

§ 900.173 Is the recommended decision always final?

No. Any party to the appeal may file precise and specific written objections to the recommended decision, or any other comments, within 15 days of receiving the recommended decision. You shall serve a copy of your objections on the other party. The recommended decision will become final 15 days after the Indian tribe or tribal organization receives the ALJ's recommended decision, unless a written statement of objections is filed with the Secretary of Health and Human Services or the IBIA during the 15-day period. If no party files a written statement of objections within 15 days, the recommended decision will become final.

§ 900.174 If an Indian tribe or tribal organization objects to the recommended decision, what will the Secretary of Health and Human Services or the IBIA do?

(a) The Secretary or the IBIA has 15 days from the date he/she receives timely written objections to modify, adopt, or reverse the recommended decision. If the Secretary or the IBIA does not modify or reverse the recommended decision during that time, the recommended decision automatically becomes final.

(b) When reviewing the recommended decision, the IBIA or the Secretary may consider and decide all issues properly raised by any party to the appeal, based on the record.

(c) The decision of the Secretary or of the IBIA shall:

- (1) Be in writing;
- (2) Specify the findings of fact or conclusions of law which are modified or reversed;
- (3) Give reasons for the decision, based on the record; and
- (4) State that the decision is final for the Department.

§ 900.175 Will an appeal hurt an Indian tribe or tribal organization's position in other contract negotiations?

No. A pending appeal will not affect or prevent the negotiation or award of another contract.

§ 900.176 Will the decisions on appeals be available for the public to review?

Yes. The Secretary shall publish all final decisions from the ALJs, the IBIA, and the Secretary of Health and Human Services.

§900.182 What other statutes and regulations apply to FTCA coverage?

A number of other statutes and regulations apply to FTCA coverage, including the Federal Tort Claims Act (28 U.S.C. 1346(b), 2401, 2671-2680) and related Department of Justice regulations in 28 CFR part 14.

§900.183 Do Indian tribes and tribal organizations need to be aware of areas which FTCA does not cover?

Yes. There are claims against self-determination contractors which are not covered by FTCA, claims which may not be pursued under FTCA, and remedies that are excluded by FTCA. General guidance is provided below as to these matters but is not intended as a definitive description of coverage, which is subject to review by the Department of Justice and the courts on a case-by-case basis.

(a) *What claims are expressly barred by FTCA and therefore may not be made against the United States, an Indian tribe or tribal organization?* Any claim under 28 U.S.C. 2680, including claims arising out of assault, battery, false imprisonment, false arrest, malicious prosecution, abuse of process, libel, slander, misrepresentation, deceit, or interference with contract rights, unless otherwise authorized by 28 U.S.C. 2680(h).

(b) *What claims may not be pursued under FTCA?* (1) Except as provided in §900.181(a)(1) and §900.189, claims against subcontractors arising out of the performance of subcontracts with a self-determination contractor;

(2) Claims for on-the-job injuries which are covered by workmen's compensation;

(3) Claims for breach of contract rather than tort claims; or

(4) Claims resulting from activities performed by an employee which are outside the scope of employment.

(c) *What remedies are expressly excluded by FTCA and therefore are barred?*

(1) Punitive damages, unless otherwise authorized by 28 U.S.C. 2674; and

(2) Other remedies not permitted under applicable state law.

§900.184 Is there a deadline for filing FTCA claims?

Yes. Claims shall be filed within 2 years of the date of accrual. (28 U.S.C. 2401).

§900.185 How long does the Federal government have to process an FTCA claim after the claim is received by the Federal agency, before a lawsuit may be filed?

Six months.

§900.186 Is it necessary for a self-termination contract to include any clauses about Federal Tort Claims Act coverage?

No, it is optional. At the request of Indian tribes and tribal organizations, self-determination contracts shall include the following clauses to clarify the scope of FTCA coverage:

(a) The following clause may be used for all contracts:

For purposes of Federal Tort Claims Act coverage, the contractor and its employees (including individuals performing personal services contracts with the contractor to provide health care services) are deemed to be employees of the Federal government while performing work under this contract. This status is not changed by the source of the funds used by the contractor to pay the employee's salary and benefits unless the employee receives additional compensation for performing covered services from anyone other than the contractor.

(b) The following clause is for IHS contracts only:

Under this contract, the contractor's employee may be required as a condition of employment to provide health services to non-IHS beneficiaries in order to meet contractual obligations. These services may be provided in either contractor or non-contractor
