

§ 900.173 Is the recommended decision always final?

No. Any party to the appeal may file precise and specific written objections to the recommended decision, or any other comments, within 15 days of receiving the recommended decision. You shall serve a copy of your objections on the other party. The recommended decision will become final 15 days after the Indian tribe or tribal organization receives the ALJ's recommended decision, unless a written statement of objections is filed with the Secretary of Health and Human Services or the IBIA during the 15-day period. If no party files a written statement of objections within 15 days, the recommended decision will become final.

§ 900.174 If an Indian tribe or tribal organization objects to the recommended decision, what will the Secretary of Health and Human Services or the IBIA do?

(a) The Secretary or the IBIA has 15 days from the date he/she receives timely written objections to modify, adopt, or reverse the recommended decision. If the Secretary or the IBIA does not modify or reverse the recommended decision during that time, the recommended decision automatically becomes final.

(b) When reviewing the recommended decision, the IBIA or the Secretary may consider and decide all issues properly raised by any party to the appeal, based on the record.

(c) The decision of the Secretary or of the IBIA shall:

- (1) Be in writing;
- (2) Specify the findings of fact or conclusions of law which are modified or reversed;
- (3) Give reasons for the decision, based on the record; and
- (4) State that the decision is final for the Department.

§ 900.175 Will an appeal hurt an Indian tribe or tribal organization's position in other contract negotiations?

No. A pending appeal will not affect or prevent the negotiation or award of another contract.

§ 900.176 Will the decisions on appeals be available for the public to review?

Yes. The Secretary shall publish all final decisions from the ALJs, the IBIA, and the Secretary of Health and Human Services.
