

Federal Communications Commission

§0.459

§0.458 Nonpublic information.

Any person regulated by or practicing before the Commission coming into possession of written nonpublic information (including written material transmitted in electronic form) as described in §19.735-203(a) of this chapter under circumstances where it appears that its release was inadvertent or otherwise unauthorized shall be obligated to return the information to the Commission's Office of Inspector General pursuant to that section. See 47 CFR 19.735-203.

[65 FR 66185, Nov. 3, 2000]

§0.459 Requests that materials or information submitted to the Commission be withheld from public inspection.

(a) Any person submitting information or materials to the Commission may submit therewith a request that such information not be made routinely available for public inspection. (If the materials are specifically listed in §0.457, such a request is unnecessary.) A copy of the request shall be attached to and shall cover all of the materials to which it applies and all copies of those materials. If feasible, the materials to which the request applies shall be physically separated from any materials to which the request does not apply; if this is not feasible, the portion of the materials to which the request applies shall be identified.

(b) Each such request shall contain a statement of the reasons for withholding the materials from inspection (see §0.457) and of the facts upon which those records are based, including:

(1) Identification of the specific information for which confidential treatment is sought;

(2) Identification of the Commission proceeding in which the information was submitted or a description of the circumstances giving rise to the submission;

(3) Explanation of the degree to which the information is commercial or financial, or contains a trade secret or is privileged;

(4) Explanation of the degree to which the information concerns a service that is subject to competition;

(5) Explanation of how disclosure of the information could result in substantial competitive harm;

(6) Identification of any measures taken by the submitting party to prevent unauthorized disclosure;

(7) Identification of whether the information is available to the public and the extent of any previous disclosure of the information to third parties;

(8) Justification of the period during which the submitting party asserts that material should not be available for public disclosure; and

(9) Any other information that the party seeking confidential treatment believes may be useful in assessing whether its request for confidentiality should be granted.

(c) Casual requests which do not comply with the requirements of paragraphs (a) and (b) of this section will not be considered.

(d)(1) The Commission may defer acting on requests that materials or information submitted to the Commission be withheld from public inspection until a request for inspection has been made pursuant to §0.460 or §0.461. The information will be accorded confidential treatment, as provided for in §0.459(g) and §0.461, until the Commission acts on the confidentiality request and all subsequent appeal and stay proceedings have been exhausted. If a response in opposition to a confidentiality request is filed, the party requesting confidentiality may file a reply.

(2) Requests which comply with the requirements of paragraphs (a) and (b) of this section will be acted upon by the appropriate Bureau or Office Chief, who is directed to grant the request if it presents by a preponderance of the evidence a case for non-disclosure consistent with the provisions of the Freedom of Information Act, 5 U.S.C. 552. If the request is granted, the ruling will be placed in the public file in lieu of the materials withheld from public inspection. A copy of the ruling shall be forwarded to the General Counsel.

(e) If the materials are submitted voluntarily (i.e., absent any direction

§0.460

47 CFR Ch. I (10–1–07 Edition)

by the Commission), the person submitting them may request the Commission to return the materials without consideration if the request for confidentiality should be denied. In that event, the materials will ordinarily be returned (e.g., an application will be returned if it cannot be considered on a confidential basis). Only in the unusual instance where the public interest so requires will the materials be made available for public inspection. However, no materials submitted with a request for confidentiality will be returned if a request for inspection is filed under §0.461. If submission of the materials is required by the Commission and the request for confidentiality is denied, the materials will be made available for public inspection.

(f) If no request for confidentiality is submitted, the Commission assumes no obligation to consider the need for non-disclosure but, in the unusual instance, may determine on its own motion that the materials should be withheld from public inspection. See §0.457(g).

(g) If a request for confidentiality is denied, the person who submitted the request may, within 5 working days, file an application for review by the Commission. If the application for review is denied, the person who submitted the request will be afforded 5 working days in which to seek a judicial stay of the ruling. If these periods expire without action by the person who submitted the request, the materials will be returned to the person who submitted them or will be placed in a public file. Notice of denial and of the time for seeking review or a judicial stay will be given by telephone, with follow-up notice in writing. The first day to be counted in computing the time periods established in this subsection is the day after the date of oral notice. Materials will be accorded confidential treatment, as provided in §0.459(g) and §0.461, until the Commission acts on any timely applications for review of an order denying a request for confidentiality, and until a court acts on any timely motion for stay of such an order denying confidential treatment.

(h) If the request is granted, the status of the materials is the same as that of materials listed in §0.457. Any per-

son wishing to inspect them may submit a request for inspection under §0.461.

(i) Third party owners of materials submitted to the Commission by another party may participate in the proceeding resolving the confidentiality of the materials.

§0.460 Requests for inspection of records which are routinely available for public inspection.

(a) Sections 0.453 and 0.455 list those Commission records which are routinely available for public inspection and the places at which those records may be inspected. Subject to the limitations set out in this section and to the provisions of §0.466 and paragraph (1) of this section, a person who wants to inspect such records need only appear at the specified location and ask to see the records. Many such records also are available through the Commission's site on the World Wide Web, located at <http://www.fcc.gov>. Commission documents listed in §0.416 are published in the FCC Record, and many such documents or summaries thereof are also published in the FEDERAL REGISTER.

(b) A person who does not want a copy of the records must appear at the specified location during the office hours of the Commission and must inspect the records at that location. (Procedures governing requests for copies are set out in §0.465.) However, arrangements may be made in advance, by telephone or by correspondence, to make the records available for inspection on a particular date, and there are many circumstances in which such advance arrangements will save inconvenience. If the request is for a large number of documents, for example, a delay in collecting them is predictable. Current records may be in use by the staff when the request is made. Older records may have been forwarded to another location for storage.
