

§ 1703.106

10 CFR Ch. XVII (1–1–10 Edition)

requester the opportunity to confer with knowledgeable Board personnel in an attempt to restate the request. If additional information is needed from the requester to render records reasonably described, any restated request submitted by the requester shall be treated as an initial request for purposes of calculating the time for response under §1703.108.

(e)(1) *Expedited processing.* A person may request expedited processing of an FOIA request when a compelling need for the requested records has been shown. “Compelling need” means:

(i) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;

(ii) An urgency to inform the public about an actual or alleged Federal Government activity, if the request is made by a person primarily engaged in disseminating information; or

(iii) The records pertain to an immediate source of risk to the public health and safety or worker safety at a defense nuclear facility under the Board’s jurisdiction.

(2) A requester seeking expedited processing should so indicate in the initial request, and should state all facts supporting the need to obtain the requested records rapidly. The requester must also state that these facts are true and correct to the best of the requester’s knowledge and belief.

(3) When a request for expedited processing is received, the Board will respond within ten calendar days from the date of receipt of the request, stating whether or not the request has been granted. If the request for expedited processing is denied, any appeal of that decision will be acted upon expeditiously.

[56 FR 21261, May 8, 1991, as amended at 62 FR 66815, Dec. 22, 1997]

§ 1703.106 Requests for waiver or reduction of fees.

(a) The Board shall collect fees for record requests made under §1703.105, as provided in §1703.107(b), unless a requester submits a request in writing for a waiver or reduction of fees. The Designated FOIA Officer shall make a determination on a fee waiver or reduc-

tion request within five working days of the request coming into his possession. No determination shall be made that a fee waiver or reduction request should be denied, until the Designated FOIA Officer has consulted with the General Counsel’s Office. If the determination is made that the written request for a waiver or reduction of fees does not meet the requirements of this section, the Designated FOIA Officer shall inform the requester that the request for waiver or reduction of fees is being denied and set forth his appeal rights under §1703.109.

(b) A person requesting the board to waive or reduce search, review, or duplication fees shall:

(1) Describe the purpose for which the requester intends to use the requested information;

(2) Explain the extent to which the requester will extract and analyze the substantive content of the agency record;

(3) Describe the nature of the specific activity or research in which the agency records will be used and the specific qualifications the requester possesses to utilize information for the intended use in such a way that it will contribute to public understanding;

(4) Describe the likely impact of disclosure of the requested records on the public’s understanding of the subject as compared to the level of understanding of the subject existing prior to disclosure;

(5) Describe the size and nature of the public to whose understanding a contribution will be made;

(6) Describe the intended means of dissemination to the general public;

(7) Indicate if public access to information will be provided free of charge or provided for an access or publication fee; and

(8) Describe any commercial or private interest the requester or any other party has in the agency records sought.

(c) The Board shall waive or reduce fees, without further specific information from the requester if, from information provided with the request for agency records made under §1703.105, it can determine that disclosure of the information in the agency records is in the public interest because it is likely

to contribute significantly to public understanding of the operations or activities of the Government and is not primarily in the commercial interest of the requester.

(d) In making a determination regarding a request for a waiver or reduction of fees, the Board shall consider the following factors:

(1) Whether the subject of the requested agency records concerns the operations or activities of the Government;

(2) Whether disclosure of the information is likely to contribute significantly to public understanding of Government operations or activities;

(3) Whether, and the extent to which, the requester has a commercial interest that would be furthered by the disclosure of the requested agency records; and

(4) Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

§ 1703.107 Fees for record requests.

(a) Fees for records available through the Public Reading Room.

(1) With the exception of copies of transcripts of Board public hearings addressed in paragraph (a)(2) of this section, the fees charged shall be limited to costs of duplication of the requested records. The Board shall either duplicate the requested records or have them duplicated by a commercial contractor. If the Board duplicates the records, it shall not charge the requester for the associated labor costs. A schedule of fees for this duplication service shall be prescribed in accordance with paragraph (b)(6) of this section. A person may obtain a copy of the schedule of fees in person or by mail from the Public Reading Room. There shall be no charge for responses consisting of ten or fewer pages.

(2) Transcripts of Board public hearings are made by private contractors. Interested persons may obtain copies of public hearing transcripts from the contractor at prices set in the contract, or through the duplication service noted in paragraph (a) of this sec-

tion, if the particular contract so permits. Copies of the contracts shall be available for public inspection in the Public Reading Room.

(3) Requests for certification of copies of official Board records must be accompanied by a fee of \$5.00 per document. Inquiries and orders may be made to the Public Reading Room in person or by mail.

(b) Fees for records not available through the Public Reading Room (FOIA requests).

(1) *Definitions.* For the purpose of paragraph (b) of this section:

Commercial use request means a request from or on behalf of one who seeks information for a use or purpose that furthers commercial, trade, or profit interests as these phrases are commonly known or have been interpreted by the courts in the context of the FOIA;

Direct costs means those expenditures which the Board incurs in search, review and duplication, as applicable to different categories of requesters, to respond to requests under §1703.105. Direct costs include, for example, the average hourly salary and projected benefits costs of Board employees applied to time spent in responding to the request and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as cost of space, and heating or lighting the facility in which the Board records are stored.

Educational institution refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program of scholarly research;

Noncommercial scientific institution refers to an institution that is not operated on a commercial basis and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry;

Representative of the news media refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to
