered transactions (see appendix to this part).

(b) Specifically, a contract for goods or services is a covered transaction if any of the following applies:

(1) The contract is awarded by a participant in a nonprocurement transaction that is covered under § 26.210, and the amount of the contract is expected to equal or exceed \$25,000.

(2) The contract requires the consent of a(n) DoC official. In that case, the contract, regardless of the amount, always is a covered transaction, and it does not matter who awarded it. For example, it could be a subcontract awarded by a contractor at a tier below a nonprocurement transaction, as shown in the appendix to this part.

(3) The contract is for federally-required audit services.

(c) The contract is a subcontract awarded by a participant in a procurement transaction that is covered under paragraph (a) of this section, and the amount of the contract exceeds or is expected to exceed \$25,000. This extends the coverage of paragraph (a) of this section to one additional tier of contracts, as shown in the diagram in the Appendix to this part.

[68 FR 66544, 66575, 66577, Nov. 26, 2003]

**§ 26.225 How do I know if a transaction in which I may participate is a covered transaction?**

As a participant in a transaction, you will know that it is a covered transaction because the agency regulations governing the transaction, the appropriate agency official, or participant at the next higher tier who enters into the transaction with you, will tell you that you must comply with applicable portions of this part.

15 CFR Subtitle A (1–1–07 Edition)

**Subpart C—Responsibilities of Participants Regarding Transactions**

DOING BUSINESS WITH OTHER PERSONS

**§ 26.300 What must I do before I enter into a covered transaction with another person at the next lower tier?**

When you enter into a covered transaction with another person at the next lower tier, you must verify that the person with whom you intend to do business is not excluded or disqualified. You do this by:

(a) Checking the *EPLS*; or

(b) Collecting a certification from that person if allowed by this rule; or

(c) Adding a clause or condition to the covered transaction with that person.

**§ 26.305 May I enter into a covered transaction with an excluded or disqualified person?**

(a) You as a participant may not enter into a covered transaction with an excluded person, unless the Department of Commerce grants an exception under § 26.120.

(b) You may not enter into any transaction with a person who is disqualified from that transaction, unless you have obtained an exception under the disqualifying statute, Executive order, or regulation.

**§ 26.310 What must I do if a Federal agency excludes a person with whom I am already doing business in a covered transaction?**

(a) You as a participant may continue covered transactions with an excluded person if the transactions were in existence when the agency excluded the person. However, you are not required to continue the transactions, and you may consider termination. You should make a decision about whether to terminate and the type of termination action, if any, only after a thorough review to ensure that the action is proper and appropriate.

(b) You may not renew or extend covered transactions (other than no-cost time extensions) with any excluded person, unless the Department of Commerce grants an exception under § 26.120.

**§ 26.315 May I use the services of an excluded person as a principal under a covered transaction?**

(a) You as a participant may continue to use the services of an excluded person as a principal under a covered transaction if you were using the services of that person in the transaction before the person was excluded. However, you are not required to continue using that person's services as a principal. You should make a decision about whether to discontinue that person's services only after a thorough review to ensure that the action is proper and appropriate.

(b) You may not begin to use the services of an excluded person as a principal under a covered transaction unless the Department of Commerce grants an exception under § 26.120.

**§ 26.320 Must I verify that principals of my covered transactions are eligible to participate?**

Yes, you as a participant are responsible for determining whether any of your principals of your covered transactions is excluded or disqualified from participating in the transaction. You may decide the method and frequency by which you do so. You may, but you are not required to, check the *EPLS*.

**§ 26.325 What happens if I do business with an excluded person in a covered transaction?**

If as a participant you knowingly do business with an excluded person, we may disallow costs, annul or terminate the transaction, issue a stop work order, debar or suspend you, or take other remedies as appropriate.

**§ 26.330 What requirements must I pass down to persons at lower tiers with whom I intend to do business?**

Before entering into a covered transaction with a participant at the next lower tier, you must require that participant to—

(a) Comply with this subpart as a condition of participation in the transaction. You may do so using any method(s), unless § 26.440 requires you to use specific methods.

(b) Pass the requirement to comply with this subpart to each person with whom the participant enters into a

covered transaction at the next lower tier.

## DISCLOSING INFORMATION—PRIMARY TIER PARTICIPANTS

**§ 26.335 What information must I provide before entering into a covered transaction with the Department of Commerce?**

Before you enter into a covered transaction at the primary tier, you as the participant must notify the DoC office that is entering into the transaction with you, if you know that you or any of the principals for that covered transaction:

(a) Are presently excluded or disqualified;

(b) Have been convicted within the preceding three years of any of the offenses listed in § 26.800(a) or had a civil judgment rendered against you for one of those offenses within that time period;

(c) Are presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses listed in § 26.800(a); or

(d) Have had one or more public transactions (Federal, State, or local) terminated within the preceding three years for cause or default.

**§ 26.340 If I disclose unfavorable information required under § 26.335, will I be prevented from participating in the transaction?**

As a primary tier participant, your disclosure of unfavorable information about yourself or a principal under § 26.335 will not necessarily cause us to deny your participation in the covered transaction. We will consider the information when we determine whether to enter into the covered transaction. We also will consider any additional information or explanation that you elect to submit with the disclosed information.

**§ 26.345 What happens if I fail to disclose information required under § 26.335?**

If we later determine that you failed to disclose information under § 26.335 that you knew at the time you entered into the covered transaction, we may—

**§ 26.350**

(a) Terminate the transaction for material failure to comply with the terms and conditions of the transaction; or

(b) Pursue any other available remedies, including suspension and debarment.

**§ 26.350 What must I do if I learn of information required under § 26.335 after entering into a covered transaction with the Department of Commerce?**

At any time after you enter into a covered transaction, you must give immediate written notice to the DoC office with which you entered into the transaction if you learn either that—

(a) You failed to disclose information earlier, as required by § 26.335; or

(b) Due to changed circumstances, you or any of the principals for the transaction now meet any of the criteria in § 26.335.

DISCLOSING INFORMATION—LOWER TIER PARTICIPANTS

**§ 26.355 What information must I provide to a higher tier participant before entering into a covered transaction with that participant?**

Before you enter into a covered transaction with a person at the next higher tier, you as a lower tier participant must notify that person if you know that you or any of the principals are presently excluded or disqualified.

**§ 26.360 What happens if I fail to disclose the information required under § 26.355?**

If we later determine that you failed to tell the person at the higher tier that you were excluded or disqualified at the time you entered into the covered transaction with that person, we may pursue any available remedies, including suspension and debarment.

**§ 26.365 What must I do if I learn of information required under § 26.355 after entering into a covered transaction with a higher tier participant?**

At any time after you enter into a lower tier covered transaction with a person at a higher tier, you must provide immediate written notice to that person if you learn either that—

**15 CFR Subtitle A (1–1–07 Edition)**

(a) You failed to disclose information earlier, as required by § 26.355; or

(b) Due to changed circumstances, you or any of the principals for the transaction now meet any of the criteria in § 26.355.

**Subpart D—Responsibilities of DoC Officials Regarding Transactions**

**§ 26.400 May I enter into a transaction with an excluded or disqualified person?**

(a) You as an agency official may not enter into a covered transaction with an excluded person unless you obtain an exception under § 26.120.

(b) You may not enter into any transaction with a person who is disqualified from that transaction, unless you obtain a waiver or exception under the statute, Executive order, or regulation that is the basis for the person’s disqualification.

**§ 26.405 May I enter into a covered transaction with a participant if a principal of the transaction is excluded?**

As an agency official, you may not enter into a covered transaction with a participant if you know that a principal of the transaction is excluded, unless you obtain an exception under § 26.120.

**§ 26.410 May I approve a participant’s use of the services of an excluded person?**

After entering into a covered transaction with a participant, you as an agency official may not approve a participant’s use of an excluded person as a principal under that transaction, unless you obtain an exception under § 26.120.

**§ 26.415 What must I do if a Federal agency excludes the participant or a principal after I enter into a covered transaction?**

(a) You as an agency official may continue covered transactions with an excluded person, or under which an excluded person is a principal, if the transactions were in existence when the person was excluded. You are not required to continue the transactions, however, and you may consider termination. You should make a decision

about whether to terminate and the type of termination action, if any, only after a thorough review to ensure that the action is proper.

(b) You may not renew or extend covered transactions (other than no-cost time extensions) with any excluded person, or under which an excluded person is a principal, unless you obtain an exception under § 26.120.

**§ 26.420 May I approve a transaction with an excluded or disqualified person at a lower tier?**

If a transaction at a lower tier is subject to your approval, you as an agency official may not approve—

(a) A covered transaction with a person who is currently excluded, unless you obtain an exception under § 26.120; or

(b) A transaction with a person who is disqualified from that transaction, unless you obtain a waiver or exception under the statute, Executive order, or regulation that is the basis for the person's disqualification.

**§ 26.425 When do I check to see if a person is excluded or disqualified?**

As an agency official, you must check to see if a person is excluded or disqualified before you—

(a) Enter into a primary tier covered transaction;

(b) Approve a principal in a primary tier covered transaction;

(c) Approve a lower tier participant if agency approval of the lower tier participant is required; or

(d) Approve a principal in connection with a lower tier transaction if agency approval of the principal is required.

**§ 26.430 How do I check to see if a person is excluded or disqualified?**

You check to see if a person is excluded or disqualified in two ways:

(a) You as an agency official must check the *EPLS* when you take any action listed in § 26.425.

(b) You must review information that a participant gives you, as required by § 26.335, about its status or the status of the principals of a transaction.

**§ 26.435 What must I require of a primary tier participant?**

You as an agency official must require each participant in a primary tier covered transaction to—

(a) Comply with subpart C of this part as a condition of participation in the transaction; and

(b) Communicate the requirement to comply with Subpart C of this part to persons at the next lower tier with whom the primary tier participant enters into covered transactions.

**§ 26.440 What method do I use to communicate those requirements to participants?**

To communicate the requirements to participants, you must include a term or condition in the transaction requiring the participants' compliance with subpart C of this part and requiring them to include a similar term or condition in lower-tier covered transactions.

[68 FR 66577, Nov. 26, 2003]

**§ 26.445 What action may I take if a primary tier participant knowingly does business with an excluded or disqualified person?**

If a participant knowingly does business with an excluded or disqualified person, you as an agency official may refer the matter for suspension and debarment consideration. You may also disallow costs, annul or terminate the transaction, issue a stop work order, or take any other appropriate remedy.

**§ 26.450 What action may I take if a primary tier participant fails to disclose the information required under § 26.335?**

If you as an agency official determine that a participant failed to disclose information, as required by § 26.335, at the time it entered into a covered transaction with you, you may—

(a) Terminate the transaction for material failure to comply with the terms and conditions of the transaction; or

(b) Pursue any other available remedies, including suspension and debarment.

**§ 26.455**

**§ 26.455 What may I do if a lower tier participant fails to disclose the information required under § 26.355 to the next higher tier?**

If you as an agency official determine that a lower tier participant failed to disclose information, as required by § 26.355, at the time it entered into a covered transaction with a participant at the next higher tier, you may pursue any remedies available to you, including the initiation of a suspension or debarment action.

**Subpart E—Excluded Parties List System**

**§ 26.500 What is the purpose of the Excluded Parties List System (EPLS)?**

The *EPLS* is a widely available source of the most current information about persons who are excluded or disqualified from covered transactions.

**§ 26.505 Who uses the EPLS?**

(a) Federal agency officials use the *EPLS* to determine whether to enter into a transaction with a person, as required under § 26.430.

(b) Participants also may, but are not required to, use the *EPLS* to determine if—

(1) Principals of their transactions are excluded or disqualified, as required under § 26.320; or

(2) Persons with whom they are entering into covered transactions at the next lower tier are excluded or disqualified.

(c) The *EPLS* is available to the general public.

**§ 26.510 Who maintains the EPLS?**

In accordance with the OMB guidelines, the General Services Administration (GSA) maintains the *EPLS*. When a Federal agency takes an action to exclude a person under the nonprocurement or procurement debarment and suspension system, the agency enters the information about the excluded person into the *EPLS*.

**§ 26.515 What specific information is in the EPLS?**

(a) At a minimum, the *EPLS* indicates—

(1) The full name (where available) and address of each excluded or dis-

**15 CFR Subtitle A (1–1–07 Edition)**

qualified person, in alphabetical order, with cross references if more than one name is involved in a single action;

(2) The type of action;

(3) The cause for the action;

(4) The scope of the action;

(5) Any termination date for the action;

(6) The agency and name and telephone number of the agency point of contact for the action; and

(7) The Dun and Bradstreet Number (DUNS), or other similar code approved by the GSA, of the excluded or disqualified person, if available.

(b)(1) The database for the *EPLS* includes a field for the Taxpayer Identification Number (TIN) (the social security number (SSN) for an individual) of an excluded or disqualified person.

(2) Agencies disclose the SSN of an individual to verify the identity of an individual, only if permitted under the Privacy Act of 1974 and, if appropriate, the Computer Matching and Privacy Protection Act of 1988, as codified in 5 U.S.C. 552(a).

**§ 26.520 Who places the information into the EPLS?**

Federal officials who take actions to exclude persons under this part or officials who are responsible for identifying disqualified persons must enter the following information about those persons into the *EPLS*:

(a) Information required by § 26.515(a);

(b) The Taxpayer Identification Number (TIN) of the excluded or disqualified person, including the social security number (SSN) for an individual, if the number is available and may be disclosed under law;

(c) Information about an excluded or disqualified person, generally within five working days, after—

(1) Taking an exclusion action;

(2) Modifying or rescinding an exclusion action;

(3) Finding that a person is disqualified; or

(4) Finding that there has been a change in the status of a person who is listed as disqualified.

Office of the Secretary, Commerce

§ 26.620

**§ 26.525 Whom do I ask if I have questions about a person in the EPLS?**

If you have questions about a person in the *EPLS*, ask the point of contact for the Federal agency that placed the person's name into the *EPLS*. You may find the agency point of contact from the *EPLS*.

**§ 26.530 Where can I find the EPLS?**

- (a) You may access the *EPLS* through the Internet, currently at <http://epls.arnet.gov>.
- (b) As of November 26, 2003, you may also subscribe to a printed version. However, we anticipate discontinuing the printed version. Until it is discontinued, you may obtain the printed version by purchasing a yearly subscription from the Superintendent of

Documents, U.S. Government Printing Office, Washington, DC 20402, or by calling the Government Printing Office Inquiry and Order Desk at (202) 783-3238.

**Subpart F—General Principles Relating to Suspension and Debarment Actions**

**§ 26.600 How do suspension and debarment actions start?**

When we receive information from any source concerning a cause for suspension or debarment, we will promptly report and investigate it. We refer the question of whether to suspend or debar you to our suspending or debarring official for consideration, if appropriate.

**§ 26.605 How does suspension differ from debarment?**

Suspension differs from debarment in that—

A suspending official	A debarring official
(a) Imposes suspension as a temporary status of ineligibility for procurement and nonprocurement transactions, pending completion of an investigation or legal proceedings.	Imposes debarment for a specified period as a final determination that a person is not presently responsible.
(b) Must— (1) Have <i>adequate evidence</i> that there may be a cause for debarment of a person; and (2) Conclude that <i>immediate action</i> is necessary to protect the Federal interest.	Must conclude, based on a <i>preponderance of the evidence</i> , that the person has engaged in conduct that warrants debarment.
(c) Usually imposes the suspension <i>first</i> , and then promptly notifies the suspended person, giving the person an opportunity to contest the suspension and have it lifted.	Imposes debarment <i>after</i> giving the respondent notice of the action and an opportunity to contest the proposed debarment.

**§ 26.610 What procedures does the Department of Commerce use in suspension and debarment actions?**

In deciding whether to suspend or debar you, we handle the actions as informally as practicable, consistent with principles of fundamental fairness.

- (a) For suspension actions, we use the procedures in this subpart and subpart G of this part.
- (b) For debarment actions, we use the procedures in this subpart and subpart H of this part.

**§ 26.615 How does the Department of Commerce notify a person of a suspension or debarment action?**

- (a) The suspending or debarring official sends a written notice to the last

known street address, facsimile number, or e-mail address of—

- (1) You or your identified counsel; or
- (2) Your agent for service of process, or any of your partners, officers, directors, owners, or joint venturers.
- (b) The notice is effective if sent to any of these persons.

**§ 26.620 Do Federal agencies coordinate suspension and debarment actions?**

Yes, when more than one Federal agency has an interest in a suspension or debarment, the agencies may consider designating one agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their suspension and debarment actions.

## § 26.625

### § 26.625 What is the scope of a suspension or debarment?

If you are suspended or debarred, the suspension or debarment is effective as follows:

(a) Your suspension or debarment constitutes suspension or debarment of all of your divisions and other organizational elements from all covered transactions, unless the suspension or debarment decision is limited—

(1) By its terms to one or more specifically identified individuals, divisions, or other organizational elements; or

(2) To specific types of transactions.

(b) Any affiliate of a participant may be included in a suspension or debarment action if the suspending or debarring official—

(1) Officially names the affiliate in the notice; and

(2) Gives the affiliate an opportunity to contest the action.

### § 26.630 May the Department of Commerce impute conduct of one person to another?

For purposes of actions taken under this rule, we may impute conduct as follows:

(a) *Conduct imputed from an individual to an organization.* We may impute the fraudulent, criminal, or other improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with an organization, to that organization when the improper conduct occurred in connection with the individual's performance of duties for or on behalf of that organization, or with the organization's knowledge, approval or acquiescence. The organization's acceptance of the benefits derived from the conduct is evidence of knowledge, approval or acquiescence.

(b) *Conduct imputed from an organization to an individual, or between individuals.* We may impute the fraudulent, criminal, or other improper conduct of any organization to an individual, or from one individual to another individual, if the individual to whom the improper conduct is imputed either participated in, had knowledge of, or reason to know of the improper conduct.

(c) *Conduct imputed from one organization to another organization.* We may

## 15 CFR Subtitle A (1–1–07 Edition)

impute the fraudulent, criminal, or other improper conduct of one organization to another organization when the improper conduct occurred in connection with a partnership, joint venture, joint application, association or similar arrangement, or when the organization to whom the improper conduct is imputed has the power to direct, manage, control or influence the activities of the organization responsible for the improper conduct. Acceptance of the benefits derived from the conduct is evidence of knowledge, approval or acquiescence.

### § 26.635 May the Department of Commerce settle a debarment or suspension action?

Yes, we may settle a debarment or suspension action at any time if it is in the best interest of the Federal Government.

### § 26.640 May a settlement include a voluntary exclusion?

Yes, if we enter into a settlement with you in which you agree to be excluded, it is called a voluntary exclusion and has governmentwide effect.

### § 26.645 Do other Federal agencies know if the Department of Commerce agrees to a voluntary exclusion?

(a) Yes, we enter information regarding a voluntary exclusion into the *EPLS*.

(b) Also, any agency or person may contact us to find out the details of a voluntary exclusion.

## Subpart G—Suspension

### § 26.700 When may the suspending official issue a suspension?

Suspension is a serious action. Using the procedures of this subpart and subpart F of this part, the suspending official may impose suspension only when that official determines that—

(a) There exists an indictment for, or other adequate evidence to suspect, an offense listed under § 26.800(a), or

(b) There exists adequate evidence to suspect any other cause for debarment listed under § 26.800(b) through (d); and

(c) Immediate action is necessary to protect the public interest.

**§ 26.705 What does the suspending official consider in issuing a suspension?**

(a) In determining the adequacy of the evidence to support the suspension, the suspending official considers how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. During this assessment, the suspending official may examine the basic documents, including grants, cooperative agreements, loan authorizations, contracts, and other relevant documents.

(b) An indictment, conviction, civil judgment, or other official findings by Federal, State, or local bodies that determine factual and/or legal matters, constitutes adequate evidence for purposes of suspension actions.

(c) In deciding whether immediate action is needed to protect the public interest, the suspending official has wide discretion. For example, the suspending official may infer the necessity for immediate action to protect the public interest either from the nature of the circumstances giving rise to a cause for suspension or from potential business relationships or involvement with a program of the Federal Government.

**§ 26.710 When does a suspension take effect?**

A suspension is effective when the suspending official signs the decision to suspend.

**§ 26.715 What notice does the suspending official give me if I am suspended?**

After deciding to suspend you, the suspending official promptly sends you a Notice of Suspension advising you—

- (a) That you have been suspended;
- (b) That your suspension is based on—
  - (1) An indictment;
  - (2) A conviction;
  - (3) Other adequate evidence that you have committed irregularities which seriously reflect on the propriety of further Federal Government dealings with you; or
  - (4) Conduct of another person that has been imputed to you, or your affili-

ation with a suspended or debarred person;

(c) Of any other irregularities in terms sufficient to put you on notice without disclosing the Federal Government's evidence;

(d) Of the cause(s) upon which we relied under § 26.700 for imposing suspension;

(e) That your suspension is for a temporary period pending the completion of an investigation or resulting legal or debarment proceedings;

(f) Of the applicable provisions of this subpart, Subpart F of this part, and any other DoC procedures governing suspension decision making; and

(g) Of the governmentwide effect of your suspension from procurement and nonprocurement programs and activities.

**§ 26.720 How may I contest a suspension?**

If you as a respondent wish to contest a suspension, you or your representative must provide the suspending official with information in opposition to the suspension. You may do this orally or in writing, but any information provided orally that you consider important must also be submitted in writing for the official record.

**§ 26.725 How much time do I have to contest a suspension?**

(a) As a respondent you or your representative must either send, or make arrangements to appear and present, the information and argument to the suspending official within 30 days after you receive the Notice of Suspension.

(b) We consider the notice to be received by you—

(1) When delivered, if we mail the notice to the last known street address, or five days after we send it if the letter is undeliverable;

(2) When sent, if we send the notice by facsimile or five days after we send it if the facsimile is undeliverable; or

(3) When delivered, if we send the notice by e-mail or five days after we send it if the e-mail is undeliverable.

## § 26.730

### **§ 26.730 What information must I provide to the suspending official if I contest a suspension?**

(a) In addition to any information and argument in opposition, as a respondent your submission to the suspending official must identify—

(1) Specific facts that contradict the statements contained in the Notice of Suspension. A general denial is insufficient to raise a genuine dispute over facts material to the suspension;

(2) All existing, proposed, or prior exclusions under regulations implementing E.O. 12549 and all similar actions taken by Federal, state, or local agencies, including administrative agreements that affect only those agencies;

(3) All criminal and civil proceedings not included in the Notice of Suspension that grew out of facts relevant to the cause(s) stated in the notice; and

(4) All of your affiliates.

(b) If you fail to disclose this information, or provide false information, the Department of Commerce may seek further criminal, civil or administrative action against you, as appropriate.

### **§ 26.735 Under what conditions do I get an additional opportunity to challenge the facts on which the suspension is based?**

(a) You as a respondent will not have an additional opportunity to challenge the facts if the suspending official determines that—

(1) Your suspension is based upon an indictment, conviction, civil judgment, or other finding by a Federal, State, or local body for which an opportunity to contest the facts was provided;

(2) Your presentation in opposition contains only general denials to information contained in the Notice of Suspension;

(3) The issues raised in your presentation in opposition to the suspension are not factual in nature, or are not material to the suspending official's initial decision to suspend, or the official's decision whether to continue the suspension; or

(4) On the basis of advice from the Department of Justice, an office of the United States Attorney, a State attorney general's office, or a State or local prosecutor's office, that substantial in-

terests of the government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced by conducting fact-finding.

(b) You will have an opportunity to challenge the facts if the suspending official determines that—

(1) The conditions in paragraph (a) of this section do not exist; and

(2) Your presentation in opposition raises a genuine dispute over facts material to the suspension.

(c) If you have an opportunity to challenge disputed material facts under this section, the suspending official or designee must conduct additional proceedings to resolve those facts.

### **§ 26.740 Are suspension proceedings formal?**

(a) Suspension proceedings are conducted in a fair and informal manner. The suspending official may use flexible procedures to allow you to present matters in opposition. In so doing, the suspending official is not required to follow formal rules of evidence or procedure in creating an official record upon which the official will base a final suspension decision.

(b) You as a respondent or your representative must submit any documentary evidence you want the suspending official to consider.

### **§ 26.745 How is fact-finding conducted?**

(a) If fact-finding is conducted—

(1) You may present witnesses and other evidence, and confront any witness presented; and

(2) The fact-finder must prepare written findings of fact for the record.

(b) A transcribed record of fact-finding proceedings must be made, unless you as a respondent and the Department of Commerce agree to waive it in advance. If you want a copy of the transcribed record, you may purchase it.

### **§ 26.750 What does the suspending official consider in deciding whether to continue or terminate my suspension?**

(a) The suspending official bases the decision on all information contained

in the official record. The record includes—

(1) All information in support of the suspending official's initial decision to suspend you;

(2) Any further information and argument presented in support of, or opposition to, the suspension; and

(3) Any transcribed record of fact-finding proceedings.

(b) The suspending official may refer disputed material facts to another official for findings of fact. The suspending official may reject any resulting findings, in whole or in part, only after specifically determining them to be arbitrary, capricious, or clearly erroneous.

**§ 26.755 When will I know whether the suspension is continued or terminated?**

The suspending official must make a written decision whether to continue, modify, or terminate your suspension within 45 days of closing the official record. The official record closes upon the suspending official's receipt of final submissions, information and findings of fact, if any. The suspending official may extend that period for good cause.

**§ 26.760 How long may my suspension last?**

(a) If legal or debarment proceedings are initiated at the time of, or during your suspension, the suspension may continue until the conclusion of those proceedings. However, if proceedings are not initiated, a suspension may not exceed 12 months.

(b) The suspending official may extend the 12 month limit under paragraph (a) of this section for an additional 6 months if an office of a U.S. Assistant Attorney General, U.S. Attorney, or other responsible prosecuting official requests an extension in writing. In no event may a suspension exceed 18 months without initiating proceedings under paragraph (a) of this section.

(c) The suspending official must notify the appropriate officials under paragraph (b) of this section of an impending termination of a suspension at least 30 days before the 12 month period expires to allow the officials an opportunity to request an extension.

**Subpart H—Debarment**

**§ 26.800 What are the causes for debarment?**

We may debar a person for—

(a) Conviction of or civil judgment for—

(2) Violation of Federal or State anti-trust statutes, including those proscribing price fixing between competitors, allocation of customers between competitors, and bid rigging;

(4) Violation of a material provision of a voluntary exclusion agreement entered into under § 26.640 or of any settlement of a debarment or suspension action; or

(5) Violation of the provisions of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701); or

(d) Any other cause of so serious or compelling a nature that it affects your present responsibility.

### **§ 26.805 What notice does the debarring official give me if I am proposed for debarment?**

After consideration of the causes in § 26.800 of this subpart, if the debarring official proposes to debar you, the official sends you a Notice of Proposed Debarment, pursuant to § 26.615, advising you—

(a) That the debarring official is considering debarring you;

(b) Of the reasons for proposing to debar you in terms sufficient to put you on notice of the conduct or transactions upon which the proposed debarment is based;

(c) Of the cause(s) under § 26.800 upon which the debarring official relied for proposing your debarment;

(d) Of the applicable provisions of this subpart, Subpart F of this part, and any other DoC procedures governing debarment; and

(e) Of the governmentwide effect of a debarment from procurement and non-procurement programs and activities.

### **§ 26.810 When does a debarment take effect?**

A debarment is not effective until the debarring official issues a decision. The debarring official does not issue a decision until the respondent has had an opportunity to contest the proposed debarment.

### **§ 26.815 How may I contest a proposed debarment?**

If you as a respondent wish to contest a proposed debarment, you or your

## 15 CFR Subtitle A (1-1-07 Edition)

representative must provide the debarring official with information in opposition to the proposed debarment. You may do this orally or in writing, but any information provided orally that you consider important must also be submitted in writing for the official record.

### **§ 26.820 How much time do I have to contest a proposed debarment?**

(a) As a respondent you or your representative must either send, or make arrangements to appear and present, the information and argument to the debarring official within 30 days after you receive the Notice of Proposed Debarment.

(b) We consider the Notice of Proposed Debarment to be received by you—

(1) When delivered, if we mail the notice to the last known street address, or five days after we send it if the letter is undeliverable;

(2) When sent, if we send the notice by facsimile or five days after we send it if the facsimile is undeliverable; or

(3) When delivered, if we send the notice by e-mail or five days after we send it if the e-mail is undeliverable.

### **§ 26.825 What information must I provide to the debarring official if I contest a proposed debarment?**

(a) In addition to any information and argument in opposition, as a respondent your submission to the debarring official must identify—

(1) Specific facts that contradict the statements contained in the Notice of Proposed Debarment. Include any information about any of the factors listed in § 26.860. A general denial is insufficient to raise a genuine dispute over facts material to the debarment;

(2) All existing, proposed, or prior exclusions under regulations implementing E.O. 12549 and all similar actions taken by Federal, State, or local agencies, including administrative agreements that affect only those agencies;

(3) All criminal and civil proceedings not included in the Notice of Proposed Debarment that grew out of facts relevant to the cause(s) stated in the notice; and

(4) All of your affiliates.

(b) If you fail to disclose this information, or provide false information, the Department of Commerce may seek further criminal, civil or administrative action against you, as appropriate.

**§ 26.830 Under what conditions do I get an additional opportunity to challenge the facts on which a proposed debarment is based?**

(a) You as a respondent will not have an additional opportunity to challenge the facts if the debarring official determines that—

(1) Your debarment is based upon a conviction or civil judgment;

(2) Your presentation in opposition contains only general denials to information contained in the Notice of Proposed Debarment; or

(3) The issues raised in your presentation in opposition to the proposed debarment are not factual in nature, or are not material to the debarring official's decision whether to debar.

(b) You will have an additional opportunity to challenge the facts if the debarring official determines that—

(1) The conditions in paragraph (a) of this section do not exist; and

(2) Your presentation in opposition raises a genuine dispute over facts material to the proposed debarment.

(c) If you have an opportunity to challenge disputed material facts under this section, the debarring official or designee must conduct additional proceedings to resolve those facts.

**§ 26.835 Are debarment proceedings formal?**

(a) Debarment proceedings are conducted in a fair and informal manner. The debarring official may use flexible procedures to allow you as a respondent to present matters in opposition. In so doing, the debarring official is not required to follow formal rules of evidence or procedure in creating an official record upon which the official will base the decision whether to debar.

(b) You or your representative must submit any documentary evidence you want the debarring official to consider.

**§ 26.840 How is fact-finding conducted?**

(a) If fact-finding is conducted—

(1) You may present witnesses and other evidence, and confront any witness presented; and

(2) The fact-finder must prepare written findings of fact for the record.

(b) A transcribed record of fact-finding proceedings must be made, unless you as a respondent and the Department of Commerce agree to waive it in advance. If you want a copy of the transcribed record, you may purchase it.

**§ 26.845 What does the debarring official consider in deciding whether to debar me?**

(a) The debarring official may debar you for any of the causes in § 26.800. However, the official need not debar you even if a cause for debarment exists. The official may consider the seriousness of your acts or omissions and the mitigating or aggravating factors set forth at § 26.860.

(b) The debarring official bases the decision on all information contained in the official record. The record includes—

(1) All information in support of the debarring official's proposed debarment;

(2) Any further information and argument presented in support of, or in opposition to, the proposed debarment; and

(3) Any transcribed record of fact-finding proceedings.

(c) The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any resultant findings, in whole or in part, only after specifically determining them to be arbitrary, capricious, or clearly erroneous.

**§ 26.850 What is the standard of proof in a debarment action?**

(a) In any debarment action, we must establish the cause for debarment by a preponderance of the evidence.

(b) If the proposed debarment is based upon a conviction or civil judgment, the standard of proof is met.

**§ 26.855 Who has the burden of proof in a debarment action?**

(a) We have the burden to prove that a cause for debarment exists.

## § 26.860

(b) Once a cause for debarment is established, you as a respondent have the burden of demonstrating to the satisfaction of the debarring official that you are presently responsible and that debarment is not necessary.

### § 26.860 What factors may influence the debarring official's decision?

This section lists the mitigating and aggravating factors that the debarring official may consider in determining whether to debar you and the length of your debarment period. The debarring official may consider other factors if appropriate in light of the circumstances of a particular case. The existence or nonexistence of any factor, such as one of those set forth in this section, is not necessarily determinative of your present responsibility. In making a debarment decision, the debarring official may consider the following factors:

(a) The actual or potential harm or impact that results or may result from the wrongdoing.

(b) The frequency of incidents and/or duration of the wrongdoing.

(c) Whether there is a pattern or prior history of wrongdoing. For example, if you have been found by another Federal agency or a State agency to have engaged in wrongdoing similar to that found in the debarment action, the existence of this fact may be used by the debarring official in determining that you have a pattern or prior history of wrongdoing.

(d) Whether you are or have been excluded or disqualified by an agency of the Federal Government or have not been allowed to participate in State or local contracts or assistance agreements on a basis of conduct similar to one or more of the causes for debarment specified in this part.

(e) Whether you have entered into an administrative agreement with a Federal agency or a State or local government that is not governmentwide but is based on conduct similar to one or more of the causes for debarment specified in this part.

(f) Whether and to what extent you planned, initiated, or carried out the wrongdoing.

(g) Whether you have accepted responsibility for the wrongdoing and

## 15 CFR Subtitle A (1-1-07 Edition)

recognize the seriousness of the misconduct that led to the cause for debarment.

(h) Whether you have paid or agreed to pay all criminal, civil and administrative liabilities for the improper activity, including any investigative or administrative costs incurred by the government, and have made or agreed to make full restitution.

(i) Whether you have cooperated fully with the government agencies during the investigation and any court or administrative action. In determining the extent of cooperation, the debarring official may consider when the cooperation began and whether you disclosed all pertinent information known to you.

(j) Whether the wrongdoing was pervasive within your organization.

(k) The kind of positions held by the individuals involved in the wrongdoing.

(l) Whether your organization took appropriate corrective action or remedial measures, such as establishing ethics training and implementing programs to prevent recurrence.

(m) Whether your principals tolerated the offense.

(n) Whether you brought the activity cited as a basis for the debarment to the attention of the appropriate government agency in a timely manner.

(o) Whether you have fully investigated the circumstances surrounding the cause for debarment and, if so, made the result of the investigation available to the debarring official.

(p) Whether you had effective standards of conduct and internal control systems in place at the time the questioned conduct occurred.

(q) Whether you have taken appropriate disciplinary action against the individuals responsible for the activity which constitutes the cause for debarment.

(r) Whether you have had adequate time to eliminate the circumstances within your organization that led to the cause for the debarment.

(s) Other factors that are appropriate to the circumstances of a particular case.

**§ 26.865 How long may my debarment last?**

(a) If the debarring official decides to debar you, your period of debarment will be based on the seriousness of the cause(s) upon which your debarment is based. Generally, debarment should not exceed three years. However, if circumstances warrant, the debarring official may impose a longer period of debarment.

(b) In determining the period of debarment, the debarring official may consider the factors in § 26.860. If a suspension has preceded your debarment, the debarring official must consider the time you were suspended.

(c) If the debarment is for a violation of the provisions of the Drug-Free Workplace Act of 1988, your period of debarment may not exceed five years.

**§ 26.870 When do I know if the debarring official debars me?**

(a) The debarring official must make a written decision whether to debar within 45 days of closing the official record. The official record closes upon the debarring official's receipt of final submissions, information and findings of fact, if any. The debarring official may extend that period for good cause.

(b) The debarring official sends you written notice, pursuant to § 26.615 that the official decided, either—

(1) Not to debar you; or

(2) To debar you. In this event, the notice:

(i) Refers to the Notice of Proposed Debarment;

(ii) Specifies the reasons for your debarment;

(iii) States the period of your debarment, including the effective dates; and

(iv) Advises you that your debarment is effective for covered transactions and contracts that are subject to the Federal Acquisition Regulation (48 CFR chapter 1), throughout the executive branch of the Federal Government unless an agency head or an authorized designee grants an exception.

**§ 26.875 May I ask the debarring official to reconsider a decision to debar me?**

Yes, as a debarred person you may ask the debarring official to reconsider

the debarment decision or to reduce the time period or scope of the debarment. However, you must put your request in writing and support it with documentation.

**§ 26.880 What factors may influence the debarring official during reconsideration?**

The debarring official may reduce or terminate your debarment based on—

(a) Newly discovered material evidence;

(b) A reversal of the conviction or civil judgment upon which your debarment was based;

(c) A bona fide change in ownership or management;

(d) Elimination of other causes for which the debarment was imposed; or

(e) Other reasons the debarring official finds appropriate.

**§ 26.885 May the debarring official extend a debarment?**

(a) Yes, the debarring official may extend a debarment for an additional period, if that official determines that an extension is necessary to protect the public interest.

(b) However, the debarring official may not extend a debarment solely on the basis of the facts and circumstances upon which the initial debarment action was based.

(c) If the debarring official decides that a debarment for an additional period is necessary, the debarring official must follow the applicable procedures in this subpart, and subpart F of this part, to extend the debarment.

## § 27.101

### § 27.101 To what does this policy apply?

(a) Except as provided in paragraph (b) of this section, this policy applies to all research involving human subjects conducted, supported or otherwise subject to regulation by any federal department or agency which takes appropriate administrative action to make the policy applicable to such research. This includes research conducted by federal civilian employees or military personnel, except that each department or agency head may adopt such procedural modifications as may be appropriate from an administrative standpoint. It also includes research conducted, supported, or otherwise subject to regulation by the federal government outside the United States.

(1) Research that is conducted or supported by a federal department or agency, whether or not it is regulated as defined in § 27.102(e), must comply with all sections of this policy.

(2) Research that is neither conducted nor supported by a federal department or agency but is subject to regulation as defined in § 27.102(e) must be reviewed and approved, in compliance with § 27.101, § 27.102, and § 27.107 through § 27.117 of this policy, by an institutional review board (IRB) that operates in accordance with the pertinent requirements of this policy.

(b) Unless otherwise required by department or agency heads, research activities in which the only involvement of human subjects will be in one or more of the following categories are exempt from this policy:

(1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (i) research on regular and special education instructional strategies, or (ii) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.

(2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless:

(i) Information obtained is recorded in such a manner that human subjects

## 15 CFR Subtitle A (1-1-07 Edition)

can be identified, directly or through identifiers linked to the subjects; and

(ii) Any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation.

(3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures, or observation of public behavior that is not exempt under paragraph (b)(2) of this section, if:

(i) The human subjects are elected or appointed public officials or candidates for public office; or

(ii) Federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.

(4) Research, involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in such a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.

(5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine:

(i) Public benefit or service programs;

(ii) Procedures for obtaining benefits or services under those programs;

(iii) Possible changes in or alternatives to those programs or procedures; or

(iv) Possible changes in methods or levels of payment for benefits or services under those programs.

(6) Taste and food quality evaluation and consumer acceptance studies,

(i) If wholesome foods without additives are consumed or

(ii) If a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by

## Office of the Secretary, Commerce

## § 27.102

the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

(c) Department or agency heads retain final judgment as to whether a particular activity is covered by this policy.

(d) Department or agency heads may require that specific research activities or classes of research activities conducted, supported, or otherwise subject to regulation by the department or agency but not otherwise covered by this policy, comply with some or all of the requirements of this policy.

(e) Compliance with this policy requires compliance with pertinent federal laws or regulations which provide additional protections for human subjects.

(f) This policy does not affect any state or local laws or regulations which may otherwise be applicable and which provide additional protections for human subjects.

(g) This policy does not affect any foreign laws or regulations which may otherwise be applicable and which provide additional protections to human subjects of research.

(h) When research covered by this policy takes place in foreign countries, procedures normally followed in the foreign countries to protect human subjects may differ from those set forth in this policy. [An example is a foreign institution which complies with guidelines consistent with the World Medical Assembly Declaration (Declaration of Helsinki amended 1989) issued either by sovereign states or by an organization whose function for the protection of human research subjects is internationally recognized.] In these circumstances, if a department or agency head determines that the procedures prescribed by the institution afford protections that are at least equivalent to those provided in this policy, the department or agency head may approve the substitution of the foreign procedures in lieu of the procedural requirements provided in this policy. Except when otherwise required by statute, Executive Order, or the department or agency head, notices of these actions as they occur will be published in the FEDERAL REGISTER or will

be otherwise published as provided in department or agency procedures.

(i) Unless otherwise required by law, department or agency heads may waive the applicability of some or all of the provisions of this policy to specific research activities or classes of research activities otherwise covered by this policy. Except when otherwise required by statute or Executive Order, the department or agency head shall forward advance notices of these actions to the Office for Human Research Protections, Department of Health and Human Services (HHS), or any successor office, and shall also publish them in the FEDERAL REGISTER or in such other manner as provided in department or agency procedures.<sup>1</sup>

### § 27.102 Definitions.

(a) *Department or agency head* means the head of any federal department or agency and any other officer or employee of any department or agency to whom authority has been delegated.

(b) *Institution* means any public or private entity or agency (including federal, state, and other agencies).

(c) *Legally authorized representative* means an individual or judicial or other body authorized under applicable law to consent on behalf of a prospective subject to the subject's participation in the procedure(s) involved in the research.

<sup>1</sup>Institutions with HHS-approved assurances on file will abide by provisions of title 45 CFR part 46 subparts A-D. Some of the other Departments and Agencies have incorporated all provisions of title 45 CFR part 46 into their policies and procedures as well. However, the exemptions at 45 CFR part 46.101(b) do not apply to research involving prisoners, subpart C. The exemption at 45 CFR part 46.101(b)(2), for research involving survey or interview procedures or observation of public behavior, does not apply to research with children, subpart D, except for research involving observations of public behavior when the investigator(s) do not participate in the activities being observed.

## § 27.103

(d) *Research* means a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge. Activities which meet this definition constitute research for purposes of this policy, whether or not they are conducted or supported under a program which is considered research for other purposes. For example, some demonstration and service programs may include research activities.

(e) *Research subject to regulation*, and similar terms are intended to encompass those research activities for which a federal department or agency has specific responsibility for regulating as a research activity, (for example, Investigational New Drug requirements administered by the Food and Drug Administration). It does not include research activities which are incidentally regulated by a federal department or agency solely as part of the department's or agency's broader responsibility to regulate certain types of activities whether research or non-research in nature (for example, Wage and Hour requirements administered by the Department of Labor).

(f) *Human subject* means a living individual about whom an investigator (whether professional or student) conducting research obtains

- (1) Data through intervention or interaction with the individual, or
- (2) Identifiable private information.

*Intervention* includes both physical procedures by which data are gathered (for example, venipuncture) and manipulations of the subject or the subject's environment that are performed for research purposes. Interaction includes communication or interpersonal contact between investigator and subject. "Private information" includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a medical record). Private information must be individually identifiable (*i.e.*, the identity of the subject is or may readily be ascertained by the

## 15 CFR Subtitle A (1-1-07 Edition)

investigator or associated with the information) in order for obtaining the information to constitute research involving human subjects.

(g) *IRB* means an institutional review board established in accord with and for the purposes expressed in this policy.

(h) *IRB approval* means the determination of the IRB that the research has been reviewed and may be conducted at an institution within the constraints set forth by the IRB and by other institutional and federal requirements.

(i) *Minimal risk* means that the probability and magnitude of harm or discomfort anticipated in the research are not greater in and of themselves than those ordinarily encountered in daily life or during the performance of routine physical or psychological examinations or tests.

(j) *Certification* means the official notification by the institution to the supporting department or agency, in accordance with the requirements of this policy, that a research project or activity involving human subjects has been reviewed and approved by an IRB in accordance with an approved assurance.

### § 27.103 Assuring compliance with this policy—research conducted or supported by any Federal Department or Agency.

(a) Each institution engaged in research which is covered by this policy and which is conducted or supported by a federal department or agency shall provide written assurance satisfactory to the department or agency head that it will comply with the requirements set forth in this policy. In lieu of requiring submission of an assurance, individual department or agency heads shall accept the existence of a current assurance, appropriate for the research in question, on file with the Office for Human Research Protections, HHS, or any successor office, and approved for federalwide use by that office. When the existence of an HHS-approved assurance is accepted in lieu of requiring submission of an assurance, reports (except certification) required by this policy to be made to department and agency heads shall also be made to the

**Office of the Secretary, Commerce**

**§ 27.103**

Office for Human Research Protections, HHS, or any successor office.

(b) Departments and agencies will conduct or support research covered by this policy only if the institution has an assurance approved as provided in this section, and only if the institution has certified to the department or agency head that the research has been reviewed and approved by an IRB provided for in the assurance, and will be subject to continuing review by the IRB. Assurances applicable to federally supported or conducted research shall at a minimum include:

(1) A statement of principles governing the institution in the discharge of its responsibilities for protecting the rights and welfare of human subjects of research conducted at or sponsored by the institution, regardless of whether the research is subject to federal regulation. This may include an appropriate existing code, declaration, or statement of ethical principles, or a statement formulated by the institution itself. This requirement does not preempt provisions of this policy applicable to department- or agency-supported or regulated research and need not be applicable to any research exempted or waived under §27.101 (b) or (i).

(2) Designation of one or more IRBs established in accordance with the requirements of this policy, and for which provisions are made for meeting space and sufficient staff to support the IRB's review and recordkeeping duties.

(3) A list of IRB members identified by name; earned degrees; representative capacity; indications of experience such as board certifications, licenses, etc., sufficient to describe each member's chief anticipated contributions to IRB deliberations; and any employment or other relationship between each member and the institution; for example: full-time employee, part-time employee, member of governing panel or board, stockholder, paid or unpaid consultant. Changes in IRB membership shall be reported to the department or agency head, unless in accord with § 27.103(a) of this policy, the existence of an HHS-approved assurance is accepted. In this case, change in IRB membership shall be reported to the

Office for Human Research Protections, HHS, or any successor office.

(4) Written procedures which the IRB will follow (i) for conducting its initial and continuing review of research and for reporting its findings and actions to the investigator and the institution; (ii) for determining which projects require review more often than annually and which projects need verification from sources other than the investigators that no material changes have occurred since previous IRB review; and (iii) for ensuring prompt reporting to the IRB of proposed changes in a research activity, and for ensuring that such changes in approved research, during the period for which IRB approval has already been given, may not be initiated without IRB review and approval except when necessary to eliminate apparent immediate hazards to the subject.

(5) Written procedures for ensuring prompt reporting to the IRB, appropriate institutional officials, and the department or agency head of (i) any unanticipated problems involving risks to subjects or others or any serious or continuing noncompliance with this policy or the requirements or determinations of the IRB and (ii) any suspension or termination of IRB approval.

(c) The assurance shall be executed by an individual authorized to act for the institution and to assume on behalf of the institution the obligations imposed by this policy and shall be filed in such form and manner as the department or agency head prescribes.

(d) The department or agency head will evaluate all assurances submitted in accordance with this policy through such officers and employees of the department or agency and such experts or consultants engaged for this purpose as the department or agency head determines to be appropriate. The department or agency head's evaluation will take into consideration the adequacy of the proposed IRB in light of the anticipated scope of the institution's research activities and the types of subject populations likely to be involved, the appropriateness of the proposed initial and continuing review procedures in light of the probable risks, and the size and complexity of the institution.

(e) On the basis of this evaluation, the department or agency head may approve or disapprove the assurance, or enter into negotiations to develop an approvable one. The department or agency head may limit the period during which any particular approved assurance or class of approved assurances shall remain effective or otherwise condition or restrict approval.

(f) Certification is required when the research is supported by a federal department or agency and not otherwise exempted or waived under §27.101 (b) or (i). An institution with an approved assurance shall certify that each application or proposal for research covered by the assurance and by §27.103 of this Policy has been reviewed and approved by the IRB. Such certification must be submitted with the application or proposal or by such later date as may be prescribed by the department or agency to which the application or proposal is submitted. Under no condition shall research covered by §27.103 of the Policy be supported prior to receipt of the certification that the research has been reviewed and approved by the IRB. Institutions without an approved assurance covering the research shall certify within 30 days after receipt of a request for such a certification from the department or agency, that the application or proposal has been approved by the IRB. If the certification is not submitted within these time limits, the application or proposal may be returned to the institution.

**§§ 27.104–27.106 [Reserved]**

**§ 27.107 IRB membership.**

(a) Each IRB shall have at least five members, with varying backgrounds to promote complete and adequate review of research activities commonly conducted by the institution. The IRB shall be sufficiently qualified through the experience and expertise of its members, and the diversity of the members, including consideration of race, gender, and cultural backgrounds and sensitivity to such issues as com-

munity attitudes, to promote respect for its advice and counsel in safeguarding the rights and welfare of human subjects. In addition to possessing the professional competence necessary to review specific research activities, the IRB shall be able to ascertain the acceptability of proposed research in terms of institutional commitments and regulations, applicable law, and standards of professional conduct and practice. The IRB shall therefore include persons knowledgeable in these areas. If an IRB regularly reviews research that involves a vulnerable category of subjects, such as children, prisoners, pregnant women, or handicapped or mentally disabled persons, consideration shall be given to the inclusion of one or more individuals who are knowledgeable about and experienced in working with these subjects.

(b) Every nondiscriminatory effort will be made to ensure that no IRB consists entirely of men or entirely of women, including the institution's consideration of qualified persons of both sexes, so long as no selection is made to the IRB on the basis of gender. No IRB may consist entirely of members of one profession.

(c) Each IRB shall include at least one member whose primary concerns are in scientific areas and at least one member whose primary concerns are in nonscientific areas.

(d) Each IRB shall include at least one member who is not otherwise affiliated with the institution and who is not part of the immediate family of a person who is affiliated with the institution.

(e) No IRB may have a member participate in the IRB's initial or continuing review of any project in which the member has a conflicting interest, except to provide information requested by the IRB.

(f) An IRB may, in its discretion, invite individuals with competence in special areas to assist in the review of issues which require expertise beyond or in addition to that available on the IRB. These individuals may not vote with the IRB.

**§ 27.108 IRB functions and operations.**

In order to fulfill the requirements of this policy each IRB shall:

(a) Follow written procedures in the same detail as described in § 27.103(b)(4) and, to the extent required by, § 27.103(b)(5).

(b) Except when an expedited review procedure is used (see § 27.110), review proposed research at convened meetings at which a majority of the members of the IRB are present, including at least one member whose primary concerns are in nonscientific areas. In order for the research to be approved, it shall receive the approval of a majority of those members present at the meeting.

**§ 27.109 IRB review of research.**

(a) An IRB shall review and have authority to approve, require modifications in (to secure approval), or disapprove all research activities covered by this policy.

(b) An IRB shall require that information given to subjects as part of informed consent is in accordance with § 27.116. The IRB may require that information, in addition to that specifically mentioned in § 27.116, be given to the subjects when in the IRB's judgment the information would meaningfully add to the protection of the rights and welfare of subjects.

(c) An IRB shall require documentation of informed consent or may waive documentation in accordance with § 27.117.

(d) An IRB shall notify investigators and the institution in writing of its decision to approve or disapprove the proposed research activity, or of modifications required to secure IRB approval of the research activity. If the IRB decides to disapprove a research activity, it shall include in its written notification a statement of the reasons for its decision and give the investigator an opportunity to respond in person or in writing.

(e) An IRB shall conduct continuing review of research covered by this policy at intervals appropriate to the degree of risk, but not less than once per year, and shall have authority to observe or have a third party observe the consent process and the research.

[56 FR 28012, 28019, June 18, 1991, as amended at 70 FR 36328, June 23, 2005]

**§ 27.110 Expedited review procedures for certain kinds of research involving no more than minimal risk, and for minor changes in approved research.**

(a) The Secretary, HHS, has established, and published as a Notice in the FEDERAL REGISTER, a list of categories of research that may be reviewed by the IRB through an expedited review procedure. The list will be amended, as appropriate after consultation with other departments and agencies, through periodic republication by the Secretary, HHS, in the FEDERAL REGISTER. A copy of the list is available from the Office for Human Research Protections, HHS, or any successor office.

(b) An IRB may use the expedited review procedure to review either or both of the following:

(1) Some or all of the research appearing on the list and found by the reviewer(s) to involve no more than minimal risk,

(2) Minor changes in previously approved research during the period (of one year or less) for which approval is authorized.

Under an expedited review procedure, the review may be carried out by the IRB chairperson or by one or more experienced reviewers designated by the chairperson from among members of the IRB. In reviewing the research, the reviewers may exercise all of the authorities of the IRB except that the reviewers may not disapprove the research. A research activity may be disapproved only after review in accordance with the non-expedited procedure set forth in § 27.108(b).

(c) Each IRB which uses an expedited review procedure shall adopt a method for keeping all members advised of research proposals which have been approved under the procedure.

(d) The department or agency head may restrict, suspend, terminate, or choose not to authorize an institution's or IRB's use of the expedited review procedure.

[56 FR 28012, 28019, June 18, 1991, as amended at 70 FR 36328, June 23, 2005]

## § 27.111

### § 27.111 Criteria for IRB approval of research.

(a) In order to approve research covered by this policy the IRB shall determine that all of the following requirements are satisfied:

(1) Risks to subjects are minimized:

(i) By using procedures which are consistent with sound research design and which do not unnecessarily expose subjects to risk, and (ii) whenever appropriate, by using procedures already being performed on the subjects for diagnostic or treatment purposes.

(2) Risks to subjects are reasonable in relation to anticipated benefits, if any, to subjects, and the importance of the knowledge that may reasonably be expected to result. In evaluating risks and benefits, the IRB should consider only those risks and benefits that may result from the research (as distinguished from risks and benefits of therapies subjects would receive even if not participating in the research). The IRB should not consider possible long-range effects of applying knowledge gained in the research (for example, the possible effects of the research on public policy) as among those research risks that fall within the purview of its responsibility.

(3) Selection of subjects is equitable. In making this assessment the IRB should take into account the purposes of the research and the setting in which the research will be conducted and should be particularly cognizant of the special problems of research involving vulnerable populations, such as children, prisoners, pregnant women, mentally disabled persons, or economically or educationally disadvantaged persons.

(4) Informed consent will be sought from each prospective subject or the subject's legally authorized representative, in accordance with, and to the extent required by § 27.116.

(5) Informed consent will be appropriately documented, in accordance with, and to the extent required by § 27.117.

(6) When appropriate, the research plan makes adequate provision for monitoring the data collected to ensure the safety of subjects.

(7) When appropriate, there are adequate provisions to protect the privacy

## 15 CFR Subtitle A (1-1-07 Edition)

of subjects and to maintain the confidentiality of data.

(b) When some or all of the subjects are likely to be vulnerable to coercion or undue influence, such as children, prisoners, pregnant women, mentally disabled persons, or economically or educationally disadvantaged persons, additional safeguards have been included in the study to protect the rights and welfare of these subjects.

### § 27.112 Review by institution.

Research covered by this policy that has been approved by an IRB may be subject to further appropriate review and approval or disapproval by officials of the institution. However, those officials may not approve the research if it has not been approved by an IRB.

### § 27.113 Suspension or termination of IRB approval of research.

An IRB shall have authority to suspend or terminate approval of research that is not being conducted in accordance with the IRB's requirements or that has been associated with unexpected serious harm to subjects. Any suspension or termination of approval shall include a statement of the reasons for the IRB's action and shall be reported promptly to the investigator, appropriate institutional officials, and the department or agency head.

(Approved by the Office of Management and Budget under control number 0990-0260)

[56 FR 28012, 28019, June 18, 1991, as amended at 70 FR 36328, June 23, 2005]

### § 27.114 Cooperative research.

Cooperative research projects are those projects covered by this policy which involve more than one institution. In the conduct of cooperative research projects, each institution is responsible for safeguarding the rights and welfare of human subjects and for complying with this policy. With the approval of the department or agency head, an institution participating in a cooperative project may enter into a joint review arrangement, rely upon the review of another qualified IRB, or make similar arrangements for avoiding duplication of effort.

**§ 27.115 IRB records.**

(a) An institution, or when appropriate an IRB, shall prepare and maintain adequate documentation of IRB activities, including the following:

(1) Copies of all research proposals reviewed, scientific evaluations, if any, that accompany the proposals, approved sample consent documents, progress reports submitted by investigators, and reports of injuries to subjects.

(2) Minutes of IRB meetings which shall be in sufficient detail to show attendance at the meetings; actions taken by the IRB; the vote on these actions including the number of members voting for, against, and abstaining; the basis for requiring changes in or disapproving research; and a written summary of the discussion of controverted issues and their resolution.

(3) Records of continuing review activities.

(4) Copies of all correspondence between the IRB and the investigators.

(5) A list of IRB members in the same detail as described in § 27.103(b)(3).

(6) Written procedures for the IRB in the same detail as described in § 27.103(b)(4) and § 27.103(b)(5).

(7) Statements of significant new findings provided to subjects, as required by § 27.116(b)(5).

(b) The records required by this policy shall be retained for at least 3 years, and records relating to research which is conducted shall be retained for at least 3 years after completion of the research. All records shall be accessible for inspection and copying by authorized representatives of the department or agency at reasonable times and in a reasonable manner.

(Approved by the Office of Management and Budget under control number 0990-0260)

[56 FR 28012, 28019, June 18, 1991, as amended at 70 FR 36328, June 23, 2005]

**§ 27.116 General requirements for informed consent.**

Except as provided elsewhere in this policy, no investigator may involve a human being as a subject in research covered by this policy unless the investigator has obtained the legally effective informed consent of the subject or the subject's legally authorized rep-

resentative. An investigator shall seek such consent only under circumstances that provide the prospective subject or the representative sufficient opportunity to consider whether or not to participate and that minimize the possibility of coercion or undue influence. The information that is given to the subject or the representative shall be in language understandable to the subject or the representative. No informed consent, whether oral or written, may include any exculpatory language through which the subject or the representative is made to waive or appear to waive any of the subject's legal rights, or releases or appears to release the investigator, the sponsor, the institution or its agents from liability for negligence.

(a) Basic elements of informed consent. Except as provided in paragraph (c) or (d) of this section, in seeking informed consent the following information shall be provided to each subject:

(1) A statement that the study involves research, an explanation of the purposes of the research and the expected duration of the subject's participation, a description of the procedures to be followed, and identification of any procedures which are experimental;

(2) A description of any reasonably foreseeable risks or discomforts to the subject;

(3) A description of any benefits to the subject or to others which may reasonably be expected from the research;

(4) A disclosure of appropriate alternative procedures or courses of treatment, if any, that might be advantageous to the subject;

(5) A statement describing the extent, if any, to which confidentiality of records identifying the subject will be maintained;

(6) For research involving more than minimal risk, an explanation as to whether any compensation and an explanation as to whether any medical treatments are available if injury occurs and, if so, what they consist of, or where further information may be obtained;

(7) An explanation of whom to contact for answers to pertinent questions about the research and research subjects' rights, and whom to contact in

## §27.117

the event of a research-related injury to the subject; and

(8) A statement that participation is voluntary, refusal to participate will involve no penalty or loss of benefits to which the subject is otherwise entitled, and the subject may discontinue participation at any time without penalty or loss of benefits to which the subject is otherwise entitled.

(b) Additional elements of informed consent. When appropriate, one or more of the following elements of information shall also be provided to each subject:

(1) A statement that the particular treatment or procedure may involve risks to the subject (or to the embryo or fetus, if the subject is or may become pregnant) which are currently unforeseeable;

(2) Anticipated circumstances under which the subject's participation may be terminated by the investigator without regard to the subject's consent;

(3) Any additional costs to the subject that may result from participation in the research;

(4) The consequences of a subject's decision to withdraw from the research and procedures for orderly termination of participation by the subject;

(5) A statement that significant new findings developed during the course of the research which may relate to the subject's willingness to continue participation will be provided to the subject; and

(6) The approximate number of subjects involved in the study.

(c) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth above, or waive the requirement to obtain informed consent provided the IRB finds and documents that:

(1) The research or demonstration project is to be conducted by or subject to the approval of state or local government officials and is designed to study, evaluate, or otherwise examine:

- (i) Public benefit of service programs;
- (ii) procedures for obtaining benefits or services under those programs;
- (iii) possible changes in or alternatives to those programs or procedures; or
- (iv) possible changes in methods or levels

## 15 CFR Subtitle A (1-1-07 Edition)

of payment for benefits or services under those programs; and

(2) The research could not practicably be carried out without the waiver or alteration.

(d) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth in this section, or waive the requirements to obtain informed consent provided the IRB finds and documents that:

(1) The research involves no more than minimal risk to the subjects;

(2) The waiver or alteration will not adversely affect the rights and welfare of the subjects;

(3) The research could not practicably be carried out without the waiver or alteration; and

(4) Whenever appropriate, the subjects will be provided with additional pertinent information after participation.

(e) The informed consent requirements in this policy are not intended to preempt any applicable federal, state, or local laws which require additional information to be disclosed in order for informed consent to be legally effective.

(f) Nothing in this policy is intended to limit the authority of a physician to provide emergency medical care, to the extent the physician is permitted to do so under applicable federal, state, or local law.

### §27.117 Documentation of informed consent.

(a) Except as provided in paragraph (c) of this section, informed consent shall be documented by the use of a written consent form approved by the IRB and signed by the subject or the subject's legally authorized representative. A copy shall be given to the person signing the form.

(b) Except as provided in paragraph (c) of this section, the consent form may be either of the following:

(1) A written consent document that embodies the elements of informed consent required by §27.116. This form

may be read to the subject or the subject's legally authorized representative, but in any event, the investigator shall give either the subject or the representative adequate opportunity to read it before it is signed; or

(2) A short form written consent document stating that the elements of informed consent required by §27.116 have been presented orally to the subject or the subject's legally authorized representative. When this method is used, there shall be a witness to the oral presentation. Also, the IRB shall approve a written summary of what is to be said to the subject or the representative. Only the short form itself is to be signed by the subject or the representative. However, the witness shall sign both the short form and a copy of the summary, and the person actually obtaining consent shall sign a copy of the summary. A copy of the summary shall be given to the subject or the representative, in addition to a copy of the short form.

(c) An IRB may waive the requirement for the investigator to obtain a signed consent form for some or all subjects if it finds either:

(1) That the only record linking the subject and the research would be the consent document and the principal risk would be potential harm resulting from a breach of confidentiality. Each subject will be asked whether the subject wants documentation linking the subject with the research, and the subject's wishes will govern; or

(2) That the research presents no more than minimal risk of harm to subjects and involves no procedures for which written consent is normally required outside of the research context.

In cases in which the documentation requirement is waived, the IRB may require the investigator to provide subjects with a written statement regarding the research.

**§27.118 Applications and proposals lacking definite plans for involvement of human subjects.**

Certain types of applications for grants, cooperative agreements, or con-

tracts are submitted to departments or agencies with the knowledge that subjects may be involved within the period of support, but definite plans would not normally be set forth in the application or proposal. These include activities such as institutional type grants when selection of specific projects is the institution's responsibility; research training grants in which the activities involving subjects remain to be selected; and projects in which human subject's involvement will depend upon completion of instruments, prior animal studies, or purification of compounds. These applications need not be reviewed by an IRB before an award may be made. However, except for research exempted or waived under §27.101 (b) or (i), no human subjects may be involved in any project supported by these awards until the project has been reviewed and approved by the IRB, as provided in this policy, and certification submitted, by the institution, to the department or agency.

**§27.119 Research undertaken without the intention of involving human subjects.**

In the event research is undertaken without the intention of involving human subjects, but it is later proposed to involve human subjects in the research, the research shall first be reviewed and approved by an IRB, as provided in this policy, a certification submitted, by the institution, to the department or agency, and final approval given to the proposed change by the department or agency.

**§27.120 Evaluation and disposition of applications and proposals for research to be conducted or supported by a Federal Department or Agency.**

(a) The department or agency head will evaluate all applications and proposals involving human subjects submitted to the department or agency through such officers and employees of the department or agency and such experts and consultants as the department or agency head determines to be appropriate. This evaluation will take into consideration the risks to the subjects, the adequacy of protection against these risks, the potential benefits of the research to the subjects and

## § 27.121

others, and the importance of the knowledge gained or to be gained.

(b) On the basis of this evaluation, the department or agency head may approve or disapprove the application or proposal, or enter into negotiations to develop an approvable one.

## § 27.121 [Reserved]

### § 27.122 Use of Federal funds.

Federal funds administered by a department or agency may not be expended for research involving human subjects unless the requirements of this policy have been satisfied.

### § 27.123 Early termination of research support: Evaluation of applications and proposals.

(a) The department or agency head may require that department or agency support for any project be terminated or suspended in the manner prescribed in applicable program requirements, when the department or agency head finds an institution has materially failed to comply with the terms of this policy.

(b) In making decisions about supporting or approving applications or proposals covered by this policy the department or agency head may take into account, in addition to all other eligibility requirements and program criteria, factors such as whether the applicant has been subject to a termination or suspension under paragraph (a) of this section and whether the applicant or the person or persons who would direct or has have directed the scientific and technical aspects of an activity has have, in the judgment of the department or agency head, materially failed to discharge responsibility for the protection of the rights and welfare of human subjects (whether or not the research was subject to federal regulation).

### § 27.124 Conditions.

With respect to any research project or any class of research projects the department or agency head may impose additional conditions prior to or at the time of approval when in the judgment of the department or agency head additional conditions are necessary for the protection of human subjects.

#### Subpart A—General

### § 28.100 Conditions on use of funds.

(a) No appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal

actions: the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(b) Each person who requests or receives from an agency a Federal contract, grant, loan, or cooperative agreement shall file with that agency a certification, set forth in Appendix A, that the person has not made, and will not make, any payment prohibited by paragraph (a) of this section.

(c) Each person who requests or receives from an agency a Federal contract, grant, loan, or a cooperative agreement shall file with that agency a disclosure form, set forth in Appendix B, if such person has made or has agreed to make any payment using nonappropriated funds (to include profits from any covered Federal action), which would be prohibited under paragraph (a) of this section if paid for with appropriated funds.

(d) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a statement, set forth in Appendix A, whether that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

(e) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a disclosure form, set forth in Appendix B, if that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

#### § 28.105 Definitions.

For purposes of this part:

(a) *Agency*, as defined in 5 U.S.C. 552(f), includes Federal executive departments and agencies as well as independent regulatory commissions and Government corporations, as defined in 31 U.S.C. 9101(1).

- (3) The making of any Federal loan;
- (4) The entering into of any cooperative agreement; and,
- (5) The extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(c) *Federal contract* means an acquisition contract awarded by an agency, including those subject to the Federal Acquisition Regulation (FAR), and any other acquisition contract for real or personal property or services not subject to the FAR.

(d) *Federal cooperative agreement* means a cooperative agreement entered into by an agency.

(l) *Person* means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit or not for profit. This term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(m) *Reasonable compensation* means, with respect to a regularly employed officer or employee of any person, compensation that is consistent with the normal compensation for such officer or employee for work that is not furnished to, not funded by, or not fur-

nished in cooperation with the Federal Government.

(n) *Reasonable payment* means, with respect to professional and other technical services, a payment in an amount that is consistent with the amount normally paid for such services in the private sector.

(o) *Recipient* includes all contractors, subcontractors at any tier, and subgrantees at any tier of the recipient of funds received in connection with a Federal contract, grant, loan, or cooperative agreement. The term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(p) *Regularly employed* means, with respect to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or a commitment providing for the United States to insure or guarantee a loan, an officer or employee who is employed by such person for at least 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract, grant, loan, cooperative agreement, loan insurance commitment, or loan guarantee commitment. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

(q) *State* means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and a multi-State, regional, or interstate entity having governmental duties and powers.

**§ 28.110 Certification and disclosure.**

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000,

unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

(1) A cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

(3) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(d) Any person who requests or receives from a person referred to in paragraphs (a) or (b) of this section:

(2) A subgrant, contract, or subcontract exceeding \$100,000 at any tier under a Federal grant;

(3) A contract or subcontract exceeding \$100,000 at any tier under a Federal loan exceeding \$150,000; or,

(4) A contract or subcontract exceeding \$100,000 at any tier under a Federal cooperative agreement,

shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraphs (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

### Subpart B—Activities by Own Employees

#### § 28.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in § 28.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement

**§ 28.205**

**15 CFR Subtitle A (1-1-07 Edition)**

if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

**§ 28.205 Professional and technical services.**

(a) The prohibition on the use of appropriated funds, in § 28.100(a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Fed-

eral contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include

## Office of the Secretary, Commerce

## § 28.400

those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

### § 28.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

### Subpart C—Activities by Other Than Own Employees

#### § 28.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 28.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in § 28.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influ-

ence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

### Subpart D—Penalties and Enforcement

#### § 28.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure made on or before October 23, 1996, and of not less than \$11,000 and not more than \$110,000

## § 28.405

for each such expenditure made after October 23, 1996.

(b) Any person who fails to file or amend the disclosure form (see Appendix B of this part) to be filed or amended if required herein, shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure occurring on or before October 23, 1996, and of not less than \$11,000 and not more than \$110,000 for each such failure occurring after October 23, 1996.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of \$10,000, absent aggravating circumstances for each such offense committed on or before October 23, 1996, and \$11,000 for each such offense committed after October 23, 1996. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between \$10,000 and \$100,000 for each such offense committed on or before October 23, 1996, and between \$11,000 and \$110,000 for each such offense committed after October 23, 1996, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same

## 15 CFR Subtitle A (1-1-07 Edition)

conduct that is the basis for the imposition of such civil penalty.

[55 FR 6737, 6748, Feb. 26, 1990, as amended at 61 FR 55095, Oct. 24, 1996]

### § 28.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

### § 28.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

## Subpart E—Exemptions

### § 28.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

## Subpart F—Agency Reports

### § 28.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see Appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Use the SF-LLL-A Continuation Sheet for additional information if the space on the form is inadequate. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.
2. Identify the status of the covered Federal action.

Include prefixes, e.g., "RFP-DE-90-001."
9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.
10. (a) Enter the full name, address, city, state and zip code of the lobbying entity engaged by the reporting entity identified in item 4 to influence the covered Federal action.

**Subpart A—Purpose and Coverage**

**§ 29.100 What does this part do?**

This part carries out the portion of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701 *et seq.*, as amended) that applies to grants. It also applies the provisions of the Act to cooperative agreements and other financial assistance awards, as a matter of Federal Government policy.

**§ 29.105 Does this part apply to me?**

(a) Portions of this part apply to you if you are either—

- (1) A recipient of an assistance award from the Department of Commerce; or
- (2) A(n) DoC awarding official. (See definitions of award and recipient in §§ 29.605 and 29.660, respectively.)

(b) The following table shows the subparts that apply to you:

**§ 29.115 Does this part affect the Federal contracts that I receive?**

It will affect future contract awards indirectly if you are debarred or suspended for a violation of the requirements of this part, as described in § 29.510(c). However, this part does not apply directly to procurement contracts. The portion of the Drug-Free Workplace Act of 1988 that applies to

Federal procurement contracts is carried out through the Federal Acquisition Regulation in chapter 1 of Title 48 of the Code of Federal Regulations (the drug-free workplace coverage currently is in 48 CFR part 23, subpart 23.5).

### Subpart B—Requirements for Recipients Other Than Individuals

#### § 29.200 What must I do to comply with this part?

There are two general requirements if you are a recipient other than an individual.

(a) First, you must make a good faith effort, on a continuing basis, to maintain a drug-free workplace. You must agree to do so as a condition for receiving any award covered by this part. The specific measures that you must take in this regard are described in more detail in subsequent sections of this subpart. Briefly, those measures are to—

(1) Publish a drug-free workplace statement and establish a drug-free awareness program for your employees (see §§ 29.205 through 29.220); and

(2) Take actions concerning employees who are convicted of violating drug statutes in the workplace (see § 29.225).

(b) Second, you must identify all known workplaces under your Federal awards (see § 29.230).

#### § 29.205 What must I include in my drug-free workplace statement?

You must publish a statement that—

(a) Tells your employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in your workplace;

(b) Specifies the actions that you will take against employees for violating that prohibition; and

(c) Lets each employee know that, as a condition of employment under any award, he or she:

(1) Will abide by the terms of the statement; and

(2) Must notify you in writing if he or she is convicted for a violation of a criminal drug statute occurring in the workplace and must do so no more than five calendar days after the conviction.

#### § 29.210 To whom must I distribute my drug-free workplace statement?

You must require that a copy of the statement described in § 29.205 be given to each employee who will be engaged in the performance of any Federal award.

#### § 29.215 What must I include in my drug-free awareness program?

You must establish an ongoing drug-free awareness program to inform employees about—

(a) The dangers of drug abuse in the workplace;

(b) Your policy of maintaining a drug-free workplace;

(c) Any available drug counseling, rehabilitation, and employee assistance programs; and

(d) The penalties that you may impose upon them for drug abuse violations occurring in the workplace.

#### § 29.220 By when must I publish my drug-free workplace statement and establish my drug-free awareness program?

If you are a new recipient that does not already have a policy statement as described in § 29.205 and an ongoing awareness program as described in § 29.215, you must publish the statement and establish the program by the time given in the following table:

If	then you
(a) The performance period of the award is less than 30 days	must have the policy statement and program in place as soon as possible, but before the date on which performance is expected to be completed.
(b) The performance period of the award is 30 days or more ...	must have the policy statement and program in place within 30 days after award.
(c) You believe there are extraordinary circumstances that will require more than 30 days for you to publish the policy statement and establish the awareness program.	may ask the DoC awarding official to give you more time to do so. The amount of additional time, if any, to be given is at the discretion of the awarding official.

## § 29.225

### § 29.225 What actions must I take concerning employees who are convicted of drug violations in the workplace?

There are two actions you must take if an employee is convicted of a drug violation in the workplace:

(a) First, you must notify Federal agencies if an employee who is engaged in the performance of an award informs you about a conviction, as required by § 29.205(c)(2), or you otherwise learn of the conviction. Your notification to the Federal agencies must—

- (1) Be in writing;
- (2) Include the employee's position title;
- (3) Include the identification number(s) of each affected award;
- (4) Be sent within ten calendar days after you learn of the conviction; and
- (5) Be sent to every Federal agency on whose award the convicted employee was working. It must be sent to every awarding official or his or her official designee, unless the Federal agency has specified a central point for the receipt of the notices.

(b) Second, within 30 calendar days of learning about an employee's conviction, you must either—

- (1) Take appropriate personnel action against the employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended; or
- (2) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for these purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

### § 29.230 How and when must I identify workplaces?

(a) You must identify all known workplaces under each DoC award. A failure to do so is a violation of your drug-free workplace requirements. You may identify the workplaces—

- (1) To the DoC official that is making the award, either at the time of application or upon award; or
- (2) In documents that you keep on file in your offices during the performance of the award, in which case you must make the information available for inspection upon request by DoC of-

## 15 CFR Subtitle A (1–1–07 Edition)

officials or their designated representatives.

(b) Your workplace identification for an award must include the actual address of buildings (or parts of buildings) or other sites where work under the award takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

(c) If you identified workplaces to the DoC awarding official at the time of application or award, as described in paragraph (a)(1) of this section, and any workplace that you identified changes during the performance of the award, you must inform the DoC awarding official.

## Subpart C—Requirements for Recipients Who Are Individuals

### § 29.300 What must I do to comply with this part if I am an individual recipient?

As a condition of receiving a(n) DoC award, if you are an individual recipient, you must agree that—

(a) You will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity related to the award; and

(b) If you are convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity, you will report the conviction:

- (1) In writing.
- (2) Within 10 calendar days of the conviction.
- (3) To the DoC awarding official or other designee for each award that you currently have, unless § 29.301 or the award document designates a central point for the receipt of the notices. When notice is made to a central point, it must include the identification number(s) of each affected award.

## § 29.301 [Reserved]

**Subpart D—Responsibilities of DoC Awarding Officials****§ 29.400 What are my responsibilities as a DoC awarding official?**

As a DoC awarding official, you must obtain each recipient's agreement, as a condition of the award, to comply with the requirements in—

- (a) Subpart B of this part, if the recipient is not an individual; or
- (b) Subpart C of this part, if the recipient is an individual.

**Subpart E—Violations of This Part and Consequences****§ 29.500 How are violations of this part determined for recipients other than individuals?**

A recipient other than an individual is in violation of the requirements of this part if the Secretary of Commerce or designee determines, in writing, that—

- (a) The recipient has violated the requirements of subpart B of this part; or
- (b) The number of convictions of the recipient's employees for violating criminal drug statutes in the workplace is large enough to indicate that the recipient has failed to make a good faith effort to provide a drug-free workplace.

**§ 29.505 How are violations of this part determined for recipients who are individuals?**

An individual recipient is in violation of the requirements of this part if the Secretary of Commerce or designee determines, in writing, that—

- (a) The recipient has violated the requirements of subpart C of this part; or
- (b) The recipient is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity.

**§ 29.510 What actions will the Federal Government take against a recipient determined to have violated this part?**

If a recipient is determined to have violated this part, as described in § 29.500 or § 29.505, the Department of

Commerce may take one or more of the following actions—

- (a) Suspension of payments under the award;
- (b) Suspension or termination of the award; and
- (c) Suspension or debarment of the recipient under 15 CFR Part 26, for a period not to exceed five years.

**§ 29.515 Are there any exceptions to those actions?**

The Secretary of Commerce may waive with respect to a particular award, in writing, a suspension of payments under an award, suspension or termination of an award, or suspension or debarment of a recipient if the Secretary of Commerce determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.
