§ 215.4 Production of contracts and documents.

Whenever the Administrator determines that certain foreign crude oil supply information is necessary to assist in the formulation of energy policy or to carry out any other function of the Administrator, he may require the production by any person of any agreement or document relating to foreign oil supply arrangements or reports related thereto. Such material shall be provided pursuant to the conditions prescribed by the Administrator at the time of such order or subsequently. As used in this section, the term “agreement” includes proposed or draft agreements, and agreements in which the parties have tentatively concurred but have not yet signed, between or among persons and a host country.

§ 215.5 Pricing and volume reports.

To the extent not reported pursuant to §215.3, any person lifting for export crude oil from a country shall report to the DOE within 30 days of the date on which he receives actual notice:

(a) Any change (including changes in the timing of collection) by the host government in official selling prices, royalties, host government taxes, service fees, quality or port differentials, or any other payments made directly or indirectly for crude oil; changes in participation ratios; changes in concessionary arrangements; and

(b) Any changes in restrictions on lifting, production, or disposition.

§ 216.1 Introduction.

(a) This part describes and establishes the procedures to be used by the Department of Energy (DOE) in considering and making certain findings required by section 101(c)(2)(A) of the Defense Production Act of 1950, as amended, 50 U.S.C. app. 2071(c)(2)(A) (DPA). Section 101(c) authorizes the allocation of, or priority performance under contracts or orders (other than contracts
