§ 9038.1 Audit.

(a) *General.* (1) The Commission will conduct an audit of the qualified campaign expenses of every candidate and his or her authorized committee(s) who received Presidential primary matching funds. The audit may be conducted at any time after the date of the candidate's ineligibility.

(2) In addition, the Commission may conduct other examinations and audits from time to time as it deems necessary to carry out the provisions of this subchapter.

(3) Information obtained pursuant to any audit and examination conducted under 11 CFR 9038.1(a) (1) and (2) may be used by the Commission as the basis, or partial basis, for its repayment determinations under 11 CFR 9038.2.

(b) *Conduct of fieldwork.* (1) If the candidate or the candidate's authorized committee does not maintain or use any computerized information containing the data listed in 11 CFR 9033.12, the Commission will give the candidate's authorized committee at least two weeks' notice of the Commission's intention to commence fieldwork on the audit and examination. The fieldwork shall be conducted at a site provided by the committee. If the candidate or the candidate's authorized committee maintains or uses computerized information containing any of the data listed in 11 CFR 9033.12, the Commission generally will request such information prior to commencement of audit fieldwork. Such request will be made in writing. The committee shall produce the computerized information no later than 15 calendar days after service of such request. Upon receipt of the computerized information requested and compliance with the technical specifications of 11 CFR 9033.12(b), the Commission will give the candidate's authorized committee at

Federal Election Commission

§ 9038.1

least two weeks' notice of the Commission's intention to commence fieldwork on the audit and examination. The fieldwork shall be conducted at a site provided by the committee. During or after audit fieldwork, the Commission may request additional or updated computerized information which expands the coverage dates of computerized information previously provided, and which may be used for purposes including, but not limited to, updating a statement of net outstanding campaign obligations, or updating the amount chargeable to a state expenditure limit. During or after audit fieldwork, the Commission may also request additional computerized information which was created by or becomes available to the committee and that is of assistance in the Commission's audit. The committee shall produce the additional or updated computerized information no later than 15 calendar days after service of the Commission's request.

(i) *Office space and records.* On the date scheduled for the commencement of fieldwork, the candidate or his or her authorized committee(s) shall provide Commission staff with office space and committee records in accordance with the candidate and committee agreement under 11 CFR 9033.1(b)(6).

(ii) *Availability of committee personnel.* On the date scheduled for the commencement of fieldwork, the candidate or his or her authorized committee(s) shall have committee personnel present at the site of the fieldwork. Such personnel shall be familiar with the committee's records and operation and shall be available to Commission staff to answer questions and to aid in locating records.

(iii) *Failure to provide staff, records or office space.* If the candidate or his or her authorized committee(s) fail to provide adequate office space, personnel or committee records, the Commission may seek judicial intervention under 2 U.S.C. 437d or 26 U.S.C. 9040(c) to enforce the candidate and committee agreement made under 11 CFR 9033.1(b). Before seeking judicial intervention, the Commission will notify the candidate of his or her failure to comply with the agreement and will recommend corrective action to bring

the candidate into compliance. Upon receipt of the Commission's notification, the candidate will have 10 calendar days in which to take the corrective action indicated or to otherwise demonstrate to the Commission in writing that he or she is complying with the candidate and committee agreement.

(iv) If, in the course of the audit process, a dispute arises over the documentation sought or other requirements of the candidate agreement, the candidate may seek review by the Commission of the issues raised. To seek review, the candidate shall submit a written statement, within 10 calendar days after the disputed Commission staff request is made, describing the dispute and indicating the candidate's proposed alternative(s).

(v) If the candidate or his or her authorized committee fails to produce particular records, materials, evidence or other information requested by the Commission, the Commission may issue an order pursuant to 2 U.S.C. 437d(a)(1) or a subpoena or subpoena duces tecum pursuant to 2 U.S.C. 437(d)(a)(3). The procedures set forth in 11 CFR 111.11 through 111.15, as appropriate, shall apply to the production of such records, materials, evidence or other information as specified in the order, subpoena or subpoena duces tecum.

(2) Fieldwork will include the following steps designed to keep the candidate and committee informed as to the progress of the audit and to expedite the process:

(i) *Entrance conference.* At the outset of the fieldwork, Commission staff will hold an entrance conference, at which the candidate's representatives will be advised of the purpose of the audit and the general procedures to be followed. Future requirements of the candidate and his or her authorized committee, such as possible repayments to the United States Treasury, will also be discussed. Committee representatives shall provide information and records necessary to conduct the audit, and Commission staff will be available to answer committee questions.

(ii) *Review of records.* During the fieldwork, Commission staff will review committee records and may conduct interviews of committee personnel. Commission staff will be available to explain aspects of the audit and examination as it progresses. Additional meetings between Commission staff and committee personnel may be held during the fieldwork to discuss possible audit findings and to resolve issues arising during the course of the audit.

(iii) *Exit conference.* At the conclusion of the fieldwork, Commission staff will hold an exit conference to discuss with committee representatives the staff's preliminary findings and recommendations that the staff anticipates it will present to the Commission for approval. Commission staff will advise committee representatives at this conference of the committee's opportunity to respond to these preliminary findings; the projected timetables regarding the issuance of the Preliminary Audit Report, the Audit Report, and any repayment determination; the committee's opportunity for an administrative review of any repayment determination; and the procedures involved in Commission repayment determinations under 11 CFR 9038.2.

(3) Commission staff may conduct additional fieldwork after the completion of the fieldwork conducted pursuant to 11 CFR 9038.1(b) (1) and (2). Factors that may necessitate such follow-up fieldwork include, but are not limited to, the following:

(i) Committee responses to audit findings;

(ii) Financial activity of the committee subsequent to the fieldwork conducted pursuant to 11 CFR 9038.1(b)(1);

(iii) Committee responses to Commission repayment determinations made under 11 CFR 9038.2.

(4) The Commission will notify the candidate and his or her authorized committee if follow-up fieldwork is necessary. The provisions of 11 CFR 9038.1(b) (1) and (2) shall apply to any additional fieldwork conducted.

(c) *Preliminary Audit Report: Issuance by Commission and committee response.* (1) Commission staff will prepare a written Preliminary Audit Report,

which will be provided to the committee after it is approved by an affirmative vote of four (4) members of the Commission. The Preliminary Audit Report may include—

(i) An evaluation of procedures and systems employed by the candidate and committee to comply with applicable provisions of the Federal Election Campaign Act, the Presidential Election Campaign Fund Act and Commission regulations;

(ii) The accuracy of statements and reports filed with the Commission by the candidate and committee; and

(iii) Preliminary calculations regarding future repayments to the United States Treasury.

(2) The candidate and his or her authorized committee may submit in writing within 60 calendar days after receipt of the Preliminary Audit Report, legal and factual materials disputing or commenting on the proposed findings contained in the Preliminary Audit Report. In addition, the committee shall submit any additional documentation requested by the Commission. Such materials may be submitted by counsel if the candidate so desires.

(d) *Approval and issuance of audit report.* (1) Before voting on whether to issue and approve an audit report, the Commission will consider any written legal and factual materials timely submitted by the candidate or his or her authorized committee in accordance with paragraph (c) of this section. The Commission-approved audit report may address issues other than those contained in the Preliminary Audit Report. In addition, this report will contain a repayment determination made by the Commission pursuant to 11 CFR 9038.2(c)(1).

(2) The audit report may contain issues that warrant referral to the Office of General Counsel for possible enforcement proceedings under 2 U.S.C. 437g and 11 CFR part 111.

(3) Addenda to the audit report may be approved and issued by the Commission from time to time as circumstances warrant and as additional information becomes available. Such addenda may be based on follow-up fieldwork conducted under paragraph

Federal Election Commission

§ 9038.2

(b)(3) of this section, and/or information ascertained by the Commission in the normal course of carrying out its supervisory responsibilities. The procedures set forth in paragraphs (c) and (d) (1) and (2) of this section will be followed in preparing such addenda. The addenda will be placed on the public record as set forth in paragraph (e) of this section. Such addenda may also include additional repayment determination(s).

(e) *Public release of audit report.* (1) The Commission will consider the audit report in an open session agenda document. The Commission will provide the candidate and the committee with copies of any agenda document to be considered in an open session 24 hours prior to releasing the agenda document to the public.

(2) Following Commission approval of the audit report, the report will be forwarded to the committee and released to the public. The Commission will provide the candidate and committee with copies of the audit report approved by the Commission 24 hours before releasing the report to the public.

(f)(1) *Sampling.* In conducting an audit of contributions pursuant to this section, the Commission may utilize generally accepted statistical sampling techniques to quantify, in whole or in part, the dollar value of related audit findings. A projection of the total amount of violations based on apparent violations identified in such a sample may become the basis, in whole or in part, of any audit finding.

(2) A committee in responding to a sample-based finding concerning excessive or prohibited contributions shall respond only to the specific sample items used to make the projection. If the committee demonstrates that any apparent errors found among the sample items were not errors, the Commission shall make a new projection based on the reduced number of errors in the sample.

(3) Within 30 days of service of the Final Audit Report, the committee shall submit a check to the United States Treasury for the total amount of any excessive or prohibited contributions not refunded, reattributed or redesignated in a timely manner in accordance with 11 CFR 103.3(b) (1), (2) or

(3); or take any other action required by the Commission with respect to sample-based findings.

§ 9038.2 Repayments.

(a) *General.* (1) A candidate who has received payments from the matching payment account shall pay the United States Treasury any amounts which the Commission determines to be repayable under this section. In making repayment determinations under this section, the Commission may utilize information obtained from audits and examinations conducted pursuant to 11 CFR 9038.1 and part 9039 or otherwise obtained by the Commission in carrying out its responsibilities under this subchapter.

(2) The Commission will notify the candidate of any repayment determinations made under this section as soon as possible, but not later than 3 years after the close of the matching payment period. The Commission's issuance of the audit report to the candidate under 11 CFR 9038.1(d) will constitute notification for purposes of this section.

(3) Once the candidate receives notice of the Commission's repayment determination under this section, the candidate should give preference to the repayment over all other outstanding obligations of his or her committee, except for any federal taxes owned by the committee.

(4) Repayments may be made only from the following sources: personal funds of the candidate (without regard to the limitations of 11 CFR 9035.2), contributions and federal funds in the committee's account(s), and any additional funds raised subject to the limitations and prohibitions of the Federal Election Campaign Act of 1971, as amended.

(b) *Bases for repayment*—(1) *Payments in excess of candidate's entitlement.* The Commission may determine that certain portions of the payments made to a candidate from the matching payment account were in excess of the aggregate amount of payments to which such candidate was entitled. Examples
