§ 17.142 Authority to approve sharing agreements, contracts for scarce medical specialist services and contracts for other medical services.

The Under Secretary for Health is delegated authority to enter into
(a) Sharing agreements authorized under the provisions of 38 U.S.C. 8153 and §17.210 and which may be negotiated pursuant to the provisions of 41 CFR B-3.204(c);
(b) Contracts with schools and colleges of medicine, osteopathy, dentistry, podiatry, optometry, and nursing, clinics, and any other group or individual capable of furnishing such services to provide scarce medical specialist services at Department of Veterans Affairs health care facilities (including, but not limited to, services of physicians, dentists, podiatrists, optometrists, nurses, physicians’ assistants, expanded function dental auxiliaries, technicians, and other medical support personnel); and
(c) When a sharing agreement or contract for scarce medical specialist services is not warranted, contracts authorized under the provisions of 38 U.S.C. 513 for medical and ancillary services. The authority under this section generally will be exercised by approval of proposed contracts or agreements negotiated at the health care facility level. Such approval, however, will not be necessary in the case of any purchase order or individual authorization for which authority has been delegated in §17.99. All such contracts and agreements will be negotiated pursuant to 41 CFR chapters 1 and 8.

§ 17.149 Sensori-neural aids.

(a) Notwithstanding any other provision of this part, VA will furnish needed sensori-neural aids (i.e., eyeglasses, contact lenses, hearing aids) only to veterans otherwise receiving VA care or services and only as provided in this section.
(b) VA will furnish needed sensori-neural aids (i.e., eyeglasses, contact lenses, hearing aids) to the following veterans:
(1) Those with a compensable service-connected disability;
(2) Those who are former prisoners of war;
(3) Those awarded a Purple Heart;
(4) Those in receipt of benefits under 38 U.S.C. 1151;
(5) Those in receipt of increased pension based on the need for regular aid and attendance or by reason of being permanently housebound;
(6) Those who have a visual or hearing impairment that resulted from the existence of another medical condition for which the veteran is receiving VA care, or which resulted from treatment of that medical condition;
(7) Those with a significant functional or cognitive impairment evidenced by deficiencies in activities of daily living, but not including normally occurring visual or hearing impairments; and
(8) Those visually or hearing impaired so severely that the provision of sensori-neural aids is necessary to permit active participation in their own medical treatment.

(c) VA will furnish needed hearing aids to those veterans who have service-connected hearing disabilities rated 0 percent if there is organic conductive, mixed, or sensory hearing impairment, and loss of pure tone hearing sensitivity in the low, mid, or high-frequency range or a combination of frequency ranges which contribute to a loss of communication ability; however, hearing aids are to be provided only as needed for the service-connected hearing disability.
