### Subpart A—General Provisions

#### § 209.1 Purpose and scope.

This part implements the provisions of the Energy Policy and Conservation Act (EPCA) authorizing the Administrator to prescribe standards and procedures by which persons engaged in the business of producing, transporting, refining, distributing, or storing petroleum may develop and carry out voluntary agreements, and plans of action which are required to implement the information and allocation provisions of the International Energy Program (IEP). The requirements of this part do not apply to activities other than those for which section 252 of EPCA makes available a defense to the antitrust laws.

#### § 209.2 Delegation.

To the extent otherwise permitted by law, any authority, duty, or responsibility vested in DOE or the Administrator under these regulations may be delegated to any regular full-time employee of the Department of Energy, and, by agreement, to any regular full-time employee of the Department of Justice or the Department of State.

#### § 209.3 Definitions.

For purposes of this part—

(a) *Administrator* means the Administrator of the Department of Energy.

(b) *Information and allocation provisions of the International Energy Program* means the provisions of chapter V of the Program relating to the Information System, and the provisions at chapters III and IV thereof relating to the international allocation of petroleum.

(c) *International Energy Agency (IEA)* means the International Energy Agency established by Decision of the Council of the Organization for Economic Cooperation and Development, dated November 15, 1974.

(d) *International Energy Program (IEP)* means the program established pursuant to the Agreement on an International Energy Program signed at Paris on November 18, 1974, including
