§ 4285.3

Subpart A—Federal-State Research on Cooperatives Program

§ 4285.1 Objective.

This subpart sets forth the policies and procedures and delegates authority for providing Federal-State Research on Cooperatives cooperative agreement funds to finance programs of research on cooperatives as authorized under Section 204 (b) of the Agricultural Marketing Act of 1946 (7 U.S.C. 1623 (b)). The primary purpose of this matching fund program, via cooperative agreements, is to encourage State Departments of Agriculture and State Agricultural Experiment Stations in conducting research related to agricultural cooperatives.

§ 4285.2 Cooperative agreement purposes.

Rural Development Administration (RDA) or its successor agency may enter into a cooperative agreement with a State agency to provide funds to the State agency to:

(a) Conduct marketing research related to agricultural cooperatives.

(b) Assist other organizations in conducting marketing research related to agricultural cooperatives.

§ 4285.3 Definitions.

As used in this part:

Agreement period. The total period of time approved by the Assistant Administrator for Cooperative Services for conducting the proposed project as outlined in an approved application. The time period is normally no more than 3 years, renewable for cause not to exceed a total of 4 fiscal years.

Agricultural products. Agricultural products include agricultural, horticultural, viticultural, and dairy products, livestock and poultry, bees, forest products, fish and shellfish, and any products thereof, including processed or manufactured products, and any and all products raised or produced on farms and any processed or manufactured product thereof.

Assistant Administrator for Cooperative Services. The Assistant Administrator for Cooperative Services, Rural Development Administration or its successor

agency, USDA or any authorized delegate.

Awarding official. The Assistant Administrator for Cooperative Services or authorized delegate.

Cooperative agreement. A legal instrument reflecting a relationship between the United States Government and a State where:

(1) The principal purpose of the relationship is the transfer of money, property, services, or anything of value to the State agency to carry out research related to cooperatives; and

(2) Substantial involvement is anticipated between RDA or its successor agency, acting for the Federal Government, and the State or other recipient during performance of the research in the agreement.

Cooperator. The State agency designated in the cooperative agreement award document as the responsible legal entity to whom a cooperative agreement is awarded under this part.

Department. The U.S. Department of Agriculture.

Methodology. The research approach to be followed to carry out the project.

Principal investigator. A single individual who is responsible for the scientific and technical direction of the project, as designated by the cooperator in the cooperative agreement application and approved by the Assistant Administrator for Cooperative Services.

Project. The particular activity within the scope of one or more of the research program areas identified in the annual program solicitation that is supported by a cooperative agreement under this part.

State agencies. State agencies include, among others, State Agricultural Experiment Stations and State Departments of Agriculture in the 50 States, the Virgin Islands, and Guam, and other appropriate State agencies. Final determination of whether certain 1890 or 1862 Land Grant institutions qualify as state agencies will be determined on a case-by-case basis by the Office of the General Counsel (OGC), USDA.

§§ 4285.4–4285.23 [Reserved]

§ 4285.24 Eligibility.

To enter into a cooperative agreement for these funds, the applicant must:

(a) Be a State Agency as defined in § 4285.3 of this subpart;

(b) Have the financial, legal, administrative, and actual capacity to assume and carry out the responsibilities imposed by the Agreement. To meet the requirement of actual capacity it must either:

(1) Have necessary background and experience with proven ability to perform responsibly in the field of economic, business management, or other needed research area; or

(2) Have the necessary administrative and supervisory controls in place to assure an agreed upon contracting organization has the proven ability to perform responsibly in the field of economic, business management, or other needed research area;

(c) Legally obligate itself to administer cooperative agreement funds, provide adequate accounting of the expenditure of such funds, and comply with the cooperative agreement;

(d) Provide at least 50 percent of the funds necessary to conduct the research from non-federal funds; and

(e) Agree to conduct proposed research related to cooperatives and agricultural marketing.

§ 4285.25 Authorized use of cooperative agreement funds.

Funds received for research under cooperative agreements in this program shall only be used for:

(a) Payment of salaries and necessary employee benefits of personnel as agreed upon in the Cooperative Agreement. Included are salaries and benefits of State employees assigned full-time to one or more projects, or the percent of the salaries and benefits related to project work for State employees assigned part-time to research on one or more projects. Salaries and benefits include basic salary, other compensation such as holiday pay, sick or annual leave, and personnel benefits (quarters allowance, payments to other

funds such as employees' life insurance, health benefits, retirement, Federal Insurance Contributions Act (FICA), accident compensation, and similar payments). For any of the benefit items when the State usually pays the employer share, Federal funds may be used to pay the proportionate share of such employer contributions.

(b) Payment of necessary and reasonable office expenses such as office rental, office utilities, and office equipment rental. The purchase of office equipment is permissible when the cooperator determines it to be more economical than renting. However, as a general rule, these types of expenses would be classified as indirect costs in multiple funded organizations and would not be an allowable expense. Planned purchases of equipment costing more than \$200 per unit must be approved by RDA or its successor agency. Equipment purchased becomes State property pursuant to the cooperative agreement.

(c) Payment of necessary and reasonable costs of printing publications of research project results. However, all such publications should show the RDA or its successor agency as cooperator in the project and bear the following statement: "State funds for this project (publication) were matched with Federal funds under the Federal-State Research on Cooperatives Program of the U.S. Department of Agriculture, Rural Development Administration or its successor agency, Cooperative Services, as provided by the Agricultural Marketing Act of 1946 and (appropriate) fiscal year appropriations."

(d) Purchase of office supplies (such as paper, pens, pencils, and trade magazines) and postage needed for project activities.

(e) Payment of necessary and reasonable travel expenses.

§§4285.26–4285.45 [Reserved]

§4285.46 Prohibited use of cooperative agreement funds.

(a) The Agricultural Marketing Act prohibits the use of Federal funds to pay for newspaper or periodical space and radio and television time, either directly to the media or indirectly through an advertising agency or other

firm. County and State fair exhibits, as well as commodity months and weeks, are also excluded as the research on cooperatives program activities.

(b) Federal funds cannot be used to purchase products or samples of products to give away to the public.

(c) Federal program funds cannot be used to purchase:

(1) Promotional pieces such as point-of-sale materials, promotional kits, billboard space and signs, streamers, automobile stickers, table tents, and placemats; or

(2) Promotion items of a personal gift nature.

(d) Cooperative agreement funds cannot be used to conduct general publicity or information programs designed to build the image of the State's agriculture or of a particular State Department of Agriculture or Agricultural Experiment Station.

(e) Project funds cannot be used to pay for the salary and travel of employees of cooperatives, trade associations, commodity groups, and other industry organizations, or of State personnel while engaged in managing market orders, cooperatives, or other group endeavors.

(f) Commissioners, Directors, and Secretaries of State Departments of Agriculture, Agricultural Experiment Stations, and other State agencies cannot charge their salaries and travel to project funds, with the exception of travel to workshops or conferences devoted to the Federal-State Research On Cooperatives Program.

(g) Funds made available for this program shall not be subject to reduction for indirect costs or for tuition remission.

§4285.47 Limitations.

§4285.69 Evaluation and disposition of applications.

(a) *Evaluation.* (1) All proposals received from eligible applicants and postmarked in accordance with deadlines established in the annual program solicitation shall be evaluated by the Assistant Administrator for Cooperative Services through an RDA or its successor agency staff panel. The Assistant Administrator for Cooperative Services will select the evaluation panel from staff determined to be highly qualified in the subject matter areas that were emphasized in the current year's solicitation and from those with no potential conflict of interest with the applicants.

(2) Prior to technical examination, a preliminary review will be made for responsiveness to the program solicitation (*e.g.*, relationship of proposal to research topic(s) listed in solicitation). Proposals that do not fall within the guidelines as stated in the program solicitation will be eliminated from competition and will be returned to the applicant.

(3) Proposals will be ranked based on evaluation criteria established in §4285.70 of this subpart, and financial support levels will be recommended to the Assistant Administrator for Cooperative Services by the panel within the limitation of the total funding

available in the fiscal year. The purpose of these evaluations is to provide information upon which the Assistant Administrator for Cooperative Services may make informed judgments in selecting proposals. Such recommendations are advisory only and are not binding on the awarding official of RDA or its successor agency. To ensure a comprehensive evaluation, all applications should be written with the care and thoroughness accorded papers for publication.

(b) *Disposition.* (1) On the basis of the Assistant Administrator for Cooperative Services's evaluation of an application in accordance with paragraph (a) of this section, the Assistant Administrator for Cooperative Services will either:

(i) Approve support using currently available funds;

(ii) Defer support due to lack of funds or need for further evaluation; or

(iii) Disapprove support for the proposed project in whole or in part.

(2) With respect to any approved project, the Assistant Administrator for Cooperative Services will determine the project period during which the project may be funded.

(3) Any deferral or disapproval of an application will not preclude its reconsideration or reapplication during subsequent fiscal years. However, applicants must reapply if reconsideration is desired.

(4) The Assistant Administrator for Cooperative Services will not make a cooperative agreement funding award, based upon an application covered by this part, unless the application has been properly reviewed in accordance with the provisions of this part and unless said reviewers have made recommendations concerning the scientific merit and relevance to the program of such application.

§4285.70 Evaluation criteria.

(a) In evaluating the proposal, the RDA or its successor agency staff review panel and the awarding official will take into account the degree to which the proposal demonstrates the following:

(1) Focus on a practical solution to a significant problem involving one or more of the following on a cooperative

business basis: the preparation for market, processing, packaging, handling, storing, transporting, distributing, or marketing of agricultural products. (35%)

(2) Adequacy, soundness, and appropriateness of the proposed approach to solve the identified problem. (30%)

(3) Feasibility and probability of success of project solving the problem. (10%)

(4) Qualifications, experience in related work, competence, and availability of project personnel to direct and carry out the project. (25%)

(b) In addition, the cost relative to the expected research results will be considered in determining the awarding of the agreements.

(b) *Cooperative agreement award document and notice of award.* (1) Cooperative agreement award document. The award document shall include at a minimum the following:

(c) *Types of cooperative agreement instruments.* The types of cooperative agreements shall be as follows:

This type of agreement is approved on the basis of an RDA or its successor agency Staff evaluation review and recommendation.

(2) Renewal agreement. This is an agreement instrument by which RDA or its successor agency agrees to provide additional funding for a project beyond the period approved in an original or amended agreement, provided that the cumulative period does not exceed the statutory limitation. When a renewal application is submitted, it

must include a summary of progress to date from the previous agreement period. A renewal agreement shall be based upon new application, de novo review and staff evaluation, new recommendation and approval, and a new award instrument.

(3) Supplemental agreement. This is an instrument by which RDA or its successor agency agrees to provide small amounts of additional funding under a new or renewal cooperative agreement as specified in paragraphs (c)(1) and (c)(2) of this section and may involve a short-term (usually one year or less) extension of the project period beyond that approved in an original or amended award, but in no case may the cumulative period for the project exceed the statutory limitation. A supplement is awarded only if required to assure adequate completion of the original scope of work and if there is sufficient justification to warrant such action. A request of this nature will not require additional review.

(d) *Obligation of the Federal Government.* The approval of any application or the award of any funds for a cooperative agreement shall not commit nor obligate the United States in any way to make any renewal, supplemental, continuation, or other award with respect to any approved application or portion of an approved application.

§ 4285.82 Use of funds; changes.

(a) *Delegation of fiscal responsibility.* The cooperator may not, in whole or in part, delegate or transfer to another person, institution, or organization the

responsibility for use or expenditure of cooperative agreement funds.

(b) *Change in project plans.* (1) The permissible changes by the cooperator, principal investigator(s), or other key project personnel in the approved cooperative agreement shall be limited to changes in methodology, techniques, or other aspects of the project to expedite achievement of the project's approved goals. If the cooperator and/or the principal investigator(s) is uncertain whether a particular change complies with this provision, the question must be referred to the Assistant Administrator for Cooperative Services for a final determination.

(2) Changes in approved goals, or objectives, shall be requested by cooperator and approved in writing by the Assistant Administrator for Cooperative Services, or authorized delegate, prior to effecting such changes. Normally, no requests for such changes outside the scope of the original approved project will be approved.

(3) Changes in approved project leadership or the replacement or realignment of other key project personnel shall be requested by the cooperator and approved in writing by the Assistant Administrator for Cooperative Services, or authorized delegate, prior to effecting such changes.

(4) Transfers of actual performance of the substantive programmatic work in whole or in part and provisions for payment of funds, whether or not Federal funds are involved, shall be requested by the cooperator and approved in writing by the Assistant Administrator for Cooperative Services, or authorized delegate, prior to effecting such changes, except as may be allowed in the terms and conditions of a cooperative agreement award.

(c) *Changes in project period.* The project period determined pursuant to § 4285.81(b) of this subpart may be extended by the Assistant Administrator for Cooperative Services without additional financial support, for such additional period(s) as the Assistant Administrator for Cooperative Services determines may be necessary to complete, or fulfill the purposes of, an approved project. Any extension, when combined with the originally approved or amended project period, shall not

§§ 4285.83–4285.92

exceed four (4) years and shall be further conditioned upon prior request by the cooperator and approval in writing by the Assistant Administrator for Cooperative Services, or authorized delegate, except as may be allowed in the terms and conditions of a cooperative agreement award.

(d) *Changes in approved budget.* The terms and conditions of a cooperative agreement will prescribe circumstances under which written Agency approval must be requested and obtained prior to instituting changes in an approved budget.

The unguaranteed portion of a loan will neither be paid first nor given any preference or priority over the guaranteed portion of the loan.

(c) Copies of all forms, regulations, and Instructions referenced in this subpart are available in any Agency office. Whenever a form is designated in this subpart, that designation includes predecessor and successor forms, if applicable, as specified by the field or National Office.

Section 4279.16 of subpart A of part 4279 of this chapter applies to this subpart.

§4287.107 Routine servicing.

The lender is responsible for servicing the entire loan and for taking all servicing actions that a prudent lender would perform in servicing its own portfolio of loans that are not guaranteed. The Loan Note Guarantee is unenforceable by the lender to the extent any loss is occasioned by violation of usury laws, use of loan funds for unauthorized purposes, negligent servicing, or failure to obtain the required security interest regardless of the time at which the Agency acquires knowledge of the foregoing. This responsibility includes but is not limited to the collection of payments, obtaining compliance with the covenants and provisions in the Loan Agreement, obtaining and analyzing financial statements, checking on payment of taxes and insurance
