Admin. Comm. of the Federal Register

§ 17.6 Procedure and timing for emergency publication.

(a) Each agency requesting publication on the emergency schedule shall briefly describe the emergency and the benefits to be attributed to immediate publication in the Federal Register. The request must be made by letter.

(b) The Director of the Federal Register shall assign a document to the emergency schedule whenever the Director concurs with a request for that action and it is feasible.

(c) Each document assigned to the emergency schedule shall be published as soon as possible.

(d) Each document assigned to the emergency schedule for publication will be filed for public inspection on the working day before publication unless emergency filing for public inspection is also requested.

§ 17.5 Criteria for emergency filing for public inspection.

An agency may request emergency filing for public inspection for documents to be published under the regular, emergency or deferred publication schedules. Emergency filing for public inspection provides for the fastest possible public access to a document after it has been received, processed and assigned a publication date. Emergency filing for public inspection is considered a special arrangement under §17.2 of this part that results in deviation from the regular schedule for filing for public inspection. A document receiving emergency filing for public inspection remains on public inspection until it is published according to the schedule for publication.

§ 17.6 Procedure and timing for emergency filing for public inspection.

(a) Each agency requesting emergency filing for public inspection shall briefly describe the emergency and the benefits to be attributed to immediate public access. The request must be made by letter.

(b) The Director of the Federal Register shall approve an emergency filing for public inspection request whenever
