

*FT*. At the time of the transfer, *FT* has no U.S. beneficiary as defined in §1.679-2 and no person is treated as owning any portion of *FT*. *A* is treated as having transferred the property to *FT* and is required to recognize gain of 400X, under §1.684-1, at the time of the transfer by *DT* to *FT*.

*Example 2. Transfer by a foreign trust.* On January 1, 2001, *A* transfers property which has a fair market value of 1000X and an adjusted basis of 200X to *FTI*. At the time of the transfer, *FTI* has a U.S. beneficiary as defined in §1.679-2 and *A* is treated as the owner of *FTI* under section 679. On January 1, 2003, *FTI* transfers property which has a fair market value of 500X and an adjusted basis of 100X to *FT2*. At the time of the transfer, *FT2* has no U.S. beneficiary as defined in §1.679-2 and no person is treated as owning any portion of *FT2*. *A* is treated as having transferred the property to *FT2* and is required to recognize gain of 400X, under §1.684-1, at the time of the transfer by *FTI* to *FT2*.

(e) *Deemed transfers when foreign trust no longer treated as owned by a U.S. person—(1) In general.* If any portion of a foreign trust is treated as owned by a U.S. person under subpart E of part I of subchapter J, chapter 1 of the Internal Revenue Code, and such portion ceases to be treated as owned by that person under such subpart (other than by reason of an actual transfer of property from the trust to which §1.684-2(d) applies), the U.S. person shall be treated as having transferred, immediately before (but on the same date that) the trust is no longer treated as owned by that U.S. person, the assets of such portion to a foreign trust.

(2) *Examples.* The following examples illustrate the rules of this paragraph (e). In all examples, *A* is a U.S. citizen and *FT* is a foreign trust. The examples are as follows:

*Example 1. Loss of U.S. beneficiary.* (i) On January 1, 2001, *A* transfers property, which has a fair market value of 1000X and an adjusted basis of 400X, to *FT*. At the time of the transfer, *FT* has a U.S. beneficiary within the meaning of §1.679-2, and *A* is treated as owning *FT* under section 679. Under §1.684-3(a), §1.684-1 does not cause *A* to recognize gain at the time of the transfer.

(ii) On July 1, 2003, *FT* ceases to have a U.S. beneficiary as defined in §1.679-2(c) and as of that date neither *A* nor any other person is treated as owning any portion of *FT*. Pursuant to §1.679-2(c)(2), if *FT* ceases to be treated as having a U.S. beneficiary, *A* will cease to be treated as owner of *FT* beginning on the first day of the first taxable year fol-

lowing the last taxable year in which there was a U.S. beneficiary. Thus, on January 1, 2004, *A* ceases to be treated as owner of *FT*. On that date, the fair market value of the property is 1200X and the adjusted basis is 350X. Under paragraph (e)(1) of this section, *A* is treated as having transferred the property to *FT* on January 1, 2004, and must recognize 850X of gain at that time under §1.684-1.

*Example 2. Death of grantor.* (i) The initial facts are the same as in paragraph (i) of *Example 1*.

(ii) On July 1, 2003, *A* dies, and as of that date no other person is treated as the owner of *FT*. On that date, the fair market value of the property is 1200X, and its adjusted basis equals 350X. Under paragraph (e)(1) of this section, *A* is treated as having transferred the property to *FT* immediately before his death, and generally is required to recognize 850X of gain at that time under §1.684-1. However, an exception may apply under §1.684-3(c).

*Example 3. Release of a power.* (i) On January 1, 2001, *A* transfers property that has a fair market value of 500X and an adjusted basis of 200X to *FT*. At the time of the transfer, *FT* does not have a U.S. beneficiary within the meaning of §1.679-2. However, *A* retains the power to revoke the trust. *A* is treated as the owner of the trust under section 676 and, therefore, under §1.684-3(a), *A* is not required to recognize gain under §1.684-1 at the time of the transfer.

(ii) On January 1, 2007, *A* releases the power to revoke the trust and, as of that date, neither *A* nor any other person is treated as owning any portion of *FT*. On that date, the fair market value of the property is 900X, and its adjusted basis is 200X. Under paragraph (e)(1) of this section, *A* is treated as having transferred the property to *FT* on January 1, 2007, and must recognize 700X of gain at that time.

(f) *Transfers to entities owned by a foreign trust.* Section 1.679-3(f) provides rules that apply with respect to transfers of property by a U.S. person to an entity in which a foreign trust holds an ownership interest.

[T.D. 8956, 66 FR 37899, July 20, 2001]

### § 1.684-3 Exceptions to general rule of gain recognition.

(a) *Transfers to grantor trusts.* The general rule of gain recognition under §1.684-1 shall not apply to any transfer of property by a U.S. person to a foreign trust to the extent that any person is treated as the owner of the trust under section 671. Section 1.684-2(e)

provides rules regarding a subsequent change in the status of the trust.

(b) *Transfers to charitable trusts.* The general rule of gain recognition under § 1.684-1 shall not apply to any transfer of property to a foreign trust that is described in section 501(c)(3) (without regard to the requirements of section 508(a)).

(c) *Certain transfers at death.* The general rule of gain recognition under § 1.684-1 shall not apply to any transfer of property by reason of death of the U.S. transferor if the basis of the property in the hands of the foreign trust is determined under section 1014(a).

(d) *Transfers for fair market value to unrelated trusts.* The general rule of gain recognition under § 1.684-1 shall not apply to any transfer of property for fair market value to a foreign trust that is not a related foreign trust as defined in § 1.679-1(c)(5). Section 1.671-2(e)(2)(ii) defines fair market value.

(e) *Transfers to which section 1032 applies.* The general rule of gain recognition under § 1.684-1 shall not apply to any transfer of stock (including treasury stock) by a domestic corporation to a foreign trust if the domestic corporation is not required to recognize gain on the transfer under section 1032.

(f) *Certain distributions to trusts.* For purposes of this section, a transfer does not include a distribution to a trust with respect to an interest held by such trust in an entity other than a trust or an interest in certain investment trusts described in § 301.7701-4(c) of this chapter, liquidating trusts described in § 301.7701-4(d) of this chapter, or environmental remediation trusts described in § 301.7701-4(e) of this chapter.

(g) *Examples.* The following examples illustrate the rules of this section. In all examples, *A* is a U.S. citizen and *FT* is a foreign trust. The examples are as follows:

*Example 1. Transfer to owner trust.* In 2001, *A* transfers property which has a fair market value of 1000X and an adjusted basis equal to 400X to *FT*. At the time of the transfer, *FT* has a U.S. beneficiary within the meaning of § 1.679-2, and *A* is treated as owning *FT* under section 679. Under paragraph (a) of this section, § 1.684-1 does not cause *A* to recognize gain at the time of the transfer. See § 1.684-2(e) for rules that may require *A* to recognize gain if the trust is no longer owned by *A*.

*Example 2. Transfer of property at death: Basis determined under section 1014(a).* (i) The initial facts are the same as *Example 1*.

(ii) *A* dies on July 1, 2004. The fair market value at *A*'s death of all property transferred to *FT* by *A* is 1500X. The basis in the property is 400X. *A* retained the power to revoke *FT*, thus, the value of all property owned by *FT* at *A*'s death is includible in *A*'s gross estate for U.S. estate tax purposes. Pursuant to paragraph (c) of this section, *A* is not required to recognize gain under § 1.684-1 because the basis of the property in the hands of the foreign trust is determined under section 1014(a).

*Example 3. Transfer of property at death: Basis not determined under section 1014(a).* (i) The initial facts are the same as *Example 1*.

(ii) *A* dies on July 1, 2004. The fair market value at *A*'s death of all property transferred to *FT* by *A* is 1500X. The basis in the property is 400X. *A* retains no power over *FT*, and *FT*'s basis in the property transferred is not determined under section 1014(a). Under § 1.684-2(e)(1), *A* is treated as having transferred the property to *FT* immediately before his death, and must recognize 1100X of gain at that time under § 1.684-1.

*Example 4. Transfer of property for fair market value to an unrelated foreign trust.* *A* sells a house with a fair market value of 1000X to *FT* in exchange for a 30-year note issued by *FT*. *A* is not related to *FT* as defined in § 1.679-1(c)(5). *FT* is not treated as owned by any person. Pursuant to paragraph (d) of this section, *A* is not required to recognize gain under § 1.684-1.

[T.D. 8956, 66 FR 37899, July 20, 2001]

#### § 1.684-4 Outbound migrations of domestic trusts.

(a) *In general.* If a U.S. person transfers property to a domestic trust, and such trust becomes a foreign trust, and neither trust is treated as owned by any person under subpart E of part I of subchapter J, chapter 1 of the Internal Revenue Code, the trust shall be treated for purposes of this section as having transferred all of its assets to a foreign trust and the trust is required to recognize gain on the transfer under § 1.684-1(a). The trust must also comply with the rules of section 6048.

(b) *Date of transfer.* The transfer described in this section shall be deemed to occur immediately before, but on the same date that, the trust meets the definition of a foreign trust set forth in section 7701(a)(31)(B).

(c) *Inadvertent migrations.* In the event of an inadvertent migration, as
