§ 712.33 Designated Psychologist.

(a) The Designated Psychologist reports to the SOMD and determines the psychological fitness of an individual to participate in the HRP. The results of this evaluation may be provided only to the Designated Physician or the SOMD.

(b) The Designated Psychologist must:

1. Hold a doctoral degree from a clinical psychology program that includes a one-year clinical internship approved by the American Psychological Association or an equivalent program;
2. Have accumulated a minimum of three years postdoctoral clinical experience with a major emphasis in psychological assessment and testing;
3. Have a valid, unrestricted state license to practice clinical psychology in the state where HRP medical assessments occur;
4. Have met the applicable HRP instruction requirements; and
5. Be eligible for the appropriate DOE access authorization.

(c) The Designated Psychologist is responsible for all psychological evaluations of HRP candidates, HRP-certified individuals, and others as directed by the SOMD. Although a portion of the psychological evaluation may be performed by another psychologist, the Designated Psychologist must:

1. Supervise the psychological evaluation process and designate which components may be performed by other qualified personnel;
2. Upon request of management, assess the psychological fitness of HRP candidates and HRP-certified individuals for HRP duties, including specific work settings, and recommend referrals as indicated; and
3. Make referrals for psychiatric, psychological, substance abuse, or personal or family problems, and monitor the progress of individuals so referred.

(d) The Designated Psychologist must immediately report to the SOMD any of the following about himself or herself:

1. Initiation of an adverse action by any state medical licensing board or any other professional licensing board;
2. Initiation of an adverse action by any Federal regulatory board since the last designation;
3. The withdrawal of the privilege to practice by any institution;
4. Being named a defendant in any criminal proceeding (felony or misdemeanor) since the last designation;
5. Being evaluated or treated for alcohol use disorder or drug dependency or abuse since the last designation; or
6. Occurrence since the last designation of a physical, mental/personality disorder, or health condition that might affect his or her ability to perform professional duties.

§ 712.34 Site Occupational Medical Director.

(a) The SOMD must nominate a physician to serve as the Designated Physician and a clinical psychologist to serve as the Designated Psychologist. The nominations must be sent through the Manager to the Director, Office of Health and Safety or his or her designee. Each nomination must describe the nominee’s relevant training, experience, and licensure, and include a curriculum vitae and a copy of the nominee’s current state or district license.

(b) The SOMD must submit a renomination report biennially through the Manager to the Director, Office of Health and Safety or his or her designee. This report must be submitted at least 60 days before the second anniversary of the initial designation or of the last redesignation, whichever applies. The report must include:

1. A statement evaluating the performance of the Designated Physician and Designated Psychologist during the previous designation period; and
(2) A copy of the valid, unrestricted state or district license of the Designated Physician and Designated Psychologist.

(c) The SOMD must submit, annually, to the Director, Office of Health and Safety or his or her designee through the Manager, a written report summarizing HRP medical activity during the previous year. The SOMD must comply with any DOE directives specifying the form or contents of the annual report.

(d) The SOMD must investigate any reports of performance issues regarding a Designated Physician or Designated Psychologist, and the SOMD may suspend either official from HRP-related duties. If the SOMD suspends either official, the SOMD must notify the Director, Office of Health and Safety or his or her designee and provide supporting documentation and reasons for the action.

§ 712.35 Director, Office of Health and Safety.

The Director, Office of Health and Safety or his or her designee must:

(a) Develop policies, standards, and guidance for the medical aspects of the HRP, including the psychological testing inventory to be used;

(b) Review the qualifications of Designated Physicians and Designated Psychologists, and concur or non-concur with their designations by sending a statement to the Manager and an informational copy to the SOMD; and

(c) Provide technical assistance on medical aspects of the HRP to all DOE elements and DOE contractors.

§ 712.36 Medical assessment process.

(a) The Designated Physician, under the supervision of the SOMD, is responsible for the medical assessment of HRP candidates and HRP-certified individuals. In carrying out this responsibility, the Designated Physician or the SOMD must integrate the medical evaluations, psychological evaluations, psychiatric evaluations, and any other relevant information to determine an individual’s overall medical qualification for assigned duties.

(b) Employers must provide a job task analysis for those individuals involved in HRP duties to both the Designated Physician and the Designated Psychologist before each medical assessment and psychological evaluation. HRP medical assessments and psychological evaluations may not be performed if a job task analysis has not been provided.

(c) The medical process by the Designated Physician includes:

1. Medical assessments for initial certification, annual recertification, and evaluations for reinstatement following temporary removal from the HRP.

2. Evaluations resulting from self-referrals and referrals by management.

3. Routine medical contacts and occupational and nonoccupational health counseling sessions; and

(d) Psychological evaluations must be conducted:

1. For initial certification. This psychological evaluation consists of a generally accepted psychological assessment (test) approved by the Director, Office of Health and Safety or his or her designee and a semi-structured interview.

2. For recertification. This psychological evaluation consists of a semi-structured interview, which is conducted annually at the time of the medical examination.

3. Every third year. The medical assessment for recertification must include a generally accepted psychological assessment (test) approved by the Director, Office of Health and Safety or his or her designee.

4. When the SOMD determines that additional psychological or psychiatric evaluations are required to resolve HRP concerns as listed in §712.13(c).

(e) Following absences requiring return-to-work evaluations under applicable DOE directives, the Designated Physician, the Designated Psychologist, or the SOMD must determine whether a psychological evaluation is necessary.

(f) Except as provided in paragraph (g) of this section, the Designated Physician must forward the completed
