

## § 26.5

Act (12 U.S.C. 1467a(a)(1)(F)) with respect to the service of a director of such company who also is a director of an unaffiliated depository organization if:

(i) Both the diversified savings and loan holding company and the unaffiliated depository organization notify their appropriate Federal depository institutions regulatory agency at least 60 days before the dual service is proposed to begin; and

(ii) The appropriate regulatory agency does not disapprove the dual service before the end of the 60-day period.

(2) The OCC may disapprove a notice of proposed service if it finds that:

(i) The service cannot be structured or limited so as to preclude an anti-competitive effect in financial services in any part of the United States;

(ii) The service would lead to substantial conflicts of interest or unsafe or unsound practices; or

(iii) The notificant failed to furnish all the information required by the OCC.

(3) The OCC may require that any interlock permitted under this paragraph (h) be terminated if a change in circumstances occurs with respect to one of the interlocked depository organizations that would have provided a basis for disapproval of the interlock during the notice period.

## § 26.5 Small market share exemption.

(a) *Exemption.* A management interlock that is prohibited by § 26.3 is permissible, if:

(1) The interlock is not prohibited by § 26.3(c); and

(2) The depository organizations (and their depository institution affiliates) hold, in the aggregate, no more than 20 percent of the deposits in each RMSA or community in which both depository organizations (or their depository institution affiliates) have offices. The amount of deposits shall be determined by reference to the most recent annual Summary of Deposits published by the FDIC for the RMSA or community.

(b) *Confirmation and records.* Each depository organization must maintain records sufficient to support its determination of eligibility for the exemption under paragraph (a) of this sec-

tion, and must reconfirm that determination on an annual basis.

## § 26.6 General exemption.

(a) *Exemption.* The OCC may by order issued following receipt of an application, exempt an interlock from the prohibitions in § 26.3 if the OCC finds that the interlock would not result in a monopoly or substantial lessening of competition and would not present safety and soundness concerns.

(b) *Presumptions.* In reviewing an application for an exemption under this section, the OCC will apply a rebuttable presumption that an interlock will not result in a monopoly or substantial lessening of competition if the depository organization seeking to add a management official:

(1) Primarily serves low- and moderate-income areas;

(2) Is controlled or managed by persons who are members of a minority group, or women;

(3) Is a depository institution that has been chartered for less than two years; or

(4) Is deemed to be in “troubled condition” as defined in 12 CFR 5.51(c)(6).

(c) *Duration.* Unless a specific expiration period is provided in the OCC approval, an exemption permitted by paragraph (a) of this section may continue so long as it does not result in a monopoly or substantial lessening of competition, or is unsafe or unsound. If the OCC grants an interlock exemption in reliance upon a presumption under paragraph (b) of this section, the interlock may continue for three years, unless otherwise provided by the OCC in writing.
